whole blood, blood serum or plasma, urine, or breath at the time 186  
of the alleged violation as shown by chemical analysis of the 187  
substance withdrawn, or specimen taken within three hours of the 188  
time of the alleged violation. The three-hour time limit specified 189  
in this division regarding the admission of evidence does not 190  
extend or affect the two-hour time limit specified in division (C) 191  
of section 1547.111 of the Revised Code as the maximum period of 192  
time during which a person may consent to a chemical test or tests 193  
as described in that section. The court may submit evidence on the 194  
concentration of alcohol, drugs of abuse, or a combination of them 195  
as described in this division when 196

~~When~~ a person submits to a blood, breath, urine, or other 197  
bodily substance test, only at the request of a law enforcement 198  
officer under section 1547.111 of the Revised Code or a blood or 199  
urine sample is obtained pursuant to a search warrant. Only a 200

determining the alcohol, drug, controlled substance, metabolite of 203  
a controlled substance, or combination content of the whole blood, 204  
blood serum, or blood plasma. This limitation does not apply to 205  
the taking of breath or urine specimens. A person authorized to 206

withdraw blood under this division may refuse to withdraw blood 207  
under this division if, in that person's opinion, the physical 208  
welfare of the defendant or child would be endangered by 209  
withdrawing blood. 210

The whole blood, blood serum or plasma, urine, or breath 211  
withdrawn under division (D)(1)(b) of this section shall be 212  
analyzed in accordance with methods approved by the director of 213  
health by an individual possessing a valid permit issued by the 214  
director pursuant to section 3701.143 of the Revised Code. 215

(2) In a criminal prosecution or juvenile court proceeding 216  
for a violation of division (A) of this section or for a ~~violation~~ 217  
~~of a prohibition that is substantially~~ an equivalent to ~~division~~ 218  
~~(A) of this section~~ offense that is watercraft-related, if there 219  
was at the time the bodily substance was taken a concentration of 220  
less than the applicable concentration of alcohol specified for a 221  
violation of division (A)(2), (3), (4), or (5) of this section or 222  
less than the applicable concentration of a listed controlled 223  
substance or a listed metabolite of a controlled substance 224  
specified for a violation of division (A)(6) of this section, that 225  
fact may be considered with other competent evidence in 226  
determining the guilt or innocence of the defendant or in making 227  
an adjudication for the child. This division does not limit or 228  
affect a criminal prosecution or juvenile court proceeding for a 229  
violation of division (B) of this section or for a violation of a 230  
prohibition that is substantially equivalent to that division. 231

(3) Upon the request of the person who was tested, the 232  
results of the chemical test shall be made available to the person 233  
or the person's attorney immediately upon completion of the test 234  
analysis. 235

~~The~~ If the chemical test was administered pursuant to 236  
division (D)(1)(b) of this section, the person tested may have a 237  
physician, a registered nurse, or a qualified technician, chemist, 238

or phlebotomist of the person's own choosing administer a chemical 239  
test or tests in addition to any administered at the direction of 240  
a law enforcement officer, and shall be so advised. The failure or 241  
inability to obtain an additional test by a person shall not 242  
preclude the admission of evidence relating to the test or tests 243  
taken at the direction of a law enforcement officer. 244

(E)(1) In any criminal prosecution or juvenile court 245  
proceeding for a violation of division (A) or (B) of this section 246  
~~or for an equivalent violation, of a municipal ordinance relating~~ 247  
~~to operating or being in physical control of any vessel underway~~ 248  
~~or to manipulating any water skis, aquaplane, or similar device on~~ 249  
~~the waters of this state while under the influence of alcohol, a~~ 250  
~~drug of abuse, or a combination of them, or of a municipal~~ 251  
~~ordinance relating to operating or being in physical control of~~ 252  
~~any vessel underway or to manipulating any water skis, aquaplane,~~ 253  
~~or similar device on the waters of this state with a prohibited~~ 254  
~~concentration of alcohol, a controlled substance, or a metabolite~~ 255  
~~of a controlled substance in the whole blood, blood serum or~~ 256  
~~plasma, breath, or urine,~~ if a law enforcement officer has 257  
administered a field sobriety test to the operator or person found 258  
to be in physical control of the vessel underway involved in the 259  
violation or the person manipulating the water skis, aquaplane, or 260  
similar device involved in the violation and if it is shown by 261  
clear and convincing evidence that the officer administered the 262  
test in substantial compliance with the testing standards for 263  
reliable, credible, and generally accepted field sobriety tests 264  
for vehicles that were in effect at the time the tests were 265  
administered, including, but not limited to, any testing standards 266  
then in effect that have been set by the national highway traffic 267  
safety administration, that by their nature are not clearly 268  
inapplicable regarding the operation or physical control of 269  
vessels underway or the manipulation of water skis, aquaplanes, or 270  
similar devices, all of the following apply: 271

