Submission of the application for the certificate of title and payment of the applicable tax within the required seven business days may be indicated by postmark or receipt by a clerk within that period.

(ii) Upon receipt of the certificate of title with the security interest noted on its face, the dealer or leasing dealer shall forward the certificate of title to the secured party at the location noted in the financing documents or otherwise specified by the secured party.

(iii) A motor vehicle dealer or motor vehicle leasing dealer is liable to a secured party for a late fee of ten dollars per day for each certificate of title application and payment of the applicable tax that is submitted to a clerk more than seven business days but less than twenty-one days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle and, from then on, twenty-five dollars per day until the application and applicable tax are submitted to a clerk.

(b) In all cases of transfer of a motor vehicle, the application for certificate of title shall be filed within thirty days after the assignment or delivery of the motor vehicle. If an application for a certificate of title is not filed within the period specified in division (A)(5)(b) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be required from a motor vehicle salvage dealer, as defined in division (A) of section 4738.01 of the Revised Code, who immediately surrenders the certificate of title for cancellation. The fee

shall be in addition to all other fees established by this chapter, and shall be retained by the clerk. The registrar shall provide, on the certificate of title form prescribed by section 4505.07 of the Revised Code, language necessary to give evidence of the date on which the assignment or delivery of the motor vehicle was made.

(6) As used in division (A) of this section, "lease agreement," "lessee," and "sublease agreement" have the same meanings as in section 4505.04 of the Revised Code.

(B) The clerk, except as provided in this section, shall refuse to accept for filing any application for a certificate of title and shall refuse to issue a certificate of title unless the dealer or manufactured home broker or the applicant, in cases in which the certificate shall be obtained by the buyer, submits with the application payment of the tax levied by or pursuant to Chapters 5739. and 5741. of the Revised Code based on the purchaser's county of residence. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner showing payment of the tax or a receipt issued by the commissioner showing the payment of the tax. When submitting payment of the tax to the clerk, a dealer shall retain any discount to which the dealer is entitled under section 5739.12 of the Revised Code.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent, and the clerk shall pay the poundage fee into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

In the case of casual sales of motor vehicles, as defined in section 4517.01 of the Revised Code, the price for the purpose of determining the tax shall be the purchase price on the assigned certificate of title executed by the seller and filed with the clerk by the buyer on a form to be prescribed by the registrar, which shall be prima-facie evidence of the amount for the

determination of the tax.

(C)(1) If the transferor indicates on the certificate of title that the odometer reflects mileage in excess of the designed mechanical limit of the odometer, the clerk shall enter the phrase "exceeds mechanical limits" following the mileage designation. If the transferor indicates on the certificate of title that the odometer reading is not the actual mileage, the clerk shall enter the phrase "nonactual: warning - odometer discrepancy" following the mileage designation. The clerk shall use reasonable care in transferring the information supplied by the transferor, but is not liable for any errors or omissions of the clerk or those of the clerk's deputies in the performance of the clerk's duties created by this chapter.

The registrar shall prescribe an affidavit in which the transferor shall swear to the true selling price and, except as provided in this division, the true odometer reading of the motor vehicle. The registrar may prescribe an affidavit in which the seller and buyer provide information pertaining to the odometer reading of the motor vehicle in addition to that required by this section, as such information may be required by the United States secretary of transportation by rule prescribed under authority of subchapter IV of the "Motor Vehicle Information and Cost Savings Act," 86 Stat. 961 (1972), 15 U.S.C. 1981.

(2) Division (C)(1) of this section does not require the giving of information concerning the odometer and odometer reading of a motor vehicle when ownership of a motor vehicle is being transferred as a result of a bequest, under the laws of intestate succession, to a survivor pursuant to section 2106.18, 2131.12, or 4505.10 of the Revised Code, to a transfer-on-death beneficiary or beneficiaries pursuant to section 2131.13 of the Revised Code, or in connection with the creation of a security interest.

(D) When the transfer to the applicant was made in some other state or in interstate commerce, the clerk, except as provided in this section, shall refuse to issue any certificate of title unless the tax imposed by or pursuant to Chapter 5741. of the Revised Code based on the purchaser's county of residence has been paid as evidenced by a receipt issued by the tax commissioner, or unless the applicant submits with the application payment of the tax. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner, showing payment of the tax.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

When the vendor is not regularly engaged in the business of selling motor vehicles, the vendor shall not be required to purchase a vendor's license or make reports concerning those sales.

