(12) The signature and address of the person making the application.

Each application for uniformed services or overseas absent voter's ballots shall be delivered to the director not earlier than the first day of January of the year of the elections for which the uniformed services or overseas absent voter's ballots are requested or not earlier than ninety days before the day of the election at which the ballots are to be voted, whichever is earlier, and not later than twelve noon of the third day preceding the day of the election, or not later than six p.m. on the last Friday before the day of the election at which those ballots are to be voted if the application is delivered in person to the office of the board.

(D) If the voter for whom the application is made is entitled to vote for presidential and vice-presidential electors only, the applicant shall submit to the director in addition to the requirements of divisions (A), (B), and (C) of this section, a statement to the effect that the voter is qualified to vote for presidential and vice-presidential electors and for no other offices.

(E) A board of elections that mails a federal post card application or other absent voter's ballot application to an elector under this section shall not prepay the return postage for that application.

(F) Except as otherwise provided in this section and in sections 3505.24 and 3509.08 of the Revised Code, an election official shall not fill out any portion of a federal post card application or other application for absent voter's ballots on behalf of an applicant. The secretary of state or a board of elections may preprint only an applicant's name and address on a federal post card application or other application for absent voter's ballots before

mailing that application to the applicant.

Sec. 3511.04. (A) If a director of a board of elections receives an application for uniformed services or overseas absent voter's ballots that does not contain all of the required information, the director promptly shall notify the applicant of the additional information required to be provided by the applicant to complete that application.

(B) Not later than the forty-fifth day before the day of each general or primary election, and at the earliest possible time before the day of a special election held on a day other than the day on which a general or primary election is held, the director of the board of elections shall mail, send by facsimile machine, send by electronic mail, send through internet delivery if such delivery is offered by the board of elections or the secretary of state, or otherwise send uniformed services or overseas absent voter's ballots then ready for use as provided for in section 3511.03 of the Revised Code and for which the director has received valid applications prior to that time. Thereafter, and until twelve noon of the third day preceding the day of election, the director shall promptly, upon receipt of valid applications for them, mail, send by facsimile machine, send by electronic mail, send through internet delivery if such delivery is offered by the board of elections or the secretary of state, or otherwise send to the proper persons all uniformed services or overseas absent voter's ballots then ready for use.

If, after the seventieth day before the day of a general or primary election, any other question, issue, or candidacy is lawfully ordered submitted to the electors voting at the general or primary election, the board shall promptly provide a separate official issue, special election, or other election ballot for submitting the question, issue, or candidacy to those electors, and the director shall promptly mail, send by facsimile machine, send by electronic mail, send through internet delivery if such delivery is offered by the board of elections or the secretary of state, or otherwise send each such separate ballot to each person to whom the director has previously mailed or sent other uniformed services or overseas absent voter's ballots.

A board of elections that mails or otherwise delivers uniformed services or overseas absent voter's ballots to an elector under this section shall not prepay the return postage for those ballots. In mailing uniformed services or overseas absent voter's ballots, the director shall use the fastest mail service available, but the director shall not mail them by certified mail.

(B) The director shall also mail with the ballots and the unsealed identification envelope sent by mail an unsealed return envelope, gummed, ready for sealing, for use by the voter in returning the voter's marked ballots

(D) Division (C) of this section does not apply when absent voter's ballots are sent electronically, including by facsimile machine.

(E) Except as otherwise provided in this division and in sections 3505.24 and 3509.08 of the Revised Code, an election official shall not fill out any portion of an identification envelope statement of voter or an absent voter's ballot on behalf of an elector. A board of elections may preprint only an elector's name and address on an identification envelope statement of voter before mailing or electronically transmitting absent voter's ballots to

the elector.

Sec. 3511.10. If, after the thirty-fifth day and before the close of the polls on the day of a general or primary election, a valid application for uniformed services or overseas absent voter's ballots is delivered to the director of the board of elections at the office of the board by a person making the application on the person's own behalf, the director shall forthwith deliver to the person all uniformed services or overseas absent voter's ballots then ready for use, together with an identification envelope. The person shall then immediately retire to a voting booth in the office of the board, and mark the ballots. The person shall then fold each ballot separately so as to conceal the person's markings thereon, and deposit all of the ballots in the identification envelope and securely seal it. Thereupon the person shall fill in answers to the questions on the face of the identification envelope, and by writing the person's usual signature in the proper place thereon, the person shall declare under penalty of election falsification that the answers to those questions are true and correct to the best of that person's knowledge and belief. The person shall then deliver the identification envelope to the director. If thereafter, and before the third day preceding such election, the board provides additional separate official issue or special election ballots, as provided for in section 3511.04 of the Revised Code, the director shall promptly, and not later than twelve noon of the third day preceding the day of election, mail such additional ballots to such person at the address specified by that person for that purpose. Except as otherwise provided in sections 3505.24 and 3509.08 of the Revised Code, an election official shall not fill out any portion of an application for absent voter's ballots, an identification envelope statement of voter, or an absent voter's ballot requested under this section on behalf of an applicant.

In the event any person serving in the armed forces of the United States is discharged after the closing date of registration, and that person or that person's spouse, or both, meets all the other qualifications set forth in section 3511.011 of the Revised Code, the person or spouse shall be permitted to vote prior to the date of the election in the office of the board in the person's or spouse's county, as set forth in this section.
