To amend sections 4765.05, 4765.11, 4765.16, 4766.01,	1
4766.02, 4766.03, 4766.04, 4766.06, 4766.07,	2
4766.17, and 4766.20 and to enact sections	3
4765.101, 4765.102, 4765.111, 4765.112, 4765.113,	4
4765.114, 4765.115, and 4765.116 of the Revised	5
Code concerning the authority of the State Board	6
of Emergency Medical Services to suspend	7
certificates to practice emergency medical	8
services and revisions to the law governing air	9
medical transportation.	10

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 4765.05, 4765.11, 4765.16, 4766.01,114766.02, 4766.03, 4766.04, 4766.06, 4766.07, 4766.17, and 4766.2012be amended and sections 4765.101, 4765.102, 4765.111, 4765.112,134765.113, 4765.114, 4765.115, and 4765.116 of the Revised Code be14enacted to read as follows:15

Sec. 4765.05. (A) As used in this section, "prehospital 16 emergency medical services" means an emergency medical services 17 system that provides medical services to patients who require 18 immediate assistance, because of illness or injury, prior to their 19

arrival at an emergency medical facility.

(B) The state board of emergency medical services shall 21 divide the state geographically into prehospital emergency medical 22 services regions for purposes of overseeing the delivery of adult 23 and pediatric prehospital emergency medical services. These 24 regions shall consist of the same geographic regions as the health 25 service areas designated by the director of health under section 26 3702.58 of the Revised Code. For each prehospital emergency 27 medical services region, the state board of emergency medical 28 services shall appoint either a physician to serve as the regional 29 director or a physician advisory board to serve as the regional 30 advisory board. The state board of emergency medical services 31 shall specify the duties of each regional director and regional 32 advisory board. Regional directors and members of regional 33 advisory boards shall serve without compensation, but shall be 34 reimbursed for actual and necessary expenses incurred in carrying 35 out duties as regional directors and members of regional advisory 36 boards. 37 (C) Nothing in this section shall be construed to limit in 38 any way the ability of a hospital to determine the market area of 39

that hospital.

Sec. 4765.101. (A) The state board of emergency medical41services shall investigate any allegation that a person has42violated this chapter or a rule adopted under it.43

Any person may submit to the board a written complaint44regarding an alleged violation of this chapter or a rule adopted45under it. In the absence of fraud or bad faith, no person46submitting a complaint to the board or testifying in an47adjudication hearing conducted in accordance with Chapter 119. of48the Revised Code with regard to such an alleged violation shall be49liable to any person in damages in a civil action as a result of50

20

40

submitting the complaint or providing testimony.	51
(B) In investigating an allegation, the board may do any of	52
the following:	53
(1) Administer oaths;	54
(2) Order the taking of depositions;	55
(3) Issue subpoenas;	56
(4) Compel the attendance of witnesses and production of	57
books, accounts, papers, records, documents, and testimony.	58
(C) A subpoena for patient record information shall not be	59
issued without consultation with the attorney general's office and	60
approval of the executive director of the board. Before issuance	61
of a subpoena for patient record information, the executive	62
director shall determine whether there is probable cause to	63
believe that the complaint filed alleges a violation of this	64
chapter or any rule adopted under it and that the records sought	65
are relevant to the alleged violation and material to the	66
investigation. The subpoena may apply only to records that cover a	67
reasonable period of time surrounding the alleged violation.	68
(D) On failure to comply with any subpoena issued by the	69
board and after reasonable notice to the person being subpoenaed,	70
the board may move, pursuant to the Rules of Civil Procedure, for	71
an order compelling the production of persons or records.	72
(E) A subpoena issued by the board may be served by a	73
sheriff, the sheriff's deputy, or an investigator for the division	74
of emergency medical services of the department of public safety.	75
Service of a subpoena issued by the board may be made by	76
delivering a copy of the subpoena to the person named in it,	77
reading it to the person, or leaving it at the person's usual	78

place of residence. When the person being served is an individual79authorized by this chapter to practice emergency medical services,80

service of the subpoena may be made by certified mail, restricted	81
delivery, return receipt requested, and the subpoena shall be	82
deemed served on the date delivery is made or on the date that the	83
person refuses to accept delivery.	84

Sec. 4765.102. (A) As used in this section, "licensing 85 agency" means any entity that has the authority pursuant to Title 86 XLVII of the Revised Code to issue a license, and any other agency 87 of this or another state, other than the Ohio supreme court, that 88 has the authority to issue a license that authorizes an individual 89 to engage in an occupation or profession. "Licensing agency" 90 includes an administrative officer that has authority to issue a 91 license that authorizes an individual to engage in an occupation 92 or profession. 93

(B) Except as provided in divisions (C) and (D) of this 94 section and section 4765.111 of the Revised Code, all information 95 the state board of emergency medical services receives pursuant to 96 an investigation, including information regarding an alleged 97 violation of this chapter or rules adopted under it or a complaint 98 submitted under division (A) of section 4765.101 of the Revised 99 Code, is confidential, and is not subject to discovery in any 100 civil action, during the course of the investigation and any 101 adjudication proceedings that result from the investigation. Upon 102 completion of the investigation and any resulting adjudication 103 proceedings, the information is a matter of public record for 104 purposes of section 149.43 of the Revised Code. 105

(C) The board may release information otherwise made106confidential by division (B) of this section to law enforcement107officers or licensing agencies of this or another state that are108prosecuting, adjudicating, or investigating the holder of a109certificate issued under this chapter or a person who allegedly110engaged in the unauthorized provision of emergency medical111

