otherwise provided in division (E) of this section, on and after 1196
July 1, 1994, legislative authorities shall not enter into 1197
agreements under this section unless the legislative authority has 1198
petitioned the director and the director has certified the zone 1199
under this section as amended by that act; however, all agreements 1200

Within sixty days after receiving such a petition, the director 1204
shall determine whether the area has the characteristics set forth 1205
in division (A)(1) of section 5709.61 of the Revised Code, and 1206
shall forward the findings to the legislative authority of the 1207
municipal corporation. If the director certifies the area as 1208
having those characteristics, and thereby certifies it as a zone, 1209
the legislative authority may enter into an agreement with an 1210
enterprise under division (C) of this section. 1211

(B) Any enterprise that wishes to enter into an agreement 1212
with a municipal corporation under division (C) of this section 1213

development, together with the application fee established under 1216
section 5709.68 of the Revised Code. The form shall require the 1217
following information: 1218

enterprise intends to hire, or of the number of employees whom the enterprise intends to retain, within the zone at a facility that is a project site, and an estimate of the amount of payroll of the enterprise attributable to these employees;

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

(3) A listing of the enterprise's current investment, if any, in a facility as of the date of the proposal's submission.

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority, on or before October 15, ~~2010~~ 2011, may do one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment

opportunities for existing employees, in return for one or more of 1251
the following incentives: 1252

fifteen, of a specified portion, up to seventy-five per cent, of 1254
the assessed value of tangible personal property first used in 1255
business at the project site as a result of the agreement. If an 1256
exemption for inventory is specifically granted in the agreement 1257
pursuant to this division, the exemption applies to inventory 1258
required to be listed pursuant to sections 5711.15 and 5711.16 of 1259
the Revised Code, except that, in the instance of an expansion or 1260
other situations in which an enterprise was in business at the 1261
facility prior to the establishment of the zone, the inventory 1262
that is exempt is that amount or value of inventory in excess of 1263
the amount or value of inventory required to be listed in the 1264
personal property tax return of the enterprise in the return for 1265
the tax year in which the agreement is entered into. 1266

(b) Exemption for a specified number of years, not to exceed 1267
fifteen, of a specified portion, up to seventy-five per cent, of 1268

to remediate an environmentally contaminated facility, to spend an 1277
amount equal to at least two hundred fifty per cent of the true 1278
value in money of the real property of the facility prior to 1279
remediation as determined for the purposes of property taxation to 1280
establish, expand, renovate, or occupy the remediated facility, 1281
and to hire new employees or preserve employment opportunities for 1282

existing employees at the remediated facility, in return for one	1283
or more of the following incentives:	1284
(a) Exemption for a specified number of years, not to exceed	1285
fifteen, of a specified portion, not to exceed fifty per cent, of	1286

to remediation;	1288
(b) Exemption for a specified number of years, not to exceed	1289
fifteen, of a specified portion, not to exceed one hundred per	1290
cent, of the increase in the assessed valuation of the real	1291
property of the facility during or after remediation;	1292
(c) The incentive under division (C)(1)(a) of this section,	1293
except that the percentage of the assessed value of such property	1294
exempted from taxation shall not exceed one hundred per cent;	1295

(3) Enter into an agreement with an enterprise that plans to	1297
purchase and operate a large manufacturing facility that has	1298
ceased operation or announced its intention to cease operation, in	1299
return for exemption for a specified number of years, not to	1300
exceed fifteen, of a specified portion, up to one hundred per	1301
cent, of the assessed value of tangible personal property used in	1302
business at the project site as a result of the agreement, or of	1303
the assessed valuation of real property constituting the project	1304
site, or both.	1305
(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this	1306
section, the portion of the assessed value of tangible personal	1307
property or of the increase in the assessed valuation of real	1308
property exempted from taxation under those divisions may exceed	1309
seventy-five per cent in any year for which that portion is	1310
exempted if the average percentage exempted for all years in which	1311
the agreement is in effect does not exceed sixty per cent, or if	1312
the board of education of the city, local, or exempted village	1313

school district within the territory of which the property is or 1314
will be located approves a percentage in excess of seventy-five 1315
per cent. 1316

(2) Notwithstanding any provision of the Revised Code to the 1317
contrary, the exemptions described in divisions (C)(1)(a), (b), 1318
and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may 1319
be for up to fifteen years if the board of education of the city, 1320
local, or exempted village school district within the territory of 1321
which the property is or will be located approves a number of 1322
years in excess of ten. 1323

(3) For the purpose of obtaining the approval of a city, 1324
local, or exempted village school district under division (D)(1) 1325
or (2) of this section, the legislative authority shall deliver to 1326
the board of education a notice not later than forty-five days 1327
prior to approving the agreement, excluding Saturdays, Sundays, 1328
and legal holidays as defined in section 1.14 of the Revised Code. 1329
The notice shall state the percentage to be exempted, an estimate 1330
of the true value of the property to be exempted, and the number 1331
of years the property is to be exempted. The board of education, 1332
by resolution adopted by a majority of the board, shall approve or 1333
disapprove the agreement and certify a copy of the resolution to 1334
the legislative authority not later than fourteen days prior to 1335
the date stipulated by the legislative authority as the date upon 1336
which approval of the agreement is to be formally considered by 1337
the legislative authority. The board of education may include in 1338
the resolution conditions under which the board would approve the 1339
agreement, including the execution of an agreement to compensate 1340
the school district under division (B) of section 5709.82 of the 1341
Revised Code. The legislative authority may approve the agreement 1342
at any time after the board of education certifies its resolution 1343
approving the agreement to the legislative authority, or, if the 1344
board approves the agreement conditionally, at any time after the 1345

conditions are agreed to by the board and the legislative 1346
authority. 1347

If a board of education has adopted a resolution waiving its 1348
right to approve agreements and the resolution remains in effect, 1349
approval of an agreement by the board is not required under this 1350
division. If a board of education has adopted a resolution 1351
allowing a legislative authority to deliver the notice required 1352
under this division fewer than forty-five business days prior to 1353
the legislative authority's approval of the agreement, the 1354
legislative authority shall deliver the notice to the board not 1355
later than the number of days prior to such approval as prescribed 1356
by the board in its resolution. If a board of education adopts a 1357
resolution waiving its right to approve agreements or shortening 1358
the notification period, the board shall certify a copy of the 1359
resolution to the legislative authority. If the board of education 1360
rescinds such a resolution, it shall certify notice of the 1361
rescission to the legislative authority. 1362

(4) The legislative authority shall comply with section 1363
5709.83 of the Revised Code unless the board of education has 1364
adopted a resolution under that section waiving its right to 1365
receive such notice. 1366

(E) This division applies to zones certified by the director 1367
of development under this section prior to July 22, 1994. 1368

On or before October 15, ~~2010~~ 2011, the legislative authority 1369
that designated a zone to which this division applies may enter 1370
into an agreement with an enterprise if the legislative authority 1371
finds that the enterprise satisfies one of the criteria described 1372
in divisions (E)(1) to (5) of this section: 1373

(1) The enterprise currently has no operations in this state 1374
and, subject to approval of the agreement, intends to establish 1375
operations in the zone; 1376

(2) The enterprise currently has operations in this state 1377
and, subject to approval of the agreement, intends to establish 1378
operations at a new location in the zone that would not result in 1379
a reduction in the number of employee positions at any of the 1380
enterprise's other locations in this state; 1381

(3) The enterprise, subject to approval of the agreement, 1382
intends to relocate operations, currently located in another 1383
state, to the zone; 1384

(4) The enterprise, subject to approval of the agreement, 1385
intends to expand operations at an existing site in the zone that 1386
the enterprise currently operates; 1387

(5) The enterprise, subject to approval of the agreement, 1388
intends to relocate operations, currently located in this state, 1389
to the zone, and the director of development has issued a waiver 1390
for the enterprise under division (B) of section 5709.633 of the 1391
Revised Code. 1392

