uncounted ballots and shall count and tally them. 1111

In connection with its investigation of any apparent or 1112
suspected error or defect in the election returns from a polling 1113
place, the board may cause subpoenas to be issued and served 1114
requiring the attendance before it of the election officials of 1115
~~such that~~ polling place, and it may examine them under oath 1116
regarding the manner in which the votes were cast and counted in 1117
~~such that~~ polling place, or the manner in which the returns were 1118
prepared and certified, or as to any other matters bearing upon 1119
the voting and the counting of the votes in ~~such that~~ polling 1120
place at ~~such that~~ election. 1121

Finally, the board shall open the sealed container containing 1122
the ballots that were counted in the polling place at the election 1123
and count ~~such those~~ ballots, during the official canvass, in the 1124
presence of all of the members of the board and any other persons 1125
who are entitled to witness the official canvass. 1126

special election, the board may examine the pollbooks, poll lists, 1128
and tally sheets received from each polling place for its files 1129
and may compare the results of the voting in any polling place 1130

with the summary statement received from the polling place. If the
board finds that any of these records or any portion of them is
missing, or that they are incomplete, not properly certified, or
ambiguous, or that the results of the voting in the polling place
as shown on the summary statement from the polling place are
different from the results of the voting in the polling place as
shown by the pollbook, poll list, or tally sheet from the polling
place, or that there is any other defect in the records, the board
may make whatever changes to the pollbook, poll list, or tally
sheet it determines to be proper in order to correct the errors or
defects.

Sec. 3506.12. In counties where marking devices, automatic
tabulating equipment, voting machines, or any combination of these
are in use or are to be used, the board of elections:

(A) May combine, rearrange, and enlarge precincts; but the
board shall arrange for a sufficient number of these devices to
accommodate the number of electors in each precinct as determined
by the number of votes cast in that precinct at the most recent
election for the office of governor, taking into consideration the
size and location of each selected polling place, available
parking, handicap accessibility and other accessibility to the
polling place, and the number of candidates and issues to be voted
on. Notwithstanding section 3501.22 of the Revised Code, the board
may appoint more than four precinct officers to each precinct if
this is made necessary by the number of voting machines to be used
in that precinct.

(B) ~~Shall~~ Except as otherwise provided in this division,
shall establish one or more counting stations to receive voted

sheets, shall be done in the presence of witnesses approved by the 1163
board. A certified copy of the summary sheet for the precinct 1164
shall be posted at each ~~such~~ counting station immediately after 1165
completion of the summary sheet. 1166

In counties where punch card ballots are used, one or more 1167
counting stations, located at the board of elections, shall be 1168
established, at which location all punch card ballots shall be 1169
counted. 1170

As used in this division, "punch card ballot" has the same 1171
meaning as in section 3506.16 of the Revised Code. 1172

Sec. 3506.15. The secretary of state shall provide each board 1173
of elections with rules ~~and~~, instructions, directives, and 1174
advisories regarding the examination, testing, and use of the 1175
voting machine and tabulating equipment, the assignment of duties 1176
of booth officials, the procedure for casting a vote on the 1177
machine, and how the vote shall be tallied and reported to the 1178
board, and ~~such with~~ other rules ~~and~~, instructions ~~as are found~~, 1179
directives, and advisories the secretary of state finds necessary 1180
to ensure the adequate care and custody of voting equipment, and 1181
the accurate registering, counting, and canvassing of the votes as 1182
required by ~~sections 3506.01 to 3506.15 of the Revised Code~~ this 1183
chapter. The ~~board in such counties~~ boards of elections shall be 1184
charged with the responsibility of providing for the adequate 1185
instruction of voters and election officials in the proper use of 1186
the voting machine and marking devices. ~~Such~~ The boards' 1187
instructions shall include, in counties where punch card ballots 1188
are used, instructions that each voter shall examine the voter's 1189
marked ballot card and remove any chads that remain partially 1190
attached to it before returning it to election officials. 1191

The secretary of state's rules, instructions, directives, and 1192

advisories provided under this section shall comply, insofar as 1193
practicable, with ~~sections 3506.01 to 3506.15 of the Revised Code~~ 1194
this chapter. The provisions of Title XXXV of the Revised Code, 1195
not inconsistent with the provisions relating to voting machines, 1196
apply in any county using ~~the~~ a voting machine. 1197

As used in this section, "chad" and "punch card ballot" have 1198
the same meanings as in section 3506.16 of the Revised Code. 1199

Sec. 3506.16. (A) As used in this section: 1200

(1) "Chad" means the small piece of paper or cardboard 1201
produced from a punch card ballot when a voter pierces a hole in a 1202
perforated, designated position on the ballot with a marking 1203
device to record the voter's candidate, question, or issue choice. 1204

