system only when the employee has made payment, to be computed on 117  
the salary earned from the date of appointment to the date 118  
membership was established in the public employees retirement 119  
system, at the rate in effect at the time of payment, and the 120  
employer has made payment of the corresponding full liability as 121  
provided by section 145.44 of the Revised Code. "Prior service" 122  
also means all service credited for active duty with the armed 123

the board shall determine what fractional part of a year's credit 135  
shall be allowed by the following formula: 136

(1) When the member has been either elected or appointed to 137  
an office the term of which was two or more years and for which an 138  
annual salary is established, the fractional part of the year's 139  
credit shall be computed as follows: 140

First, when the member's annual salary is one thousand 141  
dollars or less, the service credit for each such calendar year 142  
shall be forty per cent of a year. 143

Second, for each full one hundred dollars of annual salary 144  
above one thousand dollars, the member's service credit for each 145  
such calendar year shall be increased by two and one-half per 146  
cent. 147

(2) When the member is paid on a per diem basis, the service credit for any single year of the service shall be determined by using the number of days of service for which the compensation was received in any such year as a numerator and using two hundred fifty days as a denominator.

(3) When the member is paid on an hourly basis, the service credit for any single year of the service shall be determined by using the number of hours of service for which the compensation was received in any such year as a numerator and using two thousand hours as a denominator.

(F) "Contributor" means any person who has an account in the employees' savings fund created by section 145.23 of the Revised Code. In addition, "total service credit" includes any period, not in excess of three years, during which a member was out of service and receiving benefits under Chapters 4121. and

4123. of the Revised Code. For the exclusive purpose of satisfying 180  
the service credit requirement and of determining eligibility for 181  
benefits under sections 145.32, 145.33, 145.331, 145.35, 145.36, 182  
and 145.361 of the Revised Code, "five or more years of total 183  
service credit" means sixty or more calendar months of 184  
contributing service in this system. 185

(2) "One and one-half years of contributing service credit," 186  
as used in division (B) of section 145.45 of the Revised Code, 187  
also means eighteen or more calendar months of employment by a 188  
municipal corporation that formerly operated its own retirement 189  
plan for its employees or a part of its employees, provided that 190  
all employees of that municipal retirement plan who have eighteen 191  
or more months of such employment, upon establishing membership in 192  
the public employees retirement system, shall make a payment of 193  
the contributions they would have paid had they been members of 194  
this system for the eighteen months of employment preceding the 195  
date membership was established. When that payment has been made 196  
by all such employee members, a corresponding payment shall be 197  
paid into the employers' accumulation fund by that municipal 198  
corporation as the employer of the employees. 199

(3) Where a member also is a member of the state teachers 200  
retirement system or the school employees retirement system, or 201  
both, except in cases of retirement on a combined basis pursuant 202  
to section 145.37 of the Revised Code or as provided in section 203  
145.383 of the Revised Code, service credit for any period shall 204  
be credited on the basis of the ratio that contributions to the 205  
public employees retirement system bear to total contributions in 206  
all state retirement systems. 207

(4) Not more than one year of credit may be given for any 208  
period of twelve months. 209

rendered to the state or any of its political subdivisions or any 211

Revised Code. 220

(K)(1) "Final average salary" means the quotient obtained by 221  
dividing by three the sum of the three full calendar years of 222  
contributing service in which the member's earnable salary was 223  
highest, except that if the member has a partial year of 224  
contributing service in the year the member's employment 225  
terminates and the member's earnable salary for the partial year 226  
is higher than for any comparable period in the three years, the 227  
member's earnable salary for the partial year shall be substituted 228  
for the member's earnable salary for the comparable period during 229  
the three years in which the member's earnable salary was lowest. 230

(2) If a member has less than three years of contributing 231  
service, the member's final average salary shall be the member's 232  
total earnable salary divided by the total number of years, 233  
including any fraction of a year, of the member's contributing 234  
service. 235

(3) For the purpose of calculating benefits payable to a 236  
member qualifying for service credit under division (Z) of this 237  
section, "final average salary" means the total earnable salary on 238  
which contributions were made divided by the total number of years 239  
during which contributions were made, including any fraction of a 240

"final average salary" means the member's total earnable salary. 242

Disability coverage shall be provided under section 145.361 of the Revised Code for persons who become members after July 29, 1992, and for members who elect under this division to be covered under section 145.361 of the Revised Code.

The retirement board may adopt rules governing elections made under this division.

(C) Application for a disability benefit may be made by a member, by a person acting in the member's behalf, or by the member's employer, provided the member has disability coverage under section 145.36 or 145.361 of the Revised Code and is not receiving a disability benefit under any other Ohio state or municipal retirement program. Application must be made within two years from the date the member's contributing service terminated or the date the member ceased to make contributions to the PERS defined benefit plan under section 145.814 of the Revised Code, unless the retirement board determines that the member's medical records demonstrate conclusively that at the time the two-year period expired, the member was physically or mentally incapacitated for duty and unable to make an application. Application may not be made by or for any person receiving age and service retirement benefits under section 145.33, 145.331, 145.34, or 145.37 of the Revised Code or any person who, pursuant to section 145.40 of the Revised Code, has been paid the accumulated contributions standing to the credit of the person's individual account in the employees' savings fund. The application shall be made on a form provided by the retirement board.

(D) The benefit payable to any member who is approved for a disability benefit shall become effective on the first day of the month immediately following the later of the following:

(1) The last day for which compensation was paid;

(2) The attainment of eligibility for a disability benefit.

(E) Medical examination of a member who has applied for a disability benefit shall be conducted by a competent disinterested physician or physicians selected by the board to determine whether the member is mentally or physically incapacitated for the performance of duty by a disabling condition either permanent or presumed to be permanent. The disability must have occurred since last becoming a member or have increased since last becoming a member to such extent as to make the disability permanent or presumed to be permanent. A disability is presumed to be permanent if it is expected to last for a continuous period of not less than twelve months following the filing of the application.

