the contract. The audit shall comply with rules adopted by the 748  
auditor of state under section 9.238 of the Revised Code. An audit 749  
performed pursuant to the federal "Single Audit Act of 1984," 98 750

the recipient's contract with the governmental entity, shall be 766  
open to inspection by the governmental entity and by the state 767  
from the time the recipient first applies for payment under the 768  
contract. If the recipient is paid before the performance of its 769  
obligations under the contract, the financial books and records of 770  
the recipient and of any person with which the recipient contracts 771  
for the performance of the recipient's obligations shall be open 772  
to inspection from the first anniversary of the payment or from 773  
any earlier date that the contract may provide. 774

(2) Division (A)(1) of this section does not apply to any 775  
person that contracts with the recipient solely for the 776

performance of some of the recipient's obligations under the 777  
recipient's contract with the governmental entity that directly 778  
benefit the recipient's patients or clients, if either of the 779

enforcement of laws and rules of the state or a county or city, or 1605  
the execution of other public trusts, to file an annual statement 1606  
on or before the fifteenth day of April under division (A) of this 1607  
section. The appropriate ethics commission shall send the public 1608  
officials or employees written notice of the requirement by the 1609  
fifteenth day of February of each year the filing is required 1610  
unless the public official or employee is appointed after that 1611

date, in which case the notice shall be sent within thirty days 1612  
after appointment, and the filing shall be made not later than 1613  
ninety days after appointment. 1614

Except for disclosure statements filed by members of the 1615  
board of trustees and the executive director of the tobacco use 1616  
prevention and control foundation and members of the board of 1617  
trustees and the executive director of the southern Ohio 1618

any business manager, treasurer, or superintendent of that school 1632

shall examine each disclosure statement required to be kept 1634  
confidential to determine whether a potential conflict of interest 1635  
exists for the person who filed the disclosure statement. A 1636  
potential conflict of interest exists if the private interests of 1637  
the person, as indicated by the person's disclosure statement, 1638  
might interfere with the public interests the person is required 1639  
to serve in the exercise of the person's authority and duties in 1640  
the person's office or position of employment. If the commission 1641  
determines that a potential conflict of interest exists, it shall 1642  
notify the person who filed the disclosure statement and shall 1643

make the portions of the disclosure statement that indicate a  
potential conflict of interest subject to public inspection in the  
same manner as is provided for other disclosure statements. Any  
portion of the disclosure statement that the commission determines  
does not indicate a potential conflict of interest shall be kept  
confidential by the commission and shall not be made subject to  
public inspection, except as is necessary for the enforcement of  
Chapters 102. and 2921. of the Revised Code and except as  
otherwise provided in this division.

(C) No person shall knowingly fail to file, on or before the  
applicable filing deadline established under this section, a

Code and whose primary duties do not require the exercise of  
administrative discretion; or any member of a board, commission,  
or bureau of any county or city who receives less than one  
thousand dollars per year for serving in that position.

**Sec. 102.06.** (A) The appropriate ethics commission shall  
receive and may initiate complaints against persons subject to  
this chapter concerning conduct alleged to be in violation of this  
chapter or section 2921.42 or 2921.43 of the Revised Code. All  
complaints except those by the commission shall be by affidavit  
made on personal knowledge, subject to the penalties of perjury.  
Complaints by the commission shall be by affidavit, based upon  
reasonable cause to believe that a violation has occurred.

(B) The appropriate ethics commission shall investigate  
complaints, may investigate charges presented to it, and may  
request further information, including the specific amount of  
income from a source, from any person filing with the commission a  
statement required by section 102.02 or 102.021 of the Revised  
Code, if the information sought is directly relevant to a  
complaint or charges received by the commission pursuant to this  
section. This information is confidential, except that the

commission, in its discretion, may share information gathered in 1737  
the course of any investigation with, or disclose the information 1738  
to, the inspector general, any appropriate prosecuting authority, 1739  
any law enforcement agency, or any other appropriate ethics 1740  
commission. If the accused person is a member of the public 1741  
employees retirement board, state teachers retirement board, 1742  
school employees retirement board, board of trustees of the Ohio 1743  
police and fire pension fund, or state highway patrol retirement 1744  
board, or is a voting member of the workers' compensation 1745  
oversight commission the appropriate ethics commission, in its 1746  
discretion, also may share information gathered in the course of 1747  
an investigation with, or disclose the information to, the 1748  
attorney general and the auditor of state. The person so requested 1749  
shall furnish the information to the commission, unless within 1750  
fifteen days from the date of the request the person files an 1751  
action for declaratory judgment challenging the legitimacy of the 1752  
request in the court of common pleas of the county of the person's 1753  
residence, the person's place of employment, or Franklin county. 1754  
The requested information need not be furnished to the commission 1755  
during the pendency of the judicial proceedings. Proceedings of 1756  
the commission in connection with the declaratory judgment action 1757  
shall be kept confidential except as otherwise provided by this 1758  
section. Before the commission proceeds to take any formal action 1759  
against a person who is the subject of an investigation based on 1760  
charges presented to the commission, a complaint shall be filed 1761  
against the person. If the commission finds that a complaint is 1762  
not frivolous, and there is reasonable cause to believe that the 1763  
facts alleged in a complaint constitute a violation of section 1764  
102.02, 102.021, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of 1765  
the Revised Code, it shall hold a hearing. If the commission does 1766  
not so find, it shall dismiss the complaint and notify the accused 1767  
person in writing of the dismissal of the complaint. The 1768  
commission shall not make a report of its finding unless the 1769

accused person requests a report. Upon the request of the accused 1770  
person, the commission shall make a public report of its finding. 1771  
The person against whom the complaint is directed shall be given 1772  
reasonable notice by certified mail of the date, time, and place 1773  
of the hearing and a statement of the charges and the law directly 1774  
involved and shall be given the opportunity to be represented by 1775  
counsel, to have counsel appointed for the person if the person is 1776  
unable to afford counsel without undue hardship, to examine the 1777  
evidence against the person, to produce evidence and to call and 1778  
subpoena witnesses in the person's defense, to confront the 1779  
person's accusers, and to cross-examine witnesses. The commission 1780  
shall have a stenographic record made of the hearing. The hearing 1781  
shall be closed to the public. 1782

(C)(1)(a) If, upon the basis of the hearing, the appropriate 1783  
ethics commission finds by a preponderance of the evidence that 1784  
the facts alleged in the complaint are true and constitute a 1785  
violation of section 102.02, 102.021, 102.03, 102.04, 102.07, 1786  
2921.42, or 2921.43 of the Revised Code, it shall report its 1787  
findings to the appropriate prosecuting authority for proceedings 1788  
in prosecution of the violation and to the appointing or employing 1789  
authority of the accused. If the accused person is a member of the 1790  
public employees retirement board, state teachers retirement 1791  
board, school employees retirement board, board of trustees of the 1792  
Ohio police and fire pension fund, or state highway patrol 1793  
retirement board, the commission also shall report its findings to 1794  
the Ohio retirement study council. 1795

(b) If the Ohio ethics commission reports its findings to the 1796  
appropriate prosecuting authority under division (C)(1)(a) of this 1797  
section and the prosecuting authority has not initiated any 1798  
official action on those findings within ninety days after 1799  
receiving the commission's report of them, the commission may 1800  
publicly comment that no official action has been taken on its 1801

findings, except that the commission shall make no comment in 1802  
violation of the Rules of Criminal Procedure or about any 1803  
indictment that has been sealed pursuant to any law or those 1804  
rules. The commission shall make no comment regarding the merits 1805  
of its findings. As used in division (C)(1)(b) of this section, 1806  
"official action" means prosecution, closure after investigation, 1807  
or grand jury action resulting in a true bill of indictment or no 1808  
true bill of indictment. 1809

(2) If the appropriate ethics commission does not find by a 1810  
preponderance of the evidence that the facts alleged in the 1811  
complaint are true and constitute a violation of section 102.02, 1812  
102.021, 102.03, 102.04, 102.07, 2921.42, or 2921.43 of the 1813  
Revised Code or if the commission has not scheduled a hearing 1814  
within ninety days after the complaint is filed or has not finally 1815  
disposed of the complaint within six months after it has been 1816  
heard, it shall dismiss the complaint and notify the accused 1817  
person in writing of the dismissal of the complaint. The 1818  
commission shall not make a report of its finding unless the 1819  
accused person requests a report. Upon the request of the accused 1820  
person, the commission shall make a public report of the finding, 1821  
but in this case all evidence and the record of the hearing shall 1822  
remain confidential unless the accused person also requests that 1823  
the evidence and record be made public. Upon request by the 1824  
accused person, the commission shall make the evidence and the 1825  
record available for public inspection. 1826

(D) The appropriate ethics commission, or a member of the 1827  
commission, may administer oaths, and the commission may issue 1828  
subpoenas to any person in the state compelling the attendance of 1829  
witnesses and the production of relevant papers, books, accounts, 1830  
and records. The commission shall issue subpoenas to compel the 1831  
attendance of witnesses and the production of documents upon the 1832  
request of an accused person. Section 101.42 of the Revised Code 1833

shall govern the issuance of these subpoenas insofar as 1834  
applicable. Upon the refusal of any person to obey a subpoena or 1835  
to be sworn or to answer as a witness, the commission may apply to 1836  
the court of common pleas of Franklin county under section 2705.03 1837  
of the Revised Code. The court shall hold proceedings in 1838  
accordance with Chapter 2705. of the Revised Code. The commission 1839  
or the accused person may take the depositions of witnesses 1840  
residing within or without the state in the same manner as 1841  
prescribed by law for the taking of depositions in civil actions 1842  
in the court of common pleas. 1843

(E) At least once each year, the Ohio ethics commission shall 1844  
report on its activities of the immediately preceding year to the 1845  
majority and minority leaders of the senate and house of 1846  
representatives of the general assembly. The report shall indicate 1847  
the total number of complaints received, initiated, and 1848  
investigated by the commission, the total number of complaints for 1849  
which formal hearings were held, and the total number of 1850  
complaints for which formal prosecution was recommended or 1851  
requested by the commission. The report also shall indicate the 1852  
nature of the inappropriate conduct alleged in each complaint and 1853  
the governmental entity with which any employee or official that 1854  
is the subject of a complaint was employed at the time of the 1855  
alleged inappropriate conduct. 1856

(F) All papers, records, affidavits, and documents upon any 1857  
complaint, inquiry, or investigation relating to the proceedings 1858  
of the appropriate ethics commission shall be sealed and are 1859  
private and confidential, except as otherwise provided in this 1860  
section and section 102.07 of the Revised Code. 1861

(G)(1) When a complaint or charge is before it, the Ohio 1862  
ethics commission or the appropriate prosecuting authority, in 1863  
consultation with the person filing the complaint or charge, the 1864  
accused, and any other person the commission or prosecuting 1865

authority considers necessary, may compromise or settle the 1866  
complaint or charge with the agreement of the accused. The 1867  
compromise or settlement may include mediation, restitution, 1868  
rescission of affected contracts, forfeiture of any benefits 1869  
resulting from a violation or potential violation of law, 1870  
resignation of a public official or employee, or any other relief 1871  
that is agreed upon between the commission or prosecuting 1872  
authority and the accused. 1873

(2) Any settlement agreement entered into under division 1874  
(G)(1) of this section shall be in writing and be accompanied by a 1875  
statement of the findings of the commission or prosecuting 1876  
authority and the reasons for entering into the agreement. The 1877  
commission or prosecuting authority shall retain the agreement and 1878  
statement in the commission's or prosecuting authority's office 1879  
and, in the commission's or prosecuting authority's discretion, 1880  
may make the agreement, the statement, and any supporting 1881  
information public, unless the agreement provides otherwise. 1882

(3) If a settlement agreement is breached by the accused, the 1883  
commission or prosecuting authority, in the commission's or 1884  
prosecuting authority's discretion, may rescind the agreement and 1885  
reinstitute any investigation, hearing, or prosecution of the 1886  
accused. No information obtained from the accused in reaching the 1887  
settlement that is not otherwise discoverable from the accused 1888  
shall be used in any proceeding before the commission or by the 1889  
appropriate prosecuting authority in prosecuting the violation. 1890  
Notwithstanding any other section of the Revised Code, if a 1891  
settlement agreement is breached, any statute of limitations for a 1892  
violation of this chapter or section 2921.42 or 2921.43 of the 1893  
Revised Code is tolled from the date the complaint or charge is 1894  
filed until the date the settlement agreement is breached. 1895

Sec. 103.132. The legislative service commission, in 1896

conjunction with the legislative information systems office, shall 1897  
establish and maintain an electronic database containing current 1898  
and historical revenue and expenditure data for each school 1899  
district in the state that is easy to use and readily accessible 1900  
through the internet. 1901

(E)(2)(b) of this section apply to the request; and, if an award 3145

(iii) The attorney general shall forward a copy of the 3159

section to the director of budget and management. The award of 3161  
legal fees, court costs, or expenses shall be paid out of the 3162  
state public defender's appropriations, to the extent there is a 3163  
sufficient available balance in those appropriations. If the state 3164  
public defender does not have a sufficient available balance in 3165  
the state public defender's appropriations to pay the entire award 3166  
of legal fees, court costs, or expenses, the director shall make 3167  
application for a transfer of appropriations out of the emergency 3168  
purposes account or any other appropriation for emergencies or 3169  
contingencies in an amount equal to the portion of the award that 3170  
exceeds the sufficient available balance in the state public 3171  
defender's appropriations. A transfer of appropriations out of the 3172  
emergency purposes account or any other appropriation for 3173  
emergencies or contingencies shall be authorized if there are 3174  
sufficient moneys greater than the sum total of then pending 3175  
emergency purposes account requests, or requests for releases from 3176  
the other appropriation. If a transfer of appropriations out of 3177  
the emergency purposes account or other appropriation for 3178

emergencies or contingencies is made to pay an amount equal to the 3179  
portion of the award that exceeds the sufficient available balance 3180  
in the state public defender's appropriations, the director shall 3181  
cause the payment to be made to the private legal counsel. If 3182  
sufficient moneys do not exist in the emergency purposes account 3183  
or other appropriation for emergencies or contingencies to pay an 3184  
amount equal to the portion of the award that exceeds the 3185  
sufficient available balance in the state public defender's 3186  
appropriations, the private legal counsel shall request the 3187  
general assembly to make an appropriation sufficient to pay an 3188  
amount equal to the portion of the award that exceeds the 3189  
sufficient available balance in the state public defender's 3190  
appropriations, and no payment in that amount shall be made until 3191  
the appropriation has been made. The private legal counsel shall 3192  
make the request during the current biennium and during each 3193  
succeeding biennium until a sufficient appropriation is made. 3194

(b) An award of legal fees, court costs, and expenses 3195  
pursuant to division (E) of this section is subject to the 3196  
following limitations: 3197

legal counsel in connection with the defense of the Ohio public 3200  
defender commission, the state public defender, an assistant state 3201  
public defender, an employee, or an attorney in a specified civil 3202  
action or proceeding shall not exceed fifty thousand dollars. 3203

(ii) The private legal counsel shall not be awarded legal 3204

(iii) The private legal counsel shall be awarded legal fees 3208  
and expenses only to the extent that the fees and expenses are 3209

legal counsel in connection with the defense of the Ohio public 3211  
defender commission, the state public defender, an assistant state 3212  
public defender, an employee, or an attorney in a specified civil 3213  
action or proceeding. 3214

(c) If, pursuant to division (E)(2)(a) of this section, the 3215  
attorney general denies a request for an award of legal fees, 3216  
court costs, or expenses to private legal counsel because of the 3217  
application of a limitation specified in division (E)(2)(b) of 3218  
this section, the attorney general shall notify the private legal 3219  
counsel in writing of the denial and of the limitation applied. 3220

private legal counsel receives a denial of an award notification 3222  
or if a private legal counsel refuses to approve a document under 3223  
division (E)(2)(a)(ii) of this section because of the proposed 3224  
application of a limitation specified in division (E)(2)(b) of 3225  
this section, the private legal counsel may commence a civil 3226  
action against the attorney general in the court of claims to 3227  
prove the private legal counsel's entitlement to the award sought, 3228  
to prove that division (E)(2)(b) of this section does not prohibit 3229  
or otherwise limit the award sought, and to recover a judgment for 3230  
the amount of the award sought. A civil action under division 3231  
(E)(2)(d) of this section shall be commenced no later than two 3232  
years after receipt of a denial of award notification or, if the 3233  
private legal counsel refused to approve a document under division 3234  
(E)(2)(a)(ii) of this section because of the proposed application 3235  
of a limitation specified in division (E)(2)(b) of this section, 3236  
no later than two years after the refusal. Any judgment of the 3237  
court of claims in favor of the private legal counsel shall be 3238  
paid from the state treasury in accordance with division (E)(2)(a) 3239  
of this section. 3240

(F) If a court appoints the office of the state public 3241

defender to represent a petitioner in a postconviction relief 3242  
proceeding under section 2953.21 of the Revised Code, the 3243  
petitioner has received a sentence of death, and the proceeding 3244  
relates to that sentence, all of the attorneys who represent the 3245  
petitioner in the proceeding pursuant to the appointment, whether 3246  
an assistant state public defender, the state public defender, or 3247  
another attorney, shall be certified under Rule 20 of the Rules of 3248  
Superintendence for the Courts of Ohio to represent indigent 3249

the state public defender for the purpose of appointing assistant 3261  
state public defenders and for providing other personnel, 3262

did the term which it succeeds. Each member shall hold office from 3285  
the date of ~~his~~ appointment until the end of the term for which ~~he~~ 3286

subsequent to the expiration date of ~~his~~ the member's term until 3291  
~~his~~ a successor takes office, or until a period of sixty days has 3292

(E) The county commissioners may terminate the county public 3305  
defender commission at any time if at least ninety days prior to 3306

(F) ~~Fifty per cent of the~~ The cost of representation in all 3312  
matters assumed by the state public defender shall be charged to 3313  
the counties in accordance with division (D) of section 120.06 of 3314

**Sec. 120.23.** (A) The boards of county commissioners in two or 3316  
more adjoining or neighboring counties may form themselves into a 3317  
joint board and proceed to organize a district for the 3318  
establishment of a joint county public defender commission. The 3319  
commission shall have three members from each county, who shall be 3320  
appointed by the board of county commissioners of the county. 3321

(B) The boards shall agree on a specific date for the joint 3322  
county public defender commission to be established, on which date 3323  
the appointments of all members shall take effect. The joint board 3324  
shall notify the Ohio public defender commission of the date. 3325

(C) Of the initial appointments made by each county to the 3326  
joint county public defender commission, one appointment shall be 3327  
for a term of one year ending one year after the date the 3328  
commission is established, one appointment shall be for a term of 3329  
two years ending two years after the date the commission is 3330  
established, and one appointment shall be for a period of three 3331  
years, ending three years after the date the commission is 3332  
established. Thereafter, terms of office shall be for three years, 3333  
each term ending on the same day of the same month of the year as 3334

did the term which it succeeds. Each member shall hold office from 3335  
the date of ~~his~~ appointment until the end of the term for which ~~he~~ 3336  
the member was appointed. Any member appointed to fill a vacancy 3337  
occurring prior to the expiration of the term for which ~~his~~ the 3338  
member's predecessor was appointed shall hold office for the 3339  
remainder of the term. Any member shall continue in office 3340  
subsequent to the expiration date of ~~his~~ the member's term until 3341  
~~his~~ a successor takes office, or until a period of sixty days has 3342

(D) The members of the commission shall choose as ~~chairman~~ 3344  
chairperson one of the commission members, who shall serve as 3345  
~~chairman~~ chairperson for two years. Meetings shall be held at 3346  
least quarterly and at such other times as called by the ~~chairman~~ 3347  
chairperson or by request of the joint county public defender. 3348  
Members of the commission may receive an amount fixed by the 3349  
agreement of the boards of commissioners of the counties in the 3350  
district, but not in excess of the amount set for the members of 3351  
the Ohio public defender commission pursuant to section 124.14 of 3352  
the Revised Code per diem for every meeting of the commission they 3353  
attend, and necessary expenses including mileage for each mile 3354  
necessarily traveled. 3355

(E) The agreement of the boards of county commissioners 3356  
establishing the joint county public defender commission shall 3357  
provide for the allocation of the proportion of expenses to be 3358  
paid by each county, which may be based upon population, number of 3359  
cases, or such other factors as the commissioners determine to be 3360  
appropriate. The county commissioners may amend their agreement 3361  
from time to time to provide for a different allocation of the 3362  
proportion of expenses to be paid by each county. 3363

(F) The county auditor of the county, with the greatest 3364  
population is hereby designated as the fiscal officer of a joint 3365  
county public defender district organized under this section. The 3366

county auditors of the several counties composing the joint county 3367  
public defender commission district shall meet at the commission 3368  
office not less than once in each six months, to adjust accounts 3369  
and to transact such other duties in connection with the 3370  
commission as pertain to the business of their office. 3371

(G) Each member of the board of county commissioners who 3372  
meets by appointment to consider the organization of a joint 3373  
county public defender commission shall, upon presentation of 3374  
properly certified accounts, be paid ~~his~~ the member's necessary 3375  
expenses upon a warrant drawn by the county auditor of ~~his~~ the 3376  
member's county. 3377

(H) The board of county commissioners of any county within a 3378  
joint county public defender commission district may withdraw from 3379  
the district. Such withdrawal shall not be effective until at 3380  
least ninety days after the board has notified the Ohio public 3381  
defender commission, the joint county public defender commission 3382  
of the district, and each board of county commissioners in the 3383  
district, in writing of the termination date. The failure of a 3384  
board of county commissioners to approve an annual operating 3385  
budget for the office of the joint county public defender as 3386  
provided in division (C)(1) of section 120.24 of the Revised Code 3387  
constitutes a notice of withdrawal by the county from the 3388  
district, effective on the ninetieth day after commencement of the 3389  
next fiscal year. Upon the termination date, all joint county 3390  
public defender matters relating to the withdrawing county shall 3391  
be transferred to the state public defender, a county public 3392  
defender, or appointed counsel. 3393

(I) ~~Fifty per cent of the~~ The cost of representation in all 3394  
matters assumed by the state public defender shall be charged to 3395  
the counties in accordance with division (D) of section 120.06 of 3396  
the Revised Code. 3397

Members of the joint county public defender commission who 3398

are residents of a county withdrawing from such district are 3399  
deemed to have resigned their positions upon the completion of the 3400  
withdrawal procedure provided by this section. Vacancies thus 3401  
created shall not be filled. 3402

If two or more counties remain within the district after the 3403  
withdrawal, the boards of county commissioners of the remaining 3404  
adjoining or neighboring counties may agree to continue the 3405  
operation of the joint county public defender commission and to 3406  
reallocate the proportionate share of expenses to be paid by each 3407  
participating county. 3408

Sec. 120.36. (A) If a person who is a defendant in a criminal 3409  
case or a party in a case in juvenile court requests or is 3410  
provided a state public defender, a county or joint county public 3411  
defender, or any other counsel appointed by the court, the court 3412  
in which the criminal case is initially filed or the juvenile 3413  
court, whichever is applicable, shall assess, unless the 3414  
application fee is waived or reduced, a non-refundable application 3415  
fee of twenty-five dollars. 3416

The court shall direct the person to pay the application fee 3417  
to the clerk of the court that assessed the fee. The person shall 3418  
pay the application fee at the time the person files an affidavit 3419  
of indigency or a financial disclosure form with the court or 3420  
within seven days of that date. If the person does not pay the 3421  
application fee within that seven-day period, the court shall 3422  
assess the application fee at sentencing or at the final 3423  
disposition of the case. 3424

If a case involving a felony that was initially filed in a 3425  
municipal court or a county court is bound over to the court of 3426  
common pleas and the defendant in the case failed to pay the 3427  
application fee in the municipal court or county court, the court 3428  
of common pleas shall assess the application fee at the initial 3429

appearance of the defendant in the court of common pleas. If a 3430  
case involving an alleged delinquent child is transferred to the 3431  
court of common pleas for prosecution of the involved child as an 3432  
adult, the court of common pleas shall assess the application fee 3433  
at the initial appearance of the child in the court of common 3434  
pleas. 3435

The court shall assess an application fee pursuant to this 3436  
section one time per case. An appeal shall not be considered a 3437  
separate case for the purpose of assessing the application fee. 3438  
The court may waive or reduce the fee upon a finding that the 3439  
person lacks financial resources that are sufficient to pay the 3440  
fee or that payment of the fee would result in an undue hardship. 3441

(B) No court, state public defender, county or joint county 3442  
public defender, or other counsel appointed by the court shall 3443  
deny a person the assistance of counsel solely due to the person's 3444  
failure to pay the application fee assessed pursuant to division 3445  
(A) of this section. A person's present inability, failure, or 3446  
refusal to pay the application fee shall not disqualify that 3447  
person from legal representation. 3448

(C) The application fee assessed pursuant to division (A) of 3449  
this section is separate from and in addition to any other amount 3450  
assessed against a person who is found to be able to contribute 3451  
toward the cost of the person's legal representation pursuant to 3452  
division (D) of section 2941.51 of the Revised Code. 3453

(D) The clerk of the court that assessed the fees shall 3454  
forward all application fees collected pursuant to this section to 3455  
the county treasurer for deposit in the county treasury. The 3456  
county shall retain eighty per cent of the application fees so 3457  
collected to offset the costs of providing legal representation to 3458  
indigent persons. Each month, the county auditor shall remit 3459  
twenty per cent of the application fees so collected to the state 3460

public defender. The state public defender shall deposit the 3461  
remitted fees into the state treasury to the credit of the client 3462  
payment fund created pursuant to division (B)(5) of section 120.04 3463  
of the Revised Code. The state public defender may use that money 3464  
in accordance with that section. 3465

(E) On or before the first day of March of each year, each 3466  
clerk of court shall provide to the state public defender and the 3467  
state auditor a report including all of the following: 3468

(1) The number of persons in the previous calendar year who 3469  
requested or were provided a state public defender, county or 3470  
joint county public defender, or other counsel appointed by the 3471  
court; 3472

(2) The number of persons in the previous calendar year for 3473  
whom the court waived the application fee pursuant to division (A) 3474  
of this section; 3475

(3) The dollar value of the assessed application fees 3476  
pursuant to division (A) of this section in the previous calendar 3477  
year; 3478

(4) The amount of assessed application fees collected in the 3479  
previous calendar year; 3480

(5) The balance of unpaid assessed application fees at the 3481  
open and close of the previous calendar year. 3482

(F) As used in this section: 3483

(1) "Clerk of court" means the clerk of the court of common 3484  
pleas of the county, the clerk of the juvenile court of the 3485  
county, the clerk of a municipal court in the county, the clerk of 3486  
a county-operated municipal court, or the clerk of a county court 3487  
in the county, whichever is applicable. 3488

(2) "County-operated municipal court" has the same meaning as 3489  
in section 1901.03 of the Revised Code. 3490

Sec. 120.52. There is hereby established in the state 3491  
treasury the legal aid fund, which shall be for the charitable 3492  
public purpose of providing financial assistance to legal aid 3493  
societies that provide civil legal services to indigents. The fund 3494  
shall contain all funds credited to it by the treasurer of state 3495  
pursuant to sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09 3496  
and 4705.10 of the Revised Code and income from investment 3497  
credited to it by the treasurer of state in accordance with this 3498  
section. 3499

The treasurer of state may invest moneys contained in the 3500  
legal aid fund in any manner authorized by the Revised Code for 3501  
the investment of state moneys. However, no such investment shall 3502  
interfere with any apportionment, allocation, or payment of moneys 3503  
in January and July of each calendar year, as required by section 3504  
120.53 of the Revised Code. All income earned as a result of any 3505  
such investment shall be credited to the fund. 3506

The state public defender, through the Ohio legal assistance 3507  
foundation, shall administer the payment of moneys out of the 3508  
fund. Four and one-half per cent of the moneys in the fund shall 3509  
be reserved for the actual, reasonable costs of administering 3510  
sections 120.51 to 120.55 and sections 1901.26, 1907.24, 2303.201, 3511  
3953.231, 4705.09, and 4705.10 of the Revised Code. Moneys that 3512  
are reserved for administrative costs but that are not used for 3513  
actual, reasonable administrative costs shall be set aside for use 3514  
in the manner described in division (A) of section 120.521 of the 3515  
Revised Code. The remainder of the moneys in the legal aid fund 3516  
shall be distributed in accordance with section 120.53 of the 3517  
Revised Code. The Ohio legal assistance foundation shall 3518  
establish, in accordance with Chapter 119. of the Revised Code, 3519  
rules governing the administration of the legal aid fund, 3520  
~~including the program established under sections 4705.09 and~~ 3521

~~4705.10 of the Revised Code regarding interest on interest bearing 3522~~  
~~trust accounts of an attorney, law firm, or legal professional 3523~~  
~~association. 3524~~

**Sec. 120.53.** (A) A legal aid society that operates within the 3525  
state may apply to the Ohio legal assistance foundation for 3526  
financial assistance from the legal aid fund established by 3527  
section 120.52 of the Revised Code to be used for the funding of 3528  
the society during the calendar year following the calendar year 3529  
in which application is made. 3530

(B) An application for financial assistance made under 3531  
division (A) of this section shall be submitted by the first day 3532  
of November of the calendar year preceding the calendar year for 3533  
which financial assistance is desired and shall include all of the 3534  
following: 3535

(1) Evidence that the applicant is incorporated in this state 3536  
as a nonprofit corporation; 3537

(2) A list of the trustees of the applicant; 3538

(3) The proposed budget of the applicant for these funds for 3539  
the following calendar year; 3540

in the following calendar year; 3542

(5) A specific description of the territory or constituency 3543  
served by the applicant; 3544

(6) An estimate of the number of persons to be served by the 3545  
applicant during the following calendar year; 3546

(7) A general description of the additional sources of the 3547  
applicant's funding; 3548

(8) The amount of the applicant's total budget for the 3549  
calendar year in which the application is filed that it will 3550

expend in that calendar year for legal services in each of the 3551  
counties it serves; 3552

(9) A specific description of any services, programs, 3553  
training, and legal technical assistance to be delivered by the 3554  
applicant or by another person pursuant to a contract with the 3555  
applicant, including, but not limited to, by private attorneys or 3556  
through reduced fee plans, judicare panels, organized pro bono 3557  
programs, and mediation programs. 3558

(C) The Ohio legal assistance foundation shall determine 3559  
whether each applicant that filed an application for financial 3560  
assistance under division (A) of this section in a calendar year 3561  
is eligible for financial assistance under this section. To be 3562  
eligible for such financial assistance, an applicant shall satisfy 3563  
the criteria for being a legal aid society and shall be in 3564  
compliance with the provisions of sections 120.51 to 120.55 of the 3565  
Revised Code and with the rules and requirements the foundation 3566  
establishes pursuant to section 120.52 of the Revised Code. The 3567  
Ohio legal assistance foundation then, on or before the fifteenth 3568  
day of December of the calendar year in which the application is 3569  
filed, shall notify each such applicant, in writing, whether it is 3570  
eligible for financial assistance under this section, and if it is 3571  
eligible, estimate the amount that will be available for that 3572  
applicant for each six-month distribution period, as determined 3573  
under division (D) of this section. 3574

(D) The Ohio legal assistance foundation shall allocate 3575  
moneys contained in the legal aid fund twice each year for 3576  
distribution to applicants that filed their applications in the 3577  
previous calendar year and were determined to be eligible 3578  
applicants. 3579

All moneys contained in the fund on the first day of January 3580  
of a calendar year shall be allocated, after deduction of the 3581

costs of administering sections 120.51 to 120.55 and sections 3582  
1901.26, 1907.24, 2303.201, 3953.231, 4705.09, and 4705.10 of the 3583  
Revised Code that are authorized by section 120.52 of the Revised 3584  
Code, according to this section and shall be distributed 3585  
accordingly on the thirty-first day of January of that calendar 3586  
year, and all moneys contained in the fund on the first day of 3587  
July of that calendar year shall be allocated, after deduction of 3588  
the costs of administering those sections that are authorized by 3589  
section 120.52 of the Revised Code, according to this section and 3590  
shall be distributed accordingly on the thirty-first day of July 3591  
of that calendar year. In making the allocations under this 3592  
section, the moneys in the fund that were generated pursuant to 3593  
sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09, and 3594  
4705.10 of the Revised Code and all income generated from the 3595  
investment of such moneys shall be apportioned as follows: 3596

(1) After deduction of the amount authorized and used for 3597  
actual, reasonable administrative costs under section 120.52 of 3598  
the Revised Code: 3599

(a) Five per cent of the moneys remaining in the fund, ~~plus~~ 3600  
~~any moneys reserved for administrative costs under that section~~ 3601  
~~that are not used for actual, reasonable administrative costs,~~ 3602  
shall be reserved for use in the manner described in division (A) 3603  
of section 120.521 of the Revised Code or for distribution to 3604  
legal aid societies that provide assistance to special population 3605  
groups of their eligible clients, engage in special projects that 3606  
have a substantial impact on their local service area or on 3607  
significant segments of the state's poverty population, or provide 3608  
legal training or support to other legal aid societies in the 3609  
state; 3610

(b) After deduction of the amount described in division 3611  
(D)(1)(a) of this section, one and three-quarters per cent of the 3612  
moneys remaining in the fund shall be apportioned among entities 3613

that received financial assistance from the legal aid fund prior 3614  
to the effective date of this amendment but that, on and after the 3615  
effective date of this amendment, no longer qualify as a legal aid 3616  
society that is eligible for financial assistance under this 3617  
section. 3618

(c) After deduction of the amounts described in divisions 3619  
(D)(1)(a) and (b) of this section, fifteen per cent of the moneys 3620  
remaining in the fund shall be placed in the legal assistance 3621  
foundation fund for use in the manner described in division (A) of 3622  
section 120.521 of the Revised Code. 3623

(2) After deduction of the actual, reasonable administrative 3624  
costs under section 120.52 of the Revised Code and after deduction 3625  
of the amounts identified in ~~division~~ divisions (D)(1)(a) and, 3626  
(b), and (c) of this section, the remaining moneys shall be 3627  
apportioned among the counties that are served by eligible legal 3628  
aid societies that have applied for financial assistance under 3629  
this section so that each such county is apportioned a portion of 3630  
those moneys, based upon the ratio of the number of indigents who 3631  
reside in that county to the total number of indigents who reside 3632  
in all counties of this state that are served by eligible legal 3633  
aid societies that have applied for financial assistance under 3634  
this section. Subject to division (E) of this section, the moneys 3635  
apportioned to a county under this division then shall be 3636  
allocated to the eligible legal aid society that serves the county 3637  
and that has applied for financial assistance under this section. 3638  
For purposes of this division, the source of data identifying the 3639  
number of indigent persons who reside in a county shall be the 3640  
most recent decennial census figures from the United States 3641  
department of commerce, division of census. 3642

(E) If the Ohio legal assistance foundation, in attempting to 3643  
make an allocation of moneys under division (D)(2) of this 3644  
section, determines that a county that has been apportioned money 3645

under that division is served by more than one eligible legal aid 3646  
society that has applied for financial assistance under this 3647  
section, the Ohio legal assistance foundation shall allocate the 3648  
moneys that have been apportioned to that county under division 3649  
(D)(2) of this section among all eligible legal aid societies that 3650  
serve that county and that have applied for financial assistance 3651  
under this section on a pro rata basis, so that each such eligible 3652  
society is allocated a portion based upon the amount of its total 3653  
budget expended in the prior calendar year for legal services in 3654  
that county as compared to the total amount expended in the prior 3655  
calendar year for legal services in that county by all eligible 3656  
legal aidsocieties that serve that county and that have applied 3657

agreement, plan, or decision. 3955

Not later than fifteen days after the board receives the 3956  
statement, it shall, by resolution approved by a majority of its 3957  
members, approve or disapprove the agreement, plan, or decision. 3958  
Failure of the board to pass a resolution during that time period 3959  
shall be considered approval of the agreement, plan, or decision. 3960

An agreement, plan, or decision for which a statement is 3961

it is approved by the board. 3963

credit authority determines it appropriate, "new employee" also 4495  
may include an employee re-hired or called back from lay-off to 4496  
work in a new facility or on a new product or service established 4497

or produced by the taxpayer after entering into the agreement 4498  
under this section or after the tax credit authority approves the 4499  
tax credit in a public meeting. Except as otherwise provided in 4500  
this paragraph, "new employee" does not include any employee of 4501  
the taxpayer who was previously employed in this state by a 4502  
related member of the taxpayer and whose employment was shifted to 4503  
the taxpayer after the taxpayer entered into the tax credit 4504  
agreement or after the tax credit authority approved the credit in 4505  
a public meeting, or any employee of the taxpayer for which the 4506  
taxpayer has been granted a certificate under division (B) of 4507  
section 5709.66 of the Revised Code. However, if the taxpayer is 4508  
engaged in the enrichment and commercialization of uranium or 4509  
uranium products or is engaged in research and development 4510  
activities related thereto and if the tax credit authority 4511  
determines it appropriate, "new employee" may include an employee 4512  
of the taxpayer who was previously employed in this state by a 4513  
related member of the taxpayer and whose employment was shifted to 4514  
the taxpayer after the taxpayer entered into the tax credit 4515  
agreement or after the tax credit authority approved the credit in 4516  
a public meeting. "New employee" does not include an employee of 4517  
the taxpayer who is employed in an employment position that was 4518  
relocated to a project from other operations of the taxpayer in 4519  
this state or from operations of a related member of the taxpayer 4520  
in this state. In addition, "new employee" does not include a 4521  
child, grandchild, parent, or spouse, other than a spouse who is 4522  
legally separated from the individual, of any individual who is an 4523  
employee of the taxpayer and who has a direct or indirect 4524  
ownership interest of at least five per cent in the profits, 4525  
capital, or value of the taxpayer. Such ownership interest shall 4526  
be determined in accordance with section 1563 of the Internal 4527  
Revenue Code and regulations prescribed thereunder. 4528

(3) "New income tax revenue" means the total amount withheld 4529

under section 5747.06 of the Revised Code by the taxpayer during 4530  
the taxable year, or during the calendar year that includes the 4531  
tax period, from the compensation of new employees for the tax 4532  
levied under Chapter 5747. of the Revised Code. 4533

(4) "Related member" has the same meaning as under division 4534  
(A)(6) of section 5733.042 of the Revised Code without regard to 4535  
division (B) of that section. 4536

(B) The tax credit authority may make grants under this 4537  
section to foster job creation in this state. Such a grant shall 4538  
take the form of a refundable credit allowed against the tax 4539  
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 4540  
under Chapter 5751. of the Revised Code. The credit shall be 4541  
claimed for the taxable years or tax periods specified in the 4542  
taxpayer's agreement with the tax credit authority under division 4543  
(D) of this section. The credit shall be claimed ~~after the~~ 4544  
~~allowance of all other credits provided by Chapter 5733. or 5747.~~ 4545  
in the order required under section 5733.98, 5747.98, or 5751.98 4546  
of the Revised Code. The amount of the credit available for a 4547  
taxable year or for a calendar year that includes a tax period 4548  
equals the new income tax revenue for ~~the taxable that~~ year 4549  
multiplied by the percentage specified in the agreement with the 4550  
tax credit authority. Any credit granted under this section 4551  
against the tax imposed by section 5733.06 or 5747.02 of the 4552  
Revised Code, to the extent not fully utilized against such tax 4553  
for taxable years ending prior to 2008, shall automatically be 4554  
converted without any action taken by the tax credit authority to 4555  
a credit against the tax levied under Chapter 5751. of the Revised 4556  
Code for tax periods beginning on or after July 1, 2008, provided 4557  
that the person to whom the credit was granted is subject to such 4558  
tax. The converted credit shall apply to those calendar years in 4559  
which the remaining taxable years specified in the agreement end. 4560

(C) A taxpayer or potential taxpayer who proposes a project 4561

to create new jobs in this state may apply to the tax credit 4562  
authority to enter into an agreement for a tax credit under this 4563  
section. The director of development shall prescribe the form of 4564  
the application. After receipt of an application, the authority 4565  
may enter into an agreement with the taxpayer for a credit under 4566  
this section if it determines all of the following: 4567

(1) The taxpayer's project will create new jobs in this 4568  
state; 4569

(2) The taxpayer's project is economically sound and will 4570  
benefit the people of this state by increasing opportunities for 4571  
employment and strengthening the economy of this state; 4572

(3) Receiving the tax credit is a major factor in the 4573  
taxpayer's decision to go forward with the project. 4574

(D) An agreement under this section shall include all of the 4575  
following: 4576

(1) A detailed description of the project that is the subject 4577  
of the agreement; 4578

(2) The term of the tax credit, which shall not exceed 4579  
fifteen years, and the first taxable year, or first calendar year 4580  
that includes a tax period, for which the credit may be claimed; 4581

(3) A requirement that the taxpayer shall maintain operations 4582  
at the project location for at least twice the number of years as 4583  
the term of the tax credit; 4584

(4) The percentage, as determined by the tax credit 4585  
authority, of new income tax revenue that will be allowed as the 4586  
amount of the credit for each taxable year or for each calendar 4587  
year that includes a tax period; 4588

(5) A specific method for determining how many new employees 4589  
are employed during a taxable year or during a calendar year that 4590  
includes a tax period; 4591

(6) A requirement that the taxpayer annually shall report to 4592  
the director of development the number of new employees, the new 4593  
income tax revenue withheld in connection with the new employees, 4594  
and any other information the director needs to perform the 4595  
director's duties under this section; 4596

(7) A requirement that the director of development annually 4597  
shall verify the amounts reported under division (D)(6) of this 4598  
section, and after doing so shall issue a certificate to the 4599  
taxpayer stating that the amounts have been verified; 4600

(8)(a) A provision requiring that the taxpayer, except as 4601  
otherwise provided in division (D)(8)(b) of this section, shall 4602  
not relocate employment positions from elsewhere in this state to 4603  
the project site that is the subject of the agreement for the 4604  
lesser of five years from the date the agreement is entered into 4605  
or the number of years the taxpayer is entitled to claim the tax 4606  
credit. 4607

(b) The taxpayer may relocate employment positions from 4608  
elsewhere in this state to the project site that is the subject of 4609  
the agreement if the director of development determines both of 4610  
the following: 4611

(i) That the site from which the employment positions would 4612  
be relocated is inadequate to meet market and industry conditions, 4613  
expansion plans, consolidation plans, or other business 4614  
considerations affecting the taxpayer; 4615

(ii) That the legislative authority of the county, township, 4616  
or municipal corporation from which the employment positions would 4617  
be relocated has been notified of the relocation. 4618

For purposes of this section, the movement of an employment 4619  
position from one political subdivision to another political 4620  
subdivision shall be considered a relocation of an employment 4621  
position, but the transfer of an individual employee from one 4622

political subdivision to another political subdivision shall not  
be considered a relocation of an employment position as long as  
the individual's employment position in the first political  
subdivision is refilled.

(E) If a taxpayer fails to meet or comply with any condition  
or requirement set forth in a tax credit agreement, the tax credit  
authority may amend the agreement to reduce the percentage or term  
of the tax credit. The reduction of the percentage or term shall  
take effect in the taxable year immediately following the taxable  
year in which the authority amends the agreement or in the first  
tax period beginning in the calendar year immediately following  
the calendar year in which the authority amends the agreement. If  
the taxpayer relocates employment positions in violation of the  
provision required under division (D)(8)(a) of this section, the  
taxpayer shall not claim the tax credit under section 5733.0610 of  
the Revised Code for any tax years following the calendar year in  
which the relocation occurs, or shall not claim the tax credit  
under section 5725.32, 5729.032, or 5747.058 of the Revised Code  
for the taxable year in which the relocation occurs and any  
subsequent taxable years, and shall not claim the tax credit under  
division (A) of section 5751.50 of the Revised Code for any tax  
period in the calendar year in which the relocation occurs and any  
subsequent tax periods.

(F) Projects that consist solely of point-of-final-purchase  
retail facilities are not eligible for a tax credit under this  
section. If a project consists of both point-of-final-purchase  
retail facilities and nonretail facilities, only the portion of  
the project consisting of the nonretail facilities is eligible for  
a tax credit and only the new income tax revenue from new  
employees of the nonretail facilities shall be considered when  
computing the amount of the tax credit. If a warehouse facility is  
part of a point-of-final-purchase retail facility and supplies

only that facility, the warehouse facility is not eligible for a 4655  
tax credit. Catalog distribution centers are not considered 4656  
point-of-final-purchase retail facilities for the purposes of this 4657  
division, and are eligible for tax credits under this section. 4658

(G) Financial statements and other information submitted to 4659  
the department of development or the tax credit authority by an 4660  
applicant or recipient of a tax credit under this section, and any 4661  
information taken for any purpose from such statements or 4662  
information, are not public records subject to section 149.43 of 4663  
the Revised Code. However, the chairperson of the authority may 4664  
make use of the statements and other information for purposes of 4665  
issuing public reports or in connection with court proceedings 4666  
concerning tax credit agreements under this section. Upon the 4667  
request of the tax commissioner or, if the applicant or recipient 4668  
is an insurance company, upon the request of the superintendent of 4669  
insurance, the chairperson of the authority shall provide to the 4670  
commissioner or superintendent any statement or information 4671  
submitted by an applicant or recipient of a tax credit in 4672  
connection with the credit. The commissioner or superintendent 4673  
shall preserve the confidentiality of the statement or 4674  
information. 4675

(H) A taxpayer claiming a credit under this section shall 4676  
submit to the tax commissioner or, if the taxpayer is an insurance 4677  
company, to the superintendent of insurance, a copy of the 4678  
director of development's certificate of verification under 4679  
division (D)(7) of this section for the taxable year or for the 4680  
calendar year that includes the tax period. However, failure to 4681  
submit a copy of the certificate does not invalidate a claim for a 4682  
credit. 4683

(I) The director of development, after consultation with the 4684  
tax commissioner and the superintendent of insurance and in 4685  
accordance with Chapter 119. of the Revised Code, shall adopt 4686

rules necessary to implement this section. The rules may provide 4687  
for recipients of tax credits under this section to be charged 4688  
fees to cover administrative costs of the tax credit program. At 4689  
the time the director gives public notice under division (A) of 4690  
section 119.03 of the Revised Code of the adoption of the rules, 4691  
the director shall submit copies of the proposed rules to the 4692  
chairpersons of the standing committees on economic development in 4693  
the senate and the house of representatives. 4694

(J) For the purposes of this section, a taxpayer may include 4695  
a partnership, a corporation that has made an election under 4696  
subchapter S of chapter one of subtitle A of the Internal Revenue 4697  
Code, or any other business entity through which income flows as a 4698  
distributive share to its owners. A credit received under this 4699  
section by a partnership, S-corporation, or other such business 4700  
entity shall be apportioned among the persons to whom the income 4701  
or profit of the partnership, S-corporation, or other entity is 4702  
distributed, in the same proportions as those in which the income 4703  
or profit is distributed. 4704

(K) If the director of development determines that a taxpayer 4705  
who has received a credit under this section is not complying with 4706  
the requirement under division (D)(3) of this section, the 4707  
director shall notify the tax credit authority of the 4708  
noncompliance. After receiving such a notice, and after giving the 4709  
taxpayer an opportunity to explain the noncompliance, the tax 4710  
credit authority may require the taxpayer to refund to this state 4711  
a portion of the credit in accordance with the following: 4712

(1) If the taxpayer maintained operations at the project 4713  
location for at least one and one-half times the number of years 4714  
of the term of the tax credit, an amount not exceeding twenty-five 4715  
per cent of the sum of any previously allowed credits under this 4716  
section; 4717

(2) If the taxpayer maintained operations at the project 4718

location for at least the number of years of the term of the tax 4719  
credit, an amount not exceeding fifty per cent of the sum of any 4720  
previously allowed credits under this section; 4721

(3) If the taxpayer maintained operations at the project 4722  
location for less than the number of years of the term of the tax 4723  
credit, an amount not exceeding one hundred per cent of the sum of 4724  
any previously allowed credits under this section. 4725

In determining the portion of the tax credit to be refunded 4726  
to this state, the tax credit authority shall consider the effect 4727  
of market conditions on the taxpayer's project and whether the 4728  
taxpayer continues to maintain other operations in this state. 4729  
After making the determination, the authority shall certify the 4730  
amount to be refunded to the tax commissioner or superintendent of 4731  
insurance, as appropriate. ~~The~~ If the amount is certified to the 4732  
commissioner, the commissioner shall make an assessment for that 4733  
amount against the taxpayer under Chapter 5733. ~~or, 5747., or~~ 4734  
5751. of the Revised Code. If the amount is certified to the 4735  
superintendent, the superintendent shall make an assessment for 4736  
that amount against the taxpayer under Chapter 5725. or 5729. of 4737  
the Revised Code. The time limitations on assessments under 4738  
~~Chapter 5733. or 5747. of the Revised Code~~ those chapters do not 4739  
apply to an assessment under this division, but the commissioner 4740  
or superintendent, as appropriate, shall make the assessment 4741  
within one year after the date the authority certifies to the 4742  
commissioner or superintendent the amount to be refunded. 4743

(L) On or before the thirty-first day of March each year, the 4744  
director of development shall submit a report to the governor, the 4745  
president of the senate, and the speaker of the house of 4746  
representatives on the tax credit program under this section. The 4747  
report shall include information on the number of agreements that 4748  
were entered into under this section during the preceding calendar 4749  
year, a description of the project that is the subject of each 4750

such agreement, and an update on the status of projects under  
agreements entered into before the preceding calendar year.

