- (1) The offender;
- (2) The government of the United States or any of its agencies, a state or

(C) "Criminally injurious conduct" means either of the following:

(1) For the purposes of any person described in division (A)(1) of this section, any conduct that occurs or is attempted in this state; poses a substantial threat of personal injury or death; and is punishable by fine, imprisonment, or death, or would be so punishable but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of this state. Criminally injurious conduct does not include conduct arising out of the ownership, maintenance, or use of a motor vehicle, except when any of the following applies:

- (a) The person engaging in the conduct intended to cause personal injury or death;
- (b) The person engaging in the conduct was using the vehicle to flee immediately after committing a felony or an act that would constitute a felony but for the fact that the person engaging in the conduct lacked the capacity to commit the felony under the laws of this state;
- (c) The person engaging in the conduct was using the vehicle in a manner that constitutes an OMVI violation;
- (d) The conduct occurred on or after July 25, 1990, and the person

aging in the conduct was using the vehicle in a manner that constitutes a violation of section 2903.08 of the Revised Code.

(2) For the purposes of any person described in division (A)(2) of this section, any conduct that occurs or is attempted in another state, district, territory, or foreign country; poses a substantial threat of personal injury or death; and is punishable by fine, imprisonment, or death, or would be so punishable but for the fact that the person engaging in the conduct lacked capacity to commit the crime under the laws of the state, district, territory, or foreign country in which the conduct occurred or was attempted. Criminally injurious conduct does not include conduct arising out of the ownership, maintenance, or use of a motor vehicle, except when any of the following applies:

(a) The person engaging in the conduct intended to cause personal injury or death;

(b) The person engaging in the conduct was using the vehicle to flee immediately after committing a felony or an act that would constitute a felony but for the fact that the person engaging in the conduct lacked the capacity to commit the felony under the laws of the state, district, territory, or foreign country in which the conduct occurred or was attempted;

(c) The person engaging in the conduct was using the vehicle in a manner that constitutes an OMVI violation;

(d) The conduct occurred on or after July 25, 1990, the person engaging in the conduct was using the vehicle in a manner that constitutes a violation of any law of the state, district, territory, or foreign country in which the conduct occurred, and that law is substantially similar to a violation of section 2903.08 of the Revised Code.

(D) "Dependent" means an individual wholly or partially dependent upon the victim for care and support, and includes a child of the victim born after the victim's death.

(E) "Economic loss" means economic detriment consisting only of allowable expense, work loss, funeral expense, unemployment benefits loss, and replacement services loss. If criminally injurious conduct causes death, economic loss includes a dependent's economic loss and a dependent's replacement services loss. Noneconomic detriment is not economic loss; however, economic loss may be caused by pain and suffering or physical impairment.

(F) "Allowable expense" means reasonable charges incurred for reasonably needed products, services, and accommodations, including those for medical care, rehabilitation, rehabilitative occupational training, and other remedial treatment and care and including replacement costs for

eyeglasses and other corrective lenses. It does not include that portion of a charge for a room in a hospital, clinic, convalescent home, nursing home, or any other institution engaged in providing nursing care and related services in excess of a reasonable and customary charge for semiprivate accommodations, unless accommodations other than semiprivate accommodations are medically required.

(G) "Work loss" means loss of income from work that the injured person would have performed if the person had not been injured and expenses reasonably incurred by the person to obtain services in lieu of those the person would have performed for income, reduced by any income from substitute work actually performed by the person, or by income the person would have earned in available appropriate substitute work that the person was capable of performing but unreasonably failed to undertake.

(H) "Replacement services loss" means expenses reasonably incurred in obtaining ordinary and necessary services in lieu of those the injured person would have performed, not for income, but for the benefit of the person's self or family, if the person had not been injured.

(I) "Dependent's economic loss" means loss after a victim's death of contributions of things of economic value to the victim's dependents, not including services they would have received from the victim if the victim had not suffered the fatal injury, less expenses of the dependents avoided by reason of the victim's death. If a minor child of a victim is adopted after the victim's death, the minor child continues after the adoption to incur a dependent's economic loss as a result of the victim's death. If the surviving spouse of a victim remarries, the surviving spouse continues after the remarriage to incur a dependent's economic loss as a result of the victim's death.

(J) "Dependent's replacement services loss" means loss reasonably incurred by dependents after a victim's death in obtaining ordinary and necessary services in lieu of those the victim would have performed for their benefit if the victim had not suffered the fatal injury, less expenses of the dependents avoided by reason of the victim's death and not subtracted in calculating the dependent's economic loss. If a minor child of a victim is adopted after the victim's death, the minor child continues after the adoption to incur a dependent's replacement services loss as a result of the victim's death. If the surviving spouse of a victim remarries, the surviving spouse continues after the remarriage to incur a dependent's replacement services loss as a result of the victim's death.

(K) "Noneconomic detriment" means pain, suffering, inconvenience, physical impairment, or other nonpecuniary damage.

(L) "Victim" means a person who suffers personal injury or death as a result of any of the following:

- (1) Criminally injurious conduct;
- (2) The good faith effort of any person to prevent criminally injurious conduct;
- (3) The good faith effort of any person to apprehend a person suspected of engaging in criminally injurious conduct.

(M) "Contributory misconduct" means any conduct of the claimant or of the victim through whom the claimant claims an award of reparations that is unlawful or intentionally tortious and that, without regard to the conduct's proximity in time or space to the criminally injurious conduct, has a causal relationship to the criminally injurious conduct that is the basis of the claim.

(N) "Funeral expense" means any reasonable charges that are not in excess of two thousand five hundred dollars and that are incurred for expenses directly related to the victim's funeral, cremation, or burial.

(O) "Unemployment benefits loss" means a loss of unemployment benefits pursuant to Chapter 4141. of the Revised Code when the loss arises solely from the inability of a victim to meet the able to work, available for suitable work, or the actively seeking suitable work requirements of division (A)(4)(a) of section 4141.29 of the Revised Code.

(P) "OMVI violation" means any of the following:

(1) A violation of section 4511.19 of the Revised Code, of any municipal ordinance prohibiting the operation of a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of any municipal ordinance prohibiting the operation of a vehicle with a prohibited concentration of alcohol in the blood, breath, or urine;

(2) A violation of section 2903.06 of the Revised Code, if the offender was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, at the time of the commission of the offense;

(3) A violation of section 2903.07 of the Revised Code or of a municipal ordinance substantially similar to that section, if the offender was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, at the time of the commission of the offense;

(4) For purposes of any person described in division (A)(2) of this section, a violation of any law of the state, district, territory, or foreign country in which the criminally injurious conduct occurred, if that law is substantially similar to a violation described in division (P)(1) of this section or if that law is substantially similar to a violation described in division (P)(2) or (3) of this section and the offender was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, at the time of the

commission of the offense.

(Q) "Pendency of the claim" for an original reparations application or supplemental reparations application means the period of time from the date the criminally injurious conduct upon which the application is based occurred until the date a final order from the court of claims concerning that original reparations application or supplemental reparations application is issued.
