A B I L L

To enact section 3734.576 of the Revised Code and to 1
amend Section 513.03 of Am. Sub. H.B. 66 of the 2
126th General Assembly to authorize a solid waste 3
management district to exempt automotive shredder 4
residue from the district's generation fee, to 5
extend the moratorium on the issuance of licenses 6
for new construction and demolition debris 7
facilities, and to create an exemption to the 8
moratorium under certain circumstances. 9

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3734.576 of the Revised Code be 10
enacted to read as follows: 11

Sec. 3734.576. (A) As used in this section: 12

(1) "Recycling" means the process of collecting, sorting, 13
cleansing, treating, and reconstituting waste or other discarded 14
materials for the purpose of recovering and reusing the materials. 15

(2) "Automotive shredder residue" means the nonrecyclable 16
residue that is generated as a direct result of processing 17

automobiles, appliances, sheet steel, and other ferrous and
nonferrous scrap metals through a hammermill shredder for purposes
of recycling and that meets all of the following requirements:

18
19
20

(a) The residue is solid waste.

21

(b) The residue is not hazardous waste.

22

(c) The residue created during the recycling process
comprises not more than thirty-five per cent of the total weight
of material that is processed for recycling.

23
24
25

(d) The residue is generated by processing recycled materials
that are to be sold, used, or reused within ninety days of the
time when the material is processed.

26
27
28

(B)(1) The solid waste management policy committee of a solid
waste management district that is levying a solid waste generation
fee under section 3734.573 of the Revised Code may adopt a
resolution exempting automotive shredder residue from that fee
without the necessity for ratification of the resolution or may
include the exemption in an amended solid waste management plan of
the district adopted under section 3734.56 of the Revised Code at
the time when adoption of an amended plan is required. Not later
than seven days after the adoption of such a resolution or the
approval of an amended plan, the committee shall notify by
certified mail the owner or operator of each solid waste disposal
facility or transfer facility that is required to collect
generation fees on behalf of the district of the exemption. The
exemption shall take effect on the first day of the first month
following the month in which notification is sent to each disposal
facility and transfer facility, as applicable.

29
30
31
32
33
34
35
36
37
38
39
40
41
42
43
44

The policy committee of a solid waste management district may
establish procedures and requirements, including record-keeping
procedures and requirements, that are necessary for the
administration and enforcement of an exemption established under

45
46
47
48

division (B)(1) of this section.

49

(2) If the policy committee of a solid waste management district has adopted a resolution under division (B)(1) of this section and the committee seeks to continue exempting automotive shredder residue from the district's generation fee at the time when the district is required to adopt an amended solid waste management plan under section 3734.56 of the Revised Code, the committee shall include the exemption in the amended plan of the district. If the exemption is not included in the amended plan of the district, the exemption shall expire and shall cease to apply as provided in division (C) of this section.

50

51

52

53

54

55

56

57

58

59

(C) If the policy committee of a solid waste management district seeks to eliminate an exemption of automotive shredder residue from the district's generation fee that was established under division (B)(1) of this section, the committee shall adopt a resolution eliminating the exemption without the necessity for ratification of the resolution. After adoption of the resolution and if the district has included the exemption in its amended solid waste management plan in accordance with either division (B)(1) or (2) of this section, the committee shall subsequently amend the plan to reflect the elimination of the exemption at the time when the adoption of an amended plan is required under section 3734.56 of the Revised Code.

60

61

62

63

64

65

66

67

68

69

70

71

Upon expiration of the exemption or adoption of a resolution eliminating the exemption, the policy committee shall notify by certified mail the owner or operator of each solid waste disposal facility or transfer facility that is required to collect generation fees on behalf of the district of the expiration or elimination of the exemption, as applicable. The exemption shall cease to apply on the first day of the first month following the month in which notification is sent to each disposal facility and transfer facility, as applicable.