4751  
4752

~~During the fifth year of the tax credit program, the director  
of development in conjunction with the director of budget and  
management shall conduct an evaluation of it. The evaluation shall  
include assessments of the effectiveness of the program in  
creating new jobs in this state and of the revenue impact of the  
program, and may include a review of the practices and experiences  
of other states with similar programs. The director of development  
shall submit a report on the evaluation to the governor, the  
president of the senate, and the speaker of the house of  
representatives on or before January 1, 1998.~~

member appointed to fill a vacancy occurring prior to the  
expiration of the term for which the member's predecessor was  
appointed shall hold office for the remainder of that term.

The director of development may appoint a professional  
employee of the department of development to serve as the  
director's substitute at a meeting of the authority. The director  
shall make the appointment in writing. In the absence of the

5733.06 of the Revised Code for the tax year is less than eight 4899  
and one-half per cent, the tax calculated under division 4900  
(A)(10)(a) of this section shall be computed by substituting a tax 4901  
rate of eight and one-half per cent for the rate set forth in 4902  
division (B) of section 5733.06 of the Revised Code for the tax 4903  
year. 4904

(c) If the resulting difference is negative, the applicable 4905  
tax difference for the tax year shall be zero. 4906

(B) The tax credit authority created under section 122.17 of 4907  
the Revised Code may grant tax credits under this section for the 4908  
purpose of fostering job retention in this state. Upon application 4909  
by an eligible business and upon consideration of the 4910  
recommendation of the director of budget and management, tax 4911  
commissioner, and director of development under division (C) of 4912  
this section, the tax credit authority may grant to an eligible 4913  
business a nonrefundable credit against the tax imposed by section 4914  
5733.06 or 5747.02 or levied under Chapter 5751. of the Revised 4915  
Code for a period up to fifteen taxable years and against the tax 4916  
levied by Chapter 5751. of the Revised Code for a period of up to 4917  
fifteen calendar years. The credit shall be in an amount not 4918  
exceeding seventy-five per cent of the Ohio income tax withheld 4919  
from the employees of the eligible business occupying full-time 4920  
employment positions at the project site during the calendar year 4921  
that includes the last day of such business' taxable year or tax 4922  
period with respect to which the credit is granted. The amount of 4923  
the credit shall not be based on the Ohio income tax withheld from 4924  
full-time employees for a calendar year prior to the calendar year 4925  
in which the minimum investment requirement referred to in 4926  
division (A)(2)(b) of this section is completed. The credit shall 4927  
be claimed only for the taxable years or tax periods specified in 4928  
the eligible business' agreement with the tax credit authority 4929  
under division (E) of this section, but in no event shall the 4930  
credit be claimed for a taxable year or tax period terminating 4931  
before the date specified in the agreement. Any credit granted 4932  
under this section against the tax imposed by section 5733.06 or 4933  
5747.02 of the Revised Code, to the extent not fully utilized 4934  
against such tax for taxable years ending prior to 2008, shall 4935  
automatically be converted without any action taken by the tax 4936

credit authority to a credit against the tax levied under Chapter 4937  
5751. of the Revised Code for tax periods beginning on or after 4938  
July 1, 2008, provided that the person to whom the credit was 4939  
granted is subject to such tax. The converted credit shall apply 4940  
to those calendar years in which the remaining taxable years 4941  
specified in the agreement end. 4942

The credit computed under this division is in addition to any 4943  
credit allowed under division (M) of this section which the tax 4944  
credit authority may also include in the agreement. 4945

Any unused portion of a tax credit may be carried forward for 4946  
not more than three additional years after the year for which the 4947  
credit is granted. 4948

(C) A taxpayer that proposes a capital investment project to 4949  
retain jobs in this state may apply to the tax credit authority to 4950  
enter into an agreement for a tax credit under this section. The 4951  
director of development shall prescribe the form of the 4952  
application. After receipt of an application, the authority shall 4953  
forward copies of the application to the director of budget and 4954  
management, the tax commissioner, and the director of development, 4955  
each of whom shall review the application to determine the 4956  
economic impact the proposed project would have on the state and 4957  
the affected political subdivisions and shall submit a summary of 4958  
their determinations and recommendations to the authority. ~~The 4959~~  
~~authority shall make no agreements under this section after June 4960~~  
~~30, 2007. 4961~~

(D) Upon review of the determinations and recommendations 4962  
described in division (C) of this section, the tax credit 4963  
authority may enter into an agreement with the taxpayer for a 4964  
credit under this section if the authority determines all of the 4965  
following: 4966

(1) The taxpayer's capital investment project will result in 4967

the retention of full-time employment positions in this state. 4968

(2) The taxpayer is economically sound and has the ability to 4969  
complete the proposed capital investment project. 4970

(3) The taxpayer intends to and has the ability to maintain 4971  
operations at the project site for at least twice the term of the 4972  
credit. 4973

(4) Receiving the credit is a major factor in the taxpayer's 4974  
decision to begin, continue with, or complete the project. 4975

(5) The political subdivisions in which the project is 4976  
located have agreed to provide substantial financial support to 4977  
the project. 4978

(E) An agreement under this section shall include all of the 4979  
following: 4980

(1) A detailed description of the project that is the subject 4981  
of the agreement, including the amount of the investment, the 4982  
period over which the investment has been or is being made, and 4983  
the number of full-time employment positions at the project site. 4984

(2) The method of calculating the number of full-time 4985  
employment positions as specified in division (A)(3) of this 4986  
section. 4987

(3) The term and percentage of the tax credit, and the first 4988  
year for which the credit may be claimed. 4989

(4) A requirement that the taxpayer maintain operations at 4990  
the project site for at least twice the number of years as the 4991  
term of the credit. 4992

(5) A requirement that the taxpayer retain a specified number 4993  
of full-time employment positions at the project site and within 4994  
this state for the term of the credit, including a requirement 4995  
that the taxpayer continue to employ at least one thousand 4996  
employees in full-time employment positions at the project site 4997

during the entire term of any agreement, subject to division 4998  
(E)(7) of this section. 4999

(6) A requirement that the taxpayer annually report to the 5000  
director of development the number of full-time employment 5001  
positions subject to the credit, the amount of tax withheld from 5002  
employees in those positions, the amount of the payments made for 5003  
the capital investment project, and any other information the 5004  
director needs to perform the director's duties under this 5005  
section. 5006

(7) A requirement that the director of development annually 5007  
review the annual reports of the taxpayer to verify the 5008  
information reported under division (E)(6) of this section and 5009  
compliance with the agreement. Upon verification, the director 5010  
shall issue a certificate to the taxpayer stating that the 5011  
information has been verified and identifying the amount of the 5012  
credit for the taxable year. Unless otherwise specified by the tax 5013  
credit authority in a resolution and included as part of the 5014  
agreement, the director shall not issue a certificate for any year 5015  
in which the total number of filled full-time employment positions 5016  
for each day of the calendar year divided by three hundred 5017  
sixty-five is less than ninety per cent of the full-time 5018  
employment positions specified in division (E)(5) of this section. 5019  
In determining the number of full-time employment positions, no 5020  
position shall be counted that is filled by an employee who is 5021  
included in the calculation of a tax credit under section 122.17 5022  
of the Revised Code. 5023

(8)(a) A provision requiring that the taxpayer, except as 5024  
otherwise provided in division (E)(8)(b) of this section, shall 5025  
not relocate employment positions from elsewhere in this state to 5026  
the project site that is the subject of the agreement for the 5027  
lesser of five years from the date the agreement is entered into 5028  
or the number of years the taxpayer is entitled to claim the 5029

credit. 5030

(b) The taxpayer may relocate employment positions from 5031  
elsewhere in this state to the project site that is the subject of 5032  
the agreement if the director of development determines both of 5033  
the following: 5034

(i) That the site from which the employment positions would 5035  
be relocated is inadequate to meet market and industry conditions, 5036  
expansion plans, consolidation plans, or other business 5037  
considerations affecting the taxpayer; 5038

(ii) That the legislative authority of the county, township, 5039  
or municipal corporation from which the employment positions would 5040  
be relocated has been notified of the relocation. 5041

For purposes of this section, the movement of an employment 5042  
position from one political subdivision to another political 5043  
subdivision shall be considered a relocation of an employment 5044  
position unless the movement is confined to the project site. The 5045  
transfer of an individual employee from one political subdivision 5046  
to another political subdivision shall not be considered a 5047  
relocation of an employment position as long as the individual's 5048  
employment position in the first political subdivision is 5049  
refilled. 5050

(9) A waiver by the taxpayer of any limitations periods 5051  
relating to assessments or adjustments resulting from the 5052  
taxpayer's failure to comply with the agreement. 5053

(F) If a taxpayer fails to meet or comply with any condition 5054  
or requirement set forth in a tax credit agreement, the tax credit 5055  
authority may amend the agreement to reduce the percentage or term 5056  
of the credit. The reduction of the percentage or term shall take 5057  
effect in the taxable year immediately following the taxable year 5058  
in which the authority amends the agreement or in the first tax 5059  
period beginning in the calendar year immediately following the 5060

calendar year in which the authority amends the agreement. If the 5061  
taxpayer relocates employment positions in violation of the 5062  
provision required under division (D)(8)(a) of this section, the 5063  
taxpayer shall not claim the tax credit under section 5733.0610 of 5064  
the Revised Code for any tax years following the calendar year in 5065  
which the relocation occurs, ~~or~~ shall not claim the tax credit 5066  
under section 5747.058 of the Revised Code for the taxable year in 5067  
which the relocation occurs and any subsequent taxable years, and 5068  
shall not claim the tax credit under division (A) of section 5069  
5751.50 of the Revised Code for the tax period in which the 5070  
relocation occurs and any subsequent tax periods. 5071

(G) Financial statements and other information submitted to 5072  
the department of development or the tax credit authority by an 5073  
applicant for or recipient of a tax credit under this section, and 5074  
any information taken for any purpose from such statements or 5075  
information, are not public records subject to section 149.43 of 5076  
the Revised Code. However, the chairperson of the authority may 5077  
make use of the statements and other information for purposes of 5078  
issuing public reports or in connection with court proceedings 5079  
concerning tax credit agreements under this section. Upon the 5080  
request of the tax commissioner, the chairperson of the authority 5081  
shall provide to the commissioner any statement or other 5082  
information submitted by an applicant for or recipient of a tax 5083  
credit in connection with the credit. The commissioner shall 5084  
preserve the confidentiality of the statement or other 5085  
information. 5086

(H) A taxpayer claiming a tax credit under this section shall 5087  
submit to the tax commissioner a copy of the director of 5088  
development's certificate of verification under division (E)(7) of 5089  
this section for the taxable year or for the calendar year that 5090  
includes the tax period. However, failure to submit a copy of the 5091  
certificate does not invalidate a claim for a credit. 5092

(I) For the purposes of this section, a taxpayer may include 5093  
a partnership, a corporation that has made an election under 5094  
subchapter S of chapter one of subtitle A of the Internal Revenue 5095  
Code, or any other business entity through which income flows as a 5096  
distributive share to its owners. A tax credit received under this 5097  
section by a partnership, S-corporation, or other such business 5098  
entity shall be apportioned among the persons to whom the income 5099  
or profit of the partnership, S-corporation, or other entity is 5100  
distributed, in the same proportions as those in which the income 5101  
or profit is distributed. 5102

(J) If the director of development determines that a taxpayer 5103  
that received a tax credit under this section is not complying 5104  
with the requirement under division (E)(4) of this section, the 5105  
director shall notify the tax credit authority of the 5106  
noncompliance. After receiving such a notice, and after giving the 5107  
taxpayer an opportunity to explain the noncompliance, the 5108  
authority may terminate the agreement and require the taxpayer to 5109  
refund to the state all or a portion of the credit claimed in 5110  
previous years, as follows: 5111

(1) If the taxpayer maintained operations at the project site 5112  
for less than the term of the credit, the amount required to be 5113  
refunded shall not exceed the amount of any tax credits previously 5114  
allowed and received under this section. 5115

(2) If the taxpayer maintained operations at the project site 5116  
longer than the term of the credit but less than one and one-half 5117  
times the term of the credit, the amount required to be refunded 5118  
shall not exceed fifty per cent of the sum of any tax credits 5119  
previously allowed and received under this section. 5120

(3) If the taxpayer maintained operations at the project site 5121  
for at least one and one-half times the term of the credit but 5122  
less than twice the term of the credit, the amount required to be 5123

refunded shall not exceed twenty-five per cent of the sum of any 5124  
tax credits previously allowed and received under this section. 5125

In determining the portion of the credit to be refunded to 5126  
this state, the authority shall consider the effect of market 5127  
conditions on the taxpayer's project and whether the taxpayer 5128  
continues to maintain other operations in this state. After making 5129  
the determination, the authority shall certify the amount to be 5130  
refunded to the tax commissioner. The commissioner shall make an 5131  
assessment for that amount against the taxpayer under Chapter 5132  
5733. ~~or, 5747., or 5751.~~ of the Revised Code. The time 5133  
limitations on assessments under ~~Chapter 5733. or 5747. of the~~ 5134  
~~Revised Code~~ those chapters do not apply to an assessment under 5135  
this division, but the commissioner shall make the assessment 5136  
within one year after the date the authority certifies to the 5137  
commissioner the amount to be refunded. 5138

If the director of development determines that a taxpayer 5139  
that received a tax credit under this section has reduced the 5140  
number of employees agreed to under division (E)(5) of this 5141  
section by more than ten per cent, the director shall notify the 5142  
tax credit authority of the noncompliance. After receiving such 5143  
notice, and after providing the taxpayer an opportunity to explain 5144  
the noncompliance, the authority may amend the agreement to reduce 5145  
the percentage or term of the tax credit. The reduction in the 5146  
percentage or term shall take effect in the taxable year, or in 5147  
the calendar year that includes the tax period, in which the 5148  
authority amends the agreement. 5149

(K) The director of development, after consultation with the 5150  
tax commissioner and in accordance with Chapter 119. of the 5151  
Revised Code, shall adopt rules necessary to implement this 5152  
section. The rules may provide for recipients of tax credits under 5153  
this section to be charged fees to cover administrative costs of 5154  
the tax credit program. At the time the director gives public 5155

notice under division (A) of section 119.03 of the Revised Code of 5156  
the adoption of the rules, the director shall submit copies of the 5157  
proposed rules to the chairpersons of the standing committees on 5158  
economic development in the senate and the house of 5159  
representatives. 5160

(L) On or before the thirty-first day of March of each year, 5161  
the director of development shall submit a report to the governor, 5162  
the president of the senate, and the speaker of the house of 5163  
representatives on the tax credit program under this section. The 5164  
report shall include information on the number of agreements that 5165  
were entered into under this section during the preceding calendar 5166  
year, a description of the project that is the subject of each 5167  
such agreement, and an update on the status of projects under 5168  
agreements entered into before the preceding calendar year. 5169

(M)(1) A nonrefundable credit shall be allowed to an 5170  
applicable corporation and its related members in an amount equal 5171  
to the applicable difference. The credit is in addition to the 5172  
credit granted to the corporation or related members under 5173  
division (B) of this section. The credit is subject to divisions 5174  
(B) to (E) and division (J) of this section. 5175

(2) A person qualifying as an applicable corporation under 5176  
this section for a tax year does not necessarily qualify as an 5177  
applicable corporation for any other tax year. No person is 5178  
entitled to the credit allowed under division (M) of this section 5179  
for the tax year immediately following the taxable year during 5180  
which the person fails to meet the requirements in divisions 5181  
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 5182  
to the credit allowed under division (M) of this section for any 5183  
tax year for which the person is not eligible for the credit 5184  
provided under division (B) of this section. 5185

**Sec. 122.172.** (A) As used in this section, "tax liability" 5186

means the tax owed under section 5733.06 or 5747.02 of the Revised Code after allowance of all nonrefundable credits and prior to the allowance of all refundable credits. The tax owed under section 5733.06 of the Revised Code shall take into account any adjustments to such tax required by division (G) of section 5733.01 of the Revised Code that apply prior to allowance of refundable credits.

(B)(1) The director of development shall administer the manufacturing equipment grant program to provide grants for new manufacturing machinery and equipment qualifying for the grant under section 122.173 of the Revised Code. Except as provided in division (C) of this section, the grants apply to the taxes imposed by sections 5733.06 and 5747.02 of the Revised Code for taxable years ending on or after July 1, 2005.

(2) To claim a grant, a taxpayer satisfying the requirements of section 122.173 of the Revised Code shall complete a grant request form, as prescribed by the director in consultation with the tax commissioner, and shall file the form with the tax return for the taxable year for which the grant is claimed. In no event shall the grant reduce a taxpayer's tax liability below the minimum tax owed for the taxable year. The grant request form shall provide the information required to allow the grant for the taxable year and is subject to audit by the director and the commissioner. Any portion of the grant in excess of the taxpayer's tax liability shall not be refundable but may be carried forward as provided in section 122.173 of the Revised Code. Upon the director's request, the commissioner shall provide completed grant request forms filed under this section to the director in a mutually agreed upon format.

(C) If a taxpayer is required to repay any credit allowed under section 5733.33 or 5747.31 of the Revised Code for a taxable

year ending prior to July 1, 2005, for a reason not specified in 5218  
Chapter 5733. or 5747. of the Revised Code, a grant shall be 5219  
available for that taxable year under section 122.173 of the 5220  
Revised Code to the extent provided in that section. 5221

(D) Any tax liability under section 5733.06 or 5747.02 of the 5222  
Revised Code that is underpaid as the result of an improper claim 5223  
for a grant under this section may be assessed by the tax 5224  
commissioner in the manner provided by section 5733.11 or 5747.11 5225  
of the Revised Code. 5226

and under which the transferee's basis in the new manufacturing 5464

necessary to ascertain any remaining or carried-forward amounts to 5478

machinery or equipment had the other taxpayer not sold the 5486  
manufacturing machinery or equipment. 5487

(D) The taxpayer shall claim the grant allowed by this 5488  
section in the manner provided by section 122.172 of the Revised 5489

twenty-fourth month following the last day of the period described 5525  
in divisions (A)(1)(b) and (2)(b) of this section. 5526

under this section has been prorated under division (G)(2) of 5557

An appointing authority whose employees are paid directly by 7438

certified position in the classified service within the appointing 7440  
authority's agency to a position in the unclassified service 7441

to a position in the unclassified service shall retain the right 7443  
to resume the position and status held by the person in the 7444  
classified service immediately prior to the person's appointment 7445

Reinstatement to a position in the classified service shall be to 7448  
a position substantially equal to that position in the classified 7449  
service ~~held previously, as certified by the director of~~ 7450

**Sec. 124.133.** The director of administrative services may 7467  
establish, by rule adopted under Chapter 119. of the Revised Code, 7468  
an experimental program to be implemented on a limited basis only 7469  
which grants to employees in the service of the state vacation 7470  
leave, sick leave, disability leave, personal leave, life 7471  
insurance, or medical insurance benefits that differ from these 7472  
benefits as granted by sections 124.13, 124.134, 124.382, 124.385, 7473  
124.386, 124.81, and 124.82 of the Revised Code. However, this 7474  
program shall not reduce the number of hours of vacation leave, 7475

the effective date of the rule. 7477

**Sec. 124.14.** (A)(1) The director of administrative services 7478  
shall establish, and may modify or repeal, by rule, a job 7479  
classification plan for all ~~positions, offices, and employments~~ 7480  
~~the salaries of which are paid in whole or in part by~~ positions in 7481  
the civil service of the state. The director shall group jobs 7482  
within a classification so that the positions are similar enough 7483  
in duties and responsibilities to be described by the same title, 7484  
to have the same pay assigned with equity, and to have the same 7485  
qualifications for selection applied. The director shall, by rule, 7486  
assign a classification title to each classification within the 7487  
classification plan. However, the director shall consider in 7488  
establishing classifications, including classifications with 7489  
parenthetical titles, and assigning pay ranges such factors as 7490  
duties performed only on one shift, special skills in short supply 7491

in the labor market, recruitment problems, separation rates, 7492  
comparative salary rates, the amount of training required, and 7493  
other conditions affecting employment. The director shall describe 7494  
the duties and responsibilities of ~~the class and~~ positions in each 7495  
classification, establish the qualifications for being employed in 7496  
~~that~~ each position in the classification, and ~~shall~~ file with the 7497  
secretary of state a copy of specifications for all of the 7498  
classifications. The director shall file new, additional, or 7499  
revised specifications with the secretary of state before ~~being~~ 7500  
they are used. 7501

The director shall, by rule, assign each classification, 7502  
either on a statewide basis or in particular counties or state 7503  
institutions, to a pay range established under section 124.15 or 7504  
section 124.152 of the Revised Code. The director may assign a 7505  
classification to a pay range on a temporary basis for a period of 7506  
time designated in the rule. The director may establish, by rule 7507  
adopted under Chapter 119. of the Revised Code, experimental 7508  
classification plans for some or all employees ~~paid directly by~~ 7509  
~~warrant of the auditor~~ in the service of the state. The rule shall 7510  
include specifications for each classification within ~~the~~ such a 7511  
plan and shall specifically address compensation ranges, and 7512  
methods for advancing within the ranges, for the classifications, 7513  
which may be assigned to pay ranges other than the pay ranges 7514  
established under section 124.15 or 124.152 of the Revised Code. 7515

(2) The director may reassign to a proper classification 7516  
those positions that have been assigned to an improper 7517  
classification. If the compensation of an employee in such a 7518  
reassigned position exceeds the maximum rate of pay for the 7519  
employee's new classification, the employee shall be placed in pay 7520  
step X and shall not receive an increase in compensation until the 7521  
maximum rate of pay for that classification exceeds the employee's 7522  
compensation. 7523

(3) The director may reassign an exempt employee, as defined 7524  
in section 124.152 of the Revised Code, to a bargaining unit 7525  
classification if the director determines that the bargaining unit 7526  
classification is the proper classification for that employee. 7527  
Notwithstanding Chapter 4117. of the Revised Code or instruments 7528  
and contracts negotiated under it, ~~such~~ these placements are ~~at~~ in 7529  
the director's discretion. 7530

(4) The director shall, by rule, assign related 7531  
classifications, which form a career progression, to a 7532  
classification series. The director shall, by rule, assign each 7533  
classification in the classification plan a five-digit number, the 7534  
first four digits of which shall denote the classification series 7535  
to which the classification is assigned. When a career progression 7536  
encompasses more than ten classifications, the director shall, by 7537  
rule, identify the additional classifications belonging to a 7538  
classification series. ~~Such~~ The additional classifications shall 7539  
be part of the classification series, notwithstanding the fact 7540  
that the first four digits of the number assigned to the 7541  
additional classifications do not correspond to the first four 7542  
digits of the numbers assigned to other classifications in the 7543  
classification series. 7544

~~(5) The director shall adopt rules in accordance with Chapter 7545  
119. of the Revised Code for the establishment of a classification 7546  
plan for county agencies that elect not to use the services and 7547  
facilities of a county personnel department. The rules shall 7548  
include a methodology for the establishment of titles unique to 7549  
county agencies, the use of state classification titles and 7550  
classification specifications for common positions, the criteria 7551  
for a county to meet in establishing its own classification plan, 7552  
and the establishment of what constitutes a classification series 7553  
for county agencies. 7554~~

the proposed rule to the appointing authorities of the affected 7580  
employees thirty days before the hearing on the proposed rule. The 7581  
appointing authorities shall notify the affected employees 7582  
regarding the proposed rule. The director shall also send ~~such~~ 7583

classified employee who is not serving in a probationary period, 7591  
the director shall perform a job audit to review the 7592  
classification of the employee's position to determine whether the 7593  
position is properly classified. The director shall give to the 7594

reclassification of the employee and require the director to 7608  
assign the employee to ~~such~~ the appropriate classification as the 7609  
facts and evidence warrant. As provided in division (A) of section 7610  
124.03 of the Revised Code, the board may determine the most 7611  
appropriate classification for the position of any employee coming 7612  
before the board, with or without a job audit. The board shall 7613  
disallow any reclassification or reassignment classification of 7614  
any employee when it finds that changes have been made in the 7615  
duties and responsibilities of any particular employee for 7616  
political, religious, or other unjust reasons. 7617

(E)(1) Employees of each county department of job and family services shall be paid a salary or wage established by the board of county commissioners. in and assigned to the boards of trustees of those colleges and  
universities, or those officers to whom the boards ~~of trustees~~

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. An appointing authority that appoints employees in the service of the state, with the approval of the director of administrative services and the director of budget and management, may establish payments to employees for uniforms, tools, equipment, and other requirements of the department and payments for the maintenance of them. 8010

(B)(2) or (4) of section 124.14 of the Revised Code. On completing 8034  
the review, the director of administrative services, with the 8035  
approval of the director of budget and management, may provide to 8036  
some or all of these employees any payment or benefit, except for 8037  
salary, contained in such a collective bargaining agreement even 8038  
if it is similar to a payment or benefit already provided by law 8039  
to some or all of these employees. Any payment or benefit so 8040  
provided shall not exceed the highest level for that payment or 8041  
benefit specified in such a collective bargaining agreement. The 8042  
director of administrative services shall not provide, and the 8043  
director of budget and management shall not approve, any payment 8044  
or benefit to such an employee under this division unless the 8045  
payment or benefit is provided pursuant to a collective bargaining 8046  
agreement to a state employee who is in a position with similar 8047  
duties as, is supervised by, or is employed by the same appointing 8048  
authority as, the employee to whom the benefit or payment is to be 8049  
provided. 8050

As used in this division, "payment or benefit already 8051  
provided by law" includes, but is not limited to, bereavement, 8052  
personal, vacation, administrative, and sick leave, disability 8053  
benefits, holiday pay, and pay supplements provided under the 8054  
Revised Code, but does not include wages or salary. 8055

(E) New employees paid in accordance with schedule B of 8056  
division (A) of this section or schedule E-1 of section 124.152 of 8057  
the Revised Code shall be employed at the minimum rate established 8058  
for the range unless otherwise provided. Employees with 8059  
qualifications that are beyond the minimum normally required for 8060  
the position and that are determined by the director to be 8061  
exceptional may be employed in, or may be transferred or promoted 8062  
to, a position at an advanced step of the range. Further, in time 8063  
of a serious labor market condition when it is relatively 8064  
impossible to recruit employees at the minimum rate for a 8065

particular classification, the entrance rate may be set at an  
advanced step in the range by the director of administrative  
services. This rate may be limited to geographical regions of the  
state. Appointments made to an advanced step under the provision  
regarding exceptional qualifications shall not affect the step  
assignment of employees already serving. However, anytime the  
hiring rate of an entire classification is advanced to a higher  
step, all incumbents of that classification being paid at a step  
lower than that being used for hiring, shall be advanced beginning  
at the start of the first pay period thereafter to the new hiring  
rate, and any time accrued at the lower step will be used to  
calculate advancement to a succeeding step. If the hiring rate of  
a classification is increased for only a geographical region of  
the state, only incumbents who work in that geographical region  
shall be advanced to a higher step. When an employee in the  
unclassified service changes from one state position to another or  
is appointed to a position in the classified service, or if an  
employee in the classified service is appointed to a position in  
the unclassified service, the employee's salary or wage in the new  
position shall be determined in the same manner as if the employee  
were an employee in the classified service. When an employee in  
the unclassified service who is not eligible for step increases is  
appointed to a classification in the classified service under  
which step increases are provided, future step increases shall be  
based on the date on which the employee last received a pay  
increase. If the employee has not received an increase during the  
previous year, the date of the appointment to the classified  
service shall be used to determine the employee's annual step  
advancement eligibility date. In reassigning any employee to a  
classification resulting in a pay range increase or to a new pay  
range as a result of a promotion, an increase pay range  
adjustment, or other classification change resulting in a pay  
range increase, the director shall assign such employee to the

step in the new pay range that will provide an increase of 8099  
approximately four per cent if the new pay range can accommodate 8100  
the increase. When an employee is being assigned to a 8101  
classification or new pay range as the result of a class plan 8102  
change, if the employee has completed a probationary period, the 8103  
employee shall be placed in a step no lower than step two of the 8104  
new pay range. If the employee has not completed a probationary 8105  
period, the employee may be placed in step one of the new pay 8106  
range. Such new salary or wage shall become effective on such date 8107  
as the director determines. 8108

(F) If employment conditions and the urgency of the work 8109  
require such action, the director of administrative services may, 8110  
upon the application of a department head, authorize payment at 8111  
any rate established within the range for the class of work, for 8112  
work of a casual or intermittent nature or on a project basis. 8113  
Payment at such rates shall not be made to the same individual for 8114  
more than three calendar months in any one calendar year. Any such 8115  
action shall be subject to the approval of the director of budget 8116  
and management as to the availability of funds. This section and 8117  
sections 124.14 and 124.152 of the Revised Code do not repeal any 8118  
authority of any department or public official to contract with or 8119  
fix the compensation of professional persons who may be employed 8120  
temporarily for work of a casual nature or for work on a project 8121  
basis. 8122

(G)(1) Except as provided in division (G)(2) of this section, 8123  
each state employee paid in accordance with schedule B of this 8124  
section or schedule E-1 of section 124.152 of the Revised Code 8125  
shall be eligible for advancement to succeeding steps in the range 8126  
for the employee's class or grade according to the schedule 8127  
established in this division. Beginning on the first day of the 8128  
pay period within which the employee completes the prescribed 8129  
probationary period in the employee's classification with the 8130

state, each employee shall receive an automatic salary adjustment 8131  
equivalent to the next higher step within the pay range for the 8132  
employee's class or grade. 8133

Each employee paid in accordance with schedule E-1 of section 8134  
124.152 of the Revised Code shall be eligible to advance to the 8135  
next higher step until the employee reaches the top step in the 8136  
range for the employee's class or grade, if the employee has 8137  
maintained satisfactory performance in accordance with criteria 8138  
established by the employee's appointing authority. Those step 8139  
advancements shall not occur more frequently than once in any 8140  
twelve-month period. 8141

When an employee is promoted or reassigned to a higher pay 8142  
range, the employee's step indicator shall return to "0" or be 8143  
adjusted to account for a probationary period, as appropriate. 8144  
Step advancement shall not be affected by demotion. A promoted 8145  
employee shall advance to the next higher step of the pay range on 8146  
the first day of the pay period in which the required probationary 8147  
period is completed. Step advancement shall become effective at 8148  
the beginning of the pay period within which the employee attains 8149  
the necessary length of service. Time spent on authorized leave of 8150  
absence shall be counted for this purpose. 8151

If determined to be in the best interest of the state 8152  
service, the director of administrative services may, either 8153  
statewide or in selected agencies, adjust the dates on which 8154  
annual step advancements are received by employees paid in 8155  
accordance with schedule E-1 of section 124.152 of the Revised 8156  
Code. 8157

(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of 8158  
this section, there shall be a moratorium on step advancements 8159  
under division (G)(1) of this section from the pay period 8160  
beginning June 29, 2003, through the pay period ending June 25, 8161

2005. Step advancements shall resume with the pay period beginning 8162  
June 26, 2005. Upon the resumption of step advancements, there 8163  
shall be no retroactive step advancements for the period the 8164  
moratorium was in effect. The moratorium shall not affect an 8165  
employee's performance evaluation schedule. 8166

(ii) During the moratorium under division (G)(2)(a)(i) of 8167  
this section, an employee who is hired or promoted and serves a 8168  
probationary period in the employee's new position shall advance 8169  
to the next step in the employee's pay range upon successful 8170  
completion of the employee's probationary period. Thereafter, the 8171  
employee is subject to the moratorium. 8172

(b) The moratorium under division (G)(2)(a)(i) of this 8173  
section shall apply to the employees of the secretary of state, 8174  
the auditor of state, the treasurer of state, and the attorney 8175  
general, who are subject to this section unless the secretary of 8176  
state, the auditor of state, the treasurer of state, or the 8177  
attorney general decides to exempt the office's employees from the 8178  
moratorium and so notifies the director of administrative services 8179  
in writing on or before July 1, 2003. 8180

(H) Employees in appointive managerial or professional 8181  
positions paid in accordance with schedule C of this section or 8182  
schedule E-2 of section 124.152 of the Revised Code may be 8183  
appointed at any rate within the appropriate pay range. This rate 8184  
of pay may be adjusted higher or lower within the respective pay 8185  
range at any time the appointing authority so desires as long as 8186  
the adjustment is based on the employee's ability to successfully 8187  
administer those duties assigned to the employee. Salary 8188  
adjustments shall not be made more frequently than once in any 8189  
six-month period under this provision to incumbents holding the 8190  
same position and classification. 8191

(I) When an employee is assigned to duty outside this state, 8192

the employee may be compensated, upon request of the department 8193  
head and with the approval of the director of administrative 8194  
services, at a rate not to exceed fifty per cent in excess of the 8195  
employee's current base rate for the period of time spent on that 8196  
duty. 8197

(J) Unless compensation for members of a board or commission 8198  
is otherwise specifically provided by law, the director of 8199  
administrative services shall establish the rate and method of 8200  
payment for members of boards and commissions pursuant to the pay 8201  
schedules listed in section 124.152 of the Revised Code. 8202

(K) Regular full-time employees in positions assigned to 8203  
classes within the instruction and education administration series 8204  
under the rules of the director of administrative services, except 8205  
certificated employees on the instructional staff of the state 8206  
school for the blind or the state school for the deaf, whose 8207  
positions are scheduled to work on the basis of an academic year 8208  
rather than a full calendar year, shall be paid according to the 8209  
pay range assigned by such rules but only during those pay periods 8210  
included in the academic year of the school where the employee is 8211  
located. 8212

(1) Part-time or substitute teachers or those whose period of 8213

may nominate a person to the director for noncompetitive 8608  
examination, and if ~~such~~ the nominee is certified by the director 8609  
as qualified after ~~such~~ the noncompetitive examination, the 8610  
nominee may be appointed provisionally to fill ~~such~~ the vacancy 8611  
until a selection and appointment can be made after competitive 8612  
examination; ~~but such.~~ However, the provisional appointment shall 8613  
continue in force only until a regular appointment can be made 8614  
from eligible lists prepared by the director, and ~~such~~ the 8615  
eligible lists shall be prepared within six months, provided that 8616  
an examination for the position must be held within the six-month 8617  
period from the date of ~~such~~ the provisional appointment. In the 8618  
case of provisional appointees in ~~county departments of job and~~ 8619  
~~family services and in~~ the department of job and family services 8620  
and department of health, if the salary is paid in whole or in 8621  
part from federal funds, ~~such~~ the eligible lists shall be prepared 8622  
within six months, provided that an examination for the position 8623  
must be held within the six-month period from the date of ~~such~~ the 8624  
provisional appointment. In case of an emergency, an appointment 8625  
may be made without regard to the rules of sections 124.01 to 8626  
124.64 of the Revised Code, but in no case to continue longer than 8627  
thirty days, and in no case shall successive appointments be made. 8628

Interim or temporary appointments, made necessary by reason of 8629  
sickness, disability, or other approved leave of absence of 8630  
regular officers or employees shall continue only during ~~such the~~ 8631  
period of sickness, disability, or other approved leave of 8632  
absence, subject to rules ~~to be provided for by~~ of the director. 8633

(2) In case of a vacancy in a position in the classified 8634  
civil service of the state where peculiar and exceptional 8635  
qualifications of a scientific, managerial, professional, or 8636  
educational character are required, and upon satisfactory evidence 8637  
that for specified reasons competition in ~~such this~~ special case 8638  
is impracticable and that the position can best be filled by a 8639  
selection of some designated person of high and recognized 8640  
attainments in ~~such those~~ qualities, the director may suspend the 8641  
provisions of sections 124.01 to 124.64 of the Revised Code, 8642  
~~requiring that require~~ competition in ~~such this special~~ case, but 8643  
no suspension shall be general in its application, ~~and all. All~~ 8644  
such cases of suspension shall be reported in the annual report of 8645  
the director with the reasons for ~~the~~ each suspension. The 8646  
director shall suspend the provisions when the director of job and 8647  
family services provides ~~the director~~ certification under section 8648  
5101.051 of the Revised Code that a position with the department 8649  
of job and family services can best be filled if the provisions 8650  
are suspended. 8651

(3) ~~Where~~ If the services to be rendered by an appointee are 8652  
for a temporary period, not to exceed six months, and the need of 8653  
~~such the~~ service is important and urgent, the appointing authority 8654  
may select for ~~such~~ temporary service any person on the proper 8655  
list of those eligible for permanent appointment. Successive 8656  
temporary appointments to the same position shall not be made 8657  
under this division. The acceptance or refusal by an eligible 8658  
person of a temporary appointment shall not affect the person's 8659  
standing on the ~~register~~ eligible list for permanent ~~employment~~. 8660

appointment, nor shall the period of temporary service be counted 8661  
as a part of the probationary service in case of subsequent 8662  
appointment to a permanent position. 8663

(B) Persons who receive external interim, temporary, or 8664  
intermittent appointments are in the unclassified civil service 8665  
and serve at the pleasure of their appointing authority. Interim 8666  
appointments shall be made only to fill a vacancy that results 8667  
from an employee's temporary absence, but shall not be made to 8668  
fill a vacancy that results because an employee receives an 8669  
interim appointment. 8670

**Sec. 124.31.** (A) Vacancies in positions in the classified 8671  
service shall be filled insofar as practicable by promotions. ~~The~~ 8672  
In the case of a vacancy in a position in the classified civil 8673  
service of the state, the director of administrative services 8674  
shall provide in the director's rules for keeping a record of 8675  
efficiency for each employee in the classified civil service of 8676  
the state, and for making promotions in the classified civil 8677  
service of the state on the basis of merit, to be ascertained ~~as~~ 8678  
~~far~~ insofar as practicable by promotional examinations, by conduct 8679  
and capacity in office, and by seniority in service, ~~and~~. The 8680  
director shall provide that vacancies in positions in the 8681  
classified civil service of the state shall be filled by promotion 8682  
in all cases where, in the judgment of the director, it is for the 8683  
best interest of the service. 8684

(B) All examinations for promotions shall be competitive and 8685  
may be conducted in the same manner as examinations described in 8686  
section 124.23 of the Revised Code. In promotional examinations, 8687  
seniority in service shall be added to the examination grade, but 8688  
no credit for seniority or any other reason shall be added to an 8689  
examination grade unless the applicant achieves at least the 8690  
minimum passing score on the examination without counting ~~such~~ 8691

that extra credit. Credit for seniority shall equal, for the first 8692  
four years of service, one per cent of the total grade attainable 8693  
in the promotion examination, and, for each of the fifth through 8694  
fourteenth years of service, six-tenths per cent of the total 8695  
grade attainable. 8696

In all cases of vacancies in positions in the classified 8697  
civil service of the state, where vacancies are to be filled by 8698  
promotion, the director of administrative services shall certify 8699  
to the appointing authority only the names of the three persons 8700  
having the highest rating on the eligible list. The method of 8701  
examination for promotions, the manner of giving notice ~~thereof~~ of 8702  
an examination, and the rules governing the same shall be in 8703  
general the same as those provided for original examinations, 8704  
except as otherwise provided in sections 124.01 to 124.64 of the 8705  
Revised Code. 8706

**Sec. 124.311.** (A) Following any classification change within 8707  
a classification series, a certified employee in the classified 8708  
civil service of the state retains certification. When an employee 8709  
receives a classification change to a classification outside the 8710  
series in which ~~he~~ the employee is certified, unless exception is 8711  
made by rules adopted under division (B) of this section, the 8712  
employee does not retain certified status. 8713

If an employee is in a provisional status following a 8714  
classification change due to the operation of this section and is 8715  
displaced within two years of receiving the change for any reason 8716  
other than those listed in section 124.32, 124.321, 124.322, 8717  
124.323, 124.324, 124.325, 124.326, 124.327, 124.34, or 124.62 of 8718  
the Revised Code, the employee shall be returned as a certified 8719  
employee to the classification held immediately prior to the 8720  
classification change, provided ~~he~~ the employee was certified in 8721  
that classification. If the former classification is not or cannot 8722

be used by the appointing authority in the agency in which the 8723  
employee received the classification change, the director of 8724  
administrative services shall designate a classification with 8725  
comparable duties and the same pay range as the classification 8726  
~~which~~ that was held immediately prior to the change and in which 8727  
the employee was certified. If a similar classification cannot be 8728  
designated, the employee retains certification in the 8729  
classification in which ~~he~~ the employee was certified immediately 8730  
prior to the classification change, and ~~he~~ the employee shall be 8731  
treated as a laid-off employee under sections 124.321 to 124.327 8732  
of the Revised Code. If an employee receives a classification 8733  
change subsequent to being placed in a provisional status, the 8734  
employee is not eligible to be returned to the classification in 8735  
which ~~he~~ the employee was certified prior to any classification 8736  
change. 8737

If an employee is in a provisional status due to the 8738  
application of this section and is displaced under section 124.32, 8739  
124.321, 124.322, 124.323, 124.324, 124.325, 124.326, 124.327, 8740  
124.34, or 124.62 of the Revised Code, the employee has no right 8741  
under this section to return to the classification held prior to 8742  
the classification change, except that if an employee receives a 8743  
probationary reduction or voluntary demotion to a classification 8744  
in which ~~he~~ the employee was certified prior to the classification 8745  
change within two years after the change, the employee shall be 8746  
returned as a certified employee to the prior classification in 8747  
which ~~he~~ the employee was certified. 8748

Whenever the director or the general assembly changes the 8749  
state classification plan, an employee shall retain certification 8750  
in the same or similar classification held immediately prior to 8751  
the change in the classification plan, provided ~~he~~ the employee 8752  
was certified under the former plan. 8753

Whenever the position held by a classified employee is 8754

reclassified as a result of a job audit outside the classification 8755  
series in which ~~he~~ the employee is certified, the employee shall 8756  
be treated as having received a classification change under this 8757  
section and be given credit for the time ~~he~~ the employee performed 8758  
the duties of the new classification for purposes of a 8759  
probationary period under section 124.27 of the Revised Code. 8760

The employee may, however, choose not to accept the 8761  
reclassified position, in which case ~~he~~ the employee shall retain 8762  
~~his~~ the certification in the classification for which ~~he~~ the 8763  
employee was certified, and the appointing authority shall assign 8764  
the employee to a position with that classification or abolish the 8765  
former position. 8766

(B) The director of administrative services shall make rules 8767  
in accordance with Chapter 119. of the Revised Code implementing 8768  
division (A) of this section with regard to the state 8769  
classification plan and employees in the service of the state. The 8770  
rules shall provide: 8771

(1) Specific criteria for retention of certification 8772  
following a classification change from one classification to 8773  
another outside the classification series-; 8774

(2) For the publication of a list of classifications with the 8775  
same or similar duties in which the employee will retain 8776  
certification following certain classification changes and in 8777  
which displacement rights apply-; 8778

(3) For an employee who is displaced within a two-year period 8779  
following a classification change to return to the former position 8780  
in which ~~he~~ the employee was certified, as specified in division 8781  
(A) of this section. 8782

**Sec. 124.32.** (A) With the consent of the director of 8783  
administrative services, a person holding an office or position in 8784

the classified civil service of the state may be transferred to a 8785  
similar office or position in another office, department, or 8786  
institution having the same pay and similar duties; but no 8787  
transfer shall be made ~~from~~ as follows: 8788

(1) From an office or position in one class to an office or 8789  
position in another class, ~~nor shall a person be transferred to;~~ 8790

(2) To an office or position for original entrance to which 8791  
there is required by sections 124.01 to 124.64 of the Revised 8792  
Code, or the rules adopted pursuant to ~~such~~ those sections, an 8793  
examination involving essential tests or qualifications or 8794  
carrying a salary different from or higher than those required for 8795  
original entrance to an office or position held by ~~such~~ the 8796  
person. 8797

(B) Any person holding an office or position ~~under~~ in the 8798  
classified civil service of the state who has been separated from 8799  
the service without delinquency or misconduct on the person's part 8800  
may, with the consent of the director, be reinstated within one 8801  
year from the date of ~~such~~ that separation to a vacancy in the 8802  
same or similar office or position in the same department; 8803  
~~provided. But, if such that~~ separation is due to injury or 8804  
physical disability, ~~such~~ the person shall be reinstated ~~to~~ in the 8805  
same office held or in a similar position to that held at the time 8806  
of separation, within thirty days after written application for 8807  
reinstatement and after passing a physical examination made by a 8808  
licensed physician, a physician assistant, a clinical nurse 8809  
specialist, a certified nurse practitioner, or a certified 8810  
nurse-midwife showing that the person has recovered from ~~such~~ the 8811  
injury or physical disability, provided ~~further~~ that ~~such~~ the 8812  
application for reinstatement ~~be~~ is filed within three years from 8813  
the date of separation, ~~and further provided~~ that ~~such~~ the 8814  
application ~~shall~~ is not ~~be~~ filed after the date of service 8815  
eligibility retirement. The physician, physician assistant, 8816

clinical nurse specialist, certified nurse practitioner, or 8817  
certified nurse-midwife shall be designated by the appointing 8818  
authority and shall complete any written documentation of the 8819  
physical examination. 8820

**Sec. 124.321.** (A) Whenever it becomes necessary for an 8821  
appointing authority to reduce its work force, the appointing 8822  
authority shall lay off employees or abolish their positions in 8823  
accordance with sections 124.321 to 124.327 of the Revised Code 8824  
and, in the case of employees in the service of the state, 8825  
pursuant to the rules of the director of administrative services. 8826

