(C)(2) Determine the testing standards, fees, and charges to be paid for making any test or analysis required pursuant to section 3713.08 of the Revised Code. 131
132
133

(B) In accordance with Chapter 119. of the Revised Code, the superintendent may adopt rules regarding the following: 134
135

(1) Establishing an initial application fee or an annual registration renewal fee not more than fifty per cent higher than the fees set forth in section 4713.05 of the Revised Code; 136
137
138

(2) Establishing standards, on a reciprocal basis, for the 139
acceptance of labels and laboratory analyses from other states 140
where the labeling requirements and laboratory analysis standards 141
are substantially equal to the requirements of this state, 142
provided the other state extends similar reciprocity to labels and 143
laboratory analysis conducted under this chapter; 144

(3) Any other rules necessary to administer and carry out 145
this chapter. 146

(C) The superintendent may do any of the following: 147

(1) Issue administrative orders, conduct hearings, and take 148
all actions necessary under the authority of Chapter 119. of the 149
Revised Code for the administration of this chapter. The authority 150
granted under this division shall include the authority to 151
suspend, revoke, or deny registration under this chapter. 152

(2) Establish and maintain facilities within the department 153
of commerce to make tests and analysis of materials used in the 154
manufacture of bedding and stuffed toys. The superintendent also 155
may designate established laboratories in various sections of the 156
state that are qualified to make these tests. If the 157
superintendent exercises this authority, the superintendent shall 158
adopt rules to determine the fees and charges to be paid for 159
making the tests or analyses authorized under this section. 160

(3) Exercise such other powers and duties as are necessary to 161
carry out the purpose and intent of this chapter. 162

~~If there is practical difficulty or undue hardship in~~ 163
~~carrying out this chapter or any rule adopted by the director, the~~ 164
~~director may make a variation of such rule if the spirit of such~~ 165
~~rule is being observed.~~ 166

~~The director may subsequently approve, amend, modify, or~~ 167
~~rescind the rule governing the condition requiring the variation.~~ 168

Sec. 3713.05. (A) Applications to register to import, manufacture, renovate, wholesale, make, or reupholster stuffed toys or bedding in this state shall be made in writing on forms provided by the superintendent of industrial compliance. The application shall be accompanied by a registration fee of fifty dollars per person unless the applicant engages only in renovation, in which case the registration fee shall be thirty-five dollars.

(B) Upon receipt of the application and the appropriate fee, the superintendent shall register the applicant and assign a registration number to the registrant.

(C) Notwithstanding section 3713.02 of the Revised Code and division (A) of this section, the following are exempt from registration:

(1) An organization described in section 501(c)(3) of the "Internal Revenue Code of 1986," and exempt from income tax under section 501(a) of that code and that is operated exclusively to provide recreation or social services;

(2) A person who is not regularly engaged in the business of manufacturing, making, wholesaling, or importing stuffed toys but who manufactures or makes stuffed toys as a leisure pursuit and who sells one hundred or fewer stuffed toys within one calendar year;

(3) A person who is not regularly engaged in the business of manufacturing, making, wholesaling, or importing quilts, comforters, pillows, or cushions, but who manufactures or makes these items as a leisure pursuit and who sells five or fewer quilts, ten or fewer comforters, or twenty or fewer pillows or cushions within one calendar year.

(D) Notwithstanding division (C)(2) or (3) of this section, a

person exempt under that division must attach a label to each 199
stuffed toy that contains all of the following information: 200

(1) The person's name and address; 201

(2) A statement that the person is not registered by the 202
state of Ohio; 203

(3) A statement that the contents of the product have not 204
been inspected. 205

Sec. 3713.06. (A) Any person required to register under 206
division (A) of section 3713.02 of the Revised Code who imports 207
bedding or stuffed toys into this state for retail sale or use in 208
this state and any person required to register under division (A) 209
of section 3713.02 of the Revised Code who manufactures bedding or 210
stuffed toys in this state for retail sale or use in this state 211
shall submit a report to the superintendent of industrial 212
compliance, in a form and manner prescribed by the superintendent. 213
The form shall be submitted once every six months and shall show 214
the total number of items of bedding or stuffed toys imported into 215
this state or manufactured in this state. Each report shall be 216
accompanied by a fee of four cents for each item of bedding or 217
stuffed toy imported into this state or manufactured in this 218
state. 219

(B) Every importer, manufacturer, or wholesaler of stuffed 220
toys or articles of bedding, and every mobile home and 221
recreational vehicle dealer, conversion van dealer, secondhand 222
dealer, and auction house shall retain records, designated by the 223
superintendent in rule, for the time period established in rule. 224

