public appointing authority is not required to return the 3449
reimbursement or any portion of it. 3450

(F) Each public appointing authority that receives funds 3451

appointed peace officers and troopers to complete up to 3465
twenty-four hours of continuing professional training each 3466
calendar year, as directed by the Ohio peace officer training 3467
commission. The number of hours directed by the commission, up to 3468

twenty-four hours, is intended to be a minimum requirement, and 3469
appointing authorities are encouraged to exceed the number of 3470
hours the commission directs as the minimum. The commission shall 3471
set the required minimum number of hours based upon available 3472
funding for reimbursement as described in this division. If no 3473
funding for the reimbursement is available, no continuing 3474
professional training will be required. 3475

(2) An appointing authority may submit a written request to 3476
the peace officer training commission that requests for a calendar 3477
year because of emergency circumstances an extension of the time 3478
within which one or more of its appointed peace officers or 3479
troopers must complete the required minimum number of hours of 3480
continuing professional training set by the commission, as 3481
described in division (A)(1) of this section. A request made under 3482
this division shall set forth the name of each of the appointing 3483
authority's peace officers or troopers for whom an extension is 3484

submitted to the commission. A request shall be made under this 3488

calendar year for which the extension is requested. 3490

Upon receipt of a written request made under this division, 3491
the executive director of the commission shall review the request 3492
and the submitted documentation. If the executive director of the 3493
commission is satisfied that emergency circumstances exist for any 3494
peace officer or trooper for whom a request was made under this 3495
division, the executive director may approve the request for that 3496
peace officer or trooper and grant an extension of the time within 3497
which that peace officer or trooper must complete the required 3498
minimum number of hours of continuing professional training set by 3499
the commission. An extension granted under this division may be 3500

for any period of time the executive director believes to be 3501
appropriate, and the executive director shall specify in the 3502
notice granting the extension the date on which the extension 3503
ends. Not later than thirty days after the date on which a request 3504
is submitted to the commission, for each peace officer and trooper 3505
for whom an extension is requested, the executive director either 3506
shall approve the request and grant an extension or deny the 3507
request and deny an extension and shall send to the appointing 3508
authority that submitted the request written notice of the 3509
executive director's decision. 3510

If the executive director grants an extension of the time 3511
within which a particular appointed peace officer or trooper of an 3512
appointing authority must complete the required minimum number of 3513
hours of continuing professional training set by the commission, 3514
the appointing authority shall require that peace officer or 3515
trooper to complete the required minimum number of hours of 3516
training not later than the date on which the extension ends. 3517

~~(3)(a) If a public appointing authority complies with the 3518
training requirement specified in division (A)(1) of this section 3519
by requiring each of its appointed peace officers and troopers to 3520
complete the number of hours of training the commission directs as 3521
the minimum and with division (B) of section 109.761 of the 3522
Revised Code and if the appointed peace officers and troopers of 3523
the public appointing authority comply with section 109.801 of the 3524
Revised Code to the extent that they are subject to that section 3525
and comply with all other training mandated by the general 3526
assembly or the attorney general, the attorney general shall 3527
reimburse the public appointing authority for the successful 3528
training costs of each of its appointed peace officers and 3529
troopers as provided in section 109.802 of the Revised Code. 3530~~

~~(b) If the executive director of the Ohio peace officer 3531
training commission grants pursuant to division (A)(2) of this 3532~~

~~section an extension of the time within which one or more 3533
appointed peace officers or troopers of a public appointing 3534
authority must complete the required minimum number of hours of 3535
continuing professional training set by the commission, and if the 3536
criteria set forth in division (A)(3)(a) of this section are 3537
satisfied regarding each appointed peace officer or trooper of the 3538
public appointing authority for whom such an extension was not 3539
granted, the attorney general shall reimburse the public 3540
appointing authority for the successful training costs of each of 3541
its appointed peace officers and troopers for whom such an 3542
extension was not granted, as provided in section 109.802 of the 3543
Revised Code. 3544~~

~~If an appointed peace officer or trooper of a public 3545
appointing authority for whom the executive director granted such 3546
an extension completes prior to the date on which the extension 3547
ends the number of hours of training the commission directs as the 3548
minimum, if the officer or trooper also has complied with section 3549
109.801 of the Revised Code to the extent that the officer or 3550
trooper is subject to that section and has complied with all other 3551
training mandated by the general assembly or the attorney general, 3552
and if the public appointing authority has complied with division 3553
(B) of section 109.761 of the Revised Code, the attorney general 3554
shall reimburse the public appointing authority for the successful 3555
training costs of that peace officer or trooper as provided in 3556
section 109.802 of the Revised Code. 3557~~

~~(B)(1) Subject to division (B)(2) of this section, no 3558
appointed peace officer or trooper of an appointing authority who 3559
fails to complete in any calendar year the required hours of 3560
continuing professional training the Ohio peace officer training 3561
commission directs pursuant to division (A) of this section as the 3562
minimum number of hours or who fails to comply with section 3563
109.801 of the Revised Code or any other required training shall 3564~~

~~carry a firearm during the course of official duties or perform 3565
the functions of a peace officer or trooper until evidence of the 3566
peace officer's or trooper's compliance with those requirements is 3567
filed with the executive director of the Ohio peace officer 3568
training commission. 3569~~

~~(2) If the executive director of the Ohio peace officer 3570
training commission grants pursuant to division (A)(2) of this 3571
section an extension of the time within which an appointed peace 3572
officer or trooper of an appointing authority must complete the 3573
required minimum number of hours of continuing professional 3574
training set by the commission, during the period of the extension 3575
division (B)(1) of this section does not apply to a peace officer 3576
or trooper for whom such an extension was granted, provided that 3577
peace officer or trooper has complied with section 109.801 of the 3578
Revised Code to the extent that the officer or trooper is subject 3579
to that section and has complied with all other required training. 3580
If a peace officer or trooper of an appointing authority for whom 3581
such an extension was granted fails to complete prior to the date 3582
on which the extension ends the required minimum number of hours 3583
of continuing professional training set by the commission, 3584
division (B)(1) of this section applies to that officer or trooper 3585
after the date on which the extension ends. 3586~~

~~(C)(B) With the advice of the Ohio peace officer training 3587
commission, the attorney general shall adopt in accordance with 3588
Chapter 119. of the Revised Code rules setting forth minimum 3589
standards for continuing professional training for peace officers 3590
and troopers and governing the administration of continuing 3591
professional training programs for peace officers and troopers. 3592
The attorney general shall transmit a certified copy of any rule 3593
adopted under this section to the secretary of state. 3594~~

Sec. 111.15. (A) As used in this section: 3595

(1) "Rule" includes any rule, regulation, bylaw, or standard 3596
having a general and uniform operation adopted by an agency under 3597
the authority of the laws governing the agency; any appendix to a 3598
rule; and any internal management rule. "Rule" does not include 3599
any guideline adopted pursuant to section 3301.0714 of the Revised 3600
Code, any order respecting the duties of employees, any finding, 3601
any determination of a question of law or fact in a matter 3602
presented to an agency, or any rule promulgated pursuant to 3603
Chapter 119., section 4141.14, division (C)(1) or (2) of section 3604

district, or state community college. "Agency" does not include 3611
the general assembly, the controlling board, the adjutant 3612
general's department, or any court. 3613

(3) "Internal management rule" means any rule, regulation, 3614
bylaw, or standard governing the day-to-day staff procedures and 3615
operations within an agency. 3616

(4) "Substantive revision" has the same meaning as in 3617
division (J) of section 119.01 of the Revised Code. 3618

(B)(1) Any rule, other than a rule of an emergency nature, 3619
adopted by any agency pursuant to this section shall be effective 3620
on the tenth day after the day on which the rule in final form and 3621
in compliance with division (B)(3) of this section is filed as 3622
follows: 3623

(a) The rule shall be filed in electronic form with both the 3624
secretary of state and the director of the legislative service 3625
commission; 3626

(b) The rule shall be filed in electronic form with the joint committee on agency rule review. Division (B)(1)(b) of this section does not apply to any rule to which division (D) of this section does not apply.

An agency that adopts or amends a rule that is subject to division (D) of this section shall assign a review date to the rule that is not later than five years after its effective date. If no review date is assigned to a rule, or if a review date assigned to a rule exceeds the five-year maximum, the review date for the rule is five years after its effective date. A rule with a review date is subject to review under section 119.032 of the Revised Code. This paragraph does not apply to a rule of a state college or university, community college district, technical college district, or state community college.

If all filings are not completed on the same day, the rule shall be effective on the tenth day after the day on which the latest filing is completed. If an agency in adopting a rule designates an effective date that is later than the effective date provided for by division (B)(1) of this section, the rule if filed as required by such division shall become effective on the later date designated by the agency.

Any rule that is required to be filed under division (B)(1) of this section is also subject to division (D) of this section if not exempted by division (D)(1), (2), (3), (4), (5), (6), (7), or (8) of this section.

If a rule incorporates a text or other material by reference, the agency shall comply with sections 121.71 to 121.76 of the Revised Code.

and in compliance with division (B)(3) of this section, shall be 3658
filed in electronic form with the secretary of state, the director 3659
of the legislative service commission, and the joint committee on 3660
agency rule review. The emergency rule is effective immediately 3661

adopting the emergency rule designates an effective date, or date 3663
and time of day, that is later than the effective date and time 3664
provided for by division (B)(2) of this section, the emergency 3665
rule if filed as required by such division shall become effective 3666
at the later date, or later date and time of day, designated by 3667
the agency. 3668

An emergency rule becomes invalid at the end of the ninetieth 3669
day it is in effect. Prior to that date, the agency may file the 3670
emergency rule as a nonemergency rule in compliance with division 3671
(B)(1) of this section. The agency may not refile the emergency 3672
rule in compliance with division (B)(2) of this section so that, 3673
upon the emergency rule becoming invalid under such division, the 3674
emergency rule will continue in effect without interruption for 3675
another ninety-day period. 3676

of this section in compliance with the following standards and 3678
procedures: 3679

be effective and the date on which it will expire, if known. 3686

(d) Each rule that amends or rescinds another rule shall 3687
clearly refer to the rule that is amended or rescinded. Each 3688

amendment shall fully restate the rule as amended. 3689

If the director of the legislative service commission or the 3690
director's designee gives an agency notice pursuant to section 3691
103.05 of the Revised Code that a rule filed by the agency is not 3692
in compliance with the rules of the legislative service 3693
commission, the agency shall within thirty days after receipt of 3694
the notice conform the rule to the rules of the commission as 3695
directed in the notice. 3696

(C) All rules filed pursuant to divisions (B)(1)(a) and (2) 3697
of this section shall be recorded by the secretary of state and 3698
the director under the title of the agency adopting the rule and 3699
shall be numbered according to the numbering system devised by the 3700
director. The secretary of state and the director shall preserve 3701
the rules in an accessible manner. Each such rule shall be a 3702
public record open to public inspection and may be transmitted to 3703
any law publishing company that wishes to reproduce it. 3704

(D) At least sixty-five days before a board, commission, 3705
department, division, or bureau of the government of the state 3706
files a rule under division (B)(1) of this section, it shall file 3707
the full text of the proposed rule in electronic form with the 3708
joint committee on agency rule review, and the proposed rule is 3709
subject to legislative review and invalidation under division (I) 3710
of section 119.03 of the Revised Code. If a state board, 3711
commission, department, division, or bureau makes a substantive 3712
revision in a proposed rule after it is filed with the joint 3713
committee, the state board, commission, department, division, or 3714
bureau shall promptly file the full text of the proposed rule in 3715
its revised form in electronic form with the joint committee. The 3716
latest version of a proposed rule as filed with the joint 3717

In addition to public notice given in the register of Ohio, 4335
the agency may give whatever other notice it reasonably considers 4336
necessary to ensure notice constructively is given to all persons 4337
who are subject to or affected by the proposed rule, amendment, or 4338

available for at least thirty days prior to the date of the 4365
hearing at the office of the agency in printed or other legible 4366
form without charge to any person affected by the proposal. 4367
Failure to furnish such text to any person requesting it shall not 4368
invalidate any action of the agency in connection therewith. 4369

If the agency files a substantive revision in the text of the 4370
proposed rule, amendment, or rescission under division (H) of this 4371
section, it shall also promptly file the full text of the proposed 4372

if adopted or effectuated, will be unreasonable or unlawful. An 4395
agency may permit persons affected by the proposed rule, 4396
amendment, or rescission to present their positions, arguments, or 4397
contentions in writing, not only at the hearing, but also for a 4398
reasonable period before, after, or both before and after the 4399
hearing. A person who presents a position or arguments or 4400
contentions in writing before or after the hearing is not required 4401

this section, and when the time for legislative review and 4413
invalidation under division (I) of this section has expired, the 4414
agency may issue an order adopting the proposed rule or the 4415
proposed amendment or rescission of the rule, consistent with the 4416
synopsis or general statement included in the public notice. At 4417
that time the agency shall designate the effective date of the 4418
rule, amendment, or rescission, which shall not be earlier than 4419
the tenth day after the rule, amendment, or rescission has been 4420
filed in its final form as provided in section 119.04 of the 4421
Revised Code. 4422

(E) Prior to the effective date of a rule, amendment, or 4423
rescission, the agency shall make a reasonable effort to inform 4424
those affected by the rule, amendment, or rescission and to have 4425
available for distribution to those requesting it the full text of 4426
the rule as adopted or as amended. 4427

amendment, or rescission of a rule, the governor shall issue an 4430
order, the text of which shall be filed in electronic form with 4431
the agency, the secretary of state, the director of the 4432

rescission shall be effective on the day on which the latest 4444
filing is completed. The director shall publish the full text of 4445
the emergency rule, amendment, or rescission in the register of 4446
Ohio. 4447

The emergency rule, amendment, or rescission shall become 4448

that date the agency may adopt the emergency rule, amendment, or 4450
rescission as a nonemergency rule, amendment, or rescission by 4451
complying with the procedure prescribed by this section for the 4452
adoption, amendment, and rescission of nonemergency rules. The 4453
agency shall not use the procedure of this division to readopt the 4454
emergency rule, amendment, or rescission so that, upon the 4455
emergency rule, amendment, or rescission becoming invalid under 4456
this division, the emergency rule, amendment, or rescission will 4457
continue in effect without interruption for another ninety-day 4458
period, except when division (I)(2)(a) of this section prevents 4459
the agency from adopting the emergency rule, amendment, or 4460
rescission as a nonemergency rule, amendment, or rescission within 4461
the ninety-day period. 4462

This division does not apply to the adoption of any emergency 4463

right of appeal to the board of tax appeals or to a higher 4471
authority within the agency or to a court, and also give the 4472

appellant a right to a hearing on such appeal. This division does 4473

rule pursuant to which the rule or amendment was adopted expires, 4525
is repealed or rescinded, or otherwise terminates, the rule or 4526
amendment, or its rescission, is thereafter subject to legislative 4527
review under division (H) of this section. 4528

(I)(1) The joint committee on agency rule review may 4529

agency, the secretary of state, and the director of the 4588
legislative service commission in electronic form a certified text 4589
of the resolution together with a certification stating the date 4590
on which the resolution takes effect. The secretary of state and 4591
the director of the legislative service commission shall each note 4592
the invalidity of the proposed rule, amendment, rescission, or 4593
part thereof, and shall each remove the invalid proposed rule, 4594
amendment, rescission, or part thereof from the file of proposed 4595
rules. The rule-making agency shall not proceed to adopt in 4596
accordance with division (D) of this section, or to file in 4597
accordance with division (B)(1) of section 111.15 of the Revised 4598

Code, any version of a proposed rule, amendment, rescission, or 4599
part thereof that has been invalidated by concurrent resolution. 4600

Unless the house of representatives and senate adopt a 4601
concurrent resolution invalidating a proposed rule, amendment, 4602
rescission, or part thereof within the time specified by this 4603
division, the rule-making agency may proceed to adopt in 4604
accordance with division (D) of this section, or to file in 4605
accordance with division (B)(1) of section 111.15 of the Revised 4606
Code, the latest version of the proposed rule, amendment, or 4607
rescission as filed with the joint committee. If by concurrent 4608
resolution certain of the rules, amendments, rescissions, or parts 4609
thereof are specifically invalidated, the rule-making agency may 4610
proceed to adopt, in accordance with division (D) of this section, 4611
or to file in accordance with division (B)(1) of section 111.15 of 4612
the Revised Code, the latest version of the proposed rules, 4613
amendments, rescissions, or parts thereof as filed with the joint 4614
committee that are not specifically invalidated. The rule-making 4615
agency may not revise or amend any proposed rule, amendment, 4616
rescission, or part thereof that has not been invalidated except 4617
as provided in this chapter or in section 111.15 of the Revised 4618
Code. 4619

(2)(a) A proposed rule, amendment, or rescission that is 4620
filed with the joint committee under division (H) of this section 4621
or division (D) of section 111.15 of the Revised Code shall be 4622
carried over for legislative review to the next succeeding regular 4623
session of the general assembly if the original or any revised 4624
version of the proposed rule, amendment, or rescission is filed 4625
with the joint committee on or after the first day of December of 4626
any year. 4627

(b) The latest version of any proposed rule, amendment, or 4628
rescission that is subject to division (I)(2)(a) of this section, 4629
as filed with the joint committee, is subject to legislative 4630

review and invalidation in the next succeeding regular session of 4631
the general assembly in the same manner as if it were the original 4632
version of a proposed rule, amendment, or rescission that had been 4633
filed with the joint committee for the first time on the first day 4634
of the session. A rule-making agency shall not adopt in accordance 4635
with division (D) of this section, or file in accordance with 4636
division (B)(1) of section 111.15 of the Revised Code, any version 4637
of a proposed rule, amendment, or rescission that is subject to 4638
division (I)(2)(a) of this section until the time for legislative 4639
review and invalidation, as contemplated by division (I)(2)(b) of 4640
this section, has expired. 4641

(3) Invalidation of any version of a proposed rule, 4642
amendment, rescission, or part thereof by concurrent resolution 4643
shall prevent the rule-making agency from instituting or 4644
continuing proceedings to adopt any version of the same proposed 4645
rule, amendment, rescission, or part thereof for the duration of 4646
the general assembly that invalidated the proposed rule, 4647
amendment, rescission, or part thereof unless the same general 4648
assembly adopts a concurrent resolution permitting the rule-making 4649
agency to institute or continue such proceedings. 4650

The failure of the general assembly to invalidate a proposed 4651
rule, amendment, rescission, or part thereof under this section 4652
shall not be construed as a ratification of the lawfulness or 4653
reasonableness of the proposed rule, amendment, rescission, or any 4654
part thereof or of the validity of the procedure by which the 4655
proposed rule, amendment, rescission, or any part thereof was 4656
proposed or adopted. 4657

(4) In lieu of recommending a concurrent resolution to 4658
invalidate a proposed rule, amendment, rescission, or part thereof 4659
because the rule-making agency has failed to prepare a complete 4660
and accurate fiscal analysis, the joint committee on agency rule 4661
review may issue, on a one-time basis, for rules, amendments, 4662

rescissions, or parts thereof that have a fiscal effect on school 4663
districts, counties, townships, or municipal corporations, a 4664
finding that the rule summary and fiscal analysis is incomplete or 4665
inaccurate and order the rule-making agency to revise the rule 4666
summary and fiscal analysis and refile it with the proposed rule, 4667
amendment, rescission, or part thereof. If an emergency rule is 4668
filed as a nonemergency rule before the end of the ninetieth day 4669
of the emergency rule's effectiveness, and the joint committee 4670
issues a finding and orders the rule-making agency to refile under 4671
division (I)(4) of this section, the governor may also issue an 4672
order stating that the emergency rule shall remain in effect for 4673
an additional sixty days after the ninetieth day of the emergency 4674
rule's effectiveness. The governor's orders shall be filed in 4675
accordance with division (F) of this section. The joint committee 4676
shall send in electronic form to the rule-making agency, the 4677
secretary of state, and the director of the legislative service 4678
commission a certified text of the finding and order to revise the 4679
rule summary and fiscal analysis, which shall take immediate 4680
effect. 4681

An order issued under division (I)(4) of this section shall 4682
prevent the rule-making agency from instituting or continuing 4683
proceedings to adopt any version of the proposed rule, amendment, 4684
rescission, or part thereof until the rule-making agency revises 4685
the rule summary and fiscal analysis and refiles it in electronic 4686
form with the joint committee along with the proposed rule, 4687
amendment, rescission, or part thereof. If the joint committee 4688
finds the rule summary and fiscal analysis to be complete and 4689
accurate, the joint committee shall issue a new order noting that 4690
the rule-making agency has revised and refiled a complete and 4691
accurate rule summary and fiscal analysis. The joint committee 4692
shall send in electronic form to the rule-making agency, the 4693
secretary of state, and the director of the legislative service 4694
commission a certified text of this new order. The secretary of 4695

state and the director of the legislative service commission shall 4696
each link this order to the proposed rule, amendment, rescission, 4697
or part thereof. The rule-making agency may then proceed to adopt 4698
in accordance with division (D) of this section, or to file in 4699
accordance with division (B)(1) of section 111.15 of the Revised 4700
Code, the proposed rule, amendment, rescission, or part thereof 4701
that was subject to the finding and order under division (I)(4) of 4702
this section. If the joint committee determines that the revised 4703
rule summary and fiscal analysis is still inaccurate or 4704
incomplete, the joint committee shall recommend the adoption of a 4705
concurrent resolution in accordance with division (I)(1) of this 4706
section. 4707

(C) The Ohio legal assistance foundation shall determine 5050
whether each applicant that filed an application for financial 5051
assistance under division (A) of this section in a calendar year 5052
is eligible for financial assistance under this section. To be 5053
eligible for such financial assistance, an applicant shall satisfy 5054
the criteria for being a legal aid society and shall be in 5055
compliance with the provisions of sections 120.51 to 120.55 of the 5056
Revised Code and with the rules and requirements the foundation 5057

Ohio legal assistance foundation then, on or before the fifteenth 5059
day of December of the calendar year in which the application is 5060
filed, shall notify each such applicant, in writing, whether it is 5061
eligible for financial assistance under this section, and if it is 5062

under division (D) of this section. 5065

(D) The Ohio legal assistance foundation shall allocate 5066
moneys contained in the legal aid fund monthly for distribution to 5067

Revised Code that are authorized by section 120.52 of the Revised 5074
Code, according to this section and shall be distributed 5075
accordingly not later than the last day of the month following the 5076
month the moneys were received. In making the allocations under 5077
this section, the moneys in the fund that were generated pursuant 5078
to sections 1901.26, 1907.24, 2303.201, 2315.50, 3953.231, 5079
4705.09, and 4705.10 of the Revised Code shall be apportioned as 5080
follows: 5081

(1) After deduction of the amount authorized and used for 5082
actual, reasonable administrative costs under section 120.52 of 5083
the Revised Code: 5084

(a) Five per cent of the moneys remaining in the fund shall 5085
be reserved for use in the manner described in division (A) of 5086
section 120.521 of the Revised Code or for distribution to legal 5087
aid societies that provide assistance to special population groups 5088
of their eligible clients, engage in special projects that have a 5089
substantial impact on their local service area or on significant 5090
segments of the state's poverty population, or provide legal 5091
training or support to other legal aid societies in the state; 5092

(b) After deduction of the amount described in division 5093
(D)(1)(a) of this section, one and three-quarters per cent of the 5094
moneys remaining in the fund shall be apportioned among entities 5095
that received financial assistance from the legal aid fund prior 5096
to ~~the effective date of this amendment~~ July 1, 1993, but that, on 5097

and after ~~the effective date of this amendment~~ July 1, 1993, no 5098
longer qualify as a legal aid society that is eligible for 5099
financial assistance under this section. 5100

(c) After deduction of the amounts described in divisions 5101
(D)(1)(a) and (b) of this section, fifteen per cent of the moneys 5102
remaining in the fund shall be placed in the legal assistance 5103
foundation fund for use in the manner described in division (A) of 5104
section 120.521 of the Revised Code. 5105

(2) After deduction of the actual, reasonable administrative 5106
costs under section 120.52 of the Revised Code and after deduction 5107
of the amounts identified in divisions (D)(1)(a), (b), and (c) of 5108
this section, the remaining moneys shall be apportioned among the 5109
counties that are served by eligible legal aid societies that have 5110
applied for financial assistance under this section so that each 5111
such county is apportioned a portion of those moneys, based upon 5112
the ratio of the number of indigents who reside in that county to 5113
the total number of indigents who reside in all counties of this 5114
state that are served by eligible legal aid societies that have 5115
applied for financial assistance under this section. Subject to 5116
division (E) of this section, the moneys apportioned to a county 5117
under this division then shall be allocated to the eligible legal 5118
aid society that serves the county and that has applied for 5119
financial assistance under this section. For purposes of this 5120
division, the source of data identifying the number of indigent 5121
persons who reside in a county shall be the most recent decennial 5122
census figures from the United States department of commerce, 5123
division of census. 5124

(E) If the Ohio legal assistance foundation, in attempting to 5125
make an allocation of moneys under division (D)(2) of this 5126
section, determines that a county that has been apportioned money 5127
under that division is served by more than one eligible legal aid 5128
society that has applied for financial assistance under this 5129

section, the Ohio legal assistance foundation shall allocate the 5130
moneys that have been apportioned to that county under division 5131
(D)(2) of this section among all eligible legal aid societies that 5132
serve that county and that have applied for financial assistance 5133
under this section on a pro rata basis, so that each such eligible 5134
society is allocated a portion based upon the amount of its total 5135
budget expended in the prior calendar year for legal services in 5136
that county as compared to the total amount expended in the prior 5137
calendar year for legal services in that county by all eligible 5138
legal aid societies that serve that county and that have applied 5139
for financial assistance under this section. 5140

(F) Moneys allocated to eligible applicants under this 5141
section shall be paid monthly beginning the calendar year 5142
following the calendar year in which the application is filed. 5143

(G)(1) A legal aid society that receives financial assistance 5144
in any calendar year under this section shall file an annual 5145
report with the Ohio legal assistance foundation detailing the 5146
number and types of cases handled, and the amount and types of 5147
legal training, legal technical assistance, and other service 5148
provided, by means of that financial assistance. No information 5149
contained in the report shall identify or enable the 5150
identification of any person served by the legal aid society or in 5151
any way breach client confidentiality. 5152

report to the governor, the general assembly, and the supreme 5154
court on the distribution and use of the legal aid fund. The 5155
foundation also shall include in the annual report an audited 5156
financial statement of all gifts, bequests, donations, 5157
contributions, and other moneys the foundation receives. No 5158
information contained in the report shall identify or enable the 5159
identification of any person served by a legal aid society, or in 5160
any way breach confidentiality. 5161

(H) A legal aid society may enter into agreements for the 5162
provision of services, programs, training, or legal technical 5163
assistance for the legal aid society or to indigent persons. 5164

Sec. 121.021. It is the policy of the state to improve 5165

section 119.03 of the Revised Code. 5274

Sec. 121.252. The rule-making agency shall prepare a full 5275
text of the rule and shall do both of the following: 5276

(A) Conduct a cost-benefit analysis, weighing the following 5277
factors, to determine whether the effect of the rule on small 5278
businesses outweighs the benefits of the rule: 5279

(1) An identification and estimate of the number of small 5280
businesses that may be subject to the rule; 5281

<u>(2) The projected reporting, recordkeeping, and other</u>	5282
<u>administrative costs required for compliance with the rule,</u>	5283
<u>including the type of technical or professional skills necessary</u>	5284
<u>for preparation of any report or record required by the rule;</u>	5285
<u>(3) A statement of the probable effect of the rule on the</u>	5286
<u>impacted small businesses identified under division (A)(1) of this</u>	5287
<u>section;</u>	5288
<u>(4) A description of any less intrusive or less costly</u>	5289
<u>alternative methods of achieving the purpose of the rule; and</u>	5290
<u>(5) Any other information the rule-making agency considers</u>	5291
<u>necessary to fully explain its cost-benefit analysis regarding the</u>	5292
<u>rule.</u>	5293
<u>(B) Conduct a regulatory flexibility analysis of how each of</u>	5294
<u>the following methods might reduce any adverse impact the rule may</u>	5295
<u>have on small businesses:</u>	5296
<u>(1) The establishment of less stringent compliance or</u>	5297
<u>reporting requirements for small businesses;</u>	5298

<u>deadlines for compliance or reporting requirements for small</u>	5300
<u>businesses;</u>	5301
<u>(3) The consolidation or simplification of compliance or</u>	5302
<u>reporting requirements for small businesses;</u>	5303
<u>(4) The establishment of performance standards for small</u>	5304
<u>businesses to replace design or operational standards required in</u>	5305
<u>the rule; and</u>	5306

<u>rule's requirements.</u>	5308
<u>Sec. 121.253. (A) The rule-making agency shall incorporate</u>	5309
<u>into the rule features the cost-benefit analysis indicates will</u>	5310

reduce the cost and increase the benefit of the rule to small 5311
businesses, and features the regulatory flexibility analysis 5312
indicates will reduce any adverse impact the rule may have on 5313
small businesses. In both cases, the rule-making agency shall 5314
incorporate features into the rule only if they are feasible and 5315
not if doing so would be contrary to the statutory objectives that 5316
are the basis for the rule. 5317

(B) The rule-making agency shall prepare two reports as 5318
follows: 5319

(1) A cost-benefit report that describes the results of the 5320
cost-benefit analysis, that describes any features incorporated 5321
into the rule as a result of the cost-benefit analysis, and that 5322
explains how those features reduce the cost and increase the 5323
benefit of the rule to small businesses. 5324

(2) A regulatory flexibility report that describes the 5325
results of the regulatory flexibility analysis, that describes any 5326
features incorporated into the rule as a result of the regulatory 5327
flexibility analysis, and that explains how those features reduce 5328
any adverse impact the rule may have on small businesses. 5329

The rule-making agency shall include any supporting 5330
documentation for either analysis in an appendix to its report of 5331
the analysis unless the documentation is otherwise incorporated 5332
into the report. 5333

Sec. 121.254. The rule-making agency shall file all of the 5334
following in electronic form with the Ohio small business 5335
ombudsperson: 5336

(A) The full text of the rule; 5337

(B) The cost-benefit report; and 5338

(C) The regulatory flexibility report. 5339

Sec. 121.255. (A) Within seven days after receipt of a filing 5340
under section 121.254 of the Revised Code, the Ohio small business 5341
ombudsperson shall cause all of the following to be published in 5342
the register of Ohio for a period of thirty days: 5343

(1) The full text of the rule filed under that section; 5344

(2) The cost-benefit report; 5345

(3) The regulatory flexibility report; and 5346

(4) A notice informing persons that, during the thirty-day 5347
period, they may comment to the ombudsperson concerning any 5348
adverse impact the rule may have on small businesses. The notice 5349
shall explain how persons may communicate comments to the 5350
ombudsperson. 5351

(B) During the period beginning on the day notice of the 5352
right to comment is first published in the register of Ohio and 5353
ending thirty days thereafter, any person may comment to the 5354
ombudsperson concerning any adverse impact the rule may have on 5355
small businesses. The ombudsperson shall establish and maintain, 5356
or participate in, a web site having features that enable persons 5357
to comment electronically. And the ombudsperson shall establish a 5358
toll-free telephone number persons may call to make comments. The 5359
telephone answering point shall be equipped to record comments 5360
that are called in. 5361

(C)(1) Not later than three days after the day the comment 5362
period closes, the ombudsperson shall collate and review comments 5363
that are received with regard to a rule, and shall compile them in 5364
a report that describes in detail the substance of the comments 5365
and, in particular, any objections to the rule. 5366

(2) The ombudsperson shall forthwith cause the report to be 5367
published in the register of Ohio and shall file the report in 5368
electronic form with the rule-making agency that filed the rule 5369

and with the small business regulatory review board. At the same 5370
time, the ombudsperson shall file in electronic form with the 5371
board the full text of the rule, the cost-benefit report, and the 5372
regulatory flexibility report. 5373

(3) The ombudsperson may appear before the joint committee on 5374
agency rule review and testify concerning a rule-making agency's 5375
compliance with sections 121.252, 121.253, and 121.254 of the 5376
Revised Code. 5377

Sec. 121.256. (A)(1) Within thirty days after receiving a 5378
report from the Ohio small business ombudsperson, the small 5379
business regulatory review board may hold a meeting at which it 5380
shall review the report, the rule that is the subject of the 5381
report, the cost-benefit report, and the regulatory flexibility 5382
report, and shall determine whether the rule-making agency that 5383
filed the rule has complied with sections 121.252, 121.253, and 5384
121.254 of the Revised Code. 5385

(2) The board may conduct a public hearing on the rule, at 5386
which any person having an interest in the rule may appear and 5387
offer comments on, or objections to, the rule insofar as it may 5388
have any adverse impact on small businesses. The board shall cause 5389
notice of such a public hearing to be published in the register of 5390
Ohio at least seven days before the date set for the hearing. In 5391
the notice, the board shall state the date and time when, and the 5392
place where, the public hearing will be held. 5393

(B)(1) If the board finds that a rule-making agency, in 5395
regard to a rule, has failed to comply with section 121.252, 5396
121.253, or 121.254 of the Revised Code, the board shall issue in 5397
writing a determination of noncompliance that states the 5398
determination and explains why the rule fails to comply with those 5399
sections. The board may include in the determination of 5400

noncompliance suggested changes in the rule that will bring the 5401
rule into compliance with sections 121.252 and 121.253 of the 5402
Revised Code. 5403

(2) If the board finds that a rule-making agency, in regard 5404
to a rule, complied with sections 121.252, 121.253, and 121.254 of 5405
the Revised Code, the board shall issue in writing a determination 5406
of compliance that states such determination. 5407

(C)(1) The board shall file its determination in electronic 5408
form with the rule-making agency and shall cause its determination 5409
to be published in the register of Ohio. 5410

(2) If the rule-making agency proceeds to file the rule under 5411
division (B)(1) of section 111.15 or divisions (B) and (H) of 5412
section 119.03 of the Revised Code, the rule-making agency shall 5413
file with the joint committee on agency rule review the board's 5414
determination, the full text of the rule, the ombudsperson's 5415
report, the cost-benefit report, and the regulatory flexibility 5416
report. 5417

(D) If the board, within thirty days after receiving the 5418
ombudsperson's report, does not issue a determination to the 5419
rule-making agency, the board, in electronic form, shall return to 5420
the rule-making agency the full text of the rule, the cost-benefit 5421
report, and the regulatory flexibility report. The board shall 5422
note on the rule that it has not issued a determination with 5423
regard to the rule. The rule-making agency then may proceed to 5424
file the rule under division (B)(1) of section 111.15 or divisions 5425
(B) and (H) of section 119.03 of the Revised Code, but only if the 5426
rule that is so filed is substantially similar to the rule that 5427
was filed with the ombudsperson. 5428

Sec. 121.257. There is hereby created the small business 5429
regulatory review board, consisting of five members appointed by 5430
the governor, two members appointed by the president of the 5431

senate, and two members appointed by the speaker of the house of 5432
representatives. Each member shall represent small business. 5433

The terms of office of all members of the board shall be for 5434
three years, beginning on the first day of January and ending at 5435
the close of business on the thirty-first day of December. A 5436
vacancy on the board shall be filled in the same manner as the 5437
initial appointment. Any member appointed to fill a vacancy 5438
occurring prior to the expiration of the term for which the 5439
member's predecessor was appointed shall hold office for the 5440
remainder of the term. 5441

The governor shall designate the chairperson of the board 5442
from among the members appointed by the governor. The chairperson 5443
shall appoint a secretary from among the board's members. 5444

Five members of the board constitute a quorum, and the 5445
affirmative vote of five members is necessary for any action taken 5446
by the board. 5447

Members of the board shall serve without compensation, but 5448
shall be reimbursed for their necessary and actual expenses 5449
incurred in the performance of their board duties. 5450

coordinated, multi-disciplinary, interagency system for infants	5513

administered by the department of health for early intervention	5516
services under the "Individuals with Disabilities Education Act of	5517
2004," 20 U.S.C.A. 1400, as amended.	5518
(4) The cabinet council shall develop and implement the	5519
following:	5520
(a) An interagency process to select the indicators that will	5521

shall be made available to any other person on request. 5537

(B)(1) Each board of county commissioners shall establish a 5538
county family and children first council. The board may invite any 5539
local public or private agency or group that funds, advocates, or 5540

(a) At least three individuals who are not employed by an 5545
agency represented on the council and whose families are or have 5546

covers more than one county, the director may designate a person 5556
to participate on the county's council. 5557

(c) The health commissioner, or the commissioner's designee, 5558

determination at least biennially; 5573

council and making decisions regarding the duties of the council, 5593
including those involving the funding of joint projects and those 5594
outlined in the county's service coordination mechanism 5595
implemented pursuant to division (C) of this section. 5596

The cabinet council shall establish a state appeals process 5597
to resolve disputes among the members of a county council 5598
concerning whether reasonable responsibilities as members are 5599
being shared. The appeals process may be accessed only by a 5600
majority vote of the council members who are required to serve on 5601
the council. Upon appeal, the cabinet council may order that state 5602
funds for services to children and families be redirected to a 5603
county's board of county commissioners. 5604

The county's juvenile court judge senior in service or 5605
another judge of the juvenile court designated by the 5606
administrative judge or, where there is no administrative judge, 5607
by the judge senior in service shall serve as the judicial advisor 5608
to the county family and children first council. The judge may 5609
advise the county council on the court's utilization of resources, 5610
services, or programs provided by the entities represented by the 5611
members of the county council and how those resources, services, 5612
or programs assist the court in its administration of justice. 5613

Service of a judge as a judicial advisor pursuant to this section 5614
is a judicial function. 5615

(2) The purpose of the county council is to streamline and 5616
coordinate existing government services for families seeking 5617
services for their children. In seeking to fulfill its purpose, a 5618
county council shall provide for the following: 5619

(a) Referrals to the cabinet council of those children for 5620
whom the county council cannot provide adequate services; 5621

(b) Development and implementation of a process that annually 5622
evaluates and prioritizes services, fills service gaps where 5623
possible, and invents new approaches to achieve better results for 5624
families and children; 5625

(c) Participation in the development of a countywide, 5626
comprehensive, coordinated, multi-disciplinary, interagency system 5627
for infants and toddlers with developmental disabilities or delays 5628
and their families, as established pursuant to federal grants 5629
received and administered by the department of health for early 5630
intervention services under the "Individuals with Disabilities 5631
Education Act of 2004"; 5632

(d) Maintenance of an accountability system to monitor the 5633
county council's progress in achieving results for families and 5634
children; 5635

(e) Establishment of a mechanism to ensure ongoing input from 5636
a broad representation of families who are receiving services 5637
within the county system. 5638

(3) A county council shall develop and implement the 5639
following: 5640

(a) An interagency process to establish local indicators and 5641
monitor the county's progress toward increasing child well-being 5642
in the county; 5643

(b) An interagency process to identify local priorities to increase child well-being. The local priorities shall focus on expectant parents and newborns thriving; infants and toddlers thriving; children being ready for school; children and youth succeeding in school; youth choosing healthy behaviors; and youth successfully transitioning into adulthood and take into account the indicators established by the cabinet council under division (A)(4)(a) of this section.

(c) An annual plan that identifies the county's interagency efforts to increase child well-being in the county.

On an annual basis, the county council shall submit a report on the status of efforts by the county to increase child well-being in the county to the county's board of county commissioners and the cabinet council. This report shall be made available to any other person on request.

(4)(a) Except as provided in division (B)(4)(b) of this section, a county council shall comply with the policies, procedures, and activities prescribed by the rules or interagency agreements of a state department participating on the cabinet council whenever the county council performs a function subject to those rules or agreements.

(b) On application of a county council, the cabinet council may grant an exemption from any rules or interagency agreements of a state department participating on the council if an exemption is necessary for the council to implement an alternative program or approach for service delivery to families and children. The application shall describe the proposed program or approach and specify the rules or interagency agreements from which an exemption is necessary. The cabinet council shall approve or disapprove the application in accordance with standards and procedures it shall adopt. If an application is approved, the exemption is effective only while the program or approach is being

implemented, including a reasonable period during which the 5676
program or approach is being evaluated for effectiveness. 5677

(5)(a) Each county council shall designate an administrative 5678
agent for the council from among the following public entities: 5679
the board of alcohol, drug addiction, and mental health services, 5680
including a board of alcohol and drug addiction or a community 5681
mental health board if the county is served by separate boards; 5682
the board of county commissioners; any board of health of the 5683
county's city and general health districts; the county department 5684
of job and family services; the county agency responsible for the 5685
administration of children services pursuant to section 5153.15 of 5686
the Revised Code; the county board of mental retardation and 5687
developmental disabilities; any of the county's boards of 5688
education or governing boards of educational service centers; or 5689
the county's juvenile court. Any of the foregoing public entities, 5690
other than the board of county commissioners, may decline to serve 5691
as the council's administrative agent. 5692

A county council's administrative agent shall serve as the 5693
council's appointing authority for any employees of the council. 5694
The council shall file an annual budget with its administrative 5695
agent, with copies filed with the county auditor and with the 5696
board of county commissioners, unless the board is serving as the 5697
council's administrative agent. The council's administrative agent 5698
shall ensure that all expenditures are handled in accordance with 5699
policies, procedures, and activities prescribed by state 5700
departments in rules or interagency agreements that are applicable 5701
to the council's functions. 5702

The administrative agent of a county council shall send 5703
notice of a member's absence if a member listed in division (B)(1) 5704
of this section has been absent from either three consecutive 5705
meetings of the county council or a county council subcommittee, 5706
or from one-quarter of such meetings in a calendar year, whichever 5707

is less. The notice shall be sent to the board of county 5708
commissioners that establishes the county council and, for the 5709
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 5710
section, to the governing board overseeing the respective entity; 5711
for the member listed in division (B)(1)(f) of this section, to 5712
the county board of mental retardation and developmental 5713
disabilities that employs the superintendent; for a member listed 5714
in division (B)(1)(g) or (h) of this section, to the school board 5715
that employs the superintendent; for the member listed in division 5716
(B)(1)(i) of this section, to the mayor of the municipal 5717
corporation; for the member listed in division (B)(1)(k) of this 5718
section, to the director of youth services; and for the member 5719
listed in division (B)(1)(n), to that member's board of trustees. 5720

The administrative agent for a county council may do any of 5721
the following on behalf of the council: 5722

(i) Enter into agreements or administer contracts with public 5723
or private entities to fulfill specific council business. Such 5724
agreements and contracts are exempt from the competitive bidding 5725
requirements of section 307.86 of the Revised Code if they have 5726
been approved by the county council and they are for the purchase 5727
of family and child welfare or child protection services or other 5728
social or job and family services for families and children. The 5729
approval of the county council is not required to exempt 5730
agreements or contracts entered into under section 5139.34, 5731
5139.41, or 5139.43 of the Revised Code from the competitive 5732
bidding requirements of section 307.86 of the Revised Code. 5733

(ii) As determined by the council, provide financial 5734
stipends, reimbursements, or both, to family representatives for 5735
expenses related to council activity; 5736

(iii) Receive by gift, grant, devise, or bequest any moneys, 5737
lands, or other property for the purposes for which the council is 5738
established. The agent shall hold, apply, and dispose of the 5739

moneys, lands, or other property according to the terms of the 5740
gift, grant, devise, or bequest. Any interest or earnings shall be 5741
treated in the same manner and are subject to the same terms as 5742
the gift, grant, devise, or bequest from which it accrues. 5743

(b)(i) If the county council designates the board of county 5744
commissioners as its administrative agent, the board may, by 5745
resolution, delegate any of its powers and duties as 5746
administrative agent to an executive committee the board 5747
establishes from the membership of the county council. The board 5748
shall name to the executive committee at least the individuals 5749
described in divisions (B)(1)(b) to (h) of this section and may 5750
appoint the president of the board or another individual as the 5751
chair of the executive committee. The executive committee must 5752
include at least one family county council representative who does 5753
not have a family member employed by an agency represented on the 5754
council. 5755

(ii) The executive committee may, with the approval of the 5756
board, hire an executive director to assist the county council in 5757
administering its powers and duties. The executive director shall 5758
serve in the unclassified civil service at the pleasure of the 5759
executive committee. The executive director may, with the approval 5760
of the executive committee, hire other employees as necessary to 5761
properly conduct the county council's business. 5762

(iii) The board may require the executive committee to submit 5763
an annual budget to the board for approval and may amend or repeal 5764
the resolution that delegated to the executive committee its 5765
authority as the county council's administrative agent. 5766

(6) Two or more county councils may enter into an agreement 5767
to administer their county councils jointly by creating a regional 5768
family and children first council. A regional council possesses 5769
the same duties and authority possessed by a county council, 5770
except that the duties and authority apply regionally rather than 5771

to individual counties. Prior to entering into an agreement to 5772
create a regional council, the members of each county council to 5773
be part of the regional council shall meet to determine whether 5774
all or part of the members of each county council will serve as 5775
members of the regional council. 5776

(7) A board of county commissioners may approve a resolution 5777
by a majority vote of the board's members that requires the county 5778
council to submit a statement to the board each time the council 5779
proposes to enter into an agreement, adopt a plan, or make a 5780
decision, other than a decision pursuant to section 121.38 of the 5781
Revised Code, that requires the expenditure of funds for two or 5782
more families. The statement shall describe the proposed 5783
agreement, plan, or decision. 5784

Not later than fifteen days after the board receives the 5785
statement, it shall, by resolution approved by a majority of its 5786
members, approve or disapprove the agreement, plan, or decision. 5787
Failure of the board to pass a resolution during that time period 5788
shall be considered approval of the agreement, plan, or decision. 5789

An agreement, plan, or decision for which a statement is 5790
required to be submitted to the board shall be implemented only if 5791
it is approved by the board. 5792

(C) Each county shall develop a county service coordination 5793
mechanism. The county service coordination mechanism shall serve 5794
as the guiding document for coordination of services in the 5795
county. For children who also receive services under the help me 5796
grow program, the service coordination mechanism shall be 5797
consistent with rules adopted by the department of health under 5798
section 3701.61 of the Revised Code. All family service 5799
coordination plans shall be developed in accordance with the 5800
county service coordination mechanism. The mechanism shall be 5801
developed and approved with the participation of the county 5802
entities representing child welfare; mental retardation and 5803

developmental disabilities; alcohol, drug addiction, and mental 5804
health services; health; juvenile judges; education; the county 5805
family and children first council; and the county early 5806
intervention collaborative established pursuant to the federal 5807
early intervention program operated under the "Individuals with 5808
Disabilities Education Act of 2004." The county shall establish an 5809
implementation schedule for the mechanism. The cabinet council may 5810
monitor the implementation and administration of each county's 5811
service coordination mechanism. 5812

Each mechanism shall include all of the following: 5813

(1) A procedure for an agency, including a juvenile court, or 5814
a family voluntarily seeking service coordination, to refer the 5815
child and family to the county council for service coordination in 5816
accordance with the mechanism; 5817

(2) A procedure ensuring that a family and all appropriate 5818
staff from involved agencies, including a representative from the 5819
appropriate school district, are notified of and invited to 5820
participate in all family service coordination plan meetings; 5821

(3) A procedure that permits a family to initiate a meeting 5822
to develop or review the family's service coordination plan and 5823
allows the family to invite a family advocate, mentor, or support 5824
person of the family's choice to participate in any such meeting; 5825

(4) A procedure for ensuring that a family service 5826
coordination plan meeting is conducted for each child who receives 5827
service coordination under the mechanism and for whom an emergency 5828
out-of-home placement has been made or for whom a nonemergency 5829
out-of-home placement is being considered. The meeting shall be 5830
conducted within ten days of an emergency out-of-home placement. 5831
The meeting shall be conducted before a nonemergency out-of-home 5832
placement. The family service coordination plan shall outline how 5833
the county council members will jointly pay for services, where 5834

applicable, and provide services in the least restrictive 5835
environment. 5836

(5) A procedure for monitoring the progress and tracking the 5837
outcomes of each service coordination plan requested in the county 5838
including monitoring and tracking children in out-of-home 5839
placements to assure continued progress, appropriateness of 5840
placement, and continuity of care after discharge from placement 5841
with appropriate arrangements for housing, treatment, and 5842
education. 5843

(6) A procedure for protecting the confidentiality of all 5844
personal family information disclosed during service coordination 5845
meetings or contained in the comprehensive family service 5846
coordination plan. 5847

(7) A procedure for assessing the needs and strengths of any 5848
child or family that has been referred to the council for service 5849
coordination, including a child whose parent or custodian is 5850
voluntarily seeking services, and for ensuring that parents and 5851
custodians are afforded the opportunity to participate; 5852

(8) A procedure for development of a family service 5853
coordination plan described in division (D) of this section; 5854

(9) A local dispute resolution process to serve as the 5855
process that must be used first to resolve disputes among the 5856
agencies represented on the county council concerning the 5857
provision of services to children, including children who are 5858
abused, neglected, dependent, unruly, alleged unruly, or 5859
delinquent children and under the jurisdiction of the juvenile 5860
court and children whose parents or custodians are voluntarily 5861
seeking services. The local dispute resolution process shall 5862
comply with sections 121.38, 121.381, and 121.382 of the Revised 5863
Code. The local dispute resolution process shall be used to 5864
resolve disputes between a child's parents or custodians and the 5865

county council regarding service coordination. The county council 5866
shall inform the parents or custodians of their right to use the 5867
dispute resolution process. Parents or custodians shall use 5868
existing local agency grievance procedures to address disputes not 5869
involving service coordination. The dispute resolution process is 5870
in addition to and does not replace other rights or procedures 5871
that parents or custodians may have under other sections of the 5872
Revised Code. 5873

The cabinet council shall adopt rules in accordance with 5874
Chapter 119. of the Revised Code establishing an administrative 5875
review process to address problems that arise concerning the 5876
operation of a local dispute resolution process. 5877

Nothing in division (C)(4) of this section shall be 5878
interpreted as overriding or affecting decisions of a juvenile 5879
court regarding an out-of-home placement, long-term placement, or 5880
emergency out-of-home placement. 5881

(D) Each county shall develop a family service coordination 5882
plan that does all of the following: 5883

(1) Designates service responsibilities among the various 5884
state and local agencies that provide services to children and 5885
their families, including children who are abused, neglected, 5886
dependent, unruly, or delinquent children and under the 5887
jurisdiction of the juvenile court and children whose parents or 5888
custodians are voluntarily seeking services; 5889

(2) Designates an individual, approved by the family, to 5890
track the progress of the family service coordination plan, 5891
schedule reviews as necessary, and facilitate the family service 5892
coordination plan meeting process; 5893

(3) Ensures that assistance and services to be provided are 5894
responsive to the strengths and needs of the family, as well as 5895
the family's culture, race, and ethnic group, by allowing the 5896

family to offer information and suggestions and participate in 5897
decisions. Identified assistance and services shall be provided in 5898
the least restrictive environment possible. 5899

(4) Includes a process for dealing with a child who is 5900
alleged to be an unruly child. The process shall include methods 5901
to divert the child from the juvenile court system; 5902

(5) Includes timelines for completion of goals specified in 5903
the plan with regular reviews scheduled to monitor progress toward 5904
those goals; 5905

(6) Includes a plan for dealing with short-term crisis 5906
situations and safety concerns. 5907

(E)(1) The process provided for under division (D)(4) of this 5908
section may include, but is not limited to, the following: 5909

(a) Designation of the person or agency to conduct the 5910
assessment of the child and the child's family as described in 5911
division (C)(7) of this section and designation of the instrument 5912
or instruments to be used to conduct the assessment; 5913

(b) An emphasis on the personal responsibilities of the child 5914
and the parental responsibilities of the parents, guardian, or 5915
custodian of the child; 5916

(c) Involvement of local law enforcement agencies and 5917
officials. 5918

(2) The method to divert a child from the juvenile court 5919
system that must be included in the service coordination process 5920
may include, but is not limited to, the following: 5921

Sec. 122.151. (A) An investor who proposes to make an 6618
investment of money in an Ohio entity may apply to an Edison 6619
center for a tax credit under this section. The Edison center 6620
shall prescribe the form of the application and any information 6621
that the investor must submit with the application. The investor 6622
shall include with the application a fee of two hundred dollars. 6623
The center, within three weeks after receiving the application, 6624
shall review it, determine whether the investor should be 6625
recommended for the tax credit, and send written notice of its 6626
initial determination to the industrial technology and enterprise 6627

advisory council and to the investor. If the center determines the
investor should not be recommended for the tax credit, it shall
include in the notice the reasons for the determination. Subject
to divisions (C) and (D) of this section, an investor is eligible
for a tax credit if all of the following requirements are met:

(1) The investor's investment of money is in an Ohio entity
engaged in a qualified trade or business.

