BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 1349.01, 1739.05, 1739.14, 3901.38, 3902.11, 3902.21, 3902.22, 3902.23, and 3924.21 be amended and new section 3901.381 and sections 3901.382, 3901.383, 3901.384, 3901.385, 3901.386, 3901.387, 3901.388, 3901.389, 3901.3810, 3901.3811, 3901.3812, 3901.3813, and 3901.3814 of the Revised Code be enacted to read as follows:

Sec. 1349.01. (A) As used in this section:

(1) "Consumer reporting agency" has the same meaning as in the "Fair Credit Reporting Act," 84 Stat. 1128, 15 U.S.C.A. 1681a.

(2) "Court" means the division of the court of common pleas having jurisdiction over actions for divorce, annulment, dissolution of marriage, legal separation, child support, or spousal support.

(3) "Health insurance coverage" means hospital, surgical, or medical expense coverage provided under any health insurance or health care policy, contract, or plan or any other health benefits arrangement.

(4) "Provider" has the same meaning as in section ~~3901.38~~ 3902.11 of the Revised Code.

(B) If, pursuant to an action for divorce, annulment, dissolution of marriage, or legal separation, the court determines that a party who is a resident of this state is responsible for obtaining health insurance coverage for the party's former spouse or children or if, pursuant to a child support order issued in accordance with sections 3119.30 to 3119.58 of the Revised Code, the court requires a party who is a resident of this state to obtain health insurance coverage for the children who are the subject of the child support order, and the party fails to obtain such coverage, no provider or collection agency shall collect or attempt to collect from the former spouse, children, or person responsible for the children, any reimbursement of any hospital, surgical, or medical expenses incurred by the provider for services rendered to the former spouse or children, which expenses would have been covered but for the failure of the party to obtain the coverage, if the former spouse, any of the children, or a person responsible for the children, provides the following to the provider or collection agency:

(1) A copy of the court order requiring the party to obtain health insurance coverage for the former spouse or children.

(2) Reasonable assistance in locating the party and obtaining information about the party's health insurance coverage.

(C) If the requirements of divisions (B)(1) and (2) of this section are not met, the provider or collection agency may collect the hospital, surgical, or medical expenses both from the former spouse or person responsible for the children and from the party who failed to obtain the coverage. If the requirements of divisions (B)(1) and (2) are met, the provider or collection agency may collect or attempt to collect the expenses only from the party.

A party required to obtain health insurance coverage for a former spouse or children who fails to obtain the coverage is liable to the provider for the hospital, surgical, or medical expenses incurred by the provider as a result of the failure to obtain the coverage. This section does not prohibit a former spouse or person responsible for the children from initiating an action to enforce the order requiring the party to obtain health insurance for the former spouse or children or to collect any amounts the former spouse or person responsible for the children pays for hospital, surgical, or medical expenses for which the party is responsible under the order requiring the party to obtain health insurance for the former spouse or children.

(D)(1) If the requirements of divisions (B)(1) and (2) of this section are met, both of the following restrictions shall apply:

(a) No collection agency or provider of hospital, surgical, or medical services may report to a consumer reporting agency, for inclusion in the credit file or credit report of the former spouse or person responsible for the children, any information relative

to the nonpayment of expenses for the services incurred by the provider, if the nonpayment is the result of the failure of the party responsible for obtaining health insurance coverage to obtain health insurance coverage.

(b) No consumer reporting agency shall include in the credit file or credit report of the former spouse or person responsible for the children, any information relative to the nonpayment of any hospital, surgical, or medical expenses incurred by a provider as a result of the party's failure to obtain the coverage.

(2) If the requirements of divisions (B)(1) and (2) of this section are not met, both of the following provisions shall apply:

(a) A provider of hospital, surgical, or medical services, or a collection agency, may report to a consumer reporting agency, for inclusion in the credit file or credit report of the former spouse or person responsible for the children, any information relative to the nonpayment of expenses for the services incurred by the provider, if the nonpayment is the result of the failure of the party responsible for obtaining health insurance coverage to obtain such coverage.

(b) A consumer reporting agency may include in the credit file or credit report of the former spouse or person responsible for the children, any information relative to the nonpayment of any hospital, surgical, or medical expenses incurred by the provider, if the nonpayment is the result of the failure of the party responsible for obtaining health insurance coverage to obtain such coverage.

(3)(a) A provider of hospital, surgical, or medical services, or a collection agency, may report to a consumer reporting agency, for inclusion in the credit file or credit report of that party, any information relative to the nonpayment of expenses for the services incurred by the provider, if the nonpayment is the result

of the failure of the party responsible for obtaining health insurance coverage to obtain such coverage.

