Military Family Month." 469

Sec. 7.12. Whenever any legal publication is required by law 470
to be made in a newspaper published in a municipal corporation, 471

county, or other political subdivision, the newspaper shall also 472
be a newspaper of general circulation in the municipal 473
corporation, county, or other political subdivision, without 474
further restriction or limitation upon a selection of the 475
newspaper to be used. If no newspaper is published in such 476
municipal corporation, county, or other political subdivision, 477
such legal publication shall be made in any newspaper of general 478
circulation therein. If there are less than two newspapers 479
published in any municipal corporation, county, or other political 480
subdivision in the manner defined by this section, then any legal 481
publication required by law to be made in a newspaper published in 482
a municipal corporation, county, or other political subdivision 483
may be made in any newspaper regularly issued at stated intervals 484
from a known office of publication located within the municipal 485
corporation, county, or other political subdivision. As used in 486
this section, a known office of publication is a public office 487
where the business of the newspaper is transacted during the usual 488
business hours, and such office shall be shown by the publication 489
itself. 490

In addition to all other requirements, a newspaper or 491

Revised Code for a period of one year immediately preceding any 494
such publication required to be made, shall be a publication 495
bearing a title or name, regularly issued as frequently as once a 496

~~a second class mailing privilege,~~ being not less than four pages, 499

nonadvertising content, exclusive of inserts, measured relative to 507
total publication space, and an audited circulation to at least 508
fifty per cent of the households in the newspaper's retail trade 509
zone as defined by the audit. 510

Any notice required to be published in a newspaper of general 511
circulation may appear on an insert placed in such a newspaper. A 512
responsible party who is required to publish such a notice shall 513
consider various advertising media to determine which media might 514
reach the intended public most broadly. The responsible party need 515
publish the notice in only one qualified medium to meet the 516
requirements of law. 517

Sec. 7.16. A notice required to be published by a provision 518
of a statute or rule may be published on the state-sanctioned 519
public notice web site. A responsible party who is required to 520
publish such a notice may submit a copy of the notice and a 521
request for publication to the state-sanctioned public notice web 522
site service provider, together with the fee charged. The 523
responsible party shall identify in the notice or request the 524
provision of the statute or rule that requires the notice to be 525
published. The responsible party may, but is not required to, 526
prepare the request on the form that can be downloaded from the 527
web site. The notice permitted under this section is cumulative 528
with other notice provisions under statute or rule. 529

committee from the house of representatives, and the president of 796
the senate shall appoint the members of the committee from the 797
senate. Not more than three of the members from each house shall 798

longer members of the general assembly. When a vacancy occurs 811
among the officers or members of the committee, it shall be filled 812

in the same manner as the original appointment. 813

814

Notwithstanding section 101.26 of the Revised Code, the 815
members, when engaged in their duties as members of the committee 816
on days when there is not a voting session of the member's house 817
of the general assembly, shall be paid at the per diem rate of one 818
hundred fifty dollars, and their necessary traveling expenses, 819
which shall be paid from the funds appropriated for the payment of 820

substitute would be entitled to receive if the substitute were a 837
member of the committee. 838

of the committee of a substitution. If the executive director 840
learns of a substitution sufficiently in advance of the meeting of 841
the committee the substitute is to attend, the executive director 842
shall publish notice of the substitution on the internet, make 843
reasonable effort to inform of the substitution persons who are 844

known to the executive director to be interested in rules that are 845
scheduled for review at the meeting, and inform of the 846
substitution persons who inquire of the executive director 847
concerning the meeting. 848

The committee may meet during periods in which the general 849
assembly has adjourned. At meetings of the committee, the 850
committee may request a rule-making agency, as defined in section 851
119.01 of the Revised Code, to provide information relative to the 852
agency's implementation of its statutory authority. 853

A member of the committee, and the executive director and 854
staff of the committee, are entitled in their official capacities 855
to attend, but not in their official capacities to participate in, 856
a public hearing conducted by a rule-making agency on a proposed 857

real party in interest on whose behalf the legislative agent is 866
actively advocating, if it is different from the employer. For the 867

association or other charitable or fraternal organization that is 869
exempt from federal income taxation under subsection 501(c) of the 870
federal Internal Revenue Code is the employer, the statement need 871
not list the names and addresses of each member of the association 872
or organization, so long as the association or organization itself 873
is listed. 874

(3) A brief description of the type of legislation to which 875
the engagement relates. 876

(B) In addition to the initial registration statement 877

hours the commission directs as the minimum. The commission shall 3554
set the required minimum number of hours based upon available 3555

funding for the reimbursement is available, no continuing 3557
professional training will be required. 3558

(2) An appointing authority may submit a written request to 3559

peace officer or trooper and grant an extension of the time within 3580
which that peace officer or trooper must complete the required 3581
minimum number of hours of continuing professional training set by 3582
the commission. An extension granted under this division may be 3583
for any period of time the executive director believes to be 3584
appropriate, and the executive director shall specify in the 3585
notice granting the extension the date on which the extension 3586
ends. Not later than thirty days after the date on which a request 3587
is submitted to the commission, for each peace officer and trooper 3588
for whom an extension is requested, the executive director either 3589

If the executive director grants an extension of the time 3594
within which a particular appointed peace officer or trooper of an 3595
appointing authority must complete the required minimum number of 3596
hours of continuing professional training set by the commission, 3597

division (J) of section 119.01 of the Revised Code. 3701

(B)(1) Any rule, other than a rule of an emergency nature, 3702
adopted by any agency pursuant to this section shall be effective 3703
on the tenth day after the day on which the rule in final form and 3704
in compliance with division (B)(3) of this section is filed as 3705
follows: 3706

(a) The rule shall be filed in electronic form with both the 3707
secretary of state and the director of the legislative service 3708
commission; 3709

(b) The rule shall be filed in electronic form with the joint 3710

An agency that adopts or amends a rule that is subject to 3714

rule that is not later than five years after its effective date. 3716
If no review date is assigned to a rule, or if a review date 3717

Revised Code. This paragraph does not apply to a rule of a state 3721
college or university, community college district, technical 3722
college district, or state community college. 3723

If all filings are not completed on the same day, the rule 3724
shall be effective on the tenth day after the day on which the 3725
latest filing is completed. If an agency in adopting a rule 3726
designates an effective date that is later than the effective date 3727
provided for by division (B)(1) of this section, the rule if filed 3728
as required by such division shall become effective on the later 3729
date designated by the agency. 3730

Any rule that is required to be filed under division (B)(1) 3731
of this section is also subject to division (D) of this section if 3732
not exempted by division (D)(1), (2), (3), (4), (5), (6), (7), or 3733

adopting the emergency rule designates an effective date, or date 3746
and time of day, that is later than the effective date and time 3747
provided for by division (B)(2) of this section, the emergency 3748
rule if filed as required by such division shall become effective 3749

at the later date, or later date and time of day, designated by 3750
the agency. 3751

An emergency rule becomes invalid at the end of the ninetieth 3752
day it is in effect. Prior to that date, the agency may file the 3753
emergency rule as a nonemergency rule in compliance with division 3754
(B)(1) of this section. The agency may not refile the emergency 3755
rule in compliance with division (B)(2) of this section so that, 3756
upon the emergency rule becoming invalid under such division, the 3757
emergency rule will continue in effect without interruption for 3758
another ninety-day period. 3759

(3) An agency shall file a rule under division (B)(1) or (2) 3760
of this section in compliance with the following standards and 3761

(d) Each rule that amends or rescinds another rule shall 3770
clearly refer to the rule that is amended or rescinded. Each 3771
amendment shall fully restate the rule as amended. 3772

If the director of the legislative service commission or the 3773
director's designee gives an agency notice pursuant to section 3774
103.05 of the Revised Code that a rule filed by the agency is not 3775
in compliance with the rules of the legislative service 3776
commission, the agency shall within thirty days after receipt of 3777
the notice conform the rule to the rules of the commission as 3778
directed in the notice. 3779

(C) All rules filed pursuant to divisions (B)(1)(a) and (2) 3780
of this section shall be recorded by the secretary of state and 3781
the director under the title of the agency adopting the rule and 3782
shall be numbered according to the numbering system devised by the 3783
director. The secretary of state and the director shall preserve 3784
the rules in an accessible manner. Each such rule shall be a 3785
public record open to public inspection and may be transmitted to 3786
any law publishing company that wishes to reproduce it. 3787

(D) At least sixty-five days before a board, commission, 3788
department, division, or bureau of the government of the state 3789
files a rule under division (B)(1) of this section, it shall file 3790
the full text of the proposed rule in electronic form with the 3791
joint committee on agency rule review, and the proposed rule is 3792
subject to legislative review and invalidation under division (I) 3793
of section 119.03 of the Revised Code. If a state board, 3794

revision in a proposed rule after it is filed with the joint 3796
committee, the state board, commission, department, division, or 3797
bureau shall promptly file the full text of the proposed rule in 3798
its revised form in electronic form with the joint committee. The 3799
latest version of a proposed rule as filed with the joint 3800
committee supersedes each earlier version of the text of the same 3801
proposed rule. Except as provided in division (F) of this section, 3802
a state board, commission, department, division, or bureau shall 3803
also file the rule summary and fiscal analysis prepared under 3804
section ~~121.24~~ or 127.18 of the Revised Code, ~~or both,~~ in 3805
electronic form along with a proposed rule, and along with a 3806
proposed rule in revised form, that is filed under this division. 3807

The joint committee shall promptly file a notice in 3808
electronic form with the Ohio small business ombudsperson of the 3809
filing under this division of a proposed rule, or of a proposed 3810
rule in revised form, that previously was filed with the 3811

ombudsperson under section 121.254 of the Revised Code. 3812

As used in this division, "commission" includes the public 3813

Revised Code requires that the rule be adopted under this section; 3843

(7) A rule of the state lottery commission pertaining to 3844

which the rule was adopted expires, is repealed or rescinded, or 3848
otherwise terminates, the rule is thereafter subject to 3849

facilities authorized under this section as provided below. 3898

(C) Any lease of capital facilities authorized by this 3899
section, the rentals of which are payable in whole or in part from 3900

constitute available receipts as defined in section 152.09 of the 3903
Revised Code and may be pledged for the payment of bond service 3904

charges as provided in section 152.10 of the Revised Code. 3905

The fund shall consist of the net proceeds of obligations issued under sections 152.09 to 152.33 of the Revised Code to finance a portion of those state capital facilities described in division (A) of this section, as needed to ensure sufficient moneys to support appropriations from the fund. Lease payments from counties made for those capital facilities financed in part from the fund and interest earnings on the balance in the fund shall be credited to the fund. The fund shall also receive any other authorized transfers of cash. Moneys in the fund shall be used for the purpose of acquiring a portion of additional capital facilities described in division (A) of this section at the request of the applicable board of elections. 3906

appropriate. Notwithstanding any other provision of the Revised 3960
Code to the contrary, any county may enter into such a lease, and 3961
any such lease is legally sufficient to obligate the county for 3962
the term stated in the lease. Any such lease constitutes an 3963

quorum of the commission. The affirmative vote of ~~five~~ a majority 4479
of the members of ~~the~~ such a commission is necessary for any 4480
action taken by vote of the commission. Three members of a 4481
commission established pursuant to divisions (B)(1) and (3) of 4482
this section constitute a quorum of the commission. The 4483
affirmative vote of a majority of the members of such a commission 4484
is necessary for any action taken by vote of the commission. No 4485
vacancy in the membership of the commission shall impair the 4486
rights of a quorum by such vote to exercise all the rights and 4487
perform all the duties of the commission. Members of the 4488
commission, and their designees, are not disqualified from voting 4489
by reason of the functions of the other office they hold and are 4490
not disqualified from exercising the functions of the other office 4491
with respect to the municipal corporation, county, or township, 4492
its officers, or the commission. 4493

(G) The auditor of state shall serve as the "financial 4494
supervisor" to the commission unless the auditor of state elects 4495
to contract for that service. As used in this chapter, "financial 4496
supervisor" means the auditor of state. 4497

(H) At the request of the commission, the auditor of state 4498

shall designate employees of the auditor of state's office to 4499
assist the commission and the financial supervisor and to 4500
coordinate the work of the auditor of state's office and the 4501
financial supervisor. Upon the determination of a fiscal emergency 4502
in any municipal corporation, county, or township, the municipal 4503
corporation, county, or township shall provide the commission with 4504
such reasonable office space in the principal building housing 4505
city, county, or township government, where feasible, as it 4506
determines is necessary to carry out its duties under this 4507
chapter. 4508

(I) The financial supervisor, the members of the commission, 4509
the auditor of state, and any person authorized to act on behalf 4510
of or assist them shall not be personally liable or subject to any 4511
suit, judgment, or claim for damages resulting from the exercise 4512
of or failure to exercise the powers, duties, and functions 4513
granted to them in regard to their functioning under this chapter, 4514
but the commission, the financial supervisor, the auditor of 4515
state, and those other persons shall be subject to mandamus 4516
proceedings to compel performance of their duties under this 4517
chapter and with respect to any debt obligations issued pursuant 4518
or subject to this chapter. 4519

(J) At the request of the commission, the administrative head 4520
of any state agency shall temporarily assign personnel skilled in 4521
accounting and budgeting procedures to assist the commission or 4522
the financial supervisor in its duties as financial supervisor. 4523

(K) The appointed members of the commission are not subject 4524
to section 102.02 of the Revised Code. Each appointed member of 4525
the commission shall file with the commission a signed written 4526
statement setting forth the general nature of sales of goods, 4527
property, or services or of loans to the municipal corporation, 4528
county, or township with respect to which that commission is 4529
established, in which the appointed member has a pecuniary 4530

interest or in which any member of the appointed member's 4531
immediate family, as defined in section 102.01 of the Revised 4532
Code, or any corporation, partnership, or enterprise of which the 4533
appointed member is an officer, director, or partner, or of which 4534
the appointed member or a member of the appointed member's 4535
immediate family, as so defined, owns more than a five per cent 4536
interest, has a pecuniary interest, and of which sale, loan, or 4537
interest such member has knowledge. The statement shall be 4538
supplemented from time to time to reflect changes in the general 4539
nature of any such sales or loans. 4540

Sec. 119.03. In the adoption, amendment, or rescission of any 4541
rule, an agency shall comply with the following procedure: 4542

(A) Reasonable public notice shall be given in the register 4543
of Ohio at least thirty days prior to the date set for a hearing, 4544
in the form the agency determines. The agency shall file copies of 4545
the public notice under division (B) of this section. (The agency 4546
gives public notice in the register of Ohio when the public notice 4547
is published in the register under that division.) 4548

The public notice shall include: 4549

(1) A statement of the agency's intention to consider 4550
adopting, amending, or rescinding a rule; 4551

(2) A synopsis of the proposed rule, amendment, or rule to be 4552
rescinded or a general statement of the subject matter to which 4553
the proposed rule, amendment, or rescission relates; 4554

(3) A statement of the reason or purpose for adopting, 4555
amending, or rescinding the rule; 4556

(4) The date, time, and place of a hearing on the proposed 4557
action, which shall be not earlier than the thirty-first nor later 4558
than the fortieth day after the proposed rule, amendment, or 4559
rescission is filed under division (B) of this section. 4560

In addition to public notice given in the register of Ohio, 4561
the agency may give whatever other notice it reasonably considers 4562
necessary to ensure notice constructively is given to all persons 4563
who are subject to or affected by the proposed rule, amendment, or 4564
rescission. 4565

The agency shall provide a copy of the public notice required 4566
under division (A) of this section to any person who requests it 4567
and pays a reasonable fee, not to exceed the cost of copying and 4568
mailing. 4569

(B) The full text of the proposed rule, amendment, or rule to 4570
be rescinded, accompanied by the public notice required under 4571
division (A) of this section, shall be filed in electronic form 4572
with the secretary of state and with the director of the 4573
legislative service commission. (If in compliance with this 4574
division an agency files more than one proposed rule, amendment, 4575
or rescission at the same time, and has prepared a public notice 4576
under division (A) of this section that applies to more than one 4577
of the proposed rules, amendments, or rescissions, the agency 4578
shall file only one notice with the secretary of state and with 4579
the director for all of the proposed rules, amendments, or 4580
rescissions to which the notice applies.) The proposed rule, 4581
amendment, or rescission and public notice shall be filed as 4582
required by this division at least sixty-five days prior to the 4583
date on which the agency, in accordance with division (D) of this 4584
section, issues an order adopting the proposed rule, amendment, or 4585
rescission. 4586

If the proposed rule, amendment, or rescission incorporates a 4587
text or other material by reference, the agency shall comply with 4588
sections 121.71 to 121.76 of the Revised Code. 4589

The proposed rule, amendment, or rescission shall be 4590
available for at least thirty days prior to the date of the 4591
hearing at the office of the agency in printed or other legible 4592

form without charge to any person affected by the proposal. 4593

Failure to furnish such text to any person requesting it shall not 4594

invalidate any action of the agency in connection therewith. 4595

If the agency files a substantive revision in the text of the 4596

proposed rule, amendment, or rescission under division (H) of this 4597

section, it shall also promptly file the full text of the proposed 4598

rule, amendment, or rescission in its revised form in electronic 4599

form with the secretary of state and with the director of the 4600

legislative service commission. 4601

The agency shall file the rule summary and fiscal analysis 4602

prepared under section ~~121.24~~ or 127.18 of the Revised Code, ~~or~~ 4603

~~both~~, in electronic form along with a proposed rule, amendment, or 4604

rescission or proposed rule, amendment, or rescission in revised 4605

form that is filed with the secretary of state or the director of 4606

the legislative service commission. 4607

The director of the legislative service commission shall 4608

publish in the register of Ohio the full text of the original and 4609

each revised version of a proposed rule, amendment, or rescission; 4610

the full text of a public notice; and the full text of a rule 4611

summary and fiscal analysis that is filed with the director under 4612

this division. 4613

(C) On the date and at the time and place designated in the 4614

notice, the agency shall conduct a public hearing at which any 4615

person affected by the proposed action of the agency may appear 4616

and be heard in person, by the person's attorney, or both, may 4617

present the person's position, arguments, or contentions, orally 4618

or in writing, offer and examine witnesses, and present evidence 4619

tending to show that the proposed rule, amendment, or rescission, 4620

if adopted or effectuated, will be unreasonable or unlawful. An 4621

agency may permit persons affected by the proposed rule, 4622

amendment, or rescission to present their positions, arguments, or 4623

contentions in writing, not only at the hearing, but also for a 4624

reasonable period before, after, or both before and after the 4625
hearing. A person who presents a position or arguments or 4626
contentions in writing before or after the hearing is not required 4627
to appear at the hearing. 4628

At the hearing, the testimony shall be recorded. Such record 4629
shall be made at the expense of the agency. The agency is required 4630
to transcribe a record that is not sight readable only if a person 4631
requests transcription of all or part of the record and agrees to 4632
reimburse the agency for the costs of the transcription. An agency 4633
may require the person to pay in advance all or part of the cost 4634
of the transcription. 4635

In any hearing under this section the agency may administer 4636
oaths or affirmations. 4637

(D) After complying with divisions (A), (B), (C), and (H) of 4638
this section, and when the time for legislative review and 4639
invalidation under division (I) of this section has expired, the 4640
agency may issue an order adopting the proposed rule or the 4641
proposed amendment or rescission of the rule, consistent with the 4642
synopsis or general statement included in the public notice. At 4643
that time the agency shall designate the effective date of the 4644
rule, amendment, or rescission, which shall not be earlier than 4645
the tenth day after the rule, amendment, or rescission has been 4646
filed in its final form as provided in section 119.04 of the 4647
Revised Code. 4648

(E) Prior to the effective date of a rule, amendment, or 4649
rescission, the agency shall make a reasonable effort to inform 4650
those affected by the rule, amendment, or rescission and to have 4651
available for distribution to those requesting it the full text of 4652
the rule as adopted or as amended. 4653

(F) If the governor, upon the request of an agency, 4654
determines that an emergency requires the immediate adoption, 4655

amendment, or rescission of a rule, the governor shall issue an 4656
order, the text of which shall be filed in electronic form with 4657
the agency, the secretary of state, the director of the 4658
legislative service commission, and the joint committee on agency 4659
rule review, that the procedure prescribed by this section with 4660
respect to the adoption, amendment, or rescission of a specified 4661
rule is suspended. The agency may then adopt immediately the 4662
emergency rule, amendment, or rescission and it becomes effective 4663
on the date the rule, amendment, or rescission, in final form and 4664
in compliance with division (A)(2) of section 119.04 of the 4665
Revised Code, ~~are~~ is filed in electronic form with the secretary 4666
of state, the director of the legislative service commission, and 4667
the joint committee on agency rule review. If all filings are not 4668
completed on the same day, the emergency rule, amendment, or 4669
rescission shall be effective on the day on which the latest 4670
filing is completed. The director shall publish the full text of 4671
the emergency rule, amendment, or rescission in the register of 4672
Ohio. 4673

The emergency rule, amendment, or rescission shall become 4674
invalid at the end of the ninetieth day it is in effect. Prior to 4675
that date the agency may adopt the emergency rule, amendment, or 4676
rescission as a nonemergency rule, amendment, or rescission by 4677
complying with the procedure prescribed by this section for the 4678
adoption, amendment, and rescission of nonemergency rules. The 4679
agency shall not use the procedure of this division to readopt the 4680
emergency rule, amendment, or rescission so that, upon the 4681
emergency rule, amendment, or rescission becoming invalid under 4682
this division, the emergency rule, amendment, or rescission will 4683
continue in effect without interruption for another ninety-day 4684
period, except when division (I)(2)(a) of this section prevents 4685
the agency from adopting the emergency rule, amendment, or 4686
rescission as a nonemergency rule, amendment, or rescission within 4687
the ninety-day period. 4688

This division does not apply to the adoption of any emergency 4689
rule, amendment, or rescission by the tax commissioner under 4690
division (C)(2) of section 5117.02 of the Revised Code. 4691

(G) Rules adopted by an authority within the department of 4692
job and family services for the administration or enforcement of 4693
Chapter 4141. of the Revised Code or of the department of taxation 4694
shall be effective without a hearing as provided by this section 4695
if the statutes pertaining to such agency specifically give a 4696
right of appeal to the board of tax appeals or to a higher 4697
authority within the agency or to a court, and also give the 4698
appellant a right to a hearing on such appeal. This division does 4699
not apply to the adoption of any rule, amendment, or rescission by 4700
the tax commissioner under division (C)(1) or (2) of section 4701
5117.02 of the Revised Code, or deny the right to file an action 4702
for declaratory judgment as provided in Chapter 2721. of the 4703
Revised Code from the decision of the board of tax appeals or of 4704
the higher authority within such agency. 4705

(H) When any agency files a proposed rule, amendment, or 4706
rescission under division (B) of this section, it shall also file 4707
in electronic form with the joint committee on agency rule review 4708
the full text of the proposed rule, amendment, or rule to be 4709
rescinded in the same form and the public notice required under 4710
division (A) of this section. (If in compliance with this division 4711
an agency files more than one proposed rule, amendment, or 4712
rescission at the same time, and has given a public notice under 4713
division (A) of this section that applies to more than one of the 4714
proposed rules, amendments, or rescissions, the agency shall file 4715
only one notice with the joint committee for all of the proposed 4716
rules, amendments, or rescissions to which the notice applies.) If 4717
the agency makes a substantive revision in a proposed rule, 4718
amendment, or rescission after it is filed with the joint 4719
committee, the agency shall promptly file the full text of the 4720

proposed rule, amendment, or rescission in its revised form in 4721
electronic form with the joint committee. The latest version of a 4722
proposed rule, amendment, or rescission as filed with the joint 4723
committee supersedes each earlier version of the text of the same 4724
proposed rule, amendment, or rescission. An agency shall file the 4725
rule summary and fiscal analysis prepared under section ~~121.24~~ or 4726
127.18 of the Revised Code, ~~or both~~, in electronic form along with 4727
a proposed rule, amendment, or rescission, and along with a 4728
proposed rule, amendment, or rescission in revised form, that is 4729
filed under this division. 4730

The joint committee shall promptly file a notice in 4731
electronic form with the Ohio small business ombudsperson of the 4732
filing under this division of a proposed rule, amendment, or 4733
rescission, or of a proposed rule, amendment, or rescission in 4734
revised form, that previously was filed with the ombudsperson 4735
under section 121.254 of the Revised Code. 4736

This division does not apply to: 4737

(1) An emergency rule, amendment, or rescission; 4738

(2) Any proposed rule, amendment, or rescission that must be 4739
adopted verbatim by an agency pursuant to federal law or rule, to 4740
become effective within sixty days of adoption, in order to 4741
continue the operation of a federally reimbursed program in this 4742
state, so long as the proposed rule contains both of the 4743
following: 4744

(a) A statement that it is proposed for the purpose of 4745
complying with a federal law or rule; 4746

(b) A citation to the federal law or rule that requires 4747
verbatim compliance. 4748

If a rule or amendment is exempt from legislative review 4749
under division (H)(2) of this section, and if the federal law or 4750
rule pursuant to which the rule or amendment was adopted expires, 4751

is repealed or rescinded, or otherwise terminates, the rule or 4752
amendment, or its rescission, is thereafter subject to legislative 4753
review under division (H) of this section. 4754

(I)(1) The joint committee on agency rule review may 4755
recommend the adoption of a concurrent resolution invalidating a 4756
proposed rule, amendment, rescission, or part thereof if it finds 4757
any of the following: 4758

(a) That the rule-making agency has exceeded the scope of its 4759
statutory authority in proposing the rule, amendment, or 4760
rescission; 4761

(b) That the proposed rule, amendment, or rescission 4762
conflicts with another rule, amendment, or rescission adopted by 4763
the same or a different rule-making agency; 4764

(c) That the proposed rule, amendment, or rescission 4765
conflicts with the legislative intent in enacting the statute 4766
under which the rule-making agency proposed the rule, amendment, 4767
or rescission; 4768

(d) That the rule-making agency has failed to prepare a 4769
complete and accurate rule summary and fiscal analysis of the 4770
proposed rule, amendment, or rescission as required by section 4771
~~121.24 or 127.18 of the Revised Code, or both, or that;~~ 4772

(e) That the proposed rule, amendment, or rescission 4773
incorporates a text or other material by reference and either the 4774
rule-making agency has failed to file the text or other material 4775
incorporated by reference as required by section 121.73 of the 4776
Revised Code or, in the case of a proposed rule or amendment, the 4777
incorporation by reference fails to meet the standards stated in 4778
section 121.72, 121.75, or 121.76 of the Revised Code; or 4779

(f) That the rule-making agency has failed to comply with 4780
section 121.252, 121.253, or 121.254 of the Revised Code. 4781

The joint committee shall not hold its public hearing on a 4782
proposed rule, amendment, or rescission earlier than the 4783
forty-first day after the original version of the proposed rule, 4784
amendment, or rescission was filed with the joint committee. 4785

The house of representatives and senate may adopt a 4786
concurrent resolution invalidating a proposed rule, amendment, 4787
rescission, or part thereof. The concurrent resolution shall state 4788
which of the specific rules, amendments, rescissions, or parts 4789
thereof are invalidated. A concurrent resolution invalidating a 4790
proposed rule, amendment, or rescission shall be adopted not later 4791
than the sixty-fifth day after the original version of the text of 4792
the proposed rule, amendment, or rescission is filed with the 4793
joint committee, except that if more than thirty-five days after 4794
the original version is filed the rule-making agency either files 4795
a revised version of the text of the proposed rule, amendment, or 4796
rescission, or revises the rule summary and fiscal analysis in 4797
accordance with division (I)(4) of this section, a concurrent 4798
resolution invalidating the proposed rule, amendment, or 4799
rescission shall be adopted not later than the thirtieth day after 4800
the revised version of the proposed rule or rule summary and 4801
fiscal analysis is filed. If, after the joint committee on agency 4802
rule review recommends the adoption of a concurrent resolution 4803
invalidating a proposed rule, amendment, rescission, or part 4804
thereof, the house of representatives or senate does not, within 4805
the time remaining for adoption of the concurrent resolution, hold 4806
five floor sessions at which its journal records a roll call vote 4807
disclosing a sufficient number of members in attendance to pass a 4808
bill, the time within which that house may adopt the concurrent 4809
resolution is extended until it has held five such floor sessions. 4810

Within five days after the adoption of a concurrent 4811
resolution invalidating a proposed rule, amendment, rescission, or 4812
part thereof, the clerk of the senate shall send the rule-making 4813

agency, the secretary of state, and the director of the 4814
legislative service commission in electronic form a certified text 4815
of the resolution together with a certification stating the date 4816
on which the resolution takes effect. The secretary of state and 4817
the director of the legislative service commission shall each note 4818
the invalidity of the proposed rule, amendment, rescission, or 4819
part thereof, and shall each remove the invalid proposed rule, 4820
amendment, rescission, or part thereof from the file of proposed 4821
rules. The rule-making agency shall not proceed to adopt in 4822
accordance with division (D) of this section, or to file in 4823
accordance with division (B)(1) of section 111.15 of the Revised 4824
Code, any version of a proposed rule, amendment, rescission, or 4825
part thereof that has been invalidated by concurrent resolution. 4826

Unless the house of representatives and senate adopt a 4827
concurrent resolution invalidating a proposed rule, amendment, 4828
rescission, or part thereof within the time specified by this 4829
division, the rule-making agency may proceed to adopt in 4830
accordance with division (D) of this section, or to file in 4831
accordance with division (B)(1) of section 111.15 of the Revised 4832
Code, the latest version of the proposed rule, amendment, or 4833
rescission as filed with the joint committee. If by concurrent 4834
resolution certain of the rules, amendments, rescissions, or parts 4835
thereof are specifically invalidated, the rule-making agency may 4836
proceed to adopt, in accordance with division (D) of this section, 4837
or to file in accordance with division (B)(1) of section 111.15 of 4838
the Revised Code, the latest version of the proposed rules, 4839
amendments, rescissions, or parts thereof as filed with the joint 4840
committee that are not specifically invalidated. The rule-making 4841
agency may not revise or amend any proposed rule, amendment, 4842
rescission, or part thereof that has not been invalidated except 4843
as provided in this chapter or in section 111.15 of the Revised 4844
Code. 4845

(2)(a) A proposed rule, amendment, or rescission that is 4846
filed with the joint committee under division (H) of this section 4847
or division (D) of section 111.15 of the Revised Code shall be 4848
carried over for legislative review to the next succeeding regular 4849
session of the general assembly if the original or any revised 4850
version of the proposed rule, amendment, or rescission is filed 4851
with the joint committee on or after the first day of December of 4852
any year. 4853

(b) The latest version of any proposed rule, amendment, or 4854
rescission that is subject to division (I)(2)(a) of this section, 4855
as filed with the joint committee, is subject to legislative 4856
review and invalidation in the next succeeding regular session of 4857
the general assembly in the same manner as if it were the original 4858
version of a proposed rule, amendment, or rescission that had been 4859
filed with the joint committee for the first time on the first day 4860
of the session. A rule-making agency shall not adopt in accordance 4861
with division (D) of this section, or file in accordance with 4862
division (B)(1) of section 111.15 of the Revised Code, any version 4863
of a proposed rule, amendment, or rescission that is subject to 4864
division (I)(2)(a) of this section until the time for legislative 4865
review and invalidation, as contemplated by division (I)(2)(b) of 4866
this section, has expired. 4867

(3) Invalidation of any version of a proposed rule, 4868
amendment, rescission, or part thereof by concurrent resolution 4869
shall prevent the rule-making agency from instituting or 4870
continuing proceedings to adopt any version of the same proposed 4871
rule, amendment, rescission, or part thereof for the duration of 4872
the general assembly that invalidated the proposed rule, 4873
amendment, rescission, or part thereof unless the same general 4874
assembly adopts a concurrent resolution permitting the rule-making 4875
agency to institute or continue such proceedings. 4876

The failure of the general assembly to invalidate a proposed 4877

rule, amendment, rescission, or part thereof under this section 4878
shall not be construed as a ratification of the lawfulness or 4879
reasonableness of the proposed rule, amendment, rescission, or any 4880
part thereof or of the validity of the procedure by which the 4881
proposed rule, amendment, rescission, or any part thereof was 4882
proposed or adopted. 4883

(4) In lieu of recommending a concurrent resolution to 4884
invalidate a proposed rule, amendment, rescission, or part thereof 4885
because the rule-making agency has failed to prepare a complete 4886
and accurate fiscal analysis, the joint committee on agency rule 4887
review may issue, on a one-time basis, for rules, amendments, 4888
rescissions, or parts thereof that have a fiscal effect on school 4889
districts, counties, townships, or municipal corporations, a 4890
finding that the rule summary and fiscal analysis is incomplete or 4891
inaccurate and order the rule-making agency to revise the rule 4892
summary and fiscal analysis and refile it with the proposed rule, 4893
amendment, rescission, or part thereof. If an emergency rule is 4894
filed as a nonemergency rule before the end of the ninetieth day 4895

that received financial assistance from the legal aid fund prior 5322
to ~~the effective date of this amendment~~ July 1, 1993, but that, on 5323
and after ~~the effective date of this amendment~~ July 1, 1993, no 5324
longer qualify as a legal aid society that is eligible for 5325
financial assistance under this section. 5326

(c) After deduction of the amounts described in divisions 5327
(D)(1)(a) and (b) of this section, fifteen per cent of the moneys 5328
remaining in the fund shall be placed in the legal assistance 5329
foundation fund for use in the manner described in division (A) of 5330
section 120.521 of the Revised Code. 5331

(2) After deduction of the actual, reasonable administrative 5332
costs under section 120.52 of the Revised Code and after deduction 5333
of the amounts identified in divisions (D)(1)(a), (b), and (c) of 5334
this section, the remaining moneys shall be apportioned among the 5335
counties that are served by eligible legal aid societies that have 5336
applied for financial assistance under this section so that each 5337
such county is apportioned a portion of those moneys, based upon 5338
the ratio of the number of indigents who reside in that county to 5339
the total number of indigents who reside in all counties of this 5340
state that are served by eligible legal aid societies that have 5341
applied for financial assistance under this section. Subject to 5342

division of census. 5350

(E) If the Ohio legal assistance foundation, in attempting to 5351
make an allocation of moneys under division (D)(2) of this 5352
section, determines that a county that has been apportioned money 5353
under that division is served by more than one eligible legal aid 5354
society that has applied for financial assistance under this 5355
section, the Ohio legal assistance foundation shall allocate the 5356
moneys that have been apportioned to that county under division 5357
(D)(2) of this section among all eligible legal aid societies that 5358
serve that county and that have applied for financial assistance 5359
under this section on a pro rata basis, so that each such eligible 5360
society is allocated a portion based upon the amount of its total 5361
budget expended in the prior calendar year for legal services in 5362
that county as compared to the total amount expended in the prior 5363
calendar year for legal services in that county by all eligible 5364
legal aid societies that serve that county and that have applied 5365
for financial assistance under this section. 5366

(F) Moneys allocated to eligible applicants under this 5367
section shall be paid monthly beginning the calendar year 5368
following the calendar year in which the application is filed. 5369

(G)(1) A legal aid society that receives financial assistance 5370
in any calendar year under this section shall file an annual 5371
report with the Ohio legal assistance foundation detailing the 5372
number and types of cases handled, and the amount and types of 5373
legal training, legal technical assistance, and other service 5374

contained in the report shall identify or enable the 5376

identification of any person served by the legal aid society or in 5377

foundation also shall include in the annual report an audited 5382
financial statement of all gifts, bequests, donations, 5383
contributions, and other moneys the foundation receives. No 5384
information contained in the report shall identify or enable the 5385
identification of any person served by a legal aid society, or in 5386
any way breach confidentiality. 5387

(H) A legal aid society may enter into agreements for the 5388
provision of services, programs, training, or legal technical 5389
assistance for the legal aid society or to indigent persons. 5390

Sec. 121.251. If a rule-making agency intends to adopt a rule on or after January 1, 2010, that, if adopted, may have any adverse impact on small businesses, the rule-making agency shall comply with sections 121.252 to 121.256 of the Revised Code before filing the rule under division (D) of section 111.15 or divisions (B) and (H) of section 119.03 of the Revised Code. The duty defined in this paragraph first applies with regard to the original version of a rule and then with regard to each revised version of the rule.

Sections 121.252 to 121.256 of the Revised Code do not apply to an emergency rule adopted under division (B)(2) of section 111.15 or division (F) of section 119.03 of the Revised Code. section 119.03 of the Revised Code. 5500

Sec. 121.252. The rule-making agency shall prepare a full 5501
text of the rule and shall do both of the following: 5502

(A) Conduct a cost-benefit analysis, weighing the following 5503
factors, to determine whether the effect of the rule on small 5504
businesses outweighs the benefits of the rule: 5505

(1) An identification and estimate of the number of small 5506
businesses that may be subject to the rule; 5507

(2) The projected reporting, recordkeeping, and other 5508
administrative costs required for compliance with the rule, 5509
including the type of technical or professional skills necessary 5510
for preparation of any report or record required by the rule; 5511

(3) A statement of the probable effect of the rule on the 5512
impacted small businesses identified under division (A)(1) of this 5513
section; 5514

(4) A description of any less intrusive or less costly 5515
alternative methods of achieving the purpose of the rule; and 5516

(5) Any other information the rule-making agency considers 5517
necessary to fully explain its cost-benefit analysis regarding the 5518
rule. 5519

(B) Conduct a regulatory flexibility analysis of how each of 5520
the following methods might reduce any adverse impact the rule may 5521
have on small businesses: 5522

(1) The establishment of less stringent compliance or 5523
reporting requirements for small businesses; 5524

(2) The establishment of less stringent schedules or 5525
deadlines for compliance or reporting requirements for small 5526

businesses; 5527

reporting requirements for small businesses; 5529

(4) The establishment of performance standards for small 5530

businesses to replace design or operational standards required in 5531

the rule; and 5532

rule's requirements. 5534

Sec. 121.253. (A) The rule-making agency shall incorporate 5535

into the rule features the cost-benefit analysis indicates will 5536

reduce the cost and increase the benefit of the rule to small 5537

businesses, and features the regulatory flexibility analysis 5538

indicates will reduce any adverse impact the rule may have on 5539

small businesses. In both cases, the rule-making agency shall 5540

incorporate features into the rule only if they are feasible and 5541

not if doing so would be contrary to the statutory objectives that 5542

are the basis for the rule. 5543

(B) The rule-making agency shall prepare two reports as 5544

follows: 5545

(1) A cost-benefit report that describes the results of the 5546

cost-benefit analysis, that describes any features incorporated 5547

into the rule as a result of the cost-benefit analysis, and that 5548

explains how those features reduce the cost and increase the 5549

benefit of the rule to small businesses. 5550

(2) A regulatory flexibility report that describes the 5551

results of the regulatory flexibility analysis, that describes any 5552

features incorporated into the rule as a result of the regulatory 5553

flexibility analysis, and that explains how those features reduce 5554

any adverse impact the rule may have on small businesses. 5555

The rule-making agency shall include any supporting 5556

documentation for either analysis in an appendix to its report of 5557
the analysis unless the documentation is otherwise incorporated 5558
into the report. 5559

Sec. 121.254. The rule-making agency shall file all of the 5560
following in electronic form with the Ohio small business 5561
ombudsperson: 5562

(A) The full text of the rule; 5563

(B) The cost-benefit report; and 5564

(C) The regulatory flexibility report. 5565

Sec. 121.255. (A) Within seven days after receipt of a filing 5566
under section 121.254 of the Revised Code, the Ohio small business 5567
ombudsperson shall cause all of the following to be published in 5568
the register of Ohio for a period of thirty days: 5569

(1) The full text of the rule filed under that section; 5570

(2) The cost-benefit report; 5571

(3) The regulatory flexibility report; and 5572

(4) A notice informing persons that, during the thirty-day 5573
period, they may comment to the ombudsperson concerning any 5574
adverse impact the rule may have on small businesses. The notice 5575
shall explain how persons may communicate comments to the 5576
ombudsperson. 5577

(B) During the period beginning on the day notice of the 5578
right to comment is first published in the register of Ohio and 5579
ending thirty days thereafter, any person may comment to the 5580
ombudsperson concerning any adverse impact the rule may have on 5581
small businesses. The ombudsperson shall establish and maintain, 5582
or participate in, a web site having features that enable persons 5583
to comment electronically. And the ombudsperson shall establish a 5584
toll-free telephone number persons may call to make comments. The 5585

telephone answering point shall be equipped to record comments 5586
that are called in. 5587

(C)(1) Not later than three days after the day the comment 5588
period closes, the ombudsperson shall collate and review comments 5589
that are received with regard to a rule, and shall compile them in 5590
a report that describes in detail the substance of the comments 5591
and, in particular, any objections to the rule. 5592

(2) The ombudsperson shall forthwith cause the report to be 5593
published in the register of Ohio and shall file the report in 5594
electronic form with the rule-making agency that filed the rule 5595
and with the small business regulatory review board. At the same 5596
time, the ombudsperson shall file in electronic form with the 5597
board the full text of the rule, the cost-benefit report, and the 5598
regulatory flexibility report. 5599

(3) The ombudsperson may appear before the joint committee on 5600
agency rule review and testify concerning a rule-making agency's 5601
compliance with sections 121.252, 121.253, and 121.254 of the 5602
Revised Code. 5603

Sec. 121.256. (A)(1) Within thirty days after receiving a 5604
report from the Ohio small business ombudsperson, the small 5605
business regulatory review board may hold a meeting at which it 5606
shall review the report, the rule that is the subject of the 5607
report, the cost-benefit report, and the regulatory flexibility 5608
report, and shall determine whether the rule-making agency that 5609
filed the rule has complied with sections 121.252, 121.253, and 5610
121.254 of the Revised Code. 5611

(2) The board may conduct a public hearing on the rule, at 5612
which any person having an interest in the rule may appear and 5613
offer comments on, or objections to, the rule insofar as it may 5614
have any adverse impact on small businesses. The board shall cause 5615
notice of such a public hearing to be published in the register of 5616

Ohio at least seven days before the date set for the hearing. In 5617
the notice, the board shall state the date and time when, and the 5618
place where, the public hearing will be held. 5619

(B)(1) If the board finds that a rule-making agency, in 5621
regard to a rule, has failed to comply with section 121.252, 5622
121.253, or 121.254 of the Revised Code, the board shall issue in 5623
writing a determination of noncompliance that states the 5624
determination and explains why the rule fails to comply with those 5625
sections. The board may include in the determination of 5626
noncompliance suggested changes in the rule that will bring the 5627
rule into compliance with sections 121.252 and 121.253 of the 5628
Revised Code. 5629

(2) If the board finds that a rule-making agency, in regard 5630
to a rule, complied with sections 121.252, 121.253, and 121.254 of 5631
the Revised Code, the board shall issue in writing a determination 5632
of compliance that states such determination. 5633

(C)(1) The board shall file its determination in electronic 5634
form with the rule-making agency and shall cause its determination 5635
to be published in the register of Ohio. 5636

(2) If the rule-making agency proceeds to file the rule under 5637
division (B)(1) of section 111.15 or divisions (B) and (H) of 5638
section 119.03 of the Revised Code, the rule-making agency shall 5639
file with the joint committee on agency rule review the board's 5640
determination, the full text of the rule, the ombudsperson's 5641
report, the cost-benefit report, and the regulatory flexibility 5642
report. 5643

(D) If the board, within thirty days after receiving the 5644
ombudsperson's report, does not issue a determination to the 5645
rule-making agency, the board, in electronic form, shall return to 5646
the rule-making agency the full text of the rule, the cost-benefit 5647

report, and the regulatory flexibility report. The board shall 5648
note on the rule that it has not issued a determination with 5649
regard to the rule. The rule-making agency then may proceed to 5650
file the rule under division (B)(1) of section 111.15 or divisions 5651
(B) and (H) of section 119.03 of the Revised Code, but only if the 5652
rule that is so filed is substantially similar to the rule that 5653
was filed with the ombudsperson. 5654

well-being in the county to the county's board of county 5882
commissioners and the cabinet council. This report shall be made 5883
available to any other person on request. 5884

section, a county council shall comply with the policies, 5886
procedures, and activities prescribed by the rules or interagency 5887
agreements of a state department participating on the cabinet 5888
council whenever the county council performs a function subject to 5889
those rules or agreements. 5890

(b) On application of a county council, the cabinet council 5891
may grant an exemption from any rules or interagency agreements of 5892
a state department participating on the council if an exemption is 5893
necessary for the council to implement an alternative program or 5894
approach for service delivery to families and children. The 5895
application shall describe the proposed program or approach and 5896
specify the rules or interagency agreements from which an 5897

exemption is effective only while the program or approach is being 5901
implemented, including a reasonable period during which the 5902
program or approach is being evaluated for effectiveness. 5903

(5)(a) Each county council shall designate an administrative 5904
agent for the council from among the following public entities: 5905

other than the board of county commissioners, may decline to serve 5917
as the council's administrative agent. 5918

A county council's administrative agent shall serve as the 5919
council's appointing authority for any employees of the council. 5920
The council shall file an annual budget with its administrative 5921
agent, with copies filed with the county auditor and with the 5922

board of county commissioners, unless the board is serving as the 5923
council's administrative agent. The council's administrative agent 5924
shall ensure that all expenditures are handled in accordance with 5925
policies, procedures, and activities prescribed by state 5926
departments in rules or interagency agreements that are applicable 5927
to the council's functions. 5928

The administrative agent of a county council shall send 5929
notice of a member's absence if a member listed in division (B)(1) 5930
of this section has been absent from either three consecutive 5931
meetings of the county council or a county council subcommittee, 5932

(B)(1)(i) of this section, to the mayor of the municipal 5943
corporation; for the member listed in division (B)(1)(k) of this 5944
section, to the director of youth services; and for the member 5945
listed in division (B)(1)(n), to that member's board of trustees. 5946

The administrative agent for a county council may do any of 5947
the following on behalf of the council: 5948

(i) Enter into agreements or administer contracts with public 5949
or private entities to fulfill specific council business. Such 5950
agreements and contracts are exempt from the competitive bidding 5951
requirements of section 307.86 of the Revised Code if they have 5952
been approved by the county council and they are for the purchase 5953
of family and child welfare or child protection services or other 5954

social or job and family services for families and children. The 5955
approval of the county council is not required to exempt 5956
agreements or contracts entered into under section 5139.34, 5957
5139.41, or 5139.43 of the Revised Code from the competitive 5958
bidding requirements of section 307.86 of the Revised Code. 5959

(ii) As determined by the council, provide financial 5960
stipends, reimbursements, or both, to family representatives for 5961
expenses related to council activity; 5962

(iii) Receive by gift, grant, devise, or bequest any moneys, 5963
lands, or other property for the purposes for which the council is 5964
established. The agent shall hold, apply, and dispose of the 5965
moneys, lands, or other property according to the terms of the 5966
gift, grant, devise, or bequest. Any interest or earnings shall be 5967
treated in the same manner and are subject to the same terms as 5968
the gift, grant, devise, or bequest from which it accrues. 5969

(b)(i) If the county council designates the board of county 5970
commissioners as its administrative agent, the board may, by 5971
resolution, delegate any of its powers and duties as 5972
administrative agent to an executive committee the board 5973
establishes from the membership of the county council. The board 5974
shall name to the executive committee at least the individuals 5975
described in divisions (B)(1)(b) to (h) of this section and may 5976
appoint the president of the board or another individual as the 5977
chair of the executive committee. The executive committee must 5978
include at least one family county council representative who does 5979
not have a family member employed by an agency represented on the 5980
council. 5981

(ii) The executive committee may, with the approval of the 5982
board, hire an executive director to assist the county council in 5983
administering its powers and duties. The executive director shall 5984
serve in the unclassified civil service at the pleasure of the 5985
executive committee. The executive director may, with the approval 5986

of the executive committee, hire other employees as necessary to 5987
properly conduct the county council's business. 5988

(iii) The board may require the executive committee to submit 5989
an annual budget to the board for approval and may amend or repeal 5990
the resolution that delegated to the executive committee its 5991
authority as the county council's administrative agent. 5992

(6) Two or more county councils may enter into an agreement 5993
to administer their county councils jointly by creating a regional 5994
family and children first council. A regional council possesses 5995
the same duties and authority possessed by a county council, 5996
except that the duties and authority apply regionally rather than 5997
to individual counties. Prior to entering into an agreement to 5998
create a regional council, the members of each county council to 5999
be part of the regional council shall meet to determine whether 6000
all or part of the members of each county council will serve as 6001
members of the regional council. 6002

(7) A board of county commissioners may approve a resolution 6003
by a majority vote of the board's members that requires the county 6004
council to submit a statement to the board each time the council 6005
proposes to enter into an agreement, adopt a plan, or make a 6006
decision, other than a decision pursuant to section 121.38 of the 6007
Revised Code, that requires the expenditure of funds for two or 6008
more families. The statement shall describe the proposed 6009
agreement, plan, or decision. 6010

Not later than fifteen days after the board receives the 6011
statement, it shall, by resolution approved by a majority of its 6012
members, approve or disapprove the agreement, plan, or decision. 6013
Failure of the board to pass a resolution during that time period 6014
shall be considered approval of the agreement, plan, or decision. 6015

An agreement, plan, or decision for which a statement is 6016
required to be submitted to the board shall be implemented only if 6017

it is approved by the board. 6018

(C) Each county shall develop a county service coordination 6019
mechanism. The county service coordination mechanism shall serve 6020
as the guiding document for coordination of services in the 6021
county. For children who also receive services under the help me 6022
grow program, the service coordination mechanism shall be 6023
consistent with rules adopted by the department of health under 6024
section 3701.61 of the Revised Code. All family service 6025
coordination plans shall be developed in accordance with the 6026
county service coordination mechanism. The mechanism shall be 6027
developed and approved with the participation of the county 6028
entities representing child welfare; mental retardation and 6029
developmental disabilities; alcohol, drug addiction, and mental 6030
health services; health; juvenile judges; education; the county 6031
family and children first council; and the county early 6032
intervention collaborative established pursuant to the federal 6033
early intervention program operated under the "Individuals with 6034
Disabilities Education Act of 2004." The county shall establish an 6035
implementation schedule for the mechanism. The cabinet council may 6036
monitor the implementation and administration of each county's 6037
service coordination mechanism. 6038

Each mechanism shall include all of the following: 6039

(1) A procedure for an agency, including a juvenile court, or 6040
a family voluntarily seeking service coordination, to refer the 6041
child and family to the county council for service coordination in 6042
accordance with the mechanism; 6043

(2) A procedure ensuring that a family and all appropriate 6044
staff from involved agencies, including a representative from the 6045
appropriate school district, are notified of and invited to 6046
participate in all family service coordination plan meetings; 6047

(3) A procedure that permits a family to initiate a meeting 6048

to develop or review the family's service coordination plan and 6049
allows the family to invite a family advocate, mentor, or support 6050
person of the family's choice to participate in any such meeting; 6051

(4) A procedure for ensuring that a family service 6052
coordination plan meeting is conducted for each child who receives 6053
service coordination under the mechanism and for whom an emergency 6054
out-of-home placement has been made or for whom a nonemergency 6055
out-of-home placement is being considered. The meeting shall be 6056
conducted within ten days of an emergency out-of-home placement. 6057
The meeting shall be conducted before a nonemergency out-of-home 6058
placement. The family service coordination plan shall outline how 6059
the county council members will jointly pay for services, where 6060
applicable, and provide services in the least restrictive 6061
environment. 6062

(5) A procedure for monitoring the progress and tracking the 6063
outcomes of each service coordination plan requested in the county 6064
including monitoring and tracking children in out-of-home 6065
placements to assure continued progress, appropriateness of 6066
placement, and continuity of care after discharge from placement 6067
with appropriate arrangements for housing, treatment, and 6068
education. 6069

(6) A procedure for protecting the confidentiality of all 6070
personal family information disclosed during service coordination 6071
meetings or contained in the comprehensive family service 6072
coordination plan. 6073

(7) A procedure for assessing the needs and strengths of any 6074
child or family that has been referred to the council for service 6075
coordination, including a child whose parent or custodian is 6076
voluntarily seeking services, and for ensuring that parents and 6077
custodians are afforded the opportunity to participate; 6078

(8) A procedure for development of a family service 6079

coordination plan described in division (D) of this section; 6080

(9) A local dispute resolution process to serve as the 6081
process that must be used first to resolve disputes among the 6082
agencies represented on the county council concerning the 6083
provision of services to children, including children who are 6084
abused, neglected, dependent, unruly, alleged unruly, or 6085
delinquent children and under the jurisdiction of the juvenile 6086
court and children whose parents or custodians are voluntarily 6087
seeking services. The local dispute resolution process shall 6088
comply with sections 121.38, 121.381, and 121.382 of the Revised 6089
Code. The local dispute resolution process shall be used to 6090
resolve disputes between a child's parents or custodians and the 6091
county council regarding service coordination. The county council 6092
shall inform the parents or custodians of their right to use the 6093
dispute resolution process. Parents or custodians shall use 6094
existing local agency grievance procedures to address disputes not 6095
involving service coordination. The dispute resolution process is 6096
in addition to and does not replace other rights or procedures 6097
that parents or custodians may have under other sections of the 6098
Revised Code. 6099

The cabinet council shall adopt rules in accordance with 6100
Chapter 119. of the Revised Code establishing an administrative 6101
review process to address problems that arise concerning the 6102
operation of a local dispute resolution process. 6103

Nothing in division (C)(4) of this section shall be 6104
interpreted as overriding or affecting decisions of a juvenile 6105
court regarding an out-of-home placement, long-term placement, or 6106
emergency out-of-home placement. 6107

(D) Each county shall develop a family service coordination 6108
plan that does all of the following: 6109

(1) Designates service responsibilities among the various 6110

state and local agencies that provide services to children and 6111
their families, including children who are abused, neglected, 6112

jurisdiction of the juvenile court and children whose parents or 6114
custodians are voluntarily seeking services; 6115

(2) Designates an individual, approved by the family, to 6116
track the progress of the family service coordination plan, 6117
schedule reviews as necessary, and facilitate the family service 6118
coordination plan meeting process; 6119

(3) Ensures that assistance and services to be provided are 6120
responsive to the strengths and needs of the family, as well as 6121
the family's culture, race, and ethnic group, by allowing the 6122
family to offer information and suggestions and participate in 6123
decisions. Identified assistance and services shall be provided in 6124
the least restrictive environment possible. 6125

(4) Includes a process for dealing with a child who is 6126
alleged to be an unruly child. The process shall include methods 6127
to divert the child from the juvenile court system; 6128

(5) Includes timelines for completion of goals specified in 6129
the plan with regular reviews scheduled to monitor progress toward 6130
those goals; 6131

(6) Includes a plan for dealing with short-term crisis 6132

section may include, but is not limited to, the following: 6135

(a) Designation of the person or agency to conduct the 6136
assessment of the child and the child's family as described in 6137
division (C)(7) of this section and designation of the instrument 6138
or instruments to be used to conduct the assessment; 6139

(b) An emphasis on the personal responsibilities of the child 6140

and the parental responsibilities of the parents, guardian, or
custodian of the child;

(c) Involvement of local law enforcement agencies and
officials.

