drivers and mechanics of the vehicles are subject to all 1347

authorities of community schools, and to public entities 1368
sponsoring or considering sponsoring a community school. 1369

Sec. 3314.111. The department of education shall establish 1370
the state office of school options to provide advice and services 1371
for the pilot project scholarship program, established pursuant to 1372
sections 3313.974 to 3313.979 of the Revised Code that facilitate 1373
the management of that program. 1374

Sec. 3314.13. (A) As used in this section: 1375

(1) "All-day kindergarten" has the same meaning as in section 1376
3317.029 of the Revised Code. 1377

(2) "Formula amount" has the same meaning as in section 1378
3317.02 of the Revised Code. 1379

(B) The department of education annually shall pay each 1380
community school established under this chapter one-half of the 1381

(1) The student is entitled to attend school under section 1384
3313.64 or 3313.65 of the Revised Code in a school district that 1385
is eligible to receive a payment under division (D) of section 1386
3317.029 of the Revised Code if it provides all-day kindergarten; 1387

(2) The student is reported by the community school ~~under~~ 1388
~~division (B)(3) of section 3314.08 of the Revised Code~~ as enrolled 1389
in all-day kindergarten at the community school. 1390

(C) If a student for whom payment is made under division (B) 1391
of this section is entitled to attend school in a district that 1392
receives any payment for all-day kindergarten under division (D) 1393
of section 3317.029 of the Revised Code, the department shall 1394
deduct the payment to the community school under this section from 1395
the amount paid that school district under that division. If that 1396
school district does not receive payment for all-day kindergarten 1397
under that division because it does not provide all-day 1398
kindergarten, the department shall pay the community school from 1399
state funds appropriated generally for disadvantaged pupil impact 1400
aid. 1401

(D) The department shall adjust the amounts deducted from 1402
school districts and paid to community schools under this section 1403
to reflect any enrollments of students in all-day kindergarten in 1404
community schools for less than the equivalent of a full school 1405
year. 1406

~~Sec. 3314.011~~ 3314.16. Every community school established 1407
under this chapter shall have a designated fiscal officer. The 1408
auditor of state may require by rule that the fiscal officer of 1409
any community school, before entering upon duties as fiscal 1410
officer of the school, execute a bond in an amount and with surety 1411
to be approved by the governing authority of the school, payable 1412
to the state, conditioned for the faithful performance of all the 1413
official duties required of the fiscal officer. Any such bond 1414
shall be deposited with the governing authority of the school, and 1415
a copy thereof, certified by the governing authority, shall be 1416
filed with the county auditor. 1417

The fiscal officer designated under this section shall be 1418
licensed under section 3301.074 of the Revised Code or shall 1419
complete not less than sixteen hours of continuing education 1420
classes, courses, or workshops in the area of school accounting as 1421
approved by the sponsor of the community school. 1422

Sec. 3314.17. (A) Each community school established under 1423
this chapter shall participate in the statewide education 1424
management information system established under section 3301.0714 1425
of the Revised Code. All provisions of that section and the rules 1426
adopted under that section apply to each community school as if it 1427
were a school district, except as modified for community schools 1428
under division (B) of this section. 1429

(B) The rules adopted by the state board of education under 1430
section 3301.0714 of the Revised Code may distinguish methods and 1431

methods and timelines differ from those prescribed for school 1433
districts. Any methods and timelines prescribed for community 1434
schools shall be appropriate to the academic schedule and 1435
financing of community schools. The guidelines, however, shall not 1436
modify the actual data required to be reported under that section. 1437

1438
1439 (C) Each financial officer appointed under section 3314.16 of
1440 the Revised Code is responsible for annually reporting the
1441 community school's data under section 3301.0714 of the Revised
1442 Code. If the superintendent of public instruction determines that
1443 a community school financial officer has willfully failed to
1444 report data or has willfully reported erroneous, inaccurate, or
1445 incomplete data in any year, or has negligently reported
1446 erroneous, inaccurate, or incomplete data in the current and any
1447 previous year, the superintendent may impose a civil penalty of
1448 one hundred dollars on the financial officer after providing the
1449 officer with notice and an opportunity for a hearing in accordance
1450 with Chapter 119. of the Revised Code. The superintendent's
1451 authority to impose civil penalties under this division does not
1452 preclude the state board of education from suspending or revoking
1453 the license of a community school employee under division (N) of
1454 section 3301.0714 of the Revised Code.

