surrender of a license to practice chiropractic or certificate to 1585

(4) In lieu of an adjudication, the board may enter into a 1587
consent agreement with an individual to resolve an allegation of a 1588
violation of this chapter or any rule adopted under it. A consent 1589
agreement, when ratified by the board, shall constitute the 1590
findings and order of the board with respect to the matter 1591
addressed in the agreement. If the board refuses to ratify a 1592
consent agreement, the admissions and findings contained in the 1593
consent agreement shall be of no force or effect. 1594

(E) This section does not require the board to hire, contract 1595
with, or retain the services of an expert witness when the board 1596
takes action against a chiropractor concerning compliance with 1597
acceptable and prevailing standards of care in the practice of 1598

compliance with acceptable and prevailing standards of care, the 1600
board may rely on the knowledge of its members for purposes of 1601
making a determination of compliance, notwithstanding any expert 1602
testimony presented by the chiropractor that contradicts the 1603
knowledge and opinions of the members of the board. 1604

(F) The sealing of conviction records by a court shall have 1606

judicial finding of eligibility for intervention in lieu of 1610
conviction, the board issued a notice of opportunity for a hearing 1611
prior to the court's order to seal the records. The board shall 1612
not be required to seal, destroy, redact, or otherwise modify its 1613
records to reflect the court's sealing of conviction records. 1614

(G) Actions shall not be taken pursuant to division (C)(37) 1615
of this section against any chiropractor who waives deductibles 1616
and copayments as follows: 1617

(1) In compliance with the health benefit plan that expressly 1618
allows a practice of that nature. Waiver of the deductibles or 1619
copayments shall be made only with the full knowledge and consent 1620
of the plan purchaser, payer, and third-party administrator. 1621
Documentation of the consent shall be made available to the board 1622
upon request. 1623

(2) For professional services rendered to any other person 1624
licensed pursuant to this chapter, to the extent allowed by this 1625
chapter and the rules of the board. 1626

Sec. 4734.311. On receipt of a notice pursuant to section 1627
3123.43 of the Revised Code, the state chiropractic board shall 1628
comply with sections 3123.41 to 3123.50 of the Revised Code and 1629
any applicable rules adopted under section 3123.63 of the Revised 1630
Code with respect to a license to practice chiropractic or 1631
certificate to practice acupuncture issued pursuant to this 1632
chapter. 1633

Sec. 4734.34. An individual subject to an action taken under 1634
section 4734.31 of the Revised Code, other than permanent 1635
revocation of a license to practice chiropractic or certificate to 1636
practice acupuncture, may apply to the state chiropractic board to 1637
have the individual's license or certificate restored to good 1638
standing. The board shall consider the moral character and the 1639
activities of the applicant since the board's action was taken, in 1640
accordance with the standards for issuance of a license, as 1641
established under section 4734.20 of the Revised Code, or the 1642
standards for issuance of a certificate to practice acupuncture, 1643
as established under section 4734.282 of the Revised Code. The 1644

board may impose terms and conditions on restoration of the 1645
license or certificate by doing any of the following: 1646

(A) Requiring the applicant to obtain training, which may 1647
include requiring the applicant to pass an examination upon 1648
completion of the training; 1649

(B) Requiring the applicant to pass an oral or written 1650
examination, or both, to determine fitness to resume practice; 1651

(C) Restricting or limiting the extent, scope, or type of 1652
practice of the applicant. 1653

Sec. 4734.36. A chiropractor who in this state pleads guilty 1654
to or is convicted of aggravated murder, murder, voluntary 1655
manslaughter, felonious assault, kidnapping, rape, sexual battery, 1656
gross sexual imposition, aggravated arson, aggravated robbery, or 1657
aggravated burglary, or who in another jurisdiction pleads guilty 1658
to or is convicted of any substantially equivalent criminal 1659
offense, is automatically suspended from practice in this state 1660
and the license issued under this chapter to practice chiropractic 1661
is automatically suspended as of the date of the guilty plea or 1662
conviction. If applicable, the chiropractor's certificate issued 1663
under this chapter to practice acupuncture is automatically 1664
suspended at the same time. Continued practice after suspension 1665
under this section shall be considered practicing chiropractic 1666
without a license and, if applicable, acupuncture without a 1667
certificate. On receiving notice or otherwise becoming aware of 1668
the conviction, the state chiropractic board shall notify the 1669
individual of the suspension under this section by certified mail 1670
or in person in accordance with section 119.07 of the Revised 1671
Code. If an individual whose license and, if applicable, 1672
certificate to practice acupuncture is suspended under this 1673
section fails to make a timely request for an adjudication, the 1674
board shall enter a final order revoking the individual's license 1675

and, if applicable, certificate to practice acupuncture. 1676

Sec. 4734.37. If the state chiropractic board determines that 1677
there is clear and convincing evidence that a person who has been 1678
granted a license to practice chiropractic and, if applicable, 1679
certificate to practice acupuncture under this chapter has 1680
committed an act that subjects the person's license and, if 1681
applicable, certificate to board action under section 4734.31 of 1682
the Revised Code and that the person's continued practice presents 1683
a danger of immediate and serious harm to the public, the board 1684
may suspend the license and, if applicable, certificate without a 1685
prior hearing. A telephone conference call may be utilized for 1686
reviewing the matter and taking the vote. 1687

The board shall issue a written order of suspension by 1688
certified mail or in person in accordance with section 119.07 of 1689
the Revised Code. The order is not subject to suspension by the 1690
court during pendency of any appeal filed under section 119.12 of 1691
the Revised Code. If the person subject to the suspension requests 1692
an adjudication by the board, the date set for the adjudication 1693
shall be within twenty days, but not earlier than seven days, 1694
after the request, unless otherwise agreed to by both the board 1695
and the person subject to the suspension. 1696

