To enact section 5502.41 of the Revised Code to 1  
establish an intrastate mutual aid program for 2  
emergency preparedness and disaster response and 3  
recovery to be known as the Intrastate Mutual Aid 4  
Compact and to declare an emergency. 5

**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** That section 5502.41 of the Revised Code be 6  
enacted to read as follows: 7

**Sec. 5502.41.** (A) As used in this section: 8

(1) "Countywide emergency management agency" means a 9  
countywide emergency management agency established under section 10  
5502.26 of the Revised Code. 11

(2) "Participating political subdivision" means each political subdivision in this state except a political subdivision that enacts, by appropriate legislation signed by its chief executive, a declaration not to participate in the intrastate mutual aid program created by this section and that provides a copy of the legislation to the emergency management agency and to the countywide emergency management agency, regional authority for emergency management, or program for emergency management within the political subdivision, which is responsible for emergency management in the political subdivision.

(3) "Program for emergency management within a political subdivision" means a program for emergency management created by a political subdivision under section 5502.271 of the Revised Code.

(4) "Regional authority for emergency management" means a regional authority for emergency management established under section 5502.27 of the Revised Code.

(B) There is hereby created the intrastate mutual aid program to be known as "the intrastate mutual aid compact" to complement existing mutual aid agreements in the event of a disaster that results in a formal declaration of emergency by a participating political subdivision. The program shall provide for mutual assistance among the participating political subdivisions in response to and recovery from any disaster that results in a formal declaration of emergency by a participating political subdivision; shall provide for mutual cooperation among the participating political subdivisions in conducting disaster-related exercises, testing, or other training activities using the services, equipment, supplies, materials, personnel, and other resources of the participating political subdivisions to simulate the provision of mutual aid; and shall embody a method by which a participating political subdivision may seek assistance in the event of a formally declared emergency, which resolves many of

the common issues facing political subdivisions at the time of a  
formally declared emergency and will ensure, to the extent  
possible, eligibility for available state and federal disaster  
funding.

(C) Each countywide emergency management agency, regional  
authority for emergency management, and program for emergency  
management within a political subdivision, which is responsible  
for emergency management in a participating political subdivision  
shall, as part of its program for emergency management under  
sections 5502.22, 5502.26, 5502.27, and 5502.271 of the Revised  
Code, as applicable, and in coordination with all departments,  
divisions, boards, commissions, agencies, and other  
instrumentalities of, and having emergency response functions  
within, each participating political subdivision served by that  
agency, authority, or program, establish procedures or plans that,  
to the extent possible, accomplish both of the following:

(1) Identify hazards that potentially could affect the  
participating political subdivisions served by that agency,  
authority, or program;

(2) Identify and inventory the current services, equipment,  
supplies, personnel, and other resources related to response and  
recovery activities of the participating political subdivisions  
served by that agency, authority, or program.

(D)(1) Within one year after the effective date of this  
section, the executive director of the emergency management agency  
shall coordinate with the countywide emergency management  
agencies, regional authorities for emergency management, and  
programs for emergency management within a political subdivision,  
which are responsible for emergency management in participating  
political subdivisions, in identifying and formulating appropriate  
procedures or plans to resolve resource shortfalls, as part of  
their respective programs for emergency management under sections

5502.22, 5502.26, 5502.27, and 5502.271 of the Revised Code, as applicable.

(2) During and after the formulation of the procedures or plans to resolve resource shortfalls, there shall be ongoing consultation and coordination among the executive director of the emergency management agency; the countywide emergency management agencies, regional authorities for emergency management, and programs for emergency management within a political subdivision, which are responsible for emergency management in participating political subdivisions; and all departments, divisions, boards, commissions, agencies, and other instrumentalities of, and having emergency response functions within, each participating political subdivision, regarding this section, local procedures and plans, and the resolution of the resource shortfalls.

(E) Participating political subdivisions may request assistance of other participating political subdivisions in response to and recovery from a disaster during formally declared emergencies or in disaster-related exercises, testing, or other training activities. Requests for assistance shall be made through the emergency management agency or an official designated by the chief executive of the participating political subdivision from which the assistance is requested. Requests may be verbal or in writing. If verbal, the request shall be confirmed in writing within seventy-two hours after the verbal request is made. Requests shall provide the following information:

(1) A description of the disaster;

(2) A description of the assistance needed;

(3) An estimate of the length of time the assistance will be needed;

(4) The specific place and time for staging of the assistance and a point of contact at that location.

(H)(1) Personnel of a responding participating political 140  
subdivision who suffer injury or death in the course of, and 141  
arising out of, their employment while rendering assistance to 142

the personnel of that political subdivision, while rendering 153  
assistance, or while in route to or from rendering assistance, in 154

(I) If a person holds a license, certificate, or other permit 171  
issued by a participating political subdivision evidencing 172  
qualification in a professional, mechanical, or other skill, and 173  
if the assistance of that person is asked for by a participating 174  
political subdivision receiving assistance under this section, the 175  
person shall be deemed to be licensed or certified in or permitted 176  
by the participating political subdivision receiving the 177  
assistance to render the assistance, subject to any limitations 178  
and conditions the chief executive of the participating political 179  
subdivision receiving the assistance may prescribe by executive 180  
order or otherwise. 181

(J) Except as otherwise provided in this division, any 182  
participating political subdivision rendering assistance in 183  
another participating political subdivision under this section 184

incurred in responding to the request for assistance. However, a 190  
participating political subdivision rendering assistance may 191  
assume in whole or in part the loss, damage, expense, or costs, or 192  
may loan the equipment or donate the service to the participating 193  
political subdivision receiving the assistance without charge or 194  
cost; any two or more participating political subdivisions may 195  
enter into agreements establishing a different allocation of loss, 196  
damage, expense, or costs among themselves; and expenses incurred 197  
under division (H)(1) of this section are not reimbursable under 198  
this division. To avoid duplication of payments, insurance 199  
proceeds available to cover any loss or damage to equipment of a 200  
participating political subdivision rendering assistance shall be 201

considered in the reimbursement by the participating political 202  
subdivision receiving the assistance. 203

**Section 2.** This act is hereby declared to be an emergency 204  
measure necessary for the immediate preservation of the public 205  
peace, health, and safety. The reason for this necessity lies in 206  
the fact that the September 11, 2001, terrorist attacks in New 207  
York City and on the Pentagon in Arlington, Virginia, the 208  
September 11, 2001, terrorist activity resulting in the crash of 209  
United Airlines flight 93 in Pennsylvania, and the anthrax 210  
incidents following in the wake of those terrorist events indicate 211  
that emergency fire, medical, law enforcement, and other personnel 212  
are often needed to respond quickly and in a coordinated manner to 213  
disasters outside of political subdivision boundaries, and, thus, 214  
it is fitting that Ohio, as soon as possible, have in place an 215  
intrastate mutual aid compact for disaster response and recovery 216  
that contains procedures for the use of response and recovery 217  
resources outside of individual political subdivision boundaries. 218  
Therefore, this act shall go into immediate effect. 219