(2) The Ohio entity had less than two million five hundred
thousand dollars of gross revenue during its most recently
completed fiscal year or had a net book value of less than two
million five hundred thousand dollars at the end of that fiscal
year.

(3) The investment takes the form of the purchase of common
or preferred stock, a membership interest, a partnership interest,
or any other ownership interest.

(4) The amount of the investment for which the credit is
being claimed does not exceed three hundred thousand dollars in
the case of an investment in an EDGE business enterprise or in an
Ohio entity located in a distressed area, or two hundred fifty
thousand dollars in the case of an investment in any other Ohio
entity.

(5) The money invested is entirely at risk of loss, where
repayment depends upon the success of the business operations of

least three years from the date the investment is made.

(7) The annual combined amount of any dividend and interest
payments to be made to the investor will not exceed ten per cent
of the amount of the investment for at least three years from the
date the investment is made.

(8) The investor is not an employee with proprietary decision-making authority of the Ohio entity in which the investment of money is proposed, or related to such an individual. The Ohio entity is not an individual related to the investor. For purposes of this division, the industrial technology and enterprise advisory council shall define "an employee with proprietary decision-making authority."

(9) The investor is not an insider.

For the purposes of determining the net book value of an Ohio entity under division (A)(1) or (2) of this section, if the entity is a member of an affiliated group, the combined net book values of all of the members of that affiliated group shall be used.

Nothing in division (A)(6) or (7) of this section limits or disallows the distribution to an investor in a pass-through entity of a portion of the entity's profits equal to the investor's federal, state, and local income tax obligations attributable to the investor's allocable share of the entity's profits. Nothing in division (A)(6) or (7) of this section limits or disallows the sale by an investor of part or all of the investor's interests in an Ohio entity by way of a public offering of shares in the Ohio entity.

(B) A group of two but not more than twenty investors, each of whom proposes to make an investment of money in the same Ohio entity, may submit an application for tax credits under division (A) of this section. The group shall include with the application a fee of eight hundred dollars. The application shall identify each investor in the group and the amount of money each investor proposes to invest in the Ohio entity, and shall name a contact person for the group. The Edison center, within three weeks after receiving the application, shall review it, determine whether each investor of the group should be recommended for a tax credit under the conditions set forth in division (A) of this section, and send

written notice of its determination to the industrial technology 6690
and enterprise advisory council and to the contact person. The 6691
center shall not recommend that a group of investors receive a tax 6692
credit unless each investor is eligible under those conditions. 6693
The center may disqualify from a group any investor who is not 6694
eligible under the conditions and recommend that the remaining 6695
group of investors receive the tax credit. If the center 6696
determines the group should not be recommended for the tax credit, 6697
it shall include in the notice the reasons for the determination. 6698

(C) The industrial technology and enterprise advisory council 6699
shall establish from among its members a three-person committee. 6700
Within four weeks after the council receives a notice of 6701
recommendation from an Edison center, the committee shall review 6702
the recommendation and issue a final determination of whether the 6703
investor or group is eligible for a tax credit under the 6704
conditions set forth in division (A) of this section. The 6705
committee may require the investor or group to submit additional 6706
information to support the application. The vote of at least two 6707
members of the committee is necessary for the issuance of a final 6708
determination or any other action of the committee. Upon making 6709
the final determination, the committee shall send written notice 6710
of approval or disapproval of the tax credit to the investor or 6711
group contact person, the director of development, and the Edison 6712
center. If the committee disapproves the tax credit, it shall 6713
include in the notice the reasons for the disapproval. 6714

(D)(1) The industrial technology and enterprise advisory 6715
council committee shall not approve more than one million five 6716
hundred thousand dollars of investments in any one Ohio entity. 6717
However, if a proposed investment of money in an Ohio entity has 6718
been approved but the investor does not actually make the 6719
investment, the committee may reassign the amount of that 6720
investment to another investor, as long as the total amount 6721

invested in the entity under this section does not exceed one 6722
million five hundred thousand dollars. 6723

If the one-million-five-hundred-thousand-dollar limit for an 6724
Ohio entity has not yet been reached and an application proposes 6725
an investment of money that would exceed the limit for that 6726
entity, the committee shall send written notice to the investor, 6727
or for a group, the contact person, that the investment cannot be 6728
approved as requested. Upon receipt of the notice, the investor or 6729
group may amend the application to propose an investment of money 6730
that does not exceed the limit. 6731

(2) Not more than ~~thirty~~ forty-five million dollars of tax 6732
credits shall be issued under sections 122.15 to 122.154 of the 6733
Revised Code. 6734

(E) If an investor makes an approved investment of less than 6735
two hundred fifty thousand dollars in any Ohio entity other than 6736
an EDGE business enterprise or in an Ohio entity located in a 6737
distressed area, the investor may apply for approval of another 6738
investment of money in that entity, as long as the total amount 6739
invested in that entity by the investor under this section does 6740
not exceed two hundred fifty thousand dollars. If an investor 6741
makes an approved investment of less than three hundred thousand 6742
dollars in an EDGE business enterprise or in an Ohio entity 6743
located in a distressed area, the investor may apply for approval 6744
of another investment of money in that entity, as long as the 6745
total amount invested in that entity by the investor under this 6746
section does not exceed three hundred thousand dollars. An 6747
investor who receives approval of an investment of money as part 6748
of a group may subsequently apply on an individual basis for 6749
approval of an additional investment of money in the Ohio entity. 6750

(F) The industrial technology and enterprise advisory council 6751
committee shall approve or disapprove tax credit applications 6752
under this section in the order in which they are received by the 6753

council. 6754

(G) The director of development may disapprove any 6755
application recommended by an Edison center and approved by the 6756
industrial technology and enterprise advisory council committee, 6757
or may disapprove a credit for which a tax credit certificate has 6758
been issued under section 122.152 of the Revised Code, if the 6759
director determines that the entity in which the applicant 6760
proposes to invest or has invested is not an Ohio entity eligible 6761
to receive investments that qualify for the credit. If the 6762
director disapproves an application, the director shall certify 6763
the action to the investor, the Edison center that recommended the 6764
application, the industrial technology and enterprise advisory 6765
council, and the tax commissioner, together with a written 6766
explanation of the reasons for the disapproval. If the director 6767
disapproves a tax credit after a tax credit certificate is issued, 6768
the investor shall not claim the credit for the taxable year that 6769
includes the day the director disapproves the credit, or for any 6770
subsequent taxable year. 6771

The director of development, in accordance with section 6772
111.15 of the Revised Code and with the advice of the industrial 6773
technology and enterprise advisory council, may adopt, amend, and 6774
rescind rules necessary to implement sections 122.15 to 122.154 of 6775
the Revised Code. 6776

(H) An Edison center shall use application fees received 6777
under this section only for the costs of administering sections 6778
122.15 to 122.154 of the Revised Code. 6779

~~(iii) The employee was considered a new employee of the 6815~~

~~related member prior to employment with the taxpayer.~~ 6816

~~Under division (A)(2)(a) or (b) of this section, if the tax credit authority determines it appropriate, "new employee" also may include an employee re-hired or called back from lay off to work in a new facility or on a new product or service established or produced by the taxpayer after entering into the agreement under this section or after the tax credit authority approves the tax credit in a public meeting. Except as otherwise provided in this paragraph, "new employee" does not include any employee of the taxpayer who was previously employed in this state by a related member of the taxpayer and whose employment was shifted to the taxpayer after the taxpayer entered into the tax credit agreement or after the tax credit authority approved the credit in a public meeting, or any employee of the taxpayer for which the taxpayer has been granted a certificate under division (B) of section 5709.66 of the Revised Code. However, if the taxpayer is engaged in the enrichment and commercialization of uranium or uranium products or is engaged in research and development activities related thereto and if the tax credit authority determines it appropriate, "new employee" may include an employee of the taxpayer who was previously employed in this state by a related member of the taxpayer and whose employment was shifted to the taxpayer after the taxpayer entered into the tax credit agreement or after the tax credit authority approved the credit in a public meeting. "New employee" does not include an employee of the taxpayer who is employed in an employment position that was relocated to a project from other operations of the taxpayer in this state or from operations of a related member of the taxpayer in this state. ~~capital, or value of the taxpayer. Such ownership interest shall 6849
be determined in accordance with section 1563 of the Internal 6850
Revenue Code and regulations prescribed thereunder. 6851~~

~~(3) "New income Income tax revenue" means the total amount 6852
withheld under section 5747.06 of the Revised Code by the taxpayer 6853
during the taxable year, or during the calendar year that includes 6854
the tax period, from the compensation of ~~new employees for the tax~~ 6855
~~levied under Chapter 5747. of the Revised Code. 6856~~
6857~~

~~(4) "Related member" has the same meaning as under division 6858
(A)(6) of section 5733.042 of the Revised Code without regard to 6859
division (B) of that section each employee employed in the project 6860
to the extent the employee's withholdings are not used to 6861
determine the credit under section 122.171 of the Revised Code. 6862
"Income tax revenue" excludes amounts withheld before the day the 6863
taxpayer becomes eligible for the credit. 6864~~

~~(2) "Baseline income tax revenue" means income tax revenue 6865
except that the applicable withholding period is the twelve months 6866
immediately preceding the date the tax credit authority approves 6867
the taxpayer's application multiplied by the sum of one plus an 6868
annual pay increase factor to be determined by the tax credit 6869
authority. If the taxpayer becomes eligible for the credit after 6870
the first day of the taxpayer's taxable year or after the first 6871
day of the calendar year that includes the tax period, the 6872
taxpayer's baseline income tax revenue for the first such taxable 6873
or calendar year of credit eligibility shall be reduced in 6874
proportion to the number of days during the taxable or calendar 6875
year for which the taxpayer was not eligible for the credit. For 6876
subsequent taxable or calendar years, "baseline income tax 6877
revenue" equals the unreduced baseline income tax revenue for the 6878
preceding taxable or calendar year multiplied by the sum of one 6879
plus the pay increase factor. 6880~~

(3) "Excess income tax revenue" means income tax revenue 6881
minus baseline income tax revenue. 6882

(B) The tax credit authority may make grants under this 6883
section to foster job creation in this state. Such a grant shall 6884
take the form of a refundable credit allowed against the tax 6885
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 6886
under Chapter 5751. of the Revised Code. The credit shall be 6887
claimed for the taxable years or tax periods specified in the 6888
taxpayer's agreement with the tax credit authority under division 6889
(D) of this section. With respect to taxes imposed under section 6890
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 6891
credit shall be claimed in the order required under section 6892
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 6893
the credit available for a taxable year or for a calendar year 6894
that includes a tax period equals the ~~new~~ excess income tax 6895
revenue for that year multiplied by the percentage specified in 6896
the agreement with the tax credit authority. Any credit granted 6897
under this section against the tax imposed by section 5733.06 or 6898
5747.02 of the Revised Code, to the extent not fully utilized 6899
against such tax for taxable years ending prior to 2008, shall 6900
automatically be converted without any action taken by the tax 6901
credit authority to a credit against the tax levied under Chapter 6902
5751. of the Revised Code for tax periods beginning on or after 6903
July 1, 2008, provided that the person to whom the credit was 6904
granted is subject to such tax. The converted credit shall apply 6905
to those calendar years in which the remaining taxable years 6906
specified in the agreement end. 6907

(C) A taxpayer or potential taxpayer who proposes a project 6908
to create new jobs in this state may apply to the tax credit 6909
authority to enter into an agreement for a tax credit under this 6910
section. The director of development shall prescribe the form of 6911
the application. After receipt of an application, the authority 6912

may enter into an agreement with the taxpayer for a credit under 6913
this section if it determines all of the following: 6914

(1) The taxpayer's project will ~~create new jobs in this state~~ 6915
increase payroll and income tax revenue; 6916

(2) The taxpayer's project is economically sound and will 6917
benefit the people of this state by increasing opportunities for 6918
employment and strengthening the economy of this state; 6919

(3) Receiving the tax credit is a major factor in the 6920
taxpayer's decision to go forward with the project. 6921

(D) An agreement under this section shall include all of the 6922
following: 6923

(1) A detailed description of the project that is the subject 6924
of the agreement; 6925

(2) The term of the tax credit, which shall not exceed 6926
fifteen years, and the first taxable year, or first calendar year 6927
that includes a tax period, for which the credit may be claimed; 6928

(3) A requirement that the taxpayer shall maintain operations 6929
at the project location for at least ~~twice the number of years as~~ 6930
~~the term of the tax credit~~ the greater of seven years or the term 6931
of the credit plus three years; 6932

(4) The percentage, as determined by the tax credit 6933
authority, of ~~new~~ excess income tax revenue that will be allowed 6934
as the amount of the credit for each taxable year or for each 6935
calendar year that includes a tax period; 6936

(5) ~~A specific method for determining how many new employees~~ 6937
~~are employed during a taxable year or during a calendar year that~~ 6938
~~includes a tax period~~ The pay increase factor to be applied to the 6939
taxpayer's baseline income tax revenue; 6940

(6) A requirement that the taxpayer annually shall report to 6941
the director of development ~~the number of new employees, the new~~ 6942

~~income tax revenue withheld in connection with the new employees,~~ 6943
~~and any employment, tax withholding, investment, and other~~ 6944
information the director needs to perform the director's duties 6945
under this section; 6946

(7) A requirement that the director of development annually 6947
~~shall verify the amounts~~ review the information reported under 6948
division (D)(6) of this section, ~~and after doing so shall issue a~~ 6949
~~certificate to the taxpayer stating that the amounts have been~~ 6950
verified and verify compliance with the agreement; if the taxpayer 6951
is in compliance, a requirement that the director issue a 6952
certificate to the taxpayer stating that the information has been 6953
verified and identifying the amount of the credit that may be 6954

~~(8)(a) A provision requiring that the taxpayer, except as~~ 6956
~~otherwise provided in division (D)(8)(b) of this section, shall~~ 6957
~~not relocate employment positions from elsewhere in this state to~~ 6958
~~the project site that is the subject of the agreement for the~~ 6959
~~lesser of five years from the date the agreement is entered into~~ 6960
~~or the number of years the taxpayer is entitled to claim the tax~~ 6961
~~credit.~~ 6962

~~(b) The taxpayer may relocate employment positions from~~ 6963
~~elsewhere in this state to the project site that is the subject of~~ 6964
~~the agreement if the director of development determines both of~~ 6965
~~the following:~~ 6966

~~(i) That the site from which the employment positions would~~ 6967
~~be relocated is inadequate to meet market and industry conditions,~~ 6968
~~expansion plans, consolidation plans, or other business~~ 6969
~~considerations affecting the taxpayer;~~ 6970

~~(ii) That~~ A provision providing that the taxpayer may not 6971
relocate a substantial number of employment positions from 6972
elsewhere in this state to the project location unless the 6973

director of development determines that the legislative authority 6974
of the county, township, or municipal corporation from which the 6975
employment positions would be relocated has been notified by the 6976
taxpayer of the relocation. 6977

For purposes of this section, the movement of an employment 6978
position from one political subdivision to another political 6979
subdivision shall be considered a relocation of an employment 6980
position, ~~but the transfer of an individual employee from one~~ 6981
~~political subdivision to another political subdivision shall not~~ 6982
~~be considered a relocation of an employment position as long as~~ 6983
~~the individual's employment position in the first political~~ 6984
~~subdivision is refilled unless the employment position in the~~ 6985
~~first political subdivision is replaced.~~ 6986

(E) If a taxpayer fails to meet or comply with any condition 6987
or requirement set forth in a tax credit agreement, the tax credit 6988
authority may amend the agreement to reduce the percentage or term 6989
of the tax credit. The reduction of the percentage or term ~~shall~~ 6990
~~take effect (1) in the taxable year immediately following the~~ 6991
~~taxable year in which the authority amends the agreement or the~~ 6992
~~director of development notifies the taxpayer in writing of such~~ 6993
~~failure, or (2) in the first tax period beginning in the calendar~~ 6994
~~year immediately following the calendar year in which the~~ 6995
~~authority amends the agreement or the director notifies the~~ 6996
~~taxpayer in writing of such failure. If the taxpayer fails to~~ 6997
~~annually report any of the information required by division (D)(6)~~ 6998
~~of this section within the time required by the director, the~~ 6999
~~reduction of the percentage or term may take effect in the current~~ 7000
~~taxable year. If the taxpayer relocates employment positions in~~ 7001
~~violation of the provision required under division (D)(8)(a) of~~ 7002
~~this section, the taxpayer shall not claim the tax credit under~~ 7003
~~section 5733.0610 of the Revised Code for any tax years following~~ 7004
~~the calendar year in which the relocation occurs, or shall not~~ 7005

~~claim the tax credit under section 5725.32, 5729.032, or 5747.058~~ 7006
~~of the Revised Code for the taxable year in which the relocation~~ 7007
~~occurs and any subsequent taxable years, and shall not claim the~~ 7008
~~tax credit under division (A) of section 5751.50 of the Revised~~ 7009
~~Code for any tax period in the calendar year in which the~~ 7010
~~relocation occurs and any subsequent tax periods~~ may take effect 7011
in the current taxable or calendar year. 7012

(F) Projects that consist solely of point-of-final-purchase 7013
retail facilities are not eligible for a tax credit under this 7014
section. If a project consists of both point-of-final-purchase 7015
retail facilities and nonretail facilities, only the portion of 7016
the project consisting of the nonretail facilities is eligible for 7017
a tax credit and only the ~~new~~ excess income tax revenue from ~~new~~ 7018
~~employees~~ of the nonretail facilities shall be considered when 7019
computing the amount of the tax credit. If a warehouse facility is 7020
part of a point-of-final-purchase retail facility and supplies 7021
only that facility, the warehouse facility is not eligible for a 7022
tax credit. Catalog distribution centers are not considered 7023
point-of-final-purchase retail facilities for the purposes of this 7024
division, and are eligible for tax credits under this section. 7025

(G) Financial statements and other information submitted to 7026
the department of development or the tax credit authority by an 7027
applicant or recipient of a tax credit under this section, and any 7028
information taken for any purpose from such statements or 7029
information, are not public records subject to section 149.43 of 7030
the Revised Code. However, the chairperson of the authority may 7031
make use of the statements and other information for purposes of 7032
issuing public reports or in connection with court proceedings 7033
concerning tax credit agreements under this section. Upon the 7034
request of the tax commissioner or, if the applicant or recipient 7035
is an insurance company, upon the request of the superintendent of 7036
insurance, the chairperson of the authority shall provide to the 7037

commissioner or superintendent any statement or information 7038
submitted by an applicant or recipient of a tax credit in 7039
connection with the credit. The commissioner or superintendent 7040
shall preserve the confidentiality of the statement or 7041
information. 7042

(H) A taxpayer claiming a credit under this section shall 7043
submit to the tax commissioner or, if the taxpayer is an insurance 7044
company, to the superintendent of insurance, a copy of the 7045
director of development's certificate of verification under 7046
division (D)(7) of this section with the taxpayer's tax report or 7047
return for the taxable year or for the calendar year that includes 7048
the tax period. Failure to submit a copy of the certificate with 7049
the report or return does not invalidate a claim for a credit if 7050
the taxpayer submits a copy of the certificate to the commissioner 7051
or superintendent within sixty days after the commissioner or 7052
superintendent requests it. 7053

(I) The director of development, after consultation with the 7054
tax commissioner and the superintendent of insurance and in 7055
accordance with Chapter 119. of the Revised Code, shall adopt 7056
rules necessary to implement this section. The rules may provide 7057
for recipients of tax credits under this section to be charged 7058
fees to cover administrative costs of the tax credit program. The 7059
fees collected shall be credited to the tax incentive programs 7060
operating fund created in section 122.174 of the Revised Code. At 7061
the time the director gives public notice under division (A) of 7062
section 119.03 of the Revised Code of the adoption of the rules, 7063
the director shall submit copies of the proposed rules to the 7064
chairpersons of the standing committees on economic development in 7065
the senate and the house of representatives. 7066

(J) For the purposes of this section, a taxpayer may include 7067
a partnership, a corporation that has made an election under 7068
subchapter S of chapter one of subtitle A of the Internal Revenue 7069

Code, or any other business entity through which income flows as a 7070
distributive share to its owners. A partnership, S-corporation, or 7071
other such business entity may elect to pass the credit received 7072
under this section through to the persons to whom the income or 7073
profit of the partnership, S-corporation, or other entity is 7074
distributed. The election shall be made on the annual report 7075
required under division (D)(6) of this section. The election 7076
applies to and is irrevocable for the credit for which the report 7077
is submitted. If the election is made, the credit shall be 7078
apportioned among those persons in the same proportions as those 7079
in which the income or profit is distributed. 7080

(K) If the director of development determines that a taxpayer 7081
who has received a credit under this section is not complying with 7082
the requirement under division (D)(3) of this section, the 7083
director shall notify the tax credit authority of the 7084
noncompliance. After receiving such a notice, and after giving the 7085
taxpayer an opportunity to explain the noncompliance, the tax 7086
credit authority may require the taxpayer to refund to this state 7087
a portion of the credit in accordance with the following: 7088

(1) If the taxpayer maintained operations at the project 7089
location for ~~at least one and one half times the number of years~~ 7090
~~of the term of the tax credit, an amount not exceeding twenty five~~ 7091
~~per cent of the sum of any previously allowed credits under this~~ 7092
~~section;~~ 7093

~~(2) If the taxpayer maintained operations at the project~~ 7094
~~location for at least the number of years of the term of the tax~~ 7095
~~credit, an amount not exceeding fifty per cent of the sum of any~~ 7096
~~previously allowed credits under this section;~~ 7097

~~(3) If the taxpayer maintained operations at the project~~ 7098
~~location for less than the number of years of the term of the tax~~ 7099
~~credit, an amount not exceeding one hundred per cent of the sum of~~ 7100
~~any previously allowed credits under this section a period less~~ 7101

than or equal to the term of the credit, an amount not exceeding 7102
one hundred per cent of the sum of any credits allowed and 7103
received under this section; 7104

(2) If the taxpayer maintained operations at the project 7105
location for a period longer than the term of the credit, but less 7106
than the greater of seven years or the term of the credit plus 7107
three years, an amount not exceeding seventy-five per cent of the 7108
sum of any credits allowed and received under this section. 7109

In determining the portion of the tax credit to be refunded 7110
to this state, the tax credit authority shall consider the effect 7111
of market conditions on the taxpayer's project and whether the 7112
taxpayer continues to maintain other operations in this state. 7113
After making the determination, the authority shall certify the 7114
amount to be refunded to the tax commissioner or superintendent of 7115
insurance, as appropriate. If the amount is certified to the 7116
commissioner, the commissioner shall make an assessment for that 7117
amount against the taxpayer under Chapter 5733., 5747., or 5751. 7118
of the Revised Code. If the amount is certified to the 7119
superintendent, the superintendent shall make an assessment for 7120
that amount against the taxpayer under Chapter 5725. or 5729. of 7121
the Revised Code. The time limitations on assessments under those 7122
chapters do not apply to an assessment under this division, but 7123
the commissioner or superintendent, as appropriate, shall make the 7124
assessment within one year after the date the authority certifies 7125
to the commissioner or superintendent the amount to be refunded. 7126

(L) On or before the ~~thirty-first~~ first day of ~~March~~ August 7127
each year, the director of development shall submit a report to 7128
the governor, the president of the senate, and the speaker of the 7129
house of representatives on the tax credit program under this 7130
section. The report shall include information on the number of 7131
agreements that were entered into under this section during the 7132
preceding calendar year, a description of the project that is the 7133

subject of each such agreement, and an update on the status of 7134
projects under agreements entered into before the preceding 7135
calendar year. 7136

(M) There is hereby created the tax credit authority, which 7137
consists of the director of development and four other members 7138
appointed as follows: the governor, the president of the senate, 7139
and the speaker of the house of representatives each shall appoint 7140
one member who shall be a specialist in economic development; the 7141
governor also shall appoint a member who is a specialist in 7142
taxation. Of the initial appointees, the members appointed by the 7143
governor shall serve a term of two years; the members appointed by 7144
the president of the senate and the speaker of the house of 7145
representatives shall serve a term of four years. Thereafter, 7146
terms of office shall be for four years. Initial appointments to 7147
the authority shall be made within thirty days after January 13, 7148
1993. Each member shall serve on the authority until the end of 7149
the term for which the member was appointed. Vacancies shall be 7150
filled in the same manner provided for original appointments. Any 7151
member appointed to fill a vacancy occurring prior to the 7152
expiration of the term for which the member's predecessor was 7153
appointed shall hold office for the remainder of that term. 7154
Members may be reappointed to the authority. Members of the 7155
authority shall receive their necessary and actual expenses while 7156
engaged in the business of the authority. The director of 7157
development shall serve as chairperson of the authority, and the 7158
members annually shall elect a vice-chairperson from among 7159
themselves. Three members of the authority constitute a quorum to 7160
transact and vote on the business of the authority. The majority 7161
vote of the membership of the authority is necessary to approve 7162
any such business, including the election of the vice-chairperson. 7163

The director of development may appoint a professional 7164
employee of the department of development to serve as the 7165

director's substitute at a meeting of the authority. The director 7166
shall make the appointment in writing. In the absence of the 7167
director from a meeting of the authority, the appointed substitute 7168
shall serve as chairperson. In the absence of both the director 7169
and the director's substitute from a meeting, the vice-chairperson 7170
shall serve as chairperson. 7171

(N) For purposes of the credits granted by this section 7172
against the taxes imposed under sections 5725.18 and 5729.03 of 7173
the Revised Code, "taxable year" means the period covered by the 7174
taxpayer's annual statement to the superintendent of insurance. 7175

insurance shall make an assessment under section 5725.222 or 7590
5729.102 of the Revised Code. The time limitations on assessments 7591
under those chapters and sections do not apply to an assessment 7592
under this division, but the commissioner or superintendent shall 7593
make the assessment within one year after the date the authority 7594
certifies to the commissioner or superintendent the amount to be 7595
refunded. 7596

~~tax credit authority of the noncompliance. After receiving such~~ 7601
~~notice, and after providing the taxpayer an opportunity to explain~~ 7602
~~the noncompliance, the authority may amend the agreement to reduce~~ 7603
~~the percentage or term of the tax credit. The reduction in the~~ 7604
~~percentage or term shall take effect in the taxable year, or in~~ 7605

~~the calendar year that includes the tax period, in which the~~ 7606
~~authority amends the agreement.~~ 7607

preceding calendar year, a description of the project that is the 7627
subject of each such agreement, and an update on the status of 7628
projects under agreements entered into before the preceding 7629
calendar year. 7630

number assigned to the tax credit certificate that corresponds 8119
with the credit amount transferred. 8120

(G) Each motion picture production company that has a motion 8121
picture production certified as a tax credit-eligible production 8122
shall designate itself or another person as the transfer agent for 8123
the purpose of providing the statements and certifications 8124
required under this division. Upon making the designation, the 8125
motion picture production company shall provide notice of the 8126
designation to each certificate owner of a certificate issued with 8127
respect to investments made in the company's motion picture 8128
production. Before claiming a credit under section 5747.66 of the 8129
Revised Code, a certificate owner shall request from the transfer 8130
agent a statement certifying the certificate owner's share of the 8131
credit amount, and the transfer agent shall provide the statement 8132
to the certificate owner. The statement shall be in a form 8133
prescribed by the director of development. The transfer agent also 8134

shall provide a statement to the tax commissioner showing the 8135
identity of the certificate owner and the certificate owner's 8136
share of the credit amount. The statement shall be in a form 8137
prescribed by the tax commissioner. A tax credit may not be 8138
claimed by a certificate owner unless the transfer agent issues 8139
the statement to the certificate owner. 8140

(H) Each motion picture production company that has a motion 8141
picture production certified as a tax credit-eligible production 8142
shall engage, at the company's expense, an independent certified 8143
public accountant to examine the company's production expenditures 8144
to identify the expenditures that qualify as eligible production 8145
expenditures. The certified public accountant shall issue a report 8146
to the company and to the director of development certifying the 8147
company's eligible production expenditures and any other 8148
information required by the director. Upon receiving and examining 8149
the report, the director may disallow any expenditure the director 8150
determines is not an eligible production expense. If the director 8151
disallows an expenditure, the director, not later than thirty days 8152
after receiving the report, shall issue a written notice to the 8153
motion picture production company stating that the expenditure is 8154
disallowed, the reason for the disallowance, and the manner in 8155
which an appeal of the disallowance may be made. If the director 8156
does not issue the notice within the prescribed time, the eligible 8157
production expenditures certified by the certified public 8158
accountant's report are conclusively determined to be the eligible 8159
production expenditures on the basis of which base investments are 8160
determined and the credit is allowed under section 5747.66 of the 8161
Revised Code. 8162

The company, not later than thirty days after issuance of the 8163
notice, may appeal the disallowance by filing a notice of appeal 8164
with the director. If a notice of appeal is properly and timely 8165
filed, the director shall schedule a hearing on the appeal. The 8166

company shall be given the opportunity to present evidence and 8167
testimony at the hearing regarding the disallowed expenditures. 8168
The hearing may be continued from time to time as necessary. On 8169
the basis of evidence or testimony presented by the company, the 8170
director, within thirty days after the conclusion of the hearing, 8171
may revise or affirm the initial notice of disallowance of 8172
expenditures and issue a final notice to the company stating the 8173
revision or affirmation. The director's final notice is not 8174
appealable. 8175

(I)(1) No credit shall be allowed under section 5747.66 of 8176
the Revised Code on the basis of any expenditure unless the 8177
expenditure has been certified by a certified public accountant 8178
under division (H) of this section and has not been disallowed by 8179
the director of development under that division. 8180

(2) A credit shall not be disallowed under section 5747.66 of 8181
the Revised Code if, after the director of development issues the 8182
final notice under division (H) of this section, it is discovered 8183
that the credit is claimed on the basis of expenditures that do 8184
not qualify as eligible production expenditures but that were 8185
certified as eligible production expenditures by the certified 8186
public accountant and not disallowed by the director. 8187

(J) This state reserves the right to refuse the use of this 8188
state's name in the credits of any tax credit-eligible motion 8189
picture production. 8190

(K) The director of development shall adopt rules for the 8191
administration of this section, including rules governing the 8192
criteria for determining whether a motion picture production is a 8193
tax credit eligible production, which criteria shall be developed 8194
by the director in consultation with the tax commissioner; 8195
expenditures that qualify as eligible production expenditures; the 8196
form and manner of certifications by transfer agents; 8197
reimbursement requirements under division (B) of this section; and 8198

the appeal procedure under division (H) of this section. The rules 8199
shall be adopted under Chapter 119. of the Revised Code. 8200

bonds as surety for minority businesses as principals, on 8202
contracts with the state, any political subdivision or 8203
instrumentality thereof, or any person as the obligee. The 8204
director as surety may exercise all the rights and powers of a 8205
company authorized by the department of insurance to execute bonds 8206
as surety but shall not be subject to any requirements of a surety 8207
company under Title XXXIX of the Revised Code nor to any rules of 8208
the department of insurance. 8209

(B) The director, with the advice of the minority development 8210
financing advisory board, shall adopt rules under Chapter 119. of 8211
the Revised Code establishing procedures for application for 8212
surety bonds by minority businesses and for review and approval of 8213
applications. The board shall review each application in 8214
accordance with the rules and, based on the bond worthiness of 8215
each applicant, shall refer all qualified applicants to the 8216
director. Based on the recommendation of the board, the director 8217
shall determine whether or not the applicant shall receive 8218
bonding. 8219

~~(C) The rules of the board shall provide that the minority 8220
business, in order to make an application for a bond to the 8221
director, shall submit documentation, as the director requires, to 8222
demonstrate either that a minority business shall have been denied 8223
a bond by two surety companies or that the minority business has 8224
applied to two surety companies for a bond and, at the expiration 8225
of sixty days after making the application, has neither received 8226
nor been denied a bond.~~ 8227

~~(D)~~ The rules of the board shall require the minority 8228
business to pay a premium in advance for the bond to be 8229

established by the director, with the advice of the board after 8230
the director receives advice from the superintendent of insurance 8231
regarding the standard market rates for premiums for similar 8232
bonds. All premiums paid by minority businesses shall be paid into 8233
the minority business bonding program administrative and loss 8234
reserve fund. 8235

~~(E)~~(D) The penal sum amounts of all outstanding bonds issued 8236
by the director shall not exceed the amount of moneys in the 8237
minority business bonding fund and available to the fund under 8238
division (B) of section 169.05 of the Revised Code. 8239

~~(F)~~(E) The superintendent of insurance shall provide such 8240
technical and professional assistance as is considered necessary 8241
by the director, including providing advice regarding the standard 8242
market rates for bond premiums as described under division ~~(D)~~(C) 8243
of this section. 8244

require the issuance of a building permit or the issuance of a certificate of occupancy and that are necessary to remediate conditions at a hazardous waste facility, solid waste facility, or other location at which the director of environmental protection has reason to believe there is a substantial threat to public health or safety or the environment. These contracts shall be made and entered into by the directors of public safety, job and family services, mental health, mental retardation and developmental disabilities, rehabilitation and correction, and youth services, the administrator of workers' compensation, the rehabilitation services commission, the boards of trustees of such institutions, and the director of environmental protection, respectively. improvements for any public purpose, and, in conjunction 8358
therewith, to grant leases, easements, or licenses for lands under 8359
the control of a state agency for a period not to exceed forty 8360

builder the department, or the builder with the approval of the 8425

4117. of the Revised Code or instruments and contracts negotiated 8596
under it, such placements are at the ~~board's~~ discretion of the 8597

employee is in the unclassified civil service, the state personnel 8605
board of review shall consider the inherent nature of the duties 8606

authority. The state personnel board of review may affirm, 8621
disaffirm, or modify the decisions of the director, and its 8622
decision is final. The ~~board's~~ decisions of the state personnel 8623
board of review shall be consistent with the applicable 8624
classification specifications. 8625

(D) This division does not apply to persons in the unclassified service who have the right to resume positions in the classified service under sections 4121.121, 5119.071, 5120.38, 5120.381, 5120.382, 5123.08, 5139.02, and 5501.19 of the Revised Code.

An appointing authority whose employees are paid directly by warrant of the director of budget and management may appoint a person who holds a certified position in the classified service within the appointing authority's agency to a position in the unclassified service within that agency. A person appointed pursuant to this division to a position in the unclassified service shall retain the right to resume the position and status held by the person in the classified service immediately prior to the person's appointment to the position in the unclassified service, regardless of the number of positions the person held in the unclassified service. An employee's right to resume a position in the classified service may only be exercised when an appointing authority demotes the employee to a pay range lower than the employee's current pay range or revokes the employee's appointment to the unclassified service. An employee forfeits the right to resume a position in the classified service when the employee is removed from the position in the unclassified service due to incompetence, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of this chapter or the rules of the director of administrative services, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony. An employee also forfeits the right to resume a position in the classified service upon transfer to a different agency.

Reinstatement to a position in the classified service shall be to a position substantially equal to that position in the

classified service held previously, as certified by the director 9070
of administrative services. If the position the person previously 9071
held in the classified service has been placed in the unclassified 9072
service or is otherwise unavailable, the person shall be appointed 9073
to a position in the classified service within the appointing 9074
authority's agency that the director of administrative services 9075
certifies is comparable in compensation to the position the person 9076
previously held in the classified service. Service in the position 9077
in the unclassified service shall be counted as service in the 9078
position in the classified service held by the person immediately 9079
prior to the person's appointment to the position in the 9080
unclassified service. When a person is reinstated to a position in 9081
the classified service as provided in this division, the person is 9082
entitled to all rights, status, and benefits accruing to the 9083
position in the classified service during the person's time of 9084
service in the position in the unclassified service. 9085

Sec. 124.134. (A) Each full-time permanent state employee 9086
paid in accordance with section 124.152 of the Revised Code and 9087
those employees listed in divisions (B)(2) and (4) of section 9088

~~entitled to two hundred hours of vacation leave with full pay. A~~ 9103
~~full-time permanent state employee with twenty-five or more years~~ 9104

~~accrue to the employee at the rate of three and one-tenth hours~~ 9107
~~each biweekly period for those entitled to eighty hours per year;~~ 9108
~~four and six-tenths hours each biweekly period for those entitled~~ 9109

~~to length of service and accruing at a corresponding rate per~~ 9118
~~biweekly pay period, as follows:~~ 9119

<u>Length of Service</u>	<u>Accrual Rate Per Pay Period</u>	
<u>Less than 4 years</u>	<u>3.1 hours</u>	9121
<u>4 but less than 9 years</u>	<u>4.6 hours</u>	9122
<u>9 but less than 14 years</u>	<u>6.2 hours</u>	9123
<u>14 but less than 19 years</u>	<u>6.9 hours</u>	9124
<u>19 but less than 24 years</u>	<u>7.7 hours</u>	9125
<u>24 years or more</u>	<u>9.2 hours</u>	9126

Fifty-two weeks equal one year of service. 9127

The amount of an employee's service shall be determined in 9128
accordance with the standard specified in section 9.44 of the 9129
Revised Code. Credit for prior service, including an increased 9130
vacation accrual rate and longevity supplement, shall take effect 9131
during the first pay period that begins immediately following the 9132
date the director of administrative services approves granting 9133

credit for that prior service. No employee, other than an employee 9134
who submits proof of prior service within ninety days after the 9135
date of the employee's hiring, shall receive any amount of 9136
vacation leave for the period prior to the date of the director's 9137
approval of the grant of credit for prior service. 9138

Part-time permanent employees who are paid in accordance with 9139
section 124.152 of the Revised Code and full-time permanent 9140
employees subject to this section who are in active pay status for 9141
less than eighty hours in a pay period shall earn vacation leave 9142
on a prorated basis. The ratio between the hours worked and the 9143
vacation hours earned by these classes of employees shall be the 9144
same as the ratio between the hours worked and the vacation hours 9145
earned by a full-time permanent employee with the same amount of 9146
service as provided for in this section. 9147

Vacation leave is not available for use until it appears on 9148
the employee's earning statement and the compensation described in 9149
the earning statement is available to the employee. An employee 9150
may begin using accrued vacation leave upon completion of the 9151
employee's initial probation period. 9152

(B) Employees granted leave under this section shall forfeit 9153
their right to take or to be paid for any vacation leave to their 9154
credit which is in excess of the accrual for three years. Any 9155
excess leave shall be eliminated from the employees' leave 9156
balance. If an employee's vacation leave credit is at, or will 9157
reach in the immediately following pay period, the maximum of the 9158
accrual for three years and the employee has been denied the use 9159
of vacation leave during the immediately preceding twelve months, 9160
the employee, at the employee's request, shall be paid in a pay 9161
period for the vacation leave the employee was denied, up to the 9162
maximum amount the employee would be entitled to be paid for in 9163
any pay period. An employee is not entitled to receive payment for 9164
vacation leave denied in any pay period in which the employee's 9165

vacation leave credit is not at, or will not reach in the 9166
immediately following pay period, the maximum of accrual for three 9167
years. Any vacation leave for which an employee receives payment 9168
shall be deducted from the employee's vacation leave balance. 9169
Payment shall not be made for any leave accrued in the same 9170
calendar year in which the payment is made. 9171

(C) Upon separation from state service, an employee granted 9172
leave under this section is entitled to compensation at the 9173
employee's current rate of pay for all unused vacation leave 9174
accrued under this section or section 124.13 of the Revised Code 9175
to the employee's credit. In case of transfer of an employee from 9176
one state agency to another, the employee shall retain the accrued 9177
and unused vacation leave. In case of the death of an employee, 9178
the unused vacation leave shall be paid in accordance with section 9179
2113.04 of the Revised Code, or to the employee's estate. An 9180
employee serving in a temporary work level who is eligible to 9181
receive compensation under this division shall be compensated at 9182
the base rate of pay of the employee's normal classification. 9183

Sec. 124.14. (A)(1) The director of administrative services 9184
shall establish, and may modify or rescind, by rule, a job 9185
classification plan for all positions, offices, and employments 9186
the salaries of which are paid in whole or in part by the state. 9187
The director shall group jobs within a classification so that the 9188
positions are similar enough in duties and responsibilities to be 9189
described by the same title, to have the same pay assigned with 9190
equity, and to have the same qualifications for selection applied. 9191
The director shall, by rule, assign a classification title to each 9192
classification within the classification plan. However, the 9193
director shall consider in establishing classifications, including 9194
classifications with parenthetical titles, and assigning pay 9195
ranges such factors as duties performed only on one shift, special 9196
skills in short supply in the labor market, recruitment problems, 9197

separation rates, comparative salary rates, the amount of training 9198
required, and other conditions affecting employment. The director 9199
shall describe the duties and responsibilities of the class, 9200
establish the qualifications for being employed in each position 9201
in the class, and file with the secretary of state a copy of 9202
specifications for all of the classifications. The director shall 9203
file new, additional, or revised specifications with the secretary 9204
of state before they are used. 9205

The director shall, by rule, assign each classification, 9206
either on a statewide basis or in particular counties or state 9207
institutions, to a pay range established under section 124.15 or 9208
section 124.152 of the Revised Code. The director may assign a 9209
classification to a pay range on a temporary basis for a period of 9210
six months. The director may establish, by rule adopted under 9211
Chapter 119. of the Revised Code, experimental classification 9212
plans for some or all employees paid directly by warrant of the 9213
director of budget and management. The rule shall include 9214
specifications for each classification within the plan and shall 9215
specifically address compensation ranges, and methods for 9216
advancing within the ranges, for the classifications, which may be 9217
assigned to pay ranges other than the pay ranges established under 9218
section 124.15 or 124.152 of the Revised Code. 9219

(2) The director of administrative services may reassign to a 9220
proper classification those positions that have been assigned to 9221
an improper classification. If the compensation of an employee in 9222
such a reassigned position exceeds the maximum rate of pay for the 9223
employee's new classification, the employee shall be placed in pay 9224
step X and shall not receive an increase in compensation until the 9225
maximum rate of pay for that classification exceeds the employee's 9226
compensation. 9227

(3) The director may reassign an exempt employee, as defined 9228
in section 124.152 of the Revised Code, to a bargaining unit 9229

classification if the director determines that the bargaining unit 9230
classification is the proper classification for that employee. 9231
Notwithstanding Chapter 4117. of the Revised Code or instruments 9232
and contracts negotiated under it, these placements are at the 9233
director's discretion. 9234

(4) The director shall, by rule, assign related 9235
classifications, which form a career progression, to a 9236
classification series. The director shall, by rule, assign each 9237
classification in the classification plan a five-digit number, the 9238
first four digits of which shall denote the classification series 9239
to which the classification is assigned. When a career progression 9240
encompasses more than ten classifications, the director shall, by 9241
rule, identify the additional classifications belonging to a 9242
classification series. The additional classifications shall be 9243
part of the classification series, notwithstanding the fact that 9244
the first four digits of the number assigned to the additional 9245
classifications do not correspond to the first four digits of the 9246
numbers assigned to other classifications in the classification 9247
series. 9248

(5) The director, ~~in accordance with rules adopted under~~ 9249
~~Chapter 119. of the Revised Code, shall establish, and may~~ 9250
establish, modify, or rescind, a classification plan for county 9251
agencies that elect not to use the services and facilities of a 9252
county personnel department. The director shall establish any such 9253
classification plan by means of rules adopted under Chapter 119. 9254
of the Revised Code. The rules shall include a methodology for the 9255
establishment of titles unique to county agencies, the use of 9256
state classification titles and classification specifications for 9257
common positions, the criteria for a county to meet in 9258
establishing its own classification plan, and the establishment of 9259
what constitutes a classification series for county agencies. The 9260
director may assess a county agency that chooses to use the 9261

classification plan a usage fee the director determines. All usage 9262
fees the department of administrative services receives shall be 9263
paid into the state treasury to the credit of the human resources 9264
fund created in section 124.07 of the Revised Code. 9265

(B) Division (A) of this section and sections 124.15 and 9266
124.152 of the Revised Code do not apply to the following persons, 9267
positions, offices, and employments: 9268

(1) Elected officials; 9269

(2) Legislative employees, employees of the legislative 9270
service commission, employees in the office of the governor, 9271
employees who are in the unclassified civil service and exempt 9272
from collective bargaining coverage in the office of the secretary 9273
of state, auditor of state, treasurer of state, and attorney 9274
general, and employees of the supreme court; 9275

(3) Employees of a county children services board that 9276
establishes compensation rates under section 5153.12 of the 9277
Revised Code; 9278

(4) Any position for which the authority to determine 9279
compensation is given by law to another individual or entity; 9280

(5) Employees of the bureau of workers' compensation whose 9281
compensation the administrator of workers' compensation 9282
establishes under division (B) of section 4121.121 of the Revised 9283
Code. 9284

(C) The director may employ a consulting agency to aid and 9285
assist the director in carrying out this section. 9286

(D)(1) When the director proposes to modify a classification 9287
or the assignment of classes to appropriate pay ranges, the 9288
director shall send written notice of the proposed rule to the 9289
appointing authorities of the affected employees thirty days 9290
before a hearing on the proposed rule. The appointing authorities 9291

shall notify the affected employees regarding the proposed rule. 9292
The director also shall send those appointing authorities notice 9293
of any final rule that is adopted within ten days after adoption. 9294

