advisory committee for that calendar year. A resident may refuse
vaccination.

(C) Each home shall offer to each resident, in accordance
with guidelines issued by the advisory committee, vaccination
against pneumococcal pneumonia, unless the resident has already
received such vaccination or a physician has determined that
vaccination of the resident is medically inappropriate. Each
vaccine shall be of a form approved by the advisory committee for
that calendar year. A resident may refuse vaccination.

(D) The director of health may adopt rules under Chapter 119.
of the Revised Code as the director considers appropriate to
implement this section.

Sec. 3727.19. (A) As used in this section:

(1) "Advisory committee" means the advisory committee on
immunization practices of the United States centers for disease
control and prevention or its successor agency.

(2) "Physician" means an individual authorized under Chapter
4731. of the Revised Code to practice medicine and surgery or
osteopathic medicine and surgery.

(B) Each hospital shall offer to each patient who is admitted
to the hospital, in accordance with guidelines issued by the
advisory committee, vaccination against influenza, unless a
physician has determined that vaccination of the patient is
medically inappropriate. The vaccine shall be of a form approved
by the advisory committee for that calendar year. A patient may
refuse vaccination.

(C) Each hospital shall offer to each patient who is admitted
to the hospital, in accordance with guidelines issued by the
advisory committee, vaccination against pneumococcal pneumonia,
unless a physician has determined that vaccination of the patient
