(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (C) of section 1547.111 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as

described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under section 1547.111 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person's opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

The whole blood, blood serum or plasma, urine, or breath withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is watercraft-related, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

If the chemical test was administered pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a

law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them, or of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is substantially equivalent to either of those divisions, the court shall admit as prima-facie evidence a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 1547.111 of the Revised Code, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 1547.111 of the Revised Code, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(I) As used in this section and section 1547.111 of the Revised Code:

(1) "Equivalent offense" has the same meaning as in section 4511.181 of the Revised Code.

(2) "National highway traffic safety administration" has the same meaning as in section 4511.19 of the Revised Code.

(3) "Operate" means that a vessel is being used on the waters in this state when the vessel is not securely affixed to a dock or to shore or to any permanent structure to which the vessel has the right to affix or that a vessel is not anchored in a designated anchorage area or boat camping area that is established by the United States coast guard, this state, or a political subdivision and in which the vessel has the right to anchor.

(4) "Controlled substance" and "marihuana" have the same meanings as in section 3719.01 of the Revised Code.

(5) "Cocaine" and "L.S.D." have the same meanings as in section 2925.01 of the Revised Code.

(6) "Equivalent offense that is watercraft-related" means an equivalent offense that is one of the following:

(a) A violation of division (A) or (B) of this section;

(b) A violation of a municipal ordinance prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them or prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine;

(c) A violation of an existing or former municipal ordinance, law of another state, or law of the United States that is substantially equivalent to division (A) or (B) of this section;

(d) A violation of a former law of this state that was substantially equivalent to division (A) or (B) of this section.

Sec. 1547.111. (A)(1)(a) Any person who operates or is in physical control of a vessel or manipulates any water skis, aquaplane, or similar device upon any waters in this state shall be deemed to have given consent to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine if arrested for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance.

(b) The test or tests under division (A)(1) of this section shall be administered at the request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance. The law enforcement agency by which the officer is employed shall designate which test or tests shall be administered.

(2) Any person who is dead or unconscious or who otherwise is in a condition rendering the person incapable of refusal shall be deemed to have consented as provided in division (A)(1) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

(B)(1) If a law enforcement officer arrests a person for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and if the person

previously has been convicted of or pleaded guilty to two or more violations of section 1547.11 of the Revised Code or other equivalent offenses, the law enforcement officer shall request the person to submit, and the person shall submit, to a chemical test or tests of the person's whole blood, blood serum or plasma, breath, or urine for the purpose of determining the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine. A law enforcement officer who makes a request pursuant to this division that a person submit to a chemical test or tests is not required to advise the person of the consequences of refusing to submit to the test or tests and is not required to give the person the form described in division (C) of this section, but the officer shall advise the person at the time of the arrest that if the person refuses to take a chemical test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. The advice shall be in written form prescribed by the chief of the division of watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. Divisions (A)(1)(b) and (A)(2) of this section apply to the administration of a chemical test or tests pursuant to this division.

(2) If a person refuses to submit to a chemical test upon a request made pursuant to division (B)(1) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(C) ~~Any~~ Except as provided in division (B) of this section, any person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance shall be advised of the consequences of refusing to submit to a chemical test or tests designated as provided in division (A) of this section. The advice shall be in a written form prescribed by the chief of the division of watercraft and shall be read

to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation, and if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(D) Except as provided in division (B) of this section, if a law enforcement officer asks a person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance to submit to a chemical test or tests as provided in division (A) of this section, if the arresting officer advises the person of the consequences of the person's refusal as provided in division (C) of this section, and if the person refuses to submit, no chemical test shall be given. offender who is convicted of or pleaded guilty to a violation of a municipal OVI ordinance, to order the immobilization of a vehicle for a specified period of time, notwithstanding the requirement, the court in its discretion may determine not to order the immobilization of the vehicle if both of the following apply:

(1) Prior to the issuance of the order of immobilization, a family or household member of the offender files a motion with the court identifying the vehicle and requesting that the immobilization order not be issued on the ground that the family or household member is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(2) The court determines that the family or household member who files the motion is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(B) If a court pursuant to division (A) of this section determines not to order the immobilization of a vehicle that otherwise would be required pursuant to division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code, the court shall issue an order that waives the immobilization that otherwise would be required pursuant to either of those divisions. (2) No person who, within twenty years of the conduct described in division (A)(2)(a) of this section, previously has been convicted of or pleaded guilty to a violation of this division, a violation of division (A)(1) or (B) of this section, or any other equivalent offense shall do both of the

(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(a) of this section or for an equivalent offense that is vehicle-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is vehicle-related, the court may admit evidence on the concentration of

alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (A) of section 4511.192 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under section 4511.191 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw a blood sample for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is vehicle-related, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and (e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney,

immediately upon the completion of the chemical test analysis.

If the chemical test was obtained pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. ~~The~~ If the person was under arrest as described in division (A)(5) of section 4511.191 of the Revised Code, the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. If the person was under arrest other than described in division (A)(5) of section 4511.191 of the Revised Code, the form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section

is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense

exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 3793.10 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

As used in this division, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

The court may require the offender, under a community control sanction imposed under section 2929.25 of the Revised Code, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services, in

(b) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to one violation of division (A) or (B) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The attorney general shall not use more than six per cent of the amounts the attorney general's office receives under division (F)(2)(e) of this section to pay the costs it incurs in administering the grant program established by division (F)(2)(e) of this section and in providing training and materials relating to drug abuse resistance education programs.

The attorney general shall report to the governor and the general assembly each fiscal year on the progress made in establishing and implementing drug abuse resistance education programs. These reports shall include an evaluation of the effectiveness of these programs.

(G) Suspension of a commercial driver's license under division (B) or (C) of this section shall be concurrent with any period of disqualification under section 3123.611 or 4506.16 of the Revised Code or any period of suspension under section 3123.58 of the Revised Code. No person who is disqualified for life from holding a commercial driver's license under section 4506.16 of the Revised Code shall be issued a driver's license under Chapter 4507. of the Revised Code during the period for which the commercial driver's license was suspended under division (B) or (C) of this section. All revenue that the general assembly appropriates to the indigent drivers alcohol treatment fund for transfer to a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund, all portions of fees that are paid under division (F) of this section and that are credited under that division to the indigent drivers alcohol treatment fund in the state treasury for a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund, all portions of additional costs imposed under section 2949.094 of the Revised Code that are specified for deposit into a county, county juvenile, or municipal indigent drivers alcohol treatment fund by that section, and all portions of fines that are specified for deposit

into a county or municipal indigent drivers alcohol treatment fund by section 4511.193 of the Revised Code shall be deposited into that county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund. The portions of the fees paid under division (F) of this section that are to be so deposited shall be determined in accordance with division (H)(2) of this section. Additionally, all portions of fines that are paid for a violation of section 4511.19 of the Revised Code or of any prohibition contained in Chapter 4510. of the Revised Code, and that are required under section 4511.19 or any provision of Chapter 4510. of the Revised Code to be deposited into a county indigent drivers alcohol treatment fund or municipal indigent drivers alcohol treatment fund shall be deposited into the appropriate fund in accordance with the applicable division of the section or provision.

(2) That portion of the license reinstatement fee that is paid under division (F) of this section and that is credited under that division to the indigent drivers alcohol treatment fund ~~and that portion of the additional court cost that is imposed under section 2949.094 of the Revised Code and that is specified by that section for deposit into the indigent drivers alcohol treatment fund~~ shall be deposited into a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund as follows:

(a) Regarding a suspension imposed under this section ~~or additional court costs~~, that portion of the fee shall be deposited as follows:

(ii) If the fee ~~or court cost~~ is paid by a person who was charged in a juvenile court with the violation that resulted in the suspension or in the imposition of the court costs, the portion shall be deposited into the county juvenile indigent drivers alcohol treatment fund established in the county served by the court;

