To amend sections 1753.07, 1753.09, 3901.21, 3963.01, 3963.02, and 3963.03 of the Revised Code to prohibit a health insurer from establishing a fee schedule for dental providers for services that are not covered by any contract or participating provider agreement between the health insurer and the dental provider.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 1753.07, 1753.09, 3901.21, 3963.01, 3963.02, and 3963.03 of the Revised Code be amended to read as follows:

Sec. 1753.07. (A)(1) Prior to entering into a participation contract with a provider under section 1751.13 of the Revised Code, a health insuring corporation shall disclose basic information regarding its programs and procedures to the provider. The information shall include all of the following:

(a) How a participating provider is reimbursed for the participating provider's services, including the range and structure of any financial risk sharing arrangements, a

description of any incentive plans, and, if reimbursed according to a type of fee-for-service arrangement, the level of reimbursement for the participating provider's services;

(b) Insofar as division (A)(1) of section 3963.03 of the Revised Code is applicable, all of the information that is described in that division and is not included in division (A)(1)(a) of this section.

(2) Prior to entering into a participation contract with a provider under section 1751.13 of the Revised Code, a health insuring corporation shall disclose the following information upon the provider's request:

(a) How referrals to other participating providers or to nonparticipating providers are made;

(b) The availability of dispute resolution procedures and the potential for cost to be incurred;

(c) How a participating provider's name and address will be used in marketing materials.

(B) A health insuring corporation shall provide all of the following to a participating provider:

(1) Any material incorporated by reference into the participation contract, that is not otherwise available as a public record, if such material affects the participating provider;

(2) Administrative manuals related to provider participation, if any;

(3) Insofar as division (B) of section 3963.03 of the Revised Code is applicable, the summary disclosure form with the disclosures required under that division;

(4) A signed and dated copy of the final participation contract.

(C) ~~Nothing~~ Except as otherwise provided in division (E) of section 3963.02 of the Revised Code, nothing in this section requires a health insuring corporation providing specialty health care services or supplemental health care services to disclose the health insuring corporation's aggregate maximum allowable fee table used to determine providers' fees or fee schedules.

Sec. 1753.09. (A) Except as provided in division (D) of this section, prior to terminating the participation of a provider on the basis of the participating provider's failure to meet the health insuring corporation's standards for quality or utilization in the delivery of health care services, a health insuring corporation shall give the participating provider notice of the reason or reasons for its decision to terminate the provider's participation and an opportunity to take corrective action. The health insuring corporation shall develop a performance improvement plan in conjunction with the participating provider. If after being afforded the opportunity to comply with the performance improvement plan, the participating provider fails to do so, the health insuring corporation may terminate the participation of the provider.

(B)(1) A participating provider whose participation has been terminated under division (A) of this section may appeal the termination to the appropriate medical director of the health insuring corporation. The medical director shall give the participating provider an opportunity to discuss with the medical director the reason or reasons for the termination.

(2) If a satisfactory resolution of a participating provider's appeal cannot be reached under division (B)(1) of this section, the participating provider may appeal the termination to a panel composed of participating providers who have comparable or higher levels of education and training than the participating

provider making the appeal. A representative of the participating provider's specialty shall be a member of the panel, if possible. This panel shall hold a hearing, and shall render its recommendation in the appeal within thirty days after holding the hearing. The recommendation shall be presented to the medical director and to the participating provider.

(3) The medical director shall review and consider the panel's recommendation before making a decision. The decision rendered by the medical director shall be final.

(C) A provider's status as a participating provider shall remain in effect during the appeal process set forth in division (B) of this section unless the termination was based on any of the reasons listed in division (D) of this section.

(D) Notwithstanding division (A) of this section, a provider's participation may be immediately terminated if the participating provider's conduct presents an imminent risk of harm to an enrollee or enrollees; or if there has occurred unacceptable quality of care, fraud, patient abuse, loss of clinical privileges, loss of professional liability coverage, incompetence, or loss of authority to practice in the participating provider's field; or if a governmental action has impaired the participating provider's ability to practice.

(E) Divisions (A) to (D) of this section apply only to providers who are natural persons.

(F)(1) Nothing in this section prohibits a health insuring corporation from rejecting a provider's application for participation, or from terminating a participating provider's contract, if the health insuring corporation determines that the health care needs of its enrollees are being met and no need exists for the provider's or participating provider's services.

