that when the unexpired term ends within one year immediately 93
following the date of such general election, an election to fill 94
such unexpired term shall not be held and the appointment shall be 95
for such unexpired term. 96

(B) When an elective office becomes vacant and is filled by 97
appointment, the appointing authority shall, immediately but no 98

division. 157

professional engineer, or other person experienced in the design 278
and implementation of energy conservation measures for an analysis 279
and recommendations pertaining to installations, modifications of 280
installations, or remodeling that would significantly reduce 281
energy consumption in buildings owned by the district. The report 282
shall include estimates of all costs of such installations, 283
modifications, or remodeling, including costs of design, 284
engineering, installation, maintenance, repairs, and debt service, 285
and estimates of the amounts by which energy consumption and 286
resultant operational and maintenance costs, as defined by the 287
Ohio school facilities commission, would be reduced. 288

If the board finds after receiving the report that the amount 289
of money the district would spend on such installations, 290
modifications, or remodeling is not likely to exceed the amount of 291
money it would save in energy and resultant operational and 292
maintenance costs over the ensuing fifteen years, the board may 293
submit to the commission a copy of its findings and a request for 294
approval to incur indebtedness to finance the making or 295
modification of installations or the remodeling of buildings for 296
the purpose of significantly reducing energy consumption. 297

If the commission determines that the board's findings are 298
reasonable, it shall approve the board's request. Upon receipt of 299

the commission's approval, the district may issue securities 300
without a vote of the electors in a principal amount not to exceed 301
nine-tenths of one per cent of its tax valuation for the purpose 302
of making such installations, modifications, or remodeling, but 303
the total net indebtedness of the district without a vote of the 304
electors incurred under this and all other sections of the Revised 305
Code, except section 3318.052 of the Revised Code, shall not 306
exceed one per cent of the district's tax valuation. 307

So long as any securities issued under division (G) of this 308
section remain outstanding, the board of education shall monitor 309
the energy consumption and resultant operational and maintenance 310
costs of buildings in which installations or modifications have 311
been made or remodeling has been done pursuant to division (G) of 312
this section and shall maintain and annually update a report 313
documenting the reductions in energy consumption and resultant 314
operational and maintenance cost savings attributable to such 315
installations, modifications, or remodeling. The report shall be 316
certified by an architect or engineer independent of any person 317
that provided goods or services to the board in connection with 318
the energy conservation measures that are the subject of the 319
report. The resultant operational and maintenance cost savings 320
shall be certified by the school district treasurer. The report 321
shall be made available to the commission upon request. 322

(H) With the consent of the superintendent of public 323
instruction, a school district may incur without a vote of the 324
electors net indebtedness that exceeds the amounts stated in 325
divisions (A) and (G) of this section for the purpose of paying 326
costs of permanent improvements, if and to the extent that both of 327
the following conditions are satisfied: 328

(1) The fiscal officer of the school district estimates that 329
receipts of the school district from payments made under or 330
pursuant to agreements entered into pursuant to section 725.02, 331

1728.10, 3735.671, 5709.081, 5709.082, 5709.40, 5709.41, 5709.62, 332
5709.63, 5709.632, 5709.73, 5709.78, or 5709.82 of the Revised 333
Code, or distributions under division (C) of section 5709.43 of 334
the Revised Code, or any combination thereof, are, after 335
accounting for any appropriate coverage requirements, sufficient 336
in time and amount, and are committed by the proceedings, to pay 337
the debt charges on the securities issued to evidence that 338
indebtedness and payable from those receipts, and the taxing 339
authority of the district confirms the fiscal officer's estimate, 340
which confirmation is approved by the superintendent of public 341
instruction; 342

(2) The fiscal officer of the school district certifies, and 343
the taxing authority of the district confirms, that the district, 344
at the time of the certification and confirmation, reasonably 345
expects to have sufficient revenue available for the purpose of 346
operating such permanent improvements for their intended purpose 347
upon acquisition or completion thereof, and the superintendent of 348
public instruction approves the taxing authority's confirmation. 349

The maximum maturity of securities issued under division (H) 350
of this section shall be the lesser of twenty years or the maximum 351
maturity calculated under section 133.20 of the Revised Code. 352

(I) A school district may incur net indebtedness by the 353
issuance of securities in accordance with the provisions of this 354
chapter in excess of the limit specified in division (B) or (C) of 355
this section when necessary to raise the school district portion 356
of the basic project cost and any additional funds necessary to 357
participate in a project under Chapter 3318. of the Revised Code, 358
including the cost of items designated by the Ohio school 359
facilities commission as required locally funded initiatives and 360
the cost for site acquisition. The school facilities commission 361
shall notify the superintendent of public instruction whenever a 362
school district will exceed either limit pursuant to this 363

division. 364

(J) A school district whose portion of the basic project cost 365
of its classroom facilities project under sections 3318.01 to 366
3318.20 of the Revised Code is greater than or equal to one 367
hundred million dollars may incur without a vote of the electors 368
net indebtedness in an amount up to two per cent of its tax 369
valuation through the issuance of general obligation securities in 370
order to generate all or part of the amount of its portion of the 371
basic project cost if the controlling board has approved the 372
school facilities commission's conditional approval of the project 373
under section 3318.04 of the Revised Code. The school district 374
board and the Ohio school facilities commission shall include the 375
dedication of the proceeds of such securities in the agreement 376
entered into under section 3318.08 of the Revised Code. No state 377
moneys shall be released for a project to which this section 378
applies until the proceeds of any bonds issued under this section 379
that are dedicated for the payment of the school district portion 380
of the project are first deposited into the school district's 381
project construction fund. 382

Sec. 133.18. (A) The taxing authority of a subdivision may by 383
legislation submit to the electors of the subdivision the question 384
of issuing any general obligation bonds, for one purpose, that the 385
subdivision has power or authority to issue. 386

(B) When the taxing authority of a subdivision desires or is 387
required by law to submit the question of a bond issue to the 388
electors, it shall pass legislation that does all of the 389
following: 390

(1) Declares the necessity and purpose of the bond issue; 391

(2) States the date of the authorized election at which the 392
question shall be submitted to the electors; 393

(3) States the amount, approximate date, estimated net average rate of interest, and maximum number of years over which the principal of the bonds may be paid;

(4) Declares the necessity of levying a tax outside the tax limitation to pay the debt charges on the bonds and any anticipatory securities.

The estimated net average interest rate shall be determined by the taxing authority based on, among other factors, then existing market conditions, and may reflect adjustments for any anticipated direct payments expected to be received by the taxing authority from the government of the United States relating to the bonds and the effect of any federal tax credits anticipated to be available to owners of all or a portion of the bonds. The estimated net average rate of interest, and any statutory or charter limit on interest rates that may then be in effect and that is subsequently amended, shall not be a limitation on the actual interest rate or rates on the securities when issued.

(C)(1) The taxing authority shall certify a copy of the legislation passed under division (B) of this section to the county auditor. The county auditor shall promptly calculate and advise and, not later than ~~seventy-five~~ ninety days before the election, confirm that advice by certification to, the taxing authority the estimated average annual property tax levy, expressed in cents or dollars and cents for each one hundred dollars of tax valuation and in mills for each one dollar of tax valuation, that the county auditor estimates to be required throughout the stated maturity of the bonds to pay the debt charges on the bonds. In calculating the estimated average annual property tax levy for this purpose, the county auditor shall assume that the bonds are issued in one series bearing interest and maturing in substantially equal principal amounts in each year over the maximum number of years over which the principal of the

bonds may be paid as stated in that legislation, and that the 426
amount of the tax valuation of the subdivision for the current 427
year remains the same throughout the maturity of the bonds, except 428
as otherwise provided in division (C)(2) of this section. If the 429
tax valuation for the current year is not determined, the county 430
auditor shall base the calculation on the estimated amount of the 431
tax valuation submitted by the county auditor to the county budget 432
commission. If the subdivision is located in more than one county, 433
the county auditor shall obtain the assistance of the county 434
auditors of the other counties, and those county auditors shall 435
provide assistance, in establishing the tax valuation of the 436
subdivision for purposes of certifying the estimated average 437
annual property tax levy. 438

(2) When considering the tangible personal property component 439
of the tax valuation of the subdivision, the county auditor shall 440
take into account the assessment percentages prescribed in section 441
5711.22 of the Revised Code. The tax commissioner may issue rules, 442
orders, or instructions directing how the assessment percentages 443
must be utilized. 444

(D) After receiving the county auditor's advice under 445
division (C) of this section, the taxing authority by legislation 446
may determine to proceed with submitting the question of the issue 447
of securities, and shall, not later than the ~~seventy-fifth~~ 448
ninetieth day before the day of the election, file the following 449
with the board of elections: 450

(1) Copies of the legislation provided for in divisions (B) 451
and (D) of this section; 452

(2) The amount of the estimated average annual property tax 453
levy, expressed in cents or dollars and cents for each one hundred 454
dollars of tax valuation and in mills for each one dollar of tax 455
valuation, as estimated and certified to the taxing authority by 456
the county auditor. 457

(E)(1) The board of elections shall prepare the ballots and 458
make other necessary arrangements for the submission of the 459
question to the electors of the subdivision. If the subdivision is 460
located in more than one county, the board shall inform the boards 461
of elections of the other counties of the filings with it, and 462
those other boards shall if appropriate make the other necessary 463
arrangements for the election in their counties. The election 464
shall be conducted, canvassed, and certified in the manner 465
provided in Title XXXV of the Revised Code. 466

(2) The election shall be held at the regular places for 467
voting in the subdivision. If the electors of only a part of a 468
precinct are qualified to vote at the election the board of 469
elections may assign the electors in that part to an adjoining 470
precinct, including an adjoining precinct in another county if the 471
board of elections of the other county consents to and approves 472
the assignment. Each elector so assigned shall be notified of that 473
fact prior to the election by notice mailed by the board of 474
elections, in such manner as it determines, prior to the election. 475

(3) The board of elections shall publish a notice of the 476
election, in one or more newspapers of general circulation in the 477
subdivision, at least once no later than ten days prior to the 478
election. The notice shall state all of the following: 479

(a) The principal amount of the proposed bond issue; 480

(b) The stated purpose for which the bonds are to be issued; 481

(c) The maximum number of years over which the principal of 482
the bonds may be paid; 483

(d) The estimated additional average annual property tax 484
levy, expressed in cents or dollars and cents for each one hundred 485
dollars of tax valuation and in mills for each one dollar of tax 486
valuation, to be levied outside the tax limitation, as estimated 487
and certified to the taxing authority by the county auditor; 488

(e) The first calendar year in which the tax is expected to be due. 489
 490

(F)(1) The form of the ballot to be used at the election shall be substantially either of the following, as applicable: 491
 492

(a) "Shall bonds be issued by the (name of subdivision) for the purpose of (purpose of the bond issue) in the principal amount of (principal amount of the bond issue), to be repaid annually over a maximum period of (the maximum number of years over which the principal of the bonds may be paid) years, and an annual levy of property taxes be made outside the (as applicable, "ten-mill" or "...charter tax") limitation, estimated by the county auditor to average over the repayment period of the bond issue (number of mills) mills for each one dollar of tax valuation, which amounts to (rate expressed in cents or dollars and cents, such as "36 cents" or "\$1.41") for each one hundred dollars of tax valuation, commencing in (first year the tax will be levied), first due in calendar year (first calendar year in which the tax shall be due), to pay the annual debt charges on the bonds, and to pay debt charges on any notes issued in anticipation of those bonds? 493

(2) The purpose for which the bonds are to be issued shall be 538
printed in the space indicated, in boldface type. 539
(G) The board of elections shall promptly certify the results 540
of the election to the tax commissioner, the county auditor of 541
each county in which any part of the subdivision is located, and 542
the fiscal officer of the subdivision. The election, including the 543
proceedings for and result of the election, is incontestable other 544
than in a contest filed under section 3515.09 of the Revised Code 545
in which the plaintiff prevails. 546
(H) If a majority of the electors voting upon the question 547
vote for it, the taxing authority of the subdivision may proceed 548
under sections 133.21 to 133.33 of the Revised Code with the 549
issuance of the securities and with the levy and collection of a 550

property tax outside the tax limitation during the period the 551
securities are outstanding sufficient in amount to pay the debt 552
charges on the securities, including debt charges on any 553
anticipatory securities required to be paid from that tax. If 554
legislation passed under section 133.22 or 133.23 of the Revised 555
Code authorizing those securities is filed with the county auditor 556
on or before the last day of November, the amount of the voted 557
property tax levy required to pay debt charges or estimated debt 558
charges on the securities payable in the following year shall if 559
requested by the taxing authority be included in the taxes levied 560
for collection in the following year under section 319.30 of the 561
Revised Code. 562

(I)(1) If, before any securities authorized at an election 563
under this section are issued, the net indebtedness of the 564
subdivision exceeds that applicable to that subdivision or those 565
securities, then and so long as that is the case none of the 566
securities may be issued. 567

(2) No securities authorized at an election under this 568
section may be initially issued after the first day of the sixth 569
January following the election, but this period of limitation 570
shall not run for any time during which any part of the permanent 571
improvement for which the securities have been authorized, or the 572
issuing or validity of any part of the securities issued or to be 573
issued, or the related proceedings, is involved or questioned 574
before a court or a commission or other tribunal, administrative 575
agency, or board. 576

(3) Securities representing a portion of the amount 577
authorized at an election that are issued within the applicable 578
limitation on net indebtedness are valid and in no manner affected 579
by the fact that the balance of the securities authorized cannot 580
be issued by reason of the net indebtedness limitation or lapse of 581
time. 582

(4) Nothing in this division (I) shall be interpreted or 583
applied to prevent the issuance of securities in an amount to fund 584
or refund anticipatory securities lawfully issued. 585

(5) The limitations of divisions (I)(1) and (2) of this 586
section do not apply to any securities authorized at an election 587
under this section if at least ten per cent of the principal 588
amount of the securities, including anticipatory securities, 589
authorized has theretofore been issued, or if the securities are 590
to be issued for the purpose of participating in any federally or 591
state-assisted program. 592

(6) The certificate of the fiscal officer of the subdivision 593
is conclusive proof of the facts referred to in this division. 594

Sec. 302.03. (A) The board of county commissioners of any 595
county may, by a two-thirds vote of the board, or shall, upon 596
petition by three per cent of the electors of the county as 597
determined by the number of votes cast therein for the office of 598
governor at the most recent gubernatorial election, by resolution, 599
cause the board of elections in the county to submit to the 600
electors of the county the question of adopting one of the 601
alternative forms of county government authorized by sections 602
302.01 to 302.24 of the Revised Code. The question shall be voted 603
upon at the next general election occurring not less than 604
~~seventy five~~ ninety days after the certification of the resolution 605
to the board of elections. 606

(B) If, in any county, a resolution is adopted by the board 607
of county commissioners requiring that the question of choosing a 608
commission to frame a county charter be submitted to the electors 609
thereof prior to the resolution provided for in this section, the 610
proposition to adopt an alternative form of county government 611
provided in sections 302.01 to 302.24 of the Revised Code, shall 612
not be submitted in that county as long as the question of 613

choosing such commission or of adopting a charter framed by such 614
commission is pending therein. 615

(C) Any proposition for an alternative form of county 616
government shall specify the number of members of the board of 617
county commissioners, how many shall be elected at large, or how 618
many shall be elected by districts. 619

Sec. 302.09. When a vacancy occurs in the board of county 620
commissioners or in the office of county auditor, county 621
treasurer, prosecuting attorney, clerk of the court of common 622
pleas, sheriff, county recorder, county engineer, or coroner more 623
than ~~forty~~ fifty days before the next general election for state 624
and county officers, the vacancy shall be filled as provided for 625
in divisions (A) and (B) of section 305.02 of the Revised Code. 626

Sec. 303.11. If the zoning resolution is adopted by the board 627
of county commissioners, such board shall cause the question of 628
whether or not the proposed plan of zoning shall be put into 629
effect to be submitted to the electors residing in the 630
unincorporated area of the county included in the proposed plan of 631
zoning for their approval or rejection at the next primary or 632
general election, or a special election may be called for this 633
purpose. Such resolution shall be filed with the board of 634
elections not later than four p.m. on the ~~seventy-fifth~~ ninetieth 635
day before the day of the election. No zoning regulations shall be 636
put into effect in any township, unless a majority of the vote 637
cast on the issue in that township is in favor of the proposed 638
plan of zoning. Upon certification by the board of elections the 639
resolution shall take immediate effect in all townships which 640
voted approval, eliminating from the plan any township which did 641
not vote approval. 642

Within five working days after the resolution's effective 643

date, the board of county commissioners shall file it, including 644
text and maps, in the office of the county recorder. The board 645
shall also file duplicates of the same documents with the regional 646
or county planning commission, if one exists, within the same 647
period. 648

The board shall file all resolutions, including text and 649
maps, that are in effect on January 1, 1992, in the office of the 650
county recorder within thirty working days after that date. The 651
board shall also file duplicates of the same documents with the 652
regional or county planning commission, if one exists, within the 653
same period. 654

The failure to file a resolution, or any text and maps, or 655
duplicates of any of these documents, with the office of the 656
county recorder or the county or regional planning commission as 657
required by this section does not invalidate the resolution and is 658
not grounds for an appeal of any decision of the board of zoning 659
appeals. 660

Sec. 303.12. (A)(1) Amendments to the zoning resolution may 661
be initiated by motion of the county rural zoning commission, by 662
the passage of a resolution by the board of county commissioners, 663
or by the filing of an application by one or more of the owners or 664
lessees of property within the area proposed to be changed or 665
affected by the proposed amendment with the county rural zoning 666
commission. The board of county commissioners may require that the 667
owner or lessee of property filing an application to amend the 668
zoning resolution pay a fee to defray the cost of advertising, 669
mailing, filing with the county recorder, and other expenses. If 670
the board of county commissioners requires such a fee, it shall be 671
required generally, for each application. The board of county 672
commissioners, upon the passage of such a resolution, shall 673
certify it to the county rural zoning commission. 674

(2) Upon the adoption of a motion by the county rural zoning commission, the certification of a resolution by the board of county commissioners to the commission, or the filing of an application by property owners or lessees as described in division (A)(1) of this section with the commission, the commission shall set a date for a public hearing, which date shall not be less than twenty nor more than forty days from the date of adoption of such a motion, the date of the certification of such a resolution, or the date of the filing of such an application. Notice of the hearing shall be given by the commission by one publication in one or more newspapers of general circulation in each township affected by the proposed amendment at least ten days before the date of the hearing.

(B) If the proposed amendment intends to rezone or redistrict ten or fewer parcels of land, as listed on the county auditor's current tax list, written notice of the hearing shall be mailed by the county rural zoning commission, by first class mail, at least ten days before the date of the public hearing to all owners of property within and contiguous to and directly across the street from the area proposed to be rezoned or redistricted to the addresses of those owners appearing on the county auditor's current tax list. The failure of delivery of that notice shall not invalidate any such amendment.

(C) If the proposed amendment intends to rezone or redistrict ten or fewer parcels of land as listed on the county auditor's current tax list, the published and mailed notices shall set forth the time, date, and place of the public hearing and include all of the following:

(1) The name of the county rural zoning commission that will be conducting the hearing;

(2) A statement indicating that the motion, resolution, or application is an amendment to the zoning resolution;

(3) A list of the addresses of all properties to be rezoned 707
or redistricted by the proposed amendment and of the names of 708
owners of these properties, as they appear on the county auditor's 709
current tax list; 710

(4) The present zoning classification of property named in 711
the proposed amendment and the proposed zoning classification of 712
that property; 713

(5) The time and place where the motion, resolution, or 714
application proposing to amend the zoning resolution will be 715
available for examination for a period of at least ten days prior 716
to the hearing; 717

(6) The name of the person responsible for giving notice of 718
the public hearing by publication, by mail, or by both publication 719
and mail; 720

(7) A statement that, after the conclusion of the hearing, 721
the matter will be submitted to the board of county commissioners 722
for its action; 723

(8) Any other information requested by the commission. 724

(D) If the proposed amendment alters the text of the zoning 725
resolution, or rezones or redistricts more than ten parcels of 726
land as listed on the county auditor's current tax list, the 727
published notice shall set forth the time, date, and place of the 728
public hearing and include all of the following: 729

(1) The name of the county rural zoning commission that will 730
be conducting the hearing on the proposed amendment; 731

(2) A statement indicating that the motion, application, or 732
resolution is an amendment to the zoning resolution; 733

(3) The time and place where the text and maps of the 734
proposed amendment will be available for examination for a period 735
of at least ten days prior to the hearing; 736

(4) The name of the person responsible for giving notice of 737
the hearing by publication; 738

(5) A statement that, after the conclusion of the hearing, 739
the matter will be submitted to the board of county commissioners 740
for its action; 741

(6) Any other information requested by the commission. 742

Hearings shall be held in the county court house or in a 743
public place designated by the commission. 744

(E) Within five days after the adoption of the motion 745
described in division (A) of this section, the certification of 746
the resolution described in division (A) of this section, or the 747
filing of the application described in division (A) of this 748
section, the county rural zoning commission shall transmit a copy 749
of it together with text and map pertaining to it to the county or 750
regional planning commission, if there is such a commission. 751

The county or regional planning commission shall recommend 752
the approval or denial of the proposed amendment or the approval 753
of some modification of it and shall submit its recommendation to 754
the county rural zoning commission. The recommendation shall be 755
considered at the public hearing held by the county rural zoning 756
commission on the proposed amendment. 757

The county rural zoning commission, within thirty days after 758
the hearing, shall recommend the approval or denial of the 759
proposed amendment, or the approval of some modification of it, 760
and shall submit that recommendation together with the motion, 761
application, or resolution involved, the text and map pertaining 762
to the proposed amendment, and the recommendation of the county or 763

The proposed amendment, if adopted by the board, shall become 817
effective in thirty days after the date of its adoption, unless, 818

requesting the board to submit the amendment to the electors of 826
that area for approval or rejection at a special election to be 827
held on the day of the next primary or general election occurring 828

at least ninety days after the petition is submitted. Each part of 829
this petition shall contain the number and the full and correct 830
title, if any, of the zoning amendment resolution, motion, or 831

WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY 884
OF THE FIFTH DEGREE." 885

No amendment for which such a referendum vote has been 886
requested shall be put into effect unless a majority of the vote 887
cast on the issue is in favor of the amendment. Upon certification 888
by the board of elections that the amendment has been approved by 889
the voters, it shall take immediate effect. 890

Within five working days after an amendment's effective date, 891

the board of county commissioners shall file the text and maps of 892
the amendment in the office of the county recorder and with the 893
regional or county planning commission, if one exists. 894

The failure to file any amendment, or any text and maps, or 895
duplicates of any of these documents, with the office of the 896
county recorder or the county or regional planning commission as 897
required by this section does not invalidate the amendment and is 898
not grounds for an appeal of any decision of the board of zoning 899
appeals. 900

Sec. 303.25. In any township in which there is in force a 901
plan of county zoning, the plan may be repealed by the board of 902
county commissioners, as to such township, in the following 903
manner: 904

(A) The board may adopt a resolution upon its own initiative. 905

(B) The board shall adopt a resolution, if there is presented 906
to it a petition, similar in all relevant aspects to that 907
prescribed in section 303.12 of the Revised Code, signed by a 908
number of qualified voters residing in the unincorporated area of 909
such township included in the zoning plan equal to not less than 910
eight per cent of the total vote cast for all candidates for 911
governor in such area at the most recent general election at which 912
a governor was elected, requesting the question of whether or not 913
the plan of zoning in effect in such township shall be repealed, 914
to be submitted to the electors residing in the unincorporated 915
area of the township included in the zoning plan at a special 916
election to be held on the day of the next primary or general 917
election. The resolution adopted by the board of county 918
commissioners to cause such question to be submitted to the 919
electors shall be certified to the board of elections not later 920
than ~~seventy-five~~ ninety days prior to the day of election at 921
which the question is to be voted upon. In the event a majority of 922

the vote cast on such question in the township is in favor of 923
repeal of zoning, then such regulations shall no longer be of any 924
effect. Not more than one such election shall be held in any two 925
calendar years. 926

Sec. 305.02. (A) If a vacancy in the office of county 927
commissioner, prosecuting attorney, county auditor, county 928
treasurer, clerk of the court of common pleas, sheriff, county 929
recorder, county engineer, or coroner occurs more than ~~forty~~ fifty 930
days before the next general election for state and county 931
officers, a successor shall be elected at such election for the 932
unexpired term unless such term expires within one year 933
immediately following the date of such general election. 934

In either event, the vacancy shall be filled as provided in 935
this section and the appointee shall hold ~~his~~ office until a 936
successor is elected and qualified. 937

(B) If a vacancy occurs from any cause in any of the offices 938
named in division (A) of this section, the county central 939
committee of the political party with which the last occupant of 940
the office was affiliated shall appoint a person to hold the 941
office and to perform the duties thereof until a successor is 942
elected and has qualified, except that if such vacancy occurs 943
because of the death, resignation, or inability to take the office 944
of an officer-elect whose term has not yet begun, an appointment 945
to take such office at the beginning of the term shall be made by 946
the central committee of the political party with which such 947
officer-elect was affiliated. 948

(C) Not less than five nor more than forty-five days after a 949
vacancy occurs, the county central committee shall meet for the 950
purpose of making an appointment under this section. Not less than 951
four days before the date of such meeting the ~~chairman~~ chairperson 952
or secretary of such central committee shall send by first class 953

mail to every member of such central committee a written notice 954
which shall state the time and place of such meeting and the 955
purpose thereof. A majority of the members of the central 956
committee present at such meeting may make the appointment. 957

(D) If the last occupant of the office or the officer-elect 958
was elected as an independent candidate, the board of county 959
commissioners shall make such appointment at the time when the 960
vacancy occurs, except where the vacancy is in the office of 961
county commissioner, in which case the prosecuting attorney and 962
the remaining commissioners or a majority of them shall make the 963
appointment. 964

(E) Appointments made under this section shall be certified 965
by the appointing county central committee or by the board of 966
county commissioners to the county board of elections and to the 967
secretary of state, and the persons so appointed and certified 968
shall be entitled to all remuneration provided by law for the 969
offices to which they are appointed. 970

(F) The board of county commissioners may appoint a person to 971
hold any of the offices named in division (A) of this section as 972
an acting officer and to perform the duties thereof between the 973
occurrence of the vacancy and the time when the officer appointed 974
by the central committee qualifies and takes the office. 975

(G) A person appointed prosecuting attorney or assistant 976
prosecuting attorney shall give bond and take the oath of office 977
prescribed by section 309.03 of the Revised Code for the 978
prosecuting attorney. 979

Sec. 305.31. The procedure for submitting to a referendum a 980
resolution adopted by a board of county commissioners under 981
division (H) of section 307.695 of the Revised Code that is not 982
submitted to the electors of the county for their approval or 983
disapproval; any resolution adopted by a board of county 984

commissioners pursuant to division (D)(1) of section 307.697, 985
section 322.02, 322.06, or 324.02, sections 1515.22 and 1515.24, 986
division (B)(1) of section 4301.421, section 4504.02, 5739.021, or 987
5739.026, division (A)(6) of section 5739.09, section 5741.021 or 988
5741.023, or division (C)(1) of section 5743.024 of the Revised 989
Code; or a rule adopted pursuant to section 307.79 of the Revised 990
Code shall be as prescribed by this section. 991

Except as otherwise provided in this paragraph, when a 992
petition, signed by ten per cent of the number of electors who 993
voted for governor at the most recent general election for the 994
office of governor in the county, is filed with the county auditor 995
within thirty days after the date the resolution is passed or rule 996
is adopted by the board of county commissioners, or is filed 997
within forty-five days after the resolution is passed, in the case 998
of a resolution adopted pursuant to section 5739.021 of the 999
Revised Code that is passed within one year after a resolution 1000
adopted pursuant to that section has been rejected or repealed by 1001
the electors, requesting that the resolution be submitted to the 1002
electors of the county for their approval or rejection, the county 1003
auditor shall, after ten days following the filing of the 1004
petition, and not later than four p.m. of the ~~seventy-fifth~~ 1005
ninetieth day before the day of election, transmit a certified 1006
copy of the text of the resolution or rule to the board of 1007
elections. In the case of a petition requesting that a resolution 1008
adopted under division (D)(1) of section 307.697, division (B)(1) 1009
of section 4301.421, or division (C)(1) of section 5743.024 of the 1010
Revised Code be submitted to electors for their approval or 1011
rejection, the petition shall be signed by seven per cent of the 1012
number of electors who voted for governor at the most recent 1013
election for the office of governor in the county. The county 1014
auditor shall transmit the petition to the board together with the 1015
certified copy of the resolution or rule. The board shall examine 1016
all signatures on the petition to determine the number of electors 1017

of the county who signed the petition. The board shall return the 1018
petition to the auditor within ten days after receiving it, 1019
together with a statement attesting to the number of such electors 1020
who signed the petition. The board shall submit the resolution or 1021
rule to the electors of the county, for their approval or 1022
rejection, at the succeeding general election held in the county 1023
in any year, or on the day of the succeeding primary election held 1024
in the county in even-numbered years, occurring subsequent to 1025
~~seventy-five~~ ninety days after the auditor certifies the 1026
sufficiency and validity of the petition to the board of 1027
elections. 1028

No resolution shall go into effect until approved by the 1029
majority of those voting upon it. However, a rule shall take 1030
effect and remain in effect unless and until a majority of the 1031
electors voting on the question of repeal approve the repeal. 1032
Sections 305.31 to 305.41 of the Revised Code do not prevent a 1033
county, after the passage of any resolution or adoption of any 1034
rule, from proceeding at once to give any notice or make any 1035
publication required by the resolution or rule. 1036

The board of county commissioners shall make available to any 1037
person, upon request, a certified copy of any resolution or rule 1038
subject to the procedure for submitting a referendum under 1039
sections 305.31 to 305.42 of the Revised Code beginning on the 1040
date the resolution or rule is adopted by the board. The board may 1041
charge a fee for the cost of copying the resolution or rule. 1042

As used in this section, "certified copy" means a copy 1043
containing a written statement attesting that it is a true and 1044
exact reproduction of the original resolution or rule. 1045

Sec. 306.32. Any county, or any two or more counties, 1046
municipal corporations, or townships, or any combination of these, 1047
may create a regional transit authority by the adoption of a 1048

resolution or ordinance by the board of county commissioners of 1049
each county, the legislative authority of each municipal 1050
corporation, and the board of township trustees of each township 1051
which is to create or to join in the creation of the regional 1052
transit authority. The resolution or ordinance shall state: 1053

(A) The necessity for the creation of a regional transit 1054
authority; 1055

(B) The counties, municipal corporations, or townships which 1056
are to create or to join in the creation of the regional transit 1057
authority; 1058

(C) The official name by which the regional transit authority 1059
shall be known; 1060

(D) The place in which the principal office of the regional 1061
transit authority will be located or the manner in which it may be 1062
selected; 1063

(E) The number, term, and compensation, or method for 1064
establishing compensation, of the members of the board of trustees 1065
of the regional transit authority. Compensation shall not exceed 1066
fifty dollars for each board and committee meeting attended by a 1067
member, except that if compensation is provided annually it shall 1068
not exceed six thousand dollars for the president of the board or 1069
four thousand eight hundred dollars for each other board member. 1070

(F) The manner in which vacancies on the board of trustees of 1071
the regional transit authority shall be filled; 1072

(G) The manner and to what extent the expenses of the 1073
regional transit authority shall be apportioned among the 1074
counties, municipal corporations, and townships creating it; 1075

(H) The purposes, including the kinds of transit facilities, 1076
for which the regional transit authority is organized. 1077

The regional transit authority provided for in the resolution 1078

or ordinance shall be deemed to be created upon the adoption of 1079
the resolution or ordinance by the board of county commissioners 1080
of each county, the legislative authority of each municipal 1081
corporation, and the board of township trustees of each township 1082
enumerated in the resolution or ordinance. 1083

The resolution or ordinance creating a regional transit 1084
authority may be amended to include additional counties, municipal 1085
corporations, or townships or for any other purpose, by the 1086
adoption of the amendment by the board of county commissioners of 1087
each county, the legislative authority of each municipal 1088
corporation, and the board of township trustees of each township 1089
which has created or joined or proposes to join the regional 1090
transit authority. 1091

After each county, municipal corporation, and township which 1092
has created or joined or proposes to join the regional transit 1093
authority has adopted its resolution or ordinance approving 1094
inclusion of additional counties, municipal corporations, or 1095
townships in the regional transit authority, a copy of each 1096
resolution or ordinance shall be filed with the clerk of the board 1097
of the county commissioners of each county, the clerk of the 1098
legislative authority of each municipal corporation, and the 1099
fiscal officer of the board of trustees of each township proposed 1100
to be included in the regional transit authority. The inclusion is 1101
effective when all such filing has been completed, unless the 1102
regional transit authority to which territory is to be added has 1103
authority to levy an ad valorem tax on property, or a sales tax, 1104
within its territorial boundaries, in which event the inclusion 1105
shall become effective on the sixtieth day after the last such 1106
filing is accomplished, unless, prior to the expiration of the 1107
sixty-day period, qualified electors residing in the area proposed 1108
to be added to the regional transit authority, equal in number to 1109
at least ten per cent of the qualified electors from the area who 1110

voted for governor at the last gubernatorial election, file a 1111
petition of referendum against the inclusion. Any petition of 1112
referendum filed under this section shall be filed at the office 1113
of the secretary of the board of trustees of the regional transit 1114
authority. The person presenting the petition shall be given a 1115
receipt containing on it the time of the day, the date, and the 1116
purpose of the petition. The secretary of the board of trustees of 1117
the regional transit authority shall cause the appropriate board 1118
or boards of elections to check the sufficiency of signatures on 1119
any petition of referendum filed under this section and, if found 1120
to be sufficient, shall present the petition to the board of 1121
trustees at a meeting of said board which occurs not later than 1122
thirty days following the filing of said petition. Upon 1123
presentation to the board of trustees of a petition of referendum 1124
against the proposed inclusion, the board of trustees shall 1125
promptly certify the proposal to the board or boards of elections 1126
for the purpose of having the proposal placed on the ballot at the 1127
next general or primary election which occurs not less than 1128
~~seventy five~~ ninety days after the date of the meeting of said 1129
board, or at a special election, the date of which shall be 1130
specified in the certification, which date shall be not less than 1131
~~seventy five~~ ninety days after the date of such meeting of the 1132
board. Signatures on a petition of referendum may be withdrawn up 1133
to and including the meeting of the board of trustees certifying 1134
the proposal to the appropriate board or boards of elections. If 1135
territory of more than one county, municipal corporation, or 1136
township is to be added to the regional transit authority, the 1137
electors of the territories of the counties, municipal 1138
corporations, or townships which are to be added shall vote as a 1139
district, and the majority affirmative vote shall be determined by 1140
the vote cast in the district as a whole. Upon certification of a 1141
proposal to the appropriate board or boards of elections pursuant 1142
to this section, the board or boards of election shall make the 1143

necessary arrangements for the submission of the question to the 1144
electors of the territory to be added to the regional transit 1145
authority qualified to vote on the question, and the election 1146
shall be held, canvassed, and certified in the manner provided for 1147
the submission of tax levies under section 5705.191 of the Revised 1148
Code, except that the question appearing on the ballot shall read: 1149

"Shall the territory within the 1150
(Name or names of political subdivisions to be joined) be added to 1151
..... (Name) regional transit 1152
authority?" and shall a(n) (here insert type of tax or 1153
taxes) at a rate of taxation not to exceed (here insert 1154
maximum tax rate or rates) be levied for all transit purposes?" 1155

If the question is approved by at least a majority of the 1156
electors voting on the question, the joinder is immediately 1157
effective, and the regional transit authority may extend the levy 1158
of the tax against all the taxable property within the territory 1159
which has been added. If the question is approved at a general 1160
election or at a special election occurring prior to the general 1161
election but after the fifteenth day of July, the regional transit 1162
authority may amend its budget and resolution adopted pursuant to 1163
section 5705.34 of the Revised Code, and the levy shall be placed 1164
on the current tax list and duplicate and collected as other taxes 1165
are collected from all taxable property within the territorial 1166
boundaries of the regional transit authority, including the 1167
territory within each political subdivision added as a result of 1168
the election. 1169

The territorial boundaries of a regional transit authority 1170
shall be coextensive with the territorial boundaries of the 1171
counties, municipal corporations, and townships included within 1172
the regional transit authority, provided that the same area may be 1173
included in more than one regional transit authority so long as 1174
the regional transit authorities are not organized for purposes as 1175

provided for in the resolutions or ordinances creating the same, 1176
and any amendments to them, relating to the same kinds of transit 1177
facilities; and provided further, that if a regional transit 1178
authority includes only a portion of an entire county, a regional 1179
transit authority for the same purposes may be created in the 1180
remaining portion of the same county by resolution of the board of 1181
county commissioners acting alone or in conjunction with municipal 1182
corporations and townships as provided in this section. 1183

No regional transit authority shall be organized after 1184
January 1, 1975, to include any area already included in a 1185
regional transit authority, except that any regional transit 1186
authority organized after June 29, 1974, and having territorial 1187
boundaries entirely within a single county shall, upon adoption by 1188
the board of county commissioners of the county of a resolution 1189
creating a regional transit authority including within its 1190
territorial jurisdiction the existing regional transit authority 1191
and for purposes including the purposes for which the existing 1192
regional transit authority was created, be dissolved and its 1193
territory included in such new regional transit authority. Any 1194
resolution creating such a new regional transit authority shall 1195
make adequate provision for satisfaction of the obligations of the 1196
dissolved regional transit authority. 1197

Sec. 306.321. The resolution or ordinance creating a regional 1198
transit authority may be amended to include additional counties, 1199
municipal corporations, or townships by the adoption of an 1200
amendment by the board of county commissioners of each county, the 1201
legislative authority of each municipal corporation, and the board 1202
of township trustees of each township which has created or, prior 1203
to the adoption of the amendment, joined or proposes to join the 1204
regional transit authority. 1205

After each county, municipal corporation, and township which 1206

has created or, prior to the adoption of the amendment, joined or 1207
proposes to join the regional transit authority has adopted its 1208
resolution or ordinance approving inclusion of additional 1209
counties, municipal corporations, or townships in the regional 1210
transit authority, a copy of each resolution or ordinance shall be 1211
filed with the clerk of the board of the county commissioners of 1212
each county, the clerk of the legislative authority of each 1213
municipal corporation, and the fiscal officer of the board of 1214
trustees of each township proposed to be included in the regional 1215
transit authority. 1216

Any ordinances or resolutions adopted pursuant to this 1217
section approving inclusion of additional counties, municipal 1218
corporations, or townships in the regional transit authority shall 1219
provide that the board of trustees of the regional transit 1220
authority must, not later than the tenth day following the day on 1221
which the filing of the ordinances or resolutions, as required by 1222
the immediately preceding paragraph, is completed, adopt its 1223
resolution providing for submission to the electors of the 1224
regional transit authority as enlarged, of the question pursuant 1225
to section 306.49 of the Revised Code, of the renewal, the renewal 1226
and increase, or the increase of, or the imposition of an 1227
additional, ad valorem tax, or of the question pursuant to section 1228
306.70 of the Revised Code, of the renewal, the renewal and 1229
increase, or the increase of, or the imposition of an additional, 1230
sales and use tax. The resolution submitting the question of the 1231
tax shall specify the date of the election, which shall be not 1232
less than ~~seventy-five~~ ninety days after certification of the 1233
resolution to the board of elections and which shall be consistent 1234
with the requirements of section 3501.01 of the Revised Code. The 1235
inclusion of the territory of the additional counties, municipal 1236
corporations, or townships in the regional transit authority shall 1237
be effective as of the date on which the resolution of the board 1238
of trustees of the regional transit authority is adopted 1239

submitting the question to the electors, provided that until the 1240
question is approved, existing contracts providing payment for 1241
transit services within the added territory shall remain in effect 1242
and transit services shall not be affected by the inclusion of the 1243
additional territory. The resolution shall be certified to the 1244
board of elections and the election shall be held, canvassed, and 1245
certified as provided in section 306.49 of the Revised Code in the 1246
case of an ad valorem tax or in section 306.70 of the Revised Code 1247
in the case of a sales and use tax. 1248

If the question of the tax which is submitted is not approved 1249
by a majority of the electors of the enlarged regional transit 1250
authority voting on the question, as of the day following the day 1251
on which the results of the election become conclusive, the 1252
additional counties, municipal corporations, or townships, which 1253
had been included in the regional transit authority as of the date 1254
of the adoption of the resolution submitting to the electors the 1255
question, shall be removed from the territory of the regional 1256
transit authority and shall no longer be a part of that authority 1257
without any further action by either the political subdivisions 1258
which were included in the authority prior to the adoption of the 1259
resolution submitting the question to the electors or of the 1260
political subdivisions added to the authority as a result of the 1261
adoption of the resolution. The regional transit authority reduced 1262
to its territory as it existed prior to the inclusion of the 1263
additional counties, municipal corporations, or townships, shall 1264
be entitled to levy and collect any ad valorem or sales and use 1265
taxes which it was authorized to levy and collect prior to the 1266
enlargement of its territory and for which authorization has not 1267
expired, as if the enlargement had not occurred. 1268

If the question of the tax which is submitted provides for a 1269
sales and use tax to be imposed and the question is approved, and 1270
the regional transit authority had previously been authorized 1271

pursuant to section 306.49 of the Revised Code to levy an ad 1272
valorem tax, the regional transit authority shall appropriate from 1273
the first moneys received from the sales and use tax in each year, 1274
the full amount required in order to pay the principal of and 1275
interest on any notes of the regional transit authority issued 1276
pursuant to section 306.49 of the Revised Code, in anticipation of 1277
the collection of the ad valorem tax; and shall not thereafter 1278
levy and collect the ad valorem tax previously approved unless the 1279
levy and collection is necessary to pay the principal of and 1280
interest on notes issued in anticipation of the tax in order to 1281
avoid impairing the obligation of the contract between the 1282
regional transit authority and the note holders. 1283

If the question of the additional or renewal tax levy is 1284
approved, the tax may be levied and collected as is otherwise 1285
provided for an ad valorem tax or a sales and use tax imposed by a 1286
regional transit authority, provided that if a question relating 1287
to an ad valorem tax is approved at the general election or at a 1288
special election occurring prior to a general election, but after 1289
the fifteenth day of July, the regional transit authority may 1290
amend its budget for its next fiscal year and its resolution 1291
adopted pursuant to section 5705.34 of the Revised Code or adopt 1292
such resolution, and the levy shall be placed on the current tax 1293
list and duplicate and collected as all other taxes are collected 1294
from all taxable property within the enlarged territory of the 1295
regional transit authority including the territory within each 1296
political subdivision which has been added to the regional transit 1297
authority pursuant to this section, provided further that if a 1298
question relating to sales and use tax is approved after the 1299
fifteenth day of July in any calendar year, the regional transit 1300
authority may amend its budget for the current and next fiscal 1301
year and any resolution adopted pursuant to section 5705.34 of the 1302
Revised Code, to reflect the imposition of the sales and use tax 1303
and shall amend its budget for the next fiscal year and any 1304

resolution adopted pursuant to section 5705.34 of the Revised Code 1305
to comply with the immediately preceding paragraph. If the budget 1306
of the regional transit authority is amended pursuant to this 1307
paragraph, the county auditor shall prepare and deliver an amended 1308
certificate of estimated resources to reflect the change in 1309
anticipated revenues of the regional transit authority. 1310

The procedures of this section are in addition to and an 1311
alternative to those established in section 306.32 of the Revised 1312
Code for joining to a regional transit authority additional 1313
counties, municipal corporations, or townships. 1314

Sec. 306.70. A tax proposed to be levied by a board of county 1315
commissioners or by the board of trustees of a regional transit 1316
authority pursuant to sections 5739.023 and 5741.022 of the 1317
Revised Code shall not become effective until it is submitted to 1318
the electors residing within the county or within the territorial 1319
boundaries of the regional transit authority and approved by a 1320
majority of the electors voting on it. Such question shall be 1321
submitted at a general election or at a special election on a day 1322
specified in the resolution levying the tax and occurring not less 1323
than ~~seventy-five~~ ninety days after such resolution is certified 1324
to the board of elections, in accordance with section 3505.071 of 1325
the Revised Code. 1326

The board of elections of the county or of each county in 1327
which any territory of the regional transit authority is located 1328
shall make the necessary arrangements for the submission of such 1329
question to the electors of the county or regional transit 1330
authority, and the election shall be held, canvassed, and 1331
certified in the same manner as regular elections for the election 1332
of county officers. Notice of the election shall be published in 1333
one or more newspapers which in the aggregate are of general 1334
circulation in the territory of the county or of the regional 1335

transit authority once a week for two consecutive weeks prior to 1336
the election and, if the board of elections operates and maintains 1337
a web site, notice of the election also shall be posted on that 1338
web site for thirty days prior to the election. The notice shall 1339
state the type, rate, and purpose of the tax to be levied, the 1340
length of time during which the tax will be in effect, and the 1341
time and place of the election. 1342

More than one such question may be submitted at the same 1343
election. The form of the ballots cast at such election shall be: 1344

(here insert name of the county or regional transit authority) at 1347
a rate not exceeding (here insert percentage) 1348
per cent for (here insert number of years the tax 1349
is to be in effect, or that it is to be in effect for a continuing 1350
period of time)?" 1351

If the tax proposed to be levied is a continuation of an 1352
existing tax, whether at the same rate or at an increased or 1353
reduced rate, or an increase in the rate of an existing tax, the 1354
notice and ballot form shall so state. 1355

The board of elections to which the resolution was certified 1356
shall certify the results of the election to the county auditor of 1357
the county or secretary-treasurer of the regional transit 1358
authority levying the tax and to the tax commissioner of the 1359
state. 1360

tax approved for a continuing period of time by the voters of a 1362
county or regional transit authority pursuant to sections 5739.023 1363
and 5741.022 of the Revised Code may be initiated by the filing of 1364
a petition with the board of elections of the county, or in the 1365
case of a regional transit authority with the board of elections 1366

as determined pursuant to section 3505.071 of the Revised Code, 1367
prior to the ~~seventy-fifth~~ ninetieth day before the general 1368

question. Such petition shall state the amount of the proposed 1370
decrease in the rate of the tax and shall be signed by at least 1371
ten per cent of the number of qualified electors residing in such 1372
county, or in the territory of the regional transit authority, who 1373

After determination by it that such petition is valid, the 1375
board of elections shall submit the question to the electors of 1376
the county or regional transit authority at the succeeding general 1377
election. The election shall be conducted, notice thereof shall be 1378
given, and the results thereof shall be certified in the manner 1379
provided in section 306.70 of the Revised Code. If a majority of 1380
the qualified electors voting on such question approve the 1381
proposed decrease in rate, such decrease in rate shall become 1382
effective on the first day of the second January after such 1383
election. 1384

In any case where bonds, or notes in anticipation of bonds, 1385
of a regional transit authority have been issued under section 1386
306.40 of the Revised Code without a vote of the electors while 1387
the tax proposed to be reduced was in effect, the board of 1388
trustees of the regional transit authority shall continue to levy 1389
and collect under authority of the original election authorizing 1390
the tax a rate of tax in each year which the authority reasonably 1391
estimates will produce an amount in that year equal to the amount 1392

electors of the county at the next primary or general election in 1415
the county occurring not less than ~~seventy-five~~ ninety days after 1416
the resolution is certified to the board of elections, and such 1417
resolution may further direct the board of elections to include 1418
upon the ballot submitted to the electors any specific purposes 1419

is to be operated by that convention facilities authority, 1446
corporation, or other entity has consented to the creation of that 1447
convention facilities authority, corporation, or entity. 1448

before the election. If the petition is determined to be valid and 2099
to contain sufficient valid signatures, the charter shall be 2100
placed on the ballot at the next general election. If the petition 2101
is determined to be invalid, the secretary of state shall so 2102
notify the board of county commissioners and the board of county 2103
commissioners shall notify the committee. If the petition is 2104
determined by the secretary of state to be valid but the number of 2105

immediately notify the committee for the petitioners and the 2107
committee shall be allowed ten additional days after such 2108

signature on an additional separate petition paper that is the 2117
same as a valid signature on an original separate petition paper 2118
shall be counted. The number of valid signatures on the original 2119
separate petition papers and the additional separate petition 2120
papers shall be added together to determine whether there are 2121
sufficient valid signatures. If the number of valid signatures is 2122
sufficient and the additional separate petition papers otherwise 2123
valid, the charter shall be placed on the ballot at the next 2124
general election. If not, the board of elections shall notify the 2125
county commissioners, and the commissioners shall notify the 2126
committee. 2127

Sec. 322.02. (A) For the purpose of paying the costs of 2128
enforcing and administering the tax and providing additional 2129

general revenue for the county, any county may levy and collect a 2130
tax to be known as the real property transfer tax on each deed 2131
conveying real property or any interest in real property located 2132
wholly or partially within the boundaries of the county at a rate 2133
not to exceed thirty cents per hundred dollars for each one 2134
hundred dollars or fraction thereof of the value of the real 2135
property or interest in real property located within the 2136
boundaries of the county granted, assigned, transferred, or 2137
otherwise conveyed by the deed. The tax shall be levied pursuant 2138
to a resolution adopted by the board of county commissioners of 2139
the county and, except as provided in division (A) of section 2140
322.07 of the Revised Code, shall be levied at a uniform rate upon 2141
all deeds as defined in ~~division~~ division (D) of section 322.01 of 2142
the Revised Code. Prior to the adoption of any such resolution, 2143
the board of county commissioners shall conduct two public 2144
hearings thereon, the second hearing to be not less than three nor 2145
more than ten days after the first. Notice of the date, time, and 2146
place of the hearings shall be given by publication in a newspaper 2147
of general circulation in the county once a week on the same day 2148
of the week for two consecutive weeks, the second publication 2149
being not less than ten nor more than thirty days prior to the 2150
first hearing. The tax shall be levied upon the grantor named in 2151
the deed and shall be paid by the grantor for the use of the 2152
county to the county auditor at the time of the delivery of the 2153
deed as provided in section 319.202 of the Revised Code and prior 2154
to the presentation of the deed to the recorder of the county for 2155
recording. 2156

(B) No resolution levying a real property transfer tax 2157
pursuant to this section or a manufactured home transfer tax 2158
pursuant to section 322.06 of the Revised Code shall be effective 2159
sooner than thirty days following its adoption. Such a resolution 2160
is subject to a referendum as provided in sections 305.31 to 2161
305.41 of the Revised Code, unless the resolution is adopted as an 2162

emergency measure necessary for the immediate preservation of the 2163
public peace, health, or safety, in which case it shall go into 2164
immediate effect. An emergency measure must receive an affirmative 2165
vote of all of the members of the board of commissioners, and 2166
shall state the reasons for the necessity. A resolution may direct 2167
the board of elections to submit the question of levying the tax 2168
to the electors of the county at the next primary or general 2169
election in the county occurring not less than ~~seventy-five~~ ninety 2170
days after the resolution is certified to the board. No such 2171
resolution shall go into effect unless approved by a majority of 2172
those voting upon it. 2173

Sec. 322.021. The question of a repeal of a county permissive 2174
tax adopted as an emergency measure pursuant to division (B) of 2175
section 322.02 of the Revised Code may be initiated by filing with 2176
the board of elections of the county not less than ~~seventy-five~~ 2177
ninety days before the general election in any year a petition 2178
requesting that an election be held on such question. Such 2179
petition shall be signed by qualified electors residing in the 2180
county equal in number to ten per cent of those voting for 2181
governor at the most recent gubernatorial election. 2182

After determination by it that such petition is valid, the 2183
board of elections shall submit the question to the electors of 2184
the county at the next general election. The election shall be 2185
conducted, canvassed, and certified in the same manner as regular 2186
elections for county offices in the county. Notice of the election 2187
shall be published in a newspaper of general circulation in the 2188
district once a week for two consecutive weeks prior to the 2189
election and, if the board of elections operates and maintains a 2190
web site, notice of the election also shall be posted on that web 2191
site for thirty days prior to the election. The notice shall state 2192
the purpose, time, and place of the election. The form of the 2193
ballot cast at such election shall be prescribed by the secretary 2194

of state. The question covered by such petition shall be submitted 2195
as a separate proposition, but it may be printed on the same 2196
ballot with any other proposition submitted at the same election 2197
other than the election of officers. If a majority of the 2198
qualified electors voting on the question of repeal approve the 2199
repeal, the result of the election shall be certified immediately 2200
after the canvass by the board of elections to the board of county 2201
commissioners, who shall thereupon, after the current year, cease 2202
to levy the tax. 2203

Sec. 324.02. For the purpose of providing additional general 2204
revenues for the county and paying the expense of administering 2205
such levy, any county may levy a county excise tax to be known as 2206
the utilities service tax on the charge for every utility service 2207
to customers within the county at a rate not to exceed two per 2208
cent of such charge. On utility service to customers engaged in 2209
business, the tax shall be imposed at a rate of one hundred fifty 2210
per cent of the rate imposed upon all other consumers within the 2211
county. The tax shall be levied pursuant to a resolution adopted 2212
by the board of county commissioners of the county and shall be 2213
levied at uniform rates required by this section upon all charges 2214
for utility service except as provided in section 324.03 of the 2215
Revised Code. The tax shall be levied upon the customer and shall 2216
be paid by the customer to the utility supplying the service at 2217
the time the customer pays the utility for the service. If the 2218
charge for utility service is billed to a person other than the 2219
customer at the request of such person, the tax commissioner of 2220
the state may, in accordance with section 324.04 of the Revised 2221
Code, provide for the levy of the tax against and the payment of 2222
the tax by such other person. Each utility furnishing a utility 2223
service the charge for which is subject to the tax shall set forth 2224
the tax as a separate item on each bill or statement rendered to 2225
the customer. 2226

Prior to the adoption of any resolution levying a utilities 2227
service tax the board of county commissioners shall conduct two 2228
public hearings thereon, the second hearing to be not less than 2229
three nor more than ten days after the first. Notice of the date, 2230
time, and place of such hearings shall be given by publication in 2231
a newspaper of general circulation in the county once a week on 2232
the same day of the week for two consecutive weeks, the second 2233
publication being not less than ten nor more than thirty days 2234
prior to the first hearing. No resolution levying a utilities 2235
service tax pursuant to this section of the Revised Code shall be 2236
effective sooner than thirty days following its adoption and such 2237
resolution is subject to a referendum as provided in sections 2238
305.31 to 305.41 of the Revised Code, unless such resolution is 2239
adopted as an emergency measure necessary for the immediate 2240
preservation of the public peace, health, or safety, in which case 2241
it shall go into immediate effect. Such emergency measure must 2242
receive an affirmative vote of all of the members of the board of 2243
commissioners, and shall state the reasons for such necessity. A 2244
resolution may direct the board of elections to submit the 2245
question of levying the tax to the electors of the county at the 2246
next primary or general election in the county occurring not less 2247
than ~~seventy-five~~ ninety days after such resolution is certified 2248
to the board. No such resolution shall go into effect unless 2249
approved by a majority of those voting upon it. The tax levied by 2250
such resolution shall apply to all bills rendered subsequent to 2251
the sixtieth day after the effective date of the resolution. No 2252
bills shall be rendered out of the ordinary course of business to 2253
avoid payment of the tax. 2254

Sec. 324.021. The question of repeal of a county permissive 2255
tax adopted as an emergency measure pursuant to section 324.02 of 2256
the Revised Code may be initiated by filing with the board of 2257
elections of the county not less than ~~seventy-five~~ ninety days 2258

before the general election in any year a petition requesting that 2259
an election be held on such question. Such petition shall be 2260
signed by qualified electors residing in the county equal in 2261
number to ten per cent of those voting for governor at the most 2262
recent gubernatorial election. 2263

After determination by it that such petition is valid, the 2264
board of elections shall submit the question to the electors of 2265
the county at the next general election. The election shall be 2266
conducted, canvassed, and certified in the same manner as regular 2267
elections for county offices in the county. Notice of the election 2268
shall be published in a newspaper of general circulation in the 2269
district once a week for two consecutive weeks prior to the 2270
election and, if the board of elections operates and maintains a 2271
web site, notice of the election also shall be posted on that web 2272
site for thirty days prior to the election. The notice shall state 2273
the purpose, time, and place of the election. The form of the 2274
ballot cast at such election shall be prescribed by the secretary 2275
of state. The question covered by such petition shall be submitted 2276
as a separate proposition, but it may be printed on the same 2277
ballot with any other proposition submitted at the same election 2278
other than the election of officers. If a majority of the 2279
qualified electors voting on the question of repeal approve the 2280
repeal, the result of the election shall be certified immediately 2281
after the canvass by the board of elections to the board of county 2282
commissioners, who shall thereupon, after the current year, cease 2283
to levy the tax. 2284

Sec. 345.03. A copy of any resolution adopted under section 2285
345.01 of the Revised Code shall be certified within five days by 2286

for the submission of such question to the electors of the 2292
subdivision, and the election shall be conducted, canvassed, and 2293
certified in like manner as regular elections in such subdivision. 2294

Notice of the election shall be published in a newspaper of 2295
general circulation in the subdivision, at least once, not less 2296
than two weeks prior to such election. The notice shall set out 2297
the purpose of the proposed increase in rate, the amount of the 2298
increase expressed in dollars and cents for each one hundred 2299
dollars of valuation as well as in mills for each one dollar of 2300

directors requests the board of county commissioners to submit the 2314
question of the tax. The resolution shall state the rate at which 2315
the tax would be levied, the purpose for which the tax would be 2316
levied, the number of years the tax would be levied, the section 2317
of the Revised Code under which the tax would be levied, and the 2318
date of the election at which the board of directors requests the 2319
board of county commissioners to submit the question of the tax, 2320
all of which are subject to the limitations of this section and 2321
section 4301.424 or sections 5743.026 and 5743.324 of the Revised 2322

Code. 2323

Upon receiving a copy of such a resolution from the board of 2324
directors, the board of county commissioners shall adopt a 2325
resolution either approving or rejecting the proposal, and certify 2326
a copy of its resolution to the board of directors. If the board 2327
of county commissioners approves the proposal, the board of county 2328
commissioners shall propose the question of levying a tax pursuant 2329

Sec. 503.02. (A) Except as otherwise provided in this 2362
section, the board of county commissioners may change the 2363
boundaries of any civil township, or partition any township among 2364
other townships within the county, by attaching a part of one 2365
township to another, by dividing one township and attaching the 2366
parts to other townships, or by laying off and designating a new 2367
township from the territory of one or more townships of the same 2368
county or from territory not before included in a civil township, 2369
when it is made to appear necessary or expedient by a petition for 2370
that purpose, signed by a majority of the electors residing within 2371
the bounds of the townships to be affected by the partition or 2372
division, as determined by the number of votes cast in those 2373
townships for the office of governor at the most recent general 2374
election for that office. 2375

If the board receives a petition to partition a township that 2376
has adopted a limited home rule government under Chapter 504. of 2377

commissioners shall proceed to partition the township. If a 2389
majority of those voting vote for keeping the township intact, the 2390
board of county commissioners shall not partition the township and 2391
shall deny the petition. 2392

(B) If a township is divided or partitioned under this 2393
section, the board of county commissioners shall apportion the 2394
funds in the township's treasury to the township to which portions 2395
of the divided or partitioned township are attached, or to the new 2396
townships established. This apportionment may take into account 2397
the taxable property valuation, population, or size of the 2398
portions created by the division or partition, as well as any 2399

Sec. 503.161. (A) A board of township trustees, by a 2401

from any other cause, the board of township trustees shall appoint 2423
a person having the qualifications of an elector to fill such 2424
vacancy for the unexpired term or until a successor is elected. 2425

If a township is without a board or if no appointment is made 2426
within thirty days after the occurrence of a vacancy, a majority 2427
of the persons designated as the committee of five on the 2428
last-filed nominating petition of the township officer whose 2429
vacancy is to be filled who are residents of the township shall 2430
appoint a person having the qualifications of an elector to fill 2431
the vacancy for the unexpired term or until a successor is 2432

residents of the township cannot be found, or if that number of 2434
such members fails to make an appointment within ten days after 2435
the thirty-day period in which the board of township trustees is 2436
authorized to make an appointment, then the presiding probate 2437
judge of the county shall appoint a suitable person having the 2438
qualifications of an elector in the township to fill the vacancy 2439

shall be voted upon at the next general election occurring at 2527
least ~~seventy-five~~ ninety days after certification of the 2528
resolution to the board of elections. 2529

(2) If a township has a population of at least five thousand 2530
but less than fifteen thousand in the unincorporated territory of 2531
the township, the board of township trustees, by a majority vote, 2532
may adopt a resolution causing the board of elections to submit to 2533
the electors of the unincorporated area of the township the 2534
question of whether the township should adopt a limited home rule 2535
government under which it exercises limited powers of local 2536
self-government and limited police powers, as authorized by this 2537
chapter. The question shall be voted upon at the next general 2538
election occurring at least ~~seventy-five~~ ninety days after 2539
certification of the resolution to the board of elections. 2540

(3) If a township has a population of fifteen thousand or 2541
more in the unincorporated territory of the township, the board of 2542
township trustees, after at least one public hearing, may do 2543
either of the following: 2544

(a) By a unanimous vote, adopt a resolution establishing a 2545
limited home rule government under which the township exercises 2546
limited powers of local self-government and limited police powers 2547
as authorized by this chapter. The resolution shall become 2548
effective thirty days after the date of its adoption unless within 2549
that thirty-day period there is presented to the board of township 2550
trustees a petition, signed by a number of registered electors 2551
residing in the unincorporated area of the township equal to at 2552
least ten per cent of the total vote cast for all candidates for 2553
governor in that area at the most recent general election at which 2554
a governor was elected, requesting the board of township trustees 2555
to submit the question of establishing a limited home rule 2556
government to the electors of that area for approval or rejection 2557
at a special election to be held on the day of the next primary or 2558
general election occurring at least ~~seventy-five~~ ninety days after 2559
the petition is presented. Each part of the petition shall meet 2560
the requirements specified in section 3501.38 of the Revised Code. 2561
Upon timely receipt of the petition, the board of township 2562
trustees shall adopt a resolution causing the board of elections 2563
to submit to the electors of the unincorporated area of the 2564
township the question of whether the township should adopt a 2565
limited home rule government. 2566

(b) By a majority vote, adopt a resolution causing the board 2567
of elections to submit to the electors of the unincorporated area 2568
of the township the question of whether the township should adopt 2569
a limited home rule government under which it exercises limited 2570
powers of local self-government and limited police powers, as 2571
authorized by this chapter. The question shall be voted upon at 2572

the next general election occurring at least ~~seventy-five~~ ninety 2573
days after certification of the resolution to the board of 2574
elections. 2575

(4) If a township meets the population requirements of 2576
division (A)(2) or (3) of this section, the electors of the 2577
unincorporated area of the township may petition the board of 2578
township trustees to adopt a resolution causing the board of 2579
elections to submit to the electors the question of whether the 2580
township should adopt a limited home rule government. Upon receipt 2581
of a petition signed by ten per cent of the electors of the 2582
unincorporated area of the township, as determined by the total 2583
number of votes cast in that area for the office of governor at 2584
the most recent general election for that office, the board of 2585
township trustees shall adopt the resolution. The question shall 2586
be voted upon at the next general election occurring at least 2587
~~seventy-five~~ ninety days after the certification of the resolution 2588
to the board of elections. 2589

(B) If the population of the unincorporated territory of any 2590
township that adopts a limited home rule government under division 2591
(A)(3) or (4) of this section is fifteen thousand or more, the 2592
township shall be called an "urban township." 2593

(C) Except as otherwise provided in division (A)(1) of this 2594
section, townships with a population of less than five thousand in 2595
the unincorporated territory of the township are not permitted to 2596
adopt a limited home rule government. 2597

Sec. 504.03. (A)(1) If a limited home rule government is 2598
adopted pursuant to section 504.02 of the Revised Code, it shall 2599
remain in effect for at least three years except as otherwise 2600
provided in division (B) of this section. At the end of that 2601
period, if the board of township trustees determines that that 2602
government is not in the best interests of the township, it may 2603

adopt a resolution causing the board of elections to submit to the electors of the unincorporated area of the township the question of whether the township should continue the limited home rule government. The question shall be voted upon at the next general election occurring at least ~~seventy-five~~ ninety days after the certification of the resolution to the board of elections. After certification of the resolution, the board of elections shall submit the question to the electors of the unincorporated area of the township, and the ballot language shall be substantially as follows:

"Shall the township of (name) continue the limited home rule government under which it is operating?
..... For continuation of the limited home rule government
..... Against continuation of the limited home rule government"

(2)(a) At least forty-five days before the election on the question of continuing the limited home rule government, the board of township trustees shall have notice of the election published in a newspaper of general circulation in the township once a week for two consecutive weeks and have the notice posted in five conspicuous places in the unincorporated area of the township.

