applicant or a member of the applicant's family while engaged in 31701
lawful activity. 31702

(l) The applicant submits a competency certification of the 31703
type described in division (B)(3) of this section and submits a 31704
certification of the type described in division (B)(4) of this 31705
section regarding the applicant's reading of the pamphlet prepared 31706
by the Ohio peace officer training commission pursuant to section 31707
109.731 of the Revised Code. 31708

(m) The applicant currently is not subject to a suspension 31709
imposed under division (A)(2) of section 2923.128 of the Revised 31710
Code of a license to carry a concealed handgun, or a temporary 31711
emergency license to carry a concealed handgun, that previously 31712
was issued to the applicant under this section or section 31713
2923.1213 of the Revised Code. 31714

(2)(a) A license to carry a concealed handgun that a sheriff 31715

issues under division (D)(1) of this section on or after March 14, 2007, shall expire five years after the date of issuance. A license to carry a concealed handgun that a sheriff issued under division (D)(1) of this section prior to March 14, 2007, shall expire four years after the date of issuance.

If a sheriff issues a license under this section, the sheriff shall place on the license a unique combination of letters and numbers identifying the license in accordance with the procedure prescribed by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code.

(b) If a sheriff denies an application under this section because the applicant does not satisfy the criteria described in division (D)(1) of this section, the sheriff shall specify the grounds for the denial in a written notice to the applicant. The applicant may appeal the denial pursuant to section 119.12 of the Revised Code in the county served by the sheriff who denied the application. If the denial was as a result of the criminal records check conducted pursuant to section 311.41 of the Revised Code and if, pursuant to section 2923.127 of the Revised Code, the applicant challenges the criminal records check results using the appropriate challenge and review procedure specified in that section, the time for filing the appeal pursuant to section 119.12 of the Revised Code and this division is tolled during the pendency of the request or the challenge and review. If the court in an appeal under section 119.12 of the Revised Code and this division enters a judgment sustaining the sheriff's refusal to grant to the applicant a license to carry a concealed handgun, the applicant may file a new application beginning one year after the judgment is entered. If the court enters a judgment in favor of the applicant, that judgment shall not restrict the authority of a sheriff to suspend or revoke the license pursuant to section 2923.128 or 2923.1213 of the Revised Code or to refuse to renew

the license for any proper cause that may occur after the date the 31748
judgment is entered. In the appeal, the court shall have full 31749
power to dispose of all costs. 31750

(3) If the sheriff with whom an application for a license to 31751
carry a concealed handgun was filed under this section becomes 31752
aware that the applicant has been arrested for or otherwise 31753
charged with an offense that would disqualify the applicant from 31754
holding the license, the sheriff shall suspend the processing of 31755
the application until the disposition of the case arising from the 31756
arrest or charge. 31757

(4) If the sheriff determines that the applicant is legally 31758
living in the United States and is a resident of the county in 31759
which the applicant seeks the license or of an adjacent county but 31760
does not yet meet the residency requirements described in division 31761
(D)(1)(a) of this section, the sheriff shall not deny the license 31762
because of the residency requirements but shall not issue the 31763
license until the applicant meets those residency requirements. 31764

(5) If an applicant has been convicted of or pleaded guilty 31765
to an offense identified in division (D)(1)(e), (f), or (h) of 31766
this section or has been adjudicated a delinquent child for 31767
committing an act or violation identified in any of those 31768
divisions, and if a court has ordered the sealing or expungement 31769
of the records of that conviction, guilty plea, or adjudication 31770
pursuant to sections 2151.355 to 2151.358 or sections 2953.31 to 31771
2953.36 of the Revised Code or a court has granted the applicant 31772
relief pursuant to section 2923.14 of the Revised Code from the 31773
disability imposed pursuant to section 2923.13 of the Revised Code 31774
relative to that conviction, guilty plea, or adjudication, the 31775
sheriff with whom the application was submitted shall not consider 31776
the conviction, guilty plea, or adjudication in making a 31777
determination under division (D)(1) or (F) of this section or, in 31778
relation to an application for a temporary emergency license to 31779

carry a concealed handgun submitted under section 2923.1213 of the Revised Code, in making a determination under division (B)(2) of that section.

(E) If a license to carry a concealed handgun issued under this section is lost or is destroyed, the licensee may obtain from the sheriff who issued that license a duplicate license upon the payment of a fee of fifteen dollars and the submission of an affidavit attesting to the loss or destruction of the license. The sheriff, in accordance with the procedures prescribed in section 109.731 of the Revised Code, shall place on the replacement license a combination of identifying numbers different from the combination on the license that is being replaced.

(F)(1) A licensee who wishes to renew a license to carry a concealed handgun issued under this section shall do so not earlier than ninety days before the expiration date of the license or at any time after the expiration date of the license by filing with the sheriff of the county in which the applicant resides or with the sheriff of an adjacent county an application for renewal of the license obtained pursuant to division (D) of this section, a certification by the applicant that, subsequent to the issuance of the license, the applicant has reread the pamphlet prepared by the Ohio peace officer training commission pursuant to section 109.731 of the Revised Code that reviews firearms, dispute resolution, and use of deadly force matters, a nonrefundable license renewal fee unless the fee is waived, and one of the following:

(a) If the licensee previously has not renewed a license to carry a concealed handgun issued under this section, proof that the licensee at one time had a competency certification of the type described in division (B)(3) of this section. A valid license or any other previously issued license that has not been revoked is prima-facie evidence that the licensee at one time had a

competency certification of the type described in division (B)(3) 31812
of this section. 31813

(b) If the licensee previously has renewed a license to carry 31814
a concealed handgun issued under this section, a renewed 31815

(2) A sheriff shall accept a completed renewal application, 31818
the license renewal fee, and information specified in division 31819
(F)(1) of this section at the times and in the manners described 31820
in division (I) of this section. Upon receipt of a completed 31821
renewal application, of certification that the applicant has 31822
reread the specified pamphlet prepared by the Ohio peace officer 31823
training commission, of proof of a prior competency certification 31824
for an initial renewal or of a renewed competency certification 31825
for a second or subsequent renewal, and of a license renewal fee 31826
unless the fee is waived, a sheriff, in the manner specified in 31827
section 311.41 of the Revised Code shall conduct or cause to be 31828
conducted the criminal records check and the incompetency records 31829
check described in section 311.41 of the Revised Code. The sheriff 31830
shall renew the license if the sheriff determines that the 31831
applicant continues to satisfy the requirements described in 31832
division (D)(1) of this section, except that the applicant is not 31833
required to meet the requirements of division (D)(1)(1) of this 31834
section. A renewed license that is renewed on or after March 14, 31835
2007, shall expire five years after the date of issuance, and a 31836
renewed license that is renewed prior to March 14, 2007, shall 31837
expire four years after the date of issuance. A renewed license is 31838
subject to division (E) of this section and sections 2923.126 and 31839
2923.128 of the Revised Code. A sheriff shall comply with 31840
divisions (D)(2) to (4) of this section when the circumstances 31841
described in those divisions apply to a requested license renewal. 31842
If a sheriff denies the renewal of a license to carry a concealed 31843

handgun, the applicant may appeal the denial, or challenge the 31844
criminal record check results that were the basis of the denial if 31845
applicable, in the same manner as specified in division (D)(2)(b) 31846
of this section and in section 2923.127 of the Revised Code, 31847
regarding the denial of a license under this section. 31848
31849

any arrearages that may be owed by the obligor under any prior 32841
support order that pertained to the same child or spouse, 32842
notwithstanding the limitations of sections 2329.66, 2329.70, and 32843

previously been issued, as a separate order. The cash bond shall 32857
be in a sum fixed by the court at not less than five hundred nor 32858
more than ten thousand dollars, conditioned that the obligor will 32859
make payment as previously ordered and will pay any arrearages 32860
under any prior court support order that pertained to the same 32861
child or spouse. 32862

The order, along with an additional order requiring the 32863
obligor to immediately notify the child support enforcement 32864
agency, in writing, if the obligor begins to receive income from a 32865
payor, shall be attached to and served on the obligor at the same 32866
time as service of the court support order or, if the court 32867
support order has previously been issued, as soon as possible 32868
after the issuance of the order under this section. The additional 32869

order requiring notice by the obligor shall state all of the 32870
following: 32871

(1) That when the obligor begins to receive income from a 32872
payor the obligor may request that the court cancel its bond order 32873
and instead issue a notice requiring the withholding of an amount 32874
from income for support in accordance with this section; 32875

(2) That when the obligor begins to receive income from a 32876
payor the court will proceed to collect on the bond if the court 32877
determines that payments due under the court support order have 32878
not been made and that the amount that has not been paid is at 32879
least equal to the support owed for one month under the court 32880
support order and will issue a notice requiring the withholding of 32881
an amount from income for support in accordance with this section. 32882
The notice required of the obligor shall include a description of 32883
the nature of any new employment, the name and business address of 32884
any new employer, and any other information reasonably required by 32885
the court. 32886

The court shall not order an obligor to post a cash bond 32887
under this section unless the court determines that the obligor 32888
has the ability to do so. 32889

A child support enforcement agency may not issue a cash bond 32890
order. If a child support enforcement agency is required to issue 32891
a withholding or deduction notice under this section with respect 32892
to a court support order but the agency determines that no 32893
withholding or deduction notice would be appropriate, the agency 32894
may request that the court issue a cash bond order under this 32895
section, and upon the request, the court may issue the order. 32896

(D)(1) If the obligor under a court support order is 32897
unemployed, has no income, and does not have an account at any 32898
financial institution, or on request of a child support 32899
enforcement agency under division (D)(1) or (2) of this section, 32900

the court shall issue an order requiring the obligor, if able to 32901
engage in employment, to seek employment or participate in a work 32902
activity to which a recipient of assistance under Title IV-A of 32903
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 32904
as amended, may be assigned as specified in section 407(d) of the 32905
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 32906
shall include in the order a requirement that the obligor notify 32907
the child support enforcement agency on obtaining employment, 32908
obtaining any income, or obtaining ownership of any asset with a 32909
value of five hundred dollars or more. The court may issue the 32910
order regardless of whether the obligee to whom the obligor owes 32911
support is a recipient of assistance under Title IV-A of the 32912
"Social Security Act." The court shall issue the order as part of 32913
a court support order or, if a court support order has previously 32914
been issued, as a separate order. If a child support enforcement 32915
agency is required to issue a withholding or deduction notice 32916
under this section with respect to a court support order but 32917
determines that no withholding or deduction notice would be 32918
appropriate, the agency may request that the court issue a court 32919
order under division (D)(1) of this section, and, on the request, 32920
the court may issue the order. 32921

(2) If the obligor under an administrative child support 32922
order is unemployed, has no income, and does not have an account 32923
at any financial institution, the agency shall issue an 32924
administrative order requiring the obligor, if able to engage in 32925
employment, to seek employment or participate in a work activity 32926
to which a recipient of assistance under Title IV-A of the "Social 32927
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 32928
may be assigned as specified in section 407(d) of the "Social 32929
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 32930
include in the order a requirement that the obligor notify the 32931
agency on obtaining employment or income, or ownership of any 32932
asset with a value of five hundred dollars or more. The agency may 32933

issue the order regardless of whether the obligee to whom the 32934
obligor owes support is a recipient of assistance under Title IV-A 32935
of the "Social Security Act." If an obligor fails to comply with 32936
an administrative order issued pursuant to division (D)(2) of this 32937
section, the agency shall submit a request to a court for the 32938
court to issue an order under division (D)(1) of this section. 32939

Sec. 3121.035. Within fifteen days after an obligor under a 32940
support order is located following issuance or modification of the 32941
support order, the court or child support enforcement agency that 32942
issued or modified the support order, or the agency, pursuant to 32943
an agreement with the court with respect to a court support order, 32944
shall do either of the following: 32945

(A) If a withholding or deduction notice described in section 32946
3121.03 of the Revised Code is appropriate, send the notice by 32947
regular mail or via secure federally managed data transmission 32948
interface to each person required to comply with it; 32949

reported under this section caused a school district to receive 33854
excess state funds in any fiscal year, the district shall 33855
reimburse the department an amount equal to the excess funds, in 33856
accordance with a payment schedule determined by the department. 33857

receiving state, the school shall enroll and appropriately place 34409
the student based on the information provided in the unofficial 34410
records pending validation by the official records, as quickly as 34411
possible. 34412

with the enrollment and conditional placement of the student, the 34414
school in the receiving state shall request the student's official 34415
education record from the school in the sending state. Upon 34416

placement in academically and career challenging courses should be 34452
paramount when considering placement. This does not preclude the 34453
school in the receiving state from performing subsequent 34454

enrollment of the student in the courses. 34456

limited to: 1) gifted and talented programs; and 2) English as a 34462
second language. This does not preclude the school in the 34463
receiving state from performing subsequent evaluations to ensure 34464
appropriate placement of the student. 34465

federal requirements of the Individuals with Disabilities 34467
Education Act (IDEA), 20 U.S.C. 1400 et seq., the receiving state 34468
shall initially provide comparable services to a student with 34469
disabilities based on the student's current individualized 34470
education program (IEP); and 2) in compliance with the 34471

requirements of Section 504 of the Rehabilitation Act, 29 U.S.C. 34472
794, and with Title II of the Americans with Disabilities Act, 42 34473
U.S.C. 12131 to 12165, the receiving state shall make reasonable 34474
accommodations and modifications to address the needs of incoming 34475
students with disabilities, subject to an existing Section 504 or 34476
Title II Plan, to provide the student with equal access to 34477
education. This does not preclude the school in the receiving 34478
state from performing subsequent evaluations to ensure appropriate 34479
placement of the student. 34480

D. Placement flexibility - Local education agency 34481
administrative officials shall have flexibility in waiving course 34482
or program prerequisites, or other preconditions for placement in 34483
courses or programs offered under the jurisdiction of the local 34484
education agency. 34485

E. Absence as related to deployment activities - A student 34486
whose parent or legal guardian is an active duty member of the 34487
uniformed services, as defined by the compact, and has been called 34488
to duty for, is on leave from, or immediately returned from 34489
deployment to a combat zone or combat support posting, shall be 34490
granted additional excused absences at the discretion of the local 34491
education agency superintendent to visit with the student's parent 34492
or legal guardian relative to such leave or deployment of the 34493
parent or guardian. 34494

ARTICLE VI. ELIGIBILITY 34495

A. Eligibility for enrollment 34496

1. A special power of attorney, relative to the guardianship 34497
of a child of a military family and executed under applicable law 34498
shall be sufficient for the purposes of enrollment and all other 34499
actions requiring parental participation and consent. 34500

2. A local education agency shall be prohibited from charging 34501
local tuition to a transitioning military child placed in the care 34502

of a noncustodial parent or other person standing in loco parentis 34503
who lives in a jurisdiction other than that of the custodial 34504
parent. 34505

3. A transitioning military child, placed in the care of a 34506
noncustodial parent or other person standing in loco parentis who 34507
lives in a jurisdiction other than that of the custodial parent, 34508
may continue to attend the school in which the child was enrolled 34509
while residing with the custodial parent. 34510

B. Eligibility for extracurricular participation - State and 34511
local education agencies shall facilitate the opportunity for 34512
transitioning military children's inclusion in extracurricular 34513
activities, regardless of application deadlines, to the extent 34514
they are otherwise qualified. 34515

ARTICLE VII. GRADUATION 34516

In order to facilitate the on-time graduation of children of 34517
military families states and local education agencies shall 34518
incorporate the following procedures: 34519

A. Waiver requirements - Local education agency 34520
administrative officials shall waive specific courses required for 34521
graduation if similar coursework has been satisfactorily completed 34522
in another local education agency or shall provide reasonable 34523
justification for denial. Should a waiver not be granted to a 34524
student who would qualify to graduate from the sending school, the 34525
local education agency shall provide an alternative means of 34526
acquiring required coursework so that graduation may occur on 34527
time. 34528

B. Exit exams - States shall accept: 1) exit or end-of-course 34529
exams required for graduation from the sending state; or 2) 34530
national norm-referenced achievement tests; or 3) alternative 34531
testing, in lieu of testing requirements for graduation in the 34532
receiving state. In the event the above alternatives cannot be 34533

accommodated by the receiving state for a student transferring in 34534
his or her Senior year, then the provisions of Article VII, 34535
Section C shall apply. 34536

C. Transfers during Senior year - Should a military student 34537
transferring at the beginning or during the student's Senior year 34538
be ineligible to graduate from the receiving local education 34539
agency after all alternatives have been considered, the sending 34540
and receiving local education agencies shall ensure the receipt of 34541
a diploma from the sending local education agency, if the student 34542
meets the graduation requirements of the sending local education 34543
agency. In the event that one of the states in question is not a 34544
member of this compact, the member state shall use best efforts to 34545
facilitate the on-time graduation of the student in accordance 34546
with Sections A and B of this Article. 34547

ARTICLE VIII. STATE COORDINATION 34548

A. Each member state shall, through the creation of a state 34549
council or use of an existing body or board, provide for the 34550
coordination among its agencies of government, local education 34551
agencies and military installations concerning the state's 34552
participation in, and compliance with, this compact and Interstate 34553
Commission activities. While each member state may determine the 34554

misconduct of such person. 34830

2. The Interstate Commission shall defend the executive 34831

the foregoing, in the event the Interstate Commission exercises 34861
its rulemaking authority in a manner that is beyond the scope of 34862
the purposes of this act, or the powers granted hereunder, then 34863
such an action by the Interstate Commission shall be invalid and 34864
have no force or effect. 34865

B. Rulemaking Procedure - Rules shall be made pursuant to a 34866
rulemaking process that substantially conforms to the "Model State 34867
Administrative Procedure Act," of 1981 Act, Uniform Laws 34868
Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate 34869
to the operations of the Interstate Commission. 34870

C. Not later than thirty days after a rule is promulgated, 34871
any person may file a petition for judicial review of the rule; 34872

provided, that the filing of such a petition shall not stay or 34873
otherwise prevent the rule from becoming effective unless the 34874
court finds that the petitioner has a substantial likelihood of 34875
success. The court shall give deference to the actions of the 34876
Interstate Commission consistent with applicable law and shall not 34877
find the rule to be unlawful if the rule represents a reasonable 34878
exercise of the Interstate Commission's authority. 34879

D. If a majority of the legislatures of the compacting states 34880
rejects a rule by enactment of a statute or resolution in the same 34881
manner used to adopt the compact, then such rule shall have no 34882
further force and effect in any compacting state. 34883

ARTICLE XIII. OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION 34884

A. Oversight 34885

1. The executive, legislative, and judicial branches of state 34886

the rules in any judicial or administrative proceeding in a member 34893
state pertaining to the subject matter of this compact which may 34894
affect the powers, responsibilities or actions of the Interstate 34895
Commission. 34896

3. The Interstate Commission shall be entitled to receive all 34897
service of process in any such proceeding, and shall have standing 34898
to intervene in the proceeding for all purposes. Failure to 34899

render a judgment or order void as to the Interstate Commission, 34901
this compact or promulgated rules. 34902

B. Default, Technical Assistance, Suspension, and Termination 34903

- If the Interstate Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact, or the bylaws or promulgated rules, the Interstate Commission shall: 34904

34910
34911
34912

2. Provide remedial training and specific technical assistance regarding the default. 34913

If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the member states and all rights, privileges and benefits conferred by this compact shall be terminated from the effective date of termination. 34916
34917
34918
34919
34920
34921

Notice of intent to suspend or terminate shall be given by the Interstate Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states. 34922
34923
34924
34925
34926
34927

5. The state which has been suspended or terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of suspension or termination including obligations, the performance of which extends beyond the effective date of suspension or termination. 34928
34929
34930
34931
34932

6. The Interstate Commission shall not bear any costs relating to any state that has been found to be in default or 34933
34934

which has been suspended or terminated from the compact, unless 34935
otherwise mutually agreed upon in writing between the Interstate 34936
Commission and the defaulting state. 34937

7. The defaulting state may appeal the action of the 34938
Interstate Commission by petitioning the United States District 34939

providing for both mediation and binding dispute resolution for 34950

its discretion, shall enforce the provisions and rules of this 34954
compact. 34955

members, initiate legal action in the United States District Court 34957

3. The remedies herein shall not be the exclusive remedies of 34967
the Interstate Commission. The Interstate Commission may avail 34968
itself of any other remedies available under state law or the 34969
regulation of a profession. 34970

ARTICLE XIV. FINANCING OF THE INTERSTATE COMMISSION 34971

operations and activities of the Interstate Commission and its 34977
staff which must be in a total amount sufficient to cover the 34978
Interstate Commission's annual budget as approved each year. The 34979
aggregate annual assessment amount shall be allocated based upon a 34980
formula to be determined by the Interstate Commission, which shall 34981
promulgate a rule binding upon all member states. 34982

C. The Interstate Commission shall not incur obligations of 34983
any kind prior to securing the funds adequate to meet the same; 34984
nor shall the Interstate Commission pledge the credit of any of 34985
the member states, except by and with the authority of the member 34986

revoke the registration of any school or entity if, after a 36120
hearing, the superintendent determines that the school or entity 36121
is in violation of any provision of section 3310.58 of the Revised 36122

special education program operated by an alternative public 36137
provider or a registered private provider. 36138

Sec. 3310.62. (A) A scholarship under the special education 36139

entitled to attend school, or by the child's school district of 36144
residence if different, or while any administrative or judicial 36145

mediation or proceedings with respect to the content of that 36146
individualized education program are pending. 36147

(B) Development of individualized education programs 36148

the child, of administrative proceedings regarding the services 36168
provided by the district does not affect the applicant's and the 36169
child's continued eligibility for scholarship payments. 36170

(D) The department of education shall continue to make 36171

If the child has not been assigned a code, because the child will be entering kindergarten during the school year for which the scholarship is sought, the district shall assign a code to that child and submit the code to the department or applicant by a date specified by the department. 36194
36195
36196
36197
36198
36199

procedures necessary to implement sections 3310.51 to 3310.62 of 36220
the Revised Code including, but not limited to, procedures for 36221
parents to apply for scholarships, standards for registered 36222
private providers, and procedures for registration of private 36223
providers. 36224

Sec. 3311.059. The procedure prescribed in this section may 36225
be used in lieu of a transfer prescribed under section 3311.231 of 36226
the Revised Code. 36227

(A) Subject to divisions (B) and (C) of this section, a board 36228
of education of a local school district may by a resolution 36229
approved by a majority of all its members propose to sever that 36230
local school district from the territory of the educational 36231
service center in which the local school district is currently 36232
included and to instead annex the local school district to the 36233
territory of another educational service center, the current 36234
territory of which is adjacent to the territory of the educational 36235
service center in which the local school district is currently 36236

included. The resolution shall promptly be filed with the 36237
governing board of each educational service center affected by the 36238
resolution and with the superintendent of public instruction. 36239

(B) The resolution adopted under division (A) of this section 36240
shall not be effective unless it is approved by the state board of 36241
education. In deciding whether to approve the resolution, the 36242
state board shall consider the ~~impact~~ financial, staffing, 36243
programmatic, and other impacts of ~~an~~ the severance and annexation 36244
on ~~both~~ the school district ~~and,~~ the educational service center to 36245
which the district is proposed to be annexed, and the service 36246
center in which the district is currently located, including the 36247
effect on cost of operation and the ability of ~~that~~ both service 36248
~~center~~ centers to continue to deliver services in a cost-effective 36249
and efficient manner. ~~The~~ The state board shall not vote on 36250
whether to approve the resolution until it has been presented on 36251
its agenda, which is not a consent agenda, and heard before the 36252
state board at not fewer than two separate meetings of the state 36253
board. There shall be at least thirty days between the meeting at 36254
which the state board first hears the matter of the resolution and 36255
the meeting at which the state board votes on whether to approve 36256
the resolution. The state board shall provide for public testimony 36257
at each hearing on the matter of the resolution, shall provide 36258
written prior notice of each hearing to the governing board of 36259
both educational service centers affected by the proposed action, 36260
and shall attach to that written notice any documentation about 36261
the proposed action provided to the state board by the board of 36262
education of the local school district. 36263

The severance of the local school district from one 36265
educational service center and its annexation to another 36266
educational service center under this section shall not be 36267
effective until one year after the first day of July following the 36268

later of the date that the state board of education approves the 36269
resolution or the date the board of elections certifies the 36270
results of the referendum election as provided in division (C) of 36271
this section. 36272

(C) Within sixty days following the date of the adoption of 36273
the resolution under division (A) of this section, the electors of 36274
the local school district may petition for a referendum vote on 36275
the resolution. The question whether to approve or disapprove the 36276
resolution shall be submitted to the electors of such school 36277
district if a number of qualified electors equal to twenty per 36278
cent of the number of electors in the school district who voted 36279
for the office of governor at the most recent general election for 36280
that office sign a petition asking that the question of whether 36281
the resolution shall be disapproved be submitted to the electors. 36282
The petition shall be filed with the board of elections of the 36283
county in which the school district is located. If the school 36284
district is located in more than one county, the petition shall be 36285
filed with the board of elections of the county in which the 36286
majority of the territory of the school district is located. The 36287
board shall certify the validity and sufficiency of the signatures 36288
on the petition. 36289

The board of elections shall immediately notify the board of 36290
education of the local school district and the governing board of 36291
each educational service center affected by the resolution that 36292
the petition has been filed. 36293

The effect of the resolution shall be stayed until the board 36294
of elections certifies the validity and sufficiency of the 36295
signatures on the petition. If the board of elections determines 36296
that the petition does not contain a sufficient number of valid 36297
signatures and sixty days have passed since the adoption of the 36298
resolution, the resolution shall become effective as provided in 36299
division (B) of this section. 36300

If the board of elections certifies that the petition 36301
contains a sufficient number of valid signatures, the board shall 36302
submit the question to the qualified electors of the school 36303
district on the day of the next general or primary election held 36304
at least seventy-five days after the board of elections certifies 36305
the validity and sufficiency of signatures on the petition. The 36306
election shall be conducted and canvassed and the results shall be 36307
certified in the same manner as in regular elections for the 36308
election of members of a board of education. 36309

If a majority of the electors voting on the question 36310
disapprove the resolution, the resolution shall not become 36311
effective. If a majority of the electors voting on the question 36312
approve the resolution, the resolution shall become effective as 36313
provided in division (B) of this section. 36314

(D) Upon the effective date of the severance of the local 36315
school district from one educational service center and its 36316
annexation to another educational service center as provided in 36317
division (B) of this section, the governing board of each 36318
educational service center shall take such steps for the election 36319
of members of the governing board and for organization of the 36320
governing board as prescribed in Chapter 3313. of the Revised 36321
Code. 36322

(E) If a school district is severed from one educational 36323
service center and annexed to another service center under this 36324
section, the board of education of that school district shall not 36325
propose a subsequent severance and annexation action under this 36326
section that would be effective sooner than five years after the 36327
effective date of the next previous severance and annexation 36328
action under this section. 36329

Sec. 3311.0510. (A) If all of the local school districts that 36330
make up the territory of an educational service center have 36331

severed from the territory of that service center pursuant to 36332
section 3311.059 of the Revised Code, upon the effective date of 36333
the severance of the last remaining local school district to make 36334
up the territory of the service center, the governing board of 36335
that service center shall be abolished and such service center 36336
shall be dissolved by order of the superintendent of public 36337
instruction. The superintendent's order shall provide for the 36338
equitable division and disposition of the assets, property, debts, 36339
and obligations of the service center among the local school 36340
districts, of which the territory of the service center is or 36341
previously was made up, and the city and exempted village school 36342
districts with which the service center had agreements under 36343
section 3313.843 of the Revised Code for the service center's last 36344
fiscal year of operation. The superintendent's order shall provide 36345
that the tax duplicate of each of those school districts shall be 36346
bound for and assume the district's equitable share of the 36347
outstanding indebtedness of the service center. The 36348
superintendent's order is final and is not appealable. 36349

Immediately upon the abolishment of the service center 36350
governing board pursuant to this section, the superintendent of 36351
public instruction shall appoint a qualified individual to 36352
administer the dissolution of the service center and to implement 36353
the terms of the superintendent's dissolution order. Prior to 36354
distributing assets to any school district under this section, but 36355
after paying in full other debts and obligations of the service 36356
center, the superintendent of public instruction may assess 36357
against the remaining assets of the service center the amount of 36358
the costs incurred by the department of education in performing 36359
the superintendent's duties under this division, including the 36360
fees, if any, owed to the individual appointed to administer the 36361
superintendent's dissolution order. Any excess cost incurred by 36362
the department under this division shall be divided equitably 36363

among the local school districts, of which the territory of the 36364
service center is or previously was made up, and the city and 36365
exempted village school districts with which the service center 36366
had agreements under section 3313.843 of the Revised Code for the 36367
service center's last fiscal year of operation. Each district's 36368
share of that excess cost shall be bound against the tax duplicate 36369
of that district. 36370

(B) A final audit of the former service center shall be 36371
performed in accordance with procedures established by the auditor 36372
of state. 36373

(C) The public records of an educational service center that 36374
is dissolved under this section shall be transferred in accordance 36375
with this division. Public records maintained by the service 36376
center in connection with services provided by the service center 36377
to local school districts shall be transferred to each of the 36378
respective local school districts. Public records maintained by 36379
the service center in connection with services provided under an 36380
agreement with a city or exempted village school district pursuant 36381
to section 3313.843 of the Revised Code shall be transferred to 36382
each of the respective city or exempted village school districts. 36383
All other public records maintained by the service center at the 36384
time the service center ceases operations shall be transferred to 36385

The board or governing authority shall examine the environmental conditions and operations of each building to determine potential hazards to student and staff safety and shall propose operating changes to promote the prevention of potentially dangerous problems and circumstances. In developing the plan for each building, the board or governing authority shall involve community law enforcement and safety officials, parents of students who are assigned to the building, and teachers and nonteaching employees who are assigned to the building. The board or governing authority shall consider incorporating remediation strategies into the plan for any building where documented safety problems have occurred.

The board or governing authority shall incorporate into the 36582
plan both of the following: 36583

Each protocol shall include procedures deemed appropriate by 36589
the board or governing authority for responding to threats and 36590
emergency events, respectively, including such things as 36591
notification of appropriate law enforcement personnel, calling 36592
upon specified emergency response personnel for assistance, and 36593
informing parents of affected students. Prior to the opening day 36594
of each school year, the board or governing authority shall inform 36595
each student enrolled in the school and the student's parent of 36596
the parental notification procedures included in the protocol. 36597

(B) The board or governing authority shall update the safety 36598
plan at least once every three years and whenever a major 36599
modification to the building requires changes in the procedures 36600
outlined in the plan. 36601

(C) The board or governing authority shall file a copy of the 36602
current safety plan and building blueprint with each law 36603
enforcement agency that has jurisdiction over the school building 36604
and, upon request, the fire department that serves the political 36605
subdivision in which the school building is located. The board or 36606
governing authority also shall file a copy of the current safety 36607
plan and a floor plan of the building, but not a building 36608

board or governing authority shall file copies of the revised 36616
safety plan, building blueprint, or floor plan in the manner 36617
described in this division not later than the ninety-first day 36618
after the revision is adopted. 36619

Copies of the safety plan and building blueprint are not a 36620
public record pursuant to section 149.433 of the Revised Code. 36621

Notwithstanding section 149.433 of the Revised Code, a 36622
building floor plan filed with the attorney general pursuant to 36623
this division is not a public record to the extent it is a record 36624
kept by the attorney general. This paragraph does not affect the 36625
status of a floor plan kept as a record by another public office. 36626

The board or governing authority, each law enforcement agency 36627
and fire department to which copies of the safety plan and 36628
building blueprint are provided, and the attorney general shall 36629
keep the copies in a secure place. 36630

(D) The board or governing authority shall grant access to 36631
each school building under its control to law enforcement 36632
personnel to enable the personnel to hold training sessions for 36633
responding to threats and emergency events affecting the building, 36634
provided that the access occurs outside of student instructional 36635
hours and an employee of the board or governing authority is 36636
present in the building during the training sessions. 36637

section 3301.079 of the Revised Code, into one or more existing	36837
social studies credits required under division (C)(6) of this	36838
section, or into the content of another class, so that every high	36839
school student receives instruction in those concepts. In	36840
developing the curriculum required by this paragraph, schools	36841
shall use available public-private partnerships and resources and	36842
materials that exist in business, industry, and through the	36843
centers for economics education at institutions of higher	36844
education in the state.	36845
(7) Five units consisting of one or any combination of	36846
foreign language, fine arts, business, career-technical education,	36847
family and consumer sciences, technology, agricultural education,	36848
or English language arts, mathematics, science, or social studies	36849
courses not otherwise required under division (C) of this section.	36850
Ohioans must be prepared to apply increased knowledge and	36851
skills in the workplace and to adapt their knowledge and skills	36852
quickly to meet the rapidly changing conditions of the	36853

twenty-first century. National studies indicate that all high school graduates need the same academic foundation, regardless of the opportunities they pursue after graduation. The goal of Ohio's system of elementary and secondary education is to prepare all students for and seamlessly connect all students to success in life beyond high school graduation, regardless of whether the next step is entering the workforce, beginning an apprenticeship, engaging in post-secondary training, serving in the military, or pursuing a college degree.

The Ohio core curriculum is the standard expectation for all students entering ninth grade for the first time at a public or chartered nonpublic high school on or after July 1, 2010. A student may satisfy this expectation through a variety of methods, including, but not limited to, integrated, applied, career-technical, and traditional coursework.

Whereas teacher quality is essential for student success in completing the Ohio core curriculum, the general assembly shall appropriate funds for strategic initiatives designed to strengthen schools' capacities to hire and retain highly qualified teachers in the subject areas required by the curriculum. Such initiatives are expected to require an investment of \$120,000,000 over five years.

Stronger coordination between high schools and institutions of higher education is necessary to prepare students for more challenging academic endeavors and to lessen the need for academic remediation in college, thereby reducing the costs of higher education for Ohio's students, families, and the state. The state board of education, the Ohio board of regents, and the partnership for continued learning shall develop policies to ensure that only in rare instances will students who complete the Ohio core curriculum require academic remediation after high school.

School districts, community schools, and chartered nonpublic

schools shall integrate technology into learning experiences 36886
whenever practicable across the curriculum in order to maximize 36887
efficiency, enhance learning, and prepare students for success in 36888
the technology-driven twenty-first century. Districts and schools 36889
may use distance and web-based course delivery as a method of 36890
providing or augmenting all instruction required under this 36891
division, including laboratory experience in science. Districts 36892
and schools shall whenever practicable utilize technology access 36893
and electronic learning opportunities provided by the eTech Ohio 36894
commission, the Ohio learning network, education technology 36895
centers, public television stations, and other public and private 36896
providers. 36897

(D) Except as provided in division (E) of this section, a 36898
student who enters ninth grade on or after July 1, 2010, and 36899
before July 1, 2014, may qualify for graduation from a public or 36900
chartered nonpublic high school even though the student has not 36901
completed the Ohio core curriculum prescribed in division (C) of 36902
this section if all of the following conditions are satisfied: 36903

(1) After the student has attended high school for two years, 36904
as determined by the school, the student and the student's parent, 36905
guardian, or custodian sign and file with the school a written 36906
statement asserting the parent's, guardian's, or custodian's 36907
consent to the student's graduating without completing the Ohio 36908
core curriculum and acknowledging that one consequence of not 36909
completing the Ohio core curriculum is ineligibility to enroll in 36910
most state universities in Ohio without further coursework. 36911

(2) The student and parent, guardian, or custodian fulfill 36912
any procedural requirements the school stipulates to ensure the 36913
student's and parent's, guardian's, or custodian's informed 36914
consent and to facilitate orderly filing of statements under 36915
division (D)(1) of this section. 36916

(3) The student and the student's parent, guardian, or 36917

custodian and a representative of the student's high school 36918
jointly develop an individual career plan for the student that 36919
specifies the student matriculating to a two-year degree program, 36920
acquiring a business and industry credential, or entering an 36921
apprenticeship. 36922

(4) The student's high school provides counseling and support 36923
for the student related to the plan developed under division 36924
(D)(3) of this section during the remainder of the student's high 36925
school experience. 36926

(5) The student successfully completes, at a minimum, the 36927
curriculum prescribed in division (B) of this section. 36928

The partnership for continued learning, in collaboration with 36929
the department of education and the Ohio board of regents, shall 36930
analyze student performance data to determine if there are 36931
mitigating factors that warrant extending the exception permitted 36932
by division (D) of this section to high school classes beyond 36933
those entering ninth grade before July 1, 2014. The partnership 36934
shall submit its findings and any recommendations not later than 36935
August 1, 2014, to the speaker and minority leader of the house of 36936
representatives, the president and minority leader of the senate, 36937
the chairpersons and ranking minority members of the standing 36938
committees of the house of representatives and the senate that 36939
consider education legislation, the state board of education, and 36940
the superintendent of public instruction. 36941

(E) Each school district and chartered nonpublic school 36942
retains the authority to require an even more rigorous minimum 36943
curriculum for high school graduation than specified in division 36944
(B) or (C) of this section. A school district board of education, 36945
through the adoption of a resolution, or the governing authority 36946
of a chartered nonpublic school may stipulate any of the 36947
following: 36948

(1) A minimum high school curriculum that requires more than 36949
twenty units of academic credit to graduate; 36950

(2) An exception to the district's or school's minimum high 36951
school curriculum that is comparable to the exception provided in 36952
division (D) of this section but with additional requirements, 36953
which may include a requirement that the student successfully 36954
complete more than the minimum curriculum prescribed in division 36955
(B) of this section; 36956

(3) That no exception comparable to that provided in division 36957
(D) of this section is available. 36958

(F) A student enrolled in a dropout prevention and recovery 36959
program, which program has received a waiver from the department 36960
of education, may qualify for graduation from high school by 36961
successfully completing a competency-based instructional program 36962
administered by the dropout prevention and recovery program in 36963
lieu of completing the Ohio core curriculum prescribed in division 36964
(C) of this section. The department shall grant a waiver to a 36965
dropout prevention and recovery program, within sixty days after 36966
the program applies for the waiver, if the program meets all of 36967
the following conditions: 36968

(1) The program serves only students not younger than sixteen 36969
years of age and not older than twenty-one years of age. 36970

(2) The program enrolls students who, at the time of their 36971
initial enrollment, either, or both, are at least one grade level 36972
behind their cohort age groups or experience crises that 36973
significantly interfere with their academic progress such that 36974
they are prevented from continuing their traditional programs. 36975

(3) The program requires students to attain at least the 36976
applicable score designated for each of the tests prescribed under 36977
division (B) of section 3301.0710 of the Revised Code. 36978

(4) The program develops an individual career plan for the 36979

student that specifies the student's matriculating to a two-year 36980
degree program, acquiring a business and industry credential, or 36981
entering an apprenticeship. 36982

(5) The program provides counseling and support for the 36983
student related to the plan developed under division (F)(4) of 36984
this section during the remainder of the student's high school 36985
experience. 36986

(6) The program requires the student and the student's 36987
parent, guardian, or custodian to sign and file, in accordance 36988
with procedural requirements stipulated by the program, a written 36989
statement asserting the parent's, guardian's, or custodian's 36990
consent to the student's graduating without completing the Ohio 36991
core curriculum and acknowledging that one consequence of not 36992
completing the Ohio core curriculum is ineligibility to enroll in 36993
most state universities in Ohio without further coursework. 36994

(7) Prior to receiving the waiver, the program has submitted 36995
to the department an instructional plan that demonstrates how the 36996
academic content standards adopted by the state board of education 36997
under section 3301.079 of the Revised Code will be taught and 36998
assessed. 36999

If the department does not act either to grant the waiver or 37000
to reject the program application for the waiver within sixty days 37001
as required under this section, the waiver shall be considered to 37002
be granted. 37003

(G) Every high school may permit students below the ninth 37004
grade to take advanced work ~~for~~. If a high school so permits, it 37005
shall award high school credit. ~~A high school for successful~~ 37006
completion of the advanced work and shall count such advanced work 37007
toward the graduation requirements of division (B) or (C) of this 37008
section if the advanced work was both: 37009

(1) Taught by a person who possesses a license or certificate 37010

issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript.

