(8) A child whose parent is a full-time employee of a city, local, or exempted village school district, or of an educational service center, may be admitted to the schools of the district where the child's parent is employed, or in the case of a child whose parent is employed by an educational service center, in the district that serves the location where the parent's job is primarily located, provided the district board of education establishes such an admission policy by resolution adopted by a majority of its members. Any such policy shall take effect on the first day of the school year and the effective date of any amendment or repeal may not be prior to the first day of the subsequent school year. The policy shall be uniformly applied to all such children and shall provide for the admission of any such child upon request of the parent. No child may be admitted under this policy after the first day of classes of any school year.

(9) A child who is with the child's parent under the care of a shelter for victims of domestic violence, as defined in section 3113.33 of the Revised Code, is entitled to attend school free in the district in which the child is with the child's parent, and no other school district shall be required to pay tuition for the child's attendance in that school district.

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F)(11) of this section to complete any consent form required by the district, including any authorization required by sections 3313.712, 3313.713, and 3313.716 of the Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F)(11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. This section does not affect, and shall not be construed as affecting, any immunities from defenses to tort liability created or recognized by Chapter 2744. of the Revised Code for a school district, member, or employee.

(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free, appropriate public education, including public preschool, to each homeless child.

When a child loses permanent housing and becomes a homeless person, as defined in 42 U.S.C.A. 11481(5), or when a child who is such a homeless person changes temporary living arrangements, the child's parent or guardian shall have the option of enrolling the child in either of the following:

(b) The military power of attorney or comparable document includes at least the authority to enroll the child in school.

The entitlement to attend school in the district in which the parent's agent under the military power of attorney or comparable document resides applies until the end of the school year in which the military power of attorney or comparable document expires.

(G) A board of education, after approving admission, may waive tuition for students who will temporarily reside in the district and who are either of the following:

(1) Residents or domiciliaries of a foreign nation who request admission as foreign exchange students;

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(3) Any person or entity owing tuition to the school district on behalf of the child at the end of the first full week in October, as provided in division (C) of this section, shall continue to owe such tuition to the district for the child's attendance under division (I)(1) of this section for the lesser of the balance of the school year or the balance of the time that the child attends school in the district under division (I)(1) of this section.

(4) A pupil who may attend school in the district under division (I)(1) of this section shall be entitled to transportation services pursuant to an agreement between the district and the district in which the child or child's parent has relocated unless the districts have not entered into such agreement, in which case the child shall be entitled to transportation services in the same manner as a pupil attending school in the district under interdistrict open enrollment as described in division (H) of section 3313.981 of the Revised Code, regardless of whether the

district has adopted an open enrollment policy as described in division (B)(1)(b) or (c) of section 3313.98 of the Revised Code.

(J) This division does not apply to a child receiving special education.

A school district required to pay tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount deducted under division (F) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. A school district entitled to receive tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount credited under division (F) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. If the tuition rate credited to the district of attendance exceeds the rate deducted from the district required to pay tuition, the department of education shall pay the district of attendance the difference from amounts deducted from all districts' payments under division (F) of section 3317.023 of the Revised Code but not credited to other school districts under such division and from appropriations made for such purpose. The treasurer of each school district shall, by the fifteenth day of January and July, furnish the superintendent of public instruction a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

Upon receipt of the report the superintendent, pursuant to division (F) of section 3317.023 of the Revised Code, shall deduct each district's tuition obligations under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code and pay to the district of attendance that amount plus any amount required to be paid by the state.

(K) In the event of a disagreement, the superintendent of public instruction shall determine the school district in which the parent resides.

(L) Nothing in this section requires or authorizes, or shall be construed to require or authorize, the admission to a public school in this state of a pupil who has been permanently excluded from public school attendance by the superintendent of public instruction pursuant to sections 3301.121 and 3313.662 of the Revised Code.

