Sec. 742.3716. (A) As used in this section: 565

(1) "Eligible person" means a person who meets all of the 566
following conditions: 567

(a) Has been receiving a pension or benefit under this 568
chapter for one year or more based on an award made on or after 569
July 24, 1986; 570

(b) Has not made the election provided for in division (B) of 571
this section; 572

(c) Is not the spouse or survivor of a person who has made 573
the election provided for in division (B) of this section; 574

(d) Is receiving a benefit in accordance with division (A), 575
(B), or (C) of section 742.37, division (C)(2), (3), (4), or (5) 576
of former section 742.37, section 742.3711, or section 742.39 of 577
the Revised Code. 578

(2) "Recalculated average annual salary" means the highest average annual compensation of a member of the Ohio police and fire pension fund during any three years of contributions, including amounts included in terminal pay attributable to such three years, determined by dividing the member's total earnings as an employee during such years by three.

(B)(1) Notwithstanding section 742.37 or 742.39 of the Revised Code, a member of the fund who is not receiving a pension or benefit under this chapter and who on January 1, 1989, has completed fifteen or more years of active service in a police or fire department may elect to have any future benefit or pension paid to the member or the member's spouse or survivors under this chapter calculated on the basis of the member's recalculated average annual salary rather than the member's average annual salary. The election shall be made by the member prior to or at the time of making an election under section 742.3711 of the Revised Code. This division does not apply to a member of the fund who has elected to participate in the deferred retirement option plan established under section 742.43 of the Revised Code.

(2) If the member eligible to make the election under division (B)(1) of this section dies prior to making the election and at the time of death is eligible to retire and receive a pension or benefit under division (C)(1) or (3) of section 742.37 of the Revised Code, the person entitled to receive a benefit under section 742.3714 of the Revised Code may make the election provided for in division (B)(1) of this section.

(3) The election under division (B)(1) or (2) of this section shall be made on forms provided by the trustees of the fund. Once received by the fund, the election shall be irrevocable and shall bind the member and any other person who receives a pension or benefit based on the member's service. No person who receives a pension or benefit calculated in accordance with division (B) of

this section is eligible to receive a cost-of-living allowance
under this section. If the person making the election receives a
benefit under section 742.3714 of the Revised Code, that person is
not eligible to receive a cost-of-living allowance under section
742.3711 of the Revised Code.

(C)(1) On or before the fifteenth day of April of each year,
the board of trustees of the Ohio police and fire pension fund
shall determine the average percentage change in the consumer
price index prepared by the United States bureau of labor
statistics (U.S. City Average for Urban Wage Earners and Clerical
Workers: "All Items 1982-84=100") for the twelve-month period
prior to the first day of January over the next preceding
twelve-calendar-month period, as reported by the bureau. Upon a
determination by the board that such change is an increase or that
the change plus the accumulation described in division (C)(2) of
this section is an increase, the board shall increase all benefits
payable to eligible persons by a percentage equal to the
percentage increase in the consumer price index or to that
increase plus the accumulation, except that the increase shall not
exceed three per cent and no benefit shall exceed the limit
established by section 415 of the "Internal Revenue Code of 1986,"
100 Stat. 2085, 26 U.S.C.A. 415, as amended.

(2) Any percentage of change in the consumer price index in
any year that is in excess of three per cent shall be accumulated
and used to determine increases under this section in succeeding
years. Any percentage of change in the consumer price index
accumulated by an eligible person prior to September 27, 1996,
shall be used in determining any future increases under this
section. The first additional benefit is payable to all eligible
persons who on July 1, 1988, have been receiving a pension or
benefit for twelve months or longer. The additional benefit is

payable for the ensuing twelve-month period or until the next
increase is granted under this section, whichever is later.

643
644

The date of the first additional benefit paid under this
section shall be the anniversary date for future additional
benefits. The pension or benefit used in the first calculation of
an additional benefit under this section shall remain as the base
for all future additional benefits paid under this section, unless
a new base is established by law.

645
646
647
648
649
650

(3) Additional benefits paid in years subsequent to the year
of the first additional benefit paid under this section shall be
paid to all eligible persons who, on the date that the additional
benefit is authorized by the board, have been receiving a pension
or benefit for twelve months.

654
655

Sec. 742.43. The board of trustees of the Ohio police and
fire pension fund shall establish and administer a deferred
retirement option plan if the board receives from the internal
revenue service a determination letter indicating that the plan
meets the requirements of section 401(a) of the "Internal Revenue
Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 401(a), as amended,
applicable to governmental plans.

658
659
660
661
662

In establishing and administering the plan, the board shall
comply with sections 742.44 to 742.446 of the Revised Code and may
do all things necessary to meet the requirements of section 401(a)
of the "Internal Revenue Code of 1986," as amended, applicable to
governmental plans.