(B) (1) Employees may be laid off as a result of a lack of 8827  
funds within an appointing authority. For appointing authorities 8828  
~~which~~ that employ persons whose salary or wage is paid by warrant 8829  
of the auditor of state, the director of budget and management 8830  
shall be responsible for determining whether a lack of funds 8831  
exists. For ~~all other~~ appointing authorities ~~which~~ that employ 8832  
persons whose salary or wage is paid other than by warrant of the 8833  
auditor of state, the appointing authority ~~shall~~ itself shall 8834  
determine whether a lack of funds exists ~~and shall file a~~ 8835  
~~statement of rationale and supporting documentation with the~~ 8836  
~~director of administrative services prior to sending the layoff~~ 8837  
~~notice.~~ 8838

A (2) As used in this division, a "lack of funds" means an 8839  
appointing authority has a current or projected deficiency of 8840  
funding to maintain current, or to sustain projected, levels of 8841  
staffing and operations. This section does not require any 8842  
transfer of money between funds in order to offset a deficiency or 8843  
projected deficiency of federal funding for a program. 8844

(3) The director of budget and management shall ~~promulgate~~ 8845  
adopt rules, under Chapter 119. of the Revised Code, for agencies 8846  
whose employees are paid by warrant of the auditor of state, for 8847

determining whether a lack of funds exists. 8848

(C)(1) Employees may be laid off as a result of lack of work 8849  
within an appointing authority. For appointing authorities whose 8850  
employees are paid by warrant of the auditor of state, the 8851  
director of administrative services shall determine whether a lack 8852  
of work exists. All other appointing authorities shall themselves 8853  
determine whether a lack of work exists ~~and shall file a statement~~ 8854  
~~of rationale and supporting documentation with the director of~~ 8855  
~~administrative services prior to sending the notice of layoff.~~ 8856

A (2) As used in this division, a "lack of work, ~~for purposes~~ 8857  
~~of layoff,~~" means an appointing authority has a current or 8858  
projected temporary decrease in the workload, expected to last 8859  
less than one year, ~~which~~ that requires a reduction of current or 8860  
projected staffing levels. The determination of a lack of work 8861  
shall indicate the current or projected temporary decrease in the 8862  
workload of an appointing authority and whether the current or 8863  
projected staffing levels of the appointing authority will be 8864  
excessive. 8865

(D)(1) Employees may be laid off as a result of abolishment 8866  
of positions. ~~Abolishment~~ As used in this division, "abolishment" 8867  
means the ~~permanent~~ deletion of a position or positions from the 8868  
organization or structure of an appointing authority ~~due to lack~~ 8869  
~~of continued need for the position. An~~ 8870

For purposes of this division, an appointing authority may 8871  
abolish positions for any one or any combination of the following 8872  
reasons: as a result of a reorganization for the efficient 8873  
operation of the appointing authority, for reasons of economy, or 8874  
for lack of work. ~~The determination of the need to abolish~~ 8875  
~~positions shall indicate the lack of continued need for positions~~ 8876  
~~within an appointing authority~~ 8877

(2)(a) Reasons of economy permitting an appointing authority 8878

to abolish a position and to lay off the holder of that position 8879  
under this division shall be determined at the time the appointing 8880  
authority proposes to abolish the position. The reasons of economy 8881  
shall be based on the appointing authority's estimated amount of 8882  
savings with respect to salary, benefits, and other matters 8883  
associated with the abolishment of the position, except that the 8884  
reasons of economy associated with the position's abolishment 8885  
instead may be based on the appointing authority's estimated 8886  
amount of savings with respect to salary and benefits only, if: 8887

(i) Either the appointing authority's operating appropriation 8888  
has been reduced by an executive or legislative action, or the 8889  
appointing authority has a current or projected deficiency in 8890  
funding to maintain current or projected levels of staffing and 8891  
operations; and 8892

(ii) In the case of an appointing authority that is 8893  
abolishing a position in the service of the state, it files a 8894  
notice of the position's abolishment with the director of 8895  
administrative services within one year of the occurrence of the 8896  
applicable circumstance described in division (D)(2)(a)(i) of this 8897  
section. 8898

(b) The following principles apply when a circumstance 8899  
described in division (D)(2)(a)(i) of this section would serve to 8900  
authorize an appointing authority to abolish a position and to lay 8901  
off the holder of the position under this division based on the 8902  
appointing authority's estimated amount of savings with respect to 8903  
salary and benefits only: 8904

(i) The position's abolishment shall be done in good faith 8905  
and not as a subterfuge for discipline. 8906

(ii) If a circumstance affects a specific program only, the 8907  
appointing authority only may abolish a position within that 8908  
program. 8909

(iii) If a circumstance does not affect a specific program 8910  
only, the appointing authority may identify a position that it 8911  
considers appropriate for abolishment based on the reasons of 8912  
economy. Appointing authorities 8913

(3) Each appointing authority shall themselves determine 8914  
itself whether any position should be abolished and, if the 8915  
appointing authority is abolishing any position in the service of 8916  
the state, shall file a statement of rationale and supporting 8917  
documentation with the director of administrative services prior 8918  
to sending the notice of abolishment. ~~If~~ 8919

If an abolishment results in a reduction of the work force, 8920  
the appointing authority shall follow the procedures for laying 8921  
off employees, subject to the following modifications: 8922

~~(1)~~(a) The employee whose position has been abolished shall 8923  
have the right to fill an available vacancy within the employee's 8924  
classification~~+~~. 8925

~~(2)~~(b) If the employee whose position has been abolished has 8926  
more retention points than any other employee serving in the same 8927  
classification, ~~then~~ the employee with the fewest retention points 8928  
shall be displaced~~+~~. 8929

~~(3)~~(c) If the employee whose position has been abolished has 8930  
the fewest retention points in the classification, the employee 8931  
shall have the right to fill an available vacancy in a lower 8932  
classification in the classification series~~+~~. 8933

~~(4)~~(d) If the employee whose position has been abolished has 8934  
the fewest retention points in the classification, the employee 8935  
shall displace the employee with the fewest retention points in 8936  
the next or successively lower classification in the 8937  
classification series. 8938

(E) ~~The~~ With regard to reductions in the work force in the 8939

service of the state, the director of administrative services 8940  
shall ~~promulgate~~ adopt rules, under Chapter 119. of the Revised 8941  
Code, for the determination of lack of work within an appointing 8942  
authority, for the abolishment of positions by an appointing 8943  
authority, and for the implementation of this section. 8944

**Sec. 124.322.** Whenever a reduction in the work force is 8945  
necessary, the appointing authority of an agency shall decide in 8946  
which classification or classifications the layoff or layoffs will 8947  
occur and the number of employees to be laid off within each 8948  
affected classification. The director of administrative services 8949  
shall ~~promulgate~~ adopt rules, under Chapter 119. of the Revised 8950  
Code, establishing a method for determining layoff procedures and 8951  
an order of layoff and the displacement and recall of laid-off 8952  
~~state and county~~ employees in the service of the state. The order 8953  
shall be based in part on length of service and, may include 8954  
efficiency in service, appointment type, or ~~such~~ other factors the 8955  
director considers appropriate. If the director establishes 8956  
relative efficiency as a criterion to be used in determining order 8957  
of layoff for ~~state and county~~ employees in the service of the 8958  
state, credit for efficiency may be other than ten per cent of 8959  
total retention points. 8960

**Sec. 124.323.** (A) Employees shall be laid off in the order 8961  
set forth in this section within the primary appointment 8962  
categories of part-time, seasonal, and full-time, and other 8963  
appointment categories ~~as,~~ which, in the case of employees in the 8964  
service of the state, shall be established by the director of 8965  
administrative services. 8966

(B) Whenever a reduction in force is necessary within each of 8967  
the primary appointment categories, first seasonal, then part-time 8968  
permanent, and then full-time permanent employees shall be laid 8969  
off in the following order: 8970

(1) Employees serving provisionally who have not completed their probationary period after appointment;	8971 8972
(2) Employees serving provisionally who have satisfactorily completed their probationary period after appointment;	8973 8974
(3) Employees appointed from certified eligible lists or who are certified and who have not completed their probationary period after appointment;	8975 8976 8977
(4) Employees appointed from certified eligible lists or who are certified and who have successfully completed their probationary period after appointment.	8978 8979 8980
<b>Sec. 124.324.</b> (A) A laid-off employee has the right to displace the employee with the fewest retention points in the classification from which the employee was laid off or in a lower or equivalent classification, in the following order:	8981 8982 8983 8984
(1) Within the classification from which the employee was laid off;	8985 8986
(2) Within the classification series from which the employee was laid off;	8987 8988
(3) Within a classification which has the same or similar duties as the classification from which the employee was laid off <del>7</del> . <u>In the case of employees in the service of the state, this shall be</u> in accordance with the list published by the director <u>of administrative services</u> under division (B)(2) of section 124.311 of the Revised Code <del>7</del> .	8989 8990 8991 8992 8993 8994
(4) Within the classification the employee held immediately prior to holding the classification from which the employee was laid off.	8995 8996 8997
Divisions (A)(3) and (4) of this section shall not apply to employees of cities, city health districts, and counties, except	8998 8999

for employees of county departments of job and family services. 9000

A laid-off employee in the classified service has the right 9001  
to displace an employee with the fewest retention points in the 9002  
classification that the laid-off employee held immediately prior 9003  
to holding the classification from which the employee was laid 9004  
off, if the laid-off employee was certified in the former 9005  
classification. If a position in that classification does not 9006  
exist, then the employee may displace employees in the 9007  
classification that the employee next previously held, and so on, 9008  
subject to the same provisions. The employee may not displace 9009  
employees in a classification if the employee does not meet the 9010  
minimum qualifications of the classification, or if the employee 9011  
held the classification more than five years prior to the date on 9012  
which the employee was laid off, except that failure to meet 9013  
minimum qualifications shall not prevent the employee from 9014  
displacing employees in the classification that the employee next 9015  
previously held within that five-year period. 9016

If, after exercising displacement rights, an employee is 9017  
subject to further layoff action, the employee's displacement 9018  
rights shall be in accordance with the classification from which 9019  
the employee was first laid off. 9020

The director shall verify the calculation of the retention 9021  
points of all employees in the service of the state in an affected 9022  
classification in accordance with section 124.325 of the Revised 9023  
Code. 9024

(B) Following the order of layoff, an employee laid off in 9025  
the classified civil service shall displace another employee 9026  
within the same appointing authority or independent institution 9027  
and layoff jurisdiction in the following manner: 9028

(1) Each laid-off employee possessing more retention points 9029  
shall displace the employee with the fewest retention points in 9030

the next lower classification or successively lower classification 9031  
in the same classification series; except that a laid-off 9032  
provisional employee shall not have the right to displace a 9033  
certified employee; 9034

(2) Any employee displaced by an employee possessing more 9035  
retention points shall displace the employee with the fewest 9036  
retention points in the next lower classification or successively 9037  
lower classification in the same classification series; except 9038  
that a displaced provisional employee shall not displace a 9039  
certified employee. This process shall continue, if necessary, 9040  
until the employee with the fewest retention points in the lowest 9041  
classification of the classification series of the same appointing 9042  
authority or independent institution has been reached and, if 9043  
necessary, laid off. 9044

(C) Employees shall notify the appointing authority of their 9045  
intention to exercise their displacement rights, within five days 9046  
after receiving notice of layoff. 9047

(D) No employee shall displace an employee for whose position 9048  
or classification there exists special minimum qualifications, as 9049  
established by a position description, by classification 9050  
specifications, or by bona fide occupational qualification, unless 9051  
the employee desiring to displace another employee possesses the 9052  
requisite minimum qualifications for the position or 9053  
classification. 9054

(E) If an employee exercising displacement rights must 9055  
displace an employee in another county within the same layoff 9056  
district, the displacement shall not be construed to be a 9057  
transfer. 9058

(F) The director of administrative services shall ~~promulgate~~ 9059  
adopt rules, under Chapter 119. of the Revised Code, for the 9060  
implementation of this section with regard to employees in the 9061

service of the state. 9062

**Sec. 124.325.** (A) Retention points to reflect the length of 9063  
continuous service and efficiency in service for all employees in 9064  
the service of the state affected by a layoff shall be verified by 9065  
the director of administrative services. 9066

(B) An employee's length of continuous service will be 9067  
carried from one layoff jurisdiction to another so long as no 9068  
break in service occurs between ~~such~~ transfers or appointments. 9069

(C) Retention points for efficiency in service shall be 9070  
determined by averaging the employee's latest two annual 9071  
performance evaluations. An employee with less than two years of 9072  
service will have the latest performance evaluation used. Any 9073  
employees with less than one year of service will have their final 9074  
probationary evaluation used. 9075

(D) Should two or more employees have an identical number of 9076  
retention points, employees having the shortest period of 9077  
continuous service shall be laid off first. 9078

(E)(1) As used in this division, "affected employee" means a 9079  
city employee who becomes a county employee, or a county employee 9080  
who becomes a city employee, as the result of any of the 9081  
following: 9082

(a) The merger of a city and a county office; 9083

(b) The merger of city and county functions or duties; 9084

(c) The transfer of functions or duties between a city and 9085  
county. 9086

(2) For purposes of this section, the new employer of any 9087  
affected employee shall treat the employee's prior service with 9088  
~~such a~~ former employer as if it had been served with the new 9089  
employer. 9090

(F) The director of administrative services shall ~~promulgate~~ 9091  
adopt rules, in accordance with Chapter 119. of the Revised Code, 9092  
to establish a system for the assignment of retention points for 9093  
each employee in the service of the state in a classification 9094  
affected by a layoff and for determining, in those instances where 9095  
employees have identical retention points, which employee shall be 9096  
laid off first. 9097

**Sec. 124.33.** An employee holding a position in the classified 9098  
civil service of the state may be temporarily transferred from ~~his~~ 9099  
the employee's original position to a similar position, for a 9100  
period not to exceed thirty days, or for a longer period not to 9101  
exceed ninety days if agreed to by the employee and employer. 9102

No employee shall be temporarily transferred more than once 9104  
during any six-month period without the approval of the director 9105  
of administrative services, who, by rule, shall set guidelines ~~in~~ 9106  
~~his rules and regulations~~ concerning procedures to be followed by 9107  
all appointing authorities when making a temporary transfer and 9108  
list those classifications where the nature of the employment is 9109  
such that systematic changes in the location of an employee's work 9110  
assignments are necessary for the efficient operation of an 9111  
office, department, or institution. 9112

If the director approves a second temporary transfer within 9113  
any six-month period and the employee objects to the transfer 9114  
because ~~he~~ the employee does not hold a position listed in the 9115  
director's rules ~~and regulations~~ as one requiring systematic 9116  
changes in the employee's work assignment or because it is not 9117  
necessary for the efficient operation of the office, department, 9118  
or institution, the employee may appeal such transfer to the state 9119  
personnel board of review. If the board finds that the position 9120  
held by the employee is not by its nature subject to systematic 9121

changes or that a temporary transfer is not necessary for the 9122  
efficient operation of the office, department, or institution, it 9123  
shall not approve the transfer. If the board finds that the 9124  
temporary transfer is necessary for the efficient operation of the 9125  
office, department, or institution or that the position is by its 9126  
nature subject to systematic changes, it shall approve the 9127  
transfer. 9128

Any employee who is temporarily transferred from ~~his~~ the 9129  
employee's original position to a similar position in excess of 9130  
twenty miles from ~~his~~ the employee's place of residence shall be 9131  
reimbursed, by the appointing authority requesting the transfer, 9132  
for all actual and necessary expenses incurred during ~~such~~ the 9133  
temporary transfer. 9134

An appointing authority may, with the approval of the 9135  
director of administrative services, permanently transfer an 9136  
employee in the classified civil service of the state from ~~his~~ the 9137  
employee's original position to a similar position in another 9138  
office, department, or institution. For purposes of this section, 9139  
a permanent transfer is any transfer in excess of thirty days 9140  
unless the employee and the employer agree to a longer period not 9141  
to exceed ninety days. The appointing authority requesting the 9142  
permanent transfer shall notify the employee and the director in 9143  
writing of the request to transfer. If the director determines 9144  
that the transfer is not necessary for the efficient operation of 9145  
the office, department, or institution, ~~he~~ the director shall not 9146  
approve the transfer and shall notify the appointing authority and 9147  
the employee in writing that transfer is not approved. If ~~he~~ the 9148  
director finds that the transfer is necessary for the efficient 9149  
operation of the office, department, or institution, ~~he~~ the 9150  
director shall notify the appointing authority and the employee 9151  
involved in the request for transfer, in writing, that the 9152  
transfer is approved, including in such notification a statement 9153

whether the transfer will require a permanent change of residence 9154  
for the employee. 9155

If the employee consents to the transfer and is in agreement 9156  
with the director's statement concerning a permanent change of 9157  
residence, the appointing authority of the office, department, or 9158  
institution receiving the employee shall reimburse ~~such~~ the 9159  
employee for ~~his~~ actual and necessary travel and living expenses 9160  
or, if the move requires a permanent change of residence, ~~his~~ 9161  
actual and necessary expenses of moving to ~~his~~ the new location 9162  
and a per diem allowance not to exceed thirty days for living 9163  
expenses until ~~his~~ the employee's residence can be moved to the 9164  
new location. 9165

If the employee does not wish to be transferred or ~~he~~ feels 9166  
that the director's decision regarding the need for a permanent 9167  
change of residence has been unfair, ~~he~~ the employee may, within 9168  
ten days after receipt of ~~such~~ the notice, appeal the transfer to 9169  
the state personnel board of review, but pending determination of 9170  
~~such~~ the appeal shall not refuse ~~such~~ the transfer. 9171

In such an appeal, the appointing authority of the office, 9172  
department, or institution receiving the employee shall be 9173  
required to show that the permanent transfer is necessary for the 9174  
efficient operation of the office, department, or institution. If 9175  
the state personnel board of review finds that the transfer is 9176  
necessary for the efficient operation of the office, department, 9177  
or institution, and the employee is transferred, the appointing 9178  
authority of the office, department, or institution receiving the 9179  
employee shall reimburse ~~such~~ the employee for the actual and 9180  
necessary expenses of moving to ~~his~~ the new location and shall pay 9181  
the employee a per diem allowance not to exceed thirty days for 9182  
living expenses until ~~his~~ the employee's residence can be moved to 9183  
the new location. 9184

If the state personnel board of review finds that the 9185

transfer is not necessary for the efficient operation of the 9186  
office, department, or institution, and if the employee has moved 9187  
to the new location pending ~~his~~ the appeal, the appointing 9188  
authority of the receiving office, department, or institution 9189  
shall pay the actual and necessary expenses of the employee of 9190  
moving to the new location and actual and necessary expenses for 9191  
returning the employee to ~~his~~ the employee's previous location. 9192

**Sec. 124.34.** (A) The tenure of every officer or employee in 9193  
the classified service of the state and the counties, civil 9194  
service townships, cities, city health districts, general health 9195  
districts, and city school districts of the state, holding a 9196  
position under this chapter, shall be during good behavior and 9197  
efficient service. No ~~such~~ officer or employee shall be reduced in 9198  
pay or position, fined, suspended, or removed, except as provided 9199  
in section 124.32 of the Revised Code, and for incompetency, 9200  
inefficiency, dishonesty, drunkenness, immoral conduct, 9201  
insubordination, discourteous treatment of the public, neglect of 9202  
duty, violation of this chapter or the rules of the director of 9203  
administrative services or the commission, any other failure of 9204  
good behavior, any other acts of misfeasance, malfeasance, or 9205  
nonfeasance in office, or conviction of a felony. ~~An~~ 9206

An appointing authority may require an employee who is 9207  
suspended to report to work to serve the suspension. An employee 9208  
serving a suspension in this manner shall continue to be 9209  
compensated at the employee's regular rate of pay for hours 9210  
worked. ~~Such~~ The disciplinary action shall be recorded in the 9211  
employee's personnel file in the same manner as other disciplinary 9212  
actions and has the same effect as a suspension without pay for 9213  
the purpose of recording disciplinary actions. 9214

A finding by the appropriate ethics commission, based upon a 9215  
preponderance of the evidence, that the facts alleged in a 9216

complaint under section 102.06 of the Revised Code constitute a 9217  
violation of Chapter 102., section 2921.42, or section 2921.43 of 9218  
the Revised Code may constitute grounds for dismissal. Failure to 9219  
file a statement or falsely filing a statement required by section 9220  
102.02 of the Revised Code may also constitute grounds for 9221  
dismissal. The tenure of an employee in the career professional 9222  
service of the department of transportation is subject to section 9223  
5501.20 of the Revised Code. 9224

Conviction of a felony is a separate basis for reducing in 9225  
pay or position, suspending, or removing an officer or employee, 9226  
even if the officer or employee has already been reduced in pay or 9227  
position, suspended, or removed for the same conduct that is the 9228  
basis of the felony. An officer or employee may not appeal to the 9229  
state personnel board of review or the commission any disciplinary 9230  
action taken by an appointing authority as a result of the 9231  
officer's or employee's conviction of a felony. If an officer or 9232  
employee removed under this section is reinstated as a result of 9233  
an appeal of the removal, any conviction of a felony that occurs 9234  
during the pendency of the appeal is a basis for further 9235  
disciplinary action under this section upon the officer's or 9236  
employee's reinstatement. 9237

A person convicted of a felony immediately forfeits the 9238  
person's status as a classified employee in any public employment 9239  
on and after the date of the conviction for the felony. If an 9240  
officer or employee is removed under this section as a result of 9241  
being convicted of a felony or is subsequently convicted of a 9242  
felony that involves the same conduct that was the basis for the 9243  
removal, the officer or employee is barred from receiving any 9244  
compensation after the removal notwithstanding any modification or 9245  
disaffirmance of the removal, unless the conviction for the felony 9246  
is subsequently reversed or annulled. 9247

Any person removed for conviction of a felony is entitled to 9248

a cash payment for any accrued but unused sick, personal, and vacation leave as authorized by law. If subsequently reemployed in the public sector, ~~such~~ the person shall qualify for and accrue these forms of leave in the manner specified by law for a newly appointed employee and shall not be credited with prior public service for the purpose of receiving these forms of leave.

As used in this division, "felony" means any of the following:

(1) A felony that is an offense of violence as defined in section 2901.01 of the Revised Code;

(2) A felony that is a felony drug abuse offense as defined in section 2925.01 of the Revised Code;

(3) A felony under the laws of this or any other state or the United States that is a crime of moral turpitude;

(4) A felony involving dishonesty, fraud, or theft;

(5) A felony that is a violation of section 2921.05, 2921.32, or 2921.42 of the Revised Code.

(B) In case of a reduction, suspension of more than three working days, fine in excess of three days' pay, or removal, except for the reduction or removal of a probationary employee, the appointing authority shall serve the employee with a copy of the order of reduction, fine, suspension, or removal, which order shall state the reasons for the action. The order shall be filed with the director of administrative services, in the case of an employee in the service of the state, and the state personnel board of review<sub>7</sub> or the commission<sub>7</sub> as may be appropriate.

Within ten days following the date on which the order is served or, in the case of an employee in the career professional service of the department of transportation, within ten days following the filing of a removal order, the employee, except as

otherwise provided in this section, may file an appeal of the  
order in writing with the state personnel board of review or the  
commission. For purposes of this section, the date on which an  
order is served is the date of hand delivery of the order or the  
date of delivery of the order by certified United States mail,  
whichever occurs first. If ~~such~~ an appeal is filed, the board or  
commission shall forthwith notify the appointing authority and  
shall hear, or appoint a trial board to hear, the appeal within  
thirty days from and after its filing with the board or  
commission, and it may affirm, disaffirm, or modify the judgment  
of the appointing authority.

In cases of removal or reduction in pay for disciplinary  
reasons, either the appointing authority or the officer or  
employee may appeal from the decision of the state personnel board  
of review or the commission to the court of common pleas of the  
county in which the employee resides in accordance with the  
procedure provided by section 119.12 of the Revised Code.

(C) In the case of the suspension for any period of time, or  
a fine, demotion, or removal, of a chief of police ~~or~~ a chief of  
a fire department, or any member of the police or fire department  
of a city or civil service township, the appointing authority  
shall furnish ~~such~~ the chief or member ~~of a department~~ with a copy  
of the order of suspension, fine, demotion, or removal, which  
order shall state the reasons for the action. The order shall be  
filed with the municipal or civil service township civil service  
commission. Within ten days following the filing of the order,  
~~such~~ the chief or member ~~of a department~~ may file an appeal, in  
writing, with the ~~municipal or civil service township civil~~  
~~service~~ commission. If ~~such~~ an appeal is filed, the commission  
shall forthwith notify the appointing authority and shall hear, or  
appoint a trial board to hear, the appeal within thirty days from  
and after its filing with the commission, and it may affirm,

disaffirm, or modify the judgment of the appointing authority. An 9311  
appeal on questions of law and fact may be had from the decision 9312  
of the ~~municipal or civil service township civil service~~ 9313  
commission to the court of common pleas in the county in which 9314  
~~such~~ the city or civil service township is situated. ~~Such~~ The 9315  
appeal shall be taken within thirty days from the finding of the 9316  
commission. 9317

(D) A violation of division (A)(7) of section 2907.03 of the 9318  
Revised Code is grounds for termination of employment of a 9319  
nonteaching employee under this section. 9320

**Sec. 124.328.** A classified employee may appeal a layoff, or a 9321  
displacement ~~which~~ that is the result of a layoff, to the state 9322  
personnel board of review. The appeal shall be filed or 9323  
~~post-marked~~ postmarked no later than ten days after receipt of the 9324  
layoff notice ~~of layoff~~ or after the date the employee is 9325  
displaced. In cases involving the laying off of classified 9326  
employees, the affected employee or appointing authority may 9327  
appeal the decision of the state personnel board of review to the 9328  
court of common pleas court. ~~The appeal from the state personnel~~ 9329  
~~board of review shall be made~~ in accordance with section 119.12 of 9330  
the Revised Code. 9331

**Sec. 125.041.** Nothing in sections 125.02, 125.03 to 125.08, 9332  
125.12 to 125.16, 125.18, 125.31 to 125.76, or 125.831 of the 9333  
Revised Code shall be construed as limiting the attorney general, 9334  
auditor of state, secretary of state, or treasurer of state in any 9335  
of the following: 9336

(A) Purchases for less than the dollar amounts for the 9337  
purchase of supplies or services determined pursuant to division 9338  
(D) of section 125.05 of the Revised Code; 9339

(B) Purchases that equal or exceed the dollar amounts for the 9340

purchase of supplies or services determined pursuant to division	9341
(D) of section 125.05 of the Revised Code with the approval of the	9342
controlling board, if that approval is required by section 127.16	9343
of the Revised Code;	9344
(C) The final determination of the nature or quantity making	9345
any purchase of supplies or services to be purchased pursuant to	9346
section 125.06 of the Revised Code;	9347
(D) The final determination and disposal of excess and	9348
surplus supplies;	9349
(E) The inventory of state property;	9350
(F) The purchase of printing;	9351
(G) <u>The Activities related to information technology</u>	9352
<u>development and use;</u>	9353
<u>(H) The fleet management program.</u>	9354
<b>Sec. 125.05.</b> Except as provided in division (E) of this	9355
section, no state agency shall purchase any supplies or services	9356
except as provided in divisions (A) to (C) of this section.	9357
(A) Subject to division (D) of this section, a state agency	9358
may, without competitive selection, make any purchase of services	9359
that cost fifty thousand dollars or less or any purchase of	9360
supplies that cost twenty-five thousand dollars or less. The	9361
agency may make the purchase directly or may make the purchase	9362
from or through the department of administrative services,	9363
whichever the agency determines. The department shall establish	9364
written procedures to assist state agencies when they make direct	9365
purchases. If the agency makes the purchase directly, it shall	9366
make the purchase by a term contract whenever possible.	9367
(B) Subject to division (D) of this section, a state agency	9368
wanting to purchase services that cost more than fifty thousand	9369

dollars or supplies that cost more than twenty-five thousand 9370  
dollars shall, unless otherwise authorized by law, make the 9371  
purchase from or through the department. The department shall make 9372  
the purchase by competitive selection under section 125.07 of the 9373  
Revised Code. If the director of administrative services 9374  
determines that it is not possible or not advantageous to the 9375  
state for the department to make the purchase, the department 9376  
shall grant the agency a release and permit under section 125.06 9377  
of the Revised Code to make the purchase. Section 127.16 of the 9378  
Revised Code does not apply to purchases the department makes 9379  
under this section. 9380

(C) An agency that has been granted a release and permit to 9381  
make a purchase may make the purchase without competitive 9382  
selection if after making the purchase the cumulative purchase 9383  
threshold as computed under division (F) of section 127.16 of the 9384  
Revised Code would: 9385

(1) Be exceeded and the controlling board approves the 9386  
purchase; 9387

(2) Not be exceeded and the department of administrative 9388  
services approves the purchase. 9389

(D) Not later than January 31, 1997, the amounts specified in 9390  
divisions (A) and (B) of this section and, not later than the 9391  
thirty-first day of January of each second year thereafter, any 9392  
amounts computed by adjustments made under this division, shall be 9393  
increased or decreased by the average percentage increase or 9394  
decrease in the consumer price index prepared by the United States 9395  
bureau of labor statistics (U.S. City Average for Urban Wage 9396  
Earners and Clerical Workers: "All Items 1982-1984=100") for the 9397  
twenty-four calendar month period prior to the immediately 9398  
preceding first day of January over the immediately preceding 9399  
twenty-four calendar month period, as reported by the bureau. The 9400

director of administrative services shall make this determination 9401  
and adjust the appropriate amounts accordingly. 9402

(E) If the eTech Ohio ~~SchoolNet~~ commission, the department of 9403  
education, or the Ohio education computer network determines that 9404  
it can purchase software services or supplies for specified school 9405  
districts at a price less than the price for which the districts 9406  
could purchase the same software services or supplies for 9407  
themselves, the ~~office~~ commission, department, or network shall 9408  
certify that fact to the department of administrative services 9409  
and, acting as an agent for the specified school districts, shall 9410  
make that purchase without following the provisions in divisions 9411  
(A) to (D) of this section. 9412

**Sec. 125.09.** (A) Pursuant to section 125.07 of the Revised 9413  
Code, the department of administrative services may prescribe ~~such~~ 9414  
the conditions under which competitive sealed bids will be 9415  
received and the terms of the proposed purchase as it considers 9416  
necessary; provided~~7~~, that all ~~such~~ of the conditions and terms 9417  
shall be reasonable and shall not unreasonably restrict 9418  
competition, and that bidders may bid upon all or any item of the 9419  
supplies or services listed in ~~such~~ the notice. Those bidders 9420  
claiming the preference for United States and Ohio products 9421  
outlined in this chapter shall designate in their bids either that 9422  
the product to be supplied is an Ohio product or that, under the 9423  
rules established by the director of administrative services, they 9424  
qualify as having a significant Ohio economic presence. 9425

(B) The department of administrative services may require 9426  
that each bidder provide sufficient information about the energy 9427  
efficiency or energy usage of the bidder's product or service. 9428

(C) The director of administrative services ~~shall~~, by rule 9429  
adopted pursuant to Chapter 119. of the Revised Code, shall 9430  
prescribe criteria and procedures for use by all state agencies in 9431

giving preference to United States and Ohio products as required 9432  
by division (B) of section 125.11 of the Revised Code. The rules 9433  
shall extend to the following: 9434

(1) Criteria for determining that a product is produced or 9435  
mined in the United States rather than in another country or 9436  
territory; 9437

(2) Criteria for determining that a product is produced or 9438  
mined in ~~Ohio~~ this state; 9439

(3) Information to be submitted by bidders as to the nature 9440  
of a product and the location where it is produced or mined; 9441

(4)(a) Criteria and procedures to be used by the director to 9442  
qualify bidders located in states bordering ~~Ohio~~ this state who 9443  
might otherwise be excluded from being awarded a contract by 9444

The criteria and procedures shall recognize the level and 9446  
regularity of interstate commerce between ~~Ohio~~ this state and the 9447  
border states and, except as provided in divisions (C)(4)(b) and 9448  
(c) of this section, provide that the non-Ohio businesses may 9449  
qualify for the award of a contract as long as they are located in 9450  
a state that imposes no greater restrictions than are contained in 9451  
this section and section 125.11 of the Revised Code upon persons 9452  
located in ~~Ohio~~ this state who are selling products or services to 9453

(b) The criteria and procedures shall ~~also~~ provide that, in 9455  
the case of a contract for state printing, a non-Ohio business 9456

the business is located in a state that excludes Ohio businesses 9458  
from bidding on state printing contracts in that state. 9459

(c) The criteria and procedures shall provide that, in the 9460  
case of a contract for furniture, preference shall be given to 9461  
bidders whose furniture is produced in this state, but that 9462

bidders whose furniture is produced in states bordering this state 9463  
may qualify for the award of a contract if compliance with this 9464  
requirement would result in the state agency involved paying an 9465  
excessive price for the furniture or acquiring disproportionately 9466  
inferior furniture. 9467

(5) Criteria and procedures to be used to qualify bidders 9468  
whose manufactured products, except for mined products, are 9469  
produced in other states or in North America, but the bidders have 9470  
a significant Ohio economic presence in terms of the number of 9471  
employees or capital investment a bidder has in this state. 9472  
Bidders with a significant Ohio economic presence shall qualify 9473  
for award of a contract on the same basis as if their products 9474  
were produced in this state. 9475

(6) Criteria and procedures for the director to grant waivers 9476  
of the requirements of division (B) of section 125.11 of the 9477  
Revised Code on a contract-by-contract basis ~~where~~ if compliance 9478  
with those requirements would result in the state agency involved 9479  
paying an excessive price for the product or acquiring a 9480  
disproportionately inferior product; 9481

(7) ~~Such other~~ Other requirements or procedures reasonably 9482  
necessary to implement the system of preferences established 9483  
pursuant to division (B) of section 125.11 of the Revised Code. 9484

(D) In adopting the rules required under ~~this~~ division (C) of 9485  
this section, the director ~~shall~~ of administrative services, to 9486  
the maximum extent possible, shall conform to the requirements of 9487  
the federal "Buy America Act," 47 Stat. 1520, (1933), 41 U.S.C.A. 9488  
10a-10d, as amended, and to the regulations adopted ~~thereunder~~ 9489  
under that act. 9490

**Sec. 125.11.** (A) Subject to division (B) of this section, 9491  
contracts awarded pursuant to a reverse auction under section 9492

125.072 of the Revised Code or pursuant to competitive sealed 9493  
bidding, including contracts awarded under section 125.081 of the 9494  
Revised Code, shall be awarded to the lowest responsive and 9495  
responsible bidder on each item in accordance with section 9.312 9496  
of the Revised Code. When the contract is for meat products as 9497  
defined in section 918.01 of the Revised Code or poultry products 9498  
as defined in section 918.21 of the Revised Code, only those bids 9499  
received from vendors offering products from establishments on the 9500  
current list of meat and poultry vendors established and 9501  
maintained by the director of administrative services under 9502  
section 125.17 of the Revised Code shall be eligible for 9503  
acceptance. The department of administrative services may accept 9504  
or reject any or all bids in whole or by items, except that when 9505  
the contract is for services or products available from a 9506  
qualified nonprofit agency pursuant to sections 125.60 to 125.6012 9507  
or 4115.31 to 4115.35 of the Revised Code, the contract shall be 9508  
awarded to that agency. 9509

(B) Prior to awarding a contract under division (A) of this 9510  
section, the department of administrative services or the state 9511  
agency responsible for evaluating a contract for the purchase of 9512  
products shall evaluate the bids received according to the 9513  
criteria and procedures established pursuant to divisions (C)(1) 9514  
and (2) of section 125.09 of the Revised Code for determining if a 9515  
product is produced or mined in the United States and if a product 9516  
is produced or mined in this state. The department or other state 9517  
agency shall first remove bids that offer products that have not 9518  
been or that will not be produced or mined in the United States. 9519  
From among the remaining bids, the department or other state 9520  
agency shall select the lowest responsive and responsible bid, in 9521  
accordance with section 9.312 of the Revised Code, from among the 9522  
bids that offer products that have been produced or mined in this 9523  
state where sufficient competition can be generated within this 9524

state to ensure that compliance with these requirements will not  
result in an excessive price for the product or acquiring a  
disproportionately inferior product. If there are two or more  
qualified bids that offer products that have been produced or  
mined in this state, it shall be deemed that there is sufficient  
competition to prevent an excessive price for the product or the  
acquiring of a disproportionately inferior product.

(C) Division (B) of this section applies to contracts for  
which competitive bidding is waived by the controlling board.

(D) Division (B) of this section does not apply to the

division (B) of section 125.04 of the Revised Code, a system of  
preferences for products mined and produced in this state and in  
the United States and for Ohio-based contractors. The model act  
shall reflect substantial equivalence to the system of preferences  
in purchasing and public improvement contracting procedures under  
which the state operates pursuant to this chapter and section  
153.012 of the Revised Code. To the maximum extent possible,  
consistent with the Ohio system of preferences in purchasing and  
public improvement contracting procedures, the model act shall  
incorporate all of the requirements of the federal "Buy America  
Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and  
the rules adopted under that act.

Before and during the development and promulgation of the  
model act, the director shall consult with appropriate statewide  
organizations representing counties, townships, and municipal  
corporations so as to identify the special requirements and  
concerns these political subdivisions have in their purchasing and

public improvement contracting procedures. The director shall 9556  
promulgate the model act by rule adopted pursuant to Chapter 119. 9557  
of the Revised Code and shall revise the act as necessary to 9558  
reflect changes in this chapter or section 153.012 of the Revised 9559  
Code. 9560

The director shall make available copies of the model act, 9561  
supporting information, and technical assistance to any township, 9562  
county, or municipal corporation wishing to incorporate the 9563  
provisions of the act into its purchasing or public improvement 9564  
contracting procedure. 9565

office of information technology may require state agencies to 9594  
provide, and may prescribe the form and manner by which they must 9595  
provide, information to fulfill the director's alignment and 9596  
oversight role. 9597

(D) The office of information technology may make contracts 9598  
for, operate, and superintend technology services for state 9599  
agencies in accordance with this chapter. 9600

(E) The office of information technology may establish 9601  
cooperative agreements with federal and local government agencies 9602  
and state agencies that are not under the authority of the 9603  
governor for the provision of technology services and the 9604  
development of technology projects. 9605

procurement list a fair market price that is representative of the 9788

pay to purchase the item in the marketplace. When establishing a 9790  
fair market price for an item, the office of procurement from 9791  
community rehabilitation programs shall consider the costs of 9792  
doing business with respect to that item, including sales, 9793

the office of procurement from community rehabilitation programs 9795

(B) If the supply or service is on the procurement list but a 9807  
fair market price has not been established, the government 9808  
ordering office shall attempt to negotiate an agreement with one 9809  
or more of the listed qualified nonprofit agencies or approved 9810  
agents. The office of procurement from community rehabilitation 9811  
programs may accept as fair market price an agreement negotiated 9812  
between the government ordering office and a qualified nonprofit 9813  
agency or approved agent. 9814

(C) If an agreement is not successfully negotiated, the 9815  
office may establish a fair market price, or it may release a 9816  
government ordering office from the requirements of this section. 9817

(D) A purchase under divisions (A) to (C) of this section is 9818  
not subject to any competitive selection or competitive bidding 9819  
requirements, notwithstanding any other provision of law. 9820

(E) The department of administrative services has the 9821  
authority to structure or regulate competition among qualified 9822  
nonprofit agencies for the overall benefit of the program. 9823

Sec. 125.608. All government ordering offices purchasing 9824  
supplies and services from qualified non-profit agencies or their 9825  
approved agents shall reimburse the department of administrative 9826  
services a reasonable sum to cover the department's costs of 9827  
administering sections 125.60 to 125.6012 of the Revised Code. The 9828  
department may bill administrative costs to government ordering 9829  
offices directly, or allow qualified non-profit agencies or 9830  
approved agents to collect and remit department administrative 9831  
fees, at the department's discretion. Any department 9832  
administrative fees collected and remitted by qualified nonprofit 9833  
agencies or their approved agents shall be considered allowable 9834  
expenses in addition to the fair market price approved under 9835  
section 125.606 or 125.607 of the Revised Code. The money so paid 9836  
shall be deposited in the state treasury to the credit of the 9837  
general services fund created under section 125.15 of the Revised 9838  
Code. 9839

Sec. 125.609. The office of procurement from community 9840

section, on and after July 1, 2005, each state agency shall 9918  
acquire all passenger motor vehicles under the department's master 9919  
leasing program. If the department determines that acquisition 9920  
under that program is not the most economical method and if the 9921  
department and the state agency acquiring the passenger motor 9922

department may approve the purchase, rather than the lease, of a 9924

(2) Direct and approve all funds that are expended for the 9926

department's fleet management program on a time schedule 9957  
determined by the department, unless the state agency has received 9958  
delegated authority as described in division (G) of this section. 9959

department's fleet management program on a time schedule 9963  
determined by the department, unless the state agency has received 9964  
delegated authority as described in division (G) of this section. 9965

(G)(1) The department may delegate any or all of its duties 9966  
regarding fleet management to a state agency, if the state agency 9967  
demonstrates to the satisfaction of the department both of the 9968  
following: 9969

or lease of the motor vehicles; 9984

(2) If the motor vehicles were originally purchased with 9985  
moneys derived from the general revenue fund, the proceeds shall 9986  
be deposited, in the director's discretion, into the state 9987  
treasury ~~for~~ to the credit of either the fleet management fund 9988  
created by section 125.83 of the Revised Code or the investment 9989  
recovery fund created by section 125.14 of the Revised Code. 9990

(I)(1) The department shall create and maintain a certified 9991  
fleet manager program. 9992

(2) State agencies that have received delegated authority as 9993  
described in division (G) of this section shall have a certified 9994  
fleet manager. 9995

(J) The department annually shall prepare and submit a 9996  
statewide fleet report to the governor, the speaker of the house 9997  
of representatives, and the president of the senate. The report 9998

mileage, miles per gallon, and cost per mile, mileage 10002  
reimbursements, accident and insurance data, and information 10003

under division (G) of this section with applicable fleet 10005  
management requirements. 10006

(K) The director shall adopt rules for implementing the fleet 10007  
management program that are consistent with recognized best 10008  
practices. The program shall be supported by reasonable fee 10009  
charges for the services provided. The director shall collect 10010  
these fees and deposit them into the state treasury to the credit 10011  
for the fleet management fund created by section 125.83 of the 10012  
Revised Code. The setting and collection of fees under this 10013  
division is not subject to any restriction imposed by law upon the 10014  
director's or the department's authority to set or collect fees. 10015

(L) The director also shall adopt rules that prohibit, except 10016  
in very limited circumstances, the exclusive assignment of 10017  
state-owned, leased, or pooled motor vehicles to state employees 10018  
and that prohibit the reimbursement under section 126.31 of the 10019  
Revised Code of state employees who use their own motor vehicles 10020  
for any mileage they incur above an amount that the department 10021  
shall determine annually unless reimbursement for the excess 10022  
mileage is approved by the department in accordance with standards 10023  
for that approval the director shall establish in those rules. 10024  
~~Beginning on the effective date of this section September 26,~~ 10025  
2003, no such state-owned, leased, or pooled motor vehicle shall 10026

operated, financed, and licensed; 10045
- (2) Pursuant to the formula in division (O)(3) of this 10046  
section, annually establish the minimum number of business miles 10047

qualify for approval by the department to receive a motor vehicle 10049  
for business use; 10050
- (3) Establish the minimum number of business miles per year 10051  
at an amount that results when the annual motor vehicle cost is 10052  
divided by the amount that is the reimbursement rate per mile 10053  
minus the amount that is the sum of the fuel cost, the operating 10054  
cost, and the insurance cost. As used in this division: 10055

mile rate for travel expenses as provided by rule of the director

**Sec. 317.36.** (A) The county recorder shall collect the low- 12718  
and moderate-income housing trust fund fee as specified in 12719  
sections 317.32, 1563.42, 1702.59, 2505.13, 4141.23, 4509.60, 12720  
~~5111.021~~ 5111.022, 5310.15, 5719.07, 5727.56, 5733.18, 5733.22, 12721  
6101.09, and 6115.09 of the Revised Code. The amount of any 12722  
housing trust fund fee the recorder is authorized to collect is 12723  
equal to the amount of any base fee the recorder is authorized to 12724  
collect for services. The housing trust fund fees shall be 12725  
collected in addition to the base fee. 12726

(B) The recorder shall certify the amounts collected as 12727

Code. 12731

**Sec. 319.20.** After complying with sections 319.202, 315.251, 12732  
and 319.203 of the Revised Code, and on application and 12733  
presentation of title, with the affidavits required by law, or the 12734  
proper order of a court, bearing the last known address of the 12735  
grantee, or of any one of the grantees named in the title, and a 12736  
reference to the volume and page of the recording of the next 12737  
preceding recorded instrument by or through which the grantor 12738  
claims title, the county auditor shall transfer any land or town 12739  
lot or part thereof, minerals therein, or mineral rights thereto, 12740  
charged with taxes on the tax list, from the name in which it 12741  
stands into the name of the owner, when rendered necessary by a 12742  
conveyance, partition, devise, descent, or otherwise. If by reason 12743  
of the conveyance or otherwise, a part only of a tract or lot, 12744

minerals therein, or mineral rights thereto, as charged in the tax list, is to be transferred, the auditor shall determine the value of the part of a tract or lot of real estate, minerals therein, or mineral rights thereto, so transferred, and the value of the remaining part compared with the value of the whole.

Whenever a part only of a tract or lot of real estate has been transferred by the auditor and ~~such~~ the tract or lot bears unpaid taxes, penalties, interest, or special assessments, the unpaid taxes, penalties, interest, or special assessments shall immediately be apportioned, upon demand or request by the transferee or remaining owner, in the following manner:

(A) The auditor shall allocate to the part so transferred, and to the remaining part, amounts of any current or delinquent taxes, interest, or penalties that have accrued against the parcel as a whole, proportionate to their respective values.

(B) The lien of taxes, penalties, interest, and special assessments, as levied against the original tract, shall extend to the part so transferred and the part remaining only to the extent of the amounts so allocated to the respective parts.

This section does not change the total amount of taxes, special assessments, or other charges as originally levied, or the total amount of the balance due. The auditor shall certify such apportionments to the county treasurer.