(2) The method to divert a child from the juvenile court
system that must be included in the service coordination process
may include, but is not limited to, the following:

(a) The preparation of a complaint under section 2151.27 of
the Revised Code alleging that the child is an unruly child and
notifying the child and the parents, guardian, or custodian that
the complaint has been prepared to encourage the child and the
parents, guardian, or custodian to comply with other methods to
divert the child from the juvenile court system;

(b) Conducting a meeting with the child, the parents,
guardian, or custodian, and other interested parties to determine
the appropriate methods to divert the child from the juvenile

(g) Other appropriate measures, including, but not limited
to, any alternative methods to divert a child from the juvenile

first cabinet council. 6172

(F) Each county may review and revise the service 6173
coordination process described in division (D) of this section 6174
based on the availability of funds under Title IV-A of the "Social 6175
Security Act," 110 Stat. 2113 (1996), 42 U.S.C.A. 601, as amended, 6176

Sec. 122.151. (A) An investor who proposes to make an 6844
investment of money in an Ohio entity may apply to an Edison 6845
center for a tax credit under this section. The Edison center 6846
shall prescribe the form of the application and any information 6847
that the investor must submit with the application. The investor 6848
shall include with the application a fee of two hundred dollars. 6849
The center, within three weeks after receiving the application, 6850
shall review it, determine whether the investor should be 6851
recommended for the tax credit, and send written notice of its 6852
initial determination to the industrial technology and enterprise 6853
advisory council and to the investor. If the center determines the 6854
investor should not be recommended for the tax credit, it shall 6855
include in the notice the reasons for the determination. Subject 6856
to divisions (C) and (D) of this section, an investor is eligible 6857
for a tax credit if all of the following requirements are met: 6858

(1) The investor's investment of money is in an Ohio entity 6859
engaged in a qualified trade or business. 6860

(2) The Ohio entity had less than two million five hundred 6861
thousand dollars of gross revenue during its most recently 6862
completed fiscal year or had a net book value of less than two 6863
million five hundred thousand dollars at the end of that fiscal 6864
year. 6865

(3) The investment takes the form of the purchase of common 6866
or preferred stock, a membership interest, a partnership interest, 6867
or any other ownership interest. 6868

(4) The amount of the investment for which the credit is 6869
being claimed does not exceed three hundred thousand dollars in 6870
the case of an investment in an EDGE business enterprise or in an 6871
Ohio entity located in a distressed area, or two hundred fifty 6872

thousand dollars in the case of an investment in any other Ohio 6873
entity. 6874

(5) The money invested is entirely at risk of loss, where 6875
repayment depends upon the success of the business operations of 6876
the Ohio entity. 6877

(6) No repayment of principal invested will be made for at 6878
least three years from the date the investment is made. 6879

(7) The annual combined amount of any dividend and interest 6880
payments to be made to the investor will not exceed ten per cent 6881
of the amount of the investment for at least three years from the 6882
date the investment is made. 6883

(8) The investor is not an employee with proprietary 6884
decision-making authority of the Ohio entity in which the 6885
investment of money is proposed, or related to such an individual. 6886
The Ohio entity is not an individual related to the investor. For 6887
purposes of this division, the industrial technology and 6888
enterprise advisory council shall define "an employee with 6889
proprietary decision-making authority." 6890

(9) The investor is not an insider. 6891

For the purposes of determining the net book value of an Ohio 6892
entity under division (A)(1) or (2) of this section, if the entity 6893
is a member of an affiliated group, the combined net book values 6894
of all of the members of that affiliated group shall be used. 6895

Nothing in division (A)(6) or (7) of this section limits or 6896
disallows the distribution to an investor in a pass-through entity 6897
of a portion of the entity's profits equal to the investor's 6898
federal, state, and local income tax obligations attributable to 6899
the investor's allocable share of the entity's profits. Nothing in 6900
division (A)(6) or (7) of this section limits or disallows the 6901
sale by an investor of part or all of the investor's interests in 6902
an Ohio entity by way of a public offering of shares in the Ohio 6903

entity. 6904

(B) A group of two but not more than twenty investors, each 6905
of whom proposes to make an investment of money in the same Ohio 6906
entity, may submit an application for tax credits under division 6907
(A) of this section. The group shall include with the application 6908
a fee of eight hundred dollars. The application shall identify 6909
each investor in the group and the amount of money each investor 6910
proposes to invest in the Ohio entity, and shall name a contact 6911
person for the group. The Edison center, within three weeks after 6912
receiving the application, shall review it, determine whether each 6913
investor of the group should be recommended for a tax credit under 6914
the conditions set forth in division (A) of this section, and send 6915
written notice of its determination to the industrial technology 6916
and enterprise advisory council and to the contact person. The 6917
center shall not recommend that a group of investors receive a tax 6918
credit unless each investor is eligible under those conditions. 6919
The center may disqualify from a group any investor who is not 6920
eligible under the conditions and recommend that the remaining 6921
group of investors receive the tax credit. If the center 6922
determines the group should not be recommended for the tax credit, 6923
it shall include in the notice the reasons for the determination. 6924

(C) The industrial technology and enterprise advisory council 6925
shall establish from among its members a three-person committee. 6926
Within four weeks after the council receives a notice of 6927
recommendation from an Edison center, the committee shall review 6928
the recommendation and issue a final determination of whether the 6929
investor or group is eligible for a tax credit under the 6930
conditions set forth in division (A) of this section. The 6931
committee may require the investor or group to submit additional 6932
information to support the application. The vote of at least two 6933
members of the committee is necessary for the issuance of a final 6934
determination or any other action of the committee. Upon making 6935

the final determination, the committee shall send written notice 6936
of approval or disapproval of the tax credit to the investor or 6937
group contact person, the director of development, and the Edison 6938
center. If the committee disapproves the tax credit, it shall 6939
include in the notice the reasons for the disapproval. 6940

(D)(1) The industrial technology and enterprise advisory 6941
council committee shall not approve more than one million five 6942
hundred thousand dollars of investments in any one Ohio entity. 6943
However, if a proposed investment of money in an Ohio entity has 6944
been approved but the investor does not actually make the 6945
investment, the committee may reassign the amount of that 6946
investment to another investor, as long as the total amount 6947
invested in the entity under this section does not exceed one 6948
million five hundred thousand dollars. 6949

If the one-million-five-hundred-thousand-dollar limit for an 6950
Ohio entity has not yet been reached and an application proposes 6951
an investment of money that would exceed the limit for that 6952
entity, the committee shall send written notice to the investor, 6953
or for a group, the contact person, that the investment cannot be 6954
approved as requested. Upon receipt of the notice, the investor or 6955
group may amend the application to propose an investment of money 6956
that does not exceed the limit. 6957

(2) Not more than ~~thirty~~ forty-five million dollars of tax 6958
credits shall be issued under sections 122.15 to 122.154 of the 6959
Revised Code. 6960

(E) If an investor makes an approved investment of less than 6961
two hundred fifty thousand dollars in any Ohio entity other than 6962
an EDGE business enterprise or in an Ohio entity located in a 6963
distressed area, the investor may apply for approval of another 6964
investment of money in that entity, as long as the total amount 6965
invested in that entity by the investor under this section does 6966
not exceed two hundred fifty thousand dollars. If an investor 6967

makes an approved investment of less than three hundred thousand 6968
dollars in an EDGE business enterprise or in an Ohio entity 6969
located in a distressed area, the investor may apply for approval 6970
of another investment of money in that entity, as long as the 6971
total amount invested in that entity by the investor under this 6972
section does not exceed three hundred thousand dollars. An 6973
investor who receives approval of an investment of money as part 6974
of a group may subsequently apply on an individual basis for 6975
approval of an additional investment of money in the Ohio entity. 6976

(F) The industrial technology and enterprise advisory council 6977
committee shall approve or disapprove tax credit applications 6978
under this section in the order in which they are received by the 6979
council. 6980

(G) The director of development may disapprove any 6981
application recommended by an Edison center and approved by the 6982
industrial technology and enterprise advisory council committee, 6983
or may disapprove a credit for which a tax credit certificate has 6984
been issued under section 122.152 of the Revised Code, if the 6985
director determines that the entity in which the applicant 6986
proposes to invest or has invested is not an Ohio entity eligible 6987
to receive investments that qualify for the credit. If the 6988
director disapproves an application, the director shall certify 6989
the action to the investor, the Edison center that recommended the 6990
application, the industrial technology and enterprise advisory 6991
council, and the tax commissioner, together with a written 6992
explanation of the reasons for the disapproval. If the director 6993
disapproves a tax credit after a tax credit certificate is issued, 6994
the investor shall not claim the credit for the taxable year that 6995
includes the day the director disapproves the credit, or for any 6996
subsequent taxable year. 6997

The director of development, in accordance with section 6998
111.15 of the Revised Code and with the advice of the industrial 6999

technology and enterprise advisory council, may adopt, amend, and 7000
rescind rules necessary to implement sections 122.15 to 122.154 of 7001
the Revised Code. 7002

(H) An Edison center shall use application fees received 7003
under this section only for the costs of administering sections 7004
122.15 to 122.154 of the Revised Code. 7005

week, who renders any other standard of service generally accepted 7009
by custom or specified by contract as full time employment, or who 7010
is employed for consideration for such time or renders such 7011
service but is on family or medical leave under the federal Family 7012
and Medical Leave Act of 1993, Pub. L. No. 103-3, 107 Stat. 6, as 7013

project that is the subject of the agreement after the taxpayer 7018
enters into a tax credit agreement with the tax credit authority 7019
under this section; 7020~~

~~(b) A full time employee first employed by a taxpayer in the 7021
project that is the subject of the tax credit after the tax credit 7022
authority approves a project for a tax credit under this section 7023
in a public meeting, as long as the taxpayer enters into the tax 7024
credit agreement prepared by the department of development after 7025
such meeting within sixty days after receiving the agreement from 7026
the department. If the taxpayer fails to enter into the agreement 7027
within sixty days, "new employee" has the same meaning as under 7028
division (A)(2)(a) of this section. A full time employee may be 7029~~

~~considered a "new employee" of a taxpayer, despite previously 7030
having been employed by a related member of the taxpayer, if all 7031
of the following apply: 7032~~

~~(i) The related member is a party to the tax credit agreement 7033
at the time the employee is first employed with the taxpayer; 7034~~

liability for that same tax through the remainder of the term of 7039
the tax credit; and 7040~~

~~(iii) The employee was considered a new employee of the 7041
related member prior to employment with the taxpayer. 7042~~

~~Under division (A)(2)(a) or (b) of this section, if the tax 7043

may include an employee re hired or called back from lay off to 7045
work in a new facility or on a new product or service established 7046
or produced by the taxpayer after entering into the agreement 7047
under this section or after the tax credit authority approves the 7048
tax credit in a public meeting. Except as otherwise provided in 7049
this paragraph, "new employee" does not include any employee of 7050
the taxpayer who was previously employed in this state by a 7051
related member of the taxpayer and whose employment was shifted to 7052
the taxpayer after the taxpayer entered into the tax credit 7053
agreement or after the tax credit authority approved the credit in 7054
a public meeting, or any employee of the taxpayer for which the 7055
taxpayer has been granted a certificate under division (B) of 7056
section 5709.66 of the Revised Code. However, if the taxpayer is 7057
engaged in the enrichment and commercialization of uranium or 7058
uranium products or is engaged in research and development 7059
activities related thereto and if the tax credit authority 7060
determines it appropriate, "new employee" may include an employee 7061~~

~~of the taxpayer who was previously employed in this state by a 7062
related member of the taxpayer and whose employment was shifted to 7063
the taxpayer after the taxpayer entered into the tax credit 7064
agreement or after the tax credit authority approved the credit in 7065
a public meeting. "New employee" does not include an employee of 7066
the taxpayer who is employed in an employment position that was 7067
relocated to a project from other operations of the taxpayer in 7068
this state or from operations of a related member of the taxpayer 7069
in this state. In addition, "new employee" does not include a 7070
child, grandchild, parent, or spouse, other than a spouse who is 7071
legally separated from the individual, of any individual who is an 7072
employee of the taxpayer and who has a direct or indirect 7073
ownership interest of at least five per cent in the profits, 7074
capital, or value of the taxpayer. Such ownership interest shall 7075
be determined in accordance with section 1563 of the Internal 7076
Revenue Code and regulations prescribed thereunder. 7077~~

~~(3) "New income Income tax revenue" means the total amount 7078
withheld under section 5747.06 of the Revised Code by the taxpayer 7079

~~levied under Chapter 5747. of the Revised Code.~~ 7082~~

~~(4) "Related member" has the same meaning as under division 7084
(A)(6) of section 5733.042 of the Revised Code without regard to 7085
division (B) of that section each employee employed in the project 7086
to the extent the employee's withholdings are not used to 7087
determine the credit under section 122.171 of the Revised Code. 7088
"Income tax revenue" excludes amounts withheld before the day the 7089
taxpayer becomes eligible for the credit. 7090~~

~~(2) "Baseline income tax revenue" means income tax revenue 7091
except that the applicable withholding period is the twelve months 7092
immediately preceding the date the tax credit authority approves 7093~~

the taxpayer's application multiplied by the sum of one plus an 7094
annual pay increase factor to be determined by the tax credit 7095
authority. If the taxpayer becomes eligible for the credit after 7096
the first day of the taxpayer's taxable year or after the first 7097
day of the calendar year that includes the tax period, the 7098
taxpayer's baseline income tax revenue for the first such taxable 7099
or calendar year of credit eligibility shall be reduced in 7100
proportion to the number of days during the taxable or calendar 7101
year for which the taxpayer was not eligible for the credit. For 7102
subsequent taxable or calendar years, "baseline income tax 7103
revenue" equals the unreduced baseline income tax revenue for the 7104
preceding taxable or calendar year multiplied by the sum of one 7105
plus the pay increase factor. 7106

(3) "Excess income tax revenue" means income tax revenue 7107
minus baseline income tax revenue. 7108

(B) The tax credit authority may make grants under this 7109
section to foster job creation in this state. Such a grant shall 7110
take the form of a refundable credit allowed against the tax 7111
imposed by section 5725.18, 5729.03, 5733.06, or 5747.02 or levied 7112
under Chapter 5751. of the Revised Code. The credit shall be 7113
claimed for the taxable years or tax periods specified in the 7114
taxpayer's agreement with the tax credit authority under division 7115
(D) of this section. With respect to taxes imposed under section 7116
5733.06 or 5747.02 or Chapter 5751. of the Revised Code, the 7117
credit shall be claimed in the order required under section 7118
5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of 7119
the credit available for a taxable year or for a calendar year 7120
that includes a tax period equals the ~~new~~ excess income tax 7121
revenue for that year multiplied by the percentage specified in 7122
the agreement with the tax credit authority. Any credit granted 7123
under this section against the tax imposed by section 5733.06 or 7124
5747.02 of the Revised Code, to the extent not fully utilized 7125

against such tax for taxable years ending prior to 2008, shall 7126
automatically be converted without any action taken by the tax 7127
credit authority to a credit against the tax levied under Chapter 7128
5751. of the Revised Code for tax periods beginning on or after 7129
July 1, 2008, provided that the person to whom the credit was 7130
granted is subject to such tax. The converted credit shall apply 7131
to those calendar years in which the remaining taxable years 7132
specified in the agreement end. 7133

(C) A taxpayer or potential taxpayer who proposes a project 7134
to create new jobs in this state may apply to the tax credit 7135
authority to enter into an agreement for a tax credit under this 7136
section. The director of development shall prescribe the form of 7137

order required under section 5725.98, 5729.98, 5733.98, or 5747.98 7572
of the Revised Code. In determining the percentage and term of the 7573

the tax credit authority to a credit against the tax levied under 7588
Chapter 5751. of the Revised Code for tax periods beginning on or 7589
after July 1, 2008, provided that the person to whom the credit 7590
was granted is subject to such tax. The converted credit shall 7591
apply to those calendar years in which the remaining taxable years 7592
specified in the agreement end. 7593

~~The credit computed under this division is in addition to any~~ 7595
~~credit allowed under division (M) of this section, which the tax~~ 7596
~~credit authority may also include in the agreement.~~ 7597

Any unused portion of a tax credit may be carried forward for 7598

not more than three additional years after the year for which the
credit is granted.

(C) A taxpayer that proposes a capital investment project to
retain jobs in this state may apply to the tax credit authority to
enter into an agreement for a tax credit under this section. The
director of development shall prescribe the form of the
application. After receipt of an application, the authority shall
forward copies of the application to the director of budget and
management, the tax commissioner, the superintendent of insurance
in the case of an insurance company, and the director of
development, each of whom shall review the application to
determine the economic impact the proposed project would have on
the state and the affected political subdivisions and shall submit
a summary of their determinations and recommendations to the
authority.

(D) Upon review of the determinations and recommendations

the retention of ~~full-time~~ employment ~~positions~~ in this state.

(2) The taxpayer is economically sound and has the ability to

(4) Receiving the credit is a major factor in the taxpayer's
decision to begin, continue with, or complete the project.

~~(5) The political subdivisions in which the project is
located have agreed to provide substantial financial support to~~

~~the project.~~ 7630

(E) An agreement under this section shall include all of the 7631
following: 7632

(1) A detailed description of the project that is the subject 7633
of the agreement, including the amount of the investment, the 7634
period over which the investment has been or is being made, ~~and~~ 7635

at the project site. 7637

employment positions as specified in division (A)(3) of this 7639
section. 7640~~

~~(3) The term and percentage of the tax credit, and the first 7641
year for which the credit may be claimed. 7642~~

~~(4), and the anticipated income tax revenue to be generated. 7643~~

number of ~~full-time employment positions~~ full-time equivalent 7651
employees at the project site and within this state for the term 7652
of the credit, including a requirement that the taxpayer continue 7653
to employ at least ~~one thousand employees in full-time employment~~ 7654
~~positions at the project site during the entire term of any~~ 7655
~~agreement, subject to division (E)(7) of this section. 7656~~~~

~~(6) five hundred full-time equivalent employees during the 7657
entire term of the agreement. 7658~~

(5) A requirement that the taxpayer annually report to the 7659

director of development ~~the number of full time employment~~ 7660
~~positions subject to the credit, the amount of tax withheld from~~ 7661
~~employees in those positions, the amount of the payments made for~~ 7662
~~the employment, tax withholding, capital investment project, and~~ 7663
~~any other information the director needs to perform the director's~~ 7664

shall issue a certificate to the taxpayer stating that the 7670
information has been verified and identifying the amount of the 7671
credit for the taxable year or calendar year that includes the tax 7672
period. ~~Unless otherwise specified by the tax credit authority in~~ 7673
~~a resolution and included as part of the agreement, the director~~ 7674
~~shall not issue a certificate for any year in which the total~~ 7675
~~number of filled full time employment positions for each day of~~ 7676
~~the calendar year divided by three hundred sixty five is less than~~ 7677
~~ninety per cent of the full time employment positions specified in~~ 7678
~~division (E)(5) of this section. In determining the number of~~ 7679
full-time ~~employment positions~~ equivalent employees, no position 7680
shall be counted that is filled by an employee who is included in 7681
the calculation of a tax credit under section 122.17 of the 7682
Revised Code. 7683

~~(8)(a)~~ A provision requiring that the taxpayer, except as 7684
~~otherwise provided in division (E)(8)(b) of this section, shall~~ 7685
~~not relocate employment positions from elsewhere in this state to~~ 7686
~~the project site that is the subject of the agreement for the~~ 7687
~~lesser of five years from the date the agreement is entered into~~ 7688
~~or the number of years the taxpayer is entitled to claim the~~ 7689
~~credit.~~ 7690

~~(b)~~ The taxpayer may relocate employment positions from 7691

~~elsewhere in this state to the project site that is the subject of 7692
the agreement if the director of development determines both of 7693
the following: 7694~~

~~(i) That the site from which the employment positions would 7695
be relocated is inadequate to meet market and industry conditions, 7696
expansion plans, consolidation plans, or other business 7697
considerations affecting the taxpayer; 7698~~

~~(ii) That (7) A provision providing that the taxpayer may not 7699
relocate a substantial number of employment positions from 7700
elsewhere in this state to the project site unless the director of 7701
development determines that the taxpayer notified the legislative 7702
authority of the county, township, or municipal corporation from 7703
which the employment positions would be relocated has been 7704
notified of the relocation. 7705~~

For purposes of this section, the movement of an employment 7706
position from one political subdivision to another political 7707
subdivision shall be considered a relocation of an employment 7708
position unless the movement is confined to the project site. The 7709
transfer of an ~~individual employee~~ employment position from one 7710
political subdivision to another political subdivision shall not 7711
be considered a relocation of an employment position ~~as long as 7712
the individual's employment position in the first political 7713
subdivision is refilled. 7714~~

~~(9) if the employment position in the first political 7715
subdivision is replaced by another employment position. 7716~~

(8) A waiver by the taxpayer of any limitations periods 7717
relating to assessments or adjustments resulting from the 7718
taxpayer's failure to comply with the agreement. 7719

(F) If a taxpayer fails to meet or comply with any condition 7720
or requirement set forth in a tax credit agreement, the tax credit 7721
authority may amend the agreement to reduce the percentage or term 7722

of the credit. The reduction of the percentage or term ~~shall take~~ 7723
~~effect (1) in the taxable year immediately following the taxable~~ 7724
~~year in which the authority amends the agreement or the director~~ 7725
~~of development notifies the taxpayer in writing of such failure,~~ 7726
~~or (2) in the first tax period beginning in the calendar year~~ 7727
~~immediately following the calendar year in which the authority~~ 7728
~~amends the agreement or the director notifies the taxpayer in~~ 7729
~~writing of such failure. If the taxpayer fails to annually report~~ 7730
~~any of the information required by division (E)(6) of this section~~ 7731
~~within the time required by the director, the reduction of the~~ 7732
~~percentage or term may take effect in the current taxable year. If~~ 7733
~~the taxpayer relocates employment positions in violation of the~~ 7734
~~provision required under division (E)(8)(a) of this section, the~~ 7735
~~taxpayer shall not claim the tax credit under section 5733.0610 of~~ 7736
~~the Revised Code for any tax years following the calendar year in~~ 7737
~~which the relocation occurs, shall not claim the tax credit under~~ 7738
~~section 5747.058 of the Revised Code for the taxable year in which~~ 7739
~~the relocation occurs and any subsequent taxable years, and shall~~ 7740
~~not claim the tax credit under division (A) of section 5751.50 of~~ 7741
~~the Revised Code for the tax period in which the relocation occurs~~ 7742
~~and any subsequent tax periods may take effect in the current~~ 7743
~~taxable or calendar year.~~ 7744

(G) Financial statements and other information submitted to 7745
the department of development or the tax credit authority by an 7746
applicant for or recipient of a tax credit under this section, and 7747
any information taken for any purpose from such statements or 7748
information, are not public records subject to section 149.43 of 7749
the Revised Code. However, the chairperson of the authority may 7750
make use of the statements and other information for purposes of 7751
issuing public reports or in connection with court proceedings 7752
concerning tax credit agreements under this section. Upon the 7753
request of the tax commissioner, or the superintendent of 7754
insurance in the case of an insurance company, the chairperson of 7755

the authority shall provide to the commissioner or superintendent 7756
any statement or other information submitted by an applicant for 7757
or recipient of a tax credit in connection with the credit. The 7758
commissioner or superintendent shall preserve the confidentiality 7759
of the statement or other information. 7760

(H) A taxpayer claiming a tax credit under this section shall 7761
submit to the tax commissioner or, in the case of an insurance 7762
company, to the superintendent of insurance, a copy of the 7763
director of development's certificate of verification under 7764
division (E)~~(7)~~(6) of this section with the taxpayer's tax report 7765
or return for the taxable year or for the calendar year that 7766
includes the tax period. Failure to submit a copy of the 7767
certificate with the report or return does not invalidate a claim 7768
for a credit if the taxpayer submits a copy of the certificate to 7769
the commissioner or superintendent within sixty days after the 7770
commissioner or superintendent requests it. 7771

(I) For the purposes of this section, a taxpayer may include 7772
a partnership, a corporation that has made an election under 7773
subchapter S of chapter one of subtitle A of the Internal Revenue 7774
Code, or any other business entity through which income flows as a 7775
distributive share to its owners. A partnership, S-corporation, or 7776
other such business entity may elect to pass the credit received 7777
under this section through to the persons to whom the income or 7778
profit of the partnership, S-corporation, or other entity is 7779
distributed. The election shall be made on the annual report 7780
required under division (E)~~(6)~~(5) of this section. The election 7781
applies to and is irrevocable for the credit for which the report 7782
is submitted. If the election is made, the credit shall be 7783
apportioned among those persons in the same proportions as those 7784
in which the income or profit is distributed. 7785

(J) If the director of development determines that a taxpayer 7786
that received a tax credit under this section is not complying 7787

with the requirement under division (E)~~(4)~~(3) of this section, the 7788
director shall notify the tax credit authority of the 7789
noncompliance. After receiving such a notice, and after giving the 7790
taxpayer an opportunity to explain the noncompliance, the 7791
authority may terminate the agreement and require the taxpayer to 7792
refund to the state all or a portion of the credit claimed in 7793
previous years, as follows: 7794

(1) If the taxpayer maintained operations at the project site 7795
for less than or equal to the term of the credit, ~~the amount~~ 7796
~~required to be refunded shall not exceed the amount~~ an amount not 7797
to exceed one hundred per cent of the sum of any tax credits 7798
~~previously~~ allowed and received under this section. 7799

(2) If the taxpayer maintained operations at the project site 7800
longer than the term of the credit, but less than the greater of 7801
(a) the term of the credit plus three years, or (b) seven years, 7802
the amount required to be refunded shall not exceed ~~fifty~~ 7803
seventy-five per cent of the sum of any tax credits ~~previously~~ 7804
allowed and received under this section. 7805

In determining the portion of the credit to be refunded to 7806
this state, the authority shall consider the effect of market 7807
conditions on the taxpayer's project and whether the taxpayer 7808
continues to maintain other operations in this state. After making 7809
the determination, the authority shall certify the amount to be 7810
refunded to the tax commissioner. ~~The~~ or the superintendent of 7811
insurance. If the taxpayer is not an insurance company, the 7812
commissioner shall make an assessment for that amount against the 7813
taxpayer under Chapter 5733., 5747., or 5751. of the Revised Code. 7814
If the taxpayer is an insurance company, the superintendent of 7815
insurance shall make an assessment under section 5725.222 or 7816
5729.102 of the Revised Code. The time limitations on assessments 7817
under those chapters and sections do not apply to an assessment 7818
under this division, but the commissioner or superintendent shall 7819

make the assessment within one year after the date the authority 7820
certifies to the commissioner or superintendent the amount to be 7821
refunded. 7822

~~If the director of development determines that a taxpayer 7823
that received a tax credit under this section has reduced the 7824
number of employees agreed to under division (E)(5) of this 7825
section by more than ten per cent, the director shall notify the 7826
tax credit authority of the noncompliance. After receiving such 7827
notice, and after providing the taxpayer an opportunity to explain 7828
the noncompliance, the authority may amend the agreement to reduce 7829
the percentage or term of the tax credit. The reduction in the 7830
percentage or term shall take effect in the taxable year, or in 7831
the calendar year that includes the tax period, in which the 7832
authority amends the agreement. 7833~~

(K) The director of development, after consultation with the 7834
tax commissioner and the superintendent of insurance and in 7835
accordance with Chapter 119. of the Revised Code, shall adopt 7836
rules necessary to implement this section. The rules may provide 7837
for recipients of tax credits under this section to be charged 7838
fees to cover administrative costs of the tax credit program. The 7839
fees collected shall be credited to the tax incentive programs 7840
operating fund created in section 122.174 of the Revised Code. At 7841
the time the director gives public notice under division (A) of 7842
section 119.03 of the Revised Code of the adoption of the rules, 7843
the director shall submit copies of the proposed rules to the 7844
chairpersons of the standing committees on economic development in 7845
the senate and the house of representatives. 7846

(L) On or before the ~~thirty-first~~ first day of ~~March~~ August 7847
of each year, the director of development shall submit a report to 7848
the governor, the president of the senate, and the speaker of the 7849
house of representatives on the tax credit program under this 7850
section. The report shall include information on the number of 7851

agreements that were entered into under this section during the 7852
preceding calendar year, a description of the project that is the 7853
subject of each such agreement, and an update on the status of 7854
projects under agreements entered into before the preceding 7855
calendar year. 7856

~~(M)(1) A nonrefundable credit shall be allowed to an 7857
applicable corporation and its related members in an amount equal 7858
to the applicable difference. The credit is in addition to the 7859
credit granted to the corporation or related members under 7860
division (B) of this section. The credit is subject to divisions 7861
(B) to (E) and division (J) of this section. 7862~~

~~(2) A person qualifying as an applicable corporation under 7863
this section for a tax year does not necessarily qualify as an 7864
applicable corporation for any other tax year. No person is 7865
entitled to the credit allowed under division (M) of this section 7866
for the tax year immediately following the taxable year during 7867
which the person fails to meet the requirements in divisions 7868
(A)(6)(a)(i) and (A)(6)(b) of this section. No person is entitled 7869
to the credit allowed under division (M) of this section for any 7870
tax year for which the person is not eligible for the credit 7871
provided under division (B) of this section. The aggregate amount 7872
of tax credits issued under this section during any calendar year 7873
for capital investment projects reviewed and approved by the tax 7874
credit authority may not exceed the following amounts: 7875~~

~~(1) For 2010, thirteen million dollars; 7876~~

~~(2) For 2011 through 2023, the amount of the limit for the 7877
preceding calendar year plus thirteen million dollars; 7878~~

~~(3) For 2024 and each year thereafter, one hundred 7879
ninety-five million dollars. 7880~~

~~The foregoing annual limitations do not apply to credits for 7881
capital investment projects approved by the tax credit authority 7882~~

before July 1, 2009. 7883

with this division. 7909

(4) Any member of the council is eligible for reappointment. 7910

(5) As a term of a member of the council appointed by the 7911

section, any member appointed to fill a vacancy occurring prior to 7915

appointed shall hold office for the remainder of the predecessor's 7917
term. 7918

(7) Any member shall continue in office subsequent to the 7919

as the case may be, or a member of the senate or of the house of 7941
representatives, of the same political party as the development 7942
financing advisory council member, designated by the president of 7943

the senate or the speaker of the house. 7944

account an amount of its own funds equal to the amount of the fee. 7968
The participating financial institution may recover from the 7969
eligible business all or part of the amount that the participating 7970
financial institution is required to deposit into the account 7971
under this division in any manner agreed to by the participating 7972
financial institution and the eligible business. 7973

certification also shall indicate if the eligible business 7983
receiving the capital access loan is a minority business 7984
enterprise as defined in section 122.71 of the Revised Code. 7985

(D)(1)(a) Upon receipt of each of the first three 7986

participating financial institution's program reserve account. 7993
Thereafter, upon receipt of a certification from that 7994
participating financial institution made under division (C) of 7995
this section and subject to section 122.602 of the Revised Code, 7996
the director shall disburse to the participating financial 7997

before January 1, 2014, may certify a motion picture produced by a 8250
motion picture production company as a tax credit-eligible 8251

The director of development shall not certify a motion 8261
picture production as a tax credit-eligible production unless the 8262
motion picture production company and a financially responsible 8263
affiliate of the company formally agree to reimburse this state 8264
for the amount of tax credits allowed and claimed under section 8265
5747.66 of the Revised Code on the basis of expenditures that are 8266
certified under division (H) of this section but thereafter are 8267
determined not to qualify as eligible production expenditures. The 8268
reimbursement shall be in a form and amount acceptable to the 8269
director of development. For the purposes of this division, a 8270
financially responsible affiliate of a motion picture production 8271
company is a person related to the motion picture production 8272
company by direct or indirect ownership or control of a majority 8273

director of development determines to be financially capable of 8275
reimbursing this state as required by this division. 8276

following information: 8281

<u>(4) The total production budget of the motion picture;</u>	8288
<u>(5) The amount expended in this state by the company directly</u>	8289
<u>for the production and the percentage that amount is of the total</u>	8290
<u>production budget of the motion picture;</u>	8291
<u>(6) The total percentage of principal photography of the</u>	8292
<u>motion picture being shot in Ohio;</u>	8293
<u>(7) The level of employment of cast and crew who reside in</u>	8294
<u>Ohio;</u>	8295
<u>(8) A synopsis of the script;</u>	8296
<u>(9) A creative elements list that includes the names of the</u>	8297
<u>principal cast and crew, and the producer and director.</u>	8298
<u>(D) Upon application by a qualifying investor, the director</u>	8299
<u>of development shall determine the qualifying investor's base</u>	8300
<u>investment, and shall issue a tax credit certificate to the</u>	8301
<u>qualifying investor. The director shall prescribe the form and</u>	8302
<u>manner of the application; the information or documentation</u>	8303
<u>required to be submitted with the application; and the form and</u>	8304
<u>manner of issuing the certificate. The director shall assign a</u>	8305
<u>unique identifying number to each tax credit certificate and shall</u>	8306
<u>record the certificate in a register devised and maintained by the</u>	8307
<u>director for that purpose. The certificate shall state the amount</u>	8308
<u>of the qualifying investor's base investment and the total amount</u>	8309
<u>of the credit allowed, which shall equal twenty-five per cent of</u>	8310

<u>per year, and not more than twenty-five million dollars in tax</u>	8313
<u>credit certificates may be issued per tax credit-eligible</u>	8314
<u>production.</u>	8315

The credit amount shall be determined under this division on 8316
the basis of the base investment and on the basis of the eligible 8317
production expenditures as finally determined under division (H) 8318
of this section. Once the eligible production expenditures are 8319
finally determined under that division, the credit amount is not 8320
subject to adjustment unless the base investment amount is 8321
adjusted or unless an error was committed in the computation of 8322
the credit amount. 8323

(E) If a qualifying investor is a pass-through entity as 8324
defined in section 5733.04 of the Revised Code, the pass-through 8325
entity may allocate the credit amount among persons with an equity 8326
interest in the entity in any proportion or manner provided in the 8327
partnership agreement or other governing instrument of the entity, 8328
notwithstanding any application of the principles of section 704 8329
of the Internal Revenue Code. Upon allocation, the persons to 8330
which the credit is allocated become the certificate owners of 8331
their respective allocated shares of the credit. The pass-through 8332
entity shall certify to the transfer agent the allocated share 8333
allocated to each such person and provide such information as is 8334
necessary to allow the transfer agent to provide the statements 8335
and certifications required under division (G) of this section. 8336

(F) Any certificate owner may transfer to any other person 8337
all or a portion of the credit amount owned by the certificate 8338
owner. Upon transfer, the transferee becomes the certificate owner 8339
of the credit amount transferred. The transferor shall notify the 8340
transfer agent of each transfer made by the transferor in 8341
accordance with rules prescribed by the director of development. 8342
The rules shall require the transferor to provide to the transfer 8343
agent the identity of the transferee and the unique identifying 8344
number assigned to the tax credit certificate that corresponds 8345
with the credit amount transferred. 8346

(G) Each motion picture production company that has a motion 8347

picture production certified as a tax credit-eligible production 8348
shall designate itself or another person as the transfer agent for 8349
the purpose of providing the statements and certifications 8350
required under this division. Upon making the designation, the 8351
motion picture production company shall provide notice of the 8352
designation to each certificate owner of a certificate issued with 8353
respect to investments made in the company's motion picture 8354
production. Before claiming a credit under section 5747.66 of the 8355
Revised Code, a certificate owner shall request from the transfer 8356
agent a statement certifying the certificate owner's share of the 8357
credit amount, and the transfer agent shall provide the statement 8358
to the certificate owner. The statement shall be in a form 8359
prescribed by the director of development. The transfer agent also 8360
shall provide a statement to the tax commissioner showing the 8361
identity of the certificate owner and the certificate owner's 8362
share of the credit amount. The statement shall be in a form 8363
prescribed by the tax commissioner. A tax credit may not be 8364
claimed by a certificate owner unless the transfer agent issues 8365
the statement to the certificate owner. 8366

(H) Each motion picture production company that has a motion 8367
picture production certified as a tax credit-eligible production 8368
shall engage, at the company's expense, an independent certified 8369
public accountant to examine the company's production expenditures 8370
to identify the expenditures that qualify as eligible production 8371
expenditures. The certified public accountant shall issue a report 8372
to the company and to the director of development certifying the 8373
company's eligible production expenditures and any other 8374
information required by the director. Upon receiving and examining 8375
the report, the director may disallow any expenditure the director 8376
determines is not an eligible production expense. If the director 8377
disallows an expenditure, the director, not later than thirty days 8378
after receiving the report, shall issue a written notice to the 8379
motion picture production company stating that the expenditure is 8380

disallowed, the reason for the disallowance, and the manner in 8381
which an appeal of the disallowance may be made. If the director 8382
does not issue the notice within the prescribed time, the eligible 8383
production expenditures certified by the certified public 8384
accountant's report are conclusively determined to be the eligible 8385
production expenditures on the basis of which base investments are 8386
determined and the credit is allowed under section 5747.66 of the 8387
Revised Code. 8388

The company, not later than thirty days after issuance of the 8389
notice, may appeal the disallowance by filing a notice of appeal 8390
with the director. If a notice of appeal is properly and timely 8391
filed, the director shall schedule a hearing on the appeal. The 8392
company shall be given the opportunity to present evidence and 8393
testimony at the hearing regarding the disallowed expenditures. 8394
The hearing may be continued from time to time as necessary. On 8395
the basis of evidence or testimony presented by the company, the 8396
director, within thirty days after the conclusion of the hearing, 8397
may revise or affirm the initial notice of disallowance of 8398
expenditures and issue a final notice to the company stating the 8399
revision or affirmation. The director's final notice is not 8400
appealable. 8401

(I)(1) No credit shall be allowed under section 5747.66 of 8402
the Revised Code on the basis of any expenditure unless the 8403
expenditure has been certified by a certified public accountant 8404
under division (H) of this section and has not been disallowed by 8405
the director of development under that division. 8406

(2) A credit shall not be disallowed under section 5747.66 of 8407
the Revised Code if, after the director of development issues the 8408
final notice under division (H) of this section, it is discovered 8409
that the credit is claimed on the basis of expenditures that do 8410
not qualify as eligible production expenditures but that were 8411
certified as eligible production expenditures by the certified 8412

public accountant and not disallowed by the director. 8413

(J) This state reserves the right to refuse the use of this 8414
state's name in the credits of any tax credit-eligible motion 8415
picture production. 8416

(K) The director of development shall adopt rules for the 8417
administration of this section, including rules governing the 8418
criteria for determining whether a motion picture production is a 8419
tax credit eligible production, which criteria shall be developed 8420
by the director in consultation with the tax commissioner; 8421
expenditures that qualify as eligible production expenditures; the 8422
form and manner of certifications by transfer agents; 8423
reimbursement requirements under division (B) of this section; and 8424
the appeal procedure under division (H) of this section. The rules 8425
shall be adopted under Chapter 119. of the Revised Code. 8426

Sec. 122.89. (A) The director of development may execute 8427
bonds as surety for minority businesses as principals, on 8428
contracts with the state, any political subdivision or 8429
instrumentality thereof, or any person as the obligee. The 8430
director as surety may exercise all the rights and powers of a 8431
company authorized by the department of insurance to execute bonds 8432
as surety but shall not be subject to any requirements of a surety 8433
company under Title XXXIX of the Revised Code nor to any rules of 8434
the department of insurance. 8435

(B) The director, with the advice of the minority development 8436
financing advisory board, shall adopt rules under Chapter 119. of 8437
the Revised Code establishing procedures for application for 8438
surety bonds by minority businesses and for review and approval of 8439
applications. The board shall review each application in 8440
accordance with the rules and, based on the bond worthiness of 8441
each applicant, shall refer all qualified applicants to the 8442
director. Based on the recommendation of the board, the director 8443

shall determine whether or not the applicant shall receive 8444
bonding. 8445

~~(C) The rules of the board shall provide that the minority 8446

The amount of an employee's service shall be determined in 9157
accordance with the standard specified in section 9.44 of the 9158
Revised Code. Credit for prior service, including an increased 9159
vacation accrual rate and longevity supplement, shall take effect 9160
during the first pay period that begins immediately following the 9161

date the director of administrative services approves granting 9162
credit for that prior service. No employee, other than an employee 9163
who submits proof of prior service within ninety days after the 9164
date of the employee's hiring, shall receive any amount of 9165
vacation leave for the period prior to the date of the director's 9166
approval of the grant of credit for prior service. 9167

Part-time permanent employees who are paid in accordance with 9168

employees subject to this section who are in active pay status for 9170
less than eighty hours in a pay period shall earn vacation leave 9171
on a prorated basis. The ratio between the hours worked and the 9172
vacation hours earned by these classes of employees shall be the 9173
same as the ratio between the hours worked and the vacation hours 9174
earned by a full-time permanent employee with the same amount of 9175
service as provided for in this section. 9176

Vacation leave is not available for use until it appears on 9177
the employee's earning statement and the compensation described in 9178
the earning statement is available to the employee. An employee 9179
may begin using accrued vacation leave upon completion of the 9180
employee's initial probation period. 9181

(B) Employees granted leave under this section shall forfeit 9182
their right to take or to be paid for any vacation leave to their 9183
credit which is in excess of the accrual for three years. Any 9184
excess leave shall be eliminated from the employees' leave 9185
balance. If an employee's vacation leave credit is at, or will 9186
reach in the immediately following pay period, the maximum of the 9187
accrual for three years and the employee has been denied the use 9188
of vacation leave during the immediately preceding twelve months, 9189
the employee, at the employee's request, shall be paid in a pay 9190
period for the vacation leave the employee was denied, up to the 9191
maximum amount the employee would be entitled to be paid for in 9192
any pay period. An employee is not entitled to receive payment for 9193

vacation leave denied in any pay period in which the employee's 9194
vacation leave credit is not at, or will not reach in the 9195
immediately following pay period, the maximum of accrual for three 9196
years. Any vacation leave for which an employee receives payment 9197
shall be deducted from the employee's vacation leave balance. 9198
Payment shall not be made for any leave accrued in the same 9199
calendar year in which the payment is made. 9200

(C) Upon separation from state service, an employee granted 9201
leave under this section is entitled to compensation at the 9202
employee's current rate of pay for all unused vacation leave 9203
accrued under this section or section 124.13 of the Revised Code 9204
to the employee's credit. In case of transfer of an employee from 9205
one state agency to another, the employee shall retain the accrued 9206
and unused vacation leave. In case of the death of an employee, 9207
the unused vacation leave shall be paid in accordance with section 9208
2113.04 of the Revised Code, or to the employee's estate. An 9209
employee serving in a temporary work level who is eligible to 9210
receive compensation under this division shall be compensated at 9211
the base rate of pay of the employee's normal classification. 9212

Sec. 124.14. (A)(1) The director of administrative services 9213
shall establish, and may modify or rescind, by rule, a job 9214
classification plan for all positions, offices, and employments 9215
the salaries of which are paid in whole or in part by the state. 9216
The director shall group jobs within a classification so that the 9217
positions are similar enough in duties and responsibilities to be 9218
described by the same title, to have the same pay assigned with 9219
equity, and to have the same qualifications for selection applied. 9220
The director shall, by rule, assign a classification title to each 9221
classification within the classification plan. However, the 9222
director shall consider in establishing classifications, including 9223
classifications with parenthetical titles, and assigning pay 9224
ranges such factors as duties performed only on one shift, special 9225

skills in short supply in the labor market, recruitment problems, 9226
separation rates, comparative salary rates, the amount of training 9227
required, and other conditions affecting employment. The director 9228
shall describe the duties and responsibilities of the class, 9229
establish the qualifications for being employed in each position 9230
in the class, and file with the secretary of state a copy of 9231
specifications for all of the classifications. The director shall 9232
file new, additional, or revised specifications with the secretary 9233
of state before they are used. 9234

The director shall, by rule, assign each classification, 9235
either on a statewide basis or in particular counties or state 9236
institutions, to a pay range established under section 124.15 or 9237
section 124.152 of the Revised Code. The director may assign a 9238
classification to a pay range on a temporary basis for a period of 9239
six months. The director may establish, by rule adopted under 9240
Chapter 119. of the Revised Code, experimental classification 9241
plans for some or all employees paid directly by warrant of the 9242
director of budget and management. The rule shall include 9243
specifications for each classification within the plan and shall 9244
specifically address compensation ranges, and methods for 9245
advancing within the ranges, for the classifications, which may be 9246
assigned to pay ranges other than the pay ranges established under 9247
section 124.15 or 124.152 of the Revised Code. 9248

(2) The director of administrative services may reassign to a 9249
proper classification those positions that have been assigned to 9250
an improper classification. If the compensation of an employee in 9251
such a reassigned position exceeds the maximum rate of pay for the 9252
employee's new classification, the employee shall be placed in pay 9253
step X and shall not receive an increase in compensation until the 9254
maximum rate of pay for that classification exceeds the employee's 9255
compensation. 9256

(3) The director may reassign an exempt employee, as defined 9257

in section 124.152 of the Revised Code, to a bargaining unit 9258
classification if the director determines that the bargaining unit 9259
classification is the proper classification for that employee. 9260
Notwithstanding Chapter 4117. of the Revised Code or instruments 9261
and contracts negotiated under it, these placements are at the 9262
director's discretion. 9263

(4) The director shall, by rule, assign related 9264
classifications, which form a career progression, to a 9265
classification series. The director shall, by rule, assign each 9266
classification in the classification plan a five-digit number, the 9267
first four digits of which shall denote the classification series 9268
to which the classification is assigned. When a career progression 9269
encompasses more than ten classifications, the director shall, by 9270
rule, identify the additional classifications belonging to a 9271
classification series. The additional classifications shall be 9272
part of the classification series, notwithstanding the fact that 9273
the first four digits of the number assigned to the additional 9274
classifications do not correspond to the first four digits of the 9275
numbers assigned to other classifications in the classification 9276
series. 9277

(5) The director, ~~in accordance with rules adopted under~~ 9278
~~Chapter 119. of the Revised Code, shall establish, and may~~ 9279
establish, modify, or rescind, a classification plan for county 9280
agencies that elect not to use the services and facilities of a 9281
county personnel department. The director shall establish any such 9282
classification plan by means of rules adopted under Chapter 119. 9283
of the Revised Code. The rules shall include a methodology for the 9284
establishment of titles unique to county agencies, the use of 9285
state classification titles and classification specifications for 9286
common positions, the criteria for a county to meet in 9287
establishing its own classification plan, and the establishment of 9288
what constitutes a classification series for county agencies. The 9289

director may assess a county agency that chooses to use the 9290
classification plan a usage fee the director determines. All usage 9291
fees the department of administrative services receives shall be 9292
paid into the state treasury to the credit of the human resources 9293
fund created in section 124.07 of the Revised Code. 9294

(B) Division (A) of this section and sections 124.15 and 9295
124.152 of the Revised Code do not apply to the following persons, 9296
positions, offices, and employments: 9297

(1) Elected officials; 9298

(2) Legislative employees, employees of the legislative 9299
service commission, employees in the office of the governor, 9300
employees who are in the unclassified civil service and exempt 9301
from collective bargaining coverage in the office of the secretary 9302
of state, auditor of state, treasurer of state, and attorney 9303
general, and employees of the supreme court; 9304

(3) Employees of a county children services board that 9305
establishes compensation rates under section 5153.12 of the 9306
Revised Code; 9307

(4) Any position for which the authority to determine 9308
compensation is given by law to another individual or entity; 9309

(5) Employees of the bureau of workers' compensation whose 9310
compensation the administrator of workers' compensation 9311
establishes under division (B) of section 4121.121 of the Revised 9312
Code. 9313