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) Units earned in English language arts, mathematics, science, and social studies that are delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

(J) The state board of education, in consultation with the Ohio board of regents and the partnership for continued learning, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall

include a standard method for recording demonstrated proficiency 37042
on high school transcripts. Each school district, community 37043
school, and chartered nonpublic school shall comply with the state 37044
board's plan adopted under this division and award units of high 37045
school credit in accordance with the plan. The state board may 37046
adopt existing methods for earning high school credit based on a 37047
demonstration of subject area competency as necessary prior to the 37048
2009-2010 school year. 37049

(K) This division does not apply to students who qualify for 37050
graduation from high school under division (D) or (F) of this 37051
section, or to students pursuing a career-technical instructional 37052
track as determined by the school district board of education or 37053
the chartered nonpublic school's governing authority. 37054
Nevertheless, the general assembly encourages such students to 37055
consider enrolling in a fine arts course as an elective. 37056

Beginning with students who enter ninth grade for the first 37057
time on or after July 1, 2010, each student enrolled in a public 37058
or chartered nonpublic high school shall complete two semesters or 37059
the equivalent of fine arts to graduate from high school. The 37060
coursework may be completed in any of grades seven to twelve. Each 37061
student who completes a fine arts course in grade seven or eight 37062
may elect to count that course toward the five units of electives 37063
required for graduation under division (C)(7) of this section, if 37064
the course satisfied the requirements of division (G) of this 37065
section. In that case, the high school shall award the student 37066
high school credit for the course and count the course toward the 37067
five units required under division (C)(7) of this section. If the 37068
course in grade seven or eight did not satisfy the requirements of 37069
division (G) of this section, the high school shall not award the 37070
student high school credit for the course but shall count the 37071
course toward the two semesters or the equivalent of fine arts 37072
required by this division. 37073

(L) Notwithstanding anything to the contrary in this section, 37074
the board of education of each school district and the governing 37075
authority of each chartered nonpublic school may adopt a policy to 37076
excuse from the high school physical education requirement each 37077
student who, during high school, has participated in 37078
interscholastic athletics, marching band, or cheerleading for at 37079
least two full seasons. If the board or authority adopts such a 37080
policy, the board or authority shall not require the student to 37081
complete any physical education course as a condition to graduate. 37082
However, the student shall be required to complete one-half unit, 37083
consisting of at least sixty hours of instruction, in another 37084
course of study. 37085

educational services at the home in which the child resides 37250
pursuant to a contract between the home and the school district 37251
providing those services, and does not receive special education. 37252

In the case of a child to which division (C)(4) of this 37253
section applies, the total educational cost to be paid for the 37254
child shall be determined by a formula approved by the department 37255
of education, which formula shall be designed to calculate a per 37256

diem cost for the educational services provided to the child for 37257
each day the child is served and shall reflect the total actual 37258
cost incurred in providing those services. The department shall 37259
certify the total educational cost to be paid for the child to 37260
both the school district providing the educational services and, 37261
if different, the school district that is responsible to pay 37262
tuition for the child. The department shall deduct the certified 37263
amount from the state basic aid funds payable under Chapter 3317. 37264
of the Revised Code to the district responsible to pay tuition and 37265
shall pay that amount to the district providing the educational 37266
services to the child. 37267

(D) Tuition required to be paid under divisions (C)(2) and 37268
(3)(a) of this section shall be computed in accordance with 37269
section 3317.08 of the Revised Code. Tuition required to be paid 37270
under division (C)(3)(b) of this section shall be computed in 37271
accordance with section 3317.081 of the Revised Code. If a home 37272
fails to pay the tuition required by division (C)(3)(b) of this 37273
section, the board of education providing the education may 37274
recover in a civil action the tuition and the expenses incurred in 37275
prosecuting the action, including court costs and reasonable 37276
attorney's fees. If the prosecuting attorney or city director of 37277
law represents the board in such action, costs and reasonable 37278
attorney's fees awarded by the court, based upon the prosecuting 37279
attorney's, director's, or one of their designee's time spent 37280
preparing and presenting the case, shall be deposited in the 37281

a shelter for victims of domestic violence, as defined in section 37387

the district in which the child is with the child's parent, and no 37389
other school district shall be required to pay tuition for the 37390
child's attendance in that school district. 37391

The enrollment of a child in a school district under this 37392
division shall not be denied due to a delay in the school 37393

Any days of attendance and any credits earned by a child while 37396

in the district in which the child attended school at the time of 37405
the parental move for the remainder of the school year and for one 37406
additional semester or equivalent term. A district board may also 37407
adopt a policy specifying extenuating circumstances under which a 37408
student may continue to attend school under division (F)(10) of 37409
this section for an additional period of time in order to 37410
successfully complete the high school curriculum for the 37411

high school pursuant to section 3323.08 of the Revised Code. 37413

grandparent, and does not require special education is entitled to 37417
attend the schools of the district in which the child's 37418
grandparent resides, provided that, prior to such attendance in 37419
any school year, the board of education of the school district in 37420
which the child's grandparent resides and the board of education 37421
of the school district in which the child's parent resides enter 37422
into a written agreement specifying that good cause exists for 37423
such attendance, describing the nature of this good cause, and 37424
consenting to such attendance. 37425

In lieu of a consent form signed by a parent, a board of 37426
education may request the grandparent of a child attending school 37427
in the district in which the grandparent resides pursuant to 37428
division (F)(11) of this section to complete any consent form 37429
required by the district, including any authorization required by 37430
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 37431
Code. Upon request, the grandparent shall complete any consent 37432
form required by the district. A school district shall not incur 37433
any liability solely because of its receipt of a consent form from 37434
a grandparent in lieu of a parent. 37435

Division (F)(11) of this section does not create, and shall 37436
not be construed as creating, a new cause of action or substantive 37437
legal right against a school district, a member of a board of 37438
education, or an employee of a school district. This section does 37439
not affect, and shall not be construed as affecting, any 37440
immunities from defenses to tort liability created or recognized 37441
by Chapter 2744. of the Revised Code for a school district, 37442
member, or employee. 37443

(12) A child under the age of twenty-two years is entitled to 37444
attend school in a school district other than the district in 37445
which the child is entitled to attend school under division (B), 37446

(C), or (E) of this section provided that, prior to such 37447
attendance in any school year, both of the following occur: 37448

(a) The superintendent of the district in which the child is 37449
entitled to attend school under division (B), (C), or (E) of this 37450
section contacts the superintendent of another district for 37451
purposes of this division; 37452

(b) The superintendents of both districts enter into a 37453
written agreement that consents to the attendance and specifies 37454
that the purpose of such attendance is to protect the student's 37455
physical or mental well-being or to deal with other extenuating 37456
circumstances deemed appropriate by the superintendents. 37457

While an agreement is in effect under this division for a 37458
student who is not receiving special education under Chapter 3323. 37459
of the Revised Code and notwithstanding Chapter 3327. of the 37460
Revised Code, the board of education of neither school district 37461
involved in the agreement is required to provide transportation 37462
for the student to and from the school where the student attends. 37463

A student attending a school of a district pursuant to this 37464
division shall be allowed to participate in all student 37465
activities, including interscholastic athletics, at the school 37466
where the student is attending on the same basis as any student 37467
who has always attended the schools of that district while of 37468
compulsory school age. 37469

(13) All school districts shall comply with the 37470
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 37471
seq., for the education of homeless children. Each city, local, 37472
and exempted village school district shall comply with the 37473
requirements of that act governing the provision of a free, 37474
appropriate public education, including public preschool, to each 37475
homeless child. 37476

When a child loses permanent housing and becomes a homeless 37477

person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 37478
such a homeless person changes temporary living arrangements, the 37479
child's parent or guardian shall have the option of enrolling the 37480
child in either of the following: 37481

(a) The child's school of origin, as defined in 42 U.S.C.A. 37482
11432(g)(3)(C); 37483

(b) The school that is operated by the school district in 37484
which the shelter where the child currently resides is located and 37485
that serves the geographic area in which the shelter is located. 37486

(14) A child under the age of twenty-two years who resides 37487
with a person other than the child's parent is entitled to attend 37488
school in the school district in which that person resides if both 37489
of the following apply: 37490

(a) That person has been appointed, through a military power 37491
of attorney executed under section 574(a) of the "National Defense 37492
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 37493
U.S.C. 1044b, or through a comparable document necessary to 37494
complete a family care plan, as the parent's agent for the care, 37495
custody, and control of the child while the parent is on active 37496
duty as a member of the national guard or a reserve unit of the 37497
armed forces of the United States or because the parent is a 37498
member of the armed forces of the United States and is on a duty 37499
assignment away from the parent's residence. 37500

(b) The military power of attorney or comparable document 37501
includes at least the authority to enroll the child in school. 37502

The entitlement to attend school in the district in which the 37503
parent's agent under the military power of attorney or comparable 37504
document resides applies until the end of the school year in which 37505
the military power of attorney or comparable document expires. 37506

(G) A board of education, after approving admission, may 37507
waive tuition for students who will temporarily reside in the 37508

district and who are either of the following: 37509

(1) Residents or domiciliaries of a foreign nation who 37510
request admission as foreign exchange students; 37511

(2) Residents or domiciliaries of the United States but not 37512
of Ohio who request admission as participants in an exchange 37513
program operated by a student exchange organization. 37514

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 37515
3327.04, and 3327.06 of the Revised Code, a child may attend 37516
school or participate in a special education program in a school 37517
district other than in the district where the child is entitled to 37518
attend school under division (B) of this section. 37519

(I)(1) Notwithstanding anything to the contrary in this 37520
section or section 3313.65 of the Revised Code, a child under 37521
twenty-two years of age may attend school in the school district 37522
in which the child, at the end of the first full week of October 37523
of the school year, was entitled to attend school as otherwise 37524
provided under this section or section 3313.65 of the Revised 37525
Code, if at that time the child was enrolled in the schools of the 37526
district but since that time the child or the child's parent has 37527
relocated to a new address located outside of that school district 37528
and within the same county as the child's or parent's address 37529
immediately prior to the relocation. The child may continue to 37530
attend school in the district, and at the school to which the 37531
child was assigned at the end of the first full week of October of 37532
the current school year, for the balance of the school year. 37533
Division (I)(1) of this section applies only if both of the 37534
following conditions are satisfied: 37535

(a) The board of education of the school district in which 37536
the child was entitled to attend school at the end of the first 37537

each of the two school districts. 37543

(2) At the beginning of the school year following the school 37544
year in which the child or the child's parent relocated outside of 37545
the school district as described in division (I)(1) of this 37546
section, the child is not entitled to attend school in the school 37547
district under that division. 37548

(3) Any person or entity owing tuition to the school district 37549
on behalf of the child at the end of the first full week in 37550
October, as provided in division (C) of this section, shall 37551
continue to owe such tuition to the district for the child's 37552
attendance under division (I)(1) of this section for the lesser of 37553
the balance of the school year or the balance of the time that the 37554
child attends school in the district under division (I)(1) of this 37555
section. 37556

(4) A pupil who may attend school in the district under 37557
division (I)(1) of this section shall be entitled to 37558
transportation services pursuant to an agreement between the 37559
district and the district in which the child or child's parent has 37560
relocated unless the districts have not entered into such 37561
agreement, in which case the child shall be entitled to 37562
transportation services in the same manner as a pupil attending 37563
school in the district under interdistrict open enrollment as 37564
described in division (H) of section 3313.981 of the Revised Code, 37565
regardless of whether the district has adopted an open enrollment 37566
policy as described in division (B)(1)(b) or (c) of section 37567
3313.98 of the Revised Code. 37568

(J) This division does not apply to a child receiving special 37569
education. 37570

A school district required to pay tuition pursuant to 37571
division (C)(2) or (3) of this section or section 3313.65 of the 37572
Revised Code shall have an amount deducted under division (F) of 37573
section 3317.023 of the Revised Code equal to its own tuition rate 37574
for the same period of attendance. A school district entitled to 37575
receive tuition pursuant to division (C)(2) or (3) of this section 37576
or section 3313.65 of the Revised Code shall have an amount 37577
credited under division (F) of section 3317.023 of the Revised 37578
Code equal to its own tuition rate for the same period of 37579
attendance. If the tuition rate credited to the district of 37580
attendance exceeds the rate deducted from the district required to 37581
pay tuition, the department of education shall pay the district of 37582
attendance the difference from amounts deducted from all 37583
districts' payments under division (F) of section 3317.023 of the 37584
Revised Code but not credited to other school districts under such 37585
division and from appropriations made for such purpose. The 37586
treasurer of each school district shall, by the fifteenth day of 37587
January and July, furnish the superintendent of public instruction 37588
a report of the names of each child who attended the district's 37589
schools under divisions (C)(2) and (3) of this section or section 37590
3313.65 of the Revised Code during the preceding six calendar 37591
months, the duration of the attendance of those children, the 37592
school district responsible for tuition on behalf of the child, 37593
and any other information that the superintendent requires. 37594

Upon receipt of the report the superintendent, pursuant to 37595
division (F) of section 3317.023 of the Revised Code, shall deduct 37596
each district's tuition obligations under divisions (C)(2) and (3) 37597
of this section or section 3313.65 of the Revised Code and pay to 37598
the district of attendance that amount plus any amount required to 37599
be paid by the state. 37600

(K) In the event of a disagreement, the superintendent of 37601
public instruction shall determine the school district in which 37602

the parent resides. 37603

(L) Nothing in this section requires or authorizes, or shall 37604
be construed to require or authorize, the admission to a public 37605
school in this state of a pupil who has been permanently excluded 37606
from public school attendance by the superintendent of public 37607
instruction pursuant to sections 3301.121 and 3313.662 of the 37608
Revised Code. 37609

(M) In accordance with division (B)(1) of this section, a 37610
child whose parent is a member of the national guard or a reserve 37611
unit of the armed forces of the United States and is called to 37612
active duty, or a child whose parent is a member of the armed 37613
forces of the United States and is ordered to a temporary duty 37614
assignment outside of the district, may continue to attend school 37615
in the district in which the child's parent lived before being 37616
called to active duty or ordered to a temporary duty assignment 37617
outside of the district, as long as the child's parent continues 37618
to be a resident of that district, and regardless of where the 37619
child lives as a result of the parent's active duty status or 37620
temporary duty assignment. However, the district is not 37621
responsible for providing transportation for the child if the 37622
child lives outside of the district as a result of the parent's 37623
active duty status or temporary duty assignment. 37624

Sec. 3313.642. (A) Except as provided in division (B) of this 37625
section and notwithstanding the provisions of sections 3313.48 and 37626
3313.64 of the Revised Code, the board of education of a city, 37627
exempted village, or local school district shall not be required 37628
to furnish, free of charge, to the pupils attending the public 37629
schools any materials used in a course of instruction with the 37630
exception of the necessary textbooks or electronic textbooks 37631
required to be furnished without charge pursuant to section 37632
3329.06 of the Revised Code. The board may, however, make 37633

provision by appropriations transferred from the general fund of 37634
the district or otherwise for furnishing free of charge any 37635

42 U.S.C. 1771, as amended, for any materials needed to enable the 37644
~~recipient~~ pupil to participate fully in a course of instruction. 37645
The prohibition in this division against charging a fee does not 37646
apply to any fee charged for any materials needed to enable a 37647
~~recipient~~ pupil to participate fully in extracurricular activities 37648
or in any pupil enrichment program that is not a course of 37649
instruction. 37650

(C) Boards of education may adopt rules and regulations 37651
prescribing a schedule of fees for materials used in a course of 37652
instruction and prescribing a schedule of charges which may be 37653
imposed upon pupils for the loss, damage, or destruction of school 37654
apparatus, equipment, musical instruments, library material, 37655
textbooks, or electronic textbooks required to be furnished 37656
without charge, and for damage to school buildings, and may 37657

education within ninety days after April 8, 2003, shall adopt in 39050
accordance with Chapter 119. of the Revised Code rules governing 39051
the payments to community schools under this section and section 39052

payments to community schools and corresponding deductions from 39055
school district accounts as provided under divisions (C) and (D) 39056
of this section and section 3314.13 of the Revised Code. For 39057
purposes of this section and section 3314.13 of the Revised Code: 39058

(1) A student shall be considered enrolled in the community 39059
school for any portion of the school year the student is 39060
participating at a college under Chapter 3365. of the Revised 39061
Code. 39062

(2) A student shall be considered to be enrolled in a 39063
community school during a school year for the period of time 39064
beginning on the later of the date on which the school both has 39065
received documentation of the student's enrollment from a parent 39066
and the student has commenced participation in learning 39067
opportunities as defined in the contract with the sponsor, or 39068
thirty days prior to the date on which the student is entered into 39069
the education management information system established under 39070
section 3301.0714 of the Revised Code. For purposes of applying 39071
this division and ~~division~~ divisions (L)(3) and (4) of this 39072
section to a community school student, "learning opportunities" 39073
shall be defined in the contract, which shall describe both 39074
classroom-based and non-classroom-based learning opportunities and 39075
shall be in compliance with criteria and documentation 39076
requirements for student participation which shall be established 39077
by the department. Any student's instruction time in 39078
non-classroom-based learning opportunities shall be certified by 39079

terminating enrollment of the student. 39084

(b) The community school is provided documentation of a 39085

student's enrollment in another public or private school. 39086

with the sponsor or the operation of any provision of this 39089
chapter. 39090

(3) The department shall determine each community school 39091
student's percentage of full-time equivalency based on the 39092
percentage of learning opportunities offered by the community 39093
school to that student, reported either as number of hours or 39094
number of days, is of the total learning opportunities offered by 39095
the community school to a student who attends for the school's 39096
entire school year. However, no internet- or computer-based 39097
community school shall be credited for any time a student spends 39098
participating in learning opportunities beyond ten hours within 39099
any period of twenty-four consecutive hours. Whether it reports 39100
hours or days of learning opportunities, each community school 39101
shall offer not less than nine hundred twenty hours of learning 39102
opportunities during the school year. 39103

(4) With respect to the calculation of full-time equivalency 39104
under division (L)(3) of this section, the department shall waive 39105
the number of hours or days of learning opportunities not offered 39106
to a student because the community school was closed during the 39107
school year due to disease epidemic, hazardous weather conditions, 39108
inoperability of school buses or other equipment necessary to the 39109
school's operation, damage to a school building, or other 39110
temporary circumstances due to utility failure rendering the 39111
school building unfit for school use, so long as the school was 39112
actually open for instruction with students in attendance during 39113
that school year for not less than the minimum number of hours 39114
required by this chapter. The department shall treat the school as 39115
if it were open for instruction with students in attendance during 39116
the hours or days waived under this division. 39117

(M) The department of education shall reduce the amounts paid 39118
under division (D) of this section to reflect payments made to 39119
colleges under division (B) of section 3365.07 of the Revised Code 39120
or through alternative funding agreements entered into under rules 39121
adopted under section 3365.12 of the Revised Code. 39122

(N)(1) No student shall be considered enrolled in any 39123
internet- or computer-based community school or, if applicable to 39124
the student, in any community school that is required to provide 39125
the student with a computer pursuant to division (C) of section 39126

conditions are satisfied: 39128

(a) The student possesses or has been provided with all 39129
required hardware and software materials and all such materials 39130
are operational so that the student is capable of fully 39131
participating in the learning opportunities specified in the 39132
contract between the school and the school's sponsor as required 39133
by division (A)(23) of section 3314.03 of the Revised Code; 39134

(b) The school is in compliance with division (A) of section 39135

superintendent of public instruction and the auditor of state, the 39138
department shall reduce the amounts otherwise payable under 39139
division (D) of this section to any community school that includes 39140
in its program the provision of computer hardware and software 39141
materials to any student, if such hardware and software materials 39142
have not been delivered, installed, and activated for each such 39143
student in a timely manner or other educational materials or 39144
services have not been provided according to the contract between 39145
the individual community school and its sponsor. 39146

The superintendent of public instruction and the auditor of 39147
state shall jointly establish a method for auditing any community 39148

school to which this division pertains to ensure compliance with 39149
this section. 39150

The superintendent, auditor of state, and the governor shall 39151
jointly make recommendations to the general assembly for 39152
legislative changes that may be required to assure fiscal and 39153
academic accountability for such schools. 39154

(O)(1) If the department determines that a review of a 39155
community school's enrollment is necessary, such review shall be 39156
completed and written notice of the findings shall be provided to 39157
the governing authority of the community school and its sponsor 39158
within ninety days of the end of the community school's fiscal 39159
year, unless extended for a period not to exceed thirty additional 39160
days for one of the following reasons: 39161

(a) The department and the community school mutually agree to 39162
the extension. 39163

(b) Delays in data submission caused by either a community 39164
school or its sponsor. 39165

(2) If the review results in a finding that additional 39166
funding is owed to the school, such payment shall be made within 39167
thirty days of the written notice. If the review results in a 39168
finding that the community school owes moneys to the state, the 39169
following procedure shall apply: 39170

(a) Within ten business days of the receipt of the notice of 39171
findings, the community school may appeal the department's 39172
determination to the state board of education or its designee. 39173

(b) The board or its designee shall conduct an informal 39174
hearing on the matter within thirty days of receipt of such an 39175
appeal and shall issue a decision within fifteen days of the 39176
conclusion of the hearing. 39177

(c) If the board has enlisted a designee to conduct the 39178

hearing, the designee shall certify its decision to the board. The 39179
board may accept the decision of the designee or may reject the 39180
decision of the designee and issue its own decision on the matter. 39181

(d) Any decision made by the board under this division is 39182
final. 39183

(3) If it is decided that the community school owes moneys to 39184
the state, the department shall deduct such amount from the 39185
school's future payments in accordance with guidelines issued by 39186
the superintendent of public instruction. 39187

~~(Q)~~(P) The department shall not subtract from a school 39188

of the tests required by that section and was not excused pursuant 39198
to division (C)(1) or (3) of that section, unless the 39199
superintendent of public instruction grants the student a waiver 39200
from the requirement to take the test and a parent is not paying 39201
tuition for the student pursuant to section 3314.26 of the Revised 39202
Code. The superintendent may grant a waiver only for good cause in 39203
accordance with rules adopted by the state board of education. 39204

(4) Any student who has attained the age of twenty-two years, 39205

armed forces and who apply for enrollment in a community school 39209

not later than four years after termination of war or their 39210

subtract from a school district's state aid account under division 39214
(C) of this section and shall not pay to a community school under 39215
division (D) of this section any amount for that veteran. 39216

Sec. 3314.085. (A) In each fiscal year beginning in fiscal 39217

occurred; 39242

(2) The difference between the amount the department 39243
determines the school was required to have spent for pupil 39244
instruction and the amount the department determines the school 39245
actually spent for pupil instruction. 39246

The department's methods of collecting the fine may include 39247
withholding state payments under this chapter in the current or 39248
subsequent fiscal year. 39249

The department may cancel a fine it has imposed under this 39250
section if the school submits a plan for coming into compliance 39251
with the requirements of this section that the department 39252
approves, and the school demonstrates to the department's 39253
satisfaction that it is implementing the plan. 39254

(D) The superintendent of public instruction shall adopt 39255

constructed within the district during its existence exceed the 39755
amount the state pays the school district under section 3317.022 39756

the school district's recognized valuation. The analysis shall be 39758

share match requirement for such funding. 39785

As used in division (A)(6) of this section, "project" has the 39786
same meaning as in section 5709.40 of the Revised Code. 39787

(7) The aggregate value of real property in the school 39788

numerator of which is the difference between (i) the amount of 39800
anticipated revenue such school district would have received for 39801
the preceding tax year if the real property exempted from taxation 39802
had not been exempted from taxation and (ii) the aggregate amount 39803
of payments in lieu of taxes on the exempt real property for the 39804
preceding tax year and other compensation received for the 39805
preceding tax year by the school district pursuant to any 39806

The scholarships deducted from the school district's account 40095
under section 3310.41 or 3310.55 of the Revised Code shall be 40096
considered to be an approved special education and related 40097
services expense for the purpose of the school district's 40098
compliance with division (C)(5) of this section. 40099

The department shall require school districts to report data 40100
annually to allow for monitoring compliance with division (C)(5) 40101
of this section. The department shall annually report to the 40102
governor and the general assembly the amount of money spent by 40103
each school district for special education and related services. 40104

(6) In any fiscal year, a school district shall spend for the 40105
provision of speech language pathology services not less than the 40106
sum of the amount calculated under division (C)(1) of this section 40107
for the students in the district's category one special education 40108

ADM and the amount calculated under division (C)(4) of this section. 40109
40110

The scholarships deducted from the school district's account under section 3310.55 of the Revised Code for students counted in the district's category one special education ADM shall be considered to be an approved speech language pathology services expense for the purpose of the school district's compliance with division (C)(6) of this section. 40111

40116

(D)(1) As used in this division: 40117

(a) "Daily bus miles per student" equals the number of bus miles traveled per day, divided by transportation base. 40118
40119

(b) "Transportation base" equals total student count as defined in section 3301.011 of the Revised Code, minus the number of students enrolled in units for preschool children with disabilities, plus the number of nonpublic school students included in transportation ADM. 40120
40121
40122
40123
40124

(c) "Transported student percentage" equals transportation ADM divided by transportation base. 40125
40126

(d) "Transportation cost per student" equals total operating costs for board-owned or contractor-operated school buses divided by transportation base. 40127
40128
40129

(2) Analysis of student transportation cost data has resulted in a finding that an average efficient transportation use cost per student can be calculated by means of a regression formula that has as its two independent variables the number of daily bus miles per student and the transported student percentage. For fiscal year 1998 transportation cost data, the average efficient transportation use cost per student is expressed as follows: 40130
40131
40132
40133
40134
40135
40136

51.79027 + (139.62626 X daily bus miles per student) +
(116.25573 X transported student percentage) 40137
40138

The department of education shall annually determine the average efficient transportation use cost per student in accordance with the principles stated in division (D)(2) of this section, updating the intercept and regression coefficients of the regression formula modeled in this division, based on an annual statewide analysis of each school district's daily bus miles per student, transported student percentage, and transportation cost per student data. The department shall conduct the annual update using data, including daily bus miles per student, transported student percentage, and transportation cost per student data, from the prior fiscal year. The department shall notify the office of budget and management of such update by the fifteenth day of February of each year.

(3) In addition to funds paid under divisions (A), (C), and (E) of this section, each district with a transported student percentage greater than zero shall receive a payment equal to a percentage of the product of the district's transportation base from the prior fiscal year times the annually updated average efficient transportation use cost per student, times an inflation factor of two and eight-tenths per cent to account for the one-year difference between the data used in updating the formula and calculating the payment and the year in which the payment is made. The percentage shall be the following percentage of that product specified for the corresponding fiscal year:

FISCAL YEAR	PERCENTAGE	
2000	52.5%	
2001	55%	
2002	57.5%	
2003 and thereafter	The greater of 60% or the district's state share percentage	

The payments made under division (D)(3) of this section each

year shall be calculated based on all of the same prior year's data used to update the formula. 40169
40170

(4) In addition to funds paid under divisions (D)(2) and (3) of this section, a school district shall receive a rough road subsidy if both of the following apply: 40171
40172
40173

(a) Its county rough road percentage is higher than the statewide rough road percentage, as those terms are defined in division (D)(5) of this section; 40174
40175
40176

(b) Its district student density is lower than the statewide student density, as those terms are defined in that division. 40177
40178

(5) The rough road subsidy paid to each district meeting the qualifications of division (D)(4) of this section shall be calculated in accordance with the following formula: 40179
40180
40181

(per rough mile subsidy X total rough road miles)
X density multiplier 40182
40183

where: 40184

(a) "Per rough mile subsidy" equals the amount calculated in accordance with the following formula: 40185
40186

$0.75 - \{0.75 \times [(\text{maximum rough road percentage} - \text{county rough road percentage}) / (\text{maximum rough road percentage} - \text{statewide rough road percentage})]\}$ 40187
40188
40189

(i) "Maximum rough road percentage" means the highest county rough road percentage in the state. 40190
40191

(ii) "County rough road percentage" equals the percentage of the mileage of state, municipal, county, and township roads that is rated by the department of transportation as type A, B, C, E2, or F in the county in which the school district is located or, if the district is located in more than one county, the county to which it is assigned for purposes of determining its cost-of-doing-business factor. 40192
40193
40194
40195
40196
40197
40198

(iii) "Statewide rough road percentage" means the percentage of the statewide total mileage of state, municipal, county, and township roads that is rated as type A, B, C, E2, or F by the department of transportation.

(b) "Total rough road miles" means a school district's total bus miles traveled in one year times its county rough road percentage.

(c) "Density multiplier" means a figure calculated in accordance with the following formula:

$$1 - \left[\frac{\text{minimum student density} - \text{district student density}}{\text{minimum student density} - \text{statewide student density}} \right]$$

(i) "Minimum student density" means the lowest district student density in the state.

(ii) "District student density" means a school district's transportation base divided by the number of square miles in the district.

(iii) "Statewide student density" means the sum of the transportation bases for all school districts divided by the sum of the square miles in all school districts.

(6) In addition to funds paid under divisions (D)(2) to (5) of this section, each district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than board-owned or contractor-operated buses and whose transportation is not funded under division (G) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

(E)(1) The department shall compute and distribute state vocational education additional weighted costs funds to each school district in accordance with the following formula:

state share percentage X 40230

the formula amount X 40231

total vocational education weight 40232

In any fiscal year, a school district receiving funds under 40233
division (E)(1) of this section shall spend those funds only for 40234
the purposes that the department designates as approved for 40235
vocational education expenses. Vocational educational expenses 40236
approved by the department shall include only expenses connected 40237
to the delivery of career-technical programming to 40238
career-technical students. The department shall require the school 40239
district to report data annually so that the department may 40240
monitor the district's compliance with the requirements regarding 40241
the manner in which funding received under division (E)(1) of this 40242
section may be spent. 40243

(2) The department shall compute for each school district 40244
state funds for vocational education associated services in 40245
accordance with the following formula: 40246

state share percentage X .05 X the formula amount X 40247

the sum of categories one and two vocational education ADM 40248

In any fiscal year, a school district receiving funds under 40249
division (E)(2) of this section, or through a transfer of funds 40250
pursuant to division (L) of section 3317.023 of the Revised Code, 40251
shall spend those funds only for the purposes that the department 40252
designates as approved for vocational education associated 40253
services expenses, which may include such purposes as 40254
apprenticeship coordinators, coordinators for other vocational 40255
education services, vocational evaluation, and other purposes 40256
designated by the department. The department may deny payment 40257
under division (E)(2) of this section to any district that the 40258
department determines is not operating those services or is using 40259
funds paid under division (E)(2) of this section, or through a 40260
transfer of funds pursuant to division (L) of section 3317.023 of 40261

the Revised Code, for other purposes. 40262

(F) The actual local share in any fiscal year for the 40263
combination of special education and related services additional 40264
weighted costs funding calculated under division (C)(1) of this 40265
section, transportation funding calculated under divisions (D)(2) 40266
and (3) of this section, and vocational education and associated 40267
services additional weighted costs funding calculated under 40268
divisions (E)(1) and (2) of this section shall not exceed for any 40269
school district the product of three and three-tenths mills times 40270
the district's recognized valuation. The department annually shall 40271
pay each school district as an excess cost supplement any amount 40272
by which the sum of the district's attributed local shares for 40273
that funding exceeds that product. For purposes of calculating the 40274
excess cost supplement: 40275

(1) The attributed local share for special education and 40276
related services additional weighted costs funding is the amount 40277
specified in division (C)(2) of this section. 40278

(2) The attributed local share of transportation funding 40279
equals the difference of the total amount calculated for the 40280
district using the formula developed under division (D)(2) of this 40281
section minus the actual amount paid to the district after 40282
applying the percentage specified in division (D)(3) of this 40283
section. 40284

(3) The attributed local share of vocational education and 40285
associated services additional weighted costs funding is the 40286
amount determined as follows: 40287

(1 - state share percentage) X 40288
[(total vocational education weight X 40289
the formula amount) + the payment under 40290
division (E)(2) of this section] 40291

state board of education on or before the fifteenth day of October 40299
in each year for the first full school week in October the formula 40300
ADM. Beginning in fiscal year 2007, each superintendent also shall 40301
certify to the state board, for the schools under the 40302
superintendent's supervision, the formula ADM for the first full 40303

supervision is closed for one or more days during that week due to 40305
hazardous weather conditions or other circumstances described in 40306
the first paragraph of division (B) of section 3317.01 of the 40307
Revised Code, the superintendent may apply to the superintendent 40308
of public instruction for a waiver, under which the superintendent 40309
of public instruction may exempt the district superintendent from 40310
certifying the formula ADM for that school for that week and 40311
specify an alternate week for certifying the formula ADM of that 40312
school. 40313

The formula ADM shall consist of the average daily membership 40314

of section 3317.013 of the Revised Code; 40534

(d) The number of children with disabilities, other than 40535
preschool children with disabilities, placed with a county MR/DD 40536
board in the current fiscal year to receive special education 40537
services for category three disabilities described in division (C) 40538
of section 3317.013 of the Revised Code; 40539

(e) The number of children with disabilities, other than preschool children with disabilities, placed with a county MR/DD board in the current fiscal year to receive special education services for category four disabilities described in division (D) of section 3317.013 of the Revised Code;

(C)(1) Except as otherwise provided in this section for kindergarten students, the average daily membership in divisions (B)(1) to (12) of this section shall be based upon the number of full-time equivalent students. The state board of education shall adopt rules defining full-time equivalent students and for determining the average daily membership therefrom for the purposes of divisions (A), (B), and (D) of this section.

(2) A student enrolled in a community school established under Chapter 3314. or a science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code shall be counted in the formula ADM and, if applicable, the category one, two, three, four, five, or six special education ADM of the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code for the same proportion of the school year that the student is counted in the enrollment of the community school or the science, technology, engineering, and mathematics school for purposes of

section 3314.08 or 3326.33 of the Revised Code. Notwithstanding 40572
the number of students reported pursuant to division (B)(3)(d), 40573
(e), or (j) of this section, the department may adjust the formula 40574
ADM of a school district to account for students entitled to 40575
attend school in the district under section 3313.64 or 3313.65 of 40576
the Revised Code who are enrolled in a community school or a 40577
science, technology, engineering, and mathematics school for only 40578
a portion of the school year. 40579

(3) No child shall be counted as more than a total of one 40580
child in the sum of the average daily memberships of a school 40581
district under division (A), divisions (B)(1) to (12), or division 40582
(D) of this section, except as follows: 40583

(a) A child with a disability described in section 3317.013 40584
of the Revised Code may be counted both in formula ADM and in 40585
category one, two, three, four, five, or six special education ADM 40586
and, if applicable, in category one or two vocational education 40587
ADM. As provided in division (C) of section 3317.02 of the Revised 40588
Code, such a child shall be counted in category one, two, three, 40589
four, five, or six special education ADM in the same proportion 40590
that the child is counted in formula ADM. 40591

(b) A child enrolled in vocational education programs or 40592
classes described in section 3317.014 of the Revised Code may be 40593
counted both in formula ADM and category one or two vocational 40594
education ADM and, if applicable, in category one, two, three, 40595
four, five, or six special education ADM. Such a child shall be 40596
counted in category one or two vocational education ADM in the 40597
same proportion as the percentage of time that the child spends in 40598
the vocational education programs or classes. 40599

(4) Based on the information reported under this section, the 40600
department of education shall determine the total student count, 40601
as defined in section 3301.011 of the Revised Code, for each 40602
school district. 40603

(D)(1) The superintendent of each joint vocational school 40604
district shall certify to the superintendent of public instruction 40605
on or before the fifteenth day of October in each year for the 40606
first full school week in October the formula ADM. Beginning in 40607
fiscal year 2007, each superintendent also shall certify to the 40608
state superintendent the formula ADM for the first full week in 40609
February. If a school operated by the joint vocational school 40610
district is closed for one or more days during that week due to 40611
hazardous weather conditions or other circumstances described in 40612
the first paragraph of division (B) of section 3317.01 of the 40613
Revised Code, the superintendent may apply to the superintendent 40614
of public instruction for a waiver, under which the superintendent 40615
of public instruction may exempt the district superintendent from 40616
certifying the formula ADM for that school for that week and 40617
specify an alternate week for certifying the formula ADM of that 40618
school. 40619

The formula ADM, except as otherwise provided in this 40620
division, shall consist of the average daily membership during 40621
such week, on an FTE basis, of the number of students receiving 40622
any educational services from the district, including students 40623
enrolled in a community school established under Chapter 3314. or 40624
a science, technology, engineering, and mathematics school 40625
established under Chapter 3326. of the Revised Code who are 40626
attending the joint vocational district under an agreement between 40627
the district board of education and the governing authority of the 40628
community school or the science, technology, engineering, and 40629
mathematics school and are entitled to attend school in a city, 40630
local, or exempted village school district whose territory is part 40631
of the territory of the joint vocational district. Beginning in 40632
fiscal year 2007, in the case of the report submitted for the 40633
first week in February, or the alternative week if specified by 40634
the superintendent of public instruction, the superintendent of 40635
the joint vocational school district may include the number of 40636

students reported under division (D)(1) of this section for the 40637
first full week of the preceding October but who since that week 40638
have received high school diplomas. 40639

40640

The following categories of students shall not be included in 40641
the determination made under division (D)(1) of this section: 40642

(a) Students enrolled in adult education classes; 40643

(b) Adjacent or other district joint vocational students 40644
enrolled in the district under an open enrollment policy pursuant 40645
to section 3313.98 of the Revised Code; 40646

(c) Students receiving services in the district pursuant to a 40647
compact, cooperative education agreement, or a contract, but who 40648
are entitled to attend school in a city, local, or exempted 40649
village school district whose territory is not part of the 40650
territory of the joint vocational district; 40651

(d) Students for whom tuition is payable pursuant to sections 40652
3317.081 and 3323.141 of the Revised Code. 40653

(2) To enable the department of education to obtain the data 40654
needed to complete the calculation of payments pursuant to this 40655
chapter, in addition to the formula ADM, each superintendent shall 40656
report separately the average daily membership included in the 40657
report under division (D)(1) of this section for each of the 40658
following categories of students for the same week for which 40659
formula ADM is certified: 40660

(a) Students enrolled in each grade included in the joint 40661
vocational district schools; 40662

(b) Children with disabilities receiving special education 40663
services for the category one disability described in division (A) 40664
of section 3317.013 of the Revised Code; 40665

(c) Children with disabilities receiving special education 40666

services for the category two disabilities described in division 40667
(B) of section 3317.013 of the Revised Code; 40668

(d) Children with disabilities receiving special education 40669
services for category three disabilities described in division (C) 40670
of section 3317.013 of the Revised Code; 40671

(e) Children with disabilities receiving special education 40672
services for category four disabilities described in division (D) 40673
of section 3317.013 of the Revised Code; 40674

(f) Children with disabilities receiving special education 40675
services for the category five disabilities described in division 40676
(E) of section 3317.013 of the Revised Code; 40677

(g) Children with disabilities receiving special education 40678
services for category six disabilities described in division (F) 40679
of section 3317.013 of the Revised Code; 40680

(h) Students receiving category one vocational education 40681
services, described in division (A) of section 3317.014 of the 40682
Revised Code; 40683

(i) Students receiving category two vocational education 40684
services, described in division (B) of section 3317.014 of the 40685
Revised Code. 40686

The superintendent of each joint vocational school district 40687
shall also indicate the city, local, or exempted village school 40688
district in which each joint vocational district pupil is entitled 40689
to attend school pursuant to section 3313.64 or 3313.65 of the 40690
Revised Code. 40691

(E) In each school of each city, local, exempted village, 40692
joint vocational, and cooperative education school district there 40693
shall be maintained a record of school membership, which record 40694
shall accurately show, for each day the school is in session, the 40695
actual membership enrolled in regular day classes. For the purpose 40696

of determining average daily membership, the membership figure of 40697
any school shall not include any pupils except those pupils 40698
described by division (A) of this section. The record of 40699
membership for each school shall be maintained in such manner that 40700
no pupil shall be counted as in membership prior to the actual 40701
date of entry in the school and also in such manner that where for 40702
any cause a pupil permanently withdraws from the school that pupil 40703
shall not be counted as in membership from and after the date of 40704
such withdrawal. There shall not be included in the membership of 40705
any school any of the following: 40706

(1) Any pupil who has graduated from the twelfth grade of a 40707
public or nonpublic high school; 40708

(2) Any pupil who is not a resident of the state; 40709

(3) Any pupil who was enrolled in the schools of the district 40710
during the previous school year when tests were administered under 40711
section 3301.0711 of the Revised Code but did not take one or more 40712
of the tests required by that section and was not excused pursuant 40713
to division (C)(1) or (3) of that section; 40714

(4) Any pupil who has attained the age of twenty-two years, 40715
except for veterans of the armed services whose attendance was 40716
interrupted before completing the recognized twelve-year course of 40717
the public schools by reason of induction or enlistment in the 40718
armed forces and who apply for reenrollment in the public school 40719
system of their residence not later than four years after 40720
termination of war or their honorable discharge. 40721

If, however, any veteran described by division (E)(4) of this 40722
section elects to enroll in special courses organized for veterans 40723
for whom tuition is paid under the provisions of federal laws, or 40724
otherwise, that veteran shall not be included in average daily 40725
membership. 40726

Notwithstanding division (E)(3) of this section, the 40727

membership of any school may include a pupil who did not take a 40728
test required by section 3301.0711 of the Revised Code if the 40729
superintendent of public instruction grants a waiver from the 40730
requirement to take the test to the specific pupil and a parent is 40731
not paying tuition for the pupil pursuant to section 3313.6410 of 40732
the Revised Code. The superintendent may grant such a waiver only 40733
for good cause in accordance with rules adopted by the state board 40734
of education. 40735

Except as provided in divisions (B)(2) and (F) of this 40736
section, the average daily membership figure of any local, city, 40737
exempted village, or joint vocational school district shall be 40738
determined by dividing the figure representing the sum of the 40739
number of pupils enrolled during each day the school of attendance 40740
is actually open for instruction during the week for which the 40741
formula ADM is being certified by the total number of days the 40742
school was actually open for instruction during that week. For 40743
purposes of state funding, "enrolled" persons are only those 40744
pupils who are attending school, those who have attended school 40745
during the current school year and are absent for authorized 40746
reasons, and those children with disabilities currently receiving 40747
home instruction. 40748

The average daily membership figure of any cooperative 40749
education school district shall be determined in accordance with 40750
rules adopted by the state board of education. 40751

(F)(1) If the formula ADM for the first full school week in 40752
February is at least three per cent greater than that certified 40753
for the first full school week in the preceding October, the 40754
superintendent of schools of any city, exempted village, or joint 40755
vocational school district or educational service center shall 40756
certify such increase to the superintendent of public instruction. 40757
Such certification shall be submitted no later than the fifteenth 40758
day of February. For the balance of the fiscal year, beginning 40759

with the February payments, the superintendent of public 40760
instruction shall use the increased formula ADM in calculating or 40761
recalculating the amounts to be allocated in accordance with 40762
section 3317.022 or 3317.16 of the Revised Code. In no event shall 40763
the superintendent use an increased membership certified to the 40764
superintendent after the fifteenth day of February. Division 40765
(F)(1) of this section does not apply after fiscal year 2006. 40766

(2) If on the first school day of April the total number of 40767
classes or units for preschool children with disabilities that are 40768
eligible for approval under division (B) of section 3317.05 of the 40769
Revised Code exceeds the number of units that have been approved 40770
for the year under that division, the superintendent of schools of 40771
any city, exempted village, or cooperative education school 40772
district or educational service center shall make the 40773
certifications required by this section for that day. If the 40774
department determines additional units can be approved for the 40775
fiscal year within any limitations set forth in the acts 40776
appropriating moneys for the funding of such units, the department 40777
shall approve additional units for the fiscal year on the basis of 40778
such average daily membership. For each unit so approved, the 40779
department shall pay an amount computed in the manner prescribed 40780
in section 3317.052 or 3317.19 and section 3317.053 of the Revised 40781
Code. 40782

(3) If a student attending a community school under Chapter 40783
3314. or a science, technology, engineering, and mathematics 40784
school established under Chapter 3326. of the Revised Code is not 40785
included in the formula ADM certified for the school district in 40786
which the student is entitled to attend school under section 40787
3313.64 or 3313.65 of the Revised Code, the department of 40788
education shall adjust the formula ADM of that school district to 40789
include the student in accordance with division (C)(2) of this 40790
section, and shall recalculate the school district's payments 40791

under this chapter for the entire fiscal year on the basis of that 40792
adjusted formula ADM. This requirement applies regardless of 40793
whether the student was enrolled, as defined in division (E) of 40794
this section, in the community school or the science, technology, 40795
engineering, and mathematics school during the week for which the 40796
formula ADM is being certified. 40797

(4) If a student awarded an educational choice scholarship is 40798
not included in the formula ADM of the school district from which 40799
the department deducts funds for the scholarship under section 40800
3310.08 of the Revised Code, the department shall adjust the 40801
formula ADM of that school district to include the student to the 40802
extent necessary to account for the deduction, and shall 40803
recalculate the school district's payments under this chapter for 40804
the entire fiscal year on the basis of that adjusted formula ADM. 40805
This requirement applies regardless of whether the student was 40806
enrolled, as defined in division (E) of this section, in the 40807
chartered nonpublic school, the school district, or a community 40808
school during the week for which the formula ADM is being 40809
certified. 40810

(5) If a student awarded a scholarship under the special 40811
education scholarship pilot program is not included in the formula 40812
ADM of the school district from which the department deducts funds 40813
for the scholarship under section 3310.55 of the Revised Code, the 40814
department shall adjust the formula ADM of that school district to 40815
include the student to the extent necessary to account for the 40816
deduction, and shall recalculate the school district's payments 40817
under this chapter for the entire fiscal year on the basis of that 40818
adjusted formula ADM. This requirement applies regardless of 40819
whether the student was enrolled, as defined in division (E) of 40820
this section, in an alternative public provider, a registered 40821
private provider, or the school district during the week for which 40822
the formula ADM is being certified. 40823

(G)(1)(a) The superintendent of an institution operating a special education program pursuant to section 3323.091 of the Revised Code shall, for the programs under such superintendent's supervision, certify to the state board of education, in the manner prescribed by the superintendent of public instruction, both of the following:

(i) The average daily membership of all children with disabilities other than preschool children with disabilities receiving services at the institution for each category of disability described in divisions (A) to (F) of section 3317.013 of the Revised Code;

(ii) The average daily membership of all preschool children with disabilities in classes or programs approved annually by the department of education for unit funding under section 3317.05 of the Revised Code.

(b) The superintendent of an institution with vocational education units approved under division (A) of section 3317.05 of the Revised Code shall, for the units under the superintendent's supervision, certify to the state board of education the average daily membership in those units, in the manner prescribed by the superintendent of public instruction.