(b) If a board of elections operates and maintains a web site, notice of the election shall be posted on that web site for at least thirty days before the election on the question of continuing the limited home rule government.

(B) The electors of a township that has adopted a limited home rule government may propose at any time by initiative petition, in accordance with section 504.14 of the Revised Code, a resolution submitting to the electors in the unincorporated area of the township, in an election, the question set forth in division (A)(1) of this section.

(C) If a majority of the votes cast under division (A) or (B)

of this section on the proposition of continuing the limited home 2635
rule government is in the negative, that government is terminated 2636
effective on the first day of January immediately following the 2637
election, and a limited home rule government shall not be adopted 2638
in the unincorporated area of the township pursuant to section 2639
504.02 of the Revised Code for at least three years after that 2640
date. 2641

(D) If a limited home rule government is terminated under 2642
this section, the board of township trustees immediately shall 2643
adopt a resolution repealing all resolutions adopted pursuant to 2644
this chapter that are not authorized by any other section of the 2645
Revised Code outside this chapter, effective on the first day of 2646
January immediately following the election described in division 2647
(A) or (B) of this section. However, no resolution adopted under 2648
this division shall affect or impair the obligations of the 2649
township under any security issued or contracts entered into by 2650
the township in connection with the financing of any water supply 2651
facility or sewer improvement under sections 504.18 to 504.20 of 2652
the Revised Code or the authority of the township to collect or 2653
enforce any assessments or other revenues constituting security 2654
for or source of payments of debt service charges of those 2655
securities. 2656

(E) Upon the termination of a limited home rule government 2657
under this section, if the township had converted its board of 2658
township trustees to a five-member board before September 26,
2003, the current board member who received the lowest number of 2659
votes of the current board members who were elected at the most 2660
recent election for township trustees, and the current board 2661
member who received the lowest number of votes of the current 2662
board members who were elected at the second most recent election 2663
for township trustees, shall cease to be township trustees on the 2664
date that the limited home rule government terminates. Their 2665
2666

offices likewise shall cease to exist at that time, and the board 2667
shall continue as a three-member board as provided in section 2668
505.01 of the Revised Code. 2669

Sec. 505.13. The board of township trustees of a township 2670
which is composed in whole or in part of islands, accessible from 2671
the mainland only by watercraft, may purchase and operate, and may 2672
let for hire, a scow or lighter of sufficient tonnage to carry 2673
stone and other road building material, equipped with or without a 2674
proper crane or loading device, and for such purpose the board may 2675
levy a tax upon all the taxable property in the township, in such 2676
amount as it determines. 2677

The question of levying such tax shall be submitted to the 2678
qualified electors of the township at a general election. The 2679
trustees shall certify such resolution to the board of elections 2680
not later than four p.m. of the ~~seventy-fifth~~ ninetieth day before 2681
the day of the election. Twenty days' notice thereof shall be 2682
previously given by posting in at least three public places in the 2683
township. Such notice shall state specifically the amount to be 2684
raised and the purpose thereof. If a majority of all the votes 2685
cast at such election upon the proposition is in favor thereof, 2686
the tax provided for is authorized. 2687

Sec. 505.14. The board of township trustees of a township 2688
described in section 505.13 of the Revised Code, which, for any 2689
reason, is inaccessible from the mainland at some time of the 2690
year, may construct, acquire, purchase, lease, and maintain a 2691
house as the residence of a resident physician, when, in the 2692
opinion of a majority of the members of such board, it is 2693
necessary for the maintenance of the public health and welfare. 2694

For the maintenance, construction, acquisition, purchase, or 2695
~~least~~ lease of such a house the board may levy a tax upon all the 2696

taxable property in the township, in such amount as it determines. 2697

The question of levying such a tax shall be submitted to the 2698
qualified electors of the township at a general or special 2699
election. The trustees shall certify such resolution to the board 2700
of elections not later than four p.m. of the ~~seventy-fifth~~ 2701
ninetieth day before the day of the election. Twenty days' notice 2702
thereof shall be previously given by posting in at least three 2703
public places in the township. Such notice shall state 2704
specifically the amount to be raised and the purpose thereof. If a 2705
majority of all votes cast at such election upon the proposition 2706
is in favor thereof, the tax provided for is authorized. 2707

Upon the authorization of such tax levy the board may issue 2708
notes in anticipation of such revenues, to mature in not more than 2709
two years from the date of issue, and to bear interest at not more 2710
than four per cent per annum. 2711

Sec. 511.01. If, in a township, a town hall is to be built, 2712
improved, enlarged, or removed at a cost greater than ten thousand 2713
dollars, the board of township trustees shall submit the question 2714
to the electors of such township and shall certify their 2715
resolution to the board of elections not later than four p.m. of 2716
the ~~seventy-fifth~~ ninetieth day before the day of the election. 2717

Sec. 511.22. The board of township trustees shall direct the 2718
township fiscal officer to file a written notice, not later than 2719
four p.m. of the ~~seventy-fifth~~ ninetieth day before the day of the 2720
election, with the board of elections having charge of the 2721
preparation of official ballots, that an election will be held as 2722
provided in section 511.21 of the Revised Code and that the 2723
following shall be printed on the ballot: 2724

" YES SHALL A PUBLIC PARK OR
NO PUBLIC PARKS BE ESTABLISHED

IN(NAME)..... TOWNSHIP?"

If a majority of the votes is in favor of the proposition, a 2728
park or parks shall be established for the township. If a majority 2729
of the votes cast is against the proposition, the board of park 2730
commissioners shall be abolished, and the board of township 2731
trustees shall provide for and pay all the proper expenses 2732
incurred by it. 2733

Sec. 511.27. (A) To defray the expenses of the township park 2734
district and for purchasing, appropriating, operating, 2735
maintaining, and improving lands for parks or recreational 2736
purposes, the board of park commissioners may levy a sufficient 2737
tax within the ten-mill limitation, not to exceed one mill on each 2738
dollar of valuation on all real and personal property within the 2739
township, and on all real and personal property within any 2740
municipal corporation that is within the township, that was within 2741
the township at the time that the park district was established, 2742
or the boundaries of which are coterminous with or include the 2743
township. The levy shall be over and above all other taxes and 2744
limitations on such property authorized by law. 2745

(B) Except as otherwise provided in division (C) of this 2746
section, the board of park commissioners, not less than 2747
~~seventy-five~~ ninety days before the day of the election, may 2748
declare by resolution that the amount of taxes that may be raised 2749
within the ten-mill limitation will be insufficient to provide an 2750
adequate amount for the necessary requirements of the district and 2751
that it is necessary to levy a tax in excess of that limitation 2752
for the use of the district. The resolution shall specify the 2753
purpose for which the taxes shall be used, the annual rate 2754
proposed, and the number of consecutive years the levy will be in 2755
effect. Upon the adoption of the resolution, the question of 2756
levying the taxes shall be submitted to the electors of the 2757
township and the electors of any municipal corporation that is 2758

within the township, that was within the township at the time that 2759
the park district was established, or the boundaries of which are 2760
coterminous with or include the township, at a special election to 2761
be held on whichever of the following occurs first: 2762

(1) The day of the next ensuing general election; 2763

(2) The first Tuesday after the first Monday in May of any 2764
calendar year, except that, if a presidential primary election is 2765
held in that calendar year, then the day of that election. 2766

The rate submitted to the electors at any one election shall 2767
not exceed two mills annually upon each dollar of valuation. If a 2768
majority of the electors voting upon the question of the levy vote 2769
in favor of the levy, the tax shall be levied on all real and 2770
personal property within the township and on all real and personal 2771
property within any municipal corporation that is within the 2772
township, that was within the township at the time that the park 2773
district was established, or the boundaries of which are 2774
coterminous with or include the township, and the levy shall be 2775
over and above all other taxes and limitations on such property 2776
authorized by law. 2777

(C) In any township park district that contains only 2778
unincorporated territory, if the township board of park 2779
commissioners is appointed by the board of township trustees, 2780
before a tax can be levied and certified to the county auditor 2781
pursuant to section 5705.34 of the Revised Code or before a 2782
resolution for a tax levy can be certified to the board of 2783
elections pursuant to section 511.28 of the Revised Code, the 2784
board of park commissioners shall receive approval for its levy 2785
request from the board of township trustees. The board of park 2786
commissioners shall adopt a resolution requesting the board of 2787
township trustees to approve the levy request, stating the annual 2788
rate of the proposed levy and the reason for the levy request. On 2789
receiving this request, the board of township trustees shall vote 2790

on whether to approve the request and, if a majority votes to 2791
approve it, shall issue a resolution approving the levy at the 2792
requested rate. 2793

Sec. 511.28. A copy of any resolution for a tax levy adopted 2794
by the township board of park commissioners as provided in section 2795
511.27 of the Revised Code shall be certified by the clerk of the 2796
board of park commissioners to the board of elections of the 2797
proper county, together with a certified copy of the resolution 2798
approving the levy, passed by the board of township trustees if 2799
such a resolution is required by division (C) of section 511.27 of 2800
the Revised Code, not less than ~~seventy-five~~ ninety days before a 2801
general or primary election in any year. The board of elections 2802
shall submit the proposal to the electors as provided in section 2803
511.27 of the Revised Code at the succeeding general or primary 2804
election. A resolution to renew an existing levy may not be placed 2805
on the ballot unless the question is submitted at the general 2806
election held during the last year the tax to be renewed may be 2807
extended on the real and public utility property tax list and 2808
duplicate, or at any election held in the ensuing year. The board 2809
of park commissioners shall cause notice that the vote will be 2810
taken to be published once a week for two consecutive weeks prior 2811
to the election in a newspaper of general circulation in the 2812
county within which the park district is located. Additionally, if 2813
the board of elections operates and maintains a web site, the 2814
board of elections shall post that notice on its web site for 2815
thirty days prior to the election. The notice shall state the 2816
purpose of the proposed levy, the annual rate proposed expressed 2817
in dollars and cents for each one hundred dollars of valuation as 2818
well as in mills for each one dollar of valuation, the number of 2819
consecutive years during which the levy shall be in effect, and 2820
the time and place of the election. 2821

The form of the ballots cast at the election shall be: "An 2822

additional tax for the benefit of (name of township park district) 2823
 for the purpose of (purpose stated in the order of the 2824
 board) at a rate not exceeding mills for 2825
 each one dollar of valuation, which amounts to (rate expressed in 2826
 dollars and cents) for each one hundred dollars of 2827
 valuation, for (number of years the levy is to run) 2828

	FOR THE TAX LEVY	
	AGAINST THE TAX LEVY	"

2829
 2830
 2831
 2832

If the levy submitted is a proposal to renew, increase, or 2833
 decrease an existing levy, the form of the ballot specified in 2834
 this section may be changed by substituting for the words "An 2835
 additional" at the beginning of the form, the words "A renewal of 2836
 a" in the case of a proposal to renew an existing levy in the same 2837
 amount; the words "A renewal of mills and an increase 2838
 of mills to constitute a" in the case of an increase; 2839
 or the words "A renewal of part of an existing levy, being a 2840
 reduction of mills, to constitute a" in the case of a 2841
 decrease in the rate of the existing levy. 2842

If the tax is to be placed on the current tax list, the form 2843
 of the ballot shall be modified by adding, after the statement of 2844
 the number of years the levy is to run, the phrase ", commencing 2845
 in (first year the tax is to be levied), first due in 2846
 calendar year (first calendar year in which the tax 2847
 shall be due)." 2848

The question covered by the order shall be submitted as a 2849
 separate proposition, but may be printed on the same ballot with 2850
 any other proposition submitted at the same election, other than 2851
 the election of officers. More than one such question may be 2852
 submitted at the same election. 2853

Sec. 511.33. In paying any expenses of park management and of 2854
improvements authorized by section 511.32 of the Revised Code, the 2855
board of township trustees may appropriate and use for these 2856
purposes any funds in the township treasury then unappropriated 2857
for any other purpose. If there are no available funds in the 2858
treasury or an insufficient amount to pay for the desired park 2859
management and improvements in any year, the board may levy a tax 2860
in order to pay for the park management and improvements. The tax 2861
shall be levied upon all of the taxable property in the township 2862
and shall be certified, levied, and collected in the manner 2863
prescribed for the certification, levy, and collection of other 2864
township taxes. The money so raised shall be paid over to the 2865
township fiscal officer, and the fiscal officer shall pay the 2866
money out on the order of the board. If a sum greater than two 2867
thousand dollars is to be expended by the board for park 2868
management and improvement purposes in any one year, and the sum 2869
is not available from any unappropriated money in the township 2870
treasury, the question of levying the additional tax shall, before 2871
making a levy that will amount to more than two thousand dollars, 2872
be submitted to and approved by a majority of the electors of the 2873
township voting on the question. If the election is necessary, it 2874
shall be called at a regular meeting of the board, and the 2875
resolution shall be certified to the board of elections not later 2876
than four p.m. of the ~~seventy-fifth~~ ninetieth day before the day 2877
of the election. 2878

Twenty days' notice of the election shall be given by the 2879
posting of notices of the election by the township fiscal officer 2880
in ten public places in the township, and provisions for holding 2881
the election shall be made by the board of elections upon 2882
receiving notice of the date and purpose of the election from the 2883
fiscal officer. This section and section 511.32 of the Revised 2884
Code do not repeal, affect, or modify any law relating to park 2885

commissioners, or prevent the appointment of park commissioners in 2886
the future. 2887

Sec. 511.34. In townships composed of islands, and on one of 2888
which islands lands have been conveyed in trust for the benefit of 2889
the inhabitants of the island for use as a park, and a board of 2890
park trustees has been provided for the control of the park, the 2891
board of township trustees may create a tax district of the island 2892
to raise funds by taxation as provided under divisions (A) and (B) 2893
of this section. 2894

(A) For the care and maintenance of parks on the island, the 2895
board of township trustees annually may levy a tax, not to exceed 2896
one mill, upon all the taxable property in the district. The tax 2897
shall be in addition to all other levies authorized by law, and 2898
subject to no limitation on tax rates except as provided in this 2899
division. 2900

The proceeds of the tax levy shall be expended by the board 2901
of township trustees for the purpose of the care and maintenance 2902
of the parks, and shall be paid out of the township treasury upon 2903
the orders of the board of park trustees. 2904

(B) For the purpose of acquiring additional land for use as a 2905
park, the board of township trustees may levy a tax in excess of 2906
the ten-mill limitation on all taxable property in the district. 2907
The tax shall be proposed by resolution adopted by two-thirds of 2908
the members of the board of township trustees. The resolution 2909
shall specify the purpose and rate of the tax and the number of 2910
years the tax will be levied, which shall not exceed five years, 2911
and which may include a levy on the current tax list and 2912
duplicate. The resolution shall go into immediate effect upon its 2913
passage, and no publication of the resolution is necessary other 2914
than that provided for in the notice of election. The board of 2915
township trustees shall certify a copy of the resolution to the 2916

proper board of elections not later than ~~seventy-five~~ ninety days 2917
before the primary or general election in the township, and the 2918
board of elections shall submit the question of the tax to the 2919
voters of the district at the succeeding primary or general 2920
election. The board of elections shall make the necessary 2921
arrangements for the submission of the question to the electors of 2922
the district, and the election shall be conducted, canvassed, and 2923
certified in the same manner as regular elections in the township 2924
for the election of officers. Notice of the election shall be 2925
published in a newspaper of general circulation in the township 2926
once a week for two consecutive weeks prior to the election and, 2927
if the board of elections operates and maintains a web site, 2928
notice of the election also shall be posted on that web site for 2929
thirty days prior to the election. The notice shall state the 2930
purpose of the tax, the proposed rate of the tax expressed in 2931
dollars and cents for each one hundred dollars of valuation and 2932
mills for each one dollar of valuation, the number of years the 2933
tax will be in effect, the first year the tax will be levied, and 2934
the time and place of the election. 2935

The form of the ballots cast at an election held under this 2936
division shall be as follows: 2937

"An additional tax for the benefit of (name of the 2938
township) for the purpose of acquiring additional park land at a 2939
rate of mills for each one dollar of valuation, which 2940
amounts to (rate expressed in dollars and cents) for each 2941
one hundred dollars of valuation, for (number of years 2942
the levy is to run) beginning in (first year the tax 2943
will be levied). 2944

	FOR THE TAX LEVY
	AGAINST THE TAX LEVY

"

2945
2946
2947
2948

The question shall be submitted as a separate proposition but 2949
may be printed on the same ballot with any other proposition 2950
submitted at the same election other than the election of 2951
officers. More than one such question may be submitted at the same 2952
election. 2953

If the levy is approved by a majority of electors voting on 2954
the question, the board of elections shall certify the result of 2955
the election to the tax commissioner. In the first year of the 2956
levy, the tax shall be extended on the tax lists after the 2957
February settlement following the election. If the tax is to be 2958
placed on the tax lists of the current year as specified in the 2959
resolution, the board of elections shall certify the result of the 2960
election immediately after the canvass to the board of township 2961
trustees, which shall forthwith make the necessary levy and 2962
certify the levy to the county auditor, who shall extend the levy 2963
on the tax lists for collection. After the first year of the levy, 2964
the levy shall be included in the annual tax budget that is 2965
certified to the county budget commission. 2966

Sec. 513.06. Upon the execution of the agreement provided for 2967
in section 513.05 of the Revised Code, the board of township 2968
trustees shall submit the question of the ratification of such 2969
agreement to the electors of the township at the next general 2970
election occurring not less than ~~seventy-five~~ ninety days after 2971
the certification of the resolution to the board of elections. If 2972
the sums to be paid by the township under such agreement are not 2973
available from current general revenue of such township, the board 2974
shall also submit to the electors, at the same election, the 2975
question of the issue of bonds of the township, in the amount 2976
specified in such agreement, for the purpose of providing funds 2977
for the payment thereof. The proceedings in the matter of such 2978
election and in the issuance and sale of such bonds shall be as 2979
provided by Chapter 133. of the Revised Code. Such agreement shall 2980

not be effective, and no bonds shall be issued, unless the 2981
electors approve both the agreement and the bond issue, if the 2982
question of the issue of bonds is submitted. 2983

Sec. 513.13. The board of elections of the county in which a 2984
joint township hospital district, or the most populous portion of 2985
such district, lies shall, by resolution approved by a two-thirds 2986
vote of the joint township district hospital board, place upon the 2987
ballot for submission to the electorate of such district, at the 2988
next primary or general election, occurring not less than 2989
~~seventy-five~~ ninety nor more than one hundred ~~twenty~~ thirty-five 2990
days after the request is received from such joint township 2991
district hospital board, the question of levying a tax, not to 2992
exceed one mill outside the ten-mill limitation, for a period not 2993
to exceed five years, to provide funds for the payment of 2994
necessary expenses incurred in the operation of hospital 2995
facilities or, if required by agreement made under section 140.03 2996
of the Revised Code, for costs of hospital facilities or current 2997
operating expenses of hospital facilities, or both. Such 2998
resolution shall be certified to the board of elections not later 2999
than four p.m. of the ~~seventy-fifth~~ ninetieth day before the day 3000
of the election. If a majority of the electors in such district 3001
voting on the proposition, vote in favor thereof, the county 3002
auditor of each county in which such district lies shall annually 3003
place a levy on the tax duplicate against the property in such 3004
district, in the amount required by the joint board of trustees of 3005
the district, but not to exceed one mill. 3006

Sec. 513.18. In the event any township, contiguous to a joint 3007
township hospital district, desires to become a part of such 3008
district in existence under sections 513.07 to 513.18 of the 3009
Revised Code, its board of township trustees, by a two-thirds 3010
favorable vote of the members of such board, after the existing 3011

joint township hospital board has, by a majority favorable vote of 3012
the members thereof, approved the terms under which such township 3013
proposes to join the district, shall become a part of the joint 3014
township district hospital board under such terms and with all the 3015
rights, privileges, and responsibilities enjoyed by and extended 3016
to the existing members of the hospital board under such sections, 3017
including representation on the board of hospital governors by the 3018
appointment of an elector of such township as a member thereof. If 3019
the terms under which such township proposes to join the hospital 3020
district involve a tax levy for the purpose of sharing the 3021
existing obligations, including bonded indebtedness, of the 3022
district or the necessary operating expenses of such hospital, 3023
such township shall not become a part of the district until its 3024
electors have approved such levy as provided in this section. 3025

Upon request of the board of township trustees of the 3026
township proposing to join such district, by resolution approved 3027
by a two-thirds vote of its members, the board of elections of the 3028
county in which the township lies shall place upon the ballot for 3029
submission to the electorate of such township at the next primary 3030
or general election occurring not less than ~~seventy-five~~ ninety 3031
nor more than one hundred ~~twenty~~ thirty-five days after such 3032
request is received from the board of township trustees the 3033
question of levying a tax, not to exceed one mill outside the 3034
ten-mill limitation, for a period of not to exceed five years, to 3035
provide funds for the payment of the township's share of the 3036
necessary expenses incurred in the operation of such hospital, or 3037
the question of levying a tax to pay the township's share of the 3038
existing obligations, including bonded indebtedness, of the 3039
district, or both questions may be submitted at the same primary 3040
or general election. If a majority of the electors voting on the 3041
propositions vote in favor thereof, the county auditor shall place 3042
such levies on the tax duplicate against the property in the 3043
township, which township shall thereby become a part of said joint 3044

township hospital district. 3045

Sec. 517.05. On the making of an order or the filing of an 3046
application as provided by section 517.04 of the Revised Code, the 3047
township fiscal officer shall certify the order or application to 3048
the board of elections not later than four p.m. of the 3049
~~seventy-fifth~~ ninetieth day before the day of the election, and, 3050
at least twenty days before an election, the fiscal officer shall 3051
post written notices in at least three public places in the 3052
township that a vote will be taken on the question of the 3053
establishment of a cemetery. If a majority of the votes cast at 3054
the election on the proposition is in favor of establishing a 3055
cemetery, the board of township trustees shall procure the lands 3056
for that purpose and levy taxes as provided by section 517.03 of 3057
the Revised Code. 3058

Sec. 519.11. If the zoning resolution is adopted by the board 3059
of township trustees, such board shall cause the question of 3060
whether or not the proposed plan of zoning shall be put into 3061
effect to be submitted to the electors residing in the 3062
unincorporated area of the township included in the proposed plan 3063
of zoning for their approval or rejection at the next primary or 3064
general election, or a special election may be called for this 3065
purpose. Such resolution shall be filed with the board of 3066
elections not later than four p.m. of the ~~seventy-fifth~~ ninetieth 3067
day before the day of the election. No zoning regulations shall be 3068
put into effect unless a majority of the vote cast on the issue is 3069
in favor of the proposed plan of zoning. Upon certification by the 3070
board of elections the resolution shall take immediate effect, if 3071
the plan was so approved. 3072

Within five working days after the resolution's effective 3073
date, the board of township trustees shall file it, including text 3074
and maps, in the office of the county recorder. The board shall 3075

also file duplicates of the same documents with the regional or 3076
county planning commission, if one exists, within the same period. 3077

The board shall file all resolutions, including text and 3078
maps, that are in effect on January 1, 1992, in the office of the 3079
county recorder within thirty working days after that date. The 3080
board shall also file duplicates of the same documents with the 3081
regional or county planning commission, if one exists, within the 3082
same period. 3083

The failure to file a resolution, or any text and maps, or 3084
duplicates of any of these documents, with the office of the 3085
county recorder or the county or regional planning commission as 3086
required by this section does not invalidate the resolution and is 3087
not grounds for an appeal of any decision of the board of zoning 3088
appeals. 3089

Sec. 519.12. (A)(1) Amendments to the zoning resolution may 3090
be initiated by motion of the township zoning commission, by the 3091
passage of a resolution by the board of township trustees, or by 3092
the filing of an application by one or more of the owners or 3093
lessees of property within the area proposed to be changed or 3094
affected by the proposed amendment with the township zoning 3095
commission. The board of township trustees may require that the 3096
owner or lessee of property filing an application to amend the 3097
zoning resolution pay a fee to defray the cost of advertising, 3098
mailing, filing with the county recorder, and other expenses. If 3099
the board of township trustees requires such a fee, it shall be 3100
required generally, for each application. The board of township 3101
trustees, upon the passage of such a resolution, shall certify it 3102
to the township zoning commission. 3103

(2) Upon the adoption of a motion by the township zoning 3104
commission, the certification of a resolution by the board of 3105
township trustees to the commission, or the filing of an 3106

application by property owners or lessees as described in division 3107
(A)(1) of this section with the commission, the commission shall 3108
set a date for a public hearing, which date shall not be less than 3109
twenty nor more than forty days from the date of the certification 3110
of such a resolution, the date of adoption of such a motion, or 3111
the date of the filing of such an application. Notice of the 3112
hearing shall be given by the commission by one publication in one 3113
or more newspapers of general circulation in the township at least 3114
ten days before the date of the hearing. 3115

(B) If the proposed amendment intends to rezone or redistrict 3116
ten or fewer parcels of land, as listed on the county auditor's 3117

the township zoning commission, by first class mail, at least ten 3119
days before the date of the public hearing to all owners of 3120
property within and contiguous to and directly across the street 3121
from the area proposed to be rezoned or redistricted to the 3122
addresses of those owners appearing on the county auditor's 3123
current tax list. The failure of delivery of that notice shall not 3124
invalidate any such amendment. 3125

(C) If the proposed amendment intends to rezone or redistrict 3126
ten or fewer parcels of land as listed on the county auditor's 3127
current tax list, the published and mailed notices shall set forth 3128

The petition shall be filed with the board of township 3312

municipal corporation by posters or otherwise, for a period of at 3417
least twenty days, prior to the time fixed for the election, in 3418
such manner as the legislative authority deems most expedient, and 3419
a printed copy of such conditions shall be mailed to each voter of 3420
such municipal corporations, as shown by the registration books. 3421

Sec. 709.39. The freehold electors owning lands in any 3422
portion of a village, such portion being contiguous to an 3423
adjoining township, and comprising not less than one thousand five 3424
hundred acres of land, may file a petition with the board of 3425
elections in such county requesting that an election be held to 3426
obtain the opinion of the freehold electors owning lands and 3427
residing within such portion of the village upon the question of 3428
the detachment of the portion from such village, or, upon the 3429
question of the detachment of such portion from the village and 3430
the erection of such detached portion into a new township. Such 3431
petition shall contain: 3432

(A) An accurate description of the territory sought to be 3433
detached; 3434

(B) An accurate map or plat thereof; 3435

(C) If the erection of a new township is also sought, the 3436
name proposed for such new township; 3437

(D) The name of a person to act as agent of the petitioners; 3438

(E) Signatures equal in number to fifteen per cent of the 3439
total number of votes cast at the last general election in such 3440
territory. 3441

Within ten days after the filing of such petition with the 3442
board the board shall determine whether the petition conforms to 3443
this section. If it does not conform, no further action shall be 3444

taken thereon. If it does conform, the board shall order an 3445
election, as prayed for in the petition, which election shall be 3446
held at a convenient place within the territory sought to be 3447
detached, on a day named by the board, which day shall be not less 3448
than ~~seventy-five~~ ninety days thereafter. The board shall 3449
thereupon give ten days' notice of such election by publication in 3450
a newspaper of general circulation in such territory, and shall 3451
cause written or printed notices thereof to be posted in three or 3452
more public places in such territory. The election shall be 3453
conducted in the manner provided in Title XXXV of the Revised 3454
Code, and the judges and clerks thereof shall be designated by 3455
such board. 3456

If no freehold electors own lands in the portion of the 3457
village seeking to be detached, the owners of lands within that 3458
portion may file a petition with the board of county commissioners 3459
requesting that the board proceed with the detachment procedures, 3460
or with procedures for the detachment and erection of the portion 3461
of the village into a new township, pursuant to section 709.38 of 3462
the Revised Code. The petition shall contain the items required in 3463
divisions (A), (B), and (D) of this section, and signatures equal 3464
in number to at least a majority of the owners of land within the 3465
portion of the village seeking to be detached. 3466

The ballots shall contain the words "for detachment," and 3467
"against detachment." If a majority of the ballots cast at such 3468
election are cast against detachment, no further proceedings shall 3469
be had in relation thereto for a period of two years. If a 3470
majority of the votes cast at such election are cast for 3471
detachment, the result of such election, together with the 3472
original petition and plat and a transcript of all the proceedings 3473
of such board in reference thereto shall be certified by the board 3474
and delivered to the county recorder, who shall forthwith make a 3475
record of the petition and plat and transcript of all the 3476

proceedings of the board and the result of the election, in the 3477
public book of records, and preserve in ~~his~~ the recorder's office 3478
the original papers delivered to ~~him~~ the recorder by such board. 3479
The recorder shall certify thereon that the transcribed petition 3480
and map are properly recorded. ~~When the recorder has~~ After having 3481
made such record, ~~he~~ the recorder shall certify and forward to the 3482
secretary of state, a transcript thereof. 3483

The detachment of such territory from the village shall 3484
thereupon be complete, and, if the petition included a request 3485
that such territory be erected into a new township, the territory 3486
shall thereupon constitute a new township, under the name and 3487
style specified in such petition. All expense involved in holding 3488
such election, and in the filing, recording, and transcribing of 3489
the records, provided for in this section, shall be defrayed by 3490
the petitioners, and the board and the recorder may require the 3491
payment thereof in advance as a condition precedent to the taking 3492
by them, or either of them, of any action provided for in this 3493
section. 3494

Sec. 709.45. (A) A petition may be filed with the board of 3495
elections proposing that one or more municipal corporations be 3496
merged with another municipal corporation, or that the 3497
unincorporated area of a township be merged with one or more 3498
municipal corporations, as provided by section 709.44 of the 3499
Revised Code. The petition may be presented in separate petition 3500
papers. Each petition paper shall contain, in concise language, 3501
the purpose of the petition and the names of not less than five 3502
electors of each affected municipal corporation, or the names of 3503
not less than five electors of the unincorporated area of the 3504
township and the names of not less than five electors of each 3505
affected municipal corporation, to be nominated to serve as 3506
commissioners. The petition shall be governed by the rules of 3507
section 3501.38 of the Revised Code. The petition shall contain 3508

signatures of electors of each municipal corporation or of each 3509
municipal corporation and the unincorporated area of the township 3510
proposed to be merged and signatures of electors of the municipal 3511
corporation with which merger is proposed, numbering not less than 3512
ten per cent of the number of electors residing in each such 3513
political subdivision who voted for the office of governor at the 3514
most recent general election for that office. 3515

(B) The petition shall be filed with the board of elections 3516
of the county in which the largest portion of the population of 3517
the municipal corporation with which merger is proposed resides. 3518
The board of elections shall cause the validity of all signatures 3519
to be ascertained and, in doing so, may require the assistance of 3520
boards of elections of other counties as the case requires. If the 3521
petition is sufficient, the board of elections of the county in 3522
which the petition is required to be filed shall submit the 3523
question: "Shall a commission be chosen to draw up a statement of 3524
conditions for merger of the political subdivisions of, 3525
....., and"?" for the approval or rejection of 3526
the electors of each political subdivision proposed to be merged 3527
and the electors of the municipal corporation to which merger is 3528
proposed at the next general election, in any year, occurring 3529
subsequent to the period ending ~~seventy-five~~ ninety days after the 3530
filing of the petition with the board. Provision shall be made on 3531
the ballot for the election, from each of the component political 3532
subdivisions, of five electors who shall constitute the commission 3533
to draw up the statement of conditions for merger of the political 3534
subdivisions. If any of the political subdivisions for which 3535
merger is proposed are located wholly or partially in a county 3536
other than the one in which the petition is required to be filed, 3537
the board of elections of the county in which the petition is 3538
filed shall, if the petition is found to be sufficient, certify 3539
the sufficiency of the petition and the statement of the issue to 3540
be voted on to the boards of elections of those other counties; 3541

the boards of elections of those other counties shall submit the 3542
question of merging and the names of candidates to be elected to 3543
the commission to draw up the statement of conditions for merger, 3544
for the approval or rejection of the electors in the portions of 3545
those political subdivisions within their respective counties; 3546
and, upon the holding of the election, the boards of elections of 3547
those other counties shall certify the election results to the 3548
board of elections of the county in which the petition is required 3549
to be filed. 3550

(C) In addition to the filing of the petition with the board 3551
of elections as provided in division (B) of this section, a copy 3552
of the petition shall be filed with the legislative authority of 3553
each affected municipal corporation and, if applicable, the board 3554
of township trustees of the affected township. At a public meeting 3555
scheduled not less than thirty days before the date of the 3556
election at which the question of merging goes before the 3557
electors, each of those legislative authorities and, if 3558
applicable, the board of township trustees shall state and explain 3559
their position on the proposed merger. 3560

Sec. 709.462. (A) Once proposed merger conditions are 3561
prepared, the members of the commission shall vote on them. 3562

(B) If no proposed merger condition can be agreed upon by a 3563
majority of the members of the commission from each political 3564
subdivision, the members of the commission may vote on whether the 3565
merger should not occur. If, in that situation, a majority of the 3566
members of the commission from each political subdivision votes 3567
against the merger, no further proceedings shall be had on the 3568
petition filed under section 709.45 of the Revised Code, and no 3569
further petitions shall be filed under that section proposing a 3570
merger of any or all of the political subdivisions that were the 3571
subjects of that petition for at least three years after the date 3572

of the commission's vote. 3573

(C) If proposed merger conditions are agreed upon by a 3574
majority of the members of the commission from each political 3575
subdivision, the commission shall issue a report listing the 3576
conditions agreed to and the reasoning behind adopting each 3577
condition. In addition, after the next general election occurring 3578
after the election of the members of the commission, but not less 3579
than ~~seventy five~~ ninety days preceding the second general 3580
election occurring after the election of the members of the 3581
commission, the commission, unless it has ceased to exist under 3582
division (D) of this section, shall certify the fact of that 3583
agreement and a list of the agreed-to merger conditions to the 3584
board of elections of each of the counties in which the political 3585
subdivisions proposed for merger are located. The question of the 3586
approval or rejection of the merger conditions shall be submitted 3587
to the voters at that second general election occurring after the 3588
election of the members of the commission. The boards of elections 3589
shall submit the merger conditions for the approval or rejection 3590
of the electors in the portions of the political subdivisions 3591
within their respective counties, and, upon the holding of the 3592
election, each board of elections other than the board of the 3593
county in which the petition is required to be filed shall certify 3594
its results to the board of elections of the county in which the 3595
petition is required to be filed. 3596

(D) Regardless of whether a merger commission succeeds in 3597
reaching an agreement, the commission shall cease to exist on the 3598
~~seventy fifth~~ ninetieth day preceding the next general election 3599
occurring after the election of the members of the commission, 3600
unless the commission requests an extension of time from the 3601
legislative authority of each political subdivision involved and 3602
each of those legislative authorities approves the extension. This 3603
extension of time may be only until the ~~seventy fifth~~ ninetieth 3604

day preceding the second general election occurring after the 3605
election of the members of the commission. If the commission 3606
ceases to exist under this division, no further petitions shall be 3607
filed under section 709.45 of the Revised Code proposing a merger 3608
of any or all of the political subdivisions that were the subjects 3609
of the petition considered by the commission for at least three 3610
years after the date the commission ceases to exist. 3611

Sec. 709.48. On and after the date on which a petition is 3612
filed with the board of elections under section 709.45 of the 3613
Revised Code for the election of a merger commission for the 3614
merger of one or more municipal corporations and the 3615
unincorporated territory of a township, no petition for the 3616
annexation of any part of the unincorporated territory of the 3617
township shall be filed with a board of county commissioners under 3618
section 709.03 or 709.15 of the Revised Code, until one of the 3619
following occurs: 3620

(A) The question of forming a merger commission is defeated 3621
at the election provided for under section 709.45 of the Revised 3622
Code by a majority of the electors of any one of the municipal 3623
corporations or the unincorporated territory of the township in 3624
which the election is held. 3625

(B) The merger commission elected pursuant to section 709.45 3626
of the Revised Code fails to reach agreement on merger conditions 3627
by the ~~seventy-fifth~~ ninetieth day preceding the next general 3628
election occurring after the election of the members of the 3629
commission or, if the time for the commission's existence is 3630
extended under division (D) of section 709.462 of the Revised 3631
Code, by the date that extension ceases, whichever is later. 3632

(C) The merger conditions agreed upon by the merger 3633
commission are defeated by a majority of the electors of any one 3634
of the municipal corporations or the unincorporated territory of 3635

the township in which the election on the conditions is held. 3636

Sec. 709.50. (A) Notwithstanding any other section of the 3637
Revised Code, when a township contains at least ninety per cent of 3638
the geographic area of a municipal corporation, either that 3639
township or the municipal corporation may remove that part of that 3640
township that is located within the municipal corporation from 3641
that township if all of the following apply: 3642

(1) The electors of the township and the municipal 3643
corporation have voted to approve the establishment of a merger 3644
commission pursuant to section 709.45 of the Revised Code. 3645

(2) The unincorporated territory of the township has a 3646
population of more than nine thousand. 3647

(3) The township has previously adopted a limited home rule 3648
government under Chapter 504. of the Revised Code and a township 3649
zoning resolution under Chapter 519. of the Revised Code. 3650

(4) Not later than December 31, 1994, either the township 3651
adopts a resolution or the municipal corporation adopts a 3652
resolution or ordinance to remove that part of the township that 3653
is located in the municipal corporation from the township. Any 3654
resolution or ordinance adopted under division (A)(4) of this 3655
section shall include an accurate description of the land to be 3656
removed. The political subdivision that adopts an ordinance or 3657
resolution under division (A)(4) of this section shall file with 3658
the county recorder a copy of it certified by the county auditor, 3659
together with a map or plat certified by the county auditor of the 3660
land to be removed. The county recorder shall record the ordinance 3661
or resolution and the map or plat. 3662

(B) If either the township or the municipal corporation takes 3663
the action described in division (A)(4) of this section, the 3664
removal shall occur. After the removal, the unincorporated 3665

territory of the township shall no longer receive any revenue by 3666
virtue of its relationship to the municipal corporation. As soon 3667
as practicable after a removal occurs under this section, the 3668
board of county commissioners shall ascertain whether there is any 3669
joint indebtedness of the unincorporated territory of the township 3670
and the municipal corporation. If there is any such indebtedness, 3671
the board of county commissioners shall apportion it in accordance 3672
with section 503.10 of the Revised Code. 3673

(C)(1) If a removal occurs under this section, all or part of 3674
the unincorporated territory of the township may become a village 3675
if the board of township trustees adopts, by unanimous vote, a 3676
resolution for all or part of that territory to become a village. 3677
The board of township trustees shall file with the county recorder 3678
a copy of any resolution it adopts under division (C)(1) of this 3679
section certified by the county auditor, together with a map or 3680
plat certified by the county auditor of the land to be included in 3681
the village. The county recorder shall record the resolution and 3682
the map or plat. Once the board adopts a resolution under division 3683
(C)(1) of this section, no land within the area that will 3684
constitute the village may be annexed, and any pending annexation 3685
proceeding that includes land in that area shall be considered to 3686
be terminated with regard to that land. 3687

(2) If the board does not adopt a resolution under division 3688
(C)(1) of this section, or if the board adopts such a resolution 3689
in which only a part of the unincorporated territory becomes a 3690
village, the board of county commissioners shall attach all the 3691
unincorporated territory that does not become a village to any 3692
township contiguous to that territory or erect that territory into 3693
a new township, the boundaries of which need not include 3694
twenty-two square miles of territory. 3695

(D) If a board of township trustees adopts a resolution under 3696
division (C)(1) of this section for all or part of the township's 3697

unincorporated territory to become a village, the board shall 3698
serve as the legislative authority of the area constituting the 3699
village until the next regular municipal election that occurs at 3700
least ~~seventy-five~~ ninety days after the adoption of the 3701
resolution. At that election, the legislative authority of the 3702
village shall be elected under section 731.09 of the Revised Code 3703
and all other officers of the village shall be elected under 3704
Chapter 733. of the Revised Code. 3705

Sec. 715.69. (A) As used in this section: 3706

(1) "Contracting party" means a municipal corporation that 3707
has entered into a joint economic development zone contract or any 3708
party succeeding to such a municipal corporation. 3709

(2) "Contract for utility services" means a contract under 3710
which a municipal corporation agrees to provide to another 3711
municipal corporation water, sewer, electric, or other utility 3712
services necessary to the public health, safety, and welfare. 3713

(3) "Joint economic development zone contract" means a 3714
contract described in and entered into under division (B) of this 3715
section. 3716

(4) "Zone" means a joint economic development zone designated 3717
under this section. 3718

(B) Two or more municipal corporations may enter into a 3719
contract whereby they agree to share in the costs of improvements 3720
for an area or areas located in one or more of the contracting 3721
parties that they designate as a joint economic development zone 3722
for the purpose of facilitating new or expanded growth for 3723
commercial or economic development in the state. Except as 3724
otherwise provided in division (I) of this section, the contract 3725
and zone shall meet the requirements of divisions (B) to (H) of 3726
this section. 3727

(C) The contract shall set forth each contracting party's contribution to the joint economic development zone. The contributions may be in any form that the contracting parties agree to, subject to divisions (G) and (I) of this section, and may include, but are not limited to, the provision of services, money, or equipment. The contract may provide for the contracting parties to distribute among themselves, in the manner they agree to, any municipal income tax revenues derived from the income earned by persons employed by businesses that locate within the zone after it is designated by the contracting parties and from the net profits of such businesses. Except as provided in divisions (G) and (I) of this section, the contract may be amended, renewed, or terminated with the consent of the contracting parties.

(D) Before the legislative authority of any of the contracting parties enacts an ordinance approving a contract to designate a joint economic development zone, the legislative authority of each of the contracting parties shall hold a public hearing concerning the contract and zone. Each such legislative authority shall provide at least thirty days' public notice of the time and place of the public hearing in a newspaper of general circulation in the municipal corporation. During the thirty-day period prior to the public hearing, all of the following documents shall be available for public inspection in the office of the clerk of the legislative authority of each of the contracting parties:

(1) A copy of the contract designating the zone;

(2) A description of the area or areas to be included in the zone, including a map in sufficient detail to denote the specific boundaries of the area or areas;

(3) An economic development plan for the zone that includes a schedule for the provision of any new, expanded, or additional

services, facilities, or improvements. 3760

A public hearing held under division (D) of this section 3761
shall allow for public comment and recommendations on the contract 3762
and zone. The contracting parties may include in the contract any 3763
of those recommendations prior to approval of the contract. 3764

(E) After the public hearings required under division (D) of 3765
this section have been held, each contracting party may enact an 3766
ordinance approving the contract to designate a joint economic 3767
development zone. After each contracting party has enacted such an 3768
ordinance, the clerk of the legislative authority of each 3769
contracting party shall file with the board of elections of each 3770
county within which a contracting party is located a copy of the 3771
ordinance approving the contract and shall direct the board of 3772
elections to submit the ordinance to the electors of the 3773
contracting party on the day of the next general, primary, or 3774
special election occurring at least ~~seventy-five~~ ninety days after 3775
the ordinance is filed with the board of elections. 3776

(F) The ballot shall be in the following form: 3777

"Shall the ordinance of the legislative authority of the 3778
(city or village) of (name of contracting party) approving the 3779
contract with (name of each other contracting party) for the 3780
designation of a joint economic development zone be approved? 3781

	FOR THE ORDINANCE AND CONTRACT	
	AGAINST THE ORDINANCE AND CONTRACT	"

3782

3783

3784

3785

If a majority of the electors of each contracting party voting on 3786

the issue vote for the ordinance and contract, the ordinance shall 3787

become effective immediately and the contract shall go into effect 3788

immediately or in accordance with its terms. 3789

(G) If two or more contracting parties previously have entered into a separate contract for utility services, then amendment, renewal, or termination of the separate contract for utility services shall not constitute a part of the consideration for a joint economic development zone contract unless the legislative authority of each contracting party determines all of the following:

(1) That the creation of the joint economic development zone will facilitate new or expanded growth for commercial or economic development in this state;

(2) That substantial consideration exists to support the joint economic development zone contract;

(3) That the contracting parties are entering into the joint economic development zone contract freely and without duress or coercion related to the amendment, renewal, or termination of the separate contract for utility services.

(H) A joint economic development zone contract that does not satisfy division (G) of this section is void and unenforceable. If the joint economic development zone contract provides for the extension of utility service or the provision of utility service at a lower rate than is currently in effect, any action claiming duress or coercion relating to a joint economic development zone contract may be brought only by a contracting party, and must be brought before the contracting parties enter into the joint economic development zone contract. The signing of the joint economic development zone contract as authorized by the contracting parties is conclusive evidence as to the determinations set forth under division (G) of this section.

(I) If one of the contracting parties is an impacted city as defined in division (C) of section 1728.01 of the Revised Code, then divisions (D) to (F) of this section shall not apply to the

joint economic development zone contract or to the joint economic 3821
development zone to which that contract relates unless the 3822
contracting parties agree that those divisions shall apply. 3823

Sec. 715.691. (A) As used in this section: 3824

(1) "Contracting party" means a municipal corporation that 3825
has entered into a joint economic development zone contract or any 3826
party succeeding to the municipal corporation, or a township that 3827
entered into a joint economic development zone contract with a 3828
municipal corporation. 3829

(2) "Zone" means a joint economic development zone designated 3830
under this section. 3831

(B) This section provides alternative procedures and 3832
requirements for creating and operating a joint economic 3833
development zone to those set forth in section 715.69 of the 3834
Revised Code. This section applies only if one of the contracting 3835
parties to the zone does not levy a municipal income tax under 3836
Chapter 718. of the Revised Code. A municipal corporation that 3837
does not levy a municipal income tax may enter into an agreement 3838
to create and operate a joint economic development zone under this 3839
section or under section 715.69 of the Revised Code. 3840

Two or more municipal corporations or one or more townships 3841
and one or more municipal corporations may enter into a contract 3842
whereby they agree to share in the costs of improvements for an 3843
area or areas located in one or more of the contracting parties 3844
that they designate as a joint economic development zone for the 3845
purpose of facilitating new or expanded growth for commercial or 3846
economic development in the state. The contract and zone shall 3847
meet the requirements of divisions (B) to (J) of this section. 3848

(C) The contract shall set forth each contracting party's 3849
contribution to the joint economic development zone. The 3850

contributions may be in any form that the contracting parties 3851
agree to, and may include, but are not limited to, the provision 3852
of services, money, or equipment. The contract may be amended, 3853
renewed, or terminated with the consent of the contracting 3854
parties. The contract shall continue in existence throughout the 3855
term it specifies and shall be binding on the contracting parties 3856
and on any entities succeeding to the contracting parties. 3857

(D) Before the legislative authority of any of the 3858
contracting parties enacts an ordinance or resolution approving a 3859
contract to designate a joint economic development zone, the 3860
legislative authority of each of the contracting parties shall 3861
hold a public hearing concerning the contract and zone. Each 3862
legislative authority shall provide at least thirty days' public 3863
notice of the time and place of the public hearing in a newspaper 3864
of general circulation in the municipal corporation or township. 3865
During the thirty-day period prior to the public hearing, all of 3866
the following documents shall be available for public inspection 3867
in the office of the clerk of the legislative authority of a 3868
municipal corporation that is a contracting party and in the 3869
office of the fiscal officer of a township that is a contracting 3870
party: 3871

(1) A copy of the contract designating the zone; 3872

(2) A description of the area or areas to be included in the 3873
zone, including a map in sufficient detail to denote the specific 3874
boundaries of the area or areas; 3875

(3) An economic development plan for the zone that includes a 3876
schedule for the provision of any new, expanded, or additional 3877
services, facilities, or improvements. 3878

A public hearing held under division (D) of this section 3879
shall allow for public comment and recommendations on the contract 3880
and zone. The contracting parties may include in the contract any 3881

of those recommendations prior to approval of the contract. 3882

(E) After the public hearings required under division (D) of 3883
this section have been held, each contracting party may enact an 3884
ordinance or resolution approving the contract to designate a 3885
joint economic development zone. After each contracting party has 3886
enacted an ordinance or resolution, the clerk of the legislative 3887
authority of a municipal corporation that is a contracting party 3888
and the fiscal officer of a township that is a contracting party 3889
shall file with the board of elections of each county within which 3890
a contracting party is located a copy of the ordinance or 3891
resolution approving the contract and shall direct the board of 3892
elections to submit the ordinance or resolution to the electors of 3893
the contracting party on the day of the next general, primary, or 3894
special election occurring at least ~~seventy-five~~ ninety days after 3895
the ordinance or resolution is filed with the board of elections. 3896
If any of the contracting parties is a township, however, then 3897
only the township or townships shall submit the resolution to the 3898
electors. 3899

(F)(1) If a vote is required to approve a municipal 3900
corporation as a contracting party to a joint economic development 3901
zone under this section, the ballot shall be in the following 3902
form: 3903

"Shall the ordinance of the legislative authority of the 3904
(city or village) of (name of contracting party) approving the 3905
contract with (name of each other contracting party) for the 3906
designation of a joint economic development zone be approved? 3907

	FOR THE ORDINANCE AND CONTRACT	
	AGAINST THE ORDINANCE AND CONTRACT	"

3908
3909
3910
3911
(2) If a vote is required to approve a township as a 3912

contracting party to a joint economic development zone under this 3913
section, the ballot shall be in the following form: 3914

"Shall the resolution of the board of township trustees of 3915
the township of (name of contracting party) approving the contract 3916
with (name of each other contracting party) for the designation of 3917
a joint economic development zone be approved? 3918

	FOR THE RESOLUTION AND CONTRACT	
	AGAINST THE RESOLUTION AND CONTRACT	"

3919
3920
3921
3922
If a majority of the electors of each contracting party 3923
voting on the issue vote for the ordinance or resolution and 3924
contract, the ordinance or resolution shall become effective 3925
immediately and the contract shall go into effect immediately or 3926
in accordance with its terms. 3927

(G)(1) A board of directors shall govern each joint economic 3928
development zone created under section 715.691 of the Revised 3929
Code. The members of the board shall be appointed as provided in 3930
the contract. Each of the contracting parties shall appoint three 3931
members to the board. Terms for each member shall be for two 3932
years, each term ending on the same day of the month of the year 3933
as did the term that it succeeds. A member may be reappointed to 3934
the board. 3935

(2) Membership on the board is not the holding of a public 3936
office or employment within the meaning of any section of the 3937
Revised Code or any charter provision prohibiting the holding of 3938
other public office or employment. Membership on the board is not 3939
a direct or indirect interest in a contract or expenditure of 3940
money by a municipal corporation, township, county, or other 3941
political subdivision with which a member may be affiliated. 3942
Notwithstanding any provision of law or a charter to the contrary, 3943

no member of the board shall forfeit or be disqualified from 3944
holding any public office or employment by reason of membership on 3945
the board. 3946

(3) The board is a public body for the purposes of section 3947
121.22 of the Revised Code. Chapter 2744. of the Revised Code 3948
applies to the board and the zone. 3949

(H) The contract may grant to the board of directors 3950
appointed under division (G) of this section the power to adopt a 3951
resolution to levy an income tax within the zone. The income tax 3952
shall be used for the purposes of the zone and for the purposes of 3953
the contracting municipal corporations pursuant to the contract. 3954
The income tax may be levied in the zone based on income earned by 3955
persons working within the zone and on the net profits of 3956
businesses located in the zone. The income tax is subject to 3957
Chapter 718. of the Revised Code, except that a vote shall be 3958
required by the electors residing in the zone to approve the rate 3959
of income tax unless a majority of the electors residing within 3960
the zone, as determined by the total number of votes cast in the 3961
zone for the office of governor at the most recent general 3962
election for that office, submit a petition to the board 3963
requesting that the election provided for in division (H)(1) of 3964
this section not be held. If no electors reside within the zone, 3965
then division (H)(3) of this section applies. The rate of the 3966
income tax shall be no higher than the highest rate being levied 3967
by a municipal corporation that is a party to the contract. 3968

(1) The board of directors may levy an income tax at a rate 3969
that is not higher than the highest rate being levied by a 3970
municipal corporation that is a party to the contract, provided 3971
that the rate of the income tax is first submitted to and approved 3972
by the electors of the zone at the succeeding regular or primary 3973
election, or a special election called by the board, occurring 3974
subsequent to ~~seventy-five~~ ninety days after a certified copy of 3975

the resolution levying the income tax and calling for the election 3976
is filed with the board of elections. If the voters approve the 3977
levy of the income tax, the income tax shall be in force for the 3978
full period of the contract establishing the zone. No election 3979
shall be held under this section if a majority of the electors 3980
residing within the zone, determined as specified in division (H) 3981
of this section, submit a petition to that effect to the board of 3982
directors. Any increase in the rate of an income tax by the board 3983
of directors shall be approved by a vote of the electors of the 3984
zone and shall be in force for the remaining period of the 3985
contract establishing the zone. 3986

(2) Whenever a zone is located in the territory of more than 3987
one contracting party, a majority vote of the electors in each of 3988
the several portions of the territory of the contracting parties 3989
constituting the zone approving the levy of the tax is required 3990
before it may be imposed under division (H) of this section. 3991

(3) If no electors reside in the zone, no election for the 3992
approval or rejection of an income tax shall be held under this 3993
section, provided that where no electors reside in the zone, the 3994
rate of the income tax shall be no higher than the highest rate 3995
being levied by a municipal corporation that is a party to the 3996
contract. 3997

(4) The board of directors of a zone levying an income tax 3998
shall enter into an agreement with one of the municipal 3999
corporations that is a party to the contract to administer, 4000
collect, and enforce the income tax on behalf of the zone. 4001

(5) The board of directors of a zone shall publish or post 4002
public notice within the zone of any resolution adopted levying an 4003
income tax in the same manner required of municipal corporations 4004
under sections 731.21 and 731.25 of the Revised Code. 4005

(I)(1) If for any reason a contracting party reverts to or 4006

has its boundaries changed so that it is classified as a township 4007
that is the entity succeeding to that contracting party, the 4008
township is considered to be a municipal corporation for the 4009
purposes of the contract for the full period of the contract 4010
establishing the joint economic development zone, except that if 4011
that contracting party is administering, collecting, and enforcing 4012
the income tax on behalf of the district as provided in division 4013
(H)(4) of this section, the contract shall be amended to allow one 4014
of the other contracting parties to administer, collect, and 4015
enforce that tax. 4016

(2) Notwithstanding any other section of the Revised Code, if 4017
there is any change in the boundaries of a township so that a 4018
municipal corporation once located within the township is no 4019
longer so located, the township shall remain in existence even 4020
though its remaining unincorporated area contains less than 4021
twenty-two square miles, if the township has been or becomes a 4022
party to a contract creating a joint economic development zone 4023
under this section or the contract creating that joint economic 4024
development zone under this section is terminated or repudiated 4025
for any reason by any party or person. The township shall continue 4026
its existing status in all respects, including having the same 4027
form of government and the same elected board of trustees as its 4028
governing body. The township shall continue to receive all of its 4029
tax levies and sources of income as a township in accordance with 4030
any section of the Revised Code, whether the levies and sources of 4031
income generate millage within the ten-mill limitation or in 4032
excess of the ten-mill limitation. The name of the township may be 4033
changed to the name of the contracting party appearing in the 4034
contract creating a joint economic development zone under this 4035
section, so long as the name does not conflict with any other name 4036
in the state that has been certified by the secretary of state. 4037
The township shall have all of the powers set out in sections 4038
715.79, 715.80, and 715.81 of the Revised Code. 4039

(J) If, after creating and operating a joint economic development zone under this section, a contracting party that did not levy a municipal income tax under Chapter 718. of the Revised Code levies such a tax, the tax shall not apply to the zone for the full period of the contract establishing the zone, if the board of directors of the zone has levied an income tax as provided in division (H) of this section.

Sec. 715.70. (A) This section and section 715.71 of the Revised Code apply only to:

(1) Municipal corporations and townships within a county that has adopted a charter under Sections 3 and 4 of Article X, Ohio Constitution;

(2) Municipal corporations and townships that have created a joint economic development district comprised entirely of real property owned by a municipal corporation at the time the district was created under this section. The real property owned by the municipal corporation shall include an airport owned by the municipal corporation and located entirely beyond the municipal corporation's corporate boundary.

(3) Municipal corporations or townships that are part of or contiguous to a transportation improvement district created under Chapter 5540. of the Revised Code and that have created a joint economic development district under this section or section 715.71 of the Revised Code prior to November 15, 1995;

(4) Municipal corporations that have previously entered into a contract creating a joint economic development district pursuant to division (A)(2) of this section, even if the territory to be included in the district does not meet the requirements of that division.