(iii) If the fee ~~or court cost~~ is paid by a person who was charged in a municipal court with the violation that resulted in the suspension or in the imposition of the court costs, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(b) Regarding a suspension imposed under section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a violation

of a municipal OVI ordinance, that portion of the fee shall be deposited as follows:

(i) If the fee is paid by a person whose license or permit was suspended by a county court, the portion shall be deposited into the county indigent drivers alcohol treatment fund under the control of that court;

(ii) If the fee is paid by a person whose license or permit was suspended by a municipal court, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(3) Expenditures from a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund shall be made only upon the order of a county, juvenile, or municipal court judge and only for payment of the cost of an assessment or the cost of the attendance at an alcohol and drug addiction treatment program of a person who is convicted of, or found to be a juvenile traffic offender by reason of, a violation of division (A) of section 4511.19 of the Revised Code or a substantially similar municipal ordinance, who is ordered by the court to attend the alcohol and drug addiction treatment program, and who is determined by the court to be unable to pay the cost of the assessment or the cost of attendance at the treatment program or for payment of the costs specified in division (H)(4) of this section in accordance with that division. The alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health service district in which the court is located shall administer the indigent drivers alcohol treatment program of the court. When a court orders an offender or juvenile traffic offender to obtain an assessment or attend an alcohol and drug addiction treatment program, the board shall determine which program is suitable to meet the needs of the offender or juvenile traffic offender, and when a suitable program is located and space is available at the program, the offender or juvenile traffic offender shall attend the program designated by the board. A reasonable amount not to exceed five per cent of the amounts credited to and deposited into the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund serving every court whose program is administered by that board shall be paid to the board to cover the costs it incurs in administering those indigent drivers alcohol treatment programs.

In addition, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device, a

county, juvenile, or municipal court judge may use moneys in the county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund in the following manners:

(a) If the source of the moneys was an appropriation of the general assembly, a portion of a fee that was paid under division (F) of this section, a portion of a fine that was specified for deposit into the fund by section 4511.193 of the Revised Code, or a portion of a fine that was paid for a violation of section 4511.19 of the Revised Code or of a provision contained in Chapter 4510. of the Revised Code that was required to be deposited into the fund, to pay for the continued use of an alcohol monitoring device by an offender or juvenile traffic offender, in conjunction with a treatment program approved by the department of alcohol and drug addiction services, when such use is determined clinically necessary by the treatment program and when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring or cost of the device;

(b) If the source of the moneys was a portion of an additional court cost imposed under section 2949.094 of the Revised Code, to pay for the continued use of an alcohol monitoring device by an offender or juvenile traffic offender when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring or cost of the device. The moneys may be used for a device as described in this division if the use of the device is in conjunction with a treatment program approved by the department of alcohol and drug addiction services, when the use of the device is determined clinically necessary by the treatment program, but the use of a device is not required to be in conjunction with a treatment program approved by the department in order for the moneys to be used for the device as described in this division.

(4) If a county, juvenile, or municipal court determines, in consultation with the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health district in which the court is located, that the funds in the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of the court are more than sufficient to satisfy the purpose for which the fund was established, as specified in divisions (H)(1) to (3) of this section, the court may declare a surplus in the fund. If the court declares a surplus in the fund, the court may expend the amount of the surplus in the fund for:

(a) Alcohol and drug abuse assessment and treatment of persons who are charged in the court with committing a criminal offense or with being a delinquent child or juvenile traffic offender and in relation to whom both of the following apply:

(i) The court determines that substance abuse was a contributing factor leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) All or part of the cost of purchasing alcohol monitoring devices to be used in conjunction with division (H)(3) of this section, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device.