(2) Nothing in this section shall be construed as prohibiting

a health insuring corporation from terminating a participating provider who does not meet the terms and conditions of the participating provider's contract.

(3) Nothing in this section shall be construed as prohibiting a health insuring corporation from terminating a participating provider's contract pursuant to any provision of the contract described in division ~~(E)~~ (F)(2) of section 3963.02 of the Revised Code, except that, notwithstanding any provision of a contract described in that division, this section applies to the termination of a participating provider's contract for any of the causes described in divisions (A), (D), and (F)(1) and (2) of this section.

(G) The superintendent of insurance may adopt rules as necessary to implement and enforce sections 1753.06, 1753.07, and 1753.09 of the Revised Code. Such rules shall be adopted in accordance with Chapter 119. of the Revised Code.

Sec. 3901.21. The following are hereby defined as unfair and deceptive acts or practices in the business of insurance:

(A) Making, issuing, circulating, or causing or permitting to be made, issued, or circulated, or preparing with intent to so use, any estimate, illustration, circular, or statement misrepresenting the terms of any policy issued or to be issued or the benefits or advantages promised thereby or the dividends or share of the surplus to be received thereon, or making any false or misleading statements as to the dividends or share of surplus previously paid on similar policies, or making any misleading representation or any misrepresentation as to the financial condition of any insurer as shown by the last preceding verified statement made by it to the insurance department of this state, or as to the legal reserve system upon which any life insurer operates, or using any name or title of any policy or class of

policies misrepresenting the true nature thereof, or making any misrepresentation or incomplete comparison to any person for the purpose of inducing or tending to induce such person to purchase, amend, lapse, forfeit, change, or surrender insurance.

Any written statement concerning the premiums for a policy which refers to the net cost after credit for an assumed dividend, without an accurate written statement of the gross premiums, cash values, and dividends based on the insurer's current dividend scale, which are used to compute the net cost for such policy, and a prominent warning that the rate of dividend is not guaranteed, is a misrepresentation for the purposes of this division.

(B) Making, publishing, disseminating, circulating, or placing before the public or causing, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio station, or in any other way, or preparing with intent to so use, an advertisement, announcement, or statement containing any assertion, representation, or statement, with respect to the business of insurance or with respect to any person in the conduct of the person's insurance business, which is untrue, deceptive, or misleading.

(C) Making, publishing, disseminating, or circulating, directly or indirectly, or aiding, abetting, or encouraging the making, publishing, disseminating, or circulating, or preparing with intent to so use, any statement, pamphlet, circular, article, or literature, which is false as to the financial condition of an insurer and which is calculated to injure any person engaged in the business of insurance.

(D) Filing with any supervisory or other public official, or making, publishing, disseminating, circulating, or delivering to any person, or placing before the public, or causing directly or

indirectly to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false statement of financial condition of an insurer.

Making any false entry in any book, report, or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to whom such insurer is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omitting to make a true entry of any material fact pertaining to the business of such insurer in any book, report, or statement of such insurer, or mutilating, destroying, suppressing, withholding, or concealing any of its records.

(E) Issuing or delivering or permitting agents, officers, or employees to issue or deliver agency company stock or other capital stock or benefit certificates or shares in any common-law corporation or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance.

(F) Making or permitting any unfair discrimination among individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(G)(1) Except as otherwise expressly provided by law, knowingly permitting or offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the contract issued thereon, or paying or allowing, or giving or offering to pay, allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the

dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, or selling, or purchasing, or offering to give, sell, or purchase, as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities, or other obligations of any insurance company or other corporation, association, or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(2) Nothing in division (F) or division (G)(1) of this section shall be construed as prohibiting any of the following practices: (a) in the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, provided that any such bonuses or abatement of premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders; (b) in the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expenses; (c) readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.

(H) Making, issuing, circulating, or causing or permitting to be made, issued, or circulated, or preparing with intent to so use, any statement to the effect that a policy of life insurance is, is the equivalent of, or represents shares of capital stock or any rights or options to subscribe for or otherwise acquire any such shares in the life insurance company issuing that policy or

any other company.

