the Revised Code. 32150

(K) Any person who removes data from the information system 32151
established under this section for the purpose of releasing it to 32152
any person not entitled under law to have access to such 32153
information is subject to section 2913.42 of the Revised Code 32154
prohibiting tampering with data. 32155

(L)(1) In accordance with division (L)(2) of this section and 32156
the rules adopted under division (L)(10) of this section, the 32157
department of education may sanction any school district that 32158
reports incomplete or inaccurate data, reports data that does not 32159
conform to data requirements and descriptions published by the 32160
department, fails to report data in a timely manner, or otherwise 32161
does not make a good faith effort to report data as required by 32162
this section. 32163

(2) If the department decides to sanction a school district 32164
under this division, the department shall take the following 32165
sequential actions: 32166

(a) Notify the district in writing that the department has 32167
determined that data has not been reported as required under this 32168
section and require the district to review its data submission and 32169
submit corrected data by a deadline established by the department. 32170
The department also may require the district to develop a 32171
corrective action plan, which shall include provisions for the 32172
district to provide mandatory staff training on data reporting 32173
procedures. 32174

(b) Withhold up to ten per cent of the total amount of state 32175
funds due to the district for the current fiscal year and, if not 32176

require the district to develop a corrective action plan in 32178
accordance with that division; 32179

(c) Withhold an additional amount of up to twenty per cent of 32180

the total amount of state funds due to the district for the 32181
current fiscal year; 32182

(d) Direct department staff or an outside entity to 32183
investigate the district's data reporting practices and make 32184
recommendations for subsequent actions. The recommendations may 32185
include one or more of the following actions: 32186

(i) Arrange for an audit of the district's data reporting 32187
practices by department staff or an outside entity; 32188

(ii) Conduct a site visit and evaluation of the district; 32189

(iii) Withhold an additional amount of up to thirty per cent 32190

(v) Assign department staff to supervise the district's data 32194
management system; 32195

(vi) Conduct an investigation to determine whether to suspend 32196
or revoke the license of any district employee in accordance with 32197
division (N) of this section; 32198

(vii) If the district is issued a report card under section 32199
3302.03 of the Revised Code, indicate on the report card that the 32200
district has been sanctioned for failing to report data as 32201
required by this section; 32202

(viii) If the district is issued a report card under section 32203
3302.03 of the Revised Code and incomplete or inaccurate data 32204
submitted by the district likely caused the district to receive a 32205
higher performance rating than it deserved under that section, 32206
issue a revised report card for the district; 32207

(ix) Any other action designed to correct the district's data 32208
reporting problems. 32209

(3) Any time the department takes an action against a school 32210

district under division (L)(2) of this section, the department 32211
shall make a report of the circumstances that prompted the action. 32212
The department shall send a copy of the report to the district 32213
superintendent or chief administrator and maintain a copy of the 32214
report in its files. 32215

(4) If any action taken under division (L)(2) of this section 32216
resolves a school district's data reporting problems to the 32217
department's satisfaction, the department shall not take any 32218
further actions described by that division. If the department 32219
withheld funds from the district under that division, the 32220
department may release those funds to the district, except that if 32221
the department withheld funding under division (L)(2)(c) of this 32222
section, the department shall not release the funds withheld under 32223
division (L)(2)(b) of this section and, if the department withheld 32224
funding under division (L)(2)(d) of this section, the department 32225
shall not release the funds withheld under division (L)(2)(b) or 32226
(c) of this section. 32227

(5) Notwithstanding anything in this section to the contrary, 32228
the department may use its own staff or an outside entity to 32229
conduct an audit of a school district's data reporting practices 32230
any time the department has reason to believe the district has not 32231
made a good faith effort to report data as required by this 32232
section. If any audit conducted by an outside entity under 32233
division (L)(2)(d)(i) or (5) of this section confirms that a 32234
district has not made a good faith effort to report data as 32235
required by this section, the district shall reimburse the 32236
department for the full cost of the audit. The department may 32237
withhold state funds due to the district for this purpose. 32238

(6) Prior to issuing a revised report card for a school 32239
district under division (L)(2)(d)(viii) of this section, the 32240
department may hold a hearing to provide the district with an 32241
opportunity to demonstrate that it made a good faith effort to 32242

report data as required by this section. The hearing shall be 32243
conducted by a referee appointed by the department. Based on the 32244
information provided in the hearing, the referee shall recommend 32245
whether the department should issue a revised report card for the 32246
district. If the referee affirms the department's contention that 32247
the district did not make a good faith effort to report data as 32248
required by this section, the district shall bear the full cost of 32249
conducting the hearing and of issuing any revised report card. 32250

(7) If the department determines that any inaccurate data 32251
reported under this section caused a school district to receive 32252
excess state funds in any fiscal year, the district shall 32253
reimburse the department an amount equal to the excess funds, in 32254
accordance with a payment schedule determined by the department. 32255
The department may withhold state funds due to the district for 32256
this purpose. 32257

(8) Any school district that has funds withheld under 32258
division (L)(2) of this section may appeal the withholding in 32259
accordance with Chapter 119. of the Revised Code. 32260

(9) In all cases of a disagreement between the department and 32261
a school district regarding the appropriateness of an action taken 32262
under division (L)(2) of this section, the burden of proof shall 32263
be on the district to demonstrate that it made a good faith effort 32264
to report data as required by this section. 32265

(10) The state board of education shall adopt rules under 32266
Chapter 119. of the Revised Code to implement division (L) of this 32267
section. 32268

(M) No information technology center or school district shall 32269
acquire, change, or update its student administration software 32270
package to manage and report data required to be reported to the 32271
department unless it converts to a student software package that 32272
is certified by the department. 32273

(N) The state board of education, in accordance with sections 32274
3319.31 and 3319.311 of the Revised Code, may suspend or revoke a 32275
license as defined under division (A) of section 3319.31 of the 32276
Revised Code that has been issued to any school district employee 32277
found to have willfully reported erroneous, inaccurate, or 32278
incomplete data to the education management information system. 32279

(O) No person shall release or maintain any information about 32280
any student in violation of this section. Whoever violates this 32281
division is guilty of a misdemeanor of the fourth degree. 32282

(P) The department shall disaggregate the data collected 32283
under division (B)(1)(o) of this section according to the race and 32284
socioeconomic status of the students assessed. No data collected 32285
under that division shall be included on the report cards required 32286
by section 3302.03 of the Revised Code. 32287

(Q) If the department cannot compile any of the information 32288
required by division (C)(5) of section 3302.03 of the Revised Code 32289
based upon the data collected under this section, the department 32290
shall develop a plan and a reasonable timeline for the collection 32291
of any data necessary to comply with that division. 32292

Sec. 3301.0715. (A) Except as provided in division (E) of 32293
this section, the board of education of each city, local, and 32294
exempted village school district shall administer each applicable 32295
diagnostic assessment developed and provided to the district in 32296
accordance with section 3301.079 of the Revised Code to the 32297
following: 32298

(1) Each student enrolled in a building that has failed to 32299
make adequate yearly progress for two or more consecutive school 32300
years; 32301

(2) Any student who transfers into the district or to a 32302
different school within the district if each applicable diagnostic 32303

assessment was not administered by the district or school the 32304
student previously attended in the current school year, within 32305
thirty days after the date of transfer. If the district or school 32306
into which the student transfers cannot determine whether the 32307
student has taken any applicable diagnostic assessment in the 32308
current school year, the district or school may administer the 32309
diagnostic assessment to the student. 32310

(3) Each kindergarten student, not earlier than four weeks 32311
prior to the first day of school and not later than the first day 32312
of October. For the purpose of division (A)(3) of this section, 32313
the district shall administer the kindergarten readiness 32314
assessment provided by the department of education. In no case 32315
shall the results of the readiness assessment be used to prohibit 32316
a student from enrolling in kindergarten. 32317

(4) Each student enrolled in first or second grade. 32318

(B) Each district board shall administer each diagnostic 32319
assessment as the board deems appropriate. However, the board 32320
shall administer any diagnostic assessment at least once annually 32321
to all students in the appropriate grade level. A district board 32322
may administer any diagnostic assessment in the fall and spring of 32323
a school year to measure the amount of academic growth 32324
attributable to the instruction received by students during that 32325
school year. 32326

(C) Each district board shall utilize and score any 32327
diagnostic assessment administered under division (A) of this 32328
section in accordance with rules established by the department. 32329
Except as required by division (B)(1)(o) of section 3301.0714 of 32330
the Revised Code, neither the state board of education nor the 32331
department shall require school districts to report the results of 32332
diagnostic assessments for any students to the department or to 32333
make any such results available in any form to the public. After 32334
the administration of any diagnostic assessment, each district 32335

shall provide a student's completed diagnostic assessment, the 32336
results of such assessment, and any other accompanying documents 32337
used during the administration of the assessment to the parent of 32338
that student upon the parent's request. 32339

(D) Each district board shall provide intervention services 32340
to students whose diagnostic assessments show that they are 32341
failing to make satisfactory progress toward attaining the 32342
academic standards for their grade level. 32343

(E) Any district that made adequate yearly progress in the 32344
immediately preceding school year may assess student progress in 32345
grades one through three using a diagnostic assessment other than 32346
the diagnostic assessment required by division (A) of this 32347
section. 32348

(F) A district board may administer the third grade writing 32349
diagnostic assessment provided to the district in accordance with 32350
section 3301.079 of the Revised Code to any student enrolled in a 32351
building that is not subject to division (A)(1) of this section. 32352
Any district electing to administer the diagnostic assessment to 32353
students under this division shall provide intervention services 32354
to any such student whose diagnostic assessment shows 32355
unsatisfactory progress toward attaining the academic standards 32356
for the student's grade level. 32357

(G) As used in this section, "adequate yearly progress" has 32358
the same meaning as in section 3302.01 of the Revised Code. 32359

Sec. 3301.0719. (A) As used in this section, "business 32360
education" includes, but is not limited to, accounting, career 32361
development, economics and personal finance, entrepreneurship, 32362
information technology, management, and marketing. 32363

(B) Not later than July 1, 2010, the state board of education 32364
shall adopt standards for business education in grades 32365

kindergarten through twelve. The standards shall incorporate 32366
existing business education standards as appropriate to help guide 32367
instruction in the state's schools. The department shall provide 32368
the standards, and any revisions of the standards, to all school 32369
districts and community schools established under Chapter 3314. of 32370
the Revised Code. Any school district or community school may 32371
utilize the standards. Standards adopted under this division shall 32372
supplement, and not supersede, academic content standards adopted 32373
under section 3301.079 of the Revised Code. 32374

Sec. 3301.12. (A) The superintendent of public instruction in 32375
addition to the authority otherwise imposed on the superintendent, 32376
shall perform the following duties: 32377

(1) The superintendent shall provide technical and 32378
professional assistance and advice to all school districts in 32379
reference to all aspects of education, including finance, 32380
buildings and equipment, administration, organization of school 32381
districts, curriculum and instruction, transportation of pupils, 32382
personnel problems, and the interpretation of school laws and 32383
state regulations. 32384

(2) The superintendent shall prescribe and require the 32385
preparation and filing of such financial and other reports from 32386
school districts, officers, and employees as are necessary or 32387
proper. The superintendent shall prescribe and require the 32388
installation by school districts of such standardized reporting 32389
forms and accounting procedures as are essential to the 32390
businesslike operations of the public schools of the state. 32391

(3) The superintendent shall conduct such studies and 32392
research projects as are necessary or desirable for the 32393
improvement of public school education in Ohio, and such as may be 32394
assigned to the superintendent by the state board of education. 32395
Such studies and projects may include analysis of data contained 32396

in the education management information system established under 32397
section 3301.0714 of the Revised Code. For any study or project 32398
that requires the analysis of individual student data, the 32399
department of education or any entity with which the 32400
superintendent or department contracts to conduct the study or 32401
project shall maintain the confidentiality of student data at all 32402
times. For this purpose, the department or contracting entity 32403
shall use the data verification code assigned pursuant to division 32404
(D)(2) of section 3301.0714 of the Revised Code for each student 32405
whose data is analyzed. Except as otherwise provided in division 32406
(D)(1) of section 3301.0714 of the Revised Code, at no time shall 32407
the superintendent, the department, the state board of education, 32408
or any entity conducting a study or research project on the 32409
superintendent's behalf have access to a student's name, address, 32410
or social security number while analyzing individual student data. 32411

(4) The superintendent shall prepare and submit annually to 32412
the state board of education a report of the activities of the 32413
department of education and the status, problems, and needs of 32414
education in the state of Ohio. 32415

(5) The superintendent shall supervise all agencies over 32416
which the board exercises administrative control, including 32417
schools for education of persons with disabilities. 32418

(6) In accordance with section 3333.048 of the Revised Code, 32419
the superintendent, jointly with the chancellor of the Ohio board 32420
of regents, shall establish metrics and courses of study for 32421
institutions of higher education that prepare educators and other 32422
school personnel and shall provide for inspection of those 32423
institutions. 32424

(B) The superintendent of public instruction may annually 32425
inspect and analyze the expenditures of each school district and 32426
make a determination as to the efficiency of each district's 32427
costs, relative to other school districts in the state, for 32428

instructional, administrative, and student support services. The 32429
superintendent shall notify each school district as to the nature 32430
of, and reasons for, the determination. The state board of 32431
education shall adopt rules in accordance with Chapter 119. of the 32432
Revised Code setting forth the procedures and standards for the 32433
performance of the inspection and analysis. 32434

Sec. 3301.122. Not later than December 1, 2009, the 32435
superintendent of public instruction shall develop a ten-year 32436
strategic plan aligned with the strategic plan for higher 32437
education developed by the chancellor under division (D) of 32438
Section 375.30.25 of Am. Sub. H.B. 119 of the 127th general 32439
assembly. The superintendent shall submit the plan to the general 32440
assembly, in accordance with section 101.68 of the Revised Code, 32441
and to the governor. The plan shall include recommendations for: 32442

(A) A framework for collaborative, professional, innovative, 32443
and thinking twenty-first century learning environments; 32444

(B) Ways to prepare and support Ohio's educators for 32445
successful instructional careers; 32446

(C) Enhancement of the current financial and resource 32447
management accountability systems; 32448

(D) Implementation of an effective school funding system 32449
according to the principles, mandates, and guidance established in 32450
Chapter 3306. of the Revised Code. 32451

Sec. 3301.16. Pursuant to standards prescribed by the state 32452
board of education as provided in division (D) of section 3301.07 32453
of the Revised Code, the state board shall classify and charter 32454
school districts and individual schools within each district 32455
except that no charter shall be granted to a nonpublic school 32456
unless pursuant to division (K) of section 3301.0711 of the 32457
Revised Code the school elects to administer the tests prescribed 32458

by division (B) of section 3301.0710 of the Revised Code beginning 32459
July 1, 1995. 32460

In the course of considering the charter of a new school 32461
district created under section 3311.26 or 3311.38 of the Revised 32462
Code, the state board shall require the party proposing creation 32463
of the district to submit to the board a map, certified by the 32464
county auditor of the county in which the proposed new district is 32465
located, showing the boundaries of the proposed new district. In 32466
the case of a proposed new district located in more than one 32467
county, the map shall be certified by the county auditor of each 32468
county in which the proposed district is located. 32469

The state board shall revoke the charter of any school 32470
district or school which fails to meet the standards for 32471
elementary and high schools as prescribed by the board. The state 32472
board shall also revoke the charter of any nonpublic school that 32473
does not comply with section 3313.612 of the Revised Code or, on 32474
or after July 1, 1995, does not participate in the testing program 32475
prescribed by division (B) of section 3301.0710 of the Revised 32476
Code. 32477

In the issuance and revocation of school district or school 32478
charters, the state board shall be governed by the provisions of 32479
Chapter 119. of the Revised Code. 32480

No school district, or individual school operated by a school 32481
district, shall operate without a charter issued by the state 32482
board under this section. 32483

In case a school district charter is revoked pursuant to this 32484
section, the state board may dissolve the school district and 32485
transfer its territory to one or more adjacent districts. An 32486
equitable division of the funds, property, and indebtedness of the 32487
school district shall be made by the state board among the 32488
receiving districts. The board of education of a receiving 32489

district shall accept such territory pursuant to the order of the 32490
state board. Prior to dissolving the school district, the state 32491
board shall notify the appropriate educational service center 32492
governing board and all adjacent school district boards of 32493
education of its intention to do so. Boards so notified may make 32494
recommendations to the state board regarding the proposed 32495
dissolution and subsequent transfer of territory. Except as 32496
provided in section 3301.161 of the Revised Code, the transfer 32497
ordered by the state board shall become effective on the date 32498
specified by the state board, but the date shall be at least 32499
thirty days following the date of issuance of the order. 32500

A high school is one of higher grade than an elementary 32501
school, in which instruction and training are given in accordance 32502
with sections 3301.07 and 3313.60 of the Revised Code and which 32503
also offers other subjects of study more advanced than those 32504
taught in the elementary schools and such other subjects as may be 32505
approved by the state board of education. 32506

An elementary school is one in which instruction and training 32507
are given in accordance with sections 3301.07 and 3313.60 of the 32508
Revised Code and which offers such other subjects as may be 32509
approved by the state board of education. In districts wherein a 32510
junior high school is maintained, the elementary schools in that 32511
district may be considered to include only the work of the first 32512
six school years inclusive, plus the kindergarten year. 32513

A high school or an elementary school may consist of less 32514
than one or more than one organizational unit, as defined in 32515
sections 3306.02 and 3306.04 of the Revised Code. 32516

Sec. 3301.163. (A)(1) This section applies to any school 32517
operated by a school district that meets one of the following 32518
criteria after July 1, 2009: 32519

(a) The school does not offer a grade level higher than three 32520

and has been declared to be in a state of academic emergency under 32521
section 3302.03 of the Revised Code for three of the four most 32522
recent school years. 32523

(b) The school satisfies all of the following conditions: 32524

(i) The school offers any of grade levels four to eight but 32525
does not offer a grade level higher than nine. 32526

(ii) The school has been declared to be in a state of 32527
academic emergency under section 3302.03 of the Revised Code for 32528
two of the three most recent school years. 32529

(iii) In at least two of the three most recent school years, 32530
the school showed less than one standard year of academic growth 32531

of education in accordance with rules adopted under division (A) 32533
of section 3302.021 of the Revised Code. 32534

(c) The school offers any of grade levels ten to twelve and 32535
has been declared to be in a state of academic emergency under 32536
section 3302.03 of the Revised Code for three of the four most 32537
recent school years. 32538

(2) This section does not apply to any school in which a 32539
majority of the students are enrolled in a dropout prevention and 32540
recovery program that is operated by the school and that has been 32541
granted a waiver under section 3301.164 of the Revised Code. 32542

(B) The state board of education shall revoke the charter 32543
issued under section 3301.16 of the Revised Code of any school 32544
operated by a school district to which this section applies 32545
effective at the conclusion of the school year in which the school 32546
first becomes subject to this section. 32547

(C) If the revocation of a school's charter under this 32548
section causes a school district to no longer maintain all grades 32549
kindergarten through twelve, as required by section 3311.29 of the 32550

Revised Code, the district board of education shall enter into a 32551

courses are offered. Course placement includes but is not limited 32979
to Honors, International Baccalaureate, Advanced Placement, 32980

vocational, technical, and career pathways courses. Continuing the 32981
student's academic program from the previous school and promoting 32982
placement in academically and career challenging courses should be 32983
paramount when considering placement. This does not preclude the 32984
school in the receiving state from performing subsequent 32985
evaluations to ensure appropriate placement and continued 32986
enrollment of the student in the courses. 32987

B. Educational program placement - The receiving state school 32988
shall initially honor placement of the student in educational 32989
programs based on current educational assessments conducted at the 32990
school in the sending state or participation/placement in like 32991
programs in the sending state. Such programs include, but are not 32992
limited to: 1) gifted and talented programs; and 2) English as a 32993
second language. This does not preclude the school in the 32994
receiving state from performing subsequent evaluations to ensure 32995
appropriate placement of the student. 32996

C. Special education services - 1) In compliance with the 32997
federal requirements of the Individuals with Disabilities 32998
Education Act (IDEA), 20 U.S.C. 1400 et seq., the receiving state 32999
shall initially provide comparable services to a student with 33000
disabilities based on the student's current individualized 33001
education program (IEP); and 2) in compliance with the 33002
requirements of Section 504 of the Rehabilitation Act, 29 U.S.C. 33003
794, and with Title II of the Americans with Disabilities Act, 42 33004
U.S.C. 12131 to 12165, the receiving state shall make reasonable 33005
accommodations and modifications to address the needs of incoming 33006
students with disabilities, subject to an existing Section 504 or 33007
Title II Plan, to provide the student with equal access to 33008
education. This does not preclude the school in the receiving 33009
state from performing subsequent evaluations to ensure appropriate 33010
placement of the student. 33011

D. Placement flexibility - Local education agency 33012

administrative officials shall have flexibility in waiving course 33013
or program prerequisites, or other preconditions for placement in 33014
courses or programs offered under the jurisdiction of the local 33015
education agency. 33016

E. Absence as related to deployment activities - A student 33017
whose parent or legal guardian is an active duty member of the 33018
uniformed services, as defined by the compact, and has been called 33019
to duty for, is on leave from, or immediately returned from 33020
deployment to a combat zone or combat support posting, shall be 33021
granted additional excused absences at the discretion of the local 33022
education agency superintendent to visit with the student's parent 33023
or legal guardian relative to such leave or deployment of the 33024
parent or guardian. 33025

ARTICLE VI. ELIGIBILITY 33026

A. Eligibility for enrollment 33027

1. A special power of attorney, relative to the guardianship 33028
of a child of a military family and executed under applicable law 33029
shall be sufficient for the purposes of enrollment and all other 33030
actions requiring parental participation and consent. 33031

2. A local education agency shall be prohibited from charging 33032
local tuition to a transitioning military child placed in the care 33033
of a noncustodial parent or other person standing in loco parentis 33034
who lives in a jurisdiction other than that of the custodial 33035
parent. 33036

3. A transitioning military child, placed in the care of a 33037
noncustodial parent or other person standing in loco parentis who 33038
lives in a jurisdiction other than that of the custodial parent, 33039
may continue to attend the school in which the child was enrolled 33040
while residing with the custodial parent. 33041

B. Eligibility for extracurricular participation - State and 33042
local education agencies shall facilitate the opportunity for 33043

transitioning military children's inclusion in extracurricular 33044
activities, regardless of application deadlines, to the extent 33045
they are otherwise qualified. 33046

ARTICLE VII. GRADUATION 33047

In order to facilitate the on-time graduation of children of 33048
military families states and local education agencies shall 33049
incorporate the following procedures: 33050

A. Waiver requirements - Local education agency 33051
administrative officials shall waive specific courses required for 33052
graduation if similar coursework has been satisfactorily completed 33053
in another local education agency or shall provide reasonable 33054
justification for denial. Should a waiver not be granted to a 33055
student who would qualify to graduate from the sending school, the 33056
local education agency shall provide an alternative means of 33057
acquiring required coursework so that graduation may occur on 33058
time. 33059

B. Exit exams - States shall accept: 1) exit or end-of-course 33060
exams required for graduation from the sending state; or 2) 33061
national norm-referenced achievement tests; or 3) alternative 33062
testing, in lieu of testing requirements for graduation in the 33063
receiving state. In the event the above alternatives cannot be 33064
accommodated by the receiving state for a student transferring in 33065
his or her Senior year, then the provisions of Article VII, 33066
Section C shall apply. 33067

C. Transfers during Senior year - Should a military student 33068
transferring at the beginning or during the student's Senior year 33069
be ineligible to graduate from the receiving local education 33070
agency after all alternatives have been considered, the sending 33071
and receiving local education agencies shall ensure the receipt of 33072
a diploma from the sending local education agency, if the student 33073
meets the graduation requirements of the sending local education 33074

agency. In the event that one of the states in question is not a 33075
member of this compact, the member state shall use best efforts to 33076
facilitate the on-time graduation of the student in accordance 33077
with Sections A and B of this Article. 33078

ARTICLE VIII. STATE COORDINATION 33079

A. Each member state shall, through the creation of a state 33080
council or use of an existing body or board, provide for the 33081
coordination among its agencies of government, local education 33082
agencies and military installations concerning the state's 33083
participation in, and compliance with, this compact and Interstate 33084
Commission activities. While each member state may determine the 33085
membership of its own state council, its membership must include 33086
at least: the state superintendent of education, superintendent of 33087
a school district with a high concentration of military children, 33088
representative from a military installation, one representative 33089
each from the legislative and executive branches of government, 33090
and other offices and stakeholder groups the state council deems 33091
appropriate. A member state that does not have a school district 33092
deemed to contain a high concentration of military children may 33093
appoint a superintendent from another school district to represent 33094
local education agencies on the state council. 33095

B. The state council of each member state shall appoint or 33096

liaison designated herein shall be ex officio members of the state 33105

council, unless either is already a full voting member of the 33106
state council. 33107

3. A representative shall not delegate a vote to another 33129
member state. In the event the compact commissioner is unable to 33130

Commission to be conducted by telecommunication or electronic 33135

<u>exemptible provision for any meeting, or portion of a meeting,</u>	33193
<u>which is closed pursuant to this provision. The Interstate</u>	33194
<u>Commission shall keep minutes which shall fully and clearly</u>	33195
<u>describe all matters discussed in a meeting and shall provide a</u>	33196

or its rules or when issues subject to the jurisdiction of the 33215
compact or its rules are not addressed by the state or local 33216

member state. 33219

COMMISSION 33388

A. Rulemaking Authority - The Interstate Commission shall 33389

such an action by the Interstate Commission shall be invalid and 33395
have no force or effect. 33396

to the operations of the Interstate Commission. 33401

C. Not later than thirty days after a rule is promulgated, 33402
any person may file a petition for judicial review of the rule; 33403
provided, that the filing of such a petition shall not stay or 33404
otherwise prevent the rule from becoming effective unless the 33405
court finds that the petitioner has a substantial likelihood of 33406
success. The court shall give deference to the actions of the 33407
Interstate Commission consistent with applicable law and shall not 33408
find the rule to be unlawful if the rule represents a reasonable 33409
exercise of the Interstate Commission's authority. 33410

D. If a majority of the legislatures of the compacting states 33411

governing board pursuant to this section, the superintendent shall 34601
appoint a qualified individual to administer the dissolution of 34602
the service center and to implement the terms of the 34603
superintendent's dissolution order. Prior to distributing assets 34604
to any local school district, but after paying in full other debts 34605
and obligations of the service center, the superintendent of 34606
public instruction may assess against the remaining assets of the 34607

to section 3313.843 of the Revised Code shall be transferred to 34629
each of the respective city or exempted village school districts. 34630
All other public records maintained by the service center at the 34631
time the service center ceases operations shall be transferred to 34632
the Ohio historical society for analysis and disposition by the 34633
society in its capacity as archives administrator for the state 34634
and its political subdivisions pursuant to division (C) of section 34635

any bidders of the board's requirements. However, if the board 34650
determines that such other information is sufficient for bidding a 34651
project, the board shall not engage in the construction of any 34652
such project involving the practice of professional engineering, 34653
professional surveying, or architecture, for which plans, 34654

(2) The board shall advertise for bids once each week for a period of not less than two consecutive weeks in a newspaper of general circulation in the district before the date specified by the board for receiving bids. The board may also cause notice to be inserted in trade papers or other publications designated by it or to be distributed by electronic means, including posting the notice on the board's internet web site. If the board posts the notice on its web site, it may eliminate the second notice otherwise required to be published in a newspaper of general circulation within the school district, provided that the first notice published in such newspaper meets all of the following requirements:

(6) None but the lowest responsible bid shall be accepted. 34688
The board may reject all the bids, or accept any bid for both 34689
labor and material for such improvement or repair, which is the 34690
lowest in the aggregate. In all other respects, the award of 34691
contracts for improvement or repair, but not for purchases made 34692
under section 3327.08 of the Revised Code, shall be pursuant to 34693
section 153.12 of the Revised Code. 34694

The board shall pay the contract price for the work pursuant to 34696
sections 153.13 and 153.14 of the Revised Code. The board shall 34697
approve and retain the estimates referred to in section 153.13 of 34698
the Revised Code and make them available to the auditor of state 34699
upon request. 34700

(8) When two or more bids are equal, in the whole, or in any 34701
part thereof, and are lower than any others, either may be 34702
accepted, but in no case shall the work be divided between such 34703
bidders. 34704

(9) When there is reason to believe there is collusion or 34705
combination among the bidders, or any number of them, the bids of 34706
those concerned therein shall be rejected. 34707

(B) Division (A) of this section does not apply to the board 34708
of education of any school district in any of the following 34709
situations: 34710

(1) The acquisition of educational materials used in 34711
teaching. 34712

(2) If the board determines and declares by resolution 34713
adopted by two-thirds of all its members that any item is 34714
available and can be acquired only from a single source. 34715

(3) If the board declares by resolution adopted by two-thirds 34716
of all its members that division (A) of this section does not 34717
apply to any installation, modification, or remodeling involved in 34718

any energy conservation measure undertaken through an installment 34719
payment contract under section 3313.372 of the Revised Code or 34720
undertaken pursuant to division (G) of section 133.06 of the 34721
Revised Code. 34722

(4) The acquisition of computer software for instructional 34723
purposes and computer hardware for instructional purposes pursuant 34724
to division (B)(4) of section 3313.37 of the Revised Code. 34725

(C) No resolution adopted pursuant to division (B)(2) or (3) 34726
of this section shall have any effect on whether sections 153.12 34727
to 153.14 and 153.54 of the Revised Code apply to the board of 34728
education of any school district with regard to any item. 34729

Sec. 3313.461. If the board of education of any school 34730
district determines to contract for the purchase of maintenance 34731
services for its buildings or grounds or for its school buses or 34732
other transportation equipment, the cost of which services will 34733
exceed fifty thousand dollars, the board shall make such purchase 34734
only after selecting the contractor through a competitive bidding 34735
process in accordance with divisions (A)(2) to (9) of section 34736
3313.46 of the Revised Code, except that any provisions of Chapter 34737
153. of the Revised Code prescribed in those divisions shall not 34738
apply to a purchase made under this section. 34739

Sec. 3313.53. (A) As used in this section: 34740

(1) "Licensed individual" means an individual who holds a 34741
valid educator license, certificate, or permit issued by the state 34742
board of education under section 3319.22, 3319.26, or 3319.27 ~~34743
3319.302, or 3319.304~~ of the Revised Code. 34744

(2) "Nonlicensed individual" means an individual who does not 34745
hold a valid educator license, certificate, or permit issued by 34746
the state board of education under section 3319.22, 3319.26, or 34747
3319.27 ~~3319.302, or 3319.304~~ of the Revised Code. 34748

(B) The board of education of any city, exempted village, or local school district may establish and maintain in connection with the public school systems:

(1) Manual training, industrial arts, domestic science, and commercial departments;

(2) Agricultural, industrial, vocational, and trades schools.

Such board may pay from the public school funds, as other school expenses are paid, the expenses of establishing and maintaining such departments and schools and of directing, supervising, and coaching the pupil-activity programs in music, language, arts, speech, government, athletics, and any others directly related to the curriculum.

(C) The board of education of any city, exempted village, or local school district may employ a nonlicensed individual to direct, supervise, or coach a pupil-activity program as long as that individual holds a valid pupil-activity program permit issued by the state board of education under division (A) of section 3319.303 of the Revised Code.

(D)(1) Except as provided in division (D)(2) of this section, a nonlicensed individual who holds a valid pupil-activity program permit may be employed under division (C) of this section only after the school district's board of education adopts a resolution stating that it has offered such position to those employees of the district who are licensed individuals and no such employee qualified to fill the position has accepted it, and has then advertised the position as available to any licensed individual who is qualified to fill it and who is not employed by the board, and no such person has applied for and accepted the position.

(2) A board of education may renew the contract of any nonlicensed individual, currently employed by the board under division (C) of this section for one or more years, without first

offering the position held by that individual to employees of the 34780
district who are licensed individuals or advertising the position 34781
as available to any qualified licensed individuals who are not 34782
currently employed by the board as otherwise required under 34783
division (D)(1) of this section. 34784

(E) A nonlicensed individual employed under this section is a 34785
nonteaching employee and is not an educational assistant as 34786
defined in section 3319.088 of the Revised Code. A nonlicensed 34787
individual may direct, supervise, or coach a pupil-activity 34788
program under this section as long as that pupil-activity program 34789
does not include any class or course required or offered for 34790
credit toward a pupil's promotion to the next grade or for 34791
graduation, or any activity conducted as a part of or required for 34792
such a class or course. A nonlicensed individual employed under 34793
this section may perform only the duties of the director, 34794
supervisor, or coach of the pupil-activity program for which the 34795
nonlicensed individual is employed. 34796

(F) The board shall fix the compensation of each nonlicensed 34797
individual employed under this section, which shall be the same 34798
amount as the position was or would be offered to the district's 34799
licensed employees, and execute a written contract with the 34800
nonlicensed individual for a term not to exceed one year. The 34801
contract shall specify the compensation, duration, and other terms 34802
of employment, and the compensation shall not be reduced unless 34803
such reduction is a part of a uniform plan affecting the entire 34804
district. 34805

If the state board suspends, revokes, or limits the 34806
pupil-activity program permit of a nonlicensed individual, the 34807
school district board may terminate or suspend the employment 34808
contract of that individual. Otherwise, no contract issued under 34809
this section shall be terminated or suspended except pursuant to 34810
the procedure established by division (C) of section 3319.081 of 34811

the Revised Code. 34812

Sec. 3313.536. (A) The board of education of each city, 34813
exempted village, and local school district and the governing 34814
authority of each chartered nonpublic school shall adopt a 34815
comprehensive school safety plan for each school building under 34816
the board's or governing authority's control. The board or 34817
governing authority shall examine the environmental conditions and 34818
operations of each building to determine potential hazards to 34819
student and staff safety and shall propose operating changes to 34820
promote the prevention of potentially dangerous problems and 34821
circumstances. In developing the plan for each building, the board 34822
or governing authority shall involve community law enforcement and 34823
safety officials, parents of students who are assigned to the 34824
building, and teachers and nonteaching employees who are assigned 34825
to the building. The board or governing authority shall consider 34826
incorporating remediation strategies into the plan for any 34827
building where documented safety problems have occurred. 34828

The board or governing authority shall incorporate into the 34829
plan both of the following: 34830

(1) A protocol for addressing serious threats to the safety 34831
of school property, students, employees, or administrators; 34832

(2) A protocol for responding to any emergency events that do 34833
occur and that compromise the safety of school property, students, 34834
employees, or administrators. 34835

Each protocol shall include procedures deemed appropriate by 34836
the board or governing authority for responding to threats and 34837
emergency events, respectively, including such things as 34838
notification of appropriate law enforcement personnel, calling 34839
upon specified emergency response personnel for assistance, and 34840
informing parents of affected students. Prior to the opening day 34841
of each school year, the board or governing authority shall inform 34842

each student enrolled in the school and the student's parent of 34843
the parental notification procedures included in the protocol. 34844

(B) The board or governing authority shall update the safety 34845
plan at least once every three years and whenever a major 34846
modification to the building requires changes in the procedures 34847
outlined in the plan. 34848

(C) The board or governing authority shall file a copy of the 34849
current safety plan and building blueprint with each law 34850
enforcement agency that has jurisdiction over the school building 34851
and, upon request, the fire department that serves the political 34852
subdivision in which the school building is located. The board or 34853
governing authority also shall file a copy of the current safety 34854
plan and a floor plan of the building, but not a building 34855
blueprint, with the attorney general, who shall post that 34856
information on the Ohio law enforcement gateway or its successor. 34857

Copies of safety plans, building blueprints, and floor plans 34858
shall be filed as described in this division not later than the 34859
ninety-first day after ~~the effective date of this amendment~~ March 34860
30, 2007. If a board or governing authority revises a safety plan, 34861
building blueprint, or floor plan after the initial filing, the 34862
board or governing authority shall file copies of the revised 34863
safety plan, building blueprint, or floor plan in the manner 34864
described in this division not later than the ninety-first day 34865
after the revision is adopted. 34866

Copies of the safety plan and building blueprint are not a 34867
public record pursuant to section 149.433 of the Revised Code. 34868

Notwithstanding section 149.433 of the Revised Code, a 34869
building floor plan filed with the attorney general pursuant to 34870
this division is not a public record to the extent it is a record 34871
kept by the attorney general. This paragraph does not affect the 34872
status of a floor plan kept as a record by another public office. 34873

The board or governing authority, each law enforcement agency 34874
and fire department to which copies of the safety plan and 34875
building blueprint are provided, and the attorney general shall 34876
keep the copies in a secure place. 34877

(D) The board or governing authority shall grant access to 34878
each school building under its control to law enforcement 34879
personnel to enable the personnel to hold training sessions for 34880
responding to threats and emergency events affecting the building, 34881
provided that the access occurs outside of student instructional 34882
hours and an employee of the board or governing authority is 34883
present in the building during the training sessions. 34884

Sec. 3313.60. Notwithstanding division (D) of section 3311.52 34885
of the Revised Code, divisions (A) to (E) of this section do not 34886
apply to any cooperative education school district established 34887
pursuant to divisions (A) to (C) of section 3311.52 of the Revised 34888
Code. 34889

(A) The board of education of each city and exempted village 34890
school district, the governing board of each educational service 34891
center, and the board of each cooperative education school 34892
district established pursuant to section 3311.521 of the Revised 34893
Code shall prescribe a curriculum for all schools under their 34894
control. Except as provided in division (E) of this section, in 34895
any such curriculum there shall be included the study of the 34896

adopted pursuant to divisions (A) to (D) of this section shall 34956
only include the study of the subjects that apply to the grades 34957

In developing the curriculum required by this paragraph, schools shall use available public-private partnerships and resources and materials that exist in business, industry, and through the centers for economics education at institutions of higher education in the state.	35042 35043 35044 35045 35046 35047 35048 35049 35050 35051 35052 35053

or English language arts, mathematics, science, or social studies 35057

Ohioans must be prepared to apply increased knowledge and 35059
skills in the workplace and to adapt their knowledge and skills 35060
quickly to meet the rapidly changing conditions of the 35061
twenty-first century. National studies indicate that all high 35062
school graduates need the same academic foundation, regardless of 35063
the opportunities they pursue after graduation. The goal of Ohio's 35064
system of elementary and secondary education is to prepare all 35065
students for and seamlessly connect all students to success in 35066
life beyond high school graduation, regardless of whether the next 35067
step is entering the workforce, beginning an apprenticeship, 35068
engaging in post-secondary training, serving in the military, or 35069
pursuing a college degree. 35070

The Ohio core curriculum is the standard expectation for all 35071
students entering ninth grade for the first time at a public or 35072
chartered nonpublic high school on or after July 1, 2010. A 35073
student may satisfy this expectation through a variety of methods, 35074
including, but not limited to, integrated, applied, 35075
career-technical, and traditional coursework. 35076

Whereas teacher quality is essential for student success in 35077
completing the Ohio core curriculum, the general assembly shall 35078
appropriate funds for strategic initiatives designed to strengthen 35079
schools' capacities to hire and retain highly qualified teachers 35080
in the subject areas required by the curriculum. Such initiatives 35081
are expected to require an investment of \$120,000,000 over five 35082
years. 35083

Stronger coordination between high schools and institutions 35084
of higher education is necessary to prepare students for more 35085

challenging academic endeavors and to lessen the need for academic 35086
remediation in college, thereby reducing the costs of higher 35087
education for Ohio's students, families, and the state. The state 35088
board of education, the Ohio board of regents, and the partnership 35089
for continued learning shall develop policies to ensure that only 35090
in rare instances will students who complete the Ohio core 35091
curriculum require academic remediation after high school. 35092

School districts, community schools, and chartered nonpublic 35093
schools shall integrate technology into learning experiences 35094
whenever practicable across the curriculum in order to maximize 35095
efficiency, enhance learning, and prepare students for success in 35096
the technology-driven twenty-first century. Districts and schools 35097
may use distance and web-based course delivery as a method of 35098
providing or augmenting all instruction required under this 35099
division, including laboratory experience in science. Districts 35100
and schools shall whenever practicable utilize technology access 35101
and electronic learning opportunities provided by the eTech Ohio 35102
commission, the Ohio learning network, education technology 35103
centers, public television stations, and other public and private 35104
providers. 35105

(D) Except as provided in division (E) of this section, a 35106
student who enters ninth grade on or after July 1, 2010, and 35107
before July 1, 2014, may qualify for graduation from a public or 35108
chartered nonpublic high school even though the student has not 35109
completed the Ohio core curriculum prescribed in division (C) of 35110
this section if all of the following conditions are satisfied: 35111

(1) After the student has attended high school for two years, 35112
as determined by the school, the student and the student's parent, 35113
guardian, or custodian sign and file with the school a written 35114
statement asserting the parent's, guardian's, or custodian's 35115
consent to the student's graduating without completing the Ohio 35116
core curriculum and acknowledging that one consequence of not 35117

completing the Ohio core curriculum is ineligibility to enroll in 35118
most state universities in Ohio without further coursework. 35119

(2) The student and parent, guardian, or custodian fulfill 35120
any procedural requirements the school stipulates to ensure the 35121
student's and parent's, guardian's, or custodian's informed 35122
consent and to facilitate orderly filing of statements under 35123
division (D)(1) of this section. 35124

(3) The student and the student's parent, guardian, or 35125
custodian and a representative of the student's high school 35126
jointly develop an individual career plan for the student that 35127
specifies the student matriculating to a two-year degree program, 35128
acquiring a business and industry credential, or entering an 35129
apprenticeship. 35130

(4) The student's high school provides counseling and support 35131
for the student related to the plan developed under division 35132
(D)(3) of this section during the remainder of the student's high 35133
school experience. 35134

(5) The student successfully completes, at a minimum, the 35135
curriculum prescribed in division (B) of this section. 35136

The partnership for continued learning, in collaboration with 35137
the department of education and the Ohio board of regents, shall 35138
analyze student performance data to determine if there are 35139
mitigating factors that warrant extending the exception permitted 35140
by division (D) of this section to high school classes beyond 35141
those entering ninth grade before July 1, 2014. The partnership 35142
shall submit its findings and any recommendations not later than 35143
August 1, 2014, to the speaker and minority leader of the house of 35144
representatives, the president and minority leader of the senate, 35145
the chairpersons and ranking minority members of the standing 35146
committees of the house of representatives and the senate that 35147
consider education legislation, the state board of education, and 35148

the superintendent of public instruction. 35149

(E) Each school district and chartered nonpublic school 35150
retains the authority to require an even more rigorous minimum 35151
curriculum for high school graduation than specified in division 35152
(B) or (C) of this section. A school district board of education, 35153
through the adoption of a resolution, or the governing authority 35154
of a chartered nonpublic school may stipulate any of the 35155
following: 35156

(1) A minimum high school curriculum that requires more than 35157

releases the student to participate in interscholastic athletics 35574
at the school where the student is attending, and provided the 35575
student receives any authorization required by a public agency or 35576
private organization of which the school district is a member 35577
exercising authority over interscholastic sports. 35578

(8) A child whose parent is a full-time employee of a city, 35579
local, or exempted village school district, or of an educational 35580
service center, may be admitted to the schools of the district 35581
where the child's parent is employed, or in the case of a child 35582

whose parent is employed by an educational service center, in the 35583
district that serves the location where the parent's job is 35584
primarily located, provided the district board of education 35585
establishes such an admission policy by resolution adopted by a 35586
majority of its members. Any such policy shall take effect on the 35587
first day of the school year and the effective date of any 35588
amendment or repeal may not be prior to the first day of the 35589
subsequent school year. The policy shall be uniformly applied to 35590
all such children and shall provide for the admission of any such 35591
child upon request of the parent. No child may be admitted under 35592
this policy after the first day of classes of any school year. 35593

(9) A child who is with the child's parent under the care of 35594
a shelter for victims of domestic violence, as defined in section 35595
3113.33 of the Revised Code, is entitled to attend school free in 35596
the district in which the child is with the child's parent, and no 35597
other school district shall be required to pay tuition for the 35598
child's attendance in that school district. 35599

The enrollment of a child in a school district under this 35600
division shall not be denied due to a delay in the school 35601
district's receipt of any records required under section 3313.672 35602
of the Revised Code or any other records required for enrollment. 35603
Any days of attendance and any credits earned by a child while 35604
enrolled in a school district under this division shall be 35605
transferred to and accepted by any school district in which the 35606
child subsequently enrolls. The state board of education shall 35607
adopt rules to ensure compliance with this division. 35608

(10) Any child under the age of twenty-two years whose parent 35609
has moved out of the school district after the commencement of 35610
classes in the child's senior year of high school is entitled, 35611
subject to the approval of that district board, to attend school 35612
in the district in which the child attended school at the time of 35613
the parental move for the remainder of the school year and for one 35614

additional semester or equivalent term. A district board may also 35615
adopt a policy specifying extenuating circumstances under which a 35616
student may continue to attend school under division (F)(10) of 35617
this section for an additional period of time in order to 35618
successfully complete the high school curriculum for the 35619
individualized education program developed for the student by the 35620
high school pursuant to section 3323.08 of the Revised Code. 35621

(11) As used in this division, "grandparent" means a parent 35622
of a parent of a child. A child under the age of twenty-two years 35623
who is in the custody of the child's parent, resides with a 35624
grandparent, and does not require special education is entitled to 35625
attend the schools of the district in which the child's 35626
grandparent resides, provided that, prior to such attendance in 35627
any school year, the board of education of the school district in 35628
which the child's grandparent resides and the board of education 35629
of the school district in which the child's parent resides enter 35630
into a written agreement specifying that good cause exists for 35631
such attendance, describing the nature of this good cause, and 35632
consenting to such attendance. 35633

In lieu of a consent form signed by a parent, a board of 35634
education may request the grandparent of a child attending school 35635
in the district in which the grandparent resides pursuant to 35636
division (F)(11) of this section to complete any consent form 35637
required by the district, including any authorization required by 35638
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 35639
Code. Upon request, the grandparent shall complete any consent 35640
form required by the district. A school district shall not incur 35641
any liability solely because of its receipt of a consent form from 35642
a grandparent in lieu of a parent. 35643

Division (F)(11) of this section does not create, and shall 35644
not be construed as creating, a new cause of action or substantive 35645
legal right against a school district, a member of a board of 35646

education, or an employee of a school district. This section does 35647
not affect, and shall not be construed as affecting, any 35648
immunities from defenses to tort liability created or recognized 35649
by Chapter 2744. of the Revised Code for a school district, 35650
member, or employee. 35651

(12) A child under the age of twenty-two years is entitled to 35652
attend school in a school district other than the district in 35653
which the child is entitled to attend school under division (B), 35654
(C), or (E) of this section provided that, prior to such 35655
attendance in any school year, both of the following occur: 35656

(a) The superintendent of the district in which the child is 35657
entitled to attend school under division (B), (C), or (E) of this 35658
section contacts the superintendent of another district for 35659
purposes of this division; 35660

(b) The superintendents of both districts enter into a 35661
written agreement that consents to the attendance and specifies 35662
that the purpose of such attendance is to protect the student's 35663
physical or mental well-being or to deal with other extenuating 35664
circumstances deemed appropriate by the superintendents. 35665

While an agreement is in effect under this division for a 35666
student who is not receiving special education under Chapter 3323. 35667
of the Revised Code and notwithstanding Chapter 3327. of the 35668
Revised Code, the board of education of neither school district 35669
involved in the agreement is required to provide transportation 35670
for the student to and from the school where the student attends. 35671

A student attending a school of a district pursuant to this 35672
division shall be allowed to participate in all student 35673
activities, including interscholastic athletics, at the school 35674
where the student is attending on the same basis as any student 35675
who has always attended the schools of that district while of 35676
compulsory school age. 35677

(13) All school districts shall comply with the 35678
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 35679
seq., for the education of homeless children. Each city, local, 35680
and exempted village school district shall comply with the 35681
requirements of that act governing the provision of a free, 35682
appropriate public education, including public preschool, to each 35683
homeless child. 35684

When a child loses permanent housing and becomes a homeless 35685
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 35686
such a homeless person changes temporary living arrangements, the 35687
child's parent or guardian shall have the option of enrolling the 35688
child in either of the following: 35689

(a) The child's school of origin, as defined in 42 U.S.C.A. 35690
11432(g)(3)(C); 35691

(b) The school that is operated by the school district in 35692
which the shelter where the child currently resides is located and 35693
that serves the geographic area in which the shelter is located. 35694

(14) A child under the age of twenty-two years who resides 35695
with a person other than the child's parent is entitled to attend 35696
school in the school district in which that person resides if both 35697
of the following apply: 35698

(a) That person has been appointed, through a military power 35699
of attorney executed under section 574(a) of the "National Defense 35700
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 35701
U.S.C. 1044b, or through a comparable document necessary to 35702
complete a family care plan, as the parent's agent for the care, 35703
custody, and control of the child while the parent is on active 35704
duty as a member of the national guard or a reserve unit of the 35705
armed forces of the United States or because the parent is a 35706
member of the armed forces of the United States and is on a duty 35707
assignment away from the parent's residence. 35708

(b) The military power of attorney or comparable document 35709
includes at least the authority to enroll the child in school. 35710

The entitlement to attend school in the district in which the 35711
parent's agent under the military power of attorney or comparable 35712
document resides applies until the end of the school year in which 35713
the military power of attorney or comparable document expires. 35714

