thirty days of the time of mailing the notice. The notice shall 1678
also inform the party that at the hearing ~~he~~ the party may appear 1679
in person, by ~~his~~ the party's attorney, or by such other 1680
representative as is permitted to practice before the agency, or 1681
may present ~~his~~ the party's position, arguments, or contentions in 1682

will be afforded a hearing if ~~he~~ the party requests it within 1695
thirty days of the time of mailing the notice. A copy of the 1696
notice shall be mailed to attorneys or other representatives of 1697
record representing the party. 1698

Whenever a party requests a hearing in accordance with this 1699
section and section 119.06 of the Revised Code, the agency shall 1700
immediately set the date, time, and place for the hearing and 1701
forthwith notify the party thereof. The date set for the hearing 1702
shall be within fifteen days, but not earlier than seven days, 1703

to by both the agency and the party. 1705

When any notice sent by registered mail, as required by 1706

of mailing is obtained unless the notice is returned showing 1712
failure of delivery. 1713

If any notice sent by registered or ordinary mail is returned 1714
for failure of delivery, the agency either shall make personal 1715
delivery of the notice by an employee or agent of the agency or 1716
shall cause a summary of the substantive provisions of the notice 1717
to be published once a week for three consecutive weeks in a 1718

~~newspaper~~ proof of publication affidavit, with the first 1722
publication of the notice ~~marked~~ set forth in the affidavit, shall 1723
be mailed by ordinary mail to the party at the party's last known 1724
address and the notice shall be deemed received as of the date of 1725

the last publication. An employee or agent of the agency may make 1726
personal delivery of the notice upon a party at any time. 1727

Refusal of delivery by personal service or by mail is not 1728
failure of delivery and service is deemed to be complete. Failure 1729
of delivery occurs only when a mailed notice is returned by the 1730
postal authorities marked undeliverable, address or addressee 1731
unknown, or forwarding address unknown or expired. A party's last 1732
known address is the mailing address of the party appearing in the 1733
records of the agency. 1734

The failure of an agency to give the notices for any hearing 1735
required by sections 119.01 to 119.13 of the Revised Code in the 1736
manner provided in this section shall invalidate any order entered 1737

(4) Counsel selected by the indigent person or appointed by the court at the request of an indigent person in a county that adopts a resolution to pay counsel, except for counsel appointed to represent a person charged with any violation of an ordinance of a municipal corporation that has not contracted with the county commissioners for the payment of appointed counsel, shall be paid by the county and shall receive the compensation and expenses the court approves. Each request for payment shall be accompanied by a

financial disclosure form and an affidavit of indigency that are 1788
completed by the indigent person on forms prescribed by the state 1789
public defender. Compensation and expenses shall not exceed the 1790

adopted pursuant to division (A)(3) of this section. No court 1792
shall approve compensation and expenses that exceed the amount 1793
fixed pursuant to division (A)(3) of this section. 1794

The fees and expenses approved by the court shall not be 1795
taxed as part of the costs and shall be paid by the county. 1796
However, if the person represented has, or may reasonably be 1797
expected to have, the means to meet some part of the cost of the 1798
services rendered to the person, the person shall pay the county 1799
an amount that the person reasonably can be expected to pay. 1800
Pursuant to section 120.04 of the Revised Code, the county shall 1801
pay to the state public defender a percentage of the payment 1802
received from the person in an amount proportionate to the 1803
percentage of the costs of the person's case that were paid to the 1804
county by the state public defender pursuant to this section. The 1805
money paid to the state public defender shall be credited to the 1806
client payment fund created pursuant to division (B)(5) of section 1807
120.04 of the Revised Code. 1808

auditor. The county auditor shall report periodically, but not 1812
less than annually, to the board of county commissioners and to 1813
the Ohio state public defender commission the amounts paid out 1814

commissioners, after review and approval of the auditor's report, 1816
or the county auditor, with permission from and notice to the 1817
board of county commissioners, may then certify it to the state 1818

and an affidavit of indigency completed by the indigent person on 1822
forms prescribed by the state public defender, the state public 1823
defender shall not pay the requested reimbursement or if the court 1824
certifies by electronic signature as prescribed by the state 1825
public defender that a financial disclosure form and affidavit of 1826
indigency have been completed by the indigent person and are 1827
available for inspection. If a request for the reimbursement of 1828
the cost of counsel in any case is not received by the state 1829
public defender within ninety days after the end of the calendar 1830
month in which the case is finally disposed of by the court, 1831
unless the county has requested and the state public defender has 1832
granted an extension of the ninety-day limit, the state public 1833
defender shall not pay the requested reimbursement. The state 1834
public defender shall also review the report and, in accordance 1835
with the standards, guidelines, and maximums established pursuant 1836
to divisions (B)(7) and (8) of section 120.04 of the Revised Code, 1837

the certified report and a voucher for fifty per cent of the costs 1840
and expenses that are reimbursable under section 120.35 of the 1841
Revised Code, if any, or, if the amount of money appropriated by 1842
the general assembly to reimburse counties for the operation of 1843
county public defender offices, joint county public defender 1844
offices, and county appointed counsel systems is not sufficient to 1845
pay fifty per cent of the total cost of all of the offices and 1846
systems other than costs and expenses that are reimbursable under 1847
section 120.35 of the Revised Code, for the lesser amount required 1848
by section 120.34 of the Revised Code. 1849

(5) If any county appointed counsel system fails to maintain 1850
the standards for the conduct of the system established by the 1851
rules of the Ohio public defender commission pursuant to divisions 1852

(B) and (C) of section 120.03 or the standards established by the state public defender pursuant to division (B)(7) of section 120.04 of the Revised Code, the Ohio public defender commission shall notify the board of county commissioners of the county that the county appointed counsel system has failed to comply with its rules or the standards of the state public defender. Unless the board of county commissioners corrects the conduct of its appointed counsel system to comply with the rules and standards within ninety days after the date of the notice, the state public defender may deny all or part of the county's reimbursement from the state provided for in division (A)(4) of this section.

(B) In lieu of using a county public defender or joint county public defender to represent indigent persons in the proceedings set forth in division (A) of section 120.16 of the Revised Code, and in lieu of adopting the resolution and following the procedure described in division (A) of this section, the board of county commissioners of any county may contract with the state public defender for the state public defender's legal representation of indigent persons. A contract entered into pursuant to this division may provide for payment for the services provided on a per case, hourly, or fixed contract basis.

(C) If a court appoints an attorney pursuant to this section to represent a petitioner in a postconviction relief proceeding under section 2953.21 of the Revised Code, the petitioner has received a sentence of death, and the proceeding relates to that sentence, the attorney who represents the petitioner in the proceeding pursuant to the appointment shall be certified under Rule 20 of the Rules of Superintendence for the Courts of Ohio to represent indigent defendants charged with or convicted of an offense for which the death penalty can be or has been imposed.

Sec. 122.17. (A) As used in this section: 1953

(1) "Full-time employee" means an individual who is employed 1954
for consideration for at least an average of thirty-five hours a 1955
week ~~or~~, who renders any other standard of service generally 1956
accepted by custom or specified by contract as full-time 1957
employment, or who is employed for consideration for such time or 1958
renders such service but is on family or medical leave under the 1959
federal Family and Medical Leave Act of 1993, Pub. L. No. 103-3, 1960
107 Stat. 6, as amended, or on active duty reserve or Ohio 1961
national guard service. 1962

(2) "New employee" means one of the following: 1963

(a) A full-time employee first employed by a taxpayer in the 1964
project that is the subject of the agreement after the taxpayer 1965
enters into a tax credit agreement with the tax credit authority 1966
under this section; 1967

(b) A full-time employee first employed by a taxpayer in the 1968
project that is the subject of the tax credit after the tax credit 1969
authority approves a project for a tax credit under this section 1970
in a public meeting, as long as the taxpayer enters into the tax 1971
credit agreement prepared by the department of development after 1972
such meeting within sixty days after receiving the agreement from 1973
the department. If the taxpayer fails to enter into the agreement 1974

within sixty days, "new employee" has the same meaning as under 1975
division (A)(2)(a) of this section. A full-time employee may be 1976
considered a "new employee" of a taxpayer, despite previously 1977
having been employed by a related member of the taxpayer, if all 1978
of the following apply: 1979

(i) The related member is a party to the tax credit agreement 1980
at the time the employee is first employed with the taxpayer; 1981

(ii) The related member will remain subject to the tax 1982
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 1983
under Chapter 5751. of the Revised Code for the remainder of the 1984
term of the tax credit, and the tax credit is taken against 1985
liability for that same tax through the remainder of the term of 1986
the tax credit; and 1987

(iii) The employee was considered a new employee of the 1988
related member prior to employment with the taxpayer. 1989

Under division (A)(2)(a) or (b) of this section, if the tax 1990
credit authority determines it appropriate, "new employee" also 1991
may include an employee re-hired or called back from lay-off to 1992
work in a new facility or on a new product or service established 1993
or produced by the taxpayer after entering into the agreement 1994
under this section or after the tax credit authority approves the 1995
tax credit in a public meeting. Except as otherwise provided in 1996
this paragraph, "new employee" does not include any employee of 1997
the taxpayer who was previously employed in this state by a 1998
related member of the taxpayer and whose employment was shifted to 1999
the taxpayer after the taxpayer entered into the tax credit 2000
agreement or after the tax credit authority approved the credit in 2001
a public meeting, or any employee of the taxpayer for which the 2002
taxpayer has been granted a certificate under division (B) of 2003
section 5709.66 of the Revised Code. However, if the taxpayer is 2004
engaged in the enrichment and commercialization of uranium or 2005
uranium products or is engaged in research and development 2006

activities related thereto and if the tax credit authority 2007
determines it appropriate, "new employee" may include an employee 2008
of the taxpayer who was previously employed in this state by a 2009
related member of the taxpayer and whose employment was shifted to 2010
the taxpayer after the taxpayer entered into the tax credit 2011
agreement or after the tax credit authority approved the credit in 2012
a public meeting. "New employee" does not include an employee of 2013
the taxpayer who is employed in an employment position that was 2014
relocated to a project from other operations of the taxpayer in 2015
this state or from operations of a related member of the taxpayer 2016
in this state. In addition, "new employee" does not include a 2017
child, grandchild, parent, or spouse, other than a spouse who is 2018
legally separated from the individual, of any individual who is an 2019
employee of the taxpayer and who has a direct or indirect 2020
ownership interest of at least five per cent in the profits, 2021
capital, or value of the taxpayer. Such ownership interest shall 2022
be determined in accordance with section 1563 of the Internal 2023
Revenue Code and regulations prescribed thereunder. 2024

(3) "New income tax revenue" means the total amount withheld 2025
under section 5747.06 of the Revised Code by the taxpayer during 2026
the taxable year, or during the calendar year that includes the 2027
tax period, from the compensation of new employees for the tax 2028
levied under Chapter 5747. of the Revised Code. 2029

(4) "Related member" has the same meaning as under division 2030
(A)(6) of section 5733.042 of the Revised Code without regard to 2031
division (B) of that section. 2032

(B) The tax credit authority may make grants under this 2033
section to foster job creation in this state. Such a grant shall 2034
take the form of a refundable credit allowed against the tax 2035
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 2036
under Chapter 5751. of the Revised Code. The credit shall be 2037
claimed for the taxable years or tax periods specified in the 2038

taxpayer's agreement with the tax credit authority under division 2039
(D) of this section. With respect to taxes imposed under section 2040
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 2041
credit shall be claimed in the order required under section 2042
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 2043
the credit available for a taxable year or for a calendar year 2044
that includes a tax period equals the new income tax revenue for 2045
that year multiplied by the percentage specified in the agreement 2046
with the tax credit authority. Any credit granted under this 2047
section against the tax imposed by section 5733.06 or 5747.02 of 2048
the Revised Code, to the extent not fully utilized against such 2049
tax for taxable years ending prior to 2008, shall automatically be 2050
converted without any action taken by the tax credit authority to 2051
a credit against the tax levied under Chapter 5751. of the Revised 2052
Code for tax periods beginning on or after July 1, 2008, provided 2053
that the person to whom the credit was granted is subject to such 2054
tax. The converted credit shall apply to those calendar years in 2055
which the remaining taxable years specified in the agreement end. 2056

(C) A taxpayer or potential taxpayer who proposes a project 2057
to create new jobs in this state may apply to the tax credit 2058
authority to enter into an agreement for a tax credit under this 2059
section. The director of development shall prescribe the form of 2060
the application. After receipt of an application, the authority 2061
may enter into an agreement with the taxpayer for a credit under 2062
this section if it determines all of the following: 2063

(1) The taxpayer's project will create new jobs in this 2064
state; 2065

(2) The taxpayer's project is economically sound and will 2066
benefit the people of this state by increasing opportunities for 2067
employment and strengthening the economy of this state; 2068

(3) Receiving the tax credit is a major factor in the 2069
taxpayer's decision to go forward with the project. 2070

(D) An agreement under this section shall include all of the following: 2071
2072

(1) A detailed description of the project that is the subject of the agreement; 2073
2074

(2) The term of the tax credit, which shall not exceed fifteen years, and the first taxable year, or first calendar year that includes a tax period, for which the credit may be claimed; 2075
2076
2077

(3) A requirement that the taxpayer shall maintain operations at the project location for at least twice the number of years as the term of the tax credit; 2078
2079
2080

(4) The percentage, as determined by the tax credit authority, of new income tax revenue that will be allowed as the amount of the credit for each taxable year or for each calendar year that includes a tax period; 2081
2082
2083
2084

(5) A specific method for determining how many new employees are employed during a taxable year or during a calendar year that includes a tax period; 2085
2086
2087

(6) A requirement that the taxpayer annually shall report to the director of development the number of new employees, the new income tax revenue withheld in connection with the new employees, and any other information the director needs to perform the director's duties under this section; 2088
2089
2090
2091
2092

(7) A requirement that the director of development annually shall verify the amounts reported under division (D)(6) of this section, and after doing so shall issue a certificate to the taxpayer stating that the amounts have been verified; 2093
2094
2095
2096

(8)(a) A provision requiring that the taxpayer, except as otherwise provided in division (D)(8)(b) of this section, shall not relocate employment positions from elsewhere in this state to the project site that is the subject of the agreement for the 2097
2098
2099
2100

lesser of five years from the date the agreement is entered into 2101
or the number of years the taxpayer is entitled to claim the tax 2102
credit. 2103

(b) The taxpayer may relocate employment positions from 2104
elsewhere in this state to the project site that is the subject of 2105
the agreement if the director of development determines both of 2106
the following: 2107

(i) That the site from which the employment positions would 2108
be relocated is inadequate to meet market and industry conditions, 2109
expansion plans, consolidation plans, or other business 2110
considerations affecting the taxpayer; 2111

(ii) That the legislative authority of the county, township, 2112
or municipal corporation from which the employment positions would 2113
be relocated has been notified of the relocation. 2114

For purposes of this section, the movement of an employment 2115
position from one political subdivision to another political 2116
subdivision shall be considered a relocation of an employment 2117
position, but the transfer of an individual employee from one 2118
political subdivision to another political subdivision shall not 2119
be considered a relocation of an employment position as long as 2120
the individual's employment position in the first political 2121
subdivision is refilled. 2122

(E) If a taxpayer fails to meet or comply with any condition 2123
or requirement set forth in a tax credit agreement, the tax credit 2124
authority may amend the agreement to reduce the percentage or term 2125
of the tax credit. The reduction of the percentage or term shall 2126
take effect (1) in the taxable year immediately following the 2127
taxable year in which the authority amends the agreement or the 2128
director of development notifies the taxpayer in writing of such 2129
failure, or (2) in the first tax period beginning in the calendar 2130
year immediately following the calendar year in which the 2131

authority amends the agreement or the director notifies the taxpayer in writing of such failure. If the taxpayer fails to annually report any of the information required by division (D)(6) of this section within the time required by the director, the reduction of the percentage or term may take effect in the current taxable year. If the taxpayer relocates employment positions in violation of the provision required under division (D)(8)(a) of this section, the taxpayer shall not claim the tax credit under section 5733.0610 of the Revised Code for any tax years following the calendar year in which the relocation occurs, or shall not claim the tax credit under section 5725.32, 5729.032, or 5747.058 of the Revised Code for the taxable year in which the relocation occurs and any subsequent taxable years, and shall not claim the tax credit under division (A) of section 5751.50 of the Revised Code for any tax period in the calendar year in which the relocation occurs and any subsequent tax periods.

(F) Projects that consist solely of point-of-final-purchase retail facilities are not eligible for a tax credit under this section. If a project consists of both point-of-final-purchase retail facilities and nonretail facilities, only the portion of the project consisting of the nonretail facilities is eligible for a tax credit and only the new income tax revenue from new employees of the nonretail facilities shall be considered when computing the amount of the tax credit. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility is not eligible for a tax credit. Catalog distribution centers are not considered point-of-final-purchase retail facilities for the purposes of this division, and are eligible for tax credits under this section.

(G) Financial statements and other information submitted to the department of development or the tax credit authority by an applicant or recipient of a tax credit under this section, and any

information taken for any purpose from such statements or 2164
information, are not public records subject to section 149.43 of 2165
the Revised Code. However, the chairperson of the authority may 2166
make use of the statements and other information for purposes of 2167
issuing public reports or in connection with court proceedings 2168
concerning tax credit agreements under this section. Upon the 2169
request of the tax commissioner or, if the applicant or recipient 2170
is an insurance company, upon the request of the superintendent of 2171
insurance, the chairperson of the authority shall provide to the 2172
commissioner or superintendent any statement or information 2173
submitted by an applicant or recipient of a tax credit in 2174
connection with the credit. The commissioner or superintendent 2175
shall preserve the confidentiality of the statement or 2176
information. 2177

(H) A taxpayer claiming a credit under this section shall 2178
submit to the tax commissioner or, if the taxpayer is an insurance 2179
company, to the superintendent of insurance, a copy of the 2180
director of development's certificate of verification under 2181
division (D)(7) of this section with the taxpayer's tax report or 2182
return for the taxable year or for the calendar year that includes 2183
the tax period. Failure to submit a copy of the certificate with 2184
the report or return does not invalidate a claim for a credit if 2185
the taxpayer submits a copy of the certificate to the commissioner 2186
or superintendent within sixty days after the commissioner or 2187
superintendent requests it. 2188

(I) The director of development, after consultation with the 2189
tax commissioner and the superintendent of insurance and in 2190
accordance with Chapter 119. of the Revised Code, shall adopt 2191
rules necessary to implement this section. The rules may provide 2192
for recipients of tax credits under this section to be charged 2193
fees to cover administrative costs of the tax credit program. The 2194
fees collected shall be credited to the tax incentive programs 2195

operating fund created in section 122.174 of the Revised Code. At 2196
the time the director gives public notice under division (A) of 2197
section 119.03 of the Revised Code of the adoption of the rules, 2198
the director shall submit copies of the proposed rules to the 2199
chairpersons of the standing committees on economic development in 2200
the senate and the house of representatives. 2201

(J) For the purposes of this section, a taxpayer may include 2202
a partnership, a corporation that has made an election under 2203
subchapter S of chapter one of subtitle A of the Internal Revenue 2204
Code, or any other business entity through which income flows as a 2205
distributive share to its owners. ~~A credit received under this~~ 2206
~~section by a~~ partnership, S-corporation, or other such business 2207
entity ~~shall be apportioned among~~ may elect to pass the credit 2208
received under this section through to the persons to whom the 2209
income or profit of the partnership, S-corporation, or other 2210
entity is distributed⁷. The election shall be made on the annual 2211
report required under division (D)(6) of this section. The 2212
election applies to and is irrevocable for the credit for which 2213
the report is submitted. If the election is made, the credit shall 2214
be apportioned among those persons in the same proportions as 2215
those in which the income or profit is distributed. 2216

(K) If the director of development determines that a taxpayer 2217
who has received a credit under this section is not complying with 2218
the requirement under division (D)(3) of this section, the 2219
director shall notify the tax credit authority of the 2220
noncompliance. After receiving such a notice, and after giving the 2221
taxpayer an opportunity to explain the noncompliance, the tax 2222
credit authority may require the taxpayer to refund to this state 2223
a portion of the credit in accordance with the following: 2224

(1) If the taxpayer maintained operations at the project 2225
location for at least one and one-half times the number of years 2226
of the term of the tax credit, an amount not exceeding twenty-five 2227

per cent of the sum of any previously allowed credits under this 2228
section; 2229

(2) If the taxpayer maintained operations at the project 2230
location for at least the number of years of the term of the tax 2231
credit, an amount not exceeding fifty per cent of the sum of any 2232
previously allowed credits under this section; 2233

(3) If the taxpayer maintained operations at the project 2234
location for less than the number of years of the term of the tax 2235
credit, an amount not exceeding one hundred per cent of the sum of 2236
any previously allowed credits under this section. 2237

In determining the portion of the tax credit to be refunded 2238
to this state, the tax credit authority shall consider the effect 2239
of market conditions on the taxpayer's project and whether the 2240
taxpayer continues to maintain other operations in this state. 2241
After making the determination, the authority shall certify the 2242
amount to be refunded to the tax commissioner or superintendent of 2243
insurance, as appropriate. If the amount is certified to the 2244
commissioner, the commissioner shall make an assessment for that 2245
amount against the taxpayer under Chapter 5733., 5747., or 5751. 2246
of the Revised Code. If the amount is certified to the 2247
superintendent, the superintendent shall make an assessment for 2248
that amount against the taxpayer under Chapter 5725. or 5729. of 2249

following: 2476

(1) The taxpayer's capital investment project will result in 2477
the retention of full-time employment positions in this state. 2478

(2) The taxpayer is economically sound and has the ability to complete the proposed capital investment project.	2479 2480

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project.	2484 2485
(5) The political subdivisions in which the project is located have agreed to provide substantial financial support to the project.	2486 2487 2488
(E) An agreement under this section shall include all of the following:	2489 2490

(2) The method of calculating the number of full-time employment positions as specified in division (A)(3) of this section.	2495 2496 2497
(3) The term and percentage of the tax credit, and the first year for which the credit may be claimed.	2498 2499
(4) A requirement that the taxpayer maintain operations at the project site for at least twice the number of years as the term of the credit.	2500 2501 2502
(5) A requirement that the taxpayer retain a specified number of full-time employment positions at the project site and within this state for the term of the credit, including a requirement that the taxpayer continue to employ at least one thousand employees in full-time employment positions at the project site during the entire term of any agreement, subject to division	2503 2504 2505 2506 2507 2508

(E)(7) of this section. 2509

(6) A requirement that the taxpayer annually report to the 2510
director of development the number of full-time employment 2511
positions subject to the credit, the amount of tax withheld from 2512
employees in those positions, the amount of the payments made for 2513
the capital investment project, and any other information the 2514
director needs to perform the director's duties under this 2515
section. 2516

(7) A requirement that the director of development annually 2517
review the annual reports of the taxpayer to verify the 2518
information reported under division (E)(6) of this section and 2519
compliance with the agreement. Upon verification, the director 2520
shall issue a certificate to the taxpayer stating that the 2521
information has been verified and identifying the amount of the 2522
credit for the taxable year. Unless otherwise specified by the tax 2523
credit authority in a resolution and included as part of the 2524
agreement, the director shall not issue a certificate for any year 2525
in which the total number of filled full-time employment positions 2526
for each day of the calendar year divided by three hundred 2527
sixty-five is less than ninety per cent of the full-time 2528
employment positions specified in division (E)(5) of this section. 2529
In determining the number of full-time employment positions, no 2530
position shall be counted that is filled by an employee who is 2531
included in the calculation of a tax credit under section 122.17 2532
of the Revised Code. 2533

(8)(a) A provision requiring that the taxpayer, except as 2534
otherwise provided in division (E)(8)(b) of this section, shall 2535
not relocate employment positions from elsewhere in this state to 2536
the project site that is the subject of the agreement for the 2537
lesser of five years from the date the agreement is entered into 2538
or the number of years the taxpayer is entitled to claim the 2539
credit. 2540

(b) The taxpayer may relocate employment positions from 2541
elsewhere in this state to the project site that is the subject of 2542
the agreement if the director of development determines both of 2543
the following: 2544

(i) That the site from which the employment positions would 2545
be relocated is inadequate to meet market and industry conditions, 2546
expansion plans, consolidation plans, or other business 2547
considerations affecting the taxpayer; 2548

(ii) That the legislative authority of the county, township, 2549
or municipal corporation from which the employment positions would 2550
be relocated has been notified of the relocation. 2551

For purposes of this section, the movement of an employment 2552
position from one political subdivision to another political 2553
subdivision shall be considered a relocation of an employment 2554
position unless the movement is confined to the project site. The 2555
transfer of an individual employee from one political subdivision 2556
to another political subdivision shall not be considered a 2557
relocation of an employment position as long as the individual's 2558
employment position in the first political subdivision is 2559
refilled. 2560

(9) A waiver by the taxpayer of any limitations periods 2561
relating to assessments or adjustments resulting from the 2562
taxpayer's failure to comply with the agreement. 2563

(F) If a taxpayer fails to meet or comply with any condition 2564
or requirement set forth in a tax credit agreement, the tax credit 2565
authority may amend the agreement to reduce the percentage or term 2566
of the credit. The reduction of the percentage or term shall take 2567
effect (1) in the taxable year immediately following the taxable 2568
year in which the authority amends the agreement or the director 2569
of development notifies the taxpayer in writing of such failure, 2570
or (2) in the first tax period beginning in the calendar year 2571

immediately following the calendar year in which the authority 2572
amends the agreement or the director notifies the taxpayer in 2573
writing of such failure. If the taxpayer fails to annually report 2574
any of the information required by division (E)(6) of this section 2575
within the time required by the director, the reduction of the 2576
percentage or term may take effect in the current taxable year. If 2577
the taxpayer relocates employment positions in violation of the 2578
provision required under division (D)(8)(a) of this section, the 2579
taxpayer shall not claim the tax credit under section 5733.0610 of 2580
the Revised Code for any tax years following the calendar year in 2581
which the relocation occurs, shall not claim the tax credit under 2582
section 5747.058 of the Revised Code for the taxable year in which 2583
the relocation occurs and any subsequent taxable years, and shall 2584
not claim the tax credit under division (A) of section 5751.50 of 2585
the Revised Code for the tax period in which the relocation occurs 2586
and any subsequent tax periods. 2587

(G) Financial statements and other information submitted to 2588
the department of development or the tax credit authority by an 2589
applicant for or recipient of a tax credit under this section, and 2590
any information taken for any purpose from such statements or 2591
information, are not public records subject to section 149.43 of 2592
the Revised Code. However, the chairperson of the authority may 2593
make use of the statements and other information for purposes of 2594
issuing public reports or in connection with court proceedings 2595
concerning tax credit agreements under this section. Upon the 2596
request of the tax commissioner, the chairperson of the authority 2597
shall provide to the commissioner any statement or other 2598
information submitted by an applicant for or recipient of a tax 2599
credit in connection with the credit. The commissioner shall 2600
preserve the confidentiality of the statement or other 2601
information. 2602

(H) A taxpayer claiming a tax credit under this section shall 2603

submit to the tax commissioner a copy of the director of 2604
development's certificate of verification under division (E)(7) of 2605
this section with the taxpayer's tax report or return for the 2606
taxable year or for the calendar year that includes the tax 2607
period. Failure to submit a copy of the certificate with the 2608
report or return does not invalidate a claim for a credit if the 2609
taxpayer submits a copy of the certificate to the commissioner 2610
within sixty days after the commissioner requests it. 2611

(I) For the purposes of this section, a taxpayer may include 2612
a partnership, a corporation that has made an election under 2613
subchapter S of chapter one of subtitle A of the Internal Revenue 2614
Code, or any other business entity through which income flows as a 2615
distributive share to its owners. ~~A tax credit received under this~~ 2616
~~section by a partnership, S-corporation, or other such business~~ 2617
~~entity shall be apportioned among~~ may elect to pass the credit 2618
received under this section through to the persons to whom the 2619
income or profit of the partnership, S-corporation, or other 2620
entity is distributed⁷. The election shall be made on the annual 2621
report required under division (E)(6) of this section. The 2622
election applies to and is irrevocable for the credit for which 2623
the report is submitted. If the election is made, the credit shall 2624
be apportioned among those persons in the same proportions as 2625
those in which the income or profit is distributed. 2626

(J) If the director of development determines that a taxpayer 2627
that received a tax credit under this section is not complying 2628
with the requirement under division (E)(4) of this section, the 2629
director shall notify the tax credit authority of the 2630
noncompliance. After receiving such a notice, and after giving the 2631
taxpayer an opportunity to explain the noncompliance, the 2632
authority may terminate the agreement and require the taxpayer to 2633
refund to the state all or a portion of the credit claimed in 2634
previous years, as follows: 2635

(1) If the taxpayer maintained operations at the project site 2636
for less than the term of the credit, the amount required to be 2637
refunded shall not exceed the amount of any tax credits previously 2638
allowed and received under this section. 2639

(2) If the taxpayer maintained operations at the project site 2640
longer than the term of the credit but less than one and one-half 2641
times the term of the credit, the amount required to be refunded 2642
shall not exceed fifty per cent of the sum of any tax credits 2643
previously allowed and received under this section. 2644

(3) If the taxpayer maintained operations at the project site 2645
for at least one and one-half times the term of the credit but 2646
less than twice the term of the credit, the amount required to be 2647
refunded shall not exceed twenty-five per cent of the sum of any 2648
tax credits previously allowed and received under this section. 2649

In determining the portion of the credit to be refunded to 2650
this state, the authority shall consider the effect of market 2651
conditions on the taxpayer's project and whether the taxpayer 2652
continues to maintain other operations in this state. After making 2653
the determination, the authority shall certify the amount to be 2654
refunded to the tax commissioner. The commissioner shall make an 2655
assessment for that amount against the taxpayer under Chapter 2656
5733., 5747., or 5751. of the Revised Code. The time limitations 2657
on assessments under those chapters do not apply to an assessment 2658
under this division, but the commissioner shall make the 2659
assessment within one year after the date the authority certifies 2660
to the commissioner the amount to be refunded. 2661

If the director of development determines that a taxpayer 2662
that received a tax credit under this section has reduced the 2663
number of employees agreed to under division (E)(5) of this 2664
section by more than ten per cent, the director shall notify the 2665
tax credit authority of the noncompliance. After receiving such 2666
notice, and after providing the taxpayer an opportunity to explain 2667

the noncompliance, the authority may amend the agreement to reduce 2668
the percentage or term of the tax credit. The reduction in the 2669
percentage or term shall take effect in the taxable year, or in 2670
the calendar year that includes the tax period, in which the 2671
authority amends the agreement. 2672

(K) The director of development, after consultation with the 2673
tax commissioner and in accordance with Chapter 119. of the 2674
Revised Code, shall adopt rules necessary to implement this 2675
section. The rules may provide for recipients of tax credits under 2676
this section to be charged fees to cover administrative costs of 2677
the tax credit program. The fees collected shall be credited to 2678
the tax incentive programs operating fund created in section 2679
122.174 of the Revised Code. At the time the director gives public 2680
notice under division (A) of section 119.03 of the Revised Code of 2681
the adoption of the rules, the director shall submit copies of the 2682
proposed rules to the chairpersons of the standing committees on 2683
economic development in the senate and the house of 2684
representatives. 2685

(L) On or before the thirty-first day of March of each year, 2686
the director of development shall submit a report to the governor, 2687

be maintained and used in the same manner and according to the 3721
same procedures as the notification list provided for under 3722
division (A) of this section, except that a firm shall not be 3723
removed from the list unless the coordinator determines that the 3724
firm is no longer a minority business enterprise. A minority 3725
business enterprise may have its name placed on both the 3726
notification lists provided for in this section. 3727

(C) The director of administrative services may require an 3728
annual registration fee for the listings provided for in division 3729
(A) or (B) of this section. This fee shall not be more than ten 3730
dollars. The department may charge a fee for any compilation of 3731
descriptions of supplies or services. This fee shall be reasonable 3732

and shall not exceed the cost required to maintain the 3733
notification lists and provide for the distribution of the 3734
proposed purchase to the persons whose names appear on the lists. 3735

Sec. 125.081. (A) From the purchases that the ~~department of~~ 3736
~~administrative services is~~ purchasing authorities are required by 3737
law to make through competitive selection, ~~the director of~~ 3738
~~administrative services~~ each purchasing authority shall select a 3739
number of such purchases, the aggregate value of which equals 3740
approximately fifteen per cent of the estimated total value of all 3741
such purchases to be made in the current fiscal year. The ~~director~~ 3742
purchasing authority shall set aside the purchases selected for 3743
competition only by minority business enterprises, as defined in 3744
division (E)(1) of section 122.71 of the Revised Code. The 3745

shall be the same as for all other purchases the ~~department~~ 3747
purchasing authority is required to make through competitive 3748
selection, except that only minority business enterprises 3749
certified by the equal employment opportunity coordinator of the 3750
department of administrative services in accordance with the rules 3751
adopted under division (B)(1) of section 123.151 of the Revised 3752
Code and listed by the director under division (B) of section 3753
125.08 of the Revised Code shall be qualified to compete. 3754

(B) To the extent that any agency of the state, other than 3755
the department of administrative services, the office of 3756
information technology, the legislative and judicial branches, 3757
boards of elections, and the adjutant general, is authorized to 3758
make purchases, the agency shall set aside a number of purchases, 3759
the aggregate value of which equals approximately fifteen per cent 3760
of the aggregate value of such purchases for the current fiscal 3761
year for competition by minority business enterprises only. The 3762
procedures for such purchases shall be the same as for all other 3763
such purchases made by the agency, except that only minority 3764

business enterprises certified by the equal employment opportunity 3765
coordinator in accordance with rules adopted under division (B)(1) 3766
of section 123.151 of the Revised Code shall be qualified to 3767

(C) In the case of purchases set aside under division (A) or 3769
(B) of this section, if no bid is submitted by a minority business 3770
enterprise, the purchase shall be made according to usual 3771
procedures. The contracting agency shall from time to time set 3772
aside such additional purchases for which only minority business 3773
enterprises may compete, as are necessary to replace those 3774
purchases previously set aside for which no minority business 3775
enterprises bid and to ensure that, in any fiscal year, the 3776
aggregate amount of contracts awarded to minority business 3777
enterprises will equal approximately fifteen per cent of the total 3778
amount of contracts awarded by the agency. 3779

(D) The provisions of this section shall not preclude any 3780
minority business enterprise from competing for any other state 3781
purchases that are not specifically set aside for minority 3782
business enterprises. 3783

(E) No funds of any state agency shall be expended in any 3784
fiscal year for any purchase for which competitive selection is 3785
required, until the ~~director of the department of administrative~~ 3786
~~services certifies~~ purchasing authorities certify to the equal 3787
employment opportunity coordinator, the clerk of the senate, and 3788
the clerk of the house of representatives of the general assembly 3789
that approximately fifteen per cent of the aggregate amount of the 3790
projected expenditure for such purchases in the fiscal year has 3791
been set aside as provided for in this section. 3792

(F) Any person who intentionally misrepresents self as 3793
owning, controlling, operating, or participating in a minority 3794
business enterprise for the purpose of obtaining contracts, 3795
subcontracts, or any other benefits under this section shall be 3796

guilty of theft by deception as provided for in section 2913.02 of 3797
the Revised Code. 3798

Sec. 125.082. (A) When purchasing equipment, materials, or 3799
supplies, the general assembly; the offices of all elected state 3800
officers; all departments, boards, offices, commissions, agencies, 3801

products shall comply with any rules adopted under division (C) of 3809
this section. 3810

(B) The ~~director of administrative services~~ purchasing 3811
authorities shall adopt rules in accordance with Chapter 119. of 3812
the Revised Code establishing guidelines for the procurement of 3813
recycled products pursuant to division (A) of this section. To the 3814
extent practicable, the guidelines shall do all of the following: 3815

(1) Be consistent with and substantially equivalent to any 3816
relevant regulations adopted by the administrator of the United 3817
States environmental protection agency pursuant to the "Resource 3818
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 3819
6921, as amended; 3820

(2) Establish the minimum percentage of recycled materials 3821
the various products shall contain in order to be considered 3822
"recycled" for the purposes of division (A) of this section; 3823

(3) So far as practicable and economically feasible, 3824
incorporate specifications for recycled-content materials to 3825
promote the use and purchase of recycled products by state 3826
agencies. 3827

(C) The ~~director~~ purchasing authorities may adopt rules in 3828
accordance with Chapter 119. of the Revised Code establishing a 3829
maximum percentage by which the cost of recycled products 3830
purchased under division (A) of this section may exceed the cost 3831
of comparable products made of virgin materials. 3832

(D) The department of administrative services, the office of 3833
information technology, and the department of natural resources 3834
annually shall prepare and submit to the governor, president of 3835
the senate, and speaker of the house of representatives a report 3836
that describes, so far as practicable, the value and types of 3837
recycled products that are purchased with moneys disbursed from 3838
the state treasury by the general assembly; the offices of all 3839
elected state officers; and all departments, boards, offices, 3840
commissions, agencies, and institutions of this state. 3841

Sec. 125.09. (A) Pursuant to section 125.07 of the Revised 3842
Code, ~~the department of administrative services~~ a purchasing 3843
authority may prescribe such conditions under which competitive 3844
sealed bids will be received and terms of the proposed purchase as 3845
it considers necessary; provided, that all such conditions and 3846
terms shall be reasonable and shall not unreasonably restrict 3847
competition, and bidders may bid upon all or any item of the 3848
supplies or services listed in such notice. Those bidders claiming 3849
the preference for United States and Ohio products outlined in 3850
this chapter shall designate in their bids either that the product 3851
to be supplied is an Ohio product or that under the rules 3852
established by the ~~director of administrative services~~ purchasing 3853
authority they qualify as having a significant Ohio economic 3854
presence. 3855

(B) The ~~department~~ purchasing authority may require that each 3856
bidder provide sufficient information about the energy efficiency 3857
or energy usage of the bidder's product or service. 3858

(C) The ~~director of administrative services~~ purchasing authority shall, by rule adopted pursuant to Chapter 119. of the Revised Code, prescribe criteria and procedures for use by all state agencies in giving preference to United States and Ohio products as required by division (B) of section 125.11 of the Revised Code. The rules shall extend to:

(1) Criteria for determining that a product is produced or mined in the United States rather than in another country or territory;

(2) Criteria for determining that a product is produced or mined in Ohio;

(3) Information to be submitted by bidders as to the nature of a product and the location where it is produced or mined;

(4) Criteria and procedures to be used by the ~~director~~ purchasing authorities to qualify bidders located in states bordering Ohio who might otherwise be excluded from being awarded a contract by operation of this section and section 125.11 of the Revised Code. The criteria and procedures shall recognize the level and regularity of interstate commerce between Ohio and the border states and provide that the non-Ohio businesses may qualify for award of a contract as long as they are located in a state that imposes no greater restrictions than are contained in this section and section 125.11 of the Revised Code upon persons located in Ohio selling products or services to agencies of that state. The criteria and procedures shall also provide that a non-Ohio business shall not bid on a contract for state printing in this state if the business is located in a state that excludes Ohio businesses from bidding on state printing contracts in that state.

