that child's benefit shall not affect the amount payable to any 266
other surviving child entitled to a portion of the death benefit. 267

(H) A death benefit paid to a surviving child under division 268
(C), (D), or (G) of this section shall terminate on the death of 269

requirements of the institution, as determined by the trustees of 279
the fund. 280

corporation. 286

506
507

or the superintendent of the state highway patrol on behalf of a 508
member, a member who becomes totally and permanently incapacitated 509
for duty in the employ of the state highway patrol may be retired 510
by the board. 511

The medical or psychological examination of a member who has 512
applied for disability retirement shall be conducted by a 513
competent health-care professional or professionals appointed by 514
the board. The health-care professional or professionals shall 515
file a written report with the board containing the following 516
information: 517

(1) Whether the member is totally incapacitated for duty in 518
the employ of the patrol; 519

(2) Whether the incapacity is expected to be permanent; 520

(3) The cause of the member's incapacity. 521

The board shall determine whether the member qualifies for 522
disability retirement and its decision shall be final. The board 523
shall consider the written medical or psychological report, 524
opinions, statements, and other competent evidence in making its 525
determination. If the incapacity is a result of heart disease or 526
any cardiovascular disease of a chronic nature, which disease or 527
any evidence of which was not revealed by the physical examination 528
passed by the member on entry into the patrol, the member is 529
presumed to have incurred the disease in the line of duty as a 530
member of the patrol, unless the contrary is shown by competent 531
evidence. 532

(B)(1) Except as provided under division (A) of section 533
5505.58 of the Revised Code, a member whose retirement on account 534
of disability incurred in the line of duty shall receive the 535
applicable pension provided for in section 5505.17 of the Revised 536
Code, except that if the member has less than twenty-five years of 537
contributing service, the member's service credit shall be deemed 538

to be twenty-five years for the purpose of this provision. In no 539
case shall the member's disability pension be less than sixty-one 540
and one-quarter per cent or exceed the lesser of seventy-nine and 541
one-quarter per cent of the member's final average salary or the 542
limit established by section 415 of the "Internal Revenue Code of 543
1986," 100 Stat. 2085, 26 U.S.C.A. 415, as amended. 544

(2) A Except as provided under division (B) of section 545
5505.58 of the Revised Code, a member whose retirement on account 546
of disability incurred not in the line of duty shall receive the 547
applicable pension provided for in section 5505.17 of the Revised 548
Code, except that if the member has less than twenty years of 549
contributing service, the member's service credit shall be deemed 550
to be twenty years for the purpose of this provision. In no case 551
shall the member's disability pension exceed the lesser of 552
seventy-nine and one-quarter per cent of the member's final 553
average salary or the limit established by section 415 of the 554

as amended. 556

(C) The state highway patrol retirement board shall adopt 557
rules requiring a disability pension recipient, as a condition of 558
continuing to receive a disability pension, to agree in writing to 559
obtain any medical or psychological treatment recommended by the 560
board's health-care professional and submit medical or 561
psychological reports regarding the treatment. If the board 562
determines that a disability pension recipient is not obtaining 563
the medical or psychological treatment or the board does not 564
receive a required medical or psychological report, the disability 565
pension shall be suspended until the treatment is obtained, the 566
report is received by the board, or the board's health-care 567
professional certifies that the treatment is no longer helpful or 568
advisable. Should the recipient's failure to obtain treatment or 569
submit a medical or psychological report continue for one year, 570

the recipient's right to the disability benefit shall be 571
terminated as of the effective date of the original suspension. 572

(D) A member placed on a disability pension who has not 573
attained the age of ~~fifty-five~~ sixty years shall be subject to an 574
annual medical or psychological re-examination by health-care 575
professionals appointed by the board, except that the board may 576
waive the re-examination if the board's health-care professionals 577
certify that the member's disability is ongoing. If any member 578
placed on a disability pension refuses to submit to a medical or 579
psychological re-examination, the member's disability pension 580
shall be suspended until the member withdraws the refusal. If the 581
refusal continues for one year, all the member's rights under and 582
to the disability pension shall be terminated as of the effective 583
date of the original suspension. 584

(E) Each recipient of a disability pension who has not 585
attained the age of ~~fifty-five~~ sixty years shall file with the 586
board an annual statement of earnings, current medical or 587
psychological information on the recipient's condition, and any 588
other information required in rules adopted by the board. The 589
board may waive the requirement that a disability benefit 590
recipient file an annual statement of earnings or current medical 591
or psychological information if the board's health-care 592
professional certifies that the recipient's disability is ongoing. 593

The board shall annually examine the information submitted by 594
the recipient. If a recipient refuses to file the statement or 595
information, the disability pension shall be suspended until the 596
statement and information are filed. If the refusal continues for 597
one year, the right to the pension shall be terminated as of the 598
effective date of the original suspension. 599

(F)(1) Except as provided in division (F)(2) of this section, 600
a retirant who has been on disability pension, and who has been 601

physically or psychologically examined and found no longer
incapable of performing the retirant's duties, shall be restored
to the rank the retirant held at the time the retirant was
pensioned and all previous rights shall be restored, including the
retirant's civil service status, and the disability pension shall
terminate. Upon return to employment in the patrol, the retirant
shall again become a contributing member of the retirement system,
the total service at the time of the retirant's retirement shall
be restored to the retirant's credit, and the retirant shall be
given service credit for the period the retirant was in receipt of
a disability pension. The provisions of division (F)(1) of this
section shall be retroactive to September 5, 1941.

(2) The state highway patrol is not required to take action
under division (F)(1) of this section if the retirant was
dismissed or resigned in lieu of dismissal for dishonesty,
misfeasance, malfeasance, or conviction of a felony.

(G) The board may adopt rules to carry out this section,
including rules that specify the types of health-care
professionals the board may appoint for the purpose of this
section.

Sec. 5505.54. (A) During the period beginning on the 696
effective date of an election to participate in the deferred 697

Sec. 5505.55. A member's participation in the deferred 719
