(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a

violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (C) of section 1547.111 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under section 1547.111 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person's opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

The whole blood, blood serum or plasma, urine, or breath withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is

watercraft-related, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

If the chemical test was administered pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them, or of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing

standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is substantially equivalent to either of those divisions, the court shall admit as prima-facie evidence a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a

notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 1547.111 of the Revised Code, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 1547.111 of the Revised Code, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate, an emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled

substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) For a fourth degree felony OVI offense for which sentence is imposed under division (G)(1) of this section, an additional community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code. If the court imposes upon the offender a community control sanction and the offender violates any condition of the community control sanction, the court may take any action prescribed in division (B) of section 2929.15 of the Revised Code relative to the offender, including imposing a prison term on the offender pursuant to that division.

(2) For a third or fourth degree felony OVI offense for which sentence is imposed under division (G)(2) of this section, an additional prison term as described in division (D)(4) of section 2929.14 of the Revised Code or a community control sanction as described in division (G)(2) of this section.

(B)(1) Except as provided in division (B)(2), (E), (F), or (G) of this section, in sentencing an offender for a felony of the fourth or fifth degree, the sentencing court shall determine whether any of the following apply:

(a) In committing the offense, the offender caused physical harm to a person.

(b) In committing the offense, the offender attempted to cause or made an actual threat of physical harm to a person with a deadly weapon.

(c) In committing the offense, the offender attempted to cause or made an actual threat of physical harm to a person, and the offender previously was convicted of an offense that caused physical harm to a person.

(d) The offender held a public office or position of trust and the offense related to that office or position; the offender's position obliged the offender to prevent the offense or to bring those committing it to justice; or the offender's professional reputation or position facilitated the offense or was likely to influence the future conduct of others.

(e) The offender committed the offense for hire or as part of an organized criminal activity.

(f) The offense is a sex offense that is a fourth or fifth degree felony violation of section 2907.03, 2907.04, 2907.05, 2907.22, 2907.31, 2907.321, 2907.322, 2907.323, or 2907.34 of the Revised Code.

(g) The offender at the time of the offense was serving, or the offender previously had served, a prison term.

(h) The offender committed the offense while under a community control sanction, while on probation, or while released from custody on a bond or personal recognizance.

(i) The offender committed the offense while in possession of a firearm.

(2)(a) If the court makes a finding described in division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this section and if the court, after considering the factors set forth in section 2929.12 of the Revised Code, finds that a prison term is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code and finds that the offender is not amenable to an available community control sanction, the court shall impose a prison term upon the offender.

(b) Except as provided in division (E), (F), or (G) of this section, if the court does not make a finding described in division (B)(1)(a), (b), (c), (d), (e), (f), (g), (h), or (i) of this section and if the court, after considering the factors set forth in section 2929.12 of the Revised Code, finds that a community control sanction or combination of community control sanctions is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code, the court shall impose a community control sanction or combination of community control sanctions upon the offender.

(C) Except as provided in division (D), (E), (F), or (G) of this section, in determining whether to impose a prison term as a sanction for a felony of the third degree or a felony drug offense that is a violation of a provision of Chapter 2925. of the Revised Code and that is specified as being subject to this division for purposes of sentencing, the sentencing court shall comply

with the purposes and principles of sentencing under section 2929.11 of the Revised Code and with section 2929.12 of the Revised Code.

(D)(1) Except as provided in division (E) or (F) of this section, for a felony of the first or second degree, for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, and for a violation of division (A)(4) or (B) of section 2907.05 of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, it is presumed that a prison term is necessary in order to comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code. Division (D)(2) of this section does not apply to a presumption established under this division for a violation of division (A)(4) of section 2907.05 of the Revised Code.

(2) Notwithstanding the presumption established under division (D)(1) of this section for the offenses listed in that division other than a violation of division (A)(4) or (B) of section 2907.05 of the Revised Code, the sentencing court may impose a community control sanction or a combination of community control sanctions instead of a prison term on an offender for a felony of the first or second degree or for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable if it makes both of the following findings:

(a) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.