(C) Every importer, manufacturer, or wholesaler of stuffed 225
toys or articles of bedding, and every mobile home and 226
recreational vehicle dealer, conversion van dealer, secondhand 227
dealer, and auction house shall make sufficient investigation of 228

its records to ensure that the information reported to the 229
superintendent under division (A) of this section is accurate. 230

Sec. 3713.07. (A) Registration obtained under this chapter 231
expires annually on the last day of the month in the month that 232
the registration was obtained. The superintendent of industrial 233
compliance shall renew the registration in accordance with Chapter 234
4745. of the Revised Code. 235

(B) Failure on the part of any registrant to renew 236
registration prior to its expiration, when notified as required in 237
this section, shall not deprive the person of the right to renewal 238
within the ninety days that follow expiration, but the fee to be 239
paid for renewal after its expiration shall be one hundred dollars 240
plus the standard registration fee for the registrant. 241

(C) If a registrant fails to renew registration within ninety 242
days of the date that it expired, the former registrant shall 243
comply with the registration requirements under section 3713.05 of 244
the Revised Code to obtain valid registration. 245

Sec. 3713.08. (A) All persons required to register under 246
division (A) of section 3713.02 of the Revised Code manufacturing, 247
making, or wholesaling bedding or stuffed toys, or both, that are 248
sold or offered for sale shall have the material content of their 249
products tested and analyzed at an established laboratory 250
designated by the superintendent of industrial compliance before 251
the bedding or stuffed toys are sold or offered for sale. 252

(B) Every stuffed toy or item of bedding sold or offered for 253
sale shall have a label affixed to it that reports the contents of 254
the stuffed toy or bedding material in conformity with 255
requirements established by the superintendent, a registration 256
number, and any other identifying information as required by the 257
superintendent. 258

(C) The seller of any secondhand articles of bedding or stuffed toys shall sanitize all items in accordance with rules established by the superintendent prior to the sale of or the offering for sale of any secondhand articles. 259
260
261
262

(D) This section does not apply to any of the following: 263

(1) Persons who meet the qualifications of division (C)(2) or (3) of section 3713.05 of the Revised Code; 264
265

(2) The sale of furniture more than fifty years old; 266

(3) The sale of furniture from the home of the owner directly to the purchaser. 267
268

Sec. 3713.09. (A) The superintendent of industrial compliance may appoint inspectors and periodically inspect and investigate any establishment where bedding or stuffed toys are manufactured, made, remade, renovated, repaired, sanitized, sold, or offered for sale, or where previously used material is processed for use in the manufacture of bedding or stuffed toys. 269
270
271
272
273
274

(1) Each inspector shall make a written report to the superintendent of each examination and inspection complete with the inspector's findings and recommendations. Inspectors may place "off sale" any article of bedding or stuffed toy offered for sale, or found in the possession of any person with the intent to sell, in violation of section 3713.02 of the Revised Code. Inspectors shall perform other duties related to inspection and examination as prescribed by the superintendent. 275
276
277
278
279
280
281
282

(2) When articles are placed "off sale" under division (A)(1) of this section, they shall be tagged, and the tag shall not be removed except by an authorized representative of the division of industrial compliance after the violator demonstrates to the satisfaction of the superintendent proof of compliance with the requirements of section 3713.08 of the Revised Code. 283
284
285
286
287
288

(B)(1) When an inspector has cause to believe that any bedding or stuffed toy is not tagged or labeled in accordance with section 3713.08 of the Revised Code, the inspector may open any seam of the bedding or stuffed toy in question to examine the material used or contained within it and take a reasonable amount of the material for testing and analysis and, if necessary, examine any and all purchase records in order to determine the contents or the kind of material used in the bedding or stuffed toy in question. An inspector may seize and hold evidence of any article of bedding, stuffed toy, or material manufactured, made, possessed, renovated, remade, or repaired, sold, or offered for sale contrary to this chapter. 289
290
291
292
293
294
295
296
297
298
299
300

(2) Immediately after seizing articles believed to be in violation of this chapter, the inspector immediately shall report the seizure to the superintendent. The superintendent shall hold a hearing in accordance with Chapter 119. of the Revised Code or make a ruling in the matter. If the superintendent finds that the article of bedding, stuffed toy, or material is not in violation of this chapter, the superintendent shall order the item or items returned to the owner. If the superintendent finds a violation of this chapter, the superintendent may do either of the following: 301
302
303
304
305
306
307
308
309

(a) Return the articles to the owner for proper treatment, tagging or labeling, or other action as ordered by the superintendent, subject to the requirement that the articles be reinspected at cost to the owner, prior to being sold or offered for sale; 310
311
312
313
314

