determining an order of priority for entry of the DNA records 126
based on the types of offenses committed by the persons whose 127
records are submitted and the available resources of the bureau. 128

pursuant to section 2152.74 or 2901.07 of the Revised Code, the 130
bureau of criminal identification and investigation shall attach 131
to the DNA record personal identification information that 132
identifies the person from whom the DNA specimen was taken. The 133
personal identification information may include the subject 134
person's fingerprints and any other information the bureau 135

state. 149

(G)(1) No person who because of the person's employment or 150
official position has access to a DNA specimen, a DNA record, or 151
other information contained in the DNA database that identifies an 152
individual shall knowingly disclose that specimen, record, or 153
information to any person or agency not entitled to receive it or 154
otherwise shall misuse that specimen, record, or information. 155

(2) No person without authorization or privilege to obtain 156
information contained in the DNA database that identifies an 157
individual person shall purposely obtain that information. 158

(H) The superintendent of the bureau of criminal 159
identification and investigation shall establish procedures for 160
all of the following: 161

(10) The operation of the bureau and responsibilities of employees of the bureau with respect to the activities described in this section.	184 185 186
<u>(I) In conducting DNA analyses of DNA specimens, the state DNA laboratory and any laboratory with which the bureau has entered into a contract pursuant to division (B)(5) of this section shall give DNA analyses of DNA specimens that relate to ongoing criminal investigations or prosecutions priority over DNA analyses of DNA specimens that relate to applications made pursuant to section 2953.73 or 2953.82 of the Revised Code.</u>	187 188 189 190 191 192 193
Sec. 2953.21. (A)(1)(a) Any person who has been convicted of a criminal offense or adjudicated a delinquent child and who claims that there was such a denial or infringement of the person's rights as to render the judgment void or voidable under the Ohio Constitution or the Constitution of the United States, and any person who has been convicted of a criminal offense that is a felony, who is an inmate, and for whom DNA testing that was performed under sections 2953.71 to 2953.81 of the Revised Code or under section 2953.82 of the Revised Code provided results that	194 195 196 197 198 199 200 201 202

establish, by clear and convincing evidence, actual innocence of 203
that felony offense or, if the person was sentenced to death, 204
establish, by clear and convincing evidence, actual innocence of 205
the aggravating circumstance or circumstances the person was found 206
guilty of committing and that is or are the basis of that sentence 207
of death, may file a petition in the court that imposed sentence, 208
stating the grounds for relief relied upon, and asking the court 209
to vacate or set aside the judgment or sentence or to grant other 210
appropriate relief. The petitioner may file a supporting affidavit 211
and other documentary evidence in support of the claim for relief. 212

(b) As used in division (A)(1)(a) of this section, "actual 213
innocence" means that, had the results of the DNA testing 214
conducted under sections 2953.71 to 2953.81 of the Revised Code or 215
under section 2953.82 of the Revised Code been presented at trial, 216
no reasonable factfinder would have found the petitioner guilty of 217
the offense of which the petitioner was convicted, or, if the 218
person was sentenced to death, no reasonable factfinder would have 219
found the petitioner guilty of the aggravating circumstance or 220
circumstances the petitioner was found guilty of committing and 221
that is or are the basis of that sentence of death. 222

(2) A Except as otherwise provided in section 2953.23 of the 223
Revised Code, a petition under division (A)(1) of this section 224
shall be filed no later than one hundred eighty days after the 225
date on which the trial transcript is filed in the court of 226
appeals in the direct appeal of the judgment of conviction or 227
adjudication or, if the direct appeal involves a sentence of 228
death, the date on which the trial transcript is filed in the 229
supreme court. If no appeal is taken, except as otherwise provided 230
in section 2953.23 of the Revised Code, the petition shall be 231
filed no later than one hundred eighty days after the expiration 232
of the time for filing the appeal. 233

(3) In a petition filed under division (A) of this section, a person ~~upon whom a sentence of~~ who has been sentenced to death has ~~been imposed~~ may ask the court to render void or voidable the judgment with respect to the conviction of aggravated murder or the specification of an aggravating circumstance or the sentence of death.

(4) A petitioner shall state in the original or amended petition filed under division (A) of this section all grounds for relief claimed by the petitioner. Except as provided in section 2953.23 of the Revised Code, any ground for relief that is not so stated in the petition is waived.

(5) If the petitioner in a petition filed under division (A) of this section was convicted of or pleaded guilty to a felony, the petition may include a claim that the petitioner was denied the equal protection of the laws in violation of the Ohio Constitution or the United States Constitution because the sentence imposed upon the petitioner for the felony was part of a consistent pattern of disparity in sentencing by the judge who imposed the sentence, with regard to the petitioner's race, gender, ethnic background, or religion. If the supreme court adopts a rule requiring a court of common pleas to maintain information with regard to an offender's race, gender, ethnic background, or religion, the supporting evidence for the petition shall include, but shall not be limited to, a copy of that type of information relative to the petitioner's sentence and copies of that type of information relative to sentences that the same judge imposed upon other persons.