(2) "Punch card ballot" means a ballot card that contains 1205
small perforated designated positions that a marking device must 1206
pierce to form a hole that records a voter's candidate, question, 1207
or issue choice. 1208

(B)(1) In counties where punch card ballots are used, 1209
employees of the board of elections designated by the board under 1210
division (C) of this section shall take all reasonable steps, in a 1211
manner prescribed by the secretary of state, to inspect those 1212
ballots at the board of elections prior to their counting by 1213
automatic tabulating equipment. 1214

(2) Those designees shall take all reasonable steps, in a 1215
manner prescribed by the secretary of state, to remove from a 1216
punch card ballot chads attached by two or fewer corners. They 1217
shall not remove from a punch card ballot any chad attached by 1218
three or four corners. If a chad is attached to a punch card 1219
ballot by three or four corners, it shall be deemed that a voter 1220
did not record a candidate, question, or issue choice at that 1221
particular position on the ballot, and a vote shall not be counted 1222
at that particular position on the ballot. 1223

(3)(a) Those designees shall remake and count as a valid ballot any punch card ballot in which the pattern of holes punched in areas of the ballot card other than the designated positions assigned to candidates, questions, or issues makes it clear to the designees that the voter inserted the ballot card into the voting machine with the back side of the ballot card facing up. Only holes that are clearly pierced through the punch card ballot shall be remade and counted. The designees shall remake and count a punch card ballot under this division whether the voter voted for one candidate, question, or issue, more than one but not all candidates, questions, or issues, or all candidates, questions, and issues.

(b) If the pattern of holes pierced through a punch card ballot indicates that the ballot card was inserted into the voting machine with the back side of the ballot facing up, partially voted, then removed from the voting machine, reinserted properly, and voted correctly, the designees shall remake and count as valid only those votes represented by the properly punched side of the original punch card ballot.

(C) The board of elections of a county where punch card ballots are used shall designate teams to inspect those ballots under division (B) of this section and, as necessary, to remove chads from those ballots or remake those ballots. Those teams shall consist of two employees of the board, one from each major political party. The board may designate as many teams as the board considers necessary to efficiently inspect those ballots prior to their counting. The board also may designate teams of two employees, one from each major political party, to monitor the teams conducting the inspection of those ballots under division (B) of this section.

Sec. 3509.01. The board of elections of each county shall

provide absent voter's ballots for use at every primary and 1255
general election, or special election to be held on the day 1256
specified by division (E) of section 3501.01 of the Revised Code 1257
for the holding of a primary election, designated by the general 1258
assembly for the purpose of submitting constitutional amendments 1259
proposed by the general assembly to the voters of the state. ~~Such~~ 1260
Those ballots shall be the same size, shall be printed on the same 1261
kind of paper, and shall be in the same form as has been approved 1262
for use at the election for which ~~such~~ those ballots are to be 1263
voted; except that, in counties using marking devices, ballot 1264
cards may be used for absent voter's ballots, and ~~such~~ those 1265
absent voters shall be instructed to record the vote in the manner 1266
provided on the ballot cards. ~~The~~ In counties where punch card 1267
ballots are used, those absent voters shall be instructed to 1268
examine their marked ballot cards and to remove any chads that 1269
remain partially attached to them before returning them to 1270
election officials. 1271

The rotation of names of candidates and questions and issues 1272
shall be substantially complied with on absent voter's ballots, 1273
within the limitation of time allotted. ~~Such~~ Those ballots shall 1274
be designated as "Absent Voter's Ballots" and shall be printed and 1275
ready for use on the thirty-fifth day before the day of the 1276
election, except that ~~such~~ those ballots shall be printed and 1277
ready for use on the twenty-fifth day before the day of a 1278
presidential primary election. 1279

primary election, or special election to be held on the day 1281
specified by division (E) of section 3501.01 of the Revised Code 1282
for the holding of a primary election, designated by the general 1283
assembly for the purpose of submitting constitutional amendments 1284
proposed by the general assembly to the voters of the state, shall 1285
include only ~~such~~ those questions, issues, and candidacies ~~as~~ that 1286

have been lawfully ordered submitted to the electors voting at 1287
~~such~~ that election. 1288

other than the day on which general or primary elections are held, 1290
shall be ready for use as many days before the day of the election 1291
as reasonably possible under the laws governing the holding of 1292
~~such~~ that special election. 1293

A copy of the absent voter's ballots shall be forwarded by 1294
the director of the board in each county to the secretary of state 1295
at least twenty-five days before the election. 1296

As used in this section, "chad" and "punch card ballot" have 1297
the same meanings as in section 3506.16 of the Revised Code. 1298

Sec. 3509.04. Upon receipt by the director of elections of an 1299

3509.03 and 3509.031, and division (G) of section 3503.16, of the 1301