(E) The clerk shall accept any payment of a tax in cash, or by cashier's check, certified check, draft, money order, or teller check issued by any insured financial institution payable to the clerk and submitted with an application for a certificate of title under division (B) or (D) of this section. The clerk also may accept payment of the tax by corporate, business, or personal check, credit card, electronic transfer or wire transfer, debit card, or any other accepted form of payment made payable to the clerk. The clerk may require bonds, guarantees, or letters of credit to ensure the collection of corporate, business, or personal checks. Any service fee charged by a third party to a clerk for the use of any form of payment may be paid by the clerk from the certificate of title administration fund created in section 325.33 of the Revised Code, or may be assessed by the clerk upon the applicant as an additional fee. Upon collection, the additional fees shall be paid by the clerk into that certificate of title administration fund.

The clerk shall make a good faith effort to collect any payment of taxes due but not made because the payment was returned or dishonored, but the clerk is not personally liable for the payment of uncollected taxes or uncollected fees. The clerk shall notify the tax commissioner of any such payment of taxes that is due but not made and shall furnish the information to the commissioner that the commissioner requires. The clerk shall deduct the amount of taxes due but not paid from the clerk's periodic remittance of tax payments, in accordance with procedures agreed upon by the tax commissioner. The commissioner may collect taxes due by assessment in the manner provided in section 5739.13 of the Revised Code.

Any person who presents payment that is returned or dishonored for any reason is liable to the clerk for payment of a penalty over and above the amount of the taxes due. The clerk shall determine the amount of the penalty, and the penalty shall be no greater than that amount necessary to

compensate the clerk for banking charges, legal fees, or other expenses incurred by the clerk in collecting the returned or dishonored payment. The remedies and procedures provided in this section are in addition to any other available civil or criminal remedies. Subsequently collected penalties, poundage fees, and title fees, less any title fee due the state, from returned or dishonored payments collected by the clerk shall be paid into the certificate of title administration fund. Subsequently collected taxes, less poundage fees, shall be sent by the clerk to the treasurer of state at the next scheduled periodic remittance of tax payments, with information as the commissioner may require. The clerk may abate all or any part of any penalty assessed under this division.

(F) In the following cases, the clerk shall accept for filing an application and shall issue a certificate of title without requiring payment or evidence of payment of the tax:

(1) When the purchaser is this state or any of its political subdivisions, a church, or an organization whose purchases are exempted by section 5739.02 of the Revised Code;

(2) When the transaction in this state is not a retail sale as defined by section 5739.01 of the Revised Code;

(3) When the purchase is outside this state or in interstate commerce and the purpose of the purchaser is not to use, store, or consume within the meaning of section 5741.01 of the Revised Code;

(4) When the purchaser is the federal government;

(5) When the motor vehicle was purchased outside this state for use outside this state;

(6) When the motor vehicle is purchased by a nonresident of this state for immediate removal from this state, and will be permanently titled and registered in another state, as provided by division (B)(23) of section 5739.02 of the Revised Code, and upon presentation of a copy of the affidavit provided by that section, and a copy of the exemption certificate provided by section 5739.03 of the Revised Code.

The clerk shall forward all payments of taxes, less poundage fees, to the treasurer of state in a manner to be prescribed by the tax commissioner and shall furnish information to the commissioner as the commissioner requires.

(G) An application, as prescribed by the registrar and agreed to by the tax commissioner, shall be filled out and sworn to by the buyer of a motor vehicle in a casual sale. The application shall contain the following notice in bold lettering: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by law to state the true selling price. A false statement is in violation of section 2921.13 of the Revised

Code and is punishable by six months' imprisonment or a fine of up to one thousand dollars, or both. All transfers are audited by the department of taxation. The seller and buyer must provide any information requested by the department of taxation. The buyer may be assessed any additional tax found to be due."

(H) For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the clerk shall accept for filing, pursuant to Chapter 5739. of the Revised Code, an application for a certificate of title for a manufactured home or mobile home without requiring payment of any tax pursuant to section 5739.02, 5741.021, 5741.022, or 5741.023 of the Revised Code, or a receipt issued by the tax commissioner showing payment of the tax. For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the applicant shall pay to the clerk an additional fee of five dollars for each certificate of title issued by the clerk for a manufactured or mobile home pursuant to division (H) of section 4505.11 of the Revised Code and for each certificate of title issued upon transfer of ownership of the home. The clerk shall credit the fee to the county certificate of title administration fund, and the fee shall be used to pay the expenses of archiving those certificates pursuant to division (A) of section 4505.08 and division (H)(3) of section 4505.11 of the Revised Code. The tax commissioner shall administer any tax on a manufactured or mobile home pursuant to Chapters 5739. and 5741. of the Revised Code.