1463 community school revolving loan fund. The fund shall consist of

1468 created in division (B) of this section to the governing authority

or the sponsor of any start-up community school upon approval of 1469

loaned from the fund shall be used only to pay the costs 1471
associated with any provision of the school's contract. A start-up 1472
community school may receive more than one loan from the fund; 1473
however, no school shall receive a cumulative loan amount 1474
throughout the term of the school's contract that is greater than 1475
two hundred fifty thousand dollars. 1476

(D) The superintendent of public instruction may consider all 1477

priority for loans under this section to newly established 1491
community schools to pay start-up costs. 1492

section shall be the rate that would be applicable to the same 1494
money if invested in the Ohio subdivision's fund created in 1495
section 135.45 of the Revised Code as of the date the loan is 1496
disbursed to the community school. 1497

(G) Commencing in the first fiscal year that next succeeds 1498

the fiscal year that a community school receives a loan under this 1499
section, the department shall deduct from the periodic payments 1500
made to the school under section 3314.08 of the Revised Code a 1501
prorated amount of the annual repayment amount due under the loan. 1502
The amount deducted from a school's periodic payments under this 1503
division that is attributed to the principal of the loan shall be 1504
deposited into the fund created in division (A) of this section. 1505
The amount deducted from a school's periodic payments under this 1506
division that is attributed to the interest on the loan shall be 1507

education shall monitor the adequacy of moneys on hand in the fund 1513
created in division (A) of this section and shall report annually 1514
to the general assembly on any recommended appropriations, changes 1515
in the interest rate charged on loans under this section, or 1516

appropriates for the fund. Moneys in the fund shall be paid into 1522
the fund created in division (A) of section 3314.30 of the Revised 1523
Code in the case of default on a loan made under section 3314.30 1524
of the Revised Code in an amount up to the amount of such default. 1525

(C) of this section, any student enrolled in kindergarten more 1527

(e) Handicapped children receiving special education services for category four handicaps described in division (D) of section 3317.013 of the Revised Code;

(f) Handicapped children receiving special education services for the category five handicap described in division (E) of section 3317.013 of the Revised Code;

The superintendent of each joint vocational school district 1785
shall also indicate the city, local, or exempted village school 1786
district in which each joint vocational district pupil is entitled 1787
to attend school pursuant to section 3313.64 or 3313.65 of the 1788
Revised Code. 1789

(E) In each school of each city, local, exempted village, 1790
joint vocational, and cooperative education school district there 1791
shall be maintained a record of school membership, which record 1792
shall accurately show, for each day the school is in session, the 1793
actual membership enrolled in regular day classes. For the purpose 1794
of determining average daily membership, the membership figure of 1795
any school shall not include any pupils except those pupils 1796
described by division (A) of this section. The record of 1797
membership for each school shall be maintained in such manner that 1798
no pupil shall be counted as in membership prior to the actual 1799
date of entry in the school and also in such manner that where for 1800
any cause a pupil permanently withdraws from the school that pupil 1801
shall not be counted as in membership from and after the date of 1802
such withdrawal. There shall not be included in the membership of 1803
any school any of the following: 1804

(1) Any pupil who has graduated from the twelfth grade of a 1805
public high school; 1806

(2) Any pupil who is not a resident of the state; 1807

(3) Any pupil who was enrolled in the schools of the district 1808

of the tests required by that section and was not excused pursuant 1811
to division (C)(1) of that section; 1812