(2) When the director proposes to reclassify any employee so 9295
that the employee is adversely affected, the director shall give 9296
to the employee affected and to the employee's appointing 9297
authority a written notice setting forth the proposed new 9298
classification, pay range, and salary. Upon the request of any 9299
classified employee who is not serving in a probationary period, 9300
the director shall perform a job audit to review the 9301
classification of the employee's position to determine whether the 9302
position is properly classified. The director shall give to the 9303
employee affected and to the employee's appointing authority a 9304
written notice of the director's determination whether or not to 9305
reclassify the position or to reassign the employee to another 9306
classification. An employee or appointing authority desiring a 9307
hearing shall file a written request for the hearing with the 9308
state personnel board of review within thirty days after receiving 9309
the notice. The board shall set the matter for a hearing and 9310
notify the employee and appointing authority of the time and place 9311
of the hearing. The employee, the appointing authority, or any 9312
authorized representative of the employee who wishes to submit 9313
facts for the consideration of the board shall be afforded 9314
reasonable opportunity to do so. After the hearing, the board 9315
shall consider anew the reclassification and may order the 9316
reclassification of the employee and require the director to 9317
assign the employee to such appropriate classification as the 9318
facts and evidence warrant. As provided in division (A)(1) of 9319
section 124.03 of the Revised Code, the board may determine the 9320
most appropriate classification for the position of any employee 9321
coming before the board, with or without a job audit. The board 9322
shall disallow any reclassification or reassignment classification 9323
of any employee when it finds that changes have been made in the 9324

duties and responsibilities of any particular employee for 9325
political, religious, or other unjust reasons. 9326

(E)(1) Employees of each county department of job and family 9327
services shall be paid a salary or wage established by the board 9328
of county commissioners. The provisions of section 124.18 of the 9329
Revised Code concerning the standard work week apply to employees 9330
of county departments of job and family services. A board of 9331
county commissioners may do either of the following: 9332

(a) Notwithstanding any other section of the Revised Code, 9333
supplement the sick leave, vacation leave, personal leave, and 9334
other benefits of any employee of the county department of job and 9335
family services of that county, if the employee is eligible for 9336
the supplement under a written policy providing for the 9337
supplement; 9338

(b) Notwithstanding any other section of the Revised Code, 9339
establish alternative schedules of sick leave, vacation leave, 9340
personal leave, or other benefits for employees not inconsistent 9341
with the provisions of a collective bargaining agreement covering 9342
the affected employees. 9343

(2) Division (E)(1) of this section does not apply to 9344
employees for whom the state employment relations board 9345
establishes appropriate bargaining units pursuant to section 9346
4117.06 of the Revised Code, except in either of the following 9347
situations: 9348

(a) The employees for whom the state employment relations 9349
board establishes appropriate bargaining units elect no 9350
representative in a board-conducted representation election. 9351

(b) After the state employment relations board establishes 9352
appropriate bargaining units for such employees, all employee 9353
organizations withdraw from a representation election. 9354

(F)(1) Notwithstanding any contrary provision of sections 9355

124.01 to 124.64 of the Revised Code, the board of trustees of 9356
each state university or college, as defined in section 3345.12 of 9357
the Revised Code, shall carry out all matters of governance 9358
involving the officers and employees of the university or college, 9359
including, but not limited to, the powers, duties, and functions 9360
of the department of administrative services and the director of 9361
administrative services specified in this chapter. Officers and 9362
employees of a state university or college shall have the right of 9363
appeal to the state personnel board of review as provided in this 9364
chapter. 9365

(2) Each board of trustees shall adopt rules under section 9366
111.15 of the Revised Code to carry out the matters of governance 9367
described in division (F)(1) of this section. Until the board of 9368
trustees adopts those rules, a state university or college shall 9369
continue to operate pursuant to the applicable rules adopted by 9370
the director of administrative services under this chapter. 9371

(G)(1) Each board of county commissioners may, by a 9372
resolution adopted by a majority of its members, establish a 9373
county personnel department to exercise the powers, duties, and 9374
functions specified in division (G) of this section. As used in 9375

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 9661
9662

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 9663
9664
9665

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. employees in the service of the state, with the approval of the 9677
director of administrative services and the director of budget and 9678
management, may establish payments to employees for uniforms, 9679
tools, equipment, and other requirements of the department and 9680
payments for the maintenance of them. 9681

The director of administrative services may review collective 9682
bargaining agreements entered into under Chapter 4117. of the 9683
Revised Code that cover employees in the service of the state and 9684
determine whether certain benefits or payments provided to the 9685
employees covered by those agreements should also be provided to 9686
employees in the service of the state who are exempt from 9687
collective bargaining coverage and are paid in accordance with 9688
section 124.152 of the Revised Code or are listed in division 9689
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 9690
the review, the director of administrative services, with the 9691
approval of the director of budget and management, may provide to 9692
some or all of these employees any payment or benefit, except for 9693
salary, contained in such a collective bargaining agreement even 9694
if it is similar to a payment or benefit already provided by law 9695
to some or all of these employees. Any payment or benefit so 9696
provided shall not exceed the highest level for that payment or 9697
benefit specified in such a collective bargaining agreement. The 9698
director of administrative services shall not provide, and the 9699
director of budget and management shall not approve, any payment 9700
or benefit to such an employee under this division unless the 9701
payment or benefit is provided pursuant to a collective bargaining 9702
agreement to a state employee who is in a position with similar 9703
duties as, is supervised by, or is employed by the same appointing 9704
authority as, the employee to whom the benefit or payment is to be 9705
provided. 9706

As used in this division, "payment or benefit already 9707
provided by law" includes, but is not limited to, bereavement, 9708

personal, vacation, administrative, and sick leave, disability 9709
benefits, holiday pay, and pay supplements provided under the 9710
Revised Code, but does not include wages or salary. 9711

(E) New employees paid in accordance with schedule B of 9712
division (A) of this section or schedule E-1 of section 124.152 of 9713
the Revised Code shall be employed at the minimum rate established 9714
for the range unless otherwise provided. Employees with 9715
qualifications that are beyond the minimum normally required for 9716
the position and that are determined by the director to be 9717
exceptional may be employed in, or may be transferred or promoted 9718
to, a position at an advanced step of the range. Further, in time 9719
of a serious labor market condition when it is relatively 9720
impossible to recruit employees at the minimum rate for a 9721
particular classification, the entrance rate may be set at an 9722
advanced step in the range by the director of administrative 9723
services. This rate may be limited to geographical regions of the 9724
state. Appointments made to an advanced step under the provision 9725
regarding exceptional qualifications shall not affect the step 9726
assignment of employees already serving. However, anytime the 9727
hiring rate of an entire classification is advanced to a higher 9728
step, all incumbents of that classification being paid at a step 9729
lower than that being used for hiring, shall be advanced beginning 9730
at the start of the first pay period thereafter to the new hiring 9731
rate, and any time accrued at the lower step will be used to 9732
calculate advancement to a succeeding step. If the hiring rate of 9733
a classification is increased for only a geographical region of 9734
the state, only incumbents who work in that geographical region 9735
shall be advanced to a higher step. When an employee in the 9736
unclassified service changes from one state position to another or 9737
is appointed to a position in the classified service, or if an 9738
employee in the classified service is appointed to a position in 9739
the unclassified service, the employee's salary or wage in the new 9740
position shall be determined in the same manner as if the employee 9741

were an employee in the classified service. When an employee in 9742
the unclassified service who is not eligible for step increases is 9743
appointed to a classification in the classified service under 9744
which step increases are provided, future step increases shall be 9745
based on the date on which the employee last received a pay 9746
increase. If the employee has not received an increase during the 9747
previous year, the date of the appointment to the classified 9748
service shall be used to determine the employee's annual step 9749
advancement eligibility date. In reassigning any employee to a 9750
classification resulting in a pay range increase or to a new pay 9751
range as a result of a promotion, an increase pay range 9752
adjustment, or other classification change resulting in a pay 9753
range increase, the director shall assign such employee to the 9754
step in the new pay range that will provide an increase of 9755
approximately four per cent if the new pay range can accommodate 9756
the increase. When an employee is being assigned to a 9757
classification or new pay range as the result of a class plan 9758
change, if the employee has completed a probationary period, the 9759
employee shall be placed in a step no lower than step two of the 9760
new pay range. If the employee has not completed a probationary 9761
period, the employee may be placed in step one of the new pay 9762
range. Such new salary or wage shall become effective on such date 9763
as the director determines. 9764

(F) If employment conditions and the urgency of the work 9765
require such action, the director of administrative services may, 9766
upon the application of a department head, authorize payment at 9767
any rate established within the range for the class of work, for 9768
work of a casual or intermittent nature or on a project basis. 9769
Payment at such rates shall not be made to the same individual for 9770
more than three calendar months in any one calendar year. Any such 9771
action shall be subject to the approval of the director of budget 9772
and management as to the availability of funds. This section and 9773
sections 124.14 and 124.152 of the Revised Code do not repeal any 9774

authority of any department or public official to contract with or 9775
fix the compensation of professional persons who may be employed 9776
temporarily for work of a casual nature or for work on a project 9777
basis. 9778

(G)(1) Except as provided in ~~division~~ divisions (G)(2) and 9779
(3) of this section, each state employee paid in accordance with 9780
schedule B of this section or schedule E-1 of section 124.152 of 9781
the Revised Code shall be eligible for advancement to succeeding 9782
steps in the range for the employee's class or grade according to 9783
the schedule established in this division. Beginning on the first 9784
day of the pay period within which the employee completes the 9785
prescribed probationary period in the employee's classification 9786
with the state, each employee shall receive an automatic salary 9787
adjustment equivalent to the next higher step within the pay range 9788
for the employee's class or grade. 9789

~~Each~~ Except as provided in divisions (G)(2) and (3) of this 9790
section, each employee paid in accordance with schedule E-1 of 9791
section 124.152 of the Revised Code shall be eligible to advance 9792
to the next higher step until the employee reaches the top step in 9793
the range for the employee's class or grade, if the employee has 9794
maintained satisfactory performance in accordance with criteria 9795
established by the employee's appointing authority. Those step 9796
advancements shall not occur more frequently than once in any 9797
twelve-month period. 9798

~~When an employee is promoted or reassigned to a higher pay~~ 9799
~~range, the employee's step indicator shall return to "0" or be~~ 9800
~~adjusted to account for a probationary period, as appropriate.~~ 9801
When an employee is promoted, the step entry date shall be set to 9802
account for a probationary period. When an employee is reassigned 9803
to a higher pay range, the step entry date shall be set to allow 9804
an employee who is not at the highest step of the range to receive 9805
a step advancement one year from the reassignment date. Step 9806

advancement shall not be affected by demotion. A promoted employee 9807
shall advance to the next higher step of the pay range on the 9808
first day of the pay period in which the required probationary 9809
period is completed. Step advancement shall become effective at 9810
the beginning of the pay period within which the employee attains 9811
the necessary length of service. Time spent on authorized leave of 9812
absence shall be counted for this purpose. 9813

If determined to be in the best interest of the state 9814
service, the director of administrative services may, either 9815
statewide or in selected agencies, adjust the dates on which 9816
annual step advancements are received by employees paid in 9817
accordance with schedule E-1 of section 124.152 of the Revised 9818
Code. 9819

~~(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of~~ 9820
~~this section, there~~ There shall be a moratorium on annual step 9821
advancements under division (G)(1) of this section ~~from the pay~~ 9822
~~period beginning June 29, 2003~~ June 21, 2009, through ~~the pay~~ 9823
~~period ending June 25, 2005~~ June 20, 2011. Step advancements shall 9824
resume with the pay period beginning ~~June 26, 2005~~ June 21, 2011. 9825
Upon the resumption of step advancements, there shall be no 9826
retroactive step advancements for the period the moratorium was in 9827
effect. The moratorium shall not affect an employee's performance 9828
evaluation schedule. 9829

~~(ii) During the moratorium under division (G)(2)(a)(i) of~~ 9830
~~this section, an employee who is hired or promoted and serves a~~ 9831
~~probationary period in the employee's new position shall advance~~ 9832
~~to the next step in the employee's pay range upon successful~~ 9833
~~completion of the employee's probationary period. Thereafter, the~~ 9834
~~employee is subject to the moratorium. An employee who begins a~~ 9835
probationary period before June 21, 2009, shall advance to the 9836
next step in the employee's pay range at the end of probation, and 9837
then become subject to the moratorium. An employee who is hired, 9838

promoted, or reassigned to a higher pay range between June 21, 9839
2009, through June 20, 2011, shall not advance to the next step in 9840

section shall apply to the employees of the secretary of state, 9845
the auditor of state, the treasurer of state, and the attorney 9846
general, who are subject to this section unless the secretary of 9847
state, the auditor of state, the treasurer of state, or the 9848

classification and are not eligible for step advancements. 9854

(H) Employees in appointive managerial or professional 9855
positions paid in accordance with schedule C of this section or 9856
schedule E-2 of section 124.152 of the Revised Code may be 9857
appointed at any rate within the appropriate pay range. This rate 9858
of pay may be adjusted higher or lower within the respective pay 9859
range at any time the appointing authority so desires as long as 9860
the adjustment is based on the employee's ability to successfully 9861
administer those duties assigned to the employee. Salary 9862
adjustments shall not be made more frequently than once in any 9863
six-month period under this provision to incumbents holding the 9864
same position and classification. 9865

(I) When an employee is assigned to duty outside this state, 9866
the employee may be compensated, upon request of the department 9867
head and with the approval of the director of administrative 9868
services, at a rate not to exceed fifty per cent in excess of the 9869
employee's current base rate for the period of time spent on that 9870

duty. 9871

(J) Unless compensation for members of a board or commission 9872
is otherwise specifically provided by law, the director of 9873
administrative services shall establish the rate and method of 9874
payment for members of boards and commissions pursuant to the pay 9875
schedules listed in section 124.152 of the Revised Code. 9876

(K) Regular full-time employees in positions assigned to 9877
classes within the instruction and education administration series 9878
under the rules of the director of administrative services, except 9879
certificated employees on the instructional staff of the state 9880
school for the blind or the state school for the deaf, whose 9881
positions are scheduled to work on the basis of an academic year 9882
rather than a full calendar year, shall be paid according to the 9883
pay range assigned by such rules but only during those pay periods 9884
included in the academic year of the school where the employee is 9885
located. 9886

(1) Part-time or substitute teachers or those whose period of 9887
employment is other than the full academic year shall be 9888
compensated for the actual time worked at the rate established by 9889
this section. 9890

(2) Employees governed by this division are exempt from 9891
sections 124.13 and 124.19 of the Revised Code. 9892

(3) Length of service for the purpose of determining 9893
eligibility for step advancements as provided by division (G) of 9894
this section and for the purpose of determining eligibility for 9895
longevity pay supplements as provided by division (E) of section 9896
124.181 of the Revised Code shall be computed on the basis of one 9897
full year of service for the completion of each academic year. 9898

(L) The superintendent of the state school for the deaf and 9899
the superintendent of the state school for the blind shall, 9900
subject to the approval of the superintendent of public 9901

instruction, carry out both of the following: 9902

(1) Annually, between the first day of April and the last day 9903
of June, establish for the ensuing fiscal year a schedule of 9904
hourly rates for the compensation of each certificated employee on 9905
the instructional staff of that superintendent's respective school 9906
constructed as follows: 9907

(a) Determine for each level of training, experience, and 9908
other professional qualification for which an hourly rate is set 9909
forth in the current schedule, the per cent that rate is of the 9910
rate set forth in such schedule for a teacher with a bachelor's 9911
degree and no experience. If there is more than one such rate for 9912
such a teacher, the lowest rate shall be used to make the 9913
computation. 9914

(b) Determine which six city, local, and exempted village 9915
school districts with territory in Franklin county have in effect 9916
on, or have adopted by, the first day of April for the school year 9917
that begins on the ensuing first day of July, teacher salary 9918
schedules with the highest minimum salaries for a teacher with a 9919
bachelor's degree and no experience; 9920

(c) Divide the sum of such six highest minimum salaries by 9921
ten thousand five hundred sixty; 9922

(d) Multiply each per cent determined in division (L)(1)(a) 9923
of this section by the quotient obtained in division (L)(1)(c) of 9924
this section; 9925

(e) One hundred five per cent of each product thus obtained 9926
shall be the hourly rate for the corresponding level of training, 9927
experience, or other professional qualification in the schedule 9928
for the ensuing fiscal year. 9929

(2) Annually, assign each certificated employee on the 9930
instructional staff of the superintendent's respective school to 9931
an hourly rate on the schedule that is commensurate with the 9932

employee's training, experience, and other professional 9933
qualifications. 9934

If an employee is employed on the basis of an academic year, 9935
the employee's annual salary shall be calculated by multiplying 9936
the employee's assigned hourly rate times one thousand seven 9937
hundred sixty. If an employee is not employed on the basis of an 9938
academic year, the employee's annual salary shall be calculated in 9939
accordance with the following formula: 9940

(a) Multiply the number of days the employee is required to 9941
work pursuant to the employee's contract by eight; 9942

(b) Multiply the product of division (L)(2)(a) of this 9943
section by the employee's assigned hourly rate. 9944

Each employee shall be paid an annual salary in biweekly 9945
installments. The amount of each installment shall be calculated 9946
by dividing the employee's annual salary by the number of biweekly 9947
installments to be paid during the year. 9948

Sections 124.13 and 124.19 of the Revised Code do not apply 9949
to an employee who is paid under this division. 9950

As used in this division, "academic year" means the number of 9951
days in each school year that the schools are required to be open 9952
for instruction with pupils in attendance. Upon completing an 9953
academic year, an employee paid under this division shall be 9954
deemed to have completed one year of service. An employee paid 9955
under this division is eligible to receive a pay supplement under 9956
division (L)(1), (2), or (3) of section 124.181 of the Revised 9957
Code for which the employee qualifies, but is not eligible to 9958
receive a pay supplement under division (L)(4) or (5) of that 9959
section. An employee paid under this division is eligible to 9960
receive a pay supplement under division (L)(6) of section 124.181 9961
of the Revised Code for which the employee qualifies, except that 9962
the supplement is not limited to a maximum of five per cent of the 9963

employee's regular base salary in a calendar year. 9964

(M) Division (A) of this section does not apply to "exempt 9965
employees," as defined in section 124.152 of the Revised Code, who 9966
are paid under that section. 9967

Notwithstanding any other provisions of this chapter, when an 9968
employee transfers between bargaining units or transfers out of or 9969
into a bargaining unit, the director of administrative services 9970
shall establish the employee's compensation and adjust the maximum 9971
leave accrual schedule as the director deems equitable. 9972

schedule E-2 of division (B), or (C), ~~(D), (E), (F), or (G)~~ of 9981
this section, as applicable. 9982

(3)(a) Except as provided in division (A)(3)(b) of this 9983
section, each exempt employee who was paid a salary or wage at 9984
step 7 in the employee's pay range on June 28, 2003, in accordance 9985
with the applicable schedule E-1 of former section 124.152 of the 9986

 position, the employee shall not receive a salary or wage for that 9996

this section, provided that the appointing authority so notifies 10006
 the director of administrative services in writing at the time the 10007
 employee is appointed to that position. 10008

~~(H)~~(D) As used in this section, "exempt employee" means a 10268
permanent full-time or permanent part-time employee paid directly 10269
by warrant of the director of budget and management whose position 10270
is included in the job classification plan established under 10271
division (A) of section 124.14 of the Revised Code but who is not 10272
considered a public employee for the purposes of Chapter 4117. of 10273
the Revised Code. As used in this section, "exempt employee" also 10274
includes a permanent full-time or permanent part-time employee of 10275
the secretary of state, auditor of state, treasurer of state, or 10276
attorney general who has not been placed in an appropriate 10277
bargaining unit by the state employment relations board. 10278

Sec. 124.18. (A) Forty hours shall be the standard work week 10279
for all employees whose salary or wage is paid in whole or in part 10280
by the state or by any state-supported college or university. When 10281
any employee whose salary or wage is paid in whole or in part by 10282
the state or by any state-supported college or university is 10283
required by an authorized administrative authority to be in an 10284

active pay status more than forty hours in any calendar week, the 10285
employee shall be compensated for such time over forty hours, 10286
except as otherwise provided in this section, at one and one-half 10287
times the employee's regular rate of pay. The use of sick leave or 10288
any leave used in lieu of sick leave shall not be considered to be 10289
active pay status for the purposes of earning overtime or 10290
compensatory time by employees whose wages are paid directly by 10291
warrant of the director of budget and management. A flexible-hours 10292
employee is not entitled to compensation for overtime work unless 10293
the employee's authorized administrative authority required the 10294
employee to be in active pay status for more than forty hours in a 10295
calendar week, regardless of the number of hours the employee 10296
works on any day in the same calendar week. 10297

Such compensation for overtime work shall be paid no later 10298
than at the conclusion of the next succeeding pay period. 10299

If the employee elects to take compensatory time off in lieu 10300
of overtime pay for any overtime worked, such compensatory time 10301
shall be granted by the employee's administrative superior, on a 10302
time and one-half basis, at a time mutually convenient to the 10303
employee and the administrative superior. Compensatory time is not 10304
available for use until it appears on the employee's earning 10305
statement and the compensation described in the earning statement 10306
is available to the employee. 10307

An employee may accrue compensatory time to a maximum of two 10308
hundred forty hours, except that public safety employees and other 10309
employees who meet the criteria established in the "Federal Fair 10310
Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, 10311
as amended, may accrue a maximum of four hundred eighty hours of 10312
compensatory time. An employee shall be paid at the employee's 10313
regular rate of pay for any hours of compensatory time accrued in 10314
excess of these maximum amounts if the employee has not used the 10315
compensatory time within ~~one~~ three hundred ~~eighty~~ sixty-five days 10316

after it is granted, if the employee transfers to another agency 10317
of the state, or if a change in the employee's status exempts the 10318
employee from the payment of overtime compensation. Upon the 10319
termination of employment, any employee with accrued but unused 10320
compensatory time shall be paid for that time at a rate that is 10321
the greater of the employee's final regular rate of pay or the 10322
employee's average regular rate of pay during the employee's last 10323
three years of employment with the state. 10324

No overtime, as described in this section, can be paid unless 10325
it has been authorized by the authorized administrative authority. 10326
Employees may be exempted from the payment of compensation as 10327
required by this section only under the criteria for exemption 10328
from the payment of overtime compensation established in the 10329
"Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 10330
U.S.C.A. 207, 213, as amended. With the approval of the director 10331
of administrative services, the appointing authority may establish 10332
a policy to grant compensatory time or to pay compensation to 10333
state employees who are exempt from overtime compensation. With 10334
the approval of the board of county commissioners, a county human 10335
services department may establish a policy to grant compensatory 10336
time or to pay compensation to employees of the department who are 10337
exempt from overtime compensation. 10338

in part by the state, shall be paid for the holidays declared in 10340
section 124.19 of the Revised Code and shall not be required to 10341

responsible administrative authority, failure to work on those 10343
holidays would impair the public service. ~~An~~ 10344

day before, the day of, or the day after the holiday due to an 10350
illness of the employee or of a member of the employee's immediate 10351
family shall not receive holiday pay as provided by this division, 10352
unless the employee can provide documentation of extenuating 10353
circumstances that prohibited the employee from so reporting to 10354
work. ~~An~~ If the employee works a shift between the employee's 10355
scheduled shift and the holiday, the employee shall be paid for 10356
the holiday. 10357

(3) An employee also shall not be paid for a holiday unless 10358
the employee was in active pay status on the scheduled work day 10359
immediately preceding the holiday, except that an employee need 10360
not be in active pay status on that work day in order to be paid 10361
for the holiday if the employee is participating in a mandatory or 10362
voluntary cost savings day under section 124.392 of the Revised 10363
Code. 10364

the Revised Code falls on Saturday, the Friday immediately 10366

holiday pay for holidays observed on the employee's day off 10376
regardless of the day of the week on which they are observed. 10377

~~(4)~~(6) A full-time permanent employee is entitled to a 10378
minimum of eight hours of pay for each holiday regardless of the 10379
employee's work shift and work schedule. A flexible-hours 10380

employee, who is normally scheduled to work in excess of eight 10381
hours on a day on which a holiday falls, either shall be required 10382
to work an alternate schedule for that week or shall receive 10383
additional holiday pay for the hours the employee is normally 10384
scheduled to work. Such an alternate schedule may require a 10385
flexible-hours employee to work five shifts consisting of eight 10386
hours each during the week including the holiday, and, in that 10387
case, the employee shall receive eight hours of holiday pay for 10388
the day the holiday is observed. 10389

~~(5) Part-time (7) Except as provided under section 124.392 of 10390
the Revised Code, part-time permanent employees shall receive four 10391

average of actual hours worked, excluding overtime hours worked, 10393
in the previous calendar quarter. The figure shall be calculated 10394
for the preceding calendar quarter on the first day of January, 10395
April, July, and October of each year regardless of the employee's 10396
work shift and work schedule. 10397~~

~~(6)(8) When an employee who is eligible for overtime pay 10398
under this section is required by the employee's responsible 10399

the employee shall be entitled to pay for such time worked at one 10401
and one-half times the employee's regular rate of pay in addition 10402
to the employee's regular pay, or to be granted compensatory time 10403
off at time and one-half thereafter, at the employee's option. 10404
Payment at such rate shall be excluded in the calculation of hours 10405
in active pay status. 10406~~

(C) Each appointing authority may designate the number of 10407
employees in an agency who are flexible-hours employees. The 10408
appointing authority may establish for each flexible-hours 10409
employee a specified minimum number of hours to be worked each day 10410
that is consistent with the "Federal Fair Labor Standards Act of 10411
1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 10412

(D) This section shall be uniformly administered for 10413
employees as defined in section 124.01 of the Revised Code and by 10414
the personnel departments of state-supported colleges and 10415
universities for employees of state-supported colleges and 10416

director of budget and management, the political subdivision shall 10418
determine whether the use of sick leave shall be considered to be 10419
active pay status for purposes of those employees earning overtime 10420
or compensatory time. 10421

(E) Policies relating to the payment of overtime pay or the 10422
granting of compensatory time off shall be adopted by the chief 10423
administrative officer of the house of representatives for 10424
employees of the house of representatives, by the clerk of the 10425
senate for employees of the senate, and by the director of the 10426
legislative service commission for all other legislative 10427
employees. 10428

(F) As used in this section, "regular rate of pay" means the 10429

received pursuant to section 124.181 of the Revised Code. 10431

Sec. 124.181. (A) Except as provided in ~~division~~ divisions 10432
(M) and (P) of this section, any employee paid in accordance with 10433
schedule B of section 124.15 or schedule E-1 or schedule E-1 for 10434

for the pay supplements provided in this section upon application 10436
by the appointing authority substantiating the employee's 10437

that section, in which the employee is assigned at the time of 10446
computation. 10447

(2) Except as provided in section 124.183 of the Revised 10448

the state. 10922

(C) All original and promotional appointments, including 10923
appointments made pursuant to section 124.30 of the Revised Code, 10924
but not intermittent appointments, shall be for a probationary 10925
period, not less than sixty days nor more than one year, to be 10926
fixed by the rules of the director, except as provided in section 10927
124.231 of the Revised Code, and except for original appointments 10928
to a police department as a police officer or to a fire department 10929
as a firefighter which shall be for a probationary period of one 10930
year. No appointment or promotion is final until the appointee has 10931
satisfactorily served the probationary period. If the service of 10932
the probationary employee is unsatisfactory, the employee may be 10933
removed or reduced at any time during the probationary period. If 10934
the appointing authority decides to remove a probationary employee 10935
in the service of the state, the appointing authority shall 10936
communicate to the director the reason for that decision. A 10937
probationary employee duly removed or reduced in position for 10938
unsatisfactory service does not have the right to appeal the 10939
removal or reduction under section 124.34 of the Revised Code. 10940

Sec. 124.321. (A) Whenever it becomes necessary for an 10941
appointing authority to reduce its work force, the appointing 10942
authority shall lay off employees or abolish their positions in 10943
accordance with sections 124.321 to 124.327 of the Revised Code 10944
and. If the affected work force is in the service of the state, 10945
the reduction shall also be in compliance with the rules of the 10946
director of administrative services. 10947

(B)(1) Employees may be laid off as a result of a lack of 10948
funds within an appointing authority. For appointing authorities 10949

that employ persons whose salary or wage is paid by warrant of the 10950
director of budget and management, the director of budget and 10951
management shall be responsible for determining, consistent with 10952
the rules adopted under division (B)(3) of this section, whether a 10953
lack of funds exists. For appointing authorities that employ 10954
persons whose salary or wage is paid other than by warrant of the 10955
director of budget and management, the appointing authority itself 10956
shall determine whether a lack of funds exists ~~and shall file a~~ 10957
~~statement of rationale and supporting documentation with the~~ 10958
~~director of administrative services prior to sending the layoff~~ 10959
~~notice.~~ 10960

(2) As used in this division, a "lack of funds" means an 10961
appointing authority has a current or projected deficiency of 10962
funding to maintain current, or to sustain projected, levels of 10963
staffing and operations. This section does not require any 10964
transfer of money between funds in order to offset a deficiency or 10965
projected deficiency of funding for programs funded by the federal 10966
government, special revenue accounts, or proprietary accounts. 10967
Whenever a program receives funding through a grant or similar 10968
mechanism, a lack of funds shall be presumed for the positions 10969
assigned to and the employees who work under the grant or similar 10970
mechanism if, for any reason, the funding is reduced or withdrawn. 10971
10972

(3) The director of budget and management shall adopt rules, 10973
under Chapter 119. of the Revised Code, for agencies whose 10974
employees are paid by warrant of the director of budget and 10975
management, for determining whether a lack of funds exists. 10976

(C)(1) Employees may be laid off as a result of lack of work 10977
within an appointing authority. For appointing authorities whose 10978
employees are paid by warrant of the director of budget and 10979
management, the director of administrative services shall 10980
determine, consistent with the rules adopted under division (F) of 10981

this section, whether a lack of work exists. All other appointing 10982
authorities shall themselves determine whether a lack of work 10983
exists ~~and shall file a statement of rationale and supporting~~ 10984
~~documentation with the director of administrative services prior~~ 10985
~~to sending the layoff notice.~~ 10986

(2) As used in this division, a "lack of work" means an 10987
appointing authority has a current or projected decrease in 10988
workload that requires a reduction of current or projected 10989
staffing levels in its organization or structure. The 10990
determination of a lack of work shall indicate the current or 10991
projected decrease in workload and whether the current or 10992
projected staffing levels of the appointing authority will be 10993
excessive. 10994

(D)(1) Employees may be laid off as a result of abolishment 10995
of positions. As used in this division, "abolishment" means the 10996
deletion of a position or positions from the organization or 10997
structure of an appointing authority. 10998

For purposes of this division, an appointing authority may 10999
abolish positions for any one or any combination of the following 11000
reasons: as a result of a reorganization for the efficient 11001
operation of the appointing authority, for reasons of economy, or 11002
for lack of work. 11003

(2)(a) Reasons of economy permitting an appointing authority 11004
to abolish a position and to lay off the holder of that position 11005
under this division shall be determined at the time the appointing 11006
authority proposes to abolish the position. The reasons of economy 11007
shall be based on the appointing authority's estimated amount of 11008
savings with respect to salary, benefits, and other matters 11009
associated with the abolishment of the position, except that the 11010
reasons of economy associated with the position's abolishment 11011
instead may be based on the appointing authority's estimated 11012
amount of savings with respect to salary and benefits only, if: 11013

(i) Either the appointing authority's operating appropriation 11014
has been reduced by an executive or legislative action, or the 11015
appointing authority has a current or projected deficiency in 11016
funding to maintain current or projected levels of staffing and 11017
operations; and 11018

(ii) In the case of a position in the service of the state, 11019
it files a notice of the position's abolishment with the director 11020
of administrative services within one year of the occurrence of 11021
the applicable circumstance described in division (D)(2)(a)(i) of 11022
this section. 11023

(b) The following principles apply when a circumstance 11024
described in division (D)(2)(a)(i) of this section would serve to 11025
authorize an appointing authority to abolish a position and to lay 11026
off the holder of the position under this division based on the 11027
appointing authority's estimated amount of savings with respect to 11028
salary and benefits only: 11029

(i) The position's abolishment shall be done in good faith 11030
and not as a subterfuge for discipline. 11031

(ii) If a circumstance affects a specific program only, the 11032
appointing authority only may abolish a position within that 11033
program. 11034

(iii) If a circumstance does not affect a specific program 11035
only, the appointing authority may identify a position that it 11036
considers appropriate for abolishment based on the reasons of 11037
economy. 11038

(3) Each appointing authority shall determine itself whether 11039
any position should be abolished. An appointing authority 11040
abolishing any position in the service of the state shall file a 11041
statement of rationale and supporting documentation with the 11042
director of administrative services prior to sending the notice of 11043
abolishment. 11044

If an abolishment results in a reduction of the work force, 11045
the appointing authority shall follow the procedures for laying 11046
off employees, subject to the following modifications: 11047

(a) The employee whose position has been abolished shall have 11048
the right to fill an available vacancy within the employee's 11049
classification. 11050

(b) If the employee whose position has been abolished has 11051
more retention points than any other employee serving in the same 11052
classification, the employee with the fewest retention points 11053
shall be displaced. 11054

(c) If the employee whose position has been abolished has the 11055
fewest retention points in the classification, the employee shall 11056
have the right to fill an available vacancy in a lower 11057
classification in the classification series. 11058

(d) If the employee whose position has been abolished has the 11059
fewest retention points in the classification, the employee shall 11060
displace the employee with the fewest retention points in the next 11061
or successively lower classification in the classification series. 11062

(E) Notwithstanding any contrary provision of the 11063
displacement procedure described in section 124.324 of the Revised 11064
Code for employees to displace other employees during a layoff, 11065
the director of administrative services or a county appointing 11066
authority may establish a paper lay-off process under which 11067
employees who are to be laid off or displaced may be required, 11068
before the date of their paper layoff, to preselect their options 11069
for displacing other employees. 11070

(F) The director of administrative services shall adopt rules 11071
under Chapter 119. of the Revised Code for the determination of 11072
lack of work within an appointing authority, for the abolishment 11073
of positions by an appointing authority, and for the 11074
implementation of this section as it relates to positions in the 11075

service of the state. 11076

Sec. 124.324. (A) A laid-off employee has the right to 11077
displace the employee with the fewest retention points in the 11078
following order: 11079

(1) Within the classification from which the employee was 11080
laid off; 11081

(2) Within the classification series from which the employee 11082
was laid off; 11083

(3) Within the classification the employee held immediately 11084
prior to holding the classification from which the employee was 11085
laid off, except that the employee may not displace employees in a 11086
classification if the employee does not meet the minimum 11087
qualifications of the classification or if the employee last held 11088
the classification more than three years prior to the date on 11089
which the employee was laid off. 11090

If, after exercising displacement rights, an employee is 11091
subject to further layoff action, the employee's displacement 11092
rights shall be in accordance with the classification from which 11093
the employee was first laid off. 11094

The director of administrative services shall verify the 11095
calculation of the retention points of all employees in the 11096
service of the state in an affected classification in accordance 11097
with section 124.325 of the Revised Code. 11098

(B) Following the order of layoff, an employee laid off in 11099
the classified civil service shall displace another employee 11100
within the same appointing authority or independent institution 11101
and layoff jurisdiction in the following manner: 11102

(1) Each laid-off employee possessing more retention points 11103
shall displace the employee with the fewest retention points in 11104
the next lower classification or successively lower classification 11105

in the same classification series. 11106

(2) Any employee displaced by an employee possessing more 11107
retention points shall displace the employee with the fewest 11108
retention points in the next lower classification or successively 11109
lower classification in the same classification series. This 11110
process shall continue, if necessary, until the employee with the 11111
fewest retention points in the lowest classification of the 11112
classification series of the same appointing authority or 11113
independent institution has been reached and, if necessary, laid 11114
off. 11115

(C) Employees shall notify the appointing authority of their 11116
intention to exercise their displacement rights, within five days 11117
after receiving notice of layoff. This division does not apply if 11118
the director of administrative services has established a paper 11119
lay-off process pursuant to division (E) of section 124.321 of the 11120
Revised Code that includes a different notification requirement 11121
for employees exercising their displacement rights under that 11122
process. 11123

(D) No employee shall displace an employee for whose position 11124
or classification there are certain position-specific minimum 11125
qualifications, as established by the appointing authority and 11126
reviewed for validity by the department of administrative 11127
services, or as established by bona fide occupational 11128
qualification, unless the employee desiring to displace another 11129
employee possesses the requisite position-specific minimum 11130
qualifications for the position or classification. 11131

(E) If an employee exercising displacement rights must 11132
displace an employee in another county within the same layoff 11133
district, the displacement shall not be construed to be a 11134
transfer. 11135

(F) The director of administrative services shall adopt rules 11136

under Chapter 119. of the Revised Code for the implementation of 11137
this section as it relates to positions in the service of the 11138
state. 11139

Sec. 124.325. (A) Retention points to reflect the length of 11140
continuous service and efficiency in service for all employees 11141
affected by a layoff shall be verified by the director of 11142
administrative services for positions in the service of the state. 11143

(B) An employee's length of continuous service will be 11144
carried from one layoff jurisdiction to another so long as no 11145
break in service occurs between transfers or appointments. 11146

(C) If two or more employees have an identical number of 11147
retention points, employees having the shortest period of 11148
continuous service shall be laid off first. 11149

(D)(1) As used in this division, "affected employee" means a 11150
city employee who becomes a county employee, or a county employee 11151
who becomes a city employee, as the result of any of the 11152
following: 11153

(a) The merger of a city and a county office; 11154

(b) The merger of city and county functions or duties; 11155

(c) The transfer of functions or duties between a city and 11156
county. 11157

(2) For purposes of this section, the new employer of any 11158
affected employee shall treat the employee's prior service with a 11159
former employer as if it had been served with the new employer. 11160

(E) The director of administrative services shall adopt rules 11161
in accordance with Chapter 119. of the Revised Code to establish a 11162
system for the assignment of retention points for each employee in 11163
the service of the state in a classification affected by a layoff 11164
and for determining, in those instances where employees in the 11165
service of the state have identical retention points, which 11166

employee shall be laid off first. 11167

Sec. 124.34. (A) The tenure of every officer or employee in 11168
the classified service of the state and the counties, civil 11169
service townships, cities, city health districts, general health 11170
districts, and city school districts of the state, holding a 11171
position under this chapter, shall be during good behavior and 11172
efficient service. No officer or employee shall be reduced in pay 11173
or position, fined, suspended, or removed, or have the officer's 11174
or employee's longevity reduced or eliminated, except as provided 11175
in section 124.32 of the Revised Code, and for incompetency, 11176
inefficiency, dishonesty, drunkenness, immoral conduct, 11177
insubordination, discourteous treatment of the public, neglect of 11178
duty, violation of any policy or work rule of the officer's or 11179
employee's appointing authority, violation of this chapter or the 11180
rules of the director of administrative services or the 11181
commission, any other failure of good behavior, any other acts of 11182
misfeasance, malfeasance, or nonfeasance in office, or conviction 11183
of a felony. The denial of a one-time pay supplement or a bonus to 11184
an officer or employee is not a reduction in pay for purposes of 11185
this section. 11186

This section does not apply to any modifications or 11187
reductions in pay authorized by section 124.392 of the Revised 11188
Code. 11189

An appointing authority may require an employee who is 11190
suspended to report to work to serve the suspension. An employee 11191
serving a suspension in this manner shall continue to be 11192
compensated at the employee's regular rate of pay for hours 11193
worked. The disciplinary action shall be recorded in the 11194
employee's personnel file in the same manner as other disciplinary 11195
actions and has the same effect as a suspension without pay for 11196
the purpose of recording disciplinary actions. 11197

A finding by the appropriate ethics commission, based upon a preponderance of the evidence, that the facts alleged in a complaint under section 102.06 of the Revised Code constitute a violation of Chapter 102., section 2921.42, or section 2921.43 of the Revised Code may constitute grounds for dismissal. Failure to file a statement or falsely filing a statement required by section 102.02 of the Revised Code may also constitute grounds for dismissal. The tenure of an employee in the career professional service of the department of transportation is subject to section 5501.20 of the Revised Code.

Conviction of a felony is a separate basis for reducing in pay or position, suspending, or removing an officer or employee, even if the officer or employee has already been reduced in pay or position, suspended, or removed for the same conduct that is the basis of the felony. An officer or employee may not appeal to the state personnel board of review or the commission any disciplinary action taken by an appointing authority as a result of the officer's or employee's conviction of a felony. If an officer or employee removed under this section is reinstated as a result of an appeal of the removal, any conviction of a felony that occurs during the pendency of the appeal is a basis for further disciplinary action under this section upon the officer's or employee's reinstatement.

A person convicted of a felony immediately forfeits the person's status as a classified employee in any public employment on and after the date of the conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the removal, unless the conviction for the felony

is subsequently reversed or annulled. 11230

Any person removed for conviction of a felony is entitled to 11231
a cash payment for any accrued but unused sick, personal, and 11232
vacation leave as authorized by law. If subsequently reemployed in 11233
the public sector, the person shall qualify for and accrue these 11234
forms of leave in the manner specified by law for a newly 11235
appointed employee and shall not be credited with prior public 11236
service for the purpose of receiving these forms of leave. 11237

As used in this division, "felony" means any of the 11238
following: 11239

(1) A felony that is an offense of violence as defined in 11240
section 2901.01 of the Revised Code; 11241

(2) A felony that is a felony drug abuse offense as defined 11242
in section 2925.01 of the Revised Code; 11243

(3) A felony under the laws of this or any other state or the 11244
United States that is a crime of moral turpitude; 11245

(4) A felony involving dishonesty, fraud, or theft; 11246

(5) A felony that is a violation of section 2921.05, 2921.32, 11247
or 2921.42 of the Revised Code. 11248

(B) In case of a reduction, a suspension of forty or more 11249
work hours in the case of an employee exempt from the payment of 11250
overtime compensation, a suspension of twenty-four or more work 11251
hours in the case of an employee required to be paid overtime 11252
compensation, a fine of forty or more hours' pay in the case of an 11253
employee exempt from the payment of overtime compensation, a fine 11254
of twenty-four or more hours' pay in the case of an employee 11255
required to be paid overtime compensation, or removal, except for 11256
the reduction or removal of a probationary employee, the 11257
appointing authority shall serve the employee with a copy of the 11258
order of reduction, fine, suspension, or removal, which order 11259

shall state the reasons for the action. 11260

Within ten days following the date on which the order is 11261
served or, in the case of an employee in the career professional 11262
service of the department of transportation, within ten days 11263
following the filing of a removal order, the employee, except as 11264
otherwise provided in this section, may file an appeal of the 11265
order in writing with the state personnel board of review or the 11266
commission. For purposes of this section, the date on which an 11267
order is served is the date of hand delivery of the order or the 11268
date of delivery of the order by certified United States mail, 11269
whichever occurs first. If an appeal is filed, the board or 11270
commission shall forthwith notify the appointing authority and 11271
shall hear, or appoint a trial board to hear, the appeal within 11272
thirty days from and after its filing with the board or 11273
commission. The board, commission, or trial board may affirm, 11274
disaffirm, or modify the judgment of the appointing authority. 11275
However, in an appeal of a removal order based upon a violation of 11276
a last chance agreement, the board, commission, or trial board may 11277
only determine if the employee violated the agreement and thus 11278
affirm or disaffirm the judgment of the appointing authority. 11279

In cases of removal or reduction in pay for disciplinary 11280
reasons, either the appointing authority or the officer or 11281
employee may appeal from the decision of the state personnel board 11282
of review or the commission, and any such appeal shall be to the 11283
court of common pleas of the county in which the appointing 11284
authority is located, or to the court of common pleas of Franklin 11285
county, as provided by section 119.12 of the Revised Code. 11286

(C) In the case of the suspension for any period of time, or 11287
a fine, demotion, or removal, of a chief of police, a chief of a 11288
fire department, or any member of the police or fire department of 11289
a city or civil service township, who is in the classified civil 11290
service, the appointing authority shall furnish the chief or 11291

member with a copy of the order of suspension, fine, demotion, or 11292
removal, which order shall state the reasons for the action. The 11293
order shall be filed with the municipal or civil service township 11294
civil service commission. Within ten days following the filing of 11295
the order, the chief or member may file an appeal, in writing, 11296
with the commission. If an appeal is filed, the commission shall 11297
forthwith notify the appointing authority and shall hear, or 11298
appoint a trial board to hear, the appeal within thirty days from 11299
and after its filing with the commission, and it may affirm, 11300
disaffirm, or modify the judgment of the appointing authority. An 11301
appeal on questions of law and fact may be had from the decision 11302
of the commission to the court of common pleas in the county in 11303
which the city or civil service township is situated. The appeal 11304
shall be taken within thirty days from the finding of the 11305
commission. 11306

(D) A violation of division (A)(7) of section 2907.03 of the 11307
Revised Code is grounds for termination of employment of a 11308
nonteaching employee under this section. 11309

(E) As used in this section, "last chance agreement" means an 11310
agreement signed by both an appointing authority and an officer or 11311
employee of the appointing authority that describes the type of 11312
behavior or circumstances that, if it occurs, will automatically 11313
lead to removal of the officer or employee without the right of 11314
appeal to the state personnel board of review or the appropriate 11315
commission. 11316

Sec. 124.381. Each (A)(1)(a) An employee in the service of 11317
the state may be eligible to receive salary continuation not to 11318
exceed four hundred eighty hours at the employee's total rate of 11319
pay for absence as a result of injury incurred during the 11320
performance of, or arising out of, state employment. When an 11321
eligible employee's absence as a result of such an injury extends 11322

beyond four hundred eighty hours, the employee immediately becomes 11323
subject to sections 124.382 and 124.385 of the Revised Code 11324
regarding sick leave and disability leave benefits. 11325

An employee is ineligible to receive salary continuation 11326
until the date of implementation is established in the rules 11327
adopted under division (C)(1) of this section. 11328

(b) Employees of the secretary of state, auditor of state, 11329
treasurer of state, attorney general, supreme court, general 11330
assembly, or legislative service commission are not subject to 11331
division (A)(1)(a) of this section unless the relevant appointing 11332
authority notifies the director of administrative services in 11333
writing of the intent to have all of the appointing authority's 11334
employees participate in salary continuation. The relevant 11335
appointing authority also may discontinue salary continuation for 11336
all of its employees by providing written notice of the 11337
discontinuation to the director. 11338

Participation in salary continuation is subject to rules 11339
adopted under division (C)(1) of this section. 11340

(2) Each employee of the department of rehabilitation and 11341
correction, the department of mental health, the department of 11342
mental retardation and developmental disabilities, ~~or the Ohio~~ 11343
~~veteran's home agency~~ department of veterans services, ~~or each~~ 11344
employee of the department of education who works at the Ohio 11345
schools for the deaf and blind, and each employee of the 11346
department of youth services as established in division (A) of 11347
section 124.14 of the Revised Code who ~~suffers bodily injury~~ 11348
~~inflicted by an inmate, patient, client, youth, or student in the~~ 11349
~~facilities~~ sustains a qualifying physical condition inflicted by a 11350
ward of these agencies during the time the employee is lawfully 11351
carrying out the assigned duties of the employee's position shall 11352
be paid occupational injury leave at the employee's total rate of 11353
pay during the period the employee is disabled as a result of that 11354

the reduction of an employee's personal leave credit, the employee 11681
is entitled to compensation for any remaining personal leave 11682
credit at the employee's current base rate of pay. If the 11683
reduction results in a number of hours less than zero, the cash 11684
equivalent value of such number of hours shall be deducted from 11685
any compensation that remains payable to the employee, or from the 11686
cash conversion value of any vacation or sick leave that remains 11687

The findings and certification of the superintendent shall be 12700
conclusive. 12701

(4) An approved special needs district may incur net 12702

that corrections to permanent improvements are necessary to remove 12729

or prevent health or safety hazards. 12730

(b) Existing fiscal and net indebtedness limitations make 12731
adequate replacement, additions, or improvements impossible. 12732

(2) Upon the declaration of an emergency, the board of 12733

(G) The board of education may contract with an architect, 12764
professional engineer, or other person experienced in the design 12765

resultant operational and maintenance costs, as defined by the 12774
Ohio school facilities commission, would be reduced. 12775

If the board finds after receiving the report that the amount 12776
of money the district would spend on such installations, 12777
modifications, or remodeling is not likely to exceed the amount of 12778
money it would save in energy and resultant operational and 12779
maintenance costs over the ensuing fifteen years, the board may 12780
submit to the commission a copy of its findings and a request for 12781
approval to incur indebtedness to finance the making or 12782
modification of installations or the remodeling of buildings for 12783
the purpose of significantly reducing energy consumption. 12784

If the commission determines that the board's findings are 12785
reasonable, it shall approve the board's request. Upon receipt of 12786
the commission's approval, the district may issue securities 12787
without a vote of the electors in a principal amount not to exceed 12788
nine-tenths of one per cent of its tax valuation for the purpose 12789
of making such installations, modifications, or remodeling, but 12790

So long as any securities issued under division (G) of this section remain outstanding, the board of education shall monitor the energy consumption and resultant operational and maintenance costs of buildings in which installations or modifications have been made or remodeling has been done pursuant to division (G) of this section and shall maintain and annually update a report documenting the reductions in energy consumption and resultant operational and maintenance cost savings attributable to such installations, modifications, or remodeling. The report shall be certified by an architect or engineer independent of any person that provided goods or services to the board in connection with the energy conservation measures that are the subject of the report. The resultant operational and maintenance cost savings shall be certified by the school district treasurer. The report shall be made available to the commission upon request.