The agreement shall require the enterprise to agree to 1393
establish, expand, renovate, or occupy a facility in the zone and 1394
hire new employees, or preserve employment opportunities for 1395
existing employees, in return for one or more of the incentives 1396
described in division (C) of this section. 1397

(F) All agreements entered into under this section shall be 1398
in the form prescribed under section 5709.631 of the Revised Code. 1399
After an agreement is entered into under this section, if the 1400
legislative authority revokes its designation of a zone, or if the 1401
director of development revokes a zone's certification, any 1402
entitlements granted under the agreement shall continue for the 1403
number of years specified in the agreement. 1404

(G) Except as otherwise provided in this division, an 1405
agreement entered into under this section shall require that the 1406
enterprise pay an annual fee equal to the greater of one per cent 1407

of the dollar value of incentives offered under the agreement or 1408
five hundred dollars; provided, however, that if the value of the 1409
incentives exceeds two hundred fifty thousand dollars, the fee 1410
shall not exceed two thousand five hundred dollars. The fee shall 1411
be payable to the legislative authority once per year for each 1412
year the agreement is effective on the days and in the form 1413
specified in the agreement. Fees paid shall be deposited in a 1414
special fund created for such purpose by the legislative authority 1415
and shall be used by the legislative authority exclusively for the 1416
purpose of complying with section 5709.68 of the Revised Code and 1417
by the tax incentive review council created under section 5709.85 1418
of the Revised Code exclusively for the purposes of performing the 1419
duties prescribed under that section. The legislative authority 1420
may waive or reduce the amount of the fee charged against an 1421
enterprise, but such a waiver or reduction does not affect the 1422
obligations of the legislative authority or the tax incentive 1423
review council to comply with section 5709.68 or 5709.85 of the 1424
Revised Code. 1425

(H) When an agreement is entered into pursuant to this 1426
section, the legislative authority authorizing the agreement shall 1427
forward a copy of the agreement to the director of development and 1428
to the tax commissioner within fifteen days after the agreement is 1429
entered into. If any agreement includes terms not provided for in 1430
section 5709.631 of the Revised Code affecting the revenue of a 1431
city, local, or exempted village school district or causing 1432
revenue to be ~~foregone~~ forgone by the district, including any 1433
compensation to be paid to the school district pursuant to section 1434
5709.82 of the Revised Code, those terms also shall be forwarded 1435
in writing to the director of development along with the copy of 1436
the agreement forwarded under this division. 1437

(I) After an agreement is entered into, the enterprise shall 1438
file with each personal property tax return required to be filed, 1439

or annual report required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (C)(1)(a) and (b), (C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the legislative authority of a municipal corporation or the director of development.

Sec. 5709.63. (A) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed enterprise zones. A

board of county commissioners may designate no more than one area 1471
within a township, or within adjacent townships, as a proposed 1472
enterprise zone. The board shall petition the director of 1473
development for certification of the area as having the 1474
characteristics set forth in division (A)(1) or (2) of section 1475
5709.61 of the Revised Code as amended by Substitute Senate Bill 1476
No. 19 of the 120th general assembly. Except as otherwise provided 1477
in division (D) of this section, on and after July 1, 1994, boards 1478
of county commissioners shall not enter into agreements under this 1479
section unless the board has petitioned the director and the 1480
director has certified the zone under this section as amended by 1481
that act; however, all agreements entered into under this section 1482
as it existed prior to July 1, 1994, and the incentives granted 1483
under those agreements shall remain in effect for the period 1484
agreed to under those agreements. The director shall make the 1485
determination in the manner provided under section 5709.62 of the 1486
Revised Code. 1487

Any enterprise wishing to enter into an agreement with the 1488
board under division (B) or (D) of this section shall submit a 1489
proposal to the board on the form and accompanied by the 1490
application fee prescribed under division (B) of section 5709.62 1491
of the Revised Code. The enterprise shall review and update the 1492
estimates and listings required by the form in the manner required 1493
under that division. The board may, on a separate form and at any 1494
time, require any additional information necessary to determine 1495
whether an enterprise is in compliance with an agreement and to 1496
collect the information required to be reported under section 1497
5709.68 of the Revised Code. 1498

(B) If the board of county commissioners finds that an 1499
enterprise submitting a proposal is qualified by financial 1500
responsibility and business experience to create and preserve 1501
employment opportunities in the zone and to improve the economic 1502

climate of the municipal corporation or municipal corporations or 1503
the unincorporated areas in which the zone is located and to which 1504
the proposal applies, the board, on or before October 15, ~~2010~~ 1505
2011, and with the consent of the legislative authority of each 1506
affected municipal corporation or of the board of township 1507
trustees may do either of the following: 1508

(1) Enter into an agreement with the enterprise under which 1509
the enterprise agrees to establish, expand, renovate, or occupy a 1510
facility in the zone and hire new employees, or preserve 1511
employment opportunities for existing employees, in return for the 1512
following incentives: 1513

(a) When the facility is located in a municipal corporation, 1514
the board may enter into an agreement for one or more of the 1515
incentives provided in division (C) of section 5709.62 of the 1516
Revised Code, subject to division (D) of that section; 1517

(b) When the facility is located in an unincorporated area, 1518
the board may enter into an agreement for one or more of the 1519
following incentives: 1520

(i) Exemption for a specified number of years, not to exceed 1521
fifteen, of a specified portion, up to sixty per cent, of the 1522
assessed value of tangible personal property first used in 1523
business at a project site as a result of the agreement. If an 1524
exemption for inventory is specifically granted in the agreement 1525
pursuant to this division, the exemption applies to inventory 1526
required to be listed pursuant to sections 5711.15 and 5711.16 of 1527
the Revised Code, except, in the instance of an expansion or other 1528
situations in which an enterprise was in business at the facility 1529
prior to the establishment of the zone, the inventory that is 1530
exempt is that amount or value of inventory in excess of the 1531
amount or value of inventory required to be listed in the personal 1532
property tax return of the enterprise in the return for the tax 1533
year in which the agreement is entered into. 1534

(ii) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

(iii) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance the board is authorized to provide with regard to the project site;

(iv) The incentive described in division (C)(2) of section 5709.62 of the Revised Code.

(2) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or has announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred per cent, of tangible personal property used in business at the project site as a result of the agreement, or of real property constituting the project site, or both.

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed sixty per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed fifty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of sixty per cent.

(b) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (B)(1)(b)(i), (ii), (iii), and (iv) and (B)(2) of this section may be for up to

fifteen years if the board of education of the city, local, or 1566
exempted village school district within the territory of which the 1567
property is or will be located approves a number of years in 1568
excess of ten. 1569

(c) For the purpose of obtaining the approval of a city, 1570
local, or exempted village school district under division 1571
(C)(1)(a) or (b) of this section, the board of county 1572
commissioners shall deliver to the board of education a notice not 1573
later than forty-five days prior to approving the agreement, 1574
excluding Saturdays, Sundays, and legal holidays as defined in 1575
section 1.14 of the Revised Code. The notice shall state the 1576
percentage to be exempted, an estimate of the true value of the 1577
property to be exempted, and the number of years the property is 1578
to be exempted. The board of education, by resolution adopted by a 1579
majority of the board, shall approve or disapprove the agreement 1580
and certify a copy of the resolution to the board of county 1581
commissioners not later than fourteen days prior to the date 1582
stipulated by the board of county commissioners as the date upon 1583
which approval of the agreement is to be formally considered by 1584
the board of county commissioners. The board of education may 1585
include in the resolution conditions under which the board would 1586
approve the agreement, including the execution of an agreement to 1587
compensate the school district under division (B) of section 1588
5709.82 of the Revised Code. The board of county commissioners may 1589
approve the agreement at any time after the board of education 1590
certifies its resolution approving the agreement to the board of 1591
county commissioners, or, if the board of education approves the 1592
agreement conditionally, at any time after the conditions are 1593
agreed to by the board of education and the board of county 1594
commissioners. 1595

