*Be it enacted by the General Assembly of the State of Ohio:*

SECTION 1. That sections 2151.358, 2953.52, 2953.53, 4301.638, 4301.69, and 4301.99 be amended to read as follows:

Sec. 2151.358. (A) As used in this section, "seal a record" means to remove a record from the main file of similar records and to secure it in a separate file that contains only sealed records and that is accessible only to the juvenile court. A record that is sealed shall be destroyed by all persons and governmental bodies except the juvenile court.

(B) The department of youth services and any other institution or facility that unconditionally discharges a person who has been adjudicated a delinquent child, an unruly child, or a juvenile traffic offender shall immediately give notice of the discharge to the court that committed the person. The court shall note the date of discharge on a separate record of discharges of those natures.

(C)(1)(a) Two years after the termination of any order made by the court or two years after the unconditional discharge of a person from the department of youth services or another institution or facility to which the person may have been committed, the court that issued the order or committed the person shall do whichever of the following is applicable:

(i) If the person was adjudicated an unruly child, order the record of the

person sealed;

(ii) If the person was adjudicated a delinquent child for committing an act other than a violation of section 2903.01, 2903.02, 2907.02, 2907.03, or 2907.05 of the Revised Code or was adjudicated a juvenile traffic offender, either order the record of the person sealed or send the person notice of the person's right to have that record sealed.

(b) Division (C)(1)(a) of this section does not apply regarding a person who was adjudicated a delinquent child for committing a violation of section 2903.01, 2903.02, 2907.02, 2907.03, or 2907.05 of the Revised Code.

(2) The court shall send the notice described in division (C)(1)(a)(ii) of this section within ninety days after the expiration of the two-year period described in division (C)(1)(a) of this section by certified mail, return receipt requested, to the person's last known address. The notice shall state that the person may apply to the court for an order to seal the person's record, explain what sealing a record means, and explain the possible consequences of not having the person's record sealed.

(D)(1) At any time after the two-year period described in division (C)(1)(a) of this section has elapsed, any person who has been adjudicated a delinquent child for committing an act other than a violation of section 2903.01, 2903.02, 2907.02, 2907.03, or 2907.05 of the Revised Code or who has been adjudicated a juvenile traffic offender may apply to the court for an order to seal the person's record. The court shall hold a hearing on each application within sixty days after the application is received. Notice of the hearing on the application shall be given to the prosecuting attorney and to any other public office or agency known to have a record of the prior adjudication. If the court finds that the rehabilitation of the person who was adjudicated a delinquent child or a juvenile traffic offender has been attained to a satisfactory degree, the court may order the record of the person sealed.

(2) Division (D)(1) of this section does not apply regarding a person who was adjudicated a delinquent child for committing a violation of section 2903.01, 2903.02, 2907.02, 2907.03, or 2907.05 of the Revised Code.

(3) If a child who was charged with violating division (E)(1) of section 4301.69 of the Revised Code successfully completes a diversion program under division (E)(2)(a) of section 4301.69 of the Revised Code with respect to that charge, the court shall order the person's record in that case sealed.

(E)(1) If the court orders the adjudication record or other record of a person sealed pursuant to division (C) or (D) of this section, the court, except as provided in division (K) of this section, shall order that the proceedings in the case in which the person was adjudicated a juvenile traffic offender, a delinquent child, or an unruly child, or in which the

on was the subject of a complaint alleging the person to have violated division (E)(1) of section 4301.69 of the Revised Code, be deemed never to have occurred. Except as provided in division (G)(2) of this section, all index references to the case and the person shall be deleted, and the person and the court properly may reply that no record exists with respect to the person upon any inquiry in the matter.

(2) Inspection of records that have been ordered sealed under division (E)(1) of this section may be made only by the following persons or for the following purposes:

(a) If the records in question pertain to an act that would be an offense of violence that would be a felony if committed by an adult, by any law enforcement officer or any prosecutor, or the assistants of a law enforcement officer or prosecutor, for any valid law enforcement or prosecutorial purpose;

(b) Upon application by the person who is the subject of the sealed records, by the persons that are named in that application;

(c) If the records in question pertain to an alleged violation of division (E)(1) of section 4301.69 of the Revised Code, by any law enforcement officer or any prosecutor, or the assistants of a law enforcement officer or prosecutor, for the purpose of determining whether the person is eligible for diversion under division (E)(2) of section 4301.69 of the Revised Code.

(F) Any person who has been arrested and charged with being a delinquent child or a juvenile traffic offender and who is adjudicated not guilty of the charges in the case or has the charges in the case dismissed may apply to the court for an expungement of the record in the case. The application may be filed at any time after the person is adjudicated not guilty or the charges against the person are dismissed. The court shall give notice to the prosecuting attorney of any hearing on the application. The court may initiate the expungement proceedings on its own motion.

Any person who has been arrested and charged with being an unruly child and who is adjudicated not guilty of the charges in the case or has the charges in the case dismissed may apply to the court for an expungement of the record in the case. The court shall initiate the expungement proceedings on its own motion if an application for expungement is not filed.

