To amend sections 2949.22 and 2949.25 of the Revised 1
Code to eliminate electrocution as an option for 2
the execution of a death sentence, to require the 3
use of lethal injection as the means of executing 4
all death sentences, and to declare an emergency. 5

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 2949.22 and 2949.25 of the Revised 6
Code be amended to read as follows: 7

Sec. 2949.22. (A) ~~Except as provided in division (B)(1) of~~ 8
~~this section, a~~ A death sentence shall be executed by causing a 9
~~current of electricity, of sufficient intensity to cause death, to~~ 10
~~pass through the body of the person upon whom the sentence was~~ 11
~~imposed. The application of the current shall be continued until~~ 12
~~the person upon whom the sentence was imposed is dead. The warden~~ 13
~~of the correctional institution in which the sentence is to be~~ 14
~~executed or another person selected by the director of~~ 15
~~rehabilitation and correction shall ensure that the death sentence~~ 16
~~is executed.~~ 17

~~(B)(1) Any person sentenced to death may elect to be executed~~ 18
~~by lethal injection instead of by electrocution as described in~~ 19

~~division (A) of this section. The election shall be made no later than one week prior to the scheduled date of execution of the person by filing a written notice of the election with the department of rehabilitation and correction. If a person sentenced to death timely files with the department a written notice of an election to be executed by lethal injection, the person's death sentence shall be executed by causing the application to the person, upon whom the sentence was imposed, of a lethal injection of a drug or combination of drugs of sufficient dosage to quickly and painlessly cause death instead of by electrocution as described in division (A) of this section. The application of the drug or combination of drugs shall be continued until the person is dead. The warden of the correctional institution in which the sentence is to be executed or another person selected by the director of rehabilitation and correction shall ensure that the death sentence is executed.~~