(C) The director may employ a consulting agency to aid and 9314
assist the director in carrying out this section. 9315

(D)(1) When the director proposes to modify a classification 9316
or the assignment of classes to appropriate pay ranges, the 9317
director shall send written notice of the proposed rule to the 9318
appointing authorities of the affected employees thirty days 9319

before a hearing on the proposed rule. The appointing authorities 9320
shall notify the affected employees regarding the proposed rule. 9321
The director also shall send those appointing authorities notice 9322
of any final rule that is adopted within ten days after adoption. 9323

(2) When the director proposes to reclassify any employee so 9324
that the employee is adversely affected, the director shall give 9325
to the employee affected and to the employee's appointing 9326
authority a written notice setting forth the proposed new 9327
classification, pay range, and salary. Upon the request of any 9328
classified employee who is not serving in a probationary period, 9329
the director shall perform a job audit to review the 9330
classification of the employee's position to determine whether the 9331
position is properly classified. The director shall give to the 9332
employee affected and to the employee's appointing authority a 9333
written notice of the director's determination whether or not to 9334
reclassify the position or to reassign the employee to another 9335
classification. An employee or appointing authority desiring a 9336
hearing shall file a written request for the hearing with the 9337
state personnel board of review within thirty days after receiving 9338
the notice. The board shall set the matter for a hearing and 9339
notify the employee and appointing authority of the time and place 9340
of the hearing. The employee, the appointing authority, or any 9341
authorized representative of the employee who wishes to submit 9342
facts for the consideration of the board shall be afforded 9343
reasonable opportunity to do so. After the hearing, the board 9344
shall consider anew the reclassification and may order the 9345
reclassification of the employee and require the director to 9346

employees covered by those agreements should also be provided to 9715
employees in the service of the state who are exempt from 9716
collective bargaining coverage and are paid in accordance with 9717
section 124.152 of the Revised Code or are listed in division 9718
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 9719
the review, the director of administrative services, with the 9720
approval of the director of budget and management, may provide to 9721
some or all of these employees any payment or benefit, except for 9722
salary, contained in such a collective bargaining agreement even 9723
if it is similar to a payment or benefit already provided by law 9724
to some or all of these employees. Any payment or benefit so 9725
provided shall not exceed the highest level for that payment or 9726
benefit specified in such a collective bargaining agreement. The 9727
director of administrative services shall not provide, and the 9728
director of budget and management shall not approve, any payment 9729
or benefit to such an employee under this division unless the 9730
payment or benefit is provided pursuant to a collective bargaining 9731
agreement to a state employee who is in a position with similar 9732
duties as, is supervised by, or is employed by the same appointing 9733
authority as, the employee to whom the benefit or payment is to be 9734
provided. 9735

As used in this division, "payment or benefit already 9736

provided by law" includes, but is not limited to, bereavement, 9737
personal, vacation, administrative, and sick leave, disability 9738
benefits, holiday pay, and pay supplements provided under the 9739
Revised Code, but does not include wages or salary. 9740

(E) New employees paid in accordance with schedule B of 9741
division (A) of this section or schedule E-1 of section 124.152 of 9742
the Revised Code shall be employed at the minimum rate established 9743
for the range unless otherwise provided. Employees with 9744
qualifications that are beyond the minimum normally required for 9745
the position and that are determined by the director to be 9746
exceptional may be employed in, or may be transferred or promoted 9747
to, a position at an advanced step of the range. Further, in time 9748
of a serious labor market condition when it is relatively 9749
impossible to recruit employees at the minimum rate for a 9750
particular classification, the entrance rate may be set at an 9751
advanced step in the range by the director of administrative 9752
services. This rate may be limited to geographical regions of the 9753
state. Appointments made to an advanced step under the provision 9754
regarding exceptional qualifications shall not affect the step 9755
assignment of employees already serving. However, anytime the 9756
hiring rate of an entire classification is advanced to a higher 9757
step, all incumbents of that classification being paid at a step 9758
lower than that being used for hiring, shall be advanced beginning 9759
at the start of the first pay period thereafter to the new hiring 9760
rate, and any time accrued at the lower step will be used to 9761
calculate advancement to a succeeding step. If the hiring rate of 9762
a classification is increased for only a geographical region of 9763
the state, only incumbents who work in that geographical region 9764
shall be advanced to a higher step. When an employee in the 9765
unclassified service changes from one state position to another or 9766
is appointed to a position in the classified service, or if an 9767
employee in the classified service is appointed to a position in 9768
the unclassified service, the employee's salary or wage in the new 9769

position shall be determined in the same manner as if the employee 9770
were an employee in the classified service. When an employee in 9771
the unclassified service who is not eligible for step increases is 9772
appointed to a classification in the classified service under 9773
which step increases are provided, future step increases shall be 9774
based on the date on which the employee last received a pay 9775
increase. If the employee has not received an increase during the 9776
previous year, the date of the appointment to the classified 9777
service shall be used to determine the employee's annual step 9778
advancement eligibility date. In reassigning any employee to a 9779
classification resulting in a pay range increase or to a new pay 9780
range as a result of a promotion, an increase pay range 9781
adjustment, or other classification change resulting in a pay 9782
range increase, the director shall assign such employee to the 9783
step in the new pay range that will provide an increase of 9784
approximately four per cent if the new pay range can accommodate 9785
the increase. When an employee is being assigned to a 9786
classification or new pay range as the result of a class plan 9787
change, if the employee has completed a probationary period, the 9788
employee shall be placed in a step no lower than step two of the 9789
new pay range. If the employee has not completed a probationary 9790
period, the employee may be placed in step one of the new pay 9791
range. Such new salary or wage shall become effective on such date 9792
as the director determines. 9793

(F) If employment conditions and the urgency of the work 9794
require such action, the director of administrative services may, 9795
upon the application of a department head, authorize payment at 9796
any rate established within the range for the class of work, for 9797
work of a casual or intermittent nature or on a project basis. 9798
Payment at such rates shall not be made to the same individual for 9799
more than three calendar months in any one calendar year. Any such 9800
action shall be subject to the approval of the director of budget 9801
and management as to the availability of funds. This section and 9802

sections 124.14 and 124.152 of the Revised Code do not repeal any 9803
authority of any department or public official to contract with or 9804
fix the compensation of professional persons who may be employed 9805
temporarily for work of a casual nature or for work on a project 9806
basis. 9807

(G)(1) Except as provided in ~~division~~ divisions (G)(2) and 9808
(3) of this section, each state employee paid in accordance with 9809
schedule B of this section or schedule E-1 of section 124.152 of 9810
the Revised Code shall be eligible for advancement to succeeding 9811
steps in the range for the employee's class or grade according to 9812
the schedule established in this division. Beginning on the first 9813
day of the pay period within which the employee completes the 9814
prescribed probationary period in the employee's classification 9815
with the state, each employee shall receive an automatic salary 9816
adjustment equivalent to the next higher step within the pay range 9817
for the employee's class or grade. 9818

~~Each~~ Except as provided in divisions (G)(2) and (3) of this 9819
section, each employee paid in accordance with schedule E-1 of 9820
section 124.152 of the Revised Code shall be eligible to advance 9821
to the next higher step until the employee reaches the top step in 9822
the range for the employee's class or grade, if the employee has 9823
maintained satisfactory performance in accordance with criteria 9824
established by the employee's appointing authority. Those step 9825
advancements shall not occur more frequently than once in any 9826
twelve-month period. 9827

~~When an employee is promoted or reassigned to a higher pay~~ 9828
~~range, the employee's step indicator shall return to "0" or be~~ 9829
~~adjusted to account for a probationary period, as appropriate.~~ 9830
When an employee is promoted, the step entry date shall be set to 9831
account for a probationary period. When an employee is reassigned 9832
to a higher pay range, the step entry date shall be set to allow 9833
an employee who is not at the highest step of the range to receive 9834

a step advancement one year from the reassignment date. Step 9835
advancement shall not be affected by demotion. A promoted employee 9836
shall advance to the next higher step of the pay range on the 9837
first day of the pay period in which the required probationary 9838
period is completed. Step advancement shall become effective at 9839
the beginning of the pay period within which the employee attains 9840
the necessary length of service. Time spent on authorized leave of 9841
absence shall be counted for this purpose. 9842

If determined to be in the best interest of the state 9843
service, the director of administrative services may, either 9844
statewide or in selected agencies, adjust the dates on which 9845
annual step advancements are received by employees paid in 9846
accordance with schedule E-1 of section 124.152 of the Revised 9847
Code. 9848

~~(2)(a)(i) Except as provided in division (G)(2)(a)(ii) of~~ 9849
~~this section, there~~ There shall be a moratorium on annual step 9850
advancements under division (G)(1) of this section ~~from the pay~~ 9851
~~period beginning June 29, 2003~~ June 21, 2009, through ~~the pay~~ 9852
~~period ending June 25, 2005~~ June 20, 2011. Step advancements shall 9853
resume with the pay period beginning ~~June 26, 2005~~ June 21, 2011. 9854
Upon the resumption of step advancements, there shall be no 9855
retroactive step advancements for the period the moratorium was in 9856
effect. The moratorium shall not affect an employee's performance 9857
evaluation schedule. 9858

~~(ii) During the moratorium under division (G)(2)(a)(i) of~~ 9859
~~this section, an employee who is hired or promoted and serves a~~ 9860
~~probationary period in the employee's new position shall advance~~ 9861
~~to the next step in the employee's pay range upon successful~~ 9862
~~completion of the employee's probationary period. Thereafter, the~~ 9863
~~employee is subject to the moratorium.~~ An employee who begins a 9864
probationary period before June 21, 2009, shall advance to the 9865
next step in the employee's pay range at the end of probation, and 9866

then become subject to the moratorium. An employee who is hired, 9867
promoted, or reassigned to a higher pay range between June 21, 9868
2009, through June 20, 2011, shall not advance to the next step in 9869
the employee's pay range until the next anniversary of the 9870
employee's date of hire, promotion, or reassignment that occurs on 9871
or after June 21, 2011. 9872

(b) The moratorium under division (G)(2)(a)~~(i)~~ of this 9873
section shall apply to the employees of the secretary of state, 9874
the auditor of state, the treasurer of state, and the attorney 9875
general, who are subject to this section unless the secretary of 9876
state, the auditor of state, the treasurer of state, or the 9877
attorney general decides to exempt the office's employees from the 9878
moratorium and so notifies the director of administrative services 9879
in writing on or before ~~July 1, 2003~~ July 1, 2009. 9880

(3) Employees in intermittent positions shall be employed at 9881
the minimum rate established for the pay range for their 9882
classification and are not eligible for step advancements. 9883

(H) Employees in appointive managerial or professional 9884
positions paid in accordance with schedule C of this section or 9885
schedule E-2 of section 124.152 of the Revised Code may be 9886
appointed at any rate within the appropriate pay range. This rate 9887
of pay may be adjusted higher or lower within the respective pay 9888
range at any time the appointing authority so desires as long as 9889
the adjustment is based on the employee's ability to successfully 9890
administer those duties assigned to the employee. Salary 9891
adjustments shall not be made more frequently than once in any 9892
six-month period under this provision to incumbents holding the 9893
same position and classification. 9894

(I) When an employee is assigned to duty outside this state, 9895
the employee may be compensated, upon request of the department 9896
head and with the approval of the director of administrative 9897
services, at a rate not to exceed fifty per cent in excess of the 9898

employee's current base rate for the period of time spent on that 9899
duty. 9900

(J) Unless compensation for members of a board or commission 9901
is otherwise specifically provided by law, the director of 9902
administrative services shall establish the rate and method of 9903
payment for members of boards and commissions pursuant to the pay 9904
schedules listed in section 124.152 of the Revised Code. 9905

(K) Regular full-time employees in positions assigned to 9906
classes within the instruction and education administration series 9907
under the rules of the director of administrative services, except 9908
certificated employees on the instructional staff of the state 9909
school for the blind or the state school for the deaf, whose 9910
positions are scheduled to work on the basis of an academic year 9911
rather than a full calendar year, shall be paid according to the 9912
pay range assigned by such rules but only during those pay periods 9913
included in the academic year of the school where the employee is 9914
located. 9915

(1) Part-time or substitute teachers or those whose period of 9916
employment is other than the full academic year shall be 9917
compensated for the actual time worked at the rate established by 9918
this section. 9919

(2) Employees governed by this division are exempt from 9920
sections 124.13 and 124.19 of the Revised Code. 9921

(3) Length of service for the purpose of determining 9922
eligibility for step advancements as provided by division (G) of 9923
this section and for the purpose of determining eligibility for 9924
longevity pay supplements as provided by division (E) of section 9925
124.181 of the Revised Code shall be computed on the basis of one 9926
full year of service for the completion of each academic year. 9927

(L) The superintendent of the state school for the deaf and 9928
the superintendent of the state school for the blind shall, 9929

subject to the approval of the superintendent of public 9930
instruction, carry out both of the following: 9931

(1) Annually, between the first day of April and the last day 9932
of June, establish for the ensuing fiscal year a schedule of 9933
hourly rates for the compensation of each certificated employee on 9934
the instructional staff of that superintendent's respective school 9935
constructed as follows: 9936

(a) Determine for each level of training, experience, and 9937
other professional qualification for which an hourly rate is set 9938
forth in the current schedule, the per cent that rate is of the 9939
rate set forth in such schedule for a teacher with a bachelor's 9940
degree and no experience. If there is more than one such rate for 9941
such a teacher, the lowest rate shall be used to make the 9942
computation. 9943

(b) Determine which six city, local, and exempted village 9944
school districts with territory in Franklin county have in effect 9945
on, or have adopted by, the first day of April for the school year 9946
that begins on the ensuing first day of July, teacher salary 9947
schedules with the highest minimum salaries for a teacher with a 9948
bachelor's degree and no experience; 9949

(c) Divide the sum of such six highest minimum salaries by 9950
ten thousand five hundred sixty; 9951

(d) Multiply each per cent determined in division (L)(1)(a) 9952
of this section by the quotient obtained in division (L)(1)(c) of 9953
this section; 9954

(e) One hundred five per cent of each product thus obtained 9955
shall be the hourly rate for the corresponding level of training, 9956
experience, or other professional qualification in the schedule 9957
for the ensuing fiscal year. 9958

(2) Annually, assign each certificated employee on the 9959
instructional staff of the superintendent's respective school to 9960

an hourly rate on the schedule that is commensurate with the 9961
employee's training, experience, and other professional 9962
qualifications. 9963

If an employee is employed on the basis of an academic year, 9964
the employee's annual salary shall be calculated by multiplying 9965
the employee's assigned hourly rate times one thousand seven 9966
hundred sixty. If an employee is not employed on the basis of an 9967
academic year, the employee's annual salary shall be calculated in 9968
accordance with the following formula: 9969

(a) Multiply the number of days the employee is required to 9970
work pursuant to the employee's contract by eight; 9971

(b) Multiply the product of division (L)(2)(a) of this 9972
section by the employee's assigned hourly rate. 9973

Each employee shall be paid an annual salary in biweekly 9974
installments. The amount of each installment shall be calculated 9975
by dividing the employee's annual salary by the number of biweekly 9976
installments to be paid during the year. 9977

Sections 124.13 and 124.19 of the Revised Code do not apply 9978
to an employee who is paid under this division. 9979

As used in this division, "academic year" means the number of 9980
days in each school year that the schools are required to be open 9981
for instruction with pupils in attendance. Upon completing an 9982
academic year, an employee paid under this division shall be 9983
deemed to have completed one year of service. An employee paid 9984
under this division is eligible to receive a pay supplement under 9985
division (L)(1), (2), or (3) of section 124.181 of the Revised 9986
Code for which the employee qualifies, but is not eligible to 9987
receive a pay supplement under division (L)(4) or (5) of that 9988
section. An employee paid under this division is eligible to 9989
receive a pay supplement under division (L)(6) of section 124.181 9990
of the Revised Code for which the employee qualifies, except that 9991

the supplement is not limited to a maximum of five per cent of the 9992
employee's regular base salary in a calendar year. 9993

(M) Division (A) of this section does not apply to "exempt 9994
employees," as defined in section 124.152 of the Revised Code, who 9995
are paid under that section. 9996

Notwithstanding any other provisions of this chapter, when an 9997
employee transfers between bargaining units or transfers out of or 9998
into a bargaining unit, the director of administrative services 9999
shall establish the employee's compensation and adjust the maximum 10000
leave accrual schedule as the director deems equitable. 10001

Sec. 124.152. (A)(1) Except as provided in divisions (A)(2) 10002
and (3) of this section, each exempt employee shall be paid a 10003
salary or wage in accordance with schedule E-1 or schedule E-2 of 10004
division (B), ~~(C), or (D)~~ of this section, ~~as applicable.~~ 10005

(2) Each exempt employee who holds a position in the 10006
unclassified civil service pursuant to division (A)(26) or (30) of 10007
section 124.11 of the Revised Code may be paid a salary or wage in 10008
accordance with schedule E-1, schedule E-1 for step seven only, or 10009
schedule E-2 of division (B), or (C), ~~(D), (E), (F), or (G)~~ of 10010
this section, as applicable. 10011

(3)(a) Except as provided in division (A)(3)(b) of this 10012
section, each exempt employee who was paid a salary or wage at 10013
step 7 in the employee's pay range on June 28, 2003, in accordance 10014
with the applicable schedule E-1 of former section 124.152 of the 10015
Revised Code and who continued to be so paid on June 29, 2003, 10016
shall be paid a salary or wage in the corresponding pay range in 10017
schedule E-1 for step seven only of division ~~(E), (F), or (G)~~ (C) 10018
of this section, ~~as applicable,~~ for as long as the employee 10019
remains in the position the employee held as of July 1, 2003. 10020

(b) Except as provided in division (A)(3)(c) of this section, 10021

if an exempt employee who is being paid a salary or wage in 10022
accordance with schedule E-1 for step seven only of division ~~(E)~~, 10023
~~(F)~~, or ~~(G)~~ (C) of this section, ~~as applicable~~, moves to another 10024
position, the employee shall not receive a salary or wage for that 10025
position or any other position in the future in accordance with 10026
that schedule. 10027

in accordance with schedule E-1 for step seven only of division 10029
~~(E)~~, ~~(F)~~, or ~~(G)~~ (C) of this section, ~~as applicable~~, moves to 10030
another position assigned to pay range 12 or above, the appointing 10031
authority may assign the employee to be paid a salary or wage in 10032
the appropriate pay range for that position in accordance with the 10033
~~applicable~~ schedule E-1 for step seven only of division (C) of 10034
this section, provided that the appointing authority so notifies 10035
the director of administrative services in writing at the time the 10036
employee is appointed to that position. 10037

~~(B) Beginning on the first day of the pay period that 10038
includes July 1, 2006, each exempt employee who must be paid in 10039

~~(H)~~(D) As used in this section, "exempt employee" means a permanent full-time or permanent part-time employee paid directly by warrant of the director of budget and management whose position is included in the job classification plan established under division (A) of section 124.14 of the Revised Code but who is not considered a public employee for the purposes of Chapter 4117. of the Revised Code. As used in this section, "exempt employee" also includes a permanent full-time or permanent part-time employee of the secretary of state, auditor of state, treasurer of state, or attorney general who has not been placed in an appropriate bargaining unit by the state employment relations board.

Sec. 124.18. (A) Forty hours shall be the standard work week for all employees whose salary or wage is paid in whole or in part by the state or by any state-supported college or university. When any employee whose salary or wage is paid in whole or in part by the state or by any state-supported college or university is

required by an authorized administrative authority to be in an 10313
active pay status more than forty hours in any calendar week, the 10314
employee shall be compensated for such time over forty hours, 10315
except as otherwise provided in this section, at one and one-half 10316
times the employee's regular rate of pay. The use of sick leave or 10317
any leave used in lieu of sick leave shall not be considered to be 10318
active pay status for the purposes of earning overtime or 10319
compensatory time by employees whose wages are paid directly by 10320
warrant of the director of budget and management. A flexible-hours 10321
employee is not entitled to compensation for overtime work unless 10322
the employee's authorized administrative authority required the 10323
employee to be in active pay status for more than forty hours in a 10324
calendar week, regardless of the number of hours the employee 10325
works on any day in the same calendar week. 10326

Such compensation for overtime work shall be paid no later 10327
than at the conclusion of the next succeeding pay period. 10328

If the employee elects to take compensatory time off in lieu 10329
of overtime pay for any overtime worked, such compensatory time 10330
shall be granted by the employee's administrative superior, on a 10331
time and one-half basis, at a time mutually convenient to the 10332
employee and the administrative superior. Compensatory time is not 10333
available for use until it appears on the employee's earning 10334
statement and the compensation described in the earning statement 10335
is available to the employee. 10336

An employee may accrue compensatory time to a maximum of two 10337
hundred forty hours, except that public safety employees and other 10338
employees who meet the criteria established in the "Federal Fair 10339
Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, 10340
as amended, may accrue a maximum of four hundred eighty hours of 10341
compensatory time. An employee shall be paid at the employee's 10342
regular rate of pay for any hours of compensatory time accrued in 10343
excess of these maximum amounts if the employee has not used the 10344

compensatory time within ~~one~~ three hundred ~~eighty~~ sixty-five days 10345
after it is granted, if the employee transfers to another agency 10346
of the state, or if a change in the employee's status exempts the 10347
employee from the payment of overtime compensation. Upon the 10348
termination of employment, any employee with accrued but unused 10349
compensatory time shall be paid for that time at a rate that is 10350
the greater of the employee's final regular rate of pay or the 10351
employee's average regular rate of pay during the employee's last 10352
three years of employment with the state. 10353

No overtime, as described in this section, can be paid unless 10354
it has been authorized by the authorized administrative authority. 10355
Employees may be exempted from the payment of compensation as 10356
required by this section only under the criteria for exemption 10357
from the payment of overtime compensation established in the 10358
"Federal Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 10359
U.S.C.A. 207, 213, as amended. With the approval of the director 10360
of administrative services, the appointing authority may establish 10361
a policy to grant compensatory time or to pay compensation to 10362
state employees who are exempt from overtime compensation. With 10363
the approval of the board of county commissioners, a county human 10364
services department may establish a policy to grant compensatory 10365
time or to pay compensation to employees of the department who are 10366
exempt from overtime compensation. 10367

in part by the state, shall be paid for the holidays declared in 10369
section 124.19 of the Revised Code and shall not be required to 10370

illness of the employee or of a member of the employee's immediate 10380
family shall not receive holiday pay as provided by this division, 10381
unless the employee can provide documentation of extenuating 10382

hours each during the week including the holiday, and, in that 10416
case, the employee shall receive eight hours of holiday pay for 10417

that is consistent with the "Federal Fair Labor Standards Act of 10440

1938," 52 Stat. 1060, 29 U.S.C.A. 207, 213, as amended. 10441

a position in the civil service that the director administers for 10881

positions in the service of the state. The director shall send 10882
written, printed, or electronic notices of every examination to be 10883
conducted for positions in the ~~state~~ classified civil service of 10884
the state to each agency of the type the director of job and 10885
family services specifies and, in the case of a county in which no 10886

Sec. 124.27. (A) The head of a department, office, or 10900
institution, in which a position in the classified service is to 10901
be filled, shall notify the director of administrative services of 10902
the fact, and the director shall, except as otherwise provided in 10903
this section and sections 124.30 and 124.31 of the Revised Code, 10904
certify to the appointing authority the names and addresses of the 10905
ten candidates standing highest on the eligible list for the class 10906
or grade to which the position belongs, except that the director 10907
may certify less than ten names if ten names are not available. 10908
When less than ten names are certified to an appointing authority, 10909
appointment from that list shall not be mandatory. When a position 10910
in the classified service in the department of mental health or 10911
the department of mental retardation and developmental 10912
disabilities is to be filled, the director of administrative 10913

services shall make such certification to the appointing authority 10914
within seven working days of the date the eligible list is 10915
requested. 10916

(B) The appointing authority shall notify the director of a 10917
position in the classified service to be filled, and the 10918
appointing authority shall fill the vacant position by appointment 10919
of one of the ten persons certified by the director. If more than 10920
one position is to be filled, the director may certify a group of 10921
names from the eligible list, and the appointing authority shall 10922
appoint in the following manner: beginning at the top of the list, 10923
each time a selection is made, it must be from one of the first 10924
ten candidates remaining on the list who is willing to accept 10925
consideration for the position. If an eligible list becomes 10926
exhausted, and until a new list can be created, or when no 10927
eligible list for a position exists, names may be certified from 10928
eligible lists most appropriate for the group or class in which 10929
the position to be filled is classified. A person who is certified 10930
from an eligible list more than three times to the same appointing 10931
authority for the same or similar positions may be omitted from 10932
future certification to that appointing authority, provided that 10933
certification for a temporary appointment shall not be counted as 10934
one of those certifications. Every person who qualifies for 10935
veteran's preference under section 124.23 of the Revised Code, who 10936
is a resident of this state, and whose name is on the eligible 10937
list for a position shall be entitled to preference in original 10938
appointments to any such competitive position in the civil service 10939
of the state and its civil divisions over all other persons 10940
eligible for those appointments and standing on the relevant 10941
eligible list with a rating equal to that of the person qualifying 10942
for veteran's preference. Appointments to all positions in the 10943
classified service, that are not filled by promotion, transfer, or 10944
reduction, as provided in sections 124.01 to 124.64 of the Revised 10945
Code and the rules of the director prescribed under those 10946

sections, shall be made only from those persons whose names are 10947
certified to the appointing authority, and no employment, except 10948
as provided in those sections, shall be otherwise given in the 10949
classified service of this state or any political subdivision of 10950
the state. 10951

(C) All original and promotional appointments, including 10952
appointments made pursuant to section 124.30 of the Revised Code, 10953
but not intermittent appointments, shall be for a probationary 10954
period, not less than sixty days nor more than one year, to be 10955
fixed by the rules of the director, except as provided in section 10956
124.231 of the Revised Code, and except for original appointments 10957
to a police department as a police officer or to a fire department 10958
as a firefighter which shall be for a probationary period of one 10959
year. No appointment or promotion is final until the appointee has 10960
satisfactorily served the probationary period. If the service of 10961
the probationary employee is unsatisfactory, the employee may be 10962
removed or reduced at any time during the probationary period. If 10963
the appointing authority decides to remove a probationary employee 10964
in the service of the state, the appointing authority shall 10965
communicate to the director the reason for that decision. A 10966
probationary employee duly removed or reduced in position for 10967
unsatisfactory service does not have the right to appeal the 10968
removal or reduction under section 124.34 of the Revised Code. 10969

Sec. 124.321. (A) Whenever it becomes necessary for an 10970
appointing authority to reduce its work force, the appointing 10971
authority shall lay off employees or abolish their positions in 10972
accordance with sections 124.321 to 124.327 of the Revised Code 10973
and. If the affected work force is in the service of the state, 10974
the reduction shall also be in compliance with the rules of the 10975
director of administrative services. 10976

(B)(1) Employees may be laid off as a result of a lack of 10977

funds within an appointing authority. For appointing authorities 10978
that employ persons whose salary or wage is paid by warrant of the 10979
director of budget and management, the director of budget and 10980
management shall be responsible for determining, consistent with 10981
the rules adopted under division (B)(3) of this section, whether a 10982
lack of funds exists. For appointing authorities that employ 10983
persons whose salary or wage is paid other than by warrant of the 10984
director of budget and management, the appointing authority itself 10985
shall determine whether a lack of funds exists ~~and shall file a~~ 10986
~~statement of rationale and supporting documentation with the~~ 10987
~~director of administrative services prior to sending the layoff~~ 10988
~~notice.~~ 10989

(2) As used in this division, a "lack of funds" means an 10990
appointing authority has a current or projected deficiency of 10991
funding to maintain current, or to sustain projected, levels of 10992
staffing and operations. This section does not require any 10993
transfer of money between funds in order to offset a deficiency or 10994
projected deficiency of funding for programs funded by the federal 10995
government, special revenue accounts, or proprietary accounts. 10996
Whenever a program receives funding through a grant or similar 10997
mechanism, a lack of funds shall be presumed for the positions 10998
assigned to and the employees who work under the grant or similar 10999
mechanism if, for any reason, the funding is reduced or withdrawn. 11000

(3) The director of budget and management shall adopt rules, 11002
under Chapter 119. of the Revised Code, for agencies whose 11003
employees are paid by warrant of the director of budget and 11004
management, for determining whether a lack of funds exists. 11005

(C)(1) Employees may be laid off as a result of lack of work 11006
within an appointing authority. For appointing authorities whose 11007
employees are paid by warrant of the director of budget and 11008
management, the director of administrative services shall 11009

determine, consistent with the rules adopted under division (F) of 11010
this section, whether a lack of work exists. All other appointing 11011
authorities shall themselves determine whether a lack of work 11012
exists ~~and shall file a statement of rationale and supporting~~ 11013
~~documentation with the director of administrative services prior~~ 11014
~~to sending the layoff notice.~~ 11015

(2) As used in this division, a "lack of work" means an 11016
appointing authority has a current or projected decrease in 11017
workload that requires a reduction of current or projected 11018
staffing levels in its organization or structure. The 11019
determination of a lack of work shall indicate the current or 11020
projected decrease in workload and whether the current or 11021
projected staffing levels of the appointing authority will be 11022
excessive. 11023

(D)(1) Employees may be laid off as a result of abolishment 11024
of positions. As used in this division, "abolishment" means the 11025
deletion of a position or positions from the organization or 11026
structure of an appointing authority. 11027

For purposes of this division, an appointing authority may 11028
abolish positions for any one or any combination of the following 11029
reasons: as a result of a reorganization for the efficient 11030
operation of the appointing authority, for reasons of economy, or 11031
for lack of work. 11032

(2)(a) Reasons of economy permitting an appointing authority 11033
to abolish a position and to lay off the holder of that position 11034
under this division shall be determined at the time the appointing 11035
authority proposes to abolish the position. The reasons of economy 11036
shall be based on the appointing authority's estimated amount of 11037
savings with respect to salary, benefits, and other matters 11038
associated with the abolishment of the position, except that the 11039
reasons of economy associated with the position's abolishment 11040
instead may be based on the appointing authority's estimated 11041

amount of savings with respect to salary and benefits only, if: 11042

(i) Either the appointing authority's operating appropriation 11043
has been reduced by an executive or legislative action, or the 11044
appointing authority has a current or projected deficiency in 11045
funding to maintain current or projected levels of staffing and 11046
operations; and 11047

(ii) In the case of a position in the service of the state, 11048
it files a notice of the position's abolishment with the director 11049
of administrative services within one year of the occurrence of 11050
the applicable circumstance described in division (D)(2)(a)(i) of 11051
this section. 11052

(b) The following principles apply when a circumstance 11053
described in division (D)(2)(a)(i) of this section would serve to 11054
authorize an appointing authority to abolish a position and to lay 11055
off the holder of the position under this division based on the 11056
appointing authority's estimated amount of savings with respect to 11057
salary and benefits only: 11058

(i) The position's abolishment shall be done in good faith 11059
and not as a subterfuge for discipline. 11060

(ii) If a circumstance affects a specific program only, the 11061
appointing authority only may abolish a position within that 11062
program. 11063

(iii) If a circumstance does not affect a specific program 11064
only, the appointing authority may identify a position that it 11065
considers appropriate for abolishment based on the reasons of 11066
economy. 11067

(3) Each appointing authority shall determine itself whether 11068
any position should be abolished. An appointing authority 11069
abolishing any position in the service of the state shall file a 11070
statement of rationale and supporting documentation with the 11071
director of administrative services prior to sending the notice of 11072

abolishment. 11073

If an abolishment results in a reduction of the work force, 11074
the appointing authority shall follow the procedures for laying 11075
off employees, subject to the following modifications: 11076

(a) The employee whose position has been abolished shall have 11077
the right to fill an available vacancy within the employee's 11078
classification. 11079

(b) If the employee whose position has been abolished has 11080
more retention points than any other employee serving in the same 11081
classification, the employee with the fewest retention points 11082
shall be displaced. 11083

(c) If the employee whose position has been abolished has the 11084
fewest retention points in the classification, the employee shall 11085
have the right to fill an available vacancy in a lower 11086
classification in the classification series. 11087

(d) If the employee whose position has been abolished has the 11088
fewest retention points in the classification, the employee shall 11089
displace the employee with the fewest retention points in the next 11090
or successively lower classification in the classification series. 11091

(E) Notwithstanding any contrary provision of the 11092
displacement procedure described in section 124.324 of the Revised 11093
Code for employees to displace other employees during a layoff, 11094
the director of administrative services or a county appointing 11095
authority may establish a paper lay-off process under which 11096
employees who are to be laid off or displaced may be required, 11097
before the date of their paper layoff, to preselect their options 11098
for displacing other employees. 11099

(F) The director of administrative services shall adopt rules 11100
under Chapter 119. of the Revised Code for the determination of 11101
lack of work within an appointing authority, for the abolishment 11102
of positions by an appointing authority, and for the 11103

implementation of this section as it relates to positions in the 11104
service of the state. 11105

Sec. 124.324. (A) A laid-off employee has the right to 11106
displace the employee with the fewest retention points in the 11107
following order: 11108

(1) Within the classification from which the employee was 11109
laid off; 11110

(2) Within the classification series from which the employee 11111
was laid off; 11112

(3) Within the classification the employee held immediately 11113
prior to holding the classification from which the employee was 11114
laid off, except that the employee may not displace employees in a 11115
classification if the employee does not meet the minimum 11116
qualifications of the classification or if the employee last held 11117
the classification more than three years prior to the date on 11118
which the employee was laid off. 11119

If, after exercising displacement rights, an employee is 11120
subject to further layoff action, the employee's displacement 11121
rights shall be in accordance with the classification from which 11122
the employee was first laid off. 11123

The director of administrative services shall verify the 11124
calculation of the retention points of all employees in the 11125
service of the state in an affected classification in accordance 11126
with section 124.325 of the Revised Code. 11127

(B) Following the order of layoff, an employee laid off in 11128
the classified civil service shall displace another employee 11129
within the same appointing authority or independent institution 11130
and layoff jurisdiction in the following manner: 11131

(1) Each laid-off employee possessing more retention points 11132
shall displace the employee with the fewest retention points in 11133

the next lower classification or successively lower classification 11134
in the same classification series. 11135

(2) Any employee displaced by an employee possessing more 11136
retention points shall displace the employee with the fewest 11137
retention points in the next lower classification or successively 11138
lower classification in the same classification series. This 11139
process shall continue, if necessary, until the employee with the 11140
fewest retention points in the lowest classification of the 11141
classification series of the same appointing authority or 11142
independent institution has been reached and, if necessary, laid 11143
off. 11144

(C) Employees shall notify the appointing authority of their 11145
intention to exercise their displacement rights, within five days 11146
after receiving notice of layoff. This division does not apply if 11147
the director of administrative services has established a paper 11148
lay-off process pursuant to division (E) of section 124.321 of the 11149
Revised Code that includes a different notification requirement 11150
for employees exercising their displacement rights under that 11151
process. 11152

(D) No employee shall displace an employee for whose position 11153
or classification there are certain position-specific minimum 11154
qualifications, as established by the appointing authority and 11155
reviewed for validity by the department of administrative 11156
services, or as established by bona fide occupational 11157
qualification, unless the employee desiring to displace another 11158
employee possesses the requisite position-specific minimum 11159
qualifications for the position or classification. 11160

(E) If an employee exercising displacement rights must 11161
displace an employee in another county within the same layoff 11162
district, the displacement shall not be construed to be a 11163
transfer. 11164

(F) The director of administrative services shall adopt rules 11165
under Chapter 119. of the Revised Code for the implementation of 11166
this section as it relates to positions in the service of the 11167
state. 11168

Sec. 124.325. (A) Retention points to reflect the length of 11169
continuous service and efficiency in service for all employees 11170
affected by a layoff shall be verified by the director of 11171
administrative services for positions in the service of the state. 11172

(B) An employee's length of continuous service will be 11173
carried from one layoff jurisdiction to another so long as no 11174
break in service occurs between transfers or appointments. 11175

(C) If two or more employees have an identical number of 11176
retention points, employees having the shortest period of 11177
continuous service shall be laid off first. 11178

(D)(1) As used in this division, "affected employee" means a 11179
city employee who becomes a county employee, or a county employee 11180
who becomes a city employee, as the result of any of the 11181
following: 11182

(a) The merger of a city and a county office; 11183

(b) The merger of city and county functions or duties; 11184

(c) The transfer of functions or duties between a city and 11185
county. 11186

(2) For purposes of this section, the new employer of any 11187
affected employee shall treat the employee's prior service with a 11188
former employer as if it had been served with the new employer. 11189

(E) The director of administrative services shall adopt rules 11190
in accordance with Chapter 119. of the Revised Code to establish a 11191
system for the assignment of retention points for each employee in 11192
the service of the state in a classification affected by a layoff 11193
and for determining, in those instances where employees in the 11194

service of the state have identical retention points, which 11195
employee shall be laid off first. 11196

Sec. 124.34. (A) The tenure of every officer or employee in 11197
the classified service of the state and the counties, civil 11198
service townships, cities, city health districts, general health 11199
districts, and city school districts of the state, holding a 11200
position under this chapter, shall be during good behavior and 11201
efficient service. No officer or employee shall be reduced in pay 11202
or position, fined, suspended, or removed, or have the officer's 11203
or employee's longevity reduced or eliminated, except as provided 11204
in section 124.32 of the Revised Code, and for incompetency, 11205
inefficiency, dishonesty, drunkenness, immoral conduct, 11206
insubordination, discourteous treatment of the public, neglect of 11207
duty, violation of any policy or work rule of the officer's or 11208
employee's appointing authority, violation of this chapter or the 11209
rules of the director of administrative services or the 11210
commission, any other failure of good behavior, any other acts of 11211
misfeasance, malfeasance, or nonfeasance in office, or conviction 11212
of a felony. The denial of a one-time pay supplement or a bonus to 11213
an officer or employee is not a reduction in pay for purposes of 11214
this section. 11215

This section does not apply to any modifications or 11216
reductions in pay authorized by section 124.392 of the Revised 11217
Code. 11218

An appointing authority may require an employee who is 11219
suspended to report to work to serve the suspension. An employee 11220
serving a suspension in this manner shall continue to be 11221
compensated at the employee's regular rate of pay for hours 11222
worked. The disciplinary action shall be recorded in the 11223
employee's personnel file in the same manner as other disciplinary 11224
actions and has the same effect as a suspension without pay for 11225

the purpose of recording disciplinary actions. 11226

A finding by the appropriate ethics commission, based upon a 11227
preponderance of the evidence, that the facts alleged in a 11228
complaint under section 102.06 of the Revised Code constitute a 11229
violation of Chapter 102., section 2921.42, or section 2921.43 of 11230
the Revised Code may constitute grounds for dismissal. Failure to 11231
file a statement or falsely filing a statement required by section 11232
102.02 of the Revised Code may also constitute grounds for 11233
dismissal. The tenure of an employee in the career professional 11234
service of the department of transportation is subject to section 11235
5501.20 of the Revised Code. 11236

Conviction of a felony is a separate basis for reducing in 11237
pay or position, suspending, or removing an officer or employee, 11238
even if the officer or employee has already been reduced in pay or 11239
position, suspended, or removed for the same conduct that is the 11240
basis of the felony. An officer or employee may not appeal to the 11241
state personnel board of review or the commission any disciplinary 11242
action taken by an appointing authority as a result of the 11243
officer's or employee's conviction of a felony. If an officer or 11244
employee removed under this section is reinstated as a result of 11245
an appeal of the removal, any conviction of a felony that occurs 11246
during the pendency of the appeal is a basis for further 11247
disciplinary action under this section upon the officer's or 11248
employee's reinstatement. 11249

A person convicted of a felony immediately forfeits the 11250
person's status as a classified employee in any public employment 11251
on and after the date of the conviction for the felony. If an 11252
officer or employee is removed under this section as a result of 11253
being convicted of a felony or is subsequently convicted of a 11254
felony that involves the same conduct that was the basis for the 11255
removal, the officer or employee is barred from receiving any 11256
compensation after the removal notwithstanding any modification or 11257

disaffirmance of the removal, unless the conviction for the felony 11258
is subsequently reversed or annulled. 11259

Any person removed for conviction of a felony is entitled to 11260
a cash payment for any accrued but unused sick, personal, and 11261
vacation leave as authorized by law. If subsequently reemployed in 11262
the public sector, the person shall qualify for and accrue these 11263
forms of leave in the manner specified by law for a newly 11264
appointed employee and shall not be credited with prior public 11265
service for the purpose of receiving these forms of leave. 11266

As used in this division, "felony" means any of the 11267
following: 11268

(1) A felony that is an offense of violence as defined in 11269
section 2901.01 of the Revised Code; 11270

(2) A felony that is a felony drug abuse offense as defined 11271
in section 2925.01 of the Revised Code; 11272

(3) A felony under the laws of this or any other state or the 11273
United States that is a crime of moral turpitude; 11274

(4) A felony involving dishonesty, fraud, or theft; 11275

(5) A felony that is a violation of section 2921.05, 2921.32, 11276
or 2921.42 of the Revised Code. 11277

(B) In case of a reduction, a suspension of forty or more 11278
work hours in the case of an employee exempt from the payment of 11279
overtime compensation, a suspension of twenty-four or more work 11280
hours in the case of an employee required to be paid overtime 11281
compensation, a fine of forty or more hours' pay in the case of an 11282
employee exempt from the payment of overtime compensation, a fine 11283
of twenty-four or more hours' pay in the case of an employee 11284
required to be paid overtime compensation, or removal, except for 11285
the reduction or removal of a probationary employee, the 11286
appointing authority shall serve the employee with a copy of the 11287

order of reduction, fine, suspension, or removal, which order 11288
shall state the reasons for the action. 11289

Within ten days following the date on which the order is 11290
served or, in the case of an employee in the career professional 11291
service of the department of transportation, within ten days 11292
following the filing of a removal order, the employee, except as 11293
otherwise provided in this section, may file an appeal of the 11294
order in writing with the state personnel board of review or the 11295
commission. For purposes of this section, the date on which an 11296
order is served is the date of hand delivery of the order or the 11297
date of delivery of the order by certified United States mail, 11298
whichever occurs first. If an appeal is filed, the board or 11299
commission shall forthwith notify the appointing authority and 11300
shall hear, or appoint a trial board to hear, the appeal within 11301
thirty days from and after its filing with the board or 11302
commission. The board, commission, or trial board may affirm, 11303
disaffirm, or modify the judgment of the appointing authority. 11304
However, in an appeal of a removal order based upon a violation of 11305
a last chance agreement, the board, commission, or trial board may 11306
only determine if the employee violated the agreement and thus 11307
affirm or disaffirm the judgment of the appointing authority. 11308

In cases of removal or reduction in pay for disciplinary 11309
reasons, either the appointing authority or the officer or 11310
employee may appeal from the decision of the state personnel board 11311
of review or the commission, and any such appeal shall be to the 11312
court of common pleas of the county in which the appointing 11313
authority is located, or to the court of common pleas of Franklin 11314
county, as provided by section 119.12 of the Revised Code. 11315

(C) In the case of the suspension for any period of time, or 11316
a fine, demotion, or removal, of a chief of police, a chief of a 11317
fire department, or any member of the police or fire department of 11318
a city or civil service township, who is in the classified civil 11319

service, the appointing authority shall furnish the chief or 11320
member with a copy of the order of suspension, fine, demotion, or 11321
removal, which order shall state the reasons for the action. The 11322
order shall be filed with the municipal or civil service township 11323
civil service commission. Within ten days following the filing of 11324
the order, the chief or member may file an appeal, in writing, 11325
with the commission. If an appeal is filed, the commission shall 11326
forthwith notify the appointing authority and shall hear, or 11327
appoint a trial board to hear, the appeal within thirty days from 11328
and after its filing with the commission, and it may affirm, 11329
disaffirm, or modify the judgment of the appointing authority. An 11330
appeal on questions of law and fact may be had from the decision 11331
of the commission to the court of common pleas in the county in 11332
which the city or civil service township is situated. The appeal 11333
shall be taken within thirty days from the finding of the 11334
commission. 11335

(D) A violation of division (A)(7) of section 2907.03 of the 11336
Revised Code is grounds for termination of employment of a 11337
nonteaching employee under this section. 11338

(E) As used in this section, "last chance agreement" means an 11339
agreement signed by both an appointing authority and an officer or 11340
employee of the appointing authority that describes the type of 11341
behavior or circumstances that, if it occurs, will automatically 11342
lead to removal of the officer or employee without the right of 11343
appeal to the state personnel board of review or the appropriate 11344
commission. 11345

Sec. 124.381. Each (A)(1)(a) An employee in the service of 11346
the state may be eligible to receive salary continuation not to 11347
exceed four hundred eighty hours at the employee's total rate of 11348
pay for absence as a result of injury incurred during the 11349
performance of, or arising out of, state employment. When an 11350

eligible employee's absence as a result of such an injury extends 11351
beyond four hundred eighty hours, the employee immediately becomes 11352
subject to sections 124.382 and 124.385 of the Revised Code 11353
regarding sick leave and disability leave benefits. 11354

An employee is ineligible to receive salary continuation 11355
until the date of implementation is established in the rules 11356
adopted under division (C)(1) of this section. 11357

(b) Employees of the secretary of state, auditor of state, 11358
treasurer of state, attorney general, supreme court, general 11359
assembly, or legislative service commission are not subject to 11360
division (A)(1)(a) of this section unless the relevant appointing 11361
authority notifies the director of administrative services in 11362
writing of the intent to have all of the appointing authority's 11363
employees participate in salary continuation. The relevant 11364
appointing authority also may discontinue salary continuation for 11365
all of its employees by providing written notice of the 11366
discontinuation to the director. 11367

Participation in salary continuation is subject to rules 11368
adopted under division (C)(1) of this section. 11369

(2) Each employee of the department of rehabilitation and 11370
correction, the department of mental health, the department of 11371
mental retardation and developmental disabilities, ~~or the Ohio~~ 11372
~~veteran's home agency~~ department of veterans services, or each 11373
employee of the department of education who works at the Ohio 11374

be paid occupational injury leave at the employee's total rate of 11382

pay during the period the employee is disabled as a result of that 11383
injury qualifying physical condition, but in no case to exceed ~~one~~ 11384
~~hundred twenty work days~~ nine hundred sixty hours, in lieu of 11385
workers' compensation. Pay made according to this ~~section~~ division 11386
shall not be charged to the employee's accumulation of sick leave 11387
credit. In any case when an employee's disability as a result of 11388
such a qualifying physical condition extends beyond nine hundred 11389
sixty hours, the employee immediately becomes subject to sections 11390
124.382 and 124.385 of the Revised Code regarding sick leave and 11391
disability leave benefits. 11392

(B) An employee who is receiving salary continuation or 11393
occupational injury leave under division (A)(1) or (2) of this 11394
section is not eligible for other paid leave, including holiday 11395
pay, while receiving benefits under either division. While an 11396
employee is receiving salary continuation or occupational injury 11397
leave under division (A)(1) or (2) of this section, vacation leave 11398
credit ceases to accrue to the employee under section 124.134 of 11399
the Revised Code, but sick leave credit and personal leave credit 11400
continue to accrue to the employee under sections 124.382 and 11401
124.386 of the Revised Code. 11402

(C)(1) The director of administrative services shall adopt 11403

under schedule B or C of section 124.15 of the Revised Code or 11448
under schedule E-1, schedule E-1 for step seven only, or schedule 11449
E-2 of section 124.152 of the Revised Code, plus any supplement 11450
provided under section 124.181 of the Revised Code, plus any 11451
supplements enacted into law which are added to schedule B or C of 11452
section 124.15 of the Revised Code or to schedule E-1, schedule 11453
E-1 for step seven only, or schedule E-2 of section 124.152 of the 11454
Revised Code. 11455

(7) "Part-time permanent employee" means an employee whose 11456
regular hours of duty total less than eighty hours in a pay period 11457
in a state agency and whose appointment is not for a limited 11458
period of time. 11459

whose salary or wage is paid directly by warrant of the director 11461
of budget and management shall be credited with sick leave of 11462
three and one-tenth hours for each completed eighty hours of 11463
service, excluding overtime hours worked. Sick leave is not 11464
available for use until it appears on the employee's earning 11465
statement and the compensation described in the earning statement 11466
is available to the employee. 11467

(C) Any sick leave credit provided pursuant to division (B) 11468
of this section, remaining as of the last day of the pay period 11469
preceding the first paycheck the employee receives in December, 11470
shall be converted pursuant to section 124.383 of the Revised 11471
Code. 11472

(D) Employees may use sick leave, provided a credit balance 11473
is available, upon approval of the responsible administrative 11474
officer of the employing unit, for absence due to personal 11475

illness, pregnancy, injury, exposure to contagious disease that 11476
could be communicated to other employees, and illness, injury, or 11477
death in the employee's immediate family. When sick leave is used, 11478
it shall be deducted from the employee's credit on the basis of 11479
absence from previously scheduled work in such increments of an 11480
hour and at such a compensation rate as the director of 11481
administrative services determines. The appointing authority of 11482
each employing unit may require an employee to furnish a 11483

section, an employee utilizes sick leave that was accumulated 11486
prior to November 15, 1981, compensation for such sick leave used 11487
shall be at a rate as the director determines. 11488

(E)(1) The previously accumulated sick leave balance of an 11489
employee who has been separated from the public service, for which 11490
separation payments pursuant to section 124.384 of the Revised 11491
Code have not been made, shall be placed to the employee's credit 11492
upon the employee's reemployment in the public service, if the 11493
reemployment takes place within ten years of the date on which the 11494
employee was last terminated from public service. 11495

(2) The previously accumulated sick leave balance of an 11496
employee who has separated from a school district shall be placed 11497
to the employee's credit upon the employee's appointment as an 11498
unclassified employee of the state department of education, if all 11499
of the following apply: 11500

(a) The employee accumulated the sick leave balance while 11501
employed by the school district. 11502

(b) The employee did not receive any separation payments for 11503
the sick leave balance. 11504

(c) The employee's employment with the department takes place 11505
within ten years after the date on which the employee separated 11506

from the school district. 11507

disability leave, or workers' compensation. 11519

(1) Employees who are in active payroll status on June 18, 11520
2011, shall receive a one-time credit of additional sick leave in 11521
the pay period that begins on July 1, 2011. Full-time employees 11522
shall receive a one-time credit of thirty-two hours of additional 11523
sick leave or a credit of additional sick leave equivalent to half 11524
the hours of personal leave the employee lost during the 11525
moratorium under division (A) of section 124.386 of the Revised 11526
Code, whichever is less. Part-time employees shall receive a 11527
one-time credit of sixteen hours of additional sick leave. 11528

(2) Employees who are not in active payroll status due to 11529
military leave or an absence taken in accordance with the federal 11530
"Family and Medical Leave Act" are eligible to receive the 11531
one-time additional sick leave credit. 11532

(3) The one-time additional sick leave credit does not apply 11533
to employees of the supreme court, general assembly, legislative 11534
service commission, secretary of state, auditor of state, 11535
treasurer of state, or attorney general unless the supreme court, 11536

director of administrative services on or before June 1, 2011, of 11541
the decision to participate in the one-time additional sick leave 11542
credit. Written notice under this division shall be signed by the 11543
appointing authority for employees of the supreme court, general 11544
assembly, or legislative service commission, as the case may be. 11545

11575

The director's rules shall indicate those employees required to apply for disability retirement. If an employee is approved to receive disability retirement, the employee shall receive the retirement benefit and a supplement payment that equals a percentage of the employee's base rate of pay and that, when added to the retirement benefit, equals no more than the percentage of pay received by employees after the first six months of disability. This supplemental payment shall not be considered earnable salary, compensation, or salary, and is not subject to contributions, under Chapter 145., 742., 3307., 3309., or 5505. of the Revised Code. 11576

divisions (B)(2) and (4) of section 124.14 of the Revised Code 11651
shall receive a pro-rated personal leave credit as determined by 11652
rule of the director of administrative services. The credit shall 11653
be made to each eligible employee in the first pay the employee 11654
receives in December. Employees, upon giving reasonable notice to 11655
the responsible administrative officer of the appointing 11656
authority, may use personal leave for absence due to mandatory 11657
court appearances, legal or business matters, family emergencies, 11658
unusual family obligations, medical appointments, weddings, 11659

Personal leave accrual shall resume with employees receiving credit in December 2011 and there shall be no retroactive grant of credit for the period the moratorium was in effect.