(b) Report the violation to the appropriate prosecuting attorney or city law director. 315
316

(C) The superintendent, at reasonable times and upon reasonable notice, may examine or cause to be examined the records of any importer, manufacturer, or wholesaler of stuffed toys or articles of bedding, mobile home and recreational vehicle dealer, 317
318
319
320

conversion van dealer, secondhand dealer, or auction house to 321
determine compliance with this chapter. The superintendent may 322
enter into contracts, pursuant to procedures prescribed by the 323
superintendent, with persons to examine these records to determine 324
compliance with this chapter. These persons may collect and remit 325
to the superintendent any amounts due under this chapter. 326

(D) Records audited pursuant to division (C) of this section 327
are confidential and shall not be disclosed except as required by 328
section 149.43 of the Revised Code, or as the superintendent finds 329
necessary for the proper administration of this chapter. 330

(E) In the case of any investigation or examination, or both, 331
that requires investigation or examination outside of this state 332
of any importer, manufacturer, or wholesaler of stuffed toys or 333
articles of bedding, or of any mobile home or recreational vehicle 334
dealer, conversion van dealer, secondhand dealer, or auction 335
house, the superintendent may require the investigated or examined 336
person to pay the actual expense of the investigation or 337
examination. The superintendent shall provide an itemized 338
statement of actual expenses to the investigated or examined 339
person. 340

(F) Whenever the superintendent has reason to believe, from 341
the superintendent's own information, upon complaint, or 342
otherwise, that any person has engaged in, is engaging in, or is 343
about to engage in any practice prohibited by this chapter, or 344
when the superintendent has reason to believe that it is necessary 345
for public health and safety, the superintendent may do any of the 346
following: 347

(1) Investigate violations of this chapter, and for that 348
purpose, may subpoena witnesses in connection with the 349
investigation. The superintendent may make application to the 350
appropriate court of common pleas for an order enjoining the 351
violation of this chapter, and upon a showing by the 352

superintendent that any registrant or person acting in a manner 353
that requires registration has violated or is about to violate 354
this chapter, an injunction, restraining order, or other order as 355
may be appropriate shall be granted by the court. 356

(2) Compel by subpoena the attendance of witnesses to testify 357
in relation to any matter over which the superintendent has 358
jurisdiction and that is the subject of inquiry and investigation 359
by the superintendent, and require the production of any book, 360
paper, or document pertaining to the matter. In case any person 361
fails to file any statement or report, obey any subpoena, give 362
testimony, or produce any books, records, or papers as required by 363
a subpoena, the court of common pleas of any county in the state, 364
upon application made to it by the superintendent, shall compel 365
obedience by attachment proceedings for contempt. 366

(3) Suspend or revoke the registration of any importer, 367
manufacturer, or wholesaler of stuffed toys or articles of 368
bedding, mobile home or recreational vehicle dealer, conversion 369
van dealer, secondhand dealer, or auction house; 370

(4) Submit evidence of the violation or violations to any 371
city prosecutor, city director of law, or prosecuting attorney 372
with authority to prosecute. If the city prosecutor, city director 373
of law, or prosecuting attorney with authority to prosecute fails 374
to prosecute, the superintendent shall submit the evidence to the 375
attorney general who may proceed with the prosecution. 376

~~Sec. 3713.10. Sections 3713.01 to 3713.11, inclusive, of the~~ 378

(1) The steam in the boiler is either generated or superheated, or both, under pressure or vacuum for use external to itself.

(2) The source of heat for the boiler is in part or in whole from a process other than the boiler itself.

(3) The boiler is part of a continuous processing unit, such as used in chemical manufacture or petroleum refining, other than a steam-generated process unit.

(I) "Stationary steam engine" means an engine or turbine in which the mechanical force arising from the elasticity and expansion action of steam or from its property of rapid condensation or from a combination of the two is made available as a motive power.