(5) Criteria and procedures to be used to qualify bidders whose manufactured products, except for mined products, are

produced in other states or in North America, but the bidders have 3890
a significant Ohio economic presence in terms of the number of 3891
employees or capital investment a bidder has in this state. 3892
Bidders with a significant Ohio economic presence shall qualify 3893
for award of a contract on the same basis as if their products 3894
were produced in this state. 3895

(6) Criteria and procedures for the ~~director~~ purchasing 3896
authority to grant waivers of the requirements of division (B) of 3897
section 125.11 of the Revised Code on a contract-by-contract basis 3898
where compliance with those requirements would result in the state 3899
agency paying an excessive price for the product or acquiring a 3900
disproportionately inferior product; 3901

(7) Such other requirements or procedures reasonably 3902
necessary to implement the system of preferences established 3903
pursuant to division (B) of section 125.11 of the Revised Code. 3904

In adopting the rules required under this division, the 3905
~~director~~ purchasing authority shall, to the maximum extent 3906
possible, conform to the requirements of the federal "Buy America 3907
Act," 47 Stat. 1520, (1933), 41 U.S.C.A. 10a-10d, as amended, and 3908
to the regulations adopted thereunder. 3909

Sec. 125.10. (A) ~~The department of administrative services~~ A 3910
purchasing authority may require that all competitive sealed bids, 3911
competitive sealed proposals, and bids received in a reverse 3912
auction be accompanied by a performance bond or other cash surety 3913
acceptable to the ~~director of administrative services~~ purchasing 3914
authority, in the sum and with the sureties it prescribes, payable 3915
to the state, and conditioned that the person submitting the bid 3916
or proposal, if that person's bid or proposal is accepted, will 3917
faithfully execute the terms of the contract and promptly make 3918
deliveries of the supplies purchased. 3919

(B) A sealed copy of each competitive sealed bid or 3920

competitive sealed proposal shall be filed with the ~~department~~ 3921
purchasing authority prior to the time specified in the notice for 3922
opening of the bids or proposals. All competitive sealed bids and 3923
competitive sealed proposals shall be publicly opened in the 3924
office of the ~~department~~ purchasing authority at the time 3925
specified in the notice. A representative of the auditor of state 3926
shall be present at the opening of all competitive sealed bids and 3927
competitive sealed proposals, and shall certify the opening of 3928
each competitive sealed bid and competitive sealed proposal. No 3929
competitive sealed bid or competitive sealed proposal shall be 3930
considered valid unless it is so certified. 3931

Sec. 125.11. (A) Subject to division (B) of this section, 3932
contracts awarded pursuant to a reverse auction under section 3933
125.072 of the Revised Code or pursuant to competitive sealed 3934
bidding, including contracts awarded under section 125.081 of the 3935
Revised Code, shall be awarded to the lowest responsive and 3936
responsible bidder on each item in accordance with section 9.312 3937
of the Revised Code. When the contract is for meat products as 3938
defined in section 918.01 of the Revised Code or poultry products 3939
as defined in section 918.21 of the Revised Code, only those bids 3940
received from vendors offering products from establishments on the 3941
current list of meat and poultry vendors established and 3942
maintained by the director of administrative services under 3943
section 125.17 of the Revised Code shall be eligible for 3944
acceptance. The ~~department of administrative services~~ purchasing 3945
authority may accept or reject any or all bids in whole or by 3946
items, except that when the contract is for services or products 3947
available from a qualified nonprofit agency pursuant to sections 3948
125.60 to 125.6012 or 4115.31 to 4115.35 of the Revised Code, the 3949
contract shall be awarded to that agency. 3950

(B) Prior to awarding a contract under division (A) of this 3951
section, the ~~department of administrative services~~ purchasing 3952

authority or the state agency responsible for evaluating a 3953
contract for the purchase of products shall evaluate the bids 3954
received according to the criteria and procedures established 3955
pursuant to divisions (C)(1) and (2) of section 125.09 of the 3956
Revised Code for determining if a product is produced or mined in 3957
the United States and if a product is produced or mined in this 3958
state. The ~~department~~ purchasing authority or other state agency 3959
shall first remove bids that offer products that have not been or 3960
that will not be produced or mined in the United States. From 3961
among the remaining bids, the ~~department~~ purchasing authority or 3962
other state agency shall select the lowest responsive and 3963
responsible bid, in accordance with section 9.312 of the Revised 3964
Code, from among the bids that offer products that have been 3965
produced or mined in this state where sufficient competition can 3966
be generated within this state to ensure that compliance with 3967
these requirements will not result in an excessive price for the 3968
product or acquiring a disproportionately inferior product. If 3969
there are two or more qualified bids that offer products that have 3970
been produced or mined in this state, it shall be deemed that 3971
there is sufficient competition to prevent an excessive price for 3972
the product or the acquiring of a disproportionately inferior 3973
product. 3974

(C) Division (B) of this section applies to contracts for 3975
which competitive bidding is waived by the controlling board. 3976

(D) Division (B) of this section does not apply to the 3977
purchase by the division of liquor control of spirituous liquor. 3978

(E) The director of administrative services shall publish in 3979
the form of a model act for use by counties, townships, municipal 3980

division (B) of section 125.04 of the Revised Code, a system of 3982
preferences for products mined and produced in this state and in 3983
the United States and for Ohio-based contractors. The model act 3984

shall reflect substantial equivalence to the system of preferences 3985
in purchasing and public improvement contracting procedures under 3986
which the state operates pursuant to this chapter and section 3987
153.012 of the Revised Code. To the maximum extent possible, 3988
consistent with the Ohio system of preferences in purchasing and 3989
public improvement contracting procedures, the model act shall 3990
incorporate all of the requirements of the federal "Buy America 3991
Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and 3992
the rules adopted under that act. 3993

Before and during the development and promulgation of the 3994
model act, the director shall consult with appropriate statewide 3995
organizations representing counties, townships, and municipal 3996
corporations so as to identify the special requirements and 3997
concerns these political subdivisions have in their purchasing and 3998
public improvement contracting procedures. The director shall 3999
promulgate the model act by rule adopted pursuant to Chapter 119. 4000
of the Revised Code and shall revise the act as necessary to 4001
reflect changes in this chapter or section 153.012 of the Revised 4002
Code. 4003

The director shall make available copies of the model act, 4004
supporting information, and technical assistance to any township, 4005
county, or municipal corporation wishing to incorporate the 4006
provisions of the act into its purchasing or public improvement 4007
contracting procedure. 4008

equipment, materials, supplies, or services, including a 4015

reasonable sum to cover ~~the department's~~ administrative costs and 4016
costs relating to energy efficiency and conservation programs, 4017
whenever reimbursement is required by the ~~department~~ purchasing 4018
authority. The money so paid shall be deposited in the state 4019
treasury to the credit of the general services fund for use by the 4020
department of administrative services or the information 4021
technology fund for use by the office of information technology, 4022
as appropriate. Those funds are hereby created. 4023

Sec. 125.25. (A) ~~The director of administrative services~~ A 4024

its terms, conditions, and specifications within specified time 4032

a contract; 4038

(4) Attempted to influence a public employee to breach 4039
ethical conduct standards or to influence a contract award; 4040

(5) Colluded to restrain competition by any means; 4041

participating in a contract with any governmental agency. 4059

(B) When ~~the director~~ a purchasing authority reasonably 4060
believes that grounds for debarment exist, the ~~director~~ purchasing 4061

indicating the grounds for the proposed debarment and the 4063
procedure for requesting a hearing on the proposed debarment. The 4064
hearing shall be conducted in accordance with Chapter 119. of the 4065
Revised Code. If the vendor does not respond with a request for a 4066
hearing in the manner specified in Chapter 119. of the Revised 4067
Code, the ~~director~~ purchasing authority shall issue the debarment 4068
decision without a hearing and shall notify the vendor of the 4069
decision by certified mail, return receipt requested. 4070

(C) The ~~director~~ purchasing authority shall determine the 4071
length of the debarment period and may rescind the debarment at 4072
any time upon notification to the vendor. During the period of 4073
debarment, the vendor is not eligible to participate in any state 4074
contract. After the debarment period expires, the vendor shall be 4075
eligible to be awarded contracts by state agencies. 4076

(D) The ~~director, through the~~ office of information 4077

if the director of administrative services determines that there 4096
is an emergency due to the timing of service delivery or another 4097
factor that may cause financial hardship to the state. 4098

Nothing in this section precludes the bureau from entering 4099
into a contract with the department of administrative services for 4100

of this section. 4254

Sec. 126.04. Funds appropriated for purposes of fulfilling 4255

director does not approve payment, the director shall notify the 4302
agency of the reasons the director has not given approval. 4303

accordance with division (B)(2) of this section. Allocations for 6062
this purpose made pursuant to division (C)(5) of this section 6063

the bond proceedings, any holder of obligations, or a trustee 6262
under the bond proceedings, may by any suitable form of legal 6263
proceedings protect and enforce any rights under the laws of this 6264
state or granted by the bond proceedings. Such rights include the 6265
right to compel the performance of all duties of the issuer and 6266

of each state agency and local public entity and its officers, 6268
members, or employees, undertaken pursuant to the bond 6269

proceedings, is hereby established as a duty of the issuer, and of 6270
each such agency, local subdivision, officer, member, or employee 6271
having authority to perform such duty, specifically enjoined by 6272
the law and resulting from an office, trust, or station within the 6273
meaning of section 2731.01 of the Revised Code. The persons who 6274
are at the time the issuer, or the issuer's employees, are not 6275

(M) Unless otherwise provided in any applicable bond 6293
proceedings, moneys to the credit of or in the special funds 6294
established by or pursuant to this section may be invested by or 6295
on behalf of the issuer only in notes, bonds, or other direct 6296
obligations of the United States or of any agency or 6297
instrumentality of the United States, in obligations of this state 6298
or any political subdivision of this state, in certificates of 6299
deposit of any national bank located in this state and any bank, 6300

disbursed on the order of the issuer, provided that no such order 6320
is required for the payment from the bond service fund or other 6321
special fund when due of bond service charges or required payments 6322
under credit facilities. 6323

(O) The issuer may covenant in the bond proceedings, and any 6324
such covenants shall be controlling notwithstanding any other 6325
provision of law, that the state and the applicable officers and 6326
agencies of the state, including the general assembly, so long as 6327
any obligations are outstanding in accordance with their terms, 6328
shall maintain statutory authority for and cause to be charged and 6329

treasurer of state prior to the initial delivery of an issue of 6341
the obligations, the obligations of that issue and the bond 6342
proceedings pertaining to that issue are incontestable and those 6343
obligations shall be conclusively considered to be and to have 6344
been issued, secured, payable, sold, executed, and delivered, and 6345
the bond proceedings relating to them taken, in conformity with 6346
law if all of the following apply to the obligations: 6347

and pledges, and receipts therefrom, available for the payment of 6397
bond service charges. 6398

(7) "Special funds" or "funds" means, except where the 6399
context does not permit, the bond service fund, and any other 6400
funds, including reserve funds, created under the bond 6401
proceedings, and the economic development bond service fund 6402
created by division (S) of this section to the extent provided in 6403
the bond proceedings, including all moneys and investments, and 6404
earnings from investment, credited and to be credited thereto. 6405

(B) Subject to the limitations provided in section 166.11 of 6406
the Revised Code, the issuing authority, upon the certification by 6407
the director of development to the issuing authority of the amount 6408
of moneys or additional moneys needed in the facilities 6409
establishment fund, the loan guarantee fund, the innovation Ohio 6410
loan fund, the innovation Ohio loan guarantee fund, or the 6411
research and development loan fund for the purpose of paying, or 6412
making loans for, allowable costs from the facilities 6413
establishment fund, allowable innovation costs from the innovation 6414
Ohio loan fund, or allowable costs from the research and 6415
development loan fund, or needed for capitalized interest, for 6416
funding reserves, and for paying costs and expenses incurred in 6417
connection with the issuance, carrying, securing, paying, 6418
redeeming, or retirement of the obligations or any obligations 6419
refunded thereby, including payment of costs and expenses relating 6420
to letters of credit, lines of credit, insurance, put agreements, 6421
standby purchase agreements, indexing, marketing, remarketing and 6422
administrative arrangements, interest swap or hedging agreements, 6423
and any other credit enhancement, liquidity, remarketing, renewal, 6424
or refunding arrangements, all of which are authorized by this 6425
section, or providing moneys for the loan guarantee fund or the 6426

innovation Ohio loan guarantee fund, as provided in this chapter 6427
or needed for the purposes of funds established in accordance with 6428
or pursuant to sections 122.35, 122.42, 122.54, 122.55, 122.56, 6429
122.561, 122.57, and 122.80 of the Revised Code which are within 6430
the authorization of Section 13 of Article VIII, Ohio 6431
Constitution, shall issue obligations of the state under this 6432
section in the required amount; provided that such obligations may 6433
be issued to satisfy the covenants in contracts of guarantee made 6434
under section 166.06 or 166.15 of the Revised Code, 6435
notwithstanding limitations otherwise applicable to the issuance 6436
of obligations under this section. The proceeds of such 6437
obligations, except for the portion to be deposited in special 6438
funds, including reserve funds, as may be provided in the bond 6439
proceedings, shall as provided in the bond proceedings be 6440
deposited by the director of development to the facilities 6441
establishment fund, the loan guarantee fund, the innovation Ohio 6442
loan guarantee fund, the innovation Ohio loan fund, or the 6443
research and development loan fund. Bond proceedings for project 6444
financing obligations may provide that the proceeds derived from 6445
the issuance of such obligations shall be deposited into such fund 6446
or funds provided for in the bond proceedings and, to the extent 6447
provided for in the bond proceedings, such proceeds shall be 6448
deemed to have been deposited into the facilities establishment 6449
fund and transferred to such fund or funds. The issuing authority 6450
may appoint trustees, paying agents, and transfer agents and may 6451
retain the services of financial advisors, accounting experts, and 6452
attorneys, and retain or contract for the services of marketing, 6453
remarketing, indexing, and administrative agents, other 6454
consultants, and independent contractors, including printing 6455
services, as are necessary in the issuing authority's judgment to 6456
carry out this section. The costs of such services are allowable 6457
costs payable from the facilities establishment fund or the 6458
research and development loan fund or allowable innovation costs 6459

payable from the innovation Ohio loan fund. 6460

(C) The holders or owners of such obligations shall have no 6461
right to have moneys raised by taxation obligated or pledged, and 6462
moneys raised by taxation shall not be obligated or pledged, for 6463
the payment of bond service charges. Such holders or owners shall 6464
have no rights to payment of bond service charges from any moneys 6465
accruing to the state from the lease, sale, or other disposition, 6466
or use, of project facilities, or from payment of the principal of 6467
or interest on loans made, or fees charged for guarantees made, or 6468
from any money or property received by the director, treasurer of 6469
state, or the state under Chapter 122. of the Revised Code, or 6470
from any other use of the proceeds of the sale of the obligations, 6471
and no such moneys may be used for the payment of bond service 6472
charges, except for accrued interest, capitalized interest, and 6473
reserves funded from proceeds received upon the sale of the 6474
obligations and except as otherwise expressly provided in the 6475
applicable bond proceedings pursuant to written directions by the 6476
director. The right of such holders and owners to payment of bond 6477
service charges is limited to all or that portion of the pledged 6478
receipts and those special funds pledged thereto pursuant to the 6479
bond proceedings in accordance with this section, and each such 6480
obligation shall bear on its face a statement to that effect. 6481

(D) Obligations shall be authorized by resolution or order of 6482
the issuing authority and the bond proceedings shall provide for 6483
the purpose thereof and the principal amount or amounts, and shall 6484
provide for or authorize the manner or agency for determining the 6485
principal maturity or maturities, not exceeding twenty-five years 6486
from the date of issuance, the interest rate or rates or the 6487
maximum interest rate, the date of the obligations and the dates 6488
of payment of interest thereon, their denomination, and the 6489
establishment within or without the state of a place or places of 6490
payment of bond service charges. Sections 9.98 to 9.983 of the 6491

Revised Code are applicable to obligations issued under this 6492
section, subject to any applicable limitation under section 166.11 6493
of the Revised Code. The purpose of such obligations may be stated 6494
in the bond proceedings in terms describing the general purpose or 6495
purposes to be served. The bond proceedings also shall provide, 6496
subject to the provisions of any other applicable bond 6497
proceedings, for the pledge of all, or such part as the issuing 6498
authority may determine, of the pledged receipts and the 6499
applicable special fund or funds to the payment of bond service 6500
charges, which pledges may be made either prior or subordinate to 6501
other expenses, claims, or payments, and may be made to secure the 6502
obligations on a parity with obligations theretofore or thereafter 6503
issued, if and to the extent provided in the bond proceedings. The 6504
pledged receipts and special funds so pledged and thereafter 6505
received by the state are immediately subject to the lien of such 6506
pledge without any physical delivery thereof or further act, and 6507
the lien of any such pledges is valid and binding against all 6508
parties having claims of any kind against the state or any 6509
governmental agency of the state, irrespective of whether such 6510
parties have notice thereof, and shall create a perfected security 6511
interest for all purposes of Chapter 1309. of the Revised Code, 6512
without the necessity for separation or delivery of funds or for 6513
the filing or recording of the bond proceedings by which such 6514
pledge is created or any certificate, statement or other document 6515
with respect thereto; and the pledge of such pledged receipts and 6516
special funds is effective and the money therefrom and thereof may 6517
be applied to the purposes for which pledged without necessity for 6518
any act of appropriation. Every pledge, and every covenant and 6519
agreement made with respect thereto, made in the bond proceedings 6520
may therein be extended to the benefit of the owners and holders 6521
of obligations authorized by this section, and to any trustee 6522
therefor, for the further security of the payment of the bond 6523
service charges. 6524

- (E) The bond proceedings may contain additional provisions as 6525
to: 6526
- (1) The redemption of obligations prior to maturity at the 6527
option of the issuing authority at such price or prices and under 6528
such terms and conditions as are provided in the bond proceedings; 6529
- (2) Other terms of the obligations; 6530
- (3) Limitations on the issuance of additional obligations; 6531
- (4) The terms of any trust agreement or indenture securing 6532
the obligations or under which the same may be issued; 6533
- (5) The deposit, investment and application of special funds, 6534
and the safeguarding of moneys on hand or on deposit, without 6535
regard to Chapter 131. or 135. of the Revised Code, but subject to 6536
any special provisions of this chapter, with respect to particular 6537
funds or moneys, provided that any bank or trust company which 6538
acts as depository of any moneys in the special funds may furnish 6539
such indemnifying bonds or may pledge such securities as required 6540
by the issuing authority; 6541
- (6) Any or every provision of the bond proceedings being 6542
binding upon such officer, board, commission, authority, agency, 6543
department, or other person or body as may from time to time have 6544
the authority under law to take such actions as may be necessary 6545
to perform all or any part of the duty required by such provision; 6546
- (7) Any provision that may be made in a trust agreement or 6547
indenture; 6548
- (8) Any other or additional agreements with the holders of 6549
the obligations, or the trustee therefor, relating to the 6550
obligations or the security therefor, including the assignment of 6551
mortgages or other security obtained or to be obtained for loans 6552
under section 122.43, 166.07, or 166.16 of the Revised Code. 6553
- (F) The obligations may have the great seal of the state or a 6554

facsimile thereof affixed thereto or printed thereon. The 6555
obligations and any coupons pertaining to obligations shall be 6556
signed or bear the facsimile signature of the issuing authority. 6557
Any obligations or coupons may be executed by the person who, on 6558
the date of execution, is the proper issuing authority although on 6559
the date of such bonds or coupons such person was not the issuing 6560
authority. If the issuing authority whose signature or a facsimile 6561
of whose signature appears on any such obligation or coupon ceases 6562
to be the issuing authority before delivery thereof, such 6563
signature or facsimile is nevertheless valid and sufficient for 6564
all purposes as if the former issuing authority had remained the 6565
issuing authority until such delivery; and if the seal to be 6566
affixed to obligations has been changed after a facsimile of the 6567
seal has been imprinted on such obligations, such facsimile seal 6568
shall continue to be sufficient as to such obligations and 6569
obligations issued in substitution or exchange therefor. 6570

(G) All obligations are negotiable instruments and securities 6571
under Chapter 1308. of the Revised Code, subject to the provisions 6572
of the bond proceedings as to registration. The obligations may be 6573
issued in coupon or in registered form, or both, as the issuing 6574
authority determines. Provision may be made for the registration 6575
of any obligations with coupons attached thereto as to principal 6576
alone or as to both principal and interest, their exchange for 6577
obligations so registered, and for the conversion or reconversion 6578
into obligations with coupons attached thereto of any obligations 6579
registered as to both principal and interest, and for reasonable 6580
charges for such registration, exchange, conversion, and 6581
reconversion. 6582

(H) Obligations may be sold at public sale or at private 6583
sale, as determined in the bond proceedings. 6584

Obligations issued to provide moneys for the loan guarantee 6585
fund or the innovation Ohio loan guarantee fund may, as determined 6586

by the issuing authority, be sold at private sale, and without 6587
publication of a notice of sale. 6588

(I) Pending preparation of definitive obligations, the 6589
issuing authority may issue interim receipts or certificates which 6590
shall be exchanged for such definitive obligations. 6591

(J) In the discretion of the issuing authority, obligations 6592
may be secured additionally by a trust agreement or indenture 6593
between the issuing authority and a corporate trustee which may be 6594
any trust company or bank having ~~its principal~~ a place of business 6595
within the state. Any such agreement or indenture may contain the 6596
resolution or order authorizing the issuance of the obligations, 6597
any provisions that may be contained in any bond proceedings, and 6598
other provisions which are customary or appropriate in an 6599
agreement or indenture of such type, including, but not limited 6600
to: 6601

(1) Maintenance of each pledge, trust agreement, indenture, 6602
or other instrument comprising part of the bond proceedings until 6603
the state has fully paid the bond service charges on the 6604
obligations secured thereby, or provision therefor has been made; 6605

(2) In the event of default in any payments required to be 6606
made by the bond proceedings, or any other agreement of the 6607
issuing authority made as a part of the contract under which the 6608
obligations were issued, enforcement of such payments or agreement 6609
by mandamus, the appointment of a receiver, suit in equity, action 6610
at law, or any combination of the foregoing; 6611

(3) The rights and remedies of the holders of obligations and 6612
of the trustee, and provisions for protecting and enforcing them, 6613
including limitations on rights of individual holders of 6614
obligations; 6615

(4) The replacement of any obligations that become mutilated 6616
or are destroyed, lost, or stolen; 6617

(5) Such other provisions as the trustee and the issuing authority agree upon, including limitations, conditions, or qualifications relating to any of the foregoing.

(K) Any holders of obligations or trustees under the bond proceedings, except to the extent that their rights are restricted by the bond proceedings, may by any suitable form of legal proceedings, protect and enforce any rights under the laws of this state or granted by such bond proceedings. Such rights include the right to compel the performance of all duties of the issuing authority, the director of development, or the division of liquor control required by this chapter or the bond proceedings; to enjoin unlawful activities; and in the event of default with respect to the payment of any bond service charges on any obligations or in the performance of any covenant or agreement on the part of the issuing authority, the director of development, or the division of liquor control in the bond proceedings, to apply to a court having jurisdiction of the cause to appoint a receiver to receive and administer the pledged receipts and special funds, other than those in the custody of the treasurer of state, which are pledged to the payment of the bond service charges on such obligations or which are the subject of the covenant or agreement, with full power to pay, and to provide for payment of bond service charges on, such obligations, and with such powers, subject to the direction of the court, as are accorded receivers in general equity cases, excluding any power to pledge additional revenues or receipts or other income or moneys of the issuing authority or the state or governmental agencies of the state to the payment of such principal and interest and excluding the power to take possession of, mortgage, or cause the sale or otherwise dispose of any project facilities.

Each duty of the issuing authority and the issuing authority's officers and employees, and of each governmental

agency and its officers, members, or employees, undertaken 6650
pursuant to the bond proceedings or any agreement or lease, 6651
lease-purchase agreement, or loan made under authority of this 6652
chapter, and in every agreement by or with the issuing authority, 6653
is hereby established as a duty of the issuing authority, and of 6654
each such officer, member, or employee having authority to perform 6655
such duty, specifically enjoined by the law resulting from an 6656
office, trust, or station within the meaning of section 2731.01 of 6657
the Revised Code. 6658

The person who is at the time the issuing authority, or the 6659
issuing authority's officers or employees, are not liable in their 6660
personal capacities on any obligations issued by the issuing 6661
authority or any agreements of or with the issuing authority. 6662

(L) The issuing authority may authorize and issue obligations 6663
for the refunding, including funding and retirement, and advance 6664
refunding with or without payment or redemption prior to maturity, 6665
of any obligations previously issued by the issuing authority. 6666
Such obligations may be issued in amounts sufficient for payment 6667
of the principal amount of the prior obligations, any redemption 6668
premiums thereon, principal maturities of any such obligations 6669
maturing prior to the redemption of the remaining obligations on a 6670
parity therewith, interest accrued or to accrue to the maturity 6671
dates or dates of redemption of such obligations, and any 6672
allowable costs including expenses incurred or to be incurred in 6673
connection with such issuance and such refunding, funding, and 6674
retirement. Subject to the bond proceedings therefor, the portion 6675
of proceeds of the sale of obligations issued under this division 6676
to be applied to bond service charges on the prior obligations 6677
shall be credited to an appropriate account held by the trustee 6678
for such prior or new obligations or to the appropriate account in 6679
the bond service fund for such obligations. Obligations authorized 6680
under this division shall be deemed to be issued for those 6681

purposes for which such prior obligations were issued and are 6682
subject to the provisions of this section pertaining to other 6683
obligations, except as otherwise provided in this section; 6684
provided that, unless otherwise authorized by the general 6685
assembly, any limitations imposed by the general assembly pursuant 6686
to this section with respect to bond service charges applicable to 6687
the prior obligations shall be applicable to the obligations 6688
issued under this division to refund, fund, advance refund or 6689
retire such prior obligations. 6690

(M) The authority to issue obligations under this section 6691
includes authority to issue obligations in the form of bond 6692
anticipation notes and to renew the same from time to time by the 6693
issuance of new notes. The holders of such notes or interest 6694
coupons pertaining thereto shall have a right to be paid solely 6695
from the pledged receipts and special funds that may be pledged to 6696
the payment of the bonds anticipated, or from the proceeds of such 6697
bonds or renewal notes, or both, as the issuing authority provides 6698
in the resolution or order authorizing such notes. Such notes may 6699
be additionally secured by covenants of the issuing authority to 6700
the effect that the issuing authority and the state will do such 6701
or all things necessary for the issuance of such bonds or renewal 6702
notes in appropriate amount, and apply the proceeds thereof to the 6703
extent necessary, to make full payment of the principal of and 6704
interest on such notes at the time or times contemplated, as 6705
provided in such resolution or order. For such purpose, the 6706
issuing authority may issue bonds or renewal notes in such 6707
principal amount and upon such terms as may be necessary to 6708
provide funds to pay when required the principal of and interest 6709
on such notes, notwithstanding any limitations prescribed by or 6710
for purposes of this section. Subject to this division, all 6711
provisions for and references to obligations in this section are 6712
applicable to notes authorized under this division. 6713

The issuing authority in the bond proceedings authorizing the
issuance of bond anticipation notes shall set forth for such bonds
an estimated interest rate and a schedule of principal payments
for such bonds and the annual maturity dates thereof, and for
purposes of any limitation on bond service charges prescribed
under division (A) of section 166.11 of the Revised Code, the
amount of bond service charges on such bond anticipation notes is
deemed to be the bond service charges for the bonds anticipated
thereby as set forth in the bond proceedings applicable to such
notes, but this provision does not modify any authority in this
section to pledge receipts and special funds to, and covenant to
issue bonds to fund, the payment of principal of and interest and
any premium on such notes.

(N) Obligations issued under this section are lawful
investments for banks, societies for savings, savings and loan
associations, deposit guarantee associations, trust companies,
trustees, fiduciaries, insurance companies, including domestic for
life and domestic not for life, trustees or other officers having
charge of sinking and bond retirement or other special funds of
political subdivisions and taxing districts of this state, the
commissioners of the sinking fund of the state, the administrator
of workers' compensation, the state teachers retirement system,
the public employees retirement system, the school employees
retirement system, and the Ohio police and fire pension fund,
notwithstanding any other provisions of the Revised Code or rules
adopted pursuant thereto by any governmental agency of the state
with respect to investments by them, and are also acceptable as
security for the deposit of public moneys.

(O) Unless otherwise provided in any applicable bond
proceedings, moneys to the credit of or in the special funds
established by or pursuant to this section may be invested by or
on behalf of the issuing authority only in notes, bonds, or other

obligations of the United States, or of any agency or 6746
instrumentality of the United States, obligations guaranteed as to 6747
principal and interest by the United States, obligations of this 6748
state or any political subdivision of this state, and certificates 6749
of deposit of any national bank located in this state and any 6750
bank, as defined in section 1101.01 of the Revised Code, subject 6751
to inspection by the superintendent of banks. If the law or the 6752
instrument creating a trust pursuant to division (J) of this 6753
section expressly permits investment in direct obligations of the 6754
United States or an agency of the United States, unless expressly 6755
prohibited by the instrument, such moneys also may be invested in 6756
no-front-end-load money market mutual funds consisting exclusively 6757
of obligations of the United States or an agency of the United 6758
States and in repurchase agreements, including those issued by the 6759
fiduciary itself, secured by obligations of the United States or 6760
an agency of the United States; and in common trust funds 6761
established in accordance with section 1111.20 of the Revised Code 6762
and consisting exclusively of any such securities, notwithstanding 6763
division (A)(4) of that section. The income from such investments 6764
shall be credited to such funds as the issuing authority 6765
determines, and such investments may be sold at such times as the 6766
issuing authority determines or authorizes. 6767

(P) Provision may be made in the applicable bond proceedings 6768
for the establishment of separate accounts in the bond service 6769
fund and for the application of such accounts only to the 6770
specified bond service charges on obligations pertinent to such 6771
accounts and bond service fund and for other accounts therein 6772
within the general purposes of such fund. Unless otherwise 6773
provided in any applicable bond proceedings, moneys to the credit 6774
of or in the several special funds established pursuant to this 6775
section shall be disbursed on the order of the treasurer of state, 6776
provided that no such order is required for the payment from the 6777
bond service fund when due of bond service charges on obligations. 6778

(Q) The issuing authority may pledge all, or such portion as 6779
the issuing authority determines, of the pledged receipts to the 6780
payment of bond service charges on obligations issued under this 6781
section, and for the establishment and maintenance of any 6782
reserves, as provided in the bond proceedings, and make other 6783
provisions therein with respect to pledged receipts as authorized 6784
by this chapter, which provisions are controlling notwithstanding 6785
any other provisions of law pertaining thereto. 6786

(R) The issuing authority may covenant in the bond 6787
proceedings, and any such covenants are controlling 6788
notwithstanding any other provision of law, that the state and 6789
applicable officers and governmental agencies of the state, 6790
including the general assembly, so long as any obligations are 6791
outstanding, shall: 6792

(1) Maintain statutory authority for and cause to be charged 6793
and collected wholesale and retail prices for spirituous liquor 6794
sold by the state or its agents so that the pledged receipts are 6795
sufficient in amount to meet bond service charges, and the 6796
establishment and maintenance of any reserves and other 6797
requirements provided for in the bond proceedings, and, as 6798
necessary, to meet covenants contained in contracts of guarantee 6799
made under section 166.06 of the Revised Code; 6800

(2) Take or permit no action, by statute or otherwise, that 6801
would impair the exemption from federal income taxation of the 6802
interest on the obligations. 6803

(S) There is hereby created the economic development bond 6804
service fund, which shall be in the custody of the treasurer of 6805
state but shall be separate and apart from and not a part of the 6806
state treasury. All moneys received by or on account of the 6807
issuing authority or state agencies and required by the applicable 6808
bond proceedings, consistent with this section, to be deposited, 6809
transferred, or credited to a bond service fund or the economic 6810

development bond service fund, and all other moneys transferred or 6811
allocated to or received for the purposes of the fund, shall be 6812
deposited and credited to such fund and to any separate accounts 6813
therein, subject to applicable provisions of the bond proceedings, 6814
but without necessity for any act of appropriation. During the 6815
period beginning with the date of the first issuance of 6816
obligations and continuing during such time as any such 6817
obligations are outstanding, and so long as moneys in the 6818
pertinent bond service funds are insufficient to pay all bond 6819
services charges on such obligations becoming due in each year, a 6820
sufficient amount of the gross profit on the sale of spirituous 6821
liquor included in pledged receipts are committed and shall be 6822
paid to the bond service fund or economic development bond service 6823
fund in each year for the purpose of paying the bond service 6824
charges becoming due in that year without necessity for further 6825
act of appropriation for such purpose and notwithstanding anything 6826
to the contrary in Chapter 4301. of the Revised Code. The economic 6827
development bond service fund is a trust fund and is hereby 6828
pledged to the payment of bond service charges to the extent 6829
provided in the applicable bond proceedings, and payment thereof 6830
from such fund shall be made or provided for by the treasurer of 6831
state in accordance with such bond proceedings without necessity 6832
for any act of appropriation. 6833

(T) The obligations, the transfer thereof, and the income 6834
therefrom, including any profit made on the sale thereof, shall at 6835
all times be free from taxation within the state. 6836

Sec. 167.04. (A) The regional council of governments shall 6837
adopt by-laws, by a majority vote of its members, designating the 6838
officers of the council and the method of their selection ~~thereof~~, 6839
creating a governing board that may act for the council as 6840
provided in ~~such~~ the by-laws, and providing for the conduct of its 6841
business. 6842

(B) The by-laws of the regional council of governments shall 6843
provide for the appointment of a fiscal officer, who may hold any 6844
other office or employment with the council, and who shall 6845
receive, deposit, invest, and disburse the funds of the council in 6846
the manner authorized by the by-laws or action by the council. 6847

(C) The by-laws of a regional council of governments the 6848
members of which include, under sections 167.01 and 167.02 of the 6849
Revised Code, at least eight counties may include a provision 6850
authorizing member attendance and voting at council meetings 6851
either in person or by proxy. 6852

Sec. 167.10. (A) As used in this section and sections 167.101 6853
to 167.105 of the Revised Code: 6854

(1) "Qualifying council" means a regional council established 6855
under section 167.01 of the Revised Code to which both of the 6856
following requirements apply: 6857

(a) The council's membership is composed primarily of city, 6858
local, and exempted village school districts, or any combination 6859

its terms during the period any obligations secured by amounts so 7622
assigned and sold are outstanding under the applicable bond 7623
proceedings, and shall constitute a contractual obligation to the 7624
holders or owners of those obligations. Any such assignment and 7625

term of the bond proceedings or the treatment or characterization 7645
of the transfer as a financing for any purpose. Upon and following 7646
the assignment and sale, the state shall not have any right, 7647
title, or interest in the portion of the receipts under the 7648
tobacco master settlement agreement so assigned and sold, other 7649
than any residual interest that may be described in the applicable 7650
bond proceedings for those obligations, and that portion, if any, 7651
shall be the property of the issuing authority and not of the 7652
state, and shall be paid directly to the issuing authority, and 7653
shall be owned, received, held, and disbursed by the issuing 7654
authority and not by the state. 7655

The state may covenant, pledge, and agree in the bond 7656
proceedings, with and for the benefit of the issuing authority, 7657
the holders and owners of obligations, and providers of any credit 7658

rights of the issuing authority to fulfill the terms of its 7665
agreements with the holders or owners of obligations outstanding 7666

and remedies of the holders or owners of obligations outstanding 7668
under the bond proceedings or impair the security for those 7669
obligations, (5) enforce Chapter 1346. of the Revised Code, the 7670
tobacco master settlement agreement, and the consent decree to 7671

effectuate the collection of the pledged tobacco settlement 7672
receipts, and (6) not agree to any amendment of the tobacco master 7673
settlement agreement that materially and adversely affects the 7674
issuing authority's ability to receive the portion of the receipts 7675
under the tobacco master settlement agreement assigned and sold to 7676
the issuing authority. 7677

The bond proceedings may also include such other covenants, 7678
pledges, and agreements by the state to protect and safeguard the 7679
security and rights of the holders and owners of the obligations, 7680
and of the providers of any credit enhancement facilities, 7681
including, without limiting the generality of the foregoing, any 7682
covenant, pledge, or agreement customary in transactions involving 7683
the issuance of securities the debt service on which is payable 7684
from or secured by amounts received under the tobacco master 7685
settlement agreement. Notwithstanding any other provision of law, 7686
any covenant, pledge, and agreement of the state, if and when made 7687
in the bond proceedings, shall be controlling and binding upon, 7688
and enforceable against the state in accordance with its terms for 7689
so long as any obligations are outstanding under the applicable 7690
bond proceedings. The bond proceedings may also include 7691
limitations on the remedies available to the issuing authority, 7692
the holders and owners of the obligations, and the providers of 7693
any credit enhancement facilities, including, without limiting the 7694
generality of the foregoing, a provision that those remedies may 7695
be limited to injunctive relief in circumstances where there has 7696
been no prior determination by a court of competent jurisdiction 7697
that the state has not enforced Chapter 1346. of the Revised Code, 7698
the tobacco master settlement agreement, or the consent decree as 7699
may have been covenanted or agreed in the bond proceedings under 7700
division (B)(5) of this section. 7701

Nothing in this section or the bond proceedings shall 7702
preclude or limit, or be construed to preclude or limit, the state 7703

from regulating or authorizing or permitting the regulation of 7704
smoking or from taxing and regulating the sale of cigarettes or 7705
other tobacco products, or from defending or prosecuting cases or 7706
other actions relating to the sale or use of cigarettes or other 7707
tobacco products. Except as otherwise may be agreed in writing by 7708
the attorney general, nothing in this section or the bond 7709
proceedings shall modify or limit, or be construed to modify or 7710
limit, the responsibility, power, judgment, and discretion of the 7711
attorney general to protect and discharge the duties, rights, and 7712
obligations of the state under the tobacco master settlement 7713
agreement, the consent decree, or Chapter 1346. of the Revised 7714
Code. 7715

The governor and the director of budget and management, in 7716
consultation with the attorney general, on behalf of the state, 7717
and any member or officer of the issuing authority as authorized 7718
by that issuing authority, on behalf of the issuing authority, may 7719
take any action and execute any documents, including any purchase 7720
and sale agreements, necessary to effect the assignment and sale 7721
and the acceptance of the assignment and title to the receipts 7722
including, providing irrevocable direction to the escrow agent 7723
acting under the tobacco master settlement agreement to transfer 7724
directly to the issuing authority the amounts to be received under 7725
that agreement that are subject to such assignment and sale. Any 7726
purchase and sale agreement or other bond proceedings may contain 7727
the terms and conditions established by the state and the issuing 7728
authority to carry out and effectuate the purposes of this 7729
section, including, without limitation, covenants binding the 7730
state in favor of the issuing authority and its assignees and the 7731
owners of the obligations. Any such purchase and sale agreement 7732
shall be sufficient to effectuate such purchase and sale without 7733
regard to any other laws governing other property sales or 7734
financial transactions by the state. 7735

Not later than two years following the date on which there 7736
are no longer any obligations outstanding under the bond 7737
proceedings, all assets of the issuing authority shall vest in the 7738
state, the issuing authority shall execute any necessary 7739
assignments or instruments, including any assignment of any right, 7740
title, or ownership to the state for receipt of amounts under the 7741
tobacco master settlement agreement, and the issuing authority 7742
shall be dissolved. 7743

(C) The issuing authority is authorized to issue and to sell 7744
obligations as provided in this section. The aggregate principal 7745
amount of obligations issued under this section shall not exceed 7746
six billion dollars, exclusive of obligations issued under 7747
division (M)(1) of this section to refund, renew, or advance 7748
refund other obligations issued or incurred. At least seventy-five 7749
per cent of the aggregate net proceeds of the obligations issued 7750
under the authority of this section, exclusive of obligations 7751
issued to refund, renew, or advance refund other obligations, 7752
shall be paid to the state for deposit into the school building 7753
program assistance fund created in section 3318.25 of the Revised 7754
Code. 7755

(D) Each issue of obligations shall be authorized by 7756
resolution or order of the issuing authority. The bond proceedings 7757
shall provide for or authorize the manner for determining the 7758
principal amount or maximum principal amount of obligations of an 7759
issue, the principal maturity or maturities, the interest rate or 7760
rates, the date of and the dates of payment of interest on the 7761
obligations, their denominations, and the place or places of 7762
payment of debt service which may be within or outside the state. 7763
Unless otherwise provided by law, the latest principal maturity 7764
may not be later than the earlier of the thirty-first day of 7765
December of the fiftieth calendar year after the year of issuance 7766
of the particular obligations or of the fiftieth calendar year 7767

after the year in which the original obligation to pay was issued 7768
or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 7769
the Revised Code apply to the obligations. 7770

The purpose of the obligations may be stated in the bond 7771
proceedings in general terms, such as, as applicable, "paying 7772
costs of capital facilities for a system of common schools" and 7773
"paying costs of facilities for state-supported and state-assisted 7774
institutions of higher education." Unless otherwise provided in 7775
the bond proceedings or in division (C) of this section, the net 7776
proceeds from the issuance of the obligations shall be paid to the 7777
state for deposit into the applicable improvement fund. 7778
Notwithstanding division (B)(4) of section 3318.38 of the Revised 7779
Code, net proceeds of obligations deposited into the school 7780
building program assistance fund created in section 3318.25 of the 7781
Revised Code may be used to pay basic project costs under section 7782
3318.38 of the Revised Code at the times determined by the Ohio 7783
school facilities commission without regard to whether those 7784
expenditures are in proportion to the state's and the school 7785
district's respective shares of that basic project cost; provided 7786
that this shall not result in any change in the state or school 7787
district shares of the basic project costs provided under Chapter 7788
3318. of the Revised Code. As used in the preceding sentence, 7789
"Ohio school facilities commission" and "basic project costs" have 7790
the same meanings as in section 3318.01 of the Revised Code. 7791

(E) The issuing authority may, without need for any other 7792
approval, appoint or provide for the appointment of paying agents, 7793
bond registrars, securities depositories, credit enhancement 7794
providers or counterparties, clearing corporations, and transfer 7795
agents, and retain or contract for the services of underwriters, 7796
investment bankers, financial advisers, accounting experts, 7797
marketing, remarketing, indexing, and administrative agents, other 7798
consultants, and independent contractors, including printing 7799

services, as are necessary in the judgment of the issuing 7800
authority to carry out the issuing authority's functions under 7801
this section and section 183.52 of the Revised Code. The attorney 7802
general as counsel to the issuing authority shall represent the 7803
authority in the execution of its powers and duties, and shall 7804
institute and prosecute all actions on its behalf. The issuing 7805
authority, in consultation with the attorney general, shall select 7806
counsel, and the attorney general shall appoint the counsel 7807
selected, for the purposes of carrying out the functions under 7808
this section and related sections of the Revised Code. Financing 7809
costs are payable, as may be provided in the bond proceedings, 7810
from the proceeds of the obligations, from special funds, or from 7811
other moneys available for the purpose, including as to future 7812
financing costs, from the pledged receipts. 7813

(F) The issuing authority may irrevocably pledge and assign 7814
all, or such portion as the issuing authority determines, of the 7815
pledged receipts to the payment of the debt service charges on 7816
obligations issued under this section, and for the establishment 7817
and maintenance of any reserves, as provided in the bond 7818
proceedings, and make other provisions in the bond proceedings 7819
with respect to pledged receipts as authorized by this section, 7820
which provisions are controlling notwithstanding any other 7821
provisions of law pertaining to them. Any and all pledged receipts 7822
received by the issuing authority and required by the bond 7823
proceedings, consistent with this section, to be deposited, 7824
transferred, or credited to the bond service fund, and all other 7825
money transferred or allocated to or received for the purposes of 7826
that fund, shall be deposited and credited to the bond service 7827
fund created in the bond proceedings for the obligations, subject 7828
to any applicable provisions of those bond proceedings, but 7829
without necessity for any act of appropriation. Those pledged 7830
receipts shall immediately be subject to the lien of that pledge 7831
without any physical delivery thereof or further act, and shall 7832

not be subject to other court judgments. The lien of the pledge of 7833
those pledged receipts shall be valid and binding against all 7834
parties having claims of any kind against the issuing authority, 7835
irrespective of whether those parties have notice thereof. The 7836
pledge shall create a perfected security interest for all purposes 7837
of Chapter 1309. of the Revised Code and a perfected lien for 7838
purposes of any other interest, all without the necessity for 7839
separation or delivery of funds or for the filing or recording of 7840
the applicable bond proceedings by which that pledge is created or 7841
any certificate, statement, or other document with respect 7842
thereto. The pledge of the pledged receipts shall be effective and 7843
the money therefrom and thereof may be applied to the purposes for 7844
which pledged. 7845

(G) Obligations may be further secured, as determined by the 7846
issuing authority, by an indenture or a trust agreement between 7847
the issuing authority and a corporate trustee, which may be any 7848
trust company or bank having a place of business within the state. 7849
Any indenture or trust agreement may contain the resolution or 7850
order authorizing the issuance of the obligations, any provisions 7851
that may be contained in any bond proceedings, and other 7852
provisions that are customary or appropriate in an agreement of 7853
that type, including, but not limited to: 7854

(1) Maintenance of each pledge, indenture, trust agreement, 7855
or other instrument comprising part of the bond proceedings until 7856
the issuing authority has fully paid or provided for the payment 7857
of debt service on the obligations secured by it; 7858

(2) In the event of default in any payments required to be 7859
made by the bond proceedings, enforcement of those payments or 7860
agreements by mandamus, the appointment of a receiver, suit in 7861
equity, action at law, or any combination of them; 7862

(3) The rights and remedies of the holders or owners of 7863
obligations and of the trustee and provisions for protecting and 7864

enforcing them, including limitations on rights of individual 7865
holders and owners. 7866

(H) The bond proceedings may contain additional provisions 7867
customary or appropriate to the financing or to the obligations or 7868
to particular obligations including, but not limited to, 7869
provisions for: 7870

(1) The redemption of obligations prior to maturity at the 7871
option of the issuing authority or of the holder or upon the 7872
occurrence of certain conditions, and at a particular price or 7873
prices and under particular terms and conditions; 7874

(2) The form of and other terms of the obligations; 7875

(3) The establishment, deposit, investment, and application 7876
of special funds, and the safeguarding of moneys on hand or on 7877
deposit, in lieu of the applicability of provisions of Chapter 7878
131. or 135. of the Revised Code, but subject to any special 7879
provisions of this section with respect to the application of 7880
particular funds or moneys. Any financial institution that acts as 7881
a depository of any moneys in special funds or other funds under 7882
the bond proceedings may furnish indemnifying bonds or pledge 7883
securities as required by the issuing authority. 7884

(4) Any or every provision of the bond proceedings being 7885
binding upon the issuing authority and upon such governmental 7886
agency or entity, officer, board, authority, agency, department, 7887
institution, district, or other person or body as may from time to 7888
time be authorized to take actions as may be necessary to perform 7889
all or any part of the duty required by the provision; 7890

(5) The maintenance of each pledge or instrument comprising 7891
part of the bond proceedings until the issuing authority has fully 7892
paid or provided for the payment of the debt service on the 7893
obligations or met other stated conditions; 7894

(6) In the event of default in any payments required to be 7895

made by the bond proceedings, or by any other agreement of the 7896
issuing authority made as part of a contract under which the 7897
obligations were issued or secured, including a credit enhancement 7898
facility, the enforcement of those payments by mandamus, a suit in 7899
equity, an action at law, or any combination of those remedial 7900
actions; 7901

(7) The rights and remedies of the holders or owners of 7902
obligations or of book-entry interests in them, and of third 7903
parties under any credit enhancement facility, and provisions for 7904
protecting and enforcing those rights and remedies, including 7905
limitations on rights of individual holders or owners; 7906

(8) The replacement of mutilated, destroyed, lost, or stolen 7907
obligations; 7908

(9) The funding, refunding, or advance refunding, or other 7909
provision for payment, of obligations that will then no longer be 7910
outstanding for purposes of this section or of the applicable bond 7911
proceedings; 7912

(10) Amendment of the bond proceedings; 7913

(11) Any other or additional agreements with the owners of 7914
obligations, and such other provisions as the issuing authority 7915
determines, including limitations, conditions, or qualifications, 7916
relating to any of the foregoing or the activities of the issuing 7917
authority in connection therewith. 7918

The bond proceedings shall make provision for the payment of 7919
the expenses of the enforcement activity of the attorney general 7920
referred to in division (B) of this section from the amounts from 7921
the tobacco master settlement agreement assigned and sold to the 7922
issuing authority under that division or from the proceeds of 7923
obligations, or a combination thereof, which may include provision 7924
for both annual payments and a special fund providing reserve 7925
amounts for the payment of those expenses. 7926