(b) A community control sanction or a combination of community control sanctions would not demean the seriousness of the offense, because one or more factors under section 2929.12 of the Revised Code that indicate that the offender's conduct was less serious than conduct normally constituting the offense are applicable, and they outweigh the applicable factors under that section that indicate that the offender's conduct was more serious than conduct normally constituting the offense.

(E)(1) Except as provided in division (F) of this section, for any drug offense that is a violation of any provision of Chapter 2925. of the Revised Code and that is a felony of the third, fourth, or fifth degree, the applicability of a presumption under division (D) of this section in favor of a prison term or of division (B) or (C) of this section in determining whether

to impose a prison term for the offense shall be determined as specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the Revised Code, whichever is applicable regarding the violation.

(2) If an offender who was convicted of or pleaded guilty to a felony violates the conditions of a community control sanction imposed for the offense solely by reason of producing positive results on a drug test, the court, as punishment for the violation of the sanction, shall not order that the offender be imprisoned unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the felony to participate in a drug treatment program, in a drug education program, or in narcotics anonymous or a similar program, and the offender continued to use illegal drugs after a reasonable period of participation in the program.

(b) The imprisonment of the offender for the violation is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code.

(3) A court that sentences an offender for a drug abuse offense that is a felony of the third, fourth, or fifth degree may require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes treatment and recovery support services authorized by section 3793.02 of the Revised Code. If the court imposes treatment and recovery support services as a community control sanction, the court shall direct the level and type of treatment and recovery support services after considering the assessment and recommendation of treatment and recovery support services providers.

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20 or 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses:

(1) Aggravated murder when death is not imposed or murder;

(2) Any rape, regardless of whether force was involved and regardless of the age of the victim, or an attempt to commit rape if, had the offender

completed the rape that was attempted, the offender would have been guilty of a violation of division (A)(1)(b) of section 2907.02 of the Revised Code and would be sentenced under section 2971.03 of the Revised Code;

(3) Gross sexual imposition or sexual battery, if the victim is less than thirteen years of age and if any of the following applies:

(a) Regarding gross sexual imposition, the offender previously was convicted of or pleaded guilty to rape, the former offense of felonious sexual penetration, gross sexual imposition, or sexual battery, and the victim of the previous offense was less than thirteen years of age;

(b) Regarding gross sexual imposition, the offense was committed on or after August 3, 2006, and evidence other than the testimony of the victim was admitted in the case corroborating the violation.

(c) Regarding sexual battery, either of the following applies:

(i) The offense was committed prior to August 3, 2006, the offender previously was convicted of or pleaded guilty to rape, the former offense of felonious sexual penetration, or sexual battery, and the victim of the previous offense was less than thirteen years of age.

(ii) The offense was committed on or after August 3, 2006.

(4) A felony violation of section 2903.04, 2903.06, 2903.08, 2903.11, 2903.12, 2903.13, or 2907.07 of the Revised Code if the section requires the imposition of a prison term;

(5) A first, second, or third degree felony drug offense for which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 4729.99 of the Revised Code, whichever is applicable regarding the violation, requires the imposition of a mandatory prison term;

(6) Any offense that is a first or second degree felony and that is not set forth in division (F)(1), (2), (3), or (4) of this section, if the offender previously was convicted of or pleaded guilty to aggravated murder, murder, any first or second degree felony, or an offense under an existing or former law of this state, another state, or the United States that is or was substantially equivalent to one of those offenses;

(7) Any offense that is a third degree felony and either is a violation of section 2903.04 of the Revised Code or an attempt to commit a felony of the second degree that is an offense of violence and involved an attempt to cause serious physical harm to a person or that resulted in serious physical harm to a person if the offender previously was convicted of or pleaded guilty to any of the following offenses:

(a) Aggravated murder, murder, involuntary manslaughter, rape, felonious sexual penetration as it existed under section 2907.12 of the

Revised Code prior to September 3, 1996, a felony of the first or second degree that resulted in the death of a person or in physical harm to a person, or complicity in or an attempt to commit any of those offenses;

(b) An offense under an existing or former law of this state, another state, or the United States that is or was substantially equivalent to an offense listed in division (F)(7)(a) of this section that resulted in the death of a person or in physical harm to a person.

