Sec. 1547.11. (A) No person shall operate or be in physical control of any vessel underway or shall manipulate any water skis, aquaplane, or similar device on the waters in this state if, at the time of the operation, control, or manipulation, any of the following applies:

(1) The person is under the influence of alcohol, a drug of abuse, or a combination of them.

(2) The person has a concentration of eight-hundredths of one per cent or more by weight of alcohol per unit volume in the person's whole blood.

(3) The person has a concentration of ~~ninety-six hundredths~~ ninety-six-thousandths of one per cent or more by weight per unit volume of alcohol in the person's blood serum or plasma.

(4) The person has a concentration of eleven-hundredths of one gram or more by weight of alcohol per one hundred milliliters of the person's urine.

(5) The person has a concentration of eight-hundredths of one gram or more by weight of alcohol per two hundred ten liters of the person's breath.

(B) No person under twenty-one years of age shall operate or be in physical control of any vessel underway or shall manipulate any water skis, aquaplane, or similar device on the waters in this state if, at the time of the operation, control, or manipulation, any of the following applies:

(1) The person has a concentration of at least two-hundredths of one per cent, but less than eight-hundredths of one per cent by weight per unit volume of alcohol in the person's whole blood.

(2) The person has a concentration of at least three-hundredths of one per cent but less than ~~ninety-six-hundredths~~ ninety-six-thousandths of one per cent by weight per unit volume of alcohol in the person's blood serum or plasma.

(3) The person has a concentration of at least twenty-eight one-thousandths of one gram, but less than eleven-hundredths of one gram by weight of alcohol per one hundred milliliters of the person's urine.

(4) The person has a concentration of at least two-hundredths of one gram, but less than eight-hundredths of one gram by weight of alcohol per two hundred ten liters of the person's breath.

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1) and a violation of division (B)(1), (2), (3), or (4) of this section, but the person shall not be convicted of more than one violation of those divisions.

(D)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent violation, the court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within two hours of the time of the alleged violation.

When a person submits to a blood test, only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, or alcohol and drug content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person's opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

The whole blood, blood serum or plasma, urine, or breath shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for a violation of a prohibition that is substantially equivalent to division (A) of this section, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant

or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

The person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent violation, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in

its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of this section or for an equivalent violation, the court shall admit as prima-facie evidence a laboratory report from any forensic laboratory certified by the department of health that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands

the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) As used in this section and section 1547.111 of the Revised Code:

(1) "Equivalent violation" means a violation of a municipal ordinance, law of another state, or law of the United States that is substantially equivalent to division (A) or (B) of this section.

(2) "National highway traffic safety administration" has the same meaning as in section 4511.19 of the Revised Code.

(3) "Operate" means that a vessel is being used on the waters in this state when the vessel is not securely affixed to a dock or to shore or to any permanent structure to which the vessel has the right to affix or that a vessel is not anchored in a designated anchorage area or boat camping area that is established by the United States coast guard, this state, or a political subdivision and in which the vessel has the right to anchor.

Sec. 1901.41. (A) Notwithstanding section 149.39 of the Revised Code and subject to division (E) of this section, each municipal court, by rule, may order the destruction or other disposition of the files of cases that have been finally disposed of by the court for at least five years as follows:

(1) If a case has been finally disposed of for at least five years, but less than fifteen years prior to the adoption of the rule of court for destruction or other disposition of the files, the court may order the files destroyed or otherwise disposed of only if the court first complies with division (B)(1) of this section;

(2) If a case has been finally disposed of for fifteen years or more prior to the adoption of the rule of court for destruction or other disposition of the files, the court may order the files destroyed or otherwise disposed of without having copied or reproduced the files prior to their destruction.

(B)(1) Except as otherwise provided in this division, all files destroyed or otherwise disposed of under division (A)(1) of this section shall be copied or reproduced prior to their destruction or disposition in the manner and according to the procedure prescribed in section 9.01 of the Revised Code.

The copies or reproductions of the files made pursuant to section 9.01 of the Revised Code shall be retained and preserved by the court for a period of ten years after the destruction of the original files in accordance with this section, after which the copies or reproductions themselves may be destroyed or otherwise disposed of.

Files destroyed or otherwise disposed of under division (A)(1) of this section that are solely concerned with criminal prosecutions for minor misdemeanor offenses or that are concerned solely with minor misdemeanor traffic prosecutions do not have to be copied or reproduced in any manner or under any procedure prior to their destruction or disposition as provided in this section.

(2) Files destroyed or otherwise disposed of under division (A)(2) of this section do not have to be copied or reproduced in any manner or under any procedure prior to their destruction or disposition.

(C) Nothing in this section permits or shall be construed as permitting the destruction or other disposition of the files in the Cleveland municipal court of cases involving the following actions and proceedings:

(1) The sale of real property in an action to foreclose and marshal all liens on the real property;

(2) The sale of real property in an action to foreclose a mortgage on the real property;

(3) The determination of rights in the title to real property either in the form of a creditor's bill or in any other action intended to determine or adjudicate the right, title, and interest of a person or persons in the ownership of a parcel or parcels of real property or any interest therein.

(D) All dockets, indexes, journals, and cash books of the court shall be retained and preserved by the court for at least twenty-five years unless they are reproduced in the manner and according to the procedure prescribed in section 9.01 of the Revised Code, in which case the reproductions shall be retained and preserved by the court at least until the expiration of the twenty-five year period for which the originals would have had to have been retained. Court dockets, indexes, journals, and cash books, and all other court records also shall be subject to destruction or other disposition under section 149.39 of the Revised Code.

(E) Notwithstanding section 149.39 of the Revised Code, each clerk of a municipal court shall retain documentation regarding each criminal conviction and plea of guilty involving a case that is or was before the court. The documentation shall be in a form that is admissible as evidence in a criminal proceeding as evidence of a prior conviction and may be retained in any form authorized by section 9.01 of the Revised Code. The clerk shall

The clerk shall retain this documentation for a period of fifty years after the entry of judgment in the case. This section shall apply to records currently retained and to records created on or after the effective date of this section.

Sec. 2152.19. (A) If a child is adjudicated a delinquent child, the court may make any of the following orders of disposition, in addition to any other disposition authorized or required by this chapter:

(1) Any order that is authorized by section 2151.353 of the Revised Code for the care and protection of an abused, neglected, or dependent child;

(2) Commit the child to the temporary custody of any school, camp, institution, or other facility operated for the care of delinquent children by the county, by a district organized under section 2152.41 or 2151.65 of the Revised Code, or by a private agency or organization, within or without the state, that is authorized and qualified to provide the care, treatment, or placement required, including, but not limited to, a school, camp, or facility operated under section 2151.65 of the Revised Code;

(3) Place the child in a detention facility or district detention facility operated under section 2152.41 of the Revised Code, for up to ninety days;

(4) Place the child on community control under any sanctions, services, and conditions that the court prescribes. As a condition of community control in every case and in addition to any other condition that it imposes upon the child, the court shall require the child to abide by the law during the period of community control. As referred to in this division, community control includes, but is not limited to, the following sanctions and conditions:

(a) A period of basic probation supervision in which the child is required to maintain contact with a person appointed to supervise the child in accordance with sanctions imposed by the court;

(b) A period of intensive probation supervision in which the child is required to maintain frequent contact with a person appointed by the court to supervise the child while the child is seeking or maintaining employment

and participating in training, education, and treatment programs as the order of disposition;

(c) A period of day reporting in which the child is required each day to report to and leave a center or another approved reporting location at specified times in order to participate in work, education or training, treatment, and other approved programs at the center or outside the center;

(d) A period of community service of up to five hundred hours for an act that would be a felony or a misdemeanor of the first degree if committed by an adult, up to two hundred hours for an act that would be a misdemeanor of the second, third, or fourth degree if committed by an adult, or up to thirty hours for an act that would be a minor misdemeanor if committed by an adult;

(e) A requirement that the child obtain a high school diploma, a certificate of high school equivalence, vocational training, or employment;

(f) A period of drug and alcohol use monitoring;

(g) A requirement of alcohol or drug assessment or counseling, or a period in an alcohol or drug treatment program with a level of security for the child as determined necessary by the court;

(h) A period in which the court orders the child to observe a curfew that may involve daytime or evening hours;

(i) A requirement that the child serve monitored time;

(j) A period of house arrest without electronic monitoring or continuous alcohol monitoring;

(k) A period of electronic monitoring or continuous alcohol monitoring without house arrest, or house arrest with electronic monitoring or continuous alcohol monitoring or both electronic monitoring and continuous alcohol monitoring, that does not exceed the maximum sentence of imprisonment that could be imposed upon an adult who commits the same act.

A period of house arrest with electronic monitoring or continuous alcohol monitoring or both electronic monitoring and continuous alcohol monitoring, imposed under this division shall not extend beyond the child's twenty-first birthday. If a court imposes a period of house arrest with electronic monitoring or continuous alcohol monitoring or both electronic monitoring and continuous alcohol monitoring, upon a child under this division, it shall require the child: to remain in the child's home or other specified premises for the entire period of house arrest with electronic monitoring or continuous alcohol monitoring or both except when the court permits the child to leave those premises to go to school or to other specified premises;. Regarding electronic monitoring, the court also shall require the

child to be monitored by a central system that can determine the child's location at designated times; to report periodically to a person designated by the court; and to enter into a written contract with the court agreeing to comply with all requirements imposed by the court, agreeing to pay any fee imposed by the court for the costs of the house arrest with electronic monitoring, and agreeing to waive the right to receive credit for any time served on house arrest with electronic monitoring toward the period of any other dispositional order imposed upon the child if the child violates any of the requirements of the dispositional order of house arrest with electronic monitoring. The court also may impose other reasonable requirements upon the child.

Unless ordered by the court, a child shall not receive credit for any time served on house arrest with electronic monitoring or continuous alcohol monitoring or both toward any other dispositional order imposed upon the child for the act for which was imposed the dispositional order of house arrest with electronic monitoring or continuous alcohol monitoring. As used in this division and division (A)(4)(l) of this section, "continuous alcohol monitoring" has the same meaning as in section 2929.01 of the Revised Code.

(l) A suspension of the driver's license, probationary driver's license, or temporary instruction permit issued to the child for a period of time prescribed by the court, or a suspension of the registration of all motor vehicles registered in the name of the child for a period of time prescribed by the court. A child whose license or permit is so suspended is ineligible for issuance of a license or permit during the period of suspension. At the end of the period of suspension, the child shall not be reissued a license or permit until the child has paid any applicable reinstatement fee and complied with all requirements governing license reinstatement.

(5) Commit the child to the custody of the court;

(6) Require the child to not be absent without legitimate excuse from the public school the child is supposed to attend for five or more consecutive days, seven or more school days in one school month, or twelve or more school days in a school year;

(7)(a) If a child is adjudicated a delinquent child for being a chronic truant or ~~an~~ a habitual truant who previously has been adjudicated an unruly child for being a habitual truant, do either or both of the following:

(i) Require the child to participate in a truancy prevention mediation program;

(ii) Make any order of disposition as authorized by this section, except that the court shall not commit the child to a facility described in division

(A)(2) or (3) of this section unless the court determines that the child violated a lawful court order made pursuant to division (C)(1)(e) of section 2151.354 of the Revised Code or division (A)(6) of this section.