(b) A consumer reporting agency may include in the credit file or credit report of the party responsible for obtaining health insurance coverage, any information relative to the nonpayment of any hospital, surgical, or medical expenses incurred by a provider, if the nonpayment is the result of the failure of that party to obtain health insurance coverage.

(4) If any information described in division (D)(2) of this section is placed in the credit file or credit report of the former spouse or person responsible for the children, the consumer reporting agency shall remove the information from the credit file and credit report if the former spouse or person responsible for the children provides the agency with the information required in divisions (B)(1) and (2) of this section. If the agency fails to remove the information from the credit file or credit report pursuant to the terms of the "Fair Credit Reporting Act," 84 Stat. 1128, 15 U.S.C. 1681a, within a reasonable time after receiving the information required by divisions (B)(1) and (2) of this section, the former spouse may initiate an action to require the agency to remove the information.

If any information described in division (D)(3) of this section is placed in the party's credit file or credit report, the party has the burden of proving that the party is not responsible for obtaining the health insurance coverage or, if responsible, that the expenses incurred are not covered expenses. If the party meets that burden, the agency shall remove the information from the party's credit file and credit report immediately. If the agency fails to remove the information from the credit file or credit report immediately after the party meets the burden, the party may initiate an action to require the agency to remove the information.

Sec. 1739.05. (A) A multiple employer welfare arrangement that is created pursuant to sections 1739.01 to 1739.22 of the Revised Code and that operates a group self-insurance program may be established only if any of the following applies:

(1) The arrangement has and maintains a minimum enrollment of three hundred employees of two or more employers.

(2) The arrangement has and maintains a minimum enrollment of three hundred self-employed individuals.

(3) The arrangement has and maintains a minimum enrollment of three hundred employees or self-employed individuals in any combination of divisions (A)(1) and (2) of this section.

(B) A multiple employer welfare arrangement that is created pursuant to sections 1739.01 to 1739.22 of the Revised Code and that operates a group self-insurance program shall comply with all laws applicable to self-funded programs in this state, including sections 3901.04, 3901.041, 3901.19 to 3901.26, 3901.38, 3901.381 to 3901.3814, 3901.40, 3901.45, 3901.46, 3902.01 to 3902.14, 3923.30, 3923.301, 3923.38, 3923.581, 3923.63, 3924.031, 3924.032, and 3924.27 of the Revised Code.

(C) A multiple employer welfare arrangement created pursuant to sections 1739.01 to 1739.22 of the Revised Code shall solicit enrollments only through agents or solicitors licensed pursuant to Chapter 3905. of the Revised Code to sell or solicit sickness and accident insurance.

(D) A multiple employer welfare arrangement created pursuant to sections 1739.01 to 1739.22 of the Revised Code shall provide benefits only to individuals who are members, employees of members, or the dependents of members or employees, or are eligible for continuation of coverage under section 1751.53 or 3923.38 of the Revised Code or under Title X of the "Consolidated

Omnibus Budget Reconciliation Act of 1985," 100 Stat. 227, 29 U.S.C.A. 1161, as amended.

Sec. 1739.14. (A) Each member shall pay to the multiple employer welfare arrangement operating a group self-insurance program a premium equal to its share of the arrangement's projected obligation for employee welfare benefit liability, administrative expenses, and other costs incurred by the arrangement as determined by the board of the arrangement or by a third-party administrator and approved by the board of the arrangement. This amount may be adjusted by the board according to the claims experience of each participating member in accordance with criteria set forth in the articles or bylaws of the arrangement.

(B) Each member shall pay a premium for each year at the beginning of each fiscal year unless otherwise provided for under the agreement.

(C) A multiple employer welfare arrangement operating a group self-insurance program shall make payments, or arrange to have payments made, to the employees of the members out of the fund for employee welfare benefits in accordance with section 3901.38 and sections 3901.381 to 3901.3814 of the Revised Code.

(D) A board of the multiple employer welfare arrangement operating a group self-insurance program shall determine whether any dividends or assessments shall be paid to or levied against participating members.