(8) Any offense, other than a violation of section 2923.12 of the Revised Code, that is a felony, if the offender had a firearm on or about the offender's person or under the offender's control while committing the felony, with respect to a portion of the sentence imposed pursuant to division (D)(1)(a) of section 2929.14 of the Revised Code for having the firearm;

(9) Any offense of violence that is a felony, if the offender wore or carried body armor while committing the felony offense of violence, with respect to the portion of the sentence imposed pursuant to division (D)(1)(d) of section 2929.14 of the Revised Code for wearing or carrying the body armor;

(10) Corrupt activity in violation of section 2923.32 of the Revised Code when the most serious offense in the pattern of corrupt activity that is the basis of the offense is a felony of the first degree;

(11) Any violent sex offense or designated homicide, assault, or kidnapping offense if, in relation to that offense, the offender is adjudicated a sexually violent predator;

(12) A violation of division (A)(1) or (2) of section 2921.36 of the Revised Code, or a violation of division (C) of that section involving an item listed in division (A)(1) or (2) of that section, if the offender is an officer or employee of the department of rehabilitation and correction;

(13) A violation of division (A)(1) or (2) of section 2903.06 of the Revised Code if the victim of the offense is a peace officer, as defined in section 2935.01 of the Revised Code, or an investigator of the bureau of criminal identification and investigation, as defined in section 2903.11 of the Revised Code, with respect to the portion of the sentence imposed pursuant to division (D)(5) of section 2929.14 of the Revised Code;

(17) A felony violation of division (A) or (B) of section 2919.25 of the Revised Code if division (D)(3), (4), or (5) of that section, and division ~~(A)~~(D)(6) of that section, require the imposition of a prison term;

(18) A felony violation of section 2903.11, 2903.12, or 2903.13 of the Revised Code, if the victim of the offense was a woman that the offender knew was pregnant at the time of the violation, with respect to a portion of the sentence imposed pursuant to division (D)(8) of section 2929.14 of the Revised Code.

(G) Notwithstanding divisions (A) to (E) of this section, if an offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, the court shall impose upon the offender a mandatory term of local incarceration or a mandatory prison term in accordance with the following:

(1) If the offender is being sentenced for a fourth degree felony OVI offense and if the offender has not been convicted of and has not pleaded guilty to a specification of the type described in section 2941.1413 of the Revised Code, the court may impose upon the offender a mandatory term of local incarceration of sixty days or one hundred twenty days as specified in division (G)(1)(d) of section 4511.19 of the Revised Code. The court shall not reduce the term pursuant to section 2929.20, 2967.193, or any other provision of the Revised Code. The court that imposes a mandatory term of local incarceration under this division shall specify whether the term is to be served in a jail, a community-based correctional facility, a halfway house, or an alternative residential facility, and the offender shall serve the term in the type of facility specified by the court. A mandatory term of local incarceration imposed under division (G)(1) of this section is not subject to any other Revised Code provision that pertains to a prison term except as

provided in division (A)(1) of this section.