(H) With the consent of the superintendent of public instruction, a school district may incur without a vote of the electors net indebtedness that exceeds the amounts stated in divisions (A) and (G) of this section for the purpose of paying costs of permanent improvements, if and to the extent that both of the following conditions are satisfied:

which confirmation is approved by the superintendent of public 12828
instruction; 12829

(2) The fiscal officer of the school district certifies, and 12830
the taxing authority of the district confirms, that the district, 12831

operating such permanent improvements for their intended purpose 12834
upon acquisition or completion thereof, and the superintendent of 12835
public instruction approves the taxing authority's confirmation. 12836

hundred million dollars may incur without a vote of the electors 12855

net indebtedness in an amount up to two per cent of its tax 12856
valuation through the issuance of general obligation securities in 12857
order to generate all or part of the amount of its portion of the 12858
basic project cost if the controlling board has approved the 12859
school facilities commission's conditional approval of the project 12860
under section 3318.04 of the Revised Code. The school district 12861
board and the Ohio school facilities commission shall include the 12862

to the requester that a written request is not mandatory and that 13880
the requester may decline to reveal the requester's identity or 13881
the intended use and when a written request or disclosure of the 13882
identity or intended use would benefit the requester by enhancing 13883

person to choose to have the public record duplicated upon paper, 13894
upon the same medium upon which the public office or person 13895

public record determines that it reasonably can be duplicated as 13898
an integral part of the normal operations of the public office or 13899
person responsible for the public record. When the person seeking 13900
the copy makes a choice under this division, the public office or 13901
person responsible for the public record shall provide a copy of 13902
it in accordance with the choice made by the person seeking the 13903
copy. Nothing in this section requires a public office or person 13904
responsible for the public record to allow the person seeking a 13905
copy of the public record to make the copies of the public record. 13906

pursuant to this division. A public office that adopts a policy 13923
and procedures under this division shall comply with them in 13924
performing its duties under this division. 13925

that the person does not intend to use or forward the requested 13930
records, or the information contained in them, for commercial 13931
purposes. For purposes of this division, "commercial" shall be 13932
narrowly construed and does not include reporting or gathering 13933
news, reporting or gathering information to assist citizen 13934
oversight or understanding of the operation or activities of 13935
government, or nonprofit educational research. 13936

obtain a copy of any public record concerning a criminal 13940
investigation or prosecution or concerning what would be a 13941
criminal investigation or prosecution if the subject of the 13942
investigation or prosecution were an adult, unless the request to 13943
inspect or to obtain a copy of the record is for the purpose of 13944
acquiring information that is subject to release as a public 13945
record under this section and the judge who imposed the sentence 13946
or made the adjudication with respect to the person, or the 13947
judge's successor in office, finds that the information sought in 13948
the public record is necessary to support what appears to be a 13949
justiciable claim of the person. 13950

public interest. 13976

As used in this division, "journalist" means a person engaged 13977
in, connected with, or employed by any news medium, including a 13978
newspaper, magazine, press association, news agency, or wire 13979

section or by any other failure of a public office or the person 13987
responsible for public records to comply with an obligation in 13988
accordance with division (B) of this section, the person allegedly 13989
aggrieved may commence a mandamus action to obtain a judgment that 13990
orders the public office or the person responsible for the public 13991
record to comply with division (B) of this section, that awards 13992
court costs and reasonable attorney's fees to the person that 13993
instituted the mandamus action, and, if applicable, that includes 13994
an order fixing statutory damages under division (C)(1) of this 13995
section. The mandamus action may be commenced in the court of 13996
common pleas of the county in which division (B) of this section 13997
allegedly was not complied with, in the supreme court pursuant to 13998
its original jurisdiction under Section 2 of Article IV, Ohio 13999
Constitution, or in the court of appeals for the appellate 14000
district in which division (B) of this section allegedly was not 14001
complied with pursuant to its original jurisdiction under Section 14002
3 of Article IV, Ohio Constitution. 14003

If a requestor transmits a written request by hand delivery 14004
or certified mail to inspect or receive copies of any public 14005
record in a manner that fairly describes the public record or 14006
class of public records to the public office or person responsible 14007
for the requested public records, except as otherwise provided in 14008
this section, the requestor shall be entitled to recover the 14009
amount of statutory damages set forth in this division if a court 14010

public records failed to comply with an obligation in accordance 14012
with division (B) of this section. 14013

The amount of statutory damages shall be fixed at one hundred 14014

person responsible for the requested public records failed to 14016
comply with an obligation in accordance with division (B) of this 14017
section, beginning with the day on which the requester files a 14018
mandamus action to recover statutory damages, up to a maximum of 14019
one thousand dollars. The award of statutory damages shall not be 14020
construed as a penalty, but as compensation for injury arising 14021
from lost use of the requested information. The existence of this 14022
injury shall be conclusively presumed. The award of statutory 14023
damages shall be in addition to all other remedies authorized by 14024
this section. 14025

The court may reduce an award of statutory damages or not 14026
award statutory damages if the court determines both of the 14027
following: 14028

(a) That, based on the ordinary application of statutory law 14029
and case law as it existed at the time of the conduct or 14030
threatened conduct of the public office or person responsible for 14031
the requested public records that allegedly constitutes a failure 14032
to comply with an obligation in accordance with division (B) of 14033
this section and that was the basis of the mandamus action, a 14034
well-informed public office or person responsible for the 14035

requested public records reasonably would believe that the conduct 14036
or threatened conduct of the public office or person responsible 14037
for the requested public records did not constitute a failure to 14038
comply with an obligation in accordance with division (B) of this 14039
section; 14040

(b) That a well-informed public office or person responsible 14041
for the requested public records reasonably would believe that the 14042
conduct or threatened conduct of the public office or person 14043
responsible for the requested public records would serve the 14044
public policy that underlies the authority that is asserted as 14045
permitting that conduct or threatened conduct. 14046

(2)(a) If the court issues a writ of mandamus that orders the 14047
public office or the person responsible for the public record to 14048
comply with division (B) of this section and determines that the 14049
circumstances described in division (C)(1) of this section exist, 14050
the court shall determine and award to the relator all court 14051
costs. 14052

(b) If the court renders a judgment that orders the public 14053
office or the person responsible for the public record to comply 14054
with division (B) of this section, the court may award reasonable 14055
attorney's fees subject to reduction as described in division 14056
(C)(2)(c) of this section. The court shall award reasonable 14057
attorney's fees, subject to reduction as described in division 14058
(C)(2)(c) of this section when either of the following applies: 14059

(i) The public office or the person responsible for the 14060
public records failed to respond affirmatively or negatively to 14061
the public records request in accordance with the time allowed 14062
under division (B) of this section. 14063

(ii) The public office or the person responsible for the 14064
public records promised to permit the relator to inspect or 14065
receive copies of the public records requested within a specified 14066

period of time but failed to fulfill that promise within that 14067
specified period of time. 14068

(c) Court costs and reasonable attorney's fees awarded under 14069
this section shall be construed as remedial and not punitive. 14070
Reasonable attorney's fees shall include reasonable fees incurred 14071
to produce proof of the reasonableness and amount of the fees and 14072
to otherwise litigate entitlement to the fees. The court may 14073
reduce an award of attorney's fees to the relator or not award 14074
attorney's fees to the relator if the court determines both of the 14075
following: 14076

(i) That, based on the ordinary application of statutory law 14077
and case law as it existed at the time of the conduct or 14078
threatened conduct of the public office or person responsible for 14079
the requested public records that allegedly constitutes a failure 14080
to comply with an obligation in accordance with division (B) of 14081
this section and that was the basis of the mandamus action, a 14082
well-informed public office or person responsible for the 14083
requested public records reasonably would believe that the conduct 14084
or threatened conduct of the public office or person responsible 14085
for the requested public records did not constitute a failure to 14086
comply with an obligation in accordance with division (B) of this 14087
section; 14088

(ii) That a well-informed public office or person responsible 14089
for the requested public records reasonably would believe that the 14090
conduct or threatened conduct of the public office or person 14091
responsible for the requested public records as described in 14092
division (C)(2)(c)(i) of this section would serve the public 14093
policy that underlies the authority that is asserted as permitting 14094
that conduct or threatened conduct. 14095

pursuant to section 148(f) of the Internal Revenue Code, amounts 14806
necessary to establish reserves as required by the bond 14807
proceedings, costs of audits, the reimbursements of all moneys 14808
advanced or applied by or borrowed from the community or technical 14809
college, community or technical college district, or others, from 14810
whatever source provided, including any temporary advances from 14811
state appropriations, for the payment of any item or items of cost 14812
of community or technical college facilities, and all other 14813
expenses necessary or incident to planning or determining 14814
feasibility or practicability with respect to such facilities, and 14815
such other expenses as may be necessary or incident to the 14816
acquisition, construction, reconstruction, rehabilitation, 14817
remodeling, renovation, enlargement, improvement, equipment, and 14818
furnishing of community or technical college capital facilities, 14819

the financing thereof and the placing of them in use and 14820
operation, including any one, part of, or combination of such 14821
classes of costs and expenses. 14822

(B) Pursuant to the powers granted to the general assembly 14823
under Section 2i of Article VIII, Ohio Constitution, to authorize 14824
the issuance of revenue obligations and other obligations, the 14825
owners or holders of which are not given the right to have excises 14826
or taxes levied by the general assembly for the payment of 14827
principal thereof or interest thereon, the Ohio building authority 14828
may issue obligations, in accordance with Chapter 152. of the 14829
Revised Code, and shall cause the net proceeds thereof, after any 14830
deposits of accrued interest for the payment of bond service 14831
charges and after any deposit of all or such lesser portion as the 14832
authority may direct of the premium received upon the sale of 14833
those obligations for the payment of the bond service charges, to 14834
be applied to the costs of capital facilities designated by or 14835
pursuant to act of the general assembly for housing state agencies 14836
as authorized by Chapter 152. of the Revised Code. The authority 14837
shall provide by resolution for the issuance of such obligations. 14838
The bond service charges and all other payments required to be 14839
made by the trust agreement or indenture securing such obligations 14840
shall be payable solely from available receipts of the authority 14841
pledged thereto as provided in such resolution. The available 14842
receipts pledged and thereafter received by the authority are 14843
immediately subject to the lien of such pledge without any 14844
physical delivery thereof or further act, and the lien of any such 14845
pledge is valid and binding against all parties having claims of 14846
any kind against the authority, irrespective of whether those 14847
parties have notice thereof, and creates a perfected security 14848
interest for all purposes of Chapter 1309. of the Revised Code and 14849
a perfected lien for purposes of any real property interest, all 14850
without the necessity for separation or delivery of funds or for 14851
the filing or recording of the resolution, trust agreement, 14852

indenture, or other agreement by which such pledge is created or 14853
any certificate, statement, or other document with respect 14854
thereto; and the pledge of such available receipts is effective 14855
and the money therefrom and thereof may be applied to the purposes 14856
for which pledged. Every pledge, and every covenant and agreement 14857
made with respect to the pledge, made in the resolution may 14858
therein be extended to the benefit of the owners and holders of 14859
obligations authorized by Chapter 152. of the Revised Code, the 14860
net proceeds of which are to be applied to the costs of capital 14861
facilities, and to any trustee therefor, for the further securing 14862
of the payment of the bond service charges, and all or any rights 14863
under any agreement or lease made under this section may be 14864
assigned for such purpose. Obligations may be issued at one time 14865
or from time to time, and each issue shall be dated, shall mature 14866
at such time or times as determined by the authority not exceeding 14867
forty years from the date of issue, and may be redeemable before 14868
maturity at the option of the authority at such price or prices 14869
and under such terms and conditions as are fixed by the authority 14870
prior to the issuance of the obligations. The authority shall 14871
determine the form of the obligations, fix their denominations, 14872
establish their interest rate or rates, which may be a variable 14873
rate or rates, or the maximum interest rate, and establish within 14874
or without this state a place or places of payment of bond service 14875
charges. 14876

(C) The obligations shall be signed by the authority 14877
chairperson, vice-chairperson, and secretary-treasurer, and the 14878
authority seal shall be affixed. The signatures may be facsimile 14879
signatures and the seal affixed may be a facsimile seal, as 14880
provided by resolution of the authority. Any coupons attached may 14881
bear the facsimile signature of the chairperson. In case any 14882
officer who has signed any obligations, or caused the officer's 14883
facsimile signature to be affixed thereto, ceases to be such 14884
officer before such obligations have been delivered, such 14885

obligations may, nevertheless, be issued and delivered as though 14886
the person who had signed the obligations or caused the person's 14887
facsimile signature to be affixed thereto had not ceased to be 14888
such officer. 14889

Any obligations may be executed on behalf of the authority by 14890
an officer who, on the date of execution, is the proper officer 14891
although on the date of such obligations such person was not the 14892
proper officer. 14893

(D) All obligations issued by the authority shall have all 14894
the qualities and incidents of negotiable instruments and may be 14895
issued in coupon or in registered form, or both, as the authority 14896
determines. Provision may be made for the registration of any 14897
obligations with coupons attached thereto as to principal alone or 14898
as to both principal and interest, their exchange for obligations 14899
so registered, and for the conversion or reconversion into 14900
obligations with coupons attached thereto of any obligations 14901
registered as to both principal and interest, and for reasonable 14902
charges for such registration, exchange, conversion, and 14903
reconversion. The authority may sell its obligations in any manner 14904
and for such prices as it determines, except that the authority 14905
shall sell obligations sold at public or private sale in 14906
accordance with section 152.091 of the Revised Code. 14907

(E) The obligations of the authority, principal, interest, 14908
and any proceeds from their sale or transfer, are exempt from all 14909
taxation within this state. 14910

(F) The authority is authorized to issue revenue obligations 14911
and other obligations under Section 2i of Article VIII, Ohio 14912
Constitution, for the purpose of paying the cost of capital 14913
facilities for housing of branches and agencies of state 14914
government, including capital facilities for the purpose of 14915
housing personnel, equipment, or functions, or any combination 14916
thereof that the state agencies are responsible for housing, as 14917

are authorized by Chapter 152. of the Revised Code, and that are 14918
authorized by the general assembly by the appropriation of lease 14919
payments or other moneys for such capital facilities or by any 14920
other act of the general assembly, but not including the 14921
appropriation of moneys for feasibility studies for such capital 14922
facilities. This division does not authorize the authority to 14923
issue obligations pursuant to Section 2i of Article VIII, Ohio 14924
Constitution, to pay the cost of capital facilities for mental 14925
hygiene and retardation, parks and recreation, or state-supported 14926
or state-assisted institutions of higher education. 14927

(G) The authority is authorized to issue revenue obligations 14928
under Section 2i of Article VIII, Ohio Constitution, on behalf of 14929
a community or technical college district and shall cause the net 14930
proceeds thereof, after any deposits of accrued interest for the 14931
payment of bond service charges and after any deposit of all or 14932
such lesser portion as the authority may direct of the premium 14933
received upon the sale of those obligations for the payment of the 14934
bond service charges, to be applied to the cost of community or 14935
technical college capital facilities, provided that the issuance 14936
of such obligations is subject to the execution of a written 14937
agreement in accordance with division (C) of section 3333.90 of 14938
the Revised Code for the withholding and depositing of funds 14939
otherwise due the district, or the college it operates, in respect 14940
of its allocated state share of instruction. 14941

The authority shall provide by resolution for the issuance of 14942
such obligations. The bond service charges and all other payments 14943
required to be made by the trust agreement or indenture securing 14944
the obligations shall be payable solely from available community 14945
or technical college receipts pledged thereto as provided in the 14946
resolution. The available community or technical college receipts 14947
pledged and thereafter received by the authority are immediately 14948
subject to the lien of such pledge without any physical delivery 14949

thereof or further act, and the lien of any such pledge is valid 14950
and binding against all parties having claims of any kind against 14951
the authority, irrespective of whether those parties have notice 14952
thereof, and creates a perfected security interest for all 14953
purposes of Chapter 1309. of the Revised Code and a perfected lien 14954
for purposes of any real property interest, all without the 14955
necessity for separation or delivery of funds or for the filing or 14956
recording of the resolution, trust agreement, indenture, or other 14957
agreement by which such pledge is created or any certificate, 14958
statement, or other document with respect thereto; and the pledge 14959
of such available community or technical college receipts is 14960
effective and the money therefrom and thereof may be applied to 14961
the purposes for which pledged. Every pledge, and every covenant 14962
and agreement made with respect to the pledge, made in the 14963
resolution may therein be extended to the benefit of the owners 14964
and holders of obligations authorized by this division, and to any 14965
trustee therefor, for the further securing of the payment of the 14966
bond service charges, and all or any rights under any agreement or 14967
lease made under this section may be assigned for such purpose. 14968
Obligations may be issued at one time or from time to time, and 14969
each issue shall be dated, shall mature at such time or times as 14970
determined by the authority not exceeding forty years from the 14971
date of issue, and may be redeemable before maturity at the option 14972
of the authority at such price or prices and under such terms and 14973
conditions as are fixed by the authority prior to the issuance of 14974
the obligations. The authority shall determine the form of the 14975
obligations, fix their denominations, establish their interest 14976
rate or rates, which may be a variable rate or rates, or the 14977
maximum interest rate, and establish within or without this state 14978
a place or places of payment of bond service charges. 14979

available receipts of the authority for the payment of bond 14985

significantly reduce energy consumption and operating costs in any 15259

buildings owned by the state and, upon request of its board of trustees or managing authority, any building owned by an institution of higher education as defined in section 3345.12 of the Revised Code. consideration and shall be published at least thirty days prior to 15303
the date for accepting proposals. 15304

(B) Upon receiving the proposals, the director shall analyze 15305
them and, after considering the cost estimates of each proposal 15306

appropriations or by financing the cost of each through an 15308
installment payment contract under section 156.04 of the Revised 15309
Code, may select one or more proposals or reject all proposals. In 15310

operating costs that will result from implementing the proposal. 15314
However, in the case of a state institution of higher education 15315
pursuant to division (B) of section 156.02 of the Revised Code, 15316
the director shall select the one or more proposals most likely to 15317

money that would be saved in energy and operating costs over no 15328
more than five years; 15329

~~(B)~~(b) In the case of any contract for any energy saving 15330
measure other than a cogeneration system, the cost of the contract 15331
is not likely to exceed the amount of money that would be saved in 15332
energy and operating costs over no more than ten years. 15333

(2) In the case of a state institution of higher education 15334
pursuant to division (B) of section 156.02 of the Revised Code, no 15335

termination of the contract prior to its expiration, are to be a 15354
stated percentage of calculated savings of energy and operating 15355
costs attributable to the one or more measures over a defined 15356
period of time and are to be made only to the extent that those 15357
savings actually occur. No such contract shall contain any of the 15358

~~(1)~~(a) A requirement of any additional capital investment or 15360
contribution of funds, other than funds available from state or 15361

institution of higher education pursuant to division (B) of 15371
section 156.02 of the Revised Code, shall provide that all 15372
payments, except payments for repairs and obligations on 15373

savings, operating costs, and avoided capital costs attributable 15376
to the one or more measures over a defined period of time and are 15377
to be made only to the extent that those calculated amounts 15378
actually occur. No such contract shall contain either of the 15379

(b) A payment term longer than fifteen years. 15384

(C) Any installment payment contract entered into under this 15385
section shall terminate no later than the last day of the fiscal 15386
biennium for which funds have been appropriated to the department 15387
of administrative services by the general assembly and shall be 15388
renewed in each succeeding fiscal biennium in which any balance of 15389
the contract remains unpaid, provided that both an appropriation 15390
for that succeeding fiscal biennium and the certification required 15391
by section 126.07 of the Revised Code are made. 15392

Sec. 166.07. (A) The director of development, with the 15393
approval of the controlling board and subject to the other 15394
applicable provisions of this chapter, may lend moneys in the 15395
facilities establishment fund to persons for the purpose of paying 15396
allowable costs of an eligible project if the director determines 15397
that: 15398

(1) The project is an eligible project and is economically 15399
sound; 15400

(2) The borrower is unable to finance the necessary allowable 15401
costs through ordinary financial channels upon comparable terms; 15402

(3) The amount to be lent from the facilities establishment 15403
fund will not exceed seventy-five per cent of the total allowable 15404
costs of the eligible project, except that if any part of the 15405
amount to be lent from the facilities establishment fund is 15406
derived from the issuance and sale of project financing 15407
obligations the amount to be lent will not exceed ninety per cent 15408
of the total allowable costs of the eligible project; 15409

(4) The eligible project could not be achieved in the local 15410
area in which it is to be located if the portion of the project to 15411
be financed by the loan instead were to be financed by a loan 15412
guaranteed under section 166.06 of the Revised Code; 15413

(5) The repayment of the loan from the facilities 15414

establishment fund will be adequately secured by a mortgage, 15415
assignment, pledge, or lien provided for under section 9.661 of 15416
the Revised Code, at such level of priority as the director may 15417
require; 15418

(6) The borrower will hold at least a ten per cent equity 15419
interest in the eligible project at the time the loan is made. 15420

(B) The determinations of the director under division (A) of 15421
this section shall be conclusive for purposes of the validity of a 15422
loan commitment evidenced by a loan agreement signed by the 15423
director. 15424

(C) In furtherance of the public policy of this chapter, 15425
there is hereby established the micro-lending program for the 15426
purpose of paying the allowable costs of eligible projects of 15427
eligible small businesses. From any amount of the facilities 15428
establishment fund that the general assembly designates for the 15429
purpose of the micro-lending program, the director of development 15430
shall, either directly or indirectly, make loans under this 15431
section to eligible small businesses. The director shall establish 15432
eligibility criteria and loan terms for the program that 15433
supplement eligibility criteria and loan terms otherwise 15434
prescribed for loans under this section, and may prescribe reduced 15435
service charges and fees. For the purpose of lending under the 15436
micro-lending program, the director of development shall give 15437
precedence to projects of eligible small businesses that foster 15438
the development of small entrepreneurial enterprises, 15439
notwithstanding the considerations prescribed by divisions 15440
(A)(1)(a) and (b) of section 166.05 of the Revised Code to the 15441
extent those considerations otherwise may have the effect of 15442
disqualifying projects of eligible small businesses. The director 15443
may enter into agreements with for-profit or non-profit 15444
organizations in this state to originate and administer loans made 15445
under the micro-lending program. 15446

(D) Fees, charges, rates of interest, times of payment of interest and principal, and other terms, conditions, and provisions of and security for loans made from the facilities establishment fund pursuant to this section shall be such as the director determines to be appropriate and in furtherance of the purpose for which the loans are made. The moneys used in making such loans shall be disbursed from the facilities establishment fund upon order of the director. The director shall give special consideration in setting the required job creation ratios and interest rates for loans that are for voluntary actions.

~~(E)~~(F) The director may fix service charges for the making of a loan. Such charges shall be payable at such times and place and in such amounts and manner as may be prescribed by the director.

Sec. 167.081. If sections 153.50, 153.51, and 153.52 of the Revised Code do not apply, the council may enter into a contract that establishes a unit price for, and provides upon a per unit basis, materials, labor, services, overhead, profit, and associated expenses for the repair, enlargement, improvement, or demolition of a building or structure if the contract is awarded pursuant to a competitive bidding procedure of a county, municipal corporation, or township or a special district, school district, or other political subdivision that is a council member; a statewide consortium of which the council is a member; or a multistate consortium of which the council is a member.

A public notice requirement pertaining to the contract shall be considered as having been met if the public notice is given once a week for at least two consecutive weeks in a newspaper of

general circulation within a county in this state in which the 15478
council has members and if the notice is posted on the council's 15479
internet web site for at least two consecutive weeks before the 15480
date specified for receiving bids. 15481

A county, municipal corporation, or township and a special 15482
district, school district, or other political subdivision that is 15483
a council member may participate in a contract entered into under 15484
this section. Purchases under a contract entered into under this 15485
section are exempt from any competitive selection or bidding 15486
requirements otherwise required by law. A county, municipal 15487
corporation, or township or a special district, school district, 15488
or other political subdivision that is a member of the council is 15489
not entitled to participate in a contract entered into under this 15490
section if it has received bids for the same work under another 15491
contract, unless participation in a contract under this section 15492
will enable the member to obtain the same work, upon the same 15493
terms, conditions, and specifications, at a lower price. 15494

Sec. 169.08. (A) Any person claiming a property interest in 15495
unclaimed funds delivered or reported to the state under Chapter 15496
169. of the Revised Code, including the office of child support in 15497
the department of job and family services, pursuant to section 15498
3123.88 of the Revised Code, may file a claim thereto on the form 15499
prescribed by the director of commerce. 15500

(B) The director shall consider matters relevant to any claim 15501
filed under division (A) of this section and shall hold a formal 15502
hearing if requested or considered necessary and receive evidence 15503
concerning such claim. A finding and decision in writing on each 15504
claim filed shall be prepared, stating the substance of any 15505
evidence received or heard and the reasons for allowance or 15506
disallowance of the claim. The evidence and decision shall be a 15507
public record. No statute of limitations shall bar the allowance 15508

of a claim. 15509

(C) For the purpose of conducting any hearing, the director 15510
may require the attendance of such witnesses and the production of 15511
such books, records, and papers as the director desires, and the 15512
director may take the depositions of witnesses residing within or 15513
without this state in the same manner as is prescribed by law for 15514
the taking of depositions in civil actions in the court of common 15515
pleas, and for that purpose the director may issue a subpoena for 15516
any witness or a subpoena duces tecum to compel the production of 15517
any books, records, or papers, directed to the sheriff of the 15518
county where such witness resides or is found, which shall be 15519
served and returned. The fees of the sheriff shall be the same as 15520
that allowed in the court of common pleas in criminal cases. 15521
Witnesses shall be paid the fees and mileage provided for under 15522
section 119.094 of the Revised Code. Fees and mileage shall be 15523
paid from the unclaimed funds trust fund. 15524

(D) Interest is not payable to claimants of unclaimed funds 15525
held by the state. Claims shall be paid from the trust fund. If 15526
the amount available in the trust fund is not sufficient to pay 15527
pending claims, or other amounts disbursable from the trust fund, 15528
the treasurer of state shall certify such fact to the director, 15529
who shall then withdraw such amount of funds from the mortgage 15530
accounts as the director determines necessary to reestablish the 15531
trust fund to a level required to pay anticipated claims but not 15532
more than ten per cent of the net unclaimed funds reported to 15533
date. 15534

The director ~~shall retain in the trust fund, as a fee for~~ 15535
~~administering the funds, five per cent of the total amount of~~ 15536
~~unclaimed funds payable to the claimant and~~ may withdraw the funds 15537
paid to the director by the holders and deposited by the director 15538
with the treasurer of state or in a financial institution as agent 15539
for such funds. Whenever these funds are inadequate to meet the 15540

requirements for the trust fund, the director shall provide for a 15541
withdrawal of funds, within a reasonable time, in such amount as 15542
is necessary to meet the requirements, from financial institutions 15543
in which such funds were retained or placed by a holder and from 15544
other holders who have retained funds, in an equitable manner as 15545
prescribed by the director. In the event that the amount to be 15546
withdrawn from any one such holder is less than five hundred 15547
dollars, the amount to be withdrawn shall be at the discretion of 15548
the director. Such funds may be reimbursed in the amounts 15549
withdrawn when the trust fund has a surplus over the amount 15550
required to pay anticipated claims. Whenever the trust fund has a 15551
surplus over the amount required to pay anticipated claims, the 15552
director may transfer such surplus to the mortgage accounts. 15553

(E) If a claim which is allowed under this section relates to 15554
funds which have been retained by the reporting holder, and if the 15555
funds, on deposit with the treasurer of state pursuant to this 15556
chapter, are insufficient to pay claims, the director may notify 15557
such holder in writing of the payment of the claim and such holder 15558
shall immediately reimburse the state in the amount of such claim. 15559
The reimbursement shall be credited to the unclaimed funds trust 15560
fund. 15561

(F) Any person, including the office of child support, 15562
adversely affected by a decision of the director may appeal such 15563
decision in the manner provided in Chapter 119. of the Revised 15564
Code. 15565

In the event the claimant prevails, the claimant shall be 15566
reimbursed for reasonable attorney's fees and costs. 15567

(G) Notwithstanding anything to the contrary in this chapter, 15568
any holder who has paid moneys to or entered into an agreement 15569
with the director pursuant to section 169.05 of the Revised Code 15570
on certified checks, cashiers' checks, bills of exchange, letters 15571
of credit, drafts, money orders, or travelers' checks, may make 15572

payment to any person entitled thereto, including the office of 15573
child support, and upon surrender of the document, except in the 15574
case of travelers' checks, and proof of such payment, the director 15575
shall reimburse the holder for such payment without interest. 15576

Sec. 173.08. (A) The resident services coordinator program is 15577
established in the department of aging to fund resident services 15578
coordinators. The coordinators shall provide information to 15579
low-income and special-needs tenants, including the elderly, who 15580
live in financially assisted rental housing complexes, and assist 15581
those tenants in identifying and obtaining community and program 15582
services and other benefits for which they are eligible. 15583

(B) The resident services coordinator program fund is hereby 15584
created in the state treasury to support the resident services 15585
coordinator program established pursuant to this section. The fund 15586
consists of all moneys the department of development sets aside 15587
pursuant to division (A)~~(4)~~(3) of section 174.02 of the Revised 15588
Code and moneys the general assembly appropriates to the fund. 15589

Sec. 173.28. (A)(1) As used in this division, "incident" 15590
means the occurrence of a violation with respect to a resident or 15591
recipient, as those terms are defined in section 173.14 of the 15592
Revised Code. A violation is a separate incident for each day it 15593
occurs and for each resident who is subject to it. 15594

In lieu of the fine that may be imposed under division (A) of 15595
section 173.99 of the Revised Code, the director of aging may, 15596
under Chapter 119. of the Revised Code, fine a long-term care 15597
provider or other entity, or a person employed by a long-term care 15598
provider or other entity, for a violation of division (C) of 15599
section 173.24 of the Revised Code. The fine shall not exceed one 15600
thousand dollars per incident. 15601

(2) In lieu of the fine that may be imposed under division 15602

(C) of section 173.99 of the Revised Code, the director may, under Chapter 119. of the Revised Code, fine a long-term care provider or other entity, or a person employed by a long-term care provider or other entity, for violating division (E) of section 173.19 of the Revised Code by denying a representative of the office of the state long-term care ombudsperson program the access required by that division. The fine shall not exceed five hundred dollars for each day the violation continued.

(B) On request of the director, the attorney general shall bring and prosecute to judgment a civil action to collect any fine imposed under division (A)(1) or (2) of this section that remains unpaid thirty days after the violator's final appeal is exhausted.

(C) All fines collected under this section shall be deposited into the state treasury to the credit of the state long-term care ombudsperson program fund created under section 173.26 of the Revised Code.

impairment a person must have so that the amount appropriated for 15686
the program by the general assembly is adequate for the number of 15687
eligible individuals. The rules shall not limit the eligibility of 15688
disabled persons solely on a basis classifying disabilities as 15689
physical or mental. The director of job and family services also 15690
shall adopt rules that establish eligibility standards for aged, 15691
blind, or disabled individuals who reside in one of the homes or 15692
facilities specified in division (C)(1) of this section but who, 15693
because of their income, do not receive supplemental security 15694
income payments. The rules may provide that these individuals may 15695
include individuals who receive other types of benefits, 15696

including, social security disability insurance benefits provided 15697
under Title II of the "Social Security Act," 49 Stat. 620 (1935), 15698
42 U.S.C.A. 401, as amended. Notwithstanding division (B) of this 15699
section, such payments may be made if funds are available for 15700
them. 15701

The director of aging shall adopt rules establishing the 15702
method to be used to determine the amount an eligible individual 15703
will receive under the program. The amount the general assembly 15704
appropriates for the program shall be a factor included in the 15705
method that department establishes. 15706

(2) The director of aging shall adopt rules in accordance 15707

(F) The department of aging shall maintain a waiting list of 15719
any individuals eligible for payments under this section but not 15720

the purposes of this section are insufficient to make payments to 15722
all eligible individuals. An individual may apply to be placed on 15723
the waiting list even though the individual does not reside in one 15724
of the homes or facilities specified in division (C)(1) of this 15725
section at the time of application. The director of aging, by 15726
rules adopted in accordance with Chapter 119. of the Revised Code, 15727

shall specify procedures and requirements for placing an 15728
individual on the waiting list and priorities for the order in 15729
which individuals placed on the waiting list are to begin to 15730
receive residential state supplement payments. The rules 15731
specifying priorities may give priority to individuals placed on 15732
the waiting list on or after July 1, 2006, who receive 15733
supplemental security income benefits under Title XVI of the 15734
"Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C. 1381, as 15735
amended. The rules shall not affect the place on the waiting list 15736
of any person who was on the list on July 1, 2006. The rules 15737
specifying priorities may also set additional priorities based on 15738
living arrangement, such as whether an individual resides in a 15739
facility listed in division (C)(1) of this section or has been 15740
admitted to a nursing facility. 15741

in the living arrangement in which the individual resided on 15747
November 15, 1990. 15748

(H) The department of aging shall notify each person denied 15749

<u>48 months and a day to 60 months</u>	<u>20%</u>	17003

(3) "Qualified volunteers" are volunteers who are working 17128

without compensation for a nonprofit organization that is exempt 17129
from federal income tax under section 501(c)(3) of the Internal 17130
Revenue Code, and that is providing housing or housing assistance 17131
only to families and individuals in a county whose incomes are not 17132
greater than one hundred forty per cent of the median income of 17133
that county as determined under section 174.04 of the Revised 17134
Code. 17135

Sec. 303.213. (A) As used in this section, "small wind farm" 17136
means wind turbines and associated facilities ~~that are~~ 17137
~~interconnected with a medium voltage power collection system and~~ 17138
~~communications network and are~~ with a single interconnection to 17139
the electrical grid and designed for, or capable of, operation at 17140
an aggregate capacity of less than five megawatts. 17141

(B) Notwithstanding division (A) of section 303.211 of the 17142
Revised Code, sections 303.01 to 303.25 of the Revised Code confer 17143
power on a board of county commissioners or board of zoning 17144
appeals to adopt zoning regulations governing the location, 17145
erection, construction, reconstruction, change, alteration, 17146
maintenance, removal, use, or enlargement of any small wind farm, 17147
whether publicly or privately owned, or the use of land for that 17148
purpose, which regulations may be more strict than the regulations 17149
prescribed in rules adopted under division (C)(2) of section 17150
4906.20 of the Revised Code. 17151

(C) The designation under this section of a small wind farm 17152
as a public utility for purposes of sections 303.01 to 303.25 of 17153

wind farm for purposes of state or local taxation. 17155

(D) Nothing in division (C) of this section shall be 17156
construed as affecting the classification of a telecommunications 17157
tower as defined in division (B) or (E) of section 303.211 of the 17158
Revised Code or any other public utility for purposes of state and 17159

local taxation. 17160

Sec. 305.20. For purposes of a statute or regulation that 17161
requires a county to publish a notice, advertisement, list, or 17162
other information more than once in a newspaper of general 17163
circulation, the second and subsequent publications are satisfied 17164
by posting the notice, advertisement, list, or other information 17165
on the county's internet web site if the first newspaper 17166
publication meets all the following conditions: 17167

(A) It states that the notice, advertisement, list, or other 17168
information is posted on the county's internet web site; 17169

(B) It includes the county's internet address on the 17170
worldwide web; and 17171

(C) It includes instructions for accessing the notice, 17172
advertisement, list, or other information on the county's internet 17173
web site. 17174

A notice, advertisement, list, or other information posted on 17175
a county's internet web site shall provide the same information as 17176
does the newspaper publication of the notice, advertisement, list, 17177
or other information except that the conditions outlined in 17178
divisions (A) to (C) of this section do not need to be included. 17179

operate and maintain, an internet web site, the county is not 17181
entitled to publish a notice, advertisement, list, or other 17182
information under this section and shall comply with the statutory 17183
publication requirements that otherwise apply to the notice, 17184
advertisement, list, or other information. 17185

For purposes of this section, "county" means a board of 17186
county commissioners, a county elected official, or any 17187
contracting authority as defined in section 307.92 of the Revised 17188
Code. 17189

Sec. 307.12. (A) Except as otherwise provided in divisions 17190
(D), (E), and (G) of this section or in section 307.121 of the 17191
Revised Code, when the board of county commissioners finds, by 17192
resolution, that the county has personal property, including motor 17193
vehicles acquired for the use of county officers and departments, 17194
and road machinery, equipment, tools, or supplies, that is not 17195
needed for public use, is obsolete, or is unfit for the use for 17196
which it was acquired, and when the fair market value of the 17197
property to be sold or donated under this division is, in the 17198
opinion of the board, in excess of two thousand five hundred 17199
dollars, the board may do either of the following: 17200

(1) Sell the property at public auction or by sealed bid to 17201
the highest bidder. Notice of the time, place, and manner of the 17202
sale shall be published in a newspaper of general circulation in 17203
the county at least ten days prior to the sale, and a typewritten 17204
or printed notice of the time, place, and manner of the sale shall 17205
be posted at least ten days before the sale in the offices of the 17206
county auditor and the board of county commissioners. 17207

If a board conducts a sale of property by sealed bid, the 17208
form of the bid shall be as prescribed by the board, and each bid 17209
shall contain the name of the person submitting it. Bids received 17210
shall be opened and tabulated at the time stated in the notice. 17211
The property shall be sold to the highest bidder, except that the 17212
board may reject all bids and hold another sale, by public auction 17213
or sealed bid, in the manner prescribed by this section. 17214

(2) Donate any motor vehicle that does not exceed four 17215
thousand five hundred dollars in value to a nonprofit organization 17216
exempt from federal income taxation pursuant to 26 U.S.C. 501(a) 17217
and (c)(3) for the purpose of meeting the transportation needs of 17218
participants in the Ohio works first program established under 17219
Chapter 5107. of the Revised Code and participants in the 17220

prevention, retention, and contingency program established under 17221
Chapter 5108. of the Revised Code. 17222

(B) When the board of county commissioners finds, by 17223
resolution, that the county has personal property, including motor 17224
vehicles acquired for the use of county officers and departments, 17225
and road machinery, equipment, tools, or supplies, that is not 17226
needed for public use, is obsolete, or is unfit for the use for 17227
which it was acquired, and when the fair market value of the 17228
property to be sold or donated under this division is, in the 17229
opinion of the board, two thousand five hundred dollars or less, 17230
the board may do either of the following: 17231

(1) Sell the property by private sale, without advertisement 17232
or public notification; 17233

(2) Donate the property to an eligible nonprofit organization 17234
that is located in this state and is exempt from federal income 17235
taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating 17236
any property under this division, the board shall adopt a 17237
resolution expressing its intent to make unneeded, obsolete, or 17238
unfit-for-use county personal property available to these 17239
organizations. The resolution shall include guidelines and 17240
procedures the board considers necessary to implement a donation 17241
program under this division and shall indicate whether the county 17242
will conduct the donation program or the board will contract with 17243
a representative to conduct it. If a representative is known when 17244
the resolution is adopted, the resolution shall provide contact 17245
information such as the representative's name, address, and 17246
telephone number. 17247

The resolution shall include within its procedures a 17248
requirement that any nonprofit organization desiring to obtain 17249
donated property under this division shall submit a written notice 17250
to the board or its representative. The written notice shall 17251
include evidence that the organization is a nonprofit organization 17252

that is located in this state and is exempt from federal income 17253
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 17254
the organization's primary purpose; a description of the type or 17255
types of property the organization needs; and the name, address, 17256
and telephone number of a person designated by the organization's 17257
governing board to receive donated property and to serve as its 17258
agent. 17259

After adoption of the resolution, the board shall publish, in 17260
a newspaper of general circulation in the county, notice of its 17261
intent to donate unneeded, obsolete, or unfit-for-use county 17262
personal property to eligible nonprofit organizations. The notice 17263
shall include a summary of the information provided in the 17264
resolution and shall be published at least twice. The second and 17265
any subsequent notice shall be published not less than ten nor 17266
more than twenty days after the previous notice. A similar notice 17267
also shall be posted continually in a conspicuous place in the 17268
offices of the county auditor and the board of county 17269
commissioners, and, if the county maintains a web site on the 17270
internet, the notice shall be posted continually at that web site. 17271

The board or its representative shall maintain a list of all 17272
nonprofit organizations that notify the board or its 17273
representative of their desire to obtain donated property under 17274
this division and that the board or its representative determines 17275
to be eligible, in accordance with the requirements set forth in 17276
this section and in the donation program's guidelines and 17277
procedures, to receive donated property. 17278

The board or its representatives also shall maintain a list 17279
of all county personal property the board finds to be unneeded, 17280
obsolete, or unfit for use and to be available for donation under 17281
this division. The list shall be posted continually in a 17282
conspicuous location in the offices of the county auditor and the 17283
board of county commissioners, and, if the county maintains a web 17284

site on the internet, the list shall be posted continually at that 17285
web site. An item of property on the list shall be donated to the 17286
eligible nonprofit organization that first declares to the board 17287
or its representative its desire to obtain the item unless the 17288
board previously has established, by resolution, a list of 17289
eligible nonprofit organizations that shall be given priority with 17290
respect to the item's donation. Priority may be given on the basis 17291
that the purposes of a nonprofit organization have a direct 17292
relationship to specific public purposes of programs provided or 17293
administered by the board. A resolution giving priority to certain 17294
nonprofit organizations with respect to the donation of an item of 17295
property shall specify the reasons why the organizations are given 17296
that priority. 17297

(C) Members of the board of county commissioners shall 17298
consult with the Ohio ethics commission, and comply with the 17299
provisions of Chapters 102. and 2921. of the Revised Code, with 17300
respect to any sale or donation under division (A) or (B) of this 17301
section to a nonprofit organization of which a county 17302
commissioner, any member of the county commissioner's family, or 17303
any business associate of the county commissioner is a trustee, 17304
officer, board member, or employee. 17305

(D) Notwithstanding anything to the contrary in division (A), 17306
(B), or (E) of this section and regardless of the property's 17307
value, the board of county commissioners may sell or donate county 17308
personal property, including motor vehicles, to the federal 17309
government, the state, any political subdivision of the state, or 17310
a county land reutilization corporation without advertisement or 17311
public notification. 17312

(E) Notwithstanding anything to the contrary in division (A), 17313
(B), or (G) of this section and regardless of the property's 17314
value, the board of county commissioners may sell personal 17315
property, including motor vehicles acquired for the use of county 17316

officers and departments, and road machinery, equipment, tools, or 17317
supplies, that is not needed for public use, is obsolete, or is 17318
unfit for the use for which it was acquired, by internet auction. 17319
The board shall adopt, during each calendar year, a resolution 17320
expressing its intent to sell that property by internet auction. 17321
The resolution shall include a description of how the auctions 17322
will be conducted and shall specify the number of days for bidding 17323
on the property, which shall be no less than ten days, including 17324
Saturdays, Sundays, and legal holidays. The resolution shall 17325
indicate whether the county will conduct the auction or the board 17326
will contract with a representative to conduct the auction and 17327
shall establish the general terms and conditions of sale. If a 17328
representative is known when the resolution is adopted, the 17329
resolution shall provide contact information such as the 17330
representative's name, address, and telephone number. 17331

After adoption of the resolution, the board shall publish, in 17332
a newspaper of general circulation in the county, notice of its 17333
intent to sell unneeded, obsolete, or unfit-for-use county 17334
personal property by internet auction. The notice shall include a 17335
summary of the information provided in the resolution and shall be 17336
published at least twice. The second and any subsequent notice 17337
shall be published not less than ten nor more than twenty days 17338
after the previous notice. A similar notice also shall be posted 17339
continually throughout the calendar year in a conspicuous place in 17340
the offices of the county auditor and the board of county 17341
commissioners, and, if the county maintains a web site on the 17342
internet, the notice shall be posted continually throughout the 17343
calendar year at that web site. 17344

When property is to be sold by internet auction, the board or 17345
its representative may establish a minimum price that will be 17346
accepted for specific items and may establish any other terms and 17347
conditions for the particular sale, including requirements for 17348

pick-up or delivery, method of payment, and sales tax. This type 17349
of information shall be provided on the internet at the time of 17350
the auction and may be provided before that time upon request 17351
after the terms and conditions have been determined by the board 17352
or its representative. 17353

(F) When a county officer or department head determines that 17354
county-owned personal property under the jurisdiction of the 17355
officer or department head, including motor vehicles, road 17356
machinery, equipment, tools, or supplies, is not of immediate 17357
need, the county officer or department head may notify the board 17358
of county commissioners, and the board may lease that personal 17359
property to any municipal corporation, township, other political 17360
subdivision of the state, or to a county land reutilization 17361
corporation. The lease shall require the county to be reimbursed 17362
under terms, conditions, and fees established by the board, or 17363
under contracts executed by the board. 17364

(G) If the board of county commissioners finds, by 17365
resolution, that the county has vehicles, equipment, or machinery 17366
that is not needed, or is unfit for public use, and the board 17367
desires to sell the vehicles, equipment, or machinery to the 17368
person or firm from which it proposes to purchase other vehicles, 17369
equipment, or machinery, the board may offer to sell the vehicles, 17370
equipment, or machinery to that person or firm, and to have the 17371
selling price credited to the person or firm against the purchase 17372
price of other vehicles, equipment, or machinery. 17373

(H) If the board of county commissioners advertises for bids 17374
for the sale of new vehicles, equipment, or machinery to the 17375
county, it may include in the same advertisement a notice of the 17376
willingness of the board to accept bids for the purchase of 17377
county-owned vehicles, equipment, or machinery that is obsolete or 17378
not needed for public use, and to have the amount of those bids 17379
subtracted from the selling price of the other vehicles, 17380

equipment, or machinery as a means of determining the lowest 17381
responsible bidder. 17382

(I) If a board of county commissioners determines that county 17383
personal property is not needed for public use, or is obsolete or 17384
unfit for the use for which it was acquired, and that the property 17385
has no value, the board may discard or salvage that property. 17386

(J) A county engineer, in the engineer's discretion, may 17387

the owner, tenant, or manager of the land in order to determine 17584
whether there is compliance with the rules adopted under this 17585
section. If the board or its duly authorized representative is 17586
unable to obtain such an agreement, the board or representative 17587
may apply for, and a judge of the court of common pleas for the 17588

such a rule violation exists, regardless of whether or not the 17599
violator has obtained the proper permits, the board or 17600
representative may authorize the issuance of a notice of 17601
violation. If, after a period of not less than thirty days has 17602

violation continues, the board or its duly authorized 17604
representative shall issue a second notice of violation. Except as 17605

prosecuting attorney of the county to seek an injunction or other 17615

the court of common pleas may order the construction of sediment 17620
control improvements or implementation of other control measures 17621
and may assess a civil fine of not less than one hundred or more 17622

separate violation subject to a civil fine. 17625

(2) The person to whom a stop work order is issued under this 17626

section may appeal the order to the court of common pleas of the 17627
county in which it was issued, seeking any equitable or other 17628
appropriate relief from that order. 17629

(3) No stop work order shall be issued under this section 17630
against any public highway, transportation, or drainage 17631
improvement or maintenance project undertaken by a government 17632
agency or political subdivision in accordance with a statement of 17633
its standard sediment control policies that is approved by the 17634
board or the chief of the division of soil and water ~~conservation~~ 17635
resources in the department of natural resources. 17636

under this section. Notwithstanding division (E) of this section, 17638
if the board of county commissioners determines that a violation 17639
of any rule adopted or administrative order issued under this 17640
section exists, the board may request, in writing, the prosecuting 17641
attorney of the county to seek an injunction or other appropriate 17642
relief in the court of common pleas to abate excessive erosion or 17643
sedimentation and secure compliance with the rules or order. In 17644
granting relief, the court of common pleas may order the 17645
construction of sediment control improvements or implementation of 17646
other control measures and may assess a civil fine of not less 17647
than one hundred or more than five hundred dollars. Each day of 17648

Sec. 319.301. (A) ~~This~~ The reductions required by division 17855
(D) of this section does do not apply to any of the following: 17856

(1) Taxes levied at whatever rate is required to produce a 17857
specified amount of tax money, including a tax levied under 17858
section 5705.199 or 5705.211 of the Revised Code, or an amount to 17859
pay debt charges; 17860

(2) Taxes levied within the one per cent limitation imposed 17861
by Section 2 of Article XII, Ohio Constitution; 17862

(3) Taxes provided for by the charter of a municipal 17863
corporation. 17864

(B) As used in this section: 17865

(1) "Real property" includes real property owned by a 17866
railroad. 17867

(2) "Carryover property" means all real property on the 17868
current year's tax list except: 17869

(a) Land and improvements that were not taxed by the district 17870

in both the preceding year and the current year; 17871

(b) Land and improvements that were not in the same class in 17872
both the preceding year and the current year. 17873

(3) "Effective tax rate" means with respect to each class of 17874
property: 17875

(a) The sum of the total taxes that would have been charged 17876
and payable for current expenses against real property in that 17877
class if each of the district's taxes were reduced for the current 17878
year under division (D)(1) of this section without regard to the 17879
application of division (E)(3) of this section divided by 17880

(b) The taxable value of all real property in that class. 17881

(4) "Taxes charged and payable" means the taxes charged and 17882
payable prior to any reduction required by section 319.302 of the 17883
Revised Code. 17884

(C) The tax commissioner shall make the determinations 17885
required by this section each year, without regard to whether a 17886
taxing district has territory in a county to which section 5715.24 17887
of the Revised Code applies for that year. Separate determinations 17888
shall be made for each of the two classes established pursuant to 17889
section 5713.041 of the Revised Code. 17890

