A health insuring corporation shall not refuse to contract with a health care facility for the provision of health care services on the basis that the health care facility is certified or accredited by the American osteopathic association or that the health care facility is an osteopathic hospital as defined in section 3702.51 of the Revised Code. 26 27 28 29 30 31 32 33 34 35 36

(2) When a health insuring corporation is unable to provide a covered health care service from a contracted provider or health care facility, the health insuring corporation must provide that health care service from a noncontracted provider or health care facility consistent with the terms of the enrollee's policy, 44 45 46 47 48

(3) Nothing in this section shall prohibit a health insuring corporation from entering into contracts with out-of-state providers or health care facilities that are licensed, certified, accredited, or otherwise authorized in that state. 55 56 57 58

Sec. 3963.04. (A)(1) An amendment of a health care contract shall occur only if the contracting entity provides to the participating provider the proposed amendment in writing and notice of the proposed amendment not later than sixty days prior to the effective date of the amendment.