(C) A newly appointed full-time permanent employee or a ~~nonfull-time~~ non-full-time employee who receives a full-time permanent appointment shall be credited with personal leave of thirty-two hours, less one and two-tenths hours for each pay period that has elapsed following the first paycheck the employee receives in December, until the first day of the pay period during which the appointment was effective.

(D) The director of administrative services shall allow employees to elect one of the following options with respect to the unused balance of personal leave:

(1) Carry forward the balance. The maximum credit that shall be available to an employee at any one time is forty hours.

(2) Convert the balance to accumulated sick leave, to be used

in the manner provided by section 124.382 of the Revised Code; 11691

(3) Receive a cash benefit. The cash benefit shall equal one 11692
hour of the employee's base rate of pay for every hour of unused 11693
credit that is converted. An employee serving in a temporary work 11694
level who elects to convert unused personal leave to cash shall do 11695
so at the base rate of pay of the employee's normal 11696
classification. Such cash benefit shall not be subject to 11697
contributions to any of the retirement systems, either by the 11698

with the first pay period following the date of separation or the 11707
effective date of the employee's ineligibility until the pay 11708
period preceding the next base pay period. After calculation of 11709
the reduction of an employee's personal leave credit, the employee 11710
is entitled to compensation for any remaining personal leave 11711
credit at the employee's current base rate of pay. If the 11712
reduction results in a number of hours less than zero, the cash 11713
equivalent value of such number of hours shall be deducted from 11714
any compensation that remains payable to the employee, or from the 11715
cash conversion value of any vacation or sick leave that remains 11716
credited to the employee. An employee serving in a temporary work 11717
level who is eligible to receive compensation under this section 11718
shall be compensated at the base rate of pay of the employee's 11719
normal classification. 11720

another public agency in which the employee is eligible for the 11722

credit provided under this section shall be credited with the 11723
unused balance of personal leave. 11724

those employees in the moratoria and so notifies the director of 11742
administrative services in writing on or before July 1, 2009. 11743

performance standards for officers and employees of state 11979
agencies, but not for officers who are elected. The performance 11980
standards shall be specific to the various positions in each state 11981
agency and shall be based on the duties, responsibilities, 11982

The director shall solicit recommendations concerning 11986
improving customer service from human resource professionals, and, 11987
before adopting rules under this section, shall consider the 11988

of the Revised Code. When the contract is for meat products as 11996
defined in section 918.01 of the Revised Code or poultry products 11997
as defined in section 918.21 of the Revised Code, only those bids 11998
received from vendors offering products from establishments on the 11999
current list of meat and poultry vendors established and 12000
maintained by the director of administrative services under 12001
section 125.17 of the Revised Code shall be eligible for 12002

acceptance. The department of administrative services may accept 12003
or reject any or all bids in whole or by items, except that when 12004
the contract is for services or products available from a 12005
qualified nonprofit agency pursuant to sections 125.60 to 125.6012 12006
or 4115.31 to 4115.35 of the Revised Code, the contract shall be 12007
awarded to that agency. 12008

(B) Prior to awarding a contract under division (A) of this 12009
section, the department of administrative services or the state 12010

and (2) of section 125.09 of the Revised Code for determining if a 12014

is produced or mined in this state. The department or other state 12016
agency shall first remove bids that offer products that have not 12017
been or that will not be produced or mined in the United States. 12018

agency shall select the lowest responsive and responsible bid, in 12020
accordance with section 9.312 of the Revised Code, from among the 12021
bids that offer products that have been produced or mined in this 12022
state where sufficient competition can be generated within this 12023
state to ensure that compliance with these requirements will not 12024
result in an excessive price for the product or acquiring a 12025
disproportionately inferior product. If there are ~~two~~ four or more 12026
qualified bids that offer products that have been produced or 12027
mined in this state, it shall be deemed that there is sufficient 12028
competition to prevent an excessive price for the product or the 12029
acquiring of a disproportionately inferior product. 12030

(C) Division (B) of this section applies to contracts for 12031
which competitive bidding is waived by the controlling board. 12032

(D) Division (B) of this section does not apply to the 12033

purchase by the division of liquor control of spirituous liquor. 12034

(E) The director of administrative services shall publish in 12035
the form of a model act for use by counties, townships, municipal 12036
corporations, or any other political subdivision described in 12037
division (B) of section 125.04 of the Revised Code, a system of 12038
preferences for products mined and produced in this state and in 12039
the United States and for Ohio-based contractors. The model act 12040
shall reflect substantial equivalence to the system of preferences 12041
in purchasing and public improvement contracting procedures under 12042
which the state operates pursuant to this chapter and section 12043
153.012 of the Revised Code. To the maximum extent possible, 12044
consistent with the Ohio system of preferences in purchasing and 12045
public improvement contracting procedures, the model act shall 12046
incorporate all of the requirements of the federal "Buy America 12047
Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and 12048
the rules adopted under that act. 12049

Before and during the development and promulgation of the 12050
model act, the director shall consult with appropriate statewide 12051
organizations representing counties, townships, and municipal 12052
corporations so as to identify the special requirements and 12053
concerns these political subdivisions have in their purchasing and 12054

that corrections to permanent improvements are necessary to remove 12927
or prevent health or safety hazards. 12928

(b) Existing fiscal and net indebtedness limitations make 12929
adequate replacement, additions, or improvements impossible. 12930

(2) Upon the declaration of an emergency, the board of 12931
education may, by resolution, submit to the electors of the 12932
district pursuant to section 133.18 of the Revised Code the 12933

installations, modifications, or remodeling. The report shall be 13001
certified by an architect or engineer independent of any person 13002
that provided goods or services to the board in connection with 13003

shall be certified by the school district treasurer. The report 13006
shall be made available to the commission upon request. 13007

the requester may decline to reveal the requester's identity or 14079

identity or intended use would benefit the requester by enhancing 14081
the ability of the public office or person responsible for public 14082
records to identify, locate, or deliver the public records sought 14083
by the requester. 14084

this section and subject to division (B)(6) of this section, a 14106

copy. The public office or person responsible for the public 14111
record may require the person making the request to pay in advance 14112
the cost of postage if the copy is transmitted by United States 14113
mail or the cost of delivery if the copy is transmitted other than 14114

obtain a copy of any public record concerning a criminal 14138
investigation or prosecution or concerning what would be a 14139
criminal investigation or prosecution if the subject of the 14140
investigation or prosecution were an adult, unless the request to 14141
inspect or to obtain a copy of the record is for the purpose of 14142
acquiring information that is subject to release as a public 14143
record under this section and the judge who imposed the sentence 14144
or made the adjudication with respect to the person, or the 14145
judge's successor in office, finds that the information sought in 14146
the public record is necessary to support what appears to be a 14147
justiciable claim of the person. 14148

injury shall be conclusively presumed. The award of statutory 14221
damages shall be in addition to all other remedies authorized by 14222
this section. 14223

The court may reduce an award of statutory damages or not 14224
award statutory damages if the court determines both of the 14225
following: 14226

(a) That, based on the ordinary application of statutory law 14227
and case law as it existed at the time of the conduct or 14228
threatened conduct of the public office or person responsible for 14229
the requested public records that allegedly constitutes a failure 14230
to comply with an obligation in accordance with division (B) of 14231
this section and that was the basis of the mandamus action, a 14232
well-informed public office or person responsible for the 14233
requested public records reasonably would believe that the conduct 14234
or threatened conduct of the public office or person responsible 14235
for the requested public records did not constitute a failure to 14236
comply with an obligation in accordance with division (B) of this 14237
section; 14238

(b) That a well-informed public office or person responsible 14239
for the requested public records reasonably would believe that the 14240
conduct or threatened conduct of the public office or person 14241
responsible for the requested public records would serve the 14242
public policy that underlies the authority that is asserted as 14243
permitting that conduct or threatened conduct. 14244

(2)(a) If the court issues a writ of mandamus that orders the public office or the person responsible for the public record to comply with division (B) of this section and determines that the circumstances described in division (C)(1) of this section exist, the court shall determine and award to the relator all court costs.

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section, the court may award reasonable attorney's fees subject to reduction as described in division (C)(2)(c) of this section. The court shall award reasonable attorney's fees, subject to reduction as described in division (C)(2)(c) of this section when either of the following applies:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(c) Court costs and reasonable attorney's fees awarded under this section shall be construed as remedial and not punitive. Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount of the fees and to otherwise litigate entitlement to the fees. The court may reduce an award of attorney's fees to the relator or not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law

and case law as it existed at the time of the conduct or 14276
threatened conduct of the public office or person responsible for 14277
the requested public records that allegedly constitutes a failure 14278
to comply with an obligation in accordance with division (B) of 14279
this section and that was the basis of the mandamus action, a 14280
well-informed public office or person responsible for the 14281
requested public records reasonably would believe that the conduct 14282
or threatened conduct of the public office or person responsible 14283
for the requested public records did not constitute a failure to 14284
comply with an obligation in accordance with division (B) of this 14285
section; 14286

(ii) That a well-informed public office or person responsible 14287
for the requested public records reasonably would believe that the 14288
conduct or threatened conduct of the public office or person 14289
responsible for the requested public records as described in 14290
division (C)(2)(c)(i) of this section would serve the public 14291
policy that underlies the authority that is asserted as permitting 14292
that conduct or threatened conduct. 14293

(D) Chapter 1347. of the Revised Code does not limit the 14294
provisions of this section. 14295

(E)(1) To ensure that all employees of public offices are 14296
appropriately educated about a public office's obligations under 14297
division (B) of this section, all elected officials or their 14298
appropriate designees shall attend training approved by the 14299
attorney general as provided in section 109.43 of the Revised 14300
Code. In addition, all public offices shall adopt a public records 14301
policy in compliance with this section for responding to public 14302
records requests. In adopting a public records policy under this 14303
division, a public office may obtain guidance from the model 14304
public records policy developed and provided to the public office 14305
by the attorney general under section 109.43 of the Revised Code. 14306

public records that it will make available during a fixed period 14310
of time, and may not establish a fixed period of time before it 14311
will respond to a request for inspection or copying of public 14312
records, unless that period is less than eight hours. 14313

(2) The public office shall distribute the public records 14314
policy adopted by the public office under division (E)(1) of this 14315
section to the employee of the public office who is the records 14316
custodian or records manager or otherwise has custody of the 14317
records of that office. The public office shall require that 14318
employee to acknowledge receipt of the copy of the public records 14319
policy. The public office shall create a poster that describes its 14320
public records policy and shall post the poster in a conspicuous 14321
place in the public office and in all locations where the public 14322
office has branch offices. The public office may post its public 14323
records policy on the internet web site of the public office if 14324
the public office maintains an internet web site. A public office 14325
that has established a manual or handbook of its general policies 14326

class of records, or data base by a person who intends to use or 14349
forward the copies for surveys, marketing, solicitation, or resale 14350
for commercial purposes. "Bulk commercial special extraction 14351

the program administrator. "Loss" does not include either of the 14537

technologies. 14552

~~(5)~~(6) "Ohio-based venture capital fund" means a venture 14553

as well as established Ohio-based business enterprises developing 14580
new methods or technologies, including the promotion of research 14581
and development purposes, thereby increasing employment, creating 14582
additional wealth, and otherwise benefiting the economic welfare 14583
of the people of this state. Accordingly, it is the intention of 14584
the general assembly that the program fund make its investments in 14585
support of Ohio-based business enterprises and that the Ohio 14586
venture capital authority focus its investment policy principally 14587
on venture capital funds investing in such Ohio-based business 14588

Sec. 150.02. (A) There is hereby created the Ohio venture 14593
capital authority, which shall exercise the powers and perform the 14594
duties prescribed by this chapter. The exercise by the authority 14595
of its powers and duties is hereby declared to be an essential 14596
state governmental function. The authority is subject to all laws 14597
generally applicable to state agencies and public officials, 14598
including, but not limited to, Chapter 119. and sections 121.22 14599
and 149.43 of the Revised Code, to the extent those laws do not 14600
conflict with this chapter. 14601

(B) The authority shall consist of nine members. Seven of the 14602
members shall be appointed by the governor, with the advice and 14603
consent of the senate, from among the general public. All 14604
appointed members shall have experience in the field of banking, 14605
investments, commercial law, or industry relevant to the purpose 14606
of the Ohio venture capital program as stated in section 150.01 of 14607
the Revised Code. The director of development and tax commissioner 14608
or their designees shall be ex officio, nonvoting members. 14609

Initial gubernatorial appointees to the authority shall serve 14611
staggered terms, with one term expiring on January 31, 2004, two 14612
terms expiring on January 31, 2005, two terms expiring on January 14613
31, 2006, and two terms expiring on January 31, 2007. Thereafter, 14614
terms of office for all appointees shall be for four years, with 14615
each term ending on the same day of the same month as did the term 14616

the same manner as the original appointment, except that a person 14618
appointed to fill a vacancy shall be appointed to the remainder of 14619
the unexpired term. Any appointed member of the authority is 14620
eligible for reappointment. 14621

A member of the authority may be removed by the member's 14622
appointing authority for misfeasance, malfeasance, willful neglect 14623
of duty, or other cause, after notice and a public hearing, unless 14624
the notice and hearing are waived in writing by the member. 14625

(C) Members of the authority shall serve without 14626
compensation, but shall receive their reasonable and necessary 14627
expenses incurred in the conduct of authority business. The 14628
governor shall designate a member of the authority to serve as 14629
chairperson. A majority of the voting members of the authority 14630
constitutes a quorum, and the affirmative vote of a majority of 14631
the voting members present is necessary for any action taken by 14632
the authority. A vacancy in the voting membership of the authority 14633
does not impair the right of a quorum to exercise all rights and 14634
perform all duties of the authority. 14635

(D) The department of development shall provide the authority 14636
with office space and such technical assistance as the authority 14637
requires. 14638

(E) The authority and an issuer may cooperate in promoting 14639
the public purposes of the Ohio venture capital program as stated 14640
in section 150.01 of the Revised Code and shall enter into such 14641
agreements as the authority and the issuer shall deem appropriate, 14642
with a view to cooperative action and safeguarding of the 14643
respective interests of the parties thereto. Any agreement shall 14644
provide for the rights, duties, and responsibilities of the 14645
parties and any limitations thereon, shall provide for the terms 14646
on which any tax credits to be issued to the issuer or a trustee 14647
pursuant to section 150.07 of the Revised Code shall be issued and 14648
claimed, and shall provide terms as may be mutually satisfactory 14649
to the parties including, but not limited to, requirements for 14650
reporting, and a plan, prepared by the program administrator and 14651
acceptable to the authority and the issuer, designed to evidence 14652
and ensure compliance with division (D) of section 150.03 of the 14653

Revised Code and Section 2p of Article VIII, Ohio Constitution. 14654

obligations authorized by Chapter 152. of the Revised Code, the 15058
net proceeds of which are to be applied to the costs of capital 15059
facilities, and to any trustee therefor, for the further securing 15060
of the payment of the bond service charges, and all or any rights 15061
under any agreement or lease made under this section may be 15062
assigned for such purpose. Obligations may be issued at one time 15063
or from time to time, and each issue shall be dated, shall mature 15064

at such time or times as determined by the authority not exceeding 15065
forty years from the date of issue, and may be redeemable before 15066
maturity at the option of the authority at such price or prices 15067
and under such terms and conditions as are fixed by the authority 15068
prior to the issuance of the obligations. The authority shall 15069
determine the form of the obligations, fix their denominations, 15070
establish their interest rate or rates, which may be a variable 15071
rate or rates, or the maximum interest rate, and establish within 15072
or without this state a place or places of payment of bond service 15073
charges. 15074

(C) The obligations shall be signed by the authority 15075
chairperson, vice-chairperson, and secretary-treasurer, and the 15076
authority seal shall be affixed. The signatures may be facsimile 15077
signatures and the seal affixed may be a facsimile seal, as 15078
provided by resolution of the authority. Any coupons attached may 15079
bear the facsimile signature of the chairperson. In case any 15080
officer who has signed any obligations, or caused the officer's 15081
facsimile signature to be affixed thereto, ceases to be such 15082
officer before such obligations have been delivered, such 15083
obligations may, nevertheless, be issued and delivered as though 15084
the person who had signed the obligations or caused the person's 15085
facsimile signature to be affixed thereto had not ceased to be 15086
such officer. 15087

Any obligations may be executed on behalf of the authority by 15088
an officer who, on the date of execution, is the proper officer 15089
although on the date of such obligations such person was not the 15090
proper officer. 15091

(D) All obligations issued by the authority shall have all 15092
the qualities and incidents of negotiable instruments and may be 15093
issued in coupon or in registered form, or both, as the authority 15094
determines. Provision may be made for the registration of any 15095
obligations with coupons attached thereto as to principal alone or 15096

as to both principal and interest, their exchange for obligations 15097
so registered, and for the conversion or reconversion into 15098
obligations with coupons attached thereto of any obligations 15099
registered as to both principal and interest, and for reasonable 15100
charges for such registration, exchange, conversion, and 15101
reconversion. The authority may sell its obligations in any manner 15102
and for such prices as it determines, except that the authority 15103
shall sell obligations sold at public or private sale in 15104
accordance with section 152.091 of the Revised Code. 15105

(E) The obligations of the authority, principal, interest, 15106
and any proceeds from their sale or transfer, are exempt from all 15107
taxation within this state. 15108

(F) The authority is authorized to issue revenue obligations 15109
and other obligations under Section 2i of Article VIII, Ohio 15110
Constitution, for the purpose of paying the cost of capital 15111
facilities for housing of branches and agencies of state 15112
government, including capital facilities for the purpose of 15113
housing personnel, equipment, or functions, or any combination 15114
thereof that the state agencies are responsible for housing, as 15115
are authorized by Chapter 152. of the Revised Code, and that are 15116
authorized by the general assembly by the appropriation of lease 15117
payments or other moneys for such capital facilities or by any 15118
other act of the general assembly, but not including the 15119
appropriation of moneys for feasibility studies for such capital 15120
facilities. This division does not authorize the authority to 15121
issue obligations pursuant to Section 2i of Article VIII, Ohio 15122
Constitution, to pay the cost of capital facilities for mental 15123
hygiene and retardation, parks and recreation, or state-supported 15124
or state-assisted institutions of higher education. 15125

(G) The authority is authorized to issue revenue obligations 15126
under Section 2i of Article VIII, Ohio Constitution, on behalf of 15127
a community or technical college district and shall cause the net 15128

proceeds thereof, after any deposits of accrued interest for the 15129
payment of bond service charges and after any deposit of all or 15130
such lesser portion as the authority may direct of the premium 15131
received upon the sale of those obligations for the payment of the 15132
bond service charges, to be applied to the cost of community or 15133
technical college capital facilities, provided that the issuance 15134
of such obligations is subject to the execution of a written 15135
agreement in accordance with division (C) of section 3333.90 of 15136
the Revised Code for the withholding and depositing of funds 15137
otherwise due the district, or the college it operates, in respect 15138
of its allocated state share of instruction. 15139

The authority shall provide by resolution for the issuance of 15140
such obligations. The bond service charges and all other payments 15141
required to be made by the trust agreement or indenture securing 15142
the obligations shall be payable solely from available community 15143
or technical college receipts pledged thereto as provided in the 15144
resolution. The available community or technical college receipts 15145
pledged and thereafter received by the authority are immediately 15146
subject to the lien of such pledge without any physical delivery 15147
thereof or further act, and the lien of any such pledge is valid 15148
and binding against all parties having claims of any kind against 15149
the authority, irrespective of whether those parties have notice 15150
thereof, and creates a perfected security interest for all 15151
purposes of Chapter 1309. of the Revised Code and a perfected lien 15152
for purposes of any real property interest, all without the 15153
necessity for separation or delivery of funds or for the filing or 15154
recording of the resolution, trust agreement, indenture, or other 15155
agreement by which such pledge is created or any certificate, 15156
statement, or other document with respect thereto; and the pledge 15157
of such available community or technical college receipts is 15158
effective and the money therefrom and thereof may be applied to 15159
the purposes for which pledged. Every pledge, and every covenant 15160
and agreement made with respect to the pledge, made in the 15161

resolution may therein be extended to the benefit of the owners 15162
and holders of obligations authorized by this division, and to any 15163
trustee therefor, for the further securing of the payment of the 15164
bond service charges, and all or any rights under any agreement or 15165
lease made under this section may be assigned for such purpose. 15166
Obligations may be issued at one time or from time to time, and 15167
each issue shall be dated, shall mature at such time or times as 15168
determined by the authority not exceeding forty years from the 15169
date of issue, and may be redeemable before maturity at the option 15170
of the authority at such price or prices and under such terms and 15171
conditions as are fixed by the authority prior to the issuance of 15172
the obligations. The authority shall determine the form of the 15173
obligations, fix their denominations, establish their interest 15174
rate or rates, which may be a variable rate or rates, or the 15175
maximum interest rate, and establish within or without this state 15176
a place or places of payment of bond service charges. 15177

authorizing the issuance of authority obligations may contain 15179
provisions which shall be part of the contract with the holders of 15180
the obligations as to: 15181

available receipts of the authority for the payment of bond 15183

using community or technical college or community or technical 15232
college district constituting available receipts under the 15233
resolution sufficient in amount to provide for the payment of bond 15234

community or technical college capital facilities. 15246

(B) The Ohio building authority may authorize and issue 15247

following purposes: 15250

~~(A)~~(1) Refunding any obligations previously issued by the 15251

In selecting proposals, the director shall select the one or more proposals most likely to result in the greatest savings when the cost of the proposal is compared to the reduced energy and operating costs that will result from implementing the proposal. However, in the case of a state institution of higher education pursuant to division (B) of section 156.02 of the Revised Code, the director shall select the one or more proposals most likely to result in the greatest energy, water, or wastewater savings, operating costs savings, and avoided capital costs created.

rehabilitation projects approved in subsequent funding rounds. The 15624
amount of a loan guarantee provided under this section shall not 15625

exceed the amount of the credit to be awarded for the approved 15626
historic rehabilitation project. References to the loan guarantee 15627
fund in divisions (C) and (F) of section 166.06 of the Revised 15628
Code shall be construed as references to the Ohio historic 15629
preservation tax credit fund for the purposes of loan guarantees 15630
authorized by this section, except that no transfer shall be made 15631
to the Ohio historic preservation tax credit fund from the 15632
facilities establishment fund as may otherwise be required by that 15633
section. 15634

Sec. 166.07. (A) The director of development, with the 15635
approval of the controlling board and subject to the other 15636
applicable provisions of this chapter, may lend moneys in the 15637
facilities establishment fund to persons for the purpose of paying 15638
allowable costs of an eligible project if the director determines 15639
that: 15640

(1) The project is an eligible project and is economically 15641
sound; 15642

(2) The borrower is unable to finance the necessary allowable 15643
costs through ordinary financial channels upon comparable terms; 15644

(3) The amount to be lent from the facilities establishment 15645
fund will not exceed seventy-five per cent of the total allowable 15646
costs of the eligible project, except that if any part of the 15647
amount to be lent from the facilities establishment fund is 15648
derived from the issuance and sale of project financing 15649
obligations the amount to be lent will not exceed ninety per cent 15650
of the total allowable costs of the eligible project; 15651

(4) The eligible project could not be achieved in the local 15652
area in which it is to be located if the portion of the project to 15653
be financed by the loan instead were to be financed by a loan 15654
guaranteed under section 166.06 of the Revised Code; 15655

(5) The repayment of the loan from the facilities 15656
establishment fund will be adequately secured by a mortgage, 15657
assignment, pledge, or lien provided for under section 9.661 of 15658
the Revised Code, at such level of priority as the director may 15659
require; 15660

(6) The borrower will hold at least a ten per cent equity 15661
interest in the eligible project at the time the loan is made. 15662

(B) The determinations of the director under division (A) of 15663
this section shall be conclusive for purposes of the validity of a 15664
loan commitment evidenced by a loan agreement signed by the 15665
director. 15666

(C) In furtherance of the public policy of this chapter, 15667
there is hereby established the micro-lending program for the 15668
purpose of paying the allowable costs of eligible projects of 15669
eligible small businesses. From any amount of the facilities 15670
establishment fund that the general assembly designates for the 15671
purpose of the micro-lending program, the director of development 15672
shall, either directly or indirectly, make loans under this 15673
section to eligible small businesses. The director shall establish 15674
eligibility criteria and loan terms for the program that 15675
supplement eligibility criteria and loan terms otherwise 15676
prescribed for loans under this section, and may prescribe reduced 15677
service charges and fees. For the purpose of lending under the 15678
micro-lending program, the director of development shall give 15679
precedence to projects of eligible small businesses that foster 15680
the development of small entrepreneurial enterprises, 15681
notwithstanding the considerations prescribed by divisions 15682
(A)(1)(a) and (b) of section 166.05 of the Revised Code to the 15683
extent those considerations otherwise may have the effect of 15684
disqualifying projects of eligible small businesses. The director 15685
may enter into agreements with for-profit or non-profit 15686
organizations in this state to originate and administer loans made 15687

under the micro-lending program. 15688

(D) Fees, charges, rates of interest, times of payment of 15689
interest and principal, and other terms, conditions, and 15690
provisions of and security for loans made from the facilities 15691
establishment fund pursuant to this section shall be such as the 15692
director determines to be appropriate and in furtherance of the 15693
purpose for which the loans are made. The moneys used in making 15694
such loans shall be disbursed from the facilities establishment 15695
fund upon order of the director. The director shall give special 15696
consideration in setting the required job creation ratios and 15697
interest rates for loans that are for voluntary actions. 15698

~~(D)~~(E) The director may take actions necessary or appropriate 15699
to collect or otherwise deal with any loan made under this 15700
section, including any action authorized by section 9.661 of the 15701
Revised Code. 15702

~~(E)~~(F) The director may fix service charges for the making of 15703
a loan. Such charges shall be payable at such times and place and 15704
in such amounts and manner as may be prescribed by the director. 15705

Sec. 167.081. If sections 153.50, 153.51, and 153.52 of the 15706
Revised Code do not apply, the council may enter into a contract 15707
that establishes a unit price for, and provides upon a per unit 15708
basis, materials, labor, services, overhead, profit, and 15709
associated expenses for the repair, enlargement, improvement, or 15710
demolition of a building or structure if the contract is awarded 15711
pursuant to a competitive bidding procedure of a county, municipal 15712
corporation, or township or a special district, school district, 15713
or other political subdivision that is a council member; a 15714
statewide consortium of which the council is a member; or a 15715
multistate consortium of which the council is a member. 15716

A public notice requirement pertaining to the contract shall 15717
be considered as having been met if the public notice is given 15718

once a week for at least two consecutive weeks in a newspaper of 15719
general circulation within a county in this state in which the 15720
council has members and if the notice is posted on the council's 15721
internet web site for at least two consecutive weeks before the 15722
date specified for receiving bids. 15723

A county, municipal corporation, or township and a special 15724
district, school district, or other political subdivision that is 15725
a council member may participate in a contract entered into under 15726
this section. Purchases under a contract entered into under this 15727
section are exempt from any competitive selection or bidding 15728
requirements otherwise required by law. A county, municipal 15729
corporation, or township or a special district, school district, 15730
or other political subdivision that is a member of the council is 15731
not entitled to participate in a contract entered into under this 15732
section if it has received bids for the same work under another 15733
contract, unless participation in a contract under this section 15734
will enable the member to obtain the same work, upon the same 15735
terms, conditions, and specifications, at a lower price. 15736

Sec. 169.08. (A) Any person claiming a property interest in 15737
unclaimed funds delivered or reported to the state under Chapter 15738
169. of the Revised Code, including the office of child support in 15739
the department of job and family services, pursuant to section 15740
3123.88 of the Revised Code, may file a claim thereto on the form 15741
prescribed by the director of commerce. 15742

(B) The director shall consider matters relevant to any claim 15743
filed under division (A) of this section and shall hold a formal 15744
hearing if requested or considered necessary and receive evidence 15745
concerning such claim. A finding and decision in writing on each 15746
claim filed shall be prepared, stating the substance of any 15747
evidence received or heard and the reasons for allowance or 15748
disallowance of the claim. The evidence and decision shall be a 15749

public record. No statute of limitations shall bar the allowance 15750
of a claim. 15751

(C) For the purpose of conducting any hearing, the director 15752
may require the attendance of such witnesses and the production of 15753
such books, records, and papers as the director desires, and the 15754
director may take the depositions of witnesses residing within or 15755
without this state in the same manner as is prescribed by law for 15756
the taking of depositions in civil actions in the court of common 15757
pleas, and for that purpose the director may issue a subpoena for 15758
any witness or a subpoena duces tecum to compel the production of 15759
any books, records, or papers, directed to the sheriff of the 15760
county where such witness resides or is found, which shall be 15761
served and returned. The fees of the sheriff shall be the same as 15762
that allowed in the court of common pleas in criminal cases. 15763
Witnesses shall be paid the fees and mileage provided for under 15764
section 119.094 of the Revised Code. Fees and mileage shall be 15765
paid from the unclaimed funds trust fund. 15766

(D) Interest is not payable to claimants of unclaimed funds 15767
held by the state. Claims shall be paid from the trust fund. If 15768
the amount available in the trust fund is not sufficient to pay 15769
pending claims, or other amounts disburseable from the trust fund, 15770
the treasurer of state shall certify such fact to the director, 15771
who shall then withdraw such amount of funds from the mortgage 15772
accounts as the director determines necessary to reestablish the 15773
trust fund to a level required to pay anticipated claims but not 15774
more than ten per cent of the net unclaimed funds reported to 15775
date. 15776

The director ~~shall retain in the trust fund, as a fee for~~ 15777
~~administering the funds, five per cent of the total amount of~~ 15778
~~unclaimed funds payable to the claimant and~~ may withdraw the funds 15779
paid to the director by the holders and deposited by the director 15780
with the treasurer of state or in a financial institution as agent 15781

for such funds. Whenever these funds are inadequate to meet the 15782
requirements for the trust fund, the director shall provide for a 15783
withdrawal of funds, within a reasonable time, in such amount as 15784
is necessary to meet the requirements, from financial institutions 15785
in which such funds were retained or placed by a holder and from 15786
other holders who have retained funds, in an equitable manner as 15787
prescribed by the director. In the event that the amount to be 15788
withdrawn from any one such holder is less than five hundred 15789
dollars, the amount to be withdrawn shall be at the discretion of 15790
the director. Such funds may be reimbursed in the amounts 15791
withdrawn when the trust fund has a surplus over the amount 15792
required to pay anticipated claims. Whenever the trust fund has a 15793
surplus over the amount required to pay anticipated claims, the 15794
director may transfer such surplus to the mortgage accounts. 15795

(E) If a claim which is allowed under this section relates to 15796
funds which have been retained by the reporting holder, and if the 15797
funds, on deposit with the treasurer of state pursuant to this 15798
chapter, are insufficient to pay claims, the director may notify 15799
such holder in writing of the payment of the claim and such holder 15800
shall immediately reimburse the state in the amount of such claim. 15801
The reimbursement shall be credited to the unclaimed funds trust 15802
fund. 15803

(F) Any person, including the office of child support, 15804
adversely affected by a decision of the director may appeal such 15805
decision in the manner provided in Chapter 119. of the Revised 15806
Code. 15807

In the event the claimant prevails, the claimant shall be 15808
reimbursed for reasonable attorney's fees and costs. 15809

(G) Notwithstanding anything to the contrary in this chapter, 15810
any holder who has paid moneys to or entered into an agreement 15811
with the director pursuant to section 169.05 of the Revised Code 15812
on certified checks, cashiers' checks, bills of exchange, letters 15813

of credit, drafts, money orders, or travelers' checks, may make 15814
payment to any person entitled thereto, including the office of 15815
child support, and upon surrender of the document, except in the 15816
case of travelers' checks, and proof of such payment, the director 15817
shall reimburse the holder for such payment without interest. 15818

Sec. 173.08. (A) The resident services coordinator program is 15819
established in the department of aging to fund resident services 15820
coordinators. The coordinators shall provide information to 15821
low-income and special-needs tenants, including the elderly, who 15822
live in financially assisted rental housing complexes, and assist 15823
those tenants in identifying and obtaining community and program 15824
services and other benefits for which they are eligible. 15825

(B) The resident services coordinator program fund is hereby 15826
created in the state treasury to support the resident services 15827
coordinator program established pursuant to this section. The fund 15828
consists of all moneys the department of development sets aside 15829
pursuant to division (A)~~(4)~~(3) of section 174.02 of the Revised 15830
Code and moneys the general assembly appropriates to the fund. 15831

Sec. 173.28. (A)(1) As used in this division, "incident" 15832
means the occurrence of a violation with respect to a resident or 15833
recipient, as those terms are defined in section 173.14 of the 15834
Revised Code. A violation is a separate incident for each day it 15835
occurs and for each resident who is subject to it. 15836

In lieu of the fine that may be imposed under division (A) of 15837
section 173.99 of the Revised Code, the director of aging may, 15838
under Chapter 119. of the Revised Code, fine a long-term care 15839
provider or other entity, or a person employed by a long-term care 15840
provider or other entity, for a violation of division (C) of 15841
section 173.24 of the Revised Code. The fine shall not exceed one 15842
thousand dollars per incident. 15843

(2) In lieu of the fine that may be imposed under division (C) of section 173.99 of the Revised Code, the director may, under Chapter 119. of the Revised Code, fine a long-term care provider or other entity, or a person employed by a long-term care provider or other entity, for violating division (E) of section 173.19 of the Revised Code by denying a representative of the office of the state long-term care ombudsperson program the access required by that division. The fine shall not exceed five hundred dollars for each day the violation continued.

(B) On request of the director, the attorney general shall bring and prosecute to judgment a civil action to collect any fine imposed under division (A)(1) or (2) of this section that remains unpaid thirty days after the violator's final appeal is exhausted.

(C) All fines collected under this section shall be deposited into the state treasury to the credit of the state long-term care ombudsperson program fund created under section 173.26 of the Revised Code.

shall adopt rules that establish eligibility standards for aged, 15933
blind, or disabled individuals who reside in one of the homes or 15934
facilities specified in division (C)(1) of this section but who, 15935

render, and all powers necessary or incidental thereto, as amply 17840
as such powers are possessed and exercised by the contracting 17841
subdivision directly. In the absence in such agreement of 17842

Any agreement entered into by and between two or more boards of county commissioners or county councils shall specify the method of payment for the joint exercise of any power, the joint performing of any function, or the joint rendering of any service, which method of payment shall be authorized and binding on the counties so long as the agreement is in effect.

Sec. 302.24. Any agreement entered into under sections 302.21 to 302.24, ~~inclusive,~~ of the Revised Code, may provide for the transfer to the board of county commissioners or the county council, as the case may be, of any property, real or personal, used or useful, in the performance of functions or the rendering of services under such agreement. Such transfer may include the proceeds of bonds issued or to be issued by the contracting subdivision, appropriate to the powers, functions, or services

under the agreement, such proceeds to be expended by the board or 17889
council subject to the same conditions as would govern the 17890
contracting subdivision. Such transfer may convey the absolute 17891
title to such property, subject, in the case of the disposal or 17892
encumbrance of such real property by the board or council, to the 17893
consent of the legislative authority of the contracting 17894
subdivision; or may convey its use only, or any estate or title 17895
less than absolute; may limit the power of the board or council to 17896
dispose of such property; and may provide for its return, 17897
disposition, division, or distribution, in the event of the 17898
rescission or expiration of the agreement. 17899

Sec. 303.213. (A) As used in this section, "small wind farm" 17900

~~communications network and are~~ with a single interconnection to 17903
the electrical grid and designed for, or capable of, operation at 17904
an aggregate capacity of less than five megawatts. 17905

(B) Notwithstanding division (A) of section 303.211 of the 17906
Revised Code, sections 303.01 to 303.25 of the Revised Code confer 17907
power on a board of county commissioners or board of zoning 17908
appeals to adopt zoning regulations governing the location, 17909
erection, construction, reconstruction, change, alteration, 17910
maintenance, removal, use, or enlargement of any small wind farm, 17911
whether publicly or privately owned, or the use of land for that 17912
purpose, which regulations may be more strict than the regulations 17913
prescribed in rules adopted under division (C)(2) of section 17914
4906.20 of the Revised Code. 17915

(C) The designation under this section of a small wind farm 17916
as a public utility for purposes of sections 303.01 to 303.25 of 17917
the Revised Code shall not affect the classification of a small 17918
wind farm for purposes of state or local taxation. 17919

(D) Nothing in division (C) of this section shall be construed as affecting the classification of a telecommunications tower as defined in division (B) or (E) of section 303.211 of the Revised Code or any other public utility for purposes of state and local taxation.

Sec. 305.20. For purposes of a statute or regulation that requires a county to publish a notice, advertisement, list, or other information more than once in a newspaper of general circulation, the second and subsequent publications are satisfied by posting the notice, advertisement, list, or other information on the county's internet web site if the first newspaper publication meets all the following conditions:

(A) It states that the notice, advertisement, list, or other information is posted on the county's internet web site;

(B) It includes the county's internet address on the worldwide web; and

(C) It includes instructions for accessing the notice, advertisement, list, or other information on the county's internet web site.

A notice, advertisement, list, or other information posted on a county's internet web site shall provide the same information as does the newspaper publication of the notice, advertisement, list, or other information except that the conditions outlined in divisions (A) to (C) of this section do not need to be included.

If a county does not operate and maintain, or ceases to operate and maintain, an internet web site, the county is not entitled to publish a notice, advertisement, list, or other information under this section and shall comply with the statutory publication requirements that otherwise apply to the notice, advertisement, list, or other information.

If a board conducts a sale of property by sealed bid, the form of the bid shall be as prescribed by the board, and each bid shall contain the name of the person submitting it. The property shall be sold to the highest bidder, except that the board may reject all bids and hold another sale, by public auction or sealed bid, in the manner prescribed by this section.

(2) Donate any motor vehicle that does not exceed four thousand five hundred dollars in value to a nonprofit organization

exempt from federal income taxation pursuant to 26 U.S.C. 501(a) 17981
and (c)(3) for the purpose of meeting the transportation needs of 17982
participants in the Ohio works first program established under 17983
Chapter 5107. of the Revised Code and participants in the 17984
prevention, retention, and contingency program established under 17985
Chapter 5108. of the Revised Code. 17986

(B) When the board of county commissioners finds, by 17987
resolution, that the county has personal property, including motor 17988
vehicles acquired for the use of county officers and departments, 17989
and road machinery, equipment, tools, or supplies, that is not 17990
needed for public use, is obsolete, or is unfit for the use for 17991

that is located in this state and is exempt from federal income 17999
taxation pursuant to 26 U.S.C. 501(a) and (c)(3). Before donating 18000
any property under this division, the board shall adopt a 18001
resolution expressing its intent to make unneeded, obsolete, or 18002
unfit-for-use county personal property available to these 18003
organizations. The resolution shall include guidelines and 18004
procedures the board considers necessary to implement a donation 18005
program under this division and shall indicate whether the county 18006
will conduct the donation program or the board will contract with 18007
a representative to conduct it. If a representative is known when 18008
the resolution is adopted, the resolution shall provide contact 18009
information such as the representative's name, address, and 18010
telephone number. 18011

The resolution shall include within its procedures a 18012

requirement that any nonprofit organization desiring to obtain 18013
donated property under this division shall submit a written notice 18014
to the board or its representative. The written notice shall 18015
include evidence that the organization is a nonprofit organization 18016
that is located in this state and is exempt from federal income 18017
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 18018
the organization's primary purpose; a description of the type or 18019
types of property the organization needs; and the name, address, 18020
and telephone number of a person designated by the organization's 18021
governing board to receive donated property and to serve as its 18022
agent. 18023

After adoption of the resolution, the board shall publish, in 18024
a newspaper of general circulation in the county, notice of its 18025
intent to donate unneeded, obsolete, or unfit-for-use county 18026
personal property to eligible nonprofit organizations. The notice 18027
shall include a summary of the information provided in the 18028
resolution and shall be published at least twice. The second and 18029
any subsequent notice shall be published not less than ten nor 18030
more than twenty days after the previous notice. A similar notice 18031
also shall be posted continually in a conspicuous place in the 18032
offices of the county auditor and the board of county 18033
commissioners, and, if the county maintains a web site on the 18034
internet, the notice shall be posted continually at that web site. 18035

The board or its representative shall maintain a list of all 18036
nonprofit organizations that notify the board or its 18037
representative of their desire to obtain donated property under 18038
this division and that the board or its representative determines 18039
to be eligible, in accordance with the requirements set forth in 18040
this section and in the donation program's guidelines and 18041
procedures, to receive donated property. 18042

The board or its representatives also shall maintain a list 18043
of all county personal property the board finds to be unneeded, 18044

obsolete, or unfit for use and to be available for donation under 18045
this division. The list shall be posted continually in a 18046
conspicuous location in the offices of the county auditor and the 18047
board of county commissioners, and, if the county maintains a web 18048
site on the internet, the list shall be posted continually at that 18049
web site. An item of property on the list shall be donated to the 18050
eligible nonprofit organization that first declares to the board 18051
or its representative its desire to obtain the item unless the 18052
board previously has established, by resolution, a list of 18053
eligible nonprofit organizations that shall be given priority with 18054
respect to the item's donation. Priority may be given on the basis 18055
that the purposes of a nonprofit organization have a direct 18056
relationship to specific public purposes of programs provided or 18057
administered by the board. A resolution giving priority to certain 18058
nonprofit organizations with respect to the donation of an item of 18059
property shall specify the reasons why the organizations are given 18060
that priority. 18061

(C) Members of the board of county commissioners shall 18062
consult with the Ohio ethics commission, and comply with the 18063
provisions of Chapters 102. and 2921. of the Revised Code, with 18064

section to a nonprofit organization of which a county 18066
commissioner, any member of the county commissioner's family, or 18067
any business associate of the county commissioner is a trustee, 18068
officer, board member, or employee. 18069

(D) Notwithstanding anything to the contrary in division (A), 18070
(B), or (E) of this section and regardless of the property's 18071
value, the board of county commissioners may sell or donate county 18072
personal property, including motor vehicles, to the federal 18073
government, the state, any political subdivision of the state, or 18074
a county land reutilization corporation without advertisement or 18075
public notification. 18076

(E) Notwithstanding anything to the contrary in division (A), 18077
(B), or (G) of this section and regardless of the property's 18078
value, the board of county commissioners may sell personal 18079
property, including motor vehicles acquired for the use of county 18080
officers and departments, and road machinery, equipment, tools, or 18081
supplies, that is not needed for public use, is obsolete, or is 18082
unfit for the use for which it was acquired, by internet auction. 18083
The board shall adopt, during each calendar year, a resolution 18084
expressing its intent to sell that property by internet auction. 18085
The resolution shall include a description of how the auctions 18086
will be conducted and shall specify the number of days for bidding 18087
on the property, which shall be no less than ten days, including 18088
Saturdays, Sundays, and legal holidays. The resolution shall 18089
indicate whether the county will conduct the auction or the board 18090
will contract with a representative to conduct the auction and 18091
shall establish the general terms and conditions of sale. If a 18092
representative is known when the resolution is adopted, the 18093
resolution shall provide contact information such as the 18094
representative's name, address, and telephone number. 18095

After adoption of the resolution, the board shall publish, in 18096
a newspaper of general circulation in the county, notice of its 18097
intent to sell unneeded, obsolete, or unfit-for-use county 18098
personal property by internet auction. The notice shall include a 18099
summary of the information provided in the resolution and shall be 18100
published at least twice. The second and any subsequent notice 18101
shall be published not less than ten nor more than twenty days 18102
after the previous notice. A similar notice also shall be posted 18103
continually throughout the calendar year in a conspicuous place in 18104
the offices of the county auditor and the board of county 18105
commissioners, and, if the county maintains a web site on the 18106
internet, the notice shall be posted continually throughout the 18107
calendar year at that web site. 18108

When property is to be sold by internet auction, the board or
its representative may establish a minimum price that will be
accepted for specific items and may establish any other terms and
conditions for the particular sale, including requirements for
pick-up or delivery, method of payment, and sales tax. This type
of information shall be provided on the internet at the time of
the auction and may be provided before that time upon request
after the terms and conditions have been determined by the board
or its representative.

(F) When a county officer or department head determines that
county-owned personal property under the jurisdiction of the
officer or department head, including motor vehicles, road

need, the county officer or department head may notify the board
of county commissioners, and the board may lease that personal
property to any municipal corporation, township, other political

under contracts executed by the board.

(G) If the board of county commissioners finds, by
resolution, that the county has vehicles, equipment, or machinery
that is not needed, or is unfit for public use, and the board
desires to sell the vehicles, equipment, or machinery to the
person or firm from which it proposes to purchase other vehicles,
equipment, or machinery, the board may offer to sell the vehicles,
equipment, or machinery to that person or firm, and to have the
selling price credited to the person or firm against the purchase

county, it may include in the same advertisement a notice of the

willingness of the board to accept bids for the purchase of 18141

management plans to its employees, and may enter into agreements 18339
with one or more political subdivisions, other county officials, 18340

obtain reviews and comments on plans governing erosion control, 18342
sediment control, and water management or to obtain other services 18343
for the administration of the rules adopted under this section. 18344

(D) The board of county commissioners or any duly authorized 18345
representative of the board may, upon identification to the owner 18346
or person in charge, enter any land upon obtaining agreement with 18347
the owner, tenant, or manager of the land in order to determine 18348
whether there is compliance with the rules adopted under this 18349
section. If the board or its duly authorized representative is 18350
unable to obtain such an agreement, the board or representative 18351
may apply for, and a judge of the court of common pleas for the 18352

inspection warrant as necessary to achieve the purposes of this 18354
chapter. 18355

(E)(1) If the board of county commissioners or its duly authorized representative determines that a violation of the rules adopted under this section exists, the board or representative may issue an immediate stop work order if the violator failed to obtain any federal, state, or local permit necessary for sediment and erosion control, earth movement, clearing, or cut and fill activity. In addition, if the board or representative determines such a rule violation exists, regardless of whether or not the violator has obtained the proper permits, the board or representative may authorize the issuance of a notice of violation. If, after a period of not less than thirty days has elapsed following the issuance of the notice of violation, the violation continues, the board or its duly authorized representative shall issue a second notice of violation. Except as provided in division (E)(3) of this section, if, after a period of not less than fifteen days has elapsed following the issuance of the second notice of violation, the violation continues, the board or its duly authorized representative may issue a stop work order after first obtaining the written approval of the prosecuting attorney of the county if, in the opinion of the prosecuting attorney, the violation is egregious.