Sec. 4104.02. The board of building standards shall:

(A) Formulate rules for the construction, installation, inspection, repair, conservation of energy, and operation of boilers and the construction, inspection, and repair of unfired pressure vessels and for ascertaining the safe working pressures

to be carried on such boilers and unfired pressure vessels and the
qualification of inspectors of boilers and unfired pressure
vessels;

443
444
445

(B) Prescribe tests, if it is considered necessary, to
ascertain the qualities of materials used in the construction of
boilers and unfired pressure vessels;

446
447
448

(C) Adopt rules regulating the construction and sizes of
safety valves for boilers and unfired pressure vessels of
different sizes and pressures, for the construction, use, and
location of fusible plugs, appliances for indicating the pressure
of steam and level of water in the boiler or unfired pressure
vessels, and such other appliances as the board considers
necessary to safety in operating boilers;

449
450
451
452
453
454
455

~~(D) Make a standard form of certificate of operation for
boilers;~~

456
457

~~(E) Establish reasonable fees for the performance of reviews,
surveys, or audits of manufacturer's facilities by the division of
industrial compliance for certification by the American society of
mechanical engineers and the national board of boiler and pressure
vessel inspectors;~~

458
459
460
461
462

(E) The definitions and rules adopted by the board for the
construction, installation, inspection, repair, conservation of
energy, and operation of boilers and the construction, inspection,
and repair of unfired pressure vessels and for ascertaining the
safe working pressures to be used on such boilers and unfired
pressure vessels shall be based upon and follow generally accepted
engineering standards, formulae, and practices established and
pertaining to boilers and unfired pressure vessel construction,
operation, and safety, and the board may, for this purpose, adopt
existing published standards as well as amendments thereto
subsequently published by the same authority.

473

When a person desires to manufacture a special type of boiler 474
or unfired pressure vessel, the design of which is not covered by 475
the rules of the board, ~~he~~ the person shall submit drawings and 476
specifications of such boiler or unfired pressure vessel to the 477
board for investigation, after which the board may permit its 478
installation. 479

The provisions of sections 119.03 and 119.11 of the Revised 480
Code in particular, and the applicable provisions of Chapter 119. 481
of the Revised Code in general, shall govern the proceedings of 482
the board of building standards in adopting, amending, or 483
rescinding rules pursuant to this section. 484

Sec. 4104.04. (A) Sections 4104.01 to 4104.20~~7~~, and section 485
4104.99 of the Revised Code do not apply to the following boilers 486
and unfired pressure vessels: 487

(1) Boilers ~~and~~, unfired pressure vessels, and stationary 488
steam engines under federal control or subject to inspection under 489
federal laws; 490

(2) Air tanks located on vehicles operating under the rules 491
of other state authorities and used for carrying passengers, or 492
freight; 493

(3) Air tanks installed on the right of way of railroads and 494
used directly in the operation of trains; 495

(4) Unfired pressure vessels which are under the regulation 496
and control of the state fire marshal under Chapter 3737. of the 497
Revised Code. 498

(B) The following boilers and unfired pressure vessels are 499
exempt from the requirements of sections 4104.10, 4104.101, 500
4104.11, 4104.12, and 4104.13 of the Revised Code, but shall be 501
equipped with such appliances, to insure safety of operation, as 502
are prescribed by the board: 503

(1) Portable boilers or unfired pressure vessels when located on farms and used solely for agricultural purposes; 504
505

(2) Steam or vapor boilers carrying a pressure of not more than fifteen psig, which are located in private residences or in apartment houses of less than six family units; 506
507
508

(3) Hot water boilers operated at pressures not exceeding one hundred sixty psig, or temperatures not exceeding two hundred fifty degrees ~~Fahrenheit~~ fahrenheit, which are located in private residences or in apartment houses of less than six family units; 509
510
511
512

(4) Unfired pressure vessels containing only water under pressure for domestic supply purposes, including those containing air, the compression of which serves only as a cushion or airlift pumping system, when located in private residences or in apartment houses of less than six family units; 513
514
515
516
517

(5) Portable boilers used in pumping, heating, steaming, and drilling, in the open field, for water, gas, and oil; 518
519

(6) Portable boilers used in the construction of and repair to public roads, railroads, and bridges; 520
521

(7) Historical steam boilers of riveted construction, preserved, restored, or maintained for hobby or demonstration use. 522
523

Sec. 4104.05. (A) No person shall operate a low pressure boiler at more than thirty horsepower, unless one of the following applies to that person: 524
525
526

(1) The person is licensed as a steam engineer, high pressure boiler operator, or low pressure boiler operator in accordance with section 4104.19 of the Revised Code. 527
528
529

(2) The person is working under the direct supervision of a steam engineer, high pressure boiler operator, or low pressure boiler operator. 530
531
532

(B) No person shall operate a power boiler at more than thirty horsepower unless one of the following applies to that person: 533
534
535

(1) The person is licensed as a steam engineer or high pressure boiler operator in accordance with section 4104.19 of the Revised Code. 536
537
538

(2) The person is working under the direct supervision of a steam engineer or high pressure boiler operator. 539
540

(C) No person shall operate a stationary steam engine at more than thirty horsepower unless one of the following applies to that person: 541
542
543