(5) For the purpose of determining as described in division (F)(2)(c) of this section whether an offender does not have the means to pay for the offender's attendance at an alcohol and drug addiction treatment program or whether an alleged offender or delinquent child is unable to pay the costs specified in division (H)(4) of this section, the court shall use the indigent client eligibility guidelines and the standards of indigency established by the state public defender to make the determination.

(6) The court shall identify and refer any alcohol and drug addiction program that is not certified under section 3793.06 of the Revised Code and that is interested in receiving amounts from the surplus in the fund declared under division (H)(4) of this section to the department of alcohol and drug addiction services in order for the program to become a certified alcohol and drug ~~treatment~~ addiction program. The department shall keep a record of applicant referrals received pursuant to this division and shall submit a report on the referrals each year to the general assembly. If a program interested in becoming certified makes an application to become certified pursuant to section 3793.06 of the Revised Code, the program is eligible to receive surplus funds as long as the application is pending with the department. The department of alcohol and drug addiction services must offer technical assistance to the applicant. If the interested program withdraws the certification application, the department must notify the court, and the court shall not provide the interested program with any further surplus funds.

(I)(1) Each county shall establish an indigent drivers interlock and alcohol monitoring fund and a juvenile indigent drivers interlock and alcohol treatment fund, and each municipal corporation in which there is a

municipal court shall establish an indigent drivers interlock and alcohol monitoring fund. All revenue that the general assembly appropriates to the indigent drivers interlock and alcohol monitoring fund for transfer to a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund, all portions of license reinstatement fees that are paid under division (F)(2) of this section and that are credited under that division to the indigent drivers interlock and alcohol monitoring fund in the state treasury, and all portions of fines that are paid under division (G) of section 4511.19 of the Revised Code and that are credited by division (G)(5)(e) of that section to the indigent drivers interlock and alcohol monitoring fund in the state treasury shall be deposited in the appropriate fund in accordance with division (I)(2) of this section.

(2) That portion of the license reinstatement fee that is paid under division (F) of this section and that portion of the fine paid under division (G) of section 4511.19 of the Revised Code and that is credited under either division to the indigent drivers interlock and alcohol monitoring fund shall be deposited into a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund as follows:

(a) If the fee or fine is paid by a person who was charged in a county court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county indigent drivers interlock and alcohol monitoring fund under the control of that court.

(b) If the fee or fine is paid by a person who was charged in a juvenile court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county juvenile indigent drivers interlock and alcohol monitoring fund established in the county served by the court.

(c) If the fee or fine is paid by a person who was charged in a municipal court with the violation that resulted in the suspension, the portion shall be deposited into the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court.

Sec. 4511.192. (A) ~~The~~ Except as provided in division (A)(5) of section 4511.191 of the Revised Code, the arresting law enforcement officer shall give advice in accordance with this section to any person under arrest for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance. The officer shall give

that advice in a written form that contains the information described in division (B) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer's reading of the form, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation and, if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(B) If Except as provided in division (A)(5) of section 4511.191 of the Revised Code, if a person is under arrest as described in division (A) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine, the arresting officer shall read the following form to the person:

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested - operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a vehicle after underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior conviction of OVI, OVUAC, or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test

taken at your own expense."

(C) If the arresting law enforcement officer does not ask a person under arrest as described in division (A) of this section or division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under section 4511.191 of the Revised Code, the arresting officer shall seize the Ohio or out-of-state driver's or commercial driver's license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the arrest, and, upon the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person's initial appearance and any action taken under section 4511.196 of the Revised Code.

(D)(1) If a law enforcement officer asks a person under arrest as described in division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under that section and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, or if a law enforcement officer asks a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, the officer advises the person in accordance with this section of the consequences of the person's refusal or submission, and either the person refuses to submit to the test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the registrar of motor vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person's Ohio driver's or commercial driver's license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person's initial appearance on the charge, which will be held within five days after the date of the person's arrest or the issuance of a citation to the person, and that the person may

appeal the suspension at the initial appearance or during the period of time ending thirty days after that initial appearance;

(b) Seize the driver's or commercial driver's license or permit of the person and immediately forward it to the registrar. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the person is given notice of the suspension, and, upon the surrender, the officer's employing agency immediately shall forward the license or permit to the registrar.

