The court, in its discretion, may terminate the suspension if the child attends and satisfactorily completes a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court. During the time the child is attending a program described in this division, the court shall retain the child's temporary instruction permit, probationary driver's license, or driver's license, and the court shall return the permit or license if it terminates the suspension as described in this division.

(C) The court may establish a victim-offender mediation program in which victims and their offenders meet to discuss the offense and suggest possible restitution. If the court obtains the assent of the victim of the delinquent act committed by the child, the court may require the child to participate in the program.

(D)(1) If a child is adjudicated a delinquent child for committing an act that would be a felony if committed by an adult and if the child caused, attempted to cause, threatened to cause, or created a risk of physical harm to the victim of the act, the court, prior to issuing an order of disposition under this section, shall order the preparation of a victim impact statement by the probation department of the county in which the victim of the act resides, by the court's own probation department, or by a victim assistance program that is operated by the state, a county, a municipal corporation, or another governmental entity. The court shall consider the victim impact statement in determining the order of disposition to issue for the child.

(2) Each victim impact statement shall identify the victim of the act for which the child was adjudicated a delinquent child, itemize any economic loss suffered by the victim as a result of the act, identify any physical injury suffered by the victim as a result of the act and the seriousness and permanence of the injury, identify any change in the victim's personal welfare or familial relationships as a result of the act and any psychological impact experienced by the victim or the victim's family as a result of the act, and contain any other information related to the impact of the act upon the victim that the court requires.

(3) A victim impact statement shall be kept confidential and is not a public record. However, the court may furnish copies of the statement to the department of youth services if the delinquent child is committed to the department or to both the adjudicated delinquent child or the adjudicated delinquent child's counsel and the prosecuting attorney. The copy of a victim impact statement furnished by the court to the department pursuant to this section shall be kept confidential and is not a public record. If an officer is preparing pursuant to section 2947.06 or 2951.03 of the Revised Code or Criminal Rule 32.2 a presentence investigation report pertaining to a person, the court shall make available to the officer, for use in preparing the report, a copy of any victim impact statement regarding that person. The copies of a victim impact statement that are made available to the adjudicated delinquent child or the adjudicated delinquent child's counsel and the prosecuting attorney pursuant to this division shall be returned to the court by the person to whom they were made available immediately following the imposition of an order of disposition for the child under this chapter.

The copy of a victim impact statement that is made available pursuant to this division to an officer preparing a criminal presentence investigation report shall be returned to the court by the officer immediately following its use in preparing the report.

(4) The department of youth services shall work with local probation departments and victim assistance programs to develop a standard victim impact statement.

(E) If a child is adjudicated a delinquent child for being a chronic truant or a habitual truant who previously has been adjudicated an unruly child for being a habitual truant and the court determines that the parent, guardian, or other person having care of the child has failed to cause the child's attendance at school in violation of section 3321.38 of the Revised Code, in addition to any order of disposition it makes under this section, the court shall warn the parent, guardian, or other person having care of the child that any subsequent adjudication of the child as an unruly or delinquent child for being a habitual or chronic truant may result in a criminal charge against the parent, guardian, or other person having care of the child for a violation of division (C) of section 2919.21 or section 2919.24 of the Revised Code.

(F)(1) During the period of a delinquent child's community control granted under this section, authorized probation officers who are engaged within the scope of their supervisory duties or responsibilities may search, with or without a warrant, the person of the delinquent child, the place of residence of the delinquent child, and a motor vehicle, another item of tangible or intangible personal property, or other real property in which the delinquent child has a right, title, or interest or for which the delinquent child has the express or implied permission of a person with a right, title, or interest to use, occupy, or possess if the probation officers have reasonable grounds to believe that the delinquent child is not abiding by the law or otherwise is not complying with the

conditions of the delinquent child's community control. The court that places a delinquent child on community control under this section shall provide the delinquent child with a written notice that informs the delinquent child that authorized probation officers who are engaged within the scope of their supervisory duties or responsibilities may conduct those types of searches during the period of community control if they have reasonable grounds to believe that the delinquent child is not abiding by the law or otherwise is not complying with the conditions of the delinquent child's community control. The court also shall provide the written notice described in division (E)(2) of this section to each parent, guardian, or custodian of the delinquent child who is described in that division.

(2) The court that places a child on community control under this section shall provide the child's parent, guardian, or other custodian with a written notice that informs them that authorized probation officers may conduct searches pursuant to division (E)(1) of this section. The notice shall specifically state that a permissible search might extend to a motor vehicle, another item of tangible or intangible personal property, or a place of residence or other real property in which a notified parent, guardian, or custodian has a right, title, or interest and that the parent, guardian, or custodian expressly or impliedly permits the child to use, occupy, or possess.

(G) If a juvenile court commits a delinquent child to the custody of any person, organization, or entity pursuant to this section and if the delinquent act for which the child is so committed is a sexually oriented offense that is not a registration-exempt sexually oriented offense or is a child-victim oriented offense, the court in the order of disposition shall do one of the following:

(1) Require that the child be provided treatment as described in division (A)(2) of section 5139.13 of the Revised Code;

(2) Inform the person, organization, or entity that it is the preferred course of action in this state that the child be provided treatment as described in division (A)(2) of section 5139.13 of the Revised Code and encourage the person, organization, or entity to provide that treatment.