(b) If a child is adjudicated a delinquent child for being a chronic truant or a habitual truant who previously has been adjudicated an unruly child for being a habitual truant and the court determines that the parent, guardian, or other person having care of the child has failed to cause the child's attendance at school in violation of section 3321.38 of the Revised Code, do either or both of the following:

(i) Require the parent, guardian, or other person having care of the child to participate in a truancy prevention mediation program;

(ii) Require the parent, guardian, or other person having care of the child to participate in any community service program, preferably a community service program that requires the involvement of the parent, guardian, or other person having care of the child in the school attended by the child.

(8) Make any further disposition that the court finds proper, except that the child shall not be placed in any of the following:

(a) A state correctional institution, a county, multicounty, or municipal jail or workhouse, or another place in which an adult convicted of a crime, under arrest, or charged with a crime is held;

(b) A community corrections facility, if the child would be covered by the definition of public safety beds for purposes of sections 5139.41 to 5139.43 of the Revised Code if the court exercised its authority to commit the child to the legal custody of the department of youth services for institutionalization or institutionalization in a secure facility pursuant to this chapter.

(B) If a child is adjudicated a delinquent child, in addition to any order of disposition made under division (A) of this section, the court, in the following situations and for the specified periods of time, shall suspend the child's temporary instruction permit, restricted license, probationary driver's license, or nonresident operating privilege, or suspend the child's ability to obtain such a permit:

(1) If the child is adjudicated a delinquent child for violating section 2923.122 of the Revised Code, impose a class four suspension of the child's license, permit, or privilege from the range specified in division (A)(4) of section 4510.02 of the Revised Code or deny the child the issuance of a license or permit in accordance with division (F)(1) of section 2923.122 of the Revised Code.

(2) If the child is adjudicated a delinquent child for committing an act

that if committed by an adult would be a drug abuse offense or for violating division (B) of section 2917.11 of the Revised Code, suspend the child's license, permit, or privilege for a period of time prescribed by the court. The court, in its discretion, may terminate the suspension if the child attends and satisfactorily completes a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court. During the time the child is attending a program described in this division, the court shall retain the child's temporary instruction permit, probationary driver's license, or driver's license, and the court shall return the permit or license if it terminates the suspension as described in this division.

(C) The court may establish a victim-offender mediation program in which victims and their offenders meet to discuss the offense and suggest possible restitution. If the court obtains the assent of the victim of the delinquent act committed by the child, the court may require the child to participate in the program.

(D)(1) If a child is adjudicated a delinquent child for committing an act that would be a felony if committed by an adult and if the child caused, attempted to cause, threatened to cause, or created a risk of physical harm to the victim of the act, the court, prior to issuing an order of disposition under this section, shall order the preparation of a victim impact statement by the probation department of the county in which the victim of the act resides, by the court's own probation department, or by a victim assistance program that is operated by the state, a county, a municipal corporation, or another governmental entity. The court shall consider the victim impact statement in determining the order of disposition to issue for the child.

(2) Each victim impact statement shall identify the victim of the act for which the child was adjudicated a delinquent child, itemize any economic loss suffered by the victim as a result of the act, identify any physical injury suffered by the victim as a result of the act and the seriousness and permanence of the injury, identify any change in the victim's personal welfare or familial relationships as a result of the act and any psychological impact experienced by the victim or the victim's family as a result of the act, and contain any other information related to the impact of the act upon the victim that the court requires.

(3) A victim impact statement shall be kept confidential and is not a public record. However, the court may furnish copies of the statement to the department of youth services if the delinquent child is committed to the department or to both the adjudicated delinquent child or the adjudicated delinquent child's counsel and the prosecuting attorney. The copy of a victim impact statement furnished by the court to the department pursuant to

this section shall be kept confidential and is not a public record. If an officer is preparing pursuant to section 2947.06 or 2951.03 of the Revised Code or Criminal Rule 32.2 a presentence investigation report pertaining to a person, the court shall make available to the officer, for use in preparing the report, a copy of any victim impact statement regarding that person. The copies of a victim impact statement that are made available to the adjudicated delinquent child or the adjudicated delinquent child's counsel and the prosecuting attorney pursuant to this division shall be returned to the court by the person to whom they were made available immediately following the imposition of an order of disposition for the child under this chapter.

The copy of a victim impact statement that is made available pursuant to this division to an officer preparing a criminal presentence investigation report shall be returned to the court by the officer immediately following its use in preparing the report.

(4) The department of youth services shall work with local probation departments and victim assistance programs to develop a standard victim impact statement.

(E) If a child is adjudicated a delinquent child for being a chronic truant or ~~an~~ a habitual truant who previously has been adjudicated an unruly child for being ~~an~~ a habitual truant and the court determines that the parent, guardian, or other person having care of the child has failed to cause the child's attendance at school in violation of section 3321.38 of the Revised Code, in addition to any order of disposition it makes under this section, the court shall warn the parent, guardian, or other person having care of the child that any subsequent adjudication of the child as an unruly or delinquent child for being ~~an~~ a habitual or chronic truant may result in a criminal charge against the parent, guardian, or other person having care of the child for a violation of division (C) of section 2919.21 or section 2919.24 of the Revised Code.

(F)(1) During the period of a delinquent child's community control granted under this section, authorized probation officers who are engaged within the scope of their supervisory duties or responsibilities may search, with or without a warrant, the person of the delinquent child, the place of residence of the delinquent child, and a motor vehicle, another item of tangible or intangible personal property, or other real property in which the delinquent child has a right, title, or interest or for which the delinquent child has the express or implied permission of a person with a right, title, or interest to use, occupy, or possess if the probation officers have reasonable grounds to believe that the delinquent child is not abiding by the law or otherwise is not complying with the conditions of the delinquent child's

community control. The court that places a delinquent child on community control under this section shall provide the delinquent child with a written notice that informs the delinquent child that authorized probation officers who are engaged within the scope of their supervisory duties or responsibilities may conduct those types of searches during the period of community control if they have reasonable grounds to believe that the delinquent child is not abiding by the law or otherwise is not complying with the conditions of the delinquent child's community control. The court also shall provide the written notice described in division (E)(2) of this section to each parent, guardian, or custodian of the delinquent child who is described in that division.

(2) The court that places a child on community control under this section shall provide the child's parent, guardian, or other custodian with a written notice that informs them that authorized probation officers may conduct searches pursuant to division (E)(1) of this section. The notice shall specifically state that a permissible search might extend to a motor vehicle, another item of tangible or intangible personal property, or a place of residence or other real property in which a notified parent, guardian, or custodian has a right, title, or interest and that the parent, guardian, or custodian expressly or impliedly permits the child to use, occupy, or possess.

(G) If a juvenile court commits a delinquent child to the custody of any person, organization, or entity pursuant to this section and if the delinquent act for which the child is so committed is a sexually oriented offense that is not a registration-exempt sexually oriented offense or is a child-victim oriented offense, the court in the order of disposition shall do one of the following:

(1) Require that the child be provided treatment as described in division (A)(2) of section 5139.13 of the Revised Code;

(2) Inform the person, organization, or entity that it is the preferred course of action in this state that the child be provided treatment as described in division (A)(2) of section 5139.13 of the Revised Code and encourage the person, organization, or entity to provide that treatment.

Sec. 2301.141. Notwithstanding section 149.38 of the Revised Code, each clerk of a court of common pleas shall retain documentation regarding each criminal conviction and plea of guilty involving a case that is or was before the court. The documentation shall be in a form that is admissible as evidence in a criminal proceeding as evidence of a prior conviction and may be retained in any form authorized by section 9.01 of the Revised Code. Except as otherwise provided in this division, if the court is required to impose a mandatory prison term for the offense for which sentence is being imposed, the court also may impose

If the offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, in addition to the mandatory term of local incarceration or the mandatory prison term required for the offense by division (G)(1) or (2) of this section, the court shall impose upon the offender a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code and may impose whichever of the following is applicable:

(b) Except as provided in division (E), (F), or (G) of this section, if the court does not make a finding described in division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this section and if the court, after considering the factors set forth in section 2929.12 of the Revised Code, finds that a community control sanction or combination of community control sanctions is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code, the court shall impose a community control sanction or combination of community control sanctions upon the offender.

a combination of community control sanctions instead of a prison term on an offender for a felony of the first or second degree or for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable if it makes both of the following findings:

(1) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.

(2) A community control sanction or a combination of community control sanctions would not demean the seriousness of the offense, because one or more factors under section 2929.12 of the Revised Code that indicate that the offender's conduct was less serious than conduct normally constituting the offense are applicable, and they outweigh the applicable factors under that section that indicate that the offender's conduct was more serious than conduct normally constituting the offense.

(E)(1) Except as provided in division (F) of this section, for any drug offense that is a violation of any provision of Chapter 2925. of the Revised Code and that is a felony of the third, fourth, or fifth degree, the applicability of a presumption under division (D) of this section in favor of a prison term or of division (B) or (C) of this section in determining whether to impose a prison term for the offense shall be determined as specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the Revised Code, whichever is applicable regarding the violation.

(2) If an offender who was convicted of or pleaded guilty to a felony violates the conditions of a community control sanction imposed for the offense solely by reason of producing positive results on a drug test, the court, as punishment for the violation of the sanction, shall not order that the offender be imprisoned unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the felony to participate in a drug treatment program, in a drug education program, or in narcotics anonymous or a similar program, and the offender continued to use illegal drugs after a reasonable period of participation in the program.

(b) The imprisonment of the offender for the violation is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code.

The judge shall inform the offender, at the time of sentencing, of those duties and of their duration and, if required under division (A)(2) of section 2950.03 of the Revised Code, shall perform the duties specified in that section.

(J)(1) Except as provided in division (J)(2) of this section, when considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit an offense in violation of section 2923.02 of the Revised Code, the sentencing court shall consider the factors applicable to the felony category of the violation of section 2923.02 of the Revised Code instead of the factors applicable to the felony category of the offense attempted.

(2) When considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number

of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section, "drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

Sec. 2929.14. (A) Except as provided in division (C), (D)(1), (D)(2), (D)(3), (D)(4), or (G) of this section and except in relation to an offense for which a sentence of death or life imprisonment is to be imposed, if the court imposing a sentence upon an offender for a felony elects or is required to impose a prison term on the offender pursuant to this chapter ~~and is not prohibited by division (G)(1) of section 2929.13 of the Revised Code from imposing a prison term on the offender~~, the court shall impose a definite prison term that shall be one of the following:

(1) For a felony of the first degree, the prison term shall be three, four, five, six, seven, eight, nine, or ten years.

(2) For a felony of the second degree, the prison term shall be two, three, four, five, six, seven, or eight years.

(3) For a felony of the third degree, the prison term shall be one, two, three, four, or five years.

(4) For a felony of the fourth degree, the prison term shall be six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, or eighteen months.