(2) If the offender is being sentenced for a third degree felony OVI offense, or if the offender is being sentenced for a fourth degree felony OVI offense and the court does not impose a mandatory term of local incarceration under division (G)(1) of this section, the court shall impose upon the offender a mandatory prison term of one, two, three, four, or five years if the offender also is convicted of or also pleads guilty to a specification of the type described in section 2941.1413 of the Revised Code or shall impose upon the offender a mandatory prison term of sixty days or one hundred twenty days as specified in division (G)(1)(d) or (e) of section 4511.19 of the Revised Code if the offender has not been convicted of and has not pleaded guilty to a specification of that type. The court shall not reduce the term pursuant to section 2929.20, 2967.193, or any other provision of the Revised Code. The offender shall serve the one-, two-, three-, four-, or five-year mandatory prison term consecutively to and prior to the prison term imposed for the underlying offense and consecutively to any other mandatory prison term imposed in relation to the offense. In no case shall an offender who once has been sentenced to a mandatory term of local incarceration pursuant to division (G)(1) of this section for a fourth degree felony OVI offense be sentenced to another mandatory term of local incarceration under that division for any violation of division (A) of section 4511.19 of the Revised Code. In addition to the mandatory prison term described in division (G)(2) of this section, the court may sentence the offender to a community control sanction under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve the prison term prior to serving the community control sanction. The department of rehabilitation and correction may place an offender sentenced to a mandatory prison term under this division in an intensive program prison established pursuant to section 5120.033 of the Revised Code if the department gave the sentencing judge prior notice of its intent to place the offender in an intensive program prison established under that section and if the judge did not notify the department that the judge disapproved the placement. Upon the establishment of the initial intensive program prison pursuant to section 5120.033 of the Revised Code that is privately operated and managed by a contractor pursuant to a contract entered into under section 9.06 of the Revised Code, both of the following apply:

(a) The department of rehabilitation and correction shall make a reasonable effort to ensure that a sufficient number of offenders sentenced to a mandatory prison term under this division are placed in the privately operated and managed prison so that the privately operated and managed

prison has full occupancy.

(b) Unless the privately operated and managed prison has full occupancy, the department of rehabilitation and correction shall not place any offender sentenced to a mandatory prison term under this division in any intensive program prison established pursuant to section 5120.033 of the Revised Code other than the privately operated and managed prison.

(H) If an offender is being sentenced for a sexually oriented offense or child-victim oriented offense that is a felony committed on or after January 1, 1997, the judge shall require the offender to submit to a DNA specimen collection procedure pursuant to section 2901.07 of the Revised Code.

(I) If an offender is being sentenced for a sexually oriented offense or a child-victim oriented offense committed on or after January 1, 1997, the judge shall include in the sentence a summary of the offender's duties imposed under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and the duration of the duties. The judge shall inform the offender, at the time of sentencing, of those duties and of their duration. If required under division (A)(2) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that section, or, if required under division (A)(6) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that division.

(J)(1) Except as provided in division (J)(2) of this section, when considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit an offense in violation of section 2923.02 of the Revised Code, the sentencing court shall consider the factors applicable to the felony category of the violation of section 2923.02 of the Revised Code instead of the factors applicable to the felony category of the offense attempted.

(2) When considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section, "drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

(L) At the time of sentencing an offender for any sexually oriented offense, if the offender is a tier III sex offender/child-victim offender

relative to that offense and the offender does not serve a prison term or jail term, the court may require that the offender be monitored by means of a global positioning device. If the court requires such monitoring, the cost of monitoring shall be borne by the offender. If the offender is indigent, the cost of compliance shall be paid by the crime victims reparations fund.

(ii) Submits a written request for retention of evidence to the governmental evidence-retention entity that provided notice of its intent to destroy evidence under division (B)(5)(b) of this section.

(6) Except as otherwise provided in division (B)(7) of this section, if, after providing notice under division (B)(5)(b) of this section of its intent to destroy evidence, a governmental evidence-retention entity receives a written request for retention of the evidence from any person to whom the notice is provided, the governmental evidence-retention entity shall retain the evidence while the person referred to in division (B)(5)(b)(i) of this section remains in custody, incarcerated, in a department of youth services institution or other juvenile facility, under a community control sanction, under any order of disposition, on probation or parole, under judicial release or supervised release, under post-release control, involved in civil litigation, or subject to registration and other duties imposed for that offense or act under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code as a result of a criminal conviction, delinquency adjudication, or commitment related to the evidence in question.