663
664
665
666
667

The board shall adopt rules to implement this section and
sections 742.44 to 742.446 of the Revised Code. The rules shall
specify the date of initial implementation of the plan established
under this section. The rules may also specify a period during
which an election made under section 742.44 of the Revised Code
may be rescinded.

668
669
670
671
672
673

Sec. 742.44. Except as provided in section 742.14 of the Revised Code, at any time prior to filing an application for retirement under division (C)(1) of section 742.37 of the Revised Code, a member who is eligible to retire under that division may elect to participate in the deferred retirement option plan established under section 742.43 of the Revised Code.

To make an election, an eligible member shall complete and submit to the Ohio police and fire pension fund a form prescribed by the fund. At this time the member may, but is not required to, elect under section 742.3711 of the Revised Code to have the member's monthly pension calculated as a retirement allowance payable throughout the member's life or a retirement allowance that continues to a surviving beneficiary. Unless rescinded during a period specified in rules adopted under section 742.43 of the Revised Code, the election is irrevocable from the date it is received by the fund until the employee ceases to participate in the plan as provided in section 742.444 of the Revised Code.

A member is not required to specify the number of years or portion of a year the member will participate in the plan but must agree to terminate active service in a police or fire department and begin receiving the member's pension not later than the date that is eight years after the effective date of the election to participate in the plan or be subject to the forfeiture provisions of division (C) of section 742.444 of the Revised Code.

The effective date of an election made under this section is the first day of the employer's first payroll period immediately following the board's receipt of the notice of election.

Sec. 742.441. A member who makes an election under section 742.44 of the Revised Code shall continue in the active service of a police or fire department but shall not earn service credit

under this chapter for employment after the election's effective 704
date. While the member is in the active service of a police or 705
fire department, the member shall contribute to the Ohio police 706
and fire pension fund in accordance with section 742.31 of the 707
Revised Code and the employer shall contribute and report in 708
accordance with either section 742.33 or 742.34 of the Revised 709
Code. 710

Neither the member nor the member's spouse and dependents are 711
eligible for benefits under section 742.45 of the Revised Code 712
while the member is participating in the deferred retirement 713
option plan. 714

Sec. 742.442. For each member who elects to participate in 715
the deferred retirement option plan, the Ohio police and fire 716
pension fund shall determine under division (C)(1) of section 717
742.37 of the Revised Code the monthly pension amount that would 718
be payable to the member had the member elected to receive a 719
pension under that division. In determining the pension amount, 720
the fund shall use the member's total service credit and average 721
annual salary as of the last day of the employer's payroll period 722
immediately prior to the effective date of the member's election 723
to participate in the plan. The pension amount shall be calculated 724
as a retirement allowance payable for the member's life, except 725
that, if at the time of electing to participate in the plan the 726
member selected another plan of payment, the pension shall be 727
calculated using the plan of payment selected. 728

A member who participates in the plan is not eligible to make 729
an election under division (B) of section 742.3716 of the Revised 730
Code. 731

Sec. 742.443. (A) During the period beginning on the 732
effective date of an election to participate in the deferred 733

retirement option plan and ending on the date participation 734
ceases, a member's monthly pension amount determined under section 735
742.442 of the Revised Code shall accrue to the member's benefit. 736
To this amount shall be added any benefit increases the member 737
would be eligible for under division (C) of section 742.3716 of 738
the Revised Code had the member, on the effective date of the 739
member's election, retired under division (C)(1) of section 742.37 740
of the Revised Code. 741

(B)(1) The amounts contributed under section 742.31 of the 742
Revised Code by a member participating in the deferred retirement 743
option plan shall accrue to the member's benefit as follows: 744

(a) During the period beginning on the first day of the first 745
payroll period after the election's effective date and ending on 746
the earlier of the date that is two years thereafter or the date 747
the member ceases participation in the plan, fifty per cent of the 748
member's contributions for that period; 749

(b) During the period beginning on the date that is two years 750
and one day after accruals begin under this division and ending on 751
the earlier of the date that is three years thereafter or the date 752
the member ceases participation in the plan, seventy-five per cent 753
of the member's contributions for that period; 754
755

(c) During the period beginning on the date that is three 756
years and one day after accruals begin under this section and 757
ending on the date the member ceases participation in the plan, 758
one hundred per cent of the member's contributions for that 759
period. 760

(2) The Ohio police and fire pension fund shall credit the 761
portion of a member's contributions that are not accrued to the 762
member's benefit under division (B)(1) of this section to the 763
police officers' contribution fund or firefighters' contribution 764

fund, as appropriate.

765

(C) During the period beginning on the election's effective date and ending on the date the member ceases participation in the plan, the amounts described in divisions (A) and (B)(1) of this section shall earn interest at an annual rate established by the board of trustees of the fund and compounded annually using a method established by rule adopted under section 742.43 of the Revised Code.

