BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 505.38, 737.08, 737.22, 3737.66, 5
4765.01, 4765.04, 4765.49, and 4765.55 of the Revised Code be 6
amended to read as follows: 7

Sec. 505.38. (A) In each township or fire district that has a 8
fire department, the head of the department shall be a fire chief, 9
appointed by the board of township trustees, except that, in a 10
joint fire district, the fire chief shall be appointed by the 11
board of fire district trustees. Neither this section nor any 12
other section of the Revised Code requires, or shall be construed 13
to require, that the fire chief be a resident of the township or 14

fire district. 15

The board shall provide for the employment of firefighters as 16
it considers best and shall fix their compensation. No person 17
shall be appointed as a permanent full-time paid member, whose 18
duties include fire fighting, of the fire department of any 19
township or fire district unless that person has received a 20
certificate issued under former section 3303.07 or section 4765.55 21
of the Revised Code evidencing satisfactory completion of a 22
firefighter training program. Those appointees shall continue in 23
office until removed from office as provided by sections 733.35 to 24
733.39 of the Revised Code. To initiate removal proceedings, and 25
for that purpose, the board shall designate the fire chief or a 26
private citizen to investigate the conduct and prepare the 27
necessary charges in conformity with those sections. 28

In case of the removal of a fire chief or any member of the 29
fire department of a township or fire district, an appeal may be 30
had from the decision of the board to the court of common pleas of 31
the county in which the township or fire district fire department 32
is situated to determine the sufficiency of the cause of removal. 33
The appeal from the findings of the board shall be taken within 34
ten days. 35

No person who is appointed as a volunteer firefighter of the 36
fire department of any township or fire district shall remain in 37
that position unless either of the following applies: 38

(1) Within one year of the appointment, the person has 39
received a certificate issued under former section 3303.07 of the 40
Revised Code or ~~division (C)(1) or (2)~~ of section 4765.55 of the 41

physical examination, given by a licensed physician, a physician
assistant, a clinical nurse specialist, a certified nurse
practitioner, or a certified nurse-midwife, showing that the
person meets the physical requirements necessary to perform the
duties of the position to which the person is appointed as
