The administrator may waive the requirements of divisions (B)(1)(a) and ~~(2)(b)~~ of this section and the requirement of division (B)~~(5)(1)(e)~~ of this section that the financial records, documents, and data be certified by a certified public accountant. The administrator shall not approve the application of a public employer, except for a board of county commissioners described in division (G) of section 4123.01 of the Revised Code, a board of a county hospital, or publicly owned utility, who does not satisfy all of the requirements listed in division (B)(2) of this section.

The records, documents, and data include, but are not limited to, balance sheets and profit and loss history for the current year and previous four years.
- (6) The board's organizational plan for the administration of the workers' compensation law;

(9) The board shall provide the administrator a surety bond in an amount equal to one hundred twenty-five per cent of the projected losses as determined by the administrator.

(D) The administrator shall require a surety bond from all self-insuring employers, issued pursuant to section 4123.351 of the Revised Code, that is sufficient to compel, or secure to injured employees, or to the dependents of employees killed, the payment of compensation and expenses, which shall in no event be less than that paid or furnished out of the state insurance fund in similar cases to injured employees or to dependents of killed employees whose employers contribute to the fund, except when an employee of the employer, who has suffered the loss of a hand, arm, foot, leg, or eye prior to the injury for which compensation is to be paid, and thereafter suffers the loss of any other of the members as the result of any injury sustained in the course of and arising out of the employee's employment, the compensation to be paid by the self-insuring employer is limited to the disability suffered in the subsequent injury, additional compensation, if any, to be paid by the bureau out of the surplus created by section 4123.34 of the Revised Code.

(E) In addition to the requirements of this section, the administrator shall make and publish rules governing the manner of making application and the nature and extent of the proof required to justify a finding of fact by the administrator as to granting the status of a self-insuring employer, which rules shall be general in their application, one of which rules shall provide that all self-insuring employers shall pay into the state insurance fund such amounts as are required to be credited to the surplus fund in division (B) of section 4123.34 of the Revised Code. The administrator may adopt rules establishing requirements in addition to the requirements described in division (B)(2) of this section that a public employer shall meet in order to qualify for self-insuring status.

Employers shall secure directly from the bureau central offices application forms upon which the bureau shall stamp a designating number. Prior to submission of an application, an employer shall make available to the bureau, and the bureau shall review, the information described in ~~divisions~~ division (B)(1) to (8) of this section, and public employers shall make available, and the bureau shall review, the information necessary to verify whether the public employer meets the requirements listed in division (B)(2) of this section. An employer shall file the completed application

forms with an application fee, which shall cover the costs of processing the application, as established by the administrator, by rule, with the bureau at least ninety days prior to the effective date of the employer's new status as a self-insuring employer. The application form is not deemed complete until all the required information is attached thereto. The bureau shall only accept applications that contain the required information.

(F) The bureau shall review completed applications within a reasonable time. If the bureau determines to grant an employer the status as a self-insuring employer, the bureau shall issue a statement, containing its findings of fact, that is prepared by the bureau and signed by the administrator. If the bureau determines not to grant the status as a self-insuring employer, the bureau shall notify the employer of the determination and require the employer to continue to pay its full premium into the state insurance fund. The administrator also shall adopt rules establishing a minimum level of performance as a criterion for granting and maintaining the status as a self-insuring employer and fixing time limits beyond which failure of the self-insuring employer to provide for the necessary medical examinations and evaluations may not delay a decision on a claim.

(G) The administrator shall adopt rules setting forth procedures for auditing the program of self-insuring employers. The bureau shall conduct the audit upon a random basis or whenever the bureau has grounds for believing that ~~an~~ a self-insuring employer is not in full compliance with bureau rules or this chapter.

The administrator shall monitor the programs conducted by self-insuring employers, to ensure compliance with bureau requirements and for that purpose, shall develop and issue to self-insuring employers standardized forms for use by the self-insuring employer in all aspects of the self-insuring employers' direct compensation program and for reporting of information to the bureau.

The bureau shall receive and transmit to the self-insuring employer all complaints concerning any self-insuring employer. In the case of a complaint against a self-insuring employer, the administrator shall handle the complaint through the self-insurance division of the bureau. The bureau shall maintain a file by employer of all complaints received that relate to the employer. The bureau shall evaluate each complaint and take appropriate action.

The administrator shall adopt as a rule a prohibition against any self-insuring employer from harassing, dismissing, or otherwise disciplining any employee making a complaint, which rule shall provide for a financial

penalty to be levied by the administrator payable by the offending self-insuring employer.