(5) For a felony of the fifth degree, the prison term shall be six, seven, eight, nine, ten, eleven, or twelve months.

(B) Except as provided in division (C), (D)(1), (D)(2), (D)(3), or (G) of this section, in section 2907.02 of the Revised Code, or in Chapter 2925. of the Revised Code, if the court imposing a sentence upon an offender for a felony elects or is required to impose a prison term on the offender, the court shall impose the shortest prison term authorized for the offense pursuant to division (A) of this section, unless one or more of the following applies:

(1) The offender was serving a prison term at the time of the offense, or the offender previously had served a prison term.

(2) The court finds on the record that the shortest prison term will demean the seriousness of the offender's conduct or will not adequately protect the public from future crime by the offender or others.

(C) Except as provided in division (G) of this section or in Chapter 2925. of the Revised Code, the court imposing a sentence upon an offender for a felony may impose the longest prison term authorized for the offense pursuant to division (A) of this section only upon offenders who committed the worst forms of the offense, upon offenders who pose the greatest likelihood of committing future crimes, upon certain major drug offenders

under division (D)(3) of this section, and upon certain repeat violent offenders in accordance with division (D)(2) of this section.

(D)(1)(a) Except as provided in division (D)(1)(e) of this section, if an offender who is convicted of or pleads guilty to a felony also is convicted of or pleads guilty to a specification of the type described in section 2941.141, 2941.144, or 2941.145 of the Revised Code, the court shall impose on the offender one of the following prison terms:

(i) A prison term of six years if the specification is of the type described in section 2941.144 of the Revised Code that charges the offender with having a firearm that is an automatic firearm or that was equipped with a firearm muffler or silencer on or about the offender's person or under the offender's control while committing the felony;

(ii) A prison term of three years if the specification is of the type described in section 2941.145 of the Revised Code that charges the offender with having a firearm on or about the offender's person or under the offender's control while committing the offense and displaying the firearm, brandishing the firearm, indicating that the offender possessed the firearm, or using it to facilitate the offense;

(iii) A prison term of one year if the specification is of the type described in section 2941.141 of the Revised Code that charges the offender with having a firearm on or about the offender's person or under the offender's control while committing the felony.

(b) If a court imposes a prison term on an offender under division (D)(1)(a) of this section, the prison term shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. A court shall not impose more than one prison term on an offender under division (D)(1)(a) of this section for felonies committed as part of the same act or transaction.

(c) Except as provided in division (D)(1)(e) of this section, if an offender who is convicted of or pleads guilty to a violation of section 2923.161 of the Revised Code or to a felony that includes, as an essential element, purposely or knowingly causing or attempting to cause the death of or physical harm to another, also is convicted of or pleads guilty to a specification of the type described in section 2941.146 of the Revised Code that charges the offender with committing the offense by discharging a firearm from a motor vehicle other than a manufactured home, the court, after imposing a prison term on the offender for the violation of section 2923.161 of the Revised Code or for the other felony offense under division (A), (D)(2), or (D)(3) of this section, shall impose an additional prison term of five years upon the offender that shall not be reduced pursuant to section

2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. A court shall not impose more than one additional prison term on an offender under division (D)(1)(c) of this section for felonies committed as part of the same act or transaction. If a court imposes an additional prison term on an offender under division (D)(1)(c) of this section relative to an offense, the court also shall impose a prison term under division (D)(1)(a) of this section relative to the same offense, provided the criteria specified in that division for imposing an additional prison term are satisfied relative to the offender and the offense.

(d) If an offender who is convicted of or pleads guilty to an offense of violence that is a felony also is convicted of or pleads guilty to a specification of the type described in section 2941.1411 of the Revised Code that charges the offender with wearing or carrying body armor while committing the felony offense of violence, the court shall impose on the offender a prison term of two years. The prison term so imposed shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. A court shall not impose more than one prison term on an offender under division (D)(1)(d) of this section for felonies committed as part of the same act or transaction. If a court imposes an additional prison term under division (D)(1)(a) or (c) of this section, the court is not precluded from imposing an additional prison term under division (D)(1)(d) of this section.

(e) The court shall not impose any of the prison terms described in division (D)(1)(a) of this section or any of the additional prison terms described in division (D)(1)(c) of this section upon an offender for a violation of section 2923.12 or 2923.123 of the Revised Code. The court shall not impose any of the prison terms described in division (D)(1)(a) of this section or any of the additional prison terms described in division (D)(1)(c) of this section upon an offender for a violation of section 2923.13 of the Revised Code unless all of the following apply:

(i) The offender previously has been convicted of aggravated murder, murder, or any felony of the first or second degree.

(ii) Less than five years have passed since the offender was released from prison or post-release control, whichever is later, for the prior offense.

(f) If an offender is convicted of or pleads guilty to a felony that includes, as an essential element, causing or attempting to cause the death of or physical harm to another and also is convicted of or pleads guilty to a specification of the type described in section 2941.1412 of the Revised Code that charges the offender with committing the offense by discharging a firearm at a peace officer as defined in section 2935.01 of the Revised Code

or a corrections officer as defined in section 2941.1412 of the Revised Code, the court, after imposing a prison term on the offender for the felony offense under division (A), (D)(2), or (D)(3) of this section, shall impose an additional prison term of seven years upon the offender that shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. A court shall not impose more than one additional prison term on an offender under division (D)(1)(f) of this section for felonies committed as part of the same act or transaction. If a court imposes an additional prison term on an offender under division (D)(1)(f) of this section relative to an offense, the court shall not impose a prison term under division (D)(1)(a) or (c) of this section relative to the same offense.

(2)(a) If an offender who is convicted of or pleads guilty to a felony also is convicted of or pleads guilty to a specification of the type described in section 2941.149 of the Revised Code that the offender is a repeat violent offender, the court shall impose a prison term from the range of terms authorized for the offense under division (A) of this section that may be the longest term in the range and that shall not be reduced pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. If the court finds that the repeat violent offender, in committing the offense, caused any physical harm that carried a substantial risk of death to a person or that involved substantial permanent incapacity or substantial permanent disfigurement of a person, the court shall impose the longest prison term from the range of terms authorized for the offense under division (A) of this section.

(b) If the court imposing a prison term on a repeat violent offender imposes the longest prison term from the range of terms authorized for the offense under division (A) of this section, the court may impose on the offender an additional definite prison term of one, two, three, four, five, six, seven, eight, nine, or ten years if the court finds that both of the following apply with respect to the prison terms imposed on the offender pursuant to division (D)(2)(a) of this section and, if applicable, divisions (D)(1) and (3) of this section:

(i) The terms so imposed are inadequate to punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a greater likelihood of recidivism outweigh the applicable factors under that section indicating a lesser likelihood of recidivism.

(ii) The terms so imposed are demeaning to the seriousness of the offense, because one or more of the factors under section 2929.12 of the

Revised Code indicating that the offender's conduct is more serious than conduct normally constituting the offense are present, and they outweigh the applicable factors under that section indicating that the offender's conduct is less serious than conduct normally constituting the offense.

(3)(a) Except when an offender commits a violation of section 2903.01 or 2907.02 of the Revised Code and the penalty imposed for the violation is life imprisonment or commits a violation of section 2903.02 of the Revised Code, if the offender commits a violation of section 2925.03 or 2925.11 of the Revised Code and that section classifies the offender as a major drug offender and requires the imposition of a ten-year prison term on the offender, if the offender commits a felony violation of section 2925.02, 2925.04, 2925.05, 2925.36, 3719.07, 3719.08, 3719.16, 3719.161, 4729.37, or 4729.61, division (C) or (D) of section 3719.172, division (C) of section 4729.51, or division (J) of section 4729.54 of the Revised Code that includes the sale, offer to sell, or possession of a schedule I or II controlled substance, with the exception of marihuana, and the court imposing sentence upon the offender finds that the offender is guilty of a specification of the type described in section 2941.1410 of the Revised Code charging that the offender is a major drug offender, if the court imposing sentence upon an offender for a felony finds that the offender is guilty of corrupt activity with the most serious offense in the pattern of corrupt activity being a felony of the first degree, or if the offender is guilty of an attempted violation of section 2907.02 of the Revised Code and, had the offender completed the violation of section 2907.02 of the Revised Code that was attempted, the offender would have been subject to a sentence of life imprisonment or life imprisonment without parole for the violation of section 2907.02 of the Revised Code, the court shall impose upon the offender for the felony violation a ten-year prison term that cannot be reduced pursuant to section 2929.20 or Chapter 2967. or 5120. of the Revised Code.

(b) The court imposing a prison term on an offender under division (D)(3)(a) of this section may impose an additional prison term of one, two, three, four, five, six, seven, eight, nine, or ten years, if the court, with respect to the term imposed under division (D)(3)(a) of this section and, if applicable, divisions (D)(1) and (2) of this section, makes both of the findings set forth in divisions (D)(2)(b)(i) and (ii) of this section.

(4) If the offender is being sentenced for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, the sentencing court shall impose upon the offender a mandatory prison term in accordance with that division. In addition to the mandatory prison term, if the offender is being sentenced for a fourth degree felony OVI offense, the

court, notwithstanding division (A)(4) of this section, may sentence the offender to a definite prison term of not less than six months and not more than thirty months, and if the offender is being sentenced for a third degree felony OVI offense, the sentencing court may sentence the offender to an additional prison term of any duration specified in division (A)(3) of this section. In either case, the additional prison term imposed shall be reduced by the sixty or one hundred twenty days imposed upon the offender as the mandatory prison term. The total of the additional prison term imposed under division (D)(4) of this section plus the sixty or one hundred twenty days imposed as the mandatory prison term shall equal a definite term in the range of six months to thirty months for a fourth degree felony OVI offense and shall equal one of the authorized prison terms specified in division (A)(3) of this section for a third degree felony OVI offense. If the court imposes an additional prison term under division (D)(4) of this section, the offender shall serve the additional prison term after the offender has served the mandatory prison term required for the offense. The In addition to the mandatory prison term or mandatory and additional prison term imposed as described in division (D)(4) of this section, the court shall not also may sentence the offender to a community control sanction under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

If the offender is being sentenced for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code and the court imposes a mandatory term of local incarceration, the court may impose a prison term as described in division (A)(1) of that section.

(E)(1)(a) Subject to division (E)(1)(b) of this section, if a mandatory prison term is imposed upon an offender pursuant to division (D)(1)(a) of this section for having a firearm on or about the offender's person or under the offender's control while committing a felony, if a mandatory prison term is imposed upon an offender pursuant to division (D)(1)(c) of this section for committing a felony specified in that division by discharging a firearm from a motor vehicle, or if both types of mandatory prison terms are imposed, the offender shall serve any mandatory prison term imposed under either division consecutively to any other mandatory prison term imposed under either division or under division (D)(1)(d) of this section, consecutively to and prior to any prison term imposed for the underlying felony pursuant to division (A), (D)(2), or (D)(3) of this section or any other section of the Revised Code, and consecutively to any other prison term or mandatory prison term previously or subsequently imposed upon the

offender.