(G) A board of education, after approving admission, may 35715
waive tuition for students who will temporarily reside in the 35716
district and who are either of the following: 35717

(1) Residents or domiciliaries of a foreign nation who 35718
request admission as foreign exchange students; 35719

(2) Residents or domiciliaries of the United States but not 35720
of Ohio who request admission as participants in an exchange 35721
program operated by a student exchange organization. 35722

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 35723
3327.04, and 3327.06 of the Revised Code, a child may attend 35724
school or participate in a special education program in a school 35725
district other than in the district where the child is entitled to 35726
attend school under division (B) of this section. 35727

(I)(1) Notwithstanding anything to the contrary in this 35728
section or section 3313.65 of the Revised Code, a child under 35729
twenty-two years of age may attend school in the school district 35730
in which the child, at the end of the first full week of October 35731
of the school year, was entitled to attend school as otherwise 35732
provided under this section or section 3313.65 of the Revised 35733
Code, if at that time the child was enrolled in the schools of the 35734
district but since that time the child or the child's parent has 35735
relocated to a new address located outside of that school district 35736
and within the same county as the child's or parent's address 35737
immediately prior to the relocation. The child may continue to 35738
attend school in the district, and at the school to which the 35739

child was assigned at the end of the first full week of October of 35740
the current school year, for the balance of the school year. 35741
Division (I)(1) of this section applies only if both of the 35742
following conditions are satisfied: 35743

(a) The board of education of the school district in which 35744
the child was entitled to attend school at the end of the first 35745
full week in October and of the district to which the child or 35746
child's parent has relocated each has adopted a policy to enroll 35747
children described in division (I)(1) of this section. 35748

(b) The child's parent provides written notification of the 35749
relocation outside of the school district to the superintendent of 35750
each of the two school districts. 35751

(2) At the beginning of the school year following the school 35752
year in which the child or the child's parent relocated outside of 35753
the school district as described in division (I)(1) of this 35754
section, the child is not entitled to attend school in the school 35755
district under that division. 35756

(3) Any person or entity owing tuition to the school district 35757
on behalf of the child at the end of the first full week in 35758
October, as provided in division (C) of this section, shall 35759
continue to owe such tuition to the district for the child's 35760
attendance under division (I)(1) of this section for the lesser of 35761
the balance of the school year or the balance of the time that the 35762
child attends school in the district under division (I)(1) of this 35763
section. 35764

(4) A pupil who may attend school in the district under 35765
division (I)(1) of this section shall be entitled to 35766
transportation services pursuant to an agreement between the 35767
district and the district in which the child or child's parent has 35768
relocated unless the districts have not entered into such 35769
agreement, in which case the child shall be entitled to 35770

transportation services in the same manner as a pupil attending 35771
school in the district under interdistrict open enrollment as 35772
described in division (H) of section 3313.981 of the Revised Code, 35773
regardless of whether the district has adopted an open enrollment 35774
policy as described in division (B)(1)(b) or (c) of section 35775
3313.98 of the Revised Code. 35776

(J) This division does not apply to a child receiving special 35777
education. 35778

A school district required to pay tuition pursuant to 35779
division (C)(2) or (3) of this section or section 3313.65 of the 35780
Revised Code shall have an amount deducted under division (F) of 35781
section 3317.023 of the Revised Code equal to its own tuition rate 35782
for the same period of attendance. A school district entitled to 35783
receive tuition pursuant to division (C)(2) or (3) of this section 35784
or section 3313.65 of the Revised Code shall have an amount 35785
credited under division (F) of section 3317.023 of the Revised 35786
Code equal to its own tuition rate for the same period of 35787
attendance. If the tuition rate credited to the district of 35788
attendance exceeds the rate deducted from the district required to 35789
pay tuition, the department of education shall pay the district of 35790
attendance the difference from amounts deducted from all 35791
districts' payments under division (F) of section 3317.023 of the 35792
Revised Code but not credited to other school districts under such 35793
division and from appropriations made for such purpose. The 35794
treasurer of each school district shall, by the fifteenth day of 35795
January and July, furnish the superintendent of public instruction 35796
a report of the names of each child who attended the district's 35797
schools under divisions (C)(2) and (3) of this section or section 35798
3313.65 of the Revised Code during the preceding six calendar 35799
months, the duration of the attendance of those children, the 35800
school district responsible for tuition on behalf of the child, 35801
and any other information that the superintendent requires. 35802

Upon receipt of the report the superintendent, pursuant to 35803
division (F) of section 3317.023 of the Revised Code, shall deduct 35804
each district's tuition obligations under divisions (C)(2) and (3) 35805
of this section or section 3313.65 of the Revised Code and pay to 35806
the district of attendance that amount plus any amount required to 35807
be paid by the state. 35808

(K) In the event of a disagreement, the superintendent of 35809
public instruction shall determine the school district in which 35810
the parent resides. 35811

(L) Nothing in this section requires or authorizes, or shall 35812
be construed to require or authorize, the admission to a public 35813
school in this state of a pupil who has been permanently excluded 35814
from public school attendance by the superintendent of public 35815
instruction pursuant to sections 3301.121 and 3313.662 of the 35816
Revised Code. 35817

(M) In accordance with division (B)(1) of this section, a 35818
child whose parent is a member of the national guard or a reserve 35819
unit of the armed forces of the United States and is called to 35820
active duty, or a child whose parent is a member of the armed 35821
forces of the United States and is ordered to a temporary duty 35822
assignment outside of the district, may continue to attend school 35823
in the district in which the child's parent lived before being 35824
called to active duty or ordered to a temporary duty assignment 35825
outside of the district, as long as the child's parent continues 35826
to be a resident of that district, and regardless of where the 35827
child lives as a result of the parent's active duty status or 35828
temporary duty assignment. However, the district is not 35829
responsible for providing transportation for the child if the 35830
child lives outside of the district as a result of the parent's 35831
active duty status or temporary duty assignment. 35832

Sec. 3313.642. (A) Except as provided in division (B) of this 35833

section and notwithstanding the provisions of sections 3313.48 and 35834
3313.64 of the Revised Code, the board of education of a city, 35835
exempted village, or local school district shall not be required 35836
to furnish, free of charge, to the pupils attending the public 35837
schools any materials used in a course of instruction with the 35838
exception of the necessary textbooks or electronic textbooks 35839
required to be furnished without charge pursuant to section 35840
3329.06 of the Revised Code. The board may, however, make 35841
provision by appropriations transferred from the general fund of 35842
the district or otherwise for furnishing free of charge any 35843
materials used in a course of instruction to such pupils as it 35844
determines are in serious financial need of such materials. 35845

(B) No board of education of a school district ~~that receives~~ 35846
~~funds under section 3317.029 of the Revised Code~~ shall charge a 35847
fee to a ~~recipient of aid under Chapter 5107. or 5115. of the~~ 35848
~~Revised Code~~ pupil who is eligible for a free lunch under the 35849
"National School Lunch Act," 60 Stat. 230 (1946), 42 U.S.C. 1751, 35850
as amended, and the "Child Nutrition Act of 1966," 80 Stat. 885, 35851
42 U.S.C. 1771, as amended, for any materials needed to enable the 35852
~~recipient~~ pupil to participate fully in a course of instruction. 35853
The prohibition in this division against charging a fee does not 35854
apply to any fee charged for any materials needed to enable a 35855
~~recipient~~ pupil to participate fully in extracurricular activities 35856
or in any pupil enrichment program that is not a course of 35857
instruction. 35858

(C) Boards of education may adopt rules and regulations 35859
prescribing a schedule of fees for materials used in a course of 35860
instruction and prescribing a schedule of charges which may be 35861
imposed upon pupils for the loss, damage, or destruction of school 35862
apparatus, equipment, musical instruments, library material, 35863
textbooks, or electronic textbooks required to be furnished 35864
without charge, and for damage to school buildings, and may 35865

enforce the payment of such fees and charges by withholding the 35866
grades and credits of the pupils concerned. 35867

Sec. 3313.6410. This section applies to any school that is 35868
operated by a school district and in which the enrolled students 35869
work primarily on assignments in nonclassroom-based learning 35870
opportunities provided via an internet- or other computer-based 35871
instructional method. 35872

(A) Any school to which this section applies shall withdraw 35873
from the school any student who, for two consecutive school years, 35874
has failed to participate in the spring administration of any test 35875
prescribed under section 3301.0710 or 3301.0712 of the Revised 35876
Code for the student's grade level and was not excused from the 35877
test pursuant to division (C)(1) or (3) of section 3301.0711 of 35878
the Revised Code, regardless of whether a waiver was granted for 35879
the student under division (E) of section 3317.03 of the Revised 35880
Code. The school shall report any such student's data verification 35881
code, as assigned pursuant to section 3301.0714 of the Revised 35882
Code, to the department of education to be added to the list 35883
maintained by the department under section 3314.26 of the Revised 35884
Code. 35885

(B) No school to which this section applies shall receive any 35886
state funds under Chapter 3317. of the Revised Code for any 35887
enrolled student whose data verification code appears on the list 35888
maintained by the department under section 3314.26 of the Revised 35889
Code. Notwithstanding any provision of the Revised Code to the 35890
contrary, the parent of any such student shall pay tuition to the 35891
school district that operates the school in an amount equal to the 35892
state funds the district otherwise would receive for that student, 35893
as determined by the department. A school to which this section 35894
applies may withdraw any student for whom the parent does not pay 35895
tuition as required by this division. 35896

internet- or computer-based community school in an amount equal to 37279
the state funds the school otherwise would receive for that 37280
student, as determined by the department. An internet- or 37281
computer-based community school may withdraw any student for whom 37282
the parent does not pay tuition as required by this division. 37283

Sec. 3314.35. (A)(1) Except as provided in division (A)(2) of 37284
this section, this section applies to any community school that 37285

(2) This section does not apply to ~~any~~ either of the 37312

following: 37313

(a) Any community school in which a majority of the students 37314

(B) Any community school to which this section applies shall 37322
permanently close at the conclusion of the school year in which 37323
the school first becomes subject to this section. The sponsor and 37324
governing authority of the school shall comply with all procedures 37325
for closing a community school adopted by the department under 37326
division (E) of section 3314.015 of the Revised Code. The 37327
governing authority of the school shall not enter into a contract 37328
with any other sponsor under section 3314.03 of the Revised Code 37329

(C) Not later than July 1, 2008, the department shall 37331
determine the feasibility of using the value-added progress 37332
dimension, as defined in section 3302.01 of the Revised Code, as a 37333
factor in evaluating the academic performance of community schools 37334
described in division (A)(1)(c)(i) of this section. 37335
Notwithstanding divisions (A)(1)(c)(ii) and (iii) of this section, 37336
if the department determines that using the value-added progress 37337
dimension to evaluate community schools described in division 37338
(A)(1)(c)(i) of this section is not feasible, a community school 37339
described in that division shall be required to permanently close 37340
under this section only if it has been declared to be in a state 37341
of academic emergency under section 3302.03 of the Revised Code 37342
for four consecutive school years. 37343

Sec. 3314.44. (A) If a community school established under 37344
this chapter closes for any reason, the chief administrative 37345
officer of the school at the time the school closes shall in good 37346
faith take all reasonable steps necessary to collect and assemble 37347
in an orderly manner the educational records of each student who 37348
is or has been enrolled in the school so that those records may be 37349
transmitted in accordance with this division. The chief 37350
administrative officer shall transmit the records within seven 37351
business days of the school closing to the student's school 37352
district of residence. 37353

(B) No person required to collect, assemble, and transmit 37354
student records under division (A) of this section shall fail to 37355
comply with that division. 37356

(C) Whoever violates division (B) of this section is guilty 37357
of a misdemeanor in the third degree. 37358

Sec. 3315.37. The board of education of a school district may 37359
establish a teacher education loan program and may expend school 37360
funds for the program. The program shall be for the purpose of 37361
making loans to students who are residents of the school district 37362
or graduates of schools in the school district, who are enrolled 37363
in teacher preparation programs at institutions approved by the 37364
~~state board~~ chancellor of the Ohio board of regents pursuant to 37365
section ~~3319.23~~ 3333.048 of the Revised Code, and who indicate an 37366
intent to teach in the school district providing the loan. The 37367
district board may forgive the obligation to repay any or all of 37368
the principal and interest on the loan if the borrower teaches in 37369
that school district. 37370

The district board shall adopt rules establishing eligibility 37371
criteria, application procedures, procedures for review of 37372
applications, loan amounts, interest, repayment schedules, 37373

conditions under which principal and interest obligations incurred 37374
under the program will be forgiven, and any other matter 37375
incidental to the operation of the program. 37376

The board may contract with a private, nonprofit foundation, 37377
one or more institutions of higher education, or other educational 37378
agencies to administer the program. 37379

The receipt of a loan under this section does not affect a 37380
student's eligibility for assistance, or the amount of such 37381
assistance, granted under section 3315.33, 3333.12, 3333.122, 37382
3333.22, 3333.26, ~~3333.27~~, 5910.04, or 5919.34 of the Revised 37383
Code, but the board's rules may provide for taking such assistance 37384
into consideration when determining a student's eligibility for a 37385
loan under this section. 37386

Sec. 3317.01. As used in this section and section 3317.011 of 37387
the Revised Code, "school district," unless otherwise specified, 37388
means any city, local, exempted village, joint vocational, or 37389
cooperative education school district and any educational service 37390
center. 37391

This chapter shall be administered by the state board of 37392
education. The superintendent of public instruction shall 37393
calculate the amounts payable to each school district and shall 37394
certify the amounts payable to each eligible district to the 37395
treasurer of the district as provided by this chapter. As soon as 37396
possible after such amounts are calculated, the superintendent 37397
shall certify to the treasurer of each school district the 37398
district's adjusted charge-off increase, as defined in section 37399
5705.211 of the Revised Code. No moneys shall be distributed 37400
pursuant to this chapter without the approval of the controlling 37401
board. 37402

The state board of education shall, in accordance with 37403
appropriations made by the general assembly, meet the financial 37404

obligations of this chapter. 37405

Annually, the department of education shall calculate and 37406
report to each school district the district's total state and 37407
local funds for providing an adequate basic education to the 37408
district's nondisabled students, utilizing the determination in 37409
section 3317.012 of the Revised Code. In addition, the department 37410
shall calculate and report separately for each school district the 37411
district's total state and local funds for providing an adequate 37412
education for its students with disabilities, utilizing the 37413
determinations in both sections 3317.012 and 3317.013 of the 37414
Revised Code. 37415

Not later than the thirty-first day of August of each fiscal 37416
year, the department of education shall provide to each school 37417
district and county MR/DD board a preliminary estimate of the 37418
amount of funding that the department calculates the district will 37419
receive under each of divisions (C)(1) and (4) of section 3317.022 37420
of the Revised Code. No later than the first day of December of 37421
each fiscal year, the department shall update that preliminary 37422
estimate. 37423

Moneys distributed pursuant to this chapter shall be 37424
calculated and paid on a fiscal year basis, beginning with the 37425
first day of July and extending through the thirtieth day of June. 37426
The moneys appropriated for each fiscal year shall be distributed 37427
at least monthly to each school district unless otherwise provided 37428
for. The state board shall submit a yearly distribution plan to 37429
the controlling board at its first meeting in July. The state 37430
board shall submit any proposed midyear revision of the plan to 37431
the controlling board in January. Any year-end revision of the 37432
plan shall be submitted to the controlling board in June. If 37433
moneys appropriated for each fiscal year are distributed other 37434
than monthly, such distribution shall be on the same basis for 37435
each school district. 37436

The total amounts paid each month shall constitute, as nearly 37437
as possible, one-twelfth of the total amount payable for the 37438
entire year. 37439

Until fiscal year 2007, payments made during the first six 37440
months of the fiscal year may be based on an estimate of the 37441
amounts payable for the entire year. Payments made in the last six 37442
months shall be based on the final calculation of the amounts 37443
payable to each school district for that fiscal year. Payments 37444
made in the last six months may be adjusted, if necessary, to 37445
correct the amounts distributed in the first six months, and to 37446
reflect enrollment increases when such are at least three per 37447
cent. 37448

Beginning in fiscal year 2007, payments shall be calculated 37449
to reflect the biannual reporting of average daily membership. In 37450
fiscal year 2007 and in each fiscal year thereafter, annualized 37451
periodic payments for each school district shall be based on the 37452
district's final student counts verified by the superintendent of 37453
public instruction based on reports under section 3317.03 of the 37454
Revised Code, as adjusted, if so ordered, under division (K) of 37455
that section, as follows: 37456

the sum of one-half of the number of students verified 37457
and adjusted for the first full week in October 37458
plus one-half of the average of the numbers 37459
verified and adjusted for the first full week 37460
in October and for the first full week in February 37461

Except as otherwise provided, payments under this chapter 37462
shall be made only to those school districts in which: 37463

(A) The school district, except for any educational service 37464
center and any joint vocational or cooperative education school 37465
district, levies for current operating expenses at least twenty 37466
mills. Levies for joint vocational or cooperative education school 37467
districts or county school financing districts, limited to or to 37468

the extent apportioned to current expenses, shall be included in 37469
this qualification requirement. School district income tax levies 37470
under Chapter 5748. of the Revised Code, limited to or to the 37471
extent apportioned to current operating expenses, shall be 37472
included in this qualification requirement to the extent 37473
determined by the tax commissioner under division (D) of section 37474
3317.021 of the Revised Code. 37475

(B) The school year next preceding the fiscal year for which 37476
such payments are authorized meets the requirement of section 37477
3313.48 or 3313.481 of the Revised Code, with regard to the 37478
minimum number of days or hours school must be open for 37479
instruction with pupils in attendance, for individualized 37480
parent-teacher conference and reporting periods, and for 37481
professional meetings of teachers. This requirement shall be 37482
waived by the superintendent of public instruction if it had been 37483
necessary for a school to be closed because of disease epidemic, 37484
hazardous weather conditions, inoperability of school buses or 37485
other equipment necessary to the school's operation, damage to a 37486
school building, or other temporary circumstances due to utility 37487
failure rendering the school building unfit for school use, 37488
provided that for those school districts operating pursuant to 37489
section 3313.48 of the Revised Code the number of days the school 37490
was actually open for instruction with pupils in attendance and 37491
for individualized parent-teacher conference and reporting periods 37492
is not less than one hundred seventy-five, or for those school 37493
districts operating on a trimester plan the number of days the 37494
school was actually open for instruction with pupils in attendance 37495
not less than seventy-nine days in any trimester, for those school 37496
districts operating on a quarterly plan the number of days the 37497
school was actually open for instruction with pupils in attendance 37498
not less than fifty-nine days in any quarter, or for those school 37499
districts operating on a pentamester plan the number of days the 37500
school was actually open for instruction with pupils in attendance 37501

not less than forty-four days in any pentamester. 37502

A school district shall not be considered to have failed to 37503
comply with this division or section 3313.481 of the Revised Code 37504
because schools were open for instruction but either twelfth grade 37505
students were excused from attendance for up to three days or only 37506
a portion of the kindergarten students were in attendance for up 37507
to three days in order to allow for the gradual orientation to 37508
school of such students. 37509

The superintendent of public instruction shall waive the 37510
requirements of this section with reference to the minimum number 37511
of days or hours school must be in session with pupils in 37512
attendance for the school year succeeding the school year in which 37513
a board of education initiates a plan of operation pursuant to 37514
section 3313.481 of the Revised Code. The minimum requirements of 37515
this section shall again be applicable to such a district 37516
beginning with the school year commencing the second July 37517
succeeding the initiation of one such plan, and for each school 37518
year thereafter. 37519

A school district shall not be considered to have failed to 37520
comply with this division or section 3313.48 or 3313.481 of the 37521
Revised Code because schools were open for instruction but the 37522
length of the regularly scheduled school day, for any number of 37523
days during the school year, was reduced by not more than two 37524
hours due to hazardous weather conditions. 37525

(C) The school district has on file, and is paying in 37526
accordance with, a teachers' salary schedule which complies with 37527
section 3317.13 of the Revised Code. 37528

A board of education or governing board of an educational 37529
service center which has not conformed with other law and the 37530
rules pursuant thereto, shall not participate in the distribution 37531
of funds authorized by sections 3317.022 to 3317.0211, 3317.11, 37532

3317.16, 3317.17, and 3317.19 of the Revised Code, except for good 37533
and sufficient reason established to the satisfaction of the state 37534
board of education and the state controlling board. 37535

All funds allocated to school districts under this chapter, 37536
except those specifically allocated for other purposes, shall be 37537
used to pay current operating expenses only. 37538

Sec. 3317.013. Except for a preschool child with a disability 37539
for whom a scholarship has been awarded under section 3310.41 of 37540
the Revised Code, this section does not apply to preschool 37541
children with disabilities. 37542

Analysis of special education cost data has resulted in a 37543
finding that the average special education additional cost per 37544
pupil, including the costs of related services, can be expressed 37545
as a multiple of the base cost per pupil calculated under section 37546
3317.012 of the Revised Code. The multiples for the following 37547
categories of special education programs, as these programs are 37548
defined for purposes of Chapter 3323. of the Revised Code, and 37549
adjusted as provided in this section, are as follows: 37550

(A) A multiple of 0.2892 for students whose primary or only 37551
identified disability is a speech and language disability, as this 37552
term is defined pursuant to Chapter 3323. of the Revised Code; 37553
37554

(B) A multiple of 0.3691 for students identified as specific 37555
learning disabled or developmentally disabled, as these terms are 37556
defined pursuant to Chapter 3323. of the Revised Code, or as 37557
having an other health impairment-minor; 37558

(C) A multiple of 1.7695 for students identified as hearing 37559
disabled, vision impaired, or severe behavior disabled, as these 37560
terms are defined pursuant to Chapter 3323. of the Revised Code; 37561

(D) A multiple of 2.3646 for students identified as 37562

orthopedically disabled, as this term is defined pursuant to 37563
Chapter 3323. of the Revised Code or as having an other health 37564
impairment-major; 37565

(E) A multiple of 3.1129 for students identified as having 37566

obtained under section 3317.021 of the Revised Code in the 38079
calendar year in which the fiscal year begins, according to the 38080
following formula: 38081

{[the formula amount X (formula ADM + 38082
preschool scholarship ADM)] + 38083
the sum of the base funding supplements 38084
prescribed in divisions (C)(1) to (4) 38085
of section 3317.012 of the Revised Code} - 38086

sections 3317.029 and 3317.0217 of the Revised Code 38090

If the difference obtained is a negative number, the 38091
district's computation shall be zero. 38092

(2)(a) For each school district for which the tax exempt 38093
value of the district equals or exceeds twenty-five per cent of 38094

the potential value of the district, the department of education 38095
shall calculate the difference between the district's tax exempt 38096
value and twenty-five per cent of the district's potential value. 38097

(b) For each school district to which division (A)(2)(a) of 38098
this section applies, the department shall adjust the recognized 38099
valuation used in the calculation under division (A)(1) of this 38100
section by subtracting from it the amount calculated under 38101
division (A)(2)(a) of this section. 38102

(b) If the district would receive state base cost funding under that division, divide that amount by an amount equal to the following:	38131 38132 38133
(the formula amount X formula ADM) +	38134

(3)(a) The department shall compute and pay in accordance with this division additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:

(i) One-half of the district's costs for the student in excess of the threshold catastrophic cost;

(ii) The product of one-half of the district's costs for the student in excess of the threshold catastrophic cost multiplied by the district's state share percentage.

(b) For purposes of division (C)(3)(a) of this section, the threshold catastrophic cost for serving a student equals:

(i) For a student in the school district's category two, three, four, or five special education ADM, twenty-seven thousand three hundred seventy-five dollars in fiscal years 2008 and 2009;

(c) The district shall only report under division (C)(3)(a) of this section, and the department shall only pay for, the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be

included in the amount. 38217

(4)(a) As used in this division, the "personnel allowance" 38218
means thirty thousand dollars in fiscal years 2008 and 2009. 38219

(b) For the provision of speech language pathology services 38220
to students, including students who do not have individualized 38221
education programs prepared for them under Chapter 3323. of the 38222
Revised Code, and for no other purpose, the department of 38223
education shall pay each school district an amount calculated 38224
under the following formula: 38225

(formula ADM divided by 2000) X 38226

the personnel allowance X 38227

the state share percentage 38228

(5) In any fiscal year, a school district shall spend for 38229
purposes that the department designates as approved for special 38230
education and related services expenses at least the amount 38231
calculated as follows: 38232

under section 3310.41 or 3310.55 of the Revised Code shall be 38246
considered to be an approved special education and related 38247

services expense for the purpose of the school district's 38248
compliance with division (C)(5) of this section. 38249

The department shall require school districts to report data 38250
annually to allow for monitoring compliance with division (C)(5) 38251

division (C)(6) of this section. 38266

(D)(1) As used in this division: 38267

(a) "Daily bus miles per student" equals the number of bus 38268
miles traveled per day, divided by transportation base. 38269

(b) "Transportation base" equals total student count as 38270
defined in section 3301.011 of the Revised Code, minus the number 38271
of students enrolled in units for preschool children with 38272
disabilities, plus the number of nonpublic school students 38273
included in transportation ADM. 38274

(c) "Transported student percentage" equals transportation 38275
ADM divided by transportation base. 38276

(d) "Transportation cost per student" equals total operating 38277

costs for board-owned or contractor-operated school buses divided 38278
by transportation base. 38279

(2) Analysis of student transportation cost data has resulted 38280
in a finding that an average efficient transportation use cost per 38281
student can be calculated by means of a regression formula that 38282
has as its two independent variables the number of daily bus miles 38283
per student and the transported student percentage. For fiscal 38284
year 1998 transportation cost data, the average efficient 38285
transportation use cost per student is expressed as follows: 38286

$$51.79027 + (139.62626 \times \text{daily bus miles per student}) + 38287$$
$$(116.25573 \times \text{transported student percentage}) 38288$$

The department of education shall annually determine the 38289
average efficient transportation use cost per student in 38290
accordance with the principles stated in division (D)(2) of this 38291
section, updating the intercept and regression coefficients of the 38292
regression formula modeled in this division, based on an annual 38293
statewide analysis of each school district's daily bus miles per 38294
student, transported student percentage, and transportation cost 38295
per student data. The department shall conduct the annual update 38296
using data, including daily bus miles per student, transported 38297
student percentage, and transportation cost per student data, from 38298
the prior fiscal year. The department shall notify the office of 38299
budget and management of such update by the fifteenth day of 38300
February of each year. 38301

(3) In addition to funds paid under divisions (A), (C), and 38302
(E) of this section, each district with a transported student 38303
percentage greater than zero shall receive a payment equal to a 38304
percentage of the product of the district's transportation base 38305
from the prior fiscal year times the annually updated average 38306
efficient transportation use cost per student, times an inflation 38307
factor of two and eight-tenths per cent to account for the 38308
one-year difference between the data used in updating the formula 38309

and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE	
2000	52.5%	
2001	55%	
2002	57.5%	
2003 and thereafter	The greater of 60% or the district's state share percentage	

The payments made under division (D)(3) of this section each year shall be calculated based on all of the same prior year's data used to update the formula.

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply:

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section;

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division.

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula:

(per rough mile subsidy X total rough road miles)
X density multiplier

where:

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula:

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} -$

county rough road percentage)/(maximum rough road
percentage - statewide rough road percentage)]]} 38338
38339

(i) "Maximum rough road percentage" means the highest county
rough road percentage in the state. 38340
38341

(ii) "County rough road percentage" equals the percentage of
the mileage of state, municipal, county, and township roads that
is rated by the department of transportation as type A, B, C, E2,
or F in the county in which the school district is located or, if
the district is located in more than one county, the county to
which it is assigned for purposes of determining its
cost-of-doing-business factor. 38342
38343
38344
38345
38346
38347
38348

(iii) "Statewide rough road percentage" means the percentage
of the statewide total mileage of state, municipal, county, and
township roads that is rated as type A, B, C, E2, or F by the
department of transportation. 38349
38350
38351
38352

(b) "Total rough road miles" means a school district's total
bus miles traveled in one year times its county rough road
percentage. 38353
38354
38355

(c) "Density multiplier" means a figure calculated in
accordance with the following formula: 38356
38357

1 - [(minimum student density - district student
density)/(minimum student density -
statewide student density)] 38358
38359
38360

(i) "Minimum student density" means the lowest district
student density in the state. 38361
38362

(ii) "District student density" means a school district's
transportation base divided by the number of square miles in the
district. 38363
38364
38365

(iii) "Statewide student density" means the sum of the
transportation bases for all school districts divided by the sum
of the square miles in all school districts. 38366
38367
38368

(6) In addition to funds paid under divisions (D)(2) to (5) 38369
of this section, each district shall receive in accordance with 38370
rules adopted by the state board of education a payment for 38371
students transported by means other than board-owned or 38372
contractor-operated buses and whose transportation is not funded 38373
under division (G) of section 3317.024 of the Revised Code. The 38374
rules shall include provisions for school district reporting of 38375
such students. 38376

(E)(1) The department shall compute and distribute state 38377
vocational education additional weighted costs funds to each 38378
school district in accordance with the following formula: 38379

state share percentage X 38380
the formula amount X 38381
total vocational education weight 38382

In any fiscal year, a school district receiving funds under 38383
division (E)(1) of this section shall spend those funds only for 38384
the purposes that the department designates as approved for 38385
vocational education expenses. Vocational educational expenses 38386
approved by the department shall include only expenses connected 38387
to the delivery of career-technical programming to 38388
career-technical students. The department shall require the school 38389
district to report data annually so that the department may 38390
monitor the district's compliance with the requirements regarding 38391
the manner in which funding received under division (E)(1) of this 38392
section may be spent. 38393

(2) The department shall compute for each school district 38394
state funds for vocational education associated services in 38395
accordance with the following formula: 38396

state share percentage X .05 X the formula amount X 38397
the sum of categories one and two vocational education ADM 38398

In any fiscal year, a school district receiving funds under 38399
division (E)(2) of this section, or through a transfer of funds 38400

pursuant to division (L) of section 3317.023 of the Revised Code, 38401
shall spend those funds only for the purposes that the department 38402
designates as approved for vocational education associated 38403

The superintendent of each joint vocational school district 38837
shall also indicate the city, local, or exempted village school 38838
district in which each joint vocational district pupil is entitled 38839
to attend school pursuant to section 3313.64 or 3313.65 of the 38840
Revised Code. 38841

(E) In each school of each city, local, exempted village, 38842
joint vocational, and cooperative education school district there 38843
shall be maintained a record of school membership, which record 38844
shall accurately show, for each day the school is in session, the 38845
actual membership enrolled in regular day classes. For the purpose 38846
of determining average daily membership, the membership figure of 38847
any school shall not include any pupils except those pupils 38848
described by division (A) of this section. The record of 38849
membership for each school shall be maintained in such manner that 38850
no pupil shall be counted as in membership prior to the actual 38851
date of entry in the school and also in such manner that where for 38852
any cause a pupil permanently withdraws from the school that pupil 38853
shall not be counted as in membership from and after the date of 38854
such withdrawal. There shall not be included in the membership of 38855
any school any of the following: 38856

(1) Any pupil who has graduated from the twelfth grade of a 38857
public or nonpublic high school; 38858

(2) Any pupil who is not a resident of the state; 38859

(3) Any pupil who was enrolled in the schools of the district 38860
during the previous school year when tests were administered under 38861
section 3301.0711 of the Revised Code but did not take one or more 38862
of the tests required by that section and was not excused pursuant 38863
to division (C)(1) or (3) of that section; 38864

(4) Any pupil who has attained the age of twenty-two years, 38865
except for veterans of the armed services whose attendance was 38866

interrupted before completing the recognized twelve-year course of 38867
the public schools by reason of induction or enlistment in the 38868
armed forces and who apply for reenrollment in the public school 38869
system of their residence not later than four years after 38870
termination of war or their honorable discharge. 38871

If, however, any veteran described by division (E)(4) of this 38872
section elects to enroll in special courses organized for veterans 38873
for whom tuition is paid under the provisions of federal laws, or 38874
otherwise, that veteran shall not be included in average daily 38875
membership. 38876

Notwithstanding division (E)(3) of this section, the 38877
membership of any school may include a pupil who did not take a 38878
test required by section 3301.0711 of the Revised Code if the 38879
superintendent of public instruction grants a waiver from the 38880
requirement to take the test to the specific pupil and a parent is 38881
not paying tuition for the pupil pursuant to section 3313.6410 of 38882
the Revised Code. The superintendent may grant such a waiver only 38883
for good cause in accordance with rules adopted by the state board 38884
of education. 38885

Except as provided in divisions (B)(2) and (F) of this 38886
section, the average daily membership figure of any local, city, 38887
exempted village, or joint vocational school district shall be 38888
determined by dividing the figure representing the sum of the 38889
number of pupils enrolled during each day the school of attendance 38890
is actually open for instruction during the week for which the 38891
formula ADM is being certified by the total number of days the 38892
school was actually open for instruction during that week. For 38893
purposes of state funding, "enrolled" persons are only those 38894
pupils who are attending school, those who have attended school 38895
during the current school year and are absent for authorized 38896
reasons, and those children with disabilities currently receiving 38897
home instruction. 38898

The average daily membership figure of any cooperative education school district shall be determined in accordance with rules adopted by the state board of education.

(F)(1) If the formula ADM for the first full school week in February is at least three per cent greater than that certified for the first full school week in the preceding October, the superintendent of schools of any city, exempted village, or joint vocational school district or educational service center shall certify such increase to the superintendent of public instruction. Such certification shall be submitted no later than the fifteenth day of February. For the balance of the fiscal year, beginning with the February payments, the superintendent of public instruction shall use the increased formula ADM in calculating or recalculating the amounts to be allocated in accordance with section 3317.022 or 3317.16 of the Revised Code. In no event shall the superintendent use an increased membership certified to the superintendent after the fifteenth day of February. Division (F)(1) of this section does not apply after fiscal year 2006.

(2) If on the first school day of April the total number of classes or units for preschool children with disabilities that are eligible for approval under division (B) of section 3317.05 of the Revised Code exceeds the number of units that have been approved for the year under that division, the superintendent of schools of any city, exempted village, or cooperative education school district or educational service center shall make the certifications required by this section for that day. If the department determines additional units can be approved for the fiscal year within any limitations set forth in the acts appropriating moneys for the funding of such units, the department shall approve additional units for the fiscal year on the basis of such average daily membership. For each unit so approved, the department shall pay an amount computed in the manner prescribed

in section 3317.052 or 3317.19 and section 3317.053 of the Revised Code. 38931
38932

(3) If a student attending a community school under Chapter 38933
3314. or a science, technology, engineering, and mathematics 38934
school established under Chapter 3326. of the Revised Code is not 38935
included in the formula ADM certified for the school district in 38936
which the student is entitled to attend school under section 38937
3313.64 or 3313.65 of the Revised Code, the department of 38938
education shall adjust the formula ADM of that school district to 38939
include the student in accordance with division (C)(2) of this 38940
section, and shall recalculate the school district's payments 38941
under this chapter for the entire fiscal year on the basis of that 38942
adjusted formula ADM. This requirement applies regardless of 38943
whether the student was enrolled, as defined in division (E) of 38944
this section, in the community school or the science, technology, 38945
engineering, and mathematics school during the week for which the 38946
formula ADM is being certified. 38947

(4) If a student awarded an educational choice scholarship is 38948
not included in the formula ADM of the school district from which 38949
the department deducts funds for the scholarship under section 38950
3310.08 of the Revised Code, the department shall adjust the 38951
formula ADM of that school district to include the student to the 38952
extent necessary to account for the deduction, and shall 38953
recalculate the school district's payments under this chapter for 38954
the entire fiscal year on the basis of that adjusted formula ADM. 38955
This requirement applies regardless of whether the student was 38956
enrolled, as defined in division (E) of this section, in the 38957
chartered nonpublic school, the school district, or a community 38958
school during the week for which the formula ADM is being 38959
certified. 38960

(5) If a student awarded a scholarship under the special 38961
education scholarship pilot program is not included in the formula 38962

ADM of the school district from which the department deducts funds 38963
for the scholarship under section 3310.55 of the Revised Code, the 38964
department shall adjust the formula ADM of that school district to 38965
include the student to the extent necessary to account for the 38966
deduction, and shall recalculate the school district's payments 38967
under this chapter for the entire fiscal year on the basis of that 38968
adjusted formula ADM. This requirement applies regardless of 38969
whether the student was enrolled, as defined in division (E) of 38970
this section, in an alternative public provider, a registered 38971
private provider, or the school district during the week for which 38972
the formula ADM is being certified. 38973

(G)(1)(a) The superintendent of an institution operating a 38974
special education program pursuant to section 3323.091 of the 38975
Revised Code shall, for the programs under such superintendent's 38976
supervision, certify to the state board of education, in the 38977
manner prescribed by the superintendent of public instruction, 38978
both of the following: 38979

(i) The average daily membership of all children with 38980
disabilities other than preschool children with disabilities 38981
receiving services at the institution for each category of 38982
disability described in divisions (A) to (F) of section 3317.013 38983
of the Revised Code; 38984

(ii) The average daily membership of all preschool children 38985
with disabilities in classes or programs approved annually by the 38986
department of education for unit funding under section 3317.05 of 38987
the Revised Code. 38988

(b) The superintendent of an institution with vocational 38989
education units approved under division (A) of section 3317.05 of 38990
the Revised Code shall, for the units under the superintendent's 38991
supervision, certify to the state board of education the average 38992
daily membership in those units, in the manner prescribed by the 38993
superintendent of public instruction. 38994

(2) The superintendent of each county MR/DD board that maintains special education classes under section 3317.20 of the Revised Code or units approved pursuant to section 3317.05 of the Revised Code shall do both of the following:

(a) Certify to the state board, in the manner prescribed by the board, the average daily membership in classes under section 3317.20 of the Revised Code for each school district that has placed children in the classes;

(b) Certify to the state board, in the manner prescribed by the board, the number of all preschool children with disabilities enrolled as of the first day of December in classes eligible for approval under division (B) of section 3317.05 of the Revised Code, and the number of those classes.

(3)(a) If on the first school day of April the number of classes or units maintained for preschool children with disabilities by the county MR/DD board that are eligible for approval under division (B) of section 3317.05 of the Revised Code is greater than the number of units approved for the year under that division, the superintendent shall make the certification required by this section for that day.

(b) If the department determines that additional classes or units can be approved for the fiscal year within any limitations set forth in the acts appropriating moneys for the funding of the classes and units described in division (G)(3)(a) of this section, the department shall approve and fund additional units for the fiscal year on the basis of such average daily membership. For each unit so approved, the department shall pay an amount computed in the manner prescribed in sections 3317.052 and 3317.053 of the Revised Code.

(H) Except as provided in division (I) of this section, when any city, local, or exempted village school district provides

instruction for a nonresident pupil whose attendance is 39026
unauthorized attendance as defined in section 3327.06 of the 39027
Revised Code, that pupil's membership shall not be included in 39028
that district's membership figure used in the calculation of that 39029
district's formula ADM or included in the determination of any 39030
unit approved for the district under section 3317.05 of the 39031
Revised Code. The reporting official shall report separately the 39032
average daily membership of all pupils whose attendance in the 39033
district is unauthorized attendance, and the membership of each 39034
such pupil shall be credited to the school district in which the 39035
pupil is entitled to attend school under division (B) of section 39036
3313.64 or section 3313.65 of the Revised Code as determined by 39037
the department of education. 39038

(I)(1) A city, local, exempted village, or joint vocational 39039
school district admitting a scholarship student of a pilot project 39040
district pursuant to division (C) of section 3313.976 of the 39041
Revised Code may count such student in its average daily 39042
membership. 39043

(2) In any year for which funds are appropriated for pilot 39044
project scholarship programs, a school district implementing a 39045
state-sponsored pilot project scholarship program that year 39046
pursuant to sections 3313.974 to 3313.979 of the Revised Code may 39047
count in average daily membership: 39048

(a) All children residing in the district and utilizing a 39049
scholarship to attend kindergarten in any alternative school, as 39050
defined in section 3313.974 of the Revised Code; 39051

(b) All children who were enrolled in the district in the 39052
preceding year who are utilizing a scholarship to attend any such 39053
alternative school. 39054

(J) The superintendent of each cooperative education school 39055
district shall certify to the superintendent of public 39056

instruction, in a manner prescribed by the state board of 39057
education, the applicable average daily memberships for all 39058
students in the cooperative education district, also indicating 39059
the city, local, or exempted village district where each pupil is 39060
entitled to attend school under section 3313.64 or 3313.65 of the 39061
Revised Code. 39062

(K) If the superintendent of public instruction determines 39063
that a component of the formula ADM certified or reported by a 39064
district superintendent, or other reporting entity, is not 39065
correct, the superintendent of public instruction may order that 39066
the formula ADM used for the purposes of payments under any 39067
section of Title XXXVIII of the Revised Code be adjusted in the 39068
amount of the error. 39069

Sec. 3317.063. The superintendent of public instruction, in 39070
accordance with rules adopted by the department of education, 39071
shall annually reimburse each chartered nonpublic school for the 39072
actual mandated service administrative and clerical costs incurred 39073
by such school during the preceding school year in preparing, 39074
maintaining, and filing reports, forms, and records, and in 39075
providing such other administrative and clerical services that are 39076
not an integral part of the teaching process as may be required by 39077
state law or rule or by requirements duly promulgated by city, 39078
exempted village, or local school districts. The mandated service 39079
costs reimbursed pursuant to this section shall include, but are 39080
not limited to, the preparation, filing and maintenance of forms, 39081
reports, or records and other clerical and administrative services 39082
relating to state chartering or approval of the nonpublic school, 39083
pupil attendance, pupil health and health testing, transportation 39084

nonpublic school by state law or rule, or by requirements of the 39089
state department of education, other state agencies, or city, 39090
exempted village, or local school districts. 39091

The reimbursement required by this section shall be for 39092
school years beginning on or after July 1, 1981. 39093

Each nonpublic school which seeks reimbursement pursuant to 39094
this section shall submit to the superintendent of public 39095
instruction an application together with such additional reports 39096
and documents as the department of education may require. Such 39097
application, reports, and documents shall contain such information 39098
as the department of education may prescribe in order to carry out 39099
the purposes of this section. No payment shall be made until the 39100
superintendent of public instruction has approved such 39101
application. 39102

Each nonpublic school which applies for reimbursement 39103
pursuant to this section shall maintain a separate account or 39104
system of accounts for the expenses incurred in rendering the 39105
required services for which reimbursement is sought. Such accounts 39106
shall contain such information as is required by the department of 39107
education and shall be maintained in accordance with rules adopted 39108
by the department of education. 39109

Reimbursement payments to a nonpublic school pursuant to this 39110
section shall not exceed an amount for each school year equal to 39111
three hundred twenty-five dollars per pupil enrolled in that 39112
nonpublic school. 39113

The superintendent of public instruction may, from time to 39114
time, examine any and all accounts and records of a nonpublic 39115
school which have been maintained pursuant to this section in 39116
support of an application for reimbursement, for the purpose of 39117
determining the costs to such school of rendering the services for 39118
which reimbursement is sought. If after such audit it is 39119

determined that any school has received funds in excess of the 39120
actual cost of providing such services, said school shall 39121
immediately reimburse the state in such excess amount. 39122

Any payments made to chartered nonpublic schools under this 39123
section may be disbursed without submission to and approval of the 39124
controlling board. 39125

Sec. 3317.08. A board of education may admit to its schools a 39126
child it is not required by section 3313.64 or 3313.65 of the 39127
Revised Code to admit, if tuition is paid for the child. 39128

Unless otherwise provided by law, tuition shall be computed 39129
in accordance with this section. A district's tuition charge for a 39130
school year shall be one of the following: 39131

(A) For any child, except a preschool child with a disability 39132
described in division (B) of this section, the quotient obtained 39133

and (2) of this section by the district's formula ADM. 39135
39136

(1) The district's total taxes charged and payable for 39137
current expenses for the tax year preceding the tax year in which 39138
the school year begins as certified under division (A)(3) of 39139
section 3317.021 of the Revised Code. 39140

(2) The district's total taxes collected for current expenses 39141
under a school district income tax adopted pursuant to section 39142
5748.03 or 5748.08 of the Revised Code that are disbursed to the 39143
district during the fiscal year, excluding any income tax receipts 39144
allocated for the project cost, debt service, or maintenance 39145
set-aside associated with a state-assisted classroom facilities 39146
project as authorized by section 3318.052 of the Revised Code. On 39147
or before the first day of June of each year, the tax commissioner 39148
shall certify the amount to be used in the calculation under this 39149

division for the next fiscal year to the department of education 39150
and the office of budget and management for each city, local, and 39151
exempted village school district that levies a school district 39152
income tax. 39153

(B) For any preschool child with a disability not included in 39154
a unit approved under division (B) of section 3317.05 of the 39155
Revised Code, an amount computed for the school year as follows: 39156

(1) For each type of special education service provided to 39157
the child for whom tuition is being calculated, determine the 39158
amount of the district's operating expenses in providing that type 39159
of service to all preschool children with disabilities not 39160
included in units approved under division (B) of section 3317.05 39161
of the Revised Code; 39162

(2) For each type of special education service for which 39163
operating expenses are determined under division (B)(1) of this 39164
section, determine the amount of such operating expenses that was 39165
paid from any state funds received under this chapter; 39166

(3) For each type of special education service for which 39167
operating expenses are determined under division (B)(1) of this 39168
section, divide the difference between the amount determined under 39169
division (B)(1) of this section and the amount determined under 39170
division (B)(2) of this section by the total number of preschool 39171
children with disabilities not included in units approved under 39172
division (B) of section 3317.05 of the Revised Code who received 39173
that type of service; 39174

(4) Determine the sum of the quotients obtained under 39175
division (B)(3) of this section for all types of special education 39176
services provided to the child for whom tuition is being 39177
calculated. 39178

The state board of education shall adopt rules defining the 39179
types of special education services and specifying the operating 39180

expenses to be used in the computation under this section. 39181

If any child for whom a tuition charge is computed under this 39182
section for any school year is enrolled in a district for only 39183
part of that school year, the amount of the district's tuition 39184
charge for the child for the school year shall be computed in 39185
proportion to the number of school days the child is enrolled in 39186
the district during the school year. 39187

Except as otherwise provided in division (J) of section 39188
3313.64 of the Revised Code, whenever a district admits a child to 39189
its schools for whom tuition computed in accordance with this 39190
section is an obligation of another school district, the amount of 39191
the tuition shall be certified by the treasurer of the board of 39192
education of the district of attendance, to the board of education 39193
of the district required to pay tuition for its approval and 39194
payment. If agreement as to the amount payable or the district 39195
required to pay the tuition cannot be reached, or the board of 39196
education of the district required to pay the tuition refuses to 39197
pay that amount, the board of education of the district of 39198
attendance shall notify the superintendent of public instruction. 39199
The superintendent shall determine the correct amount and the 39200
district required to pay the tuition and shall deduct that amount, 39201
if any, under division (G) of section 3317.023 of the Revised 39202
Code, from the district required to pay the tuition and add that 39203
amount to the amount allocated to the district attended under such 39204
division. The superintendent of public instruction shall send to 39205
the district required to pay the tuition an itemized statement 39206
showing such deductions at the time of such deduction. 39207

When a political subdivision owns and operates an airport, 39208
welfare, or correctional institution or other project or facility 39209
outside its corporate limits, the territory within which the 39210
facility is located is exempt from taxation by the school district 39211
within which such territory is located, and there are school age 39212

children residing within such territory, the political subdivision 39213
owning such tax exempt territory shall pay tuition to the district 39214
in which such children attend school. The tuition for these 39215
children shall be computed as provided for in this section. 39216

Sec. 3318.37. (A)(1) As used in this section: 39217

(a) "Large land area school district" means a school district 39218

Code within three fiscal years after the year of the application 39232
for assistance under this section shall be eligible for assistance 39233
under this section, unless the district's entire classroom 39234
facilities plan consists of only a single building designed to 39235
house grades kindergarten through twelve and the district 39236
satisfies the conditions prescribed in divisions (A)(3)(a) and (b) 39237
of this section. 39238~~

building assistance expedited local partnership program under 39240
section 3318.36 of the Revised Code shall receive assistance under 39241
the program established under this section unless the following 39242~~

conditions are satisfied: 39243

(a) The district board adopted a resolution certifying its 39244
intent to participate in the school building assistance expedited 39245
local partnership program under section 3318.36 of the Revised 39246

(b) The district was selected by the Ohio school facilities 39248
commission for participation in the school building assistance 39249
expedited local partnership program under section 3318.36 of the 39250
Revised Code in the manner prescribed by the commission under that 39251
section as it existed prior to September 14, 2000. 39252

(B)(1) There is hereby established the exceptional needs 39253
school facilities assistance program. Under the program, the Ohio 39254
school facilities commission may set aside from the moneys 39255
annually appropriated to it for classroom facilities assistance 39256
projects up to twenty-five per cent for assistance to school 39257
districts with exceptional needs for immediate classroom 39258
facilities assistance. 39259

(2)(a) After consulting with education and construction 39260
experts, the commission shall adopt guidelines for identifying 39261
school districts with an exceptional need for immediate classroom 39262
facilities assistance. 39263

(b) The guidelines shall include application forms and 39264
instructions for school districts to use in applying for 39265
assistance under this section. 39266

(3) The commission shall evaluate the classroom facilities, 39267
and the need for replacement classroom facilities from the 39268
applications received under this section. The commission, 39269
utilizing the guidelines adopted under division (B)(2)(a) of this 39270
section, shall prioritize the school districts to be assessed. 39271

Notwithstanding section 3318.02 of the Revised Code, the 39272
commission may conduct on-site evaluation of the school districts 39273

prioritized under this section and approve and award funds until 39274
such time as all funds set aside under division (B)(1) of this 39275
section have been encumbered. However, the commission need not 39276
conduct the evaluation of facilities if the commission determines 39277
that a district's assessment conducted under section 3318.36 of 39278
the Revised Code is sufficient for purposes of this section. 39279

(4) Notwithstanding division (A) of section 3318.05 of the 39280
Revised Code, the school district's portion of the basic project 39281
cost under this section shall be the "required percentage of the 39282
basic project costs," as defined in division (K) of section 39283
3318.01 of the Revised Code. 39284

(5) Except as otherwise specified in this section, any 39285
project undertaken with assistance under this section shall comply 39286
with all provisions of sections 3318.01 to 3318.20 of the Revised 39287
Code. A school district may receive assistance under sections 39288
3318.01 to 3318.20 of the Revised Code for the remainder of the 39289
district's classroom facilities needs as assessed under this 39290
section when the district is eligible for such assistance pursuant 39291
to section 3318.02 of the Revised Code, but any classroom facility 39292
constructed with assistance under this section shall not be 39293
included in a district's project at that time unless the 39294
commission determines the district has experienced the increased 39295
enrollment specified in division (B)(1) of section 3318.04 of the 39296
Revised Code. 39297

(C) No school district shall receive assistance under this 39298
section for a classroom facility that has been included in the 39299
discrete part of the district's classroom facilities needs 39300
identified and addressed in the district's project pursuant to an 39301
agreement entered into under section 3318.36 of the Revised Code, 39302
unless the district's entire classroom facilities plan consists of 39303
only a single building designed to house grades kindergarten 39304
through twelve. 39305

Sec. 3318.44. (A) A joint vocational school district board of education may generate the school district's portion of the basic project cost of its project under sections 3318.40 to 3318.45 of the Revised Code using any combination of the following means if lawfully employed for the acquisition of classroom facilities:

- (1) The issuance of securities in accordance with Chapter 133. and section 3311.20 of the Revised Code;
- (2) Local donated contributions as authorized under section 3318.084 of the Revised Code;
- (3) A levy for permanent improvements under section 3311.21 or 5705.21 of the Revised Code;
- (4) Bonds issued pursuant to division (B) of this section.