(H) For the purpose of making determinations as to whether to grant status as a self-insuring employer, the administrator may subscribe to and pay for a credit reporting service that offers financial and other business information about individual employers. The costs in connection with the bureau's subscription or individual reports from the service about an applicant may be included in the application fee charged employers under this section.

(I) The administrator, notwithstanding other provisions of this chapter, may permit a self-insuring employer to resume payment of premiums to the state insurance fund with appropriate credit modifications to the employer's basic premium rate as such rate is determined pursuant to section 4123.29 of the Revised Code.

(J) On the first day of July of each year, the administrator shall calculate separately each self-insuring employer's assessments for the safety and hygiene fund, administrative costs pursuant to section 4123.342 of the Revised Code, and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, on the basis of the paid compensation attributable to the individual self-insuring employer according to the following calculation:

(1) The total assessment against all self-insuring employers as a class for each fund and for the administrative costs for the year that the assessment is being made, as determined by the administrator, divided by the total amount of paid compensation for the previous calendar year attributable to all amenable self-insuring employers;

(2) Multiply the quotient in division (J)(1) of this section by the total amount of paid compensation for the previous calendar year that is attributable to the individual self-insuring employer for whom the assessment is being determined. Each self-insuring employer shall pay the assessment that results from this calculation, unless the assessment resulting from this calculation falls below a minimum assessment, which minimum assessment the administrator shall determine on the first day of July of each year with the advice and consent of the workers' compensation oversight commission, in which event, the self-insuring employer shall pay the minimum assessment.

In determining the total amount due for the total assessment against all self-insuring employers as a class for each fund and the administrative assessment, the administrator shall reduce proportionately the total for each fund and assessment by the amount of money in the self-insurance

assessment fund as of the date of the computation of the assessment.

The administrator shall calculate the assessment for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is used for handicapped reimbursement in the same manner as set forth in divisions (J)(1) and (2) of this section except that the administrator shall calculate the total assessment for this portion of the surplus fund only on the basis of those self-insuring employers that retain participation in the handicapped reimbursement program and the individual self-insuring employer's proportion of paid compensation shall be calculated only for those self-insuring employers who retain participation in the handicapped reimbursement program. The administrator, as the administrator determines appropriate, may determine the total assessment for the handicapped portion of the surplus fund in accordance with sound actuarial principles.

The administrator shall calculate the assessment for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that under division (D) of section 4121.66 of the Revised Code is used for rehabilitation costs in the same manner as set forth in divisions (J)(1) and (2) of this section, except that the administrator shall calculate the total assessment for this portion of the surplus fund only on the basis of those self-insuring employers who have not made the election to make payments directly under division (D) of section 4121.66 of the Revised Code and an individual self-insuring employer's proportion of paid compensation only for those self-insuring employers who have not made that election.

An employer who no longer is a self-insuring employer in this state or who no longer is operating in this state, shall continue to pay assessments for administrative costs and for the portion of the surplus fund under division (B) of section 4123.34 of the Revised Code that is not used for handicapped reimbursement, based upon paid compensation attributable to claims that occurred while the employer was a self-insuring employer within this state.

(K) There is hereby created in the state treasury the self-insurance assessment fund. All investment earnings of the fund shall be deposited in the fund. The administrator shall use the money in the self-insurance assessment fund only for administrative costs as specified in section 4123.341 of the Revised Code.

(L) Every self-insuring employer shall certify, in affidavit form subject to the penalty for perjury, to the bureau the amount of the self-insuring employer's paid compensation for the previous calendar year. In reporting paid compensation paid for the previous year, a self-insuring employer shall exclude from the total amount of paid compensation any reimbursement the

self-insuring employer receives in the previous calendar year from the surplus fund pursuant to section 4123.512 of the Revised Code for any paid compensation. The self-insuring employer also shall exclude from the paid compensation reported any amount recovered under section 4123.93 of the Revised Code and any amount that is determined not to have been payable to or on behalf of a claimant in any final administrative or judicial proceeding. The self-insuring employer shall exclude such amounts from the paid compensation reported in the reporting period subsequent to the date the determination is made. The administrator shall adopt rules, in accordance with Chapter 119. of the Revised Code, establishing the date by which self-insuring employers must submit such information and the amount of the assessments provided for in division (J) of this section for employers who have been granted self-insuring status within the last calendar year.

The administrator shall include any assessment that remains unpaid for previous assessment periods in the calculation and collection of any assessments due under this division or division (J) of this section.

(M) As used in this section, "paid compensation" means all amounts paid by a self-insuring employer for living maintenance benefits, all amounts for compensation paid pursuant to sections 4121.63, 4121.67, 4123.56, 4123.57, 4123.58, 4123.59, 4123.60, and 4123.64 of the Revised Code, all amounts paid as wages in lieu of such compensation, all amounts paid in lieu of such compensation under a nonoccupational accident and sickness program fully funded by the self-insuring employer, and all amounts paid by a self-insuring employer for a violation of a specific safety standard pursuant to Section 35 of Article II, Ohio Constitution and section 4121.47 of the Revised Code.