~~(2) A third-party payer and a provider may, in negotiating a reimbursement contract, agree to any time period by which a third-party payer shall, subject to division (D) of this section, make payment of any amount due on a completed claim. ~~(3) Any provider or beneficiary aggrieved with respect to any act of a third-party payer that such provider or beneficiary~~

~~believes to be a violation of division (B)(1) or (2) of this section may file a written complaint with the superintendent of insurance. If a series of such complaints is received by the superintendent with respect to a particular third-party payer and if, after investigation, the superintendent finds that such third-party payer has engaged in a series of such violations which, taken together, constitute a consistent pattern or a practice of such third-party payer to violate division (B)(1) or (2) of this section, the superintendent shall issue an order requiring such third-party payer to cease and desist from engaging in such violations and to pay a late payment penalty as specified in divisions (B)(4) and (5) of this section with respect to the claims the superintendent finds were not timely paid. In the order, the superintendent shall specify the reasons for the superintendent's finding and order and state that a hearing conducted pursuant to Chapter 119. of the Revised Code shall be held within fifteen days after requested in writing by the third-party payer. The provisions of division (B)(3) of this section are in addition to, and not in lieu of, such other remedies as providers and beneficiaries may otherwise have by law.~~

~~(4)(a) The late payment penalty shall be computed based upon the number of days that have elapsed between the date payment is due in accordance with division (B)(1) or (2) of this section and the date payment is actually sent.~~

~~(b) The interest rate for determining the amount of the late payment penalty shall be the rate agreed to by the provider and the third-party payer or the rate specified by and determined in accordance with division (A) of section 1343.01 of the Revised Code.~~

~~(5) A provider and a third-party payer may enter into a contractual agreement in which the timing of payments by the third-party payer is not directly related to the receipt of a~~

~~completed claim. Such contractual arrangement may include periodic interim payment arrangements, capitation payment arrangements, or other payment arrangements acceptable to the provider and the third-party payer. Except as agreed to under such contract, this section does not apply to such payment arrangements.~~

~~(6) Any late payment penalty due and payable by a third-party payer in accordance with this section shall not be used to reduce benefits or payments otherwise payable under a benefits contract.~~

~~(C) No third-party payer shall refuse to process or pay within the time period required under division (B)(1) or (2) of this section a completed claim submitted by a provider on the ground the beneficiary has not been discharged from the hospital or the treatment has not been completed, if the submitted claim covers services actually rendered and charges actually incurred over at least a thirty-day period.~~

~~(D)(1) Notwithstanding section 1751.13 or division (I)(2) of section 3923.04 of the Revised Code, a reimbursement contract entered into or renewed on or after June 29, 1988, between a third-party payer and a hospital shall provide that reimbursement for any service provided by a hospital pursuant to a reimbursement contract and covered under a benefits contract shall be made directly to the hospital.~~

~~(2) If the third-party payer and the hospital have not entered into a contract regarding the provision and reimbursement for covered services, the third-party payer shall accept and honor a completed and validly executed assignment of benefits with a hospital by a beneficiary, except when the third-party payer has notified the hospital in writing of the conditions under which the third-party payer will not accept and honor an assignment of benefits. Such notice shall be made annually.~~

~~(3) A third-party payer may not refuse to accept and honor a validly executed assignment of benefits with a hospital pursuant to division (D)(2) of this section for medically necessary hospital services provided on an emergency basis.~~

~~(E) A series of violations which taken together, constitute a consistent pattern or a practice of violation of any of the provisions of this section is an unfair and deceptive act pursuant to sections 3901.19 to 3901.23 of the Revised Code and is subject to proceedings pursuant to those sections.~~

Sec. 3901.381. (A) Except as provided in sections 3901.382, 3901.383, and 3901.384 of the Revised Code, a third-party payer shall process a claim for payment for health care services rendered by a provider to a beneficiary in accordance with the time periods specified in this section.

(B)(1) Unless division (B)(2), (3), or (4) of this section applies, when a third-party payer receives from a provider or beneficiary a claim on the standard claim form prescribed in rules adopted by the superintendent of insurance under section 3902.22 of the Revised Code, the third-party payer shall pay or deny the claim not later than thirty days after receipt of the claim. When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim.

(2) Unless division (B)(3) or (4) of this section applies, when a provider or beneficiary has used the standard claim form, but the third-party payer determines that reasonable supporting documentation is needed to establish the third-party payer's responsibility to make payment, the third-party payer shall pay or deny the claim not later than forty-five days after receipt of the claim. Supporting documentation includes the verification of employer and beneficiary coverage under a benefits contract,

confirmation of premium payment, medical information regarding the beneficiary and the services provided, information on the responsibility of another third-party payer to make payment, and information that is needed to correct material deficiencies in the claim related to the identification of a diagnosis, treatment, or provider.

Not later than thirty days after receipt of the claim, the third-party payer shall notify the provider, beneficiary, or third-party payer that the supporting documentation is needed. The notice shall state, with specificity, the supporting documentation needed. If any of the supporting documentation is under the control of the beneficiary, the beneficiary shall provide the supporting documentation to the third-party payer.