(B) By resolution adopted by a majority of all its members, a school district board, in order to pay all or part of the school district's portion of its basic project cost, may apply the proceeds of a tax levied under section 5705.21 of the Revised Code for general permanent improvements if the proceeds of that levy lawfully may be used for general construction, renovation, repair, or maintenance of classroom facilities to ~~leverage pay debt charges on and financing costs related to bonds adequate issued to~~ pay all or part of the school district portion of the basic project cost of the school district's project under sections 3318.40 to 3318.45 of the Revised Code or to generate an amount equivalent to all or part of the amount required under section 3318.43 of the Revised Code to be used for maintenance of classroom facilities acquired under the project. Bonds issued under this division shall be Chapter 133. securities, and may be issued as general obligation securities, but the issuance of the bonds shall not be subject to a vote of the electors of the school district as long as the tax proceeds earmarked for payment of the ~~service debt~~ charges on the bonds may lawfully be used for that

purpose. Such bonds shall not be included in the calculation of 39337
net indebtedness under section 133.06 of the Revised Code if the 39338
resolution authorizing their issuance includes covenants to 39339
appropriate annually, from lawfully available proceeds of a 39340
property tax levied under section 5705.21 of the Revised Code, and 39341
to continue to levy that tax in amounts necessary to pay the debt 39342
charges on and financing costs related to the bonds as they become 39343
due. No property tax levied under section 5705.21 of the Revised 39344
Code that is pledged, or that the school district has covenanted 39345
to levy, collect, and appropriate annually to pay the debt charges 39346
on and financing costs related to the bonds under this section may 39347
be repealed while those bonds are outstanding. If such a tax is 39348
reduced by electors of the district or by the board of education 39349
while the bonds are outstanding, the board of education shall 39350
continue to levy and collect the tax under the authority of the 39351
original election authorizing the tax at a rate in each year that 39352
the board reasonably estimates will produce an amount in that year 39353
equal to the debt charges on the bonds in that year. 39354

No state moneys shall be released for a project to which this 39355
division applies until the proceeds of any bonds issued under this 39356
division that are dedicated for payment of the school district's 39357
portion of the basic project cost are first deposited into the 39358
school district's project construction fund. 39359

(C) A school district board of education may adopt a 39360
resolution proposing that any of the following questions be 39361
combined with a question specified in section 3318.45 of the 39362
Revised Code: 39363

(1) A bond issue question under section 133.18 of the Revised 39364
Code; 39365

(2) A tax levy question under section 3311.21 of the Revised 39366
Code; 39367

(3) A tax levy question under section 5705.21 of the Revised Code. 39368
39369

Any question described in divisions (C)(1) to (3) of this section that is combined with a question proposed under section 3318.45 of the Revised Code shall be for the purpose of either paying for any permanent improvement, as defined in section 133.01 of the Revised Code, or generating operating revenue specifically for the facilities acquired under the school district's project under Chapter 3318. of the Revised Code or for both to the extent such purposes are permitted by the sections of law under which each is proposed. 39370

(F) Wherever the term "educator license" is used in this section without reference to a specific type of educator license, the term does not include an educator license for substitute teaching issued under section 3319.226 of the Revised Code.

Sec. 3319.088. As used in this section, "educational assistant" means any nonteaching employee in a school district who directly assists a teacher as defined in section 3319.09 of the Revised Code, by performing duties for which a license issued pursuant to sections 3319.22 to 3319.30 of the Revised Code is not required.

(A) The state board of education shall issue educational aide permits and educational paraprofessional licenses for educational assistants and shall adopt rules for the issuance and renewal of such permits and licenses which shall be consistent with the provisions of this section. Educational aide permits and educational paraprofessional licenses may be of several types and the rules shall prescribe the minimum qualifications of education, health, and character for the service to be authorized under each type. The prescribed minimum qualifications may require special training or educational courses designed to qualify a person to perform effectively the duties authorized under an educational aide permit or educational paraprofessional license.

(B)(1) Any application for a permit or license, or a renewal or duplicate of a permit or license, under this section shall be accompanied by the payment of a fee in the amount established under division (A) of section 3319.51 of the Revised Code. Any fees received under this division shall be paid into the state treasury to the credit of the state board of education licensure fund established under division (B) of section 3319.51 of the Revised Code.

(2) Any person applying for or holding a permit or license

of the Revised Code and any applicable rules adopted under section 39553
3123.63 of the Revised Code and sections 3319.31 and 3319.311 of 39554
the Revised Code. 39555

(C) Educational assistants shall at all times while in the 39556
performance of their duties be under the supervision and direction 39557
of a teacher as defined in section 3319.09 of the Revised Code. 39558
Educational assistants may assist a teacher to whom assigned in 39559
the supervision of pupils, in assisting with instructional tasks, 39560
and in the performance of duties which, in the judgment of the 39561
teacher to whom the assistant is assigned, may be performed by a 39562
person not licensed pursuant to sections 3319.22 to 3319.30 of the 39563
Revised Code and for which a teaching license, issued pursuant to 39564
sections 3319.22 to 3319.30 of the Revised Code is not required. 39565
The duties of an educational assistant shall not include the 39566
assignment of grades to pupils. The duties of an educational 39567
~~assistants~~ assistant need not be performed in the physical 39568
presence of the teacher to whom assigned, but the activity of an 39569
educational assistant shall at all times be under the direction of 39570
the teacher to whom assigned. The assignment of an educational 39571

maintained by the teacher, but an educational assistant may not 39580
render corporal punishment. 39581

Except when expressly permitted solely for the purposes of 39582
section 3317.029 of the Revised Code, educational assistants may 39583

not be used in place of classroom teachers or other employees and 39584
any payment of compensation by boards of education to educational 39585
assistants for such services is prohibited. The ratio between the 39586
number of licensed teachers and the pupils in a school district 39587
may not be decreased by utilization of educational assistants and 39588
no grouping, or other organization of pupils, for utilization of 39589
educational assistants shall be established which is inconsistent 39590
with sound educational practices and procedures. A school district 39591
may employ up to one full time equivalent educational assistant 39592
for each six full time equivalent licensed employees of the 39593
district. Educational assistants shall not be counted as licensed 39594
employees for purposes of state support in the school foundation 39595
program and no grouping or regrouping of pupils with educational 39596
assistants may be counted as a class or unit for school foundation 39597
program purposes. Neither special courses required by the 39598
regulations of the state board of education, prescribing minimum 39599
qualifications of education for an educational assistant, nor 39600
years of service as an educational assistant shall be counted in 39601
any way toward qualifying for a teacher license, for a teacher 39602
contract of any type, or for determining placement on a salary 39603
schedule in a school district as a teacher. 39604

(D) Educational assistants employed by a board of education 39606
shall have all rights, benefits, and legal protection available to 39607
other nonteaching employees in the school district, except that 39608
provisions of Chapter 124. of the Revised Code shall not apply to 39609
any person employed as an educational assistant, and shall be 39610
members of the school employees retirement system. Educational 39611
assistants shall be compensated according to a salary plan adopted 39612
annually by the board. 39613

Except as provided in this section nonteaching employees 39614
shall not serve as educational assistants without first obtaining 39615

an appropriate educational aide permit or educational 39616
paraprofessional license from the state board of education. A 39617
nonteaching employee who is the holder of a valid educational aide 39618
permit or educational paraprofessional license shall neither 39619
render nor be required to render services inconsistent with the 39620
type of services authorized by the permit or license held. No 39621
person shall receive compensation from a board of education for 39622
services rendered as an educational assistant in violation of this 39623
provision. 39624

Nonteaching employees whose functions are solely 39625
secretarial-clerical and who do not perform any other duties as 39626
educational assistants, even though they assist a teacher and work 39627
under the direction of a teacher shall not be required to hold a 39628
permit or license issued pursuant to this section. Students 39629
preparing to become licensed teachers or educational assistants 39630
shall not be required to hold an educational aide permit or 39631
paraprofessional license for such periods of time as such students 39632
are assigned, as part of their training program, to work with a 39633
teacher in a school district. Such students shall not be 39634
compensated for such services. 39635

Following the determination of the assignment and general job 39636
description of an educational assistant and subject to supervision 39637
by the teacher's immediate administrative officer, a teacher to 39638
whom an educational assistant is assigned shall make all final 39639
determinations of the duties to be assigned to such assistant. 39640
Teachers shall not be required to hold a license designated for 39641
being a supervisor or administrator in order to perform the 39642
necessary supervision of educational assistants. 39643

(E) No person who is, or who has been employed as an 39644
educational assistant shall divulge, except to the teacher to whom 39645
assigned, or the administrator of the school in the absence of the 39646
teacher to whom assigned, or when required to testify in a court 39647

or proceedings, any personal information concerning any pupil in 39648
the school district which was obtained or obtainable by the 39649
educational assistant while so employed. Violation of this 39650
provision is grounds for disciplinary action or dismissal, or 39651
both. 39652

Sec. 3319.11. (A) As used in this section: 39653

continuing service status. 39660

(3) "Extended limited contract" means a limited contract, as 39661
described in section 3319.08 of the Revised Code, that a board of 39662
education or governing board enters into with a teacher who is 39663
eligible for continuing service status. 39664

(B) Teachers eligible for continuing service status in any 39665
city, exempted village, local, or joint vocational school district 39666
or educational service center shall be those teachers qualified as 39667
described in division ~~(B)(1) or (2)~~(D) of section 3319.08 of the 39668
Revised Code, who within the last five years have taught for at 39669
least three years in the district or center, and those teachers 39670
who, having attained continuing contract status elsewhere, have 39671
served two years in the district or center, but the board, upon 39672
the recommendation of the superintendent, may at the time of 39673
employment or at any time within such two-year period, declare any 39674
of the latter teachers eligible. 39675

(1) Upon the recommendation of the superintendent that a 39676
teacher eligible for continuing service status be reemployed, a 39677

continuing contract shall be entered into between the board and 39678
the teacher unless the board by a three-fourths vote of its full 39679
membership rejects the recommendation of the superintendent. If 39680
the board rejects by a three-fourths vote of its full membership 39681
the recommendation of the superintendent that a teacher eligible 39682
for continuing service status be reemployed and the superintendent 39683
makes no recommendation to the board pursuant to division (C) of 39684
this section, the board may declare its intention not to reemploy 39685
the teacher by giving the teacher written notice on or before the 39686
thirtieth day of April of its intention not to reemploy the 39687
teacher. If evaluation procedures have not been complied with 39688
pursuant to division (A) of section 3319.111 of the Revised Code 39689
or the board does not give the teacher written notice on or before 39690
the thirtieth day of April of its intention not to reemploy the 39691
teacher, the teacher is deemed reemployed under an extended 39692
limited contract for a term not to exceed one year at the same 39693
salary plus any increment provided by the salary schedule. The 39694
teacher is presumed to have accepted employment under the extended 39695
limited contract for a term not to exceed one year unless such 39696
teacher notifies the board in writing to the contrary on or before 39697
the first day of June, and an extended limited contract for a term 39698
not to exceed one year shall be executed accordingly. Upon any 39699
subsequent reemployment of the teacher only a continuing contract 39700
may be entered into. 39701

(2) If the superintendent recommends that a teacher eligible 39702
for continuing service status not be reemployed, the board may 39703
declare its intention not to reemploy the teacher by giving the 39704
teacher written notice on or before the thirtieth day of April of 39705
its intention not to reemploy the teacher. If evaluation 39706
procedures have not been complied with pursuant to division (A) of 39707
section 3319.111 of the Revised Code or the board does not give 39708
the teacher written notice on or before the thirtieth day of April 39709
of its intention not to reemploy the teacher, the teacher is 39710

deemed reemployed under an extended limited contract for a term 39711
not to exceed one year at the same salary plus any increment 39712
provided by the salary schedule. The teacher is presumed to have 39713
accepted employment under the extended limited contract for a term 39714
not to exceed one year unless such teacher notifies the board in 39715
writing to the contrary on or before the first day of June, and an 39716
extended limited contract for a term not to exceed one year shall 39717
be executed accordingly. Upon any subsequent reemployment of a 39718
teacher only a continuing contract may be entered into. 39719

(3) Any teacher receiving written notice of the intention of 39720
a board not to reemploy such teacher pursuant to this division is 39721
entitled to the hearing provisions of division (G) of this 39722
section. 39723

(C)(1) If a board rejects the recommendation of the 39724
superintendent for reemployment of a teacher pursuant to division 39725
(B)(1) of this section, the superintendent may recommend 39726
reemployment of the teacher, if continuing service status has not 39727
previously been attained elsewhere, under an extended limited 39728
contract for a term not to exceed two years, provided that written 39729
notice of the superintendent's intention to make such 39730
recommendation has been given to the teacher with reasons directed 39731
at the professional improvement of the teacher on or before the 39732
thirtieth day of April. Upon subsequent reemployment of the 39733
teacher only a continuing contract may be entered into. 39734

(2) If a board of education takes affirmative action on a 39735
superintendent's recommendation, made pursuant to division (C)(1) 39736
of this section, of an extended limited contract for a term not to 39737
exceed two years but the board does not give the teacher written 39738
notice of its affirmative action on the superintendent's 39739
recommendation of an extended limited contract on or before the 39740
thirtieth day of April, the teacher is deemed reemployed under a 39741
continuing contract at the same salary plus any increment provided 39742

by the salary schedule. The teacher is presumed to have accepted 39743
employment under such continuing contract unless such teacher 39744
notifies the board in writing to the contrary on or before the 39745
first day of June, and a continuing contract shall be executed 39746
accordingly. 39747

(3) A board shall not reject a superintendent's 39748
recommendation, made pursuant to division (C)(1) of this section, 39749
of an extended limited contract for a term not to exceed two years 39750
except by a three-fourths vote of its full membership. If a board 39751
rejects by a three-fourths vote of its full membership the 39752
recommendation of the superintendent of an extended limited 39753
contract for a term not to exceed two years, the board may declare 39754
its intention not to reemploy the teacher by giving the teacher 39755
written notice on or before the thirtieth day of April of its 39756
intention not to reemploy the teacher. If evaluation procedures 39757
have not been complied with pursuant to division (A) of section 39758
3319.111 of the Revised Code or if the board does not give the 39759
teacher written notice on or before the thirtieth day of April of 39760
its intention not to reemploy the teacher, the teacher is deemed 39761
reemployed under an extended limited contract for a term not to 39762
exceed one year at the same salary plus any increment provided by 39763
the salary schedule. The teacher is presumed to have accepted 39764
employment under the extended limited contract for a term not to 39765
exceed one year unless such teacher notifies the board in writing 39766
to the contrary on or before the first day of June, and an 39767
extended limited contract for a term not to exceed one year shall 39768
be executed accordingly. Upon any subsequent reemployment of the 39769
teacher only a continuing contract may be entered into. 39770

Any teacher receiving written notice of the intention of a 39771
board not to reemploy such teacher pursuant to this division is 39772
entitled to the hearing provisions of division (G) of this 39773
section. 39774

(D) A teacher eligible for continuing contract status 39775
employed under an extended limited contract pursuant to division 39776
(B) or (C) of this section, is, at the expiration of such extended 39777
limited contract, deemed reemployed under a continuing contract at 39778
the same salary plus any increment granted by the salary schedule, 39779
unless evaluation procedures have been complied with pursuant to 39780
division (A) of section 3319.111 of the Revised Code and the 39781
employing board, acting on the superintendent's recommendation 39782
that the teacher not be reemployed, gives the teacher written 39783
notice on or before the thirtieth day of April of its intention 39784
not to reemploy such teacher. A teacher who does not have 39785
evaluation procedures applied in compliance with division (A) of 39786
section 3319.111 of the Revised Code or who does not receive 39787
notice on or before the thirtieth day of April of the intention of 39788
the board not to reemploy such teacher is presumed to have 39789
accepted employment under a continuing contract unless such 39790
teacher notifies the board in writing to the contrary on or before 39791
the first day of June, and a continuing contract shall be executed 39792
accordingly. 39793

Any teacher receiving a written notice of the intention of a 39794
board not to reemploy such teacher pursuant to this division is 39795
entitled to the hearing provisions of division (G) of this 39796
section. 39797

(E) A limited contract may be entered into by each board with 39798
each teacher who has not been in the employ of the board for at 39799
least three years and shall be entered into, regardless of length 39800
of previous employment, with each teacher employed by the board 39801
who ~~holds a provisional, temporary, or associate license, or who~~ 39802
~~holds a professional license and~~ is not eligible to be considered 39803
for a continuing contract. 39804

Any teacher employed under a limited contract, and not 39805
eligible to be considered for a continuing contract, is, at the 39806

expiration of such limited contract, considered reemployed under 39807
the provisions of this division at the same salary plus any 39808
increment provided by the salary schedule unless evaluation 39809
procedures have been complied with pursuant to division (A) of 39810
section 3319.111 of the Revised Code and the employing board, 39811
acting upon the superintendent's written recommendation that the 39812
teacher not be reemployed, gives such teacher written notice of 39813
its intention not to reemploy such teacher on or before the 39814
thirtieth day of April. A teacher who does not have evaluation 39815
procedures applied in compliance with division (A) of section 39816
3319.111 of the Revised Code or who does not receive notice of the 39817
intention of the board not to reemploy such teacher on or before 39818
the thirtieth day of April is presumed to have accepted such 39819
employment unless such teacher notifies the board in writing to 39820
the contrary on or before the first day of June, and a written 39821
contract for the succeeding school year shall be executed 39822
accordingly. 39823

Any teacher receiving a written notice of the intention of a 39824
board not to reemploy such teacher pursuant to this division is 39825
entitled to the hearing provisions of division (G) of this 39826
section. 39827

(F) The failure of a superintendent to make a recommendation 39828
to the board under any of the conditions set forth in divisions 39829
(B) to (E) of this section, or the failure of the board to give 39830
such teacher a written notice pursuant to divisions (C) to (E) of 39831
this section shall not prejudice or prevent a teacher from being 39832
deemed reemployed under either a limited or continuing contract as 39833
the case may be under the provisions of this section. A failure of 39834
the parties to execute a written contract shall not void any 39835
automatic reemployment provisions of this section. 39836

(G)(1) Any teacher receiving written notice of the intention 39837
of a board of education not to reemploy such teacher pursuant to 39838

division (B), (C)(3), (D), or (E) of this section may, within ten 39839
days of the date of receipt of the notice, file with the treasurer 39840
of the board a written demand for a written statement describing 39841
the circumstances that led to the board's intention not to 39842
reemploy the teacher. 39843

(2) The treasurer of a board, on behalf of the board, shall, 39844
within ten days of the date of receipt of a written demand for a 39845
written statement pursuant to division (G)(1) of this section, 39846
provide to the teacher a written statement describing the 39847
circumstances that led to the board's intention not to reemploy 39848
the teacher. 39849

(3) Any teacher receiving a written statement describing the 39850
circumstances that led to the board's intention not to reemploy 39851
the teacher pursuant to division (G)(2) of this section may, 39852
within five days of the date of receipt of the statement, file 39853
with the treasurer of the board a written demand for a hearing 39854
before the board pursuant to divisions (G)(4) to (6) of this 39855
section. 39856

(4) The treasurer of a board, on behalf of the board, shall, 39857
within ten days of the date of receipt of a written demand for a 39858
hearing pursuant to division (G)(3) of this section, provide to 39859
the teacher a written notice setting forth the time, date, and 39860
place of the hearing. The board shall schedule and conclude the 39861
hearing within forty days of the date on which the treasurer of 39862
the board receives a written demand for a hearing pursuant to 39863
division (G)(3) of this section. 39864

(5) Any hearing conducted pursuant to this division shall be 39865
conducted by a majority of the members of the board. The hearing 39866
shall be held in executive session of the board unless the board 39867
and the teacher agree to hold the hearing in public. The 39868
superintendent, assistant superintendent, the teacher, and any 39869
person designated by either party to take a record of the hearing 39870

may be present at the hearing. The board may be represented by 39871
counsel and the teacher may be represented by counsel or a 39872
designee. A record of the hearing may be taken by either party at 39873
the expense of the party taking the record. 39874

(6) Within ten days of the conclusion of a hearing conducted 39875
pursuant to this division, the board shall issue to the teacher a 39876
written decision containing an order affirming the intention of 39877
the board not to reemploy the teacher reported in the notice given 39878
to the teacher pursuant to division (B), (C)(3), (D), or (E) of 39879
this section or an order vacating the intention not to reemploy 39880
and expunging any record of the intention, notice of the 39881
intention, and the hearing conducted pursuant to this division. 39882

(7) A teacher may appeal an order affirming the intention of 39883
the board not to reemploy the teacher to the court of common pleas 39884
of the county in which the largest portion of the territory of the 39885
school district or service center is located, within thirty days 39886
of the date on which the teacher receives the written decision, on 39887
the grounds that the board has not complied with this section 39888
~~3319.11~~ or section 3319.111 of the Revised Code. 39889

Notwithstanding section 2506.04 of the Revised Code, the 39890
court in an appeal under this division is limited to the 39891
determination of procedural errors and to ordering the correction 39892
of procedural errors and shall have no jurisdiction to order a 39893
board to reemploy a teacher, except that the court may order a 39894
board to reemploy a teacher in compliance with the requirements of 39895
division (B), (C)(3), (D), or (E) of this section when the court 39896
determines that evaluation procedures have not been complied with 39897
pursuant to division (A) of section 3319.111 of the Revised Code 39898
or the board has not given the teacher written notice on or before 39899
the thirtieth day of April of its intention not to reemploy the 39900
teacher pursuant to division (B), (C)(3), (D), or (E) of this 39901
section. Otherwise, the determination whether to reemploy or not 39902

reemploy a teacher is solely a board's determination and not a 39903
proper subject of judicial review and, except as provided in this 39904
division, no decision of a board whether to reemploy or not 39905
reemploy a teacher shall be invalidated by the court on any basis, 39906
including that the decision was not warranted by the results of 39907
any evaluation or was not warranted by any statement given 39908
pursuant to division (G)(2) of this section. 39909

No appeal of an order of a board may be made except as 39910
specified in this division. 39911

(H)(1) In giving a teacher any notice required by division 39912
(B), (C), (D), or (E) of this section, the board or the 39913
superintendent shall do either of the following: 39914

(a) Deliver the notice by personal service upon the teacher; 39915

(b) Deliver the notice by certified mail, return receipt 39916
requested, addressed to the teacher at the teacher's place of 39917
employment and deliver a copy of the notice by certified mail, 39918
return receipt requested, addressed to the teacher at the 39919
teacher's place of residence. 39920

(2) In giving a board any notice required by division (B), 39921
(C), (D), or (E) of this section, the teacher shall do either of 39922
the following: 39923

(a) Deliver the notice by personal delivery to the office of 39924
the superintendent during regular business hours; 39925

(b) Deliver the notice by certified mail, return receipt 39926
requested, addressed to the office of the superintendent and 39927
deliver a copy of the notice by certified mail, return receipt 39928
requested, addressed to the president of the board at the 39929
president's place of residence. 39930

(3) When any notice and copy of the notice are mailed 39931
pursuant to division (H)(1)(b) or (2)(b) of this section, the 39932

notice or copy of the notice with the earlier date of receipt 39933
shall constitute the notice for the purposes of division (B), (C), 39934
(D), or (E) of this section. 39935

(I) The provisions of this section shall not apply to any 39936
supplemental written contracts entered into pursuant to section 39937
3319.08 of the Revised Code. 39938

Sec. 3319.16. The contract of any teacher employed by the 39939
board of education of any city, exempted village, local, county, 39940
or joint vocational school district may not be terminated except 39941
for gross inefficiency or immorality; for willful and persistent 39942
violations of reasonable violation of written rules and 39943
regulations of as set forth by the board of education or for 39944
other good and just cause incompetency, inefficiency, dishonesty, 39945
drunkenness, immoral conduct, insubordination, discourteous 39946
treatment of the public, neglect of duty, or any other acts of 39947
misfeasance, malfeasance, or nonfeasance. Before Notwithstanding 39948
any provision to the contrary in Chapter 4117. of the Revised 39949
Code, the provisions of this section relating to the grounds for 39950
termination of the contract of a teacher prevail over any 39951
conflicting provisions of a collective bargaining agreement 39952
entered into after the effective date of this amendment. 39953

Before terminating any contract, the employing board shall 39954
furnish the teacher a written notice signed by its treasurer of 39955
its intention to consider the termination of ~~his~~ the teacher's 39956
contract with full specification of the grounds for such 39957
consideration. The board shall not proceed with formal action to 39958
terminate the contract until after the tenth day after receipt of 39959
the notice by the teacher. Within ten days after receipt of the 39960
notice from the treasurer of the board, the teacher may file with 39961
the treasurer a written demand for a hearing before the board or 39962
before a referee, and the board shall set a time for the hearing 39963

which shall be within thirty days from the date of receipt of the 39964
written demand, and the treasurer shall give the teacher at least 39965
twenty days' notice in writing of the time and place of the 39966
hearing. If a referee is demanded by either the teacher or board, 39967
the treasurer also shall give twenty days' notice to the 39968
superintendent of public instruction. No hearing shall be held 39969
during the summer vacation without the teacher's consent. The 39970
hearing shall be private unless the teacher requests a public 39971
hearing. The hearing shall be conducted by a referee appointed 39972
pursuant to section 3319.161 of the Revised Code, if demanded; 39973
otherwise, it shall be conducted by a majority of the members of 39974
the board and shall be confined to the grounds given for the 39975
termination. The board shall provide for a complete stenographic 39976
record of the proceedings, a copy of the record to be furnished to 39977
the teacher. The board may suspend a teacher pending final action 39978
to terminate ~~his~~ the teacher's contract if, in its judgment, the 39979
character of the charges warrants such action. 39980

Both parties may be present at such hearing, be represented 39981
by counsel, require witnesses to be under oath, cross-examine 39982
witnesses, take a record of the proceedings, and require the 39983
presence of witnesses in their behalf upon subpoena to be issued 39984
by the treasurer of the board. In case of the failure of any 39985
person to comply with a subpoena, a judge of the court of common 39986
pleas of the county in which the person resides, upon application 39987
of any interested party, shall compel attendance of the person by 39988
attachment proceedings as for contempt. Any member of the board or 39989
the referee may administer oaths to witnesses. After a hearing by 39990
a referee, the referee shall file ~~his~~ a report within ten days 39991
after the termination of the hearing. After consideration of the 39992
referee's report, the board, by a majority vote, may accept or 39993
reject the referee's recommendation on the termination of the 39994
teacher's contract. After a hearing by the board, the board, by 39995
majority vote, may enter its determination upon its minutes. Any 39996

order of termination of a contract shall state the grounds for 39997
termination. If the decision, after hearing, is against 39998
termination of the contract, the charges and the record of the 39999
hearing shall be physically expunged from the minutes, and, if the 40000
teacher has suffered any loss of salary by reason of being 40001
suspended, ~~he~~ the teacher shall be paid ~~his~~ the teacher's full 40002
salary for the period of such suspension. 40003

Any teacher affected by an order of termination of contract 40004
may appeal to the court of common pleas of the county in which the 40005
school is located within thirty days after receipt of notice of 40006
the entry of such order. The appeal shall be an original action in 40007
the court and shall be commenced by the filing of a complaint 40008
against the board, in which complaint the facts shall be alleged 40009
upon which the teacher relies for a reversal or modification of 40010
such order of termination of contract. Upon service or waiver of 40011
summons in that appeal, the board immediately shall transmit to 40012
the clerk of the court for filing a transcript of the original 40013
papers filed with the board, a certified copy of the minutes of 40014
the board into which the termination finding was entered, and a 40015
certified transcript of all evidence adduced at the hearing or 40016
hearings before the board or a certified transcript of all 40017
evidence adduced at the hearing or hearings before the referee, 40018
whereupon the cause shall be at issue without further pleading and 40019
shall be advanced and heard without delay. The court shall examine 40020
the transcript and record of the hearing and shall hold such 40021
additional hearings as it considers advisable, at which it may 40022
consider other evidence in addition to the transcript and record. 40023

Upon final hearing, the court shall grant or deny the relief 40024
prayed for in the complaint as may be proper in accordance with 40025
the evidence adduced in the hearing. Such an action is a special 40026
proceeding, and either the teacher or the board may appeal from 40027
the decision of the court of common pleas pursuant to the Rules of 40028

Appellate Procedure and, to the extent not in conflict with those 40029
rules, Chapter 2505. of the Revised Code. 40030

In any court action, the board may utilize the services of 40031
the prosecuting attorney, village solicitor, city director of law, 40032
or other chief legal officer of a municipal corporation as 40033
authorized by section 3313.35 of the Revised Code, or may employ 40034
other legal counsel. 40035

A violation of division (A)(7) of section 2907.03 of the 40036
Revised Code is grounds for termination of a teacher contract 40037
under this section. 40038

Sec. 3319.161. For the purpose of providing referees for the 40039
hearings required by section 3319.16 of the Revised Code, the 40040
superintendent of public instruction shall compile a list of 40041
resident electors from names that ~~he~~ the superintendent shall 40042
solicit annually from the state bar association. 40043

Upon receipt of notice that a referee has been demanded by a 40044
teacher or by a board of education, the superintendent of public 40045
instruction shall immediately designate three persons from such 40046
list, from whom the referee to hear the matter shall be chosen, 40047
and ~~he~~ the superintendent shall immediately notify the designees, 40048
the teacher, and the board of the school district involved. If 40049
within five days of receipt of the notice, the teacher and board 40050
are unable to select a mutually agreeable designee to serve as 40051
referee, the superintendent of public instruction shall appoint 40052
one of the three designees to serve as referee. The appointment of 40053
the referee shall be entered in the minutes of the board. The 40054
referee appointed shall be paid ~~his~~ the referee's usual and 40055
customary fee for attending the hearing which shall be paid from 40056
the school district general fund upon vouchers approved by the 40057
superintendent of public instruction and presented to the 40058
treasurer of the district. No referee shall be a member of, an 40059

employee of, or teacher employed by the board of education nor 40060
related to any such person by consanguinity or marriage. ~~No person~~ 40061
~~shall be appointed to hear more than two contract termination~~ 40062
~~eases in any school year.~~ 40063

Sec. 3319.22. (A)(1) The state board of education shall ~~adopt~~ 40064
~~rules establishing the standards and requirements for obtaining~~ 40065
~~temporary, associate, provisional, and professional~~ issue the 40066

five years and shall be renewable; 40071

(c) A senior professional educator license, which shall be 40072
valid for five years and shall be renewable; 40073

(d) A lead professional educator license, which shall be 40074
valid for five years and shall be renewable. 40075

(2) The state board may issue any additional educator 40076
licenses of ~~any~~ categories, types, and levels the board elects to 40077
provide. ~~However, no educator license shall be required for~~ 40078
~~teaching children two years old or younger.~~ 40079

~~(2)~~(3) The state board shall adopt rules establishing the 40080
standards and requirements for obtaining each educator license 40081
issued under this section. 40082

(B) The rules adopted under this section shall require at 40083
least the following standards and qualifications for the educator 40084
licenses described in division (A)(1) of this section: 40085

requirement of the rules. The department of education shall 40168

committees incorporate the professional development standards 40170
adopted by the state board of education pursuant to section 40171

is appropriate for license renewal. The rules shall establish a 40173
procedure by which a teacher may appeal the decision of a local 40174

(2) In any school district in which there is no exclusive 40176
representative established under Chapter 4117. of the Revised 40177
Code, the professional development committees shall be established 40178

establish the structure for one or more local professional 40182
development committees to be operated by such school district. The 40183
committee structure so established by a district board shall 40184

of the date upon which the current committee structure was 40186
established, the board provides notice to all affected district 40187
employees that the committee structure is to be modified. 40188
Professional development committees may have a district-level or 40189
building-level scope of operations, and may be established with 40190
regard to particular grade or age levels for which an educator 40191
license is designated. 40192

Each professional development committee shall consist of at 40193
least three classroom teachers employed by the district, one 40194
principal employed by the district, and one other employee of the 40195
district appointed by the district superintendent. For committees 40196
with a building-level scope, the teacher and principal members 40197
shall be assigned to that building, and the teacher members shall 40198
be elected by majority vote of the classroom teachers assigned to 40199
that building. For committees with a district-level scope, the 40200
teacher members shall be elected by majority vote of the classroom 40201
teachers of the district, and the principal member shall be 40202
elected by a majority vote of the principals of the district, 40203
unless there are two or fewer principals employed by the district, 40204

the committee. If a committee has a particular grade or age level 40206
scope, the teacher members shall be licensed to teach such grade 40207
or age levels, and shall be elected by majority vote of the 40208
classroom teachers holding such a license and the principal shall 40209
be elected by all principals serving in buildings where any such 40210
teachers serve. The district superintendent shall appoint a 40211
replacement to fill any vacancy that occurs on a professional 40212
development committee, except in the case of vacancies among the 40213
elected classroom teacher members, which shall be filled by vote 40214

of the remaining members of the committee so selected. 40215

Terms of office on professional development committees shall 40216
be prescribed by the district board establishing the committees. 40217
The conduct of elections for members of professional development 40218
committees shall be prescribed by the district board establishing 40219
the committees. A professional development committee may include 40220
additional members, except that the majority of members on each 40221
such committee shall be classroom teachers employed by the 40222
district. Any member appointed to fill a vacancy occurring prior 40223
to the expiration date of the term for which a predecessor was 40224

term. 40226

The initial meeting of any professional development 40227
committee, upon election and appointment of all committee members, 40228
shall be called by a member designated by the district 40229
superintendent. At this initial meeting, the committee shall 40230
select a chairperson and such other officers the committee deems 40231
necessary, and shall adopt rules for the conduct of its meetings. 40232
Thereafter, the committee shall meet at the call of the 40233
chairperson or upon the filing of a petition with the district 40234
superintendent signed by a majority of the committee members 40235
calling for the committee to meet. 40236

(3) In the case of a school district in which an exclusive 40237
representative has been established pursuant to Chapter 4117. of 40238
the Revised Code, professional development committees shall be 40239
established in accordance with any collective bargaining agreement 40240
in effect in the district that includes provisions for such 40241
committees. 40242

If the collective bargaining agreement does not specify a 40243
different method for the selection of teacher members of the 40244
committees, the exclusive representative of the district's 40245
teachers shall select the teacher members. 40246

If the collective bargaining agreement does not specify a 40247
different structure for the committees, the board of education of 40248
the school district shall establish the structure, including the 40249
number of committees and the number of teacher and administrative 40250
members on each committee; the specific administrative members to 40251
be part of each committee; whether the scope of the committees 40252
will be district levels, building levels, or by type of grade or 40253
age levels for which educator licenses are designated; the lengths 40254
of terms for members; the manner of filling vacancies on the 40255
committees; and the frequency and time and place of meetings. 40256
However, in all cases, except as provided in division ~~(C)~~(F)(4) of 40257
this section, there shall be a majority of teacher members of any 40258
professional development committee, there shall be at least five 40259
total members of any professional development committee, and the 40260
exclusive representative shall designate replacement members in 40261
the case of vacancies among teacher members, unless the collective 40262
bargaining agreement specifies a different method of selecting 40263
such replacements. 40264

(4) Whenever an administrator's coursework plan is being 40265
discussed or voted upon, the local professional development 40266
committee shall, at the request of one of its administrative 40267
members, cause a majority of the committee to consist of 40268
administrative members by reducing the number of teacher members 40269
voting on the plan. 40270

~~(D)~~(G)(1) The department of education, educational service 40271
centers, county boards of mental retardation and developmental 40272
disabilities, regional professional development centers, special 40273
education regional resource centers, college and university 40274
departments of education, head start programs, the eTech Ohio 40275
commission, and the Ohio education computer network may establish 40276
local professional development committees to determine whether the 40277
coursework proposed by their employees who are licensed or 40278

certificated under this section or section 3319.222 of the Revised Code, or under the former version of either section as it existed prior to the effective date of this amendment, meet the requirements of the rules adopted under this section. All other entities specified in division ~~(D)~~(G)(1) of this section shall structure their committees in accordance with guidelines which shall be issued by the state board.

(2) Any public agency that is not specified in division ~~(D)~~(G)(1) of this section but provides educational services and employs or contracts for services of classroom teachers licensed or certificated under this section or section 3319.222 of the Revised Code, or under the former version of either section as it existed prior to the effective date of this amendment, may establish a local professional development committee, subject to the approval of the department of education. The committee shall be structured in accordance with guidelines issued by the state board.

(D)(1) Except as provided in division (D)(4) of this section, 42323
no grant awarded under this section shall exceed the total state 42324
cost of attendance. 42325

(2) Subject to divisions (D)(1), (3), and (4) of this 42326

section, the amount of a grant awarded to a student under this 42327
section shall equal the student's remaining state cost of 42328
attendance after the student's Pell grant and expected family 42329
contribution are applied to the instructional and general charges 42330
for the undergraduate program. However, for students enrolled in a 42331
state university or college as defined in section 3345.12 of the 42332
Revised Code or a university branch, the chancellor may provide 42333
that the grant amount shall equal the student's remaining 42334
instructional and general charges for the undergraduate program 42335
after the student's Pell grant and expected family contribution 42336
have been applied to those charges, but, in no case, shall the 42337
grant amount for such a student exceed any maximum that the 42338
chancellor may set by rule. 42339

(3) For a full-time student enrolled in an eligible 42340
institution for a semester or quarter in addition to the portion 42341
of the academic year covered by a grant determined under division 42342
(C) of this section, the maximum grant amount shall be a 42343
percentage of the maximum prescribed specified in the applicable 42344
any table of that division established in rules adopted by the 42345
chancellor as provided in division (A) of this section. The 42346
maximum grant for a fourth quarter shall be one-third of the 42347
maximum amount so prescribed under that division. The maximum 42348
grant for a third semester shall be one-half of the maximum amount 42349
so prescribed under that division. 42350

(4) If a student is enrolled in a two-year institution of 42351
higher education and is eligible for an education and training 42352
voucher through the Ohio education and training voucher program 42353
that receives federal funding under the John H. Chafee foster care 42354
independence program, 42 U.S.C. 677, the amount of a grant awarded 42355
under this section may exceed the total state cost of attendance 42356
to additionally cover housing costs. 42357

(E) No grant shall be made to any student in a course of 42358

study in theology, religion, or other field of preparation for a 42359
religious profession unless such course of study leads to an 42360
accredited bachelor of arts, bachelor of science, associate of 42361
arts, or associate of science degree. 42362

(F)(1) Except as provided in division ~~(F)~~ (2) of this 42363
section, no grant shall be made to any student for enrollment 42364
during a fiscal year in an institution with a cohort default rate 42365
determined by the United States secretary of education pursuant to 42366
the "Higher Education Amendments of 1986," 100 Stat. 1278, 1408, 42367
20 U.S.C.A. 1085, as amended, as of the fifteenth day of June 42368
preceding the fiscal year, equal to or greater than thirty per 42369
cent for each of the preceding two fiscal years. 42370

(2) Division (F)(1) of this section does not apply ~~to~~ in the 42371
case of either of the following: 42372

(a) ~~Any student enrolled in an~~ The institution ~~that under the~~ 42373
pursuant to federal law appeals its loss of eligibility for 42374
federal financial aid and the United States secretary of education 42375
determines its cohort default rate after recalculation is lower 42376
than the rate specified in division (F)(1) of this section or the 42377
secretary determines due to mitigating circumstances that the 42378
institution may continue to participate in federal financial aid 42379
programs. The chancellor shall adopt rules requiring ~~institutions~~ 42380
any such appellant to provide information to the chancellor 42381
regarding an appeal ~~to the chancellor~~. 42382

(b) Any student who has previously received a grant ~~under~~ 42383

section's amendment by H.B. 1 of the 128th general assembly, and 42385

(3) The chancellor shall adopt rules for the notification of 42387

42409

42410

42411

(A) The chancellor of the Ohio board of regents shall do all
of the following:

42412

42413

(1) Establish policies and procedures applicable to all state
institutions of higher education that ensure that students can

institution of higher education without unnecessary duplication or
institutional barriers. The purpose of this requirement is to

the most efficient and effective manner for the students and the 42421
state. These policies and procedures shall require state 42422
institutions of higher education to make changes or modifications, 42423
as needed, to strengthen course content so as to ensure 42424
equivalency for that course at any state institution of higher 42425
education. 42426

(2) Develop and implement a universal course equivalency 42427
classification system for state institutions of higher education 42428
so that the transfer of students and the transfer and articulation 42429
of equivalent courses or specified learning modules or units 42430
completed by students are not inhibited by inconsistent judgment 42431
about the application of transfer credits. Coursework completed 42432
within such a system at one state institution of higher education 42433
and transferred to another institution shall be applied to the 42434
student's degree objective in the same manner as equivalent 42435
coursework completed at the receiving institution. 42436

(3) Develop a system of transfer policies that ensure that 42437
graduates with associate degrees which include completion of 42438
approved transfer modules shall be admitted to a state institution 42439
of higher education, shall be able to compete for admission to 42440
specific programs on the same basis as students native to the 42441
institution, and shall have priority over out-of-state associate 42442
degree graduates and transfer students. To assist a student in 42443
advising and transferring, all state institutions of higher 42444
education shall fully implement the ~~course applicability~~ 42445
information system for advising and transferring selected by, 42446
contracted for, or developed by the chancellor. 42447

(4) Examine the feasibility of developing a transfer 42448
marketing agenda that includes materials and interactive 42449
technology to inform the citizens of Ohio about the availability 42450
of transfer options at state institutions of higher education and 42451
to encourage adults to return to colleges and universities for 42452

additional education; 42453

(5) Study, in consultation with the state board of career 42454
colleges and schools, and in light of existing criteria and any 42455
other criteria developed by the articulation and transfer advisory 42456
council, the feasibility of credit recognition and transferability 42457
to state institutions of higher education for graduates who have 42458
received associate degrees from a career college or school with a 42459
certificate of registration from the state board of career 42460
colleges and schools under Chapter 3332. of the Revised Code. 42461

(B) All provisions of the existing articulation and transfer 42462
policy developed by the Ohio board of regents shall remain in 42463
effect except where amended by this section. 42464

Sec. 3333.28. (A) The chancellor of the Ohio board of regents 42465
shall establish the nurse education assistance program, the 42466
purpose of which shall be to make loans to students enrolled in 42467
prelicensure nurse education programs at institutions approved by 42468
the board of nursing under section 4723.06 of the Revised Code and 42469
postlicensure nurse education programs approved by the chancellor 42470
under section 3333.04 of the Revised Code or offered by an 42471
institution holding a certificate of authorization issued under 42472
Chapter 1713. of the Revised Code. The board of nursing shall 42473
assist the chancellor in administering the program. 42474

(B) There is hereby created in the state treasury the nurse 42475
education assistance fund, which shall consist of all money 42476
transferred to it pursuant to section 4743.05 of the Revised Code. 42477
The fund shall be used by the chancellor for loans made under 42478
division (A) of this section and for expenses of administering the 42479
loan program. 42480

(C) Between July 1, ~~2005~~ 2009, and January 1, 2012, the 42481
chancellor shall distribute money in the nurse education 42482
assistance fund in the following manner: 42483

(1)(a) ~~Fifty~~ Seventy-five per cent of available funds shall 42484
be awarded as loans to registered nurses enrolled in postlicensure 42485
nurse education programs described in division (A) of this 42486
section. To be eligible for a loan, the applicant shall provide 42487
the chancellor with a letter of intent to practice as a faculty 42488
member at a prelicensure or postlicensure program for nursing in 42489
this state upon completion of the applicant's academic program. 42490
42491

(b) If the borrower of a loan under division (C)(1)(a) of 42492
this section secures employment as a faculty member of an approved 42493
nursing education program in this state within six months 42494
following graduation from an approved nurse education program, the 42495
chancellor may forgive the principal and interest of the student's 42496
loans received under division (C)(1)(a) of this section at a rate 42497
of twenty-five per cent per year, for a maximum of four years, for 42498
each year in which the borrower is so employed. A deferment of the 42499
service obligation, and other conditions regarding the forgiveness 42500
of loans may be granted as provided by the rules adopted under 42501
division (D)(7) of this section. 42502

(c) Loans awarded under division (C)(1)(a) of this section 42503
shall be awarded on the basis of the student's expected family 42504
contribution, with preference given to those applicants with the 42505
lowest expected family contribution. However, the chancellor may 42506
consider other factors the chancellor determines relevant in 42507
ranking the applications. 42508

(d) Each loan awarded to a student under division (C)(1)(a) 42509
of this section shall be not less than five thousand dollars per 42510
year. 42511

(2) Twenty-five per cent of available funds shall be awarded 42512
to students enrolled in prelicensure nurse education programs for 42513
registered nurses, as defined in section 4723.01 of the Revised 42514
Code. 42515

~~(3) Twenty five per cent of available funds shall be awarded to students enrolled in prelicensure professional nurse education programs for licensed practical nurses, as defined in section 4723.01 of the Revised Code.~~

After January 1, 2012, the chancellor shall determine the manner in which to distribute loans under this section.

(D) Subject to the requirements specified in division (C) of this section, the chancellor shall adopt rules in accordance with Chapter 119. of the Revised Code establishing:

(1) Eligibility criteria for receipt of a loan;

(2) Loan application procedures;

(3) The amounts in which loans may be made and the total amount that may be loaned to an individual;

(4) The total amount of loans that can be made each year;

(5) The percentage of the money in the fund that must remain in the fund at all times as a fund balance;

(6) Interest and principal repayment schedules;

(7) Conditions under which a portion of principal and interest obligations incurred by an individual under the program will be forgiven;

(8) Ways that the program may be used to encourage individuals who are members of minority groups to enter the nursing profession;

(9) Any other matters incidental to the operation of the program.