112 <u>services.</u> A law enforcement officer or licensing agency with 113 information disclosed by the board under this division shall not 114 divulge the information other than for the purpose of an 115 adjudication by a court or licensing agency to which the subject 116 of the adjudication is a party. 117 (D) If an investigation conducted under section 4765.101 of 118 the Revised Code requires a review of patient records, the 119 investigation and proceedings related to it shall be conducted in 120 such a manner as to protect patient confidentiality. The board 121 shall not make public the name or any other identifying 122 information about a patient unless proper consent is given in 123 accordance with rules adopted by the board. If the patient is less 124 than eighteen years of age, the board shall obtain consent from 125 the patient's parent, guardian, or custodian. 126 Sec. 4765.11. (A) The state board of emergency medical 127 services shall adopt, and may amend and rescind, rules in 128 accordance with Chapter 119. of the Revised Code and division (C) 129 of this section that establish all of the following: 130 (1) Procedures for its governance and the control of its 131 actions and business affairs; 132 (2) Standards for the performance of emergency medical 133 services by first responders, emergency medical technicians-basic, 134 emergency medical technicians-intermediate, and emergency medical 135 technicians-paramedic; 136 (3) Application fees for certificates of accreditation, 137 certificates of approval, certificates to teach, and certificates 138 to practice, which shall be deposited into the trauma and 139 emergency medical services fund created in section 4513.263 of the 140 Revised Code; 141

(4) Criteria for determining when the application or renewal 142 fee for a certificate to practice may be waived because an 143 applicant cannot afford to pay the fee; 144 (5) Procedures for issuance and renewal of certificates of 145 accreditation, certificates of approval, certificates to teach, 146 and certificates to practice, including any procedures necessary 147 to ensure that adequate notice of renewal is provided in 148 accordance with division (D) of section 4765.30 of the Revised 149 Code; 150 (6) Procedures for suspending or revoking certificates of 151 accreditation, certificates of approval, certificates to teach, 152 and certificates to practice; 153 (7) Grounds for suspension or revocation of a certificate to 154 practice issued under section 4765.30 of the Revised Code and for 155 taking any other disciplinary action against a first responder, 156 EMT-basic, EMT-I, or paramedic; 157 (8) Procedures for taking disciplinary action against a first 158 responder, EMT-basic, EMT-I, or paramedic; 159 (9) Standards for certificates of accreditation and 160 certificates of approval; 161 (10) Qualifications for certificates to teach; 162 (11) Requirements for a certificate to practice; 163 (12) The curricula, number of hours of instruction and 164 training, and instructional materials to be used in adult and 165 pediatric emergency medical services training programs and adult 166 and pediatric emergency medical services continuing education 167 programs; 168 (13) Procedures for conducting courses in recognizing 169 symptoms of life-threatening allergic reactions and in calculating 170

proper dosage levels and administering injections of epinephrine

171

to adult and pediatric patients who suffer life-threatening	172
allergic reactions;	173
(14) Examinations for certificates to practice;	174
(15) Procedures for administering examinations for	175
certificates to practice;	176
(16) Procedures for approving examinations that demonstrate	177
competence to have a certificate to practice renewed without	178
completing an emergency medical services continuing education	179
program;	180
(17) Procedures for granting extensions and exemptions of	181
emergency medical services continuing education requirements;	182
(18) Procedures for approving the additional emergency	183
medical services first responders are authorized by division (C)	184
of section 4765.35 of the Revised Code to perform, EMTs-basic are	185
authorized by division (C) of section 4765.37 of the Revised Code	186
to perform, EMTs-I are authorized by division (B)(5) of section	187
4765.38 of the Revised Code to perform, and paramedics are	188
authorized by division (B)(6) of section 4765.39 of the Revised	189
Code to perform;	190
(19) Standards and procedures for implementing the	191
requirements of section 4765.06 of the Revised Code, including	192
designations of the persons who are required to report information	193
to the board and the types of information to be reported;	194
(20) Procedures for administering the emergency medical	195
services grant program established under section 4765.07 of the	196
Revised Code;	197
(21) Procedures consistent with Chapter 119. of the Revised	198
Code for appealing decisions of the board;	199
(22) Minimum qualifications and peer review and quality	200

202 to emergency medical service personnel: (23) The manner in which a patient, or a patient's parent, 203 quardian, or custodian may consent to the board releasing 204 identifying information about the patient under division (D) of 205 section 4765.102 of the Revised Code; 206 (24) Circumstances under which a training program or 207 continuing education program, or portion of either type of 208 program, may be taught by a person who does not hold a certificate 209 to teach issued under section 4765.23 of the Revised Code. 210 (B) The board may adopt, and may amend and rescind, rules in 211 accordance with Chapter 119. of the Revised Code and division (C) 212 of this section that establish the following: 213 (1) Specifications of information that may be collected under 214 the trauma system registry and incidence reporting system created 215 under section 4765.06 of the Revised Code; 216 (2) Standards and procedures for implementing any of the 217 recommendations made by any committees of the board or under 218 section 4765.57 of the Revised Code; 219 (3) Requirements that a person must meet to receive a 220 certificate to practice as a first responder pursuant to division 221 (A)(2) of section 4765.30 of the Revised Code; 222 (4) Any other rules necessary to implement this chapter. 223 (C) In developing and administering rules adopted under this 224 chapter, the state board of emergency medical services shall 225 consult with regional directors and regional physician advisory 226 boards created by section 4765.05 of the Revised Code and 227 emphasize the special needs of pediatric and geriatric patients. 228

(D) Except as otherwise provided in this division, before 229 adopting, amending, or rescinding any rule under this chapter, the 230 board shall submit the proposed rule to the director of public 231

232 safety for review. The director may review the proposed rule for 233 not more than sixty days after the date it is submitted. If, 234 within this sixty-day period, the director approves the proposed 235 rule or does not notify the board that the rule is disapproved, 236 the board may adopt, amend, or rescind the rule as proposed. If, 237 within this sixty-day period, the director notifies the board that 238 the proposed rule is disapproved, the board shall not adopt, 239 amend, or rescind the rule as proposed unless at least twelve 240 members of the board vote to adopt, amend, or rescind it.

