Article VII. Rules and Operating Procedures: Rulemaking Functions	500
of the Commission and Opting Out of Uniform Standards	501
1. Rulemaking Authority. The Commission shall promulgate	502

reasonable Rules, including Uniform Standards, and Operating	503
Procedures in order to effectively and efficiently achieve the	504
purposes of this Compact. Notwithstanding the foregoing, in the	505
event the Commission exercises its rulemaking authority in a	506
manner that is beyond the scope of the purposes of this Act, or	507
the powers granted hereunder, then such an action by the	508
Commission shall be invalid and have no force and effect.	509
2. Rulemaking Procedure. Rules and Operating Procedures shall	510
be made pursuant to a rulemaking process that conforms to the	511
Model State Administrative Procedure Act of 1981 as amended, as	512
may be appropriate to the operations of the Commission. Before the	513
Commission adopts a Uniform Standard, the Commission shall give	514
written notice to the relevant state legislative committee(s) in	515
each Compacting State responsible for insurance issues of its	516
intention to adopt the Uniform Standard. The Commission in	517
adopting a Uniform Standard shall consider fully all submitted	518
materials and issue a concise explanation of its decision.	519

3. Effective Date and Opt Out of a Uniform Standard. A 520 Uniform Standard shall become effective ninety (90) days after its 521 promulgation by the Commission or such later date as the 522 Commission may determine; provided, however, that a Compacting 523 State may opt out of a Uniform Standard as provided in this 524 Article. "Opt out" shall be defined as any action by a Compacting 525 State to decline to adopt or participate in a promulgated Uniform 526 Standard. All other Rules and Operating Procedures, and amendments 527 thereto, shall become effective as of the date specified in each 528 Rule, Operating Procedure or amendment. 529

4. Opt Out Procedure. A Compacting State may opt out of a530Uniform Standard, either by legislation or regulation duly531promulgated by the Insurance Department under the Compacting532State's Administrative Procedure Act. 5. Effect of Opt Out. If a Compacting State elects to opt out 563
of a Uniform Standard, the Uniform Standard shall remain 564
applicable in the Compacting State electing to opt out until such 565

opting out becomes effective.

Once the opt out of a Uniform Standard by a Compacting State	568
becomes effective as provided under the laws of that State, the	569
<u>Uniform Standard shall have no further force and effect in that</u>	570
State unless and until the legislation or regulation implementing	571
the opt out is repealed or otherwise becomes ineffective under the	572
laws of the State. If a Compacting State opts out of a Uniform	573
Standard after the Uniform Standard has been made effective in	574
that State, the opt out shall have the same prospective effect as	575
provided under Article XIV for withdrawals.	576

6. Stay of Uniform Standard. If a Compacting State has 577 formally initiated the process of opting out of a Uniform Standard 578 by regulation, and while the regulatory opt out is pending, the 579 Compacting State may petition the Commission, at least fifteen 580 (15) days before the effective date of the Uniform Standard, to 581 stay the effectiveness of the Uniform Standard in that State. The 582 Commission may grant a stay if it determines the regulatory opt 583 out is being pursued in a reasonable manner and there is a 584 likelihood of success. If a stay is granted or extended by the 585 Commission, the stay or extension thereof may postpone the 586 effective date by up to ninety (90) days, unless affirmatively 587 extended by the Commission; provided, a stay may not be permitted 588 to remain in effect for more than one (1) year unless the 589 Compacting State can show extraordinary circumstances which 590 warrant a continuance of the stay, including, but not limited to, 591 the existence of a legal challenge which prevents the Compacting 592 State from opting out. A stay may be terminated by the Commission 593 upon notice that the rulemaking process has been terminated. 594

7. Not later than thirty (30) days after a Rule or Operating595Procedure is promulgated, any person may file a petition for596judicial review of the Rule or Operating Procedure; provided, that597the filing of such a petition shall not stay or otherwise prevent598

the Rule or Operating Procedure from becoming effective unless the
court finds that the petitioner has a substantial likelihood of
success. The court shall give deference to the actions of the
Commission consistent with applicable law and shall not find the
Rule or Operating Procedure to be unlawful if the Rule or
Operating Procedure represents a reasonable exercise of the
Commission's authority.
Article VIII. Commission Records and Enforcement
1. The Commission shall promulgate Rules establishing
conditions and procedures for public inspection and copying of its
information and official records, except such information and
records involving the privacy of individuals and insurers' trade
secrets. The Commission may promulgate additional Rules under
which it may make available to federal and state agencies,
including law enforcement agencies, records and information
otherwise exempt from disclosure, and may enter into agreements
with such agencies to receive or exchange information or records
subject to nondisclosure and confidentiality provisions.
2. Except as to privileged records, data and information, the
laws of any Compacting State pertaining to confidentiality or
nondisclosure shall not relieve any Compacting State Commissioner
of the duty to disclose any relevant records, data or information
to the Commission; provided, that disclosure to the Commission
shall not be deemed to waive or otherwise affect any
confidentiality requirement; and further provided, that, except as
otherwise expressly provided in this Act, the Commission shall not
be subject to the Compacting State's laws pertaining to
confidentiality and nondisclosure with respect to records, data
and information in its possession. Confidential information of the
Commission shall remain confidential after such information is
provided to any Commissioner.

non-compliance with Commission Bylaws, Rules or Operating	634
Procedures. If a non-complying Compacting State fails to remedy	635
its noncompliance within the time specified in the notice of	636
noncompliance, the Compacting State shall be deemed to be in	637

Association of Insurance Commissioners, Compacting States and	716

mutual agreement of the Commission and the Withdrawing State. The	803
Commission's approval of Products and Advertisement prior to the	804
effective date of withdrawal shall continue to be effective and be	805
given full force and effect in the Withdrawing State, unless	806

d. In the event any provision of this Compact exceeds the	891
constitutional limits imposed on the legislature of any Compacting	892
State, the obligations, duties, powers or jurisdiction sought to	893