Whenever the state acquires an entire parcel or a part only of a parcel of real property in fee simple, the county auditor, upon application of the grantor or property owner or the state, which application shall contain a description of the property as it appears on the tax list and the date of transfer of ownership, shall prepare an estimate of the taxes that are a lien on ~~said~~ the property, but have not been determined, assessed, and levied for the year in which the property was acquired. The county auditor

shall thereupon apportion ~~such~~ the estimated taxes proportionately 12776  
between the grantor and the state for the period of the lien year 12777  
that each had or shall have had ownership or possession of the 12778  
property, whichever is earlier. The county treasurer shall accept 12779  
payment from the state for estimated taxes at the time that the 12780  
real property is acquired. If the state has paid in full in the 12781  
year in which the property is acquired that proportion of the 12782  
estimated taxes that the tax commissioner determines are not 12783  
subject to remission by the county auditor for such year under 12784  
division (C) of section 5713.08 of the Revised Code, the estimated 12785  
taxes paid shall be considered the tax liability on the exempted 12786  
property for that year. 12787

Section 319.42 of the Revised Code applies to the 12788  
apportionment of special assessments. 12789

Complaint against such values as determined by the auditor or 12790  
the allocation of assessments by the certifying authority may be 12791  
filed by the transferee or the remaining owner, and if filed, 12792  
proceedings including appeals shall be had in the manner and 12793  
within the time provided by sections 5717.01 to 5717.06 and 12794  
5715.19 to 5715.22 of the Revised Code, for complaints against 12795  
valuation or assessment of real property. 12796

The auditor shall endorse on the deed or other evidences of 12797  
title presented to the auditor that the proper transfer of the 12798  
real estate described in ~~such~~ the deed has been made in the 12799  
auditor's office or that it is not entered for taxation, and sign 12800  
the auditor's name to ~~such~~ the deed. The address of the grantee, 12801  
or any one of the grantees, set forth in the deed or other 12802  
evidences of title shall be entered by the auditor on the transfer 12803  
sheets and on the general tax list of real property prepared 12804  
pursuant to section 319.28 of the Revised Code. 12805

**Sec. 319.302.** (A)(1) Real property that is not intended 12806

primarily for use in a business activity shall qualify for a 12807  
partial exemption from real property taxation. For purposes of 12808  
this partial exemption, "business activity" does not include 12809  
farming, leasing property for farming, leasing property improved 12810  
with single-family, two-family, or three-family dwellings, or 12811  
holding vacant land that the county auditor determines will be 12812  
used for farming or to develop single-family, two-family, or 12813  
three-family dwellings. 12814

(2) Each year, the county auditor shall review each parcel of 12815  
real property to determine whether it qualifies for the partial 12816  
exemption provided for by this section as of the first day of 12817  
January of the current tax year. 12818

(B) After complying with section 319.301 of the Revised Code, 12819  
the county auditor shall reduce the remaining sums to be levied 12820  
against each parcel of real property that is listed on the general 12821  
tax list and duplicate of real and public utility property for the 12822  
current tax year and that qualifies for partial exemption under 12823  
division (A) of this section, and against each manufactured and 12824  
mobile home that is taxed pursuant to division (D)(2) of section 12825  
4503.06 of the Revised Code and that is on the manufactured home 12826  
tax list for the current tax year, by ten per cent, to provide a 12827  
partial exemption for that parcel or home. Except as otherwise 12828  
provided in sections 323.152, 323.158, 505.06, and 715.263 of the 12829  
Revised Code, the amount of the taxes remaining after any such 12830  
reduction shall be the real and public utility property taxes 12831  
charged and payable on each parcel of real property, including 12832  
property that does not qualify for partial exemption under 12833  
division (A) of this section, and the manufactured home tax 12834  
charged and payable on each property manufactured or mobile home, 12835  
and shall be the amounts certified to the county treasurer for 12836  
collection. Upon receipt of the tax duplicate, the treasurer shall 12837  
certify to the tax commissioner the total amount by which taxes 12838

were reduced under this section, as shown on the duplicate. Such 12839  
reduction shall not directly or indirectly affect the 12840  
determination of the principal amount of notes that may be issued 12841  
in anticipation of any tax levies or the amount of bonds or notes 12842  
for any planned improvements. If after application of sections 12843  
5705.31 and 5705.32 of the Revised Code and other applicable 12844  
provisions of law, including divisions (F) and (I) of section 12845  
321.24 of the Revised Code, there would be insufficient funds for 12846  
payment of debt charges on bonds or notes payable from taxes 12847  
reduced by this section, the reduction of taxes provided for in 12848  
this section shall be adjusted to the extent necessary to provide 12849  
funds from such taxes. 12850

(C) The tax commissioner may adopt rules governing the 12851  
administration of the partial exemption provided for by this 12852  
section. 12853

(D) The determination of whether property qualifies for 12854  
partial exemption under division (A) of this section is solely for 12855  
the purpose of allowing the partial exemption under division (B) 12856  
of this section. 12857

**Sec. 321.24.** (A) On or before the fifteenth day of February, 12858  
in each year, the county treasurer shall settle with the county 12859  
auditor for all taxes and assessments that the treasurer has 12860  
collected on the general duplicate of real and public utility 12861  
property at the time of making the settlement. 12862

(B) On or before the thirtieth day of June, in each year, the 12863  
treasurer shall settle with the auditor for all advance payments 12864  
of general personal and classified property taxes that the 12865  
treasurer has received at the time of making the settlement. 12866

(C) On or before the tenth day of August, in each year, the 12867  
treasurer shall settle with the auditor for all taxes and 12868  
assessments that the treasurer has collected on the general 12869

duplicates of real and public utility property at the time of 12870  
making such settlement, not included in the preceding February 12871  
settlement. 12872

(D) On or before the thirty-first day of October, in each 12873  
year, the treasurer shall settle with the auditor for all taxes 12874  
that the treasurer has collected on the general personal and 12875  
classified property duplicates, and for all advance payments of 12876  
general personal and classified property taxes, not included in 12877  
the preceding June settlement, that the treasurer has received at 12878  
the time of making such settlement. 12879

(E) In the event the time for the payment of taxes is 12880  
extended, pursuant to section 323.17 of the Revised Code, the date 12881  
on or before which settlement for the taxes so extended must be 12882  
made, as herein prescribed, shall be deemed to be extended for a 12883  
like period of time. At each such settlement, the auditor shall 12884  
allow to the treasurer, on the moneys received or collected and 12885  
accounted for by the treasurer, the treasurer's fees, at the rate 12886  
or percentage allowed by law, at a full settlement of the 12887  
treasurer. 12888

(F) Within thirty days after the day of each settlement of 12889  
taxes required under divisions (A) and (C) of this section, the 12890  
treasurer shall certify to the tax commissioner any adjustments 12891  
~~which~~ that have been made to the amount certified previously 12892  
pursuant to section 319.302 of the Revised Code and that the 12893  
settlement has been completed. Upon receipt of such certification, 12894  
the commissioner shall provide for payment to the county treasurer 12895  
from the general revenue fund of an amount equal to one-half of 12896  
the amount certified by the treasurer in the preceding tax year 12897  
under section 319.302 of the Revised Code, less one-half of the 12898  
amount computed for all taxing districts in that county for the 12899  
current fiscal year under section 5703.80 of the Revised Code for 12900  
crediting to the property tax administration fund. Such payment 12901

shall be credited upon receipt to the county's undivided income 12902  
tax fund, and the county auditor shall transfer to the county 12903  
general fund from the amount thereof the total amount of all fees 12904  
and charges which the auditor and treasurer would have been 12905  
authorized to receive had such section not been in effect and that 12906  
amount had been levied and collected as taxes. The county auditor 12907  
shall distribute the amount remaining among the various taxing 12908  
districts in the county as if it had been levied, collected, and 12909  
settled as real property taxes. The amount distributed to each 12910  
taxing district shall be reduced by the total of the amounts 12911  
computed for the district under ~~divisions (A), (B), and (C)~~ of 12912  
section 5703.80 of the Revised Code, but the reduction shall not 12913  
exceed the amount that otherwise would be distributed to the 12914  
taxing district under this division. The tax commissioner shall 12915  
make available to taxing districts such information as is 12916  
sufficient for a taxing district to be able to determine the 12917  
amount of the reduction in its distribution under this section. 12918

(G)(1) Within thirty days after the day of the settlement 12919  
required in division (D) of this section, the county treasurer 12920  
shall notify the tax commissioner that the settlement has been 12921  
completed. Upon receipt of that notification, the commissioner 12922  
shall provide for payment to the county treasurer from the general 12923  
revenue fund of an amount equal to the amount certified under 12924  
former section 319.311 of the Revised Code and paid in the state's 12925  
fiscal year 2003 multiplied by the percentage specified in 12926  
division (G)(2) of this section. The payment shall be credited 12927  
upon receipt to the county's undivided income tax fund, and the 12928  
county auditor shall distribute the amount thereof among the 12929  
various taxing districts of the county as if it had been levied, 12930  
collected, and settled as personal property taxes. The amount 12931  
received by a taxing district under this division shall be 12932  
apportioned among its funds in the same proportion as the current 12933  
year's personal property taxes are apportioned. 12934

(2) Payments required under division (G)(1) of this section shall be made at the following percentages of the amount certified under former section 319.311 of the Revised Code and paid under division (G)(1) of this section in the state's fiscal year 2003:	12935
(a) In fiscal year 2004, ninety per cent;	12936
(b) In fiscal year 2005, eighty per cent;	12937
(c) In fiscal year 2006, <del>seventy</del> <u>sixty-four</u> per cent;	12938
(d) In fiscal year 2007, <del>sixty</del> <u>forty</u> per cent;	12939
(e) In fiscal year 2008, <del>fifty</del> <u>thirty-two</u> per cent;	12940

hundred dollars; 13084

(ii) If rounding the resulting sum to the nearest multiple of 13085  
one hundred dollars under division (A)(3)(d)(i) of this section 13086

charges to the extent therein provided, there would be 13124  
insufficient funds for payment of debt charges not provided for by 13125  
levies in excess of the ten-mill limitation, the reduction of 13126  
taxes provided for in sections 323.151 to 323.159 of the Revised 13127  
Code shall be proportionately adjusted to the extent necessary to 13128

which the board's current plan is scheduled to expire, a community 13346  
mental health plan listing community mental health needs, 13347  
including the needs of all residents of the district now residing 13348  
in state mental institutions and severely mentally disabled 13349  
adults, children, and adolescents; all children subject to a 13350  
determination made pursuant to section 121.38 of the Revised Code; 13351

The plan shall include, but not be limited to, a statement of 13356

in whole or in part, according to the criteria developed pursuant 13369  
to section 5119.61 of the Revised Code. The department's statement 13370

current plan is scheduled to expire, the board or the director may 13385  
request that the dispute be submitted to a mutually agreed upon 13386  
third-party mediator with the cost to be shared by the board and 13387  
the department. The mediator shall issue to the board and the 13388

department recommendations for resolution of the dispute. Prior to 13389  
the conclusion of the fiscal year in which the current plan is 13390  
scheduled to expire, the director, taking into consideration the 13391  
recommendations of the mediator, shall make a final determination 13392  
and approve or disapprove the plan, in whole or in part. 13393

If a board determines that it is necessary to amend a plan or 13394  
an allocation request that has been approved under division 13395  
(A)(1)(c) of this section, the board shall submit a proposed 13396  
amendment to the director. The director may approve or disapprove 13397  
all or part of the amendment. If the director does not approve all 13398  
or part of the amendment within thirty days after it is submitted, 13399  
the amendment or part of it shall be considered to have been 13400  
approved. The director shall inform the board of the reasons for 13401

case on behalf of the amendment. The director shall give the board 13405  
a reasonable time in which to meet the criteria, and shall offer 13406  
the board technical assistance to help it meet the criteria. 13407

The board shall implement the plan approved by the 13408  
department. 13409

section 5122.01 of the Revised Code, or from a residential 13418  
facility licensed under section 5119.22 of the Revised Code. If 13419

the investigation substantiates the charge of abuse or neglect, 13420  
the board shall take whatever action it determines is necessary to 13421  
correct the situation, including notification of the appropriate 13422  
authorities. Upon request, the board shall provide information 13423  
about such investigations to the department. 13424

(3) For the purpose of section 5119.611 of the Revised Code, 13425

evaluating whether the services of a community mental health 13427  
agency satisfy the certification standards established by rules 13428  
adopted under that section; 13429

(4) In accordance with criteria established under division 13430  
(G) of section 5119.61 of the Revised Code, review and evaluate 13431  
the quality, effectiveness, and efficiency of services provided 13432  
through its community mental health plan and submit its findings 13433  
and recommendations to the department of mental health; 13434

(5) In accordance with section 5119.22 of the Revised Code, 13435

the board. In so doing, the board may contract for or employ the 13442  
services of private auditors. A copy of the fiscal audit report 13443

state, and the county auditor of each county in the board's 13445  
district. 13446

provision of community mental health services listed in section 13453  
340.09 of the Revised Code and included in the board's community 13454  
mental health plan. Contracts with community mental health 13455  
agencies are subject to section 5119.611 of the Revised Code. 13456  
Section 307.86 of the Revised Code does not apply to contracts 13457  
entered into under this division. In contracting with a community 13458  
mental health agency, a board shall consider the cost 13459  
effectiveness of services provided by that agency and the quality 13460  
and continuity of care, and may review cost elements, including 13461  
salary costs, of the services to be provided. A utilization review 13462  
process shall be established as part of the contract for services 13463  
entered into between a board and a community mental health agency. 13464  
The board may establish this process in a way that is most 13465

contract with a community mental health facility, as defined in 13467  
section ~~5111.022~~ 5111.023 of the Revised Code, to provide services 13468

Revised Code. 13474

If either the board or a facility or community mental health 13475  
agency with which the board contracts under division (A)(8)(a) of 13476  
this section proposes not to renew the contract or proposes 13477  
substantial changes in contract terms, the other party shall be 13478  
given written notice at least one hundred twenty days before the 13479  
expiration date of the contract. During the first sixty days of 13480  
this one hundred twenty-day period, both parties shall attempt to 13481  
resolve any dispute through good faith collaboration and 13482

negotiation in order to continue to provide services to persons in need. If the dispute has not been resolved sixty days before the expiration date of the contract, either party may notify the department of mental health of the unresolved dispute. The director may require both parties to submit the dispute to a third party with the cost to be shared by the board and the facility or community mental health agency. The third party shall issue to the board, the facility or agency, and the department recommendations on how the dispute may be resolved twenty days prior to the expiration date of the contract, unless both parties agree to a time extension. The director shall adopt rules establishing the procedures of this dispute resolution process.

13515

The director shall not give a board approval to operate a

director determines that it is not feasible to have the department 13518  
operate the facility or provide the service. 13519  
13520

The director shall not give a board approval to operate a  
facility or provide a community mental health service under 13521  
division (A)(8)(b)(iii) of this section unless the director 13522  
determines that the board will provide greater administrative 13523  
efficiency and more or better services than would be available if 13524  
the board contracted with a private or public facility or 13525  
community mental health agency. 13526  
13527

The director shall not give a board approval to operate a

effectively operate the facility or that the person or other 13531  
government entity has requested the board to take over operation 13532  
of the facility. The director shall not give a board approval to 13533  
provide a community mental health service previously provided by a 13534  
community mental health agency unless the board has established to 13535  
the director's satisfaction that the agency cannot effectively 13536  
provide the service or that the agency has requested the board 13537  
take over providing the service. 13538  
13539

The director shall review and evaluate a board's operation of  
a facility and provision of community mental health service under 13540  
division (A)(8)(b) of this section. 13541

(A) or (B) of this section, as applicable, shall calculate the 14272  
amount of the penalty required to be paid to each such party. 14273  
After completing those determinations and calculations, the 14274  
director shall issue to the person who allegedly mislabeled the 14275

protected from disclosure by section 921.04 of the Revised Code. 14533  
In the case of a renewal of registration, a statement shall be 14534  
required only with respect to information that is different from 14535  
that furnished when the pesticide was registered or last 14536  
registered. 14537

(E) The director may require any other information to be 14538  
submitted with an application. 14539

Any applicant may designate any portion of the required 14540  
registration information as a trade secret or confidential 14541

(F) ~~Each~~ Beginning January 1, 2007, each applicant shall pay 14550  
a registration and inspection fee ~~established by rule of one~~ 14551  
hundred fifty dollars for each product name and brand registered 14552  
for the company whose name appears on the label. If an applicant 14553  
files for a renewal of registration after the deadline established 14554  
by rule, the applicant shall pay a penalty fee ~~established by rule~~ 14555  
of seventy-five dollars for each product name and brand registered 14556  
for the applicant. The penalty fee shall be added to the original 14557

addition to any other remedy available under this chapter, if a 14559  
pesticide that is not registered pursuant to this section is 14560  
distributed within this state, the person required to register the 14561

for it. 14574

(2) Its labeling and other material required to be submitted 14575  
comply with the requirements of the federal act and of this 14576  
chapter, and rules adopted thereunder. 14577

(3) It will perform its intended function without 14578  
unreasonable adverse effects on the environment. 14579

recognized practice, it will not generally cause unreasonable 14581  
adverse effects on the environment. 14582

(5) The classification for general or restricted use is in 14583  
conformity with the federal act. 14584

The director shall not make any lack of essentiality a 14585  
criterion for denying the registration of any pesticide. When two 14586  
pesticides meet the requirements of division (G) of this section, 14587  
the director shall not register one in preference to the other. 14588

(H)(1) The director may refuse to register a pesticide if the application for registration fails to comply with this section.

(2) The director may suspend or revoke a pesticide registration after a hearing in accordance with Chapter 119. of the Revised Code for a pesticide that fails to meet the claims made for it on its label.

(3) The director may immediately suspend a pesticide registration, prior to a hearing, when the director believes that the pesticide poses an immediate hazard to human or animal health or a hazard to the environment. Not later than fifteen days after suspending the registration, the director shall determine whether the pesticide poses such a hazard. If the director determines that no hazard exists, the director shall lift the suspension of the registration. If the director determines that a hazard exists, the director shall revoke the registration in accordance with Chapter 119. of the Revised Code.

**Sec. 921.16.** (A) The director of agriculture shall adopt rules the director determines necessary for the effective enforcement and administration of this chapter. The rules may relate to, but are not limited to, the time, place, manner, and methods of application, materials, and amounts and concentrations of application of pesticides, may restrict or prohibit the use of pesticides in designated areas during specified periods of time, and shall encompass all reasonable factors that the director determines necessary to minimize or prevent damage to the environment. In addition, the rules shall establish the ~~fees~~, ~~deadlines~~, and time periods for registration, registration renewal, late registration renewal, and failure to register under section 921.02 of the Revised Code; the fees for registration, registration renewal, late registration renewal, and failure to register under section 921.02 of the Revised Code that shall apply

the fees that initially are established by rule after the 14624  
effective date of this amendment shall be designed to cover, but 14625

for a first violation shall not exceed five thousand dollars and 14632  
the civil penalty for each subsequent violation shall not exceed 14633  
ten thousand dollars. In determining the amount of a civil penalty 14634

amount of actual or potential damage to the environment or to 14637  
human beings. 14638

by each private applicator and by any immediate family member or 14658

of applicators of pesticides consistent with those prescribed by 14668  
the federal act and the regulations adopted under it or prescribe 14669

section, the director shall consider the factors associated with 14693  
the use of pesticide in the various pesticide-use categories. 14694  
Based on consideration of the factors, the director may define 14695  
"acting under the instructions and control of a commercial 14696  
applicator" to include communications between a commercial 14697

(c) Procedures that third parties must follow in order to submit a proposed training program to the director for approval;

Each application shall be accompanied by a map, on a scale 15136  
not smaller than four hundred feet to the inch, prepared by an 15137  
Ohio registered surveyor, showing the location of the well and 15138  
containing such other data as may be prescribed by the chief. If 15139  
the well is or is to be located within the excavations and 15140  
workings of a mine, the map also shall include the location of the 15141  
mine, the name of the mine, and the name of the person operating 15142  
the mine. 15143

(B) The chief shall cause a copy of the weekly circular 15144  
prepared by the division to be provided to the county engineer of 15145

The weekly circular shall contain, in the manner prescribed by the 15147  
chief, the names of all applicants for permits, the location of 15148

available to a municipal corporation or township, a copy via 15153  
regular mail, of a drilling permit application to the clerk of the 15154  
legislative authority of the municipal corporation or to the clerk 15155  
of the township in which the well or proposed well is or is to be 15156  
located if the legislative authority of the municipal corporation 15157  
or the board of township trustees has asked to receive copies of 15158  
such applications and the appropriate clerk has provided the chief 15159  
an accurate, current electronic mailing address or facsimile 15160  
number, as applicable. 15161

(C) The chief shall not issue a permit for at least ten days after the date of filing of the application for the permit unless, upon reasonable cause shown, the chief waives that period or a request for expedited review is filed under this section. However, the chief shall issue a permit within twenty-one days of the filing of the application unless the chief denies the application by order.

(D) An applicant may file a request with the chief for expedited review of a permit application if the well is not or is not to be located in a gas storage reservoir or reservoir protective area, as "reservoir protective area" is defined in section 1571.01 of the Revised Code. If the well is or is to be located in a coal bearing township, the application shall be accompanied by the affidavit of the landowner prescribed in section 1509.08 of the Revised Code.

In addition to a complete application for a permit that meets the requirements of this section and the permit fee prescribed by this section, a request for expedited review shall be accompanied by a separate nonrefundable filing fee of five hundred dollars. Upon the filing of a request for expedited review, the chief shall cause the county engineer of the county in which the well is or is to be located to be notified of the filing of the permit application and the request for expedited review by telephone or other means that in the judgment of the chief will provide timely notice of the application and request. The chief shall issue a permit within seven days of the filing of the request unless the chief denies the application by order. Notwithstanding the provisions of this section governing expedited review of permit applications, the chief may refuse to accept requests for expedited review if, in the chief's judgment, the acceptance of the requests would prevent the issuance, within twenty-one days of their filing, of permits for which applications are pending.

(E) A well shall be drilled and operated in accordance with the plans, sworn statements, and other information submitted in the approved application.

(F) The chief shall issue an order denying a permit if the chief finds that there is a substantial risk that the operation will result in violations of this chapter or rules adopted under it that will present an imminent danger to public health or safety or damage to the environment, provided that where the chief finds that terms or conditions to the permit can reasonably be expected to prevent such violations, the chief shall issue the permit subject to those terms or conditions, including, if applicable, terms and conditions regarding subjects identified in rules adopted under section 1509.03 of the Revised Code.

(G) Each application for a permit required by section 1509.05 of the Revised Code, except an application to plug back an existing well that is required by that section and an application for a well drilled or reopened for purposes of section 1509.22 of the Revised Code, also shall be accompanied by a nonrefundable fee of two as follows:

(1) Two hundred fifty dollars for a permit to conduct activities in a township with a population of fewer than five thousand;

(2) Five hundred dollars for a permit to conduct activities in a township with a population of five thousand or more, but fewer than ten thousand;

(3) Seven hundred fifty dollars for a permit to conduct activities in a township with a population of ten thousand or more, but fewer than fifteen thousand;

(4) One thousand dollars for a permit to conduct activities in either of the following:

<u>(a) A township with a population of fifteen thousand or more;</u>	15224
<u>(b) A municipal corporation regardless of population.</u>	15225
<u>For purposes of calculating fee amounts, populations shall be</u>	15226
<u>determined using the most recent federal decennial census.</u>	15227
<u>Each application for the revision or reissuance of a permit</u>	15228
<u>shall be accompanied by a nonrefundable fee of two hundred fifty</u>	15229
<u>dollars.</u>	15230
<u>(H) The chief may order the immediate suspension of drilling,</u>	15231
operating, or plugging activities after finding that any person is	15232
causing, engaging in, or maintaining a condition or activity that	15233
in the chief's judgment presents an imminent danger to public	15234
health or safety or results in or is likely to result in immediate	15235
substantial damage to natural resources or for nonpayment of <del>the a</del>	15236
fee required by this section. The chief may order the immediate	15237
suspension of the drilling or reopening of a well in a coal	15238
bearing township after determining that the drilling or reopening	15239
activities present an imminent and substantial threat to public	15240
health or safety or to miners' health or safety. Before issuing	15241
any such order, the chief shall notify the owner in such manner as	15242
in the chief's judgment would provide reasonable notification that	15243
the chief intends to issue a suspension order. The chief may issue	15244
such an order without prior notification if reasonable attempts to	15245
notify the owner have failed, but in such an event notification	15246
shall be given as soon thereafter as practical. Within five	15247
calendar days after the issuance of the order, the chief shall	15248
provide the owner an opportunity to be heard and to present	15249
evidence that the condition or activity is not likely to result in	15250
immediate substantial damage to natural resources or does not	15251
present an imminent danger to public health or safety or to	15252
miners' health or safety, if applicable. In the case of activities	15253
in a coal bearing township, if the chief, after considering	15254

evidence presented by the owner, determines that the activities do 15255  
not present such a threat, the chief shall revoke the suspension 15256  
order. Notwithstanding any provision of this chapter, the owner 15257  
may appeal a suspension order directly to the court of common 15258  
pleas of the county in which the activity is located or, if in a 15259  
coal bearing township, to the reclamation commission under section 15260  
1513.13 of the Revised Code. 15261

**Sec. 1509.072.** No oil or gas well owner or agent of an oil or 15262  
gas well owner shall fail to restore the land surface within the 15263  
area disturbed in siting, drilling, completing, and producing the 15264  
well as required in this section. 15265

(A) Within five months after the date upon which the surface 15266  
drilling of a well is commenced, the owner or the owner's agent, 15267  
in accordance with the restoration plan filed under division 15268  
~~(F)~~(A)(10) of section 1509.06 of the Revised Code, shall fill all 15269  
the pits for containing brine, other waste substances resulting, 15270  
obtained, or produced in connection with exploration or drilling 15271  
for, or production of, oil or gas, or oil that are not required by 15272  
other state or federal law or regulation, and remove all concrete 15273  
bases, drilling supplies, and drilling equipment. Within nine 15274  
months after the date upon which the surface drilling of a well is 15275  
commenced, the owner or the owner's agent shall grade or terrace 15276  
and plant, seed, or sod the area disturbed that is not required in 15277  
production of the well where necessary to bind the soil and 15278  
prevent substantial erosion and sedimentation. If the chief of the 15279  
division of mineral resources management finds that a pit used for 15280  
containing brine, other waste substances, or oil is in violation 15281  
of section 1509.22 of the Revised Code or rules adopted or orders 15282  
issued under it, the chief may require the pit to be emptied and 15283  
closed before expiration of the five-month restoration period. 15284

(B) Within six months after a well that has produced oil or 15285

gas is plugged, or after the plugging of a dry hole, the owner or 15286  
the owner's agent shall remove all production and storage 15287  
structures, supplies, and equipment, and any oil, salt water, and 15288  
debris, and fill any remaining excavations. Within that period the 15289  
owner or the owner's agent shall grade or terrace and plant, seed, 15290  
or sod the area disturbed where necessary to bind the soil and 15291  
prevent substantial erosion and sedimentation. 15292

The owner shall be released from responsibility to perform 15293  
any or all restoration requirements of this section on any part or 15294  
all of the area disturbed upon the filing of a request for a 15295  
waiver with and obtaining the written approval of the chief, which 15296  
request shall be signed by the surface owner to certify the 15297  
approval of the surface owner of the release sought. The chief 15298  
shall approve the request unless the chief finds upon inspection 15299  
that the waiver would be likely to result in substantial damage to 15300  
adjoining property, substantial contamination of surface or 15301  
underground water, or substantial erosion or sedimentation. 15302

The chief, by order, may shorten the time periods provided 15303  
for under division (A) or (B) of this section if failure to 15304  
shorten the periods would be likely to result in damage to public 15305  
health or the waters or natural resources of the state. 15306

The chief, upon written application by an owner or an owner's 15307  
agent showing reasonable cause, may extend the period within which 15308  
restoration shall be completed under divisions (A) and (B) of this 15309  
section, but not to exceed a further six-month period, except 15310  
under extraordinarily adverse weather conditions or when essential 15311  
equipment, fuel, or labor is unavailable to the owner or the 15312  
owner's agent. 15313

If the chief refuses to approve a request for waiver or 15314  
extension, the chief shall do so by order. 15315

Sec. 1509.31. Whenever the entire interest of an oil and gas 15316  
lease is assigned or otherwise transferred, the assignor or 15317  
transferor shall notify the holders of the royalty interests, and, 15318  
if a well or wells exist on the lease, the division of mineral 15319  
resources management, of the name and address of the assignee or 15320  
transferee by certified mail, return receipt requested, not later 15321  
than thirty days after the date of the assignment or transfer. 15322  
When notice of any such assignment or transfer is required to be 15323  
provided to the division, it shall be provided on a form 15324  
prescribed and provided by the division and verified by both the 15325  
assignor or transferor and by the assignee or transferee. The 15326  
notice form applicable to assignments or transfers of a well to 15327  
the owner of the surface estate of the tract on which the well is 15328  
located shall contain a statement informing the landowner that the 15329  
well may require periodic servicing to maintain its productivity; 15330  
that, upon assignment or transfer of the well to the landowner, 15331  
the landowner becomes responsible for compliance with the 15332  
requirements of this chapter and rules adopted under it, 15333  
including, without limitation, the proper disposal of brine 15334  
obtained from the well, the plugging of the well when it becomes 15335  
incapable of producing oil or gas, and the restoration of the well 15336  
site; and that, upon assignment or transfer of the well to the 15337  
landowner, the landowner becomes responsible for the costs of 15338  
compliance with the requirements of this chapter and rules adopted 15339  
under it and the costs for operating and servicing the well. 15340

The owner holding a permit under section 1509.05 of the 15341  
Revised Code is responsible for all obligations and liabilities 15342  
imposed by this chapter and any rules, orders, and terms and 15343  
conditions of a permit adopted or issued under it, and no 15344  
assignment or transfer by the owner relieves the owner of the 15345  
obligations and liabilities until and unless the assignee or 15346  
transferee files with the division the information described in 15347

divisions (A)(1), ~~(B)~~(2), ~~(C)~~(3), ~~(D)~~(4), ~~(E)~~(5), ~~(J)~~(10),  
~~(K)~~(11), and ~~(L)~~(12) of section 1509.06 of the Revised Code;  
obtains liability insurance coverage required by section 1509.07  
of the Revised Code, except when none is required by that section;  
and executes and files a surety bond, negotiable certificates of  
deposit or irrevocable letters of credit, or cash, as described in  
that section. Instead of a bond, but only upon acceptance by the  
chief of the division of mineral resources management, the  
assignee or transferee may file proof of financial responsibility,  
described in section 1509.07 of the Revised Code. Section 1509.071  
of the Revised Code applies to the surety bond, cash, and  
negotiable certificates of deposit and irrevocable letters of

Each applicant ~~who is a resident of the state and~~ under the age of 15765  
~~sixteen~~ eighteen years shall procure a special youth fur taker 15766  
permit, the fee for which shall be one-half of the regular fur 15767  
taker permit fee. The fur taker permit shall run concurrently with 15768  
the hunting license. The money received shall be paid into the 15769  
state treasury to the credit of the fund established in section 15770  
1533.15 of the Revised Code. 15771

No fur taker permit shall be issued unless it is accompanied 15772  
by a written explanation of the law in section 1533.17 of the 15773  
Revised Code and the penalty for its violation, including a 15774  
description of terms of imprisonment and fines that may be 15775  
imposed. 15776

No fur taker permit shall be issued unless the applicant 15777  
presents to the agent authorized to issue a fur taker permit a 15778  
previously held hunting license or trapping or fur taker permit or 15779  
evidence of having held such a license or permit in content and 15780  
manner approved by the chief of the division of wildlife, a 15781  
certificate of completion issued upon completion of a trapper 15782  
education course approved by the chief, or evidence of equivalent 15783  
training in content and manner approved by the chief. 15784

No person shall issue a fur taker permit to any person who 15785  
fails to present the evidence required by this section. No person 15786  
shall purchase or obtain a fur taker permit without presenting to 15787  
the issuing agent the evidence required by this section. Issuance 15788  
of a fur taker permit in violation of the requirements of this 15789  
section is an offense by both the purchaser of the illegally 15790  
obtained permit and the clerk or agent who issued the permit. Any 15791  
fur taker permit issued in violation of this section is void. 15792

The chief, with approval of the wildlife council, shall adopt 15793  
rules prescribing a trapper education course for first-time fur 15794  
taker permit buyers and for volunteer instructors. The course 15795  
shall consist of subjects that include, but are not limited to, 15796  
trapping techniques, animal habits and identification, trapping 15797  
tradition and ethics, the trapper and conservation, the law in 15798  
section 1533.17 of the Revised Code along with the penalty for its 15799  
violation, including a description of terms of imprisonment and 15800  
fines that may be imposed, and other law relating to trapping. 15801  
Authorized personnel of the division of wildlife or volunteer 15802  
instructors approved by the chief shall conduct the courses with 15803  
such frequency and at such locations throughout the state as to 15804  
reasonably meet the needs of permit applicants. The chief shall 15805  
issue a certificate of completion to each person who successfully 15806  
completes the course and passes an examination prescribed by the 15807  
chief. 15808

Every person, while hunting or trapping fur-bearing animals 15809  
on lands of another, shall carry the person's fur taker permit 15810  
~~affixed to the person's hunting license~~ with the person's 15811  
signature written ~~across the face of~~ on the permit. Failure to 15812  
carry such a signed permit constitutes an offense under this 15813  
section. The chief shall adopt any additional rules the chief 15814  
considers necessary to carry out this section. 15815

The owner and the children of the owner of lands in this 15816

state may hunt or trap fur-bearing animals thereon without a fur taker permit. The tenant and children of the tenant may hunt or trap fur-bearing animals on lands where they reside without a fur taker permit.

A fur taker permit is not transferable. No person shall carry a fur taker permit issued in the name of another person.

A fur taker permit entitles a nonresident to take from this state fur-bearing animals taken and possessed by the nonresident as provided by law or division rule.

**Sec. 1533.112.** Except as provided in this section or unless otherwise provided by division rule, no person shall hunt ducks, geese, or brant on the lands of another without first obtaining an annual wetlands habitat stamp. The annual fee for the wetlands habitat stamp shall be fourteen dollars for each stamp unless the rules adopted under division (B) of section 1533.12 provide for issuance of a wetlands habitat stamp to the applicant free of charge.

Moneys received from the stamp fee shall be paid into the state treasury to the credit of the wetlands habitat fund, which is hereby established. Moneys shall be paid from the fund on the order of the director of natural resources for the following purposes:

(A) Sixty per cent for projects that the division approves for the acquisition, development, management, or preservation of waterfowl areas within the state;

(B) Forty per cent for contribution by the division to an appropriate nonprofit organization for the acquisition, development, management, or preservation of lands and waters within the United States or Canada that provide or will provide habitat for waterfowl with migration routes that cross this state.

No moneys derived from the issuance of wetlands habitat stamps shall be spent for purposes other than those specified by this section. All investment earnings of the fund shall be credited to the fund.

Wetlands habitat stamps shall be furnished by and in a form prescribed by the chief of the division of wildlife and issued by clerks and other agents authorized to issue licenses and permits under section 1533.13 of the Revised Code. The record of stamps kept by the clerks and other agents shall be uniform throughout the state, in such form or manner as the director prescribes, and open at all reasonable hours to the inspection of any person. Unless otherwise provided by rule, each stamp shall remain in force until midnight of the thirty-first day of August next ensuing. Wetlands habitat stamps may be issued in any manner to any person on any date, whether or not that date is within the period in which they are effective.

Every person to whom this section applies, while hunting ducks, geese, or brant, shall carry an unexpired wetlands habitat stamp that is validated by the person's signature written on the stamp in ink and shall exhibit the stamp to any enforcement officer so requesting. No person shall fail to carry and exhibit the person's stamp.

A wetlands habitat stamp is not transferable.

The chief shall establish a procedure to obtain subject matter to be printed on the wetlands habitat stamp and shall use, dispose of, or distribute the subject matter as the chief considers necessary. The chief also shall adopt rules necessary to administer this section.

This section does not apply to persons under sixteen years of age nor to persons exempted from procuring a hunting license under section 1533.10 or division (A)(2) of section 1533.12 of the

Revised Code. 15878

**Sec. 1533.12.** (A)(1) Except as otherwise provided in division 15879  
(A)(2) of this section, every person on active duty in the armed 15880  
forces of the United States who is stationed in this state and who 15881  
wishes to engage in an activity for which a license, permit, or 15882  
stamp is required under this chapter first shall obtain the 15883  
requisite license, permit, or stamp. Such a person is eligible to 15884  
obtain a resident hunting or fishing license regardless of whether 15885  
the person qualifies as a resident of this state. To obtain a 15886  
resident hunting or fishing license, the person shall present a 15887  
card or other evidence identifying the person as being on active 15888  
duty in the armed forces of the United States and as being 15889

of the kind lawfully permitted to be taken or caught within the 15893  
state, may hunt any wild bird or wild quadruped lawfully permitted 15894  
to be hunted within the state, and may trap fur-bearing animals 15895  
lawfully permitted to be trapped within the state, without 15896  
procuring a fishing license, a hunting license, a fur taker 15897  
permit, or a wetlands habitat stamp required by this chapter, 15898  
provided that the person shall carry on the person when fishing, 15899  
hunting, or trapping, a card or other evidence identifying the 15900  
person as being on active duty in the armed forces of the United 15901  
States, and provided that the person is not otherwise violating 15902  
any of the hunting, fishing, and trapping laws of this state. 15903

In order to hunt deer or wild turkey, any such person shall 15904  
obtain a special deer or wild turkey permit, as applicable, under 15905  
section 1533.11 of the Revised Code. However, the person need not 15906  
obtain a hunting license in order to obtain such a permit. 15907

(B) The chief of the division of wildlife shall provide by 15908

rule adopted under section 1531.10 of the Revised Code all of the 15909  
following: 15910

(1) Every resident of this state with a disability that has 15911  
been determined by the veterans administration to be permanently 15912  
and totally disabling, who receives a pension or compensation from 15913  
the veterans administration, and who received an honorable 15914  
discharge from the armed forces of the United States, and every 15915

provided by the chief. 15934

(4) Any mobility impaired or blind person, as defined in 15935  
section 955.011 of the Revised Code, who is a resident of this 15936  
state and who is unable to engage in fishing without the 15937  
assistance of another person shall be issued an annual fishing 15938  
license free of charge when application is made to the chief in 15939

the manner prescribed by and on forms provided by the chief. The  
person who is assisting the mobility impaired or blind person may  
assist in taking or catching fish of the kind permitted to be

was captured, separated, and incarcerated by an enemy of the  
United States.

Any person who has been a prisoner of war, was honorably  
discharged from the military forces, and is a resident of this  
state shall be issued an annual fishing license, hunting license,  
fur taker permit, or wetlands habitat stamp, or any combination of  
those licenses, permits, and stamp, free of charge when  
application is made to the chief in the manner prescribed by and  
on forms provided by the chief.

(C) The chief shall adopt rules pursuant to section 1531.08

accordance with this section and the rules adopted pursuant to it.

Unless otherwise provided by those rules, a wildlife control operators permit shall expire on the fifteenth day of March of each year. Unless otherwise provided by those rules, the fee for such a permit shall be one hundred dollars. The rules shall establish procedures for the issuance of wildlife control operators permits and for the record-keeping that is required under division (C) of this section, including procedures for the annual submission of records as required under that division or under division rules. In addition, the rules may establish requirements and procedures for the administration of an examination prior to the issuance of a permit under this section. 16026

**Sec. 1533.32.** Except as provided in this section or division 16027  
(A)(2) or (C) of section 1533.12 of the Revised Code, no person, 16028  
including nonresidents, shall take or catch any fish by angling in 16029

applicant free of charge. Except as provided in rules adopted 16048

The clerk or agent shall issue the annual license upon presentation of the one-day license and payment of a fee in an amount equal to the difference between the fee for the annual license and the fee for the one-day license.

-

Unless otherwise provided by division rule, each annual license shall begin on the first day of March of the current year and expire on the last day of February of the following year.

No person shall alter a fishing license or possess a fishing license that has been altered.

**Sec. 1548.06.** (A)(1) Application for a certificate of title 16364  
for a watercraft or outboard motor shall be made upon a form 16365  
prescribed by the chief of the division of watercraft and shall be 16366  
sworn to before a notary public or other officer empowered to 16367  
administer oaths. The application shall be filed with the clerk of 16368  
any court of common pleas. An application for a certificate of 16369  
title may be filed electronically by any electronic means approved 16370  
by the chief in any county with the clerk of the court of common 16371  
pleas of that county. The application shall be accompanied by the 16372  
fee prescribed in section 1548.10 of the Revised Code. The fee 16373  
shall be retained by the clerk who issues the certificate of title 16374  
and shall be distributed in accordance with that section. If a 16375  
clerk of a court of common pleas, other than the clerk of the 16376  
court of common pleas of an applicant's county of residence, 16377  
issues a certificate of title to the applicant, the clerk shall 16378  
transmit data related to the transaction to the automated title 16379  
processing system. 16380

(2) If a certificate of title previously has been issued for 16381  
the watercraft or outboard motor, the application for a 16382  
certificate of title also shall be accompanied by the certificate 16383  
of title duly assigned unless otherwise provided in this chapter. 16384  
If a certificate of title previously has not been issued for the 16385  
watercraft or outboard motor in this state, the application, 16386  
unless otherwise provided in this chapter, shall be accompanied by 16387  
a manufacturer's or importer's certificate; by a sworn statement 16388  
of ownership if the watercraft or outboard motor was purchased by 16389  
the applicant on or before October 9, 1963, or if the watercraft 16390  
is less than fourteen feet long with a permanently affixed 16391  
mechanical means of propulsion and was purchased by the applicant 16392  
on or before January 1, 2000; or by a certificate of title, bill 16393  
of sale, or other evidence of ownership required by the law of 16394  
another state from which the watercraft or outboard motor was 16395

brought into this state. Evidence of ownership of a watercraft or 16396  
outboard motor for which an Ohio certificate of title previously 16397  
has not been issued and which watercraft or outboard motor does 16398  
not have permanently affixed to it a manufacturer's serial number 16399  
shall be accompanied by the certificate of assignment of a hull 16400  
identification number assigned by the chief as provided in section 16401  
1548.07 of the Revised Code. 16402

(3) The clerk shall retain the evidence of title presented by 16403  
the applicant and on which the certificate of title is issued, 16404  
except that, if an application for a certificate of title is filed 16405  
electronically, by a vendor on behalf of a purchaser of a 16406  
watercraft or outboard motor, the clerk shall retain the completed 16407  
electronic record to which the vendor converted the certificate of 16408  
title application and other required documents. The chief, after 16409  
consultation with the attorney general, shall adopt rules that 16410  
govern the location at which, and the manner in which, are stored 16411  
the actual application and all other documents relating to the 16412  
sale of a watercraft or outboard motor when a vendor files the 16413  
application for a certificate of title electronically on behalf of 16414  
a purchaser. 16415

(B) The clerk shall use reasonable diligence in ascertaining 16416  
whether the facts in the application are true by checking the 16417  
application and documents accompanying it or the electronic record 16418  
to which a vendor converted the application and accompanying 16419  
documents with the records of watercraft and outboard motors in 16420  
the clerk's office. If the clerk is satisfied that the applicant 16421  
is the owner of the watercraft or outboard motor and that the 16422  
application is in the proper form, the clerk shall issue a 16423  
physical certificate of title over the clerk's signature and 16424  
sealed with the clerk's seal unless the applicant specifically 16425  
requests the clerk not to issue a physical certificate of title 16426  
and instead to issue an electronic certificate of title. However, 16427

if the evidence indicates and an investigation shows that one or 16428  
more Ohio titles already exist for the watercraft or outboard 16429  
motor, the chief may cause the redundant title or titles to be 16430  
canceled. 16431

(C) In the case of the sale of a watercraft or outboard motor 16432  
by a vendor to a general purchaser or user, the certificate of 16433  
title shall be obtained in the name of the purchaser by the vendor 16434  
upon application signed by the purchaser. In all other cases, the 16435  
certificate shall be obtained by the purchaser. In all cases of 16436  
transfer of watercraft or outboard motors, the application for 16437  
certificate of title shall be filed within thirty days after the 16438  
later of the date of purchase or assignment of ownership of the 16439  
watercraft or outboard motor. If the application for certificate 16440  
of title is not filed within thirty days after the later of the 16441  
date of purchase or assignment of ownership of the watercraft or 16442  
outboard motor, the clerk shall charge a late penalty fee of five 16443  
dollars in addition to the fee prescribed by section 1548.10 of 16444  
the Revised Code. The clerk shall retain the entire amount of each 16445  
late penalty fee. 16446

(D) The clerk shall refuse to accept an application for 16447  
certificate of title unless the applicant either tenders with the 16448  
application payment of all taxes levied by or pursuant to Chapter 16449  
5739. or 5741. of the Revised Code based on the applicant's county 16450  
of residence less, in the case of a sale by a vendor, any discount 16451  
to which the vendor is entitled under section 5739.12 of the 16452  
Revised Code, or submits any of the following: 16453

~~(A)~~(1) A receipt issued by the tax commissioner or a clerk of 16454  
courts showing payment of the tax; 16455

~~(B)~~(2) A copy of the unit certificate of exemption completed 16456  
by the purchaser at the time of sale as provided in section 16457  
5739.03 of the Revised Code; 16458

~~(C)~~(3) An exemption certificate, in a form prescribed by the tax commissioner, that specifies why the purchase is not subject to the tax imposed by Chapter 5739. or 5741. of the Revised Code.

Payment of the tax shall be in accordance with rules issued by the tax commissioner, and the clerk shall issue a receipt in the form prescribed by the tax commissioner to any applicant who tenders payment of the tax with the application for the certificate of title.

(E)(1) For receiving and disbursing the taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent of the taxes collected, which shall be paid into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

(2) A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The chief of the division of watercraft, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

(F) In the case of casual sales of watercraft or outboard motors that are subject to the tax imposed by Chapter 5739. or 5741. of the Revised Code, the purchase price for the purpose of determining the tax shall be the purchase price on an affidavit executed and filed with the clerk by the vendor on a form to be

prescribed by the chief, which shall be prima-facie evidence of 16490  
the price for the determination of the tax. In addition to the 16491  
information required by section 1548.08 of the Revised Code, each 16492  
certificate of title shall contain in bold lettering the following 16493  
notification and statements: "WARNING TO TRANSFEROR AND TRANSFEREE 16494  
(SELLER AND BUYER). You are required by law to state the true 16495  
selling price. A false statement is a violation of section 2921.13 16496  
of the Revised Code and is punishable by six months imprisonment 16497  
or a fine of up to one thousand dollars, or both. All transfers 16498  
are audited by the department of taxation. The seller and buyer 16499  
must provide any information requested by the department of 16500  
taxation. The buyer may be assessed any additional tax found to be 16501  
due." 16502

~~The clerk shall forward all payments of taxes, less poundage 16503  
fees, to the treasurer of state in a manner to be prescribed by 16504  
the tax commissioner and shall furnish information to the 16505  
commissioner as the commissioner may require. (G) Each county 16506  
clerk of courts shall forward to the treasurer of state all sales 16507  
and use tax collections resulting from sales of titled watercraft 16508  
and outboard motors during a calendar week on or before the Friday 16509  
following the close of that week. If, on any Friday, the offices 16510  
of the clerk of courts or the state are not open for business, the 16511  
tax shall be forwarded to the treasurer of state on or before the 16512  
next day on which the offices are open. Every remittance of tax 16513  
under this division shall be accompanied by a remittance report in 16514  
such form as the tax commissioner prescribes. Upon receipt of a 16515  
tax remittance and remittance report, the treasurer of state shall 16516  
date stamp the report and forward it to the tax commissioner. If 16517  
the tax due for any week is not remitted by a clerk of courts as 16518  
required under this division, the clerk shall forfeit the poundage 16519  
fees for the sales made during that week. The treasurer of state 16520  
may require the clerks of courts to transmit tax collections and 16521  
remittance reports electronically. 16522~~

(H) For purposes of a transfer of a certificate of title, if the clerk is satisfied that a secured party has discharged a lien but has not canceled the lien notation with a clerk, the clerk may cancel the lien notation on the automated title processing system and notify the clerk of the county of origin.

(I) Every clerk shall have the capability to transact by electronic means all procedures and transactions relating to the issuance of watercraft or outboard motor certificates of title that are described in the Revised Code as being accomplished by electronic means.

notice and hearing, from thereafter revoking or suspending such 17309  
license, registration, or right to buy, sell, or deal in a 17310  
particular security, for any proper cause which may, after the 17311

**Sec. 1707.261.** (A) If a court of common pleas grants an injunction pursuant to section 1707.26 of the Revised Code, after consultation with the attorney general the director of commerce may request that court to order the defendant or defendants that are subject to the injunction to make restitution or rescission to any purchaser or holder of securities damaged by the defendant's or defendants' violation of any provision of sections 1707.01 to 1707.45 of the Revised Code.