(b) If a mandatory prison term is imposed upon an offender pursuant to division (D)(1)(d) of this section for wearing or carrying body armor while committing an offense of violence that is a felony, the offender shall serve the mandatory term so imposed consecutively to any other mandatory prison term imposed under that division or under division (D)(1)(a) or (c) of this section, consecutively to and prior to any prison term imposed for the underlying felony under division (A), (D)(2), or (D)(3) of this section or any other section of the Revised Code, and consecutively to any other prison term or mandatory prison term previously or subsequently imposed upon the offender.

(c) If a mandatory prison term is imposed upon an offender pursuant to division (D)(1)(f) of this section, the offender shall serve the mandatory prison term so imposed consecutively to and prior to any prison term imposed for the underlying felony under division (A), (D)(2), or (D)(3) of this section or any other section of the Revised Code, and consecutively to any other prison term or mandatory prison term previously or subsequently imposed upon the offender.

(2) If an offender who is an inmate in a jail, prison, or other residential detention facility violates section 2917.02, 2917.03, 2921.34, or 2921.35 of the Revised Code, if an offender who is under detention at a detention facility commits a felony violation of section 2923.131 of the Revised Code, or if an offender who is an inmate in a jail, prison, or other residential detention facility or is under detention at a detention facility commits another felony while the offender is an escapee in violation of section 2921.34 of the Revised Code, any prison term imposed upon the offender for one of those violations shall be served by the offender consecutively to the prison term or term of imprisonment the offender was serving when the offender committed that offense and to any other prison term previously or subsequently imposed upon the offender.

(3) If a prison term is imposed for a violation of division (B) of section 2911.01 of the Revised Code, a violation of division (A) of section 2913.02 of the Revised Code in which the stolen property is a firearm or dangerous ordnance, or a felony violation of division (B) of section 2921.331 of the Revised Code, the offender shall serve that prison term consecutively to any other prison term or mandatory prison term previously or subsequently imposed upon the offender.

(4) If multiple prison terms are imposed on an offender for convictions of multiple offenses, the court may require the offender to serve the prison terms consecutively if the court finds that the consecutive service is

necessary to protect the public from future crime or to punish the offender and that consecutive sentences are not disproportionate to the seriousness of the offender's conduct and to the danger the offender poses to the public, and if the court also finds any of the following:

(a) The offender committed one or more of the multiple offenses while the offender was awaiting trial or sentencing, was under a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, or was under post-release control for a prior offense.

(b) At least two of the multiple offenses were committed as part of one or more courses of conduct, and the harm caused by two or more of the multiple offenses so committed was so great or unusual that no single prison term for any of the offenses committed as part of any of the courses of conduct adequately reflects the seriousness of the offender's conduct.

(c) The offender's history of criminal conduct demonstrates that consecutive sentences are necessary to protect the public from future crime by the offender.

(5) When consecutive prison terms are imposed pursuant to division (E)(1), (2), (3), or (4) of this section, the term to be served is the aggregate of all of the terms so imposed.

(F) If a court imposes a prison term of a type described in division (B) of section 2967.28 of the Revised Code, it shall include in the sentence a requirement that the offender be subject to a period of post-release control after the offender's release from imprisonment, in accordance with that division. If a court imposes a prison term of a type described in division (C) of that section, it shall include in the sentence a requirement that the offender be subject to a period of post-release control after the offender's release from imprisonment, in accordance with that division, if the parole board determines that a period of post-release control is necessary.

(G) If a person is convicted of or pleads guilty to a sexually violent offense and also is convicted of or pleads guilty to a sexually violent predator specification that was included in the indictment, count in the indictment, or information charging that offense, the court shall impose sentence upon the offender in accordance with section 2971.03 of the Revised Code, and Chapter 2971. of the Revised Code applies regarding the prison term or term of life imprisonment without parole imposed upon the offender and the service of that term of imprisonment.

(H) If a person who has been convicted of or pleaded guilty to a felony is sentenced to a prison term or term of imprisonment under this section, sections 2929.02 to 2929.06 of the Revised Code, section 2971.03 of the Revised Code, or any other provision of law, section 5120.163 of the

Revised Code applies regarding the person while the person is confined in a state correctional institution.

(I) If an offender who is convicted of or pleads guilty to a felony that is an offense of violence also is convicted of or pleads guilty to a specification of the type described in section 2941.142 of the Revised Code that charges the offender with having committed the felony while participating in a criminal gang, the court shall impose upon the offender an additional prison term of one, two, or three years.

(J) If an offender who is convicted of or pleads guilty to aggravated murder, murder, or a felony of the first, second, or third degree that is an offense of violence also is convicted of or pleads guilty to a specification of the type described in section 2941.143 of the Revised Code that charges the offender with having committed the offense in a school safety zone or towards a person in a school safety zone, the court shall impose upon the offender an additional prison term of two years. The offender shall serve the additional two years consecutively to and prior to the prison term imposed for the underlying offense.

(K) At the time of sentencing, the court may recommend the offender for placement in a program of shock incarceration under section 5120.031 of the Revised Code or for placement in an intensive program prison under section 5120.032 of the Revised Code, disapprove placement of the offender in a program of shock incarceration or an intensive program prison of that nature, or make no recommendation on placement of the offender. In no case shall the department of rehabilitation and correction place the offender in a program or prison of that nature unless the department determines as specified in section 5120.031 or 5120.032 of the Revised Code, whichever is applicable, that the offender is eligible for the placement.

If the court disapproves placement of the offender in a program or prison of that nature, the department of rehabilitation and correction shall not place the offender in any program of shock incarceration or intensive program prison.

If the court recommends placement of the offender in a program of shock incarceration or in an intensive program prison, and if the offender is subsequently placed in the recommended program or prison, the department shall notify the court of the placement and shall include with the notice a brief description of the placement.

If the court recommends placement of the offender in a program of shock incarceration or in an intensive program prison and the department does not subsequently place the offender in the recommended program or prison, the department shall send a notice to the court indicating why the

offender was not placed in the recommended program or prison.

If the court does not make a recommendation under this division with respect to an offender and if the department determines as specified in section 5120.031 or 5120.032 of the Revised Code, whichever is applicable, that the offender is eligible for placement in a program or prison of that nature, the department shall screen the offender and determine if there is an available program of shock incarceration or an intensive program prison for which the offender is suited. If there is an available program of shock incarceration or an intensive program prison for which the offender is suited, the department shall notify the court of the proposed placement of the offender as specified in section 5120.031 or 5120.032 of the Revised Code and shall include with the notice a brief description of the placement. The court shall have ten days from receipt of the notice to disapprove the placement.

Sec. 2929.15. (A)(1) If in sentencing an offender for a felony the court is not required to impose a prison term, a mandatory prison term, or a term of life imprisonment upon the offender, the court may directly impose a sentence that consists of one or more community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the court is sentencing an offender for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, in addition to the mandatory term of local incarceration imposed under that division and the mandatory fine required by division (B)(3) of section 2929.18 of the Revised Code, the court may impose upon the offender a community control sanction or combination of community control sanctions in accordance with sections 2929.16 and 2929.17 of the Revised Code. The If the court is sentencing an offender for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, in addition to the mandatory prison term or mandatory prison term and additional prison term imposed under that division, the court also may impose upon the offender a community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

The duration of all community control sanctions imposed upon an offender under this division shall not exceed five years. If the offender absconds or otherwise leaves the jurisdiction of the court in which the offender resides without obtaining permission from the court or the offender's probation officer to leave the jurisdiction of the court, or if the offender is confined in any institution for the commission of any offense

while under a community control sanction, the period of the community control sanction ceases to run until the offender is brought before the court for its further action. If the court sentences the offender to one or more nonresidential sanctions under section 2929.17 of the Revised Code, the court shall impose as a condition of the nonresidential sanctions that, during the period of the sanctions, the offender must abide by the law and must not leave the state without the permission of the court or the offender's probation officer. The court may impose any other conditions of release under a community control sanction that the court considers appropriate, including, but not limited to, requiring that the offender not ingest or be injected with a drug of abuse and submit to random drug testing as provided in division (D) of this section to determine whether the offender ingested or was injected with a drug of abuse and requiring that the results of the drug test indicate that the offender did not ingest or was not injected with a drug of abuse. ~~If the court is sentencing an offender for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, the court shall not impose upon the offender any community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code.~~

(2)(a) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, the court shall place the offender under the general control and supervision of a department of probation in the county that serves the court for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer. Alternatively, if the offender resides in another county and a county department of probation has been established in that county or that county is served by a multicounty probation department established under section 2301.27 of the Revised Code, the court may request the court of common pleas of that county to receive the offender into the general control and supervision of that county or multicounty department of probation for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer, subject to the jurisdiction of the trial judge over and with respect to the person of the offender, and to the rules governing that

department of probation.

If there is no department of probation in the county that serves the court, the court shall place the offender, regardless of the offender's county of residence, under the general control and supervision of the adult parole authority for purposes of reporting to the court a violation of any of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer.

(b) If the court imposing sentence upon an offender sentences the offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, and if the offender violates any condition of the sanctions, any condition of release under a community control sanction imposed by the court, violates any law, or departs the state without the permission of the court or the offender's probation officer, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation or departure directly to the sentencing court, or shall report the violation or departure to the county or multicounty department of probation with general control and supervision over the offender under division (A)(2)(a) of this section or the officer of that department who supervises the offender, or, if there is no such department with general control and supervision over the offender under that division, to the adult parole authority. If the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction reports the violation or departure to the county or multicounty department of probation or the adult parole authority, the department's or authority's officers may treat the offender as if the offender were on probation and in violation of the probation, and shall report the violation of the condition of the sanction, any condition of release under a community control sanction imposed by the court, the violation of law, or the departure from the state without the required permission to the sentencing court.

(B) If the conditions of a community control sanction are violated or if the offender violates a law or leaves the state without the permission of the court or the offender's probation officer, the sentencing court may impose a longer time under the same sanction if the total time under the sanctions does not exceed the five-year limit specified in division (A) of this section, may impose a more restrictive sanction under section 2929.16, 2929.17, or 2929.18 of the Revised Code, or may impose a prison term on the offender

pursuant to section 2929.14 of the Revised Code. The prison term, if any, imposed upon a violator pursuant to this division shall be within the range of prison terms available for the offense for which the sanction that was violated was imposed and shall not exceed the prison term specified in the notice provided to the offender at the sentencing hearing pursuant to division (B)(3) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to this division by the time the offender successfully spent under the sanction that was initially imposed.

(2) Caused by the employee being intoxicated or under the influence of a controlled substance not prescribed by a physician where the intoxication or being under the influence of the controlled substance not prescribed by a physician was the proximate cause of the injury, is entitled to receive, either directly from the employee's self-insuring employer as provided in section 4123.35 of the Revised Code, or from the state insurance fund, the compensation for loss sustained on account of the injury, occupational disease, or death, and the medical, nurse, and hospital services and

medicines, and the amount of funeral expenses in case of death, as are provided by this chapter.