(2) The superintendent of each county MR/DD board that maintains special education classes under section 3317.20 of the Revised Code or units approved pursuant to section 3317.05 of the Revised Code shall do both of the following:

(a) Certify to the state board, in the manner prescribed by the board, the average daily membership in classes under section 3317.20 of the Revised Code for each school district that has placed children in the classes;

(b) Certify to the state board, in the manner prescribed by the board, the number of all preschool children with disabilities

enrolled as of the first day of December in classes eligible for 40855
approval under division (B) of section 3317.05 of the Revised 40856
Code, and the number of those classes. 40857

(3)(a) If on the first school day of April the number of 40858
classes or units maintained for preschool children with 40859
disabilities by the county MR/DD board that are eligible for 40860
approval under division (B) of section 3317.05 of the Revised Code 40861
is greater than the number of units approved for the year under 40862
that division, the superintendent shall make the certification 40863
required by this section for that day. 40864

(b) If the department determines that additional classes or 40865
units can be approved for the fiscal year within any limitations 40866
set forth in the acts appropriating moneys for the funding of the 40867
classes and units described in division (G)(3)(a) of this section, 40868
the department shall approve and fund additional units for the 40869
fiscal year on the basis of such average daily membership. For 40870
each unit so approved, the department shall pay an amount computed 40871
in the manner prescribed in sections 3317.052 and 3317.053 of the 40872
Revised Code. 40873

(H) Except as provided in division (I) of this section, when 40874
any city, local, or exempted village school district provides 40875
instruction for a nonresident pupil whose attendance is 40876
unauthorized attendance as defined in section 3327.06 of the 40877
Revised Code, that pupil's membership shall not be included in 40878
that district's membership figure used in the calculation of that 40879
district's formula ADM or included in the determination of any 40880
unit approved for the district under section 3317.05 of the 40881
Revised Code. The reporting official shall report separately the 40882
average daily membership of all pupils whose attendance in the 40883
district is unauthorized attendance, and the membership of each 40884
such pupil shall be credited to the school district in which the 40885
pupil is entitled to attend school under division (B) of section 40886

3313.64 or section 3313.65 of the Revised Code as determined by 40887
the department of education. 40888

(I)(1) A city, local, exempted village, or joint vocational 40889
school district admitting a scholarship student of a pilot project 40890
district pursuant to division (C) of section 3313.976 of the 40891
Revised Code may count such student in its average daily 40892
membership. 40893

(2) In any year for which funds are appropriated for pilot 40894
project scholarship programs, a school district implementing a 40895
state-sponsored pilot project scholarship program that year 40896
pursuant to sections 3313.974 to 3313.979 of the Revised Code may 40897
count in average daily membership: 40898

(a) All children residing in the district and utilizing a 40899
scholarship to attend kindergarten in any alternative school, as 40900
defined in section 3313.974 of the Revised Code; 40901

(b) All children who were enrolled in the district in the 40902
preceding year who are utilizing a scholarship to attend any such 40903
alternative school. 40904

(J) The superintendent of each cooperative education school 40905
district shall certify to the superintendent of public 40906
instruction, in a manner prescribed by the state board of 40907
education, the applicable average daily memberships for all 40908
students in the cooperative education district, also indicating 40909
the city, local, or exempted village district where each pupil is 40910
entitled to attend school under section 3313.64 or 3313.65 of the 40911
Revised Code. 40912

(K) If the superintendent of public instruction determines 40913
that a component of the formula ADM certified or reported by a 40914
district superintendent, or other reporting entity, is not 40915
correct, the superintendent of public instruction may order that 40916
the formula ADM used for the purposes of payments under any 40917

section of Title XXXVIII of the Revised Code be adjusted in the 40918
amount of the error. 40919

Sec. 3317.063. The superintendent of public instruction, in 40920
accordance with rules adopted by the department of education, 40921
shall annually reimburse each chartered nonpublic school for the 40922
actual mandated service administrative and clerical costs incurred 40923
by such school during the preceding school year in preparing, 40924
maintaining, and filing reports, forms, and records, and in 40925
providing such other administrative and clerical services that are 40926
not an integral part of the teaching process as may be required by 40927
state law or rule or by requirements duly promulgated by city, 40928
exempted village, or local school districts. The mandated service 40929
costs reimbursed pursuant to this section shall include, but are 40930
not limited to, the preparation, filing and maintenance of forms, 40931
reports, or records and other clerical and administrative services 40932
relating to state chartering or approval of the nonpublic school, 40933
pupil attendance, pupil health and health testing, transportation 40934
of pupils, federally funded education programs, pupil appraisal, 40935
pupil progress, educator licensure, unemployment and workers' 40936
compensation, transfer of pupils, and such other education related 40937
data which are now or hereafter shall be required of such 40938
nonpublic school by state law or rule, or by requirements of the 40939
state department of education, other state agencies, or city, 40940
exempted village, or local school districts. 40941

The reimbursement required by this section shall be for 40942
school years beginning on or after July 1, 1981. 40943

Each nonpublic school which seeks reimbursement pursuant to 40944
this section shall submit to the superintendent of public 40945
instruction an application together with such additional reports 40946
and documents as the department of education may require. Such 40947
application, reports, and documents shall contain such information 40948

as the department of education may prescribe in order to carry out 40949
the purposes of this section. No payment shall be made until the 40950
superintendent of public instruction has approved such 40951
application. 40952

Each nonpublic school which applies for reimbursement 40953
pursuant to this section shall maintain a separate account or 40954
system of accounts for the expenses incurred in rendering the 40955
required services for which reimbursement is sought. Such accounts 40956
shall contain such information as is required by the department of 40957
education and shall be maintained in accordance with rules adopted 40958
by the department of education. 40959

Reimbursement payments to a nonpublic school pursuant to this 40960
section shall not exceed an amount for each school year equal to 40961
three hundred twenty-five dollars per pupil enrolled in that 40962
nonpublic school. 40963

The superintendent of public instruction may, from time to 40964
time, examine any and all accounts and records of a nonpublic 40965
school which have been maintained pursuant to this section in 40966
support of an application for reimbursement, for the purpose of 40967
determining the costs to such school of rendering the services for 40968
which reimbursement is sought. If after such audit it is 40969

immediately reimburse the state in such excess amount. 40972

Any payments made to chartered nonpublic schools under this 40973
section may be disbursed without submission to and approval of the 40974
controlling board. 40975

Revised Code, an amount computed for the school year as follows: 41006

(1) For each type of special education service provided to 41007
the child for whom tuition is being calculated, determine the 41008
amount of the district's operating expenses in providing that type 41009

division (B)(2) of this section by the total number of preschool 41021
children with disabilities not included in units approved under 41022
division (B) of section 3317.05 of the Revised Code who received 41023
that type of service; 41024

(4) Determine the sum of the quotients obtained under 41025
division (B)(3) of this section for all types of special education 41026
services provided to the child for whom tuition is being 41027
calculated. 41028

The state board of education shall adopt rules defining the 41029
types of special education services and specifying the operating 41030

section for any school year is enrolled in a district for only 41033
part of that school year, the amount of the district's tuition 41034
charge for the child for the school year shall be computed in 41035
proportion to the number of school days the child is enrolled in 41036
the district during the school year. 41037

Except as otherwise provided in division (J) of section 41038
3313.64 of the Revised Code, whenever a district admits a child to 41039

the tuition shall be certified by the treasurer of the board of 41042
education of the district of attendance, to the board of education 41043
of the district required to pay tuition for its approval and 41044
payment. If agreement as to the amount payable or the district 41045

Code, from the district required to pay the tuition and add that 41053
amount to the amount allocated to the district attended under such 41054
division. The superintendent of public instruction shall send to 41055

within which such territory is located, and there are school age 41062
children residing within such territory, the political subdivision 41063
owning such tax exempt territory shall pay tuition to the district 41064
in which such children attend school. The tuition for these 41065
children shall be computed as provided for in this section. 41066

sections 3318.01 to 3318.20 of the Revised Code, the department of 41068
education shall annually do all of the following: 41069

local, and exempted village school district according to the 41071

following formula: 41072

The district's valuation per pupil - 41073

[\$30,000 X (1 - the district's income factor)]. 41074

For purposes of this calculation: 41075

(1) Except for a district with an open enrollment net gain 41076
that is ten per cent or more of its formula ADM, "valuation per 41077
pupil" for a district means its average taxable value, divided by 41078
its formula ADM for the previous fiscal year. "Valuation per 41079
pupil," for a district with an open enrollment net gain that is 41080
ten per cent or more of its formula ADM, means its average taxable 41081
value, divided by the sum of its formula ADM for the previous 41082
fiscal year plus its open enrollment net gain for the previous 41083
fiscal year. 41084

(2) "Average Except for a tangible personal property 41085
phase-out impacted district, "average taxable value" means the 41086
average of the amounts certified for a district in the second, 41087
third, and fourth preceding fiscal years under divisions (A)(1) 41088
and (2) of section 3317.021 of the Revised Code. For a tangible 41089
personal property phase-out impacted district, "average taxable 41090
value" means the average of the amounts certified for the district 41091
in the second, third, and fourth preceding fiscal years under 41092
division (A)(1) of section 3317.021 of the Revised Code. 41093

school in a city, local, or exempted village school district under 41095
section 3313.64 or 3313.65 of the Revised Code. 41096

(4) "Formula ADM" and "income factor" have the same meanings 41097
as in section 3317.02 of the Revised Code. 41098

(5) "Native student" has the same meaning as in section 41099
3313.98 of the Revised Code. 41100

(6) "Open enrollment net gain" for a district means (a) the 41101
number of the students entitled to attend school in another 41102

district but who are enrolled in the schools of the district under 41103
its open enrollment policy minus (b) the number of the district's 41104
native students who are enrolled in the schools of another 41105
district under the other district's open enrollment policy, both 41106
numbers as certified to the department under section 3313.981 of 41107
the Revised Code. If the difference is a negative number, the 41108
district's "open enrollment net gain" is zero. 41109

(7) "Open enrollment policy" means an interdistrict open 41110
enrollment policy adopted under section 3313.98 of the Revised 41111
Code. 41112

(8) "Tangible personal property phase-out impacted district" 41113
means a school district for which, on August 31, 2005, the taxable 41114
value of its tangible personal property, certified under division 41115
(A)(2) of section 3317.021 of the Revised Code, made up twenty per 41116
cent or more of its total taxable value, as defined in section 41117
3317.02 of the Revised Code. 41118

(B) Calculate for each district the three-year average of the 41119
adjusted valuations per pupil calculated for the district for the 41120
current and two preceding fiscal years; 41121

(C) Rank all such districts in order of adjusted valuation 41122
per pupil from the district with the lowest three-year average 41123
adjusted valuation per pupil to the district with the highest 41124
three-year average adjusted valuation per pupil; 41125

(D) Divide such ranking into percentiles with the first 41126
percentile containing the one per cent of school districts having 41127
the lowest three-year average adjusted valuations per pupil and 41128
the one-hundredth percentile containing the one per cent of school 41129
districts having the highest three-year average adjusted 41130
valuations per pupil; 41131

(E) Determine the school districts that have three-year 41132
average adjusted valuations per pupil that are greater than the 41133

median three-year average adjusted valuation per pupil for all 41134
school districts in the state; 41135

(F) On or before the first day of September, certify the 41136

with a territory of greater than three hundred square miles in any 41141
percentile as determined under section 3318.011 of the Revised 41142
Code. 41143

(b) "Low wealth school district" means a school district in 41144
the first through seventy-fifth percentiles as determined under 41145
section 3318.011 of the Revised Code. 41146

(c) A "school district with an exceptional need for immediate 41147
classroom facilities assistance" means a low wealth or large land 41148
area school district with an exceptional need for new facilities 41149
in order to protect the health and safety of all or a portion of 41150
its students. 41151

~~(2) No school district reasonably expected to be eligible for 41152
state assistance under sections 3318.01 to 3318.20 of the Revised 41153
Code within three fiscal years after the year of the application 41154
for assistance under this section shall be eligible for assistance 41155
under this section, unless the district's entire classroom 41156
facilities plan consists of only a single building designed to 41157
house grades kindergarten through twelve and the district 41158
satisfies the conditions prescribed in divisions (A)(3)(a) and (b) 41159
of this section. 41160~~

~~(3)~~ No school district that participates in the school 41161
building assistance expedited local partnership program under 41162
section 3318.36 of the Revised Code shall receive assistance under 41163

the program established under this section unless the following 41164
conditions are satisfied: 41165

(a) The district board adopted a resolution certifying its 41166
intent to participate in the school building assistance expedited 41167
local partnership program under section 3318.36 of the Revised 41168
Code prior to September 14, 2000. 41169

(b) The district was selected by the Ohio school facilities 41170
commission for participation in the school building assistance 41171
expedited local partnership program under section 3318.36 of the 41172
Revised Code in the manner prescribed by the commission under that 41173
section as it existed prior to September 14, 2000. 41174

(B)(1) There is hereby established the exceptional needs 41175
school facilities assistance program. Under the program, the Ohio 41176
school facilities commission may set aside from the moneys 41177
annually appropriated to it for classroom facilities assistance 41178
projects up to twenty-five per cent for assistance to school 41179
districts with exceptional needs for immediate classroom 41180
facilities assistance. 41181

(2)(a) After consulting with education and construction 41182
experts, the commission shall adopt guidelines for identifying 41183
school districts with an exceptional need for immediate classroom 41184
facilities assistance. 41185

(b) The guidelines shall include application forms and 41186
instructions for school districts to use in applying for 41187
assistance under this section. 41188

(3) The commission shall evaluate the classroom facilities, 41189
and the need for replacement classroom facilities from the 41190
applications received under this section. The commission, 41191
utilizing the guidelines adopted under division (B)(2)(a) of this 41192
section, shall prioritize the school districts to be assessed. 41193

Notwithstanding section 3318.02 of the Revised Code, the 41194

commission may conduct on-site evaluation of the school districts 41195
prioritized under this section and approve and award funds until 41196
such time as all funds set aside under division (B)(1) of this 41197
section have been encumbered. However, the commission need not 41198
conduct the evaluation of facilities if the commission determines 41199
that a district's assessment conducted under section 3318.36 of 41200
the Revised Code is sufficient for purposes of this section. 41201

(4) Notwithstanding division (A) of section 3318.05 of the 41202
Revised Code, the school district's portion of the basic project 41203
cost under this section shall be the "required percentage of the 41204
basic project costs," as defined in division (K) of section 41205
3318.01 of the Revised Code. 41206

(5) Except as otherwise specified in this section, any 41207
project undertaken with assistance under this section shall comply 41208
with all provisions of sections 3318.01 to 3318.20 of the Revised 41209
Code. A school district may receive assistance under sections 41210
3318.01 to 3318.20 of the Revised Code for the remainder of the 41211
district's classroom facilities needs as assessed under this 41212
section when the district is eligible for such assistance pursuant 41213
to section 3318.02 of the Revised Code, but any classroom facility 41214
constructed with assistance under this section shall not be 41215
included in a district's project at that time unless the 41216
commission determines the district has experienced the increased 41217
enrollment specified in division (B)(1) of section 3318.04 of the 41218
Revised Code. 41219

(C) No school district shall receive assistance under this 41220
section for a classroom facility that has been included in the 41221
discrete part of the district's classroom facilities needs 41222
identified and addressed in the district's project pursuant to an 41223
agreement entered into under section 3318.36 of the Revised Code, 41224
unless the district's entire classroom facilities plan consists of 41225
only a single building designed to house grades kindergarten 41226

through twelve. 41227

Sec. 3318.44. (A) A joint vocational school district board of 41228
education may generate the school district's portion of the basic 41229
project cost of its project under sections 3318.40 to 3318.45 of 41230
the Revised Code using any combination of the following means if 41231
lawfully employed for the acquisition of classroom facilities: 41232

133. and section 3311.20 of the Revised Code; 41234

(2) Local donated contributions as authorized under section 41235
3318.084 of the Revised Code; 41236

(B) By resolution adopted by a majority of all its members, a 41240
school district board, in order to pay all or part of the school 41241
district's portion of its basic project cost, may apply the 41242
proceeds of a tax levied under section 5705.21 of the Revised Code 41243
for general permanent improvements if the proceeds of that levy 41244
lawfully may be used for general construction, renovation, repair, 41245
or maintenance of classroom facilities to ~~leverage~~ pay debt 41246
charges on and financing costs related to bonds adequate issued to 41247
pay all or part of the school district portion of the basic 41248
project cost of the school district's project under sections 41249
3318.40 to 3318.45 of the Revised Code or to generate an amount 41250
equivalent to all or part of the amount required under section 41251
3318.43 of the Revised Code to be used for maintenance of 41252
classroom facilities acquired under the project. Bonds issued 41253
under this division shall be Chapter 133. securities, and may be 41254
issued as general obligation securities, but the issuance of the 41255
bonds shall not be subject to a vote of the electors of the school 41256

district as long as the tax proceeds earmarked for payment of the 41257
service debt charges on the bonds may lawfully be used for that 41258
purpose. Such bonds shall not be included in the calculation of 41259
net indebtedness under section 133.06 of the Revised Code if the 41260
resolution authorizing their issuance includes covenants to 41261
appropriate annually, from lawfully available proceeds of a 41262
property tax levied under section 5705.21 of the Revised Code, and 41263
to continue to levy that tax in amounts necessary to pay the debt 41264
charges on and financing costs related to the bonds as they become 41265
due. No property tax levied under section 5705.21 of the Revised 41266
Code that is pledged, or that the school district has covenanted 41267
to levy, collect, and appropriate annually to pay the debt charges 41268
on and financing costs related to the bonds under this section may 41269
be repealed while those bonds are outstanding. If such a tax is 41270
reduced by electors of the district or by the board of education 41271
while the bonds are outstanding, the board of education shall 41272
continue to levy and collect the tax under the authority of the 41273
original election authorizing the tax at a rate in each year that 41274
the board reasonably estimates will produce an amount in that year 41275
equal to the debt charges on the bonds in that year. 41276

No state moneys shall be released for a project to which this 41277
division applies until the proceeds of any bonds issued under this 41278
division that are dedicated for payment of the school district's 41279
portion of the basic project cost are first deposited into the 41280
school district's project construction fund. 41281

(C) A school district board of education may adopt a 41282
resolution proposing that any of the following questions be 41283
combined with a question specified in section 3318.45 of the 41284
Revised Code: 41285

(1) A bond issue question under section 133.18 of the Revised 41286
Code; 41287

(2) A tax levy question under section 3311.21 of the Revised 41288

Code; 41289

(3) A tax levy question under section 5705.21 of the Revised Code. 41290
41291

Any question described in divisions (C)(1) to (3) of this section that is combined with a question proposed under section 3318.45 of the Revised Code shall be for the purpose of either paying for any permanent improvement, as defined in section 133.01 of the Revised Code, or generating operating revenue specifically for the facilities acquired under the school district's project under Chapter 3318. of the Revised Code or for both to the extent such purposes are permitted by the sections of law under which each is proposed. 41292

If the collective bargaining agreement does not specify a 42055
different method for the selection of teacher members of the 42056
committees, the exclusive representative of the district's 42057
teachers shall select the teacher members. 42058

If the collective bargaining agreement does not specify a 42059

pursuant to this division, or for other good and sufficient cause. 43630
Prior to recommending a program for elimination, the chancellor 43631
shall request the board of regents to hold at least one public 43632
hearing on the matter and advise the chancellor on whether the 43633

the most efficient and effective manner for the students and the 44235
state. These policies and procedures shall require state 44236

about the application of transfer credits. Coursework completed 44246
within such a system at one state institution of higher education 44247
and transferred to another institution shall be applied to the 44248

specific programs on the same basis as students native to the 44255
institution, and shall have priority over out-of-state associate 44256
degree graduates and transfer students. To assist a student in 44257

of transfer options at state institutions of higher education and 44265
to encourage adults to return to colleges and universities for 44266
additional education; 44267

(5) Study, in consultation with the state board of career 44268
colleges and schools, and in light of existing criteria and any 44269
other criteria developed by the articulation and transfer advisory 44270

to state institutions of higher education for graduates who have 44272

certificate of registration from the state board of career 44274
colleges and schools under Chapter 3332. of the Revised Code. 44275

service charges on such obligations. 44670

The board of trustees shall deliver to the chancellor a copy 44671
of the resolution and any additional pertinent information the 44672
chancellor may require. 44673

The chancellor and the office of budget and management, and 44674
the authority in the case of obligations to be issued by the 44675
authority, shall evaluate each request received from a community 44676
or technical college district under this section. The chancellor, 44677
with the advice and consent of the director of budget and 44678
management and the authority in the case of obligations to be 44679
issued by the authority, shall approve each request if all of the 44680
following conditions are met: 44681

(1) Approval of the request will enhance the marketability of 44682
the obligations for which the request is made; 44683

(2) The chancellor and the office of budget and management, 44684
and the authority in the case of obligations to be issued by the 44685
authority, have no reason to believe the requesting community or 44686
technical college district or the community or technical college 44687
it operates will be unable to pay when due the bond service 44688
charges on the obligations for which the request is made, and bond 44689
service charges on those obligations are therefore not anticipated 44690
to be paid pursuant to this section from the allocated state share 44691
of instruction for purposes of Section 17 of Article VIII, Ohio 44692
Constitution. 44693

(3) Any other pertinent conditions established in rules 44694
adopted under division (H) of this section. 44695

(C) If the chancellor approves the request of a community or 44696
technical college district to withhold and deposit funds pursuant 44697
to this section, the chancellor shall enter into a written 44698
agreement with the district and the primary paying agent or fiscal 44699
agent for the obligations, which agreement shall provide for the 44700

withholding of funds pursuant to this section for the payment of 44701
bond service charges on those obligations. The agreement may also 44702
include both of the following: 44703

(1) Provisions for certification by the district to the 44704
chancellor, prior to the deadline for payment of the applicable 44705
bond service charges, whether the district and the community or 44706
technical college it operates are able to pay those bond service 44707
charges when due; 44708

(2) Requirements that the district or the community or 44709
technical college it operates deposits amounts for the payment of 44710
those bond service charges with the primary paying agent or fiscal 44711
agent for the obligations prior to the date on which the bond 44712
service charges are due to the owners or holders of the 44713
obligations. 44714

(D) Whenever a district or the community or technical college 44715
it operates notifies the chancellor that it will not be able to 44716
pay the bond service charges when they are due, subject to the 44717
withholding provisions of this section, or whenever the applicable 44718
paying agent or fiscal agent notifies the chancellor that it has 44719
not timely received from a district or from the college it 44720
operates the full amount needed for payment of the bond service 44721
charges when due to the holders or owners of such obligations, the 44722
chancellor shall immediately contact the district or college and 44723
the paying agent or fiscal agent to confirm that the district and 44724
the college are not able to make the required payment by the date 44725
on which it is due. 44726

If the chancellor confirms that the district and the college 44727
are not able to make the payment and the payment will not be made 44728
pursuant to a credit enhancement facility, the chancellor shall 44729
promptly pay to the applicable primary paying agent or fiscal 44730
agent the lesser of the amount due for bond service charges or the 44731
amount of the next periodic distribution scheduled to be made to 44732

the district or to the college in respect of its allocated state 44733
share of instruction. If this amount is insufficient to pay the 44734
total amount then due the agent for the payment of bond service 44735
charges, the chancellor shall continue to pay to the agent from 44736
each periodic distribution thereafter, and until the full amount 44737
due the agent for unpaid bond service charges is paid in full, the 44738
lesser of the remaining amount due the agent for bond service 44739
charges or the amount of the next periodic distribution scheduled 44740
to be made to the district or college in respect of its allocated 44741
state share of instruction. 44742

(E) The chancellor may make any payments under this section 44743
by direct deposit of funds by electronic transfer. 44744

Any amount received by a paying agent or fiscal agent under 44745
this section shall be applied only to the payment of bond service 44746
charges on the obligations of the community or technical college 44747
district or community or technical college subject to this section 44748
or to the reimbursement of the provider of a credit enhancement 44749
facility that has paid the bond service charges. 44750

(F) The chancellor may make payments under this section to 44751
paying agents or fiscal agents during any fiscal biennium of the 44752
state only from and to the extent that money is appropriated to 44753
the board of regents by the general assembly for distribution 44754
during such biennium for the state share of instruction and only 44755
to the extent that a portion of the state share of instruction has 44756
been allocated to the community or technical college district or 44757
community or technical college. Obligations of the authority or of 44758
a community or technical college district to which this section is 44759
made applicable do not constitute an obligation or a debt or a 44760
pledge of the faith, credit, or taxing power of the state, and the 44761
holders or owners of those obligations have no right to have 44762
excises or taxes levied or appropriations made by the general 44763
assembly for the payment of bond service charges on the 44764

obligations, and the obligations shall contain a statement to that effect. The agreement for or the actual withholding and payment of money under this section does not constitute the assumption by the state of any debt of a community or technical college district or a community or technical college, and bond service charges on the related obligations are not anticipated to be paid from the state general revenue fund for purposes of Section 17 of Article VIII, Ohio Constitution. 44765

(F) The chancellor shall adopt rules in accordance with 44856
Chapter 119. of the Revised Code to establish the terms and 44857
conditions under which a grant may be awarded under this section 44858
and as necessary to implement this section. The chancellor shall 44859
include in the rules a requirement that, if an entity that applies 44860
for a grant awarded under this section is not an employer, the 44861

will benefit from the training the entity provides to ensure that 44863
the training provided satisfies the needs of employers located in 44864

Sec. 3334.07. (A) The Ohio tuition trust authority shall develop a plan for the sale of tuition units. ~~The Ohio board of regents shall cooperate with the authority and provide technical assistance upon request~~ Not later than December 31, 2009, the authority shall conduct a study of guaranteed tuition program 45037

plans and submit a report that contains recommendations for a new 45042
guaranteed tuition plan to the speaker of the house of 45043
representatives, the president of the senate, and the governor. 45044
The authority shall include in the report consideration of a 45045
guaranteed tuition program plan in which the risks of the plan are 45046
shared equitably among institutions of higher education, the 45047
state, the Ohio tuition trust authority, and the investors in the 45048
program. 45049

(B) Annually, the authority shall determine the weighted 45050
average tuition of four-year state universities in the academic 45051
year that begins on or after the first day of August of the 45052
current calendar year, and shall establish the price of a tuition 45053
unit in the ensuing sales period. Such price shall be based on 45054
sound actuarial principles, and shall, to the extent actuarially 45055
possible, reasonably approximate one per cent of the weighted 45056
average tuition for that academic year plus the costs of 45057
administering the program that are in excess of general revenue 45058
fund appropriations for administrative costs. The sales period to 45059
which such price applies shall consist of twelve months, and the 45060
authority by rule shall establish the date on which the sales 45061
period begins. If circumstances arise during a sales period that 45062
the authority determines causes the price of tuition units to be 45063
insufficient to ensure the actuarial soundness of the Ohio tuition 45064
trust fund, the authority may adjust the price of tuition units 45065
purchased during the remainder of the sales period. To promote the 45066
purchase of tuition units and in accordance with actuarially sound 45067
principles, the authority may adjust the sales price as part of 45068
incentive programs, such as discounting for lump sum purchases and 45069
multi-year installment plans at a fixed rate of purchase. 45070

(C) The authority may establish and administer more than one 45071
plan for the sale of tuition units within the Ohio tuition trust 45072
fund using similar principles specified in division (B) of this 45073

section or modeled after a plan that was included in the study 45074

fund. The authority shall have full power to invest the assets of 45236
the fund and in exercising this power shall be subject to the 45237
limitations and requirements contained in divisions (K) to (M) of 45238
this section and sections 145.112 and 145.113 of the Revised Code. 45239
The evidences of title of all investments shall be delivered to 45240
the treasurer of state or to a qualified trustee designated by the 45241
treasurer of state as provided in section 135.18 of the Revised 45242

a manner designed to be actuarially sound so that the assets of 45244
the fund will be sufficient to satisfy the obligations of the 45245
authority pursuant to tuition payment contracts and defray the 45246
reasonable expenses of administering the fund. 45247

(E) The ~~public employees retirement board shall, with the~~ 45248

authority as set forth in division (D) of this section ~~until the~~ 45252

~~of the investment powers is financially and administratively~~ 45254
~~feasible.~~ The investment powers shall be exercised by the ~~public~~ 45255
~~employees retirement board~~ business, entity, or governmental 45256
agency that entered into an agreement with the authority in a 45257
manner agreed upon by the authority that maximizes the return on 45258
investment and minimizes the administrative expenses. 45259

(F)(1) The authority shall maintain a separate account for 45260
each tuition payment contract entered into pursuant to division 45261
(A) of section 3334.09 of the Revised Code for the purchase of 45262

of any beneficiary or person who has entered into a tuition 45266
payment contract, the authority shall provide a statement 45267
indicating, in the case of a beneficiary, the number of tuition 45268
units purchased on behalf of the beneficiary, or in the case of a 45269
person who has entered into a tuition payment contract, the number 45270
of tuition units purchased, used, or refunded pursuant to that 45271
contract. A beneficiary and person that have entered into a 45272
tuition payment contract each may file only one request under this 45273
division in any year. 45274

(2) The authority shall maintain an account for each 45275
scholarship program showing the number of tuition units that have 45276
been purchased for or donated to the program and the number of 45277
tuition units that have been used. Upon the request of the entity 45278
that established the scholarship program, the authority shall 45279
provide a statement indicating these numbers. 45280

treasury, and shall be known as the Ohio tuition trust reserve 45284
fund, and an operating fund that shall be part of the state 45285
treasury, and shall be known as the Ohio tuition trust operating 45286
fund. That portion of payments received by the authority or the 45287
treasurer of state from persons purchasing tuition units under 45288
tuition payment contracts that the authority determines is not 45289
actuarially necessary for the payment of obligations of the 45290
authority pursuant to tuition payment contracts, any interest and 45291

investment income earned by the reserve fund, any administrative 45292
charges and fees imposed by the authority on transactions under 45293
this chapter or on purchasers or beneficiaries of tuition units, 45294
and all other receipts from any other source that the authority 45295
determines appropriate, shall be deposited in the reserve fund to 45296
pay the operating expenses of the authority and the costs of 45297
administering the program. The assets of the reserve fund may be 45298
invested in the same manner and subject to the same limitations 45299
set forth in divisions (D), (E), and (K) to (M) of this section 45300
and sections 145.112 and 145.113 of the Revised Code. All 45301
investment fees and other costs incurred in connection with the 45302
exercise of the investment powers shall be paid from the assets of 45303
the reserve fund. Except as otherwise provided for in this 45304
chapter, all operating expenses of the authority and costs of 45305
administering the program shall be paid from the operating fund. 45306
The 45307

(2) The treasurer shall, upon request of the authority, 45308
transfer funds from the reserve fund to the operating fund as the 45309
authority determines appropriate to pay those current operating 45310
expenses of the authority and costs of administering the program 45311
as the authority designates. Any interest or investment income 45312
earned on the assets of the operating fund shall be deposited in 45313
the operating fund. 45314

(H) In January of each year the authority shall report to 45315
each person who received any payments or refunds from the 45316
authority during the preceding year information relative to the 45317
value of the payments or refunds to assist in determining that 45318
person's tax liability. 45319

(I) The authority shall report to the tax commissioner any 45320
information, and at the times, as the tax commissioner requires to 45321
determine any tax liability that a person may have incurred during 45322
the preceding year as a result of having received any payments or 45323

refunds from the authority. 45324

(J) All records of the authority indicating the identity of 45325
purchasers and beneficiaries of tuition units or college savings 45326
bonds, the number of tuition units purchased, used, or refunded 45327
under a tuition payment contract, and the number of college 45328
savings bonds purchased, held, or redeemed are not public records 45329
within the meaning of section 149.43 of the Revised Code. 45330

(K)(1) The authority and other fiduciaries shall discharge 45331
their duties with respect to the funds with care, skill, prudence, 45332
and diligence under the circumstances then prevailing that a 45333
prudent person acting in a like capacity and familiar with such 45334
matters would use in the conduct of an enterprise of a like 45335
character and with like aims; and by diversifying the investments 45336
of the assets of the funds so as to minimize the risk of large 45337
losses, unless under the circumstances it is clearly prudent not 45338
to do so. 45339

(2) To facilitate investment of the funds, the authority may 45340
establish a partnership, trust, limited liability company, 45341
corporation, including a corporation exempt from taxation under 45342

amended, or any other legal entity authorized to transact business 45344
in this state. 45345

(L) In exercising its fiduciary responsibility with respect 45346
to the investment of the assets of the funds, it shall be the 45347
intent of the authority to give consideration to investments that 45348
enhance the general welfare of the state and its citizens where 45349
the investments offer quality, return, and safety comparable to 45350
other investments currently available to the authority. In 45351
fulfilling this intent, equal consideration shall also be given to 45352
investments otherwise qualifying under this section that involve 45353
minority owned and controlled firms and firms owned and controlled 45354
by women, either alone or in joint venture with other firms. 45355

The authority shall adopt, in regular meeting, policies, objectives, or criteria for the operation of the investment program that include asset allocation targets and ranges, risk factors, asset class benchmarks, time horizons, total return objectives, and performance evaluation guidelines. In adopting policies and criteria for the selection of agents with whom the authority may contract for the administration of the assets of the funds, the authority shall give equal consideration to minority owned and controlled firms, firms owned and controlled by women, and ventures involving minority owned and controlled firms and firms owned and controlled by women that otherwise meet the policies and criteria established by the authority. Amendments and additions to the policies and criteria shall be adopted in regular meeting. The authority shall publish its policies, objectives, and criteria under this provision no less often than annually and shall make copies available to interested parties.

When reporting on the performance of investments, the authority shall comply with the performance presentation standards established by the association for investment management and research.

(M) All investments shall be purchased at current market prices and the evidences of title of the investments shall be placed in the hands of the treasurer of state, who is hereby designated as custodian thereof, or in the hands of the treasurer of state's authorized agent. The treasurer of state or the agent shall collect the principal, dividends, distributions, and interest thereon as they become due and payable and place them when so collected into the custodial funds.

The treasurer of state shall pay for investments purchased by the authority on receipt of written or electronic instructions from the authority or the authority's designated agent authorizing the purchase and pending receipt of the evidence of title of the

investment by the treasurer of state or the treasurer of state's 45388
authorized agent. The authority may sell investments held by the 45389
authority, and the treasurer of state or the treasurer of state's 45390
authorized agent shall accept payment from the purchaser and 45391
deliver evidence of title of the investment to the purchaser on 45392
receipt of written or electronic instructions from the authority 45393
or the authority's designated agent authorizing the sale, and 45394
pending receipt of the moneys for the investments. The amount 45395
received shall be placed in the custodial funds. The authority and 45396
the treasurer of state may enter into agreements to establish 45397
procedures for the purchase and sale of investments under this 45398
division and the custody of the investments. 45399

No purchase or sale of any investment shall be made under 45400
this section except as authorized by the authority. 45401

Any statement of financial position distributed by the 45402
authority shall include fair value, as of the statement date, of 45403
all investments held by the authority under this section. 45404

Sec. 3334.12. Notwithstanding anything to the contrary in 45405
sections 3334.07 and 3334.09 of the Revised Code: 45406

(A) Annually, the Ohio tuition trust authority shall have the 45407
actuarial soundness of the Ohio tuition trust fund evaluated by a 45408
nationally recognized actuary and shall determine whether 45409
additional assets are necessary to defray the obligations of the 45410
authority. If, after the authority sets the price for tuition 45411
units, circumstances arise that the executive director determines 45412
necessitate an additional evaluation of the actuarial soundness of 45413
the fund, the executive director shall have a nationally 45414
recognized actuary conduct the necessary evaluation. If the assets 45415
of the fund are insufficient to ensure the actuarial soundness of 45416
the fund, the authority shall adjust the price of subsequent 45417
purchases of tuition units to the extent necessary to help restore 45418

the actuarial soundness of the fund. If, at any time, the 45419
adjustment is likely, in the opinion of the authority, to diminish 45420
the marketability of tuition units to an extent that the continued 45421
sale of the units likely would not restore the actuarial soundness 45422
of the fund and external economic factors continue to negatively 45423
impact the soundness of the program, the authority may suspend 45424
sales, either permanently or temporarily, of tuition units. During 45425
any suspension, the authority shall continue to service existing 45426
college savings program accounts. 45427

(B) Upon termination of ~~the program~~ all programs or 45428
liquidation of the Ohio tuition trust fund, the Ohio tuition trust 45429
reserve fund, and the Ohio tuition trust operating fund, any 45430
remaining assets of the funds after all obligations of the funds 45431
have been satisfied pursuant to division (B) of section 3334.11 of 45432
the Revised Code shall be transferred to the general revenue fund 45433
of the state. 45434

(C) The authority shall prepare and cause to have audited an 45435
annual financial report on all financial activity of the Ohio 45436
tuition trust authority within ninety days of the end of the 45437
fiscal year. The authority shall transmit a copy of the audited 45438
financial report to the governor, the president of the senate, the 45439
speaker of the house of representatives, and the minority leaders 45440
of the senate and the house of representatives. Copies of the 45441
audited financial report also shall be made available, upon 45442
request, to the persons entering into contracts with the authority 45443
and to prospective purchasers of tuition units and prospective 45444
contributors to variable college savings program accounts. 45445

Sec. 3343.04. The board of trustees of the Central state 45446
university shall meet in regular session at the university twice a 45447
year. ~~The first meeting shall be on the third Thursday in June,~~ 45448
~~and the second on the first Thursday in November of each year.~~ 45449

Other meetings may be called and held at such places as the board 45450
prescribes. A majority of the board present at any meeting shall 45451
constitute a quorum; but a majority of the board shall be 45452
necessary to elect or remove a president, business manager, or 45453
professor. The trustees shall receive no compensation for their 45454
services, but shall be paid their expenses for traveling and other 45455
reasonable and necessary expenses while engaged in the discharge 45456
of their official duties. 45457

this section, and a pledge of and lien on such fund or funds 45640
provided in the bond proceedings arising from available receipts, 45641
which pledges and liens may provide for parity with obligations 45642
theretofore or thereafter issued by the institution. The available 45643
receipts so pledged and thereafter received by the institution and 45644
the funds so pledged are immediately subject to the lien of such 45645
pledge without any physical delivery thereof or further act, and 45646

parties having claims of any kind against the institution, 45648

certificate, statement, or other document with respect thereto; 45654

provision; 45702

higher education or a facsimile thereof affixed thereto or printed 45711
thereon and shall be executed by such officers as are designated 45712
in the bond proceedings, which execution may be by facsimile 45713
signatures. Any obligations may be executed by an officer who, on 45714
the date of execution, is the proper officer although on the date 45715
of such obligations such person was not the proper officer. In 45716
case any officer whose signature or a facsimile of whose signature 45717
appears on any such obligation ceases to be such officer before 45718
delivery thereof, such signature or facsimile is nevertheless 45719
valid and sufficient for all purposes as if the person had 45720
remained such officer until such delivery; and in case the seal of 45721
the institution has been changed after a facsimile of the seal has 45722
been imprinted on such obligations, such facsimile seal continues 45723
to be sufficient as to such obligations and obligations issued in 45724
substitution or exchange therefor. 45725

(G) All such obligations are negotiable instruments and 45726

institution of higher education may issue interim receipts or 45740

obligations. 45742

(I) Such obligations may be secured additionally by a trust 45743
agreement or indenture between the institution of higher education 45744
and a corporate trustee, which may be any trust company or bank 45745
having the powers of a trust company within or without this state 45746
but authorized to exercise trust powers within this state. Any 45747
such agreement or indenture may contain the resolution authorizing 45748
the issuance of the obligations, any provisions that may be 45749

and other provisions which are customary or appropriate in an 45751
agreement or indenture of such type, including: 45752

payments or agreement by mandamus, the appointment of a receiver, 45763
suit in equity, action at law, or any combination of the 45764

foregoing; 45765

(3) The rights and remedies of the holders of obligations and 45766
of the trustee, and provisions for protecting and enforcing them, 45767

or are destroyed, lost, or stolen; 45771

(5) Such other provisions as the trustee and the institution 45772
of higher education agree upon, including limitations, conditions, 45773

the proceeds of such bonds or renewal notes, or both, as the 45793
institution of higher education provides in its resolution 45794
authorizing such notes. Such notes may be additionally secured by 45795

covenants of the institution to the effect that it will do such or 45796

notes in appropriate amount, and either exchange such bonds or 45798
renewal notes therefor or apply the proceeds thereof to the extent 45799

for two-year terms, two trustees shall be appointed for three-year 46313
terms, two trustees shall be appointed for four-year terms, and 46314

of the same month of the year as did the term that it succeeds. 46318

Each trustee shall hold office from the date of the trustee's 46319
appointment until the end of the term for which the trustee was 46320
appointed. Any trustee appointed to fill a vacancy occurring 46321
before the expiration of the term for which the trustee's 46322

predecessor was appointed shall hold office for the remainder of 46323
that term. Any trustee shall continue in office subsequent to the 46324
expiration date of the trustee's term until the trustee's 46325
successor takes office, or until a period of sixty days has 46326
elapsed, whichever occurs first. 46327

If a vacancy occurs and the Jefferson county tax levy is no 46328
longer in place or a conversion under division (H) of this section 46329
has occurred, the governor shall fill the vacancy with a person 46330
residing within the eastern gateway community college district. 46331

college district shall continue to comply with division (G) of 46333

all eastern gateway community college district classes in all 46338
district locations. Except as provided in division (F)(3) of this 46339
section, students who are residents of Columbiana, Mahoning, or 46340

auditors of Jefferson, Columbiana, Mahoning, and Trumbull 46363
counties; or 46364

(b) In the first tax year for which the tax is collected, the 46365
effective tax rate of the tax is equal to or greater than the 46366
effective tax rate of levies of the community college district in 46367

the county auditors of Jefferson, Columbiana, Mahoning, and 46369
Trumbull counties. 46370

As used in this division, "effective tax rate" means the 46371

46386
46387
46388

(c) "Tax duplicate" means the tax duplicate of only the appropriate taxing subdistrict and not the tax duplicate of the entire eastern gateway community college district. 46389

The board of trustees may adjust the rate of tuition charged 46421
to each taxing subdistrict's residents to an amount commensurate 46422
with the amount of tax the board of trustees dedicates for 46423
instructional and general services provided to the residents of 46424

(G) The board of trustees of the eastern gateway community 46426

into a transition agreement with the chancellor following the 46440
procedures set forth in section 3358.05 of the Revised Code for a 46441
technical college district. 46442

Sec. 3354.26. Notwithstanding the provisions in section 46443
3354.07 and division (A) of section 3354.09 of the Revised Code, 46444
which allow the board of trustees of a community college district 46445
to contract with a generally accredited public university or 46446

trustees of the Rio Grande community college district and the 46448
board of trustees of the university of Rio Grande, a private 46449
nonprofit corporation also located in Rio Grande, Ohio, may enter 46450

the university of Rio Grande to provide any services for the 46452

employ and make personnel decisions regarding the treasurer or 46464
other fiscal officer of the community college and any other 46465
personnel the community college board considers necessary for the 46466
operation of the community college. The purpose of the contracts 46467
shall be to provide the necessary leadership and to secure the 46468
efficient and effective provision of educational services for the 46469
community college from the university. The board of trustees of 46470
Rio Grande community college may terminate any such contract if a 46471
majority of the members of the board determines that the contract 46472
is no longer in the best interests of the community college. Each 46473
such contract shall include a provision for termination of the 46474
contract. 46475

Sec. 3365.04. The rules adopted under section 3365.02 of the 46476
Revised Code shall provide for students to enroll in courses under 46477
either of the following options: 46478

(A) The student may elect at the time of enrollment to be responsible for payment of all tuition and the cost of all textbooks, materials, and fees associated with the course. The college shall notify the student about payment of tuition and fees in the customary manner followed by the college. A student electing this option also shall elect, at the time of enrollment, whether to receive only college credit or high school credit and college credit for the course.