(B) The clerk of the court in which the petition is filed shall docket the petition and bring it promptly to the attention of the court. ~~The petitioner need not serve a copy of the petition on the prosecuting attorney.~~ The clerk of the court in which the petition is filed immediately shall forward a copy of the petition

to the prosecuting attorney of that county. 266

(C) The court shall consider a petition that is timely filed 267
under division (A)(2) of this section even if a direct appeal of 268
the judgment is pending. Before granting a hearing on a petition 269
filed under division (A) of this section, the court shall 270
determine whether there are substantive grounds for relief. In 271
making such a determination, the court shall consider, in addition 272
to the petition, the supporting affidavits, and the documentary 273
evidence, all the files and records pertaining to the proceedings 274
against the petitioner, including, but not limited to, the 275
indictment, the court's journal entries, the journalized records 276
of the clerk of the court, and the court reporter's transcript. 277
The court reporter's transcript, if ordered and certified by the 278
court, shall be taxed as court costs. If the court dismisses the 279
petition, it shall make and file findings of fact and conclusions 280
of law with respect to such dismissal. 281

(D) Within ten days after the docketing of the petition, or 282
within any further time that the court may fix for good cause 283
shown, the prosecuting attorney shall respond by answer or motion. 284
Within twenty days from the date the issues are ~~made-up~~ raised, 285
either party may move for summary judgment. The right to summary 286
judgment shall appear on the face of the record. 287

(E) Unless the petition and the files and records of the case 288
show the petitioner is not entitled to relief, the court shall 289
proceed to a prompt hearing on the issues even if a direct appeal 290
of the case is pending. If the court notifies the parties that it 291
has found grounds for granting relief, either party may request an 292
appellate court in which a direct appeal of the judgment is 293
pending to remand the pending case to the court. 294

(F) At any time before the answer or motion is filed, the 295
petitioner may amend the petition with or without leave or 296
prejudice to the proceedings. The petitioner may amend the 297

petition with leave of court at any time thereafter. 298

(G) If the court does not find grounds for granting relief, 299
it shall make and file findings of fact and conclusions of law and 300
shall enter judgment denying relief on the petition. If no direct 301
appeal of the case is pending and the court finds grounds for 302
relief or if a pending direct appeal of the case has been remanded 303
to the court pursuant to a request made pursuant to division (E) 304
of this section and the court finds grounds for granting relief, 305
it shall make and file findings of fact and conclusions of law and 306
shall enter a judgment that vacates and sets aside the judgment in 307
question, and, in the case of a petitioner who is a prisoner in 308
custody, shall discharge or resentence the petitioner or grant a 309
new trial as the court determines appropriate. The court also may 310
make supplementary orders to the relief granted, concerning such 311
matters as rearraignment, retrial, custody, and bail. If the trial 312
court's order granting the petition is reversed on appeal and if 313
the direct appeal of the case has been remanded from an appellate 314
court pursuant to a request under division (E) of this section, 315
the appellate court reversing the order granting the petition 316
shall notify the appellate court in which the direct appeal of the 317
case was pending at the time of the remand of the reversal and 318
remand of the trial court's order. Upon the reversal and remand of 319
the trial court's order granting the petition, regardless of 320
whether notice is sent or received, the direct appeal of the case 321
that was remanded is reinstated. 322

(H) Upon the filing of a petition pursuant to division (A) of 323
this section by a ~~prisoner in a state correctional institution who~~ 324
~~has received the~~ person sentenced to death penalty, only the 325
supreme court may stay execution of the ~~judgment challenged by the~~ 326
~~petition~~ sentence of death. 327

(I)(1) If a person ~~who has received the death penalty~~ 328
sentenced to death intends to file a petition under this section, 329

the court shall appoint counsel to represent the person upon a 330
finding that the person is indigent and that the person either 331
accepts the appointment of counsel or is unable to make a 332
competent decision whether to accept or reject the appointment of 333
counsel. The court may decline to appoint counsel for the person 334
only upon a finding, after a hearing if necessary, that the person 335
rejects the appointment of counsel and understands the legal 336
consequences of that decision or upon a finding that the person is 337
not indigent. 338

(2) The court shall not appoint as counsel under division 339
(I)(1) of this section an attorney who represented the petitioner 340
at trial in the case to which the petition relates unless the 341
person and the attorney expressly request the appointment. The 342
court shall appoint as counsel under division (I)(1) of this 343
section only an attorney who is certified under Rule 20 of the 344
Rules of Superintendence for the Courts of Ohio to represent 345
indigent defendants charged with or convicted of an offense for 346
which the death penalty can be or has been imposed. The 347
ineffectiveness or incompetence of counsel during proceedings 348
under this section does not constitute grounds for relief in a 349
proceeding under this section, in an appeal of any action under 350
this section, or in an application to reopen a direct appeal. 351

(3) Division (I) of this section does not preclude attorneys 352
who represent the state of Ohio from invoking the provisions of 28 353
U.S.C. 154 with respect to capital cases that were pending in 354
federal habeas corpus proceedings prior to the effective date of 355
this amendment insofar as the petitioners in those cases were 356
represented in proceedings under this section by one or more 357
counsel appointed by the court under this section or section 358
120.06, 120.16, 120.26, or 120.33 of the Revised Code and those 359
appointed counsel meet the requirements of division (I)(2) of this 360
section. 361

(J) Subject to the appeal of a sentence for a felony that is 362
authorized by section 2953.08 of the Revised Code, the remedy set 363
forth in this section is the exclusive remedy by which a person 364
may bring a collateral challenge to the validity of a conviction 365
or sentence in a criminal case or to the validity of an 366
adjudication of a child as a delinquent child for the commission 367
of an act that would be a criminal offense if committed by an 368
adult or the validity of a related order of disposition. 369

Sec. 2953.23. (A) Whether a hearing is or is not held on a 370
petition filed pursuant to section 2953.21 of the Revised Code, a 371
court may not entertain a petition filed after the expiration of 372
the period prescribed in division (A) of that section or a second 373
petition or successive petitions for similar relief on behalf of a 374
petitioner unless ~~both~~ division (A)(1) or (2) of this section 375
applies: 376