(B) If the court of common pleas is satisfied with the sufficiency of the director's request for restitution or rescission under division (A) of this section and with the sufficiency of the proof of a substantial violation of any provision of sections 1707.01 to 1707.45 of the Revised Code, or of the use of any act, practice, or transaction declared to be illegal or prohibited or defined as fraudulent by those sections or rules adopted under those sections by the division of securities, to the material prejudice of a purchaser or holder of securities, the court may order the defendant or defendants subject to the injunction to make restitution or rescission to any purchaser or holder of securities damaged by the defendant's or defendants' violation of sections 1707.01 to 1707.45 of the Revised Code.

(C) A court order granting restitution or rescission based upon a request made pursuant to division (A) of this section shall meet the requirements of division (B) of this section and may not be based solely upon a final order issued by the division of securities pursuant to Chapter 119. of the Revised Code or upon an action to enforce a final order issued by the division pursuant to that chapter. Notwithstanding the foregoing provision, a request for restitution or rescission pursuant to division (A) of this section may concern the same acts, practices, or transactions that

were, or may later be, the subject of a division of securities 17477  
action for a violation of any provision of sections 1707.01 to 17478  
1707.45 of the Revised Code. If a request for restitution or 17479  
rescission pursuant to division (A) of this section concerns the 17480  
same acts, practices, or transactions that were the subject of a 17481  
final order issued by the division of securities pursuant to 17482  
Chapter 119. of the Revised Code, the court shall review the 17483  
request in accordance with division (B) of this section, and the 17484  
standard of review in section 119.12 of the Revised Code shall not 17485  
apply to the request. 17486

(D) No purchaser or holder of securities who is entitled to 17487  
restitution or rescission under this section shall recover, 17488  
pursuant to this section or any other proceeding, a total amount 17489  
in excess of the person's purchase price for the securities sold 17490  
in violation of sections 1707.01 to 1707.45 of the Revised Code. 17491

(E)(1) If a court of common pleas grants an injunction 17492  
pursuant to section 1707.26 of the Revised Code against any state 17493  
retirement system investment officer, after consultation with the 17494  
attorney general, the director of commerce may request that court 17495  
to order the state retirement system investment officer or 17496  
officers that are subject to the injunction to make restitution to 17497  
the state retirement system damaged by the state retirement system 17498  
investment officer's or officers' violation of any provision of 17499  
sections 1707.01 to 1707.45 of the Revised Code. 17500

(2) If the court of common pleas is satisfied with the 17501  
sufficiency of the director's request for restitution under 17502  
division (E)(1) of this section and with the sufficiency of the 17503  
proof of a substantial violation of any provision of sections 17504  
1707.01 to 1707.45 of the Revised Code, or of the use of any act, 17505  
practice, or transaction declared to be illegal or prohibited or 17506  
defined as fraudulent by those sections or rules adopted under 17507  
those sections by the division of securities, to the material 17508

prejudice of a state retirement system, the court may order the  
state retirement system investment officer or officers subject to  
the injunction to make restitution to the state retirement system  
damaged by the state retirement system investment officer's or  
officers' violation of sections 1707.01 to 1707.45 of the Revised  
Code. A request for restitution pursuant to division (E)(1) of  
this section may concern the same acts, practices, or transactions  
that were, or may later be, the subject of a division of  
securities action for a violation of any provision of section  
1707.01 to 1707.45 of the Revised Code.

(F)(1) If a court of common pleas grants an injunction  
pursuant to section 1707.26 of the Revised Code against a bureau  
of workers' compensation chief investment officer, after  
consultation with the attorney general, the director of commerce  
may request that court to order the bureau of workers'  
compensation chief investment officer who is subject to the  
injunction to make restitution to the bureau of workers'  
compensation damaged by the bureau of workers' compensation chief  
investment officer's violation of any provision of sections  
1707.01 to 1707.45 of the Revised Code.

(2) If the court of common pleas is satisfied with the  
sufficiency of the director's request for restitution under  
division (F)(1) of this section and with the sufficiency of the  
proof of a substantial violation of any provision of sections  
1707.01 to 1707.45 of the Revised Code, or of the use of any act,  
practice, or transaction declared to be illegal or prohibited or  
defined as fraudulent by those sections or rules adopted under  
those sections by the division of securities, to the material  
prejudice of the bureau of workers' compensation, the court may  
order the bureau of workers' compensation chief investment officer  
subject to the injunction to make restitution to the bureau of  
workers' compensation damaged by the bureau of workers'

compensation chief investment officer's violation of sections 17541  
1707.01 to 1707.45 of the Revised Code. A request for restitution 17542  
pursuant to division (F)(1) of this section may concern the same 17543  
acts, practices, or transactions that were, or may later be, the 17544  
subject of a division of securities action for a violation of any 17545  
provision of section 1707.01 to 1707.45 of the Revised Code. 17546

**Sec. 1707.431.** For purposes of this section, the following 17547  
persons shall not be deemed to have effected, participated in, or 17548  
aided the seller in any way in making, a sale or contract of sale 17549  
in violation of sections 1707.01 to 1707.45 of the Revised Code: 17550

(A) Any attorney, accountant, or engineer whose performance 17551  
is incidental to the practice of the person's profession; 17552

(B) Any person, other than an investment adviser, investment 17553  
adviser representative, bureau of workers' compensation chief 17554  
investment officer, or state retirement system investment officer, 17555  
who brings any issuer together with any potential investor, 17556  
without receiving, directly or indirectly, a commission, fee, or 17557  
other remuneration based on the sale of any securities by the 17558  
issuer to the investor. Remuneration received by the person solely 17559  
for the purpose of offsetting the reasonable out-of-pocket costs 17560  
incurred by the person shall not be deemed a commission, fee, or 17561  
other remuneration. 17562

Any person claiming exemption under this division for a 17563  
publicly advertised meeting shall file a notice with the division 17564  
of securities indicating an intent to cause or hold such a meeting 17565  
at least twenty-one days prior to the meeting. The division may, 17566  
upon receipt of such notice, issue an order denying the 17567  
availability of an exemption under this division not more than 17568  
fourteen days after receipt of the notice based on a finding that 17569  
the applicant is not entitled to the exemption. Notwithstanding 17570  
the notice described in this section, a failure to file the notice 17571

does not create a presumption that a person was participating in 17572  
or aiding in the making of a sale or contract of sale in violation 17573  
of this chapter. 17574

(C) Any person whom the division exempts from this provision 17575  
by rule. 17576

**Sec. 1707.44.** (A)(1) No person shall engage in any act or 17577  
practice that violates division (A), (B), or (C) of section 17578  
1707.14 of the Revised Code, and no salesperson shall sell 17579  
securities in this state without being licensed pursuant to 17580  
section 1707.16 of the Revised Code. 17581

(2) No person shall engage in any act or practice that 17582  
violates division (A) of section 1707.141 or section 1707.161 of 17583  
the Revised Code. 17584

(3) No person shall engage in any act or practice that 17585  
violates section 1707.162 of the Revised Code. 17586

(4) No person shall engage in any act or practice that 17587  
violates section 1707.164 of the Revised Code. 17588

(B) No person shall knowingly make or cause to be made any 17589  
false representation concerning a material and relevant fact, in 17590  
any oral statement or in any prospectus, circular, description, 17591  
application, or written statement, for any of the following 17592  
purposes: 17593

(1) Registering securities or transactions, or exempting 17594  
securities or transactions from registration, under this chapter; 17595

(2) Securing the qualification of any securities under this 17596  
chapter; 17597

(3) Procuring the licensing of any dealer, salesperson, 17598  
investment adviser, investment adviser representative, bureau of 17599  
workers' compensation chief investment officer, or state 17600

retirement system investment officer under this chapter;	17601
(4) Selling any securities in this state;	17602
(5) Advising for compensation, as to the value of securities or as to the advisability of investing in, purchasing, or selling securities;	17603 17604 17605
(6) Submitting a notice filing to the division under division (X) of section 1707.03 or section 1707.092 or 1707.141 of the Revised Code.	17606 17607 17608
(C) No person shall knowingly sell, cause to be sold, offer for sale, or cause to be offered for sale, any security which comes under any of the following descriptions:	17609 17610 17611
(1) Is not exempt under section 1707.02 of the Revised Code, nor the subject matter of one of the transactions exempted in section 1707.03, 1707.04, or 1707.34 of the Revised Code, has not been registered by coordination or qualification, and is not the subject matter of a transaction that has been registered by description;	17612 17613 17614 17615 17616 17617
(2) The prescribed fees for registering by description, by coordination, or by qualification have not been paid in respect to such security;	17618 17619 17620
(3) The person has been notified by the division, or has knowledge of the notice, that the right to buy, sell, or deal in such security has been suspended or revoked, or that the registration by description, by coordination, or by qualification under which it may be sold has been suspended or revoked;	17621 17622 17623 17624 17625
(4) The offer or sale is accompanied by a statement that the security offered or sold has been or is to be in any manner indorsed by the division.	17626 17627 17628
(D) No person who is an officer, director, or trustee of, or a dealer for, any issuer, and who knows such issuer to be	17629 17630

insolvent in that the liabilities of the issuer exceed its assets, 17631  
shall sell any securities of or for any such issuer, without 17632  
disclosing the fact of the insolvency to the purchaser. 17633

(E) No person with intent to aid in the sale of any 17634  
securities on behalf of the issuer, shall knowingly make any 17635  
representation not authorized by such issuer or at material 17636  
variance with statements and documents filed with the division by 17637  
such issuer. 17638

(F) No person, with intent to deceive, shall sell, cause to 17639  
be sold, offer for sale, or cause to be offered for sale, any 17640  
securities of an insolvent issuer, with knowledge that such issuer 17641  
is insolvent in that the liabilities of the issuer exceed its 17642  
assets, taken at their fair market value. 17643

(G) No person in purchasing or selling securities shall 17644  
knowingly engage in any act or practice that is, in this chapter, 17645  
declared illegal, defined as fraudulent, or prohibited. 17646

(H) No licensed dealer shall refuse to buy from, sell to, or 17647  
trade with any person because the person appears on a blacklist 17648  
issued by, or is being boycotted by, any foreign corporate or 17649  
governmental entity, nor sell any securities of or for any issuer 17650  
who is known in relation to the issuance or sale of the securities 17651  
to have engaged in such practices. 17652

(I) No dealer in securities, knowing that the dealer's 17653  
liabilities exceed the reasonable value of the dealer's assets, 17654  
shall accept money or securities, except in payment of or as 17655  
security for an existing debt, from a customer who is ignorant of 17656  
the dealer's insolvency, and thereby cause the customer to lose 17657  
any part of the customer's securities or the value of those 17658  
securities, by doing either of the following without the 17659  
customer's consent: 17660

(1) Pledging, selling, or otherwise disposing of such 17661

securities, when the dealer has no lien on or any special property 17662  
in such securities; 17663

(2) Pledging such securities for more than the amount due, or 17664  
otherwise disposing of such securities for the dealer's own 17665  
benefit, when the dealer has a lien or indebtedness on such 17666  
securities. 17667

It is an affirmative defense to a charge under this division 17668  
that, at the time the securities involved were pledged, sold, or 17669  
disposed of, the dealer had in the dealer's possession or control, 17670  
and available for delivery, securities of the same kinds and in 17671  
amounts sufficient to satisfy all customers entitled to the 17672  
securities, upon demand and tender of any amount due on the 17673  
securities. 17674

(J) No person, with purpose to deceive, shall make, issue, 17675  
publish, or cause to be made, issued, or published any statement 17676  
or advertisement as to the value of securities, or as to alleged 17677  
facts affecting the value of securities, or as to the financial 17678  
condition of any issuer of securities, when the person knows that 17679  
such statement or advertisement is false in any material respect. 17680

(K) No person, with purpose to deceive, shall make, record, 17681  
or publish or cause to be made, recorded, or published, a report 17682  
of any transaction in securities which is false in any material 17683  
respect. 17684

(L) No dealer shall engage in any act that violates the 17685  
provisions of section 15(c) or 15(g) of the "Securities Exchange 17686  
Act of 1934," 48 Stat. 881, 15 U.S.C.A. 78o(c) or (g), or any rule 17687  
or regulation promulgated by the securities and exchange 17688  
commission thereunder. If, subsequent to October 11, 1994, 17689  
additional amendments to section 15(c) or 15(g) are adopted, or 17690  
additional rules or regulations are promulgated pursuant to such 17691  
sections, the division of securities shall, by rule, adopt the 17692

amendments, rules, or regulations, unless the division finds that  
the amendments, rules, or regulations are not necessary for the  
protection of investors or in the public interest.

(M)(1) No investment adviser or investment adviser

account of such client, without disclosing to the client in  
writing before the completion of the transaction the capacity in  
which the investment adviser or investment adviser representative  
is acting and obtaining the consent of the client to the  
transaction. Division (M)(1)(c) of this section does not apply to  
any investment adviser registered with the securities and exchange  
commission under section 203 of the "Investment Advisers Act of  
1940," 15 U.S.C. 80b-3, or to any transaction with a customer of a  
licensed dealer or salesperson if the licensed dealer or  
salesperson is not acting as an investment adviser or investment  
adviser representative in relation to the transaction.

In adopting rules under this section, the director may adopt by reference, in whole or in part, the national fire code or the national electrical code (NEC) prepared by the national fire protection association, the standards of the American society for testing and materials (ASTM) or the American national standards institute (ANSI), or any other principles, tests, or standards of nationally recognized technical or scientific authorities. Insofar as is practicable and consistent with sections 1711.50 to 1711.57 of the Revised Code, rules adopted under this division shall be consistent with the rules of other states. The department shall cause sections 1711.50 to 1711.57 of the Revised Code and the rules adopted in accordance with this division and division (B) of section 1711.551 of the Revised Code to be published in pamphlet form and a copy to be furnished without charge to each owner of an amusement ride who holds a current permit or is an applicant therefor.

(C) With respect to an application for a permit for an amusement ride, an owner may apply to the director for a waiver or modification of any rule adopted under division (B) of this section if there are practical difficulties or unnecessary hardships for the amusement ride to comply with the rules. Any application shall set forth the reasons for the request. The director, with the approval of the advisory council on amusement ride safety, may waive or modify the application of a rule to any amusement ride if the public safety is secure. Any authorization by the director under this division shall be in writing and shall set forth the conditions under which the waiver or modification is authorized, and the department shall retain separate records of all proceedings under this division.

(D)(1) The director shall employ and provide for training of a chief inspector and additional inspectors and employees as may

be necessary to administer and enforce sections 1711.50 to 1711.57  
of the Revised Code. The director may appoint or contract with

that the persons meet the qualifications for inspectors  
established by rules adopted under division (B) of this section  
and are not owners, or employees of owners, of any amusement ride  
subject to inspection under sections 1711.50 to 1711.57 of the  
Revised Code. No person shall inspect an amusement ride who,  
within six months prior to the date of inspection, was an employee  
of the owner of the ride.

(2) Before the director contracts with other persons to  
inspect amusement rides, the director shall seek the advice of the  
advisory council on amusement ride safety on whether to contract  
with those persons. The advice shall not be binding upon the  
director. After having received the advice of the council, the  
director may proceed to contract with inspectors in accordance  
with the procedures specified in division (E)(2) of section  
1711.11 of the Revised Code.

(3) With the advice and consent of the advisory council on  
amusement ride safety, the director may employ a special

be charged to the fair, festival, or event. 17941

(4) The rules adopted under division (B) of this section 17942  
shall define "kiddie rides," "roller coaster," "aerial lifts," "go 17943  
karts," and "other rides" for purposes of determining the fees 17944  
under division (E) of this section. The rules shall define "other 17945  
rides" to include go kart tracks. 17946

(F) A reinspection of an amusement ride shall take place if 17947  
an accident occurs, if the owner of the ride or the chief officer 17948

inspection or reinspection of the ride as may be required under 17958  
sections 1711.50 to 1711.57 of the Revised Code, and the owner of 17959  
the temporary amusement ride is not required to pay an inspection 17960  
or reinspection fee for this supplemental inspection. Nothing in 17961  
this division shall be construed to prohibit the owner of a 17962  
temporary amusement ride having a valid permit to operate in this 17963  
state from operating the ride at a scheduled event before the 17964  
department conducts a supplemental inspection. 17965

(H) The department may annually conduct a midseason 17966  
operational inspection of every amusement ride upon which it 17967

any party to the case, the expense of which record may be taxed as  
costs in the case or may be required to be prepaid by the party  
demanding the record, upon order of the court.

(F) The clerk of a municipal court shall receive, collect,

a county-operated municipal court, the interest shall be paid into  
the treasury of the county in which the court is located.

On the first Monday in January of each year, the clerk shall

person who has the right to the moneys upon proper certification  
of the clerk.

against a political subdivision under division (B)(1) of this 20700  
section regardless of whether the claimant may be under an 20701  
obligation to pay back the benefits upon recovery, in whole or in 20702

represent the actual loss of the person who is awarded the damages 20726  
provided in this division does not apply to court costs that are 20727  
awarded to a plaintiff, or to interest on a judgment rendered in 20728  
favor of a plaintiff, in an action against a political 20729  
subdivision. 20730

rehabilitation services, or for other care, treatment, services, 20745  
products, or accommodations that will be necessary because of the 20746

(d) All expenditures of a person whose property was injured 20748

**Sec. 2744.08.** (A)(1) A political subdivision may use public 20771  
funds to secure insurance with respect to its and its employees' 20772  
potential liability in damages in civil actions for injury, death, 20773  
or loss to persons or property allegedly caused by an act or 20774  
omission of the political subdivision or any of its employees in 20775  
connection with a governmental or proprietary function. The 20776

insurance may be at the limits, for the circumstances, and subject 20777  
to the terms and conditions, that are determined by the political 20778  
subdivision in its discretion. 20779

The insurance may be for the period of time that is set forth 20780  
in specifications for competitive bids or, when competitive 20781  
bidding is not required, for the period of time that is mutually 20782  
agreed upon by the political subdivision and insurance company. 20783  
The period of time does not have to be, but can be, limited to the 20784  
fiscal cycle under which the political subdivision is funded and 20785  
operates. 20786

(2)(a) Regardless of whether a political subdivision procures 20787  
a policy or policies of liability insurance pursuant to division 20788  
(A)(1) of this section or otherwise, the political subdivision may 20789  
establish and maintain a self-insurance program relative to its 20790  
and its employees' potential liability in damages in civil actions 20791  
for injury, death, or loss to persons or property allegedly caused 20792  
by an act or omission of the political subdivision or any of its 20793  
employees in connection with a governmental or proprietary 20794  
function. The political subdivision may reserve such funds as it 20795  
deems appropriate in a special fund that may be established 20796  
pursuant to an ordinance or resolution of the political 20797  
subdivision and not subject to section 5705.12 of the Revised 20798  
Code. The political subdivision may allocate the costs of 20799  
insurance or a self-insurance program, or both, among the funds or 20800  
accounts in the subdivision's treasury on the basis of relative 20801  
exposure and loss experience. The political subdivision may 20802  
require any deductibles under an insurance or self-insurance 20803  
program, or both, to be paid from funds or accounts in the 20804  
subdivision's treasury from which a loss was directly 20805  
attributable. If it so chooses, the political subdivision may 20806  
contract with any person, other political subdivision, or regional 20807  
council of governments for purposes of the administration of such 20808

a program. 20809

(b) Political subdivisions that have established 20810  
self-insurance programs relative to their and their employees' 20811  
potential liability as described in division (A)(2)(a) of this 20812  
section may mutually agree that their self-insurance programs will 20813  
be jointly administered in a specified manner. 20814

(B) The purchase of liability insurance, or the establishment 20815  
and maintenance of a self-insurance program, by a political 20816  
subdivision does not constitute a waiver of any immunity or 20817  
defense of the political subdivision or its employees, except that 20818  
the political subdivision may specifically waive any immunity or 20819  
defense to which it or its employees may be entitled if a 20820  
provision to that effect is specifically included in the policy of 20821  
insurance or in a written plan of operation of the self-insurance 20822  
program, or, if any, the legislative enactment of the political 20823  
subdivision authorizing the purchase of the insurance or the 20824  
establishment and maintenance of the self-insurance program. Such 20825  
a specific waiver shall be only to the extent of the insurance or 20826  
self-insurance program coverage. 20827

(C) The authorizations for political subdivisions to secure 20828  
insurance and to establish and maintain self-insurance programs in 20829  
this section are in addition to any other authority to secure 20830  
insurance or to establish and maintain self-insurance programs 20831  
that is granted pursuant to the Revised Code or the constitution 20832  
of this state, and they are not in derogation of any other 20833  
authorization. 20834

**Sec. 2744.082.** (A) If a political subdivision, pursuant to 20835  
division (A)(2)(a) of section 2744.08 of the Revised Code, has 20836  
allocated costs to, or required the payment of deductibles from, 20837  
funds or accounts in the subdivision's treasury, the subdivision's 20838  
fiscal officer, pursuant to an ordinance or resolution of the 20839

subdivision's legislative authority, shall transfer amounts equal 20840  
to those costs or deductibles from the funds or accounts to the 20841  
subdivision's general fund if both of the following occur: 20842

(1) The subdivision requests payment from the employee 20843  
responsible for the funds or accounts for those costs or 20844  
deductibles; 20845

(2) The employee receiving the request fails to remit payment 20846  
within forty-five days after the date of receipt of the request. 20847

a state correctional institution in a manner that the court 21440  
considers appropriate. If the court modifies the requirement, the 21441  
offender is subject to supervision under division (E) of this 21442  
section. 21443

(2) The modification of the requirement does not terminate 21444  
the prison term but serves only to suspend the requirement that 21445  
the offender serve the entire term in a state correctional 21446  
institution. The prison term shall remain in effect for the 21447  
offender's entire life unless the court terminates the prison term 21448  
pursuant to division (D) of this section. The offender shall 21449  
remain under the jurisdiction of the court for the offender's 21450  
entire life unless the court so terminates the prison term. The 21451

modification of the requirement does not terminate the 21452  
classification of the offender, as described in division (F) of 21453  
section 2971.03 of the Revised Code, as a sexual predator for 21454  
purposes of Chapter 2950. of the Revised Code, and the offender is 21455  
subject to supervision under division (E) of this section. 21456

(3) If the court revokes the modification under 21457  
consideration, the court shall order that the offender be returned 21458  
to the custody of the department of rehabilitation and correction 21459  
to continue serving the prison term to which the modification 21460  
applied, and section 2971.06 of the Revised Code applies regarding 21461  
the offender. 21462

(D)(1) If, at the conclusion of a hearing held pursuant to 21463  
division (A) of this section, the court determines by clear and 21464  
convincing evidence that the offender is unlikely to commit a 21465  
sexually violent offense in the future, the court may terminate 21466  
the offender's prison term imposed under division (A)(3) of 21467  
section 2971.03 of the Revised Code, subject to the offender 21468  
satisfactorily completing the period of conditional release 21469  
required by this division and compliance with division (E) of this 21470  
section. If the court terminates the prison term, the court shall 21471  
place the offender on conditional release for five years, require 21472  
the offender to comply with division (E) of this section, notify 21473  
the adult parole authority of its determination and of the 21474  
termination of the prison term, and order the adult parole 21475  
authority to supervise the offender during the five-year period of 21476  
conditional release and to supervise the offender pursuant to 21477  
division (E) of this section. Upon receipt of a notice from a 21478  
court pursuant to this division, the adult parole authority shall 21479  
supervise the offender who is the subject of the notice during the 21480  
five-year period of conditional release, periodically notify the 21481  
court of the offender's activities during that five-year period of 21482  
conditional release, and file with the court no later than thirty 21483

days prior to the expiration of the five-year period of 21484  
conditional release a written recommendation as to whether the 21485  
termination of the offender's prison term should be finalized, 21486  
whether the period of conditional release should be extended, or 21487  
whether another type of action authorized pursuant to this chapter 21488  
should be taken. 21489

Upon receipt of a recommendation of the adult parole 21490  
authority filed pursuant to this division, the court shall hold a 21491  
hearing to determine whether to finalize the termination of the 21492  
offender's prison term, to extend the period of conditional 21493  
release, or to take another type of action authorized pursuant to 21494  
this chapter. The court shall hold the hearing no later than the 21495  
date on which the five-year period of conditional release 21496  
terminates and shall provide notice of the date, time, place, and 21497  
purpose of the hearing to the offender and to the prosecuting 21498  
attorney. At the hearing, the offender, the prosecuting attorney, 21499  
and the adult parole authority employee who supervised the 21500  
offender during the period of conditional release may make a 21501  
statement and present evidence. 21502

(2) If the court determines to extend an offender's period of 21503  
conditional release, it may do so for additional periods of one 21504  
year in the same manner as the original period of conditional 21505  
release, and except as otherwise described in this division, all 21506  
procedures and requirements that applied to the original period of 21507  
conditional release apply to the additional period of extended 21508  
conditional release unless the court modifies a procedure or 21509  
requirement. If an offender's period of conditional release is 21510  
extended as described in this division, all references to a 21511  
five-year period of conditional release that are contained in 21512  
division (D)(1) of this section shall be construed, in applying 21513  
the provisions of that division to the extension, as being 21514  
references to the one-year period of the extension of the 21515

conditional release. 21516

If the court determines to take another type of action 21517  
authorized pursuant to this chapter, it may do so in the same 21518  
manner as if the action had been taken at any other stage of the 21519  
proceedings under this chapter. As used in this division, "another 21520  
type of action" includes the revocation of the conditional release 21521  
and the return of the offender to a state correctional institution 21522  
to continue to serve the prison term. 21523

If the court determines to finalize the termination of the 21524  
offender's prison term, it shall notify the department of 21525  
rehabilitation and correction, the department shall enter into its 21526  
records a final release and issue to the offender a certificate of 21527  
final release, and the prison term thereafter shall be considered 21528  
completed and terminated in every way. 21529

The termination of the offender's prison term pursuant to 21530  
division (D)(1) or (2) of this section does not affect the 21531  
classification of the offender, as described in division (F) of 21532  
section 2971.03 of the Revised Code, as a sexual predator for 21533  
purposes of Chapter 2950. of the Revised Code, and does not 21534  
terminate the adult parole authority's supervision of a sexually 21535  
violent predator with an active global positioning system device, 21536  
pursuant to division (E) of this section. The classification of 21537  
the offender as a sexual predator is permanent and continues until 21538  
the offender's death as described in division (D)(2) of section 21539  
2950.09 of the Revised Code. 21540

(E) The adult parole authority shall supervise an offender 21541  
whose prison term is modified as provided in division (C) of this 21542  
section or whose prison term is terminated as provided in division 21543  
(D) of this section with an active global positioning system 21544  
device during any time period in which the offender is not 21545  
incarcerated in a state correctional institution. Unless the court 21546

removes the offender's classification as a sexually violent 21547  
predator, an offender is subject to supervision with an active 21548  
global positioning system pursuant to this division for the 21549  
offender's entire life. The costs of administering the supervision 21550  
of sexually violent offenders with an active global positioning 21551  
system device shall be paid out of funds from the reparations 21552  
fund, created pursuant to section 2743.191 of the Revised Code. 21553  
This division shall only apply to a sexually violent predator who 21554  
is released from the custody of the department of rehabilitation 21555  
and correction on or after the effective date of this amendment. 21556

**Sec. 3107.10.** (A) Notwithstanding section 3107.01 of the 21557  
Revised Code, as used in this section, "agency" does not include a 21558  
public children services agency. 21559

(B) An agency or attorney, whichever arranges a minor's 21560  
adoption, shall file with the court a preliminary estimate 21561  
accounting not later than the time the adoption petition for the 21562  
minor is filed with the court. The agency or attorney, whichever 21563  
arranges the adoption, also shall file a final accounting with the 21564  
court before a final decree of adoption is issued or an 21565  
interlocutory order of adoption is finalized for the minor. The 21566  
agency or attorney shall complete and file accountings in a manner 21567  
acceptable to the court. 21568

An accounting shall specify all disbursements of anything of 21569  
value the petitioner, a person on the petitioner's behalf, and the 21570  
agency or attorney made and has agreed to make in connection with 21571  
the minor's permanent surrender under division (B) of section 21572  
5103.15 of the Revised Code, placement under section 5103.16 of 21573  
the Revised Code, and adoption under this chapter. The agency or 21574  
attorney shall include in an accounting an itemization of each 21575  
expense listed in division (C) of this section. The itemization of 21576  
the expenses specified in divisions (C)(3) and (4) of this section 21577

shall show the amount the agency or attorney charged or is going  
to charge for the services and the actual cost to the agency or  
attorney of providing the services. An accounting shall indicate  
whether any expenses listed in division (C) of this section do not  
apply to the adoption proceeding for which the accounting is  
filed.

The agency or attorney shall include with a preliminary  
estimate accounting and a final accounting a written statement  
signed by the petitioner that the petitioner has reviewed the  
accounting and attests to its accuracy.

(C) No petitioner, person acting on a petitioner's behalf, or  
agency or attorney shall make or agree to make any disbursements  
in connection with the minor's permanent surrender, placement, or  
adoption other than for the following:

(1) Physician expenses incurred on behalf of the birth mother  
or minor in connection with prenatal care, delivery, and  
confinement prior to or following the minor's birth;

(2) Hospital or other medical facility expenses incurred on  
behalf of the birth mother or minor in connection with the minor's  
birth;

(3) Expenses charged by the attorney arranging the adoption  
for providing legal services in connection with the placement and  
adoption, including expenses incurred by the attorney pursuant to  
sections 3107.031, 3107.081, 3107.082, 3107.09, and 3107.12 of the  
Revised Code;

(4) Expenses charged by the agency arranging the adoption for  
providing services in connection with the permanent surrender and  
adoption, including the agency's application fee and the expenses  
incurred by the agency pursuant to sections 3107.031, 3107.09,  
3107.12, 5103.151, and 5103.152 of the Revised Code;

(5) Temporary costs of routine maintenance and medical care 21608  
for a minor required under section 5103.16 of the Revised Code if 21609  
the person seeking to adopt the minor refuses to accept placement 21610  
of the minor; 21611

(6) Guardian ad litem fees incurred on behalf of the minor in 21612  
any court proceedings; 21613

(7) Foster care expenses incurred in connection with any 21614  
temporary care and maintenance of the minor; 21615

(8) Court expenses incurred in connection with the minor's 21616  
permanent surrender, placement, and adoption. 21617

(D) If a court determines from an accounting that an amount 21618  
that is going to be disbursed for an expense listed in division 21619  
(C) of this section is unreasonable, the court may order a 21620  
reduction in the amount to be disbursed. If a court determines 21621  
from an accounting that an unreasonable amount was disbursed for 21622  
an expense listed in division (C) of this section, the court may 21623  
order the person who received the disbursement to refund to the 21624  
person who made the disbursement an amount the court orders. 21625

If a court determines from an accounting that a disbursement 21626  
for an expense not permitted by division (C) of this section is 21627  
going to be made, the court may issue an injunction prohibiting 21628  
the disbursement. If a court determines from an accounting that a 21629  
disbursement for an expense not permitted by division (C) of this 21630  
section was made, the court may order the person who received the 21631  
disbursement to return it to the person who made the disbursement. 21632

If a court determines that a final accounting does not 21633  
completely report all the disbursements that are going to be made 21634  
or have been made in connection with the minor's permanent 21635  
surrender, placement, and adoption, the court shall order the 21636  
agency or attorney to file with the court an accounting that 21637  
completely reports all such disbursements. 21638

The agency or attorney shall file the final accounting with 21639  
the court not later than ten days prior to the date scheduled for 21640  
the final hearing on the adoption. The court may not issue a final 21641  
decree of adoption or finalize an interlocutory order of adoption 21642  
of a minor until at least ten days after the agency or attorney 21643  
files the final accounting. 21644

~~(E) At the conclusion of each adoption proceeding, the court 21645  
shall prepare a summary of the proceeding, and on or before the 21646  
tenth day of each month, send copies of the summaries for all 21647  
proceedings concluded during the preceding calendar month to the 21648  
department of job and family services. The summary shall contain:~~ 21649

~~(1) A notation of the nature and approximate value or amount 21650  
of anything paid in connection with the proceeding, compiled from 21651  
the final accounting required by division (B) of this section and 21652  
indicating the category of division (C) of this section to which 21653  
any payment relates;~~ 21654

~~(2) If the court has not issued a decree because of the 21655  
requirements of division (D) of this section, a notation of that 21656  
fact and a statement of the reason for refusing to issue the 21657  
decree, related to the financial data summarized under division 21658  
(E)(1) of this section;~~ 21659

~~(3) If the adoption was arranged by an attorney, a notation 21660  
of that fact. 21661~~

~~The summary shall contain no information identifying by name 21662  
any party to the proceeding or any other person, but may contain 21663  
additional narrative material that the court considers useful to 21664  
an analysis of the summary. 21665~~

~~(F) This section does not apply to an adoption by a 21666  
stepparent whose spouse is a biological or adoptive parent of the 21667  
minor. 21668~~

(B) An agreement does not bar an action under this section. 21679

(C) If an action under this section is brought before the 21680

and social studies. 21896

(A)(1) The state board shall prescribe all of the following: 21897

five ranges of scores on each of the achievement tests described 21917  
in divisions (A)(1) and (B) of this section. Each range of scores 21918  
shall be deemed to demonstrate a level of achievement so that any 21919  
student attaining a score within such range has achieved one of 21920  
the following: 21921

The state board may enter into a reciprocal agreement with 21938  
the appropriate body or agency of any other state that has similar 21939  
statewide achievement testing requirements for receiving high 21940  
school diplomas, under which any student who has met an 21941  
achievement testing requirement of one state is recognized as 21942

having met the similar achievement testing requirement of the  
other state for purposes of receiving a high school diploma. For  
purposes of this section and sections 3301.0711 and 3313.61 of the  
Revised Code, any student enrolled in any public high school in  
this state who has met an achievement testing requirement

(D) In prescribing test dates pursuant to division (C)(3) of this section, the state board shall, to the greatest extent practicable, provide options to school districts in the case of tests administered under that division to eleventh and twelfth grade students and in the case of tests administered to students pursuant to division (C)(2) of section 3301.0711 of the Revised Code. Such options shall include at least an opportunity for school districts to give such tests outside of regular school hours.

(E) In prescribing test dates pursuant to this section, the state board of education shall designate the dates in such a way as to allow a reasonable length of time between the administration of tests prescribed under this section and any administration of the National Assessment of Education Progress Test given to students in the same grade level pursuant to section 3301.27 of the Revised Code or federal law.

tests if the committee's recommendations are adopted by the state board. To the extent possible, these percentages shall be disaggregated by gender, major racial and ethnic groups, limited English proficient students, economically disadvantaged students, students with disabilities, and migrant students.

If the state board intends to make any change to the committee's recommendations, the state board shall explain the intended change to the Ohio accountability task force established by section 3302.021 of the Revised Code. The task force shall recommend whether the state board should proceed to adopt the intended change. Nothing in this division shall require the state board to designate test scores based upon the recommendations of the task force.

(2) For any test prescribed by this section, the state board may designate a date one week earlier than the applicable date designated under division (C) of this section for the administration of the test to limited English proficient students.

(3) In designating days for the administration of the tests prescribed by division (A) of this section, the state board shall require the tests for each grade level to be administered on consecutive days.

**Sec. 3301.0711.** (A) The department of education shall:

(1) Annually furnish to, grade, and score all tests required by section 3301.0710 of the Revised Code to be administered by

city, local, exempted village, and joint vocational school 22034

administered pursuant to division (B)(10) of this section. Each 22036  
test so furnished shall include the data verification code of the 22037  
student to whom the test will be administered, as assigned 22038  
pursuant to division (D)(2) of section 3301.0714 of the Revised 22039

grading tests, the department shall give preference to Ohio-based 22044  
entities employing Ohio residents. 22045

(2) Adopt rules for the ethical use of tests and prescribing 22046

(4) Administer the tests prescribed under division (A)(1)(c) 22066  
of section 3301.0710 of the Revised Code at least once annually to 22067

(8) Except as provided in division (B)(9) of this section, 22078  
administer any test prescribed under division (B) of section 22079  
3301.0710 of the Revised Code as follows: 22080

school diploma and who requests to take such test, at any time 22089  
such test is administered in the district. 22090

(9) In lieu of the board of education of any city, local, or 22091  
exempted village school district in which the student is also 22092  
enrolled, the board of a joint vocational school district shall 22093  
administer any test prescribed under division (B) of section 22094

3301.0710 of the Revised Code at least twice annually to any student enrolled in the joint vocational school district who has not yet attained the score on that test designated under that division. A board of a joint vocational school district may also administer such a test to any student described in division (B)(8)(b) of this section.

(10) If the district has been declared to be under an academic watch or in a state of academic emergency pursuant to section 3302.03 of the Revised Code or has a three-year average graduation rate of not more than seventy-five per cent, administer each test prescribed by division (F) of section 3301.0710 of the Revised Code in September to all ninth grade students, beginning in the school year that starts July 1, 2005.

(C)(1)(a) Any student receiving special education services under Chapter 3323. of the Revised Code may be excused from taking any particular test required to be administered under this section if the individualized education program developed for the student pursuant to section 3323.08 of the Revised Code excuses the student from taking that test and instead specifies an alternate assessment method approved by the department of education as conforming to requirements of federal law for receipt of federal funds for disadvantaged pupils. To the extent possible, the individualized education program shall not excuse the student from taking a test unless no reasonable accommodation can be made to enable the student to take the test.

(b) Any alternate assessment approved by the department for a student under this division shall produce measurable results comparable to those produced by the tests which the alternate assessments are replacing in order to allow for the student's assessment results to be included in the data compiled for a school district or building under section 3302.03 of the Revised Code.

(c) Any student enrolled in a chartered nonpublic school who 22127  
has been identified, based on an evaluation conducted in 22128

794, as amended, as a child with a disability shall be excused 22131  
from taking any particular test required to be administered under 22132  
this section if a plan developed for the student pursuant to rules 22133  
adopted by the state board excuses the student from taking that 22134  
test. In the case of any student so excused from taking a test, 22135  
the chartered nonpublic school shall not prohibit the student from 22136  
taking the test. 22137

(2) A district board may, for medical reasons or other good 22138  
cause, excuse a student from taking a test administered under this 22139  
section on the date scheduled, but any such test shall be 22140  
administered to such excused student not later than nine days 22141  
following the scheduled date. The board shall annually report the 22142  
number of students who have not taken one or more of the tests 22143  
required by this section to the state board of education not later 22144  
than the thirtieth day of June. 22145

(3) As used in this division, "limited English proficient 22146  
student" has the same meaning as in 20 U.S.C. 7801. 22147

No school district board shall excuse any limited English 22148  
proficient student from taking any particular test required to be 22149  
administered under this section, except that any limited English 22150  
proficient student who has been enrolled in United States schools 22151  
for less than one full school year shall not be required to take 22152  
any such reading or writing test. However, no board shall prohibit 22153  
a limited English proficient student who is not required to take a 22154  
test under this division from taking the test. A board may permit 22155  
any limited English proficient student to take any test required 22156  
to be administered under this section with appropriate 22157  
accommodations, as determined by the department. For each limited 22158

English proficient student, each school district shall annually  
assess that student's progress in learning English, in accordance  
with procedures approved by the department.

The governing authority of a chartered nonpublic school may  
excuse a limited English proficient student from taking any test  
administered under this section. However, no governing authority  
shall prohibit a limited English proficient student from taking  
the test.

(D)(1) In the school year next succeeding the school year in  
which the tests prescribed by division (A)(1) or (B) of section  
3301.0710 of the Revised Code or former division (A)(1), (A)(2),  
or (B) of section 3301.0710 of the Revised Code as it existed

the test.

(2) Following any administration of the tests prescribed by  
division (F) of section 3301.0710 of the Revised Code to ninth  
grade students, each school district that has a three-year average  
graduation rate of not more than seventy-five per cent shall  
determine for each high school in the district whether the school  
shall be required to provide intervention services to any students  
who took the tests. In determining which high schools shall  
provide intervention services based on the resources available,  
the district shall consider each school's graduation rate and  
scores on the practice tests. The district also shall consider the  
scores received by ninth grade students on the reading and  
mathematics tests prescribed under division (A)(1)(f) of section

3301.0710 of the Revised Code in the eighth grade in determining 22191  
which high schools shall provide intervention services. 22192

Each high school selected to provide intervention services 22193  
under this division shall provide intervention services to any 22194  
student whose test results indicate that the student is failing to 22195  
make satisfactory progress toward being able to attain scores at 22196  
the proficient level on the Ohio graduation tests. Intervention 22197  
services shall be provided in any skill in which a student 22198  
demonstrates unsatisfactory progress and shall be commensurate 22199  
with the student's test performance. Schools shall provide the 22200  
intervention services prior to the end of the school year, during 22201  
the summer following the ninth grade, in the next succeeding 22202  
school year, or at any combination of those times. 22203

(E) Except as provided in section 3313.608 of the Revised 22204  
Code and division (M) of this section, no school district board of 22205  
education shall utilize any student's failure to attain a 22206  
specified score on any test administered under this section as a 22207  
factor in any decision to deny the student promotion to a higher 22208  
grade level. However, a district board may choose not to promote 22209  
to the next grade level any student who does not take any test 22210  
administered under this section or make up such test as provided 22211  
by division (C)(2) of this section and who is not exempt from the 22212  
requirement to take the test under division (C)(3) of this 22213  
section. 22214

(F) No person shall be charged a fee for taking any test 22215  
administered under this section. 22216

(G) ~~Not later than sixty days after any administration of any~~ 22217

of this section to the entity with which the department contracts 22222  
for the scoring of the tests not later than the Friday after the 22223  
tests are administered, except that any such test that a student 22224  
takes during the make-up period described in division (C)(2) of 22225  
this section shall be submitted not later than the Friday 22226  
following the day the student takes the test. 22227

(2) The department or an entity with which the department 22228  
contracts for the scoring of the test shall send to each school 22229  
district board a list of the individual test scores of all persons 22230  
taking ~~the~~ any test prescribed by division (A)(1) or (B) of 22231  
section 3301.0710 of the Revised Code within sixty days after its 22232  
administration, but in no case shall the scores be returned later 22233  
than the fifteenth day of June following the administration. For 22234  
any tests administered under this section by a joint vocational 22235  
school district, the department or entity shall also send to each 22236  
city, local, or exempted village school district a list of the 22237  
individual test scores of any students of such city, local, or 22238  
exempted village school district who are attending school in the 22239  
joint vocational school district. 22240

(H) Individual test scores on any tests administered under 22241  
this section shall be released by a district board only in 22242  
accordance with section 3319.321 of the Revised Code and the rules 22243  
adopted under division (A) of this section. No district board or 22244  
its employees shall utilize individual or aggregate test results 22245  
in any manner that conflicts with rules for the ethical use of 22246  
tests adopted pursuant to division (A) of this section. 22247

(I) Except as provided in division (G) of this section, the 22248  
department or an entity with which the department contracts for 22249  
the scoring of the test shall not release any individual test 22250  
scores on any test administered under this section ~~and~~. The state 22251  
board of education shall adopt rules to ensure the protection of 22252  
student confidentiality at all times. The rules may require the 22253

use of the data verification codes assigned to students pursuant 22254  
to division (D)(2) of section 3301.0714 of the Revised Code to 22255  
protect the confidentiality of student test scores. 22256

(J) Notwithstanding division (D) of section 3311.52 of the 22257  
Revised Code, this section does not apply to the board of 22258  
education of any cooperative education school district except as 22259  
provided under rules adopted pursuant to this division. 22260

(1) In accordance with rules that the state board of 22261  
education shall adopt, the board of education of any city, 22262  
exempted village, or local school district with territory in a 22263  
cooperative education school district established pursuant to 22264  
divisions (A) to (C) of section 3311.52 of the Revised Code may 22265  
enter into an agreement with the board of education of the 22266  
cooperative education school district for administering any test 22267  
prescribed under this section to students of the city, exempted 22268  
village, or local school district who are attending school in the 22269  
cooperative education school district. 22270

(2) In accordance with rules that the state board of 22271  
education shall adopt, the board of education of any city, 22272  
exempted village, or local school district with territory in a 22273  
cooperative education school district established pursuant to 22274  
section 3311.521 of the Revised Code shall enter into an agreement 22275  
with the cooperative district that provides for the administration 22276  
of any test prescribed under this section to both of the 22277  
following: 22278

(a) Students who are attending school in the cooperative 22279  
district and who, if the cooperative district were not 22280

(7) The department shall include on each report card the percentage of teachers in the district or building who are highly qualified, as defined by the "No Child Left Behind Act of 2001," and a comparison of that percentage with the percentages of such teachers in similar districts and buildings.

(8) The department shall include on the report card the number of master teachers employed by each district and each building once the data is available from the education management information system established under section 3301.0714 of the Revised Code.

(D)(1) In calculating reading, writing, mathematics, social studies, or science proficiency or achievement test passage rates used to determine school district or building performance under this section, the department shall include all students taking a test with accommodation or to whom an alternate assessment is administered pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code.

