To revise current high school diploma requirements 1  
including state-administered assessments. 2

**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** It is the General Assembly's intent that sections 3  
of the Revised Code be amended, enacted, or repealed to revise the 4  
current requirements for earning a high school diploma and honors 5  
diploma, including the method and timeline by which the 6  
end-of-course examinations that are a part of the College and Work 7  
Ready Assessment System under section 3301.0712 of the Revised 8  
Code will be implemented and incorporated into high school 9  
graduation requirements and its applicability to, and possible 10  
alternative conditions for, chartered nonpublic schools. 11