If a board of education has adopted a resolution waiving its 1596
right to approve agreements and the resolution remains in effect, 1597

approval of an agreement by the board of education is not required 1598
under division (C) of this section. If a board of education has 1599
adopted a resolution allowing a board of county commissioners to 1600
deliver the notice required under this division fewer than 1601
forty-five business days prior to approval of the agreement by the 1602
board of county commissioners, the board of county commissioners 1603
shall deliver the notice to the board of education not later than 1604
the number of days prior to such approval as prescribed by the 1605
board of education in its resolution. If a board of education 1606
adopts a resolution waiving its right to approve agreements or 1607
shortening the notification period, the board of education shall 1608
certify a copy of the resolution to the board of county 1609
commissioners. If the board of education rescinds such a 1610
resolution, it shall certify notice of the rescission to the board 1611
of county commissioners. 1612

(2) The board of county commissioners shall comply with 1613
section 5709.83 of the Revised Code unless the board of education 1614
has adopted a resolution under that section waiving its right to 1615
receive such notice. 1616

(D) This division applies to zones certified by the director 1617
of development under this section prior to July 22, 1994. 1618

On or before October 15, ~~2010~~ 2011, and with the consent of 1619
the legislative authority of each affected municipal corporation 1620
or board of township trustees of each affected township, the board 1621
of county commissioners that designated a zone to which this 1622
division applies may enter into an agreement with an enterprise if 1623
the board finds that the enterprise satisfies one of the criteria 1624
described in divisions (D)(1) to (5) of this section: 1625

(1) The enterprise currently has no operations in this state 1626
and, subject to approval of the agreement, intends to establish 1627
operations in the zone; 1628

(2) The enterprise currently has operations in this state 1629
and, subject to approval of the agreement, intends to establish 1630
operations at a new location in the zone that would not result in 1631
a reduction in the number of employee positions at any of the 1632
enterprise's other locations in this state; 1633

(3) The enterprise, subject to approval of the agreement, 1634
intends to relocate operations, currently located in another 1635
state, to the zone; 1636

(4) The enterprise, subject to approval of the agreement, 1637
intends to expand operations at an existing site in the zone that 1638
the enterprise currently operates; 1639

(5) The enterprise, subject to approval of the agreement, 1640
intends to relocate operations, currently located in this state, 1641
to the zone, and the director of development has issued a waiver 1642
for the enterprise under division (B) of section 5709.633 of the 1643
Revised Code. 1644

The agreement shall require the enterprise to agree to 1645
establish, expand, renovate, or occupy a facility in the zone and 1646
hire new employees, or preserve employment opportunities for 1647
existing employees, in return for one or more of the incentives 1648
described in division (B) of this section. 1649

(E) All agreements entered into under this section shall be 1650
in the form prescribed under section 5709.631 of the Revised Code. 1651
After an agreement under this section is entered into, if the 1652
board of county commissioners revokes its designation of a zone, 1653
or if the director of development revokes a zone's certification, 1654
any entitlements granted under the agreement shall continue for 1655
the number of years specified in the agreement. 1656

(F) Except as otherwise provided in this division, an 1657
agreement entered into under this section shall require that the 1658
enterprise pay an annual fee equal to the greater of one per cent 1659

of the dollar value of incentives offered under the agreement or 1660
five hundred dollars; provided, however, that if the value of the 1661
incentives exceeds two hundred fifty thousand dollars, the fee 1662
shall not exceed two thousand five hundred dollars. The fee shall 1663
be payable to the board of county commissioners once per year for 1664
each year the agreement is effective on the days and in the form 1665
specified in the agreement. Fees paid shall be deposited in a 1666
special fund created for such purpose by the board and shall be 1667
used by the board exclusively for the purpose of complying with 1668
section 5709.68 of the Revised Code and by the tax incentive 1669
review council created under section 5709.85 of the Revised Code 1670
exclusively for the purposes of performing the duties prescribed 1671
under that section. The board may waive or reduce the amount of 1672
the fee charged against an enterprise, but such waiver or 1673
reduction does not affect the obligations of the board or the tax 1674
incentive review council to comply with section 5709.68 or 5709.85 1675
of the Revised Code, respectively. 1676

(G) With the approval of the legislative authority of a 1677
municipal corporation or the board of township trustees of a 1678
township in which a zone is designated under division (A) of this 1679
section, the board of county commissioners may delegate to that 1680
legislative authority or board any powers and duties of the board 1681
of county commissioners to negotiate and administer agreements 1682
with regard to that zone under this section. 1683

(H) When an agreement is entered into pursuant to this 1684
section, the board of county commissioners authorizing the 1685
agreement or the legislative authority or board of township 1686
trustees that negotiates and administers the agreement shall 1687
forward a copy of the agreement to the director of development and 1688
to the tax commissioner within fifteen days after the agreement is 1689
entered into. If any agreement includes terms not provided for in 1690
section 5709.631 of the Revised Code affecting the revenue of a 1691

city, local, or exempted village school district or causing 1692
revenue to be foregone by the district, including any compensation 1693
to be paid to the school district pursuant to section 5709.82 of 1694
the Revised Code, those terms also shall be forwarded in writing 1695
to the director of development along with the copy of the 1696
agreement forwarded under this division. 1697

(I) After an agreement is entered into, the enterprise shall 1698
file with each personal property tax return required to be filed, 1699
or annual report that is required to be filed under section 1700
5727.08 of the Revised Code, while the agreement is in effect, an 1701
informational return, on a form prescribed by the tax commissioner 1702
for that purpose, setting forth separately the property, and 1703
related costs and values, exempted from taxation under the 1704
agreement. 1705

(J) Enterprises may agree to give preference to residents of 1706
the zone within which the agreement applies relative to residents 1707
of this state who do not reside in the zone when hiring new 1708
employees under the agreement. 1709

(K) An agreement entered into under this section may include 1710
a provision requiring the enterprise to create one or more 1711
temporary internship positions for students enrolled in a course 1712
of study at a school or other educational institution in the 1713
vicinity, and to create a scholarship or provide another form of 1714
educational financial assistance for students holding such a 1715
position in exchange for the student's commitment to work for the 1716
enterprise at the completion of the internship. 1717

(L) The tax commissioner's authority in determining the 1718
accuracy of any exemption granted by an agreement entered into 1719
under this section is limited to divisions (B)(1)(b)(i) and (ii), 1720
(B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of 1721
this section as it pertains to divisions (C)(2)(a), (b), and (c) 1722
of section 5709.62 of the Revised Code, and divisions (B)(1) to 1723

(10) of section 5709.631 of the Revised Code and, as authorized by 1724
law, to enforcing any modification to, or revocation of, that 1725
agreement by the board of county commissioners or the director of 1726
development or, if the board's powers and duties are delegated 1727
under division (G) of this section, by the legislative authority 1728
of a municipal corporation or board of township trustees. 1729

Sec. 5709.632. (A)(1) The legislative authority of a 1730
municipal corporation defined by the United States office of 1731
management and budget as a principal city of a metropolitan 1732
statistical area may, in the manner set forth in section 5709.62 1733
of the Revised Code, designate one or more areas in the municipal 1734
corporation as a proposed enterprise zone. 1735

(2) With the consent of the legislative authority of each 1736
affected municipal corporation or of a board of township trustees, 1737
a board of county commissioners may, in the manner set forth in 1738
section 5709.62 of the Revised Code, designate one or more areas 1739
in one or more municipal corporations or in unincorporated areas 1740
of the county as proposed urban jobs and enterprise zones, except 1741
that a board of county commissioners may designate no more than 1742
one area within a township, or within adjacent townships, as a 1743
proposed urban jobs and enterprise zone. 1744