The issuing authority shall not, and shall covenant in the 7927
bond proceedings that it shall not, be authorized to and shall not 7928
file a voluntary petition under the United States Bankruptcy Code, 7929
11 U.S.C. 101 et seq., as amended, or voluntarily commence any 7930
similar bankruptcy proceeding under state law including, without 7931
limitation, consenting to the appointment of a receiver or trustee 7932
or making a general or specific assignment for the benefit of 7933
creditors, and neither any public officer or any organization, 7934
entity, or other person shall authorize the issuing authority to 7935
be or become a debtor under the United States Bankruptcy Code or 7936
take any of those actions under the United States Bankruptcy Code 7937
or state law. The state hereby covenants, and the issuing 7938
authority shall covenant, with the holders or owners of the 7939
obligations, that the state shall not permit the issuing authority 7940
to file a voluntary petition under the United States Bankruptcy 7941
Code or take any of those actions under the United States 7942
Bankruptcy Code or state law during the period obligations are 7943
outstanding and for any additional period for which the issuing 7944
authority covenants in the bond proceedings, which additional 7945
period may, but need not, be a period of three hundred sixty-seven 7946
days or more. 7947

(I) The obligations requiring execution by or for the issuing 7948
authority shall be signed as provided in the bond proceedings, and 7949
may bear the official seal of the issuing authority or a facsimile 7950
thereof. Any obligation may be signed by the individual who, on 7951
the date of execution, is the authorized signer even though, on 7952
the date of the obligations, that individual is not an authorized 7953
signer. In case the individual whose signature or facsimile 7954
signature appears on any obligation ceases to be an authorized 7955
signer before delivery of the obligation, that signature or 7956
facsimile is nevertheless valid and sufficient for all purposes as 7957
if that individual had remained the authorized signer until 7958
delivery. 7959

(J) Obligations are investment securities under Chapter 1308. 7960
of the Revised Code. Obligations may be issued in bearer or in 7961
registered form, registrable as to principal alone or as to both 7962
principal and interest, or both, or in certificated or 7963
uncertificated form, as the issuing authority determines. 7964
Provision may be made for the exchange, conversion, or transfer of 7965
obligations and for reasonable charges for registration, exchange, 7966
conversion, and transfer. Pending preparation of final 7967
obligations, the issuing authority may provide for the issuance of 7968
interim instruments to be exchanged for the final obligations. 7969

(K) Obligations may be sold at public sale or at private 7970
sale, in such manner, and at such price at, above, or below par, 7971
all as determined by and provided by the issuing authority in the 7972
bond proceedings. 7973

(L) Except to the extent that rights are restricted by the 7974
bond proceedings, any owner of obligations or provider of or 7975
counterparty to a credit enhancement facility may by any suitable 7976
form of legal proceedings protect and enforce any rights relating 7977
to obligations or that facility under the laws of this state or 7978
granted by the bond proceedings. Those rights include the right to 7979
compel the performance of all applicable duties of the issuing 7980
authority and the state. Each duty of the issuing authority and 7981
that issuing authority's officers, staff, and employees, and of 7982
each state entity or agency, or using district or using 7983
institution, and its officers, members, staff, or employees, 7984
undertaken pursuant to the bond proceedings, is hereby established 7985
as a duty of the entity or individual having authority to perform 7986
that duty, specifically enjoined by law and resulting from an 7987
office, trust, or station within the meaning of section 2731.01 of 7988
the Revised Code. The individuals who are from time to time 7989
members of the issuing authority, or their designees acting 7990
pursuant to section 183.52 of the Revised Code, or the issuing 7991

authority's officers, staff, agents, or employees, when acting 7992
within the scope of their employment or agency, shall not be 7993
liable in their personal capacities on any obligations or 7994
otherwise under the bond proceedings, or for otherwise exercising 7995
or carrying out any purposes or powers of the issuing authority. 7996

(M)(1) Subject to any applicable limitations in division (C) 7997
of this section, the issuing authority may also authorize and 7998
provide for the issuance of: 7999

(a) Obligations in the form of bond anticipation notes, and 8000
may authorize and provide for the renewal of those notes from time 8001
to time by the issuance of new notes. The holders of notes or 8002
appertaining interest coupons have the right to have debt service 8003
on those notes paid solely from the moneys and special funds, and 8004
all or any portion of the pledged receipts, that are or may be 8005
pledged to that payment, including the proceeds of bonds or 8006
renewal notes or both, as the issuing authority provides in the 8007
bond proceedings authorizing the notes. Notes may be additionally 8008
secured by covenants of the issuing authority to the effect that 8009
the issuing authority will do all things necessary for the 8010
issuance of bonds or renewal notes in such principal amount and 8011
upon such terms as may be necessary to provide moneys to pay when 8012
due the debt service on the notes, and apply their proceeds to the 8013
extent necessary, to make full and timely payment of debt service 8014
on the notes as provided in the applicable bond proceedings. In 8015
the bond proceedings authorizing the issuance of bond anticipation 8016
notes the issuing authority shall set forth for the bonds 8017
anticipated an estimated schedule of annual principal payments the 8018
latest of which shall be no later than provided in division (D) of 8019
this section. While the notes are outstanding there shall be 8020
deposited, as shall be provided in the bond proceedings for those 8021
notes, from the sources authorized for payment of debt service on 8022
the bonds, amounts sufficient to pay the principal of the bonds 8023

anticipated as set forth in that estimated schedule during the 8024
time the notes are outstanding, which amounts shall be used solely 8025
to pay the principal of those notes or of the bonds anticipated. 8026

(b) Obligations for the refunding, including funding and 8027
retirement, and advance refunding, with or without payment or 8028
redemption prior to maturity, of any obligations previously issued 8029
under this section and any bonds or notes previously issued for 8030
the purpose of paying costs of capital facilities for: (i) 8031
state-supported or state-assisted institutions of higher education 8032
as authorized by sections 151.01 and 151.04 of the Revised Code, 8033
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 8034
and (ii) housing branches and agencies of state government limited 8035
to facilities for a system of common schools throughout the state 8036
as authorized by sections 151.01 and 151.03 of the Revised Code, 8037
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 8038
Refunding obligations may be issued in amounts sufficient to pay 8039
or to provide for repayment of the principal amount, including 8040
principal amounts maturing prior to the redemption of the 8041
remaining prior obligations or bonds or notes, any redemption 8042
premium, and interest accrued or to accrue to the maturity or 8043
redemption date or dates, payable on the prior obligations or 8044
bonds or notes, and related financing costs and any expenses 8045
incurred or to be incurred in connection with that issuance and 8046
refunding. Subject to the applicable bond proceedings, the portion 8047
of the proceeds of the sale of refunding obligations issued under 8048
division (M)(1)(b) of this section to be applied to debt service 8049
on the prior obligations or bonds or notes shall be credited to an 8050
appropriate separate account in the bond service fund and held in 8051
trust for the purpose by the issuing authority or by a corporate 8052
trustee, and may be invested as provided in the bond proceedings. 8053
Obligations authorized under this division shall be considered to 8054
be issued for those purposes for which the prior obligations or 8055
bonds or notes were issued. 8056

(2) The principal amount of refunding, advance refunding, or renewal obligations issued pursuant to division (M) of this section shall be in addition to the amount authorized in division (C) of this section. 8057

The exemptions from taxation in Ohio as provided for in particular sections of the Ohio Constitution and section 5709.76 of the Revised Code apply to the obligations. 8061

(P) The obligations shall not be general obligations of the state and the full faith and credit, revenue, and taxing power of the state shall not be pledged to the payment of debt service on them or to any guarantee of the payment of that debt service. any moneys obligated or pledged for the payment of debt service 8089
except as provided in this section and in the applicable bond 8090
proceedings. The rights of the holders and owners to payment of 8091
debt service are limited to all or that portion of the pledged 8092
receipts, and those special funds, pledged to the payment of debt 8093
service pursuant to the bond proceedings in accordance with this 8094
section, and each obligation shall bear on its face a statement to 8095
that effect. 8096

(O) Each bond service fund is a trust fund and is hereby 8097
pledged to the payment of debt service on the applicable 8098
obligations. Payment of that debt service shall be made or 8099
provided for by the issuing authority in accordance with the bond 8100
proceedings without necessity for any act of appropriation. The 8101
bond proceedings may provide for the establishment of separate 8102
accounts in the bond service fund and for the application of those 8103
accounts only to debt service on specific obligations, and for 8104
other accounts in the bond service fund within the general 8105
purposes of that fund. 8106

(R) Subject to the bond proceedings pertaining to any 8107
obligations then outstanding in accordance with their terms, the 8108
issuing authority may in the bond proceedings pledge all, or such 8109
portion as the issuing authority determines, of the moneys in the 8110
bond service fund to the payment of debt service on particular 8111
obligations, and for the establishment and maintenance of any 8112
reserves for payment of particular debt service. 8113

(S)(1) Unless otherwise provided in any applicable bond 8114
proceedings, moneys to the credit of special funds may be invested 8115
by or on behalf of the issuing authority only in one or more of 8116
the following: 8117

(a) Notes, bonds, or other direct obligations of the United 8118
States or of any agency or instrumentality of the United States, 8119
or in no-front-end-load money market mutual funds consisting 8120

exclusively of those obligations, or in repurchase agreements, 8121
including those issued by any fiduciary, secured by those 8122
obligations, or in collective investment funds consisting 8123
exclusively of those obligations; 8124

(b) Obligations of this state or any political subdivision of 8125
this state; 8126

(c) Certificates of deposit of any national bank located in 8127
this state and any bank, as defined in section 1101.01 of the 8128
Revised Code, subject to inspection by the superintendent of 8129
financial institutions; 8130

(d) The treasurer of state's pooled investment program under 8131
section 135.45 of the Revised Code; 8132

(e) Other investment agreements or repurchase agreements that 8133
are consistent with the ratings on the obligations. 8134

(2) The income from investments referred to in division 8135
(S)(1) of this section shall be credited to special funds or 8136
otherwise as the issuing authority determines in the bond 8137
proceedings. Those investments may be sold or exchanged at times 8138
as the issuing authority determines, provides for, or authorizes. 8139

(T) The treasurer of state shall have responsibility for 8140
keeping records, making reports, and making payments, relating to 8141
any arbitrage rebate requirements under the applicable bond 8142
proceedings. 8143

(U) The issuing authority shall make quarterly reports to the 8144
general assembly of the amounts in, and activities of, each 8145
improvement fund, including amounts and activities on the subfund 8146
level. Each report shall include a detailed description and 8147
analysis of the amount of proceeds remaining in each fund from the 8148
sale of obligations pursuant to this section, and any other 8149
deposits, credits, interest earnings, disbursements, expenses, 8150
transfers, or activities of each fund. 8151

(V) The costs of the annual audit of the authority conducted 8152
pursuant to section 117.112 of the Revised Code are payable, as 8153
may be provided in the bond proceedings, from the proceeds of the 8154
obligations, from special funds, or from other moneys available 8155
for the purpose, including as to future financing costs, from the 8156
pledged receipts. 8157

Sec. 183.52. (A) There is hereby created a body, both 8158
corporate and politic, constituting a public body, agency, and 8159
instrumentality of this state and performing essential functions 8160
of the state, to be known as the buckeye tobacco settlement 8161
financing authority, which in that name may contract and be 8162
contracted with, sue and be sued, and exercise all other authority 8163
vested in that authority by this section and section 183.51 of the 8164
Revised Code. The authority is created for the sole purpose of 8165
purchasing and receiving any assignment of the tobacco settlement 8166
receipts and issuing obligations, all as provided for in section 8167
183.51 of the Revised Code, to provide financing of essential 8168
functions and facilities. The property of the authority and its 8169
income and operations shall be exempt from taxation involving the 8170
state or by the state and any political subdivision of the state. 8171
All income of the authority, after the payment of necessary 8172
expenses, shall accrue to the state. 8173

(B) The authority shall consist of, in each case ex officio, 8174
the governor, the director of budget and management, the tax 8175
commissioner, the treasurer of state, and the auditor of state. 8176
The governor shall serve as the chair of the authority, the 8177
director of budget and management shall serve as its secretary, 8178
and the authority shall have such other officers as it determines, 8179
who may but need not be members of the authority. Four members of 8180
the authority constitute a quorum and the affirmative vote of four 8181
members is necessary for any action taken by vote of the 8182
authority. No vacancy in the membership of the authority shall 8183

impair the rights of a quorum by such vote to exercise all the 8184
rights and perform all the duties of the authority. Each of the 8185
members above identified may designate an employee or officer of 8186
their office to attend meetings of the authority when that member 8187
is absent or unable for any reason to attend and that designee, 8188
when present, shall be counted in determining whether a quorum is 8189
present at any meeting and may vote and participate in all 8190
proceedings and actions of the authority. A designee may not 8191
execute or cause a facsimile signature to be placed on any 8192
obligation. That designation shall be in writing, executed by the 8193
designating member, and be filed with the secretary of the 8194
authority. A designation may be changed from time to time by a 8195
similar written designation. The authority may delegate to such of 8196
its members, officers, employees, or staff as it determines those 8197
powers and duties as it deems appropriate. No member of the 8198
authority or designee shall, by reason of being or serving as a 8199
member of the authority, be required to abstain from action in any 8200
other capacity as an incumbent of a state office or position or 8201
from any action as a member of the authority in any matter 8202
affecting or in any way pertaining to both that office or position 8203
and the authority, or for any purpose be deemed to be disqualified 8204
from either such office or position or as a member of the 8205
authority by reason of so acting or to have violated any law by 8206
reason thereof. The authority may adopt and alter bylaws and rules 8207
for the conduct of its affairs, including provisions for meetings, 8208
and for the manner in which its powers and functions are to be 8209
exercised and embodied, and may adopt and alter at will an 8210
official seal to be affixed to official documents, provided that 8211
the failure to affix any such seal shall not affect the legality 8212
of such documents. Members of the authority shall receive no added 8213
compensation for their services as such members but may be 8214
reimbursed, as determined by the authority, for their necessary 8215
and actual expenses incurred in the conduct of the authority's 8216

business. The office of budget and management shall provide staff 8217
support to the authority. 8218

Notwithstanding the existence of common management, the 8219
authority shall be treated and accounted for as a separate and 8220
independent legal entity with its separate purposes as set forth 8221
in this section and section 183.51 of the Revised Code. The 8222
assets, liabilities, and funds of the authority shall not be 8223
consolidated or commingled with those of the state, and contracts 8224

the seller under the contract at the time of the conveyance, but 8996

part, "value" means the estimated price the real estate or 8999

manufactured or mobile home described in the deed or certificate 9000
of title would bring in the open market and under the then 9001

one copy on which shall be noted the most recent assessed value of 9013

representative. 9015

of the transfer fee required by division ~~(F)~~(G)(3) of section 9017
319.54 of the Revised Code, the tax commissioner shall adopt and 9018
promulgate rules for the administration and enforcement of the 9019

prescribed by law for such settlement or any lawful extension of 9040
such date, the aggregate compensation allowed to the auditor shall 9041
be reduced one per cent for each day such settlement is delayed 9042
after the prescribed date. No penalty shall apply if the auditor 9043
and treasurer grant all requests for advances up to ninety per 9044
cent of the settlement pursuant to section 321.34 of the Revised 9045
Code. The compensation allowed in accordance with this section on 9046
settlements made before the dates prescribed by law, or the 9047
reduced compensation allowed in accordance with this section on 9048
settlements made after the date prescribed by law or any lawful 9049
extension of such date, shall be apportioned ratably by the 9050
auditor and deducted from the shares or portions of the revenue 9051
payable to the state as well as to the county, townships, 9052

those sections by Am. Sub. H.B. 119 of the 127th general assembly, 9058

on all moneys received as advance payments of personal property 9068
and classified property taxes, there shall be paid into the county 9069

of a subdivision or taxing district. If after application of 9542
sections 5705.31 and 5705.32 of the Revised Code, including the 9543
allocation of all levies within the ten-mill limitation to debt 9544
charges to the extent therein provided, there would be 9545
insufficient funds for payment of debt charges not provided for by 9546
levies in excess of the ten-mill limitation, the reduction of 9547
taxes provided for in sections 323.151 to 323.159 of the Revised 9548

of section 323.153 of the Revised Code for a period of three years 9553
following the conviction. 9554

Sec. 323.153. (A) To obtain a reduction in real property 9555

with the county auditor of the county in which the owner's 9559
homestead is located. 9560

To obtain a reduction in real property taxes under division 9561
(A) of section 323.152 of the Revised Code, the occupant of a 9562
homestead in a housing cooperative shall file an application with 9563
the nonprofit corporation that owns and operates the housing 9564
cooperative, in accordance with this paragraph. Not later than the 9565
first day of March each year, the corporation shall obtain 9566
applications from the county auditor's office and provide one to 9567
each new occupant. Not later than the first day of May, any 9568
occupant who may be eligible for a reduction in taxes under 9569
division (A) of section 323.152 of the Revised Code shall submit 9570
the completed application to the corporation. Not later than the 9571
fifteenth day of May, the corporation shall file all completed 9572
applications, and the information required by division (B) of 9573
section 323.159 of the Revised Code, with the county auditor of 9574

physician, and an application for reduction based upon a mental 9580

disability shall be accompanied by a certificate signed by a 9581
physician or psychologist licensed to practice in this state, 9582
attesting to the fact that the applicant is permanently and 9583
totally disabled. The certificate shall be in a form that the tax 9584
commissioner requires and shall include the definition of 9585
permanently and totally disabled as set forth in section 323.151 9586
of the Revised Code. An application for reduction based upon a 9587
disability certified as permanent and total by a state or federal 9588
agency having the function of so classifying persons shall be 9589
accompanied by a certificate from that agency. ~~Such an~~ 9590

An application for a reduction under division (A) of section 9591
323.152 of the Revised Code constitutes a continuing application 9592
for a reduction in taxes for each year in which the dwelling is 9593
the applicant's homestead ~~and the amount of the reduction in~~ 9594
~~taxable value to which the applicant is entitled does not exceed~~ 9595
~~either the amount or percentage of the reduction to which the~~ 9596
~~applicant was entitled for the year in which the application was~~ 9597

(2) An application for a reduction in taxes under division 9599
(B) of section 323.152 of the Revised Code shall be filed only if 9600
the homestead or manufactured or mobile home was transferred in 9601
the preceding year or did not qualify for and receive the 9602
reduction in taxes under that division for the preceding tax year. 9603
The application for homesteads transferred in the preceding year 9604
shall be incorporated into any form used by the county auditor to 9605
administer the tax law in respect to the conveyance of real 9606
property pursuant to section 319.20 of the Revised Code or of used 9607
manufactured homes or used mobile homes as defined in section 9608
5739.0210 of the Revised Code. The owner of a manufactured or 9609
mobile home who has elected under division (D)(4) of section 9610
4503.06 of the Revised Code to be taxed under division (D)(2) of 9611
that section for the ensuing year may file the application at the 9612

time of making that election. The application shall contain a 9613
statement that failure by the applicant to affirm on the 9614
application that the dwelling on the property conveyed is the 9615
applicant's homestead prohibits the owner from receiving the 9616
reduction in taxes until a proper application is filed within the 9617
period prescribed by division (A)(3) of this section. Such an 9618
application constitutes a continuing application for a reduction 9619
in taxes for each year in which the dwelling is the applicant's 9620
homestead. 9621

(3) Failure to receive a new application filed under division 9622
(A)(1) or (2) or notification under division (C) of this section 9623
after a certificate of reduction has been issued under section 9624
323.154 of the Revised Code, or failure to receive a new 9625
application filed under division (A)(1) or notification under 9626
division (C) of this section after a certificate of reduction has 9627
been issued under section 323.159 of the Revised Code, is 9628
prima-facie evidence that the original applicant is entitled to 9629
the reduction in taxes calculated on the basis of the information 9630
contained in the original application. The original application 9631
and any subsequent application, including any late application, 9632
shall be in the form of a signed statement and shall be filed 9633
after the first Monday in January and not later than the first 9634
Monday in June. The original application and any subsequent 9635
application for a reduction in real property taxes shall be filed 9636
in the year for which the reduction is sought. The original 9637
application and any subsequent application for a reduction in 9638
manufactured home taxes shall be filed in the year preceding the 9639
year for which the reduction is sought. The statement shall be on 9640
a form, devised and supplied by the tax commissioner, which shall 9641
require no more information than is necessary to establish the 9642
applicant's eligibility for the reduction in taxes and the amount 9643
of the reduction, and, for a certificate of reduction issued under 9644
section 323.154 of the Revised Code, shall include an affirmation 9645

by the applicant that ownership of the homestead was not acquired 9646
from a person, other than the applicant's spouse, related to the 9647
owner by consanguinity or affinity for the purpose of qualifying 9648
for the real property or manufactured home tax reduction provided 9649
for in division (A) or (B) of section 323.152 of the Revised Code. 9650
The form shall contain a statement that conviction of willfully 9651
falsifying information to obtain a reduction in taxes or failing 9652
to comply with division (C) of this section results in the 9653
revocation of the right to the reduction for a period of three 9654
years. ~~In the case of an application for a reduction in taxes 9655
under division (A) of section 323.152 of the Revised Code, the 9656
form shall contain a statement that signing the application 9657
constitutes a delegation of authority by the applicant to the 9658
county auditor to examine any financial records relating to income 9659
earned by the applicant as stated on the application for the 9660
purpose of determining a possible violation of division (D) or (E) 9661
of this section.~~ 9662

(B) A late application for a tax reduction for the year 9663
preceding the year in which an original application is filed, or 9664
for a reduction in manufactured home taxes for the year in which 9665
an original application is filed, may be filed with the original 9666
application. If the county auditor determines the information 9667
contained in the late application is correct, the auditor shall 9668
determine the amount of the reduction in taxes to which the 9669
applicant would have been entitled for the preceding tax year had 9670
the applicant's application been timely filed and approved in that 9671
year. 9672

The amount of such reduction shall be treated by the auditor 9673
as an overpayment of taxes by the applicant and shall be refunded 9674
in the manner prescribed in section 5715.22 of the Revised Code 9675
for making refunds of overpayments. On the first day of July of 9676
each year, the county auditor shall certify the total amount of 9677

the reductions in taxes made in the current year under this 9678
division to the tax commissioner, who shall treat the full amount 9679
thereof as a reduction in taxes for the preceding tax year and 9680
shall make reimbursement to the county therefor in the manner 9681
prescribed by section 323.156 of the Revised Code, from money 9682
appropriated for that purpose. 9683

(C)(1) If, in any year after an application has been filed 9684
under division (A)(1) or (2) of this section, the owner does not 9685
qualify for a reduction in taxes on the homestead or on the 9686
manufactured or mobile home set forth on such application,~~or~~ 9687
~~qualifies for a reduction in taxes that is to be based upon a~~ 9688
~~reduction in taxable value less than either the percentage or~~ 9689
~~amount of the reduction in taxable value to which the owner was~~ 9690
~~entitled in the year the application was filed,~~ the owner shall 9691
notify the county auditor that the owner is not qualified for a 9692
reduction in taxes ~~or file a new application under division (A)(1)~~ 9693
~~or (2) of this section.~~ 9694

(2) If, in any year after an application has been filed under 9695
division (A)~~(1)~~ of this section, the occupant of a homestead in a 9696
housing cooperative does not qualify for a reduction in taxes on 9697
the homestead, the occupant shall notify the county auditor that 9698
the occupant is not qualified for a reduction in taxes or file a 9699
new application under division (A)~~(1)~~ of this section. 9700

(3) If the county auditor or county treasurer discovers that 9701
the owner of property not entitled to the reduction in taxes under 9702
division (B) of section 323.152 of the Revised Code failed to 9703
notify the county auditor as required by division (C)(1) of this 9704
section, a charge shall be imposed against the property in the 9705
amount by which taxes were reduced under that division for each 9706
tax year the county auditor ascertains that the property was not 9707
entitled to the reduction and was owned by the current owner. 9708
Interest shall accrue in the manner prescribed by division (B) of 9709

section 323.121 or division (G)(2) of section 4503.06 of the Revised Code on the amount by which taxes were reduced for each such tax year as if the reduction became delinquent taxes at the close of the last day the second installment of taxes for that tax year could be paid without penalty. The county auditor shall notify the owner, by ordinary mail, of the charge, of the owner's right to appeal the charge, and of the manner in which the owner may appeal. The owner may appeal the imposition of the charge and interest by filing an appeal with the county board of revision not later than the last day prescribed for payment of real and public utility property taxes under section 323.12 of the Revised Code following receipt of the notice and occurring at least ninety days after receipt of the notice. The appeal shall be treated in the same manner as a complaint relating to the valuation or assessment of real property under Chapter 5715. of the Revised Code. The charge and any interest shall be collected as other delinquent taxes.

(4) Each year during January, the county auditor shall furnish by ordinary mail a continuing application to each person issued a certificate of reduction under section 323.154 or 323.159 of the Revised Code with respect to a reduction in taxes under division (A) of section 323.152 of the Revised Code. The continuing application shall be used to report ~~changes in total income that would have the effect of increasing or decreasing the reduction in taxable value to which the person is entitled,~~ changes in ownership or occupancy of the homestead, including changes in or revocation of a revocable inter vivos trust, changes in disability, and other changes in the information earlier furnished the auditor relative to the reduction in taxes on the property. The continuing application shall be returned to the auditor not later than the first Monday in June; provided, that if such changes do not affect the status of the homestead exemption or the amount of the reduction to which the owner is entitled

under division (A) of section 323.152 of the Revised Code or to 9743
which the occupant is entitled under section 323.159 of the 9744
Revised Code, the application does not need to be returned. 9745

(5) Each year during February, the county auditor, except as 9746
otherwise provided in this paragraph, shall furnish by ordinary 9747
mail an original application to the owner, as of the first day of 9748
January of that year, of a homestead or a manufactured or mobile 9749
home that transferred during the preceding calendar year and that 9750
qualified for and received a reduction in taxes under division (B) 9751
of section 323.152 of the Revised Code for the preceding tax year. 9752
In order to receive the reduction under that division, the owner 9753
shall file the application with the county auditor not later than 9754
the first Monday in June. If the application is not timely filed, 9755
the auditor shall not grant a reduction in taxes for the homestead 9756
for the current year, and shall notify the owner that the 9757
reduction in taxes has not been granted, in the same manner 9758
prescribed under section 323.154 of the Revised Code for 9759
notification of denial of an application. Failure of an owner to 9760
receive an application does not excuse the failure of the owner to 9761
file an original application. The county auditor is not required 9762
to furnish an application under this paragraph for any homestead 9763
for which application has previously been made on a form 9764
incorporated into any form used by the county auditor to 9765
administer the tax law in respect to the conveyance of real 9766
property or of used manufactured homes or used mobile homes, and 9767
an owner who previously has applied on such a form is not required 9768
to return an application furnished under this paragraph. 9769

(D) No person shall knowingly make a false statement for the 9770
purpose of obtaining a reduction in the person's real property or 9771
manufactured home taxes under section 323.152 of the Revised Code. 9772

(E) No person shall knowingly fail to notify the county 9773
auditor of changes required by division (C) of this section that 9774

have the effect of maintaining or securing a reduction ~~in taxable~~ 9775
~~value of homestead property or a reduction~~ in taxes ~~in excess of~~ 9776
~~the reduction allowed~~ under section 323.152 of the Revised Code. 9777

(F) No person shall knowingly make a false statement or 9778
certification attesting to any person's physical or mental 9779
condition for purposes of qualifying such person for tax relief 9780
pursuant to sections 323.151 to 323.159 of the Revised Code. 9781

Sec. 323.154. On or before the day the county auditor has 9782
completed the duties imposed by sections 319.30 to 319.302 of the 9783
Revised Code, the auditor shall issue a certificate of reduction 9784
in taxes in triplicate for each person who has complied with 9785
section 323.153 of the Revised Code and whose homestead, as 9786
defined in division (A)(1) of section 323.151 of the Revised Code, 9787
or manufactured or mobile home the auditor finds is entitled to a 9788
reduction in real property or manufactured home taxes for that 9789
year under section 323.152 of the Revised Code. Except as provided 9790
in section 323.159 of the Revised Code, in the case of a homestead 9791
entitled to a reduction under division (A) of that section, the 9792
certificate shall state the taxable value of the homestead on the 9793
first day of January of that year, the ~~amount of the reduction in~~ 9794
~~taxable value and the~~ total reduction in taxes for that year under 9795
that section, the tax rate that is applicable against such 9796
homestead for that year, and any other information the tax 9797
commissioner requires. In the case of a homestead or a 9798
manufactured or mobile home entitled to a reduction under division 9799
(B) of that section, the certificate shall state the total amount 9800
of the reduction in taxes for that year under that section and any 9801
other information the tax commissioner requires. The certificate 9802
for reduction in taxes shall be on a form approved by the 9803
commissioner. Upon issuance of such a certificate, the county 9804
auditor shall forward one copy and the original to the county 9805
treasurer and retain one copy. The county auditor also shall 9806

record the amount of reduction in taxes in the appropriate column 9807
on the general tax list and duplicate of real and public utility 9808
property and on the manufactured home tax list. 9809

If an application, late application, or continuing 9810
application is not approved, or if the county auditor otherwise 9811
determines that a homestead or a manufactured or mobile home does 9812
not qualify for a reduction in taxes under division (A) or (B) of 9813
section 323.152 of the Revised Code, the auditor shall notify the 9814
applicant of the reasons for denial not later than the first 9815
Monday in October. If an applicant believes that the application 9816
for reduction has been improperly denied or that the reduction is 9817
for less than that to which the applicant is entitled, the 9818
applicant may file an appeal with the county board of revision not 9819
later than the date of closing of the collection for the first 9820
half of real and public utility property taxes or manufactured 9821
home taxes. The appeal shall be treated in the same manner as a 9822
complaint relating to the valuation or assessment of real property 9823
under Chapter 5715. of the Revised Code. 9824

Sec. 325.31. (A) On the first business day of each month, and 9825
at the end of the officer's term of office, each officer named in 9826
section 325.27 of the Revised Code shall pay into the county 9827
treasury, to the credit of the general county fund, on the warrant 9828
of the county auditor, all fees, costs, penalties, percentages, 9829
allowances, and perquisites collected by the officer's office 9830
during the preceding month or part thereof for official services, 9831
except the fees allowed the county auditor by division ~~(B)~~(C) of 9832
section 319.54 of the Revised Code, which shall be paid into the 9833
county treasury to the credit of the real estate assessment fund 9834
hereby created. 9835

(B) Moneys to the credit of the real estate assessment fund 9836
may be expended, upon appropriation by the board of county 9837

commissioners, for the purpose of defraying one or more of the 9838
following: 9839

Revised Code; 9843

(2) At the county auditor's discretion, costs and expenses 9844

by the county auditor for geographic information systems, mapping 9856
programs, and technological advances in those or similar systems 9857
or programs; 9858

(5) At the county auditor's discretion, expenses incurred by 9859
the county auditor in compiling the general tax list of tangible 9860
personal property and administering tangible personal property 9861
taxes under Chapters 5711. and 5719. of the Revised Code; 9862

(6) At the county auditor's discretion, costs, expenses, and 9863
fees incurred by the county auditor in the administration of 9864
estate taxes under Chapter 5731. of the Revised Code and the 9865
amounts incurred under section 5731.41 of the Revised Code. 9866

Any expenditures made from the real estate assessment fund 9867
shall comply with rules that the tax commissioner adopts under 9868

division (O) of section 5703.05 of the Revised Code. Those rules 9869
shall include a requirement that a copy of any appraisal plans, 9870
progress of work reports, contracts, or other documents required 9871
to be filed with the tax commissioner shall be filed also with the 9872
board of county commissioners. 9873

The board of county commissioners shall not transfer moneys 9874
required to be deposited in the real estate assessment fund to any 9875
other fund. Following an assessment of real property pursuant to 9876
Chapter 5713. of the Revised Code, or an assessment of a 9877

those taxing authorities that contributed to the fund. However, no 9885
such distribution shall be made if the amount of such unexpended 9886
moneys remaining to the credit of the real estate assessment fund 9887
does not exceed five thousand dollars. 9888

officers shall, at the end of each calendar year, make and file a 9891
sworn statement with the board of county commissioners of all such 9892
fees, costs, penalties, percentages, allowances, and perquisites 9893
which have been due in the officer's office and unpaid for more 9894

community mental health plan. The board may not contract with a 10290

The director may require both parties to submit the dispute to a third party with the cost to be shared by the board and the facility or community mental health agency. The third party shall issue to the board, the facility or agency, and the department recommendations on how the dispute may be resolved twenty days prior to the expiration date of the contract, unless both parties agree to a time extension. The director shall adopt rules establishing the procedures of this dispute resolution process.

(b) With the prior approval of the director of mental health, a board may operate a facility or provide a community mental health service as follows, if there is no other qualified private or public facility or community mental health agency that is immediately available and willing to operate such a facility or

except that such a board may operate a facility or provide a 10348
community mental health service for more than one year with the 10349
prior approval of the director and the prior approval of the board 10350
of county commissioners, or of a majority of the boards of county 10351
commissioners if the district is a joint-county district. 10352

The director shall not give a board approval to operate a 10353
facility or provide a community mental health service under 10354
division (A)(8)(b)(ii) or (iii) of this section unless the 10355
director determines that it is not feasible to have the department 10356
operate the facility or provide the service. 10357

The director shall not give a board approval to operate a 10358
facility or provide a community mental health service under 10359
division (A)(8)(b)(iii) of this section unless the director 10360
determines that the board will provide greater administrative 10361
efficiency and more or better services than would be available if 10362
the board contracted with a private or public facility or 10363
community mental health agency. 10364

The director shall not give a board approval to operate a 10365
facility previously operated by a person or other government 10366
entity unless the board has established to the director's 10367

satisfaction that the person or other government entity cannot 10368

mechanical resuscitators, other equipment, appliances, materials, 10532

may be extended to a later date by the board of township trustees, 10541
provided that written or oral notice of the change shall be given 10542
to all persons who have received or requested specifications not 10543

fixed for the opening. The board may reject all the bids or accept 10545
the lowest and best bid, provided that the successful bidder meets 10546
the requirements of section 153.54 of the Revised Code when the 10547
contract is for the construction, demolition, alteration, repair, 10548
or reconstruction of an improvement. 10549

(B) The boards of township trustees of any two or more 10550
townships, or the legislative authorities of any two or more 10551

expense of the joint action on any terms that are mutually agreed upon. 10557
10558

(C) The board of township trustees of any township may, by resolution, whenever it is expedient and necessary to guard against the occurrence of fires or to protect the property and lives of the citizens against damages resulting from their occurrence, create a fire district of any portions of the township that it considers necessary. The board may purchase, lease, lease with an option to purchase, or otherwise provide any fire apparatus, appliances, materials, fire hydrants, and water supply for fire-fighting purposes, or may contract for the fire protection for the fire district as provided in section 9.60 of the Revised Code. The fire district so created shall be given a separate name by which it shall be known. 10559

10576
10577
10578

If the township fire district imposes a tax, additional unincorporated territory of the township or a municipal corporation that is within or adjoining the township shall become part of the fire district only after all of the following have occurred: 10579
10580
10581
10582
10583

(1) Adoption by the board of township trustees of a resolution approving the expansion of the territorial limits of the district and, if the resolution proposes to add a municipal corporation, adoption by the municipal legislative authority of a resolution or ordinance requesting the addition of the municipal 10584

resolution recommending the extension of the tax to the additional 10591
territory; 10592

(3) Approval of the tax by the electors of the territory 10593
proposed for addition to the district. 10594

Each resolution of the board adopted under division (C)(2) of 10595
this section shall state the name of the fire district, a 10596
description of the territory to be added, and the rate and 10597
termination date of the tax, which shall be the rate and 10598
termination date of the tax currently in effect in the fire 10599
district. 10600

The board of trustees shall certify each resolution adopted 10601
under division (C)(2) of this section to the board of elections in 10602
accordance with section 5705.19 of the Revised Code. The election 10603
required under division (C)(3) of this section shall be held, 10604
canvassed, and certified in the manner provided for the submission 10605
of tax levies under section 5705.25 of the Revised Code, except 10606
that the question appearing on the ballot shall read: 10607

"Shall the territory within 10608
(description of the proposed territory to be added) be added to 10609
..... (name) fire district, and a property tax 10610

be in effect for (here insert the number of years the 10612
tax is to be in effect or "a continuing period of time," as 10613
applicable)?" 10614

If the question is approved by at least a majority of the 10615
electors voting on it, the joinder shall be effective as of the 10616
first day of July of the year following approval, and on that 10617

territory that has been added is a municipal corporation and if it 10620
had adopted a tax levy for fire purposes, the levy is terminated 10621
on the effective date of the joinder. 10622

Any municipal corporation may withdraw from a township fire 10623
district created under division (C) of this section by the 10624
adoption by the municipal legislative authority of a resolution or 10625
ordinance ordering withdrawal. On the first day of July of the 10626
year following the adoption of the resolution or ordinance of 10627
withdrawal, the municipal corporation withdrawing ceases to be a 10628
part of the district, and the power of the fire district to levy a 10629
tax upon taxable property in the withdrawing municipal corporation 10630
terminates, except that the fire district shall continue to levy 10631
and collect taxes for the payment of indebtedness within the 10632
territory of the fire district as it was composed at the time the 10633
indebtedness was incurred. 10634

Upon the withdrawal of any municipal corporation from a 10635
township fire district created under division (C) of this section, 10636
the county auditor shall ascertain, apportion, and order a 10637
division of the funds on hand, moneys and taxes in the process of 10638
collection except for taxes levied for the payment of 10639
indebtedness, credits, and real and personal property, either in 10640
money or in kind, on the basis of the valuation of the respective 10641
tax duplicates of the withdrawing municipal corporation and the 10642
remaining territory of the fire district. 10643

A board of township trustees may remove unincorporated 10644
territory of the township from the fire district upon the adoption 10645
of a resolution authorizing the removal. On the first day of July 10646
of the year following the adoption of the resolution, the 10647
unincorporated township territory described in the resolution 10648
ceases to be a part of the district, and the power of the fire 10649
district to levy a tax upon taxable property in that territory 10650
terminates, except that the fire district shall continue to levy 10651

and collect taxes for the payment of indebtedness within the 10652
territory of the fire district as it was composed at the time the 10653
indebtedness was incurred. 10654

(D) The board of township trustees of any township, the board 10655
of fire district trustees of a fire district created under section 10656
505.371 of the Revised Code, or the legislative authority of any 10657
municipal corporation may purchase, lease, or lease with an option 10658
to purchase the necessary fire-fighting equipment, buildings, and 10659
sites for the township, fire district, or municipal corporation 10660
and issue securities for that purpose with maximum maturities as 10661
provided in section 133.20 of the Revised Code. The board of 10662
township trustees, board of fire district trustees, or legislative 10663
authority may also construct any buildings necessary to house 10664
fire-fighting equipment and issue securities for that purpose with 10665
maximum maturities as provided in section 133.20 of the Revised 10666
Code. 10667

The board of township trustees, board of fire district 10668
trustees, or legislative authority may issue the securities of the 10669
township, fire district, or municipal corporation, signed by the 10670
board or designated officer of the municipal corporation and 10671
attested by the signature of the township fiscal officer, fire 10672
district clerk, or municipal clerk, covering any deferred payments 10673
and payable at the times provided, which securities shall bear 10674
interest not to exceed the rate determined as provided in section 10675
9.95 of the Revised Code, and shall not be subject to Chapter 133. 10676
of the Revised Code. The legislation authorizing the issuance of 10677
the securities shall provide for levying and collecting annually 10678
by taxation, amounts sufficient to pay the interest on and 10679
principal of the securities. The securities shall be offered for 10680
sale on the open market or given to the vendor or contractor if no 10681
sale is made. 10682

Section 505.40 of the Revised Code does not apply to any 10683

securities issued, or any lease with an option to purchase entered 10684
into, in accordance with this division. 10685

(E) A board of township trustees of any township or a board 10686
of fire district trustees of a fire district created under section 10687
505.371 of the Revised Code may purchase a policy or policies of 10688
liability insurance for the officers, employees, and appointees of 10689
the fire department, fire district, or joint fire district 10690
governed by the board that includes personal injury liability 10691
coverage as to the civil liability of those officers, employees, 10692
and appointees for false arrest, detention, or imprisonment, 10693
malicious prosecution, libel, slander, defamation or other 10694
violation of the right of privacy, wrongful entry or eviction, or 10695
other invasion of the right of private occupancy, arising out of 10696
the performance of their duties. 10697

When a board of township trustees cannot, by deed of gift or 10698
by purchase and upon terms it considers reasonable, procure land 10699
for a township fire station that is needed in order to respond in 10700
reasonable time to a fire or medical emergency, the board may 10701
appropriate land for that purpose under sections 163.01 to 163.22 10702
of the Revised Code. If it is necessary to acquire additional 10703
adjacent land for enlarging or improving the fire station, the 10704
board may purchase, appropriate, or accept a deed of gift for the 10705
land for these purposes. 10706

(F) As used in this division, "emergency medical service 10707
organization" has the same meaning as in section 4766.01 of the 10708
Revised Code. 10709

A board of township trustees, by adoption of an appropriate 10710
resolution, may choose to have the Ohio medical transportation 10711
board license any emergency medical service organization it 10712
operates. If the board adopts such a resolution, Chapter 4766. of 10713
the Revised Code, except for sections 4766.06 and 4766.99 of the 10714
Revised Code, applies to the organization. All rules adopted under 10715

the applicable sections of that chapter also apply to the 10716
organization. A board of township trustees, by adoption of an 10717
appropriate resolution, may remove its emergency medical service 10718
organization from the jurisdiction of the Ohio medical 10719
transportation board. 10720

Sec. 505.376. When any expenditure of a fire and ambulance 10721
district, other than for the compensation of district employees, 10722
exceeds ~~twenty-five~~ fifty thousand dollars, the contract for the 10723
expenditure shall be in writing and made with the lowest and best 10724
bidder after advertising for not less than two nor more than four 10725
consecutive weeks in a newspaper of general circulation within the 10726
district. The bids shall be opened and shall be publicly read by 10727
the clerk of the district, or the clerk's designee, at the time, 10728
date, and place specified in the advertisement to bidders or the 10729
specifications. The time, date, and place of bid openings may be 10730
extended to a later date by the board of trustees of the district, 10731
provided that written or oral notice of the change shall be given 10732
to all persons who have received or requested specifications no 10733
later than ninety-six hours prior to the original time and date 10734
fixed for the opening. 10735

Each bid on any contract shall contain the full name of every 10736
person interested in the bid. If the bid is for a contract for the 10737
construction, demolition, alteration, repair, or reconstruction of 10738
an improvement, it shall meet the requirements of section 153.54 10739
of the Revised Code. If the bid is for any other contract, it 10740
shall be accompanied by a sufficient bond or certified check, 10741
cashier's check, or money order on a solvent bank or savings and 10742
loan association that, if the bid is accepted, a contract will be 10743
entered into and the performance of it will be properly secured. 10744
If the bid for work embraces both labor and material, it shall be 10745
separately stated, with the price of the labor and the material. 10746
The board may reject any and all bids. The contract shall be 10747

between the district and the bidder, and the district shall pay 10748
the contract price in cash. When a bonus is offered for completion 10749
of a contract prior to a specified date, the board may exact a 10750
prorated penalty in like sum for each day of delay beyond the 10751
specified date. When there is reason to believe there is collusion 10752
or combination among bidders, the bids of those concerned shall be 10753
rejected. 10754

Sec. 505.705. A board of township trustees may agree to 10755

the grant or loan agreement in a written memorandum. 10770

Sec. 517.08. The proceeds arising from the sale of cemetery 10771
lots under section 517.07 of the Revised Code shall be used in 10772
maintaining, improving, beautifying, and embellishing such 10773
grounds, except that upon unanimous consent of the board of 10774
township trustees, such proceeds may be used in the purchase or 10775
appropriation of additional land for cemetery purposes in 10776
accordance with sections 517.01 and 517.13 of the Revised Code; 10777
and the board of township trustees may build and maintain proper 10778

be initiated by motion of the township zoning commission, by the 10782
passage of a resolution by the board of township trustees, or by 10783
the filing of an application by one or more of the owners or 10784
lessees of property within the area proposed to be changed or 10785
affected by the proposed amendment with the township zoning 10786
commission. The board of township trustees may require that the 10787
owner or lessee of property filing an application to amend the 10788
zoning resolution pay a fee to defray the cost of advertising, 10789
mailing, filing with the county recorder, and other expenses. If 10790
the board of township trustees requires such a fee, it shall be 10791
required generally, for each application. The board of township 10792
trustees, upon the passage of such a resolution, shall certify it 10793

invalidate any such amendment. 10816

described in division (A) of this section, the certification of 10863
the resolution described in division (A) of this section, or the 10864
filing of the application described in division (A) of this 10865

number and the full and correct title, if any, of the zoning 10948
amendment resolution, motion, or application, furnishing the name 10949
by which the amendment is known and a brief summary of its 10950

Within five working days after an amendment's effective date, 11026
the board of township trustees shall file the text and maps of the 11027

duplicates of any of these documents, with the office of the 11031
county recorder or the county or regional planning commission as 11032

Sec. 711.001. As used in this chapter: 11036

(A) "Plat" means a map of a tract or parcel of land. 11037

(B) "Subdivision" means either of the following: 11038

(1) The division of any parcel of land shown as a unit or as 11039
contiguous units on the last preceding general tax list and 11040
duplicate of real and public utility property, into two or more 11041
parcels, sites, or lots, any one of which is less than five acres 11042
for the purpose, whether immediate or future, of transfer of 11043
ownership, provided, however, that the following are exempt: 11044

(a) A division or partition of land into parcels of more than 11045
five acres not involving any new streets or easements of access; 11046

(b) The sale or exchange of parcels between adjoining lot 11047
owners, where that sale or exchange does not create additional 11048
building sites; 11049

(c) If the planning authority adopts a rule in accordance 11050
with section 711.133 of the Revised Code that exempts from 11051
division (B)(1) of this section any parcel of land that is four 11052
acres or more, parcels in the size range delineated in that rule. 11053

(2) The improvement of one or more parcels of land for residential, commercial, or industrial structures or groups of structures involving the division or allocation of land for the opening, widening, or extension of any public or private street or streets, except private streets serving industrial structures, or involving the division or allocation of land as open spaces for common use by owners, occupants, or leaseholders or as easements for the extension and maintenance of public or private sewer, water, storm drainage, or other similar facilities.