(M) In accordance with division (B)(1) of this section, a child whose parent is a member of the national guard or a reserve unit of the armed forces of the United States and is called to active duty, or a child whose parent is a member of the armed forces of the United States and is ordered to a temporary duty assignment outside of the district, may continue to attend school in the district in which the child's parent lived before being called to active duty or ordered to a temporary duty assignment outside of the district, as long as the child's parent continues to be a resident of that district, and regardless of where

the child lives as a result of the parent's active duty status or temporary duty assignment. However, the district is not responsible for providing transportation for the child if the child lives outside of the district as a result of the parent's active duty status or temporary duty assignment."

The consent to placement, surrender, or adoption executed by a minor parent before a judge of the probate court or an authorized deputy or referee of the court, whether executed within or outside the confines of the court, is as valid as though executed by an adult. A consent given as above before an employee of a children services agency that is licensed as provided by law, is equally effective, if the consent also is accompanied by an affidavit executed by the witnessing employee or employees to the effect that the legal rights of the parents have been fully explained to the parents, prior to the execution of any consent, and that the action was done after the birth of the child.

#### ARTICLE X.

### ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION

(A) Bylaws:

(1) Within 12 months after the first Interstate Commission meeting, the Interstate Commission shall adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact.

(2) The Interstate Commission's bylaws and rules shall establish

conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure information or official records to the extent they would adversely affect personal privacy rights or proprietary interests.

(B) Meetings:

(1) The Interstate Commission shall meet at least once each calendar year. The chairperson may call additional meetings and, upon the request of a simple majority of the member states shall call additional meetings.

(2) Public notice shall be given by the Interstate Commission of all meetings and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission and its committees may close a meeting, or portion thereof, where it determines by two-thirds vote that an open meeting would be likely to:

(a) Relate solely to the Interstate Commission's internal personnel practices and procedures; or

(b) Disclose matters specifically exempted from disclosure by federal law; or

(c) Disclose financial or commercial information which is privileged, proprietary, or confidential in nature; or

(d) Involve accusing a person of a crime, or formally censuring a person;  
or

(e) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy or physically endanger one or more persons; or

(f) Disclose investigative records compiled for law enforcement purposes; or

(g) Specifically relate to the Interstate Commission's participation in a civil action or other legal proceeding.

(3) For a meeting, or portion of a meeting, closed pursuant to this provision, the Interstate Commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exemption provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed and the record of a roll call vote. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Interstate Commission or by court order.

(4) The bylaws may provide for meetings of the Interstate Commission to be conducted by telecommunication or other electronic communication.

(C) Officers and Staff:

(1) The Interstate Commission may, through its executive committee, appoint or retain a staff director for such period, upon such terms and conditions and for such compensation as the Interstate Commission may deem appropriate. The staff director shall serve as secretary to the Interstate Commission, but shall not have a vote. The staff director may hire and supervise such other staff as may be authorized by the Interstate Commission.

(2) The Interstate Commission shall elect, from among its members, a chairperson and a vice chairperson of the executive committee and other necessary officers, each of whom shall have such authority and duties as may be specified in the bylaws.

(D) Qualified Immunity, Defense and Indemnification:

(1) The Interstate Commission's staff director and its employees shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided, that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by a criminal act or the intentional or willful and wanton misconduct of such person.

(a) The liability of the Interstate Commission's staff director and employees or Interstate Commission representatives, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. The Interstate Commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by a criminal act or the intentional or willful and wanton misconduct of such person.

(b) The Interstate Commission shall defend the staff director and its employees and, subject to the approval of the Attorney General or other appropriate legal counsel of the member state shall defend the commissioner of a member state in a civil action seeking to impose liability arising out of an actual or alleged act, error or omission that occurred within the scope of Interstate Commission employment, duties or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(c) To the extent not covered by the state involved, member state, or the Interstate Commission, the representatives or employees of the Interstate Commission shall be held harmless in the amount of a settlement or judgment, including attorney's fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of the Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons.

(E) Not later than 60 days after a rule is promulgated, an interested person may file a petition in the U.S. District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principal office is located for judicial review of such rule. (b) Prevent loss of federal or state funds; or

(c) Meet a deadline for the promulgation of an administrative rule required by federal law.