(3) The legislative authority or board of county 1745
commissioners may petition the director of development for 1746
certification of the area as having the characteristics set forth 1747
in division (A)(3) of section 5709.61 of the Revised Code. Within 1748
sixty days after receiving such a petition, the director shall 1749
determine whether the area has the characteristics set forth in 1750
that division and forward the findings to the legislative 1751
authority or board of county commissioners. If the director 1752
certifies the area as having those characteristics and thereby 1753
certifies it as a zone, the legislative authority or board may 1754

enter into agreements with enterprises under division (B) of this 1755
section. Any enterprise wishing to enter into an agreement with a 1756
legislative authority or board of county commissioners under this 1757
section and satisfying one of the criteria described in divisions 1758
(B)(1) to (5) of this section shall submit a proposal to the 1759
legislative authority or board on the form prescribed under 1760
division (B) of section 5709.62 of the Revised Code and shall 1761
review and update the estimates and listings required by the form 1762
in the manner required under that division. The legislative 1763
authority or board may, on a separate form and at any time, 1764
require any additional information necessary to determine whether 1765
an enterprise is in compliance with an agreement and to collect 1766
the information required to be reported under section 5709.68 of 1767
the Revised Code. 1768

(B) Prior to entering into an agreement with an enterprise, 1769
the legislative authority or board of county commissioners shall 1770
determine whether the enterprise submitting the proposal is 1771
qualified by financial responsibility and business experience to 1772
create and preserve employment opportunities in the zone and to 1773
improve the economic climate of the municipal corporation or 1774
municipal corporations or the unincorporated areas in which the 1775
zone is located and to which the proposal applies, and whether the 1776
enterprise satisfies one of the following criteria: 1777

(1) The enterprise currently has no operations in this state 1778
and, subject to approval of the agreement, intends to establish 1779
operations in the zone; 1780

(2) The enterprise currently has operations in this state 1781
and, subject to approval of the agreement, intends to establish 1782
operations at a new location in the zone that would not result in 1783
a reduction in the number of employee positions at any of the 1784
enterprise's other locations in this state; 1785

(3) The enterprise, subject to approval of the agreement, 1786

intends to relocate operations, currently located in another 1787
state, to the zone; 1788

(4) The enterprise, subject to approval of the agreement, 1789
intends to expand operations at an existing site in the zone that 1790
the enterprise currently operates; 1791

(5) The enterprise, subject to approval of the agreement, 1792
intends to relocate operations, currently located in this state, 1793
to the zone, and the director of development has issued a waiver 1794
for the enterprise under division (B) of section 5709.633 of the 1795
Revised Code. 1796

(C) If the legislative authority or board determines that the 1797
enterprise is so qualified and satisfies one of the criteria 1798
described in divisions (B)(1) to (5) of this section, the 1799
legislative authority or board may, after complying with section 1800
5709.83 of the Revised Code and on or before October 15, ~~2010~~ 1801
2011, and, in the case of a board of commissioners, with the 1802
consent of the legislative authority of each affected municipal 1803
corporation or of the board of township trustees, enter into an 1804
agreement with the enterprise under which the enterprise agrees to 1805
establish, expand, renovate, or occupy a facility in the zone and 1806
hire new employees, or preserve employment opportunities for 1807
existing employees, in return for the following incentives: 1808

(1) When the facility is located in a municipal corporation, 1809
a legislative authority or board of commissioners may enter into 1810
an agreement for one or more of the incentives provided in 1811
division (C) of section 5709.62 of the Revised Code, subject to 1812
division (D) of that section; 1813

(2) When the facility is located in an unincorporated area, a 1814
board of commissioners may enter into an agreement for one or more 1815
of the incentives provided in divisions (B)(1)(b), (B)(2), and 1816
(B)(3) of section 5709.63 of the Revised Code, subject to division 1817

(C) of that section. 1818

(D) All agreements entered into under this section shall be 1819
in the form prescribed under section 5709.631 of the Revised Code. 1820
After an agreement under this section is entered into, if the 1821
legislative authority or board of county commissioners revokes its 1822
designation of the zone, or if the director of development revokes 1823
the zone's certification, any entitlements granted under the 1824
agreement shall continue for the number of years specified in the 1825
agreement. 1826

(E) Except as otherwise provided in this division, an 1827
agreement entered into under this section shall require that the 1828
enterprise pay an annual fee equal to the greater of one per cent 1829
of the dollar value of incentives offered under the agreement or 1830
five hundred dollars; provided, however, that if the value of the 1831
incentives exceeds two hundred fifty thousand dollars, the fee 1832
shall not exceed two thousand five hundred dollars. The fee shall 1833
be payable to the legislative authority or board of commissioners 1834
once per year for each year the agreement is effective on the days 1835
and in the form specified in the agreement. Fees paid shall be 1836
deposited in a special fund created for such purpose by the 1837
legislative authority or board and shall be used by the 1838
legislative authority or board exclusively for the purpose of 1839
complying with section 5709.68 of the Revised Code and by the tax 1840
incentive review council created under section 5709.85 of the 1841
Revised Code exclusively for the purposes of performing the duties 1842
prescribed under that section. The legislative authority or board 1843
may waive or reduce the amount of the fee charged against an 1844
enterprise, but such waiver or reduction does not affect the 1845
obligations of the legislative authority or board or the tax 1846
incentive review council to comply with section 5709.68 or 5709.85 1847
of the Revised Code, respectively. 1848

(F) With the approval of the legislative authority of a 1849

municipal corporation or the board of township trustees of a 1850
township in which a zone is designated under division (A)(2) of 1851
this section, the board of county commissioners may delegate to 1852
that legislative authority or board any powers and duties of the 1853
board to negotiate and administer agreements with regard to that 1854
zone under this section. 1855

(G) When an agreement is entered into pursuant to this 1856
section, the legislative authority or board of commissioners 1857
authorizing the agreement shall forward a copy of the agreement to 1858

chapter, and to prevent the evasion of the tax, it is presumed 2464
that all sales made in this state are subject to the tax until the 2465
contrary is established. 2466

(D) The levy of this tax on retail sales of recreation and 2467
sports club service shall not prevent a municipal corporation from 2468
levying any tax on recreation and sports club dues or on any 2469

shall provide the amount of the requested refund along with the 2491
claimed reasons for, and documentation to support, the issuance of 2492
a refund. 2493

(B) On the filing of the refund application, the tax 2494
commissioner shall determine the amount of refund to which the 2495
applicant is entitled. If the amount is not less than that 2496
claimed, the commissioner shall certify the amount to the director 2497
of budget and management and treasurer of state for payment from 2498
the tax refund fund created under section 5703.052 of the Revised 2499
Code. If the amount is less than that claimed, the commissioner 2500
shall proceed in accordance with section 5703.70 of the Revised 2501
Code. 2502

(C) Interest on a refund applied for under this section, 2503
computed at the rate provided for in section 5703.47 of the 2504
Revised Code, shall be allowed from the later of the date the tax 2505
was paid or when the tax payment was due. 2506

(D) A calendar quarter taxpayer with more than one million 2507
dollars in taxable gross receipts in a calendar year other than 2508
calendar year 2005 and that is not able to exclude one million 2509
dollars in taxable gross receipts because of the operation of the 2510
taxpayer's business in that calendar year may file for a refund 2511
under this section to obtain the full exclusion of one million 2512
dollars in taxable gross receipts for that calendar year. 2513

~~(E) No person with an active registration as a taxpayer under 2514
this chapter may claim a refund under this section for the tax 2515
imposed under division (B) of section 5751.03 of the Revised Code 2516
unless the person cancelled the registration before the tenth day 2517
of May of the current calendar year pursuant to division (D) of 2518
section 5751.04 of the Revised Code. 2519~~

~~(F)~~ Except as provided in section ~~5751.091~~ 5751.081 of the 2520
Revised Code, the tax commissioner may, with the consent of the 2521
taxpayer, provide for the crediting against tax due for a tax year 2522
the amount of any refund due the taxpayer under this chapter for a 2523
preceding tax year. 2524