766

767

768

769

770

771

772

Sec. 742.444. (A) A member's participation in the deferred retirement option plan ceases on the occurrence of the earliest of the following:

773

774

775

776

777

(2) The last day of the eight-year period that begins on the effective date of the member's election to participate in the plan;

778

779

780

(3) Acceptance by the member of a disability benefit awarded by the board of trustees of the Ohio police and fire pension fund, unless the acceptance is revoked by the member in accordance with rules adopted by the board;

781

782

783

784

(4) The member's death.

785

(B) If a member terminates active service in a police or fire department not later than eight years after the effective date of the member's election to participate in the plan, all of the following apply:

786

787

788

789

(1) The member shall notify the Ohio police and fire pension fund of the date of termination on a form prescribed by the fund. The member is not eligible to make another election under section 742.44 of the Revised Code.

790

791

792

793

(2) If the member's termination of active service occurs on 794
or after the date that is the first day of the fourth year after 795
the effective date of the election to participate in the plan, the 796
entire amount that has accrued to the member's benefit under the 797
deferred retirement option plan shall be distributed to the member 798
pursuant to the member's selection under division (B)(3) of this 799
section. If the termination of active service occurs before the 800
date that is four years after the effective date of the election 801
to participate, the member shall forfeit the total amount of the 802
interest credited under division (C) of section 742.443 of the 803
Revised Code. 804

(3) The member shall select one of the following as the 805
method of distribution of the amount to be distributed to the 806
member: 807

(a) A single payment; 808

(b) Periodic payments as determined by the board. 809

The fund shall retain amounts accrued to the benefit of a 810
member under the plan until a form specifying the method of 811
distribution selected is filed with the fund by the member or an 812
authorized representative of the member. 813

The board shall afford a member who selects periodic payments 814
the opportunity at least once during each calendar year to change 815
the member's selection. 816

(4) Distribution of the amount accrued to a member's benefit 817
under the deferred retirement option plan shall not commence until 818
the date that is the first day of the fourth year after the 819
effective date of the election. 820

(5) The member shall select a plan of payment under section 821
742.3711 of the Revised Code for the pension payable to the member 822
under division (C) of section 742.37 of the Revised Code, unless 823
the member selected a plan of payment at the time of electing to 824

participate in the plan. The pension shall commence on the first
day of the second month following the date the employee ceases to
participate in the plan.

825
826
827

(C) If, at the end of the eight-year period that begins on
the effective date of a member's election to participate in the
plan, the member has failed to terminate active service in a
police or fire department, all of the following apply:

828
829
830
831

(1) No further amounts shall accrue to the member's benefit,
and the member shall forfeit all amounts that have accrued to the
member's benefit under section 742.443 of the Revised Code. The
amounts forfeited shall be treated as if the member had continued
in the active service of a police or fire department and not
elected to participate in the plan.

832
833
834
835
836
837

(2) The member shall be granted service credit for the period
the member was participating in the plan, and when the member's
pension is calculated under section 742.37 of the Revised Code,
the calculation shall be made as though the member had never
participated in the plan.

838
839
840
841
842

(3) Further contributions, and service credit for those
contributions, shall be credited as provided in sections 742.31
through 742.34 of the Revised Code.

843
844
845

Sec. 742.445. If a member ceases participation in the
deferred retirement option plan due to acceptance by the member of
a disability benefit awarded by the board of trustees of the Ohio
police and fire pension fund, both of the following apply:

846
847
848
849

(A) The member shall forfeit all amounts that have accrued
under section 742.443 of the Revised Code to the member's benefit
under the deferred retirement option plan, and those amounts shall

line of duty" has the same meaning as in section 742.63 of the 858
Revised Code. 859

(B) If a member dies while participating in the deferred 860
retirement option plan, all of the following apply: 861

to the member's surviving spouse or, if there is no surviving 863
spouse, the beneficiary designated by the member on a form 864
provided by the Ohio police and fire pension fund. If there is no 865
surviving spouse or designated beneficiary, the amounts accrued to 866
the member's benefit shall be paid to the member's estate. A 867
surviving spouse or designated beneficiary may select a method of 868
distribution described in division (B)(3) of section 742.444 of 869
the Revised Code. Any amount payable to the member's estate shall 870
be paid in a single payment. 871

(2) The surviving spouse shall receive a pension or benefit 872
determined under division (D) of section 742.37 of the Revised 873
Code and, if the member was killed in the line of duty, division 874
(F) of section 742.63 of the Revised Code. 875

(3) If eligible, each surviving child shall receive a pension 876
or benefit determined under division (E) of section 742.37 of the 877
Revised Code and, if the member was killed in the line of duty, 878
division (G) of section 742.63 of the Revised Code. 879

Code and, if the member was killed in the line of duty, division 884

886

887

888

889

890

amount equal to any allowance or benefit payable to that child 1147
under section 742.3714 of the Revised Code, but the reduction in 1148
that child's benefit shall not affect the amount payable to any 1149
other surviving child entitled to a portion of the death benefit. 1150

(H) A death benefit paid to a surviving child under division 1151