(N) Should any section of this chapter or Chapter 4121. of the Revised Code providing for self-insuring employers' assessments based upon compensation paid be declared unconstitutional by a final decision of any court, then that section of the Revised Code declared unconstitutional shall revert back to the section in existence prior to November 3, 1989, providing for assessments based upon payroll.

(O) The administrator may grant a self-insuring employer the privilege to self-insure a construction project entered into by the self-insuring employer that is scheduled for completion within six years after the date the project begins, and the total cost of which is estimated to exceed one hundred million dollars. The administrator may waive such cost and time criteria and grant a self-insuring employer the privilege to self-insure a construction project regardless of the time needed to complete the

construction project and provided that the cost of the construction project is estimated to exceed fifty million dollars. A self-insuring employer who desires to self-insure a construction project shall submit to the administrator an application listing the dates the construction project is scheduled to begin and end, the estimated cost of the construction project, the contractors and subcontractors whose employees are to be self-insured by the self-insuring employer, the provisions of a safety program that is specifically designed for the construction project, and a statement as to whether a collective bargaining agreement governing the rights, duties, and obligations of each of the parties to the agreement with respect to the construction project exists between the self-insuring employer and a labor organization.

A self-insuring employer may apply to self-insure the employees of either of the following:

(1) All contractors and subcontractors who perform labor or work or provide materials for the construction project;

(2) All contractors and, at the administrator's discretion, a substantial number of all the subcontractors who perform labor or work or provide materials for the construction project.

Upon approval of the application, the administrator shall mail a certificate granting the privilege to self-insure the construction project to the self-insuring employer. The certificate shall contain the name of the self-insuring employer and the name, address, and telephone number of the self-insuring employer's representatives who are responsible for administering workers' compensation claims for the construction project. The self-insuring employer shall post the certificate in a conspicuous place at the site of the construction project.

The administrator shall maintain a record of the contractors and subcontractors whose employees are covered under the certificate issued to the self-insured employer. A self-insuring employer immediately shall notify the administrator when any contractor or subcontractor is added or eliminated from inclusion under the certificate.

Upon approval of the application, the self-insuring employer is responsible for the administration and payment of all claims under this chapter and Chapter 4121. of the Revised Code for the employees of the contractor and subcontractors covered under the certificate who receive injuries or are killed in the course of and arising out of employment on the construction project, or who contract an occupational disease in the course of employment on the construction project. For purposes of this chapter and Chapter 4121. of the Revised Code, a claim that is administered and paid in accordance with this division is considered a claim against the self-insuring

employer listed in the certificate. A contractor or subcontractor included under the certificate shall report to the self-insuring employer listed in the certificate, all claims that arise under this chapter and Chapter 4121. of the Revised Code in connection with the construction project for which the certificate is issued.

A self-insuring employer who complies with this division is entitled to the protections provided under this chapter and Chapter 4121. of the Revised Code with respect to the employees of the contractors and subcontractors covered under a certificate issued under this division for death or injuries that arise out of, or death, injuries, or occupational diseases that arise in the course of, those employees' employment on that construction project, as if the employees were employees of the self-insuring employer, provided that the self-insuring employer also complies with this section. No employee of the contractors and subcontractors covered under a certificate issued under this division shall be considered the employee of the self-insuring employer listed in that certificate for any purposes other than this chapter and Chapter 4121. of the Revised Code. Nothing in this division gives a self-insuring employer authority to control the means, manner, or method of employment of the employees of the contractors and subcontractors covered under a certificate issued under this division.

The contractors and subcontractors included under a certificate issued under this division are entitled to the protections provided under this chapter and Chapter 4121. of the Revised Code with respect to the contractor's or subcontractor's employees who are employed on the construction project which is the subject of the certificate, for death or injuries that arise out of, or death, injuries, or occupational diseases that arise in the course of, those employees' employment on that construction project.

The contractors and subcontractors included under a certificate issued under this division shall identify in their payroll records the employees who are considered the employees of the self-insuring employer listed in that certificate for purposes of this chapter and Chapter 4121. of the Revised Code, and the amount that those employees earned for employment on the construction project that is the subject of that certificate. Notwithstanding any provision to the contrary under this chapter and Chapter 4121. of the Revised Code, the administrator shall exclude the payroll that is reported for employees who are considered the employees of the self-insuring employer listed in that certificate, and that the employees earned for employment on the construction project that is the subject of that certificate, when determining those contractors' or subcontractors' premiums or assessments required under this chapter and Chapter 4121. of the Revised Code. A

self-insuring employer issued a certificate under this division shall include in the amount of paid compensation it reports pursuant to division (L) of this section, the amount of paid compensation the self-insuring employer paid pursuant to this division for the previous calendar year.