Sec. 5751.09. (A) The tax commissioner may make an 2525
assessment, based on any information in the commissioner's 2526
possession, against any person that fails to file a return or pay 2527
any tax as required by this chapter. The commissioner shall give 2528
the person assessed written notice of the assessment as provided 2529
in section 5703.37 of the Revised Code. With the notice, the 2530
commissioner shall provide instructions on the manner in which to 2531
petition for reassessment and request a hearing with respect to 2532
the petition. The commissioner shall send any assessments against 2533
consolidated elected taxpayer and combined taxpayer groups under 2534
section 5751.011 or 5751.012 of the Revised Code to the taxpayer's 2535
"reporting person" as defined under division (R) of section 2536
5751.01 of the Revised Code. The reporting person shall notify all 2537

members of the group of the assessment and all outstanding taxes, 2538
interest, and penalties for which the assessment is issued. 2539

(B) Unless the person assessed, within sixty days after 2540
service of the notice of assessment, files with the tax 2541
commissioner, either personally or by certified mail, a written 2542
petition signed by the person or the person's authorized agent 2543
having knowledge of the facts, the assessment becomes final, and 2544
the amount of the assessment is due and payable from the person 2545
assessed to the treasurer of state. The petition shall indicate 2546
the objections of the person assessed, but additional objections 2547
may be raised in writing if received by the commissioner prior to 2548
the date shown on the final determination. 2549

If a petition for reassessment has been properly filed, the 2550
commissioner shall proceed under section 5703.60 of the Revised 2551
Code. 2552

(C)(1) After an assessment becomes final, if any portion of 2553
the assessment, including accrued interest, remains unpaid, a 2554
certified copy of the tax commissioner's entry making the 2555
assessment final may be filed in the office of the clerk of the 2556
court of common pleas in the county in which the person resides or 2557
has its principal place of business in this state, or in the 2558
office of the clerk of court of common pleas of Franklin county. 2559

(2) Immediately upon the filing of the entry, the clerk shall 2560
enter judgment for the state against the person assessed in the 2561
amount shown on the entry. The judgment may be filed by the clerk 2562
in a loose-leaf book entitled, "special judgments for the 2563
commercial activity tax" and shall have the same effect as other 2564
judgments. Execution shall issue upon the judgment at the request 2565
of the tax commissioner, and all laws applicable to sales on 2566
execution shall apply to sales made under the judgment. 2567

(3) The portion of the assessment not paid within sixty days 2568

after the day the assessment was issued shall bear interest at the 2569
rate per annum prescribed by section 5703.47 of the Revised Code 2570
from the day the tax commissioner issues the assessment until it 2571
is paid. Interest shall be paid in the same manner as the tax and 2572
may be collected by the issuance of an assessment under this 2573
section. 2574

(D) If the tax commissioner believes that collection of the 2575
tax will be jeopardized unless proceedings to collect or secure 2576
collection of the tax are instituted without delay, the 2577
commissioner may issue a jeopardy assessment against the person 2578
liable for the tax. Immediately upon the issuance of the jeopardy 2579
assessment, the commissioner shall file an entry with the clerk of 2580
the court of common pleas in the manner prescribed by division (C) 2581
of this section. Notice of the jeopardy assessment shall be served 2582
on the person assessed or the person's authorized agent in the 2583
manner provided in section 5703.37 of the Revised Code within five 2584
days of the filing of the entry with the clerk. The total amount 2585
assessed is immediately due and payable, unless the person 2586
assessed files a petition for reassessment in accordance with 2587
division (B) of this section and provides security in a form 2588
satisfactory to the commissioner and in an amount sufficient to 2589
satisfy the unpaid balance of the assessment. Full or partial 2590
payment of the assessment does not prejudice the commissioner's 2591
consideration of the petition for reassessment. 2592

(E) The tax commissioner shall immediately forward to the 2593
treasurer of state all amounts the commissioner receives under 2594
this section, and such amounts shall be considered as revenue 2595
arising from the tax imposed under this chapter. 2596

(F) Except as otherwise provided in this division, no 2597
assessment shall be made or issued against a taxpayer for the tax 2598
imposed under this chapter more than four years after the due date 2599
for the filing of the return for the tax period for which the tax 2600

was reported, or more than four years after the return for the tax 2601
period was filed, whichever is later. The time limit may be 2602
extended if both the taxpayer and the commissioner consent in 2603
writing to the extension or enter into an agreement waiving or 2604
extending the time limit. Any such extension shall extend the 2605
four-year time limit in division (B) of section 5751.08 of the 2606
Revised Code for the same period of time. Nothing in this division 2607
bars an assessment against a taxpayer that fails to file a return 2608
required by this chapter or that files a fraudulent return. 2609

(G) If the tax commissioner possesses information that 2610
indicates that the amount of tax a taxpayer is required to pay 2611
under this chapter exceeds the amount the taxpayer paid, the tax 2612
commissioner may audit a sample of the taxpayer's gross receipts 2613
over a representative period of time to ascertain the amount of 2614
tax due, and may issue an assessment based on the audit. The tax 2615
commissioner shall make a good faith effort to reach agreement 2616
with the taxpayer in selecting a representative sample. The tax 2617
commissioner may apply a sampling method only if the commissioner 2618
has prescribed the method by rule. 2619

(H) If the whereabouts of a person subject to this chapter is 2620
not known to the tax commissioner, the commissioner shall follow 2621
the procedures under section 5703.37 of the Revised Code. 2622

date that a capitalization grant payment made under the authority 2642
of the Safe Drinking Water Act is credited to the fund, required 2643
matching moneys shall be credited to the fund. Any moneys 2644
transferred to or reserved from the drinking water assistance fund 2645
pursuant to ~~title~~ Title III, section 302 of the Safe Drinking 2646
Water Act shall be accounted for separately. 2647

(C) In a manner consistent with the Safe Drinking Water Act 2648
and the applicable drinking water assistance management plan 2649
prepared in accordance with this section, the director may reserve 2650
and award for assistance moneys allotted to the state under 2651
section 1452 of the Safe Drinking Water Act, provided that the 2652
director makes a determination that the use of the moneys will 2653
accomplish the state's objectives and the objectives established 2654
for capitalization grants under the Safe Drinking Water Act. The 2655
director may use a portion of the reserved moneys to enter into 2656
contracts with qualified organizations, including private 2657
nonprofit organizations, to provide statewide on-site technical 2658
assistance to small public water systems. 2659

(D) Subject to the terms of the agreements provided for in 2660
division (E) of this section, moneys in the drinking water 2661
assistance fund shall be held in trust by the Ohio water 2662
development authority for the purposes of this section, shall be 2663

kept in the same manner that funds of the authority are kept under 2664
section 6121.11 of the Revised Code, and may be invested in the 2665
same manner that funds of the authority are invested under section 2666
6121.12 of the Revised Code. Moneys in the drinking water 2667
assistance fund shall be separate and apart from and not a part of 2668
the state treasury or of the other funds of the authority. No 2669
withdrawals or disbursements shall be made from the drinking water 2670
assistance fund without the written authorization of the director. 2671

(E) The director shall adopt written criteria to ensure that 2672
fiscal controls are established for prudent administration of the 2673
drinking water assistance fund. For that purpose, the director and 2674
the authority shall enter into any necessary and appropriate 2675
agreements under which the authority may perform or provide any of 2676

(2) Administration of loan accounts; 2680

(3) Maintenance, management, and investment of moneys in the 2681
fund. 2682

shall provide for the payment of reasonable fees to the authority 2684
for any services it performs under the agreement and may provide 2685
for reasonable fees for the assistance of financial or accounting 2686
advisors. Payment of any of the fees to the authority may be made 2687
from the drinking water assistance administrative account 2688
established under division (G) of this section. 2689