(1) The student may elect to receive only college credit for the course. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course, but the board of education, community school governing authority, STEM school, or nonpublic participating school shall not award the high school credit.

(2) The student may elect to receive both high school credit and college credit for the course. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course and the board of education, community school governing authority, STEM school, or nonpublic school shall award the student high school credit.

(B) The student may elect at the time of enrollment for each course to have the college reimbursed under section 3365.07 of the Revised Code or as provided in alternative funding agreements entered into under rules adopted under section 3365.12 of the Revised Code. Except as provided in section 3365.041 of the Revised Code, if the student successfully completes the course, the college shall award the student full credit for the course, the board of education, community school governing authority, STEM school, or nonpublic school shall award the student high school credit, and the college shall be reimbursed in accordance with

section 3365.07 of the Revised Code or alternative funding 46511
agreements entered into under rules adopted under section 3365.12 46512
of the Revised Code. 46513

When determining a school district's formula ADM under 46514
section 3317.03 of the Revised Code, the time a participant is 46515
attending courses under division (A) of this section shall be 46516
considered as time the participant is not attending or enrolled in 46517
school anywhere, and the time a participant is attending courses 46518
under division (B) of this section shall be considered as time the 46519
participant is attending or enrolled in the district's schools. 46520

Sec. 3365.041. (A) When a school district superintendent, the 46521
governing authority of a community school, or the chief 46522
administrative officer of a STEM school expels a student under 46523
division (B) of section 3313.66 of the Revised Code, the district 46524
superintendent, governing authority, or chief administrative 46525
officer shall send a written notice of the expulsion to any 46526
college in which the expelled student is enrolled under section 46527
3365.03 of the Revised Code at the time the expulsion is imposed. 46528
The notice shall indicate the date the expulsion is scheduled to 46529
expire. The notice also shall indicate whether the district board 46530
of education, community school governing authority, or the STEM 46531
school has adopted a policy under section 3313.613 of the Revised 46532
Code to deny high school credit for post-secondary courses taken 46533
during an expulsion. If the expulsion is extended under division 46534
(F) of section 3313.66 of the Revised Code, the district 46535
superintendent, community school governing authority, or STEM 46536
school chief administrative officer shall notify the college of 46537
the extension. 46538

(B) A college may withdraw its acceptance under section 46539
3365.03 of the Revised Code of a student who is expelled from 46540
school under division (B) of section 3313.66 of the Revised Code. 46541

As provided in section 3365.03 of the Revised Code, regardless of 46542
whether the college withdraws its acceptance of the student for 46543
the college term in which the student is expelled, the student is 46544
ineligible to enroll in a college under that section for 46545
subsequent college terms during the period of the expulsion, 46546
unless the student enrolls in another school district or community 46547
school, or a participating nonpublic school during that period. 46548

If a college withdraws its acceptance of an expelled student 46549
who elected either option of division (A)(1) or (2) of section 46550
3365.04 of the Revised Code, the college shall refund tuition and 46551
fees paid by the student in the same proportion that it refunds 46552
tuition and fees to students who voluntarily withdraw from the 46553
college at the same time in the term. 46554

If a college withdraws its acceptance of an expelled student 46555
who elected the option of division (B) of section 3365.04 of the 46556
Revised Code, the school district, community school, or STEM 46557
school shall not award high school credit for the college courses 46558
in which the student was enrolled at the time the college withdrew 46559
its acceptance, and any reimbursement under section 3365.07 of the 46560
Revised Code or through alternative funding agreements entered 46561
into under rules adopted under section 3365.12 of the Revised Code 46562
for the student's attendance prior to the withdrawal shall be the 46563
same as would be paid for a student who voluntarily withdrew from 46564
the college at the same time in the term. If the withdrawal 46565
results in the college's receiving no reimbursement, the college 46566
may require the student to return or pay for the textbooks and 46567
materials it provided the student free of charge under section 46568
3365.08 of the Revised Code. 46569

(C) When a student who elected the option of division (B) of 46570
section 3365.04 of the Revised Code is expelled under division (B) 46571
of section 3313.66 of the Revised Code from a school district, 46572
community school, or STEM school that has adopted a policy under 46573

section 3313.613 of the Revised Code, that election is 46574
automatically revoked for all college courses in which the student 46575
is enrolled during the college term in which the expulsion is 46576
imposed. Any reimbursement under section 3365.07 of the Revised 46577
Code or through alternative funding agreements entered into under 46578
rules adopted under section 3365.12 of the Revised Code for the 46579
student's attendance prior to the expulsion shall be the same as 46580
would be paid for a student who voluntarily withdrew from the 46581
college at the same time in the term. If the revocation results in 46582
the college's receiving no reimbursement, the college may require 46583
the student to return or pay for the textbooks and materials it 46584
provided the student free of charge under section 3365.08 of the 46585
Revised Code. 46586

No later than five days after receiving an expulsion notice 46587
from the superintendent of a district, the governing authority of 46588
a community school, or the chief administrative officer of a STEM 46589
school that has adopted a policy under section 3313.613 of the 46590
Revised Code, the college shall send a written notice to the 46591
expelled student that the student's election of division (B) of 46592
section 3365.04 of the Revised Code is revoked. If the college 46593
elects not to withdraw its acceptance of the student, the student 46594
shall pay all applicable tuition and fees for the college courses 46595
and shall pay for the textbooks and materials that the college 46596
provided under section 3365.08 of the Revised Code. 46597

Sec. 3365.07. (A) The rules adopted under section 3365.02 of 46598
the Revised Code shall specify a method for each of the following: 46599

(1) Determining, with respect to any participant, the 46600
percentage of a full-time educational program constituted by the 46601
participant's total educational program. That percentage shall be 46602
the participant's full-time equivalency percentage for purposes of 46603
the computation required by division (B)(1) of this section. 46604

(2) In the case of a participant who is not enrolled in a participating nonpublic school, determining the percentage of a participant's school day during which the participant is participating in each of the following:

(a) Programs provided by the city, local, or exempted village school district, a community school, or a STEM school;

(b) Programs provided by a joint vocational school district;

(c) Programs provided by a college under division (B) of section 3365.04 of the Revised Code.

The sum of divisions (A)(2)(a) to (c) of this section shall equal one hundred per cent.

(3) In the case of a participant who is not enrolled in a participating nonpublic school, determining the percentage of a participant's enrollment that shall be deemed to be enrollment in a joint vocational school district and the percentage that shall be deemed to be enrollment in a city, local, or exempted village school district. The sum of such percentages shall equal one hundred per cent.

(4) In the case of a participant who is enrolled in a participating nonpublic school, determining the percentage of a participant's school day during which the participant is participating in programs provided by a college under division (B) of section 3365.04 of the Revised Code.

(B) Each July, unless provided otherwise in an alternative funding agreement entered into under rules adopted under section 3365.12 of the Revised Code, the department of education shall pay each college for any participant enrolled in the college in the prior school year under division (B) of section 3365.04 of the Revised Code an amount computed as follows:

(1) Multiply the tuition base by the participant's full-time

equivalency percentage and multiply the resulting amount by a 46635
percentage equal to the percentage of the participant's school day 46636
apportioned to the college under division (A)(2)(c) or (4) of this 46637
section, as applicable. 46638

(2) Pay the college the lesser of: 46639

(a) The amount computed under division (B)(1) of this 46640
section; 46641

(b) The actual costs that would have been the responsibility 46642
of the participant had the participant elected to enroll under 46643
division (A) of section 3365.04 of the Revised Code, as verified 46644
by the department, of tuition, textbooks, materials, and fees 46645
directly related to any courses elected by the participant during 46646
the prior school year under division (B) of section 3365.04 of the 46647
Revised Code. 46648

(C) The department shall not reimburse any college for any 46649
course taken by a participant under division (A) of section 46650
3365.04 of the Revised Code. 46651

(D) If the participant was not enrolled in a participating 46652
nonpublic school, the amount paid under division (B) of this 46653
section for each participant shall be subtracted from the school 46654
foundation payments made to the participant's school district or, 46655
if the participant was enrolled in a community school or a STEM 46656
school, from the payments made to the participant's school under 46657
section 3314.08 or 3326.33 of the Revised Code. If the participant 46658
was enrolled in a joint vocational school district, a portion of 46659
the amount shall be subtracted from the payments to the joint 46660
vocational school district and a portion shall be subtracted from 46661
the payments to the participant's city, local, or exempted village 46662
school district. The amount of the payment subtracted from the 46663
city, local, or exempted village school district shall be computed 46664
as follows: 46665

(1) Add the following: 46666

(a) The percentage of the participant's enrollment in the 46667
school district, determined under division (A)(3) of this section; 46668
and 46669

(b) Twenty-five per cent times the percentage of the 46670
participant's enrollment in the joint vocational school district, 46671
determined under division (A)(3) of this section. 46672

(2) Multiply the sum obtained under division (D)(1) of this 46673
section by the amount computed under division (B)(2) of this 46674
section. 46675

The balance of the payment shall be subtracted from the joint 46676
vocational district's school foundation payments. 46677

(E) If the participant was enrolled in a participating 46678
nonpublic school, the amount paid under division (B) of this 46679
section shall be subtracted from moneys set aside by the general 46680
assembly for such purpose from funds appropriated for the purposes 46681
of section 3317.06 of the Revised Code. 46682

Sec. 3365.08. (A) A college that expects to receive or 46683
receives reimbursement under section 3365.07 of the Revised Code 46684
or through alternative funding agreements entered into under rules 46685
adopted under section 3365.12 of the Revised Code shall furnish to 46686
a participant all textbooks and materials directly related to a 46687
course taken by the participant under division (B) of section 46688
3365.04 of the Revised Code. No college shall charge such 46689
participant for tuition, textbooks, materials, or other fees 46690
directly related to any such course. 46691

(B) No student enrolled under this chapter in a course for 46692
which credit toward high school graduation is awarded shall 46693
receive direct financial aid through any state or federal program. 46694

(C) If a school district provides transportation for resident 46695

school students in grades eleven and twelve under section 3327.01 46696
of the Revised Code, a parent of a pupil enrolled in a course 46697
under division (A)(2) or (B) of section 3365.04 of the Revised 46698
Code may apply to the board of education for full or partial 46699
reimbursement for the necessary costs of transporting the student 46700
between the secondary school the student attends and the college 46701
in which the student is enrolled. Reimbursement may be paid solely 46702
from funds received by the district under division (D) of section 46703
3317.022 of the Revised Code. The state board of education shall 46704
establish guidelines, based on financial need, under which a 46705
district may provide such reimbursement. 46706

(D) If a community school provides or arranges transportation 46707
for its pupils in grades nine through twelve under section 46708
3314.091 of the Revised Code, a parent of a pupil of the community 46709
school who is enrolled in a course under division (A)(2) or (B) of 46710
section 3365.04 of the Revised Code may apply to the governing 46711
authority of the community school for full or partial 46712
reimbursement of the necessary costs of transporting the student 46713
between the community school and the college. The governing 46714
authority may pay the reimbursement in accordance with the state 46715
board's rules adopted under division (C) of this section solely 46716
from funds paid to it under section 3314.091 of the Revised Code. 46717

Sec. 3365.09. Section 3365.07 ~~and~~ divisions (A) and (C) of 46718
section 3365.08, and agreements entered into under rules adopted 46719
under section 3365.12 of the Revised Code do not apply to any 46720
college course in which a student is enrolled if during the term 46721
such student is enrolled in the college course the student is also 46722
a full-time student in the student's district, community school, 46723
STEM school, or nonpublic school. The rules adopted under section 46724
3365.02 of the Revised Code shall prescribe a method for 46725
determining whether a student is enrolled full-time in the 46726
student's district, community school, STEM school, or nonpublic 46727

school. 46728

Sec. 3365.10. As used in this section, the "base amount" for 46729
any school year is one million dollars. "Full-time equivalency 46730
percentage" and "percentage of the school day" enrolled in college 46731
shall be determined under the rules described by divisions (A)(1) 46732
and (4) of section 3365.07 of the Revised Code or the rules 46733
adopted under section 3365.12 of the Revised Code. 46734

(A) Each nonpublic school student who wishes to become a 46735
participant in any school year shall send to the department of 46736
education a copy of ~~his~~ the student's acceptance from a college 46737
and an application. The application shall be made on forms 46738
provided by the state board and shall include information about 46739
the student's proposed participation, including the school year in 46740
which ~~he~~ the student wishes to participate; the semesters or terms 46741
the student wishes to enroll during such year; the student's 46742
expected full-time equivalency percentage for each such semester 46743
or term; and the percentage of the school day each such semester 46744
or term that the student expects to be enrolled in programs 46745
provided by a college under division (B) of section 3365.04 of the 46746
Revised Code. The department shall mark each application with the 46747
date and time of receipt. 46748

(B) Calculations involving applications under this division 46749
shall be made in the order in which the applications are received. 46750

Upon receipt of an application under division (A) of this 46751
section, the department shall calculate the amount the college 46752
would be paid under division (B) of section 3365.07 of the Revised 46753
Code or through alternative funding agreements entered into under 46754
rules adopted under section 3365.12 of the Revised Code for the 46755
student's expected participation. The For calculations made under 46756
division (B) of section 3365.07 of the Revised Code, the 46757
department shall subtract each such calculated amount from the 46758

base amount for that year, or the amount remaining for that year 46759
after the subtraction from the base amount of amounts previously 46760
calculated under this division as a result of prior applications 46761
for participation in that year, whichever is the lesser amount. 46762

(C) If such a subtraction under division (B) of this section 46763
results in a positive number, the department shall notify the 46764
applicant within three weeks of the receipt of ~~his~~ the application 46765
that ~~he~~ such applicant may participate in the post-secondary 46766
enrollment options program to the extent indicated in the 46767
application. 46768

(D) If such a subtraction under division (B) of this section 46769
results in a negative number, the department shall, within one 46770
week of the receipt of such application, notify the applicant, the 46771
applicant's nonpublic school, and the college accepting the 46772
applicant that funds will not be available for the applicant's 46773
participation in the program during the year for which the 46774
application was made. The department shall also notify all 46775
applicants whose applications for that year are subsequently 46776
received, their nonpublic schools, and the colleges accepting them 46777
of the same fact. 46778

(E) No applicant receiving notification under division (D) of 46779
this section may become a participant under division (B) of 46780
section 3365.04 of the Revised Code for the year for which ~~he~~ the 46781
applicant applied and no college shall be paid under division (B) 46782
of section 3365.07 of the Revised Code or through alternative 46783
funding agreements entered into under rules adopted under section 46784
3365.12 of the Revised Code for participation by any such 46785
applicant in such year. 46786

Sec. 3365.12. The superintendent of public instruction and 46787
the chancellor of the Ohio board of regents jointly may adopt 46788
rules in accordance with Chapter 119. of the Revised Code 46789

permitting a board of education of a school district or joint 46790
vocational school district, governing authority of a community 46791
school, governing body of a STEM school, or governing authority of 46792
a participating nonpublic school to enter into an agreement with a 46793
college or university to use an alternate funding formula to 46794
calculate, or an alternate method to transmit, the amount the 46795

are paid. 46863

(C) The compensation of judges of elections and intermittent 46864
employees in the board's offices; the cost of renting, moving, 46865

primaries or elections are held. The charge for each primary or 46878
general election in odd-numbered years for each subdivision shall 46879
be determined in the following manner: first, the total cost of 46880
all chargeable items used in conducting such elections shall be 46881
ascertained; second, the total charge shall be divided by the 46882
number of precincts participating in such election, in order to 46883

fix the cost per precinct; third, the cost per precinct shall be 46884
prorated by the board of elections to the subdivisions conducting 46885
elections for the nomination or election of offices in such 46886

determined by adding the charges prorated to it in each precinct 46888
within the subdivision. 46889

(D) The entire cost of special elections held on a day other 46890
than the day of a primary or general election, both in 46891
odd-numbered or in even-numbered years, shall be charged to the 46892
subdivision. Where a special election is held on the same day as a 46893
primary or general election in an even-numbered year, the 46894
subdivision submitting the special election shall be charged only 46895
for the cost of ballots and advertising. Where a special election 46896
is held on the same day as a primary or general election in an 46897
odd-numbered year, the subdivision submitting the special election 46898
shall be charged for the cost of ballots and advertising for such 46899
special election, in addition to the charges prorated to such 46900
subdivision for the election or nomination of candidates in each 46901
precinct within the subdivision, as set forth in the preceding 46902
paragraph. 46903

(E) Where a special election is held on the day specified by 46904
division (E) of section 3501.01 of the Revised Code for the 46905
holding of a primary election, for the purpose of submitting to 46906
the voters of the state constitutional amendments proposed by the 46907
general assembly, and a subdivision conducts a special election on 46908
the same day, the entire cost of the special election shall be 46909
divided proportionally between the state and the subdivision based 46910
upon a ratio determined by the number of issues placed on the 46911
ballot by each, except as otherwise provided in division (G) of 46912
this section. Such proportional division of cost shall be made 46913
only to the extent funds are available for such purpose from 46914
amounts appropriated by the general assembly to the secretary of 46915

state. If a primary election is also being conducted in the 46916
subdivision, the costs shall be apportioned as otherwise provided 46917
in this section. 46918

(F) When a precinct is open during a general, primary, or 46919
special election solely for the purpose of submitting to the 46920
voters a statewide ballot issue, the state shall bear the entire 46921
cost of the election in that precinct and shall reimburse the 46922
county for all expenses incurred in opening the precinct. 46923

(G)(1) The state shall bear the entire cost of advertising in 46924
newspapers statewide ballot issues, explanations of those issues, 46925
and arguments for or against those issues, as required by Section 46926

controlling board shall be used to reimburse the secretary of 46929
state for all expenses the secretary of state incurs for such 46930
advertising under division (G) of section 3505.062 of the Revised 46931

transfers approved by the controlling board, and shall be used by 46935
the secretary of state to pay the costs of advertising state 46936
ballot issues as required under division (G)(1) of this section. 46937
Any such transfers may be requested from and approved by the 46938
controlling board prior to placing the advertising, in order to 46939
facilitate timely provision of the required advertising. 46940

(H) The cost of renting, heating, and lighting registration 46941
places; the cost of the necessary books, forms, and supplies for 46942
the conduct of registration; and the cost of printing and posting 46943
precinct registration lists shall be charged to the subdivision in 46944
which such registration is held. 46945

(I) At the request of a majority of the members of the board 46946

of elections, the board of county commissioners may, by 46947
resolution, establish an elections revenue fund. Except as 46948
otherwise provided in this division, the purpose of the fund shall 46949
be to accumulate revenue withheld by or paid to the county under 46950
this section for the payment of any expense related to the duties 46951
of the board of elections specified in section 3501.11 of the 46952
Revised Code, upon approval of a majority of the members of the 46953
board of elections. The fund shall not accumulate any revenue 46954
withheld by or paid to the county under this section for the 46955
compensation of the members of the board of elections or of the 46956
director, deputy director, or other regular employees in the 46957
board's offices, other than compensation for overtime worked. 46958

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the 46959
Revised Code, the board of county commissioners may, by 46960
resolution, transfer money to the elections revenue fund from any 46961
other fund of the political subdivision from which such payments 46962
lawfully may be made. Following an affirmative vote of a majority 46963
of the members of the board of elections, the board of county 46964
commissioners may, by resolution, rescind an elections revenue 46965
fund established under this division. If an elections revenue fund 46966
is rescinded, money that has accumulated in the fund shall be 46967
transferred to the county general fund. 46968

(H)(1) As used in division (H) of this section, "mismatch"

(E) When reviewing applications for certificates of need or 48448

Sec. 3702.524. (A) Except as provided in division (B) ~~or (C)~~ 48475
of this section, a certificate of need granted on or after April 48476
20, 1995, is not transferable prior to the completion of the 48477
reviewable activity for which it was granted. If any person 48478
holding a certificate of need issued on or after that date 48479
transfers the certificate of need to another person before the 48480

reviewable activity is completed, or enters into an agreement that 48481
contemplates the transfer of the certificate of need on the 48482
completion of the reviewable activity, the certificate of need is 48483
void. If the controlling interest in an entity that holds a 48484
certificate of need issued on or after that date is transferred 48485
prior to the completion of the reviewable activity, the 48486
certificate of need is void. 48487

(B) Division (A) of this section does not prohibit the 48488
transfer of a certificate of need issued on or after April 20, 48489
1995, between affiliated or related persons, as defined in rules 48490

does not result in a change in the person that holds the ultimate 48492
controlling interest, as defined in the rules, in the certificate 48493
of need. 48494

The transfer of a health care facility after the completion 48495
of a reviewable activity for which a certificate of need was 48496
issued on or after April 20, 1995, is not a transfer of the 48497
certificate of need, unless the facility is transferred pursuant 48498
to an agreement entered into prior to the completion of the 48499
reviewable activity. 48500

~~(C) Division (A) of this section does not apply to a transfer 48501
of a certificate of need that meets all of the following 48502
conditions: 48503~~

~~(1) The certificate of need is transferred for no more than 48504
the amount of money the person transferring the certificate 48505
expended for reasonable and necessary expenses incurred in 48506
applying for and obtaining the certificate; 48507~~

~~(2) The person holding the certificate of need is unable to 48508
complete the reviewable activity for which it was issued due to 48509
circumstances beyond the person's control, including zoning 48510
restrictions, natural disasters, or comparable events; 48511~~

~~(3) The director, after reviewing documentation supplied by the person transferring the certificate of need, certifies in writing prior to the transfer that the transfer meets the conditions specified in divisions (C)(1) and (2) of this section.~~

~~If the person that acquires a certificate of need under this division intends to implement the project other than in substantial compliance with the approved application for the certificate, that change is a reviewable activity for which the person must obtain another certificate of need.~~

Sec. 3702.525. (A) Not later than twenty-four months after the date the director of health mails the notice that the certificate of need has been granted or, if the grant or denial of the certificate of need is appealed under section 3702.60 of the Revised Code, not later than twenty-four months after issuance of an order granting the certificate that is not subject to further appeal, each person holding a certificate of need granted on or after April 20, 1995, shall:

(1) If the project for which the certificate of need was granted primarily involves construction and is to be financed primarily through external borrowing of funds, secure financial commitment for the stated purpose of developing the project and commence construction that continues uninterrupted except for interruptions or delays that are unavoidable due to reasons beyond the person's control, including labor strikes, natural disasters, material shortages, or comparable events;

(2) If the project for which the certificate of need was granted primarily involves construction and is to be financed primarily internally, receive formal approval from the holder's board of directors or trustees or other governing authority to commit specified funds for implementation of the project and commence construction that continues uninterrupted except for

interruptions or delays that are unavoidable due to reasons beyond 48543
the person's control, including labor strikes, natural disasters, 48544
material shortages, or comparable events; 48545

(3) If the project for which the certificate of need was 48546
granted primarily involves acquisition of medical equipment, enter 48547
into a contract to purchase or lease the equipment and to accept 48548
the equipment at the site for which the certificate was granted; 48549

(4) If the project for which the certificate of need was 48550
granted involves no capital expenditure or only minor renovations 48551
to existing structures, provide the health service or activity by 48552
the means specified in the approved application for the 48553
certificate; 48554

(5) If the project for which the certificate of need was 48555
granted primarily involves leasing a building or space that 48556
requires only minor renovations to the existing space, execute a 48557
lease and provide the health service or activity by the means 48558
specified in the approved application for the certificate; 48559

(6) If the project for which the certificate of need was 48560
granted primarily involves leasing a building or space that has 48561
not been constructed or requires substantial renovations to 48562
existing space, commence construction for the purpose of 48563
implementing the reviewable activity that continues uninterrupted 48564
except for interruptions or delays that are unavoidable due to 48565
reasons beyond the person's control, including labor strikes, 48566
natural disasters, material shortages, or comparable events. 48567

(B) The twenty-four-month period specified in division (A) of 48568
this section shall not be extended by any means, including the 48569
~~transfer of a certificate of need under division (C) of section~~ 48570

director of health documentation of compliance with that division 48574
not later than the earlier of thirty days after complying with 48575
that division or five days after the twenty-four-month period 48576
expires. Not later than the earlier of fifteen days after 48577
receiving the documentation or fifteen days after the 48578
twenty-four-month period expires, the director shall send by 48579
certified mail a notice to the holder of the certificate of need 48580
specifying whether the holder has complied with division (A) of 48581
this section. 48582

division (B) of this section, if the holder fails to comply with 48590
division (A) or (C) of this section or to provide information 48591
under division (B) of this section as necessary for the director 48592
to determine compliance. 48593

Sec. 3702.53. (A) No person shall carry out any reviewable 48594

the person is exempted by division ~~(T)~~(S) of section 3702.51 or 48597
section ~~3702.527, 3702.528, 3702.529,~~ 3702.5210~~7~~, or 3702.62 of the 48598

fifty thousand dollars. 48635

(B)(1) Notwithstanding section 3702.52 of the Revised Code, 48636

person provides health services. The director's finding of 48665
community hardship shall not affect the granting or denial of any 48666
future certificate of need application filed by the person. 48667

facilities within a specified distance of the address that is 49691
listed on the owner's motor vehicle registration. 49692

(b) A requirement that the vendor selected to operate the 49693
program spend not more than five hundred thousand dollars over the 49694
term of the contract for public education regarding the locations 49695
at which motor vehicle inspections will be conducted; 49696

(c) A requirement that the vendor selected to operate the 49697
program acquire all facilities that were previously utilized for 49698
motor vehicle emissions inspections via arm's-length transactions 49699
at the discretion of the interested parties if the vendor chooses 49700
to utilize those inspection facilities for purposes of the 49701
contract. The competitive selection process shall not include a 49702
requirement that a vendor pay book value for such facilities. 49703

(d) A requirement that the motor vehicle inspection and 49704
maintenance program utilize established local businesses, such as 49705
existing motor vehicle repair facilities, for the purpose of 49706
expanding the number of inspection facilities for consumer 49707
convenience and increased local business participation. 49708

initiated for purposes of a new contract to operate a motor 49710
vehicle inspection and maintenance program in this state shall 49711

comply with division (A)(3) of this section. 49712

(5) A motor vehicle inspection and maintenance program 49713
operated under this section shall comply with division (B) of this 49714
section. The director of environmental protection shall administer 49715
the motor vehicle inspection and maintenance program operated 49716
under this section. 49717

(B) The motor vehicle inspection and maintenance program 49718
authorized by this section, at a minimum, shall do all of the 49719

~~31, 2007, with the contractor who conducted the enhanced motor~~ 49724
~~vehicle inspection and maintenance program in those federally~~ 49725
~~mandated counties pursuant to a contract entered into under former~~ 49726
~~section 3704.14 of the Revised Code as that section existed prior~~ 49727
~~to its repeal and reenactment by Am. Sub. H.B. 66 of the 126th~~ 49728
~~General Assembly;~~ 49729

~~(3) Provide for the issuance of inspection certificates;~~ 49730

~~(4)(3) Provide for a new car exemption for motor vehicles~~ 49731
four years old or newer and provide that a new motor vehicle is 49732
exempt for four years regardless of whether legal title to the 49733
motor vehicle is transferred during that period. 49734

~~(B)(C) The director shall not implement a motor vehicle~~ 49735
~~inspection and maintenance program in any county other than a~~ 49736
~~county in which a motor vehicle inspection and maintenance program~~ 49737
~~is federally mandated~~ A motor vehicle inspection and maintenance 49738
program shall not be implemented in any county in which a 49739
program is not authorized under division (A) of this section 49740
without the approval of the general assembly through the enactment 49741
of legislation. Further, a motor vehicle inspection and 49742

maintenance program shall not be implemented in any county beyond 49743
June 30, 2012, without the approval of the general assembly 49744

~~(C)~~(D) The director of environmental protection shall adopt 49746
rules in accordance with Chapter 119. of the Revised Code that the 49747
director determines are necessary to implement this section. The 49748
director may continue to implement and enforce rules pertaining to 49749
the ~~enhanced~~ motor vehicle inspection and maintenance program 49750
previously implemented under former section 3704.14 of the Revised 49751
Code as that section existed prior to its repeal and reenactment 49752
by Am. Sub. H.B. 66 of the 126th general assembly, provided that 49753
the rules do not conflict with this section. 49754
49755

~~(D)~~(E) There is hereby created in the state treasury the 49756
~~motor vehicle inspection and maintenance~~ auto emissions test fund, 49757
which shall consist of money received by the director from any 49758

use money in the fund solely for the implementation, supervision, 49763
administration, operation, and enforcement of the ~~enhanced~~ motor 49764
vehicle inspection and maintenance program established under this 49765
section. Money in the fund shall not be used for either of the 49766
following: 49767

(1) To pay for the inspection costs incurred by a motor 49768
vehicle dealer so that the dealer may provide inspection 49769
certificates to an individual purchasing a motor vehicle from the 49770
dealer when that individual resides in a county that is subject to 49771
the motor vehicle inspection and maintenance program; 49772

(2) To provide payment for more than one free passing 49773
emissions inspection or a total of three emissions inspections for 49774

a motor vehicle in any three-hundred-sixty-five day period. The 49775
owner or lessee of a motor vehicle is responsible for inspection 49776
fees that are related to emissions inspections beyond one free 49777
passing emissions inspection or three total emissions inspections 49778
in any three-hundred-sixty-five day period. Inspection fees that 49779
are charged by a contractor conducting emissions inspections under 49780
a motor vehicle inspection and maintenance program shall be 49781
approved by the director of environmental protection. 49782

~~(E)~~(F) The enhanced motor vehicle inspection and maintenance 49783
program established under this section expires on December 31, 49784
2007, upon the termination of all contracts entered into under 49785
this section and shall not be continued implemented beyond that 49786
the final date unless otherwise federally mandated on which 49787
termination occurs. 49788

(G)(1) Notwithstanding the provisions of this section, it is 49789
the intent of the general assembly that the motor vehicle 49790
inspection and maintenance program that was in operation pursuant 49791
to the federal Clean Air Act on January 1, 2009, in certain 49792
counties of this state pursuant to a contract that is scheduled to 49793
expire June 30, 2009, not be extended beyond that date in those 49794
counties. However, if the governor determines that the 49795
continuation of the program in those counties is necessary to 49796
comply with federal law, the governor shall issue executive orders 49797
extending the program in accordance with this section. All 49798
executive orders issued under this section shall include 49799
provisions providing the authority that is necessary for the 49800
director of environmental protection to establish decentralized 49801
approaches that meet federal performance standards. 49802

(2) Upon the issuance of any executive order under this 49803
section, the governor shall notify the general assembly in writing 49804
of the governor's decision to issue the executive order. 49805

(3) It is the intent of the general assembly that a tailpipe 49806

motor vehicle inspection and maintenance program not be 49807
implemented in any county in the state. Moreover, it is the intent 49808
of the general assembly that, if a motor vehicle-based ozone 49809
testing program is mandated by federal law for counties in the 49810
northeastern portion of the state, a tailpipe motor vehicle 49811
inspection and maintenance program not be implemented and that an 49812
onboard diagnostics only inspection and gas-cap testing program be 49813
utilized to satisfy any federal requirements for vehicle emissions 49814
testing. 49815

(H) Not later than thirty days after the effective date of 49816
this amendment and on the first day of January of each subsequent 49817
year, the director of environmental protection shall request the 49818
United States environmental protection agency to provide the 49819
director a list of alternative approaches to meet federal 49820
performance standards and program changes that this state may 49821
employ to comply with the federal Clean Air Act in lieu of the 49822
implementation of a motor vehicle inspection and maintenance 49823
program. Based on the information received from the United States 49824
environmental protection agency, the director shall prepare a 49825
report concerning those alternative approaches. The director shall 49826
issue the report and provide it to the general assembly not later 49827
than thirty days after receiving the list of alternative 49828
approaches from the United States environmental protection agency. 49829

Sec. 3704.144. Gifts, grants, and contributions for the 49830
purpose of adding pollution control equipment to diesel-powered 49831
school buses, including contributions that are made pursuant to 49832
the settlement of an administrative action or civil action that is 49833
brought at the request of the director of environmental protection 49834
pursuant to Chapter 3704., 3714., 3734., 6109., or 6111. of the 49835
Revised Code, shall be credited to the clean diesel school bus 49836
fund, which is hereby created in the state treasury. The director 49837
shall use money credited to the fund to make grants to school 49838

districts in the state and to county boards of mental retardation 49839
and developmental disabilities for the purpose of adding pollution 49840
control equipment to diesel-powered school buses and to pay the 49841
environmental protection agency's costs incurred in administering 49842
this section. In addition, the director may use money credited to 49843
the fund to make grants to school districts and to county boards 49844
of mental retardation and developmental disabilities for the 49845
purpose of maintaining pollution control equipment that is 49846
installed on diesel-powered school buses and to pay the additional 49847
cost incurred by a school district or a county board for using 49848
ultra-low sulfur diesel fuel instead of diesel fuel for the 49849
operation of diesel-powered school buses. 49850

In making grants under this section, the director shall give 49851
priority to school districts and to county boards of mental 49852
retardation and developmental disabilities that are located in a 49853
county that is designated as nonattainment by the United States 49854
environmental protection agency for the fine particulate national 49855
ambient air quality standard under the federal Clean Air Act. In 49856
addition, the director may give a higher priority to a school 49857
district or a county board of mental retardation and developmental 49858
disabilities that employs additional measures that reduce air 49859
pollution from the district's or the county board's school bus 49860
fleet. 49861

The director shall adopt rules establishing procedures and 49862
requirements that are necessary to implement this section, 49863
including procedures and requirements governing applications for 49864
grants. 49865

reproduction of certificates or reports in the office of vital 49883
statistics. These reproductions, when certified by the director or 49884
state registrar, shall be accepted as the original records. The 49885
documents from which the reproductions have been made and verified 49886
may be disposed of as provided by rules that shall be adopted by 49887
the director. 49888

each local registrar of vital statistics in this state, and from a 49892
vital statistics official in another state, in the preceding 49893
calendar month. The state registrar shall identify those death 49894

monitoring system any parameter that is detected through the 50514
monitoring of leachate; 50515

(5) Requirements governing the reporting of leachate sampling 50516
data. The rules shall require that reports be submitted to the 50517

director and the applicable board of health. 50518

(G) Requirements respecting written, narrative plans for the 50519
operation of facilities. The rules shall require the owner or 50520
operator of a facility to use best management practices. In 50521
addition, the rules shall require as a part of the plan of 50522
operation of a facility the inclusion of the contingency plans 50523
required in rules adopted under division (H) of this section. 50524

(H) Requirements respecting contingency plans for effective 50525
action in response to fire or explosion at a facility or to 50526
hydrogen sulfide or other gases created by the operation of a 50527
facility that pose a nuisance, cause an offensive odor, or pose a 50528
threat to public health or safety or the environment; 50529

(I) Financial assurance requirements for the closure and 50530
post-closure care of facilities as follows: 50531

(1) The rules establishing the financial assurance 50532
requirements for the closure of facilities shall require that the 50533
owner or operator of a facility, before being issued an initial 50534
license for the facility under section 3714.06 of the Revised 50535
Code, submit a surety bond, a letter of credit, or other 50536
acceptable financial assurance, as specified by the director in 50537
the rules, in an amount determined by the director or the 50538
appropriate board of health, as applicable. The rules shall 50539
include a list of the activities for which financial assurance may 50540
be required. The rules shall allow the director or board of 50541
health, as applicable, to adjust the amount of a surety bond, a 50542
letter of credit, or other acceptable financial assurance in 50543
conjunction with the issuance of an annual license. However, the 50544
rules shall require that the amount of a surety bond, letter of 50545
credit, or other acceptable financial assurance for the closure of 50546
a facility be not less than thirteen thousand dollars per acre of 50547
land that has been or is being used for the disposal of 50548
construction and demolition debris. The rules shall require an 50549

explanation of the rationale for financial assurance amounts 50550
exceeding thirteen thousand dollars per acre. 50551

(2) The rules establishing the financial assurance 50552
requirements for the post-closure care of facilities shall address 50553
the maintenance of the facility, continuation of any required 50554
monitoring systems, and performance and maintenance of any 50555
specific requirements established in rules adopted under division 50556
(K) of this section or through a permit, license, or order of the 50557
director. The rules also shall allow the director or board of 50558
health, as applicable, to determine the amount of a surety bond, a 50559
letter of credit, or other acceptable financial assurance for the 50560
post-closure care of a facility based on a required cost estimate 50561
for the post-closure care of the facility. The rules shall require 50562
that the owner or operator of a facility provide post-closure 50563
financial assurance for a period of five years after the closure 50564
of a facility. However, the rules shall stipulate that 50565
post-closure care financial assurance may be extended beyond the 50566
five-year period if the extension of the post-closure care period 50567
is required under rules adopted under division (K) of this 50568
section. 50569

(J) Requirements for the closure of facilities. The 50570
requirements shall include minimum requirements for the closure of 50571
facilities and such additional requirements as are reasonably 50572
related to the location of the facility and the type and quantity 50573
of materials disposed of in the facility. The rules shall require 50574
that an owner or operator of a facility, upon the closure of the 50575
facility, file in the office of the county recorder of the county 50576
in which the facility is located a notice that the property was 50577
previously used as a construction and demolition debris facility. 50578
The rules shall require that the notice be filed in the same 50579
manner as a deed to the property. The rules shall require that the 50580
notice include an engineering drawing attachment showing the 50581

physical locations of debris placement, an indication of the 50582
volumes of debris, and an indication of the depth of the final 50583
cover material. 50584

(K) Requirements for the post-closure care of facilities for 50585
a period of five years after the closure of a facility. However, 50586
the rules shall require that the post-closure care period may be 50587
extended by order of the applicable board of health, the director, 50588
or a court of competent jurisdiction if conditions at a facility 50589
are impacting public health or safety or the environment or if 50590
ground water assessment and corrective measures are required to be 50591
conducted at the facility under rules adopted under division (E) 50592
of this section. This division does not limit the authority of the 50593
director, a board of health, or a court of competent jurisdiction 50594
to issue an order under any other applicable chapter of the 50595
Revised Code. 50596

The rules adopted under this division shall specify both of 50597
the following: 50598

(1) With respect to a facility that permanently ceases 50599
acceptance of construction and demolition debris in calendar year 50600
2006, the post-closure care and post-closure care financial 50601
assurance requirements do not apply, provided that the owner or 50602
operator of the facility gives written notice of the date of the 50603
cessation to the applicable board of health or the director, the 50604
owner or operator of the facility does not submit a subsequent 50605
application for a license renewal for the facility after that 50606
cessation, and no order was issued by the applicable board of 50607
health, the director, or a court of competent jurisdiction 50608
governing the post-closure care of and post-closure financial 50609
assurance for that facility prior to the date specified in the 50610
written notice. 50611

(2) With respect to a facility that permanently ceases 50612
acceptance of construction and demolition debris in calendar year 50613

2007, the required period of time for post-closure care and 50614
post-closure care financial assurance shall be one year after the 50615
closure of the facility, provided that the owner or operator of 50616
the facility gives written notice of the date of the cessation to 50617
the applicable board of health or the director, the owner or 50618
operator does not submit a subsequent application for a license 50619
renewal for the facility after that cessation, and no order was 50620
issued by the applicable board of health, the director, or a court 50621
of competent jurisdiction governing the post-closure care of and 50622
post-closure financial assurance for that facility prior to the 50623
date specified in the written notice. 50624

(N) Requirements governing the provision of notification 50631
under section 3714.083 of the Revised Code by owners and operators 50632

and by transporters and shippers of the final disposition of 50634
rejected loads; 50635

(O) Requirements governing the certification and training of 50636
operators of construction and demolition debris facilities as 50637
required under section 3714.062 of the Revised Code; 50638

(P) Definitions of "owner" and "operator" for purposes of 50639
this chapter. 50640

The rules adopted under this section shall not prohibit the 50641
open burning of construction debris on a construction site in 50642
compliance with division (C)(1) of section 3704.11 of the Revised 50643
Code. 50644

Rules adopted under divisions (E) and (F) of this section 50645
apply to all new construction and demolition debris facilities for 50646
which a permit to install is required under section 3714.051 of 50647
the Revised Code on and after ~~the effective date of this amendment~~ 50648
December 22, 2005. With respect to a facility that is licensed 50649
under section 3714.06 of the Revised Code and operating on ~~the~~ 50650

monitoring system, the facility shall comply only with rules 50659
adopted under division (F) of this section. 50660

Sec. 3714.07. (A)(1) For the purpose of assisting boards of 50661
health and the environmental protection agency in administering 50662
and enforcing this chapter and rules adopted under it, there is 50663
hereby levied on the disposal of construction and demolition 50664
debris at a construction and demolition debris facility that is 50665
licensed under this chapter or at a solid waste facility that is 50666
licensed under Chapter 3734. of the Revised Code a fee of thirty 50667
cents per cubic yard or sixty cents per ton, as applicable. 50668

(2) The owner or operator of a construction and demolition 50669
debris facility or a solid waste facility shall determine if cubic 50670
yards or tons will be used as the unit of measurement. In 50671
estimating the fee based on cubic yards, the owner or operator 50672
shall utilize either the maximum cubic yard capacity of the 50673
container, or the hauling volume of the vehicle, that transports 50674
the construction and demolition debris to the facility or the 50675
cubic yards actually logged for disposal by the owner or operator 50676

in accordance with rules adopted under section 3714.02 of the Revised Code. If basing the fee on tonnage, the owner or operator shall use certified scales to determine the tonnage of construction and demolition debris that is transported to the facility for disposal.

(3) The owner or operator of a construction and demolition debris facility or a solid waste facility shall collect the fee levied under division (A) of this section as a trustee for the health district having jurisdiction over the facility, if that district is on the approved list under section 3714.09 of the Revised Code, or for the state. The owner or operator shall prepare and file with the appropriate board of health or the director of environmental protection monthly returns indicating the total volume or weight, as applicable, of construction and demolition debris received for disposal at the facility and the total amount of money required to be collected on the construction and demolition debris disposed of during that month. Not later than thirty days after the last day of the month to which the return applies, the owner or operator shall mail to the board of health or the director the return for that month together with the money required to be collected on the construction and demolition debris disposed of during that month or may submit the return and money electronically in a manner approved by the director. The owner or operator may request, in writing, an extension of not more than thirty days after the last day of the month to which the return applies. A request for extension may be denied. If the owner or operator submits the money late, the owner or operator shall pay a penalty of ten per cent of the amount of the money due for each month that it is late.