(E) The obligation to repay a portion of the principal and interest on a loan made under this section shall be forgiven if the recipient of the loan meets the criteria for forgiveness established by division (C)(1)(b) of this section, in the case of

loans awarded under division (C)(1)(a) of this section, or by the 42545

be considered to be the average full-time in-state undergraduate 42777
instructional and general fee amount after taking into account the 42778
Ohio resident and Ohio leader scholarships and any other credit 42779
provided to all Ohio residents. 42780

(2) The chancellor of the Ohio board of regents may authorize 42781
a state university or college or a nonpublic Ohio institution of 42782

or colleges as graduate students in the fields of science, 42801

subject to approval by the controlling board, shall give at least 42806
one of the proposals preference for an award. 42807

(C) The general assembly intends that money appropriated for 42808

authority proposes to issue obligations under division (G) of 42848
section 152.09 of the Revised Code, may adopt a resolution 42849
requesting the chancellor to enter into an agreement with the 42850
community or technical college district and the primary paying 42851
agent or fiscal agent for such obligations, providing for the 42852
withholding and deposit of funds otherwise due the district or the 42853

service charges on such obligations. 42856

The board of trustees shall deliver to the chancellor a copy 42857

authority, shall evaluate each request received from a community 42862
or technical college district under this section. The chancellor, 42863

management and the authority in the case of obligations to be 42865
issued by the authority, shall approve each request if all of the 42866
following conditions are met: 42867

(1) Approval of the request will enhance the marketability of 42868
the obligations for which the request is made; 42869

(2) The chancellor and the office of budget and management, 42870
and the authority in the case of obligations to be issued by the 42871
authority, have no reason to believe the requesting community or 42872
technical college district or the community or technical college 42873
it operates will be unable to pay when due the bond service 42874
charges on the obligations for which the request is made, and bond 42875
service charges on those obligations are therefore not anticipated 42876
to be paid pursuant to this section from the allocated state share 42877
of instruction for purposes of Section 17 of Article VIII, Ohio 42878
Constitution. 42879

(3) Any other pertinent conditions established in rules 42880
adopted under division (H) of this section. 42881

(C) If the chancellor approves the request of a community or 42882
technical college district to withhold and deposit funds pursuant 42883
to this section, the chancellor shall enter into a written 42884
agreement with the district and the primary paying agent or fiscal 42885
agent for the obligations, which agreement shall provide for the 42886
withholding of funds pursuant to this section for the payment of 42887
bond service charges on those obligations. The agreement may also 42888
include both of the following: 42889

(1) Provisions for certification by the district to the 42890
chancellor, prior to the deadline for payment of the applicable 42891
bond service charges, whether the district and the community or 42892
technical college it operates are able to pay those bond service 42893
charges when due; 42894

(2) Requirements that the district or the community or 42895
technical college it operates deposits amounts for the payment of 42896
those bond service charges with the primary paying agent or fiscal 42897
agent for the obligations prior to the date on which the bond 42898
service charges are due to the owners or holders of the 42899
obligations. 42900

(D) Whenever a district or the community or technical college 42901
it operates notifies the chancellor that it will not be able to 42902
pay the bond service charges when they are due, subject to the 42903
withholding provisions of this section, or whenever the applicable 42904
paying agent or fiscal agent notifies the chancellor that it has 42905
not timely received from a district or from the college it 42906
operates the full amount needed for payment of the bond service 42907
charges when due to the holders or owners of such obligations, the 42908
chancellor shall immediately contact the district or college and 42909
the paying agent or fiscal agent to confirm that the district and 42910
the college are not able to make the required payment by the date 42911

on which it is due. 42912

If the chancellor confirms that the district and the college 42913
are not able to make the payment and the payment will not be made 42914
pursuant to a credit enhancement facility, the chancellor shall 42915
promptly pay to the applicable primary paying agent or fiscal 42916
agent the lesser of the amount due for bond service charges or the 42917
amount of the next periodic distribution scheduled to be made to 42918
the district or to the college in respect of its allocated state 42919
share of instruction. If this amount is insufficient to pay the 42920
total amount then due the agent for the payment of bond service 42921
charges, the chancellor shall continue to pay to the agent from 42922
each periodic distribution thereafter, and until the full amount 42923
due the agent for unpaid bond service charges is paid in full, the 42924
lesser of the remaining amount due the agent for bond service 42925
charges or the amount of the next periodic distribution scheduled 42926
to be made to the district or college in respect of its allocated 42927
state share of instruction. 42928

(E) The chancellor may make any payments under this section 42929
by direct deposit of funds by electronic transfer. 42930

Any amount received by a paying agent or fiscal agent under 42931
this section shall be applied only to the payment of bond service 42932
charges on the obligations of the community or technical college 42933
district or community or technical college subject to this section 42934
or to the reimbursement of the provider of a credit enhancement 42935
facility that has paid the bond service charges. 42936

(F) The chancellor may make payments under this section to 42937
paying agents or fiscal agents during any fiscal biennium of the 42938
state only from and to the extent that money is appropriated to 42939
the board of regents by the general assembly for distribution 42940
during such biennium for the state share of instruction and only 42941
to the extent that a portion of the state share of instruction has 42942
been allocated to the community or technical college district or 42943

community or technical college. Obligations of the authority or of 42944
a community or technical college district to which this section is 42945
made applicable do not constitute an obligation or a debt or a 42946
pledge of the faith, credit, or taxing power of the state, and the 42947
holders or owners of those obligations have no right to have 42948
excises or taxes levied or appropriations made by the general 42949
assembly for the payment of bond service charges on the 42950
obligations, and the obligations shall contain a statement to that 42951
effect. The agreement for or the actual withholding and payment of 42952
money under this section does not constitute the assumption by the 42953
state of any debt of a community or technical college district or 42954
a community or technical college, and bond service charges on the 42955
related obligations are not anticipated to be paid from the state 42956
general revenue fund for purposes of Section 17 of Article VIII, 42957
Ohio Constitution. 42958

(G) In the case of obligations subject to the withholding 42959
provisions of this section, the issuing community or technical 42960

and a corporate trustee, which may be any trust company or bank 43395

payments or agreement by mandamus, the appointment of a receiver, 43413

3365.041 of the Revised Code, if the student successfully 43842
completes the course, the college shall award the student full 43843
credit for the course and the board of education, community school 43844

governing authority, STEM school, or nonpublic school shall award 43845
the student high school credit. 43846

(B) The student may elect at the time of enrollment for each 43847
course to have the college reimbursed under section 3365.07 of the 43848
Revised Code or as provided in alternative funding agreements 43849
entered into under rules adopted under section 3365.12 of the 43850
Revised Code. Except as provided in section 3365.041 of the 43851
Revised Code, if the student successfully completes the course, 43852
the college shall award the student full credit for the course, 43853
the board of education, community school governing authority, STEM 43854
school, or nonpublic school shall award the student high school 43855
credit, and the college shall be reimbursed in accordance with 43856
section 3365.07 of the Revised Code or alternative funding 43857
agreements entered into under rules adopted under section 3365.12 43858
of the Revised Code. 43859

When determining a school district's formula ADM under 43860
section 3317.03 of the Revised Code, the time a participant is 43861
attending courses under division (A) of this section shall be 43862
considered as time the participant is not attending or enrolled in 43863
school anywhere, and the time a participant is attending courses 43864
under division (B) of this section shall be considered as time the 43865
participant is attending or enrolled in the district's schools. 43866

Sec. 3365.041. (A) When a school district superintendent, the 43867
governing authority of a community school, or the chief 43868
administrative officer of a STEM school expels a student under 43869
division (B) of section 3313.66 of the Revised Code, the district 43870
superintendent, governing authority, or chief administrative 43871
officer shall send a written notice of the expulsion to any 43872
college in which the expelled student is enrolled under section 43873
3365.03 of the Revised Code at the time the expulsion is imposed. 43874
The notice shall indicate the date the expulsion is scheduled to 43875

expire. The notice also shall indicate whether the district board 43876
of education, community school governing authority, or the STEM 43877
school has adopted a policy under section 3313.613 of the Revised 43878
Code to deny high school credit for post-secondary courses taken 43879
during an expulsion. If the expulsion is extended under division 43880
(F) of section 3313.66 of the Revised Code, the district 43881
superintendent, community school governing authority, or STEM 43882
school chief administrative officer shall notify the college of 43883
the extension. 43884

(B) A college may withdraw its acceptance under section 43885
3365.03 of the Revised Code of a student who is expelled from 43886
school under division (B) of section 3313.66 of the Revised Code. 43887
As provided in section 3365.03 of the Revised Code, regardless of 43888
whether the college withdraws its acceptance of the student for 43889
the college term in which the student is expelled, the student is 43890
ineligible to enroll in a college under that section for 43891
subsequent college terms during the period of the expulsion, 43892
unless the student enrolls in another school district or community 43893
school, or a participating nonpublic school during that period. 43894

If a college withdraws its acceptance of an expelled student 43895
who elected either option of division (A)(1) or (2) of section 43896
3365.04 of the Revised Code, the college shall refund tuition and 43897
fees paid by the student in the same proportion that it refunds 43898
tuition and fees to students who voluntarily withdraw from the 43899
college at the same time in the term. 43900

If a college withdraws its acceptance of an expelled student 43901
who elected the option of division (B) of section 3365.04 of the 43902
Revised Code, the school district, community school, or STEM 43903
school shall not award high school credit for the college courses 43904
in which the student was enrolled at the time the college withdrew 43905
its acceptance, and any reimbursement under section 3365.07 of the 43906
Revised Code or through alternative funding agreements entered 43907

into under rules adopted under section 3365.12 of the Revised Code 43908
for the student's attendance prior to the withdrawal shall be the 43909
same as would be paid for a student who voluntarily withdrew from 43910
the college at the same time in the term. If the withdrawal 43911
results in the college's receiving no reimbursement, the college 43912
may require the student to return or pay for the textbooks and 43913
materials it provided the student free of charge under section 43914
3365.08 of the Revised Code. 43915

(C) When a student who elected the option of division (B) of 43916
section 3365.04 of the Revised Code is expelled under division (B) 43917
of section 3313.66 of the Revised Code from a school district, 43918
community school, or STEM school that has adopted a policy under 43919
section 3313.613 of the Revised Code, that election is 43920
automatically revoked for all college courses in which the student 43921
is enrolled during the college term in which the expulsion is 43922
imposed. Any reimbursement under section 3365.07 of the Revised 43923
Code or through alternative funding agreements entered into under 43924
rules adopted under section 3365.12 of the Revised Code for the 43925
student's attendance prior to the expulsion shall be the same as 43926
would be paid for a student who voluntarily withdrew from the 43927
college at the same time in the term. If the revocation results in 43928
the college's receiving no reimbursement, the college may require 43929
the student to return or pay for the textbooks and materials it 43930
provided the student free of charge under section 3365.08 of the 43931
Revised Code. 43932

No later than five days after receiving an expulsion notice 43933
from the superintendent of a district, the governing authority of 43934
a community school, or the chief administrative officer of a STEM 43935
school that has adopted a policy under section 3313.613 of the 43936
Revised Code, the college shall send a written notice to the 43937
expelled student that the student's election of division (B) of 43938
section 3365.04 of the Revised Code is revoked. If the college 43939

elects not to withdraw its acceptance of the student, the student 43940
shall pay all applicable tuition and fees for the college courses 43941
and shall pay for the textbooks and materials that the college 43942
provided under section 3365.08 of the Revised Code. 43943

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 43944
the Revised Code shall specify a method for each of the following: 43945

(1) Determining, with respect to any participant, the 43946
percentage of a full-time educational program constituted by the 43947
participant's total educational program. That percentage shall be 43948
the participant's full-time equivalency percentage for purposes of 43949
the computation required by division (B)(1) of this section. 43950

(2) In the case of a participant who is not enrolled in a 43951
participating nonpublic school, determining the percentage of a 43952
participant's school day during which the participant is 43953
participating in each of the following: 43954

(a) Programs provided by the city, local, or exempted village 43955
school district, a community school, or a STEM school; 43956

(b) Programs provided by a joint vocational school district; 43957

(c) Programs provided by a college under division (B) of 43958
section 3365.04 of the Revised Code. 43959

The sum of divisions (A)(2)(a) to (c) of this section shall equal 43960
one hundred per cent. 43961

(3) In the case of a participant who is not enrolled in a 43962
participating nonpublic school, determining the percentage of a 43963
participant's enrollment that shall be deemed to be enrollment in 43964
a joint vocational school district and the percentage that shall 43965
be deemed to be enrollment in a city, local, or exempted village 43966
school district. The sum of such percentages shall equal one 43967
hundred per cent. 43968

(4) In the case of a participant who is enrolled in a 43969

participating nonpublic school, determining the percentage of a 43970
participant's school day during which the participant is 43971
participating in programs provided by a college under division (B) 43972
of section 3365.04 of the Revised Code. 43973

(B) Each July, unless provided otherwise in an alternative 43974
funding agreement entered into under rules adopted under section 43975
3365.12 of the Revised Code, the department of education shall pay 43976
each college for any participant enrolled in the college in the 43977
prior school year under division (B) of section 3365.04 of the 43978
Revised Code an amount computed as follows: 43979

(1) Multiply the tuition base by the participant's full-time 43980
equivalency percentage and multiply the resulting amount by a 43981
percentage equal to the percentage of the participant's school day 43982
apportioned to the college under division (A)(2)(c) or (4) of this 43983
section, as applicable. 43984

(2) Pay the college the lesser of: 43985

(a) The amount computed under division (B)(1) of this 43986
section; 43987

(b) The actual costs that would have been the responsibility 43988
of the participant had the participant elected to enroll under 43989
division (A) of section 3365.04 of the Revised Code, as verified 43990
by the department, of tuition, textbooks, materials, and fees 43991
directly related to any courses elected by the participant during 43992
the prior school year under division (B) of section 3365.04 of the 43993
Revised Code. 43994

(C) The department shall not reimburse any college for any 43995
course taken by a participant under division (A) of section 43996
3365.04 of the Revised Code. 43997

(D) If the participant was not enrolled in a participating 43998
nonpublic school, the amount paid under division (B) of this 43999
section for each participant shall be subtracted from the school 44000

foundation payments made to the participant's school district or, 44001
if the participant was enrolled in a community school or a STEM 44002
school, from the payments made to the participant's school under 44003
section 3314.08 or 3326.33 of the Revised Code. If the participant 44004
was enrolled in a joint vocational school district, a portion of 44005
the amount shall be subtracted from the payments to the joint 44006
vocational school district and a portion shall be subtracted from 44007
the payments to the participant's city, local, or exempted village 44008
school district. The amount of the payment subtracted from the 44009
city, local, or exempted village school district shall be computed 44010
as follows: 44011

(1) Add the following: 44012

(a) The percentage of the participant's enrollment in the 44013
school district, determined under division (A)(3) of this section; 44014
and 44015

(b) Twenty-five per cent times the percentage of the 44016
participant's enrollment in the joint vocational school district, 44017
determined under division (A)(3) of this section. 44018

(2) Multiply the sum obtained under division (D)(1) of this 44019
section by the amount computed under division (B)(2) of this 44020
section. 44021

The balance of the payment shall be subtracted from the joint 44022
vocational district's school foundation payments. 44023

(E) If the participant was enrolled in a participating 44024
nonpublic school, the amount paid under division (B) of this 44025
section shall be subtracted from moneys set aside by the general 44026
assembly for such purpose from funds appropriated for the purposes 44027
of section 3317.06 of the Revised Code. 44028

Sec. 3365.08. (A) A college that expects to receive or 44029
receives reimbursement under section 3365.07 of the Revised Code 44030

or through alternative funding agreements entered into under rules 44031
adopted under section 3365.12 of the Revised Code shall furnish to 44032
a participant all textbooks and materials directly related to a 44033
course taken by the participant under division (B) of section 44034
3365.04 of the Revised Code. No college shall charge such 44035
participant for tuition, textbooks, materials, or other fees 44036
directly related to any such course. 44037

(B) No student enrolled under this chapter in a course for 44038
which credit toward high school graduation is awarded shall 44039
receive direct financial aid through any state or federal program. 44040

(C) If a school district provides transportation for resident 44041
school students in grades eleven and twelve under section 3327.01 44042
of the Revised Code, a parent of a pupil enrolled in a course 44043
under division (A)(2) or (B) of section 3365.04 of the Revised 44044
Code may apply to the board of education for full or partial 44045

between the secondary school the student attends and the college 44047
in which the student is enrolled. Reimbursement may be paid solely 44048
from funds received by the district under division (D) of section 44049
3317.022 of the Revised Code. The state board of education shall 44050
establish guidelines, based on financial need, under which a 44051
district may provide such reimbursement. 44052

(D) If a community school provides or arranges transportation 44053
for its pupils in grades nine through twelve under section 44054
3314.091 of the Revised Code, a parent of a pupil of the community 44055

authority of the community school for full or partial 44058
reimbursement of the necessary costs of transporting the student 44059
between the community school and the college. The governing 44060
authority may pay the reimbursement in accordance with the state 44061

board's rules adopted under division (C) of this section solely 44062
from funds paid to it under section 3314.091 of the Revised Code. 44063

Sec. 3365.09. Section 3365.07 ~~and~~, divisions (A) and (C) of 44064
section 3365.08, and agreements entered into under rules adopted 44065
under section 3365.12 of the Revised Code do not apply to any 44066
college course in which a student is enrolled if during the term 44067
such student is enrolled in the college course the student is also 44068
a full-time student in the student's district, community school, 44069
STEM school, or nonpublic school. The rules adopted under section 44070
3365.02 of the Revised Code shall prescribe a method for 44071
determining whether a student is enrolled full-time in the 44072
student's district, community school, STEM school, or nonpublic 44073
school. 44074

Sec. 3365.10. As used in this section, the "base amount" for 44075
any school year is one million dollars. "Full-time equivalency 44076

(B) Calculations involving applications under this division shall be made in the order in which the applications are received.

Upon receipt of an application under division (A) of this section, the department shall calculate the amount the college would be paid under division (B) of section 3365.07 of the Revised Code or through alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code for the student's expected participation. The For calculations made under division (B) of section 3365.07 of the Revised Code, the department shall subtract each such calculated amount from the base amount for that year, or the amount remaining for that year after the subtraction from the base amount of amounts previously calculated under this division as a result of prior applications for participation in that year, whichever is the lesser amount.

(C) If such a subtraction under division (B) of this section results in a positive number, the department shall notify the applicant within three weeks of the receipt of ~~his~~ the application that ~~he~~ such applicant may participate in the post-secondary enrollment options program to the extent indicated in the application.

(D) If such a subtraction under division (B) of this section results in a negative number, the department shall, within one week of the receipt of such application, notify the applicant, the applicant's nonpublic school, and the college accepting the applicant that funds will not be available for the applicant's participation in the program during the year for which the application was made. The department shall also notify all applicants whose applications for that year are subsequently received, their nonpublic schools, and the colleges accepting them of the same fact.

(E) No applicant receiving notification under division (D) of 44125
this section may become a participant under division (B) of 44126
section 3365.04 of the Revised Code for the year for which ~~he~~ the 44127
applicant applied and no college shall be paid under division (B) 44128
of section 3365.07 of the Revised Code or through alternative 44129
funding agreements entered into under rules adopted under section 44130
3365.12 of the Revised Code for participation by any such 44131
applicant in such year. 44132

upon a ratio determined by the number of issues placed on the 44357
ballot by each, except as otherwise provided in division (G) of 44358
this section. Such proportional division of cost shall be made 44359

(F) When a precinct is open during a general, primary, or 44365

cost of the election in that precinct and shall reimburse the 44368
county for all expenses incurred in opening the precinct. 44369

the secretary of state to pay the costs of advertising state 44382
ballot issues as required under division (G)(1) of this section. 44383
Any such transfers may be requested from and approved by the 44384

resolution, transfer money to the elections revenue fund from any 44407
other fund of the political subdivision from which such payments 44408

of the members of the board of elections, the board of county 44410

which all of the reviewable activities will be conducted. The 45825
applicant, the director, and the affected persons that filed 45826
objections to the application shall be parties to the hearing. If 45827

controlling interest, as defined in the rules, in the certificate 45938
of need. 45939

The transfer of a health care facility after the completion 45940
of a reviewable activity for which a certificate of need was 45941
issued on or after April 20, 1995, is not a transfer of the 45942
certificate of need, unless the facility is transferred pursuant 45943

~~(2) The person holding the certificate of need is unable to 45953
complete the reviewable activity for which it was issued due to 45954
circumstances beyond the person's control, including zoning 45955
restrictions, natural disasters, or comparable events; 45956~~

~~(3) The director, after reviewing documentation supplied by 45957
the person transferring the certificate of need, certifies in 45958
writing prior to the transfer that the transfer meets the 45959
conditions specified in divisions (C)(1) and (2) of this section. 45960~~

~~If the person that acquires a certificate of need under this 45961
division intends to implement the project other than in 45962
substantial compliance with the approved application for the 45963
certificate, that change is a reviewable activity for which the 45964
person must obtain another certificate of need. 45965~~

Sec. 3702.525. (A) Not later than twenty-four months after 45966
the date the director of health mails the notice that the 45967
certificate of need has been granted or, if the grant or denial of 45968
the certificate of need is appealed under section 3702.60 of the 45969

Revised Code, not later than twenty-four months after issuance of 45970
an order granting the certificate that is not subject to further 45971
appeal, each person holding a certificate of need granted on or 45972

interruptions or delays that are unavoidable due to reasons beyond 45988
the person's control, including labor strikes, natural disasters, 45989
material shortages, or comparable events; 45990

county's occupancy rate is greater than ninety per cent. 46609

reviewed from the first day of the review period through the 46616

(3) Except for the first review period after the effective date of this section, each review period may consist of two phases. The first phase of the review period shall be the period during which the director accepts and reviews certificate of need applications as provided in division (D)(2) of this section. (9) Whether the health care facility in which the beds will be placed is or proposes to become a nurse aide training and testing site; 46686
46687
46688

(10) The rating, under the centers for medicare and medicaid services' five star nursing home quality rating system, of the health care facility in which the beds will be placed. 46689
46690
46691

(G)(1) When a certificate of need application is approved during the initial phase of a four-year review period, on completion of the project under which the beds are relocated, that number of beds shall cease to be operated in the health care facility from which they were relocated and, if the licensure or certification of those beds cannot be or is not transferred to the facility to which the beds are relocated, the licensure or certification shall be surrendered. 46692
46693
46694
46695

(H)(1) Once approval of certificate of need applications in 46708

the first phase of a four-year review period is complete, the 46709
director shall make a new determination of the bed need for each 46710
county by reducing the county's bed need by the number of beds 46711
approved for relocation to the county. The new bed-need 46712
determination shall be made not later than the first day of April 46713
of the third year of the review period. 46714

(2) The director may publish on the department's web site the 46715
remaining bed need for counties that will be considered for 46716
redistribution of beds that, in accordance with division (G)(2) of 46717

division (G)(2) of this section. Beds that are not approved for 46735
redistribution during the second phase of a review period shall 46736
not be available for redistribution at any future time. 46737

ambient air quality standard under the federal Clean Air Act. In 47284
addition, the director may give a higher priority to a school 47285
district or a county board of mental retardation and developmental 47286
disabilities that employs additional measures that reduce air 47287
pollution from the district's or the county board's school bus 47288
fleet. 47289

The director shall adopt rules establishing procedures and 47290
requirements that are necessary to implement this section, 47291

division (F)(2) of this section. 47708

(4) A requirement that a facility that monitors ground water 47709
and leachate add to the parameters monitored by the ground water 47710
monitoring system any parameter that is detected through the 47711
monitoring of leachate; 47712

(5) Requirements governing the reporting of leachate sampling 47713
data. The rules shall require that reports be submitted to the 47714
director and the applicable board of health. 47715

(G) Requirements respecting written, narrative plans for the 47716
operation of facilities. The rules shall require the owner or 47717
operator of a facility to use best management practices. In 47718
addition, the rules shall require as a part of the plan of 47719
operation of a facility the inclusion of the contingency plans 47720
required in rules adopted under division (H) of this section. 47721

(H) Requirements respecting contingency plans for effective 47722
action in response to fire or explosion at a facility or to 47723
hydrogen sulfide or other gases created by the operation of a 47724
facility that pose a nuisance, cause an offensive odor, or pose a 47725

threat to public health or safety or the environment; 47726

(I) Financial assurance requirements for the closure and 47727
post-closure care of facilities as follows: 47728

(1) The rules establishing the financial assurance 47729
requirements for the closure of facilities shall require that the 47730
owner or operator of a facility, before being issued an initial 47731
license for the facility under section 3714.06 of the Revised 47732
Code, submit a surety bond, a letter of credit, or other 47733
acceptable financial assurance, as specified by the director in 47734
the rules, in an amount determined by the director or the 47735
appropriate board of health, as applicable. The rules shall 47736
include a list of the activities for which financial assurance may 47737
be required. The rules shall allow the director or board of 47738
health, as applicable, to adjust the amount of a surety bond, a 47739
letter of credit, or other acceptable financial assurance in 47740
conjunction with the issuance of an annual license. However, the 47741
rules shall require that the amount of a surety bond, letter of 47742
credit, or other acceptable financial assurance for the closure of 47743
a facility be not less than thirteen thousand dollars per acre of 47744
land that has been or is being used for the disposal of 47745
construction and demolition debris. The rules shall require an 47746
explanation of the rationale for financial assurance amounts 47747
exceeding thirteen thousand dollars per acre. 47748

(2) The rules establishing the financial assurance 47749
requirements for the post-closure care of facilities shall address 47750
the maintenance of the facility, continuation of any required 47751
monitoring systems, and performance and maintenance of any 47752
specific requirements established in rules adopted under division 47753
(K) of this section or through a permit, license, or order of the 47754
director. The rules also shall allow the director or board of 47755
health, as applicable, to determine the amount of a surety bond, a 47756
letter of credit, or other acceptable financial assurance for the 47757

post-closure care of a facility based on a required cost estimate 47758
for the post-closure care of the facility. The rules shall require 47759
that the owner or operator of a facility provide post-closure 47760
financial assurance for a period of five years after the closure 47761
of a facility. However, the rules shall stipulate that 47762
post-closure care financial assurance may be extended beyond the 47763
five-year period if the extension of the post-closure care period 47764
is required under rules adopted under division (K) of this 47765
section. 47766

(J) Requirements for the closure of facilities. The 47767
requirements shall include minimum requirements for the closure of 47768
facilities and such additional requirements as are reasonably 47769
related to the location of the facility and the type and quantity 47770
of materials disposed of in the facility. The rules shall require 47771
that an owner or operator of a facility, upon the closure of the 47772
facility, file in the office of the county recorder of the county 47773
in which the facility is located a notice that the property was 47774
previously used as a construction and demolition debris facility. 47775
The rules shall require that the notice be filed in the same 47776
manner as a deed to the property. The rules shall require that the 47777
notice include an engineering drawing attachment showing the 47778
physical locations of debris placement, an indication of the 47779
volumes of debris, and an indication of the depth of the final 47780
cover material. 47781

(K) Requirements for the post-closure care of facilities for 47782
a period of five years after the closure of a facility. However, 47783
the rules shall require that the post-closure care period may be 47784
extended by order of the applicable board of health, the director, 47785
or a court of competent jurisdiction if conditions at a facility 47786
are impacting public health or safety or the environment or if 47787
ground water assessment and corrective measures are required to be 47788
conducted at the facility under rules adopted under division (E) 47789

of this section. This division does not limit the authority of the 47790
director, a board of health, or a court of competent jurisdiction 47791
to issue an order under any other applicable chapter of the 47792
Revised Code. 47793

The rules adopted under this division shall specify both of 47794
the following: 47795

(1) With respect to a facility that permanently ceases 47796
acceptance of construction and demolition debris in calendar year 47797
2006, the post-closure care and post-closure care financial 47798
assurance requirements do not apply, provided that the owner or 47799
operator of the facility gives written notice of the date of the 47800
cessation to the applicable board of health or the director, the 47801
owner or operator of the facility does not submit a subsequent 47802
application for a license renewal for the facility after that 47803
cessation, and no order was issued by the applicable board of 47804
health, the director, or a court of competent jurisdiction 47805
governing the post-closure care of and post-closure financial 47806
assurance for that facility prior to the date specified in the 47807
written notice. 47808

(2) With respect to a facility that permanently ceases 47809
acceptance of construction and demolition debris in calendar year 47810
2007, the required period of time for post-closure care and 47811
post-closure care financial assurance shall be one year after the 47812
closure of the facility, provided that the owner or operator of 47813
the facility gives written notice of the date of the cessation to 47814
the applicable board of health or the director, the owner or 47815
operator does not submit a subsequent application for a license 47816
renewal for the facility after that cessation, and no order was 47817
issued by the applicable board of health, the director, or a court 47818
of competent jurisdiction governing the post-closure care of and 47819
post-closure financial assurance for that facility prior to the 47820
date specified in the written notice. 47821

(L) Standards and procedures governing the modification of 47822
operation licenses issued under section 3714.06 of the Revised 47823
Code; 47824

(M) Procedures and requirements governing the certification 47825
of construction and demolition debris by transfer facilities as 47826
required under section 3714.082 of the Revised Code; 47827

(N) Requirements governing the provision of notification 47828
under section 3714.083 of the Revised Code by owners and operators 47829
of construction and demolition debris facilities of rejected loads 47830
and by transporters and shippers of the final disposition of 47831
rejected loads; 47832

(O) Requirements governing the certification and training of 47833
operators of construction and demolition debris facilities as 47834
required under section 3714.062 of the Revised Code; 47835

(P) Definitions of "owner" and "operator" for purposes of 47836
this chapter. 47837

The rules adopted under this section shall not prohibit the 47838
open burning of construction debris on a construction site in 47839
compliance with division (C)(1) of section 3704.11 of the Revised 47840
Code. 47841

Rules adopted under divisions (E) and (F) of this section 47842
apply to all new construction and demolition debris facilities for 47843
which a permit to install is required under section 3714.051 of 47844
the Revised Code on and after ~~the effective date of this amendment~~ 47845
December 22, 2005. With respect to a facility that is licensed 47846
under section 3714.06 of the Revised Code and operating on ~~the~~ 47847
~~effective date of this amendment~~ December 22, 2005: if the 47848
facility does not have a ground water monitoring or leachate 47849
monitoring system, the facility is not required to comply with 47850
rules adopted under division (E) or (F) of this section; if the 47851
facility has a ground water monitoring system, but not a leachate 47852

monitoring system, the facility shall comply only with rules 47853
adopted under divisions (E) and (F)(3) of this section; and if the 47854
facility has a leachate monitoring system, but not a ground water 47855
monitoring system, the facility shall comply only with rules 47856
adopted under division (F) of this section. 47857

Sec. 3714.07. (A)(1) For the purpose of assisting boards of 47858
health and the environmental protection agency in administering 47859
and enforcing this chapter and rules adopted under it, there is 47860
hereby levied on the disposal of construction and demolition 47861
debris at a construction and demolition debris facility that is 47862
licensed under this chapter or at a solid waste facility that is 47863
licensed under Chapter 3734. of the Revised Code a fee of thirty 47864
cents per cubic yard or sixty cents per ton, as applicable. 47865

(2) The owner or operator of a construction and demolition 47866
debris facility or a solid waste facility shall determine if cubic 47867
yards or tons will be used as the unit of measurement. In 47868
estimating the fee based on cubic yards, the owner or operator 47869
shall utilize either the maximum cubic yard capacity of the 47870
container, or the hauling volume of the vehicle, that transports 47871
the construction and demolition debris to the facility or the 47872
cubic yards actually logged for disposal by the owner or operator 47873
in accordance with rules adopted under section 3714.02 of the 47874
Revised Code. If basing the fee on tonnage, the owner or operator 47875
shall use certified scales to determine the tonnage of 47876
construction and demolition debris that is transported to the 47877
facility for disposal. 47878

(3) The owner or operator of a construction and demolition 47879
debris facility or a solid waste facility shall collect the fee 47880
levied under division (A) of this section as a trustee for the 47881
health district having jurisdiction over the facility, if that 47882
district is on the approved list under section 3714.09 of the 47883

Revised Code, or for the state. The owner or operator shall 47884
prepare and file with the appropriate board of health or the 47885
director of environmental protection monthly returns indicating 47886
the total volume or weight, as applicable, of construction and 47887
demolition debris received for disposal at the facility and the 47888
total amount of money required to be collected on the construction 47889
and demolition debris disposed of during that month. Not later 47890
than thirty days after the last day of the month to which the 47891
return applies, the owner or operator shall mail to the board of 47892
health or the director the return for that month together with the 47893
money required to be collected on the construction and demolition 47894
debris disposed of during that month or may submit the return and 47895
money electronically in a manner approved by the director. The 47896
owner or operator may request, in writing, an extension of not 47897
more than thirty days after the last day of the month to which the 47898
return applies. A request for extension may be denied. If the 47899
owner or operator submits the money late, the owner or operator 47900
shall pay a penalty of ten per cent of the amount of the money due 47901
for each month that it is late. 47902

(4) Of the money that is collected from a construction and 47903
demolition debris facility or a solid waste facility on a per 47904
cubic yard or per ton basis under this section, a board of health 47905
shall transmit three cents per cubic yard or six cents per ton, as 47906
applicable, to the director not later than forty-five days after 47907
the receipt of the money. The money retained by a board of health 47908
under this section shall be paid into a special fund, which is 47909
hereby created in each health district, and used solely to 47910
administer and enforce this chapter and rules adopted under it. 47911

The director shall transmit all money received from the 47912
boards of health of health districts under this section and all 47913
money from the disposal fee collected by the director under this 47914
section to the treasurer of state to be credited to the 47915

construction and demolition debris facility oversight fund, which 47916
is hereby created in the state treasury. The fund shall be 47917
administered by the director, and money credited to the fund shall 47918
be used exclusively for the administration and enforcement of this 47919
chapter and rules adopted under it. 47920

(B) The board of health of a health district or the director 47921
may enter into an agreement with the owner or operator of a 47922
construction and demolition debris facility or a solid waste 47923
facility for the quarterly payment of the money collected from the 47924
disposal fee. The board of health shall notify the director of any 47925
such agreement. Not later than forty-five days after receipt of 47926
the quarterly payment, the board of health shall transmit the 47927
amount established in division (A)(4) of this section to the 47928
director. The money retained by the board of health shall be 47929
deposited in the special fund of the district as required under 47930
that division. Upon receipt of the money from a board of health, 47931
the director shall transmit the money to the treasurer of state to 47932
be credited to the construction and demolition debris facility 47933
oversight fund. 47934

(C) If a construction and demolition debris facility or a 47935
solid waste facility is located within the territorial boundaries 47936
of a municipal corporation or the unincorporated area of a 47937
township, the municipal corporation or township may appropriate up 47938
to four cents per cubic yard or up to eight cents per ton of the 47939
disposal fee required to be paid by the facility under division 47940
(A) of this section for the same purposes that a municipal 47941
corporation or township may levy a fee under division (C) of 47942
section 3734.57 of the Revised Code. 47943

The legislative authority of the municipal corporation or 47944
township may appropriate the money from the fee by enacting an 47945
ordinance or adopting a resolution establishing the amount of the 47946
fee to be appropriated. Upon doing so, the legislative authority 47947

shall mail a certified copy of the ordinance or resolution to the 47948
board of health of the health district in which the construction 47949
and demolition debris facility or the solid waste facility is 47950
located or, if the facility is located in a health district that 47951
is not on the approved list under section 3714.09 of the Revised 47952
Code, to the director. Upon receipt of the copy of the ordinance 47953
or resolution and not later than forty-five days after receipt of 47954
money collected from the fee, the board or the director, as 47955
applicable, shall transmit to the treasurer or other appropriate 47956
officer of the municipal corporation or clerk of the township that 47957
portion of the money collected from the disposal fee by the owner 47958
or operator of the facility that is required by the ordinance or 47959
resolution to be paid to that municipal corporation or township. 47960

Money received by the treasurer or other appropriate officer 47961
of a municipal corporation under this division shall be paid into 47962
the general fund of the municipal corporation. Money received by 47963
the clerk of a township under this division shall be paid into the 47964
general fund of the township. The treasurer or other officer of 47965
the municipal corporation or the clerk of the township, as 47966
appropriate, shall maintain separate records of the money received 47967
under this division. 47968

The legislative authority of a municipal corporation or 47969
township may cease collecting money under this division by 47970
repealing the ordinance or resolution that was enacted or adopted 47971
under this division. 47972

The director shall adopt rules in accordance with Chapter 47973
119. of the Revised Code establishing requirements for prorating 47974
the amount of the fee that may be appropriated under this division 47975
by a municipal corporation or township in which only a portion of 47976
a construction and demolition debris facility is located within 47977
the territorial boundaries of the municipal corporation or 47978
township. 47979

(D) The board of county commissioners of a county in which a construction and demolition debris facility or a solid waste facility is located may appropriate up to three cents per cubic yard or up to six cents per ton of the disposal fee required to be paid by the facility under division (A) of this section for the same purposes that a solid waste management district may levy a fee under division (B) of section 3734.57 of the Revised Code.

The board of county commissioners may appropriate the money from the fee by adopting a resolution establishing the amount of the fee to be appropriated. Upon doing so, the board of county commissioners shall mail a certified copy of the resolution to the board of health of the health district in which the construction and demolition debris facility or the solid waste facility is located or, if the facility is located in a health district that is not on the approved list under section 3714.09 of the Revised Code, to the director. Upon receipt of the copy of the resolution and not later than forty-five days after receipt of money collected from the fee, the board of health or the director, as applicable, shall transmit to the treasurer of the county that portion of the money collected from the disposal fee by the owner or operator of the facility that is required by the resolution to be paid to that county.

Money received by a county treasurer under this division shall be paid into the general fund of the county. The county treasurer shall maintain separate records of the money received under this division.

A board of county commissioners may cease collecting money under this division by repealing the resolution that was adopted under this division.

(E)(1) This section does not apply to the disposal of construction and demolition debris at a solid waste facility that is licensed under Chapter 3734. of the Revised Code if there is no

construction and demolition debris facility licensed under this 48012
chapter within thirty-five miles of the solid waste facility as 48013
determined by a facility's property boundaries. 48014

(2) This section does not apply to the disposal of 48015
construction and demolition debris at a solid waste facility that 48016
is licensed under Chapter 3734. of the Revised Code if the owner 48017
or operator of the facility chooses to collect fees on the 48018
disposal of the construction and demolition debris that are 48019

separated materials that are exclusively composed of reinforced or 48024
nonreinforced concrete, asphalt, clay tile, building or paving 48025
brick, or building or paving stone at a construction and 48026
demolition debris facility that is licensed under this chapter 48027
when either of the following applies: 48028

(a) The materials are placed within the limits of 48029
construction and demolition debris placement at the facility as 48030
specified in the license issued to the facility under section 48031
3714.06 of the Revised Code, are not placed within the unloading 48032
zone of the facility, and are used as a fire prevention measure in 48033
accordance with rules adopted by the director under section 48034
3714.02 of the Revised Code. 48035

(b) The materials are not placed within the unloading zone of 48036
the facility or within the limits of construction and demolition 48037
debris placement at the facility as specified in the license 48038
issued to the facility under section 3714.06 of the Revised Code, 48039
but are used as fill material, either alone or in conjunction with 48040
clean soil, sand, gravel, or other clean aggregates, in legitimate 48041
fill operations for construction purposes at the facility or to 48042
bring the facility up to a consistent grade. 48043

(F) Notwithstanding any provision of law to the contrary, the fee levied under this section applies to the disposal of asbestos and asbestos-containing materials or products at a construction and demolition debris facility that is licensed under this chapter.

Sec. 3714.073. recycling and litter prevention fund, as applicable. 48083

(D) This section does not apply to the disposal of 48084
construction and demolition debris at a solid waste facility that 48085
is licensed under Chapter 3734. of the Revised Code if the owner 48086
or operator of the facility chooses to collect fees on the 48087
disposal of the construction and demolition debris that are 48088
identical to the fees that are collected under Chapters 343. and 48089
3734. of the Revised Code on the disposal of solid wastes at that 48090

debris that has been brought to the construction and demolition 48139
debris facility. A board, the director, or an authorized 48140
representative of either shall make such a request when the 48141
pulverized debris is at the unloading zone of the facility 48142
designated under rules adopted under section 3714.02 of the 48143
Revised Code and not after the debris has been disposed of on the 48144

(6) "Nursing home" means a home used for the reception and care of individuals who by reason of illness or physical or mental impairment require skilled nursing care and of individuals who require personal care services but not skilled nursing care. (9) "County home" and "district home" mean a county home or 49900
district home operated under Chapter 5155. of the Revised Code. 49901

(B) The public health council may further classify homes. For 49902

congregate housing project, or similar facility that meets the 49904
definition of a home under this section is such a home regardless 49905
of how the facility holds itself out to the public. 49906

(C) For purposes of this chapter, personal care services or 49907
skilled nursing care shall be considered to be provided by a 49908

to permit personal care services to be imposed on an individual 49917

(E) Division (A)(1)(c)~~(*)~~(ix) of this section does not 49920
prohibit a facility, infirmary, or other entity described in that 49921
division from seeking licensure under sections 3721.01 to 3721.09 49922
of the Revised Code or certification under Title XVIII or XIX of 49923
the "Social Security Act." However, such a facility, infirmary, or 49924
entity that applies for licensure or certification must meet the 49925
requirements of those sections or titles and the rules adopted 49926
under them and obtain a certificate of need from the director of 49927
health under section 3702.52 of the Revised Code. 49928

(F) Nothing in this chapter, or rules adopted pursuant to it, 49929
shall be construed as authorizing the supervision, regulation, or 49930
control of the spiritual care or treatment of residents or 49931

recognized church or religious denomination. 49934

Sec. 3721.02. (A) The director of health shall license homes 49935
and establish procedures to be followed in inspecting and 49936
licensing homes. The director may inspect a home at any time. Each 49937
home shall be inspected by the director at least once prior to the 49938
issuance of a license and at least once every fifteen months 49939
thereafter. The state fire marshal or a township, municipal, or 49940
other legally constituted fire department approved by the marshal 49941
shall also inspect a home prior to issuance of a license, at least 49942

once every fifteen months thereafter, and at any other time 49943
requested by the director. A home does not have to be inspected 49944
prior to issuance of a license by the director, state fire 49945
marshal, or a fire department if ownership of the home is assigned 49946
or transferred to a different person and the home was licensed 49947
under this chapter immediately prior to the assignment or 49948
transfer. The director may enter at any time, for the purposes of 49949
investigation, any institution, residence, facility, or other 49950
structure that has been reported to the director or that the 49951
director has reasonable cause to believe is operating as a nursing 49952
home, residential care facility, or home for the aging without a 49953
valid license required by section 3721.05 of the Revised Code or, 49954
in the case of a county home or district home, is operating 49955
despite the revocation of its residential care facility license. 49956
The director may delegate the director's authority and duties 49957
under this chapter to any division, bureau, agency, or official of 49958
the department of health. 49959

(B) A single facility may be licensed both as a nursing home 49960
pursuant to this chapter and as an adult care facility pursuant to 49961
Chapter 3722. of the Revised Code if the director determines that 49962
the part or unit to be licensed as a nursing home can be 49963
maintained separate and discrete from the part or unit to be 49964
licensed as an adult care facility. 49965

(C) In determining the number of residents in a home for the 49966
purpose of licensing, the director shall consider all the 49967
individuals for whom the home provides accommodations as one group 49968
unless one of the following is the case: 49969

(1) The home is a home for the aging, in which case all the 49970
individuals in the part or unit licensed as a nursing home shall 49971
be considered as one group, and all the individuals in the part or 49972
unit licensed as a rest home shall be considered as another group. 49973

(2) The home is both a nursing home and an adult care 49974

facility. In that case, all the individuals in the part or unit 49975
licensed as a nursing home shall be considered as one group, and 49976
all the individuals in the part or unit licensed as an adult care 49977
facility shall be considered as another group. 49978

(3) The home maintains, in addition to a nursing home or 49979
residential care facility, a separate and discrete part or unit 49980
that provides accommodations to individuals who do not require or 49981
receive skilled nursing care and do not receive personal care 49982
services from the home, in which case the individuals in the 49983
separate and discrete part or unit shall not be considered in 49984
determining the number of residents in the home if the separate 49985
and discrete part or unit is in compliance with the Ohio basic 49986
building code established by the board of building standards under 49987
Chapters 3781. and 3791. of the Revised Code and the home permits 49988
the director, on request, to inspect the separate and discrete 49989
part or unit and speak with the individuals residing there, if 49990
they consent, to determine whether the separate and discrete part 49991
or unit meets the requirements of this division. 49992

(D)(1) The director of health shall charge ~~an~~ the following 49993
application fee and ~~an~~ annual renewal licensing and inspection fee 49994
~~of one hundred seventy dollars~~ for each fifty persons or part 49995
thereof of a home's licensed capacity: 49996

(a) For state fiscal year 2010, two hundred twenty dollars; 49997

(b) For state fiscal year 2011, two hundred seventy dollars; 49998

(c) For each state fiscal year thereafter, three hundred 49999
twenty dollars. All 50000

(2) All fees collected by the director for the issuance or 50001
renewal of licenses shall be deposited into the state treasury to 50002
the credit of the general operations fund created in section 50003
3701.83 of the Revised Code for use only in administering and 50004
enforcing this chapter and rules adopted under it. 50005

(E)(1) Except as otherwise provided in this section, the results of an inspection or investigation of a home that is conducted under this section, including any statement of deficiencies and all findings and deficiencies cited in the statement on the basis of the inspection or investigation, shall be used solely to determine the home's compliance with this chapter or another chapter of the Revised Code in any action or proceeding other than an action commenced under division (I) of section 3721.17 of the Revised Code. Those results of an inspection or investigation, that statement of deficiencies, and the findings and deficiencies cited in that statement shall not be used in any court or in any action or proceeding that is pending in any court and are not admissible in evidence in any action or proceeding unless that action or proceeding is an appeal of an action by the department of health under this chapter or is an action by any department or agency of the state to enforce this chapter or another chapter of the Revised Code.

(2) Nothing in division (E)(1) of this section prohibits the results of an inspection or investigation conducted under this section from being used in a criminal investigation or prosecution.

