To amend sections 3301.02 and 3301.80 of the Revised 1
Code to abolish the requirement that the State 2
Board of Education be dissolved and recreated 3
following the creation of new State Board of 4
Education districts, to specify that members of the 5
Board as of the time new districts are created 6
shall represent their assigned districts for the 7
term for which they were originally elected, to 8
provide that the Ohio SchoolNet Commission voting 9
members appointed by the Speaker of the House of 10
Representatives and the President of the Senate 11
serve two-year terms subject to removal at anytime 12
by their respective appointing authorities, and to 13
declare an emergency. 14

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

have been so qualified shall be dissolved. At the first regular 23
state election that occurs after a change in the boundaries of 24
state board of education districts, in conformity with the general 25
election laws of this state, one board member shall be elected 26
from each state board of education district for a term of office 27
beginning the first day of January immediately following such 28
election. The term of office of each elected member shall be 29
determined by lot at the initial organization meeting of the 30
board. The elected members shall by lot select six elected 31
members, each of whom shall serve for a term of four years or 32
until a successor is elected and qualified, and the remaining 33
elected members shall each serve for a term of two years or until 34
a successor is elected and qualified. 35~~

expire within two years of the time the change in boundaries is
made shall represent, for the remainder of the term for which the

This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety.
