to provide CISM team members with immunity against 6
tort or other civil liability arising from actions 7

(B) A critical incident stress management team member is not
liable in damages to any person or government entity in a tort or
other civil action, including an action on a physical or mental

34

Sec. 2317.02. The following persons shall not testify in
certain respects:

35

36

(A) An attorney, concerning a communication made to the
attorney by a client in that relation or the attorney's advice to
a client, except that the attorney may testify by express consent
of the client or, if the client is deceased, by the express
consent of the surviving spouse or the executor or administrator
of the estate of the deceased client and except that, if the
client voluntarily testifies or is deemed by section 2151.421 of
the Revised Code to have waived any testimonial privilege under
this division, the attorney may be compelled to testify on the
same subject;

37

38

39

40

41

42

43

44

45

46

(B)(1) A physician or a dentist concerning a communication
made to the physician or dentist by a patient in that relation or
the physician's or dentist's advice to a patient, except as

47

48

49

otherwise provided in this division, division (B)(2), and division
(B)(3) of this section, and except that, if the patient is deemed
by section 2151.421 of the Revised Code to have waived any
testimonial privilege under this division, the physician may be
compelled to testify on the same subject.

The testimonial privilege established under this division
does not apply, and a physician or dentist may testify or may be
compelled to testify, in any of the following circumstances:

(a) In any civil action, in accordance with the discovery
provisions of the Rules of Civil Procedure in connection with a
civil action, or in connection with a claim under Chapter 4123. of
the Revised Code, under any of the following circumstances:

(i) If the patient or the guardian or other legal
representative of the patient gives express consent;

(ii) If the patient is deceased, the spouse of the patient or
the executor or administrator of the patient's estate gives
express consent;

(iii) If a medical claim, dental claim, chiropractic claim,
or optometric claim, as defined in section 2305.113 of the Revised
Code, an action for wrongful death, any other type of civil
action, or a claim under Chapter 4123. of the Revised Code is
filed by the patient, the personal representative of the estate of
the patient if deceased, or the patient's guardian or other legal
representative.

(b) In any civil action concerning court-ordered treatment or
services received by a patient, if the court-ordered treatment or
services were ordered as part of a case plan journalized under
section 2151.412 of the Revised Code or the court-ordered
treatment or services are necessary or relevant to dependency,
neglect, or abuse or temporary or permanent custody proceedings
under Chapter 2151. of the Revised Code.

(c) In any criminal action concerning any test or the results 81
of any test that determines the presence or concentration of 82
alcohol, a drug of abuse, or alcohol and a drug of abuse in the 83
patient's blood, breath, urine, or other bodily substance at any 84
time relevant to the criminal offense in question. 85

(d) In any criminal action against a physician or dentist. In 86
such an action, the testimonial privilege established under this 87
division does not prohibit the admission into evidence, in 88
accordance with the Rules of Evidence, of a patient's medical or 89
dental records or other communications between a patient and the 90
physician or dentist that are related to the action and obtained 91
by subpoena, search warrant, or other lawful means. A court that 92
permits or compels a physician or dentist to testify in such an 93
action or permits the introduction into evidence of patient 94
records or other communications in such an action shall require 95
that appropriate measures be taken to ensure that the 96
confidentiality of any patient named or otherwise identified in 97
the records is maintained. Measures to ensure confidentiality that 98
may be taken by the court include sealing its records or deleting 99
specific information from its records. 100

(e) In any will contest action under sections 2107.71 to 101
2107.77 of the Revised Code if all of the following apply: 102

(i) The patient is deceased. 103

(ii) A party to the will contest action requests the 104
testimony, demonstrates to the court that that party would be an 105
heir of the patient if the patient died without a will, is a 106
beneficiary under the will that is the subject of the will contest 107
action, or is a beneficiary under another testamentary document 108
allegedly executed by the patient, and demonstrates to the court 109
that the testimony is necessary to establish the party's rights as 110
described in this division. 111

(2)(a) If any law enforcement officer submits a written 112
statement to a health care provider that states that an official 113
criminal investigation has begun regarding a specified person or 114
that a criminal action or proceeding has been commenced against a 115
specified person, that requests the provider to supply to the 116
officer copies of any records the provider possesses that pertain 117
to any test or the results of any test administered to the 118
specified person to determine the presence or concentration of 119
alcohol, a drug of abuse, or alcohol and a drug of abuse in the 120
person's blood, breath, or urine at any time relevant to the 121
criminal offense in question, and that conforms to section 122
2317.022 of the Revised Code, the provider, except to the extent 123
specifically prohibited by any law of this state or of the United 124
States, shall supply to the officer a copy of any of the requested 125
records the provider possesses. If the health care provider does 126
not possess any of the requested records, the provider shall give 127
the officer a written statement that indicates that the provider 128
does not possess any of the requested records. 129