(B) For the purpose of this section, provided that an employee is given or has been given notice that the results of, or the employee's refusal to submit to, any chemical test described under this division may affect the employee's eligibility for compensation and benefits pursuant to this chapter and Chapter 4121. of the Revised Code, there is a rebuttable presumption that an employee is intoxicated or under the influence of a controlled substance not prescribed by a physician and that being intoxicated or under the influence of a controlled substance not prescribed by a physician is the proximate cause of an injury when any one or more of the following is true:

(1) The employee, through a chemical test administered within eight hours of an injury, is determined to have an alcohol concentration level equal to or in excess of the levels established in divisions (A)~~(2) to (7)~~(1)(b) to (i) of section 4511.19 of the Revised Code;

(2) The employee, through a chemical test administered within thirty-two hours of an injury, is determined to have one of the following controlled substances not prescribed by the employee's physician in the employee's system that tests above the following levels in an enzyme multiplied immunoassay technique screening test and above the levels established in division (B)(3) of this section in a gas chromatography mass spectrometry test:

- (a) For amphetamines, one thousand nanograms per milliliter of urine;
- (b) For cannabinoids, fifty nanograms per milliliter of urine;
- (c) For cocaine, including crack cocaine, three hundred nanograms per milliliter of urine;
- (d) For opiates, two thousand nanograms per milliliter of urine;
- (e) For phencyclidine, twenty-five nanograms per milliliter of urine.

(3) The employee, through a chemical test administered within thirty-two hours of an injury, is determined to have one of the following controlled substances not prescribed by the employee's physician in the employee's system that tests above the following levels by a gas chromatography mass spectrometry test:

- (a) For amphetamines, five hundred nanograms per milliliter of urine;
 - (b) For cannabinoids, fifteen nanograms per milliliter of urine;
 - (c) For cocaine, including crack cocaine, one hundred fifty nanograms per milliliter of urine;
 - (d) For opiates, two thousand nanograms per milliliter of urine;
 - (e) For phencyclidine, twenty-five nanograms per milliliter of urine.
- (4) The employee, through a chemical test administered within

thirty-two hours of an injury, is determined to have barbiturates, benzodiazepines, methadone, or propoxyphene in the employee's system that tests above levels established by laboratories certified by the United States department of health and human services.

(5) The employee refuses to submit to a requested chemical test.

Whenever, with respect to an employee of an employer who is subject to and has complied with this chapter, there is possibility of conflict with respect to the application of workers' compensation laws because the contract of employment is entered into and all or some portion of the work is or is to be performed in a state or states other than Ohio, the employer and the employee may agree to be bound by the laws of this state or by the laws of some other state in which all or some portion of the work of the employee is to be performed. The agreement shall be in writing and shall be filed with the bureau of workers' compensation within ten days after it is executed and shall remain in force until terminated or modified by agreement of the parties similarly filed. If the agreement is to be bound by the laws of this state and the employer has complied with this chapter, then the employee is entitled to compensation and benefits regardless of where the injury occurs or the disease is contracted and the rights of the employee and the employee's dependents under the laws of this state are the exclusive remedy against the employer on account of injury, disease, or death in the course of and arising out of the employee's employment. If the agreement is to be bound by the laws of another state and the employer has complied with the laws of that state, the rights of the employee and the employee's dependents under the laws of that state are the exclusive remedy against the employer on account of injury, disease, or death in the course of and arising out of the employee's employment without regard to the place where the injury was sustained or the disease contracted.

If any employee or the employee's dependents are awarded workers' compensation benefits or recover damages from the employer under the laws of another state, the amount awarded or recovered, whether paid or to be paid in future installments, shall be credited on the amount of any award of compensation or benefits made to the employee or the employee's dependents by the bureau.

If an employee is a resident of a state other than this state and is insured under the workers' compensation law or similar laws of a state other than this state, the employee and the employee's dependents are not entitled to receive compensation or benefits under this chapter, on account of injury, disease, or death arising out of or in the course of employment while temporarily within this state, and the rights of the employee and the

employee's dependents under the laws of the other state are the exclusive remedy against the employer on account of the injury, disease, or death.

Compensation or benefits are not payable to a claimant during the period of confinement of the claimant in any state or federal correctional institution whether in this or any other state for conviction of violation of any state or federal criminal law.

Sec. 4507.02. (A)(1) No person shall permit the operation of a motor vehicle upon any public or private property used by the public for purposes of vehicular travel or parking knowing the operator does not have a valid driver's license issued to the operator by the registrar of motor vehicles under this chapter or a valid commercial driver's license issued under Chapter 4506. of the Revised Code. Whoever violates this division is guilty of a misdemeanor of the first degree.

(2) No person shall receive a driver's license, or a motorcycle operator's endorsement of a driver's or commercial driver's license, unless and until the person surrenders to the registrar all valid licenses issued to the person by another jurisdiction recognized by this state. All surrendered licenses shall be returned by the registrar to the issuing authority, together with information that a license is now issued in this state. No person shall be permitted to have more than one valid license at any time.

(B)(1) If a person is convicted of a violation of section 4510.11, 4510.14, 4510.16, or 4510.21 of the Revised Code or if division (F) of section 4507.164 of the Revised Code applies, the trial judge of any court, in addition to or independent of, any other penalties provided by law or ordinance, shall impound the identification license plates of any motor vehicle registered in the name of the person. The court shall send the impounded license plates to the registrar, who may retain the license plates until the driver's or commercial driver's license of the owner has been reinstated or destroy them pursuant to section 4503.232 of the Revised Code.

If the license plates of a person convicted of a violation of any provision of those sections have been impounded in accordance with the provisions of this division, the court shall notify the registrar of that action. The notice shall contain the name and address of the driver, the serial number of the driver's driver's or commercial driver's license, the serial numbers of the license plates of the motor vehicle, and the length of time for which the license plates have been impounded. The registrar shall record the data in the notice as part of the driver's permanent record.

(2) Any motor vehicle owner who has had the license plates of a motor vehicle impounded pursuant to division (B)(1) of this section may apply to

the registrar, or to a deputy registrar, for ~~special~~ restricted license plates that shall conform to the requirements of section 4503.231 of the Revised Code. The registrar or deputy registrar forthwith shall notify the court of the application and, upon approval of the court, shall issue ~~special~~ restricted license plates to the applicant. Until the driver's or commercial driver's license of the owner is reinstated, any new license plates issued to the owner also shall conform to the requirements of section 4503.231 of the Revised Code.

The registrar or deputy registrar shall charge the owner of a vehicle the fees provided in section 4503.19 of the Revised Code for ~~special~~ restricted license plates that are issued in accordance with this division, except upon renewal as specified in section 4503.10 of the Revised Code, when the regular fee as provided in section 4503.04 of the Revised Code shall be charged. The registrar or deputy registrar shall charge the owner of a vehicle the fees provided in section 4503.19 of the Revised Code whenever ~~special~~ restricted license plates are exchanged, by reason of the reinstatement of the driver's or commercial driver's license of the owner, for those ordinarily issued.

(3) If an owner wishes to sell a motor vehicle during the time the ~~special~~ restricted license plates provided under division (B)(2) of this section are in use, the owner may apply to the court that impounded the license plates of the motor vehicle for permission to transfer title to the motor vehicle. If the court is satisfied that the sale will be made in good faith and not for the purpose of circumventing the provisions of this section, it may certify its consent to the owner and to the registrar of motor vehicles who shall enter notice of the transfer of the title of the motor vehicle in the vehicle registration record.

If, during the time the ~~special~~ restricted license plates provided under division (B)(2) of this section are in use, the title to a motor vehicle is transferred by the foreclosure of a chattel mortgage, a sale upon execution, the cancellation of a conditional sales contract, or by order of a court, the court shall notify the registrar of the action and the registrar shall enter notice of the transfer of the title to the motor vehicle in the vehicle registration record.

(C) This section is not intended to change or modify any provision of Chapter 4503. of the Revised Code with respect to the taxation of motor vehicles or the time within which the taxes on motor vehicles shall be paid.

Sec. 4507.05. (A) The registrar of motor vehicles, or a deputy registrar, upon receiving an application for a temporary instruction permit and a temporary instruction permit identification card for a driver's license from

A temporary instruction permit and temporary instruction permit identification card to operate a motorized bicycle may be issued to a person fourteen or fifteen years old.

(C) Any permit and identification card issued under this section shall be issued in the same manner as a driver's license, upon a form to be furnished

by the registrar. A temporary instruction permit to drive a motor vehicle other than a commercial motor vehicle shall be valid for a period of one year.

(D) Any person having in the person's possession a valid and current driver's license or motorcycle operator's license or endorsement issued to the person by another jurisdiction recognized by this state is exempt from obtaining a temporary instruction permit for a driver's license, but shall submit to the regular examination in obtaining a driver's license or motorcycle operator's endorsement in this state.

(E) The registrar may adopt rules governing the use of temporary instruction permits and temporary instruction permit identification cards.

(F)(1) No holder of a permit issued under division (A) of this section shall operate a motor vehicle upon a highway or any public or private property used by the public for purposes of vehicular travel or parking in violation of the conditions established under division (A) of this section.

(G)(1) Notwithstanding any other provision of law to the contrary, no law enforcement officer shall cause the operator of a motor vehicle being operated on any street or highway to stop the motor vehicle for the sole purpose of determining whether each occupant of the motor vehicle is wearing all of the available elements of a properly adjusted occupant restraining device as required by division (A) of this section, or for the sole purpose of issuing a ticket, citation, or summons if the requirement in that

division has been or is being violated, or for causing the arrest of or commencing a prosecution of a person for a violation of that requirement.

(2) Notwithstanding any other provision of law to the contrary, no law enforcement officer shall cause the operator of a motor vehicle being operated on any street or highway to stop the motor vehicle for the sole purpose of determining whether a violation of division (F)(2) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for such a violation or for causing the arrest of or commencing a prosecution of a person for such violation.

Revised Code:

(a) The first six months of a suspension imposed under division (G)(1)(a) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code;

(b) The first year of a suspension imposed under division (G)(1)(b) or (c) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code;

(c) The first three years of a suspension imposed under division (G)(1)(d) or (e) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code;

(d) The first sixty days of a suspension imposed under division (H) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code.

(3) No judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G) or (H) of section 4511.19 of the Revised Code, under division (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a municipal OVI conviction if the offender, within the preceding six years, has been convicted of or pleaded guilty to three or more violations of one or more of the Revised Code sections, municipal ordinances, statutes of the United States or another state, or municipal ordinances of a municipal corporation of another state that are identified in divisions (G)(2)(b) to (h) of section 2919.22 of the Revised Code.

Additionally, no judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (B) of section 4511.191 of the Revised Code if the offender, within the preceding six years, has refused three previous requests to consent to a chemical test of the person's whole blood, blood serum or plasma, breath, or urine to determine its alcohol content.

(4) No judge or mayor shall grant limited driving privileges for employment as a driver of commercial motor vehicles to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G) or (H) of section 4511.19 of the Revised Code, under division (B) or (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a municipal OVI conviction if the offender is disqualified from operating a commercial motor vehicle, or whose license or permit has been suspended, under section 3123.58 or 4506.16 of the Revised Code.