(4) Any pupil who has attained the age of twenty-two years, 1813
except for veterans of the armed services whose attendance was 1814
interrupted before completing the recognized twelve-year course of 1815
the public schools by reason of induction or enlistment in the 1816
armed forces and who apply for reenrollment in the public school 1817
system of their residence not later than four years after 1818
termination of war or their honorable discharge. 1819

If, however, any veteran described by division (E)(4) of this 1820
section elects to enroll in special courses organized for veterans 1821
for whom tuition is paid under the provisions of federal laws, or 1822
otherwise, that veteran shall not be included in average daily 1823
membership. 1824

Notwithstanding division (E)(3) of this section, the 1825
membership of any school may include a pupil who did not take a 1826
test required by section 3301.0711 of the Revised Code if the 1827
superintendent of public instruction grants a waiver from the 1828
requirement to take the test to the specific pupil. The 1829
superintendent may grant such a waiver only for good cause in 1830
accordance with rules adopted by the state board of education. 1831

Except as provided in ~~division~~ divisions (B)(2) and (F) of 1832
this section, the average daily membership figure of any local, 1833
city, exempted village, or joint vocational school district shall 1834
be determined by dividing the figure representing the sum of the 1835
number of pupils enrolled during each day the school of attendance 1836
is actually open for instruction during the first full school week 1837

in October by the total number of days the school was actually 1838
open for instruction during that week. For purposes of state 1839
funding, "enrolled" persons are only those pupils who are 1840
attending school, those who have attended school during the 1841
current school year and are absent for authorized reasons, and 1842
those handicapped children currently receiving home instruction. 1843

The average daily membership figure of any cooperative 1844
education school district shall be determined in accordance with 1845
rules adopted by the state board of education. 1846

(F)(1) If the formula ADM for the first full school week in 1847
February is at least three per cent greater than that certified 1848
for the first full school week in the preceding October, the 1849
superintendent of schools of any city, exempted village, or joint 1850
vocational school district or educational service center shall 1851
certify such increase to the superintendent of public instruction. 1852
Such certification shall be submitted no later than the fifteenth 1853
day of February. For the balance of the fiscal year, beginning 1854
with the February payments, the superintendent of public 1855
instruction shall use the increased formula ADM in calculating or 1856
recalculating the amounts to be allocated in accordance with 1857
section 3317.022 or 3317.16 of the Revised Code. In no event shall 1858
the superintendent use an increased membership certified to the 1859
superintendent after the fifteenth day of February. 1860

(2) If on the first school day of April the total number of 1861
classes or units for handicapped preschool children that are 1862
eligible for approval under division (B) of section 3317.05 of the 1863
Revised Code exceeds the number of units that have been approved 1864
for the year under that division, the superintendent of schools of 1865
any city, exempted village, or cooperative education school 1866
district or educational service center shall make the 1867
certifications required by this section for that day. If the state 1868
board of education determines additional units can be approved for 1869

the fiscal year within any limitations set forth in the acts 1870
appropriating moneys for the funding of such units, the board 1871
shall approve additional units for the fiscal year on the basis of 1872
such average daily membership. For each unit so approved, the 1873
department of education shall pay an amount computed in the manner 1874
prescribed in section 3317.052 or 3317.19 and section 3317.053 of 1875
the Revised Code. 1876

(3) If a student attending a community school under Chapter 1877
3314. of the Revised Code is not included in the formula ADM 1878
certified for the first full school week of October for the school 1879
district in which the student is entitled to attend school under 1880
section 3313.64 or 3313.65 of the Revised Code, the department of 1881
education shall adjust the formula ADM of that school district to 1882
include the community school student in accordance with division 1883
(C)(2) of this section, and shall recalculate the school 1884
district's payments under this chapter for the entire fiscal year 1885
on the basis of that adjusted formula ADM. This requirement 1886
applies regardless of whether the student was enrolled, as defined 1887
in division (E) of this section, in the community school during 1888
the first full school week in October. 1889