This division does not apply to an emergency rule adopted in 241 accordance with section 119.03 of the Revised Code. 242

Sec. 4765.111. Except as provided in this section or sections2434765.112 to 4765.116 of the Revised Code, the state board of244emergency medical services shall conduct disciplinary proceedings245regarding the holder of a certificate issued under this chapter in246accordance with rules adopted by the board under section 4765.11247of the Revised Code.248

The board and a holder of a certificate are the parties to a 249 hearing conducted under this chapter. Either party may submit a 250 written request to the other party for a list of witnesses and 251 copies of documents intended to be introduced at the hearing. The 252 request shall be in writing and shall be served not less than 253 thirty-seven days prior to the commencement of the hearing, unless 254 the hearing officer or presiding board member grants an extension 255 of time to make the request. Not later than thirty days before the 256 hearing, the responding party shall provide the requested list of 257 witnesses and copies of documents to the requesting party, unless 258 the hearing officer or presiding board member grants an extension 259 of time to provide the list and copies. 260

Failure to timely provide a list or copies requested in261accordance with this section shall result in exclusion from the262

						263
hearing of	the	witnesses,	testimony,	or	documents.	205

Sec. 4765.112. (A) The state board of emergency medical	264
services, by an affirmative vote of the majority of its members,	265
may suspend without a prior hearing a certificate to practice	266
issued under this chapter if the board determines that there is	267
clear and convincing evidence that continued practice by the	268
certificate holder presents a danger of immediate and serious harm	269
to the public and that the certificate holder has done any of the	270
<u>following:</u>	271
(1) Furnished false, fraudulent, or misleading information to	272
the board;	273
(2) Engaged in activities that exceed those permitted by the	274
<u>individual's certificate;</u>	275
(3) In a court of this or any other state or federal court	276
been convicted of, pleaded guilty to, or been the subject of a	277
judicial finding of guilt of, a judicial finding of guilt	278
resulting from a plea of no contest to, or a judicial finding of	279
eligibility for intervention in lieu of conviction for, a felony	280
or for a misdemeanor committed in the course of practice or	281
<u>involving gross immorality or moral turpitude.</u>	282
(B) Immediately following the decision to impose a summary	283
suspension, the board, in accordance with section 119.07 of the	284
Revised Code, shall issue a written order of suspension, cause it	285
to be delivered to the certificate holder, and notify the	286
certificate holder of the opportunity for a hearing. If timely	287
requested by the certificate holder, a hearing shall be conducted	288
in accordance with section 4765.115 of the Revised Code.	289

Sec. 4765.113. If the state board of emergency medical290services imposes a suspension on the basis of a conviction,291judicial finding, or plea as described in division (A)(3) of292

section 4765.112 of the Revised Code that is overturned on appeal,	293
the certificate holder, on exhaustion of the criminal appeal	294
process, may file with the board a petition for reconsideration of	295
the suspension along with appropriate court documents. On receipt	296
of the petition and documents, the board shall reinstate the	297
certificate holder's certificate to practice.	298

Sec. 4765.114. (A) A certificate to practice emergency	299
medical services issued under this chapter is automatically	300
suspended on the certificate holder's conviction of, plea of	301
guilty to, or judicial finding of guilt of any of the following:	302
aggravated murder, murder, voluntary manslaughter, felonious	303
assault, kidnapping, rape, sexual battery, gross sexual	304
imposition, aggravated arson, aggravated burglary, aggravated	305
robbery, or a substantially equivalent offense committed in this	306
or another jurisdiction. Continued practice after the suspension	307
is practicing without a certificate.	308

(B) If the state board of emergency medical services has309knowledge that an automatic suspension has occurred, it shall310notify, in accordance with section 119.07 of the Revised Code, the311certificate holder of the suspension and of the opportunity for a312hearing. If timely requested by the certificate holder, a hearing313shall be conducted in accordance with section 4765.115 of the314Revised Code.315

Sec. 4765.115. (A) A suspension order issued under section3164765.112 or automatic suspension under section 4765.114 of the317Revised Code is not subject to suspension by a court prior to a318hearing under this section or during the pendency of any appeal319filed under section 119.12 of the Revised Code.320

(B) A suspension order issued under section 4765.112 or321automatic suspension under section 4765.114 of the Revised Code322

remains in effect, unless reversed by the state board of emergency	323
medical services, until a final adjudication order issued by the	324
board pursuant to this section becomes effective.	325
	226
(C) Hearings requested pursuant to section 4765.112 or	326
4765.114 of the Revised Code shall be conducted under this section	327
in accordance with Chapter 119. of the Revised Code.	328
(D) A hearing under this section shall be held not later than	329
forty-five days but not earlier than forty days after the	330
certificate holder requests it, unless another date is agreed to	331
by the certificate holder and the board.	332
(E) After completion of an adjudication hearing, the board	333
may adopt, by an affirmative vote of the majority of its members,	334
a final adjudication order that imposes any of the following	335
sanctions:	336
(1) Suspension of the holder's certificate to practice;	337
(2) Revocation of the holder's certificate to practice;	338
(3) Issuance of a written reprimand;	339
(4) A refusal to renew or a limitation on the holder's	340
<u>certificate to practice.</u>	341
The board shall issue its final adjudication order not later	342
than forty-five days after completion of an adjudication hearing.	343
If the board does not issue a final order within that time period,	344
the suspension order is void, but any final adjudication order	345
subsequently issued is not affected.	346
(F) Any action taken by the board under this section	347
resulting in a suspension from practice shall be accompanied by a	348
written statement of the conditions under which the certificate to	349
practice may be reinstated. Reinstatement of a certificate	350
suspended under this section requires an affirmative vote by the	351
majority of the members of the board.	352

(G) WHEN the board revokes of refuses to refinitate a	555
certificate to practice, the board may specify that its action is	354
permanent. An individual subject to permanent action taken by the	355
board is forever ineligible to hold a certificate of the type	356
revoked or refused, and the board shall not accept from the	357
individual an application for reinstatement of the certificate or	358
for a new certificate.	359
Sec. 4765.116. If a certificate holder subject to a	360
suspension order issued by the state board of emergency medical	361
services under section 4765.112 or an automatic suspension order	362
under section 4765.114 of the Revised Code fails to make a timely	363
request for a hearing, the following apply:	364
(A) In the case of a certificate holder subject to a summary	365
suspension order, the board is not required to hold a hearing, but	366
may adopt, by an affirmative vote of a majority of its members, a	367
final order that contains the board's findings. In the final	368
order, the board may order any of the sanctions listed in division	369
(E) of section 4765.115 of the Revised Code.	370
(B) In the case of a certificate holder subject to an	371
automatic suspension order, the board may adopt, by an affirmative	372
vote of a majority of its members, a final order that permanently	373

revokes the holder's certificate to practice.