Sec. 3722.08. (A) If the director of health determines that 50753

and the rate of interest, the action that is required to be taken 50773
to correct the violation, the time within which it is to be 50774
corrected as specified in division (C) of this section, and the 50775
procedures for the facility to follow to request a conference on 50776
the order imposing a civil penalty. If the facility requests a 50777

in the time prescribed by the director, the director shall issue 50798
an order upholding the penalty, plus interest at the rate 50799

specified in section 1343.03 of the Revised Code for each day 50800

I violation if the facility corrects the violation within the time 50806
specified in the notice ~~unless, except that the director shall~~ 50807

specified in the notice ~~unless~~ and the facility has not been cited 50815
previously for the same violation. Each day of a violation of any 50816
class, after the date the director sets for abatement or 50817
elimination, constitutes a separate and additional violation. 50818

(F) If an adult care facility fails to pay a penalty imposed 50819
under this section, the director may commence a civil action to 50820
collect the penalty. The license of an adult care facility that 50821
has failed to pay a penalty imposed under this section shall not 50822
be renewed until the penalty has been paid. 50823

under division (A)(1) or (2) of this section shall be accompanied 51491
by a nonrefundable application fee of one hundred dollars. If the 51492
application for an annual license is submitted to a board of 51493
health on the approved list under section 3734.08 of the Revised 51494
Code, the application fee shall be credited to the special fund of 51495
the health district created in division (B) of section 3734.06 of 51496
the Revised Code. If the application for an annual license is 51497
submitted to the director, the application fee shall be credited 51498
to the general revenue fund. If a permit or license is issued, the 51499
amount of the application fee paid shall be deducted from the 51500
amount of the permit fee due under division (Q) of section 3745.11 51501
of the Revised Code or the amount of the license fee due under 51502
division (A)(1), (2), (3), or (4) of section 3734.06 of the 51503
Revised Code. 51504

(d) As used in divisions (A)(2)(d), (e), and (f) of this 51505
section, "modify" means any of the following: 51506

(i) Any increase of more than ten per cent in the total capacity of a solid waste facility;	51507 51508
(ii) Any expansion of the limits of solid waste placement at a solid waste facility;	51509 51510
(iii) Any increase in the depth of excavation at a solid waste facility;	51511 51512
(iv) Any change in the technique of waste receipt or type of waste received at a solid waste facility that may endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code.	51513 51514 51515 51516
Not later than thirty-five days after submitting an application under division (A)(2)(a) or (b) of this section for a permit to open a new or modify an existing solid waste facility, the applicant, in conjunction with an officer or employee of the environmental protection agency, shall hold a public meeting on the application within the county in which the new or modified solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public meeting on the application, the applicant shall publish notice of the meeting in each newspaper of general circulation that is published in the county in which the facility is or is proposed to be located. If no newspaper of general circulation is published in the county, the applicant shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public meeting and a general description of the proposed new or modified facility. Not later than five days after publishing the notice, the applicant shall send by certified mail a copy of the notice and the date the notice was published to the director and the legislative authority of each municipal corporation, township, and county, and to the chief executive officer of each municipal corporation, in which the facility is or is proposed to be located. At the public	51517 51518 51519 51520 51521 51522 51523 51524 51525 51526 51527 51528 51529 51530 51531 51532 51533 51534 51535 51536 51537 51538

meeting, the applicant shall provide information and describe the 51539
application and respond to comments or questions concerning the 51540
application, and the officer or employee of the agency shall 51541
describe the permit application process. At the public meeting, 51542
any person may submit written or oral comments on or objections to 51543
the application. Not more than thirty days after the public 51544
meeting, the applicant shall provide the director with a copy of a 51545
transcript of the full meeting, copies of any exhibits, displays, 51546
or other materials presented by the applicant at the meeting, and 51547
the original copy of any written comments submitted at the 51548
meeting. 51549

(e) Except as provided in division (A)(2)(f) of this section, 51550
prior to taking an action, other than a proposed or final denial, 51551
upon an application submitted under division (A)(2)(a) of this 51552
section for a permit to open a new or modify an existing solid 51553
waste facility, the director shall hold a public information 51554
session and a public hearing on the application within the county 51555
in which the new or modified solid waste facility is or is 51556
proposed to be located or within a contiguous county. If the 51557
application is for a permit to open a new solid waste facility, 51558
the director shall hold the hearing not less than fourteen days 51559
after the information session. If the application is for a permit 51560
to modify an existing solid waste facility, the director may hold 51561
both the information session and the hearing on the same day 51562
unless any individual affected by the application requests in 51563
writing that the information session and the hearing not be held 51564
on the same day, in which case the director shall hold the hearing 51565
not less than fourteen days after the information session. The 51566
director shall publish notice of the public information session or 51567
public hearing not less than thirty days before holding the 51568
information session or hearing, as applicable. The notice shall be 51569
published in each newspaper of general circulation that is 51570
published in the county in which the facility is or is proposed to 51571

be located. If no newspaper of general circulation is published in 51572
the county, the director shall publish the notice in a newspaper 51573
of general circulation in the county. The notice shall contain the 51574
date, time, and location of the information session or hearing, as 51575
applicable, and a general description of the proposed new or 51576
modified facility. At the public information session, an officer 51577
or employee of the environmental protection agency shall describe 51578
the status of the permit application and be available to respond 51579
to comments or questions concerning the application. At the public 51580
hearing, any person may submit written or oral comments on or 51581
objections to the approval of the application. The applicant, or a 51582
representative of the applicant who has knowledge of the location, 51583
construction, and operation of the facility, shall attend the 51584
information session and public hearing to respond to comments or 51585
questions concerning the facility directed to the applicant or 51586
representative by the officer or employee of the environmental 51587
protection agency presiding at the information session and 51588
hearing. 51589

(f) The solid waste management policy committee of a county 51590
or joint solid waste management district may adopt a resolution 51591
requesting expeditious consideration of a specific application 51592
submitted under division (A)(2)(a) of this section for a permit to 51593
modify an existing solid waste facility within the district. The 51594
resolution shall make the finding that expedited consideration of 51595
the application without the public information session and public 51596
hearing under division (A)(2)(e) of this section is in the public 51597
interest and will not endanger human health, as determined by the 51598
director by rules adopted in accordance with Chapter 119. of the 51599
Revised Code. Upon receiving such a resolution, the director, at 51600
the director's discretion, may issue a final action upon the 51601
application without holding a public information session or public 51602
hearing pursuant to division (A)(2)(e) of this section. 51603

(3) Except as provided in division (A)(10) of this section, 51604
and unless the owner or operator of any solid waste facility, 51605
other than a solid waste transfer facility or a compost facility 51606
that accepts exclusively source separated yard wastes, that 51607
commenced operation on or before July 1, 1968, has obtained an 51608
exemption from the requirements of division (A)(3) of this section 51609
in accordance with division (G) of section 3734.02 of the Revised 51610
Code, the owner or operator shall submit to the director an 51611
application for a permit with accompanying engineering detail 51612
plans, specifications, and information regarding the facility and 51613
its method of operation for approval under rules adopted under 51614
division (A) of section 3734.02 of the Revised Code and applicable 51615
rules adopted under division (D) of section 3734.12 of the Revised 51616
Code in accordance with the following schedule: 51617

(a) Not later than September 24, 1988, if the facility is 51618
located in the city of Garfield Heights or Parma in Cuyahoga 51619
county; 51620

(b) Not later than December 24, 1988, if the facility is 51621
located in Delaware, Greene, Guernsey, Hamilton, Madison, 51622
Mahoning, Ottawa, or Vinton county; 51623

(c) Not later than March 24, 1989, if the facility is located 51624
in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or 51625
Washington county, or is located in the city of Brooklyn or 51626
Cuyahoga Heights in Cuyahoga county; 51627

(d) Not later than June 24, 1989, if the facility is located 51628
in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 51629
Summit county or is located in Cuyahoga county outside the cities 51630
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 51631

(e) Not later than September 24, 1989, if the facility is 51632
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 51633
county; 51634

(f) Not later than December 24, 1989, if the facility is 51635
located in a county not listed in divisions (A)(3)(a) to (e) of 51636
this section; 51637

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 51638
section, not later than December 31, 1990, if the facility is a 51639
solid waste facility owned by a generator of solid wastes when the 51640
solid waste facility exclusively disposes of solid wastes 51641
generated at one or more premises owned by the generator 51642
regardless of whether the facility is located on a premises where 51643
the wastes are generated and if the facility disposes of more than 51644
one hundred thousand tons of solid wastes per year, provided that 51645
any such facility shall be subject to division (A)(5) of this 51646
section. 51647

(4) Except as provided in divisions (A)(8), (9), and (10) of 51648
this section, unless the owner or operator of any solid waste 51649
facility for which a permit was issued after July 1, 1968, but 51650
before January 1, 1980, has obtained an exemption from the 51651
requirements of division (A)(4) of this section under division (G) 51652
of section 3734.02 of the Revised Code, the owner or operator 51653
shall submit to the director an application for a permit with 51654
accompanying engineering detail plans, specifications, and 51655
information regarding the facility and its method of operation for 51656
approval under those rules. 51657

(5) The director may issue an order in accordance with 51658
Chapter 3745. of the Revised Code to the owner or operator of a 51659
solid waste facility requiring the person to submit to the 51660
director updated engineering detail plans, specifications, and 51661
information regarding the facility and its method of operation for 51662
approval under rules adopted under division (A) of section 3734.02 51663
of the Revised Code and applicable rules adopted under division 51664
(D) of section 3734.12 of the Revised Code if, in the director's 51665
judgment, conditions at the facility constitute a substantial 51666

threat to public health or safety or are causing or contributing 51667
to or threatening to cause or contribute to air or water pollution 51668
or soil contamination. Any person who receives such an order shall 51669
submit the updated engineering detail plans, specifications, and 51670
information to the director within one hundred eighty days after 51671
the effective date of the order. 51672

(6) The director shall act upon an application submitted 51673
under division (A)(3) or (4) of this section and any updated 51674
engineering plans, specifications, and information submitted under 51675
division (A)(5) of this section within one hundred eighty days 51676
after receiving them. If the director denies any such permit 51677
application, the order denying the application or disapproving the 51678
plans shall include the requirements that the owner or operator 51679
submit a plan for closure and post-closure care of the facility to 51680
the director for approval within six months after issuance of the 51681
order, cease accepting solid wastes for disposal or transfer at 51682
the facility, and commence closure of the facility not later than 51683
one year after issuance of the order. If the director determines 51684
that closure of the facility within that one-year period would 51685
result in the unavailability of sufficient solid waste management 51686
facility capacity within the county or joint solid waste 51687
management district in which the facility is located to dispose of 51688
or transfer the solid waste generated within the district, the 51689
director in the order of denial or disapproval may postpone 51690
commencement of closure of the facility for such period of time as 51691
the director finds necessary for the board of county commissioners 51692
or directors of the district to secure access to or for there to 51693
be constructed within the district sufficient solid waste 51694
management facility capacity to meet the needs of the district, 51695
provided that the director shall certify in the director's order 51696
that postponing the date for commencement of closure will not 51697
endanger ground water or any property surrounding the facility, 51698
allow methane gas migration to occur, or cause or contribute to 51699

any other type of environmental damage. 51700

If an emergency need for disposal capacity that may affect 51701
public health and safety exists as a result of closure of a 51702
facility under division (A)(6) of this section, the director may 51703
issue an order designating another solid waste facility to accept 51704
the wastes that would have been disposed of at the facility to be 51705
closed. 51706

(7) If the director determines that standards more stringent 51707
than those applicable in rules adopted under division (A) of 51708
section 3734.02 of the Revised Code and division (D) of section 51709
3734.12 of the Revised Code, or standards pertaining to subjects 51710
not specifically addressed by those rules, are necessary to ensure 51711
that a solid waste facility constructed at the proposed location 51712
will not cause a nuisance, cause or contribute to water pollution, 51713
or endanger public health or safety, the director may issue a 51714
permit for the facility with such terms and conditions as the 51715
director finds necessary to protect public health and safety and 51716
the environment. If a permit is issued, the director shall state 51717
in the order issuing it the specific findings supporting each such 51718
term or condition. 51719

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 51720
not apply to a solid waste compost facility that accepts 51721
exclusively source separated yard wastes and that is registered 51722
under division (C) of section 3734.02 of the Revised Code or, 51723
unless otherwise provided in rules adopted under division (N)(3) 51724
of section 3734.02 of the Revised Code, to a solid waste compost 51725
facility if the director has adopted rules establishing an 51726
alternative system for authorizing the establishment, operation, 51727
or modification of a solid waste compost facility under that 51728
division. 51729

(9) Divisions (A)(1) to (7) of this section do not apply to 51730
scrap tire collection, storage, monocell, monofill, and recovery 51731

facilities. The approval of plans and specifications, as 51732
applicable, and the issuance of registration certificates, 51733
permits, and licenses for those facilities are subject to sections 51734
3734.75 to 3734.78 of the Revised Code, as applicable, and section 51735
3734.81 of the Revised Code. 51736

(10) Divisions (A)(3) and (4) of this section do not apply to 51737
a solid waste incinerator that was placed into operation on or 51738
before October 12, 1994, and that is not authorized to accept and 51739
treat infectious wastes pursuant to division (B) of this section. 51740

(B)(1) Each person who is engaged in the business of treating 51741
infectious wastes for profit at a treatment facility located off 51742
the premises where the wastes are generated that is in operation 51743
on August 10, 1988, and who proposes to continue operating the 51744
facility shall submit to the board of health of the health 51745
district in which the facility is located an application for a 51746
license to operate the facility. 51747

Thereafter, no person shall operate or maintain an infectious 51748
waste treatment facility without a license issued by the board of 51749
health of the health district in which the facility is located or 51750
by the director when the health district in which the facility is 51751
located is not on the approved list under section 3734.08 of the 51752
Revised Code. 51753

(2)(a) During the month of December, but before the first day 51754
of January of the next year, every person proposing to continue to 51755
operate an existing infectious waste treatment facility shall 51756
procure a license to operate the facility for that year from the 51757
board of health of the health district in which the facility is 51758
located or, if the health district is not on the approved list 51759
under section 3734.08 of the Revised Code, from the director. The 51760
application for such a license shall be submitted to the board of 51761
health or to the director, as appropriate, on or before the last 51762
day of September of the year preceding that for which the license 51763

is sought. In addition to the application fee prescribed in 51764
division (B)(2)(c) of this section, a person who submits an 51765
application after that date shall pay an additional ten per cent 51766
of the amount of the application fee for each week that the 51767
application is late. Late payment fees accompanying an application 51768
submitted to the board of health shall be credited to the special 51769
infectious waste fund of the health district created in division 51770
(C) of section 3734.06 of the Revised Code, and late payment fees 51771
accompanying an application submitted to the director shall be 51772
credited to the general revenue fund. A person who has received a 51773
license, upon sale or disposition of an infectious waste treatment 51774
facility and upon consent of the board of health and the director, 51775
may have the license transferred to another person. The board of 51776
health or the director may include such terms and conditions in a 51777
license or revision to a license as are appropriate to ensure 51778
compliance with the infectious waste provisions of this chapter 51779
and rules adopted under them. 51780

(b) Each person proposing to open a new infectious waste 51781
treatment facility or to modify an existing infectious waste 51782
treatment facility shall submit an application for a permit with 51783
accompanying detail plans and specifications to the environmental 51784
protection agency for required approval under the rules adopted by 51785
the director pursuant to section 3734.021 of the Revised Code two 51786
hundred seventy days before proposed operation of the facility and 51787
concurrently shall make application for a license with the board 51788
of health of the health district in which the facility is or is 51789
proposed to be located. Not later than ninety days after receiving 51790
a completed application under division (B)(2)(b) of this section 51791
for a permit to open a new infectious waste treatment facility or 51792
modify an existing infectious waste treatment facility to expand 51793
its treatment capacity, or receiving a completed application under 51794
division (A)(2)(a) of this section for a permit to open a new 51795
solid waste incineration facility, or modify an existing solid 51796

waste incineration facility to also treat infectious wastes or to 51797
increase its infectious waste treatment capacity, that pertains to 51798
a facility for which a notation authorizing infectious waste 51799
treatment is included or proposed to be included in the solid 51800
waste incineration facility's license pursuant to division (B)(3) 51801
of this section, the director shall hold a public hearing on the 51802
application within the county in which the new or modified 51803
infectious waste or solid waste facility is or is proposed to be 51804
located or within a contiguous county. Not less than thirty days 51805
before holding the public hearing on the application, the director 51806
shall publish notice of the hearing in each newspaper that has 51807
general circulation and that is published in the county in which 51808
the facility is or is proposed to be located. If there is no 51809
newspaper that has general circulation and that is published in 51810
the county, the director shall publish the notice in a newspaper 51811
of general circulation in the county. The notice shall contain the 51812
date, time, and location of the public hearing and a general 51813
description of the proposed new or modified facility. At the 51814
public hearing, any person may submit written or oral comments on 51815
or objections to the approval or disapproval of the application. 51816
The applicant, or a representative of the applicant who has 51817
knowledge of the location, construction, and operation of the 51818
facility, shall attend the public hearing to respond to comments 51819
or questions concerning the facility directed to the applicant or 51820
representative by the officer or employee of the environmental 51821
protection agency presiding at the hearing. 51822

(c) Each application for a permit under division (B)(2)(b) of 51823
this section shall be accompanied by a nonrefundable application 51824
fee of four hundred dollars that shall be credited to the general 51825
revenue fund. Each application for an annual license under 51826
division (B)(2)(a) of this section shall be accompanied by a 51827
nonrefundable application fee of one hundred dollars. If the 51828
application for an annual license is submitted to a board of 51829

health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The owner or operator of any infectious waste treatment facility that commenced operation on or before July 1, 1968, shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code in accordance with the following schedule:

(i) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;

(ii) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn, Cuyahoga Heights, or Parma in Cuyahoga county;

(iii) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Brooklyn, Cuyahoga Heights, and Parma;

(iv) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross

county; 51861

(v) Not later than December 24, 1989, if the facility is 51862
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 51863
of this section. 51864

The owner or operator of an infectious waste treatment 51865
facility required to submit a permit application under division 51866
(B)(2)(d) of this section is not required to pay any permit 51867
application fee under division (B)(2)(c) of this section, or 51868
permit fee under division (Q) of section 3745.11 of the Revised 51869
Code, with respect thereto unless the owner or operator also 51870
proposes to modify the facility. 51871

(e) The director may issue an order in accordance with 51872
Chapter 3745. of the Revised Code to the owner or operator of an 51873
infectious waste treatment facility requiring the person to submit 51874
to the director updated engineering detail plans, specifications, 51875
and information regarding the facility and its method of operation 51876
for approval under rules adopted under section 3734.021 of the 51877
Revised Code if, in the director's judgment, conditions at the 51878
facility constitute a substantial threat to public health or 51879
safety or are causing or contributing to or threatening to cause 51880
or contribute to air or water pollution or soil contamination. Any 51881
person who receives such an order shall submit the updated 51882
engineering detail plans, specifications, and information to the 51883
director within one hundred eighty days after the effective date 51884
of the order. 51885

(f) The director shall act upon an application submitted 51886
under division (B)(2)(d) of this section and any updated 51887
engineering plans, specifications, and information submitted under 51888
division (B)(2)(e) of this section within one hundred eighty days 51889
after receiving them. If the director denies any such permit 51890
application or disapproves any such updated engineering plans, 51891
specifications, and information, the director shall include in the 51892

order denying the application or disapproving the plans the 51893
requirement that the owner or operator cease accepting infectious 51894
wastes for treatment at the facility. 51895

(3) Division (B) of this section does not apply to an 51896
infectious waste treatment facility that meets any of the 51897
following conditions: 51898

(a) Is owned or operated by the generator of the wastes and 51899
exclusively treats, by methods, techniques, and practices 51900
established by rules adopted under division (C)(1) or (3) of 51901
section 3734.021 of the Revised Code, wastes that are generated at 51902
any premises owned or operated by that generator regardless of 51903
whether the wastes are generated on the same premises where the 51904
generator's treatment facility is located or, if the generator is 51905
a hospital as defined in section 3727.01 of the Revised Code, 51906
infectious wastes that are described in division (A)(1)(g), (h), 51907
or (i) of section 3734.021 of the Revised Code; 51908

(b) Holds a license or renewal of a license to operate a 51909
crematory facility issued under Chapter 4717. and a permit issued 51910
under Chapter 3704. of the Revised Code; 51911

(c) Treats or disposes of dead animals or parts thereof, or 51912
the blood of animals, and is subject to any of the following: 51913

(i) Inspection under the "Federal Meat Inspection Act," 81 51914
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 51915

(ii) Chapter 918. of the Revised Code; 51916

(iii) Chapter 953. of the Revised Code. 51917

Nothing in division (B) of this section requires a facility 51918
that holds a license issued under division (A) of this section as 51919
a solid waste facility and that also treats infectious wastes by 51920
the same method, technique, or process to obtain a license under 51921
division (B) of this section as an infectious waste treatment 51922

facility. However, the solid waste facility license for the 51923
facility shall include the notation that the facility also treats 51924
infectious wastes. 51925

On and after the effective date of the amendments to the 51926
rules adopted under division (C)(2) of section 3734.021 of the 51927
Revised Code that are required by Section 6 of Substitute House 51928
Bill No. 98 of the 120th General Assembly, the director shall not 51929
issue a permit to open a new solid waste incineration facility 51930
unless the proposed facility complies with the requirements for 51931
the location of new infectious waste incineration facilities 51932
established in the required amendments to those rules. 51933

(C) Except for a facility or activity described in division 51934
(E)(3) of section 3734.02 of the Revised Code, a person who 51935
proposes to establish or operate a hazardous waste facility shall 51936
submit a complete application for a hazardous waste facility 51937
installation and operation permit and accompanying detail plans, 51938
specifications, and such information as the director may require 51939
to the environmental protection agency at least one hundred eighty 51940
days before the proposed beginning of operation of the facility. 51941
The applicant shall notify by certified mail the legislative 51942
authority of each municipal corporation, township, and county in 51943
which the facility is proposed to be located of the submission of 51944
the application within ten days after the submission or at such 51945
earlier time as the director may establish by rule. If the 51946
application is for a proposed new hazardous waste disposal or 51947
thermal treatment facility, the applicant also shall give actual 51948
notice of the general design and purpose of the facility to the 51949
legislative authority of each municipal corporation, township, and 51950
county in which the facility is proposed to be located at least 51951
ninety days before the permit application is submitted to the 51952
environmental protection agency. 51953

In accordance with rules adopted under section 3734.12 of the 51954

Revised Code, prior to the submission of a complete application 51955
for a hazardous waste facility installation and operation permit, 51956
the applicant shall hold at least one meeting in the township or 51957
municipal corporation in which the facility is proposed to be 51958
located, whichever is geographically closer to the proposed 51959
location of the facility. The meeting shall be open to the public 51960
and shall be held to inform the community of the proposed 51961
hazardous waste management activities and to solicit questions 51962
from the community concerning the activities. 51963

(D)(1) Except as provided in section 3734.123 of the Revised 51964
Code, upon receipt of a complete application for a hazardous waste 51965
facility installation and operation permit under division (C) of 51966
this section, the director shall consider the application and 51967
accompanying information to determine whether the application 51968
complies with agency rules and the requirements of division (D)(2) 51969
of this section. After making a determination, the director shall 51970
issue either a draft permit or a notice of intent to deny the 51971
permit. The director, in accordance with rules adopted under 51972
section 3734.12 of the Revised Code or with rules adopted to 51973
implement Chapter 3745. of the Revised Code, shall provide public 51974
notice of the application and the draft permit or the notice of 51975
intent to deny the permit, provide an opportunity for public 51976
comments, and, if significant interest is shown, schedule a public 51977
meeting in the county in which the facility is proposed to be 51978
located and give public notice of the date, time, and location of 51979
the public meeting in a newspaper of general circulation in that 51980
county. 51981

(2) The director shall not approve an application for a 51982
hazardous waste facility installation and operation permit or an 51983
application for a modification under division (I)(3) of this 51984
section unless the director finds and determines as follows: 51985

(a) The nature and volume of the waste to be treated, stored, 51986

or disposed of at the facility; 51987

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code; 51988
51989
51990

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations; 51991
51992
51993
51994

(d) That the facility represents the minimum risk of all of the following: 51995
51996

(i) Fires or explosions from treatment, storage, or disposal methods; 51997
51998

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility; 51999
52000

(iii) Adverse impact on the public health and safety. 52001

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them; 52002
52003
52004

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, 52005

expertise, and competency to operate a hazardous waste facility 52017
under the applicable provisions of this chapter and Chapters 3704. 52018
and 6111. of the Revised Code, the applicable rules and standards 52019
adopted under them, and terms and conditions of a hazardous waste 52020
facility installation and operation permit, given the potential 52021
for harm to the public health and safety and the environment that 52022
could result from the irresponsible operation of the facility. For 52023
off-site facilities, as defined in section 3734.41 of the Revised 52024
Code, the director may use the investigative reports of the 52025
attorney general prepared pursuant to section 3734.42 of the 52026
Revised Code as a basis for making a finding and determination 52027
under division (D)(2)(f) of this section. 52028

(g) That the active areas within a new hazardous waste 52029
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 52030
(e), as amended, or organic waste that is toxic and is listed 52031
under 40 C.F.R. 261, as amended, is being stored, treated, or 52032
disposed of and where the aggregate of the storage design capacity 52033
and the disposal design capacity of all hazardous waste in those 52034
areas is greater than two hundred fifty thousand gallons, are not 52035
located or operated within any of the following: 52036

(i) Two thousand feet of any residence, school, hospital, 52037
jail, or prison; 52038

(ii) Any naturally occurring wetland; 52039

(iii) Any flood hazard area if the applicant cannot show that 52040
the facility will be designed, constructed, operated, and 52041
maintained to prevent washout by a one-hundred-year flood. 52042

Division (D)(2)(g) of this section does not apply to the 52043
facility of any applicant who demonstrates to the director that 52044
the limitations specified in that division are not necessary 52045
because of the nature or volume of the waste and the manner of 52046
management applied, the facility will impose no substantial danger 52047

to the health and safety of persons occupying the structures 52048
listed in division (D)(2)(g)(i) of this section, and the facility 52049
is to be located or operated in an area where the proposed 52050
hazardous waste activities will not be incompatible with existing 52051
land uses in the area. 52052

(h) That the facility will not be located within the 52053
boundaries of a state park established or dedicated under Chapter 52054
1541. of the Revised Code, a state park purchase area established 52055
under section 1541.02 of the Revised Code, any unit of the 52056
national park system, or any property that lies within the 52057
boundaries of a national park or recreation area, but that has not 52058
been acquired or is not administered by the secretary of the 52059
United States department of the interior, located in this state, 52060
or any candidate area located in this state identified for 52061
potential inclusion in the national park system in the edition of 52062
the "national park system plan" submitted under paragraph (b) of 52063
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 52064
U.S.C.A. 1a-5, as amended, current at the time of filing of the 52065
application for the permit, unless the facility will be used 52066
exclusively for the storage of hazardous waste generated within 52067
the park or recreation area in conjunction with the operation of 52068
the park or recreation area. Division (D)(2)(h) of this section 52069
does not apply to the facility of any applicant for modification 52070
of a permit unless the modification application proposes to 52071
increase the land area included in the facility or to increase the 52072
quantity of hazardous waste that will be treated, stored, or 52073
disposed of at the facility. 52074

(3) Not later than one hundred eighty days after the end of 52075
the public comment period, the director, without prior hearing, 52076
shall issue or deny the permit in accordance with Chapter 3745. of 52077
the Revised Code. If the director approves an application for a 52078
hazardous waste facility installation and operation permit, the 52079

director shall issue the permit, upon such terms and conditions as 52080
the director finds are necessary to ensure the construction and 52081
operation of the hazardous waste facility in accordance with the 52082
standards of this section. 52083

(E)÷ No political subdivision of this state shall require any 52084
additional zoning or other approval, consent, permit, certificate, 52085
or condition for the construction or operation of a hazardous 52086
waste facility authorized by a hazardous waste facility 52087
installation and operation permit issued pursuant to this chapter, 52088
nor shall any political subdivision adopt or enforce any law, 52089
ordinance, or rule that in any way alters, impairs, or limits the 52090
authority granted in the permit. 52091

(F) The director may issue a single hazardous waste facility 52092
installation and operation permit to a person who operates two or 52093
more adjoining facilities where hazardous waste is stored, 52094
treated, or disposed of if the application includes detail plans, 52095
specifications, and information on all facilities. For the 52096
purposes of this section, "adjoining" means sharing a common 52097
boundary, separated only by a public road, or in such proximity 52098
that the director determines that the issuance of a single permit 52099
will not create a hazard to the public health or safety or the 52100
environment. 52101

(G) No person shall falsify or fail to keep or submit any 52102
plans, specifications, data, reports, records, manifests, or other 52103
information required to be kept or submitted to the director by 52104
this chapter or the rules adopted under it. 52105

(H)(1) Each person who holds an installation and operation 52106
permit issued under this section and who wishes to obtain a permit 52107
renewal shall submit a completed application for an installation 52108
and operation permit renewal and any necessary accompanying 52109
general plans, detail plans, specifications, and such information 52110
as the director may require to the director no later than one 52111

hundred eighty days prior to the expiration date of the existing 52112
permit or upon a later date prior to the expiration of the 52113
existing permit if the permittee can demonstrate good cause for 52114
the late submittal. The director shall consider the application 52115
and accompanying information, inspection reports of the facility, 52116
results of performance tests, a report regarding the facility's 52117
compliance or noncompliance with the terms and conditions of its 52118
permit and rules adopted by the director under this chapter, and 52119
such other information as is relevant to the operation of the 52120
facility and shall issue a draft renewal permit or a notice of 52121
intent to deny the renewal permit. The director, in accordance 52122
with rules adopted under this section or with rules adopted to 52123
implement Chapter 3745. of the Revised Code, shall give public 52124
notice of the application and draft renewal permit or notice of 52125
intent to deny the renewal permit, provide for the opportunity for 52126
public comments within a specified time period, schedule a public 52127
meeting in the county in which the facility is located if 52128
significant interest is shown, and give public notice of the 52129
public meeting. 52130

(2) Within sixty days after the public meeting or close of 52131
the public comment period, the director, without prior hearing, 52132
shall issue or deny the renewal permit in accordance with Chapter 52133
3745. of the Revised Code. The director shall not issue a renewal 52134
permit unless the director determines that the facility under the 52135
existing permit has a history of compliance with this chapter, 52136
rules adopted under it, the existing permit, or orders entered to 52137
enforce such requirements that demonstrates sufficient 52138
reliability, expertise, and competency to operate the facility 52139
henceforth under this chapter, rules adopted under it, and the 52140
renewal permit. If the director approves an application for a 52141
renewal permit, the director shall issue the permit subject to the 52142
payment of the annual permit fee required under division (E) of 52143
section 3734.02 of the Revised Code and upon such terms and 52144

conditions as the director finds are reasonable to ensure that 52145
continued operation, maintenance, closure, and post-closure care 52146
of the hazardous waste facility are in accordance with the rules 52147
adopted under section 3734.12 of the Revised Code. 52148

(3) An installation and operation permit renewal application 52149
submitted to the director that also contains or would constitute 52150
an application for a modification shall be acted upon by the 52151
director in accordance with division (I) of this section in the 52152
same manner as an application for a modification. In approving or 52153
disapproving the renewal portion of a permit renewal application 52154
containing an application for a modification, the director shall 52155
apply the criteria established under division (H)(2) of this 52156
section. 52157

(4) An application for renewal or modification of a permit 52158
that does not contain an application for a modification as 52159
described in divisions (I)(3)(a) to (d) of this section shall not 52160
be subject to division (D)(2) of this section. 52161

(I)(1) As used in this section, "modification" means a change 52162
or alteration to a hazardous waste facility or its operations that 52163
is inconsistent with or not authorized by its existing permit or 52164
authorization to operate. Modifications shall be classified as 52165
Class 1, 2, or 3 modifications in accordance with rules adopted 52166
under division (K) of this section. Modifications classified as 52167
Class 3 modifications, in accordance with rules adopted under that 52168
division, shall be further classified by the director as either 52169
Class 3 modifications that are to be approved or disapproved by 52170
the director under divisions (I)(3)(a) to (d) of this section or 52171
as Class 3 modifications that are to be approved or disapproved by 52172
the director under division (I)(5) of this section. Not later than 52173
thirty days after receiving a request for a modification under 52174
division (I)(4) of this section that is not listed in Appendix I 52175
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 52176

section, the director shall classify the modification and shall 52177
notify the owner or operator of the facility requesting the 52178
modification of the classification. Notwithstanding any other law 52179
to the contrary, any modification that involves the transfer of a 52180
hazardous waste facility installation and operation permit to a 52181
new owner or operator for an off-site facility as defined in 52182
section 3734.41 of the Revised Code shall be classified as a Class 52183
3 modification. The transfer of a hazardous waste facility 52184
installation and operation permit to a new owner or operator for a 52185
facility that is not an off-site facility shall be classified as a 52186
Class 1 modification requiring prior approval of the director. 52187

(2) Except as provided in section 3734.123 of the Revised 52188
Code, a hazardous waste facility installation and operation permit 52189
may be modified at the request of the director or upon the written 52190
request of the permittee only if any of the following applies: 52191

(a) The permittee desires to accomplish alterations, 52192
additions, or deletions to the permitted facility or to undertake 52193
alterations, additions, deletions, or activities that are 52194
inconsistent with or not authorized by the existing permit; 52195

(b) New information or data justify permit conditions in 52196
addition to or different from those in the existing permit; 52197

(c) The standards, criteria, or rules upon which the existing 52198
permit is based have been changed by new, amended, or rescinded 52199
standards, criteria, or rules, or by judicial decision after the 52200
existing permit was issued, and the change justifies permit 52201
conditions in addition to or different from those in the existing 52202
permit; 52203

(d) The permittee proposes to transfer the permit to another 52204
person. 52205

(3) The director shall approve or disapprove an application 52206
for a modification in accordance with division (D)(2) of this 52207

section and rules adopted under division (K) of this section for 52208
all of the following categories of Class 3 modifications: 52209

(a) Authority to conduct treatment, storage, or disposal at a 52210
site, location, or tract of land that has not been authorized for 52211
the proposed category of treatment, storage, or disposal activity 52212
by the facility's permit; 52213

(b) Modification or addition of a hazardous waste management 52214
unit, as defined in rules adopted under section 3734.12 of the 52215
Revised Code, that results in an increase in a facility's storage 52216
capacity of more than twenty-five per cent over the capacity 52217
authorized by the facility's permit, an increase in a facility's 52218
treatment rate of more than twenty-five per cent over the rate so 52219
authorized, or an increase in a facility's disposal capacity over 52220
the capacity so authorized. The authorized disposal capacity for a 52221
facility shall be calculated from the approved design plans for 52222
the disposal units at that facility. In no case during a five-year 52223
period shall a facility's storage capacity or treatment rate be 52224
modified to increase by more than twenty-five per cent in the 52225
aggregate without the director's approval in accordance with 52226
division (D)(2) of this section. Notwithstanding any provision of 52227
division (I) of this section to the contrary, a request for 52228
modification of a facility's annual total waste receipt limit 52229
shall be classified and approved or disapproved by the director 52230
under division (I)(5) of this section. 52231

(c) Authority to add any of the following categories of 52232
regulated activities not previously authorized at a facility by 52233
the facility's permit: storage at a facility not previously 52234
authorized to store hazardous waste, treatment at a facility not 52235
previously authorized to treat hazardous waste, or disposal at a 52236
facility not previously authorized to dispose of hazardous waste; 52237
or authority to add a category of hazardous waste management unit 52238
not previously authorized at the facility by the facility's 52239

permit. Notwithstanding any provision of division (I) of this 52240
section to the contrary, a request for authority to add or to 52241
modify an activity or a hazardous waste management unit for the 52242
purposes of performing a corrective action shall be classified and 52243
approved or disapproved by the director under division (I)(5) of 52244
this section. 52245

(d) Authority to treat, store, or dispose of waste types 52246
listed or characterized as reactive or explosive, in rules adopted 52247
under section 3734.12 of the Revised Code, or any acute hazardous 52248
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 52249
previously authorized to treat, store, or dispose of those types 52250
of wastes by the facility's permit unless the requested authority 52251
is limited to wastes that no longer exhibit characteristics 52252
meeting the criteria for listing or characterization as reactive 52253
or explosive wastes, or for listing as acute hazardous waste, but 52254
still are required to carry those waste codes as established in 52255
rules adopted under section 3734.12 of the Revised Code because of 52256
the requirements established in 40 C.F.R. 261(a) and (e), as 52257
amended, that is, the "mixture," "derived-from," or "contained-in" 52258
regulations. 52259

(4) A written request for a modification from the permittee 52260
shall be submitted to the director and shall contain such 52261
information as is necessary to support the request. Requests for 52262
modifications shall be acted upon by the director in accordance 52263
with this section and rules adopted under it. 52264

(5) Class 1 modification applications that require prior 52265
approval of the director, as provided in division (I)(1) of this 52266
section or as determined in accordance with rules adopted under 52267
division (K) of this section, Class 2 modification applications, 52268
and Class 3 modification applications that are not described in 52269
divisions (I)(3)(a) to (d) of this section shall be approved or 52270
disapproved by the director in accordance with rules adopted under 52271

division (K) of this section. The board of county commissioners of 52272
the county, the board of township trustees of the township, and 52273
the city manager or mayor of the municipal corporation in which a 52274
hazardous waste facility is located shall receive notification of 52275
any application for a modification for that facility and shall be 52276
considered as interested persons with respect to the director's 52277
consideration of the application. 52278

~~For those modification applications for a transfer of a 52279
permit to a new owner or operator of a facility, the director also 52280
shall determine that, if the transferee owner or operator has been 52281
involved in any prior activity involving the transportation, 52282
treatment, storage, or disposal of hazardous waste, the transferee 52283
owner or operator has a history of compliance with this chapter 52284
and Chapters 3704. and 6111. of the Revised Code and all rules and 52285
standards adopted under them, the "Resource Conservation and 52286
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 52287
amended, and all regulations adopted under it, and similar laws 52288
and rules of another state if the transferee owner or operator 52289
owns or operates a facility in that state, that demonstrates 52290
sufficient reliability, expertise, and competency to operate a 52291
hazardous waste facility under this chapter and Chapters 3704. and 52292
6111. of the Revised Code, all rules and standards adopted under 52293
them, and terms and conditions of a hazardous waste facility 52294
installation and operation permit, given the potential for harm to 52295
the public health and safety and the environment that could result 52296
from the irresponsible operation of the facility. A permit may be 52297
transferred to a new owner or operator only pursuant to a Class 3 52298
permit modification. 52299~~

~~As used in division (I)(5) of this section: 52300~~

~~(a) "Owner" means the person who owns a majority or 52301
controlling interest in a facility. 52302~~

~~(b) "Operator" means the person who is responsible for the 52303~~

~~overall operation of a facility.~~ 52304

The director shall approve or disapprove an application for a 52305
Class 1 modification that requires the director's approval within 52306
sixty days after receiving the request for modification. The 52307
director shall approve or disapprove an application for a Class 2 52308
modification within three hundred days after receiving the request 52309
for modification. The director shall approve or disapprove an 52310
application for a Class 3 modification within three hundred 52311
sixty-five days after receiving the request for modification. 52312

(6) The approval or disapproval by the director of a Class 1 52313
modification application is not a final action that is appealable 52314
under Chapter 3745. of the Revised Code. The approval or 52315
disapproval by the director of a Class 2 modification or a Class 3 52316
modification is a final action that is appealable under that 52317
chapter. In approving or disapproving a request for a 52318
modification, the director shall consider all comments pertaining 52319
to the request that are received during the public comment period 52320
and the public meetings. The administrative record for appeal of a 52321
final action by the director in approving or disapproving a 52322
request for a modification shall include all comments received 52323
during the public comment period relating to the request for 52324
modification, written materials submitted at the public meetings 52325
relating to the request, and any other documents related to the 52326
director's action. 52327

(7) Notwithstanding any other provision of law to the 52328
contrary, a change or alteration to a hazardous waste facility 52329
described in division (E)(3)(a) or (b) of section 3734.02 of the 52330
Revised Code, or its operations, is a modification for the 52331
purposes of this section. An application for a modification at 52332
such a facility shall be submitted, classified, and approved or 52333
disapproved in accordance with divisions (I)(1) to (6) of this 52334
section in the same manner as a modification to a hazardous waste 52335

facility installation and operation permit. 52336

(J)(1) Except as provided in division (J)(2) of this section, 52337
an owner or operator of a hazardous waste facility that is 52338
operating in accordance with a permit by rule under rules adopted 52339
by the director under division (E)(3)(b) of section 3734.02 of the 52340
Revised Code shall submit either a hazardous waste facility 52341
installation and operation permit application for the facility or 52342
a modification application, whichever is required under division 52343
(J)(1)(a) or (b) of this section, within one hundred eighty days 52344
after the director has requested the application or upon a later 52345
date if the owner or operator demonstrates to the director good 52346
cause for the late submittal. 52347

(a) If the owner or operator does not have a hazardous waste 52348
facility installation and operation permit for any hazardous waste 52349
treatment, storage, or disposal activities at the facility, the 52350
owner or operator shall submit an application for such a permit to 52351
the director for the activities authorized by the permit by rule. 52352
Notwithstanding any other provision of law to the contrary, the 52353
director shall approve or disapprove the application for the 52354
permit in accordance with the procedures governing the approval or 52355
disapproval of permit renewals under division (H) of this section. 52356

(b) If the owner or operator has a hazardous waste facility 52357
installation and operation permit for hazardous waste treatment, 52358
storage, or disposal activities at the facility other than those 52359
authorized by the permit by rule, the owner or operator shall 52360
submit to the director a request for modification in accordance 52361
with division (I) of this section. Notwithstanding any other 52362
provision of law to the contrary, the director shall approve or 52363
disapprove the modification application in accordance with 52364
division (I)(5) of this section. 52365

(2) The owner or operator of a boiler or industrial furnace 52366
that is conducting thermal treatment activities in accordance with 52367

a permit by rule under rules adopted by the director under 52368
division (E)(3)(b) of section 3734.02 of the Revised Code shall 52369
submit a hazardous waste facility installation and operation 52370
permit application if the owner or operator does not have such a 52371
permit for any hazardous waste treatment, storage, or disposal 52372
activities at the facility or, if the owner or operator has such a 52373
permit for hazardous waste treatment, storage, or disposal 52374
activities at the facility other than thermal treatment activities 52375
authorized by the permit by rule, a modification application to 52376
add those activities authorized by the permit by rule, whichever 52377
is applicable, within one hundred eighty days after the director 52378
has requested the submission of the application or upon a later 52379
date if the owner or operator demonstrates to the director good 52380
cause for the late submittal. The application shall be accompanied 52381
by information necessary to support the request. The director 52382
shall approve or disapprove an application for a hazardous waste 52383
facility installation and operation permit in accordance with 52384
division (D) of this section and approve or disapprove an 52385
application for a modification in accordance with division (I)(3) 52386
of this section, except that the director shall not disapprove an 52387
application for the thermal treatment activities on the basis of 52388
the criteria set forth in division (D)(2)(g) or (h) of this 52389
section. 52390

(3) As used in division (J) of this section: 52391

(a) "Modification application" means a request for a 52392
modification submitted in accordance with division (I) of this 52393
section. 52394

have the same meanings as in rules adopted under section 3734.12 52396
of the Revised Code. 52397

(K) The director shall adopt, and may amend, suspend, or 52398
rescind, rules in accordance with Chapter 119. of the Revised Code 52399

in order to implement divisions (H) and (I) of this section. 52400
Except when in actual conflict with this section, rules governing 52401
the classification of and procedures for the modification of 52402
hazardous waste facility installation and operation permits shall 52403
be substantively and procedurally identical to the regulations 52404
governing hazardous waste facility permitting and permit 52405
modifications adopted under the "Resource Conservation and 52406
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 52407

52491

(1) One dollar per ton on and after July 1, 2003, through 52492

June 30, ~~2010~~ 2012, one-half of the proceeds of which shall be 52493

waste clean-up fund created in section 3734.28 of the Revised 52498
Code; 52499

(2) An additional one dollar per ton on and after July 1, 52500
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 52501

fund, which is hereby created. The environmental protection agency 52503
shall use money in the solid waste fund to pay the costs of 52504
administering and enforcing the laws pertaining to solid wastes, 52505
infectious wastes, and construction and demolition debris, 52506
including, without limitation, ground water evaluations related to 52507
solid wastes, infectious wastes, and construction and demolition 52508
debris, under this chapter and Chapter 3714. of the Revised Code 52509
and any rules adopted under them, providing compliance assistance 52510

(5) An additional twenty-five cents per ton on and after 52523
August 1, 2009, through June 30, 2012, the proceeds of which shall 52524

be deposited in the state treasury to the credit of the soil and 52525
water conservation district assistance fund created in section 52526
1515.14 of the Revised Code. 52527

In the case of solid wastes that are taken to a solid waste 52528
transfer facility located in this state prior to being transported 52529
for disposal at a solid waste disposal facility located in this 52530
state or outside of this state, the fees levied under this 52531
division shall be collected by the owner or operator of the 52532
transfer facility as a trustee for the state. The amount of fees 52533
required to be collected under this division at such a transfer 52534
facility shall equal the total tonnage of solid wastes received at 52535
the facility multiplied by the fees levied under this division. In 52536
the case of solid wastes that are not taken to a solid waste 52537
transfer facility located in this state prior to being transported 52538
to a solid waste disposal facility, the fees shall be collected by 52539
the owner or operator of the solid waste disposal facility as a 52540
trustee for the state. The amount of fees required to be collected 52541
under this division at such a disposal facility shall equal the 52542
total tonnage of solid wastes received at the facility that was 52543
not previously taken to a solid waste transfer facility located in 52544
this state multiplied by the fees levied under this division. Fees 52545
levied under this division do not apply to materials separated 52546
from a mixed waste stream for recycling by a generator or 52547
materials removed from the solid waste stream through recycling, 52548
as "recycling" is defined in rules adopted under section 3734.02 52549
of the Revised Code. 52550

The owner or operator of a solid waste transfer facility or 52551
disposal facility, as applicable, shall prepare and file with the 52552
director of environmental protection each month a return 52553
indicating the total tonnage of solid wastes received at the 52554
facility during that month and the total amount of the fees 52555
required to be collected under this division during that month. In 52556

addition, the owner or operator of a solid waste disposal facility 52557
shall indicate on the return the total tonnage of solid wastes 52558
received from transfer facilities located in this state during 52559
that month for which the fees were required to be collected by the 52560
transfer facilities. The monthly returns shall be filed on a form 52561
prescribed by the director. Not later than thirty days after the 52562
last day of the month to which a return applies, the owner or 52563
operator shall mail to the director the return for that month 52564
together with the fees required to be collected under this 52565
division during that month as indicated on the return or may 52566
submit the return and fees electronically in a manner approved by 52567
the director. If the return is filed and the amount of the fees 52568
due is paid in a timely manner as required in this division, the 52569
owner or operator may retain a discount of three-fourths of one 52570
per cent of the total amount of the fees that are required to be 52571
paid as indicated on the return. 52572

The owner or operator may request an extension of not more 52573
than thirty days for filing the return and remitting the fees, 52574
provided that the owner or operator has submitted such a request 52575
in writing to the director together with a detailed description of 52576
why the extension is requested, the director has received the 52577
request not later than the day on which the return is required to 52578
be filed, and the director has approved the request. If the fees 52579
are not remitted within thirty days after the last day of the 52580
month to which the return applies or are not remitted by the last 52581
day of an extension approved by the director, the owner or 52582
operator shall not retain the three-fourths of one per cent 52583
discount and shall pay an additional ten per cent of the amount of 52584
the fees for each month that they are late. For purposes of 52585
calculating the late fee, the first month in which fees are late 52586
begins on the first day after the deadline has passed for timely 52587
submitting the return and fees, and one additional month shall be 52588
counted every thirty days thereafter. 52589

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written

explanation of the reason for the submittal. 52622

For purposes of computing the fees levied under this division 52623
or division (B) of this section, any solid waste transfer or 52624
disposal facility that does not use scales as a means of 52625
determining gate receipts shall use a conversion factor of three 52626
cubic yards per ton of solid waste or one cubic yard per ton for 52627
baled waste, as applicable. 52628

The fees levied under this division and divisions (B) and (C) 52629
of this section are in addition to all other applicable fees and 52630
taxes and shall be paid by the customer or a political subdivision 52631
to the owner or operator of a solid waste transfer or disposal 52632
facility. In the alternative, the fees shall be paid by a customer 52633
or political subdivision to a transporter of waste who 52634
subsequently transfers the fees to the owner or operator of such a 52635
facility. The fees shall be paid notwithstanding the existence of 52636
any provision in a contract that the customer or a political 52637
subdivision may have with the owner or operator or with a 52638
transporter of waste to the facility that would not require or 52639
allow such payment regardless of whether the contract was entered 52640
prior to or after the effective date of this amendment. For those 52641
purposes, "customer" means a person who contracts with, or 52642
utilizes the solid waste services of, the owner or operator of a 52643
solid waste transfer or disposal facility or a transporter of 52644
solid waste to such a facility. 52645

(B) For the purposes specified in division (G) of this 52646
section, the solid waste management policy committee of a county 52647
or joint solid waste management district may levy fees upon the 52648
following activities: 52649

(1) The disposal at a solid waste disposal facility located 52650
in the district of solid wastes generated within the district; 52651

(2) The disposal at a solid waste disposal facility within 52652

the district of solid wastes generated outside the boundaries of 52653
the district, but inside this state; 52654

(3) The disposal at a solid waste disposal facility within 52655
the district of solid wastes generated outside the boundaries of 52656
this state. 52657

The solid waste management plan of the county or joint 52658
district approved under section 3734.521 or 3734.55 of the Revised 52659
Code and any amendments to it, or the resolution adopted under 52660
this division, as appropriate, shall establish the rates of the 52661
fees levied under divisions (B)(1), (2), and (3) of this section, 52662
if any, and shall specify whether the fees are levied on the basis 52663
of tons or cubic yards as the unit of measurement. A solid waste 52664
management district that levies fees under this division on the 52665
basis of cubic yards shall do so in accordance with division (A) 52666
of this section. 52667

The fee levied under division (B)(1) of this section shall be 52668
not less than one dollar per ton nor more than two dollars per 52669
ton, the fee levied under division (B)(2) of this section shall be 52670
not less than two dollars per ton nor more than four dollars per 52671
ton, and the fee levied under division (B)(3) of this section 52672
shall be not more than the fee levied under division (B)(1) of 52673
this section. 52674

Prior to the approval of the solid waste management plan of a 52675
district under section 3734.55 of the Revised Code, the solid 52676
waste management policy committee of a district may levy fees 52677
under this division by adopting a resolution establishing the 52678
proposed amount of the fees. Upon adopting the resolution, the 52679
committee shall deliver a copy of the resolution to the board of 52680
county commissioners of each county forming the district and to 52681
the legislative authority of each municipal corporation and 52682
township under the jurisdiction of the district and shall prepare 52683
and publish the resolution and a notice of the time and location 52684

where a public hearing on the fees will be held. Upon adopting the 52685
resolution, the committee shall deliver written notice of the 52686
adoption of the resolution; of the amount of the proposed fees; 52687
and of the date, time, and location of the public hearing to the 52688
director and to the fifty industrial, commercial, or institutional 52689
generators of solid wastes within the district that generate the 52690
largest quantities of solid wastes, as determined by the 52691
committee, and to their local trade associations. The committee 52692
shall make good faith efforts to identify those generators within 52693
the district and their local trade associations, but the 52694
nonprovision of notice under this division to a particular 52695
generator or local trade association does not invalidate the 52696
proceedings under this division. The publication shall occur at 52697
least thirty days before the hearing. After the hearing, the 52698
committee may make such revisions to the proposed fees as it 52699
considers appropriate and thereafter, by resolution, shall adopt 52700
the revised fee schedule. Upon adopting the revised fee schedule, 52701
the committee shall deliver a copy of the resolution doing so to 52702
the board of county commissioners of each county forming the 52703
district and to the legislative authority of each municipal 52704
corporation and township under the jurisdiction of the district. 52705
Within sixty days after the delivery of a copy of the resolution 52706
adopting the proposed revised fees by the policy committee, each 52707
such board and legislative authority, by ordinance or resolution, 52708
shall approve or disapprove the revised fees and deliver a copy of 52709
the ordinance or resolution to the committee. If any such board or 52710
legislative authority fails to adopt and deliver to the policy 52711
committee an ordinance or resolution approving or disapproving the 52712
revised fees within sixty days after the policy committee 52713
delivered its resolution adopting the proposed revised fees, it 52714
shall be conclusively presumed that the board or legislative 52715
authority has approved the proposed revised fees. The committee 52716
shall determine if the resolution has been ratified in the same 52717

manner in which it determines if a draft solid waste management 52718
plan has been ratified under division (B) of section 3734.55 of 52719
the Revised Code. 52720

The committee may amend the schedule of fees levied pursuant 52721
to a resolution adopted and ratified under this division by 52722
adopting a resolution establishing the proposed amount of the 52723
amended fees. The committee may repeal the fees levied pursuant to 52724
such a resolution by adopting a resolution proposing to repeal 52725
them. Upon adopting such a resolution, the committee shall proceed 52726
to obtain ratification of the resolution in accordance with this 52727
division. 52728

Not later than fourteen days after declaring the new fees to 52729
be ratified or the fees to be repealed under this division, the 52730
committee shall notify by certified mail the owner or operator of 52731
each solid waste disposal facility that is required to collect the 52732
fees of the ratification and the amount of the fees or of the 52733
repeal of the fees. Collection of any fees shall commence or 52734
collection of repealed fees shall cease on the first day of the 52735
second month following the month in which notification is sent to 52736
the owner or operator. 52737

Fees levied under this division also may be established, 52738
amended, or repealed by a solid waste management policy committee 52739
through the adoption of a new district solid waste management 52740
plan, the adoption of an amended plan, or the amendment of the 52741
plan or amended plan in accordance with sections 3734.55 and 52742
3734.56 of the Revised Code or the adoption or amendment of a 52743
district plan in connection with a change in district composition 52744
under section 3734.521 of the Revised Code. 52745