(3) An emergency rule shall be promulgated as provided for in the rules of the Interstate Commission.

ARTICLE XII.

(c) By majority vote of the members, initiate against a defaulting member

state legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its principal offices, to enforce compliance with the provisions of the compact, its bylaws or rules. The relief sought may include both injunctive relief and damages. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission which shall promulgate a rule binding upon all member states.

(C) The Interstate Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the member states, except by and with the authority of the member state.

(D) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

#### ARTICLE XIV.

(A) Any state is eligible to become a member state.

(B) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 states. The effective date shall be the later of July 1, 2007 or upon enactment of the compact into law by the 35th state. Thereafter it shall become effective and binding as to any other member state upon enactment of the compact into law by that state. The governors of non-member states or their designees shall be invited to participate in the activities of the Interstate Commission on a non-voting basis prior to adoption of the compact by all states.

ARTICLE XV.

(3) The withdrawing state shall immediately notify the president of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall then notify the other member states of the withdrawing state's intent to withdraw.

(5) Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the members of the Interstate Commission.

(B) Dissolution of Compact:

(1) This compact shall dissolve effective upon the date of the withdrawal or default of the member state which reduces the membership in the compact to one member state.

(2) Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XVI.

(B) The provisions of this compact shall be liberally construed to effectuate its purposes.

(C) Nothing in this compact shall be construed to prohibit the concurrent applicability of other interstate compacts to which the states are members.

ARTICLE XVII.

(B) Binding Effect of the Compact:

(1) All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the member states.

No expense shall be incurred by the agency or the board of county commissioners, on account of such care, except for temporary or emergency care, without the consent of the agency or board of county commissioners, or as provided by this section. If such consent cannot be obtained the board of county commissioners may file a petition in the court of common pleas of the county in which the child is found for a determination of legal residence of such child. Summons in such a proceeding shall be served, as in other civil actions, upon the board of county commissioners and the executive director of the agency of the county alleged to be the county of legal residence, but the answer day shall be the tenth day after the issuance of such summons. The return day shall be the fifth day after issuance of the summons. The cause shall be set for hearing not less than ten nor more than thirty days after the issuance of the summons. Shared planning and financial responsibility shall cease on the first day of the thirty-seventh month after the date that the child's adoption was finalized and, on this date, the custodial agency shall then assume full planning and financial responsibility. The custodial agency and the agency that previously held permanent custody of the child may enter into a written agreement for shared financial responsibility that differs from the responsibilities allocated in this division.

(2) Division (B)(1) of this section does not apply to any of the following:

The question recurring, "Shall the bill pass?"

Representative Driehaus moved to amend as follows:

In line 29, delete "and"; after "3318.121" insert ", 5709.95, 5709.951, 5709.952, 5709.953, 5709.954, 5709.955, 5709.956, 5709.957, and 5709.958"

Between lines 2108 and 2109, insert:

"Sec. 5709.95. As used in sections 5709.951 to 5709.958 of the Revised Code, "tax expenditure" means a statutory provision, however denominated, that exempts certain persons, property, goods, or services, in whole or in part, from the operation of a tax.

Sec. 5709.951. A tax expenditure created after April 15, 2007, expires at the end of the thirty-first day of December of the fifth year after the year in which it was created, unless, before its expiration date, it is renewed under section 5709.953 of the Revised Code. A tax expenditure does not apply to taxable years that begin in the year the tax expenditure expires.

Sec. 5709.952. An act creating a tax expenditure shall specify:

- (A) The purpose served by the tax expenditure;
- (B) The date on which the tax expenditure expires;
- (C) The class of taxpayers that will benefit from the tax expenditure; and
- (D) Methods to be used to appraise the tax expenditure's effectiveness in serving its purpose.

Division (D) of this section may be fulfilled by applying general statutes or by enacting statutory provisions that apply particularly to the tax expenditure.