(I) Making, issuing, circulating, or causing or permitting to be made, issued or circulated, or preparing with intent to so issue, any statement to the effect that payments to a policyholder of the principal amounts of a pure endowment are other than payments of a specific benefit for which specific premiums have been paid.

(J) Making, issuing, circulating, or causing or permitting to be made, issued, or circulated, or preparing with intent to so use, any statement to the effect that any insurance company was required to change a policy form or related material to comply with Title XXXIX of the Revised Code or any regulation of the superintendent of insurance, for the purpose of inducing or intending to induce any policyholder or prospective policyholder to purchase, amend, lapse, forfeit, change, or surrender insurance.

(K) Aiding or abetting another to violate this section.

(L) Refusing to issue any policy of insurance, or canceling or declining to renew such policy because of the sex or marital status of the applicant, prospective insured, insured, or policyholder.

(M) Making or permitting any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees, or rates charged for any policy or contract of insurance, other than life insurance, or in the benefits payable thereunder, or in underwriting standards and practices or eligibility requirements, or in any of the terms or conditions of such contract, or in any other manner whatever.

(N) Refusing to make available disability income insurance solely because the applicant's principal occupation is that of managing a household.

(O) Refusing, when offering maternity benefits under any individual or group sickness and accident insurance policy, to make maternity benefits available to the policyholder for the individual or individuals to be covered under any comparable policy to be issued for delivery in this state, including family members if the policy otherwise provides coverage for family members. Nothing in this division shall be construed to prohibit an insurer from imposing a reasonable waiting period for such benefits under an individual sickness and accident insurance policy issued to an individual who is not a federally eligible individual or a nonemployer-related group sickness and accident insurance policy, but in no event shall such waiting period exceed two hundred seventy days.

For purposes of division (O) of this section, "federally eligible individual" means an eligible individual as defined in 45 C.F.R. 148.103.

(P) Using, or permitting to be used, a pattern settlement as the basis of any offer of settlement. As used in this division, "pattern settlement" means a method by which liability is routinely imputed to a claimant without an investigation of the particular occurrence upon which the claim is based and by using a predetermined formula for the assignment of liability arising out of occurrences of a similar nature. Nothing in this division shall be construed to prohibit an insurer from determining a claimant's liability by applying formulas or guidelines to the facts and circumstances disclosed by the insurer's investigation of the particular occurrence upon which a claim is based.

(Q) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent, or kind of life or sickness and accident insurance or annuity coverage available to an individual, or charging an individual a different rate for the same coverage solely because of blindness or partial blindness. With respect to

all other conditions, including the underlying cause of blindness or partial blindness, persons who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated actuarial experience as are sighted persons. Refusal to insure includes, but is not limited to, denial by an insurer of disability insurance coverage on the grounds that the policy defines "disability" as being presumed in the event that the eyesight of the insured is lost. However, an insurer may exclude from coverage disabilities consisting solely of blindness or partial blindness when such conditions existed at the time the policy was issued. To the extent that the provisions of this division may appear to conflict with any provision of section 3999.16 of the Revised Code, this division applies.

(R)(1) Directly or indirectly offering to sell, selling, or delivering, issuing for delivery, renewing, or using or otherwise marketing any policy of insurance or insurance product in connection with or in any way related to the grant of a student loan guaranteed in whole or in part by an agency or commission of this state or the United States, except insurance that is required under federal or state law as a condition for obtaining such a loan and the premium for which is included in the fees and charges applicable to the loan; or, in the case of an insurer or insurance agent, knowingly permitting any lender making such loans to engage in such acts or practices in connection with the insurer's or agent's insurance business.

(2) Except in the case of a violation of division (G) of this section, division (R)(1) of this section does not apply to either of the following:

(a) Acts or practices of an insurer, its agents, representatives, or employees in connection with the grant of a guaranteed student loan to its insured or the insured's spouse or

dependent children where such acts or practices take place more than ninety days after the effective date of the insurance;

(b) Acts or practices of an insurer, its agents, representatives, or employees in connection with the solicitation, processing, or issuance of an insurance policy or product covering the student loan borrower or the borrower's spouse or dependent children, where such acts or practices take place more than one hundred eighty days after the date on which the borrower is notified that the student loan was approved.