(1) Both of the following apply: 377

~~(1) Either of the following applies:~~ 378

(a) ~~The~~ Either the petitioner shows that the petitioner was 379
unavoidably prevented from discovery of the facts upon which the 380
petitioner must rely to present the claim for relief. 381

~~(b) Subsequent, or, subsequent~~ to the period prescribed in 382
division (A)(2) of section 2953.21 of the Revised Code or to the 383
filing of an earlier petition, the United States Supreme Court 384
recognized a new federal or state right that applies retroactively 385
to persons in the petitioner's situation, and the petition asserts 386
a claim based on that right. 387

~~(2)~~(b) The petitioner shows by clear and convincing evidence 388
that, but for constitutional error at trial, no reasonable 389
factfinder would have found the petitioner guilty of the offense 390
of which the petitioner was convicted or, if the claim challenges 391

a sentence of death that, but for constitutional error at the 392
sentencing hearing, no reasonable factfinder would have found the 393
petitioner eligible for the death sentence. 394

(2) The petitioner was convicted of a felony, the petitioner 395
is an inmate for whom DNA testing was performed under sections 396
2953.71 to 2953.81 of the Revised Code or under section 2953.82 of 397
the Revised Code, and the results of the DNA testing establish, by 398
clear and convincing evidence, actual innocence of that felony 399
offense or, if the person was sentenced to death, establish, by 400
clear and convincing evidence, actual innocence of the aggravating 401
circumstance or circumstances the person was found guilty of 402
committing and that is or are the basis of that sentence of death. 403

As used in this division, "actual innocence" has the same 404
meaning as in division (A)(1)(b) of section 2953.21 of the Revised 405
Code. 406

(B) An order awarding or denying relief sought in a petition 407
filed pursuant to section 2953.21 of the Revised Code is a final 408
judgment and may be appealed pursuant to Chapter 2953. of the 409
Revised Code. 410

for which the inmate is an eligible inmate and is requesting the 418
DNA testing under sections 2953.71 to 2953.81 of the Revised Code; 419

For purposes of this division, examples of when biological material or a DNA sample is first obtained include, but are not limited to, obtaining the material or sample at the scene of a crime, from a victim, from an inmate, or in any other manner or time as is appropriate in the facts and circumstances present.

(I) "Inclusion" or "inclusion result" means a result of DNA testing that scientifically cannot exclude, or that holds accountable, the subject inmate as a contributor of biological material recovered from the crime scene or victim in question, in relation to the offense for which the inmate is an eligible inmate and for which the sentence of death or prison term was imposed upon the inmate or, regarding a request for DNA testing made under section 2953.82 of the Revised Code, in relation to the offense for which the inmate made the request and for which the sentence of death or prison term was imposed upon the inmate.

467

(J) "Inconclusive" or "inconclusive result" means a result of DNA testing that is rendered when a scientifically appropriate and definitive DNA analysis or result, or both, cannot be determined.

468

469

470

(K) "Inmate" means an inmate in a prison who was sentenced by a court, or by a jury and a court, of this state.

471

472

(L) "Outcome determinative" means that had the results of DNA testing been presented at the trial of the subject inmate requesting DNA testing and been found relevant and admissible with respect to the felony offense for which the inmate is an eligible inmate and is requesting the DNA testing or for which the inmate is requesting the DNA testing under section 2953.82 of the Revised Code, no reasonable factfinder would have found the inmate guilty of that offense or, if the inmate was sentenced to death relative to that offense, would have found the inmate guilty of the aggravating circumstance or circumstances the inmate was found guilty of committing and that is or are the basis of that sentence

of death. 484

(M) "Parent sample" means the biological material first 485
obtained from a crime scene or a victim of an offense for which an 486
inmate is an eligible inmate or for which the inmate is requesting 487
the DNA testing under section 2953.82 of the Revised Code, and 488
from which a sample will be presently taken to do a DNA comparison 489
to the DNA of the subject inmate under sections 2953.71 to 2953.81 490
or section 2953.82 of the Revised Code. 491

(N) "Prison" has the same meaning as in section 2929.01 of 492
the Revised Code. 493

(O) "Prosecuting attorney" means the prosecuting attorney 494
who, or whose office, prosecuted the case in which the subject 495
inmate was convicted of the offense for which the inmate is an 496
eligible inmate and is requesting the DNA testing or for which the 497
inmate is requesting the DNA testing under section 2953.82 of the 498
Revised Code. 499

(P) "Prosecuting authority" means the prosecuting attorney or 500
the attorney general. 501

(Q) "Reasonable diligence" means a degree of diligence that 502
is comparable to the diligence a reasonable person would employ in 503
searching for information regarding an important matter in the 504
person's own life. 505

(R) "Testing authority" means a laboratory at which DNA 506
testing will be conducted under sections 2953.71 to 2953.81 or 507
section 2953.82 of the Revised Code. 508

Sec. 2953.72. (A) Any eligible inmate who wishes to request 509
DNA testing under sections 2953.71 to 2953.81 of the Revised Code 510
shall submit an application for the testing to the court of common 511
pleas specified in section 2953.73 of the Revised Code, on a form 512
prescribed by the attorney general for this purpose. The eligible 513

inmate shall submit the application within the period of time, and
in accordance with the procedures, set forth in section 2953.73 of
the Revised Code. The eligible inmate shall specify on the
application the offense or offenses for which the inmate is an
eligible inmate and is requesting the DNA testing. Along with the
application, the eligible inmate shall submit an acknowledgment
that is on a form prescribed by the attorney general for this
purpose and that is signed by the inmate. The acknowledgment shall
set forth all of the following:

