<u>b. The Commission shall establish two (2) advisory</u>	442
<u>committees, one of which shall comprise consumer representatives</u>	443
<u>independent of the insurance industry, and the other comprising</u>	444
<u>insurance industry representatives.</u>	445
<u>c. The Commission may establish additional advisory</u>	446

committees as its Bylaws may provide for the carrying out of its 447
functions. 448

4. Corporate Records of the Commission 449

The Commission shall maintain its corporate books and records 450
in accordance with the Bylaws. 451

5. Qualified Immunity, Defense and Indemnification 452

a. The members, officers, executive director, employees and 453
representatives of the Commission shall be immune from suit and 454
liability, either personally or in their official capacity, for 455
any claim for damage to or loss of property or personal injury or 456
other civil liability caused by or arising out of any actual or 457
alleged act, error or omission that occurred, or that the person 458
against whom the claim is made had a reasonable basis for 459
believing occurred within the scope of Commission employment, 460
duties or responsibilities; provided, that nothing in this 461
paragraph shall be construed to protect any such person from suit 462
and/or liability for any damage, loss, injury or liability caused 463
by intentional or willful and wanton misconduct of that person. 464

b. The Commission shall defend any member, officer, executive 465
director, employee or representative of the Commission in any 466
civil action seeking to impose liability arising out of any actual 467
or alleged act, error or omission that occurred within the scope 468
of Commission employment, duties or responsibilities, or that the 469
person against whom the claim is made had a reasonable basis for 470
believing occurred within the scope of Commission employment, 471
duties or responsibilities; provided, that nothing herein shall be 472
construed to prohibit that person from retaining his or her own 473
counsel; and provided further, that the actual or alleged act, 474
error or omission did not result from that person's intentional or 475
willful and wanton misconduct. 476

c. The Commission shall indemnify and hold harmless any 477

member, officer, executive director, employee or representative of 478
the Commission for the amount of any settlement or judgment 479
obtained against that person arising out of any actual or alleged 480
act, error or omission that occurred within the scope of 481
Commission employment, duties or responsibilities, or that such 482
person had a reasonable basis for believing occurred with the 483
scope of Commission employment, duties or responsibilities, 484
provided, that the actual or alleged act, error or omission did 485
not result from the intentional or willful and wanton misconduct 486
of that person. 487

Article VI. Meetings and Acts of the Commission 488

1. The Commission shall meet and take such actions as are 489
consistent with the provisions of this Compact and Bylaws. 490

2. Each member of the Commission shall have the right and 491
power to cast a vote to which that Compacting State is entitled 492
and to participate in the business and affairs of the Commission. 493
A member shall vote in person or by such other means as provided 494
in the Bylaws. The Bylaws may provide for members' participation 495
in meetings by telephone or other means of communication. 496

3. The Commission shall meet at least once during each 497
calendar year. Additional meetings shall be held as set forth in 498
the Bylaws. 499

Article VII. Rules and Operating Procedures: Rulemaking Functions 500
of the Commission and Opting Out of Uniform Standards 501

1. Rulemaking Authority. The Commission shall promulgate 502
reasonable Rules, including Uniform Standards, and Operating 503
Procedures in order to effectively and efficiently achieve the 504
purposes of this Compact. Notwithstanding the foregoing, in the 505
event the Commission exercises its rulemaking authority in a 506
manner that is beyond the scope of the purposes of this Act, or 507
the powers granted hereunder, then such an action by the 508

Commission shall be invalid and have no force and effect. 509

2. Rulemaking Procedure. Rules and Operating Procedures shall 510
be made pursuant to a rulemaking process that conforms to the 511
Model State Administrative Procedure Act of 1981 as amended, as 512
may be appropriate to the operations of the Commission. Before the 513
Commission adopts a Uniform Standard, the Commission shall give 514
written notice to the relevant state legislative committee(s) in 515
each Compacting State responsible for insurance issues of its 516
intention to adopt the Uniform Standard. The Commission in 517
adopting a Uniform Standard shall consider fully all submitted 518
materials and issue a concise explanation of its decision. 519