(I) Every clerk shall have the capability to transact by electronic means all procedures and transactions relating to the issuance of motor vehicle certificates of title that are described in the Revised Code as being accomplished by electronic means.

Sec. 4981.20. (A) Any real or personal property, or both, of the Ohio rail development commission that is acquired, constructed, reconstructed, enlarged, improved, furnished, or equipped, or any combination thereof, and leased or subleased under authority of sections 4981.11 to 4981.26 of the Revised Code shall be subject to ad valorem, sales, use, and franchise taxes and to zoning, planning, and building regulations and fees, to the same extent and in the same manner as if the lessee-user or sublessee-user thereof, rather than the issuer, had acquired, constructed, reconstructed, enlarged, improved, furnished, or equipped, or any combination thereof, such real or personal property, and title thereto was in the name of such lessee-user or sublessee-user.

The transfer of tangible personal property by lease or sublease under authority of sections 4981.11 to 4981.26 of the Revised Code is not a sale as used in Chapter 5739. of the Revised Code. The exemptions provided in

divisions (B)(1) and (14) of section 5739.02 of the Revised Code shall not be applicable to purchases for a project under sections 4981.11 to 4981.26 of the Revised Code.

The issuer shall be exempt from all taxes on its real or personal property, or both, which has been acquired, constructed, reconstructed, enlarged, improved, furnished, or equipped, or any combination thereof, under sections 4981.11 to 4981.26 of the Revised Code so long as such property is used by the issuer for purposes ~~which~~ that would otherwise exempt such property; has ceased to be used by a former lessee-user or sublessee-user and is not occupied or used; or has been acquired by the issuer but development has not yet commenced. The exemption shall be effective as of the date the exempt use begins. All taxes on the exempt real or personal property for the year should be prorated and the taxes for the exempt portion of the year shall be remitted by the county auditor.

(B) Bonds issued under sections 4981.11 to 4981.26 of the Revised Code, the transfer thereof, and the interest and other income from the bonds, including any profit made on the sale thereof, are free from taxation within the state.

The county treasurer may select only those eligible parcels for which taxes, assessments, penalties, interest, and charges have not yet been paid or for which a valid delinquent tax contract under section 323.31 of the Revised Code is not in force. Each certificate shall contain the same information as is required to be contained in the delinquent land list. The county treasurer shall compile a separate list, the list of parcels selected for tax certificate sales, including the same information as is required to be included in the delinquent land list.

Upon compiling the list of parcels selected for tax certificate sales, the county treasurer may conduct a title search for any parcel on the list.

(B)(1) When tax certificates are to be sold under section 5721.32 of the Revised Code with respect to parcels, the county treasurer shall send written notice by certified or registered mail to either the owner of record or all interested parties discoverable through a title search, or both, of each parcel on the list. A notice to an owner shall be sent to the owner's last known tax

mailing address. The notice shall inform the owner or interested parties that a tax certificate will be offered for sale on the parcel, and that the owner or interested parties may incur additional expenses as a result of the sale.

(2) When tax certificates are to be sold under section 5721.33 of the Revised Code with respect to parcels, the county treasurer, at least sixty days prior to the date of sale of such tax certificates, shall send written notice of the sale by certified or registered mail, or both, to the last known tax-mailing address of the record owner of the property or parcel ~~and~~ or to all parties with an interest in the property that has been recorded in the property records of the county pursuant to section 317.08 of the Revised Code, ~~the or to such owner and all such parties.~~ The notice shall state that a tax certificate will be offered for sale on the parcel, and that the owner or interested parties may incur additional expenses as a result of the sale.

(C) The county treasurer shall advertise the sale of tax certificates under section 5721.32 of the Revised Code in a newspaper of general circulation in the county, once a week for two consecutive weeks. The advertisement shall include the date, the time, and the place of the public auction, descriptions of the parcels, and the names of the owners of record of the parcels.

(D) After the county treasurer has compiled the list of parcels selected for tax certificate sales but before a tax certificate respecting a parcel is sold, if the owner of record of the parcel pays to the county treasurer in cash the full amount of delinquent taxes, assessments, penalties, interest, and charges then due and payable or enters into a valid delinquent tax contract under section 323.31 of the Revised Code to pay that amount, the owner of record of the parcel also shall pay a fee in an amount prescribed by the treasurer to cover the administrative costs of the treasurer under this section respecting the parcel and credited to the tax certificate administration fund.