(S) Denying coverage, under any health insurance or health care policy, contract, or plan providing family coverage, to any natural or adopted child of the named insured or subscriber solely on the basis that the child does not reside in the household of the named insured or subscriber.

(T)(1) Using any underwriting standard or engaging in any other act or practice that, directly or indirectly, due solely to any health status-related factor in relation to one or more individuals, does either of the following:

(a) Terminates or fails to renew an existing individual policy, contract, or plan of health benefits, or a health benefit plan issued to an employer, for which an individual would otherwise be eligible;

(b) With respect to a health benefit plan issued to an employer, excludes or causes the exclusion of an individual from coverage under an existing employer-provided policy, contract, or plan of health benefits.

(V) Using any program, scheme, device, or other unfair act or practice that, directly or indirectly, causes or results in the placing of coverage for adverse risks with another carrier, as defined in section 3924.01 of the Revised Code.

(W) Failing to comply with section 3923.23, 3923.231, 3923.232, 3923.233, or 3923.234 of the Revised Code by engaging in any unfair, discriminatory reimbursement practice.

(X) Intentionally establishing an unfair premium for, or misrepresenting the cost of, any insurance policy financed under a premium finance agreement of an insurance premium finance company.

(Y)(1)(a) Limiting coverage under, refusing to issue, canceling, or refusing to renew, any individual policy or contract of life insurance, or limiting coverage under or refusing to issue any individual policy or contract of health insurance, for the

reason that the insured or applicant for insurance is or has been a victim of domestic violence;

(b) Adding a surcharge or rating factor to a premium of any individual policy or contract of life or health insurance for the reason that the insured or applicant for insurance is or has been a victim of domestic violence;

(2) Nothing in division (Y)(1) of this section shall be construed to prohibit an insurer from inquiring as to, or from underwriting or rating a risk on the basis of, a person's physical or mental condition, even if the condition has been caused by domestic violence, provided that all of the following apply:

(a) The insurer routinely considers the condition in underwriting or in rating risks, and does so in the same manner for a victim of domestic violence as for an insured or applicant who is not a victim of domestic violence;

(b) The insurer does not refuse to issue any policy or contract of life or health insurance or cancel or refuse to renew any policy or contract of life insurance, solely on the basis of the condition, except where such refusal to issue, cancellation, or refusal to renew is based on sound actuarial principles or is

related to actual or reasonably anticipated experience;

(c) The insurer does not consider a person's status as being or as having been a victim of domestic violence, in itself, to be a physical or mental condition;

(d) The underwriting or rating of a risk on the basis of the condition is not used to evade the intent of division (Y)(1) of this section, or of any other provision of the Revised Code.

(3)(a) Nothing in division (Y)(1) of this section shall be construed to prohibit an insurer from refusing to issue a policy or contract of life insurance insuring the life of a person who is or has been a victim of domestic violence if the person who committed the act of domestic violence is the applicant for the insurance or would be the owner of the insurance policy or contract.

(b) Nothing in division (Y)(2) of this section shall be construed to permit an insurer to cancel or refuse to renew any policy or contract of health insurance in violation of the "Health Insurance Portability and Accountability Act of 1996," 110 Stat. 1955, 42 U.S.C.A. 300gg-41(b), as amended, or in a manner that violates or is inconsistent with any provision of the Revised Code that implements the "Health Insurance Portability and Accountability Act of 1996."

(4) An insurer is immune from any civil or criminal liability that otherwise might be incurred or imposed as a result of any action taken by the insurer to comply with division (Y) of this section.

(Z) Disclosing a coroner's records by an insurer in violation of section 313.10 of the Revised Code.

Revised Code, based solely on the location of the residence of the insured.

The enumeration in sections 3901.19 to 3901.26 of the Revised Code of specific unfair or deceptive acts or practices in the business of insurance is not exclusive or restrictive or intended to limit the powers of the superintendent of insurance to adopt rules to implement this section, or to take action under other sections of the Revised Code.

This section does not prohibit the sale of shares of any investment company registered under the "Investment Company Act of 1940," 54 Stat. 789, 15 U.S.C.A. 80a-1, as amended, or any policies, annuities, or other contracts described in section 3907.15 of the Revised Code.

