(C) Nothing in the classifications of eligible obligations set forth in divisions (B)(1) to (7) of this section shall be construed to authorize any investment in a derivative, and no treasurer or governing board shall invest in a derivative. For purposes of this division, "derivative" means a financial instrument or contract or obligation whose value or return is based upon or linked to another asset or index, or both, separate from the financial instrument, contract, or obligation itself. Any security, obligation, trust account, or other instrument that is created from an issue of the United States treasury or is created from an obligation of a federal agency or instrumentality or is created from both is considered a derivative instrument. An eligible investment described in this section with a variable interest rate payment, based upon a single interest payment or single index comprised of other eligible investments provided for in division (B)(1) or (2) of this section, is not a derivative, provided that such variable rate investment has a maximum maturity of two years.

(D) Except as provided in division (E) of this section, any investment made pursuant to this section must mature within five years from the date of settlement, unless the investment is matched to a specific obligation or debt of the subdivision.

(E) The treasurer or governing board may also enter into a written repurchase agreement with any eligible institution mentioned in section 135.03 of the Revised Code or any eligible dealer pursuant to division (M) of this section, under the terms of which agreement the treasurer or governing board purchases, and such institution or dealer agrees unconditionally to repurchase any of the securities listed in divisions (B)(1) to (5), except letters of credit described in division (B)(2), of section 135.18 of the Revised Code. The market value of securities subject to an overnight written repurchase agreement must exceed the principal

value of the overnight written repurchase agreement by at least 142
two per cent. A written repurchase agreement shall not exceed 143
thirty days and the market value of securities subject to a 144
written repurchase agreement must exceed the principal value of 145
the written repurchase agreement by at least two per cent and be 146
marked to market daily. All securities purchased pursuant to this 147
division shall be delivered into the custody of the treasurer or 148
governing board or an agent designated by the treasurer or 149
governing board. A written repurchase agreement with an eligible 150
securities dealer shall be transacted on a delivery versus payment 151
basis. The agreement shall contain the requirement that for each 152
transaction pursuant to the agreement the participating 153
institution or dealer shall provide all of the following 154
information: 155

(1) The par value of the securities; 156

(2) The type, rate, and maturity date of the securities; 157

(3) A numerical identifier generally accepted in the 158
securities industry that designates the securities. 159

No treasurer or governing board shall enter into a written 160
repurchase agreement under the terms of which the treasurer or 161
governing board agrees to sell securities owned by the subdivision 162
to a purchaser and agrees with that purchaser to unconditionally 163
repurchase those securities. 164

(F) No treasurer or governing board shall make an investment 165
under this section, unless the treasurer or governing board, at 166
the time of making the investment, reasonably expects that the 167
investment can be held until its maturity. 168

(G) No treasurer or governing board shall pay interim moneys 169
into a fund established by another subdivision, treasurer, 170
governing board, or investing authority, if that fund was 171
established for the purpose of investing the public moneys of 172

other subdivisions. This division does not apply to the payment of public moneys into either of the following:

(1) The Ohio subdivision's fund pursuant to division (B)(6) of this section;

(2) A fund created solely for the purpose of acquiring, constructing, owning, leasing, or operating municipal utilities pursuant to the authority provided under section 715.02 of the Revised Code or Section 4 of Article XVIII, Ohio Constitution.

For purposes of division (G) of this section, "subdivision" includes a county.

(H) The use of leverage, in which the treasurer or governing board uses its current investment assets as collateral for the purpose of purchasing other assets, is prohibited. The issuance of taxable notes for the purpose of arbitrage is prohibited. Contracting to sell securities that have not yet been acquired by the treasurer or governing board, for the purpose of purchasing such securities on the speculation that bond prices will decline, is prohibited.

(I) Whenever, during a period of designation, the treasurer classifies public moneys as interim moneys, the treasurer shall notify the governing board of such action. The notification shall be given within thirty days after such classification and in the event the governing board does not concur in such classification or in the investments or deposits made under this section, the governing board may order the treasurer to sell or liquidate any of such investments or deposits, and any such order shall specifically describe the investments or deposits and fix the date upon which they are to be sold or liquidated. Investments or deposits so ordered to be sold or liquidated shall be sold or liquidated for cash by the treasurer on the date fixed in such order at the then current market price. Neither the treasurer nor

the members of the board shall be held accountable for any loss 204
occasioned by sales or liquidations of investments or deposits at 205
prices lower than their cost. Any loss or expense incurred in 206
making such sales or liquidations is payable as other expenses of 207
the treasurer's office. 208

(J) If any investments or deposits purchased under the 209
authority of this section are issuable to a designated payee or to 210
the order of a designated payee, the name of the treasurer and the 211
title of the treasurer's office shall be so designated. If any 212
such securities are registrable either as to principal or 213
interest, or both, then such securities shall be registered in the 214
name of the treasurer as such. 215