(H)(1) If a child is adjudicated a delinquent child for committing a violation of section 2925.03 or 2925.11 of the Revised Code, if the drug involved in the violation is marihuana, and if the violation would be a minor misdemeanor or another misdemeanor if committed by an adult or the violation would be a felony if committed by an adult and the court does not commit the child to the department of youth services under this chapter, in addition to any other disposition authorized or required under this chapter, the court, subject to division (H)(2) of this section, shall make an order of disposition for the child that does either or both of the following:

(a) Places the child in a detention facility or district detention facility pursuant to division (A)(3) of this section for at least the minimum period of time specified in this division. If the violation would be a minor misdemeanor or

another misdemeanor if committed by an adult, except as otherwise provided in this division, the minimum period of time for which the child shall be so placed is three days. If the violation would be a minor misdemeanor or another misdemeanor if committed by an adult and if the child previously has been adjudicated a delinquent child for committing a violation of section 2925.03 or 2925.11 of the Revised Code in which the drug involved in the violation was marihuana, the minimum period of time for which the child shall be so placed is fourteen days. If the violation would be a felony if committed by an adult and the court does not commit the child to the department of youth services, except as otherwise provided in this division, the minimum period of time for which the child shall be so placed is thirty days. If the violation would be a felony if committed by an adult, if the court does not commit the child to the department of youth services, and if the child previously has been adjudicated a delinquent child for committing a violation of section 2925.03 or 2925.11 of the Revised Code in which the drug involved in the violation was marihuana, the minimum period of time for which the child shall be so placed is sixty days. The court may place the child in a detention facility or district detention facility pursuant to division (A)(3) of this section for a period of time in excess of the minimum period of time specified in this division and not in excess of the period of time specified in division (A)(3) of this section.

(b) Places the child on community control that includes a requirement of drug assessment or counseling, or a period in a drug treatment program, pursuant to division (A)(4)(g) of this section together with a requirement of basic or intense probation supervision pursuant to division (A)(4)(a) or (b) of this section.

(2) The court is not required to impose an order of disposition under division (H)(1) of this section if the court determines that an order under that division is not in the interests of justice. Division (H)(1) of this section does not apply to a violation of section 2925.03 or 2925.11 of the Revised Code that is classified a felony when the court commits the child to the department of youth services under this chapter."

The proceeds from any fine so imposed shall be distributed in accordance with division (C)(2) of section 4503.234 of the Revised Code.

(C) No court shall impose an alternative sentence of house arrest with electronic monitoring under division (B)(1) or (2) of this section unless, within sixty days of the date of sentencing, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the jail term imposed, the offender will not be able to begin serving that term within the sixty-day period following the date of sentencing.

An offender sentenced under this section to a period of house arrest with electronic monitoring shall be permitted work release during that period.

No person who is disqualified for life from holding a commercial driver's license under section 4506.16 of the Revised Code shall be issued a driver's license under Chapter 4507. of the Revised Code during the period for which the commercial driver's license was suspended under this section, and no person whose commercial driver's license is suspended under this section shall be issued a driver's license under Chapter 4507. of the Revised Code during the period of the suspension.

Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension will take effect twenty-one days from the

date of the notice, and that, if the person wishes to appeal the suspension or denial, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding persons who plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state

or federal court, whichever is earlier.

(C) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding children who are residents of this state and plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(D) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, probationary

license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

(E) Any person whose license or permit has been suspended pursuant to this section may file a petition in the municipal or county court, or in case the person is under eighteen years of age, the juvenile court, in whose jurisdiction the person resides, agreeing to pay the cost of the proceedings and alleging that the suspension would seriously affect the person's ability to continue the person's employment. Upon satisfactory proof that there is reasonable cause to believe that the suspension would seriously affect the person's ability to continue the person's employment, the judge may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed, except that the judge shall not grant limited driving privileges for employment as a driver of a commercial motor vehicle to any person who would be disqualified from operating a commercial motor vehicle under section 4506.16 of the Revised Code if the violation had occurred in this state, or during any of the following periods of time:

The grant of limited driving privileges shall be conditioned upon the person's having the permit in the person's possession at all times during which the person is operating a vehicle.

A person granted limited driving privileges who operates a vehicle for other than limited purposes, in violation of any condition imposed by the court or without having the permit in the person's possession, is guilty of a violation of section 4510.11 of the Revised Code.

The registrar shall retain the license or permit during the period of the suspension. A suspension pursuant to division (A)(1)(a) of this section shall be a class C suspension, a suspension pursuant to division (A)(1)(b) of this section shall be a class D suspension, and a suspension pursuant to division (A)(1)(c) of this section shall be a class E suspension, all for the periods of time specified in division (B) of section 4510.02 of the Revised Code. If the person's probationary driver's license, restricted license, or temporary instruction permit is under suspension on the date the court imposes sentence upon the person for a violation described in division (A)(1)(b) of this section, the suspension shall take effect on the next day immediately following the end of that period of suspension. If the person is sixteen years of age or older and pleads guilty to or is convicted of a violation described in division (A)(1)(b) of this section and the person does not have a current, valid probationary driver's license, restricted license, or temporary instruction permit, the registrar shall deny the issuance to the person of a probationary driver's license, restricted license, driver's license, commercial driver's license, or temporary instruction permit, as the case may be, for six months beginning on the date the court imposes sentence upon the person for the violation. If the person has not attained the age of sixteen years on the date the court imposes sentence upon the person for the violation, the period of denial shall commence on the date the person attains the age of sixteen years.

(3) The registrar shall suspend the person's license or permit under division (A) of this section regardless of whether the disposition of the case in juvenile court occurred after the person's eighteenth birthday.