If the physician or physicians determine that the member qualifies for a disability benefit, the board concurs with the determination, and the member agrees to medical treatment as specified in division (F) of this section, the member shall receive a disability benefit under section 145.36 or 145.361 of the Revised Code. The action of the board shall be final.

(F) The public employees retirement board shall adopt rules requiring a disability benefit recipient, as a condition of continuing to receive a disability benefit, to agree in writing to obtain any medical treatment recommended by the board's physician and submit medical reports regarding the treatment. If the board determines that a disability benefit recipient is not obtaining the medical treatment or the board does not receive a required medical report, the disability benefit shall be suspended until the treatment is obtained, the report is received by the board, or

the board's physician certifies that the treatment is no longer  
helpful or advisable. Should the recipient's failure to obtain  
treatment or submit a medical report continue for one year, the  
recipient's right to the disability benefit shall be terminated as  
of the effective date of the original suspension.

(G) In the event an employer files an application for a  
disability benefit as a result of a member having been separated  
from service because the member is considered to be mentally or  
physically incapacitated for the performance of the member's  
present duty, and the physician or physicians selected by the  
board reports to the board that the member is physically and  
mentally capable of performing service similar to that from which  
the member was separated and the board concurs in the report, the  
board shall so certify to the employer and the employer shall  
restore the member to the member's previous position and salary or  
to a similar position and salary.

(2) A public employer that employs a PERS retirant or other  
system retirant, or enters into a contract for services as an  
independent contractor with a PERS retirant shall notify the  
retirement board of the employment or contract not later than the

(3) On receipt of notice from a public employer that a person  
who is an other system retirant has been employed, the retirement  
system shall notify the retirement system of which the other  
system retirant was a member of such employment.

(4)(a) A PERS retirant who has received a retirement

allowance for less than two months when employment subject to this 1326  
section commences shall forfeit the retirement allowance for any 1327  
month the PERS retirant is employed prior to the expiration of the 1328

services as an independent contractor to the employer by which the 1354  
retirant was employed at the time of retirement or, less than two 1355  
months after the retirement allowance commences, begins providing 1356

shall be suspended on the day services under the contract begin  
and shall accumulate to the credit of the retirant to be paid in a  
single payment after services provided under the contract  
terminate. A PERS retirant subject to division (B)(6) of this  
section shall not contribute to the retirement system and shall  
not become a member of the system.

(7) As used in this division, "employment" includes service  
for which a PERS retirant or other system retirant, the retirant's  
employer, or both, have waived any earnable salary for the  
service.

(C)(1) Except as provided in division (C)(3) of this section,  
this division applies to both of the following:

(a) A PERS retirant who, prior to September 14, 2000, was  
subject to division (C)(1)(b) of this section as that division  
existed immediately prior to September 14, 2000, and has not  
elected pursuant to Am. Sub. S.B. 144 of the 123rd general

(b) A PERS retirant to whom both of the following apply:

rights, privileges, and obligations of membership, except that the membership does not include survivor benefits provided pursuant to section 145.45 of the Revised Code or, beginning on the ninetieth day after September 14, 2000, any amount calculated under section 145.401 of the Revised Code. The pension portion of the PERS retirant's retirement allowance shall be forfeited until the first day of the first month following termination of the employment. The annuity portion of the retirement allowance shall accumulate to the credit of the PERS retirant to be paid in a single payment after termination of the employment. The retirement allowance shall resume on the first day of the first month following termination of the employment. On termination of the employment, the PERS retirant shall elect to receive either a refund of the retirant's contributions to the retirement system during the period of employment subject to this section or a supplemental retirement allowance based on the retirant's contributions and service credit for that period of employment.

(3) This division does not apply to any of the following:

(a) A PERS retirant elected to office who, at the time of the election for the retirant's current term, was not retired but, not less than ninety days prior to the election for the term, filed a written declaration of intent to retire before the end of the term with the board of elections of the county in which petitions for nomination or election to the office were filed;

Except as specified in division (D)(2) of this section, the retirant is not eligible to receive health, medical, hospital, or surgical benefits under section 145.58 of the Revised Code for employment subject to this section.

(2) A PERS retirant subject to this section shall receive primary health, medical, hospital, or surgical insurance coverage from the retirant's employer, if the employer provides coverage to other employees performing comparable work. Neither the employer nor the PERS retirant may waive the employer's coverage, except that the PERS retirant may waive the employer's coverage if the retirant has coverage comparable to that provided by the employer from a source other than the employer or the public employees retirement system. If a claim is made, the employer's coverage shall be the primary coverage and shall pay first. The benefits provided under section 145.58 of the Revised Code shall pay only those medical expenses not paid through the employer's coverage or coverage the PERS retirant receives through a source other than the retirement system.

(E) If the disability benefit of an other system retirant employed under this section is terminated, the retirant shall become a member of the public employees retirement system, effective on the first day of the month next following the termination with all the rights, privileges, and obligations of membership. If such person, after the termination of the disability benefit, earns two years of service credit under this system or under the Ohio police and fire pension fund, state teachers retirement system, school employees retirement system, or

state highway patrol retirement system, the person's prior 1452  
contributions as an other system retirant under this section shall 1453  
be included in the person's total service credit as a public 1454  
employees retirement system member, and the person shall forfeit 1455  
all rights and benefits of this section. Not more than one year of 1456  
credit may be given for any period of twelve months. 1457

(F) This section does not affect the receipt of benefits by 1458  
or eligibility for benefits of any person who on August 20, 1976, 1459  
was receiving a disability benefit or service retirement pension 1460  
or allowance from a state or municipal retirement system in Ohio 1461  
and was a member of any other state or municipal retirement system 1462  
of this state. 1463