(K) The treasurer is responsible for the safekeeping of all 216
documents evidencing a deposit or investment acquired by the 217
treasurer under this section. Any securities may be deposited for 218
safekeeping with a qualified trustee as provided in section 135.18 219
of the Revised Code, except the delivery of securities acquired 220
under any repurchase agreement under this section shall be made to 221
a qualified trustee, provided, however, that the qualified trustee 222
shall be required to report to the treasurer, governing board, 223
auditor of state, or an authorized outside auditor at any time 224
upon request as to the identity, market value, and location of the 225
document evidencing each security, and that if the participating 226
institution is a designated depository of the subdivision for the 227
current period of designation, the securities that are the subject 228
of the repurchase agreement may be delivered to the treasurer or 229
held in trust by the participating institution on behalf of the 230
subdivision. Interest earned on any investments or deposits 231
authorized by this section shall be collected by the treasurer and 232
credited by the treasurer to the proper fund of the subdivision. 233

Upon the expiration of the term of office of a treasurer or 234
in the event of a vacancy in the office of treasurer by reason of 235

death, resignation, removal from office, or otherwise, the 236
treasurer or the treasurer's legal representative shall transfer 237
and deliver to the treasurer's successor all documents evidencing 238
a deposit or investment held by the treasurer. For the investments 239
and deposits so transferred and delivered, such treasurer shall be 240
credited with and the treasurer's successor shall be charged with 241
the amount of money held in such investments and deposits. 242

(L) Whenever investments or deposits acquired under this 243
section mature and become due and payable, the treasurer shall 244
present them for payment according to their tenor, and shall 245
collect the moneys payable thereon. The moneys so collected shall 246
be treated as public moneys subject to sections 135.01 to 135.21 247
of the Revised Code. 248

(M)(1) All investments, except for investments in securities 249
described in divisions (B)(5) and (6) of this section and for 250
investments by a municipal corporation in the issues of such 251
municipal corporation, shall be made only through a member of the 252
~~national association of securities dealers~~ financial industry 253
regulatory authority (FINRA), through a bank, savings bank, or 254
savings and loan association regulated by the superintendent of 255
financial institutions, or through an institution regulated by the 256
comptroller of the currency, federal deposit insurance 257
corporation, or board of governors of the federal reserve system. 258

(2) Payment for investments shall be made only upon the 259
delivery of securities representing such investments to the 260
treasurer, governing board, or qualified trustee. If the 261
securities transferred are not represented by a certificate, 262
payment shall be made only upon receipt of confirmation of 263
transfer from the custodian by the treasurer, governing board, or 264
qualified trustee. 265

(N) In making investments authorized by this section, a 266
treasurer or governing board may retain the services of an 267

investment advisor, provided the advisor is licensed by the 268
division of securities under section 1707.141 of the Revised Code 269
or is registered with the securities and exchange commission, and 270
possesses experience in public funds investment management, 271
specifically in the area of state and local government investment 272
portfolios, or the advisor is an eligible institution mentioned in 273
section 135.03 of the Revised Code. 274

(O)(1) Except as otherwise provided in divisions (O)(2) and 275
(3) of this section, no treasurer or governing board shall make an 276
investment or deposit under this section, unless there is on file 277
with the auditor of state a written investment policy approved by 278
the treasurer or governing board. The policy shall require that 279
all entities conducting investment business with the treasurer or 280
governing board shall sign the investment policy of that 281
subdivision. All brokers, dealers, and financial institutions, 282
described in division (M)(1) of this section, initiating 283
transactions with the treasurer or governing board by giving 284
advice or making investment recommendations shall sign the 285
treasurer's or governing board's investment policy thereby 286
acknowledging their agreement to abide by the policy's contents. 287
All brokers, dealers, and financial institutions, described in 288
division (M)(1) of this section, executing transactions initiated 289
by the treasurer or governing board, having read the policy's 290
contents, shall sign the investment policy thereby acknowledging 291
their comprehension and receipt. 292

(2) If a written investment policy described in division 293
(O)(1) of this section is not filed on behalf of the subdivision 294
with the auditor of state, the treasurer or governing board of 295
that subdivision shall invest the subdivision's interim moneys 296
only in interim deposits pursuant to division (B)(3) of this 297
section or interim deposits pursuant to section 135.145 of the 298
Revised Code and approved by the treasurer of state, no-load money 299

market mutual funds pursuant to division (B)(5) of this section, 300
or the Ohio subdivision's fund pursuant to division (B)(6) of this 301
section. 302

(3) Divisions (O)(1) and (2) of this section do not apply to 303
a treasurer or governing board of a subdivision whose average 304
annual portfolio of investments held pursuant to this section is 305
one hundred thousand dollars or less, provided that the treasurer 306
or governing board certifies, on a form prescribed by the auditor 307
of state, that the treasurer or governing board will comply and is 308
in compliance with the provisions of sections 135.01 to 135.21 of 309
the Revised Code. 310