(B)(1) One or more municipal corporations and one or more

townships may enter into a contract approved by the legislative 4070
authority of each contracting party pursuant to which they create 4071
as a joint economic development district an area or areas for the 4072
purpose of facilitating economic development to create or preserve 4073
jobs and employment opportunities and to improve the economic 4074
welfare of the people in the state and in the area of the 4075
contracting parties. A municipal corporation described in division 4076
(A)(4) of this section may enter into a contract with other 4077
municipal corporations and townships to create a new joint 4078
economic development district. In a district that includes a 4079
municipal corporation described in division (A)(4) of this 4080
section, the territory of each of the contracting parties shall be 4081
contiguous to the territory of at least one other contracting 4082
party, or contiguous to the territory of a township or municipal 4083
corporation that is contiguous to another contracting party, even 4084
if the intervening township or municipal corporation is not a 4085
contracting party. The area or areas of land to be included in the 4086
district shall not include any parcel of land owned in fee by a 4087
municipal corporation or a township or parcel of land that is 4088
leased to a municipal corporation or a township, unless the 4089
municipal corporation or township is a party to the contract or 4090
unless the municipal corporation or township has given its consent 4091
to have its parcel of land included in the district by the 4092
adoption of a resolution. As used in this division, "parcel of 4093
land" means any parcel of land owned by a municipal corporation or 4094
a township for at least a six-month period within a five-year 4095
period prior to the creation of a district, but "parcel of land" 4096
does not include streets or public ways and sewer, water, and 4097
other utility lines whether owned in fee or otherwise. 4098

The district created shall be located within the territory of 4099
one or more of the participating parties and may consist of all or 4100
a portion of such territory. The boundaries of the district shall 4101
be described in the contract or in an addendum to the contract. 4102

(2) Prior to the public hearing to be held pursuant to 4103
division (D)(2) of this section, the participating parties shall 4104
give a copy of the proposed contract to each municipal corporation 4105
located within one-quarter mile of the proposed joint economic 4106
development district and not otherwise a party to the contract, 4107
and afford the municipal corporation the reasonable opportunity, 4108
for a period of thirty days following receipt of the proposed 4109
contract, to make comments and suggestions to the participating 4110
parties regarding elements contained in the proposed contract. 4111

(3) The district shall not exceed two thousand acres in area. 4112
The territory of the district shall not completely surround 4113
territory that is not included within the boundaries of the 4114
district. 4115

(4) Sections 503.07 to 503.12 of the Revised Code do not 4116
apply to territory included within a district created pursuant to 4117
this section as long as the contract creating the district is in 4118
effect, unless the legislative authority of each municipal 4119
corporation and the board of township trustees of each township 4120
included in the district consent, by ordinance or resolution, to 4121
the application of those sections of the Revised Code. 4122

(5) Upon the execution of the contract creating the district 4123
by the parties to the contract, a participating municipal 4124
corporation or township included within the district shall file a 4125
copy of the fully executed contract with the county recorder of 4126
each county within which a party to the contract is located, in 4127
the miscellaneous records of the county. No annexation proceeding 4128
pursuant to Chapter 709. of the Revised Code that proposes the 4129
annexation to, merger, or consolidation with a municipal 4130
corporation of any unincorporated territory within the district 4131
shall be commenced for a period of three years after the contract 4132
is filed with the county recorder of each county within which a 4133
party to the contract is located unless each board of township 4134

trustees whose territory is included, in whole or part, within the 4135
district and the territory proposed to be annexed, merged, or 4136
consolidated adopts a resolution consenting to the commencement of 4137
the proceeding and a copy of the resolution is filed with the 4138
legislative authority of each county within which a party to the 4139
contract is located or unless the contract is terminated during 4140
this period. 4141

The contract entered into between the municipal corporations 4142
and townships pursuant to this section may provide for the 4143
prohibition of any annexation by the participating municipal 4144
corporations of any unincorporated territory within the district 4145
beyond the three-year mandatory prohibition of any annexation 4146
provided for in division (B)(5) of this section. 4147

(C)(1) After the legislative authority of a municipal 4148
corporation and the board of township trustees have adopted an 4149
ordinance and resolution approving a contract to create a joint 4150
economic development district pursuant to this section, and after 4151
a contract has been signed, the municipal corporations and 4152
townships shall jointly file a petition with the legislative 4153
authority of each county within which a party to the contract is 4154
located. 4155

(a) The petition shall contain all of the following: 4156

(i) A statement that the area or areas of the district is not 4157
greater than two thousand acres and is located within the 4158
territory of one or more of the contracting parties; 4159

(ii) A brief summary of the services to be provided by each 4160
party to the contract or a reference to the portion of the 4161
contract describing those services; 4162

(iii) A description of the area or areas to be designated as 4163
the district; 4164

(iv) The signature of a representative of each of the 4165

contracting parties. 4166

(b) The following documents shall be filed with the petition: 4167

(i) A signed copy of the contract, together with copies of 4168
district maps and plans related to or part of the contract; 4169

(ii) A certified copy of the ordinances and resolutions of 4170
the contracting parties approving the contract; 4171

(iii) A certificate from each of the contracting parties 4172
indicating that the public hearings required by division (D)(2) of 4173
this section have been held, the date of the hearings, and 4174
evidence of publication of the notice of the hearings; 4175

(iv) One or more signed statements of persons who are owners 4176
of property located in whole or in part within the area to be 4177
designated as the district, requesting that the property be 4178
included within the district, provided that those statements shall 4179
represent a majority of the persons owning property located in 4180
whole or in part within the district and persons owning a majority 4181
of the acreage located within the district. A signature may be 4182
withdrawn by the signer up to but not after the time of the public 4183
hearing required by division (D)(2) of this section. 4184

(2) The legislative authority of each county within which a 4185
party to the contract is located shall adopt a resolution 4186
approving the petition for the creation of the district if the 4187
petition and other documents have been filed in accordance with 4188
the requirements of division (C)(1) of this section. If the 4189
petition and other documents do not substantially meet the 4190
requirements of that division, the legislative authority of any 4191
county within which a party to the contract is located may adopt a 4192
resolution disapproving the petition for the creation of the 4193
district. The legislative authority of each county within which a 4194
party to the contract is located shall adopt a resolution 4195
approving or disapproving the petition within thirty days after 4196

the petition was filed. If the legislative authority of each such 4197
county does not adopt the resolution within the thirty-day period, 4198
the petition shall be deemed approved and the contract shall go 4199
into effect immediately after that approval or at such other time 4200
as the contract specifies. 4201

(D)(1) The contract creating the district shall set forth or 4202
provide for the amount or nature of the contribution of each 4203
municipal corporation and township to the development and 4204
operation of the district and may provide for the sharing of the 4205
costs of the operation of and improvements for the district. The 4206
contributions may be in any form to which the contracting 4207
municipal corporations and townships agree and may include but are 4208
not limited to the provision of services, money, real or personal 4209
property, facilities, or equipment. The contract may provide for 4210
the contracting parties to share revenue from taxes levied on 4211
property by one or more of the contracting parties if those 4212
revenues may lawfully be applied to that purpose under the 4213
legislation by which those taxes are levied. The contract shall 4214
provide for new, expanded, or additional services, facilities, or 4215
improvements, including expanded or additional capacity for or 4216
other enhancement of existing services, facilities, or 4217
improvements, provided that those services, facilities, or 4218
improvements, or expanded or additional capacity for or 4219
enhancement of existing services, facilities, or improvements, 4220
required herein have been provided within the two-year period 4221
prior to the execution of the contract. 4222

(2) Before the legislative authority of a municipal 4223
corporation or a board of township trustees passes any ordinance 4224
or resolution approving a contract to create a joint economic 4225
development district pursuant to this section, the legislative 4226
authority of the municipal corporation and the board of township 4227
trustees shall each hold a public hearing concerning the joint 4228

economic development district contract and shall provide thirty 4229
days' public notice of the time and place of the public hearing in 4230
a newspaper of general circulation in the municipal corporation 4231
and the township. The board of township trustees may provide 4232
additional notice to township residents in accordance with section 4233
9.03 of the Revised Code, and any additional notice shall include 4234
the public hearing announcement; a summary of the terms of the 4235
contract; a statement that the entire text of the contract and 4236
district maps and plans are on file for public examination in the 4237
office of the township fiscal officer; and information pertaining 4238
to any tax changes that will or may occur as a result of the 4239
contract. 4240

During the thirty-day period prior to the public hearing, a 4241
copy of the text of the contract together with copies of district 4242
maps and plans related to or part of the contract shall be on 4243
file, for public examination, in the offices of the clerk of the 4244
legislative authority of the municipal corporation and of the 4245
township fiscal officer. The public hearing provided for in 4246
division (D)(2) of this section shall allow for public comment and 4247
recommendations from the public on the proposed contract. The 4248
contracting parties may include in the contract any of those 4249
recommendations prior to the approval of the contract. 4250

(3) Any resolution of the board of township trustees that 4251
approves a contract that creates a joint economic development 4252
district pursuant to this section shall be subject to a referendum 4253
of the electors of the township. When a referendum petition, 4254
signed by ten per cent of the number of electors in the township 4255
who voted for the office of governor at the most recent general 4256
election for the office of governor, is presented to the board of 4257
township trustees within thirty days after the board of township 4258
trustees adopted the resolution, ordering that the resolution be 4259
submitted to the electors of the township for their approval or 4260

rejection, the board of township trustees shall, after ten days 4261
and not later than four p.m. of the ~~seventy-fifth~~ ninetieth day 4262
before the election, certify the text of the resolution to the 4263
board of elections. The board of elections shall submit the 4264
resolution to the electors of the township for their approval or 4265
rejection at the next general, primary, or special election 4266
occurring subsequent to ~~seventy-five~~ ninety days after the 4267
certifying of the petition to the board of elections. 4268

(4) Upon the creation of a district under this section or 4269
section 715.71 of the Revised Code, one of the contracting parties 4270
shall file a copy of the following with the director of 4271
development: 4272

(a) The petition and other documents described in division 4273
(C)(1) of this section, if the district is created under this 4274
section; 4275

(b) The documents described in division (D) of section 715.71 4276
of the Revised Code, if the district is created under this 4277
section. 4278

(E) The district created by the contract shall be governed by 4279
a board of directors that shall be established by or pursuant to 4280
the contract. The board is a public body for the purposes of 4281
section 121.22 of the Revised Code. The provisions of Chapter 4282
2744. of the Revised Code apply to the board and the district. The 4283
members of the board shall be appointed as provided in the 4284
contract from among the elected members of the legislative 4285
authorities and the elected chief executive officers of the 4286
contracting parties, provided that there shall be at least two 4287
members appointed from each of the contracting parties. 4288

(F) The contract shall enumerate the specific powers, duties, 4289
and functions of the board of directors of a district, and the 4290
contract shall provide for the determination of procedures that 4291

are to govern the board of directors. The contract may grant to 4292
the board the power to adopt a resolution to levy an income tax 4293
within the district. The income tax shall be used for the purposes 4294
of the district and for the purposes of the contracting municipal 4295
corporations and townships pursuant to the contract. The income 4296
tax may be levied in the district based on income earned by 4297
persons working or residing within the district and based on the 4298
net profits of businesses located in the district. The income tax 4299
shall follow the provisions of Chapter 718. of the Revised Code, 4300
except that a vote shall be required by the electors residing in 4301
the district to approve the rate of income tax. If no electors 4302
reside within the district, then division (F)(4) of this section 4303
applies. The rate of the income tax shall be no higher than the 4304
highest rate being levied by a municipal corporation that is a 4305
party to the contract. 4306

(1) Within one hundred eighty days after the first meeting of 4307
the board of directors, the board may levy an income tax, provided 4308
that the rate of the income tax is first submitted to and approved 4309
by the electors of the district at the succeeding regular or 4310
primary election, or a special election called by the board, 4311
occurring subsequent to ~~seventy-five~~ ninety days after a certified 4312
copy of the resolution levying the income tax and calling for the 4313
election is filed with the board of elections. If the voters 4314
approve the levy of the income tax, the income tax shall be in 4315
force for the full period of the contract establishing the 4316
district. Any increase in the rate of an income tax that was first 4317
levied within one hundred eighty days after the first meeting of 4318
the board of directors shall be approved by a vote of the electors 4319
of the district, shall be in force for the remaining period of the 4320
contract establishing the district, and shall not be subject to 4321
division (F)(2) of this section. 4322

(2) Any resolution of the board of directors levying an 4323

income tax that is adopted subsequent to one hundred eighty days 4324
after the first meeting of the board of directors shall be subject 4325
to a referendum as provided in division (F)(2) of this section. 4326
Any resolution of the board of directors levying an income tax 4327
that is adopted subsequent to one hundred eighty days after the 4328
first meeting of the board of directors shall be subject to an 4329
initiative proceeding to amend or repeal the resolution levying 4330
the income tax as provided in division (F)(2) of this section. 4331
When a referendum petition, signed by ten per cent of the number 4332
of electors in the district who voted for the office of governor 4333
at the most recent general election for the office of governor, is 4334
filed with the county auditor of each county within which a party 4335
to the contract is located within thirty days after the resolution 4336
is adopted by the board or when an initiative petition, signed by 4337
ten per cent of the number of electors in the district who voted 4338
for the office of governor at the most recent general election for 4339
the office of governor, is filed with the county auditor of each 4340
such county ordering that a resolution to amend or repeal a prior 4341
resolution levying an income tax be submitted to the electors 4342

resolution to such electors, for their approval or rejection, at 4349
the next general, primary, or special election occurring 4350
subsequent to ~~seventy-five~~ ninety days after the certifying of 4351
such petition to the board of elections. 4352

(3) Whenever a district is located in the territory of more 4353
than one contracting party, a majority vote of the electors, if 4354
any, in each of the several portions of the territory of the 4355
contracting parties constituting the district approving the levy 4356

of the tax is required before it may be imposed pursuant to this 4357
division. 4358

(4) If there are no electors residing in the district, no 4359
election for the approval or rejection of an income tax shall be 4360
held pursuant to this section, provided that where no electors 4361

may be levied shall not exceed one per cent. 4363

(5) The board of directors of a district levying an income 4364
tax shall enter into an agreement with one of the municipal 4365
corporations that is a party to the contract to administer, 4366
collect, and enforce the income tax on behalf of the district. The 4367
resolution levying the income tax shall provide the same credits, 4368
if any, to residents of the district for income taxes paid to 4369
other such districts or municipal corporations where the residents 4370
work, as credits provided to residents of the municipal 4371
corporation administering the income tax. 4372

(6)(a) The board shall publish or post public notice within 4373
the district of any resolution adopted levying an income tax in 4374

(b) Except as otherwise specified by this division, any 4377
referendum or initiative proceeding within a district shall be 4378
conducted in the same manner as is required for such proceedings 4379
within a municipal corporation pursuant to sections 731.28 to 4380

(G) Membership on the board of directors does not constitute 4382
the holding of a public office or employment within the meaning of 4383
any section of the Revised Code or any charter provision 4384
prohibiting the holding of other public office or employment, and 4385
shall not constitute an interest, either direct or indirect, in a 4386
contract or expenditure of money by any municipal corporation, 4387

township, county, or other political subdivision with which the 4388
member may be connected. No member of a board of directors shall 4389
be disqualified from holding any public office or employment, nor 4390
shall such member forfeit or be disqualified from holding any such 4391
office or employment, by reason of the member's membership on the 4392

(H) The powers and authorizations granted pursuant to this 4395
section or section 715.71 of the Revised Code are in addition to 4396
and not in derogation of all other powers granted to municipal 4397

Revised Code, a township may exercise all of the powers of a 4407
township, and may perform all the functions and duties of a 4408

Revised Code on any property located within the district without 4415
the consent of the contracting parties. The prohibition for any 4416
tax exemption pursuant to this division shall not apply to any 4417
exemption filed, pending, or approved, or for which an agreement 4418
has been entered into, before the effective date of the contract 4419

and county regulations, including but not limited to procedures 4433
and processes concerning zoning. 4434

(J) A contract entered into pursuant to this section or 4435
section 715.71 of the Revised Code may be amended and it may be 4436
renewed, canceled, or terminated as provided in or pursuant to the 4437
contract. The contract may be amended to add property owned by one 4438
of the contracting parties to the district, or may be amended to 4439
delete property from the district whether or not one of the 4440
contracting parties owns the deleted property. The contract shall 4441
continue in existence throughout its term and shall be binding on 4442
the contracting parties and on any entities succeeding to such 4443
parties, whether by annexation, merger, or otherwise. The income 4444
tax levied by the board pursuant to this section or section 715.71 4445
of the Revised Code shall apply in the entire district throughout 4446
the term of the contract, notwithstanding that all or a portion of 4447
the district becomes subject to annexation, merger, or 4448
incorporation. No township or municipal corporation is divested of 4449
its rights or obligations under the contract because of 4450
annexation, merger, or succession of interests. 4451

(K) After the creation of a joint economic development 4452

district described in division (A)(2) of this section, a municipal 4453
corporation that is a contracting party may cease to own property 4454
included in the district, but such property shall continue to be 4455
included in the district and subject to the terms of the contract. 4456

Sec. 715.71. (A) This section provides alternative procedures 4457
and requirements to those set forth in section 715.70 of the 4458
Revised Code for creating and operating a joint economic 4459

purpose of facilitating economic development to create or preserve 4470
jobs and employment opportunities and to improve the economic 4471

the territory of one or more of the contracting parties and may 4474

the district shall be described in the contract or in an addendum 4476
to the contract. The area or areas of land to be included in the 4477
district shall not include any parcel of land owned in fee by or 4478

municipal corporation or township is a party to the contract or 4480
has given its consent to have its parcel of land included in the 4481
district by the adoption of a resolution. As used in this 4482
division, "parcel of land" has the same meaning as in division (B) 4483
of section 715.70 of the Revised Code. 4484

which a party to the contract is located shall adopt a resolution 4521
acknowledging the receipt of the required documents, approving the 4522
creation of the joint economic development district, and directing 4523
that the resolution of the board of township trustees approving 4524
the contract be submitted to the electors of the township for 4525

legislative authority of the county is not adopted within the 4534
thirty-day period after the filing under division (D) of this 4535
section, the joint economic development district shall be deemed 4536
approved by the county legislative authority, and the board of 4537
township trustees shall file its resolution with the board of 4538
elections for submission to the electors of the township for 4539
approval at the next succeeding general, primary, or special 4540

vote for the resolution and contract, the resolution shall become 4556
effective immediately and the contract shall go into effect 4557
immediately or in accordance with its terms. 4558

(F) The contract creating the district shall set forth or 4559
provide for the amount or nature of the contribution of each 4560
municipal corporation and township to the development and 4561

contributions may be in any form to which the contracting 4564
municipal corporations and townships agree and may include but are 4565

to the commencement of the proceeding and a copy of the resolution 4616
is filed with the legislative authority of each such county or 4617
unless the contract is terminated during this three-year period. 4618

county legislative authority and, if the board of township 4665
trustees has not invoked its authority under division (A)(1) of 4666
this section, the board of township trustees shall file its 4667

5129

5130

(D) If the question is approved by a majority of the 5131

territory of the municipal corporations as a group is located 5140
outside the school district and not more than five per cent of the 5141

in a group of municipal corporations to which this section applies 5145
each may propose to the electors an income tax, to be levied in 5146
concert with income taxes in the other municipal corporations of 5147
the group, except that a legislative authority may not propose to 5148
levy the income tax on the incomes of individuals who do not 5149
reside in the municipal corporation. One of the purposes of such a 5150
tax shall be to provide financial assistance to the school 5151

entered into the agreement, each legislative authority shall 5168
provide for levying its tax by ordinance. Each ordinance shall 5169

state the rate of the tax, the percentage of tax revenue to be 5170
paid to the school district, the purpose for which the municipal 5171
corporation will use its share of the tax revenue, and the first 5172
year the tax will be levied. Each ordinance also shall state that 5173
the question of the income tax will be submitted to the electors 5174
of the municipal corporation on the same date as the submission of 5175
questions of an identical tax to the electors of each of the other 5176
municipal corporations in the group, and that unless the electors 5177
of all of the municipal corporations in the group approve the tax 5178
in their respective municipal corporations, none of the municipal 5179
corporations in the group shall levy the tax. Each legislative 5180
authority also shall adopt a resolution specifying the regular or 5181
special election date the election will be held and directing the 5182
board of elections to conduct the election. At least ~~seventy-five~~ 5183
ninety days before the date of the election, each legislative 5184
authority shall file certified copies of the ordinance and 5185
resolution with the board of elections. 5186

(C) For each of the municipal corporations, the board of 5187
elections shall make the necessary arrangements for the submission 5188
of the question to the electors, and shall conduct the election in 5189
the same manner as any other municipal income tax election. For 5190
each of the municipal corporations, notice of the election shall 5191
be published in a newspaper of general circulation in the 5192
municipal corporation once a week for four consecutive weeks prior 5193
to the election. The notice shall include a statement of the rate 5194
and municipal corporation and school district purposes of the 5195
income tax, the percentage of tax revenue that will be paid to the 5196
school district, and the first year the tax will be levied, and an 5197
explanation that the tax will not be levied unless an identical 5198
tax is approved by the electors of each of the other municipal 5199
corporations in the group. The ballot shall be in the following 5200
form: 5201

"Shall the ordinance providing for a ... per cent levy on income for (brief description of the municipal corporation and school district purposes of the levy, including a statement of the percentage of income tax revenue that will be paid to the school district) be passed? The income tax, if approved, will not be levied on the incomes of individuals who do not reside in (the name of the municipal corporation). In order for the income tax to be levied, the voters of (the other municipal corporations in the group), which are also in the (name of the school district) school district, must approve an identical income tax and agree to pay the same percentage of the tax revenue to the school district.

	For the income tax	"
	Against the income tax	

(D) If the question is approved by a majority of the electors and identical taxes are approved by a majority of the electors in each of the other municipal corporations in the group, the municipal corporation shall impose the tax beginning in the year specified in the ordinance. The proceeds of the levy may be used only for the specified purposes, including payment of the specified percentage to the school district.

members of the legislative authority should be changed from two to 5234
four years. The question may also ask whether the legislative 5235
authority should be authorized to establish staggered four-year 5236
terms of office among members of the legislative authority by 5237
fixing certain terms of office at two years for one term of office 5238
but then at four years thereafter. If the resolution calls for 5239
submission of the question about staggered terms, the resolution 5240
shall specify the number of members to be elected for four-year 5241
terms and the number to be elected for two-year terms at the next 5242
election for such members. The resolution shall also specify how 5243
many of those members elected to four-year terms and how many of 5244
those members elected to two-year terms shall be elected from the 5245
city at large, and how many from wards. If staggered terms of 5246
office are established, the legislative authority shall fix the 5247
length of the terms of office prior to the last day fixed by law 5248
for filing as a candidate for such office. The question shall be 5249
voted upon at the next general election occurring not less than 5250
~~seventy five~~ ninety days after the certification of the resolution 5251
to the board of elections. If a majority of the votes cast on the 5252
question is in the affirmative, the terms of office of the members 5253
of the legislative authority shall be four years effective on the 5254
first day of January following the next regular municipal 5255
election, except as may otherwise be provided by the legislative 5256
authority to establish staggered terms of office among members of 5257
the legislative authority. 5258

A city legislative authority whose members' terms of office 5259
are four years may, by a majority vote, adopt a resolution 5260
establishing staggered four-year terms of office among members of 5261
the legislative authority by fixing certain terms of office at two 5262

in section 5705.26 of the Revised Code vote in favor thereof, the 5720
board of county commissioners may levy a tax within the project 5721
area, outside the ten-mill limitation, during the period and for 5722
the purpose stated in the resolution, or at any less rate or for 5723
any less number of years. 5724

The board may issue bonds and notes in anticipation of the 5725
collection of taxes levied under this section, and notes in 5726
anticipation of the issuance of bonds. 5727

Sec. 1545.21. The board of park commissioners, by resolution, 5728
may submit to the electors of the park district the question of 5729
levying taxes for the use of the district. The resolution shall 5730
declare the necessity of levying such taxes, shall specify the 5731
purpose for which such taxes shall be used, the annual rate 5732
proposed, and the number of consecutive years the rate shall be 5733

levied. Such resolution shall be forthwith certified to the board 5734
of elections in each county in which any part of such district is 5735
located, not later than the ~~seventy-fifth~~ ninetieth day before the 5736
day of the election, and the question of the levy of taxes as 5737
provided in such resolution shall be submitted to the electors of 5738
the district at a special election to be held on whichever of the 5739
following occurs first: 5740

(A) The day of the next general election; 5741

(B) The first Tuesday after the first Monday in May in any 5742
calendar year, except that if a presidential primary election is 5743
held in that calendar year, then the day of that election. The 5744
ballot shall set forth the purpose for which the taxes shall be 5745
levied, the annual rate of levy, and the number of years of such 5746
levy. If the tax is to be placed on the current tax list, the form 5747
of the ballot shall state that the tax will be levied in the 5748
current tax year and shall indicate the first calendar year the 5749
tax will be due. If the resolution of the board of park 5750
commissioners provides that an existing levy will be canceled upon 5751
the passage of the new levy, the ballot may include a statement 5752
that: "an existing levy of ... mills (stating the original levy 5753
millage), having ... years remaining, will be canceled and 5754
replaced upon the passage of this levy." In such case, the ballot 5755
may refer to the new levy as a "replacement levy" if the new 5756
millage does not exceed the original millage of the levy being 5757
canceled or as a "replacement and additional levy" if the new 5758
millage exceeds the original millage of the levy being canceled. 5759
If a majority of the electors voting upon the question of such 5760
levy vote in favor thereof, such taxes shall be levied and shall 5761
be in addition to the taxes authorized by section 1545.20 of the 5762
Revised Code, and all other taxes authorized by law. The rate 5763
submitted to the electors at any one time shall not exceed two 5764
mills annually upon each dollar of valuation. When a tax levy has 5765

been authorized as provided in this section or in section 1545.041 5766
of the Revised Code, the board of park commissioners may issue 5767
bonds pursuant to section 133.24 of the Revised Code in 5768
anticipation of the collection of such levy, provided that such 5769
bonds shall be issued only for the purpose of acquiring and 5770
improving lands. Such levy, when collected, shall be applied in 5771
payment of the bonds so issued and the interest thereon. The 5772
amount of bonds so issued and outstanding at any time shall not 5773
exceed one per cent of the total tax valuation in such district. 5774
Such bonds shall bear interest at a rate not to exceed the rate 5775
determined as provided in section 9.95 of the Revised Code. 5776

Sec. 1545.36. (A) When the board of elections of the county 5777
in which a park district is located has had filed with it a 5778
petition calling for the dissolution of the district, and 5779
determines that the petition meets the requirements of this 5780
section and section 3501.38 of the Revised Code, the board shall 5781
place the issue of the dissolution on the ballot at the next 5782
special election to be held on the day of a general or primary 5783
election. Written notice of the filing of the petition shall be 5784
sent immediately to the board of park commissioners and the 5785
probate court that created the district. 5786

(B) The petition shall: 5787

(1) Be filed with the board no less than ~~seventy-five~~ ninety 5788
days before the next election; 5789

(2) Be supported by the signatures of at least twenty-five 5790
per cent of the number of voters in the district who voted in the 5791
preceding gubernatorial election. 5792

(C) If the petition as filed does not have the required 5793
number of signatures and the time for filing has elapsed, the 5794
board shall declare it invalid. No further petition for 5795
dissolution shall be received until after the next election is 5796

completed. On determination of these findings, the board shall 5797
send written notice of them to the principal circulator. 5798

(D)(1) If a majority of the votes cast support the 5799
dissolution, the board shall immediately send written notice of 5800
the vote, citing the number of votes for and against the issue, to 5801
the probate court, to the board of park commissioners, and to the 5802
principal circulator. No park district shall be applied for within 5803
the dissolved district for a period of four years following the 5804
election in which the issue was supported. 5805

(2) If the issue fails to obtain a majority of the votes 5806
cast, the board shall receive no further petition for dissolution 5807
until the fourth year following that in which the election failed, 5808
and shall send written notice of these results to the principal 5809
circulator and the board of park commissioners. 5810

Sec. 1711.30. Before issuing bonds under section 1711.28 of 5811
the Revised Code, the board of county commissioners, by 5812
resolution, shall submit to the qualified electors of the county 5813
at the next general election for county officers, held not less 5814
than ~~thirty~~ ninety days after receiving from the county 5815
agricultural society the notice provided for in section 1711.25 of 5816
the Revised Code, the question of issuing and selling such bonds 5817
in such amount and denomination as are necessary for the purpose 5818
in view, and shall certify a copy of such resolution to the county 5819
board of elections. 5820

The county board of elections shall place the question of 5821
issuing and selling such bonds upon the ballot and make all other 5822
necessary arrangements for the submission, at the time fixed by 5823
such resolution, of such question to such electors. The votes cast 5824
at such election upon such question must be counted, canvassed, 5825
and certified in the same manner, except as provided by law, as 5826
votes cast for county officers. Fifteen days' notice of such 5827

submission shall be given by the county board of elections, by 5828
publication once a week for two consecutive weeks in two or more 5829
newspapers published in the county, stating the amount of bonds to 5830
be issued, the purpose for which they are to be issued, and the 5831
time and places of holding such election. Such question must be 5832
stated on the ballot as follows: "For the issue of county fair 5833
bonds, yes"; "For the issue of county fair bonds, no." If the 5834
majority of those voting upon the question of issuing the bonds 5835
vote in favor thereof, then and only then shall they be issued and 5836
the tax provided for in section 1711.29 of the Revised Code be 5837
levied. 5838

Sec. 1901.07. (A) All municipal court judges shall be elected 5839

if the jurisdiction of a municipal court extends only to the 5850
corporate limits of the municipal corporation in which the court 5851
is located and that municipal corporation operates under a 5852
charter, all candidates shall be nominated in the same manner 5853
provided in the charter for the office of municipal court judge 5854
or, if no specific provisions are made in the charter for the 5855
office of municipal court judge, in the same manner as the charter 5856
prescribes for the nomination and election of the legislative 5857
authority of the municipal corporation. 5858

If the jurisdiction of a municipal court extends beyond the 5859
corporate limits of the municipal corporation in which it is 5860

contained in section 3513.05 of the Revised Code, except that the 5872
petition shall be signed by at least fifty electors of the 5873
territory of the court. If no valid declaration of candidacy is 5874
filed for nomination as a candidate of a political party for 5875
election to the office of municipal court judge, or if the number 5876
of persons filing the declarations of candidacy for nominations as 5877
candidates of one political party for election to the office does 5878
not exceed the number of candidates that that party is entitled to 5879
nominate as its candidates for election to the office, no primary 5880
election shall be held for the purpose of nominating candidates of 5881
that party for election to the office, and the candidates shall be 5882
issued certificates of nomination in the manner set forth in 5883
section 3513.02 of the Revised Code. 5884

provided for those petitions of candidacy contained in section 5894
3513.257 of the Revised Code, except that the petition shall be 5895
signed by at least fifty electors of the territory of the court. 5896

The nominating petition or declaration of candidacy for a 5897

which the candidate seeks election. At the following regular 5899
municipal election, the candidacies of the judges nominated shall 5900
be submitted to the electors of the territory on a nonpartisan, 5901

Sec. 1901.10. (A)(1)(a) The judges of the municipal court and 5973
officers of the court shall take an oath of office as provided in 5974
section 3.23 of the Revised Code. The office of judge of the 5975
municipal court is subject to forfeiture, and the judge may be 5976
removed from office, for the causes and by the procedure provided 5977
in sections 3.07 to 3.10 of the Revised Code. A vacancy in the 5978
office of judge exists upon the death, resignation, forfeiture, 5979
removal from office, or absence from official duties for a period 5980
of six consecutive months, as determined under this section, of 5981
the judge and also by reason of the expiration of the term of an 5982
incumbent when no successor has been elected or qualified. The 5983
chief justice of the supreme court may designate a judge of 5984
another municipal court to act until that vacancy is filled in 5985
accordance with section 107.08 of the Revised Code. A vacancy 5986

resulting from the absence of a judge from official duties for a 5987
period of six consecutive months shall be determined and declared 5988
by the legislative authority. 5989

(b) If a vacancy occurs in the office of judge or clerk of 5990
the municipal court after the one-hundredth day before the first 5991

general election. 6001

(c) Each nominating petition referred to in division 6002
(A)(1)(b) of this section shall be in the form prescribed in 6003
section 3513.261 of the Revised Code and shall be signed by at 6004
least fifty qualified electors of the territory of the municipal 6005
court. No nominating petition shall be accepted for filing or 6006
filed if it appears on its face to contain signatures aggregating 6007
in number more than twice the minimum aggregate number of 6008
signatures required by this section. 6009

(2) If a judge of a municipal court that has only one judge 6010
is temporarily absent, incapacitated, or otherwise unavailable, 6011
the judge may appoint a substitute who has the qualifications 6012
required by section 1901.06 of the Revised Code or a retired judge 6013
of a court of record who is a qualified elector and a resident of 6014
the territory of the court. If the judge is unable to make the 6015
appointment, the chief justice of the supreme court shall appoint 6016
a substitute. The appointee shall serve during the absence, 6017
incapacity, or unavailability of the incumbent, shall have the 6018

jurisdiction and powers conferred upon the judge of the municipal 6019
court, and shall be styled "acting judge." During that time of 6020
service, the acting judge shall sign all process and records and 6021
shall perform all acts pertaining to the office, except that of 6022
removal and appointment of officers of the court. All courts shall 6023
take judicial notice of the selection and powers of the acting 6024
judge. The incumbent judge shall establish the amount of 6025
compensation of an acting judge upon either a per diem, hourly, or 6026
other basis, but the rate of pay shall not exceed the per diem 6027
amount received by the incumbent judge. 6028

(B) When the volume of cases pending in any municipal court 6029
necessitates an additional judge, the chief justice of the supreme 6030
court, upon the written request of the judge or presiding judge of 6031
that municipal court, may designate a judge of another municipal 6032
court or county court to serve for any period of time that the 6033
chief justice may prescribe. The compensation of a judge so 6034
designated shall be paid from the city treasury or, in the case of 6035
a county-operated municipal court, from the county treasury. In 6036
addition to the annual salary provided for in section 1901.11 of 6037
the Revised Code and in addition to any compensation under 6038
division (A)(5) or (6) of section 141.04 of the Revised Code to 6039
which the judge is entitled in connection with the judge's own 6040
court, a full-time or part-time judge while holding court outside 6041
the judge's territory on the designation of the chief justice 6042
shall receive actual and necessary expenses and compensation as 6043
follows: 6044

(1) A full-time judge shall receive thirty dollars for each 6045
day of the assignment. 6046

(2) A part-time judge shall receive for each day of the 6047
assignment the per diem compensation of the judges of the court to 6048
which the judge is assigned, less the per diem amount paid to 6049
those judges pursuant to section 141.04 of the Revised Code, 6050

calculated on the basis of two hundred fifty working days per 6051
year. 6052

If a request is made by a judge or the presiding judge of a 6053
municipal court to designate a judge of another municipal court 6054
because of the volume of cases in the court for which the request 6055
is made and the chief justice reports, in writing, that no 6056
municipal or county court judge is available to serve by 6057
designation, the judges of the court requesting the designation 6058
may appoint a substitute as provided in division (A)(2) of this 6059
section, who may serve for any period of time that is prescribed 6060
by the chief justice. The substitute judge shall be paid in the 6061
same manner and at the same rate as the incumbent judges, except 6062
that, if the substitute judge is entitled to compensation under 6063
division (A)(5) or (6) of section 141.04 of the Revised Code, then 6064
section 1901.121 of the Revised Code shall govern its payment. 6065

Sec. 1901.31. The clerk and deputy clerks of a municipal 6066
court shall be selected, be compensated, give bond, and have 6067
powers and duties as follows: 6068

(A) There shall be a clerk of the court who is appointed or 6069
elected as follows: 6070

(1)(a) Except in the Akron, Barberton, Toledo, Hamilton 6071

through December 31, 2008, the Cuyahoga Falls municipal court, if 6073
the population of the territory equals or exceeds one hundred 6074
thousand at the regular municipal election immediately preceding 6075
the expiration of the term of the present clerk, the clerk shall 6076
be nominated and elected by the qualified electors of the 6077
territory in the manner that is provided for the nomination and 6078
election of judges in section 1901.07 of the Revised Code. 6079

The clerk so elected shall hold office for a term of six 6080
years, which term shall commence on the first day of January 6081

following the clerk's election and continue until the clerk's 6082
successor is elected and qualified. 6083

(b) In the Hamilton county municipal court, the clerk of 6084
courts of Hamilton county shall be the clerk of the municipal 6085
court and may appoint an assistant clerk who shall receive the 6086
compensation, payable out of the treasury of Hamilton county in 6087
semimonthly installments, that the board of county commissioners 6088
prescribes. The clerk of courts of Hamilton county, acting as the 6089
clerk of the Hamilton county municipal court and assuming the 6090
duties of that office, shall receive compensation at one-fourth 6091
the rate that is prescribed for the clerks of courts of common 6092
pleas as determined in accordance with the population of the 6093
county and the rates set forth in sections 325.08 and 325.18 of 6094
the Revised Code. This compensation shall be paid from the county 6095
treasury in semimonthly installments and is in addition to the 6096
annual compensation that is received for the performance of the 6097
duties of the clerk of courts of Hamilton county, as provided in 6098
sections 325.08 and 325.18 of the Revised Code. 6099

(c) In the Portage county and Wayne county municipal courts, 6100
the clerks of courts of Portage county and Wayne county shall be 6101
the clerks, respectively, of the Portage county and Wayne county 6102
municipal courts and may appoint a chief deputy clerk for each 6103
branch that is established pursuant to section 1901.311 of the 6104
Revised Code and assistant clerks as the judges of the municipal 6105
court determine are necessary, all of whom shall receive the 6106
compensation that the legislative authority prescribes. The clerks 6107
of courts of Portage county and Wayne county, acting as the clerks 6108
of the Portage county and Wayne county municipal courts and 6109
assuming the duties of these offices, shall receive compensation 6110
payable from the county treasury in semimonthly installments at 6111
one-fourth the rate that is prescribed for the clerks of courts of 6112
common pleas as determined in accordance with the population of 6113

the county and the rates set forth in sections 325.08 and 325.18 6114
of the Revised Code. 6115

(d) Except as otherwise provided in division (A)(1)(d) of 6116
this section, in the Akron municipal court, candidates for 6117
election to the office of clerk of the court shall be nominated by 6118
primary election. The primary election shall be held on the day 6119
specified in the charter of the city of Akron for the nomination 6120
of municipal officers. Notwithstanding any contrary provision of 6121
section 3513.05 or 3513.257 of the Revised Code, the declarations 6122
of candidacy and petitions of partisan candidates and the 6123
nominating petitions of independent candidates for the office of 6124
clerk of the Akron municipal court shall be signed by at least 6125
fifty qualified electors of the territory of the court. 6126

The candidates shall file a declaration of candidacy and 6127
petition, or a nominating petition, whichever is applicable, not 6128
later than four p.m. of the ~~seventy-fifth~~ ninetieth day before the 6129
day of the primary election, in the form prescribed by section 6130
3513.07 or 3513.261 of the Revised Code. The declaration of 6131
candidacy and petition, or the nominating petition, shall conform 6132
to the applicable requirements of section 3513.05 or 3513.257 of 6133
the Revised Code. 6134

If no valid declaration of candidacy and petition is filed by 6135
any person for nomination as a candidate of a particular political 6136
party for election to the office of clerk of the Akron municipal 6137
court, a primary election shall not be held for the purpose of 6138
nominating a candidate of that party for election to that office. 6139
If only one person files a valid declaration of candidacy and 6140
petition for nomination as a candidate of a particular political 6141

be elected in 2008, terms to begin January 5, 2009, and January 6, 6889
2009, respectively. 6890

Notwithstanding the foregoing provisions, in any county 6891
having two or more judges of the court of common pleas, in which 6892
more than one-third of the judges plus one were previously elected 6893
at the same election, if the office of one of those judges so 6894
elected becomes vacant more than ~~forty~~ fifty days prior to the 6895
second general election preceding the expiration of that judge's 6896
term, the office that that judge had filled shall be abolished as 6897
of the date of the next general election, and a new office of 6898
judge of the court of common pleas shall be created. The judge who 6899
is to fill that new office shall be elected for a six-year term at 6900
the next general election, and the term of that judge shall 6901
commence on the first day of the year following that general 6902
election, on which day no other judge's term begins, so that the 6903

number of judges that the county shall elect shall not be reduced. 6904

Judges of the probate division of the court of common pleas 6905
are judges of the court of common pleas but shall be elected 6906
pursuant to sections 2101.02 and 2101.021 of the Revised Code, 6907

county in which the judges of the court of common pleas elected 6916
pursuant to this section also shall perform the duties and 6917
functions of the judge of the probate division. 6918

Sec. 3311.053. (A) The boards of education of up to five 6919
adjoining educational service centers may, by identical 6920
resolutions adopted by a majority of the members of each governing 6921
board within any sixty-day period, combine such educational 6922
service centers into one educational service center. The 6923
resolutions shall state the name of the new center, which may be 6924
styled as a "joint educational service center." The resolutions 6925
shall also indicate whether the governing board of the new 6926
educational service center is to be formed in accordance with 6927
division (B) of this section, in accordance with division (A) of 6928
section 3311.054 of the Revised Code, or in accordance with 6929
section 3311.057 of the Revised Code. 6930

A copy of each resolution shall be filed with the state board 6931
of education. The new educational service center shall be created 6932
and the governing boards of the participating educational service 6933
centers shall be dissolved and a new governing board established 6934

thirty days after the date on which the last resolution was filed 6935
with the state board. 6936

(B) The initial members of a new governing board established 6937
in accordance with this division shall be appointed as follows: 6938

(1) If two educational service centers combine, each center's 6939
governing board, prior to its dissolution, shall appoint two 6940
members to the new governing board and the four members so 6941
selected shall select a fifth member within ten days of the date 6942
on which the last of the four members is appointed. 6943

(2) If three educational service centers combine, each 6944
center's governing board, prior to its dissolution, shall appoint 6945
one member to the new governing board and the three members so 6946
selected shall select the remaining two members of the governing 6947
board within ten days of the date on which the last of the three 6948
members is appointed. 6949

(3) If four educational service centers combine, each 6950
center's governing board, prior to its dissolution, shall appoint 6951
one member to the new governing board and the four members so 6952
selected shall select the remaining member of the governing board 6953
within ten days of the date on which the last of the four members 6954
is appointed. 6955

(4) If five educational service centers combine, each 6956
center's governing board, prior to its dissolution, shall appoint 6957
one member to the new governing board. 6958

If the members appointed to a new governing board by the 6959
governing boards of the combining educational service centers are 6960
unable to agree on the selection of the remaining members of the 6961
new governing board within ten days, the probate judge of the 6962
county in which the greatest number of pupils under the 6963
supervision of the new educational service center reside shall 6964
appoint the remaining members. 6965

Electors of the new educational service center shall elect a new governing board at the next general election occurring in an odd-numbered year and more than ~~seventy-five~~ ninety days after the date of the appointment of the last member to the initial governing board. Members shall serve for the duration of the term to which they are elected or until their successors are elected and qualified. At such election, two members shall be elected to terms of two years and three members shall be elected to terms of four years. Thereafter, their successors shall be elected in the same manner and for the same terms as members of governing boards of all educational service centers. Each candidate for election as a member of the educational service center governing board shall file a nominating petition in accordance with section 3513.255 of the Revised Code.

(C) The funds of each former educational service center shall be paid over in full to the governing board of the new educational service center, and the legal title to all property of the former governing boards shall become vested in the new governing board.

The governing board of an educational service center created under this section shall honor all contracts made by the former governing boards.

Sec. 3311.059. The procedure prescribed in this section may be used in lieu of a transfer prescribed under section 3311.231 of the Revised Code.

(A) Subject to divisions (B) and (C) of this section, a board of education of a local school district may by a resolution approved by a majority of all its members propose to sever that local school district from the territory of the educational service center in which the local school district is currently included and to instead annex the local school district to the territory of another educational service center, the current

territory of which is adjacent to the territory of the educational 6997
service center in which the local school district is currently 6998
included. The resolution shall promptly be filed with the 6999
governing board of each educational service center affected by the 7000
resolution and with the superintendent of public instruction. 7001

(B) The resolution adopted under division (A) of this section 7002
shall not be effective unless it is approved by the state board of 7003
education. In deciding whether to approve the resolution, the 7004
state board shall consider the impact of an annexation on both the 7005
school district and the educational service center to which the 7006
district is proposed to be annexed, including the ability of that 7007
service center to deliver services in a cost-effective and 7008
efficient manner. The severance of the local school district from 7009
one educational service center and its annexation to another 7010
educational service center under this section shall not be 7011
effective until one year after the first day of July following the 7012
later of the date that the state board of education approves the 7013
resolution or the date the board of elections certifies the 7014
results of the referendum election as provided in division (C) of 7015
this section. 7016

(C) Within sixty days following the date of the adoption of 7017
the resolution under division (A) of this section, the electors of 7018
the local school district may petition for a referendum vote on 7019
the resolution. The question whether to approve or disapprove the 7020
resolution shall be submitted to the electors of such school 7021
district if a number of qualified electors equal to twenty per 7022
cent of the number of electors in the school district who voted 7023
for the office of governor at the most recent general election for 7024
that office sign a petition asking that the question of whether 7025
the resolution shall be disapproved be submitted to the electors. 7026
The petition shall be filed with the board of elections of the 7027
county in which the school district is located. If the school 7028

district is located in more than one county, the petition shall be 7029
filed with the board of elections of the county in which the 7030
majority of the territory of the school district is located. The 7031
board shall certify the validity and sufficiency of the signatures 7032
on the petition. 7033

The board of elections shall immediately notify the board of 7034
education of the local school district and the governing board of 7035
each educational service center affected by the resolution that 7036
the petition has been filed. 7037

The effect of the resolution shall be stayed until the board 7038
of elections certifies the validity and sufficiency of the 7039
signatures on the petition. If the board of elections determines 7040
that the petition does not contain a sufficient number of valid 7041
signatures and sixty days have passed since the adoption of the 7042
resolution, the resolution shall become effective as provided in 7043
division (B) of this section. 7044

If the board of elections certifies that the petition 7045
contains a sufficient number of valid signatures, the board shall 7046
submit the question to the qualified electors of the school 7047
district on the day of the next general or primary election held 7048
at least ~~seventy-five~~ ninety days after the board of elections 7049
certifies the validity and sufficiency of signatures on the 7050
petition. The election shall be conducted and canvassed and the 7051
results shall be certified in the same manner as in regular 7052
elections for the election of members of a board of education. 7053

If a majority of the electors voting on the question 7054
disapprove the resolution, the resolution shall not become 7055
effective. If a majority of the electors voting on the question 7056
approve the resolution, the resolution shall become effective as 7057
provided in division (B) of this section. 7058

(D) Upon the effective date of the severance of the local 7059

school district from one educational service center and its 7060
annexation to another educational service center as provided in 7061
division (B) of this section, the governing board of each 7062
educational service center shall take such steps for the election 7063
of members of the governing board and for organization of the 7064
governing board as prescribed in Chapter 3313. of the Revised 7065
Code. 7066

(E) If a school district is severed from one educational 7067
service center and annexed to another service center under this 7068
section, the board of education of that school district shall not 7069
propose a subsequent severance and annexation action under this 7070
section that would be effective sooner than five years after the 7071
effective date of the next previous severance and annexation 7072
action under this section. 7073

Sec. 3311.21. (A) In addition to the resolutions authorized 7074
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 7075
the Revised Code, the board of education of a joint vocational or 7076
cooperative education school district by a vote of two-thirds of 7077
its full membership may at any time adopt a resolution declaring 7078
the necessity to levy a tax in excess of the ten-mill limitation 7079
for a period not to exceed ten years to provide funds for any one 7080
or more of the following purposes, which may be stated in the 7081
following manner in such resolution, the ballot, and the notice of 7082
election: purchasing a site or enlargement thereof and for the 7083
erection and equipment of buildings; for the purpose of enlarging, 7084
improving, or rebuilding thereof; for the purpose of providing for 7085
the current expenses of the joint vocational or cooperative school 7086
district; or for a continuing period for the purpose of providing 7087
for the current expenses of the joint vocational or cooperative 7088
education school district. The resolution shall specify the amount 7089
of the proposed rate and, if a renewal, whether the levy is to 7090
renew all, or a portion of, the existing levy, and shall specify 7091

the first year in which the levy will be imposed. If the levy 7092
provides for but is not limited to current expenses, the 7093
resolution shall apportion the annual rate of the levy between 7094
current expenses and the other purpose or purposes. Such 7095
apportionment may but need not be the same for each year of the 7096
levy, but the respective portions of the rate actually levied each 7097
year for current expenses and the other purpose or purposes shall 7098
be limited by such apportionment. The portion of any such rate 7099
actually levied for current expenses of a joint vocational or 7100
cooperative education school district shall be used in applying 7101
division (A)(1) of section 3306.01 and division (A) of section 7102
3317.01 of the Revised Code. The portion of any such rate not 7103
apportioned to the current expenses of a joint vocational or 7104
cooperative education school district shall be used in applying 7105
division (B) of this section. On the adoption of such resolution, 7106
the joint vocational or cooperative education school district 7107
board of education shall certify the resolution to the board of 7108
elections of the county containing the most populous portion of 7109
the district, which board shall receive resolutions for filing and 7110
send them to the boards of elections of each county in which 7111
territory of the district is located, furnish all ballots for the 7112
election as provided in section 3505.071 of the Revised Code, and 7113
prepare the election notice; and the board of elections of each 7114
county in which the territory of such district is located shall 7115
make the other necessary arrangements for the submission of the 7116
question to the electors of the joint vocational or cooperative 7117
education school district at the next primary or general election 7118
occurring not less than ~~seventy-five~~ ninety days after the 7119
resolution was received from the joint vocational or cooperative 7120
education school district board of education, or at a special 7121
election to be held at a time designated by the district board of 7122
education consistent with the requirements of section 3501.01 of 7123
the Revised Code, which date shall not be earlier than 7124

~~seventy-five~~ ninety days after the adoption and certification of 7125
the resolution. 7126

The board of elections of the county or counties in which 7127
territory of the joint vocational or cooperative education school 7128
district is located shall cause to be published in one or more 7129
newspapers of general circulation in that district an 7130
advertisement of the proposed tax levy question together with a 7131
statement of the amount of the proposed levy once a week for two 7132
consecutive weeks, prior to the election at which the question is 7133
to appear on the ballot, and, if the board of elections operates 7134
and maintains a web site, the board also shall post a similar 7135
advertisement on its web site for thirty days prior to that 7136
election. 7137

If a majority of the electors voting on the question of 7138
levying such tax vote in favor of the levy, the joint vocational 7139
or cooperative education school district board of education shall 7140
annually make the levy within the district at the rate specified 7141
in the resolution and ballot or at any lesser rate, and the county 7142
auditor of each affected county shall annually place the levy on 7143
the tax list and duplicate of each school district in the county 7144
having territory in the joint vocational or cooperative education 7145
school district. The taxes realized from the levy shall be 7146
collected at the same time and in the same manner as other taxes 7147
on the duplicate, and the taxes, when collected, shall be paid to 7148
the treasurer of the joint vocational or cooperative education 7149
school district and deposited to a special fund, which shall be 7150
established by the joint vocational or cooperative education 7151
school district board of education for all revenue derived from 7152
any tax levied pursuant to this section and for the proceeds of 7153
anticipation notes which shall be deposited in such fund. After 7154
the approval of the levy, the joint vocational or cooperative 7155
education school district board of education may anticipate a 7156

fraction of the proceeds of the levy and from time to time, during 7157
the life of the levy, but in any year prior to the time when the 7158
tax collection from the levy so anticipated can be made for that 7159
year, issue anticipation notes in an amount not exceeding fifty 7160
per cent of the estimated proceeds of the levy to be collected in 7161
each year up to a period of five years after the date of the 7162
issuance of the notes, less an amount equal to the proceeds of the 7163
levy obligated for each year by the issuance of anticipation 7164
notes, provided that the total amount maturing in any one year 7165
shall not exceed fifty per cent of the anticipated proceeds of the 7166
levy for that year. Each issue of notes shall be sold as provided 7167
in Chapter 133. of the Revised Code, and shall, except for such 7168
limitation that the total amount of such notes maturing in any one 7169
year shall not exceed fifty per cent of the anticipated proceeds 7170
of the levy for that year, mature serially in substantially equal 7171
installments, during each year over a period not to exceed five 7172
years after their issuance. 7173

(B) Prior to the application of section 319.301 of the 7174
Revised Code, the rate of a levy that is limited to, or to the 7175
extent that it is apportioned to, purposes other than current 7176
expenses shall be reduced in the same proportion in which the 7177
district's total valuation increases during the life of the levy 7178
because of additions to such valuation that have resulted from 7179
improvements added to the tax list and duplicate. 7180

(C) The form of ballot cast at an election under division (A) 7181
of this section shall be as prescribed by section 5705.25 of the 7182
Revised Code. 7183

Sec. 3311.213. (A) With the approval of the board of 7184
education of a joint vocational school district which is in 7185
existence, any school district in the county or counties 7186
comprising the joint vocational school district or any school 7187

district in a county adjacent to a county comprising part of a 7188
joint vocational school district may become a part of the joint 7189
vocational school district. On the adoption of a resolution of 7190
approval by the board of education of the joint vocational school 7191
district, it shall advertise a copy of such resolution in a 7192
newspaper of general circulation in the school district proposing 7193
to become a part of such joint vocational school district once 7194
each week for at least two weeks immediately following the date of 7195
the adoption of such resolution. Such resolution shall not become 7196
effective until the later of the sixty-first day after its 7197
adoption or until the board of elections certifies the results of 7198
an election in favor of joining of the school district to the 7199
joint vocational school district if such an election is held under 7200
division (B) of this section. 7201

(B) During the sixty-day period following the date of the 7202
adoption of a resolution to join a school district to a joint 7203
vocational school district under division (A) of this section, the 7204
electors of the school district that proposes joining the joint 7205
vocational school district may petition for a referendum vote on 7206
the resolution. The question whether to approve or disapprove the 7207
resolution shall be submitted to the electors of such school 7208
district if a number of qualified electors equal to twenty per 7209
cent of the number of electors in the school district who voted 7210
for the office of governor at the most recent general election for 7211
that office sign a petition asking that the question of whether 7212
the resolution shall be disapproved be submitted to the electors. 7213
The petition shall be filed with the board of elections of the 7214
county in which the school district is located. If the school 7215
district is located in more than one county, the petition shall be 7216
filed with the board of elections of the county in which the 7217
majority of the territory of the school district is located. The 7218
board shall certify the validity and sufficiency of the signatures 7219
on the petition. 7220

The board of elections shall immediately notify the board of 7221
education of the joint vocational school district and the board of 7222
education of the school district that proposes joining the joint 7223
vocational school district that the petition has been filed. 7224

The effect of the resolution shall be stayed until the board 7225
of elections certifies the validity and sufficiency of the 7226
signatures on the petition. If the board of elections determines 7227
that the petition does not contain a sufficient number of valid 7228
signatures and sixty days have passed since the adoption of the 7229
resolution, the resolution shall become effective. 7230

If the board of elections certifies that the petition 7231
contains a sufficient number of valid signatures, the board shall 7232
submit the question to the qualified electors of the school 7233
district on the day of the next general or primary election held 7234
at least ~~seventy-five~~ ninety days after but no later than six 7235
months after the board of elections certifies the validity and 7236
sufficiency of signatures on the petition. If there is no general 7237
or primary election held at least ~~seventy-five~~ ninety days after 7238
but no later than six months after the board of elections 7239
certifies the validity and sufficiency of signatures on the 7240
petition, the board shall submit the question to the electors at a 7241
special election to be held on the next day specified for special 7242
elections in division (D) of section 3501.01 of the Revised Code 7243
that occurs at least ~~seventy-five~~ ninety days after the board 7244
certifies the validity and sufficiency of signatures on the 7245
petition. The election shall be conducted and canvassed and the 7246
results shall be certified in the same manner as in regular 7247
elections for the election of members of a board of education. 7248

If a majority of the electors voting on the question 7249
disapprove the resolution, the resolution shall not become 7250
effective. 7251

(C) If the resolution becomes effective, the board of 7252

education of the joint vocational school district shall notify the 7253
county auditor of the county in which the school district becoming 7254
a part of the joint vocational school district is located, who 7255
shall thereupon have any outstanding levy for building purposes, 7256
bond retirement, or current expenses in force in the joint 7257
vocational school district spread over the territory of the school 7258
district becoming a part of the joint vocational school district. 7259
On the addition of a city or exempted village school district or 7260
an educational service center to the joint vocational school 7261
district, pursuant to this section, the board of education of such 7262
joint vocational school district shall submit to the state board 7263
of education a proposal to enlarge the membership of such board by 7264
the addition of one or more persons at least one of whom shall be 7265
a member of the board of education or governing board of such 7266
additional school district or educational service center, and the 7267
term of each such additional member. On the addition of a local 7268
school district to the joint vocational school district, pursuant 7269
to this section, the board of education of such joint vocational 7270
school district may submit to the state board of education a 7271
proposal to enlarge the membership of such board by the addition 7272
of one or more persons who are members of the educational service 7273
center governing board of such additional local school district. 7274
On approval by the state board of education additional members 7275
shall be added to such joint vocational school district board of 7276
education. 7277

Sec. 3311.22. A governing board of an educational service 7278
center may propose, by resolution adopted by majority vote of its 7279
full membership, or qualified electors of the area affected equal 7280
in number to at least fifty-five per cent of the qualified 7281
electors voting at the last general election residing within that 7282
portion of a school district, or districts proposed to be 7283
transferred may propose, by petition, the transfer of a part or 7284

all of one or more local school districts to another local school 7285
district or districts within the territory of the educational 7286
service center. Such transfers may be made only to local school 7287
districts adjoining the school district that is proposed to be 7288
transferred, unless the board of education of the district 7289
proposed to be transferred has entered into an agreement pursuant 7290
to section 3313.42 of the Revised Code, in which case such 7291
transfers may be made to any local school district within the 7292
territory of the educational service center. 7293

When a governing board of an educational service center 7294
adopts a resolution proposing a transfer of school territory it 7295
shall forthwith file a copy of such resolution, together with an 7296
accurate map of the territory described in the resolution, with 7297
the board of education of each school district whose boundaries 7298
would be altered by such proposal. A governing board of an 7299
educational service center proposing a transfer of territory under 7300
the provisions of this section shall at its next regular meeting 7301
that occurs not earlier than thirty days after the adoption by the 7302
governing board of a resolution proposing such transfer, adopt a 7303
resolution making the transfer effective at any time prior to the 7304
next succeeding first day of July, unless, prior to the expiration 7305
of such thirty-day period, qualified electors residing in the area 7306
proposed to be transferred, equal in number to a majority of the 7307
qualified electors voting at the last general election, file a 7308
petition of referendum against such transfer. 7309

Any petition of transfer or petition of referendum filed 7310
under the provisions of this section shall be filed at the office 7311
of the educational service center superintendent. The person 7312
presenting the petition shall be given a receipt containing 7313
thereon the time of day, the date, and the purpose of the 7314
petition. 7315

The educational service center superintendent shall cause the 7316

board of elections to check the sufficiency of signatures on any 7317
petition of transfer or petition of referendum filed under this 7318
section and, if found to be sufficient, ~~he~~ the superintendent 7319
shall present the petition to the educational service center 7320
governing board at a meeting of the board which shall occur not 7321
later than thirty days following the filing of the petition. 7322

Upon presentation to the educational service center governing 7323
board of a proposal to transfer territory as requested by petition 7324
of fifty-five per cent of the qualified electors voting at the 7325
last general election or a petition of referendum against a 7326
proposal of the county board to transfer territory, the governing 7327
board shall promptly certify the proposal to the board of 7328
elections for the purpose of having the proposal placed on the 7329
ballot at the next general or primary election which occurs not 7330
less than ~~seventy-five~~ ninety days after the date of such 7331
certification, or at a special election, the date of which shall 7332
be specified in the certification, which date shall not be less 7333
than ~~seventy-five~~ ninety days after the date of such 7334
certification. Signatures on a petition of transfer or petition of 7335
referendum may be withdrawn up to and including the above 7336
mentioned meeting of the educational service center governing 7337
board only by order of the board upon testimony of the petitioner 7338
concerned under oath before the board that ~~his~~ the petitioner's 7339
signature was obtained by fraud, duress, or misrepresentation. 7340

If a petition is filed with the educational service center 7341
governing board which proposes the transfer of a part or all of 7342
the territory included in a resolution of transfer previously 7343
adopted by the educational service center governing board, no 7344
action shall be taken on such petition if within the thirty-day 7345
period after the adoption of the resolution of transfer a 7346
referendum petition is filed. After the election, if the proposed 7347
transfer fails to receive a majority vote, action on such petition 7348

shall then be processed under this section as though originally 7349
filed under the provisions hereof. If no referendum petition is 7350
filed within the thirty-day period after the adoption of the 7351
resolution of transfer, no action shall be taken on such petition. 7352

If a petition is filed with the educational service center 7353
governing board which proposes the transfer of a part or all of 7354
the territory included in a petition previously filed by electors 7355
no action shall be taken on such new petition. 7356

Upon certification of a proposal to the board or boards of 7357
elections pursuant to this section, the board or boards of 7358
elections shall make the necessary arrangements for the submission 7359
of such question to the electors of the county or counties 7360
qualified to vote thereon, and the election shall be conducted and 7361
canvassed and the results shall be certified in the same manner as 7362
in regular elections for the election of members of a board of 7363
education. 7364

The persons qualified to vote upon a proposal are the 7365
electors residing in the district or districts containing 7366
territory that is proposed to be transferred. If the proposed 7367
transfer be approved by at least a majority of the electors voting 7368
on the proposal, the educational service center governing board 7369
shall make such transfer at any time prior to the next succeeding 7370
first day of July. If the proposed transfer is not approved by at 7371
least a majority of the electors voting on the proposal, the 7372
question of transferring any property included in the territory 7373
covered by the proposal shall not be submitted to electors at any 7374
election prior to the first general election the date of which is 7375
at least two years after the date of the original election, or the 7376
first primary election held in an even-numbered year the date of 7377
which is at least two years after the date of the original 7378
election. A transfer shall be subject to the approval of the 7379
receiving board or boards of education, unless the proposal was 7380

initiated by the educational service center governing board, in 7381
which case, if the transfer is opposed by the board of education 7382
offered the territory, the local board may, within thirty days, 7383
following the receipt of the notice of transfer, appeal to the 7384
state board of education which shall then either approve or 7385
disapprove the transfer. 7386