Sec. 4765.16. (A) All courses offered through an emergency 375 medical services training program or an emergency medical services 376 continuing education program, other than ambulance driving, shall 377 be developed under the direction of a physician who specializes in 378 emergency medicine. Each course that deals with trauma care shall 379 be developed in consultation with a physician who specializes in 380 trauma surgery. Each Except as specified by the state board of 381 emergency medical services pursuant to rules adopted under section 382

353

374

4765.11 of the Revised Code, each course offered through a 383 training program or continuing education program shall be taught 384 by a person who holds the appropriate certificate to teach issued 385 under section 4765.23 of the Revised Code. 386 (B) A training program for first responders shall meet the 387 standards established in rules adopted by the state board of 388 emergency medical services under section 4765.11 of the Revised 389 Code. The program shall include courses in both of the following 390 areas for at least the number of hours established by the board's 391 rules: 392 (1) Emergency victim care; 393 (2) Reading and interpreting a trauma victim's vital signs. 394 (C) A training program for emergency medical 395 technicians-basic shall meet the standards established in rules 396 adopted by the board under section 4765.11 of the Revised Code. 397 The program shall include courses in each of the following areas 398 for at least the number of hours established by the board's rules: 399 (1) Emergency victim care; 400 (2) Reading and interpreting a trauma victim's vital signs; 401 (3) Triage protocols for adult and pediatric trauma victims; 402 (4) In-hospital training; 403 (5) Clinical training; 404 (6) Training as an ambulance driver. 405 Each operator of a training program for emergency medical 406 technicians-basic shall allow any pupil in the twelfth grade in a 407 secondary school who is at least seventeen years old and who 408 otherwise meets the requirements for admission into such a 409 training program to be admitted to and complete the program and, 410 as part of the training, to ride in an ambulance with emergency 411 medical technicians-basic, emergency medical 412

	413
technicians-intermediate, and emergency medical	
technicians-paramedic. Each emergency medical service organization	414
shall allow pupils participating in training programs to ride in	415
an ambulance with emergency medical technicians-basic, advanced	416
emergency medical technicians-intermediate, and emergency medical	417
technicians-paramedic.	418
(D) A training program for emergency medical	419
technicians-intermediate shall meet the standards established in	420
rules adopted by the board under section 4765.11 of the Revised	421
Code. The program shall include, or require as a prerequisite, the	422
training specified in division (C) of this section and courses in	423
each of the following areas for at least the number of hours	424
established by the board's rules:	425
(1) Recognizing symptoms of life-threatening allergic	426
reactions and in calculating proper dosage levels and	427
administering injections of epinephrine to persons who suffer	428
life-threatening allergic reactions, conducted in accordance with	429
rules adopted by the board under section 4765.11 of the Revised	430
Code;	431
(2) Venous access procedures;	432
(3) Cardiac monitoring and electrical interventions to	433
support or correct the cardiac function.	434

technicians-paramedic shall meet the standards established in	436
rules adopted by the board under section 4765.11 of the Revised	437
Code. The program shall include, or require as a prerequisite, the	438
training specified in divisions (C) and (D) of this section and	439
courses in each of the following areas for at least the number of	440
hours established by the board's rules:	441
(1) Medical terminology;	442

(2) Venous access procedures;	443
(3) Airway procedures;	444
(4) Patient assessment and triage;	445
(5) Acute cardiac care, including administration of	446
parenteral injections, electrical interventions, and other	447
emergency medical services;	448
(6) Emergency and trauma victim care beyond that required	449
under division (C) of this section;	450
(7) Clinical training beyond that required under division (C)	451
of this section.	452
(F) A continuing education program for first responders,	453
EMTs-basic, EMTs-I, or paramedics shall meet the standards	454
established in rules adopted by the board under section 4765.11 of	455
the Revised Code. A continuing education program shall include	456
instruction and training in subjects established by the board's	457
rules for at least the number of hours established by the board's	458
rules.	459
Sec. 4766.01. As used in this chapter:	460
(A) "Advanced life support" means treatment described in	461
section 4765.39 of the Revised Code that a paramedic is certified	462
to perform.	463
(B) "Air medical service organization program" means a	464
program operated by a person that provides air medical	465
transportation to the public which furnishes, conducts, maintains,	466
advertises, promotes, or otherwise engages in providing emergency	467
medical services with a rotorcraft air ambulance or fixed wing air	468
ambulance.	469
(C) "Air medical transportation" is the use of a rotorcraft	470
air ambulance or fixed wing air ambulance to provide	471

transportation and advanced life support to seriously ill,	472
injured, wounded, or otherwise incapacitated or helpless	473
individuals who require use of a stretcher from airport to airport	474
or from an emergency scene to a hospital or other medical care	475
setting means the transporting of a patient by rotorcraft air	476
ambulance or fixed wing air ambulance with appropriately licensed	477
and certified medical personnel.	478
(D) "Ambulance" means any motor vehicle that is specifically	479
designed, constructed, or modified and equipped and is intended to	480
be used to provide basic life support, intermediate life support,	481
advanced life support, or mobile intensive care unit services and	482
transportation upon the streets or highways of this state of	483
persons who are seriously ill, injured, wounded, or otherwise	484

incapacitated or helpless. "Ambulance" does not include air 485 medical transportation or a vehicle designed and used solely for 486 the transportation of nonstretcher-bound persons, whether 487 hospitalized or handicapped or whether ambulatory or confined to a 488 wheelchair. 489

(E) "Ambulette" means a motor vehicle that is specifically
designed, constructed, or modified and equipped and is intended to
be used for transportation upon the streets or highways of this
492
state of persons who require use of a wheelchair.