(D) With respect to each tax authorized to be levied by each 17891
taxing district, the tax commissioner, annually, shall do both of 17892
the following: 17893

(1) Determine by what percentage, if any, the sums levied by 17894
such tax against the carryover property in each class would have 17895
to be reduced for the tax to levy the same number of dollars 17896
against such property in that class in the current year as were 17897
charged against such property by such tax in the preceding year 17898
subsequent to the reduction made under this section but before the 17899
reduction made under section 319.302 of the Revised Code. In the 17900

case of a tax levied for the first time that is not a renewal of 17901
an existing tax, the commissioner shall determine by what 17902
percentage the sums that would otherwise be levied by such tax 17903
against carryover property in each class would have to be reduced 17904
to equal the amount that would have been levied if the full rate 17905
thereof had been imposed against the total taxable value of such 17906
property in the preceding tax year. A tax or portion of a tax that 17907
is designated a replacement levy under section 5705.192 of the 17908
Revised Code is not a renewal of an existing tax for purposes of 17909
this division. 17910

(2) Certify each percentage determined in division (D)(1) of 17911
this section, as adjusted under division (E) of this section, and 17912
the class of property to which that percentage applies to the 17913
auditor of each county in which the district has territory. The 17914
auditor, after complying with section 319.30 of the Revised Code, 17915
shall reduce the sum to be levied by such tax against each parcel 17916
of real property in the district by the percentage so certified 17917
for its class. Certification shall be made by the first day of 17918
September except in the case of a tax levied for the first time, 17919
in which case certification shall be made within fifteen days of 17920
the date the county auditor submits the information necessary to 17921
make the required determination. 17922

(E)(1) As used in division (E)(2) of this section, "pre-1982 17923
joint vocational taxes" means, with respect to a class of 17924
property, the difference between the following amounts: 17925

(a) The taxes charged and payable in tax year 1981 against 17926
the property in that class for the current expenses of the joint 17927
vocational school district of which the school district is a part 17928
after making all reductions under this section; 17929

(b) The following percentage of the taxable value of all real 17930
property in that class: 17931

(i) In 1987, five one-hundredths of one per cent;	17932
(ii) In 1988, one-tenth of one per cent;	17933
(iii) In 1989, fifteen one-hundredths of one per cent;	17934
(iv) In 1990 and each subsequent year, two-tenths of one per cent.	17935 17936
If the amount in division (E)(1)(b) of this section exceeds the amount in division (E)(1)(a) of this section, the pre-1982 joint vocational taxes shall be zero.	17937 17938 17939
As used in divisions (E)(2) and (3) of this section, "taxes charged and payable" has the same meaning as in division (B)(4) of this section and excludes any tax charged and payable in 1985 or thereafter under sections 5705.194 to 5705.197 or section 5705.199 or , <u>5705.213, or 5705.219</u> of the Revised Code.	17940 17941 17942 17943 17944
(2) If in the case of a school district other than a joint vocational or cooperative education school district any percentage required to be used in division (D)(2) of this section for either class of property could cause the total taxes charged and payable for current expenses to be less than two per cent of the taxable value of all real property in that class that is subject to taxation by the district, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses against that class, after all reductions that would otherwise be made under this section, to equal, when combined with the pre-1982 joint vocational taxes against that class, the lesser of the following:	17945 17946 17947 17948 17949 17950 17951 17952 17953 17954 17955 17956
(a) The sum of the rates at which those taxes are authorized to be levied;	17957 17958
(b) Two per cent of the taxable value of the property in that class. The auditor shall use such percentages in making the reduction required by this section for that class.	17959 17960 17961

(3)(a) If in the case of a joint vocational school district 17962
any percentage required to be used in division (D)(2) of this 17963
section for either class of property could cause the total taxes 17964
charged and payable for current expenses for that class to be less 17965
than the designated amount, the commissioner shall determine what 17966
percentages would cause the district's total taxes charged and 17967
payable for current expenses for that class, after all reductions 17968
that would otherwise be made under this section, to equal the 17969
designated amount. The auditor shall use such percentages in 17970
making the reductions required by this section for that class. 17971

(b) As used in division (E)(3)(a) of this section, the 17972
designated amount shall equal the taxable value of all real 17973
property in the class that is subject to taxation by the district 17974
times the lesser of the following: 17975

(i) Two-tenths of one per cent; 17976

(ii) The district's effective rate plus the following 17977
percentage for the year indicated: 17978

WHEN COMPUTING THE	ADD THE FOLLOWING	
TAXES CHARGED FOR	PERCENTAGE:	
1987	0.025%	17981
1988	0.05%	17982
1989	0.075%	17983
1990	0.1%	17984
1991	0.125%	17985
1992	0.15%	17986
1993	0.175%	17987
1994 and thereafter	0.2%	17988

(F) No reduction shall be made under this section in the rate 17989
at which any tax is levied. 17990

(G) The commissioner may order a county auditor to furnish 17991
any information the commissioner needs to make the determinations 17992

required under division (D) or (E) of this section, and the 17993
auditor shall supply the information in the form and by the date 17994
specified in the order. If the auditor fails to comply with an 17995
order issued under this division, except for good cause as 17996
determined by the commissioner, the commissioner shall withhold 17997
from such county or taxing district therein fifty per cent of 17998
state revenues to local governments pursuant to section 5747.50 of 17999
the Revised Code or shall direct the department of education to 18000
withhold therefrom fifty per cent of state revenues to school 18001
districts pursuant to Chapter 3317. of the Revised Code. The 18002
commissioner shall withhold the distribution of such revenues 18003
until the county auditor has complied with this division, and the 18004
department shall withhold the distribution of such revenues until 18005
the commissioner has notified the department that the county 18006
auditor has complied with this division. 18007

(H) If the commissioner is unable to certify a tax reduction 18008
factor for either class of property in a taxing district located 18009
in more than one county by the last day of November because 18010
information required under division (G) of this section is 18011
unavailable, the commissioner may compute and certify an estimated 18012
tax reduction factor for that district for that class. The 18013
estimated factor shall be based upon an estimate of the 18014
unavailable information. Upon receipt of the actual information 18015
for a taxing district that received an estimated tax reduction 18016
factor, the commissioner shall compute the actual tax reduction 18017
factor and use that factor to compute the taxes that should have 18018
been charged and payable against each parcel of property for the 18019
year for which the estimated reduction factor was used. The amount 18020
by which the estimated factor resulted in an overpayment or 18021
underpayment in taxes on any parcel shall be added to or 18022
subtracted from the amount due on that parcel in the ensuing tax 18023
year. 18024

A percentage or a tax reduction factor determined or computed 18025
by the commissioner under this section shall be used solely for 18026
the purpose of reducing the sums to be levied by the tax to which 18027
it applies for the year for which it was determined or computed. 18028
It shall not be used in making any tax computations for any 18029
ensuing tax year. 18030

(I) In making the determinations under division (D)(1) of 18031
this section, the tax commissioner shall take account of changes 18032
in the taxable value of carryover property resulting from 18033
complaints filed under section 5715.19 of the Revised Code for 18034
determinations made for the tax year in which such changes are 18035
reported to the commissioner. Such changes shall be reported to 18036
the commissioner on the first abstract of real property filed with 18037
the commissioner under section 5715.23 of the Revised Code 18038
following the date on which the complaint is finally determined by 18039
the board of revision or by a court or other authority with 18040
jurisdiction on appeal. The tax commissioner shall account for 18041
such changes in making the determinations only for the tax year in 18042
which the change in valuation is reported. Such a valuation change 18043
shall not be used to recompute the percentages determined under 18044
division (D)(1) of this section for any prior tax year. 18045

Sec. 319.302. (A)(1) Real property that is not intended 18046
primarily for use in a business activity shall qualify for a 18047
partial exemption from real property taxation. For purposes of 18048
this partial exemption, "business activity" includes all uses of 18049
real property, except farming; leasing property for farming; 18050
occupying or holding property improved with single-family, 18051
two-family, or three-family dwellings; leasing property improved 18052
with single-family, two-family, or three-family dwellings; or 18053
holding vacant land that the county auditor determines will be 18054
used for farming or to develop single-family, two-family, or 18055
three-family dwellings. For purposes of this partial exemption, 18056

"farming" does not include land used for the commercial production of timber that is receiving the tax benefit under section 5713.23 or 5713.31 of the Revised Code and all improvements connected with such commercial production of timber.

(2) Each year, the county auditor shall review each parcel of real property to determine whether it qualifies for the partial exemption provided for by this section as of the first day of January of the current tax year.

(B) After complying with section 319.301 of the Revised Code, the county auditor shall reduce the remaining sums to be levied against each parcel of real property that is listed on the general tax list and duplicate of real and public utility property for the current tax year and that qualifies for partial exemption under division (A) of this section, and against each manufactured and mobile home that is taxed pursuant to division (D)(2) of section 4503.06 of the Revised Code and that is on the manufactured home tax list for the current tax year, by ten per cent, to provide a partial exemption for that parcel or home. Except as otherwise provided in sections 323.152, 323.158, 505.06, and 715.263 of the Revised Code, the amount of the taxes remaining after any such reduction shall be the real and public utility property taxes charged and payable on each parcel of real property, including property that does not qualify for partial exemption under division (A) of this section, and the manufactured home tax charged and payable on each manufactured or mobile home, and shall be the amounts certified to the county treasurer for collection. Upon receipt of the real and public utility property tax duplicate, the treasurer shall certify to the tax commissioner the total amount by which the real property taxes were reduced under this section, as shown on the duplicate. Such reduction shall not directly or indirectly affect the determination of the principal amount of notes that may be issued in anticipation of any tax

levies or the amount of bonds or notes for any planned 18089
improvements. If after application of sections 5705.31 and 5705.32 18090
of the Revised Code and other applicable provisions of law, 18091
including divisions (F) and (I) of section 321.24 of the Revised 18092
Code, there would be insufficient funds for payment of debt 18093
charges on bonds or notes payable from taxes reduced by this 18094
section, the reduction of taxes provided for in this section shall 18095
be adjusted to the extent necessary to provide funds from such 18096
taxes. 18097

(C) The tax commissioner may adopt rules governing the 18098
administration of the partial exemption provided for by this 18099
section. 18100

(D) The determination of whether property qualifies for 18101
partial exemption under division (A) of this section is solely for 18102
the purpose of allowing the partial exemption under division (B) 18103
of this section. 18104

Sec. 319.54. (A) On all moneys collected by the county 18105
treasurer on any tax duplicate of the county, other than estate 18106
tax duplicates, and on all moneys received as advance payments of 18107
personal property and classified property taxes, the county 18108
auditor, on settlement with the treasurer and tax commissioner, on 18109
or before the date prescribed by law for such settlement or any 18110
lawful extension of such date, shall be allowed as compensation 18111
for the county auditor's services the following percentages: 18112

(1) On the first one hundred thousand dollars, two and 18113
one-half per cent; 18114

(2) On the next two million dollars, eight thousand three 18115
hundred eighteen ten-thousandths of one per cent; 18116

(3) On the next two million dollars, six thousand six hundred 18117
fifty-five ten-thousandths of one per cent; 18118

(4) On all further sums, one thousand six hundred sixty-three 18119
ten-thousandths of one per cent. 18120

If any settlement is not made on or before the date 18121
prescribed by law for such settlement or any lawful extension of 18122
such date, the aggregate compensation allowed to the auditor shall 18123
be reduced one per cent for each day such settlement is delayed 18124
after the prescribed date. No penalty shall apply if the auditor 18125
and treasurer grant all requests for advances up to ninety per 18126
cent of the settlement pursuant to section 321.34 of the Revised 18127
Code. The compensation allowed in accordance with this section on 18128
settlements made before the dates prescribed by law, or the 18129
reduced compensation allowed in accordance with this section on 18130
settlements made after the date prescribed by law or any lawful 18131
extension of such date, shall be apportioned ratably by the 18132
auditor and deducted from the shares or portions of the revenue 18133
payable to the state as well as to the county, townships, 18134
municipal corporations, and school districts. 18135

(B) For the purpose of reimbursing county auditors for the 18136
expenses associated with the increased number of applications for 18137
reductions in real property taxes under sections 323.152 and 18138
4503.065 of the Revised Code that ~~results~~ result from the 18139
amendment of those sections by Am. Sub. H.B. 119 of the 127th 18140
general assembly, ~~on the first day of August of each year~~ there 18141
shall be paid from the state's general revenue fund to the county 18142
treasury, to the credit of the real estate assessment fund created 18143
by section 325.31 of the Revised Code, an amount equal to one per 18144
cent of the total annual amount of property tax relief 18145
reimbursement paid to that county under sections 323.156 and 18146
4503.068 of the Revised Code for the preceding tax year. Payments 18147
made under this division shall be made at the same times and in 18148
the same manner as payments made under section 323.156 of the 18149
Revised Code. 18150

(C) From all moneys collected by the county treasurer on any tax duplicate of the county, other than estate tax duplicates, and on all moneys received as advance payments of personal property and classified property taxes, there shall be paid into the county treasury to the credit of the real estate assessment fund created by section 325.31 of the Revised Code, an amount to be determined by the county auditor, which shall not exceed the percentages prescribed in divisions (C)(1) and (2) of this section.

(1) For payments made after June 30, 2007, and before 2011, the following percentages:

(a) On the first five hundred thousand dollars, four per cent;

Such compensation shall be apportioned ratably by the auditor and deducted from the shares or portions of the revenue payable to the state as well as to the county, townships, municipal corporations, and school districts.

(D) Each county auditor shall receive four per cent of the amount of tax collected and paid into the county treasury, on property omitted and placed by the county auditor on the tax duplicate.

(E) On all estate tax moneys collected by the county treasurer, the county auditor, on settlement semiannually with the tax commissioner, shall be allowed, as compensation for the auditor's services under Chapter 5731. of the Revised Code, the following percentages:

(2) One-half of one per cent on all additional sums.

Such percentages shall be computed upon the amount collected and reported at each semiannual settlement, and shall be for the use of the general fund of the county.

of general personal and classified property taxes that the 18339
treasurer has received at the time of making the settlement. 18340

(C) On or before the tenth day of August, in each year, the 18341
treasurer shall settle with the auditor for all taxes and 18342
assessments that the treasurer has collected on the general 18343
duplicates of real and public utility property at the time of 18344
making such settlement, not included in the preceding February 18345
settlement. 18346

(D) On or before the thirty-first day of October, in each 18347
year, the treasurer shall settle with the auditor for all taxes 18348
that the treasurer has collected on the general personal and 18349
classified property duplicates, and for all advance payments of 18350

(F) Within thirty days after the day of each settlement of taxes required under divisions (A) and (C) of this section, the treasurer shall certify to the tax commissioner any adjustments that have been made to the amount certified previously pursuant to section 319.302 of the Revised Code and that the settlement has been completed. Upon receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to one-half of the amount certified by the treasurer in the preceding tax year under section 319.302 of the Revised Code, less one-half of the amount computed for all taxing districts in that county for the current fiscal year under section 5703.80 of the Revised Code for crediting to the property tax administration fund. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as real property taxes. The amount distributed to each taxing district shall be reduced by the total of the amounts computed for the district under section 5703.80 of the Revised Code, but the reduction shall not exceed the amount that otherwise would be distributed to the taxing district under this division. The tax commissioner shall make available to taxing districts such information as is sufficient for a taxing district to be able to determine the amount of the reduction in its distribution under this section.

(G)(1) Within thirty days after the day of the settlement required in division (D) of this section, the county treasurer shall notify the tax commissioner that the settlement has been

revenue fund of an amount equal to the amount certified under 18398
former section 319.311 of the Revised Code and paid in the state's 18399
fiscal year 2003 multiplied by the percentage specified in 18400
division (G)(2) of this section. The payment shall be credited 18401
upon receipt to the county's undivided income tax fund, and the 18402
county auditor shall distribute the amount thereof among the 18403
various taxing districts of the county as if it had been levied, 18404
collected, and settled as personal property taxes. The amount 18405
received by a taxing district under this division shall be 18406
apportioned among its funds in the same proportion as the current 18407
year's personal property taxes are apportioned. 18408

(2) Payments required under division (G)(1) of this section 18409
shall be made at the following percentages of the amount certified 18410

division (G)(1) of this section in the state's fiscal year 2003: 18412

(a) In fiscal year 2004, ninety per cent; 18413

(b) In fiscal year 2005, eighty per cent; 18414

(c) In fiscal year 2006, sixty-four per cent; 18415

(d) In fiscal year 2007, forty per cent; 18416

(e) In fiscal year 2008, thirty-two per cent; 18417

(f) In fiscal year 2009, sixteen per cent. 18418

After fiscal year 2009, no payments shall be made under 18419
division (G)(1) of this section. 18420

(H)(1) On or before the fifteenth day of April each year, the 18421
county treasurer shall settle with the county auditor for all 18422
manufactured home taxes that the county treasurer has collected on 18423
the manufactured home tax duplicate at the time of making the 18424
settlement. 18425

(2) On or before the fifteenth day of September each year, 18426
the county treasurer shall settle with the county auditor for all 18427
remaining manufactured home taxes that the county treasurer has 18428
collected on the manufactured home tax duplicate at the time of 18429
making the settlement. 18430

(3) If the time for payment of such taxes is extended under 18431
section 4503.06 of the Revised Code, the time for making the 18432
settlement as prescribed by divisions (H)(1) and (2) of this 18433
section is extended for a like period of time. 18434

(I) ~~Within thirty days after the day of each settlement of~~ 18435
~~taxes required under division (H) of this section~~ On or before the 18436
second Monday in September of each year, the county treasurer 18437

an amount equal to ~~one half of~~ the amount certified by the 18445
treasurer ~~in the current tax year under section 319.302 of the~~ 18446

county's undivided income tax fund, and the county auditor shall 18448
transfer to the county general fund from the amount thereof the 18449
total amount of all fees and charges that the auditor and 18450
treasurer would have been authorized to receive had such section 18451
not been in effect and that amount had been levied and collected 18452
as manufactured home taxes. The county auditor shall distribute 18453
the amount remaining among the various taxing districts in the 18454
county as if it had been levied, collected, and settled as 18455
manufactured home taxes. 18456

Sec. 321.261. (A) Five per cent of all delinquent real 18457
property, personal property, and manufactured and mobile home 18458

provided in division (D) of this section, the moneys in the fund, 18462
one-half of which shall be appropriated by the board of county 18463
commissioners to the treasurer and one-half of which shall be 18464
appropriated to the county prosecuting attorney, shall be used 18465
only for the following purposes: 18466

(1) By the county treasurer and the county prosecuting 18467
attorney in connection with the collection of delinquent real 18468
property, personal property, and manufactured and mobile home 18469
taxes and assessments including proceedings related to foreclosure 18470
of the state's lien for such taxes against such property; 18471

(2) With respect to any portion of the amount appropriated to 18472
the county treasurer for the benefit of the county land 18473
reutilization corporation organized under Chapter 1724. of the 18474
Revised Code, whether by transfer to or other application on 18475
behalf of, the county land reutilization corporation. Upon the 18476
deposit of amounts in the delinquent tax and assessment collection 18477
fund of the county, any amounts allocated at the direction of the 18478
treasurer to the support of the county land reutilization 18479
corporation shall be paid out of such fund to the corporation upon 18480
a warrant of the county auditor. 18481

(B) During the period of time that a county land 18482
reutilization corporation is functioning as such on behalf of a 18483
county, the board of county commissioners, upon the request of the 18484
county treasurer, may designate by resolution that an additional 18485
amount, not exceeding five per cent of all collections of 18486
delinquent real property, personal property, and manufactured and 18487

mobile home taxes and assessments, shall be deposited in the 18488
delinquent tax and assessment collection fund and be available for 18489
appropriation by the board for the use of the corporation. Any 18490
such amounts so deposited and appropriated under this division 18491
shall be paid out of the delinquent tax and assessment collection 18492
fund to the corporation upon a warrant of the county auditor. 18493
18494

(C) Annually by the first day of December, the treasurer and 18495
the prosecuting attorney each shall submit a report to the board 18496
regarding the use of the moneys appropriated to their respective 18497
offices from the delinquent tax and assessment collection fund. 18498
Each report shall specify the amount appropriated to the office 18499
during the current calendar year, an estimate of the amount so 18500
appropriated that will be expended by the end of the year, a 18501
summary of how the amount appropriated has been expended in 18502
connection with delinquent tax collection activities or land 18503
reutilization, and an estimate of the amount that will be credited 18504
to the fund during the ensuing calendar year. 18505

The annual report of a county land reutilization corporation 18506
required by section 1724.05 of the Revised Code shall include 18507

residential mortgage foreclosures in the county and to address 18514
problems associated with other foreclosed real property. The 18515
amount used for that purpose in any year may not exceed the amount 18516
that would cause the fund to have a reserve of less than twenty 18517
per cent of the amount expended in the preceding year for the 18518
purposes of division (A) of this section. The board may not expend 18519

any money from the fund for the purpose of land reutilization 18520

Revised Code. 18523

section shall be used to provide financial assistance in the form 18525
of loans to borrowers in default on their home mortgages, 18526
including for the payment of late fees, to clear arrearage 18527
balances, and to augment moneys used in the county's foreclosure 18528
prevention program. The money also may be used to assist municipal 18529
corporations or townships in the county, upon their application to 18530
the board of county commissioners or the county department of 18531
development, in the nuisance abatement of deteriorated residential 18532
buildings in foreclosure, or vacant, abandoned, tax-delinquent, or 18533
blighted real property, including paying the costs of boarding up 18534

(2) In a county having a population of more than one hundred 18536
thousand according to the department of development's 2006 census 18537
estimate, if the county treasurer or prosecuting attorney 18538
determines that the amount appropriated to the office from the 18539
county's delinquent tax and assessment collection fund under 18540
division (A) of this section exceeds the amount required to be 18541
used as prescribed by that division, the county treasurer or 18542
prosecuting attorney may expend the excess to assist townships or 18543
municipal corporations located in the county as provided in ~~this~~ 18544
division (D)(2) of this section, provided that the combined amount 18545
so expended each year in a county shall not exceed three million 18546
dollars. Upon application for the funds by a township or municipal 18547
corporation, the county treasurer and prosecuting attorney may 18548
assist the township or municipal corporation in abating foreclosed 18549
residential nuisances, including paying the costs of securing such 18550
buildings, lot maintenance, and demolition. At the prosecuting 18551

attorney's discretion, the prosecuting attorney also may apply the
funds to costs of prosecuting alleged violations of criminal and
civil laws governing real estate and related transactions,
including fraud and abuse.

period beginning on the first day of November of the year 19556
preceding the year in which the report is due through the 19557
thirty-first day of October of the year in which the report is 19558
due. The licensee or registrant, except registrants who package 19559
specialty fertilizers only in containers of ten pounds or less, 19560

such a report. The filing by a licensee or registrant of a sales 19577
volume tonnage statement required by division (B) of this section 19578
thereby grants permission to the director to verify the same with 19579
the records of the licensee or registrant. 19580

(D) All money collected under this section shall be credited 19581
to the pesticide, fertilizer, and lime program fund created in 19582
section 921.22 of the Revised Code. 19583

Sec. 905.50. If the director of agriculture has taken an 19584
official sample of a fertilizer or mixed fertilizer and determined 19585
that it constitutes mislabeled fertilizer pursuant to rules 19586
adopted under section 905.40 of the Revised Code, the person who 19587
labeled the fertilizer or mixed fertilizer shall pay a penalty to 19588
the consumer of the mislabeled fertilizer or, if the consumer 19589
cannot be determined with reasonable diligence or is not 19590
available, to the director ~~for deposit into~~ to be credited to the 19591
~~commercial feed~~ pesticide, fertilizer, ~~seed,~~ and lime ~~inspection~~ 19592
~~and laboratory~~ program fund created under section ~~905.38~~ 921.22 of 19593
the Revised Code. The amount of the penalty shall be calculated in 19594
accordance with either division (A) or (B) of this section, 19595
whichever method of calculation yields the largest amount. 19596

(A)(1) A penalty required to be paid under this section may 19597
be calculated as follows: 19598

(a) Five dollars for each percentage point of total nitrogen 19599
or phosphorus in the fertilizer that is below the percentage of 19600
nitrogen or phosphorus guaranteed on the label, multiplied by the 19601
number of tons of mislabeled fertilizer that have been sold to the 19602
consumer; 19603

(b) Three dollars for each percentage point of potash in the 19604

fertilizer that is below the percentage of potash guaranteed on 19605
the label, multiplied by the number of tons of mislabeled 19606
fertilizer that have been sold to the consumer. 19607

(2) In the case of a fertilizer that contains a quantity of 19608
nitrogen, phosphorus, or potash that is more than five percentage 19609
points below the percentages guaranteed on the label, the 19610
penalties calculated under division (A)(1) of this section shall 19611
be tripled. 19612

(3) No penalty calculated under division (A) of this section 19613
shall be less than twenty-five dollars. 19614

(B) A penalty required to be paid under this section may be 19615
calculated by multiplying the market value of one unit of the 19616
mislabeled fertilizer by the number of units of the mislabeled 19617
fertilizer that have been sold to the consumer. 19618

(C) Upon making a determination under this section that a 19619
person has mislabeled fertilizer or mixed fertilizer, the director 19620
shall determine the parties to whom the penalty imposed by this 19621
section is required to be paid and, in accordance with division 19622
(A) or (B) of this section, as applicable, shall calculate the 19623
amount of the penalty required to be paid to each such party. 19624
After completing those determinations and calculations, the 19625
director shall issue to the person who allegedly mislabeled the 19626
fertilizer or mixed fertilizer a notice of violation. The notice 19627
shall be accompanied by an order requiring, and specifying the 19628
manner of, payment of the penalty imposed by this section to the 19629
parties in the amounts set forth in the determinations and 19630
calculations required by this division. The order shall be issued 19631
in accordance with Chapter 119. of the Revised Code. 19632

five dollars. 19847

(C) For each failure to report in full the amount of seed 19848
sold or to submit the required seed fees in full by the due date, 19849
a person who holds a valid seed labeler permit shall pay a penalty 19850
of ten per cent of the amount due or fifty dollars, whichever is 19851
greater. Failure to pay either the fee or the penalty within 19852
thirty days after the due date is cause for suspension or 19853
revocation by the director of the seed labeler permit or refusal, 19854
without a hearing, to issue a subsequent seed labeler permit for 19855
which the person applies. 19856

Any pesticide dealer who has no pesticide dealer outlets in 20228
this state and who distributes restricted use pesticides directly 20229
into this state shall obtain a pesticide dealer license from the 20230

dealer's officer, agent, or employee. 20251

(D) All money collected under this section shall be credited 20252
to the pesticide, fertilizer, and lime program fund created in 20253

Sec. 921.16. (A) The director of agriculture shall adopt 20255
rules the director determines necessary for the effective 20256

relate to, but are not limited to, the time, place, manner, and 20258
methods of application, materials, and amounts and concentrations 20259
of application of pesticides, may restrict or prohibit the use of 20260
pesticides in designated areas during specified periods of time, 20261
and shall encompass all reasonable factors that the director 20262
determines necessary to minimize or prevent damage to the 20263
environment. In addition, the rules shall establish the deadlines 20264

(B) The director shall adopt rules that establish a schedule 20274
of civil penalties for violations of this chapter, or any rule or 20275
order adopted or issued under it, provided that the civil penalty 20276
for a first violation shall not exceed five thousand dollars and 20277
the civil penalty for each subsequent violation shall not exceed 20278
ten thousand dollars. In determining the amount of a civil penalty 20279
for a violation, the director shall consider factors relevant to 20280
the severity of the violation, including past violations and the 20281
amount of actual or potential damage to the environment or to 20282
human beings. All money collected under this division shall be 20283
credited to the pesticide, fertilizer, and lime program fund 20284

(6) Requires a record to be kept of all pesticide 20301
applications made by each commercial applicator and by any trained 20302
serviceperson acting under the commercial applicator's direct 20303
supervision and of all restricted use pesticide applications made 20304
by each private applicator and by any immediate family member or 20305

(2) Define what constitutes "acting under the instructions and control of a commercial applicator" as used in the definition of "direct supervision" in division (Q)(1) of section 921.01 of the Revised Code. Based on consideration of the factors, the director may define "acting under the instructions and control of a commercial applicator" to include communications between a commercial applicator and a trained serviceperson that are conducted via landline telephone or a means of wireless communication. environmental protection agency, in the form and containing the 20359
information the agency may require. 20360

(J) The director shall adopt rules for the application, use, 20361
storage, and disposal of pesticides if, in the director's 20362
judgment, existing programs of the United States environmental 20363
protection agency necessitate such rules or pesticide labels do 20364
not sufficiently address issues or situations identified by the 20365
department of agriculture or interested state agencies. 20366

(K) The director shall adopt rules establishing all of the 20367
following: 20368

(1) Standards, requirements, and procedures for the 20369

programs; 20381

(c) Procedures that third parties must follow in order to 20382
submit a proposed training program to the director for approval; 20383

(d) Criteria that the director must consider when determining 20384
whether to authorize a commercial applicator or private applicator 20385
to participate in a training program instead of being required to 20386
pass a re-examination. 20387

(3) Training requirements for a trained serviceperson. 20388

(L) The director shall adopt all rules under this chapter in accordance with Chapter 119. of the Revised Code.

in that division. However, if the applicant has been convicted of 21330
or pleaded guilty to any such offense other than theft, the 21331
superintendent shall not consider the offense if the applicant has 21332
proven to the superintendent, by a preponderance of the evidence, 21333
that the applicant's activities and employment record since the 21334
conviction show that the applicant is honest, truthful, and of 21335
good reputation, and there is no basis in fact for believing that 21336
the applicant will commit such an offense again. 21337

(4) The applicant has not been subject to an adverse judgment 21338

(B) The license issued under division (A) of this section may 21356
be renewed annually on or before the thirtieth day of April if the 21357
superintendent finds that all of the following conditions are met: 21358

(1) The renewal application is accompanied by a nonrefundable 21359
renewal fee of one hundred fifty dollars. If a check or other 21360
draft instrument is returned to the superintendent for 21361
insufficient funds, the superintendent shall notify the licensee 21362
by certified mail, return receipt requested, that the license 21363

canceled unless the licensee, within thirty days after receipt of 21365
the notice, submits the renewal fee and a one-hundred-dollar 21366

as a loan officer. 21385

(2) Division (C)(1) of this section shall not apply if the 21386
applicant, no later than the thirty-first day of May, submits the 21387
renewal application and fee and a one-hundred-dollar penalty to 21388

Sec. 1332.24. (A)(1) In accordance with section 1332.25 of 21390
the Revised Code, the director of commerce may issue to any 21391
person, or renew, a video service authorization, which 21392
authorization confers on the person the authority, subject to 21393
sections 1332.21 to 1332.34 of the Revised Code, to provide video 21394
service in its video service area; construct and operate a video 21395
service network in, along, across, or on public rights-of-way for 21396
the provision of video service; and, when necessary to provide 21397
that service, exercise the power of a telegraph company under 21398
section 4931.04 of the Revised Code. The term of a video service 21399
authorization or authorization renewal shall be ten years. 21400

(2) For the purposes of the "Cable Communications Policy Act of 1984," Pub. L. No. 98-549, 98 Stat. 2779, 47 U.S.C. 521 et seq., a video service authorization shall constitute a franchise under that law, and the director shall be the sole franchising authority under that law for video service authorizations in this state.

(3) The director may impose upon and collect an annual assessment on video service providers. All money collected under division (A)(3) of this section shall be deposited to the credit of the video service authorization fund created under section 1332.25 of the Revised Code. The total amount assessed in a fiscal year shall not exceed the lesser of three hundred fifty thousand dollars or, as shall be determined annually by the director, the department's actual, current fiscal year administrative costs in carrying out its duties under sections 1332.21 to 1332.34 of the Revised Code. The director shall allocate that total amount proportionately among the video service providers to be assessed, using a formula based on subscriber counts as of the thirty-first day of December of the preceding calendar year, which counts shall be submitted to the director not later than October 9, 2009, initially and by the thirty-first day of January of each subsequent year, via a notarized statement signed by an authorized officer. Any information submitted by a video service provider to the director for the purpose of determining subscriber counts shall be considered trade secret information, shall not be disclosed except by court order, and shall not constitute a public record under section 149.43 of the Revised Code. By October 16, 2009, initially and on or about the first day of June of each subsequent year, the director shall send to each video service provider to be assessed written notice of its proportional amount of the total assessment. The provider shall pay that amount on a quarterly basis not later than forty-five days after the end of each calendar quarter.

(B)(1) The director may investigate alleged violations of or failures to comply with division (A) of section 1332.23, division (A) of this section, division (C) of section 1332.25, division (C) or (D) of section 1332.26, division (A), (B), or (C) of section 1332.27, division (A) of section 1332.28, division (A) or (B) of section 1332.29, or section 1332.30 or 1332.31 of the Revised Code, or complaints concerning any such violation or failure. Except as provided in this section, the director has no authority to regulate video service in this state, including, but not limited to, the rates, terms, or conditions of that service.

(2) In conducting an investigation under division (B)(1) of this section, the director, by subpoena, may compel witnesses to testify in relation to any matter over which the director has jurisdiction and may require the production of any book, record, or other document pertaining to that matter. If a person fails to file any statement or report, obey any subpoena, give testimony, produce any book, record, or other document as required by a subpoena, or permit photocopying of any book, record, or other document subpoenaed, the court of common pleas of any county in this state, upon application made to it by the director, shall compel obedience by attachment proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued from the court or a refusal to testify.

(C)(1) If the director finds that a person has violated or failed to comply with division (A) of section 1332.23, division (A) of this section, division (C) of section 1332.25, division (C) or (D) of section 1332.26, division (A), (B), or (C) of section 1332.27, division (A) of section 1332.28, division (A) or (B) of section 1332.29, or section 1332.30 or 1332.31 of the Revised Code, and the person has failed to cure the violation or failure after reasonable, written notice and reasonable time to cure, the director may do any of the following:

(a) Apply to the court of common pleas of any county in this state for an order enjoining the activity or requiring compliance. Such an action shall be commenced not later than three years after the date the alleged violation or failure occurred or was reasonably discovered. Upon a showing by the director that the person has engaged in a violation or failure to comply, the court shall grant an injunction, restraining order, or other appropriate relief.

(b) Enter into a written assurance of voluntary compliance with the person;

(c) Pursuant to an adjudication under Chapter 119. of the Revised Code, assess a civil penalty in an amount determined by the director, including for any failure to comply with an assurance of voluntary compliance under division (C)(1)(b) of this section. The amount shall be not more than one thousand dollars for each day of violation or noncompliance, not to exceed a total of ten thousand dollars, counting all subscriber impacts as a single violation or act of noncompliance. In determining whether a civil penalty is appropriate under division (C)(1)(c) of this section, the director shall consider all of the following factors:

(i) The seriousness of the noncompliance;

(ii) The good faith efforts of the person to comply;

(iii) The person's history of noncompliance;

(iv) The financial resources of the person;

(v) Any other matter that justice requires.

Civil penalties collected pursuant to division (C)(1)(c) of this section shall be deposited to the credit of the video service enforcement fund in the state treasury, which is hereby created, to be used by the department of commerce in carrying out its duties under this section.

(2) Pursuant to an adjudication under Chapter 119. of the Revised Code, the director may revoke, in whole or in part, the video service authorization of any person that has repeatedly and knowingly violated or failed to comply with division (A) of section 1332.23, division (A) of this section, division (C) of section 1332.25, division (C) or (D) of section 1332.26, division (A), (B), or (C) of section 1332.27, division (A) of section 1332.28, division (A) or (B) of section 1332.29, or section 1332.30 or 1332.31 of the Revised Code and that has failed to cure the violations or noncompliances after reasonable written notice and reasonable time to cure. Such person acts knowingly, regardless of the person's purpose, when the person is aware that the person's conduct will probably cause a certain result or will probably be of a certain nature. A person has knowledge of circumstances when the person is aware that such circumstances probably exist.

(3) The court shall conduct a de novo review in any appeal from an adjudication under division (C)(1)(c) or (C)(2) of this section.

(D) The public utilities commission has no authority over a video service provider in its offering of video service or a cable operator in its offering of cable or video service, or over any person in its offering of video service pursuant to a competitive video service agreement.

Sec. 1332.25. (A) An application made to the director of commerce for a video service authorization under section 1332.24 of the Revised Code shall require and contain only the following:

application to amend its video service authorization with the 21569
director to reflect any change in the information required under 21570
division (A)(1), (2), or (3) of this section. An amendment 21571
pursuant to division (A)(2) of this section shall include any new 21572

sediment, including substances attached thereto. 22162

(E) "Waters of the state" means all streams, lakes, ponds, 22163
wetlands, watercourses, waterways, wells, springs, irrigation 22164
systems, drainage systems, and all other bodies or accumulations 22165
of water, surface and underground, natural or artificial, 22166
regardless of the depth of the strata in which underground water 22167
is located, that are situated wholly or partly within, or border 22168
upon, this state or are within its jurisdiction, except those 22169
private waters that do not combine or effect a junction with 22170
natural surface or underground waters. 22171

(F) "Operation and management plan" means a written record, 22172
developed or approved by the district board of supervisors or the 22173
chief, for the owner or operator of agricultural land or a 22174
concentrated animal feeding ~~operations~~ operation that contains 22175
implementation schedules and operational procedures for a level of 22176
management and pollution abatement practices that will abate the 22177

degradation of the waters of the state by animal waste and by soil 22178
sediment including attached pollutants. 22179

(G) "Animal waste" means animal excreta, discarded products, 22180
bedding, wash waters, waste feed, and silage drainage. "Animal 22181
waste" also includes the compost products resulting from the 22182
composting of dead animals in operations subject to section 22183
1511.022 of the Revised Code when either of the following applies: 22184

(1) The composting is conducted by the person who raises the 22185
animals and the compost product is used in agricultural operations 22186
owned or operated by that person, regardless of whether the person 22187
owns the animals; 22188

(2) The composting is conducted by the person who owns the 22189
animals, but does not raise them and the compost product is used 22190

Sec. 1511.02. The chief of the division of soil and water 22197
~~conservation~~ resources, subject to the approval of the director of 22198
natural resources, shall do all of the following: 22199

supervisors and personnel in their duties, responsibilities, and 22203
authorities as prescribed in this chapter and Chapter 1515. of the 22204
Revised Code; 22205

(B) Administer this chapter and Chapter 1515. of the Revised 22206
Code pertaining to state responsibilities and provide staff 22207

assistance to the Ohio soil and water conservation commission in 22208
exercising its statutory responsibilities; 22209

(C) Assist in expediting state responsibilities for watershed 22210
development and other natural resource conservation works of 22211
improvement; 22212

(D) Coordinate the development and implementation of 22213
cooperative programs and working agreements between local soil and 22214
water conservation districts and divisions or sections of the 22215
department of natural resources, or other agencies of local, 22216
state, and federal government; 22217

(E) Subject to the approval of the Ohio soil and water 22218
conservation commission, adopt, amend, or rescind rules pursuant 22219

this section: 22221

(1) Shall establish technically feasible and economically 22222
reasonable standards to achieve a level of management and 22223
conservation practices in farming or silvicultural operations that 22224
will abate wind or water erosion of the soil or abate the 22225
degradation of the waters of the state by animal waste or by soil 22226
sediment including substances attached thereto, and establish 22227
criteria for determination of the acceptability of such management 22228
and conservation practices; 22229

(2) Shall establish technically feasible and economically 22230
reasonable standards to achieve a level of management and 22231
conservation practices that will abate wind or water erosion of 22232
the soil or abate the degradation of the waters of the state by 22233
soil sediment in conjunction with land grading, excavating, 22234
filling, or other soil-disturbing activities on land used or being 22235
developed for nonfarm commercial, industrial, residential, or 22236
other nonfarm purposes, and establish criteria for determination 22237
of the acceptability of such management and conservation 22238

practices. The standards shall be designed to implement applicable 22239
areawide waste treatment management plans prepared under section 22240
208 of the "Federal Water Pollution Control Act," 86 Stat. 816 22241
(1972), 33 U.S.C.A. 1288, as amended. The standards and criteria 22242
shall not apply in any municipal corporation or county that adopts 22243
ordinances or rules pertaining to sediment control, nor to lands 22244
being used in a strip mine operation as defined in section 1513.01 22245
of the Revised Code, nor to lands being used in a surface mining 22246
operation as defined in section 1514.01 of the Revised Code. 22247

(3) May recommend criteria and procedures for the approval of 22248
urban sediment pollution abatement plans and issuance of permits 22249
prior to any grading, excavating, filling, or other whole or 22250
partial disturbance of five or more contiguous acres of land owned 22251
by one person or operated as one development unit and require 22252
implementation of such a plan. Areas of less than five contiguous 22253
acres are not exempt from compliance with other provisions of this 22254
chapter and rules adopted under them. 22255

(4) Shall establish procedures for administration of rules 22256
for agricultural pollution abatement and urban sediment pollution 22257
abatement and for enforcement of rules for agricultural pollution 22258
abatement; 22259

(5) Shall specify the pollution abatement practices eligible 22260
for state cost sharing and determine the conditions for 22261
eligibility, the construction standards and specifications, the 22262
useful life, the maintenance requirements, and the limits of cost 22263
sharing for those practices. Eligible practices shall be limited 22264
to practices that address agricultural or silvicultural operations 22265
and that require expenditures that are likely to exceed the 22266
economic returns to the owner or operator and that abate soil 22267
erosion or degradation of the waters of the state by animal waste 22268
or soil sediment including pollutants attached thereto. 22269

(6) ~~Until June 1, 1996, shall specify the multiflora rose~~ 22270

~~control practices eligible for state cost sharing, the conditions~~ 22271
~~of eligibility for state cost sharing, the limits of cost sharing~~ 22272
~~for those practices, specifications for carrying out those~~ 22273
~~practices to ensure effective control of the multiflora rose and~~ 22274
~~to safeguard the health and safety of human beings and domestic~~ 22275
~~animals and the environment, and the contract provisions to be~~ 22276
~~included in cost sharing agreements with landowners;~~ 22277

~~(7) Until June 1, 1996, shall establish procedures for~~ 22278
~~administering grants to soil and water conservation districts for~~ 22279
~~control of multiflora rose;~~ 22280

~~(8)~~ Shall establish procedures for administering grants to 22281
owners or operators of agricultural land or concentrated animal 22282
feeding operations for the implementation of operation and 22283
management plans; 22284

~~(9)~~(7) Shall establish procedures for administering grants to 22285
soil and water conservation districts for urban sediment pollution 22286
abatement programs, specify the types of projects eligible for 22287
grants, establish limits on the availability of grants, and 22288
establish requirements governing the execution of projects to 22289
encourage the reduction of erosion and sedimentation associated 22290
with soil-disturbing activities; 22291

~~(10)~~(8) Shall do all of the following with regard to 22292
composting conducted in conjunction with agricultural operations: 22293

(a) Provide for the distribution of educational material 22294
concerning composting to the offices of the Ohio cooperative 22295
extension service for the purposes of section 1511.022 of the 22296
Revised Code; 22297

(b) Establish methods, techniques, or practices for 22298
composting dead animals, or particular types of dead animals, that 22299
are to be used at such operations, as the chief considers to be 22300
necessary or appropriate; 22301

(c) Establish requirements and procedures governing the review and approval or disapproval of composting plans by the supervisors of soil and water conservation districts under division ~~(U)~~(Q) of section 1515.08 of the Revised Code.

~~(11)~~(9) Shall be adopted, amended, or rescinded after the chief does all of the following:

(c) Consults with appropriate state and local governmental agencies or their representatives, including statewide organizations of local governmental officials, industrial representatives, and other interested persons;

(d) If the rule relates to agricultural pollution abatement, develops an economic impact statement concerning the effect of the proposed rule or amendment.

~~(12)~~(10) Shall not conflict with air or water quality standards adopted pursuant to section 3704.03 or 6111.041 of the Revised Code. Compliance with rules adopted pursuant to this section does not affect liability for noncompliance with air or water quality standards adopted pursuant to section 3704.03 or 6111.041 of the Revised Code. The application of a level of management and conservation practices recommended under this section to control windblown soil from farming operations creates a presumption of compliance with section 3704.03 of the Revised Code as that section applies to windblown soil.