Not later than fourteen days after the director issues an 52746
order approving a district's solid waste management plan, amended 52747
plan, or amendment to a plan or amended plan that establishes, 52748
amends, or repeals a schedule of fees levied by the district, the 52749

committee shall notify by certified mail the owner or operator of 52750
each solid waste disposal facility that is required to collect the 52751
fees of the approval of the plan or amended plan, or the amendment 52752
to the plan, as appropriate, and the amount of the fees, if any. 52753
In the case of an initial or amended plan approved under section 52754
3734.521 of the Revised Code in connection with a change in 52755
district composition, other than one involving the withdrawal of a 52756
county from a joint district, the committee, within fourteen days 52757
after the change takes effect pursuant to division (G) of that 52758
section, shall notify by certified mail the owner or operator of 52759
each solid waste disposal facility that is required to collect the 52760
fees that the change has taken effect and of the amount of the 52761
fees, if any. Collection of any fees shall commence or collection 52762
of repealed fees shall cease on the first day of the second month 52763
following the month in which notification is sent to the owner or 52764
operator. 52765

If, in the case of a change in district composition involving 52766
the withdrawal of a county from a joint district, the director 52767
completes the actions required under division (G)(1) or (3) of 52768
section 3734.521 of the Revised Code, as appropriate, forty-five 52769
days or more before the beginning of a calendar year, the policy 52770
committee of each of the districts resulting from the change that 52771
obtained the director's approval of an initial or amended plan in 52772
connection with the change, within fourteen days after the 52773
director's completion of the required actions, shall notify by 52774
certified mail the owner or operator of each solid waste disposal 52775
facility that is required to collect the district's fees that the 52776
change is to take effect on the first day of January immediately 52777
following the issuance of the notice and of the amount of the fees 52778
or amended fees levied under divisions (B)(1) to (3) of this 52779
section pursuant to the district's initial or amended plan as so 52780
approved or, if appropriate, the repeal of the district's fees by 52781
that initial or amended plan. Collection of any fees set forth in 52782

such a plan or amended plan shall commence on the first day of 52783
January immediately following the issuance of the notice. If such 52784
an initial or amended plan repeals a schedule of fees, collection 52785
of the fees shall cease on that first day of January. 52786

If, in the case of a change in district composition involving 52787
the withdrawal of a county from a joint district, the director 52788
completes the actions required under division (G)(1) or (3) of 52789
section 3734.521 of the Revised Code, as appropriate, less than 52790
forty-five days before the beginning of a calendar year, the 52791
director, on behalf of each of the districts resulting from the 52792
change that obtained the director's approval of an initial or 52793
amended plan in connection with the change proceedings, shall 52794
notify by certified mail the owner or operator of each solid waste 52795
disposal facility that is required to collect the district's fees 52796
that the change is to take effect on the first day of January 52797
immediately following the mailing of the notice and of the amount 52798
of the fees or amended fees levied under divisions (B)(1) to (3) 52799
of this section pursuant to the district's initial or amended plan 52800
as so approved or, if appropriate, the repeal of the district's 52801
fees by that initial or amended plan. Collection of any fees set 52802
forth in such a plan or amended plan shall commence on the first 52803
day of the second month following the month in which notification 52804
is sent to the owner or operator. If such an initial or amended 52805
plan repeals a schedule of fees, collection of the fees shall 52806
cease on the first day of the second month following the month in 52807
which notification is sent to the owner or operator. 52808

If the schedule of fees that a solid waste management 52809
district is levying under divisions (B)(1) to (3) of this section 52810
is amended or repealed, the fees in effect immediately prior to 52811
the amendment or repeal shall continue to be collected until 52812
collection of the amended fees commences or collection of the 52813
repealed fees ceases, as applicable, as specified in this 52814

division. In the case of a change in district composition, money 52815
so received from the collection of the fees of the former 52816
districts shall be divided among the resulting districts in 52817
accordance with division (B) of section 343.012 of the Revised 52818
Code and the agreements entered into under division (B) of section 52819
343.01 of the Revised Code to establish the former and resulting 52820
districts and any amendments to those agreements. 52821

For the purposes of the provisions of division (B) of this 52822
section establishing the times when newly established or amended 52823
fees levied by a district are required to commence and the 52824
collection of fees that have been amended or repealed is required 52825
to cease, "fees" or "schedule of fees" includes, in addition to 52826
fees levied under divisions (B)(1) to (3) of this section, those 52827
levied under section 3734.573 or 3734.574 of the Revised Code. 52828

(C) For the purposes of defraying the added costs to a 52829
municipal corporation or township of maintaining roads and other 52830
public facilities and of providing emergency and other public 52831
services, and compensating a municipal corporation or township for 52832
reductions in real property tax revenues due to reductions in real 52833
property valuations resulting from the location and operation of a 52834
solid waste disposal facility within the municipal corporation or 52835
township, a municipal corporation or township in which such a 52836
solid waste disposal facility is located may levy a fee of not 52837
more than twenty-five cents per ton on the disposal of solid 52838
wastes at a solid waste disposal facility located within the 52839
boundaries of the municipal corporation or township regardless of 52840
where the wastes were generated. 52841

The legislative authority of a municipal corporation or 52842
township may levy fees under this division by enacting an 52843
ordinance or adopting a resolution establishing the amount of the 52844
fees. Upon so doing the legislative authority shall mail a 52845
certified copy of the ordinance or resolution to the board of 52846

county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are disposed of at facilities that exclusively dispose of wastes that are generated from the combustion of coal, or from the combustion of primarily coal in combination with scrap tires, that

is not combined in any way with garbage at one or more premises 52879
owned by the generator. 52880

(2) Except as provided in section 3734.571 of the Revised 52881
Code, any fees levied under division (B)(1) of this section apply 52882
to solid wastes originating outside the boundaries of a county or 52883
joint district that are covered by an agreement for the joint use 52884
of solid waste facilities entered into under section 343.02 of the 52885
Revised Code by the board of county commissioners or board of 52886
directors of the county or joint district where the wastes are 52887
generated and disposed of. 52888

(3) When solid wastes, other than solid wastes that consist 52889
of scrap tires, are burned in a disposal facility that is an 52890
incinerator or energy recovery facility, the fees levied under 52891
divisions (A), (B), and (C) of this section shall be levied upon 52892
the disposal of the fly ash and bottom ash remaining after burning 52893
of the solid wastes and shall be collected by the owner or 52894
operator of the sanitary landfill where the ash is disposed of. 52895

(4) When solid wastes are delivered to a solid waste transfer 52896
facility, the fees levied under divisions (B) and (C) of this 52897
section shall be levied upon the disposal of solid wastes 52898
transported off the premises of the transfer facility for disposal 52899
and shall be collected by the owner or operator of the solid waste 52900
disposal facility where the wastes are disposed of. 52901

(5) The fees levied under divisions (A), (B), and (C) of this 52902
section do not apply to sewage sludge that is generated by a waste 52903
water treatment facility holding a national pollutant discharge 52904
elimination system permit and that is disposed of through 52905
incineration, land application, or composting or at another 52906
resource recovery or disposal facility that is not a landfill. 52907

(6) The fees levied under divisions (A), (B), and (C) of this 52908
section do not apply to solid wastes delivered to a solid waste 52909

composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a determination that the amount of the fees not received by a solid waste management district as a result of the order will not

adversely impact the implementation and financing of the 52942
district's approved solid waste management plan and any approved 52943
amendments to the plan. Such an order is a final action of the 52944
director of environmental protection. 52945

(E) The fees levied under divisions (B) and (C) of this 52946
section shall be collected by the owner or operator of the solid 52947
waste disposal facility where the wastes are disposed of as a 52948
trustee for the county or joint district and municipal corporation 52949
or township where the wastes are disposed of. Moneys from the fees 52950
levied under division (B) of this section shall be forwarded to 52951
the board of county commissioners or board of directors of the 52952
district in accordance with rules adopted under division (H) of 52953
this section. Moneys from the fees levied under division (C) of 52954
this section shall be forwarded to the treasurer or such other 52955
officer of the municipal corporation as, by virtue of the charter, 52956
has the duties of the treasurer or to the fiscal officer of the 52957
township, as appropriate, in accordance with those rules. 52958

(F) Moneys received by the treasurer or other officer of the 52959
municipal corporation under division (E) of this section shall be 52960
paid into the general fund of the municipal corporation. Moneys 52961
received by the fiscal officer of the township under that division 52962
shall be paid into the general fund of the township. The treasurer 52963
or other officer of the municipal corporation or the township 52964
fiscal officer, as appropriate, shall maintain separate records of 52965
the moneys received from the fees levied under division (C) of 52966
this section. 52967

(G) Moneys received by the board of county commissioners or 52968
board of directors under division (E) of this section or section 52969
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 52970
shall be paid to the county treasurer, or other official acting in 52971
a similar capacity under a county charter, in a county district or 52972
to the county treasurer or other official designated by the board 52973

of directors in a joint district and kept in a separate and 52974
distinct fund to the credit of the district. If a regional solid 52975
waste management authority has been formed under section 343.011 52976
of the Revised Code, moneys received by the board of trustees of 52977
that regional authority under division (E) of this section shall 52978
be kept by the board in a separate and distinct fund to the credit 52979
of the district. Moneys in the special fund of the county or joint 52980
district arising from the fees levied under division (B) of this 52981
section and the fee levied under division (A) of section 3734.573 52982
of the Revised Code shall be expended by the board of county 52983
commissioners or directors of the district in accordance with the 52984
district's solid waste management plan or amended plan approved 52985
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 52986
exclusively for the following purposes: 52987

(1) Preparation of the solid waste management plan of the 52988
district under section 3734.54 of the Revised Code, monitoring 52989
implementation of the plan, and conducting the periodic review and 52990
amendment of the plan required by section 3734.56 of the Revised 52991
Code by the solid waste management policy committee; 52992

(2) Implementation of the approved solid waste management 52993
plan or amended plan of the district, including, without 52994
limitation, the development and implementation of solid waste 52995
recycling or reduction programs; 52996

(3) Providing financial assistance to boards of health within 52997
the district, if solid waste facilities are located within the 52998
district, for enforcement of this chapter and rules, orders, and 52999
terms and conditions of permits, licenses, and variances adopted 53000
or issued under it, other than the hazardous waste provisions of 53001
this chapter and rules adopted and orders and terms and conditions 53002
of permits issued under those provisions; 53003

(4) Providing financial assistance to each county within the 53004
district to defray the added costs of maintaining roads and other 53005

public facilities and of providing emergency and other public 53006
services resulting from the location and operation of a solid 53007
waste facility within the county under the district's approved 53008
solid waste management plan or amended plan; 53009

(5) Pursuant to contracts entered into with boards of health 53010
within the district, if solid waste facilities contained in the 53011
district's approved plan or amended plan are located within the 53012
district, for paying the costs incurred by those boards of health 53013
for collecting and analyzing samples from public or private water 53014
wells on lands adjacent to those facilities; 53015

(6) Developing and implementing a program for the inspection 53016
of solid wastes generated outside the boundaries of this state 53017
that are disposed of at solid waste facilities included in the 53018
district's approved solid waste management plan or amended plan; 53019

(7) Providing financial assistance to boards of health within 53020
the district for the enforcement of section 3734.03 of the Revised 53021
Code or to local law enforcement agencies having jurisdiction 53022
within the district for enforcing anti-littering laws and 53023
ordinances; 53024

(8) Providing financial assistance to boards of health of 53025
health districts within the district that are on the approved list 53026
under section 3734.08 of the Revised Code to defray the costs to 53027
the health districts for the participation of their employees 53028
responsible for enforcement of the solid waste provisions of this 53029
chapter and rules adopted and orders and terms and conditions of 53030
permits, licenses, and variances issued under those provisions in 53031
the training and certification program as required by rules 53032
adopted under division (L) of section 3734.02 of the Revised Code; 53033

(9) Providing financial assistance to individual municipal 53034
corporations and townships within the district to defray their 53035
added costs of maintaining roads and other public facilities and 53036

of providing emergency and other public services resulting from 53037
the location and operation within their boundaries of a 53038
composting, energy or resource recovery, incineration, or 53039
recycling facility that either is owned by the district or is 53040
furnishing solid waste management facility or recycling services 53041
to the district pursuant to a contract or agreement with the board 53042
of county commissioners or directors of the district; 53043

(10) Payment of any expenses that are agreed to, awarded, or 53044
ordered to be paid under section 3734.35 of the Revised Code and 53045
of any administrative costs incurred pursuant to that section. In 53046
the case of a joint solid waste management district, if the board 53047
of county commissioners of one of the counties in the district is 53048
negotiating on behalf of affected communities, as defined in that 53049
section, in that county, the board shall obtain the approval of 53050
the board of directors of the district in order to expend moneys 53051
for administrative costs incurred. 53052

Prior to the approval of the district's solid waste 53053
management plan under section 3734.55 of the Revised Code, moneys 53054
in the special fund of the district arising from the fees shall be 53055
expended for those purposes in the manner prescribed by the solid 53056
waste management policy committee by resolution. 53057

Notwithstanding division (G)(6) of this section as it existed 53058
prior to October 29, 1993, or any provision in a district's solid 53059
waste management plan prepared in accordance with division 53060
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 53061
prior to that date, any moneys arising from the fees levied under 53062
division (B)(3) of this section prior to January 1, 1994, may be 53063
expended for any of the purposes authorized in divisions (G)(1) to 53064
(10) of this section. 53065

(H) The director shall adopt rules in accordance with Chapter 53066
119. of the Revised Code prescribing procedures for collecting and 53067
forwarding the fees levied under divisions (B) and (C) of this 53068

section to the boards of county commissioners or directors of 53069
county or joint solid waste management districts and to the 53070
treasurers or other officers of municipal corporations and the 53071
fiscal officers of townships. The rules also shall prescribe the 53072
dates for forwarding the fees to the boards and officials and may 53073
prescribe any other requirements the director considers necessary 53074
or appropriate to implement and administer divisions (A), (B), and 53075
(C) of this section. 53076

Sec. 3734.573. (A) For the purposes specified in division (G) 53077
of section 3734.57 of the Revised Code, the solid waste management 53078
policy committee of a county or joint solid waste management 53079
district may levy a fee on the generation of solid wastes within 53080
the district. 53081

The initial or amended solid waste management plan of the 53082
county or joint district approved under section 3734.521, 3734.55, 53083
or 3734.56 of the Revised Code, an amendment to the district's 53084
plan adopted under division (E) of section 3734.56 of the Revised 53085
Code, or the resolution adopted and ratified under division (B) of 53086
this section shall establish the rate of the fee levied under this 53087
division and shall specify whether the fee is levied on the basis 53088
of tons or cubic yards as the unit of measurement. 53089

(B) Prior to the approval under division (A) of section 53090
3734.56 of the Revised Code of the first amended plan that the 53091
district is required to submit for approval under that section, 53092
the approval of an initial plan under section 3734.521 of the 53093
Revised Code, the approval of an amended plan under section 53094
3734.521 or division (D) of section 3734.56 of the Revised Code, 53095
or the amendment of the district's plan under division (E) of 53096
section 3734.56 of the Revised Code, the solid waste management 53097
policy committee of a county or joint district that is operating 53098
under an initial plan approved under section 3734.55 of the 53099

Revised Code, or one for which approval of its initial plan is 53100
pending before the director of environmental protection on October 53101
29, 1993, under section 3734.55 of the Revised Code, may levy a 53102
fee under division (A) of this section by adopting and obtaining 53103
ratification of a resolution establishing the amount of the fee. A 53104
policy committee that, after December 1, 1993, concurrently 53105
proposes to levy a fee under division (A) of this section and to 53106
amend the fees levied by the district under divisions (B)(1) to 53107
(3) of section 3734.57 of the Revised Code may adopt and obtain 53108
ratification of one resolution proposing to do both. The 53109
requirements and procedures set forth in division (B) of section 53110
3734.57 of the Revised Code governing the adoption, amendment, and 53111
repeal of resolutions levying fees under divisions (B)(1) to (3) 53112
of that section, the ratification of those resolutions, and the 53113
notification of owners and operators of solid waste facilities 53114
required to collect fees levied under those divisions govern the 53115
adoption of the resolutions authorized to be adopted under this 53116
division, the ratification thereof, and the notification of owners 53117
and operators required to collect the fees, except as otherwise 53118
specifically provided in division (C) of this section. 53119
53120

(C) Any initial or amended plan of a district adopted under 53121
section 3734.521 or 3734.56 of the Revised Code, or resolution 53122
adopted under division (B) of this section, that proposes to levy 53123
a fee under division (A) of this section that exceeds five dollars 53124
per ton shall be ratified in accordance with the provisions of 53125
section 3734.55 or division (B) of section 3734.57 of the Revised 53126
Code, as applicable, except that such an initial or amended plan 53127
or resolution shall be approved by a combination of municipal 53128
corporations and townships with a combined population within the 53129
boundaries of the district comprising at least seventy-five per 53130
cent, rather than at least sixty per cent, of the total population 53131
of the district. 53132

(D) The policy committee of a county or joint district may 53133
amend the fee levied by the district under division (A) of this 53134
section by adopting and obtaining ratification of a resolution 53135
establishing the amount of the amended fee. The policy committee 53136

For the purposes of that division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.		53583 53584 53585 53586 53587 53588 53589 53590 53591
The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead:		53592 53593 53594 53595
(a) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;		53596 53597 53598

subsequent calendar year, to be collected no sooner than the 53604
fifteenth day of April of the year next succeeding the calendar 53605
year in which the emissions occurred. 53606

The fees levied under division (C)(1) of this section do not 53607
apply to that portion of the emissions of a regulated pollutant at 53608
a facility that exceed four thousand tons during a calendar year. 53609

(2) The fees assessed under division (C)(1) of this section 53610
are for the purpose of providing funding for the Title V permit 53611

do not apply to emissions from any electric generating unit 53614
designated as a Phase I unit under Title IV of the federal Clean 53615
Air Act prior to calendar year 2000. Those fees shall be assessed 53616
on the emissions from such a generating unit commencing in 53617
calendar year 2001 based upon the total actual emissions from the 53618
generating unit during calendar year 2000 and shall continue to be 53619
assessed each subsequent calendar year based on the total actual 53620
emissions from the generating unit during the preceding calendar 53621
year. 53622

(4) The director shall issue invoices to owners or operators 53623
of air contaminant sources who are required to pay a fee assessed 53624
under division (C) or (D) of this section. Any such invoice shall 53625
be issued no sooner than the applicable date when the fee first 53626
may be collected in a year under the applicable division, shall 53627
identify the nature and amount of the fee assessed, and shall 53628

after the issuance of the invoice. 53630

(D)(1) Except as provided in division (D)(3) of this section, 53631
from January 1, 1994, through December 31, 2003, each person who 53632
owns or operates an air contaminant source; who is required to 53633

apply for a permit to operate pursuant to rules adopted under 53634
division (G), or a variance pursuant to division (H), of section 53635
3704.03 of the Revised Code; and who is not required to apply for 53636
and obtain a Title V permit under section 3704.036 of the Revised 53637

contaminant source; who is required to apply for a permit to 53650
operate pursuant to rules adopted under division (G), or a 53651
variance pursuant to division (H), of section 3704.03 of the 53652
Revised Code; and who is not required to apply for and obtain a 53653
Title V permit under section 3704.03 of the Revised Code shall pay 53654
a single fee based upon the sum of the actual annual emissions 53655
from the facility of the regulated pollutants particulate matter, 53656
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 53657
accordance with the following schedule: 53658

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2010~~ 2012, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed

under division (D)(3) of this section shall be collected no sooner 53698
than the fifteenth day of April, commencing in 2000. The fees 53699
assessed under division (D) of this section in a calendar year 53700
shall be based upon the sum of the actual emissions of those 53701
regulated pollutants during the preceding calendar year. For the 53702
purpose of division (D) of this section, emissions of air 53703
contaminants may be calculated using engineering calculations, 53704
emission factors, material balance calculations, or performance 53705
testing procedures, as authorized by the director. The director, 53706
by rule, may require persons who are required to pay the fees 53707
assessed under division (D) of this section to pay those fees 53708
biennially rather than annually. 53709

(E)(1) Consistent with the need to cover the reasonable costs 53710
of the Title V permit program, the director annually shall 53711
increase the fees prescribed in division (C)(1) of this section by 53712
the percentage, if any, by which the consumer price index for the 53713
most recent calendar year ending before the beginning of a year 53714
exceeds the consumer price index for calendar year 1989. Upon 53715
calculating an increase in fees authorized by division (E)(1) of 53716
this section, the director shall compile revised fee schedules for 53717
the purposes of division (C)(1) of this section and shall make the 53718
revised schedules available to persons required to pay the fees 53719
assessed under that division and to the public. 53720

(2) For the purposes of division (E)(1) of this section: 53721

(a) The consumer price index for any year is the average of 53722
the consumer price index for all urban consumers published by the 53723
United States department of labor as of the close of the 53724
twelve-month period ending on the thirty-first day of August of 53725
that year. 53726

(b) If the 1989 consumer price index is revised, the director 53727
shall use the revision of the consumer price index that is most 53728
consistent with that for calendar year 1989. 53729

(F) Each person who is issued a permit to install pursuant to 53730
rules adopted under division (F) of section 3704.03 of the Revised 53731
Code on or after July 1, 2003, shall pay the fees specified in the 53732
following schedules: 53733

(7) Beginning in fiscal year 2001, and every two years 54612
thereafter, the director shall review the total amount of moneys 54613
generated by the annual sludge fees to determine if that amount 54614

(B)(1)(a) In any civil action to enforce any local building, housing, air pollution, sanitation, health, fire, zoning, or safety code, ordinance, resolution, or regulation applicable to buildings, that is commenced in a court of common pleas, municipal court, housing or environmental division of a municipal court, or county court, or in any civil action for abatement commenced in a court of common pleas, municipal court, housing or environmental division of a municipal court, or county court, by a municipal corporation or township in which the building involved is located, by any neighbor, tenant, or by a nonprofit corporation that is duly organized and has as one of its goals the improvement of housing conditions in the county or municipal corporation in which the building involved is located, if a building is alleged to be a public nuisance, the municipal corporation, township, neighbor, tenant, or nonprofit corporation may apply in its complaint for an injunction or other order as described in division (C)(1) of this section, or for the relief described in division (C)(2) of this section, including, if necessary, the appointment of a receiver as described in divisions (C)(2) and (3) of this section, or for both such an injunction or other order and such relief. The municipal corporation, township, neighbor, tenant, or nonprofit corporation commencing the action is not liable for the costs, expenses, and fees of any receiver appointed pursuant to divisions (C)(2) and (3) of this section.

(b) Prior to commencing a civil action for abatement when the property alleged to be a public nuisance is subsidized housing, the municipal corporation, township, neighbor, tenant, or nonprofit corporation commencing the action shall provide the landlord of that property with written notice that specifies one or more defective conditions that constitute a public nuisance as that term applies to subsidized housing and states that if the landlord fails to remedy the condition within sixty days of the service of the notice, a claim pursuant to this section may be

brought on the basis that the property constitutes a public 54917
nuisance in subsidized housing. Any party authorized to bring an 54918
action against the landlord shall make reasonable attempts to 54919
serve the notice in the manner prescribed in the Rules of Civil 54920
Procedure to the landlord or the landlord's agent for the property 54921
at the property's management office, or at the place where the 54922
tenants normally pay or send rent. If the landlord is not the 54923
owner of record, the party bringing the action shall make a 54924
reasonable attempt to serve the owner. If the owner does not 54925
receive service the person bringing the action shall certify the 54926
attempts to serve the owner. 54927

(2)(a) In a civil action described in division (B)(1) of this 54928
section, a copy of the complaint and a notice of the date and time 54929
of a hearing on the complaint shall be served upon the owner of 54930
the building and all other interested parties in accordance with 54931
the Rules of Civil Procedure. If certified mail service, personal 54932
service, or residence service of the complaint and notice is 54933
refused or certified mail service of the complaint and notice is 54934
not claimed, and if the municipal corporation, township, neighbor, 54935
tenant, or nonprofit corporation commencing the action makes a 54936
written request for ordinary mail service of the complaint and 54937
notice, or uses publication service, in accordance with the Rules 54938
of Civil Procedure, then a copy of the complaint and notice shall 54939
be posted in a conspicuous place on the building. 54940

(b) The judge in a civil action described in division (B)(1) 54941
of this section shall conduct a hearing at least twenty-eight days 54942
after the owner of the building and the other interested parties 54943
have been served with a copy of the complaint and the notice of 54944
the date and time of the hearing in accordance with division 54945
(B)(2)(a) of this section. 54946

(c) In considering whether subsidized housing is a public 54947
nuisance, the judge shall construe the standards set forth in 54948

division (A)(2)(b) of this section in a manner consistent with 54949
department of housing and urban development and judicial 54950
interpretations of those standards. The judge shall deem that the 54951
property is not a public nuisance if during the twelve months 54952
prior to the service of the notice that division (B)(1)(b) of this 54953
section requires, the department of housing and urban 54954
development's real estate assessment center issued a score of 54955
seventy-five or higher out of a possible one hundred points 54956
pursuant to its regulations governing the physical condition of 54957
multifamily properties pursuant to 24 C.F.R. part 200, subpart P, 54958
and since the most recent inspection, there has been no 54959
significant change in the property's conditions that would create 54960
a serious threat to the health, safety, or welfare of the 54961
property's tenants. 54962

(C)(1) If the judge in a civil action described in division 54963
(B)(1) of this section finds at the hearing required by division 54964
(B)(2) of this section that the building involved is a public 54965
nuisance, if the judge additionally determines that the owner of 54966
the building previously has not been afforded a reasonable 54967
opportunity to abate the public nuisance or has been afforded such 54968
an opportunity and has not refused or failed to abate the public 54969
nuisance, and if the complaint of the municipal corporation, 54970
township, neighbor, tenant, or nonprofit corporation commencing 54971
the action requested the issuance of an injunction as described in 54972
this division, then the judge may issue an injunction requiring 54973
the owner of the building to abate the public nuisance or issue 54974
any other order that the judge considers necessary or appropriate 54975
to cause the abatement of the public nuisance. If an injunction is 54976
issued pursuant to this division, the owner of the building 54977
involved shall be given no more than thirty days from the date of 54978
the entry of the judge's order to comply with the injunction, 54979
unless the judge, for good cause shown, extends the time for 54980
compliance. 54981

(2) If the judge in a civil action described in division 54982
(B)(1) of this section finds at the hearing required by division 54983
(B)(2) of this section that the building involved is a public 54984
nuisance, if the judge additionally determines that the owner of 54985
the building previously has been afforded a reasonable opportunity 54986
to abate the public nuisance and has refused or failed to do so, 54987
and if the complaint of the municipal corporation, township, 54988
neighbor, tenant, or nonprofit corporation commencing the action 54989
requested relief as described in this division, then the judge 54990
shall offer any mortgagee, lienholder, or other interested party 54991
associated with the property on which the building is located, in 54992
the order of the priority of interest in title, the opportunity to 54993
undertake the work and to furnish the materials necessary to abate 54994
the public nuisance. Prior to selecting any interested party, the 54995
judge shall require the interested party to demonstrate the 54996
ability to promptly undertake the work and furnish the materials 54997
required, to provide the judge with a viable financial and 54998
construction plan for the rehabilitation of the building as 54999
described in division (D) of this section, and to post security 55000
for the performance of the work and the furnishing of the 55001
materials. 55002

If the judge determines, at the hearing, that no interested 55003
party is willing or able to undertake the work and to furnish the 55004
materials necessary to abate the public nuisance, or if the judge 55005
determines, at any time after the hearing, that any party who is 55006
undertaking corrective work pursuant to this division cannot or 55007
will not proceed, or has not proceeded with due diligence, the 55008
judge may appoint a receiver pursuant to division (C)(3) of this 55009
section to take possession and control of the building. 55010

(3)(a) The judge in a civil action described in division 55011
(B)(1) of this section shall not appoint any person as a receiver 55012
unless the person first has provided the judge with a viable 55013

financial and construction plan for the rehabilitation of the 55014
building involved as described in division (D) of this section and 55015
has demonstrated the capacity and expertise to perform the 55016
required work and to furnish the required materials in a 55017
satisfactory manner. An appointed receiver may be a financial 55018
institution that possesses an interest of record in the building 55019
or the property on which it is located, a nonprofit corporation as 55020
described in divisions (B)(1) and (C)(3)(b) of this section, 55021
including, but not limited to, a nonprofit corporation that 55022
commenced the action described in division (B)(1) of this section, 55023
or any other qualified property manager. 55024

(b) To be eligible for appointment as a receiver, no part of 55025
the net earnings of a nonprofit corporation shall inure to the 55026
benefit of any private shareholder or individual. Membership on 55027
the board of trustees of a nonprofit corporation appointed as a 55028
receiver does not constitute the holding of a public office or 55029
employment within the meaning of sections 731.02 and 731.12 or any 55030
other section of the Revised Code and does not constitute a direct 55031
or indirect interest in a contract or expenditure of money by any 55032
municipal corporation. A member of a board of trustees of a 55033
nonprofit corporation appointed as a receiver shall not be 55034
disqualified from holding any public office or employment, and 55035
shall not forfeit any public office or employment, by reason of 55036
membership on the board of trustees, notwithstanding any law to 55037
the contrary. 55038

(D) Prior to ordering any work to be undertaken, or the 55039
furnishing of any materials, to abate a public nuisance under this 55040
section, the judge in a civil action described in division (B)(1) 55041
of this section shall review the submitted financial and 55042
construction plan for the rehabilitation of the building involved 55043
and, if it specifies all of the following, shall approve that 55044
plan: 55045

(1) The estimated cost of the labor, materials, and any other development costs that are required to abate the public nuisance; 55046
55047

(2) The estimated income and expenses of the building and the property on which it is located after the furnishing of the materials and the completion of the repairs and improvements; 55048
55049
55050

(3) The terms, conditions, and availability of any financing that is necessary to perform the work and to furnish the materials; 55051
55052
55053

(4) If repair and rehabilitation of the building are found not to be feasible, the cost of demolition of the building or of the portions of the building that constitute the public nuisance. 55054
55055
55056

(E) Upon the written request of any of the interested parties to have a building, or portions of a building, that constitute a public nuisance demolished because repair and rehabilitation of the building are found not to be feasible, the judge may order the demolition. However, the demolition shall not be ordered unless the requesting interested parties have paid the costs of demolition and, if any, of the receivership, and, if any, all notes, certificates, mortgages, and fees of the receivership. 55057
55058
55059
55060
55061
55062
55063
55064

(F) Before proceeding with the duties of receiver, any receiver appointed by the judge in a civil action described in division (B)(1) of this section may be required by the judge to post a bond in an amount fixed by the judge, but not exceeding the value of the building involved as determined by the judge. 55065
55066
55067
55068
55069

The judge may empower the receiver to do any or all of the following: 55070

and the property, including, but not limited to, the cost of	55077
electricity, gas, water, sewerage, heating fuel, repairs and	55078
supplies, custodian services, taxes and assessments, and insurance	55079
premiums, and hire and pay reasonable compensation to a managing	55080
agent;	55081
(3) Pay pre-receivership mortgages or installments of them	55082

housing, air pollution, sanitation, health, fire, zoning, or	55091
safety code, ordinance, or regulation;	55092
(6) Obtain mortgage insurance for any receiver's mortgage	55093
from any agency of the federal government;	55094
(7) Enter into any agreement and do those things necessary to	55095
maintain and preserve the building and the property and comply	55096

by the receiver shall be superior to any claims of the receiver. 55108
Priority among the receiver's mortgages shall be determined by the 55109
order in which they are recorded. 55110

(G) A receiver appointed pursuant to this section is not 55111
personally liable except for misfeasance, malfeasance, or 55112

(H)(1) The judge in a civil action described in division 55115
(B)(1) of this section may assess as court costs, the expenses 55116

appointed pursuant to divisions (C)(2) and (3) of this section is 55120
entitled to receive fees in the same manner and to the same extent 55121

including, but not limited to, those for taxes and assessments, 55132
upon the occurrence of both of the following: 55133

(i) The prior approval of the expenditures by, and the entry 55134
of a judgment to that effect by, the judge in the civil action 55135
described in division (B)(1) of this section; 55136

(ii) The recordation of a certified copy of the judgment 55137

building is located, or, in the case of a mortgage, the 55166
recordation of the mortgage, a certified copy of the judgment 55167
entry, and such a description, with the county recorder of the 55168
county in which the property is located within sixty days after 55169

the date of the entry of the judgment. 55170

(c) Priority among the liens described in divisions (H)(2)(a) 55171
and (b) of this section shall be determined as described in 55172
division (I) of this section. Additionally, the creation pursuant 55173
to this section of a mortgage lien that is prior to or superior to 55174
any mortgage of record at the time the mortgage lien is so 55175
created, does not disqualify the mortgage of record as a legal 55176
investment under Chapter 1107. or 1151. or any other chapter of 55177
the Revised Code. 55178

(I)(1) If a receiver appointed pursuant to divisions (C)(2) 55179
and (3) of this section files with the judge in the civil action 55180
described in division (B)(1) of this section a report indicating 55181
that the public nuisance has been abated, if the judge confirms 55182
that the receiver has abated the public nuisance, and if the 55183
receiver or any interested party requests the judge to enter an 55184
order directing the receiver to sell the building and the property 55185
on which it is located, the judge may enter that order after 55186
holding a hearing as described in division (I)(2) of this section 55187
and otherwise complying with that division. 55188

(2)(a) The receiver or interested party requesting an order 55189
as described in division (I)(1) of this section shall cause a 55190
notice of the date and time of a hearing on the request to be 55191
served on the owner of the building involved and all other 55192
interested parties in accordance with division (B)(2)(a) of this 55193
section. The judge in the civil action described in division 55194
(B)(1) of this section shall conduct the scheduled hearing. At the 55195
hearing, if the owner or any interested party objects to the sale 55196
of the building and the property, the burden of proof shall be 55197
upon the objecting person to establish, by a preponderance of the 55198
evidence, that the benefits of not selling the building and the 55199
property outweigh the benefits of selling them. If the judge 55200
determines that there is no objecting person, or if the judge 55201

determines that there is one or more objecting persons but no 55202
objecting person has sustained the burden of proof specified in 55203
this division, the judge may enter an order directing the receiver 55204
to offer the building and the property for sale upon terms and 55205
conditions that the judge shall specify. 55206

(b) In any sale of subsidized housing that is ordered 55207
pursuant to this section, the judge shall specify that the 55208
subsidized housing not be conveyed unless that conveyance complies 55209
with applicable federal law and applicable program contracts for 55210
that housing. Any such conveyance shall be subject to the 55211
condition that the purchaser enter into a contract with the 55212
department of housing and urban development or the rural housing 55213
service of the federal department of agriculture under which the 55214
property continues to be subsidized housing and the owner 55215
continues to operate that property as subsidized housing unless 55216
the secretary of housing and urban development or the 55217
administrator of the rural housing service terminates that 55218
property's contract prior to or upon the conveyance of the 55219
property. 55220

(3) If a sale of a building and the property on which it is 55221
located is ordered pursuant to divisions (I)(1) and (2) of this 55222
section and if the sale occurs in accordance with the terms and 55223
conditions specified by the judge in the judge's order of sale, 55224
then the receiver shall distribute the proceeds of the sale and 55225
the balance of any funds that the receiver may possess, after the 55226
payment of the costs of the sale, in the following order of 55227
priority and in the described manner: 55228

(a) First, in satisfaction of any notes issued by the 55229
receiver pursuant to division (F) of this section, in their order 55230
of priority; 55231

(b) Second, any unreimbursed expenses and other amounts paid 55232
in accordance with division (F) of this section by the receiver, 55233

and the fees of the receiver approved pursuant to division (H)(1) 55234
of this section; 55235

(c) Third, all expenditures of a mortgagee, lienholder, or 55236
other interested party that has been selected pursuant to division 55237
(C)(2) of this section to undertake the work and to furnish the 55238
materials necessary to abate a public nuisance, provided that the 55239
expenditures were approved as described in division (H)(2)(a) of 55240
this section and provided that, if any such interested party 55241
subsequently became the receiver, its expenditures shall be paid 55242
prior to the expenditures of any of the other interested parties 55243
so selected; 55244

(d) Fourth, the amount due for delinquent taxes, assessments, 55245
charges, penalties, and interest owed to this state or a political 55246
subdivision of this state, provided that, if the amount available 55247
for distribution pursuant to division (I)(3)(d) of this section is 55248
insufficient to pay the entire amount of those taxes, assessments, 55249
charges, penalties, and interest, the proceeds and remaining funds 55250
shall be paid to each claimant in proportion to the amount of 55251
those taxes, assessments, charges, penalties, and interest that 55252
each is due. 55253

(e) The amount of any pre-receivership mortgages, liens, or 55254
other encumbrances, in their order of priority. 55255

(4) Following a distribution in accordance with division 55256
(I)(3) of this section, the receiver shall request the judge in 55257
the civil action described in division (B)(1) of this section to 55258
enter an order terminating the receivership. If the judge 55259
determines that the sale of the building and the property on which 55260
it is located occurred in accordance with the terms and conditions 55261
specified by the judge in the judge's order of sale under division 55262
(I)(2) of this section and that the receiver distributed the 55263
proceeds of the sale and the balance of any funds that the 55264
receiver possessed, after the payment of the costs of the sale, in 55265

accordance with division (I)(3) of this section, and if the judge 55266
approves any final accounting required of the receiver, the judge 55267
may terminate the receivership. 55268

(J)(1) A receiver appointed pursuant to divisions (C)(2) and 55269
(3) of this section may be discharged at any time in the 55270
discretion of the judge in the civil action described in division 55271
(B)(1) of this section. The receiver shall be discharged by the 55272
judge as provided in division (I)(4) of this section, or when all 55273
of the following have occurred: 55274

(a) The public nuisance has been abated; 55275

(b) All costs, expenses, and approved fees of the 55276
receivership have been paid; 55277

(c) Either all receiver's notes issued and mortgages granted 55278
pursuant to this section have been paid, or all the holders of the 55279
notes and mortgages request that the receiver be discharged. 55280

(2) If a judge in a civil action described in division (B)(1) 55281
of this section determines that, and enters of record a 55282
declaration that, a public nuisance has been abated by a receiver, 55283
and if, within three days after the entry of the declaration, all 55284
costs, expenses, and approved fees of the receivership have not 55285
been paid in full, then, in addition to the circumstances 55286
specified in division (I) of this section for the entry of such an 55287
order, the judge may enter an order directing the receiver to sell 55288
the building involved and the property on which it is located. Any 55289
such order shall be entered, and the sale shall occur, only in 55290
compliance with division (I) of this section. 55291

(K) The title in any building, and in the property on which 55292
it is located, that is sold at a sale ordered under division (I) 55293
or (J)(2) of this section shall be incontestable in the purchaser 55294
and shall be free and clear of all liens for delinquent taxes, 55295
assessments, charges, penalties, and interest owed to this state 55296

or any political subdivision of this state, that could not be 55297
satisfied from the proceeds of the sale and the remaining funds in 55298
the receiver's possession pursuant to the distribution under 55299
division (I)(3) of this section. All other liens and encumbrances 55300
with respect to the building and the property shall survive the 55301
sale, including, but not limited to, a federal tax lien notice 55302
properly filed in accordance with section 317.09 of the Revised 55303
Code prior to the time of the sale, and the easements and 55304
covenants of record running with the property that were created 55305
prior to the time of the sale. 55306

(L)(1) Nothing in this section shall be construed as a 55307
limitation upon the powers granted to a court of common pleas, a 55308
municipal court or a housing or environmental division of a 55309
municipal court under Chapter 1901. of the Revised Code, or a 55310
county court under Chapter 1907. of the Revised Code. 55311

(2) The monetary and other limitations specified in Chapters 55312
1901. and 1907. of the Revised Code upon the jurisdiction of 55313
municipal and county courts, and of housing or environmental 55314
divisions of municipal courts, in civil actions do not operate as 55315
limitations upon any of the following: 55316

(a) Expenditures of a mortgagee, lienholder, or other 55317
interested party that has been selected pursuant to division 55318
(C)(2) of this section to undertake the work and to furnish the 55319

mortgage granted by a receiver in accordance with division (F) of 55326
this section; 55327

(e) The enforcement of an order of a judge entered pursuant 55328
to this section; 55329

(f) The actions that may be taken pursuant to this section by 55330
a receiver or a mortgagee, lienholder, or other interested party 55331

(4) Nothing in this section shall be construed to limit or 55339
prohibit a municipal corporation or township that has filed with 55340
the superintendent of insurance a certified copy of an adopted 55341
resolution, ordinance, or regulation authorizing the procedures 55342
described in divisions (C) and (D) of section 3929.86 of the 55343
Revised Code from receiving insurance proceeds under section 55344
3929.86 of the Revised Code. 55345

business at which it would conduct a lottery sales agency pursuant 55396
to the license applied for; 55397

approves; 55444

(b) Prior to approval of the application, obtain a surety 55445
bond in an amount the director determines by rule adopted under 55446
Chapter 119. of the Revised Code or, alternatively, with the 55447
director's approval, deposit the same amount into a dedicated 55448

account for the benefit of the state lottery. The director also 55449
may approve the obtaining of a surety bond to cover part of the 55450
amount required, together with a dedicated account deposit to 55451
cover the remainder of the amount required. 55452

A surety bond may be with any company that complies with the 55453
bonding and surety laws of this state and the requirements 55454
established by rules of the commission pursuant to this chapter. A 55455
dedicated account deposit shall be conducted in accordance with 55456
policies and procedures the director establishes. 55457

A surety bond, dedicated account, or both, as applicable, may 55458
be used to pay for the lottery sales agent's failure to make 55459
prompt and accurate payments for lottery ticket sales, for missing 55460
or stolen lottery tickets, or for damage to equipment or materials 55461
issued to the lottery sales agent, or to pay for expenses the 55462
commission incurs in connection with the lottery sales agent's 55463

amount that the director determines by rule adopted under Chapter 55485
119. of the Revised Code, that the controlling board approves, and 55486
that shall not exceed the actual cost of administering and 55487
processing the changes to an application. 55488

(H) Pending a final resolution of any question arising under 55493
this section, the director of the state lottery commission may 55494
issue a temporary lottery sales agent license, subject to the 55495
terms and conditions the director considers appropriate. 55496

(I) If a lottery sales agent's rental payments for the 55497
lottery sales agent's premises are determined, in whole or in 55498
part, by the amount of retail sales the lottery sales agent makes, 55499
and if the rental agreement does not expressly provide that the 55500
amount of those retail sales includes the amounts the lottery 55501
sales agent receives from lottery ticket sales, only the amounts 55502
the lottery sales agent receives as compensation from the state 55503
lottery commission for selling lottery tickets shall be considered 55504
to be amounts the lottery sales agent receives from the retail 55505
sales the lottery sales agent makes, for the purpose of computing 55506
the lottery sales agent's rental payments. 55507

Each contestant who has had a previous match or exhibition on or after July 27, 1981, and was knocked out at that match or exhibition shall present to the examiner a record of the physical examination performed at the conclusion of that match or exhibition. If, after reviewing such record and performing a physical examination of the contestant, the examiner determines that the contestant is physically fit to compete, the physician shall certify that fact on the contestant's physical examination form. No physician, physician assistant, clinical nurse specialist, certified nurse practitioner, or certified nurse midwife shall certify a contestant as physically fit to compete if the physician, physician assistant, clinical nurse specialist, certified nurse practitioner, or certified nurse midwife determines that the contestant was knocked out in a contest that took place within the preceding thirty days. No contestant shall compete in a public boxing match or exhibition unless the contestant has been certified as physically fit in accordance with this section.~~

~~Immediately after the end of a match or exhibition, the examiner shall examine each contestant who was knocked out in the~~

athletic commission and one copy to the contestant. The commission 55608
shall furnish blank copies of the examination report to the 55609
examiner. The examiner shall answer all questions on the form. The 55610
person conducting the match or exhibition shall compensate the 55611
examiner. No person shall conduct such a match or exhibition 55612

The Ohio athletic commission shall adopt, and may amend or 55614
rescind, rules that do both of the following: 55615~~

~~(1) Require the physical examination by appropriate medical 55616
personnel of each contestant in any public competition that 55617
involves boxing, mixed martial arts, kick boxing, karate, tough 55618

section 3773.39 of the Revised Code shall allow a professional 55633~~

period of seventy-two consecutive hours. For any match or 55635
exhibition or for a class of contestants, the commission may limit 55636
the number of rounds within the maximum of twelve rounds. 55637

(C) No person shall conduct a boxing match or exhibition 55638
unless a licensed referee appointed by the commission and paid by 55639
the person is present. The referee shall direct and control the 55640
match or exhibition. Before each match or exhibition the referee 55641
shall obtain from each contestant the name of the contestant's 55642
chief second and shall hold the chief second responsible for the 55643
conduct of any assistant seconds during the match or exhibition. 55644
The referee may declare a prize, remuneration, or purse or any 55645
part thereof to which a contestant is otherwise entitled withheld 55646
if, in the referee's judgment, the contestant is not competing or 55647
did not compete honestly. A contestant may appeal the referee's 55648
decision in a hearing before the commission conducted in 55649
accordance with section 3773.52 of the Revised Code. 55650

(D) No person shall hold or conduct a boxing match or 55651

commission and paid by the person are present. Each judge shall 55653
render a decision at the end of each match or exhibition. The 55654
judges shall determine the outcome of the match or exhibition, and 55655
their decision shall be final. 55656

(E) Each contestant in a boxing match or exhibition shall 55657
wear gloves weighing not less than six ounces during the boxing 55658
match or exhibition. 55659

Sec. 3773.53. The Ohio athletic commission may revoke, 55660
suspend, or refuse to renew any license issued under sections 55661
3773.31 to 3773.57 of the Revised Code if the licensee: 55662

by this chapter or to the public interest, convenience, or 55664

necessity; 55665

(B) Is associating or consorting with any person who has been 55666
convicted of a crime involving the sports regulated by the 55667

adopted under Chapter 119. of the Revised Code against any person 55684

55689

Sec. 3781.01. (A) Chapters 3781. and 3791. of the Revised 55690
Code do not prevent the legislative authority of a municipal 55691
corporation from making further and additional regulations, not in 55692
conflict with those chapters or with the rules the board of 55693
building standards adopts. Those chapters or rules do not modify 55694

or repeal any portion of any building code adopted by a municipal corporation and in force on September 13, 1911, that is not in direct conflict with those chapters or rules.

(B) The state residential building code the board of building standards adopts pursuant to section 3781.10 of the Revised Code does not prevent a local governing authority from adopting additional regulations governing residential structures that do not conflict with the state residential building code if the procedures in division (C) of this section are followed.

(C)(1) A local governing authority shall, and any person may, notify the board of building standards of any regulation the local governing authority adopts pursuant to division (B) of this section and request the board of building standards to determine whether that regulation conflicts with the state residential building code.

(2) Not later than sixty days after receiving a notice under division (C)(1) of this section, the board shall determine whether the regulation conflicts with the state residential building code and shall notify any person who submitted the notice and the local governing authority that adopted the regulation of the board's determination.

(a) If the board determines that a conflict does not exist, the board shall take no further action with regard to the regulation. If the board determines a conflict exists and the regulation is not necessary to protect the health or safety of the persons within the local governing authority's jurisdiction, the regulation is not valid and the local governing authority may not enforce the regulation.

(b) If the board determines that a conflict exists and that the regulation is necessary to protect the health or safety of the persons within the local governing authority's jurisdiction, the

board shall adopt a rule to incorporate the regulation into the 55726
state residential building code in accordance with division (D) of 55727
section 4740.14 of the Revised Code. Until the rule becomes a part 55728
of the state residential building code, the board shall grant a 55729
temporary variance to the local governing authority and any 55730
similarly situated local governing authority to which the board 55731
determines the temporary variance should apply. 55732

(D) As used in this section, "local governing authority" 55733
means a board of county commissioners, a board of township 55734
trustees, and the legislative authority of a municipal 55735
corporation. 55736

Sec. 3781.10. (A)(1) The board of building standards shall 55737
formulate and adopt rules governing the erection, construction, 55738
repair, alteration, and maintenance of all buildings or classes of 55739
buildings specified in section 3781.06 of the Revised Code, 55740
including land area incidental to those buildings, the 55741
construction of industrialized units, the installation of 55742
equipment, and the standards or requirements for materials used in 55743
connection with those buildings. The board shall incorporate those 55744
rules into separate residential and nonresidential building codes. 55745
The residential building code shall include sanitation and 55746
plumbing standards. The standards shall relate to the conservation 55747
of energy and the safety and sanitation of those buildings. 55748

(2) The rules governing nonresidential buildings are the 55750
lawful minimum requirements specified for those buildings and 55751
industrialized units, except that no rule other than as provided 55752
in division (C) of section 3781.108 of the Revised Code that 55753
specifies a higher requirement than is imposed by any section of 55754
the Revised Code is enforceable. The rules governing residential 55755
buildings are uniform requirements for residential buildings in 55756

any area with a building department certified to enforce the state residential building code. In no case shall any local code or regulation differ from the state residential building code unless that code or regulation addresses subject matter not addressed by the state residential building code or is adopted pursuant to section 3781.01 of the Revised Code.