(4) Of the money that is collected from a construction and demolition debris facility or a solid waste facility on a per cubic yard or per ton basis under this section, a board of health

shall transmit three cents per cubic yard or six cents per ton, as 50709
applicable, to the director not later than forty-five days after 50710
the receipt of the money. The money retained by a board of health 50711
under this section shall be paid into a special fund, which is 50712
hereby created in each health district, and used solely to 50713
administer and enforce this chapter and rules adopted under it. 50714

The director shall transmit all money received from the 50715
boards of health of health districts under this section and all 50716
money from the disposal fee collected by the director under this 50717
section to the treasurer of state to be credited to the 50718
construction and demolition debris facility oversight fund, which 50719
is hereby created in the state treasury. The fund shall be 50720
administered by the director, and money credited to the fund shall 50721
be used exclusively for the administration and enforcement of this 50722
chapter and rules adopted under it. 50723

(B) The board of health of a health district or the director 50724
may enter into an agreement with the owner or operator of a 50725
construction and demolition debris facility or a solid waste 50726
facility for the quarterly payment of the money collected from the 50727
disposal fee. The board of health shall notify the director of any 50728
such agreement. Not later than forty-five days after receipt of 50729
the quarterly payment, the board of health shall transmit the 50730
amount established in division (A)(4) of this section to the 50731
director. The money retained by the board of health shall be 50732
deposited in the special fund of the district as required under 50733
that division. Upon receipt of the money from a board of health, 50734
the director shall transmit the money to the treasurer of state to 50735
be credited to the construction and demolition debris facility 50736
oversight fund. 50737

(C) If a construction and demolition debris facility or a 50738
solid waste facility is located within the territorial boundaries 50739
of a municipal corporation or the unincorporated area of a 50740

township, the municipal corporation or township may appropriate up to four cents per cubic yard or up to eight cents per ton of the disposal fee required to be paid by the facility under division (A) of this section for the same purposes that a municipal corporation or township may levy a fee under division (C) of section 3734.57 of the Revised Code.

The legislative authority of the municipal corporation or township may appropriate the money from the fee by enacting an ordinance or adopting a resolution establishing the amount of the fee to be appropriated. Upon doing so, the legislative authority shall mail a certified copy of the ordinance or resolution to the board of health of the health district in which the construction and demolition debris facility or the solid waste facility is located or, if the facility is located in a health district that is not on the approved list under section 3714.09 of the Revised Code, to the director. Upon receipt of the copy of the ordinance or resolution and not later than forty-five days after receipt of money collected from the fee, the board or the director, as applicable, shall transmit to the treasurer or other appropriate officer of the municipal corporation or clerk of the township that portion of the money collected from the disposal fee by the owner or operator of the facility that is required by the ordinance or resolution to be paid to that municipal corporation or township.

Money received by the treasurer or other appropriate officer of a municipal corporation under this division shall be paid into the general fund of the municipal corporation. Money received by the clerk of a township under this division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the clerk of the township, as appropriate, shall maintain separate records of the money received under this division.

The legislative authority of a municipal corporation or

township may cease collecting money under this division by 50773
repealing the ordinance or resolution that was enacted or adopted 50774
under this division. 50775

The director shall adopt rules in accordance with Chapter 50776
119. of the Revised Code establishing requirements for prorating 50777
the amount of the fee that may be appropriated under this division 50778
by a municipal corporation or township in which only a portion of 50779
a construction and demolition debris facility is located within 50780
the territorial boundaries of the municipal corporation or 50781
township. 50782

(D) The board of county commissioners of a county in which a 50783
construction and demolition debris facility or a solid waste 50784
facility is located may appropriate up to three cents per cubic 50785
yard or up to six cents per ton of the disposal fee required to be 50786
paid by the facility under division (A) of this section for the 50787
same purposes that a solid waste management district may levy a 50788
fee under division (B) of section 3734.57 of the Revised Code. 50789

The board of county commissioners may appropriate the money 50790
from the fee by adopting a resolution establishing the amount of 50791
the fee to be appropriated. Upon doing so, the board of county 50792
commissioners shall mail a certified copy of the resolution to the 50793
board of health of the health district in which the construction 50794
and demolition debris facility or the solid waste facility is 50795
located or, if the facility is located in a health district that 50796
is not on the approved list under section 3714.09 of the Revised 50797
Code, to the director. Upon receipt of the copy of the resolution 50798
and not later than forty-five days after receipt of money 50799
collected from the fee, the board of health or the director, as 50800
applicable, shall transmit to the treasurer of the county that 50801
portion of the money collected from the disposal fee by the owner 50802
or operator of the facility that is required by the resolution to 50803
be paid to that county. 50804

Money received by a county treasurer under this division 50805
shall be paid into the general fund of the county. The county 50806
treasurer shall maintain separate records of the money received 50807
under this division. 50808

A board of county commissioners may cease collecting money 50809
under this division by repealing the resolution that was adopted 50810
under this division. 50811

(E)(1) This section does not apply to the disposal of 50812
construction and demolition debris at a solid waste facility that 50813
is licensed under Chapter 3734. of the Revised Code if there is no 50814
construction and demolition debris facility licensed under this 50815
chapter within thirty-five miles of the solid waste facility as 50816
determined by a facility's property boundaries. 50817

(2) This section does not apply to the disposal of 50818
construction and demolition debris at a solid waste facility that 50819
is licensed under Chapter 3734. of the Revised Code if the owner 50820

disposal of the construction and demolition debris that are 50822
identical to the fees that are collected under Chapters 343. and 50823
3734. of the Revised Code on the disposal of solid wastes at that 50824
facility. 50825

(3) This section does not apply to the disposal of source 50826
separated materials that are exclusively composed of reinforced or 50827
nonreinforced concrete, asphalt, clay tile, building or paving 50828

demolition debris facility that is licensed under this chapter 50830
when either of the following applies: 50831

(a) The materials are placed within the limits of 50832
construction and demolition debris placement at the facility as 50833
specified in the license issued to the facility under section 50834
3714.06 of the Revised Code, are not placed within the unloading 50835

accordance with rules adopted by the director under section 50837
3714.02 of the Revised Code. 50838

(b) The materials are not placed within the unloading zone of 50839
the facility or within the limits of construction and demolition 50840
debris placement at the facility as specified in the license 50841
issued to the facility under section 3714.06 of the Revised Code, 50842
but are used as fill material, either alone or in conjunction with 50843
clean soil, sand, gravel, or other clean aggregates, in legitimate 50844
fill operations for construction purposes at the facility or to 50845
bring the facility up to a consistent grade. 50846

(F) Notwithstanding any provision of law to the contrary, the 50847

Ohio uniform food safety code to ensure that it continues to 51420
conform with the model food code. 51421

(2) The Ohio uniform food safety code may contain or omit 51422
provisions that do not correspond to the food and drug 51423

that are different from the model food code. 51431

Sec. 3717.06. ~~The director of agriculture shall create within~~ 51432
~~the department of agriculture a position to be filled by an~~ 51433

Sec. 3717.07. (A) For purposes of establishing a licensing fee under sections 3717.25 and 3717.45 of the Revised Code, ~~the director of agriculture and~~ the public health council shall adopt rules establishing uniform methodologies for use in calculating the costs of licensing retail food establishments in the categories specified by the ~~director~~ council and the costs of licensing food service operations in the categories specified by the council. In adopting the rules, ~~the director of agriculture and~~ the public health council shall consider any recommendations received from advisory boards or other entities representing the interests of retail food establishments and food service operations.

(B) The rules shall include provisions that do all of the following:

(1) Provide for calculations to be made according to fiscal years rather than licensing periods;

(2) Limit the direct costs that may be attributed to the use of sanitarians by establishing appropriate statewide averages that may not be exceeded;

(3) Limit the indirect costs that may be included in the calculation of fees to an amount that does not exceed thirty per cent of the cost of the licensing program;

have been charged; 51475

(6) Provide for a twenty per cent reduction in the fees to be 51476

If at any time the ~~director of agriculture or director of health~~ has reasonable cause to believe that a different audit of a board of health is in the public interest, the director may request that the auditor of state conduct the audit. If the audit is conducted, the cost of the audit is the responsibility of the board of health.

(C)(1) If a board of health fails to submit the forms as required under division (B)(1) of this section and the failure has occurred not more than twice in the immediately preceding five-year period, the board is subject to the following penalties:

Sec. 3717.11. (A) Each board of health shall be surveyed for 51566

the purpose of determining whether the board is qualified and has 51567
the capacity to administer and enforce this chapter and the rules 51568

the requisite capacity, the director ~~conducting the survey~~ shall 51583
approve the board as the licenser of retail food establishments or 51584
food service operations, whichever is being considered, for the 51585
district the board serves. If a survey demonstrates that a board 51586

director ~~conducting the survey~~ shall not approve the board as a 51588
licenser, or shall revoke the director's approval, whichever is 51589

Revised Code that have not been expended by a board that has had 51609
its approval revoked shall be transferred to the alternative 51610
licensor. A board of health acting as alternative licensor shall 51611
deposit the fees into a special fund it establishes for receipt of 51612
funds pertaining to the district for which it is acting as 51613
licensor. ~~If the director of agriculture is acting as licensor,~~ 51614

writing and shall specify the corrective measures the board has 51628
taken and a proposed plan of action to remedy any remaining causes 51629

clear and present danger to the public health, before initiating 52071
action to suspend or revoke a retail food establishment license, 52072
the board shall give the license holder written notice specifying 52073
each violation and a reasonable time within which the license 52074
holder must correct each violation to avoid suspension or 52075
revocation of the license. The board may extend the time specified 52076
in the notice for correcting a violation if the license holder is 52077
making a good faith effort to correct it. 52078

If the license holder fails to correct the violation in the 52079
time granted by the board, the board may initiate action to 52080
suspend or revoke the retail food establishment license by giving 52081
the license holder written notice of the proposed suspension or 52082

case of a violation that presents a clear and present danger to 52095
the public health, to suspend a retail food establishment license, 52096
the board shall determine whether to revoke or suspend the license 52097
by a majority vote of the board members who are present at a 52098

presents a clear and present danger to the public health, the 52113
board may suspend the retail food establishment license without 52114
giving written notice or affording the license holder the 52115

suspended under this division, the licensor that suspended the 52123
license shall hold the license until the suspension is lifted and 52124
the licensor receives from the license holder written notice of 52125
the next location at which the license holder proposes to operate 52126
the retail food establishment. 52127

After suspending a license under division (D)(1) of this 52128
section, the licensor shall give the license holder written notice 52129
of the procedure for appealing the suspension. The license holder 52130

(2) If the license holder appeals a suspension under division 52141
(D)(1) of this section, the board shall determine whether the 52142
clear and present danger to the public health continues to exist 52143
by majority vote of the board members who are present at a meeting 52144
at which there is a quorum. 52145

If the board determines that there is no longer a clear and 52146
present danger to the public health, the board shall rescind the 52147
suspension. If the board determines that the clear and present 52148
danger continues to exist, the board shall issue an order 52149
continuing the suspension. 52150

including a violation evidenced by documented failure to maintain 52171
sanitary conditions within the establishment. Except as provided 52172
in division (C)(9) of this section, the suspension or revocation 52173

marshal, or a fire department if ownership of the home is assigned 52646
or transferred to a different person and the home was licensed 52647

transfer. The director may enter at any time, for the purposes of 52649
investigation, any institution, residence, facility, or other 52650

director has reasonable cause to believe is operating as a nursing 52652
home, residential care facility, or home for the aging without a 52653
valid license required by section 3721.05 of the Revised Code or, 52654

the part or unit to be licensed as a nursing home can be 52663
maintained separate and discrete from the part or unit to be 52664
licensed as an adult care facility. 52665

(C) In determining the number of residents in a home for the 52666
purpose of licensing, the director shall consider all the 52667
individuals for whom the home provides accommodations as one group 52668
unless one of the following is the case: 52669

(1) The home is a home for the aging, in which case all the 52670
individuals in the part or unit licensed as a nursing home shall 52671
be considered as one group, and all the individuals in the part or 52672
unit licensed as a rest home shall be considered as another group. 52673

(2) The home is both a nursing home and an adult care 52674

facility. In that case, all the individuals in the part or unit 52675
licensed as a nursing home shall be considered as one group, and 52676
all the individuals in the part or unit licensed as an adult care 52677
facility shall be considered as another group. 52678

(3) The home maintains, in addition to a nursing home or 52679
residential care facility, a separate and discrete part or unit 52680
that provides accommodations to individuals who do not require or 52681
receive skilled nursing care and do not receive personal care 52682
services from the home, in which case the individuals in the 52683
separate and discrete part or unit shall not be considered in 52684
determining the number of residents in the home if the separate 52685
and discrete part or unit is in compliance with the Ohio basic 52686
building code established by the board of building standards under 52687
Chapters 3781. and 3791. of the Revised Code and the home permits 52688
the director, on request, to inspect the separate and discrete 52689
part or unit and speak with the individuals residing there, if 52690
they consent, to determine whether the separate and discrete part 52691
or unit meets the requirements of this division. 52692

(D)(1) The director of health shall charge ~~an~~ the following 52693
application fee and ~~an~~ annual renewal licensing and inspection fee 52694
~~of one hundred seventy dollars~~ for each fifty persons or part 52695

the rules adopted under this chapter. The owner shall submit a 53282

nonrefundable license renewal application fee in an amount 53283
established in rules adopted by the public health council pursuant 53284
to this chapter. Before the license of an adult group home is 53285
renewed, if any alterations have been made to the buildings, a 53286
certificate of occupancy for the facility shall have been issued 53287

the director, to determine compliance with the rules adopted under 53325
division (F) of section 3737.83 of the Revised Code. 53326

~~having to do with fire and safety requirements or building~~ 53328
~~standards~~ established by rule adopted by the public health council 53329
pursuant to this chapter upon written request of the facility. The 53330
director may grant a waiver if the director determines that the 53331
strict application of the licensing requirement would cause undue 53332
hardship to the facility and that granting the waiver would not 53333
jeopardize the health or safety of any resident. The director may 53334
provide a facility with an informal hearing concerning the denial 53335
of a waiver request, but the facility shall not be entitled to a 53336
hearing under Chapter 119. of the Revised Code unless the director 53337
takes an action that requires a hearing to be held under section 53338
3722.05 of the Revised Code. 53339

(E)(1) Not later than thirty days after each of the 53340

53435
53436
53437

The facility shall submit to the director a plan of 53438
correction stating the actions that will be taken to correct the 53439
violation. The director shall conduct an inspection to determine 53440
whether the facility has corrected the violation in accordance 53441
with the plan of correction. 53442

If the director determines that the facility has failed to 53443
correct the violation in accordance with the plan of correction, 53444
the director may impose a penalty under section 3722.08 of the 53445
Revised Code. If the director ~~subsequently~~ determines that the 53446

owner of the facility, pursuant to rules adopted by the public 53456
health council under this chapter, ~~on the owner of the facility.~~ 53457
The director shall determine the classification and amount of the 53458

chapter or rules adopted under it were violated; 53462

(2) Actions taken by the owner or manager to correct the 53463
violation; 53464

(3) The number, if any, of previous violations by the adult 53465

(B) The director shall give written notice of the order 53467

imposing a civil penalty to the adult care facility by certified 53468
mail, return receipt requested, or shall provide for delivery of 53469

corrected as specified in division (C) of this section, and the 53475

the order imposing a civil penalty. If the facility requests a 53477
conference in a letter mailed or delivered not later than two 53478
working days after it has received the notice, the director shall 53479
hold a conference with representatives of the facility concerning 53480
the civil penalty. The conference shall be held not later than 53481
seven days after the director receives the request. The conference 53482
shall be conducted as prescribed in division (C) of section 53483
3722.07 of the Revised Code. If the director issues an order 53484
upholding the civil penalty, the facility may request an 53485
adjudication hearing pursuant to Chapter 119. of the Revised Code, 53486
but the order of the director shall be in effect during 53487
proceedings instituted pursuant to that chapter until a final 53488
adjudication is made. 53489

(C) The director shall order that the condition or practice 53490

twenty-four hours or any longer period that the director considers 53492
reasonable. The notice for a class II or a class III violation 53493
shall specify a time within which the violation is required to be 53494
corrected. 53495

(D) If the facility does not request a conference or if, 53496
after a conference, it fails to take action to correct a violation 53497
in the time prescribed by the director, the director shall issue 53498
an order upholding the penalty, plus interest at the rate 53499

specified in section 1343.03 of the Revised Code for each day 53500

waive the interest payment for the period prior to the conference 53502
if the director concludes that the conference was necessitated by 53503
a legitimate dispute. 53504

(E) The director may cancel or reduce the penalty for a class 53505
I violation if the facility corrects the violation within the time 53506
specified in the notice ~~unless, except that the director shall~~ 53507

(f) Not later than December 24, 1989, if the facility is 54335
located in a county not listed in divisions (A)(3)(a) to (e) of 54336
this section; 54337

(g) Notwithstanding divisions (A)(3)(a) to (f) of this 54338
section, not later than December 31, 1990, if the facility is a 54339
solid waste facility owned by a generator of solid wastes when the 54340
solid waste facility exclusively disposes of solid wastes 54341
generated at one or more premises owned by the generator 54342
regardless of whether the facility is located on a premises where 54343
the wastes are generated and if the facility disposes of more than 54344
one hundred thousand tons of solid wastes per year, provided that 54345
any such facility shall be subject to division (A)(5) of this 54346
section. 54347

(4) Except as provided in divisions (A)(8), (9), and (10) of 54348
this section, unless the owner or operator of any solid waste 54349
facility for which a permit was issued after July 1, 1968, but 54350
before January 1, 1980, has obtained an exemption from the 54351
requirements of division (A)(4) of this section under division (G) 54352
of section 3734.02 of the Revised Code, the owner or operator 54353
shall submit to the director an application for a permit with 54354
accompanying engineering detail plans, specifications, and 54355
information regarding the facility and its method of operation for 54356
approval under those rules. 54357

(5) The director may issue an order in accordance with 54358
Chapter 3745. of the Revised Code to the owner or operator of a 54359
solid waste facility requiring the person to submit to the 54360
director updated engineering detail plans, specifications, and 54361
information regarding the facility and its method of operation for 54362
approval under rules adopted under division (A) of section 3734.02 54363
of the Revised Code and applicable rules adopted under division 54364
(D) of section 3734.12 of the Revised Code if, in the director's 54365
judgment, conditions at the facility constitute a substantial 54366

threat to public health or safety or are causing or contributing 54367
to or threatening to cause or contribute to air or water pollution 54368
or soil contamination. Any person who receives such an order shall 54369
submit the updated engineering detail plans, specifications, and 54370
information to the director within one hundred eighty days after 54371
the effective date of the order. 54372

(6) The director shall act upon an application submitted 54373
under division (A)(3) or (4) of this section and any updated 54374
engineering plans, specifications, and information submitted under 54375
division (A)(5) of this section within one hundred eighty days 54376
after receiving them. If the director denies any such permit 54377
application, the order denying the application or disapproving the 54378
plans shall include the requirements that the owner or operator 54379
submit a plan for closure and post-closure care of the facility to 54380
the director for approval within six months after issuance of the 54381
order, cease accepting solid wastes for disposal or transfer at 54382
the facility, and commence closure of the facility not later than 54383
one year after issuance of the order. If the director determines 54384
that closure of the facility within that one-year period would 54385
result in the unavailability of sufficient solid waste management 54386
facility capacity within the county or joint solid waste 54387
management district in which the facility is located to dispose of 54388
or transfer the solid waste generated within the district, the 54389
director in the order of denial or disapproval may postpone 54390
commencement of closure of the facility for such period of time as 54391
the director finds necessary for the board of county commissioners 54392
or directors of the district to secure access to or for there to 54393
be constructed within the district sufficient solid waste 54394
management facility capacity to meet the needs of the district, 54395
provided that the director shall certify in the director's order 54396
that postponing the date for commencement of closure will not 54397
endanger ground water or any property surrounding the facility, 54398
allow methane gas migration to occur, or cause or contribute to 54399

any other type of environmental damage. 54400

If an emergency need for disposal capacity that may affect 54401
public health and safety exists as a result of closure of a 54402
facility under division (A)(6) of this section, the director may 54403
issue an order designating another solid waste facility to accept 54404
the wastes that would have been disposed of at the facility to be 54405
closed. 54406

(7) If the director determines that standards more stringent 54407
than those applicable in rules adopted under division (A) of 54408
section 3734.02 of the Revised Code and division (D) of section 54409
3734.12 of the Revised Code, or standards pertaining to subjects 54410
not specifically addressed by those rules, are necessary to ensure 54411
that a solid waste facility constructed at the proposed location 54412
will not cause a nuisance, cause or contribute to water pollution, 54413
or endanger public health or safety, the director may issue a 54414
permit for the facility with such terms and conditions as the 54415
director finds necessary to protect public health and safety and 54416
the environment. If a permit is issued, the director shall state 54417
in the order issuing it the specific findings supporting each such 54418
term or condition. 54419

(8) Divisions (A)(1), (2)(a), (3), and (4) of this section do 54420
not apply to a solid waste compost facility that accepts 54421
exclusively source separated yard wastes and that is registered 54422
under division (C) of section 3734.02 of the Revised Code or, 54423
unless otherwise provided in rules adopted under division (N)(3) 54424
of section 3734.02 of the Revised Code, to a solid waste compost 54425
facility if the director has adopted rules establishing an 54426
alternative system for authorizing the establishment, operation, 54427
or modification of a solid waste compost facility under that 54428
division. 54429

(9) Divisions (A)(1) to (7) of this section do not apply to 54430
scrap tire collection, storage, monocell, monofill, and recovery 54431

facilities. The approval of plans and specifications, as 54432
applicable, and the issuance of registration certificates, 54433
permits, and licenses for those facilities are subject to sections 54434
3734.75 to 3734.78 of the Revised Code, as applicable, and section 54435
3734.81 of the Revised Code. 54436

(10) Divisions (A)(3) and (4) of this section do not apply to 54437
a solid waste incinerator that was placed into operation on or 54438
before October 12, 1994, and that is not authorized to accept and 54439
treat infectious wastes pursuant to division (B) of this section. 54440

(B)(1) Each person who is engaged in the business of treating 54441
infectious wastes for profit at a treatment facility located off 54442
the premises where the wastes are generated that is in operation 54443
on August 10, 1988, and who proposes to continue operating the 54444
facility shall submit to the board of health of the health 54445
district in which the facility is located an application for a 54446
license to operate the facility. 54447

Thereafter, no person shall operate or maintain an infectious 54448
waste treatment facility without a license issued by the board of 54449
health of the health district in which the facility is located or 54450
by the director when the health district in which the facility is 54451
located is not on the approved list under section 3734.08 of the 54452
Revised Code. 54453

(2)(a) During the month of December, but before the first day 54454
of January of the next year, every person proposing to continue to 54455
operate an existing infectious waste treatment facility shall 54456
procure a license to operate the facility for that year from the 54457
board of health of the health district in which the facility is 54458
located or, if the health district is not on the approved list 54459
under section 3734.08 of the Revised Code, from the director. The 54460
application for such a license shall be submitted to the board of 54461
health or to the director, as appropriate, on or before the last 54462
day of September of the year preceding that for which the license 54463

is sought. In addition to the application fee prescribed in 54464
division (B)(2)(c) of this section, a person who submits an 54465
application after that date shall pay an additional ten per cent 54466
of the amount of the application fee for each week that the 54467
application is late. Late payment fees accompanying an application 54468
submitted to the board of health shall be credited to the special 54469
infectious waste fund of the health district created in division 54470
(C) of section 3734.06 of the Revised Code, and late payment fees 54471
accompanying an application submitted to the director shall be 54472
credited to the general revenue fund. A person who has received a 54473
license, upon sale or disposition of an infectious waste treatment 54474
facility and upon consent of the board of health and the director, 54475
may have the license transferred to another person. The board of 54476
health or the director may include such terms and conditions in a 54477
license or revision to a license as are appropriate to ensure 54478
compliance with the infectious waste provisions of this chapter 54479
and rules adopted under them. 54480

(b) Each person proposing to open a new infectious waste 54481
treatment facility or to modify an existing infectious waste 54482
treatment facility shall submit an application for a permit with 54483
accompanying detail plans and specifications to the environmental 54484
protection agency for required approval under the rules adopted by 54485
the director pursuant to section 3734.021 of the Revised Code two 54486
hundred seventy days before proposed operation of the facility and 54487
concurrently shall make application for a license with the board 54488
of health of the health district in which the facility is or is 54489
proposed to be located. Not later than ninety days after receiving 54490
a completed application under division (B)(2)(b) of this section 54491
for a permit to open a new infectious waste treatment facility or 54492
modify an existing infectious waste treatment facility to expand 54493
its treatment capacity, or receiving a completed application under 54494
division (A)(2)(a) of this section for a permit to open a new 54495
solid waste incineration facility, or modify an existing solid 54496

waste incineration facility to also treat infectious wastes or to 54497
increase its infectious waste treatment capacity, that pertains to 54498
a facility for which a notation authorizing infectious waste 54499
treatment is included or proposed to be included in the solid 54500
waste incineration facility's license pursuant to division (B)(3) 54501
of this section, the director shall hold a public hearing on the 54502
application within the county in which the new or modified 54503
infectious waste or solid waste facility is or is proposed to be 54504
located or within a contiguous county. Not less than thirty days 54505
before holding the public hearing on the application, the director 54506
shall publish notice of the hearing in each newspaper that has 54507
general circulation and that is published in the county in which 54508
the facility is or is proposed to be located. If there is no 54509
newspaper that has general circulation and that is published in 54510
the county, the director shall publish the notice in a newspaper 54511
of general circulation in the county. The notice shall contain the 54512
date, time, and location of the public hearing and a general 54513
description of the proposed new or modified facility. At the 54514
public hearing, any person may submit written or oral comments on 54515
or objections to the approval or disapproval of the application. 54516
The applicant, or a representative of the applicant who has 54517
knowledge of the location, construction, and operation of the 54518
facility, shall attend the public hearing to respond to comments 54519
or questions concerning the facility directed to the applicant or 54520
representative by the officer or employee of the environmental 54521
protection agency presiding at the hearing. 54522

(c) Each application for a permit under division (B)(2)(b) of 54523
this section shall be accompanied by a nonrefundable application 54524
fee of four hundred dollars that shall be credited to the general 54525
revenue fund. Each application for an annual license under 54526
division (B)(2)(a) of this section shall be accompanied by a 54527
nonrefundable application fee of one hundred dollars. If the 54528
application for an annual license is submitted to a board of 54529

health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The owner or operator of any infectious waste treatment facility that commenced operation on or before July 1, 1968, shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code in accordance with the following schedule:

(i) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;

(ii) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn, Cuyahoga Heights, or Parma in Cuyahoga county;

(iii) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Brooklyn, Cuyahoga Heights, and Parma;

(iv) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross

county; 54561

(v) Not later than December 24, 1989, if the facility is 54562
located in a county not listed in divisions (B)(2)(d)(i) to (iv) 54563
of this section. 54564

The owner or operator of an infectious waste treatment 54565
facility required to submit a permit application under division 54566
(B)(2)(d) of this section is not required to pay any permit 54567
application fee under division (B)(2)(c) of this section, or 54568
permit fee under division (Q) of section 3745.11 of the Revised 54569
Code, with respect thereto unless the owner or operator also 54570
proposes to modify the facility. 54571

(e) The director may issue an order in accordance with 54572
Chapter 3745. of the Revised Code to the owner or operator of an 54573
infectious waste treatment facility requiring the person to submit 54574
to the director updated engineering detail plans, specifications, 54575
and information regarding the facility and its method of operation 54576
for approval under rules adopted under section 3734.021 of the 54577
Revised Code if, in the director's judgment, conditions at the 54578
facility constitute a substantial threat to public health or 54579
safety or are causing or contributing to or threatening to cause 54580
or contribute to air or water pollution or soil contamination. Any 54581
person who receives such an order shall submit the updated 54582
engineering detail plans, specifications, and information to the 54583
director within one hundred eighty days after the effective date 54584
of the order. 54585

(f) The director shall act upon an application submitted 54586
under division (B)(2)(d) of this section and any updated 54587
engineering plans, specifications, and information submitted under 54588
division (B)(2)(e) of this section within one hundred eighty days 54589
after receiving them. If the director denies any such permit 54590
application or disapproves any such updated engineering plans, 54591
specifications, and information, the director shall include in the 54592

order denying the application or disapproving the plans the 54593
requirement that the owner or operator cease accepting infectious 54594
wastes for treatment at the facility. 54595

(3) Division (B) of this section does not apply to an 54596
infectious waste treatment facility that meets any of the 54597
following conditions: 54598

(a) Is owned or operated by the generator of the wastes and 54599
exclusively treats, by methods, techniques, and practices 54600
established by rules adopted under division (C)(1) or (3) of 54601
section 3734.021 of the Revised Code, wastes that are generated at 54602
any premises owned or operated by that generator regardless of 54603
whether the wastes are generated on the same premises where the 54604
generator's treatment facility is located or, if the generator is 54605
a hospital as defined in section 3727.01 of the Revised Code, 54606
infectious wastes that are described in division (A)(1)(g), (h), 54607
or (i) of section 3734.021 of the Revised Code; 54608

(b) Holds a license or renewal of a license to operate a 54609
crematory facility issued under Chapter 4717. and a permit issued 54610
under Chapter 3704. of the Revised Code; 54611

(c) Treats or disposes of dead animals or parts thereof, or 54612
the blood of animals, and is subject to any of the following: 54613

(i) Inspection under the "Federal Meat Inspection Act," 81 54614
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 54615

(ii) Chapter 918. of the Revised Code; 54616

(iii) Chapter 953. of the Revised Code. 54617

Nothing in division (B) of this section requires a facility 54618
that holds a license issued under division (A) of this section as 54619
a solid waste facility and that also treats infectious wastes by 54620
the same method, technique, or process to obtain a license under 54621
division (B) of this section as an infectious waste treatment 54622

facility. However, the solid waste facility license for the 54623
facility shall include the notation that the facility also treats 54624
infectious wastes. 54625

On and after the effective date of the amendments to the 54626
rules adopted under division (C)(2) of section 3734.021 of the 54627
Revised Code that are required by Section 6 of Substitute House 54628
Bill No. 98 of the 120th General Assembly, the director shall not 54629
issue a permit to open a new solid waste incineration facility 54630
unless the proposed facility complies with the requirements for 54631
the location of new infectious waste incineration facilities 54632
established in the required amendments to those rules. 54633

(C) Except for a facility or activity described in division 54634
(E)(3) of section 3734.02 of the Revised Code, a person who 54635
proposes to establish or operate a hazardous waste facility shall 54636
submit a complete application for a hazardous waste facility 54637
installation and operation permit and accompanying detail plans, 54638
specifications, and such information as the director may require 54639
to the environmental protection agency at least one hundred eighty 54640
days before the proposed beginning of operation of the facility. 54641
The applicant shall notify by certified mail the legislative 54642
authority of each municipal corporation, township, and county in 54643
which the facility is proposed to be located of the submission of 54644
the application within ten days after the submission or at such 54645
earlier time as the director may establish by rule. If the 54646
application is for a proposed new hazardous waste disposal or 54647
thermal treatment facility, the applicant also shall give actual 54648
notice of the general design and purpose of the facility to the 54649
legislative authority of each municipal corporation, township, and 54650
county in which the facility is proposed to be located at least 54651
ninety days before the permit application is submitted to the 54652
environmental protection agency. 54653

In accordance with rules adopted under section 3734.12 of the 54654

Revised Code, prior to the submission of a complete application 54655
for a hazardous waste facility installation and operation permit, 54656
the applicant shall hold at least one meeting in the township or 54657
municipal corporation in which the facility is proposed to be 54658
located, whichever is geographically closer to the proposed 54659
location of the facility. The meeting shall be open to the public 54660
and shall be held to inform the community of the proposed 54661
hazardous waste management activities and to solicit questions 54662
from the community concerning the activities. 54663

(D)(1) Except as provided in section 3734.123 of the Revised 54664
Code, upon receipt of a complete application for a hazardous waste 54665
facility installation and operation permit under division (C) of 54666
this section, the director shall consider the application and 54667
accompanying information to determine whether the application 54668
complies with agency rules and the requirements of division (D)(2) 54669
of this section. After making a determination, the director shall 54670
issue either a draft permit or a notice of intent to deny the 54671
permit. The director, in accordance with rules adopted under 54672
section 3734.12 of the Revised Code or with rules adopted to 54673
implement Chapter 3745. of the Revised Code, shall provide public 54674
notice of the application and the draft permit or the notice of 54675
intent to deny the permit, provide an opportunity for public 54676
comments, and, if significant interest is shown, schedule a public 54677
meeting in the county in which the facility is proposed to be 54678
located and give public notice of the date, time, and location of 54679
the public meeting in a newspaper of general circulation in that 54680
county. 54681

(2) The director shall not approve an application for a 54682
hazardous waste facility installation and operation permit or an 54683
application for a modification under division (I)(3) of this 54684
section unless the director finds and determines as follows: 54685

(a) The nature and volume of the waste to be treated, stored, 54686

or disposed of at the facility; 54687

(b) That the facility complies with the director's hazardous 54688
waste standards adopted pursuant to section 3734.12 of the Revised 54689
Code; 54690

(c) That the facility represents the minimum adverse 54691
environmental impact, considering the state of available 54692
technology and the nature and economics of various alternatives, 54693
and other pertinent considerations; 54694

(d) That the facility represents the minimum risk of all of 54695
the following: 54696

(i) Fires or explosions from treatment, storage, or disposal 54697
methods; 54698

(ii) Release of hazardous waste during transportation of 54699
hazardous waste to or from the facility; 54700

(iii) Adverse impact on the public health and safety. 54701

(e) That the facility will comply with this chapter and 54702
Chapters 3704. and 6111. of the Revised Code and all rules and 54703
standards adopted under them; 54704

(f) That if the owner of the facility, the operator of the 54705
facility, or any other person in a position with the facility from 54706
which the person may influence the installation and operation of 54707
the facility has been involved in any prior activity involving 54708
transportation, treatment, storage, or disposal of hazardous 54709
waste, that person has a history of compliance with this chapter 54710
and Chapters 3704. and 6111. of the Revised Code and all rules and 54711
standards adopted under them, the "Resource Conservation and 54712
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 54713
amended, and all regulations adopted under it, and similar laws 54714
and rules of other states if any such prior operation was located 54715
in another state that demonstrates sufficient reliability, 54716

expertise, and competency to operate a hazardous waste facility 54717
under the applicable provisions of this chapter and Chapters 3704. 54718
and 6111. of the Revised Code, the applicable rules and standards 54719
adopted under them, and terms and conditions of a hazardous waste 54720
facility installation and operation permit, given the potential 54721
for harm to the public health and safety and the environment that 54722
could result from the irresponsible operation of the facility. For 54723
off-site facilities, as defined in section 3734.41 of the Revised 54724
Code, the director may use the investigative reports of the 54725
attorney general prepared pursuant to section 3734.42 of the 54726
Revised Code as a basis for making a finding and determination 54727
under division (D)(2)(f) of this section. 54728

(g) That the active areas within a new hazardous waste 54729
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 54730
(e), as amended, or organic waste that is toxic and is listed 54731
under 40 C.F.R. 261, as amended, is being stored, treated, or 54732
disposed of and where the aggregate of the storage design capacity 54733
and the disposal design capacity of all hazardous waste in those 54734
areas is greater than two hundred fifty thousand gallons, are not 54735
located or operated within any of the following: 54736

(i) Two thousand feet of any residence, school, hospital, 54737
jail, or prison; 54738

(ii) Any naturally occurring wetland; 54739

(iii) Any flood hazard area if the applicant cannot show that 54740
the facility will be designed, constructed, operated, and 54741
maintained to prevent washout by a one-hundred-year flood. 54742

Division (D)(2)(g) of this section does not apply to the 54743
facility of any applicant who demonstrates to the director that 54744
the limitations specified in that division are not necessary 54745
because of the nature or volume of the waste and the manner of 54746
management applied, the facility will impose no substantial danger 54747

to the health and safety of persons occupying the structures 54748
listed in division (D)(2)(g)(i) of this section, and the facility 54749
is to be located or operated in an area where the proposed 54750
hazardous waste activities will not be incompatible with existing 54751
land uses in the area. 54752

(h) That the facility will not be located within the 54753
boundaries of a state park established or dedicated under Chapter 54754
1541. of the Revised Code, a state park purchase area established 54755
under section 1541.02 of the Revised Code, any unit of the 54756
national park system, or any property that lies within the 54757
boundaries of a national park or recreation area, but that has not 54758
been acquired or is not administered by the secretary of the 54759
United States department of the interior, located in this state, 54760
or any candidate area located in this state identified for 54761
potential inclusion in the national park system in the edition of 54762
the "national park system plan" submitted under paragraph (b) of 54763
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 54764
U.S.C.A. 1a-5, as amended, current at the time of filing of the 54765
application for the permit, unless the facility will be used 54766
exclusively for the storage of hazardous waste generated within 54767
the park or recreation area in conjunction with the operation of 54768
the park or recreation area. Division (D)(2)(h) of this section 54769
does not apply to the facility of any applicant for modification 54770
of a permit unless the modification application proposes to 54771
increase the land area included in the facility or to increase the 54772
quantity of hazardous waste that will be treated, stored, or 54773
disposed of at the facility. 54774

(3) Not later than one hundred eighty days after the end of 54775
the public comment period, the director, without prior hearing, 54776
shall issue or deny the permit in accordance with Chapter 3745. of 54777
the Revised Code. If the director approves an application for a 54778
hazardous waste facility installation and operation permit, the 54779

director shall issue the permit, upon such terms and conditions as 54780
the director finds are necessary to ensure the construction and 54781
operation of the hazardous waste facility in accordance with the 54782
standards of this section. 54783

(E)÷ No political subdivision of this state shall require any 54784
additional zoning or other approval, consent, permit, certificate, 54785
or condition for the construction or operation of a hazardous 54786
waste facility authorized by a hazardous waste facility 54787
installation and operation permit issued pursuant to this chapter, 54788
nor shall any political subdivision adopt or enforce any law, 54789
ordinance, or rule that in any way alters, impairs, or limits the 54790
authority granted in the permit. 54791

(F) The director may issue a single hazardous waste facility 54792
installation and operation permit to a person who operates two or 54793
more adjoining facilities where hazardous waste is stored, 54794
treated, or disposed of if the application includes detail plans, 54795
specifications, and information on all facilities. For the 54796
purposes of this section, "adjoining" means sharing a common 54797
boundary, separated only by a public road, or in such proximity 54798
that the director determines that the issuance of a single permit 54799
will not create a hazard to the public health or safety or the 54800
environment. 54801

(G) No person shall falsify or fail to keep or submit any 54802
plans, specifications, data, reports, records, manifests, or other 54803
information required to be kept or submitted to the director by 54804
this chapter or the rules adopted under it. 54805

(H)(1) Each person who holds an installation and operation 54806
permit issued under this section and who wishes to obtain a permit 54807
renewal shall submit a completed application for an installation 54808
and operation permit renewal and any necessary accompanying 54809
general plans, detail plans, specifications, and such information 54810
as the director may require to the director no later than one 54811

hundred eighty days prior to the expiration date of the existing 54812
permit or upon a later date prior to the expiration of the 54813
existing permit if the permittee can demonstrate good cause for 54814
the late submittal. The director shall consider the application 54815
and accompanying information, inspection reports of the facility, 54816
results of performance tests, a report regarding the facility's 54817
compliance or noncompliance with the terms and conditions of its 54818
permit and rules adopted by the director under this chapter, and 54819
such other information as is relevant to the operation of the 54820
facility and shall issue a draft renewal permit or a notice of 54821
intent to deny the renewal permit. The director, in accordance 54822
with rules adopted under this section or with rules adopted to 54823
implement Chapter 3745. of the Revised Code, shall give public 54824
notice of the application and draft renewal permit or notice of 54825
intent to deny the renewal permit, provide for the opportunity for 54826
public comments within a specified time period, schedule a public 54827
meeting in the county in which the facility is located if 54828
significant interest is shown, and give public notice of the 54829
public meeting. 54830

(2) Within sixty days after the public meeting or close of 54831
the public comment period, the director, without prior hearing, 54832
shall issue or deny the renewal permit in accordance with Chapter 54833
3745. of the Revised Code. The director shall not issue a renewal 54834
permit unless the director determines that the facility under the 54835
existing permit has a history of compliance with this chapter, 54836
rules adopted under it, the existing permit, or orders entered to 54837
enforce such requirements that demonstrates sufficient 54838
reliability, expertise, and competency to operate the facility 54839
henceforth under this chapter, rules adopted under it, and the 54840
renewal permit. If the director approves an application for a 54841
renewal permit, the director shall issue the permit subject to the 54842
payment of the annual permit fee required under division (E) of 54843
section 3734.02 of the Revised Code and upon such terms and 54844

conditions as the director finds are reasonable to ensure that 54845
continued operation, maintenance, closure, and post-closure care 54846
of the hazardous waste facility are in accordance with the rules 54847
adopted under section 3734.12 of the Revised Code. 54848

(3) An installation and operation permit renewal application 54849
submitted to the director that also contains or would constitute 54850
an application for a modification shall be acted upon by the 54851
director in accordance with division (I) of this section in the 54852
same manner as an application for a modification. In approving or 54853
disapproving the renewal portion of a permit renewal application 54854
containing an application for a modification, the director shall 54855
apply the criteria established under division (H)(2) of this 54856
section. 54857

(4) An application for renewal or modification of a permit 54858
that does not contain an application for a modification as 54859
described in divisions (I)(3)(a) to (d) of this section shall not 54860
be subject to division (D)(2) of this section. 54861

(I)(1) As used in this section, "modification" means a change 54862
or alteration to a hazardous waste facility or its operations that 54863
is inconsistent with or not authorized by its existing permit or 54864
authorization to operate. Modifications shall be classified as 54865
Class 1, 2, or 3 modifications in accordance with rules adopted 54866
under division (K) of this section. Modifications classified as 54867
Class 3 modifications, in accordance with rules adopted under that 54868
division, shall be further classified by the director as either 54869
Class 3 modifications that are to be approved or disapproved by 54870
the director under divisions (I)(3)(a) to (d) of this section or 54871
as Class 3 modifications that are to be approved or disapproved by 54872
the director under division (I)(5) of this section. Not later than 54873
thirty days after receiving a request for a modification under 54874
division (I)(4) of this section that is not listed in Appendix I 54875
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 54876

section, the director shall classify the modification and shall 54877
notify the owner or operator of the facility requesting the 54878
modification of the classification. Notwithstanding any other law 54879
to the contrary, any modification that involves the transfer of a 54880
hazardous waste facility installation and operation permit to a 54881
new owner or operator for an off-site facility as defined in 54882
section 3734.41 of the Revised Code shall be classified as a Class 54883
3 modification. The transfer of a hazardous waste facility 54884
installation and operation permit to a new owner or operator for a 54885
facility that is not an off-site facility shall be classified as a 54886
Class 1 modification requiring prior approval of the director. 54887

(2) Except as provided in section 3734.123 of the Revised 54888
Code, a hazardous waste facility installation and operation permit 54889
may be modified at the request of the director or upon the written 54890
request of the permittee only if any of the following applies: 54891

(a) The permittee desires to accomplish alterations, 54892
additions, or deletions to the permitted facility or to undertake 54893
alterations, additions, deletions, or activities that are 54894
inconsistent with or not authorized by the existing permit; 54895

(b) New information or data justify permit conditions in 54896
addition to or different from those in the existing permit; 54897

(c) The standards, criteria, or rules upon which the existing 54898
permit is based have been changed by new, amended, or rescinded 54899
standards, criteria, or rules, or by judicial decision after the 54900
existing permit was issued, and the change justifies permit 54901
conditions in addition to or different from those in the existing 54902
permit; 54903

(d) The permittee proposes to transfer the permit to another 54904
person. 54905

(3) The director shall approve or disapprove an application 54906
for a modification in accordance with division (D)(2) of this 54907

section and rules adopted under division (K) of this section for 54908
all of the following categories of Class 3 modifications: 54909