(1) The person is licensed as a steam engineer in accordance with section 4104.19 of the Revised Code. 544
545

(2) The person is working under the direct supervision of a steam engineer. 546
547

(D) For purposes of this section, a horsepower means twelve square feet of boiler heating surface. 548
549

Sec. 4104.06. (A) The inspection of boilers and their appurtenances and unfired pressure vessels shall be made by the inspectors mentioned in sections 4104.07 to 4104.20 of the Revised Code, under the supervision of the. The superintendent of the division of industrial compliance, and he shall administer and enforce such sections and rules adopted by the board of building standards pursuant to section 4104.02 of the Revised Code. 550
551
552
553
554
555
556

(B) The superintendent shall adopt, amend, and repeal rules exclusively for the issuance, renewal, suspension, and revocation of certificates of competency and certificates of operation, for conducting hearings in accordance with Chapter 119. of the Revised Code related to these actions, and for the inspection of boilers and their appurtenances, and unfired pressure vessels. 557
558
559
560
561
562

(C) Notwithstanding division (B) of this section, the superintendent shall not adopt rules relating to construction, maintenance, or repair of boilers and their appurtenances, or repair of unfired pressure vessels. 563
564
565
566

(D) The superintendent and each general inspector may enter any premises and any building or room at all reasonable hours to perform an examination or inspection. 567
568
569

Sec. 4104.07. (A) An application for examination as an inspector of boilers and unfired pressure vessels shall be in writing, accompanied by a fee of fifty dollars, upon a blank to be furnished by the superintendent of ~~the division of~~ industrial compliance. Any moneys collected under this section shall be paid into the state treasury to the credit of the industrial compliance operating fund created in section 121.084 of the Revised Code. 570
571
572
573
574
575
576

(B) The superintendent shall determine if an applicant meets all the requirements for examination in accordance with rules adopted by the board of building standards under section 4104.02 of the Revised Code. An application shall be rejected which contains any willful falsification, or untruthful statements. 577
578
579
580
581

(C) An applicant shall be examined by the superintendent, by a written examination, prescribed by the board, dealing with the construction, installation, operation, maintenance, and repair of boilers and unfired pressure vessels and their appurtenances, and the applicant shall be accepted or rejected on the merits of ~~his~~ the applicant's application and examination. 582
583
584
585
586
587

~~A rejected applicant is entitled, after the expiration of ninety days and upon payment of an examination fee of fifty dollars, to another examination.~~ 588
589
590

(D) Upon a favorable report by the superintendent of the result of an examination, the superintendent shall immediately 591
592

issue to the successful applicant a certificate of competency to 593
that effect. 594

Sec. 4104.08. (A) The director of commerce may appoint from 595
the holders of certificates of competency provided for in section 596
4104.07 of the Revised Code, general inspectors of boilers and 597
unfired pressure vessels. 598

(B) Any company authorized to insure boilers and unfired 599
pressure vessels against explosion in this state may designate 600
from holders of certificates of competency issued by the 601
superintendent of ~~the division of~~ industrial compliance, or 602
holders of certificates of competency or commissions issued by 603
other states or nations whose examinations for certificates or 604
commissions have been approved by the board of building standards, 605
persons to inspect and stamp boilers and unfired pressure vessels 606
covered by the company's policies, and the superintendent shall 607
issue to such persons commissions authorizing them to act as 608
special inspectors. Special inspectors shall be compensated by the 609
company designating them. ~~The board~~ 610

(C) The director of commerce shall establish an annual fee to 611
be charged by the superintendent for each certificate of 612
competency or commission the superintendent issues. 613

~~Any state or municipal corporation may designate from holders 614
of certificates of competency, issued by the superintendent, 615
persons to inspect and stamp boilers and unfired pressure vessels 616
during construction under such rules as may be adopted by the 617
board, provided the boiler or unfired pressure vessel conforms in 618
every detail with the rules. 619~~

(D) The superintendent shall issue to each of ~~such appointees~~ 620
general or special inspector a commission to the effect that the 621
holder thereof is authorized to inspect boilers and unfired 622
pressure vessels ~~for the~~ in this state. 623

~~(E) No person shall be authorized to act for the state, either as a general inspector or a special inspector, who is directly or indirectly interested in the manufacture or sale of boilers or unfired pressure vessels.~~ 624
625
626
627