Following an election upon a proposed transfer initiated by a 7387
petition the board of education that is offered territory shall, 7388
within thirty days following receipt of the proposal, either 7389
accept or reject the transfer. 7390

When an entire school district is proposed to be transferred 7391
to two or more school districts and the offer is rejected by any 7392
one of the receiving boards of education, none of the territory 7393
included in the proposal shall be transferred. 7394

Upon the acceptance of territory by the receiving board or 7395
boards of education the educational service center governing board 7396
offering the territory shall file with the county auditor and with 7397
the state board of education an accurate map showing the 7398
boundaries of the territory transferred. 7399

Upon the making of such transfer, the net indebtedness of the 7400
former district from which territory was transferred shall be 7401
apportioned between the acquiring school district and that portion 7402
of the former school district remaining after the transfer in the 7403
ratio which the assessed valuation of the territory transferred to 7404
the acquiring school district bears to the assessed valuation of 7405
the original school district as of the effective date of the 7406
transfer. As used in this section "net indebtedness" means the 7407
difference between the par value of the outstanding and unpaid 7408
bonds and notes of the school district and the amount held in the 7409
sinking fund and other indebtedness retirement funds for their 7410
redemption. 7411

If an entire district is transferred, any indebtedness of the 7412
former district incurred as a result of a loan made under section 7413
3317.64 of the Revised Code is hereby canceled and such 7414
indebtedness shall not be apportioned among any districts 7415
acquiring the territory. 7416

Upon the making of any transfer under this section, the funds 7417
of the district from which territory was transferred shall be 7418
divided equitably by the educational service center governing 7419
board between the acquiring district and any part of the original 7420
district remaining after the transfer. 7421

If an entire district is transferred the board of education 7422
of such district is thereby abolished or if a member of the board 7423
of education lives in that part of a school district transferred 7424
the member becomes a nonresident of the school district from which 7425
the territory was transferred and ~~he~~ such member ceases to be a 7426
member of the board of education of such district. 7427

The legal title of all property of the board of education in 7428
the territory transferred shall become vested in the board of 7429
education of the school district to which such territory is 7430
transferred. 7431

Subsequent to June 30, 1959, if an entire district is 7432
transferred, foundation program moneys accruing to a district 7433
accepting school territory under the provisions of this section or 7434
former section 3311.22 of the Revised Code, shall not be less, in 7435
any year during the next succeeding three years following the 7436
transfer, than the sum of the amounts received by the districts 7437
separately in the year in which the transfer was consummated. 7438

Sec. 3311.231. A governing board of an educational service 7439
center may propose, by resolution adopted by majority vote of its 7440
full membership, or qualified electors of the area affected equal 7441
in number to not less than fifty-five per cent of the qualified 7442

electors voting at the last general election residing within that 7443
portion of a school district proposed to be transferred may 7444
propose, by petition, the transfer of a part or all of one or more 7445
local school districts within the territory of the center to an 7446
adjoining educational service center or to an adjoining city or 7447
exempted village school district. 7448

A governing board of an educational service center adopting a 7449
resolution proposing a transfer of school territory under this 7450
section shall file a copy of such resolution together with an 7451
accurate map of the territory described in the resolution, with 7452
the board of education of each school district whose boundaries 7453
would be altered by such proposal. Where a transfer of territory 7454
is proposed by a governing board of an educational service center 7455
under this section, the governing board shall, at its next regular 7456
meeting that occurs not earlier than the thirtieth day after the 7457
adoption by the governing board of the resolution proposing such 7458
transfer, adopt a resolution making the transfer as originally 7459
proposed, effective at any time prior to the next succeeding first 7460
day of July, unless, prior to the expiration of such thirty-day 7461
period, qualified electors residing in the area proposed to be 7462
transferred, equal in number to a majority of the qualified 7463
electors voting at the last general election, file a petition of 7464
referendum against such transfer. 7465

Any petition of transfer or petition of referendum under the 7466
provisions of this section shall be filed at the office of the 7467
educational service center superintendent. The person presenting 7468
the petition shall be given a receipt containing thereon the time 7469
of day, the date, and the purpose of the petition. 7470

The educational service center superintendent shall cause the 7471
board of elections to check the sufficiency of signatures on any 7472
such petition, and, if found to be sufficient, ~~he~~ the 7473
superintendent shall present the petition to the educational 7474

service center governing board at a meeting of said governing 7475
board which shall occur not later than thirty days following the 7476
filing of said petition. 7477

The educational service center governing board shall promptly 7478
certify the proposal to the board of elections of such counties in 7479
which school districts whose boundaries would be altered by such 7480
proposal are located for the purpose of having the proposal placed 7481
on the ballot at the next general or primary election which occurs 7482
not less than ~~seventy-five~~ ninety days after the date of such 7483
certification or at a special election, the date of which shall be 7484
specified in the certification, which date shall not be less than 7485
~~seventy-five~~ ninety days after the date of such certification. 7486

Signatures on a petition of transfer or petition of 7487
referendum may be withdrawn up to and including the above 7488
mentioned meeting of the educational service center governing 7489
board only by order of the governing board upon testimony of the 7490
petitioner concerned under oath before the board that ~~his~~ the 7491
petitioner's signature was obtained by fraud, duress, or 7492
misrepresentation. 7493

If a petition is filed with the educational service center 7494
governing board which proposes the transfer of a part or all of 7495
the territory included either in a petition previously filed by 7496
electors or in a resolution of transfer previously adopted by the 7497
educational service center governing board, no action shall be 7498
taken on such new petition as long as the previously initiated 7499
proposal is pending before the governing board or is subject to an 7500
election. 7501

Upon certification of a proposal to the board or boards of 7502
elections pursuant to this section, the board or boards of 7503
elections shall make the necessary arrangements for the submission 7504
of such question to the electors of the county or counties 7505
qualified to vote thereon, and the election shall be conducted and 7506

canvassed and the results shall be certified in the same manner as 7507
in regular elections for the election of members of a board of 7508
education. 7509

The persons qualified to vote upon a proposal are the 7510
electors residing in the district or districts containing 7511
territory that is proposed to be transferred. If the proposed 7512
transfer is approved by at least a majority of the electors voting 7513
on the proposal, the educational service center governing board 7514
shall make such transfer at any time prior to the next succeeding 7515
first day of July, subject to the approval of the receiving board 7516
of education in case of a transfer to a city or exempted village 7517
school district, and subject to the approval of the educational 7518
service center governing board of the receiving center, in case of 7519
a transfer to an educational service center. If the proposed 7520
transfer is not approved by at least a majority of the electors 7521
voting on the proposal, the question of transferring any property 7522
included in the territory covered by the proposal shall not be 7523
submitted to electors at any election prior to the first general 7524
election the date of which is at least two years after the date of 7525
the original election, or the first primary election held in an 7526
even-numbered year the date of which is at least two years after 7527
the date of the original election. 7528

Where a territory is transferred under this section to a city 7529
or exempted village school district, the board of education of 7530
such district shall, and where territory is transferred to an 7531
educational service center the governing board of such educational 7532
service center shall, within thirty days following receipt of the 7533
proposal, either accept or reject the transfer. 7534

Where a governing board of an educational service center 7535
adopts a resolution accepting territory transferred to the 7536
educational service center under the provisions of sections 7537
3311.231 and 3311.24 of the Revised Code, the governing board 7538

shall, at the time of the adoption of the resolution accepting the 7539
territory, designate the school district to which the accepted 7540
territory shall be annexed. 7541

When an entire school district is proposed to be transferred 7542
to two or more adjoining school districts and the offer is 7543
rejected by any one of the receiving boards of education, none of 7544
the territory included in the proposal shall be transferred. 7545

Upon the acceptance of territory by the receiving board or 7546
boards of education the educational service center governing board 7547
offering the territory shall file with the county auditor of each 7548
county affected by the transfer and with the state board of 7549
education an accurate map showing the boundaries of the territory 7550
transferred. 7551

Upon the making of such transfer, the net indebtedness of the 7552
former district from which territory was transferred shall be 7553
apportioned between the acquiring school district and the portion 7554
of the former school district remaining after the transfer in the 7555
ratio which the assessed valuation of the territory transferred to 7556
the acquiring school district bears to the assessed valuation of 7557
the original school district as of the effective date of the 7558
transfer. As used in this section "net indebtedness" means the 7559
difference between the par value of the outstanding and unpaid 7560
bonds and notes of the school district and the amount held in the 7561
sinking fund and other indebtedness retirement funds for their 7562
redemption. 7563

If an entire district is transferred, any indebtedness of the 7564
former district incurred as a result of a loan made under section 7565
3317.64 of the Revised Code is hereby canceled and such 7566
indebtedness shall not be apportioned among any districts 7567
acquiring the territory. 7568

Upon the making of any transfer under this section, the funds 7569

of the district from which territory was transferred shall be 7570
divided equitably by the educational service center governing 7571
board, between the acquiring district and any part of the original 7572
district remaining after the transfer. 7573

If an entire district is transferred the board of education 7574
of such district is thereby abolished or if a member of the board 7575
of education lives in that part of a school district transferred 7576
the member becomes a nonresident of the school district from which 7577
the territory was transferred and ~~he~~ such member ceases to be a 7578
member of the board of education of such district. 7579

The legal title of all property of the board of education in 7580
the territory transferred shall become vested in the board of 7581
education of the school district to which such territory is 7582
transferred. 7583

If an entire district is transferred, foundation program 7584
moneys accruing to a district receiving school territory under the 7585
provisions of this section shall not be less, in any year during 7586
the next succeeding three years following the transfer, than the 7587
sum of the amounts received by the districts separately in the 7588
year in which the transfer was consummated. 7589

Sec. 3311.25. (A) Notwithstanding any other provision of this 7590
chapter, two or more city, local, or exempted village school 7591
districts whose territory is primarily located within the same 7592
county may be merged as provided in this section, if the county 7593
has a population of less than one hundred thousand, as determined 7594
by the most recent federal decennial census. 7595

(B) A petition may be filed with the board of elections 7596
proposing that two or more school districts whose territory is 7597
primarily located within a county meeting the qualifications of 7598
division (A) of this section form a commission to study the 7599
proposed merger of the school districts. The petition may be 7600

presented in separate petition papers. Each petition paper shall 7601
contain, in concise language, the purpose of the petition and the 7602
names of five electors of each school district proposed to be 7603
merged to serve as commissioners on the merger study commission. 7604
The petition shall be governed by the rules of section 3501.38 of 7605
the Revised Code. 7606

A petition filed under this section shall contain signatures 7607
of electors of each school district proposed to be merged, 7608
numbering not less than ten per cent of the number of electors 7609
residing in that district who voted for the office of governor at 7610
the most recent general election for that office. The petition 7611
shall be filed with the board of elections of the county described 7612
by division (A) of this section. The board of elections of the 7613
county in which the petition is required to be filed shall 7614
ascertain the validity of all signatures on the petition and may 7615
require the assistance of boards of elections of other counties if 7616
any of the school districts proposed to be merged are located 7617
partially in a county other than the one in which the petition is 7618
required to be filed. 7619

(C)(1) If the board of elections of the county in which the 7620
petition is required to be filed determines that the petition is 7621
sufficient, the board shall submit the following question for the 7622
approval or rejection of the electors of each school district 7623
proposed to be merged at the next general election occurring at 7624
least ~~seventy-five~~ ninety days after the date the petition is 7625
filed: "Shall a commission be established to study the proposed 7626
merger of any or all of the school districts in this county and, 7627
if a merger is considered desirable, to draw up a statement of 7628
conditions for that proposed merger?" The ballot shall include, 7629
for each of the school districts proposed to be merged, the names 7630
of the five electors identified in the petition, who shall 7631
constitute the commissioners on behalf of that district. 7632

(2) If any of the school districts for which merger is proposed are located partially in a county other than the one in which the petition is required to be filed, the board of elections of the county in which the petition is required to be filed shall, if the petition is found to be sufficient, certify the sufficiency of that petition and the statement of the issue to be voted on to the boards of elections of those other counties. The boards of those other counties shall submit the question of merging and the names of candidates to be elected to the commission for the approval or rejection of electors in the portions of the school districts proposed to be merged that are located within their respective counties. Upon the holding of the election, those boards shall certify the results to the board of elections of the county in which the petition is required to be filed.

(D) A petition shall not be deemed insufficient for all school districts proposed to be merged if it contains the signatures of less than ten per cent of the electors who voted for the office of governor at the most recent general election for that office in a particular school district. If the petition contains a sufficient number of signatures and is otherwise determined by the board of elections to be sufficient for at least two school districts proposed to be merged, the board shall submit the question of the proposed merger for the approval or rejection of voters under division (C) of this section in each of the districts for which the petition was determined to be sufficient. The board shall not submit the question of the proposed merger for the approval or rejection of voters under division (C) of this section for any school district for which a petition contains an insufficient number of signatures or for which the board otherwise determines the petition to be insufficient.

(E)(1) If the question of forming a merger study commission as provided in division (C) of this section is approved by a

majority of those voting on it in at least two school districts, 7665
the commission shall be established and the five candidates from 7666
each school district in which the question was approved shall be 7667
elected to the commission to study the proposed merger and to 7668
formulate any conditions of any proposed merger if a merger is 7669
considered desirable after study by the commission. Any school 7670
district that disapproved of the question of forming a merger 7671
study commission by a majority of those voting on it shall not be 7672
included in, and its proposed candidates shall not be elected to, 7673
the commission. 7674

(2) The first meeting of the commission shall be held in the 7675
regular meeting place of the board of county commissioners of the 7676
county in which the petition is required to be filed, at nine a.m. 7677
on the tenth day after the certification of the election by the 7678
last of the respective boards of elections to make such 7679
certification, unless that day is a Saturday, Sunday, or a 7680
holiday, in which case the first meeting shall be held on the next 7681
day thereafter that is not a Saturday, Sunday, or holiday. The 7682
president of the school board of the school district with the 7683
largest population of the districts that approved the question of 7684
forming a merger study commission under division (C) of this 7685
section shall serve as temporary chairperson until permanent 7686
officers are elected. The commission shall immediately elect its 7687
own permanent officers and shall proceed to meet as often as 7688
necessary to study the proposed merger, determine whether a 7689
proposed merger is desirable, and formulate any conditions for any 7690
proposed merger. All meetings of the commission shall be subject 7691
to the requirements of section 121.22 of the Revised Code. 7692

(3) The conditions for a proposed merger may provide for the 7693
election of school board members for the new school district and 7694
any other conditions that a majority of the members of the 7695
commission from each school district find necessary. The 7696

conditions for the proposed merger also may provide that the 7697
merger, if approved, shall not become effective until the date on 7698
which any required changes in state law necessary for the school 7699
district merger to occur become effective. 7700

(4) As soon as the commission determines that a merger is not 7701
desirable or finalizes the conditions for a proposed merger, the 7702
commission shall report this fact, and the name of each school 7703
district proposed for merger in which the majority of the 7704
district's commissioners have agreed to the conditions for merger, 7705
to the board of elections of each of the counties in which the 7706
school districts proposed for merger are located. 7707

The question shall be submitted to the voters in each school 7708
district in which the majority of the district's commissioners 7709
have agreed to the conditions for merger at the next general 7710
election occurring after the commission is elected. The question 7711
shall not be submitted to the voters in any school district in 7712
which a majority of that district's commissioners have not agreed 7713
to the conditions for merger. The board of elections shall not 7714
submit the conditions for merger to the voters in any district if 7715
the conditions for merger include the merging of any district in 7716
which the majority of that district's commissioners have not 7717
agreed to the conditions for merger. 7718

The boards of elections shall submit the conditions of 7719
proposed merger for the approval or rejection of the electors in 7720
the portions of the school districts proposed to be merged within 7721
their respective counties. Upon the holding of that election, the 7722
boards of elections shall certify the results to the board of 7723
elections of the county in which the petition is required to be 7724
filed. 7725

Regardless of whether the commission succeeds in reaching 7726
agreement, the commission shall cease to exist on the 7727
~~seventy-fifth~~ ninetieth day prior to the next general election 7728

after the commission is elected. 7729

(F) If the conditions of merger agreed upon by the merger 7730
commission are disapproved by a majority of those voting on them 7731
in any school district proposed to be merged, the merger shall not 7732
occur, unless the conditions of merger provide for a merger to 7733
occur without the inclusion of that district and the conditions of 7734
merger are otherwise met. No district in which the conditions of 7735
merger are disapproved by a majority of those voting on them shall 7736
be included in any merger resulting from that election. If the 7737
conditions of merger are approved by a majority of those voting on 7738
them in each school district proposed to be merged, or if the 7739
conditions of merger provide for a merger to occur without the 7740
inclusion of one or more districts in which the conditions of 7741
merger are disapproved by a majority of those voting on them, the 7742
merger shall be effective on the date specified in the conditions 7743
of the merger, unless the conditions of merger specify changes 7744
required to be made in state law for the merger to occur, in which 7745
case the merger shall be effective on the date on which those 7746
changes to state law become effective. 7747

Sec. 3311.26. The state board of education may, by resolution 7748
adopted by majority vote of its full membership, propose the 7749
creation of a new local school district from one or more local 7750
school districts or parts thereof, including the creation of a 7751
local district with noncontiguous territory from one or more local 7752
school districts if one of those districts has entered into an 7753
agreement under section 3313.42 of the Revised Code. Such proposal 7754
shall include an accurate map showing the territory affected. 7755
After the adoption of the resolution, the state board shall file a 7756
copy of such proposal with the board of education of each school 7757
district whose boundaries would be altered by such proposal. 7758
7759

Upon the creation of a new district under this section, the state board shall at its next regular meeting that occurs not earlier than thirty days after the adoption by the state board of the resolution proposing such creation, adopt a resolution making the creation effective prior to the next succeeding first day of July, unless, prior to the expiration of such thirty-day period, qualified electors residing in the area included in such proposed new district, equal in number to thirty-five per cent of the qualified electors voting at the last general election, file a petition of referendum against the creation of the proposed new district.

A petition of referendum filed under this section shall be filed at the office of the state superintendent of public instruction. The person presenting the petition shall be given a receipt containing thereon the time of day, the date, and the purpose of the petition.

If a petition of referendum is filed, the state board shall, at the next regular meeting of the state board, certify the proposal to the board of elections for the purpose of having the proposal placed on the ballot at the next general or primary election which occurs not less than ~~seventy-five~~ ninety days after the date of such certification, or at a special election, the date of which shall be specified in the certification, which date shall not be less than ~~seventy-five~~ ninety days after the date of such certification.

Upon certification of a proposal to the board or boards of elections pursuant to this section, the board or boards of elections shall make the necessary arrangements for the submission of such question to the electors of the county or counties qualified to vote thereon, and the election shall be conducted and canvassed and the results shall be certified in the same manner as in regular elections for the election of members of a board of

education. 7792

The persons qualified to vote upon a proposal are the 7793
electors residing in the proposed new districts. 7794

If the proposed district be approved by at least a majority 7795
of the electors voting on the proposal, the state board shall then 7796
create such new district prior to the next succeeding first day of 7797
July. 7798

Upon the creation of such district, the indebtedness of each 7799
former district becoming in its entirety a part of the new 7800
district shall be assumed in full by the new district. Upon the 7801
creation of such district, that part of the net indebtedness of 7802
each former district becoming only in part a part of the new 7803
district shall be assumed by the new district which bears the same 7804
ratio to the entire net indebtedness of the former district as the 7805
assessed valuation of the part taken by the new district bears to 7806
the entire assessed valuation of the former district as fixed on 7807
the effective date of transfer. As used in this section, "net 7808
indebtedness" means the difference between the par value of the 7809
outstanding and unpaid bonds and notes of the school district and 7810
the amount held in the sinking fund and other indebtedness 7811
retirement funds for their redemption. Upon the creation of such 7812
district, the funds of each former district becoming in its 7813
entirety a part of the new district shall be paid over in full to 7814
the new district. Upon the creation of such district, the funds of 7815
each former district becoming only in part a part of the new 7816
district shall be divided equitably by the state board between the 7817
new district and that part of the former district not included in 7818
the new district as such funds existed on the effective date of 7819
the creation of the new district. 7820

The state board shall, following the election, file with the 7821
county auditor of each county affected by the creation of a new 7822
district an accurate map showing the boundaries of such newly 7823

created district. 7824

When a new local school district is so created, a board of 7825
education for such newly created district shall be appointed by 7826
the state board. The members of such appointed board of education 7827
shall hold their office until their successors are elected and 7828
qualified. A board of education shall be elected for such newly 7829
created district at the next general election held in an odd 7830
numbered year occurring more than ~~thirty~~ ninety days after the 7831
appointment of the board of education of such newly created 7832
district. At such election two members shall be elected for a term 7833
of two years and three members shall be elected for a term of four 7834
years, and, thereafter, their successors shall be elected in the 7835
same manner and for the same terms as members of the board of 7836
education of a local school district. 7837

When the new district consists of territory lying in two or 7838
more counties, the state board shall determine to which 7839
educational service center the new district shall be assigned. 7840

The legal title of all property of the board of education in 7841
the territory taken shall become vested in the board of education 7842
of the newly created school district. 7843

Foundation program moneys accruing to a district created 7844
under the provisions of this section or previous section 3311.26 7845
of the Revised Code, shall not be less, in any year during the 7846
next succeeding three years following the creation, than the sum 7847
of the amounts received by the districts separately in the year in 7848
which the creation of the district became effective. 7849

If, prior to ~~the effective date of this amendment~~ September 7850
26, 2003, a local school district board of education or a group of 7851
individuals requests the governing board of an educational service 7852
center to consider proposing the creation of a new local school 7853
district, the governing board, at any time during the one-year 7854

period following the date that request is made, may adopt a 7855
resolution proposing the creation of a new local school district 7856
in response to that request and in accordance with the first 7857
paragraph of the version of this section in effect prior to ~~the~~ 7858
~~effective date of this amendment~~ September 26, 2003. If the 7859
governing board so proposes within that one-year period, the 7860
governing board may proceed to create the new local school 7861
district as it proposed, in accordance with the version of this 7862
section in effect prior to ~~the effective date of this amendment~~ 7863
September 26, 2003, subject to the provisions of that version 7864
authorizing a petition and referendum on the matter. 7865

Consolidations of school districts which include all of the 7866
schools of a county and which become effective on or after July 1, 7867
1959, shall be governed and included under this section. 7868

Sec. 3311.37. The state board of education may conduct 7869
studies where there is evidence of need for consolidation of 7870
contiguous local, exempted village, or city school districts or 7871
parts of such districts. The possibility of making improvements in 7872
school district organization as well as the desires of the 7873
residents of the affected districts shall be given consideration 7874
in such studies and in any recommendations growing out of such 7875
studies. 7876

After the adoption of recommendations growing out of any such 7877
study, the state board may proceed as follows: 7878

Propose by resolution the creation of a new school district 7879
which may consist of all or a part of the territory of two or more 7880
contiguous local, exempted village, or city school districts, or 7881
any combination of such districts. 7882

The state board shall thereupon file a copy of such proposal 7883
with the board of education of each school district whose 7884
boundaries would be altered by the proposal and with the governing 7885

board of any educational service center in which such school 7886
district is located. 7887

The state board may, not less than thirty days following the 7888
adoption of the resolution proposing the creation of a new school 7889
district certify the proposal to the board of elections of the 7890
county or counties in which any of the territory of the proposed 7891
district is located, for the purpose of having the proposal placed 7892
on the ballot at the next general or primary election occurring 7893
not less than ~~seventy-five~~ ninety days after the certification of 7894
such resolution. 7895

If any proposal has been previously initiated pursuant to 7896
section 3311.22, 3311.231, or 3311.26 of the Revised Code which 7897
affects any of the territory affected by the proposal of the state 7898
board, the proposal of the state board shall not be placed on the 7899
ballot while the previously initiated proposal is subject to an 7900
election. 7901

Upon certification of a proposal to the board of elections of 7902
any county pursuant to this section, the board of elections of 7903
such county shall make the necessary arrangements for the 7904
submission of such question to the electors of the county 7905
qualified to vote thereon, and the election shall be counted and 7906
canvassed and the results shall be certified in the same manner as 7907
in regular elections for the election of members of a board of 7908
education. 7909

The electors qualified to vote upon a proposal are the 7910
electors residing in the local, exempted village, or city school 7911
districts, or parts thereof included in the proposed new school 7912
district. If a majority of those voting on the proposal vote in 7913
favor thereof, the state board shall create the proposed school 7914
district prior to the next succeeding July 1. 7915

Upon the creation of such district, the indebtedness of each 7916

former district becoming in its entirety a part of the new 7917
district shall be assumed in full by the new district. Upon the 7918
creation of such district, the net indebtedness of each original 7919
district of which only a part is taken by the new district shall 7920
be apportioned between the new district and the original district 7921
in the ratio which the assessed valuation of the part taken by the 7922
new district bears to the assessed valuation of the original 7923
district as of the effective date of the creation of the new 7924
district. As used in this section "net indebtedness" means the 7925
difference between the par value of the outstanding and unpaid 7926
bonds and notes of the school district and the amount held in the 7927
sinking fund and other indebtedness retirement funds for their 7928
redemption. 7929

Upon the creation of such district, the funds of each former 7930
district becoming in its entirety a part of the new district shall 7931
be paid over in full to the new district. Upon the creation of 7932
such district the funds of each former district of which only a 7933
part is taken by the new district shall be apportioned equitably 7934
by the state board between the new district and that part of the 7935
original district not included in the new district as such funds 7936
existed on the effective date of the creation of the new district. 7937

When the new district consists of territory lying in two or 7938
more counties, the state board shall determine to which 7939
educational service center the new district shall be assigned. 7940

When a new local school district is so created, the state 7941
board shall appoint five electors residing in the district to be 7942
the members of the board of education of such district, and such 7943
members shall hold office until their successors are elected and 7944
qualified. A board of education of such district shall be elected 7945
by the electors of the district at the next general election held 7946
in an odd numbered year which occurs not less than ninety one 7947
hundred five days after the appointment of the initial members of 7948

the board. At such election two members shall be elected for a 7949
term of two years and three members shall be elected for a term of 7950
four years, and thereafter their successors shall be elected in 7951
the same manner and for the same terms as members of the board of 7952
education of a local school district. 7953

When a new city school district is created, the state board 7954
shall determine the number of members which will comprise the 7955
board of education of the school district, which number shall not 7956
conflict with the number set forth in section 3313.02 of the 7957
Revised Code. The state board shall then appoint a like number of 7958
persons to be members of the board of education of such district, 7959
and said members shall hold office until their successors are 7960
elected and qualified. A board of education of such district shall 7961
be elected by the electors of the district at the next general 7962
election held in an odd numbered year which occurs not less than 7963
~~ninety~~ one hundred five days after the appointment of the initial 7964
members of the board. At such election if the number of members of 7965
the board is even, one-half of the number shall be elected for two 7966
years and one-half for four years. If the number of members of the 7967
board is odd, one-half the number less one-half shall be elected 7968
for two years and the remaining number shall be elected for four 7969
years, and thereafter their successors shall be elected in the 7970
manner provided in section 3313.08 of the Revised Code. 7971

Foundation program moneys accruing to a district created 7972
under this section shall not be less, in any year during the next 7973
succeeding three years following the creation, than the sum of the 7974
amounts received by the districts separately in the year in which 7975
the creation of the district became effective. 7976

Sec. 3311.38. The state board of education may conduct, or 7977
may direct the superintendent of public instruction to conduct, 7978
studies where there is evidence of need for transfer of local, 7979

exempted village, or city school districts, or parts of any such 7980
districts, to contiguous or noncontiguous local, exempted village, 7981
or city school districts. Such studies shall include a study of 7982
the effect of any proposal upon any portion of a school district 7983
remaining after such proposed transfer. The state board, in 7984
conducting such studies and in making recommendations as a result 7985
thereof, shall consider the possibility of improving school 7986
district organization as well as the desires of the residents of 7987
the school districts which would be affected. 7988

(A) After the adoption of recommendations growing out of any 7989
such study, or upon receipt of a resolution adopted by majority 7990
vote of the full membership of the board of any city, local, or 7991
exempted village school district requesting that the entire 7992
district be transferred to another city, local, or exempted 7993
village school district, the state board may propose by resolution 7994
the transfer of territory, which may consist of part or all of the 7995
territory of a local, exempted village, or city school district to 7996
a contiguous local, exempted village, or city school district. 7997

The state board shall thereupon file a copy of such proposal 7998
with the board of education of each school district whose 7999
boundaries would be altered by the proposal and with the governing 8000
board of any educational service center in which such school 8001
district is located. 8002

The state board may, not less than thirty days following the 8003
adoption of the resolution proposing the transfer of territory, 8004
certify the proposal to the board of elections of the county or 8005
counties in which any of the territory of the proposed district is 8006
located, for the purpose of having the proposal placed on the 8007
ballot at the next general election or at a primary election 8008
occurring not less than ~~seventy-five~~ ninety days after the 8009
adoption of such resolution. 8010

If any proposal has been previously initiated pursuant to 8011

section 3311.22, 3311.231, or 3311.26 of the Revised Code which 8012
affects any of the territory affected by the proposal of the state 8013
board, the proposal of the state board shall not be placed on the 8014
ballot while the previously initiated proposal is subject to an 8015
election. 8016

Upon certification of a proposal to the board of elections of 8017
any county pursuant to this section, the board of elections of 8018
such county shall make the necessary arrangements for the 8019
submission of such question to the electors of the county 8020
qualified to vote thereon, and the election shall be counted and 8021
canvassed and the results shall be certified in the same manner as 8022
in regular elections for the election of members of a board of 8023
education. 8024

The electors qualified to vote upon a proposal are the 8025
electors residing in the local, exempted village, or city school 8026
districts, containing territory proposed to be transferred. 8027

If the proposed transfer be approved by a majority of the 8028
electors voting on the proposal, the state board, subject to the 8029
approval of the board of education of the district to which the 8030
territory would be transferred, shall make such transfer prior to 8031
the next succeeding July 1. 8032

(B) If a study conducted in accordance with this section 8033
involves a school district with less than four thousand dollars of 8034
assessed value for each pupil in the total student count 8035
determined under section 3317.03 of the Revised Code, the state 8036
board of education, with the approval of the educational service 8037
center governing board, and upon recommendation by the state 8038
superintendent of public instruction, may by resolution transfer 8039
all or any part of such a school district to any city, exempted 8040
village, or local school district which has more than twenty-five 8041
thousand pupils in average daily membership. Such resolution of 8042
transfer shall be adopted only after the board of education of the 8043

receiving school district has adopted a resolution approving the 8044
proposed transfer. For the purposes of this division, the assessed 8045
value shall be as certified in accordance with section 3317.021 of 8046
the Revised Code. 8047

(C) Upon the making of a transfer of an entire school 8048
district pursuant to this section, the indebtedness of the 8049
district transferred shall be assumed in full by the acquiring 8050
district and the funds of the district transferred shall be paid 8051
over in full to the acquiring district, except that any 8052
indebtedness of the transferred district incurred as a result of a 8053
loan made under section 3317.64 of the Revised Code is hereby 8054
canceled and shall not be assumed by the acquiring district. 8055

(D) Upon the making of a transfer pursuant to this section, 8056
when only part of a district is transferred, the net indebtedness 8057
of each original district of which only a part is taken by the 8058
acquiring district shall be apportioned between the acquiring 8059
district and the original district in the ratio which the assessed 8060
valuation of the part taken by the acquiring district bears to the 8061
assessed valuation of the original district as of the effective 8062
date of the transfer. As used in this section "net indebtedness" 8063
means the difference between the par value of the outstanding and 8064
unpaid bonds and notes of the school district and the amount held 8065
in the sinking fund and other indebtedness retirement funds for 8066
their redemption. 8067

(E) Upon the making of a transfer pursuant to this section, 8068
when only part of a district is transferred, the funds of the 8069
district from which territory was transferred shall be divided 8070
equitably by the state board between the acquiring district and 8071
that part of the former district remaining after the transfer. 8072

(F) If an entire school district is transferred, the board of 8073
education of such district is thereby abolished. If part of a 8074
school district is transferred, any member of the board of 8075

education who is a legal resident of that part which is 8076
transferred shall thereby cease to be a member of that board. 8077

If an entire school district is transferred, foundation 8078
program moneys accruing to a district accepting school territory 8079
under the provisions of this section shall not be less, in any 8080
year during the next succeeding three years following the 8081
transfer, than the sum of the amounts received by the districts 8082
separately in the year in which the transfer became effective. 8083

Sec. 3311.50. (A) As used in this section, "county school 8084
financing district" means a taxing district consisting of the 8085
following territory: 8086

(1) The territory that constitutes the educational service 8087
center on the date that the governing board of that educational 8088
service center adopts a resolution under division (B) of this 8089
section declaring that the territory of the educational service 8090
center is a county school financing district, exclusive of any 8091
territory subsequently withdrawn from the district under division 8092
(D) of this section; 8093

(2) Any territory that has been added to the county school 8094
financing district under this section. 8095

A county school financing district may include the territory 8096
of a city, local, or exempted village school district whose 8097
territory also is included in the territory of one or more other 8098
county school financing districts. 8099

(B) The governing board of any educational service center 8100
may, by resolution, declare that the territory of the educational 8101
service center is a county school financing district. The 8102
resolution shall state the purpose for which the county school 8103
financing district is created which may be for any one or more of 8104
the following purposes: 8105

(1) To levy taxes for the provision of special education by 8106
the school districts that are a part of the district, including 8107
taxes for permanent improvements for special education; 8108

(2) To levy taxes for the provision of specified educational 8109
programs and services by the school districts that are a part of 8110
the district, as identified in the resolution creating the 8111
district, including the levying of taxes for permanent 8112
improvements for those programs and services; 8113

(3) To levy taxes for permanent improvements of school 8114
districts that are a part of the district. 8115

The governing board of the educational service center that 8116
creates a county school financing district shall serve as the 8117
taxing authority of the district and may use educational service 8118
center governing board employees to perform any of the functions 8119
necessary in the performance of its duties as a taxing authority. 8120
A county school financing district shall not employ any personnel. 8121

With the approval of a majority of the members of the board 8122
of education of each school district within the territory of the 8123
county school financing district, the taxing authority of the 8124
financing district may amend the resolution creating the district 8125
to broaden or narrow the purposes for which it was created. 8126

A governing board of an educational service center may create 8127
more than one county school financing district. If a governing 8128
board of an educational service center creates more than one such 8129
district, it shall clearly distinguish among the districts it 8130
creates by including a designation of each district's purpose in 8131
the district's name. 8132

(C) A majority of the members of a board of education of a 8133
city, local, or exempted village school district may adopt a 8134
resolution requesting that its territory be joined with the 8135
territory of any county school financing district. Copies of the 8136

resolution shall be filed with the state board of education and 8137
the taxing authority of the county school financing district. 8138
Within sixty days of its receipt of such a resolution, the county 8139
school financing district's taxing authority shall vote on the 8140
question of whether to accept the school district's territory as 8141
part of the county school financing district. If a majority of the 8142
members of the taxing authority vote to accept the territory, the 8143
school district's territory shall thereupon become a part of the 8144
county school financing district unless the county school 8145
financing district has in effect a tax imposed under section 8146
5705.211 of the Revised Code. If the county school financing 8147
district has such a tax in effect, the taxing authority shall 8148
certify a copy of its resolution accepting the school district's 8149
territory to the school district's board of education, which may 8150
then adopt a resolution, with the affirmative vote of a majority 8151
of its members, proposing the submission to the electors of the 8152
question of whether the district's territory shall become a part 8153
of the county school financing district and subject to the taxes 8154
imposed by the financing district. The resolution shall set forth 8155
the date on which the question shall be submitted to the electors, 8156
which shall be at a special election held on a date specified in 8157
the resolution, which shall not be earlier than ~~seventy-five~~ 8158
ninety days after the adoption and certification of the 8159
resolution. A copy of the resolution shall immediately be 8160
certified to the board of elections of the proper county, which 8161
shall make arrangements for the submission of the proposal to the 8162
electors of the school district. The board of the joining district 8163
shall publish notice of the election in one or more newspapers of 8164
general circulation in the county once a week for two consecutive 8165
weeks prior to the election. Additionally, if the board of 8166
elections operates and maintains a web site, the board of 8167
elections shall post notice of the election on its web site for 8168
thirty days prior to the election. The question appearing on the 8169

ballot shall read: 8170

"Shall the territory within (name of the school 8171
district proposing to join the county school financing district) 8172
..... be added to (name) county school 8173
financing district, and a property tax for the purposes of 8174
..... (here insert purposes) at a rate of taxation 8175
not exceeding (here insert the outstanding tax rate) 8176
..... be in effect for (here insert the number of 8177
years the tax is to be in effect or "a continuing period of time," 8178
as applicable)?" 8179

If the proposal is approved by a majority of the electors 8180
voting on it, the joinder shall take effect on the first day of 8181
July following the date of the election, and the county board of 8182
elections shall notify the county auditor of each county in which 8183
the school district joining its territory to the county school 8184
financing district is located. 8185

(D) The board of any city, local, or exempted village school 8186
district whose territory is part of a county school financing 8187
district may withdraw its territory from the county school 8188
financing district thirty days after submitting to the governing 8189
board that is the taxing authority of the district and the state 8190
board a resolution proclaiming such withdrawal, adopted by a 8191
majority vote of its members, but any county school financing 8192
district tax levied in such territory on the effective date of the 8193
withdrawal shall remain in effect in such territory until such tax 8194
expires or is renewed. No board may adopt a resolution withdrawing 8195
from a county school financing district that would take effect 8196
during the forty-five days preceding the date of an election at 8197
which a levy proposed under section 5705.215 of the Revised Code 8198
is to be voted upon. 8199

(E) A city, local, or exempted village school district does 8200
not lose its separate identity or legal existence by reason of 8201

joining its territory to a county school financing district under 8202
this section and an educational service center does not lose its 8203
separate identity or legal existence by reason of creating a 8204
county school financing district that accepts or loses territory 8205
under this section. 8206

Sec. 3311.73. (A) No later than ~~seventy-five~~ ninety days 8207
before the general election held in the first even-numbered year 8208
occurring at least four years after the date it assumed control of 8209
the municipal school district pursuant to division (B) of section 8210
3311.71 of the Revised Code, the board of education appointed 8211
under that division shall notify the board of elections of each 8212
county containing territory of the municipal school district of 8213
the referendum election required by division (B) of this section. 8214

(B) At the general election held in the first even-numbered 8215
year occurring at least four years after the date the new board 8216
assumed control of a municipal school district pursuant to 8217
division (B) of section 3311.71 of the Revised Code, the following 8218
question shall be submitted to the electors residing in the school 8219
district: 8220

"Shall the mayor of (here insert the name of the 8221
applicable municipal corporation) continue to appoint the members 8222
of the board of education of the (here insert the name of 8223
the municipal school district)?" 8224

The board of elections of the county in which the majority of 8225
the school district's territory is located shall make all 8226
necessary arrangements for the submission of the question to the 8227
electors, and the election shall be conducted, canvassed, and 8228
certified in the same manner as regular elections in the district 8229
for the election of county officers, provided that in any such 8230
election in which only part of the electors of a precinct are 8231
qualified to vote, the board of elections may assign voters in 8232

such part to an adjoining precinct. Such an assignment may be made 8233
to an adjoining precinct in another county with the consent and 8234
approval of the board of elections of such other county. Notice of 8235
the election shall be published in a newspaper of general 8236
circulation in the school district once a week for two consecutive 8237
weeks prior to the election, and, if the board of elections 8238
operates and maintains a web site, the board of elections shall 8239
post notice of the election on its web site for thirty days prior 8240
to the election. The notice shall state the question on which the 8241
election is being held. The ballot shall be in the form prescribed 8242
by the secretary of state. Costs of submitting the question to the 8243
electors shall be charged to the municipal school district in 8244
accordance with section 3501.17 of the Revised Code. 8245

(C) If a majority of electors voting on the issue proposed in 8246
division (B) of this section approve the question, the mayor shall 8247
appoint a new board on the immediately following first day of July 8248
pursuant to division (F) of section 3311.71 of the Revised Code. 8249

(D) If a majority of electors voting on the issue proposed in 8250
division (B) of this section disapprove the question, a new 8251
seven-member board of education shall be elected at the next 8252
regular election occurring in November of an odd-numbered year. At 8253
such election, four members shall be elected for terms of four 8254
years and three members shall be elected for terms of two years. 8255
Thereafter, their successors shall be elected in the same manner 8256
and for the same terms as members of boards of education of a city 8257
school district. All members of the board of education of a 8258
municipal school district appointed pursuant to division (B) of 8259
section 3311.71 of the Revised Code shall continue to serve after 8260
the end of the terms to which they were appointed until their 8261
successors are qualified and assume office in accordance with 8262
section 3313.09 of the Revised Code. 8263

Sec. 3316.08. During a school district's fiscal emergency 8264
period, the auditor of state shall determine annually, or at any 8265
other time upon request of the financial planning and supervision 8266
commission, whether the school district will incur an operating 8267
deficit. If the auditor of state determines that a school district 8268
will incur an operating deficit, the auditor of state shall 8269
certify that determination to the superintendent of public 8270
instruction, the financial planning and supervision commission, 8271
and the board of education of the school district. Upon receiving 8272
the auditor of state's certification, the commission shall adopt a 8273
resolution requesting that the board of education work with the 8274
county auditor or tax commissioner to estimate the amount and rate 8275
of a tax levy that is needed under section 5705.194, 5709.199, or 8276
5705.21 or Chapter 5748. of the Revised Code to produce a positive 8277
fund balance not later than the fifth year of the five-year 8278
forecast submitted under section 5705.391 of the Revised Code. 8279

The board of education shall recommend to the commission 8280
whether the board supports or opposes a tax levy under section 8281
5705.194, 5709.199, or 5705.21 or Chapter 5748. of the Revised 8282
Code and shall provide supporting documentation to the commission 8283
of its recommendation. 8284

After considering the board of education's recommendation and 8285
supporting documentation, the commission shall adopt a resolution 8286
to either submit a ballot question proposing a tax levy or not to 8287
submit such a question. 8288

Except as otherwise provided in this division, the tax shall 8289
be levied in the manner prescribed for a tax levied under section 8290
5705.194, 5709.199, or 5705.21 or under Chapter 5748. of the 8291
Revised Code. If the commission decides that a tax should be 8292
levied, the tax shall be levied for the purpose of paying current 8293
operating expenses of the school district. The rate of a tax 8294

levied under section 5705.194, 5709.199, or 5705.21 of the Revised Code shall be determined by the county auditor, and the rate of a tax levied under section 5748.02 or 5748.08 of the Revised Code shall be determined by the tax commissioner, upon the request of the commission. The commission, in consultation with the board of education, shall determine the election at which the question of the tax shall appear on the ballot, and the commission shall submit a copy of its resolution to the board of elections not later than ~~seventy-five~~ ninety days prior to the day of that election. The board of elections conducting the election shall certify the results of the election to the board of education and to the financial planning and supervision commission.

Sec. 3318.06. (A) After receipt of the conditional approval of the Ohio school facilities commission, the school district board by a majority of all of its members shall, if it desires to proceed with the project, declare all of the following by resolution:

(1) That by issuing bonds in an amount equal to the school district's portion of the basic project cost the district is unable to provide adequate classroom facilities without assistance from the state;

(2) Unless the school district board has resolved to transfer money in accordance with section 3318.051 of the Revised Code or to apply the proceeds of a property tax or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized under section 3318.052 of the Revised Code, that to qualify for such state assistance it is necessary to do either of the following:

(a) Levy a tax outside the ten-mill limitation the proceeds of which shall be used to pay the cost of maintaining the classroom facilities included in the project;

(b) Earmark for maintenance of classroom facilities from the proceeds of an existing permanent improvement tax levied under section 5705.21 of the Revised Code, if such tax can be used for maintenance, an amount equivalent to the amount of the additional tax otherwise required under this section and sections 3318.05 and 3318.08 of the Revised Code.

(3) That the question of any tax levy specified in a resolution described in division (A)(2)(a) of this section, if required, shall be submitted to the electors of the school district at the next general or primary election, if there be a general or primary election not less than ~~seventy-five~~ ninety and not more than ~~ninety-five~~ one hundred ten days after the day of the adoption of such resolution or, if not, at a special election to be held at a time specified in the resolution which shall be not less than ~~seventy-five~~ ninety days after the day of the adoption of the resolution and which shall be in accordance with the requirements of section 3501.01 of the Revised Code.

Such resolution shall also state that the question of issuing bonds of the board shall be combined in a single proposal with the question of such tax levy. More than one election under this section may be held in any one calendar year. Such resolution shall specify both of the following:

(a) That the rate which it is necessary to levy shall be at the rate of not less than one-half mill for each one dollar of valuation, and that such tax shall be levied for a period of twenty-three years;

(b) That the proceeds of the tax shall be used to pay the cost of maintaining the classroom facilities included in the project.

(B) A copy of a resolution adopted under division (A) of this section shall after its passage and not less than ~~seventy-five~~

ninety days prior to the date set therein for the election be 8357
certified to the county board of elections. 8358

The resolution of the school district board, in addition to 8359
meeting other applicable requirements of section 133.18 of the 8360
Revised Code, shall state that the amount of bonds to be issued 8361
will be an amount equal to the school district's portion of the 8362
basic project cost, and state the maximum maturity of the bonds 8363
which may be any number of years not exceeding the term calculated 8364
under section 133.20 of the Revised Code as determined by the 8365
board. In estimating the amount of bonds to be issued, the board 8366
shall take into consideration the amount of moneys then in the 8367
bond retirement fund and the amount of moneys to be collected for 8368
and disbursed from the bond retirement fund during the remainder 8369
of the year in which the resolution of necessity is adopted. 8370

If the bonds are to be issued in more than one series, the 8371
resolution may state, in addition to the information required to 8372
be stated under division (B)(3) of section 133.18 of the Revised 8373
Code, the number of series, which shall not exceed five, the 8374
principal amount of each series, and the approximate date each 8375
series will be issued, and may provide that no series, or any 8376
portion thereof, may be issued before such date. Upon such a 8377
resolution being certified to the county auditor as required by 8378
division (C) of section 133.18 of the Revised Code, the county 8379
auditor, in calculating, advising, and confirming the estimated 8380
average annual property tax levy under that division, shall also 8381
calculate, advise, and confirm by certification the estimated 8382
average property tax levy for each series of bonds to be issued. 8383

Notice of the election shall include the fact that the tax 8384
levy shall be at the rate of not less than one-half mill for each 8385
one dollar of valuation for a period of twenty-three years, and 8386
that the proceeds of the tax shall be used to pay the cost of 8387
maintaining the classroom facilities included in the project. 8388

If the bonds are to be issued in more than one series, the board of education, when filing copies of the resolution with the board of elections as required by division (D) of section 133.18 of the Revised Code, may direct the board of elections to include in the notice of election the principal amount and approximate date of each series, the maximum number of years over which the principal of each series may be paid, the estimated additional average property tax levy for each series, and the first calendar year in which the tax is expected to be due for each series, in addition to the information required to be stated in the notice under divisions (E)(3)(a) to (e) of section 133.18 of the Revised Code.

(C)(1) Except as otherwise provided in division (C)(2) of this section, the form of the ballot to be used at such election shall be:

"A majority affirmative vote is necessary for passage.

Shall bonds be issued by the (here insert name of school district) school district to pay the local share of school construction under the State of Ohio Classroom Facilities Assistance Program in the principal amount of (here insert principal amount of the bond issue), to be repaid annually over a maximum period of (here insert the maximum number of years over which the principal of the bonds may be paid) years, and an annual levy of property taxes be made outside the ten-mill limitation, estimated by the county auditor to average over the repayment period of the bond issue (here insert the number of mills estimated) mills for each one dollar of tax valuation, which amounts to (rate expressed in cents or dollars and cents, such as "thirty-six cents" or "\$0.36") for each one hundred dollars of tax valuation to pay the annual debt charges on the bonds and to pay debt charges on any notes issued in anticipation of the bonds?"

and, unless the additional levy 8421
of taxes is not required pursuant 8422
to division (C) of section 8423
3318.05 of the Revised Code, 8424

"Shall an additional levy of taxes be made for a period of 8425
twenty-three years to benefit the (here insert name 8426
of school district) school district, the proceeds of which shall 8427
be used to pay the cost of maintaining the classroom facilities 8428
included in the project at the rate of (here insert the 8429

8432
8433
8434

(2) If authority is sought to issue bonds in more than one 8436
series and the board of education so elects, the form of the 8437
ballot shall be as prescribed in section 3318.062 of the Revised 8438
Code. If the board of education elects the form of the ballot 8439
prescribed in that section, it shall so state in the resolution 8440
adopted under this section. 8441

(D) If it is necessary for the school district to acquire a 8442
site for the classroom facilities to be acquired pursuant to 8443
sections 3318.01 to 3318.20 of the Revised Code, the district 8444
board may propose either to issue bonds of the board or to levy a 8445
tax to pay for the acquisition of such site, and may combine the 8446
question of doing so with the questions specified in division (B) 8447
of this section. Bonds issued under this division for the purpose 8448
of acquiring a site are a general obligation of the school 8449
district and are Chapter 133. securities. 8450

The form of that portion of the ballot to include the 8451

question of either issuing bonds or levying a tax for site 8452
acquisition purposes shall be one of the following: 8453

name of the school district) school district to pay costs of 8455
acquiring a site for classroom facilities under the State of Ohio 8456
Classroom Facilities Assistance Program in the principal amount of 8457
..... (here insert principal amount of the bond issue), to be 8458
repaid annually over a maximum period of (here insert 8459
maximum number of years over which the principal of the bonds may 8460

valuation, which amount to (here insert rate expressed 8465
in cents or dollars and cents, such as "thirty-six cents" or 8466
"\$0.36") for each one hundred dollars of valuation to pay the 8467
annual debt charges on the bonds and to pay debt charges on any 8468
notes issued in anticipation of the bonds?" 8469

(2) "Shall an additional levy of taxes outside the ten-mill 8470
limitation be made for the benefit of the (here insert 8471
name of the school district) school district for the purpose of 8472
acquiring a site for classroom facilities in the sum of 8473
(here insert annual amount the levy is to produce) estimated by 8474
the county auditor to average (here insert number of 8475
mills) mills for each one hundred dollars of valuation, for a 8476
period of (here insert number of years the millage is to 8477
be imposed) years?" 8478

Where it is necessary to combine the question of issuing 8479
bonds of the school district and levying a tax as described in 8480
division (B) of this section with the question of issuing bonds of 8481
the school district for acquisition of a site, the question 8482
specified in that division to be voted on shall be "For the Bond 8483

Issues and the Tax Levy" and "Against the Bond Issues and the Tax Levy." 8484
8485

Where it is necessary to combine the question of issuing bonds of the school district and levying a tax as described in division (B) of this section with the question of levying a tax for the acquisition of a site, the question specified in that division to be voted on shall be "For the Bond Issue and the Tax Levies" and "Against the Bond Issue and the Tax Levies." 8486

8488
8489
8490
8491

Where the school district board chooses to combine the question in division (B) of this section with any of the additional questions described in divisions (A) to (D) of section 3318.056 of the Revised Code, the question specified in division (B) of this section to be voted on shall be "For the Bond Issues and the Tax Levies" and "Against the Bond Issues and the Tax Levies." 8492
8493
8494
8495
8496
8497
8498

If a majority of those voting upon a proposition hereunder which includes the question of issuing bonds vote in favor thereof, and if the agreement provided for by section 3318.08 of the Revised Code has been entered into, the school district board may proceed under Chapter 133. of the Revised Code, with the issuance of bonds or bond anticipation notes in accordance with the terms of the agreement. 8499

8508

The board of education of a school district in which a tax described by division (B) of section 3318.05 and levied under section 3318.06 of the Revised Code is in effect, may adopt a resolution by vote of a majority of its members to extend the term of that tax beyond the expiration of that tax as originally approved under that section. The school district board may include 8509
8510
8511
8512
8513
8514

in the resolution a proposal to extend the term of that tax at the 8515
rate of not less than one-half mill for each dollar of valuation 8516

enter into an agreement under division (B)(2) of section 3318.04 8519
of the Revised Code or in the following year, as specified in the 8520
resolution. Such a resolution may be adopted at any time before 8521
such an agreement is entered into and before the tax levied 8522
pursuant to section 3318.06 of the Revised Code expires. If the 8523
resolution is combined with a resolution to issue bonds to pay the 8524
school district's portion of the basic project cost, it shall 8525
conform with the requirements of divisions (A)(1), (2), and (3) of 8526
section 3318.06 of the Revised Code, except that the resolution 8527
also shall state that the tax levy proposed in the resolution is 8528
an extension of an existing tax levied under that section. A 8529
resolution proposing an extension adopted under this section does 8530
not take effect until it is approved by a majority of electors 8531
voting in favor of the resolution at a general, primary, or 8532
special election as provided in this section. 8533

A tax levy extended under this section is subject to the same 8534
terms and limitations to which the original tax levied under 8535
section 3318.06 of the Revised Code is subject under that section, 8536
except the term of the extension shall be as specified in this 8537
section. 8538

The school district board shall certify a copy of the 8539
resolution adopted under this section to the proper county board 8540
of elections not later than ~~seventy-five~~ ninety days before the 8541
date set in the resolution as the date of the election at which 8542
the question will be submitted to electors. The notice of the 8543
election shall conform with the requirements of division (A)(3) of 8544
section 3318.06 of the Revised Code, except that the notice also 8545
shall state that the maintenance tax levy is an extension of an 8546

existing tax levy. 8547

The form of the ballot shall be as follows: 8548

"Shall the existing tax levied to pay the cost of maintaining 8549
classroom facilities constructed with the proceeds of the 8550
previously issued bonds at the rate of (here insert the 8551
number of mills, which shall not be less than one-half mill) mills 8552

section 3318.36 of the Revised Code shall be submitted to the 8569
electors of the school district at the next general or primary 8570
election, if there be a general or primary election not less than 8571
~~seventy five~~ ninety and not more than ~~ninety five~~ one hundred ten 8572
days after the day of the adoption of such resolution or, if not, 8573

resolution which shall be not less than ~~seventy five~~ ninety days 8575
after the day of the adoption of the resolution and which shall be 8576

The form of the ballot to be used at such election shall be:

"Shall a levy of taxes be made for a period of twenty-three years to benefit the (here insert name of school district) school district, the proceeds of which shall be used to pay the cost of maintaining the classroom facilities included in the project at the rate of (here insert the number of mills, which shall not be less than one-half mill) mills for each one dollar of valuation?"

Sec. 3354.12. (A) Upon the request by resolution approved by

the board of trustees of a community college district, and upon 8607
certification to the board of elections not less than ~~seventy-five~~ 8608
ninety days prior to the election, the boards of elections of the 8609
county or counties comprising such district shall place upon the 8610
ballot in their respective counties the question of levying a tax 8611
on all the taxable property in the community college district 8612
outside the ten-mill limitation, for a specified period of years 8613
or for a continuing period of time, to provide funds for any one 8614
or more of the following purposes: the acquisition of sites, the 8615
erection, furnishing, and equipment of buildings, the acquisition, 8616
construction, or improvement of any property which the board of 8617
trustees of a community college district is authorized to acquire, 8618
construct, or improve and which has an estimated life of 8619
usefulness of five years or more as certified by the fiscal 8620
officer, and the payment of operating costs. Not more than two 8621
special elections shall be held in any one calendar year. Levies 8622
for a continuing period of time adopted under this section may be 8623
reduced in accordance with section 5705.261 of the Revised Code. 8624

If such proposal is to be or include the renewal of an 8625
existing levy at the expiration thereof, the ballot for such 8626
election shall state whether it is a renewal of a tax; a renewal 8627
of a stated number of mills and an increase of a stated number of 8628
mills, or a renewal of a part of an existing levy with a reduction 8629
of a stated number of mills; the year of the tax duplicate on 8630
which such renewal will first be made; and if earlier, the year of 8631
the tax duplicate on which such additional levy will first be 8632
made, which may include the tax duplicate for the current year 8633
unless the election is to be held after the first Tuesday after 8634
the first Monday in November of the current tax year. The ballot 8635
shall also state the period of years for such levy or that it is 8636
for a continuing period of time. If a levy for a continuing period 8637
of time provides for but is not limited to current expenses, the 8638
resolution of the board of trustees providing for the election on 8639

such levy shall apportion the annual rate of the levy between 8640
current expenses and the other purpose or purposes. Such 8641
apportionment need not be the same for each year of the levy, but 8642
the respective portions of the rate actually levied each year for 8643
current expenses and the other purpose or purposes shall be 8644
limited by such apportionment. The portion of the rate apportioned 8645
to the other purpose or purposes shall be reduced as provided in 8646
division (B) of this section. 8647

If a majority of the electors in such district voting on such 8648
question approve thereof, the county auditor or auditors of the 8649
county or counties comprising such district shall annually, for 8650
the applicable years, place such levy on the tax duplicate in such 8651
district, in an amount determined by the board of trustees, but 8652

the electors. 8654

The boards of trustees of a community college district shall 8655
establish a special fund for all revenue derived from any tax 8656
levied pursuant to this section. 8657

The boards of elections of the county or counties comprising 8658
the district shall cause to be published in a newspaper of general 8659
circulation in each such county an advertisement of the proposed 8660
tax levy question once a week for two consecutive weeks prior to 8661
the election at which the question is to appear on the ballot, 8662
and, if a board of elections operates and maintains a web site, 8663
that board also shall post a similar advertisement on its web site 8664
for thirty days prior to that election. 8665

After the approval of such levy by vote, the board of 8666
trustees of a community college district may anticipate a fraction 8667
of the proceeds of such levy and from time to time issue 8668
anticipation notes having such maturity or maturities that the 8669
aggregate principal amount of all such notes maturing in any 8670
calendar year shall not exceed seventy-five per cent of the 8671

anticipated proceeds from such levy for such year, and that no 8672
note shall mature later than the thirty-first day of December of 8673
the tenth calendar year following the calendar year in which such 8674
note is issued. Each issue of notes shall be sold as provided in 8675
Chapter 133. of the Revised Code. 8676

The amount of bonds or anticipatory notes authorized pursuant 8677
to Chapter 3354. of the Revised Code, may include sums to repay 8678
moneys previously borrowed, advanced, or granted and expended for 8679
the purposes of such bond or anticipatory note issues, whether 8680
such moneys were advanced from the available funds of the 8681
community college district or by other persons, and the community 8682
college district may restore and repay to such funds or persons 8683
from the proceeds of such issues the moneys so borrowed, advanced 8684
or granted. 8685

All operating costs of such community college may be paid out 8686
of any gift or grant from the state, pursuant to division (K) of 8687
section 3354.09 of the Revised Code; out of student fees and 8688
tuition collected pursuant to division (G) of section 3354.09 of 8689
the Revised Code; or out of unencumbered funds from any other 8690
source of the community college income not prohibited by law. 8691

(B) Prior to the application of section 319.301 of the 8692
Revised Code, the rate of a levy that is limited to, or to the 8693
extent that it is apportioned to, purposes other than current 8694
expenses shall be reduced in the same proportion in which the 8695
district's total valuation increases during the life of the levy 8696
because of additions to such valuation that have resulted from 8697
improvements added to the tax list and duplicate. 8698

Sec. 3355.02. (A) The legislative authority of any municipal 8699
corporation having a population of not less than fifty thousand as 8700
determined by the most recent federal decennial census may, by 8701
resolution approved by two-thirds of its members, create a 8702

university branch district, if a branch of a public university has 8703
been in operation in that municipality for at least the full two 8704
years immediately preceding that time. 8705

(B) The board of county commissioners of any county having a 8706
population of not less than fifty thousand as determined by the 8707
most recent federal decennial census may, by resolution approved 8708
by two-thirds of its members, create a university branch district 8709
if a branch of a public university has been in operation in that 8710
county for at least the full two years immediately preceding that 8711
time. 8712

(C) The boards of county commissioners of any two or more 8713

the information made available on the secretary of state's web 10058
site under division (G)(1)(b) of this section. Those rules shall 10059
require a board of elections, during the thirty days before the 10060
day of a primary or general election, to notify the secretary of 10061
state within one business day of any change to the location of a 10062
precinct polling place within the county. 10063

(3) During the thirty days before the day of a primary or 10064
general election, not later than one business day after receiving 10065
a notification from a county pursuant to division (G)(2) of this 10066
section that the location of a precinct polling place has changed, 10067
the secretary of state shall update that information on the 10068
secretary of state's web site for the purpose of division 10069
(G)(1)(b) of this section. 10070

(H)(1) The secretary of state and the registrar of motor 10071
vehicles shall enter into an agreement to match information in the 10072
statewide voter registration database with motor vehicle records 10073
for the purpose of verifying the accuracy of the information in 10074
the statewide voter registration database and the information 10075
provided on voter registration applications, as required under 42 10076
U.S.C. 15483. 10077

(2) The secretary of state shall notify the applicable board 10078
of elections of any mismatches between voter registration 10079
information and motor vehicle records that the secretary of state 10080
receives under division (H)(1) of this section regarding persons 10081
registered to vote in the applicable county. 10082

(3)(a) Upon notification of mismatches by the secretary of 10083
state under division (H)(2) of this section, the board of 10084
elections shall notify each affected voter of the mismatch 10085
regarding the voter's information. The board shall provide the 10086
voter with the opportunity to verify and correct the mismatched 10087
information. 10088

(b) The secretary of state shall establish, by rule adopted under Chapter 119. of the Revised Code, procedures for boards of elections to notify affected voters of mismatches and to provide those voters with the opportunity to verify and correct the mismatched information under division (H)(3)(a) of this section. Rules adopted under this division shall conform to the voluntary guidelines for implementing statewide voter registration lists adopted by the United States election assistance commission.