(F) The authority may make moneys available to the director 2690
for the purpose of providing matching moneys required to be 2691
credited to the drinking water assistance fund under division (B) 2692
of this section, subject to any terms that the director and the 2693
authority consider appropriate, and may pledge moneys that are 2694

held by the authority to secure the payment of bonds or notes 2695
issued by the authority to provide those matching moneys. 2696

the drinking water assistance fund. The agreements may contain any 2706

cent of the principal amount of the assistance awarded to the 2722
applicant. 2723

water assistance administrative account in the fund. The moneys 2725

shall be used solely to defray the costs of administering this 2726
section. 2727

(H) There is hereby established within the drinking water 2728
assistance fund the water supply revolving loan account. The 2729
director may provide financial assistance from the water supply 2730

be credited to the water supply revolving loan account. 2747

(2) To purchase or refinance at or below market rates 2748
interest debt obligations incurred after July 1, 1993, by 2749
municipal corporations, other political subdivisions, and 2750
interstate agencies having territory in the state; 2751

(3) To guarantee or purchase insurance for debt obligations 2752
when the guarantee or insurance would improve the borrower's 2753
access to credit markets or would reduce the interest paid on 2754
those obligations; 2755

(4) As a source of revenue or security for the payment of principal and interest on general obligation or revenue bonds or notes issued by this state if the proceeds of the sale of the bonds or notes are or will be deposited into the account;	2756 2757 2758 2759
(5) To provide subsidies in addition to any other financial assistance afforded disadvantaged communities under this section;	2760 2761
(6) To earn interest on moneys credited to the account;	2762
(7) To provide any other assistance authorized by the Safe Drinking Water Act <u>or any other federal law related to the use of federal funds administered under the Safe Drinking Water Act.</u>	2763 2764 2765
(J) The director may provide financial assistance from the water supply revolving loan account after determining all of the following:	2766 2767 2768

(2) The applicant will implement a financial management plan that includes, without limitation, provisions for satisfactory repayment of the financial assistance;	2773 2774 2775
(3) The public water system of which the project for which assistance is proposed is a part is economically and nonmonetarily cost-effective, based on an evaluation of feasible alternatives that meet the drinking water treatment needs of the planning area in which the proposed project is located;	2776 2777 2778 2779 2780
(4) Based on a comprehensive environmental review approved by the director, there are no significant adverse environmental effects resulting from all necessary improvements to the public water system of which the project proposed for assistance is a part;	2781 2782 2783 2784 2785

(5) Public participation has occurred during the process of 2786
planning the project in compliance with applicable requirements 2787
under the Safe Drinking Water Act; 2788

(6) The application meets the requirements of this section 2789
and rules adopted under division (M) of this section and is 2790
consistent with section 1452 of the Safe Drinking Water Act and 2791
regulations adopted under it; 2792

(7) If the applicant for assistance is a water district 2793
formed under Chapter 6119. of the Revised Code that operates a 2794
public water system and that water district seeks to extend the 2795
distribution facilities, increase the number of service 2796
connections to its system, or provide for any other expansion of 2797
its system, the water district has consulted with the board of 2798
county commissioners from each county in which is located the 2799
proposed extension of distribution facilities, increase in the 2800
number of service connections, or other expansion of the public 2801

(8) The application meets any other requirements that the 2803
director considers necessary or appropriate to protect public 2804

Upon approval by the director of an application for financial 2807
assistance, the Ohio water development authority shall disburse 2808
the appropriate financial assistance from the water supply 2809
revolving loan account. If the proposed financial assistance is a 2810
loan, and if the payments of the principal or interest on the loan 2811
are or are expected to be pledged to secure payment of bonds 2812
issued or expected to be issued by the authority, the director 2813
shall submit the application for the loan to the authority for 2814
review and approval with respect to any matters pertaining to 2815
security for and the marketability of authority bonds. Review and 2816
approval by the authority shall be required prior to the making of 2817

such a loan. 2818

(K) In accordance with rules adopted under division (M) of 2819
this section, the director periodically shall prepare a drinking 2820
water assistance management plan establishing the short-term and 2821
long-term goals for the assistance provided under this section, 2822
the allocation of available resources for the purposes of this 2823
section, the environmental, financial, and administrative terms, 2824
conditions, and criteria for the award of financial and technical 2825
assistance under this section, and the intended uses of 2826
capitalization grants and available moneys from the drinking water 2827
assistance fund. Criteria for awarding financial or technical 2828
assistance under this section shall not favor or disfavor any 2829
otherwise qualified nonprofit noncommunity public water system 2830
because it is owned by, operated by, or services a religious 2831
organization or a facility used for religious purposes. Prior to 2832
its adoption, the director shall make the drinking water 2833
assistance management plan available for public review and comment 2834
at a minimum of two public meetings and shall take adequate steps 2835
to ensure that reasonable public notice of each public meeting is 2836
given at least thirty days prior to the meeting. 2837

The plan shall include, without limitation, a system that 2838
prioritizes projects funded by the water supply revolving loan 2839
account based on the relative risk to human health being 2840
addressed, their necessity for ensuring compliance with 2841
requirements of the Safe Drinking Water Act, and their 2842
affordability to the applicants, as determined by the director. 2843
Financial assistance for projects from the water supply revolving 2844
loan account shall be limited to projects that are included in 2845
that prioritization and shall be awarded based upon their priority 2846
position and the applicants' readiness to proceed with their 2847
proposed activities as determined by the director. The drinking 2848
water assistance management plan shall include terms, conditions, 2849

amounts of moneys, and qualifying criteria, in addition to any 2850
other criteria established under this section, governing the 2851
financial assistance to be awarded to applicants from the water 2852
supply revolving loan account. The director shall determine the 2853
most effective use of the moneys in that account to achieve the 2854
state's drinking water assistance goals and objectives. 2855

(L) The director, consistent with this section and applicable 2856
rules adopted under division (M) of this section, may enter into 2857
an agreement with an applicant for assistance from the drinking 2858
water assistance fund. Based on the director's review and approval 2859
of the project plans submitted under section 6109.07 of the 2860
Revised Code, any determinations made under division (J) of this 2861
section if an applicant seeks funding from the water supply 2862
revolving loan account, and any other requirements of this section 2863
and rules adopted under it, the director may establish in the 2864
agreement environmental and financial terms and conditions of the 2865
financial assistance to be offered to the applicant. If the 2866
recipient of financial assistance under this section defaults on 2867
any payment required in the agreement for financial assistance or 2868
otherwise violates a term or condition of the agreement or of the 2869
plan approval for the project under section 6109.07 of the Revised 2870
Code, the director, in addition to any other available remedies, 2871
may terminate, suspend, or require immediate repayment of the 2872
financial assistance. The director also may take any enforcement 2873
action available under this chapter. 2874

(M) The director may adopt rules in accordance with Chapter 2875
119. of the Revised Code for the implementation and administration 2876
of this section. The rules shall be consistent with section 1452 2877
of the Safe Drinking Water Act. 2878

(N)(1) For the purposes of this section, appealable actions 2879
of the director pursuant to section 3745.04 of the Revised Code 2880
are limited to the following: 2881

(a) Adoption of the drinking water assistance management plan prepared under division (K) of this section;	2882 2883
(b) Approval of priority systems, priority lists, and written program administration policies;	2884 2885
(c) Approval or disapproval under this section of applicants' project plans submitted under section 6109.07 of the Revised Code;	2886 2887
(d) Approval or disapproval of an application for assistance.	2888
(2) Notwithstanding section 119.06 of the Revised Code, the director may take the final actions described in divisions (N)(1)(a) to (d) of this section without holding an adjudication hearing in connection with the action and without first issuing a proposed action under section 3745.07 of the Revised Code.	2889 2890 2891 2892 2893
(3) Each action described in divisions (N)(1)(a) to (d) of this section and each approval of a plan under section 6109.07 of the Revised Code is a separate and discrete action of the director. Appeals are limited to the issues concerning the specific action appealed. Any appeal shall not include issues determined under the scope of any prior action.	2894 2895 2896 2897 2898 2899
(O) The failure or inability of a public water system to obtain assistance under this section does not alter the obligation of the public water system to comply with all applicable requirements of this chapter and rules adopted under it.	2900 2901 2902 2903
Sec. 6111.036. (A) There is hereby created the water pollution control loan fund to provide financial, technical, and administrative assistance for the following purposes:	2904 2905 2906
(1) Construction of publicly owned wastewater treatment works, as "construction" and "treatment works" are defined in section 212 of the "Federal Water Pollution Control Act," by municipal corporations, other political subdivisions, and interstate agencies having territory in this state;	2907 2908 2909 2910 2911