(G) The public employees retirement board may adopt rules to 1464

~~(A)~~(B) An other system retirant or PERS retirant who has made 1474  
contributions under section 145.38 or 145.383 of the Revised Code 1475

section, section 145.47 of the Revised Code may file an 1477  
application with the public employees retirement system for a 1478  
benefit under this section. The benefit shall consist of ~~a single~~ 1479  
~~life~~ an annuity having a reserve equal to the amount of the 1480  
retirant's accumulated contributions for the period of employment, 1481

other than the contributions excluded pursuant to division 1482  
(B)(4)(a) or (b) of section 145.38 of the Revised Code, and an 1483  
equal amount of the employer's contributions. The PERS retirant or 1484  
other system retirant shall elect either to receive the benefit as 1485  
a monthly annuity ~~for life~~ or a lump sum payment discounted to the 1486  
present value using the current actuarial assumption rate of 1487  
interest, except that if the monthly annuity would be less than 1488  
twenty-five dollars per month, the retirant shall receive a lump 1489  
sum payment. A retirant who elects to receive a monthly annuity 1490  
shall select one of the following as the plan of payment: 1491

a surviving beneficiary designated at the time the plan of payment 1495  
is selected. 1496

~~(B)~~(C)(1) The death of a spouse or other designated 1497  
beneficiary following selection of a plan of payment under 1498

equivalent of the retirant's single life annuity, as determined by 1501  
the public employees retirement board, effective the first day of 1502  
the month following receipt by the board of notice of the death. 1503

(2) On divorce, annulment, or marriage dissolution, a PERS 1504  
retirant or other system retirant receiving a benefit under 1505  
division (B)(2) of this section under which the beneficiary is the 1506  
spouse may, with the written consent of the spouse or pursuant to 1507  
an order of the court with jurisdiction over the termination of 1508  
the marriage, elect to cancel the plan and receive the equivalent 1509  
of the member's single life annuity as determined by the 1510  
retirement board. The election shall be made on a form provided by 1511  
the board and shall be effective the month following its receipt 1512  
by the board. 1513

(D) Following a marriage or remarriage, a PERS retiree or other system retiree who is receiving a benefit under division (B)(1) of this section may elect a new plan of payment under this section based on the actuarial equivalent of the retiree's single life annuity as determined by the board. The plan shall be effective the first day of the month following receipt by the board of an application on a form approved by the board.

(3) If the PERS retiree or other system retiree was previously employed under section 145.38 ~~or~~, 145.383, or 145.385 of the Revised Code and is receiving or previously received a benefit under this section, completion of a period of twelve months since the effective date of the last benefit under this section.

~~(E)~~(F)(1) If a PERS retiree or other system retiree dies while employed in employment subject to section 145.38 ~~or~~, 145.383, or 145.385 of the Revised Code, a lump sum payment calculated in accordance with division ~~(A)~~(B) of this section shall be paid to the retiree's beneficiary under division ~~(D)~~(G) of this section.

(2) If at the time of death a PERS retiree or other system retiree receiving a monthly annuity has received less than the retiree would have received as a lump sum payment, the difference between the amount received and the amount that would have been received as a lump sum payment shall be paid to the retiree's

beneficiary under division ~~(D)~~(G) of this section. 1545

~~(D)~~(G) A PERS retirant or other system retirant employed 1546  
under section 145.38 ~~or~~, 145.383, or 145.385 of the Revised Code 1547  
may designate one or more persons as beneficiary to receive any 1548  
benefits payable under this section due to death. The designation 1549  
shall be in writing duly executed on a form provided by the public 1550  
employees retirement board, signed by the PERS retirant or other 1551  
system retirant, and filed with the board prior to death. The last 1552  
designation of a beneficiary revokes all previous designations. 1553  
The PERS retirant's or other system retirant's marriage, divorce, 1554  
marriage dissolution, legal separation, withdrawal of account, 1555  
birth of a child, or adoption of a child revokes all previous 1556  
designations. If there is no designated beneficiary, the 1557  
beneficiary is the beneficiary determined under division (D) of 1558  
section 145.43 of the Revised Code. If any benefit payable under 1559  
this section due to the death of a PERS retirant or other system 1560  
retirant is not claimed by a beneficiary within five years after 1561  
the death, the amount payable shall be transferred to the income 1562  
fund and thereafter paid to the beneficiary or the estate of the 1563  
PERS retirant or other system retirant on application to the 1564  
board. 1565

~~(E)~~(H) No amount received under this section shall be 1566  
included in determining an additional benefit under section 1567  
145.323 of the Revised Code or any other post-retirement benefit 1568  
increase. 1569

**Sec. 145.385.** (A) A PERS retirant who made an election under 1570  
former section 145.381 of the Revised Code under which the annuity 1571

(B) The retirement allowance shall resume on the first day of the month following receipt of notice by the retirement system. 1577  
1578

employees retirement system pursuant to section 145.03 of the 1592  
Revised Code or ceases to be a public employee for any cause other 1593

current employment in a position in which the member has elected 1595  
to participate in an alternative retirement plan under section 1596  
3305.05 of the Revised Code, upon application the public employees 1597  
retirement board shall pay the member the member's accumulated 1598  
contributions, plus any applicable amount calculated under section 1599  
145.401 of the Revised Code, provided that ~~all~~ both the following 1600  
apply: 1601

(a) Three months have elapsed since the member's ~~public~~ 1602

received had the member retired on the last day of the month of 1683  
death and had the member at that time selected such joint-survivor 1684  
plan. Payment shall begin with the month subsequent to the 1685  
member's death, except that a surviving spouse who is less than 1686  
sixty-five years old may defer receipt of such benefit. Upon 1687

 1703

The lump sum amount designated by the surviving spouse or other sole dependent beneficiary under division (A)(2)(a) of this section shall be not less than six times and not more than thirty-six times the monthly amount that would be payable to the surviving spouse or other sole dependent beneficiary under division (A)(1) of this section and shall not result in a monthly payment that is less than fifty per cent of that monthly amount. 1704