(c) Verify the person's current residence and, if it differs from that on the person's driver's or commercial driver's license or permit, notify the registrar of the change;

(d) Send to the registrar, within forty-eight hours after the arrest of the person, a sworn report that includes all of the following statements:

(i) That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a stationary vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance;

(ii) That the person was arrested and charged with a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

(iii) Unless division (D)(1)(d)(v) of this section applies, that the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (B) of this section;

(iv) Unless division (D)(1)(d)(v) of this section applies, that either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense;

(v) If the person was under arrest as described in division (A)(5) of

section 4511.191 of the Revised Code and the chemical test or tests were performed in accordance with that division, that the person was under arrest as described in that division, that the chemical test or tests were performed in accordance with that division, and that test results indicated a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

(2) Division (D)(1) of this section does not apply to a person who is arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and who submits to the test or tests, regardless of the amount of alcohol, a controlled substance, or a metabolite of a controlled substance that the test results indicate is present in the person's whole blood, blood serum or plasma, breath, or urine.

(E) The arresting officer shall give the officer's sworn report that is completed under this section to the arrested person at the time of the arrest, or the registrar of motor vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than fourteen days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than forty-eight hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(F) The sworn report of an arresting officer completed under this section is prima-facie proof of the information and statements that it contains. It shall be admitted and considered as prima-facie proof of the information and statements that it contains in any appeal under section 4511.197 of the Revised Code relative to any suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege that results from the arrest covered by the report.

Sec. 4511.197. (A) If a person is arrested for operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance and if the person's driver's or commercial driver's license or permit or nonresident operating privilege is suspended under

~~section~~ sections 4511.191 and 4511.192 of the Revised Code, the person may appeal the suspension at the person's initial appearance on the charge resulting from the arrest or within the period ending thirty days after the person's initial appearance on that charge, in the court in which the person will appear on that charge. If the person appeals the suspension, the appeal itself does not stay the operation of the suspension. If the person appeals the suspension, either the person or the registrar of motor vehicles may request a continuance of the appeal, and the court may grant the continuance. The court also may continue the appeal on its own motion. Neither the request for, nor the granting of, a continuance stays the suspension that is the subject of the appeal, unless the court specifically grants a stay.

(B) A person shall file an appeal under division (A) of this section in the municipal court, county court, juvenile court, mayor's court, or court of common pleas that has jurisdiction over the charge in relation to which the person was arrested.

(C) If a person appeals a suspension under division (A) of this section, the scope of the appeal is limited to determining whether one or more of the following conditions have not been met:

(1) Whether the arresting law enforcement officer had reasonable ground to believe the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or was in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance and whether the arrested person was in fact placed under arrest;

(2) Whether the law enforcement officer requested the arrested person to submit to the chemical test or tests designated pursuant to division (A) of section 4511.191 of the Revised Code;

(3) ~~Whether~~ If the person was under arrest as described in division (A)(5) of section 4511.191 of the Revised Code, whether the arresting officer advised the person at the time of the arrest that if the person refused to take a chemical test, the officer could employ whatever reasonable means were necessary to ensure that the person submitted to a chemical test of the person's whole blood or blood serum or plasma; or if the person was under arrest other than as described in division (A)(5) of section 4511.191 of the Revised Code, whether the arresting officer informed the arrested person of the consequences of refusing to be tested or of submitting to the test or tests;

(4) Whichever of the following is applicable:

(a) ~~Whether~~ If the suspension was imposed under division (B) of section 4511.191 and section 4511.192 of the Revised Code, whether the arrested

person refused to submit to the chemical test or tests requested by the officer;