(2) Implementation of nonpoint source pollution management 2912
programs under section 319 of that act; 2913

(3) Development and implementation of estuary conservation 2914
and management programs under section 320 of that act. 2915

To the extent they are otherwise allowable as determined by 2916
the director of environmental protection, the purposes identified 2917
under division (A) of this section are intended to include 2918
activities benefiting the waters of the state that are authorized 2919
under Chapter 3746. of the Revised Code. 2920

The fund shall be administered by the director consistent 2921
with the "Federal Water Pollution Control Act"; regulations 2922
adopted under it, including, without limitation, regulations 2923
establishing public participation requirements applicable to the 2924
providing of financial assistance; this section; and rules adopted 2925
under division (O) of this section. 2926

Moneys in the water pollution control loan fund shall be 2927
separate and apart from and not a part of the state treasury or of 2928
the other funds of the Ohio water development authority. Subject 2929
to the terms of the agreements provided for in divisions (B), (C), 2930
(D), and (F) of this section, moneys in the fund shall be held in 2931
trust by the Ohio water development authority for the purposes of 2932
this section, shall be kept in the same manner that funds of the 2933
authority are kept under section 6121.11 of the Revised Code, and 2934
may be invested in the same manner that funds of the authority are 2935
invested under section 6121.12 of the Revised Code. No withdrawals 2936
or disbursements shall be made from the water pollution control 2937
loan fund without the written authorization of the director or ~~his~~ 2938
the director's designated representative. The manner of 2939
authorization for any withdrawals or disbursements from the fund 2940
to be made by the authority shall be established in the agreements 2941
authorized under division (C) of this section. 2942

(B) The director may enter into agreements to receive and 2943
assign moneys credited or to be credited to the water pollution 2944
control loan fund. The director may reserve capitalization grant 2945
moneys allotted to the state under sections 601 and 604(c)(2) of 2946
the "Federal Water Pollution Control Act" for the other purposes 2947
authorized for the use of capitalization grant moneys under 2948
sections 603(d)(7) and 604(b) of that act. 2949

(C) The director shall ensure that fiscal controls are 2950
established for prudent administration of the water pollution 2951
control loan fund. For that purpose, the director and the Ohio 2952
water development authority shall enter into any necessary and 2953
appropriate agreements under which the authority may perform or 2954
provide any of the following: 2955

(1) Fiscal controls and accounting procedures governing fund 2956
balances, receipts, and disbursements; 2957

(2) Administration of loan accounts; 2958

(3) Maintaining, managing, and investing moneys in the fund. 2959

Any agreement entered into under this division shall provide 2960
for the payment of reasonable fees to the Ohio water development 2961
authority for any services it performs under the agreement and may 2962
provide for reasonable fees for the assistance of financial or 2963
accounting advisors. Payments of any such fees to the authority 2964
may be made from the water pollution control loan fund to the 2965
extent authorized by division (H)(7) of this section or from the 2966
water pollution control loan administrative fund created in 2967
division (E) of this section. The authority may enter into loan 2968
agreements with the director and recipients of financial 2969
assistance from the fund as provided in this section. 2970

(D) The water pollution control loan fund shall consist of 2971
the moneys credited to it from all capitalization grants received 2972
under sections 601 and 604(c)(2) of the "Federal Water Pollution 2973

Control Act," all moneys received as capitalization grants under 2974
section 205(m) of that act, all matching moneys credited to the 2975
fund arising from nonfederal sources, all payments of principal 2976
and interest for loans made from the fund, and all investment 2977
earnings on moneys held in the fund. On or before the date on 2978
which a quarterly capitalization grant payment will be received 2979
under that act, matching moneys equal to at least twenty per cent 2980
of the quarterly capitalization grant payment shall be credited to 2981
the fund. The Ohio water development authority may make moneys 2982
available to the director for the purpose of providing the 2983
matching moneys required by this division, subject to such terms 2984
as the director and the authority consider appropriate, and may 2985
pledge moneys that are held by the authority to secure the payment 2986
of bonds or notes issued by the authority to provide those 2987
matching moneys. The authority may make moneys available to the 2988
director for that purpose from any funds now or hereafter 2989
available to the authority from any source, including, without 2990
limitation, the proceeds of bonds or notes heretofore or hereafter 2991
issued by the authority under Chapter 6121. of the Revised Code. 2992
Matching moneys made available to the director by the authority 2993
from the proceeds of any such bonds or notes shall be made 2994
available subject to the terms of the trust agreements relating to 2995
the bonds or notes. Any such matching moneys shall be made 2996
available to the director pursuant to a written agreement between 2997
the director and the authority that contains such terms as the 2998
director and the authority consider appropriate, including, 2999
without limitation, a provision providing for repayment to the 3000
authority of those matching moneys from moneys deposited in the 3001
water pollution control loan fund, including, without limitation, 3002
the proceeds of bonds or notes issued by the authority for the 3003
benefit of the fund and payments of principal and interest on 3004
loans made from the fund, or from any other sources now or 3005
hereafter available to the director for the repayment of those 3006

matching moneys. 3007

(E) All moneys credited to the water pollution control loan 3008
fund, all interest earned on moneys in the fund, and all payments 3009
of principal and interest for loans made from the fund shall be 3010
dedicated in perpetuity and used and reused solely for the 3011
purposes set forth in division (A) of this section, except as 3012
otherwise provided in division (D) or (F) of this section. The 3013
director may establish and collect fees to be paid by recipients 3014
of financial assistance under this section, and all moneys arising 3015
from the fees shall be credited to the water pollution control 3016
loan administrative fund, which is hereby created in the state 3017
treasury, and shall be used to defray the costs of administering 3018
this section. 3019

(F) The director and the Ohio water development authority 3020
shall enter into trust agreements to enable the authority to issue 3021
and refund bonds or notes for the sole benefit of the water 3022
pollution control loan fund, including, without limitation, the 3023
raising of the matching moneys required by division (D) of this 3024
section. These agreements may authorize the pledge of moneys 3025
accruing to the fund from payments of principal and interest on 3026
loans made from the fund adequate to secure bonds or notes, the 3027
proceeds of which bonds or notes shall be for the sole benefit of 3028
the water pollution control loan fund. The agreements may contain 3029
such terms as the director and the authority consider reasonable 3030
and proper for the security of the bondholders or noteholders. 3031

(G) The director shall enter into binding commitments to 3032
provide financial assistance from the water pollution control loan 3033
fund in an amount equal to one hundred twenty per cent of the 3034
amount of each capitalization grant payment received, within one 3035
year after receiving each such grant payment. The director shall 3036
provide the financial assistance in compliance with this section 3037
and rules adopted under division (O) of this section. The director 3038

shall ensure that all moneys credited to the fund are disbursed in 3039
an expeditious and timely manner. During the second year of 3040
operation of the water pollution control loan program, the 3041
director also shall ensure that not less than twenty-five per cent 3042
of the financial assistance provided under this section during 3043
that year is provided for the purpose of division (H)(2) of this 3044
section for the purchase or refinancing of debt obligations 3045
incurred after March 7, 1985, but not later than July 1, 1988, 3046
except that if the amount of money reserved during the second year 3047
of operation of the program for the purchase or refinancing of 3048
those debt obligations exceeds the amount required for the 3049
projects that are eligible to receive financial assistance for 3050
that purpose, the director shall distribute the excess moneys in 3051
accordance with the current priority system and list prepared 3052
under division (I) of this section to provide financial assistance 3053
for projects that otherwise would not receive assistance in that 3054
year. 3055