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent violation offense that is substantially equivalent to either of those divisions, the court shall admit as prima-facie evidence a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed

the analysis; 303

(b) Any findings as to the identity and quantity of alcohol, 304  
a drug of abuse, a controlled substance, a metabolite of a 305  
controlled substance, or a combination of them that was found; 306

(c) A copy of a notarized statement by the laboratory 307  
director or a designee of the director that contains the name of 308  
each certified analyst or test performer involved with the report, 309  
the analyst's or test performer's employment relationship with the 310  
laboratory that issued the report, and a notation that performing 311  
an analysis of the type involved is part of the analyst's or test 312  
performer's regular duties; 313

(d) An outline of the analyst's or test performer's 314  
education, training, and experience in performing the type of 315  
analysis involved and a certification that the laboratory 316  
satisfies appropriate quality control standards in general and, in 317  
this particular analysis, under rules of the department of health. 318

(2) Notwithstanding any other provision of law regarding the 319  
admission of evidence, a report of the type described in division 320  
(F)(1) of this section is not admissible against the defendant or 321  
child to whom it pertains in any proceeding, other than a 322  
preliminary hearing or a grand jury proceeding, unless the 323  
prosecutor has served a copy of the report on the defendant's or 324  
child's attorney or, if the defendant or child has no attorney, on 325  
the defendant or child. 326

(3) A report of the type described in division (F)(1) of this 327  
section shall not be prima-facie evidence of the contents, 328  
identity, or amount of any substance if, within seven days after 329  
the defendant or child to whom the report pertains or the 330  
defendant's or child's attorney receives a copy of the report, the 331  
defendant or child or the defendant's or child's attorney demands 332  
the testimony of the person who signed the report. The judge in 333

the case may extend the seven-day time limit in the interest of 334  
justice. 335

(G) Except as otherwise provided in this division, any 336  
physician, registered nurse, or qualified technician, chemist, or 337  
phlebotomist who withdraws blood from a person pursuant to this 338  
section or section 1547.111 of the Revised Code, and a hospital, 339  
first-aid station, or clinic at which blood is withdrawn from a 340  
person pursuant to this section or section 1547.111 of the Revised 341  
Code, is immune from criminal and civil liability based upon a 342  
claim of assault and battery or any other claim that is not a 343  
claim of malpractice, for any act performed in withdrawing blood 344  
from the person. The immunity provided in this division is not 345  
available to a person who withdraws blood if the person engages in 346  
willful or wanton misconduct. 347

(H) Division (A)(6) of this section does not apply to a 348  
person who operates or is in physical control of a vessel underway 349  
or manipulates any water skis, aquaplane, or similar device while 350  
the person has a concentration of a listed controlled substance or 351  
a listed metabolite of a controlled substance in the person's 352  
whole blood, blood serum or plasma, or urine that equals or 353  
exceeds the amount specified in that division, if both of the 354  
following apply: 355

(1) The person obtained the controlled substance pursuant to 356  
a prescription issued by a licensed health professional authorized 357  
to prescribe drugs. 358

enforcement officer having reasonable grounds to believe the 413  
person was operating or in physical control of a vessel or 414  
manipulating any water skis, aquaplane, or similar device in 415  
violation of section 1547.11 of the Revised Code or a 416  
substantially equivalent municipal ordinance. The law enforcement 417  
agency by which the officer is employed shall designate which test 418  
or tests shall be administered. 419