(5) No judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G) or (H) of section 4511.19 of the Revised Code, under division (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a conviction of a violation of a municipal OVI ordinance during any of the following periods of time:

(a) The first fifteen days of a suspension imposed under division (G)(1)(a) of section 4511.19 of the Revised Code or a comparable length suspension imposed under section 4510.07 of the Revised Code, or of a suspension imposed under division (C)(1)(a) of section 4511.191 of the Revised Code. On or after the sixteenth day of the suspension, the court may grant limited driving privileges, but the court may require that the offender shall not exercise the privileges unless the vehicles the offender operates are equipped with immobilizing or disabling devices that monitor the offender's alcohol consumption or any other type of immobilizing or disabling devices, except as provided in division (C) of section 4510.43 of the Revised Code.

(b) The first thirty days of a suspension imposed under division (G)(1)(b) of section 4511.19 of the Revised Code or a comparable length suspension imposed under section 4510.07 of the Revised Code, or of a suspension imposed under division (C)(1)(b) of section 4511.191 of the Revised Code. On or after the thirty-first day of suspension, the court may grant limited driving privileges, but the court may require that the offender shall not exercise the privileges unless the vehicles the offender operates are equipped with immobilizing or disabling devices that monitor the offender's alcohol consumption or any other type of immobilizing or disabling devices, except as provided in division (C) of section 4510.43 of the Revised Code.

(c) The first sixty days of a suspension imposed under division (H) of section 4511.19 of the Revised Code or a comparable length suspension imposed under section 4510.07 of the Revised Code.

(d) The first one hundred eighty days of a suspension imposed under division (G)(1)(c) of section 4511.19 of the Revised Code or a comparable length suspension imposed under section 4510.07 of the Revised Code, or of a suspension imposed under division (C)(1)(c) of section 4511.191 of the Revised Code. The judge may grant limited driving privileges on or after the one hundred eighty-first day of the suspension only if the judge, at the time of granting the privileges, also issues an order prohibiting the offender, while exercising the privileges during the period commencing with the one hundred eighty-first day of suspension and ending with the first year of suspension, from operating any motor vehicle unless it is equipped with an

immobilizing or disabling device that monitors the offender's alcohol consumption. After the first year of the suspension, the court may authorize the offender to continue exercising the privileges in vehicles that are not equipped with immobilizing or disabling devices that monitor the offender's alcohol consumption, except as provided in division (C) of section 4510.43 of the Revised Code. If the offender does not petition for limited driving privileges until after the first year of suspension, the judge may grant limited driving privileges without requiring the use of an immobilizing or disabling device that monitors the offender's alcohol consumption.

(e) The first three years of a suspension imposed under division (G)(1)(d) or (e) of section 4511.19 of the Revised Code or a comparable length suspension imposed under section 4510.07 of the Revised Code, or of a suspension imposed under division (C)(1)(d) of section 4511.191 of the Revised Code. The judge may grant limited driving privileges after the first three years of suspension only if the judge, at the time of granting the privileges, also issues an order prohibiting the offender from operating any motor vehicle, for the period of suspension following the first three years of suspension, unless the motor vehicle is equipped with an immobilizing or disabling device that monitors the offender's alcohol consumption, except as provided in division (C) of section 4510.43 of the Revised Code.

(6) No judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (B) of section 4511.191 of the Revised Code during any of the following periods of time:

(a) The first thirty days of suspension imposed under division (B)(1)(a) of section 4511.191 of the Revised Code;

(b) The first ninety days of suspension imposed under division (B)(1)(b) of section 4511.191 of the Revised Code;

(c) The first year of suspension imposed under division (B)(1)(c) of section 4511.191 of the Revised Code;

(d) The first three years of suspension imposed under division (B)(1)(d) of section 4511.191 of the Revised Code.

(7) In any case in which a judge or mayor grants limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code, under division (G)(1)(a) of section 4511.19 of the Revised Code for a violation of division (A)(1)(f), (g), (h), or (i) of that section, or under section 4510.07 of the Revised Code for a municipal OVI conviction for which sentence would

have been imposed under division (G)(1)(a)(ii) or (G)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code had the offender been charged with and convicted of a violation of section 4511.19 of the Revised Code instead of a violation of the municipal OVI ordinance, the judge or mayor shall impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under section 4503.231 of the Revised Code, except as provided in division (B) of that section.

(B) Any person whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to section 4511.19 or 4511.191 of the Revised Code or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance may file a petition for limited driving privileges during the suspension. The person shall file the petition in the court that has jurisdiction over the place of arrest. Subject to division (A) of this section, the court may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed. However, the court shall not grant the privileges for employment as a driver of a commercial motor vehicle to any person who is disqualified from operating a commercial motor vehicle under section 4506.16 of the Revised Code or during any of the periods prescribed by division (A) of this section.

(C)(1) After a driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to section 2903.06, 2903.08, 2907.24, 2921.331, 4511.19, 4511.251, 4549.02, 4549.021, or 5743.99 of the Revised Code, any provision of Chapter 2925. of the Revised Code, or section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, the judge of the court or mayor of the mayor's court that suspended the license, permit, or privilege shall cause the offender to deliver to the court the license or permit. The judge, mayor, or clerk of the court or mayor's court shall forward to the registrar the license or permit together with notice of the action of the court.

(2) A suspension of a commercial driver's license under any section or chapter identified in division (C)(1) of this section shall be concurrent with any period of suspension or disqualification under section 3123.58 or 4506.16 of the Revised Code. No person who is disqualified for life from holding a commercial driver's license under section 4506.16 of the Revised Code shall be issued a driver's license under this chapter during the period for which the commercial driver's license was suspended under this section, and no person whose commercial driver's license is suspended under any section or chapter identified in division (C)(1) of this section shall be issued

a driver's license under Chapter 4507. of the Revised Code during the period of the suspension.

(3) No judge or mayor shall suspend any class one suspension, or any portion of any class one suspension, required by section 2903.04 or 2903.06 of the Revised Code. No judge or mayor shall suspend the first thirty days of any class two, class three, class four, class five, or class six suspension imposed under section 2903.06 or 2903.08 of the Revised Code.

(D) The judge of the court or mayor of the mayor's court shall credit any time during which an offender was subject to an administrative suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege imposed pursuant to section 4511.191 or 4511.192 of the Revised Code or a suspension imposed by a judge, referee, or mayor pursuant to division (B)(1) or (2) of section 4511.196 of the Revised Code against the time to be served under a related suspension imposed pursuant to any section or chapter identified in division (C)(1) of this chapter.

(E) The judge or mayor shall notify the bureau of motor vehicles of any determinations made pursuant to this section and of any suspension imposed pursuant to any section or chapter identified in division (C)(1) of this section.

(F)(1) If a court issues an immobilizing or disabling device order under section 4510.43 of the Revised Code, the order shall authorize the offender during the specified period to operate a motor vehicle only if it is equipped with an immobilizing or disabling device, except as provided in division (C) of that section. The court shall provide the offender with a copy of an immobilizing or disabling device order issued under section 4510.43 of the Revised Code, and the offender shall use the copy of the order in lieu of an Ohio driver's or commercial driver's license or permit until the registrar or a deputy registrar issues the offender a restricted license.

An order issued under section 4510.43 of the Revised Code does not authorize or permit the offender to whom it has been issued to operate a vehicle during any time that the offender's driver's or commercial driver's license or permit is suspended under any other provision of law.

(2) An offender may present an immobilizing or disabling device order to the registrar or to a deputy registrar. Upon presentation of the order to the registrar or a deputy registrar, the registrar or deputy registrar shall issue the offender a restricted license. A restricted license issued under this division shall be identical to an Ohio driver's license, except that it shall have printed on its face a statement that the offender is prohibited during the period specified in the court order from operating any motor vehicle that is not

equipped with an immobilizing or disabling device. The date of commencement and the date of termination of the period of suspension shall be indicated conspicuously upon the face of the license.

Sec. 4510.17. (A) The registrar of motor vehicles shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the person wishes to appeal the suspension or denial, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding persons who plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(B) The registrar shall impose a class D suspension of the person's

driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the person wishes to appeal the suspension, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

(C) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the

suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding children who are residents of this state and plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(D) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall

send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

(E) Any person whose license or permit has been suspended pursuant to ~~division (B) or (D)~~ of this section may file a petition in the municipal or county court, or in case the person is under eighteen years of age, the juvenile court, in whose jurisdiction the person resides, agreeing to pay the cost of the proceedings and alleging that the suspension would seriously affect the person's ability to continue the person's employment. Upon satisfactory proof that there is reasonable cause to believe that the suspension would seriously affect the person's ability to continue the person's employment, the judge may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed, except that the judge shall not grant limited driving privileges for employment as a driver of a commercial motor vehicle to any person who would be disqualified from operating a commercial motor vehicle under section 4506.16 of the Revised Code if the violation had occurred in this state, or during any of the following periods of time:

- (1) The first fifteen days of ~~the~~ a suspension under division (B) or (D) of

this section, if the person has not been convicted within six years of the date of the offense giving rise to the suspension under this section of a violation of any of the following:

(a) Section 4511.19 of the Revised Code, ~~of~~ or a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse;

(b) A municipal ordinance relating to operating a motor vehicle with a prohibited concentration of alcohol in the blood, breath, or urine;

(c) Section 2903.04 of the Revised Code in a case in which the person was subject to the sanctions described in division (D) of that section;

(d) Division (A)(1) of section 2903.06 or division (A)(1) of section 2903.08 of the Revised Code or a municipal ordinance that is substantially similar to either of those divisions;

(e) Division (A)(2), (3), or (4) of section 2903.06, division (A)(2) of section 2903.08, or as it existed prior to March 23, 2000, section 2903.07 of the Revised Code, or a municipal ordinance that is substantially similar to any of those divisions or that former section, in a case in which the jury or judge found that the person was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse.

(2) The first thirty days of ~~the~~ a suspension under division (B) or (D) of this section, if the person has been convicted one time within six years of the date of the offense giving rise to the suspension under this section of any violation identified in division (E)(1) of this section.

(3) The first one hundred eighty days of ~~the~~ a suspension under division (B) or (D) of this section, if the person has been convicted two times within six years of the date of the offense giving rise to the suspension under this section of any violation identified in division (E)(1) of this section.

(4) No limited driving privileges may be granted if the person has been convicted three or more times within five years of the date of the offense giving rise to ~~the~~ a suspension under division (B) or (D) of this section of any violation identified in division (E)(1) of this section.

If a person petitions for limited driving privileges under division (E) of this section, the registrar shall be represented by the county prosecutor of the county in which the person resides if the petition is filed in a juvenile court or county court, except that if the person resides within a city or village that is located within the jurisdiction of the county in which the petition is filed, the city director of law or village solicitor of that city or village shall represent the registrar. If the petition is filed in a municipal court, the registrar shall be represented as provided in section 1901.34 of the Revised Code.

In granting limited driving privileges under division (E) of this section, the court may impose any condition it considers reasonable and necessary to limit the use of a vehicle by the person. The court shall deliver to the person a permit card, in a form to be prescribed by the court, setting forth the time, place, and other conditions limiting the person's use of a motor vehicle. The grant of limited driving privileges shall be conditioned upon the person's having the permit in the person's possession at all times during which the person is operating a vehicle.