Sec. 5709.953. The general assembly may renew a tax expenditure by enacting an act that:

- (A) Addresses only that subject;
- (B) Fulfills the criteria specified in section 5709.952 of the Revised Code, including specifying a new expiration date for the tax expenditure; and
- (C) Improves the tax expenditure's effectiveness in serving its purpose; redefines the tax expenditure's purpose to serve or better serve a public need; retains or improves the statutes that enhance, or amends or repeals statutes that

impede, the tax expenditure's effectiveness in serving its purpose; improves the tax expenditure's effectiveness in promoting economic growth and development; reduces the amount of revenue lost as a result of the tax expenditure; or re-enacts the tax expenditure to continue it without change.

Housekeeping repeal of a tax expenditure that has expired shall not be combined in an act renewing a tax expenditure.

Sec. 5709.954. Not later than the date that is twenty-four months before a tax expenditure expires, the tax commissioner shall notify the tax expenditure sunset review committee of the tax expenditure's expiration. The committee thereupon shall prepare a schedule for appraising the tax expenditure so that the appraisal and the report required under sections 5709.956 and 5709.957 of the Revised Code will be completed not later than the date that is twelve months before the tax expenditure expires. The schedule shall provide for a public hearing on the tax expenditure. The committee chairperson shall send a copy of the schedule to the tax commissioner, and the commissioner shall publish the schedule in the register of Ohio.

Sec. 5709.955. (A) For each tax expenditure scheduled for appraisal by the tax expenditure sunset review committee, the tax commissioner, and any other state official responsible for administering the tax expenditure, shall submit to the committee a report that:

- (1) Explains the tax expenditure's purpose;
- (2) Expresses an opinion as to the public need for the tax expenditure;
- (3) Expresses an opinion as to whether the tax expenditure has been impeded or enhanced by existing statutes;
- (4) Describes how, if at all, the tax expenditure promotes economic growth and development;
- (5) Provides an estimate of the amount of tax revenue lost each fiscal year as a result of the tax expenditure;
- (6) Expresses an opinion as to whether the tax expenditure should be allowed to expire or be renewed; and
- (7) Contains any other information relevant to the committee's appraisal of the tax expenditure.

The report shall be submitted to the committee on or before the date scheduled for the tax expenditure's public hearing under section 5709.954 of the Revised Code.

(B) Each year, beginning in 2007, the legislative service commission shall prepare and submit to the committee a report that describes each tax expenditure created after April 15, 2007, or renewed under section 5709.953 of the Revised Code; identifies the tax expenditure's intended purpose; and appraises the tax expenditure's effectiveness using the methods prescribed in the

act creating the tax expenditure.

**Sec. 5709.956.** At the time and place specified in the schedule, the tax expenditure sunset review committee shall hold a public hearing on the tax expenditure, at which any person may present testimony or tangible evidence relevant to the tax expenditure. After the hearing, the committee shall appraise the tax expenditure. In making its appraisal, the committee shall consider the reports submitted under section 5709.955 of the Revised Code and knowledge gleaned from the hearing, but is not limited to these sources. Upon the committee's request, the department of taxation, office of budget and management, and any other state agency shall provide the committee with any information in its possession the committee requires to appraise the tax expenditure. The legislative service commission shall provide drafting and clerical support to the committee.

**Sec. 5709.957.** The tax expenditure sunset review committee shall prepare a report of its appraisal of a tax expenditure that contains:

(A) A statement of the purpose served by the tax expenditure;

(B) An appraisal of the tax expenditure's effectiveness in serving its purpose;

(C) An evaluation of whether the tax expenditure's purpose serves a public need;

(D) An evaluation of whether other statutes have enhanced or impeded the tax expenditure's effectiveness in serving its purpose;

(E) An appraisal of whether the tax expenditure promotes economic growth and development;

(F) An estimate of the amount of revenue lost each fiscal year because of the tax expenditure;

(G) A recommendation as to whether the tax expenditure should be allowed to expire or be renewed; and

(H) Any other information the committee considers relevant.