Any summary suspension imposed under this section shall 1697
remain in effect, unless reversed on appeal, until a final 1698
adjudicative order issued by the board pursuant to section 4734.31 1699
and Chapter 119. of the Revised Code becomes effective. The board 1700
shall issue its final adjudicative order within sixty days after 1701
completion of its adjudication. A failure to issue the order 1702
within sixty days shall result in dissolution of the summary 1703
suspension order but shall not invalidate any subsequent, final 1704
adjudicative order. 1705

Sec. 4734.38. If any person who has been granted a license to practice chiropractic and, if applicable, certificate to practice acupuncture under this chapter is adjudged by a probate court to be mentally ill or mentally incompetent, the person's license and, if applicable, certificate shall be automatically suspended until the person has filed with the state chiropractic board a certified copy of an adjudication by a probate court of being restored to competency or has submitted to the board proof, satisfactory to the board, of having been discharged as being restored to competency in the manner and form provided in section 5122.38 of the Revised Code. The judge of the court shall forthwith notify the board of an adjudication of mental illness or mental incompetence.

Sec. 4734.39. (A) For purposes of the state chiropractic board's enforcement of division (C)(16) or (17) of section 4734.31 of the Revised Code, an individual who applies for or receives a license to practice chiropractic or certificate to practice acupuncture under this chapter accepts the privilege of practicing chiropractic and, if applicable, acupuncture in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board in its enforcement of those divisions, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(B) If the board has reason to believe that a chiropractor or applicant suffers an impairment described in division (C)(16) or (17) of section 4734.31 of the Revised Code, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this section shall be undertaken by a

provider who is qualified to conduct the examination and who is 1737
chosen by the board. 1738

Failure to submit to a mental or physical examination ordered 1739
by the board constitutes an admission of the allegations against 1740
the individual unless the failure is due to circumstances beyond 1741
the individual's control. A default and final order may be entered 1742
without the taking of testimony or presentation of evidence. 1743

If the board determines that an individual's ability to 1744
practice is impaired, the board shall suspend the individual's 1745
license to practice chiropractic and, if applicable, certificate 1746
to practice acupuncture or deny the individual's application and 1747
shall require the individual, as a condition for initial, 1748
continued, reinstated, restored, or renewed certification to 1749
practice, to submit to care, counseling, or treatment. 1750

(C) Before being eligible to apply for reinstatement of a 1751
license or certificate suspended under division (C)(16) of section 1752
4734.31 of the Revised Code or the chemical dependency provisions 1753
of division (C)(17) of section 4731.34 of the Revised Code, the 1754
impaired individual shall demonstrate to the board the ability to 1755
resume practice in compliance with acceptable and prevailing 1756
standards of care in the practice of chiropractic and, if 1757
applicable, acupuncture under this chapter. If rules have been 1758
adopted under section 4734.40 of the Revised Code, the 1759
demonstration shall include, but shall not be limited to, the 1760
following: 1761

(1) Certification from a treatment provider approved under 1762
section 4734.40 of the Revised Code that the individual has 1763
successfully completed any required inpatient treatment; 1764

(2) Evidence of continuing full compliance with an aftercare 1765
contract or consent agreement; 1766

(3) Two written reports indicating that the individual's 1767

ability to practice has been assessed and that the individual has 1768
been found capable of practicing according to acceptable and 1769
prevailing standards of care. The reports shall be made by 1770
individuals or providers approved by the board for making the 1771
assessments and shall describe the basis for their determination. 1772

The board may reinstate a license and, if applicable, 1773
certificate suspended under this division after that demonstration 1774
and after the individual has entered into a written consent 1775
agreement. 1776

When the impaired individual resumes practice, the board 1777
shall require continued monitoring of the individual. The 1778
monitoring shall include, but not be limited to, compliance with 1779
the written consent agreement entered into before reinstatement or 1780
with conditions imposed by board order after a hearing, and, upon 1781
termination of the consent agreement, submission to the board for 1782
at least two years of annual written progress reports made under 1783
penalty of perjury stating whether the individual has maintained 1784
sobriety. 1785

Sec. 4734.47. (A) The executive director of the state 1786
chiropractic board shall function as the chief enforcement officer 1787
of the board and shall enforce the laws relating to the practice 1788
of chiropractic and acupuncture under this chapter. If the 1789
executive director has knowledge or notice of a violation of those 1790
laws, the executive director shall investigate the matter or cause 1791
the matter to be investigated. On probable cause appearing, the 1792
executive director shall prosecute the offender or cause the 1793
offender to be prosecuted. If the matter involves a violation by 1794
an individual licensed under this chapter, the executive director 1795
shall bring the matter before the board. If the matter involves a 1796
violation for which a penalty may be imposed under section 4734.99 1797
of the Revised Code, the executive director or a person authorized 1798

by the board to represent the executive director may file a 1799
complaint with the prosecuting attorney of the proper county. 1800
Except as provided in division (B) of this section, the 1801
prosecuting attorney shall take charge of and conduct the 1802
prosecution. 1803

(B) For purposes of enforcing this chapter, the board may 1804
petition a court of record to appoint an attorney to assist the 1805
prosecuting attorney in the prosecution of offenders or to take 1806
charge of and conduct the prosecutions as a special prosecutor. 1807
The court shall grant the petition if it is in the public 1808
interest. A special prosecutor appointed by the court shall be 1809
compensated by the board in an amount approved by the board. 1810

If the court believes that public knowledge of the 1811
appointment of a special prosecutor could allow one or more 1812
persons to interfere with the prosecution or any investigation 1813
related to the prosecution, the court may seal all documents 1814