3. Effective Date and Opt Out of a Uniform Standard. A 520
Uniform Standard shall become effective ninety (90) days after its 521
promulgation by the Commission or such later date as the 522
Commission may determine; provided, however, that a Compacting 523
State may opt out of a Uniform Standard as provided in this 524
Article. "Opt out" shall be defined as any action by a Compacting 525
State to decline to adopt or participate in a promulgated Uniform 526
Standard. All other Rules and Operating Procedures, and amendments 527
thereto, shall become effective as of the date specified in each 528
Rule, Operating Procedure or amendment. 529

4. Opt Out Procedure. A Compacting State may opt out of a 530
Uniform Standard, either by legislation or regulation duly 531
promulgated by the Insurance Department under the Compacting 532
State's Administrative Procedure Act. If a Compacting State elects 533
to opt out of a Uniform Standard by regulation, it must (a) give 534
written notice to the Commission no later than ten (10) business 535
days after the Uniform Standard is promulgated, or at the time the 536
State becomes a Compacting State and (b) find that the Uniform 537
Standard does not provide reasonable protections to the citizens 538
of the State, given the conditions in the State. The Commissioner 539
shall make specific findings of fact and conclusions of law, based 540

on a preponderance of the evidence, detailing the conditions in 541
the State which warrant a departure from the Uniform Standard and 542
determining that the Uniform Standard would not reasonably protect 543
the citizens of the State. The Commissioner must consider and 544
balance the following factors and find that the conditions in the 545
State and needs of the citizens of the State outweigh: (i) the 546
intent of the legislature to participate in, and the benefits of, 547
an interstate agreement to establish national uniform consumer 548
protections for the Products subject to this Act; and (ii) the 549
presumption that a Uniform Standard adopted by the Commission 550
provides reasonable protections to consumers of the relevant 551
Product. 552

Notwithstanding the foregoing, a Compacting State may, at the 553
time of its enactment of this Compact, prospectively opt out of 554
all Uniform Standards involving long-term care insurance products 555
by expressly providing for such opt out in the enacted Compact, 556
and such an opt out shall not be treated as a material variance in 557
the offer or acceptance of any State to participate in this 558
Compact. Such an opt out shall be effective at the time of 559
enactment of this Compact by the Compacting State and shall apply 560
to all existing Uniform Standards involving long-term care 561
insurance products and those subsequently promulgated. 562

5. Effect of Opt Out. If a Compacting State elects to opt out 563
of a Uniform Standard, the Uniform Standard shall remain 564
applicable in the Compacting State electing to opt out until such 565
time the opt out legislation is enacted into law or the regulation 566
opting out becomes effective. 567

Once the opt out of a Uniform Standard by a Compacting State 568
becomes effective as provided under the laws of that State, the 569
Uniform Standard shall have no further force and effect in that 570
State unless and until the legislation or regulation implementing 571
the opt out is repealed or otherwise becomes ineffective under the 572

laws of the State. If a Compacting State opts out of a Uniform Standard after the Uniform Standard has been made effective in that State, the opt out shall have the same prospective effect as provided under Article XIV for withdrawals. 573
574
575
576

6. Stay of Uniform Standard. If a Compacting State has formally initiated the process of opting out of a Uniform Standard by regulation, and while the regulatory opt out is pending, the Compacting State may petition the Commission, at least fifteen (15) days before the effective date of the Uniform Standard, to stay the effectiveness of the Uniform Standard in that State. The Commission may grant a stay if it determines the regulatory opt out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the Commission, the stay or extension thereof may postpone the effective date by up to ninety (90) days, unless affirmatively extended by the Commission; provided, a stay may not be permitted to remain in effect for more than one (1) year unless the Compacting State can show extraordinary circumstances which warrant a continuance of the stay, including, but not limited to, the existence of a legal challenge which prevents the Compacting State from opting out. A stay may be terminated by the Commission upon notice that the rulemaking process has been terminated. 577