Sec. 4104.09. The certificate of competency issued under section 4104.07 of the Revised Code or the commission provided for in section 4104.08 of the Revised Code may be revoked by the superintendent of ~~the division of~~ industrial compliance for the incompetence or untrustworthiness of the holder thereof, or for willful falsification of any matter or statement contained in ~~his~~ the holder's application or in a report of any inspection. ~~A person whose commission is revoked may appeal~~ in accordance with ~~section 119.12~~ Chapter 119 of the Revised Code. If a certificate or commission is lost or destroyed, a new certificate or commission shall be issued in its place without another examination. 628

Sec. 4104.101. (A) ~~Every contractor~~ No person shall be registered with the division of industrial compliance before 652
653

installing install or ~~making~~ make major repairs or modifications 654
to any boiler without first registering to do so with the division 655
of industrial compliance. 656

(B) ~~Every contractor~~ No person shall ~~obtain a permit from the~~ 657
~~division prior to making an~~ make any installation or major repair 658
or modification of any boiler without first obtaining a permit to 659
do so from the division. The permit application form shall provide 660
the name and address of the owner, location of the boiler, and 661
type of repair or modification that will be made. The application 662
permit fee shall be fifty dollars. 663

(C) The superintendent of ~~the division of~~ industrial 664
compliance shall require annual registration of all contractors 665
who install, make major repairs to, or modify any boiler. The 666
board of building standards shall establish a reasonable fee to 667
cover the cost of processing registrations. 668

Sec. 4104.14. The owner or user of a boiler required by 669
sections 4104.01 to 4104.20, ~~inclusive,~~ of the Revised Code, to be 670
inspected shall, after due notice, prepare the boiler for internal 671
and external inspection at the appointed time, by drawing the 672
water from the boiler and removing the manhole and handhole plates 673
and thoroughly cleaning the boiler and its setting. ~~The inspector~~ 674
~~shall give such owner or user at least fourteen days' notice to~~ 675
~~prepare the boiler for such inspection, but need not give notice~~ 676
~~for inspection under operating conditions.~~ The inspector, when 677
making inspections under operating conditions, shall observe the 678
pressure carried and the general condition of each boiler, and 679
ascertain if the safety valve and the appliances for indicating 680
the pressure and level of water in the boiler are in proper 681
working order. No person shall remove or tamper with any safety 682
appliances prescribed by the board of building standards, and no 683
person shall in any manner load the safety valve to a greater 684
pressure than that allowed by the certificate of operation. If in 685

the judgment of the inspector it is advisable to apply a 686
hydrostatic pressure test to the boiler, the owner or user shall 687
prepare the boiler for such test, and apply the test which shall 688
be witnessed by the inspector. 689

Sec. 4104.15. (A) All certificates of inspection for boilers, 690
issued prior to October 15, 1965, are valid and effective for the 691
period set forth in such certificates unless sooner withdrawn by 692
the superintendent of ~~the division of~~ industrial compliance. The 693
owner or user of any such boiler shall obtain an appropriate 694
certificate of operation for such boiler ~~on or before the~~ 695
~~expiration date of such certificate of inspection,~~ and shall not 696
operate such boiler, or permit it to be operated ~~after such~~ 697
~~expiration date~~ unless a certificate of operation has been 698
obtained in accordance with section 4104.17 of the Revised Code. 699

(B) If, upon making the internal and external inspection 700
required under sections 4104.11, 4104.12, and 4104.13 of the 701
Revised Code, the inspector finds the boiler to be in safe working 702
order, with the fittings necessary to safety, and properly set up, 703
upon ~~his~~ the inspector's report to the superintendent, the 704
superintendent shall issue to the owner or user thereof, or renew, 705
upon application and upon compliance with sections 4104.17 and 706
4104.18 of the Revised Code, a certificate of operation which 707
shall state the maximum pressure at which the boiler may be 708
operated, as ascertained by the rules of the board of building 709
standards. Such certificates shall also state the name of the 710
owner or user, the location, size, and number of each boiler, and 711
the date of issuance, and shall be so placed as to be easily read 712
in the engine room or boiler room of the plant where the boiler is 713
located, except that the certificate of operation for a portable 714
boiler shall be kept on the premises and shall be accessible at 715
all times. 716

(C) If an inspector at any inspection finds that the boiler 717

or unfired pressure vessel is not in safe working condition, or is 718
not provided with the fittings necessary to safety, or if the 719
fittings are improperly arranged, ~~he~~ the inspector shall 720
immediately notify the owner or user and person in charge of the 721
boiler and shall report the same to the superintendent who ~~shall~~ 722
~~withdraw or withhold such~~ may revoke, suspend, or deny the 723
certificate of operation and not renew the same until the boiler 724
or unfired pressure vessel and its fittings are put in condition 725
to insure safety of operation, and the owner or user shall not 726
operate the boiler or unfired pressure vessel, or permit it to be 727
operated until such certificate has been granted or restored. 728