(2) In calculating performance index scores, rates of achievement on the performance indicators established by the state board under section 3302.02 of the Revised Code, and adequate yearly progress for school districts and buildings under this section, the department shall do all of the following:

(a) Include for each district or building only those students who are included in the ADM certified for the first full school week of October and are continuously enrolled in the district or building through the time of the spring administration of any test prescribed by section 3301.0710 of the Revised Code that is administered to the student's grade level;

(b) Include cumulative totals from both the fall and spring administrations of the third grade reading achievement test;

(c) Except as required by the "No Child Left Behind Act of

2001" for the calculation of adequate yearly progress, exclude for 23488  
each district or building any limited English proficient student 23489  
who has been enrolled in United States schools for less than one 23490  
full school year. 23491

Sec. 3302.10. (A) Beginning July 1, 2007, the superintendent 23492  
of public instruction shall establish an academic distress 23493  
commission for each school district that has been declared to be 23494  
in a state of academic emergency pursuant to section 3302.03 of 23495  
the Revised Code and has failed to make adequate yearly progress 23496  
for four or more consecutive school years. Each commission shall 23497  
assist the district for which it was established in improving the 23498  
district's academic performance. 23499

(B) Each academic distress commission shall consist of five 23500  
voting members, three of whom shall be appointed by the 23501  
superintendent of public instruction and two of whom shall be 23502  
appointed by the president of the board of education of the 23503  
applicable school district. 23504

(C) Each academic distress commission shall seek input from 23505  
the district board of education regarding ways to improve the 23506  
district's academic performance, but any decision of the 23507  
commission related to any authority granted to the commission 23508  
under this section shall be final. 23509

The commission may do any of the following: 23510

(1) Appoint school building administrators and reassign 23511  
administrative personnel; 23512

(2) Terminate the contracts of administrators or 23513  
administrative personnel. The commission shall not be required to 23514  
comply with section 3319.16 of the Revised Code with respect to 23515  
any contract terminated under this division. 23516

(3) Contract with a private entity to perform school or 23517

district management functions; 23518

(4) Establish a budget for the district and approve district 23519  
expenditures, unless a financial planning and supervision 23520  
commission has been established for the district pursuant to 23521  
section 3316.05 of the Revised Code. 23522

(D) If the board of education of a district for which an 23523  
academic distress commission has been established under this 23524  
section renews any collective bargaining agreement under Chapter 23525  
4117. of the Revised Code during the existence of the commission, 23526  
the district board shall not enter into any agreement that would 23527  
render any decision of the commission unenforceable. Section 23528  
3302.08 of the Revised Code does not apply to this division. 23529

Notwithstanding any provision to the contrary in Chapter 23530  
4117. of the Revised Code, if the board of education has entered 23531  
into a collective bargaining agreement after the effective date of 23532  
this section that contains stipulations relinquishing one or more 23533  
of the rights or responsibilities listed in division (C) of 23534  
section 4117.08 of the Revised Code, those stipulations are not 23535  
enforceable and the district board shall resume holding those 23536  
rights or responsibilities as if it had not relinquished them in 23537  
that agreement until such time as both the academic distress 23538  
commission ceases to exist and the district board agrees to 23539  
relinquish those rights or responsibilities in a new collective 23540  
bargaining agreement. The provisions of this paragraph apply to a 23541  
collective bargaining agreement entered into after the effective 23542  
date of this section and those provisions are deemed to be part of 23543  
that agreement regardless of whether the district satisfied the 23544  
conditions prescribed in division (A) of this section at the time 23545  
the district entered into that agreement. 23546

(E) An academic distress commission shall cease to exist when 23547  
the district for which it was established receives a performance 23548

rating under section 3302.03 of the Revised Code of in need of 23549  
continuous improvement or better for two out of three school 23550  
years; however, the superintendent of public instruction may 23551  
dissolve the commission earlier if the superintendent determines 23552  
that the district can perform adequately without the supervision 23553  
of the commission. 23554

Sec. 3310.01. As used in sections 3310.01 to 3310.17 of the 23555  
Revised Code: 23556

(A) An "eligible student" is a student who satisfies the 23557  
conditions specified in section 3310.03 of the Revised Code. 23558

(B) "Parent" has the same meaning as in section 3313.98 of 23559  
the Revised Code. 23560

(C) "Resident district" means the school district in which a 23561  
student is entitled to attend school under section 3313.64 or 23562  
3313.65 of the Revised Code. 23563

(D) "School year" has the same meaning as in section 3313.62 23564  
of the Revised Code. 23565

Sec. 3310.02. The educational choice scholarship pilot 23566  
program is hereby established. Under the program, the department 23567  
of education annually shall pay scholarships to attend chartered 23568  
nonpublic schools in accordance with section 3310.08 of the 23569  
Revised Code for up to the number of eligible students prescribed 23570  
by the general assembly. If the number of students who apply for a 23571  
scholarship exceeds the number prescribed by the general assembly, 23572  
the department first shall award scholarships to eligible students 23573  
who received scholarships in the prior school year, and then shall 23574  
give priority to eligible students with family incomes at or below 23575  
two hundred per cent of the federal poverty guidelines, as defined 23576  
in section 5101.46 of the Revised Code. After awarding 23577  
scholarships to previous recipients and to low-income eligible 23578

students, the department shall select students by lot to receive 23579  
any remaining scholarships. 23580

Sec. 3310.03. (A) A student is an "eligible student" for 23581  
purposes of the educational choice scholarship pilot program if 23582  
the student satisfies both of the following conditions: 23583

(1) The student either: 23584

(a) Is enrolled in a school building that is operated by the 23585  
student's resident district and that the department of education 23586  
declared, in the most recent rating of school buildings published 23587  
prior to the first day of July of the school year for which a 23588  
scholarship is sought and in the two preceding school years, to be 23589  
in a state of academic emergency under section 3302.03 of the 23590  
Revised Code; 23591

(b) Is eligible to enroll in kindergarten in the school year 23592  
for which a scholarship is sought and otherwise would be assigned 23593  
under section 3319.01 of the Revised Code to a school building 23594  
described in division (A)(1)(a) of this section; 23595

(c) Is enrolled in a community school established under 23596  
Chapter 3314. of the Revised Code but otherwise would be assigned 23597  
under section 3319.01 of the Revised Code to a building described 23598  
in division (A)(1)(a) of this section. 23599

(2) The student's resident district is not a school district 23600  
in which the pilot project scholarship program is operating under 23601  
sections 3313.974 to 3313.979 of the Revised Code. 23602

(B) A student who receives a scholarship under the 23603  
educational choice scholarship pilot program remains an eligible 23604  
student and may continue to receive scholarships in subsequent 23605  
school years until the student completes grade twelve, so long as 23606  
both of the following apply: 23607

(1) The student takes each state test prescribed for the student's grade level under section 3301.0710 or 3301.0712 of the Revised Code while enrolled in a chartered nonpublic school; 23608  
23609  
23610

(2) In each school year that the student is enrolled in a chartered nonpublic school, the student is absent from school for not more than twenty days that the school is open for instruction, not including absences due to illness or injury confirmed in writing by a physician. 23611  
23612  
23613  
23614  
23615

(C) The superintendent shall cease awarding first-time scholarships with respect to a school building that, in the most recent ratings of school buildings published under section 3302.03 of the Revised Code prior to the first day of July of the school year, ceases to be in a state of academic emergency. However, students who have received scholarships in the prior school year remain eligible students pursuant to division (B) of this section. 23616

**Sec. 3310.04.** Any eligible student who is enrolled in a chartered nonpublic school and for whom a scholarship under the educational choice scholarship pilot program has been awarded shall be entitled to transportation to and from the chartered nonpublic school by the student's resident district in the manner prescribed in section 3327.01 of the Revised Code. 23623  
23624  
23625  
23626  
23627  
23628

**Sec. 3310.05.** A scholarship under the educational choice scholarship pilot program is not available for any student whose resident district is a school district in which the pilot project scholarship program is operating under sections 3313.974 to 3313.979 of the Revised Code. The two pilot programs are separate and distinct. The general assembly has prescribed separate scholarship amounts for the two pilot programs in recognition of their differing eligibility criteria. The pilot project scholarship program operating under sections 3313.974 to 3313.979 23629

of the Revised Code is a district-wide program that may award 23638  
scholarships to students who do not attend district schools that 23639  
face academic challenges, whereas the educational choice 23640  
scholarship pilot program established under sections 3310.01 to 23641  
3310.17 of the Revised Code is limited to students of individual 23642  
district school buildings that face academic challenges. 23643

Sec. 3310.06. It is the policy adopted by the general 23644  
assembly that the educational choice scholarship pilot program 23645  
shall be construed as one of several educational options available 23646  
for students enrolled in academic emergency school buildings. 23647  
Students may be enrolled in the schools of the student's resident 23648  
district, in a community school established under Chapter 3314. of 23649  
the Revised Code, in the schools of another school district 23650  
pursuant to an open enrollment policy adopted under section 23651  
3313.98 of the Revised Code, in a chartered nonpublic school with 23652  
or without a scholarship under the educational choice scholarship 23653  
pilot program, or in other schools as the law may provide. 23654

Sec. 3310.07. Any parent, or any student who is at least 23655  
eighteen years of age, who is seeking a scholarship under the 23656  
educational choice scholarship pilot program shall notify the 23657  
department of education of the student's and parent's names and 23658  
address, the chartered nonpublic school in which the student has 23659  
been accepted for enrollment, and the tuition charged by the 23660  
school. 23661

Sec. 3310.08. (A) The amount paid for an eligible student 23662  
under the educational choice scholarship pilot program shall be 23663  
the lesser of the tuition of the chartered nonpublic school in 23664  
which the student is enrolled or the maximum amount prescribed in 23665  
section 3310.09 of the Revised Code. 23666

(B)(1) The department shall pay to the parent of each eligible student for whom a scholarship is awarded under the program, or to the student if at least eighteen years of age, periodic partial payments of the scholarship. 23667  
23668  
23669  
23670

(2) The department shall proportionately reduce or terminate the payments for any student who withdraws from a chartered nonpublic school prior to the end of the school year. 23671  
23672  
23673

(C)(1) The department shall deduct from the payments made to each school district under Chapter 3317. and, if necessary, sections 321.24 and 323.156 of the Revised Code the amount of five thousand two hundred dollars for each eligible student awarded a scholarship under the educational choice scholarship pilot program who is entitled under section 3313.64 or 3313.65 of the Revised Code to attend school in the district. The amount deducted under this division funds scholarships for students under both the educational choice scholarship pilot program and the pilot project scholarship program under sections 3313.974 to 3313.979 of the Revised Code. 23674  
23675  
23676  
23677  
23678  
23679  
23680  
23681  
23682  
23683  
23684

(2) If the department reduces or terminates payments to a parent or a student, as prescribed in division (B)(2) of this section, and the student re-enrolls in the schools of the student's resident district before the end of the school year, the department shall proportionally restore to the resident district the amount deducted for that student under division (C)(1) of this section. 23685  
23686  
23687  
23688  
23689  
23690  
23691

(D) In the case of any school district from which a deduction is made under division (C) of this section, the department shall disclose on the district's SF-3 form, or any successor to that form used to calculate a district's state funding for operating expenses, a comparison of the following: 23692  
23693  
23694  
23695  
23696

(1) The district's state base-cost payment, as calculated 23697

under division (A)(1) of section 3317.022 of the Revised Code 23698  
prior to making the adjustments under divisions (A)(2) and (3) of 23699  
that section, with the scholarship students included in the 23700  
district's formula ADM; 23701

(2) What the district's state base-cost payment would have 23702  
been, as calculated under division (A)(1) of that section prior to 23703  
making the adjustments under divisions (A)(2) and (3) of that 23704  
section, if the scholarship students were not included in the 23705  
district's formula ADM. 23706

This comparison shall display both the aggregate difference 23707  
between the amounts described in divisions (D)(1) and (2) of this 23708  
section, and the quotient of that aggregate difference divided by 23709  
the number of eligible students for whom deductions are made under 23710  
division (C) of this section. 23711

**Sec. 3310.09.** (A) The maximum amount awarded to an eligible 23712  
student in fiscal year 2007 under the educational choice 23713  
scholarship pilot program shall be as follows: 23714

(1) For grades kindergarten through eight, four thousand two 23715  
hundred fifty dollars; 23716  
23717

(2) For grades nine through twelve, five thousand dollars. 23718

(B) In fiscal year 2008 and in each fiscal year thereafter, 23719  
the maximum amount awarded under the program shall be the 23720  
applicable maximum amount awarded in the previous fiscal year 23721  
increased by the same percentage by which the general assembly 23722  
increased the formula amount, as defined in section 3317.02 of the 23723  
Revised Code, from the previous fiscal year. 23724

**Sec. 3310.10.** A scholarship awarded under section 3310.08 of 23725  
the Revised Code may be used only to pay tuition to any chartered 23726

nonpublic school.

23727

Sec. 3310.13. (A) No chartered nonpublic school shall charge any student whose family income is at or below two hundred per cent of the federal poverty guidelines, as defined in section 5101.46 of the Revised Code, a tuition fee that is greater than the total amount paid for that student under section 3310.08 of the Revised Code.

23731

23732

23733

(B) A chartered nonpublic school may charge any other student who is paid a scholarship under that section the difference between the amount of the scholarship and the regular tuition charge of the school. Each chartered nonpublic school shall permit such an eligible student's family, at the family's option, to provide volunteer services in lieu of cash payment to pay all or part of the amount of the school's tuition not covered by the scholarship paid under section 3310.08 of the Revised Code.

Sec. 3310.14. Notwithstanding division (K) of section 3301.0711 of the Revised Code, each chartered nonpublic school that enrolls students awarded scholarships under sections 3310.01 to 3310.17 of the Revised Code annually shall administer the tests prescribed by section 3301.0710 or 3301.0712 of the Revised Code to each scholarship student in accordance with section 3301.0711 of the Revised Code. Each chartered nonpublic school shall report to the department of education the results of each test administered to each scholarship student under this section.

Sec. 3310.16. (A) The state board of education shall adopt 23757  
rules in accordance with Chapter 119. of the Revised Code 23758  
prescribing procedures for the administration of the educational 23759  
choice scholarship pilot program. 23760

(B) The state board and the department of education shall not 23761  
require chartered nonpublic schools to comply with any education 23762  
laws or rules or other requirements that are not specified in 23763  
sections 3310.01 to 3310.17 of the Revised Code and that otherwise 23764  
would not apply to a chartered nonpublic school. 23765

Sec. 3310.17. The general assembly shall prescribe the number 23766  
of students that may be selected each fiscal year for scholarships 23767  
under the educational choice scholarship pilot program. 23768

Sec. 3311.059. The procedure prescribed in this section may 23769  
be used in lieu of a transfer prescribed under section 3311.231 of 23770  
the Revised Code. 23771

(A) Subject to divisions (B) and (C) of this section, a board 23772  
of education of a local school district may by a resolution 23773  
approved by a majority of all its members propose to sever that 23774  
local school district from the territory of the educational 23775  
service center in which the local school district is currently 23776  
included and to instead annex the local school district to the 23777  
territory of another educational service center, the current 23778  
territory of which is adjacent to the territory of the educational 23779  
service center in which the local school district is currently 23780  
included. The resolution shall promptly be filed with the 23781  
governing board of each educational service center affected by the 23782  
resolution and with the superintendent of public instruction. 23783

~~(B) The resolution adopted under division (A) of this section~~ 23784  
~~shall not be effective unless it is approved by the state board of~~ 23785

~~education. In deciding whether to approve the resolution, the~~ 23786  
~~state board shall consider the impact of an annexation on both the~~ 23787  
~~school district and the educational service center to which the~~ 23788  
~~district is proposed to be annexed, including the ability of that~~ 23789  
~~service center to deliver services in a cost effective and~~ 23790  
~~efficient manner.~~ The severance of the local school district from 23791  
one educational service center and its annexation to another 23792  
educational service center under this section shall not be 23793  
effective until one year after the first day of July following the 23794  
later of the date that the ~~state board of education approves the~~ 23795  
resolution is filed pursuant to division (A) of this section or 23796  
the date the board of elections certifies the results of the 23797  
referendum election as provided in division (C) of this section. 23798

(C) Within sixty days following the date of the adoption of 23799  
the resolution under division (A) of this section, the electors of 23800  
the local school district may petition for a referendum vote on 23801  
the resolution. The question whether to approve or disapprove the 23802  
resolution shall be submitted to the electors of such school 23803  
district if a number of qualified electors equal to twenty per 23804  
cent of the number of electors in the school district who voted 23805  
for the office of governor at the most recent general election for 23806  
that office sign a petition asking that the question of whether 23807  
the resolution shall be disapproved be submitted to the electors. 23808  
The petition shall be filed with the board of elections of the 23809  
county in which the school district is located. If the school 23810  
district is located in more than one county, the petition shall be 23811  
filed with the board of elections of the county in which the 23812  
majority of the territory of the school district is located. The 23813  
board shall certify the validity and sufficiency of the signatures 23814  
on the petition. 23815

The board of elections shall immediately notify the board of 23816  
education of the local school district and the governing board of 23817

each educational service center affected by the resolution that 23818  
the petition has been filed. 23819

The effect of the resolution shall be stayed until the board 23820  
of elections certifies the validity and sufficiency of the 23821  
signatures on the petition. If the board of elections determines 23822  
that the petition does not contain a sufficient number of valid 23823  
signatures and sixty days have passed since the adoption of the 23824  
resolution, the resolution shall become effective as provided in 23825  
division (B) of this section. 23826

If the board of elections certifies that the petition 23827  
contains a sufficient number of valid signatures, the board shall 23828  
submit the question to the qualified electors of the school 23829  
district on the day of the next general or primary election held 23830  
at least seventy-five days after the board of elections certifies 23831  
the validity and sufficiency of signatures on the petition. The 23832  
election shall be conducted and canvassed and the results shall be 23833  
certified in the same manner as in regular elections for the 23834  
election of members of a board of education. 23835

If a majority of the electors voting on the question 23836  
disapprove the resolution, the resolution shall not become 23837  
effective. If a majority of the electors voting on the question 23838  
approve the resolution, the resolution shall become effective as 23839  
provided in division (B) of this section. 23840

(D) Upon the effective date of the severance of the local 23841  
school district from one educational service center and its 23842  
annexation to another educational service center as provided in 23843  
division (B) of this section, the governing board of each 23844  
educational service center shall take such steps for the election 23845  
of members of the governing board and for organization of the 23846

shall examine each ~~spending plan and appropriations measure~~ 23945

financially unable to operate its instructional program on all 23950  
days set forth in its adopted school calendars and pay all 23951  
obligated expenses during the current fiscal year. If a board of 23952  
education has not adopted a school calendar for the school year 23953  
beginning on the first day of July of the current fiscal year at 23954  
the time an examination is required under this division, the 23955

may be financially unable to pay all obligated expenses and 23958  
operate its instructional program for the number of days on which 23959  
instruction was held in the preceding fiscal year. 23960

(B) If the superintendent of public instruction determines 23961  
pursuant to division (A) of this section that a school district 23962

during the current fiscal year, the superintendent shall provide 23965  
written notification of such determination to the president of the 23966

(A) Any school to which this section applies shall withdraw 23976  
from the school any student who, for two consecutive school years, 23977  
has failed to participate in the spring administration of any test 23978

Code for the student's grade level and was not excused from the 23980  
test pursuant to division (C)(1) or (3) of section 3301.0711 of 23981  
the Revised Code. The school shall report the name of any such 23982

Code. 23985

**Sec. 3313.975.** As used in this section and in sections 23989  
3313.975 to 3313.979 of the Revised Code, "the pilot project 23990  
school district" or "the district" means any school district 23991  
included in the pilot project scholarship program pursuant to this 23992  
section. 23993

(A) The superintendent of public instruction shall establish 23994  
a pilot project scholarship program and shall include in such 23995  
program any school districts that are or have ever been under 23996

management of the district by the state superintendent. The 23998

program shall provide for a number of students residing in any  
such district to receive scholarships to attend alternative  
schools, and for an equal number of students to receive tutorial  
assistance grants while attending public school in any such  
district.

(B) The state superintendent shall establish an application  
process and deadline for accepting applications from students  
residing in the district to participate in the scholarship  
program. In the initial year of the program students may only use  
a scholarship to attend school in grades kindergarten through  
third.

The state superintendent shall award as many scholarships and  
tutorial assistance grants as can be funded given the amount  
appropriated for the program. In no case, however, shall more than  
fifty per cent of all scholarships awarded be used by students who  
were enrolled in a nonpublic school during the school year of  
application for a scholarship.

(C)(1) The pilot project program shall continue in effect  
each year that the general assembly has appropriated sufficient  
money to fund scholarships and tutorial assistance grants. In each  
year the program continues, no new students may receive  
scholarships unless they are enrolled in grade grades  
kindergarten, ~~one, two, or three~~ to eight. However, any student  
who has received a scholarship the preceding year may continue to  
receive one until the student has completed grade ~~eight~~ ten.  
Beginning in the ~~2003-2004~~ 2005-2006 academic year, a student who  
previously has received a scholarship may receive a scholarship in  
grade ~~nine~~ eleven. Beginning in the ~~2004-2005~~ 2006-2007 academic  
year, a student who previously has received a scholarship may  
receive a scholarship in grade ~~ten~~ twelve.

(2) If the general assembly discontinues the scholarship

program, all students who are attending an alternative school 24030  
under the pilot project shall be entitled to continued admittance 24031  
to that specific school through all grades ~~up to the tenth grade~~ 24032  
that are provided in such school, under the same conditions as 24033  
when they were participating in the pilot project. The state 24034  
superintendent shall continue to make scholarship payments in 24035  
accordance with division (A) or (B) of section 3313.979 of the 24036  
Revised Code for students who remain enrolled in an alternative 24037  
school under this provision in any year that funds have been 24038  
appropriated for this purpose. 24039

If funds are not appropriated, the tuition charged to the 24040  
parents of a student who remains enrolled in an alternative school 24041  
under this provision shall not be increased beyond the amount 24042  
equal to the amount of the scholarship plus any additional amount 24043  
charged that student's parent in the most recent year of 24044  
attendance as a participant in the pilot project, except that 24045  
tuition for all the students enrolled in such school may be 24046  
increased by the same percentage. 24047

(D) Notwithstanding sections 124.39, 3307.54, and 3319.17 of 24048  
the Revised Code, if the pilot project school district experiences 24049  
a decrease in enrollment due to participation in a state-sponsored 24050  
scholarship program pursuant to sections 3313.974 to 3313.979 of 24051  
the Revised Code, the district board of education may enter into 24052  
an agreement with any teacher it employs to provide to that 24053  
teacher severance pay or early retirement incentives, or both, if 24054  
the teacher agrees to terminate the employment contract with the 24055  
district board, provided any collective bargaining agreement in 24056  
force pursuant to Chapter 4117. of the Revised Code does not 24057  
prohibit such an agreement for termination of a teacher's 24058  
employment contract. 24059

**Sec. 3313.976.** (A) No private school may receive scholarship 24060

of the Revised Code, in excess of ten per cent of the scholarship 24092  
amount established pursuant to division (C)(1) of section 3313.978 24093  
of the Revised Code, excluding any increase described in division 24094  
(C)(2) of that section. The school shall permit any such tuition, 24095  
at the discretion of the parent, to be satisfied by the low-income 24096  
family's provision of in-kind contributions or services. 24097

(9) For students in grades kindergarten through eight, the 24098  
school agrees not to charge any tuition to low-income families 24099  
receiving a seventy-five per cent scholarship amount through the 24100  
scholarship program, pursuant to division (A) of section 3313.978 24101  
of the Revised Code, in excess of the difference between the 24102  
actual tuition charge of the school and seventy-five per cent of 24103  
the scholarship amount established pursuant to division (C)(1) of 24104  
section 3313.978 of the Revised Code, excluding any increase 24105  
described in division (C)(2) of that section. The school shall 24106  
permit such tuition, at the discretion of the parent, to be 24107  
satisfied by the low-income family's provision of in-kind 24108  
contributions or services. 24109

(10) The school agrees not to charge any tuition to families 24110  
of students in grades nine ~~and ten~~ through twelve receiving a 24111  
scholarship in excess of the actual tuition charge of the school 24112  
less seventy-five or ninety per cent of the scholarship amount 24113  
established pursuant to division (C)(1) of section 3313.978 of the 24114  
Revised Code, as applicable, excluding any increase described in 24115  
division (C)(2) of that section. 24116

(B) The state superintendent shall revoke the registration of 24117  
any school if, after a hearing, the superintendent determines that 24118  
the school is in violation of any of the provisions of division 24119  
(A) of this section. 24120

(C) Any public school located in a school district adjacent 24121

to the pilot project district may receive scholarship payments on 24122  
behalf of parents pursuant to section 3313.979 of the Revised Code 24123  
if the superintendent of the district in which such public school 24124  
is located notifies the state superintendent prior to the first 24125

any person or governmental entity pursuant to the pilot project 24130  
program under sections 3313.974 to 3313.979 of the Revised Code 24131

where otherwise prohibited by federal law, a registered private 24164  
school may elect to admit students of only one gender and may deny 24165  
admission to any separately educated handicapped student. 24166

(C) If a scholarship student who has been accepted in 24167  
accordance with this section fails to enroll in the school for any 24168

prior to the deadline, which criteria shall give preference to 24186  
students from low-income families. For each student selected, the 24187  
state superintendent shall also determine whether the student 24188  
qualifies for seventy-five or ninety per cent of the scholarship 24189

part of any of the schools under its control, upon request of a 24484  
proposing person or group and provided the person or group meets 24485  
the requirements of this chapter, to become a community school. 24486

(2) Any person or group of individuals may propose the 24487

Ohio Constitution, this chapter, other statutes applicable to 24504  
community schools, and the contract entered into under this 24505  
chapter establishing the school. 24506

After July 1, 2005, and until July 1, 2007, the number of 24525  
contracts to which this division applies in effect at any time 24526  
under this chapter shall be not more than twenty-five plus the 24527  
number of such contracts in effect on the effective date of this 24528  
amendment with schools that were open for operation as of May 1, 24529  
2005. However, up to five start-up schools the education program 24530  
of which, as specified under division (A)(2) of section 3314.03 of 24531  
the Revised Code, serves dropouts and students at risk of dropping 24532  
out of school shall not count toward the limit established by this 24533  
division. 24534

(5) This division applies only to contracts between a 24535  
start-up school and the board of education of the school district 24536  
in which the school is or is proposed to be located. 24537

Until July 1, 2007, the number of contracts to which this 24538  
division applies in effect at any time under this chapter shall be 24539  
not more than twenty-five plus the number of such contracts in 24540  
effect on the effective date of this amendment with schools that 24541

serves dropouts and students at risk of dropping out of school 24545  
shall not count toward the limit established by this division. 24546

(6) No entity described in division (C)(1) of section 3314.02 24547

of the Revised Code shall enter into a contract with an internet- 24548  
or computer-based community school between May 1, 2005, and one 24549

follows: 24551

(a) Any entity described in division (C)(1) of that section 24552  
may renew a contract that the entity entered into with an 24553  
internet- or computer-based community school prior to the 24554  
effective date of this amendment. 24555

(b) Any entity described in divisions (C)(1)(a) to (e) of 24556

computer-based community school that was formerly sponsored by 24558  
another entity and may enter into a contract with that community 24559  
school in accordance with section 3314.03 of the Revised Code. 24560

section may assume sponsorship of an existing internet- or 24562  
computer-based community school in accordance with division (A)(7) 24563  
of this section and may enter into a contract with that community 24564  
school in accordance with section 3314.03 of the Revised Code. 24565

(C)(1)(f) of section 3314.02 of the Revised Code may sponsor only 24567  
a community school that formerly was sponsored by the state board 24568  
of education under division (C)(1)(d) of that section, as it 24569  
existed prior to April 8, 2003. After July 1, 2005, any such 24570  
entity may assume sponsorship of any existing community school, 24571  
and may sponsor any new community school that is not an internet- 24572  
or computer-based community school. Beginning one year after the 24573  
effective date of this amendment, any such entity may sponsor a 24574  
new internet- or computer-based community school. 24575

community school from increasing the number of grade levels it 24577  
offers. 24578

(B) Within twenty-four hours of a request by any person, the superintendent of public instruction shall indicate the number of preliminary agreements for start-up schools currently outstanding and the number of contracts for these schools in effect at the time of the request.

(C) It is the intent of the general assembly to consider whether to provide limitations on the number of start-up community schools after July 1, 2001, following its examination of the results of the studies by the legislative office of education oversight required under Section 50.39 of Am. Sub. H.B. No. 215 of the 122nd general assembly and Section 50.52.2 of Am. Sub. H.B. No. 215 of the 122nd general assembly, as amended by Am. Sub. H.B. No. 770 of the 122nd general assembly.

**Sec. 3314.015.** (A) The department of education shall be responsible for the oversight of sponsors of the community schools established under this chapter and shall provide technical assistance to schools and sponsors in their compliance with applicable laws and the terms of the contracts entered into under section 3314.03 of the Revised Code and in the development and start-up activities of those schools. legal compliance and of the financial condition of all community 24611  
schools established under this chapter; 24612

(4) From time to time, make legislative recommendations to 24613  
the general assembly designed to enhance the operation and 24614  
performance of community schools. 24615

(B)(1) No entity listed in division (C)(1) of section 3314.02 24616  
of the Revised Code shall enter into a preliminary agreement under 24617  
division (C)(2) of section 3314.02 of the Revised Code until it 24618  
has received approval from the department of education to sponsor 24619  
community schools under this chapter and has entered into a 24620  
written agreement with the department regarding the manner in 24621  
which the entity will conduct such sponsorship. The department 24622  
shall adopt in accordance with Chapter 119. of the Revised Code 24623  
rules containing criteria, procedures, and deadlines for 24624  
processing applications for such approval, for oversight of 24625  
sponsors, for revocation of the approval of sponsors, and for 24626  
entering into written agreements with sponsors. The rules shall 24627  
require an entity to submit evidence of the entity's ability and 24628  
willingness to comply with the provisions of division (D) of 24629  
section 3314.03 of the Revised Code. The rules also shall require 24630  
entities approved as sponsors on and after the effective date of 24631  
this amendment to demonstrate a record of financial responsibility 24632  
and successful implementation of educational programs. If an 24633  
entity seeking approval on or after the effective date of this 24634

sponsored or operated by the entity must be comparable to or 24637  
better than the performance of Ohio schools in a state of academic 24638

the department. 24640

An entity that ~~is approved to sponsor~~ sponsors community 24641  
schools may enter into ~~any number of~~ preliminary agreements and 24642

chapter: 24645

(a) An entity approved for sponsorship on or after July 1, 24646  
2005, may sponsor not more than fifteen schools, except that if 24647  
the department subsequently determines that the schools sponsored 24648  
by such an entity have demonstrated satisfactory financial, 24649  
administrative, and academic performance, the department may 24650  
permit the entity to sponsor up to fifty schools. 24651

(b) An entity approved for sponsorship prior to July 1, 2005, 24652  
or an entity not required to be approved for sponsorship under 24653  
division (B)(1) of this section, that sponsored thirty-five or 24654  
fewer schools that were open for operation as of May 1, 2005, may 24655  
sponsor not more than thirty-five schools, except that the 24656  
department on a case-by-case basis may permit such an entity to 24657  
sponsor up to fifty schools. 24658

(c) An entity approved for sponsorship prior to July 1, 2005, 24659  
or an entity not required to be approved for sponsorship under 24660

of schools the entity sponsored that were open for operation as of 24664  
May 1, 2005, except that the department on a case-by-case basis 24665  
may permit such an entity to sponsor up to fifty schools. 24666

(d) An entity approved for sponsorship prior to July 1, 2005, 24667

division (B)(1) of this section, that sponsored more than fifty 24669  
schools that were open for operation as of May 1, 2005, may 24670  
sponsor not more than the number of schools the entity sponsored 24671

that were open for operation as of May 1, 2005. 24672

Upon approval of an entity to be a sponsor under this 24673  
division, the department shall notify the entity of the number of 24674  
schools the entity may sponsor. The limit imposed on an entity to 24675  
which division (B)(1)(a), (b), or (c) of this section applies 24676  
shall be decreased by one for each school sponsored by the entity 24677  
that permanently closes pursuant to division (C) of section 24678  
3314.36 of the Revised Code. The limit imposed on an entity to 24679  
which division (B)(1)(d) of this section applies shall be 24680  
decreased by one for each school sponsored by the entity that 24681  
permanently closes for any reason. 24682

(2) The department of education shall determine, pursuant to 24683

either fiscal year, the department shall pay the school the 25983  
remaining twenty per cent of the amount calculated under division 25984  
(D)(1) of section 3314.08 of the Revised Code for the school's 25985  
start-up costs. 25986

(3) In each fiscal year after the second fiscal year that an 25987  
internet- or computer-based community school is open for business 25988  
providing learning opportunities, regardless of whether the school 25989  
was open for an entire school year during either of the first two 25990

methodology to measure the achievement of the goal, and the target 26009  
to be met according to that methodology. A grant may not be 26010  
renewed for a subsequent year unless the school meets the target 26011  
specified in the grant agreement. 26012

The superintendent of public instruction shall adopt rules to 26013

of the pilot program. Each internet- or computer-based community 26018

visit with a teacher, licensed in accordance with division (A)(10) 26190  
of section 3314.03 of the Revised Code, for not less than one hour 26191  
after every two hundred thirty hours of learning opportunities 26192  
provided to that student by the school. 26193

(C) For any internet- or computer-based community school, the 26194  
contract between the sponsor and the governing authority of the 26195  
school described in section 3314.03 of the Revised Code shall 26196  
specify each of the following: 26197

install filtering software that protects against internet access 26199  
to materials that are obscene or harmful to juveniles on each 26200  
computer provided to students for instructional use. The school 26201  
shall provide such device or software at no cost to any student 26202

**Sec. ~~3314.032~~ 3314.22.** (A)(1) Each child enrolled in an internet- or computer-based community school is entitled to a computer supplied by the school. In no case shall an internet- or computer-based community school provide a stipend or other substitute to an enrolled child or the child's parent in lieu of supplying a computer to the child. The prohibition contained in the preceding sentence is intended to clarify the meaning of this division as it existed prior to the effective date of this amendment and is not intended to change that meaning in any way.

(2) Notwithstanding division (A)(1) of this section, if more than one child living in a single ~~household~~ residence is enrolled in an internet- or computer-based community school, at the option of the parent of those children, the school may supply less than one computer per child, as long as at least one computer is supplied to the ~~household~~ residence. The parent may amend the decision to accept less than one computer per child anytime during the school year, and, in such case, within thirty days after the parent notifies the school of such amendment, the school shall provide any additional computers requested by the parent up to the number necessary to comply with division (A)(1) of this section.

(B) Each internet- or computer-based community school shall provide to each parent who is considering enrolling the parent's child in the school and to the parent of each child already

enrolled in the school a written notice of the provisions 26236  
prescribed in divisions (A)(1) and (2) of this section. 26237

(C) If a community school that is not an internet- or 26238  
computer-based community school provides any of its enrolled 26239  
students with nonclassroom-based learning opportunities provided 26240  
via an internet- or other computer-based instructional method and 26241  
requires such students to participate in any of those learning 26242  
opportunities from their residences, the school shall be subject 26243  
to this section and division (C)(1) of section 3314.21 of the 26244  
Revised Code relative to each such student in the same manner as 26245  
an internet- or computer-based community school, unless both of 26246  
the following conditions apply to the student: 26247

(1) The nonclassroom-based learning opportunities in which 26248  
the student is required to participate from the student's 26249  
residence are supplemental or remedial in nature or do not 26250  
constitute a significant portion of the total classroom-based and 26251  
nonclassroom-based learning opportunities provided to the student 26252  
by the school; 26253

(2) The student's residence is equipped with a computer 26254  
available for the student's use. 26255

**Sec. ~~3314.033~~ 3314.23.** (A) Not later than ~~September 30, 2003~~ 26256

~~general assembly~~ adopt rules in accordance with Chapter 119. of 26258  
the Revised Code establishing standards governing the operation of 26259  
internet- or computer-based community schools, as defined in 26260  
section 3314.02 of the Revised Code, and other educational courses 26261  
delivered primarily via electronic media. The standards adopted by 26262  
rule under this division may be the same standards recommended to 26263  
the general assembly pursuant to the version of section 3314.033 26264  
of the Revised Code in effect prior to the effective date of this 26265  
amendment. 26266

(B) Each internet- or computer-based community school in operation on or after the effective date of this amendment shall comply with the rules adopted by the state board under division (A) of this section regardless of whether the school's contract with its sponsor contains a stipulation requiring compliance with those rules. 26267

26270  
26271  
26272

26274  
26275  
26276  
26277  
26278

(B) If, on or after July 1, 2004, an internet- or computer-based community school has a contract with a nonpublic school as described in division (A) of this section, the department of education shall not make any payments under section 3314.08 of the Revised Code to the internet- or computer-based community school for any student who is enrolled in the internet- or computer-based community school and receives any instructional services from the internet- or computer-based community school at the nonpublic school. 26279  
26280  
26281  
26282  
26283  
26284  
26285  
26286  
26287

**Sec. 3314.25.** Each internet- or computer-based community school shall provide its students a location within a fifty-mile radius of the student's residence at which to complete the statewide achievement tests and diagnostic assessments prescribed under sections 3301.079 and 3301.0710 of the Revised Code. 26288  
26289  
26290  
26291  
26292

**Sec. 3314.26.** (A) Each internet- or computer-based community school shall withdraw from the school any student who, for two consecutive school years, has failed to participate in the spring administration of any test prescribed under section 3301.0710 or 26293  
26294

3301.0712 of the Revised Code for the student's grade level and 26297  
was not excused from the test pursuant to division (C)(1) or (3) 26298  
of section 3301.0711 of the Revised Code. The school shall report 26299  
the name of any such student to the department of education. The 26300  
department shall maintain a list of all students reported under 26301  
this division and section 3313.6410 of the Revised Code and 26302  
provide that list to each internet- or computer-based community 26303  
school and to each school to which section 3313.6410 of the 26304  
Revised Code applies. 26305

(B) No internet- or computer-based community school shall 26306

computer-based community school may participate in more than ten 26310  
hours of learning opportunities in any period of twenty-four 26311  
consecutive hours. Any time such a student participates in 26312  
learning opportunities beyond the limit prescribed in this section 26313  
shall not count toward the annual minimum number of hours required 26314  
to be provided to that student as prescribed in division 26315  
(A)(11)(a) of section 3314.03 of the Revised Code. If any 26316  
internet- or computer-based community school requires its students 26317  
to participate in learning opportunities on the basis of days 26318  
rather than hours, one day shall consist of a minimum of five 26319  
hours of such participation. 26320

**Sec. 3314.28.** (A) Each internet- or computer-based community 26321  
school established under this chapter shall submit to the school's 26322  
sponsor a plan for providing special education and related 26323  
services to disabled students enrolled in the school in accordance 26324  
with division (A)(1) or (2) of this section. 26325

(1) If the school was established prior to the effective date 26326

of this section, the plan shall be submitted to the sponsor on or 26327  
before September 1, 2005, and on or before the first day of 26328  
September in each year thereafter that the school is in operation. 26329

(2) If the school is established after the effective date of 26330  
this section, the plan shall be submitted to the sponsor prior to 26331  
the school's receipt of its first payment under this chapter and 26332  
on or before the first day of September in each year thereafter 26333  
that the school is in operation. 26334

(B) Within thirty days after receiving the plan prescribed in 26335  
division (A) of this section, the sponsor of each internet- or 26336  
computer-based community school shall certify all of the following 26337  
to the department of education: 26338

(1) A statement of whether the plan received is satisfactory 26339  
to the sponsor; 26340

(2) If the plan received is not satisfactory to the sponsor, 26341  
the sponsor's assurance that it will promptly assist the school in 26342  
developing a plan that is satisfactory to the sponsor; 26343

(3) The sponsor's assurance that it will monitor the 26344  
implementation of the plan; 26345

(4) The sponsor's assurance that it will take any necessary 26346  
corrective action to ensure that the school's plan is properly and 26347  
fully implemented. 26348

(C) The department shall develop guidelines for the content 26349  
and format of the plan required under this section. 26350

**Sec. 3314.35.** (A) This section applies to any community 26351  
school established under this chapter that meets one or more of 26352  
the following criteria: 26353

(1) The school is declared to be in need of continuous 26354  
improvement, under an academic watch, or in a state of academic 26355

emergency pursuant to section 3302.03 of the Revised Code. 26356

(2) The school has not been in operation for at least two full school years. 26357  
26358

(3) The school does not offer any grade level for which an achievement test is prescribed under section 3301.0710 of the Revised Code or the number of students enrolled in each grade level offered by the school for which an achievement test is prescribed is too small to yield statistically reliable data about student performance, as determined by the department of education. 26359  
26360  
26361  
26362  
26363  
26364

(B) Beginning in the 2006-2007 school year, each community school to which this section applies shall administer a reading and mathematics assessment approved by the department in the fall and spring of the school year to each student who is enrolled in any of grades one through twelve to measure the academic progress made by students during the school year. For each grade level, the community school shall administer the same assessment in the spring that the school administers in the fall. 26365  
26366  
26367  
26368  
26369  
26370  
26371  
26372

(C) Each community school that administers the assessments required by division (B) of this section shall be responsible for all costs associated with the administration and scoring of the assessments. Each community school shall report the scores of all students taking the assessments to the department in a manner prescribed by the department. 26373  
26374  
26375  
26376  
26377  
26378

(D) The department shall establish a list of nationally normed assessments in reading and mathematics that it approves for use by community schools under this section. The department may approve assessments in other subject areas, but no community school shall be required to administer an assessment in a subject area other than reading or mathematics under this section. 26379  
26380  
26381  
26382  
26383  
26384

(E) The sponsor of any community school to which this section does not apply may elect to have the school administer reading and 26385  
26386

mathematics assessments in accordance with this section. 26387

Sec. 3314.36. (A) Not later than July 1, 2006, the state 26388  
board of education shall adopt rules establishing reasonable 26389  
standards for expected gains in student achievement between the 26390  
fall and spring administrations of the reading and mathematics 26391  
assessments administered under section 3314.35 of the Revised Code 26392  
and for expected gains in the graduation rate. The standards may 26393  
establish different levels of expected gains to correspond with 26394  
differences in the baseline academic achievement levels of the 26395  
students being assessed. 26396

(B) Any community school that is declared to be under an 26397  
academic watch or in a state of academic emergency pursuant to 26398  
section 3302.03 of the Revised Code after July 1, 2006, or to 26399  
which division (A)(3) of section 3314.35 of the Revised Code 26400  
applies shall be subject to division (C) of this section if either 26401  
of the following apply to the school: 26402

(1) The percentage of the school's total student population 26403  
showing the expected gains in student achievement established 26404  
under division (A) of this section on the reading or mathematics 26405  
assessments administered most recently under section 3314.35 of 26406  
the Revised Code is less than the following, as applicable: 26407

(a) Fifty-five per cent for any school that has been in 26408  
operation for two school years; 26409

(b) Sixty per cent for any school that has been in operation 26410  
for three school years; 26411

(c) Sixty-five per cent for any school that has been in 26412  
operation for four or more school years. 26413

(2) The school offers a high school diploma but is not 26414  
showing the expected gains in the graduation rate established 26415  
under division (A) of this section. 26416

A community school that has been in operation for one school year shall not be subject to division (C) of this section. 26417  
26418

(C)(1) In the first school year that a community school is subject to division (C) of this section, the school shall develop and implement an improvement plan to address the school's poor academic performance. The sponsor of the school shall assist in the development of the improvement plan and shall approve the plan prior to implementation. The school shall file a copy of the improvement plan with the department of education. 26419  
26420  
26421  
26422  
26423  
26424  
26425

(2) In the second consecutive school year that a community school is subject to division (C) of this section, the sponsor of the school shall pay to the department one-half of the total amount of the payments made by the school's governing authority to the sponsor under division (C) of section 3314.03 of the Revised Code for the school year or five thousand dollars, whichever is greater. 26426  
26427  
26428  
26429  
26430  
26431  
26432

(3) In the third consecutive school year that a community school is subject to division (C) of this section, all of the following shall occur: 26433  
26434  
26435

(a) The school shall be permanently closed at the conclusion of the school year. 26436  
26437

(b) The sponsor of the school shall pay to the department the total amount of the payments made by the school's governing authority to the sponsor under division (C) of section 3314.03 of the Revised Code for the school year. 26438  
26439  
26440  
26441

(c) The limit on the number of schools with which the sponsor may enter into a contract for sponsorship under division (B)(1) of section 3314.015 of the Revised Code shall be decreased by one. 26442  
26443  
26444

(D) The sponsor of any community school that is declared to be in need of continuous improvement, effective, or excellent 26445  
26446

pursuant to section 3302.03 of the Revised Code and offers one or 26447  
more grade levels for which an achievement test is prescribed 26448  
under section 3301.0710 of the Revised Code may elect to evaluate 26449  
the performance of the school in accordance with division (B) of 26450  
this section, provided the school administers reading and 26451  
mathematics assessments under section 3314.35 of the Revised Code. 26452  
If the sponsor so elects, the evaluation method shall be used for 26453  
a minimum of three school years and shall be specified in the 26454  
contract required by section 3314.03 of the Revised Code. Nothing 26455  
in this division requires the sponsor of a community school that 26456  
elects to evaluate the school in accordance with division (B) of 26457  
this section to take any action specified in division (C) of this 26458  
section, unless the contract requires such action. 26459

(E) In calculating the gains in student achievement 26460  
demonstrated by a community school for the purposes of division 26461  
(B) of this section, the department shall include the scores of 26462  
all students who participated in the fall and spring 26463  
administrations of the assessments administered under section 26464  
3314.35 of the Revised Code. If the school's participation rate 26465  
for any grade level is less than ninety-five per cent, the 26466  
department shall calculate the gains in academic achievement 26467  
demonstrated by the students in that grade level as if the 26468  
participation rate was ninety-five per cent by assuming a score of 26469  
zero for each student that it is necessary to add to the 26470  
participation rate to make that rate equal ninety-five per cent. 26471

**Sec. 3315.17.** (A) The board of education of each city, 26472  
exempted village, local, and joint vocational school district 26473  
shall establish a textbook and instructional materials fund. Each 26474  
board annually shall deposit into that fund an amount derived from 26475  
revenues received by the district for operating expenses that is 26476  
equal to three per cent of the formula amount for the preceding 26477

fiscal year, as defined in section 3317.02 of the Revised Code, or 26478  
another percentage if established by the auditor of state under 26479  
division (C) of this section, multiplied by the district's student 26480  
population for the preceding fiscal year. Money in the fund shall 26481  
be used solely for textbooks, instructional software, and 26482  
instructional materials, supplies, and equipment. Any money in the 26483  
fund that is not used in any fiscal year shall carry forward to 26484  
the next fiscal year. 26485

(B)(1) Notwithstanding division (A) of this section, if in a 26486  
fiscal year a district board deposits in the textbook and 26487  
instructional materials fund an amount of money greater than the 26488  
amount required to be deposited by this section or the rules 26489  
adopted under division (C) of this section, the board may deduct 26490  
the excess amount of money from the amount of money required to be 26491  
deposited in succeeding fiscal years. 26492

(2) Notwithstanding division (A) of this section, in any year 26493  
a district is in fiscal emergency status as declared pursuant to 26494  
section 3316.03 of the Revised Code, the district may deposit an 26495  
amount less than required by division (A) of this section, or make 26496  
no deposit, into the district textbook and instructional materials 26497  
fund for that year. 26498

(C) The state superintendent of public instruction and the 26499  
auditor of state jointly shall adopt rules in accordance with 26500  
Chapter 119. of the Revised Code defining what constitutes 26501  
textbooks, instructional software, and instructional materials, 26502  
supplies, and equipment for which money in a school district's 26503  
textbook and instructional materials fund may be used. The auditor 26504  
of state also may designate a percentage, other than three per 26505  
cent, of the formula amount multiplied by the district's student 26506  
population that must be deposited into the fund. 26507

(D) Notwithstanding division (A) of this section, a district 26508

board of education in any fiscal year may appropriate money in the 26509  
district textbook and instructional materials fund for purposes 26510  
other than those permitted by that division if both of the 26511  
following occur during that fiscal year: 26512

(1) All of the following certify to the district board in 26513  
writing that the district has sufficient textbooks, instructional 26514  
software, and instructional materials, supplies, and equipment to 26515  
ensure a thorough and efficient education within the district: 26516

(a) The district superintendent; 26517

(b) In districts required to have a business advisory 26518  
council, a person designated by vote of the business advisory 26519  
council; 26520

(c) If the district teachers are represented by an exclusive 26521  
bargaining representative for purposes of Chapter 4117. of the 26522  
Revised Code, the president of that organization or the 26523  
president's designee. 26524

(2) The district board adopts, by unanimous vote of all 26525  
members of the board, a resolution stating that the district has 26526  
sufficient textbooks, instructional software, and instructional 26527  
materials, supplies, and equipment to ensure a thorough and 26528  
efficient education within the district. 26529

(E) Notwithstanding any provision to the contrary in Chapter 26530  
4117. of the Revised Code, the requirements of this section 26531  
prevail over any conflicting provisions of agreements between 26532  
employee organizations and public employers entered into on or 26533  
after November 21, 1997. 26534

(F) As used in this section and in section 3315.18 of the 26535  
Revised Code, "student population" means the average, daily, 26536  
full-time-equivalent number of students in kindergarten through 26537  
twelfth grade receiving any educational services from the school 26538

district during the first full school week in October, excluding 26539  
students enrolled in adult education classes, but including all of 26540  
the following: 26541

(1) Adjacent or other district students enrolled in the 26542  
district under an open enrollment policy pursuant to section 26543  
3313.98 of the Revised Code; 26544

(2) Students receiving services in the district pursuant to a 26545  
compact, cooperative education agreement, or a contract, but who 26546  
are entitled to attend school in another district pursuant to 26547  
section 3313.64 or 3313.65 of the Revised Code; 26548

(3) Students for whom tuition is payable pursuant to sections 26549  
3317.081 and 3323.141 of the Revised Code. 26550

The department of education shall determine a district's 26551  
student population using data reported to it under section 3317.03 26552  
of the Revised Code for the applicable fiscal year. 26553

**Sec. 3315.18.** (A) The board of education of each city, 26554  
exempted village, local, and joint vocational school district 26555  
shall establish a capital and maintenance fund. Each board 26556  
annually shall deposit into that fund an amount derived from 26557  
revenues received by the district that would otherwise have been 26558  
deposited in the general fund that is equal to three per cent of 26559  
the formula amount for the preceding fiscal year, as defined in 26560  
section 3317.02 of the Revised Code, or another percentage if 26561  
established by the auditor of state under division (B) of this 26562  
section, multiplied by the district's student population for the 26563  
preceding fiscal year, except that money received from a permanent 26564  
improvement levy authorized by section 5705.21 of the Revised Code 26565  
may replace general revenue moneys in meeting the requirements of 26566  
this section. Money in the fund shall be used solely for 26567  
acquisition, replacement, enhancement, maintenance, or repair of 26568

permanent improvements, as that term is defined in section 5705.01 26569  
of the Revised Code. Any money in the fund that is not used in any 26570  
fiscal year shall carry forward to the next fiscal year. 26571

(B) The state superintendent of public instruction and the 26572  
auditor of state jointly shall adopt rules in accordance with 26573

population that must be deposited into the fund. 26578

(C) Within its capital and maintenance fund, a school 26579  
district board of education may establish a separate account 26580  
solely for the purpose of depositing funds transferred from the 26581  
district's reserve balance account established under former 26582  
division (H) of section 5705.29 of the Revised Code. After ~~the~~ 26583  
~~effective date of this amendment~~ April 10, 2001, a board may 26584  
deposit all or part of the funds formerly included in such reserve 26585  
balance account in the separate account established under this 26586  
section. Funds deposited in this separate account and interest on 26587  
such funds shall be utilized solely for the purpose of providing 26588  
the district's portion of the basic project costs of any project 26589  
undertaken in accordance with Chapter 3318. of the Revised Code. 26590

(D) Notwithstanding division (A) of this section, in any year 26591  
a district is in fiscal emergency status as declared pursuant to 26592  
section 3316.03 of the Revised Code, the district may deposit an 26593  
amount less than required by division (A) of this section, or make 26594  
no deposit, into the district capital and maintenance fund for 26595  
that year. 26596

(E) Notwithstanding any provision to the contrary in Chapter 26597  
4117. of the Revised Code, the requirements of this section 26598  
prevail over any conflicting provisions of agreements between 26599  
employee organizations and public employers entered into after 26600

November 21, 1997.