(B) The registrar also shall impose a class D suspension for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code of the temporary instruction permit or probationary driver's license of any person under

the age of eighteen who has been adjudicated an unruly child, delinquent child, or juvenile traffic offender for having committed any act that if committed by an adult would be a drug abuse offense or a violation of division (B) of section 2917.11 of the Revised Code. The registrar, in the registrar's discretion, may terminate the suspension if the child, at the discretion of the court, attends and satisfactorily completes a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court. Any person whose temporary instruction permit or probationary driver's license is suspended under this division shall mail or deliver the person's permit or license to the registrar within fourteen days of notification of the suspension. The registrar shall retain the permit or license during the period of the suspension.

(C)(1) Except as provided in division (C)(3) of this section, for any person who is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed a second or third violation of section 4511.12, 4511.13, 4511.15, 4511.20 to 4511.23, 4511.25, 4511.26 to 4511.48, 4511.57 to 4511.65, or 4511.75 of the Revised Code or any similar municipal ordinances and whose license or permit is suspended under division (A)(1)(a) or (c) of this section, the court in which the second or third conviction, finding, plea, or adjudication resulting in the suspension was made, upon petition of the person, may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed under division (A)(1)(a) or (c) of this section if the court finds reasonable cause to believe that the suspension will seriously affect the person's ability to continue in employment, educational training, vocational training, or treatment. In granting the limited driving privileges, the court shall specify the purposes, times, and places of the privileges and may impose any other conditions upon the person's driving a motor vehicle that the court considers reasonable and necessary.

A court that grants limited driving privileges to a person under this division shall retain the person's probationary driver's license, restricted license, or temporary instruction permit during the period the license or permit is suspended and also during the period for which limited driving privileges are granted, and shall deliver to the person a permit card, in a form to be prescribed by the court, setting forth the date on which the limited driving privileges will become effective, the purposes for which the person may drive, the times and places at which the person may drive, and any other conditions imposed upon the person's use of a motor vehicle.

The court immediately shall notify the registrar, in writing, of a grant of limited driving privileges under this division. The notification shall specify the date on which the limited driving privileges will become effective, the purposes for which the person may drive, the times and places at which the person may drive, and any other conditions imposed upon the person's use of a motor vehicle. The registrar shall not suspend the probationary driver's license, restricted license, or temporary instruction permit of any person pursuant to division (A) of this section during any period for which the person has been granted limited driving privileges as provided in this division, if the registrar has

received the notification described in this division from the court.

(2) Except as provided in division (C)(3) of this section, in any case in which the temporary instruction permit or probationary driver's license of a person under eighteen years of age has been suspended under division (A) or (B) of this section or any other provision of law, the court may grant the person limited driving privileges for the purpose of the person's practicing of driving with the person's parent, guardian, or other custodian during the period of the suspension. Any grant of limited driving privileges under this division shall comply with division (D) of section 4510.021 of the Revised Code.

(3) A court shall not grant limited driving privileges to a person identified in division (C)(1) or (2) of this section if the person, ~~within the preceding six years, previously~~ has been convicted of, pleaded guilty to, or adjudicated in juvenile court of having committed three or more violations of one or more of the divisions or sections set forth in ~~divisions~~ division (G)(2)(b) ~~to (g)~~ of section 2919.22 of the Revised Code.

(D) If a person who has been granted limited driving privileges under division (C) of this section is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed, a violation of Chapter 4510. of the Revised Code, or a subsequent violation of any of the sections of the Revised Code listed in division (A)(1)(a) of this section or any similar municipal ordinance during the period for which the person was granted limited driving privileges, the court that granted the limited driving privileges shall suspend the person's permit card. The court or the clerk of the court immediately shall forward the person's probationary driver's license, restricted license, or temporary instruction permit together with written notification of the court's action to the registrar. Upon receipt of the license or permit and notification, the registrar shall impose a class C suspension of the person's probationary driver's license, restricted license, or temporary instruction permit for the period of time specified in division (B)(3) of section 4510.02 of the Revised Code. The registrar shall retain the license or permit during the period of suspension, and no further limited driving privileges shall be granted during that period.

(E) No application for a driver's or commercial driver's license shall be received from any person whose probationary driver's license, restricted license, or temporary instruction permit has been suspended under this section until each of the following has occurred:

- (1) The suspension period has expired;
- (2) A temporary instruction permit or commercial driver's license temporary instruction permit has been issued;
- (3) The person successfully completes a juvenile driver improvement program approved by the registrar under section 4510.311 of the Revised Code;
- (4) The applicant has submitted to the examination for a driver's license as provided for in section 4507.11 or a commercial driver's license as provided

in Chapter 4506. of the Revised Code.

Sec. 4511.19. (A)(1) No person shall operate any vehicle, streetcar, or trackless trolley within this state, if, at the time of the operation, any of the following apply:

- (a) The person is under the influence of alcohol, a drug of abuse, or a combination of them.
- (b) The person has a concentration of eight-hundredths of one per cent or more but less than seventeen-hundredths of one per cent by weight per unit volume of alcohol in the person's whole blood.
- (c) The person has a concentration of ninety-six-thousandths of one per cent or more but less than two hundred four-thousandths of one per cent by weight per unit volume of alcohol in the person's blood serum or plasma.
- (d) The person has a concentration of eight-hundredths of one gram or more but less than seventeen-hundredths of one gram by weight of alcohol per two hundred ten liters of the person's breath.
- (e) The person has a concentration of eleven-hundredths of one gram or more but less than two hundred thirty-eight-thousandths of one gram by weight of alcohol per one hundred milliliters of the person's urine.
- (f) The person has a concentration of seventeen-hundredths of one per cent or more by weight per unit volume of alcohol in the person's whole blood.
- (g) The person has a concentration of two hundred four-thousandths of one per cent or more by weight per unit volume of alcohol in the person's blood serum or plasma.
- (h) The person has a concentration of seventeen-hundredths of one gram or more by weight of alcohol per two hundred ten liters of the person's breath.
- (i) The person has a concentration of two hundred thirty-eight-thousandths of one gram or more by weight of alcohol per one hundred milliliters of the person's urine.

