(B) Consideration for the conveyance of the real estate 301
described in division (A) of this section shall be the mutual 302
benefit and exchange of services provided under a Real Estate 303
Purchase Agreement executed by Crewville, Ltd., on November 24, 304
1999, by the City of Columbus on December 1, 1999, and by the 305
State of Ohio through its Director of Administrative Services on 306
December 30, 1999, with the concurrence of the General Manager of 307
the Ohio Expositions Commission and the Director of the Ohio 308
Historical Society. Such terms and conditions expressly provided 309
for Crewville, Ltd., upon conveyance of approximately 32.5 acres 310
of land to the state of Ohio, to construct a three-lane roadway 311
connecting Velma Avenue and Silver Drive in Columbus. Once the 312
roadway is completed, the state of Ohio will seek to transfer said 313
roadway to the City of Columbus and dedicate the roadway to the 314
public's use. The City of Columbus, as provided in the Real Estate 315
Purchase Agreement, agrees to accept the Governor's Deed and 316
assume responsibility for all maintenance and upkeep of the 317
roadway, following transfer from the state. 318

(C) The General Assembly finds that the mutual benefit and 319
exchange of services accruing to the State of Ohio from the 320
conveyance of the real estate under this section is in the best 321
interests of the State of Ohio and specifically beneficial to the 322
Ohio Expositions Commission and the Ohio Historical Society. 323

(D) Within one year of the date the roadway described in 324
division (A) of this section has been completed to the sole 325
satisfaction of the Director of Administrative Services, the 326
Auditor of State, with the assistance of the Attorney General, 327
shall prepare a deed to the real estate described in division (A) 328
of this section. The deed shall state the consideration as mutual 329
benefit and exchange of services. The deed shall be executed by 330
the Governor in the name of the state, countersigned by the 331
Secretary of State, sealed with the Great Seal of the State, 332
presented in the office of the Auditor of State for recording, and 333
delivered to the City of Columbus. The City of Columbus shall 334
present the deed for recording in the Office of the Franklin 335
County Recorder. 336

(E) The City of Columbus shall pay the costs of the 337
conveyance of the real estate described in division (A) of this 338
section. 339

(F) This section expires two years after its effective date. 340

Section 4. (A) The Adjutant General has determined that the 341
following described property is no longer needed by the Ohio 342
National Guard for armory or military purposes and has requested 343
the Department of Administrative Services to assist in 344
transferring this parcel. The reversionary language contained in 345
the deed whereby the Adjutant General acquired this property 346
requires that the property revert back to the Medina County Joint 347
Vocational School if the property ceases to be used for military 348
purposes. The Director of Administrative Services is hereby 349
authorized to give proper effect to the reversionary language in 350
the original deed. A Governor's Deed shall be prepared by the 351
Auditor of State with the assistance of the Attorney General, to 352
be executed by the Governor, countersigned by the Secretary of 353
State, sealed with the Great Seal of the State, and presented for 354

recording in the Office of the Auditor of State. The deed shall be 355
delivered to the original grantor of the property for recording in 356
the Office of the Medina County Recorder. The Governor is hereby 357
authorized to execute the deed in the name of the state, granting 358
all of the state's right, title, and interest in the parcel 359
described as follows: 360