(H) Moneys credited to the water pollution control loan fund 3056
shall be used only for the following purposes: 3057

(1) To make loans, subject to all of the following 3058
conditions: 3059

(a) The loans are made at or below market rates of interest, 3060
including, without limitation, interest free loans; 3061

(b) Periodic payments of principal and interest shall 3062
commence not later than one year after completion of the project, 3063
and all loans shall be fully amortized not later than twenty years 3064
after project completion; 3065

(c) Each recipient of a loan shall establish a dedicated 3066
source of revenue for repayment of the loan; 3067

(d) All payments of principal and interest on the loans shall 3068
be credited to the fund, except as otherwise provided in division 3069

(D) or (F) of this section.	3070
(2) To purchase or refinance at or below market rates of interest debt obligations incurred after March 7, 1985, by municipal corporations, other political subdivisions, and interstate agencies having territory in the state;	3071 3072 3073 3074
(3) To guarantee or purchase insurance for debt obligations of municipal corporations, other political subdivisions, and interstate agencies having territory within the state when the guarantee or insurance would improve the borrower's access to credit markets or would reduce the interest rate paid on those obligations;	3075 3076 3077 3078 3079 3080
(4) As a source of revenue or security for the payment of principal and interest on general obligation or revenue bonds or notes issued by this state if the proceeds of the sale of the bonds or notes will be deposited in the fund;	3081 3082 3083 3084
(5) To provide loan guarantees for revolving loan funds established by municipal corporations and other political subdivisions that are similar to the water pollution control loan fund;	3085 3086 3087 3088
(6) To earn interest on moneys credited to the fund;	3089
(7) To pay the reasonable costs of administering the fund and this section, except that cumulative expenditures from the fund for administrative costs shall not at any time exceed four per cent of the total amount of the capitalization grants received;	3090 3091 3092 3093
<u>(8) To provide assistance in any manner or for any purpose that is consistent with Title VI of the Federal Water Pollution Control Act or with any other federal law related to the use of federal funds administered under Title VI of the Federal Water Pollution Control Act.</u>	3094 3095 3096 3097 3098
(I) The director periodically shall prepare in accordance	3099

with rules adopted under division (O) of this section a state 3100
priority system and list ranking assistance proposals principally 3101
on the basis of their relative water quality and public health 3102
benefits and the financial need of the applicants for assistance. 3103
Assistance for proposed activities from the water pollution 3104
control loan fund shall be limited to those activities appearing 3105
on that priority list and shall be awarded based upon their 3106
priority sequence on the list and the applicants' readiness to 3107
proceed with their proposed activities. The director annually 3108
shall prepare and circulate for public review and comment a plan 3109
that defines the goals and intended uses of the fund, as required 3110
by section 606(c) of the "Federal Water Pollution Control Act." 3111

(J) Financial assistance from the water pollution control 3112
loan fund first shall be used to ensure maintenance of progress, 3113
as determined by the governor, toward compliance with enforceable 3114
deadlines, goals, and requirements under the "Federal Water 3115
Pollution Control Act" that are pertinent to the purposes of the 3116
fund set forth in divisions (A)(1) to (3) of this section, 3117
including, without limitation, the municipal compliance deadline 3118
under that act. 3119

(K) The director may provide financial assistance from the 3120
water pollution control loan fund for a publicly owned treatment 3121
works project only after determining that: 3122

(1) Sewerage systems tributary to the treatment works are not 3123
subject to excessive infiltration and inflow; 3124

(2) The applicant for financial assistance has the legal, 3125
institutional, managerial, and financial capability to construct, 3126
operate, and maintain its publicly owned treatment works; 3127

(3) The applicant will implement a financial management plan 3128
that includes, without limitation, provisions for satisfactory 3129
repayment of the financial assistance, a proportional user charge 3130

system to pay the operation, maintenance, and replacement expenses 3131
of the project, and, if appropriate in the director's judgment, an 3132
adequate capital improvements fund; 3133

(4) The proposed disposal system of which the project is a 3134
part is economically and nonmonetarily cost-effective, based upon 3135
an evaluation of feasible alternatives that meet the waste water 3136
treatment needs of the planning area in which the proposed project 3137
is located; 3138

(5) Based upon the environmental review conducted by the 3139
director under division (L) of this section, there are no 3140

proposed disposal system and the system has been selected from 3142
among environmentally sound alternatives; 3143

(6) Public participation has occurred during the process of 3144
planning the project in compliance with applicable requirements 3145
under the "Federal Water Pollution Control Act"; 3146

(7) The applicant has submitted a facilities plan for the 3147
project that meets the applicable program requirements and that 3148
has been approved by the director; 3149

(8) The application meets the requirements of this section 3150
and rules adopted under division (O) of this section and is 3151
consistent with the intent of Title VI of the "Federal Water 3152
Pollution Control Act" and regulations adopted under it; 3153

(9) The application meets such other requirements as the 3154
director considers necessary or appropriate to protect the 3155
environment or ensure the financial integrity of the fund while 3156
implementing this section. 3157

(L) The director shall perform and document for public review 3158
an independent, comprehensive environmental review of the 3159
assistance proposal for each activity receiving financial 3160
assistance under this section. The review shall serve as the basis 3161

for the determinations to be made under division (K)(5) or (Q)(4) 3162
of this section, as applicable, and may include, without 3163
limitation, an environmental assessment, any necessary 3164
supplemental studies, and an enforceable mitigation plan. The 3165
director may establish environmental impact mitigation terms or 3166
conditions for the implementation of an assistance proposal, 3167
including, without limitation, the installation or modification of 3168
a disposal system, in ~~his~~ the director's approval of the plans for 3169
the installation or modification as authorized by section 6111.44 3170

rules adopted under division (O) of this section, may enter into 3175
any agreement with an applicant that is necessary or appropriate 3176
to provide assistance from the water pollution control loan fund. 3177
Based upon ~~his~~ the director's review of an assistance proposal, 3178
including, without limitation, approval for the project under 3179
section 6111.44 of the Revised Code, the environmental review 3180
conducted under division (L) of this section, and the other 3181
requirements of this section and rules adopted under it, the 3182
director may establish in the agreement terms and conditions of 3183
the assistance to be offered to an applicant. In addition to any 3184
other available remedies, the director may terminate, suspend, or 3185
require immediate repayment of financial assistance provided under 3186
this section to, or take any other enforcement action available 3187
under this chapter against, a recipient of financial assistance 3188
under this section who defaults on any payment required in the 3189
agreement for financial assistance or otherwise violates a term or 3190
condition of the agreement or of the plan approval for the project 3191
under section 6111.44 of the Revised Code. 3192

(N) Based upon the director's judgment as to the financial 3193

effective allocation of funds to achieve statewide water pollution 3195
control objectives, the director may establish the terms, 3196

improvement priorities reflected in the current priority system 3200
and list prepared under division (I) of this section and with the 3201
long-term financial integrity of the fund, shall ensure each year 3202
that financial assistance in an amount equal to the cost of the 3203

need that are on the current priority list and for which funding 3205
is available in that year is made available from the fund to those 3206
applicants at an interest rate that is lower than that offered to 3207
other applicants for financial assistance from the fund for 3208
assistance proposals that are on the current priority list and for 3209

and 320 of the "Federal Water Pollution Control Act." The rules 3225

governing the establishment of priority systems for financial 3226
assistance and governing terms and conditions of assistance shall 3227

hearing in connection with the action and without first issuing a 3247
proposed action under section 3745.07 of the Revised Code. 3248

(3) Each action described in divisions (P)(1)(a), (b), (c), 3249
and (d) of this section is a separate and discrete action of the 3250

concerning the specific action appealed, and the appeal shall not 3252
include issues determined under the scope of any prior action. 3253

(Q) The director may provide financial assistance for the 3254