(b) ~~Whether~~ If the suspension was imposed under division (C) of section 4511.191 and section 4511.192 of the Revised Code, whether the arrest was for a violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance and, if it was, whether the chemical test results indicate that at the time of the alleged offense the arrested person's whole blood contained a concentration of eight hundredths of one per cent or more by weight of alcohol, the person's blood serum or plasma contained a concentration of ninety-six thousandths of one per cent or more by weight of alcohol, the person's breath contained a concentration of eight hundredths of one gram or more by weight of alcohol per two hundred ten liters of the person's breath, or the person's urine contained a at least the concentration of eleven hundredths of one gram or more by weight of alcohol per one hundred milliliters of the person's urine at the time of the alleged offense specified in division (A)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code or at least the concentration of a listed controlled substance or a listed metabolite of a controlled substance specified in division (A)(1)(j) of section 4511.19 of the Revised Code.

(D) A person who appeals a suspension under division (A) of this section has the burden of proving, by a preponderance of the evidence, that one or more of the conditions specified in division (C) of this section has not been met. If, during the appeal, the judge or magistrate of the court or the mayor of the mayor's court determines that all of those conditions have been met, the judge, magistrate, or mayor shall uphold the suspension, continue the suspension, and notify the registrar of motor vehicles of the decision on a form approved by the registrar.

Except as otherwise provided in this section, if a suspension imposed under section 4511.191 of the Revised Code is upheld on appeal or if the subject person does not appeal the suspension under division (A) of this section, the suspension shall continue until the complaint alleging the violation for which the person was arrested and in relation to which the suspension was imposed is adjudicated on the merits or terminated pursuant to law. If the suspension was imposed under division (B)(1) of section 4511.191 of the Revised Code and it is continued under this section, any subsequent finding that the person is not guilty of the charge that resulted in the person being requested to take the chemical test or tests under division (A) of section 4511.191 of the Revised Code does not terminate or otherwise affect the suspension. If the suspension was imposed under division (C) of section 4511.191 of the Revised Code in relation to an

alleged misdemeanor violation of division (A) or (B) of section 4511.19 of the Revised Code or of a municipal OVI ordinance and it is continued under this section, the suspension shall terminate if, for any reason, the person subsequently is found not guilty of the charge that resulted in the person taking the chemical test or tests.

If, during the appeal, the judge or magistrate of the trial court or the mayor of the mayor's court determines that one or more of the conditions specified in division (C) of this section have not been met, the judge, magistrate, or mayor shall terminate the suspension, subject to the imposition of a new suspension under division (B) of section 4511.196 of the Revised Code; shall notify the registrar of motor vehicles of the decision on a form approved by the registrar; and, except as provided in division (B) of section 4511.196 of the Revised Code, shall order the registrar to return the driver's or commercial driver's license or permit to the person or to take any other measures that may be necessary, if the license or permit was destroyed under section 4510.53 of the Revised Code, to permit the person to obtain a replacement driver's or commercial driver's license or permit from the registrar or a deputy registrar in accordance with that section. The court also shall issue to the person a court order, valid for not more than ten days from the date of issuance, granting the person operating privileges for that period.

(E) Any person whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to section 4511.191 of the Revised Code may file a petition requesting limited driving privileges in the common pleas court, municipal court, county court, mayor's court, or juvenile court with jurisdiction over the related criminal or delinquency case. The petition may be filed at any time subsequent to the date on which the arresting law enforcement officer serves the notice of suspension upon the arrested person but no later than thirty days after the arrested person's initial appearance or arraignment. Upon the making of the request, limited driving privileges may be granted under sections 4510.021 and 4510.13 of the Revised Code, regardless of whether the person appeals the suspension under this section or appeals the decision of the court on the appeal, and, if the person has so appealed the suspension or decision, regardless of whether the matter has been heard or decided by the court. The person shall pay the costs of the proceeding, notify the registrar of the filing of the petition, and send the registrar a copy of the petition.

The court may not grant the person limited driving privileges when prohibited by section 4510.13 or 4511.191 of the Revised Code.