514
515
516
517
518
519
520
521
522

(1) That sections 2953.71 to 2953.81 of the Revised Code
contemplate applications for DNA testing of eligible inmates at a
stage of a prosecution or case after the inmate has been sentenced
to a prison term or a sentence of death, that any exclusion or
inclusion result of DNA testing rendered pursuant to those
sections may be used by a party in any proceeding as described in
section 2953.81 of the Revised Code, and that all requests for any
DNA testing made at trial will continue to be handled by the
prosecuting attorney in the case;

523
524
525
526
527
528
529
530
531

(2) That the process of conducting postconviction DNA testing
for an eligible inmate under sections 2953.71 to 2953.81 of the
Revised Code begins when the inmate submits an application under
section 2953.73 of the Revised Code and the acknowledgment
described in this section;

532
533
534
535
536

(3) That the eligible inmate must submit the application and
acknowledgment to the court of common pleas that heard the case in
which the inmate was convicted of the offense for which the inmate
is an eligible offender and is requesting the DNA testing;

537
538
539
540

(4) That the state has established a set of criteria set
forth in section 2953.74 of the Revised Code by which eligible
inmate applications for DNA testing will be screened and that a
judge of a court of common pleas upon receipt of a properly filed

541
542
543
544

application and accompanying acknowledgment will apply those
criteria to determine whether to accept or reject the application;

545
546

(5) That the results of DNA testing conducted under sections
2953.71 to 2953.81 of the Revised Code will be provided as
described in section 2953.81 of the Revised Code to all parties in
the postconviction proceedings and will be reported to various
courts;

547
548
549
550
551

(6) That, if DNA testing is conducted with respect to an
inmate under sections 2953.71 to 2953.81 of the Revised Code, the
state will not offer the inmate a retest if an inclusion result is
achieved relative to the testing and that, if the state were to
offer a retest after an inclusion result, the policy would create
an atmosphere in which endless testing could occur and in which
postconviction proceedings could be stalled for many years;

552
553
554
555
556
557
558

(7) That, if the court rejects an eligible inmate's
application for DNA testing because the inmate does not satisfy
the acceptance criteria described in division (A)(4) of this
section, the court will not accept or consider subsequent
applications;

559
560
561
562
563

(8) That the acknowledgment memorializes the provisions of
sections 2953.71 to 2953.81 of the Revised Code with respect to
the application of postconviction DNA testing to inmates, that
those provisions do not give any inmate any additional
constitutional right that the inmate did not have prior to the
effective date of those provisions, that the court has no duty or
obligation to provide postconviction DNA testing to inmates, that
the court of common pleas has the sole discretion subject to an
appeal as described in this division to determine whether an
inmate is an eligible inmate and whether an eligible inmate's
application for DNA testing satisfies the acceptance criteria
described in division (A)(4) of this section and whether the

application should be accepted or rejected, that if the court of 576
common pleas rejects an eligible inmate's application, the inmate 577
may seek leave of the supreme court to appeal the rejection to 578
that court if the inmate was sentenced to death for the offense 579
for which the inmate is requesting the DNA testing and, if the 580
inmate was not sentenced to death for that offense, may appeal the 581
rejection to the court of appeals, and that no determination 582
otherwise made by the court of common pleas in the exercise of its 583
discretion regarding the eligibility of an inmate or regarding 584
postconviction DNA testing under those provisions is reviewable by 585
or appealable to any court; 586

(9) That the manner in which sections 2953.71 to 2953.81 of 587
the Revised Code with respect to the offering of postconviction 588
DNA testing to inmates are carried out does not confer any 589
constitutional right upon any inmate, that the state has 590
established guidelines and procedures relative to those provisions 591
to ensure that they are carried out with both justice and 592
efficiency in mind, and that an inmate who participates in any 593
phase of the mechanism contained in those provisions, including, 594
but not limited to, applying for DNA testing and being rejected, 595
having an application for DNA testing accepted and not receiving 596
the test, or having DNA testing conducted and receiving 597
unfavorable results, does not gain as a result of the 598
participation any constitutional right to challenge, or, except as 599
provided in division (A)(8) of this section, any right to any 600
review or appeal of, the manner in which those provisions are 601
carried out; 602

(10) That the most basic aspect of sections 2953.71 to 603
2953.81 of the Revised Code is that, in order for DNA testing to 604
occur, there must be an inmate sample against which other evidence 605
may be compared, that, if an eligible inmate's application is 606
accepted but the inmate subsequently refuses to submit to the 607

collection of the sample of biological material from the inmate or
hinders the state from obtaining a sample of biological material
from the inmate, the goal of those provisions will be frustrated,
and that an inmate's refusal or hindrance shall cause the court to
rescind its prior acceptance of the application for DNA testing
for the inmate and deny the application;

608
609
610
611
612
613

(11) That, if the inmate is an inmate who pleaded guilty or
no contest to a felony offense and who is using the application
and acknowledgment to request DNA testing under section 2953.82 of
the Revised Code, all references in the acknowledgment to an
"eligible inmate" are considered to be references to, and apply
to, the inmate and all references in the acknowledgment to
"sections 2953.71 to 2953.81 of the Revised Code" are considered
to be references to "section 2953.82 of the Revised Code".