(E) A tax certificate administration fund shall be created in the county treasury of each county selling tax certificates under sections 5721.30 to 5721.41 of the Revised Code. The fund shall be administered by the county treasurer, and used solely for the purposes of sections 5721.30 to 5721.41 of the Revised Code. Any fee received by the treasurer under sections 5721.30 to 5721.41 of the Revised Code shall be credited to the fund, except the bidder registration fee under division (B) of section 5721.32 of the Revised Code and the county prosecuting attorney's fee under division (B)(3) of section 5721.37 of the Revised Code.

certificates from each of the participating counties shall be offered for sale at public auction. Before the regional sale, each county treasurer shall advertise the sale for the parcels in the treasurer's county as required by division (C) of this section. At the regional sale, tax certificates shall be sold on parcels from one county at a time, with all of the certificates for one county offered for sale before any certificates for the next county are offered for sale.

(G) The tax commissioner shall prescribe the form of the tax certificate under this section, and county treasurers shall use the form prescribed by the commissioner.

owns or controls the warehouse, distribution center, or similar facility, to retail stores of an affiliated group of which that person is a member, or by means of direct marketing. Division (E)(12) of this section does not apply to motor vehicles registered for operation on the public highways. As used in division (E)(12) of this section, "affiliated group" has the same meaning as in division (B)(3)(e) of this section and "direct marketing" has the same meaning as in division (B)(36) of section 5739.02 of the Revised Code.

(13) To use or consume the thing transferred to fulfill a contractual obligation incurred by a warrantor pursuant to a warranty provided as a part of the price of the tangible personal property sold or by a vendor of a warranty, maintenance or service contract, or similar agreement the provision of which is defined as a sale under division (B)(7) of this section;

As used in division (E) of this section, "thing" includes all transactions included in divisions (B)(3)(a), (b), and (e) of this section.

Sales conducted through a coin-operated device that activates vacuum equipment or equipment that dispenses water, whether or not in combination with soap or other cleaning agents or wax, to the consumer for the consumer's use on the premises in washing, cleaning, or waxing a motor vehicle, provided no other personal property or personal service is provided as part of the transaction, are not retail sales or sales at retail.

If the retail sale

consists of the rental or lease of tangible personal property, "price" means the aggregate value in money of anything paid or delivered, or promised to be paid or delivered, in the complete performance of the rental or lease, without any deduction for tax, interest, labor or service charge, damage liability waiver, termination or damage charge, discount paid or allowed after the lease is consummated, or any other expense. Except as provided in division (H)(4) of this section, the sales tax shall be calculated and collected by the lessor on each payment made by the lessee. "Price" does not include the consideration received as a deposit refundable to the consumer upon return of a beverage container, the consideration received as a deposit on a carton or case that is used for such returnable containers, or the consideration received as a refundable security deposit for the use of tangible personal property to the extent that it actually is refunded, if the consideration for such refundable deposit is separately stated from the consideration received or to be received for the tangible personal property transferred in the retail sale. Such separation must appear in the sales agreement or on the initial invoice or initial billing rendered by the vendor to the consumer. "Price" also does not include delivery charges that are separately stated on the initial invoice or initial billing rendered by the vendor. Price is the amount received inclusive of the tax, provided the vendor establishes to the satisfaction of the tax commissioner that the tax was added to the price. When the price includes both a charge for tangible personal property and a charge for providing a service and the sale of the property and the charge for the service are separately taxable, or have a separately determinable tax status, the price shall be separately stated for each such charge so the tax can be correctly computed and charged.

The tax collected by the vendor from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state and of counties levying an additional sales tax pursuant to section 5739.021 or 5739.026 of the Revised Code and of transit authorities levying an additional sales tax pursuant to section 5739.023 of the Revised Code. If the total amount of the consideration for the lease includes amounts that are not calculated at the time the lease is executed, the tax shall be calculated and collected by the vendor at the time such amounts are billed to the lessee. In the case of an open-end lease, the sales tax shall be calculated by the vendor on the basis of the total amount to be paid during the initial fixed term of the lease, and then for each subsequent renewal period as it comes due.