(b) The third party accessing the participating provider's services under the health care contract either is an affiliate or subsidiary of the contracting entity or is providing administrative services to, or receiving administrative services from, the contracting entity or an affiliate or subsidiary of the contracting entity.

(c) The health care contract specifically provides that it applies to network rental arrangements and states that one purpose of the contract is selling, renting, or giving the contracting entity's rights to the services of the participating provider,

including other preferred provider organizations, and the third party accessing the participating provider's services is any of the following:

(i) A payer or a third-party administrator or other entity responsible for administering claims on behalf of the payer;

(ii) A preferred provider organization or preferred provider network that receives access to the participating provider's services pursuant to an arrangement with the preferred provider organization or preferred provider network in a contract with the participating provider that is in compliance with division (A)(1)(c) of this section, and is required to comply with all of the terms, conditions, and affirmative obligations to which the originally contracted primary participating provider network is bound under its contract with the participating provider, including, but not limited to, obligations concerning patient steerage and the timeliness and manner of reimbursement.

(iii) An entity that is engaged in the business of providing electronic claims transport between the contracting entity and the payer or third-party administrator and complies with all of the applicable terms, conditions, and affirmative obligations of the contracting entity's contract with the participating provider including, but not limited to, obligations concerning patient steerage and the timeliness and manner of reimbursement.

(2) The contracting entity that sells, rents, or gives the contracting entity's rights to the participating provider's services pursuant to the contracting entity's health care contract with the participating provider as provided in division (A)(1) of this section shall do both of the following:

(a) Maintain a web page that contains a listing of third parties described in divisions (A)(1)(b) and (c) of this section with whom a contracting entity contracts for the purpose of

selling, renting, or giving the contracting entity's rights to the services of participating providers that is updated at least every six months and is accessible to all participating providers, or maintain a toll-free telephone number accessible to all participating providers by means of which participating providers may access the same listing of third parties;

(b) Require that the third party accessing the participating provider's services through the participating provider's health care contract is obligated to comply with all of the applicable terms and conditions of the contract, including, but not limited to, the products for which the participating provider has agreed to provide services, except that a payer receiving administrative services from the contracting entity or its affiliate shall be solely responsible for payment to the participating provider.

(3) Any information disclosed to a participating provider under this section shall be considered proprietary and shall not be distributed by the participating provider.

(4) Except as provided in division (A)(1) of this section, no entity shall sell, rent, or give a contracting entity's rights to the participating provider's services pursuant to a health care contract.

(B)(1) No contracting entity shall require, as a condition of contracting with the contracting entity, that a participating provider provide services for all of the products offered by the contracting entity.

(2) Division (B)(1) of this section shall not be construed to do any of the following:

(a) Prohibit any participating provider from voluntarily accepting an offer by a contracting entity to provide health care services under all of the contracting entity's products;

(b) Prohibit any contracting entity from offering any

financial incentive or other form of consideration specified in the health care contract for a participating provider to provide health care services under all of the contracting entity's products;

(c) Require any contracting entity to contract with a participating provider to provide health care services for less than all of the contracting entity's products if the contracting entity does not wish to do so.

(3)(a) Notwithstanding division (B)(2) of this section, no contracting entity shall require, as a condition of contracting with the contracting entity, that the participating provider accept any future product offering that the contracting entity makes.

(b) If a participating provider refuses to accept any future product offering that the contracting entity makes, the contracting entity may terminate the health care contract based on the participating provider's refusal upon written notice to the participating provider no sooner than one hundred eighty days after the refusal.

(4) Once the contracting entity and the participating provider have signed the health care contract, it is presumed that the financial incentive or other form of consideration that is specified in the health care contract pursuant to division (B)(2)(b) of this section is the financial incentive or other form of consideration that was offered by the contracting entity to induce the participating provider to enter into the contract.

(C) No contracting entity shall require, as a condition of contracting with the contracting entity, that a participating provider waive or forego any right or benefit expressly conferred upon a participating provider by state or federal law. However, this division does not prohibit a contracting entity from

restricting a participating provider's scope of practice for the services to be provided under the contract.

(D) No health care contract shall do any of the following:

(1) Prohibit any participating provider from entering into a health care contract with any other contracting entity;

(2) Prohibit any contracting entity from entering into a health care contract with any other provider;

(3) Preclude its use or disclosure for the purpose of enforcing this chapter or other state or federal law, except that a health care contract may require that appropriate measures be taken to preserve the confidentiality of any proprietary or trade-secret information.