72

73

74

75

76

77

78

79

80

Section 2. That Section 513.03 of Am. Sub. H.B. 66 of the 81
126th General Assembly be amended to read as follows: 82

Sec. 513.03. (A) Notwithstanding any provision of law to the 83
contrary and during the period beginning July 1, 2005, and ending 84
~~December 31~~ May 1, 2005 2006, or the effective date of H.B. 397 of 85
the 126th General Assembly, whichever is earlier, the Director of 86
Environmental Protection or a board of health as defined in 87
section 3714.01 of the Revised Code shall not issue a license to 88
open a new construction and demolition debris facility under 89
Chapter 3714. of the Revised Code and rules adopted under it. 90
Except as otherwise provided in this division, the moratorium 91
established by this division applies both with respect to an 92
application for a license to open a new construction and 93
demolition debris facility that is submitted on or after the 94
effective date of this section and to an application for such a 95
license that has been submitted to the Director or a board of 96
health prior to the effective date of this section, but concerning 97
which a license for a facility has not been issued as of that 98
effective date. 99

The board of county commissioners of a county may request the 100
Director or a board of health to continue to process an 101
application for a license to open a new construction and 102
demolition debris facility in that county that has been submitted 103
to the Director or board of health prior to the effective date of 104
this section. After receiving such a request from a board of 105
county commissioners, the Director or board of health may then 106
issue a license for the new construction and demolition debris 107
facility notwithstanding the moratorium established by this 108
division. 109

The moratorium established by this division does not apply to 110

a license for a new construction and demolition debris facility if
the new facility will be located adjacent or contiguous to a
previously licensed construction and demolition debris facility.
The moratorium also does not apply to an expansion of or other
modification to an existing licensed construction and demolition
debris facility.

111
112
113
114
115
116

(B) The moratorium established by division (A) of this
section does not apply to an application for a license to
establish a construction and demolition debris facility pending
before a board of health or the Director of Environmental
Protection, as applicable, prior to July 1, 2005, and such an
application shall be reviewed and the license shall be issued or
denied in accordance with Chapter 3714. of the Revised Code, if
all of the following apply to the applicant for the license:

117
118
119
120
121
122
123
124

(1) The applicant has acquired an interest in the property on
which the facility will be located on or before May 1, 2005.

125
126

(2) The applicant has begun a hydrogeologic investigation
pursuant to section 3745-400-09 of the Ohio Administrative Code
prior to submitting the application.

127
128
129

(3) The applicant has begun the engineering plans for the
facility prior to submitting the application.

130
131

(4) The application submitted by the applicant would have
been determined to be complete if the moratorium had not been in
effect.

132
133
134

The director shall determine whether this division applies to
an applicant within forty-five days after receiving an applicant's
request for a determination under this division.

135
136
137

(C)(1) There is hereby created the Construction and
Demolition Debris Facility Study Committee composed of the
following thirteen members:

138
139
140

(a) Three members of the House of Representatives appointed	141
by the Speaker of the House of Representatives;	142
(b) Three members of the Senate appointed by the President of	143
the Senate;	144
(c) The Director of Environmental Protection or the	145
Director's designee;	146
(d) One member representing health districts in the state	147
appointed by the Governor;	148
(e) Three members representing the construction and	149
demolition debris industry in the state appointed by the Governor,	150
one of whom shall be the owner of both a construction and	151
demolition debris facility and a solid waste disposal facility;	152
(f) Two members representing environmental consulting	153
organizations or firms in the state appointed by the Governor.	154
Appointments shall be made to the Committee not later than	155
fifteen days after the effective date of this section. Members of	156
the Committee shall not receive compensation for their service on	157
the Committee and shall not receive reimbursement for expenses	158
incurred related to that service.	159
(2) The Committee shall study the laws of this state	160
governing construction and demolition debris facilities and the	161
rules adopted under those laws and shall make recommendations to	162
the General Assembly regarding changes to those laws including,	163
but not limited to, recommendations concerning the following	164
topics:	165
(a) The establishment of a code of ethics for owners and	166
operators of construction and demolition debris facilities;	167
(b) The establishment of best management practices;	168
(c) Licensing requirements;	169

(d) Testing and monitoring requirements and protocols;	170
(e) Siting and setback criteria for construction and demolition debris facilities;	171 172
(f) State and local oversight and regulatory authority;	173
(g) Fees;	174
(h) The regulation of construction and demolition debris from sources inside and outside the state;	175 176
(i) The closure process for construction and demolition debris facilities.	177 178
(3) The Committee shall submit a report of its study and any recommendations that it has developed to the General Assembly not later than September 30, 2005. The Committee shall cease to exist on the date on which it submits its report.	179 180 181 182
The General Assembly shall enact legislation based on the recommendations of the Committee as soon as is practicable.	183 184
Section 3. That existing Section 513.03 of Am. Sub. H.B. 66 of the 126th General Assembly is hereby repealed.	185 186