Sec. 5739.03. (A) Except as provided in section 5739.05 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's

agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale shall be reported on and the amount of the tax applicable thereto shall be remitted with the return for the period in which the sale is made, and the amount of the tax shall become a legal charge in favor of the vendor and against the consumer.

(B)(1) If any sale is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be provided either in a hard copy form or electronic form, as prescribed by the tax commissioner. If the transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the exemption certificate shall be provided by both the contractor and the contractee. Such contractee shall be deemed to be the consumer of all items purchased under such claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certificate shall be in such form as the tax commissioner by regulation prescribes.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within the period for filing the return for the period in which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided; or ~~to have so~~ obtained; a certificate shall not prevent a vendor or consumer from establishing that the sale is not subject to the tax within one hundred twenty days of the giving of notice by the commissioner of intention to levy an assessment, in which event the tax shall not apply.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed

or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741. of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused

from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment contesting the assessment of tax on sales for which the vendor obtained no valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination on the assessment and petition for reassessment.

(F) Whenever a vendor refunds to the consumer the full price of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the full amount of the tax paid.

Sec. 5739.11. As used in this section, "food service operator" means a vendor who conducts a food service operation under Chapter 3717. of the Revised Code.

Each vendor shall keep complete and accurate records of sales, together with a record of the tax collected on the sales, which shall be the amount due under sections 5739.01 to 5739.31 of the Revised Code, and shall keep all invoices, bills of lading, and other such pertinent documents. Alternatively, any food service operator who has not been convicted under section 5739.99 of the Revised Code, with respect to the vendor's food service operation, may keep a sample of primary sales records. Such sample shall consist of all sales invoices, guest checks, cash register tapes, and other such documents for each of fourteen days in every calendar quarter. The specific days to be included in the sample shall be determined by the tax commissioner and entered in the commissioner's journal within ten days after the close of every calendar quarter. The tax commissioner shall notify each such operator registered pursuant to section 5739.17 of the Revised

Code who requests such notification of the days to be included in each sample by the last day of the month following the close of each calendar quarter. The notice also shall contain a statement that destruction of primary records for time periods other than the specified sample period is optional, and that some operators may wish to keep all such records for four full years so as to be able to clearly demonstrate that they have fully complied with this chapter and Chapter 5741. of the Revised Code. The tax commissioner shall further make such determination known through a general news release.

Each vendor shall keep exemption certificates required to be obtained under section 5739.03 of the Revised Code. If the vendor makes sales not subject to the tax and not required to be evidenced by an exemption certificate, the vendor's records shall show the identity of the purchaser, if the sale was exempted by reason of such identity, or the nature of the transaction, if exempted for any other reason. Vendors are not required to differentiate in record-keeping between sales that are exempt from taxation under division (B)(2) of section 5739.02 of the Revised Code and those that are exempt under division (B)(16) of that section. Such records and other documents required to be kept by this section shall be open during business hours to the inspection of the tax commissioner, and shall be preserved for a period of four years, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer.

Sec. 5741.02. (A) For the use of the general revenue fund of the state, an excise tax is hereby levied on the storage, use, or other consumption in this state of tangible personal property or the benefit realized in this state of any service provided. The tax shall be collected pursuant to the schedules in section 5739.025 of the Revised Code.

(B) Each consumer, storing, using, or otherwise consuming in this state tangible personal property or realizing in this state the benefit of any service provided, shall be liable for the tax, and such liability shall not be extinguished until the tax has been paid to this state; provided, that the consumer shall be relieved from further liability for the tax if the tax has been paid to a seller in accordance with section 5741.04 of the Revised Code or prepaid by the seller in accordance with section 5741.06 of the Revised Code.

(C) The tax does not apply to the storage, use, or consumption in this state of the following described tangible personal property or services, nor to the storage, use, or consumption or benefit in this state of tangible personal property or services purchased under the following described circumstances:

(1) When the sale of property or service in this state is subject to the excise tax imposed by sections 5739.01 to 5739.31 of the Revised Code, provided said tax has been paid;

(2) Except as provided in division (D) of this section, tangible personal property or services, the acquisition of which, if made in Ohio, would be a sale not subject to the tax imposed by sections 5739.01 to 5739.31 of the Revised Code;

(3) Property or services, the storage, use, or other consumption of or benefit from which this state is prohibited from taxing by the Constitution of the United States, laws of the United States, or the Constitution of this state. This exemption shall not exempt from the application of the tax imposed by this section the storage, use, or consumption of tangible personal property that was purchased in interstate commerce, but that has come to rest in this state, provided that fuel to be used or transported in carrying on interstate commerce that is stopped within this state pending transfer from one conveyance to another is exempt from the excise tax imposed by this section and section 5739.02 of the Revised Code;