3316.04 of the Revised Code or a financial recovery plan under 26631  
section 3316.06 of the Revised Code, the board of education of the 26632  
school district for which the plan was approved shall revise the 26633  
district's five-year projection of revenues and expenditures in 26634  
accordance with rules adopted under section 5705.391 of the 26635  
Revised Code so that the five-year projection is consistent with 26636  
the financial plan or financial recovery plan. In the case of a 26637  
school district declared to be in a state of fiscal emergency, the 26638  
five-year projection shall be revised by the financial planning 26639  
and supervision commission for that district. 26640

**Sec. 3316.06.** (A) Within one hundred twenty days after the 26641  
first meeting of a school district financial planning and 26642  
supervision commission, the commission shall adopt a financial 26643  
recovery plan regarding the school district for which the 26644  
commission was created. During the formulation of the plan, the 26645  
commission shall seek appropriate input from the school district 26646  
board and from the community. This plan shall contain the 26647  
following: 26648

(1) Actions to be taken to: 26649

(a) Eliminate all fiscal emergency conditions declared to 26650  
exist pursuant to division (B) of section 3316.03 of the Revised 26651  
Code; 26652

(b) Satisfy any judgments, past-due accounts payable, and all 26653  
past-due and payable payroll and fringe benefits; 26654

any prior year deficits in the textbook and instructional 26656  
materials fund established pursuant to section 3315.17 of the 26657  
Revised Code and the capital and maintenance fund established 26658  
pursuant to section 3315.18 of the Revised Code shall be forgiven; 26659

(d) Restore to special funds any moneys from such funds that 26660

were used for purposes not within the purposes of such funds, or  
borrowed from such funds by the purchase of debt obligations of  
the school district with the moneys of such funds, or missing from  
the special funds and not accounted for, if any;

(e) Balance the budget, avoid future deficits in any funds,  
and maintain on a current basis payments of payroll, fringe  
benefits, and all accounts;

(f) Avoid any fiscal emergency condition in the future;

(2) The management structure that will enable the school  
district to take the actions enumerated in division (A)(1) of this  
section. The plan shall specify the level of fiscal and management  
control that the commission will exercise within the school  
district during the period of fiscal emergency, and shall  
enumerate respectively, the powers and duties of the commission  
and the powers and duties of the school board during that period.  
The commission may elect to assume any of the powers and duties of  
the school board it considers necessary, including all powers

completion of the actions enumerated in division (A)(1) of this  
section and a reasonable period of time expected to be required to  
implement the plan. The commission shall prepare a reasonable time  
schedule for progress toward and achievement of the requirements  
for the plan, and the plan shall be consistent with that time  
schedule.

(4) The amount and purpose of any issue of debt obligations

that will be issued, together with assurances that any such debt 26692  
obligations that will be issued will not exceed debt limits 26693  
supported by appropriate certifications by the fiscal officer of 26694  
the school district and the county auditor. Debt obligations 26695  
issued pursuant to section 133.301 of the Revised Code shall 26696  
include assurances that such debt shall be in an amount not to 26697  
exceed the amount certified under division (B) of such section. If 26698  
the commission considers it necessary in order to maintain or 26699  
improve educational opportunities of pupils in the school 26700  
district, the plan may include a proposal to restructure or 26701  
refinance outstanding debt obligations incurred by the board under 26702  
section 3313.483 of the Revised Code contingent upon the approval, 26703  
during the period of the fiscal emergency, by district voters of a 26704  
tax levied under section 718.09, 718.10, 5705.194, 5705.21, 26705  
5748.02, or 5748.08 of the Revised Code, that is not a renewal or 26706  
replacement levy and that will provide new operating revenue. 26707  
Notwithstanding any provision of Chapter 133. or sections 3313.483 26708  
to 3313.4811 of the Revised Code, following the required approval 26709  
of the district voters and with the approval of the commission, 26710  
the school district may issue securities to evidence the 26711  
restructuring or refinancing. Those securities may extend the 26712  
original period for repayment, not to exceed ten years, and may 26713  
alter the frequency and amount of repayments, interest or other 26714  
financing charges, and other terms of agreements under which the 26715  
debt originally was contracted, at the discretion of the 26716  
commission, provided that any loans received pursuant to section 26717  
3313.483 of the Revised Code shall be paid from funds the district 26718  
would otherwise receive under sections 3317.022 to 3317.025 of the 26719  
Revised Code, as required under division (E)(3) of section 26720  
3313.483 of the Revised Code. The securities issued for the 26721  
purpose of restructuring or refinancing the debt shall be repaid 26722  
in equal payments and at equal intervals over the term of the debt 26723  
and are not eligible to be included in any subsequent proposal for 26724

the purpose of restructuring or refinancing debt under this 26725  
section. 26726

(B) Any financial recovery plan may be amended subsequent to 26727  
its adoption. Each financial recovery plan shall be updated 26728  
annually. 26729

(C) Each school district financial planning and supervision 26730  
commission shall submit the financial recovery plan it adopts or 26731  
updates under this section to the state superintendent of public 26732  
instruction for approval immediately following its adoption or 26733  
updating. The state superintendent shall evaluate the plan and 26734  
either approve or disapprove it within thirty calendar days from 26735  
the date of its submission. If the plan is disapproved, the state 26736  
superintendent shall recommend modifications that will render it 26737  
acceptable. No financial planning and supervision commission shall 26738  
implement a financial recovery plan that is adopted or updated on 26739  
or after ~~the effective date of this amendment~~ April 10, 2001, 26740  
unless the state superintendent has approved it. 26741

**Sec. 3316.16.** (A) A school district financial planning and 26742  
supervision commission, with respect to its functions under this 26743  
chapter, shall continue in existence until such time as a 26744  
determination is made under division (B) of this section that all 26745  
of the following have occurred: 26746

(1) An effective financial accounting and reporting system in 26747  
accordance with section 3316.10 of the Revised Code is in the 26748  
process of being implemented, and it is reasonably expected that 26749  
this implementation will be completed within two years. 26750

(2) All of the fiscal emergency conditions determined 26751  
pursuant to division (B) of section 3316.03 of the Revised Code 26752  
have been corrected or eliminated, and no new fiscal emergency 26753  
conditions have occurred. 26754

(3) The objectives of the financial recovery plan described 26755  
in section 3316.06 of the Revised Code are being met. 26756

(4) The school district board has prepared a financial 26757  
forecast for a five-year period in accordance with the standards 26758  
issued by the auditor of state and an opinion has been rendered by 26759  
the auditor of state that the financial forecast is considered to 26760  
be nonadverse. The forecast shall display the district's projected 26761  
compliance with sections 3315.17 and 3315.18 of the Revised Code 26762  
beginning in the year the commission is proposed for termination. 26763

(B) The determination that all conditions listed in division 26764  
(A) of this section for the termination of the existence of the 26765  
commission and its functions exist may be made either by the 26766  
auditor of state or by the commission and shall be certified to 26767  
the commission, the auditor of state, the governor, the director 26768  
of budget and management, and the budget commission, whereupon 26769  
such commission and its functions under this chapter shall 26770  
terminate. This determination shall be made by the auditor of 26771  
state upon the filing with the auditor of state of a written 26772  
request for such a determination by the school district board, the 26773  
governor, or the commission, or may be made by the auditor of 26774  
state upon the auditor of state's own initiative. 26775

(C) The commission shall prepare and submit at the time of 26776  
such certification a final report of its activities, in such form 26777  
as is appropriate for the purpose of providing a record of its 26778  
activities and assisting other commissions created under this 26779  
chapter in the conduct of their functions. All of the books and 26780  
records of the commission shall be delivered to the auditor of 26781  
state for retention and safekeeping. 26782

(D) Upon receipt of the certification provided for in 26783  
division (B) of this section, the director of budget and 26784  
management shall follow the procedures set forth in section 126.29 26785

of the Revised Code.

26786

(E) If, at the time of termination of the commission, an effective financial accounting and reporting system has not been fully implemented, the auditor of state shall monitor the progress of implementation and shall exercise authority under this section and Chapter 117. of the Revised Code to secure full implementation at the earliest time feasible but within two years after such termination.

Sec. 3317.012. (A) The general assembly, having deliberated on the model with which to calculate the base cost of an adequate education per pupil, has made a policy decision to calculate that amount as consisting of the following building blocks:

26794

26795

26796

26797

(1) Base classroom teachers;

26798

(2) Other personnel support, which includes additional teachers, such as music, arts, and physical education teachers funded by state, local, or federal funds or other funds that are above the base cost funding level, and other school personnel including administrators;

26799

26800

26801

26802

26803

(3) Nonpersonnel support.

26804

This model reflects policy decisions made by the general assembly concerning the cost of base classroom teachers, which decisions entail two policy variables: the number of students per base classroom teacher necessary for an adequate education and the average compensation for a base classroom teacher necessary for an adequate education. The model requires the general assembly to decide the amount of other personnel support necessary for an adequate education, and increase that amount from year to year by the same percentage as it increases the average compensation for base classroom teachers. The model finally requires the general assembly to decide the nonpersonnel costs necessary for an

adequate education and to inflate the nonpersonnel costs from year 26816  
to year using the projected inflationary measure for the gross 26817  
domestic product deflator (all items) prepared by the bureau of 26818  
labor statistics of the United States department of labor. 26819

(B)(1) For fiscal year 2006, the general assembly has 26820  
resolved that a ratio of one base classroom teacher per twenty 26821  
students is necessary for an adequate education. The general 26822  
assembly has made a policy decision that the average compensation 26823  
for base classroom teachers is \$53,680 for fiscal year 2006, which 26824  
includes an amount for the value of fringe benefits. For fiscal 26825  
year 2007, the general assembly has resolved that a ratio of one 26826  
base classroom teacher per twenty students is necessary for an 26827  
adequate education. The general assembly has made a policy 26828  
decision that the average compensation for base classroom teachers 26829  
is \$54,941, which includes an amount for the value of fringe 26830  
benefits. Based on a ratio of twenty students per base classroom 26831  
teacher, these amounts equal \$2,684 per pupil in fiscal year 2006 26832  
and \$2,747 per pupil in fiscal year 2007. 26833

(2) The general assembly has made a policy decision that the 26834  
per pupil cost of salary and benefits of other personnel support 26835  
is \$1,807 in fiscal year 2006. Based on the percentage increase 26836  
for the average compensation of base classroom teachers from 26837  
fiscal year 2006 to fiscal year 2007, the per pupil cost of other 26838  
personnel support is \$1,850 in fiscal year 2007. 26839

(3) The general assembly has made a policy decision that the 26840  
per pupil cost of nonpersonnel support is \$792 in fiscal year 2006 26841  
and \$806 in fiscal year 2007. The amount for fiscal year 2007 26842  
reflects the projected inflationary measure for the gross domestic 26843  
product deflator (all items) of 1.80%. 26844

(4) Based on the determinations specified in divisions (B)(1) 26845  
to (3) of this section, the per-pupil base cost is \$5,283 in 26846

fiscal year 2006 and \$5,403 in fiscal year 2007. 26847

(C) In addition to the per-pupil base cost as determined 26848  
under divisions (A) and (B) of this section, the general assembly 26849  
determines that the following base funding supplements shall be 26850  
paid to each school district: 26851

(1) Base funding for large-group academic intervention for 26852  
all students, based on 25 hours per group of students per year at 26853  
an hourly rate of \$20.00 in fiscal year 2006 and \$20.40 in fiscal 26854  
year 2007, as follows: 26855

large-group intervention units X 25 hours X hourly rate 26856

Where: 26857

(a) "Large-group intervention units" equals the district's 26858  
formula ADM divided by 20; 26859

(b) "Hourly rate" equals \$20.00 in fiscal year 2006 and 26860  
\$20.40 in fiscal year 2007. 26861

(2) Base funding for professional development, phased in 26862  
according to the following formula: 26863

district's teacher factor X 0.045 X 26864  
formula amount X phase-in percentage 26865

Where: 26866

(a) For each school district, the district's "teacher factor" 26867  
is the district's formula ADM divided by 17; 26868

(b) "Phase-in percentage" equals 0.25 in fiscal year 2006 and 26869  
0.50 in fiscal year 2007. 26870

(3) Base funding for data-based decision making, calculated 26871  
according to the following formula: 26872

0.001 X formula amount X formula ADM 26873

(4) Base funding for professional development regarding 26874  
data-based decision making, calculated according to the following 26875

formula: 26876

(0.20 X the district's teacher factor X 0.08 X formula amount) + 26877

(the district's principal factor X 26878

0.08 X formula amount) 26879

Where: 26880

(a) For each school district, the district's "teacher factor" 26881

is the district's formula ADM divided by 17; 26882

(b) For each school district, the district's "principal 26883

factor" is the district's formula ADM divided by 340. 26884

(D) The general assembly intends that school districts spend 26885

the state funds calculated and paid for each component of the 26886

building blocks methodology described in divisions (B)(1) to (3) 26887

and (C)(1) to (4) of this section according to the purposes 26888

described in those divisions. 26889

**Sec. 3317.013.** This section does not apply to handicapped 26890

preschool students. 26891

Analysis of special education cost data has resulted in a 26892

finding that the average special education additional cost per 26893

pupil, including the costs of related services, can be expressed 26894

as a multiple of the base cost per pupil calculated under section 26895

3317.012 of the Revised Code. The multiples for the following 26896

categories of special education programs, as these programs are 26897

defined for purposes of Chapter 3323. of the Revised Code, and 26898

adjusted as provided in this section, are as follows: 26899

(A) A multiple of 0.2892 for students whose primary or only 26900

identified handicap is a speech and language handicap, as this 26901

term is defined pursuant to Chapter 3323. of the Revised Code; 26902

(B) A multiple of 0.3691 for students identified as specific 26903

learning disabled or developmentally handicapped, as these terms 26904

are defined pursuant to Chapter 3323. of the Revised Code, or 26905

other health handicapped-minor; 26906

(C) A multiple of 1.7695 for students identified as hearing 26907  
handicapped, vision impaired, or severe behavior handicapped, as 26908  
these terms are defined pursuant to Chapter 3323. of the Revised 26909  
Code; 26910

(D) A multiple of 2.3646 for students identified as 26911  
orthopedically handicapped, as this term is defined pursuant to 26912  
Chapter 3323. of the Revised Code or other health handicapped - 26913  
major; 26914

(E) A multiple of 3.1129 for students identified as 26915  
multihandicapped, as this term is defined pursuant to Chapter 26916  
3323. of the Revised Code; 26917

(F) A multiple of 4.7342 for students identified as autistic, 26918  
having traumatic brain injuries, or as both visually and hearing 26919  
disabled, as these terms are defined pursuant to Chapter 3323. of 26920  
the Revised Code. 26921

In fiscal year 2004, the multiples specified in divisions (A) 26922  
to (F) of this section shall be adjusted by multiplying them by 26923  
0.88. In fiscal ~~year~~ years 2005, 2006, and 2007, the multiples 26924  
specified in those divisions shall be adjusted by multiplying them 26925  
by 0.90. 26926

Not later than the thirtieth day of May 30, in 2004, ~~and May~~ 26927  
~~30, 2005, 2006, and 2007,~~ the department shall submit to the 26928  
office of budget and management a report that specifies for each 26929  
city, local, exempted village, and joint vocational school 26930  
district the fiscal year allocation of the state and local shares 26931  
of special education and related services additional weighted 26932  
funding and federal special education funds passed through to the 26933  
district. 26934

Sec. 3317.016. In addition to its form SF-3, or any successor 26935

to that form, the department of education shall publish on its web 26936  
site a spreadsheet for each school district that specifies the 26937  
constituent components of the district's "building blocks" funds, 26938  
as follows: 26939

(A) For compensation of base classroom teachers, as described 26940  
in division (B)(1) of section 3317.012 of the Revised Code, each 26941  
spreadsheet shall specify the district's aggregate and per pupil 26942  
amounts of state funds and of combined state and local funds, the 26943  
average compensation decided by the general assembly for base 26944  
classroom teachers, as specified in that division, and the number 26945  
of base classroom teachers attributable to the district based on 26946  
the student-teacher ratio decided by the general assembly, as 26947  
specified in that division. 26948

(B) Each spreadsheet shall specify the district's aggregate 26949  
and per pupil amounts of state funds and of combined state and 26950  
local funds for each of the following: 26951

(1) Other personnel support, as described in division (B)(2) 26952

and 3317.0217 or section 3317.16 of the Revised Code: 27335

(1) The taxable value of real and public utility real 27336

taxes attributable to a joint vocational school district. 27352

(4) The value of all real and public utility real property in 27353  
the school district exempted from taxation minus both of the 27354  
following: 27355

(B) On or before the first day of May each year, the tax 27367  
commissioner shall certify to the department of education the 27368  
total taxable real property value of railroads and, separately, 27369  
the total taxable tangible personal property value of all public 27370  
utilities for the preceding tax year, by school district and by 27371  
county of location. 27372

(C) If a public utility has properly and timely filed a 27373  
petition for reassessment under section 5727.47 of the Revised 27374  
Code with respect to an assessment issued under section 5727.23 of 27375  
the Revised Code affecting taxable property apportioned by the tax 27376  
commissioner to a school district, the taxable value of, and taxes 27377  
charged and payable on, public utility tangible personal property 27378  
included in the certification under divisions (A)(2), (A)(3), and 27379

paid tax for the preceding year as provided in division (B)(1) or 27382  
(2) of section 5727.47 of the Revised Code for a certification 27383  
under divisions (A)(2) and (B) of this section, and shall include 27384  
only the amount of taxes charged and payable that the public 27385  
utility paid for the preceding year as provided in division (B)(1) 27386  
or (2) of section 5727.47 of the Revised Code for a certification 27387  
under division (A)(3) of this section. 27388

(D) If on the basis of the information certified under 27389  
division (A) of this section, the department determines that any 27390  
district fails in any year to meet the qualification requirement 27391  
specified in division (A) of section 3317.01 of the Revised Code, 27392  
the department shall immediately request the tax commissioner to 27393  
determine the extent to which any school district income tax 27394  
levied by the district under Chapter 5748. of the Revised Code 27395

shall be included in meeting that requirement. Within five days of receiving such a request from the department, the tax commissioner shall make the determination required by this division and report the quotient obtained under division (D)(3) of this section to the department. This quotient represents the number of mills that the department shall include in determining whether the district meets the qualification requirement of division (A) of section 3317.01 of the Revised Code.

The tax commissioner shall make the determination required by this division as follows:

(1) Multiply one mill times the total taxable value of the district as determined in divisions (A)(1) and (2) of this section;

(2) Estimate the total amount of tax liability for the current tax year under taxes levied by Chapter 5748. of the Revised Code that are apportioned to current operating expenses of the district;

(3) Divide the amount estimated under division (D)(2) of this section by the product obtained under division (D)(1) of this section.

**Sec. 3317.022.** (A)~~(1)~~ The department of education shall compute and distribute state base cost funding to each school district for the fiscal year ~~in accordance with the following formula, making any adjustment required by division (A)(2) of this section and~~ using the information obtained under section 3317.021 of the Revised Code in the calendar year in which the fiscal year begins.

(1) Compute the following for each eligible district:

[(cost-of-doing-business factor X

the formula amount X

formula ADM) + the sum of the base funding supplements prescribed 27426  
in divisions (C)(1) to (4) of section 3317.012 of the Revised 27427  
Code] - 27428  
(.023 X recognized valuation) 27429

If the difference obtained is a negative number, the 27430  
district's computation shall be zero. 27431

(2) Compute both of the following for each school district: 27432

(a) The difference of (i) the district's fiscal year 2005 27433  
base cost payment under the version of division (A)(1) of this 27434  
section in effect in fiscal year 2005, minus (ii) the amount 27435  
computed for the district for the current fiscal year under 27436  
current division (A)(1) of this section; 27437

(b) The following amount: 27438

[(fiscal year 2005 base cost payment/fiscal year 2005 formula 27439  
ADM) X current year formula ADM] minus the amount computed for the 27440  
district under current division (A)(1) of this section 27441

If one of the amounts computed under division (A)(2)(a) or 27442  
(b) of this section is a positive amount, the department shall pay 27443  
the district that amount in addition to the amount calculated 27444  
under division (A)(1) of this section. If both amounts are 27445  
positive amounts, the department shall pay the district the lesser 27446  
of the two amounts in addition to the amount calculated under 27447  
division (A)(1) of this section. 27448

(3)(a) For each school district for which the tax exempt 27449  
value of the district equals or exceeds twenty-five per cent of 27450  
the potential value of the district, the department of education 27451  
shall calculate the difference between the district's tax exempt 27452  
value and twenty-five per cent of the district's potential value. 27453

(b) For each school district to which division (A)~~(2)~~(3)(a) 27454  
of this section applies, the department shall adjust the 27455  
recognized valuation used in the calculation under division (A)(1) 27456

of this section by subtracting from it the amount calculated under 27457  
division (A)~~(2)~~(3)(a) of this section. 27458

(B) As used in this section: 27459

(1) The "total special education weight" for a district means 27460  
the sum of the following amounts: 27461

(a) The district's category one special education ADM 27462  
multiplied by the multiple specified in division (A) of section 27463  
3317.013 of the Revised Code; 27464

(b) The district's category two special education ADM 27465  
multiplied by the multiple specified in division (B) of section 27466  
3317.013 of the Revised Code; 27467

(c) The district's category three special education ADM 27468  
multiplied by the multiple specified in division (C) of section 27469  
3317.013 of the Revised Code; 27470

(d) The district's category four special education ADM 27471  
multiplied by the multiple specified in division (D) of section 27472  
3317.013 of the Revised Code; 27473

(e) The district's category five special education ADM 27474  
multiplied by the multiple specified in division (E) of section 27475  
3317.013 of the Revised Code; 27476

(f) The district's category six special education ADM 27477  
multiplied by the multiple specified in division (F) of section 27478  
3317.013 of the Revised Code. 27479

(2) "State share percentage" means the percentage calculated 27480  
for a district as follows: 27481

(a) Calculate the state base cost funding amount for the 27482  
district for the fiscal year under division (A) of this section. 27483  
If the district would not receive any state base cost funding for 27484  
that year under that division, the district's state share 27485  
percentage is zero. 27486

(b) If the district would receive state base cost funding 27487  
under that division, divide that amount by an amount equal to the 27488  
following: 27489

(Cost-of-doing-business factor X 27490  
the formula amount X 27491  
formula ADM) + the sum of the base funding supplements prescribed 27492  
in divisions (C)(1) to (4) of section 3317.012 of the Revised Code 27493

The resultant number is the district's state share 27494  
percentage. 27495

(3) "Related services" includes: 27496

(a) Child study, special education supervisors and 27497  
coordinators, speech and hearing services, adaptive physical 27498

a handicap, including any student whose primary or only handicap 27506  
is a speech and language handicap; 27507

state funds but specified in federal law, including but not 27509  
limited to, audiology and school psychological services; 27510

(d) Any service included in units funded under former 27511  
division (O)(1) of section 3317.023 of the Revised Code; 27512

(e) Any other related service needed by handicapped children 27513  
in accordance with their individualized education plans. 27514

(4) The "total vocational education weight" for a district 27515  
means the sum of the following amounts: 27516

(a) The district's category one vocational education ADM multiplied by the multiple specified in division (A) of section 3317.014 of the Revised Code;

(b) The district's category two vocational education ADM multiplied by the multiple specified in division (B) of section 3317.014 of the Revised Code.

(C)(1) The department shall compute and distribute state special education and related services additional weighted costs funds to each school district in accordance with the following formula:

The district's state share percentage  
X the formula amount for the year  
for which the aid is calculated  
X the district's total special education weight

(2) The attributed local share of special education and related services additional weighted costs equals:

(1 - the district's state share percentage) X  
the district's total special education weight X  
the formula amount

(3)(a) The department shall compute and pay in accordance with this division additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:

(i) One-half of the district's costs for the student in excess of the threshold catastrophic cost; 27548  
27549

(ii) The product of one-half of the district's costs for the student in excess of the threshold catastrophic cost multiplied by the district's state share percentage. 27550  
27551

27560

(ii) For a student in the district's category six special education ADM, thirty thousand dollars in fiscal year 2002 ~~and~~, thirty thousand eight hundred forty dollars in fiscal years 2003, 2004, and 2005, and thirty-one thousand eight hundred dollars in fiscal years 2006 and 2007. 27561  
27562  
27563  
27564  
27565

(c) The district shall only report under division (C)(3)(a) of this section, and the department shall only pay for, the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount. 27566  
27567  
27568  
27569  
27570  
27571  
27572

(4)(a) As used in this division, the "personnel allowance" means thirty thousand dollars in fiscal years 2002, 2003, 2004, ~~and~~, 2005, 2006, and 2007. 27573  
27574  
27575

(b) For the provision of speech language pathology services to students, including students who do not have individualized 27576  
27577

education programs prepared for them under Chapter 3323. of the 27578  
Revised Code, and for no other purpose, the department of 27579  
education shall pay each school district an amount calculated 27580  
under the following formula: 27581

(formula ADM divided by 2000) X 27582

the personnel allowance X the state share percentage 27583

(5) In any fiscal year, a school district shall spend for 27584  
purposes that the department designates as approved for special 27585  
education and related services expenses at least the amount 27586  
calculated as follows: 27587

(cost-of-doing-business factor X 27588

formula amount X the sum of categories 27589

one through six special education ADM) + 27590

(total special education weight X formula amount) 27591

The purposes approved by the department for special education 27592  
expenses shall include, but shall not be limited to, 27593  
identification of handicapped children, compliance with state 27594  
rules governing the education of handicapped children and 27595  
prescribing the continuum of program options for handicapped 27596  
children, provision of speech language pathology services, and the 27597  
portion of the school district's overall administrative and 27598  
overhead costs that are attributable to the district's special 27599  
education student population. 27600

The department shall require school districts to report data 27601  
annually to allow for monitoring compliance with division (C)(5) 27602  
of this section. The department shall annually report to the 27603  
governor and the general assembly the amount of money spent by 27604  
each school district for special education and related services. 27605

(6) In any fiscal year, a school district shall spend for the 27606  
provision of speech language pathology services not less than the 27607  
sum of the amount calculated under division (C)(1) of this section 27608

for the students in the district's category one special education 27609  
ADM and the amount calculated under division (C)(4) of this 27610  
section. 27611

(D)(1) As used in this division: 27612

(a) "Daily bus miles per student" equals the number of bus 27613  
miles traveled per day, divided by transportation base. 27614

(b) "Transportation base" equals total student count as 27615  
defined in section 3301.011 of the Revised Code, minus the number 27616  
of students enrolled in preschool handicapped units, plus the 27617  
number of nonpublic school students included in transportation 27618  
ADM. 27619

(c) "Transported student percentage" equals transportation 27620  
ADM divided by transportation base. 27621

(d) "Transportation cost per student" equals total operating 27622  
costs for board-owned or contractor-operated school buses divided 27623  
by transportation base. 27624

(2) Analysis of student transportation cost data has resulted 27625  
in a finding that an average efficient transportation use cost per 27626  
student can be calculated by means of a regression formula that 27627  
has as its two independent variables the number of daily bus miles 27628  
per student and the transported student percentage. For fiscal 27629  
year 1998 transportation cost data, the average efficient 27630  
transportation use cost per student is expressed as follows: 27631

51.79027 + (139.62626 X daily bus miles per student) + 27632

(116.25573 X transported student percentage) 27633

The department of education shall annually determine the 27634  
average efficient transportation use cost per student in 27635  
accordance with the principles stated in division (D)(2) of this 27636  
section, updating the intercept and regression coefficients of the 27637  
regression formula modeled in this division, based on an annual 27638

statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.

(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight tenths per cent to account for the one-year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE
2000	52.5%
2001	55%
2002	57.5%
2003 and thereafter	The greater of 60% or the district's state share percentage

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply:

(a) Its county rough road percentage is higher than the 27669  
statewide rough road percentage, as those terms are defined in 27670  
division (D)(5) of this section; 27671

(b) Its district student density is lower than the statewide 27672  
student density, as those terms are defined in that division. 27673

(5) The rough road subsidy paid to each district meeting the 27674  
qualifications of division (D)(4) of this section shall be 27675  
calculated in accordance with the following formula: 27676

(per rough mile subsidy X total rough road miles) X 27677  
density multiplier 27678

where: 27679

(a) "Per rough mile subsidy" equals the amount calculated in 27680  
accordance with the following formula: 27681

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} -$  27682  
 $\text{county rough road percentage}) / (\text{maximum rough road percentage} -$  27683  
 $\text{statewide rough road percentage})]\}$  27684

(i) "Maximum rough road percentage" means the highest county 27685  
rough road percentage in the state. 27686

(ii) "County rough road percentage" equals the percentage of 27687  
the mileage of state, municipal, county, and township roads that 27688  
is rated by the department of transportation as type A, B, C, E2, 27689  
or F in the county in which the school district is located or, if 27690  
the district is located in more than one county, the county to 27691  
which it is assigned for purposes of determining its 27692  
cost-of-doing-business factor. 27693

(iii) "Statewide rough road percentage" means the percentage 27694  
of the statewide total mileage of state, municipal, county, and 27695  
township roads that is rated as type A, B, C, E2, or F by the 27696  
department of transportation. 27697

(b) "Total rough road miles" means a school district's total 27698

bus miles traveled in one year times its county rough road  
percentage. 27699  
27700

(c) "Density multiplier" means a figure calculated in 27701  
accordance with the following formula: 27702

1 - [(minimum student density - district student 27703  
density)/(minimum student density - 27704  
statewide student density)] 27705

(i) "Minimum student density" means the lowest district 27706  
student density in the state. 27707

(ii) "District student density" means a school district's 27708  
transportation base divided by the number of square miles in the 27709  
district. 27710

(iii) "Statewide student density" means the sum of the 27711  
transportation bases for all school districts divided by the sum 27712  
of the square miles in all school districts. 27713

(6) In addition to funds paid under divisions (D)(2) to (5) 27714  
of this section, each district shall receive in accordance with 27715  
rules adopted by the state board of education a payment for 27716  
students transported by means other than board-owned or 27717  
contractor-operated buses and whose transportation is not funded 27718  
under division (J) of section 3317.024 of the Revised Code. The 27719  
rules shall include provisions for school district reporting of 27720  
such students. 27721

(E)(1) The department shall compute and distribute state 27722  
vocational education additional weighted costs funds to each 27723  
school district in accordance with the following formula: 27724

state share percentage X 27725  
the formula amount X 27726  
total vocational education weight 27727

In any fiscal year, a school district receiving funds under 27728

division (E)(1) of this section shall spend those funds only for 27729  
the purposes that the department designates as approved for 27730  
vocational education expenses. Vocational educational expenses 27731  
approved by the department shall include only expenses connected 27732  
to the delivery of career-technical programming to 27733  
career-technical students. The department shall require the school 27734  
district to report data annually so that the department may 27735  
monitor the district's compliance with the requirements regarding 27736  
the manner in which funding received under division (E)(1) of this 27737  
section may be spent. 27738

(2) The department shall compute for each school district 27739  
state funds for vocational education associated services in 27740  
accordance with the following formula: 27741

state share percentage X .05 X 27742

the formula amount X the sum of categories one and two 27743

vocational education ADM 27744

In any fiscal year, a school district receiving funds under 27745  
division (E)(2) of this section, or through a transfer of funds 27746  
pursuant to division (L) of section 3317.023 of the Revised Code, 27747  
shall spend those funds only for the purposes that the department 27748  
designates as approved for vocational education associated 27749  
services expenses, which may include such purposes as 27750  
apprenticeship coordinators, coordinators for other vocational 27751  
education services, vocational evaluation, and other purposes 27752  
designated by the department. The department may deny payment 27753  
under division (E)(2) of this section to any district that the 27754  
department determines is not operating those services or is using 27755  
funds paid under division (E)(2) of this section, or through a 27756  
transfer of funds pursuant to division (L) of section 3317.023 of 27757  
the Revised Code, for other purposes. 27758

in the eight specialist areas in a pattern approved by the 27800  
department of education under guidelines established by the state 27801  
board of education. 27802

(3) "Annual salary" means the annual base salary stated in 27803  
the state minimum salary schedule for the performance of the 27804  
teacher's regular teaching duties that the teacher earns for 27805  
services rendered for the first full week of October of the fiscal 27806  
year for which the adjustment is made under division (C) of this 27807

(2) The mean annual salary of all such teachers at their respective levels in all school districts receiving payments under this section.

The number of full-time equivalent classroom teachers used in this computation shall not exceed one twenty-fifth of the district's regular student population. In calculating the

district's mean salary under this division, those full-time 27852  
equivalent classroom teachers with the highest training level 27853

service personnel employed by the district by five 27869  
one-thousandths; 27870

(2) Subtract the quotient in (1) from the district's regular 27871  
student population; 27872

school district to which a governing board of an educational 27875  
service center provides services pursuant to section 3313.843 of 27876  
the Revised Code, deduct the amount of the payment required for 27877  
the reimbursement of the governing board under section 3317.11 of 27878

<u>(E) A class-size reduction payment based on calculating the number of new teachers necessary to achieve a lower student-teacher ratio, as follows:</u>	28524 28525 28526
<u>(1) Determine or calculate a formula number of teachers per</u>	28527

one thousand students based on the ~~DPIA~~ poverty index of the 28528  
school district as follows: 28529

(a) If the ~~DPIA~~ poverty index of the school district is less 28530  
than ~~six-tenths~~ 1.0, the formula number of teachers is ~~43.478~~ 28531  
50.0, which is the number of teachers per one thousand students at 28532  
a student-teacher ratio of ~~twenty-three~~ twenty to one; 28533

(b) If the ~~DPIA~~ poverty index of the school district is 28534  
greater than or equal to ~~six-tenths~~ 1.0, but less than ~~two-and~~ 28535  
~~one-half~~ 1.5, the formula number of teachers is calculated as 28536  
follows: 28537

$$\frac{43.478 + \{[(\text{DPIA index} - 0.6) / 1.9] \times 23.188\}}{50.0 + \{[(\text{poverty index} - 1.0) / 0.5] \times 16.667\}}$$

28538  
28539

Where ~~43.478~~ 50.0 is the number of teachers per one thousand 28540  
students at a student-teacher ratio of ~~twenty-three~~ twenty to one; 28541  
~~1.9~~ 0.5 is the interval from a ~~DPIA~~ poverty index of ~~six-tenths~~ 28542  
1.0 to a ~~DPIA~~ poverty index of ~~two-and one-half~~ 1.5; and ~~23.188~~ 28543  
16.667 is the difference in the number of teachers per one 28544  
thousand students at a student-teacher ratio of fifteen to one and 28545  
the number of teachers per one thousand students at a 28546  
student-teacher ratio of ~~twenty-three~~ twenty to one. 28547

(c) If the ~~DPIA~~ poverty index of the school district is 28548  
greater than or equal to ~~two-and one-half~~ 1.5, the formula number 28549  
of teachers is 66.667, which is the number of teachers per one 28550  
thousand students at a student-teacher ratio of fifteen to one. 28551

(2) Multiply the formula number of teachers determined or 28552  
calculated in division (E)(1) of this section by the kindergarten 28553  
through third grade ADM for the district and divide that product 28554  
by one thousand; 28555

(3) Calculate the number of new teachers as follows: 28556

(a) Multiply the kindergarten through third grade ADM by 28557

~~43.478~~ 50.0, which is the number of teachers per one thousand students at a student-teacher ratio of ~~twenty-three~~ twenty to one, and divide that product by one thousand;

(b) Subtract the quotient obtained in division (E)(3)(a) of this section from the product in division (E)(2) of this section.

(4) Multiply the greater of the difference obtained under division (E)(3) of this section or zero by the statewide average teachers ~~salary~~ compensation. For this purpose, the "statewide average teacher compensation" is \$53,680 in fiscal year 2006 and \$54,941 in fiscal year 2007, which includes an amount for the value of fringe benefits.

(F) A payment for services to limited English proficient students, if the district's poverty index is greater than or equal to 1.0 and the proportion of its students who are limited English proficient, as reported in 2003 on its school district report issued under section 3302.03 of the Revised Code for the 2002-2003 school year, is greater than or equal to 2.0%, calculated as follows:

(1) If the district's poverty index is greater than or equal to 1.0, but less than 1.75, determine the amount per limited English proficient student as follows:

{0.125 + [0.125 X ((poverty index - 1.0)/0.75)]} X formula amount

(2) If the district's poverty index is greater than or equal to 1.75, the amount per limited English proficient student equals:

0.25 X formula amount

(3) Multiply the per student amount determined for the district under division (F)(1) or (2) of this section by the number of the district's limited English proficient students, times a phase-in percentage of 0.40 in fiscal year 2006 and 0.70 in fiscal year 2007. For purposes of this calculation, the number of limited English proficient students for each district shall be

the number determined by the department when it calculated the 28589  
district's percentage of limited English students for its school 28590  
district report card issued in 2003 for the 2002-2003 school year. 28591

Not later than December 31, 2006, the department of education 28592  
shall recommend to the general assembly and the director of budget 28593  
and management a method of identifying the number of limited 28594  
English proficient students for purposes of calculating payments 28595  
under this division after fiscal year 2007. 28596

(G) A payment for professional development of teachers, if 28597  
the district's poverty index is greater than or equal to 1.0, 28598  
calculated as follows: 28599

(1) If the district's poverty index is greater than or equal 28600  
to 1.0, but less than 1.75, determine the amount per teacher as 28601  
follows: 28602

[(poverty index - 1.0)/ 0.75] X 0.045 X formula amount 28603

(2) If the district's poverty index is greater than or equal 28604  
to 1.75, the amount per teacher equals: 28605

0.045 X formula amount 28606

(3) Determine the number of teachers, as follows: 28607

(formula ADM/17) 28608

(4) Multiply the per teacher amount determined for the 28609  
district under division (G)(1) or (2) of this section by the 28610  
number of teachers determined under division (G)(3) of this 28611  
section, times a phase-in percentage of 0.40 in fiscal year 2006 28612  
and 0.70 in fiscal year 2007. 28613

(H) A payment for dropout prevention, if the district is a 28614  
big eight school district as defined in section 3314.02 of the 28615  
Revised Code, calculated as follows: 28616

0.005 X formula amount X poverty index 28617

X formula ADM X phase-in percentage 28618

Where "phase-in percentage" equals 0.40 in fiscal year 2006 28619  
and 0.70 in fiscal year 2007. 28620

(I) An amount for community outreach, if the district is an 28621  
urban school district as defined in section 3314.02 of the Revised 28622  
Code, calculated as follows: 28623

0.005 X formula amount X poverty index X 28624

formula ADM X phase-in percentage 28625

Where "phase-in percentage" equals 0.40 in fiscal year 2006 28626  
and 0.70 in fiscal year 2007. 28627

(J) This division applies only to school districts whose DPIA 28628  
poverty index is ~~one~~ 1.0 or greater. 28629

(1) Each school district subject to this division shall first 28630  
utilize funds received under this section so that, when combined 28631  
with other funds of the district, sufficient funds exist to 28632  
provide all-day kindergarten to at least the number of children in 28633  
the district's all-day kindergarten percentage. 28634

~~(2) Up to an amount equal to the district's DPIA index~~ 28635  
~~multiplied by its DPIA student count multiplied by two hundred~~ 28636  
~~thirty dollars of the money distributed under this section may be~~ 28637  
~~utilized~~ Each school district shall use its payment under division 28638  
(F) of this section for one or more of the following purposes: 28639

(a) To hire teachers for limited English proficient students 28640  
or other personnel to provide intervention services for those 28641  
students; 28642

(b) To contract for intervention services for those students; 28643

(c) To provide other services to assist those students in 28644  
passing the third-grade reading achievement test, and to provide 28645  
for those students the intervention services required by section 28646  
3313.608 of the Revised Code. 28647

(3) Each school district shall use its payment under division 28648

(G) of this section for professional development of teachers or 28649  
other licensed personnel providing educational services to 28650  
students only in one or more of the following areas: 28651

(a) Data-based decision making; 28652

(b) Standards-based curriculum models; 28653

(c) Job-embedded professional development activities that are 28654  
research-based, as defined in federal law. 28655

In addition, each district shall use the payment only to 28656  
implement programs identified on a list of eligible professional 28657  
development programs provided by the department of education. The 28658  
department annually shall provide the list to each district 28659  
receiving a payment under division (G) of this section. However, a 28660  
district may apply to the department for a waiver to implement an 28661  
alternative professional development program in one or more of the 28662  
areas specified in divisions (J)(3)(a) to (c) of this section. If 28663  
the department grants the waiver, the district may use its payment 28664  
under division (G) of this section to implement the alternative 28665  
program. 28666

(4) Each big eight school district shall use its payment 28667  
under division (H) of this section either for preventing at-risk 28668  
students from dropping out of school, for safety and security 28669  
measures described in division (J)(5)(b) of this section, for 28670  
academic intervention services described in division (J)(6) of 28671  
this section, or for a combination of those purposes. Not later 28672  
than September 1, 2005, the department of education shall provide 28673  
each big eight school district with a list of dropout prevention 28674  
programs that it has determined are successful. The department 28675  
subsequently may update the list. Each district that elects to use 28676  
its payment under division (H) of this section for dropout 28677  
prevention shall use the payment only to implement a dropout 28678  
prevention program specified on the department's list. However, a 28679

district may apply to the department for a waiver to implement an 28680  
alternative dropout prevention program. If the department grants 28681  
the waiver, the district may use its payment under division (H) of 28682  
this section to implement the alternative program. 28683

(5) Each urban school district that has a poverty index 28684  
greater than or equal to 1.0 shall use its payment under division 28685  
(I) of this section for one or a combination of the following 28686  
purposes: 28687

(a) To hire or contract for community liaison officers, 28688  
attendance or truant officers, or safety and security personnel; 28689

(b) To implement programs designed to ensure that schools are 28690  
free of drugs and violence and have a disciplined environment 28691  
conducive to learning; 28692

(c) To implement academic intervention services described in 28693  
division (J)(6) of this section. 28694

(6) Each school district with a poverty index greater than or 28695  
equal to 1.0 shall use the amount of its payment under division 28696  
(C) of this section, and may use any amount of its payment under 28697  
division (H) or (I) of this section, for one or both of the 28698  
following: 28699

~~(a) Programs designed to ensure that schools are free of~~ 28700  
~~drugs and violence and have a disciplined environment conducive to~~ 28701  
~~learning;~~ 28702

~~(b) Remediation academic intervention services for students~~ 28703  
~~who have failed or are in danger of failing any of the tests~~ 28704  
~~administered pursuant to section 3301.0710 of the Revised Code.~~ 28705

~~Beginning with the school year that starts on July 1, 2002,~~ 28706  
~~each school district shall use at least twenty per cent of the~~ 28707  
~~funds set aside for the purposes of divisions (F)(2)(a) and (b) of~~ 28708  
~~this section to provide, including intervention services required~~ 28709

by section 3313.608 of the Revised Code. No district shall spend 28710  
any portion of its payment under division (C) of this section for 28711  
any other purpose. Notwithstanding any provision to the contrary 28712  
in Chapter 4117. of the Revised Code, no collective bargaining 28713  
agreement entered into after the effective date of this amendment 28714  
shall require use of the payment for any other purpose. 28715

~~(3)(7)~~ Except as otherwise required by division ~~(G)(K)~~ or 28716  
permitted under division ~~(K)(O)~~ of this section, all ~~other~~ 28717  
~~remaining~~ funds distributed under this section to districts 28718  
~~subject to this division with a poverty index greater than or~~ 28719  
~~equal to 1.0~~ shall be utilized for the purpose of the third grade 28720  
guarantee. The third grade guarantee consists of increasing the 28721  
amount of instructional attention received per pupil in 28722  
kindergarten through third grade, either by reducing the ratio of 28723  
students to instructional personnel or by increasing the amount of 28724  
instruction and curriculum-related activities by extending the 28725  
length of the school day or the school year. 28726

School districts may implement a reduction of the ratio of 28727  
students to instructional personnel through any or all of the 28728  
following methods: 28729

(a) Reducing the number of students in a classroom taught by 28730  
a single teacher; 28731

(b) Employing full-time educational aides or educational 28732  
paraprofessionals issued a permit or license under section 28733  
3319.088 of the Revised Code; 28734

(c) Instituting a team-teaching method that will result in a 28735  
lower student-teacher ratio in a classroom. 28736

Districts may extend the school day either by increasing the 28737  
amount of time allocated for each class, increasing the number of 28738  
classes provided per day, offering optional academic-related 28739  
after-school programs, providing curriculum-related extra 28740

curricular activities, or establishing tutoring or remedial 28741  
services for students who have demonstrated an educational need. 28742  
In accordance with section 3319.089 of the Revised Code, a 28743  
district extending the school day pursuant to this division may 28744  
utilize a participant of the work experience program who has a 28745  
child enrolled in a public school in that district and who is 28746  
fulfilling the work requirements of that program by volunteering 28747  
or working in that public school. If the work experience program 28748  
participant is compensated, the school district may use the funds 28749  
distributed under this section for all or part of the 28750  
compensation. 28751

Districts may extend the school year either through adding 28752  
regular days of instruction to the school calendar or by providing 28753  
summer programs. 28754

~~(G)~~(K) Each district ~~subject to division (F) of this section~~ 28755  
shall not expend any funds received under division (E) of this 28756  
section in any school buildings that are not buildings with the 28757  
highest concentration of need, unless there is a ratio of 28758  
instructional personnel to students of no more than fifteen to one 28759  
in each kindergarten and first grade class in all buildings with 28760  
the highest concentration of need. This division does not require 28761  
that the funds used in buildings with the highest concentration of 28762  
need be spent solely to reduce the ratio of instructional 28763  
personnel to students in kindergarten and first grade. A school 28764  
district may spend the funds in those buildings in any manner 28765  
permitted by division ~~(F)~~(3)(J)(7) of this section, but may not 28766  
spend the money in other buildings unless the fifteen-to-one ratio 28767  
required by this division is attained. 28768

~~(H)~~(L)(1) By the first day of August of each fiscal year, 28769  
each school district wishing to receive any funds under division 28770  
(D) of this section shall submit to the department of education an 28771  
estimate of its all-day kindergarten percentage. Each district 28772

shall update its estimate throughout the fiscal year in the form 28773  
and manner required by the department, and the department shall 28774  
adjust payments under this section to reflect the updates. 28775

(2) Annually by the end of December, the department of 28776  
education, utilizing data from the information system established 28777  
under section 3301.0714 of the Revised Code and after consultation 28778  
with the legislative office of education oversight, shall 28779  
determine for each school district subject to division ~~(F)~~(J) of 28780  
this section whether in the preceding fiscal year the district's 28781  
ratio of instructional personnel to students and its number of 28782  
kindergarten students receiving all-day kindergarten appear 28783  
reasonable, given the amounts of money the district received for 28784  
that fiscal year pursuant to divisions (D) and (E) of this 28785  
section. If the department is unable to verify from the data 28786  
available that students are receiving reasonable amounts of 28787  
instructional attention and all-day kindergarten, given the funds 28788  
the district has received under this section and that class-size 28789  
reduction funds are being used in school buildings with the 28790  
highest concentration of need as required by division ~~(G)~~(K) of 28791  
this section, the department shall conduct a more intensive 28792  
investigation to ensure that funds have been expended as required 28793  
by this section. The department shall file an annual report of its 28794  
findings under this division with the chairpersons of the 28795  
committees in each house of the general assembly dealing with 28796  
finance and education. 28797

~~(I) Any~~ (M)(1) Each school district with a ~~DPIA~~ poverty index 28798  
less than ~~one~~ 1.0 and a three-year average formula ADM exceeding 28799  
seventeen thousand five hundred shall first utilize funds received 28800  
under this section so that, when combined with other funds of the 28801  
district, sufficient funds exist to provide all-day kindergarten 28802  
to at least the number of children in the district's all-day 28803  
kindergarten percentage. ~~Such a district~~ 28804

(2) Each school district with a poverty index less than 1.0 28805  
that receives a payment under division (C) of this section shall 28806  
use its payment under that division in accordance with all 28807  
requirements of division (J)(6) of this section. 28808

(3) Each school district with a poverty index less than 1.0 28809  
that receives a payment under division (I) of this section shall 28810  
use its payment under that division for one or a combination of 28811  
the following purposes: 28812

(a) To hire or contract for community liaison officers, 28813  
attendance or truant officers, or safety and security personnel; 28814

(b) To implement programs designed to ensure that schools are 28815  
free of drugs and violence and have a disciplined environment 28816  
conducive to learning; 28817

(c) To implement academic intervention services described in 28818  
division (J)(6) of this section. 28819

(4) Each school district to which division (M)(1), (2), or 28820  
(3) of this section applies shall expend at least seventy per cent 28821  
of the remaining funds received under this section, and any other 28822  
district with a DPIA poverty index less than one 1.0 shall expend 28823  
at least seventy per cent of all funds received under this 28824  
section, for any of the following purposes: 28825

+1+(a) The purchase of technology for instructional purposes 28826  
for remediation; 28827

+2+(b) All-day kindergarten; 28828

+3+(c) Reduction of class sizes in grades kindergarten 28829  
through three, as described in division (J)(7) of this section; 28830

+4+(d) Summer school remediation; 28831

+5+(e) Dropout prevention programs approved by the department 28832  
of education under division (J)(4) of this section; 28833

<del>(6)</del> (f) Guaranteeing that all third graders are ready to progress to more advanced work;	28834 28835

<del>(13)</del> (m) School breakfasts provided pursuant to section 3313.813 of the Revised Code.	28851 28852
<del>Each district shall submit to the department, in such format and at such time as the department shall specify, a report on the programs for which it expended funds under this division.</del>	28853 28854 28855
<del>(J)</del> (N) If at any time the superintendent of public instruction determines that a school district receiving funds under division (D) of this section has enrolled less than the all-day kindergarten percentage reported for that fiscal year, the superintendent shall withhold from the funds otherwise due the district under this section a proportional amount as determined by the difference in the certified all-day kindergarten percentage and the percentage actually enrolled in all-day kindergarten.	28856 28857 28858 28859 28860 28861 28862 28863

The superintendent shall also withhold an appropriate amount of funds otherwise due a district for any other misuse of funds not in accordance with this section.