Nothing in this division shall be construed as altering the rights of employees under this chapter and Chapter 4121. of the Revised Code as those rights existed prior to September 17, 1996. Nothing in this division shall be construed as altering the rights devolved under sections 2305.31 and 4123.82 of the Revised Code as those rights existed prior to September 17, 1996.

As used in this division, "privilege to self-insure a construction project" means privilege to pay individually compensation, and to furnish medical, surgical, nursing, and hospital services and attention and funeral expenses directly to injured employees or the dependents of killed employees.

(P) A self-insuring employer whose application is granted under division (O) of this section shall designate a safety professional to be responsible for the administration and enforcement of the safety program that is specifically designed for the construction project that is the subject of the application.

A self-insuring employer whose application is granted under division (O) of this section shall employ an ombudsperson for the construction project that is the subject of the application. The ombudsperson shall have experience in workers' compensation or the construction industry, or both. The ombudsperson shall perform all of the following duties:

(1) Communicate with and provide information to employees who are injured in the course of, or whose injury arises out of employment on the construction project, or who contract an occupational disease in the course of employment on the construction project;

(2) Investigate the status of a claim upon the request of an employee to do so;

(3) Provide information to claimants, third party administrators, employers, and other persons to assist those persons in protecting their rights under this chapter and Chapter 4121. of the Revised Code.

A self-insuring employer whose application is granted under division (O) of this section shall post the name of the safety professional and the ombudsperson and instructions for contacting the safety professional and the ombudsperson in a conspicuous place at the site of the construction project.

(Q) The administrator may consider all of the following when deciding whether to grant a self-insuring employer the privilege to self-insure a construction project as provided under division (O) of this section:

(1) Whether the self-insuring employer has an organizational plan for the administration of the workers' compensation law;

(2) Whether the safety program that is specifically designed for the construction project provides for the safety of employees employed on the construction project, is applicable to all contractors and subcontractors who perform labor or work or provide materials for the construction project, and has a component, a safety training program that complies with standards adopted pursuant to the "Occupational Safety and Health Act of 1970," 84 Stat. 1590, 29 U.S.C.A. 651, and provides for continuing management and employee involvement;

(3) Whether granting the privilege to self-insure the construction project will reduce the costs of the construction project;

(4) Whether the self-insuring employer has employed an ombudsperson as required under division (P) of this section;

(5) Whether the self-insuring employer has sufficient surety to secure the payment of claims for which the self-insuring employer would be responsible pursuant to the granting of the privilege to self-insure a construction project under division (O) of this section.

(R) As used in this section:

(1) "Unvoted debt capacity" means the amount of money that a public employer may borrow without voter approval of a tax levy;

(2) "State institution of higher education" means the state universities listed in section 3345.011 of the Revised Code, community colleges created pursuant to Chapter 3354. of the Revised Code, university branches created pursuant to Chapter 3355. of the Revised Code, technical colleges created pursuant to Chapter 3357. of the Revised Code, and state community colleges created pursuant to Chapter 3358. of the Revised Code.

Sec. 4123.353. (A) A public employer, except for a board of county commissioners described in division (G) of section 4123.01 of the Revised Code, a board of a county hospital, or a publicly owned utility, who is granted the status of self-insuring employer pursuant to section 4123.35 of the Revised Code shall do all of the following:

(1) Reserve funds as necessary, in accordance with sound and prudent actuarial judgment, to cover the costs the public employer may potentially incur to remain in compliance with this chapter and Chapter 4121. of the Revised Code;

(2) Include all activity under this chapter and Chapter 4121. of the Revised Code in a single fund on the public employer's accounting records;

(3) Within ninety days after the last day of each fiscal year, prepare and maintain a report of the reserved funds described in division (A)(1) of this

section and disbursements made from those reserved funds:

(4) Within ninety days after the last day of each fiscal year, obtain a written report prepared by a member of the American academy of actuaries, certifying whether the reserved funds described in division (A)(1) of this section are sufficient to cover the costs the public employer may potentially incur to remain in compliance with this chapter and Chapter 4121. of the Revised Code, are computed in accordance with accepted loss reserving standards, and are fairly stated in accordance with sound loss reserving principles.

(B) A public employer who is subject to division (A) of this section shall make the reports required by that division available for inspection by the Administrator of Workers' Compensation and any other person at all reasonable times during regular business hours.