(F) "Basic life support" means treatment described in section 494
4765.37 of the Revised Code that an EMT-basic is certified to 495
perform. 496

(G) "Disaster situation" means any condition or situation
 described by rule of the Ohio medical transportation board as a
 mass casualty, major emergency, natural disaster, or national
 emergency.

(H) "Emergency medical service organization" means an501organization that uses EMTs-basic, EMTs-I, or paramedics, or a502

	503
combination thereof of EMTs-basic, EMTs-I, and paramedics, to	504
provide medical care to victims of illness or injury. An emergency	505
medical service organization includes, but is not limited to, a	506
commercial ambulance service organization, a hospital, and a	507
funeral home.	507
(I) "EMT-basic," "EMT-I," and "paramedic" have the same	508
meanings as in section 4765.01 of the Revised Code.	509
(J) "Fixed wing air ambulance" means a fixed wing aircraft	510
operated that is specifically designed, constructed, or modified	511
and equipped and is intended to be used as a means of air medical	512
transportation.	513
(K) "Intermediate life support" means treatment described in	514
section 4765.38 of the Revised Code that an EMT-I is certified to	515
perform.	516
(L) "Major emergency" means any emergency event that cannot	517
be resolved through the use of locally available emergency	518
resources.	519
(M) "Mass casualty" means an emergency event that results in	520
ten or more persons being injured, incapacitated, made ill, or	521
killed.	522
(N) "Medical emergency" means an unforeseen event affecting	523
an individual in such a manner that a need for immediate care is	524
created.	525
(0) <u>"Mobile intensive care unit" means an ambulance used only</u>	526
for maintaining specialized or intensive care treatment and used	527
primarily for interhospital transports of patients whose	528
conditions require care beyond the scope of a paramedic as	529
provided in section 4765.39 of the Revised Code.	530
(P)(1) "Nonemergency medical service organization" means a	531
person that does both of the following:	532

(a) Provides services to the public on a regular basis for
533
the purpose of transporting individuals who require the use of a
534
wheelchair or are confined to a wheelchair to receive health care
services at health care facilities or health care practitioners'
536
offices in nonemergency circumstances;
537

(b) Provides the services for a fee, regardless of whether
538
the fee is paid by the person being transported, a third party
payer, as defined in section 3702.51 of the Revised Code, or any
other person or government entity.
541

(2) "Nonemergency medical service organization" does not
542
include a health care facility, as defined in section 1751.01 of
543
the Revised Code, that provides ambulette services only to
544
patients of that facility.

(P) "Mobile intensive care unit" means an ambulance used only 546 for maintaining specialized or intensive care treatment and used 547 primarily for interhospital transports of patients whose 548 conditions require care beyond the scope of a paramedic as 549 provided in section 4765.39 of the Revised Code. 550

(Q) "Nontransport vehicle" means a motor vehicle operated by
 a licensed emergency medical service organization not as an
 ambulance, but as a vehicle for providing services in conjunction
 with the ambulances operated by the organization or other
 service organizations.

(R) "Patient" means any individual who as a result of illness 556 or injury needs medical attention, whose physical or mental 557 condition is such that there is imminent danger of loss of life or 558 significant health impairment, who may be otherwise incapacitated 559 or helpless as a result of a physical or mental condition, or 560 whose physical condition requires the use of a wheelchair. 561

(S) "Rotorcraft air ambulance" means a helicopter or otheraircraft capable of vertical takeoffs, vertical landings, and563

hovering that is specifically designed, constructed, or modified	564
and equipped and is intended to be used as a means of air medical	565
transportation.	566

Sec. 4766.02. (A) There is hereby created the Ohio medical 567 transportation board, consisting of nine voting members and one 568 nonvoting member, who shall be residents of this state and 569 570 appointed by the governor with the advice and consent of the senate. Except as provided in division (B) of this section, 571 members shall serve terms of two years. One voting member shall be 572 a member of the Ohio ambulance association; two voting members, 573 one of whom shall be a licensed funeral director, shall be owners 574 or operators of private emergency medical service organizations 575 operating in this state; one voting member shall be a consumer of 576 emergency medical services who is not associated with any public 577 or private emergency medical service organization; one voting 578 member shall be an official with a public emergency medical 579 service organization; two voting members shall be owners or 580 operators of nonemergency medical service organizations that 581 provide ambulette services only τ_i and two voting members shall be 582 members of the Ohio association of critical care transport, one 583 member representing air-based services and the other representing 584 a ground-based mobile intensive care unit organization. A 585 physician who holds a certificate to practice issued under Chapter 586 4731. of the Revised Code and who is a member of the American 587 college of emergency physicians shall serve as the nonvoting 588 member. The board shall annually select from its membership a 589 chair and a vice-chair to act as chair in the chair's absence. 590

(B) Any member appointed to fill a vacancy occurring prior to 591
the expiration date of the term for which the member's predecessor 592
was appointed shall hold office for the remainder of that term. 593
Every member shall continue in office subsequent to the expiration 594

date of the member's term until the member's successor takes	595
office, or until a period of sixty days has elapsed, whichever	596
occurs first.	597
(C) Five members shall constitute a quorum for the	598
transaction of business, and the affirmative vote of five members	599
is required for the board to take any official action. The board,	600
after notice and hearing, may remove a member by majority vote for	601
malfeasance, misfeasance, or nonfeasance.	602
Members of the board shall be reimbursed for actual and	603
necessary expenses incurred in attending meetings of the board and	604
in the performance of their official duties. The board may hire	605
such employees as are necessary to enable it to execute its	606
duties.	607
(D) The division of emergency medical services within the	608
department of public safety shall provide the board with office	609
space, but the board shall not be a part of the division or the	610
department.	611
(E) The board is the sole supervisory body regarding the	612
licensing of private ambulance service organizations in this	613
state.	614
(F) The board is the sole supervisory body regarding the	615
licensing of private nonemergency medical service organizations in	616
this state.	617
(G) The board is the sole supervisory body regarding the	618
licensing of private air medical service organizations programs in	619