(7) A governmental evidence-retention entity that possesses biological evidence that includes biological material may destroy the evidence five years after a person pleads guilty or no contest to a violation of section 2903.01, 2903.02, or 2903.03, a violation of 2903.04 or 2903.06 that is a felony of the first or second degree, a violation of section 2907.02, 2907.03, division (A)(4) or (B) of section 2907.05, or an attempt to commit a violation of section 2907.02 of the Revised Code and all appeals have been exhausted unless, upon a motion to the court by the person who pleaded guilty or no contest or the person's attorney and notice to those persons described in division (B)(5)(b) of this section requesting that the evidence not be destroyed, the court finds good cause as to why that evidence must be retained.

(8) A governmental evidence-retention entity shall not be required to preserve physical evidence pursuant to this section that is of such a size, bulk, or physical character as to render retention impracticable. When retention of physical evidence that otherwise would be required to be retained pursuant to this section is impracticable as described in this division, the governmental evidence-retention entity that otherwise would be required to retain the physical evidence shall remove and preserve portions of the material evidence likely to contain biological evidence related to the offense, in a quantity sufficient to permit future DNA testing before returning or disposing of that physical evidence.

(C)(1) The preservation of biological evidence task force established

within the bureau of criminal identification and investigation under section 109.561 of the Revised Code shall establish a system regarding the proper preservation of biological evidence in this state. In establishing the system, the task force shall do all of the following:

(b) Recommend practices, protocols, models, and resources for the cataloguing and accessibility of preserved biological evidence already in the possession of governmental evidence-retention entities.

Sec. 4506.17. (A) Any person who holds a commercial driver's license or operates a commercial motor vehicle requiring a commercial driver's license within this state shall be deemed to have given consent to a test or tests of the person's whole blood, blood serum or plasma, breath, or urine for the purpose of determining the person's alcohol concentration or the presence of any controlled substance or a metabolite of a controlled substance.

(B) A test or tests as provided in division (A) of this section may be administered at the direction of a peace officer having reasonable ground to stop or detain the person and, after investigating the circumstances surrounding the operation of the commercial motor vehicle, also having reasonable ground to believe the person was driving the commercial vehicle while having a measurable or detectable amount of alcohol or of a controlled substance or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine. Any such test shall be given within two hours of the time of the alleged violation.

(C) A person requested to submit to a test under division (A) of this section shall be advised by the peace officer requesting the test that a refusal to submit to the test will result in the person immediately being placed out-of-service for a period of twenty-four hours and being disqualified from operating a commercial motor vehicle for a period of not less than one year, and that the person is required to surrender the person's commercial driver's license to the peace officer.

(D) If a person refuses to submit to a test after being warned as provided in division (C) of this section or submits to a test that discloses the presence of a controlled substance or a metabolite of a controlled substance, an alcohol concentration of four-hundredths of one per cent or more by whole blood or breath, an alcohol concentration of forty-eight-thousandths of one per cent or more by blood serum or blood plasma, or an alcohol concentration of fifty-six-thousandths of one per cent or more by urine, the person immediately shall surrender the person's commercial driver's license to the peace officer. The peace officer shall forward the license, together with a sworn report, to the registrar of motor vehicles certifying that the test was requested pursuant to division (A) of this section and that the person either refused to submit to testing or submitted to a test that disclosed the presence of a controlled substance or a metabolite of a controlled substance or a prohibited alcohol concentration. The form and contents of the report required by this section shall be established by the registrar by rule, but shall contain the advice to be read to the driver and a statement to be signed by the driver acknowledging that the driver has been read the advice and that the form was shown to the driver.

(E) Upon receipt of a sworn report from a peace officer as provided in division (D) of this section, the registrar shall disqualify the person named in the report from driving a commercial motor vehicle for the period described below:

(1) Upon a first incident, one year;

(2) Upon an incident of refusal or of a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance after one or more previous incidents of either refusal or of a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance, the person shall be disqualified for life or such lesser period as prescribed by rule by the registrar.