(2) No person who, within twenty years of the conduct described in division (A)(2)(a) of this section, previously has been convicted of or pleaded guilty to a violation of this division, division (A)(1) or (B) of this section, or a municipal OVI offense shall do both of the following:

- (a) Operate any vehicle, streetcar, or trackless trolley within this state while under the influence of alcohol, a drug of abuse, or a combination of them;
- (b) Subsequent to being arrested for operating the vehicle, streetcar, or trackless trolley as described in division (A)(2)(a) of this section, being asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and being advised by the officer in accordance with section 4511.192 of the Revised Code of the consequences of the person's refusal or submission to the test or tests, refuse to submit to the test or tests.

(B) No person under twenty-one years of age shall operate any vehicle, streetcar, or trackless trolley within this state, if, at the time of the operation, any of the following apply:

(1) The person has a concentration of at least two-hundredths of one per cent but less than eight-hundredths of one per cent by weight per unit volume of alcohol in the person's whole blood.

(2) The person has a concentration of at least three-hundredths of one per cent but less than ninety-six-thousandths of one per cent by weight per unit volume of alcohol in the person's blood serum or plasma.

(3) The person has a concentration of at least two-hundredths of one gram but less than eight-hundredths of one gram by weight of alcohol per two hundred ten liters of the person's breath.

(4) The person has a concentration of at least twenty-eight one-thousandths of one gram but less than eleven-hundredths of one gram by weight of alcohol per one hundred milliliters of the person's urine.

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1)(a) or (A)(2) and a violation of division (B)(1), (2), or (3) of this section, but the person may not be convicted of more than one violation of these divisions.

(D)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense, the court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within two hours of the time of the alleged violation.

When a person submits to a blood test at the request of a law enforcement officer under section 4511.191 of the Revised Code, only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, or alcohol and drug content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and

(e) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

The person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. The form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol in the blood, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), or (i) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any forensic laboratory certified by the department of health that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. The court shall sentence the offender under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), or (e) of this section, a mandatory jail term of three consecutive days. As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 3793.10 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 3793.10 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

The court may require the offender, under a community control sanction imposed under section 2929.25 of the Revised Code, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

(iii) In all cases, a fine of not less than two hundred fifty and not more than one thousand dollars;

(iv) In all cases, a class five license suspension of the offender's driver's ~~or license~~, commercial driver's license ~~or temporary instruction permit~~, probationary license, or nonresident operating privilege from the range specified in division (A)(5) of section 4510.02 of the Revised Code or as otherwise specified in division (G)(1)(a)(iv) of this section. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

If an offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege was suspended under division (B) or (C) of section 4511.191 of the Revised Code as a result of the same incident or the same set of facts and circumstances that resulted in the conviction or guilty plea for which the offender is being sentenced under division (G)(1)(a) of this section, the period of suspension the court imposes upon the offender shall not be less than the greater of either the minimum suspension period specified in division (A)(5) of section 4510.02 of the Revised Code or the period of time remaining in the suspension imposed upon the offender under division (B) or (C) of section 4511.191 of the Revised Code on the date the court imposes sentence under division (G)(1)(a) of this section. The period of suspension the court imposes upon the offender shall not exceed the maximum period specified in division (A)(5) of section 4510.02 of the Revised Code.

(b) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within ~~six~~twenty years of the offense, previously has been convicted of or pleaded guilty to one violation of division (A) or (B) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), or (e) of this section, a mandatory jail term of ten consecutive days. The court shall impose the ten-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court may require the offender to attend a drivers' intervention program that is certified pursuant to section 3793.10 of the Revised Code. If the operator of the program determines that the offender is alcohol dependent, the program shall notify the court, and, subject to division (I) of this section, the court shall order the offender to obtain treatment through an alcohol and drug addiction program authorized by section 3793.02 of the Revised Code.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of twenty consecutive days. The court shall impose the twenty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the twenty-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court may require the offender to attend a driver's intervention program that is certified pursuant to section 3793.10 of the Revised Code. If the operator of the program determines that the offender is alcohol dependent, the program shall notify the court, and, subject to division (I) of this section, the court shall order the offender to obtain treatment through an alcohol and drug addiction program authorized by section 3793.02 of the Revised Code.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than three hundred fifty and not more than one thousand five hundred dollars;

(iv) In all cases, a class four license suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of section 4510.02 of the Revised Code or as otherwise specified in division (G)(1)(b)(iv) of this section. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

If an offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege was suspended under division (B) or (C) of section 4511.191 of the Revised Code as a result of the same incident or the same set of facts and circumstances that resulted in the conviction or guilty plea for which the offender is being sentenced under division (G)(1)(b) of this section, the period of suspension the court imposes upon the offender shall not be less than the greater of either the minimum suspension period specified in division (A)(4) of section 4510.02 of the Revised Code or the period of time remaining in the suspension imposed upon the offender under division (B) or (C) of section 4511.191 of the Revised Code on the date the court imposes sentence under division (G)(1)(b) of this section. The period of suspension the court imposes upon the offender not exceed the maximum period specified in division (A)(4) of section 4510.02 of the Revised Code.