(4) Notwithstanding any provision of the Revised Code to the contrary, a mismatch shall not be the sole reason for the removal of a voter from the statewide voter registration database.

(5) As used in this section, "mismatch" means any of the following data fields that are not identical to one another with respect to a particular individual when information in the statewide voter registration database is compared to motor vehicle records:

Sec. 3503.19. (A) Persons qualified to register or to change their registration because of a change of address or change of name may register or change their registration in person at any state or local office of a designated agency, at the office of the registrar or any deputy registrar of motor vehicles, at a public high school or vocational school, at a public library, at the office of a county treasurer, or at a branch office established by the board of elections, or in person, through another person, or by mail at the office of the secretary of state or at the office of a board of elections. A registered elector may also change the elector's registration on election day at any polling place where

the elector is eligible to vote, in the manner provided under 10119
section 3503.16 of the Revised Code. 10120

Any state or local office of a designated agency, the office 10121
of the registrar or any deputy registrar of motor vehicles, a 10122
public high school or vocational school, a public library, or the 10123
office of a county treasurer shall transmit any voter registration 10124
application or change of registration form that it receives to the 10125
board of elections of the county in which the state or local 10126
office is located, within five days after receiving the voter 10127
registration application or change of registration form. 10128

An otherwise valid voter registration application that is 10129
returned to the appropriate office other than by mail must be 10130
received by a state or local office of a designated agency, the 10131
office of the registrar or any deputy registrar of motor vehicles, 10132
a public high school or vocational school, a public library, the 10133
office of a county treasurer, the office of the secretary of 10134
state, or the office of a board of elections no later than the 10135
thirtieth day preceding a primary, special, or general election 10136
for the person to qualify as an elector eligible to vote at that 10137
election. An otherwise valid registration application received 10138
after that day entitles the elector to vote at all subsequent 10139
elections. 10140

Any state or local office of a designated agency, the office 10141
of the registrar or any deputy registrar of motor vehicles, a 10142
public high school or vocational school, a public library, or the 10143
office of a county treasurer shall date stamp a registration 10144
application or change of name or change of address form it 10145
receives using a date stamp that does not disclose the identity of 10146
the state or local office that receives the registration. 10147

Voter registration applications, if otherwise valid, that are 10148
returned by mail to the office of the secretary of state or to the 10149
office of a board of elections must be postmarked no later than 10150

the thirtieth day preceding a primary, special, or general 10151
election in order for the person to qualify as an elector eligible 10152
to vote at that election. If an otherwise valid voter registration 10153
application that is returned by mail does not bear a postmark or a 10154
legible postmark, the registration shall be valid for that 10155
election if received by the office of the secretary of state or 10156
the office of a board of elections no later than twenty-five days 10157
preceding any special, primary, or general election. 10158

(B)(1) Any person may apply in person, by telephone, by mail, 10159
or through another person for voter registration forms to the 10160
office of the secretary of state or the office of a board of 10161
elections. An individual who is eligible to vote as a uniformed 10162
services voter or an overseas voter in accordance with 42 U.S.C. 10163
1973ff-6 also may apply for voter registration forms by electronic 10164
means to the office of the secretary of state pursuant to section 10165
3503.191 of the Revised Code. 10166

(2)(a) An applicant may return the applicant's completed 10167
registration form in person or by mail to any state or local 10168
office of a designated agency, to a public high school or 10169
vocational school, to a public library, to the office of a county 10170
treasurer, to the office of the secretary of state, or to the 10171
office of a board of elections. An applicant who is eligible to 10172
vote as a uniformed services voter or an overseas voter in 10173
accordance with 42 U.S.C. 1973ff-6 also may return the applicant's 10174
completed voter registration form electronically to the office of 10175
the secretary of state pursuant to section 3503.191 of the Revised 10176
Code. 10177

(b) Subject to division (B)(2)(c) of this section, an 10178
applicant may return the applicant's completed registration form 10179
through another person to any board of elections or the office of 10180
the secretary of state. 10181

(c) A person who receives compensation for registering a 10182

voter shall return any registration form entrusted to that person 10183
by an applicant to any board of elections or to the office of the 10184
secretary of state. 10185

(d) If a board of elections or the office of the secretary of 10186
state receives a registration form under division (B)(2)(b) or (c) 10187
of this section before the thirtieth day before an election, the 10188
board or the office of the secretary of state, as applicable, 10189
shall forward the registration to the board of elections of the 10190
county in which the applicant is seeking to register to vote 10191
within ten days after receiving the application. If a board of 10192
elections or the office of the secretary of state receives a 10193
registration form under division (B)(2)(b) or (c) of this section 10194
on or after the thirtieth day before an election, the board or the 10195
office of the secretary of state, as applicable, shall forward the 10196
registration to the board of elections of the county in which the 10197
applicant is seeking to register to vote within thirty days after 10198
that election. 10199

(C)(1) A board of elections that receives a voter 10200
registration application and is satisfied as to the truth of the 10201
statements made in the registration form shall register the 10202
applicant not later than twenty business days after receiving the 10203
application, unless that application is received during the thirty 10204
days immediately preceding the day of an election. If, on that 10205
application, the applicant has identified a political party that 10206
is a political party, as defined in section 3517.01 of the Revised 10207
Code, with which the applicant desires to be affiliated, the board 10208
of elections shall register that voter as a member of that 10209
political party as if the voter had voted that party's primary 10210
election ballot. The board shall promptly notify the applicant in 10211
writing of each of the following: 10212

(a) The applicant's registration; 10213

(b) The precinct in which the applicant is to vote; 10214

(c) In bold type as follows: 10215

"Voters must bring identification to the polls in order to 10216
verify identity. Identification may include a current and valid 10217
photo identification, a military identification, or a copy of a 10218
current utility bill, bank statement, government check, paycheck, 10219
or other government document, other than this notification ~~or a~~ 10220
~~notification of an election mailed by a board of elections,~~ that 10221
shows the voter's name and current address. Voters who do not 10222
provide one of these documents will still be able to vote by 10223
providing the last four digits of the voter's social security 10224
number and by casting a provisional ballot. Voters who do not have 10225
any of the above forms of identification, including a social 10226
security number, will still be able to vote by signing an 10227
affirmation swearing to the voter's identity under penalty of 10228
election falsification and by casting a provisional ballot." 10229

The notification shall be by nonforwardable mail. If the mail 10230
is returned to the board, it shall investigate and cause the 10231
notification to be delivered to the correct address. 10232

(2) Except as otherwise provided in this division, if the 10233
board finds that the applicant failed to provide all of the 10234
required information, but provided enough information on the form 10235
to enable the board to identify and contact the applicant, the 10236
board shall immediately notify the applicant of the error and give 10237
the applicant an opportunity to correct the form. If the 10238
application was submitted after the end of the voter registration 10239
period for an election, the board of elections may notify the 10240
applicant of the error not later than twenty days after completion 10241
of the official canvass for that election. 10242

The applicant may provide the required information by mail, 10243
electronic mail, telephone, or facsimile transmission, through the 10244
internet, or in person at the office of the board of elections. If 10245
the application is missing a signature, the applicant may provide 10246

a signed statement that the applicant submitted the application. A 10247
signature provided on a signed statement under this division shall 10248
be considered the applicant's signature on the application for the 10249
purposes of processing an otherwise valid application for voter 10250
registration. 10251

The secretary of state shall prescribe uniform standards for 10252
processing additional information by mail, electronic mail, 10253
telephone, facsimile transmission, through the internet, or in 10254
person at the office of the board of elections under this 10255
division. 10256

If the applicant corrects the application not less than 10257
fifteen days before the day of an election and is determined by 10258
the board of elections to be eligible to vote, the applicant shall 10259
be considered registered as of the date the application was 10260
submitted, and the board shall permit such an otherwise eligible 10261
elector to vote a regular ballot at that election. 10262

If the board of elections finds that an applicant failed to 10263
correct the application at least fifteen days before the day of an 10264
election, voted a provisional ballot at that election, and 10265
provided on the provisional ballot affirmation information 10266
sufficient to correct the voter registration application, the 10267
applicant shall be considered registered as of the date the 10268
application was submitted, and the board shall count the otherwise 10269
valid provisional ballot. 10270

(3) If, after investigating as required under division (C)(1) 10271
of this section, the board is unable to verify the voter's correct 10272
address, it shall cause the voter's name in the official 10273
registration list and in the poll list or signature pollbook to be 10274
marked to indicate that the voter's notification was returned to 10275
the board. 10276

At the first election at which a voter whose name has been so 10277

marked appears to vote, the voter shall be required to provide 10278
identification to the election officials and to vote by 10279
provisional ballot under section 3505.181 of the Revised Code. If 10280
the provisional ballot is counted pursuant to division (B)(3) of 10281
section 3505.183 of the Revised Code, the board shall correct that 10282
voter's registration, if needed, and shall remove the indication 10283
that the voter's notification was returned from that voter's name 10284
on the official registration list and on the poll list or 10285
signature pollbook. If the provisional ballot is not counted 10286
pursuant to division (B)(4)(a)(i), (v), or (vi) of section 10287
3505.183 of the Revised Code, the voter's registration shall be 10288
canceled. The board shall notify the voter by United States mail 10289
of the cancellation. 10290

~~(3)~~(4) If a notice of the disposition of an otherwise valid 10291
registration application is sent by nonforwardable mail and is 10292
returned undelivered, the person shall be registered as provided 10293
in division (C)~~(2)~~(3) of this section and sent a confirmation 10294
notice by forwardable mail. If the person fails to respond to the 10295
confirmation notice, update the person's registration, or vote by 10296
provisional ballot as provided in division (C)~~(2)~~(3) of this 10297
section in any election during the period of two federal elections 10298
subsequent to the mailing of the confirmation notice, the person's 10299
registration shall be canceled. 10300

(D)(1) A person who is qualified to change the person's 10301
registration because of a change of address or change of name 10302
under division (A) of this section or section 3503.16 of the 10303
Revised Code shall not be eligible to change the person's 10304
political party affiliation on the person's change of registration 10305
form. 10306

(2) A person who is registering to vote shall only be 10307
eligible to select a political party affiliation upon either of 10308
the following: 10309

<u>(a) The person's initial registration within a county;</u>	10310
<u>(b) The person's reregistration following the cancellation of</u>	10311
<u>the person's prior registration under section 3503.21 of the</u>	10312

<u>person's registration form, the person's political party</u>	10315
<u>affiliation shall be determined using the standards of affiliation</u>	10316
<u>specified in division (C) of section 3513.05 of the Revised Code.</u>	10317
<u>Sec. 3503.191. (A) The secretary of state shall establish</u>	10318

<u>42 U.S.C. 1973ff-6 to request voter registration forms</u>	10321
<u>electronically from the office of the secretary of state.</u>	10322
<u>(B) The procedures shall allow such a person to express a</u>	10323
<u>preference for the manner in which the person will receive the</u>	10324
<u>requested voter registration forms, whether by mail,</u>	10325
<u>electronically, or in person. The registration forms shall be</u>	10326
<u>transmitted by the preferred method. If the requestor does not</u>	10327
<u>express a preferred method, the registration forms shall be</u>	10328
<u>delivered via standard mail.</u>	10329
<u>(C) The secretary of state shall, by rule, establish and</u>	10330
<u>maintain reasonable procedures necessary to protect the security,</u>	10331
<u>confidentiality, and integrity of personal information collected,</u>	10332
<u>stored, or otherwise used in the electronic voter registration</u>	10333
<u>form request process established under this section. To the extent</u>	10334

<u>process and protect the privacy of the identity and personal data</u>	10337
<u>of the person when such forms are requested, processed, and sent.</u>	10338
<u>(D) In establishing procedures under this section, the</u>	10339

secretary of state shall designate at least one means of 10340
electronic communication for use by such persons to request voter 10341
registration forms, for use by the state to send voter 10342
registration forms to those who have requested electronic 10343
delivery, and for providing public election and voting 10344
information. Such designated means of electronic communication 10345
shall be identified on all information and instructional materials 10346
that accompany balloting materials. 10347

Sec. 3505.01. (A)(1) Except as otherwise provided in section 10348
3519.08 of the Revised Code, on the ~~sixtieth~~ seventieth day before 10349
the day of the next general election, the secretary of state shall 10350
certify to the board of elections of each county the forms of the 10351
official ballots to be used at that general election, together 10352
with the names of the candidates to be printed on those ballots 10353
whose candidacy is to be submitted to the electors of the entire 10354
state. ~~In the case of the presidential ballot for a general~~ 10355
~~election, that certification shall be made on the fifty-fifth day~~ 10356
~~before the day of the general election.~~ On the ~~seventy-fifth~~ 10357
seventieth day before a special election to be held on the day 10358
specified by division (E) of section 3501.01 of the Revised Code 10359
for the holding of a primary election, designated by the general 10360
assembly for the purpose of submitting to the voters of the state 10361
constitutional amendments proposed by the general assembly, the 10362
secretary of state shall certify to the board of elections of each 10363
county the forms of the official ballots to be used at that 10364
election. 10365

(2) The board of the most populous county in each district 10366
comprised of more than one county but less than all of the 10367
counties of the state, in which there are candidates whose 10368
candidacies are to be submitted to the electors of that district, 10369
shall, on the ~~sixtieth~~ seventieth day before the day of the next 10370
general election, certify to the board of each county in the 10371

district the names of those candidates to be printed on such 10372
ballots. 10373

(3) The board of a county in which the major portion of a 10374
subdivision, located in more than one county, is located shall, on 10375
the ~~sixtieth~~ seventieth day before the day of the next general 10376

portions of that subdivision are located the names of candidates 10378
whose candidacies are to be submitted to the electors of that 10379
subdivision, to be printed on such ballots. 10380

(B) If, subsequently to the ~~sixtieth~~ seventieth day before, 10381
~~or in the case of a presidential ballot for a general election the~~ 10382
~~fifty-fifth day before,~~ and prior to the tenth day before the day 10383
of a general election, a certificate is filed with the secretary 10384
of state to fill a vacancy caused by the death of a candidate, the 10385
secretary of state shall forthwith make a supplemental 10386
certification to the board of each county amending and correcting 10387
the secretary of state's original certification provided for in 10388
the first paragraph of this section. If, within that time, such a 10389
certificate is filed with the board of the most populous county in 10390
a district comprised of more than one county but less than all of 10391
the counties of the state, or with the board of a county in which 10392
the major portion of the population of a subdivision, located in 10393
more than one county, is located, the board with which the 10394
certificate is filed shall forthwith make a supplemental 10395
certification to the board of each county in the district or to 10396
the board of each county in which other portions of the 10397
subdivision are located, amending and correcting its original 10398
certification provided for in ~~the second and third paragraphs~~ 10399
division (A)(2) or (3) of this section. If, at the time such 10400
supplemental certification is received by a board, ballots 10401
carrying the name of the deceased candidate have been printed, the 10402
board shall cause strips of paper bearing the name of the 10403

candidate certified to fill the vacancy to be printed and pasted 10404
on those ballots so as to cover the name of the deceased 10405
candidate, except that in voting places using marking devices, the 10406
board shall cause strips of paper bearing the revised list of 10407
candidates for the office, after certification of a candidate to 10408
fill the vacancy, to be printed and pasted on the ballot cards so 10409
as to cover the names of candidates shown prior to the new 10410
certification, before such ballots are delivered to electors. 10411

Sec. 3505.10. (A) On the presidential ballot below the stubs 10412

"(1) To vote for the candidates for president and 10420
vice-president whose names are printed below, record your vote in 10421

recording of the vote will be counted as a vote for each of the 10423
candidates for presidential elector whose names have been 10424
certified to the secretary of state and who are members of the 10425
same political party as the nominees for president and 10426
vice-president. A recording of the vote for independent candidates 10427
for president and vice-president shall be counted as a vote for 10428
the presidential electors filed by such candidates with the 10429

candidates' presidential electors whose names have been properly 10436
certified to the secretary of state. 10437

(3) If you tear, soil, deface, or erroneously mark this 10438

cannot return it, notify the precinct election officers, and 10440
obtain another ballot." 10441

(B) Below those instructions to the voter shall be printed a 10442

additional space for write-in candidates. Each of those 10445
rectangular spaces shall be enclosed by a heavy line along each of 10446
its four sides, and such spaces shall be separated from each other 10447
by one-half inch of open space. 10448

In each of those enclosed rectangular spaces, except the 10449
space provided for write-in candidates, shall be printed the names 10450

the secretary of state or nominated in one of the following 10452

section 3513.257 of the Revised Code. Such a petition shall be 10461
filed on or before the ~~seventy-fifth~~ ninetieth day before the day 10462
of the general election to provide sufficient time to verify the 10463
sufficiency and accuracy of signatures on it. 10464

(3) Certified to the secretary of state for placement on the 10465

presidential ballot by authorized officials of an intermediate or 10466
minor political party that has held a state or national convention 10467

a convention, certify those candidates in accordance with the 10469
procedure authorized by its party rules. The officials shall 10470
certify the names of those candidates to the secretary of state on 10471
or before the ~~sixtieth~~ ninetieth day before the day of the general 10472
election. The certification shall be accompanied by a designation 10473
of a sufficient number of presidential electors to satisfy the 10474
requirements of law. 10475

The names of candidates for electors of president and 10476
vice-president shall not be placed on the ballot, but shall be 10477

lists or poll books shall check to ascertain whether the number so 10722
announced is the number on Stub B of the ballots issued to such 10723
voter, and if no discrepancy appears to exist, the judge in charge 10724
of the ballot boxes shall, in the presence of the voter, deposit 10725
each such ballot in the proper ballot box and shall place Stub A 10726
from each ballot in the container provided therefor. The voter 10727

writing such person's name on the ballot in the proper place 10749
provided for such purpose. 10750

how the voter votes in connection with each question or issue upon 10755

and tally sheets received from each polling place for its files 10818
and may compare the results of the voting in any polling place 10819
with the summary statement received from the polling place. If the 10820
board finds that any of these records or any portion of them is 10821
missing, or that they are incomplete, not properly certified, or 10822
ambiguous, or that the results of the voting in the polling place 10823

(3) If automatic tabulating equipment detects that more marks 10884
were made on an optical scan ballot for a particular office, 10885
question, or issue than the number of selections that a voter is 10886
allowed by law to make for that office, question, or issue, the 10887

to section 3509.04 of the Revised Code the same as if the voter 11019
had applied separately for absent voter's ballots for each 11020

day of the election at which the ballots are to be voted, 11037
whichever is earlier, and not later than twelve noon of the third 11038
day before the day of the election at which the ballots are to be 11039
voted, or not later than the close of regular business hours on 11040
the day before the day of the election at which the ballots are to 11041
be voted if the application is delivered in person to the office 11042
of the board. 11043

Sec. 3509.04. (A) If a director of a board of elections 11044
receives an application for absent voter's ballots that does not 11045
contain all of the required information, the director promptly 11046
shall notify the applicant of the additional information required 11047
to be provided by the applicant to complete that application. The 11048
applicant may provide the required information by mail, electronic 11049
mail, telephone, or facsimile transmission, through the internet, 11050
or in person at the office of the board of elections. If the 11051
application is missing a signature, the applicant may provide a 11052
signed statement that the applicant submitted the application. A 11053
signature provided on a signed statement under this division shall 11054
be considered the applicant's signature on the application for the 11055
purposes of processing an otherwise valid application for absent 11056
voter's ballots. The secretary of state shall prescribe uniform 11057
standards for processing additional information by mail, 11058
electronic mail, telephone, facsimile transmission, through the 11059
internet, or in person at the office of the board of elections 11060
under this division. 11061

If the applicant provides the required information prior to the end of the period for voting by absent voter's ballots at that election, the board shall promptly process the application and deliver absent voter's ballots to the applicant.

(B) Upon receipt by the director of elections of an application for absent voter's ballots that contain all of the required information, as provided by sections 3509.03 and 3509.031 and division (G) of section 3503.16 of the Revised Code, the director, if the director finds that the applicant is a qualified elector, shall deliver to the applicant in person or mail directly to the applicant by special delivery mail, air mail, or regular mail, postage prepaid, proper absent voter's ballots. The board of elections shall use an internal tracking system 11117
for all delivered absent voter's ballots, which system shall allow 11118
the board of elections to locate a voter's registration 11119
information based on a returned absent voter's ballot 11120
identification envelope. The director shall mail with the ballots 11121
and the unsealed identification envelope an unsealed return 11122

~~a box beside the words "check if out of country." The voter shall~~ 11128
~~check this box if the voter will be outside the United States on~~ 11129
~~the day of the election.~~ The return envelope shall be of such size 11130
that the identification envelope can be conveniently placed within 11131
it for returning the identification envelope to the director. The 11132
secretary of state shall determine, by rule, whether the boards of 11133
elections shall include return postage, prepay the postage, or 11134
omit any form of postage, for any return envelope sent or 11135
otherwise delivered to an elector under this section. The rule 11136
shall require that all electors be treated uniformly and 11137
consistently regarding the provision of return postage. The 11138
secretary of state shall only require a board of elections to 11139
include return postage or prepay the postage under this section if 11140
the general assembly has appropriated money to pay such postage 11141
costs. 11142

Sec. 3509.05. (A) When an elector receives an absent voter's 11143
ballot pursuant to the elector's application or request, the 11144
elector shall, before placing any marks on the ballot, note 11145
whether there are any voting marks on it. If there are any voting 11146
marks, the ballot shall be returned immediately to the board of 11147
elections; otherwise, the elector shall cause the ballot to be 11148
marked, folded in a manner that the stub on it and the 11149
indorsements and facsimile signatures of the members of the board 11150
of elections on the back of it are visible, and placed and sealed 11151
within the identification envelope received from the director of 11152
elections for that purpose. Then, the elector shall cause the 11153
statement of voter on the outside of the identification envelope 11154

to be completed and signed, under penalty of election 11155
falsification. 11156

If the elector does not provide the elector's driver's 11157
license number or the last four digits of the elector's social 11158
security number on the statement of voter on the identification 11159
envelope, the elector also shall include in the return envelope 11160
with the identification envelope a copy of the elector's current 11161
valid photo identification, a copy of a military identification, 11162
or a copy of a current utility bill, bank statement, government 11163
check, paycheck, or other government document, other than a notice 11164
of an election mailed by a board of elections under section 11165
3501.19 of the Revised Code or a notice of voter registration 11166
mailed by a board of elections under section 3503.19 of the 11167
Revised Code, that shows the name and address of the elector. 11168

The elector shall mail the identification envelope to the 11169
director from whom it was received in the return envelope, postage 11170
prepaid, or the elector may personally deliver it to the director, 11171

mother-in-law, grandfather, grandmother, brother, or sister of the 11173
whole or half blood, or the son, daughter, adopting parent, 11174
adopted child, stepparent, stepchild, uncle, aunt, nephew, or 11175
niece of the elector may deliver it to the director. The return 11176
envelope shall be transmitted to the director in no other manner, 11177
except as provided in section 3509.08 of the Revised Code. 11178

~~Each elector who will be outside the United States on the day 11179
of the election shall check the box on the return envelope 11180
indicating this fact. 11181~~

When absent voter's ballots are delivered to an elector at 11182
the office of the board, the elector may retire to a voting 11183
compartment provided by the board and there mark the ballots. 11184
Thereupon, the elector shall fold them, place them in the 11185
identification envelope provided, seal the envelope, fill in and 11186

sign the statement on the envelope under penalty of election 11187
falsification, and deliver the envelope to the director of the 11188
board. 11189

Except as otherwise provided in ~~divisions~~ division (B) and 11190
(~~C~~) of this section, all other envelopes containing marked absent 11191

ballots delivered to the director later than the times specified 11194
shall not be counted, but shall be kept by the board in the sealed 11195
identification envelopes in which they are delivered to the 11196
director, until the time provided by section 3505.31 of the 11197
Revised Code for the destruction of all other ballots used at the 11198
election for which ballots were provided, at which time they shall 11199
be destroyed. 11200

(B)(1) ~~Except as otherwise provided in division (B)(2) of~~ 11201
~~this section, any return envelope that indicates that the voter~~ 11202
~~will be outside the United States on the day of the election shall~~ 11203
~~be delivered to the director prior to the eleventh day after the~~ 11204
~~election. Ballots delivered in such envelopes that are received~~ 11205
~~after the close of the polls on election day through the tenth day~~ 11206
~~thereafter shall be counted on the eleventh day at the board of~~ 11207
~~elections in the manner provided in divisions (C) and (D) of~~ 11208
~~section 3509.06 of the Revised Code. Any such ballots that are~~ 11209
~~signed or postmarked after the close of the polls on the day of~~ 11210
~~the election or that are received by the director later than the~~ 11211
~~tenth day following the election shall not be counted, but shall~~ 11212
~~be kept by the board in the sealed identification envelopes as~~ 11213
~~provided in division (A) of this section.~~ 11214

~~(2) In any year in which a presidential primary election is~~ 11215
~~held, any return envelope that indicates that the voter will be~~ 11216
~~outside the United States on the day of the presidential primary~~ 11217
~~election shall be delivered to the director prior to the~~ 11218

~~twenty first day after that election. Ballots delivered in such envelopes that are received after the close of the polls on election day through the twentieth day thereafter shall be counted on the twenty first day at the board of elections in the manner provided in divisions (C) and (D) of section 3509.06 of the Revised Code. Any such ballots that are signed or postmarked after the close of the polls on the day of that election or that are received by the director later than the twentieth day following that election shall not be counted, but shall be kept by the board in the sealed identification envelopes as provided in division (A) of this section.~~

~~(C)(1)~~ Except as otherwise provided in division ~~(C)~~(B)(2) of this section, any return envelope that is postmarked ~~within the United States~~ prior to the day of the election shall be delivered to the director prior to the eleventh day after the election. Ballots delivered in envelopes postmarked prior to the day of the election that are received after the close of the polls on election day through the tenth day thereafter shall be counted on the eleventh day at the board of elections in the manner provided in divisions (C) and (D) of section 3509.06 of the Revised Code. Any such ballots that are received by the director later than the tenth day following the election shall not be counted, but shall be kept by the board in the sealed identification envelopes as provided in division (A) of this section.

(2) Division ~~(C)~~(B)(1) of this section shall not apply to any mail that is postmarked using a postage evidencing system, including a postage meter, as defined in 39 C.F.R. 501.1.

Sec. 3509.06. (A) The board of elections shall determine whether absent voter's ballots shall be counted in each precinct, at the office of the board, or at some other location designated by the board, and shall proceed accordingly under division (B) or

(C) of this section. 11250

(B) When the board of elections determines that absent 11251
voter's ballots shall be counted in each precinct, the director 11252
shall deliver to the presiding judge of each precinct on election 11253
day identification envelopes purporting to contain absent voter's 11254
ballots of electors whose voting residence appears from the 11255
statement of voter on the outside of each of those envelopes, to 11256
be located in such presiding judge's precinct, and which were 11257
received by the director not later than the close of the polls on 11258
election day. The director shall deliver to such presiding judge a 11259
list containing the name and voting residence of each person whose 11260
voting residence is in such precinct to whom absent voter's 11261
ballots were mailed. 11262

(C) When the board of elections determines that absent 11263
voter's ballots shall be counted at the office of the board of 11264
elections or at another location designated by the board, special 11265
election judges shall be appointed by the board for that purpose 11266
having the same authority as is exercised by precinct judges. The 11267
votes so cast shall be added to the vote totals by the board, and 11268
the absent voter's ballots shall be preserved separately by the 11269
board, in the same manner and for the same length of time as 11270
provided by section 3505.31 of the Revised Code. 11271

(D) Each of the identification envelopes purporting to 11272
contain absent voter's ballots delivered to the presiding judge of 11273
the precinct or the special judge appointed by the board of 11274
elections shall be handled as follows: The election officials 11275
shall compare the signature of the elector on the outside of the 11276
identification envelope with the signature of that elector on the 11277
elector's registration form and verify that the absent voter's 11278
ballot is eligible to be counted under section 3509.07 of the 11279
Revised Code. Any of the precinct officials may challenge the 11280
right of the elector named on the identification envelope to vote 11281

the absent voter's ballots upon the ground that the signature on 11282
the envelope is not the same as the signature on the registration 11283
form, that the identification envelope statement of voter has not 11284
been completed, or upon any other of the grounds upon which the 11285
right of persons to vote may be lawfully challenged. If no such 11286
challenge is made, or if such a challenge is made and not 11287
sustained, the presiding judge shall open the envelope without 11288
defacing the statement of voter and without mutilating the ballots 11289
in it, and shall remove the ballots contained in it and proceed to 11290
count them. 11291

The name of each person voting who is entitled to vote only 11292
an absent voter's presidential ballot shall be entered in a 11293
pollbook or poll list or signature pollbook followed by the words 11294
"Absentee Presidential Ballot." The name of each person voting an 11295
absent voter's ballot, other than such persons entitled to vote 11296
only a presidential ballot, shall be entered in the pollbook or 11297
poll list or signature pollbook and the person's registration card 11298
marked to indicate that the person has voted. 11299

The date of such election shall also be entered on the 11300
elector's registration form. If any such challenge is made and 11301
sustained, the identification envelope of such elector shall not 11302
be opened, shall be endorsed "Not Counted" with the reasons the 11303
ballots were not counted, and shall be delivered to the board. 11304

(E) Special election judges, employees or members of the 11305
board of elections, or observers shall not disclose the count or 11306
any portion of the count of absent voter's ballots prior to the 11307
time of the closing of the polling places. No person shall 11308

the township or municipal corporation. The ballot language shall 12210

number of persons filing such declarations of candidacy for 12232

nominations as candidates of one political party for election to 12233

such offices does not exceed, as to any such office, the number of 12234

to the persons entitled thereto if such primary election had been 12251
held shall declare each of such persons to be nominated as of the 12252
date of the ~~seventy-fifth~~ ninetieth day before the primary 12253
election, issue appropriate certificates of nomination to each of 12254
them, and certify their names to the proper election officials, in 12255
order that their names may be printed on the official ballots 12256
provided for use in the succeeding general election in the same 12257

The secretary of state shall not accept for filing the 12367

the person first sought to become a candidate for any of those 12681
offices. If the board determines that the person sought to become 12682
a candidate for more than one of those offices on the same date, 12683
the board shall vote promptly to disqualify that person as a 12684

(b) If one or more of the offices for which the person is 12689
seeking nomination is a state office or an office with a district 12690
larger than a single county and none of the offices for which the 12691

person is seeking nomination is a federal office, the secretary of 12692
state shall determine the date on which the person first sought to 12693
become a candidate for each of those offices by filing a 12694
declaration of candidacy or a declaration of intent to be a 12695
write-in candidate or by the filling of a vacancy under section 12696
3513.30 of the Revised Code. The secretary of state shall order 12697
the board of elections of each county in which the person is 12698
seeking to appear on the ballot to disqualify that person as a 12699
candidate for each office for which the person sought to become a 12700
candidate after the date on which the person first sought to 12701
become a candidate for any of those offices. If the secretary of 12702
state determines that the person sought to become a candidate for 12703
more than one of those offices on the same date, the secretary of 12704
state shall order the board of elections of each county in which 12705
the person is seeking to appear on the ballot to disqualify that 12706
person as a candidate for each office that would be listed on the 12707
ballot below the highest office for which that person seeks 12708
nomination, according to the ballot order prescribed under section 12709
3505.03 of the Revised Code. Each board of elections so notified 12710
shall vote promptly to disqualify the person as a candidate in 12711
accordance with the order of the secretary of state. 12712

(c) If each office or the district for each office for which 12713
the person is seeking nomination is wholly within a single county 12714
and any of those offices is a federal office, the secretary of 12715
state shall notify the board of elections of that county. The 12716
board then shall vote promptly to disqualify that person as a 12717
candidate for each office that is not a federal office. 12718

(d) If one or more of the offices for which the person is 12719
seeking nomination is a state office and any of the offices for 12720
which the person is seeking nomination is a federal office, the 12721
secretary of state shall order the board of elections of each 12722
county in which the person is seeking to appear on the ballot to 12723

disqualify that person as a candidate for each office that is not 12724
a federal office. Each board of elections so notified shall vote 12725
promptly to disqualify the person as a candidate in accordance 12726
with the order of the secretary of state. 12727

(2) If a board of elections determines, before the day of the 12728
primary election, that a person is seeking nomination to more than 12729
one office at that election in violation of division (A) of this 12730
section, the board shall do one of the following: 12731

(a) If each office or the district for each office for which 12732
the person is seeking nomination is wholly within that county and 12733
none of those offices is a federal office, the board shall 12734
determine the date on which the person first sought to become a 12735
candidate for each of those offices by filing a declaration of 12736
candidacy or a declaration of intent to be a write-in candidate or 12737
by the filling of a vacancy under section 3513.30 of the Revised 12738
Code. The board shall vote promptly to disqualify that person as a 12739
candidate for each office for which the person sought to become a 12740
candidate after the date on which the person first sought to 12741
become a candidate for any of those offices. If the board 12742
determines that the person sought to become a candidate for more 12743
than one of those offices on the same date, the board shall vote 12744
promptly to disqualify that person as a candidate for each office 12745
that would be listed on the ballot below the highest office for 12746
which that person seeks nomination, according to the ballot order 12747
prescribed under section 3505.03 of the Revised Code. 12748

(b) If one or more of the offices for which the person is 12749
seeking nomination is a state office or an office with a district 12750
larger than a single county and none of the offices for which the 12751
person is seeking nomination is a federal office, the board shall 12752
notify the secretary of state. The secretary of state then shall 12753
determine the date on which the person first sought to become a 12754
candidate for each of those offices by filing a declaration of 12755

candidacy or a declaration of intent to be a write-in candidate or 12756
by the filling of a vacancy under section 3513.30 of the Revised 12757
Code. The secretary of state shall order the board of elections of 12758
each county in which the person is seeking to appear on the ballot 12759
to disqualify that person as a candidate for each office for which 12760
the person sought to become a candidate after the date on which 12761
the person first sought to become a candidate for any of those 12762
offices. If the secretary of state determines that the person 12763
sought to become a candidate for more than one of those offices on 12764
the same date, the secretary of state shall order the board of 12765
elections of each county in which the person is seeking to appear 12766
on the ballot to disqualify that person as a candidate for each 12767
office that would be listed on the ballot below the highest office 12768
for which that person seeks nomination, according to the ballot 12769
order prescribed under section 3505.03 of the Revised Code. Each 12770
board of elections so notified shall vote promptly to disqualify 12771
the person as a candidate in accordance with the order of the 12772
secretary of state. 12773

(c) If each office or the district for each office for which 12774
the person is seeking nomination is wholly within a single county 12775
and any of those offices is a federal office, the board shall vote 12776
promptly to disqualify that person as a candidate for each office 12777
that is not a federal office. 12778

(d) If one or more of the offices for which the person is 12779
seeking nomination is a state office and any of the offices for 12780
which the person is seeking nomination is a federal office, the 12781
board shall notify the secretary of state. The secretary of state 12782
then shall order the board of elections of each county in which 12783
the person is seeking to appear on the ballot to disqualify that 12784
person as a candidate for each office that is not a federal 12785
office. Each board of elections so notified shall vote promptly to 12786
disqualify the person as a candidate in accordance with the order 12787

of the secretary of state. 12788

(D)(1) If the secretary of state determines, after the day of 12789
the primary election and before the day of the general election, 12790
that a person is seeking election to more than one office at that 12791
election in violation of division (A) of this section, the 12792
secretary of state shall do one of the following: 12793

(a) If each office or the district for each office for which 12794
the person is seeking election is wholly within a single county 12795
and none of those offices is a federal office, the secretary of 12796
state shall notify the board of elections of that county. The 12797
board then shall determine the offices for which the person seeks 12798
to appear as a candidate on the ballot. The board shall vote 12799
promptly to disqualify that person as a candidate for each office 12800
that would be listed on the ballot below the highest office for 12801
which that person seeks election, according to the ballot order 12802
prescribed under section 3505.03 of the Revised Code. If the 12803
person sought nomination at a primary election and has not yet 12804
been issued a certificate of nomination, the board shall not issue 12805
that certificate for that person for any office that would be 12806
listed on the ballot below the highest office for which that 12807
person seeks election, according to the ballot order prescribed 12808
under section 3505.03 of the Revised Code. 12809

(b) If one or more of the offices for which the person is 12810
seeking election is a state office or an office with a district 12811
larger than a single county and none of the offices for which the 12812
person is seeking election is a federal office, the secretary of 12813
state shall promptly investigate and determine the offices for 12814
which the person seeks to appear as a candidate on the ballot. The 12815
secretary of state shall order the board of elections of each 12816
county in which the person is seeking to appear on the ballot to 12817

under section 3505.03 of the Revised Code. Each board of elections 12821
so notified shall vote promptly to disqualify the person as a 12822
candidate in accordance with the order of the secretary of state. 12823
If the person sought nomination at a primary election and has not 12824
yet been issued a certificate of nomination, the board shall not 12825
issue that certificate for that person for any office that would 12826
be listed on the ballot below the highest office for which that 12827
person seeks election, according to the ballot order prescribed 12828
under section 3505.03 of the Revised Code. 12829

(c) If each office or the district for each office for which 12830
the person is seeking election is wholly within a single county 12831
and any of those offices is a federal office, the secretary of 12832
state shall notify the board of elections of that county. The 12833
board then shall vote promptly to disqualify that person as a 12834
candidate for each office that is not a federal office. If the 12835
person sought nomination at a primary election and has not yet 12836
been issued a certificate of nomination, the board shall not issue 12837
that certificate for that person for any office that is not a 12838
federal office. 12839

(d) If one or more of the offices for which the person is 12840
seeking election is a state office and any of the offices for 12841

secretary of state shall order the board of elections of each 12843
county in which the person is seeking to appear on the ballot to 12844
disqualify that person as a candidate for each office that is not 12845
a federal office. Each board of elections so notified shall vote 12846
promptly to disqualify the person as a candidate in accordance 12847
with the order of the secretary of state. If the person sought 12848
nomination at a primary election and has not yet been issued a 12849
certificate of nomination, the board shall not issue that 12850
certificate for that person for any office that is not a federal 12851

office. 12852

(2) If a board of elections determines, after the day of the 12853
primary election and before the day of the general election, that 12854
a person is seeking election to more than one office at that 12855
election in violation of division (A) of this section, the board 12856
of elections shall do one of the following: 12857

(a) If each office or the district for each office for which 12858
the person is seeking election is wholly within that county and 12859
none of those offices is a federal office, the board shall 12860
determine the offices for which the person seeks to appear as a 12861

disqualify that person as a candidate for each office that would 12863
be listed on the ballot below the highest office for which that 12864

the ballot below the highest office for which that person seeks 12870
election, according to the ballot order prescribed under section 12871
3505.03 of the Revised Code. 12872

(b) If one or more of the offices for which the person is 12873
seeking election is a state office or an office with a district 12874

person is seeking election is a federal office, the board shall 12876
notify the secretary of state. The secretary of state promptly 12877
shall investigate and determine the offices for which the person 12878
seeks to appear as a candidate on the ballot. The secretary of 12879
state shall order the board of elections of each county in which 12880

shall vote promptly to disqualify the person as a candidate in 12886
accordance with the order of the secretary of state. If the person 12887
sought nomination at a primary election and has not yet been 12888
issued a certificate of nomination, the board shall not issue that 12889
certificate for that person for any office that would be listed on 12890
the ballot below the highest office for which that person seeks 12891
election, according to the ballot order prescribed under section 12892

any of those offices is a federal office, the board shall vote 12896
promptly to disqualify that person as a candidate for each office 12897
that is not a federal office. If the person sought nomination at a 12898
primary election and has not yet been issued a certificate of 12899

required shall pay all expenses of that election. 13055

Sec. 3513.151. (A) Candidates for delegate and alternate to 13056
the national convention of a political party shall be represented 13057
on the ballot, or their names shall appear on the ballot, in 13058
accordance with this section, but only in a manner that enables an 13059
elector to record the vote in the space provided for it by the 13060
name of the first choice for president so that the recording of 13061
the vote is counted as a vote cast for each candidate for delegate 13062
or alternate who has declared such person as that candidate's 13063
first choice for president. 13064

(B) The names of candidates for delegate at large and 13065

(C) The state central committee of each major political 13070

party, through its chairperson, not later than ~~sixty~~ ninety days 13071
prior to the date of the presidential primary election, shall file 13072
with the secretary of state a statement that stipulates, in 13073
accordance with rules adopted by each state central committee at a 13074
meeting open to all members of the committee's party, whether or 13075
not the names of candidates for district delegate and district 13076
alternate to the national convention of that ~~chairpersons's~~ 13077
chairperson's party are to be printed on the ballot. The secretary 13078
of state shall prescribe the form of the ballot for the election 13079
of district delegates and district alternates of each political 13080
party in accordance with such statement. If the state central 13081
committee of a political party fails to so provide such statement, 13082
the secretary of state shall prescribe a form of ballot on which 13083
the names of candidates for delegate and alternate to such 13084
national convention do not appear on the ballot. Only the names of 13085
the presidential first choices of such candidates for delegates 13086
and alternates shall appear on the ballot. If only the names of 13087
presidential first choices are printed, the ballot shall provide 13088
the opportunity for an elector to record the vote in the 13089
appropriate space provided beside such names and such a vote cast 13090
shall be counted as a vote for each candidate for delegate and 13091
alternate who has declared such person as that candidate's first 13092
choice for president. 13093

If the number of candidates for district delegate or for 13094
district alternate to the national convention of a political party 13095
exceeds the number to be elected, the names of such candidates, 13096
when required to appear on the ballot, shall not be rotated, but 13097
shall be printed in a group on the ballot in alphabetical order 13098
immediately below or beside first choice for president. This form 13099
of the ballot shall be prescribed by the secretary so that the 13100
recording of the vote in the space provided beside the name of 13101
such choice for president shall be a vote for each candidate whose 13102
name is included in the grouping. 13103

(D) Candidates, grouped by first choice for president, shall 13104
be rotated in the same manner as though each grouping were a 13105
separate candidate. As many series of ballots shall be printed as 13106
the number of groups to be rotated, with the total number of 13107
ballots to be printed divided by the number of series to be 13108
printed in order to determine the number of ballots to be printed 13109
of each series. On the first series of ballots, the candidates 13110
shall be alphabetically grouped by their first choice for 13111
president. On each succeeding series, the group of candidates that 13112
was the first in the preceding series shall be last and each of 13113
the other groups shall be moved up one place. The ballots shall be 13114
rotated and printed as provided in section 3505.03 of the Revised 13115
Code, except that no indication of membership in or affiliation 13116
with a political party shall be printed after or under the 13117
candidate's name. 13118

(E) The state central committee of each major political 13119
party, through its chairperson, not later than the fifteenth day 13120
prior to the date of the presidential primary election, shall file 13121
with the secretary of state the rules of its political party 13122
adopted by the state central committee at a meeting open to all 13123
members of the committee's party, which affect the issuance of 13124
certificates of election to candidates for delegate or alternate 13125
to its party nominating convention, and the secretary of state 13126
shall issue certificates of election in accordance with such 13127
rules. 13128

(F) If party rules prescribe that fewer than all such 13129
candidates for delegate and alternate are to be elected, 13130
certificates of election shall be issued in the order preferred by 13131
the first choice for president and in such numbers that the number 13132
of delegates and alternates certified as elected reflects, as 13133
nearly as possible, the proportion to be elected under the party 13134
rules. 13135

(G) If the state central committee of a political party fails 13136
to file the rules with the secretary of state pursuant to this 13137
section, certificates of election shall be issued to the 13138
candidates for delegate and alternate receiving the highest number 13139
of votes. 13140

Sec. 3513.19. (A) It is the duty of any judge of elections, 13141
whenever any judge of elections doubts that a person attempting to 13142
vote at a primary election is legally entitled to vote at that 13143
election, to challenge the right of that person to vote. The right 13144
of a person to vote at a primary election may be challenged upon 13145
the following grounds: 13146

(1) That the person whose right to vote is challenged is not 13147
a legally qualified elector; 13148

(2) That the person has received or has been promised some 13149
valuable reward or consideration for the person's vote; 13150

(3) That the person is not affiliated with or is not a member 13151
of the political party whose ballot the person desires to vote. 13152
Such party affiliation shall be determined by examining the 13153
elector's political party preference as specified on the elector's 13154
voter registration application and the elector's voting record for 13155
the current year and the immediately preceding two calendar years 13156
as shown on the voter's registration card, using the standards of 13157
affiliation specified in ~~the seventh paragraph~~ division (C) of 13158
section 3513.05 of the Revised Code. Division (A)(3) of this 13159
section and ~~the seventh paragraph~~ division (C) of section 3513.05 13160
of the Revised Code do not prohibit a person who holds an elective 13161
office for which candidates are nominated at a party primary 13162
election from doing any of the following: 13163

(a) If the person registered to vote as a member of a 13164
different political party or voted as a member of a different 13165
political party at any primary election within the current year 13166

and the immediately preceding two calendar years, being a 13167
candidate for nomination at a party primary held during the times 13168
specified in division (C)(2) of section 3513.191 of the Revised 13169
Code provided that the person complies with the requirements of 13170
that section; 13171

(b) Circulating the person's own petition of candidacy for 13172
party nomination in the primary election. 13173

(B) When the right of a person to vote is challenged upon the 13174
ground set forth in division (A)(3) of this section, membership in 13175
or political affiliation with a political party shall be 13176
determined by the person's statement, made under penalty of 13177
election falsification, that the person desires to be affiliated 13178
with and supports the principles of the political party whose 13179
primary ballot the person desires to vote. 13180

Sec. 3513.191. (A) No person shall be a candidate for 13181
nomination or election at a party primary if the person registered 13182
to vote as or voted as a member of a different political party at 13183
any primary election within the current year and the immediately 13184
preceding two calendar years. 13185

(B) Notwithstanding division (A) of this section, either of 13186
the following persons may be candidates for nomination of any 13187
political party at a party primary: 13188

(1) A person who does not hold an elective office; 13189

(2) A person who holds an elective office other than one for 13190
which candidates are nominated at a party primary. 13191

(C)(1) Notwithstanding division (A) of this section, a person 13192
who holds an elective office for which candidates are nominated at 13193
a party primary may be a candidate at a primary election held 13194
during the times specified in division (C)(2) of this section for 13195
nomination as a candidate of a political party of which the person 13196

is prohibited from being a candidate for nomination under division 13197
(A) of this section if the person files a declaration of intent to 13198
seek the nomination of that party and if, by filing the 13199
declaration, the person has not violated division (C)(3) of this 13200
section. The declaration of intent shall: 13201

(a) Be filed not later than four p.m. of the thirtieth day 13202
before a declaration of candidacy and petition is required to be 13203
filed under section 3513.05 of the Revised Code; 13204

(b) Be filed with the same official with whom the person 13205
filing the declaration of intent is required to file a declaration 13206
of candidacy and petition; 13207

(c) Indicate the political party whose nomination in the 13208
primary election the person seeks; 13209

(d) Be on a form prescribed by the secretary of state. 13210

(2) No person filing a declaration of intent under division 13211
(C)(1) of this section shall be a candidate at any primary 13212
election for nomination for an elective office for which 13213
candidates are nominated at a party primary during the calendar 13214
year in which the person files the declaration or during the next 13215
calendar year except as a candidate of the party indicated under 13216
division (C)(1)(c) of this section. 13217

(3) No person who files a declaration of intent under 13218
division (C)(1) of this section shall file another such 13219
declaration for a period of ten years after the declaration is 13220
filed. 13221

(4) Notwithstanding ~~the seventh paragraph~~ division (C) of 13222
section 3513.05 of the Revised Code, a person who complies with 13223
this section may circulate that person's own petition of candidacy 13224
for party nomination at the party primary at which the person 13225
seeks nomination under this section. 13226

Sec. 3513.20. Before any challenged person shall be allowed 13227
to vote at a primary election, the person shall make a statement, 13228
under penalty of election falsification, before one of the 13229
precinct officials, blanks for which shall be furnished by the 13230
board of elections, giving name, age, residence, length of 13231
residence in the precinct, county, and state; stating that the 13232
person desires to be affiliated with and supports the principles 13233
of the political party whose ballot the person desires to vote; 13234
and giving all other facts necessary to determine whether the 13235
person is entitled to vote in that primary election. The statement 13236
shall be returned to the office of the board with the pollbooks 13237
and tally sheets. 13238

If a person challenged refuses to make that statement under 13239
penalty of election falsification, the person shall be permitted 13240
to vote a provisional ballot under section 3505.181 of the Revised 13241
Code. If a majority of the precinct officials finds that the 13242
statements of a person challenged or the person's voter 13243
registration, voting record, or other evidence shows that the 13244
person lacks any of the qualifications required to make the person 13245
a qualified elector at the primary election or that the person is 13246
not affiliated with or is not a member of the political party 13247
whose ballot the person desires to vote, the person shall be 13248
permitted to vote a provisional ballot under section 3505.181 of 13249
the Revised Code. 13250

Sec. 3513.251. Nominations of candidates for election as 13251
officers of a municipal corporation having a population of less 13252
than two thousand as ascertained by the next preceding federal 13253
census shall be made only by nominating petition and their 13254

invalid if, upon verification of signatures contained in the 13285
petition, the board of elections finds the number of signatures 13286
accepted exceeds three times the minimum number of signatures 13287
required. A board of elections may discontinue verifying 13288
signatures when the number of verified signatures on a petition 13289

unless a majority of the electors of such township have petitioned 13310
for a primary election. The nominating petitions of nonpartisan 13311
candidates for township trustee and township fiscal officer shall 13312
be signed by not less than twenty-five qualified electors of the 13313
township. Such petition shall be filed with the board of elections 13314
not later than four p.m. of the ~~seventy-fifth~~ ninetieth day before 13315
the day of the general election, provided that no such nominating 13316
petition shall be accepted for filing if it appears to contain 13317
signatures aggregating in number more than three times the minimum 13318
number of signatures required by this section. A board of 13319

invalid if, upon verification of signatures contained in the 13331
petition, the board of elections finds the number of signatures 13332
accepted exceeds three times the minimum number of signatures 13333
required. A board of elections may discontinue verifying 13334
signatures when the number of verified signatures on a petition 13335
equals the minimum required number of qualified signatures. 13336

by one hundred fifty qualified electors of the school district. 13355
Nominating petitions for candidates for member of a board of 13356
education of a city school district having a population of one 13357

electors of the school district. 13360

(B) Nominating petitions shall be filed with the board of 13361
elections not later than four p.m. of the ~~seventy-fifth~~ ninetieth 13362

petition shall be accepted for filing if it appears to contain 13364
signatures aggregating in number more than three times the minimum 13365
number of signatures required by this section. A board of 13366
elections shall not accept for filing a nominating petition of a 13367
person if that person, for the same election, has already filed a 13368
declaration of candidacy, a declaration of intent to be a write-in 13369
candidate, or a nominating petition, or has become a candidate 13370
through party nomination at a primary election or by the filling 13371
of a vacancy under section 3513.30 or 3513.31 of the Revised Code 13372
for any other position as a member of a city, local, or exempted 13373
village board of education or position as a member of a governing 13374
board of an educational service center, or for a municipal or 13375
township office. When a petition of a candidate has been accepted 13376
for filing by a board of elections, the petition shall not be 13377
deemed invalid if, upon verification of signatures contained in 13378
the petition, the board of elections finds the number of 13379
signatures accepted exceeds three times the minimum number of 13380
signatures required. A board of elections may discontinue 13381
verifying petitions when the number of verified signatures equals 13382
the minimum required number of qualified signatures. 13383

(C) This section is subject to section 3513.256 of the 13384
Revised Code. 13385

Sec. 3513.255. This section is subject to section 3513.256 of 13386
the Revised Code. The name of each candidate for election as a 13387
member of a governing board of an educational service center shall 13388
appear on the nonpartisan ballot. Each nominating petition shall 13389
be signed by fifty qualified electors who reside in one of the 13390
following, as applicable: 13391

(A) The school districts over which the educational service 13392
center governing board has jurisdiction, in the case of any 13393
candidate running for a position on any educational service center 13394
governing board other than a governing board established in 13395
accordance with section 3311.054 of the Revised Code; 13396

(B) The subdistrict in which the candidate is running, in the 13397
case of a position on a governing board of an educational service 13398
center established in accordance with section 3311.054 of the 13399
Revised Code. 13400

Each nominating petition shall be filed with the board of 13401
elections of the county in which the central administrative 13402
offices of the educational service center governing board are 13403
located not later than four p.m. of the ~~seventy-fifth~~ ninetieth 13404
day before the day of the general election, provided that no such 13405
petition shall be accepted for filing if it appears to contain 13406
signatures aggregating in number more than three times the minimum 13407
number of signatures required by this section. A board of 13408
elections shall not accept for filing a nominating petition of a 13409
person if that person, for the same election, has already filed a 13410
declaration of candidacy, a declaration of intent to be a write-in 13411
candidate, or a nominating petition, or has become a candidate 13412
through party nomination at a primary election or by the filling 13413
of a vacancy under section 3513.30 or 3513.31 of the Revised Code 13414
for any other position as a member of a governing board of an 13415
educational service center or position as a member of a city, 13416

local, or exempted village board of education, or for a municipal 13417
or township office. When a petition of a candidate has been 13418
accepted for filing by a board of elections, the petition shall 13419
not be deemed invalid if, upon verification of signatures 13420
contained in the petition, the board of elections finds the number 13421
of signatures accepted exceeds three times the minimum signatures 13422
required. A board of elections may discontinue verifying petitions 13423
when the number of verified signatures equals the minimum required 13424
number of qualified signatures. 13425

Sec. 3513.256. (A) Notwithstanding any provision of the 13426
Revised Code to the contrary, for the purpose of nominating 13427
candidates for a position as a member of the board of education of 13428
a city, local, or exempted village school district or a position 13429
as a member of a governing board of an educational service center, 13430
the board may adopt, by resolution upon a three-fifths majority 13431
vote of its total membership, procedures for a nonpartisan primary 13432
election. Such procedures shall specify the following: 13433

(1) That the primary election for nominating candidates for a 13434
position as a member of that board shall be held on the same day 13435
as the primary election for nominating all other candidates for 13436
public office in that year; 13437

(2) That nominating petitions shall be filed with the board 13438
of elections not later than four p.m. of the ~~seventy-fifth~~ 13439
ninetieth day before the day of the primary election; 13440

(3) That the primary election shall take place only if the 13441
number of candidates for nomination for a position on that board, 13442
as verified by the board of elections, is at least one more than 13443
two times the number of available positions on that board at the 13444
general election; 13445

(4) That the number of candidates advancing from the primary 13446
election to the general election shall equal two times the number 13447

of available positions on that board at the general election. 13448

The board shall notify the board of elections upon adoption 13449
of a resolution under this division. No such resolution shall 13450
apply for a particular election unless the resolution is adopted 13451
at least one hundred twenty days prior to the deadline specified 13452
in the resolution to become a candidate for nomination at that 13453
election. Subject to division (B) of this section, the resolution 13454
shall apply to all subsequent nominations for a position as a 13455
member of that board. 13456

(B) Not earlier than five years after the adoption of a 13457
resolution under division (A) of this section, the board of 13458
education of a city, local, or exempted village school district or 13459
the governing board of an educational service center may rescind 13460
that resolution by subsequent resolution upon a three-fifths 13461
majority vote of its total membership. 13462

The board shall notify the board of elections of any 13463
resolution adopted under this division. No such resolution shall 13464
apply to a particular election unless the resolution is adopted at 13465
least one hundred twenty days prior to the deadline to become a 13466
candidate for nomination at that election under the nomination 13467
procedures the resolution is rescinding. Subject to division (D) 13468
of this section, the requirements of Chapter 3513. of the Revised 13469
Code shall apply to all subsequent nominations for a position as a 13470
member of that board. 13471

(C) Any candidate nominated pursuant to a resolution adopted 13472
under division (A) of this section shall appear on the nonpartisan 13473
ballot at the general election as prescribed in sections 3505.04, 13474
3513.254, and 3513.255 of the Revised Code. 13475

(D) Nothing in this section prohibits or shall be construed 13476
to prohibit the board of education of a city, local, or exempted 13477
village school district or the governing board of an educational 13478

service center that has rescinded a resolution under division (B) 13479
of this section from subsequently adopting the same or different 13480
procedures for a nonpartisan primary election by adopting a 13481
resolution under division (A) of this section. 13482

Sec. 3513.257. Each person desiring to become an independent 13483
candidate for an office for which candidates may be nominated at a 13484
primary election, except persons desiring to become independent 13485
joint candidates for the offices of governor and lieutenant 13486
governor and for the offices of president and vice-president of 13487
the United States, shall file no later than four p.m. of the day 13488
before the day of the primary election immediately preceding the 13489
general election at which such candidacy is to be voted for by the 13490
voters, a statement of candidacy and nominating petition as 13491
provided in section 3513.261 of the Revised Code. Persons desiring 13492
to become independent joint candidates for the offices of governor 13493
and lieutenant governor shall file, not later than four p.m. of 13494
the day before the day of the primary election, one statement of 13495
candidacy and one nominating petition for the two of them. Persons 13496
desiring to become independent joint candidates for the offices of 13497
president and vice-president of the United States shall file, not 13498
later than four p.m. of the ~~seventy-fifth~~ ninetieth day before the 13499
day of the general election at which the president and 13500
vice-president are to be elected, one statement of candidacy and 13501
one nominating petition for the two of them. The prospective 13502
independent joint candidates' statement of candidacy shall be 13503
filed with the nominating petition as one instrument. 13504

The statement of candidacy and separate petition papers of 13505
each candidate or pair of joint candidates shall be filed at the 13506
same time as one instrument. 13507

The nominating petition shall contain signatures of qualified 13508
electors of the district, political subdivision, or portion of a 13509

political subdivision in which the candidacy is to be voted on in 13510
an amount to be determined as follows: 13511

(A) If the candidacy is to be voted on by electors throughout 13512
the entire state, the nominating petition, including the 13513
nominating petition of independent joint candidates for the 13514
offices of governor and lieutenant governor, shall be signed by no 13515
less than five thousand qualified electors, provided that no 13516
petition shall be accepted for filing if it purports to contain 13517
more than fifteen thousand signatures. 13518

(B) If the candidacy is to be voted on by electors in any 13519
district, political subdivision, or part thereof in which less 13520
than five thousand electors voted for the office of governor at 13521
the most recent election for that office, the nominating petition 13522
shall contain signatures of not less than twenty-five qualified 13523
electors of the district, political subdivision, or part thereof, 13524
or a number of qualified signatures equal to at least five per 13525
cent of that vote, if this number is less than twenty-five. 13526

(C) If the candidacy is to be voted on by electors in any 13527
district, political subdivision, or part thereof in which five 13528
thousand or more electors voted for the office of governor at the 13529
most recent election for that office, the nominating petition 13530
shall contain a number of signatures equal to at least one per 13531
cent of those electors. 13532

All nominating petitions of candidates for offices to be 13533
voted on by electors throughout the entire state shall be filed in 13534
the office of the secretary of state. No nominating petition for 13535
the offices of president and vice-president of the United States 13536
shall be accepted for filing unless there is submitted to the 13537
secretary of state, at the time of filing the petition, a slate of 13538
presidential electors sufficient in number to satisfy the 13539
requirement of the United States Constitution. The secretary of 13540
state shall not accept for filing the statement of candidacy of a 13541

person who desires to be an independent candidate for the office 13542
of governor unless it also shows the joint candidacy of a person 13543
who desires to be an independent candidate for the office of 13544
lieutenant governor, shall not accept for filing the statement of 13545
candidacy of a person who desires to be an independent candidate 13546
for the office of lieutenant governor unless it also shows the 13547
joint candidacy of a person who desires to be an independent 13548
candidate for the office of governor, and shall not accept for 13549
filing the statement of candidacy of a person who desires to be an 13550
independent candidate to the office of governor or lieutenant 13551
governor who, for the same election, has already filed a 13552
declaration of candidacy, a declaration of intent to be a write-in 13553
candidate, or a statement of candidacy, or has become a candidate 13554
by the filling of a vacancy under section 3513.30 of the Revised 13555
Code for any other state office or any federal or county office. 13556

Nominating petitions of candidates for offices to be voted on 13557
by electors within a district or political subdivision comprised 13558
of more than one county but less than all counties of the state 13559
shall be filed with the boards of elections of that county or part 13560
of a county within the district or political subdivision which had 13561
a population greater than that of any other county or part of a 13562
county within the district or political subdivision according to 13563
the last federal decennial census. 13564

Nominating petitions for offices to be voted on by electors 13565
within a county or district smaller than a county shall be filed 13566
with the board of elections for such county. 13567

