institution of higher education without unnecessary duplication or 1471
institutional barriers. The purpose of this requirement is to 1472
allow students to attain their highest educational aspirations in 1473
the most efficient and effective manner for the students and the 1474
state. These policies and procedures shall require state 1475

(2) Develop and implement a universal course equivalency 1480

about the application of transfer credits. Coursework completed 1485
within such a system at one state institution of higher education 1486
and transferred to another institution shall be applied to the 1487

student's degree objective in the same manner as equivalent 1488

of higher education, shall be able to compete for admission to 1493
specific programs on the same basis as students native to the 1494

degree graduates and transfer students. To assist a student in 1496
advising and transferring, all state institutions of higher 1497

(4) Examine the feasibility of developing a transfer 1499

of transfer options at state institutions of higher education and 1502
to encourage adults to return to colleges and universities for 1503
additional education; 1504

(5) Study, in consultation with the state board of career 1505
colleges and schools, and in light of existing criteria and any 1506
other criteria developed by the articulation and transfer advisory 1507
council, the feasibility of credit recognition and transferability 1508
to state institutions of higher education for graduates who have 1509
received associate degrees from a career college or school with a 1510
certificate of registration from the state board of career 1511
colleges and schools under Chapter 3332. of the Revised Code. 1512

~~(B) By April 15, 2004, the board shall report to the general 1513

between institutions to include all of the following: 1533

(1) The development of a transfer module for teacher 1534
education that includes introductory level courses that are 1535
evaluated as appropriate by faculty employed by the state 1536

Sec. 3333.162. (A) As used in this section, "state
institution of higher education" means an institution of higher
education as defined in section 3345.12 of the Revised Code.

(B) By April 15, 2007, the chancellor of the Ohio board of
regents, in consultation with the department of education, public
adult and secondary career-technical education institutions, and
state institutions of higher education, shall establish criteria,
policies, and procedures that enable students to transfer agreed
upon technical courses completed through an adult career-technical
education institution, a public secondary career-technical
institution, or a state institution of higher education to a state
institution of higher education without unnecessary duplication or
institutional barriers. The courses to which the criteria,
policies, and procedures apply shall be those that adhere to
recognized industry standards and equivalent coursework common to
the secondary career pathway and adult career-technical education
system and regionally accredited state institutions of higher
education. Where applicable, the policies and procedures shall
build upon the articulation agreement and transfer initiative
course equivalency system required by section 3333.16 of the
Revised Code.

~~(C) By April 15, 2006, the board shall report to the general
assembly on its progress in establishing these policies and
procedures.~~

Sec. 3333.17. The chancellor of the Ohio board of regents may
enter into contracts with the appropriate agency in a contiguous
state whereby the agency provides for charging Ohio residents
enrolled in state-assisted post-secondary educational institutions
in the contiguous state, tuition and fees at rates no higher than
the rates charged to students who are residents of that state, and
whereby the ~~Ohio board of regents~~ chancellor, as part of such

contracts, may provide that rates for tuition and fees charged to 1579
residents of the contiguous state who are enrolled in 1580
state-assisted post-secondary educational institutions in Ohio 1581
shall not exceed those charged Ohio residents. 1582

State-assisted post-secondary educational institutions in 1583
Ohio may enter into contracts with appropriate state-assisted 1584
post-secondary educational institutions in a contiguous state 1585
whereby the state-assisted post-secondary educational institution 1586
provides for charging Ohio residents enrolled in the institution 1587
in the contiguous state, tuition and fees at rates no higher than 1588
the rates charged to students who are residents of that state, and 1589
whereby the Ohio state-assisted post-secondary institution, as 1590
part of such contracts, may provide that rates for tuition and 1591
fees charged to residents of the contiguous state who are enrolled 1592
in the state-assisted post-secondary educational institutions in 1593
Ohio shall not exceed those charged Ohio residents. 1594

The contracts entered into by the ~~board of regents~~ chancellor 1595
or a state-assisted post-secondary educational institution may 1596
limit the type of academic program offered at the reciprocal 1597
rates. Residents of contiguous states enrolled in for credit 1598
courses taught at the main campus and identified off-campus sites 1599
at state-assisted post-secondary educational institutions in Ohio 1600
under such contracts shall be included in calculating the number 1601
of full-time equivalent students for state subsidy purposes. The 1602
~~board of regents~~ chancellor and each state-assisted post-secondary 1603
educational institution shall periodically assess the costs and 1604
benefits of each such contract and the extent to which parity is 1605
achieved between Ohio and the contiguous state with respect to 1606
students benefiting from the contract. All Ohio state-assisted 1607
post-secondary educational institutions participating in these 1608
contracts shall report enrollments and other information annually 1609
to the ~~Ohio board of regents~~ chancellor. No contract shall be 1610

entered into under this section without the approval of the ~~Ohio~~ 1611
~~board of regents~~ chancellor. The ~~Ohio board of regents~~ chancellor 1612
shall report the status of these contracts to the controlling 1613
board annually. 1614