~~(B)~~(2) Any person who is dead or unconscious or who otherwise 420  
is in a condition rendering the person incapable of refusal shall 421  
be deemed to have consented as provided in division (A)(1) of this 422  
section, and the test or tests may be administered, subject to 423  
sections 313.12 to 313.16 of the Revised Code. 424

(B)(1) If a law enforcement officer arrests a person for 425

operating or being in physical control of a vessel or manipulating 426  
any water skis, aquaplane, or similar device in violation of 427  
section 1547.11 of the Revised Code or a substantially equivalent 428  
municipal ordinance and if the person previously has been 429  
convicted of or pleaded guilty to two or more violations of 430  
section 1547.11 of the Revised Code or other equivalent offenses, 431  
the law enforcement officer shall request the person to submit, 432  
and the person shall submit, to a chemical test or tests of the 433  
person's whole blood, blood serum or plasma, breath, or urine for 434  
the purpose of determining the alcohol, drug of abuse, controlled 435  
substance, metabolite of a controlled substance, or combination 436  
content of the person's whole blood, blood serum or plasma, 437  
breath, or urine. A law enforcement officer who makes a request 438  
pursuant to this division that a person submit to a chemical test 439  
or tests is not required to advise the person of the consequences 440  
of refusing to submit to the test or tests and is not required to 441  
give the person the form described in division (C) of this 442  
section, but the officer shall advise the person at the time of 443  
the arrest that the person may have an independent chemical test 444  
taken. Divisions (A)(1)(b) and (A)(2) of this section apply to the 445  
administration of a chemical test or tests pursuant to this 446  
division. 447

(2) If a person refuses to submit to a chemical test upon a 448  
request made pursuant to division (B)(1) of this section, the law 449  
enforcement officer who made the request may employ whatever 450  
reasonable means are necessary to ensure that the person submits 451  
to a chemical test of the person's whole blood or blood serum or 452  
plasma. A law enforcement officer who acts pursuant to this 453  
division to ensure that a person submits to a chemical test of the 454  
person's whole blood or blood serum or plasma is immune from 455  
criminal and civil liability based upon a claim for assault and 456  
battery or any other claim for the acts, unless the officer so 457  
acted with malicious purpose, in bad faith, or in a wanton or 458

reckless manner. 459

(C) ~~Any~~ Except as provided in division (B) of this section, 460  
any person under arrest for violating section 1547.11 of the 461  
Revised Code or a substantially equivalent municipal ordinance 462  
shall be advised of the consequences of refusing to submit to a 463  
chemical test or tests designated as provided in division (A) of 464  
this section. The advice shall be in a written form prescribed by 465  
the chief of the division of watercraft and shall be read to the 466  
person. The form shall contain a statement that the form was shown 467  
to the person under arrest and read to the person by the arresting 468  
officer. The reading of the form shall be witnessed by one or more 469  
persons, and the witnesses shall certify to this fact by signing 470  
the form. The person must submit to the chemical test or tests, 471  
subsequent to the request of the arresting officer, within two 472  
hours of the time of the alleged violation, and if the person does 473  
not submit to the test or tests within that two-hour time limit, 474  
the failure to submit automatically constitutes a refusal to 475  
submit to the test or tests. 476

(D) ~~If~~ Except as provided in division (B) of this section, if 477  
a law enforcement officer asks a person under arrest for violating 478  
section 1547.11 of the Revised Code or a substantially equivalent 479  
municipal ordinance to submit to a chemical test or tests as 480  
provided in division (A) of this section, if the arresting officer 481  
advises the person of the consequences of the person's refusal as 482  
provided in division (C) of this section, and if the person 483  
refuses to submit, no chemical test shall be given. Upon receipt 484  
of a sworn statement of the officer that the arresting law 485  
enforcement officer had reasonable grounds to believe the arrested 486  
person violated section 1547.11 of the Revised Code or a 487  
substantially equivalent municipal ordinance and that the person 488  
refused to submit to the chemical test upon the request of the 489  
officer, and upon receipt of the form as provided in division (C) 490

of this section certifying that the arrested person was advised of 491  
the consequences of the refusal, the chief of the division of 492  
watercraft shall inform the person by written notice that the 493  
person is prohibited from operating or being in physical control 494  
of a vessel, from manipulating any water skis, aquaplane, or 495  
similar device, and from registering any watercraft in accordance 496  
with section 1547.54 of the Revised Code, for one year following 497  
the date of the alleged violation. The suspension of these 498  
operation, physical control, manipulation, and registration 499  
privileges shall continue for the entire one-year period, subject 500  
to review as provided in this section. 501