~~(13)~~(11) Insofar as the rules relate to urban sediment 22333
pollution, shall not be applicable in a municipal corporation or 22334
county that adopts ordinances or rules for urban sediment control, 22335
except that a municipal corporation or county that adopts such 22336
ordinances or rules may receive moneys for urban sediment control 22337
that are disbursed by the board of supervisors of the applicable 22338
soil and water conservation district under division ~~(R)~~(N) of 22339
section 1515.08 of the Revised Code. The rules shall not exempt 22340
any person from compliance with municipal ordinances enacted 22341
pursuant to Section 3 of Article XVIII, Ohio Constitution. 22342

(F) Cost share with landowners on practices established 22343
pursuant to division (E)(5) of this section as moneys are 22344
appropriated and available for that purpose. Any practice for 22345
which cost share is provided shall be maintained for its useful 22346
life. Failure to maintain a cost share practice for its useful 22347
life shall subject the landowner to full repayment to the 22348
division. 22349

(G) Issue orders requiring compliance with any rule adopted 22350
under division (E)(1) of this section or with section 1511.022 of 22351
the Revised Code. Before the chief issues an order, the chief 22352
shall afford each person allegedly liable an adjudication hearing 22353
under Chapter 119. of the Revised Code. The chief may require in 22354
an order that a person who has caused agricultural pollution by 22355
failure to comply with the standards established under division 22356
(E)(1) of this section operate under an operation and management 22357
plan approved by the chief under this section. The chief shall 22358
require in an order that a person who has failed to comply with 22359
division (A) of section 1511.022 of the Revised Code prepare a 22360
composting plan in accordance with rules adopted under division 22361
(E)(10)(c) of this section and operate in accordance with that 22362
plan or that a person who has failed to operate in accordance with 22363
such a plan begin to operate in accordance with it. Each order 22364

the facts upon which the order is based and the standard that is 22366
not being met. 22367

(H) Employ field assistants and such other employees as are 22368
necessary for the performance of the work prescribed by Chapter 22369
1515. of the Revised Code, for performance of work of the 22370
division, and as agreed to under working agreements or contractual 22371
arrangements with local soil and water conservation districts, 22372
prescribe their duties, and fix their compensation in accordance 22373
with such schedules as are provided by law for the compensation of 22374
state employees. 22375

All employees of the division, unless specifically exempted 22376
by law, shall be employed subject to the classified civil service 22377
laws in force at the time of employment. 22378

(I) In connection with new or relocated projects involving 22379
highways, underground cables, pipelines, railroads, and other 22380
improvements affecting soil and water resources, including surface 22381
and subsurface drainage: 22382

(1) Provide engineering service as is mutually agreeable to 22383
the Ohio soil and water conservation commission and the director 22384
to aid in the design and installation of soil and water 22385
conservation practices as a necessary component of such projects; 22386

(2) Maintain close liaison between the owners of lands on 22387
which the projects are executed, local soil and water conservation 22388
districts, and authorities responsible for such projects; 22389

(3) Review plans for such projects to ensure their compliance 22390
with standards developed under division (E) of this section in 22391
cooperation with the department of transportation or with any 22392
other interested agency that is engaged in soil or water 22393
conservation projects in the state in order to minimize adverse 22394
impacts on soil and water resources adjacent to or otherwise 22395

affected by these projects;	22396
(4) Recommend measures to retard erosion and protect soil and water resources through the installation of water impoundment or other soil and water conservation practices;	22397 22398 22399
(5) Cooperate with other agencies and subdivisions of the state to protect the agricultural status of rural lands adjacent to such projects and control adverse impacts on soil and water resources.	22400 22401 22402 22403
(J) Collect, analyze, inventory, and interpret all available information pertaining to the origin, distribution, extent, use, and conservation of the soil resources of the state;	22404 22405 22406
(K) Prepare and maintain up-to-date reports, maps, and other materials pertaining to the soil resources of the state and their use and make that information available to governmental agencies, public officials, conservation entities, and the public;	22407 22408 22409 22410

(N) When necessary for the purposes of this chapter or Chapter 1515. of the Revised Code, develop or approve operation and management plans.	22421 22422 22423
This section does not restrict the excrement of domestic or farm animals defecated on land outside a concentrated animal	22424 22425

feeding operation or runoff therefrom into the waters of the 22426
state. 22427

Sec. 1511.021. (A) Any person who owns or operates 22428
agricultural land or a concentrated animal feeding operation may 22429
develop and operate under an operation and management plan 22430
approved by the chief of the division of soil and water 22431
~~conservation~~ resources under section 1511.02 of the Revised Code 22432
or by the supervisors of the local soil and water conservation 22433
district under section 1515.08 of the Revised Code. 22434

(B) Any person who wishes to make a complaint regarding 22435
nuisances involving agricultural pollution may do so orally or by 22436
submitting a written, signed, and dated complaint to the chief or 22437
to the chief's designee. After receiving an oral complaint, the 22438
chief or the chief's designee may cause an investigation to be 22439
conducted to determine whether agricultural pollution has occurred 22440
or is imminent. After receiving a written, signed, and dated 22441
complaint, the chief or the chief's designee shall cause such an 22442
investigation to be conducted. 22443

(C) In a private civil action for nuisances involving 22444
agricultural pollution, it is an affirmative defense if the person 22445
owning, operating, or otherwise responsible for agricultural land 22446
or a concentrated animal feeding operation is operating under and 22447
in substantial compliance with an approved operation and 22448
management plan developed under division (A) of this section, with 22449
an operation and management plan developed by the chief under 22450

local soil and water conservation district under section 1515.08 22452
of the Revised Code, or with an operation and management plan 22453
required by an order issued by the chief under division (G) of 22454
section 1511.02 of the Revised Code. Nothing in this section is in 22455
derogation of the authority granted to the chief in division (E) 22456

composting of dead animals resulting from the agricultural 22461
operation shall do both of the following: 22462

(1) Participate in an educational course concerning 22463
composting conducted by the Ohio cooperative extension service and 22464
obtain a certificate of completion for the course; 22465

(2) Use the appropriate method, technique, or practice of 22466
composting established in rules adopted under division (E)~~(10)~~(8) 22467

accordance with an order issued by the chief of the division of 22471
soil and water ~~conservation~~ resources under division (G) of 22472

composting plan is disapproved by the board of supervisors of the 22474
appropriate soil and water conservation district under division 22475
~~(U)~~(Q)(3) of section 1515.08 of the Revised Code, the person may 22476
appeal the plan disapproval to the chief, who shall afford the 22477
person a hearing. Following the hearing, the chief shall uphold 22478
the plan disapproval or reverse it. If the chief reverses the 22479
disapproval, the plan shall be deemed approved. 22480

Sec. 1511.03. The chief of the division of soil and water 22481
~~conservation~~ resources may enter into contracts or agreements, 22482

agreement by the soil and water conservation commission, shall 22495
enter into cooperative agreements with the board of supervisors of 22496
any soil and water conservation district desiring to enter into 22497
such agreements pursuant to section 1515.08 of the Revised Code. 22498
Such agreements shall be entered into to obtain compliance with 22499
rules and orders of the chief pertaining to agricultural pollution 22500
abatement and urban sediment pollution abatement. 22501

The chief or any person designated by the chief may upon 22502
obtaining agreement with the owner, tenant, or manager of any 22503
land, public or private, enter thereon to make inspections to 22504

Code. Upon reason to believe there is a violation, the chief or 22507
~~his~~ the chief's designee may apply for and a judge of the court of 22508
common pleas for the county where the land is located may issue an 22509

(2) In addition to the remedies provided and irrespective of 22520
whether an adequate remedy at law exists, the chief may apply to 22521
the court of common pleas in the county where a violation of a 22522
standard established under division (E)(1) or ~~(10)~~(8)(b) of 22523
section 1511.02 of the Revised Code causes pollution of the waters 22524
of the state for an order to compel the violator to cease the 22525
violation and to remove the agricultural pollutant or to comply 22526
with the rules adopted under division (E)~~(10)~~(8)(b) of that 22527

unauthorized release, spill, or discharge of animal waste, or a 22532
violation of a rule adopted under division (E)~~(10)~~(8)(b) of 22533
section 1511.02 of the Revised Code, that causes pollution of the 22534

issue an order reciting the existence of the emergency and 22536
requiring that necessary action be taken to meet the emergency. 22537
The order shall be effective immediately. Any person to whom the 22538
order is directed shall comply with the order immediately, but on 22539
application to the chief shall be afforded a hearing as soon as 22540
possible, but not later than twenty days after making the 22541
application. On the basis of the hearing, the chief shall continue 22542
the order in effect, revoke it, or modify it. No emergency order 22543
shall remain in effect for more than sixty days after its 22544
issuance. If a person to whom an order is issued does not comply 22545
with the order within a reasonable period, as determined by the 22546
chief, the chief or the chief's designee may enter upon private or 22547

public lands and take action to mitigate, minimize, remove, or 22548

violation of the rule. 22550

(B) The attorney general, upon the written request of the 22551
chief, shall bring appropriate legal action in Franklin county 22552
against any person who fails to comply with an order of the chief 22553

Revised Code in investigating, mitigating, minimizing, removing, 22561
or abating any pollution of the waters of the state caused by an 22562
unauthorized release, spill, or discharge of animal waste into or 22563
upon the environment that requires emergency action to protect the 22564
public health. 22565

Any person responsible for causing or allowing an 22566
unauthorized release, spill, or discharge is liable to the chief 22567
for any costs incurred by the division and soil and water 22568
conservation districts in investigating, mitigating, minimizing, 22569
removing, or abating the release, spill, or discharge, regardless 22570
of whether those costs were paid out of the agricultural pollution 22571
abatement fund or any other fund of the division or a district. 22572
Upon the request of the chief, the attorney general shall bring a 22573

or protection afforded ~~him~~ the person by law by an order of the 22578
chief of the division of soil and water ~~conservation~~ resources, 22579
except an order which adopts a rule, may appeal to the court of 22580
common pleas of Franklin county or the court of common pleas of 22581
the county in which the alleged violation exists. 22582

was lawful and reasonable, it shall affirm such order. If the 22584
court finds that such order was unreasonable or unlawful, it shall 22585
vacate such order and make the order which it finds the chief 22586
should have made. The judgment of the court is final unless 22587
reversed, vacated, or modified on appeal. 22588

Sec. 1514.08. (A) The chief of the division of mineral 22589
resources management may adopt, amend, and rescind rules in 22590
accordance with Chapter 119. of the Revised Code in order to 22591
prescribe procedures for submitting applications for permits, 22592
amendments to permits, and amendments to plans of mining and 22593
reclamation; filing annual reports and final reports; requesting 22594
inspection and approval of reclamation; paying permit and filing 22595
fees; and filing and obtaining the release of performance bonds 22596
deposited with the state. For the purpose of preventing damage to 22597
adjoining property or achieving one or more of the performance 22598
standards established in division (A)(10) of section 1514.02 of 22599
the Revised Code, the chief may establish classes of mining 22600
industries, based upon industrial categories, combinations of 22601
minerals produced, and geological conditions in which surface or 22602
in-stream mining operations occur, and may prescribe different 22603
rules consistent with the performance standards for each class. 22604
For the purpose of apportioning the workload of the division of 22605
mineral resources management among the quarters of the year, the 22606
rules may require that applications for permits and annual reports 22607
be filed in different quarters of the year, depending upon the 22608
county in which the operation is located. 22609

(B) The chief shall adopt rules under this section that do 22610
all of the following: 22611

(1) With respect to in-stream mining, and in consultation 22612
with the chief of the division of soil and water resources, 22613
determine periods of low flow, which are the only time periods 22614
during which in-stream mining is allowed, and develop and 22615
implement any criteria, in addition to the criteria established in 22616
section 1514.02 of the Revised Code, that the chief determines are 22617
necessary for the permitting of in-stream mining; 22618

(2) Establish criteria and procedures for approving or 22619
disapproving the transfer of a surface or in-stream mining permit 22620
under division (F) of section 1514.02 of the Revised Code; 22621

(3) Define when any of the following may be considered to be 22622
"significant" for purposes of section 1514.022 of the Revised 22623
Code: 22624

(a) An amendment to a permit issued under section 1514.02 of 22625
the Revised Code for a surface or in-stream mining operation; 22626

(b) An amendment to the plan of mining and reclamation that 22627
must be filed with an application for either permit under section 22628
1514.02 of the Revised Code; 22629

(c) Changes to that plan of mining and reclamation that are 22630
proposed in a permit renewal application filed under section 22631
1514.021 of the Revised Code. 22632

In defining "significant," the chief shall focus on changes 22633
that increase the likelihood that the mining operation may have a 22634
negative impact on the public. 22635

(4) Establish a framework and procedures under which the 22636
amount of any bond required to be filed under this chapter to 22637
ensure the satisfactory performance of the reclamation measures 22638
required under this chapter may be reduced by subtracting a credit 22639

based on the operator's past compliance with this chapter and 22640
rules adopted and orders issued under it. The rules also shall 22641
apply to cash, an irrevocable letter of credit, or a certificate 22642
of deposit that is on deposit in lieu of a bond. In establishing 22643
the amount of credit that an operator or applicant may receive 22644
based on past compliance, the chief may consider past compliance 22645
with respect to any permit for a surface or in-stream mining 22646
operation that has been issued in this state to the operator or 22647
applicant. 22648

(5) Establish criteria and procedures for granting a variance 22649
from compliance with the prohibitions established in divisions 22650
(E)(3) and (F)(3) of section 1514.10 of the Revised Code. The 22651
criteria shall ensure that an operator may obtain a variance only 22652
if compliance with the applicable prohibition is not necessary to 22653
prevent damage to the watercourse or surrounding areas. 22654

Sec. 1514.13. (A) The chief of the division of mineral 22655
resources management shall use the compilation of data for ground 22656
water modeling submitted under section 1514.02 of the Revised Code 22657
to establish a projected cone of depression for any surface mining 22658
operation that may result in dewatering. The chief shall consult 22659
with the chief of the division of soil and water resources when 22660
projecting a cone of depression. An applicant for a surface mining 22661
permit for such an operation may submit ground water modeling that 22662
shows a projected cone of depression for that operation to the 22663
chief, provided that the modeling complies with rules adopted by 22664
the chief regarding ground water modeling. However, the chief 22665
shall establish the projected cone of depression for the purposes 22666
of this section. 22667

The chief shall adopt, and may amend and rescind, rules in 22668
accordance with Chapter 119. of the Revised Code establishing 22669
requirements and standards governing both of the following: 22670

(1) Ground water modeling for establishing a projected cone of depression. A ground water model shall be generally accepted in the scientific community.

(2) Replacement of water supplies.

(B)(1) If an owner of real property who obtains all or part of the owner's water supply for domestic, agricultural, industrial, or other legitimate use from ground water has a diminution, contamination, or interruption of that water supply and the owner's real property is located within the projected cone of depression of a surface mining operation established under this section, the owner may submit a written complaint to the operator of that operation or to the chief informing the operator or the chief that there is a diminution, contamination, or interruption of the owner's water supply. The complaint shall include the owner's name, address, and telephone number.

If the chief receives a written complaint, the chief immediately shall send a copy of the complaint to the operator, and the operator immediately shall respond by sending the chief a statement that explains how the operator resolved or will resolve the complaint. If the operator receives a written complaint, the operator immediately shall send to the chief a copy of the complaint and include a statement that explains how the operator resolved or will resolve the complaint. Not later than seventy-two hours after receipt of the complaint, the operator shall provide the owner a supply of water that is comparable, in quantity and quality, to the owner's water supply prior to the diminution, contamination, or interruption of the owner's water supply. The operator shall maintain that water supply until the operator provides a permanent replacement water supply to the owner under division (B)(3) of this section or until the division of mineral resources management completes the evaluation under division (B)(2) of this section, whichever is applicable.

(2) A rebuttable presumption exists that the operation caused 22703
the diminution, contamination, or interruption of the owner's 22704
water supply. However, not later than fourteen days after receipt 22705
of the complaint, the operator may submit to the division 22706
information showing that the operation is not the proximate cause 22707
of the diminution, contamination, or interruption of the owner's 22708
water supply. The division shall evaluate the information 22709
submitted by the operator to determine if the presumption is 22710
rebutted. If the operator fails to rebut the presumption, the 22711
division immediately shall notify the operator that the operator 22712
failed to rebut the presumption. Not later than fourteen days 22713
after receipt of that notice, the operator shall provide the owner 22714
a permanent replacement water supply that is comparable, in 22715
quantity and quality, to the owner's water supply prior to the 22716
diminution, contamination, or interruption of the owner's water 22717
supply. If the operator rebuts the presumption, the division 22718
immediately shall notify the operator that the operator rebuted 22719
the presumption, and, upon receipt of that notice, the operator 22720
may cease providing a supply of water to the owner under division 22721
(B)(1) of this section. 22722

(3) If, within fourteen days after receipt of the complaint, 22723
the operator does not submit to the division information showing 22724
that the operation is not the proximate cause of the diminution, 22725
contamination, or interruption of the owner's water supply, the 22726
operator shall provide the owner, not later than twenty-eight days 22727
after receipt of the complaint, a permanent replacement water 22728
supply that is comparable, in quantity and quality, to the owner's 22729
water supply prior to the diminution, contamination, or 22730
interruption of the owner's water supply. 22731

(4) The division may investigate a complaint under division 22732
(B) of this section. 22733

(C) If an owner of real property who obtains all or part of 22734

the owner's water supply for domestic, agricultural, industrial, 22735
or other legitimate use from ground water has a diminution, 22736
contamination, or interruption of that water supply and the 22737
owner's real property is not located within the projected cone of 22738
depression of a surface mining operation established under this 22739
section, the owner may submit a written complaint to the operator 22740
of that operation or to the chief informing the operator or the 22741
chief that there is a diminution, contamination, or interruption 22742
of the owner's water supply. The complaint shall include the 22743
owner's name, address, and telephone number. 22744

If the operator receives a written complaint, the operator 22745
immediately shall send the chief a copy of the complaint. If the 22746
chief receives a written complaint, the chief immediately shall 22747
send the operator a copy of the complaint. The chief shall 22748
investigate any complaint submitted under this division and, upon 22749
completion of the investigation, immediately shall send the 22750
results of the investigation to the operator and to the owner that 22751
filed the complaint. 22752

An owner that submits a written complaint under this division 22753
may resolve the diminution, contamination, or interruption of the 22754
owner's water supply with the operator of that operation or may 22755
commence a civil action for that purpose. 22756

(D) An operator may request the chief to amend the plan of 22757
mining and reclamation filed with the application under section 22758
1514.02 of the Revised Code when a ground water user may affect 22759
the projected cone of depression established for the operation 22760
under division (A) of this section. The operator shall submit 22761
additional data that reflect the ground water user's impact on the 22762
ground water. The chief shall perform ground water modeling using 22763
the additional data and may establish a revised projected cone of 22764
depression for that operation. 22765

(E) This section shall not be construed as creating, 22766

modifying, or affecting any right, liability, or remedy of surface 22767
riparian owners. 22768

Sec. 1515.08. The supervisors of a soil and water 22769
conservation district have the following powers in addition to 22770
their other powers: 22771

(A) To conduct surveys, investigations, and research relating 22772
to the character of soil erosion, floodwater and sediment damages, 22773
and the preventive and control measures and works of improvement 22774
for flood prevention and the conservation, development, 22775
utilization, and disposal of water needed within the district, and 22776
to publish the results of those surveys, investigations, or 22777
research, provided that no district shall initiate any research 22778
program except in cooperation or after consultation with the Ohio 22779
agricultural research and development center; 22780

(B) To develop plans for the conservation of soil resources, 22781
for the control and prevention of soil erosion, and for works of 22782

district, and to publish those plans and information; 22785

(C) To implement, construct, repair, maintain, and operate 22786
preventive and control measures and other works of improvement for 22787
natural resource conservation and development and flood 22788
prevention, and the conservation, development, utilization, and 22789
disposal of water within the district on lands owned or controlled 22790
by this state or any of its agencies and on any other lands within 22791
the district, which works may include any facilities authorized 22792
under state or federal programs, and to acquire, by purchase or 22793
gift, to hold, encumber, or dispose of, and to lease real and 22794
personal property or interests in such property for those 22795
purposes; 22796

(D) To cooperate or enter into agreements with any occupier 22797

of lands within the district in the carrying on of natural 22798
resource conservation operations and works of improvement for 22799
flood prevention and the conservation, development, utilization, 22800
and management of natural resources within the district, subject 22801
to such conditions as the supervisors consider necessary; 22802

(E) To accept donations, gifts, grants, and contributions in 22803
money, service, materials, or otherwise, and to use or expend them 22804
according to their terms; 22805

(F) To adopt, amend, and rescind rules to carry into effect 22806
the purposes and powers of the district; 22807

(G) To sue and plead in the name of the district, and be sued 22808

contracts and, as indicated in section 1515.081 of the Revised 22810
Code, certain torts of its officers, employees, or agents acting 22811
within the scope of their employment or official responsibilities, 22812
or with respect to the enforcement of its obligations and 22813
covenants made under this chapter; 22814

(H) To make and enter into all contracts, leases, and 22815
agreements and execute all instruments necessary or incidental to 22816
the performance of the duties and the execution of the powers of 22817
the district under this chapter, provided that all of the 22818
following apply: 22819

(1) Except as provided in section 307.86 of the Revised Code 22820
regarding expenditures by boards of county commissioners, when the 22821
cost under any such contract, lease, or agreement, other than 22822
compensation for personal services or rental of office space, 22823
involves an expenditure of more than the amount established in 22824
that section regarding expenditures by boards of county 22825
commissioners, the supervisors shall make a written contract with 22826
the lowest and best bidder after advertisement, for not less than 22827
two nor more than four consecutive weeks preceding the day of the 22828

opening of bids, in a newspaper of general circulation within the 22829
district and in such other publications as the supervisors 22830
determine. The notice shall state the general character of the 22831
work and materials to be furnished, the place where plans and 22832
specifications may be examined, and the time and place of 22833
receiving bids. 22834

(2) Each bid for a contract shall contain the full name of 22835
every person interested in it. 22836

(3) Each bid for a contract for the construction, demolition, 22837
alteration, repair, or reconstruction of an improvement shall meet 22838
the requirements of section 153.54 of the Revised Code. 22839

(4) Each bid for a contract, other than a contract for the 22840
construction, demolition, alteration, repair, or reconstruction of 22841
an improvement, at the discretion of the supervisors, may be 22842

if the bid is accepted, a contract shall be entered into. 22845

(5) The supervisors may reject any and all bids. 22846

(I) To make agreements with the department of natural 22847

purpose of construction of improvements by the department under 22849
section 1501.011 of the Revised Code; 22850

(J) To charge, alter, and collect rentals and other charges 22851

discharge of their duties; 22855

(L) To enter into agreements or contracts with the department 22856
for the determination, implementation, inspection, and funding of 22857
agricultural pollution abatement and urban sediment pollution 22858

abatement measures whereby landowners, operators, managers, and 22859
developers may meet adopted state standards for a quality 22860
environment, except that failure of a district board of 22861
supervisors to negotiate an agreement or contract with the 22862
department shall authorize the division of soil and water 22863
~~conservation~~ resources to implement the required program; 22864

(M) To conduct demonstrations and provide information to the 22865
public regarding practices and methods for natural resource 22866
conservation, development, and utilization; 22867

~~(N) Until June 1, 1996, to conduct surveys and investigations 22868
relating to the incidence of the multiflora rose within the 22869
district and of the nature and extent of the adverse effects of 22870
the multiflora rose on agriculture, forestry, recreation, and 22871
other beneficial land uses; 22872~~

~~(O) Until June 1, 1996, to develop plans for the control of 22873
the multiflora rose within the district and to publish those plans 22874

criteria established under division (E)(6) of section 1511.02 of 22885
the Revised Code. The cost sharing agreements shall contain the 22886
contract provisions required by the rules adopted under that 22887
division and such other provisions as the board of supervisors 22888
considers appropriate to ensure effective control of the 22889~~

~~multiflora rose.~~ 22890

~~(R)~~ To enter into contracts or agreements with the chief of 22891
the division of soil and water resources to implement and 22892

receive and expend moneys provided by the chief for that purpose; 22894

~~(S)~~(O) To develop operation and management plans, as defined 22895
in section 1511.01 of the Revised Code, as necessary; 22896

~~(T)~~(P) To determine whether operation and management plans 22897
developed under division (A) of section 1511.021 of the Revised 22898
Code comply with the standards established under division (E)(1) 22899

disapprove the plans, based on such compliance. If an operation 22901
and management plan is disapproved, the board shall provide a 22902
written explanation to the person who submitted the plan. The 22903
person may appeal the plan disapproval to the chief, who shall 22904
afford the person a hearing. Following the hearing, the chief 22905
shall uphold the plan disapproval or reverse it. If the chief 22906
reverses the plan disapproval, the plan shall be deemed approved 22907
under this division. In the event that any person operating or 22908
owning agricultural land or a concentrated animal feeding 22909
operation in accordance with an approved operation and management 22910
plan who, in good faith, is following that plan, causes 22911
agricultural pollution, the plan shall be revised in a fashion 22912
necessary to mitigate the agricultural pollution, as determined 22913
and approved by the board of supervisors of the soil and water 22914
conservation district. 22915

~~(U)~~(O) With regard to composting conducted in conjunction 22916
with agricultural operations, to do all of the following: 22917

(1) Upon request or upon their own initiative, inspect 22918
composting at any such operation to determine whether the 22919
composting is being conducted in accordance with section 1511.022 22920

of the Revised Code; 22921

(2) If the board determines that composting is not being so 22922
conducted, request the chief to issue an order under division (G) 22923
of section 1511.02 of the Revised Code requiring the person who is 22924
conducting the composting to prepare a composting plan in 22925
accordance with rules adopted under division ~~(E)~~(8)(c) of that 22926
section and to operate in accordance with that plan or to operate 22927
in accordance with a previously prepared plan, as applicable; 22928

(3) In accordance with rules adopted under division 22929
~~(E)~~(8)(c) of section 1511.02 of the Revised Code, review and 22930
approve or disapprove any such composting plan. If a plan is 22931
disapproved, the board shall provide a written explanation to the 22932
person who submitted the plan. 22933

As used in division ~~(U)~~(Q) of this section, "composting" has 22934
the same meaning as in section 1511.01 of the Revised Code. 22935

~~(V)~~(R) With regard to conservation activities that are 22936
conducted in conjunction with agricultural operations, to assist 22937
the county auditor, upon request, in determining whether a 22938
conservation activity is a conservation practice for purposes of 22939
Chapter 929. or sections 5713.30 to 5713.37 and 5715.01 of the 22940
Revised Code. 22941

As used in this division, "conservation practice" has the 22942
same meaning as in section 5713.30 of the Revised Code. 22943

~~(W)~~(S) To do all acts necessary or proper to carry out the 22944
powers granted in this chapter. 22945

The director of natural resources shall make recommendations 22946
to reduce the adverse environmental effects of each project that a 22947
soil and water conservation district plans to undertake under 22948
division (A), (B), (C), or (D) of this section and that will be 22949
funded in whole or in part by moneys authorized under section 22950
1515.16 of the Revised Code and shall disapprove any such project 22951

that the director finds will adversely affect the environment 22952
without equal or greater benefit to the public. The director's 22953
disapproval or recommendations, upon the request of the district 22954
filed in accordance with rules adopted by the Ohio soil and water 22955
conservation commission, shall be reviewed by the commission, 22956
which may confirm the director's decision, modify it, or add 22957
recommendations to or approve a project the director has 22958
disapproved. 22959

Any instrument by which real property is acquired pursuant to 22960
this section shall identify the agency of the state that has the 22961
use and benefit of the real property as specified in section 22962
5301.012 of the Revised Code. 22963

Sec. 1515.14. Within the limits of funds appropriated to the 22964
department of natural resources and the soil and water 22965
conservation district assistance fund created in this section, 22966
there shall be paid in each calendar year to each local soil and 22967
water conservation district an amount not to exceed one dollar for 22968
each one dollar received in accordance with section 1515.10 of the 22969
Revised Code, received from tax levies in excess of the ten-mill 22970
levy limitation approved for the benefit of local soil and water 22971
conservation districts, or received from an appropriation by a 22972
municipal corporation or a township to a maximum of eight thousand 22973
dollars, provided that the Ohio soil and water conservation 22974
commission may approve payment to a district in an amount in 22975
excess of eight thousand dollars in any calendar year upon receipt 22976
of a request and justification from the district. The county 22977
auditor shall credit such payments to the special fund established 22978
pursuant to section 1515.10 of the Revised Code for the local soil 22979
and water conservation district. The department may make advances 22980
at least quarterly to each district on the basis of the estimated 22981
contribution of the state to each district. Moneys received by 22982
each district shall be expended for the purposes of the district. 22983

For the purpose of providing money to soil and water conservation districts under this section, there is hereby created in the state treasury the soil and water conservation district assistance fund consisting of money credited to it under section 3714.073 and division (A)(5) of section 3734.57 of the Revised Code.

Sec. 1515.183. Upon acceptance of a petition requesting the construction of an improvement, the supervisors of a soil and water conservation district shall begin to prepare, as a guide to the board of county commissioners and the petitioners, a preliminary report regarding the proposed improvement. The supervisors shall present the completed preliminary report at the hearing that is held on the proposed improvement.

The preliminary report shall include a preliminary estimate of cost, comments on the feasibility of the project, and a statement of the supervisors' opinion as to whether the benefits from the project are likely to exceed the estimated cost. The preliminary report shall identify all factors that are apparent to the supervisors, both favorable and unfavorable to the proposed improvement, so that the petitioners may be informed concerning what is involved with the construction of the improvement.

In addition to reporting on the improvement as petitioned, the supervisors may submit alternate proposals to accomplish the intent of the petition. The preliminary report and all alternate proposals shall be reviewed and receive concurrence from an engineer who is employed by the division of soil and water ~~conservation~~ resources or by the natural resources conservation service in the United States department of agriculture and who is responsible for providing technical assistance to the district or from any other registered professional engineer whom the supervisors choose.

Sec. 1519.03. The director of natural resources, through the 23015
chief of the division of ~~real-estate parks and land-management~~ 23016
recreation, shall prepare and maintain a current inventory of 23017
trails, abandoned or unmaintained roads, streets, and highways, 23018
abandoned railroad rights-of-way, utility easements, canals, and 23019
other scenic or historic corridors or rights-of-way that are 23020
suitable for recreational use. The director shall prepare and 23021
publish a comprehensive plan for development of a statewide trails 23022
system to serve present and future trail recreation needs of the 23023
state. Any state department, agency, political subdivision, or 23024
planning commission shall furnish available maps, descriptions, 23025
and other pertinent information to the director or provide access 23026
to ~~his~~ the director's representatives for inspection and 23027
duplication, upon request by the director, for trail inventory and 23028
planning purposes. 23029

(C) The chief shall, within thirty days from the date of the 23474
receipt of the application, fee, and bond or other security, issue 23475
or deny a construction permit for the construction or may issue a 23476

construction permit conditioned upon the making of such changes in 23477
the plans and specifications for the construction as the chief 23478
considers advisable if the chief determines that the construction 23479
of the proposed dam or levee, in accordance with the plans and 23480
specifications filed, would endanger life, health, or property. 23481

(D) The chief may deny a construction permit after finding 23482
that a dam or levee built in accordance with the plans and 23483
specifications would endanger life, health, or property, because 23484
of improper or inadequate design, or for such other reasons as the 23485
chief may determine. 23486

In the event the chief denies a permit for the construction 23487
of the dam or levee, or issues a permit conditioned upon a making 23488
of changes in the plans or specifications for the construction, 23489
the chief shall state the reasons therefor and so notify, in 23490
writing, the person or governmental agency making the application 23491
for a permit. If the permit is denied, the chief shall return the 23492
bond or other security to the person or governmental agency making 23493
application for the permit. 23494

The decision of the chief conditioning or denying a 23495
construction permit is subject to appeal as provided in Chapter 23496
119. of the Revised Code. A dam or levee built substantially at 23497
variance from the plans and specifications upon which a 23498
construction permit was issued is in violation of this section. 23499
The chief may at any time inspect any dam or levee, or site upon 23500
which any dam or levee is to be constructed, in order to determine 23501
whether it complies with this section. 23502

(E) A registered professional engineer shall inspect the 23503
construction for which the permit was issued during all phases of 23504
construction and shall furnish to the chief such regular reports 23505
of the engineer's inspections as the chief may require. When the 23506
chief finds that construction has been fully completed in 23507
accordance with the terms of the permit and the plans and 23508

specifications approved by the chief, the chief shall approve the 23509
construction. When one year has elapsed after approval of the 23510
completed construction, and the chief finds that within this 23511
period no fact has become apparent to indicate that the 23512
construction was not performed in accordance with the terms of the 23513
permit and the plans and specifications approved by the chief, or 23514
that the construction as performed would endanger life, health, or 23515
property, the chief shall release the bond or other security. No 23516
bond or other security shall be released until one year after 23517
final approval by the chief, unless the dam or levee has been 23518
modified so that it will not retain water and has been approved as 23519
nonhazardous after determination by the chief that the dam or 23520
levee as modified will not endanger life, health, or property. 23521

(F) When inspections required by this section are not being 23522
performed, the chief shall notify the person or governmental 23523
agency to which the permit has been issued that inspections are 23524
not being performed by the registered professional engineer and 23525
that the chief will inspect the remainder of the construction. 23526
Thereafter, the chief shall inspect the construction and the cost 23527
of inspection shall be charged against the owner. Failure of the 23528
registered professional engineer to submit required inspection 23529
reports shall be deemed notice that the engineer's inspections are 23530
not being performed. 23531

(G) The chief may order construction to cease on any dam or 23532
levee that is being built in violation of this section, and may 23533
prohibit the retention of water behind any dam or levee that has 23534
been built in violation of this section. The attorney general, 23535
upon written request of the chief, may bring an action for an 23536
injunction against any person who violates this section or to 23537
enforce an order or prohibition of the chief made pursuant to this 23538
section. 23539

(H) The chief may adopt rules in accordance with Chapter 119. 23540

of the Revised Code, for the design and construction of dams and levees for which a construction permit is required by this section or for which periodic inspection is required by section 1521.062 of the Revised Code, for establishing a filing fee schedule in lieu of the schedule established under division (B) of this section, for deposit and forfeiture of bonds and other securities required by section 1521.061 of the Revised Code, for the periodic inspection, operation, repair, improvement, alteration, or removal of all dams and levees, as specified in section 1521.062 of the Revised Code, and for establishing classes of dams or levees that are exempt from the requirements of this section and section 1521.062 of the Revised Code as being of a size, purpose, or situation that does not present a substantial hazard to life, health, or property. The chief may, by rule, limit the period during which a construction permit issued under this section is valid. The rules may allow for the extension of the period during which a permit is valid upon written request, provided that the written request includes a revised construction cost estimate, and may require the payment of an additional filing fee for the requested extension. If a construction permit expires without an extension before construction is completed, the person or agency shall apply for a new permit, and shall not continue construction until the new permit is issued.

Sec. 1521.061. Except as otherwise provided in this section, a construction permit shall not be issued under section 1521.06 of the Revised Code unless the person or governmental agency applying for the permit executes and files a surety bond conditioned on completion of the dam or levee in accordance with the terms of the permit and the plans and specifications approved by the chief of the division of soil and water resources, in an amount equal to fifty per cent of the estimated cost of the project.

If a permittee requests an extension of the time period

during which a construction permit is valid in accordance with 23573
rules adopted under section 1521.06 of the Revised Code, the chief 23574
shall determine whether the revised construction cost estimate 23575
provided with the request exceeds the original construction cost 23576
estimate that was filed with the chief by more than twenty-five 23577
per cent. If the revised construction cost estimate exceeds the 23578
original construction cost estimate by more than twenty-five per 23579
cent, the chief may require an additional surety bond to be filed 23580
so that the total amount of the surety bonds equals at least fifty 23581
per cent of the revised construction cost estimate. 23582

The chief shall not approve any bond until it is personally 23583
signed and acknowledged by both principal and surety, or as to 23584
either by the attorney in fact thereof, with a certified copy of 23585
the power of attorney attached. The chief shall not approve the 23586
bond unless there is attached a certificate of the superintendent 23587
of insurance that the company is authorized to transact a fidelity 23588
and surety business in this state. 23589

All bonds shall be given in a form prescribed by the chief 23590
and shall run to the state as obligee. 23591

The applicant may deposit, in lieu of a bond, cash in an 23592
amount equal to the amount of the bond or United States government 23593
securities or negotiable certificates of deposit issued by any 23594
bank organized or transacting business in this state having a par 23595
value equal to or greater than the amount of the bond. Such cash 23596
or securities shall be deposited upon the same terms as bonds. If 23597
one or more certificates of deposit are deposited in lieu of a 23598
bond, the chief shall require the bank that issued any such 23599
certificate to pledge securities of the aggregate market value 23600
equal to the amount of the certificate that is in excess of the 23601
amount insured by the federal deposit insurance corporation. The 23602
securities to be pledged shall be those designated as eligible 23603
under section 135.18 of the Revised Code. The securities shall be 23604

security for the repayment of the certificate of deposit. 23605

Immediately upon a deposit of cash, securities, or 23606
certificates of deposit, the chief shall deliver them to the 23607
treasurer of state, who shall hold them in trust for the purposes 23608
for which they have been deposited. The treasurer of state is 23609
responsible for the safekeeping of such deposits. An applicant 23610
making a deposit of cash, securities, or certificates of deposit 23611
may withdraw and receive from the treasurer of state, on the 23612
written order of the chief, all or any portion of the cash, 23613
securities, or certificates of deposit, upon depositing with the 23614
treasurer of state cash, other United States government 23615
securities, or negotiable certificates of deposit issued by any 23616
bank organized or transacting business in this state equal in par 23617
value to the par value of the cash, securities, or certificates of 23618
deposit withdrawn. An applicant may demand and receive from the 23619
treasurer of state all interest or other income from any such 23620
securities or certificates as it becomes due. If securities so 23621
deposited with and in the possession of the treasurer of state 23622
mature or are called for payment by the issuer thereof, the 23623
treasurer of state, at the request of the applicant who deposited 23624
them, shall convert the proceeds of the redemption or payment of 23625
the securities into such other United States government 23626
securities, negotiable certificates of deposit issued by any bank 23627
organized or transacting business in this state, or cash as the 23628
applicant designates. 23629

When the chief finds that a person or governmental agency has 23630
failed to comply with the conditions of the person's or agency's 23631
bond, the chief shall make a finding of that fact and declare the 23632
bond, cash, securities, or certificates of deposit forfeited in 23633
the amount set by rule of the chief. The chief shall thereupon 23634
certify the total forfeiture to the attorney general, who shall 23635
proceed to collect that amount. 23636

In lieu of total forfeiture, the surety, at its option, may 23637
cause the dam or levee to be completed as required by section 23638
1521.06 of the Revised Code and rules of the chief, or otherwise 23639
rendered nonhazardous, or pay to the treasurer of state the cost 23640
thereof. 23641

All moneys collected on account of forfeitures of bonds, 23642
cash, securities, and certificates of deposit under this section 23643
shall be credited to the dam safety fund created in section 23644
1521.06 of the Revised Code. The chief shall make expenditures 23645
from the fund to complete dams and levees for which bonds have 23646
been forfeited or to otherwise render them nonhazardous. 23647

Expenditures from the fund for those purposes shall be made 23648
pursuant to contracts entered into by the chief with persons who 23649
agree to furnish all of the materials, equipment, work, and labor 23650
as specified and provided in the contract. 23651

A surety bond shall not be required for a permit for a dam or 23652
levee that is to be designed and constructed by an agency of the 23653
United States government, if the agency files with the chief 23654
written assurance of the agency's financial responsibility for the 23655
structure during the one-year period following the chief's 23656
approval of the completed construction provided for under division 23657
(E) of section 1521.06 of the Revised Code. 23658

Sec. 1521.062. (A) All dams and levees constructed in this 23659
state and not exempted by this section or by the chief of the 23660
division of soil and water resources under section 1521.06 of the 23661
Revised Code shall be inspected periodically by the chief, except 23662
for classes of dams that, in accordance with rules adopted under 23663
this section, are required to be inspected by registered 23664
professional engineers who have been approved for that purpose by 23665
the chief. The inspection shall ensure that continued operation 23666
and use of the dam or levee does not constitute a hazard to life, 23667

health, or property. Periodic inspections shall not be required of 23668
the following structures: 23669

(1) A dam that is less than ten feet in height and has a 23670
storage capacity of not more than fifty acre-feet at the elevation 23671
of the top of the dam, as determined by the chief. For the 23672
purposes of this section, the height of a dam shall be measured 23673
from the natural stream bed or lowest ground elevation at the 23674
downstream or outside limit of the dam to the elevation of the top 23675
of the dam. 23676

(2) A dam, regardless of height, that has a storage capacity 23677
of not more than fifteen acre-feet at the elevation of the top of 23678
the dam, as determined by the chief; 23679

(3) A dam, regardless of storage capacity, that is six feet 23680
or less in height, as determined by the chief; 23681

(4) A dam or levee belonging to a class exempted by the 23682
chief; 23683

(5) A dam or levee that has been exempted in accordance with 23684
rules adopted under section 1521.064 of the Revised Code. 23685

(B) In accordance with rules adopted under this section, the 23686
owner of a dam that is in a class of dams that is designated in 23687
the rules for inspection by registered professional engineers 23688
shall obtain the services of a registered professional engineer 23689
who has been approved by the chief to conduct the periodic 23690
inspection of dams pursuant to schedules and other standards and 23691
procedures established in the rules. The registered professional 23692
engineer shall prepare a report of the inspection in accordance 23693
with the rules and provide the inspection report to the dam owner 23694
who shall submit it to the chief. A dam that is designated under 23695
the rules for inspection by a registered professional engineer, 23696
but that is not inspected within a five-year period may be 23697
inspected by the chief at the owner's expense. 23698

(C) Intervals between periodic inspections shall be 23699
determined by the chief, but shall not exceed five years. 23700

(D) In the case of a dam or levee that the chief inspects, 23701
the chief shall furnish a report of the inspection to the owner of 23702
the dam or levee. With regard to a dam or levee that has been 23703
inspected, either by the chief or by a registered professional 23704
engineer, and that is the subject of an inspection report prepared 23705
or received by the chief, the chief shall inform the owner of any 23706
required repairs, maintenance, investigations, and other remedial 23707
and operational measures. The chief shall order the owner to 23708
perform such repairs, maintenance, investigations, or other 23709
remedial or operational measures as the chief considers necessary 23710
to safeguard life, health, or property. The order shall permit the 23711
owner a reasonable time in which to perform the needed repairs, 23712
maintenance, investigations, or other remedial measures, and the 23713
cost thereof shall be borne by the owner. All orders of the chief 23714
are subject to appeal as provided in Chapter 119. of the Revised 23715
Code. The attorney general, upon written request of the chief, may 23716
bring an action for an injunction against any person who violates 23717
this section or to enforce an order of the chief made pursuant to 23718
this section. 23719

(E) The owner of a dam or levee shall monitor, maintain, and 23720
operate the structure and its appurtenances safely in accordance 23721
with state rules, terms and conditions of permits, orders, and 23722
other requirements issued pursuant to this section or section 23723
1521.06 of the Revised Code. The owner shall fully and promptly 23724
notify the division of soil and water resources and other 23725
responsible authorities of any condition that threatens the safety 23726
of the structure and shall take all necessary actions to safeguard 23727
life, health, and property. 23728

(F) Before commencing the repair, improvement, alteration, or 23729
removal of a dam or levee, the owner shall file an application 23730

including plans, specifications, and other required information 23731
with the division and shall secure written approval of the 23732
application by the chief. Emergency actions by the owner required 23733
to safeguard life, health, or property are exempt from this 23734
requirement. The chief may, by rule, define maintenance, repairs, 23735
or other remedial measures of a routine nature that are exempt 23736
from this requirement. 23737

(G) The chief may remove or correct, at the expense of the 23738
owner, any unsafe structures found to be constructed or maintained 23739
in violation of this section or section 1521.06 of the Revised 23740
Code. In the case of an owner other than a governmental agency, 23741
the cost of removal or correction of any unsafe structure, 23742
together with a description of the property on which the unsafe 23743
structure is located, shall be certified by the chief to the 23744
county auditor and placed by the county auditor upon the tax 23745
duplicate. This cost is a lien upon the lands from the date of 23746
entry and shall be collected as other taxes and returned to the 23747
division. In the case of an owner that is a governmental agency, 23748
the cost of removal or correction of any unsafe structure shall be 23749
recoverable from the owner by appropriate action in a court of 23750
competent jurisdiction. 23751

(H) If the condition of any dam or levee is found, in the 23752
judgment of the chief, to be so dangerous to the safety of life, 23753
health, or property as not to permit time for the issuance and 23754
enforcement of an order relative to repair, maintenance, or 23755
operation, the chief shall employ any of the following remedial 23756
means necessary to protect life, health, and property: 23757

(1) Lower the water level of the lake or reservoir by 23758
releasing water; 23759

(2) Completely drain the lake or reservoir; 23760

(3) Take such other measures or actions as the chief 23761

considers necessary to safeguard life, health, and property. 23762

The chief shall continue in full charge and control of the 23763
dam or levee until the structure is rendered safe. The cost of the 23764
remedy shall be recoverable from the owner of the structure by 23765
appropriate action in a court of competent jurisdiction. 23766

(I) The chief may accept and expend gifts, bequests, and 23767
grants from the United States government or from any other public 23768
or private source and may contract with the United States 23769
government or any other agency or entity for the purpose of 23770
carrying out the dam safety functions set forth in this section 23771
and section 1521.06 of the Revised Code. 23772

(J) In accordance with Chapter 119. of the Revised Code, the 23773
chief may adopt, and may amend or rescind, rules that do all of 23774
the following: 23775

(1) Designate classes of dams for which dam owners must 23776
obtain the services of a registered professional engineer to 23777
periodically inspect the dams and to prepare reports of the 23778
inspections for submittal to the chief; 23779

(2) Establish standards in accordance with which the chief 23780
must approve or disapprove registered professional engineers to 23781
inspect dams together with procedures governing the approval 23782
process; 23783

(3) Establish schedules, standards, and procedures governing 23784
periodic inspections and standards and procedures governing the 23785
preparation and submittal of inspection reports; 23786

(4) Establish provisions regarding the enforcement of this 23787
section and rules adopted under it. 23788

(K) The owner of a dam or levee shall notify the chief in 23789
writing of a change in ownership of the dam or levee prior to the 23790
exchange of the property. 23791

Sec. 1521.063. (A) Except for the federal government, the
owner of any a dam, that is classified as a class I, class II, or
class III dam under rules adopted under section 1521.06 of the
Revised Code and subject to section 1521.062 of the Revised Code
shall pay an annual fee, based upon the height of the dam, the
linear foot length of the dam, and the per-acre foot of volume of
water impounded by the dam. The fee shall be paid to the division
of soil and water ~~on or before June 30, 1988,~~ and resources on or
before the thirtieth day of June of each ~~succeeding~~ year. The

dollars plus ten dollars per foot of height of dam, five cents per
foot of length of the dam and five cents per-acre foot of water
impounded by the dam;

(2) For any dam classified as a class II dam under those
rules, ~~thirty ninety~~ dollars plus ~~one dollar~~ six dollars per foot
of height of dam, five cents per foot of length of the dam and
five cents per-acre foot of water impounded by the dam;

(3) For any dam classified as a class III dam under those
rules, ~~thirty ninety~~ dollars plus four dollars per foot of height
of the dam, five cents per foot of length of the dam, and five
cents per-acre foot of volume of water impounded by the dam.

For purposes of this section, the height of a dam is the
vertical height, to the nearest foot, as determined by the
division under section 1521.062 of the Revised Code.

