(D) Subject to rules adopted by the public employees 203

computing an age and service retirement allowance under division 207
(A)(5) of section 145.33 of Revised Code, the allowance exceeds 208
the limit established by division (A)(6) of that section. 209

~~together with such interest as may have been allowed by the board~~ 261
~~at the end of each calendar year shall be refunded in the event of~~ 262
~~death prior to retirement or withdrawal of accumulated~~ 263
~~contributions as provided in sections 145.40 and 145.43 of the~~ 264
~~Revised Code or upon application of the contributor prior to age~~ 265

divisions (B), (C), and (F) of this section, and is a contingent 281
fund from which the special requirements of the funds may be paid 282
by transfer from this fund. All income derived from the investment 283
of the funds of the system, together with all gifts and bequests, 284
or the income therefrom, shall be paid into this fund. 285

Any deficit occurring in any other fund that will not be 286
covered by payments to that fund, as otherwise provided in Chapter 287
145. of the Revised Code, shall be paid by transfers of amounts 288
from the income fund to such fund or funds. If the amount in the 289
income fund is insufficient at any time to meet the amounts 290
payable to the funds described in divisions (C) and (F) of this 291
section, the amount of the deficiency shall be transferred from 292
the employers' accumulation fund. 293

The system may accept gifts and bequests. Any gifts or 294

fund is the fund from which shall be paid all benefits provided 312
under a PERS defined contribution plan. 313

Sec. 145.294. (A) The public employees retirement board may 314

Revised Code or purchasing any service credit members of the 317
public employees retirement system are eligible to purchase under 318
this chapter, or for making additional deposits under section 319
145.583 or 145.62 of the Revised Code. In addition to any other 320

all of the following: 322

(3) The procedure to be followed by the system and employers 331
to determine for each request the amount to be deducted, the 332
number of deductions to be made, and the interval at which 333

amount for each deduction or a maximum number of deductions for 335
the purchase of any type of credit. 336

(4) The procedure to be followed by employers in transmitting 337
amounts deducted from the salaries of their employees to the 338
system; 339

(5) The procedure to be followed by the system in crediting 340

this section, it shall certify to the member's employer for each 344
member for whom deductions are to be made, the amount of each 345
deduction and the payrolls from which deductions are to be made. 346
The employer shall make the deductions as certified and transmit 347
the amounts deducted in accordance with the rules established by 348

the Revised Code, including the right of a member under any such 352
section to purchase only part of the service credit the member is 353
eligible to purchase. 354

birth of the member's child, or adoption of a child, shall 418
constitute an automatic revocation of the member's previous 419

employees retirement system or the state teachers retirement 421
system, the beneficiary last established among the systems shall 422
be the sole beneficiary in all the systems. 423

If the accumulated contributions of a deceased member are not 424

the beneficiary next in order of precedence shall qualify as a 446

Any payment made to a beneficiary as determined by the ~~public~~ 448
~~employees retirement~~ board shall be a full discharge and release 449
to the board from any future claims. 450

receiving a monthly benefit and unpaid to the retirant or 452
recipient at death shall be paid to the beneficiary designated in 453
writing on a form approved by the board, signed by the retirant or 454

to the beneficiary's estate. 468

(E) If the validity of marriage cannot be established to the 469
satisfaction of the ~~retirement~~ board for the purpose of disbursing 470
any amount due under this section or section 145.45 of the Revised 471
Code, the board may accept a decision rendered by a court having 472
jurisdiction in the state in which the member was domiciled at the 473
time of death that the relationship constituted a valid marriage 474
at the time of death, or the "spouse" would have the same status 475
as a widow or widower for purposes of sharing the distribution of 476
the member's intestate personal property. 477

(F) As used in this division, "recipient" means an individual 478
who is receiving or may be eligible to receive an allowance or 479

equal to two and one-half per cent of the past due obligation. 833

under this section shall be sufficient, when combined with the 835
amount in the employers' accumulation fund, to provide amounts 836
payable under this chapter out of the fund, and if not, the 837
additional amount so required shall be collected by means of an 838
increased rate per cent which shall be certified to such employers 839
by the board. 840

effective only with regard to the spouse who is the subject of the 1036
consent or waiver. 1037