No petition other than the petition of a candidate whose 13568
candidacy is to be considered by electors throughout the entire 13569
state shall be accepted for filing if it appears on its face to 13570
contain more than three times the minimum required number of 13571
signatures. A board of elections shall not accept for filing a 13572
nominating petition of a person seeking to become a candidate if 13573

that person, for the same election, has already filed a 13574
declaration of candidacy, a declaration of intent to be a write-in 13575
candidate, or a nominating petition, or has become a candidate by 13576
the filling of a vacancy under section 3513.30 of the Revised Code 13577
for any federal, state, or county office, if the nominating 13578
petition is for a state or county office, or for any municipal or 13579
township office, for member of a city, local, or exempted village 13580
board of education, or for member of a governing board of an 13581
educational service center, if the nominating petition is for a 13582
municipal or township office, or for member of a city, local, or 13583
exempted village board of education, or for member of a governing 13584
board of an educational service center. When a petition of a 13585
candidate has been accepted for filing by a board of elections, 13586
the petition shall not be deemed invalid if, upon verification of 13587
signatures contained in the petition, the board of elections finds 13588
the number of signatures accepted exceeds three times the minimum 13589
number of signatures required. A board of elections may 13590
discontinue verifying signatures when the number of verified 13591
signatures on a petition equals the minimum required number of 13592
qualified signatures. 13593

Any nonjudicial candidate who files a nominating petition may 13594
request, at the time of filing, that the candidate be designated 13595
on the ballot as a nonparty candidate or as an other-party 13596
candidate, or may request that the candidate's name be placed on 13597
the ballot without any designation. Any such candidate who fails 13598
to request a designation either as a nonparty candidate or as an 13599
other-party candidate shall have the candidate's name placed on 13600
the ballot without any designation. 13601

The purpose of establishing a filing deadline for independent 13602
candidates prior to the primary election immediately preceding the 13603
general election at which the candidacy is to be voted on by the 13604
voters is to recognize that the state has a substantial and 13605

compelling interest in protecting its electoral process by 13606
encouraging political stability, ensuring that the winner of the 13607
election will represent a majority of the community, providing the 13608
electorate with an understandable ballot, and enhancing voter 13609
education, thus fostering informed and educated expressions of the 13610
popular will in a general election. The filing deadline for 13611
independent candidates required in this section prevents 13612
splintered parties and unrestrained factionalism, avoids political 13613
fragmentation, and maintains the integrity of the ballot. The 13614
deadline, one day prior to the primary election, is the least 13615
drastic or restrictive means of protecting these state interests. 13616
The general assembly finds that the filing deadline for 13617
independent candidates in primary elections required in this 13618
section is reasonably related to the state's purpose of ensuring 13619
fair and honest elections while leaving unimpaired the political, 13620
voting, and associational rights secured by the first and 13621
fourteenth amendments to the United States Constitution. 13622

Sec. 3513.259. Nominations of candidates for the office of 13623
member of the state board of education shall be made only by 13624
nominating petition. The nominating petition of a candidate for 13625
the office of member of the state board of education shall be 13626
signed by not less than one hundred qualified electors. 13627

No such nominating petition shall be accepted for filing if 13628
it appears on its face to contain signatures aggregating in number 13629
more than three times the minimum number of signatures required by 13630
this section. A board of elections shall not accept for filing a 13631
nominating petition of a person if that person, for the same 13632
election, has already filed a declaration of candidacy, a 13633
declaration of intent to be a write-in candidate, or a nominating 13634
petition, or has become a candidate through party nomination at a 13635
primary election or by the filling of a vacancy under section 13636
3513.30 or 3513.31 of the Revised Code, to be a candidate for any 13637

other state office or any federal or county office. When a 13638
petition of a candidate has been accepted for filing by a board of 13639
elections, the petition shall not be deemed invalid if, upon 13640
verification of signatures contained in the petition, the board of 13641
elections finds the number of signatures accepted exceeds three 13642
times the minimum number of signatures required. A board of 13643
elections may discontinue verifying signatures when the number of 13644
verified signatures equals the minimum required number of 13645
signatures. Such petition shall be filed with the board of 13646
elections of the most populous county in such district not later 13647
than four p.m. of the ~~seventy-fifth~~ ninetieth day before the day 13648
of the general election at which state board of education members 13649
are elected. 13650

Each nominating petition shall be signed by qualified 13651
electors residing in the district in which the candidate 13652
designated therein would be a candidate for election to the office 13653
of member of the state board of education. Each candidate shall be 13654
a qualified elector residing in the district in which the 13655
candidate seeks election to such office. 13656

As the word "district" is used in this section, it refers to 13657
a district created under section 3301.01 of the Revised Code. 13658

Sec. 3513.263. The nominating petitions of all candidates 13659
required to be filed before four p.m. of the ~~seventy-fifth~~ 13660
ninetieth day before the day of the general election, shall be 13661
processed as follows: 13662

If such petition is filed with the secretary of state, ~~he~~ the 13663
secretary of state shall promptly transmit to each board such 13664
separate petition papers as purports to contain signatures of 13665
electors of the county of such board. 13666

If such petition is filed with the board of a county in which 13667
the major portion of the population of a subdivision is located, 13668

such board shall promptly transmit to the board of each county in 13669
which other portions of such subdivision are located such separate 13670
petition papers of the petition as purport to contain signatures 13671
of electors of such county. 13672

All petition papers so transmitted to a board of elections, 13673
and all nominating petitions filed with a board of elections 13674
shall, under proper regulation, be open to public inspection until 13675
four p.m. of the ~~seventieth~~ eightieth day before the day of such 13676
general election. Each board shall, not later than the 13677
~~sixty-eighth~~ seventy-eighth day before the day of such general 13678
election examine and determine the sufficiency of the signatures 13679
on the petition papers transmitted to or filed with it and the 13680
validity or invalidity of petitions filed with it, and shall 13681
return to each other board all petition papers transmitted to it 13682
by such other board, together with its certification of its 13683
determination as to the validity or invalidity of signatures 13684
thereon. All other matters affecting the validity or invalidity of 13685
such petition papers shall be determined by the board with whom 13686
such petition papers were filed. 13687

Written protests against such nominating petitions may be 13688
filed by any qualified elector eligible to vote for the candidate 13689
whose nominating petition ~~he~~ the elector objects to, not later 13690
than the ~~sixty-fourth~~ seventy-fourth day before the general 13691
election. Such protests shall be filed with the election officials 13692
with whom the nominating petition was filed. Upon the filing of 13693
such protests, the election officials with whom it is filed shall 13694
promptly fix the time and place for hearing it, and shall 13695
forthwith mail notice of the filing of such protest and the time 13696
and place for hearing it to the person whose nomination is 13697
protested. They shall also forthwith mail notice of the time and 13698
place fixed for the hearing to the person who filed the protest. 13699
At the time and place fixed, such election officials shall hear 13700

the protest and determine the ~~validity~~ validity or invalidity of 13701
the petition. Such determination shall be final. 13702

Sec. 3513.30. (A)(1) If only one valid declaration of 13703
candidacy is filed for nomination as a candidate of a political 13704
party for an office and that candidate dies prior to the tenth day 13705
before the primary election, both of the following may occur: 13706

(a) The political party whose candidate died may fill the 13707
vacancy so created as provided in division (A)(2) of this section. 13708

(b) Any major political party other than the one whose 13709
candidate died may select a candidate as provided in division 13710
(A)(2) of this section under either of the following 13711
circumstances: 13712

(i) No person has filed a valid declaration of candidacy for 13713
nomination as that party's candidate at the primary election. 13714

(ii) Only one person has filed a valid declaration of 13715
candidacy for nomination as that party's candidate at the primary 13716
election, that person has withdrawn, died, or been disqualified 13717
under section 3513.052 of the Revised Code, and the vacancy so 13718
created has not been filled. 13719

(2) A vacancy may be filled under division (A)(1)(a) and a 13720
selection may be made under division (A)(1)(b) of this section by 13721
the appropriate committee of the political party in the same 13722
manner as provided in divisions (A) to (E) of section 3513.31 of 13723
the Revised Code for the filling of similar vacancies created by 13724
withdrawals or disqualifications under section 3513.052 of the 13725
Revised Code after the primary election, except that the 13726
certification required under that section may not be filed with 13727
the secretary of state, or with a board of the most populous 13728
county of a district, or with the board of a county in which the 13729
major portion of the population of a subdivision is located, later 13730

than four p.m. of the tenth day before the day of such primary 13731
election, or with any other board later than four p.m. of the 13732
fifth day before the day of such primary election. 13733

(3) If only one valid declaration of candidacy is filed for 13734
nomination as a candidate of a political party for an office and 13735
that candidate dies on or after the tenth day before the day of 13736
the primary election, that candidate is considered to have 13737
received the nomination of that candidate's political party at 13738
that primary election, and, for purposes of filling the vacancy so 13739
created, that candidate's death shall be treated as if that 13740
candidate died on the day after the day of the primary election. 13741

(B) Any person filing a declaration of candidacy may withdraw 13742
as such candidate at any time prior to the primary election, ~~or,~~ 13743
~~if the primary election is a presidential primary election, at any~~ 13744
~~time prior to the fiftieth day before the presidential primary~~ 13745
election. The withdrawal shall be effected and the statement of 13746
withdrawal shall be filed in accordance with the procedures 13747
prescribed in division (D) of this section for the withdrawal of 13748
persons nominated in a primary election or by nominating petition. 13749

(C) A person who is the first choice for president of the 13750
United States by a candidate for delegate or alternate to a 13751
national convention of a political party may withdraw consent for 13752
the selection of the person as such first choice no later than 13753
four p.m. of the ~~thirtieth~~ fortieth day before the day of the 13754
presidential primary election. Withdrawal of consent shall be for 13755
the entire slate of candidates for delegates and alternates who 13756
named such person as their presidential first choice and shall 13757
constitute withdrawal from the primary election by such delegates 13758
and alternates. The withdrawal shall be made in writing and 13759
delivered to the secretary of state. If the withdrawal is 13760
delivered to the secretary of state on or before the ~~sixtieth~~ 13761
seventieth day before the day of the primary election, ~~or, if the~~ 13762

~~election is a presidential primary election, on or before the~~ 13763
~~forty fifth day before the day of the presidential primary~~ 13764
~~election,~~ the boards of elections shall remove both the name of 13765
the withdrawn first choice and the names of such withdrawn 13766

3501.38 of the Revised Code, at any time prior to the ~~sixtieth~~ 14177
~~seventieth~~ day before the day of an election at which an 14178
initiative or referendum is scheduled to appear on the ballot, a 14179

majority of the members of the committee named to represent the 14180
petitioners in the petition proposing that initiative or 14181
referendum under section 3519.02 of the Revised Code may withdraw 14182
the petition by giving written notice of the withdrawal to the 14183
secretary of state. 14184

(B) After a majority of the members of the committee named to 14185
represent the petitioners gives notice to the secretary of state 14186
that the petition proposing the initiative or referendum is 14187
withdrawn under division (A) of this section, all of the following 14188
shall apply: 14189

(1) If the Ohio ballot board has not already certified the 14190
ballot language at the time a majority of the members of the 14191
committee gives the written notice of withdrawal, the board shall 14192
not certify ballot language for that proposed initiative or 14193
referendum to the secretary of state. 14194

(2) The secretary of state shall not certify a ballot form or 14195
wording to the boards of elections under sections 3501.05 and 14196
3505.01 of the Revised Code that includes ballot language for that 14197
proposed initiative or referendum. 14198

(3) The proposed initiative or referendum shall not appear on 14199
the ballot. 14200

(C) No petition that has been filed, and subsequently 14201
withdrawn under this section, may be resubmitted. 14202

Sec. 3519.16. The circulator of any part-petition, the 14203
committee interested in the petition, or any elector may file with 14204
the board of elections a protest against the board's findings made 14205
pursuant to section 3519.15 of the Revised Code. Protests shall be 14206
in writing and shall specify reasons for the protest. Protests for 14207
all initiative and referendum petitions other than those to be 14208
voted on by electors throughout the entire state shall be filed 14209

not later than four p.m. of the ~~sixty-fourth~~ seventy-fourth day 14210
before the day of the election. Once a protest is filed, the board 14211
shall proceed to establish the sufficiency or insufficiency of the 14212
signatures and of the verification of those signatures in an 14213
action before the court of common pleas in the county. The action 14214
shall be brought within three days after the protest is filed, and 14215
it shall be heard forthwith by a judge of that court, whose 14216
decision shall be certified to the board. The signatures that are 14217
adjudged sufficient or the part-petitions that are adjudged 14218
properly verified shall be included with the others by the board, 14219
and those found insufficient and all those part-petitions that are 14220
adjudged not properly verified shall not be included. 14221

The properly verified part-petitions, together with the 14222
report of the board, shall be returned to the secretary of state 14223
not less than ~~fifty~~ sixty days before the election, provided that, 14224
in the case of an initiated law to be presented to the general 14225
assembly, the boards shall promptly check and return the petitions 14226
together with their report. The secretary of state shall notify 14227
the chairperson of the committee in charge of the circulation as 14228
to the sufficiency or insufficiency of the petition and the extent 14229
of the insufficiency. 14230

If the petition is found insufficient because of an 14231
insufficient number of valid signatures, the committee shall be 14232
allowed ten additional days after the notification by the 14233
secretary of state for the filing of additional signatures to the 14234
petition. The part-petitions of the supplementary petition that 14235
appear to the secretary of state to be properly verified, upon 14236
their receipt by the secretary of state, shall forthwith be 14237
forwarded to the boards of the several counties together with the 14238
part-petitions of the original petition that have been properly 14239
verified. They shall be immediately examined and passed upon as to 14240
the validity and sufficiency of the signatures on them by each of 14241

the boards and returned within five days to the secretary of state 14242
with the report of each board. No signature on a supplementary 14243
part-petition that is the same as a signature on an original 14244
part-petition shall be counted. The number of signatures in both 14245
the original and supplementary petitions, properly verified, shall 14246
be used by the secretary of state in determining the total number 14247
of signatures to the petition that the secretary of state shall 14248
record and announce. If they are sufficient, the amendment, 14249
proposed law, or law shall be placed on the ballot as required by 14250
law. If the petition is found insufficient, the secretary of state 14251
shall notify the committee in charge of the circulation of the 14252
petition. 14253

Sec. 3709.051. Two or more contiguous city health districts 14254
may be united to form a single city health district by a majority 14255
affirmative vote of the legislative authority of each city 14256
affected by the union. 14257

If at least three per cent of the qualified electors residing 14258
within each of two or more contiguous city health districts sign a 14259
petition proposing a union into a single city health district, an 14260
election shall be held as provided in this section to determine 14261
whether a single city health district shall be formed. The 14262
petition for union may specify regarding the board of health of 14263
the new district: 14264

(A) The qualifications for membership; 14265

(B) The term of office; 14266

(C) The number of members or a method by which the number may 14267
be determined from time to time; 14268

(D) The method of appointment. 14269

Such petition shall be filed with the boards of county 14270
commissioners of the respective counties affected, subject to 14271

approval of the director of health, and such boards shall promptly 14272
certify the text of the proposal to the boards of election for the 14273
purpose of having the proposal placed on the ballot at the next 14274
general election occurring more than ~~seventy-five~~ ninety days 14275
after such certification. The election procedures provided in 14276
Chapter 3505. of the Revised Code for questions and issues shall 14277
apply to the election. If a majority of the electors voting on the 14278
proposal in each of the health districts affected vote in favor 14279
thereof, the union of such districts into a single city health 14280
district shall be established on the second succeeding first day 14281
of January. 14282

Sec. 3709.071. If at least three per cent of the qualified 14283
electors residing within each of one or more city health districts 14284
and a general health district sign a petition for union into a 14285
single general health district, an election shall be held as 14286
provided in this section to determine whether a single general 14287
health district shall be formed. The petition for union may 14288
specify regarding the board of health of the new district: 14289

(A) The qualifications for membership; 14290

(B) The term of office; 14291

(C) The number of members or a method by which the number may 14292
be determined from time to time; 14293

(D) The method of appointment. 14294

Such petition shall be filed with the boards of county 14295
commissioners of the respective counties affected, subject to 14296
approval of the director of health, and such boards shall promptly 14297
certify the text of the proposal to the boards of election for the 14298
purpose of having the proposal placed on the ballot at the next 14299
general election occurring more than ~~seventy-five~~ ninety days 14300
after the filing of the petition with the boards of election. The 14301

election procedures provided in Chapter 3505. of the Revised Code 14302
for questions and issues shall be followed. If a majority of the 14303
electors voting on the proposal in each of the health districts 14304
affected vote in favor thereof, the union of such districts into a 14305
single general health district shall be established on the second 14306
succeeding January 1. 14307

When the establishment of a combined health district has been 14308
approved by the electors of a general health district and one or 14309
more city health districts, the ~~chairman~~ chairperson of the 14310
district advisory council and the chief executive of each city 14311
uniting with the general health district shall enter into a 14312
contract for the administration of health affairs in the combined 14313
district. Such contract shall conform to the provisions of section 14314
3709.07 of the Revised Code regarding the contract for the 14315
administration of health affairs in a combined district, except 14316
that the date of the change of administration shall be as provided 14317
in this section and except for the specifications as to the board 14318
of health of the new district contained in the petition and 14319
submitted to the electors in the proposal to establish such 14320
district. 14321

Sec. 3709.29. If the estimated amount of money necessary to 14322
meet the expenses of a general health district program will not be 14323
forthcoming to the board of health of such district out of the 14324
district health fund because the taxes within the ten-mill 14325
limitation will be insufficient, the board of health shall certify 14326
the fact of such insufficiency to the board of county 14327
commissioners of the county in which such district is located. 14328
Such board of county commissioners is hereby ordained to be a 14329
special taxing authority for the purposes of this section only, 14330
and, notwithstanding any other law to the contrary, the board of 14331
county commissioners of any county in which a general health 14332
district is located is the taxing authority for such special levy 14333

outside the ten-mill limitation. The board of county commissioners 14334
shall thereupon, in the year preceding that in which such health 14335
program will be effective, by vote of two-thirds of all the 14336
members of that body, declare by resolution that the amount of 14337
taxes which may be raised within the ten-mill limitation will be 14338
insufficient to provide an adequate amount for the necessary 14339
requirements of such district within the county, and that it is 14340
necessary to levy a tax in excess of such limitation in order to 14341
provide the board of health with sufficient funds to carry out 14342
such health program. Such resolution shall be filed with the board 14343
of elections not later than four p.m. of the ~~seventy-fifth~~ 14344
ninetieth day before the day of election. 14345

Such resolution shall specify the amount of increase in rate 14346
which it is necessary to levy and the number of years during which 14347
such increase shall be in effect, which shall not be for a longer 14348
period than ten years. 14349

The resolution shall conform to section 5705.191 of the 14350
Revised Code and be certified and submitted in the manner provided 14351
in section 5705.25 of the Revised Code, provided that the proposal 14352
shall be placed on the ballot at the next primary or general 14353
election occurring more than ~~seventy-five~~ ninety days after the 14354
resolution is filed with the board of elections. 14355

Sec. 3767.05. (A) The civil action provided for in section 14356
3767.03 of the Revised Code shall be set down for trial at the 14357
earliest possible time and shall have precedence over all other 14358
cases except those involving crimes, election contests, or 14359
injunctions regardless of the position of the proceedings on the 14360
calendar of the court. In the civil action, evidence of the 14361
general reputation of the place where the nuisance is alleged to 14362
exist or an admission or finding of guilt of any person under the 14363
criminal laws against prostitution, lewdness, assignation, or 14364

other prohibited conduct at the place is admissible for the 14365
purpose of proving the existence of the nuisance and is 14366
prima-facie evidence of the nuisance and of knowledge of and of 14367
acquiescence and participation in the nuisance on the part of the 14368
person charged with maintaining it. 14369

(B) If the complaint for the permanent injunction is filed by 14370
a person who is a citizen of the county, it shall not be dismissed 14371
unless the complainant and the complainant's attorney submit a 14372
sworn statement setting forth the reasons why the civil action 14373
should be dismissed and the dismissal is approved by the 14374
prosecuting attorney in writing or in open court. If the person 14375
who files the complaint for the permanent ~~injunction~~ injunction is 14376
a citizen of the county, if that person refuses or otherwise fails 14377
to prosecute the complaint to judgment, and if the civil action is 14378
not dismissed pursuant to this division, then, with the approval 14379
of the court, the attorney general, the prosecuting attorney of 14380
the county in which the nuisance exists, or the village solicitor, 14381
city director of law, or other similar chief legal officer of the 14382
municipal corporation in which the nuisance exists, may be 14383
substituted for the complainant and prosecute the civil action to 14384
judgment. 14385

(C) If the civil action is commenced by a person who is a 14386
citizen of the county where the nuisance is alleged to exist and 14387
the court finds that there were no reasonable grounds or cause for 14388
the civil action, the costs may be taxed to that person. 14389

(D) If the existence of the nuisance is established upon the 14390
trial of the civil action, a judgment shall be entered that 14391
perpetually enjoins the defendant and any other person from 14392
further maintaining the nuisance at the place complained of and 14393
the defendant from maintaining the nuisance elsewhere. 14394

(E) If the court finds that a nuisance described in division 14395
(C)(3) of section 3767.01 of the Revised Code exists, the court 14396

shall order the nuisance to be abated, and, in entering judgment 14397
for nuisance, the court shall do all of the following: 14398

(1) Specify that judgment is entered pursuant to division (E) 14399
of this section; 14400

(2) Order that no beer or intoxicating liquor may be 14401
manufactured, sold, bartered, possessed, kept, or stored in the 14402
room, house, building, structure, place, boat, or vehicle or any 14403
part thereof. The court need not find that the property was being 14404
unlawfully used at the time of the hearing on the matter if the 14405
court finds there existed a nuisance as described in division 14406
(C)(3) of section 3767.01 of the Revised Code. 14407

(3) Order that the room, house, building, boat, vehicle, 14408
structure, or place not be occupied or used for one year after the 14409
judgment is rendered. The court may permit the premises to be 14410
occupied by a person other than the defendant or a business 14411
affiliate of the defendant in the nuisance action, or an agent of, 14412
or entity owned in whole or part by, the defendant, if the person, 14413
lessee, tenant, or occupant of the location posts a bond with 14414
sufficient surety, to be approved by the court issuing the order, 14415
in the sum of not less than one thousand nor more than five 14416
thousand dollars, payable to the state of Ohio, on the condition 14417
that no beer or intoxicating liquor thereafter shall be 14418
manufactured, sold, bartered, possessed, kept, stored, 14419
transported, or otherwise disposed of on the premises, and the 14420
person agrees to pay all fines, costs, and damages that may be 14421
assessed for a violation. A reasonable sum shall be allowed an 14422
officer by the issuing court for the cost of closing and keeping 14423
closed the premises that is the subject of the nuisance action. 14424

(4) Send notice of the judgment entered to the division of 14425
liquor control, the liquor control commission, and the liquor 14426
enforcement division of the department of public safety. 14427

(F) A defendant found to have maintained a nuisance as 14428
described in division (C)(3) of section 3767.01 of the Revised 14429
Code also is subject to liability and penalties under sections 14430
4301.74 and 4399.09 of the Revised Code. The abatement of a 14431
nuisance under section 4399.09 of the Revised Code is in addition 14432
to and does not prevent the abatement of a nuisance under division 14433
(D) or (E) of this section. 14434

(G) If a court enters judgment pursuant to division (D) or 14435
(E) of this section finding that a nuisance exists at a liquor 14436
permit premises or as a result of the operation of a liquor permit 14437
premises, except in the case of a nuisance found as a result of a 14438
violation of a local zoning ordinance or resolution, the certified 14439
copy of the judgment required under division (A) of section 14440
4301.331 of the Revised Code shall be filed with the board of 14441
elections in the county in which the nuisance exists, not later 14442
than four p.m. of the ~~seventy-fifth~~ ninetieth day before the day 14443
of the next general or primary election. However, no election 14444
shall be conducted on sales at the liquor permit premises under 14445
section 4301.352 of the Revised Code until all appeals on the 14446
judgment are resolved. The court of appeals shall render a 14447
decision on any appeal of the judgment within six months after the 14448
date of the filing of the appeal of the judgment with the clerk of 14449
the court of appeals, and the supreme court shall render a 14450
decision on any appeal of the judgment within six months after the 14451
date of the filing of the appeal of the judgment with the clerk of 14452
the supreme court. 14453

Sec. 3769.27. (A) If a petition is presented, not later than 14454
four p.m. of the ~~seventy-fifth~~ ninetieth day before the day of a 14455
general or primary election, to the board of elections of any 14456
county, signed by qualified electors of the county equal in number 14457
to at least ten per cent of the total number of votes cast in the 14458
county for the office of governor at the preceding general 14459

election for that office, but signed by at least five hundred 14460
electors, requesting that there be submitted the question "shall 14461
satellite facilities that receive simulcasts of live horse races 14462
and that conduct wagering on those simulcasts be prohibited 14463
throughout this county for a period of (not to exceed 14464
five) years?", the board of elections shall submit this question 14465
to the electors of the county on the day of the next general or 14466
primary election, whichever occurs first, in the manner provided 14467
by law for the submission of questions and issues. The board of 14468
elections shall notify the state racing commission of the results 14469
of the election on the question. 14470

(B) If a majority of the electors voting on the question set 14471
forth in division (A) of this section vote "yes," the state racing 14472
commission shall have no jurisdiction thereafter to approve 14473
satellite facilities in that county for the number of years, not 14474
exceeding five, specified in the petition. If a majority of the 14475
electors voting on the question set forth in division (A) of this 14476
section vote "no," this question shall not again be submitted to a 14477
vote in the county until the expiration of the time set forth in 14478
the petition. When the board of elections of any county has 14479
received a petition and accepted it as valid, it shall so notify 14480
the commission and the commission shall not approve a satellite 14481
facility in that county between this notification and the day of 14482
the general or primary election. 14483

(C) Once a proposed satellite facility receives the approval 14484
of the appropriate local legislative authority, a petition seeking 14485
an election under this section in the county where the proposed 14486
satellite facility will be located is invalid unless the date of 14487
signing of each signature on the petition that is counted by the 14488
board of elections to meet the number of signatures required by 14489
division (A) of this section is a date within ninety days after 14490
the date of the approval of the appropriate local legislative 14491

authority for the proposed satellite facility. 14492

Sec. 4301.33. (A) The board of elections shall provide to a 14493
petitioner circulating a petition for an election for the 14494
submission of one or more of the questions specified in divisions 14495
(A) to (D) of section 4301.35 or section 4301.351 of the Revised 14496
Code, at the time of taking out the petition, the names of the 14497
streets and, if appropriate, the address numbers of residences and 14498
business establishments within the precinct in which the election 14499
is sought, and a form prescribed by the secretary of state for 14500
notifying affected permit holders and liquor agency stores of the 14501
circulation of a petition for an election for the submission of 14502
one or more of the questions specified in divisions (A) to (D) of 14503
section 4301.35 or section 4301.351 of the Revised Code. The 14504
petitioner shall, not less than ~~forty-five~~ fifty-five days before 14505
the petition-filing deadline for the election, as provided in this 14506
section, file with the division of liquor control the information 14507
regarding names of streets and, if appropriate, address numbers of 14508
residences and business establishments provided by the board of 14509
elections, and specify to the division the precinct that is 14510
concerned and that would be affected by the results of the 14511
election and the filing deadline. The division shall, within a 14512
reasonable period of time and not later than ~~fifteen~~ twenty-five 14513
days before the filing deadline, supply the petitioner with a list 14514
of the names and addresses of permit holders and liquor agency 14515
stores, if any, that would be affected by the election. The list 14516
shall contain a heading with the following words: "Liquor permit 14517
holders and liquor agency stores that would be affected by the 14518
question(s) set forth on petition for a local option election." 14519

Within five days after a petitioner has received from the 14520
division the list of liquor permit holders and liquor agency 14521
stores, if any, that would be affected by the question or 14522
questions set forth on a petition for local option election, the 14523

petitioner shall, using the form provided by the board of 14524
elections, notify by certified mail each permit holder and liquor 14525
agency store whose name appears on that list. The form for 14526
notifying affected permit holders and liquor agency stores shall 14527
require the petitioner to state the petitioner's name and street 14528
address and shall contain a statement that a petition is being 14529
circulated for an election for the submission of the question or 14530
questions specified in divisions (A) to (D) of section 4301.35 or 14531
section 4301.351 of the Revised Code. The form shall require the 14532
petitioner to state the question or questions to be submitted as 14533
they appear on the petition. 14534

The petitioner shall attach a copy of the list provided by 14535
the division to each petition paper. A part petition paper 14536
circulated at any time without the list of affected permit holders 14537
and liquor agency stores attached to it is invalid. 14538

At the time the petitioner files the petition with the board 14539
of elections, the petitioner shall provide to the board the list 14540
supplied by the division and an affidavit certifying that the 14541
petitioner notified all affected permit holders and liquor agency 14542
stores, if any, on the list in the manner and within the time 14543
required in this section and that, at the time each signer of the 14544
petition affixed the signer's signature to the petition, the 14545
petition paper contained a copy of the list of affected permit 14546
holders and liquor agency stores. 14547

Within five days after receiving a petition calling for an 14548
election for the submission of one or more of the questions 14549
specified in divisions (A) to (D) of section 4301.35 or section 14550
4301.351 of the Revised Code, the board shall give notice by 14551
certified mail that it has received the petition to all liquor 14552
permit holders and liquor agency stores, if any, whose names 14553
appear on the list of affected permit holders and liquor agency 14554
stores filed by the petitioner. Failure of the petitioner to 14555

supply the affidavit required by this section and a complete and 14556
accurate list of liquor permit holders and liquor agency stores, 14557
if any, invalidates the entire petition. The board of elections 14558
shall provide to a permit holder or liquor agency store that would 14559
be affected by a proposed local option election, on the permit 14560
holder's or liquor agency store's request, the names of the 14561
streets, and, if appropriate, the address numbers of residences 14562
and business establishments within the precinct in which the 14563
election is sought that would be affected by the results of the 14564
election. The board may charge a reasonable fee for this 14565
information when provided to the petitioner and the permit holder 14566
or liquor agency store. 14567

(B) Upon the presentation of a petition, not later than four 14568
p.m. of the ~~seventy-fifth~~ ninetieth day before the day of a 14569
general or primary election, to the board of elections of the 14570
county where the precinct is located, designating whether it is a 14571
petition for an election for the submission of one or more of the 14572
questions specified in section 4301.35 of the Revised Code, or a 14573
petition for the submission of one or more of the questions 14574
specified in section 4301.351 of the Revised Code, designating the 14575
particular question or questions specified in section 4301.35 or 14576
4301.351 of the Revised Code that are to be submitted, and signed 14577
by the qualified electors of the precinct concerned, equal in 14578
number to thirty-five per cent of the total number of votes cast 14579
in the precinct concerned for the office of governor at the 14580
preceding general election for that office, the board shall submit 14581
the question or questions specified in the petition to the 14582

specified in section 4301.353 or 4301.354 of the Revised Code. The 14705

list of liquor permit holders as furnished by the division 14753
invalidates the entire petition. The board of elections shall 14754
provide to a permit holder who would be affected by a proposed 14755
local option election, on the permit holder's request, the names 14756
of the streets, and, if appropriate, the address numbers of 14757

sufficiency of the signatures and review, examine, and determine 14787
the validity of the petition and, in case of overlapping precinct 14788

determined to be valid. The board shall determine the validity of 14794
the petition as of the time of certification as described in this 14795
division. 14796

(2) If a petition is sufficient, and, in case of overlapping 14797
precinct petitions, after the board has determined the governing 14798
petition, the board to which the petition has been presented shall 14799
order the holding of a special election in the precinct for the 14800
submission of whichever of the questions specified in section 14801
4301.353 or 4301.354 of the Revised Code are designated in the 14802
petition, on the day of the next general or primary election, 14803
whichever occurs first. 14804

with whom the petition was filed. Upon filing of the protest, the 14815
election officials with whom it is filed shall promptly fix the 14816
time for hearing it, and shall mail notice of the filing of the 14817
protest and the time and place for hearing it to the person who 14818
filed the petition and to the person who filed the protest. At the 14819
time and place fixed, the election officials shall hear the 14820
protest and determine the validity of the petition. 14821

the electors as provided in this section or in section 4301.35 of 15400
the Revised Code. 15401

(D) Any holder of a C or D permit whose permit premises were 15402
purchased in 1986 or 1987 by the state or any state agency for 15403
highway purposes shall be issued the same permit at another 15404
location notwithstanding any quota restrictions contained in this 15405
chapter or in any rule of the liquor control commission. 15406

Sec. 4305.14. (A) The following questions regarding the sale 15407
of beer by holders of C or D permits may be presented to the 15408

qualified electors of an election precinct: 15409

(1) "Shall the sale of beer as defined in section 4305.08 of 15410
the Revised Code under permits which authorize sale for 15411
off-premises consumption only be permitted within this precinct?" 15412

(2) "Shall the sale of beer as defined in section 4305.08 of 15413
the Revised Code under permits which authorize sale for 15414
on-premises consumption only, and under permits which authorize 15415
sale for both on-premises and off-premises consumption, be 15416
permitted in this precinct?" 15417

The exact wording of the question as submitted and form of 15418
ballot as printed shall be determined by the board of elections in 15419
the county wherein the election is held, subject to approval of 15420
the secretary of state. 15421

Upon the request of an elector, a board of elections of a 15422
county that encompasses an election precinct shall furnish to the 15423
elector a copy of the instructions prepared by the secretary of 15424
state under division (P) of section 3501.05 of the Revised Code 15425
and, within fifteen days after the request, with a certificate 15426
indicating the number of valid signatures that will be required on 15427
a petition to hold a special election in that precinct on either 15428
or both of the questions specified in this section. 15429

The board shall provide to a petitioner, at the time the 15430
petitioner takes out a petition, the names of the streets and, if 15431
appropriate, the address numbers of residences and business 15432
establishments within the precinct in which the election is 15433
sought, and a form prescribed by the secretary of state for 15434
notifying affected permit holders of the circulation of a petition 15435
for an election for the submission of one or more of the questions 15436
specified in division (A) of this section. The petitioner shall, 15437
not less than ~~forty-five~~ fifty-five days before the 15438
petition-filing deadline for an election provided for in this 15439

section, file with the division of liquor control the information 15440
regarding names of streets and, if appropriate, address numbers of 15441
residences and business establishments provided by the board of 15442
elections, and specify to the division the precinct that is 15443
concerned or that would be affected by the results of the election 15444
and the filing deadline. The division shall, within a reasonable 15445
period of time and not later than ~~fifteen~~ twenty-five days before 15446
the filing deadline, supply the petitioner with a list of the 15447
names and addresses of permit holders who would be affected by the 15448
election. The list shall contain a heading with the following 15449
words: "liquor permit holders who would be affected by the 15450
question(s) set forth on a petition for a local option election." 15451

Within five days after receiving from the division the list 15452
of liquor permit holders who would be affected by the question or 15453
questions set forth on a petition for local option election, the 15454
petitioner shall, using the form provided by the board of 15455
elections, notify by certified mail each permit holder whose name 15456
appears on that list. The form for notifying affected permit 15457
holders shall require the petitioner to state the petitioner's 15458
name and street address and shall contain a statement that a 15459
petition is being circulated for an election for the submission of 15460
the question or questions specified in division (B) of this 15461
section. The form shall require the petitioner to state the 15462
question or questions to be submitted as they appear on the 15463
petition. 15464

The petitioner shall attach a copy of the list provided by 15465
the division to each petition paper. A part petition paper 15466
circulated at any time without the list of affected permit holders 15467
attached to it is invalid. 15468

At the time of filing the petition with the board of 15469
elections, the petitioner shall provide to the board of elections 15470
the list supplied by the division and an affidavit certifying that 15471

the petitioner notified all affected permit holders on the list in 15472
the manner and within the time required in this section and that, 15473
at the time each signer of the petition signed the petition, the 15474
petition paper contained a copy of the list of affected permit 15475
holders. 15476

Within five days after receiving a petition calling for an 15477
election for the submission of the question or questions set forth 15478
in this section, the board of elections shall give notice by 15479
certified mail that it has received the petition to all liquor 15480
permit holders whose names appear on the list of affected permit 15481
holders filed by the petitioner. Failure of the petitioner to 15482
supply the affidavit required by this section and a complete and 15483
accurate list of liquor permit holders invalidates the entire 15484
petition. The board of elections shall provide to a permit holder 15485
who would be affected by a proposed local option election, on the 15486
permit holder's request, the names of the streets, and, if 15487
appropriate, the address numbers of residences and business 15488
establishments within the precinct in which the election is sought 15489
and that would be affected by the results of the election. The 15490
board may charge a reasonable fee for this information when 15491
provided to the petitioner and the permit holder. 15492

Upon presentation not later than four p.m. of the 15493
~~seventy-fifth~~ ninetieth day before the day of a general or primary 15494
election, of a petition to the board of elections of the county 15495
wherein such election is sought to be held, requesting the holding 15496
of such election on either or both of the questions specified in 15497
this section, signed by qualified electors of the precinct 15498
concerned equal in number to thirty-five per cent of the total 15499
number of votes cast in the precinct concerned for the office of 15500
governor at the preceding general election for that office, such 15501
board shall submit the question or questions specified in the 15502
petition to the electors of the precinct concerned, on the day of 15503

the next general or primary election, whichever occurs first. 15504

(B) The board shall proceed as follows: 15505

(1) Such board shall, upon the filing of a petition under 15506
this section, but not later than the ~~sixty-eighth~~ seventy-eighth 15507
day before the day of the election for which the question or 15508
questions on the petition would qualify for submission to the 15509
electors of the precinct, examine and determine the sufficiency of 15510
the signatures and review, examine, and determine the validity of 15511
such petition and, in case of overlapping precinct petitions 15512
presented within that period, determine which of the petitions 15513
shall govern the further proceedings of the board. In the case 15514
where the board determines that two or more overlapping petitions 15515
are valid, the earlier petition shall govern. The board shall 15516
certify the sufficiency of signatures contained in the petition as 15517
of the time of filing and the validity of the petition as of the 15518
time of certification as described in division (C)(1) of this 15519
section if the board finds the petition to be both sufficient and 15520
valid. 15521

(2) If the petition contains sufficient signatures and is 15522
valid, and, in case of overlapping precinct petitions, after the 15523
board has determined the governing petition, the board shall order 15524
the holding of a special election in the precinct for the 15525
submission of the question or questions specified in the petition, 15526
on the day of the next general or primary election, whichever 15527
occurs first. 15528

(3) All petitions filed with a board of elections under this 15529
section shall be open to public inspection under rules adopted by 15530
the board. 15531

(C) Protest against a local option petition may be filed by 15532
any qualified elector eligible to vote on the question or 15533
questions specified in the petition or by a permit holder in the 15534

precinct as described in the petition, not later than four p.m. of 15535
the ~~sixty-fourth~~ seventy-fourth day before the day of such general 15536
or primary election for which the petition qualified. Such protest 15537
shall be in writing and shall be filed with the election officials 15538
with whom the petition was filed. Upon filing of such protest the 15539
election officials with whom it is filed shall promptly fix the 15540
time for hearing it, and shall forthwith mail notice of the filing 15541
of the protest and the time for hearing it to the person who filed 15542
the petition which is protested and to the person who filed the 15543
protest. At the time and place fixed, the election officials shall 15544
hear the protest and determine the validity of the petition. 15545

(D) If a majority of the electors voting on the question in 15546
the precinct vote "yes" on question (1) or (2) as set forth in 15547
division (A) of this section, the sale of beer as specified in 15548
that question shall be permitted in the precinct and no subsequent 15549
election shall be held in the precinct under this section on the 15550
same question for a period of at least four years from the date of 15551
the most recent election. 15552

If a majority of the electors voting on the question in the 15553
precinct vote "no" on question (1) or (2) as set forth in division 15554
(A) of this section, no C or D permit holder shall sell beer as 15555
specified in that question within the precinct during the period 15556
the election is in effect and no subsequent election shall be held 15557
in the precinct under this section on the same question for a 15558
period of at least four years from the date of the most recent 15559
election. 15560

Sec. 4504.021. The question of repeal of a county permissive 15561
tax adopted as an emergency measure pursuant to section 4504.02, 15562
4504.15, or 4504.16 of the Revised Code may be initiated by filing 15563
with the board of elections of the county not less than 15564
~~seventy-five~~ ninety days before the general election in any year a 15565

petition requesting that an election be held on such question. 15566
Such petition shall be signed by qualified electors residing in 15567
the county equal in number to ten per cent of those voting for 15568
governor at the most recent gubernatorial election. 15569

After determination by it that such petition is valid, the 15570
board of elections shall submit the question to the electors of 15571
the county at the next general election. The election shall be 15572
conducted, canvassed, and certified in the same manner as regular 15573
elections for county offices in the county. Notice of the election 15574
shall be published in a newspaper of general circulation in the 15575
district once a week for two consecutive weeks prior to the 15576
election and, if the board of elections operates and maintains a 15577
web site, notice of the election also shall be posted on that web 15578
site for thirty days prior to the election. The notice shall state 15579
the purpose, time, and place of the election. The form of the 15580
ballot cast at such election shall be prescribed by the secretary 15581
of state. The question covered by such petition shall be submitted 15582
as a separate proposition, but it may be printed on the same 15583
ballot with any other proposition submitted at the same election 15584
other than the election of officers. If a majority of the 15585
qualified electors voting on the question of repeal approve the 15586
repeal, the result of the election shall be certified immediately 15587
after the canvass by the board of elections to the county 15588
commissioners, who shall thereupon, after the current year, cease 15589
to levy the tax. 15590

Sec. 4504.15. For the purpose of paying the costs of 15591
enforcing and administering the tax provided for in this section; 15592
for the various purposes stated in section 4504.02 of the Revised 15593
Code; and to supplement revenue already available for those 15594
purposes, any county may, by resolution adopted by its board of 15595
county commissioners, levy an annual license tax, that shall be in 15596
addition to the tax levied by sections 4503.02, 4503.07, and 15597

4503.18 of the Revised Code, upon the operation of motor vehicles 15598
upon the public roads and highways. The tax shall be at the rate 15599
of five dollars per motor vehicle on all motor vehicles the 15600
district of registration of which, as defined in section 4503.10 15601
of the Revised Code, is located in the county levying the tax but 15602
is not located within any municipal corporation levying the tax 15603
authorized by section 4504.17 of the Revised Code, and shall be in 15604
addition to the taxes at the rates specified in sections 4503.04 15605
and 4503.16 of the Revised Code, subject to reductions in the 15606
manner provided in section 4503.11 of the Revised Code and the 15607
exemptions provided in sections 4503.16, 4503.17, 4503.171, 15608
4503.41, and 4503.43 of the Revised Code. 15609

Prior to the adoption of any resolution under this section, 15610
the board of county commissioners shall conduct two public 15611
hearings thereon, the second hearing to be not less than three nor 15612
more than ten days after the first. Notice of the date, time, and 15613
place of such hearings shall be given by publication in a 15614
newspaper of general circulation in the county once a week for two 15615
consecutive weeks, the second publication being not less than ten 15616
nor more than thirty days prior to the first hearing. 15617

No resolution under this section shall become effective 15618
sooner than thirty days following its adoption, and such 15619
resolution is subject to a referendum as provided in sections 15620
305.31 to 305.41 of the Revised Code, unless the resolution is 15621
adopted as an emergency measure necessary for the immediate 15622
preservation of the public peace, health, or safety, in which case 15623
it shall go into immediate effect. The emergency measure must 15624
receive an affirmative vote of all of the members of the board of 15625
county commissioners, and shall state the reasons for the 15626
necessity. A resolution may direct the board of elections to 15627
submit the question of levying the tax to the electors of the 15628
county at the next primary or general election occurring not less 15629

than ~~seventy-five~~ ninety days after the resolution is certified to 15630
the board; no such resolution shall go into effect unless approved 15631
by a majority of those voting upon it. A county is not required to 15632
enact the tax authorized by section 4504.02 of the Revised Code in 15633
order to levy the tax authorized by this section, but no county 15634
may have in effect the tax authorized by this section if it 15635
repeals the tax authorized by section 4504.02 of the Revised Code 15636
after April 1, 1987. 15637

Sec. 4504.16. For the purpose of paying the costs of 15638
enforcing and administering the tax provided for in this section; 15639
for the various purposes stated in section 4504.02 of the Revised 15640
Code; and to supplement revenue already available for those 15641
purposes, any county that currently levies the tax authorized by 15642
section 4504.15 of the Revised Code may, by resolution adopted by 15643
its board of county commissioners, levy an annual license tax, 15644
that shall be in addition to the tax levied by that section and by 15645
sections 4503.02, 4503.07, and 4503.18 of the Revised Code, upon 15646
the operation of motor vehicles upon the public roads and 15647
highways. The tax shall be at the rate of five dollars per motor 15648
vehicle on all motor vehicles the district of registration of 15649
which, as defined in section 4503.10 of the Revised Code, is 15650
located in the county levying the tax but is not located within 15651
any municipal corporation levying the tax authorized by section 15652
4504.171 of the Revised Code, and shall be in addition to the 15653
taxes at the rates specified in sections 4503.04 and 4503.16 of 15654
the Revised Code, subject to reductions in the manner provided in 15655
section 4503.11 of the Revised Code and the exemptions provided in 15656
sections 4503.16, 4503.17, 4503.171, 4503.41, and 4503.43 of the 15657
Revised Code. 15658

Prior to the adoption of any resolution under this section, 15659
the board of county commissioners shall conduct two public 15660
hearings thereon, the second hearing to be not less than three nor 15661

more than ten days after the first. Notice of the date, time, and 15662
place of such hearings shall be given by publication in a 15663
newspaper of general circulation in the county once a week for two 15664
consecutive weeks, the second publication being not less than ten 15665
nor more than thirty days prior to the first hearing. 15666

No resolution under this section shall become effective 15667
sooner than thirty days following its adoption, and such 15668
resolution is subject to a referendum as provided in sections 15669
305.31 to 305.41 of the Revised Code, unless the resolution is 15670
adopted as an emergency measure necessary for the immediate 15671
preservation of the public peace, health, or safety, in which case 15672
it shall go into immediate effect. The emergency measure must 15673
receive an affirmative vote of all of the members of the board of 15674
county commissioners, and shall state the reasons for the 15675
necessity. A resolution may direct the board of elections to 15676
submit the question of levying the tax to the electors of the 15677
county at the next primary or general election occurring not less 15678
than ~~seventy-five~~ ninety days after the resolution is certified to 15679
the board; no such resolution shall go into effect unless approved 15680
by a majority of those voting upon it. 15681

Nothing in this section or in section 4504.15 of the Revised 15682
Code shall be interpreted as preventing a county from levying the 15683
county motor vehicle license taxes authorized by such sections in 15684
a single resolution. 15685

Sec. 4504.21. (A) For the purpose of paying the costs and 15686
expenses of enforcing and administering the tax provided for in 15687
this section; for planning, constructing, reconstructing, 15688
improving, maintaining, and repairing roads, bridges, and 15689
culverts; for purchasing, erecting, and maintaining traffic signs, 15690
markers, lights, and signals; for paying debt service charges on 15691
obligations issued for those purposes; and to supplement revenue 15692

already available for those purposes, a transportation improvement 15693
district created in accordance with section 5540.02 of the Revised 15694
Code may levy an annual license tax upon the operation of motor 15695
vehicles on the public roads and highways in the territory of the 15696
district. The tax shall be levied in increments of five dollars 15697
and shall not exceed twenty dollars per motor vehicle on all motor 15698
vehicles the owners of which reside in the district and shall be 15699
in addition to all other taxes levied under this chapter, subject 15700
to reduction in the manner provided in division (B)(2) of section 15701
4503.11 of the Revised Code. The tax may be levied in all or part 15702
of the territory of the district. 15703

(B) The board of trustees of a transportation improvement 15704
district proposing to levy a motor vehicle license tax under this 15705
section shall put the question of the tax to the electors of the 15706
district or of that part of the district in which the tax would be 15707
levied. The election shall be held on the date of a primary or 15708
general election held not less than ~~seventy-five~~ ninety days after 15709
the board of trustees certifies to the county board of elections 15710
its resolution proposing the tax. The resolution shall specify the 15711
rate of the tax. The board of elections shall submit the question 15712
of the tax to the electors at the primary or general election. The 15713
secretary of state shall prescribe the form of the ballot for the 15714
election. If approved by a majority of the electors voting on the 15715
question of the tax, the board of trustees shall levy the tax as 15716
provided in the resolution. 15717

(C) A transportation improvement district license tax levied 15718
under this section shall continue in effect until repealed, or 15719
until the dissolution of the transportation improvement district 15720
that levied it. 15721

(D) Money received by the registrar of motor vehicles 15722
pursuant to sections 4501.03 and 4504.09 of the Revised Code that 15723
consists of the taxes levied under this section shall be deposited 15724

in the auto registration distribution fund created by section 15725
4501.03 of the Revised Code and distributed to the transportation 15726
improvement district levying such tax. The registrar may assign to 15727
the transportation improvement district a unique code to 15728
facilitate the distribution of such money, which may be the same 15729
unique code assigned to a county under section 4501.03 of the 15730
Revised Code. 15731

Sec. 4928.20. (A) The legislative authority of a municipal 15732
corporation may adopt an ordinance, or the board of township 15733
trustees of a township or the board of county commissioners of a 15734
county may adopt a resolution, under which, on or after the 15735
starting date of competitive retail electric service, it may 15736
aggregate in accordance with this section the retail electrical 15737
loads located, respectively, within the municipal corporation, 15738
township, or unincorporated area of the county and, for that 15739
purpose, may enter into service agreements to facilitate for those 15740
loads the sale and purchase of electricity. The legislative 15741
authority or board also may exercise such authority jointly with 15742
any other such legislative authority or board. For customers that 15743
are not mercantile customers, an ordinance or resolution under 15744
this division shall specify whether the aggregation will occur 15745
only with the prior, affirmative consent of each person owning, 15746
occupying, controlling, or using an electric load center proposed 15747
to be aggregated or will occur automatically for all such persons 15748
pursuant to the opt-out requirements of division (D) of this 15749
section. The aggregation of mercantile customers shall occur only 15750
with the prior, affirmative consent of each such person owning, 15751
occupying, controlling, or using an electric load center proposed 15752
to be aggregated. Nothing in this division, however, authorizes 15753
the aggregation of the retail electric loads of an electric load 15754
center, as defined in section 4933.81 of the Revised Code, that is 15755
located in the certified territory of a nonprofit electric 15756

supplier under sections 4933.81 to 4933.90 of the Revised Code or 15757
an electric load center served by transmission or distribution 15758
facilities of a municipal electric utility. 15759

(B) If an ordinance or resolution adopted under division (A) 15760
of this section specifies that aggregation of customers that are 15761
not mercantile customers will occur automatically as described in 15762
that division, the ordinance or resolution shall direct the board 15763
of elections to submit the question of the authority to aggregate 15764
to the electors of the respective municipal corporation, township, 15765
or unincorporated area of a county at a special election on the 15766
day of the next primary or general election in the municipal 15767
corporation, township, or county. The legislative authority or 15768
board shall certify a copy of the ordinance or resolution to the 15769
board of elections not less than ~~seventy-five~~ ninety days before 15770
the day of the special election. No ordinance or resolution 15771
adopted under division (A) of this section that provides for an 15772
election under this division shall take effect unless approved by 15773
a majority of the electors voting upon the ordinance or resolution 15774
at the election held pursuant to this division. 15775

(C) Upon the applicable requisite authority under divisions 15776
(A) and (B) of this section, the legislative authority or board 15777
shall develop a plan of operation and governance for the 15778
aggregation program so authorized. Before adopting a plan under 15779
this division, the legislative authority or board shall hold at 15780
least two public hearings on the plan. Before the first hearing, 15781
the legislative authority or board shall publish notice of the 15782
hearings once a week for two consecutive weeks in a newspaper of 15783
general circulation in the jurisdiction. The notice shall 15784
summarize the plan and state the date, time, and location of each 15785
hearing. 15786

(D) No legislative authority or board, pursuant to an 15787
ordinance or resolution under divisions (A) and (B) of this 15788

section that provides for automatic aggregation of customers that 15789
are not mercantile customers as described in division (A) of this 15790
section, shall aggregate the electrical load of any electric load 15791
center located within its jurisdiction unless it in advance 15792
clearly discloses to the person owning, occupying, controlling, or 15793
using the load center that the person will be enrolled 15794
automatically in the aggregation program and will remain so 15795
enrolled unless the person affirmatively elects by a stated 15796
procedure not to be so enrolled. The disclosure shall state 15797
prominently the rates, charges, and other terms and conditions of 15798
enrollment. The stated procedure shall allow any person enrolled 15799
in the aggregation program the opportunity to opt out of the 15800
program every three years, without paying a switching fee. Any 15801
such person that opts out before the commencement of the 15802
aggregation program pursuant to the stated procedure shall default 15803
to the standard service offer provided under section 4928.14 or 15804
division (D) of section 4928.35 of the Revised Code until the 15805
person chooses an alternative supplier. 15806

(E)(1) With respect to a governmental aggregation for a 15807
municipal corporation that is authorized pursuant to divisions (A) 15808
to (D) of this section, resolutions may be proposed by initiative 15809
or referendum petitions in accordance with sections 731.28 to 15810
731.41 of the Revised Code. 15811

(2) With respect to a governmental aggregation for a township 15812
or the unincorporated area of a county, which aggregation is 15813
authorized pursuant to divisions (A) to (D) of this section, 15814
resolutions may be proposed by initiative or referendum petitions 15815
in accordance with sections 731.28 to 731.40 of the Revised Code, 15816
except that: 15817

(a) The petitions shall be filed, respectively, with the 15818
township fiscal officer or the board of county commissioners, who 15819
shall perform those duties imposed under those sections upon the 15820

city auditor or village clerk. 15821

(b) The petitions shall contain the signatures of not less 15822
than ten per cent of the total number of electors in, 15823
respectively, the township or the unincorporated area of the 15824
county who voted for the office of governor at the preceding 15825
general election for that office in that area. 15826

(F) A governmental aggregator under division (A) of this 15827
section is not a public utility engaging in the wholesale purchase 15828
and resale of electricity, and provision of the aggregated service 15829
is not a wholesale utility transaction. A governmental aggregator 15830
shall be subject to supervision and regulation by the public 15831
utilities commission only to the extent of any competitive retail 15832
electric service it provides and commission authority under this 15833
chapter. 15834

(G) This section does not apply in the case of a municipal 15835
corporation that supplies such aggregated service to electric load 15836
centers to which its municipal electric utility also supplies a 15837
noncompetitive retail electric service through transmission or 15838
distribution facilities the utility singly or jointly owns or 15839
operates. 15840

(H) A governmental aggregator shall not include in its 15841
aggregation the accounts of any of the following: 15842

(1) A customer that has opted out of the aggregation; 15843

(2) A customer in contract with a certified electric services 15844
company; 15845

(3) A customer that has a special contract with an electric 15846
distribution utility; 15847

(4) A customer that is not located within the governmental 15848
aggregator's governmental boundaries; 15849

(5) Subject to division (C) of section 4928.21 of the Revised 15850

Code, a customer who appears on the "do not aggregate" list 15851
maintained under that section. 15852

(I) Customers that are part of a governmental aggregation 15853
under this section shall be responsible only for such portion of a 15854
surcharge under section 4928.144 of the Revised Code that is 15855
proportionate to the benefits, as determined by the commission, 15856
that electric load centers within the jurisdiction of the 15857
governmental aggregation as a group receive. The proportionate 15858
surcharge so established shall apply to each customer of the 15859
governmental aggregation while the customer is part of that 15860
aggregation. If a customer ceases being such a customer, the 15861
otherwise applicable surcharge shall apply. Nothing in this 15862
section shall result in less than full recovery by an electric 15863
distribution utility of any surcharge authorized under section 15864
4928.144 of the Revised Code. 15865

(J) On behalf of the customers that are part of a 15866
governmental aggregation under this section and by filing written 15867
notice with the public utilities commission, the legislative 15868
authority that formed or is forming that governmental aggregation 15869
may elect not to receive standby service within the meaning of 15870
division (B)(2)(d) of section 4928.143 of the Revised Code from an 15871
electric distribution utility in whose certified territory the 15872
governmental aggregation is located and that operates under an 15873
approved electric security plan under that section. Upon the 15874
filing of that notice, the electric distribution utility shall not 15875
charge any such customer to whom competitive retail electric 15876
generation service is provided by another supplier under the 15877
governmental aggregation for the standby service. Any such 15878
consumer that returns to the utility for competitive retail 15879
electric service shall pay the market price of power incurred by 15880
the utility to serve that consumer plus any amount attributable to 15881
the utility's cost of compliance with the alternative energy 15882

resource provisions of section 4928.64 of the Revised Code to 15883
serve the consumer. Such market price shall include, but not be 15884
limited to, capacity and energy charges; all charges associated 15885
with the provision of that power supply through the regional 15886
transmission organization, including, but not limited to, 15887
transmission, ancillary services, congestion, and settlement and 15888
administrative charges; and all other costs incurred by the 15889
utility that are associated with the procurement, provision, and 15890
administration of that power supply, as such costs may be approved 15891
by the commission. The period of time during which the market 15892
price and alternative energy resource amount shall be so assessed 15893
on the consumer shall be from the time the consumer so returns to 15894
the electric distribution utility until the expiration of the 15895
electric security plan. However, if that period of time is 15896
expected to be more than two years, the commission may reduce the 15897
time period to a period of not less than two years. 15898

(K) The commission shall adopt rules to encourage and promote 15899
large-scale governmental aggregation in this state. For that 15900
purpose, the commission shall conduct an immediate review of any 15901
rules it has adopted for the purpose of this section that are in 15902
effect on the effective date of the amendment of this section by 15903
S.B. 221 of the 127th general assembly, July 31, 2008. Further, 15904
within the context of an electric security plan under section 15905
4928.143 of the Revised Code, the commission shall consider the 15906
effect on large-scale governmental aggregation of any 15907
nonbypassable generation charges, however collected, that would be 15908
established under that plan, except any nonbypassable generation 15909
charges that relate to any cost incurred by the electric 15910
distribution utility, the deferral of which has been authorized by 15911
the commission prior to the effective date of the amendment of 15912
this section by S.B. 221 of the 127th general assembly, July 31, 15913
2008. 15914

Sec. 4929.26. (A)(1) The legislative authority of a municipal corporation may adopt an ordinance, or the board of township trustees of a township or the board of county commissioners of a county may adopt a resolution, under which, in accordance with this section and except as otherwise provided in division (A)(2) of this section, the legislative authority or board may aggregate automatically, subject to the opt-out requirements of division (D) of this section, competitive retail natural gas service for the retail natural gas loads that are located, respectively, within the municipal corporation, township, or unincorporated area of the county and for which there is a choice of supplier of that service as a result of revised schedules approved under division (C) of section 4929.29 of the Revised Code, a rule or order adopted or issued by the commission under Chapter 4905. of the Revised Code, or an exemption granted by the commission under sections 4929.04 to 4929.08 of the Revised Code. An ordinance or a resolution adopted under this section shall expressly state that it is adopted pursuant to the authority conferred by this section. The legislative authority or board also may exercise its authority under this section jointly with any other such legislative authority or board. For the purpose of the aggregation, the legislative authority or board may enter into service agreements to facilitate the sale and purchase of the service for the retail natural gas loads.

(2)(a) No aggregation under an ordinance or resolution adopted under division (A)(1) of this section shall include the retail natural gas load of any person that meets any of the following criteria:

(i) The person is both a distribution service customer and a mercantile customer on the date of commencement of service to the aggregated load, or the person becomes a distribution service customer after that date and also is a mercantile customer.