Sec. 4766.03. (A) The Ohio medical transportation board shall 621
adopt rules, in accordance with Chapter 119. of the Revised Code, 622
implementing the requirements of this chapter. The rules shall 623
include provisions relating to the following: 624

(1) Requirements for an emergency medical service	625
organization to receive a permit for an ambulance or nontransport	626
vehicle;	627
(2) Requirements for an emergency medical service	628
organization to receive a license as a basic life-support,	629
intermediate life-support, advanced life-support, or mobile	630
intensive care unit organization;	631
(3) Requirements for a nonemergency medical service	632
organization to receive a permit for an ambulette vehicle;	633
(4) Requirements for a nonemergency medical service	634
organization to receive a license for an ambulette service;	635
(5) Requirements for an air medical service organization	636
program to receive a permit for a rotorcraft air ambulance or	637
fixed wing air ambulance;	638
(6) Requirements for licensure of air medical service	639
organizations programs;	640
(7) Forms for applications and renewals of licenses and	641
permits;	642
(8) Requirements for record keeping of service responses made	643
by licensed emergency medical service organizations;	644
	с 4 г
(9) Fee amounts for licenses and permits, and <u>their</u> renewals	645 646
	040
(10) Inspection requirements for licensees' vehicles or	647
aircraft, records, and physical facilities;	648
(11) Fee amounts for inspections of ambulances, ambulettes,	649
rotorcraft air ambulances, fixed wing air ambulances, and	650
nontransport vehicles;	651
(12) Requirements for ambulances and nontransport vehicles	652
used by licensed emergency medical service organizations, for	653

ambulette vehicles used by licensed nonemergency medical service654organizations, and for rotorcraft air ambulances or fixed wing air655ambulances used by licensed air medical service organizations656programsthat specify for each type of vehicle or aircraft the657types of equipment that must be carried, the communication systems658that must be maintained, and the personnel who must staff the659vehicle or aircraft;660

(13) The level of care each type of emergency medical service
 organization, nonemergency medical service organization, and air
 medical service organization program is authorized to provide;

(14) Eligibility requirements for employment as an ambulette 664 driver, including grounds for disqualification due to the results 665 of a motor vehicle law violation check, chemical test, or criminal 666 records check. The rule may require that an applicant for 667 employment as an ambulette driver provide a set of fingerprints to 668 law enforcement authorities if the applicant comes under final 669 consideration for employment. 670

(15) Any other rules that the board determines necessary for671the implementation and enforcement of this chapter.672

(B) In the rules for ambulances and nontransport vehicles
adopted under division (A)(12) of this section, the board may
establish requirements that vary according to whether the
emergency medical service organization using the vehicles is
licensed as a basic life-support, intermediate life-support,
advanced life-support, or mobile intensive care unit organization.

(C) A mobile intensive care unit that is not dually certified
to provide advanced life-support and meets the requirements of the
rules adopted under this section is not required to carry
immobilization equipment, including board splint kits, traction
splints, backboards, backboard straps, cervical immobilization
devices, cervical collars, stairchairs stair chairs, folding cots,

or other types of immobilization equipment determined by the board 685 to be unnecessary for mobile intensive care units. 686

A mobile intensive care unit is exempt from the emergency 687 medical technician staffing requirements of division (B) of 688 section 4765.43 of the Revised Code when it is staffed by at least 689 one physician or registered nurse and another person, designated 690 by a physician, who holds a valid license or certificate to 691 practice in a health care profession, and when at least one of the 692 persons staffing the mobile intensive care unit is a registered 693 nurse whose training meets or exceeds the training required for a 694 paramedic. 695

Sec. 4766.04. (A) Except as otherwise provided in this 696 chapter, no person shall furnish, operate, conduct, maintain, 697 advertise, engage in, or propose or profess to engage in the 698 business or service in this state of transporting persons who are 699 seriously ill, injured, or otherwise incapacitated or who require 700 the use of a wheelchair or are confined to a wheelchair unless the 701 person is licensed pursuant to this section. 702

(B) To qualify for a license as a basic life-support, 703
intermediate life-support, advanced life-support, or mobile 704
intensive care unit organization, an emergency medical service 705
organization shall do all of the following: 706

(1) Apply for a permit for each ambulance and nontransport
 vehicle owned or leased as provided in section 4766.07 of the
 Revised Code;

(2) Meet all requirements established in rules adopted by the
Ohio medical transportation board regarding ambulances and
nontransport vehicles, including requirements pertaining to
equipment, communications systems, staffing, and level of care the
particular organization is permitted to render;

(3) Maintain the appropriate type and amount of insurance as	715
specified in section 4766.06 of the Revised Code;	716
(4) Meet all other requirements established under rules	717
adopted by the board for the particular license.	718
(C) To qualify for a license to provide ambulette service, a	719
nonemergency medical service organization shall do all of the	720
following:	721
(1) Apply for a permit for each ambulette owned or leased as	722
provided in section 4766.07 of the Revised Code;	723
(2) Meet all requirements established in rules adopted by the	724
Ohio medical transportation board regarding ambulettes, including	725
requirements pertaining to equipment, communication systems,	726
staffing, and level of care the organization is permitted to	727
render;	728
(3) Maintain the appropriate type and amount of insurance as	729
specified in section 4766.06 of the Revised Code;	730
(4) Meet all other requirements established under rules	731
adopted by the board for the license.	732
(D) To qualify for a license to provide air medical	733
transportation, an <u>the operator of an</u> air medical service	734
organization program shall do all of the following:	735
(1) Apply for a permit for each rotorcraft air ambulance and	736
fixed wing air ambulance owned or leased as provided in section	737
4766.07 of the Revised Code;	738
(2) Meet all requirements established in rules adopted by the	739
Ohio medical transportation board regarding rotorcraft air	740
ambulances and fixed wing air ambulances, including requirements	741
pertaining to equipment, communication systems, staffing, and	742
level of care the organization program is permitted to render;	743
(3) Maintain the appropriate type and amount of insurance as	744