(C) "Household sewage treatment system" has the same meaning as in section 3709.091 of the Revised Code.

Sec. 711.05. (A) Upon the submission of a plat for approval, in accordance with section 711.041 of the Revised Code, the board of county commissioners shall certify on it the date of the submission. Within five days of submission of the plat, the board shall schedule a meeting to consider the plat and send a written notice by regular mail to the fiscal officer of the board of township trustees of the township in which the plat is located and the board of health of the health district in which the plat is located. The notice shall inform the trustees and the board of health of the submission of the plat and of the date, time, and location of any meeting at which the board of county commissioners will consider or act upon the proposed plat. The meeting shall take place within thirty days of submission of the plat, and no meeting shall be held until at least seven days have passed from the date the notice was sent by the board of county commissioners. The approval of the board required by section 711.041 of the Revised Code or the refusal to approve shall take place within thirty days from the date of submission or such further time as the applying party may agree to in writing; otherwise, the plat is deemed approved and may be recorded as if bearing such approval.

(B) The board may adopt general rules governing plats and subdivisions of land falling within its jurisdiction, to secure and provide for the coordination of the streets within the subdivision with existing streets and roads or with existing county highways, for the proper amount of open spaces for traffic, circulation, and utilities, and for the avoidance of future congestion of population detrimental to the public health, safety, or welfare, but shall not impose a greater minimum lot area than forty-eight hundred square feet. Before the board may amend or adopt rules, it shall notify all the townships in the county of the proposed amendments or rules by regular mail at least thirty days before the public meeting at which the proposed amendments or rules are to be considered.

The rules may require the board of health to review and comment on a plat before the board of county commissioners acts upon it and may also require proof of compliance with any applicable zoning resolutions, and with rules governing household sewage treatment ~~rules adopted under section 3718.02 of the Revised Code~~ systems, as a basis for approval of a plat. Where under section 711.101 of the Revised Code the board of county commissioners has set up standards and specifications for the construction of streets, utilities, and other improvements for common use, the general rules may require the submission of appropriate plans and specifications for approval. The board shall not require the person submitting the plat to alter the plat or any part of it as a condition for approval, as long as the plat is in accordance with general rules governing plats and subdivisions of land, adopted by the board as provided in this section, in effect at the time the plat was submitted and the plat is in accordance with any standards and specifications set up under section 711.101 of the Revised Code, in effect at the time the plat was submitted.

(C) The ground of refusal to approve any plat, submitted in accordance with section 711.041 of the Revised Code, shall be stated upon the record of the board, and, within sixty days thereafter, the person submitting any plat that the board refuses to approve may file a petition in the court of common pleas of the county in which the land described in the plat is situated to review the action of the board. A board of township trustees is not entitled to appeal a decision of the board of county commissioners under this section.

Sec. 711.10. (A) Whenever a county planning commission or a regional planning commission adopts a plan for the major streets or highways of the county or region, no plat of a subdivision of land within the county or region, other than land within a municipal corporation or land within three miles of a city or one and one-half miles of a village as provided in section 711.09 of the Revised Code, shall be recorded until it is approved by the county or regional planning commission under division (C) of this section and the approval is endorsed in writing on the plat.

(B) A county or regional planning commission may require the submission of a preliminary plan for each plat sought to be recorded. If the commission requires this submission, it shall provide for a review process for the preliminary plan. Under this review process, the planning commission shall give its approval, its approval with conditions, or its disapproval of each preliminary plan. The commission's decision shall be in writing, shall be under the signature of the secretary of the commission, and shall be issued within thirty-five business days after the submission of the preliminary plan to the commission. The disapproval of a preliminary plan shall state the reasons for the disapproval. A decision of the commission under this division is preliminary to and separate from the commission's decision to approve, conditionally approve, or refuse to approve a plat under

division (C) of this section. 11149

(C) Within five calendar days after the submission of a plat 11150
for approval under this division, the county or regional planning 11151
commission shall schedule a meeting to consider the plat and send 11152
a notice by regular mail or by electronic mail to the fiscal 11153
officer of the board of township trustees of the township in which 11154
the plat is located and the board of health of the health district 11155
in which the plat is located. The notice shall inform the trustees 11156
and the board of health of the submission of the plat and of the 11157
date, time, and location of any meeting at which the county or 11158
regional planning commission will consider or act upon the plat. 11159
The meeting shall take place within thirty calendar days after 11160
submission of the plat, and no meeting shall be held until at 11161
least seven calendar days have passed from the date the planning 11162
commission sent the notice. 11163

The approval of the county or regional planning commission, 11164
the commission's conditional approval as described in this 11165
division, or the refusal of the commission to approve shall be 11166
endorsed on the plat within thirty calendar days after the 11167
submission of the plat for approval under this division or within 11168
such further time as the applying party may agree to in writing; 11169
otherwise that plat is deemed approved, and the certificate of the 11170
commission as to the date of the submission of the plat for 11171
approval under this division and the failure to take action on it 11172
within that time shall be sufficient in lieu of the written 11173
endorsement or evidence of approval required by this division. 11174

A county or regional planning commission may grant 11175
conditional approval under this division to a plat by requiring a 11176
person submitting the plat to alter the plat or any part of it, 11177
within a specified period after the end of the thirty calendar 11178
days, as a condition for final approval under this division. Once 11179
all the conditions have been met within the specified period, the 11180

commission shall cause its final approval under this division to 11181
be endorsed on the plat. No plat shall be recorded until it is 11182
endorsed with the commission's final or unconditional approval 11183
under this division. 11184

The ground of refusal of approval of any plat submitted under 11185
this division, including citation of or reference to the rule 11186
violated by the plat, shall be stated upon the record of the 11187
county or regional planning commission. Within sixty calendar days 11188
after the refusal under this division, the person submitting any 11189
plat that the commission refuses to approve under this division 11190
may file a petition in the court of common pleas of the proper 11191
county, and the proceedings on the petition shall be governed by 11192
section 711.09 of the Revised Code as in the case of the refusal 11193
of a planning authority to approve a plat. A board of township 11194
trustees is not entitled to appeal a decision of the commission 11195
under this division. 11196

A county or regional planning commission shall adopt general 11197
rules, of uniform application, governing plats and subdivisions of 11198
land falling within its jurisdiction, to secure and provide for 11199
the proper arrangement of streets or other highways in relation to 11200
existing or planned streets or highways or to the county or 11201
regional plan, for adequate and convenient open spaces for 11202
traffic, utilities, access of firefighting apparatus, recreation, 11203
light, and air, and for the avoidance of congestion of population. 11204
The rules may provide for their modification by the commission in 11205
specific cases where unusual topographical and other exceptional 11206
conditions require the modification. The rules may require the 11207
board of health to review and comment on a plat before the 11208
commission acts upon it and also may require proof of compliance 11209
with any applicable zoning resolutions, and with rules governing 11210
household sewage treatment ~~rules adopted under section 3718.02 of~~ 11211
~~the Revised Code~~ systems, as a basis for approval of a plat. 11212

Before adoption of its rules or amendment of its rules, the 11213
commission shall hold a public hearing on the adoption or 11214
amendment. Notice of the public hearing shall be sent to all 11215
townships in the county or region by regular mail or electronic 11216
mail at least thirty business days before the hearing. No county 11217
or regional planning commission shall adopt any rules requiring 11218
actual construction of streets or other improvements or facilities 11219
or assurance of that construction as a condition precedent to the 11220
approval of a plat of a subdivision unless the requirements have 11221
first been adopted by the board of county commissioners after a 11222
public hearing. A copy of the rules shall be certified by the 11223
planning commission to the county recorders of the appropriate 11224
counties. 11225

After a county or regional street or highway plan has been 11226
adopted as provided in this section, the approval of plats and 11227
subdivisions provided for in this section shall be in lieu of any 11228
approvals provided for in other sections of the Revised Code, 11229
insofar as the territory within the approving jurisdiction of the 11230
county or regional planning commission, as provided in this 11231
section, is concerned. Approval of a plat shall not be an 11232
acceptance by the public of the dedication of any street, highway, 11233
or other way or open space shown upon the plat. 11234

No county or regional planning commission shall require a 11235
person submitting a plat to alter the plat or any part of it as 11236
long as the plat is in accordance with the general rules governing 11237
plats and subdivisions of land, adopted by the commission as 11238
provided in this section, in effect at the time the plat is 11239
submitted. 11240

A county or regional planning commission and a city or 11241
village planning commission, or platting commissioner or 11242
legislative authority of a village, with subdivision regulation 11243
jurisdiction over unincorporated territory within the county or 11244

region may cooperate and agree by written agreement that the 11245
approval of a plat by the city or village planning commission, or 11246
platting commissioner or legislative authority of a village, as 11247
provided in section 711.09 of the Revised Code, shall be 11248
conditioned upon receiving advice from or approval by the county 11249
or regional planning commission. 11250

(D) As used in this section, "business day" means a day of 11251
the week excluding Saturday, Sunday, or a legal holiday as defined 11252
in section 1.14 of the Revised Code. 11253

Sec. 711.131. (A) Notwithstanding sections 711.001 to 711.13 11254
of the Revised Code and except as provided in division (C) of this 11255

711.10 of the Revised Code are amended pursuant to division (B) of 11257
this section, a proposed division of a parcel of land along an 11258
existing public street, not involving the opening, widening, or 11259

be submitted to the planning authority having approving 11262
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 11263

acting through a properly designated representative finds that a 11265
proposed division is not contrary to applicable platting, 11266
subdividing, zoning, health, sanitary, or access management 11267
regulations, regulations adopted under division (B)(3) of section 11268
307.37 of the Revised Code regarding existing surface or 11269

~~under section 3718.02 of the Revised Code, including, but not~~ 11271

711.05, 711.09, or 711.10 of the Revised Code may be amended 11283
within that period to authorize the planning authority involved to 11284
approve proposed divisions of parcels of land without plat under 11285
this division. If an authority so amends its rules, it may approve 11286
no more than five lots without a plat from an original tract as 11287
that original tract exists on the effective date of the amendment 11288
to the rules. The authority shall make the findings and approve a 11289
proposed division in the time and manner specified in division (A) 11290
of this section. 11291

(B) Notwithstanding section 718.05 of the Revised Code, on 11307

or charge for the operation or maintenance of the Ohio business 11335
gateway. 11336

(G) The use of the Ohio business gateway by municipal 11337

in connection with the performance of that person's official 11361
duties or the official business of the municipal corporation as 11362
authorized by this chapter or the charter or ordinance authorizing 11363
the levy. The tax administrator of the municipal corporation may 11364
furnish copies of returns filed under this chapter to the internal 11365
revenue service and to the tax commissioner. 11366

(B) This section does not prohibit the legislative authority 11367

of a municipal corporation, by ordinance or resolution, from 11368
authorizing the tax administrator to publish statistics in a form 11369
that does not disclose information with respect to particular 11370
taxpayers. 11371

incurred by the department for depositions, investigations, 11385
issuance and service of subpoenas, witness fees, employment of a 11386
stenographer and hearing officer, and the production of books, 11387
accounts, papers, records, documents, and testimony if the 11388
applicable hearing officer determines that the party to the action 11389
has failed to comply with any chapter of the Revised Code or any 11390
rule adopted under any of those chapters that is administered by 11391
the director or if the hearing officer determines that the action 11392
was frivolous conduct by the party. Assessment of costs under this 11393
section may be appealed to a court of competent jurisdiction. 11394

Nothing in this section shall be construed to apply to 11395

different from the format in which the record was originally 11442
created, used, sent, or received only if it can be demonstrated 11443
that the alternative format used accurately and completely 11444

pursuant to those previously enacted laws, adopted rules, or 11473
adopted policies for a period of two years after ~~the effective~~ 11474
~~date of this section~~ September 14, 2000. 11475

(2) Subject to division (H)(3) of this section, after the 11476
two-year period described in division (H)(1) of this section has 11477

desirable and, with the approval of the attorney general and the 11554
director of natural resources, may sell portions of the state 11555
forest lands when such a sale is advantageous to the state. 11556

(B) Except as otherwise provided in this section, a timber 11557
sale agreement shall not be executed unless the person or 11558
governmental entity bidding on the sale executes and files a 11559
surety bond conditioned on completion of the timber sale in 11560
accordance with the terms of the agreement in an amount equal to 11561
twenty-five per cent of the highest value cutting section. All 11562
bonds shall be given in a form prescribed by the chief and shall 11563
run to the state as obligee. 11564

The chief shall not approve any bond until it is personally 11565
signed and acknowledged by both principal and surety, or as to 11566
either by the attorney in fact thereof, with a certified copy of 11567
the power of attorney attached. The chief shall not approve the 11568
bond unless there is attached a certificate of the superintendent 11569
of insurance that the company is authorized to transact a fidelity 11570
and surety business in this state. 11571

In lieu of a bond, the bidder may deposit any of the 11572
following: 11573

(1) Cash in an amount equal to the amount of the bond; 11574

(2) United States government securities having a par value 11575

(3) Negotiable certificates of deposit or irrevocable letters 11577
of credit issued by any bank organized or transacting business in 11578
this state having a par value equal to or greater than the amount 11579

The cash or securities shall be deposited on the same terms 11581
as bonds. If one or more certificates of deposit are deposited in 11582
lieu of a bond, the chief shall require the bank that issued any 11583
of the certificates to pledge securities of the aggregate market 11584
value equal to the amount of the certificate or certificates that 11585
is in excess of the amount insured by the federal deposit 11586
insurance corporation. The securities to be pledged shall be those 11587
designated as eligible under section 135.18 of the Revised Code. 11588
The securities shall be security for the repayment of the 11589
certificate or certificates of deposit. 11590

Immediately upon a deposit of cash, securities, certificates 11591
of deposit, or letters of credit, the chief shall deliver them to 11592
the treasurer of state, who shall hold them in trust for the 11593
purposes for which they have been deposited. The treasurer of 11594
state is responsible for the safekeeping of the deposits. A bidder 11595
making a deposit of cash, securities, certificates of deposit, or 11596
letters of credit may withdraw and receive from the treasurer of 11597
state, on the written order of the chief, all or any portion of 11598
the cash, securities, certificates of deposit, or letters of 11599
credit upon depositing with the treasurer of state cash, other 11600
United States government securities, or other negotiable 11601
certificates of deposit or irrevocable letters of credit issued by 11602
any bank organized or transacting business in this state, equal in 11603
par value to the par value of the cash, securities, certificates 11604
of deposit, or letters of credit withdrawn. 11605

A bidder may demand and receive from the treasurer of state 11606
all interest or other income from any such securities or 11607
certificates as it becomes due. If securities so deposited with 11608
and in the possession of the treasurer of state mature or are 11609
called for payment by their issuer, the treasurer of state, at the 11610
request of the bidder who deposited them, shall convert the 11611
proceeds of the redemption or payment of the securities into other 11612

United States government securities, negotiable certificates of 11613
deposit, or cash as the bidder designates. 11614

When the chief finds that a person or governmental agency has 11615
failed to comply with the conditions of the person's or 11616
governmental agency's bond, the chief shall make a finding of that 11617
fact and declare the bond, cash, securities, certificates, or 11618
letters of credit forfeited. The chief thereupon shall certify the 11619
total forfeiture to the attorney general, who shall proceed to 11620
collect the amount of the bond, cash, securities, certificates, or 11621
letters of credit. 11622

In lieu of total forfeiture, the surety, at its option, may 11623
cause the timber sale to be completed or pay to the treasurer of 11624
state the cost thereof. 11625

All moneys collected as a result of forfeitures of bonds, 11626
cash, securities, certificates, and letters of credit under this 11627
section shall be credited to the state forest fund created in this 11628
section. 11629

(C) The chief may grant easements and leases on portions of 11630
the state forest lands and state forest nurseries under terms that 11631
are advantageous to the state, and the chief may grant mineral 11632
rights on a royalty basis on those lands and nurseries, with the 11633
approval of the attorney general and the director. 11634

(D) All moneys received from the sale of state forest lands, 11635
or in payment for easements or leases on or as rents from those 11636
lands or from state forest nurseries, shall be paid into the state 11637
treasury to the credit of the state forest fund, which is hereby 11638
created. In addition, all moneys received from federal grants, 11639
payments, and reimbursements, from the sale of reforestation tree 11640
stock, from the sale of forest products, other than standing 11641
timber, and from the sale of minerals taken from the state forest 11642
lands and state forest nurseries, together with royalties from 11643

mineral rights, shall be paid into the state treasury to the 11644
credit of the state forest fund. Any other revenues derived from 11645
the operation of the state forests and related facilities or 11646
equipment also shall be paid into the state treasury to the credit 11647
of the state forest fund, as shall contributions received for the 11648
issuance of Smokey Bear license plates under section 4503.574 of 11649
the Revised Code and any other moneys required by law to be 11650
deposited in the fund. 11651

The state forest fund shall not be expended for any purpose 11652
other than the administration, operation, maintenance, 11653
development, or utilization of the state forests, forest 11654
nurseries, and forest programs, for facilities or equipment 11655
incident to them, or for the further purchase of lands for state 11656
forest or forest nursery purposes and, in the case of 11657
contributions received pursuant to section 4503.574 of the Revised 11658
Code, for fire prevention purposes. 11659

All moneys received from the sale of standing timber taken 11660
from state forest lands and state forest nurseries shall be 11661
deposited into the state treasury to the credit of the forestry 11662
holding account redistribution fund, which is hereby created. The 11663
moneys shall remain in the fund until they are redistributed in 11664
accordance with this division. 11665

The redistribution shall occur at least once each year. To 11666
begin the redistribution, the chief first shall determine the 11667
amount of all standing timber sold from state forest lands and 11668
state forest nurseries, together with the amount of the total sale 11669
proceeds, in each county, in each township within the county, and 11670
in each school district within the county. The chief next shall 11671
determine the amount of the direct costs that the division of 11672
forestry incurred in association with the sale of that standing 11673
timber. The amount of the direct costs shall be subtracted from 11674
the amount of the total sale proceeds and shall be transferred 11675

from the forestry holding account redistribution fund to the state forest fund. 11676
11677

The remaining amount of the total sale proceeds equals the net value of the standing timber that was sold. The chief shall determine the net value of standing timber sold from state forest lands and state forest nurseries in each county, in each township within the county, and in each school district within the county and shall send to each county treasurer a copy of the determination at the time that moneys are paid to the county treasurer under this division. 11678
11679
11680
11681
11682
11683
11684
11685

Twenty-five per cent of the net value of standing timber sold from state forest lands and state forest nurseries located in a county shall be transferred from the forestry holding account redistribution fund to the state forest fund. Ten per cent of that net value shall be transferred from the forestry holding account redistribution fund to the general revenue fund. the board so advances money in order to repay the loan, the board 12108
subsequently shall reimburse each fund from which the board 12109

property from the date on which the amounts are placed on the tax 12118
list and duplicate and shall be collected in the same manner as 12119
other taxes. 12120

(C) A board may apply to the authority for a loan for the 12121
purpose of entering into agreements under division (A) of this 12122
section. The loan shall be for an amount and on the terms 12123
established in an agreement between the board and the authority. 12124
The board may assign any agreements entered into under division 12125
(A) of this section to the authority in order to provide for the 12126
repayment of the loan and may pledge any lawfully available 12127
revenues to the repayment of the loan, provided that no moneys 12128
raised by taxation shall be obligated or pledged by the board for 12129
the repayment of the loan. Any agreement with the authority 12130
pursuant to this division is not subject to Chapter 133. of the 12131
Revised Code or any requirements or limitations established in 12132
that chapter. 12133

(D) The authority, as assignee of any agreement pursuant to 12134
division (C) of this section, may enforce and compel the board and 12135
the county auditor by mandamus pursuant to Chapter 2731. of the 12136
Revised Code to comply with division (B) of this section in a 12137
timely manner. 12138

(E) The construction of an erosion control structure by a 12139
contractor hired by an individual homeowner, group of individual 12140
homeowners, or homeowners association that enters into an 12141

agreement with a board under division (A) of this section is not a 12142
public improvement, as defined in section 4115.03 of the Revised 12143
Code, and is not subject to competitive bidding or public bond 12144
laws. 12145

Sec. ~~1521.27~~ 1506.45. The state, or any county, township, 12146
municipal corporation, conservancy district, or park board that 12147
has entered into a contract under section ~~1521.25~~ 1506.43 of the 12148
Revised Code, may acquire lands by gift or devise, purchase, or 12149
appropriation. In case of appropriation, the proceedings shall be 12150
instituted in the name of the state or the political subdivision 12151
and shall be conducted in the manner provided for the 12152
appropriation of private property by the state or the political 12153
subdivision insofar as those proceedings are applicable. Either 12154
the fee or any lesser interest may be acquired as the state or the 12155
political subdivision considers advisable. 12156

Sec. ~~1521.28~~ 1506.46. Any action taken by the ~~chief director~~ 12157
of ~~the division of water~~ natural resources under sections ~~1521.20~~ 12158
1506.38 to ~~1521.30~~ 1506.48 of the Revised Code shall not be deemed 12159
in conflict with certain powers and duties conferred upon and 12160
delegated to federal agencies and to municipal corporations under 12161
Section 7 of Article XVIII, Ohio Constitution, or as provided by 12162
sections 721.04 to 721.11 of the Revised Code. 12163

Sec. ~~1521.29~~ 1506.47. The ~~chief director~~ of ~~the division of~~ 12164
~~water~~ natural resources, in cooperation with appropriate offices 12165
and divisions, including the division of geological survey, may 12166
prepare a plan for the management of shore erosion in the state 12167
along Lake Erie, its bays, and associated inlets, revise the plan 12168
whenever it can be made more effective, and make the plan 12169
available for public inspection. In the preparation of the plan, 12170
the ~~chief director~~ may employ such existing plans as are 12171

available. 12172

The ~~chief~~ director also may establish a program to provide 12173
technical assistance on shore erosion control measures to 12174
municipal corporations, counties, townships, conservancy 12175
districts, park boards, and shoreline property owners. 12176

Sec. ~~1521.30~~ 1506.48. Upon application of any owner of real 12177
property damaged or destroyed by shore erosion, the county auditor 12178
of the county in which the real property is situated shall cause a 12179
reappraisal to be made and shall place the property on the tax 12180
list at its true value in money. 12181

Whenever the county auditor finds that ninety per cent or 12182
more of the area of any littoral parcel of land appearing upon the 12183
tax duplicate has been eroded and lies within the natural 12184
boundaries of Lake Erie and that the remainder of the parcel, if 12185
any, has no taxable value, the auditor may certify that finding to 12186
the county board of revision. Upon consideration thereof, the 12187
board may authorize removal of the parcel from the tax duplicate 12188
and cancellation of all current and delinquent taxes, assessments, 12189
interest, and penalties charged against the parcel. 12190

Sec. 1506.99. (A) Whoever violates division (A) of section 12191
1506.09 of the Revised Code shall be fined not less than one 12192
hundred nor more than five hundred dollars for each offense. 12193

(B) Whoever violates division (K) of section 1506.32 of the 12194
Revised Code is guilty of a misdemeanor of the third degree. 12195

(C) Whoever violates sections 1506.38 to 1506.48 of the 12196
Revised Code shall be fined not less than one hundred dollars nor 12197
more than five hundred dollars for each offense. Each day of 12198
violation constitutes a separate offense. 12199

Sec. 1513.08. (A) After a coal mining and reclamation permit 12200

application has been approved, ~~but before the permit is issued,~~ 12201
the applicant shall file with the chief of the division of mineral 12202
resources management, on a form prescribed and furnished by the 12203
chief, the performance security required under this section. 12204

(B) Using the information contained in the permit 12205
application; the requirements contained in the approved permit and 12206
reclamation plan; and, after considering the topography, geology, 12207
hydrology, and revegetation potential of the area of the approved 12208
permit, the probable difficulty of reclamation; the chief shall 12209
determine the estimated cost of reclamation under the initial term 12210
of the permit if the reclamation has to be performed by the 12211
division of mineral resources management in the event of 12212
forfeiture of the performance security by the applicant. The chief 12213
shall send written notice of the amount of the estimated cost of 12214
reclamation by certified mail to the applicant. The applicant 12215
shall send written notice to the chief indicating the method by 12216
which the applicant will provide the performance security pursuant 12217
to division (C) of this section. 12218

(C) The applicant shall provide the performance security in 12219
an amount using one of the following: 12220

(1) If the applicant elects to provide performance security 12221
without reliance on the reclamation forfeiture fund created in 12222
section 1513.18 of the Revised Code, the amount of the estimated 12223
cost of reclamation as determined by the chief under division (B) 12224
of this section for the increments of land on which the operator 12225
will conduct a coal mining and reclamation operation under the 12226
initial term of the permit as indicated in the application; 12227

(2) If the applicant elects to provide performance security 12228
together with reliance on the reclamation forfeiture fund through 12229
payment of the additional tax on the severance of coal that is 12230
levied under division (A)(8) of section 5749.02 of the Revised 12231
Code, an amount of twenty-five hundred dollars per acre of land on 12232

which the operator will conduct coal mining and reclamation under 12233
the initial term of the permit as indicated in the application. 12234
However, in order for an applicant to be eligible to provide 12235
performance security in accordance with division (C)(2) of this 12236
section, ~~an~~ the applicant, an owner and controller of the 12237
applicant, or an affiliate of the applicant shall have held a 12238
permit issued under this chapter for any coal mining and 12239
reclamation operation for a period of not less than five years. In 12240
the event of forfeiture of performance security that was provided 12241
in accordance with division (C)(2) of this section, the difference 12242
between the amount of that performance security and the estimated 12243
cost of reclamation as determined by the chief under division (B) 12244
of this section shall be obtained from money in the reclamation 12245
forfeiture fund as needed to complete the reclamation. 12246

The performance security provided under division (C) of this 12247
section for the entire area to be mined under one permit issued 12248
under this chapter shall not be less than ten thousand dollars. 12249

The performance security shall cover areas of land affected 12250
by mining within or immediately adjacent to the permitted area, so 12251
long as the total number of acres does not exceed the number of 12252
acres for which the performance security is provided. However, the 12253
authority for the performance security to cover areas of land 12254
immediately adjacent to the permitted area does not authorize a 12255
permittee to mine areas outside an approved permit area. As 12256
succeeding increments of coal mining and reclamation operations 12257
are to be initiated and conducted within the permit area, the 12258
permittee shall file with the chief additional performance 12259
security to cover the increments in accordance with this section. 12260
If a permittee intends to mine areas outside the approved permit 12261
area, the permittee shall provide additional performance security 12262
in accordance with this section to cover the areas to be mined. 12263

An applicant shall provide performance security in accordance 12264

with division (C)(1) of this section in the full amount of the 12265
estimated cost of reclamation as determined by the chief for a 12266
permitted coal preparation plant or coal refuse disposal area that 12267
is not located within a permitted area of a mine. A permittee 12268
shall provide the performance security not later than one year 12269
after ~~the effective date of this amendment~~ April 6, 2007, for a 12270
permitted coal preparation plant or coal refuse disposal area that 12271
is in existence on ~~the effective date of this amendment~~ April 6, 12272
2007, and that is not located within a permitted area of a mine. 12273

(D) A permittee's liability under the performance security 12274
shall be limited to the obligations established under the permit, 12275
which include completion of the reclamation plan in order to make 12276
the land capable of supporting the postmining land use that was 12277
approved in the permit. The period of liability under the 12278
performance security shall be for the duration of the coal mining 12279
and reclamation operation and for a period coincident with the 12280
operator's responsibility for revegetation requirements under 12281
section 1513.16 of the Revised Code. 12282

(E) The amount of the estimated cost of reclamation 12283
determined under division (B) of this section and the amount of a 12284
permittee's performance security provided in accordance with 12285
division (C)(1) of this section may be adjusted by the chief as 12286
the land that is affected by mining increases or decreases or if 12287
the cost of reclamation increases or decreases. If the performance 12288
security was provided in accordance with division (C)(2) of this 12289
section and the chief has issued a cessation order under division 12290
(D)(2) of section 1513.02 of the Revised Code for failure to abate 12291
a violation of the contemporaneous reclamation requirement under 12292
division (A)(15) of section 1513.16 of the Revised Code, the chief 12293
may require the permittee to increase the amount of performance 12294
security from twenty-five hundred dollars per acre of land to five 12295
thousand dollars per acre of land. 12296

The chief shall notify the permittee, each surety, and any person who has a property interest in the performance security and who has requested to be notified of any proposed adjustment to the performance security. The permittee may request an informal conference with the chief concerning the proposed adjustment, and the chief shall provide such an informal conference.

If the chief increases the amount of performance security under this division, the permittee shall provide additional performance security in an amount determined by the chief. If the chief decreases the amount of performance security under this division, the chief shall determine the amount of the reduction of the performance security and send written notice of the amount of reduction to the permittee. The permittee may reduce the amount of the performance security in the amount determined by the chief.

(F) A permittee may request a reduction in the amount of the performance security by submitting to the chief documentation proving that the amount of the performance security provided by the permittee exceeds the estimated cost of reclamation if the reclamation would have to be performed by the division in the event of forfeiture of the performance security. The chief shall examine the documentation and determine whether the permittee's performance security exceeds the estimated cost of reclamation. If the chief determines that the performance security exceeds that estimated cost, the chief shall determine the amount of the reduction of the performance security and send written notice of the amount to the permittee. The permittee may reduce the amount of the performance security in the amount determined by the chief. Adjustments in the amount of performance security under this division shall not be considered release of performance security and are not subject to section 1513.16 of the Revised Code.

(G) If the performance security is a bond, it shall be executed by the operator and a corporate surety licensed to do

business in this state. If the performance security is a cash 12329
deposit or negotiable certificates of deposit of a bank or savings 12330
and loan association, the bank or savings and loan association 12331
shall be licensed and operating in this state. The cash deposit or 12332
market value of the securities shall be equal to or greater than 12333
the amount of the performance security required under this 12334
section. The chief shall review any documents pertaining to the 12335
performance security and approve or disapprove the documents. The 12336
chief shall notify the applicant of the chief's determination. 12337

(H) If the performance security is a bond, the chief may 12338
accept the bond of the applicant itself without separate surety 12339
when the applicant demonstrates to the satisfaction of the chief 12340
the existence of a suitable agent to receive service of process 12341
and a history of financial solvency and continuous operation 12342
sufficient for authorization to self-insure or bond the amount. 12343

(I) Performance security provided under this section may be 12344
held in trust, provided that the state is the conditional 12345
beneficiary of the trust and the custodian of the performance 12346
security held in trust is a bank, trust company, or other 12347
financial institution that is licensed and operating in this 12348
state. The chief shall review the trust document and approve or 12349
disapprove the document. The chief shall notify the applicant of 12350
the chief's determination. 12351

(J) If a surety, bank, savings and loan association, trust 12352
company, or other financial institution that holds the performance 12353
security required under this section becomes insolvent, the 12354
permittee shall notify the chief of the insolvency, and the chief 12355
shall order the permittee to submit a plan for replacement 12356
performance security within thirty days after receipt of notice 12357
from the chief. If the permittee provided performance security in 12358
accordance with division (C)(1) of this section, the permittee 12359
shall provide the replacement performance security within ninety 12360

days after receipt of notice from the chief. If the permittee 12361
provided performance security in accordance with division (C)(2) 12362
of this section, the permittee shall provide the replacement 12363
performance security within one year after receipt of notice from 12364
the chief, and, for a period of one year after the permittee's 12365
receipt of notice from the chief or until the permittee provides 12366
the replacement performance security, whichever occurs first, 12367
money in the reclamation forfeiture fund shall be the permittee's 12368
replacement performance security in an amount not to exceed the 12369
estimated cost of reclamation as determined by the chief. 12370

(K) A permittee's responsibility for repairing material 12371
damage and replacement of water supply resulting from subsidence 12372
may be satisfied by liability insurance required under this 12373
chapter in lieu of the permittee's performance security if the 12374
liability insurance policy contains terms and conditions that 12375
specifically provide coverage for repairing material damage and 12376
replacement of water supply resulting from subsidence. 12377

(L) If the performance security provided in accordance with 12378
this section exceeds the estimated cost of reclamation, the chief 12379
may authorize the amount of the performance security that exceeds 12380
the estimated cost of reclamation together with any interest or 12381
other earnings on the performance security to be paid to the 12382
permittee. 12383

(M) A permittee that held a valid coal mining and reclamation 12384
permit immediately prior to April 6, 2007, shall provide, not 12385
later than a date established by the chief, performance security 12386
in accordance with division (C)(1) or (2) of this section, rather 12387
than in accordance with the law as it existed prior to that date, 12388
by filing it with the chief on a form that the chief prescribes 12389
and furnishes. Accordingly, for purposes of this section, 12390
"applicant" is deemed to include such a permittee. 12391

(N) As used in this section: 12392

(1) "Affiliate of the applicant" means an entity that has a 12393
parent entity in common with the applicant. 12394

(2) "Owner and controller of the applicant" means a person 12395
that has any relationship with the applicant that gives the person 12396
authority to determine directly or indirectly the manner in which 12397
the applicant conducts coal mining operations. 12398

Sec. 1513.18. (A) All money that becomes the property of the 12399
state under division (G) of section 1513.16 of the Revised Code 12400
shall be deposited in the reclamation forfeiture fund, which is 12401
hereby created in the state treasury. Disbursements from the fund 12402
shall be made by the chief of the division of mineral resources 12403
management for the purpose of reclaiming areas of land affected by 12404
coal mining under a coal mining and reclamation permit issued on 12405
or after September 1, 1981, on which an operator has defaulted. 12406

(B) The fund also shall consist of all money from the 12407
collection of liens under section 1513.081 of the Revised Code, 12408
any moneys transferred to it under section 1513.181 of the Revised 12409
Code from the coal mining and reclamation reserve fund created in 12410
that section, fines collected under division (E) of section 12411
1513.02 and section 1513.99 of the Revised Code, fines collected 12412
for a violation of section 2921.31 of the Revised Code that, prior 12413
to July 1, 1996, would have been a violation of division (G) of 12414
section 1513.17 of the Revised Code as it existed prior to that 12415
date, and moneys collected and credited to it pursuant to section 12416
5749.02 of the Revised Code. Disbursements from the fund shall be 12417
made by the chief in accordance with division (D) of this section 12418
for the purpose of reclaiming areas that an operator has affected 12419
by mining and failed to reclaim under a coal mining and 12420
reclamation permit issued under this chapter or under a surface 12421
mining permit issued under Chapter 1514. of the Revised Code. 12422

The chief may expend moneys from the fund to pay necessary 12423

administrative costs, including engineering and design services, 12424
incurred by the division of mineral resources management in 12425
reclaiming these areas. The chief also may expend moneys from the 12426
fund to pay necessary administrative costs of the reclamation 12427
forfeiture fund advisory board created in section 1513.182 of the 12428
Revised Code as authorized by the board under that section. 12429
Expenditures from the fund to pay such administrative costs need 12430
not be made under contract. 12431

(C) Except when paying necessary administrative costs 12432
authorized by division (B) of this section, expenditures from the 12433
fund shall be made under contracts entered into by the chief, with 12434
the approval of the director of natural resources, in accordance 12435
with procedures established by the chief, by rules adopted in 12436
accordance with section 1513.02 of the Revised Code. The chief may 12437
reclaim the land in the same manner as set forth in sections 12438
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 12439
the chief shall be awarded to the lowest responsive and 12440
responsible bidder, in accordance with section 9.312 of the 12441
Revised Code, after sealed bids are received, opened, and 12442
published at the time and place fixed by the chief. The chief 12443
shall publish notice of the time and place at which bids will be 12444
received, opened, and published, at least once and at least ten 12445
days before the date of the opening of the bids, in a newspaper of 12446
general circulation in the county in which the area of land to be 12447
reclaimed under the contract is located. If, after advertising, no 12448
bids are received at the time and place fixed for receiving them, 12449
the chief may advertise again for bids, or, if the chief considers 12450
the public interest will best be served, the chief may enter into 12451
a contract for the reclamation of the area of land without further 12452
advertisement for bids. The chief may reject any or all bids 12453
received and again publish notice of the time and place at which 12454
bids for contracts will be received, opened, and published. The 12455
chief, with the approval of the director, may enter into a 12456

contract with the landowner, a coal mine operator or surface mine 12457
operator mining under a current, valid permit issued under this 12458
chapter or Chapter 1514. of the Revised Code, or a contractor 12459
hired by the surety or trustee, if the performance security is 12460
held in trust, to complete reclamation to carry out reclamation on 12461
land affected by coal mining on which an operator has defaulted 12462
without advertising for bids. 12463

(D)(1) The chief shall expend money credited to the 12464
reclamation forfeiture fund from the forfeiture of the performance 12465
security applicable to an area of land to pay for the cost of the 12466
reclamation of the land. 12467

(2) If the performance security for the area of land was 12468
provided under division (C)(1) of section 1513.08 of the Revised 12469
Code, the chief shall use the money from the forfeited performance 12470
security to complete the reclamation that the operator failed to 12471
do under the operator's applicable coal mining and reclamation 12472
permit issued under this chapter. 12473

(3) If the performance security for the area of land was 12474
provided under division (C)(2) of section 1513.08 of the Revised 12475
Code, the chief shall use the money from the forfeited performance 12476
security to complete the reclamation that the operator failed to 12477
do under the operator's applicable coal mining and reclamation 12478
permit issued under this chapter. If the money credited to the 12479
reclamation forfeiture fund from the forfeiture of the performance 12480
security provided under division (C)(2) of section 1513.08 of the 12481
Revised Code is not sufficient to complete the reclamation, the 12482
chief shall notify the reclamation forfeiture fund advisory board 12483
of the amount of the insufficiency. The chief may expend money 12484
credited to the reclamation forfeiture fund under section 5749.02 12485
of the Revised Code or transferred to the fund under section 12486
1513.181 of the Revised Code to complete the reclamation. The 12487
chief shall not expend money from the fund in an amount that 12488

exceeds the difference between the amount of the performance 12489
security provided under division (C)(2) of section 1513.08 of the 12490
Revised Code and the estimated cost of reclamation as determined 12491
by the chief under divisions (B) and (E) of that section. 12492

(4) Money from the reclamation forfeiture fund shall not be 12493
used for reclamation of land or water resources affected by 12494
material damage from subsidence, or mine drainage that requires 12495
extended water treatment after reclamation is completed under the 12496
terms of the permit, ~~or coal preparation plants or coal refuse~~ 12497
~~disposal areas not located within a permitted area of a mine if~~ 12498
~~performance security for the area of land was provided under~~ 12499
~~division (C)(2) of section 1513.08 of the Revised Code. In~~ 12500
addition, money from the reclamation forfeiture fund shall not be 12501
used to supplement the performance security of an applicant or 12502
permittee that has provided performance security in accordance 12503
with division (C)(1) of section 1513.08 of the Revised Code. 12504

(E) The chief shall keep a detailed accounting of the 12505
expenditures from the reclamation forfeiture fund to complete 12506
reclamation of the land and, upon completion of the reclamation, 12507
shall certify the expenditures to the attorney general. Upon the 12508
chief's certification of the expenditures from the reclamation 12509
forfeiture fund, the attorney general shall bring an action for 12510
that amount of money. The operator is liable for that expense in 12511
addition to any other liabilities imposed by law. Moneys so 12512
recovered shall be credited to the reclamation forfeiture fund. 12513
The chief shall not postpone the reclamation because of any action 12514
brought by the attorney general under this division. Prior to 12515
completing reclamation, the chief may collect through the attorney 12516
general any additional amount that the chief believes will be 12517
necessary for reclamation in excess of the forfeited performance 12518
security amount applicable to the land that the operator should 12519
have, but failed to, reclaim. 12520

(F) Except as otherwise provided in division (H) of this section, if any part of the moneys in the reclamation forfeiture fund remains in the fund after the chief has caused the area of land to be reclaimed and has paid all the reclamation costs and expenses, the chief may expend those moneys to complete other reclamation work performed under this section on forfeiture areas affected under a coal mining and reclamation permit issued on or after September 1, 1981.

(G) The chief shall require every contractor performing reclamation work pursuant to this section to pay workers at the greater of their regular rate of pay, as established by contract, agreement, or prior custom or practice, or the average wage rate paid in this state for the same or similar work as determined by the chief under section 1513.02 of the Revised Code.

(H) All investment earnings of the fund shall be credited to the fund and shall be used only for the reclamation of land for which performance security was provided under division (C)(2) of section 1513.08 of the Revised Code.