Once a stop work order is issued, the board or its duly authorize representative shall request, in writing, the prosecuting attorney of the county to seek an injunction or other appropriate relief in the court of common pleas to abate excessive erosion or sedimentation and secure compliance with the rules adopted under this section. If the prosecuting attorney seeks an injunction or other appropriate relief, then, in granting relief, the court of common pleas may order the construction of sediment control improvements or implementation of other control measures and may assess a civil fine of not less than one hundred or more than five hundred dollars. Each day of violation of a rule or stop work order issued under this section shall be considered a

separate violation subject to a civil fine. 18389

(2) The person to whom a stop work order is issued under this 18390
section may appeal the order to the court of common pleas of the 18391
county in which it was issued, seeking any equitable or other 18392
appropriate relief from that order. 18393

(3) No stop work order shall be issued under this section 18394
against any public highway, transportation, or drainage 18395
improvement or maintenance project undertaken by a government 18396

its standard sediment control policies that is approved by the 18398
board or the chief of the division of soil and water ~~conservation~~ 18399

(F) No person shall violate any rule adopted or order issued 18401
under this section. Notwithstanding division (E) of this section, 18402
if the board of county commissioners determines that a violation 18403
of any rule adopted or administrative order issued under this 18404
section exists, the board may request, in writing, the prosecuting 18405
attorney of the county to seek an injunction or other appropriate 18406
relief in the court of common pleas to abate excessive erosion or 18407
sedimentation and secure compliance with the rules or order. In 18408
granting relief, the court of common pleas may order the 18409
construction of sediment control improvements or implementation of 18410
other control measures and may assess a civil fine of not less 18411
than one hundred or more than five hundred dollars. Each day of 18412
violation of a rule adopted or administrative order issued under 18413
this section shall be considered a separate violation subject to a 18414
civil fine. 18415

Sec. 319.301. (A) ~~This~~ The reductions required by division 18621
(D) of this section does do not apply to any of the following: 18622

(1) Taxes levied at whatever rate is required to produce a 18623
specified amount of tax money, including a tax levied under 18624
section 5705.199 or 5705.211 of the Revised Code, or an amount to 18625
pay debt charges; 18626

(2) Taxes levied within the one per cent limitation imposed 18627
by Section 2 of Article XII, Ohio Constitution; 18628

(3) Taxes provided for by the charter of a municipal 18629
corporation. 18630

(B) As used in this section: 18631

(1) "Real property" includes real property owned by a railroad.	18632 18633
(2) "Carryover property" means all real property on the current year's tax list except:	18634 18635
(a) Land and improvements that were not taxed by the district in both the preceding year and the current year;	18636 18637
(b) Land and improvements that were not in the same class in both the preceding year and the current year.	18638 18639
(3) "Effective tax rate" means with respect to each class of property:	18640 18641
(a) The sum of the total taxes that would have been charged and payable for current expenses against real property in that class if each of the district's taxes were reduced for the current year under division (D)(1) of this section without regard to the application of division (E)(3) of this section divided by	18642 18643 18644 18645 18646
(b) The taxable value of all real property in that class.	18647
(4) "Taxes charged and payable" means the taxes charged and payable prior to any reduction required by section 319.302 of the Revised Code.	18648 18649 18650
(C) The tax commissioner shall make the determinations required by this section each year, without regard to whether a taxing district has territory in a county to which section 5715.24 of the Revised Code applies for that year. Separate determinations shall be made for each of the two classes established pursuant to section 5713.041 of the Revised Code.	18651 18652 18653 18654 18655 18656
(D) With respect to each tax authorized to be levied by each taxing district, the tax commissioner, annually, shall do both of the following:	18657 18658 18659
(1) Determine by what percentage, if any, the sums levied by such tax against the carryover property in each class would have	18660 18661

to be reduced for the tax to levy the same number of dollars 18662
against such property in that class in the current year as were 18663
charged against such property by such tax in the preceding year 18664
subsequent to the reduction made under this section but before the 18665
reduction made under section 319.302 of the Revised Code. In the 18666
case of a tax levied for the first time that is not a renewal of 18667
an existing tax, the commissioner shall determine by what 18668
percentage the sums that would otherwise be levied by such tax 18669
against carryover property in each class would have to be reduced 18670
to equal the amount that would have been levied if the full rate 18671
thereof had been imposed against the total taxable value of such 18672
property in the preceding tax year. A tax or portion of a tax that 18673
is designated a replacement levy under section 5705.192 of the 18674
Revised Code is not a renewal of an existing tax for purposes of 18675
this division. 18676

(2) Certify each percentage determined in division (D)(1) of 18677
this section, as adjusted under division (E) of this section, and 18678
the class of property to which that percentage applies to the 18679
auditor of each county in which the district has territory. The 18680
auditor, after complying with section 319.30 of the Revised Code, 18681
shall reduce the sum to be levied by such tax against each parcel 18682
of real property in the district by the percentage so certified 18683
for its class. Certification shall be made by the first day of 18684
September except in the case of a tax levied for the first time, 18685
in which case certification shall be made within fifteen days of 18686
the date the county auditor submits the information necessary to 18687
make the required determination. 18688

(E)(1) As used in division (E)(2) of this section, "pre-1982 18689
joint vocational taxes" means, with respect to a class of 18690
property, the difference between the following amounts: 18691

(a) The taxes charged and payable in tax year 1981 against 18692
the property in that class for the current expenses of the joint 18693

vocational school district of which the school district is a part 18694
after making all reductions under this section; 18695

(b) The following percentage of the taxable value of all real 18696
property in that class: 18697

(i) In 1987, five one-hundredths of one per cent; 18698

(ii) In 1988, one-tenth of one per cent; 18699

(iii) In 1989, fifteen one-hundredths of one per cent; 18700

(iv) In 1990 and each subsequent year, two-tenths of one per 18701
cent. 18702

If the amount in division (E)(1)(b) of this section exceeds 18703
the amount in division (E)(1)(a) of this section, the pre-1982 18704
joint vocational taxes shall be zero. 18705

As used in divisions (E)(2) and (3) of this section, "taxes 18706
charged and payable" has the same meaning as in division (B)(4) of 18707
this section and excludes any tax charged and payable in 1985 or 18708
thereafter under sections 5705.194 to 5705.197 or section 5705.199 18709
~~or~~, 5705.213, or 5705.219 of the Revised Code. 18710

(2) If in the case of a school district other than a joint 18711
vocational or cooperative education school district any percentage 18712
required to be used in division (D)(2) of this section for either 18713
class of property could cause the total taxes charged and payable 18714
for current expenses to be less than two per cent of the taxable 18715
value of all real property in that class that is subject to 18716
taxation by the district, the commissioner shall determine what 18717
percentages would cause the district's total taxes charged and 18718
payable for current expenses against that class, after all 18719
reductions that would otherwise be made under this section, to 18720
equal, when combined with the pre-1982 joint vocational taxes 18721
against that class, the lesser of the following: 18722

(a) The sum of the rates at which those taxes are authorized 18723

to be levied;	18724	
(b) Two per cent of the taxable value of the property in that class. The auditor shall use such percentages in making the reduction required by this section for that class.	18725 18726 18727	
(3)(a) If in the case of a joint vocational school district any percentage required to be used in division (D)(2) of this section for either class of property could cause the total taxes charged and payable for current expenses for that class to be less than the designated amount, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses for that class, after all reductions that would otherwise be made under this section, to equal the designated amount. The auditor shall use such percentages in making the reductions required by this section for that class.	18728 18729 18730 18731 18732 18733 18734 18735 18736 18737	
(b) As used in division (E)(3)(a) of this section, the designated amount shall equal the taxable value of all real property in the class that is subject to taxation by the district times the lesser of the following:	18738 18739 18740 18741	
(i) Two-tenths of one per cent;	18742	
(ii) The district's effective rate plus the following percentage for the year indicated:	18743 18744	
WHEN COMPUTING THE TAXES CHARGED FOR	ADD THE FOLLOWING PERCENTAGE:	18745 18746
1987	0.025%	18747
1988	0.05%	18748
1989	0.075%	18749
1990	0.1%	18750
1991	0.125%	18751
1992	0.15%	18752
1993	0.175%	18753
1994 and thereafter	0.2%	18754

(F) No reduction shall be made under this section in the rate 18755
at which any tax is levied. 18756

(G) The commissioner may order a county auditor to furnish 18757
any information the commissioner needs to make the determinations 18758
required under division (D) or (E) of this section, and the 18759
auditor shall supply the information in the form and by the date 18760
specified in the order. If the auditor fails to comply with an 18761
order issued under this division, except for good cause as 18762
determined by the commissioner, the commissioner shall withhold 18763
from such county or taxing district therein fifty per cent of 18764
state revenues to local governments pursuant to section 5747.50 of 18765
the Revised Code or shall direct the department of education to 18766
withhold therefrom fifty per cent of state revenues to school 18767
districts pursuant to Chapter 3317. of the Revised Code. The 18768
commissioner shall withhold the distribution of such revenues 18769
until the county auditor has complied with this division, and the 18770
department shall withhold the distribution of such revenues until 18771
the commissioner has notified the department that the county 18772
auditor has complied with this division. 18773

(H) If the commissioner is unable to certify a tax reduction 18774
factor for either class of property in a taxing district located 18775
in more than one county by the last day of November because 18776
information required under division (G) of this section is 18777
unavailable, the commissioner may compute and certify an estimated 18778
tax reduction factor for that district for that class. The 18779
estimated factor shall be based upon an estimate of the 18780
unavailable information. Upon receipt of the actual information 18781
for a taxing district that received an estimated tax reduction 18782
factor, the commissioner shall compute the actual tax reduction 18783
factor and use that factor to compute the taxes that should have 18784
been charged and payable against each parcel of property for the 18785
year for which the estimated reduction factor was used. The amount 18786

by which the estimated factor resulted in an overpayment or 18787
underpayment in taxes on any parcel shall be added to or 18788
subtracted from the amount due on that parcel in the ensuing tax 18789
year. 18790

A percentage or a tax reduction factor determined or computed 18791
by the commissioner under this section shall be used solely for 18792
the purpose of reducing the sums to be levied by the tax to which 18793
it applies for the year for which it was determined or computed. 18794
It shall not be used in making any tax computations for any 18795
ensuing tax year. 18796

(I) In making the determinations under division (D)(1) of 18797
this section, the tax commissioner shall take account of changes 18798
in the taxable value of carryover property resulting from 18799
complaints filed under section 5715.19 of the Revised Code for 18800
determinations made for the tax year in which such changes are 18801
reported to the commissioner. Such changes shall be reported to 18802
the commissioner on the first abstract of real property filed with 18803
the commissioner under section 5715.23 of the Revised Code 18804
following the date on which the complaint is finally determined by 18805
the board of revision or by a court or other authority with 18806
jurisdiction on appeal. The tax commissioner shall account for 18807
such changes in making the determinations only for the tax year in 18808
which the change in valuation is reported. Such a valuation change 18809
shall not be used to recompute the percentages determined under 18810
division (D)(1) of this section for any prior tax year. 18811

Sec. 319.302. (A)(1) Real property that is not intended 18812
primarily for use in a business activity shall qualify for a 18813
partial exemption from real property taxation. For purposes of 18814
this partial exemption, "business activity" includes all uses of 18815
real property, except farming; leasing property for farming; 18816
occupying or holding property improved with single-family, 18817

two-family, or three-family dwellings; leasing property improved 18818
with single-family, two-family, or three-family dwellings; or 18819
holding vacant land that the county auditor determines will be 18820
used for farming or to develop single-family, two-family, or 18821
three-family dwellings. For purposes of this partial exemption, 18822
"farming" does not include land used for the commercial production 18823
of timber that is receiving the tax benefit under section 5713.23 18824
or 5713.31 of the Revised Code and all improvements connected with 18825
such commercial production of timber. 18826

(2) Each year, the county auditor shall review each parcel of 18827
real property to determine whether it qualifies for the partial 18828
exemption provided for by this section as of the first day of 18829
January of the current tax year. 18830

(B) After complying with section 319.301 of the Revised Code, 18831
the county auditor shall reduce the remaining sums to be levied 18832
against each parcel of real property that is listed on the general 18833
tax list and duplicate of real and public utility property for the 18834
current tax year and that qualifies for partial exemption under 18835
division (A) of this section, and against each manufactured and 18836
mobile home that is taxed pursuant to division (D)(2) of section 18837
4503.06 of the Revised Code and that is on the manufactured home 18838
tax list for the current tax year, by ten per cent, to provide a 18839
partial exemption for that parcel or home. Except as otherwise 18840
provided in sections 323.152, 323.158, 505.06, and 715.263 of the 18841
Revised Code, the amount of the taxes remaining after any such 18842
reduction shall be the real and public utility property taxes 18843
charged and payable on each parcel of real property, including 18844
property that does not qualify for partial exemption under 18845
division (A) of this section, and the manufactured home tax 18846
charged and payable on each manufactured or mobile home, and shall 18847
be the amounts certified to the county treasurer for collection. 18848
Upon receipt of the real and public utility property tax 18849

duplicate, the treasurer shall certify to the tax commissioner the 18850
total amount by which the real property taxes were reduced under 18851
this section, as shown on the duplicate. Such reduction shall not 18852
directly or indirectly affect the determination of the principal 18853
amount of notes that may be issued in anticipation of any tax 18854
levies or the amount of bonds or notes for any planned 18855
improvements. If after application of sections 5705.31 and 5705.32 18856
of the Revised Code and other applicable provisions of law, 18857
including divisions (F) and (I) of section 321.24 of the Revised 18858
Code, there would be insufficient funds for payment of debt 18859
charges on bonds or notes payable from taxes reduced by this 18860
section, the reduction of taxes provided for in this section shall 18861
be adjusted to the extent necessary to provide funds from such 18862
taxes. 18863

(C) The tax commissioner may adopt rules governing the 18864
administration of the partial exemption provided for by this 18865
section. 18866

(D) The determination of whether property qualifies for 18867
partial exemption under division (A) of this section is solely for 18868
the purpose of allowing the partial exemption under division (B) 18869
of this section. 18870

Sec. 319.54. (A) On all moneys collected by the county 18871
treasurer on any tax duplicate of the county, other than estate 18872
tax duplicates, and on all moneys received as advance payments of 18873
personal property and classified property taxes, the county 18874
auditor, on settlement with the treasurer and tax commissioner, on 18875
or before the date prescribed by law for such settlement or any 18876
lawful extension of such date, shall be allowed as compensation 18877
for the county auditor's services the following percentages: 18878

(1) On the first one hundred thousand dollars, two and 18879
one-half per cent; 18880

(2) On the next two million dollars, eight thousand three hundred eighteen ten-thousandths of one per cent;

(3) On the next two million dollars, six thousand six hundred fifty-five ten-thousandths of one per cent;

(4) On all further sums, one thousand six hundred sixty-three ten-thousandths of one per cent.

If any settlement is not made on or before the date prescribed by law for such settlement or any lawful extension of such date, the aggregate compensation allowed to the auditor shall be reduced one per cent for each day such settlement is delayed after the prescribed date. No penalty shall apply if the auditor and treasurer grant all requests for advances up to ninety per cent of the settlement pursuant to section 321.34 of the Revised Code. The compensation allowed in accordance with this section on settlements made before the dates prescribed by law, or the reduced compensation allowed in accordance with this section on settlements made after the date prescribed by law or any lawful extension of such date, shall be apportioned ratably by the auditor and deducted from the shares or portions of the revenue payable to the state as well as to the county, townships, municipal corporations, and school districts.

(B) For the purpose of reimbursing county auditors for the expenses associated with the increased number of applications for reductions in real property taxes under sections 323.152 and 4503.065 of the Revised Code that ~~results~~ result from the amendment of those sections by Am. Sub. 4503.068 of the Revised Code for the preceding tax year. Payments 18913
made under this division shall be made at the same times and in 18914
the same manner as payments made under section 323.156 of the 18915
Revised Code. 18916

(C) From all moneys collected by the county treasurer on any 18917
tax duplicate of the county, other than estate tax duplicates, and 18918
on all moneys received as advance payments of personal property 18919
and classified property taxes, there shall be paid into the county 18920
treasury to the credit of the real estate assessment fund created 18921
by section 325.31 of the Revised Code, an amount to be determined 18922
by the county auditor, which shall not exceed the percentages 18923
prescribed in divisions (C)(1) and (2) of this section. 18924

(1) For payments made after June 30, 2007, and before 2011, 18925

(a) On the first five hundred thousand dollars, four per 18927
cent; 18928

(b) On the next five million dollars, two per cent; 18929

(c) On the next five million dollars, one per cent; 18930

(d) On all further sums not exceeding one hundred fifty 18931

Such compensation shall be apportioned ratably by the auditor 18942
and deducted from the shares or portions of the revenue payable to 18943
the state as well as to the county, townships, municipal 18944
corporations, and school districts. 18945

(D) Each county auditor shall receive four per cent of the 18946
amount of tax collected and paid into the county treasury, on 18947

At each such settlement, the auditor shall

upon receipt to the county's undivided income tax fund, and the 19169
county auditor shall distribute the amount thereof among the 19170
various taxing districts of the county as if it had been levied, 19171

manufactured home taxes that the county treasurer has collected on 19190
the manufactured home tax duplicate at the time of making the 19191
settlement. 19192

(2) On or before the fifteenth day of September each year, 19193
the county treasurer shall settle with the county auditor for all 19194
remaining manufactured home taxes that the county treasurer has 19195
collected on the manufactured home tax duplicate at the time of 19196
making the settlement. 19197

(3) If the time for payment of such taxes is extended under 19198
section 4503.06 of the Revised Code, the time for making the 19199
settlement as prescribed by divisions (H)(1) and (2) of this 19200
section is extended for a like period of time. 19201

treasurer would have been authorized to receive had such section 19218
not been in effect and that amount had been levied and collected 19219
as manufactured home taxes. The county auditor shall distribute 19220

the amount remaining among the various taxing districts in the 19221

corporation shall be paid out of such fund to the corporation upon 19247
a warrant of the county auditor. 19248

(B) During the period of time that a county land 19249
reutilization corporation is functioning as such on behalf of a 19250

during the current calendar year, an estimate of the amount so 19267
appropriated that will be expended by the end of the year, a 19268

with one or more political subdivisions, other township officials, 19944
or other government agencies, in any combination, in order to 19945
obtain reviews and comments on plans governing erosion control, 19946

representative of the board may, upon identification to the owner 19950
or person in charge, enter any land upon obtaining agreement with 19951
the owner, tenant, or manager of the land in order to determine 19952
whether there is compliance with the rules adopted under this 19953
section. If the board or its duly authorized representative is 19954

Once a stop work order is issued, the board or its duly authorized representative shall request, in writing, the prosecuting attorney to seek an injunction or other appropriate relief in the court of common pleas to abate excessive erosion or sedimentation and secure compliance with the rules adopted under this section. If the prosecuting attorney seeks an injunction or other appropriate relief, then, in granting relief, the court of common pleas may order the construction of sediment control improvements or implementation of other control measures and may assess a civil fine of not less than one hundred or more than five hundred dollars. Each day of violation of a rule or stop work order issued under this section shall be considered a separate violation subject to a civil fine.

attorney of the county in which the township is located, to seek 20010
an injunction or other appropriate relief in the court of common 20011
pleas to abate excessive erosion or sedimentation and secure 20012
compliance with the rules or order. In granting relief, the court 20013
of common pleas may order the construction of sediment control 20014
improvements or implementation of other control measures and may 20015
assess a civil fine of not less than one hundred or more than five 20016

legislative authority or its representative may establish a 20170
minimum price that will be accepted for specific items and may 20171
establish any other terms and conditions for the particular sale, 20172
including requirements for pick-up or delivery, method of payment, 20173
and sales tax. This type of information shall be provided on the 20174

section 117.162 of the Revised Code, the proper officers of the 20194
municipal corporation shall be required to invite and receive 20195
competitive bids for furnishing all the labor, materials, and 20196
equipment and doing the work, after newspaper advertisement as 20197
provided by law. The officers shall consider and may reject such 20198
bids. If the bids are rejected, the officers may order the work 20199
done by force account or direct labor. When such bids are 20200
received, considered, and rejected, and the work done by force 20201
account or direct labor, such work shall be performed in 20202

Revised Code exceeds the higher of thirty thousand dollars or the 20215
amount as adjusted under section 117.162 of the Revised Code, such 20216
municipal authorities shall cause to be kept by the engineer of 20217
the municipal corporation, or other officer or employee of the 20218

municipal corporation in charge of such work, a complete and 20219
accurate account, in detail, of the cost of doing the work. The 20220
account shall include labor, materials, freight, fuel, hauling, 20221
overhead expense, workers' compensation premiums, and all other 20222
items of cost and expense, including a reasonable allowance for 20223
the use of all tools and equipment used on or in connection with 20224
such work and for the depreciation on the tools and equipment. The 20225
engineer or other officer or employee shall keep such account, and 20226
within ninety days after the completion of any such work shall 20227
prepare a detailed and itemized statement of such cost and file 20228
the statement with the officer or board vested with authority to 20229
direct the doing of the work in question. Such officer or board 20230
shall thereupon examine the statement, correct it if necessary, 20231
and file it in the office of the officer or board. Such statement 20232
shall be kept on file for not less than two years and shall be 20233
open to public inspection. 20234

Sec. 905.36. (A) A licensee or registrant, except registrants who package specialty fertilizers only in containers of ten pounds or less, shall pay the director of agriculture for all fertilizers distributed in this state an inspection fee at the rate of twenty-five cents per ton or twenty-eight cents per metric ton. Licensees and registrants shall specify on an invoice whether the per ton inspection fee has been paid or whether payment of the fee is the responsibility of the purchaser of the fertilizer. The payment of this inspection fee by a licensee or registrant shall exempt all other persons from the payment of this fee.

(B) Every licensee or registrant shall file with the director an annual tonnage report that includes the number of net tons or metric tons of fertilizer distributed to nonlicensees or nonregistrants in this state by grade; packaged; bulk, dry or liquid. The report shall be filed on or before the thirtieth day of November of each calendar year and shall include data from the period beginning on the first day of November of the year preceding the year in which the report is due through the thirty-first day of October of the year in which the report is due. such a report. The filing by a licensee or registrant of a sales 20507
volume tonnage statement required by division (B) of this section 20508
thereby grants permission to the director to verify the same with 20509
the records of the licensee or registrant. 20510

(D) All money collected under this section shall be credited 20511
to the pesticide, fertilizer, and lime program fund created in 20512
section 921.22 of the Revised Code. 20513

Sec. 905.50. If the director of agriculture has taken an 20514
official sample of a fertilizer or mixed fertilizer and determined 20515
that it constitutes mislabeled fertilizer pursuant to rules 20516
adopted under section 905.40 of the Revised Code, the person who 20517
labeled the fertilizer or mixed fertilizer shall pay a penalty to 20518
the consumer of the mislabeled fertilizer or, if the consumer 20519
cannot be determined with reasonable diligence or is not 20520
available, to the director ~~for deposit into~~ to be credited to the 20521
~~commercial feed pesticide, fertilizer, seed, and lime inspection~~ 20522
~~and laboratory program~~ fund created under section 905.38 921.22 of 20523

accordance with either division (A) or (B) of this section, 20525
whichever method of calculation yields the largest amount. 20526

(A)(1) A penalty required to be paid under this section may 20527
be calculated as follows: 20528

(a) Five dollars for each percentage point of total nitrogen 20529
or phosphorus in the fertilizer that is below the percentage of 20530
nitrogen or phosphorus guaranteed on the label, multiplied by the 20531
number of tons of mislabeled fertilizer that have been sold to the 20532
consumer; 20533

(b) Three dollars for each percentage point of potash in the 20534
fertilizer that is below the percentage of potash guaranteed on 20535
the label, multiplied by the number of tons of mislabeled 20536
fertilizer that have been sold to the consumer. 20537

(2) In the case of a fertilizer that contains a quantity of 20538
nitrogen, phosphorus, or potash that is more than five percentage 20539
points below the percentages guaranteed on the label, the 20540
penalties calculated under division (A)(1) of this section shall 20541
be tripled. 20542

(3) No penalty calculated under division (A) of this section 20543
shall be less than twenty-five dollars. 20544

(B) A penalty required to be paid under this section may be 20545
calculated by multiplying the market value of one unit of the 20546
mislabeled fertilizer by the number of units of the mislabeled 20547
fertilizer that have been sold to the consumer. 20548

(C) Upon making a determination under this section that a 20549
person has mislabeled fertilizer or mixed fertilizer, the director 20550
shall determine the parties to whom the penalty imposed by this 20551
section is required to be paid and, in accordance with division 20552
(A) or (B) of this section, as applicable, shall calculate the 20553
amount of the penalty required to be paid to each such party. 20554
After completing those determinations and calculations, the 20555

director shall issue to the person who allegedly mislabeled the 20556
fertilizer or mixed fertilizer a notice of violation. The notice 20557
shall be accompanied by an order requiring, and specifying the 20558
manner of, payment of the penalty imposed by this section to the 20559
parties in the amounts set forth in the determinations and 20560
calculations required by this division. The order shall be issued 20561
in accordance with Chapter 119. of the Revised Code. 20562

No person shall violate a term or condition of an order 20563

semiannually on a form that the director prescribes and provides. 20729
One semiannual report shall be filed with the director prior to 20730
the first day of February of each year with respect to all sales 20731
that the person made during the period from the first day of July 20732
to the thirty-first day of December of the preceding year. The 20733
second semiannual report shall be filed prior to the first day of 20734
August of each year with respect to all sales that the person made 20735

during the period from the first day of January to the thirtieth
day of June of that year. 20736
20737

(B) A person who holds a valid seed labeler permit shall 20738
include with each semiannual report a seed fee based on the amount 20739
of the seed that the person sold during that reporting period as 20740
follows: 20741

(1) For soybeans and small grains, including barley, oats, 20742
rye, wheat, triticale, and spelt, four cents per one hundred 20743
pounds; 20744

(2) For corn and grain sorghum, five cents per one hundred 20745
pounds; 20746

(3)(a) For any of the following seed sold at wholesale or 20747
retail or on consignment or commission, two per cent of the 20748

clearly state the number of seeds that they contain. 20764

(c) Except as otherwise provided in division (B)(3)(b)(ii) of 20765

this section, if the weight of seed in a container, or the quantity of seed in a container, exceeds the applicable weight or quantity specified in division (B)(3)(a)(i), (ii), or (iii) of this section, the fee established in division (B)(4) of this section applies.

(4) For alfalfa, clover, grass, native grass, mixtures containing any of these, and all agricultural, vegetable, and flower seeds not specified in divisions (B)(1) to (3) of this section, ten cents per one hundred pounds.

If the total amount of the seed fee that is due is less than five dollars, the person shall pay the minimum seed fee, which is five dollars.

(C) For each failure to report in full the amount of seed sold or to submit the required seed fees in full by the due date, a person who holds a valid seed labeler permit shall pay a penalty of ten per cent of the amount due or fifty dollars, whichever is greater. Failure to pay either the fee or the penalty within thirty days after the due date is cause for suspension or revocation by the director of the seed labeler permit or refusal, without a hearing, to issue a subsequent seed labeler permit for which the person applies.

(D) This section does not apply to governmental entities that donate seed for conservation purposes.

(E) All money collected under this section shall be credited to the commercial feed and seed fund created in section 923.46 of the Revised Code.

20917

to register pesticides to meet special local needs, the director 20918
shall require the information set forth under divisions (B), (C), 20919

(1) Its composition is such as to warrant the proposed claims 20922
for it. 20923

(2) Its labeling and other material required to be submitted 20924
comply with the requirements of the federal act and of this 20925
chapter, and rules adopted thereunder. 20926

pesticides meet the requirements of division (G) of this section, 20936
the director shall not register one in preference to the other. 20937

(H)(1) The director may refuse to register a pesticide if the 20938
application for registration fails to comply with this section. 20939

(2) The director may suspend or revoke a pesticide 20940

suspending the registration, the director shall determine whether 20948
the pesticide poses such a hazard. If the director determines that 20949
no hazard exists, the director shall lift the suspension of the 20950
registration. If the director determines that a hazard exists, the 20951
director shall revoke the registration in accordance with Chapter 20952
119. of the Revised Code. 20953

private applicator. 20971

the application without payment of any additional fee. 21034

(D)(1) A person who is a commercial applicator shall be 21035

the organic fraction of the material. 23206

Sec. 1511.02. The chief of the division of soil and water 23207
~~conservation~~ resources, subject to the approval of the director of 23208
natural resources, shall do all of the following: 23209

(A) Provide administrative leadership to local soil and water conservation districts in planning, budgeting, staffing, and administering district programs and the training of district supervisors and personnel in their duties, responsibilities, and authorities as prescribed in this chapter and Chapter 1515. of the Revised Code;

(B) Administer this chapter and Chapter 1515. of the Revised Code pertaining to state responsibilities and provide staff assistance to the Ohio soil and water conservation commission in exercising its statutory responsibilities;

(C) Assist in expediting state responsibilities for watershed development and other natural resource conservation works of improvement;

(D) Coordinate the development and implementation of cooperative programs and working agreements between local soil and water conservation districts and divisions or sections of the department of natural resources, or other agencies of local, state, and federal government;

(E) Subject to the approval of the Ohio soil and water conservation commission, adopt, amend, or rescind rules pursuant to Chapter 119. of the Revised Code. Rules adopted pursuant to this section:

(1) Shall establish technically feasible and economically reasonable standards to achieve a level of management and conservation practices in farming or silvicultural operations that will abate wind or water erosion of the soil or abate the degradation of the waters of the state by animal waste or by soil sediment including substances attached thereto, and establish criteria for determination of the acceptability of such management and conservation practices;

(2) Shall establish technically feasible and economically

reasonable standards to achieve a level of management and 23241
conservation practices that will abate wind or water erosion of 23242
the soil or abate the degradation of the waters of the state by 23243
soil sediment in conjunction with land grading, excavating, 23244
filling, or other soil-disturbing activities on land used or being 23245
developed for nonfarm commercial, industrial, residential, or 23246
other nonfarm purposes, and establish criteria for determination 23247
of the acceptability of such management and conservation 23248
practices. The standards shall be designed to implement applicable 23249
areawide waste treatment management plans prepared under section 23250
208 of the "Federal Water Pollution Control Act," 86 Stat. 816 23251
(1972), 33 U.S.C.A. 1288, as amended. The standards and criteria 23252
shall not apply in any municipal corporation or county that adopts 23253
ordinances or rules pertaining to sediment control, nor to lands 23254
being used in a strip mine operation as defined in section 1513.01 23255
of the Revised Code, nor to lands being used in a surface mining 23256
operation as defined in section 1514.01 of the Revised Code. 23257

(3) May recommend criteria and procedures for the approval of 23258
urban sediment pollution abatement plans and issuance of permits 23259
prior to any grading, excavating, filling, or other whole or 23260
partial disturbance of five or more contiguous acres of land owned 23261
by one person or operated as one development unit and require 23262
implementation of such a plan. Areas of less than five contiguous 23263
acres are not exempt from compliance with other provisions of this 23264
chapter and rules adopted under them. 23265

(4) Shall establish procedures for administration of rules 23266
for agricultural pollution abatement and urban sediment pollution 23267
abatement and for enforcement of rules for agricultural pollution 23268
abatement; 23269

(5) Shall specify the pollution abatement practices eligible 23270
for state cost sharing and determine the conditions for 23271
eligibility, the construction standards and specifications, the 23272

useful life, the maintenance requirements, and the limits of cost 23273
sharing for those practices. Eligible practices shall be limited 23274
to practices that address agricultural or silvicultural operations 23275
and that require expenditures that are likely to exceed the 23276
economic returns to the owner or operator and that abate soil 23277
erosion or degradation of the waters of the state by animal waste 23278
or soil sediment including pollutants attached thereto. 23279

~~(6) Until June 1, 1996, shall specify the multiflora rose 23280
control practices eligible for state cost sharing, the conditions 23281
of eligibility for state cost sharing, the limits of cost sharing 23282
for those practices, specifications for carrying out those 23283
practices to ensure effective control of the multiflora rose and 23284
to safeguard the health and safety of human beings and domestic 23285
animals and the environment, and the contract provisions to be 23286
included in cost sharing agreements with landowners;~~ 23287

~~(7) Until June 1, 1996, shall establish procedures for 23288
administering grants to soil and water conservation districts for 23289
control of multiflora rose;~~ 23290

~~(8) Shall establish procedures for administering grants to 23291
owners or operators of agricultural land or concentrated animal 23292
feeding operations for the implementation of operation and 23293
management plans;~~ 23294

~~(9)(7) Shall establish procedures for administering grants to 23295
soil and water conservation districts for urban sediment pollution 23296
abatement programs, specify the types of projects eligible for 23297
grants, establish limits on the availability of grants, and 23298
establish requirements governing the execution of projects to 23299
encourage the reduction of erosion and sedimentation associated 23300
with soil-disturbing activities;~~ 23301

~~(10)(8) Shall do all of the following with regard to 23302
composting conducted in conjunction with agricultural operations:~~ 23303

(a) Provide for the distribution of educational material 23304
concerning composting to the offices of the Ohio cooperative 23305
extension service for the purposes of section 1511.022 of the 23306
Revised Code; 23307

(b) Establish methods, techniques, or practices for 23308
composting dead animals, or particular types of dead animals, that 23309
are to be used at such operations, as the chief considers to be 23310
necessary or appropriate; 23311

(c) Establish requirements and procedures governing the 23312
review and approval or disapproval of composting plans by the 23313
supervisors of soil and water conservation districts under 23314
division ~~(U)~~(Q) of section 1515.08 of the Revised Code. 23315

~~(11)~~(9) Shall be adopted, amended, or rescinded after the 23316
chief does all of the following: 23317

(a) Mails notice to each statewide organization that the 23318
chief determines represents persons or local governmental agencies 23319
who would be affected by the proposed rule, amendment thereto, or 23320
rescission thereof at least thirty-five days before any public 23321
hearing thereon; 23322

(b) Mails a copy of each proposed rule, amendment thereto, or 23323
rescission thereof to any person who requests a copy, within five 23324
days after receipt of the request; 23325

(c) Consults with appropriate state and local governmental 23326
agencies or their representatives, including statewide 23327
organizations of local governmental officials, industrial 23328
representatives, and other interested persons; 23329

(d) If the rule relates to agricultural pollution abatement, 23330
develops an economic impact statement concerning the effect of the 23331
proposed rule or amendment. 23332

~~(12)~~(10) Shall not conflict with air or water quality 23333

standards adopted pursuant to section 3704.03 or 6111.041 of the Revised Code. Compliance with rules adopted pursuant to this section does not affect liability for noncompliance with air or water quality standards adopted pursuant to section 3704.03 or 6111.041 of the Revised Code. The application of a level of management and conservation practices recommended under this section to control windblown soil from farming operations creates a presumption of compliance with section 3704.03 of the Revised Code as that section applies to windblown soil.

~~(13)~~(11) Insofar as the rules relate to urban sediment pollution, shall not be applicable in a municipal corporation or county that adopts ordinances or rules for urban sediment control, except that a municipal corporation or county that adopts such ordinances or rules may receive moneys for urban sediment control that are disbursed by the board of supervisors of the applicable soil and water conservation district under division ~~(R)~~(N) of section 1515.08 of the Revised Code. The rules shall not exempt any person from compliance with municipal ordinances enacted pursuant to Section 3 of Article XVIII, Ohio Constitution.

(F) Cost share with landowners on practices established pursuant to division (E)(5) of this section as moneys are appropriated and available for that purpose. Any practice for which cost share is provided shall be maintained for its useful life. Failure to maintain a cost share practice for its useful life shall subject the landowner to full repayment to the division.

(G) Issue orders requiring compliance with any rule adopted under division (E)(1) of this section or with section 1511.022 of the Revised Code. Before the chief issues an order, the chief shall afford each person allegedly liable an adjudication hearing under Chapter 119. of the Revised Code. The chief may require in an order that a person who has caused agricultural pollution by

failure to comply with the standards established under division 23366
(E)(1) of this section operate under an operation and management 23367
plan approved by the chief under this section. The chief shall 23368
require in an order that a person who has failed to comply with 23369
division (A) of section 1511.022 of the Revised Code prepare a 23370
composting plan in accordance with rules adopted under division 23371
(E)(10)(c) of this section and operate in accordance with that 23372
plan or that a person who has failed to operate in accordance with 23373
such a plan begin to operate in accordance with it. Each order 23374
shall be issued in writing and contain a finding by the chief of 23375
the facts upon which the order is based and the standard that is 23376
not being met. 23377

(H) Employ field assistants and such other employees as are 23378
necessary for the performance of the work prescribed by Chapter 23379
1515. of the Revised Code, for performance of work of the 23380
division, and as agreed to under working agreements or contractual 23381
arrangements with local soil and water conservation districts, 23382
prescribe their duties, and fix their compensation in accordance 23383
with such schedules as are provided by law for the compensation of 23384
state employees. 23385

All employees of the division, unless specifically exempted 23386
by law, shall be employed subject to the classified civil service 23387
laws in force at the time of employment. 23388

(I) In connection with new or relocated projects involving 23389
highways, underground cables, pipelines, railroads, and other 23390
improvements affecting soil and water resources, including surface 23391
and subsurface drainage: 23392

(1) Provide engineering service as is mutually agreeable to 23393
the Ohio soil and water conservation commission and the director 23394
to aid in the design and installation of soil and water 23395
conservation practices as a necessary component of such projects; 23396

(2) Maintain close liaison between the owners of lands on which the projects are executed, local soil and water conservation districts, and authorities responsible for such projects;

(3) Review plans for such projects to ensure their compliance with standards developed under division (E) of this section in cooperation with the department of transportation or with any other interested agency that is engaged in soil or water conservation projects in the state in order to minimize adverse impacts on soil and water resources adjacent to or otherwise affected by these projects;

(4) Recommend measures to retard erosion and protect soil and water resources through the installation of water impoundment or other soil and water conservation practices;

(5) Cooperate with other agencies and subdivisions of the state to protect the agricultural status of rural lands adjacent to such projects and control adverse impacts on soil and water resources.

(J) Collect, analyze, inventory, and interpret all available information pertaining to the origin, distribution, extent, use, and conservation of the soil resources of the state;

(K) Prepare and maintain up-to-date reports, maps, and other materials pertaining to the soil resources of the state and their use and make that information available to governmental agencies, public officials, conservation entities, and the public;

(L) Provide soil and water conservation districts with technical assistance including on-site soil investigations and soil interpretation reports on the suitability or limitations of soil to support a particular use or to plan soil conservation measures. The assistance shall be upon such terms as are mutually agreeable to the districts and the department of natural resources.

(M) Assist local government officials in utilizing land use 23428
planning and zoning, current agricultural use value assessment, 23429
development reviews, and land management activities; 23430

(N) When necessary for the purposes of this chapter or 23431
Chapter 1515. of the Revised Code, develop or approve operation 23432
and management plans. 23433

This section does not restrict the excrement of domestic or 23434
farm animals defecated on land outside a concentrated animal 23435
feeding operation or runoff therefrom into the waters of the 23436
state. 23437

Sec. 1511.021. (A) Any person who owns or operates 23438
agricultural land or a concentrated animal feeding operation may 23439
develop and operate under an operation and management plan 23440
approved by the chief of the division of soil and water 23441
~~conservation~~ resources under section 1511.02 of the Revised Code 23442
or by the supervisors of the local soil and water conservation 23443
district under section 1515.08 of the Revised Code. 23444

(B) Any person who wishes to make a complaint regarding 23445
nuisances involving agricultural pollution may do so orally or by 23446
submitting a written, signed, and dated complaint to the chief or 23447
to the chief's designee. After receiving an oral complaint, the 23448
chief or the chief's designee may cause an investigation to be 23449
conducted to determine whether agricultural pollution has occurred 23450
or is imminent. After receiving a written, signed, and dated 23451
complaint, the chief or the chief's designee shall cause such an 23452
investigation to be conducted. 23453

(C) In a private civil action for nuisances involving 23454
agricultural pollution, it is an affirmative defense if the person 23455
owning, operating, or otherwise responsible for agricultural land 23456
or a concentrated animal feeding operation is operating under and 23457
in substantial compliance with an approved operation and 23458

management plan developed under division (A) of this section, with 23459
an operation and management plan developed by the chief under 23460
section 1511.02 of the Revised Code or by the supervisors of the 23461
local soil and water conservation district under section 1515.08 23462
of the Revised Code, or with an operation and management plan 23463
required by an order issued by the chief under division (G) of 23464
section 1511.02 of the Revised Code. Nothing in this section is in 23465
derogation of the authority granted to the chief in division (E) 23466
of section 1511.02 and in section 1511.07 of the Revised Code. 23467

Sec. 1511.022. (A) Any person who owns or operates an 23468
agricultural operation, or owns the animals raised by the owner or 23469
operator of an agricultural operation, and who wishes to conduct 23470
composting of dead animals resulting from the agricultural 23471
operation shall do both of the following: 23472

(1) Participate in an educational course concerning 23473
composting conducted by the Ohio cooperative extension service and 23474
obtain a certificate of completion for the course; 23475

(2) Use the appropriate method, technique, or practice of 23476
composting established in rules adopted under division (E)~~(10)~~(8) 23477
of section 1511.02 of the Revised Code. 23478

(B) Any person who fails to comply with division (A) of this 23479
section shall prepare and operate under a composting plan in 23480
accordance with an order issued by the chief of the division of 23481
soil and water ~~conservation~~ resources under division (G) of 23482
section 1511.02 of the Revised Code. If the person's proposed 23483
composting plan is disapproved by the board of supervisors of the 23484
appropriate soil and water conservation district under division 23485
~~(U)~~(Q)(3) of section 1515.08 of the Revised Code, the person may 23486
appeal the plan disapproval to the chief, who shall afford the 23487
person a hearing. Following the hearing, the chief shall uphold 23488
the plan disapproval or reverse it. If the chief reverses the 23489

disapproval, the plan shall be deemed approved. 23490

Sec. 1511.03. The chief of the division of soil and water 23491
~~conservation~~ resources may enter into contracts or agreements, 23492
with the approval of the director of natural resources, with any 23493
agency of the United States government, or any other public or 23494
private agency, or organization, for the performance of the 23495
prescribed duties of the division, or for accomplishing 23496
cooperative projects within the designated duties of the division. 23497

Sec. 1511.04. The chief of the division of soil and water 23498
~~conservation~~ resources may accept, on behalf of the department of 23499
natural resources, donations, grants and contributions in money, 23500
service, or equipment to enlarge or expedite the prescribed work 23501
of the division. 23502

Sec. 1511.05. The chief of the division of soil and water 23503
~~conservation~~ resources, subject to approval of the terms of the 23504
agreement by the soil and water conservation commission, shall 23505
enter into cooperative agreements with the board of supervisors of 23506
any soil and water conservation district desiring to enter into 23507
such agreements pursuant to section 1515.08 of the Revised Code. 23508
Such agreements shall be entered into to obtain compliance with 23509
rules and orders of the chief pertaining to agricultural pollution 23510
abatement and urban sediment pollution abatement. 23511

The chief or any person designated by the chief may upon 23512
obtaining agreement with the owner, tenant, or manager of any 23513
land, public or private, enter thereon to make inspections to 23514
determine whether or not there is compliance with the rules 23515
adopted under division (E)(1) of section 1511.02 of the Revised 23516
Code. Upon reason to believe there is a violation, the chief or 23517
~~his~~ the chief's designee may apply for and a judge of the court of 23518
common pleas for the county where the land is located may issue an 23519

appropriate inspection warrant as necessary to achieve the 23520
purposes of this chapter. 23521

Sec. 1511.06. The chief of the division of soil and water 23522
~~conservation~~ resources may enter into agreements with local 23523
government agencies for the purpose of soil surveys, land use 23524
inventories, and other soil-related duties. 23525

Sec. 1511.07. (A)(1) No person shall fail to comply with an 23526
order of the chief of the division of soil and water ~~conservation~~ 23527
resources issued pursuant to division (G) of section 1511.02 of 23528
the Revised Code. 23529

(2) In addition to the remedies provided and irrespective of 23530
whether an adequate remedy at law exists, the chief may apply to 23531
the court of common pleas in the county where a violation of a 23532
standard established under division (E)(1) or ~~(10)(8)~~(b) of 23533
section 1511.02 of the Revised Code causes pollution of the waters 23534
of the state for an order to compel the violator to cease the 23535
violation and to remove the agricultural pollutant or to comply 23536
with the rules adopted under division (E)~~(10)(8)~~(b) of that 23537
section, as appropriate. 23538

(3) In addition to the remedies provided and irrespective of 23539
whether an adequate remedy at law exists, whenever the chief 23540
officially determines that an emergency exists because of an 23541
unauthorized release, spill, or discharge of animal waste, or a 23542
violation of a rule adopted under division (E)~~(10)(8)~~(b) of 23543
section 1511.02 of the Revised Code, that causes pollution of the 23544
waters of the state, the chief may, without notice or hearing, 23545
issue an order reciting the existence of the emergency and 23546
requiring that necessary action be taken to meet the emergency. 23547
The order shall be effective immediately. Any person to whom the 23548
order is directed shall comply with the order immediately, but on 23549

application to the chief shall be afforded a hearing as soon as 23550
possible, but not later than twenty days after making the 23551
application. On the basis of the hearing, the chief shall continue 23552
the order in effect, revoke it, or modify it. No emergency order 23553
shall remain in effect for more than sixty days after its 23554
issuance. If a person to whom an order is issued does not comply 23555
with the order within a reasonable period, as determined by the 23556
chief, the chief or the chief's designee may enter upon private or 23557
public lands and take action to mitigate, minimize, remove, or 23558
abate the release, spill, discharge, or conditions caused by the 23559
violation of the rule. 23560

(B) The attorney general, upon the written request of the 23561
chief, shall bring appropriate legal action in Franklin county 23562
against any person who fails to comply with an order of the chief 23563
issued pursuant to division (G) of section 1511.02 of the Revised 23564
Code. 23565

Sec. 1511.071. There is hereby created in the state treasury 23566
the agricultural pollution abatement fund, which shall be 23567
administered by the chief of the division of soil and water 23568
~~conservation~~ resources. The fund may be used to pay costs incurred 23569
by the division under division (A)(3) of section 1511.07 of the 23570
Revised Code in investigating, mitigating, minimizing, removing, 23571
or abating any pollution of the waters of the state caused by an 23572
unauthorized release, spill, or discharge of animal waste into or 23573
upon the environment that requires emergency action to protect the 23574
public health. 23575

Any person responsible for causing or allowing an 23576
unauthorized release, spill, or discharge is liable to the chief 23577
for any costs incurred by the division and soil and water 23578
conservation districts in investigating, mitigating, minimizing, 23579
removing, or abating the release, spill, or discharge, regardless 23580

of whether those costs were paid out of the agricultural pollution abatement fund or any other fund of the division or a district. Upon the request of the chief, the attorney general shall bring a civil action against the responsible person to recover those costs. Moneys recovered under this section shall be paid into the agricultural pollution abatement fund.

Sec. 1511.08. Any person claiming to be deprived of a right or protection afforded ~~him~~ the person by law by an order of the chief of the division of soil and water ~~conservation~~ resources, except an order which adopts a rule, may appeal to the court of common pleas of Franklin county or the court of common pleas of the county in which the alleged violation exists.

If the court finds that the order of the chief appealed from was lawful and reasonable, it shall affirm such order. If the court finds that such order was unreasonable or unlawful, it shall vacate such order and make the order which it finds the chief should have made. The judgment of the court is final unless reversed, vacated, or modified on appeal.

Sec. 1514.08. (A) The chief of the division of mineral resources management may adopt, amend, and rescind rules in accordance with Chapter 119. of the Revised Code in order to prescribe procedures for submitting applications for permits, amendments to permits, and amendments to plans of mining and reclamation; filing annual reports and final reports; requesting inspection and approval of reclamation; paying permit and filing fees; and filing and obtaining the release of performance bonds deposited with the state. For the purpose of preventing damage to adjoining property or achieving one or more of the performance standards established in division (A)(10) of section 1514.02 of the Revised Code, the chief may establish classes of mining industries, based upon industrial categories, combinations of

minerals produced, and geological conditions in which surface or 23612
in-stream mining operations occur, and may prescribe different 23613
rules consistent with the performance standards for each class. 23614
For the purpose of apportioning the workload of the division of 23615
mineral resources management among the quarters of the year, the 23616
rules may require that applications for permits and annual reports 23617
be filed in different quarters of the year, depending upon the 23618
county in which the operation is located. 23619

(B) The chief shall adopt rules under this section that do 23620
all of the following: 23621

(1) With respect to in-stream mining, and in consultation 23622
with the chief of the division of soil and water resources, 23623
determine periods of low flow, which are the only time periods 23624
during which in-stream mining is allowed, and develop and 23625
implement any criteria, in addition to the criteria established in 23626
section 1514.02 of the Revised Code, that the chief determines are 23627
necessary for the permitting of in-stream mining; 23628

(2) Establish criteria and procedures for approving or 23629
disapproving the transfer of a surface or in-stream mining permit 23630
under division (F) of section 1514.02 of the Revised Code; 23631

(3) Define when any of the following may be considered to be 23632
"significant" for purposes of section 1514.022 of the Revised 23633
Code: 23634

(a) An amendment to a permit issued under section 1514.02 of 23635
the Revised Code for a surface or in-stream mining operation; 23636

(b) An amendment to the plan of mining and reclamation that 23637
must be filed with an application for either permit under section 23638
1514.02 of the Revised Code; 23639

(c) Changes to that plan of mining and reclamation that are 23640
proposed in a permit renewal application filed under section 23641

1514.021 of the Revised Code. 23642

In defining "significant," the chief shall focus on changes 23643
that increase the likelihood that the mining operation may have a 23644
negative impact on the public. 23645

(4) Establish a framework and procedures under which the 23646
amount of any bond required to be filed under this chapter to 23647
ensure the satisfactory performance of the reclamation measures 23648
required under this chapter may be reduced by subtracting a credit 23649
based on the operator's past compliance with this chapter and 23650
rules adopted and orders issued under it. The rules also shall 23651
apply to cash, an irrevocable letter of credit, or a certificate 23652
of deposit that is on deposit in lieu of a bond. In establishing 23653
the amount of credit that an operator or applicant may receive 23654
based on past compliance, the chief may consider past compliance 23655
with respect to any permit for a surface or in-stream mining 23656
operation that has been issued in this state to the operator or 23657
applicant. 23658

(5) Establish criteria and procedures for granting a variance 23659
from compliance with the prohibitions established in divisions 23660
(E)(3) and (F)(3) of section 1514.10 of the Revised Code. The 23661
criteria shall ensure that an operator may obtain a variance only 23662
if compliance with the applicable prohibition is not necessary to 23663
prevent damage to the watercourse or surrounding areas. 23664

Sec. 1514.13. (A) The chief of the division of mineral 23665
resources management shall use the compilation of data for ground 23666
water modeling submitted under section 1514.02 of the Revised Code 23667
to establish a projected cone of depression for any surface mining 23668
operation that may result in dewatering. The chief shall consult 23669
with the chief of the division of soil and water resources when 23670
projecting a cone of depression. An applicant for a surface mining 23671
permit for such an operation may submit ground water modeling that 23672

shows a projected cone of depression for that operation to the 23673
chief, provided that the modeling complies with rules adopted by 23674
the chief regarding ground water modeling. However, the chief 23675
shall establish the projected cone of depression for the purposes 23676
of this section. 23677

The chief shall adopt, and may amend and rescind, rules in 23678
accordance with Chapter 119. of the Revised Code establishing 23679
requirements and standards governing both of the following: 23680

(1) Ground water modeling for establishing a projected cone 23681
of depression. A ground water model shall be generally accepted in 23682
the scientific community. 23683

(2) Replacement of water supplies. 23684

(B)(1) If an owner of real property who obtains all or part 23685
of the owner's water supply for domestic, agricultural, 23686
industrial, or other legitimate use from ground water has a 23687
diminution, contamination, or interruption of that water supply 23688
and the owner's real property is located within the projected cone 23689
of depression of a surface mining operation established under this 23690
section, the owner may submit a written complaint to the operator 23691
of that operation or to the chief informing the operator or the 23692
chief that there is a diminution, contamination, or interruption 23693
of the owner's water supply. The complaint shall include the 23694
owner's name, address, and telephone number. 23695

If the chief receives a written complaint, the chief 23696
immediately shall send a copy of the complaint to the operator, 23697
and the operator immediately shall respond by sending the chief a 23698
statement that explains how the operator resolved or will resolve 23699
the complaint. If the operator receives a written complaint, the 23700
operator immediately shall send to the chief a copy of the 23701
complaint and include a statement that explains how the operator 23702
resolved or will resolve the complaint. Not later than seventy-two 23703

hours after receipt of the complaint, the operator shall provide 23704
the owner a supply of water that is comparable, in quantity and 23705
quality, to the owner's water supply prior to the diminution, 23706
contamination, or interruption of the owner's water supply. The 23707
operator shall maintain that water supply until the operator 23708
provides a permanent replacement water supply to the owner under 23709
division (B)(3) of this section or until the division of mineral 23710
resources management completes the evaluation under division 23711
(B)(2) of this section, whichever is applicable. 23712

(2) A rebuttable presumption exists that the operation caused 23713
the diminution, contamination, or interruption of the owner's 23714
water supply. However, not later than fourteen days after receipt 23715
of the complaint, the operator may submit to the division 23716
information showing that the operation is not the proximate cause 23717
of the diminution, contamination, or interruption of the owner's 23718
water supply. The division shall evaluate the information 23719
submitted by the operator to determine if the presumption is 23720
rebutted. If the operator fails to rebut the presumption, the 23721
division immediately shall notify the operator that the operator 23722
failed to rebut the presumption. Not later than fourteen days 23723
after receipt of that notice, the operator shall provide the owner 23724
a permanent replacement water supply that is comparable, in 23725
quantity and quality, to the owner's water supply prior to the 23726
diminution, contamination, or interruption of the owner's water 23727
supply. If the operator rebuts the presumption, the division 23728
immediately shall notify the operator that the operator rebutted 23729
the presumption, and, upon receipt of that notice, the operator 23730
may cease providing a supply of water to the owner under division 23731
(B)(1) of this section. 23732

(3) If, within fourteen days after receipt of the complaint, 23733
the operator does not submit to the division information showing 23734
that the operation is not the proximate cause of the diminution, 23735

contamination, or interruption of the owner's water supply, the 23736
operator shall provide the owner, not later than twenty-eight days 23737
after receipt of the complaint, a permanent replacement water 23738
supply that is comparable, in quantity and quality, to the owner's 23739
water supply prior to the diminution, contamination, or 23740
interruption of the owner's water supply. 23741

(4) The division may investigate a complaint under division 23742
(B) of this section. 23743

(C) If an owner of real property who obtains all or part of 23744
the owner's water supply for domestic, agricultural, industrial, 23745
or other legitimate use from ground water has a diminution, 23746
contamination, or interruption of that water supply and the 23747
owner's real property is not located within the projected cone of 23748
depression of a surface mining operation established under this 23749
section, the owner may submit a written complaint to the operator 23750
of that operation or to the chief informing the operator or the 23751
chief that there is a diminution, contamination, or interruption 23752
of the owner's water supply. The complaint shall include the 23753
owner's name, address, and telephone number. 23754

If the operator receives a written complaint, the operator 23755
immediately shall send the chief a copy of the complaint. If the 23756
chief receives a written complaint, the chief immediately shall 23757
send the operator a copy of the complaint. The chief shall 23758
investigate any complaint submitted under this division and, upon 23759
completion of the investigation, immediately shall send the 23760
results of the investigation to the operator and to the owner that 23761
filed the complaint. 23762

An owner that submits a written complaint under this division 23763
may resolve the diminution, contamination, or interruption of the 23764
owner's water supply with the operator of that operation or may 23765
commence a civil action for that purpose. 23766

(D) An operator may request the chief to amend the plan of mining and reclamation filed with the application under section 1514.02 of the Revised Code when a ground water user may affect the projected cone of depression established for the operation under division (A) of this section. The operator shall submit additional data that reflect the ground water user's impact on the ground water. The chief shall perform ground water modeling using the additional data and may establish a revised projected cone of depression for that operation.