If the person under arrest is the owner of the vessel 502  
involved in the alleged violation, the law enforcement officer who 503  
arrested the person shall seize the watercraft registration 504  
certificate and tags from the vessel involved in the violation and 505  
forward them to the chief. The chief shall retain the impounded 506  
registration certificate and tags and shall impound all other 507  
registration certificates and tags issued to the person in 508  
accordance with sections 1547.54 and 1547.57 of the Revised Code, 509  
for a period of one year following the date of the alleged 510  
violation, subject to review as provided in this section. 511

If the arrested person fails to surrender the registration 512  
certificate because it is not on the person of the arrested person 513  
or in the watercraft, the law enforcement officer who made the 514  
arrest shall order the person to surrender it within twenty-four 515  
hours to the law enforcement officer or the law enforcement agency 516  
that employs the law enforcement officer. If the person fails to 517  
do so, the law enforcement officer shall notify the chief of that 518  
fact in the statement the officer submits to the chief under this 519  
division. 520

(E) Upon suspending a person's operation, physical control, 521  
manipulation, and registration privileges in accordance with 522

division (D) of this section, the chief shall notify the person in 523  
writing, at the person's last known address, and inform the person 524  
that the person may petition for a hearing in accordance with 525  
division (F) of this section. If a person whose operation, 526  
physical control, manipulation, and registration privileges have 527  
been suspended petitions for a hearing or appeals any adverse 528  
decision, the suspension shall begin at the termination of any 529  
hearing or appeal unless the hearing or appeal results in a 530  
decision favorable to the person. 531

(F) Any person who has been notified by the chief that the 532  
person is prohibited from operating or being in physical control 533  
of a vessel or manipulating any water skis, aquaplane, or similar 534  
device and from registering any watercraft in accordance with 535  
section 1547.54 of the Revised Code, or who has had the 536  
registration certificate and tags of the person's watercraft 537  
impounded pursuant to division (D) of this section, within twenty 538  
days of the notification or impoundment, may file a petition in 539  
the municipal court or the county court, or if the person is a 540  
minor in juvenile court, with jurisdiction over the place at which 541  
the arrest occurred, agreeing to pay the cost of the proceedings 542  
and alleging error in the action taken by the chief under division 543  
(D) of this section or alleging one or more of the matters within 544  
the scope of the hearing as provided in this section, or both. The 545  
petitioner shall notify the chief of the filing of the petition 546  
and send the chief a copy of the petition. 547

The scope of the hearing is limited to the issues of whether 548  
the law enforcement officer had reasonable grounds to believe the 549  
petitioner was operating or in physical control of a vessel or 550  
manipulating any water skis, aquaplane, or similar device in 551  
violation of section 1547.11 of the Revised Code or a 552  
substantially equivalent municipal ordinance, whether the 553  
petitioner was placed under arrest, whether the petitioner refused 554

to submit to the chemical test upon request of the officer, and 555  
whether the petitioner was advised of the consequences of the 556  
petitioner's refusal. 557

(G)(1) The chief shall furnish the court a copy of the 558  
affidavit as provided in division (C) of this section and any 559  
other relevant information requested by the court. 560

(2) In hearing the matter and in determining whether the 561  
person has shown error in the decision taken by the chief as 562  
provided in division (D) of this section, the court shall decide 563  
the issue upon the relevant, competent, and material evidence 564  
submitted by the chief or the person whose operation, physical 565  
control, manipulation, and registration privileges have been 566  
suspended. 567