(4) Transient use of tangible personal property in this state by a nonresident tourist or vacationer, or a non-business use within this state by a nonresident of this state, if the property so used was purchased outside this state for use outside this state and is not required to be registered or licensed under the laws of this state;

(5) Tangible personal property or services rendered, upon which taxes have been paid to another jurisdiction to the extent of the amount of the tax paid to such other jurisdiction. Where the amount of the tax imposed by this section and imposed pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code exceeds the amount paid to another jurisdiction, the difference shall be allocated between the tax imposed by this section and any tax imposed by a county or a transit authority pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code, in proportion to the respective rates of such taxes.

As used in this subdivision, "taxes paid to another jurisdiction" means the total amount of retail sales or use tax or similar tax based upon the sale, purchase, or use of tangible personal property or services rendered legally, levied by and paid to another state or political subdivision thereof, or to the District of Columbia, where the payment of such tax does not entitle the taxpayer to any refund or credit for such payment.

(6) The transfer of a used manufactured home or used mobile home, as defined by section 5739.0210 of the Revised Code, made on or after January 1, 2000;

(7) Drugs that are or are intended to be distributed free of charge to a practitioner licensed to prescribe, dispense, and administer drugs to a human being in the course of a professional practice and that by law may be dispensed only by or upon the order of such a practitioner.

(D) The tax applies to the storage, use, or other consumption in this state of tangible personal property or services, the acquisition of which at the time of sale was excepted under division (E)(1) of section 5739.01 of the Revised Code from the tax imposed by section 5739.02 of the Revised Code, but which has subsequently been temporarily or permanently stored, used, or otherwise consumed in a taxable manner.

(E)(1) If any transaction is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer shall provide to the seller, and the seller shall obtain from the consumer, a certificate specifying the reason that the transaction is not subject to the tax. The certificate shall be provided either in a hard copy form or electronic form, as prescribed by the tax commissioner. If the transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the exemption certificate shall be provided by both the contractor and contractee. Such contractee shall be deemed to be the consumer of all items purchased under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certificate shall be in such form as the tax commissioner by rule prescribes. The seller shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(2) If no certificate is provided or obtained within the period for filing the return for the period in which the transaction is consummated, it shall be presumed that the tax applies. The failure to have so provided or obtained a certificate shall not preclude a seller or consumer from establishing, within one hundred twenty days of the giving of notice by the commissioner of intention to levy an assessment, that the transaction is not subject to the tax.

(F) A seller who files a petition for reassessment contesting the assessment of tax on transactions for which the seller obtained no valid exemption certificates, and for which the seller failed to establish that the transactions were not subject to the tax during the one-hundred-twenty-day period allowed under division (E) of this section, may present to the tax commissioner additional evidence to prove that the transactions were exempt. The seller shall file such evidence within ninety days of the receipt

by the seller of the notice of assessment, except that, upon application and for reasonable cause, the tax commissioner may extend the period for submitting such evidence thirty days.

(G) For the purpose of the proper administration of sections 5741.01 to 5741.22 of the Revised Code, and to prevent the evasion of the tax hereby levied, it shall be presumed that any use, storage, or other consumption of tangible personal property in this state is subject to the tax until the contrary is established.

SECTION 2. That existing sections 165.09, 902.11, 2915.01, 4505.06, 4981.20, 5721.31, 5739.01, 5739.02, 5739.03, 5739.11, and 5741.02 of the Revised Code are hereby repealed.

SECTION 3. Section 5739.01 of the Revised Code was amended by Am. Sub. H.B. 524, Am. Sub. S.B. 143, and Sub. S.B. 200, all of the 124th General Assembly. Comparison of these amendments in pursuance of section 1.52 of the Revised Code discloses that while certain of the amendments of these acts are reconcilable, certain other of the amendments are substantively irreconcilable. Am. Sub. H.B. 524 was passed on March 21, 2002; Am. Sub. S.B. 143 was passed on January 30, 2002; Sub. S.B. 200 was passed on March 13, 2002. Section 5739.01 of the Revised Code is therefore presented in this act as it results from Am. Sub. H.B. 524 and Sub. S.B. 200 and such of the amendments of Am. Sub. S.B. 143 as are not in conflict with the amendments of Sub. S.B. 200.