7. Not later than thirty (30) days after a Rule or Operating Procedure is promulgated, any person may file a petition for judicial review of the Rule or Operating Procedure; provided, that the filing of such a petition shall not stay or otherwise prevent the Rule or Operating Procedure from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the Commission consistent with applicable law and shall not find the Rule or Operating Procedure to be unlawful if the Rule or Operating Procedure represents a reasonable exercise of the 595

<u>information and official records, except such information and</u>	609
<u>records involving the privacy of individuals and insurers' trade</u>	610

<u>which it may make available to federal and state agencies,</u>	612

<u>2. Except as to privileged records, data and information, the</u>	617

<u>Standards, and Operating Procedures. The Commission shall notify</u>	632
<u>any non-complying Compacting State in writing of its</u>	633
<u>non-compliance with Commission Bylaws, Rules or Operating</u>	634
<u>Procedures. If a non-complying Compacting State fails to remedy</u>	635

its noncompliance within the time specified in the notice of 636
noncompliance, the Compacting State shall be deemed to be in 637
default as set forth in Article XIV. 638

4. The Commissioner of any State in which an Insurer is 639
authorized to do business, or is conducting the business of 640
insurance, shall continue to exercise his or her authority to 641
oversee the market regulation of the activities of the Insurer in 642
accordance with the provisions of the State's law. The 643
Commissioner's enforcement of compliance with the Compact is 644
governed by the following provisions: 645

a. With respect to the Commissioner's market regulation of a 646
Product or Advertisement that is approved or certified to the 647
Commission, the content of the Product or Advertisement shall not 648
constitute a violation of the provisions, standards or 649
requirements of the Compact except upon a final order of the 650
Commission, issued at the request of a Commissioner after prior 651
notice to the Insurer and an opportunity for hearing before the 652
Commission. 653

b. Before a Commissioner may bring an action for violation of 654
any provision, standard or requirement of the Compact relating to 655
the content of an Advertisement not approved or certified to the 656
Commission, the Commission, or an authorized Commission officer or 657
employee, must authorize the action. However, authorization 658
pursuant to this paragraph does not require notice to the Insurer, 659
opportunity for hearing or disclosure of requests for 660
authorization or records of the Commission's action on such 661
requests. 662

Article IX. Dispute Resolution 663

The Commission shall attempt, upon the request of a member, to 664
resolve any disputes or other issues that are subject to this 665
Compact and which may arise between two or more Compacting States. 666

or between Compacting States and Non-compacting States, and the 667
Commission shall promulgate an Operating Procedure providing for 668
resolution of such disputes. 669

Article X. Product Filing and Approval 670

1. Insurers and Third-Party Filers seeking to have a Product 671
approved by the Commission shall file the Product with, and pay 672
applicable filing fees to, the Commission. Nothing in this Act 673
shall be construed to restrict or otherwise prevent an insurer 674
from filing its Product with the insurance department in any State 675
wherein the insurer is licensed to conduct the business of 676
insurance, and such filing shall be subject to the laws of the 677
States where filed. 678

2. The Commission shall establish appropriate filing and 679
review processes and procedures pursuant to Commission Rules and 680
Operating Procedures. Notwithstanding any provision herein to the 681
contrary, the Commission shall promulgate Rules to establish 682
conditions and procedures under which the Commission will provide 683
public access to Product filing information. In establishing such 684
Rules, the Commission shall consider the interests of the public 685
in having access to such information, as well as protection of 686
personal medical and financial information and trade secrets, that 687
may be contained in a Product filing or supporting information. 688

3. Any Product approved by the Commission may be sold or 689
otherwise issued in those Compacting States for which the Insurer 690
is legally authorized to do business. 691