In the proceedings, the chief shall be represented by the 568  
prosecuting attorney of the county in which the petition is filed 569  
if the petition is filed in a county court or juvenile court, 570  
except that if the arrest occurred within a city or village within 571  
the jurisdiction of the county court in which the petition is 572  
filed, the city director of law or village solicitor of that city 573  
or village shall represent the chief. If the petition is filed in 574  
the municipal court, the chief shall be represented as provided in 575  
section 1901.34 of the Revised Code. 576

(3) If the court finds from the evidence submitted that the 577  
person has failed to show error in the action taken by the chief 578  
under division (D) of this section or in one or more of the 579  
matters within the scope of the hearing as provided in division 580  
(F) of this section, or both, the court shall assess the cost of 581  
the proceeding against the person and shall uphold the suspension 582  
of the operation, physical control, use, and registration 583  
privileges provided in division (D) of this section. If the court 584  
finds that the person has shown error in the action taken by the 585  
chief under division (D) of this section or in one or more of the 586

matters within the scope of the hearing as provided in division 587  
(F) of this section, or both, the cost of the proceedings shall be 588  
paid out of the county treasury of the county in which the 589  
proceedings were held, the chief shall reinstate the operation, 590  
physical control, manipulation, and registration privileges of the 591  
person without charge, and the chief shall return the registration 592  
certificate and tags, if impounded, without charge. 593

(4) The court shall give information in writing of any action 594  
taken under this section to the chief. 595

(H) At the end of any period of suspension or impoundment 596  
imposed under this section, and upon request of the person whose 597  
operation, physical control, use, and registration privileges were 598  
suspended or whose registration certificate and tags were 599  
impounded, the chief shall reinstate the person's operation, 600  
physical control, manipulation, and registration privileges by 601  
written notice and return the certificate and tags. 602

(I) No person who has received written notice from the chief 603  
that the person is prohibited from operating or being in physical 604  
control of a vessel, from manipulating any water skis, aquaplane, 605  
or similar device, and from registering a watercraft, or who has 606  
had the registration certificate and tags of the person's 607  
watercraft impounded, in accordance with division (D) of this 608  
section, shall operate or be in physical control of a vessel or 609  
manipulate any water skis, aquaplane, or similar device for a 610  
period of one year following the date of the person's alleged 611  
violation of section 1547.11 of the Revised Code or the 612  
substantially equivalent municipal ordinance. 613

Revised Code or a violation of a municipal ordinance, law of 616  
another state, or law of the United States that is substantially 617

equivalent to division (A) or (B) of section 1547.11 of the 618

adopted thereunder, for which no penalty is otherwise provided, is 629  
guilty of a minor misdemeanor. 630

(D) Whoever violates section 1547.07 or 1547.12 of the 631  
Revised Code without causing injury to persons or damage to 632

as provided in division (G)(1), (2), or (3) of this section. 645

(1) Except as otherwise provided in division (G)(2) or (3) of 646

~~Revised Code or section 2903.06 or 2903.07 of the Revised Code as~~ 691

offense identified in division (G)(2) of this section, the court 707  
shall sentence the offender to a jail term of thirty consecutive 708  
days and may sentence the offender to a longer jail term of not 709  
more than one year. In addition, the court shall impose upon the 710

offender, the court may require the offender to attend a drivers' 714  
intervention program that is certified pursuant to section 3793.10 715

(4) Upon a showing that serving a jail term would seriously 717  
affect the ability of an offender sentenced pursuant to division 718  
(G)(1), (2), or (3) of this section to continue the offender's 719  
employment, the court may authorize that the offender be granted 720  
work release after the offender has served the mandatory jail term 721

required by division (G)(1), (2), or (3) of this section to 723  
impose. No court shall authorize work release during the mandatory 724  
jail term of three, ten, or thirty consecutive days that the court 725

authorizes the suspension of the imposition or execution of a 732  
sentence or the placement of an offender in any treatment program 733  
in lieu of being imprisoned or serving a jail term, no court shall 734  
suspend the mandatory jail term of ten or thirty consecutive days 735  
required to be imposed by division (G)(2) or (3) of this section 736  
or place an offender who is sentenced pursuant to division (G)(2) 737  
or (3) of this section in any treatment program in lieu of being 738  
imprisoned or serving a jail term until after the offender has 739  
served the mandatory jail term of ten or thirty consecutive days 740  
required to be imposed pursuant to division (G)(2) or (3) of this 741  
section. Notwithstanding any section of the Revised Code that 742  
authorizes the suspension of the imposition or execution of a 743