The number of days that elapse between the third-party payer's request for supporting documentation and receipt of the requested documentation shall not be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days for payment or denial of a claim. If the third-party payer requests additional supporting documentation after receiving the initially requested documentation, the number of days that elapse between making the request and receiving the documentation shall be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days.

When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim. If a claim is denied because the provider failed to submit the supporting documentation needed to establish the third-party payer's responsibility to pay the claim and the provider in any manner charges the beneficiary an amount for the cost of the services, other than copayments or co-insurance

required by a benefits contract, the provider shall notify the beneficiary that the charge is the result of a denied claim and shall notify the third-party payer that the beneficiary has been charged. The notices shall be made in writing and sent simultaneously to the beneficiary and third-party payer. In each notice, the provider shall include the number assigned by the third-party payer to the claim that was denied.

If a third-party payer determines that supporting documentation related to medical information is routinely necessary to process a claim for payment of a particular health care service, the third-party payer shall establish a description of the supporting documentation that is routinely necessary and make the description available to providers in a readily accessible format.

(3) When a provider or beneficiary submits a claim by using the standard claim form prescribed in the superintendent's rules, but the information provided in the claim is materially deficient, the third-party payer shall notify the provider or beneficiary not later than fifteen days after receipt of the claim. The notice shall state, with specificity, the information needed to correct all material deficiencies. Once the material deficiencies are corrected, the third-party payer shall proceed in accordance with division (B)(1), (2), or (4) of this section.

It is not a violation of the notification time period of not more than fifteen days if a third-party payer finds after the end of the period that it is necessary to request information related to the identification of a diagnosis, treatment, or provider. Requests for such information shall be made as requests for supporting documentation under division (B)(2) of this section, and payment or denial of the claim is subject to the time periods specified in that division.

(4) When a third-party payer is the secondary payer, the

beneficiary shall submit to the third-party payer an explanation of benefits or other evidence of payment or denial by the primary payer not later than thirty days after payment by the primary payer. The third-party payer shall pay or deny the claim not later than thirty days after it receives the explanation of benefits or other evidence of payment or denial by the primary payer. When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim.

(C) For purposes of this section, if a dispute exists between a provider and a third-party payer as to the day a claim form was received by the third-party payer, both of the following apply:

(1) If the provider submits a claim by mail and retains a record of the day the claim was mailed, there exists a rebuttable presumption that the claim was received by the third-party payer on the fifth business day after the day the claim was mailed, unless it can be proven otherwise.

(2) If the provider submits a claim electronically, there exists a rebuttable presumption that the claim was received by the third-party payer twenty-four hours after the claim was submitted, unless it can be proven otherwise.

(D) Nothing in this section requires a third-party payer to provide more than one notice to an employer whose premium for coverage of employees under a benefits contract has not been received by the third-party payer.

Sec. 3901.382. Beginning six months after the date specified in section 262 of the "Health Insurance Portability and Accountability Act of 1996," 110 Stat. 2027, 42 U.S.C.A. 1320d-4, on which a third-party payer is initially required to comply with

a standard or implementation specification for the electronic exchange of health information, as adopted or established by the United States secretary of health and human services pursuant to that act, sections 3901.381, 3901.384, 3901.385, 3901.389, 3901.3810, 3901.3811, 3901.3812, and 3901.3813 of the Revised Code apply to a claim submitted to a third-party payer for payment for health care services only if the claim is submitted electronically. A provider and third-party payer may enter into a contractual arrangement under which the third-party payer agrees to process claims that are not submitted electronically because of the financial hardship that electronic submission of claims would create for the provider or any other extenuating circumstance.

Sec. 3901.383. A provider and a third-party payer may do either of the following:

(A) Enter into a contractual agreement in which payment of any amount due for rendering health care services is to be made by the third-party payer within time periods shorter than those set forth in section 3901.381 of the Revised Code;

(B) Enter into a contractual agreement in which the timing of payments by the third-party payer is not directly related to the receipt of a claim form. The contractual arrangement may include periodic interim payment arrangements, capitation payment arrangements, or other periodic payment arrangements acceptable to the provider and the third-party payer. Under a capitation payment arrangement, the third-party payer shall begin paying the capitated amounts to the beneficiary's primary care provider not later than sixty days after the date the beneficiary selects or is assigned to the provider. Under any other contractual periodic payment arrangement, the contractual agreement shall state, with specificity, the timing of payments by the third-party payer.