Article XI. Review of Commission Decisions Regarding Filings 692

1. Not later than thirty (30) days after the Commission has 693
given notice of a disapproved Product or Advertisement filed with 694
the Commission, the Insurer or Third Party Filer whose filing was 695
disapproved may appeal the determination to a review panel 696
appointed by the Commission. The Commission shall promulgate Rules 697

to establish procedures for appointing such review panels and 698
provide for notice and hearing. An allegation that the Commission, 699
in disapproving a Product or Advertisement filed with the 700
Commission, acted arbitrarily, capriciously, or in a manner that 701
is an abuse of discretion or otherwise not in accordance with the 702
law, is subject to judicial review in accordance with Article III, 703
Section 4. 704

2. The Commission shall have authority to monitor, review and 705
reconsider Products and Advertisement subsequent to their filing 706
or approval upon a finding that the product does not meet the 707
relevant Uniform Standard. Where appropriate, the Commission may 708
withdraw or modify its approval after proper notice and hearing, 709
subject to the appeal process in Section 1 above. 710

Article XII. Finance 711

1. The Commission shall pay or provide for the payment of the 712
reasonable expenses of its establishment and organization. To fund 713
the cost of its initial operations, the Commission may accept 714
contributions and other forms of funding from the National 715
Association of Insurance Commissioners, Compacting States and 716
other sources. Contributions and other forms of funding from other 717
sources shall be of such a nature that the independence of the 718
Commission concerning the performance of its duties shall not be 719
compromised. 720

2. The Commission shall collect a filing fee from each 721
Insurer and Third Party Filer filing a product with the Commission 722
to cover the cost of the operations and activities of the 723
Commission and its staff in a total amount sufficient to cover the 724
Commission's annual budget. 725

3. The Commission's budget for a fiscal year shall not be 726
approved until it has been subject to notice and comment as set 727
forth in Article VII of this Compact. 728

4. The Commission shall be exempt from all taxation in and by the Compacting States. 729
730

5. The Commission shall not pledge the credit of any Compacting State, except by and with the appropriate legal authority of that Compacting State. 731
732
733

6. The Commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the Commission shall be subject to the accounting procedures established under its Bylaws. The financial accounts and reports including the system of internal controls and procedures of the Commission shall be audited annually by an independent certified public accountant. Upon the determination of the Commission, but no less frequently than every three (3) years, the review of the independent auditor shall include a management and performance audit of the Commission. The Commission shall make an Annual Report to the Governor and the legislature of the Compacting States, which shall include a report of the independent audit. The Commission's internal accounts shall not be confidential and such materials may be shared with the Commissioner of any Compacting State upon request provided, however, that any work papers related to any internal or independent audit and any information regarding the privacy of individuals and insurers' proprietary information, including trade secrets, shall remain confidential. 734

Article XIII. Compacting States, Effective Date and Amendment 757

1. Any state is eligible to become a Compacting State. 758

2. The Compact shall become effective and binding upon 759

legislative enactment of the Compact into law by two Compacting States; provided, the Commission shall become effective for purposes of adopting Uniform Standards for, reviewing, and giving approval or disapproval of, Products filed with the Commission that satisfy applicable Uniform Standards only after twenty-six (26) States are Compacting States or, alternatively, by States representing greater than forty percent (40%) of the premium volume for life insurance, annuity, disability income and long-term care insurance products, based on records of the NAIC for the prior year. Article XIV. Withdrawal, Default and Termination 777

1. Withdrawal 778

a. Once effective, the Compact shall continue in force and remain binding upon each and every Compacting State; provided, that a Compacting State may withdraw from the Compact ("Withdrawing State") by enacting a statute specifically repealing the statute which enacted the Compact into law. 779
780
781
782
783

b. The effective date of withdrawal is the effective date of the repealing statute. However, the withdrawal shall not apply to any product filings approved or self-certified, or any Advertisement of such products, on the date the repealing statute becomes effective, except by mutual agreement of the Commission and the Withdrawing State unless the approval is rescinded by the Withdrawing State as provided in Paragraph e of this section. 784