(E)(1) No contracting entity shall require in any health care contract that covers any dental services, either directly or indirectly, that a participating provider who is a dentist provide services to an enrollee at a fee set by, or a fee subject to the approval of, the contracting entity unless the dental services are covered dental services.

(2) To the extent that the provisions in division (E)(1) of this section conflict with the provisions of the federal "Employee Retirement Income Security Act of 1974," 88 Stat. 832, 29 U.S.C. 1001, et seq., as amended, the federal law shall control.

(F)(1) In addition to any other lawful reasons for terminating a health care contract, a health care contract may only be terminated under the circumstances described in division (A)(3) of section 3963.04 of the Revised Code.

(2) If the health care contract provides for termination for cause by either party, the health care contract shall state the reasons that may be used for termination for cause, which terms shall be reasonable. Once the contracting entity and the

participating provider have signed the health care contract, it is presumed that the reasons stated in the health care contract for termination for cause by either party are reasonable. Subject to division ~~(E)~~(F)(3) of this section, the health care contract shall state the time by which the parties must provide notice of termination for cause and to whom the parties shall give the notice.

(3) Nothing in divisions ~~(E)~~(F)(1) and (2) of this section shall be construed as prohibiting any health insuring corporation from terminating a participating provider's contract for any of the causes described in divisions (A), (D), and (F)(1) and (2) of section 1753.09 of the Revised Code. Notwithstanding any provision in a health care contract pursuant to division ~~(E)~~(F)(2) of this section, section 1753.09 of the Revised Code applies to the termination of a participating provider's contract for any of the causes described in divisions (A), (D), and (F)(1) and (2) of section 1753.09 of the Revised Code.

(4) Subject to sections 3963.01 to 3963.11 of the Revised Code, nothing in this section prohibits the termination of a health care contract without cause if the health care contract otherwise provides for termination without cause.

~~(F)~~(G)(1) Disputes among parties to a health care contract that only concern the enforcement of the contract rights conferred by section 3963.02, divisions (A) and (D) of section 3963.03, and section 3963.04 of the Revised Code are subject to a mutually agreed upon arbitration mechanism that is binding on all parties. The arbitrator may award reasonable attorney's fees and costs for arbitration relating to the enforcement of this section to the prevailing party.

(2) The arbitrator shall make the arbitrator's decision in an arbitration proceeding having due regard for any applicable rules, bulletins, rulings, or decisions issued by the department of

insurance or any court concerning the enforcement of the contract rights conferred by section 3963.02, divisions (A) and (D) of section 3963.03, and section 3963.04 of the Revised Code.

(3) A party shall not simultaneously maintain an arbitration proceeding as described in division ~~(F)~~(G)(1) of this section and pursue a complaint with the superintendent of insurance to investigate the subject matter of the arbitration proceeding. However, if a complaint is filed with the department of insurance, the superintendent may choose to investigate the complaint or, after reviewing the complaint, advise the complainant to proceed with arbitration to resolve the complaint. The superintendent may request to receive a copy of the results of the arbitration. If the superintendent of insurance notifies an insurer or a health insuring corporation in writing that the superintendent has initiated a market conduct examination into the specific subject matter of the arbitration proceeding pending against that insurer or health insuring corporation, the arbitration proceeding shall be stayed at the request of the insurer or health insuring corporation pending the outcome of the market conduct investigation by the superintendent.

Sec. 3963.03. (A) Each health care contract shall include all of the following information:

(1)(a) Information sufficient for the participating provider to determine the compensation or payment terms for health care services, including all of the following, subject to division (A)(1)(b) of this section:

(i) The manner of payment, such as fee-for-service, capitation, or risk;

(ii) The fee schedule of procedure codes reasonably expected to be billed by a participating provider's specialty for services provided pursuant to the health care contract and the associated

payment or compensation for each procedure code. A fee schedule may be provided electronically. Upon request, a contracting entity shall provide a participating provider with the fee schedule for any other procedure codes requested and a written fee schedule, that shall not be required more frequently than twice per year excluding when it is provided in connection with any change to the schedule. This requirement may be satisfied by providing a clearly understandable, readily available mechanism, such as a specific web site address, that allows a participating provider to determine the effect of procedure codes on payment or compensation before a service is provided or a claim is submitted.