(2) Benefits shall begin as qualified survivors meet 1745  
eligibility requirements as follows: 1746

(a) A qualified spouse is the surviving spouse of the 1747  
deceased member, who is age sixty-two, or regardless of age if the 1748  
deceased member had ten or more years of Ohio service credit, or 1749  
regardless of age if caring for a qualified child, or regardless 1750  
of age if adjudged physically or mentally incompetent. A spouse of 1751  
a member who died prior to August 27, 1970, whose eligibility was 1752  
determined at the member's death, and who is physically or 1753  
mentally incompetent on or after August 20, 1976, shall be paid 1754  
the monthly benefit which that person would otherwise receive when 1755  
qualified by age. 1756

(b) A qualified child is any child of the deceased member who 1757  
has never been married and to whom one of the following applies: 1758  
1759

(i) Is under age eighteen, or under age twenty-two if the 1760  
child is attending an institution of learning or training pursuant 1761

to a program designed to complete in each school year the 1762  
equivalent of at least two-thirds of the full-time curriculum 1763  
requirements of such institution and as further determined by 1764  
board policy; 1765

(ii) Regardless of age, is adjudged physically or mentally 1766  
incompetent at the time of the member's death. 1767

(c) A qualified parent is a dependent parent aged sixty-five 1768  
or older or regardless of age if physically or mentally 1769  
incompetent, a dependent parent whose eligibility was determined 1770  
by the member's death prior to August 20, 1976, and who is 1771  
physically or mentally incompetent on or after August 20, 1976, 1772  
shall be paid the monthly benefit for which that person would 1773  
otherwise qualify. 1774

(3) "Physically or mentally incompetent" as used in this 1775  
section may be determined by a court of jurisdiction, or by a 1776  
physician appointed by the retirement board. Incapability of 1777  
making a living because of a physically or mentally disabling 1778  
condition shall meet the qualifications of this division. 1779

(4) Benefits to a qualified survivor shall terminate upon 1780  
ceasing to meet eligibility requirements as provided in this 1781  
division, a first marriage, abandonment, adoption, or during 1782  
active military service. Benefits to a deceased member's surviving 1783  
spouse that were terminated under a former version of this section 1784  
that required termination due to remarriage and were not resumed 1785  
prior to September 16, 1998, shall resume on the first day of the 1786  
month immediately following receipt by the board of an application 1787  
on a form provided by the board. 1788

Upon the death of any subsequent spouse who was a member of 1789  
the public employees retirement system, state teachers retirement 1790  
system, or school employees retirement system, the surviving 1791  
spouse of such member may elect to continue receiving benefits 1792

under this division, or to receive survivor's benefits, based upon 1793  
the subsequent spouse's membership in one or more of the systems, 1794  
for which such surviving spouse is eligible under this section or 1795  
section 3307.66 or 3309.45 of the Revised Code. If the surviving 1796  
spouse elects to continue receiving benefits under this division, 1797  
such election shall not preclude the payment of benefits under 1798  
this division to any other qualified survivor. 1799

Benefits shall begin or resume on the first day of the month 1800  
following the attainment of eligibility and shall terminate on the 1801  
first day of the month following loss of eligibility. 1802

(5)(a) If a benefit is payable under division (B)(1)(a) of 1803  
this section, benefits to a qualified spouse shall be paid in the 1804  
amount determined for the first qualifying survivor in division 1805  
(B)(1)(a) of this section. All other qualifying survivors shall 1806  
share equally in the benefit or remaining portion thereof. 1807

(b) All qualifying survivors shall share equally in a benefit 1808  
payable under division (B)(1)(b) of this section, except that if 1809  
there is a surviving spouse, the surviving spouse shall receive 1810  
not less than the amount determined for the first qualifying 1811  
survivor in division (B)(1)(a) of this section. 1812

(6) The beneficiary of a member who is also a member of the 1813  
state teachers retirement system or of the school employees 1814  
retirement system, must forfeit the member's accumulated 1815  
contributions in those systems and in the public employees 1816  
retirement system, if the beneficiary takes a survivor benefit. 1817  
Such benefit shall be exclusively governed by section 145.37 of 1818  
the Revised Code. 1819

(7) The restriction that the deceased member have at least 1820  
one and one-half years of contributing service credit, with at 1821  
least one-quarter year of contributing service within the two and 1822  
one-half years prior to the date of death, does not apply if the 1823

deceased member was contributing toward benefits under division 1824  
(B) or (C) of section 145.33 of the Revised Code at the time of 1825  
death. 1826

(C)(1) Regardless of whether the member is survived by a 1827  
spouse or designated beneficiary, if the public employees 1828  
retirement system receives notice that a deceased member described 1829  
in division (A) or (B) of this section has one or more qualified 1830  
children, all persons who are qualified survivors under division 1831  
(B) of this section shall receive monthly benefits as provided in 1832  
division (B) of this section. 1833

If, after determining the monthly benefits to be paid under 1834  
division (B) of this section, the system receives notice that 1835  
there is a qualified survivor who was not considered when the 1836  
determination was made, the system shall, notwithstanding section 1837  
145.561 of the Revised Code, recalculate the monthly benefits with 1838  
that qualified survivor included, even if the benefits to 1839  
qualified survivors already receiving benefits are reduced as a 1840  
result. The benefits shall be calculated as if the qualified 1841  
survivor who is the subject of the notice became eligible on the 1842  
date the notice was received and shall be paid to qualified 1843  
survivors effective on the first day of the first month following 1844  
the system's receipt of the notice. 1845

If the retirement system did not receive notice that a 1846  
deceased member has one or more qualified children prior to making 1847  
payment under section 145.43 of the Revised Code to a beneficiary 1848  
as determined by the retirement system, the payment is a full 1849  
discharge and release of the system from any future claims under 1850  
this section or section 145.43 of the Revised Code. 1851

(2) If benefits under division (C)(1) of this section to all 1852  
persons, or to all persons other than a surviving spouse or other 1853  
sole beneficiary, terminate, there are no children under the age 1854  
of twenty-two years, and the surviving spouse or beneficiary 1855

qualifies for benefits under division (A) of this section, the  
surviving spouse or beneficiary may elect to receive benefits  
under division (A) of this section. The benefits shall be  
effective on the first day of the month immediately following the  
termination.