(a) Authority to conduct treatment, storage, or disposal at a 54910
site, location, or tract of land that has not been authorized for 54911
the proposed category of treatment, storage, or disposal activity 54912
by the facility's permit; 54913

(b) Modification or addition of a hazardous waste management 54914
unit, as defined in rules adopted under section 3734.12 of the 54915
Revised Code, that results in an increase in a facility's storage 54916
capacity of more than twenty-five per cent over the capacity 54917
authorized by the facility's permit, an increase in a facility's 54918
treatment rate of more than twenty-five per cent over the rate so 54919
authorized, or an increase in a facility's disposal capacity over 54920
the capacity so authorized. The authorized disposal capacity for a 54921
facility shall be calculated from the approved design plans for 54922
the disposal units at that facility. In no case during a five-year 54923
period shall a facility's storage capacity or treatment rate be 54924
modified to increase by more than twenty-five per cent in the 54925
aggregate without the director's approval in accordance with 54926
division (D)(2) of this section. Notwithstanding any provision of 54927
division (I) of this section to the contrary, a request for 54928
modification of a facility's annual total waste receipt limit 54929
shall be classified and approved or disapproved by the director 54930
under division (I)(5) of this section. 54931

(c) Authority to add any of the following categories of 54932
regulated activities not previously authorized at a facility by 54933
the facility's permit: storage at a facility not previously 54934
authorized to store hazardous waste, treatment at a facility not 54935
previously authorized to treat hazardous waste, or disposal at a 54936
facility not previously authorized to dispose of hazardous waste; 54937
or authority to add a category of hazardous waste management unit 54938
not previously authorized at the facility by the facility's 54939

permit. Notwithstanding any provision of division (I) of this 54940
section to the contrary, a request for authority to add or to 54941
modify an activity or a hazardous waste management unit for the 54942
purposes of performing a corrective action shall be classified and 54943
approved or disapproved by the director under division (I)(5) of 54944
this section. 54945

(d) Authority to treat, store, or dispose of waste types 54946
listed or characterized as reactive or explosive, in rules adopted 54947
under section 3734.12 of the Revised Code, or any acute hazardous 54948
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 54949
previously authorized to treat, store, or dispose of those types 54950
of wastes by the facility's permit unless the requested authority 54951
is limited to wastes that no longer exhibit characteristics 54952
meeting the criteria for listing or characterization as reactive 54953
or explosive wastes, or for listing as acute hazardous waste, but 54954
still are required to carry those waste codes as established in 54955
rules adopted under section 3734.12 of the Revised Code because of 54956
the requirements established in 40 C.F.R. 261(a) and (e), as 54957
amended, that is, the "mixture," "derived-from," or "contained-in" 54958
regulations. 54959

(4) A written request for a modification from the permittee 54960
shall be submitted to the director and shall contain such 54961
information as is necessary to support the request. Requests for 54962
modifications shall be acted upon by the director in accordance 54963
with this section and rules adopted under it. 54964

(5) Class 1 modification applications that require prior 54965
approval of the director, as provided in division (I)(1) of this 54966
section or as determined in accordance with rules adopted under 54967
division (K) of this section, Class 2 modification applications, 54968
and Class 3 modification applications that are not described in 54969
divisions (I)(3)(a) to (d) of this section shall be approved or 54970
disapproved by the director in accordance with rules adopted under 54971

division (K) of this section. The board of county commissioners of 54972
the county, the board of township trustees of the township, and 54973
the city manager or mayor of the municipal corporation in which a 54974
hazardous waste facility is located shall receive notification of 54975
any application for a modification for that facility and shall be 54976
considered as interested persons with respect to the director's 54977
consideration of the application. 54978

~~For those modification applications for a transfer of a 54979
permit to a new owner or operator of a facility, the director also 54980
shall determine that, if the transferee owner or operator has been 54981
involved in any prior activity involving the transportation, 54982
treatment, storage, or disposal of hazardous waste, the transferee 54983
owner or operator has a history of compliance with this chapter 54984
and Chapters 3704. and 6111. of the Revised Code and all rules and 54985
standards adopted under them, the "Resource Conservation and 54986
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 54987
amended, and all regulations adopted under it, and similar laws 54988
and rules of another state if the transferee owner or operator 54989
owns or operates a facility in that state, that demonstrates 54990
sufficient reliability, expertise, and competency to operate a 54991
hazardous waste facility under this chapter and Chapters 3704. and 54992
6111. of the Revised Code, all rules and standards adopted under 54993
them, and terms and conditions of a hazardous waste facility 54994
installation and operation permit, given the potential for harm to 54995
the public health and safety and the environment that could result 54996
from the irresponsible operation of the facility. A permit may be 54997
transferred to a new owner or operator only pursuant to a Class 3 54998
permit modification. 54999~~

~~As used in division (I)(5) of this section: 55000~~

~~(a) "Owner" means the person who owns a majority or 55001
controlling interest in a facility. 55002~~

~~(b) "Operator" means the person who is responsible for the 55003~~

~~overall operation of a facility.~~ 55004

The director shall approve or disapprove an application for a 55005
Class 1 modification that requires the director's approval within 55006
sixty days after receiving the request for modification. The 55007
director shall approve or disapprove an application for a Class 2 55008
modification within three hundred days after receiving the request 55009
for modification. The director shall approve or disapprove an 55010
application for a Class 3 modification within three hundred 55011
sixty-five days after receiving the request for modification. 55012

(6) The approval or disapproval by the director of a Class 1 55013
modification application is not a final action that is appealable 55014
under Chapter 3745. of the Revised Code. The approval or 55015
disapproval by the director of a Class 2 modification or a Class 3 55016
modification is a final action that is appealable under that 55017
chapter. In approving or disapproving a request for a 55018
modification, the director shall consider all comments pertaining 55019
to the request that are received during the public comment period 55020
and the public meetings. The administrative record for appeal of a 55021
final action by the director in approving or disapproving a 55022
request for a modification shall include all comments received 55023
during the public comment period relating to the request for 55024
modification, written materials submitted at the public meetings 55025
relating to the request, and any other documents related to the 55026
director's action. 55027

(7) Notwithstanding any other provision of law to the 55028
contrary, a change or alteration to a hazardous waste facility 55029
described in division (E)(3)(a) or (b) of section 3734.02 of the 55030
Revised Code, or its operations, is a modification for the 55031
purposes of this section. An application for a modification at 55032
such a facility shall be submitted, classified, and approved or 55033
disapproved in accordance with divisions (I)(1) to (6) of this 55034
section in the same manner as a modification to a hazardous waste 55035

facility installation and operation permit. 55036

(J)(1) Except as provided in division (J)(2) of this section, 55037
an owner or operator of a hazardous waste facility that is 55038
operating in accordance with a permit by rule under rules adopted 55039
by the director under division (E)(3)(b) of section 3734.02 of the 55040
Revised Code shall submit either a hazardous waste facility 55041
installation and operation permit application for the facility or 55042
a modification application, whichever is required under division 55043
(J)(1)(a) or (b) of this section, within one hundred eighty days 55044
after the director has requested the application or upon a later 55045
date if the owner or operator demonstrates to the director good 55046
cause for the late submittal. 55047

(a) If the owner or operator does not have a hazardous waste 55048
facility installation and operation permit for any hazardous waste 55049
treatment, storage, or disposal activities at the facility, the 55050
owner or operator shall submit an application for such a permit to 55051
the director for the activities authorized by the permit by rule. 55052
Notwithstanding any other provision of law to the contrary, the 55053
director shall approve or disapprove the application for the 55054
permit in accordance with the procedures governing the approval or 55055
disapproval of permit renewals under division (H) of this section. 55056

(b) If the owner or operator has a hazardous waste facility 55057
installation and operation permit for hazardous waste treatment, 55058
storage, or disposal activities at the facility other than those 55059
authorized by the permit by rule, the owner or operator shall 55060
submit to the director a request for modification in accordance 55061
with division (I) of this section. Notwithstanding any other 55062
provision of law to the contrary, the director shall approve or 55063
disapprove the modification application in accordance with 55064
division (I)(5) of this section. 55065

(2) The owner or operator of a boiler or industrial furnace 55066
that is conducting thermal treatment activities in accordance with 55067

a permit by rule under rules adopted by the director under 55068
division (E)(3)(b) of section 3734.02 of the Revised Code shall 55069
submit a hazardous waste facility installation and operation 55070
permit application if the owner or operator does not have such a 55071
permit for any hazardous waste treatment, storage, or disposal 55072
activities at the facility or, if the owner or operator has such a 55073
permit for hazardous waste treatment, storage, or disposal 55074
activities at the facility other than thermal treatment activities 55075
authorized by the permit by rule, a modification application to 55076
add those activities authorized by the permit by rule, whichever 55077
is applicable, within one hundred eighty days after the director 55078
has requested the submission of the application or upon a later 55079
date if the owner or operator demonstrates to the director good 55080
cause for the late submittal. The application shall be accompanied 55081
by information necessary to support the request. The director 55082
shall approve or disapprove an application for a hazardous waste 55083
facility installation and operation permit in accordance with 55084
division (D) of this section and approve or disapprove an 55085
application for a modification in accordance with division (I)(3) 55086
of this section, except that the director shall not disapprove an 55087
application for the thermal treatment activities on the basis of 55088
the criteria set forth in division (D)(2)(g) or (h) of this 55089
section. 55090

(3) As used in division (J) of this section: 55091

(a) "Modification application" means a request for a 55092
modification submitted in accordance with division (I) of this 55093
section. 55094

(b) "Thermal treatment," "boiler," and "industrial furnace" 55095
have the same meanings as in rules adopted under section 3734.12 55096
of the Revised Code. 55097

(K) The director shall adopt, and may amend, suspend, or 55098
rescind, rules in accordance with Chapter 119. of the Revised Code 55099

in order to implement divisions (H) and (I) of this section. 55100
Except when in actual conflict with this section, rules governing 55101
the classification of and procedures for the modification of 55102
hazardous waste facility installation and operation permits shall 55103
be substantively and procedurally identical to the regulations 55104
governing hazardous waste facility permitting and permit 55105
modifications adopted under the "Resource Conservation and 55106
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 55107

paid into the state treasury to the credit of the environmental 55150
protection remediation fund, which is hereby created. The 55151
environmental protection agency shall use the moneys in the fund 55152
only for the purpose of remediating conditions at a hazardous 55153
waste facility, a solid waste facility, a construction and 55154
demolition debris facility licensed under Chapter 3714. of the 55155
Revised Code, or another location at which the director has reason 55156
to believe there is a substantial threat to public health or 55157
safety or the environment. Remediation may include the direct and 55158
indirect costs associated with the overseeing, supervising, 55159
performing, verifying, or reviewing of remediation activities by 55160
agency employees. All investment earnings of the fund shall be 55161
credited to the fund. 55162

The director of environmental protection may enter into contracts and grant agreements with federal, state, or local government agencies, nonprofit organizations, and colleges and universities for the purpose of carrying out the responsibilities of the environmental protection agency for which money may be expended from the fund.

Sec. 3734.282. All money collected by the state for natural resources damages under the "Comprehensive Environmental Response, Compensation, and Liability Act of 1980," 94 Stat. 2767, 42 U.S.C. 9601 et seq., as amended, the "Oil Pollution Act of 1990," 104 Stat. 484, 33 U.S.C. 2701 et seq., as amended, the "Clean Water Act," 86 Stat. 862, 33 U.S.C. 1321, as amended, or any other applicable federal or state law shall be paid into the state treasury to the credit of the natural resource damages fund, which is hereby created. All investment earnings of the fund shall be credited to the fund.

The director of environmental protection may enter into contracts and grant agreements with federal, state, or local government agencies, nonprofit organizations, and colleges and universities for the purpose of carrying out the director's responsibilities for which money may be expended from the fund.

Sec. 3734.57. (A) The following fees are hereby levied on the transfer or disposal of solid wastes in this state:

(1) One dollar per ton on and after July 1, 2003, through

June 30, ~~2010~~ 2012, one-half of the proceeds of which shall be 55193
deposited in the state treasury to the credit of the hazardous 55194
waste facility management fund created in section 3734.18 of the 55195
Revised Code and one-half of the proceeds of which shall be 55196
deposited in the state treasury to the credit of the hazardous 55197
waste clean-up fund created in section 3734.28 of the Revised 55198
Code; 55199

(2) An additional one dollar per ton on and after July 1, 55200
2003, through June 30, ~~2010~~ 2012, the proceeds of which shall be 55201
deposited in the state treasury to the credit of the solid waste 55202
fund, which is hereby created. The environmental protection agency 55203
shall use money in the solid waste fund to pay the costs of 55204
administering and enforcing the laws pertaining to solid wastes, 55205
infectious wastes, and construction and demolition debris, 55206
including, without limitation, ground water evaluations related to 55207
solid wastes, infectious wastes, and construction and demolition 55208
debris, under this chapter and Chapter 3714. of the Revised Code 55209
and any rules adopted under them, providing compliance assistance 55210
to small businesses, and paying a share of the administrative 55211
costs of the environmental protection agency pursuant to section 55212
3745.014 of the Revised Code. 55213

(3) An additional one dollar and fifty cents per ton on and 55214
after July 1, 2005, through June 30, ~~2010~~ 2012, the proceeds of 55215

the environmental protection fund created in section 3745.015 of 55217
the Revised Code . 55218

In the case of solid wastes that are taken to a solid waste 55219
transfer facility located in this state prior to being transported 55220
for disposal at a solid waste disposal facility located in this 55221
state or outside of this state, the fees levied under this 55222
division shall be collected by the owner or operator of the 55223
transfer facility as a trustee for the state. The amount of fees 55224

required to be collected under this division at such a transfer 55225
facility shall equal the total tonnage of solid wastes received at 55226
the facility multiplied by the fees levied under this division. In 55227
the case of solid wastes that are not taken to a solid waste 55228
transfer facility located in this state prior to being transported 55229
to a solid waste disposal facility, the fees shall be collected by 55230
the owner or operator of the solid waste disposal facility as a 55231
trustee for the state. The amount of fees required to be collected 55232
under this division at such a disposal facility shall equal the 55233
total tonnage of solid wastes received at the facility that was 55234
not previously taken to a solid waste transfer facility located in 55235
this state multiplied by the fees levied under this division. Fees 55236
levied under this division do not apply to materials separated 55237
from a mixed waste stream for recycling by a generator or 55238
materials removed from the solid waste stream through recycling, 55239
as "recycling" is defined in rules adopted under section 3734.02 55240
of the Revised Code. 55241

The owner or operator of a solid waste transfer facility or 55242
disposal facility, as applicable, shall prepare and file with the 55243
director of environmental protection each month a return 55244
indicating the total tonnage of solid wastes received at the 55245
facility during that month and the total amount of the fees 55246
required to be collected under this division during that month. In 55247
addition, the owner or operator of a solid waste disposal facility 55248
shall indicate on the return the total tonnage of solid wastes 55249
received from transfer facilities located in this state during 55250
that month for which the fees were required to be collected by the 55251
transfer facilities. The monthly returns shall be filed on a form 55252
prescribed by the director. Not later than thirty days after the 55253
last day of the month to which a return applies, the owner or 55254
operator shall mail to the director the return for that month 55255
together with the fees required to be collected under this 55256
division during that month as indicated on the return or may 55257

submit the return and fees electronically in a manner approved by 55258
the director. If the return is filed and the amount of the fees 55259
due is paid in a timely manner as required in this division, the 55260
owner or operator may retain a discount of three-fourths of one 55261
per cent of the total amount of the fees that are required to be 55262
paid as indicated on the return. 55263

The owner or operator may request an extension of not more 55264
than thirty days for filing the return and remitting the fees, 55265
provided that the owner or operator has submitted such a request 55266
in writing to the director together with a detailed description of 55267
why the extension is requested, the director has received the 55268
request not later than the day on which the return is required to 55269
be filed, and the director has approved the request. If the fees 55270
are not remitted within thirty days after the last day of the 55271
month to which the return applies or are not remitted by the last 55272
day of an extension approved by the director, the owner or 55273
operator shall not retain the three-fourths of one per cent 55274
discount and shall pay an additional ten per cent of the amount of 55275
the fees for each month that they are late. For purposes of 55276
calculating the late fee, the first month in which fees are late 55277
begins on the first day after the deadline has passed for timely 55278
submitting the return and fees, and one additional month shall be 55279
counted every thirty days thereafter. 55280

The owner or operator of a solid waste facility may request a 55281
refund or credit of fees levied under this division and remitted 55282
to the director that have not been paid to the owner or operator. 55283
Such a request shall be made only if the fees have not been 55284
collected by the owner or operator, have become a debt that has 55285
become worthless or uncollectable for a period of six months or 55286
more, and may be claimed as a deduction, including a deduction 55287
claimed if the owner or operator keeps accounts on an accrual 55288
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 55289

U.S.C. 166, as amended, and regulations adopted under it. Prior to 55290
making a request for a refund or credit, an owner or operator 55291
shall make reasonable efforts to collect the applicable fees. A 55292
request for a refund or credit shall not include any costs 55293
resulting from those efforts to collect unpaid fees. 55294

A request for a refund or credit of fees shall be made in 55295
writing, on a form prescribed by the director, and shall be 55296
supported by evidence that may be required in rules adopted by the 55297
director under this chapter. After reviewing the request, and if 55298
the request and evidence submitted with the request indicate that 55299
a refund or credit is warranted, the director shall grant a refund 55300
to the owner or operator or shall permit a credit to be taken by 55301
the owner or operator on a subsequent monthly return submitted by 55302
the owner or operator. The amount of a refund or credit shall not 55303
exceed an amount that is equal to ninety days' worth of fees owed 55304
to an owner or operator by a particular debtor of the owner or 55305
operator. A refund or credit shall not be granted by the director 55306
to an owner or operator more than once in any twelve-month period 55307
for fees owed to the owner or operator by a particular debtor. 55308

If, after receiving a refund or credit from the director, an 55309
owner or operator receives payment of all or part of the fees, the 55310
owner or operator shall remit the fees with the next monthly 55311
return submitted to the director together with a written 55312
explanation of the reason for the submittal. 55313

For purposes of computing the fees levied under this division 55314
or division (B) of this section, any solid waste transfer or 55315
disposal facility that does not use scales as a means of 55316
determining gate receipts shall use a conversion factor of three 55317
cubic yards per ton of solid waste or one cubic yard per ton for 55318
baled waste, as applicable. 55319

The fees levied under this division and divisions (B) and (C) 55320
of this section are in addition to all other applicable fees and 55321

taxes and shall be paid by the customer or a political subdivision 55322
to the owner or operator of a solid waste transfer or disposal 55323
facility. In the alternative, the fees shall be paid by a customer 55324
or political subdivision to a transporter of waste who 55325
subsequently transfers the fees to the owner or operator of such a 55326
facility. The fees shall be paid notwithstanding the existence of 55327
any provision in a contract that the customer or a political 55328
subdivision may have with the owner or operator or with a 55329
transporter of waste to the facility that would not require or 55330
allow such payment regardless of whether the contract was entered 55331
prior to or after the effective date of this amendment. For those 55332
purposes, "customer" means a person who contracts with, or 55333
utilizes the solid waste services of, the owner or operator of a 55334
solid waste transfer or disposal facility or a transporter of 55335
solid waste to such a facility. 55336

(B) For the purposes specified in division (G) of this 55337
section, the solid waste management policy committee of a county 55338
or joint solid waste management district may levy fees upon the 55339
following activities: 55340

(1) The disposal at a solid waste disposal facility located 55341
in the district of solid wastes generated within the district; 55342

(2) The disposal at a solid waste disposal facility within 55343
the district of solid wastes generated outside the boundaries of 55344
the district, but inside this state; 55345

(3) The disposal at a solid waste disposal facility within 55346
the district of solid wastes generated outside the boundaries of 55347
this state. 55348

The solid waste management plan of the county or joint 55349
district approved under section 3734.521 or 3734.55 of the Revised 55350
Code and any amendments to it, or the resolution adopted under 55351
this division, as appropriate, shall establish the rates of the 55352

fees levied under divisions (B)(1), (2), and (3) of this section, 55353
if any, and shall specify whether the fees are levied on the basis 55354
of tons or cubic yards as the unit of measurement. A solid waste 55355
management district that levies fees under this division on the 55356
basis of cubic yards shall do so in accordance with division (A) 55357
of this section. 55358

The fee levied under division (B)(1) of this section shall be 55359
not less than one dollar per ton nor more than two dollars per 55360
ton, the fee levied under division (B)(2) of this section shall be 55361
not less than two dollars per ton nor more than four dollars per 55362
ton, and the fee levied under division (B)(3) of this section 55363
shall be not more than the fee levied under division (B)(1) of 55364
this section. 55365

Prior to the approval of the solid waste management plan of a 55366
district under section 3734.55 of the Revised Code, the solid 55367
waste management policy committee of a district may levy fees 55368
under this division by adopting a resolution establishing the 55369
proposed amount of the fees. Upon adopting the resolution, the 55370
committee shall deliver a copy of the resolution to the board of 55371
county commissioners of each county forming the district and to 55372
the legislative authority of each municipal corporation and 55373
township under the jurisdiction of the district and shall prepare 55374
and publish the resolution and a notice of the time and location 55375
where a public hearing on the fees will be held. Upon adopting the 55376
resolution, the committee shall deliver written notice of the 55377
adoption of the resolution; of the amount of the proposed fees; 55378
and of the date, time, and location of the public hearing to the 55379
director and to the fifty industrial, commercial, or institutional 55380
generators of solid wastes within the district that generate the 55381
largest quantities of solid wastes, as determined by the 55382
committee, and to their local trade associations. The committee 55383
shall make good faith efforts to identify those generators within 55384

the district and their local trade associations, but the 55385
nonprovision of notice under this division to a particular 55386
generator or local trade association does not invalidate the 55387
proceedings under this division. The publication shall occur at 55388
least thirty days before the hearing. After the hearing, the 55389
committee may make such revisions to the proposed fees as it 55390
considers appropriate and thereafter, by resolution, shall adopt 55391
the revised fee schedule. Upon adopting the revised fee schedule, 55392
the committee shall deliver a copy of the resolution doing so to 55393
the board of county commissioners of each county forming the 55394
district and to the legislative authority of each municipal 55395
corporation and township under the jurisdiction of the district. 55396
Within sixty days after the delivery of a copy of the resolution 55397
adopting the proposed revised fees by the policy committee, each 55398
such board and legislative authority, by ordinance or resolution, 55399
shall approve or disapprove the revised fees and deliver a copy of 55400
the ordinance or resolution to the committee. If any such board or 55401
legislative authority fails to adopt and deliver to the policy 55402
committee an ordinance or resolution approving or disapproving the 55403
revised fees within sixty days after the policy committee 55404
delivered its resolution adopting the proposed revised fees, it 55405
shall be conclusively presumed that the board or legislative 55406
authority has approved the proposed revised fees. The committee 55407
shall determine if the resolution has been ratified in the same 55408
manner in which it determines if a draft solid waste management 55409
plan has been ratified under division (B) of section 3734.55 of 55410
the Revised Code. 55411

The committee may amend the schedule of fees levied pursuant 55412
to a resolution adopted and ratified under this division by 55413
adopting a resolution establishing the proposed amount of the 55414
amended fees. The committee may repeal the fees levied pursuant to 55415
such a resolution by adopting a resolution proposing to repeal 55416
them. Upon adopting such a resolution, the committee shall proceed 55417

to obtain ratification of the resolution in accordance with this 55418
division. 55419

Not later than fourteen days after declaring the new fees to 55420
be ratified or the fees to be repealed under this division, the 55421
committee shall notify by certified mail the owner or operator of 55422
each solid waste disposal facility that is required to collect the 55423
fees of the ratification and the amount of the fees or of the 55424
repeal of the fees. Collection of any fees shall commence or 55425
collection of repealed fees shall cease on the first day of the 55426
second month following the month in which notification is sent to 55427
the owner or operator. 55428

Fees levied under this division also may be established, 55429
amended, or repealed by a solid waste management policy committee 55430
through the adoption of a new district solid waste management 55431
plan, the adoption of an amended plan, or the amendment of the 55432
plan or amended plan in accordance with sections 3734.55 and 55433
3734.56 of the Revised Code or the adoption or amendment of a 55434
district plan in connection with a change in district composition 55435
under section 3734.521 of the Revised Code. 55436

Not later than fourteen days after the director issues an 55437
order approving a district's solid waste management plan, amended 55438
plan, or amendment to a plan or amended plan that establishes, 55439
amends, or repeals a schedule of fees levied by the district, the 55440
committee shall notify by certified mail the owner or operator of 55441
each solid waste disposal facility that is required to collect the 55442
fees of the approval of the plan or amended plan, or the amendment 55443
to the plan, as appropriate, and the amount of the fees, if any. 55444
In the case of an initial or amended plan approved under section 55445
3734.521 of the Revised Code in connection with a change in 55446
district composition, other than one involving the withdrawal of a 55447
county from a joint district, the committee, within fourteen days 55448
after the change takes effect pursuant to division (G) of that 55449

section, shall notify by certified mail the owner or operator of 55450
each solid waste disposal facility that is required to collect the 55451
fees that the change has taken effect and of the amount of the 55452
fees, if any. Collection of any fees shall commence or collection 55453
of repealed fees shall cease on the first day of the second month 55454
following the month in which notification is sent to the owner or 55455
operator. 55456

If, in the case of a change in district composition involving 55457
the withdrawal of a county from a joint district, the director 55458
completes the actions required under division (G)(1) or (3) of 55459
section 3734.521 of the Revised Code, as appropriate, forty-five 55460
days or more before the beginning of a calendar year, the policy 55461
committee of each of the districts resulting from the change that 55462
obtained the director's approval of an initial or amended plan in 55463
connection with the change, within fourteen days after the 55464
director's completion of the required actions, shall notify by 55465
certified mail the owner or operator of each solid waste disposal 55466
facility that is required to collect the district's fees that the 55467
change is to take effect on the first day of January immediately 55468
following the issuance of the notice and of the amount of the fees 55469
or amended fees levied under divisions (B)(1) to (3) of this 55470
section pursuant to the district's initial or amended plan as so 55471
approved or, if appropriate, the repeal of the district's fees by 55472
that initial or amended plan. Collection of any fees set forth in 55473
such a plan or amended plan shall commence on the first day of 55474
January immediately following the issuance of the notice. If such 55475
an initial or amended plan repeals a schedule of fees, collection 55476
of the fees shall cease on that first day of January. 55477

If, in the case of a change in district composition involving 55478
the withdrawal of a county from a joint district, the director 55479
completes the actions required under division (G)(1) or (3) of 55480
section 3734.521 of the Revised Code, as appropriate, less than 55481

forty-five days before the beginning of a calendar year, the 55482
director, on behalf of each of the districts resulting from the 55483
change that obtained the director's approval of an initial or 55484
amended plan in connection with the change proceedings, shall 55485
notify by certified mail the owner or operator of each solid waste 55486
disposal facility that is required to collect the district's fees 55487
that the change is to take effect on the first day of January 55488
immediately following the mailing of the notice and of the amount 55489
of the fees or amended fees levied under divisions (B)(1) to (3) 55490
of this section pursuant to the district's initial or amended plan 55491
as so approved or, if appropriate, the repeal of the district's 55492
fees by that initial or amended plan. Collection of any fees set 55493
forth in such a plan or amended plan shall commence on the first 55494
day of the second month following the month in which notification 55495
is sent to the owner or operator. If such an initial or amended 55496
plan repeals a schedule of fees, collection of the fees shall 55497
cease on the first day of the second month following the month in 55498
which notification is sent to the owner or operator. 55499

If the schedule of fees that a solid waste management 55500
district is levying under divisions (B)(1) to (3) of this section 55501
is amended or repealed, the fees in effect immediately prior to 55502
the amendment or repeal shall continue to be collected until 55503
collection of the amended fees commences or collection of the 55504
repealed fees ceases, as applicable, as specified in this 55505
division. In the case of a change in district composition, money 55506
so received from the collection of the fees of the former 55507
districts shall be divided among the resulting districts in 55508
accordance with division (B) of section 343.012 of the Revised 55509
Code and the agreements entered into under division (B) of section 55510
343.01 of the Revised Code to establish the former and resulting 55511
districts and any amendments to those agreements. 55512

For the purposes of the provisions of division (B) of this 55513

section establishing the times when newly established or amended 55514
fees levied by a district are required to commence and the 55515
collection of fees that have been amended or repealed is required 55516
to cease, "fees" or "schedule of fees" includes, in addition to 55517
fees levied under divisions (B)(1) to (3) of this section, those 55518
levied under section 3734.573 or 3734.574 of the Revised Code. 55519

(C) For the purposes of defraying the added costs to a 55520
municipal corporation or township of maintaining roads and other 55521
public facilities and of providing emergency and other public 55522
services, and compensating a municipal corporation or township for 55523
reductions in real property tax revenues due to reductions in real 55524
property valuations resulting from the location and operation of a 55525
solid waste disposal facility within the municipal corporation or 55526
township, a municipal corporation or township in which such a 55527
solid waste disposal facility is located may levy a fee of not 55528
more than twenty-five cents per ton on the disposal of solid 55529
wastes at a solid waste disposal facility located within the 55530
boundaries of the municipal corporation or township regardless of 55531
where the wastes were generated. 55532

The legislative authority of a municipal corporation or 55533
township may levy fees under this division by enacting an 55534
ordinance or adopting a resolution establishing the amount of the 55535
fees. Upon so doing the legislative authority shall mail a 55536
certified copy of the ordinance or resolution to the board of 55537
county commissioners or directors of the county or joint solid 55538
waste management district in which the municipal corporation or 55539
township is located or, if a regional solid waste management 55540
authority has been formed under section 343.011 of the Revised 55541
Code, to the board of trustees of that regional authority, the 55542
owner or operator of each solid waste disposal facility in the 55543
municipal corporation or township that is required to collect the 55544
fee by the ordinance or resolution, and the director of 55545

environmental protection. Although the fees levied under this 55546
division are levied on the basis of tons as the unit of 55547
measurement, the legislative authority, in its ordinance or 55548
resolution levying the fees under this division, may direct that 55549
the fees be levied on the basis of cubic yards as the unit of 55550
measurement based upon a conversion factor of three cubic yards 55551
per ton generally or one cubic yard per ton for baled wastes. 55552

Not later than five days after enacting an ordinance or 55553
adopting a resolution under this division, the legislative 55554
authority shall so notify by certified mail the owner or operator 55555
of each solid waste disposal facility that is required to collect 55556

accordance with the following schedule: 56349

(3)(a) As used in division (D) of this section, "synthetic 56357
minor facility" means a facility for which one or more permits to 56358
install or permits to operate have been issued for the air 56359
contaminant sources at the facility that include terms and 56360
conditions that lower the facility's potential to emit air 56361
contaminants below the major source thresholds established in 56362
rules adopted under section 3704.036 of the Revised Code. 56363

(b) Beginning January 1, 2000, through June 30, ~~2010~~ 2012,
each person who owns or operates a synthetic minor facility shall
pay an annual fee based on the sum of the actual annual emissions
from the facility of particulate matter, sulfur dioxide, nitrogen
dioxide, organic compounds, and lead in accordance with the
following schedule:

(4) The fees assessed under division (D)(1) of this section
shall be collected annually no sooner than the fifteenth day of
April, commencing in 1995. The fees assessed under division (D)(2)
of this section shall be collected annually no sooner than the
fifteenth day of April, commencing in 2005. The fees assessed
under division (D)(3) of this section shall be collected no sooner
than the fifteenth day of April, commencing in 2000. The fees
assessed under division (D) of this section in a calendar year
shall be based upon the sum of the actual emissions of those
regulated pollutants during the preceding calendar year. For the
purpose of division (D) of this section, emissions of air
contaminants may be calculated using engineering calculations,
emission factors, material balance calculations, or performance

testing procedures, as authorized by the director. The director, 56397
by rule, may require persons who are required to pay the fees 56398
assessed under division (D) of this section to pay those fees 56399
biennially rather than annually. 56400

(E)(1) Consistent with the need to cover the reasonable costs 56401
of the Title V permit program, the director annually shall 56402
increase the fees prescribed in division (C)(1) of this section by 56403
the percentage, if any, by which the consumer price index for the 56404
most recent calendar year ending before the beginning of a year 56405
exceeds the consumer price index for calendar year 1989. Upon 56406
calculating an increase in fees authorized by division (E)(1) of 56407
this section, the director shall compile revised fee schedules for 56408
the purposes of division (C)(1) of this section and shall make the 56409
revised schedules available to persons required to pay the fees 56410
assessed under that division and to the public. 56411

(2) For the purposes of division (E)(1) of this section: 56412

(a) The consumer price index for any year is the average of 56413
the consumer price index for all urban consumers published by the 56414
United States department of labor as of the close of the 56415
twelve-month period ending on the thirty-first day of August of 56416
that year. 56417

(b) If the 1989 consumer price index is revised, the director 56418
shall use the revision of the consumer price index that is most 56419
consistent with that for calendar year 1989. 56420

(F) Each person who is issued a permit to install pursuant to 56421
rules adopted under division (F) of section 3704.03 of the Revised 56422

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4) 57183
of this section, each sewage sludge facility shall pay a 57184
nonrefundable annual sludge fee equal to three dollars and fifty 57185
cents per dry ton of sewage sludge, including the dry tons of 57186
sewage sludge in materials derived from sewage sludge, that the 57187
sewage sludge facility treats or disposes of in this state. The 57188
annual volume of sewage sludge treated or disposed of by a sewage 57189
sludge facility shall be calculated using the first day of January 57190
through the thirty-first day of December of the calendar year 57191
preceding the date on which payment of the fee is due. 57192

(2)(a) Except as provided in division (Y)(2)(d) of this 57193
section, each sewage sludge facility shall pay a minimum annual 57194
sewage sludge fee of one hundred dollars. 57195

(b) The annual sludge fee required to be paid by a sewage 57196
sludge facility that treats or disposes of exceptional quality 57197
sludge in this state shall be thirty-five per cent less per dry 57198
ton of exceptional quality sludge than the fee assessed under 57199
division (Y)(1) of this section, subject to the following 57200
exceptions: 57201

(i) Except as provided in division (Y)(2)(d) of this section, 57202
a sewage sludge facility that treats or disposes of exceptional 57203
quality sludge shall pay a minimum annual sewage sludge fee of one 57204
hundred dollars. 57205

(ii) A sewage sludge facility that treats or disposes of 57206
exceptional quality sludge shall not be required to pay the annual 57207
sludge fee for treatment or disposal in this state of exceptional 57208
quality sludge generated outside of this state and contained in 57209
bags or other containers not greater than one hundred pounds in 57210
capacity. 57211

A thirty-five per cent reduction for exceptional quality 57212

sludge applies to the maximum annual fees established under 57213
division (Y)(3) of this section. 57214

(c) A sewage sludge facility that transfers sewage sludge to 57215
another sewage sludge facility in this state for further treatment 57216
prior to disposal in this state shall not be required to pay the 57217
annual sludge fee for the tons of sewage sludge that have been 57218
transferred. In such a case, the sewage sludge facility that 57219
disposes of the sewage sludge shall pay the annual sludge fee. 57220
However, the facility transferring the sewage sludge shall pay the 57221
one-hundred-dollar minimum fee required under division (Y)(2)(a) 57222
of this section. 57223

In the case of a sewage sludge facility that treats sewage 57224
sludge in this state and transfers it out of this state to another 57225
entity for disposal, the sewage sludge facility in this state 57226
shall be required to pay the annual sludge fee for the tons of 57227
sewage sludge that have been transferred. 57228

(d) A sewage sludge facility that generates sewage sludge 57229
resulting from an average daily discharge flow of less than five 57230
thousand gallons per day is not subject to the fees assessed under 57231
division (Y) of this section. 57232

(3) No sewage sludge facility required to pay the annual 57233
sludge fee shall be required to pay more than the maximum annual 57234
fee for each disposal method that the sewage sludge facility uses. 57235
The maximum annual fee does not include the additional amount that 57236
may be charged under division (Y)(5) of this section for late 57237
payment of the annual sludge fee. The maximum annual fee for the 57238
following methods of disposal of sewage sludge is as follows: 57239

(a) Incineration: five thousand dollars; 57240

(b) Preexisting land reclamation project or disposal in a 57241

(b) of this section: twenty thousand dollars. 57245

(4)(a) In the case of an entity that generates sewage sludge 57246
or a sewage sludge facility that treats sewage sludge and 57247
transfers the sewage sludge to an incineration facility for 57248
disposal, the incineration facility, and not the entity generating 57249
the sewage sludge or the sewage sludge facility treating the 57250
sewage sludge, shall pay the annual sludge fee for the tons of 57251
sewage sludge that are transferred. However, the entity or 57252
facility generating or treating the sewage sludge shall pay the 57253
one-hundred-dollar minimum fee required under division (Y)(2)(a) 57254
of this section. 57255

(b) In the case of an entity that generates sewage sludge and 57256
transfers the sewage sludge to a landfill for disposal or to a 57257
sewage sludge facility for land reclamation or surface disposal, 57258
the entity generating the sewage sludge, and not the landfill or 57259
sewage sludge facility, shall pay the annual sludge fee for the 57260
tons of sewage sludge that are transferred. 57261

(5) Not later than the first day of April of the calendar 57262
year following March 17, 2000, and each first day of April 57263
thereafter, the director shall issue invoices to persons who are 57264
required to pay the annual sludge fee. The invoice shall identify 57265
the nature and amount of the annual sludge fee assessed and state 57266
the first day of May as the deadline for receipt by the director 57267
of objections regarding the amount of the fee and the first day of 57268
July as the deadline for payment of the fee. 57269

Not later than the first day of May following receipt of an 57270
invoice, a person required to pay the annual sludge fee may submit 57271
objections to the director concerning the accuracy of information 57272
regarding the number of dry tons of sewage sludge used to 57273
calculate the amount of the annual sludge fee or regarding whether 57274
the sewage sludge qualifies for the exceptional quality sludge 57275

discount established in division (Y)(2)(b) of this section. The 57276
director may consider the objections and adjust the amount of the 57277
fee to ensure that it is accurate. 57278

If the director does not adjust the amount of the annual 57279
sludge fee in response to a person's objections, the person may 57280
appeal the director's determination in accordance with Chapter 57281
119. of the Revised Code. 57282

Not later than the first day of June, the director shall 57283
notify the objecting person regarding whether the director has 57284
found the objections to be valid and the reasons for the finding. 57285
If the director finds the objections to be valid and adjusts the 57286
amount of the annual sludge fee accordingly, the director shall 57287
issue with the notification a new invoice to the person 57288
identifying the amount of the annual sludge fee assessed and 57289
stating the first day of July as the deadline for payment. 57290

Not later than the first day of July, any person who is 57291
required to do so shall pay the annual sludge fee. Any person who 57292
is required to pay the fee, but who fails to do so on or before 57293
that date shall pay an additional amount that equals ten per cent 57294
of the required annual sludge fee. 57295

(6) The director shall transmit all moneys collected under 57296
division (Y) of this section to the treasurer of state for deposit 57297
into the surface water protection fund created in section 6111.038 57298
of the Revised Code. The moneys shall be used to defray the costs 57299
of administering and enforcing provisions in Chapter 6111. of the 57300
Revised Code and rules adopted under it that govern the use, 57301
storage, treatment, or disposal of sewage sludge. 57302

(7) Beginning in fiscal year 2001, and every two years 57303
thereafter, the director shall review the total amount of moneys 57304
generated by the annual sludge fees to determine if that amount 57305
exceeded six hundred thousand dollars in either of the two 57306

preceding fiscal years. If the total amount of moneys in the fund 57307
exceeded six hundred thousand dollars in either fiscal year, the 57308
director, after review of the fee structure and consultation with 57309
affected persons, shall issue an order reducing the amount of the 57310
fees levied under division (Y) of this section so that the 57311
estimated amount of moneys resulting from the fees will not exceed 57312
six hundred thousand dollars in any fiscal year. 57313

If, upon review of the fees under division (Y)(7) of this 57314
section and after the fees have been reduced, the director 57315
determines that the total amount of moneys collected and 57316
accumulated is less than six hundred thousand dollars, the 57317
director, after review of the fee structure and consultation with 57318
affected persons, may issue an order increasing the amount of the 57319
fees levied under division (Y) of this section so that the 57320
estimated amount of moneys resulting from the fees will be 57321
approximately six hundred thousand dollars. Fees shall never be 57322
increased to an amount exceeding the amount specified in division 57323
(Y)(7) of this section. 57324

Notwithstanding section 119.06 of the Revised Code, the 57325
director may issue an order under division (Y)(7) of this section 57326
without the necessity to hold an adjudicatory hearing in 57327
connection with the order. The issuance of an order under this 57328
division is not an act or action for purposes of section 3745.04 57329

(9) "Landlord" has the same meaning as in section 5321.01 of 57584
the Revised Code. 57585

(B)(1)(a) In any civil action to enforce any local building, 57586
housing, air pollution, sanitation, health, fire, zoning, or 57587
safety code, ordinance, resolution, or regulation applicable to 57588
buildings, that is commenced in a court of common pleas, municipal 57589
court, housing or environmental division of a municipal court, or 57590
county court, or in any civil action for abatement commenced in a 57591
court of common pleas, municipal court, housing or environmental 57592
division of a municipal court, or county court, by a municipal 57593
corporation or township in which the building involved is located, 57594
by any neighbor, tenant, or by a nonprofit corporation that is 57595
duly organized and has as one of its goals the improvement of 57596
housing conditions in the county or municipal corporation in which 57597
the building involved is located, if a building is alleged to be a 57598
public nuisance, the municipal corporation, township, neighbor, 57599
tenant, or nonprofit corporation may apply in its complaint for an 57600
injunction or other order as described in division (C)(1) of this 57601
section, or for the relief described in division (C)(2) of this 57602
section, including, if necessary, the appointment of a receiver as 57603
described in divisions (C)(2) and (3) of this section, or for both 57604
such an injunction or other order and such relief. The municipal 57605
corporation, township, neighbor, tenant, or nonprofit corporation 57606
commencing the action is not liable for the costs, expenses, and 57607
fees of any receiver appointed pursuant to divisions (C)(2) and 57608
(3) of this section. 57609

(b) Prior to commencing a civil action for abatement when the 57610
property alleged to be a public nuisance is subsidized housing, 57611
the municipal corporation, township, neighbor, tenant, or 57612
nonprofit corporation commencing the action shall provide the 57613
landlord of that property with written notice that specifies one 57614

or more defective conditions that constitute a public nuisance as 57615
that term applies to subsidized housing and states that if the 57616
landlord fails to remedy the condition within sixty days of the 57617
service of the notice, a claim pursuant to this section may be 57618
brought on the basis that the property constitutes a public 57619
nuisance in subsidized housing. Any party authorized to bring an 57620
action against the landlord shall make reasonable attempts to 57621
serve the notice in the manner prescribed in the Rules of Civil 57622
Procedure to the landlord or the landlord's agent for the property 57623
at the property's management office, or at the place where the 57624
tenants normally pay or send rent. If the landlord is not the 57625
owner of record, the party bringing the action shall make a 57626
reasonable attempt to serve the owner. If the owner does not 57627
receive service the person bringing the action shall certify the 57628
attempts to serve the owner. 57629