(D) If the superintendent or a general boiler inspector finds 729
that an unfired pressure vessel or boiler or a part thereof poses 730
an explosion hazard that reasonably can be regarded as posing an 731
imminent danger of death or serious physical harm to persons, the 732
superintendent or the general boiler inspector shall seal the 733
unfired pressure vessel or boiler and order, in writing, the 734
operator or owner of the unfired pressure vessel or boiler to 735
immediately cease the unfired pressure vessel's or boiler's 736
operation. The order shall be effective until the nonconformities 737
are eliminated, corrected, or otherwise remedied, or for a period 738
of seventy-two hours from the time of issuance, whichever occurs 739
first. During the seventy-two-hour period, the superintendent may 740
request that the prosecuting attorney or city attorney of Franklin 741
county or of the county in which the unfired pressure vessel or 742
boiler is located obtain an injunction restraining the operator or 743
owner of the unfired pressure vessel or boiler from continuing its 744
operation after the seventy-two-hour period expires until the 745
nonconformities are eliminated, corrected, or otherwise remedied. 746

(E) Each boiler which has been inspected shall be assigned a 747
number by the superintendent, which number shall be ~~stamped on the~~ 748
~~boiler except that in the event the boiler is of cast iron~~ 749

~~construction such number may be~~ stamped on a nonferrous metal tag 750
affixed to the boiler or its fittings by seal or otherwise. No 751
person except an inspector shall deface or remove any such number 752
or tag. 753

(F) If the owner or user of any unfired pressure vessel or 754
boiler disagrees with the inspector as to the necessity for 755
shutting down ~~a~~ an unfired pressure vessel or boiler or for making 756
repairs or alterations in it, or taking any other measures for 757
safety that are requested by an inspector, the owner or user may 758
appeal from the decision of the inspector to the superintendent, 759
who may, after such other inspection by a general inspector or 760
special inspector as the superintendent deems necessary, decide 761
the issue. 762

(G) Neither sections 4104.01 to 4104.20 of the Revised Code, 763
nor an inspection or report by any inspector, shall relieve the 764
owner or user of ~~a steam~~ an unfired pressure vessel or boiler of 765
the duty of using due care ~~himself~~ in the inspection, operation, 766
and repair of the unfired pressure vessel or boiler or of any 767
liability for damages for ~~his~~ failure to inspect, repair, or 768
operate the unfired pressure vessel or boiler safely. 769

Sec. 4104.17. Certificates of operation issued for boilers 770
subject to inspection under Chapter 4104. of the Revised Code 771
shall be issued and renewed in accordance with and at dates 772
prescribed by rules and regulations adopted by the ~~board of~~ 773
~~building standards~~ superintendent of industrial compliance. 774

Sec. 4104.18. (A) The owner or user of a boiler required 775
under section 4104.12 of the Revised Code to be inspected upon 776
installation, and the owner or user of a boiler for which a 777
certificate of inspection has been issued which is replaced with 778
an appropriate certificate of operation, shall pay to the 779
superintendent of ~~the division of~~ industrial compliance a fee in 780

the amount of thirty dollars for boilers subject to annual 781
inspections under section 4104.11 of the Revised Code, sixty 782
dollars for boilers subject to biennial inspection under section 783
4104.13 of the Revised Code, ninety dollars for boilers subject to 784
triennial inspection under section 4104.11 of the Revised Code, or 785
one hundred fifty dollars for boilers subject to quinquennial 786
inspection under section 4104.13 of the Revised Code ~~before any~~ 787
~~certificate of operation is issued.~~ 788

A renewal fee in the amount of thirty dollars shall be paid 789
to the treasurer of state before the renewal of any certificate of 790
operation ~~is renewed.~~ 791

(B) The fee for complete inspection during construction by a 792
general inspector on boilers and unfired pressure vessels 793
manufactured within the state shall be thirty-five dollars per 794
hour. Boiler and unfired pressure vessel manufacturers other than 795
those located in the state may secure inspection by a general 796
inspector on work during construction, upon application to the 797
superintendent, and upon payment of a fee of thirty-five dollars 798
per hour, plus the necessary traveling and hotel expenses incurred 799
by the inspector. 800

(C) The application fee for applicants for steam engineer, 801
high pressure boiler operator, or low pressure boiler operator 802
licenses is fifty dollars. The fee for each original or renewal 803
steam engineer, high pressure boiler operator, or low pressure 804
boiler operator license is thirty-five dollars. 805