Sec. 3901.384. (A) Subject to division (B) of this section, a third-party payer that requires timely submission of claims for payment for health care services shall process a claim that is not submitted in a timely manner if a claim for the same services was initially submitted to a different third-party payer or state or federal program that offers health care benefits and that payer or program has determined that it is not responsible for the cost of the health care services. When a claim is submitted later than one year after the last date of service for which reimbursement is sought under the claim, the third-party payer shall pay or deny the claim not later than ninety days after receipt of the claim. If the claim is denied, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim.

(B) The third-party payer may refuse to process a claim submitted by a provider if the provider submits the claim later than thirty days after receiving notice from the different third-party payer or a state or federal program that that payer or program is not responsible for the cost of the health care services.

(C) For purposes of this section, both of the following apply:

(1) A determination that a third-party payer or state or federal program is not responsible for the cost of health care services includes a determination regarding coordination of benefits, preexisting health conditions, ineligibility for coverage at the time services were provided, subrogation provisions, and similar findings;

(2) State and federal programs that offer health care benefits include medicare, medicaid, workers' compensation, the civilian health and medical program of the uniformed services and

other elements of the tricare program offered by the United States department of defense, and similar state or federal programs.

(D) Any provision of a contractual arrangement entered into between a third-party payer and a provider or beneficiary that is contrary to divisions (A) to (C) of this section is unenforceable.

Sec. 3901.385. A third-party payer shall not do either of the following:

(A) Engage in any business practice that unfairly or unnecessarily delays the processing of a claim or the payment of any amount due for health care services rendered by a provider to a beneficiary;

(B) Refuse to process or pay within the time periods specified in section 3901.381 of the Revised Code a claim submitted by a provider on the grounds the beneficiary has not been discharged from the hospital or the treatment has not been completed, if the submitted claim covers services actually rendered and charges actually incurred over at least a thirty-day period.

Sec. 3901.386. (A) Notwithstanding section 1751.13 or division (I)(2) of section 3923.04 of the Revised Code, a reimbursement contract entered into or renewed on or after June 29, 1988, between a third-party payer and a hospital shall provide that reimbursement for any service provided by a hospital pursuant to a reimbursement contract and covered under a benefits contract shall be made directly to the hospital.

(B) If the third-party payer and the hospital have not entered into a contract regarding the provision and reimbursement of covered services, the third-party payer shall accept and honor a completed and validly executed assignment of benefits with a hospital by a beneficiary, except when the third-party payer has

notified the hospital in writing of the conditions under which the third-party payer will not accept and honor an assignment of benefits. Such notice shall be made annually.

(C) A third-party payer may not refuse to accept and honor a validly executed assignment of benefits with a hospital pursuant to division (B) of this section for medically necessary hospital services provided on an emergency basis.

Sec. 3901.387. (A) When a provider or beneficiary submits a duplicative claim for payment for health care services before the time periods specified in section 3901.381 of the Revised Code have elapsed for the original claim submitted, the third-party payer may deny the duplicative claim.

(B)(1) A third-party payer shall establish a system whereby a provider and a beneficiary may obtain information regarding the status of a claim for payment for health care services. A third-party payer shall inform providers and beneficiaries of the mechanisms that may be used to gain access to the system.

(2) If a third-party payer delegates the processing of payments to another entity, the third-party payer shall require the entity to comply with division (B)(1) of this section on behalf of the third-party payer.

Sec. 3901.388. A payment made by a third-party payer to a provider in accordance with sections 3901.381 to 3901.386 of the Revised Code shall be considered final two years after payment is made. After that date, the amount of the payment is not subject to adjustment, except in the case of fraud by the provider.

(B) A third-party payer may recover the amount of any part of a payment that the third-party payer determines to be an overpayment if the recovery process is initiated not later than two years after the payment was made to the provider. The

third-party payer shall inform the provider of its determination of overpayment by providing notice in accordance with division (C) of this section. The third-party payer shall give the provider an opportunity to appeal the determination. If the provider fails to respond to the notice sooner than thirty days after the notice is made, elects not to appeal the determination, or appeals the determination but the appeal is not upheld, the third-party payer may initiate recovery of the overpayment.

When a provider has failed to make a timely response to the notice of the third-party payer's determination of overpayment, the third-party payer may recover the overpayment by deducting the amount of the overpayment from other payments the third-party payer owes the provider or by taking action pursuant to any other remedy available under the Revised Code. When a provider elects not to appeal a determination of overpayment or appeals the determination but the appeal is not upheld, the third-party payer shall permit a provider to repay the amount by making one or more direct payments to the third-party payer or by having the amount deducted from other payments the third-party payer owes the provider.

For a second offense that occurs on or earlier than six years from the first offense, the superintendent may levy a fine of not less than fifty thousand dollars nor more than two hundred thousand dollars.