Sec. 1514.081. (A) As used in this section:

annulment proceeding and in any proceeding pertaining to the 14559
allocation of parental rights and responsibilities for the care of 14560

section, the court may allocate the parental rights and 14567
responsibilities for the care of the children in either of the 14568
following ways: 14569

(1) If neither parent files a pleading or motion in 14570

both a pleading or motion and a shared parenting plan under that 14575
division but no plan for shared parenting is in the best interest 14576
of the children, the court, in a manner consistent with the best 14577
interest of the children, shall allocate the parental rights and 14578
responsibilities for the care of the children primarily to one of 14579

(B)(1) When making the allocation of the parental rights and 14604

sufficient reasoning ability to express the child's wishes and 14623
concern with respect to the allocation of parental rights and 14624
responsibilities for the care of the child, it shall not determine 14625
the child's wishes and concerns with respect to the allocation. If 14626
the court determines that the child has sufficient reasoning 14627
ability to express the child's wishes or concerns with respect to 14628
the allocation, it then shall determine whether, because of 14629
special circumstances, it would not be in the best interest of the 14630
child to determine the child's wishes and concerns with respect to 14631
the allocation. If the court determines that, because of special 14632
circumstances, it would not be in the best interest of the child 14633
to determine the child's wishes and concerns with respect to the 14634
allocation, it shall not determine the child's wishes and concerns 14635
with respect to the allocation and shall enter its written 14636

determines that it would be in the best interests of the child to 14638
determine the child's wishes and concerns with respect to the 14639
allocation, it shall proceed to make that determination. 14640

(c) The interview shall be conducted in chambers, and no 14641
person other than the child, the child's attorney, the judge, any 14642
necessary court personnel, and, in the judge's discretion, the 14643

attorney of each parent shall be permitted to be present in the 14644
chambers during the interview. 14645

(3) No person shall obtain or attempt to obtain from a child 14646
a written or recorded statement or affidavit setting forth the 14647
child's wishes and concerns regarding the allocation of parental 14648
rights and responsibilities concerning the child. No court, in 14649
determining the child's best interest for purposes of making its 14650
allocation of the parental rights and responsibilities for the 14651
care of the child or for purposes of resolving any issues related 14652
to the making of that allocation, shall accept or consider a 14653
written or recorded statement or affidavit that purports to set 14654
forth the child's wishes and concerns regarding those matters. 14655

(C) Prior to trial, the court may cause an investigation to 14656
be made as to the character, family relations, past conduct, 14657
earning ability, and financial worth of each parent and may order 14658
the parents and their minor children to submit to medical, 14659
psychological, and psychiatric examinations. The report of the 14660
investigation and examinations shall be made available to either 14661
parent or the parent's counsel of record not less than five days 14662
before trial, upon written request. The report shall be signed by 14663
the investigator, and the investigator shall be subject to 14664
cross-examination by either parent concerning the contents of the 14665
report. The court may tax as costs all or any part of the expenses 14666
for each investigation. 14667

If the court determines that either parent previously has 14668
been convicted of or pleaded guilty to any criminal offense 14669
involving any act that resulted in a child being a neglected 14670
child, that either parent previously has been determined to be the 14671
perpetrator of the neglectful act that is the basis of an 14672
adjudication that a child is a neglected child, or that there is 14673
reason to believe that either parent has acted in a manner 14674
resulting in a child being a neglected child, the court shall 14675

consider that fact against naming that parent the residential 14676
parent and against granting a shared parenting decree. When the 14677
court allocates parental rights and responsibilities for the care 14678
of children or determines whether to grant shared parenting in any 14679
proceeding, it shall consider whether either parent or any member 14680
of the household of either parent has been convicted of or pleaded 14681
guilty to a violation of section 2919.25 of the Revised Code or a 14682
sexually oriented offense involving a victim who at the time of 14683
the commission of the offense was a member of the family or 14684
household that is the subject of the proceeding, has been 14685
convicted of or pleaded guilty to any sexually oriented offense or 14686
other offense involving a victim who at the time of the commission 14687
of the offense was a member of the family or household that is the 14688
subject of the proceeding and caused physical harm to the victim 14689
in the commission of the offense, or has been determined to be the 14690
perpetrator of the abusive act that is the basis of an 14691
adjudication that a child is an abused child. If the court 14692
determines that either parent has been convicted of or pleaded 14693
guilty to a violation of section 2919.25 of the Revised Code or a 14694
sexually oriented offense involving a victim who at the time of 14695
the commission of the offense was a member of the family or 14696
household that is the subject of the proceeding, has been 14697
convicted of or pleaded guilty to any sexually oriented offense or 14698
other offense involving a victim who at the time of the commission 14699
of the offense was a member of the family or household that is the 14700
subject of the proceeding and caused physical harm to the victim 14701
in the commission of the offense, or has been determined to be the 14702
perpetrator of the abusive act that is the basis of an 14703
adjudication that a child is an abused child, it may designate 14704
that parent as the residential parent and may issue a shared 14705
parenting decree or order only if it determines that it is in the 14706
best interest of the child to name that parent the residential 14707
parent or to issue a shared parenting decree or order and it makes 14708

specific written findings of fact to support its determination. 14709

(D)(1)(a) Upon the filing of a pleading or motion by either 14710
parent or both parents, in accordance with division (G) of this 14711
section, requesting shared parenting and the filing of a shared 14712
parenting plan in accordance with that division, the court shall 14713
comply with division (D)(1)(a)(i), (ii), or (iii) of this section, 14714
whichever is applicable: 14715

(i) If both parents jointly make the request in their 14716
pleadings or jointly file the motion and also jointly file the 14717
plan, the court shall review the parents' plan to determine if it 14718
is in the best interest of the children. If the court determines 14719
that the plan is in the best interest of the children, the court 14720
shall approve it. If the court determines that the plan or any 14721
part of the plan is not in the best interest of the children, the 14722
court shall require the parents to make appropriate changes to the 14723
plan to meet the court's objections to it. If changes to the plan 14724
are made to meet the court's objections, and if the new plan is in 14725
the best interest of the children, the court shall approve the 14726
plan. If changes to the plan are not made to meet the court's 14727
objections, or if the parents attempt to make changes to the plan 14728
to meet the court's objections, but the court determines that the 14729
new plan or any part of the new plan still is not in the best 14730
interest of the children, the court may reject the portion of the 14731
parents' pleadings or deny their motion requesting shared 14732
parenting of the children and proceed as if the request in the 14733
pleadings or the motion had not been made. The court shall not 14734
approve a plan under this division unless it determines that the 14735
plan is in the best interest of the children. 14736

(ii) If each parent makes a request in the parent's pleadings 14737
or files a motion and each also files a separate plan, the court 14738
shall review each plan filed to determine if either is in the best 14739
interest of the children. If the court determines that one of the 14740

filed plans is in the best interest of the children, the court may 14741
approve the plan. If the court determines that neither filed plan 14742
is in the best interest of the children, the court may order each 14743
parent to submit appropriate changes to the parent's plan or both 14744
of the filed plans to meet the court's objections, or may select 14745
one of the filed plans and order each parent to submit appropriate 14746
changes to the selected plan to meet the court's objections. If 14747
changes to the plan or plans are submitted to meet the court's 14748
objections, and if any of the filed plans with the changes is in 14749
the best interest of the children, the court may approve the plan 14750
with the changes. If changes to the plan or plans are not 14751
submitted to meet the court's objections, or if the parents submit 14752
changes to the plan or plans to meet the court's objections but 14753
the court determines that none of the filed plans with the 14754
submitted changes is in the best interest of the children, the 14755
court may reject the portion of the parents' pleadings or deny 14756
their motions requesting shared parenting of the children and 14757
proceed as if the requests in the pleadings or the motions had not 14758
been made. If the court approves a plan under this division, 14759
either as originally filed or with submitted changes, or if the 14760
court rejects the portion of the parents' pleadings or denies 14761
their motions requesting shared parenting under this division and 14762
proceeds as if the requests in the pleadings or the motions had 14763
not been made, the court shall enter in the record of the case 14764
findings of fact and conclusions of law as to the reasons for the 14765
approval or the rejection or denial. Division (D)(1)(b) of this 14766
section applies in relation to the approval or disapproval of a 14767
plan under this division. 14768

(iii) If each parent makes a request in the parent's 14769
pleadings or files a motion but only one parent files a plan, or 14770
if only one parent makes a request in the parent's pleadings or 14771
files a motion and also files a plan, the court in the best 14772
interest of the children may order the other parent to file a plan 14773

for shared parenting in accordance with division (G) of this 14774
section. The court shall review each plan filed to determine if 14775
any plan is in the best interest of the children. If the court 14776
determines that one of the filed plans is in the best interest of 14777
the children, the court may approve the plan. If the court 14778
determines that no filed plan is in the best interest of the 14779
children, the court may order each parent to submit appropriate 14780
changes to the parent's plan or both of the filed plans to meet 14781
the court's objections or may select one filed plan and order each 14782
parent to submit appropriate changes to the selected plan to meet 14783
the court's objections. If changes to the plan or plans are 14784
submitted to meet the court's objections, and if any of the filed 14785
plans with the changes is in the best interest of the children, 14786
the court may approve the plan with the changes. If changes to the 14787
plan or plans are not submitted to meet the court's objections, or 14788
if the parents submit changes to the plan or plans to meet the 14789
court's objections but the court determines that none of the filed 14790
plans with the submitted changes is in the best interest of the 14791
children, the court may reject the portion of the parents' 14792
pleadings or deny the parents' motion or reject the portion of the 14793
parents' pleadings or deny their motions requesting shared 14794
parenting of the children and proceed as if the request or 14795
requests or the motion or motions had not been made. If the court 14796
approves a plan under this division, either as originally filed or 14797
with submitted changes, or if the court rejects the portion of the 14798
pleadings or denies the motion or motions requesting shared 14799
parenting under this division and proceeds as if the request or 14800
requests or the motion or motions had not been made, the court 14801
shall enter in the record of the case findings of fact and 14802
conclusions of law as to the reasons for the approval or the 14803
rejection or denial. Division (D)(1)(b) of this section applies in 14804
relation to the approval or disapproval of a plan under this 14805
division. 14806

(b) The approval of a plan under division (D)(1)(a)(ii) or 14807
(iii) of this section is discretionary with the court. The court 14808
shall not approve more than one plan under either division and 14809
shall not approve a plan under either division unless it 14810
determines that the plan is in the best interest of the children. 14811
If the court, under either division, does not determine that any 14812
filed plan or any filed plan with submitted changes is in the best 14813
interest of the children, the court shall not approve any plan. 14814

(c) Whenever possible, the court shall require that a shared 14815
parenting plan approved under division (D)(1)(a)(i), (ii), or 14816
(iii) of this section ensure the opportunity for both parents to 14817
have frequent and continuing contact with the child, unless 14818
frequent and continuing contact with any parent would not be in 14819
the best interest of the child. 14820

(d) If a court approves a shared parenting plan under 14821
division (D)(1)(a)(i), (ii), or (iii) of this section, the 14822
approved plan shall be incorporated into a final shared parenting 14823
decree granting the parents the shared parenting of the children. 14824
Any final shared parenting decree shall be issued at the same time 14825
as and shall be appended to the final decree of dissolution, 14826
divorce, annulment, or legal separation arising out of the action 14827
out of which the question of the allocation of parental rights and 14828
responsibilities for the care of the children arose. 14829

No provisional shared parenting decree shall be issued in 14830
relation to any shared parenting plan approved under division 14831
(D)(1)(a)(i), (ii), or (iii) of this section. A final shared 14832
parenting decree issued under this division has immediate effect 14833
as a final decree on the date of its issuance, subject to 14834
modification or termination as authorized by this section. 14835

(2) If the court finds, with respect to any child under 14836
eighteen years of age, that it is in the best interest of the 14837
child for neither parent to be designated the residential parent 14838

and legal custodian of the child, it may commit the child to a relative of the child or certify a copy of its findings, together with as much of the record and the further information, in narrative form or otherwise, that it considers necessary or as the juvenile court requests, to the juvenile court for further proceedings, and, upon the certification, the juvenile court has exclusive jurisdiction.

(E)(1)(a) The court shall not modify a prior decree allocating parental rights and responsibilities for the care of children unless it finds, based on facts that have arisen since the prior decree or that were unknown to the court at the time of the prior decree, that a change has occurred in the circumstances of the child, the child's residential parent, or either of the parents subject to a shared parenting decree, and that the modification is necessary to serve the best interest of the child. In applying these standards, the court shall retain the residential parent designated by the prior decree or the prior shared parenting decree, unless a modification is in the best interest of the child and one of the following applies:

(i) The residential parent agrees to a change in the residential parent or both parents under a shared parenting decree agree to a change in the designation of residential parent.

(ii) The child, with the consent of the residential parent or of both parents under a shared parenting decree, has been integrated into the family of the person seeking to become the residential parent.

(iii) The harm likely to be caused by a change of environment is outweighed by the advantages of the change of environment to the child.

(b) One or both of the parents under a prior decree allocating parental rights and responsibilities for the care of

children that is not a shared parenting decree may file a motion 14870
requesting that the prior decree be modified to give both parents 14871
shared rights and responsibilities for the care of the children. 14872
The motion shall include both a request for modification of the 14873
prior decree and a request for a shared parenting order that 14874
complies with division (G) of this section. Upon the filing of the 14875
motion, if the court determines that a modification of the prior 14876
decree is authorized under division (E)(1)(a) of this section, the 14877
court may modify the prior decree to grant a shared parenting 14878
order, provided that the court shall not modify the prior decree 14879
to grant a shared parenting order unless the court complies with 14880
divisions (A) and (D)(1) of this section and, in accordance with 14881
those divisions, approves the submitted shared parenting plan and 14882
determines that shared parenting would be in the best interest of 14883
the children. 14884

(2) In addition to a modification authorized under division 14885
(E)(1) of this section: 14886

(a) Both parents under a shared parenting decree jointly may 14887
modify the terms of the plan for shared parenting approved by the 14888
court and incorporated by it into the shared parenting decree. 14889
Modifications under this division may be made at any time. The 14890
modifications to the plan shall be filed jointly by both parents 14891
with the court, and the court shall include them in the plan, 14892
unless they are not in the best interest of the children. If the 14893
modifications are not in the best interests of the children, the 14894
court, in its discretion, may reject the modifications or make 14895
modifications to the proposed modifications or the plan that are 14896
in the best interest of the children. Modifications jointly 14897
submitted by both parents under a shared parenting decree shall be 14898
effective, either as originally filed or as modified by the court, 14899
upon their inclusion by the court in the plan. Modifications to 14900
the plan made by the court shall be effective upon their inclusion 14901

by the court in the plan. 14902

(b) The court may modify the terms of the plan for shared 14903
parenting approved by the court and incorporated by it into the 14904
shared parenting decree upon its own motion at any time if the 14905
court determines that the modifications are in the best interest 14906
of the children or upon the request of one or both of the parents 14907
under the decree. Modifications under this division may be made at 14908
any time. The court shall not make any modification to the plan 14909
under this division, unless the modification is in the best 14910
interest of the children. 14911

(c) The court may terminate a prior final shared parenting 14912
decree that includes a shared parenting plan approved under 14913
division (D)(1)(a)(i) of this section upon the request of one or 14914
both of the parents or whenever it determines that shared 14915
parenting is not in the best interest of the children. The court 14916
may terminate a prior final shared parenting decree that includes 14917
a shared parenting plan approved under division (D)(1)(a)(ii) or 14918
(iii) of this section if it determines, upon its own motion or 14919
upon the request of one or both parents, that shared parenting is 14920
not in the best interest of the children. If modification of the 14921
terms of the plan for shared parenting approved by the court and 14922
incorporated by it into the final shared parenting decree is 14923
attempted under division (E)(2)(a) of this section and the court 14924
rejects the modifications, it may terminate the final shared 14925
parenting decree if it determines that shared parenting is not in 14926
the best interest of the children. 14927

(d) Upon the termination of a prior final shared parenting 14928
decree under division (E)(2)(c) of this section, the court shall 14929
proceed and issue a modified decree for the allocation of parental 14930
rights and responsibilities for the care of the children under the 14931
standards applicable under divisions (A), (B), and (C) of this 14932
section as if no decree for shared parenting had been granted and 14933

as if no request for shared parenting ever had been made. 14934

(F)(1) In determining the best interest of a child pursuant 14935
to this section, whether on an original decree allocating parental 14936
rights and responsibilities for the care of children or a 14937
modification of a decree allocating those rights and 14938
responsibilities, the court shall consider all relevant factors, 14939
including, but not limited to: 14940

(a) The wishes of the child's parents regarding the child's 14941
care; 14942

(b) If the court has interviewed the child in chambers 14943
pursuant to division (B) of this section regarding the child's 14944
wishes and concerns as to the allocation of parental rights and 14945
responsibilities concerning the child, the wishes and concerns of 14946
the child, as expressed to the court; 14947

(c) The child's interaction and interrelationship with the 14948
child's parents, siblings, and any other person who may 14949
significantly affect the child's best interest; 14950

(d) The child's adjustment to the child's home, school, and 14951
community; 14952

(e) The mental and physical health of all persons involved in 14953
the situation; 14954

(f) The parent more likely to honor and facilitate 14955
court-approved parenting time rights or visitation and 14956
companionship rights; 14957

(g) Whether either parent has failed to make all child 14958
support payments, including all arrearages, that are required of 14959
that parent pursuant to a child support order under which that 14960
parent is an obligor; 14961

(h) Whether either parent or any member of the household of 14962
either parent previously has been convicted of or pleaded guilty 14963

to any criminal offense involving any act that resulted in a child being an abused child or a neglected child; whether either parent, in a case in which a child has been adjudicated an abused child or a neglected child, previously has been determined to be the perpetrator of the abusive or neglectful act that is the basis of an adjudication; whether either parent or any member of the household of either parent previously has been convicted of or pleaded guilty to a violation of section 2919.25 of the Revised Code or a sexually oriented offense involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the current proceeding; whether either parent or any member of the household of either parent previously has been convicted of or pleaded guilty to any offense involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the current proceeding and caused physical harm to the victim in the commission of the offense; and whether there is reason to believe that either parent has acted in a manner resulting in a child being an abused child or a neglected child;

(i) Whether the residential parent or one of the parents subject to a shared parenting decree has continuously and willfully denied the other parent's right to parenting time in accordance with an order of the court;

(j) Whether either parent has established a residence, or is planning to establish a residence, outside this state.

(2) In determining whether shared parenting is in the best interest of the children, the court shall consider all relevant factors, including, but not limited to, the factors enumerated in division (F)(1) of this section, the factors enumerated in section 3119.23 of the Revised Code, and all of the following factors:

(a) The ability of the parents to cooperate and make decisions jointly, with respect to the children;

(b) The ability of each parent to encourage the sharing of love, affection, and contact between the child and the other parent;	14996 14997 14998
(c) Any history of, or potential for, child abuse, spouse abuse, other domestic violence, or parental kidnapping by either parent;	14999 15000 15001
(d) The geographic proximity of the parents to each other, as the proximity relates to the practical considerations of shared parenting;	15002 15003 15004
(e) The recommendation of the guardian ad litem of the child, if the child has a guardian ad litem.	15005 15006
(3) When allocating parental rights and responsibilities for the care of children, the court shall not give preference to a parent because of that parent's financial status or condition.	15007 15008 15009
(G) Either parent or both parents of any children may file a pleading or motion with the court requesting the court to grant both parents shared parental rights and responsibilities for the care of the children in a proceeding held pursuant to division (A) of this section. If a pleading or motion requesting shared parenting is filed, the parent or parents filing the pleading or motion also shall file with the court a plan for the exercise of shared parenting by both parents. If each parent files a pleading or motion requesting shared parenting but only one parent files a plan or if only one parent files a pleading or motion requesting shared parenting and also files a plan, the other parent as ordered by the court shall file with the court a plan for the exercise of shared parenting by both parents. The plan for shared parenting shall be filed with the petition for dissolution of marriage, if the question of parental rights and responsibilities for the care of the children arises out of an action for dissolution of marriage, or, in other cases, at a time at least	15010 15011 15012 15013 15014 15015 15016 15017 15018 15019 15020 15021 15022 15023 15024 15025 15026

thirty days prior to the hearing on the issue of the parental 15027
rights and responsibilities for the care of the children. A plan 15028
for shared parenting shall include provisions covering all factors 15029
that are relevant to the care of the children, including, but not 15030
limited to, provisions covering factors such as physical living 15031
arrangements, child support obligations, provision for the 15032
children's medical and dental care, school placement, and the 15033
parent with which the children will be physically located during 15034
legal holidays, school holidays, and other days of special 15035
importance. 15036

(H) If an appeal is taken from a decision of a court that 15037
grants or modifies a decree allocating parental rights and 15038
responsibilities for the care of children, the court of appeals 15039
shall give the case calendar priority and handle it expeditiously. 15040

(I) Upon receipt of an order to active military service in 15041
the uniformed services, a parent who is subject to an order 15042
allocating parental rights and responsibilities or in relation to 15043
whom an action to allocate parental rights and responsibilities is 15044
pending and who is ordered to active military service shall notify 15045
the other parent who is subject to the order or in relation to 15046
whom the case is pending of the order to active military service. 15047
Either parent may apply to the court for a hearing to expedite an 15048
allocation or modification proceeding. The application shall 15049
include the date on which the active military service begins. 15050

The court shall schedule a hearing upon receipt of the 15051
application and hold the hearing not later than thirty days after 15052
receipt of the application, except that the court shall give the 15053
case calendar priority and handle the case expeditiously if 15054
exigent circumstances exist in the case. 15055

The court shall not modify a prior decree allocating parental 15056
rights and responsibilities unless the court determines by clear 15057
and convincing evidence that there has been a change in 15058

circumstances of the child, the child's residential parent, or 15059
either of the parents subject to a shared parenting decree, and 15060
that modification is necessary to serve the best interest of the 15061
child. The court shall not consider active military service in the 15062
uniformed services in determining whether a change in 15063
circumstances exists under this section. 15064

Nothing in this division shall prevent a court from issuing a 15065
temporary order allocating or modifying parental rights and 15066
responsibilities for the duration of the parent's active military 15067
service. 15068

support required to be paid under a court child support order or a			15868
child support enforcement agency computes the amount of child			15869
support to be paid pursuant to an administrative child support			15870

order, all of the following apply: 15871

(A) The parents' current and past income and personal 15872
earnings shall be verified by electronic means or with suitable 15873
documents, including, but not limited to, paystubs, employer 15874
statements, receipts and expense vouchers related to 15875
self-generated income, tax returns, and all supporting 15876
documentation and schedules for the tax returns. 15877

(B) The amount of any pre-existing child support obligation 15878
of a parent under a child support order and the amount of any 15879
court-ordered spousal support actually paid shall be deducted from 15880
the gross income of that parent to the extent that payment under 15881
the child support order or that payment of the court-ordered 15882
spousal support is verified by supporting documentation. 15883

(C) If other minor children who were born to the parent and a 15884
person other than the other parent who is involved in the 15885
immediate child support determination live with the parent, the 15886
court or agency shall deduct an amount from that parent's gross 15887
income that equals the number of such minor children times the 15888
federal income tax exemption for such children less child support 15889
received for them for the year, not exceeding the federal income 15890
tax exemption. 15891

(D) When the court or agency calculates the gross income of a 15892
parent, it shall include the lesser of the following as income 15893
from overtime and bonuses: 15894

(1) The yearly average of all overtime, commissions, and 15895
bonuses received during the three years immediately prior to the 15896
time when the person's child support obligation is being computed; 15897

(2) The total overtime, commissions, and bonuses received 15898
during the year immediately prior to the time when the person's 15899
child support obligation is being computed. 15900

(E) When the court or agency calculates the gross income of a 15901

parent, it shall not include any income earned by the spouse of 15902
that parent. 15903

~~(F) The court shall not order an amount of child support for 15904
reasonable and ordinary uninsured medical or dental expenses in 15905
addition to the amount of the child support obligation determined 15906
in accordance with the schedule. The court shall issue a separate 15907
order for extraordinary medical or dental expenses, including, but 15908
not limited to, orthodontia, psychological, appropriate private 15909
education, and other expenses, and may consider the expenses in 15910
adjusting a child support order. 15911~~

(G) When a court or agency calculates the amount of child 15912
support to be paid pursuant to a court child support order or an 15913
administrative child support order, if the combined gross income 15914
of both parents is an amount that is between two amounts set forth 15915
in the first column of the schedule, the court or agency may use 15916
the basic child support obligation that corresponds to the higher 15917
of the two amounts in the first column of the schedule, use the 15918
basic child support obligation that corresponds to the lower of 15919
the two amounts in the first column of the schedule, or calculate 15920
a basic child support obligation that is between those two amounts 15921
and corresponds proportionally to the parents' actual combined 15922
gross income. 15923

(H) When the court or agency calculates gross income, the 15924
court or agency, when appropriate, may average income over a 15925
reasonable period of years. 15926

(I) A court or agency shall not determine a parent receiving 15927
means-tested public assistance benefits to be voluntarily 15928
unemployed or underemployed and shall not impute income to that 15929
parent, unless not making such determination and not imputing 15930
income would be unjust, inappropriate, and not in the best 15931
interest of the child. 15932

(J) When a court or agency requires a parent to pay an amount 15933
for that parent's failure to support a child for a period of time 15934
prior to the date the court modifies or issues a court child 15935
support order or an agency modifies or issues an administrative 15936
child support order for the current support of the child, the 15937
court or agency shall calculate that amount using the basic child 15938
support schedule, worksheets, and child support laws in effect, 15939
and the incomes of the parents as they existed, for that prior 15940
period of time. 15941

Sec. 3119.27. (A) A court that issues or modifies a court 15942
support order, or an administrative agency that issues or modifies 15943
an administrative child support order, shall impose on the obligor 15944
under the support order a processing charge that is the greater of 15945
two per cent of the support payment to be collected under a 15946
support order or one dollar per month. No court or agency may call 15947
the charge a poundage fee. 15948

(B) In each child support case that is a Title IV-D case, the 15949
department of job and family services shall claim twenty-five 15950
dollars from the processing charge described in division (A) of 15951
this section for federal reporting purposes if the obligee has 15952
never received assistance under Title IV-A and the department has 15953
collected at least five hundred dollars of child support for the 15954
obligee. The director of job and family services shall adopt rules 15955
under Chapter 119. of the Revised Code to implement this division, 15956
and the department shall implement this division not later than 15957
March 31, 2008. 15958

(C) As used in this section: 15959

(1) "Annual" means the period as defined in regulations 15960
issued by the United States secretary of health and human services 15961

Each test so furnished shall include the data verification code of the student to whom the test will be administered, as assigned pursuant to division (D)(2) of section 3301.0714 of the Revised Code. In furnishing the practice versions of Ohio graduation tests prescribed by division (F) of section 3301.0710 of the Revised Code, the department shall make the tests available on its web site for reproduction by districts. (1) Administer the reading test prescribed under division	16430
(A)(1)(a) of section 3301.0710 of the Revised Code twice annually	16431
to all students in the third grade who have not attained the score	16432

(5) Administer the tests prescribed under division (A)(1)(d)	16444
of section 3301.0710 of the Revised Code at least once annually to	16445
all students in the sixth grade.	16446
(6) Administer the tests prescribed under division (A)(1)(e)	16447

administer any test prescribed under division (B) of section	16454
3301.0710 of the Revised Code as follows:	16455
(a) At least once annually to all tenth grade students and at	16456

curriculum in any high school or the individualized education 16461
program developed for the person by any high school pursuant to 16462
section 3323.08 of the Revised Code but has not received a high 16463
school diploma and who requests to take such test, at any time 16464
such test is administered in the district. 16465

(9) In lieu of the board of education of any city, local, or 16466
exempted village school district in which the student is also 16467
enrolled, the board of a joint vocational school district shall 16468
administer any test prescribed under division (B) of section 16469
3301.0710 of the Revised Code at least twice annually to any 16470
student enrolled in the joint vocational school district who has 16471
not yet attained the score on that test designated under that 16472
division. A board of a joint vocational school district may also 16473
administer such a test to any student described in division 16474
(B)(8)(b) of this section. 16475

(10) If the district has been declared to be under an 16476

section 3302.03 of the Revised Code or has a three-year average 16478
graduation rate of not more than seventy-five per cent, administer 16479
each test prescribed by division (F) of section 3301.0710 of the 16480
Revised Code in September to all ninth grade students, beginning 16481
in the school year that starts July 1, 2005. 16482

(C)(1)(a) Any student receiving special education services 16483
under Chapter 3323. of the Revised Code may be excused from taking 16484
any particular test required to be administered under this section 16485
if the individualized education program developed for the student 16486
pursuant to section 3323.08 of the Revised Code excuses the 16487
student from taking that test and instead specifies an alternate 16488
assessment method approved by the department of education as 16489
conforming to requirements of federal law for receipt of federal 16490
funds for disadvantaged pupils. To the extent possible, the 16491

individualized education program shall not excuse the student from 16492
taking a test unless no reasonable accommodation can be made to 16493
enable the student to take the test. 16494

(b) Any alternate assessment approved by the department for a 16495
student under this division shall produce measurable results 16496
comparable to those produced by the tests which the alternate 16497
assessments are replacing in order to allow for the student's 16498
assessment results to be included in the data compiled for a 16499
school district or building under section 3302.03 of the Revised 16500
Code. 16501

(c) Any student enrolled in a chartered nonpublic school who 16502
has been identified, based on an evaluation conducted in 16503
accordance with section 3323.03 of the Revised Code or section 504 16504
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 16505
794, as amended, as a child with a disability shall be excused 16506
from taking any particular test required to be administered under 16507
this section if a plan developed for the student pursuant to rules 16508
adopted by the state board excuses the student from taking that 16509
test. In the case of any student so excused from taking a test, 16510
the chartered nonpublic school shall not prohibit the student from 16511
taking the test. 16512

(2) A district board may, for medical reasons or other good 16513
cause, excuse a student from taking a test administered under this 16514
section on the date scheduled, but any such test shall be 16515
administered to such excused student not later than nine days 16516
following the scheduled date. The board shall annually report the 16517
number of students who have not taken one or more of the tests 16518
required by this section to the state board of education not later 16519
than the thirtieth day of June. 16520

(3) As used in this division, "limited English proficient 16521
student" has the same meaning as in 20 U.S.C. 7801. 16522

No school district board shall excuse any limited English proficient student from taking any particular test required to be administered under this section, except that any limited English proficient student who has been enrolled in United States schools for less than one full school year shall not be required to take any such reading or writing test. However, no board shall prohibit a limited English proficient student who is not required to take a test under this division from taking the test. A board may permit any limited English proficient student to take any test required to be administered under this section with appropriate accommodations, as determined by the department. For each limited English proficient student, each school district shall annually assess that student's progress in learning English, in accordance with procedures approved by the department.

The governing authority of a chartered nonpublic school may excuse a limited English proficient student from taking any test administered under this section. However, no governing authority shall prohibit a limited English proficient student from taking the test.

(D)(1) In the school year next succeeding the school year in which the tests prescribed by division (A)(1) or (B) of section 3301.0710 of the Revised Code or former division (A)(1), (A)(2), or (B) of section 3301.0710 of the Revised Code as it existed prior to September 11, 2001, are administered to any student, the board of education of any school district in which the student is enrolled in that year shall provide to the student intervention services commensurate with the student's test performance, including any intensive intervention required under section 3313.608 of the Revised Code, in any skill in which the student failed to demonstrate at least a score at the proficient level on the test.

(2) Following any administration of the tests prescribed by

division (F) of section 3301.0710 of the Revised Code to ninth 16555
grade students, each school district that has a three-year average 16556
graduation rate of not more than seventy-five per cent shall 16557
determine for each high school in the district whether the school 16558
shall be required to provide intervention services to any students 16559
who took the tests. In determining which high schools shall 16560
provide intervention services based on the resources available, 16561
the district shall consider each school's graduation rate and 16562
scores on the practice tests. The district also shall consider the 16563
scores received by ninth grade students on the reading and 16564
mathematics tests prescribed under division (A)(1)(f) of section 16565
3301.0710 of the Revised Code in the eighth grade in determining 16566
which high schools shall provide intervention services. 16567

Each high school selected to provide intervention services 16568
under this division shall provide intervention services to any 16569
student whose test results indicate that the student is failing to 16570
make satisfactory progress toward being able to attain scores at 16571
the proficient level on the Ohio graduation tests. Intervention 16572
services shall be provided in any skill in which a student 16573
demonstrates unsatisfactory progress and shall be commensurate 16574
with the student's test performance. Schools shall provide the 16575
intervention services prior to the end of the school year, during 16576
the summer following the ninth grade, in the next succeeding 16577
school year, or at any combination of those times. 16578

(E) Except as provided in section 3313.608 of the Revised 16579
Code and division (M) of this section, no school district board of 16580
education shall utilize any student's failure to attain a 16581
specified score on any test administered under this section as a 16582
factor in any decision to deny the student promotion to a higher 16583
grade level. However, a district board may choose not to promote 16584
to the next grade level any student who does not take any test 16585
administered under this section or make up such test as provided 16586

by division (C)(2) of this section and who is not exempt from the 16587
requirement to take the test under division (C)(3) of this 16588
section. 16589

(F) No person shall be charged a fee for taking any test 16590
administered under this section. 16591

(G)(1) Each school district board shall ~~submit~~ designate one 16592
location for the collection of tests administered in the spring 16593
under division (B)(1) of this section and the tests administered 16594
under divisions (B)(2) to (7) of this section. Each district board 16595
shall submit the tests to the entity with which the department 16596
contracts for the scoring of the tests as follows: 16597

(a) If the district's total enrollment in grades kindergarten 16598
through twelve during the first full school week of October was 16599
less than two thousand five hundred, not later than the Friday 16600
after the tests are administered, ~~except that;~~ 16601

(b) If the district's total enrollment in grades kindergarten 16602
through twelve during the first full school week of October was 16603
two thousand five hundred or more, but less than seven thousand, 16604
not later than the Monday after the tests are administered; 16605

(c) If the district's total enrollment in grades kindergarten 16606
through twelve during the first full school week of October was 16607
seven thousand or more, not later than the Tuesday after the tests 16608
are administered. 16609

However, any such test that a student takes during the 16610
make-up period described in division (C)(2) of this section shall 16611
be submitted not later than the Friday following the day the 16612
student takes the test. 16613

(2) The department or an entity with which the department 16614
contracts for the scoring of the test shall send to each school 16615
district board a list of the individual test scores of all persons 16616
taking any test prescribed by division (A)(1) or (B) of section 16617

3301.0710 of the Revised Code within sixty days after its 16618
administration, but in no case shall the scores be returned later 16619
than the fifteenth day of June following the administration. For 16620
any tests administered under this section by a joint vocational 16621
school district, the department or entity shall also send to each 16622
city, local, or exempted village school district a list of the 16623
individual test scores of any students of such city, local, or 16624
exempted village school district who are attending school in the 16625
joint vocational school district. 16626

(H) Individual test scores on any tests administered under 16627
this section shall be released by a district board only in 16628
accordance with section 3319.321 of the Revised Code and the rules 16629
adopted under division (A) of this section. No district board or 16630
its employees shall utilize individual or aggregate test results 16631
in any manner that conflicts with rules for the ethical use of 16632
tests adopted pursuant to division (A) of this section. 16633

(I) Except as provided in division (G) of this section, the 16634
department or an entity with which the department contracts for 16635
the scoring of the test shall not release any individual test 16636
scores on any test administered under this section. The state 16637
board of education shall adopt rules to ensure the protection of 16638
student confidentiality at all times. The rules may require the 16639
use of the data verification codes assigned to students pursuant 16640
to division (D)(2) of section 3301.0714 of the Revised Code to 16641
protect the confidentiality of student test scores. 16642

(J) Notwithstanding division (D) of section 3311.52 of the 16643
Revised Code, this section does not apply to the board of 16644
education of any cooperative education school district except as 16645
provided under rules adopted pursuant to this division. 16646

(1) In accordance with rules that the state board of 16647
education shall adopt, the board of education of any city, 16648
exempted village, or local school district with territory in a 16649

cooperative education school district established pursuant to 16650
divisions (A) to (C) of section 3311.52 of the Revised Code may 16651
enter into an agreement with the board of education of the 16652
cooperative education school district for administering any test 16653
prescribed under this section to students of the city, exempted 16654
village, or local school district who are attending school in the 16655
cooperative education school district. 16656

(2) In accordance with rules that the state board of 16657
education shall adopt, the board of education of any city, 16658
exempted village, or local school district with territory in a 16659
cooperative education school district established pursuant to 16660
section 3311.521 of the Revised Code shall enter into an agreement 16661
with the cooperative district that provides for the administration 16662
of any test prescribed under this section to both of the 16663
following: 16664

(a) Students who are attending school in the cooperative 16665
district and who, if the cooperative district were not 16666
established, would be entitled to attend school in the city, 16667
local, or exempted village school district pursuant to section 16668
3313.64 or 3313.65 of the Revised Code; 16669

(b) Persons described in division (B)(8)(b) of this section. 16670

Any testing of students pursuant to such an agreement shall 16671
be in lieu of any testing of such students or persons pursuant to 16672
this section. 16673

(K)(1) Any chartered nonpublic school may participate in the 16674
testing program by administering any of the tests prescribed by 16675
section 3301.0710 or 3301.0712 of the Revised Code if the chief 16676
administrator of the school specifies which tests the school 16677
wishes to administer. Such specification shall be made in writing 16678
to the superintendent of public instruction prior to the first day 16679
of August of any school year in which tests are administered and 16680

shall include a pledge that the nonpublic school will administer 16681
the specified tests in the same manner as public schools are 16682
required to do under this section and rules adopted by the 16683
department. 16684

(2) The department of education shall furnish the tests 16685
prescribed by section 3301.0710 or 3301.0712 of the Revised Code 16686
to any chartered nonpublic school electing to participate under 16687
this division. 16688

(L)(1) The superintendent of the state school for the blind 16689
and the superintendent of the state school for the deaf shall 16690
administer the tests described by section 3301.0710 of the Revised 16691
Code. Each superintendent shall administer the tests in the same 16692
manner as district boards are required to do under this section 16693
and rules adopted by the department of education and in conformity 16694
with division (C)(1)(a) of this section. 16695

(2) The department of education shall furnish the tests 16696
described by section 3301.0710 of the Revised Code to each 16697
superintendent. 16698

(M) Notwithstanding division (E) of this section, a school 16699
district may use a student's failure to attain a score in at least 16700
the basic range on the mathematics test described by division 16701
(A)(1)(a) of section 3301.0710 of the Revised Code or on any of 16702
the tests described by division (A)(1)(b), (c), (d), (e), or (f) 16703
of section 3301.0710 of the Revised Code as a factor in retaining 16704
that student in the current grade level. 16705

(N)(1) In the manner specified in divisions (N)(3) to (5) of 16706
this section, the tests required by section 3301.0710 of the 16707
Revised Code shall become public records pursuant to section 16708
149.43 of the Revised Code on the first day of July following the 16709
school year that the test was administered. 16710

(2) The department may field test proposed test questions 16711

with samples of students to determine the validity, reliability, 16712
or appropriateness of test questions for possible inclusion in a 16713
future year's test. The department also may use anchor questions 16714
on tests to ensure that different versions of the same test are of 16715
comparable difficulty. 16716

Field test questions and anchor questions shall not be 16717
considered in computing test scores for individual students. Field 16718
test questions and anchor questions may be included as part of the 16719
administration of any test required by section 3301.0710 of the 16720
Revised Code. 16721

(3) Any field test question or anchor question administered 16722
under division (N)(2) of this section shall not be a public 16723
record. Such field test questions and anchor questions shall be 16724
redacted from any tests which are released as a public record 16725
pursuant to division (N)(1) of this section. 16726

(4) This division applies to the tests prescribed by division 16727
(A) of section 3301.0710 of the Revised Code. 16728

(a) The first administration of each test, as specified in 16729
section 3301.0712 of the Revised Code, shall be a public record. 16730

(b) For subsequent administrations of each test, not less 16731
than forty per cent of the questions on the test that are used to 16732
compute a student's score shall be a public record. The department 16733
shall determine which questions will be needed for reuse on a 16734
future test and those questions shall not be public records and 16735
shall be redacted from the test prior to its release as a public 16736
record. However, for each redacted question, the department shall 16737
inform each city, local, and exempted village school district of 16738
the statewide academic standard adopted by the state board of 16739
education under section 3301.079 of the Revised Code and the 16740
corresponding benchmark to which the question relates. The 16741
preceding sentence does not apply to field test questions that are 16742

redacted under division (N)(3) of this section. 16743

(5) Each test prescribed by division (B) of section 3301.0710 16744
of the Revised Code that is administered in the spring shall be a 16745
public record. Each test prescribed by that division that is 16746
administered in the fall or summer shall not be a public record. 16747

(0) As used in this section: 16748

(1) "Three-year average" means the average of the most recent 16749
consecutive three school years of data. 16750

(2) "Dropout" means a student who withdraws from school 16751
before completing course requirements for graduation and who is 16752
not enrolled in an education program approved by the state board 16753
of education or an education program outside the state. "Dropout" 16754
does not include a student who has departed the country. 16755

(3) "Graduation rate" means the ratio of students receiving a 16756
diploma to the number of students who entered ninth grade four 16757
years earlier. Students who transfer into the district are added 16758
to the calculation. Students who transfer out of the district for 16759
reasons other than dropout are subtracted from the calculation. If 16760
a student who was a dropout in any previous year returns to the 16761
same school district, that student shall be entered into the 16762
calculation as if the student had entered ninth grade four years 16763
before the graduation year of the graduating class that the 16764
student joins. 16765

Sec. 3301.0714. (A) The state board of education shall adopt 16766
rules for a statewide education management information system. The 16767
rules shall require the state board to establish guidelines for 16768
the establishment and maintenance of the system in accordance with 16769
this section and the rules adopted under this section. The 16770
guidelines shall include: 16771

(1) Standards identifying and defining the types of data in 16772

the system in accordance with divisions (B) and (C) of this section; 16773
16774

(2) Procedures for annually collecting and reporting the data to the state board in accordance with division (D) of this section; 16775
16776
16777

(3) Procedures for annually compiling the data in accordance with division (G) of this section; 16778
16779

(4) Procedures for annually reporting the data to the public in accordance with division (H) of this section. 16780
16781

(B) The guidelines adopted under this section shall require the data maintained in the education management information system to include at least the following: 16782
16783
16784

(1) Student participation and performance data, for each grade in each school district as a whole and for each grade in each school building in each school district, that includes: 16785
16786
16787

(a) The numbers of students receiving each category of instructional service offered by the school district, such as regular education instruction, vocational education instruction, specialized instruction programs or enrichment instruction that is part of the educational curriculum, instruction for gifted students, instruction for ~~handicapped~~ students with disabilities, and remedial instruction. The guidelines shall require instructional services under this division to be divided into discrete categories if an instructional service is limited to a specific subject, a specific type of student, or both, such as regular instructional services in mathematics, remedial reading instructional services, instructional services specifically for students gifted in mathematics or some other subject area, or instructional services for students with a specific type of ~~handicap~~ disability. The categories of instructional services required by the guidelines under this division shall be the same 16788
16789
16790

section, the superintendent of public instruction shall provide 17736
written notification of that fact to the district board of 17737
education and shall request the president of the district board to 17738
submit to the superintendent of public instruction, in writing, 17739

superintendent of public instruction and the president of the 17741

and functions shall be exercised and embodied. 17782

(E) Three members of an academic distress commission 17783
constitute a quorum of the commission. The affirmative vote of 17784
three members of the commission is necessary for any action taken 17785
by vote of the commission. No vacancy in the membership of the 17786
commission shall impair the rights of a quorum by such vote to 17787

commission. Members of the commission are not disqualified from 17789

program or community school and use the scholarship for the child 17995
to attend a special education program for which the parent is 17996
required to pay for services for the child. A child attending a 17997

of tuition owed to a nonpublic entity unless that entity is a 18039
registered private provider. The department shall approve entities 18040
that meet the standards established by rule of the state board for 18041
the program established under this section. 18042

which the child is entitled to attend school. 18154

(B) The number of scholarships awarded under the pilot 18155
program in any fiscal year shall not exceed three per cent of the 18156

provider for which a scholarship is awarded under the special 18176
education scholarship pilot program. If at any time, the eligible 18177
applicant for the child decides no longer to accept scholarship 18178
payments and enrolls the child in the special education program of 18179
the school district in which the child is entitled to attend 18180
school, that district shall provide the child with a free 18181

provisions. 18194

(C) Each school district shall notify an eligible applicant 18195
of the applicant's and qualified special education child's rights 18196

eligible applicant has been informed of those rights. Upon receipt 18202
of that document, subsequent acceptance of a scholarship 18203
constitutes the eligible applicant's informed consent to the 18204

operated by the boards of education of the city, local, and 18539
exempted village school districts within the territory of the 18540
cooperative district, which statement shall include but not 18541
necessarily be limited to the high school grade levels to be 18542

to be used by the program; 18545

(5) A statement that the boards of education of the city, 18546
local, and exempted village school districts within the territory 18547
of the cooperative district will not operate any high school 18548
education program for the grade levels operated by the cooperative 18549
district; 18550

(6) A statement of how special education and related services 18551
will be provided in accordance with Chapter 3323. of the Revised 18552
Code to the ~~handicapped~~ children with disabilities who are 18553

district with territory in the cooperative district and who are in 18555
the grade levels to be operated by the cooperative district; 18556

(7) A statement of how transportation of students to and from 18557
school will be provided in the cooperative district, which 18558
statement shall include but not be necessarily limited to both of 18559
the following: 18560

education of the cooperative education school district; 18571

(9) Provision for adopting amendments to the provisions 18572
adopted pursuant to divisions (B)(3) to (8) of this section, which 18573
provision shall require that any such amendments comply with 18574
divisions (B)(3) to (8) of this section. 18575

(C) Upon the adoption of identical resolutions in accordance 18576
with this section, the cooperative education school district and 18577
board of education of that district specified in and selected in 18578
accordance with such resolutions shall be established on the date 18579
specified in the resolutions. Upon the establishment of the 18580
district and board, the board of the cooperative district shall 18581
give written notice of the creation of the district to the county 18582
auditor and the board of elections of each county having any 18583
territory in the new district. 18584

Sec. 3313.532. (A) Any person twenty-two or more years of age 18585
and enrolled in an adult high school continuation program 18586
established pursuant to section 3313.531 of the Revised Code may 18587

evaluation in accordance with division (C) of this section. 18589

(B) Any applicant to a board of education for a diploma of 18590

adult education under division (B) of section 3313.611 of the Revised Code may request the board to conduct an evaluation in accordance with division (C) of this section.