(D) The final average salary used in the calculation of a  
benefit payable pursuant to division (A) or (B) of this section to  
a survivor or beneficiary of a disability benefit recipient shall  
be adjusted for each year between the disability benefit's  
effective date and the recipient's date of death by the lesser of  
three per cent or the actual average percentage increase in the  
consumer price index prepared by the United States bureau of labor  
statistics (U.S. city average for urban wage earners and clerical  
workers: "all items 1982-84=100").

(E) If the survivor benefits due and paid under this section  
are in a total amount less than the member's accumulated account  
that was transferred from the public employees' savings fund to  
the survivors' benefit fund, then the difference between the total  
amount of the benefits paid shall be paid to the beneficiary under  
section 145.43 of the Revised Code.

**Sec. 145.46.** (A) A retirement allowance calculated under  
section 145.33, 145.331, or 145.34 of the Revised Code shall be  
paid as provided in this section. If the member is eligible to  
elect a plan of payment under this section, the election shall be  
made on a form provided by the public employees retirement board.  
A plan of payment elected under this section shall be effective  
only if approved by the board, which shall approve it only if it  
is certified by an actuary engaged by the board to be the  
actuarial equivalent of the retirement allowance calculated under  
section 145.33, 145.331, or 145.34 of the Revised Code.

(B)(1) Unless the member is eligible to elect another plan of

payment, a member who retires under section 145.32, 145.331, or 1887  
145.34 of the Revised Code shall receive a retirement allowance 1888  
under "plan A," which shall consist of the actuarial equivalent of 1889  
the member's retirement allowance determined under section 145.33, 1890  
145.331, or 145.34 of the Revised Code in a lesser amount payable 1891  
for life and one-half of such allowance continuing after death to 1892  
the member's surviving spouse for the life of the spouse. 1893

A member may elect to receive the member's retirement 1894  
allowance under a plan of payment other than "plan A" if the 1895  
member is not married or either the member's spouse consents in 1896  
writing to the member's election of a plan of payment other than 1897  
"plan A" or the board waives the requirement that the spouse 1898  
consent. An application for retirement shall include an 1899  
explanation of all of the following: 1900

(a) That, if the member is married, unless the spouse 1901  
consents to another plan of payment, the member's retirement 1902  
allowance will be paid under "plan A," which consists of the 1903  
actuarial equivalent of the member's retirement allowance in a 1904  
lesser amount payable for life and one-half of the allowance 1905  
continuing after death to the surviving spouse for the life of the 1906  
spouse; 1907

(b) A description of the alternative plans of payment, 1908  
including all plans described in divisions (B)(2) and (3) of this 1909  
section, available with the consent of the spouse; 1910

(c) That the spouse may consent to another plan of payment 1911  
and the procedure for giving consent; 1912

(d) That consent is irrevocable once notice of consent is 1913  
filed with the board. 1914

Consent shall be valid only if it is signed, in writing, and 1915  
witnessed by a notary public. The board may waive the requirement 1916  
of consent if the spouse is incapacitated or cannot be located or 1917

for any other reason specified by the board. Consent or waiver is 1918  
effective only with regard to the spouse who is the subject of the 1919  
consent or waiver. 1920

(2) A member eligible to elect to receive the member's 1921  
retirement allowance under a plan of payment other than "plan A" 1922  
shall receive the member's retirement allowance under the plan 1923  
described in division (B)(3) of this section or one of the 1924  
following plans ~~elected at the time the member makes application~~ 1925  
~~for retirement:~~ 1926

(a) "Plan B," which shall consist of an allowance determined 1927  
under section 145.33, 145.331, or 145.34 of the Revised Code; 1928

(b) "Plan C," which shall consist of the actuarial equivalent 1929  
of the member's retirement allowance determined under section 1930  
145.33, 145.331, or 145.34 of the Revised Code in a lesser amount 1931  
payable for life and one-half or some other portion of the 1932  
allowance continuing after death to the member's sole surviving 1933  
beneficiary designated at the time of the member's retirement, 1934  
provided that the amount payable to the beneficiary does not 1935  
exceed the amount payable to the member; 1936

(c) "Plan D," which shall consist of the actuarial equivalent 1937  
of the member's retirement allowance determined under section 1938  
145.33, 145.331, or 145.34 of the Revised Code in a lesser amount 1939  
payable for life and continuing after death to a surviving 1940  
beneficiary designated at the time of the member's retirement; 1941

(d) "Plan E," which shall consist of the actuarial equivalent 1942  
of the member's retirement allowance determined under section 1943  
145.33, 145.331, or 145.34 of the Revised Code in a lesser amount 1944  
payable for a certain period from the member's retirement date as 1945  
elected by the member and approved by the retirement board, and on 1946  
the member's death before the expiration of that certain period 1947  
the member's lesser retirement allowance payable for the remainder 1948

of that period to the member's surviving designated beneficiary 1949  
nominated by written designation filed with the retirement board. 1950  
1951

Should the nominated beneficiary designated in writing die 1952  
prior to the expiration of the guarantee period, then for the 1953  
purpose of completing payment for the remainder of the guarantee 1954  
period, the present value of such payments shall be paid to the 1955  
estate of the beneficiary last receiving. 1956

(3)(a) Beginning on a date selected by the retirement board, 1957  
which shall be not later than July 1, 2004, a member may elect to 1958  
receive a retirement allowance under a plan of payment consisting 1959  
of both a lump sum in an amount the member designates that 1960  
constitutes a portion of the member's retirement allowance under a 1961  
plan described in division (B) of this section and the remainder 1962  
as a monthly allowance under that plan. 1963