(ii) The person is supplied with commodity sales service 15947
pursuant to a contract with a retail natural gas supplier that is 15948
in effect on the effective date of the ordinance or resolution. 15949

(iii) The person is supplied with commodity sales service as 15950
part of a retail natural gas load aggregation provided for 15951
pursuant to a rule or order adopted or issued by the commission 15952
under this chapter or Chapter 4905. of the Revised Code. 15953

(b) Nothing in division (A)(2)(a) of this section precludes a 15954
governmental aggregation under this section from permitting the 15955
retail natural gas load of a person described in division 15956
(A)(2)(a) of this section from being included in the aggregation 15957
upon the expiration of any contract or aggregation as described in 15958
division (A)(2)(a)(ii) or (iii) of this section or upon the person 15959
no longer being a customer as described in division (A)(2)(a)(i) 15960
of this section or qualifying to be included in an aggregation 15961
described under division (A)(2)(a)(iii) of this section. 15962

(B) An ordinance or resolution adopted under division (A) of 15963
this section shall direct the board of elections to submit the 15964
question of the authority to aggregate to the electors of the 15965
respective municipal corporation, township, or unincorporated area 15966
of a county at a special election on the day of the next primary 15967
or general election in the municipal corporation, township, or 15968
county. The legislative authority or board shall certify a copy of 15969
the ordinance or resolution to the board of elections not less 15970
than ~~seventy-five~~ ninety days before the day of the special 15971
election. No ordinance or resolution adopted under division (A) of 15972
this section that provides for an election under this division 15973
shall take effect unless approved by a majority of the electors 15974
voting upon the ordinance or resolution at the election held 15975
pursuant to this division. 15976

(C) Upon the applicable requisite authority under divisions 15977
(A) and (B) of this section, the legislative authority or board 15978

shall develop a plan of operation and governance for the 15979
aggregation program so authorized. Before adopting a plan under 15980
this division, the legislative authority or board shall hold at 15981
least two public hearings on the plan. Before the first hearing, 15982
the legislative authority or board shall publish notice of the 15983
hearings once a week for two consecutive weeks in a newspaper of 15984
general circulation in the jurisdiction. The notice shall 15985
summarize the plan and state the date, time, and location of each 15986
hearing. 15987

(D) No legislative authority or board, pursuant to an 15988
ordinance or resolution under divisions (A) and (B) of this 15989
section, shall aggregate any retail natural gas load located 15990
within its jurisdiction unless it in advance clearly discloses to 15991
the person whose retail natural gas load is to be so aggregated 15992
that the person will be enrolled automatically in the aggregation 15993
and will remain so enrolled unless the person affirmatively elects 15994
by a stated procedure not to be so enrolled. The disclosure shall 15995
state prominently the rates, charges, and other terms and 15996
conditions of enrollment. The stated procedure shall allow any 15997
person enrolled in the aggregation the opportunity to opt out of 15998
the aggregation every two years, without paying a switching fee. 15999
Any such person that opts out of the aggregation pursuant to the 16000
stated procedure shall default to the natural gas company 16001
providing distribution service for the person's retail natural gas 16002
load, until the person chooses an alternative supplier. 16003

(E)(1) With respect to a governmental aggregation for a 16004
municipal corporation that is authorized pursuant to divisions (A) 16005
to (D) of this section, resolutions may be proposed by initiative 16006
or referendum petitions in accordance with sections 731.28 to 16007
731.41 of the Revised Code. 16008

(2) With respect to a governmental aggregation for a township 16009
or the unincorporated area of a county, which aggregation is 16010

authorized pursuant to divisions (A) to (D) of this section, 16011
resolutions may be proposed by initiative or referendum petitions 16012
in accordance with sections 731.28 to 731.40 of the Revised Code, 16013
except that: 16014

(a) The petitions shall be filed, respectively, with the 16015
township fiscal officer or the board of county commissioners, who 16016
shall perform those duties imposed under those sections upon the 16017
city auditor or village clerk. 16018

(b) The petitions shall contain the signatures of not less 16019
than ten per cent of the total number of electors in the township 16020
or the unincorporated area of the county, respectively, who voted 16021
for the office of governor at the preceding general election for 16022
that office in that area. 16023

(F) A governmental aggregator under division (A) of this 16024
section is not a public utility engaging in the wholesale purchase 16025
and resale of natural gas, and provision of the aggregated service 16026
is not a wholesale utility transaction. A governmental aggregator 16027
shall be subject to supervision and regulation by the public 16028

natural gas service it provides and commission authority under 16030
this chapter. 16031

establishing, equipping, and furnishing one or more public safety 16033
answering points as part of a countywide 9-1-1 system effective 16034
under division (B) of section 4931.44 of the Revised Code and 16035
paying the expense of administering and enforcing this section, 16036

equal in amount for all such lots or parcels. 16044

(2) For the purpose of paying the costs of operating and 16045
maintaining the answering points and paying the expense of 16046
administering and enforcing this section, the board, in accordance 16047
with this section, may fix and impose reasonable charges to be 16048

divisions (A)(1) and (2) of this section or pursuant to a 16054
resolution adopted solely for the purpose of division (A)(2) of 16055
this section, and charges imposed under division (A)(2) of this 16056
section may be separately imposed or combined with charges imposed 16057
under division (A)(1) of this section. 16058

(B) Any board adopting a resolution under this section 16059
pursuant to a final plan initiating the establishment of a 9-1-1 16060
system or pursuant to an amendment to a final plan shall adopt the 16061
resolution within sixty days after the board receives the final 16062
plan for the 9-1-1 system pursuant to division (C) of section 16063
4931.43 of the Revised Code. The board by resolution may change 16064
any charge imposed under this section whenever the board considers 16065
it advisable. Any resolution adopted under this section shall 16066
declare whether securities will be issued under Chapter 133. of 16067
the Revised Code in anticipation of the collection of unpaid 16068

any such resolution be adopted as an emergency measure. The 16083
resolution is subject to a referendum in accordance with sections 16084

shall go into effect unless approved by a majority of those voting 16091
upon it in any election allowed under this division. 16092

(E) To collect charges imposed under division (A) of this 16093

the county auditor of the county who then shall place them upon 16095
the real property duplicate against the properties to be assessed, 16096

existing 9-1-1 planning committee, and the amendment of such a 16248
final plan is not an amendment of a final plan for the purpose of 16249
division (A) of section 4931.45 of the Revised Code. 16250

in accordance with the laws relating to elections, shall arrange 16270

of such municipal corporation at the succeeding general election 16274

of the sixty days referred to in such section. The ballots at such 16276

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

special election to be held at a time therein specified. Such 16574
resolution shall not include a levy on the current tax list and 16575

with the requirements of section 3501.01 of the Revised Code, 16599
provided that only one special election for the submission of such 16600
question may be held in any one calendar year and provided that a 16601
special election may be held upon the same day a primary election 16602

is held. Publication of notice of that election shall be made in 16603
one or more newspapers of general circulation in the county once a 16604
week for two consecutive weeks prior to the election, and, if the 16605

elections shall post notice of the election on its web site for 16607
thirty days prior to the election. 16608

favor thereof, the taxing authority of the subdivision may make 16610

tax levy shall be included in the next annual tax budget that is 16614
certified to the county budget commission. 16615

proceeds of such levy and issue anticipation notes. In the case of 16618
a continuing levy that is not levied for the purpose of current 16619
expenses, notes may be issued at any time after approval of the 16620
levy in an amount not more than fifty per cent of the total 16621
estimated proceeds of the levy for the succeeding ten years, less 16622
an amount equal to the fraction of the proceeds of the levy 16623
previously anticipated by the issuance of anticipation notes. In 16624
the case of a levy for a fixed period that is not for the purpose 16625
of current expenses, notes may be issued at any time after 16626
approval of the levy in an amount not more than fifty per cent of 16627
the total estimated proceeds of the levy throughout the remaining 16628
life of the levy, less an amount equal to the fraction of the 16629
proceeds of the levy previously anticipated by the issuance of 16630
anticipation notes. In the case of a levy for current expenses, 16631
notes may be issued after the approval of the levy by the electors 16632
and prior to the time when the first tax collection from the levy 16633
can be made. Such notes may be issued in an amount not more than 16634

fifty per cent of the total estimated proceeds of the levy 16635
throughout the term of the levy in the case of a levy for a fixed 16636
period, or fifty per cent of the total estimated proceeds for the 16637
first ten years of the levy in the case of a continuing levy. 16638

No anticipation notes that increase the net indebtedness of a 16639
county may be issued without the prior consent of the board of 16640
county commissioners of that county. The notes shall be issued as 16641
provided in section 133.24 of the Revised Code, shall have 16642
principal payments during each year after the year of their 16643
issuance over a period not exceeding the life of the levy 16644
anticipated, and may have a principal payment in the year of their 16645
issuance. 16646

"Taxing authority" and "subdivision" have the same meanings 16647
as in section 5705.01 of the Revised Code. 16648

This section is supplemental to and not in derogation of 16649
sections 5705.20, 5705.21, and 5705.22 of the Revised Code. 16650

Sec. 5705.195. Within five days after the resolution is 16651
certified to the county auditor as provided by section 5705.194 of 16652
the Revised Code, the auditor shall calculate and certify to the 16653
taxing authority the annual levy, expressed in dollars and cents 16654
for each one hundred dollars of valuation as well as in mills for 16655
each one dollar of valuation, throughout the life of the levy 16656
which will be required to produce the annual amount set forth in 16657
the resolution assuming that the amount of the tax list of such 16658
subdivision remains throughout the life of the levy the same as 16659
the amount of the tax list for the current year, and if this is 16660
not determined, the estimated amount submitted by the auditor to 16661
the county budget commission. When considering the tangible 16662
personal property component of the tax valuation of the 16663
subdivision, the county auditor shall take into account the 16664
assessment percentages prescribed in section 5711.22 of the 16665

Revised Code. The tax commissioner may issue rules, orders, or 16666
instructions directing how the assessment percentages must be 16667
utilized. 16668

Upon receiving the certification from the county auditor, if 16669
the taxing authority desires to proceed with the submission of the 16670
question it shall, not less than ~~seventy-five~~ ninety days before 16671
the day of such election, certify its resolution, together with 16672
the amount of the average tax levy, expressed in dollars and cents 16673
for each one hundred dollars of valuation as well as in mills for 16674
each one dollar of valuation, estimated by the auditor, and the 16675
number of years the levy is to run to the board of elections of 16676
the county which shall prepare the ballots and make other 16677
necessary arrangements for the submission of the question to the 16678
voters of the subdivision. 16679

Sec. 5705.199. (A) At any time the board of education of a 16680
city, local, exempted village, cooperative education, or joint 16681
vocational school district, by a vote of two-thirds of all its 16682
members, may declare by resolution that the revenue that will be 16683
raised by all tax levies that the district is authorized to 16684
impose, when combined with state and federal revenues, will be 16685
insufficient to provide for the necessary requirements of the 16686
school district, and that it is therefore necessary to levy a tax 16687
in excess of the ten-mill limitation for the purpose of providing 16688
for the necessary requirements of the school district. Such a levy 16689
shall be proposed as a substitute for all or a portion of one or 16690
more existing levies imposed under sections 5705.194 to 5705.197 16691
of the Revised Code or under this section, by levying a tax as 16692
follows: 16693

(1) In the initial year the levy is in effect, the levy shall 16694
be in a specified amount of money equal to the aggregate annual 16695
dollar amount of proceeds derived from the levy or levies, or 16696

portion thereof, being substituted. 16697

(2) In each subsequent year the levy is in effect, the levy 16698
shall be in a specified amount of money equal to the sum of the 16699
following: 16700

(a) The dollar amount of the proceeds derived from the levy 16701
in the prior year; and 16702

(b) The dollar amount equal to the product of the total 16703
taxable value of all taxable real property in the school district 16704
in the then-current year, excluding carryover property as defined 16705
in section 319.301 of the Revised Code, multiplied by the annual 16706
levy, expressed in mills for each one dollar of valuation, that 16707
was required to produce the annual dollar amount of the levy under 16708
this section in the prior year; provided, that the amount under 16709
division (A)(2)(b) of this section shall not be less than zero. 16710

(B) The resolution proposing the substitute levy shall 16711
specify the annual dollar amount the levy is to produce in its 16712
initial year; the first calendar year in which the levy will be 16713
due; and the term of the levy expressed in years, which may be any 16714
number not exceeding ten, or for a continuing period of time. The 16715
resolution shall specify the date of holding the election, which 16716
shall not be earlier than ~~seventy-five~~ ninety days after 16717
certification of the resolution to the board of elections, and 16718
which shall be consistent with the requirements of section 3501.01 16719
of the Revised Code. If two or more existing levies are to be 16720
included in a single substitute levy, but are not scheduled to 16721
expire in the same year, the resolution shall specify that the 16722
existing levies to be substituted shall not be levied after the 16723
year preceding the year in which the substitute levy is first 16724
imposed. 16725

The resolution shall go into immediate effect upon its 16726
passage, and no publication of the resolution shall be necessary 16727

other than that provided for in the notice of election. A copy of 16728
the resolution shall immediately after its passage be certified to 16729
the county auditor in the manner provided by section 5705.195 of 16730
the Revised Code, and sections 5705.194 and 5705.196 of the 16731
Revised Code shall govern the arrangements for the submission of 16732
the question and other matters concerning the notice of election 16733
and the election, except as may be provided otherwise in this 16734
section. 16735

(C) The form of the ballot to be used at the election on the 16736
question of a levy under this section shall be as follows: 16737

"Shall a tax levy substituting for an existing levy be 16738
imposed by the (here insert name of school district) 16739
for the purpose of providing for the necessary requirements of the 16740
school district in the initial sum of (here insert the 16741
annual dollar amount the levy is to produce in its initial year), 16742
and a levy of taxes be made outside of the ten-mill limitation 16743
estimated by the county auditor to require (here insert 16744
number of mills) mills for each one dollar of valuation, which 16745
amounts to (here insert rate expressed in dollars and 16746
cents) for each one hundred dollars of valuation for the initial 16747
year of the tax, for a period of (here insert the 16748
number of years the levy is to be imposed, or that it will be 16749
levied for a continuing period of time), commencing in 16750
(first year the tax is to be levied), first due in calendar year 16751
..... (first calendar year in which the tax shall be due), 16752
with the sum of such tax to increase only if and as new land or 16753
real property improvements not previously taxed by the school 16754
district are added to its tax list? 16755

	FOR THE TAX LEVY
	AGAINST THE TAX LEVY

"

16756
16757
16758
16759

If the levy submitted is a proposal to substitute all or a portion of more than one existing levy, the form of the ballot may be changed so long as the ballot reflects the number of levies to be substituted and that none of the existing levies to be substituted will be levied after the year preceding the year in which the substitute levy is first imposed. The form of the ballot shall be modified by substituting the statement "Shall a tax levy substituting for an existing levy" with "Shall a tax levy substituting for existing levies" and adding the following statement after "added to its tax list?" and before "For the Tax Levy":

"If approved, any remaining tax years on any of the (here insert the number of existing levies) existing levies will not be collected after (here insert the current tax year or, if not the current tax year, the applicable tax year)."

(D) The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code.

(E) If a majority of the electors voting on the question so submitted in an election vote in favor of the levy, the board of education may make the necessary levy within the school district at the rate and for the purpose stated in the resolution. The tax levy shall be included in the next tax budget that is certified to the county budget commission.

(F) A levy for a continuing period of time may be decreased pursuant to section 5705.261 of the Revised Code.

(G) A levy under this section substituting for all or a portion of one or more existing levies imposed under sections 5705.194 to 5705.197 of the Revised Code or under this section shall be treated as having renewed the levy or levies being

substituted for purposes of the payments made under sections 16791
5751.20 to 5751.22 of the Revised Code. 16792

(H) After the approval of a levy on the current tax list and 16793
duplicate, and prior to the time when the first tax collection 16794
from the levy can be made, the board of education may anticipate a 16795
fraction of the proceeds of the levy and issue anticipation notes 16796
in a principal amount not exceeding fifty per cent of the total 16797
estimated proceeds of the levy to be collected during the first 16798
year of the levy. The notes shall be issued as provided in section 16799
133.24 of the Revised Code, shall have principal payments during 16800
each year after the year of their issuance over a period not to 16801
exceed five years, and may have a principal payment in the year of 16802
their issuance. 16803

Sec. 5705.20. The board of county commissioners of any 16804
county, in any year, after providing the normal and customary 16805
percentage of the total general fund appropriations for the 16806
support of the tuberculosis treatment specified under section 16807
339.73 of the Revised Code or for the support of tuberculosis 16808
clinics established pursuant to section 339.76 of the Revised 16809
Code, by vote of two-thirds of all the members of said board may 16810
declare by resolution that the amount of taxes which may be raised 16811
within the ten-mill limitation will be insufficient to provide an 16812
adequate amount for that support, and that it is necessary to levy 16813
a tax in excess of the ten-mill limitation to supplement such 16814
general fund appropriations for such purpose, but the total levy 16815
for this purpose shall not exceed sixty-five one hundredths of a 16816
mill. 16817

Such resolution shall conform to section 5705.19 of the 16818
Revised Code and be certified to the board of elections not less 16819
than ~~seventy-five~~ ninety days before the general election and 16820
submitted in the manner provided in section 5705.25 of the Revised 16821

Code. 16822

If the majority of electors voting on a levy to supplement 16823
general fund appropriations for the support of the tuberculosis 16824
treatment specified under section 339.73 of the Revised Code or 16825
for the support of tuberculosis clinics established pursuant to 16826
section 339.76 of the Revised Code, vote in favor thereof, the 16827
board of said county may levy a tax within such county at the 16828
additional rate in excess of the ten-mill limitation during the 16829
period and for the purpose stated in the resolution or at any less 16830
rate or for any of said years. 16831

If a tax was levied under this section for the support of 16832
tuberculosis clinics before ~~the effective date of this amendment~~ 16833
October 10, 2000, the levy may be renewed for that purpose on or 16834
after ~~the effective date of this amendment~~ October 10, 2000, in 16835
accordance with section 5705.25 of the Revised Code. 16836

Sec. 5705.21. (A) At any time, the board of education of any 16837
city, local, exempted village, cooperative education, or joint 16838
vocational school district, by a vote of two-thirds of all its 16839
members, may declare by resolution that the amount of taxes which 16840
may be raised within the ten-mill limitation by levies on the 16841
current tax duplicate will be insufficient to provide an adequate 16842
amount for the necessary requirements of the school district, that 16843
it is necessary to levy a tax in excess of such limitation for one 16844
of the purposes specified in division (A), (D), (F), (H), or (DD) 16845
of section 5705.19 of the Revised Code, for general permanent 16846
improvements, for the purpose of operating a cultural center, or 16847
for the purpose of providing education technology, and that the 16848
question of such additional tax levy shall be submitted to the 16849
electors of the school district at a special election on a day to 16850
be specified in the resolution. 16851

As used in this section, "cultural center" means a 16852

freestanding building, separate from a public school building, 16853
that is open to the public for educational, musical, artistic, and 16854
cultural purposes; "education technology" means, but is not 16855
limited to, computer hardware, equipment, materials, and 16856
accessories, equipment used for two-way audio or video, and 16857
software; and "general permanent improvements" means permanent 16858
improvements without regard to the limitation of division (F) of 16859
section 5705.19 of the Revised Code that the improvements be a 16860
specific improvement or a class of improvements that may be 16861
included in a single bond issue. 16862

The submission of questions to the electors under this 16863
section is subject to the limitation on the number of election 16864
dates established by section 5705.214 of the Revised Code. 16865

(B) Such resolution shall be confined to a single purpose and 16866
shall specify the amount of the increase in rate that it is 16867
necessary to levy, the purpose of the levy, and the number of 16868
years during which the increase in rate shall be in effect. The 16869
number of years may be any number not exceeding five or, if the 16870
levy is for current expenses of the district or for general 16871
permanent improvements, for a continuing period of time. The 16872
resolution shall specify the date of holding such election, which 16873
shall not be earlier than ~~seventy-five~~ ninety days after the 16874
adoption and certification of the resolution and which shall be 16875
consistent with the requirements of section 3501.01 of the Revised 16876
Code. 16877

The resolution may propose to renew one or more existing 16878
levies imposed under this section or to increase or decrease a 16879
single levy imposed under this section. If the board of education 16880
imposes one or more existing levies for the purpose specified in 16881
division (F) of section 5705.19 of the Revised Code, the 16882
resolution may propose to renew one or more of those existing 16883
levies, or to increase or decrease a single such existing levy, 16884

for the purpose of general permanent improvements. If the 16885
resolution proposes to renew two or more existing levies, the 16886
levies shall be levied for the same purpose. The resolution shall 16887
identify those levies and the rates at which they are levied. The 16888
resolution also shall specify that the existing levies shall not 16889
be extended on the tax lists after the year preceding the year in 16890
which the renewal levy is first imposed, regardless of the years 16891
for which those levies originally were authorized to be levied. 16892

The resolution shall go into immediate effect upon its 16893
passage, and no publication of the resolution shall be necessary 16894
other than that provided for in the notice of election. A copy of 16895
the resolution shall immediately after its passing be certified to 16896
the board of elections of the proper county in the manner provided 16897
by section 5705.25 of the Revised Code, and that section shall 16898
govern the arrangements for the submission of such question and 16899
other matters concerning such election, to which that section 16900
refers, except that such election shall be held on the date 16901
specified in the resolution. Publication of notice of that 16902
election shall be made in one or more newspapers of general 16903
circulation in the county once a week for two consecutive weeks 16904
prior to the election, and, if the board of elections operates and 16905
maintains a web site, the board of elections shall post notice of 16906
the election on its web site for thirty days prior to the 16907
election. If a majority of the electors voting on the question so 16908
submitted in an election vote in favor of the levy, the board of 16909
education may make the necessary levy within the school district 16910
at the additional rate, or at any lesser rate in excess of the 16911
ten-mill limitation on the tax list, for the purpose stated in the 16912
resolution. A levy for a continuing period of time may be reduced 16913
pursuant to section 5705.261 of the Revised Code. The tax levy 16914
shall be included in the next tax budget that is certified to the 16915
county budget commission. 16916

(C)(1) After the approval of a levy on the current tax list 16917
and duplicate for current expenses, for recreational purposes, for 16918
community centers provided for in section 755.16 of the Revised 16919
Code, or for a public library of the district and prior to the 16920
time when the first tax collection from the levy can be made, the 16921
board of education may anticipate a fraction of the proceeds of 16922
the levy and issue anticipation notes in a principal amount not 16923
exceeding fifty per cent of the total estimated proceeds of the 16924
levy to be collected during the first year of the levy. 16925

(2) After the approval of a levy for general permanent 16926
improvements for a specified number of years, or for permanent 16927
improvements having the purpose specified in division (F) of 16928
section 5705.19 of the Revised Code, the board of education may 16929
anticipate a fraction of the proceeds of the levy and issue 16930
anticipation notes in a principal amount not exceeding fifty per 16931
cent of the total estimated proceeds of the levy remaining to be 16932
collected in each year over a period of five years after the 16933
issuance of the notes. 16934

The notes shall be issued as provided in section 133.24 of 16935
the Revised Code, shall have principal payments during each year 16936
after the year of their issuance over a period not to exceed five 16937
years, and may have a principal payment in the year of their 16938
issuance. 16939

(3) After approval of a levy for general permanent 16940
improvements for a continuing period of time, the board of 16941
education may anticipate a fraction of the proceeds of the levy 16942
and issue anticipation notes in a principal amount not exceeding 16943
fifty per cent of the total estimated proceeds of the levy to be 16944
collected in each year over a specified period of years, not 16945
exceeding ten, after the issuance of the notes. 16946

The notes shall be issued as provided in section 133.24 of 16947
the Revised Code, shall have principal payments during each year 16948

after the year of their issuance over a period not to exceed ten 16949
years, and may have a principal payment in the year of their 16950
issuance. 16951

Sec. 5705.211. (A) As used in this section: 16952

(1) "Adjusted charge-off increase" for a tax year means two 16953
per cent of the cumulative carryover property value increase. If 16954
the cumulative carryover property value increase is computed on 16955
the basis of a school district's recognized valuation for a fiscal 16956
year before fiscal year 2014, the adjusted charge-off increase 16957
shall be adjusted to account for the greater charge-off rates 16958
prescribed for such fiscal years under sections 3317.022 and 16959
3306.13 of the Revised Code. 16960

(2) "Cumulative carryover property value increase" means the 16961
sum of the increases in carryover value certified under division 16962
(B)(2) of section 3317.015 of the Revised Code and included in a 16963
school district's total taxable value in the computation of 16964
recognized valuation under division (B) of that section for all 16965
fiscal years from the fiscal year that ends in the first tax year 16966
a levy under this section is extended on the tax list of real and 16967
public utility property until and including the fiscal year that 16968
ends in the current tax year. 16969

(3) "Taxes charged and payable" means the taxes charged and 16970
payable from a tax levy extended on the real and public utility 16971
property tax list and the general list of personal property before 16972
any reduction under section 319.302, 323.152, or 323.158 of the 16973
Revised Code. 16974

(B) The board of education of a city, local, or exempted 16975
village school district may adopt a resolution proposing the levy 16976
of a tax in excess of the ten-mill limitation for the purpose of 16977
paying the current operating expenses of the district. If the 16978
resolution is approved as provided in division (D) of this 16979

section, the tax may be levied at such a rate each tax year that 16980
the total taxes charged and payable from the levy equals the 16981
adjusted charge-off increase for the tax year or equals a lesser 16982
amount as prescribed under division (C) of this section. The tax 16983
may be levied for a continuing period of time or for a specific 16984
number of years, but not fewer than five years, as provided in the 16985
resolution. The tax may not be placed on the tax list for a tax 16986
year beginning before the first day of January following adoption 16987
of the resolution. A board of education may not adopt a resolution 16988
under this section proposing to levy a tax under this section 16989
concurrently with any other tax levied by the board under this 16990
section. 16991

(C) After the first year a tax is levied under this section, 16992
the rate of the tax in any year shall not exceed the rate, 16993
estimated by the county auditor, that would cause the sums levied 16994
from the tax against carryover property to exceed one hundred four 16995
per cent of the sums levied from the tax against carryover 16996
property in the preceding year. A board of education imposing a 16997
tax under this section may specify in the resolution imposing the 16998
tax that the percentage shall be less than one hundred four per 16999
cent, but the percentage shall not be less than one hundred per 17000
cent. At any time after a resolution adopted under this section is 17001
approved by a majority of electors as provided in division (D) of 17002
this section, the board of education, by resolution, may decrease 17003
the percentage specified in the resolution levying the tax. 17004

(D) A resolution adopted under this section shall state that 17005
the purpose of the tax is to pay current operating expenses of the 17006
district, and shall specify the first year in which the tax is to 17007
be levied, the number of years the tax will be levied or that it 17008
will be levied for a continuing period of time, and the election 17009
at which the question of the tax is to appear on the ballot, which 17010
shall be a general or special election consistent with the 17011

requirements of section 3501.01 of the Revised Code. If the board 17012
of education specifies a percentage less than one hundred four per 17013
cent pursuant to division (C) of this section, the percentage 17014
shall be specified in the resolution. 17015

Upon adoption of the resolution, the board of education may 17016
certify a copy of the resolution to the proper county board of 17017
elections. The copy of the resolution shall be certified to the 17018
board of elections not later than ~~seventy-five~~ ninety days before 17019
the day of the election at which the question of the tax is to 17020
appear on the ballot. Upon receiving a timely certified copy of 17021
such a resolution, the board of elections shall make the necessary 17022
arrangements for the submission of the question to the electors of 17023
the school district, and the election shall be conducted, 17024
canvassed, and certified in the same manner as regular elections 17025
in the school district for the election of members of the board of 17026
education. Notice of the election shall be published in one or 17027
more newspapers of general circulation in the school district once 17028
per week for four consecutive weeks. The notice shall state that 17029
the purpose of the tax is for the current operating expenses of 17030
the school district, the first year the tax is to be levied, the 17031
number of years the tax is to be levied or that it is to be levied 17032
for a continuing period of time, that the tax is to be levied each 17033
year in an amount estimated to offset decreases in state base cost 17034
funding caused by appreciation in real estate values, and that the 17035
estimated additional tax in any year shall not exceed the previous 17036
year's by more than four per cent, or a lesser percentage 17037
specified in the resolution levying the tax, except for increases 17038
caused by the addition of new taxable property. 17039

The question shall be submitted as a separate proposition but 17040
may be printed on the same ballot with any other proposition 17041
submitted at the same election other than the election of 17042
officers. 17043

The form of the ballot shall be substantially as follows: 17044

"An additional tax for the benefit of (name of school 17045
district) for the purpose of paying the current operating expenses 17046
of the district, for (number of years or for continuing 17047

If a majority of the electors of the school district voting 17057
on the question vote in favor of the question, the board of 17058
elections shall certify the results of the election to the board 17059
of education and to the tax commissioner immediately after the 17060
canvass. 17061

(E) When preparing any estimate of the contemplated receipts 17062
from a tax levied pursuant to this section for the purposes of 17063
sections 5705.28 to 5705.40 of the Revised Code, and in preparing 17064
to certify the tax under section 5705.34 of the Revised Code, a 17065
board of education authorized to levy such a tax shall use 17066
information supplied by the department of education to determine 17067
the adjusted charge-off increase for the tax year for which that 17068
certification is made. If the board levied a tax under this 17069
section in the preceding tax year, the sum to be certified for 17070
collection from the tax shall not exceed the sum that would exceed 17071
the limitation imposed under division (C) of this section. At the 17072
request of the board of education or the treasurer of the school 17073
district, the county auditor shall assist the board of education 17074

in determining the rate or sum that may be levied under this 17075
section. 17076

The board of education shall certify the sum authorized to be 17077
levied to the county auditor, and, for the purpose of the county 17078
auditor determining the rate at which the tax is to be levied in 17079
the tax year, the sum so certified shall be the sum to be raised 17080
by the tax unless the sum exceeds the limitation imposed by 17081
division (C) of this section. A tax levied pursuant to this 17082
section shall not be levied at a rate in excess of the rate 17083
estimated by the county auditor to produce the sum certified by 17084
the board of education before the reductions under sections 17085
319.302, 323.152, and 323.158 of the Revised Code. Notwithstanding 17086
section 5705.34 of the Revised Code, a board of education 17087
authorized to levy a tax under this section shall certify the tax 17088
to the county auditor before the first day of October of the tax 17089
year in which the tax is to be levied, or at a later date as 17090
approved by the tax commissioner. 17091

Sec. 5705.212. (A)(1) The board of education of any school 17092
district, at any time and by a vote of two-thirds of all of its 17093
members, may declare by resolution that the amount of taxes that 17094
may be raised within the ten-mill limitation will be insufficient 17095
to provide an adequate amount for the present and future 17096
requirements of the school district, that it is necessary to levy 17097
not more than five taxes in excess of that limitation for current 17098
expenses, and that each of the proposed taxes first will be levied 17099
in a different year, over a specified period of time. The board 17100
shall identify the taxes proposed under this section as follows: 17101
the first tax to be levied shall be called the "original tax." 17102
Each tax subsequently levied shall be called an "incremental tax." 17103
The rate of each incremental tax shall be identical, but the rates 17104
of such incremental taxes need not be the same as the rate of the 17105
original tax. The resolution also shall state that the question of 17106

these additional taxes shall be submitted to the electors of the 171107
school district at a special election. The resolution shall 171108
specify separately for each tax proposed: the amount of the 171109
increase in rate that it is necessary to levy, expressed 171110
separately for the original tax and each incremental tax; that the 171111
purpose of the levy is for current expenses; the number of years 171112
during which the original tax shall be in effect; a specification 171113
that the last year in which the original tax is in effect shall 171114
also be the last year in which each incremental tax shall be in 171115
effect; and the year in which each tax first is proposed to be 171116
levied. The original tax may be levied for any number of years not 171117
exceeding ten, or for a continuing period of time. The resolution 171118
shall specify the date of holding the special election, which 171119
shall not be earlier than ~~seventy-five~~ ninety days after the 171120
adoption and certification of the resolution and shall be 171121
consistent with the requirements of section 3501.01 of the Revised 171122
Code. 171123

(2) The board of education, by a vote of two-thirds of all of 171124
its members, may adopt a resolution proposing to renew taxes 171125
levied other than for a continuing period of time under division 171126
(A)(1) of this section. Such a resolution shall provide for 171127
levying a tax and specify all of the following: 171128

(a) That the tax shall be called and designated on the ballot 171129
as a renewal levy; 171130

(b) The rate of the renewal tax, which shall be a single rate 171131
that combines the rate of the original tax and each incremental 171132
tax into a single rate. The rate of the renewal tax shall not 171133
exceed the aggregate rate of the original and incremental taxes. 171134

(c) The number of years, not to exceed ten, that the renewal 171135
tax will be levied, or that it will be levied for a continuing 171136
period of time; 171137

(d) That the purpose of the renewal levy is for current 17138
expenses; 17139

(e) Subject to the certification and notification 17140
requirements of section 5705.251 of the Revised Code, that the 17141
question of the renewal levy shall be submitted to the electors of 17142
the school district at the general election held during the last 17143
year the original tax may be extended on the real and public 17144
utility property tax list and duplicate or at a special election 17145
held during the ensuing year. 17146

(3) A resolution adopted under division (A)(1) or (2) of this 17147
section shall go into immediate effect upon its adoption and no 17148
publication of the resolution is necessary other than that 17149
provided for in the notice of election. Immediately after its 17150
adoption, a copy of the resolution shall be certified to the board 17151
of elections of the proper county in the manner provided by 17152
division (A) of section 5705.251 of the Revised Code, and that 17153
division shall govern the arrangements for the submission of the 17154
question and other matters concerning the election to which that 17155
section refers. The election shall be held on the date specified 17156
in the resolution. If a majority of the electors voting on the 17157
question so submitted in an election vote in favor of the taxes or 17158
a renewal tax, the board of education, if the original or a 17159
renewal tax is authorized to be levied for the current year, 17160
immediately may make the necessary levy within the school district 17161
at the authorized rate, or at any lesser rate in excess of the 17162
ten-mill limitation, for the purpose stated in the resolution. No 17163
tax shall be imposed prior to the year specified in the resolution 17164
as the year in which it is first proposed to be levied. The rate 17165
of the original tax and the rate of each incremental tax shall be 17166
cumulative, so that the aggregate rate levied in any year is the 17167
sum of the rates of both the original tax and all incremental 17168
taxes levied in or prior to that year under the same proposal. A 17169

tax levied for a continuing period of time under this section may 17170
be reduced pursuant to section 5705.261 of the Revised Code. 17171

(4) The submission of questions to the electors under this 17172
section is subject to the limitation on the number of election 17173
dates established by section 5705.214 of the Revised Code. 17174

(B) Notwithstanding sections 133.30 and 133.301 of the 17175
Revised Code, after the approval of a tax to be levied in the 17176
current or the succeeding year and prior to the time when the 17177
first tax collection from that levy can be made, the board of 17178
education may anticipate a fraction of the proceeds of the levy 17179
and issue anticipation notes in an amount not to exceed fifty per 17180
cent of the total estimated proceeds of the levy to be collected 17181
during the first year of the levy. The notes shall be sold as 17182
provided in Chapter 133. of the Revised Code. If anticipation 17183
notes are issued, they shall mature serially and in substantially 17184
equal amounts during each year over a period not to exceed five 17185
years; and the amount necessary to pay the interest and principal 17186
as the anticipation notes mature shall be deemed appropriated for 17187
those purposes from the levy, and appropriations from the levy by 17188
the board of education shall be limited each fiscal year to the 17189
balance available in excess of that amount. 17190

If the auditor of state has certified a deficit pursuant to 17191
section 3313.483 of the Revised Code, the notes authorized under 17192
this section may be sold in accordance with Chapter 133. of the 17193
Revised Code, except that the board may sell the notes after 17194
providing a reasonable opportunity for competitive bidding. 17195

Sec. 5705.213. (A)(1) The board of education of any school 17196
district, at any time and by a vote of two-thirds of all of its 17197
members, may declare by resolution that the amount of taxes that 17198
may be raised within the ten-mill limitation will be insufficient 17199
to provide an adequate amount for the present and future 17200

requirements of the school district and that it is necessary to 17201
levy a tax in excess of that limitation for current expenses. The 17202
resolution also shall state that the question of the additional 17203
tax shall be submitted to the electors of the school district at a 17204
special election. The resolution shall specify, for each year the 17205
levy is in effect, the amount of money that the levy is proposed 17206
to raise, which may, for years after the first year the levy is 17207
made, be expressed in terms of a dollar or percentage increase 17208
over the prior year's amount. The resolution also shall specify 17209
that the purpose of the levy is for current expenses, the number 17210
of years during which the tax shall be in effect which may be for 17211
any number of years not exceeding ten, and the year in which the 17212
tax first is proposed to be levied. The resolution shall specify 17213
the date of holding the special election, which shall not be 17214
earlier than ~~eighty~~ ninety-five days after the adoption and 17215
certification of the resolution to the county auditor and not 17216
earlier than ~~seventy-five~~ ninety days after certification to the 17217
board of elections. The date of the election shall be consistent 17218
with the requirements of section 3501.01 of the Revised Code. 17219

(2) The board of education, by a vote of two-thirds of all of 17220
its members, may adopt a resolution proposing to renew a tax 17221
levied under division (A)(1) of this section. Such a resolution 17222
shall provide for levying a tax and specify all of the following: 17223

(a) That the tax shall be called and designated on the ballot 17224
as a renewal levy; 17225

(b) The amount of the renewal tax, which shall be no more 17226
than the amount of tax levied during the last year the tax being 17227
renewed is authorized to be in effect; 17228

(c) The number of years, not to exceed ten, that the renewal 17229
tax will be levied, or that it will be levied for a continuing 17230
period of time; 17231

(d) That the purpose of the renewal levy is for current 17232
expenses; 17233

(e) Subject to the certification and notification 17234
requirements of section 5705.251 of the Revised Code, that the 17235
question of the renewal levy shall be submitted to the electors of 17236
the school district at the general election held during the last 17237
year the tax being renewed may be extended on the real and public 17238
utility property tax list and duplicate or at a special election 17239
held during the ensuing year. 17240

(3) A resolution adopted under division (A)(1) or (2) of this 17241
section shall go into immediate effect upon its adoption and no 17242
publication of the resolution is necessary other than that 17243
provided for in the notice of election. Immediately after its 17244
adoption, a copy of the resolution shall be certified to the 17245
county auditor of the proper county, who shall, within five days, 17246
calculate and certify to the board of education the estimated 17247
levy, for the first year, and for each subsequent year for which 17248
the tax is proposed to be in effect. The estimates shall be made 17249
both in mills for each dollar of valuation, and in dollars and 17250
cents for each one hundred dollars of valuation. In making the 17251
estimates, the auditor shall assume that the amount of the tax 17252
list remains throughout the life of the levy, the same as the tax 17253
list for the current year. If the tax list for the current year is 17254
not determined, the auditor shall base ~~his~~ the auditor's estimates 17255
on the estimated amount of the tax list for the current year as 17256
submitted to the county budget commission. 17257

If the board desires to proceed with the submission of the 17258
question, it shall certify its resolution, with the estimated tax 17259
levy expressed in mills and dollars and cents per hundred dollars 17260
of valuation for each year that the tax is proposed to be in 17261
effect, to the board of elections of the proper county in the 17262
manner provided by division (A) of section 5705.251 of the Revised 17263

Code. Section 5705.251 of the Revised Code shall govern the 17264
arrangements for the submission of the question and other matters 17265
concerning the election to which that section refers. The election 17266
shall be held on the date specified in the resolution. If a 17267
majority of the electors voting on the question so submitted in an 17268
election vote in favor of the tax, and if the tax is authorized to 17269
be levied for the current year, the board of education immediately 17270
may make the additional levy necessary to raise the amount 17271
specified in the resolution or a lesser amount for the purpose 17272
stated in the resolution. 17273

(4) The submission of questions to the electors under this 17274
section is subject to the limitation on the number of election 17275
dates established by section 5705.214 of the Revised Code. 17276

(B) Notwithstanding sections 133.30 and 133.301 of the 17277
Revised Code, after the approval of a tax to be levied in the 17278
current or the succeeding year and prior to the time when the 17279
first tax collection from that levy can be made, the board of 17280
education may anticipate a fraction of the proceeds of the levy 17281
and issue anticipation notes in an amount not to exceed fifty per 17282
cent of the total estimated proceeds of the levy to be collected 17283
during the first year of the levy. The notes shall be sold as 17284
provided in Chapter 133. of the Revised Code. If anticipation 17285
notes are issued, they shall mature serially and in substantially 17286
equal amounts during each year over a period not to exceed five 17287
years; and the amount necessary to pay the interest and principal 17288
as the anticipation notes mature shall be deemed appropriated for 17289
those purposes from the levy, and appropriations from the levy by 17290
the board of education shall be limited each fiscal year to the 17291
balance available in excess of that amount. 17292

If the auditor of state has certified a deficit pursuant to 17293
section 3313.483 of the Revised Code, the notes authorized under 17294
this section may be sold in accordance with Chapter 133. of the 17295

Revised Code, except that the board may sell the notes after 17296
providing a reasonable opportunity for competitive bidding. 17297

Sec. 5705.217. (A) The board of education of a city, local, 17298
or exempted village school district, at any time by a vote of 17299
two-thirds of all its members, may declare by resolution that the 17300
amount of taxes that can be raised within the ten-mill limitation 17301
will be insufficient to provide an adequate amount for the present 17302
and future requirements of the school district; that it is 17303
necessary to levy an additional tax in excess of that limitation 17304
for the purposes of providing funds for current operating expenses 17305
and for the acquisition, construction, enlargement, renovation, 17306
and financing of permanent improvements; and that the question of 17307
the tax shall be submitted to the electors of the district at a 17308
special election. The tax may be levied for a specified number of 17309
years not exceeding five or, if the tax is for current operating 17310
expenses or for general, on-going permanent improvements, for a 17311
continuing period of time. The resolution shall specify the 17312
proposed tax rate, the first year the tax will be levied, and the 17313
number of years it will be levied, or that it will be levied for a 17314
continuing period of time. The resolution shall apportion the 17315
annual rate of the tax between current operating expenses and 17316
permanent improvements. The apportionment may but need not be the 17317
same for each year of the tax, but the respective portions of the 17318
rate actually levied each year for current operating expenses and 17319
permanent improvements shall be limited by the apportionment. 17320

The resolution shall specify the date of holding the special 17321
election, which shall not be earlier than ~~seventy-five~~ ninety days 17322
after certification of the resolution to the board of elections 17323
and shall be consistent with the requirements of section 3501.01 17324
of the Revised Code. The resolution shall go into immediate effect 17325
upon its passage, and no publication of it is necessary other than 17326
that provided in the notice of election. The board of education 17327

shall certify a copy of the resolution to the board of elections 17328
immediately after its adoption. Section 5705.25 of the Revised 17329
Code governs the arrangements and form of the ballot for the 17330
submission of the question to the electors. 17331

If a majority of the electors voting on the question vote in 17332
favor of the tax, the board of education may make the levy at the 17333
additional rate, or at any lesser rate in excess of the ten-mill 17334
limitation. If the tax is for a continuing period of time, it may 17335
be decreased in accordance with section 5705.261 of the Revised 17336
Code. 17337

(B)(1) After the approval of a tax for current operating 17338
expenses under this section and prior to the time the first 17339
collection and distribution from the levy can be made, the board 17340
of education may anticipate a fraction of the proceeds of such 17341
levy and issue anticipation notes in a principal amount not 17342
exceeding fifty per cent of the total estimated proceeds of the 17343
tax to be collected during the first year of the levy. 17344

(2) After the approval of a tax under this section for 17345
permanent improvements having a specific purpose, the board of 17346
education may anticipate a fraction of the proceeds of such tax 17347
and issue anticipation notes in a principal amount not exceeding 17348
fifty per cent of the total estimated proceeds of the tax 17349
remaining to be collected in each year over a period of five years 17350
after issuance of the notes. 17351

(3) After the approval of a tax for general, on-going 17352
permanent improvements under this section, the board of education 17353
may anticipate a fraction of the proceeds of such tax and issue 17354
anticipation notes in a principal amount not exceeding fifty per 17355
cent of the total estimated proceeds of the tax to be collected in 17356
each year over a specified period of years, not exceeding ten, 17357
after issuance of the notes. 17358

Anticipation notes under this section shall be issued as 17359
provided in section 133.24 of the Revised Code. Notes issued under 17360
division (B)(1) or (2) of this section shall have principal 17361
payments during each year after the year of their issuance over a 17362
period not to exceed five years, and may have a principal payment 17363
in the year of their issuance. Notes issued under division (B)(3) 17364
of this section shall have principal payments during each year 17365
after the year of their issuance over a period not to exceed ten 17366
years, and may have a principal payment in the year of their 17367
issuance. 17368

(C) The submission of a question to the electors under this 17369
section is subject to the limitation on the number of elections 17370
that can be held in a year under section 5705.214 of the Revised 17371
Code. 17372

Sec. 5705.218. (A) The board of education of a city, local, 17373
or exempted village school district, at any time by a vote of 17374
two-thirds of all its members, may declare by resolution that it 17375
may be necessary for the school district to issue general 17376
obligation bonds for permanent improvements. The resolution shall 17377
state all of the following: 17378

(1) The necessity and purpose of the bond issue; 17379

(2) The date of the special election at which the question 17380
shall be submitted to the electors; 17381

(3) The amount, approximate date, estimated rate of interest, 17382
and maximum number of years over which the principal of the bonds 17383
may be paid; 17384

(4) The necessity of levying a tax outside the ten-mill 17385
limitation to pay debt charges on the bonds and any anticipatory 17386
securities. 17387

On adoption of the resolution, the board shall certify a copy 17388

of it to the county auditor. The county auditor promptly shall 17389
estimate and certify to the board the average annual property tax 17390
rate required throughout the stated maturity of the bonds to pay 17391
debt charges on the bonds, in the same manner as under division 17392
(C) of section 133.18 of the Revised Code. 17393

(B) After receiving the county auditor's certification under 17394
division (A) of this section, the board of education of the city, 17395
local, or exempted village school district, by a vote of 17396
two-thirds of all its members, may declare by resolution that the 17397
amount of taxes that can be raised within the ten-mill limitation 17398
will be insufficient to provide an adequate amount for the present 17399
and future requirements of the school district; that it is 17400
necessary to issue general obligation bonds of the school district 17401
for permanent improvements and to levy an additional tax in excess 17402
of the ten-mill limitation to pay debt charges on the bonds and 17403
any anticipatory securities; that it is necessary for a specified 17404
number of years or for a continuing period of time to levy 17405
additional taxes in excess of the ten-mill limitation to provide 17406
funds for the acquisition, construction, enlargement, renovation, 17407
and financing of permanent improvements or to pay for current 17408
operating expenses, or both; and that the question of the bonds 17409
and taxes shall be submitted to the electors of the school 17410
district at a special election, which shall not be earlier than 17411
~~seventy-five~~ ninety days after certification of the resolution to 17412
the board of elections, and the date of which shall be consistent 17413
with section 3501.01 of the Revised Code. The resolution shall 17414
specify all of the following: 17415

(1) The county auditor's estimate of the average annual 17416
property tax rate required throughout the stated maturity of the 17417
bonds to pay debt charges on the bonds; 17418

(2) The proposed rate of the tax, if any, for current 17419
operating expenses, the first year the tax will be levied, and the 17420

number of years it will be levied, or that it will be levied for a 17421
continuing period of time; 17422

(3) The proposed rate of the tax, if any, for permanent 17423
improvements, the first year the tax will be levied, and the 17424
number of years it will be levied, or that it will be levied for a 17425
continuing period of time. 17426

The resolution shall apportion the annual rate of the tax 17427
between current operating expenses and permanent improvements, if 17428
both taxes are proposed. The apportionment may but need not be the 17429
same for each year of the tax, but the respective portions of the 17430
rate actually levied each year for current operating expenses and 17431
permanent improvements shall be limited by the apportionment. The 17432
resolution shall go into immediate effect upon its passage, and no 17433
publication of it is necessary other than that provided in the 17434
notice of election. The board of education shall certify a copy of 17435
the resolution, along with copies of the auditor's estimate and 17436
its resolution under division (A) of this section, to the board of 17437
elections immediately after its adoption. 17438

(C) The board of elections shall make the arrangements for 17439
the submission of the question to the electors of the school 17440
district, and the election shall be conducted, canvassed, and 17441
certified in the same manner as regular elections in the district 17442
for the election of county officers. The resolution shall be put 17443
before the electors as one ballot question, with a favorable vote 17444
indicating approval of the bond issue, the levy to pay debt 17445
charges on the bonds and any anticipatory securities, the current 17446
operating expenses levy, and the permanent improvements levy, if 17447

of the Revised Code. 17862

(C) The county auditor who is the fiscal officer of the 17863
alcohol, drug addiction, and mental health service district, upon 17864
receipt of a resolution from the board of alcohol, drug addiction, 17865
and mental health services, shall establish for the district a 17866
capital improvements account or a reserve balance account, or 17867
both, as specified in the resolution. The capital improvements 17868
account shall be a contingency fund for the necessary acquisition, 17869
replacement, renovation, or construction of facilities and movable 17870
and fixed equipment. Upon the request of the board, funds not 17871
needed to pay for current expenses may be appropriated to the 17872
capital improvements account, in amounts such that the account 17873
does not exceed twenty-five per cent of the replacement value of 17874
all capital facilities and equipment currently used by the board 17875
for programs and services. Other funds which are available for 17876
current capital expenses from federal, state, or local sources may 17877
also be appropriated to this account. 17878

The reserve balance account shall contain those funds that 17879
are not needed to pay for current operating expenses and not 17880
deposited in the capital improvements account but that will be 17881
needed to pay for operating expenses in the future. Upon the 17882
request of a board, such funds shall be appropriated to the 17883
reserve balance account. Payments from the capital improvements 17884
account and the reserve balance account shall be made by the 17885
county treasurer who is the custodian of funds for the district 17886
upon warrants issued by the county auditor who is the fiscal 17887
officer of the district pursuant to orders of the board. 17888

Sec. 5705.222. (A) At any time the board of county 17889
commissioners of any county by a majority vote of the full 17890
membership may declare by resolution and certify to the board of 17891
elections of the county that the amount of taxes which may be 17892
raised within the ten-mill limitation by levies on the current tax 17893
duplicate will be insufficient to provide the necessary 17894
requirements of the county board of developmental disabilities 17895
established pursuant to Chapter 5126. of the Revised Code and that 17896
it is necessary to levy a tax in excess of such limitation for the 17897
operation of programs and services by county boards of 17898
developmental disabilities and for the acquisition, construction, 17899
renovation, financing, maintenance, and operation of mental 17900
retardation and developmental disabilities facilities. 17901

Such resolution shall conform to section 5705.19 of the 17902
Revised Code, except that the increased rate may be in effect for 17903
any number of years not exceeding ten or for a continuing period 17904
of time. 17905

The resolution shall be certified and submitted in the manner 17906
provided in section 5705.25 of the Revised Code, except that it 17907
may be placed on the ballot in any election, and shall be 17908
certified to the board of elections not less than ~~seventy five~~ 17909
ninety days before the election at which it will be voted upon. 17910

If the majority of the electors voting on a levy for the 17911
support of the programs and services of the county board of 17912
developmental disabilities vote in favor of the levy, the board of 17913
county commissioners may levy a tax within the county at the 17914
additional rate outside the ten-mill limitation during the 17915
specified or continuing period, for the purpose stated in the 17916
resolution. The county board of developmental disabilities, within 17917
its budget and with the approval of the board of county 17918
commissioners through annual appropriations, shall use the 17919

proceeds of a levy approved under this section solely for the 17920
purposes authorized by this section. 17921

(B) When electors have approved a tax levy under this 17922
section, the county commissioners may anticipate a fraction of the 17923
proceeds of the levy and issue anticipation notes in accordance 17924
with section 5705.191 or 5705.193 of the Revised Code. 17925

(C) The county auditor, upon receipt of a resolution from the 17926
county board of developmental disabilities, shall establish a 17927
capital improvements account or a reserve balance account, or 17928
both, as specified in the resolution. The capital improvements 17929
account shall be a contingency account for the necessary 17930
acquisition, replacement, renovation, or construction of 17931
facilities and movable and fixed equipment. Upon the request of 17932
the county board of developmental disabilities, moneys not needed 17933
to pay for current expenses may be appropriated to this account, 17934
in amounts such that this account does not exceed twenty-five per 17935
cent of the replacement value of all capital facilities and 17936
equipment currently used by the county board of developmental 17937
disabilities for mental retardation and developmental disabilities 17938
programs and services. Other moneys available for current capital 17939
expenses from federal, state, or local sources may also be 17940
appropriated to this account. 17941

The reserve balance account shall contain those moneys that 17942
are not needed to pay for current operating expenses and not 17943
deposited in the capital improvements account but that will be 17944
needed to pay for operating expenses in the future. Upon the 17945
request of a county board of developmental disabilities, the board 17946
of county commissioners may appropriate moneys to the reserve 17947
balance account. 17948

Sec. 5705.23. The board of library trustees of any county, 17949
municipal corporation, school district, or township public library 17950

by a vote of two-thirds of all its members may at any time declare 17951
by resolution that the amount of taxes which may be raised within 17952
the ten-mill limitation by levies on the current tax duplicate 17953
will be insufficient to provide an adequate amount for the 17954
necessary requirements of the public library, that it is necessary 17955
to levy a tax in excess of such limitation for current expenses of 17956
the public library or for the construction of any specific 17957
permanent improvement or class of improvements which the board of 17958
library trustees is authorized to make or acquire and which could 17959
be included in a single issue of bonds, and that the question of 17960
such additional tax levy shall be submitted by the taxing 17961
authority of the political subdivision to whose jurisdiction the 17962
board is subject, to the electors of the subdivision, or, if the 17963
resolution so states, to the electors residing within the 17964
boundaries of the library district, as defined by the state 17965
library board pursuant to section 3375.01 of the Revised Code, on 17966
the day specified by division (E) of section 3501.01 of the 17967
Revised Code for the holding of a primary election or at an 17968
election on another day to be specified in the resolution. No more 17969
than two elections shall be held under authority of this section 17970
in any one calendar year. Such resolution shall conform to section 17971
5705.19 of the Revised Code, except that the tax levy may be in 17972
effect for any specified number of years or for a continuing 17973
period of time, as set forth in the resolution, and the resolution 17974
shall specify the date of holding the election, which shall not be 17975
earlier than ~~seventy-five~~ ninety days after the adoption and 17976
certification of the resolution to the taxing authority of the 17977
political subdivision to whose jurisdiction the board is subject, 17978
and which shall be consistent with the requirements of section 17979
3501.01 of the Revised Code. The resolution shall not include a 17980
levy on the current tax list and duplicate unless the election is 17981
to be held at or prior to the first Tuesday after the first Monday 17982
in November of the current tax year. 17983

Upon receipt of the resolution, the taxing authority of the 17984
political subdivision to whose jurisdiction the board is subject 17985
shall adopt a resolution providing for the submission of such 17986
additional tax levy to the electors of the subdivision, or, if the 17987
resolution so states, to the electors residing within the 17988
boundaries of the library district, as defined by the state 17989
library board pursuant to section 3375.01 of the Revised Code, on 17990
the date specified in the resolution of the board of library 17991
trustees. The resolution adopted by the taxing authority shall 17992
otherwise conform to the resolution certified to it by the board. 17993
The resolution of the taxing authority shall be certified to the 17994
board of elections of the proper county not less than ~~seventy-five~~ 17995
ninety days before the date of such election. Such resolution 17996
shall go into immediate effect upon its passage, and no 17997
publication of the resolution shall be necessary other than that 17998
provided in the notice of election. Section 5705.25 of the Revised 17999
Code shall govern the arrangements for the submission of such 18000
question and other matters concerning the election, to which that 18001
section refers, except that if the resolution so states, the 18002
question shall be submitted to the electors residing within the 18003
boundaries of the library district, as defined by the state 18004
library board pursuant to section 3375.01 of the Revised Code, and 18005
except that such election shall be held on the date specified in 18006
the resolution. If a majority of the electors voting on the 18007
question so submitted in an election vote in favor of such levy, 18008
the taxing authority may forthwith make the necessary levy within 18009
the subdivision or within the boundaries of the library district, 18010
as defined by the state library board pursuant to section 3375.01 18011
of the Revised Code, at the additional rate in excess of the 18012
ten-mill limitation on the tax list, for the purpose stated in 18013
such resolutions. Such tax levy shall be included in the next 18014
annual tax budget that is certified to the county budget 18015
commission. The proceeds of any library levy in excess of the 18016

ten-mill limitation shall be used for purposes of the board in 18017
accordance with the law applicable to the board. 18018

After the approval of a levy on the current tax list and 18019
duplicate to provide an increase in current expenses, and prior to 18020
the time when the first tax collection from such levy can be made, 18021
the taxing authority at the request of the board of library 18022
trustees may anticipate a fraction of the proceeds of such levy 18023
and issue anticipation notes in an amount not exceeding fifty per 18024
cent of the total estimated proceeds of the levy to be collected 18025
during the first year of the levy. 18026

After the approval of a levy to provide revenues for the 18027
construction or acquisition of any specific permanent improvement 18028
or class of improvements, the taxing authority at the request of 18029
the board of library trustees may anticipate a fraction of the 18030
proceeds of such levy and issue anticipation notes in a principal 18031
amount not exceeding fifty per cent of the total estimated 18032
proceeds of the levy to be collected in each year over a period of 18033
ten years after the issuance of such notes. 18034

The notes shall be issued as provided in section 133.24 of 18035
the Revised Code, shall have principal payments during each year 18036
after the year of their issuance over a period not to exceed ten 18037
years, and may have a principal payment in the year of their 18038
issuance. 18039

When a board of public library trustees of a county library 18040
district, appointed under section 3375.22 of the Revised Code, 18041
requests the submission of such special levy, the taxing authority 18042
shall submit the levy to the voters of the county library district 18043
only. For the purposes of this section, and of the board of public 18044
library trustees only, the words "electors of the subdivision," as 18045
used in this section and in section 5705.25 of the Revised Code, 18046
mean "electors of the county library district." Any levy approved 18047
by the electors of the county library district shall be made 18048

within the county library district only. 18049

Sec. 5705.24. The board of county commissioners of any 18050
county, at any time and in any year, after providing the normal 18051
and customary percentage of the total general fund appropriations 18052
for the support of children services and the care and placement of 18053
children, by vote of two-thirds of all the members of said board 18054
may declare by resolution that the amount of taxes which may be 18055
raised within the ten-mill limitation will be insufficient to 18056
provide an adequate amount for the support of such children 18057
services, and that it is necessary to levy a tax in excess of the 18058
ten-mill limitation to supplement such general fund appropriations 18059
for such purpose. Taxes collected from a levy imposed under this 18060
section may be expended for any operating or capital improvement 18061
expenditure necessary for the support of children services and the 18062
care and placement of children. 18063

Such resolution shall conform to the requirements of section 18064
5705.19 of the Revised Code, except that the levy may be for any 18065
number of years not exceeding ten. The resolution shall be 18066
certified to the board of elections not less than ~~seventy-five~~ 18067
ninety days before the general, primary, or special election upon 18068
which it will be voted, and be submitted in the manner provided in 18069
section 5705.25 of the Revised Code, except that it may be placed 18070
on the ballot in any such election. 18071

If the majority of the electors voting on a levy to 18072
supplement general fund appropriations for the support of children 18073
services and the care and placement of children vote in favor 18074
thereof, the board may levy a tax within such county at the 18075
additional rate outside the ten-mill limitation during the period 18076
and for the purpose stated in the resolution or at any less rate 18077
or for any of the said years. 18078

After the approval of such levy and prior to the time when 18079

the first tax collection from such levy can be made, the board of 18080
county commissioners may anticipate a fraction of the proceeds of 18081
such levy and issue anticipation notes in a principal amount not 18082
to exceed fifty per cent of the total estimated proceeds of the 18083
levy throughout its life. 18084

Such notes shall be issued as provided in section 133.24 of 18085
the Revised Code, shall have principal payments during each year 18086
after the year of their issuance over a period not exceeding the 18087
life of the levy, and may have a principal payment in the year of 18088
their issuance. 18089

Sec. 5705.25. (A) A copy of any resolution adopted as 18090
provided in section 5705.19 or 5705.2111 of the Revised Code shall 18091
be certified by the taxing authority to the board of elections of 18092
the proper county not less than ~~seventy-five~~ ninety days before 18093
the general election in any year, and the board shall submit the 18094
proposal to the electors of the subdivision at the succeeding 18095
November election. Except as otherwise provided in this division, 18096
a resolution to renew an existing levy, regardless of the section 18097
of the Revised Code under which the tax was imposed, shall not be 18098
placed on the ballot unless the question is submitted at the 18099
general election held during the last year the tax to be renewed 18100
or replaced may be extended on the real and public utility 18101
property tax list and duplicate, or at any election held in the 18102
ensuing year. The limitation of the foregoing sentence does not 18103
apply to a resolution to renew and increase or to renew part of an 18104
existing levy that was imposed under section 5705.191 of the 18105
Revised Code to supplement the general fund for the purpose of 18106
making appropriations for one or more of the following purposes: 18107
for public assistance, human or social services, relief, welfare, 18108
hospitalization, health, and support of general hospitals. The 18109
limitation of the second preceding sentence also does not apply to 18110
a resolution that proposes to renew two or more existing levies 18111

imposed under section 5705.21 of the Revised Code, in which case 18112
the question shall be submitted on the date of the general or 18113
primary election held during the last year at least one of the 18114
levies to be renewed may be extended on the real and public 18115
utility property tax list and duplicate, or at any election held 18116
during the ensuing year. For purposes of this section, a levy 18117
shall be considered to be an "existing levy" through the year 18118
following the last year it can be placed on that tax list and 18119
duplicate. 18120

The board shall make the necessary arrangements for the 18121
submission of such questions to the electors of such subdivision, 18122
and the election shall be conducted, canvassed, and certified in 18123
the same manner as regular elections in such subdivision for the 18124
election of county officers. Notice of the election shall be 18125
published in a newspaper of general circulation in the subdivision 18126
once a week for two consecutive weeks prior to the election, and, 18127
if the board of elections operates and maintains a web site, the 18128
board of elections shall post notice of the election on its web 18129
site for thirty days prior to the election. The notice shall state 18130
the purpose, the proposed increase in rate expressed in dollars 18131
and cents for each one hundred dollars of valuation as well as in 18132
mills for each one dollar of valuation, the number of years during 18133
which the increase will be in effect, the first month and year in 18134
which the tax will be levied, and the time and place of the 18135
election. 18136

(B) The form of the ballots cast at an election held pursuant 18137
to division (A) of this section shall be as follows: 18138

"An additional tax for the benefit of (name of subdivision or 18139
public library) for the purpose of (purpose stated in 18140
the resolution) at a rate not exceeding mills 18141
for each one dollar of valuation, which amounts to (rate expressed 18142
in dollars and cents) for each one hundred dollars of 18143

valuation, for (life of indebtedness or number of years the 18144
levy is to run). 18145

	For the Tax Levy	
	Against the Tax Levy	"

18146
18147
18148
18149

(C) If the levy is to be in effect for a continuing period of 18150
time, the notice of election and the form of ballot shall so state 18151
instead of setting forth a specified number of years for the levy. 18152

If the tax is to be placed on the current tax list, the form 18153
of the ballot shall be modified by adding, after the statement of 18154
the number of years the levy is to run, the phrase ", commencing 18155
in (first year the tax is to be levied), first due in 18156
calendar year (first calendar year in which the tax 18157
shall be due)." 18158

If the levy submitted is a proposal to renew, increase, or 18159
decrease an existing levy, the form of the ballot specified in 18160
division (B) of this section may be changed by substituting for 18161
the words "An additional" at the beginning of the form, the words 18162
"A renewal of a" in case of a proposal to renew an existing levy 18163
in the same amount; the words "A renewal of mills and an 18164
increase of mills to constitute a" in the case of an 18165
increase; or the words "A renewal of part of an existing levy, 18166
being a reduction of mills, to constitute a" in the case of 18167
a decrease in the proposed levy. 18168

If the levy submitted is a proposal to renew two or more 18169
existing levies imposed under section 5705.21 of the Revised Code, 18170
the form of the ballot specified in division (B) of this section 18171
shall be modified by substituting for the words "an additional 18172
tax" the words "a renewal of(insert the number of levies to 18173
be renewed) existing taxes." 18174

The question covered by such resolution shall be submitted as 18175
a separate proposition but may be printed on the same ballot with 18176
any other proposition submitted at the same election, other than 18177
the election of officers. More than one such question may be 18178
submitted at the same election. 18179

(D) A levy voted in excess of the ten-mill limitation under 18180
this section shall be certified to the tax commissioner. In the 18181
first year of the levy, it shall be extended on the tax lists 18182
after the February settlement succeeding the election. If the 18183
additional tax is to be placed upon the tax list of the current 18184
year, as specified in the resolution providing for its submission, 18185
the result of the election shall be certified immediately after 18186
the canvass by the board of elections to the taxing authority, who 18187
shall make the necessary levy and certify it to the county 18188
auditor, who shall extend it on the tax lists for collection. 18189
After the first year, the tax levy shall be included in the annual 18190
tax budget that is certified to the county budget commission. 18191

Sec. 5705.251. (A) A copy of a resolution adopted under 18192
section 5705.212 or 5705.213 of the Revised Code shall be 18193
certified by the board of education to the board of elections of 18194
the proper county not less than ~~seventy-five~~ ninety days before 18195
the date of the election specified in the resolution, and the 18196
board of elections shall submit the proposal to the electors of 18197
the school district at a special election to be held on that date. 18198
The board of elections shall make the necessary arrangements for 18199
the submission of the question or questions to the electors of the 18200
school district, and the election shall be conducted, canvassed, 18201
and certified in the same manner as regular elections in the 18202
school district for the election of county officers. Notice of the 18203
election shall be published in a newspaper of general circulation 18204
in the subdivision once a week for two consecutive weeks prior to 18205
the election, and, if the board of elections operates and 18206

maintains a web site, the board of elections shall post notice of 18207
the election on its web site for thirty days prior to the 18208
election. 18209

(1) In the case of a resolution adopted under section 18210
5705.212 of the Revised Code, the notice shall state separately, 18211
for each tax being proposed, the purpose; the proposed increase in 18212
rate, expressed in dollars and cents for each one hundred dollars 18213
of valuation as well as in mills for each one dollar of valuation; 18214
the number of years during which the increase will be in effect; 18215
and the first calendar year in which the tax will be due. For an 18216
election on the question of a renewal levy, the notice shall state 18217
the purpose; the proposed rate, expressed in dollars and cents for 18218
each one hundred dollars of valuation as well as in mills for each 18219
one dollar of valuation; and the number of years the tax will be 18220
in effect. 18221

(2) In the case of a resolution adopted under section 18222
5705.213 of the Revised Code, the notice shall state the purpose; 18223
the amount proposed to be raised by the tax in the first year it 18224
is levied; the estimated average additional tax rate for the first 18225
year it is proposed to be levied, expressed in mills for each one 18226
dollar of valuation and in dollars and cents for each one hundred 18227
dollars of valuation; the number of years during which the 18228
increase will be in effect; and the first calendar year in which 18229
the tax will be due. The notice also shall state the amount by 18230
which the amount to be raised by the tax may be increased in each 18231
year after the first year. The amount of the allowable increase 18232
may be expressed in terms of a dollar increase over, or a 18233
percentage of, the amount raised by the tax in the immediately 18234
preceding year. For an election on the question of a renewal levy, 18235
the notice shall state the purpose; the amount proposed to be 18236
raised by the tax; the estimated tax rate, expressed in mills for 18237
each one dollar of valuation and in dollars and cents for each one 18238

(D) The question covered by a resolution adopted under 18327
 section 5705.212 or 5705.213 of the Revised Code shall be 18328
 submitted as a separate question, but may be printed on the same 18329

(E) Taxes voted in excess of the ten-mill limitation under division (B) or (C) of this section shall be certified to the tax commissioner. If an additional tax is to be placed upon the tax list of the current year, as specified in the resolution providing for its submission, the result of the election shall be certified immediately after the canvass by the board of elections to the board of education. The board of education immediately shall make the necessary levy and certify it to the county auditor, who shall extend it on the tax list for collection. After the first year, the levy shall be included in the annual tax budget that is certified to the county budget commission.

