so that the rate is not less than ninety-nine per cent of the 623
nursing facility's fiscal year 2010 partial rate. 624

levels, and direct care staff wages. 649

~~(E)~~(F) After the adjustment under division ~~(D)~~(E) of this 650
section is made to a nursing facility's fiscal year 2011 rate, the 651
Department of Job and Family Services shall increase the nursing 652
facility's fiscal year 2011 rate by the consolidated services rate 653
per Medicaid day. The consolidated services rate shall equal the 654
sum of the following: 655

309.30.20 of ~~this act~~ Am. Sub. H.B. 1 of the 128th General 661
Assembly is not subject to an adjustment under division (C) of 662
that section, the nursing facility's fiscal year 2011 rate as 663
initially determined under division (B) of this section shall not 664
be subject to an adjustment under division (C) of this section 665
regardless of whether the nursing facility's fiscal year 2011 rate 666
as initially determined under division (B) of this section would, 667
if not for this division, be subject to the adjustment. 668

If the fiscal year 2011 rate for a nursing facility as 669
initially determined under division (B) of this section is not 670
subject to an adjustment under division (C) of this section, the 671
nursing facility's rate shall not be subject to an adjustment 672
under that division for the remainder of fiscal year 2011 673
regardless of any other adjustment made to the nursing facility's 674
fiscal year 2011 rate under sections 5111.20 to 5111.33 of the 675
Revised Code. 676

~~(G)~~(H) Not later than October 1, 2010, the Department of Job 677
and Family Services shall determine the rates to be paid providers 678
of nursing facilities under this section. Until the rates are 679
determined, the Department shall continue to pay a provider the 680
rate the provider is paid for nursing facility services the 681
provider's nursing facility provides on June 30, 2010. When the 682
Department determines the rates to be paid under this section, the 683
Department shall pay the rates retroactive to July 1, 2010. 684

~~(H)~~(I) If the United States Centers for Medicare and Medicaid 685
Services requires that the franchise permit fee be reduced or 686
eliminated, the Department of Job and Family Services shall reduce 687
the amount it pays providers of nursing facility services under 688
this section as necessary to reflect the loss to the state of the 689
revenue and federal financial participation generated from the 690
franchise permit fee. 691

~~(I)~~(J) The Department of Job and Family Services shall follow 692
this section in determining the rate to be paid to the provider of 693
a nursing facility that has a valid Medicaid provider agreement on 694
June 30, 2010, and a valid Medicaid provider agreement during 695
fiscal year 2011 notwithstanding anything to the contrary in 696
sections 5111.20 to 5111.33 of the Revised Code. 697

Section 4. That existing Section 309.30.25 of Am. Sub. H.B. 1 698
of the 128th General Assembly is hereby repealed. 699

Section 5. That Section 5 of Sub. H.B. 125 of the 127th
General Assembly, as amended by Sub. H.B. 493 of the 127th General
Assembly, be amended to read as follows:

Sec. 5. (A) As used in this section and Section 6 of Sub.
H.B. 125 of the 127th General Assembly:

(1) "Most favored nation clause" means a provision in a
health care contract that does any of the following:

(a) Prohibits, or grants a contracting entity an option to
prohibit, the participating provider from contracting with another
contracting entity to provide health care services at a lower
price than the payment specified in the contract;

(b) Requires, or grants a contracting entity an option to
require, the participating provider to accept a lower payment in
the event the participating provider agrees to provide health care
services to any other contracting entity at a lower price;

(c) Requires, or grants a contracting entity an option to
require, termination or renegotiation of the existing health care
contract in the event the participating provider agrees to provide
health care services to any other contracting entity at a lower
price;

(d) Requires the participating provider to disclose the
participating provider's contractual reimbursement rates with
other contracting entities.

(2) "Contracting entity," "health care contract," "health
care services," "participating provider," and "provider" have the
same meanings as in section 3963.01 of the Revised Code, as
enacted by Sub. H.B. 125 of the 127th General Assembly.

(B) With respect to a contracting entity and a provider other
than a hospital, no health care contract that includes a most

729 favored nation clause shall be entered into, and no health care
730 contract at the instance of a contracting entity shall be amended
731 or renewed to include a most favored nation clause, for a period
732 of three years after the effective date of Sub. H.B. 125 of the
733 127th General Assembly.

734 (C) With respect to a contracting entity and a hospital, no
735 health care contract that includes a most favored nation clause
736 shall be entered into, and no health care contract at the instance
737 of a contracting entity shall be amended or renewed to include a
738 most favored nation clause, for a period of ~~two~~ three years after
739 the effective date of Sub. H.B. 125 of the 127th General Assembly,
740 subject to extension as provided in Section 6 of Sub. H.B. 125 of
741 the 127th General Assembly.

742 (D) This section does not apply to and does not prohibit the
743 continued use of a most favored nation clause in a health care
744 contract that is between a contracting entity and a hospital and
745 that is in existence on the effective date of Sub. H.B. 125 of the
746 127th General Assembly even if the health care contract is
747 materially amended with respect to any provision of the health
748 care contract other than the most favored nation clause during the
749 two-year period specified in this section or during any extended
750 period of time as provided in Section 6 of Sub. H.B. 125 of the
751 127th General Assembly.

752 **Section 6.** That existing Section 5 of Sub. H.B. 125 of the
753 127th General Assembly, as amended by Sub. H.B. 493 of the 127th
754 General Assembly, is hereby repealed.

755 **Section 7.** Sections 1 and 2 of this act, except for the
756 amendments to section 5111.242 of the Revised Code, shall take
757 effect on the ninetieth day after the effective date of this act.

758 **Section 8.** This act is hereby declared to be an emergency

measure necessary for the immediate preservation of the public 759
peace, health, and safety. The reason for such necessity is that 760
it establishes continuity for existing most favored nation clauses 761
in health care contracts and avoids the administrative expense of 762
recalculating a nursing facility's Medicaid reimbursement rate for 763
tax costs after fiscal year 2011 begins. Therefore, this act shall 764
go into immediate effect. 765
