(C)(1)(a) Any student receiving special education services 751
under Chapter 3323. of the Revised Code may be excused from taking 752
any particular test required to be administered under this section 753
if the individualized education program developed for the student 754

student from taking that test and instead specifies an alternate 756
assessment method approved by the department of education as 757
conforming to requirements of federal law for receipt of federal 758
funds for disadvantaged pupils. To the extent possible, the 759
individualized education program shall not excuse the student from 760
taking a test unless no reasonable accommodation can be made to 761

(b) Any alternate assessment approved by the department for a 763

test. In the case of any student so excused from taking a test, 778
the chartered nonpublic school shall not prohibit the student from 779
taking the test. 780

(2) A district board may, for medical reasons or other good 781
cause, excuse a student from taking a test administered under this 782
section on the date scheduled, but any such test shall be 783
administered to such excused student not later than nine days 784
following the scheduled date. The board shall annually report the 785

(3) As used in this division, "limited English proficient 789
student" has the same meaning as in 20 U.S.C. 7801. 790

any such reading or writing test. However, no board shall prohibit 796
a limited English proficient student who is not required to take a 797
test under this division from taking the test. A board may permit 798

any limited English proficient student to take any test required 799
to be administered under this section with appropriate 800

administered under this section. However, no governing authority 807

the test. 809

(D)(1) In the school year next succeeding the school year in 810
which the tests prescribed by division (A)(1) or (B) of section 811
3301.0710 of the Revised Code or former division (A)(1), (A)(2), 812

the test. 821

(2) Following any administration of the tests prescribed by 822
division (F) of section 3301.0710 of the Revised Code to ninth 823
grade students, each school district that has a three-year average 824
graduation rate of not more than seventy-five per cent shall 825
determine for each high school in the district whether the school 826
shall be required to provide intervention services to any students 827
who took the tests. In determining which high schools shall 828
provide intervention services based on the resources available, 829
the district shall consider each school's graduation rate and 830

scores on the practice tests. The district also shall consider the 831
scores received by ninth grade students on the reading and 832
mathematics tests prescribed under division (A)(1)(f) of section 833
3301.0710 of the Revised Code in the eighth grade in determining 834
which high schools shall provide intervention services. 835

Each high school selected to provide intervention services 836
under this division shall provide intervention services to any 837
student whose test results indicate that the student is failing to 838
make satisfactory progress toward being able to attain scores at 839
the proficient level on the Ohio graduation tests. Intervention 840
services shall be provided in any skill in which a student 841
demonstrates unsatisfactory progress and shall be commensurate 842
with the student's test performance. Schools shall provide the 843
intervention services prior to the end of the school year, during 844
the summer following the ninth grade, in the next succeeding 845
school year, or at any combination of those times. 846

(E) Except as provided in section 3313.608 of the Revised 847
Code and division (M) of this section, no school district board of 848
education shall utilize any student's failure to attain a 849
specified score on any test administered under this section as a 850
factor in any decision to deny the student promotion to a higher 851
grade level. However, a district board may choose not to promote 852
to the next grade level any student who does not take any test 853
administered under this section or make up such test as provided 854
by division (C)(2) of this section and who is not exempt from the 855
requirement to take the test under division (C)(3) of this 856
section. 857

(F) No person shall be charged a fee for taking any test 858
administered under this section. 859

(G)(1) Each school district board shall designate one 860
location for the collection of tests administered in the spring 861
under division (B)(1) of this section and the tests administered 862

under divisions (B)(2) to (7) of this section. Each district board 863
shall submit the tests to the entity with which the department 864
contracts for the scoring of the tests as follows: 865

through twelve during the first full school week of October was 867
less than two thousand five hundred, not later than the Friday 868
after all of the tests ~~are~~ have been administered; 869

(b) If the district's total enrollment in grades kindergarten 870
through twelve during the first full school week of October was 871

administered; 874

(c) If the district's total enrollment in grades kindergarten 875
through twelve during the first full school week of October was 876
seven thousand or more, not later than the Tuesday after all of 877
the tests ~~are~~ have been administered. 878

However, any such test that a student takes during the 879
make-up period described in division (C)(2) of this section shall 880
be submitted not later than the Friday following the day the 881
student takes the test. 882

(2) The department or an entity with which the department 883
contracts for the scoring of the test shall send to each school 884
district board a list of the individual test scores of all persons 885
taking any test prescribed by division (A)(1) or (B) of section 886
3301.0710 of the Revised Code within sixty days after its 887
administration, but in no case shall the scores be returned later 888
than the fifteenth day of June following the administration. For 889
any tests administered under this section by a joint vocational 890
school district, the department or entity shall also send to each 891
city, local, or exempted village school district a list of the 892
individual test scores of any students of such city, local, or 893

exempted village school district who are attending school in the 894

adopted under division (A) of this section. No district board or 899
its employees shall utilize individual or aggregate test results 900
in any manner that conflicts with rules for the ethical use of 901
tests adopted pursuant to division (A) of this section. 902

(I) Except as provided in division (G) of this section, the 903
department or an entity with which the department contracts for 904
the scoring of the test shall not release any individual test 905
scores on any test administered under this section. The state 906
board of education shall adopt rules to ensure the protection of 907
student confidentiality at all times. The rules may require the 908
use of the data verification codes assigned to students pursuant 909
to division (D)(2) of section 3301.0714 of the Revised Code to 910
protect the confidentiality of student test scores. 911

(J) Notwithstanding division (D) of section 3311.52 of the 912

Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which tests are administered and shall include a pledge that the nonpublic school will administer the specified tests in the same manner as public schools are required to do under this section and rules adopted by the department.

(2) The department of education shall furnish the tests prescribed by section 3301.0710 or 3301.0712 of the Revised Code to any chartered nonpublic school electing to participate under

this division. 957

(L)(1) The superintendent of the state school for the blind 958

Revised Code shall become public records pursuant to section 977
149.43 of the Revised Code on the first day of July following the 978
school year that the test was administered. 979

(2) The department may field test proposed test questions 980
with samples of students to determine the validity, reliability, 981
or appropriateness of test questions for possible inclusion in a 982
future year's test. The department also may use anchor questions 983
on tests to ensure that different versions of the same test are of 984
comparable difficulty. 985

Field test questions and anchor questions shall not be 986
considered in computing test scores for individual students. Field 987

test questions and anchor questions may be included as part of the 988

(a) The first administration of each test, as specified in 998
section 3301.0712 of the Revised Code, shall be a public record. 999

(b) For subsequent administrations of each test, not less 1000
than forty per cent of the questions on the test that are used to 1001
compute a student's score shall be a public record. The department 1002
shall determine which questions will be needed for reuse on a 1003
future test and those questions shall not be public records and 1004
shall be redacted from the test prior to its release as a public 1005
record. However, for each redacted question, the department shall 1006
inform each city, local, and exempted village school district of 1007
the statewide academic standard adopted by the state board of 1008
education under section 3301.079 of the Revised Code and the 1009

reasons other than dropout are subtracted from the calculation. If 1029
a student who was a dropout in any previous year returns to the 1030
same school district, that student shall be entered into the 1031
calculation as if the student had entered ninth grade four years 1032
before the graduation year of the graduating class that the 1033