(P) A treasurer or governing board may enter into a written 311
investment or deposit agreement that includes a provision under 312
which the parties agree to submit to nonbinding arbitration to 313
settle any controversy that may arise out of the agreement, 314
including any controversy pertaining to losses of public moneys 315
resulting from investment or deposit. The arbitration provision 316
shall be set forth entirely in the agreement, and the agreement 317
shall include a conspicuous notice to the parties that any party 318
to the arbitration may apply to the court of common pleas of the 319
county in which the arbitration was held for an order to vacate, 320
modify, or correct the award. Any such party may also apply to the 321
court for an order to change venue to a court of common pleas 322
located more than one hundred miles from the county in which the 323
treasurer or governing board is located. 324

repurchase agreement with any eligible institution mentioned in 786
section 135.32 of the Revised Code or any eligible securities 787

repurchase any of the securities listed in divisions (B)(1) to 791
(5), except letters of credit described in division (B)(2), of 792
section 135.18 of the Revised Code. The market value of securities 793
subject to an overnight written repurchase agreement must exceed 794
the principal value of the overnight written repurchase agreement 795
by at least two per cent. A written repurchase agreement must 796

agreement under the terms of which the investing authority agrees 816
to sell securities owned by the county to a purchaser and agrees 817
with that purchaser to unconditionally repurchase those 818
securities. 819

(E) No investing authority shall make an investment under 820
this section, unless the investing authority, at the time of 821
making the investment, reasonably expects that the investment can 822
be held until its maturity. The investing authority's written 823
investment policy shall specify the conditions under which an 824
investment may be redeemed or sold prior to maturity. 825

(F) No investing authority shall pay a county's inactive 826
moneys or moneys of a county public library fund into a fund 827
established by another subdivision, treasurer, governing board, or 828
investing authority, if that fund was established by the 829

subdivision, treasurer, governing board, or investing authority 830
for the purpose of investing or depositing the public moneys of 831

other assets, is prohibited. The issuance of taxable notes for the 844
purpose of arbitrage is prohibited. Contracting to sell securities 845
not owned by the county, for the purpose of purchasing such 846
securities on the speculation that bond prices will decline, is 847
prohibited. 848

(H) Any securities, certificates of deposit, deposit 849
accounts, or any other documents evidencing deposits or 850
investments made under authority of this section shall be issued 851
in the name of the county with the county treasurer or investing 852
authority as the designated payee. If any such deposits or 853
investments are registrable either as to principal or interest, or 854
both, they shall be registered in the name of the treasurer. 855

(I) The investing authority shall be responsible for the 856
safekeeping of all documents evidencing a deposit or investment 857
acquired under this section, including, but not limited to, 858
safekeeping receipts evidencing securities deposited with a 859
qualified trustee, as provided in section 135.37 of the Revised 860

Code, and documents confirming the purchase of securities under 861
any repurchase agreement under this section shall be deposited 862
with a qualified trustee, provided, however, that the qualified 863
trustee shall be required to report to the investing authority, 864
auditor of state, or an authorized outside auditor at any time 865
upon request as to the identity, market value, and location of the 866
document evidencing each security, and that if the participating 867
institution is a designated depository of the county for the 868
current period of designation, the securities that are the subject 869
of the repurchase agreement may be delivered to the treasurer or 870
held in trust by the participating institution on behalf of the 871
investing authority. 872

Upon the expiration of the term of office of an investing 873
authority or in the event of a vacancy in the office for any 874
reason, the officer or the officer's legal representative shall 875
transfer and deliver to the officer's successor all documents 876
mentioned in this division for which the officer has been 877
responsible for safekeeping. For all such documents transferred 878
and delivered, the officer shall be credited with, and the 879
officer's successor shall be charged with, the amount of moneys 880
evidenced by such documents. 881

(J)(1) All investments, except for investments in securities 882
described in divisions (A)(5), (6), and ~~(12)~~(11) of this section, 883
shall be made only through a member of the ~~national association of~~ 884
~~securities dealers~~ financial industry regulatory authority 885
(FINRA), through a bank, savings bank, or savings and loan 886
association regulated by the superintendent of financial 887

names of any persons effecting transactions on behalf of the 940
investing authority. 941

(4) The monthly portfolio report shall be a public record and 942

this act as a composite of the section as amended by both Sub. 1134
H.B. 473 and Am. Sub. H.B. 640 of the 123rd General Assembly. The 1135
General Assembly, applying the principle stated in division (B) of 1136
section 1.52 of the Revised Code that amendments are to be 1137
harmonized if reasonably capable of simultaneous operation, finds 1138
that the composite is the resulting version of the section in 1139
effect prior to the effective date of the section as presented in 1140
this act. 1141