All fees collected under this section shall be deposited in
the dam safety fund created in section 1521.06 of the Revised
Code. Any owner who fails to pay any annual fee required by this

section within sixty days after the due date shall be assessed a 23823
penalty of ten per cent of the annual fee plus interest at the 23824
rate of one-half per cent per month from the due date until the 23825
date of payment. 23826

There is hereby created the compliant dam discount program to 23827
be administered by the chief. Under the program, the chief may 23828
reduce the amount of the annual fee that an owner of a dam is 23829
required to pay under division (A)(1), (2), or (3) of this section 23830
if the owner is in compliance with section 1521.062 of the Revised 23831
Code and has developed an emergency action plan pursuant to 23832
standards established in rules adopted under this section. The 23833
chief shall not discount an annual fee by more than twenty-five 23834
per cent of the total annual fee that is due. In addition, the 23835
chief shall not discount the annual fee that is due from the owner 23836
of a dam who has been assessed a penalty under this section. 23837

23838

(B) The chief shall, in accordance with Chapter 119. of the 23839
Revised Code and subject to the prior approval of the director of 23840
natural resources, adopt, and may amend or rescind, rules for the 23841
collection of fees and the administration, implementation, and 23842
enforcement of this section and for the establishment of an annual 23843
fee schedule in lieu of the schedule established ~~under~~ in division 23844
(A) of this section. 23845

(C)(1) No person, political subdivision, or state 23846
governmental agency shall violate or fail to comply with this 23847
section or any rule or order adopted or issued under it. 23848

(2) The attorney general, upon written request of the chief, 23849
may commence an action against any such violator. Any action under 23850
division (C)(2) of this section is a civil action. 23851

(D) As used in this section, "political subdivision" includes 23852
townships, municipal corporations, counties, school districts, 23853

municipal universities, park districts, sanitary districts, and 23854
conservancy districts and subdivisions thereof. 23855

Sec. 1521.064. The chief of the division of soil and water 23856
resources, in accordance with Chapter 119. of the Revised Code, 23857
shall adopt, and may amend and rescind, rules establishing a 23858
program under which dams and levees may be exempted from 23859
inspections under section 1521.062 of the Revised Code if the 23860
continued operation and use of, and any rupturing of or other 23861
structural damage to, the dams and levees will not constitute a 23862
hazard to life, health, or property. The rules shall establish, 23863
without limitation, all of the following: 23864

(A) A procedure by which the owner of such a dam or levee may 23865
apply for an exemption under this section; 23866

(B) The standards that a dam or levee shall meet in order to 23867
be exempted under this section; 23868

(C) A procedure by which the chief shall periodically review 23869
the status of a dam or levee that has been exempted under this 23870
section to determine if the exemption should be rescinded; 23871

(D) A requirement that the owner of any dam or levee exempted 23872
under this section shall agree, in writing, to accept liability 23873
for any injury, death, or loss to persons or property caused by 23874

Sec. 1521.07. The chief of the division of soil and water 23876
resources or any employee in the service of the division may enter 23877
upon lands to make surveys and inspections in accordance with this 23878
chapter, when necessary in the discharge of the duties enumerated 23879
in this chapter. 23880

Sec. 1521.10. In order to be entitled to the compensation 23881
provided for in section 1521.09 of the Revised Code, the landowner 23882

~~must~~ shall have prepared and submit to the division of soil and 23883
water resources complete plans for the dam provided for in such 23884
section. The plans shall have the approval of the chief of the 23885
division of soil and water resources and the dam shall be 23886
constructed in accordance with such plans before compensation can 23887
be claimed. 23888

Sec. 1521.11. Upon the completion of the dam referred to in 23889
section 1521.09 of the Revised Code to the satisfaction of the 23890
division of soil and water resources, it shall certify the 23891
completion and the capacity thereof to the county auditor who 23892
shall thereupon make such reduction in the assessed valuation of 23893
the contiguous landowner as ~~he~~ the contiguous landowner is 23894
entitled to receive under sections 1521.09 to 1521.12, ~~inclusive,~~ 23895
of the Revised Code. 23896

Sec. 1521.12. In the event that any dam is constructed before 23897
plans are submitted to and approved by the division of soil and 23898
water resources as required by section 1521.10 of the Revised 23899
Code, the landowner may submit plans of the dam ~~he~~ the landowner 23900

~~Said~~ The chief, subject to the written approval of the 24343
director of natural resources and the governor, may acquire by 24344
gift, purchase, or by appropriation proceedings, in the name of 24345
and on behalf of the state, such real and personal property, 24346
rights, privileges, and appurtenances as are necessary in the 24347
chief's judgment for the construction of such reservoirs, dams, 24348
storage basins, dikes, canals, raceways, and other improvements, 24349

or for the alteration, enlargement, or maintenance of existing 24350
reservoirs, dams, and other improvements, together with such 24351
rights of way, drives, and roadways as are necessary for 24352
convenient access thereto. The appropriation proceedings referred 24353
to in this section shall be restricted to private property only. 24354

Before proceeding to purchase or appropriate any such 24355
property or rights, the cost of which, together with the land or 24356
real estate necessary upon which to locate and construct such 24357
improvements, including damages to remaining property, is in 24358
excess of one thousand dollars, the chief shall prepare plans, 24359
specifications, and estimates of such cost, including all material 24360
and labor therefor, together with the cost of such land or real 24361
estate and damages, and shall thereupon submit such plans, 24362
specifications, and estimates to the director, who in turn shall 24363
submit them to the governor for approval. 24364

The governor shall thereupon publish written notice once a 24365
week for two consecutive weeks in a newspaper published in and of 24366
general circulation in the counties where any such improvements 24367
are proposed to be constructed, setting forth the location and 24368
character of the proposed improvements, that the plans, 24369
specifications, and estimates therefor are on file in the 24370
governor's office, and that objections thereto will be heard by 24371
the governor on a day to be named in ~~said~~ the notice, which day 24372
shall be not less than ten nor more than twenty days after the 24373
first publication thereof. Within thirty days after the date fixed 24374
for ~~said~~ the hearing, the governor shall return such plans, 24375
specifications, and estimates to the director, with the governor's 24376
written approval or rejection thereof indorsed thereon. The 24377
director shall immediately return such plans, specifications, and 24378
estimates, together with the governor's indorsement thereon, to 24379
the chief. 24380

Any instrument by which real property is acquired pursuant to 24381

this section shall identify the agency of the state that has the 24382
use and benefit of the real property as specified in section 24383
5301.012 of the Revised Code. 24384

Sec. 1523.02. If the governor approves the plans, 24385
specifications, and estimates authorized by section 1523.01 of the 24386
Revised Code, the chief of the division of soil and water 24387
resources shall thereupon proceed, as provided in sections 1523.02 24388
to 1523.13 of the Revised Code, to construct the improvements or 24389
to make alterations in or to enlarge those already existing, in 24390
such manner and form as is shown by such plans and specifications. 24391
In order to provide the funds for such construction, alteration, 24392
or enlargement, the chief shall issue and sell bonds of the state, 24393
not in excess of the estimated cost of such improvements. The 24394
bonds shall be issued in denominations of not less than one 24395
hundred dollars payable as a whole or in series on or before fifty 24396
years from the date thereof, with interest not to exceed the rate 24397
provided in section 9.95 of the Revised Code, payable either 24398
annually or semiannually. 24399

The bonds shall show on their face the purpose for which 24400
issued and shall create no liability upon or be considered an 24401
indebtedness of the state, but both the principal and interest 24402
shall be paid solely out of the proceeds arising from the 24403
improvements constructed, altered, or enlarged by the chief, or 24404
from the proceeds of the sale or foreclosure of the lien securing 24405
the bonds on such improvement or such part thereof as is 24406
constructed from the money realized from the sale of the bonds. 24407

The form of the bonds shall be approved by the attorney 24408
general, and they shall be signed by the governor and attested by 24409
the director of natural resources and the chief. The bonds may be 24410
issued as coupon bonds, payable to bearer only, or upon demand of 24411
the owner or holder thereof as registered bonds. 24412

Such bonds shall be sold by the chief to the highest bidder 24413
therefor, but for not less than the par value thereof, with 24414
accrued interest thereon, after thirty days' notice in at least 24415
two newspapers of general circulation in the county where such 24416
improvements are to be constructed, altered, or enlarged, setting 24417
forth the nature, amount, rate of interest, and length of time the 24418
bonds have to run, with the time and place of sale. 24419

The treasurer of state shall be the treasurer of the fund 24420
realized from the sale of such bonds, and the auditor of state 24421
shall be the auditor of such fund. The proceeds of such sale shall 24422
be turned over to the treasurer of state and shall be deposited by 24423
the treasurer of state in a solvent bank, located either in 24424
Columbus or in the county in which such improvements are located. 24425
Such proceeds shall be kept by such bank in a fund to be known as 24426
the water conservation improvement fund. Such fund shall be used 24427
to acquire the necessary real estate and to construct such new 24428
improvements and for no other purpose, except that the treasurer 24429
of state may pay the interest on the bonds during the period of 24430
condemnation and the construction, alteration, or enlargement of 24431
such improvements out of the proceeds arising from the sale of the 24432
bonds for a term not exceeding three years from the date on which 24433
the bonds are issued. The bank shall give bond to the state in 24434
such amount as the treasurer of state considers advisable, and 24435
with surety to the satisfaction of the treasurer of state, for the 24436
benefit of the holders of the bonds, and for the benefit of any 24437
contractors performing labor or furnishing material for such 24438
improvements, as provided by law, conditioned that it will safely 24439
keep the money and will make no payments or disbursements 24440
therefrom except as provided in sections 1523.01 to 1523.13 of the 24441
Revised Code. 24442

The treasurer of state shall hold such fund as trustee for 24443
the holders of the bonds and for all persons performing labor or 24444

furnishing material for the construction, alteration, or 24445
enlargement of any improvement made under such sections. Such 24446
funds shall not be turned into the state treasury, but shall be 24447
deposited and disbursed by the treasurer of state as provided in 24448
such sections. The interest coupons attached to such bonds shall 24449
bear the signature of the treasurer of state, executed by the 24450
treasurer of state or printed or lithographed thereon. 24451

Both the interest and principal of such bonds shall be made 24452
payable at the office of the treasurer of state in Columbus, and 24453
shall be paid by the treasurer of state, without warrant or 24454
authority of the director of budget and management, to the owner 24455
or holder of such bonds upon presentation by the owner or holder 24456
of matured interest coupons or bonds. 24457

Sec. 1523.03. Immediately after the sale of the bonds 24458
authorized by section 1523.02 of the Revised Code and the payment 24459
of the proceeds thereof to the treasurer of state as provided in 24460
such section, the chief of the division of soil and water 24461
resources shall make a written contract for the construction of 24462
the improvements or for the making of additions to or alterations 24463
in existing improvements with the lowest responsive and 24464
responsible bidder, in accordance with section 9.312 of the 24465
Revised Code, after advertisements once a week for four 24466
consecutive weeks in one newspaper in each of the cities of 24467
Columbus, Cleveland, and Cincinnati having a general circulation 24468
therein, one trade paper having a circulation among contractors 24469
engaged in the construction of public improvement work of like 24470
character, and two newspapers having a general circulation within 24471
the county in which the dam, reservoir, storage basin, or other 24472
improvement is located or is to be located. 24473

All bids shall be filed with the chief, within the time fixed 24474
for the filing of such bids in ~~said~~ the advertisement. The bids 24475

shall be opened and publicly read by the chief at twelve noon on 24476
the last day for filing them. Each bid shall contain the full 24477
names of every person or company interested in it, shall 24478
separately state the price of both the labor and material to be 24479
furnished under it, and shall meet the requirements of section 24480
153.54 of the Revised Code. 24481

The chief may reject any bids. If the chief rejects all bids, 24482
the chief shall within sixty days thereafter readvertise for bids 24483
for the construction of such improvements, as provided in this 24484
section, and may continue to readvertise for bids every sixty days 24485
until bids are received which are made to the chief's satisfaction 24486
and in conformity to sections 1523.01 to 1523.13 of the Revised 24487
Code. 24488

The chief may award separate contracts to bidders for each 24489
part of the labor to be done or material to be furnished for the 24490
construction of such improvements, provided that the amount of the 24491
contract, if awarded as a whole, or the aggregate of ~~said the~~ the 24492
several contracts, if awarded separately, shall not, together with 24493
the cost of the land necessary for such improvements and the 24494
estimated damages to remaining property, be in excess of the 24495
estimated cost of the construction thereof, including such land 24496
and damages. Such contracts shall provide that all payments 24497
thereunder shall be made only from the proceeds of the sale of the 24498
bonds issued for the construction of such improvements. No 24499
contractor shall receive payment for any work or labor performed 24500
or material furnished for such improvements unless the contract 24501
therefor was, at the time of its execution, approved by the 24502
governor by the governor's written indorsement on such contract. 24503

Sec. 1523.04. When estimates or statements for either 24504
material theretofore furnished or labor theretofore performed 24505
under a contract entered into as provided in section 1523.03 of 24506

the Revised Code are presented to the chief of the division of 24507
soil and water ~~of the department of natural~~ resources by the 24508
contractor, certified as to the correctness thereof under oath by 24509
~~him~~ the contractor or ~~his~~ the contractor's authorized agent and 24510
approved in writing by the chief, the chief shall pay the amount 24511
of such estimates or statements from the water conservation 24512
improvement fund. 24513

Sec. 1523.05. The chief of the division of soil and water 24514
resources shall by contract in writing sell or lease for 24515
agricultural, commercial, manufacturing, or other lawful purposes, 24516
for any term not exceeding fifty years, the water, or any part 24517
thereof, conserved and stored by the improvements then existing, 24518
or that will be conserved and stored by any improvements 24519
thereafter to be constructed by ~~him~~ the chief. The chief may lease 24520
the land surrounding ~~said~~ the water for a term not exceeding fifty 24521
years, as shown by the plans and specifications prepared by ~~him~~ 24522
the chief and approved by the governor as provided in section 24523
1523.01 of the Revised Code. Such agreements shall be for a 24524
certain price or rental for the water or lands furnished to or 24525
used by the grantees, lessees, or their assigns, to be paid 24526
quarterly, semiannually, or annually as the chief deems advisable. 24527

~~Said~~ The chief may, for a term not exceeding fifty years, 24528
sell or lease power generated by any head of water raised or 24529
maintained by any such improvement, or ~~he~~ the chief may sell or 24530
lease the right to use such head of water for generating power or 24531
other hydraulic purposes. 24532

All such contracts of sale or lease, whether for water or 24533
power, shall contain such reservations or restrictions as the 24534
chief deems necessary and proper in furtherance of the purposes of 24535
sections 1523.01 to 1523.13, ~~inclusive,~~ of the Revised Code, and 24536
the preservation of the use of such waters for navigation in case 24537

they are required therefor. 24538

Such contracts or leases ~~must~~ shall be approved by the 24539
attorney general as to their general form and legality and, before 24540
becoming binding obligations on the state, they shall be approved 24541
by the governor by ~~his~~ the governor's written indorsement thereon. 24542

Sec. 1523.06. (A) The chief of the division of soil and water 24543
resources before selling bonds as provided in section 1523.02 of 24544
the Revised Code or before receiving bids for the construction of 24545
improvements as authorized by section 1523.03 of the Revised Code 24546
may enter into tentative agreements for the sale or lease of water 24547
or power to: 24548

(1) Ascertain whether the public interest and welfare 24549
reasonably require the proposed improvements in the proposed 24550
locality; 24551

(2) Determine whether the revenues which the state may derive 24552
from the lease of lands and the lease and sale of the waters which 24553
are estimated will be conserved, impounded, and stored, or from 24554
the sale or lease of the power generated by such improvements, 24555
will be sufficient: 24556

(a) To pay the interest on bonds issued under section 1523.02 24557
of the Revised Code; 24558

(b) To create a sinking fund to retire ~~said~~ the bonds at 24559
their maturity; 24560

(c) To maintain and keep ~~said~~ the improvements in repair. 24561

(B) The performance and carrying out of such tentative 24562
agreements shall be conditioned upon the ability of such chief to: 24563

(1) Sell ~~said~~ the proposed bonds at not less than par and 24564
accrued interest; 24565

(2) Secure bids for the furnishing of all the labor and 24566

material necessary in the construction of such improvements, 24567
including all real estate required and damages incurred, at such a 24568
price that the rentals or compensation to be paid will provide 24569
during the terms of such contracts or leases a sum sufficient to 24570
pay ~~said~~ the interest, retire ~~said~~ the bonds, and maintain and 24571
keep ~~said~~ the improvements in repair. 24572

Sec. 1523.07. The treasurer of state shall be treasurer and 24573
the auditor of state shall be auditor of all moneys derived from 24574
the use of the improvements authorized by sections 1523.01 to 24575
1523.13, ~~inclusive,~~ of the Revised Code. The treasurer of state 24576
shall hold ~~said~~ the moneys as trustee for the maintenance of any 24577
improvements constructed under such sections, and for the holders 24578
of any bonds issued in accordance with section 1523.02 of the 24579
Revised Code. ~~Said~~ The moneys shall not be turned into the state 24580
treasury, but shall be deposited and disbursed by the treasurer of 24581
state in the manner provided in this section. All such moneys 24582
shall be collected by the treasurer of state on statements to be 24583
furnished by the chief of the division of soil and water resources 24584
and when so collected shall be deposited in solvent banks in the 24585
state upon the same terms as state funds are now loaned. ~~Said~~ The 24586
funds shall be kept by such banks in a fund known as the "water 24587
conservation fund" and shall be used, first, to maintain and keep 24588
in repair the dams, reservoirs, storage basins, and other 24589
improvements, and, second, to pay the interest upon and principal 24590
of the bonds issued and sold pursuant to section 1523.02 of the 24591
Revised Code, as such interest falls due or ~~said~~ the bonds mature. 24592

The banks in which the treasurer of state deposits any of the 24593
moneys belonging either to the water conservation improvement fund 24594
provided for in section 1523.02 of the Revised Code or the water 24595
conservation fund provided for in this section shall be state 24596
depository banks as provided for in sections 135.01 to 135.21, ~~inclusive,~~ 24597
~~inclusive,~~ of the Revised Code. An amount not to exceed fifty 24598

thousand dollars of the money on deposit at any one time in the 24599
water conservation improvement fund, and an amount not to exceed 24600
ten thousand dollars in the water conservation fund shall be held 24601
by any of ~~said~~ the banks as an active deposit, and ~~said~~ the banks 24602
shall pay the treasurer of state on such deposits, both active and 24603
inactive, the same rate of interest then being paid by them upon 24604
the funds of the state then deposited with them by the treasurer 24605
of state. All such payments of interest shall be credited to the 24606
respective funds upon which such interest is paid. 24607

Sec. 1523.08. When the cost of any repairs to the 24608
improvements authorized by section 1523.01 of the Revised Code 24609
does not exceed one thousand dollars, the chief of the division of 24610
soil and water ~~of the department of natural~~ resources either may 24611
make such repairs ~~himself~~ or may let a contract therefor without 24612
advertising for bids. If the cost of any such repairs is in excess 24613
of one thousand dollars, the chief shall advertise for bids for 24614
the making of such repairs and let a contract therefor as provided 24615
in section 1523.03 of the Revised Code. 24616

When itemized statements are presented to the chief showing 24617
the amount of labor performed and material furnished in the making 24618
of such repairs, verified by the person making them and approved 24619
in writing by the chief, the chief shall pay the amount of such 24620
statement from the water conservation fund. 24621

Sec. 1523.09. If a reservoir, dam, storage basin, or other 24622
improvement constructed or enlarged by the chief of the division 24623
of soil and water resources as provided in sections 1523.01 to 24624
1523.13 of the Revised Code constitutes a part of the canal system 24625
of the state or is located upon any river, stream, or body of 24626
water formerly used as a feeder for the canal system, no water 24627
shall be sold or leased from the improvement ~~by the chief~~ except 24628
in accordance with section 1520.03 of the Revised Code. 24629

Sec. 1523.10. The funds derived from the sale, use, or lease 24630
of the water impounded and conserved or the power generated by the 24631
improvements constructed pursuant to sections 1523.01 to 1523.13~~7~~ 24632
~~inclusive~~, of the Revised Code, or from the lease of the lands and 24633
improvements adjacent thereto are hereby expressly pledged for the 24634
purpose of maintaining and keeping ~~said the~~ improvements in repair 24635
and for the payment of the interest on and principal of the bonds 24636
issued under section 1523.02 of the Revised Code, as the same fall 24637
due and mature. The owners of such bonds are hereby given a lien 24638
for the payment of the principal and interest of such bonds upon 24639
any dam, reservoir, storage basin, or other improvements, or any 24640
part thereof, with the appurtenances belonging thereto, 24641
constructed by the chief of the division of soil and water 24642
resources with the funds derived from the sale of such bonds. 24643

If default is made in the payment of the interest on any of 24644
~~said the~~ bonds for three or more successive years, or if bonds, 24645
aggregating in par value not less than ten per cent of the total 24646
amount of such bonds then outstanding are not paid at maturity, 24647
then all of ~~said the~~ bonds, both principal and interest, shall 24648
become due and payable, and the owners of any of ~~said the~~ bonds, 24649
aggregating in par value not less than ten per cent of the total 24650
amount of such bonds then outstanding, may institute proceedings 24651
to foreclose such lien against the state in the court of common 24652
pleas of the county in which is located any of ~~said the~~ 24653
improvements, constructed, altered, or enlarged out of the 24654
proceeds of the sale of such bonds. 24655

~~Said The~~ court shall have jurisdiction of such action with 24656
full power to foreclose such lien and to make an order to the 24657
sheriff of ~~said the~~ county, acting as a master commissioner, 24658
directing ~~him~~ the sheriff to make a sale of such improvements or 24659
part thereof at not less than two-thirds of the appraised value 24660
thereof, and upon such terms and in manner and form as provided 24661

for in ~~said~~ the order, and to pay the proceeds of such sale to the 24662
clerk of the court of common pleas. Upon motion of the purchaser 24663
of such improvements at such sale, the court, if such sale is 24664
found to be regular in all respects and according to law, shall 24665
confirm the sale and order the sheriff to execute a deed to such 24666
purchaser and ~~his~~ the purchaser's assigns, conveying to ~~him~~ the 24667
purchaser and the purchaser's assigns all the right, title, and 24668
interest of the holders of ~~said~~ the bonds in and to ~~said~~ the 24669
improvements, and all the right, title, and interest of the state, 24670
for a period of not more than fifty years from the date of such 24671
conveyance, in the same, with full right and franchise, for ~~said~~ 24672
the period of not to exceed fifty years, to operate ~~said~~ the 24673
improvements and dispose of the water conserved or the power 24674
generated thereby, with the further right, for ~~said~~ the period of 24675
fifty years, to flow, transport, and convey ~~said~~ the water from 24676
~~said~~ the improvements, or to conduct and transmit power generated 24677
thereby through, over, and upon any of the lands of the state or 24678
channels or beds of any of its reservoirs, lakes, canals, races, 24679
aqueducts, or watercourses. In the exercise of such rights, such 24680
purchaser or ~~his~~ the purchaser's assigns shall at all times during 24681
the term of ~~said~~ the grant maintain the improvements so conveyed 24682
to them in a good state of repair and shall not interfere with the 24683
navigation of the canals of the state or with the control and 24684
maintenance thereof or with the sale of water by the state from 24685
its dams, reservoirs, and improvements other than those so 24686
constructed. The state does not incur any liability by reason of 24687
such sale and the rights granted thereunder to continue to 24688
maintain such canals, races, channels, or watercourses, or to 24689
continue the use thereof. Such conveyance or grant by the sheriff 24690
as such master commissioner shall contain a clause giving the 24691
chief such control of waste gates and wickets as to regulate the 24692
flow of water in the state reservoirs or canals, in such manner as 24693
to maintain the proper level therein and to prevent the flowing 24694

into such reservoirs and canals of such quantities of water as 24695
might impair any of the property of the state or its lessees, 24696
except as otherwise provided in section 1520.03 of the Revised 24697
Code. 24698

Upon the foreclosure of ~~said~~ the lien and the sale of ~~said~~ 24699
the improvements, all contracts or leases for the sale, use, or 24700
lease of water, the lands and improvements adjacent thereto, or 24701
power rights then outstanding shall become void, and the rights of 24702
the state and the several lessees thereunder, shall cease. 24703

Upon the making of an order by the court for the sale of such 24704
improvements, and before they are offered for sale by the sheriff, 24705
the court shall appoint three disinterested appraisers, one of 24706
whom shall be a water-works or hydraulic engineer with at least 24707
five years' experience in the practice of ~~his~~ the engineer's 24708
profession, and two of whom shall be freeholders residing in the 24709
county in which any of such improvements are located. ~~Said~~ The 24710
appraisers shall appraise ~~said~~ the improvements and shall, within 24711
the time fixed by the court, file such appraisal in writing with 24712
the clerk. If the lien given by this section as security for the 24713
payment of ~~said~~ the bonds covers a part only of ~~said~~ the 24714
improvements, ~~said~~ the appraisers shall appraise ~~said~~ the 24715
improvements as an entirety, and shall also appraise separately 24716
the part constructed from the proceeds of the sale of ~~said~~ the 24717
bonds, the lien of which is being foreclosed in such proceeding. 24718

In making such appraisal and fixing the value of ~~said~~ the 24719
improvements or of such part thereof, ~~said~~ the appraisers shall 24720
have access to all papers and documents on file in the office of 24721
the chief relating to such improvements, including the plans and 24722
specifications therefor, and the bids made and contracts entered 24723
into for the construction thereof, and all leases and contracts 24724
for the sale of water impounded therein and power generated 24725
thereby. The order of the court shall direct the sale only of such 24726

part of ~~said~~ the improvements as have been constructed from the 24727
proceeds of the sale of ~~said~~ the bonds. The purchaser at such 24728
sale, in the operation of such improvements during the term of the 24729
franchise granted to ~~him~~ the purchaser by this section, shall draw 24730
from the dam or reservoir impounding such water only such portion 24731
thereof as the appraised value of that part of such improvements, 24732
constructed from the proceeds of the sale of such bonds and sold 24733
to ~~him~~ the purchaser under the order of the court, bears to the 24734
entire appraised value of such improvements. 24735

If at any time during the term of the franchise granted to 24736
the purchaser of such improvements at such foreclosure sale any 24737
controversy arises between ~~him~~ the purchaser or ~~his~~ the 24738

impairment in the quality of the water in any watershed, stream, 24782
or basin, developed or undeveloped, from which any political 24783
subdivision is, at the time the chief of the division of soil and 24784

watershed, stream, or basin any of the improvements authorized by 24786
such sections, taking water for the use of itself or its 24787
inhabitants, or has plans under way, or has made or begun 24788
appropriation of any property or rights in such watershed, stream, 24789

or basin for the purpose of acquiring a water supply for itself or 24790
its inhabitants for either domestic, industrial, or other uses. 24791
Such sections do not authorize the chief to sell or lease the 24792
right to use water at any time for any purpose or to such an 24793
extent as to prejudice, abrogate, or supersede any of the water 24794

volume 102, Ohio Laws, page 175, sections 1 to 3, ~~inclusive~~. 24796

Sec. 1523.13. If by reason of severe drought or other causes 24797

political subdivision, or the health, safety, or property of the 24801
inhabitants thereof, then the chief, under such regulations as ~~he~~ 24802
the chief prescribes, may grant to such political subdivision the 24803
right, during the continuance of such emergency, to draw or take 24804

such political subdivision and the health, safety, or property of 24806
its inhabitants from any improvement constructed under sections 24807
1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, before any of 24808

subdivision shall pay such price per thousand gallons for the 24811
water so taken by it as is fixed by the chief and the governor. 24812
The price so fixed shall not exceed the maximum price then being 24813
paid for water to the state by any of its lessees or grantees. 24814
Such grant by the chief to such political subdivision shall not 24815
modify the terms or impair the validity of any leases then 24816
existing between the state and other persons, firms, or 24817

Sec. 1523.14. The director of transportation in constructing 24819

the Revised Code, either severally or jointly, upon request of the 24826
chief of the division of soil and water resources and with the 24827
approval of the director of transportation, may construct and 24828
maintain slack-water dams in connection with ~~said~~ the highway, 24829
highway bridge, or culvert so as to create reservoirs, ponds, 24830

the water supply of the state. 24832

Sec. 1523.15. The chief of the division of soil and water ~~of~~ 24833
~~the department of natural~~ resources may request the public 24834
authority having charge of the construction of state, county, or 24835
township highways, highway bridges, and culverts, or municipal 24836
streets, for the construction of slack-water dams in connection 24837
with the construction of any such highway, street, highway bridge, 24838
or culvert whenever, in ~~his~~ the chief's opinion, the construction 24839
of such dam is desirable and feasible for the economical creation 24840
and construction of reservoirs, ponds, water parks, basins, lakes, 24841
or other incidental works for the conservation of the water supply 24842
of the state. 24843

The public authority having charge of such construction may 24844
approve such request when, in its opinion, the construction of 24845
such dams will not unnecessarily delay or hinder the construction 24846
of the highway, street, highway bridge, or culvert, or will not 24847
interfere with its value or use for highway purposes. 24848

If such request is approved, the chief, in cooperation with 24849
the department of transportation and the public authority 24850
participating in the project, shall make a survey and prepare 24851

plans, specifications, and estimates for the construction of such 24852
dams and the reservoir, pond, water park, basin, lake, or other 24853
incidental works in connection therewith. 24854

Upon approval of the plans and specifications and 24855
determination to proceed with the project, the chief shall enter 24856
into an agreement with the public authority on the distribution of 24857
the cost and expense of the construction of such dams and 24858

to be paid by the division of soil and water resources shall be 24860
paid from any funds appropriated for or paid into the division and 24861
available for such purpose. 24862

Such dams shall be constructed under and subject to any laws 24863
governing the construction of state, county, or township highways, 24864

shall proceed in the same manner as provided for the construction 24867
of highway or street improvements. 24868

water resources for the construction of dams and reservoir 24873

highway bridge, or culvert. 24875

Upon receipt of such a petition and its approval by the 24876
chief, ~~he~~ the chief shall proceed as authorized by section 1523.15 24877
of the Revised Code. If the public authority having charge of the 24878
construction of such highway, street, highway bridge, or culvert 24879
approves the request, then the chief shall enter into an agreement 24880
with the public authority, organization, or person petitioning for 24881
the construction of such dam or reservoir on the apportionment of 24882

the cost and expense of construction. The cost and expense of such 24883
dam project shall include the cost of clearing and grubbing and 24884
the cost of property and damages incidental thereto. Such 24885
agreement shall also contain provisions for the proper maintenance 24886
and repair of such projects after completion, and also apportion 24887
the revenue derived therefrom between the division of soil and 24888
water resources and the petitioner. 24889

Sec. 1523.17. In all cases in which a public authority, 24890
private organization, or person petitions for the construction of 24891
a dam and reservoir project as authorized by ~~section~~ sections 24892
1523.14 to 1523.20 of the Revised Code, the chief of the division 24893
of soil and water ~~of the department of natural~~ resources, as a 24894
condition precedent to the construction of such project, shall 24895
require the petitioning authority, organization, or person to pay 24896
~~his~~ the petitioning authority's, organization's, or person's share 24897
of the cost and expense of such project. 24898

Any deficiency shall be made up by the parties bearing the 24899
cost before any further work is done. If the deficiency is not 24900
made up within sixty days after it is known, the amount paid in, 24901
less the expense incurred by the chief and the cooperating public 24902
authorities, shall be refunded to the donor. After completion of 24903
the work, any amount remaining to the credit of the project shall 24904
likewise be refunded. 24905

Sec. 1523.18. In the construction of dams, reservoirs, and 24906

hunt any wild bird or wild quadruped without a hunting license. 25254

Each day that any person hunts within the state without procuring 25255

provided in this section, every applicant for a hunting license 25257
who is a resident of the state and eighteen years of age or more 25258
shall procure a resident hunting license or an apprentice resident 25259

hunting license expiring three days from the effective date of the 25290

thirty-nine dollars. No person shall take or possess deer, wild 25292

animal while possessing only a small game hunting license. A small 25294
game hunting license or an apprentice nonresident hunting license 25295
does not authorize the taking or possessing of ducks, geese, or 25296
brant without having obtained, in addition to the small game 25297
hunting license or the apprentice nonresident hunting license, a 25298
wetlands habitat stamp as provided in section 1533.112 of the 25299
Revised Code. A small game hunting license or an apprentice 25300
nonresident hunting license does not authorize the taking or 25301
possessing of deer, wild turkeys, or fur-bearing animals. A 25302
nonresident of the state who wishes to take or possess deer, wild 25303
turkeys, or fur-bearing animals in this state shall procure, 25304
respectively, a deer or wild turkey permit as provided in section 25305
1533.11 of the Revised Code or a fur taker permit as provided in 25306
section 1533.111 of the Revised Code in addition to a nonresident 25307
hunting license, an apprentice nonresident hunting license, a 25308
special youth hunting license, or an apprentice youth hunting 25309
license, as applicable, as provided in this section. 25310

No person shall procure or attempt to procure a hunting 25311
license by fraud, deceit, misrepresentation, or any false 25312
statement. 25313

This section does not authorize the taking and possessing of 25314
deer or wild turkeys without first having obtained, in addition to 25315
the hunting license required by this section, a deer or wild 25316
turkey permit as provided in section 1533.11 of the Revised Code 25317
or the taking and possessing of ducks, geese, or brant without 25318
first having obtained, in addition to the hunting license required 25319

by this section, a wetlands habitat stamp as provided in section 25320
1533.112 of the Revised Code. 25321

a hunting license required by this section, a fur taker permit as 25324
provided in section 1533.111 of the Revised Code. 25325

No hunting license shall be issued unless it is accompanied 25326
by a written explanation of the law in section 1533.17 of the 25327
Revised Code and the penalty for its violation, including a 25328
description of terms of imprisonment and fines that may be 25329
imposed. 25330

No hunting license, other than an apprentice hunting license, 25331
shall be issued unless the applicant presents to the agent 25332
authorized to issue the license a previously held hunting license 25333

approved by the chief, a certificate of completion issued upon 25335
completion of a hunter education and conservation course approved 25336
by the chief, or evidence of equivalent training in content and 25337
manner approved by the chief. A previously held apprentice hunting 25338
license does not satisfy the requirement concerning the 25339
presentation of a previously held hunting license or evidence of 25340
it. 25341

No person shall issue a hunting license, except an apprentice 25342
hunting license, to any person who fails to present the evidence 25343
required by this section. No person shall purchase or obtain a 25344
hunting license, other than an apprentice hunting license, without 25345
presenting to the issuing agent the evidence required by this 25346
section. Issuance of a hunting license in violation of the 25347
requirements of this section is an offense by both the purchaser 25348
of the illegally obtained hunting license and the clerk or agent 25349
who issued the hunting license. Any hunting license issued in 25350
violation of this section is void. 25351

The chief, with approval of the wildlife council, shall adopt 25352
rules prescribing a hunter education and conservation course for 25353
first-time hunting license buyers, other than buyers of apprentice 25354
hunting licenses, and for volunteer instructors. The course shall 25355
consist of subjects including, but not limited to, hunter safety 25356
and health, use of hunting implements, hunting tradition and 25357
ethics, the hunter and conservation, the law in section 1533.17 of 25358
the Revised Code along with the penalty for its violation, 25359
including a description of terms of imprisonment and fines that 25360
may be imposed, and other law relating to hunting. Authorized 25361
personnel of the division or volunteer instructors approved by the 25362
chief shall conduct such courses with such frequency and at such 25363
locations throughout the state as to reasonably meet the needs of 25364
license applicants. The chief shall issue a certificate of 25365
completion to each person who successfully completes the course 25366
and passes an examination prescribed by the chief. 25367

Sec. 1533.11. (A) Except as provided in this section, no 25368
person shall hunt deer on lands of another without first obtaining 25369
an annual deer permit. Except as provided in this section, no 25370
person shall hunt wild turkeys on lands of another without first 25371
obtaining an annual wild turkey permit. Each applicant for a deer 25372
or wild turkey permit shall pay an annual fee of twenty-three 25373
dollars for each permit unless the rules adopted under division 25374
(B) of section 1533.12 of the Revised Code provide for issuance of 25375
a deer or wild turkey permit to the applicant free of charge. 25376
Except as provided in rules adopted under division (B)(2) of that 25377
section, each applicant who is a resident of this state and who at 25378
the time of application is sixty-six years of age or older shall 25379
procure a senior deer or wild turkey permit, the fee for which 25380
shall be one-half of the regular deer or wild turkey permit fee. 25381
Each applicant who is under the age of eighteen years shall 25382
procure a youth deer or wild turkey permit, the fee for which 25383

shall be one-half of the regular deer or wild turkey permit fee. 25384
Except as provided in division (A)(2) of section 1533.12 of the 25385
Revised Code, a deer or wild turkey permit shall run concurrently 25386
with the hunting license. The money received shall be paid into 25387
the state treasury to the credit of the wildlife fund, created in 25388
section 1531.17 of the Revised Code, exclusively for the use of 25389
the division of wildlife in the acquisition and development of 25390
land for deer or wild turkey management, for investigating deer or 25391
wild turkey problems, and for the stocking, management, and 25392
protection of deer or wild turkey. Every person, while hunting 25393
deer or wild turkey on lands of another, shall carry the person's 25394
deer or wild turkey permit and exhibit it to any enforcement 25395
officer so requesting. Failure to so carry and exhibit such a 25396
permit constitutes an offense under this section. The chief of the 25397
division of wildlife shall adopt any additional rules the chief 25398
considers necessary to carry out this section and section 1533.10 25399
of the Revised Code. 25400

The owner and the children of the owner of lands in this 25401
state may hunt deer or wild turkey thereon without a deer or wild 25402
turkey permit. The tenant and children of the tenant may hunt deer 25403
or wild turkey on lands where they reside without a deer or wild 25404
turkey permit. 25405

(B) A deer or wild turkey permit is not transferable. No 25406
person shall carry a deer or wild turkey permit issued in the name 25407
of another person. 25408

(C) The wildlife refunds fund is hereby created in the state 25409
treasury. The fund shall consist of money received from 25410
application fees for deer permits that are not issued. Money in 25411
the fund shall be used to make refunds of such application fees. 25412

(D) If the division establishes a system for the electronic 25413
submission of information regarding deer or wild turkey that are 25414

procuring a fishing license, a hunting license, a fur taker 25437
permit, or a wetlands habitat stamp required by this chapter, 25438
provided that the person shall carry on the person when fishing, 25439

Any person upon initially entering into a preneed cemetery 26021
merchandise and services contract may, within seven days, cancel 26022
the contract and request and receive from the seller one hundred 26023

preneed cemetery merchandise and services contract may, on not 26026
less than fifteen days' notice, cancel the contract and request 26027
and receive from the seller sixty per cent of the payments made 26028
under the contract which have been paid up to the time of 26029
cancellation; except that, if a preneed cemetery merchandise and 26030
services contract stipulates a firm or fixed or guaranteed price 26031
for the merchandise or services for future use at a time 26032
determined by the death of the person on behalf of whom payments 26033
are made, the person who has entered into the contract may, if the 26034
merchandise has not been delivered or the services have not been 26035

performed as set forth in division (K) or (L) of this section, on 26036
not less than fifteen days' notice, cancel the contract and 26037
receive from the seller sixty per cent of the principal paid 26038
pursuant to the contract and not less than eighty per cent of any 26039

shall forthwith pay the fund and accumulated interest, if any, to 26055
the person entitled to them under the preneed cemetery merchandise 26056

making the payments, shall relieve the trustee of any further 26059
liability on the fund or accumulated interest. 26060

conspicuous disclosure of irrevocability in the contract and any 26065
person entering into an irrevocable preneed cemetery merchandise 26066
and services contract shall sign a separate acknowledgment of the 26067

person's waiver of the right to revoke. If a contract satisfies 26068

identifies it as being stored for the benefit of the beneficiary 26080
at a manufacturer's warehouse. 26081

(2) The seller receives delivery of the merchandise on behalf 26082
of the beneficiary, and all of the following occur: 26083

(L) For purposes of this section, a seller is considered to 26093
have performed services pursuant to a preneed cemetery merchandise 26094
and services contract when the beneficiary's next of kin signs a 26095
written statement that the services have been performed or, if no 26096
next of kin of the beneficiary can be located through reasonable 26097

services rendered by the trustee described in division (C)(2) of 26104
this section when serving as a trustee. 26105

(N) The general assembly intends that this section be 26106
construed as a limitation upon the manner in which a person is 26107
permitted to accept moneys in prepayment for merchandise and 26108
services to be delivered or provided in the future, or merchandise 26109
and services to be used or provided in connection with the final 26110
disposition of human remains, to the end that at all times members 26111
of the public may have an opportunity to arrange and pay for 26112
merchandise and services for themselves and their families in 26113
advance of need while at the same time providing all possible 26114
safeguards whereunder the prepaid moneys cannot be dissipated, 26115
whether intentionally or not, so as to be available for the 26116

services contract if the contract pertains to a cemetery that is 26122
owned and operated entirely and exclusively by an established and 26123
legally cognizable church or denomination that is exempt from 26124
federal income taxation under section 501(c)(3) of the "Internal 26125

basis, rules and other measures are adopted to safeguard and 26131
secure all moneys received under a preneed cemetery merchandise 26132
and services contract. 26133

(P) This section does not prohibit persons other than 26134
cemetery corporations or associations from selling outer burial 26135
containers, monuments, markers, urns, or other types of 26136
merchandise customarily sold by cemeteries pursuant to a preneed 26137
cemetery merchandise and services contract; however all sellers of 26138
merchandise pursuant to a preneed cemetery merchandise and 26139
services contract shall comply with this section unless the seller 26140
is specifically exempt from this section. 26141

(Q) Any contract for preneed services or merchandise entered 26142
into with a cemetery not registered under section 4767.03 of the 26143

rejected, by the superintendent ~~or director~~. 26883

The total cost of a contract with a qualified person pursuant 26884

requests for review from or on behalf of enrollees who, under 26908
section 1751.83 of the Revised Code, have been denied coverage of 26909
a health care service or had coverage reduced or terminated when 26910

policy, contract, or agreement. 26913

On receipt of a written request from an enrollee or 26914

superintendent shall determine whether the health care service at 26928
issue is a service covered under the terms of the enrollee's 26929
contract, policy, or agreement. The superintendent shall notify 26930
the enrollee, or authorized person, and the health insuring 26931
corporation of the superintendent's determination or that the 26932

corporation shall either cover the service or afford the enrollee 26941

necessary; 26955

(2) Except in the case of an expedited review, the service, 26956
plus any ancillary services and follow-up care, will cost the 26957
enrollee more than five hundred dollars if the proposed service is 26958
not covered by the health insuring corporation. 26959

External review shall be conducted in accordance with this 26960
section, except that if an enrollee with a terminal condition 26961
meets all of the criteria of division (A) of section 1751.85 of 26962
the Revised Code, an external review shall be conducted under that 26963
section. 26964

(B) An enrollee need not be afforded a review under this 26965
section in any of the following circumstances: 26966

(1) The superintendent of insurance has determined under 26967

approval of the provider or the health care facility rendering the 26986
health care service. The provider or health care facility may not 26987
request a review without the prior consent of the enrollee. 26988

(2) An external review must be requested in writing, except 26989
that if the enrollee has a condition that requires expedited 26990
review, the review may be requested orally or by electronic means. 26991

confirmation of the request shall be submitted to the health 26993
insuring corporation not later than five days after the oral or 26994
written request is submitted. 26995

Except in the case of an expedited review, a request for an 26996
external review must be accompanied by written certification from 26997

health care service to the enrollee that the proposed service, 26999
plus any ancillary services and follow-up care, will cost the 27000
enrollee more than five hundred dollars if the proposed service is 27001
not covered by the health insuring corporation. 27002

(3) For an expedited review, the enrollee's provider must 27003
certify that the enrollee's condition could, in the absence of 27004
immediate medical attention, result in any of the following: 27005

(a) Placing the health of the enrollee or, with respect to a 27006
pregnant woman, the health of the enrollee or the unborn child, in 27007
serious jeopardy; 27008

(b) Serious impairment to bodily functions; 27009

(c) Serious dysfunction of any bodily organ or part. 27010

(D) The procedures used in conducting an external review of 27011
an adverse determination shall include all of the following: 27012

organization assigned by the superintendent of insurance under 27014
section 3901.80 of the Revised Code. 27015

(2) Except as provided in division (D)(3) and (4) of this 27016
section, neither the clinical peer nor any health care facility 27017

requested by the enrollee would be provided; 27026

(d) The development or manufacture of the principal drug, 27027
device, procedure, or therapy proposed for the enrollee. 27028

(3) Division (D)(2) of this section does not prohibit a 27029
clinical peer from conducting a review under any of the following 27030

the cost of the review. The cost of the review shall be borne by 27045
the health insuring corporation. 27046

the request to the enrollee and health insuring corporation. If a 27059
request is submitted orally or by electronic means to an enrollee 27060
or health insuring corporation, not later than five days after the 27061
request is submitted, the independent review organization shall 27062
provide written confirmation of the request. If the review was 27063
initiated by a provider or health care facility, a copy of the 27064
request shall be submitted to the provider or health care 27065
facility. 27066

(b) An independent review organization is not required to 27067
make a decision if it has not received any requested information 27068
that it considers necessary to complete a review. An independent 27069
review organization that does not make a decision for this reason 27070
shall notify the enrollee and the health insuring corporation that 27071
a decision is not being made. The notice may be made in writing, 27072
orally, or by electronic means. An oral or electronic notice shall 27073
be confirmed in writing not later than five days after the oral or 27074
electronic notice is made. If the review was initiated by a 27075

provider or health care facility, a copy of the notice shall be 27076
submitted to the provider or health care facility. 27077

(7) The health insuring corporation may elect to cover the 27078
service requested and terminate the review. The health insuring 27079
corporation shall notify the enrollee and all other parties 27080
involved with the decision by mail or, with the consent or 27081

organization conducting the review shall take into account all of 27084
the following: 27085

the health insuring corporation to make its decision. 27092

(b) Findings, studies, research, and other relevant documents 27093

seven days after the filing of the request for review. In all 27107
other cases, the independent review organization shall issue a 27108
written decision not later than thirty days after the filing of 27109
the request. The independent review organization shall send a copy 27110

of its decision to the enrollee's provider or the health care 27115
facility. 27116

(b) The independent review organization's decision shall 27117
include a description of the enrollee's condition and the 27118
principal reasons for the decision and an explanation of the 27119
clinical rationale for the decision. 27120

(E) The independent review organization shall base its 27121
decision on the information submitted under division (D)(8) of 27122
this section. In making its decision, the independent review 27123
organization shall consider safety, efficacy, appropriateness, and 27124
cost effectiveness. 27125

(F) The health insuring corporation shall provide any 27126
coverage determined by the independent review organization's 27127
decision to be medically necessary, subject to the other terms, 27128

decision shall apply only to the individual enrollee's external 27130
review. 27131

Sec. 1751.85. (A) Each health insuring corporation shall 27132

examine the health insuring corporation's coverage decisions for 27134
enrollees who meet all of the following criteria: 27135

(1) The enrollee has a terminal condition that, according to 27136

the current diagnosis of the enrollee's physician, has a high 27137
probability of causing death within two years. 27138

(2) The enrollee requests a review not later than ~~sixty one~~ 27139
hundred eighty days after receipt by the enrollee of notice of the 27140
result of an internal review under section 1751.83 of the Revised 27141
Code. 27142

(3) The enrollee's physician certifies that the enrollee has 27143
the condition described in division (A)(1) of this section and any 27144
of the following situations are applicable: 27145

(a) Standard therapies have not been effective in improving 27146
the condition of the enrollee; 27147

(b) Standard therapies are not medically appropriate for the 27148
enrollee; 27149

(c) There is no standard therapy covered by the health 27150
insuring corporation that is more beneficial than therapy 27151
described in division (A)(4) of this section. 27152

(4) The enrollee's physician has recommended a drug, device, 27153
procedure, or other therapy that the physician certifies, in 27154
writing, is likely to be more beneficial to the enrollee, in the 27155
physician's opinion, than standard therapies, or, the enrollee has 27156
requested a therapy that has been found in a preponderance of 27157
peer-reviewed published studies to be associated with effective 27158
clinical outcomes for the same condition. 27159

(5) The enrollee has been denied coverage by the health 27160
insuring corporation for a drug, device, procedure, or other 27161

internal review process established pursuant to section 1751.83 of 27164
the Revised Code. 27165

(6) The drug, device, procedure, or other therapy, for which 27166

coverage has been denied would be a covered health care service 27167
except for the health insuring corporation's determination that 27168
the drug, device, procedure, or other therapy is experimental or 27169
investigational. 27170

(B) A review shall be requested in writing, except that if 27171
the enrollee's physician determines that a therapy would be 27172
significantly less effective if not promptly initiated, the review 27173
may be requested orally or by electronic means. When an oral or 27174
electronic request for review is made, written confirmation of the 27175
request shall be submitted to the health insuring corporation not 27176
later than five days after the oral or written request is 27177
submitted. 27178

(C) The external, independent review process established by a 27179
health insuring corporation shall meet all of the following 27180
criteria: 27181

(1) Except as provided in division (E) of this section, the 27182

in division (A) of this section the opportunity to have the health 27184
insuring corporation's decision to deny coverage of the 27185
recommended or requested therapy reviewed under the process. 27186

(2) The review shall be conducted by an independent review 27187

experience in the past three years, are experts in the treatment 27193
of the enrollee's medical condition and knowledgeable about the 27194
recommended or requested therapy. 27195

In either of the following circumstances, an exception may be 27196
made to the requirement that the review be conducted by an expert 27197

panel composed of a minimum of three physicians or other 27198
providers: 27199

(a) A review may be conducted by an expert panel composed of 27200
only two physicians or other providers if an enrollee has 27201
consented in writing to a review by the smaller panel; 27202

(b) A review may be conducted by a single expert physician or 27203
other provider if only one expert physician or other provider is 27204
available for the review. 27205

(3) Neither the health insuring corporation nor the enrollee 27206
shall choose, or control the choice of, the physician or other 27207
provider experts. 27208

(4) The selected experts, any health care facility with which 27209
an expert is affiliated, and the independent review organization 27210
arranging for the experts' review, shall not have any 27211

or managerial employee of the health insuring corporation; 27215

(b) The enrollee, the enrollee's physician, or the practice 27216
group of the enrollee's physician; 27217

(c) The health care facility at which the recommended or 27218
requested therapy would be provided; 27219

(d) The development or manufacture of the principal drug, 27220
device, procedure, or therapy involved in the recommended or 27221
requested therapy. 27222

However, experts affiliated with academic medical centers who 27223
provide health care services to enrollees of the health insuring 27224
corporation may serve as experts on the review panel. Further, 27225
experts with staff privileges at a health care facility that 27226
provides health care services to enrollees of the health insuring 27227

corporation, as well as experts who are participating providers, 27228
but who were not involved with the health insuring corporation's 27229
denial of coverage for the therapy under review, may serve as 27230
experts on the review panel. These nonaffiliation provisions do 27231
not preclude a health insuring corporation from paying for the 27232
experts' review, as specified in division (C)(5) of this section. 27233

(5) Enrollees shall not be required to pay for any part of 27234
the cost of the review. The cost of the review shall be borne by 27235
the health insuring corporation. 27236

(6) The health insuring corporation shall provide to the 27237
independent review organization arranging for the experts' review 27238
a copy of those records in the health insuring corporation's 27239
possession that are relevant to the enrollee's medical condition 27240
and the review. The records shall be disclosed solely to the 27241
expert reviewers and shall be used solely for the purpose of this 27242
section. At the request of the expert reviewers, the health 27243
insuring corporation or the physician recommending the therapy 27244
shall provide any additional information that the expert reviewers 27245
request to complete the review. An expert reviewer is not required 27246
to render an opinion if the reviewer has not received any 27247
requested information that the reviewer considers necessary to 27248
complete the review. 27249

(7)(a) The opinions of the experts on the panel shall be 27250
rendered within thirty days after the enrollee's request for 27251
review. If the enrollee's physician determines that a therapy 27252
would be significantly less effective if not promptly initiated, 27253
the opinions shall be rendered within seven days after the 27254
enrollee's request for review. 27255

(b) In conducting the review, the experts on the panel shall 27256
take into account all of the following: 27257

(i) Information submitted by the health insuring corporation, 27258

the enrollee, and the enrollee's physician, including the	27259
enrollee's medical records and the standards, criteria, and	27260
clinical rationale used by the health insuring corporation to	27261
reach its coverage decision;	27262
(ii) Findings, studies, research, and other relevant	27263
documents of government agencies and nationally recognized	27264
organizations;	27265
(iii) Relevant findings in peer-reviewed medical or	27266
scientific literature and published opinions of nationally	27267
recognized medical experts;	27268
(iv) Clinical guidelines adopted by relevant national medical	27269
societies;	27270
(v) Safety, efficacy, appropriateness, and cost	27271
effectiveness.	27272
(8) Each expert on the panel shall provide the independent	27273
review organization with a professional opinion as to whether	27274
there is sufficient evidence to demonstrate that the recommended	27275
or requested therapy is likely to be more beneficial to the	27276
enrollee than standard therapies.	27277
(9) Each expert's opinion shall be presented in written form	27278
and shall include the following information:	27279
(a) A description of the enrollee's condition;	27280
(b) A description of the indicators relevant to determining	27281
whether there is sufficient evidence to demonstrate that the	27282
recommended or requested therapy is more likely than not to be	27283
more beneficial to the enrollee than standard therapies;	27284
(c) A description and analysis of any relevant findings	27285
published in peer-reviewed medical or scientific literature or the	27286
published opinions of medical experts or specialty societies;	27287
(d) A description of the enrollee's suitability to receive	27288

the recommended or requested therapy according to a treatment 27289
protocol in a clinical trial, if applicable. 27290

(10) The independent review organization shall provide the 27291
health insuring corporation with the opinions of the experts. The 27292
health insuring corporation shall make the experts' opinions 27293
available to the enrollee and the enrollee's physician, upon 27294
request. 27295

(11) The opinion of the majority of the experts on the panel, 27296
rendered pursuant to division (C)(8) of this section, is binding 27297
on the health insuring corporation with respect to that enrollee. 27298
If the opinions of the experts on the panel are evenly divided as 27299
to whether the therapy should be covered, then the health insuring 27300
corporation's final decision shall be in favor of coverage. If 27301
less than a majority of the experts on the panel recommend 27302
coverage of the therapy, the health insuring corporation may, in 27303
its discretion, cover the therapy. However, any coverage provided 27304
pursuant to division (C)(11) of this section is subject to the 27305
terms, limitations, and conditions of the enrollee's contract with 27306
the health insuring corporation. 27307

(12) The health insuring corporation shall have written 27308
policies describing the external, independent review process. 27309

(D) At any time during the external, independent review 27310
process, the health insuring corporation may elect to cover the 27311
recommended or requested health care service and terminate the 27312
review. The health insuring corporation shall notify the enrollee 27313
and all other parties involved by mail or, with the consent or 27314
approval of the enrollee, by electronic means. 27315

(E) If a health insuring corporation's initial denial of 27316
coverage for a therapy recommended or requested pursuant to 27317
division (A)(4) of this section is based upon an external, 27318
independent review of that therapy meeting the requirements of 27319

division (C) of this section, this section shall not be a basis 27320
for requiring a second external, independent review of the 27321
recommended or requested therapy. 27322