(C) Upon the request of any person pursuant to division (A) or (B) of this section, the board of education to which the request is made shall evaluate the person to determine whether the person is ~~handicapped~~ disabled, in accordance with rules adopted by the state board of education. If the evaluation indicates that the person is ~~handicapped~~ disabled, the board shall determine whether to excuse the person from taking any of the tests required by division (B) of section 3301.0710 of the Revised Code as a requirement for receiving a diploma under section 3313.611 of the Revised Code. The board may require the person to take an alternate assessment in place of any test from which the person is so excused.

Sec. 3313.603. (A) As used in this section:

(1) "One unit" means a minimum of one hundred twenty hours of course instruction, except that for a laboratory course, "one unit" means a minimum of one hundred fifty hours of course instruction.

first time on or after July 1, 2010, except as provided in	18639

financial literacy, as expressed in the social studies academic	18667
content standards adopted by the state board of education under	18668
section 3301.079 of the Revised Code, into one or more existing	18669
social studies credits required under division (C)(6) of this	18670
section, or into the content of another class, so that every high	18671
school student receives instruction in those concepts. In	18672
developing the curriculum required by this paragraph, schools	18673
shall use available public-private partnerships and resources and	18674
materials that exist in business, industry, and through the	18675
centers for economics education at institutions of higher	18676

Ohioans must be prepared to apply increased knowledge and 18683
skills in the workplace and to adapt their knowledge and skills 18684
quickly to meet the rapidly changing conditions of the 18685
twenty-first century. National studies indicate that all high 18686
school graduates need the same academic foundation, regardless of 18687
the opportunities they pursue after graduation. The goal of Ohio's 18688
system of elementary and secondary education is to prepare all 18689
students for and seamlessly connect all students to success in 18690
life beyond high school graduation, regardless of whether the next 18691
step is entering the workforce, beginning an apprenticeship, 18692
engaging in post-secondary training, serving in the military, or 18693
pursuing a college degree. 18694

The Ohio core curriculum is the standard expectation for all 18695
students entering ninth grade for the first time at a public or 18696
chartered nonpublic high school on or after July 1, 2010. A 18697
student may satisfy this expectation through a variety of methods, 18698
including, but not limited to, integrated, applied, 18699
career-technical, and traditional coursework. 18700

Whereas teacher quality is essential for student success in 18701
completing the Ohio core curriculum, the general assembly shall 18702
appropriate funds for strategic initiatives designed to strengthen 18703
schools' capacities to hire and retain highly qualified teachers 18704
in the subject areas required by the curriculum. Such initiatives 18705
are expected to require an investment of \$120,000,000 over five 18706
years. 18707

Stronger coordination between high schools and institutions 18708
of higher education is necessary to prepare students for more 18709

challenging academic endeavors and to lessen the need for academic 18710
remediation in college, thereby reducing the costs of higher 18711
education for Ohio's students, families, and the state. The state 18712
board of education, the Ohio board of regents, and the partnership 18713
for continued learning shall develop policies to ensure that only 18714
in rare instances will students who complete the Ohio core 18715
curriculum require academic remediation after high school. 18716

School districts, community schools, and chartered nonpublic 18717
schools shall integrate technology into learning experiences 18718
whenever practicable across the curriculum in order to maximize 18719
efficiency, enhance learning, and prepare students for success in 18720
the technology-driven twenty-first century. Districts and schools 18721
may use distance and web-based course delivery as a method of 18722
providing or augmenting all instruction required under this 18723
division, including laboratory experience in science. Districts 18724
and schools shall whenever practicable utilize technology access 18725
and electronic learning opportunities provided by the eTech Ohio 18726
commission, the Ohio learning network, education technology 18727
centers, public television stations, and other public and private 18728
providers. 18729

(D) Except as provided in division (E) of this section, a 18730
student who enters ninth grade on or after July 1, 2010, and 18731
before July 1, 2014, may qualify for graduation from a public or 18732
chartered nonpublic high school even though the student has not 18733
completed the Ohio core curriculum prescribed in division (C) of 18734
this section if all of the following conditions are satisfied: 18735

(1) After the student has attended high school for two years, 18736
as determined by the school, the student and the student's parent, 18737
guardian, or custodian sign and file with the school a written 18738
statement asserting the parent's, guardian's, or custodian's 18739
consent to the student's graduating without completing the Ohio 18740
core curriculum and acknowledging that one consequence of not 18741

completing the Ohio core curriculum is ineligibility to enroll in 18742
most state universities in Ohio without further coursework. 18743

(2) The student and parent, guardian, or custodian fulfill 18744
any procedural requirements the school stipulates to ensure the 18745
student's and parent's, guardian's, or custodian's informed 18746
consent and to facilitate orderly filing of statements under 18747
division (D)(1) of this section. 18748

(3) The student and the student's parent, guardian, or 18749
custodian and a representative of the student's high school 18750
jointly develop an individual career plan for the student that 18751
specifies the student matriculating to a two-year degree program, 18752
acquiring a business and industry credential, or entering an 18753
apprenticeship. 18754

(4) The student's high school provides counseling and support 18755
for the student related to the plan developed under division 18756
(D)(3) of this section during the remainder of the student's high 18757
school experience. 18758

(5) The student successfully completes, at a minimum, the 18759
curriculum prescribed in division (B) of this section. 18760

The partnership for continued learning, in collaboration with 18761
the department of education and the Ohio board of regents, shall 18762
analyze student performance data to determine if there are 18763
mitigating factors that warrant extending the exception permitted 18764
by division (D) of this section to high school classes beyond 18765
those entering ninth grade before July 1, 2014. The partnership 18766
shall submit its findings and any recommendations not later than 18767
August 1, 2014, to the speaker and minority leader of the house of 18768
representatives, the president and minority leader of the senate, 18769
the chairpersons and ranking minority members of the standing 18770
committees of the house of representatives and the senate that 18771
consider education legislation, the state board of education, and 18772

the superintendent of public instruction. 18773

(E) Each school district and chartered nonpublic school 18774
retains the authority to require an even more rigorous minimum 18775
curriculum for high school graduation than specified in division 18776
(B) or (C) of this section. A school district board of education, 18777
through the adoption of a resolution, or the governing authority 18778
of a chartered nonpublic school may stipulate any of the 18779
following: 18780

(1) A minimum high school curriculum that requires more than 18781
twenty units of academic credit to graduate; 18782

(2) An exception to the district's or school's minimum high 18783
school curriculum that is comparable to the exception provided in 18784
division (D) of this section but with additional requirements, 18785
which may include a requirement that the student successfully 18786
complete more than the minimum curriculum prescribed in division 18787
(B) of this section; 18788

(3) That no exception comparable to that provided in division 18789
(D) of this section is available. 18790

(F) A student enrolled in a dropout prevention and recovery 18791
program, which program has received a waiver from the department 18792
of education, may qualify for graduation from high school by 18793
successfully completing a competency-based instructional program 18794
administered by the dropout prevention and recovery program in 18795
lieu of completing the Ohio core curriculum prescribed in division 18796
(C) of this section. The department shall grant a waiver to a 18797
dropout prevention and recovery program, within sixty days after 18798
the program applies for the waiver, if the program meets all of 18799
the following conditions: 18800

(1) The program serves only students not younger than sixteen 18801
years of age and not older than twenty-one years of age. 18802

(2) The program enrolls students who, at the time of their 18803

initial enrollment, either, or both, are at least one grade level 18804
behind their cohort age groups or experience crises that 18805
significantly interfere with their academic progress such that 18806
they are prevented from continuing their traditional programs. 18807

(3) The program requires students to attain at least the 18808
applicable score designated for each of the tests prescribed under 18809
division (B) of section 3301.0710 of the Revised Code. 18810

(4) The program develops an individual career plan for the 18811
student that specifies the student's matriculating to a two-year 18812
degree program, acquiring a business and industry credential, or 18813
entering an apprenticeship. 18814

(5) The program provides counseling and support for the 18815
student related to the plan developed under division (F)(4) of 18816
this section during the remainder of the student's high school 18817
experience. 18818

(6) The program requires the student and the student's 18819
parent, guardian, or custodian to sign and file, in accordance 18820
with procedural requirements stipulated by the program, a written 18821
statement asserting the parent's, guardian's, or custodian's 18822
consent to the student's graduating without completing the Ohio 18823
core curriculum and acknowledging that one consequence of not 18824
completing the Ohio core curriculum is ineligibility to enroll in 18825
most state universities in Ohio without further coursework. 18826

(7) Prior to receiving the waiver, the program has submitted 18827
to the department an instructional plan that demonstrates how the 18828
academic content standards adopted by the state board of education 18829
under section 3301.079 of the Revised Code will be taught and 18830
assessed. 18831

If the department does not act either to grant the waiver or 18832
to reject the program application for the waiver within sixty days 18833
as required under this section, the waiver shall be considered to 18834

be granted. 18835

(G) Every high school may permit students below the ninth 18836
grade to take advanced work for high school credit. A high school 18837
shall count such advanced work toward the graduation requirements 18838
of division (B) or (C) of this section if the advanced work was 18839
both: 18840

(1) Taught by a person who possesses a license or certificate 18841
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 18842
Code that is valid for teaching high school; 18843

(2) Designated by the board of education of the city, local, 18844
or exempted village school district, the board of the cooperative 18845
education school district, or the governing authority of the 18846
chartered nonpublic school as meeting the high school curriculum 18847
requirements. 18848

Each high school shall record on the student's high school 18849
transcript all high school credit awarded under division (G) of 18850
this section. In addition, if the student completed a seventh- or 18851
eighth-grade fine arts course described in division (K) of this 18852
section and the course qualified for high school credit under that 18853
division, the high school shall record that course on the 18854
student's high school transcript. 18855

(H) The department shall make its individual academic career 18856
plan available through its Ohio career information system web site 18857
for districts and schools to use as a tool for communicating with 18858
and providing guidance to students and families in selecting high 18859
school courses. 18860

(I) Units earned in English language arts, mathematics, 18861
science, and social studies that are delivered through integrated 18862
academic and career-technical instruction are eligible to meet the 18863
graduation requirements of division (B) or (C) of this section. 18864

(J) The state board of education, in consultation with the 18865

Ohio board of regents and the partnership for continued learning, 18866
shall adopt a statewide plan implementing methods for students to 18867
earn units of high school credit based on a demonstration of 18868
subject area competency, instead of or in combination with 18869
completing hours of classroom instruction. The state board shall 18870
adopt the plan not later than March 31, 2009, and commence phasing 18871
in the plan during the 2009-2010 school year. The plan shall 18872
include a standard method for recording demonstrated proficiency 18873
on high school transcripts. Each school district, community 18874
school, and chartered nonpublic school shall comply with the state 18875
board's plan adopted under this division and award units of high 18876
school credit in accordance with the plan. The state board may 18877
adopt existing methods for earning high school credit based on a 18878
demonstration of subject area competency as necessary prior to the 18879
2009-2010 school year. 18880

(K) This division does not apply to students who qualify for 18881
graduation from high school under division (D) or (F) of this 18882
section, or to students pursuing a career-technical instructional 18883
track as determined by the school district board of education or 18884
the chartered nonpublic school's governing authority. 18885
Nevertheless, the general assembly encourages such students to 18886
consider enrolling in a fine arts course as an elective. 18887

Beginning with students who enter ninth grade for the first 18888
time on or after July 1, 2010, each student enrolled in a public 18889
or chartered nonpublic high school shall complete two semesters or 18890
the equivalent of fine arts to graduate from high school. The 18891
coursework may be completed in any of grades seven to twelve. Each 18892
student who completes a fine arts course in grade seven or eight 18893
may elect to count that course toward the five units of electives 18894
required for graduation under division (C)(7) of this section, if 18895
the course satisfied the requirements of division (G) of this 18896
section. In that case, the high school shall award the student 18897

high school credit for the course and count the course toward the 18898
five units required under division (C)(7) of this section. If the 18899
course in grade seven or eight did not satisfy the requirements of 18900
division (G) of this section, the high school shall not award the 18901
student high school credit for the course but shall count the 18902
course toward the two semesters or the equivalent of fine arts 18903
required by this division. 18904

(L) Notwithstanding anything to the contrary in this section, 18905
the board of education of each school district and the governing 18906
authority of each chartered nonpublic school may adopt a policy to 18907
excuse from the high school physical education requirement each 18908
student who, during high school, has participated in 18909
interscholastic athletics, marching band, or cheerleading for at 18910
least two full seasons. If the board or authority adopts such a 18911
policy, the board or authority shall not require the student to 18912
complete any physical education course as a condition to graduate. 18913
However, the student shall be required to complete one-half unit, 18914
consisting of at least sixty hours of instruction, in another 18915
course of study. 18916

Sec. 3313.615. This section shall apply to diplomas awarded 18917
after September 15, 2006, to students who are required to take the 18918
five Ohio graduation tests prescribed by division (B) of section 18919
3301.0710 of the Revised Code. 18920

(A) As an alternative to the requirement that a person attain 18921
the scores designated under division (B) of section 3301.0710 of 18922
the Revised Code on all the tests required under that division in 18923
order to be eligible for a high school diploma or an honors 18924
diploma under sections 3313.61, 3313.612, or 3325.08 of the 18925
Revised Code or for a diploma of adult education under section 18926
3313.611 of the Revised Code, a person who has attained at least 18927
the applicable scores designated under division (B) of section 18928

3301.0710 of the Revised Code on all but one of the tests required 18929
by that division and from which the person was not excused or 18930
exempted, pursuant to division ~~(H) or~~ (L) of section 3313.61, 18931
division (B)(1) of section 3313.612, or section 3313.532 of the 18932
Revised Code, may be awarded a diploma or honors diploma if the 18933
person has satisfied all of the following conditions: 18934

(1) On the one test required under division (B) of section 18935
3301.0710 of the Revised Code for which the person failed to 18936
attain the designated score, the person missed that score by ten 18937
points or less; 18938

(2) Has a ninety-seven per cent school attendance rate in 18939
each of the last four school years, excluding any excused 18940
absences; 18941

(3) Has not been expelled from school under section 3313.66 18942
of the Revised Code in any of the last four school years; 18943

(4) Has a grade point average of at least 2.5 out of 4.0, or 18944
its equivalent as designated in rules adopted by the state board 18945
of education, in the subject area of the test required under 18946
division (B) of section 3301.0710 of the Revised Code for which 18947
the person failed to attain the designated score; 18948

(5) Has completed the high school curriculum requirements 18949
prescribed in section 3313.603 of the Revised Code or has 18950
qualified under division (D) or (F) of that section; 18951

(6) Has taken advantage of any intervention programs provided 18952
by the school district or school in the subject area described in 18953
division (A)(4) of this section and has a ninety-seven per cent 18954
attendance rate, excluding any excused absences, in any of those 18955
programs that are provided at times beyond the normal school day, 18956
school week, or school year or has received comparable 18957
intervention services from a source other than the school district 18958
or school; 18959

(7) Holds a letter recommending graduation from each of the person's high school teachers in the subject area described in division (A)(4) of this section and from the person's high school principal.

(B) The state board of education shall establish rules designating grade point averages equivalent to the average specified in division (A)(4) of this section for use by school districts and schools with different grading systems.

district other than in the district where the child is entitled to 19393
attend school under division (B) of this section. 19394

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall

continue to owe such tuition to the district for the child's 19427
attendance under division (I)(1) of this section for the lesser of 19428
the balance of the school year or the balance of the time that the 19429
child attends school in the district under division (I)(1) of this 19430
section. 19431

(4) A pupil who may attend school in the district under 19432
division (I)(1) of this section shall be entitled to 19433
transportation services pursuant to an agreement between the 19434
district and the district in which the child or child's parent has 19435
relocated unless the districts have not entered into such 19436
agreement, in which case the child shall be entitled to 19437
transportation services in the same manner as a pupil attending 19438
school in the district under interdistrict open enrollment as 19439
described in division (H) of section 3313.981 of the Revised Code, 19440
regardless of whether the district has adopted an open enrollment 19441
policy as described in division (B)(1)(b) or (c) of section 19442
3313.98 of the Revised Code. 19443

(J) This division does not apply to a child receiving special 19444
education. 19445

A school district required to pay tuition pursuant to 19446
division (C)(2) or (3) of this section or section 3313.65 of the 19447
Revised Code shall have an amount deducted under division (F) of 19448
section 3317.023 of the Revised Code equal to its own tuition rate 19449
for the same period of attendance. A school district entitled to 19450
receive tuition pursuant to division (C)(2) or (3) of this section 19451
or section 3313.65 of the Revised Code shall have an amount 19452
credited under division (F) of section 3317.023 of the Revised 19453
Code equal to its own tuition rate for the same period of 19454
attendance. If the tuition rate credited to the district of 19455
attendance exceeds the rate deducted from the district required to 19456
pay tuition, the department of education shall pay the district of 19457
attendance the difference from amounts deducted from all 19458

districts' payments under division (F) of section 3317.023 of the Revised Code but not credited to other school districts under such division and from appropriations made for such purpose. The treasurer of each school district shall, by the fifteenth day of January and July, furnish the superintendent of public instruction a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (F) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

(K) In the event of a disagreement, the superintendent of public instruction shall determine the school district in which the parent resides.

(L) Nothing in this section requires or authorizes, or shall be construed to require or authorize, the admission to a public school in this state of a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code.

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school

in the district in which the child's parent lived before being 19491
called to active duty or ordered to a temporary duty assignment 19492
outside of the district, as long as the child's parent continues 19493
to be a resident of that district, and regardless of where the 19494
child lives as a result of the parent's active duty status or 19495
temporary duty assignment. However, the district is not 19496
responsible for providing transportation for the child if the 19497
child lives outside of the district as a result of the parent's 19498
active duty status or temporary duty assignment. 19499

Sec. 3313.646. (A) The board of education of a school 19500
district, except a cooperative education district established 19501
pursuant to section 3311.521 of the Revised Code, may establish 19502
and operate a preschool program ~~except that no such program shall~~ 19503
~~be established after March 17, 1989, unless both of the following~~ 19504
~~apply at the time the program is established.~~ 19505

~~(1) The, provided the~~ board has demonstrated a need for the 19506
program. 19507

~~(2) Unless it is a cooperative education district established~~ 19508
~~pursuant to divisions (A) to (C) of section 3311.52 of the Revised~~ 19509
~~Code, the school district is eligible for moneys distributed by~~ 19510
~~the department of education pursuant to section 3317.029 of the~~ 19511
~~Revised Code.~~ A board may use school funds in support of preschool 19512
programs. The board shall maintain, operate, and admit children to 19513
any such program pursuant to rules adopted by such board and the 19514
rules of the state board of education adopted under sections 19515
3301.52 to 3301.57 of the Revised Code. 19516

A board of education may establish fees or tuition, which may 19517
be graduated in proportion to family income, for participation in 19518
a preschool program. In cases where payment of fees or tuition 19519
would create a hardship for the child's parent or guardian, the 19520
board may waive any such fees or tuition. 19521

(B) No board of education that is not receiving funds under the "Head Start Act," 95 Stat. 489 (1981), 42 U.S.C.A. 9831, on March 17, 1989, shall compete for funds under the "Head Start Act" with any grantee receiving funds under that act.

(C) A board of education may contract with any of the following preschool providers to provide preschool programs, other than programs for units described by divisions (B) and (C) of section 3317.05 of the Revised Code, for children of the school district:

(1) Any organization receiving funds under the "Head Start Act";

(2) Any nonsectarian eligible nonpublic school as defined in division (H) of section 3301.52 of the Revised Code;

(3) Any child care provider licensed under Chapter 5104. of the Revised Code.

Boards may contract to provide preschool programs only with such organizations whose staff meet the requirements of rules adopted under section 3301.53 of the Revised Code or those of the child development associate credential established by the national association for the education of young children.

(D) A contract entered into under division (C) of this section may provide for the board of education to lease school facilities to the preschool provider or to furnish transportation, utilities, or staff for the preschool program.

(E) The treasurer of any board of education operating a preschool program pursuant to this section shall keep an account of all funds used to operate the program in the same manner as ~~he~~ the treasurer would any other funds of the district pursuant to this chapter.

Sec. 3313.66. (A) Except as provided under division (B)(2) of

this section, the superintendent of schools of a city, exempted 19552
village, or local school district, or the principal of a public 19553
school may suspend a pupil from school for not more than ten 19554
school days. The board of education of a city, exempted village, 19555
or local school district may adopt a policy granting assistant 19556
principals and other administrators the authority to suspend a 19557
pupil from school for a period of time as specified in the policy 19558
of the board of education, not to exceed ten school days. If at 19559
the time a suspension is imposed there are fewer than ten school 19560
days remaining in the school year in which the incident that gives 19561
rise to the suspension takes place, the superintendent may apply 19562
any remaining part or all of the period of the suspension to the 19563
following school year. Except in the case of a pupil given an 19564
in-school suspension, no pupil shall be suspended unless prior to 19565
the suspension such superintendent or principal does both of the 19566
following: 19567

(1) Gives the pupil written notice of the intention to 19568
suspend the pupil and the reasons for the intended suspension and, 19569
if the proposed suspension is based on a violation listed in 19570
division (A) of section 3313.662 of the Revised Code and if the 19571
pupil is sixteen years of age or older, includes in the notice a 19572
statement that the superintendent may seek to permanently exclude 19573
the pupil if the pupil is convicted of or adjudicated a delinquent 19574
child for that violation; 19575

(2) Provides the pupil an opportunity to appear at an 19576
informal hearing before the principal, assistant principal, 19577
superintendent, or superintendent's designee and challenge the 19578
reason for the intended suspension or otherwise to explain the 19579
pupil's actions. 19580

(B)(1) Except as provided under division (B)(2), (3), or (4) 19581
of this section, the superintendent of schools of a city, exempted 19582
village, or local school district may expel a pupil from school 19583

for a period not to exceed the greater of eighty school days or 19584
the number of school days remaining in the semester or term in 19585
which the incident that gives rise to the expulsion takes place, 19586
unless the expulsion is extended pursuant to division (F) of this 19587
section. If at the time an expulsion is imposed there are fewer 19588
than eighty school days remaining in the school year in which the 19589
incident that gives rise to the expulsion takes place, the 19590
superintendent may apply any remaining part or all of the period 19591
of the expulsion to the following school year. 19592

(2)(a) Unless a pupil is permanently excluded pursuant to 19593
section 3313.662 of the Revised Code, the superintendent of 19594
schools of a city, exempted village, or local school district 19595
shall expel a pupil from school for a period of one year for 19596
bringing a firearm to a school operated by the board of education 19597
of the district or onto any other property owned or controlled by 19598
the board, except that the superintendent may reduce this 19599
requirement on a case-by-case basis in accordance with the policy 19600
adopted by the board under section 3313.661 of the Revised Code. 19601

(b) The superintendent of schools of a city, exempted 19602
village, or local school district may expel a pupil from school 19603
for a period of one year for bringing a firearm to an 19604
interscholastic competition, an extracurricular event, or any 19605
other school program or activity that is not located in a school 19606
or on property that is owned or controlled by the district. The 19607
superintendent may reduce this disciplinary action on a 19608
case-by-case basis in accordance with the policy adopted by the 19609
board under section 3313.661 of the Revised Code. 19610

(c) Any expulsion pursuant to division (B)(2) of this section 19611
shall extend, as necessary, into the school year following the 19612
school year in which the incident that gives rise to the expulsion 19613
takes place. As used in this division, "firearm" has the same 19614
meaning as provided pursuant to the "Gun-Free Schools Act of 19615

1994," ~~108~~ 115 Stat. ~~270~~ 1762, 20 U.S.C. ~~8001(a)(2)~~ 7151. 19616

(3) The board of education of a city, exempted village, or 19617
local school district may adopt a resolution authorizing the 19618
superintendent of schools to expel a pupil from school for a 19619
period not to exceed one year for bringing a knife to a school 19620
operated by the board, onto any other property owned or controlled 19621
by the board, or to an interscholastic competition, an 19622
extracurricular event, or any other program or activity sponsored 19623
by the school district or in which the district is a participant, 19624
or for possessing a firearm or knife at a school, on any other 19625
property owned or controlled by the board, or at an 19626
interscholastic competition, an extracurricular event, or any 19627
other school program or activity, which firearm or knife was 19628
initially brought onto school board property by another person. 19629
The resolution may authorize the superintendent to extend such an 19630
expulsion, as necessary, into the school year following the school 19631
year in which the incident that gives rise to the expulsion takes 19632
place. 19633

(4) The board of education of a city, exempted village, or 19634
local school district may adopt a resolution establishing a policy 19635
under section 3313.661 of the Revised Code that authorizes the 19636
superintendent of schools to expel a pupil from school for a 19637
period not to exceed one year for committing an act that is a 19638
criminal offense when committed by an adult and that results in 19639
serious physical harm to persons as defined in division (A)(5) of 19640
section 2901.01 of the Revised Code or serious physical harm to 19641
property as defined in division (A)(6) of section 2901.01 of the 19642
Revised Code while the pupil is at school, on any other property 19643
owned or controlled by the board, or at an interscholastic 19644
competition, an extracurricular event, or any other school program 19645
or activity. Any expulsion under this division shall extend, as 19646
necessary, into the school year following the school year in which 19647

the incident that gives rise to the expulsion takes place. 19648

(5) The board of education of any city, exempted village, or 19649
local school district may adopt a resolution establishing a policy 19650
under section 3313.661 of the Revised Code that authorizes the 19651
superintendent of schools to expel a pupil from school for a 19652
period not to exceed one year for making a bomb threat to a school 19653
building or to any premises at which a school activity is 19654
occurring at the time of the threat. Any expulsion under this 19655
division shall extend, as necessary, into the school year 19656
following the school year in which the incident that gives rise to 19657
the expulsion takes place. 19658

(6) No pupil shall be expelled under division (B)(1), (2), 19659
(3), (4), or (5) of this section unless, prior to the pupil's 19660
expulsion, the superintendent does both of the following: 19661

(a) Gives the pupil and the pupil's parent, guardian, or 19662
custodian written notice of the intention to expel the pupil; 19663

(b) Provides the pupil and the pupil's parent, guardian, 19664
custodian, or representative an opportunity to appear in person 19665
before the superintendent or the superintendent's designee to 19666
challenge the reasons for the intended expulsion or otherwise to 19667
explain the pupil's actions. 19668

The notice required in this division shall include the 19669
reasons for the intended expulsion, notification of the 19670
opportunity of the pupil and the pupil's parent, guardian, 19671
custodian, or representative to appear before the superintendent 19672
or the superintendent's designee to challenge the reasons for the 19673
intended expulsion or otherwise to explain the pupil's action, and 19674
notification of the time and place to appear. The time to appear 19675
shall not be earlier than three nor later than five school days 19676
after the notice is given, unless the superintendent grants an 19677
extension of time at the request of the pupil or the pupil's 19678

parent, guardian, custodian, or representative. If an extension is 19679
granted after giving the original notice, the superintendent shall 19680
notify the pupil and the pupil's parent, guardian, custodian, or 19681
representative of the new time and place to appear. If the 19682
proposed expulsion is based on a violation listed in division (A) 19683
of section 3313.662 of the Revised Code and if the pupil is 19684
sixteen years of age or older, the notice shall include a 19685
statement that the superintendent may seek to permanently exclude 19686
the pupil if the pupil is convicted of or adjudicated a delinquent 19687
child for that violation. 19688

(7) A superintendent of schools of a city, exempted village, 19689
or local school district shall initiate expulsion proceedings 19690
pursuant to this section with respect to any pupil who has 19691
committed an act warranting expulsion under the district's policy 19692
regarding expulsion even if the pupil has withdrawn from school 19693
for any reason after the incident that gives rise to the hearing 19694
but prior to the hearing or decision to impose the expulsion. If, 19695
following the hearing, the pupil would have been expelled for a 19696
period of time had the pupil still been enrolled in the school, 19697
the expulsion shall be imposed for the same length of time as on a 19698
pupil who has not withdrawn from the school. 19699

(C) If a pupil's presence poses a continuing danger to 19700
persons or property or an ongoing threat of disrupting the 19701
academic process taking place either within a classroom or 19702
elsewhere on the school premises, the superintendent or a 19703
principal or assistant principal may remove a pupil from 19704
curricular activities or from the school premises, and a teacher 19705
may remove a pupil from curricular activities under the teacher's 19706
supervision, without the notice and hearing requirements of 19707
division (A) or (B) of this section. As soon as practicable after 19708
making such a removal, the teacher shall submit in writing to the 19709
principal the reasons for such removal. 19710

If a pupil is removed under this division from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held within three school days from the time the initial removal is ordered. The hearing shall be held in accordance with division (A) of this section unless it is probable that the pupil may be subject to expulsion, in which case a hearing in accordance with division (B) of this section shall be held, except that the hearing shall be held within three school days of the initial removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

If the superintendent or the principal reinstates a pupil in a curricular activity under the teacher's supervision prior to the hearing following a removal under this division, the teacher, upon request, shall be given in writing the reasons for such reinstatement.

(D) The superintendent or principal, within one school day after the time of a pupil's expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the pupil and the treasurer of the board of education of the expulsion or suspension. The notice shall include the reasons for the expulsion or suspension, notification of the right of the pupil or the pupil's parent, guardian, or custodian to appeal the expulsion or suspension to the board of education or to its designee, to be represented in all appeal proceedings, to be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion, and to request that the hearing be held in executive session, notification that the expulsion may be subject to extension pursuant to division (F) of this section if the pupil is sixteen years of age or older, and notification that the superintendent may seek the pupil's permanent exclusion if the

suspension or expulsion was based on a violation listed in 19743
division (A) of section 3313.662 of the Revised Code that was 19744
committed when the child was sixteen years of age or older and if 19745
the pupil is convicted of or adjudicated a delinquent child for 19746
that violation. 19747

In accordance with the policy adopted by the board of 19748
education under section 3313.661 of the Revised Code, the notice 19749
provided under this division shall specify the manner and date by 19750
which the pupil or the pupil's parent, guardian, or custodian 19751
shall notify the board of the pupil's, parent's, guardian's, or 19752
custodian's intent to appeal the expulsion or suspension to the 19753
board or its designee. 19754

Any superintendent expelling a pupil under this section for 19755
more than twenty school days or for any period of time if the 19756
expulsion will extend into the following semester or school year 19757
shall, in the notice required under this division, provide the 19758
pupil and the pupil's parent, guardian, or custodian with 19759
information about services or programs offered by public and 19760
private agencies that work toward improving those aspects of the 19761
pupil's attitudes and behavior that contributed to the incident 19762
that gave rise to the pupil's expulsion. The information shall 19763
include the names, addresses, and phone numbers of the appropriate 19764
public and private agencies. 19765

(E) A pupil or the pupil's parent, guardian, or custodian may 19766
appeal the pupil's expulsion by a superintendent or suspension by 19767
a superintendent, principal, assistant principal, or other 19768
administrator to the board of education or to its designee. If the 19769
pupil or the pupil's parent, guardian, or custodian intends to 19770
appeal the expulsion or suspension to the board or its designee, 19771
the pupil or the pupil's parent, guardian, or custodian shall 19772
notify the board in the manner and by the date specified in the 19773
notice provided under division (D) of this section. The pupil or 19774

the pupil's parent, guardian, or custodian may be represented in 19775
all appeal proceedings and shall be granted a hearing before the 19776
board or its designee in order to be heard against the suspension 19777
or expulsion. At the request of the pupil or of the pupil's 19778
parent, guardian, custodian, or attorney, the board or its 19779
designee may hold the hearing in executive session but shall act 19780
upon the suspension or expulsion only at a public meeting. The 19781
board, by a majority vote of its full membership or by the action 19782
of its designee, may affirm the order of suspension or expulsion, 19783
reinstate the pupil, or otherwise reverse, vacate, or modify the 19784
order of suspension or expulsion. 19785

The board or its designee shall make a verbatim record of 19786
hearings held under this division. The decisions of the board or 19787
its designee may be appealed under Chapter 2506. of the Revised 19788
Code. 19789

This section shall not be construed to require notice and 19790
hearing in accordance with division (A), (B), or (C) of this 19791
section in the case of normal disciplinary procedures in which a 19792
pupil is removed from a curricular activity for a period of less 19793
than one school day and is not subject to suspension or expulsion. 19794

(F)(1) If a pupil is expelled pursuant to division (B) of 19795
this section for committing any violation listed in division (A) 19796
of section 3313.662 of the Revised Code and the pupil was sixteen 19797
years of age or older at the time of committing the violation, if 19798
a complaint, indictment, or information is filed alleging that the 19799
pupil is a delinquent child based upon the commission of the 19800
violation or the pupil is prosecuted as an adult for the 19801
commission of the violation, and if the resultant juvenile court 19802
or criminal proceeding is pending at the time that the expulsion 19803
terminates, the superintendent of schools that expelled the pupil 19804
may file a motion with the court in which the proceeding is 19805
pending requesting an order extending the expulsion for the lesser 19806

of an additional eighty days or the number of school days 19807
remaining in the school year. Upon the filing of the motion, the 19808
court immediately shall schedule a hearing and give written notice 19809
of the time, date, and location of the hearing to the 19810
superintendent and to the pupil and the pupil's parent, guardian, 19811
or custodian. At the hearing, the court shall determine whether 19812
there is reasonable cause to believe that the pupil committed the 19813
alleged violation that is the basis of the expulsion and, upon 19814
determining that reasonable cause to believe the pupil committed 19815
the violation does exist, shall grant the requested extension. 19816

(2) If a pupil has been convicted of or adjudicated a 19817
delinquent child for a violation listed in division (A) of section 19818
3313.662 of the Revised Code for an act that was committed when 19819
the child was sixteen years of age or older, if the pupil has been 19820
expelled pursuant to division (B) of this section for that 19821
violation, and if the board of education of the school district of 19822
the school from which the pupil was expelled has adopted a 19823
resolution seeking the pupil's permanent exclusion, the 19824
superintendent may file a motion with the court that convicted the 19825
pupil or adjudicated the pupil a delinquent child requesting an 19826
order to extend the expulsion until an adjudication order or other 19827
determination regarding permanent exclusion is issued by the 19828
superintendent of public instruction pursuant to section 3301.121 19829
and division (D) of section 3313.662 of the Revised Code. Upon the 19830
filing of the motion, the court immediately shall schedule a 19831
hearing and give written notice of the time, date, and location of 19832
the hearing to the superintendent of the school district, the 19833
pupil, and the pupil's parent, guardian, or custodian. At the 19834
hearing, the court shall determine whether there is reasonable 19835
cause to believe the pupil's continued attendance in the public 19836
school system may endanger the health and safety of other pupils 19837

place of a suspension or expulsion imposed under section 3313.66 19951
of the Revised Code except for an expulsion imposed pursuant to 19952
division (B)(2) of that section. If a board adopts guidelines 19953

expulsion pursuant to division (B)(2) of section 3313.66 of the 19955
Revised Code, a superintendent to impose a community service 19956

guidelines adopted shall be included in the policy adopted under 19959
this section. 19960

(C) The written policy of each board of education that is 19961
adopted pursuant to section 3313.20 of the Revised Code shall be 19962

Sec. 3314.015. (A) The department of education shall be responsible for the oversight of sponsors of the community schools established under this chapter and shall provide technical assistance to schools and sponsors in their compliance with applicable laws and the terms of the contracts entered into under section 3314.03 of the Revised Code and in the development and start-up activities of those schools. In carrying out its duties under this section, the department shall do all of the following:

(1) In providing technical assistance to proposing parties, governing authorities, and sponsors, conduct training sessions and distribute informational materials;

(2) Approve entities to be sponsors of community schools and monitor the effectiveness of those sponsors in their oversight of the schools with which they have contracted;

(3) By December thirty-first of each year, issue a report to 20769
the governor, the speaker of the house of representatives, the 20770
president of the senate, and the chairpersons of the house and 20771
senate committees principally responsible for education matters 20772
regarding the effectiveness of academic programs, operations, and 20773
legal compliance and of the financial condition of all community 20774
schools established under this chapter; 20775

(4) From time to time, make legislative recommendations to 20776
the general assembly designed to enhance the operation and 20777
performance of community schools. 20778

(B)(1) No entity listed in division (C)(1) of section 3314.02 20779
of the Revised Code shall enter into a preliminary agreement under 20780
division (C)(2) of section 3314.02 of the Revised Code until it 20781
has received approval from the department of education to sponsor 20782
community schools under this chapter and has entered into a 20783
written agreement with the department regarding the manner in 20784
which the entity will conduct such sponsorship. The department 20785
shall adopt in accordance with Chapter 119. of the Revised Code 20786
rules containing criteria, procedures, and deadlines for 20787
processing applications for such approval, for oversight of 20788
sponsors, for revocation of the approval of sponsors, and for 20789
entering into written agreements with sponsors. The rules shall 20790
require an entity to submit evidence of the entity's ability and 20791
willingness to comply with the provisions of division (D) of 20792
section 3314.03 of the Revised Code. The rules also shall require 20793
entities approved as sponsors on and after June 30, 2005, to 20794
demonstrate a record of financial responsibility and successful 20795
implementation of educational programs. If an entity seeking 20796
approval on or after June 30, 2005, to sponsor community schools 20797
in this state sponsors or operates schools in another state, at 20798
least one of the schools sponsored or operated by the entity must 20799
be comparable to or better than the performance of Ohio schools in 20800

~~a state of academic watch~~ need of continuous improvement under 20801
section 3302.03 of the Revised Code, as determined by the 20802
department. 20803

An entity that sponsors community schools may enter into 20804
preliminary agreements and sponsor schools as follows, provided 20805
each school and the contract for sponsorship meets the 20806
requirements of this chapter: 20807

(a) An entity that sponsored fifty or fewer schools that were 20808
open for operation as of May 1, 2005, may sponsor not more than 20809
fifty schools. 20810

(b) An entity that sponsored more than fifty but not more 20811
than seventy-five schools that were open for operation as of May 20812
1, 2005, may sponsor not more than the number of schools the 20813
entity sponsored that were open for operation as of May 1, 2005. 20814

(c) Until June 30, 2006, an entity that sponsored more than 20815
seventy-five schools that were open for operation as of May 1, 20816
2005, may sponsor not more than the number of schools the entity 20817
sponsored that were open for operation as of May 1, 2005. After 20818
June 30, 2006, such an entity may sponsor not more than 20819
seventy-five schools. 20820

Upon approval of an entity to be a sponsor under this 20821
division, the department shall notify the entity of the number of 20822
schools the entity may sponsor. 20823

The limit imposed on an entity to which division (B)(1) of 20824
this section applies shall be decreased by one for each school 20825
sponsored by the entity that permanently closes. 20826

If at any time an entity exceeds the number of schools it may 20827
sponsor under this division, the department shall assist the 20828
schools in excess of the entity's limit in securing new sponsors. 20829
If a school is unable to secure a new sponsor, the department 20830
shall assume sponsorship of the school in accordance with division 20831

(C) of this section. Those schools for which another sponsor or 20832
the department assumes sponsorship shall be the schools that most 20833
recently entered into contracts with the entity under section 20834
3314.03 of the Revised Code. 20835

(2) The department of education shall determine, pursuant to 20836
criteria adopted by rule of the department, whether the mission 20837
proposed to be specified in the contract of a community school to 20838
be sponsored by a state university board of trustees or the 20839
board's designee under division (C)(1)(e) of section 3314.02 of 20840
the Revised Code complies with the requirements of that division. 20841
Such determination of the department is final. 20842

(3) The department of education shall determine, pursuant to 20843
criteria adopted by rule of the department, if any tax-exempt 20844
entity under section 501(c)(3) of the Internal Revenue Code that 20845
is proposed to be a sponsor of a community school is an 20846
education-oriented entity for purpose of satisfying the condition 20847
prescribed in division (C)(1)(f)(iii) of section 3314.02 of the 20848
Revised Code. Such determination of the department is final. 20849

(C) If at any time the state board of education finds that a 20850
sponsor is not in compliance or is no longer willing to comply 20851
with its contract with any community school or with the 20852
department's rules for sponsorship, the state board or designee 20853
shall conduct a hearing in accordance with Chapter 119. of the 20854
Revised Code on that matter. If after the hearing, the state board 20855
or designee has confirmed the original finding, the department of 20856
education may revoke the sponsor's approval to sponsor community 20857
schools and may assume the sponsorship of any schools with which 20858
the sponsor has contracted until the earlier of the expiration of 20859
two school years or until a new sponsor as described in division 20860
(C)(1) of section 3314.02 of the Revised Code is secured by the 20861
school's governing authority. The department may extend the term 20862
of the contract in the case of a school for which it has assumed 20863

sponsorship under this division as necessary to accommodate the 20864
term of the department's authorization to sponsor the school 20865
specified in this division. 20866

(D) The decision of the department to disapprove an entity 20867
for sponsorship of a community school or to revoke approval for 20868
such sponsorship, as provided in division (C) of this section, may 20869
be appealed by the entity in accordance with section 119.12 of the 20870
Revised Code. 20871

(E) The department shall adopt procedures for use by a 20872
community school governing authority and sponsor when the school 20873
permanently closes and ceases operation, which shall include at 20874
least procedures for data reporting to the department, handling of 20875
student records, distribution of assets in accordance with section 20876
3314.074 of the Revised Code, and other matters related to ceasing 20877
operation of the school. 20878

(F) In carrying out its duties under this chapter, the 20879
department shall not impose requirements on community schools or 20880
their sponsors that are not permitted by law or duly adopted 20881
rules. 20882

Sec. 3314.016. (A) After June 30, 2007, a new start-up school 20883
may be established under this chapter only if the school's 20884
governing authority enters into a contract with an operator that 20885
manages other schools in the United States that perform at a level 20886
higher than academic watch. The governing authority of the 20887
community school may sign a contract with an operator only if the 20888
operator has fewer contracts with the governing authorities of new 20889
start-up schools established under this chapter after June 30, 20890
2007, than the number of schools managed by the operator in the 20891
United States that perform at a level higher than academic watch, 20892
as determined by the department of education. 20893

(B) Notwithstanding division (A) of this section, the 20894

governing authority of a start-up school sponsored by an entity 20895
described in divisions (C)(1)(b) to (f) of section 3314.02 of the 20896
Revised Code may establish one additional school serving the same 20897
grade levels and providing the same educational program as the 20898
current start-up school and may open that additional school in the 20899
2007-2008 school year, if both of the following conditions are 20900
met: 20901

with the same sponsor or a different sponsor described in 20903
divisions (C)(1)(b) to (f) of section 3314.02 of the Revised Code 20904
and filed a copy of that contract with the superintendent of 20905
public instruction prior to March 15, 2006. 20906

(2) The governing authority's current school satisfies all of 20907
the following conditions: 20908

section 3302.01 of the Revised Code, for the previous school year. 20912

(c) The school has been in operation for at least four school 20913
years. 20914

(d) The school is not managed by an operator. 20915

Sec. 3314.017. Notwithstanding division (A) of section 20916
3314.016 of the Revised Code, the governing authority of a 20917
start-up school sponsored by an entity described in divisions 20918
(C)(1)(b) to (f) of section 3314.02 of the Revised Code may 20919
establish one additional start-up school that is located in the 20920
same school district as the current start-up school, regardless of 20921
whether that district is a challenged school district as otherwise 20922
required by division (C)(1) of section 3314.02 of the Revised 20923
Code, and that provides a general educational program to students 20924

in grades kindergarten through six to facilitate their transition 20925
to the current start-up school, and may open the additional 20926
start-up school in the 2008-2009 school year, if both of the 20927
following conditions are met: 20928