(E) This section shall not be construed as creating, modifying, or affecting any right, liability, or remedy of surface riparian owners.

Sec. 1515.08. The supervisors of a soil and water conservation district have the following powers in addition to their other powers:

(A) To conduct surveys, investigations, and research relating to the character of soil erosion, floodwater and sediment damages, and the preventive and control measures and works of improvement for flood prevention and the conservation, development, utilization, and disposal of water needed within the district, and to publish the results of those surveys, investigations, or research, provided that no district shall initiate any research program except in cooperation or after consultation with the Ohio agricultural research and development center;

(2) If the board determines that composting is not being so 23932
conducted, request the chief to issue an order under division (G) 23933

supervisors shall present the completed preliminary report at the 24004
hearing that is held on the proposed improvement. 24005

The preliminary report shall include a preliminary estimate 24006

statement of the supervisors' opinion as to whether the benefits 24008
from the project are likely to exceed the estimated cost. The 24009
preliminary report shall identify all factors that are apparent to 24010
the supervisors, both favorable and unfavorable to the proposed 24011
improvement, so that the petitioners may be informed concerning 24012
what is involved with the construction of the improvement. 24013

In addition to reporting on the improvement as petitioned, 24014
the supervisors may submit alternate proposals to accomplish the 24015

intent of the petition. The preliminary report and all alternate 24016
proposals shall be reviewed and receive concurrence from an 24017
engineer who is employed by the division of soil and water 24018

chief, with the approval of the director, determines that the 24058
sale, lease, or transfer is in the best interest of the state. 24059
Consideration for minerals and mineral rights shall be by rental 24060
or on a royalty basis as prescribed by the chief, with the 24061
approval of the director, and payable as prescribed by contract. 24062
Moneys collected under division (B)(2) of this section shall be 24063
paid into the state treasury to the credit of the canal lands fund 24064
created in section 1520.05 of the Revised Code. 24065

(C) The director may transfer to the Ohio historical society 24066
any equipment, maps, and records used on or related to canal lands 24067
that are of historical interest and that are not needed by the 24068
director to administer this chapter. 24069

(D) If the director determines that any canal lands are a 24070
necessary part of a county's drainage or ditch system and are not 24071
needed for any purpose of the department of natural resources, the 24072
director may sell, grant, or otherwise convey those canal lands to 24073
that county in accordance with division (B) of this section. The 24074
board of county commissioners shall accept the transfer of canal 24075

this section, and the county recorder shall record the deed for 24079
those lands in accordance with section 317.12 of the Revised Code. 24080

Sec. 1520.03. (A) The director of natural resources may 24081
appropriate real property in accordance with Chapter 163. of the 24082
Revised Code for the purpose of administering this chapter. 24083

(B)(1) The director shall operate and maintain all canals and 24084
canal reservoirs owned by the state except those canals that are 24085

the administration of this division. 24099

(C) The director may sell or lease water from any canal or 24100
canal reservoir that the director operates and maintains only to 24101
the extent that the water is in excess of the quantity that is 24102
required for navigation, recreation, and wildlife purposes. ~~The~~ 24103
With the approval of the director, the chief may adopt, amend, and 24104
rescind rules in accordance with Chapter 119. of the Revised Code 24105
necessary to administer this division. 24106

The withdrawal of water from any canal or canal reservoir for 24107

domestic use is exempt from this division. However, the director 24108
may require water conservation measures for water that is 24109
withdrawn from any canal or canal reservoir for domestic use 24110
during drought conditions or other emergencies declared by the 24111
governor. 24112

(D) No person shall take or divert water from any canal or 24113
canal reservoir operated and maintained by the director except in 24114
accordance with division (C) of this section. 24115

(E) At the request of the director, the attorney general may 24116
commence a civil action for civil penalties and injunctions, in a 24117
court of common pleas, against any person who has violated or is 24118
violating division (D) of this section. The court of common pleas 24119
in which an action for injunctive relief is filed has jurisdiction 24120
to and shall grant preliminary and permanent injunctive relief 24121
upon a showing that the person against whom the action is brought 24122
has violated or is violating that division. 24123

Upon a finding of a violation, the court shall assess a civil 24124
penalty of not more than one thousand dollars for each day of each 24125
violation if the violator is an individual who took or diverted 24126
the water in question for residential or agricultural use. The 24127
court shall assess a civil penalty of not more than five thousand 24128
dollars for each day of each violation if the violator is any 24129
other person who took or diverted the water in question for 24130
industrial or commercial use excluding agricultural use. Moneys 24131
from civil penalties assessed under this division shall be paid 24132
into the state treasury to the credit of the canal lands fund 24133
created in section 1520.05 of the Revised Code. 24134

Any action under this division is a civil action, governed by 24135
the rules of civil procedure and other rules of practice and 24136
procedure applicable to civil actions. 24137

(F) As used in this section, "person" means any agency of 24138

this state, any political subdivision of this state or of the 24139
United States, or any legal entity defined as a person under 24140
section 1.59 of the Revised Code. 24141

conservation district or any county, municipal corporation, or 24146
other government agency of the state in the planning of works for 24147
ground water recharge, flood mitigation, floodplain management, 24148
flood control, flow capacity and stability of streams, rivers, and 24149

purposes; 24152

(B) Have authority to conduct basic inventories of the water 24153
and related natural resources in each drainage basin in the state; 24154
to develop a plan on a watershed basis that will recognize the 24155

management for those uses; with the approval of the director of 24157
natural resources and the controlling board, to transfer 24158
appropriated or other funds, authorized for those inventories and 24159
plan, to any division of the department of natural resources or 24160

moneys contributed by any person for implementing the development 24163
of the plan; 24164

(C) Have authority to make detailed investigations of all 24165
factors relating to floods, floodplain management, and flood 24166
control in the state with particular attention to those factors 24167

discretion. The chief shall collect and present at such meetings 24185
or hearings the available technical information relevant to the 24186
conflicts and to the ground water resource. The chief shall 24187
prepare a report, and may make recommendations, based upon the 24188
available technical data and the record of the meetings or 24189
hearings, about the use of the ground water resource. In making 24190
the report and any recommendations, the chief also may consider 24191

Sec. 1521.031. There is hereby created in the department of 24211
natural resources the Ohio water advisory council. The council 24212
shall consist of seven members appointed by the governor with the 24213
advice and consent of the senate. No more than four of the members 24214
shall be of the same political party. Members shall be persons who 24215
have a demonstrated interest in water management and whose 24216
expertise reflects the various responsibilities of the division of 24217
soil and water resources under this chapter and Chapter 1523. of 24218
the Revised Code, including, but not limited to, dam safety, 24219
surface water, groundwater, and flood plain management. The chief 24220

member's term until ~~his~~ the member's successor takes office or 24234
until sixty days have elapsed, whichever occurs first. Membership 24235
on the council does not constitute holding a public office or 24236
position of employment under the Revised Code and is not grounds 24237
for removal of public officers or employees from their offices or 24238
positions of employment. 24239

The council annually shall select from its members a ~~chairman~~ 24240
chairperson and a ~~vice-chairman~~ vice-chairperson. The council 24241
shall hold at least one meeting each calendar quarter and shall 24242

and necessary expenses incurred by them in the performance of 24252
their official duties. 24253

The council shall: 24254

(A) Advise the chief of the division of soil and water 24255
resources in carrying out the duties of the division under this 24256
chapter and Chapter 1523. of the Revised Code; 24257

(B) Recommend such policy and legislation with respect to 24258
water management and conservation as will promote the economic, 24259
industrial, and social development of the state while minimizing 24260
threats to the state's natural environment; 24261

(C) Review and make recommendations on the development of 24262
plans and programs for long-term, comprehensive water management 24263

throughout the state; and 24264

(D) Recommend ways to enhance cooperation among governmental 24265
agencies having an interest in water to encourage wise use and 24266
protection of the state's ground and surface waters. To this end, 24267
the council shall request nonvoting representation from 24268
appropriate governmental agencies. 24269

Sec. 1521.04. The chief of the division of soil and water 24270
resources, with the approval of the director of natural resources, 24271
may make loans and grants from the water management fund created 24272
in section 1501.32 of the Revised Code to governmental agencies 24273
for water management, water supply improvements, and planning and 24274
may administer grants from the federal government and from other 24275
public or private sources for carrying out those functions and for 24276
the performance of any acts that may be required by the United 24277
States or by any agency or department thereof as a condition for 24278
the participation by any governmental agency in any federal 24279
financial or technical assistance program. Direct and indirect 24280
costs of administration may be paid from the fund. 24281

The chief may use the water management fund for the purposes 24282
of administering the water diversion and consumptive use permit 24283
programs established in sections 1501.30 to 1501.35 of the Revised 24284
Code; to perform watershed and water resources studies for the 24285
purposes of water management planning; and to acquire, construct, 24286
reconstruct, improve, equip, maintain, operate, and dispose of 24287
water management improvements. The chief may fix, alter, charge, 24288
and collect rates, fees, rentals, and other charges to be paid 24289
into the fund by governmental agencies and persons who are 24290
supplied with water by facilities constructed or operated by the 24291
department of natural resources in order to amortize and defray 24292
the cost of the construction, maintenance, and operation of those 24293
facilities. 24294

Sec. 1521.05. (A) As used in this section:	24295
(1) "Construct" or "construction" includes drilling, boring, digging, deepening, altering, and logging.	24296 24297
(2) "Altering" means changing the configuration of a well, including, without limitation, deepening a well, extending or replacing any portion of the inside or outside casing or wall of a well that extends below ground level, plugging a portion of a well back to a certain depth, and reaming out a well to enlarge its original diameter.	24298 24299 24300 24301 24302 24303
(3) "Logging" means describing the lithology, grain size, color, and texture of the formations encountered during the drilling, boring, digging, deepening, or altering of a well.	24304 24305 24306
(4) "Grouting" means neat cement; bentonite products in slurry, granular, or pelletized form, excluding drilling mud or fluids; or any combination of neat cement and bentonite products that is placed within a well to seal the annular space or to seal an abandoned well and that is impervious to and capable of preventing the movement of water.	24307 24308 24309 24310 24311 24312

(6) "Sealing" means the complete filling of an abandoned well with grouting or other approved materials in order to permanently prevent the vertical movement of water in the well and thus prevent the contamination of ground water or the intermixing of water between aquifers.	24318 24319 24320 24321 24322
(B) Any person that constructs a well shall keep a careful and accurate log of the construction of the well. The log shall	24323 24324

The log shall be furnished to <u>filed with</u> the division of <u>soil and water resources</u> within thirty days after the completion of construction of the well on forms prescribed and prepared by the division. The log shall be kept on file by the division.	24345 24346 24347 24348
(C) Any person that seals a well shall keep a careful and accurate report of the sealing of the well. The sealing report shall show all of the following:	24349 24350 24351
(1) The name of the owner of the well, the address of the location where the well was constructed, and either the state	24352 24353

division within thirty days after the completion of the sealing of 24365
the well on forms prescribed and prepared by the division. 24366

(D) In accordance with Chapter 119. of the Revised Code, the 24367
chief may adopt, amend, and rescind rules requiring other persons 24368
that are involved in the construction or subsequent development of 24369
a well to submit well logs under division (B) of this section 24370
containing any or all of the information specified in divisions 24371
(B)(1) to (9) of this section and specifying additional 24372
information to be included in sealing reports required under 24373
division (C) of this section. The chief shall adopt rules 24374
establishing procedures and requirements governing the payment and 24375
collection of water well log filing fees, including the amount of 24376
any filing fee to be imposed as an alternative to the 24377
twenty-dollar filing fee established in division (G) of this 24378
section and including procedures for the quarterly transfer of 24379
filing fees by boards of health and the director of environmental 24380
protection under that division. 24381

(E)(1) No person shall fail to keep and ~~submit~~ file a well 24382

(2) No person shall make a false statement in any well log or sealing report required to be kept and ~~submitted~~ filed under this section. Violation of division (E)(2) of this section is falsification under section 2921.13 of the Revised Code.

(F) For the purposes of prosecution of a violation of division (E)(1) of this section, a prima-facie case is established when the division obtains either of the following:

(1) A certified copy of a permit for a private water system issued in accordance with rules adopted under section 3701.344 of the Revised Code, or a certified copy of the invoice or a canceled check from the owner of a well indicating the construction or sealing services performed;

(2) A certified copy of any permit issued under Chapter 3734. or 6111. of the Revised Code or plan approval granted under Chapter 6109. of the Revised Code for any activity that includes the construction or sealing of a well as applicable.

(G) In accordance with rules adopted under this section, a person or entity that constructs a well for the purpose of extracting potable water as part of a private water system that is subject to rules adopted under section 3701.344 of the Revised Code or a public water system that is required to be licensed under Chapter 6109. of the Revised Code shall pay a well log filing fee of twenty dollars per well log or, if the chief has adopted rules establishing an alternative fee amount, the fee amount established under rules. The fee shall be collected by a board of health under section 3701.344 of the Revised Code or the environmental protection agency under section 6109.22 of the Revised Code, as applicable.

Each calendar quarter, a board of health or the environmental protection agency, as applicable, shall forward all well log filing fees collected during the previous calendar quarter to the

division of soil and water resources. The fees shall be forwarded 24415
in accordance with procedures established in rules adopted under 24416
this section. 24417

Proceeds of well log filing fees shall be used by the 24418
division of soil and water resources for the purposes of 24419
acquiring, maintaining, and dispensing digital and paper records 24420
of well logs that are filed with the division. 24421

Sec. 1521.06. (A) No dam may be constructed for the purpose 24422
of storing, conserving, or retarding water, or for any other 24423
purpose, nor shall any levee be constructed for the purpose of 24424
diverting or retaining flood water, unless the person or 24425
governmental agency desiring the construction has a construction 24426
permit for the dam or levee issued by the chief of the division of 24427
soil and water resources. 24428

A construction permit is not required under this section for: 24429

(1) A dam that is or will be less than ten feet in height and 24430
that has or will have a storage capacity of not more than fifty 24431
acre-feet at the elevation of the top of the dam, as determined by 24432
the chief. For the purposes of this section, the height of a dam 24433
shall be measured from the natural stream bed or lowest ground 24434
elevation at the downstream or outside limit of the dam to the 24435
elevation of the top of the dam. 24436

(2) A dam, regardless of height, that has or will have a 24437
storage capacity of not more than fifteen acre-feet at the 24438
elevation of the top of the dam, as determined by the chief; 24439

(3) A dam, regardless of storage capacity, that is or will be 24440
six feet or less in height, as determined by the chief; 24441

(4) A dam or levee that belongs to a class exempted by the 24442
chief; 24443

(5) The repair, maintenance, improvement, alteration, or 24444

removal of a dam or levee that is subject to section 1521.062 of 24445
the Revised Code, unless the construction constitutes an 24446
enlargement or reconstruction of the structure as determined by 24447
the chief; 24448

(6) A dam or impoundment constructed under Chapter 1513. of 24449
the Revised Code. 24450

(B) Before a construction permit may be issued, three copies 24451
of the plans and specifications, including a detailed cost 24452
estimate, for the proposed construction, prepared by a registered 24453
professional engineer, together with the filing fee specified by 24454
this section and the bond or other security required by section 24455
1521.061 of the Revised Code, shall be filed with the chief. The 24456
detailed estimate of the cost shall include all costs associated 24457
with the construction of the dam or levee, including supervision 24458
and inspection of the construction by a registered professional 24459
engineer. The filing fee shall be based on the detailed cost 24460
estimate for the proposed construction as filed with and approved 24461
by the chief, and shall be determined by the following schedule 24462
unless otherwise provided by rules adopted under this section: 24463

(1) For the first one hundred thousand dollars of estimated 24464
cost, a fee of four per cent; 24465

(2) For the next four hundred thousand dollars of estimated 24466
cost, a fee of three per cent; 24467

(3) For the next five hundred thousand dollars of estimated 24468
cost, a fee of two per cent; 24469

(4) For all costs in excess of one million dollars, a fee of 24470
one-half of one per cent. 24471

In no case shall the filing fee be less than one thousand 24472
dollars or more than one hundred thousand dollars. If the actual 24473
cost exceeds the estimated cost by more than fifteen per cent, an 24474
additional filing fee shall be required equal to the fee 24475

determined by the preceding schedule less the original filing fee. 24476
All fees collected pursuant to this section, and all fines 24477
collected pursuant to section 1521.99 of the Revised Code, shall 24478
be deposited in the state treasury to the credit of the dam safety 24479
fund, which is hereby created. Expenditures from the fund shall be 24480
made by the chief for the purpose of administering this section 24481
and sections 1521.061 and 1521.062 of the Revised Code. 24482

(C) The chief shall, within thirty days from the date of the 24483
receipt of the application, fee, and bond or other security, issue 24484
or deny a construction permit for the construction or may issue a 24485
construction permit conditioned upon the making of such changes in 24486
the plans and specifications for the construction as the chief 24487
considers advisable if the chief determines that the construction 24488
of the proposed dam or levee, in accordance with the plans and 24489
specifications filed, would endanger life, health, or property. 24490

(D) The chief may deny a construction permit after finding 24491
that a dam or levee built in accordance with the plans and 24492
specifications would endanger life, health, or property, because 24493
of improper or inadequate design, or for such other reasons as the 24494
chief may determine. 24495

In the event the chief denies a permit for the construction 24496
of the dam or levee, or issues a permit conditioned upon a making 24497
of changes in the plans or specifications for the construction, 24498
the chief shall state the reasons therefor and so notify, in 24499
writing, the person or governmental agency making the application 24500
for a permit. If the permit is denied, the chief shall return the 24501
bond or other security to the person or governmental agency making 24502
application for the permit. 24503

The decision of the chief conditioning or denying a 24504
construction permit is subject to appeal as provided in Chapter 24505
119. of the Revised Code. A dam or levee built substantially at 24506
variance from the plans and specifications upon which a 24507

construction permit was issued is in violation of this section. 24508
The chief may at any time inspect any dam or levee, or site upon 24509
which any dam or levee is to be constructed, in order to determine 24510
whether it complies with this section. 24511

(E) A registered professional engineer shall inspect the 24512
construction for which the permit was issued during all phases of 24513
construction and shall furnish to the chief such regular reports 24514
of the engineer's inspections as the chief may require. When the 24515
chief finds that construction has been fully completed in 24516
accordance with the terms of the permit and the plans and 24517
specifications approved by the chief, the chief shall approve the 24518
construction. When one year has elapsed after approval of the 24519
completed construction, and the chief finds that within this 24520
period no fact has become apparent to indicate that the 24521
construction was not performed in accordance with the terms of the 24522
permit and the plans and specifications approved by the chief, or 24523
that the construction as performed would endanger life, health, or 24524
property, the chief shall release the bond or other security. No 24525
bond or other security shall be released until one year after 24526
final approval by the chief, unless the dam or levee has been 24527
modified so that it will not retain water and has been approved as 24528
nonhazardous after determination by the chief that the dam or 24529
levee as modified will not endanger life, health, or property. 24530

(F) When inspections required by this section are not being 24531
performed, the chief shall notify the person or governmental 24532
agency to which the permit has been issued that inspections are 24533
not being performed by the registered professional engineer and 24534
that the chief will inspect the remainder of the construction. 24535
Thereafter, the chief shall inspect the construction and the cost 24536
of inspection shall be charged against the owner. Failure of the 24537
registered professional engineer to submit required inspection 24538
reports shall be deemed notice that the engineer's inspections are 24539

not being performed. 24540

(G) The chief may order construction to cease on any dam or 24541
levee that is being built in violation of this section, and may 24542
prohibit the retention of water behind any dam or levee that has 24543
been built in violation of this section. The attorney general, 24544
upon written request of the chief, may bring an action for an 24545
injunction against any person who violates this section or to 24546
enforce an order or prohibition of the chief made pursuant to this 24547
section. 24548

(H) The chief may adopt rules in accordance with Chapter 119. 24549
of the Revised Code, for the design and construction of dams and 24550
levees for which a construction permit is required by this section 24551
or for which periodic inspection is required by section 1521.062 24552
of the Revised Code, for establishing a filing fee schedule in 24553
lieu of the schedule established under division (B) of this 24554
section, for deposit and forfeiture of bonds and other securities 24555
required by section 1521.061 of the Revised Code, for the periodic 24556
inspection, operation, repair, improvement, alteration, or removal 24557
of all dams and levees, as specified in section 1521.062 of the 24558
Revised Code, and for establishing classes of dams or levees that 24559
are exempt from the requirements of this section and section 24560
1521.062 of the Revised Code as being of a size, purpose, or 24561
situation that does not present a substantial hazard to life, 24562
health, or property. The chief may, by rule, limit the period 24563
during which a construction permit issued under this section is 24564
valid. The rules may allow for the extension of the period during 24565
which a permit is valid upon written request, provided that the 24566
written request includes a revised construction cost estimate, and 24567
may require the payment of an additional filing fee for the 24568
requested extension. If a construction permit expires without an 24569
extension before construction is completed, the person or agency 24570
shall apply for a new permit, and shall not continue construction 24571

until the new permit is issued. 24572

Sec. 1521.061. Except as otherwise provided in this section, 24573
a construction permit shall not be issued under section 1521.06 of 24574
the Revised Code unless the person or governmental agency applying 24575
for the permit executes and files a surety bond conditioned on 24576
completion of the dam or levee in accordance with the terms of the 24577
permit and the plans and specifications approved by the chief of 24578
the division of soil and water resources, in an amount equal to 24579
fifty per cent of the estimated cost of the project. 24580

If a permittee requests an extension of the time period 24581
during which a construction permit is valid in accordance with 24582
rules adopted under section 1521.06 of the Revised Code, the chief 24583
shall determine whether the revised construction cost estimate 24584
provided with the request exceeds the original construction cost 24585
estimate that was filed with the chief by more than twenty-five 24586
per cent. If the revised construction cost estimate exceeds the 24587
original construction cost estimate by more than twenty-five per 24588
cent, the chief may require an additional surety bond to be filed 24589
so that the total amount of the surety bonds equals at least fifty 24590
per cent of the revised construction cost estimate. 24591

The chief shall not approve any bond until it is personally 24592
signed and acknowledged by both principal and surety, or as to 24593
either by the attorney in fact thereof, with a certified copy of 24594
the power of attorney attached. The chief shall not approve the 24595
bond unless there is attached a certificate of the superintendent 24596
of insurance that the company is authorized to transact a fidelity 24597
and surety business in this state. 24598

All bonds shall be given in a form prescribed by the chief 24599
and shall run to the state as obligee. 24600

The applicant may deposit, in lieu of a bond, cash in an 24601
amount equal to the amount of the bond or United States government 24602

securities or negotiable certificates of deposit issued by any 24603
bank organized or transacting business in this state having a par 24604
value equal to or greater than the amount of the bond. Such cash 24605
or securities shall be deposited upon the same terms as bonds. If 24606
one or more certificates of deposit are deposited in lieu of a 24607
bond, the chief shall require the bank that issued any such 24608
certificate to pledge securities of the aggregate market value 24609
equal to the amount of the certificate that is in excess of the 24610
amount insured by the federal deposit insurance corporation. The 24611
securities to be pledged shall be those designated as eligible 24612
under section 135.18 of the Revised Code. The securities shall be 24613
security for the repayment of the certificate of deposit. 24614

Immediately upon a deposit of cash, securities, or 24615
certificates of deposit, the chief shall deliver them to the 24616
treasurer of state, who shall hold them in trust for the purposes 24617
for which they have been deposited. The treasurer of state is 24618
responsible for the safekeeping of such deposits. An applicant 24619
making a deposit of cash, securities, or certificates of deposit 24620
may withdraw and receive from the treasurer of state, on the 24621
written order of the chief, all or any portion of the cash, 24622
securities, or certificates of deposit, upon depositing with the 24623
treasurer of state cash, other United States government 24624
securities, or negotiable certificates of deposit issued by any 24625
bank organized or transacting business in this state equal in par 24626
value to the par value of the cash, securities, or certificates of 24627
deposit withdrawn. An applicant may demand and receive from the 24628
treasurer of state all interest or other income from any such 24629
securities or certificates as it becomes due. If securities so 24630
deposited with and in the possession of the treasurer of state 24631
mature or are called for payment by the issuer thereof, the 24632
treasurer of state, at the request of the applicant who deposited 24633
them, shall convert the proceeds of the redemption or payment of 24634
the securities into such other United States government 24635

securities, negotiable certificates of deposit issued by any bank 24636
organized or transacting business in this state, or cash as the 24637
applicant designates. 24638

When the chief finds that a person or governmental agency has 24639
failed to comply with the conditions of the person's or agency's 24640
bond, the chief shall make a finding of that fact and declare the 24641
bond, cash, securities, or certificates of deposit forfeited in 24642
the amount set by rule of the chief. The chief shall thereupon 24643
certify the total forfeiture to the attorney general, who shall 24644
proceed to collect that amount. 24645

In lieu of total forfeiture, the surety, at its option, may 24646
cause the dam or levee to be completed as required by section 24647
1521.06 of the Revised Code and rules of the chief, or otherwise 24648
rendered nonhazardous, or pay to the treasurer of state the cost 24649
thereof. 24650

All moneys collected on account of forfeitures of bonds, 24651
cash, securities, and certificates of deposit under this section 24652
shall be credited to the dam safety fund created in section 24653
1521.06 of the Revised Code. The chief shall make expenditures 24654
from the fund to complete dams and levees for which bonds have 24655
been forfeited or to otherwise render them nonhazardous. 24656

Expenditures from the fund for those purposes shall be made 24657
pursuant to contracts entered into by the chief with persons who 24658
agree to furnish all of the materials, equipment, work, and labor 24659
as specified and provided in the contract. 24660

A surety bond shall not be required for a permit for a dam or 24661
levee that is to be designed and constructed by an agency of the 24662
United States government, if the agency files with the chief 24663
written assurance of the agency's financial responsibility for the 24664
structure during the one-year period following the chief's 24665
approval of the completed construction provided for under division 24666

(E) of section 1521.06 of the Revised Code. 24667

Sec. 1521.062. (A) All dams and levees constructed in this 24668
state and not exempted by this section or by the chief of the 24669
division of soil and water resources under section 1521.06 of the 24670
Revised Code shall be inspected periodically by the chief, except 24671
for classes of dams that, in accordance with rules adopted under 24672
this section, are required to be inspected by registered 24673
professional engineers who have been approved for that purpose by 24674
the chief. The inspection shall ensure that continued operation 24675
and use of the dam or levee does not constitute a hazard to life, 24676
health, or property. Periodic inspections shall not be required of 24677
the following structures: 24678

(1) A dam that is less than ten feet in height and has a 24679
storage capacity of not more than fifty acre-feet at the elevation 24680
of the top of the dam, as determined by the chief. For the 24681
purposes of this section, the height of a dam shall be measured 24682
from the natural stream bed or lowest ground elevation at the 24683
downstream or outside limit of the dam to the elevation of the top 24684
of the dam. 24685

(2) A dam, regardless of height, that has a storage capacity 24686
of not more than fifteen acre-feet at the elevation of the top of 24687
the dam, as determined by the chief; 24688

(3) A dam, regardless of storage capacity, that is six feet 24689
or less in height, as determined by the chief; 24690

(4) A dam or levee belonging to a class exempted by the 24691
chief; 24692

(5) A dam or levee that has been exempted in accordance with 24693
rules adopted under section 1521.064 of the Revised Code. 24694

(B) In accordance with rules adopted under this section, the 24695
owner of a dam that is in a class of dams that is designated in 24696

the rules for inspection by registered professional engineers 24697
shall obtain the services of a registered professional engineer 24698
who has been approved by the chief to conduct the periodic 24699
inspection of dams pursuant to schedules and other standards and 24700
procedures established in the rules. The registered professional 24701
engineer shall prepare a report of the inspection in accordance 24702
with the rules and provide the inspection report to the dam owner 24703
who shall submit it to the chief. A dam that is designated under 24704
the rules for inspection by a registered professional engineer, 24705
but that is not inspected within a five-year period may be 24706
inspected by the chief at the owner's expense. 24707

(C) Intervals between periodic inspections shall be 24708
determined by the chief, but shall not exceed five years. 24709

(D) In the case of a dam or levee that the chief inspects, 24710
the chief shall furnish a report of the inspection to the owner of 24711
the dam or levee. With regard to a dam or levee that has been 24712
inspected, either by the chief or by a registered professional 24713
engineer, and that is the subject of an inspection report prepared 24714
or received by the chief, the chief shall inform the owner of any 24715
required repairs, maintenance, investigations, and other remedial 24716
and operational measures. The chief shall order the owner to 24717
perform such repairs, maintenance, investigations, or other 24718
remedial or operational measures as the chief considers necessary 24719
to safeguard life, health, or property. The order shall permit the 24720
owner a reasonable time in which to perform the needed repairs, 24721
maintenance, investigations, or other remedial measures, and the 24722
cost thereof shall be borne by the owner. All orders of the chief 24723
are subject to appeal as provided in Chapter 119. of the Revised 24724
Code. The attorney general, upon written request of the chief, may 24725
bring an action for an injunction against any person who violates 24726
this section or to enforce an order of the chief made pursuant to 24727
this section. 24728

(E) The owner of a dam or levee shall monitor, maintain, and operate the structure and its appurtenances safely in accordance with state rules, terms and conditions of permits, orders, and other requirements issued pursuant to this section or section 1521.06 of the Revised Code. The owner shall fully and promptly notify the division of soil and water resources and other responsible authorities of any condition that threatens the safety of the structure and shall take all necessary actions to safeguard life, health, and property.

(F) Before commencing the repair, improvement, alteration, or removal of a dam or levee, the owner shall file an application including plans, specifications, and other required information with the division and shall secure written approval of the application by the chief. Emergency actions by the owner required to safeguard life, health, or property are exempt from this requirement. The chief may, by rule, define maintenance, repairs, or other remedial measures of a routine nature that are exempt from this requirement.

(G) The chief may remove or correct, at the expense of the owner, any unsafe structures found to be constructed or maintained in violation of this section or section 1521.06 of the Revised Code. In the case of an owner other than a governmental agency, the cost of removal or correction of any unsafe structure, together with a description of the property on which the unsafe structure is located, shall be certified by the chief to the county auditor and placed by the county auditor upon the tax duplicate. This cost is a lien upon the lands from the date of entry and shall be collected as other taxes and returned to the division. In the case of an owner that is a governmental agency, the cost of removal or correction of any unsafe structure shall be recoverable from the owner by appropriate action in a court of competent jurisdiction.

(H) If the condition of any dam or levee is found, in the judgment of the chief, to be so dangerous to the safety of life, health, or property as not to permit time for the issuance and enforcement of an order relative to repair, maintenance, or operation, the chief shall employ any of the following remedial means necessary to protect life, health, and property:

(1) Lower the water level of the lake or reservoir by releasing water;

(2) Completely drain the lake or reservoir;

(3) Take such other measures or actions as the chief considers necessary to safeguard life, health, and property.

The chief shall continue in full charge and control of the dam or levee until the structure is rendered safe. The cost of the remedy shall be recoverable from the owner of the structure by appropriate action in a court of competent jurisdiction.

(I) The chief may accept and expend gifts, bequests, and grants from the United States government or from any other public or private source and may contract with the United States government or any other agency or entity for the purpose of carrying out the dam safety functions set forth in this section and section 1521.06 of the Revised Code.

(J) In accordance with Chapter 119. of the Revised Code, the chief may adopt, and may amend or rescind, rules that do all of the following:

(1) Designate classes of dams for which dam owners must obtain the services of a registered professional engineer to periodically inspect the dams and to prepare reports of the inspections for submittal to the chief;

(2) Establish standards in accordance with which the chief must approve or disapprove registered professional engineers to

inspect dams together with procedures governing the approval 24791
process; 24792

(3) Establish schedules, standards, and procedures governing 24793
periodic inspections and standards and procedures governing the 24794
preparation and submittal of inspection reports; 24795

(4) Establish provisions regarding the enforcement of this 24796
section and rules adopted under it. 24797

(K) The owner of a dam or levee shall notify the chief in 24798
writing of a change in ownership of the dam or levee prior to the 24799
exchange of the property. 24800

Sec. 1521.063. (A) Except for the federal government, the 24801
owner of ~~any a~~ dam, that is classified as a class I, class II, or 24802
class III dam under rules adopted under section 1521.06 of the 24803
Revised Code and subject to section 1521.062 of the Revised Code 24804

linear foot length of the dam, and the per-acre foot of volume of 24806
water impounded by the dam. The fee shall be paid to the division 24807
of soil and water ~~on or before June 30, 1988, and~~ resources on or 24808
before the thirtieth day of June of each ~~succeeding~~ year. The 24809
annual fee shall be as follows until otherwise provided by rules 24810
adopted under this section: 24811

(2) For any dam classified as a class II dam under those 24818
rules, ~~thirty~~ ninety dollars plus ~~one dollar~~ six dollars per foot 24819

five cents per-acre foot of water impounded by the dam; 24821

(3) For any dam classified as a class III dam under those 24822
rules, thirty ninety dollars plus four dollars per foot of height 24823
of the dam, five cents per foot of length of the dam, and five 24824
cents per-acre foot of volume of water impounded by the dam. 24825

For purposes of this section, the height of a dam is the 24826
vertical height, to the nearest foot, as determined by the 24827
division under section 1521.062 of the Revised Code. 24828

All fees collected under this section shall be deposited in 24829
the dam safety fund created in section 1521.06 of the Revised 24830
Code. Any owner who fails to pay any annual fee required by this 24831
section within sixty days after the due date shall be assessed a 24832
penalty of ten per cent of the annual fee plus interest at the 24833
rate of one-half per cent per month from the due date until the 24834
date of payment. 24835

There is hereby created the compliant dam discount program to 24836

reduce the amount of the annual fee that an owner of a dam is 24838
required to pay under division (A)(1), (2), or (3) of this section 24839
if the owner is in compliance with section 1521.062 of the Revised 24840
Code and has developed an emergency action plan pursuant to 24841
standards established in rules adopted under this section. The 24842
chief shall not discount an annual fee by more than twenty-five 24843
per cent of the total annual fee that is due. In addition, the 24844
chief shall not discount the annual fee that is due from the owner 24845
of a dam who has been assessed a penalty under this section. 24846

(B) The chief shall, in accordance with Chapter 119. of the 24848
Revised Code and subject to the prior approval of the director of 24849
natural resources, adopt, and may amend or rescind, rules for the 24850

resources, in accordance with Chapter 119. of the Revised Code, 24866
shall adopt, and may amend and rescind, rules establishing a 24867
program under which dams and levees may be exempted from 24868
inspections under section 1521.062 of the Revised Code if the 24869
continued operation and use of, and any rupturing of or other 24870
structural damage to, the dams and levees will not constitute a 24871
hazard to life, health, or property. The rules shall establish, 24872
without limitation, all of the following: 24873

(A) A procedure by which the owner of such a dam or levee may 24874
apply for an exemption under this section; 24875

(B) The standards that a dam or levee shall meet in order to 24876
be exempted under this section; 24877

(C) A procedure by which the chief shall periodically review 24878
the status of a dam or levee that has been exempted under this 24879

under this section shall agree, in writing, to accept liability 24882
for any injury, death, or loss to persons or property caused by 24883

Sec. 1521.07. The chief of the division of soil and water 24885
resources or any employee in the service of the division may enter 24886
upon lands to make surveys and inspections in accordance with this 24887
chapter, when necessary in the discharge of the duties enumerated 24888
in this chapter. 24889

section. The plans shall have the approval of the chief of the 24894
division of soil and water resources and the dam shall be 24895
constructed in accordance with such plans before compensation can 24896
be claimed. 24897

Sec. 1521.11. Upon the completion of the dam referred to in 24898
section 1521.09 of the Revised Code to the satisfaction of the 24899

plans are submitted to and approved by the division of soil and 24907
water resources as required by section 1521.10 of the Revised 24908
Code, the landowner may submit plans of the dam ~~he~~ the landowner 24909
has built, showing the area of the drainage basin above the dam, a 24910

cross section of the dam site, a cross section, plan, and 24911
elevation of the dam, a map of the spillway, a topographic map of 24912
the reservoir basin, and such other data and information as the 24913

division, and upon examination the dam is found to be 24915
satisfactorily completed in accordance with such plans, ~~said the~~ the 24916
division shall certify the completion and capacity thereof to the 24917
county auditor. If the plans fail to meet the requirements of the 24918
division, the owner may submit revised plans, and when such 24919
revised plans have been approved and the dam rebuilt to conform to 24920
such plans, the completion of the dam and its capacity shall then 24921
be certified to the auditor who shall thereupon make such 24922
reduction in the assessed valuation of the contiguous land as such 24923
owner is entitled to receive under sections 1521.09 to 1521.12~~7~~ 24924

areas shall be protected to at least the one-hundred-year flood 24927
level, and flood water conveyance shall be maintained, at a 24928
minimum, in accordance with standards established under the 24929
national flood insurance program. This division does not preclude 24930
a state agency or political subdivision from establishing flood 24931
protection standards that are more restrictive than this division. 24932

(B) Prior to the expenditure of money for or the construction 24933
of buildings, structures, roads, bridges, or other facilities in 24934
locations that may be subject to flooding or flood damage, all 24935
state agencies and political subdivisions shall notify and consult 24936
with the division of soil and water resources and shall furnish 24937
information that the division reasonably requires in order to 24938
avoid the uneconomic, hazardous, or unnecessary use of floodplains 24939
in connection with such facilities. 24940

issued and shall create no liability upon or be considered an 25410
indebtedness of the state, but both the principal and interest 25411
shall be paid solely out of the proceeds arising from the 25412

The form of the bonds shall be approved by the attorney 25417
general, and they shall be signed by the governor and attested by 25418
the director of natural resources and the chief. The bonds may be 25419
issued as coupon bonds, payable to bearer only, or upon demand of 25420
the owner or holder thereof as registered bonds. 25421

Such bonds shall be sold by the chief to the highest bidder 25422
therefor, but for not less than the par value thereof, with 25423
accrued interest thereon, after thirty days' notice in at least 25424
two newspapers of general circulation in the county where such 25425
improvements are to be constructed, altered, or enlarged, setting 25426
forth the nature, amount, rate of interest, and length of time the 25427
bonds have to run, with the time and place of sale. 25428

The treasurer of state shall be the treasurer of the fund 25429
realized from the sale of such bonds, and the auditor of state 25430
shall be the auditor of such fund. The proceeds of such sale shall 25431
be turned over to the treasurer of state and shall be deposited by 25432
the treasurer of state in a solvent bank, located either in 25433
Columbus or in the county in which such improvements are located. 25434
Such proceeds shall be kept by such bank in a fund to be known as 25435
the water conservation improvement fund. Such fund shall be used 25436
to acquire the necessary real estate and to construct such new 25437
improvements and for no other purpose, except that the treasurer 25438
of state may pay the interest on the bonds during the period of 25439
condemnation and the construction, alteration, or enlargement of 25440

such improvements out of the proceeds arising from the sale of the 25441
bonds for a term not exceeding three years from the date on which 25442
the bonds are issued. The bank shall give bond to the state in 25443
such amount as the treasurer of state considers advisable, and 25444
with surety to the satisfaction of the treasurer of state, for the 25445
benefit of the holders of the bonds, and for the benefit of any 25446
contractors performing labor or furnishing material for such 25447
improvements, as provided by law, conditioned that it will safely 25448
keep the money and will make no payments or disbursements 25449
therefrom except as provided in sections 1523.01 to 1523.13 of the 25450
Revised Code. 25451

The treasurer of state shall hold such fund as trustee for 25452
the holders of the bonds and for all persons performing labor or 25453
furnishing material for the construction, alteration, or 25454
enlargement of any improvement made under such sections. Such 25455
funds shall not be turned into the state treasury, but shall be 25456
deposited and disbursed by the treasurer of state as provided in 25457
such sections. The interest coupons attached to such bonds shall 25458
bear the signature of the treasurer of state, executed by the 25459
treasurer of state or printed or lithographed thereon. 25460

Both the interest and principal of such bonds shall be made 25461
payable at the office of the treasurer of state in Columbus, and 25462
shall be paid by the treasurer of state, without warrant or 25463
authority of the director of budget and management, to the owner 25464
or holder of such bonds upon presentation by the owner or holder 25465
of matured interest coupons or bonds. 25466

Sec. 1523.03. Immediately after the sale of the bonds 25467
authorized by section 1523.02 of the Revised Code and the payment 25468
of the proceeds thereof to the treasurer of state as provided in 25469
such section, the chief of the division of soil and water 25470
resources shall make a written contract for the construction of 25471

the improvements or for the making of additions to or alterations 25472
in existing improvements with the lowest responsive and 25473
responsible bidder, in accordance with section 9.312 of the 25474
Revised Code, after advertisements once a week for four 25475
consecutive weeks in one newspaper in each of the cities of 25476
Columbus, Cleveland, and Cincinnati having a general circulation 25477
therein, one trade paper having a circulation among contractors 25478
engaged in the construction of public improvement work of like 25479
character, and two newspapers having a general circulation within 25480
the county in which the dam, reservoir, storage basin, or other 25481
improvement is located or is to be located. 25482

All bids shall be filed with the chief, within the time fixed 25483
for the filing of such bids in ~~said~~ the advertisement. The bids 25484
shall be opened and publicly read by the chief at twelve noon on 25485
the last day for filing them. Each bid shall contain the full 25486
names of every person or company interested in it, shall 25487
separately state the price of both the labor and material to be 25488
furnished under it, and shall meet the requirements of section 25489
153.54 of the Revised Code. 25490

The chief may reject any bids. If the chief rejects all bids, 25491
the chief shall within sixty days thereafter readvertise for bids 25492
for the construction of such improvements, as provided in this 25493
section, and may continue to readvertise for bids every sixty days 25494
until bids are received which are made to the chief's satisfaction 25495
and in conformity to sections 1523.01 to 1523.13 of the Revised 25496
Code. 25497

The chief may award separate contracts to bidders for each 25498
part of the labor to be done or material to be furnished for the 25499
construction of such improvements, provided that the amount of the 25500
contract, if awarded as a whole, or the aggregate of ~~said~~ the 25501
several contracts, if awarded separately, shall not, together with 25502
the cost of the land necessary for such improvements and the 25503

estimated damages to remaining property, be in excess of the 25504
estimated cost of the construction thereof, including such land 25505
and damages. Such contracts shall provide that all payments 25506
thereunder shall be made only from the proceeds of the sale of the 25507
bonds issued for the construction of such improvements. No 25508
contractor shall receive payment for any work or labor performed 25509
or material furnished for such improvements unless the contract 25510
therefor was, at the time of its execution, approved by the 25511
governor by the governor's written indorsement on such contract. 25512

Sec. 1523.04. When estimates or statements for either 25513
material theretofore furnished or labor theretofore performed 25514
under a contract entered into as provided in section 1523.03 of 25515
the Revised Code are presented to the chief of the division of 25516
soil and water ~~of the department of natural~~ resources by the 25517
contractor, certified as to the correctness thereof under oath by 25518
~~him~~ the contractor or ~~his~~ the contractor's authorized agent and 25519
approved in writing by the chief, the chief shall pay the amount 25520
of such estimates or statements from the water conservation 25521
improvement fund. 25522

Sec. 1523.05. The chief of the division of soil and water 25523
resources shall by contract in writing sell or lease for 25524
agricultural, commercial, manufacturing, or other lawful purposes, 25525
for any term not exceeding fifty years, the water, or any part 25526
thereof, conserved and stored by the improvements then existing, 25527
or that will be conserved and stored by any improvements 25528
thereafter to be constructed by ~~him~~ the chief. The chief may lease 25529
the land surrounding ~~said~~ the water for a term not exceeding fifty 25530
years, as shown by the plans and specifications prepared by ~~him~~ 25531
the chief and approved by the governor as provided in section 25532
1523.01 of the Revised Code. Such agreements shall be for a 25533
certain price or rental for the water or lands furnished to or 25534

used by the grantees, lessees, or their assigns, to be paid 25535
quarterly, semiannually, or annually as the chief deems advisable. 25536

~~Said~~ The chief may, for a term not exceeding fifty years, 25537
sell or lease power generated by any head of water raised or 25538
maintained by any such improvement, or ~~he~~ the chief may sell or 25539
lease the right to use such head of water for generating power or 25540
other hydraulic purposes. 25541

All such contracts of sale or lease, whether for water or 25542
power, shall contain such reservations or restrictions as the 25543
chief deems necessary and proper in furtherance of the purposes of 25544
sections 1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, and 25545
the preservation of the use of such waters for navigation in case 25546
they are required therefor. 25547

Such contracts or leases ~~must~~ shall be approved by the 25548
attorney general as to their general form and legality and, before 25549
becoming binding obligations on the state, they shall be approved 25550
by the governor by ~~his~~ the governor's written indorsement thereon. 25551

Sec. 1523.06. (A) The chief of the division of soil and water 25552
resources before selling bonds as provided in section 1523.02 of 25553
the Revised Code or before receiving bids for the construction of 25554
improvements as authorized by section 1523.03 of the Revised Code 25555
may enter into tentative agreements for the sale or lease of water 25556
or power to: 25557

(1) Ascertain whether the public interest and welfare 25558
reasonably require the proposed improvements in the proposed 25559
locality; 25560

(2) Determine whether the revenues which the state may derive 25561
from the lease of lands and the lease and sale of the waters which 25562
are estimated will be conserved, impounded, and stored, or from 25563
the sale or lease of the power generated by such improvements, 25564

will be sufficient: 25565

(a) To pay the interest on bonds issued under section 1523.02 25566
of the Revised Code; 25567

(b) To create a sinking fund to retire ~~said~~ the bonds at 25568
their maturity; 25569

(c) To maintain and keep ~~said~~ the improvements in repair. 25570

(B) The performance and carrying out of such tentative 25571
agreements shall be conditioned upon the ability of such chief to: 25572

(1) Sell ~~said~~ the proposed bonds at not less than par and 25573
accrued interest; 25574

(2) Secure bids for the furnishing of all the labor and 25575
material necessary in the construction of such improvements, 25576
including all real estate required and damages incurred, at such a 25577
price that the rentals or compensation to be paid will provide 25578
during the terms of such contracts or leases a sum sufficient to 25579
pay ~~said~~ the interest, retire ~~said~~ the bonds, and maintain and 25580
keep ~~said~~ the improvements in repair. 25581

Sec. 1523.07. The treasurer of state shall be treasurer and 25582
the auditor of state shall be auditor of all moneys derived from 25583
the use of the improvements authorized by sections 1523.01 to 25584
1523.13, ~~inclusive,~~ of the Revised Code. The treasurer of state 25585
shall hold ~~said~~ the moneys as trustee for the maintenance of any 25586
improvements constructed under such sections, and for the holders 25587
of any bonds issued in accordance with section 1523.02 of the 25588
Revised Code. ~~Said~~ The moneys shall not be turned into the state 25589
treasury, but shall be deposited and disbursed by the treasurer of 25590
state in the manner provided in this section. All such moneys 25591
shall be collected by the treasurer of state on statements to be 25592
furnished by the chief of the division of soil and water resources 25593
and when so collected shall be deposited in solvent banks in the 25594

state upon the same terms as state funds are now loaned. ~~Said~~ The 25595
funds shall be kept by such banks in a fund known as the "water 25596
conservation fund" and shall be used, first, to maintain and keep 25597
in repair the dams, reservoirs, storage basins, and other 25598
improvements, and, second, to pay the interest upon and principal 25599
of the bonds issued and sold pursuant to section 1523.02 of the 25600
Revised Code, as such interest falls due or ~~said~~ the bonds mature. 25601

The banks in which the treasurer of state deposits any of the 25602
moneys belonging either to the water conservation improvement fund 25603
provided for in section 1523.02 of the Revised Code or the water 25604
conservation fund provided for in this section shall be state 25605
depository banks as provided for in sections 135.01 to 135.21~~7~~ 25606
~~inclusive~~, of the Revised Code. An amount not to exceed fifty 25607
thousand dollars of the money on deposit at any one time in the 25608
water conservation improvement fund, and an amount not to exceed 25609
ten thousand dollars in the water conservation fund shall be held 25610
by any of ~~said~~ the banks as an active deposit, and ~~said~~ the banks 25611
shall pay the treasurer of state on such deposits, both active and 25612
inactive, the same rate of interest then being paid by them upon 25613
the funds of the state then deposited with them by the treasurer 25614
of state. All such payments of interest shall be credited to the 25615
respective funds upon which such interest is paid. 25616

Sec. 1523.08. When the cost of any repairs to the 25617
improvements authorized by section 1523.01 of the Revised Code 25618
does not exceed one thousand dollars, the chief of the division of 25619
soil and water ~~of the department of natural~~ resources either may 25620
make such repairs ~~himself~~ or may let a contract therefor without 25621
advertising for bids. If the cost of any such repairs is in excess 25622
of one thousand dollars, the chief shall advertise for bids for 25623
the making of such repairs and let a contract therefor as provided 25624
in section 1523.03 of the Revised Code. 25625

When itemized statements are presented to the chief showing 25626
the amount of labor performed and material furnished in the making 25627
of such repairs, verified by the person making them and approved 25628
in writing by the chief, the chief shall pay the amount of such 25629
statement from the water conservation fund. 25630

Sec. 1523.09. If a reservoir, dam, storage basin, or other 25631
improvement constructed or enlarged by the chief of the division 25632
of soil and water resources as provided in sections 1523.01 to 25633
1523.13 of the Revised Code constitutes a part of the canal system 25634
of the state or is located upon any river, stream, or body of 25635
water formerly used as a feeder for the canal system, no water 25636
shall be sold or leased from the improvement ~~by the chief~~ except 25637
in accordance with section 1520.03 of the Revised Code. 25638

Sec. 1523.10. The funds derived from the sale, use, or lease 25639
of the water impounded and conserved or the power generated by the 25640
improvements constructed pursuant to sections 1523.01 to 1523.13~~7~~ 25641
~~inclusive~~, of the Revised Code, or from the lease of the lands and 25642
improvements adjacent thereto are hereby expressly pledged for the 25643
purpose of maintaining and keeping ~~said~~ the improvements in repair 25644
and for the payment of the interest on and principal of the bonds 25645
issued under section 1523.02 of the Revised Code, as the same fall 25646
due and mature. The owners of such bonds are hereby given a lien 25647
for the payment of the principal and interest of such bonds upon 25648
any dam, reservoir, storage basin, or other improvements, or any 25649
part thereof, with the appurtenances belonging thereto, 25650
constructed by the chief of the division of soil and water 25651
resources with the funds derived from the sale of such bonds. 25652