If the court upon receipt of an application for expungement or upon its own motion determines that the charges against any person in any case were dismissed or that any person was adjudicated not guilty in any case, the court shall order that the records of the case be expunged and that the proceedings in the case be deemed never to have occurred. If the applicant for the expungement order, with the written consent of the applicant's

parents or guardian if the applicant is a minor and with the written approval of the court, waives in writing the applicant's right to bring any civil action based on the arrest for which the expungement order is applied, the court shall order the appropriate persons and governmental agencies to delete all index references to the case; destroy or delete all court records of the case; destroy all copies of any pictures and fingerprints taken of the person pursuant to the expunged arrest; and destroy, erase, or delete any reference to the arrest that is maintained by the state or any political subdivision of the state, except a record of the arrest that is maintained for compiling statistical data and that does not contain any reference to the person.

If the applicant for an expungement order does not waive in writing the right to bring any civil action based on the arrest for which the expungement order is applied, the court, in addition to ordering the deletion, destruction, or erasure of all index references and court records of the case and of all references to the arrest that are maintained by the state or any political subdivision of the state, shall order that a copy of all records of the case, except fingerprints held by the court or a law enforcement agency, be delivered to the court. The court shall seal all of the records delivered to the court in a separate file in which only sealed records are maintained. The sealed records shall be kept by the court until the statute of limitations expires for any civil action based on the arrest, any pending litigation based on the arrest is terminated, or the applicant files a written waiver of the right to bring a civil action based on the arrest. After the expiration of the statute of limitations, the termination of the pending litigation, or the filing of the waiver, the court shall destroy the sealed records.

After the expungement order has been issued, the court shall, and the person may properly, reply that no record of the case with respect to the person exists.

(G)(1) The court shall send notice of the order to expunge or seal to any public office or agency that the court has reason to believe may have a record of the expunged or sealed record. Except as provided in division (K) of this section, an order to seal or expunge under this section applies to every public office or agency that has a record of the prior adjudication or arrest, regardless of whether it receives notice of the hearing on the expungement or sealing of the record or a copy of the order to expunge or seal the record. Except as provided in division (K) of this section, upon the written request of a person whose record has been expunged and the presentation of a copy of the order to expunge, a public office or agency shall destroy its record of the prior adjudication or arrest, except a record of the adjudication or arrest that is maintained for compiling statistical data and

that does not contain any reference to the person who is the subject of the order to expunge.

(2) The person, or the public office or agency, that maintains sealed records pertaining to an adjudication of a child as a delinquent child may maintain a manual or computerized index to the sealed records. The index shall contain only the name of, and alphanumeric identifiers that relate to, the persons who are the subject of the sealed records, the word "sealed," and the name of the person, or the public office or agency that has custody of the sealed records and shall not contain the name of the delinquent act committed. The person who has custody of the sealed records shall make the index available only for the purposes set forth in divisions (E)(2) and (H) of this section.

(H) The judgment rendered by the court under this chapter shall not impose any of the civil disabilities ordinarily imposed by conviction of a crime in that the child is not a criminal by reason of the adjudication and no child shall be charged with or convicted of a crime in any court except as provided by this chapter. The disposition of a child under the judgment rendered or any evidence given in court shall not operate to disqualify a child in any future civil service examination, appointment, or application. Evidence of a judgment rendered and the disposition of a child under the judgment is not admissible to impeach the credibility of the child in any action or proceeding. Otherwise, the disposition of a child under the judgment rendered or any evidence given in court is admissible as evidence for or against the child in any action or proceeding in any court in accordance with the Rules of Evidence and also may be considered by any court as to the matter of sentence or to the granting of probation, and a court may consider the judgment rendered and the disposition of a child under that judgment for purposes of determining whether the child, for a future criminal conviction or guilty plea, is a repeat violent offender, as defined in section 2929.01 of the Revised Code.

(I) In any application for employment, license, or other right or privilege, any appearance as a witness, or any other inquiry, a person may not be questioned with respect to any arrest for which the records were expunged. If an inquiry is made in violation of this division, the person may respond as if the expunged arrest did not occur, and the person shall not be subject to any adverse action because of the arrest or the response.

(J) An officer or employee of the state or any of its political subdivisions who knowingly releases, disseminates, or makes available for any purpose involving employment, bonding, licensing, or education to any person or to any department, agency, or other instrumentality of the state or

of any of its political subdivisions any information or other data concerning any arrest, complaint, indictment, information, trial, hearing, adjudication, or correctional supervision, the records of which have been expunged or sealed pursuant to this section and the release, dissemination, or making available of which is not expressly permitted by this section, is guilty of divulging confidential information, a misdemeanor of the fourth degree.