The total amount paid as a lump sum and a monthly benefit 1964  
shall be the actuarial equivalent of the amount that would have 1965  
been paid had the lump sum not been selected. 1966

(b) The lump sum designated by a member shall be not less 1967  
than six times and not more than thirty-six times the monthly 1968  
amount that would be payable to the member under the plan of 1969  
payment elected under division (B)(3)(a) of this section had the 1970  
lump sum not been elected and shall not result in a monthly 1971  
allowance that is less than fifty per cent of that monthly amount. 1972

(4) An election under division (B)(2) or (3) of this section 1973  
shall be made at the time the member makes application for 1974  
retirement. 1975

(5) A member eligible to elect to receive the member's 1976  
retirement allowance under a plan of payment other than "plan A" 1977  
because the member is unmarried who fails to make an election on 1978  
retirement shall receive the member's retirement allowance under 1979

"plan B." 1980

(C) If the retirement allowances, as a single life annuity or 1981  
payment plan as provided in this section, due and paid are in a 1982  
total amount less than (1) the accumulated contributions, and (2) 1983  
other deposits made by the member as provided by this chapter, 1984  
standing to the credit of the member at the time of retirement, 1985  
then the difference between the total amount of the allowances 1986  
paid and the accumulated contributions and other deposits shall be 1987  
paid to the beneficiary provided under division (D) of section 1988  
145.43 of the Revised Code. 1989

(D)(1) The death of a spouse or any designated beneficiary 1990  
following retirement shall cancel any plan of payment to provide 1991  
continuing lifetime benefits to the spouse or beneficiary and 1992  
return the retirant to the retirant's single lifetime benefit 1993  
equivalent, as determined by the board, to be effective the month 1994  
following receipt by the board of notice of the death. 1995

(2) On divorce, annulment, or marriage dissolution, a 1996  
retirant receiving a retirement allowance under a plan that 1997  
provides for continuation of all or part of the allowance after 1998  
death for the lifetime of the retirant's surviving spouse may, 1999  
with the written consent of the spouse or pursuant to an order of 2000  
the court with jurisdiction over the termination of the marriage, 2001  
elect to cancel the plan and receive the member's single lifetime 2002  
benefit equivalent as determined by the retirement board. The 2003  
election shall be made on a form provided by the board and shall 2004  
be effective the month following its receipt by the board. 2005

(E) Following a marriage or remarriage, a retirant who is 2006  
receiving the retirant's retirement allowance under "plan B" may 2007  
elect a new plan of payment under division (B)(1), (2)(b), or 2008  
(2)(c) of this section based on the actuarial equivalent of the 2009  
retirant's single lifetime benefit as determined by the board. The 2010  
plan shall become effective the first day of the month following 2011

receipt by the board of an application on a form approved by the board. 2012  
2013

(F) Any person who, prior to July 24, 1990, selected an optional plan of payment at retirement that provided for a return to the single life benefit after the designated beneficiary's death shall have the retirant's benefit adjusted to the optional plan equivalent without such provision. 2014  
2015  
2016  
2017

surviving spouse or other sole dependent beneficiary under 4229  
division (A)(1) of this section and shall not result in a monthly 4230  
benefit that is less than fifty per cent of that monthly amount. 4231

(a) A qualified spouse is the surviving spouse of the 4264  
deceased member who is age sixty-two, or regardless of age if the 4265

Incapability of earning a living because of a physically or mentally disabling condition shall meet the qualifications of this division.

(4) Benefits to a qualified survivor shall terminate upon a first marriage, abandonment, adoption, or during active military service. Benefits to a deceased member's surviving spouse that were terminated under a former version of this section that required termination due to remarriage and were not resumed prior to September 16, 1998, shall resume on the first day of the month immediately following receipt by the board of an application on a form provided by the board.

Upon the death of any subsequent spouse who was a member of the public employees retirement system, state teachers retirement system, or school employees retirement system, the surviving spouse of such member may elect to continue receiving benefits under this division, or to receive survivor's benefits, based upon the subsequent spouse's membership in one or more of the systems, for which such surviving spouse is eligible under this section or section 145.45 or 3307.66 of the Revised Code. If the surviving spouse elects to continue receiving benefits under this division, such election shall not preclude the payment of benefits under this division to any other qualified survivor.

Benefits shall begin or resume on the first day of the month following the attainment of eligibility and shall terminate on the first day of the month following loss of eligibility.

(5)(a) If a benefit is payable under division (B)(1)(a) of this section, benefits to a qualified spouse shall be paid in the amount determined for the first qualifying survivor in division (B)(1)(a) of this section, but shall not be less than one hundred six dollars per month if the deceased member had ten or more years

of Ohio service credit. All other qualifying survivors shall share 4317  
equally in the benefit or remaining portion thereof. 4318

(b) All qualifying survivors shall share equally in a benefit 4319  
payable under division (B)(1)(b) of this section, except that if 4320  
there is a surviving spouse, the surviving spouse shall receive no 4321

qualifying survivor in division (B)(1)(a) of this section or one 4323  
hundred six dollars per month. 4324

(6) The beneficiary of a member who is also a member of the 4325  
public employees retirement system, or of the state teachers 4326  
retirement system, must forfeit the member's accumulated 4327  
contributions in those systems, if the beneficiary takes a 4328  
survivor benefit. Such benefit shall be exclusively governed by 4329  
section 3309.35 of the Revised Code. 4330

(C)(1) Regardless of whether the member is survived by a 4331  
spouse or designated beneficiary, if the school employees 4332  
retirement system receives notice that a deceased member described 4333  
in division (A) or (B) of this section has one or more qualified 4334  
children, all persons who are qualified survivors under ~~Division~~ 4335  
division (B) of this section shall receive monthly benefits as 4336  
provided in division (B) of this section. 4337