The court shall impose the thirty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the thirty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, a mandatory jail term of sixty consecutive days. The court shall impose the sixty-day mandatory jail term

under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the sixty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than five hundred fifty and not more than two thousand five hundred dollars;

The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

If an offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege was suspended under division (B) or (C) of section 4511.191 of the Revised Code as a result of the same incident or the same set of facts and circumstances that resulted in the conviction or guilty plea for which the offender is being sentenced under division (G)(1)(c) of this section, the period of suspension the court imposes upon the offender shall not be less than the greater of either the minimum suspension period specified in division (A)(3) of section 4510.02 of the Revised Code or the period of time remaining in the suspension imposed upon the offender under division (B) or (C) of section 4511.191 of the Revised Code on the date the court imposes sentence under division (G)(1)(c) of this section. Any subsequent finding that the person is not guilty of the charge that resulted in the person being requested to take the chemical test or tests under division (A) of this section does not affect the suspension.

(2) If a person is arrested for operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance, or for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, regardless of whether

the person's driver's or commercial driver's license or permit or nonresident operating privilege is or is not suspended under division (B) or (C) of this section or Chapter 4510. of the Revised Code, the person's initial appearance on the charge resulting from the arrest shall be held within five days of the person's arrest or the issuance of the citation to the person, subject to any continuance granted by the court pursuant to section 4511.197 of the Revised Code regarding the issues specified in that division.

(E) When it finally has been determined under the procedures of this section and sections 4511.192 to 4511.197 of the Revised Code that a nonresident's privilege to operate a vehicle within this state has been suspended, the registrar shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which the person has a license.

(F) At the end of a suspension period under this section, under section 4511.194, section 4511.196, or division (G) of section 4511.19 of the Revised Code, or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance and upon the request of the person whose driver's or commercial driver's license or permit was suspended and who is not otherwise subject to suspension, cancellation, or disqualification, the registrar shall return the driver's or commercial driver's license or permit to the person upon the occurrence of all of the conditions specified in divisions (F)(1) and (2) of this section:

In addition, a county, juvenile, or municipal court judge may use moneys in the county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund to pay for the cost of the continued use of an electronic continuous alcohol monitoring device as described in divisions (H)(3) and (4) of this section. Moneys in the fund that are not distributed to a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund under division (H) of this section because the director of alcohol and drug addiction services does not have the information necessary to identify the county or municipal corporation where the offender or juvenile offender was arrested may be transferred by the director of budget and management to the statewide treatment and prevention fund created by section 4301.30 of the Revised Code, upon certification of the amount by the director of alcohol and drug addiction services.

(g) Twenty dollars shall be credited to the trauma and emergency medical services grants fund created by section 4513.263 of the Revised Code.

(3) If a person's driver's or commercial driver's license or permit is suspended under this section, under section 4511.196 or division (G) of section

4511.19 of the Revised Code, under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance or under any combination of the suspensions described in division (F)(3) of this section, and if the suspensions arise from a single incident or a single set of facts and circumstances, the person is liable for payment of, and shall be required to pay to the bureau, only one reinstatement fee of four hundred twenty-five dollars. The reinstatement fee shall be distributed by the bureau in accordance with division (F)(2) of this section.

(4) The attorney general shall use amounts in the drug abuse resistance education programs fund to award grants to law enforcement agencies to establish and implement drug abuse resistance education programs in public schools. Grants awarded to a law enforcement agency under this section shall be used by the agency to pay for not more than fifty per cent of the amount of the salaries of law enforcement officers who conduct drug abuse resistance education programs in public schools. The attorney general shall not use more than six per cent of the amounts the attorney general's office receives under division (F)(2)(e) of this section to pay the costs it incurs in administering the grant program established by division (F)(2)(e) of this section and in providing training and materials relating to drug abuse resistance education programs.

Additionally, all portions of fines that are paid for a violation of section 4511.19 of the Revised Code or of any prohibition contained in Chapter 4510. of the Revised Code, and that are required under section 4511.19 or any provision of Chapter 4510. of the Revised Code to be deposited into a county indigent drivers alcohol treatment fund or municipal indigent drivers alcohol treatment fund shall be deposited into the appropriate fund in accordance with the applicable division.

(2) That portion of the license reinstatement fee that is paid under division (F) of this section and that is credited under that division to the indigent drivers alcohol treatment fund shall be deposited into a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund as follows:

(a) If the suspension in question was imposed under this section, that portion of the fee shall be deposited as follows:

(i) If the fee is paid by a person who was charged in a county court with the violation that resulted in the suspension, the portion shall be deposited into the county indigent drivers alcohol treatment fund under the control of that court;

(ii) If the fee is paid by a person who was charged in a juvenile court with the violation that resulted in the suspension, the portion shall be deposited into the county juvenile indigent drivers alcohol treatment fund established in the county served by the court;

(iii) If the fee is paid by a person who was charged in a municipal court with the violation that resulted in the suspension, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(b) If the suspension in question was imposed under section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, that portion of the fee shall be deposited as follows:

(3) Expenditures from a county indigent drivers alcohol treatment fund, a

county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund shall be made only upon the order of a county, juvenile, or municipal court judge and only for payment of the cost of the attendance at an alcohol and drug addiction treatment program of a person who is convicted of, or found to be a juvenile traffic offender by reason of, a violation of division (A) of section 4511.19 of the Revised Code or a substantially similar municipal ordinance, who is ordered by the court to attend the alcohol and drug addiction treatment program, and who is determined by the court to be unable to pay the cost of attendance at the treatment program or for payment of the costs specified in division (H)(4) of this section in accordance with that division. The alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health service district in which the court is located shall administer the indigent drivers alcohol treatment program of the court. When a court orders an offender or juvenile traffic offender to attend an alcohol and drug addiction treatment program, the board shall determine which program is suitable to meet the needs of the offender or juvenile traffic offender, and when a suitable program is located and space is available at the program, the offender or juvenile traffic offender shall attend the program designated by the board. A reasonable amount not to exceed five per cent of the amounts credited to and deposited into the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund serving every court whose program is administered by that board shall be paid to the board to cover the costs it incurs in administering those indigent drivers alcohol treatment programs.