sentence or the placement of an offender in any treatment program 744  
in lieu of being imprisoned or serving a jail term, no court, 745  
except as specifically authorized by division (G)(1) of this 746  
section, shall suspend the mandatory jail term of three 747  
consecutive days required to be imposed by division (G)(1) of this 748  
section or place an offender who is sentenced pursuant to division 749  
(G)(1) of this section in any treatment program in lieu of 750  
imprisonment until after the offender has served the mandatory 751

municipal corporation, or other political subdivision in disposing 762  
of an abandoned junk vessel or outboard motor, less any money 763  
accruing to the state, county, township, municipal corporation, or 764

of the Revised Code is guilty of a minor misdemeanor. 767

(J) Whoever violates section 1547.31 of the Revised Code is 768  
guilty of a misdemeanor of the fourth degree on a first offense. 769

privileges, also issues an order prohibiting the offender from 1057  
operating any motor vehicle, for the period of suspension 1058  
following the first three years of suspension, unless the motor 1059

municipal OVI ordinance, the judge of the court or mayor of the 1115  
mayor's court that suspended the license, permit, or privilege 1116  
shall cause the offender to deliver to the court the license or 1117

authorize the offender during the specified period to operate a 1157

restricted license. A restricted license issued under this 1175  
division shall be identical to an Ohio driver's license, except 1176  
that it shall have printed on its face a statement that the 1177  
offender is prohibited during the period specified in the court 1178

**Sec. 4510.43.** (A)(1) The director of public safety, upon 1183  
consultation with the director of health and in accordance with 1184  
Chapter 119. of the Revised Code, shall certify immobilizing and 1185  
disabling devices and shall publish and make available to the 1186

courts, without charge, a list of approved devices together with 1187  
information about the manufacturers of the devices and where they 1188  
may be obtained. The manufacturer of an immobilizing or disabling 1189  
device shall pay the cost of obtaining the certification of the 1190  
device to the director of public safety, and the director shall 1191  
deposit the payment in the drivers' treatment and intervention 1192  
fund established by sections 4511.19 and 4511.191 of the Revised 1193  
Code. 1194

(2) The director of public safety, in accordance with Chapter 1195  
119. of the Revised Code, shall adopt and publish rules setting 1196  
forth the requirements for obtaining the certification of an 1197  
immobilizing or disabling device. The director of public safety 1198  
shall not certify an immobilizing or disabling device under this 1199  
section unless it meets the requirements specified and published 1200  
by the director in the rules adopted pursuant to this division. A 1201  
certified device may consist of an ignition interlock device, an 1202  
ignition blocking device initiated by time or magnetic or 1203  
electronic encoding, an activity monitor, or any other device that 1204  
reasonably assures compliance with an order granting limited 1205  
driving privileges. 1206

The requirements for an immobilizing or disabling device that 1207  
is an ignition interlock device shall require that the 1208  
manufacturer of the device submit to the department of public 1209  
safety a certificate from an independent testing laboratory 1210  
indicating that the device meets or exceeds the standards of the 1211  
national highway traffic safety administration, as defined in 1212  
section 4511.19 of the Revised Code, that are in effect at the 1213  
time of the director's decision regarding certification of the 1214  
device, shall include provisions for setting a minimum and maximum 1215  
calibration range, and shall include, but shall not be limited to, 1216  
specifications that the device complies with all of the following: 1217