If, after determining the monthly benefits to be paid under 4338  
division (B) of this section, the system receives notice that 4339  
there is a qualified survivor who was not considered when the 4340  
determination was made, the system shall, notwithstanding section 4341  
3309.661 of the Revised Code, recalculate the monthly benefits 4342  
with that qualified survivor included, even if the benefits to 4343  
qualified survivors already receiving benefits are reduced as a 4344  
result. The benefits shall be calculated as if the qualified 4345  
survivor who is the subject of the notice became eligible on the 4346  
date the notice was received and shall be paid to qualified 4347  
survivors effective on the first day of the first month following 4348

the system's receipt of the notice. 4349

If the retirement system did not receive notice that a 4350  
deceased member has one or more qualified children prior to making 4351  
payment under section 3309.44 of the Revised Code to a beneficiary 4352  
as determined by the retirement system, the payment is a full 4353  
discharge and release of the system from any future claims under 4354  
this section or section 3309.44 of the Revised Code. 4355

(2) If benefits under division (C)(1) of this section to all 4356  
persons, or to all persons other than a surviving spouse or other 4357  
sole beneficiary, terminate, there are no children under the age 4358  
of twenty-two years, and the surviving spouse or beneficiary 4359  
qualifies for benefits under division (A) of this section, the 4360  
surviving spouse or beneficiary may elect to receive benefits 4361  
under division (A) of this section. Benefits shall be effective on 4362  
the first day of the month following receipt by the board of an 4363  
application for benefits under division (A) of this section. 4364

(D) The final average salary used in the calculation of a 4365  
benefit payable pursuant to division (A) or (B) of this section to 4366  
a survivor or beneficiary of a disability benefit recipient shall 4367  
be adjusted for each year between the disability benefit's 4368  
effective date and the recipient's date of death by the lesser of 4369  
three per cent or the actual average percentage increase in the 4370  
consumer price index prepared by the United States bureau of labor 4371  
statistics (U.S. City Average for Urban Wage Earners and Clerical 4372  
Workers: "All Items 1982-84=100"). 4373

(E) If the survivor benefits due and paid under this section 4374  
are in a total amount less than the member's accumulated account 4375  
that was transferred from the employees' savings fund, the state 4376  
teachers retirement fund, and the public employees retirement fund 4377  
to the survivors' benefit fund, then the difference between the 4378  
total amount of the benefits paid shall be paid to the beneficiary 4379  
under section 3309.44 of the Revised Code. 4380

**Sec. 3309.46.** (A) The retirement allowance calculated under 4381  
section 3309.36, 3309.38, or 3309.381 of the Revised Code shall be 4382  
paid as provided in this section. If the member is eligible to 4383  
elect a plan of payment under this section, the election shall be 4384  
made on the application for retirement. A plan of payment elected 4385  
under this section shall be effective only if it is certified by 4386  
the actuary engaged by the school employees retirement board to be 4387  
the actuarial equivalent of the member's retirement allowance and 4388  
is approved by the retirement board. 4389

(B)(1) Unless the member is eligible to elect another plan of 4390  
payment, a member who retires under section 3309.36, 3309.38, or 4391  
3309.381 of the Revised Code shall receive a retirement allowance 4392  
under "plan A," which shall consist of the actuarial equivalent of 4393  
the member's retirement allowance determined under section 4394  
3309.36, 3309.38, or 3309.381 of the Revised Code in a lesser 4395  
amount payable for life and one-half of such allowance continuing 4396  
after death to the member's surviving spouse for the life of the 4397  
spouse. 4398

A member may elect to receive a retirement allowance under a 4399  
plan of payment other than "plan A" if the member is not married 4400  
or either the member's spouse consents in writing to the member's 4401  
election to a plan of payment other than "plan A" or the board 4402  
waives the requirement that the spouse consent. 4403

An application for retirement shall include an explanation of 4404  
all of the following: 4405

(a) That, if the member is married, unless the spouse 4406  
consents to another plan of payment, the member's retirement 4407  
allowance will be paid under "plan A," which consists of the 4408  
actuarial equivalent of the member's retirement allowance in a 4409  
lesser amount payable for life and one-half of the allowance 4410  
continuing after death to the surviving spouse for the life of the 4411

spouse; 4412

(b) A description of the alternative plans of payment, 4413  
including all plans described in divisions (B)(2) and (3) of this 4414  
section, available with the consent of the spouse; 4415

(c) That the spouse may consent to another plan of payment 4416  
and the procedure for giving consent; 4417

(d) That consent is irrevocable once notice of consent is 4418  
filed with the board. 4419

Consent shall be valid only if it is in writing, signed by 4420  
the spouse, and witnessed by an employee of the school employees 4421  
retirement system or a notary public. The board may waive the 4422  
requirement of consent if the spouse is incapacitated or cannot be 4423  
located or for any other reason specified by the board. Consent or 4424  
waiver is effective only with regard to the spouse who is the 4425  
subject of the consent or waiver. 4426

(2) A member eligible to elect to receive a retirement 4427  
allowance under a plan of payment other than "plan A" shall 4428  
receive the retirement allowance under the plan described in 4429  
division (B)(3) of this section or one of the following plans 4430  
~~electd at the time the member makes application for retirement:~~ 4431

(a) "Plan B," which shall consist of an allowance determined 4432  
under section 3309.36, 3309.38, or 3309.381 of the Revised Code; 4433

(b) "Plan C," which shall consist of the actuarial equivalent 4434  
of the member's retirement allowance determined under section 4435  
3309.36, 3309.38, or 3309.381 of the Revised Code in a lesser 4436  
amount payable for life and one-half or some other portion of the 4437  
allowance continuing after death to the member's sole surviving 4438  
beneficiary designated at the time of the member's retirement, 4439  
provided that the amount payable to the beneficiary does not 4440  
exceed the amount payable to the member; 4441