(iii) The effect, if any, on payment or compensation if more than one procedure code applies to the service also shall be stated. This requirement may be satisfied by providing a clearly understandable, readily available mechanism, such as a specific web site address, that allows a participating provider to determine the effect of procedure codes on payment or compensation before a service is provided or a claim is submitted.

(b) If the contracting entity is unable to include the information described in ~~division~~ divisions (A)(1)(a)(ii) and (iii) of this section, the contracting entity shall include both of the following types of information instead:

(i) The methodology used to calculate any fee schedule, such as relative value unit system and conversion factor or percentage of billed charges. If applicable, the methodology disclosure shall include the name of any relative value unit system, its version, edition, or publication date, any applicable conversion or geographic factor, and any date by which compensation or fee schedules may be changed by the methodology as anticipated at the time of contract.

(ii) The identity of any internal processing edits, including the publisher, product name, version, and version update of any

editing software.

(c) If the contracting entity is not the payer and is unable to include the information described in division (A)(1)(a) or (b) of this section, then the contracting entity shall provide by telephone a readily available mechanism, such as a specific web site address, that allows the participating provider to obtain that information from the payer.

(2) Any product or network for which the participating provider is to provide services;

(3) The term of the health care contract;

(4) A specific web site address that contains the identity of the contracting entity or payer responsible for the processing of the participating provider's compensation or payment;

(5) Any internal mechanism provided by the contracting entity to resolve disputes concerning the interpretation or application of the terms and conditions of the contract. A contracting entity may satisfy this requirement by providing a clearly understandable, readily available mechanism, such as a specific web site address or an appendix, that allows a participating provider to determine the procedures for the internal mechanism to resolve those disputes.

(6) A list of addenda, if any, to the contract.

(B)(1) Each contracting entity shall include a summary disclosure form with a health care contract that includes all of the information specified in division (A) of this section. The information in the summary disclosure form shall refer to the location in the health care contract, whether a page number, section of the contract, appendix, or other identifiable location, that specifies the provisions in the contract to which the information in the form refers.

(2) The summary disclosure form shall include all of the following statements:

(a) That the form is a guide to the health care contract and that the terms and conditions of the health care contract constitute the contract rights of the parties;

(b) That reading the form is not a substitute for reading the entire health care contract;

(c) That by signing the health care contract, the participating provider will be bound by the contract's terms and conditions;

(d) That the terms and conditions of the health care contract may be amended pursuant to section 3963.04 of the Revised Code and the participating provider is encouraged to carefully read any proposed amendments sent after execution of the contract;

(e) That nothing in the summary disclosure form creates any additional rights or causes of action in favor of either party.

(3) No contracting entity that includes any information in the summary disclosure form with the reasonable belief that the information is truthful or accurate shall be subject to a civil action for damages or to binding arbitration based on the summary disclosure form. Division (B)(3) of this section does not impair or affect any power of the department of insurance to enforce any applicable law.

(4) The summary disclosure form described in divisions (B)(1) and (2) of this section shall be in substantially the following form:

(D) The contracting entity shall identify any utilization management, quality improvement, or a similar program that the contracting entity uses to review, monitor, evaluate, or assess the services provided pursuant to a health care contract. The contracting entity shall disclose the policies, procedures, or guidelines of such a program applicable to a participating provider upon request by the participating provider within fourteen days after the date of the request.

If either party violates the confidentiality agreement, a party to the confidentiality agreement may bring a civil action to enjoin the other party from continuing any act that is in violation of the confidentiality agreement, to recover damages, to terminate the contract, or to obtain any combination of relief.

Section 3. The following represent the General Assembly's intent and findings:

(A) The provisions of this act seek to prevent dental insurers, dental benefit plans, and other contracting entities from establishing fee limitations on services that are not covered dental services for enrollees under a dental insurance plan.

(B) Strategies by dental insurers, dental benefit plans, or other contracting entities to adopt or impose a deductible, copayment, coinsurance, or any other requirement in such a way as to provide de minimis reimbursement for services as a method to avoid the impact of this law is contrary to the spirit and intent of the General Assembly.