(F) A test of a person's whole blood or a person's blood serum or plasma given under this section shall comply with the applicable provisions of division (D) of section 4511.19 of the Revised Code and any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws whole blood or blood serum or plasma from a person under this section, and any hospital, first-aid station, clinic, or other facility at which whole blood or blood serum or plasma is withdrawn from a person pursuant to this section, is immune from criminal liability, and from civil liability that is based upon a claim of assault and battery or based upon any other claim of malpractice, for any act performed in withdrawing whole

blood or blood serum or plasma from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section.

(G) When a person submits to a test under this section, the results of the test, at the person's request, shall be made available to the person, the person's attorney, or the person's agent, immediately upon completion of the chemical test analysis. The person also may have an additional test administered by a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing as provided in division (D) of section 4511.19 of the Revised Code for tests administered under that section, and the failure to obtain such a test has the same effect as in that division.

(H) No person shall refuse to immediately surrender the person's commercial driver's license to a peace officer when required to do so by this section.

(I) A peace officer issuing an out-of-service order or receiving a commercial driver's license surrendered under this section may remove or arrange for the removal of any commercial motor vehicle affected by the issuance of that order or the surrender of that license.

(J)(1) Except for civil actions arising out of the operation of a motor vehicle and civil actions in which the state is a plaintiff, no peace officer of any law enforcement agency within this state is liable in compensatory damages in any civil action that arises under the Revised Code or common law of this state for an injury, death, or loss to person or property caused in the performance of official duties under this section and rules adopted under this section, unless the officer's actions were manifestly outside the scope of the officer's employment or official responsibilities, or unless the officer acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(2) Except for civil actions that arise out of the operation of a motor vehicle and civil actions in which the state is a plaintiff, no peace officer of any law enforcement agency within this state is liable in punitive or exemplary damages in any civil action that arises under the Revised Code or common law of this state for any injury, death, or loss to person or property caused in the performance of official duties under this section of the Revised Code and rules adopted under this section, unless the officer's actions were manifestly outside the scope of the officer's employment or official responsibilities, or unless the officer acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(K) When disqualifying a driver, the registrar shall cause the records of the bureau of motor vehicles to be updated to reflect the disqualification within ten days after it occurs.

(L) The registrar immediately shall notify a driver who is subject to disqualification of the disqualification, of the length of the disqualification, and that the driver may request a hearing within thirty days of the mailing of the notice to show cause why the driver should not be disqualified from operating a commercial motor vehicle. If a request for such a hearing is not made within thirty days of the mailing of the notice, the order of disqualification is final. The registrar may designate hearing examiners who, after affording all parties reasonable notice, shall conduct a hearing to determine whether the disqualification order is supported by reliable evidence. The registrar shall adopt rules to implement this division.

(M) Any person who is disqualified from operating a commercial motor vehicle under this section may apply to the registrar for a driver's license to operate a motor vehicle other than a commercial motor vehicle, provided the person's commercial driver's license is not otherwise suspended. A person whose commercial driver's license is suspended shall not apply to the registrar for or receive a driver's license under Chapter 4507. of the Revised Code during the period of suspension.

(N) Whoever violates division (H) of this section is guilty of a misdemeanor of the first degree.

(O) As used in this section, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(a) of this section or for an equivalent offense that is vehicle-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is vehicle-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (A) of section 4511.192 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, or other bodily substance test at the request of a law enforcement officer under section 4511.191 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw a blood sample for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this

division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(c) As used in division (D)(1)(b) of this section, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is vehicle-related, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and (e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

If the chemical test was obtained pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. If the person was under arrest as described in division (A)(5) of section 4511.191 of the Revised Code, the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. If the person was under arrest other than described in division (A)(5) of section 4511.191 of the Revised Code, the form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in

this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person

pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

As used in this division, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory jail term of three consecutive days. As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 3793.10 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised

Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 3793.10 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.