(B) The attorney general shall prescribe a form to be used to
make an application for DNA testing under division (A) of this
section and section 2953.73 of the Revised Code and a form to be
used to provide the acknowledgment described in division (A) of
this section. The forms shall include all information described in
division (A) of this section, spaces for an inmate to insert all
information necessary to complete the forms, including, but not
limited to, specifying the offense or offenses for which the
inmate is an eligible inmate and is requesting the DNA testing or
for which the inmate is requesting the DNA testing under section
2953.82 of the Revised Code, and any other information or material
the attorney general determines is necessary or relevant. The
forms also shall be used to make an application requesting DNA
testing under section 2953.82 of the Revised Code, and the
attorney general shall ensure that they are sufficient for that
type of use, and that they include all information and spaces
necessary for that type of use. The attorney general shall
distribute copies of the prescribed forms to the department of

(C)(1) An inmate is eligible to request DNA testing to be
conducted under sections 2953.71 to 2953.81 of the Revised Code
only if all of the following apply:

644
645
646

(a) The offense for which the inmate claims to be an eligible
inmate is a felony that was committed prior to the effective date
of this section, and the inmate was convicted by a judge or jury
of that offense.

647
648
649
650

(b) The inmate was sentenced to a prison term or sentence of
death for the felony described in division (C)(1)(a) of this
section and, on the effective date of this section, is in prison
-serving that prison term or under that sentence of death.

651
652
653
654

(c) On the date on which the application is filed, the inmate
has at least one year remaining on the prison term described in
division (C)(1)(b) of this section, or the inmate is in prison
under a sentence of death as described in that division.

655
656
657
658

(2) An inmate is not an eligible inmate under division (C)(1)
of this section regarding any offense to which the inmate pleaded
guilty or no contest.

659

661

Sec. 2953.73. (A) An eligible inmate who wishes to request
DNA testing to be conducted under sections 2953.71 to 2953.81 of
the Revised Code shall submit an application for DNA testing on a
form prescribed by the attorney general for this purpose and shall
submit the form to the court of common pleas that sentenced the
inmate for the offense for which the inmate is an eligible inmate
and is requesting DNA testing. The eligible inmate shall submit
the application to that court of common pleas not later than one

year after the effective date of this section. No court of common 670
pleas shall accept an application under this section after the 671
expiration of the period of time specified in this division. 672

(B) If an eligible inmate submits an application for DNA 673
testing under division (A) of this section, upon the submission of 674
the application, all of the following apply: 675

(1) The eligible inmate shall serve a copy of the application 676
on the prosecuting attorney and the attorney general. 677

(2) The application shall be assigned to the judge of that 678
court of common pleas who was the trial judge in the case in which 679
the eligible inmate was convicted of the offense for which the 680
inmate is requesting DNA testing, or, if that judge no longer is a 681
judge of that court, it shall be assigned according to court 682
rules. The judge to whom the application is assigned shall decide 683
the application. The application shall become part of the file in 684
the case. 685

(C) If an eligible inmate submits an application for DNA 686
testing under division (A) of this section, regardless of whether 687
the inmate has commenced any federal habeas corpus proceeding 688
relative to the case in which the inmate was convicted of the 689
offense for which the inmate is an eligible inmate and is 690
requesting DNA testing, any response to the application by the 691
prosecuting attorney or the attorney general shall be filed not 692
later than forty-five days after the date on which the eligible 693
inmate submits the application. The prosecuting attorney or the 694
attorney general, or both, may, but are not required to, file a 695
response to the application. If the prosecuting attorney or the 696
attorney general files a response under this division, the 697
prosecuting attorney or attorney general, whoever filed the 698
response, shall serve a copy of the response on the eligible 699
inmate. 700

(D) If an eligible inmate submits an application for DNA testing under division (A) of this section, the court shall make the determination as to whether the application should be accepted or rejected. The court shall expedite its review of the application. The court shall make the determination in accordance with the criteria and procedures set forth in sections 2953.74 to 2953.81 of the Revised Code and, in making the determination, shall consider the application, the supporting affidavits, and the documentary evidence and, in addition to those materials, shall consider all the files and records pertaining to the proceedings against the applicant, including, but not limited to, the indictment, the court's journal entries, the journalized records of the clerk of the court, and the court reporter's transcript and all responses to the application filed under division (C) of this section by a prosecuting attorney or the attorney general, unless the application and the files and records show the applicant is not entitled to DNA testing, in which case the application may be denied. The court is not required to conduct an evidentiary hearing in conducting its review of, and in making its determination as to whether to accept or reject, the application. Upon making its determination, the court shall enter a judgment and order that either accepts or rejects the application and that includes within the judgment and order the reasons for the acceptance or rejection as applied to the criteria and procedures set forth in sections 2953.71 to 2953.81 of the Revised Code. The court shall send a copy of the judgment and order to the eligible inmate who filed it, the prosecuting attorney, and the attorney general.

(E) A judgment and order of a court entered under division (D) of this section is appealable only as provided in this division. If an eligible inmate submits an application for DNA testing under section 2953.73 of the Revised Code and the court of

common pleas rejects the application under division (D) of this 733
section, one of the following applies: 734

(a) If the inmate was sentenced to death for the offense for 735
which the inmate claims to be an eligible inmate and is requesting 736
DNA testing, the inmate may seek leave of the supreme court to 737
appeal the rejection to the supreme court. Courts of appeals do 738
not have jurisdiction to review any rejection if the inmate was 739
sentenced to death for the offense for which the inmate claims to 740
be an eligible inmate and is requesting DNA testing. 741

(b) If the inmate was not sentenced to death for the offense 742
for which the inmate claims to be an eligible inmate and is 743
requesting DNA testing, the rejection is a final appealable order, 744
and the inmate may appeal it to the court of appeals of the 745
district in which is located that court of common pleas. 746