A person granted limited driving privileges who operates a vehicle for other than limited purposes, in violation of any condition imposed by the court or without having the permit in the person's possession, is guilty of a violation of section 4510.11 of the Revised Code.

(F) As used in divisions (C) and (D) of this section:

(1) "Child" means a person who is under the age of eighteen years, except that any person who violates a statute or ordinance described in division (C) or (D) of this section prior to attaining eighteen years of age shall be deemed a "child" irrespective of the person's age at the time the complaint or other equivalent document is filed in the other state or a hearing, trial, or other proceeding is held in the other state on the complaint or other equivalent document, and irrespective of the person's age when the period of license suspension or denial prescribed in division (C) or (D) of this section is imposed.

(2) "Is convicted of or pleads guilty to" means, as it relates to a child who is a resident of this state, that in a proceeding conducted in a state or federal court located in another state for a violation of a statute or ordinance described in division (C) or (D) of this section, the result of the proceeding is any of the following:

(a) Under the laws that govern the proceedings of the court, the child is adjudicated to be or admits to being a delinquent child or a juvenile traffic offender for a violation described in division (C) or (D) of this section that would be a crime if committed by an adult;

(b) Under the laws that govern the proceedings of the court, the child is convicted of or pleads guilty to a violation described in division (C) or (D) of this section;

(c) Under the laws that govern the proceedings of the court, irrespective of the terminology utilized in those laws, the result of the court's proceedings is the functional equivalent of division (F)(2)(a) or (b) of this section.

Sec. 4510.54. (A) A person whose driver's or commercial driver's license has been suspended for life under a class one suspension or as

otherwise provided by law or has been suspended for a period in excess of fifteen years under a class two suspension may file a motion with the sentencing court for modification or termination of the suspension. A motion under this division may be heard only once. The person filing the motion shall demonstrate all of the following:

(1) At least fifteen years have elapsed since the suspension began.

(2) For the past fifteen years, the person has not been found guilty of any felony, any offense involving a moving violation under federal law, the law of this state, or the law of any of its political subdivisions, or any violation of a suspension under this chapter or a substantially equivalent municipal ordinance.

(3) The person has proof of financial responsibility, a policy of liability insurance in effect that meets the minimum standard set forth in section 4509.51 of the Revised Code, or proof, to the satisfaction of the registrar of motor vehicles, that the person is able to respond in damages in an amount at least equal to the minimum amounts specified in that section.

(4) If the suspension was imposed because the person was under the influence of alcohol, a drug of abuse, or combination of them at the time of the offense or because at the time of the offense the person's whole blood, blood serum or plasma, breath, or urine contained at least the concentration of alcohol specified in division (A)~~(2), (3), (4), or (5)~~(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code, the person also shall demonstrate all of the following:

(a) The person successfully completed an alcohol, drug, or alcohol and drug treatment program.

(b) The person has not abused alcohol or other drugs for a period satisfactory to the court.

(c) For the past fifteen years, the person has not been found guilty of any alcohol-related or drug-related offense.

(B) Upon receipt of a motion for modification or termination of the suspension under this section, the court may schedule a hearing on the motion. If scheduled, the hearing shall be conducted in open court within ninety days after the date on which the motion is filed.

(C) The court shall notify the person whose license was suspended and the prosecuting attorney of the date, time, and location of the hearing. Upon receipt of the notice from the court, the prosecuting attorney shall notify the victim or the victim's representative of the date, time, and location of the hearing.

(D) At any hearing under this section, the person who seeks modification or termination of the suspension has the burden to demonstrate,

under oath, that the person meets the requirements of division (A) of this section. At the hearing, the court shall afford the offender or the offender's counsel an opportunity to present oral or written information relevant to the motion. The court shall afford a similar opportunity to provide relevant information to the prosecuting attorney and the victim or victim's representative.

Before ruling on the motion, the court shall take into account the person's driving record, the nature of the offense that led to the suspension, and the impact of the offense on any victim. In addition, if the offender is eligible for modification or termination of the suspension under division (A)(2) of this section, the court shall consider whether the person committed any other offense while under suspension and determine whether the offense is relevant to a determination under this section. The court may modify or terminate the suspension subject to any considerations it considers proper if it finds that allowing the person to drive is not likely to present a danger to the public. After the court makes a ruling on a motion filed under this section, the prosecuting attorney shall notify the victim or the victim's representative of the court's ruling.

(E) If a court modifies a person's license suspension under this section and the person subsequently is found guilty of any moving violation or of any substantially equivalent municipal ordinance that carries as a possible penalty the suspension of a person's driver's or commercial driver's license, the court may reimpose the class one or other lifetime suspension, or the class two suspension, whichever is applicable.

Sec. 4511.19. (A)(1) No person shall operate any vehicle, streetcar, or trackless trolley within this state, if, at the time of the operation, any of the following apply:

~~(9)~~(i) The person has a concentration of two hundred thirty-eight-thousandths of one gram or more by weight of alcohol per one hundred milliliters of the person's urine.

(2) No person who, within twenty years of the conduct described in division (A)(2)(a) of this section, previously has been convicted of or pleaded guilty to a violation of this division, division (A)(1) or (B) of this section, or a municipal OVI offense shall do both of the following:

(a) Operate any vehicle, streetcar, or trackless trolley within this state while under the influence of alcohol, a drug of abuse, or a combination of them;

(b) Subsequent to being arrested for operating the vehicle, streetcar, or trackless trolley as described in division (A)(2)(a) of this section, being asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and being advised by the officer in accordance with section 4511.192 of the Revised Code of the consequences of the person's refusal or submission to the test or tests, refuse to submit to the test or tests.

(B) No person under twenty-one years of age shall operate any vehicle, streetcar, or trackless trolley within this state, if, at the time of the operation, any of the following apply:

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1)(a) or (A)(2) and a violation of division (B)(1), (2), or (3) of this section, but the person may not be convicted of more than one violation of these divisions.

(D)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense, the court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within two hours of the time of the alleged violation.

When a person submits to a blood test at the request of a law enforcement officer under section 4511.191 of the Revised Code, only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, or alcohol and drug content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(2), (3), (4), and (5)(1)(b), (c), (d), and (e) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

The person tested may have a physician, a registered nurse, or a

qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. The form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol in the blood, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division,

from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)~~(2), (3), (4), (5), (6), (7), (8), or (9)~~(1)(b), (c), (d), (e), (f), (g), (h), or (i) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any forensic laboratory certified by the department of health that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time

limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to ~~(9)(i)~~ or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. The court shall sentence the offender under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1); ~~(2), (3), (4), or (5)(a), (b), (c), (d), or (e)~~ of this section, a mandatory jail term of three consecutive days. As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 3793.10 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to

The officer shall give that advice in a written form that contains the information described in division (B) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer's reading of the form, and the witnesses shall certify to this fact by signing the form.

(B) If a person is under arrest as described in division (A) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol and drug content of the person's blood, breath, or urine, the arresting officer shall read the following form to the person:

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested - operating a vehicle under the influence of alcohol, a drug, or a

combination of them; operating a vehicle after underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior OVI or OVUAC conviction under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol in your blood, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test taken at your own expense."

(C) If the arresting law enforcement officer does not ask a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, the arresting officer shall seize the Ohio or out-of-state driver's or commercial driver's license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the arrest, and, upon the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person's initial appearance and any action taken under section 4511.196 of the Revised Code.

(D)(1) If a law enforcement officer asks a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, if the officer advises the person in accordance with this section of the consequences of the person's refusal or submission, and if either the person refuses to submit to the test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited

concentration of alcohol in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the registrar of motor vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person's Ohio driver's or commercial driver's license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person's initial appearance on the charge, which will be held within five days after the date of the person's arrest or the issuance of a citation to the person, and that the person may appeal the suspension at the initial appearance or during the period of time ending thirty days after that initial appearance;

(b) Seize the driver's or commercial driver's license or permit of the person and immediately forward it to the registrar. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the person is given notice of the suspension, and, upon the surrender, the officer's employing agency immediately shall forward the license or permit to the registrar.

(c) Verify the person's current residence and, if it differs from that on the person's driver's or commercial driver's license or permit, notify the registrar of the change;

(d) Send to the registrar, within forty-eight hours after the arrest of the person, a sworn report that includes all of the following statements:

(i) That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a stationary vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance;

(ii) That the person was arrested and charged with a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

(iii) That the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (B) of this section;

(iv) That either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

(2) Division (D)(1) of this section does not apply to a person who is arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and who submits to the test or tests, regardless of the amount of alcohol that the test results indicate is present in the person's whole blood, blood serum or plasma, breath, or urine.

(E) The arresting officer shall give the officer's sworn report that is completed under this section to the arrested person at the time of the arrest, or the registrar of motor vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than fourteen days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than forty-eight hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(F) The sworn report of an arresting officer completed under this section is prima-facie proof of the information and statements that it contains. It shall be admitted and considered as prima-facie proof of the information and statements that it contains in any appeal under section 4511.197 of the Revised Code relative to any suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege that results from the arrest covered by the report.

(2) "Physical control" means being in the driver's position of the front seat of a vehicle or in the driver's position of a streetcar or trackless trolley and having possession of the vehicle's, streetcar's, or trackless trolley's ignition key or other ignition device.

(B) No person shall be in physical control of a vehicle, streetcar, or trackless trolley while under the influence of alcohol, a drug of abuse, or a

combination of them or while the person's whole blood, blood serum or plasma, breath, or urine contains at least the concentration of alcohol specified in division (A)~~(2), (3), (4), or (5)~~(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code.

(C)(1) In any criminal prosecution or juvenile court proceeding for a violation of this section or a substantially equivalent municipal ordinance, if a law enforcement officer has administered a field sobriety test to the person in physical control of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (C)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (C)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (C)(1) of this section.

(D) Whoever violates this section is guilty of having physical control of a vehicle while under the influence, a misdemeanor of the first degree. In addition to other sanctions imposed, the court may impose on the offender a class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(7) of section 4510.02 of the Revised Code.

Sec. 4511.196. (A) If a person is arrested for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or for

operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance, regardless of whether the person's driver's or commercial driver's license or permit or nonresident operating privilege is or is not suspended under section 4511.191 of the Revised Code, the person's initial appearance on the charge resulting from the arrest shall be held within five days of the person's arrest or the issuance of the citation to the person.

(B)(1) If a person is arrested as described in division (A) of this section, if the person's driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under section 4511.191 of the Revised Code in relation to that arrest, if the person appeals the suspension in accordance with section 4511.197 of the Revised Code, and if the judge, magistrate, or mayor terminates the suspension in accordance with that section, the judge, magistrate, or mayor, at any time prior to adjudication on the merits of the charge resulting from the arrest, may impose a new suspension of the person's license, permit, or nonresident operating privilege, notwithstanding the termination, if the judge, magistrate, or mayor determines that the person's continued driving will be a threat to public safety.