If default is made in the payment of the interest on any of 25653
~~said~~ the bonds for three or more successive years, or if bonds, 25654
aggregating in par value not less than ten per cent of the total 25655
amount of such bonds then outstanding are not paid at maturity, 25656

then all of ~~said~~ the bonds, both principal and interest, shall 25657
become due and payable, and the owners of any of ~~said~~ the bonds, 25658
aggregating in par value not less than ten per cent of the total 25659
amount of such bonds then outstanding, may institute proceedings 25660
to foreclose such lien against the state in the court of common 25661
pleas of the county in which is located any of ~~said~~ the 25662
improvements, constructed, altered, or enlarged out of the 25663
proceeds of the sale of such bonds. 25664

~~Said~~ The court shall have jurisdiction of such action with 25665
full power to foreclose such lien and to make an order to the 25666
sheriff of ~~said~~ the county, acting as a master commissioner, 25667
directing ~~him~~ the sheriff to make a sale of such improvements or 25668
part thereof at not less than two-thirds of the appraised value 25669
thereof, and upon such terms and in manner and form as provided 25670
for in ~~said~~ the order, and to pay the proceeds of such sale to the 25671
clerk of the court of common pleas. Upon motion of the purchaser 25672
of such improvements at such sale, the court, if such sale is 25673
found to be regular in all respects and according to law, shall 25674
confirm the sale and order the sheriff to execute a deed to such 25675
purchaser and ~~his~~ the purchaser's assigns, conveying to ~~him~~ the 25676
purchaser and the purchaser's assigns all the right, title, and 25677
interest of the holders of ~~said~~ the bonds in and to ~~said~~ the 25678
improvements, and all the right, title, and interest of the state, 25679
for a period of not more than fifty years from the date of such 25680
conveyance, in the same, with full right and franchise, for ~~said~~ 25681
the period of not to exceed fifty years, to operate ~~said~~ the 25682
improvements and dispose of the water conserved or the power 25683
generated thereby, with the further right, for ~~said~~ the period of 25684
fifty years, to flow, transport, and convey ~~said~~ the water from 25685
~~said~~ the improvements, or to conduct and transmit power generated 25686
thereby through, over, and upon any of the lands of the state or 25687
channels or beds of any of its reservoirs, lakes, canals, races, 25688
aqueducts, or watercourses. In the exercise of such rights, such 25689

purchaser or ~~his~~ the purchaser's assigns shall at all times during 25690
the term of ~~said~~ the grant maintain the improvements so conveyed 25691
to them in a good state of repair and shall not interfere with the 25692
navigation of the canals of the state or with the control and 25693
maintenance thereof or with the sale of water by the state from 25694
its dams, reservoirs, and improvements other than those so 25695
constructed. The state does not incur any liability by reason of 25696
such sale and the rights granted thereunder to continue to 25697
maintain such canals, races, channels, or watercourses, or to 25698
continue the use thereof. Such conveyance or grant by the sheriff 25699
as such master commissioner shall contain a clause giving the 25700
chief such control of waste gates and wickets as to regulate the 25701
flow of water in the state reservoirs or canals, in such manner as 25702
to maintain the proper level therein and to prevent the flowing 25703
into such reservoirs and canals of such quantities of water as 25704
might impair any of the property of the state or its lessees, 25705
except as otherwise provided in section 1520.03 of the Revised 25706
Code. 25707

Upon the foreclosure of ~~said~~ the lien and the sale of ~~said~~ 25708
the improvements, all contracts or leases for the sale, use, or 25709
lease of water, the lands and improvements adjacent thereto, or 25710
power rights then outstanding shall become void, and the rights of 25711
the state and the several lessees thereunder, shall cease. 25712

Upon the making of an order by the court for the sale of such 25713
improvements, and before they are offered for sale by the sheriff, 25714
the court shall appoint three disinterested appraisers, one of 25715
whom shall be a water-works or hydraulic engineer with at least 25716
five years' experience in the practice of ~~his~~ the engineer's 25717
profession, and two of whom shall be freeholders residing in the 25718
county in which any of such improvements are located. ~~Said~~ The 25719
appraisers shall appraise ~~said~~ the improvements and shall, within 25720
the time fixed by the court, file such appraisal in writing with 25721

the clerk. If the lien given by this section as security for the 25722
payment of ~~said~~ the bonds covers a part only of ~~said~~ the 25723
improvements, ~~said~~ the appraisers shall appraise ~~said~~ the 25724
improvements as an entirety, and shall also appraise separately 25725
the part constructed from the proceeds of the sale of ~~said~~ the 25726
bonds, the lien of which is being foreclosed in such proceeding. 25727

In making such appraisal and fixing the value of ~~said~~ the 25728
improvements or of such part thereof, ~~said~~ the appraisers shall 25729
have access to all papers and documents on file in the office of 25730
the chief relating to such improvements, including the plans and 25731
specifications therefor, and the bids made and contracts entered 25732
into for the construction thereof, and all leases and contracts 25733
for the sale of water impounded therein and power generated 25734
thereby. The order of the court shall direct the sale only of such 25735
part of ~~said~~ the improvements as have been constructed from the 25736
proceeds of the sale of ~~said~~ the bonds. The purchaser at such 25737
sale, in the operation of such improvements during the term of the 25738
franchise granted to ~~him~~ the purchaser by this section, shall draw 25739
from the dam or reservoir impounding such water only such portion 25740
thereof as the appraised value of that part of such improvements, 25741
constructed from the proceeds of the sale of such bonds and sold 25742
to ~~him~~ the purchaser under the order of the court, bears to the 25743
entire appraised value of such improvements. 25744

If at any time during the term of the franchise granted to 25745
the purchaser of such improvements at such foreclosure sale any 25746
controversy arises between ~~him~~ the purchaser or ~~his~~ the 25747
purchaser's assigns and the chief as to the operation of such 25748
improvements, or as to the amount of water which ~~said~~ the 25749
purchaser is drawing or is entitled to draw therefrom, either ~~said~~ 25750
the purchaser or ~~said~~ the chief may file a petition in ~~said~~ the 25751
court, setting forth the facts connected with such controversy. 25752

Notice in writing of the filing of such petition shall be 25753

given to the opposite party to ~~said the~~ controversy within thirty 25754
days from the date of the filing thereof, either by service of 25755
such notice personally upon such opposite party by the sheriff of 25756
such county or by service by mail by the clerk. Such notice shall 25757
be mailed to the name and address which the purchaser filed with 25758
~~said the~~ clerk at the time of the delivery to the purchaser by the 25759
sheriff of the deed. Within thirty days from the serving or 25760
mailing of such notice, the opposite party to ~~said the~~ controversy 25761
shall file ~~his an~~ answer in ~~said the~~ court, and thereupon the 25762
court shall hear and determine ~~said the~~ controversy and make such 25763
order in regard to it as is just and proper, which order shall be 25764
binding upon all the parties to ~~said the~~ controversy. 25765

At the termination of ~~said the~~ period of not to exceed fifty 25766
years, all of the rights and privileges conveyed to ~~said the~~ 25767
purchaser by the deed and grant of such sheriff as master 25768
commissioner shall cease and ~~said the~~ improvements, with all the 25769
appurtenances belonging thereto, shall revert to and become the 25770
property of the state, free and clear of any claims whatever 25771
against them. 25772

The clerk shall distribute and pay the money received by ~~him~~ 25773
the clerk from the sheriff as such master commissioner from the 25774
sale of such improvements to the holders of ~~said the~~ bonds pro 25775
rata, and upon such payment to any of ~~said the~~ bondholders, they 25776
shall surrender to the ~~said the~~ clerk their bonds, with all unpaid 25777
interest coupons thereon. The clerk shall thereupon cancel the 25778
same and deliver them, so canceled, to the treasurer of the water 25779
conservation improvement fund. 25780

Sec. 1523.11. All appropriations of property made by the 25781
chief of the division of soil and water resources in carrying out 25782
sections 1523.01 to 1523.13, ~~inclusive,~~ of the Revised Code, shall 25783
be made in accordance with sections 163.01 to 163.22, ~~inclusive,~~ 25784

of the Revised Code, provided that possession of any property so 25785
appropriated shall not be taken by the state or the chief before 25786
the compensation and damages awarded therefor in the appropriation 25787
proceedings have been paid into court. 25788

Sec. 1523.12. Sections 1523.01 to 1523.13, ~~inclusive~~, of the 25789
Revised Code do not authorize any reduction in the quantity or any 25790
impairment in the quality of the water in any watershed, stream, 25791
or basin, developed or undeveloped, from which any political 25792
subdivision is, at the time the chief of the division of soil and 25793
water resources proposes and is proceeding to construct in such 25794
watershed, stream, or basin any of the improvements authorized by 25795
such sections, taking water for the use of itself or its 25796
inhabitants, or has plans under way, or has made or begun 25797
appropriation of any property or rights in such watershed, stream, 25798
or basin for the purpose of acquiring a water supply for itself or 25799
its inhabitants for either domestic, industrial, or other uses. 25800
Such sections do not authorize the chief to sell or lease the 25801
right to use water at any time for any purpose or to such an 25802
extent as to prejudice, abrogate, or supersede any of the water 25803
rights granted by the state to the city of Akron as provided in 25804
volume 102, Ohio Laws, page 175, sections 1 to 3, ~~inclusive~~. 25805

Sec. 1523.13. If by reason of severe drought or other causes 25806
the water supply of any political subdivision is, in the judgment 25807
of the chief of the division of soil and water resources, at any 25808
time so reduced or impaired as to endanger the property of such 25809
political subdivision, or the health, safety, or property of the 25810
inhabitants thereof, then the chief, under such regulations as ~~he~~ 25811
the chief prescribes, may grant to such political subdivision the 25812
right, during the continuance of such emergency, to draw or take 25813
such quantity of water as is necessary to protect the property of 25814
such political subdivision and the health, safety, or property of 25815

its inhabitants from any improvement constructed under sections 25816
1523.01 to 1523.13, ~~inclusive~~, of the Revised Code, before any of 25817

industrial purposes take water therefrom. Such political 25819
subdivision shall pay such price per thousand gallons for the 25820
water so taken by it as is fixed by the chief and the governor. 25821
The price so fixed shall not exceed the maximum price then being 25822
paid for water to the state by any of its lessees or grantees. 25823
Such grant by the chief to such political subdivision shall not 25824
modify the terms or impair the validity of any leases then 25825

Sec. 1523.14. The director of transportation in constructing 25828

the Revised Code, either severally or jointly, upon request of the 25835
chief of the division of soil and water resources and with the 25836
approval of the director of transportation, may construct and 25837
maintain slack-water dams in connection with ~~said~~ the highway, 25838
highway bridge, or culvert so as to create reservoirs, ponds, 25839

the water supply of the state. 25841

Sec. 1523.15. The chief of the division of soil and water ~~of~~ 25842

authority having charge of the construction of state, county, or 25844
township highways, highway bridges, and culverts, or municipal 25845
streets, for the construction of slack-water dams in connection 25846

with the construction of any such highway, street, highway bridge, 25847
or culvert whenever, in ~~his~~ the chief's opinion, the construction 25848
of such dam is desirable and feasible for the economical creation 25849
and construction of reservoirs, ponds, water parks, basins, lakes, 25850
or other incidental works for the conservation of the water supply 25851
of the state. 25852

The public authority having charge of such construction may 25853
approve such request when, in its opinion, the construction of 25854
such dams will not unnecessarily delay or hinder the construction 25855
of the highway, street, highway bridge, or culvert, or will not 25856
interfere with its value or use for highway purposes. 25857

If such request is approved, the chief, in cooperation with 25858
the department of transportation and the public authority 25859
participating in the project, shall make a survey and prepare 25860
plans, specifications, and estimates for the construction of such 25861
dams and the reservoir, pond, water park, basin, lake, or other 25862
incidental works in connection therewith. 25863

highway bridge, or culvert. 25884

Upon receipt of such a petition and its approval by the 25885
chief, ~~he~~ the chief shall proceed as authorized by section 1523.15 25886
of the Revised Code. If the public authority having charge of the 25887
construction of such highway, street, highway bridge, or culvert 25888
approves the request, then the chief shall enter into an agreement 25889
with the public authority, organization, or person petitioning for 25890
the construction of such dam or reservoir on the apportionment of 25891
the cost and expense of construction. The cost and expense of such 25892
dam project shall include the cost of clearing and grubbing and 25893
the cost of property and damages incidental thereto. Such 25894
agreement shall also contain provisions for the proper maintenance 25895

the revenue derived therefrom between the division of soil and 25897
water resources and the petitioner. 25898

Sec. 1523.17. In all cases in which a public authority, 25899
private organization, or person petitions for the construction of 25900

of soil and water ~~of the department of natural~~ resources, as a 25903
condition precedent to the construction of such project, shall 25904
require the petitioning authority, organization, or person to pay 25905
~~his~~ the petitioning authority's, organization's, or person's share 25906
of the cost and expense of such project. 25907

Any deficiency shall be made up by the parties bearing the 25908

cost before any further work is done. If the deficiency is not 25909
made up within sixty days after it is known, the amount paid in, 25910
less the expense incurred by the chief and the cooperating public 25911
authorities, shall be refunded to the donor. After completion of 25912
the work, any amount remaining to the credit of the project shall 25913
likewise be refunded. 25914

Sec. 1523.18. In the construction of dams, reservoirs, and 25915

provided under divisions (A) and (C) of this section. 26355

(I) All moneys received under divisions (E), (F), and (G) of 26356

the sale of wild animals shall be deposited into the wild animal 26365
fund created in section 1531.34 of the Revised Code. 26366

noncaptive wild animals. The rules may specify chemical delivery 26369
methods and devices and monitoring requirements. 26370

The chief shall establish criteria for the issuance of and 26371
shall issue permits for the administration of contraceptive 26372
chemicals to noncaptive wild animals. No person shall administer 26373
contraceptive chemicals to noncaptive wild animals without a 26374
permit issued by the chief. 26375

(L) All fees set by the chief under this section shall be 26376
approved by the wildlife council. 26377

(M) Information contained in the wildlife diversity database 26378
that is established pursuant to division (B)(2) of this section 26379
and section 1531.25 of the Revised Code may be made available to 26380
any individual or public or private agency for research, 26381
educational, environmental, land management, or other similar 26382
purposes that are not detrimental to the conservation of a species 26383
or feature. Information regarding sensitive site locations of 26384
species that are listed pursuant to section 1531.25 of the Revised 26385
Code and of features that are included in the wildlife diversity 26386
database is not subject to section 149.43 of the Revised Code if 26387
the chief determines that the release of the information could be 26388
detrimental to the conservation of a species or feature. 26389

Sec. 1533.10. Except as provided in this section or division 26390
(A)(2) of section 1533.12 of the Revised Code, no person shall 26391
hunt any wild bird or wild quadruped without a hunting license. 26392
Each day that any person hunts within the state without procuring 26393
such a license constitutes a separate offense. Except as otherwise 26394
provided in this section, every applicant for a hunting license 26395
who is a resident of the state and eighteen years of age or more 26396
shall procure a resident hunting license or an apprentice resident 26397
hunting license, the fee for which shall be eighteen dollars 26398
unless the rules adopted under division (B) of section 1533.12 of 26399
the Revised Code provide for issuance of a resident hunting 26400
license to the applicant free of charge. Except as provided in 26401
rules adopted under division (B)(2) of that section, each 26402
applicant who is a resident of this state and who at the time of 26403
application is sixty-six years of age or older shall procure a 26404
special senior hunting license, the fee for which shall be 26405
one-half of the regular hunting license fee. Every applicant who 26406
is under the age of eighteen years shall procure a special youth 26407

hunting license or an apprentice youth hunting license, the fee 26408
for which shall be one-half of the regular hunting license fee. 26409
The owner of lands in the state and the owner's children of any 26410
age and grandchildren ~~under eighteen years~~ of any age may hunt on 26411
the lands without a hunting license. The tenant and children of 26412
the tenant, residing on lands in the state, may hunt on them 26413
without a hunting license. Except as otherwise provided in 26414
division (A)(1) of section 1533.12 of the Revised Code, every 26415
applicant for a hunting license who is a nonresident of the state 26416
and who is eighteen years of age or older shall procure a 26417
nonresident hunting license or an apprentice nonresident hunting 26418
license, the fee for which shall be one hundred twenty-four 26419
dollars unless the applicant is a resident of a state that is a 26420
party to an agreement under section 1533.91 of the Revised Code, 26421
in which case the fee shall be eighteen dollars. Apprentice 26422
resident hunting licenses, apprentice youth hunting licenses, and 26423
apprentice nonresident hunting licenses are subject to the 26424
requirements established under section 1533.102 of the Revised 26425
Code and rules adopted pursuant to it. 26426

The chief of the division of wildlife may issue a small game 26427
hunting license expiring three days from the effective date of the 26428
license to a nonresident of the state, the fee for which shall be 26429
thirty-nine dollars. No person shall take or possess deer, wild 26430
turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 26431
animal while possessing only a small game hunting license. A small 26432
game hunting license or an apprentice nonresident hunting license 26433
does not authorize the taking or possessing of ducks, geese, or 26434
brant without having obtained, in addition to the small game 26435
hunting license or the apprentice nonresident hunting license, a 26436
wetlands habitat stamp as provided in section 1533.112 of the 26437
Revised Code. A small game hunting license or an apprentice 26438
nonresident hunting license does not authorize the taking or 26439
possessing of deer, wild turkeys, or fur-bearing animals. A 26440

nonresident of the state who wishes to take or possess deer, wild 26441
turkeys, or fur-bearing animals in this state shall procure, 26442
respectively, a deer or wild turkey permit as provided in section 26443
1533.11 of the Revised Code or a fur taker permit as provided in 26444
section 1533.111 of the Revised Code in addition to a nonresident 26445
hunting license, an apprentice nonresident hunting license, a 26446
special youth hunting license, or an apprentice youth hunting 26447
license, as applicable, as provided in this section. 26448

No person shall procure or attempt to procure a hunting 26449
license by fraud, deceit, misrepresentation, or any false 26450
statement. 26451

This section does not authorize the taking and possessing of 26452
deer or wild turkeys without first having obtained, in addition to 26453
the hunting license required by this section, a deer or wild 26454
turkey permit as provided in section 1533.11 of the Revised Code 26455
or the taking and possessing of ducks, geese, or brant without 26456
first having obtained, in addition to the hunting license required 26457
by this section, a wetlands habitat stamp as provided in section 26458
1533.112 of the Revised Code. 26459

This section does not authorize the hunting or trapping of 26460
fur-bearing animals without first having obtained, in addition to 26461
a hunting license required by this section, a fur taker permit as 26462
provided in section 1533.111 of the Revised Code. 26463

No hunting license shall be issued unless it is accompanied 26464
by a written explanation of the law in section 1533.17 of the 26465
Revised Code and the penalty for its violation, including a 26466
description of terms of imprisonment and fines that may be 26467
imposed. 26468

No hunting license, other than an apprentice hunting license, 26469
shall be issued unless the applicant presents to the agent 26470
authorized to issue the license a previously held hunting license 26471

or evidence of having held such a license in content and manner 26472
approved by the chief, a certificate of completion issued upon 26473
completion of a hunter education and conservation course approved 26474
by the chief, or evidence of equivalent training in content and 26475
manner approved by the chief. A previously held apprentice hunting 26476
license does not satisfy the requirement concerning the 26477
presentation of a previously held hunting license or evidence of 26478
it. 26479

No person shall issue a hunting license, except an apprentice 26480
hunting license, to any person who fails to present the evidence 26481
required by this section. No person shall purchase or obtain a 26482
hunting license, other than an apprentice hunting license, without 26483
presenting to the issuing agent the evidence required by this 26484
section. Issuance of a hunting license in violation of the 26485
requirements of this section is an offense by both the purchaser 26486
of the illegally obtained hunting license and the clerk or agent 26487
who issued the hunting license. Any hunting license issued in 26488
violation of this section is void. 26489

The chief, with approval of the wildlife council, shall adopt 26490
rules prescribing a hunter education and conservation course for 26491
first-time hunting license buyers, other than buyers of apprentice 26492
hunting licenses, and for volunteer instructors. The course shall 26493
consist of subjects including, but not limited to, hunter safety 26494
and health, use of hunting implements, hunting tradition and 26495
ethics, the hunter and conservation, the law in section 1533.17 of 26496
the Revised Code along with the penalty for its violation, 26497
including a description of terms of imprisonment and fines that 26498
may be imposed, and other law relating to hunting. Authorized 26499
personnel of the division or volunteer instructors approved by the 26500
chief shall conduct such courses with such frequency and at such 26501
locations throughout the state as to reasonably meet the needs of 26502
license applicants. The chief shall issue a certificate of 26503

completion to each person who successfully completes the course 26504
and passes an examination prescribed by the chief. 26505

Sec. 1533.11. (A) Except as provided in this section, no 26506
person shall hunt deer on lands of another without first obtaining 26507
an annual deer permit. Except as provided in this section, no 26508
person shall hunt wild turkeys on lands of another without first 26509
obtaining an annual wild turkey permit. Each applicant for a deer 26510
or wild turkey permit shall pay an annual fee of twenty-three 26511
dollars for each permit unless the rules adopted under division 26512
(B) of section 1533.12 of the Revised Code provide for issuance of 26513
a deer or wild turkey permit to the applicant free of charge. 26514
Except as provided in rules adopted under division (B)(2) of that 26515
section, each applicant who is a resident of this state and who at 26516
the time of application is sixty-six years of age or older shall 26517
procure a senior deer or wild turkey permit, the fee for which 26518
shall be one-half of the regular deer or wild turkey permit fee. 26519
Each applicant who is under the age of eighteen years shall 26520
procure a youth deer or wild turkey permit, the fee for which 26521
shall be one-half of the regular deer or wild turkey permit fee. 26522
Except as provided in division (A)(2) of section 1533.12 of the 26523
Revised Code, a deer or wild turkey permit shall run concurrently 26524
with the hunting license. The money received shall be paid into 26525
the state treasury to the credit of the wildlife fund, created in 26526
section 1531.17 of the Revised Code, exclusively for the use of 26527
the division of wildlife in the acquisition and development of 26528
land for deer or wild turkey management, for investigating deer or 26529
wild turkey problems, and for the stocking, management, and 26530
protection of deer or wild turkey. Every person, while hunting 26531
deer or wild turkey on lands of another, shall carry the person's 26532
deer or wild turkey permit and exhibit it to any enforcement 26533
officer so requesting. Failure to so carry and exhibit such a 26534
permit constitutes an offense under this section. The chief of the 26535

division of wildlife shall adopt any additional rules the chief 26536
considers necessary to carry out this section and section 1533.10 26537
of the Revised Code. 26538

The owner and the children of the owner of lands in this 26539
state may hunt deer or wild turkey thereon without a deer or wild 26540
turkey permit. The tenant and children of the tenant may hunt deer 26541
or wild turkey on lands where they reside without a deer or wild 26542
turkey permit. 26543

(B) A deer or wild turkey permit is not transferable. No 26544
person shall carry a deer or wild turkey permit issued in the name 26545
of another person. 26546

(C) The wildlife refunds fund is hereby created in the state 26547
treasury. The fund shall consist of money received from 26548
application fees for deer permits that are not issued. Money in 26549
the fund shall be used to make refunds of such application fees. 26550

(D) If the division establishes a system for the electronic 26551
submission of information regarding deer or wild turkey that are 26552
taken, the division shall allow the owner and the children of the 26553
owner of lands in this state to use the owner's name or address 26554
for purposes of submitting that information electronically via 26555
that system. 26556

Sec. 1533.12. (A)(1) Except as otherwise provided in division 26557
(A)(2) of this section, every person on active duty in the armed 26558
forces of the United States who is stationed in this state and who 26559
wishes to engage in an activity for which a license, permit, or 26560
stamp is required under this chapter first shall obtain the 26561
requisite license, permit, or stamp. Such a person is eligible to 26562
obtain a resident hunting or fishing license regardless of whether 26563
the person qualifies as a resident of this state. To obtain a 26564
resident hunting or fishing license, the person shall present a 26565
card or other evidence identifying the person as being on active 26566

duty in the armed forces of the United States and as being 26567
stationed in this state. 26568

(2) Every person on active duty in the armed forces of the 26569
United States, while on leave or furlough, may take or catch fish 26570
of the kind lawfully permitted to be taken or caught within the 26571
state, may hunt any wild bird or wild quadruped lawfully permitted 26572
to be hunted within the state, and may trap fur-bearing animals 26573
lawfully permitted to be trapped within the state, without 26574
procuring a fishing license, a hunting license, a fur taker 26575
permit, or a wetlands habitat stamp required by this chapter, 26576
provided that the person shall carry on the person when fishing, 26577
hunting, or trapping, a card or other evidence identifying the 26578
person as being on active duty in the armed forces of the United 26579
States, and provided that the person is not otherwise violating 26580
any of the hunting, fishing, and trapping laws of this state. 26581

In order to hunt deer or wild turkey, any such person shall 26582
obtain a deer or wild turkey permit, as applicable, under section 26583
1533.11 of the Revised Code. However, the person need not obtain a 26584
hunting license in order to obtain such a permit. 26585

(B) The chief of the division of wildlife shall provide by 26586
rule adopted under section 1531.10 of the Revised Code all of the 26587
following: 26588

(1) Every resident of this state with a disability that has 26589
been determined by the veterans administration to be permanently 26590
and totally disabling, who receives a pension or compensation from 26591
the veterans administration, and who received an honorable 26592
discharge from the armed forces of the United States, and every 26593
veteran to whom the registrar of motor vehicles has issued a set 26594

(G) This division is subject to division (I) of this section. 27158

Any person upon initially entering into a preneed cemetery 27159
merchandise and services contract may, within seven days, cancel 27160
the contract and request and receive from the seller one hundred 27161
per cent of all payments made under the contract. After the 27162
expiration of the above period, any person who has entered into a 27163
preneed cemetery merchandise and services contract may, on not 27164
less than fifteen days' notice, cancel the contract and request 27165
and receive from the seller sixty per cent of the payments made 27166
under the contract which have been paid up to the time of 27167
cancellation; except that, if a preneed cemetery merchandise and 27168
services contract stipulates a firm or fixed or guaranteed price 27169
for the merchandise or services for future use at a time 27170
determined by the death of the person on behalf of whom payments 27171
are made, the person who has entered into the contract may, if the 27172
merchandise has not been delivered or the services have not been 27173
performed as set forth in division (K) or (L) of this section, on 27174
not less than fifteen days' notice, cancel the contract and 27175
receive from the seller sixty per cent of the principal paid 27176
pursuant to the contract and not less than eighty per cent of any 27177
interest paid, up to the time of cancellation, and not less than 27178
eighty per cent of any accrual or income earned while the moneys 27179

(C) and (D) of this section shall be paid to the seller. If more 27184
than one person enters into the contract, all of those persons 27185
must request cancellation for it to be effective under this 27186
division. In such a case, the seller shall refund to each person 27187
only those moneys that each person has paid under the contract. 27188

shall forthwith pay the fund and accumulated interest, if any, to 27193
the person entitled to them under the preneed cemetery merchandise 27194
and services contract. The payment of the fund and accumulated 27195
interest pursuant to this section, either to a seller or person 27196
making the payments, shall relieve the trustee of any further 27197
liability on the fund or accumulated interest. 27198

(I) Notwithstanding any other provision of this section, any 27199
preneed cemetery merchandise and services contract may specify 27200

merchandise and services contracts shall include a clear and 27202
conspicuous disclosure of irrevocability in the contract and any 27203
person entering into an irrevocable preneed cemetery merchandise 27204
and services contract shall sign a separate acknowledgment of the 27205
person's waiver of the right to revoke. If a contract satisfies 27206
the requirements of this division, division (G) of this section 27207
does not apply to that contract. 27208

merchandise and services contract when either of the following 27214
occur: 27215

(1) The seller makes actual delivery of the merchandise to 27216
the beneficiary, or the seller pays for the merchandise and 27217
identifies it as being stored for the benefit of the beneficiary 27218
at a manufacturer's warehouse. 27219

(2) The seller receives delivery of the merchandise on behalf 27220

of the beneficiary, and all of the following occur: 27221

(a) The merchandise is permanently affixed to or stored upon 27222
the real property of a cemetery located in this state. 27223

(b) The seller notifies the beneficiary of receipt of the 27224
merchandise and identifies the specific location of the 27225
merchandise. 27226

(c) The seller at the time of the beneficiary's final payment 27227
provides the beneficiary with evidence of ownership in the 27228
beneficiary's name showing the merchandise to be free and clear of 27229
any liens or other encumbrances. 27230

(L) For purposes of this section, a seller is considered to 27231
have performed services pursuant to a preneed cemetery merchandise 27232
and services contract when the beneficiary's next of kin signs a 27233
written statement that the services have been performed or, if no 27234
next of kin of the beneficiary can be located through reasonable 27235
diligence, when the owner or other person responsible for the 27236
operation of the cemetery signs a statement of that nature. 27237

(M) Notwithstanding any other provision of this chapter, any 27238

exceed the amount that is regularly or usually charged for similar 27241
services rendered by the trustee described in division (C)(2) of 27242
this section when serving as a trustee. 27243

(N) The general assembly intends that this section be 27244
construed as a limitation upon the manner in which a person is 27245
permitted to accept moneys in prepayment for merchandise and 27246
services to be delivered or provided in the future, or merchandise 27247
and services to be used or provided in connection with the final 27248
disposition of human remains, to the end that at all times members 27249
of the public may have an opportunity to arrange and pay for 27250
merchandise and services for themselves and their families in 27251

advance of need while at the same time providing all possible 27252
safeguards whereunder the prepaid moneys cannot be dissipated, 27253
whether intentionally or not, so as to be available for the 27254
payment for merchandise and services and the providing of 27255
merchandise and services used or provided in connection with the 27256
final disposition of dead human bodies. 27257

(O) This section does not apply to the seller or provider of 27258
merchandise or services under a preneed cemetery merchandise and 27259
services contract if the contract pertains to a cemetery that is 27260
owned and operated entirely and exclusively by an established and 27261
legally cognizable church or denomination that is exempt from 27262
federal income taxation under section 501(c)(3) of the "Internal 27263

basis, rules and other measures are adopted to safeguard and 27269
secure all moneys received under a preneed cemetery merchandise 27270
and services contract. 27271

(P) This section does not prohibit persons other than 27272
cemetery corporations or associations from selling outer burial 27273
containers, monuments, markers, urns, or other types of 27274
merchandise customarily sold by cemeteries pursuant to a preneed 27275
cemetery merchandise and services contract; however all sellers of 27276
merchandise pursuant to a preneed cemetery merchandise and 27277
services contract shall comply with this section unless the seller 27278
is specifically exempt from this section. 27279

(Q) Any contract for preneed services or merchandise entered 27280
into with a cemetery not registered under section 4767.03 of the 27281
Revised Code is voidable. 27282

acquired dependents of existing subscribers or enrollees, and 27914
shall not engage in any advertising or solicitation whatsoever. 27915

(D) When the certificate of authority of a health insuring 27916
corporation is revoked, the health insuring corporation, following 27917
the effective date of the order of revocation, shall conduct no 27918
further business except as may be essential to the orderly 27919

conclusion of the affairs of the health insuring corporation. The 27920
health insuring corporation shall engage in no further advertising 27921
or solicitation whatsoever. The superintendent, by written order, 27922
may permit such further operation of the health insuring 27923
corporation as the superintendent may find to be in the best 27924
interest of enrollees, to the end that enrollees will be afforded 27925
the greatest practical opportunity to obtain continuing health 27926
care coverage. 27927

Sec. 1751.36. (A) When the superintendent of insurance has 27928
cause to believe that grounds for the denial of an application for 27929
a certificate of authority exist, or that grounds for the 27930
suspension or revocation of a certificate of authority exist, the 27931
superintendent shall notify the applicant or health insuring 27932
corporation ~~and the director of health~~ in writing, specifically 27933
stating the grounds for the denial, suspension, or revocation and 27934
setting a date of at least thirty days after the notification for 27935
a hearing on the matter. 27936

(B) ~~The recommendations and findings of the director of~~ 27937
~~health with respect to matters subject to the director's~~ 27938
~~consideration under section 1751.04 of the Revised Code, provided~~ 27939
~~in connection with any decision regarding the denial, suspension,~~ 27940
~~or revocation of a certificate of authority, shall be reviewed and~~ 27941
~~considered by the superintendent.~~ After the hearing authorized by 27942
division (A) of this section, or upon the failure of the applicant 27943
or health insuring corporation to appear at the hearing, the 27944
superintendent shall take such action as in accordance with law 27945
and the evidence. The action shall be set out in written findings 27946
which shall be mailed to the applicant or health insuring 27947
corporation ~~with a copy to the director of health.~~ The action of 27948
the superintendent is subject to review in accordance with Chapter 27949
119. of the Revised Code, ~~except that a certification by the~~ 27950
~~director under division (D) of section 1751.04 or division (A)(5)~~ 27951

~~of section 1751.35 of the Revised Code that was made in accordance 27952~~
~~with Chapter 119. of the Revised Code shall be final as to the 27953~~
~~matters certified. 27954~~

(C) Chapter 119. of the Revised Code applies to proceedings 27955
under this section to the extent that it is not in conflict with 27956
divisions (A) and (B) of this section. 27957

Sec. 1751.45. (A) In lieu of the suspension or revocation of 27958
a certificate of authority under section 1751.35 of the Revised 27959
Code, the superintendent of insurance, pursuant to an adjudication 27960
hearing initiated and conducted in accordance with Chapter 119. of 27961
the Revised Code, or by consent of the health insuring corporation 27962
without an adjudication hearing, may levy an administrative 27963
penalty. The administrative penalty shall be in an amount 27964
determined by the superintendent, but the administrative penalty 27965
shall not exceed one hundred thousand dollars per violation. 27966
Additionally, the superintendent may require the health insuring 27967
corporation to correct any deficiency that may be the basis for 27968
the suspension or revocation of the health insuring corporation's 27969
certificate of authority. All penalties collected shall be paid 27970
into the state treasury to the credit of the department of 27971
insurance operating fund. 27972

(B) If the superintendent ~~or the director of health~~ for any 27973
reason has cause to believe that any violation of this chapter has 27974
occurred or is threatened, the superintendent ~~or the director~~ may 27975
give notice to the health insuring corporation and to the 27976
representatives or other persons who appear to be involved in the 27977
suspected violation to arrange a conference with the suspected 27978
violators or their authorized representatives for the purpose of 27979
attempting to ascertain the facts relating to the suspected 27980
violation, and, if it appears that any violation has occurred or 27981
is threatened, to arrive at an adequate and effective means of 27982

correcting or preventing the violation. 27983

Proceedings under this division shall not be covered by any 27984
formal procedural requirements, and may be conducted in the manner 27985
the superintendent ~~or the director of health~~ may consider 27986
appropriate under the circumstances. 27987

(C)(1) The superintendent may issue an order directing a 27988
health insuring corporation or a representative of the health 27989
insuring corporation to cease and desist from engaging in any act 27990
or practice in violation of this chapter. Within thirty days after 27991
service of the order to cease and desist, the respondent may 27992
request a hearing on the question of whether acts or practices in 27993
violation of this chapter have occurred. Such hearings shall be 27994
conducted in accordance with Chapter 119. of the Revised Code and 27995
judicial review shall be available as provided by that chapter. 27996

(2) If the superintendent has reasonable cause to believe 27997
that an order issued pursuant to this division has been violated 27998
in whole or in part, the superintendent may request the attorney 27999
general to commence and prosecute any appropriate action or 28000
proceeding in the name of the state against the violators in the 28001
court of common pleas of Franklin county. The court in any such 28002
action or proceeding may levy civil penalties, not to exceed one 28003
hundred thousand dollars per violation, in addition to any other 28004
appropriate relief, including requiring a violator to pay the 28005
expenses reasonably incurred by the superintendent in enforcing 28006
the order. The penalties and fees collected under this division 28007
shall be paid into the state treasury to the credit of the 28008
department of insurance operating fund. 28009

Sec. 1751.46. (A) The superintendent of insurance ~~and the~~ 28010
~~director of health~~ may contract with qualified persons to make 28011
recommendations concerning the determinations required to be made 28012
by the superintendent ~~or the director~~ relative to an expansion of 28013

a service area pursuant to division (C) of section 1751.03 of the Revised Code, an application for a certificate of authority pursuant to sections 1751.04 and 1751.05 of the Revised Code, a contractual periodic prepayment or premium rate pursuant to section 1751.12 of the Revised Code, and an examination pursuant to division (B) of section 1751.34 of the Revised Code. The recommendations may be accepted in full or in part, or may be rejected, by the superintendent ~~or director~~.

The total cost of a contract with a qualified person pursuant to this division shall represent the fair market value of the services provided and shall be borne by the health insuring corporation that is the subject of the determination required to be made by the superintendent ~~or the director~~.

(B) No qualified person placed on contract by the superintendent ~~or the director~~ pursuant to division (A) of this section shall have a conflict of interest with the department of insurance, ~~the department of health~~, or the health insuring corporation.

Sec. 1751.48. ~~(A)~~ The superintendent of insurance may adopt rules as are necessary to carry out the provisions of this chapter. These rules shall be adopted in accordance with Chapter 119. of the Revised Code.

~~(B) The director of health may make recommendations to the superintendent for rules that are necessary to enable the director to carry out the director's responsibilities under this chapter, including rules that prescribe standards relating to the requirements set forth in division (B) of section 1751.04 of the Revised Code. In adopting any rules pertaining to the director's responsibilities, the superintendent shall consider the recommendations of the director.~~

Sec. 1751.831. The superintendent of insurance shall 28044
establish and maintain a system for receiving and reviewing 28045
requests for review from or on behalf of enrollees who, under 28046
section 1751.83 of the Revised Code, have been denied coverage of 28047
a health care service or had coverage reduced or terminated when 28048
the grounds for the denial, reduction, or termination is that the 28049
service is not a service covered under the terms of the enrollee's 28050
policy, contract, or agreement. 28051

On receipt of a written request from an enrollee or 28052
authorized person, the superintendent shall consider whether the 28053
health care service is a service covered under the terms of the 28054
enrollee's policy, contract, or agreement, except that the 28055
superintendent shall not conduct a review under this section 28056
unless the enrollee has exhausted the health insuring 28057
corporation's internal review process established pursuant to 28058
section 1751.83 of the Revised Code. The health insuring 28059
corporation and the enrollee or authorized person shall provide 28060
the superintendent with any information required by the 28061
superintendent that is in their possession and is germane to the 28062
review. 28063

Unless the superintendent is not able to do so because making 28064
the determination requires resolution of a medical issue, the 28065
superintendent shall determine whether the health care service at 28066
issue is a service covered under the terms of the enrollee's 28067
contract, policy, or agreement. The superintendent shall notify 28068
the enrollee, or authorized person, and the health insuring 28069
corporation of the superintendent's determination or that the 28070
superintendent is not able to make a determination. 28071

If the superintendent notifies the health insuring 28072
corporation that making the determination requires the resolution 28073
of a medical issue, the health insuring corporation shall ~~afford~~ 28074

~~the enrollee an opportunity for~~ initiate an external review under 28075
section 1751.84 or 1751.85 of the Revised Code. If the 28076
superintendent notifies the health insuring corporation that the 28077
health service is a covered service, the health insuring 28078
corporation shall either cover the service or afford the enrollee 28079
an opportunity for an external review under section 1751.84 or 28080
1751.85 of the Revised Code. If the superintendent notifies the 28081
health insuring corporation that the health care service is not a 28082
covered service, the health insuring corporation is not required 28083
to cover the service or afford the enrollee an external review. 28084

Sec. 1751.84. (A) Except as provided in divisions (B) and (C) 28085
of this section, a health insuring corporation shall afford an 28086
enrollee an opportunity for an external review if both of the 28087
following are the case: 28088

(1) The health insuring corporation has denied, reduced, or 28089
terminated coverage for what would be a covered health care 28090
service except for the fact that the health insuring corporation 28091
has determined that the health care service is not medically 28092
necessary; 28093

(2) Except in the case of an expedited review, the service, 28094
plus any ancillary services and follow-up care, will cost the 28095
enrollee more than five hundred dollars if the proposed service is 28096
not covered by the health insuring corporation. 28097

External review shall be conducted in accordance with this 28098
section, except that if an enrollee with a terminal condition 28099
meets all of the criteria of division (A) of section 1751.85 of 28100
the Revised Code, an external review shall be conducted under that 28101
section. 28102

(B) An enrollee need not be afforded a review under this 28103
section in any of the following circumstances: 28104

(1) The superintendent of insurance has determined under 28105
section 1751.831 of the Revised Code that the health care service 28106
is not a service covered under the terms of the enrollee's policy, 28107
contract, or agreement. 28108

(2) Except as provided in section 1751.811 of the Revised 28109
Code, the enrollee has failed to exhaust the health insuring 28110
corporation's internal review process established pursuant to 28111
section 1751.83 of the Revised Code. 28112

(3) The enrollee has previously been afforded an external 28113
review for the same adverse determination and no new clinical 28114
information has been submitted to the health insuring corporation. 28115

(C)(1) A health insuring corporation may deny a request for 28116
an external review of an adverse determination if it is requested 28117
later than ~~sixty~~ one hundred eighty days after the enrollee's 28118
receipt of notice of the result of an internal review brought 28119
under section 1751.83 of the Revised Code. An external review may 28120
be requested by the enrollee, an authorized person, the enrollee's 28121
provider, or a health care facility rendering health care service 28122
to the enrollee. The enrollee may request a review without the 28123
approval of the provider or the health care facility rendering the 28124
health care service. The provider or health care facility may not 28125
request a review without the prior consent of the enrollee. 28126

(2) An external review must be requested in writing, except 28127
that if the enrollee has a condition that requires expedited 28128
review, the review may be requested orally or by electronic means. 28129
When an oral or electronic request for review is made, written 28130
confirmation of the request shall be submitted to the health 28131
insuring corporation not later than five days after the oral or 28132
written request is submitted. 28133

Except in the case of an expedited review, a request for an 28134
external review must be accompanied by written certification from 28135

the enrollee's provider or the health care facility rendering the 28136
health care service to the enrollee that the proposed service, 28137
plus any ancillary services and follow-up care, will cost the 28138
enrollee more than five hundred dollars if the proposed service is 28139
not covered by the health insuring corporation. 28140

(3) For an expedited review, the enrollee's provider must 28141
certify that the enrollee's condition could, in the absence of 28142
immediate medical attention, result in any of the following: 28143

(a) Placing the health of the enrollee or, with respect to a 28144
pregnant woman, the health of the enrollee or the unborn child, in 28145
serious jeopardy; 28146

(b) Serious impairment to bodily functions; 28147

(c) Serious dysfunction of any bodily organ or part. 28148

(D) The procedures used in conducting an external review of 28149
an adverse determination shall include all of the following: 28150

(1) The review shall be conducted by an independent review 28151
organization assigned by the superintendent of insurance under 28152
section 3901.80 of the Revised Code. 28153

(2) Except as provided in division (D)(3) and (4) of this 28154
section, neither the clinical peer nor any health care facility 28155
with which the clinical peer is affiliated shall have any 28156
professional, familial, or financial affiliation with any of the 28157
following: 28158

(a) The health insuring corporation or any officer, director, 28159
or managerial employee of the health insuring corporation; 28160

(b) The enrollee, the enrollee's provider, or the practice 28161
group of the enrollee's provider; 28162

(c) The health care facility at which the health care service 28163
requested by the enrollee would be provided; 28164

(d) The development or manufacture of the principal drug, 28165

device, procedure, or therapy proposed for the enrollee. 28166

(3) Division (D)(2) of this section does not prohibit a 28167
clinical peer from conducting a review under any of the following 28168
circumstances: 28169

(a) The clinical peer is affiliated with an academic medical 28170
center that provides health care services to enrollees of the 28171
health insuring corporation. 28172

(b) The clinical peer has staff privileges at a health care 28173
facility that provides health care services to enrollees of the 28174
health insuring corporation. 28175

(c) The clinical peer is a participating provider but was not 28176
involved with the health insuring corporation's adverse 28177
determination. 28178

(4) Division (D)(2) of this section does not prohibit the 28179
health insuring corporation from paying the independent review 28180
organization for the conduct of the review. 28181

(5) An enrollee shall not be required to pay for any part of 28182
the cost of the review. The cost of the review shall be borne by 28183
the health insuring corporation. 28184

(6)(a) The health insuring corporation shall provide to the 28185
independent review organization conducting the review a copy of 28186
those records in its possession that are relevant to the 28187
enrollee's medical condition and the review. The records shall be 28188
used solely for the purpose of this division. 28189

At the request of the independent review organization, the 28190
health insuring corporation, enrollee, or the provider or health 28191
care facility rendering health care services to the enrollee shall 28192
provide any additional information the independent review 28193
organization requests to complete the review. A request for 28194
additional information may be made in writing, orally, or by 28195

electronic means. The independent review organization shall submit 28196
the request to the enrollee and health insuring corporation. If a 28197
request is submitted orally or by electronic means to an enrollee 28198
or health insuring corporation, not later than five days after the 28199
request is submitted, the independent review organization shall 28200
provide written confirmation of the request. If the review was 28201
initiated by a provider or health care facility, a copy of the 28202
request shall be submitted to the provider or health care 28203
facility. 28204

(b) An independent review organization is not required to 28205
make a decision if it has not received any requested information 28206
that it considers necessary to complete a review. An independent 28207
review organization that does not make a decision for this reason 28208
shall notify the enrollee and the health insuring corporation that 28209
a decision is not being made. The notice may be made in writing, 28210
orally, or by electronic means. An oral or electronic notice shall 28211
be confirmed in writing not later than five days after the oral or 28212
electronic notice is made. If the review was initiated by a 28213
provider or health care facility, a copy of the notice shall be 28214
submitted to the provider or health care facility. 28215

(7) The health insuring corporation may elect to cover the 28216
service requested and terminate the review. The health insuring 28217
corporation shall notify the enrollee and all other parties 28218
involved with the decision by mail or, with the consent or 28219
approval of the enrollee, by electronic means. 28220

(8) In making its decision, an independent review 28221
organization conducting the review shall take into account all of 28222
the following: 28223

(a) Information submitted by the health insuring corporation, 28224
the enrollee, the enrollee's provider, and the health care 28225
facility rendering the health care service, including the 28226
following: 28227

(i) The enrollee's medical records;	28228
(ii) The standards, criteria, and clinical rationale used by the health insuring corporation to make its decision.	28229 28230
(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;	28231 28232 28233 28234 28235 28236 28237 28238
(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.	28239 28240 28241 28242
(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the health insuring corporation and the enrollee. If the enrollee's provider or the health care facility rendering health care services to the enrollee requested the review, the independent review organization shall also send a copy of its decision to the enrollee's provider or the health care facility.	28243 28244 28245 28246 28247 28248 28249 28250 28251 28252 28253 28254
(b) The independent review organization's decision shall include a description of the enrollee's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision.	28255 28256 28257 28258

(E) The independent review organization shall base its 28259
decision on the information submitted under division (D)(8) of 28260
this section. In making its decision, the independent review 28261
organization shall consider safety, efficacy, appropriateness, and 28262
cost effectiveness. 28263

(F) The health insuring corporation shall provide any 28264
coverage determined by the independent review organization's 28265
decision to be medically necessary, subject to the other terms, 28266
limitations, and conditions of the enrollee's contract. The 28267
decision shall apply only to the individual enrollee's external 28268
review. 28269

Sec. 1751.85. (A) Each health insuring corporation shall 28270
establish a reasonable external, independent review process to 28271
examine the health insuring corporation's coverage decisions for 28272
enrollees who meet all of the following criteria: 28273

(1) The enrollee has a terminal condition that, according to 28274
the current diagnosis of the enrollee's physician, has a high 28275
probability of causing death within two years. 28276

(2) The enrollee requests a review not later than ~~sixty one~~ 28277
hundred eighty days after receipt by the enrollee of notice of the 28278
result of an internal review under section 1751.83 of the Revised 28279
Code. 28280

(3) The enrollee's physician certifies that the enrollee has 28281
the condition described in division (A)(1) of this section and any 28282
of the following situations are applicable: 28283

(a) Standard therapies have not been effective in improving 28284
the condition of the enrollee; 28285

(b) Standard therapies are not medically appropriate for the 28286
enrollee; 28287

(c) There is no standard therapy covered by the health 28288

insuring corporation that is more beneficial than therapy 28289
described in division (A)(4) of this section. 28290

(4) The enrollee's physician has recommended a drug, device, 28291
procedure, or other therapy that the physician certifies, in 28292
writing, is likely to be more beneficial to the enrollee, in the 28293
physician's opinion, than standard therapies, or, the enrollee has 28294
requested a therapy that has been found in a preponderance of 28295
peer-reviewed published studies to be associated with effective 28296
clinical outcomes for the same condition. 28297

(5) The enrollee has been denied coverage by the health 28298
insuring corporation for a drug, device, procedure, or other 28299
therapy recommended or requested pursuant to division (A)(4) of 28300
this section, and has exhausted the health insuring corporation's 28301
internal review process established pursuant to section 1751.83 of 28302
the Revised Code. 28303

(6) The drug, device, procedure, or other therapy, for which 28304
coverage has been denied would be a covered health care service 28305
except for the health insuring corporation's determination that 28306
the drug, device, procedure, or other therapy is experimental or 28307
investigational. 28308

(B) A review shall be requested in writing, except that if 28309
the enrollee's physician determines that a therapy would be 28310
significantly less effective if not promptly initiated, the review 28311
may be requested orally or by electronic means. When an oral or 28312
electronic request for review is made, written confirmation of the 28313
request shall be submitted to the health insuring corporation not 28314
later than five days after the oral or written request is 28315
submitted. 28316

(C) The external, independent review process established by a 28317
health insuring corporation shall meet all of the following 28318
criteria: 28319

(1) Except as provided in division (E) of this section, the process shall afford all enrollees who meet the criteria set forth in division (A) of this section the opportunity to have the health insuring corporation's decision to deny coverage of the recommended or requested therapy reviewed under the process.

(2) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.

The independent review organization shall select a panel to conduct the review, which panel shall be composed of at least three physicians or other providers who, through clinical experience in the past three years, are experts in the treatment of the enrollee's medical condition and knowledgeable about the recommended or requested therapy.

In either of the following circumstances, an exception may be made to the requirement that the review be conducted by an expert panel composed of a minimum of three physicians or other providers:

(a) A review may be conducted by an expert panel composed of only two physicians or other providers if an enrollee has consented in writing to a review by the smaller panel;

(b) A review may be conducted by a single expert physician or other provider if only one expert physician or other provider is available for the review.

(3) Neither the health insuring corporation nor the enrollee shall choose, or control the choice of, the physician or other provider experts.

