The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.

SECTION 5. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is that state and local law enforcement agencies need, without delay, the additional tools made available by this act to combat the production, use, and distribution of methamphetamine and

certain synthetic drugs that are increasingly being abused and result in serious health outcomes. Therefore, this act shall go into immediate effect.