In an appendix to its report, the committee shall include a draft of a bill that would implement its recommendation under division (G) of this section and, if the tax expenditure is recommended for renewal, section 5709.953 of the Revised Code. If the committee recommends renewal of the tax expenditure, the appendix shall include a commentary to the bill draft explaining how renewal of the tax expenditure will fulfill the criteria specified in division (C) of section 5709.953 of the Revised Code.

The committee shall provide a copy of the report to the governor, the tax commissioner, the director of budget and management, and each member of the general assembly. The report is a public record.

**Sec. 5709.958.** There is hereby created the tax expenditure sunset review

committee composed of nine members. The president of the senate, within fifteen days after the first day of the first regular session of the general assembly, shall appoint three members of the senate to the committee, not more than two of whom are members of the same political party. The speaker of the house of representatives, within fifteen days after the first day of the first regular session of the general assembly, shall appoint three members of the house of representatives to the committee, not more than two of whom are members of the same political party. The governor, within fifteen days after the first day of the first regular session of the general assembly and with the advice and consent of the senate, shall appoint three members to the committee, not more than two of whom are members of the same political party.

Legislative members of the committee hold office until their successors are appointed or until they earlier cease to be members of the senate or house of representatives, as the case may be. Members appointed by the governor hold office for terms ending on the thirty-first day of December of each even-numbered year. A member appointed by the governor continues to hold office after the expiration of the member's term until the member's successor is appointed, or until thirty days have elapsed, whichever occurs first.

In the first regular session of the general assembly, the committee shall elect a member of the house of representatives as chairperson of the committee and a member of the senate as vice-chairperson of the committee. In the second regular session of the general assembly, the committee shall elect a member of the senate as chairperson of the committee and a member of the house of representatives as vice-chairperson of the committee.

A vacancy on the committee shall be filled in the same manner as the original appointment. A member appointed to fill a vacancy occurring prior to the expiration of the term to which the member's predecessor was appointed holds office for the remainder of the unexpired term.

Members of the committee shall serve without compensation, but shall be reimbursed for actual and necessary expenses they incur in performance of their duties.

The committee shall meet as often as necessary to perform its duties.

Five members of the committee constitute a quorum. The committee shall not take any action without the concurrence of at least five members. So long as a quorum is present, a vacancy on the committee does not impair the ability of the remaining members to perform the committee's duties."

Between lines 4123 and 4124, insert:

**"Section \_\_\_\_.** (A) A tax expenditure in existence on April 15, 2007, expires at the end of December 31, 2008, unless, before that expiration date, it is renewed under section 5709.953 of the Revised Code. A tax expenditure in existence on April 15, 2007, that expires does not apply to taxable years beginning in 2008.

(B) On or before January 1, 2008, the Tax Commissioner shall prepare a list of the tax expenditures in existence on April 15, 2007, and shall provide a copy of the list to the chairperson of the Tax Expenditure Sunset Review Committee. The Committee thereupon shall prepare a schedule under section 5709.954 of the Revised Code for appraising the listed tax expenditures so that the appraisal and the report required under section 5709.957 of the Revised Code will be completed not later than November 1, 2008. The schedule shall provide for a public hearing on each tax expenditure. The chairperson of the Committee shall send a copy of the schedule to the Tax Commissioner, and the Tax Commissioner shall publish the schedule in the Register of Ohio. On or before the date scheduled for a tax expenditure's public hearing, the Tax Commissioner, and any other state official responsible for administering the tax expenditure, shall submit the reports required under division (A) of section 5709.955 of the Revised Code. The Committee shall proceed to appraise the listed tax expenditures under section 5709.956 of the Revised Code, and to report upon its appraisal of the listed tax expenditures under section 5709.957 of the Revised Code.

Thereafter, gubernatorial appointments and terms of office shall be as prescribed in section 5709.958 of the Revised Code.

(B) Not later than thirty days after the effective date of this section, the President of the Senate and the Speaker of the House of Representatives shall make initial appointments to the Tax Expenditure Sunset Review Committee under section 5709.958 of the Revised Code.