(G)(1)(a) The superintendent of an institution operating a 1890
special education program pursuant to section 3323.091 of the 1891
Revised Code shall, for the programs under such superintendent's 1892
supervision, certify to the state board of education the average 1893
daily membership of all handicapped children in classes or 1894
programs approved annually by the state board of education, in the 1895
manner prescribed by the superintendent of public instruction. 1896

(b) The superintendent of an institution with vocational 1897
education units approved under division (A) of section 3317.05 of 1898
the Revised Code shall, for the units under the superintendent's 1899
supervision, certify to the state board of education the average 1900
daily membership in those units, in the manner prescribed by the 1901

superintendent of public instruction. 1902

(2) The superintendent of each county MR/DD board that 1903
maintains special education classes under section 3317.20 of the 1904
Revised Code or units approved by the state board of education 1905
pursuant to section 3317.05 of the Revised Code shall do both of 1906
the following: 1907

(a) Certify to the state board, in the manner prescribed by 1908
the board, the average daily membership in classes under section 1909
3317.20 of the Revised Code for each school district that has 1910
placed children in the classes; 1911

(b) Certify to the state board, in the manner prescribed by 1912
the board, the number of all handicapped preschool children 1913
enrolled as of the first day of December in classes eligible for 1914
approval under division (B) of section 3317.05 of the Revised 1915
Code, and the number of those classes. 1916

(3)(a) If on the first school day of April the number of 1917
classes or units maintained for handicapped preschool children by 1918
the county MR/DD board that are eligible for approval under 1919
division (B) of section 3317.05 of the Revised Code is greater 1920
than the number of units approved for the year under that 1921
division, the superintendent shall make the certification required 1922
by this section for that day. 1923

(b) If the state board determines that additional classes or 1924
units can be approved for the fiscal year within any limitations 1925
set forth in the acts appropriating moneys for the funding of the 1926
classes and units described in division (G)(3)(a) of this section, 1927
the board shall approve and fund additional units for the fiscal 1928
year on the basis of such average daily membership. For each unit 1929
so approved, the department of education shall pay an amount 1930
computed in the manner prescribed in sections 3317.052 and 1931
3317.053 of the Revised Code. 1932

(H) Except as provided in division (I) of this section, when any city, local, or exempted village school district provides instruction for a nonresident pupil whose attendance is unauthorized attendance as defined in section 3327.06 of the Revised Code, that pupil's membership shall not be included in that district's membership figure used in the calculation of that district's formula ADM or included in the determination of any unit approved for the district under section 3317.05 of the Revised Code. The reporting official shall report separately the average daily membership of all pupils whose attendance in the district is unauthorized attendance, and the membership of each such pupil shall be credited to the school district in which the pupil is entitled to attend school under division (B) of section 3313.64 or section 3313.65 of the Revised Code as determined by the department of education.

(I)(1) A city, local, exempted village, or joint vocational school district admitting a scholarship student of a pilot project district pursuant to division (C) of section 3313.976 of the Revised Code may count such student in its average daily membership.

(2) In any year for which funds are appropriated for pilot project scholarship programs, a school district implementing a state-sponsored pilot project scholarship program that year pursuant to sections 3313.974 through 3313.979 of the Revised Code may count in average daily membership:

(a) All children residing in the district and utilizing a scholarship to attend kindergarten in any alternative school, as defined in section 3313.974 of the Revised Code;

(b) All children who were enrolled in the district in the preceding year who are utilizing a scholarship to attend any such alternative school.

(J) The superintendent of each cooperative education school district shall certify to the superintendent of public instruction, in a manner prescribed by the state board of education, the applicable average daily memberships for all students in the cooperative education district, also indicating the city, local, or exempted village district where each pupil is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

Sec. 3318.38. (A) As used in this section, "big-eight school district" has the same meaning as in section ~~3314.02~~ 3313.534 of the Revised Code.