specified in section 4766.06 of the Revised Code;	745
(4) Meet all other requirements established under rules	746
adopted by the board for the license.	747
(E) An emergency medical service organization that applies	748
for a license as a basic life-support, intermediate life-support,	749
advanced life-support, or mobile intensive care unit organization;	750
a nonemergency medical service organization that applies for a	751
license to provide ambulette service; or an <u>operator of an</u> air	752
medical service organization program that applies for a license to	753
provide air medical transportation shall submit a completed	754
application to the board, on a form provided by the board for each	755
particular license, together with the appropriate fees established	756
under section 4766.05 of the Revised Code. The application form	757
shall include all of the following:	758
(1) The name and business address of the operator of the	759
organization or program for which licensure is sought;	760
(2) The name under which the applicant will operate the	761
organization <u>or program</u> ;	762
(3) A list of the names and addresses of all officers and	763
directors of the organization or program;	764
(4) For emergency medical service organizations and	765
nonemergency medical service organizations, a description of each	766
vehicle to be used, including the make, model, year of	767
manufacture, mileage, vehicle identification number, and the color	768
scheme, insignia, name, monogram, or other distinguishing	769
characteristics to be used to designate the applicant's vehicle;	770
(5) For air medical service organizations programs using	771
fixed wing air ambulances, a description of each aircraft to be	772
used, including the make, model, year of manufacture, and aircraft	773
Hobbs meter hour reading;	774

(6) For air medical service organizations programs using	775
rotorcraft air ambulances, a description of each aircraft to be	776
used, including the make, model, year of manufacture, aircraft	777
Hobbs meter hour reading, aircraft identification number, and the	778
color scheme, insignia, name, monogram, or other distinguishing	779
characteristics to be used to designate the applicant's rotorcraft	780
air ambulance;	781
(7) The location and description of each place from which the	782
organization or program will operate;	783
(8) A description of the geographic area to be served by the	784
applicant;	785
appricant	705
(9) Any other information the board, by rule, determines	786
necessary.	787
(F) Within sixty days after receiving a completed application	788
for licensure as a basic life-support, intermediate life-support,	789
advanced life-support, or mobile intensive care unit organization;	790
an ambulette service; or an air medical service organization	791
program, the board shall approve or deny the application. The	792
board shall deny an application if it determines that the	793
applicant does not meet the requirements of this chapter or any	794
rules adopted under it. The board shall send notice of the denial	795
of an application by certified mail to the applicant. The	796
applicant may request a hearing within ten days after receipt of	797
the notice. If the board receives a timely request, it shall hold	798
a hearing in accordance with Chapter 119. of the Revised Code.	799
(G) If an applicant or licensee operates or plans to operate	800
an organization in more than one location under the same or	801
different identities, the applicant or licensee shall apply for	802

and meet all requirements for licensure or renewal of a license,803other than payment of a license fee or renewal fee, for operating804the organization at each separate location. An applicant or805

806 licensee that operates or plans to operate under the same 807 organization identity in separate locations shall pay only a 808 single license fee.

(H) An emergency medical service organization that wishes to 809 provide ambulette services to the public must apply for a separate 810 license under division (C) of this section. 811

(I) Each license issued under this section and each permit 812 issued under section 4766.07 of the Revised Code expires one year 813 after the date of issuance and may be renewed in accordance with 814 the standard renewal procedures of Chapter 4745. of the Revised 815 Code, except that a license or permit issued in 1998 or in 1999 816 prior to June 30, 1999, shall expire two years after the date of 817 issuance. An application for renewal shall include the license or 818 permit renewal fee established under section 4766.05 of the 819 Revised Code. An applicant for renewal of a permit also shall 820 submit to the board proof of an annual inspection of the vehicle 821 or aircraft for which permit renewal is sought. The board shall 822 renew a license if the applicant meets the requirements for 823 licensure and shall renew a permit if the applicant and vehicle or 824 aircraft meet the requirements to maintain a permit for that 825 vehicle or aircraft. 826

(J) Each licensee shall maintain accurate records of all 827 service responses conducted. The records shall be maintained on 828 forms prescribed by the board and shall contain information as 829 specified by rule by the board. 830

Sec. 4766.06. (A)(1) Every emergency medical service 831 organization and nonemergency medical service organization 832 licensee under this chapter shall furnish adequate evidence of 833 liability insurance coverage, in an amount of not less than five 834 hundred thousand dollars per occurrence and not less than five 835 hundred thousand dollars in the aggregate, for any cause for which 836

the licensee would be liable.

(2) Every <u>operator of an air medical service organization</u>
838
licensee program licensed under this chapter shall furnish
839
adequate evidence of liability insurance coverage, in an amount
840
not less than twenty million dollars per occurrence and not less
841
than twenty million dollars in the aggregate, for any cause for
842
which the licensee would be liable.