(2)(a) In a civil action described in division (B)(1) of this 57630
section, a copy of the complaint and a notice of the date and time 57631
of a hearing on the complaint shall be served upon the owner of 57632
the building and all other interested parties in accordance with 57633
the Rules of Civil Procedure. If certified mail service, personal 57634
service, or residence service of the complaint and notice is 57635
refused or certified mail service of the complaint and notice is 57636
not claimed, and if the municipal corporation, township, neighbor, 57637
tenant, or nonprofit corporation commencing the action makes a 57638
written request for ordinary mail service of the complaint and 57639
notice, or uses publication service, in accordance with the Rules 57640
of Civil Procedure, then a copy of the complaint and notice shall 57641
be posted in a conspicuous place on the building. 57642

(b) The judge in a civil action described in division (B)(1) 57643
of this section shall conduct a hearing at least twenty-eight days 57644
after the owner of the building and the other interested parties 57645
have been served with a copy of the complaint and the notice of 57646

the date and time of the hearing in accordance with division 57647
(B)(2)(a) of this section. 57648

(c) In considering whether subsidized housing is a public 57649
nuisance, the judge shall construe the standards set forth in 57650
division (A)(2)(b) of this section in a manner consistent with 57651
department of housing and urban development and judicial 57652
interpretations of those standards. The judge shall deem that the 57653
property is not a public nuisance if during the twelve months 57654
prior to the service of the notice that division (B)(1)(b) of this 57655
section requires, the department of housing and urban 57656
development's real estate assessment center issued a score of 57657
seventy-five or higher out of a possible one hundred points 57658
pursuant to its regulations governing the physical condition of 57659
multifamily properties pursuant to 24 C.F.R. part 200, subpart P, 57660
and since the most recent inspection, there has been no 57661
significant change in the property's conditions that would create 57662
a serious threat to the health, safety, or welfare of the 57663
property's tenants. 57664

(C)(1) If the judge in a civil action described in division 57665
(B)(1) of this section finds at the hearing required by division 57666
(B)(2) of this section that the building involved is a public 57667
nuisance, if the judge additionally determines that the owner of 57668
the building previously has not been afforded a reasonable 57669
opportunity to abate the public nuisance or has been afforded such 57670
an opportunity and has not refused or failed to abate the public 57671
nuisance, and if the complaint of the municipal corporation, 57672
township, neighbor, tenant, or nonprofit corporation commencing 57673
the action requested the issuance of an injunction as described in 57674
this division, then the judge may issue an injunction requiring 57675
the owner of the building to abate the public nuisance or issue 57676
any other order that the judge considers necessary or appropriate 57677
to cause the abatement of the public nuisance. If an injunction is 57678

issued pursuant to this division, the owner of the building 57679
involved shall be given no more than thirty days from the date of 57680
the entry of the judge's order to comply with the injunction, 57681
unless the judge, for good cause shown, extends the time for 57682
compliance. 57683

(2) If the judge in a civil action described in division 57684
(B)(1) of this section finds at the hearing required by division 57685
(B)(2) of this section that the building involved is a public 57686
nuisance, if the judge additionally determines that the owner of 57687
the building previously has been afforded a reasonable opportunity 57688
to abate the public nuisance and has refused or failed to do so, 57689
and if the complaint of the municipal corporation, township, 57690
neighbor, tenant, or nonprofit corporation commencing the action 57691
requested relief as described in this division, then the judge 57692
shall offer any mortgagee, lienholder, or other interested party 57693
associated with the property on which the building is located, in 57694
the order of the priority of interest in title, the opportunity to 57695
undertake the work and to furnish the materials necessary to abate 57696
the public nuisance. Prior to selecting any interested party, the 57697
judge shall require the interested party to demonstrate the 57698
ability to promptly undertake the work and furnish the materials 57699
required, to provide the judge with a viable financial and 57700
construction plan for the rehabilitation of the building as 57701
described in division (D) of this section, and to post security 57702
for the performance of the work and the furnishing of the 57703
materials. 57704

If the judge determines, at the hearing, that no interested 57705
party is willing or able to undertake the work and to furnish the 57706
materials necessary to abate the public nuisance, or if the judge 57707
determines, at any time after the hearing, that any party who is 57708
undertaking corrective work pursuant to this division cannot or 57709
will not proceed, or has not proceeded with due diligence, the 57710

judge may appoint a receiver pursuant to division (C)(3) of this 57711
section to take possession and control of the building. 57712

(3)(a) The judge in a civil action described in division 57713
(B)(1) of this section shall not appoint any person as a receiver 57714
unless the person first has provided the judge with a viable 57715
financial and construction plan for the rehabilitation of the 57716
building involved as described in division (D) of this section and 57717
has demonstrated the capacity and expertise to perform the 57718
required work and to furnish the required materials in a 57719
satisfactory manner. An appointed receiver may be a financial 57720
institution that possesses an interest of record in the building 57721
or the property on which it is located, a nonprofit corporation as 57722
described in divisions (B)(1) and (C)(3)(b) of this section, 57723
including, but not limited to, a nonprofit corporation that 57724
commenced the action described in division (B)(1) of this section, 57725
or any other qualified property manager. 57726

(b) To be eligible for appointment as a receiver, no part of 57727
the net earnings of a nonprofit corporation shall inure to the 57728
benefit of any private shareholder or individual. Membership on 57729
the board of trustees of a nonprofit corporation appointed as a 57730
receiver does not constitute the holding of a public office or 57731
employment within the meaning of sections 731.02 and 731.12 or any 57732
other section of the Revised Code and does not constitute a direct 57733
or indirect interest in a contract or expenditure of money by any 57734
municipal corporation. A member of a board of trustees of a 57735
nonprofit corporation appointed as a receiver shall not be 57736
disqualified from holding any public office or employment, and 57737
shall not forfeit any public office or employment, by reason of 57738
membership on the board of trustees, notwithstanding any law to 57739
the contrary. 57740

(D) Prior to ordering any work to be undertaken, or the 57741
furnishing of any materials, to abate a public nuisance under this 57742

section, the judge in a civil action described in division (B)(1) 57743
of this section shall review the submitted financial and 57744
construction plan for the rehabilitation of the building involved 57745
and, if it specifies all of the following, shall approve that 57746
plan: 57747

(1) The estimated cost of the labor, materials, and any other 57748
development costs that are required to abate the public nuisance; 57749

(2) The estimated income and expenses of the building and the 57750
property on which it is located after the furnishing of the 57751
materials and the completion of the repairs and improvements; 57752

(3) The terms, conditions, and availability of any financing 57753
that is necessary to perform the work and to furnish the 57754
materials; 57755

(4) If repair and rehabilitation of the building are found 57756
not to be feasible, the cost of demolition of the building or of 57757
the portions of the building that constitute the public nuisance. 57758

(E) Upon the written request of any of the interested parties 57759
to have a building, or portions of a building, that constitute a 57760
public nuisance demolished because repair and rehabilitation of 57761
the building are found not to be feasible, the judge may order the 57762
demolition. However, the demolition shall not be ordered unless 57763
the requesting interested parties have paid the costs of 57764
demolition and, if any, of the receivership, and, if any, all 57765
notes, certificates, mortgages, and fees of the receivership. 57766

(F) Before proceeding with the duties of receiver, any 57767
receiver appointed by the judge in a civil action described in 57768
division (B)(1) of this section may be required by the judge to 57769
post a bond in an amount fixed by the judge, but not exceeding the 57770
value of the building involved as determined by the judge. 57771

The judge may empower the receiver to do any or all of the 57772
following: 57773

- (1) Take possession and control of the building and the property on which it is located, operate and manage the building and the property, establish and collect rents and income, lease and rent the building and the property, and evict tenants; 57774
57775
57776
57777
- (2) Pay all expenses of operating and conserving the building and the property, including, but not limited to, the cost of electricity, gas, water, sewerage, heating fuel, repairs and supplies, custodian services, taxes and assessments, and insurance premiums, and hire and pay reasonable compensation to a managing agent; 57778
57779
57780
57781
57782
57783
- (3) Pay pre-receivership mortgages or installments of them and other liens; 57784
57785
- (4) Perform or enter into contracts for the performance of all work and the furnishing of materials necessary to abate, and obtain financing for the abatement of, the public nuisance; 57786
57787
57788
- (5) Pursuant to court order, remove and dispose of any personal property abandoned, stored, or otherwise located in or on the building and the property that creates a dangerous or unsafe condition or that constitutes a violation of any local building, housing, air pollution, sanitation, health, fire, zoning, or safety code, ordinance, or regulation; 57789
57790
57791
57792
57793
57794
- (6) Obtain mortgage insurance for any receiver's mortgage from any agency of the federal government; 57795
57796
- (7) Enter into any agreement and do those things necessary to maintain and preserve the building and the property and comply with all local building, housing, air pollution, sanitation, health, fire, zoning, or safety codes, ordinances, resolutions, and regulations; 57797
57798
57799
57800
57801
- (8) Give the custody of the building and the property, and the opportunity to abate the nuisance and operate the property, to its owner or any mortgagee or lienholder of record; 57802
57803
57804

(9) Issue notes and secure them by a mortgage bearing 57805
interest, and upon terms and conditions, that the judge approves. 57806
When sold or transferred by the receiver in return for valuable 57807
consideration in money, material, labor, or services, the notes or 57808
certificates shall be freely transferable. Any mortgages granted 57809
by the receiver shall be superior to any claims of the receiver. 57810
Priority among the receiver's mortgages shall be determined by the 57811
order in which they are recorded. 57812

(G) A receiver appointed pursuant to this section is not 57813
personally liable except for misfeasance, malfeasance, or 57814
nonfeasance in the performance of the functions of the office of 57815
receiver. 57816

(H)(1) The judge in a civil action described in division 57817
(B)(1) of this section may assess as court costs, the expenses 57818
described in division (F)(2) of this section, and may approve 57819
receiver's fees to the extent that they are not covered by the 57820
income from the property. Subject to that limitation, a receiver 57821
appointed pursuant to divisions (C)(2) and (3) of this section is 57822
entitled to receive fees in the same manner and to the same extent 57823
as receivers appointed in actions to foreclose mortgages. 57824

(2)(a) Pursuant to the police powers vested in the state, all 57825
expenditures of a mortgagee, lienholder, or other interested party 57826
that has been selected pursuant to division (C)(2) of this section 57827
to undertake the work and to furnish the materials necessary to 57828
abate a public nuisance, and any expenditures in connection with 57829
the foreclosure of the lien created by this division, is a first 57830
lien upon the building involved and the property on which it is 57831
located and is superior to all prior and subsequent liens or other 57832
encumbrances associated with the building or the property, 57833
including, but not limited to, those for taxes and assessments, 57834
upon the occurrence of both of the following: 57835

(i) The prior approval of the expenditures by, and the entry 57836

of a judgment to that effect by, the judge in the civil action 57837
described in division (B)(1) of this section; 57838

(ii) The recordation of a certified copy of the judgment 57839
entry and a sufficient description of the property on which the 57840
building is located with the county recorder in the county in 57841
which the property is located within sixty days after the date of 57842
the entry of the judgment. 57843

(b) Pursuant to the police powers vested in the state, all 57844
expenses and other amounts paid in accordance with division (F) of 57845
this section by a receiver appointed pursuant to divisions (C)(2) 57846
and (3) of this section, the amounts of any notes issued by the 57847
receiver in accordance with division (F) of this section, all 57848
mortgages granted by the receiver in accordance with that 57849
division, the fees of the receiver approved pursuant to division 57850
(H)(1) of this section, and any amounts expended in connection 57851
with the foreclosure of a mortgage granted by the receiver in 57852
accordance with division (F) of this section or with the 57853
foreclosure of the lien created by this division, are a first lien 57854
upon the building involved and the property on which it is located 57855
and are superior to all prior and subsequent liens or other 57856
encumbrances associated with the building or the property, 57857
including, but not limited to, those for taxes and assessments, 57858
upon the occurrence of both of the following: 57859

(i) The approval of the expenses, amounts, or fees by, and 57860
the entry of a judgment to that effect by, the judge in the civil 57861
action described in division (B)(1) of this section; or the 57862
approval of the mortgages in accordance with division (F)(9) of 57863
this section by, and the entry of a judgment to that effect by, 57864
that judge; 57865

(ii) The recordation of a certified copy of the judgment 57866
entry and a sufficient description of the property on which the 57867
building is located, or, in the case of a mortgage, the 57868

recording of the mortgage, a certified copy of the judgment 57869
entry, and such a description, with the county recorder of the 57870
county in which the property is located within sixty days after 57871
the date of the entry of the judgment. 57872

(c) Priority among the liens described in divisions (H)(2)(a) 57873
and (b) of this section shall be determined as described in 57874
division (I) of this section. Additionally, the creation pursuant 57875
to this section of a mortgage lien that is prior to or superior to 57876
any mortgage of record at the time the mortgage lien is so 57877
created, does not disqualify the mortgage of record as a legal 57878
investment under Chapter 1107. or 1151. or any other chapter of 57879
the Revised Code. 57880

(I)(1) If a receiver appointed pursuant to divisions (C)(2) 57881
and (3) of this section files with the judge in the civil action 57882
described in division (B)(1) of this section a report indicating 57883
that the public nuisance has been abated, if the judge confirms 57884
that the receiver has abated the public nuisance, and if the 57885
receiver or any interested party requests the judge to enter an 57886
order directing the receiver to sell the building and the property 57887
on which it is located, the judge may enter that order after 57888
holding a hearing as described in division (I)(2) of this section 57889
and otherwise complying with that division. 57890

(2)(a) The receiver or interested party requesting an order 57891
as described in division (I)(1) of this section shall cause a 57892
notice of the date and time of a hearing on the request to be 57893
served on the owner of the building involved and all other 57894
interested parties in accordance with division (B)(2)(a) of this 57895
section. The judge in the civil action described in division 57896
(B)(1) of this section shall conduct the scheduled hearing. At the 57897
hearing, if the owner or any interested party objects to the sale 57898
of the building and the property, the burden of proof shall be 57899
upon the objecting person to establish, by a preponderance of the 57900

evidence, that the benefits of not selling the building and the property outweigh the benefits of selling them. If the judge determines that there is no objecting person, or if the judge determines that there is one or more objecting persons but no objecting person has sustained the burden of proof specified in this division, the judge may enter an order directing the receiver to offer the building and the property for sale upon terms and conditions that the judge shall specify.

(b) In any sale of subsidized housing that is ordered pursuant to this section, the judge shall specify that the subsidized housing not be conveyed unless that conveyance complies with applicable federal law and applicable program contracts for that housing. Any such conveyance shall be subject to the condition that the purchaser enter into a contract with the department of housing and urban development or the rural housing service of the federal department of agriculture under which the property continues to be subsidized housing and the owner continues to operate that property as subsidized housing unless the secretary of housing and urban development or the administrator of the rural housing service terminates that property's contract prior to or upon the conveyance of the property.

(3) If a sale of a building and the property on which it is located is ordered pursuant to divisions (I)(1) and (2) of this section and if the sale occurs in accordance with the terms and conditions specified by the judge in the judge's order of sale, then the receiver shall distribute the proceeds of the sale and the balance of any funds that the receiver may possess, after the payment of the costs of the sale, in the following order of priority and in the described manner:

(a) First, in satisfaction of any notes issued by the receiver pursuant to division (F) of this section, in their order

of priority; 57933

(b) Second, any unreimbursed expenses and other amounts paid 57934
in accordance with division (F) of this section by the receiver, 57935
and the fees of the receiver approved pursuant to division (H)(1) 57936
of this section; 57937

(c) Third, all expenditures of a mortgagee, lienholder, or 57938
other interested party that has been selected pursuant to division 57939
(C)(2) of this section to undertake the work and to furnish the 57940
materials necessary to abate a public nuisance, provided that the 57941
expenditures were approved as described in division (H)(2)(a) of 57942
this section and provided that, if any such interested party 57943
subsequently became the receiver, its expenditures shall be paid 57944
prior to the expenditures of any of the other interested parties 57945
so selected; 57946

(d) Fourth, the amount due for delinquent taxes, assessments, 57947
charges, penalties, and interest owed to this state or a political 57948
subdivision of this state, provided that, if the amount available 57949
for distribution pursuant to division (I)(3)(d) of this section is 57950
insufficient to pay the entire amount of those taxes, assessments, 57951
charges, penalties, and interest, the proceeds and remaining funds 57952
shall be paid to each claimant in proportion to the amount of 57953
those taxes, assessments, charges, penalties, and interest that 57954
each is due. 57955

(e) The amount of any pre-receivership mortgages, liens, or 57956
other encumbrances, in their order of priority. 57957

(4) Following a distribution in accordance with division 57958
(I)(3) of this section, the receiver shall request the judge in 57959
the civil action described in division (B)(1) of this section to 57960
enter an order terminating the receivership. If the judge 57961
determines that the sale of the building and the property on which 57962
it is located occurred in accordance with the terms and conditions 57963

specified by the judge in the judge's order of sale under division 57964
(I)(2) of this section and that the receiver distributed the 57965
proceeds of the sale and the balance of any funds that the 57966
receiver possessed, after the payment of the costs of the sale, in 57967
accordance with division (I)(3) of this section, and if the judge 57968
approves any final accounting required of the receiver, the judge 57969
may terminate the receivership. 57970

(J)(1) A receiver appointed pursuant to divisions (C)(2) and 57971
(3) of this section may be discharged at any time in the 57972
discretion of the judge in the civil action described in division 57973
(B)(1) of this section. The receiver shall be discharged by the 57974
judge as provided in division (I)(4) of this section, or when all 57975
of the following have occurred: 57976

(a) The public nuisance has been abated; 57977

(b) All costs, expenses, and approved fees of the 57978
receivership have been paid; 57979

(c) Either all receiver's notes issued and mortgages granted 57980
pursuant to this section have been paid, or all the holders of the 57981
notes and mortgages request that the receiver be discharged. 57982

(2) If a judge in a civil action described in division (B)(1) 57983
of this section determines that, and enters of record a 57984
declaration that, a public nuisance has been abated by a receiver, 57985
and if, within three days after the entry of the declaration, all 57986
costs, expenses, and approved fees of the receivership have not 57987
been paid in full, then, in addition to the circumstances 57988
specified in division (I) of this section for the entry of such an 57989
order, the judge may enter an order directing the receiver to sell 57990
the building involved and the property on which it is located. Any 57991
such order shall be entered, and the sale shall occur, only in 57992
compliance with division (I) of this section. 57993

(K) The title in any building, and in the property on which 57994

it is located, that is sold at a sale ordered under division (I) 57995
or (J)(2) of this section shall be incontestable in the purchaser 57996
and shall be free and clear of all liens for delinquent taxes, 57997
assessments, charges, penalties, and interest owed to this state 57998
or any political subdivision of this state, that could not be 57999
satisfied from the proceeds of the sale and the remaining funds in 58000
the receiver's possession pursuant to the distribution under 58001
division (I)(3) of this section. All other liens and encumbrances 58002
with respect to the building and the property shall survive the 58003
sale, including, but not limited to, a federal tax lien notice 58004
properly filed in accordance with section 317.09 of the Revised 58005

(b) Prior to approval of the application, obtain a surety bond in an amount the director determines by rule adopted under Chapter 119. of the Revised Code or, alternatively, with the director's approval, deposit the same amount into a dedicated account for the benefit of the state lottery. The director also may approve the obtaining of a surety bond to cover part of the amount required, together with a dedicated account deposit to cover the remainder of the amount required.

A surety bond may be with any company that complies with the bonding and surety laws of this state and the requirements established by rules of the commission pursuant to this chapter. A dedicated account deposit shall be conducted in accordance with policies and procedures the director establishes.

A surety bond, dedicated account, or both, as applicable, may be used to pay for the lottery sales agent's failure to make prompt and accurate payments for lottery ticket sales, for missing or stolen lottery tickets, or for damage to equipment or materials issued to the lottery sales agent, or to pay for expenses the commission incurs in connection with the lottery sales agent's license.

(2) A lottery sales agent license is effective for one year.

A licensed lottery sales agent, on or before the date established by the director, shall renew the agent's license and provide at that time evidence to the director that the surety bond, dedicated account deposit, or both, required under division (G)(1)(b) of this section has been renewed or is active, whichever applies.

Before the commission renews a lottery sales agent license, the lottery sales agent shall submit a renewal fee to the commission in an amount that the director determines by rule adopted under Chapter 119. of the Revised Code and that the

controlling board approves. The renewal fee shall not exceed the 58178

that shall not exceed the actual cost of administering and 58189
processing the changes to an application. 58190

(4) The relationship between the commission and a lottery 58191

on behalf of the commission through the sale of lottery tickets 58193
for which the agent receives a compensation. 58194

(H) Pending a final resolution of any question arising under 58195
this section, the director of the state lottery commission may 58196
issue a temporary lottery sales agent license, subject to the 58197

lottery sales agent's premises are determined, in whole or in 58200

and if the rental agreement does not expressly provide that the 58202
amount of those retail sales includes the amounts the lottery 58203
sales agent receives from lottery ticket sales, only the amounts 58204
the lottery sales agent receives as compensation from the state 58205
lottery commission for selling lottery tickets shall be considered 58206
to be amounts the lottery sales agent receives from the retail 58207
sales the lottery sales agent makes, for the purpose of computing 58208
the lottery sales agent's rental payments. 58209

Sec. 3781.01. (A) Chapters 3781. and 3791. of the Revised	58392

Code do not prevent the legislative authority of a municipal 58393
corporation from making further and additional regulations, not in 58394
conflict with those chapters or with the rules the board of 58395
building standards adopts. Those chapters or rules do not modify 58396
or repeal any portion of any building code adopted by a municipal 58397
corporation and in force on September 13, 1911, that is not in 58398
direct conflict with those chapters or rules. 58399

(B) The state residential building code the board of building 58400
standards adopts pursuant to section 3781.10 of the Revised Code 58401
does not prevent a local governing authority from adopting 58402
additional regulations governing residential structures that do 58403
not conflict with the state residential building code if the 58404
procedures in division (C) of this section are followed. 58405

(C)(1) A local governing authority shall, and any person may, 58406
notify the board of building standards of any regulation the local 58407
governing authority adopts pursuant to division (B) of this 58408
section and request the board of building standards to determine 58409
whether that regulation conflicts with the state residential 58410
building code. 58411

(2) Not later than sixty days after receiving a notice under 58412
division (C)(1) of this section, the board shall determine whether 58413
the regulation conflicts with the state residential building code 58414
and shall notify any person who submitted the notice and the local 58415
governing authority that adopted the regulation of the board's 58416
determination. 58417

(a) If the board determines that a conflict does not exist, 58418
the board shall take no further action with regard to the 58419
regulation. If the board determines a conflict exists and the 58420
regulation is not necessary to protect the health or safety of the 58421
persons within the local governing authority's jurisdiction, the 58422
regulation is not valid and the local governing authority may not 58423
enforce the regulation. 58424

(b) If the board determines that a conflict exists and that the regulation is necessary to protect the health or safety of the persons within the local governing authority's jurisdiction, the board shall adopt a rule to incorporate the regulation into the state residential building code in accordance with division (D) of section 4740.14 of the Revised Code. Until the rule becomes a part of the state residential building code, the board shall grant a temporary variance to the local governing authority and any similarly situated local governing authority to which the board determines the temporary variance should apply.

(D) As used in this section, "local governing authority" means a board of county commissioners, a board of township trustees, and the legislative authority of a municipal corporation.

Sec. 3781.10. (A)(1) The board of building standards shall formulate and adopt rules governing the erection, construction, repair, alteration, and maintenance of all buildings or classes of buildings specified in section 3781.06 of the Revised Code, including land area incidental to those buildings, the construction of industrialized units, the installation of equipment, and the standards or requirements for materials used in connection with those buildings. The board shall incorporate those rules into separate residential and nonresidential building codes. The residential building code shall include sanitation and plumbing standards. The standards shall relate to the conservation of energy and the safety and sanitation of those buildings.

(2) The rules governing nonresidential buildings are the lawful minimum requirements specified for those buildings and industrialized units, except that no rule other than as provided in division (C) of section 3781.108 of the Revised Code that

specifies a higher requirement than is imposed by any section of 58456
the Revised Code is enforceable. The rules governing residential 58457
buildings are uniform requirements for residential buildings in 58458
any area with a building department certified to enforce the state 58459
residential building code. In no case shall any local code or 58460
regulation differ from the state residential building code unless 58461
that code or regulation addresses subject matter not addressed by 58462
the state residential building code or is adopted pursuant to 58463
section 3781.01 of the Revised Code. 58464

(3) The rules adopted pursuant to this section are complete, 58465
lawful alternatives to any requirements specified for buildings or 58466
industrialized units in any section of the Revised Code. ~~The~~ 58467
Except as otherwise limited by division (I) of this section, the 58468
board shall, on its own motion or on application made under 58469
sections 3781.12 and 3781.13 of the Revised Code, formulate, 58470
propose, adopt, modify, amend, or repeal the rules to the extent 58471
necessary or desirable to effectuate the purposes of sections 58472
3781.06 to 3781.18 of the Revised Code. 58473

(B) The board shall report to the general assembly proposals 58474
for amendments to existing statutes relating to the purposes 58475
declared in section 3781.06 of the Revised Code that public health 58476
and safety and the development of the arts require and shall 58477
recommend any additional legislation to assist in carrying out 58478
fully, in statutory form, the purposes declared in that section. 58479
The board shall prepare and submit to the general assembly a 58480
summary report of the number, nature, and disposition of the 58481
petitions filed under sections 3781.13 and 3781.14 of the Revised 58482
Code. 58483

(C) On its own motion or on application made under sections 58484
3781.12 and 3781.13 of the Revised Code, and after thorough 58485
testing and evaluation, the board shall determine by rule that any 58486
particular fixture, device, material, process of manufacture, 58487

manufactured unit or component, method of manufacture, system, or 58488
method of construction complies with performance standards adopted 58489
pursuant to section 3781.11 of the Revised Code. The board shall 58490
make its determination with regard to adaptability for safe and 58491
sanitary erection, use, or construction, to that described in any 58492
section of the Revised Code, wherever the use of a fixture, 58493
device, material, method of manufacture, system, or method of 58494
construction described in that section of the Revised Code is 58495
permitted by law. The board shall amend or annul any rule or issue 58496
an authorization for the use of a new material or manufactured 58497
unit on any like application. No department, officer, board, or 58498
commission of the state other than the board of building standards 58499
or the board of building appeals shall permit the use of any 58500
fixture, device, material, method of manufacture, newly designed 58501
product, system, or method of construction at variance with what 58502
is described in any rule the board of building standards adopts or 58503
issues or that is authorized by any section of the Revised Code. 58504
Nothing in this section shall be construed as requiring approval, 58505
by rule, of plans for an industrialized unit that conforms with 58506
the rules the board of building standards adopts pursuant to 58507
section 3781.11 of the Revised Code. 58508

(D) The board shall recommend rules, codes, and standards to 58510

and to help secure uniformity of state administrative rulings and 58512
local legislation and administrative action to the bureau of 58513
workers' compensation, the director of commerce, any other 58514
department, officer, board, or commission of the state, and to 58515
legislative authorities and building departments of counties, 58516
townships, and municipal corporations, and shall recommend that 58517
they audit those recommended rules, codes, and standards by any 58518
appropriate action that they are allowed pursuant to law or the 58519
constitution. 58520

(E)(1) The board shall certify municipal, township, and county building departments and the personnel of those building departments, and persons and employees of individuals, firms, or corporations as described in division (E)(7) of this section to exercise enforcement authority, to accept and approve plans and specifications, and to make inspections, pursuant to sections 3781.03, 3791.04, and 4104.43 of the Revised Code.

(2) The board shall certify departments, personnel, and persons to enforce the state residential building code, to enforce the nonresidential building code, or to enforce both the residential and the nonresidential building codes. Any department, personnel, or person may enforce only the type of building code for which certified.

The board shall specify, in rules adopted pursuant to Chapter 119. of the Revised Code, the requirements for certification for residential and nonresidential building code enforcement, which shall be consistent with this division. The requirements for residential and nonresidential certification may differ. Except as otherwise provided in this division, the requirements shall include, but are not limited to, the satisfactory completion of an initial examination and, to remain certified, the completion of a specified number of hours of continuing building code education within each three-year period following the date of certification which shall be not less than thirty hours. The rules shall provide that continuing education credits and certification issued by the council of American building officials, national model code organizations, and agencies or entities the board recognizes are acceptable for purposes of this division. The rules shall specify

requirements that are compatible, to the extent possible, with 58553
requirements the council of American building officials and 58554
national model code organizations establish. 58555

(4) The board shall establish and collect a certification and 58556

employees of persons, firms, or corporations as described in this 58558
section, who are certified pursuant to this division. 58559

(5) Any individual certified pursuant to this division shall 58560
complete the number of hours of continuing building code education 58561
that the board requires or, for failure to do so, forfeit 58562
certification. 58563

(6) This division does not require or authorize the board to 58564
certify personnel of municipal, township, and county building 58565
departments, and persons and employees of persons, firms, or 58566
corporations as described in this section, whose responsibilities 58567
do not include the exercise of enforcement authority, the approval 58568
of plans and specifications, or making inspections under the state 58569
residential and nonresidential building codes. 58570

(7) Enforcement authority for approval of plans and 58571
specifications and enforcement authority for inspections may be 58572
exercised, and plans and specifications may be approved and 58573
inspections may be made on behalf of a municipal corporation, 58574
township, or county, by any of the following who the board of 58575
building standards certifies: 58576

person who contracts for services with the department from 58614
performing services for the department when that employee or 58615
person would have to pass upon, inspect, or otherwise exercise 58616
authority over any labor, material, or equipment the employee or 58617
person furnishes for the construction, alteration, or maintenance 58618
of a building or the preparation of working drawings or 58619
specifications for work within the jurisdictional area of the 58620
department. The department shall provide other similarly qualified 58621
personnel to enforce the residential and nonresidential building 58622
codes as they pertain to that work. 58623

(b) The minimum services to be provided by a certified 58624
building department. 58625

Code shall conduct the adjudication hearing referred to in 58777
sections 119.09 to 119.13 and required by section 3781.031 of the 58778
Revised Code. If there is no certified municipal or county board 58779

adjudication hearing. If the adjudication hearing concerns section 58781
3781.111 of the Revised Code or any rule made thereunder, 58782
reasonable notice of the time, date, place, and subject of the 58783
hearing shall be given to any local corporation, association, or 58784
other organization composed of or representing handicapped 58785
persons, as defined in section 3781.111 of the Revised Code, or if 58786
there is no local organization, then to any statewide corporation, 58787
association, or other organization composed of or representing 58788

Code, the municipal, county, or state board of building appeals, 58791
as the agency conducting the adjudication hearing, may reverse or 58792
modify the order of the enforcing agency if it finds that the 58793
order is contrary to this chapter and Chapters 3791. and 4104., 58794
and sections 3737.41, 3737.42, 4105.011, and 4105.11 of the 58795
Revised Code and any rule made thereunder or to a fair 58796
interpretation or application of such laws or any rule made 58797
thereunder, or that a variance from the provisions of such laws or 58798
any rule made thereunder, in the specific case, will not be 58799

such provisions will result in unnecessary hardship. 58801

The state board of building appeals or a certified municipal 58802
or county board of appeals shall render its decision within thirty 58803
days after the date of the adjudication hearing. Following the 58804

state board, or may appeal directly to the court of common pleas 58809
pursuant to section 3781.031 of the Revised Code. 58810

In addition, any local corporation, association, or other 58811
organization composed of or representing handicapped persons as 58812
defined in section 3781.111 of the Revised Code, or, if no local 58813
corporation, association, or organization exists, then any 58814
statewide corporation, association, or other organization composed 58815
of or representing handicapped persons may apply for the de novo 58816
hearing or appeal to the court of common pleas from any decision 58817
of a certified municipal or county board of appeals interpreting, 58818
applying, or granting a variance from section 3781.111 of the 58819
Revised Code and any rule made thereunder. Application for a de 58820
novo hearing before the state board shall be made no later than 58821
thirty days after the municipal or county board renders its 58822
decision. 58823

The state board of building appeals or the appropriate 58824
certified local board of building appeals shall grant variances 58825
and exemptions from the requirements of section 3781.108 of the 58826
Revised Code in accordance with rules adopted by the board of 58827

The state board of building appeals or the appropriate 58830
certified local board of building appeals shall, in granting a 58831
variance or exemption from section 3781.108 of the Revised Code, 58832

third-party payer shall process a claim for payment for health 58944
care services rendered by a provider to a beneficiary in 58945
accordance with this section. 58946

(B)(1) Unless division (B)(2) or (3) of this section applies, 58947
when a third-party payer receives from a provider or beneficiary a 58948
claim on the standard claim form prescribed in rules adopted by 58949
the superintendent of insurance under section 3902.22 of the 58950
Revised Code, the third-party payer shall pay or deny the claim 58951
not later than thirty days after receipt of the claim. When a 58952
third-party payer denies a claim, the third-party payer shall 58953
notify the provider and the beneficiary. The notice shall state, 58954
with specificity, why the third-party payer denied the claim. 58955

(2)(a) Unless division (B)(3) of this section applies, when a 58956
provider or beneficiary has used the standard claim form, but the 58957
third-party payer determines that reasonable supporting 58958
documentation is needed to establish the third-party payer's 58959
responsibility to make payment, the third-party payer shall pay or 58960

deny the claim not later than forty-five days after receipt of the 58961
claim. Supporting documentation includes the verification of 58962
employer and beneficiary coverage under a benefits contract, 58963
confirmation of premium payment, medical information regarding the 58964
beneficiary and the services provided, information on the 58965
responsibility of another third-party payer to make payment or 58966
confirmation of the amount of payment by another third-party 58967
payer, and information that is needed to correct material 58968

the provider's identification. 58970

Not later than thirty days after receipt of the claim, the 58971
third-party payer shall notify all relevant external sources that 58972
the supporting documentation is needed. All such notices shall 58973
state, with specificity, the supporting documentation needed. If 58974
the notice was not provided in writing, the provider, beneficiary, 58975
or third-party payer may request the third-party payer to provide 58976
the notice in writing, and the third-party payer shall then 58977
provide the notice in writing. If any of the supporting 58978
documentation is under the control of the beneficiary, the 58979
beneficiary shall provide the supporting documentation to the 58980
third-party payer. 58981

The number of days that elapse between the third-party 58982
payer's last request for supporting documentation within the 58983
thirty-day period and the third-party payer's receipt of all of 58984
the supporting documentation that was requested shall not be 58985
counted for purposes of determining the third-party payer's 58986
compliance with the time period of not more than forty-five days 58987
for payment or denial of a claim. Except as provided in division 58988
(B)(2)(b) of this section, if the third-party payer requests 58989
additional supporting documentation after receiving the initially 58990
requested documentation, the number of days that elapse between 58991
making the request and receiving the additional supporting 58992

documentation shall be counted for purposes of determining the 58993
third-party payer's compliance with the time period of not more 58994
than forty-five days. 58995

(b) If a third-party payer determines, after receiving 58996
initially requested documentation, that it needs additional 58997
supporting documentation pertaining to a beneficiary's preexisting 58998
condition, which condition was unknown to the third-party payer 58999
and about which it was reasonable for the third-party payer to 59000
have no knowledge at the time of its initial request for 59001
documentation, and the third-party payer subsequently requests 59002
this additional supporting documentation, the number of days that 59003
elapse between making the request and receiving the additional 59004
supporting documentation shall not be counted for purposes of 59005
determining the third-party payer's compliance with the time 59006
period of not more than forty-five days. 59007

(c) When a third-party payer denies a claim, the third-party 59008
payer shall notify the provider and the beneficiary. The notice 59009
shall state, with specificity, why the third-party payer denied 59010
the claim. 59011

(d) If a third-party payer determines that supporting 59012
documentation related to medical information is routinely 59013
necessary to process a claim for payment of a particular health 59014
care service, the third-party payer shall establish a description 59015
of the supporting documentation that is routinely necessary and 59016
make the description available to providers in a readily 59017
accessible format. 59018

Third-party payers and providers shall, in connection with a 59019
claim, use the most current CPT code in effect, as published by 59020
the American medical association, the most current ICD-9 code in 59021

human services, the most current CDT code in effect, as published 59023
by the American dental association, or the most current HCPCS code 59024

in effect, as published by the United States health care financing administration. 59025
59026

(3) When a provider or beneficiary submits a claim by using the standard claim form prescribed in the superintendent's rules, but the information provided in the claim is materially deficient, the third-party payer shall notify the provider or beneficiary not later than fifteen days after receipt of the claim. The notice shall state, with specificity, the information needed to correct all material deficiencies. Once the material deficiencies are corrected, the third-party payer shall proceed in accordance with division (B)(1) or (2) of this section. 59027
59028
59029
59030
59031
59032
59033
59034
59035

It is not a violation of the notification time period of not more than fifteen days if a third-party payer fails to notify a provider or beneficiary of material deficiencies in the claim related to a diagnosis or treatment or the provider's identification. A third-party payer may request the information necessary to correct these deficiencies after the end of the notification time period. Requests for such information shall be made as requests for supporting documentation under division (B)(2) of this section, and payment or denial of the claim is subject to the time periods specified in that division. 59036

(C) For purposes of this section, if a dispute exists between a provider and a third-party payer as to the day a claim form was received by the third-party payer, both of the following apply: 59046
59047
59048

(1) If the provider or a person acting on behalf of the provider submits a claim directly to a third-party payer by mail and retains a record of the day the claim was mailed, there exists a rebuttable presumption that the claim was received by the third-party payer on the fifth business day after the day the claim was mailed, unless it can be proven otherwise. 59049
59050
59051
59052
59053
59054

(2) If the provider or a person acting on behalf of the 59055

provider submits a claim directly to a third-party payer 59056
electronically, there exists a rebuttable presumption that the 59057
claim was received by the third-party payer twenty-four hours 59058
after the claim was submitted, unless it can be proven otherwise. 59059

(D) Nothing in this section requires a third-party payer to 59060
provide more than one notice to an employer whose premium for 59061
coverage of employees under a benefits contract has not been 59062
received by the third-party payer. 59063

(E) Compliance with the provisions of division (B)(3) of this 59064
section shall be determined separately from compliance with the 59065
provisions of divisions (B)(1) and (2) of this section. 59066

(F) A third party payer shall transmit electronically any 59067
payment with respect to claims that the third party payer receives 59068
electronically and pays to a contracted provider under this 59069
section and under sections 3901.383, 3901.384, and 3901.386 of the 59070
Revised Code. A provider shall not refuse to accept a payment made 59071
under this section or sections 3901.383, 3901.384, and 3901.386 of 59072

electronically. 59074

Sec. 3901.3812. (A) If, after completion of an examination 59075
involving information collected from a six-month period, the 59076

series of violations that, taken together, constitutes a 59078
consistent pattern or practice of violating division (A) of 59079
section 3901.3811 of the Revised Code, the superintendent may 59080
impose on the third-party payer any of the administrative remedies 59081

under this division, the superintendent shall apply the error 59083
tolerance standards for claims processing contained in the market 59084

the third-party payer of the reasons for the superintendent's 59090
finding, the administrative remedy the superintendent proposes to 59091
impose, and the opportunity to submit a written request for an 59092
administrative hearing regarding the finding and proposed remedy. 59093
If the third-party payer requests a hearing, the superintendent 59094

59293
59294
59295
59296
59297
59298

(1) Disapprove such filing after finding that the benefits provided are unreasonable in relation to the premium charged. Such disapproval shall be effected by written order of the 59299
59300
59301

superintendent, a copy of which shall be mailed to the insurer 59302
that has made the filing. In the order, the superintendent shall 59303
specify the reasons for the disapproval and state that a hearing 59304
will be held within fifteen days after requested in writing by the 59305
insurer. If a hearing is so requested, the superintendent shall 59306
also give such public notice as the superintendent considers 59307
appropriate. The superintendent, within fifteen days after the 59308
commencement of any hearing, shall issue a written order, a copy 59309
of which shall be mailed to the insurer that has made the filing, 59310
either affirming the prior disapproval or approving such filing 59311
after finding that the benefits provided are not unreasonable in 59312
relation to the premium charged. 59313

(2) Set a date for a public hearing to commence no later than 59314
forty days after the filing. The superintendent shall give the 59315
insurer making the filing twenty days' written notice of the 59316
hearing and shall give such public notice as the superintendent 59317
considers appropriate. The superintendent, within twenty days 59318
after the commencement of a hearing, shall issue a written order, 59319
a copy of which shall be mailed to the insurer that has made the 59320
filing, either approving such filing if the superintendent finds 59321
that the benefits provided are not unreasonable in relation to the 59322
premium charged, or disapproving such filing if the superintendent 59323
finds that the benefits provided are unreasonable in relation to 59324
the premium charged. This division does not apply to any insurer 59325
organized or transacting the business of insurance under Chapter 59326
3907. or 3909. of the Revised Code. 59327

(3) Take no action, in which case such filing shall be deemed 59328
to be approved and shall become effective upon the thirty-first 59329
day after such filing, unless the superintendent has previously 59330
given to the insurer a written approval. 59331

(C) At any time after any filing has been approved pursuant 59332
to this section, the superintendent may, after a hearing of which 59333

at least twenty days' written notice has been given to the insurer 59334
that has made such filing and for which such public notice as the 59335
superintendent considers appropriate has been given, withdraw 59336
approval of such filing after finding that the benefits provided 59337
are unreasonable in relation to the premium charged. Such 59338
withdrawal of approval shall be effected by written order of the 59339
superintendent, a copy of which shall be mailed to the insurer 59340
that has made the filing, which shall state the ground for such 59341
withdrawal and the date, not less than forty days after the date 59342
of such order, when the withdrawal or approval shall become 59343
effective. 59344

(D) The superintendent may retain at the insurer's expense 59345
such attorneys, actuaries, accountants, and other experts not 59346
otherwise a part of the superintendent's staff as shall be 59347
reasonably necessary to assist in the preparation for and conduct 59348
of any public hearing under this section. The expense for 59349
retaining such experts and the expenses of the department of 59350
insurance incurred in connection with such public hearing shall be 59351
assessed against the insurer in an amount not to exceed one 59352
one-hundredth of one per cent of the sum of premiums earned plus 59353
net realized investment gain or loss of such insurer as reflected 59354
in the most current annual statement on file with the 59355
superintendent. Any person retained shall be under the direction 59356
and control of the superintendent and shall act in a purely 59357
advisory capacity. 59358

Sec. 3923.11. (A) Sickness and accident insurance on a 59359
franchise plan is that form of sickness and accident insurance 59360

association or union has a constitution or bylaws and is formed in 59370
good faith for purposes other than that of obtaining insurance. ~~In~~ 59371

(B) In order that such sickness and accident insurance be 59372
considered as issued on a franchise plan, such employees or such 59373
members, with or without one or more of their dependents and 59374
members of their immediate families, must be issued the same form 59375
of an individual policy, varying only as to amounts and kinds of 59376
coverage applied for by such employees or such members, under an 59377
arrangement by which the premiums on such policies may be paid to 59378
the insurer periodically by the employer, with or without payroll 59379
deductions, or by the association for its members, or by some 59380
designated person acting on behalf of such employer or 59381
association. 59382

Sec. 3923.66. (A) As used in sections 3923.66 to 3923.70 of 59383
the Revised Code: 59384

(1) "Clinical peer" and "physician" have the same meanings as 59385
in section 1751.77 of the Revised Code. 59386

(2) "Authorized person" means a parent, guardian, or other 59387
person authorized to act on behalf of an insured with respect to 59388
health care decisions. 59389

(B) Sections 3923.66 to 3923.70 of the Revised Code do not 59390
apply to any individual or group policy of sickness and accident 59391
insurance covering only accident, credit, dental, disability 59392

out of workers' compensation or similar law; automobile medical 59396
payment insurance; or insurance under which benefits are payable 59397
with or without regard to fault and which is statutorily required 59398
to be contained in any liability insurance policy or equivalent 59399
self-insurance. 59400

(C) The superintendent of insurance shall establish and 59401
maintain a system for receiving and reviewing requests for review 59402
from insureds who have been denied coverage of a health care 59403
service on the grounds that the service is not a service covered 59404
under the terms of the insured's policy or certificate. 59405

On receipt of a written request from an insured or authorized 59406
person, the superintendent shall consider whether the health care 59407
service is a service covered under the terms of the insured's 59408
policy or certificate, except that the superintendent shall not 59409
conduct a review under this section unless the insured has 59410
exhausted the insurer's internal review process. The insurer and 59411
the insured or authorized person shall provide the superintendent 59412
with any information required by the superintendent that is in 59413
their possession and is germane to the review. 59414

Unless the superintendent is not able to do so because making 59415
the determination requires resolution of a medical issue, the 59416
superintendent shall determine whether the health care service at 59417
issue is a service covered under the terms of the insured's policy 59418
or certificate. The superintendent shall notify the insured, or 59419
authorized person, and the insurer of its determination or that it 59420
is not able to make a determination because the determination 59421
requires the resolution of a medical issue. 59422

If the superintendent notifies the insurer that making the 59423
determination requires the resolution of a medical issue, the 59424
insurer shall ~~afford the insured an opportunity for~~ initiate an 59425
external review under section 3923.67 or 3923.68 of the Revised 59426

Sec. 3923.67. (A) Except as provided in divisions (B) and (C) of this section, an insurer shall afford an insured an opportunity for an external review of a coverage denial when requested by the insured or authorized person, if both of the following are the case:

(1) The insurer has denied, reduced, or terminated coverage for what would be a covered health care service except that the insurer has determined that the health care service is not medically necessary.