(3) The rules adopted pursuant to this section are complete, lawful alternatives to any requirements specified for buildings or industrialized units in any section of the Revised Code. ~~The~~ Except as otherwise limited by division (I) of this section, the board shall, on its own motion or on application made under sections 3781.12 and 3781.13 of the Revised Code, formulate, propose, adopt, modify, amend, or repeal the rules to the extent necessary or desirable to effectuate the purposes of sections 3781.06 to 3781.18 of the Revised Code.

(B) The board shall report to the general assembly proposals for amendments to existing statutes relating to the purposes declared in section 3781.06 of the Revised Code that public health and safety and the development of the arts require and shall recommend any additional legislation to assist in carrying out fully, in statutory form, the purposes declared in that section. The board shall prepare and submit to the general assembly a summary report of the number, nature, and disposition of the petitions filed under sections 3781.13 and 3781.14 of the Revised Code.

(C) On its own motion or on application made under sections 3781.12 and 3781.13 of the Revised Code, and after thorough testing and evaluation, the board shall determine by rule that any particular fixture, device, material, process of manufacture, manufactured unit or component, method of manufacture, system, or method of construction complies with performance standards adopted pursuant to section 3781.11 of the Revised Code. The board shall

make its determination with regard to adaptability for safe and 55789
sanitary erection, use, or construction, to that described in any 55790
section of the Revised Code, wherever the use of a fixture, 55791
device, material, method of manufacture, system, or method of 55792
construction described in that section of the Revised Code is 55793
permitted by law. The board shall amend or annul any rule or issue 55794
an authorization for the use of a new material or manufactured 55795
unit on any like application. No department, officer, board, or 55796
commission of the state other than the board of building standards 55797
or the board of building appeals shall permit the use of any 55798
fixture, device, material, method of manufacture, newly designed 55799
product, system, or method of construction at variance with what 55800
is described in any rule the board of building standards adopts or 55801
issues or that is authorized by any section of the Revised Code. 55802
Nothing in this section shall be construed as requiring approval, 55803
by rule, of plans for an industrialized unit that conforms with 55804
the rules the board of building standards adopts pursuant to 55805
section 3781.11 of the Revised Code. 55806

(D) The board shall recommend rules, codes, and standards to 55807
help carry out the purposes of section 3781.06 of the Revised Code 55808
and to help secure uniformity of state administrative rulings and 55809
local legislation and administrative action to the bureau of 55810
workers' compensation, the director of commerce, any other 55811
department, officer, board, or commission of the state, and to 55812
legislative authorities and building departments of counties, 55813
townships, and municipal corporations, and shall recommend that 55814
they audit those recommended rules, codes, and standards by any 55815
appropriate action that they are allowed pursuant to law or the 55816
constitution. 55817

(E)(1) The board shall certify municipal, township, and 55818
county building departments and the personnel of those building 55819
departments, and persons and employees of individuals, firms, or 55820

corporations as described in division (E)(7) of this section to 55821
exercise enforcement authority, to accept and approve plans and 55822
specifications, and to make inspections, pursuant to sections 55823
3781.03, 3791.04, and 4104.43 of the Revised Code. 55824

(2) The board shall certify departments, personnel, and 55825
persons to enforce the state residential building code, to enforce 55826
the nonresidential building code, or to enforce both the 55827
residential and the nonresidential building codes. Any department, 55828
personnel, or person may enforce only the type of building code 55829
for which certified. 55830

(3) The board shall not require a building department, its 55831
personnel, or any persons that it employs to be certified for 55832
residential building code enforcement if that building department 55833
does not enforce the state residential building code. The board 55834
shall specify, in rules adopted pursuant to Chapter 119. of the 55835
Revised Code, the requirements for certification for residential 55836
and nonresidential building code enforcement, which shall be 55837
consistent with this division. The requirements for residential 55838
and nonresidential certification may differ. Except as otherwise 55839
provided in this division, the requirements shall include, but are 55840
not limited to, the satisfactory completion of an initial 55841
examination and, to remain certified, the completion of a 55842
specified number of hours of continuing building code education 55843
within each three-year period following the date of certification 55844
which shall be not less than thirty hours. The rules shall provide 55845
that continuing education credits and certification issued by the 55846
council of American building officials, national model code 55847
organizations, and agencies or entities the board recognizes are 55848
acceptable for purposes of this division. The rules shall specify 55849
requirements that are compatible, to the extent possible, with 55850
requirements the council of American building officials and 55851
national model code organizations establish. 55852

(4) The board shall establish and collect a certification and renewal fee for building department personnel, and persons and employees of persons, firms, or corporations as described in this section, who are certified pursuant to this division.

(5) Any individual certified pursuant to this division shall complete the number of hours of continuing building code education that the board requires or, for failure to do so, forfeit certification.

(6) This division does not require or authorize the board to certify personnel of municipal, township, and county building departments, and persons and employees of persons, firms, or corporations as described in this section, whose responsibilities do not include the exercise of enforcement authority, the approval of plans and specifications, or making inspections under the state residential and nonresidential building codes.

(7) Enforcement authority for approval of plans and specifications and enforcement authority for inspections may be exercised, and plans and specifications may be approved and inspections may be made on behalf of a municipal corporation, township, or county, by any of the following who the board of building standards certifies:

(a) Officers or employees of the municipal corporation, township, or county;

(b) Persons, or employees of persons, firms, or corporations, pursuant to a contract to furnish architectural, engineering, or other services to the municipal corporation, township, or county;

(c) Officers or employees of, and persons under contract with, a municipal corporation, township, county, health district, or other political subdivision, pursuant to a contract to furnish architectural, engineering, or other services.

(8) Municipal, township, and county building departments have

jurisdiction within the meaning of sections 3781.03, 3791.04, and 4104.43 of the Revised Code, only with respect to the types of buildings and subject matters for which they are certified under this section.

(9) Certification shall be granted upon application by the municipal corporation, the board of township trustees, or the board of county commissioners and approval of that application by the board of building standards. The application shall set forth:

(a) Whether the certification is requested for residential or nonresidential buildings, or both;

(b) The number and qualifications of the staff composing the building department;

(c) The names, addresses, and qualifications of persons, firms, or corporations contracting to furnish work or services pursuant to division (E)(7)(b) of this section;

(d) The names of any other municipal corporation, township, county, health district, or political subdivision under contract to furnish work or services pursuant to division (E)(7) of this section;

(e) The proposed budget for the operation of the building department.

(10) The board of building standards shall adopt rules governing all of the following:

(a) The certification of building department personnel and persons and employees of persons, firms, or corporations exercising authority pursuant to division (E)(7) of this section. The rules shall disqualify any employee of the department or person who contracts for services with the department from performing services for the department when that employee or person would have to pass upon, inspect, or otherwise exercise

authority over any labor, material, or equipment the employee or 55914
person furnishes for the construction, alteration, or maintenance 55915
of a building or the preparation of working drawings or 55916
specifications for work within the jurisdictional area of the 55917
department. The department shall provide other similarly qualified 55918
personnel to enforce the residential and nonresidential building 55919
codes as they pertain to that work. 55920

(b) The minimum services to be provided by a certified 55921
building department. 55922

(11) The board of building standards may revoke or suspend 55923
certification to enforce the residential and nonresidential 55924
building codes, on petition to the board by any person affected by 55925
that enforcement or approval of plans, or by the board on its own 55926
motion. Hearings shall be held and appeals permitted on any 55927
proceedings for certification or revocation or suspension of 55928
certification in the same manner as provided in section 3781.101 55929
of the Revised Code for other proceedings of the board of building 55930
standards. 55931

(12) Upon certification, and until that authority is revoked, 55932
any county or township building department shall enforce the 55933
residential and nonresidential building codes for which it is 55934
certified without regard to limitation upon the authority of 55935
boards of county commissioners under Chapter 307. of the Revised 55936
Code or boards of township trustees under Chapter 505. of the 55937
Revised Code. 55938

(F) In addition to hearings sections 3781.06 to 3781.18 and 55939
3791.04 of the Revised Code require, the board of building 55940
standards shall make investigations and tests, and require from 55941
other state departments, officers, boards, and commissions 55942
information the board considers necessary or desirable to assist 55943
it in the discharge of any duty or the exercise of any power 55944
mentioned in this section or in sections 3781.06 to 3781.18, 55945

3791.04, and 4104.43 of the Revised Code. 55946

(G) The board shall adopt rules and establish reasonable fees 55947
for the review of all applications submitted where the applicant 55948
applies for authority to use a new material, assembly, or product 55949
of a manufacturing process. The fee shall bear some reasonable 55950
relationship to the cost of the review or testing of the 55951
materials, assembly, or products and for the notification of 55952
approval or disapproval as provided in section 3781.12 of the 55953
Revised Code. 55954

(H) The residential construction advisory committee shall 55955
provide the board with a proposal for a state residential building 55956
code that the committee recommends pursuant to division ~~(C)~~(D)(1) 55957
of section 4740.14 of the Revised Code. Upon receiving a 55958
recommendation from the committee that is acceptable to the board, 55959
the board shall adopt rules establishing that code as the state 55960
residential building code. 55961

(I) The committee shall provide the board with proposed rules 55962
to update or amend the state residential building code or to 55963
update or amend rules that the board adopts pursuant to division 55964
(E) of this section that relate to the certification of entities 55965
that enforce the state residential building code that the 55966
committee recommends pursuant to division (D)(2) of section 55967
4740.14 of the Revised Code. 55968

The board shall not adopt any rules to update or amend the 55969
state residential building code or the rules the board adopts 55970
pursuant to division (E) of this section as those rules relate to 55971
the certification of entities that enforce the state residential 55972
building code unless the board first receives a recommendation 55973
from the committee as described in division (D)(2) of section 55974
4740.14 of the Revised Code. 55975

(J) The board shall cooperate with the director of job and 55976

family services when the director promulgates rules pursuant to 55977
section 5104.05 of the Revised Code regarding safety and 55978
sanitation in type A family day-care homes. 55979

~~(J)~~(K) The board shall adopt rules to implement the 55980
requirements of section 3781.108 of the Revised Code. 55981

Sec. 3781.12. (A)(1) Any person may petition the board of 55982
building standards to adopt, amend, or annul a rule adopted 55983
pursuant to section 3781.10 of the Revised Code, except for any 55984
rules regarding the state residential building code or rules the 55985
board adopts pursuant to division (E) of that section as those 55986
rules relate to the certification of entities that enforce the 55987
state residential building code, or to permit the use of any 55988
particular fixture, device, material, system, method of 55989
manufacture, product of a manufacturing process, or method or 55990
manner of construction or installation that complies with 55991
performance standards adopted pursuant to section 3781.11 of the 55992
Revised Code, as regards the purposes declared in section 3781.06 55993
of the Revised Code, of the fixtures, devices, materials, systems, 55994
or methods or manners of construction, manufacture or installation 55995
described in any section of the Revised Code relating to those 55996
purposes, where the use is permitted by law. 55997

(2) Any person may petition the residential construction 55998
advisory committee to recommend a rule to update or amend the 55999
state residential building code or to update or amend rules that 56000
the board adopts pursuant to division (E) of section 3781.10 of 56001
the Revised Code that relate to the certification of entities that 56002
enforce the state residential building code. 56003

(B) Upon petition under division (A) of this section, the 56004
board shall cause to be conducted testing and evaluation that the 56005
board determines desirable of any fixture, device, material, 56006
system, assembly or product of a manufacturing process, or method 56007

or manner of construction or installation sought to be used under 56008
the rules the board adopts pursuant to section 3781.10 of the 56009
Revised Code. 56010

(C) If the board, after hearing, determines it advisable to 56011
adopt the rule, amendment, or annulment, or to permit the use of 56012
the materials or assemblages petitioned for under division (A) of 56013
this section, it shall give at least thirty days' notice of the 56014
time and place of a public hearing as provided by section 119.03 56015
of the Revised Code. No rule shall be adopted, amended, or 56016
annulled or the use of materials or assemblages authorized until 56017
after the public hearing. A copy of every rule, amendment, or 56018
annulment, and a copy of every approved material or assembly 56019
authorization signed by the chairperson of the board of building 56020
standards and sealed with the seal of the department of commerce 56021
shall, after final adoption or authorization by the board, be 56022
filed with the secretary of state and published as the board 56023
determines. The issuance of the authorization for the use of the 56024
materials or assemblages described in the petition constitutes 56025
approval for their use anywhere in this state. Any rule, 56026
amendment, or annulment does not take effect until a date the 56027
board fixes and states. No rule, amendment, or annulment applies 56028
to any building for which the plans or drawings, specifications, 56029
and data were approved prior to the time the rule, amendment, or 56030
annulment becomes effective. All hearings of the board are open to 56031
the public. Each member of the board may administer oaths in the 56032
performance of the member's duties. 56033

Sec. 3781.19. There is hereby established in the department 56034
of commerce a board of building appeals consisting of five members 56035
who shall be appointed by the governor with the advice and consent 56036
of the senate. Terms of office shall be for four years, commencing 56037
on the fourteenth day of October and ending on the thirteenth day 56038
of October. Each member shall hold office from the date of 56039

appointment until the end of the term for which the member was 56040
appointed. Any member appointed to fill a vacancy occurring prior 56041
to the expiration of the term for which the member's predecessor 56042
was appointed shall hold office for the remainder of such term. 56043
Any member shall continue in office subsequent to the expiration 56044
date of the member's term until a successor takes office, or until 56045
a period of sixty days has elapsed, whichever occurs first. One 56046
member shall be an attorney-at-law, admitted to the bar of this 56047
state and of the remaining members, one shall be a registered 56048
architect and one shall be a professional engineer, each of whom 56049

thereunder, or that a variance from the provisions of such laws or 56095
any rule made thereunder, in the specific case, will not be 56096

such provisions will result in unnecessary hardship. 56098

The state board of building appeals or a certified municipal 56099
or county board of appeals shall render its decision within thirty 56100
days after the date of the adjudication hearing. Following the 56101

thirty days after the municipal or county board renders its 56119
decision. 56120

The state board of building appeals or the appropriate 56121
certified local board of building appeals shall grant variances 56122
and exemptions from the requirements of section 3781.108 of the 56123

3901.383, 3901.384, and 3901.386 of the Revised Code, a 56281
third-party payer shall process a claim for payment for health 56282
care services rendered by a provider to a beneficiary in 56283
accordance with this section. 56284

(B)(1) Unless division (B)(2) or (3) of this section applies, 56285

when a third-party payer receives from a provider or beneficiary a claim on the standard claim form prescribed in rules adopted by the superintendent of insurance under section 3902.22 of the Revised Code, the third-party payer shall pay or deny the claim not later than thirty days after receipt of the claim. When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim.

(2)(a) Unless division (B)(3) of this section applies, when a provider or beneficiary has used the standard claim form, but the third-party payer determines that reasonable supporting documentation is needed to establish the third-party payer's responsibility to make payment, the third-party payer shall pay or deny the claim not later than forty-five days after receipt of the claim. Supporting documentation includes the verification of employer and beneficiary coverage under a benefits contract, confirmation of premium payment, medical information regarding the beneficiary and the services provided, information on the responsibility of another third-party payer to make payment or confirmation of the amount of payment by another third-party payer, and information that is needed to correct material deficiencies in the claim related to a diagnosis or treatment or the provider's identification.

Not later than thirty days after receipt of the claim, the third-party payer shall notify all relevant external sources that the supporting documentation is needed. All such notices shall state, with specificity, the supporting documentation needed. If the notice was not provided in writing, the provider, beneficiary, or third-party payer may request the third-party payer to provide the notice in writing, and the third-party payer shall then provide the notice in writing. If any of the supporting documentation is under the control of the beneficiary, the

beneficiary shall provide the supporting documentation to the 56318
third-party payer. 56319

The number of days that elapse between the third-party 56320
payer's last request for supporting documentation within the 56321
thirty-day period and the third-party payer's receipt of all of 56322
the supporting documentation that was requested shall not be 56323
counted for purposes of determining the third-party payer's 56324
compliance with the time period of not more than forty-five days 56325
for payment or denial of a claim. Except as provided in division 56326
(B)(2)(b) of this section, if the third-party payer requests 56327
additional supporting documentation after receiving the initially 56328
requested documentation, the number of days that elapse between 56329
making the request and receiving the additional supporting 56330
documentation shall be counted for purposes of determining the 56331
third-party payer's compliance with the time period of not more 56332
than forty-five days. 56333

(b) If a third-party payer determines, after receiving 56334
initially requested documentation, that it needs additional 56335
supporting documentation pertaining to a beneficiary's preexisting 56336
condition, which condition was unknown to the third-party payer 56337
and about which it was reasonable for the third-party payer to 56338
have no knowledge at the time of its initial request for 56339
documentation, and the third-party payer subsequently requests 56340
this additional supporting documentation, the number of days that 56341
elapse between making the request and receiving the additional 56342
supporting documentation shall not be counted for purposes of 56343
determining the third-party payer's compliance with the time 56344
period of not more than forty-five days. 56345

(c) When a third-party payer denies a claim, the third-party 56346
payer shall notify the provider and the beneficiary. The notice 56347
shall state, with specificity, why the third-party payer denied 56348
the claim. 56349

(d) If a third-party payer determines that supporting documentation related to medical information is routinely necessary to process a claim for payment of a particular health care service, the third-party payer shall establish a description of the supporting documentation that is routinely necessary and make the description available to providers in a readily accessible format.

Third-party payers and providers shall, in connection with a claim, use the most current CPT code in effect, as published by the American medical association, the most current ICD-9 code in effect, as published by the United States department of health and human services, the most current CDT code in effect, as published by the American dental association, or the most current HCPCS code in effect, as published by the United States health care financing administration.

(3) When a provider or beneficiary submits a claim by using the standard claim form prescribed in the superintendent's rules, but the information provided in the claim is materially deficient, the third-party payer shall notify the provider or beneficiary not later than fifteen days after receipt of the claim. The notice shall state, with specificity, the information needed to correct all material deficiencies. Once the material deficiencies are corrected, the third-party payer shall proceed in accordance with division (B)(1) or (2) of this section.

It is not a violation of the notification time period of not more than fifteen days if a third-party payer fails to notify a provider or beneficiary of material deficiencies in the claim related to a diagnosis or treatment or the provider's identification. A third-party payer may request the information necessary to correct these deficiencies after the end of the notification time period. Requests for such information shall be made as requests for supporting documentation under division

(B)(2) of this section, and payment or denial of the claim is 56382
subject to the time periods specified in that division. 56383

(C) For purposes of this section, if a dispute exists between 56384
a provider and a third-party payer as to the day a claim form was 56385
received by the third-party payer, both of the following apply: 56386

(1) If the provider or a person acting on behalf of the 56387
provider submits a claim directly to a third-party payer by mail 56388
and retains a record of the day the claim was mailed, there exists 56389
a rebuttable presumption that the claim was received by the 56390
third-party payer on the fifth business day after the day the 56391
claim was mailed, unless it can be proven otherwise. 56392

(2) If the provider or a person acting on behalf of the 56393
provider submits a claim directly to a third-party payer 56394
electronically, there exists a rebuttable presumption that the 56395
claim was received by the third-party payer twenty-four hours 56396
after the claim was submitted, unless it can be proven otherwise. 56397

(D) Nothing in this section requires a third-party payer to 56398
provide more than one notice to an employer whose premium for 56399
coverage of employees under a benefits contract has not been 56400
received by the third-party payer. 56401

(E) Compliance with the provisions of division (B)(3) of this 56402
section shall be determined separately from compliance with the 56403
provisions of divisions (B)(1) and (2) of this section. 56404

(F) A third party payer shall transmit electronically any 56405
payment with respect to claims paid by the third party payer to a 56406
provider under this section and under sections 3901.383, 3901.384, 56407
and 3901.386 of the Revised Code. 56408

Sec. 3901.383. (A) A provider and a third-party payer may do 56409
either of the following: 56410

(1) Enter into a contractual agreement under which time 56411

periods shorter than those set forth in section 3901.381 of the Revised Code are applicable to the third-party payer in paying a claim for any amount due for health care services rendered by the provider;

(2) Enter into a contractual agreement under which the timing of payments by the third-party payer is not directly related to the receipt of a claim form. The contractual arrangement may include periodic interim payment arrangements, capitation payment arrangements, or other periodic payment arrangements acceptable to the provider and the third-party payer. Under a capitation payment arrangement, the third-party payer shall begin paying the capitated amounts to the beneficiary's primary care provider not later than sixty days after the date the beneficiary selects or is assigned to the provider. Under any other contractual periodic payment arrangement, the contractual agreement shall state, with specificity, the timing of payments by the third-party payer.

~~(B) Regardless of whether a third-party payer is exempted under division (D) of section 3901.3814 from sections 3901.38 and 3901.381 to 3901.3813 of the Revised Code, a~~ A provider and the a third-party payer, including a third-party payer that provides coverage under the medicaid program, shall not enter into a contractual arrangement under which time periods longer than those provided for in paragraph (c)(1) of 42 C.F.R. 447.46 are applicable to the third-party payer in paying a claim for any amount due for health care services rendered by the provider.

Sec. 3901.3812. (A) If, after completion of an examination involving information collected from a six-month period, the superintendent finds that a third-party payer has committed a series of violations that, taken together, constitutes a consistent pattern or practice of violating division (A) of section 3901.3811 of the Revised Code, the superintendent may

impose on the third-party payer any of the administrative remedies 56443
specified in division (B) of this section. In making a finding 56444
under this division, the superintendent shall apply the error 56445
tolerance standards for claims processing contained in the market 56446
conduct examiners handbook issued by the national association of 56447
insurance commissioners in effect at the time the claims were 56448
processed. 56449

Before imposing an administrative remedy, the superintendent 56450
shall provide written notice to the third-party payer informing 56451
the third-party payer of the reasons for the superintendent's 56452
finding, the administrative remedy the superintendent proposes to 56453
impose, and the opportunity to submit a written request for an 56454
administrative hearing regarding the finding and proposed remedy. 56455
If the third-party payer requests a hearing, the superintendent 56456
shall conduct the hearing in accordance with Chapter 119. of the 56457
Revised Code not later than fifteen days after receipt of the 56458
request. 56459

(B)(1) In imposing administrative remedies under division (A) 56460
of this section for violations of section 3901.381 of the Revised 56461

(a) Levy a monetary penalty in an amount determined in 56463

(3) Division (D)(2) of this section does not prohibit a 56911
clinical peer from conducting a review under any of the following 56912
circumstances: 56913

(a) The clinical peer is affiliated with an academic medical 56914
center that provides health care services to insureds of the 56915
insurer. 56916

(b) The clinical peer has staff privileges at a health care 56917
facility that provides health care services to insureds of the 56918
insurer. 56919

(c) The clinical peer has a contractual relationship with the 56920
insurer but was not involved with the insurer's coverage decision. 56921

(4) Division (D)(2) of this section does not prohibit the 56922
insurer from paying the independent review organization for the 56923
conduct of the review. 56924

(5) An insured shall not be required to pay for any part of 56925
the cost of the review. The cost of the review shall be borne by 56926
the insurer. 56927

(6)(a) The insurer shall provide to the independent review 56928
organization conducting the review a copy of those records in its 56929
possession that are relevant to the insured's medical condition 56930
and the review. 56931

Records shall be used solely for the purpose of this 56932
division. At the request of the independent review organization, 56933

the insurer, insured, provider, or health care facility rendering 56934
health care services to the insured shall provide any additional 56935
information the independent review organization requests to 56936
complete the review. A request for additional information may be 56937
made in writing, orally, or by electronic means. The independent 56938
review organization shall submit the request to the insured and 56939
insurer. If a request is submitted orally or by electronic means 56940
to an insured or insurer, not later than five days after the 56941
request is submitted, the independent review organization shall 56942
provide written confirmation of the request. If the review was 56943
initiated by a provider or health care facility, a copy of the 56944
request shall be submitted to the provider or health care 56945
facility. 56946

(b) An independent review organization is not required to 56947
make a decision if it has not received any requested information 56948
that it considers necessary to complete a review. An independent 56949
review organization that does not make a decision for this reason 56950
shall notify the insured and the insurer that a decision is not 56951
being made. The notice may be made in writing, orally, or by 56952
electronic means. An oral or electronic notice shall be confirmed 56953
in writing not later than five days after the oral or electronic 56954
notice is made. If the review was initiated by a provider or 56955
health care facility, a copy of the notice shall be submitted to 56956
the provider or health care facility. 56957

(7) The insurer may elect to cover the service requested and 56958
terminate the review. The insurer shall notify the insured and all 56959
other parties involved with the decision by mail, or with the 56960
consent or approval of the insured, by electronic means. 56961

(8) In making its decision, an independent review 56962
organization conducting the review shall take into account all of 56963
the following: 56964

(a) Information submitted by the insurer, the insured, the 56965

insured's provider, and the health care facility rendering the health care service, including the following: 56966
56967

(i) The insured's medical records; 56968

(ii) The standards, criteria, and clinical rationale used by the insurer to make its decision. 56969
56970

(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research; 56971
56972
56973
56974
56975
56976
56977
56978

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies. 56979
56980
56981
56982

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the insurer and the insured. If the insured's provider or the health care facility rendering health care services to the insured requested the review, the independent review organization shall also send a copy of its decision to the insured's provider or the health care facility. 56983
56984
56985
56986
56987
56988
56989
56990
56991
56992
56993

(b) The independent review organization's decision shall include a description of the insured's condition and the principal reasons for the decision and an explanation of the clinical 56994
56995
56996

rationale for the decision. 56997

(E) The independent review organization shall base its 56998
decision on the information submitted under division (D)(8) of 56999
this section. In making its decision, the independent review 57000
organization shall consider safety, efficacy, appropriateness, and 57001
cost-effectiveness. 57002

(F) The insurer shall provide any coverage determined by the 57003
independent review organization's decision to be medically 57004
necessary, subject to the other terms, limitations, and conditions 57005
of the insured's policy or certificate. 57006

Sec. 3923.68. (A) Each insurer shall establish a reasonable 57007
external, independent review process to examine the insurer's 57008
coverage decisions for insureds who meet all of the following 57009
criteria: 57010

(1) The insured has a terminal condition that, according to 57011
the current diagnosis of the insured's physician, has a high 57012
probability of causing death within two years. 57013

(2) The insured requests a review not later than ~~sixty one~~ sixty one 57014
hundred eighty days after receipt by the insured of notice from 57015
the ~~superintendent of insurance under section 3923.66 of the~~ 57016
~~Revised Code that making a determination requires resolution of a~~ 57017
~~medical issue~~ insurer of the adverse decision. 57018

(3) The insured's physician certifies that the insured has 57019
the condition described in division (A)(1) of this section and any 57020
of the following situations are applicable: 57021

(a) Standard therapies have not been effective in improving 57022
the condition of the insured. 57023

(b) Standard therapies are not medically appropriate for the 57024
insured. 57025

(c) There is no standard therapy covered by the insurer that 57026

is more beneficial than therapy described in division (A)(4) of 57027
this section. 57028

(4) The insured's physician has recommended a drug, device, 57029
procedure, or other therapy that the physician certifies, in 57030
writing, is likely to be more beneficial to the insured, in the 57031
physician's opinion, than standard therapies, or the insured has 57032
requested a therapy that has been found in a preponderance of 57033
peer-reviewed published studies to be associated with effective 57034
clinical outcomes for the same condition. 57035

(5) The insured has been denied coverage by the insurer for a 57036
drug, device, procedure, or other therapy recommended or requested 57037
pursuant to division (A)(4) of this section, and has exhausted the 57038
insurer's internal review process. 57039

(6) The drug, device, procedure, or other therapy, for which 57040
coverage has been denied, would be a covered health care service 57041
except for the insurer's determination that the drug, device, 57042
procedure, or other therapy is experimental or investigational. 57043

(B) A review shall be requested in writing, except that if 57044
the insured's physician determines that a therapy would be 57045
significantly less effective if not promptly initiated, the review 57046
may be requested orally or by electronic means. When an oral or 57047
electronic request for review is made, written confirmation of the 57048
request shall be submitted to the insurer not later than five days 57049
after the oral or written request is submitted. 57050

(C) The external, independent review process established by 57051
an insurer shall meet all of the following criteria: 57052

(1) Except as provided in division (E) of this section, the 57053
process shall afford all insureds who meet the criteria set forth 57054
in division (A) of this section the opportunity to have the 57055
insurer's decision to deny coverage of the recommended or 57056
requested therapy reviewed under the process. Each eligible 57057

insured shall be notified of that opportunity within thirty 57058
business days after the insurer denies coverage. 57059

(2) The review shall be conducted by an independent review 57060
organization assigned by the superintendent of insurance under 57061
section 3901.80 of the Revised Code. 57062

The independent review organization shall select a panel to 57063
conduct the review, which panel shall be composed of at least 57064
three physicians or other providers who, through clinical 57065
experience in the past three years, are experts in the treatment 57066
of the insured's medical condition and knowledgeable about the 57067
recommended or requested therapy. 57068

In either of the following circumstances, an exception may be 57069
made to the requirement that the review be conducted by an expert 57070
panel composed of a minimum of three physicians or other 57071
providers: 57072

(a) A review may be conducted by an expert panel composed of 57073
only two physicians or other providers if an insured has consented 57074
in writing to a review by the smaller panel. 57075

(b) A review may be conducted by a single expert physician or 57076
other provider if only the expert physician or other provider is 57077
available for the review. 57078

(3) Neither the insurer nor the insured shall choose, or 57079
control the choice of, the physician or other provider experts. 57080

(4) The selected experts, any health care facility with which 57081
an expert is affiliated, and the independent review organization 57082
arranging for the experts' review shall not have any professional, 57083
familial, or financial affiliation with any of the following: 57084

(a) The insurer or any officer, director, or managerial 57085
employee of the insurer; 57086

(b) The insured, the insured's physician, ~~of~~ or the practice 57087

group of the insured's physician; 57088

(c) The health care facility at which the recommended or 57089
requested therapy would be provided; 57090

(d) The development or manufacture of the principal drug, 57091
device, procedure, or therapy involved in the recommended or 57092
requested therapy. 57093

However, experts affiliated with academic medical centers who 57094
provide health care services to insureds of the insurer may serve 57095
as experts on the review panel. Further, experts with staff 57096
privileges at a health care facility that provides health care 57097
services to insureds of the insurer, as well as experts who have a 57098
contractual relationship with the insurer, but who were not 57099
involved with the insurer's denial of coverage for the therapy 57100
under review, may serve as experts on the review panel. These 57101
nonaffiliation provisions do not preclude an insurer from paying 57102
for the experts' review, as specified in division (C)(5) of this 57103
section. 57104

(5) Insureds shall not be required to pay for any part of the 57105
cost of the review. The cost of the review shall be borne by the 57106
insurer. 57107

(6) The insurer shall provide to the independent review 57108
organization arranging for the experts' review a copy of those 57109
records in the insurer's possession that are relevant to the 57110
insured's medical condition and the review. The records shall be 57111
disclosed solely to the expert reviewers and shall be used solely 57112
for the purpose of this section. At the request of the expert 57113
reviewers, the insurer or the physician requesting the therapy 57114
shall provide any additional information that the expert reviewers 57115
request to complete the review. An expert reviewer is not required 57116
to render an opinion if the reviewer has not received any 57117
requested information that the reviewer considers necessary to 57118

complete the review. 57119

(7)(a) In the case of an expedited review, the independent 57120
review organization shall issue a written decision not later than 57121
seven days after the filing of the request for review. In all 57122
other cases, the independent review organization shall issue a 57123
written decision not later than thirty days after the filing of 57124
the request. The independent review organization shall send a copy 57125
of its decision to the insurer and the insured. If the insured's 57126
provider or the health care facility rendering health care 57127
services to the insured requested the review, the independent 57128
review organization shall also send a copy of its decision to the 57129
insured's provider or the health care facility. 57130

(b) In conducting the review, the experts on the panel shall 57131
take into account all of the following: 57132

(i) Information submitted by the insurer, the insured, and 57133
the insured's physician, including the insured's medical records 57134
and the standards, criteria, and clinical rationale used by the 57135
insurer to reach its coverage decision; 57136

(ii) Findings, studies, research, and other relevant 57137
documents of government agencies and nationally recognized 57138
organizations; 57139

(iii) Relevant findings in peer-reviewed medical or 57140
scientific literature and published opinions of nationally 57141
recognized medical experts; 57142

(iv) Clinical guidelines adopted by relevant national medical 57143
societies; 57144

(v) Safety, efficacy, appropriateness, and cost 57145
effectiveness. 57146

(8) Each expert on the panel shall provide the independent 57147
review organization with a professional opinion as to whether 57148

there is sufficient evidence to demonstrate that the recommended 57149
or requested therapy is likely to be more beneficial to the 57150
insured than standard therapies. 57151

(9) Each expert's opinion shall be presented in written form 57152
and shall include the following information: 57153

(a) A description of the insured's condition; 57154

(b) A description of the indicators relevant to determining 57155
whether there is sufficient evidence to demonstrate that the 57156
recommended or requested therapy is more likely than not to be 57157
more beneficial to the insured than standard therapies; 57158

(c) A description and analysis of any relevant findings 57159
published in peer-reviewed medical or scientific literature or the 57160
published opinions of medical experts or specialty societies; 57161

(d) A description of the insured's suitability to receive the 57162
recommended or requested therapy according to a treatment protocol 57163
in a clinical trial, if applicable. 57164

(10) The independent review organization shall provide the 57165
insurer with the opinions of the experts. The insurer shall make 57166
the experts' opinions available to the insured and the insured's 57167
physician, upon request. 57168

(11) The opinion of the majority of the experts on the panel, 57169
rendered pursuant to division (C)(8) of this section, is binding 57170
on the insurer with respect to that insured. If the opinions of 57171
the experts on the panel are evenly divided as to whether the 57172
therapy should be covered, the insurer's final decision shall be 57173
in favor of coverage. If less than a majority of the experts on 57174
the panel recommend coverage of the therapy, the insurer may, in 57175
its discretion, cover the therapy. However, any coverage provided 57176
pursuant to division (C)(11) of this section is subject to the 57177
terms, limitations, and conditions of the insured's policy or 57178
certificate with the insurer. 57179

(12) The insurer shall have written policies describing the external, independent review process. 57180
57181

(D) If an insurer's initial denial of coverage for a therapy recommended or requested pursuant to division (A)(3) of this section is based upon an external, independent review of that therapy meeting the requirements of division (C) of this section, this section shall not be a basis for requiring a second external, independent review of the recommended or requested therapy. 57182
57183
57184
57185
57186
57187

(E) At any time during the external, independent review process, the insurer may elect to cover the recommended or requested health care service and terminate the review. The insurer shall notify the insured and all other parties involved by mail or, with consent or approval of the insured, by electronic means. 57188
57189
57190
57191
57192
57193

(F) The insurer shall annually file a certificate with the superintendent of insurance certifying its compliance with the requirements of this section. 57194
57195
57196

Sec. 3923.75. (A) As used in sections 3923.75 to 3923.79 of the Revised Code: 57197
57198

(1) "Clinical peer" and "physician" have the same meanings as in section 1751.77 of the Revised Code. 57199
57200

(2) "Authorized person" means a parent, guardian, or other person authorized to act on behalf of a plan member with respect to health care decisions. 57201
57202
57203

(B) Sections 3923.75 to 3923.79 of the Revised Code do not apply to any public employee benefit plan covering only accident, credit, dental, disability income, long-term care, hospital indemnity, medicare supplement, medicare, tricare, specified disease, or vision care; coverage issued as a supplement to liability insurance; insurance arising out of workers' 57204
57205
57206
57207
57208
57209

compensation or similar law; automobile medical payment insurance; 57210
or insurance under which benefits are payable with or without 57211
regard to fault and which is statutorily required to be contained 57212
in any liability insurance policy or equivalent self-insurance. 57213

(C) The superintendent of insurance shall establish and 57214
maintain a system for receiving and reviewing requests for review 57215
from plan members who have been denied coverage of a health care 57216
service on the grounds that the service is not a service covered 57217
under the terms of the public employee benefit plan. 57218

On receipt of a written request from a plan member or 57219
authorized person, the superintendent shall consider whether the 57220
health care service is a service covered under the terms of the 57221
plan, except that the superintendent shall not conduct a review 57222
under this section unless the plan member has exhausted the plan's 57223
internal review process. The plan and the plan member or 57224
authorized person shall provide the superintendent with any 57225
information required by the superintendent that is in their 57226
possession and is germane to the review. 57227

Unless the superintendent is not able to do so because making 57228
the determination requires resolution of a medical issue, the 57229
superintendent shall determine whether the health care service at 57230
issue is a service covered under the terms of the plan. The 57231
superintendent shall notify the plan member, or authorized person, 57232
and the plan of its determination or that it is not able to make a 57233
determination because the determination requires the resolution of 57234
a medical issue. 57235

If the superintendent notifies the plan that making the 57236
determination requires the resolution of a medical issue, the plan 57237
shall ~~afford the plan member~~ initiate ~~an opportunity for~~ external 57238
review under section 3923.76 or 3923.77 of the Revised Code. If 57239
the superintendent notifies the plan that the health care service 57240
is not a covered service, the plan is not required to cover the 57241

service or afford the plan member an external review. 57242

Sec. 3923.76. (A) Except as provided in divisions (B) and (C) 57243
of this section, a public employee benefit plan shall afford a 57244
plan member an opportunity for an external review of a coverage 57245
denial when requested by the plan member or authorized person, if 57246
both of the following are the case: 57247

(1) The plan has denied, reduced, or terminated coverage for 57248
what would be a covered health care service except that the plan 57249
has determined that the health care service is not medically 57250
necessary. 57251

(2) Except in the case of expedited review, the proposed 57252
service, plus any ancillary services and follow-up care, will cost 57253
the plan member more than five hundred dollars if the proposed 57254
service is not covered by the plan. 57255

External review shall be conducted in accordance with this 57256
section, except that if a plan member with a terminal condition 57257
meets all of the criteria of division (A) of section 3923.77 of 57258
the Revised Code, an external review shall be conducted under that 57259
section. 57260

(B) A plan member need not be afforded a review under this 57261
section in any of the following circumstances: 57262

(1) The superintendent of insurance has determined under 57263
section 3923.75 of the Revised Code that the health care service 57264
is not a service covered under the terms of the plan. 57265

(2) The plan member has failed to exhaust the plan's internal 57266
review process. 57267

(3) The plan member has previously been afforded an external 57268
review for the same denial of coverage, and no new clinical 57269
information has been submitted to the plan. 57270

(C)(1) A plan may deny a request from a plan member for an 57271

external review of an adverse decision from the plan's internal 57272
appeal process if it is requested later than ~~sixty one hundred~~ 57273
eighty days after receipt by the plan member of notice from the 57274
~~superintendent of insurance under section 3923.75 of the Revised~~ 57275
~~Code that making the determination requires the resolution of a~~ 57276
~~medical issue~~ plan of the adverse decision. An external review may 57277
be requested by the plan member, an authorized person, the plan 57278
member's provider, or a health care facility rendering health care 57279
service to the plan member. The plan member may request a review 57280
without the approval of the provider or the health care facility 57281
rendering the health care service. The provider or health care 57282
facility may not request a review without the prior consent of the 57283
plan member. 57284

(2) An external review must be requested in writing, except 57285
that if the plan member has a condition that requires expedited 57286
review, the review may be requested orally or by electronic means. 57287
When an oral or electronic request for review is made, written 57288
confirmation of the request must be submitted to the plan not 57289
later than five days after the request is made. 57290

Except in the case of an expedited review, a request for an 57291
external review must be accompanied by written certification from 57292
the plan member's provider or the health care facility rendering 57293
the health care service to the plan member that the proposed 57294
service, plus any ancillary services and follow-up care, will cost 57295
the plan member more than five hundred dollars if the proposed 57296
service is not covered by the plan. 57297

(3) For an expedited review, the plan member's provider must 57298
certify that the plan member's condition could, in the absence of 57299
immediate medical attention, result in any of the following: 57300

(a) Placing the health of the plan member or, with respect to 57301
a pregnant woman, the health of the plan member or the unborn 57302
child, in serious jeopardy; 57303

(b) Serious impairment to bodily functions;	57304
(c) Serious dysfunction of any bodily organ or part.	57305
(D) The procedures used in conducting an external review shall include all of the following:	57306 57307
(1) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.	57308 57309 57310
(2) Except as provided in divisions (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:	57311 57312 57313 57314 57315
(a) The plan or any officer, director, or managerial employee of the plan;	57316 57317
(b) The plan member, the plan member's provider, or the practice group of the plan member's provider;	57318 57319
(c) The health care facility at which the health care service requested by the plan member would be provided+;	57320 57321
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the plan member.	57322 57323
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	57324 57325 57326
(a) The clinical peer is affiliated with an academic medical center that provides health care services to members of the plan.	57327 57328
(b) The clinical peer has staff privileges at a health care facility that provides health care services to members of the plan.	57329 57330 57331
(c) The clinical peer has a contractual relationship with the	57332

plan but was not involved with the plan's coverage decision. 57333

(4) Division (D)(2) of this section does not prohibit the 57334
plan from paying the independent review organization for the 57335
conduct of the review. 57336

(5) A plan member shall not be required to pay for any part 57337
of the cost of the review. The cost of the review shall be borne 57338
by the plan. 57339

(6)(a) The plan shall provide to the independent review 57340
organization conducting the review a copy of those records in its 57341
possession that are relevant to the plan member's medical 57342
condition and the review. 57343

Records shall be used solely for the purpose of this 57344
division. At the request of the independent review organization, 57345
the plan, plan member, provider, or health care facility rendering 57346
health care services to the plan member shall provide any 57347
additional information the independent review organization 57348
requests to complete the review. A request for additional 57349
information may be made in writing, orally, or by electronic 57350
means. The independent review organization shall submit the 57351
request to the plan member and the plan. If a request is submitted 57352
orally or by electronic means to a plan member or plan, not later 57353
than five days after the request is submitted, the independent 57354
review organization shall provide written confirmation of the 57355
request. If the review was initiated by a provider or health care 57356
facility, a copy of the request shall be submitted to the provider 57357
or health care facility. 57358

(b) An independent review organization is not required to 57359
make a decision if it has not received any requested information 57360
that it considers necessary to complete a review. An independent 57361
review organization that does not make a decision for this reason 57362
shall notify the plan member and the plan that a decision is not 57363

being made. The notice may be made in writing, orally, or by 57364
electronic means. An oral or electronic notice shall be confirmed 57365
in writing not later than five days after the oral or electronic 57366
notice is made. If the review was initiated by a provider or 57367
health care facility, a copy of the notice shall be submitted to 57368
the provider or health care facility. 57369

(7) The plan may elect to cover the service requested and 57370
terminate the review. The plan shall notify the plan member and 57371
all other parties involved with the decision by mail, or with the 57372
consent or approval of the plan member, by electronic means. 57373

(8) In making its decision, an independent review 57374
organization conducting the review shall take into account all of 57375
the following: 57376

(a) Information submitted by the plan, the plan member, the 57377
plan member's provider, and the health care facility rendering the 57378
health care service, including the following: 57379

(i) The plan member's medical records; 57380

(ii) The standards, criteria, and clinical rationale used by 57381
the plan to make its decision. 57382

(b) Findings, studies, research, and other relevant documents 57383
of government agencies and nationally recognized organizations, 57384
including the national institutes of health or any board 57385
recognized by the national institutes of health, the national 57386
cancer institute, the national academy of sciences, the United 57387
States food and drug administration, the health care financing 57388
administration of the United States department of health and human 57389
services, and the agency for health care policy and research; 57390

(c) Relevant findings in peer-reviewed medical or scientific 57391
literature, published opinions of nationally recognized medical 57392
experts, and clinical guidelines adopted by relevant national 57393
medical societies. 57394

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility.

(b) The independent review organization's decision shall include a description of the plan member's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision.

(E) The independent review organization shall base its decision on the information submitted under division (D)(8) of this section. In making its decision, the independent review organization shall consider safety, efficacy, appropriateness, and cost-effectiveness.

(F) The plan shall provide any coverage determined by the independent review organization's decision to be medically necessary, subject to the other terms, limitations, and conditions of the plan.

Sec. 3923.77. (A) Each public employee benefit plan shall establish a reasonable external review process to examine the plan's coverage decisions for plan members who meet all of the following criteria:

(1) The plan member has a terminal condition that, according to the current diagnosis of the plan member's physician, has a

high probability of causing death within two years. 57426

(2) The plan member requests a review not later than ~~sixty~~ 57427
one hundred eighty days after receipt by the plan member of notice 57428
from the ~~superintendent of insurance under section 3923.75 of the~~ 57429
~~Revised Code that making a determination requires resolution of a~~ 57430
~~medical issue~~ plan of the adverse decision. 57431

(3) The plan member's physician certifies that the plan 57432
member has the condition described in division (A)(1) of this 57433
section and any of the following situations are applicable: 57434

(a) Standard therapies have not been effective in improving 57435
the condition of the plan member. 57436

(b) Standard therapies are not medically appropriate for the 57437
plan member. 57438

(c) There is no standard therapy covered by the plan that is 57439
more beneficial than therapy described in division (A)(4) of this 57440
section. 57441

(4) The plan member's physician has recommended a drug, 57442
device, procedure, or other therapy that the physician certifies, 57443
in writing, is likely to be more beneficial to the plan member, in 57444
the physician's opinion, than standard therapies, or the plan 57445
member has requested a therapy that has been found in a 57446
preponderance of peer-reviewed published studies to be associated 57447
with effective clinical outcomes for the same condition. 57448

(5) The plan member has been denied coverage by the plan for 57449
a drug, device, procedure, or other therapy recommended or 57450
requested pursuant to division (A)(4) of this section, and has 57451
exhausted all internal appeals. 57452

(6) The drug, device, procedure, or other therapy, for which 57453
coverage has been denied, would be a covered health care service 57454
except for the plan's determination that the drug, device, 57455

procedure, or other therapy is experimental or investigational. 57456

(B) A review shall be requested in writing, except that if 57457
the plan member's physician determines that a therapy would be 57458
significantly less effective if not promptly initiated, the review 57459
may be requested orally or by electronic means. When an oral or 57460
electronic request for review is made, written confirmation of the 57461
request shall be submitted to the plan not later than five days 57462
after the oral or written request is submitted. For an expedited 57463
review, the plan member's provider must certify that the requested 57464
or recommended therapy would be significantly less effective if 57465
not promptly initiated. 57466

(C) The external review process established by a plan shall 57467
meet all of the following criteria: 57468

(1) Except as provided in division (E) of this section, the 57469
process shall afford all plan members who meet the criteria set 57470
forth in division (A) of this section the opportunity to have the 57471
plan's decision to deny coverage of the recommended or requested 57472
therapy reviewed under the process. Each eligible plan member 57473
shall be notified of that opportunity within thirty business days 57474
after the plan denies coverage. 57475

(2) The review shall be conducted by an independent review 57476
organization assigned by the superintendent of insurance under 57477
section 3901.80 of the Revised Code. The independent review 57478
organization shall select a panel to conduct the review, which 57479
panel shall be composed of at least three physicians or other 57480
providers who, through clinical experience in the past three 57481
years, are experts in the treatment of the plan member's medical 57482
condition and knowledgeable about the recommended or requested 57483
therapy. If the independent review organization retained by the 57484
plan is an academic medical center, the panel may include experts 57485
affiliated with or employed by the academic medical center. 57486

In either of the following circumstances, an exception may be made to the requirement that the review be conducted by an expert panel composed of a minimum of three physicians or other providers:

(a) A review may be conducted by an expert panel composed of only two physicians or other providers if a plan member has consented in writing to a review by the smaller panel.

(b) A review may be conducted by a single expert physician or other provider if only the expert physician or other provider is available for the review.

(3) Neither the plan nor the plan member shall choose, or control the choice of, the physician or other provider experts.

(4) The selected experts, any health care facility with which an expert is affiliated, and the independent review organization arranging for the experts' review shall not have any professional, familial, or financial affiliation with any of the following:

(a) The plan or any officer, director, or managerial employee of the plan;

(b) The plan member, the plan member's physician, or the practice group of the plan member's physician;

(c) The health care facility at which the recommended or requested therapy would be provided;

(d) The development or manufacture of the principal drug, device, procedure, or therapy involved in the recommended or requested therapy. However, experts affiliated with academic medical centers who provide health care services to members of the plan may serve as experts on the review panel. Further, experts with staff privileges at a health care facility that provides health care services to members of the plan, as well as experts who have a contractual relationship with the plan, but who were

not involved with the plan's denial of coverage for the therapy 57517
under review, may serve as experts on the review panel. These 57518
nonaffiliation provisions do not preclude a plan from paying for 57519
the experts' review, as specified in division (C)(5) of this 57520
section. 57521

(5) Plan members shall not be required to pay for any part of 57522
the cost of the review. The cost of the review shall be borne by 57523
the plan. 57524

(6) The plan shall provide to the independent review 57525
organization arranging for the experts' review a copy of those 57526
records in the plan's possession that are relevant to the plan 57527
member's medical condition and the review. The records shall be 57528
disclosed solely to the expert reviewers and shall be used solely 57529
for the purpose of this section. At the request of the expert 57530
reviewers, the plan or the physician requesting the therapy shall 57531
provide any additional information that the expert reviewers 57532
request to complete the review. An expert reviewer is not required 57533
to render an opinion if the reviewer has not received any 57534
requested information that the reviewer considers necessary to 57535
complete the review. 57536

(7)(a) In the case of an expedited review, the independent 57537
review organization shall issue a written decision not later than 57538
seven days after the filing of the request for review. In all 57539
other cases, the independent review organization shall issue a 57540
written decision not later than thirty days after the filing of 57541
the request. The independent review organization shall send a copy 57542
of its decision to the plan and the plan member. If the plan 57543
member's provider or the health care facility rendering health 57544
care services to the plan member requested the review, the 57545
independent review organization shall also send a copy of its 57546
decision to the plan member's provider or the health care 57547
facility. 57548

(b) In conducting the review, the experts on the panel shall take into account all of the following:

(i) Information submitted by the plan, the plan member, and the plan member's physician, including the plan member's medical records and the standards, criteria, and clinical rationale used by the plan to reach its coverage decision;

(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;

(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;

(iv) Clinical guidelines adopted by relevant national medical societies;

(v) Safety, efficacy, appropriateness, and cost-effectiveness.