In addition, a county, juvenile, or municipal court judge may use moneys in the county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund to pay for the continued use of an electronic continuous alcohol monitoring device by an offender or juvenile traffic offender, in conjunction with a treatment program approved by the department of alcohol and drug addiction services, when such use is determined clinically necessary by the treatment program and when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring of the device.

(4) If a county, juvenile, or municipal court determines, in consultation with the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health district in which the court is located, that the funds in the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of the court are more than sufficient to satisfy the purpose for which the fund was established, as specified in divisions (H)(1) to (3) of this section, the court may declare a surplus in the fund. If the court declares a surplus in the

fund, the court may expend the amount of the surplus in the fund for:

(a) Alcohol and drug abuse assessment and treatment of persons who are charged in the court with committing a criminal offense or with being a delinquent child or juvenile traffic offender and in relation to whom both of the following apply:

(i) The court determines that substance abuse was a contributing factor leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) All or part of the cost of purchasing electronic continuous alcohol monitoring devices to be used in conjunction with division (H)(3) of this section.

Sec. 4511.193. (A) Twenty-five dollars of any fine imposed for a violation of a municipal OVI ordinance shall be deposited into the municipal or county indigent drivers alcohol treatment fund created pursuant to division (H) of section 4511.191 of the Revised Code in accordance with this section and section 733.40, divisions (A) and (B) of section 1901.024, division (F) of section 1901.31, or division (C) of section 1907.20 of the Revised Code. Regardless of whether the fine is imposed by a municipal court, a mayor's court, or a juvenile court, if the fine was imposed for a violation of an ordinance of a municipal corporation that is within the jurisdiction of a municipal court, the twenty-five dollars that is subject to this section shall be deposited into the indigent drivers alcohol treatment fund of the municipal corporation in which is located the municipal court that has jurisdiction over that municipal corporation. Regardless of whether the fine is imposed by a county court, a mayor's court, or a juvenile court, if the fine was imposed for a violation of an ordinance of a municipal corporation that is within the jurisdiction of a county court, the twenty-five dollars that is subject to this section shall be deposited into the indigent drivers alcohol treatment fund of the county in which is located the county court that has jurisdiction over that municipal corporation. The deposit shall be made in accordance with section 733.40, divisions (A) and (B) of section 1901.024, division (F) of section 1901.31, or division (C) of section 1907.20 of the Revised Code.

(B)(1) The requirements and sanctions imposed by divisions (B)(1) and (2) of this section are an adjunct to and derive from the state's exclusive authority over the registration and titling of motor vehicles and do not comprise a part of the criminal sentence to be imposed upon a person who violates a municipal OVI ordinance.

(2) If a person is convicted of or pleads guilty to a violation of a municipal OVI ordinance, if the vehicle the offender was operating at the time of the offense is registered in the offender's name, and if, within ~~six~~twenty years of the current offense, the offender has been convicted of or pleaded guilty to one

or more violations of division (A) or (B) of section 4511.19 of the Revised Code or one or more other equivalent offenses, the court, in addition to and independent of any sentence that it imposes upon the offender for the offense, shall do whichever of the following is applicable:

(a) Except as otherwise provided in division (B)(2)(b) of this section, if, within ~~six~~twenty years of the current offense, the offender has been convicted of or pleaded guilty to one violation described in division (B)(2) of this section, the court shall order the immobilization for ninety days of that vehicle and the impoundment for ninety days of the license plates of that vehicle. The order for the immobilization and impoundment shall be issued and enforced in accordance with section 4503.233 of the Revised Code.

(b) If, within ~~six~~twenty years of the current offense, the offender has been convicted of or pleaded guilty to two or more violations described in division (B)(2) of this section, or if the offender previously has been convicted of or pleaded guilty to a violation of division (A) of section 4511.19 of the Revised Code under circumstances in which the violation was a felony and regardless of when the violation and the conviction or guilty plea occurred, the court shall order the criminal forfeiture to the state of that vehicle. The order of criminal forfeiture shall be issued and enforced in accordance with section 4503.234 of the Revised Code.

Sec. 4511.195. (A) As used in this section:

(1) "Arrested person" means a person who is arrested for a violation of division (A) of section 4511.19 of the Revised Code or a municipal OVI ordinance and whose arrest results in a vehicle being seized under division (B) of this section.

(2) "Vehicle owner" means either of the following:

(a) The person in whose name is registered, at the time of the seizure, a vehicle that is seized under division (B) of this section;

(b) A person to whom the certificate of title to a vehicle that is seized under division (B) of this section has been assigned and who has not obtained a certificate of title to the vehicle in that person's name, but who is deemed by the court as being the owner of the vehicle at the time the vehicle was seized under division (B) of this section.

(3) "Interested party" includes the owner of a vehicle seized under this section, all lienholders, the arrested person, the owner of the place of storage at which a vehicle seized under this section is stored, and the person or entity that caused the vehicle to be removed.