Sec. 5705.261. The question of decrease of an increased rate of levy approved for a continuing period of time by the voters of a subdivision may be initiated by the filing of a petition with the board of elections of the proper county not less than ~~seventy-five~~ ninety days before the general election in any year requesting that an election be held on such question. Such petition shall state the amount of the proposed decrease in the rate of levy and shall be signed by qualified electors residing in the subdivision equal in number to at least ten per cent of the total number of votes cast in the subdivision for the office of governor at the most recent general election for that office. Only one such petition may be filed during each five-year period following the election at which the voters approved the increased rate for a continuing period of time.

After determination by it that such petition is valid, the board of elections shall submit the question to the electors of the district at the succeeding general election. The election shall be conducted, canvassed, and certified in the same manner as

regular elections in such subdivision for county offices. Notice 18362
of the election shall be published in a newspaper of general 18363
circulation in the district once a week for two consecutive weeks 18364
prior to the election, and, if the board of elections operates and 18365
maintains a web site, the board of elections shall post notice of 18366
the election on its web site for thirty days prior to the 18367
election. The notice shall state the purpose, the amount of the 18368
proposed decrease in rate, and the time and place of the election. 18369
The form of the ballot cast at such election shall be prescribed 18370
by the secretary of state. The question covered by such petition 18371
shall be submitted as a separate proposition but it may be printed 18372
on the same ballot with any other propositions submitted at the 18373
same election other than the election of officers. If a majority 18374
of the qualified electors voting on the question of a decrease at 18375
such election approve the proposed decrease in rate, the result of 18376
the election shall be certified immediately after the canvass by 18377
the board of elections to the subdivision's taxing authority, 18378
which shall thereupon, after the current year, cease to levy such 18379
increased rate or levy such tax at such reduced rate upon the 18380
duplicate of the subdivision. If notes have been issued in 18381
anticipation of the collection of such levy, the taxing authority 18382
shall continue to levy and collect under authority of the election 18383
authorizing the original levysuch amounts as will be sufficient 18384
to pay the principal of and interest on such anticipation notes as 18385
the same fall due. 18386

Sec. 5705.27. There is hereby created in each county a county 18387
budget commission consisting of the county auditor, the county 18388
treasurer, and the prosecuting attorney. Upon petition filed with 18389
the board of elections, signed by the number of electors of the 18390
county equal in amount to three per cent of the total number of 18391
votes cast for governor at the most recent election therefor, 18392
there shall be submitted to the electors of the county at the next 18393

general election occurring not sooner than ~~seventy-five~~ ninety 18394
days after the filing of the petition, the question "Shall the 18395
county budget commission consist of two additional members to be 18396
elected from the county?" Provision shall be made on the ballot 18397
for the election from the county at large of two additional 18398
members of the county budget commission who shall be electors of 18399
the county if a majority of the electors voting on the question 18400
shall have voted in the affirmative. In such counties, where the 18401
electors have voted in the affirmative, the county budget 18402
commission shall consist of such two elected members in addition 18403
to the county auditor, the county treasurer and the prosecuting 18404
attorney. Such members, who shall not hold any other public 18405
office, shall serve for a term of four years. The commission shall 18406
meet at the office of the county auditor in each county on the 18407
first Monday in February and on the first Monday in August, 18408
annually, and shall complete its work on or before the first day 18409
of September, annually, unless for good cause the tax commissioner 18410
extends the time for completing the work. A majority of members 18411
shall constitute a quorum, provided that no action of the 18412
commission shall be valid unless agreed to by a majority of the 18413
members of the commission. The auditor shall be the secretary of 18414
the commission and shall keep a full and accurate record of all 18415
proceedings. The auditor shall appoint such messengers and clerks 18416
as the commission deems necessary, and the budget commissioners 18417
shall be allowed their actual and necessary expenses. The elected 18418
members of the commission shall also receive twenty dollars for 18419
each day in attendance at commission meetings and in discharge of 18420
official duties. Any vacancy among such elected members shall be 18421
filled by the presiding judge of the court of common pleas. In 18422
adjusting the rates of taxation and fixing the amount of taxes to 18423
be levied each year, the commissioners shall be governed by the 18424
amount of the taxable property shown on the auditor's tax list for 18425
the current year; provided that if the auditor's tax list has not 18426

been completed, the auditor shall estimate, as nearly as 18427
practicable, the amount of the taxable property for such year, and 18428
such officers shall be governed by such estimate. 18429

In any county in which two members of the commission are 18430
elected, upon petition filed with the board of elections, signed 18431
by the number of electors of the county equal in amount to three 18432
per cent of the votes cast for governor at the most recent 18433
election therefor, there shall be submitted to the electors of the 18434
county at the next general election occurring not sooner than 18435
~~seventy-five~~ ninety days after the filing of the petition, the 18436
question "Shall the elected members be eliminated from the county 18437
budget commission?" If the majority of the electors voting thereon 18438
shall have voted in the affirmative, the county budget commission 18439
shall consist solely of the county auditor, the county treasurer, 18440
and the prosecuting attorney. 18441

Sec. 5705.71. (A) The electors of a county may initiate the 18442
question of a tax levy for support of senior citizens services or 18443
facilities by the filing of a petition with the board of elections 18444
of that county not less than ~~seventy-five~~ ninety days before the 18445
date of any primary or general election requesting that an 18446
election be held on such question. The petition shall be signed by 18447
at least ten per cent of the qualified electors residing in the 18448
county and voting for the office of governor at the last general 18449
election. 18450

(B) The petition shall state the purpose for which the senior 18451
citizens tax levy is being proposed, shall specify the amount of 18452
the proposed increase in rate, the period of time during which the 18453
increase is to be in effect, and whether the levy is to be imposed 18454
in the current year. The number of years may be any number not 18455
exceeding five, except that when the additional rate is for the 18456
payment of debt charges the increased rate shall be for the life 18457

of the indebtedness. 18458

(C) After determination by it that such petition is valid, 18459
the board of elections shall submit the question to the electors 18460
of the county at the succeeding primary or general election. 18461

(D) The election shall be conducted, canvassed, and certified 18462
in the same manner as regular elections in such county for county 18463
offices. Notice of the election shall be published in a newspaper 18464
of general circulation in the county once a week for two 18465
consecutive weeks prior to the election, and, if the board of 18466
elections operates and maintains a web site, the board of 18467
elections shall post notice of the election on its web site for 18468
thirty days prior to the election. The notice shall state the 18469
purpose, the amount of the proposed increase in rate, and the time 18470
and place of the election. 18471

(E) The form of the ballot cast at such election shall be 18472
prescribed by the secretary of state. If the tax is to be placed 18473
on the tax list of the current tax year, the form of the ballot 18474
shall include a statement to that effect and shall indicate the 18475
first calendar year the tax will be due. The question covered by 18476
such petition shall be submitted as a separate proposition but it 18477
may be printed on the same ballot with any other propositions 18478
submitted at the same election other than the election of 18479
officers. 18480

(F) If a majority of electors voting on the question vote in 18481
favor of the levy, the board of county commissioners shall levy a 18482
tax, for the period and the purpose stated within the petition. If 18483
the tax is to be placed upon the tax list of the current year, as 18484
specified in the petition, the result of the election shall be 18485
certified immediately after the canvass by the board of elections 18486
to the board of county commissioners, which shall forthwith make 18487
the necessary levy and certify it to the county auditor, who shall 18488
extend it on the tax list for collection. After the first year, 18489

the tax levy shall be included in the annual tax budget that is 18490
certified to the county budget commission. 18491

Sec. 5739.021. (A) For the purpose of providing additional 18492
general revenues for the county or supporting criminal and 18493
administrative justice services in the county, or both, and to pay 18494
the expenses of administering such levy, any county may levy a tax 18495
at the rate of not more than one per cent at any multiple of 18496
one-fourth of one per cent upon every retail sale made in the 18497
county, except sales of watercraft and outboard motors required to 18498
be titled pursuant to Chapter 1548. of the Revised Code and sales 18499
of motor vehicles, and may increase the rate of an existing tax to 18500
not more than one per cent at any multiple of one-fourth of one 18501
per cent. 18502

The tax shall be levied and the rate increased pursuant to a 18503
resolution of the board of county commissioners. The resolution 18504
shall state the purpose for which the tax is to be levied and the 18505
number of years for which the tax is to be levied, or that it is 18506
for a continuing period of time. If the tax is to be levied for 18507
the purpose of providing additional general revenues and for the 18508
purpose of supporting criminal and administrative justice 18509
services, the resolution shall state the rate or amount of the tax 18510
to be apportioned to each such purpose. The rate or amount may be 18511
different for each year the tax is to be levied, but the rates or 18512
amounts actually apportioned each year shall not be different from 18513
that stated in the resolution for that year. If the resolution is 18514
adopted as an emergency measure necessary for the immediate 18515
preservation of the public peace, health, or safety, it must 18516
receive an affirmative vote of all of the members of the board of 18517
county commissioners and shall state the reasons for such 18518
necessity. The board shall deliver a certified copy of the 18519
resolution to the tax commissioner, not later than the sixty-fifth 18520
day prior to the date on which the tax is to become effective, 18521

which shall be the first day of the calendar quarter. 18522

Prior to the adoption of any resolution under this section, 18523
the board of county commissioners shall conduct two public 18524
hearings on the resolution, the second hearing to be not less than 18525
three nor more than ten days after the first. Notice of the date, 18526
time, and place of the hearings shall be given by publication in a 18527
newspaper of general circulation in the county once a week on the 18528
same day of the week for two consecutive weeks, the second 18529
publication being not less than ten nor more than thirty days 18530
prior to the first hearing. 18531

Except as provided in division (B)(3) of this section, the 18532
resolution shall be subject to a referendum as provided in 18533
sections 305.31 to 305.41 of the Revised Code. 18534

If a petition for a referendum is filed, the county auditor 18535
with whom the petition was filed shall, within five days, notify 18536
the board of county commissioners and the tax commissioner of the 18537
filing of the petition by certified mail. If the board of 18538
elections with which the petition was filed declares the petition 18539
invalid, the board of elections, within five days, shall notify 18540
the board of county commissioners and the tax commissioner of that 18541
declaration by certified mail. If the petition is declared to be 18542
invalid, the effective date of the tax or increased rate of tax 18543
levied by this section shall be the first day of a calendar 18544
quarter following the expiration of sixty-five days from the date 18545
the commissioner receives notice from the board of elections that 18546
the petition is invalid. 18547

(B)(1) A resolution that is not adopted as an emergency 18548
measure may direct the board of elections to submit the question 18549
of levying the tax or increasing the rate of tax to the electors 18550
of the county at a special election held on the date specified by 18551
the board of county commissioners in the resolution, provided that 18552
the election occurs not less than ~~seventy-five~~ ninety days after a 18553

certified copy of such resolution is transmitted to the board of 18554
elections and the election is not held in February or August of 18555
any year. Upon transmission of the resolution to the board of 18556
elections, the board of county commissioners shall notify the tax 18557
commissioner in writing of the levy question to be submitted to 18558
the electors. No resolution adopted under this division shall go 18559
into effect unless approved by a majority of those voting upon it, 18560
and, except as provided in division (B)(3) of this section, shall 18561
become effective on the first day of a calendar quarter following 18562
the expiration of sixty-five days from the date the tax 18563
commissioner receives notice from the board of elections of the 18564
affirmative vote. 18565

(2) A resolution that is adopted as an emergency measure 18566
shall go into effect as provided in division (A) of this section, 18567
but may direct the board of elections to submit the question of 18568
repealing the tax or increase in the rate of the tax to the 18569
electors of the county at the next general election in the county 18570
occurring not less than ~~seventy-five~~ ninety days after a certified 18571
copy of the resolution is transmitted to the board of elections. 18572
Upon transmission of the resolution to the board of elections, the 18573
board of county commissioners shall notify the tax commissioner in 18574
writing of the levy question to be submitted to the electors. The 18575
ballot question shall be the same as that prescribed in section 18576
5739.022 of the Revised Code. The board of elections shall notify 18577
the board of county commissioners and the tax commissioner of the 18578
result of the election immediately after the result has been 18579
declared. If a majority of the qualified electors voting on the 18580
question of repealing the tax or increase in the rate of the tax 18581
vote for repeal of the tax or repeal of the increase, the board of 18582
county commissioners, on the first day of a calendar quarter 18583
following the expiration of sixty-five days after the date the 18584
board and tax commissioner receive notice of the result of the 18585
election, shall, in the case of a repeal of the tax, cease to levy 18586

the tax, or, in the case of a repeal of an increase in the rate of 18587
the tax, cease to levy the increased rate and levy the tax at the 18588
rate at which it was imposed immediately prior to the increase in 18589
rate. 18590

(3) If a vendor that is registered with the central 18591
electronic registration system provided for in section 5740.05 of 18592
the Revised Code makes a sale in this state by printed catalog and 18593
the consumer computed the tax on the sale based on local rates 18594
published in the catalog, any tax levied or repealed or rate 18595
changed under this section shall not apply to such a sale until 18596
the first day of a calendar quarter following the expiration of 18597
one hundred twenty days from the date of notice by the tax 18598
commissioner pursuant to division (H) of this section. 18599

(C) If a resolution is rejected at a referendum or if a 18600
resolution adopted after January 1, 1982, as an emergency measure 18601
is repealed by the electors pursuant to division (B)(2) of this 18602
section or section 5739.022 of the Revised Code, then for one year 18603
after the date of the election at which the resolution was 18604
rejected or repealed the board of county commissioners may not 18605
adopt any resolution authorized by this section as an emergency 18606
measure. 18607

(D) The board of county commissioners, at any time while a 18608
tax levied under this section is in effect, may by resolution 18609
reduce the rate at which the tax is levied to a lower rate 18610
authorized by this section. Any reduction in the rate at which the 18611
tax is levied shall be made effective on the first day of a 18612
calendar quarter next following the sixty-fifth day after a 18613
certified copy of the resolution is delivered to the tax 18614
commissioner. 18615

(E) The tax on every retail sale subject to a tax levied 18616
pursuant to this section shall be in addition to the tax levied by 18617
section 5739.02 of the Revised Code and any tax levied pursuant to 18618

section 5739.023 or 5739.026 of the Revised Code. 18619

A county that levies a tax pursuant to this section shall 18620
levy a tax at the same rate pursuant to section 5741.021 of the 18621
Revised Code. 18622

The additional tax levied by the county shall be collected 18623
pursuant to section 5739.025 of the Revised Code. If the 18624
additional tax or some portion thereof is levied for the purpose 18625
of criminal and administrative justice services, the revenue from 18626
the tax, or the amount or rate apportioned to that purpose, shall 18627
be credited to a special fund created in the county treasury for 18628
receipt of that revenue. 18629

Any tax levied pursuant to this section is subject to the 18630
exemptions provided in section 5739.02 of the Revised Code and in 18631
addition shall not be applicable to sales not within the taxing 18632
power of a county under the Constitution of the United States or 18633
the Ohio Constitution. 18634

(F) For purposes of this section, a copy of a resolution is 18635
"certified" when it contains a written statement attesting that 18636
the copy is a true and exact reproduction of the original 18637
resolution. 18638

(G) If a board of commissioners intends to adopt a resolution 18639
to levy a tax in whole or in part for the purpose of criminal and 18640
administrative justice services, the board shall prepare and make 18641
available at the first public hearing at which the resolution is 18642
considered a statement containing the following information: 18643

(1) For each of the two preceding fiscal years, the amount of 18644
expenditures made by the county from the county general fund for 18645
the purpose of criminal and administrative justice services; 18646

(2) For the fiscal year in which the resolution is adopted, 18647
the board's estimate of the amount of expenditures to be made by 18648
the county from the county general fund for the purpose of 18649

criminal and administrative justice services; 18650

(3) For each of the two fiscal years after the fiscal year in 18651
which the resolution is adopted, the board's preliminary plan for 18652
expenditures to be made from the county general fund for the 18653
purpose of criminal and administrative justice services, both 18654
under the assumption that the tax will be imposed for that purpose 18655
and under the assumption that the tax would not be imposed for 18656
that purpose, and for expenditures to be made from the special 18657
fund created under division (E) of this section under the 18658
assumption that the tax will be imposed for that purpose. 18659

The board shall prepare the statement and the preliminary 18660
plan using the best information available to the board at the time 18661
the statement is prepared. Neither the statement nor the 18662
preliminary plan shall be used as a basis to challenge the 18663
validity of the tax in any court of competent jurisdiction, nor 18664
shall the statement or preliminary plan limit the authority of the 18665
board to appropriate, pursuant to section 5705.38 of the Revised 18666
Code, an amount different from that specified in the preliminary 18667
plan. 18668

(H) Upon receipt from a board of county commissioners of a 18669
certified copy of a resolution required by division (A) or (D) of 18670
this section, or from the board of elections of a notice of the 18671
results of an election required by division (A) or (B)(1) or (2) 18672
of this section, the tax commissioner shall provide notice of a 18673
tax rate change in a manner that is reasonably accessible to all 18674
affected vendors. The commissioner shall provide this notice at 18675
least sixty days prior to the effective date of the rate change. 18676
The commissioner, by rule, may establish the method by which 18677
notice will be provided. 18678

(I) As used in this section, "criminal and administrative 18679
justice services" means the exercise by the county sheriff of all 18680
powers and duties vested in that office by law; the exercise by 18681

the county prosecuting attorney of all powers and duties vested in 18682
that office by law; the exercise by any court in the county of all 18683
powers and duties vested in that court; the exercise by the clerk 18684
of the court of common pleas, any clerk of a municipal court 18685
having jurisdiction throughout the county, or the clerk of any 18686
county court of all powers and duties vested in the clerk by law 18687
except, in the case of the clerk of the court of common pleas, the 18688
titling of motor vehicles or watercraft pursuant to Chapter 1548. 18689
or 4505. of the Revised Code; the exercise by the county coroner 18690

adjudication, detention, or rehabilitation of criminals or 18694
juvenile offenders; the operation and maintenance of any detention 18695
facility, as defined in section 2921.01 of the Revised Code; and 18696
the construction, acquisition, equipping, or repair of such a 18697
detention facility, including the payment of any debt charges 18698
incurred in the issuance of securities pursuant to Chapter 133. of 18699
the Revised Code for the purpose of constructing, acquiring, 18700
equipping, or repairing such a facility. 18701

Sec. 5739.022. (A) The question of repeal of either a county 18702
permissive tax or an increase in the rate of a county permissive 18703
tax that was adopted as an emergency measure pursuant to section 18704
5739.021 or 5739.026 of the Revised Code may be initiated by 18705
filing with the board of elections of the county not less than 18706
~~seventy five~~ ninety days before the general election in any year a 18707
petition requesting that an election be held on the question. The 18708
question of repealing an increase in the rate of the county 18709
permissive tax shall be submitted to the electors as a separate 18710
question from the repeal of the tax in effect prior to the 18711
increase in the rate. Any petition filed under this section shall 18712
be signed by qualified electors residing in the county equal in 18713

number to ten per cent of those voting for governor at the most 18714
recent gubernatorial election. 18715

After determination by it that the petition is valid, the 18716
board of elections shall submit the question to the electors of 18717
the county at the next general election. The election shall be 18718
conducted, canvassed, and certified in the same manner as regular 18719
elections for county offices in the county. The board of elections 18720
shall notify the tax commissioner, in writing, of the election 18721
upon determining that the petition is valid. Notice of the 18722
election shall also be published in a newspaper of general 18723
circulation in the district once a week for two consecutive weeks 18724
prior to the election, and, if the board of elections operates and 18725
maintains a web site, the board of elections shall post notice of 18726
the election on its web site for thirty days prior to the 18727
election. The notice shall state the purpose, time, and place of 18728
the election. The form of the ballot cast at the election shall be 18729
prescribed by the secretary of state; however, the ballot question 18730
shall read, "shall the tax (or, increase in the rate of the tax) 18731
be retained? 18732

	Yes
	No

"

18733
18734
18735
18736
The question covered by the petition shall be submitted as a 18737
separate proposition, but it may be printed on the same ballot 18738
with any other proposition submitted at the same election other 18739
than the election of officers. 18740

(B) If a majority of the qualified electors voting on the 18741
question of repeal of either a county permissive tax or an 18742
increase in the rate of a county permissive tax approve the 18743
repeal, the board of elections shall notify the board of county 18744

commissioners and the tax commissioner of the result of the 18745
election immediately after the result has been declared. The board 18746
of county commissioners shall, on the first day of the calendar 18747
quarter following the expiration of sixty-five days after the date 18748
the board and the tax commissioner receive the notice, in the case 18749
of a repeal of a county permissive tax, cease to levy the tax, or, 18750
in the case of a repeal of an increase in the rate of a county 18751
permissive tax, levy the tax at the rate at which it was imposed 18752
immediately prior to the increase in rate and cease to levy the 18753
increased rate. 18754

(C) Upon receipt from a board of elections of a notice of the 18755
results of an election required by division (B) of this section, 18756
the tax commissioner shall provide notice of a tax repeal or rate 18757
change in a manner that is reasonably accessible to all affected 18758
vendors. The commissioner shall provide this notice at least sixty 18759
days prior to the effective date of the rate change. The 18760
commissioner, by rule, may establish the method by which notice 18761
will be provided. 18762

(D) If a vendor that is registered with the central 18763
electronic registration system provided for in section 5740.05 of 18764
the Revised Code makes a sale in this state by printed catalog and 18765
the consumer computed the tax on the sale based on local rates 18766
published in the catalog, any tax repealed or rate changed under 18767
this section shall not apply to such a sale until the first day of 18768
a calendar quarter following the expiration of one hundred twenty 18769
days from the date of notice by the tax commissioner pursuant to 18770
division (C) of this section. 18771

Sec. 5739.026. (A) A board of county commissioners may levy a 18772
tax of one-fourth or one-half of one per cent on every retail sale 18773
in the county, except sales of watercraft and outboard motors 18774
required to be titled pursuant to Chapter 1548. of the Revised 18775

Code and sales of motor vehicles, and may increase an existing 18776
rate of one-fourth of one per cent to one-half of one per cent, to 18777
pay the expenses of administering the tax and, except as provided 18778
in division (A)(6) of this section, for any one or more of the 18779
following purposes provided that the aggregate levy for all such 18780
purposes does not exceed one-half of one per cent: 18781

(1) To provide additional revenues for the payment of bonds 18782
or notes issued in anticipation of bonds issued by a convention 18783
facilities authority established by the board of county 18784
commissioners under Chapter 351. of the Revised Code and to 18785
provide additional operating revenues for the convention 18786
facilities authority; 18787

(2) To provide additional revenues for a transit authority 18788
operating in the county; 18789

(3) To provide additional revenue for the county's general 18790
fund; 18791

(4) To provide additional revenue for permanent improvements 18792
within the county to be distributed by the community improvements 18793
board in accordance with section 307.283 and to pay principal, 18794
interest, and premium on bonds issued under section 307.284 of the 18795
Revised Code; 18796

(5) To provide additional revenue for the acquisition, 18797
construction, equipping, or repair of any specific permanent 18798
improvement or any class or group of permanent improvements, which 18799
improvement or class or group of improvements shall be enumerated 18800
in the resolution required by division (D) of this section, and to 18801
pay principal, interest, premium, and other costs associated with 18802
the issuance of bonds or notes in anticipation of bonds issued 18803
pursuant to Chapter 133. of the Revised Code for the acquisition, 18804
construction, equipping, or repair of the specific permanent 18805
improvement or class or group of permanent improvements; 18806

(6) To provide revenue for the implementation and operation 18807
of a 9-1-1 system in the county. If the tax is levied or the rate 18808
increased exclusively for such purpose, the tax shall not be 18809
levied or the rate increased for more than five years. At the end 18810
of the last year the tax is levied or the rate increased, any 18811
balance remaining in the special fund established for such purpose 18812
shall remain in that fund and be used exclusively for such purpose 18813
until the fund is completely expended, and, notwithstanding 18814
section 5705.16 of the Revised Code, the board of county 18815
commissioners shall not petition for the transfer of money from 18816
such special fund, and the tax commissioner shall not approve such 18817
a petition. 18818

If the tax is levied or the rate increased for such purpose 18819
for more than five years, the board of county commissioners also 18820
shall levy the tax or increase the rate of the tax for one or more 18821
of the purposes described in divisions (A)(1) to (5) of this 18822
section and shall prescribe the method for allocating the revenues 18823
from the tax each year in the manner required by division (C) of 18824
this section. 18825

(7) To provide additional revenue for the operation or 18826
maintenance of a detention facility, as that term is defined under 18827
division (F) of section 2921.01 of the Revised Code; 18828

(8) To provide revenue to finance the construction or 18829
renovation of a sports facility, but only if the tax is levied for 18830
that purpose in the manner prescribed by section 5739.028 of the 18831
Revised Code. 18832

As used in division (A)(8) of this section: 18833

(a) "Sports facility" means a facility intended to house 18834
major league professional athletic teams. 18835

(b) "Constructing" or "construction" includes providing 18836
fixtures, furnishings, and equipment. 18837

(9) To provide additional revenue for the acquisition of agricultural easements, as defined in section 5301.67 of the Revised Code; to pay principal, interest, and premium on bonds issued under section 133.60 of the Revised Code; and for the supervision and enforcement of agricultural easements held by the county;

(10) To provide revenue for the provision of ambulance, paramedic, or other emergency medical services.

Pursuant to section 755.171 of the Revised Code, a board of county commissioners may pledge and contribute revenue from a tax levied for the purpose of division (A)(5) of this section to the payment of debt charges on bonds issued under section 755.17 of the Revised Code.

The rate of tax shall be a multiple of one-fourth of one per cent, unless a portion of the rate of an existing tax levied under section 5739.023 of the Revised Code has been reduced, and the rate of tax levied under this section has been increased, pursuant to section 5739.028 of the Revised Code, in which case the aggregate of the rates of tax levied under this section and section 5739.023 of the Revised Code shall be a multiple of one-fourth of one per cent. The tax shall be levied and the rate increased pursuant to a resolution adopted by a majority of the members of the board. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of a calendar quarter.

Prior to the adoption of any resolution to levy the tax or to increase the rate of tax exclusively for the purpose set forth in division (A)(3) of this section, the board of county commissioners shall conduct two public hearings on the resolution, the second hearing to be no fewer than three nor more than ten days after the first. Notice of the date, time, and place of the hearings shall

be given by publication in a newspaper of general circulation in 18870
the county once a week on the same day of the week for two 18871
consecutive weeks, the second publication being no fewer than ten 18872
nor more than thirty days prior to the first hearing. Except as 18873
provided in division (E) of this section, the resolution shall be 18874
subject to a referendum as provided in sections 305.31 to 305.41 18875
of the Revised Code. If the resolution is adopted as an emergency 18876
measure necessary for the immediate preservation of the public 18877
peace, health, or safety, it must receive an affirmative vote of 18878
all of the members of the board of county commissioners and shall 18879
state the reasons for the necessity. 18880

If the tax is for more than one of the purposes set forth in 18881
divisions (A)(1) to (7), (9), and (10) of this section, or is 18882
exclusively for one of the purposes set forth in division (A)(1), 18883
(2), (4), (5), (6), (7), (9), or (10) of this section, the 18884
resolution shall not go into effect unless it is approved by a 18885
majority of the electors voting on the question of the tax. 18886

(B) The board of county commissioners shall adopt a 18887
resolution under section 351.02 of the Revised Code creating the 18888
convention facilities authority, or under section 307.283 of the 18889
Revised Code creating the community improvements board, before 18890
adopting a resolution levying a tax for the purpose of a 18891
convention facilities authority under division (A)(1) of this 18892
section or for the purpose of a community improvements board under 18893
division (A)(4) of this section. 18894

(C)(1) If the tax is to be used for more than one of the 18895
purposes set forth in divisions (A)(1) to (7), (9), and (10) of 18896
this section, the board of county commissioners shall establish 18897
the method that will be used to determine the amount or proportion 18898
of the tax revenue received by the county during each year that 18899
will be distributed for each of those purposes, including, if 18900
applicable, provisions governing the reallocation of a convention 18901

facilities authority's allocation if the authority is dissolved 18902
while the tax is in effect. The allocation method may provide that 18903
different proportions or amounts of the tax shall be distributed 18904
among the purposes in different years, but it shall clearly 18905
describe the method that will be used for each year. Except as 18906
otherwise provided in division (C)(2) of this section, the 18907
allocation method established by the board is not subject to 18908
amendment during the life of the tax. 18909

(2) Subsequent to holding a public hearing on the proposed 18910
amendment, the board of county commissioners may amend the 18911
allocation method established under division (C)(1) of this 18912
section for any year, if the amendment is approved by the 18913
governing board of each entity whose allocation for the year would 18914
be reduced by the proposed amendment. In the case of a tax that is 18915
levied for a continuing period of time, the board may not so amend 18916
the allocation method for any year before the sixth year that the 18917
tax is in effect. 18918

(a) If the additional revenues provided to the convention 18919
facilities authority are pledged by the authority for the payment 18920
of convention facilities authority revenue bonds for as long as 18921
such bonds are outstanding, no reduction of the authority's 18922
allocation of the tax shall be made for any year except to the 18923
extent that the reduced authority allocation, when combined with 18924
the authority's other revenues pledged for that purpose, is 18925
sufficient to meet the debt service requirements for that year on 18926
such bonds. 18927

(b) If the additional revenues provided to the county are 18928
pledged by the county for the payment of bonds or notes described 18929
in division (A)(4) or (5) of this section, for as long as such 18930
bonds or notes are outstanding, no reduction of the county's or 18931
the community improvements board's allocation of the tax shall be 18932
made for any year, except to the extent that the reduced county or 18933

community improvements board allocation is sufficient to meet the 18934
debt service requirements for that year on such bonds or notes. 18935

(c) If the additional revenues provided to the transit 18936
authority are pledged by the authority for the payment of revenue 18937
bonds issued under section 306.37 of the Revised Code, for as long 18938
as such bonds are outstanding, no reduction of the authority's 18939
allocation of tax shall be made for any year, except to the extent 18940
that the authority's reduced allocation, when combined with the 18941
authority's other revenues pledged for that purpose, is sufficient 18942
to meet the debt service requirements for that year on such bonds. 18943

(d) If the additional revenues provided to the county are 18944
pledged by the county for the payment of bonds or notes issued 18945
under section 133.60 of the Revised Code, for so long as the bonds 18946
or notes are outstanding, no reduction of the county's allocation 18947
of the tax shall be made for any year, except to the extent that 18948
the reduced county allocation is sufficient to meet the debt 18949
service requirements for that year on the bonds or notes. 18950

(D)(1) The resolution levying the tax or increasing the rate 18951
of tax shall state the rate of the tax or the rate of the 18952
increase; the purpose or purposes for which it is to be levied; 18953
the number of years for which it is to be levied or that it is for 18954
a continuing period of time; the allocation method required by 18955
division (C) of this section; and if required to be submitted to 18956
the electors of the county under division (A) of this section, the 18957
date of the election at which the proposal shall be submitted to 18958
the electors of the county, which shall be not less than 18959
~~seventy-five~~ ninety days after the certification of a copy of the 18960
resolution to the board of elections and, if the tax is to be 18961
levied exclusively for the purpose set forth in division (A)(3) of 18962
this section, shall not occur in February or August of any year. 18963
Upon certification of the resolution to the board of elections, 18964
the board of county commissioners shall notify the tax 18965

commissioner in writing of the levy question to be submitted to 18966
the electors. If approved by a majority of the electors, the tax 18967
shall become effective on the first day of a calendar quarter next 18968
following the sixty-fifth day following the date the board of 18969
county commissioners and tax commissioner receive from the board 18970
of elections the certification of the results of the election, 18971
except as provided in division (E) of this section. 18972

(2)(a) A resolution specifying that the tax is to be used 18973
exclusively for the purpose set forth in division (A)(3) of this 18974
section that is not adopted as an emergency measure may direct the 18975
board of elections to submit the question of levying the tax or 18976
increasing the rate of the tax to the electors of the county at a 18977
special election held on the date specified by the board of county 18978
commissioners in the resolution, provided that the election occurs 18979
not less than ~~seventy-five~~ ninety days after the resolution is 18980
certified to the board of elections and the election is not held 18981
in February or August of any year. Upon certification of the 18982
resolution to the board of elections, the board of county 18983
commissioners shall notify the tax commissioner in writing of the 18984
levy question to be submitted to the electors. No resolution 18985
adopted under division (D)(2)(a) of this section shall go into 18986
effect unless approved by a majority of those voting upon it and, 18987
except as provided in division (E) of this section, not until the 18988
first day of a calendar quarter following the expiration of 18989
sixty-five days from the date the tax commissioner receives notice 18990
from the board of elections of the affirmative vote. 18991

(b) A resolution specifying that the tax is to be used 18992
exclusively for the purpose set forth in division (A)(3) of this 18993
section that is adopted as an emergency measure shall become 18994
effective as provided in division (A) of this section, but may 18995
direct the board of elections to submit the question of repealing 18996
the tax or increase in the rate of the tax to the electors of the 18997

county at the next general election in the county occurring not 18998
less than ~~seventy-five~~ ninety days after the resolution is 18999
certified to the board of elections. Upon certification of the 19000
resolution to the board of elections, the board of county 19001
commissioners shall notify the tax commissioner in writing of the 19002
levy question to be submitted to the electors. The ballot question 19003
shall be the same as that prescribed in section 5739.022 of the 19004
Revised Code. The board of elections shall notify the board of 19005
county commissioners and the tax commissioner of the result of the 19006
election immediately after the result has been declared. If a 19007
majority of the qualified electors voting on the question of 19008
repealing the tax or increase in the rate of the tax vote for 19009
repeal of the tax or repeal of the increase, the board of county 19010
commissioners, on the first day of a calendar quarter following 19011
the expiration of sixty-five days after the date the board and tax 19012
commissioner received notice of the result of the election, shall, 19013
in the case of a repeal of the tax, cease to levy the tax, or, in 19014
the case of a repeal of an increase in the rate of the tax, cease 19015
to levy the increased rate and levy the tax at the rate at which 19016
it was imposed immediately prior to the increase in rate. 19017

(c) A board of county commissioners, by resolution, may 19018
reduce the rate of a tax levied exclusively for the purpose set 19019
forth in division (A)(3) of this section to a lower rate 19020
authorized by this section. Any such reduction shall be made 19021
effective on the first day of the calendar quarter next following 19022
the sixty-fifth day after the tax commissioner receives a 19023
certified copy of the resolution from the board. 19024

(E) If a vendor that is registered with the central 19025
electronic registration system provided for in section 5740.05 of 19026
the Revised Code makes a sale in this state by printed catalog and 19027
the consumer computed the tax on the sale based on local rates 19028
published in the catalog, any tax levied or repealed or rate 19029

changed under this section shall not apply to such a sale until 19030
the first day of a calendar quarter following the expiration of 19031
one hundred twenty days from the date of notice by the tax 19032
commissioner pursuant to division (G) of this section. 19033

(F) The tax levied pursuant to this section shall be in 19034
addition to the tax levied by section 5739.02 of the Revised Code 19035
and any tax levied pursuant to section 5739.021 or 5739.023 of the 19036
Revised Code. 19037

A county that levies a tax pursuant to this section shall 19038
levy a tax at the same rate pursuant to section 5741.023 of the 19039
Revised Code. 19040

The additional tax levied by the county shall be collected 19041
pursuant to section 5739.025 of the Revised Code. 19042

Any tax levied pursuant to this section is subject to the 19043
exemptions provided in section 5739.02 of the Revised Code and in 19044
addition shall not be applicable to sales not within the taxing 19045
power of a county under the Constitution of the United States or 19046
the Ohio Constitution. 19047

(G) Upon receipt from a board of county commissioners of a 19048
certified copy of a resolution required by division (A) of this 19049
section, or from the board of elections a notice of the results of 19050
an election required by division (D)(1), (2)(a), (b), or (c) of 19051
this section, the tax commissioner shall provide notice of a tax 19052
rate change in a manner that is reasonably accessible to all 19053
affected vendors. The commissioner shall provide this notice at 19054
least sixty days prior to the effective date of the rate change. 19055
The commissioner, by rule, may establish the method by which 19056
notice will be provided. 19057

Only one sale of the same article shall be used in computing the amount of tax due. The tax may be levied for any number of years not exceeding ten years.

The tax shall be levied pursuant to a resolution of the board of county commissioners approved by a majority of the electors in the county voting on the question of levying the tax. The resolution shall specify the rate of the tax, the number of years the tax will be levied, and the purposes for which the tax is levied. The election may be held on the date of a general, primary, or special election held not sooner than ~~seventy-five~~ ninety days after the date the board certifies its resolution to the board of elections. If approved by the electors, the tax shall take effect on the first day of the month specified in the resolution but not sooner than the first day of the month that is at least sixty days after the certification of the election results by the board of elections. A copy of the resolution levying the tax shall be certified to the tax commissioner at least sixty days prior to the date on which the tax is to become

On or before the second working day of each month, the 19121

the county to hold the election on the question of levying the 19134
tax, or for such purposes and to provide revenues to the county 19135

A resolution under this section may be joined on the ballot as a single question with a resolution adopted under section 307.697 or 4301.421 of the Revised Code to levy a tax for the same purposes and for the purpose of paying the expenses of administering the tax. The form of the ballot in an election held pursuant to this section shall be as prescribed in section 307.697 of the Revised Code.

(B) The treasurer of state shall credit all moneys arising from each county's taxes levied under this section and section 5743.323 of the Revised Code as follows:

(1) To the tax refund fund created by section 5703.052 of the Revised Code, amounts equal to the refunds from each tax levied under this section certified by the tax commissioner pursuant to section 5743.05 of the Revised Code;

(2) Following the crediting of amounts pursuant to division (B)(1) of this section:

(b) To the local excise tax administrative fund, which is hereby created in the state treasury, an amount equal to two per cent of such remainder, for use by the tax commissioner in defraying costs incurred in administering the tax.

On or before the second working day of each month, the treasurer of state shall certify to the tax commissioner the amount of each county's taxes levied under sections 5743.024 and

5743.323 of the Revised Code and paid to the treasurer of state 19184
during the preceding month. 19185

On or before the tenth day of each month, the tax 19186
commissioner shall distribute the amount credited to the 19187
permissive tax distribution fund during the preceding month by 19188
providing for payment of the appropriate amount to the county 19189
treasurer of each county levying the tax. 19190

(C) The board of county commissioners of a county in which a 19191
tax is imposed under this section on July 19, 1995, may levy a tax 19192
for the purpose of section 307.673 of the Revised Code regardless 19193
of whether or not the cooperative agreement authorized under that 19194
section has been entered into prior to the day the resolution 19195
adopted under division (C)(1) or (2) of this section is adopted, 19196
and for the purpose of reimbursing a county for costs incurred in 19197
the construction of a sports facility pursuant to an agreement 19198
entered into by the county under section 307.696 of the Revised 19199
Code. The tax shall be levied and approved in one of the manners 19200
prescribed by division (C)(1) or (2) of this section. 19201

(1) The tax may be levied pursuant to a resolution adopted by 19202
a majority of the members of the board of county commissioners not 19203
later than forty-five days after July 19, 1995. A board of county 19204
commissioners approving a tax under division (C)(1) of this 19205

or division (B)(1) of section 4301.421 of the Revised Code at the 19207
same time. Subject to the resolution being submitted to a 19208
referendum under sections 305.31 to 305.41 of the Revised Code, 19209
the resolution shall take effect immediately, but the tax levied 19210
pursuant to the resolution shall not be levied prior to the day 19211
following the last day taxes levied pursuant to division (A) of 19212
this section may be levied. 19213

(2) The tax may be levied pursuant to a resolution adopted by 19214
a majority of the members of the board of county commissioners not 19215

later than forty-five days after July 19, 1995, and approved by a 19216
majority of the electors of the county voting on the question of 19217
levying the tax at the next succeeding general election following 19218
July 19, 1995. The board of county commissioners shall certify a 19219
copy of the resolution to the board of elections immediately upon 19220
adopting a resolution under division (C)(2) of this section, and 19221
the board of elections shall place the question of levying the tax 19222
on the ballot at that election. The form of the ballot shall be as 19223
prescribed by division (C) of section 307.697 of the Revised Code, 19224
except that the phrase "paying not more than one-half of the costs 19225
of providing a sports facility together with related redevelopment 19226
and economic development projects" shall be replaced by the phrase 19227
"paying the costs of constructing or renovating a sports facility 19228
and reimbursing a county for costs incurred by the county in the 19229
construction of a sports facility," and the phrase ", beginning 19230
..... (here insert the earliest date the tax would take 19231
effect)" shall be appended after "years." A board of county 19232
commissioners submitting the question of a tax under division 19233
(C)(2) of this section may submit the question of a tax under 19234
division (D)(2) of section 307.697 or division (B)(2) of section 19235
4301.421 of the Revised Code as a single question, and the form of 19236
the ballot shall include each of the proposed taxes. 19237

If approved by a majority of electors voting on the question, 19238
the tax shall take effect on the day specified on the ballot, 19239
which shall not be earlier than the day following the last day the 19240
tax levied pursuant to division (A) of this section may be levied. 19241

The rate of a tax levied pursuant to division (C)(1) or (2) 19242
of this section shall not exceed the rate specified in division 19243
(A) of this section. A tax levied pursuant to division (C)(1) or 19244
(2) of this section may be levied for any number of years not 19245
exceeding twenty. 19246

A board of county commissioners adopting a resolution under 19247

this division shall certify a copy of the resolution to the tax commissioner immediately upon adoption of the resolution.

(E) No tax shall be levied under this section on or after ~~the effective date of the amendment of this section by H.B. 562 of the 127th general assembly~~ September 23, 2008. This division does not prevent the collection of any tax levied under this section before that date so long as that tax remains effective.

Sec. 5743.026. For the purposes of section 351.26 of the Revised Code, to pay the expenses of administering the tax, and to pay any or all of the charge the board of elections makes against the county to hold the election on the question of levying the tax, the board of county commissioners, in the manner prescribed by division (A) of section 351.26 of the Revised Code, may levy a tax on sales of cigarettes sold for resale at retail in the county. The rate of the tax shall not exceed two and twenty-five hundredths mills per cigarette, and shall be computed on each cigarette sold. The tax may be levied for any number of years not to exceed twenty. Only one sale of the same article shall be used in computing the amount of tax due.

The tax shall be levied pursuant to a resolution of the board of county commissioners adopted as prescribed by division (A) of section 351.26 of the Revised Code and approved by a majority of the electors in the county voting on the question of levying the tax. The resolution shall specify the rate of the tax, the number of years the tax will be levied, and the purposes for which the tax is levied. Such election may be held on the date of a general or special election held not sooner than ~~seventy-five~~ ninety days after the date the board certifies its resolution to the board of elections. If approved by voters, the tax shall take effect on the first day of the month specified in the resolution but not sooner than the first day of the month that is at least sixty days after

the certification of the election results by the board of 19279
elections. A copy of the resolution levying the tax shall be 19280
certified to the tax commissioner at least sixty days prior to the 19281
date on which the tax is to become effective. 19282

A resolution under this section may be joined on the ballot 19283
as a single question with a resolution adopted under section 19284
4301.424 of the Revised Code to levy a tax for the same purposes 19285
and for the purpose of paying the expenses of administering the 19286
tax. The form of the ballot in an election held pursuant to this 19287
section shall be as prescribed in section 351.26 of the Revised 19288
Code. 19289

The treasurer of state shall credit all moneys arising from 19290
each tax levied under this section and section 5743.324 of the 19291
Revised Code in the same manner prescribed by section 5743.024 of 19292
the Revised Code for the crediting of money arising from taxes 19293
levied under that section, except that the tax commissioner shall 19294
distribute the amount credited to the permissive tax distribution 19295
fund by providing for payment of the appropriate amount to the 19296
county treasurer of the county in which the tax is levied, who 19297
shall credit the payment to the fund or account designated by the 19298
board of directors of the convention facilities authority levying 19299
the tax. 19300

Sec. 5748.02. (A) The board of education of any school 19301
district, except a joint vocational school district, may declare, 19302
by resolution, the necessity of raising annually a specified 19303
amount of money for school district purposes. The resolution shall 19304
specify whether the income that is to be subject to the tax is 19305
taxable income of individuals and estates as defined in divisions 19306
(E)(1)(a) and (2) of section 5748.01 of the Revised Code or 19307
taxable income of individuals as defined in division (E)(1)(b) of 19308
that section. A copy of the resolution shall be certified to the 19309

tax commissioner no later than ~~eighty-five~~ one hundred days prior 19310
to the date of the election at which the board intends to propose 19311
a levy under this section. Upon receipt of the copy of the 19312
resolution, the tax commissioner shall estimate both of the 19313
following: 19314

(1) The property tax rate that would have to be imposed in 19315
the current year by the district to produce an equivalent amount 19316
of money; 19317

(2) The income tax rate that would have had to have been in 19318
effect for the current year to produce an equivalent amount of 19319
money from a school district income tax. 19320

Within ten days of receiving the copy of the board's 19321
resolution, the commissioner shall prepare these estimates and 19322
certify them to the board. Upon receipt of the certification, the 19323
board may adopt a resolution proposing an income tax under 19324
division (B) of this section at the estimated rate contained in 19325
the certification rounded to the nearest one-fourth of one per 19326
cent. The commissioner's certification applies only to the board's 19327
proposal to levy an income tax at the election for which the board 19328
requested the certification. If the board intends to submit a 19329
proposal to levy an income tax at any other election, it shall 19330
request another certification for that election in the manner 19331
prescribed in this division. 19332

(B)(1) Upon the receipt of a certification from the tax 19333
commissioner under division (A) of this section, a majority of the 19334
members of a board of education may adopt a resolution proposing 19335
the levy of an annual tax for school district purposes on school 19336
district income. The proposed levy may be for a continuing period 19337
of time or for a specified number of years. The resolution shall 19338
set forth the purpose for which the tax is to be imposed, the rate 19339
of the tax, which shall be the rate set forth in the 19340
commissioner's certification rounded to the nearest one-fourth of 19341

one per cent, the number of years the tax will be levied or that 19342
it will be levied for a continuing period of time, the date on 19343
which the tax shall take effect, which shall be the first day of 19344
January of any year following the year in which the question is 19345
submitted, and the date of the election at which the proposal 19346
shall be submitted to the electors of the district, which shall be 19347
on the date of a primary, general, or special election the date of 19348
which is consistent with section 3501.01 of the Revised Code. The 19349
resolution shall specify whether the income that is to be subject 19350
to the tax is taxable income of individuals and estates as defined 19351
in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised 19352
Code or taxable income of individuals as defined in division 19353
(E)(1)(b) of that section. The specification shall be the same as 19354
the specification in the resolution adopted and certified under 19355
division (A) of this section. 19356

If the tax is to be levied for current expenses and permanent 19357
improvements, the resolution shall apportion the annual rate of 19358
the tax. The apportionment may be the same or different for each 19359
year the tax is levied, but the respective portions of the rate 19360
actually levied each year for current expenses and for permanent 19361
improvements shall be limited by the apportionment. 19362

If the board of education currently imposes an income tax 19363
pursuant to this chapter that is due to expire and a question is 19364
submitted under this section for a proposed income tax to take 19365
effect upon the expiration of the existing tax, the board may 19366
specify in the resolution that the proposed tax renews the 19367
expiring tax. Two or more expiring income taxes may be renewed 19368
under this paragraph if the taxes are due to expire on the same 19369
date. If the tax rate being proposed is no higher than the total 19370
tax rate imposed by the expiring tax or taxes, the resolution may 19371
state that the proposed tax is not an additional income tax. 19372

(2) A board of education adopting a resolution under division 19373

(B)(1) of this section proposing a school district income tax for 19374
a continuing period of time and limited to the purpose of current 19375
expenses may propose in that resolution to reduce the rate or 19376
rates of one or more of the school district's property taxes 19377
levied for a continuing period of time in excess of the ten-mill 19378
limitation for the purpose of current expenses. The reduction in 19379
the rate of a property tax may be any amount, expressed in mills 19380
per one dollar in valuation, not exceeding the rate at which the 19381
tax is authorized to be levied. The reduction in the rate of a tax 19382
shall first take effect for the tax year that includes the day on 19383
which the school district income tax first takes effect, and shall 19384
continue for each tax year that both the school district income 19385
tax and the property tax levy are in effect. 19386

In addition to the matters required to be set forth in the 19387
resolution under division (B)(1) of this section, a resolution 19388
containing a proposal to reduce the rate of one or more property 19389
taxes shall state for each such tax the maximum rate at which it 19390
currently may be levied and the maximum rate at which the tax 19391
could be levied after the proposed reduction, expressed in mills 19392
per one dollar in valuation, and that the tax is levied for a 19393
continuing period of time. 19394

If a board of education proposes to reduce the rate of one or 19395
more property taxes under division (B)(2) of this section, the 19396
board, when it makes the certification required under division (A) 19397
of this section, shall designate the specific levy or levies to be 19398
reduced, the maximum rate at which each levy currently is 19399
authorized to be levied, and the rate by which each levy is 19400
proposed to be reduced. The tax commissioner, when making the 19401
certification to the board under division (A) of this section, 19402
also shall certify the reduction in the total effective tax rate 19403
for current expenses for each class of property that would have 19404
resulted if the proposed reduction in the rate or rates had been 19405

in effect the previous tax year. As used in this paragraph, 19406
"effective tax rate" has the same meaning as in section 323.08 of 19407
the Revised Code. 19408

(C) A resolution adopted under division (B) of this section 19409
shall go into immediate effect upon its passage, and no 19410
publication of the resolution shall be necessary other than that 19411
provided for in the notice of election. Immediately after its 19412
adoption and at least ~~seventy five~~ ninety days prior to the 19413
election at which the question will appear on the ballot, a copy 19414
of the resolution shall be certified to the board of elections of 19415
the proper county, which shall submit the proposal to the electors 19416
on the date specified in the resolution. The form of the ballot 19417
shall be as provided in section 5748.03 of the Revised Code. 19418
Publication of notice of the election shall be made in one or more 19419
newspapers of general circulation in the county once a week for 19420
two consecutive weeks prior to the election, and, if the board of 19421
elections operates and maintains a web site, the board of 19422
elections shall post notice of the election on its web site for 19423
thirty days prior to the election. The notice shall contain the 19424
time and place of the election and the question to be submitted to 19425
the electors. The question covered by the resolution shall be 19426
submitted as a separate proposition, but may be printed on the 19427
same ballot with any other proposition submitted at the same 19428
election, other than the election of officers. 19429

(D) No board of education shall submit the question of a tax 19430
on school district income to the electors of the district more 19431
than twice in any calendar year. If a board submits the question 19432
twice in any calendar year, one of the elections on the question 19433
shall be held on the date of the general election. 19434

(E)(1) No board of education may submit to the electors of 19435
the district the question of a tax on school district income on 19436
the taxable income of individuals as defined in division (E)(1)(b) 19437

of section 5748.01 of the Revised Code if that tax would be in 19438
addition to an existing tax on the taxable income of individuals 19439
and estates as defined in divisions (E)(1)(a) and (2) of that 19440
section. 19441

(2) No board of education may submit to the electors of the 19442
district the question of a tax on school district income on the 19443
taxable income of individuals and estates as defined in divisions 19444
(E)(1)(a) and (2) of section 5748.01 of the Revised Code if that 19445
tax would be in addition to an existing tax on the taxable income 19446
of individuals as defined in division (E)(1)(b) of that section. 19447

Sec. 5748.04. (A) The question of the repeal of a school 19448
district income tax levied for more than five years may be 19449
initiated not more than once in any five-year period by filing 19450
with the board of elections of the appropriate counties not later 19451
than ~~seventy-five~~ ninety days before the general election in any 19452
year after the year in which it is approved by the electors a 19453
petition requesting that an election be held on the question. The 19454
petition shall be signed by qualified electors residing in the 19455
school district levying the income tax equal in number to ten per 19456
cent of those voting for governor at the most recent gubernatorial 19457
election. 19458

The board of elections shall determine whether the petition 19459
is valid, and if it so determines, it shall submit the question to 19460
the electors of the district at the next general election. The 19461
election shall be conducted, canvassed, and certified in the same 19462
manner as regular elections for county offices in the county. 19463
Notice of the election shall be published in a newspaper of 19464
general circulation in the district once a week for two 19465
consecutive weeks prior to the election, and, if the board of 19466
elections operates and maintains a web site, the board of 19467
elections shall post notice of the election on its web site for 19468

thirty days prior to the election. The notice shall state the purpose, time, and place of the election. The form of the ballot cast at the election shall be as follows:

"Shall the annual income tax of per cent, currently levied on the school district income of individuals and estates by (state the name of the school district) for the purpose of (state purpose of the tax), be repealed?"

	For repeal of the income tax
	Against repeal of the income tax

"

(B)(1) If the tax is imposed on taxable income as defined in division (E)(1)(b) of section 5748.01 of the Revised Code, the form of the ballot shall be modified by stating that the tax currently is levied on the "earned income of individuals residing in the school district" in lieu of the "school district income of individuals and estates."

(2) If the rate of one or more property tax levies was reduced for the duration of the income tax levy pursuant to division (B)(2) of section 5748.02 of the Revised Code, the form of the ballot shall be modified by adding the following language immediately after "repealed": ", and shall the rate of an existing tax on property for the purpose of current expenses, which rate was reduced for the duration of the income tax, be INCREASED from mills to mills per one dollar of valuation beginning in (state the first year for which the rate of the property tax will increase)." In lieu of "for repeal of the income tax" and "against repeal of the income tax," the phrases "for the issue" and "against the issue," respectively, shall be substituted.

(3) If the rate of more than one property tax was reduced for the duration of the income tax, the ballot language shall be

modified accordingly to express the rates at which those taxes 19500
currently are levied and the rates to which the taxes would be 19501
increased. 19502

(C) The question covered by the petition shall be submitted 19503
as a separate proposition, but it may be printed on the same 19504
ballot with any other proposition submitted at the same election 19505
other than the election of officers. If a majority of the 19506
qualified electors voting on the question vote in favor of it, the 19507
result shall be certified immediately after the canvass by the 19508
board of elections to the board of education of the school 19509
district and the tax commissioner, who shall thereupon, after the 19510
current year, cease to levy the tax, except that if notes have 19511
been issued pursuant to section 5748.05 of the Revised Code the 19512
tax commissioner shall continue to levy and collect under 19513
authority of the election authorizing the levy an annual amount, 19514
rounded upward to the nearest one-fourth of one per cent, as will 19515
be sufficient to pay the debt charges on the notes as they fall 19516
due. 19517

(D) If a school district income tax repealed pursuant to this 19518
section was approved in conjunction with a reduction in the rate 19519
of one or more school district property taxes as provided in 19520
division (B)(2) of section 5748.02 of the Revised Code, then each 19521
such property tax may be levied after the current year at the rate 19522
at which it could be levied prior to the reduction, subject to any 19523
adjustments required by the county budget commission pursuant to 19524
Chapter 5705. of the Revised Code. Upon the repeal of a school 19525
district income tax under this section, the board of education may 19526
resume levying a property tax, the rate of which has been reduced 19527
pursuant to a question approved under section 5748.02 of the 19528
Revised Code, at the rate the board originally was authorized to 19529
levy the tax. A reduction in the rate of a property tax under 19530
section 5748.02 of the Revised Code is a reduction in the rate at 19531

which a board of education may levy that tax only for the period 19532
during which a school district income tax is levied prior to any 19533
repeal pursuant to this section. The resumption of the authority 19534
to levy the tax upon such a repeal does not constitute a tax 19535
levied in excess of the one per cent limitation prescribed by 19536
Section 2 of Article XII, Ohio Constitution, or in excess of the 19537
ten-mill limitation. 19538

(E) This section does not apply to school district income tax 19539
levies that are levied for five or fewer years. 19540