(b) If a health care provider possesses any records of the 130
type described in division (B)(2)(a) of this section regarding the 131
person in question at any time relevant to the criminal offense in 132
question, in lieu of personally testifying as to the results of 133
the test in question, the custodian of the records may submit a 134
certified copy of the records, and, upon its submission, the 135
certified copy is qualified as authentic evidence and may be 136
admitted as evidence in accordance with the Rules of Evidence. 137
Division (A) of section 2317.422 of the Revised Code does not 138
apply to any certified copy of records submitted in accordance 139
with this division. Nothing in this division shall be construed to 140
limit the right of any party to call as a witness the person who 141
administered the test to which the records pertain, the person 142
under whose supervision the test was administered, the custodian 143

of the records, the person who made the records, or the person
under whose supervision the records were made.

(3)(a) If the testimonial privilege described in division
(B)(1) of this section does not apply as provided in division
(B)(1)(a)(iii) of this section, a physician or dentist may be
compelled to testify or to submit to discovery under the Rules of
Civil Procedure only as to a communication made to the physician
or dentist by the patient in question in that relation, or the
physician's or dentist's advice to the patient in question, that
related causally or historically to physical or mental injuries
that are relevant to issues in the medical claim, dental claim,
chiropractic claim, or optometric claim, action for wrongful
death, other civil action, or claim under Chapter 4123. of the
Revised Code.

(b) If the testimonial privilege described in division (B)(1)
of this section does not apply to a physician or dentist as
provided in division (B)(1)(c) of this section, the physician or
dentist, in lieu of personally testifying as to the results of the
test in question, may submit a certified copy of those results,
and, upon its submission, the certified copy is qualified as
authentic evidence and may be admitted as evidence in accordance
with the Rules of Evidence. Division (A) of section 2317.422 of
the Revised Code does not apply to any certified copy of results
submitted in accordance with this division. Nothing in this
division shall be construed to limit the right of any party to
call as a witness the person who administered the test in
question, the person under whose supervision the test was
administered, the custodian of the results of the test, the person
who compiled the results, or the person under whose supervision
the results were compiled.

(c) If the testimonial privilege described in division (B)(1)
of this section does not apply as provided in division (B)(1)(e)

of this section, a physician or dentist may be compelled to 176
testify or to submit to discovery in the will contest action under 177
sections 2107.71 to 2107.77 of the Revised Code only as to the 178
patient in question on issues relevant to the competency of the 179
patient at the time of the execution of the will. Testimony or 180
discovery conducted pursuant to this division shall be conducted 181
in accordance with the Rules of Civil Procedure. 182

(4) The testimonial privilege described in division (B)(1) of 183
this section is not waived when a communication is made by a 184
physician to a pharmacist or when there is communication between a 185
patient and a pharmacist in furtherance of the physician-patient 186
relation. 187

(5)(a) As used in divisions (B)(1) to (4) of this section, 188
"communication" means acquiring, recording, or transmitting any 189
information, in any manner, concerning any facts, opinions, or 190
statements necessary to enable a physician or dentist to diagnose, 191
treat, prescribe, or act for a patient. A "communication" may 192
include, but is not limited to, any medical or dental, office, or 193
hospital communication such as a record, chart, letter, 194

health agency, inpatient hospice, birthing center, radiation 207
therapy center, emergency facility, and an urgent care center. 208

apply to doctors of medicine, doctors of osteopathic medicine, 231

civil liability conferred by section 307.628 or 2305.33 of the 235
Revised Code upon physicians who report an employee's use of a 236

drug of abuse, or a condition of an employee other than one
involving the use of a drug of abuse, to the employer of the
employee in accordance with division (B) of that section. As used
in division (B)(7) of this section, "employee," "employer," and

Section 2. That existing section 2317.02 of the Revised Code is hereby repealed.

Section 3. Section 2317.02 of the Revised Code is presented in this act as a composite of the section as amended by Am. Sub. H.B. 374, Am. H.B. 533, and Am. Sub. S.B. 281, all of the 124th General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that

amendments are to be harmonized if reasonably capable of	422
simultaneous operation, finds that the composite is the resulting	423
version of the section in effect prior to the effective date of	424
the section as presented in this act.	425