(a) It does not impede the safe operation of the vehicle. 1218

(b) It has features that make circumvention difficult and	1219
that do not interfere with the normal use of the vehicle, <u>and the</u>	1220
<u>features are operating and functioning.</u>	1221
(c) It correlates well with established measures of alcohol	1222
impairment.	1223
(d) It works accurately and reliably in an unsupervised	1224
environment.	1225
(e) It is resistant to tampering and shows evidence of	1226
tampering if tampering is attempted.	1227
(f) It is difficult to circumvent and requires premeditation	1228
to do so.	1229
(g) It minimizes inconvenience to a sober user.	1230
(h) It requires a proper, deep-lung breath sample or other	1231
accurate measure of the concentration by weight of alcohol in the	1232
breath.	1233
(i) It operates reliably over the range of automobile	1234
environments.	1235
(j) It is made by a manufacturer who is covered by product	1236
liability insurance.	1237
(3) The director of public safety may adopt, in whole or in	1238
part, the guidelines, rules, regulations, studies, or independent	1239
laboratory tests performed and relied upon by other states, or	1240
their agencies or commissions, in the certification or approval of	1241
immobilizing or disabling devices.	1242
(4) The director of public safety shall adopt rules in	1243
accordance with Chapter 119. of the Revised Code for the design of	1244
a warning label that shall be affixed to each immobilizing or	1245
disabling device upon installation. The label shall contain a	1246
warning that any person tampering, circumventing, or otherwise	1247
misusing the device is subject to a fine, imprisonment, or both	1248

and may be subject to civil liability. 1249

(B) A court considering the use of a prototype device in a 1250  
pilot program shall advise the director of public safety, thirty 1251  
days before the use, of the prototype device and its protocol, 1252  
methodology, manufacturer, and licensor, lessor, other agent, or 1253  
owner, and the length of the court's pilot program. A prototype 1254  
device shall not be used for a violation of section 4510.14 or 1255  
4511.19 of the Revised Code, a violation of a municipal OVI 1256  
ordinance, or in relation to a suspension imposed under section 1257  
4511.191 of the Revised Code. A court that uses a prototype device 1258  
in a pilot program, periodically during the existence of the 1259  
program and within fourteen days after termination of the program, 1260  
shall report in writing to the director of public safety regarding 1261  
the effectiveness of the prototype device and the program. 1262

(C) If a person has been granted limited driving privileges 1263  
with a condition of the privileges being that the motor vehicle 1264  
that is operated under the privileges must be equipped with an 1265  
immobilizing or disabling device, the person may operate a motor 1266  
vehicle that is owned by the person's employer only if the person 1267  
is required to operate that motor vehicle in the course and scope 1268  
of the offender's employment. Such a person may operate that 1269  
vehicle without the installation of an immobilizing or disabling 1270  
device, provided that the employer has been notified that the 1271  
person has limited driving privileges and of the nature of the 1272  
restriction and further provided that the person has proof of the 1273  
employer's notification in the person's possession while operating 1274  
the employer's vehicle for normal business duties. A motor vehicle 1275  
owned by a business that is partly or entirely owned or controlled 1276  
by a person with limited driving privileges is not a motor vehicle 1277  
owned by an employer, for purposes of this division. 1278

than the applicable concentration of a listed controlled substance 1555  
or a listed metabolite of a controlled substance specified for a 1556  
violation of division (A)(1)(j) of this section, that fact may be 1557  
considered with other competent evidence in determining the guilt 1558

or innocence of the defendant. This division does not limit or 1559

If the chemical test was obtained pursuant to division 1567

municipal ordinance, or a municipal OVI ordinance. 2351

(3) The chemical test or tests under division (A)(2) of this 2352

section shall be administered at the request of a law enforcement 2353

division to ensure that a person submits to a chemical test of the 2395  
person's whole blood or blood serum or plasma is immune from 2396  
criminal and civil liability based upon a claim for assault and 2397  
battery or any other claim for the acts, unless the officer so 2398  
acted with malicious purpose, in bad faith, or in a wanton or 2399

such refusals, convictions, and guilty pleas, each of which 2453  
violations or offenses arose from an incident other than the 2454  
incident that led to any of the refusals, the suspension shall be 2455  
for five years. 2456

(2) The registrar shall terminate a suspension of the 2457  
driver's or commercial driver's license or permit of a resident or 2458

operating a vehicle in violation of section 4511.19 of the Revised 2464  
Code or in violation of a municipal OVI ordinance, if the offense 2465