(B)(1) The arresting officer or another officer of the law enforcement agency that employs the arresting officer, in addition to any action that the arresting officer is required or authorized to take by section 4511.19 or 4511.191 of the Revised Code or by any other provision of law, shall seize the vehicle that a person was operating at the time of the alleged offense and its license plates if

the vehicle is registered in the arrested person's name and if either of the following applies:

(a) The person is arrested for a violation of division (A) of section 4511.19 of the Revised Code or of a municipal OVI ordinance and, within ~~six~~twenty years of the alleged violation, the person previously has been convicted of or pleaded guilty to one or more violations of division (A) or (B) of section 4511.19 of the Revised Code or one or more other equivalent offenses.

(b) The person is arrested for a violation of division (A) of section 4511.19 of the Revised Code or of a municipal OVI ordinance and the person previously has been convicted of or pleaded guilty to a violation of division (A) of section 4511.19 of the Revised Code under circumstances in which the violation was a felony, regardless of when the prior felony violation of division (A) of section 4511.19 of the Revised Code and the conviction or guilty plea occurred.

(2) A law enforcement agency that employs a law enforcement officer who makes an arrest of a type that is described in division (B)(1) of this section and that involves a rented or leased vehicle that is being rented or leased for a period of thirty days or less shall notify, within twenty-four hours after the officer makes the arrest, the lessor or owner of the vehicle regarding the circumstances of the arrest and the location at which the vehicle may be picked up. At the time of the seizure of the vehicle, the law enforcement officer who made the arrest shall give the arrested person written notice that the vehicle and its license plates have been seized; that the vehicle either will be kept by the officer's law enforcement agency or will be immobilized at least until the operator's initial appearance on the charge of the offense for which the arrest was made; that, at the initial appearance, the court in certain circumstances may order that the vehicle and license plates be released to the arrested person until the disposition of that charge; and that, if the arrested person is convicted of that charge, the court generally must order the immobilization of the vehicle and the impoundment of its license plates, or the forfeiture of the vehicle.

(3) The arresting officer or a law enforcement officer of the agency that employs the arresting officer shall give written notice of the seizure to the court that will conduct the initial appearance of the arrested person on the charges arising out of the arrest. Upon receipt of the notice, the court promptly shall determine whether the arrested person is the vehicle owner. If the court determines that the arrested person is not the vehicle owner, it promptly shall send by regular mail written notice of the seizure to the vehicle's registered owner. The written notice shall contain all of the information required by division (B)(2) of this section to be in a notice to be given to the arrested person and also shall specify the date, time, and place of the arrested person's initial appearance. The notice also shall inform the vehicle owner that if title to a motor vehicle that is subject to an order for criminal forfeiture under this section is assigned or transferred and division (B)(2) or (3) of section 4503.234 of the Revised Code applies, the court may fine the arrested person the value of the

vehicle. The notice also shall state that if the vehicle is immobilized under division (A) of section 4503.233 of the Revised Code, seven days after the end of the period of immobilization a law enforcement agency will send the vehicle owner a notice, informing the owner that if the release of the vehicle is not obtained in accordance with division (D)(3) of section 4503.233 of the Revised Code, the vehicle shall be forfeited. The notice also shall inform the vehicle owner that the vehicle owner may be charged expenses or charges incurred under this section and section 4503.233 of the Revised Code for the removal and storage of the vehicle.

The written notice that is given to the arrested person also shall state that if the person is convicted of or pleads guilty to the offense and the court issues an immobilization and impoundment order relative to that vehicle, division (D)(4) of section 4503.233 of the Revised Code prohibits the vehicle from being sold during the period of immobilization without the prior approval of the court.

(4) At or before the initial appearance, the vehicle owner may file a motion requesting the court to order that the vehicle and its license plates be released to the vehicle owner. Except as provided in this division and subject to the payment of expenses or charges incurred in the removal and storage of the vehicle, the court, in its discretion, then may issue an order releasing the vehicle and its license plates to the vehicle owner. Such an order may be conditioned upon such terms as the court determines appropriate, including the posting of a bond in an amount determined by the court. If the arrested person is not the vehicle owner and if the vehicle owner is not present at the arrested person's initial appearance, and if the court believes that the vehicle owner was not provided with adequate notice of the initial appearance, the court, in its discretion, may allow the vehicle owner to file a motion within seven days of the initial appearance. If the court allows the vehicle owner to file such a motion after the initial appearance, the extension of time granted by the court does not extend the time within which the initial appearance is to be conducted. If the court issues an order for the release of the vehicle and its license plates, a copy of the order shall be made available to the vehicle owner. If the vehicle owner presents a copy of the order to the law enforcement agency that employs the law enforcement officer who arrested the arrested person, the law enforcement agency promptly shall release the vehicle and its license plates to the vehicle owner upon payment by the vehicle owner of any expenses or charges incurred in the removal and storage of the vehicle.

(5) A vehicle seized under division (B)(1) of this section either shall be towed to a place specified by the law enforcement agency that employs the arresting officer to be safely kept by the agency at that place for the time and in the manner specified in this section or shall be otherwise immobilized for the time and in the manner specified in this section. A law enforcement officer of that agency shall remove the identification license plates of the vehicle, and they shall be safely kept by the agency for the time and in the manner specified in this section. No vehicle that is seized and either towed or immobilized pursuant to this division shall be considered contraband for purposes of section 2933.41,

2933.42, or 2933.43 of the Revised Code. The vehicle shall not be immobilized at any place other than a commercially operated private storage lot, a place owned by a law enforcement agency or other government agency, or a place to which one of the following applies:

(a) The place is leased by or otherwise under the control of a law enforcement agency or other government agency.

