BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 2950.02, 2950.034, and 2950.04 of18the Revised Code be amended to read as follows:19

Sec. 2950.02. (A) The general assembly hereby determines and 20 declares that it recognizes and finds all of the following: 21 (1) If the public is provided adequate notice and information 2.2 about offenders and delinquent children who commit sexually 23 oriented offenses or who commit child-victim oriented offenses, 24 members of the public and communities can develop constructive 25 plans to prepare themselves and their children for the offender's 26 or delinquent child's release from imprisonment, a prison term, or 27 other confinement or detention. This allows members of the public 28 and communities to meet with members of law enforcement agencies 29 to prepare and obtain information about the rights and 30 responsibilities of the public and the communities and to provide 31 education and counseling to their children. 32 33

(2) Sex offenders and child-victim offenders pose a risk of
engaging in further sexually abusive behavior even after being
released from imprisonment, a prison term, or other confinement or
detention, and protection of members of the public from sex
offenders and child-victim offenders is a paramount governmental
37
interest.

(3) The penal, juvenile, and mental health components of the
justice system of this state are largely hidden from public view,
and a lack of information from any component may result in the
failure of the system to satisfy this paramount governmental
42
interest of public safety described in division (A)(2) of this
43
section.

(4) Overly restrictive confidentiality and liability laws
governing the release of information about sex offenders and
child-victim offenders have reduced the willingness to release
47
information that could be appropriately released under the public
48
disclosure laws and have increased risks of public safety.

(5) A person who is found to be a sex offender or a 50

child-victim offender has a reduced expectation of privacy because 51 of the public's interest in public safety and in the effective 52 operation of government. 53

(6) The release of information about sex offenders and child-victim offenders to public agencies and the general public will further the governmental interests of public safety and public scrutiny of the criminal, juvenile, and mental health systems as long as the information released is rationally related to the furtherance of those goals.

(B) The general assembly hereby declares that, in providing 60 in this chapter for registration regarding offenders and certain 61 delinquent children who have committed sexually oriented offenses 62 or who have committed child-victim oriented offenses, for a 63 limited restriction on the locales at which offenders who have 64 committed any such offenses may reside, and for community 65 notification regarding tier III sex offenders/child-victim 66 offenders who are criminal offenders, public registry-qualified 67 juvenile offender registrants, and certain other juvenile offender 68 registrants who are about to be or have been released from 69 imprisonment, a prison term, or other confinement or detention and 70 who will live in or near a particular neighborhood or who 71 otherwise will live in or near a particular neighborhood, it is 72 the general assembly's intent to protect the safety and general 73 welfare of the people of this state. The general assembly further 74 declares that it is the policy of this state to require the 75 exchange in accordance with this chapter of relevant information 76 about sex offenders and child-victim offenders among public 77 agencies and officials and, to authorize the release in accordance 78 with this chapter of necessary and relevant information about sex 79 offenders and child-victim offenders to members of the general 80 public as a means of assuring public protection, and to provide a 81 limited residency restriction and other safequards under this 82