(F) Notwithstanding any provision of law regarding fees and 747
costs, no filing fee shall be required of, and no court costs 748
shall be assessed against, an eligible offender who is indigent 749
and who submits an application under this section. 750

(G) If a court rejects an eligible inmate's application for 751
DNA testing under division (D) of this section, unless the 752
rejection is overturned on appeal, no court shall require the 753
state to administer a DNA test under sections 2953.71 to 2953.81 754
of the Revised Code on the eligible inmate. 755

Sec. 2953.74. (A) If an eligible inmate submits an 756
application for DNA testing under section 2953.73 of the Revised 757
Code and a prior definitive DNA test has been conducted regarding 758
the same biological evidence that the inmate seeks to have tested, 759
the court shall reject the inmate's application. If an eligible 760
inmate files an application for DNA testing and a prior 761
inconclusive DNA test has been conducted regarding the same 762

biological evidence that the inmate seeks to have tested, the
court shall review the application and has the discretion, on a
case-by-case basis, to either accept or reject the application.
The court may direct a testing authority to provide the court with
information that the court may use in determining whether prior
DNA test results were definitive or inconclusive and whether to
accept or reject an application in relation to which there were
prior inconclusive DNA test results.

768
769
770

(B) If an eligible inmate submits an application for DNA
testing under section 2953.73 of the Revised Code, the court may
accept the application only if one of the following applies:

771
772
773

(1) The inmate did not have a DNA test taken at the trial
stage in the case in which the inmate was convicted of the offense
for which the inmate is an eligible inmate and is requesting the
DNA testing regarding the same biological evidence that the inmate
seeks to have tested, the inmate shows that DNA exclusion would
have been outcome determinative at that trial stage in that case,
and, at the time of the trial stage in that case, DNA testing was
not generally accepted, the results of DNA testing were not
generally admissible in evidence, or DNA testing was not yet
available.

776
777

779
780
781
782

(2) The inmate had a DNA test taken at the trial stage in the
case in which the inmate was convicted of the offense for which
the inmate is an eligible inmate and is requesting the DNA testing
regarding the same biological evidence that the inmate seeks to
have tested, the test was not a prior definitive DNA test that is
subject to division (A) of this section, and the inmate shows that
DNA exclusion would have been outcome determinative at the trial
stage in that case.

790
791

(C) If an eligible inmate submits an application for DNA
testing under section 2953.73 of the Revised Code, the court may

792
793

accept the application only if all of the following apply:

794

(1) The court determines pursuant to section 2953.75 of the Revised Code that biological material was collected from the crime scene or the victim of the offense for which the inmate is an eligible inmate and is requesting the DNA testing and that the parent sample of that biological material against which a sample from the inmate can be compared still exists at that point in time.

795

796

797

798

799

800

801

(2) The testing authority determines all of the following pursuant to section 2953.76 of the Revised Code regarding the parent sample of the biological material described in division (C)(1) of this section:

802

803

804

805

(a) The parent sample of the biological material so collected contains scientifically sufficient material to extract a test sample.

806

807

808

(b) The parent sample of the biological material so collected is not so minute or fragile as to risk destruction of the parent sample by the extraction described in division (D)(2)(a) of this section; provided that the court may determine in its discretion, on a case-by-case basis, that, even if the parent sample of the biological material so collected is so minute or fragile as to risk destruction of the parent sample by the extraction, the application should not be rejected solely on the basis of that risk.

809

810

811

812

813

814

815

816

817

(c) The parent sample of the biological material so collected has not degraded or been contaminated to the extent that it has become scientifically unsuitable for testing, and the parent sample otherwise has been preserved, and remains, in a condition that is scientifically suitable for testing.

818

819

820

821

822

(3) The court determines that, at the trial stage in the case in which the inmate was convicted of the offense for which the

823

824

inmate is an eligible inmate and is requesting the DNA testing,
the identity of the person who committed the offense was an issue.

825
826

(4) The court determines that one or more of the defense
theories asserted by the inmate at the trial stage in the case
described in division (C)(3) of this section or in a retrial of
that case in a court of this state was of such a nature that, if
DNA testing is conducted and an exclusion result is obtained, the
exclusion result will be outcome determinative.

827
828
829
830
831
832

(5) The court determines that, if DNA testing is conducted
and an exclusion result is obtained, the results of the testing
will be outcome determinative regarding that inmate.

833
834
835

(6) The court determines pursuant to section 2953.76 of the
Revised Code from the chain of custody of the parent sample of the
biological material to be tested and of any test sample extracted
from the parent sample, and from the totality of circumstances
involved, that the parent sample and the extracted test sample are
the same sample as collected and that there is no reason to
believe that they have been out of state custody or have been
tampered with or contaminated since they were collected.