Sec. 3333.18. The chancellor of the Ohio board of regents may 1615
enter into contracts with the appropriate agency in a contiguous 1616
state whereby financial aids from the funds of each state may be 1617
used by qualified student recipients to attend approved 1618
post-secondary educational institutions in the other state. 1619
Approved institutions in Ohio are those that are state-assisted or 1620
are nonprofit and have received certificates of authorization ~~from~~ 1621
~~the Ohio board of regents~~ pursuant to Chapter 1713. of the Revised 1622
Code, or are private institutions exempt from regulation under 1623
Chapter 3332. of the Revised Code as prescribed in section 1624
3333.046 of the Revised Code. Eligible post-secondary educational 1625
institutions in the contiguous state shall be similarly approved 1626
by the appropriate agency of that state. In formulating and 1627
executing such contracts with a contiguous state, the ~~board~~ 1628
chancellor shall assure that the total cost to this state 1629
approximates the total cost to the contiguous state. Any contract 1630
entered into under this section shall be subject to the periodic 1631
review of, and approval by, the controlling board. 1632

Sec. 3333.19. The chancellor of the Ohio board of regents may 1633
enter into agreements with the appropriate agency in a foreign 1634
country or with an agency or organization sponsoring foreign 1635
student exchanges under which the agency or organization ensures 1636
that Ohio residents enrolled in post-secondary educational 1637
institutions in the foreign country will pay tuition and fees at 1638
rates no higher than the rates charged to students who are 1639
residents of that country and under which the ~~board of regents~~ 1640
chancellor provides that rates for tuition and fees charged to a 1641

comparable number of students from the foreign country who are 1642
enrolled in state-assisted institutions of higher education in 1643
Ohio are to be no higher than the rates charged to students who 1644
are Ohio residents. Notwithstanding that an Ohio resident is 1645
enrolled in a post-secondary educational institution in a foreign 1646
country under one of these agreements, any such student who was 1647
previously enrolled in a state-assisted institution shall be 1648
counted as enrolled in such institution for state subsidy purposes 1649
in a manner prescribed by rules the ~~board of regents~~ chancellor 1650
shall adopt. 1651

Sec. 3333.20. (A) ~~On or before September 1, 1993, The~~ 1652
chancellor of the Ohio board of regents shall adopt educational 1653
service standards that shall apply to all community colleges, 1654
university branches, technical colleges, and state community 1655
colleges established under Chapters 3354., 3355., 3357., and 3358. 1656

(C) In considering institutions that are co-located, the board of regents <u>chancellor</u> shall apply the standards to them in two manners:	1688 1689 1690
(1) As a whole entity;	1691
(2) As separate entities, applying the standards separately to each.	1692 1693
When distributing any state funds among institutions based on the degree to which they meet the standards, the board of regents <u>chancellor</u> shall provide to institutions that are co-located the higher amount produced by the two judgments under divisions (C)(1) and (2) of this section.	1694 1695 1696 1697 1698

shall be a resident of Ohio and shall be enrolled as a full-time 1712
undergraduate student in an Ohio institution of higher education 1713

certificate of authorization issued under section 1713.02 of the 1716
Revised Code, is a private institution exempt from regulation 1717

the program issued under section 3332.05 of the Revised Code. 1726

"Resident" and "full-time student" shall be defined ~~by board~~ 1727
~~rule~~ in rules adopted by the chancellor. 1728

The ~~board~~ chancellor shall award the scholarships on the 1729
basis of a formula designed by ~~it~~ the chancellor to identify 1730
students with the highest capability for successful college study. 1731
The formula shall weigh the factor of achievement, as measured by 1732

grade point average, and the factor of ability, as measured by 1733
performance on a competitive examination specified by the ~~board~~ 1734
chancellor. Students receiving scholarships shall be known as 1735
"Ohio academic scholars." Annually, not later than the 1736
thirty-first day of July, the ~~board~~ chancellor shall report to the 1737
governor and the general assembly on the performance of current 1738
Ohio academic scholars and the effectiveness of ~~its~~ the formula. 1739

Sec. 3333.22. Each Ohio academic scholarship shall be awarded 1740
for an academic year and may be renewed for each of three 1741

requirements of division (B) of this section. 1758

Each amount awarded shall be paid in equal installments to 1759
the scholar at the time of enrollment for each term of the 1760
academic year for which the scholarship is awarded or renewed. No 1761
scholar is eligible to receive an Ohio academic scholarship for 1762
more than the equivalent of four academic years. 1763

If an Ohio academic scholar is temporarily unable to attend school because of illness or other cause satisfactory to the ~~board~~ chancellor, the ~~board~~ chancellor may grant a leave of absence for a designated period of time. If a scholar discontinues full-time attendance at the scholar's school during a term because of illness or other cause satisfactory to the ~~board~~ chancellor, the scholar may either claim a prorated payment for the period of actual attendance or waive payment for that term. A term for which prorated payment is made shall be considered a full term for which a scholarship was received. A term for which payment is waived shall not be considered a term for which a scholarship was received.

Receipt of an Ohio academic scholarship shall not affect a scholar's eligibility for the Ohio instructional grant program.

Sec. 3333.23. At the end of each term, each Ohio academic scholar shall request the registrar of the school to send a copy of the scholar's scholastic record to the chancellor of the Ohio board ~~or of~~ regents. Sec. 3333.25. There is hereby created the Ohio academic scholarship payment fund, which shall be in the custody of the treasurer of state but shall not be a part of the state treasury. The fund shall consist of all moneys appropriated for the fund by the general assembly and other moneys otherwise made available to the fund. delivered to the treasurer of state or to a qualified trustee 1804
designated by the treasurer of state as provided in section 135.18 1805