~~(K)~~(O)(1) A district may use a portion of the funds calculated for it under division (D) of this section to modify or purchase classroom space to provide all-day kindergarten, if both of the following conditions are met:

(a) The district certifies to the department, in a manner acceptable to the department, that it has a shortage of space for providing all-day kindergarten.

(b) The district provides all-day kindergarten to the number of children in the all-day kindergarten percentage it certified under this section.

(2) A district may use a portion of the funds described in division ~~(F)~~~~(3)~~(J)(7) of this section to modify or purchase classroom space to enable it to further reduce class size in grades kindergarten through two with a goal of attaining class sizes of fifteen students per licensed teacher. To do so, the district must certify its need for additional space to the department, in a manner satisfactory to the department.

**Sec. 3317.0216.** (A) As used in this section:

(1) "Total taxes charged and payable for current expenses" means the sum of the taxes charged and payable as certified under division (A)(3)(a) of section 3317.021 of the Revised Code less any amounts reported under division (A)(3)(b) of that section, and the tax distribution for the preceding year under any school district income tax levied by the district pursuant to Chapter 5748. of the Revised Code to the extent the revenue from the income tax is allocated or apportioned to current expenses.

(2) "Charge-off amount" means the product obtained by

multiplying two and three-tenths per cent by recognized valuation. 28894

(3) Until fiscal year 2003, the "actual local share of 28895  
special education, transportation, and vocational education 28896  
funding" for any school district means the sum of the district's 28897  
attributed local shares described in divisions (F)(1) to (3) of 28898  
section 3317.022 of the Revised Code. Beginning in fiscal year 28899  
2003, the "actual local share of special education, 28900  
transportation, and vocational education funding" means that sum 28901  
minus the amount of any excess cost supplement payment calculated 28902  
for the district under division (F) of section 3317.022 of the 28903  
Revised Code. 28904

(B) Upon receiving the certifications under section 3317.021 28912  
of the Revised Code, the department of education shall determine 28913  
for each city, local, and exempted village school district whether 28914  
the district's charge-off amount is greater than the sum of the 28915  
district's total taxes charged and payable for current expenses 28916  
and current expense revenues from the tangible property tax 28917

of its total taxes charged and payable for current expenses and 28936  
current expense revenues from the tangible property tax 28937  
replacement fund minus its charge-off amount. 28938

division (B) or (C) of this section in the prior fiscal year is 28940  
ineligible for payment under those divisions in the current fiscal 28941  
year, the department shall determine if the ineligibility is the 28942  
result of a property tax or income tax levy approved by the 28943  
district's voters to take effect in tax year 2005 or thereafter. 28944  
If the department determines that is the case, and calculates that 28945  
the levy causing the ineligibility exceeded by at least one mill 28946  
the equivalent millage of the prior year's payment under divisions 28947  
(B) and (C) of this section, the department shall make a payment 28948

section, as follows: 28951

recognized valuation plus (ii) the attributed local shares of  
special education, transportation, and vocational education

The superintendent of each joint vocational school district	29333
shall also indicate the city, local, or exempted village school	29334
district in which each joint vocational district pupil is entitled	29335

shall be maintained a record of school membership, which record	29340
shall accurately show, for each day the school is in session, the	29341

of determining average daily membership, the membership figure of	29343
any school shall not include any pupils except those pupils	29344
described by division (A) of this section. The record of	29345
membership for each school shall be maintained in such manner that	29346
no pupil shall be counted as in membership prior to the actual	29347
date of entry in the school and also in such manner that where for	29348
any cause a pupil permanently withdraws from the school that pupil	29349
shall not be counted as in membership from and after the date of	29350

such withdrawal. There shall not be included in the membership of  
any school any of the following:

(1) Any pupil who has graduated from the twelfth grade of a  
public high school;

(2) Any pupil who is not a resident of the state;

(3) Any pupil who was enrolled in the schools of the district

the public schools by reason of induction or enlistment in the  
armed forces and who apply for reenrollment in the public school  
system of their residence not later than four years after  
termination of war or their honorable discharge.

If, however, any veteran described by division (E)(4) of this  
section elects to enroll in special courses organized for veterans  
for whom tuition is paid under the provisions of federal laws, or

membership.

Notwithstanding division (E)(3) of this section, the  
membership of any school may include a pupil who did not take a  
test required by section 3301.0711 of the Revised Code if the  
superintendent of public instruction grants a waiver from the  
requirement to take the test to the specific pupil. The  
superintendent may grant such a waiver only for good cause in  
accordance with rules adopted by the state board of education.

Except as provided in divisions (B)(2) and (F) of this

section, the average daily membership figure of any local, city, 29381  
exempted village, or joint vocational school district shall be 29382  
determined by dividing the figure representing the sum of the 29383  
number of pupils enrolled during each day the school of attendance 29384  
is actually open for instruction during the ~~first full school~~ week 29385  
~~in October~~ for which the formula ADM is being certified by the 29386  
total number of days the school was actually open for instruction 29387  
during that week. For purposes of state funding, "enrolled" 29388  
persons are only those pupils who are attending school, those who 29389  
have attended school during the current school year and are absent 29390  
for authorized reasons, and those handicapped children currently 29391  
receiving home instruction. 29392

The average daily membership figure of any cooperative 29393  
education school district shall be determined in accordance with 29394  
rules adopted by the state board of education. 29395

(F)(1) If the formula ADM for the first full school week in 29396  
February is at least three per cent greater than that certified 29397  
for the first full school week in the preceding October, the 29398  
superintendent of schools of any city, exempted village, or joint 29399  
vocational school district or educational service center shall 29400  
certify such increase to the superintendent of public instruction. 29401  
Such certification shall be submitted no later than the fifteenth 29402  
day of February. For the balance of the fiscal year, beginning 29403  
with the February payments, the superintendent of public 29404  
instruction shall use the increased formula ADM in calculating or 29405  
recalculating the amounts to be allocated in accordance with 29406  
section 3317.022 or 3317.16 of the Revised Code. In no event shall 29407  
the superintendent use an increased membership certified to the 29408  
superintendent after the fifteenth day of February. 29409

(2) If on the first school day of April the total number of 29410  
classes or units for handicapped preschool children that are 29411  
eligible for approval under division (B) of section 3317.05 of the 29412

Revised Code exceeds the number of units that have been approved 29413  
for the year under that division, the superintendent of schools of 29414  
any city, exempted village, or cooperative education school 29415  
district or educational service center shall make the 29416  
certifications required by this section for that day. If the 29417  
department determines additional units can be approved for the 29418  
fiscal year within any limitations set forth in the acts 29419  
appropriating moneys for the funding of such units, the department 29420  
shall approve additional units for the fiscal year on the basis of 29421  
such average daily membership. For each unit so approved, the 29422  
department shall pay an amount computed in the manner prescribed 29423  
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 29424  
Code. 29425

(3) If a student attending a community school under Chapter 29426  
3314. of the Revised Code is not included in the formula ADM 29427  
certified for the first full school week of October for the school 29428  
district in which the student is entitled to attend school under 29429  
section 3313.64 or 3313.65 of the Revised Code, the department of 29430  
education shall adjust the formula ADM of that school district to 29431  
include the community school student in accordance with division 29432  
(C)(2) of this section, and shall recalculate the school 29433  
district's payments under this chapter for the entire fiscal year 29434  
on the basis of that adjusted formula ADM. This requirement 29435  
applies regardless of whether the student was enrolled, as defined 29436  
in division (E) of this section, in the community school during 29437  
the first full school week in October. 29438

(G)(1)~~(a)~~ The superintendent of an institution operating a 29439

29451  
29452  
29453

~~(b) The superintendent of an institution with vocational education units approved under division (A) of section 3317.05 of the Revised Code shall, for the units under the superintendent's supervision, certify to the state board of education the average daily membership in those units, in the manner prescribed by the superintendent of public instruction.~~ 29454  
29455

29469  
29470  
29471  
29472

29474  
29475

division (B) of section 3317.05 of the Revised Code is greater 29476  
than the number of units approved for the year under that 29477  
division, the superintendent shall make the certification required 29478  
by this section for that day. 29479

(b) If the department determines that additional classes or 29480  
units can be approved for the fiscal year within any limitations 29481  
set forth in the acts appropriating moneys for the funding of the 29482  
classes and units described in division (G)(3)(a) of this section, 29483  
the department shall approve and fund additional units for the 29484  
fiscal year on the basis of such average daily membership. For 29485  
each unit so approved, the department shall pay an amount computed 29486  
in the manner prescribed in sections 3317.052 and 3317.053 of the 29487

(H) Except as provided in division (I) of this section, when 29489  
any city, local, or exempted village school district provides 29490  
instruction for a nonresident pupil whose attendance is 29491  
unauthorized attendance as defined in section 3327.06 of the 29492  
Revised Code, that pupil's membership shall not be included in 29493  
that district's membership figure used in the calculation of that 29494  
district's formula ADM or included in the determination of any 29495  
unit approved for the district under section 3317.05 of the 29496  
Revised Code. The reporting official shall report separately the 29497  
average daily membership of all pupils whose attendance in the 29498  
district is unauthorized attendance, and the membership of each 29499  
such pupil shall be credited to the school district in which the 29500  
pupil is entitled to attend school under division (B) of section 29501

immediately reimburse the state in such excess amount. 30054

Any payments made to chartered nonpublic schools under this 30055  
section may be disbursed without submission to and approval of the 30056  
controlling board. 30057

**Sec. 3317.07.** The state board of education shall establish 30058  
rules for the purpose of distributing subsidies for the purchase 30059  
of school buses under division (E) of section 3317.024 of the 30060  
Revised Code. 30061

No school bus subsidy payments shall be paid to any district 30062  
unless such district can demonstrate that pupils residing more 30063  
than one mile from the school could not be transported without 30064  
such additional aid. 30065

The amount paid to a county MR/DD board for buses purchased 30066  
for transportation of children in special education programs 30067

operated by the board shall be ~~one hundred per cent of the board's~~ 30068  
~~net cost~~ based on a per pupil allocation for eligible students. 30069

The amount paid to a school district for buses purchased for 30070  
transportation of handicapped and nonpublic school pupils shall be 30071  
~~one hundred per cent of the school district's net cost~~ determined 30072  
by a per pupil allocation based on the number of special education 30073  
and nonpublic school pupils for whom transportation is provided. 30074

The state board of education shall adopt a formula to 30075  
determine the amount of payments that shall be distributed to 30076  
school districts to purchase school buses for pupils other than 30077  
handicapped or nonpublic school pupils. 30078

If any district or MR/DD board obtains bus services for pupil 30079  
transportation pursuant to a contract, such district or board may 30080  
use payments received under this section to defray the costs of 30081  
contracting for bus services in lieu of for purchasing buses. 30082

If the department of education determines that a county MR/DD 30083  
board no longer needs a school bus because the board no longer 30084  
transports children to a special education program operated by the 30085  
board, or if the department determines that a school district no 30086  
longer needs a school bus to transport pupils to a nonpublic 30087  
school or special education program, the department may reassign a 30088  
bus that was funded with payments provided pursuant to this 30089  
section for the purpose of transporting such pupils. The 30090  
department may reassign a bus to a county MR/DD board or school 30091  
district that transports children to a special education program 30092  
designated in the children's individualized education plans, or to 30093  
a school district that transports pupils to a nonpublic school, 30094  
and needs an additional school bus. 30095

(B) Tuition computed in accordance with this section shall equal the attendance district's tuition rate computed under section 3317.08 of the Revised Code plus the amount that district would have received for the child pursuant to sections 3317.022, 3317.023, and 3317.025 to ~~3317.0213~~ 3317.0211 of the Revised Code during the school year had the attendance district been authorized to count the child in its formula ADM for that school year under section 3317.03 of the Revised Code.

The department of job and family services shall certify this 30162  
information according to the school district of residence for each 30163  
child. Except as provided under division (B) of this section, the 30164  
number of children so certified in any year shall be used by the 30165  
department of education in calculating the distribution of moneys 30166  
for the ensuing fiscal year as provided in section 3317.029 of the 30167  
Revised Code. 30168

(B) Upon the transfer of part of the territory of one school 30169  
district to the territory of one or more other school districts, 30170  
the department of education may adjust the number of children 30171  
certified under division (A) of this section for any district 30172  
gaining or losing territory in such a transfer in order to take 30173  
into account the effect of the transfer on the number of such 30174  
children who reside in the district. Within sixty days of receipt 30175  
of a request for information from the department of education, the 30176  
department of job and family services shall provide any 30177  
information the department of education determines is necessary to 30178  
make such adjustments. The department of education may use the 30179  
adjusted number for any district for the applicable fiscal year, 30180  
in lieu of the number certified for the district for that fiscal 30181  
year under division (A) of this section, in the calculation of the 30182  
distribution of moneys provided in section 3317.029 of the Revised 30183

**Sec. 3317.16.** (A) As used in this section: 30185

(1) "State share percentage" means the percentage calculated 30186  
for a joint vocational school district as follows: 30187

(a) Calculate the state base cost funding amount for the 30188

district under division (B) of this section. If the district would 30189  
not receive any base cost funding for that year under that 30190  
division, the district's state share percentage is zero. 30191

(b) If the district would receive base cost funding under 30192  
that division, divide that base cost amount by an amount equal to 30193  
the following: 30194

cost-of-doing-business factor X 30195  
the formula amount X 30196  
formula ADM 30197

The resultant number is the district's state share 30198  
percentage. 30199

(2) The "total special education weight" for a joint 30200  
vocational school district shall be calculated in the same manner 30201  
as prescribed in division (B)(1) of section 3317.022 of the 30202  
Revised Code. 30203

(3) The "total vocational education weight" for a joint 30204  
vocational school district shall be calculated in the same manner 30205  
as prescribed in division (B)(4) of section 3317.022 of the 30206  
Revised Code. 30207

(4) The "total recognized valuation" of a joint vocational 30208  
school district shall be determined by adding the recognized 30209  
valuations of all its constituent school districts for the 30210  
applicable fiscal year. 30211

(5) "Resident district" means the city, local, or exempted 30212

school under section 3313.64 or 3313.65 of the Revised Code. 30214

(6) "Community school" means a community school established 30215  
under Chapter 3314. of the Revised Code. 30216

(B) The department of education shall compute and distribute 30217  
state base cost funding to each joint vocational school district 30218

for the fiscal year in accordance with division (B) of this 30219  
section. 30220

(1) Compute the following formula for each eligible district: 30221  
    (cost-of-doing-business factor X 30222  
        formula amount X 30223  
        formula ADM) - 30224  
    (.0005 X total recognized valuation) 30225

If the difference obtained under this division is a negative 30226  
number, the district's computation shall be zero. 30227

(2) Compute both of the following for each district: 30228

(a) The difference of (i) the district's fiscal year 2005 30229  
base cost payment under the version of division (B) of this 30230  
section in effect in fiscal year 2005, minus (ii) the amount 30231  
computed for the district for the current fiscal year under 30232  
current division (B)(1) of this section; 30233

(b) The following amount: 30234  
[(fiscal year 2005 base cost payment/fiscal year 2005 formula 30235  
ADM) X current year formula ADM] minus the amount computed for 30236  
the district under current division (B)(1) of this section 30237

If one of the amounts computed under division (B)(2)(a) or 30238  
(b) of this section is a positive amount, the department shall pay 30239  
the district that amount in addition to the amount calculated 30240  
under division (B)(1) of this section. If both amounts are 30241  
positive amounts, the department shall pay the district the lesser 30242  
of the two amounts in addition to the amount calculated under 30243  
division (B)(1) of this section. 30244

(C)(1) The department shall compute and distribute state 30245  
vocational education additional weighted costs funds to each joint 30246  
vocational school district in accordance with the following 30247  
formula: 30248

state share percentage X formula amount X 30249

total vocational education weight 30250

In each fiscal year, a joint vocational school district 30251  
receiving funds under division (C)(1) of this section shall spend 30252  
those funds only for the purposes the department designates as 30253  
approved for vocational education expenses. Vocational educational 30254  
expenses approved by the department shall include only expenses 30255  
connected to the delivery of career-technical programming to 30256  
career-technical students. The department shall require the joint 30257  
vocational school district to report data annually so that the 30258  
department may monitor the district's compliance with the 30259  
requirements regarding the manner in which funding received under 30260  
division (C)(1) of this section may be spent. 30261

(2) The department shall compute for each joint vocational 30262  
school district state funds for vocational education associated 30263  
services costs in accordance with the following formula: 30264

state share percentage X .05 X 30265

the formula amount X the sum of 30266

categories one and two vocational 30267

education ADM 30268

In any fiscal year, a joint vocational school district 30269  
receiving funds under division (C)(2) of this section, or through 30270  
a transfer of funds pursuant to division (L) of section 3317.023 30271  
of the Revised Code, shall spend those funds only for the purposes 30272  
that the department designates as approved for vocational 30273  
education associated services expenses, which may include such 30274  
purposes as apprenticeship coordinators, coordinators for other 30275  
vocational education services, vocational evaluation, and other 30276  
purposes designated by the department. The department may deny 30277  
payment under division (C)(2) of this section to any district that 30278  
the department determines is not operating those services or is 30279  
using funds paid under division (C)(2) of this section, or through 30280

a transfer of funds pursuant to division (L) of section 3317.023 30281  
of the Revised Code, for other purposes. 30282

(D)(1) The department shall compute and distribute state 30283  
special education and related services additional weighted costs 30284  
funds to each joint vocational school district in accordance with 30285  
the following formula: 30286

state share percentage X formula amount X 30287  
total special education weight 30288

(2)(a) As used in this division, the "personnel allowance" 30289  
means thirty thousand dollars in fiscal years 2002, 2003, 2004, 30290  
~~and~~ 2005, 2006, and 2007. 30291

(b) For the provision of speech language pathology services 30292  
to students, including students who do not have individualized 30293  
education programs prepared for them under Chapter 3323. of the 30294  
Revised Code, and for no other purpose, the department shall pay 30295  
each joint vocational school district an amount calculated under 30296  
the following formula: 30297

(formula ADM divided by 2000) X the personnel 30298  
allowance X state share percentage 30299

(3) In any fiscal year, a joint vocational school district 30300  
shall spend for purposes that the department designates as 30301  
approved for special education and related services expenses at 30302  
least the amount calculated as follows: 30303

(cost-of-doing-business factor X formula amount 30304  
X the sum of categories one through 30305  
six special education ADM) + 30306  
(total special education weight X 30307  
formula amount) 30308

The purposes approved by the department for special education 30309  
expenses shall include, but shall not be limited to, compliance 30310  
with state rules governing the education of handicapped children, 30311

providing services identified in a student's individualized 30312  
education program as defined in section 3323.01 of the Revised 30313  
Code, provision of speech language pathology services, and the 30314  
portion of the district's overall administrative and overhead 30315  
costs that are attributable to the district's special education 30316  
student population. 30317

The department shall require joint vocational school 30318  
districts to report data annually to allow for monitoring 30319  
compliance with division (D)(3) of this section. The department 30320  
shall annually report to the governor and the general assembly the 30321  
amount of money spent by each joint vocational school district for 30322  
special education and related services. 30323

(4) In any fiscal year, a joint vocational school district 30324  
shall spend for the provision of speech language pathology 30325  
services not less than the sum of the amount calculated under 30326  
division (D)(1) of this section for the students in the district's 30327  
category one special education ADM and the amount calculated under 30328  
division (D)(2) of this section. 30329

(E)(1) If a joint vocational school district's costs for a 30330  
fiscal year for a student in its categories two through six 30331  
special education ADM exceed the threshold catastrophic cost for 30332  
serving the student, as specified in division (C)(3)(b) of section 30333  
3317.022 of the Revised Code, the district may submit to the 30334  
superintendent of public instruction documentation, as prescribed 30335  
by the superintendent, of all of its costs for that student. Upon 30336  
submission of documentation for a student of the type and in the 30337  
manner prescribed, the department shall pay to the district an 30338  
amount equal to the sum of the following: 30339

(a) One-half of the district's costs for the student in 30340  
excess of the threshold catastrophic cost; 30341

(b) The product of one-half of the district's costs for the 30342

student in excess of the threshold catastrophic cost multiplied by 30343  
the district's state share percentage. 30344

(2) The district shall only report under division (E)(1) of 30345  
this section, and the department shall only pay for, the costs of 30346  
educational expenses and the related services provided to the 30347  
student in accordance with the student's individualized education 30348  
program. Any legal fees, court costs, or other costs associated 30349  
with any cause of action relating to the student may not be 30350  
included in the amount. 30351

(F) Each fiscal year, the department shall pay each joint 30352  
vocational school district an amount for adult technical and 30353  
vocational education and specialized consultants. 30354

(G)(1) A joint vocational school district's local share of 30355  
special education and related services additional weighted costs 30356  
equals: 30357

(1 - state share percentage) X 30358  
Total special education weight X 30359  
the formula amount 30360

(2) For each handicapped student receiving special education 30361  
and related services under an individualized education program, as 30362  
defined in section 3323.01 of the Revised Code, at a joint 30363  
vocational district, the resident district or, if the student is 30364  
enrolled in a community school, the community school shall be 30365  
responsible for the amount of any costs of providing those special 30366  
education and related services to that student that exceed the sum 30367  
of the amount calculated for those services attributable to that 30368  
student under divisions (B), (D), (E), and (G)(1) of this section. 30369

Those excess costs shall be calculated by subtracting the sum 30370  
of the following from the actual cost to provide special education 30371  
and related services to the student: 30372

(a) The product of the formula amount times the 30373

cost-of-doing-business factor; 30374

(b) The product of the formula amount times the applicable 30375  
multiple specified in section 3317.013 of the Revised Code; 30376

(c) Any funds paid under division (E) of this section for the 30377  
student; 30378

related services to the student, not including the amount 30381  
calculated under division (G)(2) of this section. 30382

(3) The board of education of the joint vocational school 30383  
district ~~shall~~ may report the excess costs calculated under 30384  
division (G)(2) of this section to the department of education. 30385

school district reports excess costs under division (G)(3) of this 30387  
section, the department shall pay the amount of excess cost 30388  
calculated under division (G)(2) of this section to the joint 30389  
vocational school district and shall deduct that amount as 30390  
provided in division (G)(4)(a) or (b) of this section, as 30391  
applicable: 30392

(a) If the student is not enrolled in a community school, the 30393  
department shall deduct the amount from the account of the 30394  
student's resident district pursuant to division (M) of section 30395  
3317.023 of the Revised Code. 30396

(b) If the student is enrolled in a community school, the 30397  
department shall deduct the amount from the account of the 30398  
community school pursuant to section 3314.083 of the Revised Code. 30399

this section:

~~(formula amount X the cost of doing business factor~~  
~~for the child's school district) +~~

fiscal year 2005) + (state share percentage for fiscal year 2005 X 30435  
formula amount for fiscal year 2005 X the applicable weight); 30436

(2) (The current formula amount times the current 30437  
cost-of-doing-business factor for the child's school district) + 30438  
(state share percentage X current formula amount X the applicable 30439  
weight). 30440

total number of children served in the units that year; 30457

increased but not reduced unless such reduction is a part of a 30839  
uniform plan affecting the nonteaching employees of the entire 30840  
district. 30841

(C) The contracts as provided for in this section may be 30842  
terminated by a majority vote of the board of education. ~~Such~~ 30843  
Except as provided in sections 3319.0810 and 3319.172 of the 30844  
Revised Code, the contracts may be terminated only for violation 30845  
of written rules and regulations as set forth by the board of 30846  
education or for incompetency, inefficiency, dishonesty, 30847  
drunkenness, immoral conduct, insubordination, discourteous 30848  
treatment of the public, neglect of duty, or any other acts of 30849  
misfeasance, malfeasance, or nonfeasance. In addition to the right 30850  
of the board of education to terminate the contract of an 30851  
employee, the board may suspend an employee for a definite period 30852  
of time or demote the employee for the reasons set forth in this 30853  
division. The action of the board of education terminating the 30854  
contract of an employee or suspending or demoting ~~him~~ the employee 30855  
shall be served upon the employee by certified mail. Within ten 30856  
days following the receipt of such notice by the employee, the 30857  
employee may file an appeal, in writing, with the court of common 30858  
pleas of the county in which such school board is situated. After 30859  
hearing the appeal the common pleas court may affirm, disaffirm, 30860  
or modify the action of the school board. 30861

A violation of division (A)(7) of section 2907.03 of the 30862  
Revised Code is grounds for termination of employment of a 30863  
nonteaching employee under this division. 30864

(D) All employees who have been employed by a school district 30865  
where the provisions of Chapter 124. of the Revised Code do not 30866

apply, for a period of at least three years on November 24, 1967,  
shall hold continuing contracts of employment pursuant to this  
section.

(E) Any nonteaching school employee may terminate ~~his~~ the  
nonteaching school employee's contract of employment thirty days  
subsequent to the filing of a written notice of such termination  
with the treasurer of the board.

(F) A person hired exclusively for the purpose of replacing a  
nonteaching school employee while such employee is on leave of  
absence granted under section 3319.13 of the Revised Code is not a  
regular nonteaching school employee under this section.

(G) All nonteaching employees employed pursuant to this  
section and Chapter 124. of the Revised Code shall be paid for all  
time lost when the schools in which they are employed are closed  
owing to an epidemic or other public calamity. Nothing in this  
division shall be construed as requiring payment in excess of an  
employee's regular wage rate or salary for any time worked while  
the school in which ~~he~~ the employee is employed is officially  
closed for the reasons set forth in this division.

**Sec. 3319.0810.** (A) The board of education of any school  
district wherein the provisions of Chapter 124. of the Revised  
Code do not apply may terminate any of its transportation staff  
positions for reasons of economy and efficiency if the board  
instead of employing its own staff to transport some or all of the  
students enrolled in the district schools enters into a contract  
with an independent agent for the provision of transportation  
services for such students. Such a contract may be entered into  
only if all of the following conditions are satisfied:

(1) Any collective bargaining agreement between the employee  
organization representing the employees whose positions are

terminated under this section and the board has expired or will 30897  
expire within sixty days and has not been renewed in conformance 30898  
with provisions of that agreement and with Chapter 4117. of the 30899  
Revised Code, or the agreement contains provisions permitting the 30900  
termination of positions for reasons of economy and efficiency 30901  
while the agreement is in force and the board is in conformance 30902  
with those provisions. 30903

(2) The board permits any employee whose position is 30904  
terminated under this section to fill any vacancy within the 30905  
district's organization for which the employee is qualified. The 30906  
board shall select from among similarly qualified employees to 30907  
fill such vacancies pursuant to procedures established under any 30908  
collective bargaining agreement between the employee organization 30909  
representing the terminated employees and the board that is in 30910  
force at the time of the termination, or in absence of such 30911  
provisions on the basis of seniority of employment by the board 30912  
with the employee with the greatest seniority having highest 30913  
priority. 30914

(3) Unless a collective bargaining agreement between the 30915  
employee organization representing the terminated employees and 30916  
the board that is in force at the time of the termination provides 30917  
otherwise, the board permits any employee whose position is 30918  
terminated under this section to fill the employee's former 30919  
position in the event that the board reinstates that position 30920  
within one year after the date the position is terminated under 30921  
this section. 30922

(4) The board permits any employee whose position is 30923  
terminated under this section to appeal in accordance with section 30924  
119.12 of the Revised Code the board's decision to terminate the 30925  
employee's position, not to hire that employee for another 30926  
position pursuant to division (A)(2) of this section, or not to 30927  
rehire that employee for the position if it is reinstated within 30928

one year after the position is terminated pursuant to division 30929  
(A)(3) of this section. 30930

(5) The contract entered into by the board and an independent 30931  
agent for the provision of transportation services contains a 30932  
stipulation requiring the agent to consider hiring any employees 30933  
of the school district whose positions are terminated under this 30934  
section for similar positions within the agent's organization. 30935

(6) The contract entered into by the board and an independent 30936  
agent for the provision of transportation services contains a 30937  
stipulation requiring the agent to recognize for purposes of 30938  
employee representation in collective bargaining any employee 30939  
organization that represented the employees whose positions are 30940  
terminated under this section in collective bargaining with the 30941  
board at the time of the termination provided: 30942

(a) A majority of all employees in the bargaining unit agree 30943  
to such representation; 30944

(b) Such representation is not prohibited by federal law, 30945  
including any ruling of the national labor relations board; 30946

(c) The employee organization is not prohibited from 30947  
representing nonpublic employees by other provisions of law or its 30948  
own governing instruments. 30949

However, any employee whose position is terminated under this 30950  
section shall not be compelled to be included in such bargaining 30951  
unit if there is another bargaining unit within the agent's 30952  
organization that is applicable to the employee. 30953

(B) If after terminating any positions of employment under 30954  
this section the board fails to comply with any condition 30955  
prescribed in division (A) of this section or fails to enforce on 30956  
the agent its contractual obligations prescribed in divisions 30957  
(A)(5) and (6) of this section, the terminations shall be void and 30958

the board shall reinstate the positions and fill them with the 30959  
employees who filled those positions just prior to the 30960  
terminations. Such employees shall be compensated at a rate equal 30961  
to their rate of compensation in those positions just prior to the 30962  
terminations plus any increases paid since the terminations to 30963  
other nonteaching employees. The employees shall also be entitled 30964  
to back pay at such rate for the period from the date of the 30965  
terminations to the date of the reinstatements minus any pay 30966  
received by the employees during any time the board was in 30967  
compliance with such conditions or during any time the board 30968  
enforced those obligations. 30969

Any employee aggrieved by the failure of the board to comply 30970  
with any condition prescribed in division (A) of this section or 30971  
to enforce on the agent its contractual obligations prescribed in 30972  
divisions (A)(5) and (6) of this section shall have the right to 30973  
sue the board for reinstatement of the employee's former position 30974  
as provided for in this division in the court of common pleas for 30975  
the county in which the school district is located or, if the 30976  
school district is located in more than one county, in the court 30977  
of common pleas for the county in which the majority of the 30978  
territory of the school district is located. 30979

**Sec. 3319.17.** (A) As used in this section, "interdistrict 30980  
contract" means any contract or agreement entered into by an 30981  
educational service center governing board and another board or 30982  
other public entity pursuant to section 3313.17, 3313.841, 30983  
3313.842, 3313.843, 3313.91, or 3323.08 of the Revised Code, 30984  
including any such contract or agreement for the provision of 30985  
services funded under division (L) of section 3317.024 of the 30986  
Revised Code or provided in any unit approved under section 30987  
3317.05 of the Revised Code. 30988

(B) When, for any of the following reasons that apply to any 30989

city, exempted village, local, or joint vocational school district 30990  
or any educational service center, the board decides that it will 30991  
be necessary to reduce the number of teachers it employs, it may 30992  
make a reasonable reduction: 30993

(1) In the case of any district or service center, return to 30994  
duty of regular teachers after leaves of absence including leaves 30995  
provided pursuant to division (B) of section 3314.10 of the 30996  
Revised Code, suspension of schools, ~~or~~ territorial changes 30997  
affecting the district or center, or financial reasons; 30998

(2) In the case of any city, exempted village, local, or 30999  
joint vocational school district, decreased enrollment of pupils 31000  
in the district; 31001

(3) In the case of any governing board of a service center 31002  
providing any particular service directly to pupils pursuant to 31003  
one or more interdistrict contracts requiring such service, 31004  
reduction in the total number of pupils the governing board is 31005  
required to provide with the service under all interdistrict 31006  
contracts as a result of the termination or nonrenewal of one or 31007  
more of these interdistrict contracts; 31008

(4) In the case of any governing board providing any 31009  
particular service that it does not provide directly to pupils 31010  
pursuant to one or more interdistrict contracts requiring such 31011  
service, reduction in the total level of the service the governing 31012  
board is required to provide under all interdistrict contracts as 31013  
a result of the termination or nonrenewal of one or more of these 31014  
interdistrict contracts. 31015

(C) In making any such reduction, any city, exempted village, 31016  
local, or joint vocational school board shall proceed to suspend 31017  
contracts in accordance with the recommendation of the 31018  
superintendent of schools who shall, within each teaching field 31019  
affected, give preference first to teachers on continuing 31020

contracts and then to teachers who have greater seniority. In 31021  
making any such reduction, any governing board of a service center 31022  
shall proceed to suspend contracts in accordance with the 31023  
recommendation of the superintendent who shall, within each 31024  
teaching field or service area affected, give preference first to 31025  
teachers on continuing contracts and then to teachers who have 31026  
greater seniority. 31027

On a case-by-case basis, in lieu of suspending a contract in 31028  
whole, a board may suspend a contract in part, so that an 31029  
individual is required to work a percentage of the time the 31030  
employee otherwise is required to work under the contract and 31031  
receives a commensurate percentage of the full compensation the 31032  
employee otherwise would receive under the contract. 31033

The teachers whose continuing contracts are suspended by any 31034  
board pursuant to this section shall have the right of restoration 31035  
to continuing service status by that board in the order of 31036  
seniority of service in the district or service center if and when 31037  
teaching positions become vacant or are created for which any of 31038  
such teachers are or become qualified. No teacher whose continuing 31039  
contract has been suspended pursuant to this section shall lose 31040  
that right of restoration to continuing service status by reason 31041  
of having declined recall to a position that is less than 31042  
full-time or, if the teacher was not employed full-time just prior 31043  
to suspension of the teacher's continuing contract, to a position 31044  
requiring a lesser percentage of full-time employment than the 31045  
position the teacher last held while employed in the district or 31046  
service center. 31047

(D) Notwithstanding any provision to the contrary in Chapter 31048  
4117. of the Revised Code, the requirements of this section 31049  
prevail over any conflicting provisions of agreements between 31050  
employee organizations and public employers entered into after the 31051  
effective date of this amendment. 31052

Sec. 3319.172. The board of education of each school district 31053  
wherein the provisions of Chapter 124. of the Revised Code do not 31054  
apply and the governing board of each educational service center 31055  
may adopt a resolution ordering reasonable reductions in the 31056  
number of nonteaching employees for any of the reasons for which 31057  
the board of education or governing board may make reductions in 31058  
teaching employees, as set forth in division (B) of section 31059  
3319.17 of the Revised Code. 31060

In making any reduction under this section, the board of 31061  
education or governing board shall proceed to suspend contracts in 31062  
accordance with the recommendation of the superintendent of the 31063  
district or service center who shall, within each pay 31064  
classification affected, give preference first to employees under 31065  
continuing contracts and then to employees on the basis of 31066  
seniority. On a case-by-case basis, in lieu of suspending a 31067  
contract in whole, a board may suspend a contract in part, so that 31068  
an individual is required to work a percentage of the time the 31069  
employee otherwise is required to work under the contract and 31070  
receives a commensurate percentage of the full compensation the 31071  
employee otherwise would receive under the contract. 31072

Any nonteaching employee whose continuing contract is 31073  
suspended under this section shall have the right of restoration 31074  
to continuing service status by the board of education or 31075  
governing board that suspended that contract in order of seniority 31076  
of service in the district or service center, if and when a 31077  
nonteaching position for which the employee is qualified becomes 31078  
vacant or is created. No nonteaching employee whose continuing 31079  
contract has been suspended under this section shall lose that 31080  
right of restoration to continuing service status by reason of 31081  
having declined recall to a position requiring fewer regularly 31082  
scheduled hours of work than required by the position the employee 31083

last held while employed in the district or service center. 31084

Notwithstanding any provision to the contrary in Chapter 31085  
4117. of the Revised Code, the requirements of this section 31086  
prevail over any conflicting provisions of agreements between 31087  
employee organizations and public employers entered into after the 31088  
effective date of this section. 31089

**Sec. 3319.22.** (A)(1) The state board of education shall adopt 31090  
rules establishing the standards and requirements for obtaining 31091  
temporary, associate, provisional, and professional educator 31092  
licenses of any categories, types, and levels the board elects to 31093  
provide. However, no educator license shall be required for 31094  
teaching children two years old or younger. 31095

(2) If the state board requires any examinations for educator 31096  
licensure, the department of education shall provide the results 31097  
of such examinations received by the department to the Ohio board 31098  
of regents, in the manner and to the extent permitted by state and 31099  
federal law. 31100

(B) Any rules the state board of education adopts, amends, or 31101  
rescinds for educator licenses under this section, division (D) of 31102  
section 3301.07 of the Revised Code, or any other law shall be 31103  
adopted, amended, or rescinded under Chapter 119. of the Revised 31104  
Code except as follows: 31105

(1) Notwithstanding division (D) of section 119.03 and 31106  
division (A)(1) of section 119.04 of the Revised Code, in the case 31107  
of the adoption of any rule or the amendment or rescission of any 31108  
rule that necessitates institutions' offering teacher preparation 31109  
programs that are approved by the state board of education under 31110  
section 3319.23 of the Revised Code to revise the curriculum of 31111  
those programs, the effective date shall not be as prescribed in 31112  
division (D) of section 119.03 and division (A)(1) of section 31113

119.04 of the Revised Code. Instead, the effective date of such 31114  
rules, or the amendment or rescission of such rules, shall be the 31115  
date prescribed by section 3319.23 of the Revised Code. 31116

(2) Notwithstanding the authority to adopt, amend, or rescind 31117  
emergency rules in division (F) of section 119.03 of the Revised 31118  
Code, this authority shall not apply to the state board of 31119  
education with regard to rules for educator licenses. 31120

(C)(1) The rules adopted under this section establishing 31121  
standards requiring additional coursework for the renewal of any 31122  
educator license shall require a school district and a chartered 31123  
nonpublic school to establish local professional development 31124  
committees. In a nonpublic school, the chief administrative 31125  
officer shall establish the committees in any manner acceptable to 31126  
such officer. The committees established under this division shall 31127  
determine whether coursework that a district or chartered 31128  
nonpublic school teacher proposes to complete meets the 31129  
requirement of the rules. The department of education shall 31130  
provide technical assistance and support to committees as the 31131  
committees incorporate the professional development standards 31132  
adopted by the state board of education pursuant to section 31133  
3319.61 of the Revised Code into their review of coursework that 31134  
is appropriate for license renewal. The rules shall establish a 31135  
procedure by which a teacher may appeal the decision of a local 31136  
professional development committee. 31137

(2) In any school district in which there is no exclusive 31138  
representative established under Chapter 4117. of the Revised 31139  
Code, the professional development committees shall be established 31140  
as described in division (C)(2) of this section. 31141

Not later than the effective date of the rules adopted under 31142  
this section, the board of education of each school district shall 31143  
establish the structure for one or more local professional 31144

development committees to be operated by such school district. The 31145  
committee structure so established by a district board shall 31146  
remain in effect unless within thirty days prior to an anniversary 31147  
of the date upon which the current committee structure was 31148  
established, the board provides notice to all affected district 31149  
employees that the committee structure is to be modified. 31150  
Professional development committees may have a district-level or 31151  
building-level scope of operations, and may be established with 31152  
regard to particular grade or age levels for which an educator 31153  
license is designated. 31154

Each professional development committee shall consist of at 31155  
least three classroom teachers employed by the district, one 31156  
principal employed by the district, and one other employee of the 31157  
district appointed by the district superintendent. For committees 31158  
with a building-level scope, the teacher and principal members 31159  
shall be assigned to that building, and the teacher members shall 31160  
be elected by majority vote of the classroom teachers assigned to 31161  
that building. For committees with a district-level scope, the 31162  
teacher members shall be elected by majority vote of the classroom 31163  
teachers of the district, and the principal member shall be 31164  
elected by a majority vote of the principals of the district, 31165  
unless there are two or fewer principals employed by the district, 31166  
in which case the one or two principals employed shall serve on 31167  
the committee. If a committee has a particular grade or age level 31168  
scope, the teacher members shall be licensed to teach such grade 31169  
or age levels, and shall be elected by majority vote of the 31170  
classroom teachers holding such a license and the principal shall 31171  
be elected by all principals serving in buildings where any such 31172  
teachers serve. The district superintendent shall appoint a 31173  
replacement to fill any vacancy that occurs on a professional 31174  
development committee, except in the case of vacancies among the 31175  
elected classroom teacher members, which shall be filled by vote 31176

of the remaining members of the committee so selected. 31177

Terms of office on professional development committees shall 31178  
be prescribed by the district board establishing the committees. 31179  
The conduct of elections for members of professional development 31180  
committees shall be prescribed by the district board establishing 31181  
the committees. A professional development committee may include 31182  
additional members, except that the majority of members on each 31183  
such committee shall be classroom teachers employed by the 31184  
district. Any member appointed to fill a vacancy occurring prior 31185  
to the expiration date of the term for which a predecessor was 31186  
appointed shall hold office as a member for the remainder of that 31187  
term. 31188

The initial meeting of any professional development 31189  
committee, upon election and appointment of all committee members, 31190  
shall be called by a member designated by the district 31191  
superintendent. At this initial meeting, the committee shall 31192  
select a chairperson and such other officers the committee deems 31193  
necessary, and shall adopt rules for the conduct of its meetings. 31194  
Thereafter, the committee shall meet at the call of the 31195  
chairperson or upon the filing of a petition with the district 31196  
superintendent signed by a majority of the committee members 31197  
calling for the committee to meet. 31198

(3) In the case of a school district in which an exclusive 31199  
representative has been established pursuant to Chapter 4117. of 31200  
the Revised Code, professional development committees shall be 31201  
established in accordance with any collective bargaining agreement 31202  
in effect in the district that includes provisions for such 31203  
committees. 31204

If the collective bargaining agreement does not specify a 31205  
different method for the selection of teacher members of the 31206  
committees, the exclusive representative of the district's 31207

teachers shall select the teacher members. 31208

If the collective bargaining agreement does not specify a 31209  
different structure for the committees, the board of education of 31210  
the school district shall establish the structure, including the 31211  
number of committees and the number of teacher and administrative 31212  
members on each committee; the specific administrative members to 31213  
be part of each committee; whether the scope of the committees 31214  
will be district levels, building levels, or by type of grade or 31215  
age levels for which educator licenses are designated; the lengths 31216