Sec. 2953.75. (A) If an eligible inmate submits an
application for DNA testing under section 2953.73 of the Revised
Code, the court shall require the prosecuting attorney to use
reasonable diligence to determine whether biological material was
collected from the crime scene or victim of the offense for which
the inmate is an eligible inmate and is requesting the DNA testing
against which a sample from the inmate can be compared and whether
the parent sample of that biological material still exists at that
point in time. In using reasonable diligence to make those
determinations, the prosecuting attorney shall rely upon all
relevant sources, including, but not limited to, all of the
following:

845
846
847
848
849
850
851
852
853
854
855

(1) All prosecuting authorities in the case in which the inmate was convicted of the offense for which the inmate is an eligible inmate and is requesting the DNA testing and in the appeals of, and postconviction proceedings related to, that case; 856
857
858
859

(2) All law enforcement authorities involved in the investigation of the offense for which the inmate is an eligible offender and is requesting the DNA testing; 860
861
862

(3) All custodial agencies involved at any time with the biological material in question; 863
864

(4) The custodian of all custodial agencies described in division (A)(3) of this section; 865
866

(5) All crime laboratories involved at any time with the biological material in question; 867
868

(6) All other reasonable sources. 869

(B) The prosecuting attorney shall prepare a report that contains the prosecuting attorney's determinations made under division (A) of this section and shall file a copy of the report with the court and provide a copy to the eligible inmate and the attorney general. 870

874

Sec. 2953.76. If an eligible inmate submits an application for DNA testing under section 2953.73 of the Revised Code, the court shall require the prosecuting attorney to consult with the testing authority and to prepare findings regarding the quantity and quality of the parent sample of the biological material collected from the crime scene or victim of the offense for which the inmate is an eligible inmate and is requesting the DNA testing and that is to be tested, and of the chain of custody and reliability regarding that parent sample, as follows: 875
876
877
878
879
880
881
882
883

(A) The testing authority shall determine whether there is a scientifically sufficient quantity of the parent sample to test 884
885

and whether the parent sample is so minute or fragile that there 886
is a substantial risk that the parent sample could be destroyed in 887
testing. The testing authority may determine that there is not a 888
sufficient quantity to test in order to preserve the state's 889
ability to present in the future the original evidence presented 890
at trial, if another trial is required. Upon making its 891
determination under this division, the testing authority shall 892
prepare a written document that contains its determination and the 893
reasoning and rationale for that determination and shall provide a 894
copy to the court, the eligible inmate, the prosecuting attorney, 895
and the attorney general. The court may determine in its 896
discretion, on a case-by-case basis, that, even if the parent 897
sample of the biological material so collected is so minute or 898
fragile as to risk destruction of the parent sample by the 899
extraction, the application should not be rejected solely on the 900
basis of that risk. 901

(B) The testing authority shall determine whether the parent 902
sample has degraded or been contaminated to the extent that it has 903
become scientifically unsuitable for testing and whether the 904
parent sample otherwise has been preserved, and remains, in a 905
condition that is suitable for testing. Upon making its 906
determination under this division, the testing authority shall 907
prepare a written document that contains its determination and the 908
reasoning and rationale for that determination and shall provide a 909
copy to the court, the eligible inmate, the prosecuting attorney, 910
and the attorney general. 911

(C) The court shall determine, from the chain of custody of 912
the parent sample of the biological material to be tested and of 913
any test sample extracted from the parent sample and from the 914
totality of circumstances involved, whether the parent sample and 915
the extracted test sample are the same sample as collected and 916
whether there is any reason to believe that they have been out of 917

state custody or have been tampered with or contaminated since
they were collected. Upon making its determination under this
division, the court shall prepare and retain a written document
that contains its determination and the reasoning and rationale
for that determination.

Sec. 2953.77. (A) If an eligible inmate submits an
application for DNA testing under section 2953.73 of the Revised
Code and if the application is accepted and DNA testing is to be
performed, the court shall require that the chain of custody
remain intact and that all of the applicable following precautions
are satisfied to ensure that the parent sample of the biological
material collected from the crime scene or the victim of the
offense for which the inmate is an eligible inmate and requested
the DNA testing, and the test sample of the parent sample that is
extracted and actually is to be tested, are not contaminated
during transport or the testing process:

(5) After the DNA testing, the court, the testing authority, and the original custodial agency of the parent sample, or any combination of those entities, shall coordinate the return of the remaining parent sample back to its place of storage with the original custodial agency or to any other place determined in accordance with this division and section 2953.81 of the Revised Code. The court shall determine, in consultation with the testing authority, the custodial agency to maintain any newly created, extracted, or collected DNA material resulting from the testing. The court and testing authority shall document the return procedures for original materials and for any newly created, extracted, or collected DNA material resulting from the testing, and also the custodial agency to which those materials should be taken. 953

The sample of biological material shall be obtained from the inmate at the facility in which the inmate is housed, and the department shall make the inmate available at the specified time. (2) For purposes of division (C)(1) of this section: 1040

(a) An inmate's "refusal to submit to the collection of a sample of biological material from the inmate" includes, but is not limited to, the inmate's rejection of the physical manner in which a sample of the inmate's biological material is to be taken.

(b) An inmate's "hindrance of the state in obtaining a sample of biological material from the inmate" includes, but is not limited to, the inmate being physically or verbally uncooperative or antagonistic in the taking of a sample of the inmate's biological material.

(D) The extracting personnel shall make the determination as to whether an eligible inmate for whom DNA testing is to be performed is refusing to submit to the collection of a sample of biological material from the inmate or is hindering the state from obtaining a sample of biological material from the inmate at the time and date of the scheduled collection of the sample. If the extracting personnel determine that an inmate is refusing to submit to the collection of a sample or is hindering the state from obtaining a sample, the extracting personnel shall document in writing the conditions that constitute the refusal or hindrance, maintain the documentation, and notify the court of the inmate's refusal or hindrance.

Sec. 2953.80. (A) The attorney general shall not approve or designate a testing authority for conducting DNA testing under section 2953.78 of the Revised Code, and a court shall not select or use a testing authority for DNA testing under that section, unless the testing authority satisfies all of the following criteria:

(1) It is in compliance with nationally accepted quality assurance standards for forensic DNA testing, as published in the quality assurance standards for forensic DNA testing laboratories issued by the director of the federal bureau of investigation.