(4) The selected experts, any health care facility with which an expert is affiliated, and the independent review organization arranging for the experts' review, shall not have any professional, familial, or financial affiliation with any of the

following: 28351

(a) The health insuring corporation or any officer, director, 28352
or managerial employee of the health insuring corporation; 28353

(b) The enrollee, the enrollee's physician, or the practice 28354
group of the enrollee's physician; 28355

(c) The health care facility at which the recommended or 28356
requested therapy would be provided; 28357

(d) The development or manufacture of the principal drug, 28358
device, procedure, or therapy involved in the recommended or 28359
requested therapy. 28360

However, experts affiliated with academic medical centers who 28361
provide health care services to enrollees of the health insuring 28362
corporation may serve as experts on the review panel. Further, 28363
experts with staff privileges at a health care facility that 28364
provides health care services to enrollees of the health insuring 28365
corporation, as well as experts who are participating providers, 28366
but who were not involved with the health insuring corporation's 28367
denial of coverage for the therapy under review, may serve as 28368
experts on the review panel. These nonaffiliation provisions do 28369
not preclude a health insuring corporation from paying for the 28370
experts' review, as specified in division (C)(5) of this section. 28371

(5) Enrollees shall not be required to pay for any part of 28372
the cost of the review. The cost of the review shall be borne by 28373
the health insuring corporation. 28374

(6) The health insuring corporation shall provide to the 28375
independent review organization arranging for the experts' review 28376
a copy of those records in the health insuring corporation's 28377
possession that are relevant to the enrollee's medical condition 28378
and the review. The records shall be disclosed solely to the 28379
expert reviewers and shall be used solely for the purpose of this 28380
section. At the request of the expert reviewers, the health 28381

insuring corporation or the physician recommending the therapy 28382
shall provide any additional information that the expert reviewers 28383
request to complete the review. An expert reviewer is not required 28384
to render an opinion if the reviewer has not received any 28385
requested information that the reviewer considers necessary to 28386
complete the review. 28387

(7)(a) The opinions of the experts on the panel shall be 28388
rendered within thirty days after the enrollee's request for 28389
review. If the enrollee's physician determines that a therapy 28390
would be significantly less effective if not promptly initiated, 28391
the opinions shall be rendered within seven days after the 28392
enrollee's request for review. 28393

(b) In conducting the review, the experts on the panel shall 28394
take into account all of the following: 28395

(i) Information submitted by the health insuring corporation, 28396
the enrollee, and the enrollee's physician, including the 28397
enrollee's medical records and the standards, criteria, and 28398
clinical rationale used by the health insuring corporation to 28399
reach its coverage decision; 28400

(ii) Findings, studies, research, and other relevant 28401
documents of government agencies and nationally recognized 28402
organizations; 28403

(iii) Relevant findings in peer-reviewed medical or 28404
scientific literature and published opinions of nationally 28405
recognized medical experts; 28406

(iv) Clinical guidelines adopted by relevant national medical 28407
societies; 28408

(v) Safety, efficacy, appropriateness, and cost 28409
effectiveness. 28410

(8) Each expert on the panel shall provide the independent 28411

review organization with a professional opinion as to whether 28412
there is sufficient evidence to demonstrate that the recommended 28413
or requested therapy is likely to be more beneficial to the 28414
enrollee than standard therapies. 28415

(9) Each expert's opinion shall be presented in written form 28416
and shall include the following information: 28417

(a) A description of the enrollee's condition; 28418

(b) A description of the indicators relevant to determining 28419
whether there is sufficient evidence to demonstrate that the 28420
recommended or requested therapy is more likely than not to be 28421
more beneficial to the enrollee than standard therapies; 28422

(c) A description and analysis of any relevant findings 28423
published in peer-reviewed medical or scientific literature or the 28424
published opinions of medical experts or specialty societies; 28425

(d) A description of the enrollee's suitability to receive 28426
the recommended or requested therapy according to a treatment 28427
protocol in a clinical trial, if applicable. 28428

(10) The independent review organization shall provide the 28429
health insuring corporation with the opinions of the experts. The 28430
health insuring corporation shall make the experts' opinions 28431
available to the enrollee and the enrollee's physician, upon 28432
request. 28433

(11) The opinion of the majority of the experts on the panel, 28434
rendered pursuant to division (C)(8) of this section, is binding 28435
on the health insuring corporation with respect to that enrollee. 28436
If the opinions of the experts on the panel are evenly divided as 28437
to whether the therapy should be covered, then the health insuring 28438
corporation's final decision shall be in favor of coverage. If 28439
less than a majority of the experts on the panel recommend 28440
coverage of the therapy, the health insuring corporation may, in 28441
its discretion, cover the therapy. However, any coverage provided 28442

pursuant to division (C)(11) of this section is subject to the 28443
terms, limitations, and conditions of the enrollee's contract with 28444
the health insuring corporation. 28445

(12) The health insuring corporation shall have written 28446
policies describing the external, independent review process. 28447

(D) At any time during the external, independent review 28448
process, the health insuring corporation may elect to cover the 28449
recommended or requested health care service and terminate the 28450
review. The health insuring corporation shall notify the enrollee 28451
and all other parties involved by mail or, with the consent or 28452
approval of the enrollee, by electronic means. 28453

(E) If a health insuring corporation's initial denial of 28454
coverage for a therapy recommended or requested pursuant to 28455
division (A)(4) of this section is based upon an external, 28456
independent review of that therapy meeting the requirements of 28457
division (C) of this section, this section shall not be a basis 28458
for requiring a second external, independent review of the 28459
recommended or requested therapy. 28460

(F) The health insuring corporation shall annually file a 28461
certificate with the superintendent of insurance certifying its 28462
compliance with the requirements of this section. 28463

Sec. 1753.09. (A) Except as provided in division (D) of this 28464
section, prior to terminating the participation of a provider on 28465
the basis of the participating provider's failure to meet the 28466
health insuring corporation's standards for quality or utilization 28467
in the delivery of health care services, a health insuring 28468
corporation shall give the participating provider notice of the 28469
reason or reasons for its decision to terminate the provider's 28470
participation and an opportunity to take corrective action. The 28471
health insuring corporation shall develop a performance 28472
improvement plan in conjunction with the participating provider. 28473

If after being afforded the opportunity to comply with the performance improvement plan, the participating provider fails to do so, the health insuring corporation may terminate the participation of the provider.

(B)(1) A participating provider whose participation has been terminated under division (A) of this section may appeal the termination to the appropriate medical director of the health insuring corporation. The medical director shall give the participating provider an opportunity to discuss with the medical director the reason or reasons for the termination.

(2) If a satisfactory resolution of a participating provider's appeal cannot be reached under division (B)(1) of this section, the participating provider may appeal the termination to a panel composed of participating providers who have comparable or higher levels of education and training than the participating provider making the appeal. A representative of the participating provider's specialty shall be a member of the panel, if possible. This panel shall hold a hearing, and shall render its recommendation in the appeal within thirty days after holding the hearing. The recommendation shall be presented to the medical director and to the participating provider.

(3) The medical director shall review and consider the panel's recommendation before making a decision. The decision rendered by the medical director shall be final.

(C) A provider's status as a participating provider shall remain in effect during the appeal process set forth in division (B) of this section unless the termination was based on any of the reasons listed in division (D) of this section.

(D) Notwithstanding division (A) of this section, a provider's participation may be immediately terminated if the participating provider's conduct presents an imminent risk of harm

to an enrollee or enrollees; or if there has occurred unacceptable 28505
quality of care, fraud, patient abuse, loss of clinical 28506
privileges, loss of professional liability coverage, incompetence, 28507
or loss of authority to practice in the participating provider's 28508
field; or if a governmental action has impaired the participating 28509
provider's ability to practice. 28510

(E) Divisions (A) to (D) of this section apply only to 28511
providers who are natural persons. 28512

(F)(1) Nothing in this section prohibits a health insuring 28513
corporation from rejecting a provider's application for 28514
participation, or from terminating a participating provider's 28515
contract, if the health insuring corporation determines that the 28516
health care needs of its enrollees are being met and no need 28517
exists for the provider's or participating provider's services. 28518

(2) Nothing in this section shall be construed as prohibiting 28519
a health insuring corporation from terminating a participating 28520
provider who does not meet the terms and conditions of the 28521
participating provider's contract. 28522

(3) Nothing in this section shall be construed as prohibiting 28523
a health insuring corporation from terminating a participating 28524
provider's contract pursuant to any provision of the contract 28525
described in division (E)(2) of section 3963.02 of the Revised 28526
Code, except that, notwithstanding any provision of a contract 28527
described in that division, this section applies to the 28528
termination of a participating provider's contract for any of the 28529
causes described in divisions (A), (D), and (F)(1) and (2) of this 28530
section. 28531

(G) The superintendent of insurance may adopt rules as 28532
necessary to implement and enforce sections 1753.06, 1753.07, and 28533
1753.09 of the Revised Code. Such rules shall be adopted in 28534
accordance with Chapter 119. of the Revised Code. ~~The director of~~ 28535

~~health may make recommendations to the superintendent for rules 28536
necessary to implement and enforce sections 1753.06, 1753.07, and 28537
1753.09 of the Revised Code. In adopting any rules pursuant to 28538
this division, the superintendent shall consider the 28539
recommendations of the director. 28540~~

Sec. 1901.26. (A) Subject to division (E) of this section, 28541
costs in a municipal court shall be fixed and taxed as follows: 28542

(1)(a) The municipal court shall require an advance deposit 28543
for the filing of any new civil action or proceeding when required 28544
by division (C) of this section, and in all other cases, by rule, 28545
shall establish a schedule of fees and costs to be taxed in any 28546
civil or criminal action or proceeding. 28547

(b)(i) The legislative authority of a municipal corporation 28548
may by ordinance establish a schedule of fees to be taxed as costs 28549
in any civil, criminal, or traffic action or proceeding in a 28550
municipal court for the performance by officers or other employees 28551
of the municipal corporation's police department or marshal's 28552
office of any of the services specified in sections 311.17 and 28553
509.15 of the Revised Code. No fee in the schedule shall be higher 28554
than the fee specified in section 311.17 of the Revised Code for 28555
the performance of the same service by the sheriff. If a fee 28556
established in the schedule conflicts with a fee for the same 28557
service established in another section of the Revised Code or a 28558
rule of court, the fee established in the other section of the 28559
Revised Code or the rule of court shall apply. 28560

(ii) When an officer or employee of a municipal police 28561
department or marshal's office performs in a civil, criminal, or 28562
traffic action or proceeding in a municipal court a service 28563
specified in section 311.17 or 509.15 of the Revised Code for 28564
which a taxable fee has been established under this or any other 28565
section of the Revised Code, the applicable legal fees and any 28566

other extraordinary expenses, including overtime, provided for the 28567
service shall be taxed as costs in the case. The clerk of the 28568
court shall pay those legal fees and other expenses, when 28569
collected, into the general fund of the municipal corporation that 28570
employs the officer or employee. 28571

(iii) If a bailiff of a municipal court performs in a civil, 28572
criminal, or traffic action or proceeding in that court a service 28573
specified in section 311.17 or 509.15 of the Revised Code for 28574
which a taxable fee has been established under this section or any 28575
other section of the Revised Code, the fee for the service is the 28576
same and is taxable to the same extent as if the service had been 28577
performed by an officer or employee of the police department or 28578
marshal's office of the municipal corporation in which the court 28579
is located. The clerk of that court shall pay the fee, when 28580
collected, into the general fund of the entity or entities that 28581
fund the bailiff's salary, in the same prorated amount as the 28582
salary is funded. 28583

(iv) Division (A)(1)(b) of this section does not authorize or 28584
require any officer or employee of a police department or 28585
marshal's office of a municipal corporation or any bailiff of a 28586
municipal court to perform any service not otherwise authorized by 28587
law. 28588

(2) The municipal court, by rule, may require an advance 28589
deposit for the filing of any civil action or proceeding and 28590
publication fees as provided in section 2701.09 of the Revised 28591
Code. The court may waive the requirement for advance deposit upon 28592
affidavit or other evidence that a party is unable to make the 28593
required deposit. 28594

(3) When a jury trial is demanded in any civil action or 28595
proceeding, the party making the demand may be required to make an 28596
advance deposit as fixed by rule of court, unless, upon affidavit 28597
or other evidence, the court concludes that the party is unable to 28598

make the required deposit. If a jury is called, the fees of a jury 28599
shall be taxed as costs. 28600

(4) In any civil or criminal action or proceeding, each 28601
witness shall receive twelve dollars for each full day's 28602
attendance and six dollars for each half day's attendance. Each 28603
witness in a municipal court that is not a county-operated 28604
municipal court also shall receive fifty and one-half cents for 28605
each mile necessarily traveled to and from the witness's place of 28606
residence to the action or proceeding. 28607

(5) A reasonable charge for driving, towing, carting, 28608
storing, keeping, and preserving motor vehicles and other personal 28609
property recovered or seized in any proceeding may be taxed as 28610
part of the costs in a trial of the cause, in an amount that shall 28611
be fixed by rule of court. 28612

(6) Chattel property seized under any writ or process issued 28613
by the court shall be preserved pending final disposition for the 28614
benefit of all persons interested and may be placed in storage 28615
when necessary or proper for that preservation. The custodian of 28616
any chattel property so stored shall not be required to part with 28617
the possession of the property until a reasonable charge, to be 28618
fixed by the court, is paid. 28619

(7) The municipal court, as it determines, may refund all 28620
deposits and advance payments of fees and costs, including those 28621
for jurors and summoning jurors, when they have been paid by the 28622
losing party. 28623

(8) Charges for the publication of legal notices required by 28624
statute or order of court may be taxed as part of the costs, as 28625
provided by section 7.13 of the Revised Code. 28626

(B)(1) The municipal court may determine that, for the 28627
efficient operation of the court, additional funds are necessary 28628
to acquire and pay for special projects of the court including, 28629

but not limited to, the acquisition of additional facilities or 28630
the rehabilitation of existing facilities, the acquisition of 28631
equipment, the hiring and training of staff, community service 28632
programs, mediation or dispute resolution services, the employment 28633
of magistrates, the training and education of judges, acting 28634
judges, and magistrates, and other related services. Upon that 28635
determination, the court by rule may charge a fee, in addition to 28636
all other court costs, on the filing of each criminal cause, civil 28637
action or proceeding, or judgment by confession. 28638

If the municipal court offers a special program or service in 28639
cases of a specific type, the municipal court by rule may assess 28640
an additional charge in a case of that type, over and above court 28641
costs, to cover the special program or service. The municipal 28642
court shall adjust the special assessment periodically, but not 28643
retroactively, so that the amount assessed in those cases does not 28644
exceed the actual cost of providing the service or program. 28645

All moneys collected under division (B) of this section shall 28646
be paid to the county treasurer if the court is a county-operated 28647
municipal court or to the city treasurer if the court is not a 28648
county-operated municipal court for deposit into either a general 28649
special projects fund or a fund established for a specific special 28650
project. Moneys from a fund of that nature shall be disbursed upon 28651
an order of the court in an amount no greater than the actual cost 28652
to the court of a project. If a specific fund is terminated 28653
because of the discontinuance of a program or service established 28654
under division (B) of this section, the municipal court may order 28655
that moneys remaining in the fund be transferred to an account 28656
established under this division for a similar purpose. 28657

(2) The court may disburse moneys deposited into either a 28658
general special projects fund or a fund established for a specific 28659
special project to a county program that is not operated by the 28660
court and that addresses issues of domestic violence if the court 28661

determines that the program assists in the efficient operation of 28662
the court. 28663

(3) As used in division (B) of this section: 28664

(a) "Criminal cause" means a charge alleging the violation of 28665
a statute or ordinance, or subsection of a statute or ordinance, 28666
that requires a separate finding of fact or a separate plea before 28667
disposition and of which the defendant may be found guilty, 28668
whether filed as part of a multiple charge on a single summons, 28669
citation, or complaint or as a separate charge on a single 28670
summons, citation, or complaint. "Criminal cause" does not include 28671
separate violations of the same statute or ordinance, or 28672
subsection of the same statute or ordinance, unless each charge is 28673
filed on a separate summons, citation, or complaint. 28674

(b) "Civil action or proceeding" means any civil litigation 28675
that must be determined by judgment entry. 28676

(C) The municipal court shall collect in all its divisions 28677
except the small claims division the sum of ~~twenty-six~~ thirty-one 28678
dollars as additional filing fees in each new civil action or 28679
proceeding for the charitable public purpose of providing 28680
financial assistance to legal aid societies that operate within 28681
the state and to support the office of the state public defender. 28682
The municipal court shall collect in its small claims division the 28683
sum of eleven dollars as additional filing fees in each new civil 28684
action or proceeding for the charitable public purpose of 28685
providing financial assistance to legal aid societies that operate 28686
within the state and to support the office of the state public 28687
defender. This division does not apply to any execution on a 28688
judgment, proceeding in aid of execution, or other post-judgment 28689
proceeding arising out of a civil action. The filing fees required 28690
to be collected under this division shall be in addition to any 28691
other court costs imposed in the action or proceeding and shall be 28692
collected at the time of the filing of the action or proceeding. 28693

The court shall not waive the payment of the additional filing fees in a new civil action or proceeding unless the court waives the advanced payment of all filing fees in the action or proceeding. All such moneys collected during a month except for an amount equal to up to one per cent of those moneys retained to cover administrative costs shall be transmitted on or before the twentieth day of the following month by the clerk of the court to the treasurer of state in a manner prescribed by the treasurer of state or by the Ohio legal assistance foundation. The treasurer of state shall deposit four per cent of the funds collected under this division to the credit of the civil case filing fee fund established under section 120.07 of the Revised Code and ninety-six per cent of the funds collected under this division to the credit of the legal aid fund established under section 120.52 of the Revised Code.

The Ohio legal assistance foundation or any recipient of financial assistance from the foundation that receives, or benefits from, any portion of the additional filing fees that are collected and transmitted under this division shall not bring or maintain any class action and shall not bring or maintain any action against the state or any political subdivision of the state.

The court may retain up to one per cent of the moneys it collects under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division. If the court fails to transmit to the treasurer of state the moneys the court collects under this division in a manner prescribed by the treasurer of state or by the Ohio legal assistance foundation, the court shall forfeit the moneys the court retains under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division, and shall transmit

to the treasurer of state all moneys collected under this 28726
division, including the forfeited amount retained for 28727
administrative costs, for deposit in the legal aid fund. 28728

(D) In the Cleveland municipal court, reasonable charges for 28729
investigating titles of real estate to be sold or disposed of 28730
under any writ or process of the court may be taxed as part of the 28731
costs. 28732

(E) Under the circumstances described in sections 2969.21 to 28733
2969.27 of the Revised Code, the clerk of the municipal court 28734
shall charge the fees and perform the other duties specified in 28735
those sections. 28736

(F) As used in this section: 28737

(1) "Full day's attendance" means a day on which a witness is 28738
required or requested to be present at an action or proceeding 28739
before and after twelve noon, regardless of whether the witness 28740
actually testifies. 28741

(2) "Half day's attendance" means a day on which a witness is 28742
required or requested to be present at an action or proceeding 28743
either before or after twelve noon, but not both, regardless of 28744
whether the witness actually testifies. 28745

Sec. 1901.31. The clerk and deputy clerks of a municipal 28746
court shall be selected, be compensated, give bond, and have 28747
powers and duties as follows: 28748

(A) There shall be a clerk of the court who is appointed or 28749
elected as follows: 28750

the expiration of the term of the present clerk, the clerk shall 28756
be nominated and elected by the qualified electors of the 28757
territory in the manner that is provided for the nomination and 28758
election of judges in section 1901.07 of the Revised Code. 28759

The clerk so elected shall hold office for a term of six 28760
years, which term shall commence on the first day of January 28761
following the clerk's election and continue until the clerk's 28762
successor is elected and qualified. 28763

(b) In the Hamilton county municipal court, the clerk of 28764
courts of Hamilton county shall be the clerk of the municipal 28765
court and may appoint an assistant clerk who shall receive the 28766
compensation, payable out of the treasury of Hamilton county in 28767
semimonthly installments, that the board of county commissioners 28768
prescribes. The clerk of courts of Hamilton county, acting as the 28769
clerk of the Hamilton county municipal court and assuming the 28770
duties of that office, shall receive compensation at one-fourth 28771
the rate that is prescribed for the clerks of courts of common 28772
pleas as determined in accordance with the population of the 28773
county and the rates set forth in sections 325.08 and 325.18 of 28774
the Revised Code. This compensation shall be paid from the county 28775
treasury in semimonthly installments and is in addition to the 28776
annual compensation that is received for the performance of the 28777
duties of the clerk of courts of Hamilton county, as provided in 28778
sections 325.08 and 325.18 of the Revised Code. 28779

(c) In the Portage county and Wayne county municipal courts, 28780
the clerks of courts of Portage county and Wayne county shall be 28781
the clerks, respectively, of the Portage county and Wayne county 28782
municipal courts and may appoint a chief deputy clerk for each 28783
branch that is established pursuant to section 1901.311 of the 28784
Revised Code and assistant clerks as the judges of the municipal 28785
court determine are necessary, all of whom shall receive the 28786
compensation that the legislative authority prescribes. The clerks 28787

of courts of Portage county and Wayne county, acting as the clerks 28788
of the Portage county and Wayne county municipal courts and 28789
assuming the duties of these offices, shall receive compensation 28790
payable from the county treasury in semimonthly installments at 28791
one-fourth the rate that is prescribed for the clerks of courts of 28792
common pleas as determined in accordance with the population of 28793
the county and the rates set forth in sections 325.08 and 325.18 28794
of the Revised Code. 28795

(d) Except as otherwise provided in division (A)(1)(d) of 28796
this section, in the Akron municipal court, candidates for 28797
election to the office of clerk of the court shall be nominated by 28798
primary election. The primary election shall be held on the day 28799
specified in the charter of the city of Akron for the nomination 28800
of municipal officers. Notwithstanding any contrary provision of 28801
section 3513.05 or 3513.257 of the Revised Code, the declarations 28802
of candidacy and petitions of partisan candidates and the 28803
nominating petitions of independent candidates for the office of 28804

the judge may prescribe. Each deputy clerk shall take an oath of 29201

Sec. 1907.24. (A) Subject to division (C) of this section, a county court shall fix and tax fees and costs as follows: 29220
29221

(1) The county court shall require an advance deposit for the filing of any new civil action or proceeding when required by division (C) of this section and, in all other cases, shall establish a schedule of fees and costs to be taxed in any civil or criminal action or proceeding. 29222
29223
29224
29225
29226

(2) The county court by rule may require an advance deposit for the filing of a civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. The court may waive an advance deposit requirement upon the presentation of an affidavit or other evidence that establishes that a party is unable to make the requisite deposit. 29227
29228
29229
29230
29231
29232

(3) When a party demands a jury trial in a civil action or proceeding, the county court may require the party to make an advance deposit as fixed by rule of court, unless the court 29233
29234
29235

concludes, on the basis of an affidavit or other evidence 29236
presented by the party, that the party is unable to make the 29237
requisite deposit. If a jury is called, the county court shall tax 29238
the fees of a jury as costs. 29239

(4) In a civil or criminal action or proceeding, the county 29240
court shall fix the fees of witnesses in accordance with sections 29241
2335.06 and 2335.08 of the Revised Code. 29242

(5) A county court may tax as part of the costs in a trial of 29243
the cause, in an amount fixed by rule of court, a reasonable 29244
charge for driving, towing, carting, storing, keeping, and 29245
preserving motor vehicles and other personal property recovered or 29246
seized in a proceeding. 29247

(6) The court shall preserve chattel property seized under a 29248
writ or process issued by the court pending final disposition for 29249
the benefit of all interested persons. The court may place the 29250
chattel property in storage when necessary or proper for its 29251
preservation. The custodian of chattel property so stored shall 29252
not be required to part with the possession of the property until 29253
a reasonable charge, to be fixed by the court, is paid. 29254

(7) The county court, as it determines, may refund all 29255
deposits and advance payments of fees and costs, including those 29256
for jurors and summoning jurors, when they have been paid by the 29257
losing party. 29258

(8) The court may tax as part of costs charges for the 29259
publication of legal notices required by statute or order of 29260
court, as provided by section 7.13 of the Revised Code. 29261

(B)(1) The county court may determine that, for the efficient 29262
operation of the court, additional funds are necessary to acquire 29263
and pay for special projects of the court including, but not 29264
limited to, the acquisition of additional facilities or the 29265
rehabilitation of existing facilities, the acquisition of 29266

equipment, the hiring and training of staff, community service 29267
programs, mediation or dispute resolution services, the employment 29268
of magistrates, the training and education of judges, acting 29269
judges, and magistrates, and other related services. Upon that 29270
determination, the court by rule may charge a fee, in addition to 29271
all other court costs, on the filing of each criminal cause, civil 29272
action or proceeding, or judgment by confession. 29273

If the county court offers a special program or service in 29274
cases of a specific type, the county court by rule may assess an 29275
additional charge in a case of that type, over and above court 29276
costs, to cover the special program or service. The county court 29277
shall adjust the special assessment periodically, but not 29278
retroactively, so that the amount assessed in those cases does not 29279
exceed the actual cost of providing the service or program. 29280

All moneys collected under division (B) of this section shall 29281
be paid to the county treasurer for deposit into either a general 29282
special projects fund or a fund established for a specific special 29283
project. Moneys from a fund of that nature shall be disbursed upon 29284
an order of the court in an amount no greater than the actual cost 29285
to the court of a project. If a specific fund is terminated 29286
because of the discontinuance of a program or service established 29287
under division (B) of this section, the county court may order 29288
that moneys remaining in the fund be transferred to an account 29289
established under this division for a similar purpose. 29290

(2) As used in division (B) of this section: 29291

(a) "Criminal cause" means a charge alleging the violation of 29292
a statute or ordinance, or subsection of a statute or ordinance, 29293
that requires a separate finding of fact or a separate plea before 29294
disposition and of which the defendant may be found guilty, 29295
whether filed as part of a multiple charge on a single summons, 29296
citation, or complaint or as a separate charge on a single 29297
summons, citation, or complaint. "Criminal cause" does not include 29298

separate violations of the same statute or ordinance, or 29299
subsection of the same statute or ordinance, unless each charge is 29300
filed on a separate summons, citation, or complaint. 29301

(b) "Civil action or proceeding" means any civil litigation 29302
that must be determined by judgment entry. 29303

(C) Subject to division (E) of this section, the county court 29304
shall collect in all its divisions except the small claims 29305
division the sum of ~~twenty-six~~ thirty-one dollars as additional 29306
filing fees in each new civil action or proceeding for the 29307
charitable public purpose of providing financial assistance to 29308
legal aid societies that operate within the state and to support 29309
the office of the state public defender. Subject to division (E) 29310
of this section, the county court shall collect in its small 29311
claims division the sum of eleven dollars as additional filing 29312
fees in each new civil action or proceeding for the charitable 29313
public purpose of providing financial assistance to legal aid 29314
societies that operate within the state and to support the office 29315
of the state public defender. This division does not apply to any 29316
execution on a judgment, proceeding in aid of execution, or other 29317
post-judgment proceeding arising out of a civil action. The filing 29318
fees required to be collected under this division shall be in 29319
addition to any other court costs imposed in the action or 29320
proceeding and shall be collected at the time of the filing of the 29321
action or proceeding. The court shall not waive the payment of the 29322
additional filing fees in a new civil action or proceeding unless 29323
the court waives the advanced payment of all filing fees in the 29324
action or proceeding. All such moneys collected during a month 29325
except for an amount equal to up to one per cent of those moneys 29326
retained to cover administrative costs shall be transmitted on or 29327
before the twentieth day of the following month by the clerk of 29328
the court to the treasurer of state in a manner prescribed by the 29329
treasurer of state or by the Ohio legal assistance foundation. The 29330

treasurer of state shall deposit four per cent of the funds 29331
collected under this division to the credit of the civil case 29332
filing fee fund established under section 120.07 of the Revised 29333
Code and ninety-six per cent of the funds collected under this 29334
division to the credit of the legal aid fund established under 29335
section 120.52 of the Revised Code. 29336

The Ohio legal assistance foundation or any recipient of 29337
financial assistance from the foundation that receives, or 29338
benefits from, any portion of the additional filing fees that are 29339
collected and transmitted under this division shall not bring or 29340
maintain any class action and shall not bring or maintain any 29341
action against the state or any political subdivision of the 29342
state. 29343

The court may retain up to one per cent of the moneys it 29344
collects under this division to cover administrative costs, 29345
including the hiring of any additional personnel necessary to 29346
implement this division. If the court fails to transmit to the 29347
treasurer of state the moneys the court collects under this 29348
division in a manner prescribed by the treasurer of state or by 29349
the Ohio legal assistance foundation, the court shall forfeit the 29350
moneys the court retains under this division to cover 29351
administrative costs, including the hiring of any additional 29352
personnel necessary to implement this division, and shall transmit 29353
to the treasurer of state all moneys collected under this 29354
division, including the forfeited amount retained for 29355
administrative costs, for deposit in the legal aid fund. 29356

(D) The county court shall establish by rule a schedule of 29357
fees for miscellaneous services performed by the county court or 29358
any of its judges in accordance with law. If judges of the court 29359
of common pleas perform similar services, the fees prescribed in 29360
the schedule shall not exceed the fees for those services 29361
prescribed by the court of common pleas. 29362

(E) Under the circumstances described in sections 2969.21 to 29363
2969.27 of the Revised Code, the clerk of the county court shall 29364
charge the fees and perform the other duties specified in those 29365
sections. 29366

Sec. 2303.201. (A)(1) The court of common pleas of any county 29367
may determine that for the efficient operation of the court 29368
additional funds are required to computerize the court, to make 29369
available computerized legal research services, or to do both. 29370
Upon making a determination that additional funds are required for 29371
either or both of those purposes, the court shall authorize and 29372
direct the clerk of the court of common pleas to charge one 29373
additional fee, not to exceed three dollars, on the filing of each 29374
cause of action or appeal under divisions (A), (Q), and (U) of 29375
section 2303.20 of the Revised Code. 29376

(2) All fees collected under division (A)(1) of this section 29377
shall be paid to the county treasurer. The treasurer shall place 29378
the funds from the fees in a separate fund to be disbursed, upon 29379
an order of the court, in an amount not greater than the actual 29380
cost to the court of procuring and maintaining computerization of 29381
the court, computerized legal research services, or both. 29382

(3) If the court determines that the funds in the fund 29383
described in division (A)(2) of this section are more than 29384
sufficient to satisfy the purpose for which the additional fee 29385
described in division (A)(1) of this section was imposed, the 29386
court may declare a surplus in the fund and expend those surplus 29387
funds for other appropriate technological expenses of the court. 29388

(B)(1) The court of common pleas of any county may determine 29389
that, for the efficient operation of the court, additional funds 29390
are required to computerize the office of the clerk of the court 29391
of common pleas and, upon that determination, authorize and direct 29392
the clerk of the court of common pleas to charge an additional 29393

fee, not to exceed ten dollars, on the filing of each cause of 29394
action or appeal, on the filing, docketing, and endorsing of each 29395
certificate of judgment, or on the docketing and indexing of each 29396
aid in execution or petition to vacate, revive, or modify a 29397
judgment under divisions (A), (P), (Q), (T), and (U) of section 29398
2303.20 of the Revised Code. Subject to division (B)(2) of this 29399
section, all moneys collected under division (B)(1) of this 29400
section shall be paid to the county treasurer to be disbursed, 29401
upon an order of the court of common pleas and subject to 29402
appropriation by the board of county commissioners, in an amount 29403
no greater than the actual cost to the court of procuring and 29404
maintaining computer systems for the office of the clerk of the 29405
court of common pleas. 29406

(2) If the court of common pleas of a county makes the 29407
determination described in division (B)(1) of this section, the 29408
board of county commissioners of that county may issue one or more 29409
general obligation bonds for the purpose of procuring and 29410
maintaining the computer systems for the office of the clerk of 29411
the court of common pleas. In addition to the purposes stated in 29412
division (B)(1) of this section for which the moneys collected 29413
under that division may be expended, the moneys additionally may 29414
be expended to pay debt charges on and financing costs related to 29415
any general obligation bonds issued pursuant to division (B)(2) of 29416
this section as they become due. General obligation bonds issued 29417
pursuant to division (B)(2) of this section are Chapter 133. 29418
securities. 29419

(C) The court of common pleas shall collect the sum of 29420
~~twenty-six~~ thirty-one dollars as additional filing fees in each 29421
new civil action or proceeding for the charitable public purpose 29422
of providing financial assistance to legal aid societies that 29423
operate within the state and to support the office of the state 29424
public defender. This division does not apply to a domestic 29425

relations division of a court of common pleas, except that the 29426
additional filing fee shall apply to proceedings concerning 29427
annulments, dissolutions of marriage, divorces, and legal 29428
separation, ~~spousal support, marital property or separate property~~ 29429
~~distribution, support, or other domestic relations matters;~~ to a 29430
juvenile division of a court of common pleas; to a probate 29431
division of a court of common pleas, except that the additional 29432
filing fees shall apply to name change, guardianship, adoption, 29433
and decedents' estate proceedings; or to an execution on a 29434
judgment, proceeding in aid of execution, or other post-judgment 29435
proceeding arising out of a civil action. The filing fees required 29436
to be collected under this division shall be in addition to any 29437
other filing fees imposed in the action or proceeding and shall be 29438
collected at the time of the filing of the action or proceeding. 29439
The court shall not waive the payment of the additional filing 29440
fees in a new civil action or proceeding unless the court waives 29441
the advanced payment of all filing fees in the action or 29442
proceeding. All such moneys collected during a month except for an 29443
amount equal to up to one per cent of those moneys retained to 29444
cover administrative costs shall be transmitted on or before the 29445
twentieth day of the following month by the clerk of the court to 29446
the treasurer of state in a manner prescribed by the treasurer of 29447
state or by the Ohio legal assistance foundation. The treasurer of 29448
state shall deposit four per cent of the funds collected under 29449
this division to the credit of the civil case filing fee fund 29450
established under section 120.07 of the Revised Code and 29451
ninety-six per cent of the funds collected under this division to 29452
the credit of the legal aid fund established under section 120.52 29453
of the Revised Code. 29454

The Ohio legal assistance foundation or any recipient of 29455
financial assistance from the foundation that receives, or 29456
benefits from, any portion of the additional filing fees that are 29457
collected and transmitted under this division shall not bring or 29458

maintain any class action and shall not bring or maintain any 29459
action against the state or any political subdivision of the 29460
state. 29461

The court may retain up to one per cent of the moneys it 29462
collects under this division to cover administrative costs, 29463
including the hiring of any additional personnel necessary to 29464
implement this division. If the court fails to transmit to the 29465
treasurer of state the moneys the court collects under this 29466
division in a manner prescribed by the treasurer of state or by 29467
the Ohio legal assistance foundation, the court shall forfeit the 29468
moneys the court retains under this division to cover 29469
administrative costs, including the hiring of any additional 29470
personnel necessary to implement this division, and shall transmit 29471
to the treasurer of state all moneys collected under this 29472
division, including the forfeited amount retained for 29473
administrative costs, for deposit in the legal aid fund. 29474

(D) On and after the thirtieth day after December 9, 1994, 29475
the court of common pleas shall collect the sum of thirty-two 29476
dollars as additional filing fees in each new action or proceeding 29477
for annulment, divorce, or dissolution of marriage for the purpose 29478
of funding shelters for victims of domestic violence pursuant to 29479
sections 3113.35 to 3113.39 of the Revised Code. The filing fees 29480
required to be collected under this division shall be in addition 29481
to any other filing fees imposed in the action or proceeding and 29482
shall be collected at the time of the filing of the action or 29483
proceeding. The court shall not waive the payment of the 29484
additional filing fees in a new action or proceeding for 29485
annulment, divorce, or dissolution of marriage unless the court 29486
waives the advanced payment of all filing fees in the action or 29487
proceeding. On or before the twentieth day of each month, all 29488
moneys collected during the immediately preceding month pursuant 29489
to this division shall be deposited by the clerk of the court into 29490

the county treasury in the special fund used for deposit of 29491
additional marriage license fees as described in section 3113.34 29492
of the Revised Code. Upon their deposit into the fund, the moneys 29493
shall be retained in the fund and expended only as described in 29494
section 3113.34 of the Revised Code. 29495

(E)(1) The court of common pleas may determine that, for the 29496
efficient operation of the court, additional funds are necessary 29497
to acquire and pay for special projects of the court, including, 29498
but not limited to, the acquisition of additional facilities or 29499
the rehabilitation of existing facilities, the acquisition of 29500
equipment, the hiring and training of staff, community service 29501
programs, mediation or dispute resolution services, the employment 29502
of magistrates, the training and education of judges, acting 29503
judges, and magistrates, and other related services. Upon that 29504
determination, the court by rule may charge a fee, in addition to 29505
all other court costs, on the filing of each criminal cause, civil 29506
action or proceeding, or judgment by confession. 29507

If the court of common pleas offers a special program or 29508
service in cases of a specific type, the court by rule may assess 29509
an additional charge in a case of that type, over and above court 29510
costs, to cover the special program or service. The court shall 29511
adjust the special assessment periodically, but not retroactively, 29512
so that the amount assessed in those cases does not exceed the 29513
actual cost of providing the service or program. 29514

All moneys collected under division (E) of this section shall 29515
be paid to the county treasurer for deposit into either a general 29516
special projects fund or a fund established for a specific special 29517
project. Moneys from a fund of that nature shall be disbursed upon 29518
an order of the court in an amount no greater than the actual cost 29519
to the court of a project. If a specific fund is terminated 29520
because of the discontinuance of a program or service established 29521
under division (E) of this section, the court may order that 29522

moneys remaining in the fund be transferred to an account 29523
established under this division for a similar purpose. 29524

(2) As used in division (E) of this section: 29525

(a) "Criminal cause" means a charge alleging the violation of 29526
a statute or ordinance, or subsection of a statute or ordinance, 29527
that requires a separate finding of fact or a separate plea before 29528
disposition and of which the defendant may be found guilty, 29529
whether filed as part of a multiple charge on a single summons, 29530
citation, or complaint or as a separate charge on a single 29531
summons, citation, or complaint. "Criminal cause" does not include 29532
separate violations of the same statute or ordinance, or 29533
subsection of the same statute or ordinance, unless each charge is 29534
filed on a separate summons, citation, or complaint. 29535

(b) "Civil action or proceeding" means any civil litigation 29536
that must be determined by judgment entry. 29537

Sec. 2315.50. (A) This section applies to an action 29538
maintained as a class action in which the settlement agreement or 29539
judgment includes a monetary award, including compensatory or 29540
punitive and exemplary damages, restitution, or any other payment 29541
of money due from each defendant to the members of the class. 29542

(B) It is the policy of this state, insofar as it is not 29543
inconsistent with federal law, that all unpaid moneys remaining 29544
after the distribution to the members of the class of monetary 29545
awards in class actions described in division (A) of this section 29546
shall be used for charitable public purposes. Fifteen per cent of 29547
those moneys shall provide financial assistance to legal aid 29548
societies that operate within this state. The remaining 29549
eighty-five per cent of those moneys shall be distributed to 29550
charities, nonprofit organizations, and charitable programs 29551
selected in the action and approved by the court. With respect to 29552
the moneys for legal aid societies, not later than the twentieth 29553

day of the month immediately following the month during which the 29554
amount of unpaid moneys, if any, remaining after that distribution 29555
of the monetary award in the class action is identified, each 29556
defendant from whom the unpaid moneys are due, in a manner and 29557
form prescribed in the rules established by the Ohio legal 29558
assistance foundation under section 120.52 of the Revised Code, 29559
shall do both of the following: 29560

(1) Remit fifteen per cent of the sum of the unpaid moneys to 29561
the treasurer of state for deposit in the legal aid fund 29562
established under section 120.52 of the Revised Code; 29563

(2) Notify the Ohio legal assistance foundation of all of the 29564
following: 29565

(a) The amount of moneys remitted under division (B)(1) of 29566
this section; 29567

(b) The case name and case number of the class action and the 29568
court that approved the settlement agreement or rendered the 29569
judgment in the class action. 29570

(C) The Ohio legal assistance foundation or any recipient of 29571
financial assistance from the foundation that receives, or 29572
benefits from, any portion of the moneys that are remitted under 29573
division (B)(1) of this section shall not bring or maintain any 29574
class action and shall not bring or maintain any action against 29575
the state or any political subdivision of the state. 29576

Sec. 2317.422. (A) Notwithstanding sections 2317.40 and 29577
2317.41 of the Revised Code but subject to division (B) of this 29578
section, the records, or copies or photographs of the records, of 29579
a hospital, homes required to be licensed pursuant to section 29580
3721.01 of the Revised Code, ~~and of~~ adult care facilities required 29581
to be licensed pursuant to Chapter 3722. of the Revised Code, ~~and~~ 29582
~~community alternative homes licensed pursuant to section 3724.03~~ 29583

~~of the Revised Code,~~ in lieu of the testimony in open court of 29584
their custodian, person who made them, or person under whose 29585
supervision they were made, may be qualified as authentic evidence 29586
if any such person endorses thereon the person's verified 29587
certification identifying such records, giving the mode and time 29588
of their preparation, and stating that they were prepared in the 29589
usual course of the business of the institution. Such records, 29590
copies, or photographs may not be qualified by certification as 29591
provided in this section unless the party intending to offer them 29592
delivers a copy of them, or of their relevant portions, to the 29593
attorney of record for each adverse party not less than five days 29594
before trial. Nothing in this section shall be construed to limit 29595
the right of any party to call the custodian, person who made such 29596
records, or person under whose supervision they were made, as a 29597
witness. 29598

(B) Division (A) of this section does not apply to any 29599
certified copy of the results of any test given to determine the 29600
presence or concentration of alcohol, a drug of abuse, a 29601
combination of them, a controlled substance, or a metabolite of a 29602
controlled substance in a patient's whole blood, blood serum or 29603
plasma, breath, or urine at any time relevant to a criminal 29604
offense that is submitted in a criminal action or proceeding in 29605

provided in this division, the attorney or the attorney's law firm 29913
may only receive attorney's fees as an allowable expense for the 29914

(3) A request for relief under this section.

(D)(1) If a person who files a petition pursuant to this section requests an ex parte order, the court shall hold an ex parte hearing as soon as possible after the petition is filed, but not later than the next day that the court is in session after the petition is filed. The court, for good cause shown at the ex parte hearing, may enter any temporary orders, with or without bond, that the court finds necessary for the safety and protection of the person to be protected by the order. Immediate and present danger to the person to be protected by the protection order constitutes good cause for purposes of this section. Immediate and present danger includes, but is not limited to, situations in which the respondent has threatened the person to be protected by the protection order with bodily harm or in which the respondent previously has been convicted of or pleaded guilty to a violation of section 2903.211 of the Revised Code or a sexually oriented offense against the person to be protected by the protection order.

The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following

reasons, the court may grant a continuance of the full hearing to 30137
a reasonable time determined by the court: 30138

(i) Prior to the date scheduled for the full hearing under 30139
this division, the respondent has not been served with the 30140
petition filed pursuant to this section and notice of the full 30141
hearing. 30142

(ii) The parties consent to the continuance. 30143

(iii) The continuance is needed to allow a party to obtain 30144
counsel. 30145

(iv) The continuance is needed for other good cause. 30146

(b) An ex parte order issued under this section does not 30147
expire because of a failure to serve notice of the full hearing 30148
upon the respondent before the date set for the full hearing under 30149
division (D)(2)(a) of this section or because the court grants a 30150
continuance under that division. 30151

(3) If a person who files a petition pursuant to this section 30152
does not request an ex parte order, or if a person requests an ex 30153
parte order but the court does not issue an ex parte order after 30154
an ex parte hearing, the court shall proceed as in a normal civil 30155
action and grant a full hearing on the matter. 30156

(E)(1)(a) After an ex parte or full hearing, the court may 30157
issue any protection order, with or without bond, that contains 30158
terms designed to ensure the safety and protection of the person 30159
to be protected by the protection order, including, but not 30160
limited to, a requirement that the respondent refrain from 30161
entering the residence, school, business, or place of employment 30162
of the petitioner or family or household member. If the court 30163
includes a requirement that the respondent refrain from entering 30164
the residence, school, business, or place of employment of the 30165
petitioner or family or household member in the order, it also 30166
shall include in the order provisions of the type described in 30167

division (E)(5) of this section. 30168

(b) After a full hearing, if the court considering a petition 30169
that includes an allegation of the type described in division 30170
(C)(2) of this section, or the court upon its own motion, finds 30171
upon clear and convincing evidence that the petitioner reasonably 30172
believed that the respondent's conduct at any time preceding the 30173
filing of the petition endangered the health, welfare, or safety 30174
of the person to be protected and that the respondent presents a 30175
continuing danger to the person to be protected, the court may 30176
order that the respondent be electronically monitored for a period 30177
of time and under the terms and conditions that the court 30178
determines are appropriate. Electronic monitoring shall be in 30179
addition to any other relief granted to the petitioner. 30180

(2)(a) Any protection order issued pursuant to this section 30181
shall be valid until a date certain but not later than five years 30182
from the date of its issuance. 30183

(b) Any protection order issued pursuant to this section may 30184
be renewed in the same manner as the original order was issued. 30185

(3) A court may not issue a protection order that requires a 30186
petitioner to do or to refrain from doing an act that the court 30187
may require a respondent to do or to refrain from doing under 30188
division (E)(1) of this section unless all of the following apply: 30189

(a) The respondent files a separate petition for a protection 30190
order in accordance with this section. 30191

(b) The petitioner is served with notice of the respondent's 30192
petition at least forty-eight hours before the court holds a 30193
hearing with respect to the respondent's petition, or the 30194
petitioner waives the right to receive this notice. 30195

(c) If the petitioner has requested an ex parte order 30196
pursuant to division (D) of this section, the court does not delay 30197
any hearing required by that division beyond the time specified in 30198

that division in order to consolidate the hearing with a hearing 30199
on the petition filed by the respondent. 30200

(d) After a full hearing at which the respondent presents 30201
evidence in support of the request for a protection order and the 30202
petitioner is afforded an opportunity to defend against that 30203
evidence, the court determines that the petitioner has committed a 30204
violation of section 2903.211 of the Revised Code against the 30205
person to be protected by the protection order issued pursuant to 30206
this section, has committed a sexually oriented offense against 30207
the person to be protected by the protection order, or has 30208
violated a protection order issued pursuant to section 2903.213 of 30209
the Revised Code relative to the person to be protected by the 30210
protection order issued pursuant to this section. 30211

(4) No protection order issued pursuant to this section shall 30212
in any manner affect title to any real property. 30213

(5)(a) If the court issues a protection order under this 30214
section that includes a requirement that the alleged offender 30215
refrain from entering the residence, school, business, or place of 30216
employment of the petitioner or a family or household member, the 30217
order shall clearly state that the order cannot be waived or 30218
nullified by an invitation to the alleged offender from the 30219
complainant to enter the residence, school, business, or place of 30220
employment or by the alleged offender's entry into one of those 30221
places otherwise upon the consent of the petitioner or family or 30222
household member. 30223

(b) Division (E)(5)(a) of this section does not limit any 30224
discretion of a court to determine that an alleged offender 30225
charged with a violation of section 2919.27 of the Revised Code, 30226
with a violation of a municipal ordinance substantially equivalent 30227
to that section, or with contempt of court, which charge is based 30228
on an alleged violation of a protection order issued under this 30229
section, did not commit the violation or was not in contempt of 30230

court. 30231

(F)(1) The court shall cause the delivery of a copy of any 30232
protection order that is issued under this section to the 30233
petitioner, to the respondent, and to all law enforcement agencies 30234
that have jurisdiction to enforce the order. The court shall 30235
direct that a copy of the order be delivered to the respondent on 30236
the same day that the order is entered. 30237

(2) Upon the issuance of a protection order under this 30238
section, the court shall provide the parties to the order with the 30239
following notice orally or by form: 30240

"NOTICE 30241

As a result of this order, it may be unlawful for you to 30242
possess or purchase a firearm, including a rifle, pistol, or 30243
revolver, or ammunition pursuant to federal law under 18 U.S.C. 30244
922(g)(8). If you have any questions whether this law makes it 30245
illegal for you to possess or purchase a firearm or ammunition, 30246
you should consult an attorney." 30247

(3) All law enforcement agencies shall establish and maintain 30248
an index for the protection orders delivered to the agencies 30249
pursuant to division (F)(1) of this section. With respect to each 30250
order delivered, each agency shall note on the index the date and 30251
time that it received the order. 30252

(4) Regardless of whether the petitioner has registered the 30253
protection order in the county in which the officer's agency has 30254
jurisdiction pursuant to division (M) of this section, any officer 30255
of a law enforcement agency shall enforce a protection order 30256
issued pursuant to this section by any court in this state in 30257
accordance with the provisions of the order, including removing 30258
the respondent from the premises, if appropriate. 30259

(G) Any proceeding under this section shall be conducted in 30260
accordance with the Rules of Civil Procedure, except that a 30261

protection order may be obtained under this section with or 30262
without bond. An order issued under this section, other than an ex 30263
parte order, that grants a protection order, or that refuses to 30264
grant a protection order, is a final, appealable order. The 30265
remedies and procedures provided in this section are in addition 30266
to, and not in lieu of, any other available civil or criminal 30267
remedies. 30268

(H) The filing of proceedings under this section does not 30269
excuse a person from filing any report or giving any notice 30270
required by section 2151.421 of the Revised Code or by any other 30271
law. 30272

(I) Any law enforcement agency that investigates an alleged 30273
violation of section 2903.211 of the Revised Code or an alleged 30274
commission of a sexually oriented offense shall provide 30275
information to the victim and the family or household members of 30276
the victim regarding the relief available under this section and 30277
section 2903.213 of the Revised Code. 30278

(J) Notwithstanding any provision of law to the contrary and 30279
regardless of whether a protection order is issued or a consent 30280
agreement is approved by a court of another county or by a court 30281
of another state, no court or unit of state or local government 30282
shall charge any fee, cost, deposit, or money in connection with 30283
the filing of a petition pursuant to this section, in connection 30284
with the filing, issuance, registration, or service of a 30285
protection order or consent agreement, or for obtaining a 30286

constitutes a violation of that section; 30292

(b) Punishment for contempt of court. 30293

(2) The punishment of a person for contempt of court for 30294
violation of a protection order issued under this section does not 30295
bar criminal prosecution of the person for a violation of section 30296
2919.27 of the Revised Code. However, a person punished for 30297
contempt of court is entitled to credit for the punishment imposed 30298
upon conviction of a violation of that section, and a person 30299
convicted of a violation of that section shall not subsequently be 30300
punished for contempt of court arising out of the same activity. 30301

petitioner may be accompanied by a victim advocate. 30303

section or a protection order under section 2903.213 of the 30305
Revised Code may provide notice of the issuance or approval of the 30306
order to the judicial and law enforcement officials in any county 30307

section 2919.272 of the Revised Code and filing a copy of the 30316
registered order with a law enforcement agency in that county. 30317

pursuant to this section or section 2903.213 of the Revised Code 30319
in a county other than the county in which the court that issued 30320
the order is located in the following manner: 30321

(a) The petitioner shall obtain a certified copy of the order 30322
from the clerk of the court that issued the order and present that 30323

certified copy to the clerk of the court of common pleas or the 30324
clerk of a municipal court or county court in the county in which 30325
the order is to be registered. 30326

(b) Upon accepting the certified copy of the order for 30327
registration, the clerk of the court of common pleas, municipal 30328
court, or county court shall place an endorsement of registration 30329

respondent. Unless the court determines that the respondent is 30341
indigent, the court shall order the respondent to pay the cost of 30342
the installation and monitoring of the electronic monitoring 30343
device. If the court determines that the respondent is indigent, 30344
the cost of the installation and monitoring of the electronic 30345