(2) If a person is arrested as described in division (A) of this section and if the person's driver's or commercial driver's license or permit or nonresident operating privilege has not been suspended under section 4511.191 of the Revised Code in relation to that arrest, the judge, magistrate, or mayor, at any time prior to the adjudication on the merits of the charge resulting from the arrest, may impose a suspension of the person's license, permit, or nonresident operating privilege if the judge, magistrate, or mayor determines that the person's continued driving will be a threat to public safety.

(C) A suspension under division (B)(1) or (2) of this section shall continue until the complaint on the charge resulting from the arrest is adjudicated on the merits. A court that imposes a suspension under division (B)(2) of this section shall send the person's driver's license or permit to the registrar of motor vehicles. If the court possesses the license or permit of a person in the category described in division (B)(2) of this section and the court does not impose a suspension under that division, the court shall return the license or permit to the person if the license or permit has not otherwise been suspended or cancelled.

Any time during which the person serves a suspension of the person's license, permit, or privilege that is imposed pursuant to division (B)(1) or (2) of this section shall be credited against any period of judicial suspension

of the person's license, permit, or privilege that is imposed under division (G) of section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a violation of a municipal ordinance substantially equivalent to division (A) of section 4511.19 of the Revised Code.

(D) If a person is arrested and charged with a violation of section 2903.08 of the Revised Code or a violation of section 2903.06 of the Revised Code that is a felony offense, the judge at the person's initial appearance, preliminary hearing, or arraignment may suspend the person's driver's or commercial driver's license or permit or nonresident operating privilege if the judge determines at any of those proceedings that the person's continued driving will be a threat to public safety.

A suspension imposed under this division shall continue until the indictment or information alleging the violation specified in this division is adjudicated on the merits. A court that imposes a suspension under this division shall send the person's driver's or commercial driver's license or permit to the registrar.

Sec. 4511.197. (A) If a person is arrested for operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance and if the person's driver's or commercial driver's license or permit or nonresident operating privilege is suspended under section 4511.191 of the Revised Code, the person may appeal the suspension at the person's initial appearance on the charge resulting from the arrest or within the period ending thirty days after the person's initial appearance on that charge, in the court in which the person will appear on that charge. If the person appeals the suspension, the appeal itself does not stay the operation of the suspension. If the person appeals the suspension, either the person or the registrar of motor vehicles may request a continuance of the appeal, and the court may grant the continuance. The court also may continue the appeal on its own motion. Neither the request for, nor the granting of, a continuance stays the suspension that is the subject of the appeal, unless the court specifically grants a stay.

(B) A person shall file an appeal under division (A) of this section in the municipal court, county court, juvenile court, mayor's court, or court of common pleas that has jurisdiction over the charge in relation to which the person was arrested.

(C) If a person appeals a suspension under division (A) of this section, the scope of the appeal is limited to determining whether one or more of the

following conditions have not been met:

(1) Whether the arresting law enforcement officer had reasonable ground to believe the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or was in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance and whether the arrested person was in fact placed under arrest;

(2) Whether the law enforcement officer requested the arrested person to submit to the chemical test or tests designated pursuant to division (A) of section 4511.191 of the Revised Code;

(3) Whether the arresting officer informed the arrested person of the consequences of refusing to be tested or of submitting to the test or tests;

(4) Whichever of the following is applicable:

(a) Whether the arrested person refused to submit to the chemical test or tests requested by the officer;

(b) Whether the arrest was for a violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance and, if it was, whether the chemical test results indicate that the arrested person's whole blood contained a concentration of eight-hundredths of one per cent or more by weight of alcohol, the person's blood serum or plasma contained a concentration of ninety-six-thousandths of one per cent or more by weight of alcohol, the person's breath contained a concentration of eight-hundredths of one gram or more by weight of alcohol per two hundred ten liters of the person's breath, or the person's urine contained a concentration of eleven-hundredths of one gram or more by weight of alcohol per one hundred milliliters of the person's urine at the time of the alleged offense.

(D) A person who appeals a suspension under division (A) of this section has the burden of proving, by a preponderance of the evidence, that one or more of the conditions specified in division (C) of this section has not been met. If, during the appeal, the judge or magistrate of the court or the mayor of the mayor's court determines that all of those conditions have been met, the judge, magistrate, or mayor shall uphold the suspension, continue the suspension, and notify the registrar of motor vehicles of the decision on a form approved by the registrar.

Except as otherwise provided in this section, if a suspension imposed under section 4511.191 of the Revised Code is upheld on appeal or if the subject person does not appeal the suspension under division (A) of this section, the suspension shall continue until the complaint alleging the violation for which the person was arrested and in relation to which the

suspension was imposed is adjudicated on the merits or terminated pursuant to law. If the suspension was imposed under division (B)(1) of section 4511.191 of the Revised Code and it is continued under this section, any subsequent finding that the person is not guilty of the charge that resulted in the person being requested to take the chemical test or tests under division (A) of section 4511.191 of the Revised Code does not terminate or otherwise affect the suspension. If the suspension was imposed under division (C) of section 4511.191 of the Revised Code in relation to an alleged misdemeanor violation of division (A) or (B) of section 4511.19 of the Revised Code or of a municipal OVI ordinance and it is continued under this section, the suspension shall terminate if, for any reason, the person subsequently is found not guilty of the charge that resulted in the person taking the chemical test or tests.

If, during the appeal, the judge or magistrate of the trial court or the mayor of the mayor's court determines that one or more of the conditions specified in division (C) of this section have not been met, the judge, magistrate, or mayor shall terminate the suspension, subject to the imposition of a new suspension under division (B) of section 4511.196 of the Revised Code; shall notify the registrar of motor vehicles of the decision on a form approved by the registrar; and, except as provided in division (B) of section 4511.196 of the Revised Code, shall order the registrar to return the driver's or commercial driver's license or permit to the person or to take any other measures that may be necessary, if the license or permit was destroyed under section 4510.53 of the Revised Code, to permit the person to obtain a replacement driver's or commercial driver's license or permit from the registrar or a deputy registrar in accordance with that section. The court also shall issue to the person a court order, valid for not more than ten days from the date of issuance, granting the person operating privileges for that period.

(E) Any person whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to section 4511.191 of the Revised Code may file a petition requesting limited driving privileges in the common pleas court, municipal court, county court, mayor's court, or juvenile court with jurisdiction over the related criminal or delinquency case. The petition may be filed at any time subsequent to the date on which the arresting law enforcement officer serves the notice of suspension upon the arrested person but no later than thirty days after the arrested person's initial appearance or arraignment. Upon the making of the request, limited driving privileges may be granted under sections 4510.021 and 4510.13 of the Revised Code, regardless of whether the person appeals

the suspension under this section or appeals the decision of the court on the appeal, and, if the person has so appealed the suspension or decision, regardless of whether the matter has been heard or decided by the court. The person shall pay the costs of the proceeding, notify the registrar of the filing of the petition, and send the registrar a copy of the petition.

The court may not grant the person limited driving privileges when prohibited by section 4510.13 or 4511.191 of the Revised Code.

(F) Any person whose driver's or commercial driver's license or permit has been suspended under section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a conviction of a municipal OVI offense and who desires to retain the license or permit during the pendency of an appeal, at the time sentence is pronounced, shall notify the court of record or mayor's court that suspended the license or permit of the person's intention to appeal. If the person so notifies the court, the court, mayor, or clerk of the court shall retain the license or permit until the appeal is perfected, and, if execution of sentence is stayed, the license or permit shall be returned to the person to be held by the person during the pendency of the appeal. If the appeal is not perfected or is dismissed or terminated in an affirmance of the conviction, then the license or permit shall be taken up by the court, mayor, or clerk, at the time of putting the sentence into execution, and the court shall proceed in the same manner as if no appeal was taken.

(G) Except as otherwise provided in this division, if a person whose driver's or commercial driver's license or permit or nonresident operating privilege was suspended under section 4511.191 of the Revised Code appeals the suspension under division (A) of this section, the prosecuting attorney of the county in which the arrest occurred shall represent the registrar of motor vehicles in the appeal. If the arrest occurred within a municipal corporation within the jurisdiction of the court in which the appeal is conducted, the city director of law, village solicitor, or other chief legal officer of that municipal corporation shall represent the registrar. If the appeal is conducted in a municipal court, the registrar shall be represented as provided in section 1901.34 of the Revised Code. If the appeal is conducted in a mayor's court, the city director of law, village solicitor, or other chief legal officer of the municipal corporation that operates that mayor's court shall represent the registrar.

(H) The court shall give information in writing of any action taken under this section to the registrar of motor vehicles.

(I) When it finally has been determined under the procedures of this section that a nonresident's privilege to operate a vehicle within this state has been suspended, the registrar of motor vehicles shall give information in

writing of the action taken to the motor vehicle administrator of the state of the nonresident's residence and of any state in which the nonresident has a license.

Sec. 4513.39. (A) The state highway patrol and sheriffs or their deputies shall exercise, to the exclusion of all other peace officers except within municipal corporations and except as specified in division (B) of this section and division (E) of section 2935.03 of the Revised Code, the power to make arrests for violations on all state highways, of sections 4503.11, 4503.21, 4511.14 to 4511.16, 4511.20 to 4511.23, 4511.26 to 4511.40, 4511.42 to 4511.48, 4511.58, 4511.59, 4511.62 to 4511.71, 4513.03 to 4513.13, 4513.15 to 4513.22, 4513.24 to 4513.34, 4549.01, 4549.08 to 4549.12, and 4549.62 of the Revised Code.

(B) A member of the police force of a township police district created under section 505.48 of the Revised Code, and a township constable appointed pursuant to section 509.01 of the Revised Code, who has received a certificate from the Ohio peace officer training commission under section 109.75 of the Revised Code, shall exercise the power to make arrests for violations of those sections listed in division (A) of this section, other than sections 4513.33 and 4513.34 of the Revised Code, as follows:

(1) If the population of the township that created the township police district served by the member's police force or the township that is served by the township constable is ~~sixty~~ fifty thousand or less, the member or constable shall exercise that power on those portions of all state highways, except those highways included as part of the interstate system, as defined in section 5516.01 of the Revised Code, that are located within the township police district, in the case of a member of a township police district police force, or within the unincorporated territory of the township, in the case of a township constable;

(2) If the population of the township that created the township police district served by the member's police force or the township that is served by the township constable is greater than ~~sixty~~ fifty thousand, the member or constable shall exercise that power on those portions of all state highways and highways included as part of the interstate highway system, as defined in section 5516.01 of the Revised Code, that are located within the township police district, in the case of a member of a township police district police force, or within the unincorporated territory of the township, in the case of a township constable.

SECTION 2. That existing sections 1547.11, 1901.41, 2152.19, 2903.08, 2925.01, 2929.01, 2929.13, 2929.14, 2929.15, 2929.16, 2929.17, 2929.19,

2929.24, 2929.27, 4123.54, 4507.02, 4507.05, 4510.13, 4510.17, 4510.54, 4511.19, 4511.191, 4511.192, 4511.194, 4511.196, 4511.197, and 4513.39 of the Revised Code are hereby repealed.
