**Sec. 3727.52.** A hospital-wide nursing care committee convened pursuant to section 3727.50 of the Revised Code shall do all of the following: 36  
37  
38

(A) If one exists, evaluate the hospital's current nursing services staffing plan; 39

(B) Recommend a nursing services staffing plan that is, at a minimum, consistent with current standards established by private accreditation organizations or governmental entities and addresses all of the following: 41  
42