(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the plan member than standard therapies.

(9) Each expert's opinion shall be presented in written form and shall include the following information:

(a) A description of the plan member's condition;

(b) A description of the indicators relevant to determining whether there is sufficient evidence to demonstrate that the recommended or requested therapy is more likely than not to be more beneficial to the plan member than standard therapies;

(c) A description and analysis of any relevant findings published in peer-reviewed medical or scientific literature or the

published opinions of medical experts or specialty societies; 57579

(d) A description of the plan member's suitability to receive 57580
the recommended or requested therapy according to a treatment 57581
protocol in a clinical trial, if applicable. 57582

(10) The independent review organization shall provide the 57583
plan with the opinions of the experts. The plan shall make the 57584
experts' opinions available to the plan member and the plan 57585
member's physician, upon request. 57586

(11) The opinion of the majority of the experts on the panel, 57587
rendered pursuant to division (C)(8) of this section, is binding 57588
on the plan with respect to that plan member. If the opinions of 57589
the experts on the panel are evenly divided as to whether the 57590
therapy should be covered, the plan's final decision shall be in 57591
favor of coverage. If less than a majority of the experts on the 57592
panel recommend coverage of the therapy, the plan may, in its 57593
discretion, cover the therapy. However, any coverage provided 57594
pursuant to division (C)(11) of this section is subject to the 57595
terms, limitations, and conditions of the plan. 57596

(12) The plan shall have written policies describing the 57597
external review process. 57598

(D) If a plan's initial denial of coverage for a therapy 57599
recommended or requested pursuant to division (A)(3) of this 57600
section is based upon an external review of that therapy meeting 57601
the requirements of division (C) of this section, this section 57602
shall not be a basis for requiring a second external review of the 57603
recommended or requested therapy. 57604

(E) At any time during the external review process, the plan 57605
may elect to cover the recommended or requested health care 57606
service and terminate the review. The plan shall notify the plan 57607
member and all other parties involved by mail or, with consent or 57608
approval of the plan member, by electronic means. 57609

(F) The plan shall annually file a certificate with the 57610
superintendent of insurance certifying its compliance with the 57611
requirements of this section. 57612

Sec. 3923.90. (A) There is hereby created the health care 57613
coverage and quality council to advise the governor, general 57614
assembly, entities in the public and private sectors, and 57615
consumers on strategies to expand affordable health insurance 57616
coverage to more individuals and to improve the cost and quality 57617
of the state's health insurance system and health care system. 57618

(B) The council shall consist of the following members: 57619

(7) Two members of the senate, one member appointed by the 57632
president of the senate and one member appointed by the minority 57633
leader of the senate; 57634

(8) The following members appointed by the governor, with the 57635
advice and consent of the senate: 57636

(a) Two representatives of consumers of health care services; 57637

(b) Two representatives of employers that provide health care 57638

<u>coverage to their employees;</u>	57639

	57661
<u>(j) One representative of a state retirement system;</u>	57662

<u>(9) Other members appointed by the superintendent of insurance.</u>	57664
	57665
<u>(C) Not later than thirty days after the effective date of</u>	57666

this section, initial appointments shall be made to the council. 57667
The initial legislative members shall be appointed for terms 57668
ending three years from the date of appointment. The initial 57669

the same day of the same month as the term it succeeds. Each 57675

prior to the expiration of the term for which the member's 57683
predecessor was appointed shall hold office for the remainder of 57684
that term. A member shall continue in office subsequent to the 57685
expiration date of the member's term until the member's successor 57686
takes office or until a period of sixty days has elapsed, 57687
whichever occurs first. 57688

(D) The superintendent or the superintendent's designee shall 57689

regular employment duties. 57695

(F) The superintendent may provide staff and other 57696

Carriers offering health benefit plans to small employers shall file annually with the superintendent of insurance an actuarial certification stating that the underwriting and rating methods of the carrier do all of the following: 57742
57743

Sec. 3929.43. (A) The Ohio fair plan underwriting association 57765
is hereby created consisting of all insurers authorized to write 57766
within this state, on a direct basis, basic property insurance or 57767
any component thereof in multi-peril policies, to assist 57768
applicants in urban areas to secure basic property insurance or 57769
homeowners insurance, and to formulate and administer a program 57770
for the equitable apportionment of basic property insurance or 57771
homeowners insurance which cannot be obtained in the normal 57772
market. Every such insurer shall be a member of the association 57773
and shall remain a member as a condition of its authority to write 57774
any of such insurance in this state. 57775

(B) The association, pursuant to sections 3929.41 to 3929.49 57776
of the Revised Code, and the plan of operation, with respect to 57777

(C) The board of governors of the association shall submit to 57780
the superintendent of insurance, for ~~his~~ approval, a proposed plan 57781
of operation which shall provide for economical, fair, and 57782

homeowners insurance which may be afforded in urban areas to 57785
applicants whose property is insurable in accordance with 57786
reasonable underwriting standards, but who are unable to procure 57787
such insurance through normal channels. The association is under 57788

insurable risk in accordance with reasonable underwriting 57793
standards. The plan of operation shall provide that the 57794
association, in determining whether the property is insurable, 57795
shall give no consideration to the condition of surrounding 57796

control of the applicant. Rates for basic property insurance and 57798
homeowners insurance shall ~~not exceed those rates filed with~~ be 57799

~~shall be subject to the approval of the superintendent in the same~~ 57804
~~manner as other deviations under Chapter 3935. of the Revised~~ 57805
~~Code.~~ The plan of operation may also provide for assessment of all 57806
members in amounts sufficient to operate the association, maximum 57807
limits of liability per location to be placed through the program, 57808

shall not be construed to invalidate any proceeding or action of 58683
the state employment relations board. 58684

(L) In case of neglect or refusal to obey a subpoena issued 58685
to any person, the court of common pleas of the county in which 58686
the investigation or the public hearing occurs, upon application 58687
by the state employment relations board, may issue an order 58688
requiring the person to appear before the state employment 58689

employment relations board, the executive director, or both, or 58709
such other person as the chairperson designates for that purpose. 58710

(O) Whenever the state employment relations board determines 58711
that a substantial controversy exists with respect to the 58712
application or interpretation of this chapter and the matter is of 58713
public or great general interest, the state employment relations 58714
board shall certify its final order directly to the court of 58715
appeals having jurisdiction over the area in which the principal 58716
office of the public employer directly affected by the application 58717
or interpretation is located. The chairperson shall file with the 58718
clerk of the court a certified copy of the transcript of the 58719
proceedings before the state employment relations board pertaining 58720
to the final order. If upon hearing and consideration the court 58721
decides that the final order of the state employment relations 58722
board is unlawful or is not supported by substantial evidence on 58723
the record as a whole, the court shall reverse and vacate the 58724
final order or modify it and enter final judgment in accordance 58725
with the modification; otherwise, the court shall affirm the final 58726
order. The notice of the final order of the state employment 58727

of this division, the state employment relations board has 58734
standing to bring its final order properly before the court of 58735
appeals. 58736

(P) Except as otherwise specifically provided in this 58737
section, the state employment relations board is subject to 58738

appropriate hearing upon due notice to the parties. 58760

If the board finds upon the record of a hearing that a 58761

question of representation exists, it shall direct an election and 58762
certify the results thereof. No one may vote in an election by 58763
~~mail or~~ proxy. The board may also certify an employee organization 58764
as an exclusive representative if it determines that a free and 58765
untrammelled election cannot be conducted because of the 58766
employer's unfair labor practices and that at one time the 58767
employee organization had the support of the majority of the 58768
employees in the unit. 58769

(B) Only the names of those employee organizations designated 58770
by more than ten per cent of the employees in the unit found to be 58771

purpose of a consent election. 58775

(C) The board shall conduct representation elections by 58776

include on the ballot a choice of "no representative"; 58788

(5) In an election where none of the choices on the ballot 58789

that case, the ballot shall provide for a selection between the 58791
two choices or parties receiving the highest and the second 58792

highest number of ballots cast in the election. 58793

(6) The board may not conduct an election under this section 58794
in any appropriate bargaining unit within which a board-conducted 58795
election was held in the preceding twelve-month period, nor during 58796
the term of any lawful collective bargaining agreement between a 58797
public employer and an exclusive representative. 58798

Petitions for elections may be filed with the board no sooner 58799
than one hundred twenty days or later than ninety days before the 58800
expiration date of any collective bargaining agreement, or after 58801
the expiration date, until the public employer and exclusive 58802
representative enter into a new written agreement. 58803

For the purposes of this section, extensions of agreements do 58804

Sec. 4117.12. (A) Whoever violates section 4117.11 of the 58806
Revised Code is guilty of an unfair labor practice remediable by 58807

(B) When anyone files a charge with the board alleging that 58809
an unfair labor practice has been committed, the board or its 58810
designated agent shall investigate the charge. If the board has 58811
probable cause for believing that a violation has occurred, the 58812
board shall issue a complaint and shall conduct a hearing 58813
concerning the charge. The board shall cause the complaint to be 58814
served upon the charged party which shall contain a notice of the 58815
time at which the hearing on the complaint will be held either 58816
before the board, a board member, or ~~a hearing officer~~ an 58817
administrative law judge. The board may not issue a notice of 58818
hearing based upon any unfair labor practice occurring more than 58819
ninety days prior to the filing of the charge with the board, 58820
unless the person aggrieved thereby is prevented from filing the 58821
charge by reason of service in the armed forces, in which event 58822
the ninety-day period shall be computed from the day of ~~his~~ the 58823

person's discharge. If the board dismisses a complaint as 58824
frivolous, it shall assess costs to the complainant pursuant to 58825
its standards governing such matters, and for that purpose, the 58826
board shall adopt a rule defining the standards by which the board 58827

be assessed accordingly. 58829

(1) The board, board member, or ~~hearing officer~~ 58830
administrative law judge shall hold a hearing on the charge within 58831

complaint, upon receipt of a notice from the charging party, at 58833
any time prior to the close of the hearing, and the charged party 58834
shall within ten days from receipt of the complaint or amendment 58835
to the complaint, file an answer to the complaint or amendment to 58836
the complaint. The charged party may file an answer to an original 58837
or amended complaint. The agents of the board and the person 58838
charged are parties and may appear or otherwise give evidence at 58839
the hearing. At the discretion of the board, board member, or 58840
~~hearing officer~~ administrative law judge, any interested party may 58841
intervene and present evidence at the hearing. The board, board 58842
member, or ~~hearing officer~~ administrative law judge is not bound 58843
by the rules of evidence prevailing in the courts. 58844

(2) A board member or ~~hearing officer~~ administrative law 58845
judge who conducts the hearing shall reduce the evidence taken to 58846
writing and file it with the board. The board member or the 58847
~~hearing officer~~ administrative law judge may thereafter take 58848
further evidence or hear further argument if notice is given to 58849
all interested parties. The ~~hearing officer~~ administrative law 58850
judge or board member shall issue to the parties a proposed 58851
decision, together with a recommended order and file it with the 58852
board. If the parties file no exceptions within twenty days after 58853
service thereof, the recommended order becomes the order of the 58854
board effective as therein prescribed. If the parties file 58855

exceptions to the proposed report, the board shall determine 58856
whether substantial issues have been raised. The board may rescind 58857
or modify the proposed order of the board member or ~~hearing~~ 58858
~~officer~~ administrative law judge; however, if the board determines 58859
that the exceptions do not raise substantial issues of fact or 58860
law, it may refuse to grant review, and the recommended order 58861
becomes effective as therein prescribed. 58862

(3) If upon the preponderance of the evidence taken, the 58863
board believes that any person named in the complaint has engaged 58864
in any unfair labor practice, the board shall state its findings 58865
of fact and issue and cause to be served on the person an order 58866
requiring that ~~he~~ the person cease and desist from these unfair 58867
labor practices, and take such affirmative action, including 58868
reinstatement of employees with or without back pay, as will 58869
effectuate the policies of Chapter 4117. of the Revised Code. If 58870
upon a preponderance of the evidence taken, the board believes 58871
that the person named in the complaint has not engaged in an 58872
unfair labor practice it shall state its findings of fact and 58873
issue an order dismissing the complaint. 58874

determines. No order of the board shall require the reinstatement 58880
of any individual as an employee who has been suspended or 58881
discharged, or require the payment to ~~him~~ the employee of any back 58882

to rights provided in section 4117.03 of the Revised Code and the 58884
procedure contained in the collective bargaining agreement 58885
governing suspension or discharge was followed. The order of the 58886
board may require the party against whom the order is issued to 58887

make periodic reports showing the extent to which ~~he~~ the party has 58888
complied with the order. 58889

an unfair labor practice and that the complainant will suffer 58891
substantial and irreparable injury if not granted temporary 58892
relief, the board may petition the court of common pleas for any 58893
county wherein the alleged unfair labor practice in question 58894
occurs, or wherein any person charged with the commission of any 58895

appropriate injunctive relief, pending the final adjudication by 58897
the board with respect to the matter. Upon the filing of any 58898
petition, the court shall cause notice thereof to be served upon 58899
the parties, and thereupon has jurisdiction to grant the temporary 58900

(2) The application is prohibited from being accepted by 60027
division (D) of section 2935.27, division (A) of section 2937.221, 60028

is required but does not accompany the application or, in the case 60032
of an electronic certificate of title, is required but is not 60033
presented in a manner prescribed by the registrar's rules. 60034

(4) All registration and transfer fees for the motor vehicle, 60035

certificate for the motor vehicle as provided in section 3704.14 60039

of the Revised Code, and rules adopted under it, if that section
is applicable.

This section does not require the payment of license or
registration taxes on a motor vehicle for any preceding year, or
for any preceding period of a year, if the motor vehicle was not
taxable for that preceding year or period under sections 4503.02,
4503.04, 4503.11, 4503.12, and 4503.16 or Chapter 4504. of the
Revised Code. When a certificate of registration is issued upon
the first registration of a motor vehicle by or on behalf of the
owner, the official issuing the certificate shall indicate the
issuance with a stamp on the certificate of title or memorandum
certificate or, in the case of an electronic certificate of title,
an electronic stamp or other notation as specified in rules
adopted by the registrar, and with a stamp on the inspection
certificate for the motor vehicle, if any. The official also shall
indicate, by a stamp or by other means the registrar prescribes,
on the registration certificate issued upon the first registration
of a motor vehicle by or on behalf of the owner the odometer
reading of the motor vehicle as shown in the odometer statement
included in or attached to the certificate of title. Upon each
subsequent registration of the motor vehicle by or on behalf of
the same owner, the official also shall so indicate the odometer
reading of the motor vehicle as shown on the immediately preceding
certificate of registration.

The registrar shall include in the permanent registration
record of any vehicle required to be inspected under section
3704.14 of the Revised Code the inspection certificate number from
the inspection certificate that is presented at the time of
registration of the vehicle as required under this division.

(C)(1) Except as otherwise provided in division (C)(1) of
this section, for each registration renewal with an expiration
date on or after October 1, 2003, and for each initial application

for registration received on and after that date, the registrar 60072
and each deputy registrar shall collect an additional fee of 60073
eleven dollars for each application for registration and 60074
registration renewal received. For vehicles specified in divisions 60075
(A)(1) to (21) of section 4503.042 of the Revised Code, commencing 60076
with each registration renewal with an expiration date on or after 60077
October 1, 2009, and for each initial application received on or 60078
after that date, the registrar and deputy registrar shall collect 60079
an additional fee of thirty dollars for each application for 60080
registration and registration renewal received. The additional fee 60081
is for the purpose of defraying the department of public safety's 60082
costs associated with the administration and enforcement of the 60083
motor vehicle and traffic laws of Ohio. Each deputy registrar 60084
shall transmit the fees collected under division (C)(1) of this 60085
section in the time and manner provided in this section. The 60086
registrar shall deposit all moneys received under division (C)(1) 60087
of this section into the state highway safety fund established in 60088
section 4501.06 of the Revised Code. 60089

60090

(2) In addition, a charge of twenty-five cents shall be made 60091
for each reflectorized safety license plate issued, and a single 60092
charge of twenty-five cents shall be made for each county 60093
identification sticker or each set of county identification 60094
stickers issued, as the case may be, to cover the cost of 60095
producing the license plates and stickers, including material, 60096
manufacturing, and administrative costs. Those fees shall be in 60097
addition to the license tax. If the total cost of producing the 60098
plates is less than twenty-five cents per plate, or if the total 60099
cost of producing the stickers is less than twenty-five cents per 60100
sticker or per set issued, any excess moneys accruing from the 60101
fees shall be distributed in the same manner as provided by 60102
section 4501.04 of the Revised Code for the distribution of 60103
license tax moneys. If the total cost of producing the plates 60104

exceeds twenty-five cents per plate, or if the total cost of 60105
producing the stickers exceeds twenty-five cents per sticker or 60106
per set issued, the difference shall be paid from the license tax 60107
moneys collected pursuant to section 4503.02 of the Revised Code. 60108

(D) Each deputy registrar shall be allowed a fee of three 60109
dollars and fifty cents for each application for registration and 60110
registration renewal notice the deputy registrar receives, which 60111
shall be for the purpose of compensating the deputy registrar for 60112
the deputy registrar's services, and such office and rental 60113
expenses, as may be necessary for the proper discharge of the 60114
deputy registrar's duties in the receiving of applications and 60115
renewal notices and the issuing of registrations. 60116

(E) Upon the certification of the registrar, the county 60117
sheriff or local police officials shall recover license plates 60118
erroneously or fraudulently issued. 60119

(F) Each deputy registrar, upon receipt of any application 60120
for registration or registration renewal notice, together with the 60121
license fee and any local motor vehicle license tax levied 60122
pursuant to Chapter 4504. of the Revised Code, shall transmit that 60123
fee and tax, if any, in the manner provided in this section, 60124
together with the original and duplicate copy of the application, 60125
to the registrar. The registrar, subject to the approval of the 60126
director of public safety, may deposit the funds collected by 60127
those deputies in a local bank or depository to the credit of the 60128
"state of Ohio, bureau of motor vehicles." Where a local bank or 60129
depository has been designated by the registrar, each deputy 60130
registrar shall deposit all moneys collected by the deputy 60131
registrar into that bank or depository not more than one business 60132

of the amounts so deposited, together with any other information, 60134
some of which may be prescribed by the treasurer of state, as the 60135
registrar may require and as prescribed by the registrar by rule. 60136

The registrar, within three days after receipt of notification of 60137
the deposit of funds by a deputy registrar in a local bank or 60138
depository, shall draw on that account in favor of the treasurer 60139
of state. The registrar, subject to the approval of the director 60140
and the treasurer of state, may make reasonable rules necessary 60141
for the prompt transmittal of fees and for safeguarding the 60142
interests of the state and of counties, townships, municipal 60143
corporations, and transportation improvement districts levying 60144
local motor vehicle license taxes. The registrar may pay service 60145
charges usually collected by banks and depositories for such 60146
service. If deputy registrars are located in communities where 60147
banking facilities are not available, they shall transmit the fees 60148
forthwith, by money order or otherwise, as the registrar, by rule 60149
approved by the director and the treasurer of state, may 60150
prescribe. The registrar may pay the usual and customary fees for 60151
such service. 60152

(G) This section does not prevent any person from making an 60153
application for a motor vehicle license directly to the registrar 60154
by mail, by electronic means, or in person at any of the 60155
registrar's offices, upon payment of a service fee of three 60156
dollars and fifty cents for each application. 60157

(H) No person shall make a false statement as to the district 60158
of registration in an application required by division (A) of this 60159
section. Violation of this division is falsification under section 60160
2921.13 of the Revised Code and punishable as specified in that 60161
section. 60162

60719

(C) When an organization, a person with a disability that 60720

providing it with special equipment for a person with a disability 60724

and every fifth year thereafter, the organization or person shall 60727
submit a signed statement from the applicant's health care 60728
provider, a completed application, and any required documentary 60729
evidence of vehicle alterations as provided in division (B) of 60730
this section, and also a power of attorney from the owner of the 60731

of these items, the registrar or deputy registrar shall issue to 60733

the applicant appropriate vehicle registration and a set of 60734
license plates and validation stickers, or validation stickers 60735

addition to the letters and numbers ordinarily inscribed thereon, 60737
the license plates shall be imprinted with the international 60738

tax levied under Chapter 4504. of the Revised Code, and the 60742
payment of a service fee equal to the amount specified in division 60743
(D) or (G) of section 4503.10 of the Revised Code. 60744

60745

(D)(1) Upon receipt of a completed and signed application for 60746
a removable windshield placard, a prescription as described in 60747
division (B) of this section, documentary evidence of regular 60748
transport of persons with disabilities that limit or impair the 60749
ability to walk, if required, and payment of a service fee equal 60750
to the amount specified in division (D) or (G) of section 4503.10 60751
of the Revised Code, the registrar or deputy registrar shall issue 60752
to the applicant a removable windshield placard, which shall bear 60753
the date of expiration on both sides of the placard and shall be 60754
valid until expired, revoked, or surrendered. Every removable 60755
windshield placard expires as described in division (D)(2) of this 60756
section, but in no case shall a removable windshield placard be 60757
valid for a period of less than sixty days. Removable windshield 60758
placards shall be renewable upon application as provided in 60759
division (B) of this section, and a service fee equal to the 60760
amount specified in division (D) or (G) of section 4503.10 of the 60761
Revised Code shall be charged for the renewal of a removable 60762
windshield placard. The registrar shall provide the application 60763
form and shall determine the information to be included thereon. 60764
The registrar also shall determine the form and size of the 60765
removable windshield placard, the material of which it is to be 60766

made, and any other information to be included thereon, and shall 60767
adopt rules relating to the issuance, expiration, revocation, 60768
surrender, and proper display of such placards. Any placard issued 60769
after October 14, 1999, shall be manufactured in a manner that 60770
allows the expiration date of the placard to be indicated on it 60771
through the punching, drilling, boring, or creation by any other 60772
means of holes in the placard. 60773

(2) At the time a removable windshield placard is issued to a 60774
person with a disability that limits or impairs the ability to 60775
walk, the registrar or deputy registrar shall enter into the 60776
records of the bureau of motor vehicles the last date on which the 60777
person will have that disability, as indicated on the accompanying 60778
prescription. Not less than thirty days prior to that date and all 60779
removable windshield placard renewal dates, the bureau shall send 60780
a renewal notice to that person at the person's last known address 60781
as shown in the records of the bureau, informing the person that 60782
the person's removable windshield placard will expire on the 60783
indicated date not to exceed five years from the date of issuance, 60784
and that the person is required to renew the placard by submitting 60785
to the registrar or a deputy registrar another prescription, as 60786
described in division (B) of this section, and by complying with 60787
the renewal provisions prescribed in division (D)(1) of this 60788
section. If such a prescription is not received by the registrar 60789
or a deputy registrar by that date, the placard issued to that 60790
person expires and no longer is valid, and this fact shall be 60791
recorded in the records of the bureau. 60792

(3) At least once every year, on a date determined by the 60793
registrar, the bureau shall examine the records of the office of 60794
vital statistics, located within the department of health, that 60795
pertain to deceased persons, and also the bureau's records of all 60796
persons who have been issued removable windshield placards and 60797
temporary removable windshield placards. If the records of the 60798

office of vital statistics indicate that a person to whom a 60799
removable windshield placard or temporary removable windshield 60800
placard has been issued is deceased, the bureau shall cancel that 60801
placard, and note the cancellation in its records. 60802

The office of vital statistics shall make available to the 60803
bureau all information necessary to enable the bureau to comply 60804
with division (D)(3) of this section. 60805

(4) Nothing in this section shall be construed to require a 60806
person or organization to apply for a removable windshield placard 60807
or special license plates if the parking card or special license 60808
plates issued to the person or organization under prior law have 60809
not expired or been surrendered or revoked. 60810

(E)(1)(a) Any person with a disability that limits or impairs 60811
the ability to walk may apply to the registrar or a deputy 60812
registrar for a temporary removable windshield placard. The 60813
application for a temporary removable windshield placard shall be 60814
accompanied by a prescription from the applicant's health care 60815
provider prescribing such a placard for the applicant, provided 60816
that the applicant meets at least one of the criteria contained in 60817
division (A)(1) of this section and that the disability is 60818
expected to continue for six consecutive months or less. The 60819
health care provider shall state on the prescription the length of 60820
time the health care provider expects the applicant to have the 60821
disability that limits or impairs the applicant's ability to walk, 60822
which cannot exceed six months from the date of the prescription. 60823
Upon receipt of an application for a temporary removable 60824
windshield placard, presentation of the prescription from the 60825
applicant's health care provider, and payment of a service fee 60826
equal to the amount specified in division (D) or (G) of section 60827
4503.10 of the Revised Code, the registrar or deputy registrar 60828
shall issue to the applicant a temporary removable windshield 60829
placard. 60830

(b) Any active-duty member of the armed forces of the United States, including the reserve components of the armed forces and the national guard, who has an illness or injury that limits or impairs the ability to walk may apply to the registrar or a deputy registrar for a temporary removable windshield placard. With the application, the person shall present evidence of the person's active-duty status and the illness or injury. Evidence of the illness or injury may include a current department of defense convalescent leave statement, any department of defense document indicating that the person currently has an ill or injured casualty status or has limited duties, or a prescription from any health care provider prescribing the placard for the applicant. Upon receipt of the application and the necessary evidence, the registrar or deputy registrar shall issue the applicant the temporary removable windshield placard without the payment of any service fee.

(2) The temporary removable windshield placard shall be of the same size and form as the removable windshield placard, shall be printed in white on a red-colored background, and shall bear the word "temporary" in letters of such size as the registrar shall prescribe. A temporary removable windshield placard also shall bear the date of expiration on the front and back of the placard, and shall be valid until expired, surrendered, or revoked, but in no case shall such a placard be valid for a period of less than sixty days. The registrar shall provide the application form and shall determine the information to be included on it, provided that the registrar shall not require a health care provider's prescription or certification for a person applying under division (E)(1)(b) of this section. The registrar also shall determine the material of which the temporary removable windshield placard is to be made and any other information to be included on the placard and shall adopt rules relating to the issuance, expiration, surrender, revocation, and proper display of

those placards. Any temporary removable windshield placard issued 60864
after October 14, 1999, shall be manufactured in a manner that 60865
allows for the expiration date of the placard to be indicated on 60866
it through the punching, drilling, boring, or creation by any 60867
other means of holes in the placard. 60868

(F) If an applicant for a removable windshield placard is a 60869
veteran of the armed forces of the United States whose disability, 60870
as defined in division (A)(1) of this section, is 60871
service-connected, the registrar or deputy registrar, upon receipt 60872
of the application, presentation of a signed statement from the 60873
applicant's health care provider certifying the applicant's 60874
disability, and presentation of such documentary evidence from the 60875
department of veterans affairs that the disability of the 60876
applicant meets at least one of the criteria identified in 60877
division (A)(1) of this section and is service-connected as the 60878
registrar may require by rule, but without the payment of any 60879
service fee, shall issue the applicant a removable windshield 60880
placard that is valid until expired, surrendered, or revoked. 60881

(G) Upon a conviction of a violation of division (I), (J), or 60882
(K) of this section, the court shall report the conviction, and 60883
send the placard or parking card, if available, to the registrar, 60884
who thereupon shall revoke the privilege of using the placard or 60885
parking card and send notice in writing to the placardholder or 60886
cardholder at that holder's last known address as shown in the 60887
records of the bureau, and the placardholder or cardholder shall 60888
return the placard or card if not previously surrendered to the 60889
court, to the registrar within ten days following mailing of the 60890
notice. 60891

Whenever a person to whom a removable windshield placard or 60892
parking card has been issued moves to another state, the person 60893
shall surrender the placard or card to the registrar; and whenever 60894
an organization to which a placard or card has been issued changes 60895

its place of operation to another state, the organization shall 60896
surrender the placard or card to the registrar. 60897

(H) Subject to division (F) of section 4511.69 of the Revised 60898

windshield placard, temporary removable windshield placard, 60900
parking card, or the special license plates authorized by this 60901
section is entitled to park the motor vehicle in any special 60902
parking location reserved for persons with disabilities that limit 60903
or impair the ability to walk, also known as handicapped parking 60904

division (B) or (E) of this section shall willfully and falsely 60907
represent that the person or organization is so eligible. 60908

under this section unless the license plates have been issued for 60910
the vehicle on which they are displayed and are valid. 60911

(J) No person or organization to which a removable windshield 60912
placard or temporary removable windshield placard is issued shall 60913
do either of the following: 60914

(1) Display or permit the display of the placard on any motor 60915
vehicle when having reasonable cause to believe the motor vehicle 60916
is being used in connection with an activity that does not include 60917
providing transportation for persons with disabilities that limit 60918
or impair the ability to walk; 60919

(2) Refuse to return or surrender the placard, when required. 60920

(K)(1) No person or organization to which a parking card is 60921

applicant, the clerk shall transmit data related to the 61130
transaction to the automated title processing system. 61131

(3) If a certificate of title previously has been issued for 61132
a motor vehicle in this state, the application for a certificate 61133
of title also shall be accompanied by that certificate of title 61134
duly assigned, unless otherwise provided in this chapter. If a 61135
certificate of title previously has not been issued for the motor 61136
vehicle in this state, the application, unless otherwise provided 61137
in this chapter, shall be accompanied by a manufacturer's or 61138
importer's certificate or by a certificate of title of another 61139
state from which the motor vehicle was brought into this state. If 61140

the application refers to a motor vehicle last previously 61141
registered in another state, the application also shall be 61142
accompanied by the physical inspection certificate required by 61143
section 4505.061 of the Revised Code. If the application is made 61144
by two persons regarding a motor vehicle in which they wish to 61145
establish joint ownership with right of survivorship, they may do 61146
so as provided in section 2131.12 of the Revised Code. If the 61147
applicant requests a designation of the motor vehicle in 61148
beneficiary form so that upon the death of the owner of the motor 61149
vehicle, ownership of the motor vehicle will pass to a designated 61150
transfer-on-death beneficiary or beneficiaries, the applicant may 61151
do so as provided in section 2131.13 of the Revised Code. A person 61152
who establishes ownership of a motor vehicle that is transferable 61153
on death in accordance with section 2131.13 of the Revised Code 61154
may terminate that type of ownership or change the designation of 61155
the transfer-on-death beneficiary or beneficiaries by applying for 61156
a certificate of title pursuant to this section. The clerk shall 61157
retain the evidence of title presented by the applicant and on 61158
which the certificate of title is issued, except that, if an 61159
application for a certificate of title is filed electronically by 61160
an electronic motor vehicle dealer on behalf of the purchaser of a 61161
motor vehicle, the clerk shall retain the completed electronic 61162
record to which the dealer converted the certificate of title 61163
application and other required documents. The registrar, after 61164
consultation with the attorney general, shall adopt rules that 61165
govern the location at which, and the manner in which, are stored 61166
the actual application and all other documents relating to the 61167
sale of a motor vehicle when an electronic motor vehicle dealer 61168
files the application for a certificate of title electronically on 61169
behalf of the purchaser. 61170

The clerk shall use reasonable diligence in ascertaining 61171
whether or not the facts in the application for a certificate of 61172
title are true by checking the application and documents 61173

accompanying it or the electronic record to which a dealer 61174
converted the application and accompanying documents with the 61175
records of motor vehicles in the clerk's office. If the clerk is 61176
satisfied that the applicant is the owner of the motor vehicle and 61177
that the application is in the proper form, the clerk, within five 61178
business days after the application is filed and except as 61179
provided in section 4505.021 of the Revised Code, shall issue a 61180
physical certificate of title over the clerk's signature and 61181
sealed with the clerk's seal, unless the applicant specifically 61182
requests the clerk not to issue a physical certificate of title 61183
and instead to issue an electronic certificate of title. For 61184
purposes of the transfer of a certificate of title, if the clerk 61185
is satisfied that the secured party has duly discharged a lien 61186
notation but has not canceled the lien notation with a clerk, the 61187
clerk may cancel the lien notation on the automated title 61188
processing system and notify the clerk of the county of origin. 61189

(4) In the case of the sale of a motor vehicle to a general 61190
buyer or user by a dealer, by a motor vehicle leasing dealer 61191
selling the motor vehicle to the lessee or, in a case in which the 61192
leasing dealer subleased the motor vehicle, the sublessee, at the 61193
end of the lease agreement or sublease agreement, or by a 61194
manufactured ~~home~~ housing broker, the certificate of title shall 61195
be obtained in the name of the buyer by the dealer, leasing 61196
dealer, or manufactured ~~home~~ housing broker, as the case may be, 61197
upon application signed by the buyer. The certificate of title 61198
shall be issued, or the process of entering the certificate of 61199
title application information into the automated title processing 61200
system if a physical certificate of title is not to be issued 61201
shall be completed, within five business days after the 61202
application for title is filed with the clerk. If the buyer of the 61203
motor vehicle previously leased the motor vehicle and is buying 61204
the motor vehicle at the end of the lease pursuant to that lease, 61205
the certificate of title shall be obtained in the name of the 61206

buyer by the motor vehicle leasing dealer who previously leased 61207
the motor vehicle to the buyer or by the motor vehicle leasing 61208
dealer who subleased the motor vehicle to the buyer under a 61209
sublease agreement. 61210

In all other cases, except as provided in section 4505.032 61211
and division (D)(2) of section 4505.11 of the Revised Code, such 61212
certificates shall be obtained by the buyer. 61213

(5)(a)(i) If the certificate of title is being obtained in 61214
the name of the buyer by a motor vehicle dealer or motor vehicle 61215
leasing dealer and there is a security interest to be noted on the 61216
certificate of title, the dealer or leasing dealer shall submit 61217
the application for the certificate of title and payment of the 61218
applicable tax to a clerk within seven business days after the 61219
later of the delivery of the motor vehicle to the buyer or the 61220
date the dealer or leasing dealer obtains the manufacturer's or 61221
importer's certificate, or certificate of title issued in the name 61222
of the dealer or leasing dealer, for the motor vehicle. Submission 61223
of the application for the certificate of title and payment of the 61224
applicable tax within the required seven business days may be 61225
indicated by postmark or receipt by a clerk within that period. 61226

(ii) Upon receipt of the certificate of title with the 61227
security interest noted on its face, the dealer or leasing dealer 61228
shall forward the certificate of title to the secured party at the 61229
location noted in the financing documents or otherwise specified 61230
by the secured party. 61231

(iii) A motor vehicle dealer or motor vehicle leasing dealer 61232
is liable to a secured party for a late fee of ten dollars per day 61233
for each certificate of title application and payment of the 61234
applicable tax that is submitted to a clerk more than seven 61235
business days but less than twenty-one days after the later of the 61236
delivery of the motor vehicle to the buyer or the date the dealer 61237
or leasing dealer obtains the manufacturer's or importer's 61238

certificate, or certificate of title issued in the name of the 61239
dealer or leasing dealer, for the motor vehicle and, from then on, 61240
twenty-five dollars per day until the application and applicable 61241
tax are submitted to a clerk. 61242

(b) In all cases of transfer of a motor vehicle except the 61243
transfer of a manufactured home or mobile home, the application 61244
for certificate of title shall be filed within thirty days after 61245
the assignment or delivery of the motor vehicle. ~~If~~ 61246

(c) An application for a certificate of title for a new 61247
manufactured home shall be filed within thirty days after the 61248
delivery of the new manufactured home to the purchaser. The date 61249
of the delivery shall be the date on which an occupancy permit for 61250
the manufactured home is delivered to the purchaser of the home by 61251
the appropriate legal authority. 61252

or used mobile home was issued to the motor vehicle dealer prior 61256
to the sale of the manufactured or mobile home to the purchaser, 61257
the application for certificate of title shall be filed within 61258
thirty days after the date on which an occupancy permit for the 61259
manufactured or mobile home is delivered to the purchaser by the 61260
appropriate legal authority. 61261

(ii) If the motor vehicle dealer has been designated by a 61262
secured party to display the manufactured or mobile home for sale, 61263
or to sell the manufactured or mobile home under section 4505.20 61264
of the Revised Code, but the certificate of title has not been 61265
transferred by the secured party to the motor vehicle dealer, and 61266
the dealer has complied with the requirements of division (A) of 61267
section 4505.181 of the Revised Code, the application for 61268
certificate of title shall be filed within thirty days after the 61269

date on which the motor vehicle dealer obtains the certificate of title for the home from the secured party or the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority, whichever occurs later. 61270

(6) If an application for a certificate of title is not filed within the period specified in division (A)(5)(b), (c), or (d) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be required from a motor vehicle salvage dealer, as defined in division (A) of section 4738.01 of the Revised Code, who immediately surrenders the certificate of title for cancellation. The fee shall be in addition to all other fees established by this chapter, and shall be retained by the clerk. issue a receipt prescribed by the registrar and agreed upon by the 61303
tax commissioner showing payment of the tax or a receipt issued by 61304
the commissioner showing the payment of the tax. When submitting 61305
payment of the tax to the clerk, a dealer shall retain any 61306
discount to which the dealer is entitled under section 5739.12 of 61307
the Revised Code. 61308

(2) For receiving and disbursing such taxes paid to the clerk 61309
by a resident of the clerk's county, the clerk may retain a 61310
poundage fee of one and one one-hundredth per cent, and the clerk 61311
shall pay the poundage fee into the certificate of title 61312
administration fund created by section 325.33 of the Revised Code. 61313
The clerk shall not retain a poundage fee from payments of taxes 61314
by persons who do not reside in the clerk's county. 61315

A clerk, however, may retain from the taxes paid to the clerk 61316
an amount equal to the poundage fees associated with certificates 61317
of title issued by other clerks of courts of common pleas to 61318
applicants who reside in the first clerk's county. The registrar, 61319
in consultation with the tax commissioner and the clerks of the 61320
courts of common pleas, shall develop a report from the automated 61321
title processing system that informs each clerk of the amount of 61322
the poundage fees that the clerk is permitted to retain from those 61323
taxes because of certificates of title issued by the clerks of 61324
other counties to applicants who reside in the first clerk's 61325
county. 61326

(3) In the case of casual sales of motor vehicles, as defined 61327
in section 4517.01 of the Revised Code, the price for the purpose 61328
of determining the tax shall be the purchase price on the assigned 61329

clerk by the buyer on a form to be prescribed by the registrar, 61331
which shall be prima-facie evidence of the amount for the 61332
determination of the tax. 61333

(4) Each county clerk shall forward to the treasurer of state 61334
all sales and use tax collections resulting from sales of motor 61335
vehicles, off-highway motorcycles, and all-purpose vehicles during 61336
a calendar week on or before the Friday following the close of 61337
that week. If, on any Friday, the offices of the clerk of courts 61338
or the state are not open for business, the tax shall be forwarded 61339
to the treasurer of state on or before the next day on which the 61340
offices are open. Every remittance of tax under division (B)(4) of 61341
this section shall be accompanied by a remittance report in such 61342
form as the tax commissioner prescribes. Upon receipt of a tax 61343
remittance and remittance report, the treasurer of state shall 61344
date stamp the report and forward it to the tax commissioner. If 61345
the tax due for any week is not remitted by a clerk of courts as 61346
required under division (B)(4) of this section, the commissioner 61347
may require the clerk to forfeit the poundage fees for the sales 61348
made during that week. The treasurer of state may require the 61349
clerks of courts to transmit tax collections and remittance 61350

odometer reading is not the actual mileage, the clerk shall enter 61357
the phrase "nonactual: warning - odometer discrepancy" following 61358
the mileage designation. The clerk shall use reasonable care in 61359
transferring the information supplied by the transferor, but is 61360
not liable for any errors or omissions of the clerk or those of 61361
the clerk's deputies in the performance of the clerk's duties 61362
created by this chapter. 61363

The registrar shall prescribe an affidavit in which the 61364
transferor shall swear to the true selling price and, except as 61365

provided in this division, the true odometer reading of the motor 61366
vehicle. The registrar may prescribe an affidavit in which the 61367
seller and buyer provide information pertaining to the odometer 61368
reading of the motor vehicle in addition to that required by this 61369
section, as such information may be required by the United States 61370
secretary of transportation by rule prescribed under authority of 61371
subchapter IV of the "Motor Vehicle Information and Cost Savings 61372
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 61373

(2) Division (C)(1) of this section does not require the 61374
giving of information concerning the odometer and odometer reading 61375
of a motor vehicle when ownership of a motor vehicle is being 61376
transferred as a result of a bequest, under the laws of intestate 61377
succession, to a survivor pursuant to section 2106.18, 2131.12, or 61378
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 61379
beneficiaries pursuant to section 2131.13 of the Revised Code, in 61380
connection with the creation of a security interest or for a 61381
vehicle with a gross vehicle weight rating of more than sixteen 61382
thousand pounds. 61383

(D) When the transfer to the applicant was made in some other 61384
state or in interstate commerce, the clerk, except as provided in 61385
this section, shall refuse to issue any certificate of title 61386
unless the tax imposed by or pursuant to Chapter 5741. of the 61387
Revised Code based on the purchaser's county of residence has been 61388
paid as evidenced by a receipt issued by the tax commissioner, or 61389
unless the applicant submits with the application payment of the 61390
tax. Upon payment of the tax in accordance with division (E) of 61391
this section, the clerk shall issue a receipt prescribed by the 61392
registrar and agreed upon by the tax commissioner, showing payment 61393
of the tax. 61394

For receiving and disbursing such taxes paid to the clerk by 61395
a resident of the clerk's county, the clerk may retain a poundage 61396
fee of one and one one-hundredth per cent. The clerk shall not 61397

retain a poundage fee from payments of taxes by persons who do not 61398
reside in the clerk's county. 61399

A clerk, however, may retain from the taxes paid to the clerk 61400
an amount equal to the poundage fees associated with certificates 61401
of title issued by other clerks of courts of common pleas to 61402
applicants who reside in the first clerk's county. The registrar, 61403
in consultation with the tax commissioner and the clerks of the 61404
courts of common pleas, shall develop a report from the automated 61405
title processing system that informs each clerk of the amount of 61406
the poundage fees that the clerk is permitted to retain from those 61407
taxes because of certificates of title issued by the clerks of 61408
other counties to applicants who reside in the first clerk's 61409
county. 61410

When the vendor is not regularly engaged in the business of 61411
selling motor vehicles, the vendor shall not be required to 61412
purchase a vendor's license or make reports concerning those 61413
sales. 61414

(E) The clerk shall accept any payment of a tax in cash, or 61415
by cashier's check, certified check, draft, money order, or teller 61416
check issued by any insured financial institution payable to the 61417
clerk and submitted with an application for a certificate of title 61418
under division (B) or (D) of this section. The clerk also may 61419
accept payment of the tax by corporate, business, or personal 61420
check, credit card, electronic transfer or wire transfer, debit 61421
card, or any other accepted form of payment made payable to the 61422
clerk. The clerk may require bonds, guarantees, or letters of 61423
credit to ensure the collection of corporate, business, or 61424
personal checks. Any service fee charged by a third party to a 61425
clerk for the use of any form of payment may be paid by the clerk 61426
from the certificate of title administration fund created in 61427
section 325.33 of the Revised Code, or may be assessed by the 61428
clerk upon the applicant as an additional fee. Upon collection, 61429

the additional fees shall be paid by the clerk into that certificate of title administration fund.

The clerk shall make a good faith effort to collect any payment of taxes due but not made because the payment was returned or dishonored, but the clerk is not personally liable for the payment of uncollected taxes or uncollected fees. The clerk shall notify the tax commissioner of any such payment of taxes that is due but not made and shall furnish the information to the commissioner that the commissioner requires. The clerk shall deduct the amount of taxes due but not paid from the clerk's periodic remittance of tax payments, in accordance with procedures agreed upon by the tax commissioner. The commissioner may collect taxes due by assessment in the manner provided in section 5739.13 of the Revised Code.

Any person who presents payment that is returned or dishonored for any reason is liable to the clerk for payment of a penalty over and above the amount of the taxes due. The clerk shall determine the amount of the penalty, and the penalty shall be no greater than that amount necessary to compensate the clerk for banking charges, legal fees, or other expenses incurred by the clerk in collecting the returned or dishonored payment. The remedies and procedures provided in this section are in addition to any other available civil or criminal remedies. Subsequently collected penalties, poundage fees, and title fees, less any title fee due the state, from returned or dishonored payments collected by the clerk shall be paid into the certificate of title administration fund. Subsequently collected taxes, less poundage fees, shall be sent by the clerk to the treasurer of state at the next scheduled periodic remittance of tax payments, with information as the commissioner may require. The clerk may abate all or any part of any penalty assessed under this division.

(F) In the following cases, the clerk shall accept for filing

an application and shall issue a certificate of title without 61462
requiring payment or evidence of payment of the tax: 61463

(4) When the purchaser is the federal government; 61472

(5) When the motor vehicle was purchased outside this state 61473
for use outside this state; 61474

(6) When the motor vehicle is purchased by a nonresident 61475
under the circumstances described in division (B)(1) of section 61476

the affidavit provided by that section, and a copy of the 61478
exemption certificate provided by section 5739.03 of the Revised 61479
Code. 61480

(G) An application, as prescribed by the registrar and agreed 61481
to by the tax commissioner, shall be filled out and sworn to by 61482

shall contain the following notice in bold lettering: "WARNING TO 61484

division (H) of section 4505.11 of the Revised Code and for each 61504
certificate of title issued upon transfer of ownership of the 61505
home. The clerk shall credit the fee to the county certificate of 61506
title administration fund, and the fee shall be used to pay the 61507
expenses of archiving those certificates pursuant to division (A) 61508

this section constitutes a deceptive act or practice in connection 61795
with a consumer transaction, and is a violation of section 1345.02 61796
of the Revised Code. 61797

(F) The remedy provided in this section to retail purchasers 61798

of this section at the time of the traffic offense, motor vehicle 62344
inspection, or accident that resulted in the order against the 62345

division does not apply unless the person shows good cause for the 62347

(2) A peace officer shall request the owner or operator of a 62372
motor vehicle to produce proof of financial responsibility in a 62373
manner described in division (G) of this section at the time the 62374

4513.02 of the Revised Code. 62377

(3) A peace officer shall indicate on every traffic ticket 62378
whether the person receiving the traffic ticket produced proof of 62379
the maintenance of financial responsibility in response to the 62380

officer shall inform every person who receives a traffic ticket 62382
and who has failed to produce proof of the maintenance of 62383
financial responsibility that the person must submit proof to the 62384
traffic violations bureau with any payment of a fine and costs for 62385
the ticketed violation or, if the person is to appear in court for 62386
the violation, the person must submit proof to the court. 62387

(4)(a) If a person who has failed to produce proof of the 62388
maintenance of financial responsibility appears in court for a 62389
ticketed violation, the court may permit the defendant to present 62390
evidence of proof of financial responsibility to the court at such 62391
time and in such manner as the court determines to be necessary or 62392
appropriate. In a manner prescribed by the registrar, the clerk of 62393
courts shall provide the registrar with the identity of any person 62394
who fails to submit proof of the maintenance of financial 62395
responsibility pursuant to division (D)(3) of this section. 62396

(b) If a person who has failed to produce proof of the 62397
maintenance of financial responsibility also fails to submit that 62398

(B)(6) of section 4510.02 of the Revised Code on any person who is 62880
named in a declaration received by the registrar under this 62881
section. The registrar shall send written notification of the 62882
suspension to the person at the person's last known address and, 62883
if the person is in possession of the license, order the person to 62884
surrender the person's license or permit to the registrar within 62885
forty-eight hours. 62886

No valid driver's or commercial driver's license shall be 62887
granted to the person after the suspension, unless the court 62888
having jurisdiction of the offense that led to the suspension 62889

driver's license or permit of the person named in a declaration of 62908
forfeiture, the registrar, upon receipt from the court of the copy 62909
of the declaration of forfeiture, shall take any measures that may 62910
be necessary to ensure that neither the registrar nor any deputy 62911
registrar accepts any application for the registration or transfer 62912
of registration of any motor vehicle owned or leased by the person 62913
named in the declaration of forfeiture. However, for a motor 62914
vehicle leased by a person named in a declaration of forfeiture, 62915
the registrar shall not implement the preceding sentence until the 62916
registrar adopts procedures for that implementation under section 62917

or transfer shall continue until such time as the court having 62919
jurisdiction of the offense that led to the suspension orders the 62920
forfeiture be terminated. Upon receipt by the registrar of an 62921
order terminating the forfeiture, the registrar also shall take 62922

eligible to register the motor vehicle or to transfer its 62927
registration. 62928

The registrar shall not be required to give effect to any 62929

contained in the declaration or order is transmitted to the 62932
registrar by means of an electronic transfer system. The registrar 62933
shall not restore the person's driving or vehicle registration 62934

in this section. 62936

The period of denial relating to the issuance or transfer of 62937
a certificate of registration for a motor vehicle imposed pursuant 62938
to this division remains in effect until the person pays any fine 62939
imposed by the court relative to the offense. 62940