(K) Notwithstanding any provision of this section that requires otherwise, a board of education of a city, local, exempted village, or joint vocational school district that maintains records of an individual who has been permanently excluded under sections 3301.121 and 3313.662 of the Revised Code is permitted to maintain records regarding an adjudication that the individual is a delinquent child that was used as the basis for the individual's permanent exclusion, regardless of a court order to seal the record. An order issued under this section to seal the record of an adjudication that an individual is a delinquent child does not revoke the adjudication order of the superintendent of public instruction to permanently exclude the individual who is the subject of the sealing order. An order issued under this section to seal the record of an adjudication that an individual is a delinquent child may be presented to a district superintendent as evidence to support the contention that the superintendent should recommend that the permanent exclusion of the individual who is the subject of the sealing order be revoked. Except as otherwise authorized by this division and sections 3301.121 and 3313.662 of the Revised Code, any school employee in possession of or having access to the sealed adjudication records of an individual that were the basis of a permanent exclusion of the individual is subject to division (J) of this section.

Sec. 2953.52. (A)(1) Any person, who is found not guilty of an offense by a jury or a court or who is the defendant named in a dismissed complaint, indictment, or information, may apply to the court for an order to seal his official records in the case. Except as provided in section 2953.61 of the Revised Code, the application may be filed at any time after the finding of not guilty or the dismissal of the complaint, indictment, or information is entered upon the minutes of the court or the journal, whichever entry occurs first.

(2) Any person, against whom a no bill is entered by a grand jury, may apply to the court for an order to seal his official records in the case. Except as provided in section 2953.61 of the Revised Code, the application may be filed at any time after the expiration of two years after the date on which the foreman or deputy foreman of the grand jury reports to the court that the grand jury has reported a no bill.

(B)(1) Upon the filing of an application pursuant to division (A) of this section, the court shall set a date for a hearing and shall notify the prosecutor in the case of the hearing on the application. The prosecutor may object to the granting of the application by filing an objection with the court prior to the date set for the hearing. The prosecutor shall specify in the objection the reasons he believes justify a denial of the application.

(2) The court shall do each of the following:

(a) Determine whether the person was found not guilty in the case, or the complaint, indictment, or information in the case was dismissed, or a no bill was returned in the case and a period of two years or a longer period as required by section 2953.61 of the Revised Code has expired from the date of the report to the court of that no bill by the foreman or deputy foreman of the grand jury;

(b) Determine whether criminal proceedings are pending against the person;

(c) If the prosecutor has filed an objection in accordance with division (B)(1) of this section, consider the reasons against granting the application specified by the prosecutor in the objection;

(d) Weigh the interests of the person in having the official records pertaining to the case sealed against the legitimate needs, if any, of the government to maintain those records.

(3) If the court determines, after complying with division (B)(2) of this section, that the person was found not guilty in the case, that the complaint, indictment, or information in the case was dismissed, or that a no bill was returned in the case and that the appropriate period of time has expired from the date of the report to the court of the no bill by the foreman or deputy foreman of the grand jury; that no criminal proceedings are pending against the person; and the interests of the person in having the records pertaining to the case sealed are not outweighed by any legitimate governmental needs to maintain such records, or if division (E)(2)(b) of section 4301.69 of the Revised Code applies, the court shall issue an order directing that all official records pertaining to the case be sealed and that, except as provided in section 2953.53 of the Revised Code, the proceedings in the case be deemed not to have occurred.

Sec. 2953.53. (A) The court shall send notice of any order to seal official records issued pursuant to section 2953.52 of the Revised Code to any public office or agency that the court knows or has reason to believe may have any record of the case, whether or not it is an official record, that is the subject of the order. The notice shall be sent by certified mail, return receipt requested.

(B) A person whose official records have been sealed pursuant to an order issued pursuant to section 2953.52 of the Revised Code may present a copy of that order and a written request to comply with it, to a public office or agency that has a record of the case that is the subject of the order.

(C) An order to seal official records issued pursuant to section 2953.52 of the Revised Code applies to every public office or agency that has a record of the case that is the subject of the order, regardless of whether it receives notice of the hearing on the application for the order to seal the official records or receives a copy of the order to seal the official records pursuant to division (A) or (B) of this section.

(D) Upon receiving a copy of an order to seal official records pursuant to division (A) or (B) of this section or upon otherwise becoming aware of an applicable order to seal official records issued pursuant to section 2953.52 of the Revised Code, a public office or agency shall comply with the order and, if applicable, with the provisions of section 2953.54 of the Revised Code, except that it may maintain a record of the case that is the subject of the order if the record is maintained for the purpose of compiling statistical data only and does not contain any reference to the person who is the subject of the case and the order.

A public office or agency also may maintain an index of sealed official records, in a form similar to that for sealed records of conviction as set forth in division (F) of section 2953.32 of the Revised Code, access to which may not be afforded to any person other than the person who has custody of the sealed official records. The sealed official records to which such an index pertains shall not be available to any person, except that the official records of a case that have been sealed may be made available to the following persons for the following purposes:

(1) To the person who is the subject of the records upon written application, and to any other person named in the application, for any purpose;

(2) To a law enforcement officer who was involved in the case, for use in the officer's defense of a civil action arising out of the officer's involvement in that case;

(3) To a prosecuting attorney or ~~his~~ the prosecuting attorney's assistants to determine a defendant's eligibility to enter a pre-trial diversion program established pursuant to section 2935.36 of the Revised Code;