(B) In addition to the insurance requirements of division (A) 844 of this section, every licensee shall carry bodily injury and 845 property damage insurance with solvent and responsible insurers 846 licensed to do business in this state for any loss or damage 847 resulting from any occurrence arising out of or caused by the 848 operation or use of any ambulance, ambulette, rotorcraft air 849 ambulance, fixed wing air ambulance, or nontransport vehicle. The 850 insurance shall insure each vehicle or aircraft for the sum of not 851 less than one hundred thousand dollars for bodily injury to or 852 death of any one person arising out of any one accident and the 853 sum of not less than three hundred thousand dollars for bodily 854 injury to or death of more than one person in any one accident and 855 for the sum of fifty thousand dollars for damage to property 856 arising from any one accident. 857

(C) Each policy or contract of insurance issued shall provide
 858
 for the payment and satisfaction of any financial judgment entered
 859
 against the licensee and any person operating the vehicle or
 860
 <u>aircraft</u> and for a thirty-day cancellation notice to the board.
 861

Sec. 4766.07. (A) Each emergency medical service862organization, nonemergency medical service organization, and863operator of an air medical service organization program subject to864licensure under this chapter shall possess a valid permit for each865ambulance, ambulette, rotorcraft air ambulance, fixed wing air866

837

. . .

ambulance, and nontransport vehicle it owns or leases that is or 867 will be used by the licensee to perform the services permitted by 868 the license. Each licensee and license applicant shall submit the 869 appropriate fee and an application for a permit for each 870 ambulance, ambulette, rotorcraft air ambulance, fixed wing air 871 ambulance, and nontransport vehicle to the Ohio medical 872 transportation board on forms provided by the board. The 873 application shall include documentation that the vehicle or 874 aircraft meets the appropriate standards set by the board, that 875 the vehicle or aircraft has been inspected pursuant to division 876 (C) of this section, that the permit applicant maintains insurance 877 as provided in section 4766.06 of the Revised Code, and that the 878 vehicle or aircraft and permit applicant meet any other 879 requirements established under rules adopted by the board. 880

(B)(1) Within sixty days after receiving a completed 881 application for a permit, the board shall issue or deny the 882 permit. The board shall deny an application if it determines that 883 the permit applicant, vehicle, or aircraft does not meet the 884 requirements of this chapter and the rules adopted under it that 885 apply to permits for ambulances, ambulettes, rotorcraft air 886 ambulances, fixed wing air ambulances, and nontransport vehicles. 887 The board shall send notice of the denial of an application by 888 certified mail to the permit applicant. The permit applicant may 889 request a hearing within ten days after receipt of the notice. If 890 the board receives a timely request, it shall hold a hearing in 891 accordance with Chapter 119. of the Revised Code. 892

(2) If the board issues the vehicle permit for an ambulance, 893
ambulette, or nontransport vehicle, it also shall issue a decal, 894
in a form prescribed by rule, to be displayed on the rear window 895
of the vehicle. The board shall not issue a decal until all of the 896
requirements for licensure and permit issuance have been met. 897

(3) If the board issues the aircraft permit for a rotorcraft 898 air ambulance or fixed wing air ambulance, it also shall issue a 899 decal, in a form prescribed by rule, to be displayed on the left 900 fuselage aircraft window in a manner that complies with all 901 applicable federal aviation regulations. The board shall not issue 902 a decal until all of the requirements for licensure and permit 903 issuance have been met.

(C) In addition to any other requirements that the board 905 establishes by rule, a licensee or license applicant applying for 906 an initial vehicle or aircraft permit under division (A) of this 907 section shall submit to the board the vehicle or aircraft for 908 which the permit is sought. Thereafter, a licensee shall annually 909 submit to the board each vehicle or aircraft for which a permit 910 has been issued. 911

(1) The board shall conduct a physical inspection of an
 912
 ambulance, ambulette, or nontransport vehicle to determine its
 913
 roadworthiness and compliance with standard motor vehicle
 914
 requirements.

(2) The board shall conduct a physical inspection of the 916 medical equipment, communication system, and interior of an 917 ambulance to determine the operational condition and safety of the 918 equipment and the ambulance's interior and to determine whether 919 the ambulance is in compliance with the federal requirements for 920 ambulance construction that were in effect at the time the 921 ambulance was manufactured, as specified by the general services 922 administration in the various versions of its publication titled 923 "federal specification for the star-of-life ambulance, 924 KKK-A-1822." 925

(3) The board shall conduct a physical inspection of the
 926
 equipment, communication system, and interior of an ambulette to
 927
 determine the operational condition and safety of the equipment
 928

and the ambulette's interior and to determine whether the929ambulette is in compliance with state requirements for ambulette930construction. The board shall determine by rule requirements for931the equipment, communication system, interior, and construction of932an ambulette.933

(4) The board shall conduct a physical inspection of the
 934
 medical equipment, communication system, and interior of a
 935
 rotorcraft air ambulance or fixed wing air ambulance to determine
 936
 the operational condition and safety of the equipment and the
 937
 aircraft's interior.

(5) The board shall issue a certificate to the applicant for
939
each vehicle or aircraft that passes the inspection and may assess
940
a fee for each inspection, as established by the board.
941

(6) The board shall adopt rules regarding the implementation
 942
 and coordination of inspections. The rules may permit the board to
 943
 contract with a third party to conduct the inspections required of
 944
 the board under this section.

Sec. 4766.17. (A) An air medical service organization program946licensed under this chapter that uses a rotorcraft air ambulance947shall do both of the following:948

(1) Use at a minimum both of the following to provide
 949
 advanced life support to seriously ill, injured, wounded, or
 950
 otherwise incapacitated or helpless individuals who require use of
 951
 a stretcher:

(a) A paramedic <u>a physician</u> or registered nurse, both as 953 defined in section 4765.01 of the Revised Code; 954

(b) One, and one other person, designated by the medical 955 director of the air medical service organization program, who 956 holds a current, valid certificate or license to practice a health 957 care profession in this state-*;* 958

(2) Employ as a medical director an individual who holds a	959
current, valid certificate issued under Chapter 4731. of the	960
Revised Code authorizing the practice of medicine and surgery or	961
osteopathic medicine and surgery.	962
(B) An air medical program licensed under this chapter that	963
uses a fixed wing air ambulance shall do both of the following:	964
(1) Use at a minimum a person, designated by the medical	965
<u>director of the air medical program, who holds a current, valid</u>	966
certificate or license to practice a health care profession in the	967
<u>state;</u>	968
(2) Employ as a medical director a person who holds a	969
current, valid certificate issued under Chapter 4731. of the	970
Revised Code.	971
(C) The medical director employed by a licensed air medical	972
service organization program pursuant to division (A)(2) of this	973
section is ultimately responsible for the medical care provided to	974
each patient by the organization program.	975