(F) Any person whose driver's or commercial driver's license or permit

has been suspended under section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a conviction of a municipal OVI offense and who desires to retain the license or permit during the pendency of an appeal, at the time sentence is pronounced, shall notify the court of record or mayor's court that suspended the license or permit of the person's intention to appeal. If the person so notifies the court, the court, mayor, or clerk of the court shall retain the license or permit until the appeal is perfected, and, if execution of sentence is stayed, the license or permit shall be returned to the person to be held by the person during the pendency of the appeal. If the appeal is not perfected or is dismissed or terminated in an affirmance of the conviction, then the license or permit shall be taken up by the court, mayor, or clerk, at the time of putting the sentence into execution, and the court shall proceed in the same manner as if no appeal was taken.

(G) Except as otherwise provided in this division, if a person whose driver's or commercial driver's license or permit or nonresident operating privilege was suspended under section 4511.191 of the Revised Code appeals the suspension under division (A) of this section, the prosecuting attorney of the county in which the arrest occurred shall represent the registrar of motor vehicles in the appeal. If the arrest occurred within a municipal corporation within the jurisdiction of the court in which the appeal is conducted, the city director of law, village solicitor, or other chief legal officer of that municipal corporation shall represent the registrar. If the appeal is conducted in a municipal court, the registrar shall be represented as provided in section 1901.34 of the Revised Code. If the appeal is conducted in a mayor's court, the city director of law, village solicitor, or other chief legal officer of the municipal corporation that operates that mayor's court shall represent the registrar.

(H) The court shall give information in writing of any action taken under this section to the registrar of motor vehicles.

(I) When it finally has been determined under the procedures of this section that a nonresident's privilege to operate a vehicle within this state has been suspended, the registrar of motor vehicles shall give information in writing of the action taken to the motor vehicle administrator of the state of the nonresident's residence and of any state in which the nonresident has a license.

Sec. 4729.041. The executive director of the state board of pharmacy, as soon as possible after the necessary and appropriate scientific evidence is available and with the board's approval, shall adopt rules that do the following:

(A) Specify the amount of salvia divinorum and the amount of

salvinorin A that constitute concentrations of salvia divinorum and salvinorin A in a person's urine, in a person's whole blood, or in a person's blood serum or plasma at or above which the person is impaired for purposes of operating or being in physical control of any vessel underway or manipulating any water skis, aquaplane, or similar device on the waters of this state:

(c) A correctional facility that is privately operated and managed pursuant to section 9.06 of the Revised Code.

(2) "State or local correctional facility" does not include any facility operated directly by or at the direction of the department of youth services.

(2) No medicaid payment shall be made for any care, services, or supplies provided to the person during the suspension described in division (B)(1) of this section.

(3) The suspension described in division (B)(1) of this section shall end upon the release of the person from the confinement.

(4) Except as provided in division (C) of this section, the person shall not be required to reapply or undergo a redetermination of eligibility for medicaid when the suspension described in division (B)(1) of this section ends.

(C) A person may be disenrolled from medicaid any time after the suspension described in division (B)(1) of this section ends if the person is no longer eligible for medicaid. A person may be required to undergo a

redetermination of eligibility for medicaid any time after the suspension described in division (B)(1) of this section ends if it is time or past time for the person's eligibility redetermination or the person's circumstances have changed in a manner warranting a redetermination.

(D) The department of job and family services shall take the steps necessary to begin implementation of this section not later than September 1, 2009.

SECTION 2. That existing sections 341.12, 341.13, 341.14, 341.15, 1547.11, 1547.111, 2725.27, 2903.06, 2949.094, 3719.41, 4503.235, 4506.03, 4510.13, 4511.19, 4511.191, 4511.192, and 4511.197 and section 2725.25 of the Revised Code are hereby repealed.

SECTION 3. Section 4511.191 of the Revised Code is presented in this act as a composite of the section as amended by both Am. Sub. H.B. 562 and Am. Sub. S.B. 17 of the 127th General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.