(A) The governing authority enters into another contract with 20929
the same sponsor, which is hereby authorized to sponsor the 20930
additional start-up school and to continue that sponsorship as 20931
long as the entity sponsors the current start-up school, and files 20932
a copy of the contract with the superintendent of public 20933
instruction prior to March 15, 2008. 20934

(B) The governing authority's current school satisfies all of 20935
the following conditions: 20936

(1) The school was rated excellent or effective pursuant to 20937
section 3302.03 of the Revised Code for three of the four school 20938
years beginning with the 2002-2003 school year and ending with the 20939
2005-2006 school year. 20940

(2) The school made adequate yearly progress, as defined in 20941
section 3302.01 of the Revised Code, for each of the four school 20942

2005-2006 school year. 20944

(3) The school was recognized by the superintendent of public 20945
instruction as a school of promise for three of the four school 20946
years beginning with the 2002-2003 school year and ending with the 20947
2005-2006 school year. 20948

(4) The school has been in operation for at least five school 20949

(5) The school is not managed by an operator. 20951

programs, classes, grade levels, or facilities. 21190

(G) That the purpose of single-gender schools that are 21191

facilities and to offer students and parents residing in the 21194
district the option of a single-gender education. 21195

(H) That, except as otherwise provided under division (B) of 21196
this section or section 3314.061 of the Revised Code, if the 21197

department shall reduce the amounts otherwise payable under 21806
division (D) of this section to any community school that includes 21807

the governing authority of the community school and its sponsor 21825
within ninety days of the end of the community school's fiscal 21826
year, unless extended for a period not to exceed thirty additional 21827
days for one of the following reasons: 21828

(a) The department and the community school mutually agree to 21829
the extension. 21830

(b) Delays in data submission caused by either a community 21831
school or its sponsor. 21832

(2) If the review results in a finding that additional 21833
funding is owed to the school, such payment shall be made within 21834
thirty days of the written notice. If the review results in a 21835
finding that the community school owes moneys to the state, the 21836
following procedure shall apply: 21837

final. 21850

(3) If it is decided that the community school owes moneys to 21851
the state, the department shall deduct such amount from the 21852

school's future payments in accordance with guidelines issued by 21853

Sec. 3317.01. As used in this section and section 3317.011 of the Revised Code, "school district," unless otherwise specified, means any city, local, exempted village, joint vocational, or cooperative education school district and any educational service center.	22016 22017 22018 22019 22020
This chapter shall be administered by the state board of education. The superintendent of public instruction shall calculate the amounts payable to each school district and shall certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. As soon as possible after such amounts are calculated, the superintendent shall certify to the treasurer of each school district the district's adjusted charge-off increase, as defined in section 5705.211 of the Revised Code. No moneys shall be distributed pursuant to this chapter without the approval of the controlling board.	22021 22022 22023 22024 22025 22026 22027 22028 22029 22030 22031
The state board of education shall, in accordance with appropriations made by the general assembly, meet the financial obligations of this chapter.	22032 22033 22034
Annually, the department of education shall calculate and	22035

report to each school district the district's total state and 22036
local funds for providing an adequate basic education to the 22037
district's ~~nonhandicapped~~ nondisabled students, utilizing the 22038
determination in section 3317.012 of the Revised Code. In 22039
addition, the department shall calculate and report separately for 22040
each school district the district's total state and local funds 22041
for providing an adequate education for its ~~handicapped~~ 22042
with disabilities, utilizing the determinations in both sections 22043
3317.012 and 3317.013 of the Revised Code. 22044

Not later than the thirty-first day of August of each fiscal 22045
year, the department of education shall provide to each school 22046
district and county MR/DD board a preliminary estimate of the 22047
amount of funding that the department calculates the district will 22048
receive under each of divisions (C)(1) and (4) of section 3317.022 22049
of the Revised Code. No later than the first day of December of 22050
each fiscal year, the department shall update that preliminary 22051
estimate. 22052

Moneys distributed pursuant to this chapter shall be 22053
calculated and paid on a fiscal year basis, beginning with the 22054
first day of July and extending through the thirtieth day of June. 22055
The moneys appropriated for each fiscal year shall be distributed 22056
at least monthly to each school district unless otherwise provided 22057
for. The state board shall submit a yearly distribution plan to 22058
the controlling board at its first meeting in July. The state 22059
board shall submit any proposed midyear revision of the plan to 22060
the controlling board in January. Any year-end revision of the 22061
plan shall be submitted to the controlling board in June. If 22062
moneys appropriated for each fiscal year are distributed other 22063
than monthly, such distribution shall be on the same basis for 22064
each school district. 22065

The total amounts paid each month shall constitute, as nearly 22066
as possible, one-twelfth of the total amount payable for the 22067

entire year. 22068

~~Until fiscal year 2007, payments~~ Payments made during the 22069
first six months of the fiscal year may be based on an estimate of 22070
the amounts payable for the entire year. Payments made in the last 22071
six months shall be based on the final calculation of the amounts 22072
payable to each school district for that fiscal year. Payments 22073
made in the last six months may be adjusted, if necessary, to 22074
correct the amounts distributed in the first six months, and to 22075
reflect enrollment increases when such are at least three per 22076
cent. 22077

~~Beginning in fiscal year 2007, payments shall be calculated~~ 22078
~~to reflect the biannual reporting of average daily membership. In~~ 22079
~~fiscal year 2007 and in each fiscal year thereafter, annualized~~ 22080
~~periodic payments for each school district shall be based on the~~ 22081
~~district's student counts certified pursuant to section 3317.03 of~~ 22082
~~the Revised Code as follows:~~ 22083

~~the sum of one half of the number of students reported~~ 22084
~~for the first full week in October plus one half of the~~ 22085
~~average of the numbers reported for the first full week~~ 22086
~~in October and for the first full week in February~~ 22087

Except as otherwise provided, payments under this chapter 22088
shall be made only to those school districts in which: 22089

(A) The school district, except for any educational service 22090
center and any joint vocational or cooperative education school 22091
district, levies for current operating expenses at least twenty 22092
mills. Levies for joint vocational or cooperative education school 22093
districts or county school financing districts, limited to or to 22094
the extent apportioned to current expenses, shall be included in 22095
this qualification requirement. School district income tax levies 22096
under Chapter 5748. of the Revised Code, limited to or to the 22097
extent apportioned to current operating expenses, shall be 22098
included in this qualification requirement to the extent 22099

determined by the tax commissioner under division (D) of section 22100
3317.021 of the Revised Code. 22101

(B) The school year next preceding the fiscal year for which 22102
such payments are authorized meets the requirement of section 22103
3313.48 or 3313.481 of the Revised Code, with regard to the 22104
minimum number of days or hours school must be open for 22105
instruction with pupils in attendance, for individualized 22106
parent-teacher conference and reporting periods, and for 22107
professional meetings of teachers. This requirement shall be 22108
waived by the superintendent of public instruction if it had been 22109
necessary for a school to be closed because of disease epidemic, 22110
hazardous weather conditions, inoperability of school buses or 22111
other equipment necessary to the school's operation, damage to a 22112
school building, or other temporary circumstances due to utility 22113
failure rendering the school building unfit for school use, 22114
provided that for those school districts operating pursuant to 22115
section 3313.48 of the Revised Code the number of days the school 22116
was actually open for instruction with pupils in attendance and 22117
for individualized parent-teacher conference and reporting periods 22118
is not less than one hundred seventy-five, or for those school 22119
districts operating on a trimester plan the number of days the 22120
school was actually open for instruction with pupils in attendance 22121
not less than seventy-nine days in any trimester, for those school 22122
districts operating on a quarterly plan the number of days the 22123
school was actually open for instruction with pupils in attendance 22124
not less than fifty-nine days in any quarter, or for those school 22125
districts operating on a pentamester plan the number of days the 22126
school was actually open for instruction with pupils in attendance 22127
not less than forty-four days in any pentamester. 22128

A school district shall not be considered to have failed to 22129
comply with this division or section 3313.481 of the Revised Code 22130
because schools were open for instruction but either twelfth grade 22131

students were excused from attendance for up to three days or only 22132
a portion of the kindergarten students were in attendance for up 22133
to three days in order to allow for the gradual orientation to 22134
school of such students. 22135

The superintendent of public instruction shall waive the 22136
requirements of this section with reference to the minimum number 22137
of days or hours school must be in session with pupils in 22138
attendance for the school year succeeding the school year in which 22139
a board of education initiates a plan of operation pursuant to 22140
section 3313.481 of the Revised Code. The minimum requirements of 22141
this section shall again be applicable to such a district 22142
beginning with the school year commencing the second July 22143
succeeding the initiation of one such plan, and for each school 22144
year thereafter. 22145

A school district shall not be considered to have failed to 22146
comply with this division or section 3313.48 or 3313.481 of the 22147
Revised Code because schools were open for instruction but the 22148
length of the regularly scheduled school day, for any number of 22149
days during the school year, was reduced by not more than two 22150
hours due to hazardous weather conditions. 22151

(C) The school district has on file, and is paying in 22152
accordance with, a teachers' salary schedule which complies with 22153
section 3317.13 of the Revised Code. 22154

A board of education or governing board of an educational 22155
service center which has not conformed with other law and the 22156
rules pursuant thereto, shall not participate in the distribution 22157
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 22158
3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 22159
and sufficient reason established to the satisfaction of the state 22160
board of education and the state controlling board. 22161

All funds allocated to school districts under this chapter, 22162

except those specifically allocated for other purposes, shall be 22163
used to pay current operating expenses only. 22164

Sec. 3317.012. (A) The general assembly, having deliberated 22165
on the model with which to calculate the base cost of an adequate 22166
education per pupil, has made a policy decision to calculate that 22167
amount as consisting of the following building blocks: 22168

(1) Base classroom teachers; 22169

(2) Other personnel support, which includes additional 22170
teachers, such as music, arts, and physical education teachers 22171
funded by state, local, or federal funds or other funds that are 22172
above the base cost funding level, and other school personnel 22173
including administrators; 22174

(3) Nonpersonnel support. 22175

This model reflects policy decisions made by the general 22176
assembly concerning the cost of base classroom teachers, which 22177
decisions entail two policy variables: the number of students per 22178
base classroom teacher necessary for an adequate education and the 22179
average compensation for a base classroom teacher necessary for an 22180
adequate education. The model requires the general assembly to 22181
decide the amount of other personnel support necessary for an 22182
adequate education, ~~and increase that amount from year to year by~~ 22183
~~the same percentage as it increases the average compensation for~~ 22184
~~base classroom teachers.~~ The model finally requires the general 22185
assembly to decide the nonpersonnel costs necessary for an 22186
adequate education and to inflate the nonpersonnel costs from year 22187
to year using the projected inflationary measure for the gross 22188
domestic product deflator (all items) prepared by the bureau of 22189
labor statistics of the United States department of labor. 22190

(B)(1) For fiscal year ~~2006~~ 2008, the general assembly has 22191
resolved that a ratio of one base classroom teacher per twenty 22192

students is necessary for an adequate education. The general 22193
assembly has made a policy decision that the average compensation 22194
for base classroom teachers is ~~\$53,680~~ \$56,754 for fiscal year 22195
~~2006~~ 2008, which includes an amount for the value of fringe 22196
benefits. For fiscal year ~~2007~~ 2009, the general assembly has 22197
resolved that a ratio of one base classroom teacher per twenty 22198
students is necessary for an adequate education. The general 22199
assembly has made a policy decision that the average compensation 22200
for base classroom teachers is ~~\$54,941~~ \$58,621 for fiscal year 22201
2009, which includes an amount for the value of fringe benefits. 22202
Based on a ratio of twenty students per base classroom teacher, 22203
these amounts equal ~~\$2,684~~ \$2,838 per pupil in fiscal year ~~2006~~ 22204
2008 and ~~\$2,747~~ \$2,931 per pupil in fiscal year ~~2007~~ 2009. 22205

(2) The general assembly has made a policy decision that the 22206
per pupil cost of salary and benefits of other personnel support 22207
is ~~\$1,807~~ \$1,905 in fiscal year ~~2006~~ 2008. Based on the percentage 22208
increase for the ~~average compensation of base classroom teachers~~ 22209
per pupil cost of salary and benefits of other personnel support 22210
from fiscal year ~~2006~~ 2007 to fiscal year ~~2007~~ 2008, the per pupil 22211
cost of other personnel support is ~~\$1,850~~ \$1,962 in fiscal year 22212
~~2007~~ 2009. 22213

(3) The general assembly has made a policy decision that the 22214
per pupil cost of nonpersonnel support is ~~\$792~~ \$822 in fiscal year 22215
~~2006~~ 2008 and ~~\$806~~ \$839 in fiscal year ~~2007~~ 2009. The amount for 22216
fiscal year ~~2007~~ 2009 reflects the projected inflationary measure 22217
for the gross domestic product deflator (all items) of ~~1.80%~~ 22218
2.00%. 22219

(4) Based on the determinations specified in divisions (B)(1) 22220
to (3) of this section, the per-pupil base cost is ~~\$5,283~~ \$5,565 22221
in fiscal year ~~2006~~ 2008 and ~~\$5,403~~ \$5,732 in fiscal year ~~2007~~ 22222
2009. 22223

(C) In addition to the per-pupil base cost as determined 22224

under divisions (A) and (B) of this section, the general assembly 22225
determines that the following base funding supplements shall be 22226
paid to each school district: 22227

(1) Base funding for large-group academic intervention for 22228
all students, based on 25 hours per group of students per year at 22229
an hourly rate of ~~\$20.00~~ \$21.01 in fiscal year ~~2006~~ 2008 and 22230
~~\$20.40~~ \$21.64 in fiscal year ~~2007~~ 2009, as follows: 22231

large-group intervention units X 25 hours X hourly rate 22232

Where: 22233

(a) "Large-group intervention units" equals the district's 22234
formula ADM divided by 20; 22235

(b) "Hourly rate" equals ~~\$20.00~~ \$21.01 in fiscal year ~~2006~~ 22236
2008 and ~~\$20.40~~ \$21.64 in fiscal year ~~2007~~ 2009. 22237

(2) Base funding for professional development, phased in 22238
according to the following formula: 22239

district's teacher factor X 0.045 X 22240

formula amount X phase-in percentage 22241

Where: 22242

(a) For each school district, the district's "teacher factor" 22243
is the district's formula ADM divided by 17; 22244

(b) "Phase-in percentage" equals ~~0.25 in fiscal year 2006 and~~ 22245
~~0.75 in fiscal year 2007.~~ 22246

(3) Base funding for data-based decision making, calculated 22247
according to the following formula: 22248

0.001 X formula amount X formula ADM 22249

(4) Base funding for professional development regarding 22250
data-based decision making, calculated according to the following 22251
formula: 22252

(0.20 X the district's teacher factor X 0.08 X formula amount) + 22253

(the district's principal factor X 22254

0.08 X formula amount)	22255
Where:	22256
(a) For each school district, the district's "teacher factor" is the district's formula ADM divided by 17;	22257 22258
(b) For each school district, the district's "principal factor" is the district's formula ADM divided by 340.	22259 22260
(D) The general assembly intends that school districts spend the state funds calculated and paid for each component of the building blocks methodology described in divisions (B)(1) to (3) and (C)(1) to (4) of this section according to the purposes described in those divisions.	22261 22262 22263 22264 22265

Analysis of special education cost data has resulted in a finding that the average special education additional cost per pupil, including the costs of related services, can be expressed as a multiple of the base cost per pupil calculated under section 3317.012 of the Revised Code. The multiples for the following categories of special education programs, as these programs are defined for purposes of Chapter 3323. of the Revised Code, and adjusted as provided in this section, are as follows:	22270 22271 22272 22273 22274 22275 22276 22277

~~handicapped~~ disabled, as these terms are defined pursuant to 22289
Chapter 3323. of the Revised Code; 22290

(D) A multiple of 2.3646 for students identified as 22291
orthopedically ~~handicapped~~ disabled, as this term is defined 22292
pursuant to Chapter 3323. of the Revised Code or as having an 22293
other health ~~handicapped—major~~ impairment-major; 22294

(E) A multiple of 3.1129 for students identified as 22295

defined pursuant to Chapter 3323. of the Revised Code; 22297

(F) A multiple of 4.7342 for students identified as autistic, 22298
having traumatic brain injuries, or as both visually and hearing 22299
~~disabled~~ impaired, as these terms are defined pursuant to Chapter 22300
3323. of the Revised Code. 22301

In fiscal ~~year 2004~~ years 2008 and 2009, the multiples 22302
specified in divisions (A) to (F) of this section ~~shall be~~ 22303
~~adjusted by multiplying them by 0.88. In fiscal years 2005, 2006,~~ 22304
~~and 2007, the multiples specified in those divisions~~ shall be 22305
adjusted by multiplying them by 0.90. 22306

Not later than the thirtieth day of ~~May~~ December in ~~2004,~~ 22307
~~2005, 2006, and 2007,~~ 2008, and 2009, the department of education 22308
shall submit to the office of budget and management a report that 22309
specifies for each city, local, exempted village, and joint 22310
vocational school district the fiscal year allocation of the state 22311
and local shares of special education and related services 22312
additional weighted funding and federal special education funds 22313
passed through to the district. 22314

Sec. 3317.014. The average vocational education additional 22315
cost per pupil can be expressed as a multiple of the base cost per 22316
pupil calculated under section 3317.012 of the Revised Code. ~~the~~ 22317
The multiples for the following categories of vocational education 22318
programs are as follows: 22319

(A) A multiple of 0.57 for students enrolled in vocational 22320
education job-training and workforce development programs approved 22321
by the department of education in accordance with rules adopted 22322
under section 3313.90 of the Revised Code. 22323

(B) A multiple of 0.28 for students enrolled in vocational 22324
education classes other than job-training and workforce 22325
development programs. 22326

Vocational education associated services costs can be 22327
expressed as a multiple of 0.05 of the base cost per pupil 22328
calculated under section 3317.012 of the Revised Code. 22329

~~The general assembly has adjusted the multiples specified in 22330
this section for calculating payments beginning in fiscal year 22331
2002 in recognition that its policy change regarding the 22332
application of the cost of doing business factor produces a higher 22333
base cost amount than would exist if no change were made to its 22334
application. The adjustment maintains the same weighted costs as 22335
would exist if no change were made to the application of the 22336
cost of doing business factor. 22337~~

~~The~~ By the thirtieth day of each December, the department of 22338
education shall ~~annually~~ report to the governor office of budget 22339
and management and the general assembly the amount of weighted 22340
funding for vocational education and associated services that ~~is~~ 22341
was spent by each city, local, exempted village, and joint 22342
vocational school district specifically for vocational educational 22343
and associated services during the previous fiscal year. 22344

Sec. 3317.015. (A) In addition to the information certified 22345
to the department of education and the office of budget and 22346
management under division (A) of section 3317.021 of the Revised 22347
Code, the tax commissioner shall, at the same time, certify the 22348
following information to the department and the office of budget 22349
and management for each city, exempted village, and local school 22350
district to be used for the same purposes as described under that 22351
division: 22352

(1) The taxable value of the school district's carryover 22353
property, as defined in section 319.301 of the Revised Code, for 22354
the preceding tax year; 22355

(2) The increase in such carryover value, if any, between the 22356
second preceding tax year and the preceding tax year as used in 22357
calculating the percentage reduction under section 319.301 of the 22358
Revised Code. 22359

(B) For each fiscal year the department of education shall 22360
calculate each school district's recognized valuation in the 22361
following manner: 22362

(1) For a school district located in a county in which a 22363
reappraisal or triennial update occurred in the preceding tax 22364
year, the recognized valuation equals the district's total taxable 22365
value for the preceding tax year minus two-thirds times the 22366
increase in the carryover value from the second preceding tax year 22367
to the preceding tax year. 22368

(2) For a school district located in a county in which a 22369
reappraisal or triennial update occurred in the second preceding 22370
tax year, the recognized valuation equals the district's total 22371
taxable value for the preceding tax year minus one-third times the 22372
increase in the carryover value from the third preceding tax year 22373
to the second preceding tax year. 22374

(3) For a school district located in a county in which a
reappraisal or triennial update occurred in the third preceding
tax year, the recognized valuation equals the district's total
taxable value for the preceding tax year.

Sec. 3317.016. In addition to its form SF-3, or any successor
to that form, the department of education shall publish on its web
site a spreadsheet for each school district that specifies the
constituent components of the district's "building blocks" funds,
as follows:

(A) For compensation of base classroom teachers, as described
in division (B)(1) of section 3317.012 of the Revised Code, each
spreadsheet shall specify the district's aggregate and per pupil
amounts of state funds and of combined state and local funds, the
average compensation decided by the general assembly for base
classroom teachers, as specified in that division, and the number
of base classroom teachers attributable to the district based on
the student-teacher ratio decided by the general assembly, as
specified in that division.

numerator of which is the difference between (i) the amount of 23054
anticipated revenue such school district would have received for 23055
the preceding tax year if the real property exempted from taxation 23056

~~minus the amount computed for the district~~ 23206
~~under current division (A)(1) of this section~~ 23207

~~If one of the amounts computed under division (A)(2)(a) or~~ 23208
~~(b) of this section is a positive amount, the department shall pay~~ 23209
~~the district that amount in addition to the amount calculated~~ 23210

~~positive amounts, the department shall pay the district the lesser~~ 23212
~~of the two amounts in addition to the amount calculated under~~ 23213
~~division (A)(1) of this section.~~ 23214

~~(3)(a) For each school district for which the tax exempt~~ 23215
~~value of the district equals or exceeds twenty-five per cent of~~ 23216
~~the potential value of the district, the department of education~~ 23217
~~shall calculate the difference between the district's tax exempt~~ 23218
~~value and twenty-five per cent of the district's potential value.~~ 23219

~~(b) For each school district to which division (A)~~(3)~~(2)(a)~~ 23220

of this section by subtracting from it the amount calculated under 23223
division (A)~~(3)~~(2)(a) of this section. 23224

district for the fiscal year under division (A) of this section. 23249
If the district would not receive any state base cost funding for 23250
that year under that division, the district's state share 23251
percentage is zero. 23252

(b) If the district would receive state base cost funding 23253
under that division, divide that amount by an amount equal to the 23254
following: 23255

~~(Cost of doing business factor X~~ 23256
the formula amount X formula ADM) + 23257

prescribed in divisions (C)(1) to (4) 23259
of section 3317.012 of the Revised Code ± 23260
the sum of the amounts calculated for the district under 23261
sections 3317.029 and 3317.0217 of the Revised Code 23262

state funds but specified in federal law, including but not 23279
limited to, audiology and school psychological services; 23280

threshold catastrophic cost for serving the student, the district	23314

may submit to the superintendent of public instruction 23315
documentation, as prescribed by the superintendent, of all its 23316
costs for that student. Upon submission of documentation for a 23317
student of the type and in the manner prescribed, the department 23318
shall pay to the district an amount equal to the sum of the 23319

dollars in fiscal years 2008 and 2009. 23340

(c) The district shall only report under division (C)(3)(a) 23341

(b) For the provision of speech language pathology services 23351
to students, including students who do not have individualized 23352
education programs prepared for them under Chapter 3323. of the 23353
Revised Code, and for no other purpose, the department of 23354
education shall pay each school district an amount calculated 23355
under the following formula: 23356

(formula ADM divided by 2000) X 23357
the personnel allowance X 23358
the state share percentage 23359

(5) In any fiscal year, a school district shall spend for 23360
purposes that the department designates as approved for special 23361
education and related services expenses at least the amount 23362
calculated as follows: 23363

~~(cost of doing business factor X~~ 23364
formula amount X the sum of categories 23365

(total special education weight X formula amount) 23367

The purposes approved by the department for special education 23368
expenses shall include, but shall not be limited to, 23369
identification of ~~handicapped~~ children with disabilities, 23370

program options for ~~handicapped~~ children with disabilities, 23373
provision of speech language pathology services, and the portion 23374

population. 23377

The scholarships deducted from the school district's account 23378
under section 3310.41 or 3310.55 of the Revised Code shall be 23379
considered to be an approved special education and related 23380
services expense for the purpose of the school district's 23381
compliance with division (C)(5) of this section. 23382

The department shall require school districts to report data 23383
annually to allow for monitoring compliance with division (C)(5) 23384
of this section. The department shall annually report to the 23385
governor and the general assembly the amount of money spent by 23386
each school district for special education and related services. 23387

(6) In any fiscal year, a school district shall spend for the 23388
provision of speech language pathology services not less than the 23389
sum of the amount calculated under division (C)(1) of this section 23390

ADM and the amount calculated under division (C)(4) of this 23392
section. 23393

considered to be an approved speech language pathology services 23397
expense for the purpose of the school district's compliance with 23398
division (C)(6) of this section. 23399

(D)(1) As used in this division: 23400

(a) "Daily bus miles per student" equals the number of bus 23401
miles traveled per day, divided by transportation base. 23402

(b) "Transportation base" equals total student count as 23403
defined in section 3301.011 of the Revised Code, minus the number 23404
of students enrolled in ~~preschool-handicapped~~ units for preschool 23405
children with disabilities, plus the number of nonpublic school 23406
students included in transportation ADM. 23407

(c) "Transported student percentage" equals transportation 23408

ADM divided by transportation base. 23409

(d) "Transportation cost per student" equals total operating 23410
costs for board-owned or contractor-operated school buses divided 23411
by transportation base. 23412

(2) Analysis of student transportation cost data has resulted 23413
in a finding that an average efficient transportation use cost per 23414
student can be calculated by means of a regression formula that 23415
has as its two independent variables the number of daily bus miles 23416
per student and the transported student percentage. For fiscal 23417
year 1998 transportation cost data, the average efficient 23418
transportation use cost per student is expressed as follows: 23419

51.79027 + (139.62626 X daily bus miles per student) + 23420
(116.25573 X transported student percentage) 23421

The department of education shall annually determine the 23422
average efficient transportation use cost per student in 23423
accordance with the principles stated in division (D)(2) of this 23424
section, updating the intercept and regression coefficients of the 23425
regression formula modeled in this division, based on an annual 23426
statewide analysis of each school district's daily bus miles per 23427
student, transported student percentage, and transportation cost 23428
per student data. The department shall conduct the annual update 23429
using data, including daily bus miles per student, transported 23430
student percentage, and transportation cost per student data, from 23431
the prior fiscal year. The department shall notify the office of 23432
budget and management of such update by the fifteenth day of 23433
February of each year. 23434

(3) In addition to funds paid under divisions (A), (C), and 23435
(E) of this section, each district with a transported student 23436
percentage greater than zero shall receive a payment equal to a 23437
percentage of the product of the district's transportation base 23438
from the prior fiscal year times the annually updated average 23439
efficient transportation use cost per student, times an inflation 23440

factor of two and eight tenths per cent to account for the 23441
one-year difference between the data used in updating the formula 23442
and calculating the payment and the year in which the payment is 23443
made. The percentage shall be the following percentage of that 23444
product specified for the corresponding fiscal year: 23445

FISCAL YEAR	PERCENTAGE	
2000	52.5%	23446
2001	55%	23447
2002	57.5%	23448
2003 and thereafter	The greater of 60% or the district's state share percentage	23449 23450

The payments made under division (D)(3) of this section each 23451
year shall be calculated based on all of the same prior year's 23452
data used to update the formula. 23453

(4) In addition to funds paid under divisions (D)(2) and (3) 23454
of this section, a school district shall receive a rough road 23455
subsidy if both of the following apply: 23456

(a) Its county rough road percentage is higher than the 23457
statewide rough road percentage, as those terms are defined in 23458
division (D)(5) of this section; 23459

(b) Its district student density is lower than the statewide 23460
student density, as those terms are defined in that division. 23461

(5) The rough road subsidy paid to each district meeting the 23462
qualifications of division (D)(4) of this section shall be 23463
calculated in accordance with the following formula: 23464

(per rough mile subsidy X total rough road miles) 23465
X density multiplier 23466

where: 23467

(a) "Per rough mile subsidy" equals the amount calculated in 23468
accordance with the following formula: 23469

0.75 - {0.75 X [(maximum rough road percentage -
county rough road percentage)/(maximum rough road
percentage - statewide rough road percentage)]}

(i) "Maximum rough road percentage" means the highest county
rough road percentage in the state.

(ii) "County rough road percentage" equals the percentage of
the mileage of state, municipal, county, and township roads that
is rated by the department of transportation as type A, B, C, E2,
or F in the county in which the school district is located or, if
the district is located in more than one county, the county to
which it is assigned for purposes of determining its
cost-of-doing-business factor.

(iii) "Statewide rough road percentage" means the percentage
of the statewide total mileage of state, municipal, county, and
township roads that is rated as type A, B, C, E2, or F by the
department of transportation.

(b) "Total rough road miles" means a school district's total
bus miles traveled in one year times its county rough road
percentage.

(c) "Density multiplier" means a figure calculated in
accordance with the following formula:

1 - [(minimum student density - district student
density)/(minimum student density -
statewide student density)]

(i) "Minimum student density" means the lowest district
student density in the state.

(ii) "District student density" means a school district's
transportation base divided by the number of square miles in the
district.

(iii) "Statewide student density" means the sum of the
transportation bases for all school districts divided by the sum

of the square miles in all school districts. 23501

(6) In addition to funds paid under divisions (D)(2) to (5) 23502
of this section, each district shall receive in accordance with 23503
rules adopted by the state board of education a payment for 23504
students transported by means other than board-owned or 23505
contractor-operated buses and whose transportation is not funded 23506
under division (G) of section 3317.024 of the Revised Code. The 23507
rules shall include provisions for school district reporting of 23508
such students. 23509

(E)(1) The department shall compute and distribute state 23510
vocational education additional weighted costs funds to each 23511
school district in accordance with the following formula: 23512
state share percentage X 23513
the formula amount X 23514
total vocational education weight 23515

In any fiscal year, a school district receiving funds under 23516
division (E)(1) of this section shall spend those funds only for 23517
the purposes that the department designates as approved for 23518
vocational education expenses. Vocational educational expenses 23519
approved by the department shall include only expenses connected 23520
to the delivery of career-technical programming to 23521
career-technical students. The department shall require the school 23522
district to report data annually so that the department may 23523
monitor the district's compliance with the requirements regarding 23524
the manner in which funding received under division (E)(1) of this 23525
section may be spent. 23526

(2) The department shall compute for each school district 23527
state funds for vocational education associated services in 23528
accordance with the following formula: 23529
state share percentage X .05 X the formula amount X 23530
the sum of categories one and two vocational education ADM 23531

In any fiscal year, a school district receiving funds under 23532
division (E)(2) of this section, or through a transfer of funds 23533
pursuant to division (L) of section 3317.023 of the Revised Code, 23534
shall spend those funds only for the purposes that the department 23535
designates as approved for vocational education associated 23536
services expenses, which may include such purposes as 23537
apprenticeship coordinators, coordinators for other vocational 23538
education services, vocational evaluation, and other purposes 23539
designated by the department. The department may deny payment 23540
under division (E)(2) of this section to any district that the 23541
department determines is not operating those services or is using 23542
funds paid under division (E)(2) of this section, or through a 23543
transfer of funds pursuant to division (L) of section 3317.023 of 23544
the Revised Code, for other purposes. 23545

(F) The actual local share in any fiscal year for the 23546
combination of special education and related services additional 23547
weighted costs funding calculated under division (C)(1) of this 23548
section, transportation funding calculated under divisions (D)(2) 23549
and (3) of this section, and vocational education and associated 23550
services additional weighted costs funding calculated under 23551
divisions (E)(1) and (2) of this section shall not exceed for any 23552
school district the product of three and three-tenths mills times 23553
the district's recognized valuation. The department annually shall 23554
pay each school district as an excess cost supplement any amount 23555
by which the sum of the district's attributed local shares for 23556
that funding exceeds that product. For purposes of calculating the 23557
excess cost supplement: 23558

(1) The attributed local share for special education and 23559
related services additional weighted costs funding is the amount 23560
specified in division (C)(2) of this section. 23561

(2) The attributed local share of transportation funding 23562
equals the difference of the total amount calculated for the 23563

district using the formula developed under division (D)(2) of this 23564
section minus the actual amount paid to the district after 23565
applying the percentage specified in division (D)(3) of this 23566
section. 23567

(3) The attributed local share of vocational education and 23568
associated services additional weighted costs funding is the 23569
amount determined as follows: 23570

(1 - state share percentage) X 23571
[(total vocational education weight X 23572
the formula amount) + the payment under 23573
division (E)(2) of this section] 23574

Sec. 3317.023. (A) Notwithstanding section 3317.022 of the 23575
Revised Code, the amounts required to be paid to a district under 23576
this chapter shall be adjusted by the amount of the computations 23577

(1) "Classroom teacher" means a licensed employee who 23580
provides direct instruction to pupils, excluding teachers funded 23581
from money paid to the district from federal sources; educational 23582
service personnel; and vocational and special education teachers. 23583

(2) "Educational service personnel" shall not include such 23584
specialists funded from money paid to the district from federal 23585
sources or assigned full-time to vocational or special education 23586

year for which the adjustment is made under division (C) of this 23595
section. It shall not include any salary payments for supplemental 23596
teachers contracts. 23597

(4) "Regular student population" means the formula ADM plus 23598

Code; minus the number of students reported under division (A)(2) 23601
of section 3317.03 of the Revised Code; minus the FTE of students 23602
reported under division (B)(6), (7), (8), (9), (10), (11), or (12) 23603

(B) If the district employs less than one full-time 23618
equivalent classroom teacher for each twenty-five pupils in the 23619
regular student population in any school district, deduct the sum 23620
of the amounts obtained from the following computations: 23621

(1) Divide the number of the district's full-time equivalent 23622

was not subject to taxation by the district and was not included 23937

expenditures account pursuant to division (C) of section 3316.20 23948
of the Revised Code on the basis of the same circumstances for 23949
which a recomputation is made under this section, the amount of 23950
the recomputation shall be reduced and transferred in accordance 23951
with division (C) of section 3316.20 of the Revised Code. 23952

Sec. 3317.026. (A) As used in this section, "refunded taxes" 23953
means taxes charged and payable from real and tangible personal 23954

value of such property and that have been refunded, including any 23957
interest or penalty refunded with those taxes. If taxes are 23958
refunded over a period of time pursuant to division (B)(2), (3), 23959
or (4) of section 319.36 or division (C) of section 5727.471 of 23960
the Revised Code, the total amount of taxes required to be 23961
refunded, excluding any interest accruing after the day the 23962
undertaking is entered into, shall be considered to have been 23963
refunded on the day the first portion of the overpayment is paid 23964
or credited. 23965

(B) Not later than the last day of February each year, each 23966
county auditor shall certify to the tax commissioner, for each 23967
school district in the county, the amount of refunded taxes 23968

refunded in the preceding calendar year and the reductions in 23969
taxable value that resulted in those refunds, except for 23970
reductions in taxable value that previously have been reported to 23971
the tax commissioner on an abstract. If the tax commissioner 23972
determines that the amount of refunded taxes certified for a 23973
school district exceeds three per cent of the total taxes charged 23974
and payable for current expenses of the school district for the 23975
calendar year in which those taxes were refunded, the tax 23976
commissioner shall certify the reductions in taxable value that 23977
resulted in those refunds on or before the first day of June to 23978
the department of education and the office of budget and 23979
management. Upon receiving the certification by the tax 23980
commissioner, the department of education shall reduce the total 23981
taxable value of the school district, as defined in section 23982
3317.02 of the Revised Code, by the total amount of the reductions 23983
in taxable value that resulted in those refunds for the purpose of 23984
computing the ~~SF-3 payment~~ state education aid for the school 23985
district for the current fiscal year. The increase in the amount 23986
of such aid resulting from the adjustment required by this section 23987
shall be paid to the school district ~~on or before the thirty-first~~ 23988
~~day of July of the following fiscal year.~~ The payment date shall 23989
be determined by the director of budget and management. The 23990
director shall select a payment date that is not earlier than the 23991
first day of June of the current fiscal year and not later than 23992
the thirty-first day of July of the following fiscal year. The 23993
department of education shall not pay the district under this 23994
section prior to approval by the director of budget and management 23995
to make that payment. 23996

If an adjustment is made under this division in the amount of 23997
state aid paid to a school district, the tax value reductions from 23998
which that adjustment results shall not be used in recomputing aid 23999
to a school district under section 3317.027 of the Revised Code. 24000

(C) If a school district received a grant from the catastrophic expenditures account pursuant to division (C) of section 3316.20 of the Revised Code on the basis of the same circumstances for which an adjustment is made under this section, the amount of the adjustment shall be reduced and transferred in accordance with division (C) of section 3316.20 of the Revised Code.

(D) Not later than the first day of June each year, the tax commissioner shall certify to the department of education and the office of budget and management for each school district the total of the increases in taxable value above the amount of taxable value on which tax was paid, as provided in division (B)(1) or (2) of section 5727.47 of the Revised Code, as determined by the commissioner, and for which a notification was sent pursuant to section 5727.471 of the Revised Code, in the preceding calendar year. Upon receiving the certification, the department shall increase the total taxable value, as defined in section 3317.02 of the Revised Code, of the school district by the total amount of the increase in taxable value certified by the commissioner for the school district for the purpose of computing the school district's ~~SF-3 payment~~ state education aid for the following fiscal year.

Sec. 3317.027. On or before the fifteenth day of May of each year, the tax commissioner shall certify to the department of education and the office of budget and management:

and 24032

(B) The taxes charged and payable for the second preceding 24033
tax year that were remitted under section 5713.081 of the Revised 24034
Code and the taxable value against which such taxes were imposed. 24035

Upon receipt of such certifications, the department shall 24036
recompute the district's ~~SF-3 payment~~ state education aid and 24037
determine the amount that the ~~SF-3 payment~~ state education aid 24038
would have been ~~paid~~ had the taxable value not been used in the 24039
computation made under division (A)(1) of section 3317.021 of the 24040
Revised Code and had the taxes charged and payable not been 24041
included in the certification made under division (A)(3) of such 24042
section. The department shall calculate the amount that the 24043

Any district that receives funds under division (C)(2) or (3) 24319
of this section annually shall submit to the department of 24320
education by a date established by the department a plan 24321
describing how the district will deploy those funds. The 24322
deployment measures described in that plan shall comply with any 24323
applicable spending requirements prescribed in division (J)(6) of 24324
this section or with any order issued by the superintendent of 24325
public instruction under section 3317.017 of the Revised Code. 24326

district's three-year average formula ADM exceeded seventeen 24329
thousand five hundred. In addition, the department shall make a 24330
payment under this division to any school district that, in a 24331
prior fiscal year, qualified for this payment and provided all-day 24332
kindergarten, regardless of changes to the district's poverty 24333
index. The department shall calculate the payment under this 24334
division by multiplying the all-day ~~kindergarten percentage by the~~ 24335

amount. 24337

(E) A ~~class size reduction~~ payment for increased classroom learning opportunities based on calculating the number of new teachers necessary to achieve a lower student-teacher ratio, as follows:

(1) Determine or calculate a formula number of teachers per one thousand students based on the poverty index of the school district as follows:

(a) If the poverty index of the school district is less than 1.0, the formula number of teachers is 50.0, which is the number of teachers per one thousand students at a student-teacher ratio of twenty to one;

(b) If the poverty index of the school district is greater than or equal to 1.0, but less than 1.5, the formula number of teachers is calculated as follows:

$$50.0 + \{[(\text{poverty index} - 1.0)/0.5] \times 16.667\}$$

Where 50.0 is the number of teachers per one thousand students at a student-teacher ratio of twenty to one; 0.5 is the interval from a poverty index of 1.0 to a poverty index of 1.5; and 16.667 is the difference in the number of teachers per one thousand students at a student-teacher ratio of fifteen to one and the number of teachers per one thousand students at a student-teacher ratio of twenty to one.

(c) If the poverty index of the school district is greater than or equal to 1.5, the formula number of teachers is 66.667, which is the number of teachers per one thousand students at a student-teacher ratio of fifteen to one.

(2) Multiply the formula number of teachers determined or calculated in division (E)(1) of this section by the kindergarten through third grade ADM for the district and divide that product by one thousand;

(3) Calculate the number of new teachers as follows:

(a) Multiply the kindergarten through third grade ADM by 24369
50.0, which is the number of teachers per one thousand students at 24370
a student-teacher ratio of twenty to one, and divide that product 24371
by one thousand; 24372

(b) Subtract the quotient obtained in division (E)(3)(a) of 24373
this section from the product in division (E)(2) of this section. 24374

(4) Multiply the greater of the difference obtained under 24375
division (E)(3) of this section or zero by the statewide average 24376
teachers compensation. For this purpose, the "statewide average 24377
teacher compensation" is ~~\$53,680~~ \$56,754 in fiscal year ~~2006~~ 2008 24378
and ~~\$54,941~~ \$58,621 in fiscal year ~~2007~~ 2009, which includes an 24379
amount for the value of fringe benefits. 24380

proficient, as reported in 2003 on its school district report 24384
issued under section 3302.03 of the Revised Code for the 2002-2003 24385
school year, is greater than or equal to 2.0%, calculated as 24386
follows: 24387

(1) If the district's poverty index is greater than or equal 24388
to 1.0, but less than 1.75, determine the amount per limited 24389
English proficient student as follows: 24390

{0.125 + [0.125 X ((poverty index - 1.0)/0.75)]} 24391

X formula amount 24392

(2) If the district's poverty index is greater than or equal 24393
to 1.75, the amount per limited English proficient student equals: 24394

0.25 X formula amount 24395

(3) Multiply the per student amount determined for the 24396
district under division (F)(1) or (2) of this section by the 24397
number of the district's limited English proficient students, 24398
times a phase-in percentage of ~~0.40 in fiscal year 2006~~ and 0.70 24399

in fiscal year ~~2007~~ years 2008 and 2009. For purposes of this 24400
calculation, the number of limited English proficient students for 24401
each district shall be the number determined by the department 24402
when it calculated the district's percentage of limited English 24403
proficient students for its school district report card issued in 24404
2003 for the 2002-2003 school year. 24405

~~Not later than December 31, 2006, the department of education 24406
shall recommend to the general assembly and the director of budget 24407
and management a method of identifying the number of limited 24408
English proficient students for purposes of calculating payments 24409
under this division after fiscal year 2007. 24410~~

(G) A payment for professional development of teachers, if 24411
the district's poverty index is greater than or equal to 1.0, 24412
calculated as follows: 24413

(1) If the district's poverty index is greater than or equal 24414
to 1.0, but less than 1.75, determine the amount per teacher as 24415
follows: 24416

$[(\text{poverty index} - 1.0)/0.75] \times 0.045 \times \text{formula amount}$ 24417

(2) If the district's poverty index is greater than or equal 24418
to 1.75, the amount per teacher equals: 24419

district under division (G)(1) or (2) of this section by the 24424
number of teachers determined under division (G)(3) of this 24425
section, ~~times a phase in percentage of 0.40 in fiscal year 2006 24426
and 0.70 in fiscal year 2007. 24427~~

school district under this section shall be made under division 24887
(A) of section 3317.022 of the Revised Code. 24888

The department of education shall annually compute ~~and pay~~ 24889
state parity aid to school districts, as follows: 24890

(A) Calculate the local wealth per pupil of each school 24891
district, which equals the following sum: 24892

(1) Two-thirds times the quotient of (a) the district's 24893
recognized valuation divided by (b) its formula ADM; plus 24894

(2) One-third times the quotient of (a) the average of the 24895
total federal adjusted gross income of the school district's 24896

residents for the three years most recently reported under section 24897
3317.021 of the Revised Code divided by (b) its formula ADM. 24898

(B) Rank all school districts in order of local wealth per 24899
pupil, from the district with the lowest local wealth per pupil to 24900
the district with the highest local wealth per pupil. 24901

(C) Compute the per pupil state parity aid funding for each 24902
eligible school district in accordance with the following formula: 24903

(threshold local wealth 24904
per pupil - the district's local 24905
wealth per pupil) X ~~0.0075~~ parity millage 24906

Where: 24907

~~(1) Seven and one half mills (0.0075) is an adjustment to the 24908
original parity aid standard of nine and one half mills, to 24909
account for the general assembly's policy decision to phase out 24910
use of the cost of doing business factor in the base cost formula 24911
In fiscal year 2008, an "eligible school district" means a school 24912
district with a local wealth per pupil less than that of the 24913
school district with the four-hundred-eleventh lowest local wealth 24914
per pupil. In fiscal year 2009, an "eligible school district" 24915
means a school district with a local wealth per pupil less than 24916

(2) The "threshold local wealth per pupil" is the local 24919
wealth per pupil of the school district with the 24920
four-hundred-ninetieth lowest local wealth per pupil. 24921

(3) "Parity millage," in fiscal year 2008, equals 0.0080 and, 24922
in fiscal year 2009, equals 0.0085. 24923

If the result of the calculation for a school district under 24924
division (C) of this section is less than zero, the district's per 24925
pupil parity aid shall be zero. 24926

(D) Compute the per pupil alternative parity aid for each school district that has a combination of an income factor of 1.0 or less, a poverty index of 1.0 or greater, and a fiscal year 2005 cost-of-doing-business factor of 1.0375 or greater, in accordance with the following formula:

$$\text{Payment percentage} \times \$60,000 \times (1 - \text{income factor}) \times 4/15 \times 0.023$$

Where:

(1) "Poverty index" has the same meaning as in section 3317.029 of the Revised Code.