Under the program, notwithstanding section 3318.02 of the Revised Code, any big-eight school district that has not been approved to receive assistance under sections 3318.01 to 3318.20 of the Revised Code by July 1, 2002, may beginning on that date apply for approval of and be approved for such assistance. Except as otherwise provided in this section, any project approved and undertaken pursuant to this section shall comply with all provisions of sections 3318.01 to 3318.20 of the Revised Code.

The Ohio school facilities commission shall provide assistance to any big-eight school district eligible for assistance under this section in the following manner:

(1) Notwithstanding section 3318.02 of the Revised Code:

section 3318.04 of the Revised Code.

(2) If the controlling board approves the project of a
big-eight school district eligible for assistance under this
section, the commission and the school district shall enter into
an agreement as prescribed in section 3318.08 of the Revised Code.
Any agreement executed pursuant to this division shall include any
applicable segmentation provisions as approved by the commission
under division (B)(3) of this section.

(3) Notwithstanding any provision to the contrary in sections
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight

with the approval of the commission opt to divide the project as
approved under division (B)(1)(b) of this section into discrete
segments to be completed sequentially. Any project divided into
segments shall comply with all other provisions of sections

section 3318.032 of the Revised Code, of only the segment which
has been approved by the school district electors or for which the

district applies a local donated contribution to the segments 2029
under section 3318.084 of the Revised Code. If the state's share 2030
of any one segment exceeds twenty-five million dollars, 2031
encumbrance of that share is subject to the provisions of section 2032
3318.11 of the Revised Code. 2033

(c) If it is necessary to levy the additional tax for 2034
maintenance under division (B) of section 3318.05 of the Revised 2035

utilize the provisions of section 3318.061 of the Revised Code to 2037

of education prescribes minimum standards pursuant to division (D) 2110
of section 3301.07 of the Revised Code and to which they are 2111

coordinator of school transportation, appointed under section 2134
3327.011 of the Revised Code, for the attendance area of the 2135
district of residence. 2136

Where it is impractical to transport a pupil by school 2137
conveyance, a board of education may offer payment, in lieu of 2138
providing such transportation, ~~pay a parent, guardian, or other 2139
person in charge of such child, an amount per pupil which shall in 2140
no event exceed the average transportation cost per pupil, such 2141
average cost to be based on the cost of transportation of children 2142
by all boards of education in this state during the next preceding 2143

In all city, local, and exempted village school districts the 2145

crippled that they are unable to walk to and from the school for 2147
which the state board of education prescribes minimum standards 2148
pursuant to division (D) of section 3301.07 of the Revised Code 2149

and which they attend. In case of dispute whether the child is 2150

local school districts the board shall provide transportation to 2153
and from school or special education classes for educable mentally 2154

shall be run on a time schedule that shall be adopted and put in 2158
force by the board not later than ten days after the beginning of 2159
the school term. 2160

The cost of any transportation service authorized by this 2161
section shall be paid first out of federal funds, if any, 2162
available for the purpose of pupil transportation, and secondly 2163
out of state appropriations, in accordance with regulations 2164
adopted by the state board of education. 2165

No transportation of any pupils shall be provided by any 2166
board of education to or from any school which in the selection of 2167
pupils, faculty members, or employees, practices discrimination 2168
against any person on the grounds of race, color, religion, or 2169
national origin. 2170

~~Sec. 3327.02. If the board of education of a local school 2171
district deems the transportation, required under any law, of 2172
certain children to school by school conveyances impracticable and 2173
if it is unable to secure a reasonable offer for the 2174
transportation of such children the local board shall so report to 2175
the county board (A) After considering each of the following 2176
factors, the board of education of a city, exempted village, or 2177