Withdrawing State. 794

d. The Commission shall notify the other Compacting States of 795
the introduction of such legislation within ten (10) days after 796
its receipt of notice thereof. 797

e. The Withdrawing State is responsible for all obligations, 798
duties and liabilities incurred through the effective date of 799
withdrawal, including any obligations, the performance of which 800
extend beyond the effective date of withdrawal, except to the 801
extent those obligations may have been released or relinquished by 802
mutual agreement of the Commission and the Withdrawing State. The 803
Commission's approval of Products and Advertisement prior to the 804
effective date of withdrawal shall continue to be effective and be 805
given full force and effect in the Withdrawing State, unless 806
formally rescinded by the Withdrawing State in the same manner as 807
provided by the laws of the Withdrawing State for the prospective 808
disapproval of products or advertisement previously approved under 809
state law. 810

f. Reinstatement following withdrawal of any Compacting State 811
shall occur upon the effective date of the Withdrawing State 812
reenacting the Compact. 813

2. Default 814

a. If the Commission determines that any Compacting State has 815
at any time defaulted ("Defaulting State") in the performance of 816
any of its obligations or responsibilities under this Compact, the 817
Bylaws or duly promulgated Rules or Operating Procedures, then, 818
after notice and hearing as set forth in the Bylaws, all rights, 819
privileges and benefits conferred by this Compact on the 820
Defaulting State shall be suspended from the effective date of 821

default as fixed by the Commission. The grounds for default 822
include, but are not limited to, failure of a Compacting State to 823
perform its obligations or responsibilities, and any other grounds 824
designated in Commission Rules. The Commission shall immediately 825
notify the Defaulting State in writing of the Defaulting State's 826
suspension pending a cure of the default. The Commission shall 827
stipulate the conditions and the time period within which the 828
Defaulting State must cure its default. If the Defaulting State 829
fails to cure the default within the time period specified by the 830
Commission, the Defaulting State shall be terminated from the 831
Compact and all rights, privileges and benefits conferred by this 832
Compact shall be terminated from the effective date of 833
termination. 834

b. Product approvals by the Commission or product 835
self-certifications, or any Advertisement in connection with such 836
product, that are in force on the effective date of termination 837
shall remain in force in the Defaulting State in the same manner 838
as if the Defaulting State had withdrawn voluntarily pursuant to 839
Section 1 of this article. 840

c. Reinstatement following termination of any Compacting 841
State requires a reenactment of the Compact. 842

3. Dissolution of Compact 843

a. The Compact dissolves effective upon the date of the 844
withdrawal or default of the Compacting State which reduces 845
membership in the Compact to one Compacting State. 846

b. Upon the dissolution of this Compact, the Compact becomes 847
null and void and shall be of no further force or effect, and the 848
business and affairs of the Commission shall be wound up and any 849
surplus funds shall be distributed in accordance with the Bylaws. 850

Article XV. Severability and Construction 851

1. The provisions of this Compact shall be severable; and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the Compact shall be enforceable. 852
853
854

2. The provisions of this Compact shall be liberally construed to effectuate its purposes. 855
856

Article XVI. Binding Effect of Compact and Other Laws 857

1. Other Laws 858

a. Nothing herein prevents the enforcement of any other law of a Compacting State, except as provided in Paragraph b of this section. 859
860
861

b. For any Product approved or certified to the Commission, the Rules, Uniform Standards and any other requirements of the Commission shall constitute the exclusive provisions applicable to the content, approval and certification of such Products. For Advertisement that is subject to the Commission's authority, any Rule, Uniform Standard or other requirement of the Commission which governs the content of the Advertisement shall constitute the exclusive provision that a Commissioner may apply to the content of the Advertisement. Notwithstanding the foregoing, no action taken by the Commission shall abrogate or restrict: (i) the access of any person to state courts; (ii) remedies available under state law related to breach of contract, tort, or other laws not specifically directed to the content of the Product; (iii) state law relating to the construction of insurance contracts; or (iv) the authority of the attorney general of the state, including but not limited to maintaining any actions or proceedings, as authorized by law. 862