(E)(1) The death of a spouse or any designated beneficiary 1038
shall cancel the portion of an annuity providing continuing 1039

the contributor's deposits plus earnings shall be paid to the 1095
beneficiary's estate. 1096

(H) Receipt of the first month's annuity payment constitutes 1097

dissolution, legal separation, or refund under section 145.63 of 1120
the Revised Code, or the birth of the contributor's child, or 1121
adoption of a child, shall constitute an automatic revocation of 1122

the contributor's previous designation. 1123

If the deposits of a deceased contributor are not claimed by 1124
a beneficiary or by the estate of the deceased contributor within 1125
five years, the deposits shall be transferred to the income fund 1126
and thereafter paid to the beneficiary or to the contributor's 1127
estate on application to the system. The board shall formulate and 1128

beneficiary. 1143

Any payment made to a beneficiary as determined by the board 1144
shall be a full discharge and release to the board from any future 1145
claims. 1146

(D) If the validity of marriage cannot be established to the 1147
satisfaction of the board for the purpose of disbursing any amount 1148
due under sections 145.63 or 145.64 of the Revised Code, the board 1149
may accept a decision rendered by a court having jurisdiction in 1150
the state in which the contributor was domiciled at the time of 1151
death that the relationship constituted a valid marriage at the 1152

time of death, or the "spouse" would have the same status as a 1153
widow or widower for purposes of sharing the distribution of the 1154
contributor's intestate personal property. 1155

the Revised Code, no amount due under section 145.63 or 145.64 of 1161
the Revised Code to that beneficiary shall be paid to that 1162
beneficiary in the absence of a court order to the contrary filed 1163
with the board. 1164

Sec. 145.82. (A) Except as provided in divisions (B) and (C) 1165
of this section, sections 145.201 to 145.70 of the Revised Code do 1166
not apply to a PERS defined contribution plan, except that a PERS 1167
defined contribution plan may incorporate provisions of those 1168
sections as specified in the plan document. 1169

Code apply to a PERS defined contribution plan: 145.22, 145.221, 1171

145.70 of the Revised Code. 1175

(C) A PERS defined contribution plan that includes definitely 1176
determinable benefits may incorporate by reference all or part of 1177
sections 145.201 to 145.79 of the Revised Code to allow a member 1178
participating in the plan to purchase service credit or to be 1179
eligible for any of the following: 1180

(3) Additional increases under section 145.323 of the Revised 1184
Code; 1185

(4) A refund of contributions made by or on behalf of a 1186
member. 1187

this section, the public employees retirement board may establish 1189
eligibility requirements and benefit formulas or amounts that 1190
differ from those of members participating in the PERS defined 1191
benefit plan. With respect to the purchase of service credit by a 1192
member participating in a PERS defined contribution plan, the 1193
board may reduce the cost of the service credit to reflect the 1194

for life and one-half of the allowance continuing after death to 1201
the surviving spouse for the life of the spouse. 1202

document signed by the ~~member~~ spouse and the signature is 1204
witnessed by a notary public. A plan may waive the requirement of 1205
consent if the spouse is incapacitated or cannot be located or for 1206
any other reason specified by the plan or in rules adopted by the 1207
public employees retirement board. 1208

A plan shall waive the requirement of consent if a plan of 1209
payment that provides for payment in a specified portion of the 1210
retirement allowance continuing after the member's death to a 1211
former spouse is required by a court order issued under section 1212

3105.171 or 3105.65 of the Revised Code or laws of another state 1213
regarding division of marital property prior to the effective date 1214
of the member's retirement. If a court order requires this plan of 1215

accumulated amounts in accordance with the order. If the member is 1217
married, the plan of payment selected by the member also shall 1218