(b) The place is owned by the vehicle operator, the vehicle operator's spouse, or a parent or child of the vehicle operator.

(c) The place is owned by a private person or entity, and, prior to the immobilization, the private entity or person that owns the place, or the authorized agent of that private entity or person, has given express written consent for the immobilization to be carried out at that place.

(d) The place is a street or highway on which the vehicle is parked in accordance with the law.

(C)(1) A vehicle seized under division (B) of this section shall be safely kept at the place to which it is towed or otherwise moved by the law enforcement agency that employs the arresting officer until the initial appearance of the arrested person relative to the charge in question. The license plates of the vehicle that are removed pursuant to division (B) of this section shall be safely kept by the law enforcement agency that employs the arresting officer until the initial appearance of the arrested person relative to the charge in question.

(2)(a) At the initial appearance or not less than seven days prior to the date of final disposition, the court shall notify the arrested person that, if title to a motor vehicle that is subject to an order for criminal forfeiture under this section is assigned or transferred and division (B)(2) or (3) of section 4503.234 of the Revised Code applies, the court may fine the arrested person the value of the vehicle. If, at the initial appearance, the arrested person pleads guilty to the violation of division (A) of section 4511.19 of the Revised Code or of the municipal OVI ordinance or pleads no contest to and is convicted of the violation, the court shall impose sentence upon the person as provided by law or ordinance; the court shall order the immobilization of the vehicle the arrested person was operating at the time of the offense if registered in the arrested person's name and the impoundment of its license plates under section 4503.233 and section 4511.19 or 4511.193 of the Revised Code or the criminal forfeiture to the state of the vehicle if registered in the arrested person's name under section 4503.234 and section 4511.19 or 4511.193 of the Revised Code, whichever is applicable; and the vehicle and its license plates shall not be returned or released to the arrested person.

(b) If, at any time, the charge that the arrested person violated division (A) of section 4511.19 of the Revised Code or the municipal OVI ordinance is dismissed for any reason, the court shall order that the vehicle seized at the time of the arrest and its license plates immediately be released to the person.

(D) If a vehicle and its license plates are seized under division (B) of this section and are not returned or released to the arrested person pursuant to division (C) of this section, the vehicle and its license plates shall be retained until the final disposition of the charge in question. Upon the final disposition of that charge, the court shall do whichever of the following is applicable:

(1) If the arrested person is convicted of or pleads guilty to the violation of division (A) of section 4511.19 of the Revised Code or of the municipal OVI ordinance, the court shall impose sentence upon the person as provided by law or ordinance and shall order the immobilization of the vehicle the person was operating at the time of the offense if it is registered in the arrested person's name and the impoundment of its license plates under section 4503.233 and section 4511.19 or 4511.193 of the Revised Code, or the criminal forfeiture of the vehicle if it is registered in the arrested person's name under section 4503.234 and section 4511.19 or 4511.193 of the Revised Code, whichever is applicable.

(2) If the arrested person is found not guilty of the violation of division (A) of section 4511.19 of the Revised Code or of the municipal OVI ordinance, the court shall order that the vehicle and its license plates immediately be released to the arrested person.

(3) If the charge that the arrested person violated division (A) of section 4511.19 of the Revised Code or the municipal OVI ordinance is dismissed for any reason, the court shall order that the vehicle and its license plates immediately be released to the arrested person.

(4) If the impoundment of the vehicle was not authorized under this section, the court shall order that the vehicle and its license plates be returned immediately to the arrested person or, if the arrested person is not the vehicle owner, to the vehicle owner, and shall order that the state or political subdivision of the law enforcement agency served by the law enforcement officer who seized the vehicle pay all expenses and charges incurred in its removal and storage.

(E) If a vehicle is seized under division (B) of this section, the time between the seizure of the vehicle and either its release to the arrested person under division (C) of this section or the issuance of an order of immobilization of the vehicle under section 4503.233 of the Revised Code shall be credited against the period of immobilization ordered by the court.

(F)(1) Except as provided in division (D)(4) of this section, the arrested person may be charged expenses or charges incurred in the removal and storage of the immobilized vehicle. The court with jurisdiction over the case, after notice to all interested parties, including lienholders, and after an opportunity for them to be heard, if the court finds that the arrested person does not intend to seek release of the vehicle at the end of the period of immobilization under section 4503.233 of the Revised Code or that the arrested person is not or will not be able to pay the expenses and charges incurred in its removal and storage, may order that title to the vehicle be transferred, in order of priority, first into the

name of the person or entity that removed it, next into the name of a lienholder, or lastly into the name of the owner of the place of storage.

Any lienholder that receives title under a court order shall do so on the condition that it pay any expenses or charges incurred in the vehicle's removal and storage. If the person or entity that receives title to the vehicle is the person or entity that removed it, the person or entity shall receive title on the condition that it pay any lien on the vehicle. The court shall not order that title be transferred to any person or entity other than the owner of the place of storage if the person or entity refuses to receive the title. Any person or entity that receives title either may keep title to the vehicle or may dispose of the vehicle in any legal manner that it considers appropriate, including assignment of the certificate of title to the motor vehicle to a salvage dealer or a scrap metal processing facility. The person or entity shall not transfer the vehicle to the person who is the vehicle's immediate previous owner.

If the person or entity that receives title assigns the motor vehicle to a salvage dealer or scrap metal processing facility, the person or entity shall send the assigned certificate of title to the motor vehicle to the clerk of the court of common pleas of the county in which the salvage dealer or scrap metal processing facility is located. The person or entity shall mark the face of the certificate of title with the words "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.