(2) "Payment percentage," for purposes of division (D) of this section, equals 50% in fiscal year 2002 and 100% after fiscal year 2002.

of determining average daily membership, the membership figure of 25363

system of their residence not later than four years after 25386
termination of war or their honorable discharge. 25387

If, however, any veteran described by division (E)(4) of this 25388
section elects to enroll in special courses organized for veterans 25389
for whom tuition is paid under the provisions of federal laws, or 25390
otherwise, that veteran shall not be included in average daily 25391

membership. 25392

Notwithstanding division (E)(3) of this section, the 25393
membership of any school may include a pupil who did not take a 25394
test required by section 3301.0711 of the Revised Code if the 25395
superintendent of public instruction grants a waiver from the 25396
requirement to take the test to the specific pupil and a parent is 25397
not paying tuition for the pupil pursuant to section 3313.6410 of 25398

Except as provided in divisions (B)(2) and (F) of this 25402
section, the average daily membership figure of any local, city, 25403
exempted village, or joint vocational school district shall be 25404
determined by dividing the figure representing the sum of the 25405
number of pupils enrolled during each day the school of attendance 25406
is actually open for instruction during the week for which the 25407
formula ADM is being certified by the total number of days the 25408
school was actually open for instruction during that week. For 25409
purposes of state funding, "enrolled" persons are only those 25410
pupils who are attending school, those who have attended school 25411
during the current school year and are absent for authorized 25412
reasons, and those ~~handicapped~~ children with disabilities 25413

The average daily membership figure of any cooperative 25415
education school district shall be determined in accordance with 25416
rules adopted by the state board of education. 25417

(F)(1) If the formula ADM for the first full school week in 25418
February is at least three per cent greater than that certified 25419

superintendent of schools of any city, exempted village, or joint 25421
vocational school district or educational service center shall 25422
certify such increase to the superintendent of public instruction. 25423

Such certification shall be submitted no later than the fifteenth 25424
day of February. For the balance of the fiscal year, beginning 25425
with the February payments, the superintendent of public 25426
instruction shall use the increased formula ADM in calculating or 25427
recalculating the amounts to be allocated in accordance with 25428
section 3317.022 or 3317.16 of the Revised Code. In no event shall 25429
the superintendent use an increased membership certified to the 25430
superintendent after the fifteenth day of February. ~~Division~~ 25431
~~(F)(1) of this section does not apply after fiscal year 2006.~~ 25432

(2) If on the first school day of April the total number of 25433

disabilities that are eligible for approval under division (B) of 25435
section 3317.05 of the Revised Code exceeds the number of units 25436
that have been approved for the year under that division, the 25437
superintendent of schools of any city, exempted village, or 25438
cooperative education school district or educational service 25439
center shall make the certifications required by this section for 25440
that day. If the department determines additional units can be 25441
approved for the fiscal year within any limitations set forth in 25442
the acts appropriating moneys for the funding of such units, the 25443
department shall approve additional units for the fiscal year on 25444
the basis of such average daily membership. For each unit so 25445
approved, the department shall pay an amount computed in the 25446
manner prescribed in section 3317.052 or 3317.19 and section 25447
3317.053 of the Revised Code. 25448

(3) If a student attending a community school under Chapter 25449
3314. of the Revised Code is not included in the formula ADM 25450
certified for the school district in which the student is entitled 25451
to attend school under section 3313.64 or 3313.65 of the Revised 25452
Code, the department of education shall adjust the formula ADM of 25453
that school district to include the community school student in 25454
accordance with division (C)(2) of this section, and shall 25455

recalculate the school district's payments under this chapter for 25456
the entire fiscal year on the basis of that adjusted formula ADM. 25457
This requirement applies regardless of whether the student was 25458
enrolled, as defined in division (E) of this section, in the 25459
community school during the week for which the formula ADM is 25460
being certified. 25461

(4) If a student awarded an educational choice scholarship is 25462
not included in the formula ADM of the school district from which 25463
the department deducts funds for the scholarship under section 25464
3310.08 of the Revised Code, the department shall adjust the 25465
formula ADM of that school district to include the student to the 25466
extent necessary to account for the deduction, and shall 25467
recalculate the school district's payments under this chapter for 25468
the entire fiscal year on the basis of that adjusted formula ADM. 25469
This requirement applies regardless of whether the student was 25470
enrolled, as defined in division (E) of this section, in the 25471
chartered nonpublic school, the school district, or a community 25472
school during the week for which the formula ADM is being 25473
certified. 25474

~~(b) The superintendent of an institution with vocational 25490
education units approved under division (A) of section 3317.05 of 25491
the Revised Code shall, for the units under the superintendent's 25492

eligible for approval under division (B) of section 3317.05 of the 25507
Revised Code, and the number of those classes. 25508

(3)(a) If on the first school day of April the number of 25509

is greater than the number of units approved for the year under 25513
that division, the superintendent shall make the certification 25514
required by this section for that day. 25515

(b) If the department determines that additional classes or 25516
units can be approved for the fiscal year within any limitations 25517
set forth in the acts appropriating moneys for the funding of the 25518

The allocation of payments for materials, equipment, 25999

be transferred to the auxiliary services personnel unemployment 26017

procedures limiting the purchase and loan of the items described 26020
in division (K) of this section to items that are in general use 26021

in the public schools of the state, that are incapable of 26022
diversion to religious use, and that are susceptible to individual 26023

department all moneys paid to it under division (I) of section 26026
3317.024 of the Revised Code and any interest earned on those 26027
moneys that are not required to pay expenses incurred under this 26028
section during the biennium for which the money was appropriated 26029
and during which the interest was earned. If a board of education 26030
subsequently determines that the remittal of moneys leaves the 26031
board with insufficient money to pay all valid expenses incurred 26032
under this section during the biennium for which the remitted 26033
money was appropriated, the board may apply to the department of 26034
education for a refund of money, not to exceed the amount of the 26035
insufficiency. If the department determines the expenses were 26036
lawfully incurred and would have been lawful expenditures of the 26037
refunded money, it shall certify its determination and the amount 26038
of the refund to be made to the director of job and family 26039
services who shall make a refund as provided in section 4141.47 of 26040
the Revised Code. 26041

Each school district shall label materials, equipment, 26042

section, acknowledging that they were purchased or leased with 26045
state funds under this section. However, a district need not label 26046
materials, equipment, computer hardware or software, textbooks, or 26047
electronic textbooks that the district determines are consumable 26048
in nature or have a value of less than two hundred dollars. 26049

Sec. 3317.063. The superintendent of public instruction, in 26050
accordance with rules adopted by the department of education, 26051
shall annually reimburse each chartered nonpublic school for the 26052
actual mandated service administrative and clerical costs incurred 26053

by such school during the preceding school year in preparing, 26054
maintaining, and filing reports, forms, and records, and in 26055
providing such other administrative and clerical services that are 26056
not an integral part of the teaching process as may be required by 26057
state law or rule or by requirements duly promulgated by city, 26058
exempted village, or local school districts. The mandated service 26059
costs reimbursed pursuant to this section shall include, but are 26060
not limited to, the preparation, filing and maintenance of forms, 26061
reports, or records and other clerical and administrative services 26062
relating to state chartering or approval of the nonpublic school, 26063
pupil attendance, pupil health and health testing, transportation 26064
of pupils, federally funded education programs, pupil appraisal, 26065
pupil progress, educator licensure, unemployment and workers' 26066
compensation, transfer of pupils, and such other education related 26067
data which are now or hereafter shall be required of such 26068
nonpublic school by state law or rule, or by requirements of the 26069
state department of education, other state agencies, or city, 26070
exempted village, or local school districts. 26071

The reimbursement required by this section shall be for 26072
school years beginning on or after July 1, 1981. 26073

Each nonpublic school which seeks reimbursement pursuant to 26074
this section shall submit to the superintendent of public 26075
instruction an application together with such additional reports 26076
and documents as the department of education may require. Such 26077
application, reports, and documents shall contain such information 26078
as the department of education may prescribe in order to carry out 26079
the purposes of this section. No payment shall be made until the 26080
superintendent of public instruction has approved such 26081
application. 26082

Each nonpublic school which applies for reimbursement 26083
pursuant to this section shall maintain a separate account or 26084
system of accounts for the expenses incurred in rendering the 26085

required services for which reimbursement is sought. Such accounts 26086
shall contain such information as is required by the department of 26087
education and shall be maintained in accordance with rules adopted 26088
by the department of education. 26089

Reimbursement payments to a nonpublic school pursuant to this 26090
section shall not exceed an amount for each school year equal to 26091
~~two~~ three hundred ~~seventy-five~~ dollars per pupil enrolled in that 26092
nonpublic school. 26093

The superintendent of public instruction may, from time to 26094
time, examine any and all accounts and records of a nonpublic 26095
school which have been maintained pursuant to this section in 26096
support of an application for reimbursement, for the purpose of 26097
determining the costs to such school of rendering the services for 26098
which reimbursement is sought. If after such audit it is 26099
determined that any school has received funds in excess of the 26100
actual cost of providing such services, said school shall 26101
immediately reimburse the state in such excess amount. 26102

Any payments made to chartered nonpublic schools under this 26103
section may be disbursed without submission to and approval of the 26104
controlling board. 26105

Sec. 3317.07. The state board of education shall establish 26106
rules for the purpose of distributing subsidies for the purchase 26107
of school buses under division (D) of section 3317.024 of the 26108
Revised Code. 26109

No school bus subsidy payments shall be paid to any district 26110
unless such district can demonstrate that pupils residing more 26111
than one mile from the school could not be transported without 26112
such additional aid. 26113

The amount paid to a county MR/DD board for buses purchased 26114
for transportation of children in special education programs 26115

operated by the board shall be based on a per pupil allocation for 26116
eligible students. 26117

The amount paid to a school district for buses purchased for 26118
transportation of ~~handicapped~~ pupils with disabilities and 26119
nonpublic school pupils shall be determined by a per pupil 26120
allocation based on the number of special education and nonpublic 26121
school pupils for whom transportation is provided. 26122

The state board of education shall adopt a formula to 26123
determine the amount of payments that shall be distributed to 26124
school districts to purchase school buses for pupils other than 26125
~~handicapped~~ pupils with disabilities or nonpublic school pupils. 26126

If any district or MR/DD board obtains bus services for pupil 26127
transportation pursuant to a contract, such district or board may 26128
use payments received under this section to defray the costs of 26129
contracting for bus services in lieu of for purchasing buses. 26130

If the department of education determines that a county MR/DD 26131
board no longer needs a school bus because the board no longer 26132
transports children to a special education program operated by the 26133
board, or if the department determines that a school district no 26134
longer needs a school bus to transport pupils to a nonpublic 26135

other applicable bond proceedings, for the pledge of all, or such 27014
part as the issuing authority may determine, of the pledged 27015
receipts and the applicable special fund or funds to the payment 27016
of bond service charges, which pledges may be made either prior or 27017
subordinate to other expenses, claims, or payments, and may be 27018
made to secure the obligations on a parity with obligations 27019
theretofore or thereafter issued, if and to the extent provided in 27020
the bond proceedings. The pledged receipts and special funds so 27021
pledged and thereafter received by the state are immediately 27022

other document with respect thereto; and the pledge of such 27032
pledged receipts and special funds is effective and the money 27033
therefrom and thereof may be applied to the purposes for which 27034
pledged without necessity for any act of appropriation, except as 27035
required by section 3770.06 of the Revised Code. Every pledge, and 27036
every covenant and agreement made with respect thereto, made in 27037
the bond proceedings may therein be extended to the benefit of the 27038
owners and holders of obligations authorized by this section, and 27039
to any trustee therefor, for the further security of the payment 27040
of the bond service charges. 27041

(E) The bond proceedings may contain additional provisions as 27042
to: 27043

(1) The redemption of obligations prior to maturity at the 27044

option of the issuing authority at such price or prices and under	27045
such terms and conditions as are provided in the bond proceedings;	27046
(2) Other terms of the obligations;	27047
(3) Limitations on the issuance of additional obligations;	27048
(4) The terms of any trust agreement or indenture securing	27049
the obligations or under which the same may be issued;	27050
(5) The deposit, investment and application of special funds,	27051
and the safeguarding of moneys on hand or on deposit, without	27052
regard to Chapter 131., 133., or 135. of the Revised Code, but	27053
subject to any special provisions of sections 3318.21 to 3318.29	27054
of the Revised Code, with respect to particular funds or moneys,	27055
provided that any bank or trust company that acts as depository of	27056
any moneys in the special funds may furnish such indemnifying	27057
bonds or may pledge such securities as required by the issuing	27058
authority;	27059
(6) Any or every provision of the bond proceedings being	27060
binding upon such officer, board, commission, authority, agency,	27061
department, or other person or body as may from time to time have	27062
the authority under law to take such actions as may be necessary	27063
to perform all or any part of the duty required by such provision;	27064
(7) Any provision that may be made in a trust agreement or	27065
indenture;	27066

provided in one or more lease or sublease agreements between the	27071
school or the state and the issuing authority;	27072
(9) Any other or additional agreements with the holders of	27073
the obligations, or the trustee therefor, relating to the	27074

Any obligations or coupons may be executed by the person who, on 27080
the date of execution, is the proper issuing authority although on 27081
the date of such bonds or coupons such person was not the issuing 27082
authority. In case the issuing authority whose signature or a 27083
facsimile of whose signature appears on any such obligation or 27084
coupon ceases to be the issuing authority before delivery thereof, 27085
such signature or facsimile is nevertheless valid and sufficient 27086
for all purposes as if the issuing authority had remained the 27087
issuing authority until such delivery; and in case the seal to be 27088
affixed to obligations has been changed after a facsimile of the 27089

charges for such registration, exchange, conversion, and 27103
reconversion. 27104

(H) Obligations may be sold at public sale or at private 27105
sale, as determined in the bond proceedings. 27106

(I) Pending preparation of definitive obligations, the 27107
issuing authority may issue interim receipts or certificates which 27108
shall be exchanged for such definitive obligations. 27109

may be secured additionally by a trust agreement or indenture 27111
between the issuing authority and a corporate trustee which may be 27112
any trust company or bank having ~~its principal~~ a place of business 27113
within the state. Any such agreement or indenture may contain the 27114
resolution or order authorizing the issuance of the obligations, 27115
any provisions that may be contained in any bond proceedings, and 27116
other provisions that are customary or appropriate in an agreement 27117
or indenture of such type, including, but not limited to: 27118

of the trustee, and provisions for protecting and enforcing them, 27130
including limitations on rights of individual holders of 27131
obligations; 27132

proceedings, except to the extent that the holder's or trustee's 27139
rights are restricted by the bond proceedings, may by any suitable 27140
form of legal proceedings, protect and enforce any rights under 27141
the laws of this state or granted by such bond proceedings. Such 27142
rights include the right to compel the performance of all duties 27143

which are pledged to the payment of the bond service charges on 27155
such obligations or which are the subject of the covenant or 27156
agreement, with full power to pay, and to provide for payment of 27157
bond service charges on, such obligations, and with such powers, 27158
subject to the direction of the court, as are accorded receivers 27159
in general equity cases, excluding any power to pledge additional 27160
revenues or receipts or other income or moneys of the issuing 27161
authority or the state or governmental agencies of the state to 27162

pursuant to the bond proceedings or any agreement or loan made 27169
under authority of sections 3318.21 to 3318.29 of the Revised 27170

fund and for the application of such accounts only to the 27225
specified bond service charges on obligations pertinent to such 27226
accounts and bond service fund and for other accounts therein 27227

provided that no such order is required for the payment from the 27232
bond service fund when due of bond service charges on obligations. 27233

proceedings, and any such covenants shall be controlling 27243
notwithstanding any other provision of law, that the state and 27244
applicable officers and governmental agencies of the state, 27245
including the general assembly, so long as any obligations are 27246

of any reserves and other requirements provided for in the bond 27253
proceedings; 27254

(2) Take or permit no action, by statute or otherwise, that 27255

state treasury. All moneys received by or on account of the 27262
issuing authority or state agencies and required by the applicable 27263
bond proceedings, consistent with this section, to be deposited, 27264
transferred, or credited to the school building program bond 27265
service fund, and all other moneys transferred or allocated to or 27266

received for the purposes of the fund, shall be deposited and 27267

by section 3770.06 of the Revised Code. During the period 27271
beginning with the date of the first issuance of obligations and 27272
continuing during such time as any such obligations are 27273
outstanding, and so long as moneys in the school building program 27274
bond service fund are insufficient to pay all bond service charges 27275
on such obligations becoming due in each year, a sufficient amount 27276
of the moneys from the lottery profits education fund included in 27277
pledged receipts, subject to appropriation for such purpose as 27278
provided in section 3770.06 of the Revised Code, are committed and 27279
shall be paid to the school building program bond service fund in 27280
each year for the purpose of paying the bond service charges 27281
becoming due in that year. The school building program bond 27282
service fund is a trust fund and is hereby pledged to the payment 27283
of bond service charges solely on obligations issued to provide 27284
moneys for the school building program assistance fund to the 27285
extent provided in the applicable bond proceedings, and payment 27286
thereof from such fund shall be made or provided for by the 27287
treasurer of state in accordance with such bond proceedings 27288
without necessity for any act of appropriation except as required 27289
by section 3770.06 of the Revised Code. 27290

(R) The obligations, the transfer thereof, and the income 27291
therefrom, including any profit made on the sale thereof, at all 27292
times shall be free from taxation within the state. 27293

Sec. 3318.36. (A)(1) As used in this section: 27294

(a) "Ohio school facilities commission," "classroom 27295
facilities," "school district," "school district board," "net 27296
bonded indebtedness," "required percentage of the basic project 27297

costs," "basic project cost," "valuation," and "percentile" have 27298
the same meanings as in section 3318.01 of the Revised Code. 27299

(b) "Required level of indebtedness" means five per cent of 27300
the school district's valuation for the year preceding the year in 27301
which the commission and school district enter into an agreement 27302
under division (B) of this section, plus [two one-hundredths of 27303
one per cent multiplied by (the percentile in which the district 27304
ranks minus one)]. 27305

(c) "Local resources" means any moneys generated in any 27306
manner permitted for a school district board to raise the school 27307
district portion of a project undertaken with assistance under 27308
sections 3318.01 to 3318.20 of the Revised Code. 27309

(2) For purposes of determining either the required level of 27310
indebtedness, as defined in division (A)(1)(b) of this section, or 27311
the required percentage of the basic project costs, under division 27312
(C)(1) of this section, the percentile ranking of a school 27313
district with which the commission has entered into an agreement 27314
under this section between the first day of July and the 27315
thirty-first day of August in each fiscal year is the percentile 27316
ranking calculated for that district for the immediately preceding 27317
fiscal year, and the percentile ranking of a school district with 27318
which the commission has entered into such agreement between the 27319
first day of September and the thirtieth day of June in each 27320
fiscal year is the percentile ranking calculated for that district 27321
for the current fiscal year. 27322

(B)(1) There is hereby established the school building 27323
assistance expedited local partnership program. Under the program, 27324
the Ohio school facilities commission may enter into an agreement 27325
with the school district board of any school district under which 27326
the school district board may proceed with the new construction or 27327
major repairs of a part of the school district's classroom 27328
facilities needs, as determined under sections 3318.01 to 3318.20 27329

of the Revised Code, through the expenditure of local resources 27330
prior to the school district's eligibility for state assistance 27331
under sections 3318.01 to 3318.20 of the Revised Code and may 27332
apply that expenditure toward meeting the school district's 27333
portion of the basic project cost of the total of the school 27334
district's classroom facilities needs, as determined under 27335
sections 3318.01 to 3318.20 of the Revised Code and as 27336
recalculated under division (E) of this section, that are eligible 27337
for state assistance under sections 3318.01 to 3318.20 of the 27338
Revised Code when the school district becomes eligible for such 27339
state assistance. Any school district that is reasonably expected 27340
to receive assistance under sections 3318.01 to 3318.20 of the 27341
Revised Code within two fiscal years from the date the school 27342
district adopts its resolution under division (B) of this section 27343
shall not be eligible to participate in the program. 27344

(2) To participate in the program, a school district board 27345
shall first adopt a resolution certifying to the commission the 27346
board's intent to participate in the program. 27347

The resolution shall specify the approximate date that the 27348
board intends to seek elector approval of any bond or tax measures 27349
or to apply other local resources to use to pay the cost of 27350
classroom facilities to be constructed under this section. The 27351
resolution may specify the application of local resources or 27352
elector-approved bond or tax measures after the resolution is 27353
adopted by the board, and in such case the board may proceed with 27354
a discrete portion of its project under this section as soon as 27355
the commission and the controlling board have approved the basic 27356
project cost of the district's classroom facilities needs as 27357
specified in division (D) of this section. The board shall submit 27358
its resolution to the commission not later than ten days after the 27359
date the resolution is adopted by the board. 27360

The commission shall not consider any resolution that is 27361

submitted pursuant to division (B)(2) of this section, as amended 27362
by this amendment, sooner than September 14, 2000. 27363

(3) Any project under this section shall comply with section 27364
3318.03 of the Revised Code and with any specifications for plans 27365
and materials for classroom facilities adopted by the commission 27366
under section 3318.04 of the Revised Code. 27367

(4) If a school district that enters into an agreement under 27368
this section has not begun a project applying local resources as 27369
provided for under that agreement at the time the district is 27370
notified by the commission that it is eligible to receive state 27371
assistance under sections 3318.01 to 3318.20 of the Revised Code, 27372
all assessment and agreement documents entered into under this 27373
section are void. 27374

(5) Only construction of or repairs to classroom facilities 27375
that have been approved by the commission and have been therefore 27376
included as part of a district's basic project cost qualify for 27377
application of local resources under this section. 27378

(C) Based on the results of the on-site visits and assessment 27379
conducted under division (B)(2) of this section, the commission 27380
shall determine the basic project cost of the school district's 27381
classroom facilities needs. The commission shall determine the 27382
school district's portion of such basic project cost, which shall 27383
be the greater of: 27384

(1) The required percentage of the basic project costs, 27385
determined based on the school district's percentile ranking; 27386

(2) An amount necessary to raise the school district's net 27387
bonded indebtedness, as of the fiscal year the commission and the 27388
school district enter into the agreement under division (B) of 27389
this section, to within five thousand dollars of the required 27390
level of indebtedness. 27391

(D)(1) When the commission determines the basic project cost 27392

of the classroom facilities needs of a school district and the 27393
school district's portion of that basic project cost under 27394
division (C) of this section, the project shall be conditionally 27395

basic project cost; however, no state funds shall be encumbered 27400
under this section. Upon approval by the controlling board, the 27401
school district board may identify a discrete part of its 27402
classroom facilities needs, which shall include only new 27403
construction of or additions or major repairs to a particular 27404
building, to address with local resources. Upon identifying a part 27405
of the school district's basic project cost to address with local 27406
resources, the school district board may allocate any available 27407
school district moneys to pay the cost of that identified part, 27408
including the proceeds of an issuance of bonds if approved by the 27409
electors of the school district. 27410

All local resources utilized under this division shall first 27411
be deposited in the project construction account required under 27412

cost of maintaining the classroom facilities included in the basic 27422
project cost as determined by the commission. The form of the 27423
ballot to be used to submit the question whether to approve the 27424

district shall be the form for an additional levy of taxes 27426

combined in a single ballot question with the questions prescribed 27428
under section 5705.218 of the Revised Code. 27429

(b) As authorized under division (C) of section 3318.05 of 27430
the Revised Code, the school district board shall earmark from the 27431
proceeds of a permanent improvement tax levied under section 27432
5705.21 of the Revised Code, an amount equivalent to the 27433

section for the maintenance of the classroom facilities included 27435
in the basic project cost as determined by the commission. 27436

(c) As authorized under section 3318.051 of the Revised Code, 27437
the school district board shall, if approved by the commission, 27438
annually transfer into the maintenance fund required under section 27439
3318.05 of the Revised Code the amount prescribed in section 27440
3318.051 of the Revised Code in lieu of the tax otherwise required 27441
under division (D)(2)(a) of this section for the maintenance of 27442
the classroom facilities included in the basic project cost as 27443
determined by the commission. 27444

(d) If the school district board has rescinded the agreement 27445
to make transfers under section 3318.051 of the Revised Code, as 27446
provided under division (F) of that section, the electors of the 27447
school district, in accordance with section 3318.063 of the 27448
Revised Code, first shall approve the levy of taxes outside the 27449
ten-mill limitation for the period specified in that section at a 27450
rate of not less than one-half mill for each dollar of valuation. 27451

(e) The school district board shall apply the proceeds of a 27452
tax to leverage bonds as authorized under section 3318.052 of the 27453
Revised Code or dedicate a local donated contribution in the 27454
manner described in division (B) of section 3318.084 of the 27455
Revised Code in an amount equivalent to the additional tax 27456

the maintenance of the classroom facilities included in the basic 27458
project cost as determined by the commission. 27459

(3) A school district board may opt to delay taking any of 27460
the actions described in division (D)(2) of this section until 27461
such time as the school district becomes eligible for state 27462
assistance under sections 3318.01 to 3318.20 of the Revised Code. 27463
In order to exercise this option, the board shall certify to the 27464
commission a resolution indicating the board's intent to do so 27465
prior to entering into an agreement under division (B) of this 27466
section. 27467

(4) If pursuant to division (D)(3) of this section a district 27468
board opts to delay levying an additional tax until the district 27469
becomes eligible for state assistance, it shall submit the 27470
question of levying that tax to the district electors as follows: 27471

(a) In accordance with section 3318.06 of the Revised Code if 27472
it will also be necessary pursuant to division (E) of this section 27473
to submit a proposal for approval of a bond issue; 27474

(b) In accordance with section 3318.361 of the Revised Code 27475
if it is not necessary to also submit a proposal for approval of a 27476
bond issue pursuant to division (E) of this section. 27477

(5) No state assistance under sections 3318.01 to 3318.20 of 27478

section also demonstrates to the satisfaction of the commission 27481
compliance with the provisions of division (D)(2) of this section. 27482

Any amount required for maintenance under division (D)(2) of 27483
this section shall be deposited into a separate fund as specified 27484
in division (B) of section 3318.05 of the Revised Code. 27485

(E)(1) If the school district becomes eligible for state 27486
assistance under sections 3318.01 to 3318.20 of the Revised Code 27487

based on its percentile ranking as determined under division (B) 27488
of this section, the commission shall conduct a new assessment of 27489
the school district's classroom facilities needs and shall 27490
recalculate the basic project cost based on this new assessment. 27491
The basic project cost recalculated under this division shall 27492
include the amount of expenditures made by the school district 27493
board under division (D)(1) of this section. The commission shall 27494
then recalculate the school district's portion of the new basic 27495
project cost, which shall be the percentage of the original basic 27496
project cost assigned to the school district as its portion under 27497
division (C) of this section. The commission shall deduct the 27498
expenditure of school district moneys made under division (D)(1) 27499
of this section from the school district's portion of the basic 27500
project cost as recalculated under this division. If the amount of 27501
school district resources applied by the school district board to 27502
the school district's portion of the basic project cost under this 27503
section is less than the total amount of such portion as 27504
recalculated under this division, the school district board by a 27505
majority vote of all of its members shall, if it desires to seek 27506
state assistance under sections 3318.01 to 3318.20 of the Revised 27507

Revised Code to submit to the electors of the school district the 27509
question of approval of a bond issue in order to pay any 27510
additional amount of school district portion required for state 27511
assistance. Any tax levy approved under division (D) of this 27512
section satisfies the requirements to levy the additional tax 27513
under section 3318.06 of the Revised Code. 27514

(2) If the amount of school district resources applied by the 27515
school district board to the school district's portion of the 27516
basic project cost under this section is more than the total 27517
amount of such portion as recalculated under this division, within 27518
one year after the school district's portion is recalculated under 27519
division (E)(1) of this section the commission may grant to the 27520

school district the difference between the two calculated 27521
portions, but at no time shall the commission expend any state 27522
funds on a project in an amount greater than the state's portion 27523
of the basic project cost as recalculated under this division. 27524

Any reimbursement under this division shall be only for local 27525
resources the school district has applied toward construction cost 27526
expenditures for the classroom facilities approved by the 27527
commission, which shall not include any financing costs associated 27528
with that construction. 27529

The school district board shall use any moneys reimbursed to 27530
the district under this division to pay off any debt service the 27531
district owes for classroom facilities constructed under its 27532
project under this section before such moneys are applied to any 27533
other purpose. However, the district board first may deposit 27534
moneys reimbursed under this division into the district's general 27535
fund or a permanent improvement fund to replace local resources 27536
the district withdrew from those funds, as long as, and to the 27537
extent that, those local resources were used by the district for 27538
constructing classroom facilities included in the district's basic 27539
project cost. 27540

(F) If a school district has entered into an agreement with 27541
the commission under this section and the electors of the district 27542
have approved a bond issue to pay the district's portion of the 27543
basic project cost, the district shall not be ranked in a higher 27544
percentile under section 3318.011 of the Revised Code than the 27545
percentile in which the district was ranked on the date that the 27546
bond issue was approved, regardless of the district's three-year 27547
average adjusted valuation per pupil calculated under that section 27548
for any subsequent fiscal year. 27549

statement under this section shall be used instead of the 28741
operating expenses of the school district of residence; 28742

(b) Deduct from the amount of state funds, if any, payable 28743
under sections 3317.022 and 3317.023 of the Revised Code to the 28744
child's school district of residence an amount equal to the amount 28745
paid under division (C)(2)(a) of this section. 28746

Sec. 3323.11. Each school district shall employ, as 28747
necessary, the personnel to meet the needs of the children with 28748
disabilities enrolled in its schools. Personnel shall possess 28749
appropriate qualifications and certificates or licenses as 28750

school, even with the help of special transportation. The board 28759
may arrange for the provision of home instruction for a child by a 28760

cooperative agreement or contract with a county MR/DD board of 28761

under section 3317.03 of the Revised Code, five hours of home 28764
instruction shall be equivalent to attendance for five school 28765
days. 28766

Sec. 3323.13. (A) If a child who is a school resident of one 28767
school district receives special education from another district, 28768
the board of education of the district providing the education, 28769
subject to division (C) of this section, may require the payment 28770
by the board of education of the district of residence of a sum 28771
not to exceed one of the following, as applicable: 28772

(1) For any child except a ~~handicapped~~ preschool child with a 28773
disability described in division (A)(2) of this section, the 28774
tuition of the district providing the education for a child of 28775

amount of such tuition shall be in the manner provided for by 28777
division (A) of section 3317.08 of the Revised Code. 28778

(2) For any ~~handicapped~~ preschool child with a disability not 28779

education for the child as calculated under division (B) of 28782
section 3317.08 of the Revised Code. 28783

(B) The board of the district of residence may contract with 28784
the board of another district for the transportation of such child 28785
into any school in such other district, on terms agreed upon by 28786
such boards. Upon direction of the state board of education, the 28787
board of the district of residence shall pay for the child's 28788
transportation and the tuition. 28789

(C) The board of education of a district providing the 28790
education for a child shall be entitled to require payment from 28791

the district of residence under this section or section 3323.14 of 28792
the Revised Code only if the district providing the education has 28793
done at least one of the following: 28794

to attend the meetings of the team developing the child's 28796
individualized education program; 28797

(2) Received from the district of residence a copy of the 28798
individualized education program or a ~~multi-factored~~ multifactored 28799
evaluation developed for the child by the district of residence; 28800

(3) Informed the district of residence in writing that the 28801
district is providing the education for the child. 28802

As used in division (C)(2) of this section, "~~multi-factored~~ 28803
multifactored evaluation" means an evaluation, conducted by a 28804
~~multi-disciplinary~~ multidisciplinary team, of more than one area 28805
of the child's functioning so that no single procedure shall be 28806
the sole criterion for determining an appropriate educational 28807
program placement for the child. 28808

Sec. 3323.14. This section does not apply to any ~~handicapped~~ 28809
preschool child with a disability except if included in a unit 28810
approved under division (B) of section 3317.05 of the Revised 28811
Code. 28812

(A) Where a child who is a school resident of one school 28813
district receives special education from another district and the 28814
per capita cost to the educating district for that child exceeds 28815
the sum of the amount received by the educating district for that 28816
child under division (A) of section 3317.08 of the Revised Code 28817
and the amount received by the district from the state board of 28818
education for that child, then the board of education of the 28819
district of residence shall pay to the board of the school 28820
district that is providing the special education such excess cost 28821

as is determined by using a formula approved by the department of 28822
education and agreed upon in contracts entered into by the boards 28823
of the ~~district~~ districts concerned at the time the district 28824
providing such special education accepts the child for enrollment. 28825
The department of ~~education~~ shall certify the amount of the 28826
payments under Chapter 3317. of the Revised Code for such 28827
~~handicapped~~ pupils with disabilities for each school year ending 28828
on the thirtieth day of July. 28829

(B) In the case of a child described in division (A) of this 28830
section who has been placed in a home, as defined in section 28831
3313.64 of the Revised Code, pursuant to the order of a court and 28832
who is not subject to section 3323.141 of the Revised Code, the 28833
district providing the child with special education and related 28834
services may charge to the child's district of residence the 28835
excess cost determined by formula approved by the department, 28836
regardless of whether the district of residence has entered into a 28837
contract with the district providing the services. If the district 28838
providing the services chooses to charge excess costs, the 28839
district may report the amount calculated under this division to 28840
the department. 28841

(C) If a district providing special education for a child 28842
reports an amount for the excess cost of those services, as 28843
authorized and calculated under division (A) or (B) of this 28844
section, the department shall pay that amount of excess cost to 28845
the district providing the services and shall deduct that amount 28846
from the child's district of residence in accordance with division 28847
(N) of section 3317.023 of the Revised Code. 28848

Sec. 3323.141. (A) When a child who is not in the legal or 28849
permanent custody of an Ohio resident or a government agency in 28850
this state and whose natural or adoptive parents are not known to 28851
have been residents of this state subsequent to the child's birth 28852

is a resident of a home as defined in section 3313.64 of the Revised Code and receives special education and related services from a school district or county ~~MR/DD board of mental retardation and developmental disabilities~~, the home shall pay tuition to the board providing the special education.

(B) In the case of a child described in division (A) of this section who receives special education and related services from a school district, tuition shall be the amount determined under division (B)(1) or (2) of this section.

(1) For a child other than a child described in division (B)(2) of this section the tuition shall be an amount equal to the sum of the following:

(a) Tuition as determined in the manner provided for by division (B) of section 3317.081 of the Revised Code for the district that provides the special education;

(b) Such excess cost as is determined by using a formula established by rule of the department of education. The excess cost computed in this section shall not be used as excess cost computed under section 3323.14 of the Revised Code.

(2) For a child who is a ~~handicapped~~ preschool child with a disability not included in a unit approved under division (B) of section 3317.05 of the Revised Code, the tuition shall be computed as follows:

(a) Determine the amount of the tuition of the district providing the education for the child as calculated under division (B) of section 3317.08 of the Revised Code;

(b) For each type of special education service included in the computation of the amount of tuition under division (B)(2)(a) of this section, divide the amount determined for that computation under division (B)(2) of section 3317.08 of the Revised Code by the total number of ~~handicapped~~ preschool children with

disabilities used for that computation under division (B)(3) of 28884
section 3317.08 of the Revised Code; 28885

(c) Determine the sum of the quotients obtained under 28886
division (B)(2)(b) of this section; 28887

(d) Determine the sum of the amounts determined under 28888
divisions (B)(2)(a) and (c) of this section. 28889

(C) In the case of a child described in division (A) of this 28890
section who receives special education and related services from a 28891
county MR/DD board ~~of mental retardation and developmental~~ 28892
~~disabilities~~, tuition shall be the amount determined under 28893
division (C)(1) or (2) of this section. 28894

(1) For a child other than a child described in division 28895
(C)(2) of this section, the tuition shall be an amount equal to 28896
such board's per capita cost of providing special education and 28897
related services for children at least three but less than 28898
twenty-two years of age as determined by using a formula 28899
established by rule of the department of mental retardation and 28900
developmental disabilities. 28901

(2) For a child who is a ~~handicapped~~ preschool child with a 28902
disability not included in a unit approved under division (B) of 28903
section 3317.05 of the Revised Code, the tuition shall equal the 28904
sum of the amounts of each such board's per capita cost of 28905
providing each of the special education or related service that 28906
the child receives. The calculation of tuition shall be made by 28907
using a formula established by rule of the department of mental 28908
retardation and developmental disabilities. The formula for the 28909
calculation of per capita costs under division (C)(2) of this 28910
section shall be based only on each such MR/DD board's cost of 28911
providing each type of special education or related service to 28912
~~handicapped~~ preschool children with disabilities not included in a 28913
unit approved under division (B) of section 3317.05 of the Revised 28914

Code. 28915

(D) If a home fails to pay the tuition required under this 28916
section, the board of education or county MR/DD board ~~of mental~~ 28917
~~retardation and developmental disabilities~~ providing the education 28918
may recover in a civil action the tuition and the expenses 28919
incurred in prosecuting the action, including court costs and 28920
reasonable attorney's fees. If the prosecuting attorney or city 28921
director of law represents the board in such action, costs and 28922
reasonable attorney's fees awarded by the court, based upon the 28923
time spent preparing and presenting the case by the prosecuting 28924
attorney, director, or a designee of either, shall be deposited in 28925
the county or city general fund. 28926

Sec. 3323.142. This section does not apply to any ~~handicapped~~ 28927
preschool child with a disability except if included in a unit 28928
approved under division (B) of section 3317.05 of the Revised 28929
Code. 28930

As used in this section, "per pupil amount" for a ~~handicapped~~ 28931
preschool child with a disability included in such an approved 28932
unit means the amount determined by dividing the amount received 28933
for the classroom unit in which the child has been placed by the 28934
number of children in the unit. For any other child, "per pupil 28935
amount" means the amount paid for the child under section 3317.20 28936
of the Revised Code. 28937

When a school district places or has placed a child with a 28938
county MR/DD board for special education, but another district is 28939
responsible for tuition under section 3313.64 or 3313.65 of the 28940
Revised Code and the child is not a resident of the territory 28941
served by the county MR/DD board, the board may charge the 28942
district responsible for tuition with the educational costs in 28943
excess of the per pupil amount received by the board under Chapter 28944
3317. of the Revised Code. The amount of the excess cost shall be 28945

determined by the formula established by rule of the department of 28946
education under section 3323.14 of the Revised Code, and the 28947
payment for such excess cost shall be made by the school district 28948
directly to the county MR/DD board. 28949

A school district board of education and the county MR/DD 28950
board that serves the school district may negotiate and contract, 28951
at or after the time of placement, for payments by the board of 28952
education to the county MR/DD board for additional services 28953
provided to a child placed with the county MR/DD board and whose 28954
individualized education program established pursuant to section 28955
3323.08 of the Revised Code requires additional services that are 28956
not routinely provided children in the county MR/DD board's 28957
program but are necessary to maintain the child's enrollment and 28958
participation in the program. Additional services may include, but 28959
are not limited to, specialized supplies and equipment for the 28960
benefit of the child and instruction, training, or assistance 28961
provided by staff members other than staff members for which 28962
funding is received under Chapter 3317. of the Revised Code. 28963

Sec. 3323.143. If a ~~handicapped child's~~ child with a 28964
disability's custodial parent has made a unilateral placement of 28965
the child, the parent shall be responsible for payment of tuition 28966
to the program or facility the child is attending as a result of 28967
that placement as long as the district of residence has offered a 28968
free appropriate public education to that child. As used in this 28969
section, "unilateral placement" means withdrawing a ~~handicapped~~ 28970
child with a disability from a program or facility operated by the 28971
district of residence or from a program or facility with which the 28972
district of residence has arranged for education of the child and 28973
instead enrolling that child in another program or facility that 28974
is not a home, as defined in section 3313.64 of the Revised Code, 28975
or that is not a facility or program available to the child 28976
pursuant to an open enrollment policy under section 3313.98 or 28977

3313.983 of the Revised Code. 28978

Sec. 3323.15. The state board of education may arrange to pay 28979
to any board of education, the board for any ~~handicapped~~ children 28980
with disabilities who are not residents of the district but for 28981
whom the district is providing special education. Payments shall 28982
be made in accordance with rules and standards of the state board 28983
of education. 28984

Sec. 3323.17. The department of education shall: 28985

(A) Provide supervision and technical assistance to school 28986
districts in all accepted methods of educating ~~handicapped~~ 28987
children with disabilities who ~~are deaf or hard of hearing~~ have 28988
hearing impairments, including the oral, manual, and total 28989

sign language as a foreign language; 29000

(D) Consult with school districts and chartered nonpublic 29001
schools that use interpreters in classrooms and with any other 29002
interested school districts or chartered nonpublic schools about 29003
how to obtain the best interpreters and how interpreters can 29004
improve their skills. 29005

Sec. 3323.18. If any special education program provided 29006

pursuant to this chapter or Chapter 3325. of the Revised Code 29007
serves a student with a visual disability impairment for whom 29008
instruction in braille reading and writing is specified as 29009
appropriate pursuant to division (A)(2) of section 3323.011 of the 29010
Revised Code, the entity providing the program shall integrate the 29011
use of braille reading and writing into the student's entire 29012
curriculum and other classroom activities in such a manner that 29013
braille reading and writing becomes an effective learning tool for 29014
the student. 29015

Sec. 3323.20. On July 1, 2006, and on each first day of July 29016
thereafter, the department of education shall electronically 29017
report to the general assembly the number of ~~handicapped~~ preschool 29018
children with disabilities who received services for which the 29019
department made a payment to any provider during the previous 29020
fiscal year, disaggregated according to each area of developmental 29021
deficiency identified by the department for the evaluation of such 29022
children. 29023

Sec. 3323.30. The Ohio center for autism and low incidence is 29024
hereby established within the department of education's office for 29025
exceptional children, or any successor of that office. The center 29026
shall administer programs and coordinate services for infants, 29027
preschool and school-age children, and adults with autism and low 29028
incidence disabilities. The center's principal focus shall be 29029
programs and services for persons with autism. The center shall be 29030
under the direction of an executive director, appointed by the 29031
superintendent of public instruction in consultation with the 29032
advisory board established under section 3323.31 of the Revised 29033
Code. The department shall use state and federal funds 29034
appropriated to the department for operation of the center. 29035

As used in this section and in sections 3323.31 to 3323.33 of 29036
the Revised Code, "autism and low incidence disabilities" includes 29037

section does not apply to any joint vocational or cooperative 29186
education school district or its superintendent. 29187

a volunteer bus rider assistance program, under which qualified 29189

adults or responsible older pupils, as determined by the 29190
superintendent, may be authorized to ride on school buses with 29191
pupils during such periods of time that the buses are being used 29192
to transport pupils to and from schools. Volunteers shall not be 29193

shall prescribe the content and length of such program, which 29215
shall be presented within two weeks after the commencement of 29216
classes each school year. 29217

Sec. 3327.17. The department of development shall establish a 29218

biodiesel fuel for pupil transportation to help offset incremental 29221
costs incurred by using biodiesel instead of one hundred per cent 29222

Prior to recommending a program for elimination, the chancellor 29257
shall request the board of regents to hold at least one public 29258