(F) The health insuring corporation shall annually file a 27323
certificate with the superintendent of insurance certifying its 27324
compliance with the requirements of this section. 27325

Sec. 1753.09. (A) Except as provided in division (D) of this 27326
section, prior to terminating the participation of a provider on 27327
the basis of the participating provider's failure to meet the 27328
health insuring corporation's standards for quality or utilization 27329
in the delivery of health care services, a health insuring 27330
corporation shall give the participating provider notice of the 27331
reason or reasons for its decision to terminate the provider's 27332
participation and an opportunity to take corrective action. The 27333
health insuring corporation shall develop a performance 27334
improvement plan in conjunction with the participating provider. 27335
If after being afforded the opportunity to comply with the 27336
performance improvement plan, the participating provider fails to 27337
do so, the health insuring corporation may terminate the 27338
participation of the provider. 27339

(B)(1) A participating provider whose participation has been 27340
terminated under division (A) of this section may appeal the 27341
termination to the appropriate medical director of the health 27342
insuring corporation. The medical director shall give the 27343
participating provider an opportunity to discuss with the medical 27344
director the reason or reasons for the termination. 27345

(2) If a satisfactory resolution of a participating 27346
provider's appeal cannot be reached under division (B)(1) of this 27347
section, the participating provider may appeal the termination to 27348
a panel composed of participating providers who have comparable or 27349
higher levels of education and training than the participating 27350

provider making the appeal. A representative of the participating 27351
provider's specialty shall be a member of the panel, if possible. 27352
This panel shall hold a hearing, and shall render its 27353
recommendation in the appeal within thirty days after holding the 27354
hearing. The recommendation shall be presented to the medical 27355
director and to the participating provider. 27356

(3) The medical director shall review and consider the 27357
panel's recommendation before making a decision. The decision 27358
rendered by the medical director shall be final. 27359

(C) A provider's status as a participating provider shall 27360
remain in effect during the appeal process set forth in division 27361
(B) of this section unless the termination was based on any of the 27362
reasons listed in division (D) of this section. 27363

(D) Notwithstanding division (A) of this section, a 27364
provider's participation may be immediately terminated if the 27365
participating provider's conduct presents an imminent risk of harm 27366
to an enrollee or enrollees; or if there has occurred unacceptable 27367
quality of care, fraud, patient abuse, loss of clinical 27368
privileges, loss of professional liability coverage, incompetence, 27369
or loss of authority to practice in the participating provider's 27370
field; or if a governmental action has impaired the participating 27371
provider's ability to practice. 27372

(E) Divisions (A) to (D) of this section apply only to 27373
providers who are natural persons. 27374

(F)(1) Nothing in this section prohibits a health insuring 27375
corporation from rejecting a provider's application for 27376
participation, or from terminating a participating provider's 27377
contract, if the health insuring corporation determines that the 27378
health care needs of its enrollees are being met and no need 27379
exists for the provider's or participating provider's services. 27380

(2) Nothing in this section shall be construed as prohibiting 27381

a health insuring corporation from terminating a participating 27382
provider who does not meet the terms and conditions of the 27383
participating provider's contract. 27384

(3) Nothing in this section shall be construed as prohibiting 27385
a health insuring corporation from terminating a participating 27386
provider's contract pursuant to any provision of the contract 27387
described in division (E)(2) of section 3963.02 of the Revised 27388
Code, except that, notwithstanding any provision of a contract 27389
described in that division, this section applies to the 27390
termination of a participating provider's contract for any of the 27391
causes described in divisions (A), (D), and (F)(1) and (2) of this 27392
section. 27393

(G) The superintendent of insurance may adopt rules as 27394
necessary to implement and enforce sections 1753.06, 1753.07, and 27395
1753.09 of the Revised Code. Such rules shall be adopted in 27396
accordance with Chapter 119. of the Revised Code. ~~The director of 27397
health may make recommendations to the superintendent for rules 27398
necessary to implement and enforce sections 1753.06, 1753.07, and 27399
1753.09 of the Revised Code. In adopting any rules pursuant to 27400
this division, the superintendent shall consider the 27401
recommendations of the director.~~ 27402

Sec. 1901.26. (A) Subject to division (E) of this section, 27403
costs in a municipal court shall be fixed and taxed as follows: 27404

(1)(a) The municipal court shall require an advance deposit 27405
for the filing of any new civil action or proceeding when required 27406
by division (C) of this section, and in all other cases, by rule, 27407
shall establish a schedule of fees and costs to be taxed in any 27408
civil or criminal action or proceeding. 27409

(b)(i) The legislative authority of a municipal corporation 27410
may by ordinance establish a schedule of fees to be taxed as costs 27411
in any civil, criminal, or traffic action or proceeding in a 27412

municipal court for the performance by officers or other employees 27413
of the municipal corporation's police department or marshal's 27414
office of any of the services specified in sections 311.17 and 27415
509.15 of the Revised Code. No fee in the schedule shall be higher 27416
than the fee specified in section 311.17 of the Revised Code for 27417
the performance of the same service by the sheriff. If a fee 27418
established in the schedule conflicts with a fee for the same 27419
service established in another section of the Revised Code or a 27420
rule of court, the fee established in the other section of the 27421
Revised Code or the rule of court shall apply. 27422

(ii) When an officer or employee of a municipal police 27423
department or marshal's office performs in a civil, criminal, or 27424
traffic action or proceeding in a municipal court a service 27425
specified in section 311.17 or 509.15 of the Revised Code for 27426
which a taxable fee has been established under this or any other 27427
section of the Revised Code, the applicable legal fees and any 27428
other extraordinary expenses, including overtime, provided for the 27429
service shall be taxed as costs in the case. The clerk of the 27430
court shall pay those legal fees and other expenses, when 27431
collected, into the general fund of the municipal corporation that 27432
employs the officer or employee. 27433

(iii) If a bailiff of a municipal court performs in a civil, 27434
criminal, or traffic action or proceeding in that court a service 27435
specified in section 311.17 or 509.15 of the Revised Code for 27436
which a taxable fee has been established under this section or any 27437
other section of the Revised Code, the fee for the service is the 27438
same and is taxable to the same extent as if the service had been 27439
performed by an officer or employee of the police department or 27440
marshal's office of the municipal corporation in which the court 27441
is located. The clerk of that court shall pay the fee, when 27442
collected, into the general fund of the entity or entities that 27443
fund the bailiff's salary, in the same prorated amount as the 27444

salary is funded. 27445

(iv) Division (A)(1)(b) of this section does not authorize or 27446
require any officer or employee of a police department or 27447
marshal's office of a municipal corporation or any bailiff of a 27448
municipal court to perform any service not otherwise authorized by 27449
law. 27450

(2) The municipal court, by rule, may require an advance 27451
deposit for the filing of any civil action or proceeding and 27452
publication fees as provided in section 2701.09 of the Revised 27453
Code. The court may waive the requirement for advance deposit upon 27454
affidavit or other evidence that a party is unable to make the 27455
required deposit. 27456

(3) When a jury trial is demanded in any civil action or 27457
proceeding, the party making the demand may be required to make an 27458
advance deposit as fixed by rule of court, unless, upon affidavit 27459
or other evidence, the court concludes that the party is unable to 27460
make the required deposit. If a jury is called, the fees of a jury 27461
shall be taxed as costs. 27462

(4) In any civil or criminal action or proceeding, each 27463
witness shall receive twelve dollars for each full day's 27464
attendance and six dollars for each half day's attendance. Each 27465
witness in a municipal court that is not a county-operated 27466
municipal court also shall receive fifty and one-half cents for 27467
each mile necessarily traveled to and from the witness's place of 27468
residence to the action or proceeding. 27469

(5) A reasonable charge for driving, towing, carting, 27470
storing, keeping, and preserving motor vehicles and other personal 27471
property recovered or seized in any proceeding may be taxed as 27472
part of the costs in a trial of the cause, in an amount that shall 27473
be fixed by rule of court. 27474

(6) Chattel property seized under any writ or process issued 27475

by the court shall be preserved pending final disposition for the 27476
benefit of all persons interested and may be placed in storage 27477
when necessary or proper for that preservation. The custodian of 27478
any chattel property so stored shall not be required to part with 27479
the possession of the property until a reasonable charge, to be 27480
fixed by the court, is paid. 27481

(7) The municipal court, as it determines, may refund all 27482
deposits and advance payments of fees and costs, including those 27483
for jurors and summoning jurors, when they have been paid by the 27484
losing party. 27485

(8) Charges for the publication of legal notices required by 27486
statute or order of court may be taxed as part of the costs, as 27487
provided by section 7.13 of the Revised Code. 27488

(B)(1) The municipal court may determine that, for the 27489
efficient operation of the court, additional funds are necessary 27490
to acquire and pay for special projects of the court including, 27491
but not limited to, the acquisition of additional facilities or 27492
the rehabilitation of existing facilities, the acquisition of 27493
equipment, the hiring and training of staff, community service 27494
programs, mediation or dispute resolution services, the employment 27495
of magistrates, the training and education of judges, acting 27496
judges, and magistrates, and other related services. Upon that 27497
determination, the court by rule may charge a fee, in addition to 27498
all other court costs, on the filing of each criminal cause, civil 27499
action or proceeding, or judgment by confession. 27500

If the municipal court offers a special program or service in 27501
cases of a specific type, the municipal court by rule may assess 27502
an additional charge in a case of that type, over and above court 27503
costs, to cover the special program or service. The municipal 27504
court shall adjust the special assessment periodically, but not 27505
retroactively, so that the amount assessed in those cases does not 27506
exceed the actual cost of providing the service or program. 27507

All moneys collected under division (B) of this section shall 27508
be paid to the county treasurer if the court is a county-operated 27509
municipal court or to the city treasurer if the court is not a 27510
county-operated municipal court for deposit into either a general 27511
special projects fund or a fund established for a specific special 27512
project. Moneys from a fund of that nature shall be disbursed upon 27513
an order of the court in an amount no greater than the actual cost 27514
to the court of a project. If a specific fund is terminated 27515
because of the discontinuance of a program or service established 27516
under division (B) of this section, the municipal court may order 27517
that moneys remaining in the fund be transferred to an account 27518
established under this division for a similar purpose. 27519

(2) The court may disburse moneys deposited into either a 27520
general special projects fund or a fund established for a specific 27521
special project to a county program that is not operated by the 27522
court and that addresses issues of domestic violence if the court 27523
determines that the program assists in the efficient operation of 27524
the court. 27525

(3) As used in division (B) of this section: 27526

(a) "Criminal cause" means a charge alleging the violation of 27527
a statute or ordinance, or subsection of a statute or ordinance, 27528
that requires a separate finding of fact or a separate plea before 27529
disposition and of which the defendant may be found guilty, 27530
whether filed as part of a multiple charge on a single summons, 27531
citation, or complaint or as a separate charge on a single 27532
summons, citation, or complaint. "Criminal cause" does not include 27533
separate violations of the same statute or ordinance, or 27534
subsection of the same statute or ordinance, unless each charge is 27535
filed on a separate summons, citation, or complaint. 27536

(b) "Civil action or proceeding" means any civil litigation 27537
that must be determined by judgment entry. 27538

(C) The municipal court shall collect in all its divisions 27539
except the small claims division the sum of ~~twenty-six~~ thirty-one 27540
dollars as additional filing fees in each new civil action or 27541
proceeding for the charitable public purpose of providing 27542
financial assistance to legal aid societies that operate within 27543
the state and to support the office of the state public defender. 27544
The municipal court shall collect in its small claims division the 27545
sum of eleven dollars as additional filing fees in each new civil 27546
action or proceeding for the charitable public purpose of 27547
providing financial assistance to legal aid societies that operate 27548
within the state and to support the office of the state public 27549
defender. This division does not apply to any execution on a 27550
judgment, proceeding in aid of execution, or other post-judgment 27551
proceeding arising out of a civil action. The filing fees required 27552
to be collected under this division shall be in addition to any 27553
other court costs imposed in the action or proceeding and shall be 27554
collected at the time of the filing of the action or proceeding. 27555
The court shall not waive the payment of the additional filing 27556
fees in a new civil action or proceeding unless the court waives 27557
the advanced payment of all filing fees in the action or 27558
proceeding. All such moneys collected during a month except for an 27559
amount equal to up to one per cent of those moneys retained to 27560
cover administrative costs shall be transmitted on or before the 27561
twentieth day of the following month by the clerk of the court to 27562
the treasurer of state in a manner prescribed by the treasurer of 27563
state or by the Ohio legal assistance foundation. The treasurer of 27564
state shall deposit four per cent of the funds collected under 27565
this division to the credit of the civil case filing fee fund 27566
established under section 120.07 of the Revised Code and 27567
ninety-six per cent of the funds collected under this division to 27568
the credit of the legal aid fund established under section 120.52 27569
of the Revised Code. 27570

The Ohio legal assistance foundation or any recipient of 27571

financial assistance from the foundation that receives, or 27572
benefits from, any portion of the additional filing fees that are 27573
collected and transmitted under this division shall not bring or 27574
maintain any class action and shall not bring or maintain any 27575
action against the state or any political subdivision of the 27576
state. 27577

The court may retain up to one per cent of the moneys it 27578
collects under this division to cover administrative costs, 27579
including the hiring of any additional personnel necessary to 27580
implement this division. If the court fails to transmit to the 27581
treasurer of state the moneys the court collects under this 27582
division in a manner prescribed by the treasurer of state or by 27583
the Ohio legal assistance foundation, the court shall forfeit the 27584
moneys the court retains under this division to cover 27585
administrative costs, including the hiring of any additional 27586
personnel necessary to implement this division, and shall transmit 27587
to the treasurer of state all moneys collected under this 27588
division, including the forfeited amount retained for 27589
administrative costs, for deposit in the legal aid fund. 27590

(D) In the Cleveland municipal court, reasonable charges for 27591
investigating titles of real estate to be sold or disposed of 27592
under any writ or process of the court may be taxed as part of the 27593
costs. 27594

(E) Under the circumstances described in sections 2969.21 to 27595
2969.27 of the Revised Code, the clerk of the municipal court 27596
shall charge the fees and perform the other duties specified in 27597
those sections. 27598

(F) As used in this section: 27599

(1) "Full day's attendance" means a day on which a witness is 27600
required or requested to be present at an action or proceeding 27601
before and after twelve noon, regardless of whether the witness 27602

actually testifies. 27603

(2) "Half day's attendance" means a day on which a witness is 27604
required or requested to be present at an action or proceeding 27605
either before or after twelve noon, but not both, regardless of 27606
whether the witness actually testifies. 27607

Sec. 1901.31. The clerk and deputy clerks of a municipal 27608
court shall be selected, be compensated, give bond, and have 27609
powers and duties as follows: 27610

(A) There shall be a clerk of the court who is appointed or 27611
elected as follows: 27612

(1)(a) Except in the Akron, Barberton, Toledo, Hamilton 27613
county, Portage county, and Wayne county municipal courts and 27614
through December 31, 2008, the Cuyahoga Falls municipal court, if 27615
the population of the territory equals or exceeds one hundred 27616
thousand at the regular municipal election immediately preceding 27617
the expiration of the term of the present clerk, the clerk shall 27618
be nominated and elected by the qualified electors of the 27619
territory in the manner that is provided for the nomination and 27620
election of judges in section 1901.07 of the Revised Code. 27621

The clerk so elected shall hold office for a term of six 27622
years, which term shall commence on the first day of January 27623
following the clerk's election and continue until the clerk's 27624
successor is elected and qualified. 27625

(b) In the Hamilton county municipal court, the clerk of 27626
courts of Hamilton county shall be the clerk of the municipal 27627
court and may appoint an assistant clerk who shall receive the 27628
compensation, payable out of the treasury of Hamilton county in 27629
semimonthly installments, that the board of county commissioners 27630
prescribes. The clerk of courts of Hamilton county, acting as the 27631
clerk of the Hamilton county municipal court and assuming the 27632

duties of that office, shall receive compensation at one-fourth 27633
the rate that is prescribed for the clerks of courts of common 27634
pleas as determined in accordance with the population of the 27635
county and the rates set forth in sections 325.08 and 325.18 of 27636
the Revised Code. This compensation shall be paid from the county 27637
treasury in semimonthly installments and is in addition to the 27638
annual compensation that is received for the performance of the 27639
duties of the clerk of courts of Hamilton county, as provided in 27640
sections 325.08 and 325.18 of the Revised Code. 27641

(c) In the Portage county and Wayne county municipal courts, 27642
the clerks of courts of Portage county and Wayne county shall be 27643
the clerks, respectively, of the Portage county and Wayne county 27644

the treasury of the county in which the court is located. 28037

On the first Monday in January of each year, the clerk shall 28038
make a list of the titles of all cases in the court that were 28039
finally determined more than one year past in which there remains 28040
unclaimed in the possession of the clerk any funds, or any part of 28041
a deposit for security of costs not consumed by the costs in the 28042
case. The clerk shall give notice of the moneys to the parties who 28043
are entitled to the moneys or to their attorneys of record. All 28044
the moneys remaining unclaimed on the first day of April of each 28045
year shall be paid by the clerk to the city treasurer, except 28046
that, in a county-operated municipal court, the moneys shall be 28047
paid to the treasurer of the county in which the court is located. 28048
The treasurer shall pay any part of the moneys at any time to the 28049
person who has the right to the moneys upon proper certification 28050

of the clerk. 28051

(H) Deputy clerks of a municipal court other than the Carroll 28052
county municipal court may be appointed by the clerk and shall 28053
receive the compensation, payable in either biweekly installments 28054
or semimonthly installments, as determined by the payroll 28055
administrator, out of the city treasury, that the clerk may 28056
prescribe, except that the compensation of any deputy clerk of a 28057
county-operated municipal court shall be paid out of the treasury 28058
of the county in which the court is located. The judge of the 28059
Carroll county municipal court may appoint deputy clerks for the 28060
court, and the deputy clerks shall receive the compensation, 28061
payable in biweekly installments out of the county treasury, that 28062
the judge may prescribe. Each deputy clerk shall take an oath of 28063
office before entering upon the duties of the deputy clerk's 28064
office and, when so qualified, may perform the duties appertaining 28065
to the office of the clerk. The clerk may require any of the 28066
deputy clerks to give bond of not less than three thousand 28067
dollars, conditioned for the faithful performance of the deputy 28068
clerk's duties. 28069

(I) For the purposes of this section, whenever the population 28070
of the territory of a municipal court falls below one hundred 28071
thousand but not below ninety thousand, and the population of the 28072
territory prior to the most recent regular federal census exceeded 28073
one hundred thousand, the legislative authority of the municipal 28074
corporation may declare, by resolution, that the territory shall 28075
be considered to have a population of at least one hundred 28076
thousand. 28077

(J) The clerk or a deputy clerk shall be in attendance at all 28078
sessions of the municipal court, although not necessarily in the 28079
courtroom, and may administer oaths to witnesses and jurors and 28080
receive verdicts. 28081

Sec. 1907.24. (A) Subject to division (C) of this section, a county court shall fix and tax fees and costs as follows:

(1) The county court shall require an advance deposit for the filing of any new civil action or proceeding when required by division (C) of this section and, in all other cases, shall establish a schedule of fees and costs to be taxed in any civil or criminal action or proceeding.

(2) The county court by rule may require an advance deposit for the filing of a civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. The court may waive an advance deposit requirement upon the presentation of an affidavit or other evidence that establishes that a party is unable to make the requisite deposit.

(3) When a party demands a jury trial in a civil action or proceeding, the county court may require the party to make an advance deposit as fixed by rule of court, unless the court concludes, on the basis of an affidavit or other evidence presented by the party, that the party is unable to make the requisite deposit. If a jury is called, the county court shall tax the fees of a jury as costs.

(4) In a civil or criminal action or proceeding, the county court shall fix the fees of witnesses in accordance with sections 2335.06 and 2335.08 of the Revised Code.

(5) A county court may tax as part of the costs in a trial of the cause, in an amount fixed by rule of court, a reasonable charge for driving, towing, carting, storing, keeping, and preserving motor vehicles and other personal property recovered or seized in a proceeding.

(6) The court shall preserve chattel property seized under a writ or process issued by the court pending final disposition for

the benefit of all interested persons. The court may place the 28112
chattel property in storage when necessary or proper for its 28113
preservation. The custodian of chattel property so stored shall 28114
not be required to part with the possession of the property until 28115
a reasonable charge, to be fixed by the court, is paid. 28116

(7) The county court, as it determines, may refund all 28117
deposits and advance payments of fees and costs, including those 28118
for jurors and summoning jurors, when they have been paid by the 28119
losing party. 28120

(8) The court may tax as part of costs charges for the 28121
publication of legal notices required by statute or order of 28122
court, as provided by section 7.13 of the Revised Code. 28123

(B)(1) The county court may determine that, for the efficient 28124
operation of the court, additional funds are necessary to acquire 28125
and pay for special projects of the court including, but not 28126
limited to, the acquisition of additional facilities or the 28127
rehabilitation of existing facilities, the acquisition of 28128
equipment, the hiring and training of staff, community service 28129
programs, mediation or dispute resolution services, the employment 28130
of magistrates, the training and education of judges, acting 28131
judges, and magistrates, and other related services. Upon that 28132
determination, the court by rule may charge a fee, in addition to 28133
all other court costs, on the filing of each criminal cause, civil 28134
action or proceeding, or judgment by confession. 28135

If the county court offers a special program or service in 28136
cases of a specific type, the county court by rule may assess an 28137
additional charge in a case of that type, over and above court 28138
costs, to cover the special program or service. The county court 28139
shall adjust the special assessment periodically, but not 28140
retroactively, so that the amount assessed in those cases does not 28141
exceed the actual cost of providing the service or program. 28142

All moneys collected under division (B) of this section shall 28143
be paid to the county treasurer for deposit into either a general 28144
special projects fund or a fund established for a specific special 28145
project. Moneys from a fund of that nature shall be disbursed upon 28146
an order of the court in an amount no greater than the actual cost 28147
to the court of a project. If a specific fund is terminated 28148
because of the discontinuance of a program or service established 28149
under division (B) of this section, the county court may order 28150
that moneys remaining in the fund be transferred to an account 28151
established under this division for a similar purpose. 28152

(2) As used in division (B) of this section: 28153

(a) "Criminal cause" means a charge alleging the violation of 28154
a statute or ordinance, or subsection of a statute or ordinance, 28155
that requires a separate finding of fact or a separate plea before 28156
disposition and of which the defendant may be found guilty, 28157
whether filed as part of a multiple charge on a single summons, 28158
citation, or complaint or as a separate charge on a single 28159
summons, citation, or complaint. "Criminal cause" does not include 28160
separate violations of the same statute or ordinance, or 28161
subsection of the same statute or ordinance, unless each charge is 28162
filed on a separate summons, citation, or complaint. 28163

(b) "Civil action or proceeding" means any civil litigation 28164
that must be determined by judgment entry. 28165

(C) Subject to division (E) of this section, the county court 28166
shall collect in all its divisions except the small claims 28167
division the sum of ~~twenty-six~~ thirty-one dollars as additional 28168
filing fees in each new civil action or proceeding for the 28169
charitable public purpose of providing financial assistance to 28170
legal aid societies that operate within the state and to support 28171
the office of the state public defender. Subject to division (E) 28172
of this section, the county court shall collect in its small 28173
claims division the sum of eleven dollars as additional filing 28174

fees in each new civil action or proceeding for the charitable 28175
public purpose of providing financial assistance to legal aid 28176
societies that operate within the state and to support the office 28177
of the state public defender. This division does not apply to any 28178
execution on a judgment, proceeding in aid of execution, or other 28179
post-judgment proceeding arising out of a civil action. The filing 28180
fees required to be collected under this division shall be in 28181
addition to any other court costs imposed in the action or 28182
proceeding and shall be collected at the time of the filing of the 28183
action or proceeding. The court shall not waive the payment of the 28184
additional filing fees in a new civil action or proceeding unless 28185
the court waives the advanced payment of all filing fees in the 28186
action or proceeding. All such moneys collected during a month 28187
except for an amount equal to up to one per cent of those moneys 28188
retained to cover administrative costs shall be transmitted on or 28189
before the twentieth day of the following month by the clerk of 28190
the court to the treasurer of state in a manner prescribed by the 28191
treasurer of state or by the Ohio legal assistance foundation. The 28192
treasurer of state shall deposit four per cent of the funds 28193
collected under this division to the credit of the civil case 28194
filing fee fund established under section 120.07 of the Revised 28195
Code and ninety-six per cent of the funds collected under this 28196
division to the credit of the legal aid fund established under 28197
section 120.52 of the Revised Code. 28198

The Ohio legal assistance foundation or any recipient of 28199
financial assistance from the foundation that receives, or 28200
benefits from, any portion of the additional filing fees that are 28201
collected and transmitted under this division shall not bring or 28202
maintain any class action and shall not bring or maintain any 28203
action against the state or any political subdivision of the 28204
state. 28205

The court may retain up to one per cent of the moneys it 28206

collects under this division to cover administrative costs, 28207
including the hiring of any additional personnel necessary to 28208
implement this division. If the court fails to transmit to the 28209
treasurer of state the moneys the court collects under this 28210
division in a manner prescribed by the treasurer of state or by 28211
the Ohio legal assistance foundation, the court shall forfeit the 28212
moneys the court retains under this division to cover 28213
administrative costs, including the hiring of any additional 28214
personnel necessary to implement this division, and shall transmit 28215
to the treasurer of state all moneys collected under this 28216
division, including the forfeited amount retained for 28217
administrative costs, for deposit in the legal aid fund. 28218

(D) The county court shall establish by rule a schedule of 28219
fees for miscellaneous services performed by the county court or 28220
any of its judges in accordance with law. If judges of the court 28221
of common pleas perform similar services, the fees prescribed in 28222
the schedule shall not exceed the fees for those services 28223
prescribed by the court of common pleas. 28224

(E) Under the circumstances described in sections 2969.21 to 28225
2969.27 of the Revised Code, the clerk of the county court shall 28226
charge the fees and perform the other duties specified in those 28227
sections. 28228

Sec. 2303.201. (A)(1) The court of common pleas of any county 28229
may determine that for the efficient operation of the court 28230
additional funds are required to computerize the court, to make 28231
available computerized legal research services, or to do both. 28232
Upon making a determination that additional funds are required for 28233
either or both of those purposes, the court shall authorize and 28234
direct the clerk of the court of common pleas to charge one 28235
additional fee, not to exceed three dollars, on the filing of each 28236
cause of action or appeal under divisions (A), (Q), and (U) of 28237

section 2303.20 of the Revised Code. 28238

(2) All fees collected under division (A)(1) of this section 28239
shall be paid to the county treasurer. The treasurer shall place 28240
the funds from the fees in a separate fund to be disbursed, upon 28241
an order of the court, in an amount not greater than the actual 28242
cost to the court of procuring and maintaining computerization of 28243
the court, computerized legal research services, or both. 28244

(3) If the court determines that the funds in the fund 28245
described in division (A)(2) of this section are more than 28246
sufficient to satisfy the purpose for which the additional fee 28247
described in division (A)(1) of this section was imposed, the 28248
court may declare a surplus in the fund and expend those surplus 28249
funds for other appropriate technological expenses of the court. 28250

(B)(1) The court of common pleas of any county may determine 28251
that, for the efficient operation of the court, additional funds 28252
are required to computerize the office of the clerk of the court 28253
of common pleas and, upon that determination, authorize and direct 28254
the clerk of the court of common pleas to charge an additional 28255
fee, not to exceed ten dollars, on the filing of each cause of 28256
action or appeal, on the filing, docketing, and endorsing of each 28257
certificate of judgment, or on the docketing and indexing of each 28258
aid in execution or petition to vacate, revive, or modify a 28259
judgment under divisions (A), (P), (Q), (T), and (U) of section 28260
2303.20 of the Revised Code. Subject to division (B)(2) of this 28261
section, all moneys collected under division (B)(1) of this 28262
section shall be paid to the county treasurer to be disbursed, 28263
upon an order of the court of common pleas and subject to 28264
appropriation by the board of county commissioners, in an amount 28265
no greater than the actual cost to the court of procuring and 28266
maintaining computer systems for the office of the clerk of the 28267
court of common pleas. 28268

(2) If the court of common pleas of a county makes the 28269

determination described in division (B)(1) of this section, the 28270
board of county commissioners of that county may issue one or more 28271
general obligation bonds for the purpose of procuring and 28272
maintaining the computer systems for the office of the clerk of 28273
the court of common pleas. In addition to the purposes stated in 28274
division (B)(1) of this section for which the moneys collected 28275
under that division may be expended, the moneys additionally may 28276
be expended to pay debt charges on and financing costs related to 28277
any general obligation bonds issued pursuant to division (B)(2) of 28278
this section as they become due. General obligation bonds issued 28279
pursuant to division (B)(2) of this section are Chapter 133. 28280
securities. 28281

(C) The court of common pleas shall collect the sum of 28282
~~twenty-six~~ thirty-one dollars as additional filing fees in each 28283
new civil action or proceeding for the charitable public purpose 28284
of providing financial assistance to legal aid societies that 28285
operate within the state and to support the office of the state 28286
public defender. This division does not apply to a domestic 28287
relations division of a court of common pleas, except that the 28288
additional filing fee shall apply to proceedings concerning 28289
annulments, dissolutions of marriage, divorces, and legal 28290
separation, ~~spousal support, marital property or separate property~~ 28291
~~distribution, support, or other domestic relations matters;~~ to a 28292
juvenile division of a court of common pleas; to a probate 28293
division of a court of common pleas, except that the additional 28294
filing fees shall apply to name change, guardianship, adoption, 28295
and decedents' estate proceedings; or to an execution on a 28296
judgment, proceeding in aid of execution, or other post-judgment 28297
proceeding arising out of a civil action. The filing fees required 28298
to be collected under this division shall be in addition to any 28299
other filing fees imposed in the action or proceeding and shall be 28300
collected at the time of the filing of the action or proceeding. 28301
The court shall not waive the payment of the additional filing 28302

fees in a new civil action or proceeding unless the court waives 28303
the advanced payment of all filing fees in the action or 28304
proceeding. All such moneys collected during a month except for an 28305
amount equal to up to one per cent of those moneys retained to 28306
cover administrative costs shall be transmitted on or before the 28307
twentieth day of the following month by the clerk of the court to 28308
the treasurer of state in a manner prescribed by the treasurer of 28309
state or by the Ohio legal assistance foundation. The treasurer of 28310
state shall deposit four per cent of the funds collected under 28311
this division to the credit of the civil case filing fee fund 28312
established under section 120.07 of the Revised Code and 28313
ninety-six per cent of the funds collected under this division to 28314
the credit of the legal aid fund established under section 120.52 28315
of the Revised Code. 28316

The Ohio legal assistance foundation or any recipient of 28317
financial assistance from the foundation that receives, or 28318
benefits from, any portion of the additional filing fees that are 28319
collected and transmitted under this division shall not bring or 28320
maintain any class action and shall not bring or maintain any 28321
action against the state or any political subdivision of the 28322
state. 28323

The court may retain up to one per cent of the moneys it 28324
collects under this division to cover administrative costs, 28325
including the hiring of any additional personnel necessary to 28326
implement this division. If the court fails to transmit to the 28327
treasurer of state the moneys the court collects under this 28328
division in a manner prescribed by the treasurer of state or by 28329
the Ohio legal assistance foundation, the court shall forfeit the 28330
moneys the court retains under this division to cover 28331
administrative costs, including the hiring of any additional 28332
personnel necessary to implement this division, and shall transmit 28333
to the treasurer of state all moneys collected under this 28334

division, including the forfeited amount retained for 28335
administrative costs, for deposit in the legal aid fund. 28336

(D) On and after the thirtieth day after December 9, 1994, 28337
the court of common pleas shall collect the sum of thirty-two 28338
dollars as additional filing fees in each new action or proceeding 28339
for annulment, divorce, or dissolution of marriage for the purpose 28340
of funding shelters for victims of domestic violence pursuant to 28341
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 28342
required to be collected under this division shall be in addition 28343
to any other filing fees imposed in the action or proceeding and 28344
shall be collected at the time of the filing of the action or 28345
proceeding. The court shall not waive the payment of the 28346
additional filing fees in a new action or proceeding for 28347
annulment, divorce, or dissolution of marriage unless the court 28348
waives the advanced payment of all filing fees in the action or 28349
proceeding. On or before the twentieth day of each month, all 28350
moneys collected during the immediately preceding month pursuant 28351
to this division shall be deposited by the clerk of the court into 28352
the county treasury in the special fund used for deposit of 28353
additional marriage license fees as described in section 3113.34 28354
of the Revised Code. Upon their deposit into the fund, the moneys 28355
shall be retained in the fund and expended only as described in 28356
section 3113.34 of the Revised Code. 28357

(E)(1) The court of common pleas may determine that, for the 28358
efficient operation of the court, additional funds are necessary 28359
to acquire and pay for special projects of the court, including, 28360
but not limited to, the acquisition of additional facilities or 28361
the rehabilitation of existing facilities, the acquisition of 28362
equipment, the hiring and training of staff, community service 28363
programs, mediation or dispute resolution services, the employment 28364
of magistrates, the training and education of judges, acting 28365
judges, and magistrates, and other related services. Upon that 28366

determination, the court by rule may charge a fee, in addition to 28367
all other court costs, on the filing of each criminal cause, civil 28368
action or proceeding, or judgment by confession. 28369

If the court of common pleas offers a special program or 28370
service in cases of a specific type, the court by rule may assess 28371
an additional charge in a case of that type, over and above court 28372
costs, to cover the special program or service. The court shall 28373
adjust the special assessment periodically, but not retroactively, 28374
so that the amount assessed in those cases does not exceed the 28375
actual cost of providing the service or program. 28376

All moneys collected under division (E) of this section shall 28377
be paid to the county treasurer for deposit into either a general 28378
special projects fund or a fund established for a specific special 28379
project. Moneys from a fund of that nature shall be disbursed upon 28380
an order of the court in an amount no greater than the actual cost 28381
to the court of a project. If a specific fund is terminated 28382
because of the discontinuance of a program or service established 28383
under division (E) of this section, the court may order that 28384
moneys remaining in the fund be transferred to an account 28385
established under this division for a similar purpose. 28386

(2) As used in division (E) of this section: 28387

(a) "Criminal cause" means a charge alleging the violation of 28388
a statute or ordinance, or subsection of a statute or ordinance, 28389
that requires a separate finding of fact or a separate plea before 28390
disposition and of which the defendant may be found guilty, 28391
whether filed as part of a multiple charge on a single summons, 28392
citation, or complaint or as a separate charge on a single 28393
summons, citation, or complaint. "Criminal cause" does not include 28394
separate violations of the same statute or ordinance, or 28395
subsection of the same statute or ordinance, unless each charge is 28396
filed on a separate summons, citation, or complaint. 28397

(b) "Civil action or proceeding" means any civil litigation 28398
that must be determined by judgment entry. 28399

Sec. 2315.50. (A) This section applies to an action 28400
maintained as a class action in which the settlement agreement or 28401
judgment includes a monetary award, including compensatory or 28402
punitive and exemplary damages, restitution, or any other payment 28403
of money due from each defendant to the members of the class. 28404

(B) It is the policy of this state, insofar as it is not 28405
inconsistent with federal law, that all unpaid moneys remaining 28406
after the distribution to the members of the class of monetary 28407
awards in class actions described in division (A) of this section 28408
shall be used for charitable public purposes. Fifteen per cent of 28409
those moneys shall provide financial assistance to legal aid 28410
societies that operate within this state. The remaining 28411
eighty-five per cent of those moneys shall be distributed to 28412
charities, nonprofit organizations, and charitable programs 28413
selected in the action and approved by the court. With respect to 28414
the moneys for legal aid societies, not later than the twentieth 28415
day of the month immediately following the month during which the 28416
amount of unpaid moneys, if any, remaining after that distribution 28417
of the monetary award in the class action is identified, each 28418
defendant from whom the unpaid moneys are due, in a manner and 28419
form prescribed in the rules established by the Ohio legal 28420
assistance foundation under section 120.52 of the Revised Code, 28421
shall do both of the following: 28422

(1) Remit fifteen per cent of the sum of the unpaid moneys to 28423
the treasurer of state for deposit in the legal aid fund 28424
established under section 120.52 of the Revised Code; 28425

(2) Notify the Ohio legal assistance foundation of all of the 28426
following: 28427

(a) The amount of moneys remitted under division (B)(1) of 28428

this section; 28429

(b) The case name and case number of the class action and the court that approved the settlement agreement or rendered the judgment in the class action. 28430
28431
28432

(C) The Ohio legal assistance foundation or any recipient of financial assistance from the foundation that receives, or benefits from, any portion of the moneys that are remitted under division (B)(1) of this section shall not bring or maintain any class action and shall not bring or maintain any action against the state or any political subdivision of the state. 28433

application for an award of reparations under sections 2743.51 to 28873
2743.72 of the Revised Code and provided that, except as otherwise 28874
provided in this division, the attorney or the attorney's law firm 28875

calendar year. The thirty thousand-dollar maximum specified in 28879
this division does not apply to an attorney who is an employee of 28880
a legal aid society regarding the services described in this 28881
division that the attorney performs while so employed and does not 28882
apply to a legal aid society. Attorney's fees for the services 28883

travel time incurred while performing those services, assessed at 28885
a rate not exceeding thirty dollars per hour. 28886

income, reduced by any income from substitute work actually 28891

not suffered the fatal injury, less expenses of the dependents 28915
avoided by reason of the victim's death and not subtracted in 28916

victim is adopted after the victim's death, the minor child 28918
continues after the adoption to incur a dependent's replacement 28919
services loss as a result of the victim's death. If the surviving 28920

for each family member and shall not exceed in the aggregate the 28950

(D)(1) If a person who files a petition pursuant to this section requests an ex parte order, the court shall hold an ex parte hearing as soon as possible after the petition is filed, but not later than the next day that the court is in session after the petition is filed. The court, for good cause shown at the ex parte hearing, may enter any temporary orders, with or without bond, that the court finds necessary for the safety and protection of the person to be protected by the order. Immediate and present danger to the person to be protected by the protection order constitutes good cause for purposes of this section. The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following reasons, the court may grant a continuance of the full hearing to a reasonable time determined by the court:

(iii) The continuance is needed to allow a party to obtain counsel.	29106 29107
(iv) The continuance is needed for other good cause.	29108
(b) An ex parte order issued under this section does not expire because of a failure to serve notice of the full hearing upon the respondent before the date set for the full hearing under division (D)(2)(a) of this section or because the court grants a continuance under that division.	29109 29110 29111 29112 29113
(3) If a person who files a petition pursuant to this section does not request an ex parte order, or if a person requests an ex parte order but the court does not issue an ex parte order after an ex parte hearing, the court shall proceed as in a normal civil action and grant a full hearing on the matter.	29114 29115 29116 29117 29118
(E)(1)(a) After an ex parte or full hearing, the court may issue any protection order, with or without bond, that contains terms designed to ensure the safety and protection of the person to be protected by the protection order, including, but not limited to, a requirement that the respondent refrain from entering the residence, school, business, or place of employment of the petitioner or family or household member. If the court includes a requirement that the respondent refrain from entering the residence, school, business, or place of employment of the petitioner or family or household member in the order, it also shall include in the order provisions of the type described in division (E)(5) of this section.	29119 29120 29121 29122 29123 29124 29125 29126 29127 29128 29129 29130
(b) After a full hearing, if the court considering a petition that includes an allegation of the type described in division (C)(2) of this section, or the court upon its own motion, finds upon clear and convincing evidence that the petitioner reasonably believed that the respondent's conduct at any time preceding the	29131 29132 29133 29134 29135

filing of the petition endangered the health, welfare, or safety 29136
of the person to be protected and that the respondent presents a 29137
continuing danger to the person to be protected, the court may 29138
order that the respondent be electronically monitored for a period 29139
of time and under the terms and conditions that the court 29140
determines are appropriate. Electronic monitoring shall be in 29141
addition to any other relief granted to the petitioner. 29142

(2)(a) Any protection order issued pursuant to this section 29143
shall be valid until a date certain but not later than five years 29144
from the date of its issuance. 29145

(b) Any protection order issued pursuant to this section may 29146
be renewed in the same manner as the original order was issued. 29147

(3) A court may not issue a protection order that requires a 29148
petitioner to do or to refrain from doing an act that the court 29149
may require a respondent to do or to refrain from doing under 29150
division (E)(1) of this section unless all of the following apply: 29151

(a) The respondent files a separate petition for a protection 29152
order in accordance with this section. 29153

(b) The petitioner is served with notice of the respondent's 29154
petition at least forty-eight hours before the court holds a 29155
hearing with respect to the respondent's petition, or the 29156
petitioner waives the right to receive this notice. 29157

(c) If the petitioner has requested an ex parte order 29158
pursuant to division (D) of this section, the court does not delay 29159
any hearing required by that division beyond the time specified in 29160
that division in order to consolidate the hearing with a hearing 29161
on the petition filed by the respondent. 29162

(d) After a full hearing at which the respondent presents 29163
evidence in support of the request for a protection order and the 29164
petitioner is afforded an opportunity to defend against that 29165
evidence, the court determines that the petitioner has committed a 29166

violation of section 2903.211 of the Revised Code against the 29167
person to be protected by the protection order issued pursuant to 29168
this section, has committed a sexually oriented offense against 29169
the person to be protected by the protection order, or has 29170
violated a protection order issued pursuant to section 2903.213 of 29171
the Revised Code relative to the person to be protected by the 29172
protection order issued pursuant to this section. 29173

(4) No protection order issued pursuant to this section shall 29174
in any manner affect title to any real property. 29175

(5)(a) If the court issues a protection order under this 29176
section that includes a requirement that the alleged offender 29177
refrain from entering the residence, school, business, or place of 29178
employment of the petitioner or a family or household member, the 29179
order shall clearly state that the order cannot be waived or 29180
nullified by an invitation to the alleged offender from the 29181
complainant to enter the residence, school, business, or place of 29182
employment or by the alleged offender's entry into one of those 29183
places otherwise upon the consent of the petitioner or family or 29184
household member. 29185

(b) Division (E)(5)(a) of this section does not limit any 29186
discretion of a court to determine that an alleged offender 29187
charged with a violation of section 2919.27 of the Revised Code, 29188
with a violation of a municipal ordinance substantially equivalent 29189
to that section, or with contempt of court, which charge is based 29190
on an alleged violation of a protection order issued under this 29191
section, did not commit the violation or was not in contempt of 29192
court. 29193

(F)(1) The court shall cause the delivery of a copy of any 29194
protection order that is issued under this section to the 29195
petitioner, to the respondent, and to all law enforcement agencies 29196
that have jurisdiction to enforce the order. The court shall 29197
direct that a copy of the order be delivered to the respondent on 29198

the same day that the order is entered. 29199

(2) Upon the issuance of a protection order under this 29200
section, the court shall provide the parties to the order with the 29201
following notice orally or by form: 29202

"NOTICE 29203

As a result of this order, it may be unlawful for you to 29204
possess or purchase a firearm, including a rifle, pistol, or 29205
revolver, or ammunition pursuant to federal law under 18 U.S.C. 29206
922(g)(8). If you have any questions whether this law makes it 29207
illegal for you to possess or purchase a firearm or ammunition, 29208
you should consult an attorney." 29209

(3) All law enforcement agencies shall establish and maintain 29210
an index for the protection orders delivered to the agencies 29211
pursuant to division (F)(1) of this section. With respect to each 29212
order delivered, each agency shall note on the index the date and 29213
time that it received the order. 29214

(4) Regardless of whether the petitioner has registered the 29215
protection order in the county in which the officer's agency has 29216
jurisdiction pursuant to division (M) of this section, any officer 29217
of a law enforcement agency shall enforce a protection order 29218
issued pursuant to this section by any court in this state in 29219
accordance with the provisions of the order, including removing 29220
the respondent from the premises, if appropriate. 29221

(G) Any proceeding under this section shall be conducted in 29222
accordance with the Rules of Civil Procedure, except that a 29223
protection order may be obtained under this section with or 29224
without bond. An order issued under this section, other than an ex 29225
parte order, that grants a protection order, or that refuses to 29226
grant a protection order, is a final, appealable order. The 29227
remedies and procedures provided in this section are in addition 29228
to, and not in lieu of, any other available civil or criminal 29229

remedies.	29230
(H) The filing of proceedings under this section does not	29231
excuse a person from filing any report or giving any notice	29232
required by section 2151.421 of the Revised Code or by any other	29233
law.	29234
(I) Any law enforcement agency that investigates an alleged	29235
violation of section 2903.211 of the Revised Code or an alleged	29236
commission of a sexually oriented offense shall provide	29237
information to the victim and the family or household members of	29238
the victim regarding the relief available under this section and	29239
section 2903.213 of the Revised Code.	29240
(J) Notwithstanding any provision of law to the contrary and	29241
regardless of whether a protection order is issued or a consent	29242
agreement is approved by a court of another county or by a court	29243
of another state, no court or unit of state or local government	29244
shall charge any fee, cost, deposit, or money in connection with	29245
the filing of a petition pursuant to this section, in connection	29246
with the filing, issuance, registration, or service of a	29247
protection order or consent agreement, or for obtaining a	29248
certified copy of a protection order or consent agreement.	29249
(K)(1) A person who violates a protection order issued under	29250
this section is subject to the following sanctions:	29251
(a) Criminal prosecution for a violation of section 2919.27	29252
of the Revised Code, if the violation of the protection order	29253
constitutes a violation of that section;	29254
(b) Punishment for contempt of court.	29255
(2) The punishment of a person for contempt of court for	29256
violation of a protection order issued under this section does not	29257
bar criminal prosecution of the person for a violation of section	29258
2919.27 of the Revised Code. However, a person punished for	29259
contempt of court is entitled to credit for the punishment imposed	29260

upon conviction of a violation of that section, and a person 29261
convicted of a violation of that section shall not subsequently be 29262
punished for contempt of court arising out of the same activity. 29263

(L) In all stages of a proceeding under this section, a 29264
petitioner may be accompanied by a victim advocate. 29265

(M)(1) A petitioner who obtains a protection order under this 29266
section or a protection order under section 2903.213 of the 29267
Revised Code may provide notice of the issuance or approval of the 29268
order to the judicial and law enforcement officials in any county 29269
other than the county in which the order is issued by registering 29270
that order in the other county pursuant to division (M)(2) of this 29271
section and filing a copy of the registered order with a law 29272
enforcement agency in the other county in accordance with that 29273
division. A person who obtains a protection order issued by a 29274
court of another state may provide notice of the issuance of the 29275
order to the judicial and law enforcement officials in any county 29276
of this state by registering the order in that county pursuant to 29277
section 2919.272 of the Revised Code and filing a copy of the 29278
registered order with a law enforcement agency in that county. 29279

(2) A petitioner may register a protection order issued 29280
pursuant to this section or section 2903.213 of the Revised Code 29281
in a county other than the county in which the court that issued 29282
the order is located in the following manner: 29283

(a) The petitioner shall obtain a certified copy of the order 29284
from the clerk of the court that issued the order and present that 29285
certified copy to the clerk of the court of common pleas or the 29286
clerk of a municipal court or county court in the county in which 29287
the order is to be registered. 29288

(b) Upon accepting the certified copy of the order for 29289
registration, the clerk of the court of common pleas, municipal 29290
court, or county court shall place an endorsement of registration 29291

on the order and give the petitioner a copy of the order that 29292
bears that proof of registration. 29293

(3) The clerk of each court of common pleas, municipal court, 29294
or county court shall maintain a registry of certified copies of 29295
protection orders that have been issued by courts in other 29296
counties pursuant to this section or section 2903.213 of the 29297
Revised Code and that have been registered with the clerk. 29298

(N) If the court orders electronic monitoring of the 29299
respondent under this section, the court shall direct the 29300

holding the license, the sheriff shall suspend the processing of 30130
the application until the disposition of the case arising from the 30131
arrest or charge. 30132

(4) If the sheriff determines that the applicant is legally living in the United States and is a resident of the county in which the applicant seeks the license or of an adjacent county but does not yet meet the residency requirements described in division (D)(1)(a) of this section, the sheriff shall not deny the license because of the residency requirements but shall not issue the license until the applicant meets those residency requirements.

section. A renewed license that is renewed on or after March 14, 30210
2007, shall expire five years after the date of issuance, and a 30211

If a child support enforcement agency is required to issue a withholding or deduction notice under this section with respect to a court support order but the agency determines that no withholding or deduction notice would be appropriate, the agency may request that the court issue a cash bond order under this section, and upon the request, the court may issue the order.

The court shall issue the order as part of a court support order or, if a court support order has previously been issued, as a separate order. If a child support enforcement agency is required to issue a withholding or deduction notice under this section with respect to a court support order but determines that no withholding or deduction notice would be appropriate, the agency may request that the court issue a court order under division (D)(1) of this section, and, on the request, the court may issue the order.

(2) If the obligor under an administrative child support order is unemployed, has no income, and does not have an account at any financial institution, the agency shall issue an administrative order requiring the obligor, if able to engage in employment, to seek employment or participate in a work activity to which a recipient of assistance under Title IV-A of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, may be assigned as specified in section 407(d) of the "Social Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall include in the order a requirement that the obligor notify the agency on obtaining employment or income, or ownership of any asset with a value of five hundred dollars or more. The agency may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act."