(D) The director of commerce, subject to the approval of the 806
controlling board, may establish fees in excess of the fees 807
provided in divisions (A) ~~and~~, (B), ~~and~~ (C) of this section, 808
provided that such fees do not exceed the amounts established in 809
this section by more than fifty per cent. Any moneys collected 810
under this section shall be paid into the state treasury to the 811
credit of the industrial compliance operating fund created in 812

section 121.084 of the Revised Code. 813

~~(D)~~(E) Any person who fails to pay an invoiced renewal fee or 814
an invoiced inspection fee required for any inspection conducted 815
by the division of industrial compliance pursuant to this chapter 816
within forty-five days ~~after the inspection is conducted of the~~ 817
invoice date shall pay a late payment fee equal to twenty-five per 818
cent of the ~~inspection~~ invoiced fee. 819

~~(E)~~(F) In addition to the fees assessed in divisions (A) and 820
(B) of this section, the board of building standards shall assess 821
the owner or user a fee of three dollars and twenty-five cents for 822
each certificate of operation or renewal thereof issued under 823
division (A) of this section and for each inspection conducted 824
under division (B) of this section. The board shall adopt rules, 825
in accordance with Chapter 119. of the Revised Code, specifying 826
the manner by which the superintendent shall collect and remit to 827
the board the fees assessed under this division and requiring that 828
remittance of the fees be made at least quarterly. 829

Sec. 4104.19. (A) Any person seeking a license to operate as 830
a steam engineer, high pressure boiler operator, or low pressure 831
boiler operator shall file a written application with the 832
superintendent on a form prescribed by the superintendent with the 833
appropriate application fee as set forth in section 4104.18 of the 834
Revised Code. The application shall contain information 835
satisfactory to the superintendent to demonstrate that the 836
applicant meets the requirements of division (B) of this section. 837
The application shall be filed with the superintendent not more 838
than sixty days and not less than thirty days before the license 839
examination is offered. 840

(B) To qualify to take the examination required to obtain a 841
steam engineer, high pressure boiler operator, or low pressure 842
boiler operator license, a person shall meet both of the following 843

requirements:

844

(1) Be at least eighteen years of age;

845

(2) Have one year of experience in the operation of steam engines, high pressure boilers, or low pressure boilers as applicable to the type of license being sought, or a combination of experience and education for the type of license sought as determined to be acceptable by the superintendent.

846

847

848

849

850

(C) No applicant shall qualify to take an examination or to renew a license if the applicant has violated this chapter or if the applicant has obtained or renewed a license issued under this chapter by fraud, misrepresentation, or deception.

851

852

853

854

(D) The superintendent shall issue a license to each applicant who receives a passing score on the examination, as determined by the superintendent, for the license for which the applicant applied.

855

856

857

858

(E) The superintendent shall select and contract with one or more persons to do all of the following relative to the examinations for a license to operate as a steam engineer, high pressure boiler operator, or low pressure boiler operator:

859

860

861

862

(1) Prepare, administer, score, and maintain the confidentiality of the examination;

863

864

(2) Maintain responsibility for all expenses required to fulfill division (E)(1) of this section;

865

866

(3) Charge each applicant a fee for administering the examination, in an amount authorized by the superintendent;

867

868

(4) Design the examination for each type of license to determine an applicant's competence to operate the equipment for which the applicant is seeking licensure.

869

870

871

(F) Each license issued under this chapter expires one year after the date of issue. Each person holding a valid, unexpired

872

873

license may renew the license, without reexamination, by applying to the superintendent not more than ninety days before the expiration of the license, and submitting with the application the renewal fee established in section 4104.18 of the Revised Code. Upon receipt of the renewal information and fee, the superintendent shall issue the licensee a certificate of renewal.

(D) "Gravity elevator" means an elevator utilizing gravity to 925
move. 926

(E) "General inspector" means a state inspector examined and 927
hired to inspect elevators and lifting apparatus for that state. 928

(F) "Special inspector" means an inspector examined and 929
commissioned by the superintendent of the division of industrial 930
compliance to inspect elevators and lifting apparatus in the 931
state. 932

(G) "Inspector" means either a general or special inspector. 933

Sec. 4105.10. (A) Every passenger elevator, escalator, moving 934
walk, and freight elevator, including gravity elevators, shall be 935
inspected ~~once~~ twice every ~~six~~ twelve months. ~~Power~~ 936

(B) Power dumb-waiters, hoists, and other lifting or lowering 937
apparatus, not designed to carry persons, permanently installed, 938
either on or between rails or guides, shall be inspected at least 939
once every twelve months. 940

(C) The board of building standards may designate by rule, 941
classifications of passenger elevators with a capacity of seven 942