(c) "Plan D," which shall consist of the actuarial equivalent 4442  
of the member's retirement allowance determined under section 4443  
3309.36, 3309.38, or 3309.381 of the Revised Code in a lesser 4444  
amount payable for life and continuing after death to a surviving 4445  
designated beneficiary designated at the time of the member's 4446  
retirement; 4447

(d) "Plan E," which shall consist of the actuarial equivalent 4448  
of the member's retirement allowance determined under section 4449  
3309.36, 3309.38, or 3309.381 of the Revised Code in a lesser 4450  
amount payable for a certain period from the member's retirement 4451  
date as elected by the member and approved by the retirement 4452  
board, and on the member's death before the expiration of that 4453  
certain period, the member's lesser retirement allowance continued 4454  
for the remainder of that period to, and in such order, the 4455  
beneficiaries as the member has nominated by written designation 4456  
and filed with the retirement board. 4457

Monthly benefits shall not be paid to joint beneficiaries, 4458  
but they may receive the present value of any remaining payments 4459  
in a lump sum settlement. If all beneficiaries die before the 4460  
expiration of the certain period, the present value of all such 4461  
payments yet remaining in such period shall be paid to the estate 4462  
of the beneficiary last receiving. 4463

(3)(a) Beginning on a date selected by the board, which shall 4464  
be not later than July 1, 2004, a member may elect, in lieu of a 4465  
plan of payment under division (B)(1) or (2) of this section, a 4466  
plan consisting of both a lump sum in an amount the member 4467  
designates that constitutes a portion of the retirement allowance 4468  
payable under a plan described in division (B)(1) or (2) of this 4469  
section and the remainder of the allowance payable under that plan 4470  
in monthly payments. 4471

The total amount paid as a lump sum and a monthly benefit 4472  
shall be the actuarial equivalent of the amount that would have 4473

been paid had the lump sum not been selected. 4474

(b) The lump sum amount designated by the member shall be not 4475  
less than six times and not more than thirty-six times the monthly 4476  
amount that would be payable to the member under the plan of 4477  
payment elected under this section had the lump sum not been 4478  
elected and shall not result in a monthly benefit that is less 4479  
than fifty per cent of that amount. 4480

(4) An election under division (B)(2) or (3) of this section 4481  
shall be made at the time the member makes application for 4482  
retirement. 4483

(5) A member eligible to elect to receive a retirement 4484  
allowance under a plan of payment other than "plan A" because the 4485  
member is unmarried who fails to make an election on retirement 4486  
shall receive a retirement allowance under "plan B." 4487

(C) Until the first payment of any retirement allowance is 4488  
made, as provided in sections 3309.36, 3309.38, or 3309.381 of the 4489  
Revised Code, a member may change the member's election of a 4490  
payment plan if the election is made in accordance with and is 4491  
consistent with division (B) of this section. 4492

(D) If the retirement allowances due and paid under the above 4493  
provisions of this section are in a total amount less than (1) the 4494  
accumulated contributions, (2) the deposits for additional credit 4495  
as provided by section 3309.31 of the Revised Code, (3) the 4496  
deposits for additional annuities as provided by section 3309.47 4497  
of the Revised Code, (4) the deposits for repurchase of service 4498  
credit as provided by section 3309.26 of the Revised Code, (5) the 4499  
accumulated contributions provided by section 3309.65 of the 4500  
Revised Code, (6) the deposits for purchase of military service 4501  
credit provided by section 3309.021 or 3309.022 of the Revised 4502  
Code, and (7) the deposits for the purchase of service credit 4503  
provided by section 3309.73 of the Revised Code, standing to the 4504

credit of the member at the time of retirement, then the 4505  
difference between the total amount of the allowances paid and the 4506  
accumulated contributions and other deposits shall be paid to the 4507  
beneficiary provided under division (D) of section 3309.44 of the 4508  
Revised Code. 4509

(E)(1) The death of a spouse or any other designated 4510  
beneficiary following the member's retirement shall cancel any 4511  
plan of payment to provide continuing lifetime benefits to the 4512  
spouse or designated beneficiary and the retirant shall receive 4513  
the retirant's single lifetime retirement allowance equivalent as 4514  
determined by the board. 4515

(2) On divorce, annulment, or marriage dissolution, a 4516  
retirant receiving a retirement allowance under a plan of payment 4517  
that provides for continuation of all or part of the allowance 4518  
after death for the lifetime of the member's surviving spouse may 4519  
elect to cancel the plan and receive the member's single lifetime 4520  
retirement allowance equivalent as determined by the retirement 4521  
board, except that in the case of a member who retires on or after 4522  
July 24, 1990, the election may be made only with the written 4523  
consent of the spouse or pursuant to an order of the court with 4524  
jurisdiction over the termination of the marriage. The election 4525  
shall be made on a form provided by the board and shall be 4526  
effective the month following its receipt by the board. 4527

(3) Following marriage or remarriage, a retirant who is 4528  
receiving a benefit pursuant to "plan B" may elect a new plan of 4529  
payment under division (B)(1), (2)(b), or (2)(c) of this section 4530  
based on the actuarial equivalent of the member's single lifetime 4531  
retirement allowance as determined by the board. The plan shall 4532  
become effective the first day of the month following receipt by 4533  
the board of an application on a form approved by the board. 4534

**Sec. 3309.69.** (A) As used in this section, "ineligible 4535

individual" means all of the following: 4536

(1) A former member receiving benefits pursuant to section 4537  
3309.34, 3309.35, 3309.36, 3309.38, or 3309.381 of the Revised 4538

Code; 4544

(2) The spouse of the former member; 4545

(3) The beneficiary of the former member receiving benefits 4546

agreement with insurance companies, health insuring corporations, 4549  
or government agencies authorized to do business in the state for 4550  
issuance of a policy or contract of health, medical, hospital, or 4551  
surgical benefits, or any combination thereof, for those 4552  
individuals receiving service retirement or a disability or 4553