(2) Except in the case of expedited review, the proposed service, plus any ancillary services and follow-up care, will cost the insured more than five hundred dollars if the proposed service is not covered by the insurer.

External review shall be conducted in accordance with this section, except that if an insured with a terminal condition meets all of the criteria of division (A) of section 3923.68 of the Revised Code, an external review shall be conducted under that section.

(B) An insured need not be afforded a review under this section in any of the following circumstances:

(1) The superintendent of insurance has determined under section 3923.66 of the Revised Code that the health care service is not a service covered under the terms of the insured's policy or certificate.

(2) The insured has failed to exhaust the insurer's internal review process.

(3) The insured has previously afforded an external review

for the same denial of coverage, and no new clinical information 59457
has been submitted to the insurer. 59458

(C)(1) An insurer may deny a request from an insured for an 59459
external review of an adverse decision from the insurer's internal 59460
appeal process if it is requested later than ~~sixty~~ one hundred 59461
eighty days after receipt ~~by the insured~~ of notice ~~from the~~ 59462
~~superintendent of insurance under section 3923.66 of the Revised~~ 59463
~~Code that making a determination requires the resolution of a~~ 59464
~~medical issue~~ from the insurer of the adverse decision. An 59465
external review may be requested by the insured, an authorized 59466
person, the insured's provider, or a health care facility 59467
rendering health care service to the insured. The insured may 59468
request a review without the approval of the provider or the 59469
health care facility rendering the health care service. The 59470
provider or health care facility may not request a review without 59471
the prior consent of the insured. 59472

(2) An external review must be requested in writing, except 59473
that if the insured has a condition that requires expedited 59474
review, the review may be requested orally or by electronic means. 59475
When an oral or electronic request for review is made, written 59476
confirmation of the request must be submitted to the insurer not 59477
later than five days after the request is made. 59478

Except in the case of an expedited review, a request for an 59479
external review must be accompanied by written certification from 59480
the insured's provider or the health care facility rendering the 59481
health care service to the insured that the proposed service, plus 59482
any ancillary services and follow-up care, will cost the insured 59483
more than five hundred dollars if the proposed service is not 59484
covered by the insurer. 59485

(3) For an expedited review, the insured's provider must 59486
certify that the insured's condition could, in the absence of 59487
immediate medical attention, result in any of the following: 59488

(a) Placing the health of the insured or, with respect to a pregnant woman, the health of the insured or the unborn child, in serious jeopardy;	59489 59490 59491

(c) Serious dysfunction of any bodily organ or part.	59493
(D) The procedures used in conducting an external review shall include all of the following:	59494 59495
(1) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.	59496 59497 59498
(2) Except as provided in divisions (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:	59499 59500 59501 59502 59503

(c) The health care facility at which the health care service requested by the insured would be provided;	59508 59509
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the insured.	59510 59511
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	59512 59513 59514
(a) The clinical peer is affiliated with an academic medical center that provides health care services to insureds of the insurer.	59515 59516 59517

(b) The clinical peer has staff privileges at a health care facility that provides health care services to insureds of the insurer. 59518
59519
59520

(c) The clinical peer has a contractual relationship with the insurer but was not involved with the insurer's coverage decision. 59521
59522

(4) Division (D)(2) of this section does not prohibit the insurer from paying the independent review organization for the conduct of the review. 59523
59524
59525

(5) An insured shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the insurer. 59526
59527
59528

(6)(a) The insurer shall provide to the independent review organization conducting the review a copy of those records in its possession that are relevant to the insured's medical condition and the review. 59529
59530
59531
59532

Records shall be used solely for the purpose of this division. At the request of the independent review organization, the insurer, insured, provider, or health care facility rendering health care services to the insured shall provide any additional information the independent review organization requests to complete the review. A request for additional information may be made in writing, orally, or by electronic means. The independent review organization shall submit the request to the insured and insurer. If a request is submitted orally or by electronic means to an insured or insurer, not later than five days after the request is submitted, the independent review organization shall provide written confirmation of the request. If the review was initiated by a provider or health care facility, a copy of the request shall be submitted to the provider or health care facility. 59533

59541
59542
59543
59544
59545
59546
59547

(b) An independent review organization is not required to 59548

make a decision if it has not received any requested information 59549
that it considers necessary to complete a review. An independent 59550
review organization that does not make a decision for this reason 59551
shall notify the insured and the insurer that a decision is not 59552
being made. The notice may be made in writing, orally, or by 59553
electronic means. An oral or electronic notice shall be confirmed 59554
in writing not later than five days after the oral or electronic 59555
notice is made. If the review was initiated by a provider or 59556
health care facility, a copy of the notice shall be submitted to 59557
the provider or health care facility. 59558

(7) The insurer may elect to cover the service requested and 59559
terminate the review. The insurer shall notify the insured and all 59560
other parties involved with the decision by mail, or with the 59561
consent or approval of the insured, by electronic means. 59562

(8) In making its decision, an independent review 59563
organization conducting the review shall take into account all of 59564
the following: 59565

(a) Information submitted by the insurer, the insured, the 59566
insured's provider, and the health care facility rendering the 59567
health care service, including the following: 59568

(i) The insured's medical records; 59569

(ii) The standards, criteria, and clinical rationale used by 59570
the insurer to make its decision. 59571

(b) Findings, studies, research, and other relevant documents 59572
of government agencies and nationally recognized organizations, 59573
including the national institutes of health or any board 59574
recognized by the national institutes of health, the national 59575
cancer institute, the national academy of sciences, the United 59576
States food and drug administration, the health care financing 59577
administration of the United States department of health and human 59578
services, and the agency for health care policy and research; 59579

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the insurer and the insured. If the insured's provider or the health care facility rendering health care services to the insured requested the review, the independent review organization shall also send a copy of its decision to the insured's provider or the health care facility.

(b) The independent review organization's decision shall include a description of the insured's condition and the principal reasons for the decision and an explanation of the clinical rationale for the decision.

(E) The independent review organization shall base its decision on the information submitted under division (D)(8) of this section. In making its decision, the independent review organization shall consider safety, efficacy, appropriateness, and cost-effectiveness.

(F) The insurer shall provide any coverage determined by the independent review organization's decision to be medically necessary, subject to the other terms, limitations, and conditions of the insured's policy or certificate.

Sec. 3923.68. (A) Each insurer shall establish a reasonable external, independent review process to examine the insurer's coverage decisions for insureds who meet all of the following

criteria: 59611

(1) The insured has a terminal condition that, according to 59612
the current diagnosis of the insured's physician, has a high 59613
probability of causing death within two years. 59614

(2) The insured requests a review not later than ~~sixty one~~ sixty one 59615
hundred eighty days after receipt by the insured of notice from 59616
the ~~superintendent of insurance under section 3923.66 of the~~ 59617
~~Revised Code that making a determination requires resolution of a~~ 59618
~~medical issue~~ insurer of the adverse decision. 59619

(3) The insured's physician certifies that the insured has 59620
the condition described in division (A)(1) of this section and any 59621
of the following situations are applicable: 59622

(a) Standard therapies have not been effective in improving 59623
the condition of the insured. 59624

(b) Standard therapies are not medically appropriate for the 59625
insured. 59626

(c) There is no standard therapy covered by the insurer that 59627
is more beneficial than therapy described in division (A)(4) of 59628
this section. 59629

(4) The insured's physician has recommended a drug, device, 59630
procedure, or other therapy that the physician certifies, in 59631
writing, is likely to be more beneficial to the insured, in the 59632
physician's opinion, than standard therapies, or the insured has 59633
requested a therapy that has been found in a preponderance of 59634
peer-reviewed published studies to be associated with effective 59635
clinical outcomes for the same condition. 59636

(5) The insured has been denied coverage by the insurer for a 59637
drug, device, procedure, or other therapy recommended or requested 59638
pursuant to division (A)(4) of this section, and has exhausted the 59639
insurer's internal review process. 59640

(6) The drug, device, procedure, or other therapy, for which 59641
coverage has been denied, would be a covered health care service 59642
except for the insurer's determination that the drug, device, 59643
procedure, or other therapy is experimental or investigational. 59644

(B) A review shall be requested in writing, except that if 59645
the insured's physician determines that a therapy would be 59646
significantly less effective if not promptly initiated, the review 59647
may be requested orally or by electronic means. When an oral or 59648
electronic request for review is made, written confirmation of the 59649
request shall be submitted to the insurer not later than five days 59650
after the oral or written request is submitted. 59651

(C) The external, independent review process established by 59652
an insurer shall meet all of the following criteria: 59653

(1) Except as provided in division (E) of this section, the 59654
process shall afford all insureds who meet the criteria set forth 59655
in division (A) of this section the opportunity to have the 59656
insurer's decision to deny coverage of the recommended or 59657
requested therapy reviewed under the process. Each eligible 59658
insured shall be notified of that opportunity within thirty 59659
business days after the insurer denies coverage. 59660

(2) The review shall be conducted by an independent review 59661
organization assigned by the superintendent of insurance under 59662
section 3901.80 of the Revised Code. 59663

The independent review organization shall select a panel to 59664
conduct the review, which panel shall be composed of at least 59665
three physicians or other providers who, through clinical 59666
experience in the past three years, are experts in the treatment 59667
of the insured's medical condition and knowledgeable about the 59668
recommended or requested therapy. 59669

In either of the following circumstances, an exception may be 59670
made to the requirement that the review be conducted by an expert 59671

panel composed of a minimum of three physicians or other 59672
providers: 59673

(a) A review may be conducted by an expert panel composed of 59674
only two physicians or other providers if an insured has consented 59675
in writing to a review by the smaller panel. 59676

(b) A review may be conducted by a single expert physician or 59677
other provider if only the expert physician or other provider is 59678
available for the review. 59679

(3) Neither the insurer nor the insured shall choose, or 59680
control the choice of, the physician or other provider experts. 59681

(4) The selected experts, any health care facility with which 59682
an expert is affiliated, and the independent review organization 59683
arranging for the experts' review shall not have any professional, 59684
familial, or financial affiliation with any of the following: 59685

(a) The insurer or any officer, director, or managerial 59686
employee of the insurer; 59687

(b) The insured, the insured's physician, ~~of~~ or the practice 59688
group of the insured's physician; 59689

(c) The health care facility at which the recommended or 59690
requested therapy would be provided; 59691

(d) The development or manufacture of the principal drug, 59692
device, procedure, or therapy involved in the recommended or 59693
requested therapy. 59694

However, experts affiliated with academic medical centers who 59695
provide health care services to insureds of the insurer may serve 59696
as experts on the review panel. Further, experts with staff 59697
privileges at a health care facility that provides health care 59698
services to insureds of the insurer, as well as experts who have a 59699
contractual relationship with the insurer, but who were not 59700
involved with the insurer's denial of coverage for the therapy 59701

under review, may serve as experts on the review panel. These 59702
nonaffiliation provisions do not preclude an insurer from paying 59703
for the experts' review, as specified in division (C)(5) of this 59704
section. 59705

(5) Insureds shall not be required to pay for any part of the 59706
cost of the review. The cost of the review shall be borne by the 59707
insurer. 59708

(6) The insurer shall provide to the independent review 59709
organization arranging for the experts' review a copy of those 59710
records in the insurer's possession that are relevant to the 59711
insured's medical condition and the review. The records shall be 59712
disclosed solely to the expert reviewers and shall be used solely 59713
for the purpose of this section. At the request of the expert 59714
reviewers, the insurer or the physician requesting the therapy 59715
shall provide any additional information that the expert reviewers 59716
request to complete the review. An expert reviewer is not required 59717
to render an opinion if the reviewer has not received any 59718
requested information that the reviewer considers necessary to 59719
complete the review. 59720

(7)(a) In the case of an expedited review, the independent 59721
review organization shall issue a written decision not later than 59722
seven days after the filing of the request for review. In all 59723
other cases, the independent review organization shall issue a 59724
written decision not later than thirty days after the filing of 59725
the request. The independent review organization shall send a copy 59726
of its decision to the insurer and the insured. If the insured's 59727
provider or the health care facility rendering health care 59728
services to the insured requested the review, the independent 59729
review organization shall also send a copy of its decision to the 59730
insured's provider or the health care facility. 59731

(b) In conducting the review, the experts on the panel shall 59732
take into account all of the following: 59733

(i) Information submitted by the insurer, the insured, and the insured's physician, including the insured's medical records and the standards, criteria, and clinical rationale used by the insurer to reach its coverage decision;	59734 59735 59736 59737
(ii) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations;	59738 59739 59740
(iii) Relevant findings in peer-reviewed medical or scientific literature and published opinions of nationally recognized medical experts;	59741 59742 59743
(iv) Clinical guidelines adopted by relevant national medical societies;	59744 59745
(v) Safety, efficacy, appropriateness, and cost effectiveness.	59746 59747
(8) Each expert on the panel shall provide the independent review organization with a professional opinion as to whether there is sufficient evidence to demonstrate that the recommended or requested therapy is likely to be more beneficial to the insured than standard therapies.	59748 59749 59750 59751 59752
(9) Each expert's opinion shall be presented in written form and shall include the following information:	59753 59754
(a) A description of the insured's condition;	59755
(b) A description of the indicators relevant to determining whether there is sufficient evidence to demonstrate that the recommended or requested therapy is more likely than not to be more beneficial to the insured than standard therapies;	59756 59757 59758 59759
(c) A description and analysis of any relevant findings published in peer-reviewed medical or scientific literature or the published opinions of medical experts or specialty societies;	59760 59761 59762
(d) A description of the insured's suitability to receive the	59763

recommended or requested therapy according to a treatment protocol 59764
in a clinical trial, if applicable. 59765

(10) The independent review organization shall provide the 59766
insurer with the opinions of the experts. The insurer shall make 59767
the experts' opinions available to the insured and the insured's 59768
physician, upon request. 59769

(11) The opinion of the majority of the experts on the panel, 59770
rendered pursuant to division (C)(8) of this section, is binding 59771
on the insurer with respect to that insured. If the opinions of 59772
the experts on the panel are evenly divided as to whether the 59773
therapy should be covered, the insurer's final decision shall be 59774
in favor of coverage. If less than a majority of the experts on 59775
the panel recommend coverage of the therapy, the insurer may, in 59776
its discretion, cover the therapy. However, any coverage provided 59777
pursuant to division (C)(11) of this section is subject to the 59778
terms, limitations, and conditions of the insured's policy or 59779
certificate with the insurer. 59780

(12) The insurer shall have written policies describing the 59781
external, independent review process. 59782

(D) If an insurer's initial denial of coverage for a therapy 59783
recommended or requested pursuant to division (A)(3) of this 59784
section is based upon an external, independent review of that 59785
therapy meeting the requirements of division (C) of this section, 59786
this section shall not be a basis for requiring a second external, 59787
independent review of the recommended or requested therapy. 59788

(E) At any time during the external, independent review 59789
process, the insurer may elect to cover the recommended or 59790
requested health care service and terminate the review. The 59791
insurer shall notify the insured and all other parties involved by 59792
mail or, with consent or approval of the insured, by electronic 59793
means. 59794

(F) The insurer shall annually file a certificate with the 59795
superintendent of insurance certifying its compliance with the 59796
requirements of this section. 59797

Sec. 3923.75. (A) As used in sections 3923.75 to 3923.79 of 59798
the Revised Code: 59799

(1) "Clinical peer" and "physician" have the same meanings as 59800
in section 1751.77 of the Revised Code. 59801

(2) "Authorized person" means a parent, guardian, or other 59802
person authorized to act on behalf of a plan member with respect 59803
to health care decisions. 59804

(B) Sections 3923.75 to 3923.79 of the Revised Code do not 59805
apply to any public employee benefit plan covering only accident, 59806
credit, dental, disability income, long-term care, hospital 59807
indemnity, medicare supplement, medicare, tricare, specified 59808
disease, or vision care; coverage issued as a supplement to 59809
liability insurance; insurance arising out of workers' 59810
compensation or similar law; automobile medical payment insurance; 59811
or insurance under which benefits are payable with or without 59812
regard to fault and which is statutorily required to be contained 59813
in any liability insurance policy or equivalent self-insurance. 59814

(C) The superintendent of insurance shall establish and 59815
maintain a system for receiving and reviewing requests for review 59816
from plan members who have been denied coverage of a health care 59817
service on the grounds that the service is not a service covered 59818
under the terms of the public employee benefit plan. 59819

On receipt of a written request from a plan member or 59820
authorized person, the superintendent shall consider whether the 59821
health care service is a service covered under the terms of the 59822
plan, except that the superintendent shall not conduct a review 59823
under this section unless the plan member has exhausted the plan's 59824

internal review process. The plan and the plan member or 59825
authorized person shall provide the superintendent with any 59826
information required by the superintendent that is in their 59827
possession and is germane to the review. 59828

Unless the superintendent is not able to do so because making 59829
the determination requires resolution of a medical issue, the 59830
superintendent shall determine whether the health care service at 59831
issue is a service covered under the terms of the plan. The 59832
superintendent shall notify the plan member, or authorized person, 59833
and the plan of its determination or that it is not able to make a 59834
determination because the determination requires the resolution of 59835
a medical issue. 59836

If the superintendent notifies the plan that making the 59837
determination requires the resolution of a medical issue, the plan 59838
shall ~~afford the plan member~~ initiate an ~~opportunity for~~ external 59839
review under section 3923.76 or 3923.77 of the Revised Code. If 59840
the superintendent notifies the plan that the health care service 59841
is not a covered service, the plan is not required to cover the 59842
service or afford the plan member an external review. 59843

Sec. 3923.76. (A) Except as provided in divisions (B) and (C) 59844
of this section, a public employee benefit plan shall afford a 59845
plan member an opportunity for an external review of a coverage 59846
denial when requested by the plan member or authorized person, if 59847
both of the following are the case: 59848

(1) The plan has denied, reduced, or terminated coverage for 59849
what would be a covered health care service except that the plan 59850
has determined that the health care service is not medically 59851
necessary. 59852

(2) Except in the case of expedited review, the proposed 59853
service, plus any ancillary services and follow-up care, will cost 59854
the plan member more than five hundred dollars if the proposed 59855

service is not covered by the plan. 59856

External review shall be conducted in accordance with this 59857
section, except that if a plan member with a terminal condition 59858
meets all of the criteria of division (A) of section 3923.77 of 59859
the Revised Code, an external review shall be conducted under that 59860
section. 59861

(B) A plan member need not be afforded a review under this 59862
section in any of the following circumstances: 59863

(1) The superintendent of insurance has determined under 59864
section 3923.75 of the Revised Code that the health care service 59865
is not a service covered under the terms of the plan. 59866

(2) The plan member has failed to exhaust the plan's internal 59867
review process. 59868

(3) The plan member has previously been afforded an external 59869
review for the same denial of coverage, and no new clinical 59870
information has been submitted to the plan. 59871

(C)(1) A plan may deny a request from a plan member for an 59872
external review of an adverse decision from the plan's internal 59873
appeal process if it is requested later than ~~sixty~~ one hundred 59874
eighty days after receipt by the plan member of notice from the 59875
~~superintendent of insurance under section 3923.75 of the Revised~~ 59876
~~Code that making the determination requires the resolution of a~~ 59877
~~medical issue~~ plan of the adverse decision. An external review may 59878
be requested by the plan member, an authorized person, the plan 59879
member's provider, or a health care facility rendering health care 59880
service to the plan member. The plan member may request a review 59881
without the approval of the provider or the health care facility 59882
rendering the health care service. The provider or health care 59883
facility may not request a review without the prior consent of the 59884
plan member. 59885

(2) An external review must be requested in writing, except 59886

that if the plan member has a condition that requires expedited review, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request must be submitted to the plan not later than five days after the request is made.

Except in the case of an expedited review, a request for an external review must be accompanied by written certification from the plan member's provider or the health care facility rendering the health care service to the plan member that the proposed service, plus any ancillary services and follow-up care, will cost the plan member more than five hundred dollars if the proposed service is not covered by the plan.

(3) For an expedited review, the plan member's provider must certify that the plan member's condition could, in the absence of immediate medical attention, result in any of the following:

(a) Placing the health of the plan member or, with respect to a pregnant woman, the health of the plan member or the unborn child, in serious jeopardy;

(b) Serious impairment to bodily functions;

(c) Serious dysfunction of any bodily organ or part.

(D) The procedures used in conducting an external review shall include all of the following:

(1) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code.

(2) Except as provided in divisions (D)(3) and (4) of this section, neither the clinical peer nor any health care facility with which the clinical peer is affiliated shall have any professional, familial, or financial affiliation with any of the following:

(a) The plan or any officer, director, or managerial employee of the plan;	59917 59918
(b) The plan member, the plan member's provider, or the practice group of the plan member's provider;	59919 59920
(c) The health care facility at which the health care service requested by the plan member would be provided+;	59921 59922
(d) The development or manufacture of the principal drug, device, procedure, or therapy proposed for the plan member.	59923 59924
(3) Division (D)(2) of this section does not prohibit a clinical peer from conducting a review under any of the following circumstances:	59925 59926 59927
(a) The clinical peer is affiliated with an academic medical center that provides health care services to members of the plan.	59928 59929
(b) The clinical peer has staff privileges at a health care facility that provides health care services to members of the plan.	59930 59931 59932
(c) The clinical peer has <u>a</u> contractual relationship with the plan but was not involved with the plan's coverage decision.	59933 59934
(4) Division (D)(2) of this section does not prohibit the plan from paying the independent review organization for the conduct of the review.	59935 59936 59937
(5) A plan member shall not be required to pay for any part of the cost of the review. The cost of the review shall be borne by the plan.	59938 59939 59940
(6)(a) The plan shall provide to the independent review organization conducting the review a copy of those records in its possession that are relevant to the plan member's medical condition and the review.	59941 59942 59943 59944
Records shall be used solely for the purpose of this division. At the request of the independent review organization,	59945 59946

the plan, plan member, provider, or health care facility rendering 59947
health care services to the plan member shall provide any 59948
additional information the independent review organization 59949
requests to complete the review. A request for additional 59950
information may be made in writing, orally, or by electronic 59951
means. The independent review organization shall submit the 59952
request to the plan member and the plan. If a request is submitted 59953
orally or by electronic means to a plan member or plan, not later 59954
than five days after the request is submitted, the independent 59955
review organization shall provide written confirmation of the 59956
request. If the review was initiated by a provider or health care 59957
facility, a copy of the request shall be submitted to the provider 59958
or health care facility. 59959

(b) An independent review organization is not required to 59960
make a decision if it has not received any requested information 59961
that it considers necessary to complete a review. An independent 59962
review organization that does not make a decision for this reason 59963
shall notify the plan member and the plan that a decision is not 59964
being made. The notice may be made in writing, orally, or by 59965
electronic means. An oral or electronic notice shall be confirmed 59966
in writing not later than five days after the oral or electronic 59967
notice is made. If the review was initiated by a provider or 59968
health care facility, a copy of the notice shall be submitted to 59969
the provider or health care facility. 59970

(7) The plan may elect to cover the service requested and 59971
terminate the review. The plan shall notify the plan member and 59972
all other parties involved with the decision by mail, or with the 59973
consent or approval of the plan member, by electronic means. 59974

(8) In making its decision, an independent review 59975
organization conducting the review shall take into account all of 59976
the following: 59977

(a) Information submitted by the plan, the plan member, the 59978

plan member's provider, and the health care facility rendering the health care service, including the following:

(i) The plan member's medical records;

(ii) The standards, criteria, and clinical rationale used by the plan to make its decision.

(b) Findings, studies, research, and other relevant documents of government agencies and nationally recognized organizations, including the national institutes of health or any board recognized by the national institutes of health, the national cancer institute, the national academy of sciences, the United States food and drug administration, the health care financing administration of the United States department of health and human services, and the agency for health care policy and research;

(c) Relevant findings in peer-reviewed medical or scientific literature, published opinions of nationally recognized medical experts, and clinical guidelines adopted by relevant national medical societies.

(9)(a) In the case of an expedited review, the independent review organization shall issue a written decision not later than seven days after the filing of the request for review. In all other cases, the independent review organization shall issue a written decision not later than thirty days after the filing of the request. The independent review organization shall send a copy of its decision to the plan and the plan member. If the plan member's provider or the health care facility rendering health care services to the plan member requested the review, the independent review organization shall also send a copy of its decision to the plan member's provider or the health care facility.

(b) The independent review organization's decision shall include a description of the plan member's condition and the

principal reasons for the decision and an explanation of the 60010
clinical rationale for the decision. 60011

(E) The independent review organization shall base its 60012
decision on the information submitted under division (D)(8) of 60013
this section. In making its decision, the independent review 60014
organization shall consider safety, efficacy, appropriateness, and 60015
cost-effectiveness. 60016

(F) The plan shall provide any coverage determined by the 60017
independent review organization's decision to be medically 60018
necessary, subject to the other terms, limitations, and conditions 60019
of the plan. 60020

Sec. 3923.77. (A) Each public employee benefit plan shall 60021
establish a reasonable external review process to examine the 60022
plan's coverage decisions for plan members who meet all of the 60023
following criteria: 60024

(1) The plan member has a terminal condition that, according 60025
to the current diagnosis of the plan member's physician, has a 60026
high probability of causing death within two years. 60027

(2) The plan member requests a review not later than ~~sixty~~ 60028
one hundred eighty days after receipt by the plan member of notice 60029
from the ~~superintendent of insurance under section 3923.75 of the~~ 60030
~~Revised Code that making a determination requires resolution of a~~ 60031
medical issue plan of the adverse decision. 60032

(3) The plan member's physician certifies that the plan 60033
member has the condition described in division (A)(1) of this 60034
section and any of the following situations are applicable: 60035

(a) Standard therapies have not been effective in improving 60036
the condition of the plan member. 60037

(b) Standard therapies are not medically appropriate for the 60038
plan member. 60039

(c) There is no standard therapy covered by the plan that is more beneficial than therapy described in division (A)(4) of this section.

(4) The plan member's physician has recommended a drug, device, procedure, or other therapy that the physician certifies, in writing, is likely to be more beneficial to the plan member, in the physician's opinion, than standard therapies, or the plan member has requested a therapy that has been found in a preponderance of peer-reviewed published studies to be associated with effective clinical outcomes for the same condition.

(5) The plan member has been denied coverage by the plan for a drug, device, procedure, or other therapy recommended or requested pursuant to division (A)(4) of this section, and has exhausted all internal appeals.

(6) The drug, device, procedure, or other therapy, for which coverage has been denied, would be a covered health care service except for the plan's determination that the drug, device, procedure, or other therapy is experimental or investigational.

(B) A review shall be requested in writing, except that if the plan member's physician determines that a therapy would be significantly less effective if not promptly initiated, the review may be requested orally or by electronic means. When an oral or electronic request for review is made, written confirmation of the request shall be submitted to the plan not later than five days after the oral or written request is submitted. For an expedited review, the plan member's provider must certify that the requested or recommended therapy would be significantly less effective if not promptly initiated.

(C) The external review process established by a plan shall meet all of the following criteria:

(1) Except as provided in division (E) of this section, the

process shall afford all plan members who meet the criteria set forth in division (A) of this section the opportunity to have the plan's decision to deny coverage of the recommended or requested therapy reviewed under the process. Each eligible plan member shall be notified of that opportunity within thirty business days after the plan denies coverage.

(2) The review shall be conducted by an independent review organization assigned by the superintendent of insurance under section 3901.80 of the Revised Code. The independent review organization shall select a panel to conduct the review, which panel shall be composed of at least three physicians or other providers who, through clinical experience in the past three years, are experts in the treatment of the plan member's medical condition and knowledgeable about the recommended or requested therapy. If the independent review organization retained by the plan is an academic medical center, the panel may include experts affiliated with or employed by the academic medical center.

In either of the following circumstances, an exception may be made to the requirement that the review be conducted by an expert panel composed of a minimum of three physicians or other providers:

(a) A review may be conducted by an expert panel composed of only two physicians or other providers if a plan member has consented in writing to a review by the smaller panel.

(b) A review may be conducted by a single expert physician or other provider if only the expert physician or other provider is available for the review.

(3) Neither the plan nor the plan member shall choose, or control the choice of, the physician or other provider experts.

(4) The selected experts, any health care facility with which an expert is affiliated, and the independent review organization

arranging for the experts' review shall not have any professional, 60102
familial, or financial affiliation with any of the following: 60103

(a) The plan or any officer, director, or managerial employee 60104
of the plan; 60105

(b) The plan member, the plan member's physician, or the 60106
practice group of the plan member's physician; 60107

(c) The health care facility at which the recommended or 60108
requested therapy would be provided; 60109

(d) The development or manufacture of the principal drug, 60110
device, procedure, or therapy involved in the recommended or 60111
requested therapy. However, experts affiliated with academic 60112
medical centers who provide health care services to members of the 60113
plan may serve as experts on the review panel. Further, experts 60114
with staff privileges at a health care facility that provides 60115
health care services to members of the plan, as well as experts 60116
who have a contractual relationship with the plan, but who were 60117
not involved with the plan's denial of coverage for the therapy 60118
under review, may serve as experts on the review panel. These 60119
nonaffiliation provisions do not preclude a plan from paying for 60120
the experts' review, as specified in division (C)(5) of this 60121
section. 60122

(5) Plan members shall not be required to pay for any part of 60123
the cost of the review. The cost of the review shall be borne by 60124
the plan. 60125

(6) The plan shall provide to the independent review 60126
organization arranging for the experts' review a copy of those 60127
records in the plan's possession that are relevant to the plan 60128
member's medical condition and the review. The records shall be 60129
disclosed solely to the expert reviewers and shall be used solely 60130
for the purpose of this section. At the request of the expert 60131
reviewers, the plan or the physician requesting the therapy shall 60132

provide any additional information that the expert reviewers 60133
request to complete the review. An expert reviewer is not required 60134
to render an opinion if the reviewer has not received any 60135
requested information that the reviewer considers necessary to 60136
complete the review. 60137

(7)(a) In the case of an expedited review, the independent 60138
review organization shall issue a written decision not later than 60139
seven days after the filing of the request for review. In all 60140
other cases, the independent review organization shall issue a 60141
written decision not later than thirty days after the filing of 60142
the request. The independent review organization shall send a copy 60143
of its decision to the plan and the plan member. If the plan 60144
member's provider or the health care facility rendering health 60145
care services to the plan member requested the review, the 60146
independent review organization shall also send a copy of its 60147
decision to the plan member's provider or the health care 60148
facility. 60149

(b) In conducting the review, the experts on the panel shall 60150
take into account all of the following: 60151

(i) Information submitted by the plan, the plan member, and 60152
the plan member's physician, including the plan member's medical 60153
records and the standards, criteria, and clinical rationale used 60154
by the plan to reach its coverage decision; 60155

(ii) Findings, studies, research, and other relevant 60156
documents of government agencies and nationally recognized 60157
organizations; 60158

(iii) Relevant findings in peer-reviewed medical or 60159
scientific literature and published opinions of nationally 60160
recognized medical experts; 60161

(iv) Clinical guidelines adopted by relevant national medical 60162
societies; 60163

(v) Safety, efficacy, appropriateness, and 60164
cost_effectiveness. 60165

(8) Each expert on the panel shall provide the independent 60166
review organization with a professional opinion as to whether 60167
there is sufficient evidence to demonstrate that the recommended 60168
or requested therapy is likely to be more beneficial to the plan 60169
member than standard therapies. 60170

(9) Each expert's opinion shall be presented in written form 60171
and shall include the following information: 60172

(a) A description of the plan member's condition; 60173

(b) A description of the indicators relevant to determining 60174
whether there is sufficient evidence to demonstrate that the 60175
recommended or requested therapy is more likely than not to be 60176
more beneficial to the plan member than standard therapies; 60177

(c) A description and analysis of any relevant findings 60178
published in peer-reviewed medical or scientific literature or the 60179
published opinions of medical experts or specialty societies; 60180

(d) A description of the plan member's suitability to receive 60181
the recommended or requested therapy according to a treatment 60182
protocol in a clinical trial, if applicable. 60183

(10) The independent review organization shall provide the 60184
plan with the opinions of the experts. The plan shall make the 60185
experts' opinions available to the plan member and the plan 60186
member's physician, upon request. 60187

(11) The opinion of the majority of the experts on the panel, 60188
rendered pursuant to division (C)(8) of this section, is binding 60189
on the plan with respect to that plan member. If the opinions of 60190
the experts on the panel are evenly divided as to whether the 60191
therapy should be covered, the plan's final decision shall be in 60192
favor of coverage. If less than a majority of the experts on the 60193

panel recommend coverage of the therapy, the plan may, in its discretion, cover the therapy. However, any coverage provided pursuant to division (C)(11) of this section is subject to the terms, limitations, and conditions of the plan.

(12) The plan shall have written policies describing the external review process.

(D) If a plan's initial denial of coverage for a therapy recommended or requested pursuant to division (A)(3) of this section is based upon an external review of that therapy meeting the requirements of division (C) of this section, this section shall not be a basis for requiring a second external review of the recommended or requested therapy.

(E) At any time during the external review process, the plan may elect to cover the recommended or requested health care service and terminate the review. The plan shall notify the plan member and all other parties involved by mail or, with consent or approval of the plan member, by electronic means.

(F) The plan shall annually file a certificate with the superintendent of insurance certifying its compliance with the requirements of this section.

Sec. 3923.90. (A) There is hereby created the health care coverage and quality council to advise the governor, general assembly, entities in the public and private sectors, and consumers on strategies to expand affordable health insurance coverage to more individuals and to improve the cost and quality of the state's health insurance system and health care system.

(B) The council shall consist of the following members:

(1) The superintendent of insurance or the superintendent's designee;

(2) The director of the executive medicaid management

<u>administration;</u>	60224
<u>(3) The director of medicaid;</u>	60225
<u>(4) The director of health;</u>	60226
<u>(5) The benefits administrator of the office of benefits</u>	60227
<u>administration within the department of administrative services;</u>	60228
<u>(6) Two members of the house of representatives, one member</u>	60229
<u>appointed by the speaker of the house of representatives and one</u>	60230
<u>member appointed by the minority leader of the house of</u>	60231
<u>representatives;</u>	60232
<u>(7) Two members of the senate, one member appointed by the</u>	60233
<u>president of the senate and one member appointed by the minority</u>	60234
<u>leader of the senate;</u>	60235

Sec. 3929.43. (A) The Ohio fair plan underwriting association 60366
is hereby created consisting of all insurers authorized to write 60367
within this state, on a direct basis, basic property insurance or 60368
any component thereof in multi-peril policies, to assist 60369
applicants in urban areas to secure basic property insurance or 60370
homeowners insurance, and to formulate and administer a program 60371

for the equitable apportionment of basic property insurance or 60372
homeowners insurance which cannot be obtained in the normal 60373
market. Every such insurer shall be a member of the association 60374
and shall remain a member as a condition of its authority to write 60375
any of such insurance in this state. 60376

(B) The association, pursuant to sections 3929.41 to 3929.49 60377
of the Revised Code, and the plan of operation, with respect to 60378
basic property insurance or homeowners insurance, may assume and 60379
cede reinsurance on insurable risks written by its members. 60380

(C) The board of governors of the association shall submit to 60381
the superintendent of insurance, for ~~his~~ approval, a proposed plan 60382
of operation which shall provide for economical, fair, and 60383
nondiscriminatory administration of a program for the equitable 60384
apportionment among members of basic property insurance or 60385
homeowners insurance which may be afforded in urban areas to 60386
applicants whose property is insurable in accordance with 60387
reasonable underwriting standards, but who are unable to procure 60388
such insurance through normal channels. The association is under 60389
no obligation to issue basic property insurance or homeowners 60390
insurance to any person, unless that person and ~~his~~ that person's 60391
property would be insurable in the normal insurance market, and 60392
such property, except for its location, would constitute an 60393
insurable risk in accordance with reasonable underwriting 60394
standards. The plan of operation shall provide that the 60395
association, in determining whether the property is insurable, 60396
shall give no consideration to the condition of surrounding 60397
property or properties, where such condition is not within the 60398
control of the applicant. Rates for basic property insurance and 60399
homeowners insurance shall ~~not exceed those rates filed with~~ be 60400
subject to the approval of the superintendent ~~by the major rating~~ 60401
~~organization in this state, except that in the case of homeowners~~ 60402
~~insurance the association may file deviations to the rating plan~~ 60403

~~previously filed by such rating organization, and such deviations~~ 60404
~~shall be subject to the approval of the superintendent in the same~~ 60405
~~manner as other deviations under Chapter 3935. of the Revised~~ 60406
Code. The plan of operation may also provide for assessment of all 60407
members in amounts sufficient to operate the association, maximum 60408
limits of liability per location to be placed through the program, 60409
reasonable underwriting standards for determining insurability of 60410
a risk, and the commission to be paid to the licensed producer 60411
designated by the applicant. The superintendent shall adopt such 60412
plan and all amendments thereto pursuant to Chapter 119. of the 60413
Revised Code. 60414

If the superintendent disapproves the proposed plan of 60415
operation, the board of governors shall, within fifteen days, 60416
submit for approval an appropriately revised plan of operation and 60417
if the board of governors fails to do so, or if the revised plan 60418
submitted is unacceptable, the superintendent shall promulgate a 60419
plan of operation. 60420

If amendment of the plan of operation is requested by the 60421
superintendent or the board of governors, the board of governors 60422
shall submit to the superintendent, for ~~his~~ approval, such 60423
amendments. If such amendments are not approved by the 60424
superintendent, the board of governors shall, within fifteen days, 60425
submit for approval an appropriately revised amendment. If the 60426
board of governors fails to do so, or if the amendment is not 60427
approved by the superintendent, the superintendent shall 60428
promulgate such amendment as ~~he~~ the superintendent finds 60429
necessary. 60430

(D)(1) The plan of operation may provide for periodic advance 60431
assessments against member insurers in amounts considered 60432
necessary to cover any deficit or projected deficit arising out of 60433
the operation of the association. Any provision in the plan for 60434
implementation of such advance assessments shall be approved by 60435

the superintendent. Any such provision in the plan shall also 60436
provide for quarterly or other periodic installment payment of 60437
such assessments. 60438

(2) Such plan shall provide a method whereby member insurers 60439
may recoup assessments levied by the association. In order to 60440
recoup such assessments the plan may also provide for the 60441
calculation and use of rates or rating factors to be applied to 60442
direct premiums for basic property insurance and homeowners 60443
insurance located in this state. Such a provision is subject to 60444
the approval of the superintendent. Member insurers of the 60445
association implementing a change in rates pursuant to this 60446
section shall file such changes with the superintendent. Such 60447
changes shall not increase rates more than the amount authorized 60448
by the association and approved by the superintendent pursuant to 60449
the plan. The association may consult with member insurers or 60450
licensed rating bureaus in connection with the establishment and 60451
operation of any such provision. 60452

(E) Any insurer which is a member of the association shall 60453
participate in the writings, expenses, profits, and losses of the 60454
association in the proportion that its premiums written bear to 60455
the aggregate premiums written by all members of the association, 60456
except that this division shall not be construed to preclude the 60457
board of governors from taking action to adjust assessments in 60458
accordance with a program adopted pursuant to division (I) of this 60459
section. 60460

(F) Such plan shall require the issuance of a binder 60461
providing coverage for which the applicant tenders an amount equal 60462
to the annual premium as estimated by the association, ~~such or an~~ 60463
appropriate percentage of that annual premium as determined by the 60464
association. The binder taking shall take effect fifteen days 60465
following the date of the day after the association receives the 60466
application, provided that the application meets the underwriting 60467

standards of the association, for such term, and under such 60468
conditions as are determined by the superintendent ~~of insurance.~~ 60469
The superintendent may alter such time requirement on a specific 60470
risk under such conditions as ~~he~~ the superintendent finds 60471
appropriate. 60472

(G) The association shall be governed by a board of governors 60473
consisting of twelve members, four of whom shall be appointed by 60474
the governor with the advice and consent of the senate. One of 60475
such members shall be a licensed agent writing basic property 60476
insurance for more than one insurer. None of the other three such 60477
members shall be a director, officer, salaried employee, agent, or 60478

be for two years, commencing on the nineteenth day of September 60482
and ending on the eighteenth day of September. Each member shall 60483
hold office from the date of ~~his~~ appointment until the end of the 60484
term for which ~~he~~ the member was appointed. Any member appointed 60485
to fill a vacancy occurring prior to the expiration of the term 60486
for which ~~his~~ the member's predecessor was appointed shall hold 60487
office for the remainder of such term. Any appointed member shall 60488
continue in office subsequent to the expiration date of ~~his~~ the 60489
member's term until ~~his~~ the member's successor takes office, or 60490
until a period of sixty days has elapsed, whichever occurs first. 60491
The remaining eight members shall be representatives from member 60492
companies, at least five of whom shall be Ohio domiciled members, 60493

association whose votes shall be weighed in accordance with each 60495
member's premiums written during the second preceding calendar 60496
year. Not more than one insurer in a group under the same 60497
management or ownership shall serve on the board of governors at 60498
the same time. The eight representatives of member companies shall 60499
be elected at a meeting of the members or their authorized 60500

representatives, which shall be held at a time and place 60501
designated by the superintendent. 60502

(H) The plan shall be administered under the supervision of 60503
the superintendent. 60504

(I) The board of governors shall adopt a written program for 60505
decreasing the overall utilization of the association as a source 60506
of insurance. The program shall set forth actions that the board 60507
shall take to decrease such utilization, including actions 60508
intended to reduce the number of policies issued, the number of 60509
persons whose properties are insured, and the total amount and 60510
kinds of insurance written by the association, provided this 60511
division does not authorize the board to take action intended to 60512
decrease utilization of the association as a source of insurance 60513
if such action would substantially conflict with the purposes set 60514