(2) It undergoes an annual internal or external audit for quality assurance in conformity with the standards identified in division (A)(1) of this section. 1072
1073
1074

(3) At least once in the preceding two-year period, and at least once each two-year period thereafter, it undergoes an external audit for quality assurance in conformity with the standards identified in division (A)(1) of this section. 1075
1076
1077
1078

(B) As used in division (A) of this section: 1079

(1) "External audit" means a quality assurance review of a testing authority that is conducted by a forensic DNA testing agency outside of, and not affiliated with, the testing authority. 1080
1081
1082

(2) "Internal audit" means an internal review of a testing authority that is conducted by the testing authority itself. 1083
1084

Sec. 2953.81. If an eligible inmate submits an application for DNA testing under section 2953.73 of the Revised Code and if DNA testing is performed based on that application, upon completion of the testing, all of the following apply: 1085
1086
1087
1088

(A) The court or a designee of the court shall require the state to maintain the results of the testing and to maintain and preserve both the parent sample of the biological material used and the inmate sample of the biological material used. The testing authority may be designated as the person to maintain the results of the testing or to maintain and preserve some or all of the samples, or both. The results of the testing remain state's evidence. The samples shall be preserved during the entire period of time for which the inmate is imprisoned relative to the prison term or sentence of death in question and, if that prison term expires or the inmate is executed under that sentence of death, for a reasonable period of time of not less than twenty-four months after the term expires or the inmate is executed. (C) The court or the testing authority shall provide a copy 1107
of the results of the testing to the prosecuting attorney, the 1108
attorney general, and the subject inmate. 1109

(D) If the postconviction proceeding in question is pending 1110
at that time in a court of this state, the court of common pleas 1111
that decided the DNA application or the testing authority shall 1112
provide a copy of the results of the testing to any court of this 1113
state, and, if it is pending in a federal court, the court of 1114
common pleas that decided the DNA application or the testing 1115
authority shall provide a copy of the results of the testing to 1116
that federal court. 1117

(E) The testing authority shall provide a copy of the results 1118
of the testing to the court of common pleas that decided the DNA 1119
application. 1120

(F) The inmate or the state may enter the results of the 1121
testing into any proceeding. 1122

Sec. 2953.82. (A) An inmate who pleaded guilty or no contest 1123
to a felony offense that was committed prior to the effective date 1124
of this section may request DNA testing under this section 1125
regarding that offense if all of the following apply: 1126

(1) The inmate was sentenced to a prison term or sentence of 1127
death for that felony and, on the effective date of this section, 1128
is in prison serving that prison term or under that sentence of 1129
death. 1130

(2) On the date on which the inmate files the application 1131

requesting the testing with the court as described in division (B) of this section, the inmate has at least one year remaining on the prison term described in division (A)(1) of this section, or the inmate is in prison under a sentence of death as described in that division.

(B) An inmate who pleaded guilty or no contest to a felony offense that was committed prior to the effective date of this section, who satisfies the criteria set forth in division (A) of this section, and who wishes to request DNA testing under this section shall submit, in accordance with this division, an application for the testing to the court of common pleas and the prosecuting attorney. The inmate shall specify on the application the offense or offenses for which the inmate is requesting the DNA testing under this section. Along with the application, the inmate shall submit an acknowledgment that is signed by the inmate. The application and acknowledgment required under this division shall be the same application and acknowledgment as are used by eligible inmates who request DNA testing under sections 2953.71 to 2953.81 of the Revised Code.

(C) Within forty-five days after the filing of an application for DNA testing under division (B) of this section, the prosecuting attorney shall file a statement with the court that indicates whether the prosecuting attorney agrees or disagrees that the inmate should be permitted to obtain DNA testing under this section. If the prosecuting attorney agrees that the inmate should be permitted to obtain DNA testing under this section, all of the following apply:

1156
1157
1158
1159
1160
1161
1162

(1) The application and the written statement shall be 1163
considered for all purposes as if they were an application for DNA 1164
testing filed under section 2953.73 of the Revised Code that the 1165
court accepted, and the court, the prosecuting attorney, the 1166
attorney general, the inmate, law enforcement personnel, and all 1167
other involved persons shall proceed regarding DNA testing for the 1168
inmate pursuant to sections 2953.77 to 2953.81 of the Revised 1169
Code, in the same manner as if the inmate was an eligible inmate 1170
for whom an application for DNA testing had been accepted. 1171

(2) Upon completion of the DNA testing, section 2953.81 of 1172
the Revised Code applies. 1173

(D) If the prosecuting attorney disagrees that the inmate 1174
should be permitted to obtain DNA testing under this section, the 1175
prosecuting attorney's disagreement is final and is not appealable 1176
by any person to any court, and no court shall have authority, 1177
without agreement of the prosecuting attorney, to order DNA 1178
testing regarding that inmate and the offense or offenses for 1179
which the inmate requested DNA testing in the application. 1180

(E) If the prosecuting attorney fails to file a statement of 1181
agreement or disagreement within the time provided in division (C) 1182
of this section, the court may order the prosecuting attorney to 1183

the order. 1185

Sec. 2953.83. In any court proceeding under sections 2953.71 1186
to 2953.82 of the Revised Code, the Rules of Criminal Procedure 1187
apply, except to the extent that sections 2953.71 to 2953.82 of 1188
the Revised Code provide a different procedure or to the extent 1189
that the Rules would by their nature be clearly inapplicable. 1190

Section 2. That existing sections 109.573, 2953.21, and 1191
2953.23 of the Revised Code are hereby repealed. 1192
